229A.1 Legislative findings.

1. The general assembly finds that a small but extremely dangerous group of sexually violent predators exists which is made up of persons who do not have a mental disease or defect that renders them appropriate for involuntary treatment pursuant to the treatment provisions for mentally ill persons under chapter 229, since that chapter is intended to provide short-term treatment to persons with serious mental disorders and then return them to the community. In contrast to persons appropriate for civil commitment under chapter 229, sexually violent predators generally have antisocial personality features that are unamenable to existing mental illness treatment modalities and that render them likely to engage in sexually violent behavior.

2. The general assembly finds that sexually violent predators’ likelihood of engaging in repeat acts of predatory sexual violence is high and that the existing involuntary commitment procedure under chapter 229 is inadequate to address the risk these sexually violent predators pose to society.

3. The general assembly further finds that the prognosis for rehabilitating sexually violent predators in a prison setting is poor, because the treatment needs of this population are very long-term, and the treatment modalities for this population are very different from the traditional treatment modalities available in a prison setting or for persons appropriate for commitment under chapter 229.

4. Therefore, the general assembly finds that a civil commitment procedure for the long-term care and treatment of the sexually violent predator is necessary. The procedures regarding sexually violent predators should reflect legitimate public safety concerns, while providing treatment services designed to benefit sexually violent predators who are civilly committed. The procedures should also reflect the need to protect the public, to respect the needs of the victims of sexually violent offenses, and to encourage full, meaningful participation of sexually violent predators in treatment programs.

   (9) That no debt is owed to the department of human services for reimbursement of Medicaid benefits; or if debt is owed, that the debt will be paid to the extent of funds received pursuant to the affidavit.

   (10) That no inheritance or other taxes are owed to the department of revenue, or if taxes are owed, that the taxes will be paid to the extent of funds received pursuant to the affidavit.

   (11) That creditors, if any, will be paid to the extent of funds received pursuant to the affidavit.

   (12) That the affiant affirms under penalty of perjury that the affidavit is true and correct.

   b. If there are two or more successors, any of the successors may execute an affidavit under this subsection.

4. a. If the decedent had evidence of ownership of the property described in the affidavit and the holder of the property would have the right to require presentation of the evidence of ownership before the duty of the holder to pay, deliver, or transfer the property to the decedent would have arisen, the evidence of the ownership, if available, shall be presented with the affidavit to the holder of the decedent’s property.

   b. If the evidence of ownership is not presented to the holder of the property, the holder may require, as a condition for the payment, delivery, or transfer of the property, that the affiant provide the holder with a bond in a reasonable amount determined by the holder to be sufficient to indemnify the holder against all liability, claims, demands, loss, damages, costs, and expenses that the holder may incur or suffer by reason of the payment, delivery, or transfer of the property. This subsection does not preclude the holder and the affiant from dispensing with the requirement that a bond be provided, and instead entering into an agreement satisfactory to the holder concerning the duty of the affiant to indemnify the holder.

   c. Judgments rendered by any court in this state and mortgages belonging to a decedent whose personal property is being distributed pursuant to this section may, without prior order of court, be released, discharged, or assigned, in whole or in part, as to any property, and deeds may be executed in performance of real estate contracts entered into by the decedent, where an affidavit made pursuant to subsection 3 or 8 is filed in the office of the county recorder of the county wherein any judgment, mortgage, or real estate contract appears of record.
5. Reasonable proof of the identity of each successor seeking distribution by virtue of the affidavit shall be provided to the satisfaction of the holder of the decedent’s property.

6. a. If the requirements of this section are satisfied:

(1) The property described in the affidavit shall be paid, delivered, or transferred to or for the benefit of each successor.

(2) A transfer agent of a security described in the affidavit shall change registered ownership on the books of the corporation from the decedent to or for the benefit of each successor.

(3) The holder of the property may return the attached certified copy of the decedent’s death certificate to the affiant.

b. If the holder of the decedent’s property refuses to pay, deliver, or transfer any property or evidence thereof to or for the benefit of the successor within a reasonable time, a successor may recover the property or compel its payment, delivery, or transfer in an action brought for that purpose against the holder of the property. If an action is brought against the holder under this subsection, the court shall award attorney fees to the person bringing the action if the court finds that the holder of the decedent’s property acted unreasonably in refusing to pay, deliver, or transfer the property to or for the benefit of the successor as required by this subsection.

