Department of Education given the requirements of the federally funded reading program, Reading First. The Reading First program will in the 2003-2004 school year involve 30 school districts across the state to improve reading skills. The federal program guidelines and evaluation requirements are very similar to the requirements in Section 69. The proposed reading program would duplicate current efforts and it is also very late for a district to plan to participate in a new program this fall.

For the above reasons, I respectfully disapprove these items in accordance with Amendment IV of the Amendments of 1968 to the Constitution of the State of Iowa. All other items in House File 549 are hereby approved as of this date.

Sincerely,

THOMAS J. VILSACK, Governor
