## CHAPTER 102

### SLOW-MOVING VEHICLES — REFLECTIVE DEVICES

S.F. 352

**AN ACT** relating to reflective devices on slow-moving vehicles.

*Be It Enacted by the General Assembly of the State of Iowa:*

Section 1. Section 321.288, subsection 5, Code 1999, is amended to read as follows:

5. When approaching and passing a slow moving vehicle displaying a reflective device or alternative reflective device as provided by section 321.383.

Sec. 2. Section 321.383, subsection 2, Code 1999, is amended to read as follows:

2. When operated on a highway in this state at a speed of thirty miles per hour or less, every farm tractor, or tractor with towed equipment, self-propelled implement of husbandry, road construction or maintenance vehicle, road grader, horse-drawn vehicle, or any other vehicle principally designed for use off the highway and any such tractor, implement, vehicle, or grader when manufactured for sale or sold at retail after December 31, 1971, shall be identified with a reflective device in accordance with the standards of the American society of agricultural engineers; however, this provision shall not apply to such vehicles when traveling in ~~any an~~ escorted parade. If a person operating a vehicle drawn by a horse or mule objects to using a reflective device that complies with the standards of the American society of agricultural engineers for religious reasons, the vehicle may be identified by an alternative reflective device that is in compliance with rules adopted by the department. The reflective device or alternative reflective device shall be visible from the rear. A vehicle other than those specified in this section shall not display a reflective device or an alternative
