*Be It Enacted by the General Assembly of the State of Iowa:*

**DIVISION I**

Section 1. Section 2.40, subsection 1, unnumbered paragraph 2, Code 2005, is amended to read as follows:

A member of the general assembly may elect to become a member of a state group insurance plan. A member of the general assembly may continue membership in a state group insurance plan without reapplication during the member's tenure as a member of consecutive general assemblies. For the purpose of electing to become a member of the state health or medical service group insurance plan, a member of the general assembly has the status of a "new hire", full-time state employee following each election of that member in a general or special election, or during the first subsequent annual open enrollment. In lieu of membership in a state health or medical group insurance plan, a member of the general assembly may elect to receive reimbursement for the costs paid by the member for a continuation of a group coverage (COBRA) health or medical insurance plan. The member shall apply for reimbursement by submitting evidence of payment for a COBRA health or medical insurance plan. The maximum reimbursement shall be no greater than the state's contribution for health or medical insurance family plan II. A member of the general assembly who elects to become a member of a state health or medical group insurance plan shall be exempted from preexisting medical condition waiting periods. A member of the general assembly may change programs or coverage under the state health or medical service group insurance plan during the month of January of odd-numbered years, but program and coverage change selections shall be subject to the enrollment rules established for full-time state employees excluded from collective bargaining as provided in chapter 20. A person who has been a member of the general assembly for two years and who has elected to be a member of a state health or medical group insurance plan may continue to be a member of such state health or medical group insurance plan by requesting continuation in writing to the finance officer within thirty-one days after leaving office. The continuing former member of the general assembly shall pay the total premium for the state plan and shall have the same rights to change programs or coverage as state employees. In the event of the death of a former member of the general assembly who has elected to continue to be a member of a state health or medical group insurance plan, the surviving spouse of the former member whose insurance would otherwise terminate because of the death of the former member may elect to continue to be a member of such state health or medical group insurance plan by requesting continuation in writing to the finance officer within thirty-one days after the death of the former member. The surviving spouse of the former member shall pay the total premium for the state plan and shall have the same rights to change programs or coverage as state employees. For purposes of this paragraph, health or medical programs or coverage and dental programs or coverage are to be treated separately and the rights to change programs or coverage apply only to the type of programs or coverage that the

continuing former member has elected to continue. This paragraph shall not be construed to permit a former member to become a member of a state health or medical group insurance plan providing programs or coverage of a type that the former member did not elect to continue pursuant to this paragraph.

Sec. 2. Section 8A.104, subsection 12, Code 2005, is amended to read as follows:

For purposes of this subsection, a fine becomes delinquent if it has not been paid within thirty days of the date of the issuance of the parking citation, unless a written request for a hearing is filed as provided pursuant to the rules of the department. If an appeal is filed and the citation is upheld, the fine becomes delinquent ten days after the issuance of the final decision on the appeal or thirty-one days after the date of the issuance of the parking citation, whichever is later.
