## CHAPTER 4

### UNEMPLOYMENT COMPENSATION LAW

#### S. F. 1

AN ACT to create a system of unemployment compensation; to provide for an unemployment compensation fund; to provide for contributions to such fund; to provide for benefit payments from such fund; to provide eligibility conditions for such benefits; to provide for the settlement of benefit claims; to provide for appeal and judicial review of disputed claims; to create an unemployment compensation commission and to provide for its appointment and compensation and to prescribe its powers and duties; to provide for the appointment and compensation of personnel and the maintenance and other expenses of such commission; to authorize reciprocal benefit arrangements with other states or the federal government; to prohibit the waiver of rights and benefits arising hereunder; to regulate alienation of benefits; to regulate attorneys' fees in cases arising under this act; to provide for the transfer of state employment service, and to prescribe its powers, duties and functions; to establish an unemployment administration fund; to fix the penalty for failure to comply with or for violation of this act; to retain the right to amend or repeal this act; and to repeal acts in conflict herewith, and for other purposes.

*Be It Enacted by the General Assembly of the State of Iowa:*

#### SHORT TITLE

1     **SECTION 1.** This act shall be known and may be cited as the "Unem-  
 2     ployment Compensation Law".

#### DECLARATION OF STATE PUBLIC POLICY

1     **SEC. 2.** As a guide to the interpretation and application of this act,  
 2     the public policy of this state is declared to be as follows: Economic  
 3     insecurity due to unemployment is a serious menace to the health, mor-  
 4     als, and welfare of the people of this state. Involuntary unemployment  
 5     is therefore a subject of general interest and concern which requires ap-  
 6     propriate action by the legislature to prevent its spread and to lighten  
 7     its burden which now so often falls with crushing force upon the unem-  
 8     ployed worker and his family. The achievement of social security re-  
 9     quires protection against this greatest hazard of our economic life. This  
 10    can be provided by encouraging employers to provide more stable em-  
 11    ployment and by the systematic accumulation of funds during periods  
 12    of employment to provide benefits for periods of unemployment, thus  
 13    maintaining purchasing power and limiting the serious social conse-  
 14    quences of poor relief assistance. The legislature, therefore, declares  
 15    that in its considered judgment the public good, and the general welfare  
 16    of the citizens of this state require the enactment of this measure, under

17 the police powers of the state, for the compulsory setting aside of un-  
 18 employment reserves to be used for the benefit of persons unemployed  
 19 through no fault of their own.

#### BENEFITS

1 SEC. 3 (a). **“Payment of benefits”**—Twenty-four months after the  
 2 date when contributions first accrue under this act, benefits shall be-  
 3 come payable from the fund. All benefits shall be paid through employ-  
 4 ment offices, in accordance with such regulations as the commission may  
 5 prescribe.

1 SEC. 3 (b). **“Weekly benefit amount for total unemployment”**—Each  
 2 eligible individual who is totally unemployed (as defined in section 19  
 3 (j) (1)) in any week shall be paid with respect to such week benefits at  
 4 the rate of fifty per centum of his full-time weekly wages but not more  
 5 than \$15.00 per week, nor less than either five dollars (\$5.00), or his  
 6 full-time weekly wage, whichever is the lesser.

1 SEC. 3 (c). **“Weekly benefit amount for partial unemployment”**—  
 2 Each eligible individual who is partially unemployed (as defined in sec.  
 3 19 (j) (2)), in any week shall be paid with respect to such week a par-  
 4 tial benefit. Such partial benefit shall be an amount which, if added to  
 5 his wages (as defined in sec. 19 (m)) for such week, would exceed his  
 6 weekly benefit amount (as defined in sec. 19 (o)) by (\$2.00) two dollars.

1 SEC. 3 (d). **“Determination of full-time weekly wage”**:  
 2 (1) The full-time weekly wage of any individual means the weekly  
 3 wages that such individual would receive if he were employed at the  
 4 most recent wage rate earned by him in employment by an employer in  
 5 his base period and for the customary scheduled full-time week prevail-  
 6 ing for his occupation in the enterprise in which he last earned wages  
 7 in employment by an employer during his base period.  
 8 (2) If the commission finds that the full-time weekly wage, as above  
 9 defined, would be unreasonable or arbitrary or not readily determinable  
 10 with respect to any individual, the full-time weekly wage of such indi-  
 11 vidual shall be deemed to be one-thirteenth of his total wages in employ-  
 12 ment by employers in that quarter in which such total wages were high-  
 13 est during his base period.

1 SEC. 3 (e). **“Duration of benefits”**—The maximum total amount of  
 2 benefits payable to any eligible individual during any benefit year shall  
 3 not exceed the balance credited to his account with respect to wages  
 4 earned in employment by employers during his base period, or fifteen  
 5 times his weekly benefit amount, whichever is the lesser. The commis-  
 6 sion shall maintain a separate account for each individual who earns  
 7 wages in employment by an employer subsequent to December 31, 1936.  
 8 After the expiration of each calendar quarter, the commission shall  
 9 credit each such account with one-sixth of such wages earned by such  
 10 individual during such quarter, or sixty-five dollars (\$65.00), whichever  
 11 is the lesser. Benefits paid to an eligible individual shall be charged  
 12 against amounts which have been credited to his account on the basis  
 13 of wages earned in employment by employers during his base period and  
 14 which have not previously been charged hereunder, in the same chrono-  
 15 logical order as such wages were earned.

1 SEC. 3 (f) (1). “Part-time workers”—As used in this subsection the  
 2 term “part-time worker” means an individual whose normal work is in  
 3 an occupation in which his services are not required for the customary  
 4 scheduled full-time hours prevailing in the establishment in which he is  
 5 employed, or who, owing to personal circumstances, does not customa-  
 6 rily work the customary scheduled full-time hours prevailing in the  
 7 establishment in which he is employed.

8 (2) The commission shall prescribe fair and reasonable general rules  
 9 applicable to part-time workers, for determining their full-time weekly  
 10 wage, and the total wages in employment by employers required to qual-  
 11 ify such workers for benefits. Such rules shall, with respect to such  
 12 part-time workers supersede any inconsistent provisions of this act,  
 13 but, so far as practicable, shall secure results reasonably similar to those  
 14 provided in the analogous provisions of this act.

