[40 Ex. G. A., H. F. 84, § 142.]

3413. Petition. A petition for the adjudication of the feeble mindedness of a person within the meaning of this chapter may, with the permission of the court, or judge, be filed, without fee, against such person, with the clerk of the district, superior, or municipal court of the county or city in which such alleged feeble-minded person resides or is found, by any relative of such person, or by his or her guardian, or by any reputable citizen of the county of such residence or of such place of finding. 3429. Jurisdiction over commitment. The person committed to any private institution shall remain under the jurisdiction of the court and the order of commitment may at any time be set aside or modified by changing the place of or terminating the commitment, and appointing a guardian in lieu thereof; but this section shall not deprive the board of power to transfer committed patients from one institution to another. [38 G. A., ch. 356, § 8; 40 Ex. G. A., H. F. 84, § 159.]

The power to investigate the mental condition of an inmate is merely permissive, and does not repeal or alter any statute respecting the discharge or commitment of inmates of the state hospitals. [S., '13, § 2727-a25; 40 Ex. G. A., H. F. 84, § 229.]

3501. Discharge—certificate. [C., '73, § 1424; C., '97, § 2288; 40 Ex. G. A., H. F. 84, § 234.]

3506. Certificate covering subsequent recovery. The superintendent, under like rules, shall examine such person or cause such examination to be made and if satisfied that such person has regained his sanity, shall issue duplicate certificates showing such recovery. [40 Ex. G. A., H. F. 84, § 235.]

[R., '60, § 1482; C., '73, § 1408; C., '97, § 2276; 40 Ex. G. A., H. F. 84, § 237.]

3509. Patient accused of crime. When an inmate of any state hospital who was committed to such hospital at a time when he was formally accused of crime in any county of the state, regains his reason, the superintendent shall thereupon issue his warrant for the return of such person to the jail of the county in which such charge is pending and notify the sheriff of such county accordingly who shall proceed to such hospital and execute such warrant. [R., '60, § 1460; C., '73, § 1413; C., '97, § 2280; 40 Ex. G. A., H. F. 84, § 238.]

3512. Transfer of dangerous inmates. When an inmate of any hospital for insane becomes incorrigible, and unmanageable to such an extent that he is dangerous to the safety of others in the hospital, the board may apply in writing to the district court or to any judge thereof, of the county in which such hospital is situated, for an order to transfer said inmate to the department for the insane in the men's reformatory and if such order be granted such inmate shall be so transferred. The county attorney of said county shall appear in support of such application on behalf of the board. [40 Ex. G. A., H. F. 84, § 241.]

3513. Examination by court—notice. Before granting the order authorized in the preceding section the court or judge shall investigate the allegations of the petition and before proceeding to a hearing thereon shall require notice to be served on any relative, friend, or guardian of the person in question of the filing of said application. On such hearing the court or judge shall appoint a guardian ad litem for said person, if it deems such action necessary to protect the rights of such person. [40 Ex. G. A., H. F. 84, § 242.]

3514. Overcrowded conditions. The board shall order the discharge or removal from the hospital of incurable and harmless patients whenever it is necessary to make room for recent cases. [R., '60, § 1483; C., '73, § 1425; C., '97, § 2289; 40 Ex. G. A., H. F. 84, § 243.]

[R., '60, § 1459; C., '73, § 1412; C., '97, § 2279; 40 Ex. G. A., H. F. 84, § 288.]

The superintendent, in his acknowledgment of delivery, must state whether there was any such person in attendance, and give the name or names, if any. [C., '73, § 1401; C., '97, § 2266; 40 Ex. G. A., H. F. 84, § 290.]

3558. Preference in executing warrant. If any relative or immediate friend of the patient, who is a suitable person, shall so request, he shall have the privilege of executing such warrant, in preference to the sheriff or any other person, without taking such oath, and for so doing shall be entitled to his necessary expenses, but no fees. [C., '73, § 1401; C., '97, § 2266; 40 Ex. G. A., H. F. 84, § 291.]

3559. Confinement of insane—females. No person who shall be found to be insane shall, during investigation or after such finding, and pending commitment to the hospital, or when on the way there, be confined in any jail, prison, or place of solitary confinement, except in cases of extreme violence, when it may be necessary for the safety of such person or of the public; and if such person be so confined, there shall, at all times during its continuance, be some suitable person or persons in attendance in charge of such person; but at no time shall any female be placed in such confinement without at least one female attendant remaining in charge of her. [C., '97, § 2266; 40 Ex. G. A., H. F. 84, § 292.]

3560. Appeal. Any person found to be insane, or his next friend, may appeal from such finding to the district court by giving the clerk thereof, within ten days after such finding has been made, notice in writing that an appeal is taken, which may be signed by the party, his agent, next friend, guardian, or attorney, and, when thus appealed, it shall stand for trial anew. Upon appeal it shall be the duty of the county attorney, without additional compensation, to prosecute the action on behalf of the informant. [C., '97, § 2267; S., '13, § 2267; 40 Ex. G. A., H. F. 84, § 293.]

3564. Temporary custody in certain cases. If any person found to be insane can not at once be admitted to the hospital, or, in case of appeal from the finding of the commission, if such person can not with safety be allowed to go at liberty, the commission of insanity shall require that such person shall be suitably provided for otherwise until such admission can be had, or until the occasion therefor no longer exists. [R., '60, § 1436; C., '73, § 1403; C., '97, § 2271; S., '13, § 2271; 40 Ex. G. A., H. F. 84, § 297.]

