For the administration and execution of a value added agriculture grant program to identify, evaluate, and support programs and services which add value to agriculture products, enable new technology, and support marketing strategies:

..... \$ 250,000

DIVISION II
GENERAL FUND
DEPARTMENT OF AGRICULTURE AND LAND STEWARDSHIP
WATER QUALITY INITIATIVE

Sec. 13. WATER QUALITY INITIATIVE — GENERAL.

1. There is appropriated from the general fund of the state to the department of agriculture and land stewardship for the fiscal year beginning July 1, 2021, and ending June 30, 2022, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For deposit in the water quality initiative fund created in [section 466B.45](#), for purposes of supporting the water quality initiative administered by the division of soil conservation and water quality as provided in [section 466B.42](#), including salaries, support, maintenance, and miscellaneous purposes:

..... \$ 3,000,000

2. a. The moneys appropriated in subsection 1 shall be used to support projects in subwatersheds as designated by the division that are part of high-priority watersheds identified by the water resources coordinating council established pursuant to [section 466B.3](#).

b. The moneys appropriated in subsection 1 shall be used to support projects in watersheds generally, including regional watersheds, as designated by the division and high-priority watersheds identified by the water resources coordinating council established pursuant to [section 466B.3](#).

3. In supporting projects in subwatersheds and watersheds as provided in subsection 2, all of the following shall apply:

a. The demonstration projects shall utilize water quality practices as described in the Iowa nutrient reduction strategy as defined in [section 455B.171](#).

b. The division shall implement demonstration projects as provided in paragraph “a” by providing for participation by persons who hold a legal interest in agricultural land used in farming. To every extent practical, the division shall provide for collaborative participation by such persons who hold a legal interest in agricultural land located within the same subwatershed.

c. The division shall implement a demonstration project on a cost-share basis as determined by the division. However, except for edge-of-field practices, the state’s share of the amount shall not exceed 50 percent of the estimated cost of establishing the practice as determined by the division or 50 percent of the actual cost of establishing the practice, whichever is less.

d. The demonstration projects shall be used to educate other persons about the feasibility and value of establishing similar water quality practices. The division shall promote field day events for purposes of allowing interested persons to establish water quality practices on their agricultural land.

e. The division shall conduct water quality evaluations within supported subwatersheds. Within a reasonable period after accumulating information from such evaluations, the division shall create an aggregated database of water quality practices. Any information identifying a person holding a legal interest in agricultural land or specific agricultural land shall be a confidential record under [section 22.7](#).

4. The moneys appropriated in subsection 1 shall be used to support education and outreach in a manner that encourages persons who hold a legal interest in agricultural land used for farming to implement water quality practices, including the establishment of such practices in watersheds generally, and not limited to subwatersheds or high-priority watersheds.

5. The moneys appropriated in subsection 1 may be used to contract with persons to coordinate the implementation of efforts provided in this section.

6. The moneys appropriated in subsection 1 may be used by the department to support urban soil and water conservation efforts, which may include but are not limited to management practices related to bioretention, landscaping, the use of permeable or pervious pavement, and soil quality restoration. The moneys shall be allocated on a cost-share basis as provided in [chapter 161A](#).

7. Notwithstanding any other provision of law to the contrary, the department may use moneys appropriated in subsection 1 to carry out the provisions of this section on a cost-share basis in combination with other moneys available to the department from a state or federal source.

8. Not more than 10 percent of the moneys appropriated in this section may be used to pay for the costs of administering and implementing the water quality initiative by the

department’s division of soil conservation and water quality as provided in [section 466B.42](#) and this section.

DIVISION III
DEPARTMENT OF NATURAL RESOURCES

Sec. 14. GENERAL FUND — DEPARTMENT.