#### BENEFIT ELIGIBILITY CONDITIONS

1 SEC. 4. An unemployed individual shall be eligible to receive benefits  
 2 with respect to any week only if the commission finds that:

3 (a) He has registered for work at and thereafter has continued to  
 4 report at an employment office in accordance with such regulations as  
 5 the commission may prescribe.

6 (b) He has made a claim for benefits in accordance with the provi-  
 7 sions of section 6 (a) of this act.

8 (c) He is able to work, and is available for work.

9 (d) Prior to any week for which he claims benefits he has been totally  
 10 unemployed for a waiting period of two weeks (and for the purposes of  
 11 this subsection, two weeks of partial unemployment shall be deemed to  
 12 be equivalent to one week of total unemployment). Such weeks of total  
 13 or partial unemployment or both need not be consecutive. No week shall  
 14 be counted as a week of total unemployment for the purposes of this  
 15 subsection:

16 (1) if benefits have been paid with respect thereto;

17 (2) unless the individual was eligible for benefits with respect there-  
 18 to in all respects except for the requirements of subsections (b) and (e)  
 19 of this section;

20 (3) Unless it occurs within the thirteen consecutive weeks preceding  
 21 the week for which he claims benefits, provided that this condition shall  
 22 not interrupt the payment of benefits for consecutive weeks of unem-  
 23 ployment nor require any individual to accumulate more than five wait-  
 24 ing period weeks during any five consecutive calendar quarters;

25 (4) unless it occurs after benefits first could become payable to any  
 26 individual under this act.

1 SEC. 4 (e). He has within the first four out of the last five completed  
 2 calendar quarters immediately preceding the first day of his benefit  
 3 year, earned wages in employment by employers equal to not less than  
 4 fifteen times his weekly benefit amount.

#### DISQUALIFICATION FOR BENEFITS

1 SEC. 5. An individual shall be disqualified for benefits:

2 (a) For the week in which he has left work voluntarily without good  
 3 cause, if so found by the commission, and for not less than one nor more  
 4 than the five weeks which immediately follow such week (in addition to

5 the waiting period), as determined by the commission according to the  
6 circumstances in each case.

1 SEC. 5 (b). For the week in which he has been discharged for miscon-  
2 duct connected with his work, if so found by the commission, and for not  
3 less than the one nor more than the nine weeks which immediately fol-  
4 low such week (in addition to the waiting period), as determined by the  
5 commission in each case according to the seriousness of the misconduct.

1 SEC. 5 (c). If the commission finds that he has failed, without good  
2 cause, either to apply for available, suitable work when so directed by  
3 the employment office or the commission or to accept suitable work when  
4 offered him, or to return to his customary self-employment (if any)  
5 when so directed by the commission. Such disqualification shall contin-  
6 ue for the week in which such failure occurred and for not less than  
7 the one nor more than the five weeks which immediately follow such  
8 week (in addition to the waiting period), as determined by the commis-  
9 sion according to the circumstances in each case.

10 (1) In determining whether or not any work is suitable for an indi-  
11 vidual, the commission shall consider the degree of risk involved to his  
12 health, safety, and morals, his physical fitness and prior training, his  
13 experience and prior earnings, his length of unemployment and pros-  
14 pects for securing local work in his customary occupation, and the dis-  
15 tance of the available work from his residence, and any other factors  
16 which it finds bears a reasonable relation to the purposes of this sub-  
17 section.

18 (2) Notwithstanding any other provision of this act, no work shall  
19 be deemed suitable and benefits shall not be denied under this act to  
20 any otherwise eligible individual for refusing to accept new work under  
21 any of the following conditions:

22 (a) If the position offered is vacant due directly to a strike, lockout,  
23 or other labor dispute;

24 (b) if the wages, hours, or other conditions of the work offered are  
25 substantially less favorable to the individual than those prevailing for  
26 similar work in the locality;

27 (c) if as a condition of being employed, the individual would be re-  
28 quired to join a company union or to resign from or refrain from join-  
29 ing any bona-fide labor organization.

1 SEC. 5 (d). For any week with respect to which the commission  
2 finds that his total or partial unemployment is due to a stoppage of  
3 work which exists because of a labor dispute at the factory, establish-  
4 ment, or other premises at which he is or was last employed, provided  
5 that this subsection shall not apply if it is shown to the satisfaction  
6 of the commission that:

7 (1) he is not participating in or financing or directly interested in  
8 the labor dispute which caused the stoppage of work; and

9 (2) he does not belong to a grade or class of workers of which im-  
10 mediately before the commencement of the stoppage, there were mem-  
11 bers employed at the premises at which the stoppage occurs, any of  
12 whom are participating in or financing or directly interested in the dis-  
13 pute:

14 Provided, that if in any case separate branches of work which are  
15 commonly conducted as separate businesses in separate premises are

16 conducted in separate departments of the same premises, each such  
 17 department shall, for the purposes of this subsection, be deemed to be  
 18 a separate factory, establishment, or other premises.

1 SEC. 5 (e). For any week with respect to which he is receiving or  
 2 has received remuneration in the form of:

3 (1) Wages in lieu of notice;

4 (2) Compensation for temporary partial disability under the work-  
 5 men's compensation law of any state or under a similar law of the  
 6 United States; or

7 (3) Old-age benefits under title II of the social security act, as  
 8 amended, or similar payments under any act of congress:

9 Provided, that if such remuneration is less than the benefits which  
 10 would otherwise be due under this act, he shall be entitled to receive  
 11 for such week, if otherwise eligible, benefits reduced by the amount of  
 12 such remuneration.

#### CLAIMS FOR BENEFITS

1 SEC. 6 (a). **Filing**—Claims for benefits shall be made in accordance  
 2 with such regulations as the commission may prescribe. Each em-  
 3 ployer shall post and maintain printed statements of such regulations  
 4 in places readily accessible to individuals in his service and shall make  
 5 available to each such individual at the time he becomes unemployed  
 6 a printed statement of such regulations. Such printed statements shall  
 7 be supplied by the commission to each employer without cost to him.