3565. Care by relatives or friends. Such patients may be cared for as private patients when relatives or friends will obligate themselves to provide such care without public charge. In such case the commission shall in writing appoint some suitable person special custodian who shall have authority and shall in all suitable ways restrain, protect, and care for such patient, in such manner as to best secure his safety and comfort, and to best protect the persons and property of others. [C., '73, § 1403; C., '97, § 2271; S., '13, § 2271; 40 Ex. G. A., H. F. 84, § 298.]

3566. Care by county. If care and custody of the patient is not provided as authorized in the preceding section the commission shall require that he be restrained and cared for by the board of supervisors, at the expense of the county, at the county home or some other suitable place, and the commission of insanity shall issue its mandate to the board of supervisors, which shall forthwith comply therewith. [R., '60, § 1436; C., '73, § 1403; C., '97, § 2271; S., '13, § 2271; 40 Ex. G. A., H. F. 84, § 299.]

3567. Custody outside state hospitals. The commission of insanity may grant applications, made in substantially the form provided in this title, for the restraint, protection and care, within the county and outside the state hospitals, of alleged insane persons, either as public or private patients, but all patients so cared for shall be reported to the board of control. [R., '60, § 1437; C., '73, § 1404; C., '97, § 2272; 40 Ex. G. A., H. F. 84, § 300.]

3569. Transfers from county and private asylums. Insane persons who have been under care, either as public or private patients, outside of the hospital, by authority of the commission of insanity may, on application, be transferred to the state hospital, whenever they can be admitted thereto. Such admission may be had without another inquest, at any time within six months after the inquest already had, unless the commission shall think further inquest advisable. [C., '73, § 1406; C., '97, § 2274; 40 Ex. G. A., H. F. 84, § 302.]

3570. Discharge from custody. When it shall be shown to the satisfaction of the commission of insanity that cause no longer exists for the care within the county of any person as an insane patient, it shall, with the approval of the board of control, order his immediate discharge, and shall find if such person is sane or insane at the time of such discharge, which finding shall be entered of record by the clerk of the commission of insanity. [C., '73, § 1409; C., '97, § 2277; 40 Ex. G. A., H. F. 84, § 303.]

3571. Commission of inquiry. A sworn complaint, alleging that a named person is not insane and is unjustly deprived of his liberty in any hospital in the state, may be filed by any person with the clerk of the district court of the county in which such named person is so confined, or of the county in which such named person has a legal settlement, and thereupon a judge of said court shall appoint a commission of not more than three persons to inquire into the truth of said allegations. One of said commissioners shall be a physician and if additional commissioners are appointed, one of such commissioners shall be a lawyer. [C., '73, § 1442; C., '97, § 2304; 40 Ex. G. A., H. F. 84, § 304.]

3572. Duty of commission. Said commission shall at once proceed to the place where said person is confined and make a thorough and discreet examination for the purpose of determining the truth of said allegations and shall promptly report its findings to said judge in writing. Said report shall be accompanied by a written statement of the case signed by the superintendent. [C., '73, § 1442; C., '97, § 2304; 40 Ex. G. A., H. F. 84, § 305.]

3573. Hearing. If, on such report and statement, and the hearing of testimony if any is offered, the judge shall find that such person is sane, he shall order his discharge; if the contrary, he shall so state, and authorize his continued detention. [C., '73, § 1442; C., '97, § 2304; 40 Ex. G. A., H. F. 84, § 306.]

3574. Finding and order filed. The finding and order of the judge, with the report

and other papers, shall be filed in the office of the clerk of the court where the complaint was filed. Said clerk shall enter a memorandum thereof on his record, and forthwith notify the superintendent of the hospital of the finding and order of the judge, and the superintendent shall carry out the order. [C., '73, § 1442; C., '97, § 2304; 40 Ex. G. A., H. F. 84, § 307.]

3575. Compensation—payment. Said commissioners shall be entitled to their necessary expenses and a reasonable compensation, to be allowed by the judge, who shall certify the same to the auditor of state who shall thereupon draw the proper warrants on any funds in the state treasury not otherwise appropriated. The applicant shall pay said costs and expenses if the judge shall so order on a finding that the complaint was filed without probable cause. [C., '73, § 1442; C., '97, § 2304; 40 Ex. G. A., H. F. 84, § 308.]

3576. Limitation on proceedings. The proceeding authorized in the five preceding sections shall not be had oftener than once in six months regarding the same person; nor regarding any patient within six months after his admission to the hospital. [C., '73, § 1443; C., '97, § 2305; 40 Ex. G. A., H. F. 84, § 309.]

3577. Habeas corpus. All persons confined as insane shall be entitled to the benefit of the writ of habeas corpus, and the question of insanity shall be decided at the hearing. If the judge shall decide that the person is insane, such decision shall be no bar to the issuing of the writ a second time, whenever it shall be alleged that such person has been restored to reason. [R., '60, § 1441; C., '73, § 1444; C., '97, § 2306; 40 Ex. G. A., H. F. 84, § 310.]

