INTRODUCTORY STATEMENT.

To the Governor and Members of the Thirty-eighth General Assembly:

In accordance with the provisions of chapter fifty, acts of the thirty-eighth general assembly, the code commission has prepared a compilation of the laws of the state of a general and public nature, and the same is herewith submitted.

Many changes in arrangement have been necessary in order to bring related matters together. These are shown by the topical index. Several new title and many new chapter headings have been introduced, in the belief that such separation will not only lessen the tendency to confusion by future amendments, but will also greatly facilitate consideration of the series of bills for amendment, revision and codification of certain of the laws which will be presented as a part of the report of the commission.

By use of the historical references following the sections the same matter can be found in the code, the supplements, and the laws of the thirty-seventh and thirty-eighth general assemblies. By use of the table of corresponding sections, found at the end of the compiled code, the matter in any given section of the code or supplements or the chapters of the acts of the thirty-seventh and thirty-eighth general assemblies may be found in the compiled code.

The commission obtained the advice of experts as to the index, and after careful consideration employed Mr. Jacob Van der Zee of the state university to prepare it. We believe the simplified and shortened index which he has produced will be satisfactory. This index, moreover, can be utilized in preparing the index of the permanent code.

The compilation has been indispensable in the preparation of the bills to be proposed by the commission, and will greatly facilitate the work of the general assembly in their consideration.

The preparation of the compilation, table of corresponding sections and index involved a great amount of labor, and has been done with pains-taking care.

Respectfully,

J. H. TREWIN,
J. C. MABRY,
U. G. WHITNEY,

Code Commissioners.

Dated December 1, 1919.

SEC. 388. County convention—delegates—committeemen.

In each county there shall be held in each year in which a general election in November is to take place a county convention of each political party. Said county convention shall be composed of delegates elected at the last preceding primary election, and shall be held on the fourth Saturday following the primary election, convening at eleven o'clock a.m. The number of delegates from each voting precinct shall be determined by a ratio adopted by the respective party county central committees, and shall be thus determined and a statement designating the number from each voting precinct in the county filed in the office of the county auditor at least thirty days before the primary election; if not so done, the auditor shall fix the number. The requisite number of names of candidates of his choice for delegates to the county convention to which each precinct is entitled shall be written, or pasted with uniform white pasters, on the blank lines upon the ballot by the voter while in the booth, or by some one designated by a voter unable to write, after the ballots are received and before they are deposited, and the requisite number of persons from each precinct who receive the highest number of votes shall be the delegates from the precinct to the county convention. The term of office of such delegate shall begin on the day following the final canvass of the votes by the board of supervisors, and shall continue for two years and until their successors are elected. One member of the county central committee for each political party from each precinct shall be elected. His term of office shall begin on the day of the county convention and immediately following the adjournment thereof and shall continue for two years and until his successor is elected and qualified, unless such committeeman shall be removed by the county central committee for inattention to the duties of his position, incompetency or failure to support the ticket nominated by the party which elected him to such position. The county central committee elected in the primary election shall organize on the day of the convention, immediately following the same. delegates present from such precinct shall cast the full vote thereof,
but there shall be no proxies. The said county convention shall make
nominations of candidates for the party for any office to be filled by
the voters of a county when no candidate for such office has been nom-

any candidate for any such office to receive thirty-five per centum of
all votes cast by such party therefor, as shown by the canvass of the

35 vass of the votes provided for in section three hundred eighty-four.
36 The organization of and procedure in any such district convention shall
37 be the same as in the state convention. Such district conventions may
38 adopt party platforms and transact such other business as may pro-
39 perly be brought before them. But in no case shall any such convention

[C., '97, § 1098.]

**SEC. 397. Certificates.**

Certificates of nominations, made as provided in the preceding section, shall, besides containing the names of candidates, specify as to each:

1. The office to which he is nominated.

3. His place of residence, with the street and number thereof, if any.

In case of electors for president and vice president of the United States, the names of the candidates for president and vice president shall be added to the party or political name. officers, said officer or officers so objected to shall not pass upon the
same, but their places shall be filled, respectively, by the treasurer
of state, the governor, and the superintendent of public instruction.
Objections filed with the county auditor shall be considered by the
county auditor, clerk of the district court and county attorney, and a
majority decision shall be final; but if the objection is to the cer-

he shall not pass upon said objection, but his place shall be filled by
a member of the council against whom no such objection exists, chosen
as above provided. When any of the above objections are made,
notice shall forthwith be given to the candidate affected thereby,
addressed to his place of residence as given in the certificate or nomi-

or nomination papers, also stating the time and place such objections
will be considered.

by nomination paper or papers signed by not less than five hundred
qualified voters of the state; for county, district or other division,
not less than a county, by such paper or papers signed by not less
than twenty-five qualified voters, residents of such county, district
or division; and for township, city, town or ward, by such paper or
papers signed by not less than ten qualified voters, residents of such
township, city, town or ward; but the name of a candidate placed
upon the ballot by any other method shall not be added by petition

SEC. 401. Vacancies filled.

If a candidate declines a nomination, or dies before election day,
should any certificate of nomination or nomination paper be held
insufficient or inoperative by the officer with whom it may be filed,
or in case any objection made to any certificate of nomination, nomi-
nation paper, or to the eligibility of any candidate therein named, is
sustained by the board appointed to determine such questions as here-
tofore provided, the vacancy or vacancies thus occasioned may be
filled by the convention, caucus, meeting or primary, or other persons
making the original nominations, or in such a manner as such con-
vention, caucus, meeting or primary has previously provided. If the
time is insufficient for again holding such convention, caucus, meeting
or primary, or in case no such previous provisions being made, such
vacancy shall be filled by the regularly elected or appointed executive
or central committee of the particular division or district representing
the political party or persons holding such convention, primary, meet-
ing or caucus, and certified as hereinbefore provided. The certificates
of nominations made to supply such vacancies shall state, in addition
to the facts hereinbefore required, the name of the original nominee,
the date of his death or declination of nomination, or the fact that
the former nomination has been held insufficient or inoperative, and
the measures taken in accordance with the above requirements for
filling a vacancy, and shall be signed and sworn to by the presiding
officer and secretary of the convention, caucus, meeting or primary,
or by the chairman and secretary of the committee, as the case may be.

[C., '97, § 1102.]

SEC. 402. Filing certificates and petitions.

SECTION 403. State judicial convention—judges supreme court.
1 A state judicial convention of each political party shall be held
2 not less than one, nor more than two weeks, after the regular state
3 convention of such party. Such state judicial convention shall con-

5 shall issue a call therefor in the same manner that the call for the
6 regular state convention is issued.
7 Delegates to the state judicial convention shall be elected at, and
8 certified by, the county conventions at the same time and in the same
9 manner as delegates to the regular state convention; provided, how-
10 ever, that no person shall be elected to act as delegate to both con-
11 ventions; and each county shall be entitled to the same number of
12 delegates at the state judicial convention as it is entitled to have at
13 the regular state convention.
14 The state judicial convention shall proceed to organize for the
15 transaction of business in the same manner as is provided by law
16 for the organization of the regular state convention, and upon organ-
17 ization shall nominate candidates for the office of judge of the supreme
18 court, and may transact such other business as is proper. The
19 method of procedure, organization and voting of delegates shall be
20 the same in the state judicial convention as is provided for the regular
21 state party convention. Judges of the supreme court shall be elected
22 at the general election in November in the same manner as the gov-
23 ernor of the state is elected.

[38 G. A., ch. 63, § 2.]

SEC. 404. Central committee—district convention—judges district

1 In each judicial district there shall be a district central committee
2 composed of one member from each county of such district; provided,
however, that in districts composed wholly of one county there shall be three members of such committee, and in districts composed of two counties there shall be two members of such committee from the county having the larger population. Such committeemen shall be selected by the county convention in each county held in accordance with the provisions of section three hundred eighty-eight. Until such conventions are held, the chairman of the county central committee of each political party shall act as committeeman from his county for such judicial district, and in counties having more than one such committeeman such additional committeeman shall be selected by the county central committee in said county. Vacancies in any such district committee shall be filled by the county central committee of the county where such vacancy occurs.

In each judicial district in which a judge, or judges, of the district court therein is to be elected, a judicial convention shall be held by each political party participating in the primary election of that year. Not less than ten days nor more than forty days before the day fixed for holding the county convention, a call for such judicial convention to be held shall be issued by the party central committee for such district, and published in at least one newspaper of general circulation in each county in the district which shall state, among other things, the number of delegates each county in the district shall be entitled to, and the time and place of holding the convention. Such call shall be filed with the county auditor in each county in the district not less than five days before the date of holding the county convention as now fixed by law, and the county auditor shall attach a copy thereof to the certified list of delegates required to be delivered by him to the chairman of the county central committee of the respective political parties.

Each county convention held in such judicial district shall select such a number of delegates to the judicial convention as is specified in the call for such judicial convention. Such district convention shall not be held earlier than the first Thursday, nor later than the fifth Thursday following the date of holding the county convention.

The convention may nominate as many candidates for the office of judge of the district court in said district as there are judges in said district to be elected at the general election to be held in the year in which such convention is held. The organization and the procedure in such judicial district convention shall be the same as in the state convention. Such convention may transact such other business as may properly be brought before it. Judges of the district court shall be elected at the general election in the same manner as state senators are elected.

[38 G. A., ch. 63, § 3.]

Sec. 405. Certification of nominations.

All nominations for the office of supreme and district judge shall be certified to the secretary of state, as near as may be, in the same manner that nominations for other state offices are now certified under existing law. The names of candidates for the office of supreme and district judge nominated and certified to the secretary of state, as provided in this chapter, shall be certified by the secretary of state, to the officer having charge of the printing of the ballots, and the names of such candidates shall be printed on the ballot under the proper party designation in the same manner as required by law for

3 in the same manner now provided by law for the nomination and
4 election of other elective officers in such city.

[38 G. A., ch. 63, § 5.]

9 shall, so far as applicable, be the same for the election of supreme,
10 district and superior judges as is now provided by the general elec-
11 tion laws of Iowa for the election of state, district, county and city
12 officers. [38 G. A., ch. 63, § 7.]

SEC. 408. Nomination by petition.

1 Nothing contained in this chapter shall be construed so as to
2 prohibit the nominations of candidates for the office of supreme, dis-
3 trict or superior judge, by petition as provided by section three hun-
4 dred ninety-nine and amendments thereto, but no person so nominated
5 shall be permitted to use the name of any political party authorized
6 or entitled under this chapter to nominate candidates for such office.

[38 G. A., ch. 63, § 6.]

CHAPTER 5.
REGISTRATION OF VOTERS.

SECTION 409. Board of registers—village precincts.

1 In cities having a population of six thousand or more, not includ-

3 sixth Monday preceding each general election, shall appoint one suit-

REGISTRATION OF VOTERS. §§ 410-411.

13 of them by law. They shall hold their office for two years and receive compensation at the rate of three dollars for each day of eight hours engaged in the discharge of their duties, to be paid by the county, except in case of city elections, when they shall be paid by the city. If for any cause such registers, or any of them, shall not be appointed at or before the time above mentioned, or, if appointed, shall be unable for any cause to discharge the duties of such office, the mayor of such city shall forthwith, on similar recommendation, make such appointments and fill all vacancies. Should the mayor, upon the request of five freehold electors, fail for a period of three days to perform the duties aforesaid, he shall forfeit and pay, at the action of any such elector, the sum of one hundred dollars per day, for the equal benefit of the city and plaintiff. The provisions of this title shall apply to cities acting under special charters with like effect as though said cities were acting under the general incorporation laws of the state; provided, further, that all cities in which registration is required, including cities under special charter, may, by resolution passed not less than thirty days or more than sixty days preceding any general, city or special election, consolidate the voting precincts of the city into registration districts for the purpose of registration only, and appoint registers for such registration districts; but such registers must be residents and electors of the registration district in which they are to serve.

[C., '73, § 599; C., '97, § 1076; S. S., '15, § 1076; 37 G. A., ch. 41, § 1; 38 G. A., ch. 180.]

SEC. 410. Notice of registration.

The times and places of making registration of voters shall be published by the mayor in the two leading political party papers published in such city, except no publication shall be required for a special election. If there be but one such paper published in the city, publication of notice therein shall be sufficient. The publication shall be made for a period of three days prior to the opening of the registry book, if the paper is a daily paper, and for one week, if a weekly paper, and shall call the attention of the voters to the necessity of complying with the laws with reference to registration, in order to be entitled to vote at the ensuing election.

[C., '73, § 597; C., '97, § 1085.]

SEC. 411. Registration.

The registers shall meet on the second Thursday prior to any general, city, or special election, at the usual voting place in the precinct in which they have been appointed, and shall hold continuous sessions for two consecutive days, from eight o'clock in the forenoon until nine o'clock in the afternoon, and, in presidential years, such sessions shall be held for three days. Any person claiming to be a voter, or that he will be on election day, including women entitled to vote for president, vice president and presidential electors, may appear before them in the election precinct where he claims he is or will be entitled to vote, and make and subscribe, under oath, a statement in a registry book, to be provided by the clerk and furnished the registers, at the equal expense of the city and county, and kept open for public inspection and examination during the time fixed for the registration, which statement shall be in the following form and contain the following matter:
### SEC. 412. Statements—registry books—school elections.

The statements thus made shall be dated and consecutively numbered, commencing with number one at each registration. At the close of each day's registration, the registry book shall be ruled off so as to prevent further entries, and, when not in use by the registers, shall be kept in the custody of the clerk until disposed of as provided by law. No person shall register at any other place or time than is designated in this chapter, and no registration of voters for school elections shall be required.

### SEC. 413. List of voters.

The registers shall, within three days after the registration made in the second week preceding the election, prepare two alphabetical

lists, for their respective voting precincts, of the names of all persons registered, their residences, their last preceding places of residence, the dates of removal when removals occur within one year, nativity, color, term of residence in precinct, county and state, whether naturalized, date of papers, the naturalizing court, or place of naturalization if court is not known, whether naturalized by act of congress, date of application for registration; one of which lists they shall forthwith conspicuously post or cause to be posted at the usual place of holding elections in such precinct for inspection of the public, and retain the other one in their possession.

[C., '73, § 599; C., '97, § 1079.]

SEC. 414. Correction of registry—lists delivered to judges.

On the Saturday before any election at which registration is required, the registers shall meet at the place where registration was last made, and hold a continuous session, from eight o'clock in the forenoon until nine o'clock in the afternoon, at which they shall revise and correct the registry book of voters, adding thereto, consecutively numbering them, the names of all applying for registration who on election day will be entitled to vote in that precinct, and by striking therefrom the name of anyone not entitled to vote thereat. The registers shall revise and correct the alphabetical list in their possession to correspond therewith. When thus revised and corrected, it shall be certified and copied by the registers, who shall deliver, or cause to be delivered, such list and copy to the judges of the election of the proper precinct, and which delivery shall be made on election day, and before the opening of the polls. The copy thus delivered shall be preserved by the judges, and returned with the vote from that precinct, and the original to the clerk. At the opening of the polls and before any ballot shall be received, the judges of the election shall appoint one of their number, or one of the clerks, to check the name of each voter whose name is on the alphabetical lists, to whom a ballot is delivered.

[C., '73, §§ 599, 600; C., '97, § 1080.]

SEC. 415. Appearance and hearing.

All proceedings of registers shall be public, and any person entitled to vote in a precinct shall have the right to be heard before them in reference to corrections of or additions to the lists of such precinct. No person shall be admitted to registry unless he appears in person, except as in this chapter provided, and, if demanded, he shall furnish to the registers such proofs of his right thereto as may by law be required by judges of election of any person offering to vote. If an elector is, by reason of sickness, unable to go to the place of registry on any day the registers may be in session, the registers shall, upon the filing before them, by a registered elector, of an affidavit to that effect, visit such sick elector at his place of residence on any day when not in session, and place his name on the registry book and alphabetical list, if found entitled thereto; at which time and place the registers may administer the oath hereinbefore provided to be taken by applicants for registry.

[C., '97, § 1081.]
SEC. 416. Registration on election day.

The registers shall also be in session on the day for the holding of each election, at some place convenient to, but not within one hundred feet of, the voting place, and during all the hours in which by law the polls are required to be kept open, for the purpose only of granting certificates of registration to persons who, being electors, are not registered. Such registration shall be allowed and certificate thereof granted only to a person who was absent from the city during all the days fixed for registration of voters for that election, or to a person who, being a foreigner, has received his final papers since the last preceding day for the registration of voters for that election, or to a person whose name was, on the preceding Saturday, and in the absence of such person, stricken from registration, and who, on said day of election, shall prove to the satisfaction of said registers that he is a lawfully qualified elector of said voting precinct. These certificates of registration shall contain all the data showing the qualifications of the voter as shown by the registration, and, in addition, the special matter showing the voter's right to such certificate under this section, and, before delivery to the applicant, shall be indorsed by the registers, to the effect that the person therein named is a qualified voter in that precinct, and that he is entitled to be registered as such. The proper statement shall be signed and sworn to by the voter before one of the registers, supported by the affidavit of a freeholder who is a registered voter in that precinct, who shall make oath to the qualification of the applicant as a voter in that precinct; and if the applicant be one whose name was stricken from registration, such affidavit of said freeholder shall contain the facts showing the right of said applicant to vote in that precinct. Registration in such cases shall be made in the manner required for regular registration. The certificate of registration shall be handed in to the judges of election when a ballot is delivered to him. The data therefrom, showing the voter's name and his qualifications as a voter, shall be entered on the alphabetical lists by the judges and clerks of the election, under the appropriate headings, and the original certificate shall be returned to the city clerk, who shall carefully preserve it in the same manner and for the same time as the alphabetical list and poll book.

[C., '97, § 1082.]

SEC. 417. Striking off names.

The registers, prior to each election except presidential elections, and after completing their registration, shall certify the names of all persons by them registered to the registers of the ward or precinct of the same city, which the registration shows such persons gave as their last place of residence, and the names of such persons so certified shall be stricken from the registry lists of the ward or precinct in which they last resided, if found thereon.

[C., '97, § 1083.]

SEC. 418. New registry—how often.

SEC. 423. Election precincts.

Each township, or, in case a township contains a city or a portion thereof, such portion of the township as is outside the limits of the city, and each ward of a city, shall, respectively, constitute an election precinct. But the board of supervisors or the council, as the case may be, shall have power to divide a township or part thereof, or a ward, into two or more precincts, or to change or abolish the same; or the board of supervisors and the council of any city of less than thirty-five hundred inhabitants, not including the inmates of any state institution, may combine any part of the township outside of such city with any or all the wards thereof as one election precinct, or change or abolish such precinct; or the council of such city may combine the several wards into one or more precincts. No precinct shall contain different townships or parts thereof, except where by reason of the existence of a village or incorporated town on or near a township line, the board of supervisors may, for the convenience of electors, create a voting precinct in compact form, from said town or village, and may include therein territory adjoining and adjacent to said village or town, which is situated in two or more townships. The board of supervisors in the order establishing such precinct shall define its boundaries and may change same if in their judgment occasion arises. [C., '97, § 1091; S., '13, § 1091.]

SEC. 425. Notice of boundaries of precincts.

The board of supervisors or council shall number or name the several precincts established, and cause the boundaries of each to be recorded in the records of said board of supervisors or council, as the case may be, and publish notice thereof in some newspaper of general circulation, published in such county or city, once each week for three consecutive weeks, the last to be made at least thirty days before the next general election. The precincts thus established shall continue until changed.

In township precincts, the clerk of the township shall be a clerk of election of the precinct in which he resides, and the trustees of the township shall be judges of election, except that, in townships not divided into election precincts, if all the trustees be of the same political party, the board of supervisors shall determine by lot which two of the three trustees shall be judges of such precinct. The membership of such election board shall be made up or completed by the board of supervisors from the parties which cast the largest and next largest number of votes in said precinct at the last general election, or that one which is unrepresented; but, in city and town elections, the powers given in this chapter and duties herein made incumbent upon the board of supervisors shall be performed by the council. If, at the opening of the polls in any precinct, there shall be a vacancy in the office of clerk or judge of election, the same shall be filled by the members of the board present, and from the political party which is entitled to such vacant office under the provisions of this chapter. The election board at any special election shall be the same as at the last preceding general election. In case of vacancies happening therein, the county auditor may make the appointments to fill the same when the board of supervisors is not in session; provided, however, that the election board in precincts using only one voting machine shall consist of three judges, only two of whom shall be of the same political party, and two of whom shall also act as clerks.

papers representing the political parties which cast at the preceding
general election the largest number and the next largest number of

shall appear upon the general ballot, but such publication shall not
include portions of the ballot relating to township, city or town

[C., '97, § 1112.]
SEC. 439. Polls open.
1 At all elections the polls shall be opened at eight o'clock in the
2 forenoon, except in cities where registration is required, when the
3 polls shall be opened at seven o'clock in the forenoon, or in each case

SEC. 440. Oath.
1 Before opening the polls, each of the judges and clerks shall take
2 the following oath: "I, A. B., do solemnly swear that I will impartially,
3 and to the best of my knowledge and ability, perform the duties of
4 judge (or clerk) of this election, and will studiously endeavor to pre­

SEC. 442. Ballot furnished to voter.
1 The judges of election of their respective precincts shall have
2 charge of the ballots and furnish them to the voters. Any person
3 desiring to vote shall give his name, and, if required, his residence, to
4 such judges, one of whom shall thereupon announce the same in a loud
5 and distinct tone of voice, clear and audible. In precincts where regis­
6 tration is required, if such name is found on the register of voters by
7 the officer having charge thereof, he shall likewise repeat such name
8 in the same manner; if the name of the person desiring to vote is not
9 found on the register of voters, his ballot shall not be received until
10 he shall have complied with the law prescribing the manner and condi­
11 tions of voting by unregistered voters.

[C., '97, § 1114.]

SEC. 443. Challenges.
1 Any person offering to vote may be challenged as unqualified by
2 any judge or elector; and it is the duty of each of the judges to chal­
3 lenge any person offering to vote whom he knows or suspects not to
4 be duly qualified; and he shall not receive a ballot from a voter who
5 is challenged, until such voter shall have established his right to vote.
6 When any person is so challenged, the judges shall explain to him the
7 qualifications of an elector, and may examine him under oath touching
8 his qualifications as a voter. In all precincts where registration is not
9 required, and in other precincts where the name of such voter is
10 entered upon the registration lists, if the person challenged insists
11 that he is qualified, and the challenge is not withdrawn, one of the
12 judges shall tender to him the following oath: "You do solemnly
13 swear that you are a citizen of the United States, that you are a resi­
14 dent in good faith of this precinct, that you are twenty-one years of

oath, his vote shall be received.

SEC. 444. Method of voting.

Any voter entitled to receive a ballot under the provisions of this
chapter shall be allowed to enter the space inclosed by the guard rail.
One of the judges shall give him one, and only one, ballot, on the back
of which such judge shall indorse his initials, in such manner that
they may be seen when the ballot is properly folded, and the voter's
name shall immediately be checked on the registry list. The name of
each person, when a ballot is delivered to him, shall be entered by each
of the clerks of election in the poll book kept by him, in the place
provided therefor.

[C., '51, § 260; R., '60, § 495; C., '73, § 621; C., '97, § 1116.]

SEC. 445. Depositing ballot.

On receipt of the ballot, the voter shall, without leaving the
inclosed space, retire alone to one of the voting booths, and without
delay mark his ballot, and, before leaving the voting booth, shall fold
the same in such manner as to conceal the marks thereon, and deliver
the same to one of the judges of election, but the number of the voter
on the poll books or register lists shall not be indorsed on the back of
his ballot. One of the judges of election shall thereupon, in the pres-
ence of the voter, deposit such ballot in the ballot box, but no ballot
without the official indorsement shall be allowed to be deposited
therein. The voter shall quit said inclosed space as soon as he has
voted. Any voter who, after receiving an official ballot, decides not
to vote, shall, before retiring from within the guard rail, surrender to
the election officers the official ballot which has been given him, and
such fact shall be noted on each of the poll lists. A refusal to sur-
srender such ballot shall subject the person so offending to immediate
arrest and the penalties provided in this chapter. No voter shall vote
or offer to vote any ballot except such as he has received from the
judges of election in charge of the ballots. No person shall take or
remove any ballot from the polling place before the close of the poll.
No voter shall be allowed to occupy a voting booth already occupied
by another nor remain within said inclosed space more than ten min-
utes, nor to occupy a voting booth more than five minutes, in case all
of said voting booths are in use and other voters waiting to occupy the
same, nor to again enter the inclosed space after having voted; nor
shall more than two voters in excess of the whole number of voting
booths provided be allowed at any one time in such inclosed space,
except by the authority of the election officers to keep order and
enforce the law.

[C., '51, § 257; R., '60, § 492; C., '73, § 617; C., '97, § 1117.]

SEC. 446. Assistance to vote.

Any voter who may declare upon oath that he can not read the
English language, or that, by reason of any physical disability, he is
unable to mark his ballot, shall, upon request, be assisted in marking
METHOD OF CONDUCTING ELECTIONS.

SEC. 447. Marking the ballot.

Upon retiring to the voting booth the voter shall mark his ballot. He may place a cross, if he desires, in the circle at the head of one ticket on the ballot, and the voter may place a cross in the square opposite the name of any candidate for whom he desires to vote, whether he has put a cross in the circle or not.

If the voter does not wish to vote for all the candidates of his party to an office where more than one candidate is to be elected, the cross in the circle at the top of his ticket shall not apply to said office, but the voter must mark crosses in the squares opposite the names of the candidates for whom he intends to vote. The voter may also insert in writing in the proper place the name of any person for whom he desires to vote, making a cross opposite thereto. The writing of such name without making a cross opposite thereto, or the making of a cross in a square opposite a blank without writing a name therein, shall not affect the validity of the vote.

SEC. 448. How counted.

When a circle is marked the ballot shall be counted for all the candidates upon the ticket beneath said circle, except those offices for which some candidate has been voted for by marking a square. A cross placed in a square shall be counted for the candidate before whose name the square is so marked.

When a square in front of any candidate has been marked, a mark in the circle shall not count for any candidate for that particular office. When more candidates than the number to be elected to the same office are voted for by marking the squares opposite their names the vote shall not be counted for any candidate for that office. If less than the whole number of candidates to be elected are voted for by marking the squares opposite their names the vote shall be counted only for those marked in the square and the mark in the circle shall not apply. If for any reason it is impossible to determine the voter's choice for any office, his ballot shall not be counted for such office, but a mark in the circle of any ticket on the ballot shall not be held to make it impossible to determine the voter's choice. Any ballot marked by the voter in any other manner than as authorized in this chapter, and so that such mark may be used for the purpose of identifying such ballot, shall be rejected.

[C., '97, § 1119; S., '13, § 1119; 38 G. A., ch. 86, § 7.]
SEC. 449. Voting mark—spoiled ballots.
1 The voting mark shall be a cross in the square opposite to the name of the candidate for whom the voter desires to vote. Any voter who shall spoil his ballot may, on returning the same to the judges, receive another in place thereof, but no voter shall receive more than three ballots, including the one first delivered to him. None but ballots provided in accordance with the provisions of this chapter shall be counted.

[C., '97, § 1121; S., '13, § 1121.]

SEC. 450. Defects in printed ballot.
1 No ballot properly marked by the voter shall be rejected because of any discrepancy between the printed ballot and the nomination paper or certificate of nomination, and it shall be counted for the candidate or candidates for such offices named in the nomination paper or certificate of nomination. No ballot furnished by the proper officer shall be rejected for any error in stamping or writing the indorsements thereon by the officials charged with such duties, nor because of any error on the part of the officer charged with such duty in delivering the wrong ballots at any precinct or polling place, but any ballot delivered by the proper official to any voter shall, if properly marked by the voter, be counted as cast for all candidates for whom the voter had the right to vote, and for whom he has voted.

[C., '97, § 1122.]

1 At all elections where women may vote, no registration of women shall be required; separate ballots shall be furnished for the question on which they are entitled to vote; a separate ballot box shall be provided in which all ballots cast by them shall be deposited, and a separate canvass thereof made by the judges of the election, and the returns thereof shall show such vote; except that in elections for president, vice president and presidential electors, women shall be required to register as provided in chapter five of this title, and acts amendatory thereto, and separate ballot box shall not be used for women's ballots at such elections. The right of any citizen to vote at any city, town or school election, on the question of issuing any bonds for municipal or school purposes, and for the purpose of borrowing money, or on the question of increasing the tax levy, shall not be denied or abridged on account of sex.

[C., '97, § 1131; 38 G. A., ch. 353, § 3.]

SEC. 452. Persons at polling place.
1 No persons shall, during the receiving and counting of the ballots at any polling place, loiter, or congregate, or do any electioneering or soliciting of votes, within one hundred feet of any outside door of any building affording access to any room where the polls are held, or of any outside door of any building affording access to any hallway, corridor, or stairway, or other means of reaching such room, nor shall any person interrupt, hinder or oppose any voter while approaching or leaving the polling place for the purpose of voting; but any person who is by law authorized to perform or is charged with the performance of official duties at the election, and any number of persons, not exceeding three from each political party having candidates to be
 voted for at such election, to act as challenging committees, who are
appointed and accredited by the executive or central committee of such
political party or organization, respectively, or of persons not exceed-
ing three from each of such political parties, appointed and accredited
in the same manner as above prescribed for challenging committees,
to witness the counting of ballots, may be present at the polling place.
[C., '97, § 1124.]

SEC. 453. Arrest of disorderly persons.
If any person conducts himself in a noisy, riotous, tumultuous or
disorderly manner at or about the polls, so as to disturb the election,
or insults or abuses the judges or clerks of election, or commits a
breach of the peace, or violates any of the provisions of this chapter,
the judges or clerks of the election, or any of them, shall order the
arrest of any such person, and the constable or any special policeman
may forthwith arrest him and bring him before the judges of election,
and they, by a warrant under their hands, may commit him to the
jail of the county for a term not exceeding twenty-four hours, but
they shall permit him to vote.

VOTING MACHINES.

SECTION 500. Use of voting machines authorized.

At all state, county, city, town, primary and township elections held in the state of Iowa, ballots or votes may be cast, registered, recorded, and counted by means of voting machines, as hereinafter provided.

[S., '13, § 1137-a7.]

SEC. 501. Board of supervisors to purchase.

The board of county supervisors of any county, or the council of any incorporated city or town in the state of Iowa may, by a two-thirds vote, authorize, purchase, and order the use of voting machines in any one or more voting precincts within said county, city, or town, until otherwise ordered by said board of county supervisors or city or town council.

[S., '13, § 1137-a8.]

The local authorities, on the adoption and purchase of a voting machine, may provide for the payment therefor in such manner as they may deem for the best interest of the locality, and may for that purpose issue bonds, certificates of indebtedness, or other obligations, which shall be a charge on the county, city, or town. Such bonds, certificates or other obligations may be issued with or without interest, payable at such time or times as the authorities may determine, but shall not be issued or sold at less than par.

[S., '13, § 1137-a14.]

SEC. 503. Commissioners—term—removal.

The governor shall appoint three commissioners, and not more than two of whom shall be from the same political party. The said commissioners shall hold office for the term of five years, subject to removal at the pleasure of the governor.

[S., '13, § 1137-a9.]

SEC. 504. Examination of machine—report of commissioners—compensation.

Any person or corporation owning or being interested in any voting machine may call upon the said commissioners to examine the said machine, and make report to the secretary of state upon the capacity of the said machine to register the will of voters, its accuracy and efficiency, and with respect to its mechanical perfections and imperfections. Their report shall be filed in the office of the secretary of state and shall state whether in their opinion the kind of machine so examined can be safely used by such voters at elections under the conditions prescribed in this chapter. If the report states that the machine can be so used, it shall be deemed approved by the commissioners, and machines of its kind may be adopted for use at elections as herein provided. Any form of voting machine not so approved can not be used at any election. Each commissioner is entitled to one hundred fifty dollars for his compensation and expenses in making
§§ 505-508. 
VOTING MACHINES. 

15 such examination and report, to be paid by the person or corporation 
16 applying for such examination. No commissioner shall have any in-
17 terest whatever in any machine reported upon. Provided that said 
18 commissioner shall not receive to exceed fifteen hundred dollars and 
19 reasonable expenses in any one year; and all sums collected for such 
20 examinations over and above said maximum salaries and expenses 
21 shall be turned into the state treasury.

[S., '13, § 1137-a10.]

SEC. 505. Construction of machine approved.

1 A voting machine approved by the state board of voting machine 
2 commissioners must be so constructed as to provide facilities for vot-
3 ing for the candidates of at least seven different parties or organiza-
4 tions, must permit a voter to vote for any person for any office 
5 although not nominated as a candidate by any party or organization, 
6 and must permit voting in absolute secrecy. It must also be so con-
7 structed as to prevent voting for more than one person for the same 
8 office, except where the voter is lawfully entitled to vote for more than 
9 one person for that office; and it must afford him an opportunity to 
10 vote for any or all persons for that office as he is by law entitled to 
11 vote for and no more, at the same time preventing his voting for the 
12 same person twice. It may also be provided with one ballot in each 
13 party column or row containing only the words “presidential elect-
14 ors,” preceded by the party name, and a vote for such ballot shall 
15 operate as a vote for all the candidates of such party for presidential 
16 electors. Such machine shall be so constructed as to accurately ac-
17 count for every vote cast upon it.

[S., '13, § 1137-a11.]

SEC. 506. Experimental use.

1 The board of supervisors of any county, the council of any city 
2 or town, may provide for the experimental use at an election in one 
3 or more districts, of a machine which it might lawfully adopt, with-
4 out a formal adoption thereof; and its use at such election shall be 
5 as valid for all purposes as if it had been lawfully adopted.

[S., '13, § 1137-a12.]

SEC. 507. Duties of local authorities.

1 The local authorities adopting a voting machine shall, as soon as 
2 practicable thereafter, provide for each polling place one or more vot-
3 ing machines in complete working order, and shall thereafter keep 
4 them in repair, and shall have the custody thereof and of the furniture 
5 and equipment of the polling place when not in use at an election. If it 
6 shall be impracticable to supply each and every election district with 
7 a voting machine or voting machines at any election following such 
8 adoption, as many may be supplied as it is practicable to procure, and 
9 the same may be used in such election district or districts within the 
10 county, city, or town as the officers adopting the same may direct.

[S., '13, § 1137-a13.]

SEC. 508. Ballots—form.

1 All ballots shall be printed in black ink on clear, white material, 
2 of such size as will fit the ballot frame, and in as plain, clear type as the 
3 space will reasonably permit. The party name for each political
party represented on the machine shall be prefixed to the list of candidates of such party. The order of the list of candidates of the several parties or organizations shall be arranged as provided in section four hundred thirty-two, except that the lists may be arranged in horizontal rows or vertical columns.

[S., '13, § 1137-a15.]

SEC. 509. Sample ballots.

1 The officers or board charged with the duty of providing ballots for any polling place shall provide therefor two sample ballots, which shall be arranged in the form of a diagram showing the entire front of the voting machine as it will appear after the official ballots are arranged for voting on election day. Such sample ballots shall be open to public inspection at such polling place during the day of election and the day next preceding election day.

[S., '13, § 1137-a16.]

SEC. 510. Two sets of ballots.

1 Two sets of ballots shall be provided for each polling place for each election for use in the voting machine.

[S., '13, § 1137-a17.]

SEC. 511. Delivery of ballots.

1 The ballots and stationery shall be delivered to the election board of each election district before ten o'clock in the forenoon of the day next preceding the election.

[S., '13, § 1137-a18.]

SEC. 512. Duties of election officers—independent ballots.

1 The judges of election and clerks of each district shall meet at the polling place therein, at least three-quarters of an hour before the time set for the opening of the polls at each election, and shall proceed to arrange within the guard rail the furniture, stationery and voting machines for the conduct of the election. The judges of election shall then and there have the voting machine, ballots and stationery required to be delivered to them for such election; and, if it be an election at which registered voters only can vote, the registry of such electors required to be made and kept therefor. The judges shall thereupon cause at least two instruction cards to be posted conspicuously within the polling place. If not previously done, they shall arrange, in their proper place on the voting machine, the ballots containing the names of the offices to be filled at such election, and the names of the candidates nominated therefor. If not previously done, the machine shall be so arranged as to show that no vote has been cast, and the same shall not be thereafter operated, except by electors in voting. Before the polls are open for election, each judge shall carefully examine every machine and see that no vote has been cast, and the same shall be subject to inspection of the election officers. Ballots voted for any person, whose name does not appear on the machine as a nominated candidate for office, are herein referred to as independent ballots. When two or more persons are to be elected to the same office, and the machine requires that all independent ballots voted for that office be deposited in a single receptacle or device, an elector may vote in or by such receptacle or
device for one or more persons whose names do not appear upon the
machine with or without the names of one or more persons whose
names do so appear. With that exception, and except for presidential
electors, no independent ballot shall be voted for any person for any
office whose name appears on the machine as a nominated candidate
for that office; any independent ballot so voted shall not be counted.
An independent ballot must be cast in its appropriate place on the
machine, or it shall be void and not counted.