1 SEC. 6 (b). **Initial Determination**—A representative designated by  
 2 the commission, and hereinafter referred to as a deputy, shall promptly  
 3 examine the claim and, on the basis of the facts found by him, shall  
 4 either determine whether or not such claim is valid, and if valid, the  
 5 week with respect to which benefits shall commence, the weekly benefit  
 6 amount payable and the maximum duration thereof, or shall refer such  
 7 claim or any question involved therein to an appeal tribunal or to the  
 8 board of review, which shall make its determinations with respect  
 9 thereto in accordance with the procedure described in subsection (c)  
 10 of this section, except that in any case in which the payment or denial  
 11 of benefits will be determined by the provisions of section 5 (d) of this  
 12 act, the deputy shall promptly transmit his full finding of fact with  
 13 respect to that subsection to the board of review, which, on the basis  
 14 of the evidence submitted and such additional evidence as it may  
 15 require, shall affirm, modify, or set aside such findings of fact and  
 16 transmit to the deputy a decision upon the issues involved under that  
 17 subsection. The deputy shall promptly notify the claimant and any  
 18 other interested party of the decision and the reasons therefor. Un-  
 19 less the claimant or other interested party, within five calendar days  
 20 after the delivery of such notification, or within seven calendar days  
 21 after such notification was mailed to his last-known address, files an  
 22 appeal from such decision, such decision shall be final and benefits  
 23 shall be paid or denied in accordance therewith. If an appeal is duly  
 24 filed, benefits with respect to the period prior to the final determination  
 25 of the board of review, shall be paid only after such determination:  
 26 Provided: That if an appeal tribunal affirms a decision of a deputy,  
 27 or the board of review affirms a decision of an appeal tribunal, allow-  
 28 ing benefits, such benefits shall be paid regardless of any appeal which

29 may thereafter be taken, but if such decision is finally reversed, no  
30 employer's account shall be charged with benefits so paid.

1 SEC. 6 (c). **Appeals**—Unless such appeal is withdrawn, an appeal  
2 tribunal, after affording the parties reasonable opportunity for fair  
3 hearing, shall affirm or modify the findings of fact and decision of the  
4 deputy. The parties shall be duly notified of such tribunal's decision,  
5 together with its reasons therefor, which shall be deemed to be the  
6 final decision of the board of review, unless within ten days after the  
7 date of notification or mailing of such decision, further appeal is ini-  
8 tiated pursuant to subsection (e) of this section.

1 SEC. 6 (d). **Appeal tribunals**—To hear and decide disputed claims,  
2 the commission shall establish one or more impartial appeal tribunals  
3 consisting in each case of either a salaried examiner or a body con-  
4 sisting of three members, one of whom shall be a salaried examiner,  
5 who shall serve as chairman, one of whom shall be a representative of  
6 employers and the other of whom shall be a representative of em-  
7 ployees; each of the latter two members shall serve at the pleasure  
8 of the commission and be paid a fee, as fixed by the commission per  
9 day of active service on such tribunal, plus necessary expenses. No  
10 person shall participate on behalf of the commission or of the board  
11 of review in any case in which he is an interested party. The com-  
12 mission may designate alternates to serve in the absence or disqualifi-  
13 cation of any member of an appeal tribunal. The chairman shall act  
14 alone in the absence or disqualification of any other member and his  
15 alternates. In no case shall the hearings proceed unless the chairman  
16 of the appeal tribunal is present.

1 SEC. 6 (e). **Board of review**.—The board of review may on its own  
2 motion affirm, modify, or set aside any decision of an appeal tribunal  
3 on the basis of the evidence previously submitted in such case, or direct  
4 the taking of additional evidence, or may permit any of the parties  
5 to such decision to initiate further appeals before it. The board of  
6 review shall permit such further appeal by any of the parties inter-  
7 ested in a decision of an appeal tribunal which is not unanimous and  
8 by the deputy whose decision has been overruled or modified by an  
9 appeal tribunal. The board of review may remove to itself or transfer  
10 to another appeal tribunal the proceedings on any claim pending before  
11 an appeal tribunal. Any proceeding so removed to the board of review  
12 shall be heard by a quorum thereof in accordance with the require-  
13 ments in subsection (c) of this section. The board of review shall  
14 promptly notify the interested parties of its findings and decision.

1 SEC. 6 (f). **Procedure**—The manner in which disputed claims shall be  
2 presented, the reports thereon required from the claimant and from  
3 employers, and the conduct of hearings and appeals shall be in accord-  
4 ance with rules prescribed by the commission for determining the  
5 rights of the parties, whether or not such rules conform to common  
6 law or statutory rules of evidence and other technical rules of pro-  
7 cedure. A full and complete record shall be kept of all proceedings  
8 in connection with a disputed claim. All testimony at any hearing  
9 upon a disputed claim shall be recorded, but need not be transcribed  
10 unless the disputed claim is further appealed.

1 SEC. 6 (g). **Witness fees**—Witnesses subpoenaed pursuant to this  
2 section shall be allowed fees and necessary traveling expenses at a rate  
3 fixed by the commission.

1 SEC. 6 (h). **Appeal to courts**—Any decision of the board of review  
2 in the absence of an appeal therefrom as herein provided shall become  
3 final ten days after the date of notification or mailing thereof, and  
4 judicial review thereof shall be permitted only after any party claim-  
5 ing to be aggrieved thereby has exhausted his remedies before the  
6 board of review as provided by this act. The board of review shall  
7 be deemed to be a party to any judicial action involving any such deci-  
8 sion, and may be represented in any such judicial action by any quali-  
9 fied attorney who is a regular salaried employee of the commission or  
10 who has been designated by the commission for that purpose, or at the  
11 commission's request, by the attorney general.

