5 under this chapter.

6 2. *a.* A valid written request for medication under this

12 being coerced to sign the request.

13 *b.* One of the witnesses shall be a person who is not any of  
14 the following:

15 (1) A relative of the patient by blood, marriage, or  
16 adoption.

13 patient is competent and acting voluntarily.

14 *e.* Refer the patient for counseling if appropriate under  
15 section 142E.8.

16 *f.* Recommend that the patient notify next of kin. However,  
17 a qualified patient's request for medication shall not  
18 be denied based on the qualified patient's declination or  
19 inability to notify next of kin.

20 *g.* Counsel the patient about the importance of having  
21 another person present when the patient takes the medication  
22 prescribed and of not taking the medication in a public place.

23 *h.* Inform the patient that the patient has an opportunity  
24 to rescind the request at any time and in any manner, and offer  
25 the patient an opportunity to rescind the request at the end of  
26 the fifteen-day waiting period under section 142E.4.

3 and has a current valid drug enforcement administration number,  
4 if required under chapter 124.

5 (2) With the patient's written consent:

6 (a) Contact a pharmacist and inform the pharmacist of the  
7 prescription.

13 contrary, the attending physician may sign the patient's death  
14 certificate.

15 **Sec. 7. NEW SECTION. 142E.7 Consulting physician**

21 records and confirm, in writing, the attending physician's  
22 diagnosis that the patient is suffering from a terminal  
23 disease.

24 2. Verify that the patient is competent, acting  
25 voluntarily, and has made an informed decision.

26 **Sec. 8. NEW SECTION. 142E.8 Counseling referral.**

27 1. If, in the opinion of the attending physician or the  
28 consulting physician, a patient may be suffering from a  
29 psychiatric or psychological disorder or depression causing  
30 impaired judgment, either physician shall refer the patient for  
31 counseling.

32 2. An attending physician shall not prescribe medication to  
33 end a patient's life pursuant to this chapter until the person  
34 performing the counseling determines and verifies that the  
35 patient is not suffering from a psychiatric or psychological

1 disorder or depression causing impaired judgment.

2     Sec. 9. NEW SECTION. 142E.9 Medical record documentation  
3 requirements.

4     All of the following shall be documented or filed in a

8 patient's life pursuant to this chapter.

9     2. All written requests by a patient for medication to end  
10 the patient's life pursuant to this chapter.

31 maintained under this chapter.

32     2. The department shall adopt rules to facilitate the

35 collected shall not be a public record and shall not be made

1 available for inspection by the public.

2 3. The department shall generate and make available to the

6 **wills, contracts, and other agreements.**

7 1. A provision in a contract, will, or other agreement,

9 affect whether a person may make or rescind a request for  
10 medication to end the person's life pursuant to this chapter,  
11 shall not be valid.

12 2. An obligation owing under any contract shall not be  
13 conditioned or affected by the making or rescinding of a  
14 request by a person for medication to end the person's life  
15 pursuant to this chapter.

16 Sec. 12. NEW SECTION. 142E.12 **Insurance or annuity**  
17 **policies.**

18 The sale, procurement, or issuance of any life, health,  
19 or accident insurance or annuity policy or the rate charged  
20 for any such policy shall not be conditioned upon or affected  
21 by the making or rescinding of a request by a person for  
22 medication that may be self-administered to end the person's  
23 life pursuant to this chapter. A qualified patient's act of  
24 self-administering medication to end the qualified patient's  
25 life pursuant to this chapter shall not have an effect upon a  
26 life, health, or accident insurance or annuity policy.

27 Sec. 13. NEW SECTION. 142E.13 **Construction of chapter.**

28 1. Nothing in this chapter shall be construed to authorize  
29 a physician or any other person to end a patient's life by  
30 lethal injection, mercy killing, or active euthanasia. An  
31 action taken in accordance with this chapter shall not, for any  
32 purpose, constitute suicide, assisted suicide, mercy killing,  
33 or homicide under the law.

34 2. Nothing in this chapter shall be interpreted to lessen  
35 the applicable standard of care for an attending physician,

1 consulting physician, psychiatrist, psychologist, or other  
2 health care provider acting under this chapter.

3     Sec. 14. NEW SECTION. 142E.14 Immunities — basis  
4 for prohibiting health care provider from participation —  
5 notification — permissible sanctions.

6     Except as otherwise provided in this chapter:

7     1. A person shall not be subject to civil or criminal  
8 liability or professional disciplinary action for acting  
9 in good-faith compliance with this chapter, including  
10 being present when a qualified patient self-administers the  
11 prescribed medication to end the qualified patient's life  
12 pursuant to this chapter.