[S., '13, § 1137-a19.]

SEC. 513. Voting machine in plain view—guard rail.

1 The exterior of the voting machine and every part of the polling
place shall be in plain view of the election officers. The voting ma-
chine shall be placed at least three feet from every wall and partition
of the polling place, and at least three feet from the guard rail, and
at least four feet from the clerk's table. A guard rail shall be con-
structed at least three feet from the machine, with openings to admit
electors to and from the machine.

[S., '13, § 1137-a20.]

SEC. 514. Method of voting.

1 After the opening of the polls, the judges shall not allow any
voter to pass within the guard rail until they ascertain that he is
duly entitled to vote. Only one voter at a time shall be permitted to
pass within the guard rail to vote. The operating of the voting ma-
chine by the elector while voting shall be secret and obscured from
all other persons except as provided by this chapter in cases of voting
by assisted electors. No voter shall remain within the voting ma-
chine booth longer than one minute, and if he shall refuse to leave it
after the lapse of one minute, he shall be removed by the judges.

[S., '13, § 1137-a21.]

SEC. 515. Additional instructions.

1 In case any elector after entering the voting machine booth shall
ask for further instructions concerning the manner of voting, two
judges of opposite political parties shall give such instructions to him;
but no judge or other election officer or person assisting an elector
shall in any manner request, suggest, or seek to persuade or induce
any such elector to vote any particular ticket, or for any particular
candidate, or for or against any particular amendment, question, or
proposition. After receiving such instructions, such elector shall vote
as in the case of an unassisted voter.

[S., '13, § 1137-a22.]

SEC. 516. Injury to machine.

1 No voter, or other person, shall deface or injure the voting ma-
chine or the ballot thereon. It shall be the duty of the judges to en-
force the provisions of this section. During the entire period of an
election, at least one of their number, designated by them from time
to time, shall be stationed beside the entrance to the booth and shall
see that it is properly closed after a voter has entered it to vote. He
shall also, at such intervals as he may deem proper or necessary, ex-
am the face of the machine to ascertain whether it has been de-
9 faced, or injured, to detect the wrongdoer and to repair any injury.

[S., '13, § 1137-a23.]

SEC. 517. Canvass of vote.
1 As soon as the polls of the election are closed, the judges of the
2 election thereat shall immediately lock the voting machine against
3 voting and open the counting compartments in the presence of all
4 persons who may be lawfully within the polling place, and proceed
5 to canvass the vote.

[S., '13, § 1137-a24.]

SEC. 518. Judges to lock machine.
1 The judges of election shall, as soon as the count is completed
2 and fully ascertained as in this chapter required, lock the machine
3 against voting, and it shall so remain for the period of thirty days.
4 Whenever independent ballots have been voted, the judges shall re-
5 turn all of such ballots properly secured in a sealed package as pre-
6 scribed by section four hundred seventy.

[S., '13, § 1137-a25.]

SEC. 519. Written statements of election.
1 After the total vote for each candidate has been ascertained, and
2 before leaving the room or voting place, the judges shall make and
3 sign written statements of election, as required by the election laws
4 now in force, except that such statements of the canvass need not con-
5 tain any ballots except the independent ballots as herein provided.

[S., '13, § 1137-a26.]

SEC. 520. What statutes apply—separate ballots.
1 All of the provisions of the election law now in force and not
2 inconsistent with the provisions of this chapter shall apply with full
3 force to all counties, cities, and towns adopting the use of voting ma-
4 chines. Nothing in this chapter shall be construed as prohibiting
5 the use of a separate ballot for constitutional amendments and other
6 public measures.

[S., '13, § 1137-a27.]

The affidavit upon the ballot envelope shall constitute a sufficient registration of the voter in precincts where registration is required and shall be treated like and have the same force and effect as a certificate issued by the registers of election on election day in all cases where the voter is not already registered and where his name does not appear upon the alphabetical lists, and if the ballot be deposited and the absent or disabled voter's name be entered on the poll books as herein provided, the judges of election shall enter the absent or disabled voter's name on the alphabetical lists with the same data as is entered when a certificate of registration is filed, and the ballot envelope having the absent or disabled voter's affidavit thereon shall be preserved and returned with the certificates of registration, poll book and alphabetical lists to the city clerk, who shall preserve the same, and it shall be used by the registers of election, in precincts where registration is required, in making up the new registry lists from the poll books, and such affidavit shall serve as the registration record of the voter for the new registry books and lists.

If the ballot is rejected and the vote of the absent or disabled voter not accepted or counted as provided herein, said ballot envelope with the affidavit of the absent or disabled voter indorsed thereon shall be returned with said rejected ballot in the envelope indorsed "Defective ballots."

1 Whenever it shall be made to appear by due proof to the judges of election that any elector who has marked and forwarded his ballot as provided in this chapter has died, then the ballot of such deceased voter shall be returned by the judges of election with the unused ballots to the official issuing it; however, the casting of the ballot of a deceased voter shall not invalidate the election.

The bond shall be conditioned to faithfully and impartially without fear or favor perform the duties incumbent upon him, which shall be filed with the oath and commission and recorded in the office of the secretary of state.

SEC. 728. Board of examiners.

The executive council shall appoint a board of five examiners consisting of two practical miners and two mine operators, all holding certificates of competency as mine foremen, and one mining engineer, each of whom shall have had at least five years' actual experience in his profession immediately preceding his appointment, who shall hold office for a term of two years. The members of said board shall qualify by taking oath to perform the duties devolving upon them fairly, faithfully and impartially, without fear or favor, uninfluenced by personal or political considerations. [S., '13, § 2479-a.]

SEC. 729. Meetings—compensation.  
1 Said board shall meet in the office of the state mine inspectors in the capitol on the first Monday in March of each even-numbered year for the examination of applicants; notice of which examination shall be published in at least one newspaper in each mining district not less than fifteen days preceding the date of such examination; and shall be furnished with the necessary stationery and other material for the examination in the same manner as other state officers are provided with supplies. The members shall receive as compensation for their services the sum of five dollars per day for the time actually employed, with necessary traveling expenses, which shall be audited and paid in the manner provided for the salaries of other state officers, but in no case shall the per diem exceed fifty dollars a session to each member.  
[C., '97, § 2480.]

SEC. 730. Examination—qualification of candidates.  
The examination shall consist of oral and written questions in theoretical and practical mining and mine engineering, on the nature and properties of noxious and poisonous gases found in mines, and on the different systems of working and ventilating coal mines. During the progress of the examination, books, memoranda or notes shall not be allowed or used, and the board shall issue to those examined and found to possess the requisite qualifications certificates of competency for the position of mine inspector; but certificates shall be granted only to persons of twenty-five years of age or over, of good moral character, citizens of the state, and with at least five years' experience in the practical working of mines, and who have not been acting as agent or superintendent of any mines for at least six months next preceding such examination.  
[C., '97, § 2481.]

SEC. 731. Inspection districts—powers and duties of inspectors—expenses and supplies.  
The governor shall divide the state into three inspection districts, and assign one inspector to each district, who shall devote his entire time to his work, and, before entering thereon, procure, to be paid for by and to belong to the state, all instruments necessary for the discharge of his duties, including a complete set of standards, balances and other means of adjustment in testing any and all apparatus used in weighing, and shall examine, test and adjust, as often as occasion demands, all scales, beams and other apparatus used in weighing coal at the mines. He shall examine all the mines in his district as often as the time will permit, which examination shall be made at least once in every six months of all mines having an average output of fifty tons or more of coal per day, keep a record of the inspections made, showing date, the condition in which the mine is found, the extent and manner in which the laws relating to the government of mines and their operation are observed and obeyed, the progress made in improvements for the better security to health and life, number of accidents happening and their character, the number
employed, and such other and further matters as may be of public
interest and connected with the mining industries of the state. He
shall have the right at all reasonable times, by night or by day, to
enter any mine in his district, or any district to which he may be
sent by the governor for the purpose of ascertaining its condition, and
the manner of its operation, by making personal examination and
inquiry in relation thereto, but not so as to unnecessarily obstruct or
impede the working of the mines; and to this end the mine owner or
person in charge shall furnish such mine inspector all assistance in
his power, and forthwith, upon the happening of any accident to any
miner in or about the mine by reason of the working thereof which
causes loss of life, shall report the same, by mail or otherwise, to the
mine inspector and the coroner of the county. Each inspector shall
have and maintain, at some suitable place in his district, to be ap-
proved by the governor, an office, and shall reside in the district and
remain therein, unless otherwise engaged in the conduct of his official
duties. The costs and expenses of the office of the mine inspector
other than at the capitol, including rental, telephone, office supplies
and necessary fixtures, shall be paid for by the state, and the bills
audited and allowed by the state board of audit, who shall direct a war-
rant to issue therefor. The bills for current expenses shall be pre-
pared monthly and shall not exceed the sum of fifteen dollars per
month for each inspector, whose office is maintained at a place other
than at the capitol.

[C., '73, § 1567; C., '97, § 2482; S., '13, § 2482.]

The three inspectors shall maintain a general office in the capitol,
and keep therein all records, correspondence, documents, apparatus
or other property pertaining to their office; they shall meet in said
office biennially on or before August fifteenth preceding the regular
session of the general assembly, and make report to the governor of
their official doings, including therein all matters which by this chap-

erer are specially committed to their charge, adding such suggestion
as to needed future legislation as in their opinion may be important.
Each inspector shall receive for his services the sum of eighteen hun-
dred dollars per annum and actual traveling expenses, not exceeding
seven hundred fifty dollars yearly, the traveling expenses to be paid
quarterly upon an itemized statement duly verified and audited by
the state auditor.

[C., '73, § 1569; C., '97, § 2483; S., '13, § 2483.]

Charges of gross neglect of duty or malfeasance in office against
any inspector may be made in writing, sworn to and filed with the
governor, and must be made by five miners, or one or more mine op-
erators; they shall be accompanied with a bond in the sum of five hun-
dred dollars, running to the state, executed by two or more freehold-
ers, approved and accepted by the clerk of the district court of the
county of their residence, conditioned for the payment of all costs
and expenses arising from the investigation of the charges, and there-
upon the governor shall convene the board of examiners at such time
and place as he may designate, giving the inspector and the person
whose name first appears in the charge ten days' notice thereof. The
board, at the time and place fixed, shall proceed to hear, try and de-
termine the matter, and for this purpose shall summon any material
witness desired, by either party, and may administer the proper oath
to all witnesses. Evidence may also be taken by deposition as in other
cases, and continuances of the hearing may be granted in the further-
ance of justice and upon the application of either party. After the
evidence has been fully heard, the board shall report to the governor
the results of its investigation, and if the charges are sustained, the
inspector shall be forthwith removed by the governor, and in that
event the costs and expenses of the hearing shall be awarded against
the inspector or the bondsmen as the case may be, with the right,
however, upon the part of the aggrieved party to appeal from such
findings and order to the district court of any county in the inspec-
tor's district against whom charges were made, by giving notice in
writing to the board, or any member thereof, served in the same man-
ner as original notices are served, within ten days from the time of
filing the findings with the governor, or if the order of removal is
made within ten days therefrom. Upon such appeal all matters shall
be heard bearing upon the charges made, and the pleadings may be
amended within the discretion of the court in the furtherance of jus-
tice. The appeal shall be tried as an equitable action and such order
made as the evidence supports and justice demands. Nothing herein
contained shall be construed to prevent the governor from proceed-
ing under the law provided for the suspension or removal of state
officers for malfeasance or nonfeasance in office.

[C., '97, § 2484; S., '13, § 2484.]

SEC. 734. Uniform reports.

The board of inspectors shall prepare a standard form of reports
which shall be uniform for and throughout the state and which shall
be used in all cases where reports are required to be made to the dis-
trict mine inspectors or the board of inspectors as the case may be.

[S., '13, § 2484-a.]

SEC. 735. Maps of mines—surveys.

The owner, operator, lessee or person in charge of any mine shall
make or cause to be made an accurate map or plan of such mine drawn
to a scale not more than two hundred feet to the inch, on which shall
appear the name of the state, county and township in which the mine
is located, the designation of the mine, the name of the company or
owner, operator, lessee or person in charge, the certificate of the min-
ing engineer or surveyor as to the accuracy and date of the survey,
the north point and the scale to which the drawing is made. Every
such map or plan shall correctly show the surface boundary lines of
the coal rights pertaining to each mine and all sections or quarter
section lines or corners within the same; the lines of town lots and
streets; the tracks and sidetracks of all railroads, the location of all
wagon roads, rivers, streams, ponds, reservations made of coal and
mineral. For the underground workings said maps shall show all
shafts, slopes, tunnels or other openings to the surface or to the work-
ings of a contiguous mine; all excavations, entries, rooms and cross-
cuts; the location of the escape ways, and of the fan or furnace or
other means of ventilation and the direction of air currents and the
location of permanent pumps, hauling engines, engine planes, aban-
donied works, fire walls and standing water. A separate and similar
map drawn to the same scale in all cases shall be made of each and
every seam of coal operated in any mine in this state. A separate
map shall also be made of the surface whenever the surface buildings,
lines or objects are so numerous as to obscure the details of the mine
workings if drawn upon the same sheet with them, and in such case
the surface map shall be drawn upon transparent cloth or paper so
that it can be laid upon the map of the underground workings and
thus truly indicate the local relation of lines and objects on the sur-
face to the excavations of the mine, together with any other principal
workings of the mine. Each map shall also show by profile drawing
and measurement, the last one hundred fifty feet approaching the
boundary lines, showing the rise and dip of the seam. The original
or true copies of all such maps shall be kept at the office of the mine,
and true copies thereof shall also be furnished the state mine inspec-
tor for the district in which said mine is located, within thirty days
after the completion of the same. The maps so delivered to the in-
spector shall be the property of the state and shall remain in the cus-
tody of the said inspector during his term of office, and be delivered
to his successor in office. They shall be kept at the office of the inspec-
tor and be open to examination of all persons interested in the same;
but such examination shall only be made in the presence of the inspec-
tor or his office assistant, and he shall not permit any copies of the
same to be made without the written consent of the operator or the
owner of the property, except as herein and otherwise provided. An
accurate extension of the last preceding survey of every mine in active
operation shall be made once in every twelve months prior to July
first of every year and the result of such survey with the date thereof,
shall be promptly and accurately entered upon the original map and
a true, correct and accurate copy of said extended map shall be for-
warded to the inspector of mines in the district in which said mine
is located so as to show all changes in plan of new work in the mine,
and all extensions of the old workings to the most advanced face or
boundary of said workings which have been made since the last pre-
ceding survey, and the parts of the mine abandoned or worked out
after the last preceding survey shall be clearly indicated and shown
by colorings, which copy must be delivered to the inspector of mines
within thirty days after the last survey is made. When any coal mine
is worked out or is about to be abandoned or indefinitely closed, the
owner, operator, lessee or person in charge of the same shall make or
cause to be made a completed and extended map of said mine and the
result of the same shall be duly extended on all maps of the mine and
copies thereof so as to show all excavations and the most advanced
workings of the mine, and their exact relation to the boundary or
section lines on the surface, and deliver to the inspector a copy of the
completed map. The state inspector of mines shall order a survey
to be made of the workings of any mine and the result to be extended
on the maps of the same and the copies thereof whenever in his judg-
ment the safety of the workmen, the support of the surface, the con-
servation of the property or the safety of an adjoining mine requires
it; and if not made by the owner, operator, lessee or person in charge
when ordered by the inspector it shall be made or caused to be made
by the inspector and paid for by the state and the amount collected
from the owner, operator, lessee or person in charge as other debts
are collected.

[C., '97, § 2485; S., '13, § 2485.]
SEC. 736. Failure to furnish map—penalty.
1. When the owner, operator, lessee or person in charge of any
2. mine neglects and refuses for a period of three months to furnish to
3. said inspector the map or plan of such mine or a copy thereof or of
4. the extension thereof as provided for by the preceding section, such
5. owner, operator, lessee, or person shall be deemed guilty of a misde-
6. meanor, and upon conviction thereof shall be fined one hundred dol-
7. lars and shall stand committed to the county jail until such fine is
8. paid, and in addition thereto the inspector shall make or cause to be
9. made an accurate map or plan of such mine or extension as the case
10. may be, at the expense of the owner, operator, lessee or person in
11. charge thereof; the cost to be paid by the state and recovered by law
12. from the said owner, operator, lessee or person in charge in the same
13. manner as other debts by suit; and it shall be the duty of the county
14. attorney of the county in which such mine is located, at the request
15. of the inspector, to bring such action in the name and for the benefit
16. of the state.

[S., '13, § 2485-a.]

SEC. 737. Right of adjoining landowner—expenses of exami-
1. nation—double damages.
2. Upon affidavit of an adjoining landowner in the vicinity of any
3. mine, or his agents, filed with the inspector of the district stating that
4. it is necessary for the protection of his property to know how near
5. his land the excavations in the mine extend, the inspector shall make
6. an examination or employ a surveyor therefor if necessary, to deter-
7. mine the length and direction of entries and other works toward the
8. land of the applicant and the extent of excavation of same on all of
9. his land, if any, and make report to the inspector to whom the appli-
10. cation may have been made; the inspector may in such case permit
11. examination of such map or copies thereof as may be in the possession
12. of the inspector for the purpose of and to aid and assist in determin-
13. ing the location of the workings as herein contemplated. The neces-
14. sary expenses incurred and compensation of five dollars per day to
15. the inspector in favor of the state and ten dollars per day to the sur-
16. veyor shall be paid by the applicant except when it shall be shown
17. that said applicant's property has been undermined, in which case
18. the expense shall be paid by the mine owner, operator, lessee or per-
19. son operating a mine, who without permission takes coal from
20. adjoining land he shall be liable for double damages therefor and for
21. all expense caused thereby. If it be found necessary to survey the
22. premises to discover the facts as contemplated by this section the
23. owner or person filing the affidavit shall first give a bond or other
24. security to the inspector in favor of the state in the sum of one hun-
25. dred dollars conditioned to pay all costs and expenses incurred
26. thereby.

SEC. 738. Escape ways and air shafts.
1. The owner, operator, lessee or person in charge of any mine
2. hereafter constructed and operated by shaft, or one having a slope
3. or drift opening in which five or more persons are employed, shall
4. construct and maintain at least two distinct openings for each seam
of coal worked, which in mines operated by shaft shall be separated
by natural strata of not less than three hundred feet in breadth, and
in mines operated by slope or drift not less than two hundred feet
in breadth, through which ingress and egress at all times shall be
unobstructed to the employees and persons having occasion to use
the same as escape ways or place of exit from the mine.

[§§ 739-742.

SEC. 739. Stairways in escape shafts.

All escape shafts hereafter constructed not provided with hoist-
ing appliances as hereinafter provided shall have stairs at an angle
of not more than sixty degrees in ascent, nor less than two and one-
half feet in width with proper, safe and substantial landings at con-
venient and easy distances, and equipped with good and substantial
hand rails or banisters. If a shaft be used for an escape shaft and
air shaft, that part of the shaft used as an escape way shall be divided
and partitioned closely with good and substantial material from the
part used as an air shaft, all of which shall be kept in safe condition
as by this chapter provided.

[§§ 739-742.

SEC. 740. Hoisting appliances for use of workmen.

All escape shafts not provided with stairs shall be provided with
suitable appliances for hoisting underground workmen at all times
ready for use both day and night, while the workmen are at labor,
which hoisting apparatus shall be separate and apart from the hoist-
ing shaft, and the equipment shall include a depth indicator, brake
on the drum, steel or iron cable, safety catches on cages, and covers
on cages to securely protect any person while on the cage.

[§§ 740.

SEC. 741. Underground connection with contiguous mine.

Where two or more mines are connected underground the several
owners by joint agreement may use the hoisting shaft, slope or drift
of the one as an escape for the other, and the road or traveling ways
to the boundary on either side shall be kept clear of every obstruc-
tion to travel by the respective operators, and the intervening doors,
if any, shall remain unlocked and ready at all times for immediate
use, and when such communication has once been established between
contiguous mines it shall be unlawful for the owner, operator, or per-
son in charge of either mine to close the same without the consent
of both of the contiguous operators and of the state inspector of mines
of the district, but when either operator desires to abandon mining
operations, the expense and duty of maintaining such communication
shall devolve upon the party continuing operation.

[§§ 741.

SEC. 742. Location of shafts—approval of inspector—appeal.

No escape shaft or other place of exit or any air shaft or opening
for ventilation not including hoisting shafts shall be located or con-
structed without first giving notice to the state mine inspector and
obtaining his approval thereof in writing, who shall retain a copy and
file in his office and preserve with other records of that mine. The
state mine inspector of the district in which any mine is located shall
have the right at any time to order any additional air and escape way, necessary for the purpose of furnishing additional ventilation or reason-ably necessary means of escape and such additional air and escape ways shall only be used in cases of emergency; but if the owner, op-erator, lessee or person in charge of the mine feels aggrieved with the order as made by the mine inspector of the district in which the mine is located he shall have the right to appeal from the decision or the order of the mine inspector in such case to the district court, where the action shall be tried as an equitable action, and shall have precedence over any and all other cases, and the first term of such court held after the taking of such appeal shall be the appearance term; but in any case the state mine inspector may elect by giving four days' notice to the party taking the appeal, to bring said cause on for hearing before any judge of the judicial district in which such mine is located, who shall make such order as the case demands; it shall be unlawful to construct a furnace shaft in connection with an escape shaft or other means of exit for the employees of a mine, and all furnace shafts hereafter constructed shall be separate and apart from the escape way or means of exit.

[S., '13, § 2486-d.]

SEC. 743. Ventilation—obstructions prohibited.

The escape way shall be ventilated and kept free from vitiated air, accumulation of ice and obstructions of every kind; nor shall steam or heated air be discharged therein during the daytime unless an attendant be kept in charge thereof and the equipment so arranged that the steam or warm air may be readily turned off at any time when required and a conspicuous signboard placed in plain view indicating the point where the steam or warm air may be turned off as by this chapter contemplated; and all surface or other water which flows therein shall be conducted by rings or otherwise to receptacles for the same so as to keep the stairway reasonably free from falling water.

[S., '13, § 2486-e.]

SEC. 744. Traveling ways—sign boards—inspection—appeal.

In any mine affected by this chapter and every seam of coal or other mineral worked therein, there shall be constructed, kept and maintained safe and accessible traveling ways to and from any and all escape ways or place of exit, which shall be maintained free from falls of roof, standing water and other obstructions and made at least five feet high and seven feet wide. At all points where the passage or traveling ways to the escapement shaft or place of exit intersect other roadways or entries, conspicuous signboards shall be placed thereat indicating the way to such place of exit. All traveling ways shall be inspected by the mine foreman or his assistant at least once each week, and written report of their condition made and filed in the office at the mine which shall be open for examination to all the employees of the mine and such other persons entitled thereto at all reasonable times; except that in any case, when in the judgment of the mine inspector of the district where the mine is located it is deemed impracticable by reason of the conditions or strata to make the traveling way herein referred to five feet in height, then and in that case the traveling way may be made and maintained less than
five feet in height and seven feet in width, but in no case shall the traveling way be less than three feet in height or six feet in width. But if any dispute or difference should arise as to the findings or orders of the mine inspector, in the premises, between such inspector and employer operating the mine, or between such inspector and at least five operatives working in the mine, then and in that case the inspector shall furnish, on demand, to the aggrieved party or parties a copy of the findings or orders complained of and he shall also file the originals thereof in the office of the board of state mine inspectors and the aggrieved party or parties may have the right to appeal from said findings and orders to the district court of any county in which said mine is located on the same terms and conditions, so far as applicable, as those provided for the trial and appeal under section seven hundred thirty-three. When appeal is taken as herein provided the case shall be docketed and precedence given over all other cases excepting criminal cases where the party is in jail, and the inspector may bring the case on for hearing before any judge of the judicial district where the mine is located by giving five days' notice in writing to the opposite party, and if the evidence fails to show that the order was not a reasonable one as made by the inspector the findings and order of the inspector shall stand as made by him.

SEC. 745. Precaution against fire—location of buildings.

1. It shall be unlawful to erect, keep or maintain any inflammable structure or buildings or other material in the space intervening between the main or hoisting shafts, slopes or drifts, and the escapement shaft or other place of exit or any powder magazine in such location or manner as to jeopardize the free and safe exit of the employees from the mine by said escapement shaft or other place of exit in case of fire or other casualty to the main shaft, slope or drift buildings.

[S., '13, § 2486-g.]

SEC. 746. Boiler and engine rooms.

1. All boiler and engine rooms erected or constructed on the surface at any mine shall be constructed of fireproof material, and in no case shall the boiler room be placed within sixty feet of the hoisting shaft, slope or drift.

[S., '13, § 2486-h.]

SEC. 747. Shaft lights.

1. In all cases, after twilight, or when by reason of steam or other causes obscuring the plain view of the top and openings of any shaft, there shall be maintained a good and substantial light, but in no case shall an open light or torch be used.

[S., '13, § 2486-i.]

SEC. 748. Traveling way around hoisting shafts.

1. At the bottom of each hoisting shaft there shall be constructed a safe and convenient traveling way around the shaft for employees and animals, and it shall be unlawful for any person to pass across the shaft bottom in any other manner than by the traveling way herein contemplated; except such employees as may be necessary to perform
§§ 749-751. COAL MINES AND MINING. Tit. V, Ch. 1.

On all single-track haulage roads wherever hauling is done by machinery or other mechanical device, and on all gravity or inclined planes in mines where it is impractical to construct a separate traveling way and which persons employed in the mines must use while performing their work or travel on foot to and from their work, places of refuge must be cut in the side wall not less than three feet in depth and four feet wide and five feet high, and not more than twenty yards apart unless there be a clear space of not less than two and one-half feet between the car when on the track and the rib or side of the entry of the haulage way; but in no case shall such haulage way be used as a traveling way unless it shall first be determined by the inspector that it is impracticable to construct, keep or maintain a separate traveling way, and in all such cases, unless otherwise determined by the inspector to be impracticable, there shall be kept and maintained a separate traveling way for the employees which shall at all times be maintained in good and safe condition and free from falls of roof and other obstructions. On every such haulage road which is more than one hundred feet in length a code of signals shall be established between the hauling engineer and all points on the road, except where hauling is done by motor; and a conspicuous light shall be carried on the front of every trip or train of trip cars moved by machinery.

[S., '13, § 2486-k.]

SEC. 750. Entries used by draft animals.

All entries hereafter constructed in which the hauling is done by draft animals, and wherein the employees perform their work or use as a means of ingress and egress to and from their working places, shall be maintained substantially eight feet in width from one rib or side of the entry or haulage way to the opposite side, which shall be kept free from timbers or other refuse and as reasonably even on the surface of each side of the track as may be reasonably practicable; but this section shall not apply to such haulage ways in longwall work when the inspector of the district where the mine is located shall determine that it is impracticable to maintain the width of the entry or haulage way as herein provided.

[S., '13, § 2486-l.]

SEC. 751. Ventilation—measurements of air.

The owner, operator, lessee or person in charge of any mine, whether operated by shaft, slope or drift, shall provide and maintain an amount of ventilation of not less than one hundred cubic feet of air per minute for each person employed in the mine, nor less than five hundred cubic feet of air per minute for each mule, horse or other animal used therein, which shall be so circulated throughout the mine so as to dilute, render harmless and expel all noxious and poisonous gases in all working parts of the same; but in no case shall the air current be a greater distance than sixty feet from the working face.
except when making crosscuts in entries for an air course, then in that case the distance shall not be greater than seventy feet; but in a special case requiring it, the state mine inspector may, in writing, grant permission to go beyond the limit herein mentioned. When the air current is carried to the working face of the room in double room mining, such air current shall be treated as that contemplated in this section. The measurements of the air currents as herein contemplated shall be taken at the bottom of the intake and near the mouth of each split thereof, and also near the working face of the entries; the person in charge of the mine shall be furnished with an anemometer by the owner or lessee of the mine, who shall take the measurements of the air as herein contemplated at least once each week and make a record thereof showing the time and place and when and where measurements were taken, copy thereof shall be retained at the office of the mine where operated, and report sent each month to the state mine inspector of the district in which said mine is operated.

[C., '97, § 2488; S., '13, § 2488.]

SEC. 752. Air currents to be split.

1 In every mine the air current shall be split and so conducted that not more than eighty employees at any time shall be employed on or in each split except in case of emergency. But the inspector of the district where the mine is located may in writing grant permission for a greater number not to exceed fifty when the required number of cubic feet of air per minute is properly circulated therein.

[S., '13, § 2488-a.]

SEC. 753. Contrivances for supplying air current.

1 Artificial means of exhaust steam, fans, furnaces or other contrivances of sufficient capacity shall be kept in operation to supply the air current, but if a furnace is used it shall be so constructed by lining the upcast for a distance for not less than fifty feet or for such greater distance as special cases may be required and determined by the state mine inspector, with indestructible material so that fire can not be communicated to any part of the works.

[S., '13, § 2488-b.]

SEC. 754. Doors in haulage ways—duty of employees.

1 On all haulage ways where doors are maintained to direct the air current, it shall be the duty of the driver or other employees, passing through the same, to see that the same are properly closed.

[S., '13, § 2488-c.]

1 All breaks-through in entries except the last one shall be securely closed and all stoppings in breaks-through except the one next to the last in the entries shall be made with some substantial material so as to securely and completely close the same, and thereby prevent the air from passing through or in any part thereof, which shall be subject to the state mine inspector's approval, who is hereby authorized and empowered to require any change to be made in the material or construction for the purpose of and to reasonably comply with the provisions of law and for the purposes intended. The stoppings in

The proceedings shall be entitled the state of Iowa as plaintiff and the owner, operator or person in charge as defendant, who shall plead on or before noon of the fourth day after notice. At the time and place fixed in the notice the case shall be heard and tried by the judge as in equity, who shall make such order as the evidence supports. The burden of proof shall rest upon the plaintiff to show that the order of the inspector was a reasonable one or the proposed change, improvement or device reasonably required for the purpose intended; and if the evidence in the whole case fails to prove that the order as made by the inspector was a reasonable one or the proposed change, improvement or device necessary for the purposes intended, the judge shall forthwith issue a mandatory order for compliance therewith, and enter the same of record in the district court of the county in which the hearing is had or the mine in controversy located. If the defendant has failed to comply with the order made by the judge, such defendant may be charged with contempt of court, and upon conviction thereof be fined not to exceed five hundred dollars and committed to the county jail until such fine is paid. The clerk of the district court where such petition has been filed shall issue subpoenas at the request of either party, and witnesses shall be required to respond thereto as in other cases, and it shall be a part of the county attorney's official duty to represent the plaintiff in all matters pertaining to the proceedings. Pending such proceedings, the judge may, if in his judgment it is deemed advisable for the safety of the employees, order the mine closed until such changes are made as have been directed by him.

Sec. 790. Applicable.

It shall be the duty of the inspector whenever he has good reason to believe that oil is being sold or used in violation of the provisions of this chapter to make complaint to the county attorney of the county in which the offense was committed, who shall forthwith commence proceedings against the offender in any court of competent jurisdiction. All reasonable expenses for analyzing suspected oil shall be paid by the owner of the oil whenever it is found that he is selling or offering to sell impure oil in violation of the provisions of this chapter. or slope mine, ingress and egress at all times shall be unobstructed and
free from water. All escape shafts hereafter constructed shall have
stairs at an angle of not more than sixty degrees in descent, with a
stairway not less than two feet in width, kept in safe condition, with
proper landings at easy and convenient distances apart and adequate
means of escape from mines now in operation. He shall provide all air
shafts with fans for ventilating purposes, and no combustible material
shall be allowed to be or remain between any escape shaft and hoisting
shaft, nor shall any building hereafter erected be located within two
hundred feet of an escape shaft without written permission from the
state inspector. Where two or more mines are connected underground
the several owners may, by agreement, use the hoisting shaft or slope
of one mine as an escape for the other. No escape shaft shall be
located or constructed without first giving notice to, and obtaining the
approval in writing of the state mine inspector.

[S., '13, § 2496-f.]

SEC. 800. Ventilation—air measurement—inspection.
The owner or person in charge of any mine shall provide and
maintain, whether the mine be operated by shaft, slope or drift, an
amount of ventilation of not less than one hundred cubic feet of air
per minute for each person, nor less than five hundred cubic feet of
air per minute for each mule or horse employed therein, which shall
be so circulated throughout the mines as to dilute, render harmless
and expel all noxious and poisonous gases in all working parts of the
same. But in no case shall the air current be a greater distance than
sixty feet from the working face, except when making crosscuts in
entries for air courses; then, in that case, the distance shall not be
greater than seventy feet; but the state mine inspector may, in writ-
ing, grant permission to go beyond the limit herein mentioned, when
the conditions are such in a special case as to require it. When the
mine inspector shall find the air insufficient, or men working under
unsafe conditions, he shall at once give notice to the mine owner or his
agent or person in charge, and, upon the failure to make the necessary
changes within a reasonable time, to be fixed by him, he may order
the men out, to remain out until the mine is put in proper condition.

[S., '13, § 2496-h.]

SEC. 801. Speaking tubes—safety appliances—engineers—props.
The owner or person in charge of any mine shall in all mines
operated by shaft or slope, where the voice can not be distinctly
heard, provide and maintain a metal speaking tube or other means of
communication, kept in complete order from the bottom or interior to
the top or exterior, also a sufficient safety catch and proper cover
overhead on all cages, and an adequate brake to all drums or other
devices used for lowering or hoisting persons, an approved safety gate
at the top of each shaft, springs at the top of each slope, and a trail
attached to each train used therein. He shall not knowingly place in
charge of any engine used in or about the operation of the mines any
but experienced, competent and sober engineers, who shall have the
same qualifications as are required of hoisting engineers at coal mines,
and who shall not allow anyone but those designated for that purpose
to handle or in any way interfere with it or any part of the machinery,

convenient and ready for use, and shall send such props down when
required and deliver them to the places where needed.

[S., '13, § 2496-i.]

SEC. 802. Violation—writ of injunction.

In addition to any and all other remedies if any owner or person
in charge of any mine shall fail to provide the requirements herein
specified, or such owner or agent neglect for twenty days after notice
given in writing by the state mine inspector of such failure to remedy
the same, such inspector may apply to the district court or any judge
thereof in an action brought in the name of the state for a writ of
injunction to restrain the working of the mine with more persons at
the same time than are necessary to make the improvements needed,
save as may be required to prevent waste, until such appliances have
been provided, and in case an injury happens to those engaged in the
work because of such failure, the same shall be held culpable negli-
gence on the part of the operator of the mine.

[S., '13, § 2496-j.]

SEC. 803. Duties and powers state mine inspector.

It is hereby made the duty of the state mine inspector to enforce
the provisions of this chapter. He shall have the right to enter any
gypsum mine under the provisions of this chapter, at any time, but
shall not unnecessarily interfere with the working of any mine, nor
shall more than six months intervene between examinations of any
such mine.

[S., '13, § 2496-k.]

SEC. 804. Fatal accidents—reports.

Every person in charge of a mine under the provisions of this
chapter shall, within twenty-four hours after a fatal accident happens
to any employee in or around the mine, report the same to the coroner
of the county in which the mine is operated and to the state mine
inspector.

[S., '13, § 2496-l.]

SEC. 805. Maps—surveys—abandoned mines.

