- (5) Be located in an area with short unimpeded access for oversized wind components to a divided four-lane highway.

A grant awarded for a project under this lettered paragraph “a” shall not exceed more than forty percent of the appropriation in this lettered paragraph.

Priority in the awarding of grants shall be given to communities that have experienced exceptional economic setbacks. An additional preference shall be given to a county that has lost nine percent of its workforce to a permanent factory closing where the laid off workers are trade adjustment assistance eligible.

b. For the public transit infrastructure grant program in section 324A.6A:

..... \$ 2,000,000

c. For infrastructure improvements at the commercial air service airports within the state:

..... \$ 1,500,000

Fifty percent of the funds appropriated in this lettered paragraph shall be allocated equally between each commercial air service airport, forty percent of the funds shall be allocated based on the percentage that the number of enplaned passengers at each commercial air service airport bears to the total number of enplaned passengers in the state during the previous fiscal year, and ten percent of the funds shall be allocated based on the percentage that the air cargo tonnage at each commercial air service airport bears to the total air cargo

tonnage in the state during the previous fiscal year. In order for a commercial air service airport to receive funding under this lettered paragraph, the airport shall be required to submit applications for funding of specific projects to the department for approval by the state transportation commission.

d. For infrastructure projects relating to functionally obsolete and structurally deficient bridges:

..... \$ 10,000,000

8. TREASURER OF STATE

For transfer to the watershed improvement review board created in section 466A.3 for grants associated with the construction and restoration of wetland easements and flood prevention projects:

..... \$ 2,000,000

Notwithstanding section 466A.5, moneys from the appropriation in this subsection shall not be used for administrative purposes.

Sec. 11. TAX-EXEMPT STATUS — USE OF APPROPRIATIONS.

1. Payment of moneys from the appropriations in this division of this Act shall be made in a manner that does not adversely affect the tax-exempt status of any outstanding bonds issued by the treasurer of state.

2. Payment of moneys from the appropriations in this division of this Act shall not be used for administrative or planning purposes.

Sec. 12. REVERSION. For purposes of section 8.33, unless specifically provided otherwise, unencumbered or unobligated moneys made from an appropriation in this division of this Act shall not revert but shall remain available for expenditure for the purposes designated until the close of the fiscal year that ends three years after the end of the fiscal year for which the appropriation was made. However, if the project or projects for which such appropriation was made are completed in an earlier fiscal year, unencumbered or unobligated moneys shall revert at the close of that same fiscal year.

Sec. 13. EFFECTIVE UPON ENACTMENT. The section of this division of this Act enacting section 12.88A, being deemed of immediate importance, takes effect upon enactment.

DIVISION V  
PRISON BONDING

Sec. 14. There is appropriated from the FY 2009 prison bonding fund created pursuant to section 12.79 to the department of corrections for the fiscal year beginning July 1, 2010, and ending June 30, 2011, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

For costs associated with the building of a new Iowa State penitentiary at Fort Madison:

..... \$ 322,500

The appropriation made in this section constitutes approval by the general assembly for the issuance of bonds by the treasurer of state pursuant to section 12.80.

Sec. 15. REVERSION. For purposes of section 8.33, unless specifically provided otherwise, unencumbered or unobligated moneys made from an appropriation in this division of this Act shall not revert but shall remain available for expenditure for the purposes designated until the close of the fiscal year that ends three years after the end of the fiscal year for which the appropriation was made. However, if the project or projects for which such appropriation was made are completed in an earlier fiscal year, unencumbered or unobligated moneys shall revert at the close of that same fiscal year.

DIVISION VI  
IOWA COMPREHENSIVE PETROLEUM UNDERGROUND STORAGE TANK FUND —  
DEPARTMENT OF TRANSPORTATION

Sec. 16. There is appropriated from the Iowa comprehensive petroleum underground storage tank fund to the department of transportation for the fiscal year beginning July 1, 2010, and ending June 30, 2011, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

Notwithstanding section 455G.3, subsection 1, for deposit in the passenger rail service revolving fund created in section 327J.2:

..... \$ 2,000,000

Such funds shall be coupled with the remaining unobligated balance of up to one million five hundred thousand dollars from the appropriation made in 2009 Iowa Acts, chapter 184, section 1, subsection 12, paragraph “a”, for a total commitment of three million five hundred thousand dollars for the fiscal year beginning July 1, 2010, and ending June 30, 2011, for matching federal funding available through the Passenger Rail Investment and Improvement Act of 2008.

DIVISION VII  
SMART PLANNING

Sec. 17. **NEW SECTION. 18B.1 Iowa smart planning principles.**

State agencies, local governments, and other public entities shall consider and may apply the following principles during deliberation of all appropriate planning, zoning, development, and resource management decisions, except that nothing in this section shall be construed to expand the eminent domain authority of a state agency, local government, or other public entity beyond that which is authorized under chapter 6A or 6B:

1. *Collaboration.* Governmental, community, and individual stakeholders, including those outside the jurisdiction of the entity, are encouraged to be involved and provide comment during deliberation of planning, zoning, development, and resource management decisions and during implementation of such decisions. The state agency, local government, or other public entity is encouraged to develop and implement a strategy to facilitate such participation.

