CHAPTER 124

SAFETY-RELATED INFORMATION CONCERNING CHILDREN — DISSEMINATION

H.F. 753

AN ACT requiring certain safety-related information concerning a child to be provided to a parent, guardian, or foster parent or other custodian of a child.

Be It Enacted by the General Assembly of the State of Iowa:

Section 1. Section 232.2, subsection 4, Code 2005, is amended by adding the following new paragraph:

NEW PARAGRAPH. k. If it is part of the child's records or it is otherwise known that the child has behaved in a manner that threatened the safety of another person, has committed a violent act causing bodily injury to another person, or has been a victim or perpetrator of sexual abuse, that information shall be addressed in the plan and shall be provided to the child's parent, guardian, or foster parent or other person with custody of the child. The information shall be provided whether the child's placement is voluntary or made pursuant to a court determination. The information shall be provided at the time it is learned by the department or agency developing the plan and, if possible, at the time of the child's placement. The information shall only be withheld if ordered by the court or it is determined by the department or agency developing the plan that providing the information would be detrimental to the child or to the family with whom the child is living. In determining whether providing the information would be detrimental, the court, department, or agency shall consider any history of abuse within the child's family or toward the child.

Sec. 2. Section 232.48, subsection 4, Code 2005, is amended to read as follows:

4. A predisposition report shall not be disclosed except as provided in this section and in division VIII of this chapter. The court shall permit the child's attorney to inspect the predisposition report prior to consideration by the court. The court may order counsel not to disclose parts of the report to the child, or to the child's parent, guardian, guardian ad litem, or custodian if the court finds that disclosure would seriously harm the treatment or rehabilitation of the child. **If the report indicates the child has behaved in a manner that threatened the safety of another person, has committed a violent act causing bodily injury to another person, or has been a victim or perpetrator of sexual abuse, unless otherwise ordered by the court, the child's parent, guardian, or foster parent or other person with custody of the child shall be provided with that information.**

Sec. 3. Section 232.49, subsection 1, Code 2005, is amended to read as follows:

1. Following the entry of an order of adjudication under section 232.47 the court may, after a hearing which may be simultaneous with the adjudicatory hearing, order a physical or mental examination of the child if it finds that an examination is necessary to determine the child's physical or mental condition. The court may consider chemical dependency as either a physical or mental condition and may consider a chemical dependency evaluation as either a physical or mental examination. If the examination indicates the child has behaved in a manner that threatened the safety of another person, has committed a violent act causing bodily injury to another person, or has been a victim or perpetrator of sexual abuse, unless otherwise ordered by the court, the child's parent, guardian, or foster parent or other person with custody of the child shall be provided with that information.

Sec. 4. Section 232.97, subsection 3, Code 2005, is amended to read as follows:

3. The social report shall not be disclosed except as provided in this section and except as otherwise provided in this chapter. Prior to the hearing at which the disposition is determined, the court shall permit counsel for the child, counsel for the child's parent, guardian, or custodian, and the guardian ad litem to inspect any social report to be considered by the court. The court may in its discretion order counsel not to disclose parts of the report to the child, or to the parent, guardian, or custodian if disclosure would seriously harm the treatment or rehabilitation of the child or would violate a promise of confidentiality given to a source of information. If the report indicates the child has behaved in a manner that threatened the safety of another person, has committed a violent act causing bodily injury to another person, or has been a victim or perpetrator of sexual abuse, unless otherwise ordered by the court, the child's parent, guardian, or foster parent or other person with custody of the child shall be provided with that information.

Sec. 5. Section 232.181, Code 2005, is amended to read as follows:

232.181 SOCIAL HISTORY REPORT.

Upon the filing of a petition, the department shall submit a social history report regarding the child and the child's family. The report shall include a description of the child's disability and resultant functional limitations, the case permanency plan, a description of the proposed foster care placement, and a description of family participation in developing the child's case permanency plan and the commitment of the parent, guardian, or custodian in fulfilling the responsibilities defined in the plan. If the report indicates the child has behaved in a manner that threatened the safety of another person, has committed a violent act causing bodily injury to another person, or has been a victim or perpetrator of sexual abuse, unless otherwise ordered by the court, the child's parent, guardian, or foster parent or other person with custody of the child shall be provided with that information.