3578. Cruelty or official misconduct. If any person having the care of an insane person, and restraining him, whether in a hospital or elsewhere, with or without authority, shall treat him with unnecessary severity, harshness, or cruelty, or in any way abuse him, or if any officer required by the provisions of this and the three preceding chapters to perform any act shall wilfully refuse or neglect to perform the same, he shall, unless otherwise provided, be fined not to exceed five hundred dollars, or be imprisoned in the county jail not to exceed three months, and pay the costs of prosecution, or be both fined and imprisoned at the discretion of the court. [C., '73, §§ 1415, 1416, 1440, 1445; C., '97, § 2307; 40 Ex. G. A., H. F. 84, § 311.]

- 1. By the county in which such person has a legal settlement, or
- 2. By the state when such person has no legal settlement in this state, or when such settlement is unknown.

The residence of any person found insane who is an inmate of any state institution shall be that existing at the time of admission thereto. [C., '73, § 1402; C., '97, § 2270; S., '13, § 2270; 40 Ex. G. A., H. F. 84, § 314.]

3582. Finding of legal settlement. The commission of insanity shall, when a person is found to be insane, or as soon thereafter as it obtains the proper information, determine and enter of record whether the legal settlement of said person is:

- 1. In the county of the residence of said commissioners;
 - 2. In some other county of the state;
 - 3. In some foreign state or country; or
 - 4. Unknown.
- [40 Ex. G. A., H. F. 84, § 315.]

3583. Certification of settlement. If such legal settlement is found to be in another county of this state, the commission shall, as soon as said determination is made, certify such finding to the superintendent of the hospital to which said patient is committed, and thereupon said superintendent shall charge the expenses already incurred and unadjusted, and all future expenses of such patient, to the county so certified until said settlement shall be otherwise determined as hereinafter provided. [C., '73, § 1417; C., '97, § 2281; 40 Ex. G. A., H. F. 84, § 316.]

3584. Certification to debtor county. Said finding of legal settlement shall also be certi-

fied by the commission to the county auditor of the county of such legal settlement. Such auditor shall lay such notification before the board of supervisors of his county, and it shall be conclusively presumed that such person has a legal settlement in said notified county unless said county shall, within six months, in writing filed with the commission of insanity giving said notice, dispute such legal settlement. [C., '73, § 1402; C., '97, § 2270; S., '13, § 2270; 40 Ex. G. A., H. F. 84, § 317.]

3585. Nonresidents. If such legal settlement is found by the commission to be in some foreign state or country, or unknown, it shall, without entering an order of commitment to the state hospital, immediately notify the board of control of such finding and furnish the board of control with a copy of the evidence taken on the question of legal settlement, and hold said patient for investigation by said board of control. [C., '73, § 1402; C., '97, § 2270; S., '13, §§ 2270, 2727-a28a; 40 Ex. G. A., H. F. 84, § 318.]

3586. Determination by board. The board of control shall immediately investigate the legal settlement of said patient and proceed as follows:

- 1. If the board of control finds that the decision of the commission of insanity as to legal settlement is correct, the board of control shall cause said patient either to be transferred to a state hospital for the insane and there maintained at the expense of the state, or to be transferred to the place of foreign settlement.
- 2. If the board of control finds that the decision of the commission of insanity is not correct, the board of control shall order said patient transferred to a state hospital for the insane and there maintained at the expense of the county of legal settlement in this state. [S., '13, § 2727-a28a; 40 Ex. G. A., H. F. 84, § 319.]

3587. Removal of nonresidents. If at any time the board of control discovers that an insane patient in a state hospital was, at the time of commitment, a nonresident of this state, it may cause said patient to be conveyed to his place of residence if his condition permits of such transfer and other reasons do not render such transfer inadvisable. [C., '73, § 1419; C., '97, § 2283; S., '13, §§ 2283, 2727-a28a; 40 Ex. G. A., H. F. 84, § 320.]

3588. Transfers of insane persons—expenses. The transfer to state hospitals or to the places of their legal settlement of insane persons who have no legal settlement in this state or whose legal settlement is unknown, shall be made according to the directions of the board of control, and when practicable by employees of state hospitals, and the actual and necessary expenses of such transfers shall be paid on itemized vouchers sworn to by the claimants and approved by the board of control, from any funds in the state treasury not otherwise appropriated. [S., '13, §§ 2308-a, 2727-a28b; 40 Ex. G. A., H. F. 84, § 321.]

3589. Subsequent discovery of residence. If, after a patient has been received into a state hospital for the insane as a patient whose legal settlement is supposed to be outside this state or unknown, the board of control finds that the legal settlement of said patient was, at the time of commitment, in a county of this state, said board shall charge all legal costs and expenses pertaining to the commitment and support of said patient to the county of such legal settlement, and the same shall be collected as provided by law in other cases. [S., '13, § 2727-a28a; 40 Ex. G. A., H. F. 84, § 322.]

3590. Preliminary payment of costs. All legal costs and expenses attending the arrest, care, investigation, and commitment of a person to a state hospital for the insane under a finding that such person has a legal settlement in another county of this state, shall, in the first instance, be paid by the county of commitment. The county of such legal settlement shall reimburse the county so paying for all such payments, with interest. [S., '13, § 2308-a; 40 Ex. G. A., H. F. 84, § 323.]

3591. Recovery of costs from state. Costs and expenses attending the arrest, care, and investigation of a person who has been committed to a state hospital for the insane and who has no legal settlement in this state or whose legal settlement is unknown, including cost of commitment, if any, shall be paid out of any money in the state treasury not otherwise appropriated, on itemized vouchers executed by the auditor of the county which has paid them, and approved by the board of control. [S., '13, § 2308-a; 40 Ex. G. A., H. F. 84, § 324.]

