6. The state comptroller shall adopt rules for waiving the time limitations established by this section when a state agency must apply for a categorical grant within thirty days of notification of the availability of the categorical grant. The provisions of chapter 17A with respect to rules promulgation procedures may be waived by the comptroller to the extent necessary to make the rules effective upon filing. Under such circumstances the agency shall comply with subsection 2 immediately upon notification of the availability of the categorical grant. The state comptroller shall comply with subsection 3 and shall notify the legislative council and the chairpersons of the appropriations committees that the forty-five day period for comments has been waived and shall state the new date by which comments must be received to be submitted with the application to the federal government. This subsection does not exempt categorical grants received under conditions governed by this subsection from subsection 5.

Sec. 6. The comptroller shall prepare and submit to the legislative fiscal committee by September 1, 1981 a list of federal funds anticipated to be received and expended by state agencies during the fiscal biennium beginning July 1, 1981 and ending June 30, 1983. The list shall include for each amount anticipated the agency designated to administer the funds, the program for which the funds will be used and the amount of any state funds that will be used to match or supplement the federal funds.