2. *Efficiency, transparency, and consistency.* Planning, zoning, development, and resource management should be undertaken to provide efficient, transparent, and consistent outcomes. Individuals, communities, regions, and governmental entities should share in the responsibility to promote the equitable distribution of development benefits and costs.

3. *Clean, renewable, and efficient energy.* Planning, zoning, development, and resource management should be undertaken to promote clean and renewable energy use and increased energy efficiency.

4. *Occupational diversity.* Planning, zoning, development, and resource management should promote increased diversity of employment and business opportunities, promote access to education and training, expand entrepreneurial opportunities, and promote the establishment of businesses in locations near existing housing, infrastructure, and transportation.

5. *Revitalization.* Planning, zoning, development, and resource management should facilitate the revitalization of established town centers and neighborhoods by promoting development that conserves land, protects historic resources, promotes pedestrian accessibility, and integrates different uses of property. Remediation and reuse of existing sites, structures, and infrastructure is preferred over new construction in undeveloped areas.

6. *Housing diversity.* Planning, zoning, development, and resource management should encourage diversity in the types of available housing, support the rehabilitation of existing housing, and promote the location of housing near public transportation and employment centers.

7. *Community character.* Planning, zoning, development, and resource management should promote activities and development that are consistent with the character and

architectural style of the community and should respond to local values regarding the physical character of the community.

8. *Natural resources and agricultural protection.*

Planning, zoning, development, and resource management should emphasize protection, preservation, and restoration of natural resources, agricultural land, and cultural and historic landscapes, and should increase the availability of open spaces and recreational facilities.

9. *Sustainable design.* Planning, zoning, development, and resource management should promote developments, buildings, and infrastructure that utilize sustainable design and construction standards and conserve natural resources by reducing waste and pollution through efficient use of land, energy, water, air, and materials.

10. *Transportation diversity.* Planning, zoning, development, and resource management should promote expanded transportation options for residents of the community. Consideration should be given to transportation options that maximize mobility, reduce congestion, conserve fuel, and improve air quality.

Sec. 18. NEW SECTION. **18B.2 Local comprehensive planning and development guidelines.**

1. For the purposes of this chapter, unless the context otherwise requires:

a. (1) “*Development*” means any of the following:

(a) Construction, reconstruction, renovation, mining, extraction, dredging, filling, excavation, or drilling activity or operation.

(b) Man-made changes in the use or appearance of any structure or in the land itself.

(c) The division or subdivision of land.

(d) Any change in the intensity of use or the use of land.

(2) “*Development*” does not include any of the following:

(a) Activities on or uses of agricultural land, farm houses, or agricultural buildings or structures, unless such buildings or structures are located in the flood plain of a river or stream.

(b) Installation, operation, and maintenance of soil and water conservation practices.

(c) The choice of crops or a change in the choice of crops on agricultural land.

b. “*Land development regulations*” means zoning, subdivision, site plan, corridor map, floodplain or storm water ordinances, rules, or regulations, or other governmental controls that affect the use of property.

c. “*Municipality*” means a city or a county.

2. A municipality shall consider the smart planning principles under section 18B.1 and may include the following information, if applicable, when developing or amending a comprehensive plan under chapter 335 or chapter 414 or when developing or amending other local land development regulations:

a. Information relating to public participation during the creation of the comprehensive plan or land development regulations, including documentation of the public participation process, a compilation of objectives, policies, and goals identified in the public comment received, and identification of the groups or individuals comprising any work groups or committees that were created to assist the planning and zoning commission or other appropriate decision-making body of the municipality.

b. Information relating to the primary characteristics of the municipality and a description of how each of those characteristics impacts future development of the municipality. Such information may include historical information about the municipality, the municipality’s geography, natural resources, natural hazards, population, demographics, types of employers and industry, labor force, political and community institutions, housing, transportation, educational resources, and cultural and recreational resources. The comprehensive plan or land development regulations may also identify characteristics and community aesthetics that are important to future development of the municipality.

c. Objectives, information, and programs that identify current land uses within the municipality and that guide the future development and redevelopment of property, consistent with the municipality’s characteristics identified under paragraph “b”. The comprehensive plan or land development regulations may include information on the amount, type, intensity, and density of existing land use, trends in the market price of land

used for specific purposes, and plans for future land use throughout the municipality. The comprehensive plan or land development regulations may identify and include information on property that has the possibility for redevelopment, a map of existing and potential land use and land use conflicts, information and maps relating to the current and future provision of utilities within the municipality, information and maps that identify the current and future boundaries for areas reserved for soil conservation, water supply conservation, flood control, and surface water drainage and removal. Information provided under this paragraph may also include an analysis of the current and potential impacts on local watersheds and air quality.

d. Objectives, policies, and programs to further the vitality and character of established residential neighborhoods and new residential neighborhoods and plans to ensure an adequate housing supply that meets both the existing and forecasted housing demand. The comprehensive plan or land development regulations may include an inventory and analysis of the local housing stock and may include specific information such as age, condition, type, market value, occupancy, and historical characteristics of all the housing within the municipality. The comprehensive plan or land development regulations may identify specific policies and programs that promote the development of new housing and maintenance or rehabilitation of existing housing and that provide a range of housing choices that meet the needs of the residents of the municipality.