1 SEC. 6 (i). **Court review**—Within ten days after the decision of the  
2 board of review has become final, any party aggrieved thereby may  
3 secure judicial review thereof by commencing an action in the district  
4 court of the county in which the aggrieved party was last employed  
5 or resides, against the board of review for the review of its decision,  
6 in which action any other party to the proceeding before the board  
7 of review shall be made a defendant. In such action, a petition which  
8 need not be verified, but which shall state the grounds upon which a  
9 review is sought, shall be served on a member of the board of review  
10 or upon such person as the board of review may designate and such  
11 service shall be deemed completed service on all parties, but there  
12 shall be left with the party so served as many copies of the petition  
13 as there are defendants and the board of review shall forthwith mail  
14 one such copy to each such defendant. With its answer, the board  
15 of review shall certify and file with said court all documents and  
16 papers and a transcript of all testimony taken in the matter, together  
17 with its findings of fact and decision therein. The transcript as certi-  
18 fied and filed by the board of review shall be the record on which the  
19 appeal shall be heard, and no additional evidence shall be heard. In  
20 the absence of fraud the findings of fact made by the board of review  
21 within its powers shall be conclusive. The board of review may also,  
22 in its discretion, certify to such courts, questions of law involved in  
23 any decision by it. Such actions, and the questions so certified, shall  
24 be heard in a summary manner and shall be given precedence over all  
25 other civil cases except cases arising under the workmen's compensa-  
26 tion law of this state.

1 SEC. 6 (j). **Decision on appeal**—Any order or decision of the board  
2 of review may be modified, reversed, or set aside on one or more of the  
3 following grounds and on no other:

- 4 1. If the board of review acted without or in excess of its powers.
- 5 2. If the order or decree was procured by fraud.
- 6 3. If the facts found by the board of review do not support the order  
7 or decree.
- 8 4. If there is not sufficient competent evidence in the record to war-  
9 rant the making of the order or decision.

1 SEC. 6 (k). **Judgment or order remanding**—When the district court,  
2 on appeal, reverses or sets aside an order or decision of the board of

3 review, it may remand the case to the board of review for further pro-  
4 ceedings in harmony with the holdings of the court, or it may enter  
5 the proper judgment, as the case may be. Such judgment or decree  
6 shall have the same force and effect as if action had been originally  
7 brought and tried in said court.

1     **SEC. 6 (l). Appeal**—An appeal may be taken from any final order,  
2 judgment, or decree of the district court to the supreme court of Iowa,  
3 in the same manner, but not inconsistent with the provisions of this  
4 act, as is provided in civil cases. It shall not be necessary in any  
5 judicial proceeding under this section, to enter exceptions to the rul-  
6 ings of the board of review and no bond shall be required for entering  
7 such appeal. Upon the final determination of such judicial proceed-  
8 ing, the board of review shall enter an order in accordance with such  
9 determination. A petition for judicial review shall not act as a super-  
10 sedeas or stay unless the commission shall so order.

#### CONTRIBUTIONS

1     **SEC. 7 (a). Payment.**

2     (1) On and after July 1, 1936, contributions shall accrue and be-  
3 come payable by each employer with respect to wages payable for  
4 employment as defined in section 19 (g) occurring during such calen-  
5 dar year except that for the six months period beginning July 1, 1936,  
6 such contributions shall accrue and become payable solely from em-  
7 ployers with respect to wages payable for employment occurring on  
8 and after July 1, 1936. Such contributions shall become due and be  
9 paid to the commission for the fund at such time and in such manner  
10 as the commission may prescribe. Contributions required from an  
11 employer shall not be deducted, in whole or in part, from the wages  
12 of individuals in his employ.

13     (2) In the payment of any contribution, a fractional part of a cent  
14 shall be disregarded unless it amounts to one-half cent or more, in  
15 which case it shall be increased to one cent.

1     **SEC. 7 (b). Rate of contribution by employers.** Each employer shall  
2 pay contributions equal to the following percentages of wages payable  
3 by him with respect to employment:

4     (1) One and eight-tenths percentum with respect to employment  
5 for the six months' period beginning July 1, 1936, provided that if  
6 the total of such contributions at such one and eight-tenths percentum  
7 rate equals less than nine-tenths of one percentum of the annual pay-  
8 roll of any employer for the calendar year 1936, such employer shall  
9 pay, at such time as the commission shall prescribe, an additional lump  
10 sum contribution with respect to employment for such six months'  
11 period beginning July 1, 1936, equal to the difference between nine-  
12 tenths of one percentum of his annual payroll for the calendar year  
13 1936 and the total of his contributions at such one and eight-tenths  
14 percentum rate for such six months' period beginning July 1, 1936,  
15 and provided further that in no event shall employers' contributions  
16 at such one and eight-tenths percentum rate exceed nine-tenths of one  
17 percentum of his annual payroll for the calendar year 1936.

18     (2) One and eight-tenths percentum with respect to employment  
19 in the calendar year 1937;

20 (3) Two and seven-tenths percentum with respect to employment  
21 during the calendar years 1938, 1939, 1940, 1941; and

22 (4) With respect to employment after December 31, 1941, the per-  
23 centage determined pursuant to subsection (c) of this section.

1 **SEC. 7 (c). Future rates based on benefit experience.**

2 (1) The commission shall maintain a separate account for each em-  
3 ployer, and shall credit his account with all the contributions which  
4 he has paid on his own behalf. But nothing in this act shall be con-  
5 strued to grant any employer or individuals in his service prior claims  
6 or rights to the amounts paid by him into the fund either on his own  
7 behalf or on behalf of such individuals. Benefits paid to an eligible  
8 individual shall be charged against the account of his most recent  
9 employers, against whose accounts the maximum charges hereunder  
10 have not previously been made, in the inverse chronological order in  
11 which the employment of such individual occurred, but the maximum  
12 amount so charged against the account of any employer shall not exceed  
13 one-sixth of the wages payable to such individual by each such em-  
14 ployer for employment which occurs on and after the first day of  
15 such individual's base period, or (\$65.00) sixty-five dollars per com-  
16 pleted calendar quarter or portion thereof, whichever is the lesser.  
17 The commission shall by general rules prescribe the manner in which  
18 benefits shall be charged against the accounts of several employers  
19 for whom an individual performed employment during the same week.

