HF 121

1 Section 1. Section 321.115, subsection 1, Code 2005, is
2 amended to read as follows:

3 1. A motor vehicle twenty-five years old or older, whose
4 owner desires to use the motor vehicle exclusively for
5 exhibition or educational purposes at state or county fairs,
6 or at other places where the motor vehicle may be exhibited
7 for entertainment or educational purposes, or for other
8 occasional use shall be given-a-registration registered for a
9 registration fee of five dollars per annum permitting the
10 driving of the motor vehicle upon the public roads to and from
11 state and county fairs or other places of entertainment or
12 education for exhibition or educational purposes, and to and
13 from service stations for the purpose of receiving necessary
14 maintenance, or for other occasional use.

15 EXPLANATION

16 This bill expands the purposes for which a motor vehicle
17 registered as an antique vehicle may be used. Under current
18 law, a motor vehicle that is 25 years old or older may be
19 registered for an annual fee of \$5, and the owner may display
20 a model year plate on the vehicle so long as the current valid
21 Iowa registration plate and card are carried in the vehicle.
22 Vehicles registered as antique may only be driven to and from
23 places of entertainment or education for exhibition or
24 educational purposes and to and from service stations for
25 maintenance. The bill would allow other occasional use of the
26 vehicle.
