HF 577

1 Section 1. INTERNET WEBSITE REDESIGN. The department of  
2 economic development shall review and redesign the  
3 department's internet website. The redesign shall provide  
4 internet website users with access to information regarding  
5 all economic development related programs, including federally  
6 related programs, that are administered by the department.  
7 The redesign shall provide information in a user friendly  
8 format that is easy to navigate and understand.

9 EXPLANATION

10 This bill relates to internet website redesign by the  
11 department of economic development.

12 The bill requires the department to review and redesign the  
13 department's internet website. The bill provides that the  
14 redesign shall provide internet website users with access to  
15 information regarding all economic development related  
16 programs, including federally related programs, that are  
17 administered by the department. The bill requires the  
18 redesign to provide information in a user friendly format that  
19 is easy to navigate and understand.