3592. Action to determine legal settlement. When a dispute arises between different counties or between the board of control and a county as to the legal settlement of a person committed to a state hospital for the insane,

the attorney general, at the request of the board of control, shall, without the advancement of fees, cause an action to be brought in the district court of any county where such dispute exists, to determine such legal settlement. Said action may be brought at any time when it appears that said dispute cannot be amicably settled. All counties which may be the place of such legal settlement, so far as known, shall be made defendants and the allegation of such settlement may be in the alternative. Said action shall be tried as in equity. [C., '73, § 1418; C., '97, §§ 2270, 2282; S., '13, § 2270; 40 Ex. G. A., H. F. 84, § 325.]

3593. Judgment when settlement found within state. The court shall determine whether the legal settlement of said insane person, at the time of the commitment, was in one of the defendant counties. If the court so find, judgment shall be entered against the county of such settlement in favor of any other county for all legal costs and expenses arising out of said proceedings in insanity, and paid by said other county. If any such costs have not been paid, judgment shall be rendered against the county of settlement in favor of the parties, including the state, to whom said costs or expenses may be due. [C., '73, § 1418; C., '97, § 2282; S., '13, § 2308-a; 40 Ex. G. A., H. F. 84, § 326.]

3594. Order when nonresidence or unknown settlement appears. If the court finds that the legal settlement of said insane person, at the time of commitment, was in a foreign state or country, or was unknown, an order shall be entered that said insane person shall be maintained in the hospital for the insane at the expense of the state. In such case the state shall refund to any county, with interest, all legal costs and expenses arising out of said proceedings in insanity and paid by said county. Any decision by the court shall be final. [C., '73, § 1402; C., '97, § 2270; S., '13, § 2270; 40 Ex. G. A., H. F. 84, § 327.]

3595. Personal liability. Insane persons and persons legally liable for their support shall remain liable for the support of such insane. The county auditor, subject to the direction of the board of supervisors, shall enforce the obligation herein created as to all sums advanced by the county. [R., '60, § 1488; C., '73, § 1433; C., '97, § 2297; 40 Ex. G. A., H. F. 84, § 328.]

3596. Presumption. In actions to enforce the liability imposed by the preceding section, the certificate from the superintendent and the notice from the auditor of state stating the sums charged in such cases, shall be presumptively correct. [R., '60, § 1488; C., '73, § 1433; C., '97, § 2297; 40 Ex. G. A., H. F. 84, § 329.]

3597. Relief from liability. If the board of supervisors in the case of any insane patient who has been supported at the expense of the county shall deem it a hardship to compel the relatives of such patient to bear the burden of his support, or charge the estate of such

patient therewith, they may on application relieve such relatives or estate from any part or all of such burden as may seem to them reasonable and just. [C., '73, § 1433; C., '97, § 2297; 40 Ex. G. A., H. F. 84, § 330.]

3598. Expense in county or private hospitals. The estates of insane or idiotic persons who may be treated or confined in any county asylum or home, or in any private hospital or sanatorium, and the estates of persons legally bound for their support, shall be liable to the county for the reasonable cost of such support, or so much thereof as may be determined by the board of supervisors. [R., '60, § 1488; C., '73, § 1433; C., '97, § 2297; 38 G. A., ch. 309, § 1; 40 Ex. G. A., H. F. 84, § 331.]

3599. Nonresidents liable to state—pre-emption. The estates of all nonresident patients provided for and treated in state hospitals for the insane in this state, and all persons legally bound for the support of such patients, shall be liable to the state for the reasonable value of the care, maintenance, and treatment of such patients while in such hospitals. The certificate of the superintendent of the state hospital in which any nonresident is or has been a patient, showing the amounts drawn from the state treasury or due therefrom as provided by law on account of such nonresident patient, shall be presumptive evidence of the reasonable value of the care, maintenance, and treatment furnished such patient. [S., '13, § 2297-a; 40 Ex. G. A., H. F. 84, § 332.]

3600. Expenses certified to counties. Each superintendent of a state hospital where insane patients are cared for shall certify to the auditor of state on the first days of January, April, July, and October, the amount not previously certified by him due the state from the several counties having patients chargeable thereto, and the auditor of state shall thereupon charge the same to the county so owing. A duplicate certificate shall also be mailed to the auditor of each county having patients chargeable thereto. This section shall apply to all superintendents of all institutions having patients chargeable to counties. [R., '60, § 1487; C., '73, § 1428; C., '97, § 2292; S., '13, § 2292; 40 Ex. G. A., H. F. 84, § 333.]

3601. Duty of county auditor and treasurer. The county auditor, upon receipt of such certificate, shall thereupon enter the same to the credit of the state in his ledger of state accounts, and at once issue a notice to his county treasurer, authorizing him to transfer the amount from the insane or county fund to the general state revenue, which notice shall be filed by the treasurer as his authority for making such transfer, and shall include the amount so transferred in his next remittance of state taxes to the treasurer of state, designating the fund to which it belongs. [R., '60, § 1487; C., '73, § 1428; C., '97, § 2292; S., '13, § 2292; 40 Ex. G. A., H. F. 84, § 334.]

