CHAPTER 223

LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

H.F. 661

AN ACT creating an Iowa life and health insurance guaranty association, protecting persons, within limits, against the failure of certain life, health, and annuity contracts because of impairment or insolvency, specifying the powers and duties of the association, and providing administrative procedures and methods for the operation and financing of the association, including but not limited to the assessment of member insurers and the provision of a partial premium tax liability credit.

Be It Enacted by the General Assembly of the State of Iowa:

Sec. 6. NEW SECTION. 508C.6 CREATION OF THE ASSOCIATION.

1. A nonprofit legal entity is created to be known as the Iowa life and health insurance guaranty association. All member insurers shall be and shall remain members of the association as a condition of their authority to transact insurance business in this state. The association shall perform its functions under the plan of operation established and approved under section 508C.10 and shall exercise its powers through the board of directors established in section 508C.7. For purposes of administration and assessment, the association shall maintain all of the following accounts:
   a. A health insurance account.
   b. A life insurance account.
   c. An annuity account.

2. The association is subject to the immediate supervision of the commissioner and the applicable provisions of the insurance laws of this state.

Sec. 7. NEW SECTION. 508C.7 BOARD OF DIRECTORS.

1. The board of directors of the association shall consist of not less than five nor more than nine member insurers serving terms as established in the plan of operation. The members of the board shall be selected by member insurers, subject to the approval of the commissioner. Vacancies on the board shall be filled for the remaining period of the term by a majority vote of the remaining board members, subject to the approval of the commissioner. To select the initial board of directors, and initially organize the association, the commissioner shall give notice to all member insurers of the time and place of the organizational meeting. In determining voting rights at the organizational meeting each member insurer is entitled to one vote in person or by proxy. If the board of directors is not selected within sixty days after notice of the organizational meeting, the commissioner may appoint the initial members.

2. In approving selections or in appointing members to the board, the commissioner shall consider, among other factors, whether all member insurers are fairly represented.

3. At the option of the association, members of the board may be reimbursed from the assets of the association for expenses incurred by them as members of the board of directors. However, members of the board shall not otherwise be compensated by the association for their services.

Sec. 8. NEW SECTION. 508C.8 POWERS AND DUTIES OF THE ASSOCIATION.

1. If a domestic insurer is an impaired insurer, the association, subject to conditions imposed by the association and approved by the impaired insurer and the commissioner, may:
   a. Guarantee, assume, reinsure, or cause to be guaranteed, assumed, or reinsured, any or all of the covered policies of the impaired insurer.
   b. Provide moneys, pledges, notes, guarantees, or other means as proper to effectuate paragraph “a” and assure payment of the contractual obligations of the impaired insurer pending action under paragraph “a”.
   c. Loan money to the impaired insurer and guarantee borrowings by the impaired insurer, provided the association has concluded, based on reasonable assumptions, that there is a likelihood of repayment of the loan and a probability that unless a loan is made the association would incur substantial liabilities under subsection 2.

2. If a domestic, foreign, or alien insurer is an insolvent insurer, subject to the approval of the commissioner the association shall:
   a. Guarantee, assume, or reinsure, or cause to be guaranteed, assumed, or reinsured the covered policies of the insolvent insurer.
   b. Assure payment of the contractual obligations of the insolvent insurer.
   c. Provide moneys, pledges, notes, guarantees, or other means as reasonably necessary to discharge the duties described in this subsection.
3. a. In carrying out its duties under subsection 2, permanent policy liens or contract liens may be imposed in connection with a guarantee, assumption, or reinsurance agreement, if the court does both of the following:

   (1) Finds either that the amounts which can be assessed under this chapter are less than the amounts needed to assure full and prompt performance of the insolvent insurer's contractual obligations, or that the economic or financial conditions as they affect member insurers are sufficiently adverse to the public interest to justify the imposition of policy or contract liens.

   (2) Approves the specific policy liens or contract liens to be used.

b. Before being obligated under subsection 2, the association may request the imposition of a temporary moratorium, not exceeding three years, or liens on payments of cash values, termination values, and policy loans in addition to any contractual provisions for deferral of cash values, termination values, or policy loans. The temporary moratoriums and liens may be imposed by the court as a condition of the association's liability with respect to the insolvent insurer.

c. The obligations of the association under subsection 2 regarding a covered policy shall be reduced to the extent that the person entitled to the obligations has received payment of all or any part of the contractual benefits payable under the covered policy from any other source.

d. The association may offer modifications to the owners of policies or contracts or classes of policies or contracts issued by the insolvent insurer, if the association finds that under the policies or contracts the benefits provided, provisions pertaining to renewal, or the premiums charged or which may be charged are not reasonable. If the owner of a policy or contract to be modified fails or refuses to accept the modification as approved by the court, the association may terminate the policy or contract as of a date not less than one hundred eighty days after the modification is sent to the owner. The association shall have no liability under the policy or contract for any claim incurred or continuing beyond the termination date.