20 (2) The commission may prescribe regulations for the establish-  
21 ment, maintenance, and dissolution of joint accounts by two or more  
22 employers, and shall, in accordance with such regulations and upon  
23 application by two or more employers to establish such an account,  
24 or to merge their several individual accounts in a joint account, main-  
25 tain such joint account as if it constituted a single employer's account.

26 (3) Each employer's rate shall be two and seven-tenths percentum,  
27 except as otherwise provided in the preceding or following provisions  
28 of this section. No employer's rate shall be less than two and seven-  
29 tenths percentum after December 31, 1937, unless and until there shall  
30 have been three calendar years after he becomes liable for contributions  
31 under this act throughout which any individual in his employ could  
32 have received benefits if eligible.

33 (4) Each employer's rate for the twelve months commencing Janu-  
34 ary 1 of any calendar year, after December 31, 1941, shall be deter-  
35 mined on the basis of his record up to the beginning of such calendar  
36 year. If, at the beginning of such calendar year, the total of all his  
37 contributions, paid on his own behalf, for all past years exceeds the  
38 total benefits charged to his accounts for all such years, his contribu-  
39 tion rate shall be:

40 (a) One and eight-tenths per centum, if such excess equals or ex-  
41 ceeds  $7\frac{1}{2}$  seven and one-half but is less than (10) ten per centum  
42 of his average annual pay roll (as defined in section 19 (a) (2));

43 (b) Nine-tenths of (1) one per centum, if such excess equals or ex-  
44 ceeds (10) ten per centum of his average annual pay roll. If the total  
45 of his contributions, paid on his own behalf for all past periods or for the  
46 past sixty consecutive calendar months, whichever period is more ad-  
47 vantageous to such employer for the purposes of this paragraph, is  
48 less than the total benefits charged against his account during the same  
49 period, his rate shall be  $(3\frac{6}{10})$  three and six-tenths per centum.

50 (5) No employer's rate for the period of twelve months commencing  
 51 January 1 of any calendar year after December 31, 1937, shall be less  
 52 than  $(2 \frac{7}{10})$  two and seven-tenths per centum, unless the total assets  
 53 of the fund, excluding contributions not yet paid at the beginning of  
 54 such calendar year, exceed the total benefits paid from the fund within  
 55 the last preceding calendar year; and no employer's rate shall be less  
 56 than  $(1 \frac{8}{10})$  one and eight-tenths per centum unless such assets at  
 57 such time were at least twice the total benefits paid from the fund  
 58 within such last preceding year.

1 SEC. 8 (a). Any employing unit which is or becomes an employer  
 2 subject to this act within any calendar year shall be subject to this  
 3 act during the whole of such calendar year.

1 SEC. 8 (b). Except as otherwise provided in subsection (c) of this  
 2 section, an employing unit shall cease to be an employer subject to  
 3 this act, as of the 1st day of January of any calendar year, if it files  
 4 with the commission, prior to the 5th day of January of such year, a  
 5 written application for termination of coverage, and the commission  
 6 finds that there was no fifteen different weeks within the preceding  
 7 calendar year, within which such employing unit employed eight or  
 8 more individuals in employment subject to this act. For the purposes  
 9 of this subsection, the two or more employing units mentioned in para-  
 10 graph (2) or (3) or (4) of section 19 (f) shall be treated as a single  
 11 employing unit.

1 SEC. 8 (c) (1). An employing unit, not otherwise subject to this  
 2 act, which files with the commission its written election to become an  
 3 employer subject hereto for not less than two calendar years, shall  
 4 with the written approval of such election by the commission, become  
 5 an employer subject hereto to the same extent as all other employers,  
 6 as of the date stated in such approval, and shall cease to be subject  
 7 hereto as of January 1 of any calendar year subsequent to such two  
 8 calendar years, only if at least thirty days prior to such 1st day of  
 9 January, it has filed with the commission a written notice to that effect.

10 (2) Any employing unit for which services that do not constitute  
 11 employment as defined in this act are performed, may file with the  
 12 commission a written election that all such services performed by  
 13 individuals in its employ in one or more distinct establishments or  
 14 places of business shall be deemed to constitute employment for all the  
 15 purposes of this act for not less than two calendar years. Upon the  
 16 written approval of such election by the commission, such services  
 17 shall be deemed to constitute employment subject to this act from  
 18 and after the date stated in such approval. Such services shall cease  
 19 to be deemed employment subject hereto as of January 1, of any  
 20 calendar year subsequent to such two calendar years, only if at least  
 21 thirty days prior to such 1st day of January such employing unit has  
 22 filed with the commission a written notice to that effect.

 2 as a special fund, separate and apart from all public moneys or funds

3 of this state, an unemployment compensation fund, which shall be  
4 administered by the commission exclusively for the purposes of this  
5 act. This fund shall consist of: (1) all contributions collected under  
6 this act, together with any interest thereon collected pursuant to sec-

8 trust fund account, and (3) a benefit account. All moneys payable to  
9 the fund shall, upon receipt thereof by the commission, be forwarded  
10 to the treasurer who shall immediately deposit them in the clearing  
11 account. Refunds payable pursuant to section 14 of this act shall be  
12 paid by the treasurer from the clearing account upon warrants issued  
13 by the comptroller under the direction of the commission. After  
14 clearance thereof, all other moneys in the clearing account shall be  
15 immediately deposited with the secretary of the treasury of the United  
16 States of America to the credit of the account of this state in the un-

18 tion 904 of the social security act as amended, any provision of law  
19 in this state relating to the deposit, administration, release or dis-  
20 bursement of moneys in the possession or custody of this state to the  
21 contrary notwithstanding. The benefit account shall consist of all  
22 moneys requisitioned from this state's account in the unemployment  
23 trust fund. Except as herein otherwise provided moneys in the clear-  
24 ing and benefit account may be deposited by the treasurer, under the  
25 direction of the commission, in any bank or public depository in which  
26 general funds of the state may be deposited, but no public deposit  
27 insurance charge or premium shall be paid out of the fund. The treas-  
28 urer shall give a separate bond conditioned upon the faithful perform-