3602. Penalty. Should any county fail to pay these bills within sixty days from the date of certificate from the superintendent, the auditor of state shall charge the delinquent county the penalty of one per cent per month on and after sixty days from date of certificate until paid. [C., '97, § 2292; S., '13, § 2292; 40 Ex. G. A., H. F. 84, § 335.]

3603. Hospital support fund. The board of supervisors shall at the time of levying other taxes estimate the amount necessary to meet said expense the coming year, including cost of commitment and transportation of patients, and shall levy a tax therefor. Said fund shall not be diverted to any other purpose. Should any county fail to levy a tax sufficient to meet this expense, the deficiency shall be paid from the general county fund. [C., '97, § 2292; S., '13, § 2292; 40 Ex. G. A., H. F. 84, § 336.]

3604. County fund for insane. The board of supervisors shall, annually, levy a tax of one and one-half mills or less, as may be necessary, for the purpose of raising a fund for the support of such insane persons as are cared for and supported by the county in the insane ward of the county home, or elsewhere outside of any state hospital for the insane, which shall be known as the county fund for the insane, and shall be used for no other purpose than the support of such insane persons. [C., '97, § 2308; S., '13, § 2308; 40 Ex. G. A., H. F. 84, § 337.]

They shall be furnished by the county with a proper office and all necessary blanks, books, and stationery. It shall be the duty of said probation officers to make such investigation as may be required by the court; to be present in court in order to represent the interests of the child when the case is heard; to furnish to the court such information and assistance as the judge may require, and to take such charge of any child before and after trial as may be directed by the court. The word "institution" shall include any corporation which includes in its purposes the care or disposition of children coming within the meaning of this chapter. [S., '13, § 254-a14; 40 Ex. G. A., H. F. 84, § 353.]

3621. Petitions. Petitions, sworn to on information and belief, setting forth the facts which render a child, found in the county, dependent, neglected, or delinquent within the meaning of this chapter, may be filed, without payment of filing fee, with the clerk of the juvenile court, by any reputable resident of the county. [S. S., '15, § 254-a15; 40 Ex. G. A., H. F. 84, § 354.]

3622. Petition may embrace several children. Complaint with reference to more than one child may be embraced in one count of the petition, subject to being later divided on order of the juvenile court if such order appears advisable. [40 Ex. G. A., H. F. 84, § 355.]

3624. Notice. Said notice shall apprise all parties entitled to notice of the filing of said petition, and of the time and place of hearing thereon, and shall require the custodian of said child to appear with said child at said time and place. A copy of the petition shall be attached to said notice. [S. S., '15, § 254-a16; 40 Ex. G. A., H. F. 84, § 357.]

3625. Manner of service. The court or judge may, in all cases, specify the particular manner in which said notice shall be served. [40 Ex. G. A., H. F. 84, § 358.]

3626. Service of notice. Said notice shall be served on the custodian of said child or on the person with whom such child is living, and on all other persons entitled to notice, at least five days before the day of hearing. No further service shall be required than on the parent when the parent is the custodian or guardian of said child or children. If the said custodian is not the parent or guardian, then additional service shall be made in the following order:

1. On the parents if their residence in this state is known.

2. On the guardian if his residence in this state is known.

3. On some relative if his residence in this state is known. [S. S., '15, § 254-a16; 40 Ex. G. A., H. F. 84, § 359.]

3627. Refusal to produce child. If the person summoned as herein provided shall fail to appear or bring the child, without reasonable cause, and abide the order of the court, he may be proceeded against as in case of contempt of court in addition to any criminal proceedings authorized by law. [S. S., '15, § 254-a16; 40 Ex. G. A., H. F. 84, § 360.]

3628. Warrant of arrest. In case the notice can not be served, or the party served fails to obey the same, or when it shall be made to appear to the court that such notice will be ineffectual, a warrant may issue on the order of the court, either against the parent or guardian or custodian, or against the child himself. [S. S., '15, § 254-a16; 40 Ex. G. A., H. F. 84, § 361.]

3629. Hearing—continuance. On the day set for hearing, the court shall, if the required notice has been given, or at any time if the parties entitled to such notice are in court, proceed to try the cause in equity unless a continuance appears advisable in the interest of justice. [S. S., '15, § 254-a16; 40 Ex. G. A., H. F. 84, § 362.]

3630. Custody of child. When, in the opinion of the court, an emergency exists, temporary provision may be made for the custody of the child pending further hearing. [S. S., '15, § 254-a16; 40 Ex. G. A., H. F. 84, § 363.]

3632. Information charging crime. In any case after an investigation of the facts and circumstances, the court may, in its discretion, cause the child to be charged with either:

1. An indictable offense, in which case the court shall proceed to hold a preliminary examination, and shall exercise the powers of other magistrates; or

2. An offense not triable on indictment, in which case the court may order any peace officer to file forthwith an information against such child and proceed to try the case before a jury of twelve.

When no regular jury is in attendance at the district, superior, or municipal court, as the case may be, the judge shall cause to be issued by the clerk and served by any peace officer a summons for such number of persons qualified to act as jurors as in his judgment are necessary to secure an impartial jury, allowing to the state and the defendant, each, three peremptory challenges. [S. S., '15, § 254-a16; 40 Ex. G. A., H. F. 84, § 365.]

3633. Commitment of child. If a child is unable to furnish a required bail pending the final disposition of the case, he may be committed to the care of a probation or peace officer, or other person, who shall keep such child in some suitable place provided by the city or

county, outside the inclosure of any jail or police station. No child shall be confined in the same yard or inclosure with adult convicts. [S., '13, § 254-a24; S. S., '15, § 254-a16; 40 Ex. G. A., H. F. 84, § 366.]