The owner, operator, lessee or person in charge of any gypsum
mine shall make or cause to be made an accurate map or plan of such
mine, drawn to a scale not more than two hundred feet to the inch,
on which shall appear the name of the state, county and township in
which the mine is located, the designation of the mine, the name of the
company or owner, operator, lessee or person in charge, the certificate
of the mining engineer or surveyor as to the accuracy and date of the
survey, the north point and the scale to which the drawing is made.
Every such map or plan shall correctly show the surface boundary
lines of the rights pertaining to each mine and all sections or quarter
section lines or corners within the same; the lines of town lots or
streets; the tracks or sidetracks of all railroads, the location of all
wagon roads, rivers, streams, ponds, reservations made of gypsum and

14 mineral. For the underground workings said map shall show all
15 shafts, slopes, tunnels or other opening to the surface or to the work-
16 ings of a continuous mine; all excavations, entries, rooms and cross-
17 cuts; the location of the escape ways, and of the fan or furnace or
18 other means of ventilation and the direction of air currents and the
19 location of permanent pumps, hauling engines, engine planes, aban-
20 doned works, fire walls and standing water. A separate and similar
21 map drawn to the same scale in all cases shall be made of each and
22 every seam of gypsum operated in any mine in the state. A separate
23 map shall also be made of the surface whenever the surface buildings,
24 lines or objects are so numerous as to obscure the details of the mine
25 workings if drawn upon the same sheet with them and in such case the
26 surface map shall be drawn upon transparent cloth or paper so it can
27 be laid upon the map of the underground workings and thus truly indi-
28 cate the local relation of lines and objects on the surface to the excava-
29 tion of the mine, together with any other principal workings of the
30 mines. Each map shall also show, by profile drawing and measure-
31 ment, the last one hundred fifty feet approaching the boundary lines,
32 showing the rise and dip of the seam. The original or true copies of
33 all such maps shall be kept at the office of the mine and true copies
34 thereof shall also be furnished the state mine inspector for the district
35 in which said mine is located within thirty days after the completion
36 of the same. The maps so delivered to the inspector shall be the
37 property of the state and shall remain in the custody of the said
38 inspector during his term of office and be delivered to his successor in
39 office. They shall be kept at the office of the inspector and be open to
40 examination to all persons interested in the same. But such examina-
41 tion shall only be made in the presence of the inspector or his office
42 assistant, and he shall not permit any copies of the same to be made
43 without the written consent of the operator or the owner of the prop-
44 erty, except as herein and otherwise provided. An accurate extension
45 of the last preceding survey of every mine in active operation shall be
46 made once in every twelve months prior to July first of every year and
47 the result of such survey with the date thereof shall be promptly and
48 accurately entered upon the original map and a true, correct and accu-
49 rate copy of said extended map shall be forwarded to the inspector of
50 mines in the district in which said mine is located so as to show all
51 changes in plan of new work in the mine, and all extension of the old
52 workings to the most advanced face or boundary of said workings
53 which have been made since the last preceding survey, and the parts
54 of the mine abandoned or worked out after the last preceding survey
55 shall be clearly indicated and shown by colorings, which copy must be
56 delivered to the inspector of mines within thirty days after the last
57 survey is made. When any gypsum mine is worked out or is about to
58 be abandoned or indefinitely closed, the owner, operator, lessee or
59 person in charge of the same shall make or cause to be made a com-
60 plete extended map of said mine and the result of the same shall be
61 duly extended on all maps of the mine and copies thereof so as to show
62 all excavations and the most advanced workings of the mine and their
63 exact relation to the boundary of section lines on the surface, and
64 deliver to the inspector a copy of the completed map. The state
65 inspector of mines shall order a survey to be made of the workings of
66 any mine and the result to be extended on the maps of the same and
67 the copies thereof whenever in his judgment the safety of the work-
68 men, the support of the surface, the conservation of the property or
§§ 806-807. The safety of the adjoining mine requires it; and if not made by the
owner, operator, lessee or person in charge when ordered by the
inspector it shall be made or caused to be made by the inspector and
paid for by the state and the amount collected from the owner, oper-
or lessee or person in charge as other debts are collected.

[S., '13, § 2496-m.]

SEC. 806. Violation—penalties.
1 Any owner or person in charge of any gypsum mine who shall
2 fail to comply with the provisions of this chapter, or either of them,
or shall hinder or obstruct the carrying out of any of the requirements
of this chapter shall be punished by imprisonment in the county jail
not exceeding sixty days or by a fine not exceeding five hundred dol-
3 lars; or if any miner, workman or other person knowingly injure or
4 interfere with any air course or brattice, or obstruct or throw open
doors or disturb any part of the machinery, or disobey any order given
5 in carrying out the provisions of this chapter whereby the lives and
6 health of the persons, or the security of the mines and machinery is
7 endangered, or shall neglect or refuse to securely prop any entries
8 under his control, or refuse to obey any order given by the superin-
tendent in relation to the safety of the mine or that part of the mine
9 under his charge or control, he shall be punished by a fine not exceed-
ing one hundred dollars or imprisonment in the county jail not exceed-
10 ing thirty days.

[S., '13, § 2496-n.]

CHAPTER 3.

WORKMEN'S COMPENSATION.

Part I.

SECTION 807. Employers—employees—exceptions.

a Presumption—employees excepted. Except as by this chapter
otherwise provided, it shall be conclusively presumed that every em-
ployer as defined by this chapter has elected to provide, secure and
pay compensation according to the terms, conditions, and provisions
of this chapter for any and all personal injuries sustained by an
employee arising out of and in the course of the employment; and in
such cases the employer shall be relieved from other liability for
recovery of damages or other compensation for such personal injury,
unless by the terms of this chapter otherwise provided; but this chap-
ter shall not apply to any household or domestic servant, farm or other
laborer engaged in agricultural pursuits, nor persons whose employ-
ment is of a casual nature. The provisions of this chapter shall not
apply as between a municipal corporation, city or town and any per-
son or persons receiving any benefits under, or who may be entitled
to, benefits from any "firemen's pension fund" or "policemen's pen-
sion fund" of any municipal corporation, city or town.

b Compulsory. Where the state, county, municipal corporation,
school district, cities under special charter or commission form of
government is the employer, the terms, conditions and provisions of
§ 807. WORKMEN'S COMPENSATION. Tit. V, Ch. 3.

234

20 this chapter for the payment of compensation and amount thereof for
21 such injury sustained by an employee of such employer shall be exclu-
22 sive, compulsory and obligatory upon both employer and employee.
23 a Rejection of terms—reasons for. An employer having the
24 right under the provisions of this chapter to elect to reject the terms,
25 conditions and provisions thereof and who in such case exercises the
26 right in the manner and form by this chapter provided, such employer
27 shall not escape liability for personal injury sustained by an employee
28 of such employer when the injury sustained arises out of and in the
29 usual course of the employment because:
30 1. The employee assumed the risks inherent in or incidental to
31 or arising out of his or her employment, or the risks arising from the
32 failure of the employer to provide and maintain a reasonably safe
33 place to work, or the risks arising from the failure of the employer
34 to furnish reasonably safe tools or appliances, or because the employer
35 exercised reasonable care in selecting reasonably competent employees
36 in the business.
37 2. That the injury was caused by the negligence of the coem-
38 ployee.
39 3. That the employee was negligent unless and except it shall
40 appear that such negligence was wilful and with intent to cause the
41 injury; or the result of intoxication on the part of the injured party.
42 4. Negligence presumed—burden of proof—notices of election to
43 reject—preemption on failure to give notice. In actions by an em-
44 ployee against an employer for personal injury sustained arising out
45 of and in the course of the employment where the employer has elected
46 to reject the provisions of this chapter, it shall be presumed that the
47 injury to the employee was the direct result and growing out of the
48 negligence of the employer; and that such negligence was the prox-
49 imate cause of the injury; and in such cases the burden of proof shall
50 rest upon the employer to rebut the presumption of negligence.
51 Every such employer shall be conclusively presumed to have
52 elected to provide, secure and pay compensation to employees for in-
53 juries sustained arising out of and in the course of the employment
54 according to the provisions of this chapter, unless and until notice in
55 writing of an election to the contrary shall have been given to the
56 employees by posting the same in some conspicuous place at the place
57 where the business is carried on, and also by filing notice with the
58 Iowa industrial commissioner with return thereon by affidavit show-
59 ing the date that notice was posted as by this chapter provided. But
60 any employer beginning business after the taking effect of this chap-
61 ter and giving notice at once of his desire not to come under the pro-
62 visions of this chapter, shall not be considered as under its provisions;
63 but such employer shall not be relieved of the payment of compensa-
64 tion as by this chapter provided until thirty days after the filing of
65 such notice with the Iowa industrial commissioner, which notice shall
66 be substantially in the following form:
67 EMPLOYERS' NOTICE TO REJECT.
68 To the employees of the undersigned, and the Iowa industrial com-
69 missioner:
70 You and each of you are hereby notified that the undersigned
71 rejects the terms, conditions and provisions to provide, secure and
72 pay compensation to employees of the undersigned for injuries re-
73 ceived as provided in chapter three, title five, and elects to pay
74 damages for personal injuries received by such employee under
75 the common law and statutes of this state modified by subdivisions
§808. *Wilful injury—intoxication.*

1. No compensation under this chapter shall be allowed for an injury caused:

2. By the employee’s wilful intention to injure himself or to wilfully injure another; nor shall compensation be paid to an injured employee if injury is sustained where intoxication of the employee was the proximate cause of the injury.

[S., ’13, § 2477-m.]

SEC. 809. *Rights of employee—notice to reject.*

*a Exclusive of other rights—presumption—notice.* The rights and remedies provided in this chapter for an employee on account of injury shall be exclusive of all other rights and remedies of such employee, his personal or legal representatives, dependents or next of kin, at common law or otherwise, on account of such injury; and all employees affected by this chapter shall be conclusively presumed to have elected to take compensation in accordance with the terms, conditions and provisions hereof until notice in writing shall have been served upon his employer, and also on the Iowa industrial commissioner, with return thereon by affidavit showing the date upon which notice was served upon the employer.

[S., ’13, § 2477-m1.]

*b Rejection—procedure—oath—form—undue influence.* In the event such employee elects to reject the terms, conditions and provisions of this chapter, the rights and remedies thereof shall not apply where an employee brings an action or takes proceedings to recover damages or compensation for injuries received growing out of and in
the course of his employment, except as otherwise provided by this chapter; and in such actions where the employee has rejected the terms hereof the employer shall have the right to plead and rely upon any and all defenses, including those at common law, and the rules and defenses of contributory negligence, assumption of risk and fellow servant shall apply and be available to the employer as by statute authorized unless otherwise provided in this chapter. But if an employee sustains an injury as the result of the employer's failure to furnish or failure to exercise reasonable care to keep or maintain any safety device required by statute or rule, or violation of any of the statutory provisions or rules and regulations now or hereafter in force relating to safety of employees, the doctrine of assumed risk in such case growing out of the negligence of the employer shall not apply or be available as defensive matter to such offending party. The notice required to be given by an employee shall be substantially in the following form:

In any case where an employee or one who is an applicant for employment elects to reject the terms, conditions and provisions of this chapter, he shall, in addition to the notice required by subdivision b of this section, state in an affidavit to be filed with said notice who, if any person, requested, suggested, or demands of such person to exercise the right to reject the provisions of this chapter. And if request, suggestion, or demand has been made of such employee by any person, such employee shall give and state the name of the person who made the request, suggestion, or demand, and all of the circumstances relating thereto, the date and place when and where made, and persons present, and if it be found that the employer of such employee, or an employer to whom an applicant for employment, or any person a member of the firm, association, corporation, or agent or official of such employer, made a request, suggestion or demand of
such employee or applicant for employment to reject the terms, conditions and provisions of this chapter, such request, suggestion or demand, if made under such conditions, shall be conclusively presumed to have been sufficient to have unduly influenced such employee or an applicant for employment to exercise the right to reject the terms of this chapter, and the rejection made under such circumstances shall be conclusively presumed to have been procured through fraud and thereby fraudulently procured, and such rejection shall be null and void and of no effect.

No person interested in the business of such employer, financially or otherwise, shall be permitted to administer the oath to the affidavit required in case an employee or applicant for employment elects to exercise the right to reject the provisions of this chapter. And the person administering such oath in making such affidavit, shall carefully read the notice and affidavit to such person making such rejection, and shall explain that the purpose of the notice is to bar such person from recovering compensation in accordance with the schedule and terms of this chapter in the event that he sustains an injury in the course of such employment; all of which shall be shown by certificate of the person administering the oath herein contemplated.

The Iowa industrial commissioner, or any person acting for such commissioner, shall refuse to file the notice and affidavit, unless such notice, affidavit and certificate fully, and in detail, comply with the requirements hereof. And if such rejection, affidavit and certificate is found insufficient for any cause, it shall be returned by mail or otherwise to the person who executed the instrument.

[S., '13, § 2477-m2.]

SEC. 810. Tenure of election.

When the employer or employee has given notice in compliance with this chapter electing to reject the terms thereof such election shall continue and be in force until such employer or employee shall thereafter elect to come under the provisions of this chapter as is provided in subdivision b of this section.

b Notice—how filed. When an employer or employee rejects the terms, conditions or provisions of this chapter, such party may at any time thereafter elect to waive the same by giving notice in writing in the same manner required of the party in electing to reject the provisions of this chapter, which shall become effective when filed with the Iowa industrial commissioner.

[S., '13, § 2477-m3.]

SEC. 811. Liability of employer after election to reject.

Where the employer and employee elect to reject the terms, conditions and provisions of this chapter, the liability of the employer shall be the same as though the employee had not rejected the terms, conditions and provisions thereof.

be relieved from the payment of compensation to such employee who
sustains an injury in the course of the employment before the election
to reject becomes effective; and in such cases the employer shall be
required to secure the payment of any compensation due or that may
become due to such workman, subject to the approval of the Iowa
industrial commissioner.
[S., '13, § 2477-m5.]

SEC. 813. Liability of other than employer.
Where an employee coming under the provisions of this chapter
receives an injury for which compensation is payable under this chap-
ter and which injury was caused under circumstances creating a legal
liability in some person other than the employer, to pay damages in
respect thereof:

a Proceedings against both parties. The employee or beneficiary
may take proceedings both against that person to recover damages
and against the employer for compensation, but the amount of the
compensation to which he is entitled under this chapter shall be re-
duced by the amount of damages recovered.

b Indemnity—subrogation. If the employee or beneficiary in
such case recovers compensation under this chapter, the employer by
whom the compensation was paid or the party who has been called
upon to pay the compensation, shall be entitled to indemnity from the
person so liable to pay damages as aforesaid, and shall be subrogated
to the rights of the employee to recover therefor.
[S., '13, § 2477-m6.]

SEC. 814. Contract to relieve not operative.
No contract, rule, regulation or device whatsoever shall operate
to relieve the employer, in whole or in part, from any liability created
by this chapter except as herein provided.
[S., '13, § 2477-m7.]

SEC. 815. Notice of injury—form—failure to give.
Unless the employer or representative of such employer shall have
actual knowledge of the occurrence of an injury, or unless the em-
ployee or some one on his behalf, or some of the dependents or some
one on their behalf, shall give notice thereof to the employer within
fifteen days of the occurrence of the injury, then no compensation shall
be paid until and from the date such notice is given or knowledge
obtained; but if notice is given or the knowledge obtained within
thirty days from the occurrence of the injury, no want, failure or
inaccuracy of a notice shall be a bar to obtaining compensation, unless
the employer shall show that he was prejudiced by such want, defect
or inaccuracy, and then only to the extent of such prejudice; but if
the employee or beneficiary shall show that his failure to give prior
notice was due to mistake, inadvertence, ignorance of fact or law, or
inability, or to the fraud, misrepresentation or deceit of another or
to any other reasonable cause or excuse, then compensation may be
allowed, unless and then to the extent only that the employer shall
show that he was prejudiced by failure to receive such notice; but,
unless knowledge is obtained or notice given within ninety days after
the occurrence of the injury, no compensation shall be allowed. No
form of notice shall be required, but may substantially conform to
the following form:

but no variation from this form of notice shall be material if the notice
is sufficient to advise the employer that a certain employee, by name,
received an injury in the course of his employment on or about a speci-

fied time at or near a certain place. Notice served upon one upon
whom an original notice may be served in civil cases shall be a com-
pliance with this section.

The notice required to be given to the employer may be served
by any person over sixteen years of age, who shall make return upon
a copy of the notice, properly sworn to, showing the date of service
where and upon whom served, but no special form of the return of
service of the notice shall be required. It shall be sufficient if the
facts therefrom can be reasonably ascertained. The return of service
may be amended at any time.

[S., '13, § 2477-m8.]

SEC. 816. Compensation schedule.

If any employee has not given notice to reject the terms, condi-
tions and provisions of this chapter, or has given such notice and
waived the same as by this chapter provided, and the employer has
not rejected the terms, conditions and provisions of this chapter or
has given such notice and waived the same and the employee receives
a personal injury arising out of and in the course of the employment,
compensation shall be paid as herein provided.

a The compensation provided for in this chapter shall be paid
in accordance with the schedule unless otherwise provided.

b At the time of the injury and thereafter during the disability,
but not exceeding four weeks of incapacity, the employer, if so re-
quested by the employee, or anyone for him, or if so ordered by the
court or Iowa industrial commissioner, shall furnish reasonable sur-
gical, medical and hospital services, and supplies therefor, not exceed-
ing one hundred dollars; provided, however, that in exceptional cases,
an application may be made in writing to the Iowa industrial com-
missioner for additional surgical, medical and hospital services, and
supplies therefor, in which case a copy of such application shall be
mailed to the employer or his insurer. If such application is approved
by the commissioner, then the employer shall furnish such additional
services and supplies for such period and in such amount as the Iowa
industrial commissioner shall order, but in no event to exceed one
hundred dollars.

c Where the injury causes death the compensation under this
chapter shall be as follows:

The employer shall, in addition to any other compensation, pay
the reasonable expense of the employee's last sickness and burial not
to exceed one hundred dollars. If the employee leaves no dependents
this shall be the only compensation.

If death results from the injury, the employer shall pay the
dependents of the employee wholly dependent upon his earnings for
support at the time of the injury, a weekly payment equal to sixty per cent of his average weekly wages, but not more than fifteen dollars nor less than six dollars per week for a period of three hundred weeks.

\( e \) If the employee leaves dependents only partially dependent upon his earnings for support at the time of the injury, the weekly compensation to be paid as aforesaid shall be equal to the same proportion of the weekly payments for the benefit of persons wholly dependent as the amount contributed by the employee to such partial dependents bears to the annual earnings of the deceased at the time of the injury. When weekly payments have been made to an injured employee before his death, the compensation to dependents shall begin from the date of the last of such payments, but shall not continue more than three hundred weeks from the date of the injury.

\( f \) Where injury causes death to an employee, a minor, whose earnings were received by the parent, the compensation to be paid the parent shall be two-thirds of the amount provided for payment in subdivision \( d \) of this section.

\( g \) No compensation shall be paid for an injury which does not incapacitate the employee for a period of at least two weeks from earning full wages; but this provision shall not apply to those injuries resulting in disability partial in character and permanent in quality and compensated according to the schedule found in paragraph \( j \) of this section. Should such incapacity extend beyond a period of two weeks, compensation shall begin on the fifteenth day after the injury; but if the period of incapacity extends beyond the thirty-fifth day following the date of injury, then the compensation for the fifth week of incapacity shall be increased by adding thereto an amount equal to two-thirds of the weekly compensation; if the period of incapacity extends beyond the forty-second day following the date of injury, then the compensation for the sixth week of incapacity shall be increased by adding thereto an amount equal to two-thirds of the weekly compensation; if the period of incapacity extends beyond the forty-ninth day following the date of injury, then the compensation for the seventh week of incapacity shall be increased by adding thereto an amount equal to two-thirds of the weekly compensation; if the period of incapacity extends beyond the forty-ninth day following the date of injury, then the compensation thereafter shall be only the weekly compensation provided for in this chapter.

\( h \) For injury producing temporary disability, sixty per cent of the average weekly wages received at the time of injury, subject to a maximum compensation of fifteen dollars and a minimum of six dollars per week; but if at the time of injury the employee receives wages less than six dollars per week, then he shall receive the full amount of wages per week. This compensation shall be paid during the period of such disability, not, however, beyond three hundred weeks.

\( i \) For disability total in character and permanent in quality, sixty per cent of the average weekly wages received at the time of the injury, subject to a maximum compensation of fifteen dollars per week, and a minimum of six dollars per week; but if at the time of injury, the employee receives wages less than six dollars per week, then he shall receive the full amount of wages per week. This compensation shall be paid during the period of such disability, not, however, beyond four hundred weeks.
For disability partial in character and permanent in quality, the compensation shall be as follows:

1. For the loss of a thumb, sixty per cent of daily wages during forty weeks.
2. For the loss of a first finger, commonly called the index finger, sixty per cent of daily wages during thirty weeks.
3. For the loss of a second finger, sixty per cent of daily wages during twenty-five weeks.
4. For the loss of a third finger, sixty per cent of daily wages during twenty weeks.
5. For the loss of a fourth finger, commonly called the little finger, sixty per cent of daily wages for fifteen weeks.
6. The loss of the first phalange of the thumb or of any finger shall be considered to be equal to the loss of one-half of such thumb or finger and compensation shall be one-half of the amounts above specified.
7. The loss of more than one phalange shall be considered as the loss of the entire finger or thumb; but in no case shall the amount received for more than one finger exceed the amount provided in this schedule for the loss of a hand.
8. For the loss of a great toe, sixty per cent of daily wages during twenty-five weeks.
9. For the loss of one of the toes other than the great toe, sixty per cent of daily wages during fifteen weeks.
10. The loss of the first phalange of any toe, shall be considered to be equal to the loss of one-half of such toe and the compensation shall be one-half of the amount above specified.
11. The loss of more than one phalange shall be considered as the loss of the entire toe.
12. For the loss of a hand, sixty per cent of daily wages during one hundred fifty weeks.
13. The loss of two-thirds of that part of an arm between the shoulder joint and the elbow joint shall constitute the loss of an arm, and the compensation therefor shall be sixty per cent of the average weekly wages during two hundred twenty-five weeks.
14. For the loss of a foot, sixty per cent of daily wages during one hundred twenty-five weeks.
15. The loss of two-thirds of that part of a leg between the hip joint and the knee joint shall constitute the loss of a leg, and the compensation therefor shall be sixty per cent of the average weekly wages during two hundred weeks.
16. For the loss of an eye, sixty per cent of daily wages during one hundred weeks.
17. For the loss of a second or last eye, the other eye having been lost prior to the injury resulting in the loss of the second eye, sixty per cent of the average weekly wages during two hundred weeks.
18. For the loss of hearing in one ear, sixty per cent of daily wages during fifty weeks, and for the loss of hearing in both ears, sixty per cent of the daily wages during one hundred fifty weeks.
19. The loss of both arms, or both hands, or both feet, or both legs, or both eyes, or of any two thereof, caused by a single accident, shall constitute total and permanent disability, to be compensated according to the provisions of paragraph i of this section.
20. In all other cases in this clause \( j \), the compensation shall bear such relation to the amount stated in the above schedule as the disability bears to those produced by the injuries named in the schedule. Should the employee and employer be unable to agree upon the amount of compensation to be paid in cases not specifically covered by the schedule, the amount of compensation shall be settled according to provisions of this chapter as in other cases of disagreement.

21. The amounts specified in this paragraph \( j \), and subdivisions thereof, shall be subject to the same limitations as to maximum and minimum weekly payments as are stated in paragraph \( h \) of this section.

SEC. 817. Death—payment of unpaid balance.
1 Where an employee is entitled to compensation under this chapter for an injury received and death ensues from any cause not resulting from the injury for which he was entitled to the compensation, payments of the unpaid balance for such injury shall cease and all liability therefor shall terminate.

[S., '13, § 2477-m10.]

SEC. 818. Examination of injured employee—suspension of compensation.
1 After an injury, the employee, if so requested by his employer, shall submit himself for examination at some reasonable time and place within the state and as often as may be reasonably requested, to a physician or physicians authorized to practice under the laws of this state, without cost to the employee; but if the employee requests, he shall, at his own cost, be entitled to have a physician or physicians of his own selection present to participate in such examination. The refusal of the employee to submit to such examination shall deprive him of the right to compensation during the continuance of such refusal. When a right to compensation is thus suspended no compensation shall be payable in respect to the period of suspension.

[S., '13, § 2477-m11.]

SEC. 819. Contributions from employees—no reduction of employer's responsibility.
1 The compensation herein provided shall be the measure of the responsibility which the employer has assumed for injuries or death that may occur to employees in his employment subject to the provisions of this chapter, and it shall not be in anywise reduced by contribution from employees.

[S., '13, § 2477-m12.]

SEC. 820. Trustees for minors and those physically and mentally incapacitated—reports.
1 When an injured minor, employee or a minor dependent, or one physically or mentally incapacitated from earning, is entitled to compensation under this chapter, payment shall be made to a trustee appointed by the judge of the district court for each county in the respective judicial districts, and the money coming into the hands of said trustee shall be expended for the use and benefit of the person
entitled thereto under the direction and orders of the judge during
term time or in vacation. The trustee shall make annual reports to
the court of all money or property received and expended for each
person, and for services rendered as trustee shall be paid such com-
pensation by the county as the court may direct by written order
directed to the auditor of the county, who shall issue a warrant there-
for upon the treasurer of the county in which the appointment is
made. If the judge making the appointment deems it advisable, a
trustee may be appointed to serve for more than one county in the
district and the expenses shall be paid ratably by each county accord-
ing to the amount of work performed in each county. The trustee
shall qualify and give bond in such amount as the judge may direct,
which may be increased or diminished from time to time as the court
may deem best.

In case a deceased employee for whose injury or death compen-
sation is payable leaves surviving him an alien dependent or depend-
ents residing outside the United States, the consul general, consul, vice
consul or consular agent of the nation of which the said dependent or
dependents are citizens shall be regarded as the exclusive representa-
tive of such dependent or dependents. Such consular officer, or his
duly appointed representative residing in the state of Iowa, shall have
the exclusive right in behalf of such nonresident dependent or depend-
ents to present, prosecute, litigate, adjust and settle all claims for
compensation provided by this chapter, and to receive for distribution
to such dependent or dependents all compensation arising hereunder.
Such consular officer, or his duly appointed representative, shall
file with the industrial commissioner a copy of his exequatur or evi-
dence of his authority, and the industrial commissioner shall notify
such consular officer or his said representative of the death of all
employees leaving alien dependent or dependents residing in the coun-
try of said consular officer so far as same shall come to his knowledge,
but nothing herein shall abridge the right of any relative of such
decedent who may reside in the state of Iowa to take out administra-
tion upon the estate of such decedent, and as such receive the funds
due said estate; and before said consular agent or his representative
shall have the right to receive funds due the estate of said decedent
he shall regularly take out administration in the county where said
decedent last resided, and give bond as administrator for the protec-
tion of such funds as provided by law.

§ 1.]

In any case where the period of compensation can be determined
definitely either party may, upon due notice to the other, apply to any
judge of the district court for the county in which the accident
occurred for an order commuting future payments to a lump sum; but
no judge of the district court shall consider any such application until
there is indorsed thereon by the Iowa industrial commissioner his
approval of such commutation, and no order shall be issued by such
judge contrary to the indorsement of said industrial commissioner.
And such judge may make such an order when it shall be shown to his
satisfaction that the payment of a lump sum in lieu of future monthly
or weekly payments, as the case may be, will be for the best interest
of the person or persons receiving or dependent upon said compensa-
§ 822. WORKMEN'S COMPENSATION.

The basis for computing compensation provided for in this chapter shall be as follows:

a. The compensation shall be computed on the basis of the annual earnings which the injured person received as salary, wages or earnings in the employment of the same employer during the year next preceding the injury.

b. Employment by the same employer shall be taken to mean employment by the same employer in the grade in which the employee was employed at the time of the accident, uninterrupted by absence from work due to illness or any other unavoidable cause.

c. The annual earnings, if not otherwise determinable, shall be regarded as three hundred times the average daily earnings in such computation.

d. If the injured person has not been engaged in the employment for a full year immediately preceding the accident, the compensation shall be computed according to the annual earnings which persons of the same class in the same or in neighboring employments of the same kind have earned during such period. And if this basis of computation is impossible, or should appear to be unreasonable, three hundred times the amount which the injured person earned on an average of those days when he was working during the year next preceding the accident, shall be used as a basis for the computation.

e. In case of injured employees who earn either no wages or less than three hundred times the usual daily wage or earnings of the adult day laborer in the same line of industry of that locality, the yearly wage shall be reckoned as three hundred times the average daily local wages of the average wage earner in that particular kind or class of work; or if information of that class is not obtainable, then of the class or kindred or similarity in the same general employment in the same neighborhood.

f. As to employees employed in a business or enterprise which customarily shuts down and ceases operation during a season of each year, the number of working days which it is the custom of such business or enterprise to operate each year shall be used instead of three hundred as a basis for computing the annual earnings; provided the minimum number of days which shall be used as a basis for the year's work shall not be less than two hundred.

g. Earnings, for the purpose of this section, shall be based on the earnings for the number of hours commonly regarded as a day's work for that employment, and shall exclude overtime earnings. The earn-

In this chapter unless the context otherwise requires:

a "Employer" includes and applies to any person, firm, association or corporation, and includes state, counties, municipal corporations, cities under special charter and under commission form of government and shall include school districts and the legal representatives of a deceased employer. Whenever necessary to give effect to section eight hundred thirteen, it includes a principal or intermediate contractor.

b "Workman" is used synonymously with "employee," and means any person who has entered into the employment of, or works under contract of service, express or implied, or apprenticeship for an employer, except a person whose employment is purely casual or not for the purpose of the employer's trade or business or those engaged in clerical work only, but clerical work shall not include one who may be subjected to the hazards of the business, or one holding an official position or standing in a representative capacity of the employer, or an official elected or appointed by the state, county, school district, municipal corporation, cities under special charter and commission form of government; provided that one who sustains the relation of contractor with any person, firm, association, corporation or the state, county, school district, municipal corporation, cities under special charter or commission form of government, shall not be considered an employee thereof.

c The following shall be conclusively presumed to be wholly dependent upon a deceased employee:

1. The surviving spouse, unless it be shown that the survivor wilfully deserted deceased without fault upon the part of the deceased; and if it be shown that the survivor deserted deceased without fault upon the part of deceased, the survivor shall not be regarded as a dependent in any degree. No surviving spouse shall be entitled to the benefits of this chapter unless she shall have been married to the deceased at the time of the injury, and should the deceased employee leave no dependent children, and should the surviving spouse remarry, then all compensation payable to her shall terminate on the date of such remarriage.

2. A child or children under sixteen years of age (and over said age if physically or mentally incapacitated from earning) whether

3. A parent of a minor entitled to the earnings of the employee at the time when the injury occurred, subject to provisions of subdivision /, section eight hundred sixteen.

4. If the deceased employee leaves dependent surviving spouse, the full compensation shall be paid to such spouse; but if the dependent surviving spouse dies before payment is made in full, the balance remaining shall be paid to the person or persons wholly dependent, if any, share and share alike. If there be no person or persons wholly dependent, then payment shall be made to partial dependents.

5. In all other cases, questions of dependency in whole or in part shall be determined in accordance with the fact as the fact may be at the time of the injury; and in such other cases if there is more than one person wholly dependent, the death benefit shall be equally divided among them, and persons partially dependent, if any, shall receive no part thereof. If there is no one wholly dependent and more than one person partially dependent, the death benefit shall be divided among them according to the relative extent of their dependency; but when a lump sum is paid as contemplated by this chapter, the court or commissioner, in making distribution thereof, shall take into consideration the contingent rights of partial beneficiaries or the rights of those who may become such after a wholly dependent child or children become sixteen years of age.

6. Stepparents shall be regarded in this chapter as parents.

7. Adopted child or children or stepchild or children shall be regarded in this chapter the same as if issue of the body.

e The words “personal injury arising out of and in the course of such employment” shall include injuries to employees whose services are being performed on, in or about the premises which are occupied, used or controlled by the employer, and also injuries to those who are engaged elsewhere in places where their employer's business requires their presence and subjects them to dangers incident to the business.

f The words “injury” and “personal injury” shall not include injury caused by the willful act of a third person directed against an employee for reasons personal to such employee or because of his employment.

g They shall not include a disease except as it shall result from the injury.

Such appointment shall be made in writing, and must be approved by the executive council of the state of Iowa. The deputy, in the absence or disability of the Iowa industrial commissioner, shall have all of the powers and perform all of the duties of the industrial commissioner pertaining to his office, and shall receive an annual salary of two thousand dollars, payable in equal monthly installments, out of the state treasury, and in the same manner as are the salaries of other state officials.

[S., '13, § 2477-m22; 37 G. A., ch. 270, § 14.]

The commissioner shall provide himself with a seal, which shall be used to authenticate his orders, decisions and other proceedings deemed necessary, upon which shall be inscribed the words “Iowa Industrial Commissioner’s Seal” and the date of organization. this chapter provided. The salaries of all persons under the com-

and expense accounts may be audited, allowed and paid at the end of
each week. The commissioner shall have the power to remove the
secretary or any other person appointed to an office by him at any time

2 The employer shall furnish upon request of an injured employee
or dependent or any legal representative acting for such person, a

so taken shall be admissible in evidence in such hearings in the same
manner subject to the same rules governing the admission of evidence
in the district court.

Application for permission to take depositions in such case shall
be filed in the district court of the county wherein the case for arbi-
tration shall be heard.

The commissioner shall make biennial reports to the governor,
who shall transmit the same to the general assembly, in which, among
other things, the commissioner shall recommend such changes in the
law covered by this chapter as he may deem necessary.

SEC. 834. Compensation agreements—approval.

If the employer and the employee reach an agreement in regard
to the compensation under this chapter, a memorandum thereof shall
be filed with the Iowa industrial commissioner by the employer or
employee, and unless the commissioner shall, within twenty days,
notify the employer and employee of his disapproval of the agreement
by registered letter sent to their addresses as given on the memoran-
dum filed, the agreement shall stand as approved and be enforceable
for all purposes under the provisions of this chapter. In case the
injured employee is a minor, either he or the trustee provided for in
section eight hundred twenty may execute the memorandum of agree-
ment provided for herein, and may give a valid and binding release
for the compensation paid on his account under the terms of this chap-
ter. Such agreement shall be approved by said commissioner only
when the terms conform to the provisions of this chapter.

SEC. 835. Committee of arbitration.

If the employer and the injured employee or representatives or
dependents fail to reach an agreement in regard to compensation under
this chapter, either party may notify the industrial commissioner, who
shall thereupon call for the formation of a committee of arbitration.
The arbitration committee shall consist of three persons, one of whom
shall be the industrial commissioner, who shall act as chairman. The
other two shall be named, respectively, by the two parties. If a va-

No party shall as a matter of right be entitled to a second hearing upon any question of fact.

[S., '13, § 2477-m32.]

SEC. 842. Decrees by district court—award of arbitrators—review—appeal.

Any party in interest may present a certified copy of an order or decision of the commissioner, or an award of an arbitration committee from which no claim for review has been filed within the time allowed therefor, or a memorandum of agreement approved by the commissioner, and all papers in connection therewith, to the district court of the county in which the injury occurred, whereupon said court shall render a decree in accordance therewith and notify the parties. Such decree, in the absence of an appeal from the decision of the industrial commissioner, shall have the same effect and in all proceedings in relation thereto shall thereafter be the same as though rendered in a suit duly heard and determined by said court. Upon the presentation to the court of a certified copy of a decision of the industrial commissioner, ending, diminishing or increasing a weekly payment under the provisions of this chapter, the court shall revoke or modify the decree to conform to such decision.

No order or award of an arbitration committee is appealable direct to the courts, but if any party in interest is aggrieved thereby, he may within five days from the date thereof apply to the industrial commissioner for a review of the same by such industrial commissioner in the manner as hereinbefore provided. If any such party is aggrieved by reason of an order or decree of the Iowa industrial commissioner, such party may appeal therefrom to the district court of Iowa, only in the manner and upon the grounds following:

Within thirty days from the date of such order or decree of the industrial commissioner, the party aggrieved may file an application in writing with the Iowa industrial commissioner asking for an appeal from such order or decree, stating generally the grounds upon which such appeal is sought. In the event such application is filed as hereinbefore provided, the industrial commissioner shall, within thirty days from the filing of same, cause certified copies of all documents and papers then on file in his office in the matter, and a transcript of all testimony taken therein, to be transmitted with his findings and order or decree to the clerk of the district court of Iowa in and for

that county wherein the injury occurred. The application for such appeal may thereupon be brought on for hearing before said district court upon such record by either party on ten days' written notice to the other; subject, however, to the provisions of law for a change of the place of trial or the calling of another judge. The findings of fact made by the industrial commissioner within his powers shall, in the absence of fraud, be conclusive, but upon such hearing the court may confirm or set aside such order or decree of the industrial commissioner, if he finds:

1. That the industrial commissioner acted without or in excess of his powers; or
2. That the order or decree was procured by fraud; or
3. That the facts found by the industrial commissioner do not support the order or decree.
4. That there is not sufficient competent evidence in the record to warrant the industrial commissioner in making the order or decree complained of.