e. Objectives, policies, and programs to guide future development of sanitary sewer service, storm water management, water supply, solid waste disposal, wastewater treatment technologies, recycling facilities, and telecommunications facilities. The comprehensive plan or land development regulations may include estimates regarding future demand for such utility services.

f. Objectives, policies, and programs to guide the future development of a safe, convenient, efficient, and economical transportation system. Plans for such a transportation system may be coordinated with state and regional transportation plans and take into consideration the need for diverse modes of transportation, accessibility, improved air quality, and interconnectivity of the various modes of transportation.

g. Objectives, policies, and programs to promote the stabilization, retention, or expansion of economic development and employment opportunities. The comprehensive plan or land development regulations may include an analysis of current industries and economic activity and identify economic growth goals for the municipality. The comprehensive plan or land development regulations may also identify locations for future brownfield or grayfield development.

h. Objectives, policies, and programs addressing preservation and protection of agricultural and natural resources.

i. Objectives, policies, and programs to assist future development of educational facilities, cemeteries, health care facilities, child care facilities, law enforcement and fire protection facilities, libraries, and other governmental facilities that are necessary or desirable to meet the projected needs of the municipality.

j. Objectives, policies, and programs to identify characteristics and qualities that make the municipality unique and that are important to the municipality's heritage and quality of life.

k. Objectives, policies, and programs that identify the natural and other hazards that have the greatest likelihood of impacting the municipality or that pose a risk of catastrophic damage as such hazards relate to land use and development decisions, as well as the steps necessary to mitigate risk after considering the local hazard mitigation plan approved by the federal emergency management agency.

l. Objectives, policies, and programs for joint planning and joint decision making with other municipalities or governmental entities, including school districts and drainage districts, for siting and constructing public facilities and sharing public services. The comprehensive plan or land development regulations may identify existing or potential conflicts between the municipality and other local governments related to future development of the municipality and may include recommendations for resolving such conflicts. The comprehensive plan or land development regulations may also identify opportunities to collaborate and partner with neighboring jurisdictions and other entities in the region for projects of mutual interest.

*m.* A compilation of programs and specific actions necessary to implement any provision of the comprehensive plan, including changes to any applicable land development regulations, official maps, or subdivision ordinances.

3. A municipality's comprehensive plan developed using the guidelines under this section shall address prevention and mitigation of, response to, and recovery from a catastrophic flood.

Sec. 19. Section 28I.4, Code 2009, is amended to read as follows:

**28I.4 Powers and duties.**

1. The commission shall have the power and duty to make comprehensive studies and plans for the development of the area it serves which will guide the unified development of the area and which will eliminate planning duplication and promote economy and efficiency in the ~~co-ordinated~~ coordinated development of the area and the general welfare, convenience, safety, and prosperity of its people. The plan or plans collectively shall be known as the regional or metropolitan development plan. The plans for the development of the area may include, but shall not be limited to, recommendations with respect to existing and proposed highways, bridges, airports, streets, parks and recreational areas, schools and public institutions and public utilities, public open spaces, and sites for public buildings and structures; districts for residence, business, industry, recreation, agriculture, and forestry; water supply, sanitation, drainage, protection against floods and other disasters; areas for housing developments, slum clearance and urban renewal and redevelopment; location of private and public utilities, including but not limited to sewerage and water supply systems; and such other recommendations concerning current and impending problems as may affect the area served by the commission. Time and priority schedules and cost estimates for the accomplishment of the recommendations may also be included in the plans. The plans shall be made with consideration of the smart planning principles under section 18B.1. The plans shall be based upon and include appropriate studies of the location and extent of present and anticipated populations; social, physical, and economic resources, problems and trends; and governmental conditions and trends. The commission is also authorized to make surveys, land-use studies, and urban renewal plans, provide technical services and other planning work for the area it serves and for cities, counties, and other political subdivisions in the area. A plan or plans of the commission may be adopted, added to, and changed from time to time by a majority vote of the planning commission. The plan or plans may in whole or in part be adopted by the governing bodies of the ~~co-operating~~ cooperating cities and counties as the general plans of such cities and counties. The commission may also assist the governing bodies and other public authorities or agencies within the area it serves in carrying out any regional plan or plans, and assist any planning commission, board or agency of the cities and counties and political subdivisions in the preparation or effectuation of local plans and planning consistent with the program of the commission. The commission may ~~co-operate~~ cooperate and confer, as far as possible, with planning agencies of other states or of regional groups of states adjoining its area.

2. A planning commission formed under the provisions of this chapter shall, upon designation as such by the governor, serve as a district, regional, or metropolitan agency for comprehensive planning for its area for the purpose of carrying out the functions as defined for such an agency by federal, state, and local laws and regulations.