7. a. If the requirements of this section are satisfied, receipt by the holder of the decedent’s property of the affidavit under subsection 3 or 8 constitutes sufficient acquittance for the payment of money, delivery of property, or transferring the registered ownership of property pursuant to this section and discharges the holder from any further liability with respect to the money or property. The holder may rely in good faith on the statements in the affidavit and has no duty to inquire into the truth of any statement in the affidavit.

b. If the requirements of this section are satisfied, the holder is not liable for any debt owed by the decedent by reason of paying money, delivering property, or transferring registered ownership of property pursuant to this section. If an action is brought against the holder under this section, the court shall award attorney fees to the holder if the court finds that the holder acted reasonably in paying, delivering, or transferring the property as required by this section.

8. a. If an affidavit, executed under this section for a deceased distributee of an estate being administered in this state, is filed with the clerk of the district court in which the estate is being administered, the court shall direct the personal representative to pay the money or deliver the property to or for the benefit of each successor to the extent the court determines that the deceased distributee would have been entitled to money or property of the estate.

b. When the department of human services is entitled to money or property of a decedent pursuant to section 249A.53, subsection 2, and no affidavit has been presented by a successor as defined in subsection 2, paragraph “a” or “b”, within ninety days of the date of the decedent’s death, the funds in the account or other property, up to the amount of the claim of the department, shall be paid to the department upon presentation by the department or an entity designated by the department of an affidavit to the holder of the decedent’s property. Such affidavit shall include the information specified in subsection 3, except that the department may submit proof of payment of funeral expenses as verification of the decedent’s death instead of a certified copy of the decedent’s death certificate. The amount of the department’s claim shall also be included in the affidavit, which shall entitle the department to receive the funds as a successor. The department shall issue a refund within sixty days to any claimant with a superior priority pursuant to section 633.425, if notice of such claim is given to the department, or to the entity designated by the department to receive notice, within one year of the department’s receipt of funds. This paragraph shall apply to funds or property of the decedent transferred to the custody of the treasurer of state as unclaimed property pursuant to chapter 556.

9. The procedure provided by this section may be used only if no administration of the decedent’s estate is pending.

10. Upon receipt of an affidavit under subsection 3 and reasonable proof under subsection 5 of the identity of each successor seeking distribution by virtue of the affidavit, the holder of the property shall disclose to the affiant whether the value of the property held by the holder is, or has been at any time since the decedent’s death, fifty thousand dollars or
less. An affidavit furnished for the purpose of determining whether the value of the property is, or has been at any time since the decedent’s death, fifty thousand dollars or less need not contain the language required under subsection 3, paragraph “a”, subparagraph (3), but shall state that the affiant reasonably believes that the gross value of the decedent’s personal property that would otherwise be distributed by will or intestate succession is, or has been at any time since the decedent’s death, fifty thousand dollars or less and there is no real property or the real property passes to persons exempt from inheritance tax as joint tenants with full rights of survivorship.

10. The procedure provided by this section may be used only if no administration of the decedent’s estate is pending.

Sec. 88. Section 633.637, Code 2019, is amended to read as follows:

633.637 Powers of ward.

1. A ward for whom a conservator has been appointed shall not have the power to convey, encumber, or dispose of property in any manner, other than by will if the ward possesses the requisite testamentary capacity, unless the court determines that the ward has a limited ability to handle the ward’s own funds. If the court makes such a finding, the court shall specify to what extent the ward may possess and use the ward’s own funds.

2. Any modification of the powers of the ward that would be more restrictive of the ward’s control over the ward’s financial affairs shall be based upon clear and convincing evidence and the burden of persuasion is on the conservator. 2. A separate action based on a debt or other liability of the ward may be commenced against the conservator as such in lieu of filing a claim in the conservatorship. Such an action shall be commenced by serving an original notice on the conservator and filing a duplicate of the proof of service of notice of such proceeding in the conservatorship proceeding. Such an action shall also be considered a claim filed in the conservatorship. Such an action may be commenced only in a county where the venue would have been proper if there were no conservatorship and the action had been commenced against the ward.