4. If the association fails to act within a reasonable period of time as provided in subsection 2, the commissioner shall have the powers and duties of the association under this chapter with respect to insolvent insurers.

5. Upon request the association may give assistance and advice to the commissioner concerning the rehabilitation, payment of claims, continuance of coverage, or the performance of other contractual obligations of an impaired or insolvent insurer.

6. The association has standing to appear before any court in this state with jurisdiction over an impaired or insolvent insurer concerning which the association is or may become obligated under this chapter. Standing shall extend to all matters germane to the powers and duties of the association including, but not limited to, proposals for reinsuring or guaranteeing the covered policies of the impaired or insolvent insurer and the determination of the covered policies and contractual obligations.

7. a. A person receiving benefits under this chapter is deemed to have assigned the rights under the covered policy to the association to the extent of the benefits received under this chapter, whether the benefits are payments of contractual obligations or a continuation of coverage. The association may require an assignment to the association of the rights by a payee, policyholder or contract owner, beneficiary, insured, or annuitant as a condition precedent to the receipt of any rights or benefits conferred by this chapter upon the person. The association shall be subrogated to these rights against the assets of the insolvent insurer.

   b. The subrogation rights of the association under this subsection have the same priority against the assets of the insolvent insurer as that possessed by the person entitled to receive benefits under this chapter.

   c. In addition to the rights pursuant to subsection 3, paragraphs "a" and "b", the association shall have all common law rights of subrogation and any other equitable or legal remedy which would have been available to the insolvent insurer or holder of a policy or contract.

8. The contractual obligations of the insolvent insurer, for which the association becomes or may become liable, are as great as but not greater than the contractual obligations of the
insolvent insurer would have been in the absence of an insolvency, unless the obligations are reduced as permitted in this chapter. However, with respect to any one life, the aggregate liability of the association shall not exceed one hundred thousand dollars in cash and termination values, or three hundred thousand dollars for all benefits, including cash and termination values, death benefits, annuity payments, accident and health benefits, and all other amounts payable under all policies or contracts of the insolvent insurer.

9. The association has no obligation for either of the following:
   a. To continue coverage, or to pay a claim for benefits to any person under an individual accident, health, or disability policy accruing more than three years following the date the member insurer is adjudicated to be insolvent.
   b. To issue a group conversion policy of any nature to a person or to continue a group coverage in force for more than sixty days following the date the member insurer was adjudicated to be insolvent.

10. The association may do any of the following:
   a. Enter into contracts as necessary or proper to carry out this chapter.
   b. Sue or be sued, including taking any legal actions necessary or proper for recovery of any unpaid assessments under section 508C.9.
   c. Borrow money to effect the purposes of this chapter. Any notes or other evidence of indebtedness of the association held by domestic insurers and not in default qualify as investments eligible for deposit under section 511.8, subsection 16.
   d. Employ or retain persons as necessary to handle the financial transactions of the association, and to perform other functions as necessary or proper under this chapter.
   e. Negotiate and contract with a liquidator, rehabilitator, conservator, or ancillary receiver to carry out the powers and duties of the association.
   f. Take legal action as necessary to avoid payment of improper claims.
   g. For the purposes of this chapter and to the extent approved by the commissioner, exercise the powers of a domestic life or health insurer. However, the association shall not issue insurance policies or annuity contracts other than those issued to perform the contractual obligations of the impaired or insolvent insurer.
   h. Join an organization of one or more other state associations of similar purposes to further the purposes and administer the powers and duties of the association.

Sec. 9. NEW SECTION. 508C.9 ASSESSMENTS.
1. For the purpose of providing the funds necessary to carry out the powers and duties of the association, the board of directors shall assess the member insurers, separately for each account established pursuant to section 508C.6, at the time and for the amounts the board finds necessary. An assessment is due not less than thirty days after prior written notice has been sent to the member insurers and accrues interest at ten percent per annum commencing on the due date.

2. There are two classes of assessments as follows:
   a. Class A assessments shall be made for the purpose of meeting administrative costs and other general expenses and examinations conducted under section 508C.12, subsection 5, not related to a particular impaired or insolvent insurer.
   b. Class B assessments shall be made to the extent necessary to carry out the powers and duties of the association under section 508C.8 with regard to an impaired domestic insurer or an insolvent domestic, foreign, or alien insurer.

