The monthly remittance procedure is optional for any sales tax permit holder whose average monthly collection of tax amounts to more than twenty-five dollars and less than fifty dollars. If the exact amounts of the taxes due or an amount equal to not less than one-third or one-sixth, as applicable, of the tax collected and paid to the department during the last preceding quarter on the deposit form are not ascertainable by the retailer, or would work undue hardship in the computation of the taxes due by the retailer, the director may provide by rules alternative procedures for estimating the amounts (but not the dates) due by the retailers. The forms prescribed by the director shall be referred to as "retailers semi-monthly tax deposit" or "retailers monthly tax deposit". Deposit forms shall be signed by the retailer or the retailer's duly authorized agent, and shall be duly certified by the retailer or agent to be correct. The director may authorize incorporated banks and trust companies or other depositories authorized by law which are depositories or financial agents of the United States, or of this state, to receive any tax imposed under this chapter, in the manner, at the times and under the conditions the director prescribes. The director shall prescribe the manner, times, and conditions under which the receipt of the tax by those depositories is to be treated as payment of the tax to the department.