3634. Misdemeanor cases transferred. Any child, taken before any justice of the peace or police court, charged with a public offense shall, together with the case, be at once transferred by said court to the juvenile court. [S., '13, § 254-a24; 40 Ex. G. A., H. F. 84, § 367.]

3635. Exclusion from courtroom. The judge of the juvenile court shall fix a time and place for the hearing of cases transferred thereto, which shall be disposed of in the same manner as cases originally brought before said court. During his examination into or trial of the case as a court of equity, the court may exclude from the courtroom any and all persons who, in his opinion, are not necessary for the hearing of the case. [S., '13, § 254-a19; 40 Ex. G. A., H. F. 84, § 368.]

3636. Conviction of crime—alternative procedure. When there is a conviction in the district court of any delinquent child of an indictable offense, the district court may enter judgment thereon, or, if the punishment be not imprisonment for life, or death, it may transfer the cause to the juvenile court. The juvenile court shall have power to proceed with such child under the alternative or mandatory commitments provided in this chapter; but if the results, in the opinion of the court, be not conducive to the public interest and the welfare of the child, it may at any time revoke such orders of commitment and enter such judgment of conviction as the district court might have entered. [S., '13, § 254-a17; 40 Ex. G. A., H. F. 84, § 369.]

3637. Alternative commitments. The juvenile court, in the case of any neglected, dependent, or delinquent child, may:

1. Continue the proceedings from time to time and commit said child to the care and custody of a probation officer or other discreet person.
2. Commit said child to some suitable family home or allow it to remain in its own home.
3. Commit said child to any institution in the state, incorporated and maintained for the purpose of caring for such children.
4. Cause the child to be placed in a public or state hospital for treatment or special care, or in a private hospital which will receive it for such purpose, when such course seems necessary for the welfare of the child. [S., '13, §§ 254-a20, 254-a23; 37 G. A., ch. 54, § 1; 38 G. A., ch. 246, § 1; 40 Ex. G. A., H. F. 84, § 370.]

3638. Guardianship and adoption. In case the court commits said child to the custody of some proper person or institution, such person or institution shall, by virtue of such custody, be the legal guardian of the person of such child and may be made a party to any proceeding for the legal adoption of such child, but any such adoption shall be approved by the

court. [S., '13, § 254-a21; 40 Ex. G. A., H. F. 84, § 371.]

3639. Conditions attending commitment. In any case contemplated by the second preceding section, the court may, from time to time, incorporate in its order such conditions and restrictions as it may deem advisable for the welfare of the child, and the jurisdiction of the court over said proceedings and said child shall continue until the child is legally adopted, or until the child is committed to a state institution. [S., '13, § 254-a23; 40 Ex. G. A., H. F. 84, § 372.]

3640. Religious belief. The court, in committing children, shall place them, as far as practicable, in the care and custody of some individual holding the same religious belief as the parents of said child, or with some institution which is controlled by persons of like religious faith with the parents of said child. [S., '13, §§ 254-a27, 3260-g; 40 Ex. G. A., H. F. 84, § 373.]

3641. Aid to widow in care of child. If the juvenile court finds of record that the mother of a neglected or dependent child is and has been a resident of the county for one year preceding the filing of the application, and is a widow and a proper guardian, but, by reason of indigency, is unable to properly care for such child, and that the welfare of said child will be promoted by remaining in its own home, it may, on ten days' written notice to the chairman of the board of supervisors, of said application, by proper order determine the amount of money, not exceeding two dollars and fifty cents per week, necessary to enable said mother to properly care for said child. The board of supervisors shall cause said amount to be paid from the county treasury as provided in said order. Such order may, at any time, be modified or vacated by the court. No payment shall be made after said child reaches the age of sixteen years, or after the mother has remarried, or after she has acquired a legal residence in another county, or after she has become a nonresident of the state. [S., '13, § 254-a20; 37 G. A., ch. 150, § 1; 38 G. A., ch. 107, § 1; 39 G. A., ch. 51, § 1; 39 G. A., ch. 252, § 1; 40 Ex. G. A., H. F. 84, § 374.]

3642. Duration of order. Orders entered under the preceding section shall, unless sooner terminated by the court, automatically terminate two years from the date thereof, but may be renewed under a new application. [40 G. A., ch. 57; 40 Ex. G. A., H. F. 84, § 374-a1.]

3643. Who considered widow. Any mother whose husband is an inmate of any institution under the care of the board of control, shall, for the purposes of the second preceding section, be considered a widow, but only while such husband is so confined. [S., '13, § 254-a20a; 40 Ex. G. A., H. F. 84, § 375.]

3644. Compelling support by parent. The court, in any proceeding hereunder relative to a neglected or dependent child, shall have juris-

diction, on reasonable notice to the parents of said child, to inquire into the ability of said parents to support said child and make all proper orders in reference thereto. The court may require such parent to enter into a bond, with or without surety, and in a reasonable sum, conditioned for the proper care, support, and supervision of such child. If it finds that the parent is able to support such child in any reasonable degree, it may require such parent to pay a reasonable amount of money into court at such times as it may provide, which sum shall be applied to the care of said child. All orders for the payment of money shall be enforced by execution and in such case the parent ordered to make payment shall not be entitled to hold any property as exempt from such execution. All other orders may be enforced by process of contempt until such orders are complied with. [S., '13, §§ 254-a25, 254-a31-254-a45, 254-a47; 40 Ex. G. A., H. F. 84, § 376.]