3. a. The amount of a class A assessment shall be determined by the board and to the extent that class A assessments do not exceed one hundred dollars per company in any one calendar year may be made on a per capita basis. The assessment shall be credited against future insolvency assessments. The amount of a class B assessment shall be allocated for assessment purposes among the accounts as the liabilities and expenses of the association, either experienced
or reasonably expected, are attributable to those accounts, all as determined by the association and on as equitable a basis as is reasonably practical.

b. Class A assessments in excess of one hundred dollars per company per calendar year and class B assessments against member insurers for each account shall be in the proportion that the aggregate premiums received on business in this state by each assessed member insurer on policies or contracts related to that account for the three calendar years preceding the year of impairment or insolvency, bear to the aggregate premiums received on business in this state by all assessed member insurers on policies related to that account for the three calendar years preceding the assessment.

c. Assessments for funds to meet the requirements of the association with respect to an impaired or insolvent insurer shall not be made until necessary to implement the purposes of this chapter. Classification of assessments under this subsection shall be made with a reasonable degree of accuracy, recognizing that exact determinations may not always be possible.

4. The association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual obligations. If an assessment against a member insurer is abated or deferred, in whole or in part, the amount by which the assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section.

5. The total of all assessments upon a member insurer for each account shall not in any one calendar year exceed two percent of the insurer's premiums received in this state during the calendar year preceding the assessment on the policies related to that account. If the maximum assessment, together with the other assets of the association in either account, does not provide in any one year in either account an amount sufficient to carry out the responsibilities of the association, the necessary additional funds shall be assessed as soon as permitted by this chapter.

6. By an equitable method as established in the plan of operation, the board may refund to member insurers, in proportion to the contribution of each insurer to that account, the amount by which the assets of the account, including assets accruing from net realized gains and income from investments, exceed the amount the board finds is necessary to carry out during the coming year the obligations of the association with regard to that account. A reasonable amount may be retained in any account to provide funds for the continuing expenses of the association and for future losses if refunds are impractical.

7. In determining its premium rates and policyowner dividends as to any kind of insurance within the scope of this chapter, it is proper for a member insurer to consider the amount reasonably necessary to meet its assessment obligations under this chapter.

8. The association shall issue to each insurer paying a class B assessment under this chapter, a certificate of contribution in a form prescribed by the commissioner for the amount of the assessment so paid. All outstanding certificates shall be of equal dignity and priority without reference to amounts or dates of issue. A certificate of contribution may be shown by the insurer in its financial statement as an asset in the form, for the amount and for a period of time as the commissioner may approve.

Sec. 10. NEW SECTION. 508C.10 PLAN OF OPERATION.

1. a. The association shall submit to the commissioner a plan of operation and any amendments to the plan of operation necessary or suitable to assure the fair, reasonable, and equitable administration of the association. The plan of operation and any amendments to the plan are effective upon the commissioner's written approval.

b. If the association fails to submit a suitable plan of operation within one hundred eighty days following the effective date of this Act or if at any time the association fails to submit suitable amendments to the plan, the commissioner shall, after notice and hearing, adopt rules pursuant to chapter 17A as necessary or advisable to effectuate this chapter. The rules shall
continue in force until modified by the commissioner or superseded by a plan submitted by
the association and approved by the commissioner.

2. All member insurers shall comply with the plan of operation.

3. In addition to other requirements established in this chapter the plan of operation shall
establish all of the following:
   a. Procedures for handling the assets of the association.
   b. The amount and method of reimbursing members of the board of directors under section
      508C.7.
   c. Regular places and times for meetings of the board of directors.
   d. Procedures for records to be kept of all financial transactions of the association, its agents,
      and the board of directors.
   e. Procedures for selecting the board of directors and submitting the selections to the com-
      missioner.
   f. Any additional procedures for assessments under section 508C.9.
   g. Additional provisions necessary or proper for the execution of the powers and duties of
      the association.

4. The plan of operation may provide that any powers and duties of the association, except
those under section 508C.8, subsection 10, paragraph "c" and section 508C.9 are delegated to
a corporation, association, or other organization which performs or will perform functions similar
to those of this association, or its equivalent, in two or more states. Such a corporation, associ­
ation, or organization shall be reimbursed for any payments made on behalf of the association
and shall be paid for its performance of any function of the association. A delegation under
this subsection shall take effect only with the approval of both the board of directors and the
commissioner. The delegation shall be made only to a corporation, association, or organiza­
tion which extends protection at least as favorable and effective as that provided by this chapter.