No order or decree of the industrial commissioner shall be set aside by the court upon other than the grounds just stated.

Upon the setting aside of any such order or decree, the court may recommit the controversy to the industrial commissioner for further hearing or proceedings, or it may enter the proper judgment upon the findings, as the nature of the case may demand. Such decree shall have the same effect and in all proceedings in relation thereto shall after be the same as though rendered in a suit duly heard and determined by said court. An abstract of the judgment entered by the trial court upon the appeal from any order or decree shall be made by the clerk thereof upon the docket entry of any judgment which may hereinbefore have been rendered upon it. Such order or decree and transcript of such abstract may thereupon be obtained for like entry upon the dockets of the courts of other counties within the state.

Any party in interest who is aggrieved by a judgment entered by the district court upon the appeal of an order or decree may appeal therefrom within the time and in the manner provided for in appeal from the orders, judgments and decrees of the district court of Iowa; but all such appeals shall be placed on the calendar of the supreme court and brought to a hearing in the same manner as criminal causes on such calendar.

No fee shall be charged by the clerk of any district court for the performance of any official service required by this section, except for the docketing of judgments and for certified copies or transcripts thereof. In proceedings on appeal from an order or decree, costs as between the parties shall be allowed or not, in the discretion of the court.

CHAPTER 7.

PETROLEUM PRODUCTS.

SECTION 899. Inspectors—chief inspector to decide disputes—assistants—bond.

The governor shall appoint inspectors of petroleum, not exceeding fourteen in number, one of whom shall be designated as chief inspector, who shall have general supervision of the inspection service of the state, to whom all reports shall be made. All differences arising in the inspection of oils shall be referred to the chief oil inspector and his decision of the question shall be final.

The chief inspector shall make such recommendations to the state board of health as may be deemed necessary to improve the inspection service. He shall devote his time and services wholly to the inspection of oil and the duties of his office.

Inspectors may appoint such deputies, helpers and branders as may be necessary in the proper discharge of their official duties, but such appointments before becoming effective must be submitted to and approved and confirmed and their compensation fixed by the executive council as in their judgment may be necessary, equitable and just. Each inspector shall be a resident of the state and not directly or indirectly interested in the manufacture or sale of products of petroleum. He shall give bond to the state in the penal sum of five thousand dollars. The chief oil inspector's bond shall be ten thousand dollars, all conditioned upon the faithful performance of their duties, with sureties who shall, in addition to the usual justification, make oath entered on the bond that they are not directly or indirectly interested in the manufacture or sale of products of petroleum for illuminating purposes, which bond shall be approved by the governor and filed with the secretary of state.

[C., '97, § 2503; S. S., '15, § 2503.]

SEC. 900. Regulations.

The state board of health shall make rules and regulations for the inspection of petroleum products, for the government of inspectors, and prescribe the instruments and apparatus to be used. Such rules and regulations shall be approved by the governor, and, when so approved, shall be binding upon all inspectors.

[C., '97, § 2504; S., '13, § 2504.]

Each inspector shall be furnished, at reasonable expense to the state, with the necessary supplies, instruments and apparatus for testing, and shall promptly make inspections and tests and brand all illuminating oils kept for use or sale and for such purposes may enter upon the premises of any person.

He shall reject all oils for illuminating purposes which will emit a combustible vapor at a temperature of one hundred degrees standard Fahrenheit thermometer closed test, not less than one-half pint of oil to be used in the flash test. If upon test and examination the oil shall meet the requirements, he shall brand over his official signature and date on the barrel or package holding the same, “Approved. Flash Test—Degrees,” inserting in the blank the number. Should it
fail to meet the requirements, it shall be branded under his official
signature and date, "Rejected for illuminating purposes."

All inspections shall be made within the state, and paid for by the
person for whom the inspection is made at the rate of seven cents per
barrel, fifty-five gallons for this purpose constituting a barrel; which
charge shall be a lien upon the oil inspected and be collected by the in-
spector, reported and paid to the chief oil inspector of the state on or
before the fifteenth day of each month, and on the first day of July of
each year the chief inspector shall ascertain the total receipts from oil
inspection and all the expenses thereof during the twelve months pre-
ceding, and, if in any such year, the revenue realized from oil inspec-
tion exceeds the total expenses of inspection by the sum of four
thousand dollars, it shall be the duty of the chief inspector to reduce
the fees for inspection during the ensuing year to such sum per barrel
as will in the judgment of the chief inspector yield a revenue equal to
the expenses during the preceding year plus the sum of four thousand
dollars; and if in any year such reduced charge of inspection proves
insufficient to meet the total expenses of the department for said year,
the chief inspector shall be authorized and is hereby directed to in-
crease said inspection fees in an amount sufficient to pay the entire
expenses of the department not exceeding, however, the sum of seven
cents per barrel.

No gasoline shall be sold, given away or delivered to any person in
the state until the package, cask, barrel or vessel containing the same
has been painted bright red, and plainly marked "gasoline" in such
manner as the board of health may prescribe.

There shall be no refund or rebate of charges made or paid for
inspection except upon a duly verified certificate of the owner that the
goods, for which the rebate is asked, have been disposed of outside
of the state, said certificate to be in such form as shall be prescribed
by the chief oil inspector of state and shall be delivered to the inspector
and attached to his monthly report. The amount of such rebate per
barrel allowed during any fiscal year shall be determined by the chief
oil inspector of state during the month of July of each year and shall
equal approximately the net proceeds per barrel from the inspection
service of the state during the preceding fiscal year, the same to be
seven cents per barrel.

Any person, firm, corporation or agent violating any of the provi-
sions of this chapter shall be deemed guilty of a misdemeanor and
punished accordingly. All necessary supplies, tables, instruments and
apparatus, as contemplated in this chapter, shall be purchased by the
executive council and shall be furnished to the inspectors as needed
by them upon requisition therefor made to the chief oil inspector of
state, approved by him and forwarded to the executive council.

Every person who receives products of petroleum for use or sale
which have not been inspected as provided in this chapter shall, within
five days after the receipt thereof, notify the inspector of that inspec-
tion district that the same is in his possession, and to neglect to do so
shall be deemed a misdemeanor.

and branded, the number of gallons, the number and kind of barrels
3 and packages, the date and number of gallons approved, the number
4 rejected, the name of the person for whom inspection was made, and
5 the amount of money received therefor, the necessary traveling ex-
6 penses incurred and the expenses incurred in prosecution, which rec-
7 ord at all reasonable times shall be open to public inspection. A copy
8 of the record duly verified under oath for the preceding month shall
9 be filed with the chief oil inspector of state on or before the fifteenth
day of each month, who shall examine said report and if found correct
11 indorse his approval thereon, and certify the same to the state board
12 of audit and when approved by said board the auditor of state shall
13 issue his warrant therefor upon the treasurer of state for the amount
14 so approved and due the several inspectors, and no item of expense
15 shall be allowed and paid not shown in such report.
16 It shall be the duty of all persons, firms or corporations, officers or
17 agents thereof, within the state receiving any of the products of
18 petroleum, subject to inspection, to file with the chief oil inspector of
19 state, on or before the tenth day of each month a certificate, duly
20 verified in such form as shall be approved by the chief oil inspector of
21 state, to cover the month preceding the one in which said report is
22 made. Such report shall show the number of tanks or barrels, and if in
24 tanks the tank number of each product inspected for such person, firm,
corporation, officers or agents thereof, the amount of fees paid for
26 such inspection, to whom paid, and that the amounts so stated are all
27 products received by him or them which are subject to inspection
during the period. For any failure to make the reports contemplated
in this section the person, firm, corporation, officer, agent or employee
shall be liable to a fine of not less than ten dollars nor more than one
hundred dollars.

2 hundred dollars per annum and of each of the other inspectors shall be
3 the sum of twelve hundred dollars per annum to be paid in the same
4 manner as other state officers.
5 For the purpose of enabling the chief inspector and the other
6 officials charged with the enforcement of this chapter to enforce the
7 same, of paying the salaries and all other expenses herein provided
8 for, the sum of thirty-eight thousand dollars annually, or so much
9 thereof as may be necessary, is hereby appropriated out of any money
10 in the state treasury not otherwise appropriated. He shall be allowed
11 a clerk or stenographer at a salary not exceeding nine hundred dollars

Upon the return day of the notice, the court having, from an inspection of the record, ascertained that due and timely service thereof has been made, shall, if no remonstrance has been or is offered to be filed, unless for cause postponed to some other day in the term, proceed to hear and try the application. Any remonstrance against or objection to the granting of the permit must be in writing and filed in the clerk's office by noon of the first day of the term, unless further time be given, and shall be so filed before the date fixed for the trial. Such remonstrance or objections may be made by any citizen of the county wherein the application is made, specifically stating the reasons thereof, and the court shall fix a day in the term for the trial, and all applications shall be tried at the first term after completed service has been made of the required notice, if the business of the court shall allow. No permit shall be granted unless the court shall find from competent evidence that all the averments in the petition are true, that the reasonable convenience and necessities of the people, considering the population and all the surroundings, make the granting of the permit proper, and that the applicant is possessed of the character and qualifications required, worthy of the trust to be reposed in him, and likely to discharge the same with fidelity. The county attorney shall appear in such cases, and any number of persons, not less than five, filing any remonstrance or objection, may also appear by counsel and resist the application. If more than one permit is applied for in the same locality, the applications shall be heard at the same time, unless for cause shown it be otherwise ordered. If for any reason the application can not be tried in term time, the same may be heard by the judge in vacation, at a time to be fixed by the court and made of record, and in all applications for permits the court may grant or refuse any or all applications, as will best subserve the public good.

The bond, after being approved and recorded by the clerk, shall be deposited with the county auditor, and suit may be brought thereon at any time by the county attorney, or by any person for whose benefit the same is given. The clear proceeds of all other money which may be collected for breaches of the bond shall go to the school fund of the county. If at any time the sureties on the bond shall file with the court or clerk a written request for release, or become insolvent, or be deemed insufficient by the court granting the permit, or its clerk, such court or clerk shall require a new bond to be executed within a reasonable time to be fixed. If the permit holder fails or neglects to furnish a new bond within the time so fixed, the permit shall from that date become null and void.

The books shall be furnished by the county like other public records.
Whether said permit be granted or refused, the applicant shall pay
the costs incurred in the case, and, when granted, he shall make pay-
ment before any permit issue, except the court may tax the cost of
any witnesses summoned by private persons resisting said application,
and the fees for serving such subpoenas, to such persons, when it is
shown that such witnesses were summoned maliciously, or without
probable cause to believe their evidence material. The fees in such
cases shall be as provided in actions at law in the district court.

4 clerk, auditor and treasurer of the county, conditioned that he will
5 immediately abate said nuisance and prevent the same from being es-

7 court, or, in vacation, the judge, may, if satisfied of his good faith,
8 order the premises closed under the order of abatement to be deliv-

4 costs can not be collected of the defendant, they shall be paid in the
5 same manner as in criminal causes. If, however, the court shall find
6 that the case was commenced without probable cause, or was mali-

§§ 975-976. INTOXICATING LIQUORS. Tit. V, Ch. 8.

10 ten information, supported by his oath or affirmation, that he has
11 reason to believe, and does believe, that any intoxicating liquor, de-
12 scribed as particularly as may be in said information, is in said county,
13 in any place described as particularly as may be in said information,
14 owned or kept by any person named or described in said information
15 as particularly as may be, and is intended by him to be sold, or had
16 been purchased or procured as the result of solicitation, or has been
17 transported in violation of the provisions of this chapter, said justice
18 or judge shall, upon finding probable cause for such information, issue
19 his warrant of search, directed to any peace officer in the county, de-
20 scribing as particularly as may be the liquor and the place described
21 in said information, and the person named or described in said infor-
22 mation as the owner or keeper of said liquor, and commanding the
23 said officer to search thoroughly said place, and to seize the said liquor,
24 with the vessels containing it, and to keep the same securely until final
25 action be had thereon; whereupon the said peace officer to whom such
26 warrant shall be delivered shall forthwith obey and execute, as effec-
27 tually as possible, the commands of said warrant, and make return of
28 his doings to said justice, or judge and shall securely keep all liquors
29 so seized by him and the vessels containing them until final action be
30 had thereon. If the place to be searched be a dwelling house in which
31 any family resides, and in which no tavern, eating house, grocery or
32 other place of public resort is kept, such warrant shall not be issued
33 unless said complainant shall, on oath or affirmation, declare before
34 said justice or judge that he has reason to believe and does believe
35 that within one month next before the making of said information
36 intoxicating liquor has been, in violation of this chapter, sold in said
37 house, or in some dependency thereof, by the person accused in said
38 information, or by his consent or permission; nor unless, from the
39 facts and circumstances disclosed by such complaint, the said justice
40 or judge shall be of the opinion that said complainant has adequate
41 reason for such belief. In all such prosecutions, the action shall be
42 in the name of the state.

[R., '60, § 1565; C., '73, § 1544; C., '97, § 2413; S. S., '15, § 2413; 37 G. A., ch. 322, § 1.]

SEC. 975. Information for search warrant—defects.

1 The information and search warrant in such case shall describe,
2 with reasonable particularity, the place to be searched, as well as the
3 liquors to be seized. When any liquors shall have been seized by
4 virtue of any such warrant, the same shall not be discharged or re-
5 turned to any person claiming the same by reason of any alleged in-
6 sufficiency of description in the warrant of the liquor or place, but the
7 claimant shall only have a right to be heard on the merits of the case.

[C., '73, § 1545; C., '97, § 2414.]

1 In the event of a seizure under said warrant, the officer shall
2 forthwith make a return of his acts thereunder, and within forty-
3 eight hours thereafter the justice or judge who issued the warrant
4 shall cause to be left at the place where said liquor was seized, if said
5 place be a dwelling house, store or shop, posted in some conspicuous
6 place on or about said buildings, and also to be left with or at the last
7 known and usual place of residence of the person named or described
in said information as the owner or keeper of said liquor, if he be a resident of this state, a notice, summoning such person, and all others whom it may concern, to appear before said justice or judge within the county at a place and time named in said notice, which time shall not be less than five nor more than fifteen days after the posting and leaving of said notices, and show cause, if any they have, why said liquor, together with the vessels in which the same is contained, should not be forfeited; and said notice shall, with reasonable certainty, describe said liquor and vessels, and shall state where, when and why the same were seized. At the time and place prescribed in said notice, the person named in said information, or any other person claiming an interest in said liquor and vessels, or any part thereof, may appear and show cause why the same should not be forfeited.

If any person shall so appear, he shall become a party defendant in said case, and said justice or judge shall make a record thereof. Whether any person shall so appear or not, said justice or judge shall, at the prescribed time, proceed to the trial of said case, and said complainants or either of them may, and upon their default the officer having such liquor in custody shall, appear before said justice or judge and prosecute said information, and show cause why such liquor should be adjudged forfeited. The proceeding in the trial of such case may be the same, substantially, as in cases of misdemeanor triable before justices of the peace, and if any person shall appear and be made a party defendant as herein provided, and shall make written plea that said liquor, or a part thereof claimed by him, was not owned or kept with intent to be sold in violation of this chapter, and was not purchased or procured as the result of solicitation, nor illegally transported, such party defendant may, at his option, demand a jury to try the issue, and if, upon the evidence presented, the said justice or judge or jury, as the case may be, shall, by verdict, find that said liquor was, when seized, owned or kept by any person, whether said party defendant or not, for the purpose of being sold in violation of this chapter or was purchased or procured as the result of solicitation or has been unlawfully transported, the said justice or judge shall render judgment that said liquor, or said part thereof, with the vessels in which it is contained, is forfeited. If no person be made defendant in manner aforesaid, or if judgment be in favor of all the defendants who appear and are made such, then the costs of the proceeding shall be paid as in ordinary criminal prosecutions where the prosecution fails. If the judgment shall be against only one party defendant appearing as aforesaid, he shall be adjudged to pay all the costs of proceedings in the seizure and detention of the liquor claimed by him, and trial, up to the time of judgment. But if such judgment shall be against more than one party defendant claiming distinct interests in said liquor, then the costs of said proceedings and trial shall be, according to the discretion of said justice or judge, equitably apportioned among said defendants, and execution shall be issued on said judgments against said defendants for the amount of the costs so adjudged against them. Any person appearing and becoming party defendant as aforesaid may in cases arising before a justice of the peace appeal from said judgment of forfeiture, as to the whole or any part of said liquor and vessels claimed by him and so adjudged forfeited, to the district court, as in ordinary cases of misdemeanor. In any such proceeding where the judgment is against the state, it shall have the same right of appeal
§ 977. Destruction of liquor and vessels.

1 When it shall be finally decided by any other than the district court that liquor seized as aforesaid is forfeited, the court rendering final judgment of forfeiture shall forthwith file in the office of the clerk of the district court in the county a certified transcript of such judgment and the officer having said liquor in custody shall forthwith deliver the same to the sheriff, taking itemized receipts therefor and shall file one of said receipts with the clerk of the district court and the other with the court rendering said judgment. The clerk of the district court shall file the transcript as soon as received and enter a memorandum thereof and the date of filing in the judgment docket and from such entry it shall be treated in all respects and in its enforcement as a judgment in the district court. When it shall be finally decided that any liquor so seized is not liable to forfeiture, the court by whom such final decision shall be rendered shall issue a written order to the officer having the same in custody, or to some other peace officer, to restore said liquor, with the vessels containing the same, to the place where it was seized, as nearly as may be, or to the person entitled to receive it, which order the officer shall obey, and make return thereon to the court of his acts thereunder, and the costs of the proceeding in such case attending the restoration, as also the costs attending the destruction of such liquor in case of forfeiture, shall be taxed and paid in the same manner as is provided in case of ordinary criminal prosecutions where the prosecution fails. When a transcript has been filed or a judgment has been entered in the district court decreeing a forfeiture of any intoxicating liquors the court, or a judge thereof in vacation, may direct the disposition of such liquor and the vessels containing the same by ordering the destruction thereof, or by ordering any portion thereof consisting of alcohol, brandies, wine or whisky delivered for medicinal or scientific purposes to any state or reputable hospital in the county or adjoining counties, and shall order any balance remaining, and the vessels containing the same, turned over to the state board of control to be dispensed to any state institution or reputable hospital in the state of Iowa to be used for medicinal or scientific purposes. The state board of control shall issue to the court under whose order the said liquor was delivered to it a receipt stating the kind and quantity of liquor delivered to it and shall keep a strict account of all liquors received and dispensed and shall make a full and complete report of all such transactions each year to the governor of the state.

It shall be the duty of the clerk of the district court to call to the attention of the court on the first day of each term all judgments for the forfeiture of intoxicating liquor and for the disposition of which no order has been theretofore made and the court shall thereupon enter an order for the disposition of such liquors. Upon the entry of any order for the disposition of any intoxicating liquors which have been adjudged forfeited, the clerk shall forthwith transmit a certified...
copy thereof to the sheriff for execution and the sheriff shall imme-
48 diately take possession of such liquors, and the vessels containing
the same, and make disposition thereof in accordance with such order,
and make return of his doings to the court. When any such liquor is
ordered delivered or shipped the sheriff shall securely attach to the
box or package containing the same a certified copy of the order of
the court and thereupon any railway company, express company or
other common carrier may receive, transport, and deliver such liquor
to the consignee. The cost of packing and transportation shall be paid
by the consignee receiving such liquor. The sheriff shall take receipts
for any liquor disposed of under the provisions of this section show-
ing in detail the kind and quantity of liquor delivered, the character
of the vessels containing the same, the date and manner of delivery
and, if delivery is made by common carrier, the name of such carrier.
Such receipt shall be attached by the sheriff to and filed with the
return of his doings as herein provided for.

Any statute of this state providing for the destruction of intoxi-
cating liquors shall be construed so that the disposition of such liquors
under the provisions of this section shall constitute a destruction
thereof within the meaning of such statute.

an oath in the same form and of the same effect as to penalties for
testifying falsely as if administered in court.
[C., '97, § 2441.]

1 On the application to remit the tax, the owner of the property
may be heard in support of the same, and evidence of the general reputa-

a majority vote of the board of supervisors that the tax is proper, it
shall stand, otherwise it shall be remitted, and the board shall enter
its order on its record. Either the petitioner or the county attorney
may appeal to the district court, and if the petitioner appeals he shall
be required to give bond for the costs which have accrued, or may
accrue in the further progress of the case. Notice of the appeal shall
be served upon the appellee or his attorney, and upon the county audi-

from such action is taken, or if on an appeal to the district court the
tax is ordered to be remitted, the auditor shall certify the fact to the
treasurer, who shall mark the tax on his books as remitted, and shall
not collect the same, and if an installment of tax has already been
paid, it shall be refunded by the board of supervisors. If any sale
of real property has been made for a tax which is afterwards remitted,
the title of the purchaser shall become void and the amount paid by
such purchaser shall be refunded by the county. If any application
for the remission of the tax is refused by the board of supervisors,
and no appeal therefrom is taken, or if on appeal to the district court
the tax is confirmed, the costs of the whole proceeding shall be certified

SEC. 1015. Trial on appeal—judgment against property.

On the appeal the trial shall be conducted as an equitable cause,
and the first term shall be the trial term. Should it appear, either on
the trial before the board of supervisors or in the district court, that
there have been sales of intoxicating liquors made in or upon the
premises listed for taxation, the tax shall be confirmed against the
person, corporation or partnership conducting the business, and if it
appears that the wrong name or an alias has been used, then the rec-
ord and assessment list may be amended and the true name inserted;
and if it shall appear at such trial that the owner or his agent knew,
or by the use of reasonable care or diligence might have known, of the
sales of intoxicating liquors as aforesaid, the tax shall be confirmed
against the property by an order of record, and the clerk of the dis-
trict court shall certify such fact to the county auditor, with the

[C., '97, § 2444.]
SEC. 1016. Tax divided and apportioned.

The revenue derived from the tax provided for in this chapter shall be paid into the county treasury, one-half to go into the general county fund, and the remainder to be paid over to the municipality in which the business taxed is conducted. If such business is conducted outside the limits of a city or town then the tax now in hands of county treasurers, or that shall hereafter be collected from such business, shall be apportioned as follows: One-half to the general county fund and the other one-half to the clerk of the township in which such business is conducted. The clerk of the township shall apportion the amount so received by him equally among the road supervisors of the territory of the township outside of the city or town, to be by said road supervisors expended for the improvement of the roads of the districts. In counties where a tax on the traffic in intoxicating liquors is paid into and belongs to the county treasury, the board of supervisors may transfer the same or any part thereof to the county road fund and expend the same upon the roads of the county; and that portion of such revenue derived from such business conducted inside the limits of a city, including cities under special charter, or town, the board may expend all or any part thereof upon the permanent improvement of streets within such city or town abutting upon agricultural or horticultural lands not subject to taxation for general municipal purposes.

It shall be the duty of the county attorney of each county to see that the provisions of this chapter relating to the mulct tax are enforced, and the district court or any judge thereof shall suspend or remove from office any county attorney who shall wilfully refuse or neglect to perform any such duty. Such suspension or removal may be made upon application of any citizen residing in the county, but shall not take place except upon due notice to said officer and trial in court, and the provisions of this section shall apply to assessors, county treasurers and members of boards of supervisors whose duty it is to enforce them.

[C., '97, § 2446.]

SEC. 1018. Effect of payment.

Nothing contained in this chapter so far as it relates to the mulct tax shall be in any way construed to mean that the business of the sale of intoxicating liquors is in any way legalized, nor as a license, nor shall the assessment or payment of any tax for the sale of liquors as aforesaid protect the wrongdoer from any penalty now provided by law.

[C., '97, § 2447.]

CHAPTER 9.

HOUSES OF PROSTITUTION.

SECTION 1028. Houses of prostitution and equipment thereof de­
clared a nuisance—injunction.

Whoever shall erect, establish, continue, maintain, use, own or
lease any building, erection or place used for the purpose of lewdness,
assignation or prostitution is guilty of a nuisance, and the building,
errection or place, or the ground itself, in or upon which such lewd-
ness, assignation or prostitution is conducted, permitted or carried
on, continued or exists, and the furniture, fixtures, musical instru-
ments, and movable property used in conducting or maintaining such
public nuisance, are also declared a nuisance and shall be enjoined and
abated as hereinafter provided.

[S. S., '15, § 4944-h1.]

SEC. 1029. Injunction—procedure.

When a nuisance is kept, maintained or exists, as defined in this
chapter, the county attorney or any citizen of the county or any so-
diety, association or body, incorporated under the laws of this state,
may maintain an action in equity in the name of the state of Iowa,
upon the relation of such county attorney, citizen, or corporation to
perpetually enjoin said nuisance, the person or persons conducting or
maintaining the same from further conducting or maintaining the
same and the owner or agent of the building or ground upon which
said nuisance exists from further permitting such building or ground
or both to be so used. The defendants shall be served therein as in
other actions and in such action the court, or judge in vacation, shall
upon the presentation of a petition therefor alleging that the nuisance
complained of exists, allow a temporary writ of injunction without
bond, if the existence of such nuisance shall be made to appear to the
satisfaction of the court or judge by evidence in the form of affidavits,
 depositions, oral testimony or otherwise as the complainant may elect,
unless the court or judge by previous order, shall have directed the
form and manner in which such evidence shall be presented. Where
a temporary injunction is prayed for, the court or judge in vacation,
on the application of plaintiff, may issue an ex parte restraining or-
der, restraining the defendants and all other persons from removing
or in any manner interfering with the furniture, fixtures, musical
instruments and movable property used in conducting the alleged
nuisance, until the decision of the court or judge granting or refusing
such temporary injunction and until the further order of the court
thereon. The restraining order may be served by handing to and
leaving a copy of said order with any person in charge of said prop-

Tit. V, Ch. 9.

28 or residing in the premises or apartment wherein the same is
29 situated, or by posting a copy thereof in a conspicuous place at or
30 upon one or more of the principal doors or entrances to such prem-
31 ises or apartment where such nuisance is alleged to be maintained, or
32 by both such delivery and posting. The officer serving such restrain-
33 ing order shall forthwith make a return into court and inventory of the
34 personal property situated in and used in conducting or maintaining
35 such nuisance. Any violation of such restraining order shall be a con-
36 tempt of court, and where such order is so posted, mutilation or re-
37 moval thereof, while the same remains in force, shall be a contempt
38 of court, provided such posted order contains therein or therein a
39 notice to that effect. Three days’ notice in writing shall be given the
40 defendants of the hearing of the application for temporary injunction,
41 and if then continued at the instance of defendant, the temporary
42 writ, as prayed, shall be granted as a matter of course. Each de-
43 fendant so notified shall serve upon the complainant or his attorney
44 a verified answer on or before the date fixed in said notice for said
45 hearing, and such answer shall be filed with the clerk of the district
46 court of the county wherein such cause is triable, but the court may
47 allow additional time for so answering, providing such extension of
48 time shall not prevent the issuing of said temporary writ as prayed
49 for. The allegations of the answer shall be deemed to be traversed
50 without further pleading. When an injunction has been granted, it
51 shall be binding on the defendants throughout the judicial district in
52 which it was issued, and any violation of the provisions of the injunc-
53 tion herein provided shall be a contempt as hereinafter provided.

[S. S., '15, § 4944-h2.]

1 The action when brought shall be noticed for and triable at the
2 first term of the court the same as other actions triable in the district
3 court of such county, and in such action evidence of the general repu-
4 tation of the place shall be competent for the purpose of proving the
5 existence of said nuisance and shall be prima facie evidence of such
6 nuisance and of knowledge thereof and of acquiescence and participa-
7 tion therein on the part of the owners, lessors, lessees, users and all
8 those in possession of or having charge of, as agent or otherwise, or
9 having any interest in any form of property used in conducting or
10 maintaining said nuisance. If the complaint is filed by a citizen or
11 a corporation, it shall not be dismissed except upon a sworn state-
12 ment made by the complainant and his attorney, setting forth the
13 reasons why the action should be dismissed, and the dismissal ap-
14 proved by the county attorney in writing or in open court. If the
15 court is of the opinion that the action ought not to be dismissed, he
16 may direct the county attorney to prosecute said action to judgment
17 at the expense of the county, and if the action is continued more than
18 one term of court, any citizen of the county or the county attorney
19 may be substituted for the complaining party and prosecute said ac-
20 tion to judgment. If the action is brought by a citizen or a corpora-
21 tion and the court finds there were no reasonable grounds or cause
22 for said action, the costs may be taxed to such citizen or corporation.

[S. S., '15, § 4944-h3.]

SEC. 1031. Violation of injunction—procedure to establish—penalty.

In case of the violation of any injunction granted under the provisions of this chapter, or of a restraining order or the commission of any contempt of court in proceedings under this chapter, the court, or in vacation, a judge thereof, may summarily try and punish the offender. The proceedings shall be commenced by filing with the clerk of the court a complaint under oath, setting out and alleging facts constituting such violation, upon which the court or judge shall cause a warrant to issue, under which the defendant shall be arrested. The trial may be had upon affidavits or either party may demand the production and oral examination of the witnesses. A party found guilty of contempt under the provisions of this chapter shall be punished by a fine of not less than two hundred nor more than one thousand dollars or by imprisonment in the county jail not less than three nor more than six months or by both fine and imprisonment.

[S. S., '15, § 4944-h4.]

SEC. 1032. Order of abatement—sale of property—building to be closed—contempt.

If the existence of the nuisance be admitted or established in an action as provided in this chapter, or in a criminal proceeding in the district court, an order of abatement shall be entered as a part of the judgment in the case, which order shall direct the removal from the building or place of all fixtures, furniture, musical instruments or movable property used in conducting the nuisance, and shall direct the sale of such in the manner provided for the sale of chattels under execution, and shall direct the effectual closing of the building or place against its use for any purpose, and so keeping it closed for a period of one year, unless sooner released as hereinafter provided. If any person shall break and enter or use a building, erection or place so directed to be closed, he shall be punished as for contempt as provided in the preceding section. For removing and selling the movable property, the officer shall be entitled to charge and receive the same fees as he would for levying upon and selling like property, on execution, and for closing the premises and keeping them closed, a reasonable sum shall be allowed by the court.

[S. S., '15, § 4944-h5.]

SEC. 1033. Duty of county attorney—proceeds of sale.

In case the existence of such nuisance is established in a criminal proceeding in a court not having equitable jurisdiction, it shall be the duty of the county attorney to proceed promptly under this chapter to enforce the provisions and penalties thereof, and the finding of the defendant guilty in such criminal proceedings, unless reversed or set aside, shall be conclusive as to the existence of the nuisance. All moneys collected under this chapter shall be paid to the county treasurer. The proceeds of the sale of the personal property as provided in the preceding section, shall be applied in payment of the costs of the action and abatement or so much of such proceeds as may be necessary, except as hereinafter provided.

[S. S., '15, § 4944-h6.]
SEC. 1034. Release of property on filing bond.

If the owner of the premises in which said nuisance has been maintained appears and pays all costs of the proceeding, and files a bond with sureties to be approved by the court in the full value of the property, to be ascertained by the court, or in vacation, by the judge thereof, conditioned that he will immediately abate said nuisance and prevent the same from being established or kept therein within a period of one year thereafter, the court, or in vacation the judge, if satisfied of his good faith, may order the premises closed or sought to be closed under the order of abatement, to be delivered to said owner, and said order of abatement canceled so far as the same may relate to said real property. The release of the property under the provisions of this section shall not release it from the injunction herein provided against the property nor any of the defendants nor from any judgment, lien, penalty or liability to which it may be subject by law.

[S. S., '15, § 4944-h7.]

SEC. 1035. Assessment and distribution of tax.

When a permanent injunction issues against any person for maintaining a nuisance as herein defined, or against any owner or agent of the building kept or used for the purpose prohibited by this chapter, there shall be imposed upon said building and the ground upon which the same is located and against the person or persons maintaining said nuisance, and the owner or agent of said premises, a tax of three hundred dollars. The imposing of said tax shall be made by the court as a part of the proceeding, and the clerk of said court shall make and certify a return of the imposition of said tax forthwith to the county auditor, who shall enter the same as a tax upon the property and against the persons upon which or whom the lien was imposed as and when other taxes are entered, and the same shall be and remain a lien on the land upon which lien was imposed until fully paid; provided that any such lien imposed while the tax books are in the hands of the auditor shall be immediately entered therein. The payment of said tax shall not relieve the persons or property from any other penalties provided by law. The provisions of the law relating to the collection of taxes in this state, the delinquency thereof and sale of property for taxes shall govern in the collection of the tax herein prescribed in so far as the same are applicable, and the said tax collected shall be applied in payment of any deficiency in the costs of the action and abatement on behalf of the state to the extent of such deficiency after the application thereto of the proceeds of the sale of personal property as hereinbefore provided, and the remainder of said tax together with the unexpended portion of the proceeds of the sale of personal property shall be distributed in the same manner as fines collected for the keeping of houses of ill fame, excepting that twenty per cent of the amount of the whole tax collected and of the whole proceeds of the sale of said personal property as provided in this chapter shall be paid by the treasurer to the attorney representing the state in the injunction action, at the time of final judgment.

[S. S., '15, § 4944-h8.]
STATE FIRE MARSHAL. §§ 1036-1038.

SEC. 1036. Tax assessed against person served or appearing—service—unknown claimants—modification of order.

When such nuisance has been found to exist under any proceeding in the district court or as in this chapter provided, and the owner or agent of such building or ground whereon the same has been found to exist, was not a party to such proceeding, nor appeared therein, the said tax of three hundred dollars shall, nevertheless, be imposed against the persons served or appearing and against the property as in this chapter set forth. The person in whose name the real estate affected by the action stands on the books of the county auditor for purposes of taxation shall be presumed to be the owner thereof, and in case of unknown persons having or claiming any ownership, right, title, or interest in property affected by the action, such may be made parties to the action by designating them in the summons and complaint as “all other persons unknown claiming any ownership, right, title, or interest in the property affected by the action” and service thereon may be had by publishing such summons in the manner prescribed in section seventy-one hundred eighty-five. Any person having or claiming such ownership, right, title or interest, and any owner or agent in behalf of himself and such owner may make, serve and file his answer therein within twenty days after such service and have trial of his rights in the premises by the court; and if said cause has already proceeded to trial or to findings and judgment, the court shall by order fix the time and place of such trial and shall modify, add to or confirm such findings and judgment as the case may require. Other parties to said action shall not be affected thereby.

[S. S., '15, § 4944-h9.]

SEC. 1037. Construction of statute.

Should any provision or item of this chapter be held to be unconstitutional, such fact shall not be held to invalidate the other provisions and items thereof.

1 No person or persons shall cause or give a false alarm of fire, by
2 setting fire to any combustible material, or by crying or sounding an
All buildings, structures or inclosures of three or more stories and such other buildings of a less number of stories as are included by law and which buildings are not equipped with fire escapes or which buildings may hereafter be erected or the fire escapes of which are renewed or in need of renewal, shall be equipped with such protection against fire and means of escape as is by law provided. The word "building" used in the law relating to fire escapes and protection against fire and means of escape from buildings shall be held to include all of the structures or inclosures embraced in this section or referred to more specifically in the law relating to fire escapes, protection against fire and means of escape from buildings. When a basement is five feet or over above ground it shall be counted as a story.

Every building, structure or inclosure of three or more stories and every schoolhouse of two stories and not provided with two inside stairways located approximately at each end of the hallway in the second story and every structure having a stage, and every theater or opera house of more than one story, or having balconies or galleries, shall have the number of fire escapes of the kind prescribed by law, which minimum number shall be based upon the following formula:

Number of fire escapes = \(C \times P\)

P equals the average maximum number of persons on any story above the first story having the largest number; such number to be fixed and determined according to the purpose for which the building is used.

C is a coefficient and is fixed and shall be taken for the various classes of buildings as follows:

1. Buildings having wooden or combustible walls, C equals .020.
2. Buildings having brick or noncombustible walls with combustible interior, C equals .014.
3. Buildings having brick or noncombustible walls and noncombustible roof and slow burning construction, C equals .012.
5. Buildings of wooden or combustible walls equipped with efficient water sprinkler system, C equals .014.
6. Buildings having brick or noncombustible walls with com-
§ 1062. Fireproof buildings equipped with efficient water sprinkler system, C equals .003.

