CHAPTER 26

SCHOOL CURRICULUM AND TELECOMMUNICATIONS — SUPERVISION OF STUDENTS

H.F. 89

AN ACT relating to the supervision of curriculum received via the Iowa communications network.

Be It Enacted by the General Assembly of the State of Iowa:

Section 1. Section 256.7, subsection 7, unnumbered paragraph 3, Code 2001, is amended to read as follows:

The rules shall provide that when the curriculum is taught by an appropriately licensed teacher at the location at which the telecommunications originates, the curriculum received at a remote site shall be under the supervision of a licensed teacher. The licensed teacher at the originating site may provide supervision of students at a remote site or the school district in which the remote site is located may provide for supervision at the remote site if the school district deems it necessary or if requested to do so by the licensed teacher at the originating site. For the purposes of this subsection, "supervision" means that the curriculum is monitored by a licensed teacher and the teacher is accessible to the students receiving the curriculum by means of telecommunications.