Sec. 11.  NEW SECTION. 508C.11 DUTIES AND POWERS OF THE COMMISSIONER.
1. The commissioner shall:
   a. Upon request of the board of directors, provide the association with a statement of the
      premiums for each member insurer.
   b. When an impairment is declared and the amount of the impairment is determined, serve
      a demand upon the impaired insurer to make good the impairment within a reasonable
      time. Notice to the impaired insurer constitutes notice to its shareholders, if any. The failure
      of the insurer to promptly comply with the demand shall not excuse the association from
      the performance of its powers and duties under this chapter.
   c. In a liquidation or rehabilitation proceeding involving a domestic insurer, be appointed
      as the liquidator or rehabilitator. If a foreign or alien member insurer is subject to a liquida­
tion proceeding in its domiciliary jurisdiction or state of entry, the commissioner shall be
      appointed conservator.

2. After notice and hearing, the commissioner may suspend or revoke the certificate of
authority to transact insurance in this state of a member insurer which fails to pay an assess­
ment when due or fails to comply with the plan of operation. As an alternative, the commis­
sioner may levy an administrative penalty on any member insurer which fails to pay an assess­
ment when due. The administrative penalty shall not exceed five percent of the unpaid
assessment per month. However, an administrative penalty shall not be less than one hundred
dollars per month.

3. An action of the board of directors or the association may be appealed to the commis­
sioner by a member insurer if the appeal is taken within thirty days of the action being
appealed. A final action or order of the commissioner is subject to judicial review pursuant
to chapter 17A in a court of competent jurisdiction.

4. The liquidator, rehabilitator, or conservator of an impaired insurer may notify all interested
persons of the effect of this chapter.
Sec. 12. NEW SECTION. 508C.12 PREVENTION OF INSOLVENCIES.

1. To aid in the detection and prevention of insurer insolvencies or impairments the commissioner shall:
   a. Notify the commissioners or insurance departments of other states or territories of the United States and the District of Columbia when any of the following actions against a member insurer is taken:
      (1) A license is revoked.
      (2) A license is suspended.
      (3) A formal order is made that a company restrict its premium writing, obtain additional contributions to surplus, withdraw from the state, reinsure all or any part of its business, or increase capital, surplus, or any other account for the security of policyholders or creditors.
   Notice shall be mailed to the commissioners or departments within thirty days following the earlier of when the action was taken or the date on which the action occurs. This subparagraph does not supersede section 507C.9, subsection 5.
   b. Report to the board of directors when the commissioner has taken any of the actions set forth in paragraph "a" or has received a report from any other commissioner indicating that any such action has been taken in another state. Reports to the board of directors shall contain all significant details of the action taken or the report received from another commissioner.
   c. Report to the board of directors when there is reasonable cause to believe from an examination, whether completed or in process, of a member company that the company may be an impaired or insolvent insurer.
   d. Furnish to the board of directors the national association of insurance commissioners' early warning tests. The board may use the information in carrying out its duties and responsibilities under this section. The report and the information contained in the report shall be kept confidential by the board of directors until such time as it is made public by the commissioner or other lawful authority.

2. The commissioner may seek the advice and recommendations of the board of directors concerning any matter affecting the commissioner's duties and responsibilities regarding the financial condition of member companies and companies seeking admission to transact insurance business in this state.

3. The board of directors may upon majority vote make reports and recommendations to the commissioner upon any matter germane to the solvency, liquidation, rehabilitation or conservation of a member insurer or germane to the solvency of a company seeking to transact insurance business in this state. These reports and recommendations are not public records pursuant to chapter 22.

4. Upon majority vote, the board of directors shall notify the commissioner of any information indicating that a member insurer may be an impaired or insolvent insurer.

5. Upon majority vote, the board of directors may request that the commissioner order an examination of a member insurer which the board in good faith believes may be an impaired or insolvent insurer. The examination may be conducted as a national association of insurance commissioners examination or may be conducted by persons designated by the commissioner. The cost of the examination shall be paid by the association and the examination report shall be treated as are other examination reports. The examination report shall not be released to the board of directors prior to its release to the public, but this shall not preclude the commissioner from complying with subsection 1. The commissioner shall notify the board of directors when the examination is completed. The request for an examination shall be kept on file by the commissioner but it is not a public record pursuant to chapter 22 until the release of the examination report to the public.

6. Upon majority vote, the board of directors may make recommendations to the commissioner for the detection and prevention of insurer insolvencies.