When the result of the said formula is one or any fraction thereof the number of escapes shall be equal to one. The number of escapes above one shall be a number sufficient to cover the number indicated by the formula, including any fraction as unity, except when such fraction shall be thirty-three hundredths or less, in which case the fraction may be dropped if permitted by the inspector.

The first fire escape required by law shall be placed as far as possible from the existing inside stairway or exits to the lower floors of the building, taking into account the hazard and the path or route of access to the escape from such stairway.

The distance from any inside stairway or exit to the nearest fire escape shall not exceed two hundred feet by way of the path or route of access to such fire escape from such stairway or exit.

Additional fire escapes to those otherwise provided by law shall be provided wherever it is necessary to pass within twenty feet of any stairway or elevator shaft from any portion of the building more than twenty feet from such stairway or shaft to reach the fire escape required by the other provisions of law and where there are peculiar, unusual or extreme hazards additional fire escapes may be required by those authorized by law to regulate and fix the number and requirements of fire escapes.

But if by reason of the height of buildings or by reason of many or all stories above the second story of such buildings having near the average maximum of persons of any one floor above the first, such buildings shall be equipped with a sufficient number of fire escapes to permit the exit of such average maximum number of persons occupying such buildings above the first story, permanently, or temporarily in the course of business within the following periods of time:

Buildings with wooden or combustible walls, two minutes; buildings having brick or noncombustible walls with combustible interior, three minutes; buildings having brick or noncombustible walls and noncombustible roof and slow burning interior construction, four minutes; buildings of fireproof construction throughout, fifteen minutes; or a less period of time if hazard of merchantable contents of such building may so require; and in estimating the period of time required the rate of descent on the fire escapes shall not be taken in excess of one and five-tenths feet of vertical distance, or height per second, when said fire escapes are fully loaded, which rate of descent shall be estimated to permit the exit of not to exceed one person per second; but the time of complete exit as herein provided may be increased where efficient sprinkler systems are installed, such increase of time to be determined by the character and efficiency of the sprinkling system installed unless peculiar or unusual hazards shall exist.

[S. S., '15, § 4999-a7.]
SEC. 1063. Fire escapes—how constructed—location of escapes to be shown—interior arrangement.

All fire escapes shall be constructed as described in the following classifications:

Class A. Fire escapes of this class shall consist of those more safe and efficient than outside ladders and stairways and which shall have been approved as such by the commissioner of the bureau of labor statistics, and may include inside stairways and means of escape in fireproof buildings when approved by said commissioner.

Class B. Fire escapes of this class shall consist of a suitable outside stairway of not less than twenty-two inches clear width of steel or wrought iron constructed with platforms and with stationary stairway carried down to within six and one-half feet from the ground or with a drop or counterbalanced stairway from the second story platform or balcony to the ground.

Class C. Fire escapes of this class shall consist of at least one ladder not less than eighteen inches in width of steel or wrought iron construction of sufficient size and strength for safety attached to the outside walls of the building and provided with platforms of steel or wrought iron inclosed by suitable railings and of such dimensions and in such proximity to the windows of each story above the first so as to render access to the ladder from each story easy and safe, the said ladder to extend to within six and one-half feet from the ground or be provided with a drop ladder hung at the second story in such a manner that it can be easily lowered for use. All fire escapes reaching the top floor shall have suitable extensions reaching from the upper platform to safe landing on the roof of building.

All of the above classes of fire escapes shall be of suitable material, construction, arrangement and location to make the same safe and efficient and no fire escape of a higher class shall be less safe and efficient than of a lower class and the provisions of each lower class with respect to platforms, access to windows and openings and sufficiency of strength shall apply to the upper class except where allowed to be modified by those having authority.

All fire escapes of any of the foregoing classes shall have such necessary windows or openings leading to the platforms or balconies of the same as shall be necessary to make the same safe and efficient, and all routes or paths of access to said fire escapes shall be safe and sufficient, with all doors of rooms leading to fire escapes one-half glass and equipped with mortise latches or equivalent that the same may be easily and quickly opened by breaking the glass and turning the latches from the inside of the doors, all so as to render access to the fire escape from each floor above the first easy and safe. All windows or doors leading to the platforms of fire escapes shall not be fastened against exit.

The attachment of all fire escapes shall be made in a thorough and substantial manner and sufficient to carry the full load that may be placed on said fire escapes when the same are crowded, with a factor of safety of not less than four.

Suitable signs indicating the location of fire escapes shall be posted at all entrances to elevators, stairways, landings and in all rooms. In all buildings which are used for lodging or sleeping purposes and in opera houses, theaters and public assembly halls red lights shall be maintained at night or when the buildings are dark-
SEC. 1064. Class of escapes to be supplied—certain classes forbidden—discretionary power of commissioner—stairways.

Hotels, lodging houses, tenements, apartment buildings, schools, retail or department stores, seminaries, and college buildings, office buildings, hospitals, asylums, opera houses, theaters, assembly halls and factories required to be equipped by law shall be equipped with escapes of class "A" or class "B". All other buildings and structures required to be equipped with fire escapes shall be equipped with some one or more of said classes of fire escapes.

Class "C" shall not be used on any building over three stories in height in which more than five persons are at any one time allowed upon any one of the floors above said third story nor where any of the persons allowed upon any floor above the third story are females or minors; provided, however, the commissioner of the bureau of labor statistics may under peculiar conditions and where the hazards are not great permit fire escapes of class "C" to be used on buildings of more than three stories, but when ladder fire escapes are permitted on buildings more than three stories in height the ladders thereof must be offset at the platforms and not be continuous from one story to the next.

Where stairways not less than forty-four inches in clear width are provided they shall be taken as the equivalent of two or more single stairways in proportion to their width, provided the means of escape and efficiency and safety of said escapes are not thereby diminished.

SEC. 1065. Doors to open outward and be unfastened.

The entrance and exit doors of all hotels, churches, lodge halls, courthouses, assembly halls, theaters, opera houses, colleges and public schoolhouses and other structures where the hazard is deemed sufficient by the inspector and the entrance doors to all class and assembly rooms in all public school buildings shall open outward and shall not be fastened against exit or so the same can not be easily opened from within.

SEC. 1066. Chief of fire department, mayor, or chairman board of supervisors as building inspector—duty—labor commissioner—duty—specifications to be adopted—appeal to commissioner—rules and regulations adopted and published.

It shall be the duty of the building inspector in cities having such officer and if there be no such officer, then the chief of the fire department, and if there be no chief of a paid fire department, the mayor of each city or town or if the building is not within the corporate limits of any city or town, then the chairman of the board of supervisors shall inspect and they shall be the inspectors of all fire escapes within their respective jurisdictions, except such buildings as hotels and factories as are required otherwise to be inspected by law, and they shall as often as necessary and whenever complaint is made carefully inspect and examine such fire escapes and such inspection shall...
include all paths or routes of access between any interior exit to a lower floor and said fire escapes and shall include the openings and means of access to the said fire escapes and shall include signs, lights, exits and means of escape of all buildings required to be equipped with fire escapes and required to have certain exits and means of escape, and upon the complaint or request of any person that any fire escape, exit or means of escape from fire or any rule or regulation relative thereto or relative to protection against fire is being violated, such inspector shall examine into the complaint or request and determine what, if any, requirements should be made in relation thereto, and shall have power to make all reasonable requirements and regulations in conformity with law and to determine all matters with respect to fire escapes, protection from fire and means of escape from buildings. Said inspectors, however, shall be subject to and their duties shall not conflict with the duties of inspection of the commissioner of the bureau of labor statistics, the engineer of the state board of health and their assistants or deputies.

The commissioner of the bureau of labor statistics shall have general charge and supervision of the inspection and regulation of fire escapes and means of escape and of the enforcement of the law relating thereto, and for this purpose the inspectors named herein shall be subject to his direction and to the rules and regulations adopted by such commissioner. The said commissioner shall adopt standard uniform specifications for the various classes of fire escapes provided by law and shall keep such specifications on file in his office and shall furnish copies of such specifications to all persons made by law inspectors of fire escapes and means of escape from fire, and such persons shall keep the same on file in their respective offices.

It shall be the duty of any inspector required by law to inspect fire escapes or means of escape from fire to serve or cause to be served a written notice in behalf of the state of Iowa upon the owner if he be a resident of the county in which the buildings are situated, or if he be a nonresident of such county, then upon his agent or lessee, that the buildings within this state are not provided with fire escapes in accordance with the provisions of this chapter, or that the fire escapes or means of escape from fire are defective, unsafe or dangerous, notifying such owner of such want of fire escapes, condition of the building, defective, dangerous or unsafe means of escape from fire or any matter relating thereto and notifying him to comply with the law and requirements of the inspector or commissioner within sixty days after the service of such notice, provided the time of such notice may be extended by the commissioner of the bureau of labor statistics if necessary.

The owner, by himself, his agent or lessee, may appeal from the action or requirement of any inspector at any time within the said sixty days after the service of such notice by a written communication addressed to said commissioner, setting forth such objections as may be taken to the complaint, requirement or regulation of such inspector and it shall be the duty of the commissioner to pass upon and determine all matters of disagreement relating to fire escapes and the means of escape from fire from buildings and all rules, regulations, findings and orders of the commissioner shall be reasonable and not unduly burdensome wherever it is within the discretion of the commissioner.
The commissioner of the bureau of labor statistics shall make all necessary rules and regulations to carry out the purpose of this law and for all buildings wherever constructed and have the same printed in pamphlet form for distribution and he shall have the power to approve any and all plans relating to fire escapes of the various classes, and it shall be his duty to see that the same conform to the law and to make rulings and orders relative thereto, and where any dispute or disagreement arises with respect to the plans and specifications for any fire escapes or means of escape from fire the commissioner shall have the power and authority to determine and pass upon the same and make orders relative thereto. Said inspector shall, subject to the final decision of the commissioner, have power to determine the number of exits from all theaters, opera houses and assembly halls and those having one or more balconies and the relation of such exits to the fire escapes, and shall require and enforce the requirement that all exits shall not be fastened against exit.

All matters connected therewith shall be filed with the secretary and preserved for five years as a part of the records of the board, during which time they shall be open to public inspection. In all examinations made or proceedings had pursuant to the provisions of this chapter, any member of the board may administer oaths and take testimony in any manner authorized by law. Anyone failing in his examination shall be entitled to a second one, within three months thereafter, without further fee. If any person shall by notice in writing apply to the secretary of the board for an examination or reexamination, and it fails or neglects for three months thereafter to give him the same, he may, notwithstanding any provision of this chapter, practice medicine until the next regular meeting of the board without the required certificate.

SECTION 1444. Milk license—revocation.

1 No person, firm or corporation shall sell milk or cream in, or to be
2 used in, any municipal corporation except for the purpose of supplying
3 the same to an establishment for the purpose of manufacture, without
4 being licensed by the state dairy and food commissioner, and the fee
5 for such license shall be one dollar for each place or vehicle from which
6 sale is made. Every such license shall expire July fourth next after
7 its issue; shall be given only to a person owning or leasing the vehicle
8 or place from which sales are to be made, and shall not be transferable.

13 to whom the license is issued shall appear on both sides of each vehicle,
14 in letters not less than two inches in height and there shall be such
15 contrast between the color of the letters and the background as shall
16 render the letters plainly legible. Every sale from a vehicle not so
17 inscribed shall be deemed a violation of this section. But nothing
18 herein shall be construed as requiring persons to procure such license
19 unless such person shall sell milk or cream from a store or vehicle.
20 The commissioner may withhold a license from any applicant therefor
21 whom he may deem unworthy and he may revoke any license issued
22 by him to any person who has violated the terms thereof, or who has
23 failed to comply with any requirements of this or the preceding chap-

25 every conviction of the licensee for an offense punishable under this
26 or the preceding chapter shall be sufficient grounds for such revo-
27 cation.

SEC. 1445. Impure or skimmed milk or cheese—sale—labels.

1 No person shall sell, exchange, or expose for sale, or exchange, or
2 deliver or bring to another for domestic or potable use, or to be con-
3 verted into any product of human food, any adulterated, or mis-

8 any skimmed milk unless each receptacle and carrying can containing
9 the same shall be kept plainly marked on the side thereof with the
10 words “Skimmed Milk” in the English language in plain letters not
11 less than one inch in height, provided that skimmed milk sold in
12 bottles shall be deemed to be properly marked if the cap shall be
For the purpose of this chapter, milk is the fresh, clean, lacteal secretion obtained by the complete milking of one or more healthy cows, properly fed and kept. For the purpose of this chapter, cream is the portion of milk, rich in milk-fat, which rises to the surface of milk on standing, or is separated from it by centrifugal force, is fresh and clean.

For the purpose of this chapter, skimmed milk is the portion of milk, poor in fat, from which the cream has been removed. The term "skimmed milk" shall also include the fresh, clean, lacteal secretion of one or more healthy cows and containing less than three per cent of milk-fat or less than eleven and one-half per cent of milk solids.

For the purpose of this chapter, milk, cream and skimmed milk shall be deemed to be adulterated:

1. If water or any other substance has been added.
2. If it contains any visible dirt or be contained in any container which is not clean.
3. If it be obtained from any animal having disease, sickness, ulcer, abscess or running sore or which has been obtained from a cow within fifteen days before or five days after calving.
4. If it be obtained from a cow stabled in an unhealthful place or fed upon any substance in a state of putrefaction or of an unhealthful nature.

In case of milk: If it contains less than three per cent of milk-fat or less than eleven and one-half per cent of milk solids.

In case of cream: If it contains less than sixteen per cent of milk-fat.

For the purpose of this chapter, milk, cream and skimmed milk shall be deemed to be misbranded:

1. If it be labeled or branded so as to deceive or mislead the purchaser, or if the package bears any statement, design or device which is false or misleading in any particular.

For the purpose of this chapter, cheese is the sound, ripened product made from milk or cream by coagulating the casein with rennet or lactic acid with or without the addition of ripening ferments, seasonings and color, and contains not less than thirty per cent of milk-fat. For the purpose of this chapter, skimmed milk cheese is the sound and ripened product made from skimmed milk as defined in this section, by coagulating the casein thereof with rennet or lactic acid, with or without the addition of ripening ferments, seasoning, and color and containing less than thirty per cent of milk-fat.

No person shall offer or expose for sale any skimmed milk cheese without the same being plainly and durably branded or marked on the side or top of both cheese and package in the English language with the words "Skimmed Milk Cheese" in letters to be not less than one inch in height and one-half inch in width.

Every article, substitute or compound, save that produced from pure milk of cows and containing no added substance, made in the semblance of or designed to be used for or in the place of evaporated milk, is hereby declared "Imitation Evaporated Milk," and every article, substitute or compound, containing any fat other than the milk-fat of milk cows, made in the semblance of or designed to be used for or in the place of [ice] cream, is hereby declared "Imitation Ice Cream."
§ 1446. DAIRY PRODUCTS. Tit. VII, Ch. 2.

No person, firm or corporation shall manufacture, have in his possession, offer to sell, or sell, solicit or take orders for delivery or ship any such imitation evaporated milk or imitation ice cream, except in the manner and subject to the regulations provided in this section.

Imitation evaporated milk and imitation ice cream may be manufactured, kept in possession, offered for sale, or sold, if each can, tub, box, or other package in which same is kept, offered for sale or shipped shall have plainly branded on the side or top thereof in the English language in a durable manner, the words “Imitation Evaporated Milk” or “Imitation Ice Cream” as the case may be, the letters of the words to be not less than one inch in height and one-half inch in width; provided, however, that on packages containing less than twenty ounces net of imitation evaporated milk the words “Imitation Evaporated Milk” may appear plainly printed on the principal label of the package in type not less than one-fourth inch in height and one-eighth inch in width.

Imitation evaporated milk and imitation ice cream may be kept, used or served only in case the proprietor or person in charge of the place in which such imitation evaporated milk or imitation ice cream is used, or served, shall display and keep constantly posted a card opposite each table, counter, or other places where the guests or others are served with the same, which card shall be white, at least ten by fourteen inches in size and the words “Imitation Evaporated Milk Used Here” or “Imitation Ice Cream Used Here,” as the case may be, printed in black roman letters not less than three inches in height and two inches in width and no other words or figures shall be printed thereon; provided, however, that this provision shall not apply to a private residence of a person serving his family or guests.

Nothing in this or the preceding section shall be construed to require the labeling of nut ice cream or ice cream flavored with chocolate or cocoa, “Imitation Ice Cream.”

SEC. 1446. Brand—containers—registration.

Any person, firm or corporation who buys, sells or transports skimmed milk, buttermilk, milk, cream or ice cream, may adopt a distinctive mark or brand to be placed on any container of such dairy products, owned by it, and may register such mark or brand with the state dairy and food commissioner, and when approved by the commissioner, such mark or brand shall be used only by the registrant thereof. The mark or brand may consist of the owner’s name and address or suitable abbreviations therefor or both.

It shall be unlawful for any person, firm or corporation to use any mark or brand which has been so registered by and approved for the use of any other person, firm or corporation.

It shall be unlawful for any person, firm or corporation, other than the rightful owner thereof, to use any container, marked or branded as in this section provided, for any other purpose or for the transportation or handling of any other commodity than skimmed milk, buttermilk, milk, cream or ice cream.

It shall be unlawful for any person, firm or corporation, other than the rightful owner thereof to deface, remove or injure any mark or brand, provided in this section, placed on any container.
It shall be unlawful for any person, firm or corporation to use any container marked or branded, as in this section provided, without the consent of the owner thereof.

It shall be unlawful for any person, firm or corporation to have in its possession for a longer time than three days any container marked or branded as in this section provided, without the consent of the owner thereof and any person, firm or corporation having in its possession any container not its own property, or sent it by the owner thereof for use, shall immediately return such container or containers, other than milk and cream bottles, to the owner by a common carrier, and a receipt from a common carrier shall be prima facie evidence that such container was returned. Milk and cream bottles, marked or branded as in this section provided, shall be returned by delivering them to the owner thereof or his agent or servant in person, or by leaving them where such owner, his agent or servant may pick them up at the time he delivers milk; provided that where the person, firm or corporation finds in its possession a container not its own property or sent it by the owner thereof for use and not knowing the name and address of the rightful owner shall immediately notify the state dairy and food commissioner in writing that such container is in its possession, describing to him the size and shape of container and the mark thereon. Upon receipt of shipping instructions from the state dairy and food commissioner he shall immediately forward same by a common carrier collect to the name and address furnished him by the state dairy and food commissioner. Nothing in this section shall require the return of any milk or cream bottle when the cost of returning such bottle is greater than the market value of the bottle.

The state dairy and food commissioner shall adopt and issue rules and regulations for carrying out the provisions of this section. The term container used in this section shall include cans, bottles, casks, kegs, barrels, packages, and other receptacles of like nature.

SEC. 1447. Misuse of dairy terms.

SEC. 1448. License to operate milk-testing apparatus—Iowa butter trademark.

No person shall operate a milk or cream testing apparatus duly approved by the state dairy and food commissioner, to determine the percentage of milk-fat in milk or cream for the purpose of purchasing the same either for himself or another without first securing a license from the dairy and food commissioner of this state, or from his duly appointed agent or representative, authorizing such person to so operate such tester. Any person desiring to secure such license shall make application therefor on a blank to be prepared and provided by the dairy and food commissioner, and such applicant before being
issued such license may be required to pass a satisfactory examination in person and prove by actual demonstration that he is competent and qualified to properly use such tester and make an accurate test with the same. Such license shall be valid for one year after its issue and a fee of two and one-half dollars shall be paid by the licensee to the state dairy and food commissioner before such license shall be issued. The dairy and food commissioner shall have authority to revoke any license issued under this section. The testing of each lot of milk or cream by any such unlicensed person shall constitute a separate offense, provided that any licensed person may for valid reasons appoint a substitute for a period not to exceed fourteen days, subject to the approval of the dairy and food commissioner. The fees collected under the provisions of this chapter shall be paid into the state treasury by the dairy and food commissioner.

For the purpose of insuring a higher standard of excellence and quality, a more uniform butter market, a higher market value for the butter manufactured in the state, and to insure a more healthful product for consumption at home and abroad, there is hereby created and adopted the following state trademark (or such modification thereof as may be made by the executive committee to meet the requirements of the United States copyright laws) for butter manufactured in the state of Iowa. The state trademark shall be controlled, used, manufactured and issued under such rules and regulations as may be found necessary, from time to time, by the said executive committee; such executive committee shall have power to make such changes in the rules and regulations for the use of said trademark as it may deem necessary from time to time.

The rules governing the use of such trademark shall be published by and through bulletins issued by the state dairy and food commissioner. Such labels, stamps, or other means of imprinting such trademark upon the manufactured product, or the receptacles containing the same shall be furnished to those entitled to the use thereof by the state dairy and food commissioner at actual cost.

The said executive committee is hereby directed and authorized to secure a copyright under the laws of the United States for trademarks, and copyrights for such trademark for butter, and the expenses thereof shall be paid for from the funds appropriated for the use of the state dairy and food department.

as have been recorded in some stud book recognized by the depart-

according to the methods hereinafter provided.

form, or if it is determined that any stallion or jack is transmitting
any of the said unsoundnesses, the department of agriculture may
upon investigation and examination, as provided for in section

service, if they consider him so unsound as to be unfit for breeding
purposes.

the door or stall of the stable where such animal is usually kept, and
where such animals are advertised each and every advertisement shall
contain a copy of such certificates or the substance thereof. Where
state certificate of enrollment has heretofore been issued by the state
board of agriculture an additional state certificate of enrollment shall
not be required, but application for certificate of soundness shall be
made as hereinafter provided. Any owner or keeper of a stallion or
jack over two years old other than registered offered for public service

service, sale, exchange or transfer, together with a copy of the
certificate of soundness issued by the secretary of the state board of
agriculture, and where such animals are advertised each and every

or jack shall select some recognized graduate or licensed veterinarian
to act with the state veterinarian and the said veterinarian shall, on

a license, then the expense of the consultation shall be paid by the
state board of agriculture out of funds collected for registration fees,
or if three or any two of the experts declare the stallion or jack not
to be eligible in accordance with the provisions of this chapter, the
expense incurred shall be paid by the person owning the animal and
it may be collected in the same manner as in any case of appeal in
civil action.

Said certificate must be filed with the secretary of the state board of agriculture, who shall issue a certified copy of said certificate of soundness without charge to said importer which shall serve as a temporary permit to offer said stallion for public service, sale, exchange or transfer until such time as original certificate of pedigree can be produced and state certificate of enrollment and soundness issued. Said temporary permit shall be invalid after ninety days from date of issue.

[S., '13, § 2341-l.]

A., ch. 188]. Violation of this provision shall be punished as provided in section eighteen hundred twelve.

[S., '13, § 2341-n.]

secretary of the state board of agriculture with a fee of one dollar
for renewal.

who shall post or publish or cause to be posted or published any false
pedigree or certificate of soundness, or shall use any stallion or jack
over two years old for public service, or sell, exchange or transfer
any stallion or jack over two years old, representing such animal to
be registered, without first having such animal registered, and obtaining
the certificate of enrollment and certificate of soundness from the
state board of agriculture, as hereinbefore provided, or who shall
violate any of the preceding provisions of this chapter, shall be guilty
of a misdemeanor, and be punished by a fine of not more than one
hundred dollars, or imprisoned in the county jail not exceeding thirty

appoint a third graduate or licensed veterinarian who shall act with
them, and if upon examination and proof furnished, all three or any
two members of said board declare that such blindness was caused by

complied with sections twenty-three hundred forty-one-a, twenty-three
hundred forty-one-b, twenty-three hundred forty-one-c and twenty-
three hundred forty-one-d of the supplement to the code, 1907, shall
have a prior lien upon the progeny of such stallion to secure the
amount due such owner or keeper for the service of such stallion,
resulting in said progeny, provided that where such owner or keeper
misrepresents such stallion by false pedigree no lien shall be obtained.

[S., '13, § 2341-a.]

Note.—Reference to sections in supplement to code, 1907, is left in this section
because, they having been repealed, the law is in doubt as to liens.
SEC. 1815. Limitation of lien.

1 The lien herein provided for shall remain in force for a period of six months from the birth of said progeny and shall not be enforced thereafter.

[S., '13, § 2341-t.]

SEC. 1816. Enforcement of lien.

1 The owner or keeper of such stallion may enforce the lien herein provided by placing in the hands of any constable an affidavit containing a description of the stallion and a description of the dam and the time and terms of service, and said constable shall thereupon take possession of said progeny and sell the same for nonpayment of service fee by giving the owner of said progeny ten days' written notice, which notice shall contain a copy of the affidavit and a full description of the progeny to be sold, the time and hour when, and the place at which the sale will take place, and posting for the same length of time in three public places in the township of such owner's residence a copy of such notice. If payment of the service fee and the costs are not made before the date thus fixed, the constable may sell at public auction to the highest bidder such progeny and the owner or keeper of the stallion may be a bidder at such sale. The constable shall apply the proceeds, first, in the payment of the costs, second, in the payment of the service fee. Any surplus arising from sale shall be returned to the owner of the progeny.

[S., '13, § 2341-u.]

SEC. 1817. Right of contest—injunction.

1 The right of the owner or keeper to foreclose, as well as the amount claimed to be due, may be contested by anyone interested in so doing, and the proceeding may be transferred to the district court, for which purpose an injunction may issue, if necessary.

[S., '13, § 2341-v.]

1 Any person wishing to mark or brand his domestic animals with any distinguishing mark may adopt his own mark, and have a description thereof recorded by the clerk of the township in which the owner lives, for which such clerk shall receive a fee of twenty-five cents.

[C., '51, §§ 921, 923; R., '60, §§ 1556, 1558; C., '73, §§ 1480, 3809; C., '97, § 2335.]

CHAPTER 22.
ESTRAYS AND TRESPASSING ANIMALS.

SECTION 1821. Meaning of terms.
1 As used in this chapter, the term "owner," used with reference
2 to animals, means anyone entitled to the present possession thereof,
3 the one having care or charge of them, and the person holding the
4 legal title to them, and as to land, the person having title thereto, or
5 the lessee or occupant thereof; the term "stock" means cattle, horses,
6 mules and asses; the term "animals" means all animals which may be
7 distrained under this chapter; and "trespassing stock or animals"
8 means those unlawfully upon land, or running at large contrary to law
9 or police regulations.
[C., '97, § 2311.]

SEC. 1822. Male animals.
1 The owner of any stallion, jack, bull, boar or buck shall restrain
2 the same, and any person may take possession of any such animal
3 running at large in the county in which such person resides, or in
4 which he occupies or uses real estate, and give notice thereof to any
5 constable in the county where taken, who shall sell the animal so taken
6 at public auction to the highest bidder for cash, having given ten
7 days' notice of the time and place of sale, describing the property, by
8 posting the same in three public places in the township wherein such
9 animal was found at large. Out of the proceeds of sale he shall pay
10 all costs and any damage done by said animal, to be investigated and
11 determined by him, and pay the remainder into the county treasury
12 for the use of the county. If legal proof be made to the county
13 auditor by the owner of said animal of his right thereto at any time
14 within twelve months from the sale, he shall order the proper amount
15 to be paid to the owner out of any money in the treasury not other-
16 wise appropriated. If the owner, or any person for him, shall, on or
17 before the day of sale, pay the costs thus far made, and all damages,
18 to be determined by the constable if the parties cannot agree, and
19 make satisfactory proof of his ownership, the constable shall release
20 the animal to him.
[C., '51, § 894; R., '60, § 1522; C., '73, § 1447; C., '97, § 2312.]

SEC. 1823. Distraint damage feasant—recovery.
1 Any animal trespassing upon land fenced as provided by law may
2 be distrained by the owner of such land, and held for all damages done
3 thereon by it, unless it escaped from adjoining land in consequence of
4 the neglect of such landowner to maintain his part of a lawful parti-
5 tion fence. The owner of the land from which such animal escaped
6 shall also be liable for such damages if it escaped therefrom in conse-
§§ 1824-1827. ESTRAYS AND TRESPASSING ANIMALS. Tit. VIII, Ch. 22.

7 consequence of his neglect to maintain his part of a lawful partition fence, or if the trespassing animal was not lawfully upon his land, and he had knowledge thereof. If there be no lawful partition fence, and the line thereof has not been assigned either by the fence viewers or by agreement of the parties, any animal trespassing across such partition line shall not be distrained, nor shall there be any liability therefor.

[C., '51, §§ 913, 914; R., '60, §§ 1548, 1549; C., '73, §§ 1448, 1449; C., '97, § 2313.]

SEC. 1824. Animals not permitted to run at large.

1 Swine, sheep and goats at all times, and, during the time and as required by a police regulation adopted according to law, stock shall be restrained from running at large. Animals thus prohibited from running at large, when trespassing on land, or a road adjoining thereto, may be distrained by the owner of such land, and held for damages done by them, and for the costs provided in this chapter; but stock shall not be considered as running at large so long as it is upon unimproved lands and under the immediate care and efficient control of the owner, or upon the public roads for travel or driving thereon under like care and control. But where a partition fence is required by law to be erected or maintained, stock escaping across such partition line shall be dealt with as provided in the preceding section.

[R., '60, § 287; C., '73, §§ 1446, 1448, 1452; C., '97, § 2314.]

SEC. 1825. Recovery of damages.

1 Instead of distraining trespassing stock or animals, the injured person may recover all damages caused thereby in an action against the owner thereof, and may join therein the owner of the land from which it escaped, if he is liable therefor. If distrained stock or animals escaped or are released without the consent of the distraining party, he may recover his damages as above provided, with costs, and the costs of distraint made prior to such escape or release.

[C., '51, § 913; R., '60, § 1548; C., '73, § 1448; C., '97, § 2315.]

SEC. 1826. Apportionment of damages.

1 If there is more than one owner of distrained stock or animals, each may pay his ratable share of the damages and costs, and release his animals. If the injured party elects to sue therefor, he may join in one action all or any of such owners who have not paid their proportion of the damages and costs.

[C., '73, § 1452; C., '97, § 2316.]

SEC. 1827. Assessment of damages—sale.

1 Within twenty-four hours after an animal has been distrained, Sunday not included, the person distraining, or his agent, shall notify the owner of the animal thereof, and, if he fails to satisfy the damages and costs, such person shall within twenty-four hours after such notice to the owner, verbally or in writing, request the township trustees to appear upon the premises to view and assess the damages. When two or more trustees have met, one of them having previously informed the owner of the animal of the time and place of meeting, they shall assess the damages and costs. If the owner of the distracted animal refuses or neglects for two days thereafter to pay the amount thus assessed, one of said trustees shall put up in three conspicuous places
in the township notices, describing the property, and naming a time
and place of sale, which place shall be where the property is distrained,
and time not less than five nor more than ten days thereafter, that
said property will be sold between the hours of one and three o'clock
in the afternoon. At the time and place of sale, one of said trustees
shall offer for sale and sell the property at public outcry to the high-
est bidder for cash, but no sale shall be made after having realized a
sufficient sum with which to pay the damages and costs, any remain-
ing animals unsold to be at once returned to the owner, and also the
surplus remaining, if any, out of any sold. If for any reason a trus-
tee can not sit, the remaining trustees may appoint any disinterested
citizen having the qualifications of a juror to act in his place.

CHAPTER 1.
BOARD OF CONTROL OF STATE INSTITUTIONS.

The governor shall, prior to the adjournment of the twenty-seventh general assembly, nominate and, with the consent of two-thirds of the members of the senate in executive session, appoint three electors of the state, not more than two of whom shall belong to the same political party, and no two of whom shall reside at the time of their appointment in the same congressional district, as members of a board to be known as a board of control of state institutions. Said members shall hold office, as designated by the governor, for two, four, and six years, respectively. Subsequent appointments shall be made as above provided and, except to fill vacancies, shall be for a period of six years. The board shall at all times be subject to the above limitations and restrictions. No nomination shall be considered by the senate until the same shall have been referred to a committee of five, not more than three of whom shall belong to the same political party, to be appointed by the president of the senate without the formality of a motion, which committee shall report to the senate in executive session, which report shall be made at any time when called for by the senate. The consideration of nominations, by the senate, shall not be had on the same legislative day the nominations are referred. The chairman of the board for each biennial period shall be the member whose term first expires, and each member thereof shall receive a salary of three thousand dollars per annum. The governor may, by and with the consent of the senate, during a session of the general assembly, remove any member of the board for malfeasance or nonfeasance in office, or for any cause that renders him ineligible to appointment, or incapable or unfit to discharge the duties of his office, and his removal when so made shall be final. When the general assembly is not in session the governor may suspend any member so disqualified, and shall appoint another to fill the vacancy thus created, subject, however, to the action of the senate when next in session. All vacancies on said board that may occur while the general assembly is not in session shall be filled by appointment by the governor, which appointment shall expire at the end of thirty days from the time the general assembly next convenes, and vacancies occurring during a session of the general assembly shall be filled as regular appointments are made and before the end of said session.

The term of office of the member of the board whose term expires April, nineteen hundred twelve, is hereby extended to June thirtieth, nineteen hundred thirteen; the term of office of the member of the board whose term expires April, nineteen hundred fourteen, is hereby
§§ 1853-1855. BOARD OF CONTROL OF STATE INSTITUTIONS. Tit. IX, Ch. 1.

Each member of the board shall take the oath, and qualify, as required by section six hundred nine, and shall devote his whole time to the duties of his office. Before entering on the duties of his office, each member shall give an official bond in the sum of twenty-five thousand dollars, conditioned as provided by law, signed by sureties, to be approved by the governor, and, when so approved, said bonds shall be filed in the office of the secretary of state. No member of the board of control shall be eligible to any other lucrative office in the state during his term of service or for one year thereafter, or to any position in any state institution during the term for which he was appointed, nor within one year after his term shall have expired.

The said board of control shall be subject to the examination of the joint committee on retrenchment and reform, created by section thirty-nine. The claim that any testimony or evidence sought to be elicited or produced on such examination may tend to criminate the person giving or producing it, or expose him to public ignominy, shall not excuse him from testifying or producing evidence, documentary or otherwise; but no person shall be prosecuted or subjected to penalty or forfeiture for and on account of any matter or thing concerning which he may testify or produce such evidence, provided that he shall not be exempted from prosecution and punishment for perjury committed in so testifying.

The board shall be provided by the proper authorities with suitably furnished offices at the seat of government, and shall employ a competent secretary, who shall receive a salary not to exceed two thousand five hundred dollars per annum, and may also hire a stenographer and such other employees as may be necessary. In the absence or disability of the secretary, and the business of the board requires it, the board of control may appoint a member of the board as acting secretary during such absence or disability, who shall at such time have the powers of the secretary of the board. Said appointment shall be made of record in the proceedings of the board, and no additional compensation shall be paid because of the service of such acting secretary.

This board shall, by the proper authorities, be also furnished with all necessary books, blanks, stationery, printing, postage stamps, and such other office supplies as are furnished other state officers. It shall present to each general assembly an itemized account of its expenditures, to the end that the legislature may, for the future, fix the maximum amount of such expenditures.

In addition to the salaries paid the members of the board and the secretary or other employees, they shall be entitled to the necessary traveling expenses, by the nearest traveled and practicable route, incurred in going from Des Moines to the different institutions, or to other places in the state, when on official business.

No expenditure for traveling expenses to other states shall be made by the board, or by any officer or agent thereof, or by any officer, employee, or agent of any state institution subject to this board, unless the authority to make such trip is granted at a meeting of the board of control upon a written resolution, adopted by the board, which shall state the purpose of such trip, and the reason the same is deemed necessary. Said resolution, if adopted, shall then be submitted to the governor for his written approval, and, if he does not approve the same, such trip shall not be made at the expense of the state.

§ 1857. Itemized statement.

Before any expenses of the members of the board, any officer, or agent thereof, or before any expenses incurred by others under the direction of the board, or the expenses of any officer or employee of any institution under the charge of the board, shall be paid, a minutely itemized statement of every expenditure shall be presented to the proper authority, duly verified, which verification shall aver that the expense bill is just, accurate and true, and is claimed for cash expenditures, or cash disbursements, truly and actually made and paid to the parties named, as shown by said statement. Unless the statement is so verified and duly audited, payment thereof shall not be had. The expense bills of the members of the board, the secretary and its other employees, when so verified, shall be presented to the governor for his written audit, before payment is made. The salaries and such actual expenses of the board, and of the secretary and other officers, and the salaries of employees, shall be paid monthly by the treasurer of state, upon the warrant of the auditor of state.