13     2. A professional organization or association, or  
14 health care provider, shall not subject a person to censure,  
15 discipline, suspension, loss of license, loss of privileges,  
16 loss of membership, or other penalty for acting or refusing to  
17 act in good-faith compliance with this chapter.

18     3. A request by a patient for or provision by an attending  
19 physician of medication in good-faith compliance with this  
20 chapter shall not constitute neglect under the law or provide  
21 the sole basis for the appointment of a guardian or conservator  
22 for the patient.

23     4. A health care provider shall not be under any duty,  
24 whether by contract, statute, or any other legal requirement,  
25 to participate in the provision to a qualified patient of  
26 medication to end the patient's life pursuant to this chapter.  
27 If a health care provider is unable or unwilling to carry out a  
28 patient's request under this chapter and the patient transfers  
29 the patient's care to a new health care provider, the prior  
30 health care provider shall transfer, upon request, a copy of  
31 the patient's relevant medical records to the new health care  
32 provider.

33     5. a. Notwithstanding any other provision of law to the  
34 contrary, a health care provider may prohibit another health  
35 care provider from acting under this chapter on the premises

1 of the prohibiting provider if the prohibiting provider has  
2 notified the health care provider of the prohibiting provider's  
3 policy regarding actions under this chapter. Nothing in this  
4 paragraph shall prevent a health care provider from providing  
5 health care services to a patient that do not constitute action  
6 under this chapter.

7 *b.* Notwithstanding the provisions of this section to the  
8 contrary, a health care provider may subject another health  
9 care provider to the following sanctions if the sanctioning  
10 health care provider has notified the sanctioned provider prior  
11 to action under this chapter that the health care provider  
12 prohibits actions under this chapter:

13 (1) Loss of privileges, loss of membership, or other  
14 sanction provided pursuant to the medical staff bylaws,  
15 policies, or procedures of the sanctioning health care provider  
16 if the sanctioned provider is a member of the sanctioning  
17 provider's medical staff and acts under this chapter while on  
18 the health care facility premises of the sanctioning health  
19 care provider, but not including the private medical office of  
20 a physician or other provider.

21 (2) Termination of a lease or other property contract or  
22 other nonmonetary remedies provided by a lease or contract,  
23 not including loss or restriction of medical staff privileges  
24 or exclusion from a provider panel, if the sanctioned  
25 provider acts under this chapter while on the premises of the  
26 sanctioning health care provider or on property that is owned  
27 by or under the direct control of the sanctioning health care  
28 provider.

29 (3) Termination of a contract or other nonmonetary remedies  
30 provided by a contract if the sanctioned provider acts under  
31 this chapter while acting in the course and scope of the  
32 sanctioned provider's capacity as an employee or independent  
33 contractor of the sanctioning health care provider. Nothing  
34 in this subparagraph shall be construed to prevent any of the  
35 following:

1 (a) A health care provider from acting under this chapter  
2 while acting outside the course and scope of the provider's  
3 capacity as an employee or independent contractor.

4 (b) A patient from contracting with the patient's attending  
5 physician and consulting physician to act outside the course  
6 and scope of the provider's capacity as an employee or  
7 independent contractor of the sanctioning health care provider.

8 c. A health care provider that imposes sanctions pursuant to  
9 paragraph "b" shall follow all due process and other procedures  
10 the sanctioning health care provider uses for the imposition of  
11 sanctions on other health care providers under the authority of  
12 the sanctioning health care provider.

13 d. For the purposes of this subsection:

14 (1) "Action under this chapter" means to perform the  
15 duties of an attending physician, the consulting physician  
16 function, or the counseling function as specified under this  
17 chapter. "Action under this chapter" does not include any of  
18 the following:

19 (a) Making an initial determination that a patient has  
20 a terminal disease and informing the patient of the medical  
21 prognosis.

22 (b) Providing information about this chapter to a patient  
23 upon the request of the patient.

24 (c) Providing a patient, upon the request of the patient,  
25 with a referral to another physician.

26 (d) A patient contracting with the patient's attending  
27 physician and consulting physician to act outside of the  
28 course and scope of the provider's capacity as an employee or  
29 independent contractor of the sanctioning health care provider.

30 (2) "Notify" means a separate statement in writing to the  
31 health care provider specifically informing the health care  
32 provider prior to the provider's action under this chapter of  
33 the sanctioning health care provider's policy about actions  
34 under this chapter.

35 Sec. 15. NEW SECTION. 142E.15 Liabilities — penalties.

1 1. A person who without authorization of the patient  
2 willfully alters or forges a request for medication under this  
3 chapter or conceals or destroys a recision of a request for  
4 medication under this chapter with the intent or effect of  
5 causing the patient's death is guilty of a class "A" felony.