7. At the conclusion of an insurer insolvency in which the association was obligated to pay covered claims, the board of directors shall prepare a report to the commissioner containing
Sec. 13. NEW SECTION. 508C.13 MISCELLANEOUS PROVISIONS.
1. This chapter does not reduce the liability for unpaid assessments of the insureds on an impaired or insolvent insurer operating under a plan with assessment liability other than the plan of this chapter.

2. Records shall be kept of all negotiations and meetings in which the association or its representatives are involved to discuss the activities of the association in carrying out its powers and duties under section 508C.8. Records of the negotiations or meetings shall be made public pursuant to chapter 22 only upon the termination of a liquidation, rehabilitation, or conservation proceeding involving the impaired or insolvent insurer, upon the termination of the impairment of insolvency of the insurer, or upon the order of a court of competent jurisdiction. This subsection does not limit the duty of the association to render a report of its activities under section 508C.15.

3. For the purpose of carrying out its obligations under this chapter, the association shall be deemed to be a creditor of the impaired or insolvent insurer to the extent of assets attributable to covered policies reduced by any amounts to which the association is entitled pursuant to its subrogation rights under section 508C.8, subsection 7. Assets of the impaired or insolvent insurer attributable to covered policies shall be used to continue all covered policies and pay all contractual obligations of the impaired or insolvent insurer as required by this chapter. As used in this subsection, "assets attributable to covered policies" means that proportion of the assets which the reserves that should have been established for the policies bear to the reserves that should have been established for all policies of insurance written by the impaired or insolvent insurer.

4. a. Prior to the termination of a liquidation, rehabilitation, or conservation proceeding, the court may take into consideration the contributions of the respective parties, including the association, similar associations of other states, the shareholders and policyowners of the insolvent insurer, and any other party with a bona fide interest, in making an equitable distribution of the ownership rights of the insolvent insurer. When considering the contributions, consideration shall be given to the welfare of the policyholders of the continuing or successor insurer.

b. A distribution to stockholders, if any, of an impaired or insolvent insurer shall not be made until the total amount of valid claims of the association and of similar associations of other states for funds expended in carrying out its powers and duties under section 508C.8 with respect to the insurer have been fully recovered by the association and the similar associations.

5. a. Subject to the limitations of paragraphs "b," "c," and "d," if an order for liquidation or rehabilitation of an insurer domiciled in this state has been entered, the receiver appointed under the order may recover, on behalf of the insurer, from any affiliate that controlled it, the amount of distributions other than stock dividends paid by the insurer on its capital stock made at any time during the five years preceding the petition for liquidation or rehabilitation.

b. Stock dividends are not recoverable if the insurer shows that when paid the distribution was lawful and reasonable and that the insurer did not know and could not reasonably have known that the distribution might adversely affect the ability of the insurer to fulfill its contractual obligations.

c. A person who was an affiliate that controlled the insurer at the time the distributions were paid is liable up to the amount of distributions received. A person who was an affiliate that controlled the insurer at the time the distributions were declared is liable up to the amount of distributions that would have been received if they had been paid immediately. If two persons are liable with respect to the same distributions, they are jointly and severally liable.
d. The maximum amount recoverable under this subsection is the amount needed in excess of all other available assets of the insolvent insurer to pay the contractual obligations of the insolvent insurer.

e. If a person liable under paragraph “c” is insolvent, all its affiliates that controlled it at the time the dividend was paid are jointly and severally liable for a resulting deficiency in the amount recovered from the insolvent affiliate.

Sec. 14. NEW SECTION. 508C.14 EXAMINATION OF THE ASSOCIATION — ANNUAL REPORT.
The association is subject to examination and regulation by the commissioner. The board of directors shall submit to the commissioner by May 1 of each year, a financial report for the preceding calendar year and a report of its activities during the preceding calendar year. The financial report shall be in a form approved by the commissioner.

Sec. 15. NEW SECTION. 508C.15 TAX EXEMPTIONS.
The association is exempt from payment of all fees and all taxes levied by this state or any of its subdivisions except taxes levied on the association’s real property.

Sec. 16. NEW SECTION. 508C.16 IMMUNITY.
A member insurer and its agents and employees, the association and its agents and employees, members of the board of directors, and the commissioner and the commissioner’s representatives are not liable for any action taken by them or omission by them while acting within the scope of their employment and in the performance of their powers and duties under this chapter.

Sec. 17. NEW SECTION. 508C.17 STAY OF PROCEEDINGS — REOPENING DEFAULT JUDGMENTS.
Proceedings in which the insolvent insurer is a party in a court in this state shall be stayed sixty days from the date an order of liquidation, rehabilitation, or conservation is final to permit proper legal action by the association on matters germane to its powers or duties.