3645. Action on bond. In case of the breach of a bond given as required in the preceding section, the amount thereof shall be deemed liquidated damages, which, when collected, shall, under the orders of the court, be applied to the care of said child. The county attorney shall, on the order of the court, prosecute all actions on such bonds. [S., '13, §§ 254-a25, 254-a31-254-a45, 254-a47; 40 Ex. G. A., H. F. 84, § 377.]

3646. Mandatory commitments. If commitment of any child is not made under the foregoing provisions of this chapter, or if made thereunder and the results, in the opinion of the court, are not conducive to the welfare of the child, the court shall proceed as follows:

1. If the child is neglected or dependent and not delinquent, it shall be committed either to the soldiers' orphans' home or to the state juvenile home.

2. If the child is delinquent and under the age of ten years, it shall be committed to the state juvenile home.

3. If the child is over the age of ten years and, in the opinion of the court or judge is seriously delinquent or so disposed, it shall be committed to the state training school for boys or for girls, as the case may be; but married women, prostitutes, and girls who are pregnant shall not be committed to the training school.

4. If the child is over the age of ten years and, in the opinion of the court or judge, is not seriously delinquent nor so disposed, it shall be committed to the state juvenile home. [C., '73, §§ 1653-1659; C., '97, §§ 2708, 2709; S., '13, §§ 254-a20, 254-a23, 2708, 2709; 37 G. A., ch. 54, § 1; 38 G. A., ch. 12, § 1; 38 G. A., ch. 165, § 4; 38 G. A., ch. 246, § 1; 40 Ex. G. A., H. F. 84, § 378.]

3647. Interpretive clause. It is the intent of the preceding section to so classify commitments that the merely neglected and dependent child will not be associated with the delinquent, and that delinquent children will be so segregated that the least delinquent will not

suffer by association with those of greater delinquency. [40 Ex. G. A., H. F. 84, § 379.]

3648. Right to transfer. The board of control, at any time, for the purpose of effecting, as nearly as practicable, the declared intent of this chapter, may transfer an inmate of any of said three state institutions to any other of said institutions. It may also transfer any feeble-minded child from said institutions to the institution for feeble minded or to the hospital for epileptics and school for feeble minded. The expense of such transfers shall be charged to the support fund of the institution from which the transfers are made. [40 Ex. G. A., H. F. 84, § 380.]

3649. Term of commitment—warrant. Commitments shall be until the child attains the age of twenty-one years, unless otherwise discharged by law.

A warrant of commitment shall consist of a copy of the order of commitment, certified to by the clerk, and shall be in duplicate, one of which shall be delivered to the executive head of the receiving institution and shall constitute sufficient authority to hold in custody the party committed. [C., '73, §§ 1653-1658; C., '97, § 2708; S., '13, §§ 254-a23, 2708; 37 G. A., ch. 54, § 1; 38 G. A., ch. 246, § 1; 40 Ex. G. A., H. F. 84, § 381.]

3650. Court notified of application for discharge. When application, written or otherwise, is made to the board of control for the release or discharge of any delinquent child under twenty-one years of age who has been committed by a juvenile court to any state institution, such board shall at once, by letter, give written notice of such application to the judge of the juvenile court which made the commitment, and such child shall not be discharged or released in less than thirty days after such notice has been given. [40 Ex. G. A., H. F. 84, § 382.]

3651. Record of discharge. The board shall keep a full record of the discharge by it of all delinquent children which record shall among other matters show the reasons therefor and whether the discharge was on application or on the motion of the board. [40 Ex. G. A., H. F. 84, § 383.]

3652. Statement to superintendent. In case of a commitment to a state institution, the judge shall forward to the superintendent a statement of the nature of the complaint, and such other particulars as he may be able to ascertain, including the date of birth of the child, its habits and environments, the number of times it has been arrested and the cause therefor, the influence of the parent or custodian on such child, and the substance of the evidence introduced on the hearing. [C., '73, § 1657; C., '97, § 2708; S., '13, § 2708; 37 G. A., ch. 54, § 1; 40 Ex. G. A., H. F. 84, § 384.]

3653. Detention home and school in certain counties. In counties having a population of more than forty thousand, the board of super-

visors shall provide and maintain, separate, apart, and outside the inclosure of any jail or police station, a suitable detention home and school for dependent, neglected, and delinquent children. [S., '13, § 254-a29; 38 G. A., ch. 369, § 1; 40 Ex. G. A., H. F. 84, § 385.]

3654. Tax. The board of supervisors may annually levy a tax of not to exceed one mill for the purpose of maintaining such home, and paying the salaries and expenses of all appointees authorized by this chapter. [S., '13, § 254-a30; 40 Ex. G. A., H. F. 84, § 386.]

3655. Approval of institutions. The board of control shall designate and approve the institutions to which such children may be legally committed and shall have supervision and right of visitation and inspection at all times over

all such institutions. [S., '13, §§ 254-a20, 254-a26; 40 Ex. G. A., H. F. 84, § 387.]