Sec. 20. Section 329.3, Code 2009, is amended to read as follows:

**329.3 Zoning regulations — powers granted.**

Every municipality having an airport hazard area within its territorial limits may adopt, administer, and enforce in the manner and upon the conditions prescribed by this chapter, zoning regulations for such airport hazard area, which regulations may divide such area into zones and, within such zones, specify the land uses permitted, and regulate and restrict, for the purpose of preventing airport hazards, the height to which structures and trees may be erected or permitted to grow. Regulations adopted under this chapter shall be made with consideration of the smart planning principles under section 18B.1.

Sec. 21. Section 335.5, Code 2009, is amended to read as follows:

**335.5 Objectives.**

1. The regulations shall be made in accordance with a comprehensive plan and designed to preserve the availability of agricultural land; to consider the protection of soil from wind and water erosion; to encourage efficient urban development patterns; to lessen congestion in the street or highway; to secure safety from fire, flood, panic, and other dangers; to protect health and the general welfare; to provide adequate light and air; to prevent the overcrowding of land; to avoid undue concentration of population; to promote the conservation of energy resources; to promote reasonable access to solar energy; and to facilitate the adequate provision of transportation, water, sewerage, schools, parks, and other public requirements. However, provisions of this section relating to the objectives of energy conservation and access to solar energy shall not be construed as voiding any zoning regulation existing on July 1, 1981, or to require zoning in a county that did not have zoning prior to July 1, 1981.

2. Such The regulations shall be made with reasonable consideration, among other things, as to the character of the area of the district and the peculiar suitability of such area for particular uses, and with a view to conserving the value of buildings and encouraging the most appropriate use of land throughout such county.

3. The regulations and comprehensive plan shall be made with consideration of the smart planning principles under section 18B.1 and may include the information specified in section 18B.2, subsection 2.

4. a. A comprehensive plan recommended for adoption by the zoning commission established under section 335.8, may be adopted by the board of supervisors. The board of supervisors may amend a proposed comprehensive plan prior to adoption. The board of supervisors shall publish notice of the meeting at which the comprehensive plan will be considered for adoption. The notice shall be published as provided in section 331.305.

b. Following its adoption, copies of the comprehensive plan shall be sent or made available to neighboring counties, cities within the county, the council of governments or regional planning commission where the county is located, and public libraries within the county.

c. Following its adoption, a comprehensive plan may be amended by the board of supervisors at any time.

Sec. 22. Section 335.8, Code 2009, is amended to read as follows:

**335.8 Commission appointed.**

1. In order to avail itself of the powers conferred by this chapter, the board of supervisors shall appoint a commission, a majority of whose members shall reside within the county but outside the corporate limits of any city, to be known as the county zoning commission, to recommend the boundaries of the various original districts, and appropriate regulations and restrictions to be enforced therein. Such commission shall, with due diligence, prepare a preliminary report and hold public hearings thereon before submitting its final report; and the board of supervisors shall not hold its public hearings or take action until it has received the final report of such commission. After the adoption of such regulations, restrictions, and boundaries of districts, the zoning commission may, from time to time, recommend to the board of supervisors amendments, supplements, changes or modifications.

2. The zoning commission may recommend to the board of supervisors for adoption a comprehensive plan pursuant to section 335.5, or amendments thereto.

3. The zoning commission, with the approval of the board of supervisors, may contract with professional consultants, regional planning commissions, the Iowa department of economic development, or the federal government, for local planning assistance.

Sec. 23. Section 414.3, Code 2009, is amended to read as follows:

**414.3 Basis of regulations.**

1. The regulations shall be made in accordance with a comprehensive plan and designed to preserve the availability of agricultural land; to consider the protection of soil from wind and water erosion; to encourage efficient urban development patterns; to lessen congestion in the street; to secure safety from fire, flood, panic, and other dangers; to promote health and the general welfare; to provide adequate light and air; to prevent the overcrowding of land; to

avoid undue concentration of population; to promote the conservation of energy resources; to promote reasonable access to solar energy; and to facilitate the adequate provision of transportation, water, sewerage, schools, parks, and other public requirements. However, provisions of this section relating to the objectives of energy conservation and access to solar energy do not void any zoning regulation existing on July 1, 1981, or require zoning in a city that did not have zoning prior to July 1, 1981.

2. Such The regulations shall be made with reasonable consideration, among other things, as to the character of the area of the district and the peculiar suitability of such area for particular uses, and with a view to conserving the value of buildings and encouraging the most appropriate use of land throughout such city.

3. The regulations and comprehensive plan shall be made with consideration of the smart planning principles under section 18B.1 and may include the information specified in section 18B.2, subsection 2.

4. a. A comprehensive plan recommended for adoption by the zoning commission established under section 414.6, may be adopted by the council. The council may amend the proposed comprehensive plan prior to adoption. The council shall publish notice of the meeting at which the comprehensive plan will be considered for adoption. The notice shall be published as provided in section 362.3.

b. Following its adoption, copies of the comprehensive plan shall be sent or made available to the county in which the city is located, neighboring counties and cities, the council of governments or regional planning commission where the city is located, and public libraries within the city.

c. Following its adoption, a comprehensive plan may be amended by the council at any time.