1. There is appropriated from the general fund of the state to the department of natural resources for the fiscal year beginning July 1, 2021, and ending June 30, 2022, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For purposes of supporting the department, including its divisions, for administration, regulation, and programs; for salaries, support, maintenance, and miscellaneous purposes; and for not more than the following full-time equivalent positions:

	\$	12,093,061

There is appropriated from the special snowmobile fund created under [section 321G.7](#) to the department of natural resources for the fiscal year beginning July 1, 2021, and ending June 30, 2022, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

For purposes of administering and enforcing the state snowmobile programs:
..... \$ 100,000

Sec. 18. UNASSIGNED REVENUE FUND — UNDERGROUND STORAGE TANKS SECTION EXPENSES. There is appropriated from the unassigned revenue fund administered by the Iowa comprehensive petroleum underground storage tank fund board established pursuant to [section 455G.4](#) to the department of natural resources for the fiscal year beginning July 1, 2021, and ending June 30, 2022, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

For purposes of paying for administration expenses of the department’s underground storage tanks section:
..... \$ 200,000

SPECIAL APPROPRIATIONS
GENERAL FUND

Sec. 19. FLOODPLAIN MANAGEMENT AND DAM SAFETY.

1. There is appropriated from the general fund of the state to the department of natural resources for the fiscal year beginning July 1, 2021, and ending June 30, 2022, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

For purposes of supporting floodplain management and dam safety:
..... \$ 1,510,000

2. Of the amount appropriated in subsection 1, up to \$400,000 may be used by the department to acquire or install stream gages for purposes of tracking and predicting flood events and for compiling necessary data to improve flood frequency analysis.

3. Notwithstanding [section 8.33](#), moneys appropriated in subsection 1 that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available for expenditure for the purposes designated until the close of the succeeding fiscal year.

Sec. 20. FORESTRY HEALTH MANAGEMENT.

1. There is appropriated from the general fund of the state to the department of natural resources for the fiscal year beginning July 1, 2021, and ending June 30, 2022, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For purposes of providing for forestry health management programs:
..... \$ 500,000

2. Notwithstanding [section 8.33](#), moneys appropriated in this section that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available to be used for the purposes designated until the close of the succeeding fiscal year.

Sec. 21. STATE PARK OPERATIONS. There is appropriated from the general fund of the state to the department of natural resources for the fiscal year beginning July 1, 2021, and ending June 30, 2022, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For supporting operations at state parks, including maintenance and repair of grounds and facilities:
..... \$ 1,000,000

MISCELLANEOUS PROVISIONS

Sec. 22. VISITOR PARKING AT STATE PARKS — STUDY. The department of natural resources shall conduct a study of the availability of visitor parking at state parks. The department shall identify any inadequacy in the availability of visitor parking at each state park during periods of high use. The department shall prepare a report which shall identify each state park that fails to provide adequate visitor parking and a recommendation to improve that state park to accommodate existing or expected visitor parking. The department shall submit the report to the governor and general assembly not later than December 10, 2021.

DIVISION IV
IOWA STATE UNIVERSITY
SPECIAL GENERAL FUND APPROPRIATIONS

Sec. 23. VETERINARY DIAGNOSTIC LABORATORY.

1. There is appropriated from the general fund of the state to Iowa state university of science and technology for the fiscal year beginning July 1, 2021, and ending June 30, 2022, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For purposes of supporting the college of veterinary medicine for the operation of the veterinary diagnostic laboratory and for not more than the following full-time equivalent positions:

Table with 2 columns: Description, Amount. Row 1: \$ 4,400,000. Row 2: FTEs 51.00

2. a. Iowa state university of science and technology shall not reduce the amount that it allocates to support the college of veterinary medicine from any other source due to the appropriation made in this section.

b. Paragraph "a" does not apply to a reduction made to support the college of veterinary medicine, if the same percentage of reduction imposed on the college of veterinary medicine is also imposed on all of Iowa state university of science and technology's budget units.

3. If by June 30, 2022, Iowa state university of science and technology fails to allocate the moneys appropriated in this section to the college of veterinary medicine in accordance with this section, the moneys appropriated in this section for that fiscal year shall revert to the general fund of the state.

