

c. A number of members equal to the number of authorized board members from project advisory committees or equal to the number of citizen members shall be appointed by the judges of the judicial district no later than January 15 of each year.

Within thirty days after the members of the district board have been so designated for the year, the district board shall organize by election of a chairperson, a vice chairperson, and members of the executive committee as required by subsection 2. The district board shall meet at least quarterly during the calendar year but may meet more frequently upon the call of the chairperson or upon a call signed by a majority, determined by weighted vote computed as in subsection 4 hereinafter, of the members of the board.

2. Each district board shall have an executive committee consisting of the chairperson and vice chairperson and at least one but no more than five other members of the district board. Either the chairperson or the vice chairperson shall be a supervisor, and the remaining representation on the executive committee shall be divided as equally as possible among supervisor members, project advisory committee members or citizen members, and judicially appointed members. The executive committee may exercise all of the powers and discharge all of the duties of the district board, as prescribed by this chapter, except those specifically withheld from the executive committee by action of the district board.

3. The members of the district board and of the executive committee shall be reimbursed from funds of the district department for travel and other expenses necessarily incurred in attending meetings of those bodies, or while otherwise engaged on business of the district department.

4. Each member of the district board shall have one vote on the board. However, upon the request of any supervisory member, the vote on any matter before the board shall be taken by weighted vote. In each such case, the vote of the supervisor representative of the least populous county in the judicial district shall have a weight of one unit, and the vote of each of the other supervisor members shall have a weight which bears the same proportion to one unit as the population of the county that supervisor member represents bears to the population of the least populous county in the district. In the event of weighted vote, the vote of each member appointed from a project advisory committee or of each citizen member and of each judicially appointed member shall have a weight of one unit.