Sec. 24. Section 414.6, Code 2009, is amended to read as follows:

**414.6 Zoning commission.**

1. In order to avail itself of the powers conferred by this chapter, the council shall appoint a commission, to be known as the zoning commission, to recommend the boundaries of the various original districts, and appropriate regulations and restrictions to be enforced therein. Where a city plan commission already exists, it may be appointed as the zoning commission. Such commission shall, with due diligence, prepare a preliminary report and hold public hearings thereon before submitting its final report; and such council shall not hold its public hearings or take action until it has received the final report of such commission. After the adoption of such regulations, restrictions, and boundaries of districts, the zoning commission may, from time to time, recommend to the council amendments, supplements, changes, or modifications.

2. The zoning commission may recommend to the council for adoption a comprehensive plan pursuant to section 414.3, or amendments thereto.

b. In preparation for assisting with the interim study committee, a state agency listed in this subsection shall conduct an internal review to identify and prioritize its procedures as they pertain to businesses and business licensing.

c. A state agency listed in this subsection shall provide all necessary assistance to the interim study committee in making recommendations to the general assembly.

4. The interim study committee shall submit its recommendations to the general assembly on or before January 14, 2011.

DIVISION XIII  
SAVE OUR SMALL BUSINESSES FUND  
AND PROGRAM

Sec. 41. NEW SECTION. **15.300 Findings and intent.**

1. The general assembly finds all of the following:

a. That entrepreneurs and small businesses often have difficulty obtaining conventional loan financing, limiting their ability to expand, retain, and create additional jobs.

b. That a source of capital provided by the state could greatly assist entrepreneurs and small businesses in their efforts to upgrade or modernize equipment, realize additional efficiencies in their supply chains, improve their distribution and transportation margins, reduce facility costs through increased energy efficiency, and leverage other sources of business financing.

2. The purpose of the save our small businesses fund created in section 15.301 is to promote the creation and retention of jobs in the state's economy and to assist businesses to be more competitive by addressing the needs identified in subsection 1.

Sec. 42. NEW SECTION. **15.301 Save our small businesses fund and program.**

1. a. A save our small businesses fund is created in the state treasury under the control of the department and consisting of any moneys appropriated to the fund by the general assembly and any other moneys available and obtained or accepted by the department for placement in the fund.

b. Payments of interest, repayments of moneys loaned pursuant to this section, and recaptures of loans shall be deposited in the fund. The fund shall be used to provide financial assistance in the form of low-interest loans as provided under the program created in this section.

c. (1) If, on March 31, 2011, there are unobligated moneys in the fund, such unobligated moneys shall revert to the general fund of the state.

(2) For each quarter, beginning with the first quarter after the reversion of moneys pursuant to subparagraph (1) and ending with the last quarter prior to the reversion of moneys pursuant to subparagraph (3), the department shall, on the last day of the quarter transfer to the general fund of the state the balance of unencumbered moneys in the fund.

(3) On March 31, 2016, all moneys in the fund shall revert to the general fund of the state.

2. a. The department shall establish and administer a program for purposes of providing financial assistance to eligible small businesses. For purposes of this section, “*financial assistance*” means loans at an interest rate not to exceed three and nine-tenths percent per annum and “*eligible small business*” means a small business meeting the requirements of subsection 3.

b. (1) The department may designate an organization to administer the provisions of this section on the department’s behalf.

(2) In order to be designated, an organization must be a nonprofit organization exempt from taxation under section 501(c)(3) of the Internal Revenue Code and must be designated by the United States small business administration as a statewide microloan program provider.

(3) If the department elects to designate an organization pursuant to subparagraph (1), the department shall enter into an agreement with the organization for purposes of ensuring that the program is administered pursuant to the requirements of this section.

(4) An organization designated pursuant to subparagraph (1) may accept, evaluate, and approve applications for financial assistance from eligible small businesses pursuant to the requirements of this section and may monitor the compliance of eligible businesses with the terms of an agreement entered into with the department.

(5) All disbursements of moneys to recipients of financial assistance approved by an organization designated pursuant to subparagraph (1) shall be made by the department.

(6) All repayments of principal and interest on financial assistance provided under the program shall be remitted to the department and deposited in the fund.

(7) The department, with the assistance of an organization designated pursuant to subparagraph (1), may seek the recapture of financial assistance provided pursuant to this section as provided in subsection 4.

c. Financial assistance under the program shall be provided from the fund created in subsection 1.

d. Financial assistance to a small business shall be at least two thousand five hundred dollars, but shall not exceed fifty thousand dollars.

e. The department, under the terms of an agreement with the organization designated pursuant to paragraph “b”, shall begin to provide financial assistance from the fund not later than August 1, 2010, and shall to the extent practicable obligate all available moneys in the fund prior to March 31, 2011.

f. A loan made to a small business under the program may be for any period of time, but the terms of such loan shall provide for the repayment of principal and interest prior to the date the moneys in the fund revert pursuant to subsection 1, paragraph “c”, subparagraph (3).