Sec. 24. LIVESTOCK DISEASE RESEARCH. There is appropriated from the general fund of the state to Iowa state university of science and technology for the fiscal year beginning July 1, 2021, and ending June 30, 2022, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

1. For deposit in the livestock disease research fund created in section 267.8:

Table with 2 columns: Description, Amount. Row 1: \$ 170,390

2. Moneys appropriated to the fund under subsection 1 shall be used by Iowa state university of science and technology to support animal disease research in areas of importance to livestock producers.

DIVISION V
STATE UNIVERSITY OF IOWA
SPECIAL GENERAL FUND APPROPRIATION
AGRICULTURAL SAFETY AND HEALTH

Sec. 25. IOWA'S CENTER FOR AGRICULTURAL SAFETY AND HEALTH (I-CASH).

1. There is appropriated from the general fund of the state to the state university of Iowa for the fiscal year beginning July 1, 2021, and ending June 30, 2022, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For supporting the operations of Iowa's center for agricultural safety and health, as part of the university's college of public health, and in cooperation with the department of agriculture

and land stewardship, to anticipate, recognize, and prevent occupational illness and injury among members of the agricultural community:

..... \$ 128,154

2. a. As a condition of the appropriation made in subsection 1, the state university of Iowa shall retain the director of Iowa’s center for agricultural safety and health employed on the effective date of this division of this Act for at least the same number of hours for the fiscal year beginning July 1, 2021, as worked by the director during the fiscal year beginning July 1, 2020.

b. As a condition of the appropriation made in subsection 1, the state university of Iowa shall not reduce the amount allocated to support Iowa’s center for agricultural safety from any other source due to the appropriation made in subsection 1.

3. If by June 30, 2022, the state university of Iowa fails to use the moneys appropriated in subsection 1 in accordance with the purposes and conditions of subsections 1 and 2, any unencumbered and unobligated moneys appropriated in subsection 1 for the fiscal year beginning July 1, 2021, and ending June 30, 2022, shall revert to the general fund of the state. In addition, if moneys are required to be reverted pursuant to section 8.33, the state university of Iowa shall transfer to the general fund from any otherwise unencumbered and unobligated moneys from any other general fund appropriation or from any moneys available from other funding sources an amount equal to the amount appropriated in subsection 1 less any amount reverted to the general fund of the state pursuant to section 8.33.

DIVISION VI
ENVIRONMENT FIRST FUND

For supporting floodplain management and dam safety:

..... \$ 375,000

Sec. 28. STATE UNIVERSITY OF IOWA — IOWA GEOLOGICAL SURVEY. There is appropriated from the environment first fund created in [section 8.57A](#) to the state university of Iowa for the fiscal year beginning July 1, 2021, and ending June 30, 2022, the following amounts, or so much thereof as is necessary, to be used for the purposes designated:

1. OPERATIONS

For purposes of supporting the operations of the Iowa geological survey of the state as created within the state university of Iowa pursuant to [section 456.1](#), including but not limited to providing analysis; data maintenance, collection, and compilation; investigative programs; and information for water supply development and protection:

..... \$ 200,000

2. WATER RESOURCE MANAGEMENT

For purposes of supporting the Iowa geological survey in measuring, assessing, and evaluating the quantity of water sources in this state and assisting the department of natural resources in regulating water quantity as provided in [chapter 455B, division III, part 4](#), pursuant to [sections 455B.262B and 456.14](#):

..... \$ 495,000

Sec. 29. REVERSION.

1. a. Except as provided in paragraph “b”, and notwithstanding [section 8.33](#), moneys appropriated for the fiscal year beginning July 1, 2021, in this division of this Act that remain unencumbered or unobligated at the close of the fiscal year shall not revert but instead shall remain available to be used for the purposes designated until the close of the succeeding fiscal year, or until the project for which the appropriation was made is completed, whichever is earlier.

b. Notwithstanding [section 8.33](#), moneys appropriated for the fiscal year beginning July 1, 2021, in this division of this Act to the department of agriculture and land stewardship to provide financial assistance for the establishment of permanent soil and water conservation practices that remain unencumbered or unobligated at the close of the fiscal year shall not revert but instead shall remain available for expenditure for the purposes designated until the close of the fiscal year beginning July 1, 2024.