§ 1858. Appropriation.

There is hereby appropriated from any funds in the state treasury not otherwise appropriated sufficient thereof to pay the salaries and expenditures hereby authorized.

5 further process of law, authorized and directed to assume and exercise
6 all the powers heretofore vested in or exercised by the several boards
7 of trustees, the governor, or the executive council with reference to
8 the several institutions of the state herein named. The duties imposed
9 on the executive council, by statute, to establish a uniform system

11 be examined annually by a skilled accountant, and to annually require
12 a settlement with the officers of each state institution, are transferred
13 from said council to the board of control as to the institutions herein
14 named. Nothing herein contained shall limit the general supervisory
15 or examining powers vested in the governor by the laws or constitu-
16 tion of the state, or that are vested by him in any committee appointed
17 by him. The board shall prepare annually for publication, in accord-
18 ance with the provisions of section two hundred seventy-four, a state-
19 ment of the cost for the preceding year of maintaining each of said
20 institutions, including improvements, itemized so far as practicable,

22 and supplies.

[S., '13, § 2727-a9.]

SEC. 1861. Districts.

1 The board shall divide the state into proper districts from which
2 the several institutions may receive patients or inmates. The limit
3 of such districts may, from time to time, as the occasion warrants, be
4 changed or altered. And in making such districts, or the rearrange-
5 ment thereof, the superintendents, wardens, or executive heads of the
6 institutions shall be consulted, at a time and place to be fixed by the
7 board. When the districts are established, or a change thereof is
8 had, the board shall notify the proper county or judicial officers of
9 such establishment or change.

[S., '13, § 2727-a21.]

SEC. 1862. Questionable commitment.

1 The superintendents for the hospitals for the insane and the insti-
2 tution for the feeble minded are required to immediately notify the
3 board if there is any question as to the propriety of the commitment
4 or detention of any person received at such institution, and said board,
5 upon such notification, shall inquire into the matter presented, and
6 take such action as may be deemed proper in the premises.

[S., '13, § 2727-a29.]

SEC. 1863. Power to transfer.

1 Patients shall be sent to the state hospital and convicts shall be
2 sent to the penitentiary or reformatory located in the district embrac-
3 ing the county from which they are committed. But the board may
4 transfer the inmate in any hospital, or the convict in any penitentiary
5 or reformatory, to another hospital or to the other penitentiary or
6 reformatory, at the expense of the state, and shall see that proper
7 record thereof is made at the hospitals and penitentiaries, and in the
8 office of the board.

[S., '13, § 2727-a26.]

SEC. 1864. Records—transfer—managing officer.
1 The board shall keep in its office, accessible only to the members,
2 secretary and proper clerks, except by the consent of the board, or
3 on the order of a judge or court of record, a record showing the resi-
4 dence, sex, age, nativity, occupation, civil condition and date of en-
5 trance or commitment of every person, patient, inmate, or convict in
6 the several institutions governed by the board, the date of discharge
7 of every such person from the institution, and whether such discharge
8 was final, and the condition of the person at the time he left the insti-
9 tution. The record shall also indicate if a person is transferred from
10 one institution to another, and to what institution; and if dead, the
11 date and cause of death. This information shall be furnished to the
12 board by the several institutions, and such other obtainable facts as
13 the board may from time to time require. It is the duty of the man-
14 aging officer of each institution, who shall be named by the board,
15 within ten days after the commitment or entrance of a person, patient,
16 inmate or convict to the institution, to cause a true copy of his entrance
17 record to be made and forwarded to the office of the board of control.
18 When a patient or inmate leaves, or is discharged, transferred, or dies
19 in any institution, the superintendent or person in charge shall, within
20 ten days thereafter, send such information to the office of the board,
21 all of which information shall be furnished on forms which the board
22 may prescribe.

[S., '13, § 2727-a22.]

SEC. 1865. Rules—additional duties.
1 The board of control is authorized to make its own rules for the
2 proper execution of its powers, and may require the performance of
3 additional duties by the officers of the several institutions, so as to
4 fully enforce the requirements, intents and purposes of this chapter,
5 and particularly so much thereof as relates to the making of the esti-

7 stocks of subsistence and supplies.

[S., '13, § 2727-a48.]

1 The superintendent, warden, or other chief executive officer, as
2 may be designated by the board of control, shall on or before the
3 fifteenth day of each month, cause to be prepared triplicate estimates
4 in minute detail, including estimated cost of each item, of all the ex-
5 penditures required for the institution for the ensuing month. Such
6 estimate shall also include a statement of the source and amount of
7 all the revenues received by the said institution and accounted for to
8 the state treasurer on the first day of each month. Two of said tripli-
9 cate estimates shall be sent to the office of the board, and the third
10 shall be kept by said superintendent, warden, or other chief executive
11 officer. The board may revise the estimates for supplies or other
12 expenditures, either as to quantity, quality or the estimated cost
13 thereof, and shall certify that it has carefully examined the same, and
14 that the articles contained in such estimate, as approved or revised
by it, are actually required for the use of said institution. When the
estimates have been so certified and revised, a copy of such revised
estimate, duly certified, shall be sent to the institution, and another
copy retained by the board. The certified copy sent to the institution
shall be sufficient authority to the management of the institution to
purchase the supplies enumerated in said estimate, at prices not to
exceed those therein named, and not otherwise. Said supplies shall
be so purchased as to permit at least thirty days' time to pay therefor,
and the steward, clerk, or other officer of the institution, designated
by the board, shall require itemized bills to be rendered by the persons

SEC. 1868. Purchase of supplies between institutions.

Without complying with the provisions of this chapter, requiring estimates to be made, the board of control is empowered to direct the purchase of materials, or any articles of supply, for any institution subject to its management, from any other institution under its control, which purchase shall be made at the reasonable market value of the commodity so purchased, the value thereof to be ascertained and fixed by the said board, and payments therefor shall be made between institutions in the manner provided by law for payments for supplies.

[S., '13, § 2727-a47.]

SEC. 1869. Purchase of supplies—rules and regulations.

It shall be the duty of the board to make specific rules and regulations respecting the manner in which supplies shall be purchased and contracts made for the several institutions, so as to insure the competition and publicity necessary to secure the economical management of each institution. Jobbers, or others desirous of selling supplies to an institution shall, by filing with the chief executive officer of such institution, or with the secretary of the board, a memorandum showing their address and business, be afforded an opportunity to compete for the furnishing of the supplies under such limitations and rules as the board may prescribe. In purchasing all supplies, local dealers and Iowa producers shall have the preference, when such can be given without loss to the state. When samples are furnished the same shall be properly marked and preserved for six months after purchase of such merchandise.

[S. S., '15, § 2727-a50.]

SEC. 1870. Uniform system of records and accounts.

It shall prescribe the form of records and the kind of accounts to be made and kept by the institutions heretofore specified. In providing for the books of accounts the said board shall establish as uniform a system as possible, compelling similar institutions to keep similar books in the financial operations of such institutions; and the board shall institute and require the keeping of a perfected system of accounts, and requisitions showing the purchase, storing and consumption of supplies for subsistence, construction or other purposes. For the purpose of establishing said system of accounts, the board is authorized to employ competent and expert help, and to inaugurate in the institutions the most modern and complete method of accounts. The board shall determine the kinds and quality of provisions and supplies for the several institutions subject to its charge.

[S., '13, § 2727-a14.]

The board may employ an architect who shall be skilled in the most improved method of sanitation, and competent to prepare plans,
§ 1873. BOARD OF CONTROL OF STATE INSTITUTIONS. Tit. IX, Ch. 1.

3 specifications, estimates and details for the buildings, betterments, and every item of equipment which may be necessary in any of the institutions, whose duty shall be to perform the work usually done by architects in preparing plans and specifications, and supervising the work of construction on all the buildings, betterments and improvements done at institutions under the control of the board. Said architect shall also perform such other labor as may be designated by the board, and shall receive a compensation to be by the board fixed, which, including expenses, shall in no event exceed three thousand dollars per annum.

In cases of sufficient magnitude, the board may secure the advice of a consulting architect, or may procure plans and specifications and drawings from other architects, but the expense thereof shall not exceed fifteen hundred dollars in any one year. The state architect shall be entitled to receive in addition to the compensation for his services fixed by the board, his necessary traveling expenses within the state when engaged in official business, and the board may allow him compensation for assistant draftsmen for services performed for the state when, in the opinion of the board, such services are necessary; provided, however, that the total amount allowed for traveling expenses and draftsmen shall not exceed two thousand dollars in any biennial period.

[S., '13, § 2727-a23.]

SEC. 1873. Plans and specifications—limitation—penalty.

It shall prepare plans for all betterments, improvements or buildings costing more than one thousand dollars for which it may recommend an appropriation. When an appropriation for any amount has been made, there shall be no expenditure thereof until the board has secured suitable plans and specifications prepared by a competent architect, and accompanied by a detailed statement of the amount, quality and description of all the material and labor required for the completion of said structure; and no plan or plans shall be adopted, and no betterments, improvements or buildings constructed, that contemplate the expenditure of more money for completion than the amount appropriated by the legislature therefor, unless exempted from the provisions of this section by the act making such appropriation.

In no event shall the board direct or permit an expenditure for any purpose in excess of the amount appropriated by law, or contemplated by the statute, and the members of the board, its officers and agents, are subject to the provisions of sections forty, six hundred eighty, six hundred eighty-one, seven hundred twenty-three, seven hundred twenty-five, seven hundred twenty-six, eighty-nine hundred sixty and eighty-nine hundred sixty-one, to the same extent as if said named persons were particularly specified in said sections. The violation of any of the provisions of either of the sections above named by any of such named officers or persons, shall be deemed a misdemeanor, and on conviction the offender shall be fined in any sum not less than two hundred dollars, nor more than five thousand dollars, in the discretion of the court, or imprisoned in the county jail not exceeding one year, or by both such fine and imprisonment.

[S., '13, § 2727-a17.]
SEC. 1874. Letting of contracts—labor of inmates utilized.

Contracts for the erection, repairs or improvements of buildings, grounds, or properties of the institutions under charge of this board, and for which appropriations have been or may be made by the legislature, must be let for the whole or for any part of the work to be performed, by the chief executive officer of the institution, subject, however, to the same rules and regulations as herein provided for the furnishing of estimates by said institution to, and the approval and revision thereof by the board of control.

If the cost of the erection or betterment is not in excess of three hundred dollars, the board may permit the management of the institution to construct the same by day's labor, without contracting the work. All plans or specifications for the said erections, repairs and improvements, shall be prepared by the architect of the board, under the board's direction. The board shall determine to what extent and for what length of time, and by what means advertisements are to be inserted in newspapers for proposals for the said erections, repairs or improvements. All contracts shall be awarded by the management of the institution to the lowest responsible bidder, subject to the provisions of this chapter, and the approval of the board, prior to the execution of the contract. The management of the institution has the right to reject any and all bids, and to readvertise, upon the approval of the board. A preliminary deposit of money or certified check upon a solvent bank in such amount as the board may prescribe shall be required as an evidence of good faith, upon all proposals for the construction of said buildings, repairs and improvements, which deposit or certified check shall be held by the management of the institution under the direction of the board. The provision of this section, which requires all work to be let by contract, shall not be mandatory as to the labor on the construction work at the penitentiaries, but the board shall establish such rules, and enforce the provisions of this chapter so that the construction work at the penitentiaries shall be performed in a manner agreeable thereto, with the strictest accountability exacted in the consumption of all supplies for construction purposes, and in the expenditure of the public moneys.

On proper representations the board is authorized to so construct the erections, betterments and improvements at other institutions that the work of inmates may be utilized, if it is found to be advantageous to the state, and a substantial saving made, but the attempt to use such labor shall not permit a substantial departure from the requirements of this section; and in no case shall any expenditure be made except on estimates submitted to and approved by the board, as provided herein. No payment shall be authorized for construction purposes until satisfactory proof has been furnished to the board of control, by the proper officer or supervising architect, that the contract has been complied with by the parties; and all payments shall be made in a manner similar to that in which the current expenses of the several institutions are paid.

[S., '13, § 2727-a51.]

1 The board of control is hereby authorized and empowered to establish such industries as it may deem advisable at the penitentiary, and at the men's reformatory, and at or in connection with any of the penal, reformatory or other institutions under its jurisdiction, and the inmates may render service as herein limited and defined, at or away from any of said institutions with the consent of said board of control, but no service shall be rendered by any such inmate for any person, firm or corporation at a less wage than is paid free labor for a like service or its equivalent, and when so rendering service they shall be held to be under the jurisdiction of the warden or superintendent of the institution to which they are committed, and any escape shall be punished as provided in sections ninety hundred one to ninety hundred four, inclusive, even though said inmate is at the time working under the honor system.

[S. S., '15, § 5718-a11.]

SEC. 1877. Compensation to inmates—distribution.
1 When services are rendered by any inmate at any institution under the supervision and jurisdiction of the board of control, the board of control may, when practicable, allow such inmate compensation which shall not exceed the amount paid to free labor for a like service or its equivalent, less such amount that the state is put to for maintenance as the board of control may deem equitable, and in addition to deducting an amount to defray the cost of maintenance, the board of control may also deduct an amount sufficient to pay all or a part of the costs taxed to any inmate by reason of his commitment.

When the board of control deducts an amount from the earnings of any inmate for the purpose of defraying the costs taxed to such inmate by reason of his commitment, said board shall forward the amount to the clerk of the district court, or proper official, and receive his receipt therefor; provided further, that whenever money is earned by an inmate under the provisions of this section, the board of control may, when deemed advisable, pay all or any part of the same direct to the husband or wife or any other member of the family of such inmate dependent upon him or her for support, or deposit the same to the account of such inmate until released, or allow said inmate a certain per cent thereof for his personal benefit, and make all rules and regulations in relation thereto, including the right to deposit funds in any bank to the credit of such inmate and require such bank to pay interest on any money so deposited by or for such inmate at rates not to exceed the current rate of interest paid for similar deposits.

[S. S., '15, § 5718-a11a.]

SEC. 1878. Quarterly conferences.
1 A consultation and conference of the superintendents, wardens and chief executive officers shall be held quarterly with the board at its office in Des Moines, at a time to be designated by the board, at which meeting all matters concerning the government and management of the institutions shall be considered and discussed, and the chairman
of the board of control shall preside at such meetings, and full min-

stitutions, read papers at the quarterly conferences of the chief execu-
tive officers of the state institutions under the management of said
board. The papers so read shall have especial application to the ob-

[S., '13, § 2727-a69.]

SEC. 1880. How and when payable.
The money hereby appropriated shall be payable on the first day
of July of each year and shall be paid from the state treasury as the
expenses of the members of the board of control are paid.

[S., '13, § 2727-a70.]

It shall be the duty of the board to appoint a superintendent,
warden or other chief executive officer of each institution under the
control of the board. The tenure of office of said officers shall be four
years from the date of their appointment. The superintendent, war-
den, or other chief executive officer of any of the institutions named,
may be removed by the board for misconduct, neglect of duty, incom-
petency, or other proper cause showing his inability or refusal to prop-
erly perform the duties of his office, but such removal shall be had only
after an opportunity is given such person to be heard before such
board upon preferred written charges, but the removal, when made,
shall be final. The officers of the several institutions shall have the
qualifications, and perform the duties now imposed and required of
them by the statute, except as the same are modified or abrogated in
this chapter. In case there is an alleged or seeming conflict between
the powers of the superintendents or other executive officers and the
board of control, the determination of such question by the board shall
be final.

[S., '13, § 2727-a24.]

SEC. 1882. Assistants—discharge.

the several institutions shall appoint all assistants, guards and em-
ployees required in the management of the institution, the number of
whom shall be determined by the board. It is hereby declared a mis-
demeanor for the members of the board, or any officer thereof, to ex-
ert any influence, by solicitation or otherwise, on the managing officer
of an institution in the selection of any employee or assistant. The
said chief executive officer may, at his pleasure, discharge any person
employed, but shall keep in the record of employees the date of such
discharge, and shall place opposite his name the reason therefor.

[S., '13, § 2727-a37.]
SEC. 1883. Institution salaries.

The board shall annually fix, with the written approval of the governor, the annual or monthly salaries of all the officers and employees in the several institutions, except such as are fixed by the general assembly. The board shall classify the officers and employees into grades, and the salaries and wages to be paid in each grade shall be uniform in similar institutions in the state. The schedule of wages so fixed shall become operative on July first of each year. The salaries and wages shall be included in the monthly estimates as provided in this chapter, and paid in the same manner as other expenses of the several institutions.

Officers entitled to food supplies for their families shall receive such allowances from the supplies furnished for the patients and inmates of the institution. The word "family" shall be construed to mean only the wife and minor children of an officer.

[S., '13, § 2727-a31.]

SEC. 1886. Duties of institution officers.

The stewards of the hospitals for the insane, the clerks of the prisons, and the proper officer of the other institutions who shall be designated by the board, shall have charge of and be accountable for all the supplies and stores of such institution, and shall be charged therewith at their invoice value, and shall in conjunction with the chief executive officer of each institution, make or direct all purchases for such institution as may be ordered by the board, under the estimates as hereinbefore provided. Such officer shall issue all the stores upon requisition approved by the superintendent or other officer designated by the board, which shall be his voucher therefor. He shall present monthly to the board of control an abstract of all expenditures, together with the accounts and pay rolls for the preceding month, and shall examine and register all goods delivered, according to their amount and quality, and if found to correspond with the samples, and
in good order, and correct in charge, he shall certify the bills as herein
provided. He shall quarterly take an account of the subsistence sup-
plies and stock in his possession and under his control, and transmit
a copy of such invoice, duly verified, to the board; and at the close of
the biennial period he shall make a consolidated report of all pur-
chases, and all other transactions of his department, to the state
board. If it shall appear that there is any shortage in the stores of
the institution, the board shall appoint a committee from its number
to investigate the cause thereof, and if it shall appear that the said
shortage resulted from unavoidable loss, without the negligence of
such steward, clerk or other designated officer, then such officer shall
be credited therewith; otherwise, he shall be charged with the amount
thereof, and shall be required to pay the same into the state treasury
within sixty days after the determination of the loss. If default shall
be made in said payment, he shall forfeit his office, and suit shall be
instituted upon his official bond to recover the same.

[S., '13, § 2727-a46.]

SEC. 1887. Inventory of stock and supplies.

The board shall require within thirty days after its organization,
the chief executive officer of each institution under its charge, to make
a complete, minute and accurate inventory of the stock and supplies
on hand, the amount and value thereof, which inventory shall be un-
der the following heads: Live stock, produce of the farm on hand,
carriages and vehicles, agricultural implements, machinery, mechan-
ical fixtures, real estate, beds and bedding in inmates' department,
other furniture in inmates' department, personal property of the state
in superintendent's department, ready-made clothing, dry goods, pro-
visions and groceries, drugs and medicines, fuel, library, and all other
property under such other heads as the board may deem proper. A
like inventory shall be submitted by the proper officer of each institu-
tion to the board when the annual report of said officer is submitted
to the board.

[S., '13, § 2727-a32.]

The steward, clerk or other officer who may be designated by
the board, shall prepare a monthly statement showing purchases and
expenditures of every kind for the preceding month, which shall be
signed by such officer, approved by the chief executive officer of the
institution, and filed with the board on a day certain to be fixed by
said board. Attached thereto shall be the affidavit of such steward,
clerk, or officer, as the case may be, stating that the goods and other
articles therein specified were purchased and received by him or un-
der his direction at the institution, and were purchased at a fair cash
market price, on credit not exceeding thirty days, and that neither
he nor any person in his behalf had any pecuniary or other interest
in the purchases made, or received any pecuniary or other benefit
therefrom, directly or indirectly, by commission, percentage, deduc-
tions, or in any other manner whatever, and that the articles con-
tained in such bill conformed in all respects to the invoiced goods re-
ceived and ordered by him, or the samples from which the goods were
purchased, both in quality and quantity. If any invoice or statement,
or part thereof, is found objectionable, the board shall indorse its
disapproval thereon, with its reason therefor, and return it to the
management of the institution, and when the matter complained of is corrected, said statement and invoice shall be returned to the board.

[S., '13, § 2727-a42.]

When the monthly statement is so made, approved and verified, it shall be forwarded to the board of control, together with the original invoices of the purchases and a complete and itemized statement of every expense of said institution, including the receipted pay roll, for the examination and audit of the board, which board shall fix a regular time for the auditing of the accounts of the institution for the preceding month. The monthly pay roll of each institution shall show the name of each officer and employee, when first employed, the monthly pay, time paid for, the amount of pay, and any deductions for the careless loss or destruction of property. This requirement shall be observed in all cases, and in no event shall a substitute be permitted to receive compensation in the name of the employee for whom he is acting. When the said accounts are audited, the secretary of the board of control shall, under the seal of the board, prepare in triplicate an abstract showing the name, residence and amount due each claimant, and the institution and the fund thereof on account of which the payment is made, which abstract shall also be certified by at least one member of the board, who shall be so authorized by the board, and the proceedings granting such authority shall be preserved in the records of the board. He shall deliver one copy thereof to the auditor of state, another to the treasurer of state, and the third shall be retained in the office of the board. Upon such certificate the auditor of state shall, if the institution named has sufficient funds, issue his warrant upon the treasurer of state for the gross amount as shown by such certified abstract. Said last named officer, upon being furnished by the board with a certified copy of such abstract as herein provided, shall send checks of the treasurer of state to the several persons for the amounts of their respective claims, as certified by the board of control. The treasurer of state shall preserve in his books a record of each check and remittance in the proper manner, showing the date of the issuance of each check, the name of the person to whom it was made payable, and such other data as may be evidence for the state, showing the payment of such indebtedness. The pay roll of each institution can be paid by a single check sent to the steward, clerk or other officer designated by the board of control. If the treasurer of state shall require more clerical help because of this enactment, the executive council may authorize him to employ an assistant.

[S., '13, § 2727-a43.]

SEC. 1890. Contingent fund.

The board of control may permit such contingent funds as in its judgment are deemed necessary, to remain in the hands of the managing officer of each institution, from which expenditures may be made for the payment of freight, postage, purchasing produce and other commodities requiring a cash settlement, discounting bills, and paying salaries to employees of the institution whose services terminate during the month. A full, minute and itemized statement of every expenditure made during the month from such funds shall be submitted by the proper officer of said institution to the board under
such rules and regulations as may be by said board prescribed. If
necessary, the board shall make proper requisition upon the auditor
of state for a warrant on the state treasurer to secure the said con-
tingent funds for each institution.

[S. S., '15, § 2727-a44.]

funds for the necessary expenditures of such institutions shall be
drawn from the state treasury, as provided in this chapter.

[S., '13, § 2727-a40.]

Each officer and employee of the state institutions under the con-
trol of the board of control of state institutions who shall have been
in the service of said state not less than one year continuously, giving
all his or her time to said service, shall be entitled to a vacation each
year on full pay as follows: after having served one year, to seven
days; and after having served two years, to ten days; and after hav-
ing served three years, to fourteen days.

The vacations authorized by this section shall not be taken by any
person in any institution unless the executive officer thereof shall have
given to that person a permit in writing to take such vacation, specify-
ing in the permit the days on which the vacation may be taken. A
copy of such permit shall be attached to the pay roll of the institution
for the month during which the vacation was taken, and the pay roll
shall show the number of days the person was absent under the
permit.

[S., '13, § 2727-a74c.]

SEC. 1893. When granted.

It shall be the duty of the chief executive officer of each institu-
tion to arrange for the vacations hereby authorized to be taken at
such times as will interfere as little as possible with the work of the
institution, and be just to the employees.

[S., '13, § 2727-a74d.]

SEC. 1894. Not applicable to certain employees.

The two preceding sections shall not apply to any officer or other
employee who is not required to render service for twelve months
each year.

[S., '13, § 2727-a74e.]

SEC. 1895. Protection against fire—means of escape.

It shall be the duty of the board to compel the superintendent,
warden or other chief executive officer of each of the institutions un-
der the control of the board, to provide at each institution, adequate
and ready means of protection against fire, and to construct proper
means of escape for the inmates and attendants where the same are
not already constructed and to establish and enforce rigid rules and
regulations, by which the danger of fire shall be minimized, and pre-
vent, as far as possible, injury to the persons of the inmates, and the
loss or destruction, by any cause, of the property of the state.

[S., '13, § 2727-a30.]

SEC. 1896. Special policemen.

Upon the application and recommendation of the board of con-
trol of state institutions the governor shall commission any number
of employees of any institution under the control of said board, not
exceeding three, to be designated by the chief executive officer, to be
special policemen thereof; and such officer or officers shall take an
oath of office and shall have power to protect the property of such
institution, to suppress riots, disturbances and breaches of the peace,
and to enforce all laws for the preservation of good order, and may,
upon view or information, without warrant, arrest any person tres-
passing upon the grounds or destroying the property of such institu-
tion, or violating any of the existing laws of the state, and bring such
person so offending before the mayor or any justice of the peace within
such township, to be dealt with according to law. This section shall
not be construed to authorize any additional employees in any institu-
tion, or any increase of compensation to any employee so designated.

[S., '13, § 2727-a71.]

SEC. 1897. Personal property of deceased inmates—collection—
disposition—record.

When an inmate of any institution under the control of the board
of control of state institutions dies intestate, leaving money, certifi-
cate of deposit, promissory note, or other evidence of indebtedness in
writing on deposit with the chief executive or other officer, or shall
leave in the possession of such institution or of any officer or employee
thereof any personal property, it shall be the duty of the chief execu-
tive officer of said institution to take into his possession, if he does
not already have it, such money, certificate of deposit, promissory
note or other evidence of indebtedness in writing, and to receive any
money which may have been due, or property which may have been
owned by the decedent, and to dispose of the same as follows:

a To deliver such money or other property to the legal represent-
ative of the decedent so soon as he shall have qualified and become
authorized to receive it.

b If administration be not granted within one year from the date
of the death of the decedent, and the value of the estate of decedent
is so small as to make the granting of administration under the gen-
eral law inadvisable, then delivery of the money and other property
left by the decedent may be made to the surviving spouse and heirs, if
known, of the decedent.

c If administration be not granted within one year from the date
of the death of the decedent and no surviving spouse or heir is known
to the institution, although diligent search for them shall have been
made, the chief executive officer of the institution shall be authorized
to collect the certificate of deposit, promissory note or other evidence
of indebtedness, and for that purpose is authorized to indorse the
name of decedent as made by himself in his official capacity, and such
endorsement shall have the same effect as though actually made by the
decedent in his lifetime; and said chief executive officer shall be au-
thorized to sell at either public or private sale, as shall be approved
in writing by the said board of control, all personal property of the
decedent which shall have come into his possession.
The money which shall be received by said chief executive officer
as aforesaid shall be transmitted to the treasurer of state at the end
of one year from the death of the intestate, or as soon thereafter as
is practicable, and shall be credited to the support fund of the institu-

tion from which it was sent.
A complete permanent record of the money so sent, showing by
whom and with whom it was left, its amount, the date of the death
of the owner, his reputed place of residence before he became an in-
mate of the institution, the date on which it was sent to the state
treasurer and any other facts which may tend to identify the intestate
and explain the case shall be kept by the chief executive officer of the
institution and a transcript thereof shall be sent to and kept by the
treasurer of state.

[S., ’13, § 2727-a72.]

SEC. 1898. Payment to party entitled thereto.
The money so sent to treasurer of state, or any part thereof,
shall be paid at any time within ten years from the death of the in-
testate to any person who is shown to be entitled thereto by evidence
satisfactory to the board of control or to the district court of the
county in which the institution from which the money was sent is lo-
cated. Payment shall be made from the state treasury out of the sup-
port fund of such institution in the manner provided for the payment
of other claims from that fund.

[S., ’13, § 2727-a73.]

otherwise held in such institutions, or other place of confinement,
spiritual advice, instruction, and ministration from any recognized
clergyman of the church or denomination which such person so com-
mitted, confined, detained or received may profess to adhere to or
prefer; which said profession or choice shall be by such person com-
municated to the warden, superintendent or other officer in charge
of such institution. It shall be the duty of the warden, superintendent
or other officer receiving such person so committed, to inquire of such
committed person as to his religious preference and enter the same in
the book kept for the purpose, and cause the person making such
choice or preference to sign the same. And during the time of deten-
tion such person so committed, confined or detained shall be allowed
at suitable and reasonable times to receive the visits of clergymen be-
19 longing to the denomination or church so preferred at the time of 20 commitment, or chosen at any later period.

[S., '13, § 5718-a1.]

4 of control shall have the general management of the affairs of the
5 institution, and may adopt such forms of application for admission as
6 may be needed, and shall biennially make to the governor a full report
7 of the disbursements of the institution and its condition, financial and
8 otherwise.

[C., '97, § 2693.]

SEC. 1940. Idiotic children.

1 The term "feeble minded" as used in connection with this insti-
2 tution shall be so construed as to include idiotic children, and it shall
3 provide a custodial department for the care of such as can not be
4 benefited by educational training.

[C., '97, § 2699.]

SEC. 1941. Admissions.

1 Every child and youth residing within the state, between the
2 ages of five and twenty-one years, who by reason of deficient intellect
3 is rendered unable to acquire an education in the common schools, is
4 entitled to receive the physical and mental training and care of this
5 institution at the expense of the state. The county superintendent in
6 each county shall, on the first day of October, report to the superin-
7 tendent of the institution the name, age and postoffice address of
8 every person in his county of such age who, by reason of feeble
9 mental and physical condition, is deprived of a reasonable degree of
10 benefit from the common schools, and state therein whether or not
11 such person has ever attended school, and if so how long, and also give
12 the postoffice address of the parents, guardian or nearest friend of
13 such person.

[C., '97, § 2695.]

SEC. 1942. Application.

1 Application for admission into the institution for such children
2 shall be made by the father and mother, or either of them if the other
3 be dead or adjudged insane, or by the guardian, or, if there be no
4 guardian, by the board of supervisors or county attorney of the county
5 in which the child or youth resides; and it shall be the duty of such
6 board of supervisors or county attorney to make such application for
7 any such child or youth who has no living, sane parent or guardian in
8 the state, unless otherwise comfortably provided for.

[C., '97, § 2696.]

SEC. 1943. Admission of certain women.

1 All feeble-minded women under forty-six years of age who are
2 residents of the state of Iowa may be admitted to the institution for
3 feeble-minded children at Glenwood.

[S., '13, § 2695-a.]

SEC. 1944. Statutes applicable.

1 The provision of this chapter in regard to the admission and
2 maintenance of children in said institution shall apply to the admis-
3 sion and maintenance of feeble-minded women authorized by the pre-
4 ceding section.

[S., '13, § 2695-b.]
SEC. 1945. Admission of certain men.
1 All feeble-minded men under forty-six years of age who are resi-2 dents of the state of Iowa, may be admitted to the institution for 3 feeble-minded children at Glenwood.  
[S., '13, § 2695-c.]

SEC. 1946. Statutes applicable.
1 The provision of this chapter in regard to the admission and 2 maintenance of feeble-minded children in said institution shall apply 3 to the admission and maintenance of feeble-minded men authorized 4 by the preceding section.  
[S., '13, § 2695-d.]

1 Any inmate of the institution, by order of the board of control 2 made at any time, may be returned to his parents or guardian.  
[C., '97, § 2698.]

SEC. 1948. Expenses.
1 Pupils not otherwise provided with clothing shall be supplied by 2 the superintendent, the cost of which, if any there be, with that of 3 the transportation of the pupil, shall stand as an account against him 4 or his parent or guardian, and, being duly certified to by the superin-5 tendent, shall be presumed to be correct in all courts. A certified ac-6 count thereof shall be transmitted to the county auditor of the county 7 of the pupil's residence, who shall proceed to collect it in the name of 8 the county, and pay the same to the state treasurer. At the same time 9 the account is forwarded to the auditor, a duplicate shall be sent to 10 the state auditor, who shall credit the institution with the amount, 11 and at the same time charge it to the proper county. If it is made 12 to appear by the affidavits of three disinterested persons of such 13 county, not of kin to an inmate, his parents or guardian, that the same 14 ought not to be collected from them or either of them because of their 15 financial condition, then the auditor shall credit the same to the state 16 and report that fact to the board of supervisors, which board shall 17 direct its payment to the state out of the county fund.  
[C., '97, § 2697.]

SEC. 1949. Wards of state.
1 When any person becomes an inmate of the institution for feeble-2 minded children, such person shall thereupon be a ward of the state, 3 and shall not be removed from such institution without an order in 4 writing from the board of control of state institutions.  
[38 G. A., ch. 281, § 1.]

1 If any inmate of the institution for feeble-minded children shall 2 leave such institution or be removed therefrom without complying 3 with the provisions of the preceding section, the superintendent of 4 such institution shall cause immediate search to be made for him, and 5 if he can not be found, shall cause notice of the fact that he has left 6 said institution to be given forthwith to the clerk of the district court 7 of the county where he belongs, and if found to be in that county the
clerk shall at once notify the superintendent of the place where the patient can be found, and when so notified or when otherwise informed of the place in which the inmate may be taken, the superintendent shall send an employee of the institution or other person for him and cause him to be returned to the institution unless for good reasons a different course be deemed advisable by the superintendent, and is approved by the board of control. In case of apparent necessity the inmate may be taken into custody and restrained by the local authorities, sworn to by the claimants and approved by the superintendent, and the board of control of state institutions, from any money in the state treasury not otherwise appropriated.

[38 G. A., ch. 281, § 2.]

SEC. 1951. Support.
1 For the support of the institution, there is appropriated out of any money in the state treasury not otherwise appropriated, the sum of seventeen dollars monthly for each inmate therein supported by the state, counting the actual time such person is an inmate and so supported. Upon the presentation to the state auditor of a sworn statement of the average number of inmates supported in the institution by the state for the preceding month, he shall draw his warrant upon the state treasurer for such sum.

[C., '97, § 2700; S., '13, § 2700; 37 G. A., ch. 266, § 3; 38 G. A., ch. 37, §§ 1, 4.]

CHAPTER 5.

GUARDIANSHIP AND CUSTODY OF FEEBLE MINDED.

SECTION 1952. “Feeble minded” defined.
1 The words “feeble-minded person” in this chapter shall be construed to mean any person afflicted with mental defectiveness from birth or from any early age, so pronounced that he is incapable of managing himself and his affairs, or of being taught to do so, and requires supervision, control and care for his own welfare, or for the welfare of others, or for the welfare of the community, who is not classifiable as an “insane person” within the meaning of the provisions of the chapters of this title relating to the insane.

[38 G. A., ch. 356, § 1.]

Sec. 1953. Petition to adjudicate feeble-mindedness.
1 When any person residing in this state shall be supposed to be feeble minded, and by reason of such mental condition of feeble-mindedness and of social conditions, such as want of proper supervision, control, care and support, or other causes, it is unsafe and dangerous to the welfare of the community for him to be at large without supervision, control and care, any relative, guardian, or any reputable citizen of the county in which the supposed feeble-minded person resides or is found, may, by leave of court first had and obtained, file
with the clerk of either the district court of the county or in the super-
ior or municipal court of the city in which such feeble-minded person 
resides or is found, a petition in writing, setting forth that the person 
therein named is feeble minded, the fact and circumstances of the 
social conditions, such as want of proper supervision, control, care and 
support, or other causes making it unsafe or dangerous to the welfare 
of the community for such person to be at large without supervision, 
control or care; also the name and residence, or that such name or res-
idence is unknown to the petitioner, of some person, if any there be, 
actually supervising, caring for or supporting such person, and of at 
least one person if any there be, legally chargeable with such super-
vision, care or support, and also the names and residences, or that 
same are unknown, of the parents or guardians.

The petition shall also allege whether or not such person has 
been examined by a qualified physician having personal knowledge of 
the condition of such alleged feeble-minded person. There shall be 
indorsed on such petition the names and residences of witnesses known 
to petitioner by whom the truth of the allegations of the petition may 
be proved, as well as the name and the residence of a qualified physi-
cian, if any is known to the petitioner, having personal knowledge of 
the case.

All persons named in such petition shall be made defendants by 
name and shall be notified of such proceedings by notice, if residents 
of this state, in the same manner as is now or may hereafter be re-
quired by law in chancery in this state, except only as herein otherwise 
provided. All persons whose names are stated in the petition to be 
unknown to the petitioner shall be deemed and taken as defendants 
by the name and designation of “all whom it may concern”. The pe-
tition shall be verified by affidavit, which shall be sufficient if it states 
that it is based upon information and belief. Process shall be issued 
against all persons made parties by the designation of “all whom it 
may concern”, by such description and notice given by publication as 
required in this chapter, shall be sufficient to authorize the court to 
hear and determine the suit as though the parties had been sued by 
their proper names.