6 2. A person who coerces or exerts undue influence on a  
7 patient to request medication for the purpose of ending the  
8 patient's life pursuant to this chapter, or to destroy a  
9 recision of such a request, is guilty of a class "A" felony.

10 3. Nothing in this chapter shall be construed to limit  
11 a person's liability for civil damages resulting from the  
12 person's negligent conduct or intentional misconduct applicable  
13 under other law for conduct which is inconsistent with the  
14 provisions of this chapter.

15 4. The penalties specified in this section shall not  
16 preclude criminal penalties applicable under other law for  
17 conduct which is inconsistent with the provisions of this  
18 chapter.

19 **Sec. 16. NEW SECTION. 142E.16 Claims by governmental entity**  
20 **for costs incurred.**

21 A governmental entity that incurs costs resulting from a  
22 person terminating the person's life pursuant to this chapter  
23 in a public place shall have a claim against the estate of  
24 the person to recover such costs and reasonable attorney fees  
25 related to enforcing the claim.

18 The bill provides that the patient must make an oral request, a  
19 subsequent oral request no less than 15 days after the initial  
20 request, and a written request for the medication. There is  
21 also a 48-hour waiting period between the submission of the  
22 written request and the writing of the prescription. The bill  
23 specifies the responsibilities of the attending physician and  
24 the consulting physician. The bill includes a provision for  
25 counseling if the attending physician deems it appropriate, the  
26 notification of next of kin, the right to rescind a request at  
27 any time, and documentation requirements. The bill provides  
28 for the effect of a request for medication to end the person's  
29 life on the construction of wills, contracts, and statutes as  
30 well as on insurance and annuity policies.

31       The bill provides that the provisions of the bill are not  
32 to be construed to authorize a physician or any other person  
33 to end a patient's life by lethal injection, mercy killing,  
34 or active euthanasia, and that actions taken in accordance  
35 with the bill shall not, for any purpose, constitute suicide,

1 assisted suicide, mercy killing, or homicide under the  
2 law. Additionally, the provisions of the bill are not to be  
3 interpreted to lessen the applicable standard of care for the  
4 attending physician, consulting physician, psychiatrist, or  
5 psychologist, or other health care provider acting under the  
6 bill.

7 The bill provides immunities for a person who acts in  
8 good-faith compliance with the bill, including being present

10 patient's life.

11 The bill provides that a professional organization or  
12 association, or health care provider, shall not subject a  
13 person to censure, discipline, suspension, loss of license,  
14 loss of privileges, loss of membership, or other penalty for  
15 acting or refusing to act in good-faith compliance with the  
16 bill, but does provide for prohibitions by a health care  
17 provider on the premises of the health care provider relative  
18 to the bill. The bill provides that a request by a patient  
19 for or provision by an attending physician of medication in  
20 good-faith compliance with the bill does not constitute neglect  
21 under the law or provide the sole basis for the appointment  
22 of a guardian or conservator for the patient. Under the  
23 bill, a health care provider is not to be under any duty,  
24 whether by contract, statute, or any other legal requirement  
25 to participate in the provision to a patient of medication to  
26 end the patient's life. If a health care provider is unable  
27 or unwilling to carry out a patient's request under the bill,  
28 however, and the patient transfers the patient's care to a  
29 new health care provider, the prior health care provider is  
30 required to transfer, upon request, a copy of the patient's  
31 relevant medical records to the new health care provider.

32 The bill provides that a person who without authorization of  
33 the patient willfully alters or forges a request for medication  
34 under the bill or conceals or destroys a recision of such a  
35 request with the intent or effect of causing the patient's

1 death is guilty of a class "A" felony. Additionally, a person  
2 who coerces or exerts undue influence on a patient to request  
3 medication for the purpose of ending the patient's life under  
4 the bill, or to destroy a recision of such a request, is guilty  
5 of a class "A" felony. A class "A" felony is punishable by  
6 confinement for life without possibility of parole.

7 The bill provides that the provisions of the bill are  
8 not to be construed to limit a person's liability for civil  
9 damages resulting from other negligent conduct or intentional  
10 misconduct by the person and that the penalties specified in  
11 the bill shall not preclude criminal penalties applicable under  
12 other law for conduct which is inconsistent with the provisions  
13 of the bill.

14 The bill provides that if a governmental entity incurs costs  
15 resulting from a person terminating the person's life under the  
16 bill in a public place, the governmental entity has a claim  
17 against the estate of the person to recover such costs and  
18 reasonable attorney fees related to enforcing the claim.

19 The bill also provides the form for the request for  
20 medication to end a person's life.