7 necessary for the payment of benefits for a reasonable future period.  
8 Upon receipt thereof the treasurer shall deposit such moneys in the  
9 benefit account, and shall disburse such moneys upon warrants drawn  
10 by the comptroller pursuant to the order of the commission for the  
11 payment of benefits solely from such benefit account. Expenditures  
12 of such moneys from the benefit account and refunds from the clear-

14 specific appropriations or other formal release by state officers of  
15 money in their custody. All warrants issued by the comptroller for  
16 the payment of benefits and refunds shall bear the signature of the

20 claimed or unpaid in the benefit account after the expiration of the  
21 period for which such sums were requisitioned shall either be deducted  
22 from estimates for, and may be utilized for the payment of, benefits  
23 during succeeding periods, or, in the discretion of the commission,  
24 shall be redeposited with the secretary of the treasury of the United  
25 States of America, to the credit of this state's account in the unemploy-

2 **unemployment trust fund**—The provisions of subsections (a), (b) and  
3 (c) to the extent that they relate to the unemployment trust fund  
4 shall be operative only so long as such unemployment trust fund con-  
5 tinues to exist and so long as the secretary of the treasury of the United  
6 States of America continues to maintain for this state a separate book  
7 account of all funds deposited therein by this state for benefit purposes,  
8 together with this state's proportionate share of the earnings of such  
9 unemployment trust fund, from which no other state is permitted to  
10 make withdrawals. If and when such unemployment trust fund ceases  
11 to exist, or such separate book account is no longer maintained, all  
12 moneys, properties, or securities therein, belonging to the unemploy-  
13 ment compensation fund of this state shall be transferred to the treas-  
14 urer of the unemployment compensation fund, who shall hold, invest,

6 establish salary schedules and minimum personnel standards for the  
7 positions so classified. All positions shall be filled by persons selected  
8 and appointed on the basis of competency and fitness for the position  
9 to be filled. The commission shall not appoint or employ any person  
10 who is an officer or committee member of any political party organi-  
11 zation or who holds or is a candidate for any elective public office. The  
12 commission shall establish and enforce fair and reasonable regulations  
13 for appointments, promotions and demotions based upon ratings of  
14 efficiency and fitness and for terminations for cause. The commission  
15 may delegate to any such person so appointed such power and authority  
16 as it deems reasonable and proper for the effective administration of  
17 this act, and may in its discretion bond any person handling moneys  
18 or signing checks hereunder.

1     **SEC. 11 (e). Advisory councils**—The commission may appoint a state  
2 advisory council and local advisory councils, composed in each case of  
3 an equal number of employer representatives and employee representa-  
4 tives who may fairly be regarded as representatives because of their  
5 vocation, employment, or affiliations, and of such members represent-  
6 ing the general public as the commission may designate. Such coun-  
7 cils shall aid the commission in formulating policies and discussing  
8 problems related to the administration of this act and in assuring  
9 impartiality and freedom from political influence in the solution of  
10 such problems. Such advisory councils shall serve without compensa-  
11 tion, but shall be reimbursed for any necessary expenses.

1     **SEC. 11 (f). Employment stabilization**—The commission with the  
2 advice and aid of such advisory councils as it may appoint, and through  
3 its appropriate divisions, shall take all appropriate steps to reduce and  
4 prevent unemployment; to encourage and assist in the adoption of  
5 practical methods of vocational training, retraining and vocational  
6 guidance; to investigate, recommend, advise, and assist in the estab-  
7 lishment and operation, by municipalities, counties, school districts,  
8 and the state, of reserves for public works to be used in times of busi-  
9 ness depression and unemployment; to promote the reemployment of  
10 unemployed workers throughout the state in every other way that may  
11 be feasible; and to these ends to carry on and publish the results of  
12 investigations and research studies.

1     **SEC. 11 (g). Records and reports**—Each employing unit shall keep  
2 true and accurate work records, containing such information as the  
3 commission may prescribe. Such records shall be open to inspection  
4 and be subject to being copied by the commission or its authorized  
5 representatives at any reasonable time and as often as may be neces-  
6 sary. The commission may require from any employing unit any  
7 sworn or unsworn reports, with respect to persons employed by it,  
8 which the commission deems necessary for the effective administration  
9 of this act. Information thus obtained shall not be published or be  
10 open to public inspection (other than to public employees in the per-  
11 formance of their public duties) in any manner revealing the employ-  
12 ing unit's identity, but any claimant at a hearing before an appeal  
13 tribunal or the board of review shall be supplied with information from  
14 such records to the extent necessary for the proper presentation of  
15 his claim. Any employee or member of the commission who violates  
16 any provision of this section shall be fined not less than (\$20.00)  
17 twenty dollars nor more than (\$200.00) two hundred dollars, or be-  
18 imprisoned for not longer than ninety days, or both.

1     **SEC. 11 (h). Oaths and witnesses**—In the discharge of the duties  
2 imposed by this act, the chairman of an appeal tribunal and any duly  
3 authorized representative or member of the commission or board of  
4 review, shall have power to administer oaths and affirmations, take  
5 depositions, certify to official acts, and issue subpoenas to compel the  
6 attendance of witnesses and the production of books, papers, corre-  
7 spondence, memoranda, and other records deemed necessary as evi-  
8 dence in connection with a disputed claim or the administration of  
9 this act.

1     **SEC. 11 (i). Subpoenas**—In case of contumacy by, or refusal to obey  
2 a subpoena issued to any person, any court of this state within the  
3 jurisdiction of which the inquiry is carried on or within the juris-  
4 diction of which said person guilty of contumacy or refusal to obey is  
5 found or resides or transacts business, upon application by the com-  
6 mission, board of review, or appeal tribunal, or any member or duly  
7 authorized representative thereof, shall have jurisdiction to issue to  
8 such person an order requiring such person to appear before the com-  
9 mission, or the board of review, or an appeal tribunal, there to pro-  
10 duce evidence if so ordered or there to give testimony touching the  
11 matter under investigation or in question; any failure to obey such  
12 order of the court may be punished by said court as a contempt thereof.  
13 Any person who shall without just cause fail or refuse to attend and  
14 testify or to answer any lawful inquiry or to produce books, papers,  
15 correspondence, memoranda, and other records, if it is in his power  
16 to do so, in obedience to a subpoena, shall be punished by a fine of not  
17 more than (\$200.00) two hundred dollars or by imprisonment, for  
18 not longer than sixty days, or by both such fine and imprisonment,  
19 and each day such violation continues shall be deemed to be a separate  
20 offense.