[38 G. A., ch. 356, § 2.]

The notice shall require all defendants to personally appear at 
the time and place stated therein, and to bring into court the alleged 
feeble-minded person. No written answer shall be required to the 
petition, but the cause shall stand for trial upon the petition on the 
return day of the notice. The notice shall be made returnable at any 
time within ten days after the date thereof, and may be served the 
same as a notice in civil actions is served. No service of process shall 
be necessary upon any of the defendants named, if they appear or are 
brought before the court personally without service of notice.

Whenever it shall appear from the petition or from affidavit filed 
in the cause that any named defendant, other than the alleged feeble-
-minded person, resides or has gone out of the state, or on due inquiry 
can not be found, or is concealed within this state, or that his place of 
residence is unknown, so that process can not be served upon him, and 
whenever any person is made a defendant under the name and desig-
nation of “all whom it may concern”, the clerk of the court shall cause 
publication to be made once in some newspaper of general circulation

1 Upon the filing of the petition, or upon motion at any time thereafter, if it shall be made to appear to the court by evidence given under oath that it is for the best interests of the alleged feeble-minded person and the community that such person be at once taken into custody, or that the service of a notice will be ineffectual to secure the presence of such person, a warrant may issue in the order of the court, directing that such person be taken into custody and brought before the court forthwith or at such time and place as the judge may appoint, and pending the hearing of the petition, the court may make any order for the detention of such feeble-minded person, or the placing of such feeble-minded person under temporary guardianship of some suitable person, on such person entering into a recognizance for his appearance, as the court shall deem proper. But no such alleged feeble-minded person shall, during the pendency of the hearing of the petition, be detained in any place provided for the de-
§§ 1956-1959. GUARDIANSHIP OF FEEBLE MINDED. Tit. IX, Ch. 5.

16 tention of persons charged with or convicted of any criminal or quasi
criminal offense.

[38 G. A., ch. 356, § 4.]

1 At any time after the filing of the petition and pending the final
disposition of the case, the court may continue the hearing from time
to time, and may order such alleged feeble-minded person to submit
to the examination of some qualified physician or psychologist, and
the court may also require by rule or order that the petitioner answer
under oath such interrogatories as may be propounded, in a form to
be prescribed by the board of control.

[38 G. A., ch. 356, § 5.]

1 The hearing on the petition shall be by the court, and a commis-
sion to be appointed by the court, of two qualified physicians or one
qualified physician and one qualified psychologist, residents of the
county, to be selected by the judge on account of known competency
and integrity, and evidence shall be heard and proceedings had as in
any other civil proceedings.

Evidence shall also be heard and inquiry made into the social
conditions, such as want of proper supervision, control, care or support,
and other causes making it unsafe or dangerous to the welfare of
the community for such person to be at large, without supervision,
control or care. The commission shall also make a personal exam-
ination touching the mental condition of the alleged feeble-bodied
person.

14 Upon the conclusion of a hearing, inquiry and examination, the
commission shall file with the clerk of the court a report in writing,
showing the result of their examination of the mental condition and
social conditions aforesaid setting forth their conclusions and recom-
mandations, and shall also file with such report their sworn answers
to such interrogatories as may be propounded in a form to be pre-
scribed by the board of control. Such answers may be based upon
their knowledge and belief.

[38 G. A., ch. 356, § 6.]

1 The report shall have the same effect as the reports of masters
in chancery, and shall be subject to be set aside or overruled by the
court the same as reports of masters in chancery; provided, however,
that there shall be no need of making objections and taking excep-
tions to same and the court shall have the power to dismiss the pro-
ceedings, order a new hearing by the same or a new commission, or
make such findings of fact in lieu of the findings in such report as
may be justified by the evidence heard, and on the review of the court
of the findings and recommendations of the commission, the court
may hear such further evidence as it thinks fit.

[38 G. A., ch. 356, § 7.]

1 If the court shall find such alleged feeble-minded person not to
be feeble minded as defined in this chapter, he shall order the peti-
tion dismissed and the person discharged. If the court shall find such
alleged feeble-minded person to be feeble minded, and subject to be dealt with under this chapter, having due regard to all the circum-
stances appearing on the hearing, the guiding and controlling thought of the court throughout the proceedings to be the welfare of the feeble-minded person and the welfare of the community, it shall enter a decree, appointing a suitable person to be the guardian of the person of such feeble-minded person, or directing that such feeble-
 minded person be sent to a private institution, qualified and licensed under the laws of the state to receive such person whose managers are willing to receive him, or may direct that he be placed in a pub-
lic institution for the feeble minded and such decree so entered shall stand and continue binding upon all persons whom it may concern until rescinded or otherwise regularly superseded or set aside; pro-
vided, however, that any guardian appointed under this chapter shall be subordinate to any guardian previously or subsequently appointed under section sixty-six hundred seventy.  

[38 G. A., ch. 356, § 8.]

1 An order that the feeble-minded person be placed under guard-
ianship shall confer on the person named in the order as guardian such powers, subject to the regulations of the board of control, as would have been exercisable if he had been the father of the feeble minded, and the feeble-minded person had been under the age of fourteen.  

[38 G. A., ch. 356, § 9.]

1 Where an order has been made that a feeble-minded person be placed under guardianship, the guardian may be removed by the court that appointed him, on the application of the feeble-minded person, or of any relative or friend of the feeble-minded person, or of any reputable citizen, or of the board of control; and when the guardian dies, resigns or is removed, the court may, on a like application, appoint a suitable person to act in his stead.  
2 On application of the guardian, or of the feeble-minded person, or of any relative or friend of the feeble-minded person, or of any reputable citizen, or of the board of control, the court that appointed the guardian, on being satisfied that the case is, or has become one unsuitable for guardianship, may order that the feeble-minded person be discharged from guardianship and set free, or be sent to a private institution qualified, and licensed under the laws of the state to receive him, whose managers are willing to receive him or be sent to a public institution for the feeble minded, as seems best to the court, having regard to the circumstances appearing on the hearing.  
3 No order shall be made discharging or varying a prior order placing the feeble-minded person under guardianship without giving one or more of the relatives or a friend of the feeble-minded person, his guardian or the board of control, notice and an opportunity to be heard.  

[38 G. A., ch. 356, § 10.]

1 Upon the entry of an order directing that a feeble-minded person be sent to an institution for feeble-minded persons, the clerk of the
§§ 1963-1964. GUARDIANSHIP OF FEEBLE MINDED. Tit. IX, Ch. 5.

3 court shall send a copy of the order to the superintendent of the insti-
4 tution to which such feeble-minded person is ordered to be sent, and
5 such superintendent shall receive such feeble-minded person as a
6 charge in such institution; provided that if on account of the crowded
7 condition of a public institution it is impossible to accommodate such
8 feeble-minded person, the superintendent will inform the court with
9 the promise that the court be notified at once when the next vacancy
10 occurs and that such feeble-minded person be then received as a
11 charge in such public institution.

[38 G. A., ch. 356, § 11.]

SEC. 1963. Expense of commitment—duplicate warrant.
1 For the conveyance of any feeble-minded person to any public
2 or private institution for the feeble minded, admission thereto having
3 been ordered by the court as herein provided, the clerk shall issue a
4 warrant and duplicate directed to the petitioner, or to some suitable
5 reputable person, as the judge may select, commanding him to take
6 such feeble-minded person and deliver him to the superintendent of
7 the institution. And if the judge thinks necessary he may direct
8 the clerk to authorize the employment of one or more assistants, but
9 no feeble-minded female shall be taken to the institution by any male
10 person not her husband, father, brother or son, without the attend-
11 ance of some woman of good character and mature age chosen for the
12 purpose by the judge.

Upon receiving the feeble-minded person the superintendent of
the institution shall indorse upon the warrant his receipt, naming
the person or persons from whom the feeble-minded person is re-
ceived, and one copy of the warrant so indorsed, shall be returned to
the clerk of the court to be filed with the other papers in this case,
and the other shall be left with the superintendent, and the person
delivering the feeble-minded person shall indorse thereon that he has
so delivered him, and said duplicate warrant shall be prima facie evi-
dence of that fact set forth therein, and in said indorsement.

[38 G. A., ch. 356, § 12.]

1 No feeble-minded person admitted to an institution for the feeble
2 minded pursuant to an order of the court as herein provided, shall be
3 discharged therefrom, except as herein provided, except that nothing
4 herein contained shall abridge the right of petition for a writ of
5 habeas corpus.

At any time after the admission of the feeble-minded person to
an institution for the feeble minded, pursuant to an order of court
as herein provided, the feeble-minded person or any of the relatives
or friends of the feeble-minded person or any reputable citizen or
the superintendent of the institution having the feeble-minded person
in charge, or the board of control, may petition the court that entered
the order of admission, to discharge the feeble-minded person, or to
vary the order of the court, sending the feeble-minded person to an
institution. If, on the hearing of the petition, the court is satisfied
that the welfare of the feeble-minded person or the welfare of others,
or the welfare of the community required his discharge, or a modi-
fication of the order, the court may enter such order of discharge or
modification, as the court thinks proper.
Discharges and modifications of orders may be made for either of the following causes: Because the person adjudged to be feeble minded is not feeble minded; because he has so far improved as to be capable of caring for himself; because the relatives or friends of the feeble-minded person are able and willing to support, care for him and request his discharge and in the judgment of the superintendent of the institution having the person in charge, no evil consequences are likely to follow such discharge; but the enumeration of grounds of discharge or modification herein shall not exclude other grounds of discharge or modification which the court, in its discretion, may deem adequate, having due regard for the welfare of the person concerned, or the welfare of others, or the welfare of the community.

On any petition of discharge or variation, the court may discharge the feeble-minded person from all supervision, control and care, or may place him under guardianship, or may transfer him from a public institution to a private institution, or from a private institution to a public institution, as the court thinks fit under all the circumstances appearing on the hearing of the petition.

The superintendent of the institution having the feeble-minded person in charge, must be notified of the time and place of hearing on any petition for discharge or variation, as the court shall direct, and no order of discharge or variation shall be entered without giving such superintendent a reasonable opportunity to be heard; and the court may notify such other persons, relatives and friends of the feeble-minded person as the court may think proper of the time and place of the hearing on any petition for discharge or variation of prior order.

The denial of one petition for discharge or modification shall be no bar to another on the same or different grounds within a reasonable time thereafter, such reasonable time to be determined by the court in its discretion, discouraging frequent, repeated, frivolous, or ill-founded petitions for discharge or modification of a prior order.

On reception of a feeble-minded person in an institution pursuant to an order of court under this chapter, the superintendent of the institution under regulations of the board of control shall cause the and if upon such examination it is found the person is not feeble feeble-minded person to be examined touching his mental condition, minded, it shall be the duty of the superintendent to petition the court for a discharge or modification of the order sending him to the institution.

Any person sent to an institution pursuant to an order of court under this chapter shall have the right to at least one hearing on a petition for discharge or modification within one year after the date of the order sending him to an institution.

[38 G. A., ch. 356, § 13.]

Every person admitted to any institution for the feeble minded shall have all reasonable opportunity and facility for communication with his friends, and be permitted to write and send letters, providing they contain nothing of an immoral or personally offensive character, and the letters written by any charge to any member of the board of control, or to any state or county official, shall be forwarded unopened. But no leave of absence shall be granted except for good cause to be determined and approved by the board of control in each
case who shall take appropriate measures to secure for the feeble-minded person proper supervision, control and care during such leave of absence, and no leave of absence shall be for a longer period than two weeks in one calendar year.

[38 G. A., ch. 356, § 14.]

SEC. 1966. Inquest by coroner.

In the event of a sudden or mysterious death of a charge of any public or private institution for the feeble minded, a coroner's inquest shall be held as provided by law in other cases. Notice of the death of such person, and the cause thereof, shall in all cases be sent to the judge of the court having jurisdiction, over such person, and the fact of the death, with the time, place and alleged cause shall be entered upon the docket.

[38 G. A., ch. 356, § 15.]

SEC. 1967. Penalties.

Any person who shall knowingly contrive or who shall conspire to have any person adjudged feeble minded under this chapter unlawfully and improperly, or any person who shall violate any provision of this chapter, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined not exceeding one thousand dollars, or imprisoned not exceeding one year, or both, at the discretion of the court in which such conviction is had.

[38 G. A., ch. 356, § 16.]

The costs of proceedings in feeble-mindedness shall be defrayed from the county treasury, unless otherwise ordered by the court as herein provided. When, on the hearing of the petition, the person alleged to be feeble minded is found not to be feeble minded, the court, in its discretion, may require that the costs shall be paid by the person who filed the petition, and may render judgment against him therefor, except that judgment for costs shall not be rendered against the petitioner who filed the petition pursuant to the direction of a court as provided in sections nineteen hundred sixty-nine and nineteen hundred seventy.

The fees paid for attendance of witnesses and execution of legal process, shall be the same as are allowed by law for similar service in other cases. For service as commissioner, the sum of five dollars per day and the actual and necessary traveling expenses shall be allowed, to each person so employed.

When the proceedings are instituted in a court of any county of which the alleged feeble-minded person is not a resident, in case a judgment for costs is not rendered against the petitioner as above provided, the clerk of the district court of the county in which the said feeble-minded person resides shall be furnished with a transcript of the record and findings in the case, and thereupon the said county shall be liable for the costs of the proceedings.

[38 G. A., ch. 356, § 17.]

Where an order that a feeble-minded person be placed under guardianship, or be sent to a private or public institution, is made under this chapter, [the court] may at any time, on the application of
the petitioner or of the guardian, as the case may be, make an order 
requiring the feeble-minded person, or any person liable or under-
taking to maintain him, to contribute such sums towards the expenses 
of his guardianship, or his maintenance in the institution and any 
charges incidental thereto, including the costs of the proceedings in 
feeble-mindedness, of his conveyance to the institution, and in the 
event of his death at the institution his funeral expenses, as seems 
reasonable, having regard to the ability of the feeble-minded person, 
or of the person liable or undertaking to maintain him. Any such 
order may be enforced against any property of the feeble-minded 
person, or of the person liable or undertaking to maintain him, in the 
same way as if it were a judgment or decree for temporary alimony 
in a divorce case.

[38 G. A., ch. 356, § 18.]

1 When a child is brought before a juvenile court as a dependent 
or a delinquent child, if it appears to the court, on the testimony of 
a physician or psychologist, or other evidence, that such person or 
child is feeble minded within the meaning of this chapter, the court 
may adjourn the proceedings and direct some suitable officer of the 
court or some other suitable reputable person to file a petition under 
this chapter; and the court may order that pending the preparation, 
filing and hearing of such petitions, the person or child be detained 
in a place of safety or be placed under the guardianship of some suit-
able person on that person entering into recognizance for his ap-
pearance.

[38 G. A., ch. 356, § 19.]

SEC. 1971. Suspension of criminal proceedings.
1 On the conviction by a court of record of competent jurisdiction 
of any person of any crime, misdemeanor, or any violation of any ordi-
nance which is in whole, or in part, a violation of any statute of this 
state; or on a child brought before the juvenile court for any delin-
quency, being found liable to be sent to a reformatory school, a train-
ing school or an industrial school, the court if satisfied on the testi-
mony of a physician or a psychologist, or other evidence that the 
person or child is feeble minded within the meaning of this chapter, 
may suspend any sentence or suspend entering an order sending the 
child to a reformatory training or industrial school and direct that a 
petition be filed under this chapter. When the court directs a petition 
to be filed it may order that pending the preparation, filing and hear-
ing of the petition, the person or child be detained in a place of safety, 
or be placed under the guardianship of any suitable person on that 
person entering into a recognizance for his appearance. If upon the 
hearing of said petition or upon any subsequent hearing under this 
chapter the person is found not to be feeble minded the court shall 
impose sentence.

[38 G. A., ch. 356, § 20.]

1 When the mental condition of a person under guardianship or in 
an institution for feeble-minded persons, pursuant to an order of 
court under this chapter, becomes or is found to be such that he

5 tendent of the institution or the guardian of the person, or the board
6 of control, as the case may be, shall cause such steps to be taken as
7 may be necessary for his removal to an institution for the insane.
8 When the mental condition of a person in an institution for the
9 insane becomes or is found to be such that he ought to be transferred
10 to an institution for feeble-minded persons, or placed under guardian-
11 ship under this chapter, the superintendent of the institution for the
12 insane, or the board of control, may cause such steps to be taken as
13 may be necessary for having an order that he be sent to an institu-
14 tion entered by the court by original jurisdiction for feeble-minded
15 persons or placed under guardianship under this chapter.

[38 G. A., ch. 356, § 21.]

1 No person shall be discharged from a public institution for the
2 feeble minded without suitable clothing and a sum of money not ex-
3 ceeding twenty dollars, sufficient to defray his expenses home, which
4 shall be charged to the county in which the person resides, and col-
5 lected as other debts due the institution are collected.  But the court
6 ordering the discharge may dispense with this requirement if the
7 court, in its discretion, thinks it fit and proper under the circum-
8 stances.

[38 G. A., ch. 356, § 22.]

1 If any feeble-minded person shall escape from an institution for
2 the feeble minded, it shall be the duty of the superintendent of the
3 institution and his assistants, and of any sheriff or constable, or other
4 officer of the peace in any county in which he may be found, to take
5 and detain him without a warrant and report the same at once to a
6 judge who shall return him to the institution at the expense of the
7 county from which he was admitted.

[38 G. A., ch. 356, § 23.]

SEC. 1975.  Separate docket.
1 Each court having jurisdiction under this chapter shall keep a
2 separate docket of proceedings in feeble-mindedness upon which shall
3 be made such entries as will, together with the papers filed, preserve

[S. S., '15, § 2727-a96.]

In addition to the duties which may now be imposed by law, the superintendent shall oversee and secure the individual treatment and professional care of each and every patient residing in the hospital and colony, and shall enforce such rules as may be adopted by the board of control, for the reception, examination, retention and discharge of patients and shall keep a full and complete record of the condition of all patients and make notations as to their prospects of recovery. [S. S., '15, § 2727-a96.]

The commissioners of insanity in each county shall have the same power and authority to commit persons to the state hospital and colony for epileptics, except in cases of voluntary commitments to such hospital and colony, as is now conferred by law upon such commissioners in connection with the commitment of patients to the state hospital for the insane, and all laws relating to the admission of patients to the state hospital for the insane shall apply to admission of patients to the state hospital and colony for epileptics in all cases

SEC. 2059. Investigation—certificate of physician.

On the filing of such information, the commissioners may examine the informant and other witnesses under oath, and, if satisfied that there is reasonable cause therefor, at once investigate the grounds thereof, and may require that the person for whom such admission is sought be brought before them, and that the examination be had in his presence. They may issue their warrant therefor, and provide for the custody of such person until their investigation shall be concluded, which warrant may be executed by the sheriff or any constable of the county; or, if they shall be of the opinion from such preliminary inquiries as they make that such course would probably be injurious to such person, or attended with no advantage, they may dispense with such presence. In their examination, they shall hear testimony for and against such application, if any is offered. Any citizen of the county, or relative of the person alleged to be insane, may appear and resist the application, and the parties may appear by counsel, if they elect. The commissioners, whether they dispense with the presence before them of such person or not, shall appoint some regular practicing physician of the county to visit him and make a personal examination touching the truth of the information and his actual condition, who shall forthwith report to them thereon. He may or may not be of their number, and shall certify that he has made a careful personal examination as required, and that he finds the person in question insane, if such is the fact, and if otherwise, not insane; and, in connection with his examination, shall endeavor to obtain from the relatives of the person, or from others who know the facts, correct answers, so far as may be, to the interrogatories hereinafter required to be propounded, which interrogatories and answers shall be attached to his certificate.

SEC. 2060. Application for admission to hospital.

In each case of application for admission to the hospital, correct answers to the following interrogatories, so far as they can be obtained, shall accompany the physician's certificate; and if, on further examination after the answers are stated, any of them are found to be erroneous, the commissioners shall cause them to be corrected:

1. What is the patient's name and age? Married or single? If any children, how many? Age of youngest child?
2. Where was the patient born?
3. Where is his (or her) place of residence?
4. What has been the patient's occupation?
5. Is this the first attack? If not, when did the others occur, and what was their duration?
6. When were the first symptoms of this attack manifested, and in what way?
7. Does the disease appear to be increasing, decreasing or stationary?
8. Is the disease variable, and are there rational intervals? If so, do they occur at regular periods?
10. Has the patient shown any disposition to injure others?
11. Has suicide ever been attempted? If so, in what way? Is the propensity now active?
12. Is there a disposition to filthy habits, destruction of clothing, breaking of glass, etc.?
13. What relatives, including grandparents and cousins, have been insane?
14. Did the patient manifest any peculiarities of temper, habits, disposition or pursuits before the accession of the disease?—any predominant passion, religious impressions, etc.?
15. Was the patient ever addicted to intemperance in any form?
16. Has the patient been subject to any bodily disease; epilepsy, suppressed eruptions, discharges of sores, or ever had any injury of the head?
17. Has restraint or confinement been employed? If so, what kind, and how long?
18. What is supposed to be the cause of the disease?
19. What treatment has been pursued for the relief of the patient? Mention particulars and effects.
20. State any other matter supposed to have a bearing on the case.

Sec. 2061. Finding of commissioners—warrant—confinement.

On the return of the physician's certificate, the commissioners shall, as soon as practicable, conclude their investigation and find whether the person is insane; whether, if insane, a fit subject for treatment in the hospital; whether the legal settlement of such person is in their county, and, if not, where it is, if ascertained. If they find such person is not insane, they shall order his immediate discharge, if in custody, but if insane, and a fit subject for custody and treatment in the hospital, they shall order his commitment to the hospital in the district in which the county is situated, and unless he or some one in his behalf shall appeal therefrom, shall forthwith issue their warrant and a duplicate thereof, stating such finding, with the settlement of the person, if found, and, if not found, their information, if any, in regard thereto, authorizing the superintendent of the hospital to receive and keep him as a patient therein. Said warrant and duplicate, with the certificate and finding of the physician, shall be delivered to the sheriff, who shall execute the same by conveying such person to the hospital, and delivering him, with such duplicate and physician's certificate and finding, to the superintendent, who shall, over his official signature, acknowledge such delivery on the original warrant, which the sheriff shall return to the clerk of the commissioners, with his costs and expenses indorsed thereon. If the

sheriff and his deputy are both otherwise engaged, the commissioners may appoint some other suitable person to execute the warrant, who shall take and subscribe an oath faithfully to discharge his duty, and shall be entitled to the same fees as the sheriff. The sheriff, or any person appointed, may call to his aid such assistance as he may need to execute such warrant; but no female shall thus be taken to the hospital without the attendance of some other female or some relative. The superintendent, in his acknowledgment of delivery, must state whether there was any such person in attendance, and give the name or names, if any. But if any relative or immediate friend of the patient, who is a suitable person, shall so request, he shall have the privilege of executing such warrant, in preference to the sheriff or any other person, without taking such oath, and for so doing shall be entitled to his necessary expenses, but no fees. No person who shall be found to be insane shall, during investigation or after such finding, and pending commitment to the hospital, or when on the way there, be confined in any jail, prison or place of solitary confinement, except in cases of extreme violence, when it may be necessary for the safety of such person or of the public; and if such person be so confined, there shall, at all times during its continuance, be some suitable person or persons in attendance in charge of such person; but at no time shall any female be placed in such confinement without at least one female attendant remaining in charge of her.

[R., '60, § 1479; C., '73, §.1401; C., '97, § 2266.]

SEC. 2062. Appeal from finding.

Any person found to be insane in proceedings herein authorized may appeal from such finding to the district court by giving the clerk thereof, within ten days after such finding has been made, notice in writing that an appeal is taken, which may be signed by the party, his agent, guardian or attorney, and, when thus appealed, it shall stand for trial anew. Upon appeal it shall be the duty of the county attorney to prosecute the action on behalf of the informant without additional compensation.

[C., '97, § 2267; S., '13, § 2267.]

SEC. 2063. Custody pending appeal.

If an appeal shall be taken, the appellant, pending the appeal, shall be discharged from custody, unless the commissioners find that he can not with safety be allowed to go at large, in which case they shall require him to be suitably provided for in the manner hereinafter specified.

[C., '97, § 2268.]

SEC. 2064. Final order.

If upon the trial of the appeal such person is found sane, he shall be immediately discharged, if in custody. If found insane, and a fit subject for custody and treatment in the hospital, an order of commitment shall be entered, and the clerk shall issue a warrant therefor, and the proceedings thereunder shall be as provided in cases before the board.

§§ 2065-2068. COMMITMENT AND DISCHARGE OF INSANE. Tit. IX, Ch. 11.

SEC. 2065. Blanks.
1 The board of control shall provide for furnishing the commissioners of the counties entitled to send patients to the hospital with such blanks for warrants, certificates and other papers as will enable them with regularity and facility to comply with the provisions of this chapter, and also with copies of the regulations of the hospital, when printed.

[C., '73, § 1431; C., '97, § 2295.]

SEC. 2066. Custody outside hospital.
1 If any person found to be insane and a fit subject for custody and treatment in the hospital can not at once be admitted therein, or, in case of appeal from the finding of the commissioners, if such person can not with safety be allowed to go at liberty, the commissioners shall require that such person shall be suitably provided for otherwise until such admission can be had, or until the occasion therefor no longer exists. Such patients may be cared for as private patients whose relations or friends will obligate themselves to take care of and provide for them without public charge. In such case, the commissioners shall in writing appoint some suitable person special custodian, who shall have authority to, and shall in all suitable ways, restrain, protect and care for such patient in such manner as to best secure his safety and comfort, and to best protect the persons and property of others. In the case of public patients, the commissioners shall require that they be in like manner restrained and protected and cared for by the board of supervisors at the expense of the county, and they may, accordingly, issue their warrant to such board, who shall forthwith comply with the same. If there is no county home for the reception of such patients, or if no more suitable place can be found, they may be confined in the jail of the county in charge of the sheriff; but no female may be confined in such county home or jail unless at all times under the personal care of a suitable female attendant, who shall hold a key of the apartment in which said person is confined.

1 On application to the commissioners in behalf of persons alleged to be insane, whose admission to the hospital is not sought, made substantially in the manner above prescribed, and asking that provision be made for their care as insane, either public or private, within the county, and on proof of their insanity and need of care, the commissioners may provide for their restraint, protection and care, as in case of other applications.

[R., '60, § 1437; C., '73, § 1404; C., '97, § 2272.]

SEC. 2068. Destitute insane.

2 private patients, outside of the hospital, by authority of the commis-
3 sioners of any county may, on application, be transferred to the hos-
4 pital, whenever they can be admitted thereto, on the warrant of such
5 commissioners. Such admission may be had without another inquest,
6 at any time within six months after the inquest already had, unless
7 the commissioners shall think further inquest advisable.

[C., '73, § 1406; C., '97, § 2274.]

SEC. 2070. Discharge from custody.
1 Whenever it shall be shown to the satisfaction of the commis-
2 sioners of insanity of any county that cause no longer exists for the
3 care within the county of any person as an insane patient, they shall
4 order his immediate discharge, and shall find if such person is sane
5 or insane at the time of such discharge, which finding shall be entered
6 of record by the clerk of the commission.

[C., '73, § 1409; C., '97, § 2277.]

SEC. 2071. Insane prisoners—inquiry—confinement.
1 On a written application made by any citizen, stating under oath
2 that a person confined in any prison within the county, charged with
3 a crime but not convicted thereof nor on trial therefor, is insane, the
4 commissioners shall cause said prisoner to be brought before them,
5 and if they find that he is insane they shall direct his removal to and
6 detention in one of the hospitals for the insane, issuing their warrant
7 therefor, and stating therein that he is under criminal charges, and
8 the superintendent of the hospital designated in such warrant shall
9 receive and keep such prisoner as a patient. The warrant shall be
10 executed by the sheriff or his deputy by delivering the prisoner to
11 the superintendent in person. After an investigation such as con-

§ 2074. Commission of inquiry—appointment by court.

On a statement in writing, verified by affidavit, addressed to a judge of the district court of the county in which the hospital is situated, or of the county in which any person confined in a hospital has his legal settlement, alleging that such person is not insane and is unjustly deprived of his liberty, such judge shall appoint a commission of not more than three persons, in his discretion, to inquire into the merits of the case, one of whom shall be a physician, and if two or more are appointed, another shall be a lawyer. Without first summoning the party to meet them, they shall proceed to the hospital and have a personal interview with such person, so managed as to prevent him, if possible, from suspecting its object; and they shall make any inquiries and examinations they may deem necessary and proper of the officials and records of the hospital, touching the merits of the case. If they shall judge it prudent and advisable, they may disclose to the party the object of their visit, and, either in his presence or otherwise, make further investigation of the matter. They shall forthwith report to the judge making the appointment the result of their examination and inquiries, such report to be accompanied by a statement of the case, made and signed by the superintendent. If on such report and statement, and the hearing of testimony if any is offered, the judge shall find a person not insane, he shall order his discharge; if the contrary, he shall so state, and authorize his continued detention. The finding and order of the judge, with the report and other papers, shall be filed in the office of the clerk of the court over which such judge presides, who shall enter a memorandum thereof on his record, and forthwith notify the superintendent of the hospital of the finding and order of the judge, and the superintendent shall carry out the order. The commissioners appointed as provided in this section shall be entitled to their necessary expenses and a reasonable compensation, to be allowed by the judge, and paid by the state out of any funds not otherwise appropriated, but the applicant shall pay the same if the judge shall find that the application was made without probable ground, and shall so order.

[C., '73, § 1442; C., '97, § 2304.]

§ 2075. How often.

The commission above provided for shall not be repeated oftener than once in six months in regard to the same person; nor shall such commission be appointed in the case of any patient within six months of the time of his admission.

[C., '73, § 1443; C., '97, § 2305.]

§ 2076. Habeas corpus.

All persons confined as insane shall be entitled to the benefit of the writ of habeas corpus, and the question of insanity shall be decided at the hearing. If the judge shall decide that the person is insane, such decision shall be no bar to the issuing of the writ a second time, whenever it shall be alleged that such person has been restored to reason.

18 person so confined, or in any other way, he shall be imprisoned in the
19 penitentiary not to exceed three years, or pay a fine not to exceed one
20 thousand dollars, or be both fined and imprisoned.

CHAPTER 12.  
SUPPORT OF INSANE.  

SECTION 2078. Expenses—county of settlement liable.  
1 When the superintendent of the hospital has been notified that
2 a patient sent to the hospital from one county has a legal settlement
3 in another county, he shall thereafter hold and treat such patient as
4 from the latter county; and such holding shall apply to expenses
5 already incurred in behalf of such patient and remaining unadjusted.  
[C., '73, § 1417; C., '97, § 2281.]

SEC. 2079. Settlement in another county.  
1 If the commissioners find that the person committed to the hos-

3 they shall, after the time allowed for an appeal, or, in case an appeal
4 is taken, after the same is finally disposed of, immediately notify the
5 auditor of such county of such finding and commitment, and the au-
6 ditor so notified shall thereupon inquire and ascertain if possible
7 whether the person in question has a legal settlement in that county,
8 and shall immediately notify the superintendent of the hospital and
9 the commissioners of the county from which such person was com-
10 mitted of the result of such inquiry. If the legal settlement of a per-
11 son committed can not for a time be ascertained, and is afterwards
12 found, the notices required shall then be given. If in either of the

15 the commissioners of the county from which the patient was com-
16 missioned, and said commissioners are unwilling to accept his findings,
17 they shall, through the auditor of their county, forthwith apply to the
18 district court through proper legal proceedings for a determination
19 of the case. Any county whose officials shall fail either in cases now
20 in dispute or disputes which may hereafter arise to apply to the dis-

22 the receipt of notice from the auditor of the county in which it is
23 claimed the patient has a legal settlement shall be liable for the main-
24 tenance of said patient.
25 If, upon hearing, the court shall find that the patient has no legal
26 settlement in either of the counties in dispute, the board of control
27 shall at once be notified by the auditor of the county from which the
28 patient was committed, in accordance with the provisions of section
29 twenty hundred eighty-two, and the proceedings thereafter with ref-
30 erence to said patient shall be as provided in said section. The resi-
31 dence of any person found insane who is an inmate of any state
32 institution shall be that existing at the time of admission therein.

SEC. 2080. Nonresidents of county—costs and expenses.
1 In all cases where the commissioners of insanity of a county find
2 to be insane a person who does not have a legal settlement within that
3 county, the necessary and legal costs and expenses of the arrest, care,
4 investigation and commitment of such person, including quarterly
5 support in a state hospital during the investigation, or time required
6 to determine the residence of such person, also court costs in suit to
7 determine the legal settlement of such patient, together with costs
8 of appeal, if an appeal be taken, and the person is found to be insane
9 on appeal, shall in the first instance be paid by the county in which
10 such person is so found to be insane. If, upon investigation, such
11 person is found to have a legal settlement in another county of this
12 state, such necessary and legal costs and expenses shall be audited
13 and paid by the supervisors of that county in the manner provided
14 for the payment of other claims. If such person be found to have
15 no legal settlement within this state such necessary and legal costs
16 and expenses shall be paid out of any money in the state treasury not
17 otherwise appropriated, on vouchers executed by the auditor of the
18 county which has paid them, and approved by the board of control
19 of state institutions. Such vouchers shall contain an itemized state-
20 ment of the costs and expenses and payment shall be made to the
21 treasurer of the county.

SEC. 2081. Nonresident insane—support.
1 Patients in a hospital having no legal settlement in the state, or
2 whose legal settlement can not be ascertained, shall be supported at
3 the expense of the state. The board of control may authorize the
4 superintendent to remove any patient who has no legal settlement
5 within the state, the cost of such removal to be paid directly from the
6 state treasury, upon a sworn statement of the superintendent and
7 the approval of the board appended to each voucher.

SEC. 2082. Nonresident insane—care and removal.

When the commissioners of insanity of any county shall find to be insane a person who is a nonresident of this state, or whose residence is found by the commissioners to be unknown, they shall at once report the case to the board of control of state institutions and furnish it with a copy of the evidence taken on the question of the legal settlement of the insane person. The board shall investigate the case and if the legal settlement can not be ascertained the board shall cause him to be taken to a state hospital for the insane as a charge of the state, and if the legal settlement of the patient is found thereafter to be in any county of this state the cost of maintaining him shall be charged to that county and collected as provided by law in other cases. If the board of control find that the insane person is a nonresident of this state it may cause him to be conveyed to the place of his legal settlement forthwith or to a state hospital for the insane, there to be treated and cared for until released, at the cost of the state. When the legal settlement of any nonresident patient received in a state hospital is known or if then unknown is afterwards ascertained, he may be transferred to the place of his legal settlement if his condition permit such transfer, unless the cost thereof, or other reasons, shall, in the opinion of the board of control, make the transfer inadvisable. No patient to be maintained at the expense of the state shall be received in a state hospital without the formal order of the board of control.

SEC. 2083. Transfers of insane persons—expenses.

[S., '13, § 2727-a28b.]

SEC. 2084. Resident insane—expense—liability.

The provisions herein made for the support of the insane at public charge shall not be construed to release the estates of such persons nor their relatives from liability for their support; and the auditors of the several counties, subject to the direction of the board of supervisors, are authorized and empowered to collect from the property of such patients, or from any person legally bound for their support, any sums paid by the county in their behalf, as herein provided; and the certificate from the superintendent, and the notice from the auditor of state, stating the sums charged in such cases, shall be presumptive evidence of the correctness of the sums so stated. If the board of supervisors in the case of any insane patient who has been supported at the expense of the county shall deem it a hardship to compel the relatives of such patient to bear the burden of his support, or charge the estate therewith, they may relieve such relatives or estate from any part or all of such burden as may seem to them rea-

1 In all counties of the state having a population of one hundred thousand or over, it shall be the duty of the judges of the district court, after each election, to select one of their number to act as judge of the juvenile court for the ensuing four years. Such judge so chosen shall have charge of all matters pertaining to dependent and neglected children, widows' pensions, and any and all matters which are, by the laws of this state, now heard in the juvenile court, and shall be vested with all the power and authority now vested in the district court in relation to such matters.

[37 G. A., ch. 405, § 1.]

SEC. 2093. Clerk of juvenile court.

