## CHAPTER 47

S.F. 253

**AN ACT** relating to the time allowed certain active duty military personnel to file a state income tax return and including a retroactive applicability date provision.

*Be It Enacted by the General Assembly of the State of Iowa:*

Section 1. Section 422.21, unnumbered paragraph 2, Code 2009, is amended to read as follows:

An individual in the armed forces of the United States serving in an area designated by the president of the United States or the United States Congress as a combat zone or as a qualified hazardous duty area, or deployed outside the United States away from the individual's permanent duty station while participating in an operation designated by the United States secretary of defense as a contingency operation as defined in 10 U.S.C. § 101(a)(13), or which became such a contingency operation by the operation of law, or an individual serving in support of those forces, is allowed the same additional time period after leaving the combat zone or the qualified hazardous duty area, or ceasing to participate in such contingency operation, or after a period of continuous hospitalization, to file a state income tax return or perform other acts related to the department, as would constitute timely filing of the return or timely performance of other acts described in section 7508(a) of the Internal Revenue Code. An individual on active duty federal military service in the armed forces, armed forces military reserve, or national guard who is deployed outside the United States in other than a combat zone, qualified hazardous duty area or contingency operation is allowed the same additional period of time described in section 7508(a) of the Internal Revenue Code to file a state income tax return or perform other acts related to the department. For the purposes of this paragraph, "other acts related to the department" includes filing claims for refund for any tax administered by the department, making tax payments other than withholding payments, filing appeals on the tax matters, filing other tax returns, and performing other acts described in the department's rules. The additional time period allowed applies to the spouse of the individual described in this paragraph to the extent the spouse files jointly or separately on the combined return form with the individual or when the spouse is a party with the individual to any matter for which the additional time period is allowed.

Sec. 2. **RETROACTIVE APPLICABILITY.** This Act applies retroactively to January 1, 2008, for tax years beginning on or after that date.