1     **SEC. 11 (j). Protection against self-incrimination**—No person shall  
2 be excused from attending and testifying or from producing books,  
3 papers, correspondence, memoranda, and other records before the com-  
4 mission or the board of review or an appeal tribunal, or in obedience

5 to a subpoena in any cause or proceeding provided for in this act, on  
6 the ground that the testimony or evidence, documentary or otherwise,  
7 required of him may tend to incriminate him or subject him to a pen-  
8 alty or forfeiture; but no individual shall be prosecuted or subjected  
9 to any penalty of forfeiture for or on account of any transaction,  
10 matter, or thing concerning which he is compelled, after having claimed  
11 his privilege against self-incrimination, to testify or produce evidence,  
12 documentary or otherwise, except that such individual so testifying  
13 shall not be exempt from prosecution and punishment for perjury  
14 committed in so testifying.

1 **SEC. 11 (k). State-federal cooperation**—In the administration of this  
2 act, the commission shall cooperate to the fullest extent consistent with  
3 the provisions of this act, with the federal social security board, created  
4 by the social security act, passed by congress and approved August  
5 14, 1935, as amended; shall make such reports, in such form and con-  
6 taining such information as the federal social security board may  
7 from time to time require, and shall comply with such provisions as  
8 the federal social security board may from time to time find necessary  
9 to assure the correctness and verification of such reports; and shall  
10 comply with the regulations prescribed by the federal social security  
11 board governing the expenditures of such sums as may be allotted and  
12 paid to this state under title III of the social security act for the pur-

14 for the commission shall furnish to any agency of the United States  
15 charged with the administration of public works or assistance through  
16 public employment, the name, address, ordinary occupation, and em-

18 to further benefits under this act.

1 **SEC. 12 (a). State employment service**—The Iowa state employ-

3 is hereby transferred to the commission as a division thereof, which  
4 shall establish and maintain free public employment offices in such  
5 number and in such places as may be necessary for the proper admin-  
6 istration of this act and for the purpose of performing such duties as  
7 are within the purview of the act of congress entitled "An act to pro-  
8 vide for the establishment of a national employment system and for  
9 cooperation with the states in the promotion of such system and for  
10 other purposes", approved June 6, 1933 (48 stat. 113; U. S. C., title  
11 29, sec. 49, as amended). The said division shall be administered  
12 by a full-time salaried director, who shall be charged with the duty  
13 to cooperate with any official or agency of the United States having  
14 powers or duties under the provisions of the said act of congress, as  
15 amended, and to do and perform all things necessary to secure to this  
16 state the benefits of the said act of Congress, as amended, in the pro-  
17 motion and maintenance of a system of public employment offices.  
18 The Iowa state employment service division is hereby designated and  
19 constituted the agency of this state for the purposes of said act. The  
20 commission is directed to appoint the director, other officers and em-  
21 ployees of the Iowa state employment service. Such appointments  
22 shall be made in accordance with regulations prescribed by the director

23 of the United States employment service. If this act shall become  
 24 inoperative for the reason prescribed in section 24 of this act, the  
 25 Iowa state employment division shall not be affected thereby, but such  
 26 division shall, upon the happening of such contingency, be deemed to  
 27 be transferred to the bureau of labor of the state of Iowa with the  
 28 same force and effect as if the original transfer had not been made.

1     **SEC. 12.(b). Financing**—All moneys received by this state under the  
 2 said act of Congress, as amended, shall be paid into the special “em-  
 3 ployment service account” in the unemployment compensation admin-  
 4 istration fund, and said moneys are hereby made available to the Iowa  
 5 state employment service to be expended as provided by this section  
 6 and by said act of Congress. For the purpose of establishing and main-  
 7 taining free public employment offices, said division is authorized to  
 8 enter into agreements with any political subdivision of this state or  
 9 with any private, non-profit organization, and as a part of any such  
 10 agreement the commission may accept moneys, services, or quarters as  
 11 a contribution to the employment service account.

#### UNEMPLOYMENT COMPENSATION ADMINISTRATION FUND

1     **SEC. 13 (a). Special fund**—There is hereby created in the state treas-  
 2 ury a special fund to be known as the unemployment compensation  
 3 administration fund. All moneys which are deposited or paid into this  
 4 fund are hereby appropriated and made available to the commission.  
 5 All moneys in this fund shall be expended solely for the purpose of  
 6 defraying the cost of the administration of this act, and for no other  
 7 purpose whatsoever. The fund shall consist of all moneys appro-  
 8 priated by this state, and all moneys received from the United States  
 9 of America, or any agency thereof, including the social security board  
 10 and the United States employment service, or from any other source,  
 11 for such purpose. All moneys in this fund shall be deposited, ad-  
 12 ministered, and disbursed, in the same manner and under the same  
 13 conditions and requirements as is provided by law for special funds  
 14 in the state treasury. Any balances in this fund shall not lapse at  
 15 any time, but shall be continuously available to the commission for  
 16 expenditure consistent with this act. The state treasurer shall give a  
 17 separate and additional bond conditioned upon the faithful perform-  
 18 ance of his duties in connection with the unemployment compensation  
 19 administration fund in an amount and with such sureties as shall be  
 20 fixed and approved by the governor. The premiums for such bond  
 21 and the premiums for the bond given by the treasurer of the unem-  
 22 ployment compensation fund under section 9 of this act, shall be paid  
 23 from the moneys in the unemployment administration fund.