3. A business is eligible to apply for financial assistance under the program if the business meets all of the following criteria at the time of application:

a. The business has thirty-five or fewer full-time equivalent employees.

b. The business is located in Iowa.

c. The business is owned, operated, and actively managed by a resident of Iowa.

d. The business has a business plan and has received assistance in the development stage or the expansion stage from a small business development center or from a qualified public or nonprofit small business consultant as defined by the department.

e. If a business has been a going concern for two years or more, the business has not been found to be in violation of any environmental or worker safety laws, rules, or regulations.

f. The business only employs individuals legally authorized to work in this state.

g. The business does not engage in the production, depiction, or distribution of obscene material. For purposes of this paragraph, "obscene material" means the same as defined in section 728.1.

h. The business is not in bankruptcy and is not imminently contemplating filing for bankruptcy.

4. Upon approval of the application for financial assistance by the department or an organization designated pursuant to subsection 2, paragraph "b", the eligible business shall enter into an agreement with the department which shall include but not be limited to all of the following provisions:

a. If an eligible business, after receiving financial assistance, does not continue to meet one or more of the criteria for eligibility under subsection 3, except for subsection 3, paragraph "a", all or a portion of the financial assistance received is subject to disallowance, recapture, or immediate repayment.

b. If, after receiving financial assistance, an eligible business ceases operations within the state or removes a significant portion of its operations to a location outside of the state, all or a portion of the financial assistance received is subject to disallowance, recapture, or immediate repayment.

5. a. An eligible business shall not receive more than one award of financial assistance under this section.

b. An eligible business that receives financial assistance under this section may subsequently apply for financial assistance under other programs administered by the department.

c. An eligible business that receives financial assistance under this section shall not use such financial assistance for purposes of meeting payroll obligations to employees.

6. a. The small business development centers shall track the number of referrals for assistance made to the department for assistance under this section and shall include that number in the small business development center's annual report to the general assembly.

b. The department in conjunction with an organization designated pursuant to subsection 2, paragraph "b", shall by January 15 of each year submit a report on the program administered pursuant to this section to the general assembly. The report shall include information on the number of businesses that receive loans under the program and any other information the department deems relevant to assessing the success of the program.

7. The department shall adopt rules pursuant to chapter 17A as necessary to administer the program. The department may adopt emergency rules under section 17A.4, subsection 3, and section 17A.5, subsection 2, paragraph "b", as necessary for the administration of this section.

Sec. 43. SAVE OUR SMALL BUSINESSES FUND APPROPRIATION.

There is appropriated from the school infrastructure fund created in section 12.82 to the department of economic development for deposit in the save our small businesses fund for the fiscal year beginning July 1, 2010, and ending June 30, 2011, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For purposes of providing financial assistance under the save our small businesses program under section 15.301:

..... \$ 5,000,000

Of the moneys appropriated pursuant to this section, the department may allocate an amount not to exceed two percent of the moneys appropriated for purposes of retaining the services of an organization designated pursuant to section 15.301, subsection 2, paragraph "b".

Sec. 44. EFFECTIVE UPON ENACTMENT. This division of this Act, being deemed of immediate importance, takes effect upon enactment.

DIVISION XIV  
ALTERNATIVE PUBLIC PROJECT DELIVERY STUDY

Sec. 45. INTERIM STUDY COMMITTEE — ALTERNATIVE PROJECT DELIVERY — REGENTS INSTITUTIONS.

1. The legislative council is requested to establish an interim study committee to study the use of alternative project delivery for public projects at institutions under the control of the state board of regents. The study shall include but is not limited to a review and analysis of the use of alternative project delivery at land grant institutions and research universities in other states. There shall be three members from the house of representatives and three members from the senate. In addition to the legislative members, the membership of the study committee shall include the following public members:

- a. Two members appointed by the state board of regents.
- b. One member appointed by the Iowa chapter of the American institute of architects.

**Sec. 88. NEW SECTION. 16.194A Iowa jobs II program — disaster prevention.**

1. An Iowa jobs II program is created to assist in the development and completion of public construction projects relating to disaster prevention including but not limited to the construction of, or the replacement or reconstruction of, local public buildings in a manner that mitigates damages from future disasters, including flooding.

2. A city or county in this state that applies the smart planning principles and guidelines pursuant to sections 18B.1 and 18B.2, as enacted in this Act, may submit an application to the Iowa jobs board for financial assistance for a local infrastructure competitive grant for an eligible project under the program, notwithstanding any limitation on the state's percentage in funding as contained in section 29C.6, subsection 17.

3. Financial assistance under the program shall be awarded in the form of grants.

4. The board shall consider the following criteria in evaluating eligible projects to receive financial assistance under the program:

a. The total number and quality of jobs to be created and the benefits likely to accrue to areas distressed by high unemployment.

b. Financial feasibility, including the ability of projects to fund depreciation costs or replacement reserves, and the availability of other federal, state, local, and private sources of funds.

c. Sustainability and energy efficiency.

d. Benefits for disaster prevention.

e. The project's readiness to proceed.

5. An applicant must demonstrate local support for the project as defined by rule.

6. Any award of financial assistance to a project shall be limited to up to ninety percent of the total cost of the development and completion of a public construction project relating to disaster prevention consistent with the purposes of the program as specified in subsection 1.

