Approved May 9, 2008, with exception noted.

CHESTER J. CULVER, *Governor*

Dear Mr. Secretary:

I hereby transmit Senate File 2432, an Act relating to and making appropriations to state departments and agencies from the rebuild Iowa infrastructure fund, the endowment for Iowa's health restricted capitals fund, the tax-exempt bond proceeds restricted capital funds account, the technology reinvestment fund, the FY 2009 tax-exempt bond proceeds restricted capital funds account, the environment first fund, and the FY 2009 prison bond fund, and related matters, and providing effective and retroactive applicability date provisions. Senate File 2432 is approved on this date, with the exception noted below, which I hereby disapprove.

I am unable to approve section 35 of this bill in its entirety. This section changes the due date of the Public Transit Funding Study report called for in Senate File 2420 that the Department of Transportation must submit to the Governor and General Assembly from December 1, 2009 to December 31, 2008. The shortened deadline does not provide adequate time to conduct an effective and comprehensive study that will assure the provision of useful data and meaningful recommendations. This disapproval action will provide the Department of Transportation with adequate time to complete this statewide study by maintaining the original deadline of December 1, 2009.

For the above reasons, I respectfully disapprove the designated item in accordance with Article III, Section 16 of the Constitution of the State of Iowa. All other items in Senate File 2432 are hereby approved this date.

Sincerely,
CHESTER J. CULVER, *Governor*

* Item veto; see message at end of the Act

Dear Mr. Secretary:

I hereby transmit House File 2660, an Act relating to and making appropriations to the justice system. House File 2660 is approved on this date, with the exception noted below, which I hereby disapprove.

I am unable to approve Section 21 in its entirety. This section requires payment of a filing fee for all persons seeking post-conviction relief under Code Chapter 822.

Post-conviction relief actions may be brought based on various legal grounds, including challenges to convictions with constitutional and statutory implications and challenges to prison discipline, which may be less substantial. By requiring a filing fee in every case, this legislation could eliminate a small number of potentially frivolous lawsuits challenging, for instance, prison discipline, but would have a chilling effect on those indigent persons unjustly convicted whose only recourse may be post-conviction relief.

The potential diminishment such persons' fundamental right of access to our courts is of special concern to this Administration, in light of the disturbing fact that our State is now stung with an unfortunate reputation for incarcerating a higher percentage of our minority citizens than any other state in our nation.

While it may be true that most people who file for post-conviction relief are incarcerated, are most likely indigent and may be able to have the filing fees waived, it is also the case that obtaining such a waiver comes with a cost both in court-time, necessary to consider the application to proceed without paying the filing fee, and in indigent defense costs, arising from fees payable to a court-appointed attorney for preparing the papers to obtain the filing fee waiver.

While this Administration is intolerant of frivolous lawsuits, it is also of the belief that the serious costs and consequences in denying or inhibiting court access to those who are wrongfully convicted or incarcerated far out-weigh the benefits derived from any potential reduction in the number of frivolous law suits that this provision may well have been aimed to achieve.

For the above reasons, I respectfully disapprove the designated item in accordance with Article III, Section 16 of the Constitution of the State of Iowa. All other items in House File 2660 are hereby approved this date.

Sincerely,
CHESTER J. CULVER, *Governor*