1 The judge of the juvenile court shall have power to select a chief probation officer, and not to exceed two deputy probation officers, one of whom shall be a woman. He shall also have power to select a visiting nurse and competent physician. Said probation officers shall have all the power and authority of a sheriff in and about the discharge of their official duties and shall be furnished with an office and all necessary blanks, books and stationery necessary to the performance of their duties. [37 G. A., ch. 405, § 6.]
SEC. 2098. Petition in writing.
1 Any reputable person being a resident of the county, having
2 knowledge of a child in his county who appears to be either dependent,
3 neglected or delinquent, may file with the clerk of the court having
4 jurisdiction of the matter, a petition in writing, setting forth the
5 facts, verified by affidavit; it shall be sufficient if the affidavit is upon
6 information and belief.

[S. S., '15, § 254-a15.]

SEC. 2099. Summons—trial—statutes applicable—costs—appeals.
1 Upon the filing of the petition, the court may cause a summons
2 to issue requiring the person having custody or control of the child
3 or with whom the child may be, to appear with the child at a time and
4 place stated in the summons. The parents of the child, if living, and
5 their residence is known, or its legal guardian, if one there be, or if
6 there is neither parent nor guardian or if his or her residence is not
7 known, then some relative, if there be one and his residence is known,
8 shall be notified of the proceedings, and in any case the judge may
9 appoint some suitable person to act in behalf of the child. If the
10 person summoned as herein provided shall fail to appear or bring the
11 child, without reasonable cause, and abide the order of the court, he
12 may be proceeded against as in case of contempt of court. In case
13 the summons can not be served or the party served fails to obey the
14 same, and in any case when it shall be made to appear to the court
15 that such summons will be ineffectual, a warrant may issue on the
16 order of the court, either against the parent or guardian or the per-
17 son having custody of the child or with whom the child may be, or
18 against the child itself. On the return of the summons or other proc-
19 ess, or as soon thereafter as may be, the court shall enter an order
20 fixing the time and place for the hearing on the said petition, and at
21 least ten days' notice of such hearing shall be served in writing upon
22 the parents, guardian, or other person having custody of the said
23 child. There shall be attached to such notice a copy of the petition
24 containing all of the charges and accusations against the said child,
25 parent, guardian, or other person, and a continuance may be granted
26 upon application of any party to the said proceeding, including the
27 child, parent or parents, guardians, or other persons having the cus-
28 tody of said child; provided, however, that when in the opinion of the
29 court, an emergency exists, temporary provision may be made for
30 the custody of the child or children pending the further order of the
31 court.

Such petition shall conform to and be subject to all the rules
32 governing ordinary pleadings.

All such cases shall be tried to the court without a jury.

Upon appeal such cases shall be tried de novo in the supreme
36 court.

Where the penalty for the offense committed exceeds a fine of one
38 hundred dollars, or imprisonment for thirty days, the court shall make
39 an examination and in conducting same shall be governed by the pro-
40 visions of sections ninety-one hundred seventy, ninety-one hundred
41 seventy-two, ninety-one hundred seventy-three, ninety-one hundred
42 seventy-five to ninety-one hundred eighty-one, inclusive, and section
43 ninety-one hundred ninety-five, and shall make certificate, order of
44 discharge or commitment, issue warrant, require undertakings of
45 witnesses and security and commit witnesses as provided by sections
90 ninety-one hundred eighty-two to ninety-one hundred eighty-nine, inclusive. If the child is unable to furnish the required bail, the child may, pending the final disposition of the case, be detained in the possession of the person having charge of the same, or may be kept in a suitable place provided by the city or county authorities. If the crime is not triable on indictment or if it appears on the examination that a public offense has been committed which is not triable on indictment the court may order any peace officer to file an information against the child before him and shall proceed to try the case before a jury of twelve men, selected as in a justice's court. The proceedings, costs and taxation thereof, shall be as provided for trials in the district court and the defendant shall be entitled to his exceptions and right of appeal.

[S. S., '15, § 254-a16.]

SEC. 2100. Custody of child—unlawful incarceration.
1 No court or magistrate shall commit a child not yet having reached his seventeenth birthday, to jail or police station, but if such child is unable to give bail it may be committed to the care of the sheriff, police officer, probation officer, or other person, who shall keep such child in some suitable place provided by the city or county, outside the inclosure of any jail or police station. When any child shall be sentenced to confinement in any institution to which adult convicts are sentenced, it shall be unlawful to confine such child in the same yard or inclosure with such adult convicts, or to bring such child into any yard or building in which adult convicts may be present. Any such child, taken before any justice of the peace or police court, in such counties, charged with misdemeanor, shall, together with the case, be at once transferred by said justice of the peace or police court, to said district court and proper order shall be made therefor.

[S., '13, § 254-a24.]

SEC. 2101. Exclusion from courtroom.
1 The judge of such court shall designate a certain time for the hearing of such cases and is hereby empowered, when tried in a summary manner as provided in section twenty hundred ninety-nine, to exclude from the courtroom at such hearing any and all persons that in his opinion are not necessary for the hearing of the case. The probation officer shall be present at every hearing in the interest of the child.

[S., '13, § 254-a19.]

SEC. 2102. Discretionary powers of court.
1 When any such boy or girl shall be found guilty of the commission of a crime, not punishable with imprisonment for life, or the penalty of death, the court in its discretion may, instead of entering judgment of conviction, make order concerning such child in manner as hereinafter provided.

[S., '13, § 254-a17.]

SEC. 2103. Optional commitments—parole.
1 In the case of a dependent, neglected or delinquent child, the court may continue the hearing from time to time, and may commit the child to the care or custody of a probation officer, and may allow said child to remain in its own home subject to the visitation of the

5 probation officer, such child to report to the probation officer as often
6 as may be required, and subject to be returned to the court for fur-
7 ther or other proceedings whenever such action may appear to be
8 necessary; or the court may cause the child to be placed in a suitable
9 family home, subject to the friendly supervision of the probation offi-
10 cer and the further order of the court; or it may authorize the child
11 to be boarded out in some suitable family home, in case provision is
12 made by voluntary contribution or otherwise for the payment of the
13 board of such child, until a suitable provision may be made in a home
14 without such payment; or in case of a delinquent child the court may
15 commit such child, if a boy, to a training school for boys; or, if a girl,
16 to a training school for girls; or the court may commit the child to
17 any institution within the county, incorporated under the laws in this
18 state, that may care for delinquent children, or be provided by a city
19 or county, suitable for the care of such children, or to any state insti-
20 tution which may be established for the care of delinquent boys or
21 girls over the age of ten years. In no case shall a child be committed
22 beyond his or her minority. A child committed to such institution
23 shall be subject to the control of the board of managers thereof, and
24 said board shall have power to parole the child on such conditions as
25 it may prescribe; and the court shall, on the recommendation of the
26 board, have power to discharge such child from custody whenever,
27 in the judgment of the court, his or her reformation is complete; or
28 the court may commit the child to the care and custody of some asso-
29 ciation that will receive it, embracing in its objects the care of neg-
30 lected or dependent children, and that has been duly accredited as
31 hereinafter provided.

[S., '13, § 254-a23 ; 37 G. A., ch. 54, § 1 ; 38 G. A., ch. 246, § 1.]

SEC. 2104. Commitment—financial aid for widowed mother.

1 When any child of the age stated in section twenty hundred
2 eighty-nine shall be found to be dependent or neglected, within the
3 meaning of this chapter, the court may make an order committing
4 the child to the care of some suitable state institution, or to the care
5 of some reputable citizen of good moral character, or to the care of
6 some training school, as provided by law, or to the care of some asso-
7 ciation willing to receive it, embracing in its objects the purpose of
8 caring for and obtaining homes for dependent and neglected children,
9 which association shall have been accredited as hereinafter provided.
10 If the court finds that the mother of such dependent or neglected
11 child is a widow, and if the court further finds that such mother is
12 poor and unable to properly care for said child, but is otherwise a
13 proper guardian, and that it is for the welfare of such child to remain
14 at home, the court may enter an order finding such fact and fixing
15 an amount of money necessary to enable such mother to properly
16 care for such child; and thereupon it shall be the duty of the county
17 board of supervisors, through its overseer of the poor or otherwise,
18 to pay to such mother, at such times as said order may designate, the
19 amount so specified for the care of such dependent or neglected child
20 until further order of the court; providing, however, that the amount
21 to be paid for the care of any such child shall not exceed the sum of
22 two dollars per week; and provided, further, that such payment shall
23 cease upon any such child's attaining the age of sixteen years; and
24 provided, further, that at any time after such allowance is made the
25 overseer of the poor, or the board of supervisors, may make objections
26 to the continuance of such allowance. When such objection is made
the court or judge thereof shall fix a time for hearing and order that notice be given to the person receiving the allowance and at the time fixed the court or judge shall summarily hear and determine the objections made, and may revoke or modify the order for allowance theretofore made and make such further order as shall be just and proper in the premises. The court may, when the health or condition of the child may require it, cause the child to be placed in a public hospital or institution for treatment or special care, or in a private hospital or institution which will receive it for like purposes without charge. No child under the age of ten years shall be committed to the training school for boys or the training school for girls; but such children shall be eligible to admission to the soldiers' orphans' home at Davenport, Iowa, under the laws and rules applying to the admission of other children to this institution.

[Sec. '13, § 254-a20; 37 G. A., ch. 54, § 1; 37 G. A., ch. 150, § 1; 38 G. A., ch. 12, § 1; 38 G. A., ch. 107, § 1.]

SEC. 2105. When considered widow.

Any mother whose husband is an inmate of any institution under the care of the board of control, shall, for the purposes of the preceding section, be considered a widow, but only while such husband is so confined.

[Sec. '13, § 254-a20a.]

SEC. 2106. Religious belief.

The court, in committing children, shall place them, as far as practicable, in the care and custody of some individual holding the same religious belief as the parents of said child, or with some association which is controlled by persons of like religious faith with the parents of said child.

[Sec. '13, § 254-a27.]

SEC. 2107. Support of child.

In any case in which the court shall find a child dependent, neglected or delinquent, it may, in the same or subsequent proceedings, upon the parents of said child, or either of them, being duly summoned or voluntarily appearing, proceed to inquire into the ability of such parent or parents to support the child or contribute thereto, and if the court shall find such parent or parents able to support the child or contribute to its support, the court may enter such order or decree as shall be according to equity in the premises, and may enforce the same by execution or in any way in which a court of equity may enforce its orders or decrees.

[Sec. '13, § 254-a25.]

SEC. 2108. Guardianship—decree for adoption.

In any case where the court shall award a child to the care of any association or individual in accordance with the provisions of this chapter, the child shall, unless otherwise ordered, become a ward and subject to the guardianship of the association or individual to whose care it is committed. Such association or individual shall have authority to place such child in a family home, with or without indenture, and may be made party to any proceedings for the legal adoption of the child, and may by his or its attorney or agent, appear in any court

where such proceedings are pending and assent to such adoption. And such assent shall be sufficient to authorize the court to enter the proper order or decree for adoption. Such guardianship shall not include the guardianship of any estate of the child.

[S., '13, § 254-a21.]

SEC. 2109. Surrender of child by agreement.

It shall be lawful for the parent, parents, guardian or other person having a right to dispose of a dependent or neglected child to enter into an agreement with any association or institution incorporated under any public law of this state for the purpose of aiding, caring for or placing in a home such children, and being approved as herein provided, for the surrender of such child to such association or institution, to be taken and cared for by such association or institution or put in a family home. Such agreement may contain any and all proper stipulations to that end, and may authorize the association or institution, by its attorney or agent, to appear in any proceeding for the legal adoption of the child and consent to its adoption, and the order of the court made upon such consent shall be binding upon the child and its parents or guardian or other person the same as if such person were personally in court and consented thereto, whether made party to the proceeding or not.

[S., '13, § 254-a22.]

SEC. 2110. Detention home and school in certain counties.

In any county of this state having a population of more than forty thousand, it shall be the duty of the board of supervisors to provide and maintain, separate, apart and outside the inclosure of any jail or police station, a suitable detention home and school for dependent, neglected and delinquent children.

[S., '13, § 254-a29; 38 G. A., ch. 369, § 1.]

SEC. 2111. Tax for enforcement purposes.

For the purpose of providing for the enforcement of sections twenty hundred ninety-one and twenty-one hundred ten, the board of supervisors may levy a tax each year, in the counties of this state to which this chapter is applicable, not to exceed one mill on the dollar in any year, in addition to the taxes which they are now authorized to levy.

[S., '13, § 254-a30.]

SEC. 2112. Supervision of institutions by board of control—annual reports.

The board of control shall designate and approve the institutions and associations to have charge of juveniles under this chapter and shall have supervision, oversight and right of visitation (by all or any of its members or by such persons as it shall appoint thereto) to all institutions and associations having charge of juveniles under this chapter, and said court, institutions and associations shall make annual reports in the first fifteen days in January of each year to said board of control. The report of the court shall include the number of juveniles of each sex brought before it, the number for whom
10 homes have been obtained, the number sent to state institutions, and
the number under charge of such association.
[S., '13, § 254-a26.]

SEC. 2113. Statutes construed liberally.

This chapter shall be construed liberally to the end that its pur-
pose may be carried out, to wit: that the care, custody and discipline
of a child shall approximate, as nearly as may be, that which should
be given by its parents, and in all cases where it can properly be done,
the child to be placed in an approved family home and become a mem-
ber of the family by legal adoption or otherwise.
[S., '13, § 254-a28.]

CHAPTER 14.

COMPULSORY SUPPORT OF NEGLECTED CHILDREN.

SECTION 2114. Contributory dependency—who guilty of.

When any child is found to be dependent or neglected, as defined
by section twenty hundred eighty-nine, the parent, parents, person
or other person or persons having the care, custody, or control of
such child, or any other person or persons who shall by any act or
omission of duty encourage, counsel, or contribute to the neglect of
such child, or who, by reason of wilful neglect of any duty owing by
said parent or parents, person or persons to such child, is or are
responsible for its neglect or dependency, shall be guilty of contribu-
tory dependency, and proceeded against as provided herein.
[S., '13, § 254-a31.]

SEC. 2115. Jurisdiction—proceedings as in equity.

The district court shall have original and exclusive jurisdiction
to hear and determine all cases coming within the purview of this
chapter, and the proceedings hereunder shall be as in equity and may
be included with, and be a part of the proceedings in behalf of the
child, and the court may enforce obedience to its orders in any way
in which a court of equity may enforce its orders or decrees.
[S., '13, § 254-a32.]

Whenever the court, upon hearing, finds a person guilty of con-
tributory dependency, the court may enter a judgment determining
such facts and requiring such person to do, or to omit to do, any
act or acts complained of in the petition; and for the purpose of
enforcing its judgment, the court, in its discretion, may continue the
proceedings from time to time and release such person on probation
during the period of two years. The court may further, in its discre-
tion, as part of its judgment, require such person to enter into a bond
to the state of Iowa, with or without surety, in such sum as the court
may direct, to comply with the orders of the court.
[S., '13, § 254-a33.]
SEC. 2117. Failure to execute bond—commitment.
1 If the judgment of the court be that the person proceeded against
2 shall execute bonds as provided herein, such bond shall be executed
3 within such time as the court may fix; if the person proceeded against
4 should fail within the time fixed to execute such bond, the court shall
5 commit such person to jail, there to remain until he shall give bond
6 or perform the judgment of the court.
[S., '13, § 254-a34.]

SEC. 2118. Proceedings on bond—sum recovered for benefit of
1 child.
2 If the court be satisfied by information, or evidence on oath, that
3 at any time during the two years the person proceeded against has
4 violated the terms of the court's order or the terms of said bond, the
5 court may direct the county attorney to institute proceedings on said
6 bond in any court having jurisdiction of the sum fixed in said bond;
7 the sum so recovered on such bond shall be turned over to the chief
8 probation officer to be by him safely kept and expended for the care
9 and maintenance of such child under the direction and discretion of
10 the court.
[S., '13, § 254-a35.]

SEC. 2119. Spendthrifts—drunkards—guardianship.
1 In case any person found guilty of contributory dependency shall
2 be found to be a spendthrift who is squandering his property, or an
3 habitual drunkard, incapable of managing his affairs, the court shall
4 of its own motion, or on application, appoint a guardian as provided
5 by statute, who shall also have the duty to see that such person is
6 employed as much as possible.
[S., '13, § 254-a36.]

SEC. 2120. Failure to work—assistance—contempt—costs.
1 In case the contributory dependency shall, in whole, or in part,
2 consist in the failure of such person to work when he is physically and
3 mentally able to do so, and defendant claims that he can not find work,
4 then the court may appoint some person to find suitable employment
5 for such person, and if he fails and refuses to work at such employ-
6 ment without reasonable excuse, after it has been approved by the
7 court, he shall be guilty of contempt and be dealt with accordingly. It
8 shall be the duty of the board of supervisors and of the cities of such
9 counties, whether they be under special charter or not, to give
10 preference and precedence to such persons, upon the application of
11 such appointee, for such work as such counties or cities may have,
12 in case such appointee, after reasonable effort to the satisfaction of
13 the court, can find no other work elsewhere. In case defendant claims
14 that he can find work and he does not go to work within a reasonable
15 time, to be fixed by the court, he shall be guilty of contempt. This
16 statute shall not be interpreted as allowing involuntary servitude, but
17 it shall be liberally construed as punishing the party affected as for
18 contempt, in case he does not do his parental duty and support his
19 children as the law contemplates that he should do, after he has been
20 ordered by the court to do so and efforts have been made to aid him
21 in so doing. Any person who is able to properly support his children
22 without labor, shall not come within the contemplation of this statute.
Section eighty-eight hundred forty-five is not hereby repealed and the court in its discretion may order prosecution under that statute as provided in section twenty-one hundred twenty-three. The costs of such probation including the compensation and expenses of such appointee, shall be fixed, taxed, and paid as provided in the next succeeding section.

[S., '13, § 254-a37.]

SEC. 2121. Commitment to hospital for inebriates—probation—expenses—costs.

1 In every case where the contributory dependency consists in whole or in part of habitual drunkenness, it shall be the duty of the court to commit such person guilty thereof to such hospital for the cure of inebriates as the state may furnish, and, after his release therefrom, the court shall put him into the care of some person duly appointed as special probation officer, who shall aid and assist him toward reform and shall see that he is properly employed. Such probation shall terminate at the end of two years from and after the time of commitment as herein provided, and the provisions in regard to abandonment as set forth in section twenty-one hundred twenty-five shall apply. The court shall render a judgment against defendant for the cost of treatment at such hospital for inebriates, and the costs of suit, and may, in a proper case, allow him to pay the same in such installments as the court may fix during the period of his probation, the county of his residence to pay the same in the first instance. Such special probation officer shall have such compensation as the court may allow which shall be taxed as costs of the case.

[S., '13, § 254-a38.]

SEC. 2122. Failure to pay—no exemptions—garnishment.

1 In case no guardian is appointed and the person found guilty of contributory dependency fails to apply a sufficient sum for the benefit of his family and it be deemed necessary by the court to levy upon any of his property, including wages, for the benefit of the family, he shall not have the benefit of any exemptions as provided by statute, except such as are provided for an unmarried person. In such cases nothing further shall be necessary than the service of a copy of the order of the court which shall serve the purposes of an execution, and it may also take the place of a notice of garnishment, and any property belonging to, or debt owing such person shall be paid into court on or before a time to be fixed by the court, to be expended in such manner as the court may direct, and in case the person so garnished fails to turn over as herein provided, or there is any dispute in regard to the matter, such person may be summoned to appear before the court out of which the order issued, at a time for hearing to be fixed by the court, and a hearing may be had and judgment entered as may be proper in the premises. The principal defendant shall be given such notice of the proceedings as the court may direct.

[S., '13, § 254-a39.]

4 proceeded against as provided herein, and upon the hearing of any case herein, the court, in its discretion, may order and direct the county attorney to take any and all needful steps to prosecute such person in accordance with the laws of the state concerning the commission of crimes.

[S., '13, § 254-a40.]

SEC. 2124. Disposition of child during probation.

1 When children are allowed to remain in the custody of such person as is found guilty of contributory dependency, the court may prescribe such conditions as seem most calculated to remove the cause of such dependency and neglect, and in case the court deems it for the best interests of the child to remove it from its home until the conditions of the probation have been complied with, and the court is satisfied that such compliance will continue, then the court may place the same in the care and custody of the juvenile detention home, wherever such is authorized, or of such other suitable institution provided for by the juvenile court to act for such time during minority, as the court may deem fit, and the court at any time thereafter may set aside, change, or modify such order.

[S., '13, § 254-a41.]

SEC. 2125. May be declared abandoned.

1 A person guilty of contributory dependency shall fully comply with all of the orders of the court, within such time as the court may fix, to be not more than one year, and shall continue to comply with such order thereafter for such period as will make the full term of two years from and after the judgment establishing contributory dependency, and, in case he fails to do so, the court may, in its discretion, declare the child or children whose parent he is, to be abandoned children, and, in case any person who has been adjudged guilty of contributory dependency and who has been ordered to pay for the support of such child departs from the jurisdiction of the court rendering such judgment, and allows such support to remain unpaid for six months, without excuse satisfactory to such court, such child or children whose support he has been ordered to pay may, in the discretion of the court, be adjudged to be abandoned; the making of such payments shall not prevent the finding and judgment of abandonment after two years, in case there are other orders of court which have not been complied with as hereinbefore provided. In case both parents are living and neither one has been relieved of its duty, and both are guilty of contributory dependency, both shall be proceeded against at the same time.

[S., '13, § 254-a42.]

SEC. 2126. Disposal of abandoned children—adoption.

1 In case, at the end of two years, a child is declared to be abandoned by both of its parents as provided by the preceding section, the court may order the clerk of the district court to sign papers for its adoption, or it may be turned over to some home-finding association, approved by the board of control, or to the soldiers' orphans' home at Davenport, Iowa, with power to adopt such child out and to execute papers of adoption.

[S., '13, § 254-a43.]
SEC. 2127. Inheritance from parents.
1 Any adoption as provided by the preceding section shall not
2 prevent or cut off any inheritance he might be entitled to from his
3 rightful or adoptive parents adjudged guilty of contributory depend-
4 ency as hereinbefore provided, in accordance with the laws of descent
5 of this state, such inheritance to be in addition to that to which he
6 may be entitled by virtue of the adoption hereunder, and no will to
7 the contrary shall be valid.
[S., '13, § 254-a44.]

SEC. 2128. Court to give aid—divorced parents.
1 In every cause in the juvenile court, the court shall investigate
2 whether every person responsible for the care, custody, maintenance,
3 education, medical treatment and discipline of the child or children
4 involved, is doing his full duty by such child or children, and, in case
5 the court finds that the parents or other persons in loco parentis are
6 not doing their duties, the court shall try all lawful and proper means
7 under this chapter to make them do so, giving them aid and assistance
8 in case it be deemed necessary. The court may declare a child aban-
9 doned by one parent while it may not be by the other. In case the
10 parents are divorced and the one having the custody is adjudged to
11 have abandoned the child, then the ability and propriety of the other
12 parent shall be considered.
[S., '13, § 254-a45.]

SEC. 2129. Liberal construction for protection of child.
1 This chapter shall be liberally construed in favor of the state, for
2 the purpose of the protection of the child from neglect, or omission
3 of parental duty toward the child by its parents, or other persons
4 standing in loco parentis, and further to protect the child from the
5 effects of the improper conduct or acts of any person which may
6 cause, encourage or contribute to the dependency and neglect of such
7 child, although such person is in no way related to such child.
[S., '13, § 254-a47.]

5 persons having custody of such child, is abandoned, illtreated, or

7 dissolute, immoral or vicious life, then it shall be the duty of such
8 court or magistrate to take such child away from its parents or those
9 having control thereof, and commit it to some society incorporated for
10 that purpose, or to some other person or guardian, as may seem to be
11 for the best interests of such child, and the society or person so adopt-

5 parents, guardians or other persons shall be served with a copy of said
6 complaint, and such notice of the time and place of the hearing thereof
7 as may be ordered by the court or magistrate by whom the case is to
8 be tried; which notice and copy shall be served in the same manner
9 as is provided in the service of original notices. An appeal may be
10 taken to the district court from the order of a magistrate at any
11 time within twenty days thereafter, in the same manner as appeals

13 be required to stay proceedings.
[S., '13, § 3260-e.]

SEC. 2134. Custody of child during trial.
1 Upon filing of proper complaint, the magistrate may, if thought
2 best, issue a warrant directed to the sheriff or other peace officer,
3 requiring such peace officer forthwith to take into his custody the
4 child described in such complaint, and to retain possession of it sub-
5 ject to the order and direction of the court.
[S., '13, § 3260-f.]

[S., '13, § 3260-h.]

SEC. 2138. Jurisdiction to revoke.

The district court of any county in which any society or home may be located shall have jurisdiction to revoke the powers herein granted upon a showing that any such society or person has abused the trust imposed in such society or person, or that the welfare of its wards demands that they be taken from the control of such society or person. It shall be the duty of the state board of control to institute such proceedings whenever, in its judgment, they are advisable.

[S., '13, § 3260-k.]

SEC. 2139. Board of control to have supervision—annual reports.

All associations or societies receiving children under this chapter shall be under supervision of the board of control of state institutions and shall be subject to visitation by the board of control, its members, or agents, which may require such information and statistics from such associations as the board shall deem necessary, in order to enable it to exercise proper supervision over them. 7 preceding section. The expenses specified shall be paid as provided
8 by section twenty hundred forty-seven. At the end of each biennial

1 No association which is incorporated under the laws of any other
2 state than the state of Iowa shall place any children in any family
3 home within the boundaries of the state of Iowa, either with or
4 without indentures, or for adoption, unless the said association shall

7 Iowa in the penal sum of one thousand dollars, that no child shall be
8 brought into the state of Iowa by such society or its agents, having
9 any contagious or incurable disease, or having any deformity, or
10 being of feeble mind, or of vicious character, and that said association
11 will promptly receive and remove from the state any child brought
12 into the state of Iowa by its agents, which shall become a public
13 charge within the period of five years after being brought into this
14 state. Provided that this section shall not be construed as prohibiting
15 any person residing in Iowa from receiving and adopting into his
16 family any child or children from another state.

[S., '13, § 3260-l.]

SEC. 2142. Commitment to institutions for girls.

1 Whenever under the provisions of chapter sixteen of this title
2 any court or judge is authorized to commit any female within the ages
3 therein prescribed to the state training school, said court or judge
4 may, instead of committing said female to said training school as
5 therein provided, commit the said female to the care of any reputable
6 institution within this state devoted to the detention and reformation
7 of wayward and fallen girls, in which event the provisions of said
8 chapter and sections twenty-one hundred thirty-six, twenty-one hun-
SEC. 2143. Monthly allowance.
1 The institution receiving and caring for any female under the
2 provisions of the preceding section shall be entitled as compensation
3 not to exceed a monthly allowance of sixteen dollars from the county
4 of the legal settlement of such female, the same to be allowed by the
5 board of supervisors and paid in the same manner as other claims

SEC. 2144. Report to governor.
1 Each institution above referred to shall, on or before the first day
2 of January in each year, make a report to the governor of the state
3 showing the number of inmates in such institution admitted under
4 the provisions of section twenty-one hundred forty-two, and the total
5 amount paid for each inmate.
[S., '13, § 2713-3a.]

SEC. 2145. Commitment of females to certain institutions.
1 In all cases in which any court, for the violation of any law, ordi-
2 nance or police regulation, has power to commit the accused to a
3 county, city or town jail, such court, in lieu of ordering the accused
4 committed to such jail, shall have power to order the accused, if a
5 female, committed to any institution as herein provided, which is sit-
6 uated within the judicial district, within any part of which such court
7 has jurisdiction, provided such institution is willing to receive the
8 accused under such commitment without expense to the state. No
9 female shall be so committed for a time longer than would be legal if
10 committed to a jail. If the court has already committed such female
11 to a jail and thereafter it appears that any such institution is willing
12 to receive such female under a commitment, and under the conditions
13 herein imposed, then, in such case, the court shall have power to make
14 an additional order, releasing such female from such jail and ordering
15 her committed to such institution for the unexpired time of the orig-
16 inal commitment. Any such female may be surrendered at any time
17 to the court, judge or presiding magistrate making the original order,
18 which court, judge or magistrate may make a further order com-
19 mitting the accused to a proper jail for the unexpired term of the
20 original commitment.
[S., '13, § 5442-a.]

SEC. 2146. Release on bond.
1 If, after any female is so committed to such institution, a bond is
2 given under which such female is entitled to a release from such com-
3 mitment, then such female shall be released by an order issued by the
4 officer approving said bond.
[S., '13, § 5442-b.]
SEC. 2147. Custody and control—labor—“institution” defined.

Any female committed to an institution as herein provided shall be in the legal custody and control of the person residing therein, and who is the immediate managing head of said institution, and such female, whether the commitment so provides or not, shall, while being held under such commitment, do and perform such reasonable, fit and proper labor as such managing head may direct, which labor shall be the sole compensation to such institution for the keep of such female. The term “institution” as herein used shall embrace any institution, society, association, corporation or organization having for its objects, in whole or in part, the furnishing of relief, care and assistance to the poor, dissolute, needy or unfortunate, or any other charitable or benevolent object.

[S., ’13, § 5442-c.]

SEC. 2148. Visitation by board of control.

Any institution having any such female in its custody shall be subject to visitation by the board of control, its members or agents, which may require such information from such institution as the said board shall deem necessary, in order to enable it to exercise proper supervision. [S., ’13, § 2701-a; 37 G. A., ch. 54, §§ 1, 2.]

SEC. 2150. Commitment—conditions—procedure.

When a boy over the age of ten years and under eighteen, or a girl over the age of ten years and under eighteen, of sound mind, excepting married women, prostitutes, or any girl who is pregnant, shall be found guilty in any court of record of any crime excepting that of murder, the court in its discretion may, instead of entering judgment of conviction, order and direct the party to be sent to the training school, if a boy to the department at Eldora, if a girl, to that at Mitchellville, which order, certified by the clerk of the court and under its seal, shall be sufficient authority for his or her transfer to and confinement in said school.

If such a boy or girl is convicted before any inferior court of a crime, or shall be found to be guilty of being a disorderly person, he
or she may be forthwith sent by the court, accompanied with all the
papers filed in his office upon the subject, in custody of an officer, to a
judge of a court of record, who shall thereupon issue an order, directed
to the parent or guardian of the party, or to such person as may have
him or her in charge, or with whom he or she last resided, or one
known to be nearly related to him or her, or if he or she be alone and
friendless, then to any person the judge may appoint to act as guard-
ian for the purposes of the case, requiring him or her to appear at a
time and place stated and show cause why the party should not be
committed to the training school, which order shall be served by an
officer by delivering a copy to the party to whom it is addressed, or by
leaving it with some person of full age at the residence or place of
business of said party, and immediate return shall be made to the
judge of the service. At the time and place mentioned in the order, or
to which the hearing may be adjourned, on the appearance of the
parent or guardian, or, in case of their failure to appear, then after
the appointment of some suitable person as guardian for the purposes
of the case, the judge shall proceed to take the voluntary examination
of the boy or girl, to hear the statements of the party appearing for
him or her, and such testimony in relation to the case as may be pro-
duced, and if upon such examination and hearing he shall be satisfied
that the boy or girl is a fit subject for the training school, he may
commit him or her to said school, until he or she arrives at the age of
twenty-one years, by warrant, which warrant shall state the place in
which the party resided at the time of arrest, and his or her age, as
nearly as can be ascertained, and shall command the officer to take and
deliver without delay to the superintendent of said school or other
person in charge thereof the said boy or girl, and the statement as to
residence or age shall be conclusive thereof for the purposes of this
chapter. With the warrant, the judge shall also transmit a statement
of the nature of the complaint, and such other particulars concerning
the accused as he may be able to ascertain, including the date of birth,
amd a brief statement of the habits and environment of the accused,
arrests if any for misconduct, influence and conduct of parents and
other members of the family, and the substance of the evidence sub-
mitted. If the judge is of the opinion that the boy or girl is not a fit
subject for the school, or if said boy or girl shall appeal from the
decision of the court in which the conviction was had, he shall remand
him or her to the custody of the officer who had him or her in charge.

1 If any parent or guardian shall make complaint to a judge of a
court of record that any boy over the age of ten years and under
eighteen, or girl over the age of ten years and under eighteen, the
child or ward of such parent or guardian, is habitually vagrant, dis-
orderly or incorrigible, said judge shall issue a warrant to the sheriff
or constable to cause said boy or girl to be brought before him at such
time and place as he may appoint, when and where he shall examine
the parties, and if in his judgment the boy or girl is a fit subject for
the training school, he may issue an order, with the consent of said
parent or guardian indorsed thereon, to be executed by the sheriff or
constable, committing said boy or girl to the custody of the superin-
tendent of said school for reformation and instruction until he or she 
attains the age of twenty-one years; but security for the payment of 
the expenses of said complaint, commitment and transportation to the 
school, and the expenses of board thereat, may, in the discretion of 
the judge, be required of said parent or guardian before such order 
is executed. No married woman, prostitute, or girl who is pregnant 
shall be committed under the provisions of this section.

With the order the judge shall also transmit a statement of the 
nature of the complaint, and such other particulars as he may be able 
to ascertain, including the date of birth and a brief statement of the 
habits and environment of the accused, arrests if any for misconduct, 
influence and conduct of parents and other members of the family, and

pupils. Instruction shall also be given in physiology and hygiene with 
special reference to the effect of alcoholic drinks, stimulants and nar-
ocitics upon the human system.

[C., '73, § 1659; C., '97, § 2709; S., '13, § 2709; 37 G. A., ch. 
54, § 1.]

SEC. 2153. Superintendent—powers and duties.
1 The superintendent, with such subordinate officers and employees 
as he may appoint, shall have charge and custody of the inmates of 
the school. He shall discipline, govern, instruct, employ, and use his 
best endeavors to reform the pupils in his care, so that, while preserv-
ing their health, he may promote, as far as possible, moral, religious 
and industrious habits, regular, thorough and progressive improve-
ment in their studies, trade and employment. He shall have charge 
of all the property of the institution.

SEC. 2155. Placing of boys and girls under contract—conditions.
1 All boys and girls committed to and received in the training school 
may be placed by the superintendent, with the approval in writing of 
the board of control of state institutions, with any persons or in any 
families of good standing and character where they will be properly 
cared for and educated. They shall be so placed under articles of
agreement to be signed by the person or persons taking them and the
superintendent, approved by said board of control, which shall provide
for their custody, care, education, maintenance and earnings for a
time to be fixed in said articles, which shall not extend beyond the
time when the persons bound shall attain their majority. In case a
boy or girl so placed be not given the care, education, treatment and
maintenance required by such agreement, the board of control may
cause the boy or girl to be taken from the person or persons with whom
placed and returned to the institution, or may replace, release, or
finally discharge him or her as may seem best. It shall not be lawful
for any parent or other persons not a party to the placing of a boy
or girl to interfere in any manner or assume or exercise any control
over such boy or girl or his or her earnings which shall be used, held
or otherwise applied for the exclusive benefit of such boy or girl. In
case legal proceedings are necessary to enforce any right hereby con-
ferred on any boy or girl, the county attorney of the county in which
such proceedings should be instituted shall, on request of the super-
intendent, approved by the board of control, institute and carry on in
the name of the superintendent, the proceedings in behalf of the super-
intendent.

than until he or she attains the age of twenty-one years, and the board
of control of state institutions may at any time after one year's service
order the discharge or parole of any inmate as a reward for good
conduct. And the board may, in exceptional cases, discharge or parole
inmates without regard to the length of their service or conduct, when
satisfied that the reasons therefor are urgent and sufficient. If paroled
upon satisfactory evidence of reformation, the order may remain in
effect or terminate under such rules and regulations as the board may
prescribe. The binding out or the discharge of an inmate as reformed,
or having arrived at the age of twenty-one years, shall be a complete
release from all penalties incurred by the conviction for the offense
upon which he or she was committed to the school.

[C., '73, §§ 1660, 1661; C., '97, § 2711; S., '13, § 2711; 37
G. A., ch. 54, § 1.]

SEC. 2157. Return to county.
If any person committed to the training school shall prove unruly
or incorrigible, or if his or her presence shall be manifestly and con-

board of control of state institutions may order his or her removal to
the county from which he or she came, and deliver to the jailer of
such county, where proceedings shall be resumed as if no committal
had been made to the training school.