7. In order for a project to be eligible to receive financial assistance from the board, the project must be a public construction project pursuant to subsection 1 with a demonstrated substantial local, regional, or statewide economic impact.

8. The board shall not approve an application for assistance for any of the following purposes:

a. To refinance a loan existing prior to the date of the initial financial assistance application.

b. For a project that has previously received financial assistance under the program, unless the applicant demonstrates that the financial assistance would be used for a significant expansion of a project.

9. Any portion of an amount allocated for projects that remains unexpended or unencumbered one year after the allocation has been made may be reallocated to another project category, at the discretion of the board. The board shall ensure that all bond proceeds be expended within three years from when the allocation was initially made.

10. The board shall ensure that funds obligated under this section are coordinated with other federal program funds received by the state, and that projects receiving funds are located in geographically diverse areas of the state.

11. An applicant or combination of applicants for a project within the same county shall not be awarded more than forty percent of the funds available under this program.

**Sec. 89.** Section 16.195, subsection 2, Code Supplement 2009, is amended to read as follows:

2. A review committee composed of members of the board as determined by the board shall review Iowa jobs program applications submitted to the board and make

recommendations regarding the applications to the board. When reviewing the applications, the review committee and the authority shall consider the project criteria specified in ~~section~~ sections 16.194 and 16.194A. The board shall develop the appropriate level of transparency regarding project fund allocations.

Sec. 90. Section 26.3, subsection 2, Code Supplement 2009, is amended to read as follows:

2. A governmental entity shall have an engineer licensed under chapter 542B, a landscape architect licensed under chapter 544B, or an architect registered under chapter 544A prepare plans and specifications, and calculate the estimated total cost of a proposed public improvement. A governmental entity shall ensure that a sufficient number of paper copies of the project's contract documents, including all drawings, plans, specifications, and estimated total costs of the proposed public improvement are made available for distribution at no charge to prospective bidders, subcontractor bidders, suppliers, and contractor plan room services. If a deposit is required as part of a paper contract documents distribution policy by the public owner, the deposit shall not exceed two hundred fifty dollars per set which shall be refunded upon return of the contract documents within fourteen days after award of the project. If the contract documents are not returned in a timely manner and in a reusable condition, the deposit shall be forfeited. The governmental entity shall reimburse the landscape architect, architect, or professional engineer for the actual costs of preparation and distribution of plans and specifications.

Sec. 91. **NEW SECTION. 73.14 Minority-owned and female-owned businesses — bond issuance services.**

1. The state, board of regents institutions, counties, townships, school districts, community colleges, cities, and other public entities, and every person acting as contracting agent for any such entity, shall, when issuing bonds or other obligations, make a good-faith effort to utilize minority-owned and female-owned businesses for attorneys, accountants, financial advisors, banks, underwriters, insurers, and other occupations necessary to carry out the issuance of bonds or other obligations by the entity.

2. For purposes of this section:

a. "*Female-owned business*" means a business that is fifty-one percent or more owned, operated, and actively managed by one or more women.

b. "*Minority-owned business*" means a business that is fifty-one percent or more owned, operated, and actively managed by one or more minority persons.

Sec. 92. Section 123.53, subsections 3 and 4, Code Supplement 2009, are amended to read as follows:

3. Notwithstanding subsection 2, if gaming revenues under sections 99D.17 and 99F.11 are insufficient in a fiscal year to meet the total amount of such revenues directed to be deposited in the revenue bonds debt service fund and the revenue bonds federal subsidy holdback fund during the fiscal year pursuant to section 8.57, subsection 6, paragraph "e", the difference shall be paid from moneys deposited in the beer and liquor control fund prior to transfer of such moneys to the general fund pursuant to subsection 2 and prior to the transfer of such moneys pursuant to subsections 5 and 6. If moneys deposited in the beer and liquor control fund are insufficient during the fiscal year to pay the difference, the remaining difference shall be paid from moneys deposited in the beer and liquor control fund in subsequent fiscal years as such moneys become available.

4. The treasurer of state shall, each quarter, prepare an estimate of the gaming revenues and of the moneys to be deposited in the beer and liquor control fund that will become available during the remainder of the appropriate fiscal year for the purposes described in subsection 3. The department of management, the department of inspections and appeals, and the department of commerce shall take appropriate actions to provide that the sum of the amount of gaming revenues available to be deposited into the revenue bonds debt service fund during a fiscal year and the amount of moneys to be deposited in the beer and liquor control fund available to be deposited into the revenue bonds debt service fund and the revenue bonds federal subsidy holdback fund during such fiscal year will be sufficient to cover any anticipated deficiencies.

Sec. 93. Section 327H.20A, subsection 3, Code Supplement 2009, is amended to read as follows:

3. Notwithstanding any other provision to the contrary, on or after July 1, 2006, moneys received as repayments for loans made pursuant to this chapter or chapter 327I, Code 2009, before, on, or after July 1, 2005, other than repayments of federal moneys subject to section 327H.21, shall be credited to the railroad revolving loan and grant fund. Notwithstanding section 8.33, moneys in the railroad revolving loan and grant fund shall not revert to the general fund of the state fund from which it was appropriated but shall remain available indefinitely for expenditure under this section.