1     **SEC. 13 (b). Employment service account**—A special “employment  
 2 service account” shall be maintained as a part of the unemploy-  
 3 ment compensation administration fund for the purpose of maintain-  
 4 ing the public employment offices established pursuant to section 12  
 5 of this act and for the purpose of cooperating with the United States  
 6 employment service. There is hereby transferred to the employment  
 7 service account of the unemployment compensation administration  
 8 fund, the unexpended balance of any money heretofore appropriated

9 or received for the Iowa state employment service. In addition, there  
10 shall be paid into such account the moneys designated in section 12 (b)  
11 of this act, and such moneys as are apportioned for the purpose of this  
12 account from any moneys received by this state under title III of the  
13 social security act, as amended.

1 SEC. 14 (a). **Interest on past-due contributions**—Contributions un-  
2 paid on the date on which they are due and payable, as prescribed by  
3 the commission, shall bear interest at the rate of 1 per centum per  
4 month from and after such date until payment plus accrued interest  
5 is received by the commission, provided that the commission may pre-  
6 scribe fair and reasonable general rules pursuant to which such inter-  
7 est shall not accrue with respect to contributions required for the cal-  
8 endar year 1936. Interest collected pursuant to this subsection shall  
9 be paid into the unemployment compensation fund.

1 SEC. 14 (b). **Collection**—If, after due notice, any employer defaults  
2 in any payment of contributions or interest thereon, the amount due  
3 shall be collected by civil action in the name of the commission, and  
4 the employer adjudged in default shall pay the costs of such action.  
5 Civil actions brought under this section to collect contributions or in-  
6 terest thereon from an employer shall be heard by the court at the  
7 earliest possible date and shall be entitled to preference upon the cal-  
8 endar of the court over all other civil actions except petitions for  
9 judicial review under this act and cases arising under the workmen's  
10 compensation law of this state.

1 SEC. 14 (c). **Priorities under legal dissolutions or distributions**—In  
2 the event of any distribution of an employer's assets pursuant to an  
3 order of any court under the laws of this state, including any receiver-  
4 ship, assignment for benefit of creditors, adjudicated insolvency, com-  
5 position, or similar proceeding, contributions then or thereafter due  
6 shall be paid in full prior to all other claims except taxes and claims  
7 for wages preferred as provided by statute. In the event of an em-  
8 ployer's adjudication in bankruptcy, judicially confirmed extension pro-  
9 posal, or composition, under the federal bankruptcy act of 1898, as  
10 amended, contributions then or thereafter due shall be entitled to such  
11 priority as is provided in section 64 (b) of that act (U.S.C., title II,  
12 sec. 104 (b), as amended).

1 SEC. 14 (d). **Refunds**—If not later than one year after the date on  
2 which any contributions or interest thereon became due, an employer  
3 who has paid such contributions or interest thereon shall make appli-  
4 cation for an adjustment thereof in connection with subsequent con-  
5 tribution payments, or for a refund thereof because such adjustment  
6 cannot be made, and the commission shall determine that such con-  
7 tributions or interest or any portion thereof was erroneously collected,  
8 the commission shall allow such employer to make an adjustment there-  
9 of, without interest, in connection with subsequent contribution pay-  
10 ments by him, or if such adjustment cannot be made the commission  
11 shall refund said amount, without interest, from the fund. For like  
12 cause and within the same period, adjustment or refund may be so  
13 made on the commission's own initiative.

## PROTECTION OF RIGHTS AND BENEFITS

1     **SEC. 15 (a). Waiver of rights void**—Any agreement by an individual  
2 to waive, release, or commute his rights to benefits or any other rights

4 Any individual claiming benefits in any proceeding before the com-  
5 mission or the board of review or an appeal tribunal or a court may be  
6 represented by counsel or other duly authorized agent; but no such  
7 counsel or agent shall either charge or receive for such services more  
8 than an amount approved by the commission. Any person who vio-

4 rights to benefits shall be exempt from levy, execution, attachment,  
5 or any other remedy whatsoever provided for the collection of debt;  
6 and benefits received by any individual, so long as they are not mingled  
7 with other funds of the recipient, shall be exempt from any remedy

9 tion provided for in this subsection shall be void.

1     **SEC. 16 (a). Penalties**—Whoever makes a false statement or repre-  
2 sentation knowing it to be false or knowingly fails to disclose a ma-

4 this act, either for himself or for any other person, shall be punished  
5 by a fine of not less than (\$20.00) twenty dollars nor more than  
6 (\$50.00) fifty dollars or by imprisonment for not longer than thirty  
7 days, or by both such fine and imprisonment; and each such false  
8 statement or representation or failure to disclose a material fact shall  
9 constitute a separate offense.

1     **SEC. 16 (b).** Any employing unit or any officer or agent of an em-  
2 ploying unit or any other person who makes a false statement or rep-  
3 resentation knowing it to be false, or who knowingly fails to disclose a

6 hereto, or to avoid or reduce any contribution or other payment re-  
7 quired from an employing unit under this act, or who wilfully fails or

8 refuses to make any such contributions or other payment or to furnish

 10 or copying of records as required hereunder, shall be punished by a  
 11 fine of not less than (\$20.00) twenty dollars nor more than (\$200.00)  
 12 two hundred dollars, or by imprisonment for not longer than sixty  
 13 days, or by both such fine and imprisonment; and each such false

 6 fine of not less than (\$20.00) twenty dollars nor more than (\$200.00)  
 7 two hundred dollars or by imprisonment for not longer than sixty days,  
 8 or by both such fine and imprisonment, and each day such violation  
 9 continues shall be deemed to be a separate offense.

1 SEC. 16 (d). Any person who, by reason of the nondisclosure or

 7 shall, in the discretion of the commission, either be liable to have such  
 8 sum deducted from any future benefits payable to him under this act

 18 or controls one or more other employing units (by legally enforceable  
 19 means or otherwise,) and which, if treated as a single unit with such  
 20 other employing unit, would be an employer under paragraph (1) of  
 21 this subsection;

22 (5) Any employing unit which, having become an employer under  
 23 paragraph (1), (2), (3) or (4), has not, under section 8, ceased to be