2. Subsection 1 does not apply to moneys transferred pursuant to this division of this Act to the loess hills development and conservation fund created in [section 161D.2](#) which shall not revert as provided in that section.

DIVISION VII
ENVIRONMENT FIRST FUND
SPECIAL APPROPRIATIONS

Sec. 30. WATER QUALITY INITIATIVE — DEPARTMENT OF AGRICULTURE AND LAND STEWARDSHIP

1. There is appropriated from the environment first fund created in [section 8.57A](#) to the department of agriculture and land stewardship for the fiscal year beginning July 1, 2021, and ending June 30, 2022, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For deposit in the water quality initiative fund created in [section 466B.45](#), for purposes of supporting the water quality initiative administered by the division of soil conservation and

water quality as provided in [section 466B.42](#), including salaries, support, maintenance, and miscellaneous purposes:

..... \$ 2,375,000

2. a. The moneys appropriated in subsection 1 shall be used to support projects in subwatersheds as designated by the division that are part of high-priority watersheds identified by the water resources coordinating council established pursuant to [section 466B.3](#).

b. The moneys appropriated in subsection 1 shall be used to support projects in watersheds generally, including regional watersheds, as designated by the division and high-priority watersheds identified by the water resources coordinating council established pursuant to [section 466B.3](#).

3. In supporting projects in subwatersheds and watersheds as provided in subsection 2, all of the following shall apply:

a. The demonstration projects shall utilize water quality practices as described in the Iowa nutrient reduction strategy as defined in [section 455B.171](#).

b. The division shall implement demonstration projects as provided in paragraph “a” by providing for participation by persons who hold a legal interest in agricultural land used in farming. To every extent practical, the division shall provide for collaborative participation by such persons who hold a legal interest in agricultural land located within the same subwatershed.

c. The division shall implement a demonstration project on a cost-share basis as determined by the division. However, except for edge-of-field practices, the state’s share of the amount shall not exceed 50 percent of the estimated cost of establishing the practice as determined by the division or 50 percent of the actual cost of establishing the practice, whichever is less.

d. The demonstration projects shall be used to educate other persons about the feasibility and value of establishing similar water quality practices. The division shall promote field day events for purposes of allowing interested persons to establish water quality practices on their agricultural land.

e. The division shall conduct water quality evaluations within supported subwatersheds. Within a reasonable period after accumulating information from such evaluations, the division shall create an aggregated database of water quality practices. Any information identifying a person holding a legal interest in agricultural land or specific agricultural land shall be a confidential record under [section 22.7](#).

4. The moneys appropriated in subsection 1 shall be used to support education and outreach in a manner that encourages persons who hold a legal interest in agricultural land used for farming to implement water quality practices, including the establishment of such practices in watersheds generally, and not limited to subwatersheds or high-priority watersheds.

5. The moneys appropriated in subsection 1 may be used to contract with persons to coordinate the implementation of efforts provided in this section.

6. The moneys appropriated in subsection 1 may be used by the department to support urban soil and water conservation efforts, which may include but are not limited to management practices related to bioretention, landscaping, the use of permeable or pervious pavement, and soil quality restoration. The moneys shall be allocated on a cost-share basis as provided in [chapter 161A](#).

7. Notwithstanding any other provision of law to the contrary, the department may use moneys appropriated in subsection 1 to carry out the provisions of this section on a cost-share basis in combination with other moneys available to the department from a state or federal source.

8. Not more than 10 percent of the moneys appropriated in this section may be used to pay for the costs of administering and implementing the water quality initiative by the department’s division of soil conservation and water quality as provided in [section 466B.42](#) and this section.

DIVISION VIII