Sec. 94. Section 327J.2, subsection 3, Code Supplement 2009, is amended to read as follows:

3. *No reversion.* Notwithstanding section 8.33, any balance in the fund on June 30 of any fiscal year shall not revert to the general fund of the state fund from which it was appropriated.

Sec. 95. REPEAL. Sections 8.57D, 12.90A, 12.90B, 12.90C, 16.185, 16.186, 16.187, and 313.68, Code Supplement 2009, are repealed.

Sec. 96. EFFECTIVE DATES AND APPLICABILITY.

1. The section of this division of this Act amending section 12.87, being deemed of immediate importance, takes effect upon enactment.

2. The section of this division of this Act enacting section 16.193, subsection 3, being deemed of immediate importance, takes effect upon enactment, and applies to projects approved on, before, and after the effective date of the section.

*Approved April 26, 2010, with exception noted.*

CHESTER J. CULVER, *Governor*

Dear Mr. Secretary:

I hereby transmit Senate File 2389, an Act relating to and making, reducing, and transferring appropriations to state departments and agencies from the rebuild Iowa infrastructure fund, the technology reinvestment fund, the revenue bonds capitals fund, the revenue bonds capitals II fund, the FY 2009 prison bonding fund, and other funds, creating the Iowa jobs II program, and the revenue bonds federal subsidy holdback fund, providing for related matters, and providing an effective date. Senate File 2389 is approved on this date, with the exception noted below, which I hereby disapprove.

I am unable to approve paragraph 2 of section 49 of this bill in its entirety. This paragraph imposes certain time restrictions on the ability of the Department of Administrative Services (DAS) to relocate certain state agencies to space in the Mercy Capitol building. I am supportive of those sections of this bill that obligate DAS to undertake cost-benefit analyses before making certain agency relocation decisions, as presented under this section of the bill. However, if paragraph 2 of section 49 of this bill were to be implemented, taxpayer money would not be used in the most efficient manner possible, and certain administrative actions and expenses that had been undertaken prior to the passage of this bill would be unduly interfered with, resulting in the waste of taxpayer funds. For example, DAS has already expended funds and entered into agreements to purchase new telephones and to install new telephone lines into Mercy Capitol. A state agency that has already budgeted for its move to this building will save \$143,000 in annual rental payments, but would be prevented from doing so under this paragraph. The disapproval action I have described will allow DAS to save taxpayer money while prudently investing in Mercy Capitol and in the tenancies of state agencies that will reside there, on a cost-beneficial basis, in coming years.

For the above reasons, I respectfully disapprove the designated item in accordance with Article III, Section 16 of the Constitution of the State of Iowa. All other items in Senate File 2389 are hereby approved this date.

Sincerely,  
CHESTER J. CULVER, *Governor*

**CHAPTER 1185**

APPROPRIATIONS — JUDICIAL BRANCH

*S.F. 2377*

**AN ACT** relating to and making appropriations to the judicial branch.

*Be It Enacted by the General Assembly of the State of Iowa:*

Section 1. JUDICIAL BRANCH.

1. There is appropriated from the general fund of the state to the judicial branch for the fiscal year beginning July 1, 2010, and ending June 30, 2011, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

a. For salaries of supreme court justices, appellate court judges, district court judges, district associate judges, judicial magistrates and staff, state court administrator, clerk of the supreme court, district court administrators, clerks of the district court, juvenile court officers, board of law examiners and board of examiners of shorthand reporters and judicial qualifications commission; receipt and disbursement of child support payments; reimbursement of the auditor of state for expenses incurred in completing audits of the offices of the clerks of the district court during the fiscal year beginning July 1, 2010; and maintenance, equipment, and miscellaneous purposes:

..... \$ 148,811,822

b. For deposit in the revolving fund created pursuant to section 602.1302, subsection 3, for jury and witness fees, mileage, costs related to summoning jurors, fees for interpreters, and reimbursement of attorney fees paid by the state public defender:

..... \$ 1,500,000

2. The judicial branch, except for purposes of internal processing, shall use the current state budget system, the state payroll system, and the Iowa finance and accounting system in administration of programs and payments for services, and shall not duplicate the state payroll, accounting, and budgeting systems.

3. The judicial branch shall submit monthly financial statements to the legislative services agency and the department of management containing all appropriated accounts in the same manner as provided in the monthly financial status reports and personal services usage reports of the department of administrative services. The monthly financial statements shall include a comparison of the dollars and percentage spent of budgeted versus actual revenues and expenditures on a cumulative basis for full-time equivalent positions and dollars.

4. The judicial branch shall focus efforts upon the collection of delinquent fines, penalties, court costs, fees, surcharges, or similar amounts.

5. It is the intent of the general assembly that the offices of the clerks of the district court operate in all 99 counties and be accessible to the public as much as is reasonably possible in order to address the relative needs of the citizens of each county.

6. In addition to the requirements for transfers under section 8.39, the judicial branch shall not change the appropriations from the amounts appropriated to the judicial branch in this Act, unless notice of the revisions is given prior to their effective date to the legislative services agency. The notice shall include information on the branch’s rationale for making the changes