3656. Reports by court and institutions. The juvenile court, and all institutions receiving such children, shall, between the first and fifteenth day of January of each year, make report to the board of control. The report shall embrace the number of children of each sex brought before the court during the past year, the number for whom homes have been provided, the number sent to state institutions, and the number in charge of each institution. [S., '13, § 254-a26; 40 Ex. G. A., H. F. 84, § 388.]

3657. Statutes construed liberally. This chapter shall be liberally construed to the end that its purpose may be carried out. [S., '13, § 254-a28; 40 Ex. G. A., H. F. 84, § 389.]

CHAPTER 181

JUVENILE DELINQUENCY

3658. Contributing to delinquency.

2. To send, or cause to be sent, any such child to a house of prostitution or to any place where intoxicating liquors are unlawfully sold or unlawfully kept for sale, or to any policy shop, or to any gambling place, or to any public poolroom, or to induce any such child to go to any such places, knowing them to be such.

3659. Penalty—bar. 3660. Suspension of sentence. Upon said conviction being had, the court may, for a period not exceeding two years, suspend sentence under such conditions as to good behavior as it may prescribe. Should said conditions be fulfilled, the court may at any time enter an order setting said conviction aside and wholly releasing the defendant therefrom. Should said condition be not fulfilled to the satisfaction of the court, an order of sentence may at any time be entered which shall be effective from the date thereof. [39 G. A., ch. 238, § 2; 40 Ex. G. A., H. F. 84, § 389-a3.]

3661. Preliminary examination. If, in proceedings in juvenile court, it appears probable that an indictable offense has been committed and that the commission thereof caused, or contributed to, the delinquency of such a child, said court may order the issuance of a warrant for the arrest of such suspected person, and on the appearance of such person said court may proceed to hold a preliminary examination, and in so doing shall exercise all the powers of a committing magistrate. [39 G. A., ch. 238, § 1; 40 Ex. G. A., H. F. 84, § 389-a4.]

Any reputable citizen of the county may file a petition with the juvenile court as provided in chapter 180, against any neglected, dependent, or delinquent minor child who is over the age of eighteen years and therein ask that said child be committed to such an institution, or otherwise dealt with as may appear best for the welfare of said child, and in such case the procedure shall, so far as applicable, be as provided in said chapter, except that such child shall not be committed thereunder to any state institution. The employment of prisoners on work of any character which the state contracts to do for any person, firm, or corporation on state premises, where the work and prisoners employed thereon are both under the supervision, direction, and control of the board of control and the warden, shall not be construed as contracting or leasing the labor of prisoners to such person, firm, or corporation, but such contract shall not extend beyond July 1, 1927.

The board shall not permit such services to be rendered to a private party at a less wage than is paid free labor for like service or its equivalent, taking into consideration all the elements that enter into the value of prison labor, and the decision of the board of control in that respect shall be final, after approval by the appeal board provided for by chapter 22. [S., '13, § 5702-a; S. S., '15, § 5718-a11; 40 Ex. G. A., H. F. 84, § 461.]

However, the charge for such care, nursing, observation, treatment, medicine, and maintenance shall not exceed the cost of the same to the state. [38 G. A., ch. 235, § 8.]

3964. Application for admission. Persons suffering from mental diseases may be admitted as committed public patients as follows: Any physician authorized to practice his profession in the state of Iowa or any citizen of the state may file information with any district or superior court of the state or with any judge thereof, alleging that the person named therein is suffering from some abnormal mental condition that can probably be remedied by observation, treatment, and hospital care; and that he is, of himself or through those legally responsible for him, unable to provide the means for such observation and hospital care. [38 G. A., ch. 235, § 9.]

3965. Medical examiner. Said judge of the district or superior court may, upon his own motion or upon the information contained in such report filed as aforesaid, appoint some physician who shall personally examine said person with respect to his mental condition. [38 G. A., ch. 235, § 9.]

Such report shall be made within such time as may be fixed by the court. [38 G. A., ch. 235, § 9.]

Upon such hearing the person against whom the complaint is made shall be entitled to a trial by jury. If the judge or jury finds that the said person is suffering from an abnormal mental condition which can probably be remedied by observation, medical or surgical treatment, and hospital care, and that he, or those legally responsible for him, are unable to pay the expenses thereof, said judge shall enter an order directing that the said person shall be sent to the state psychopathic hospital at the state university for observation, treatment, and hospital care as a committed public patient. If the patient be a female, the person appointed to accompany her must be a woman. [38 G. A., ch. 235, § 15.]

3975. Compensation for attendant. [39 G. A., ch. 245, § 5.]

[S. S., '15, § 254-b; 38 G. A., ch. 78, § 1; 40 Ex. G. A., H. F. 92, § 1.]

It shall be the duty of physicians, public health nurses, members of boards of supervisors and township trustees, overseers of the poor, sheriffs, policemen, and public school teachers, having knowledge of persons suffering from any such malady or deformity, to file or cause such complaint to be filed. [S. S., '15, § 254-b; 38 G. A., ch. 78, § 1; 40 Ex. G. A., H. F. 92, § 2.]

4007. "Patient" defined. The word "patient" as used in this chapter means the person against whom the complaint is filed. [40 Ex. G. A., H. F. 92, § 3.]

4008. Examination by physician. Upon the filing of such complaint, the clerk shall docket the same and shall appoint a competent physician and surgeon, living in the vicinity of the patient, who shall personally examine the patient with respect to his malady or deformity. [S. S., '15, § 254-b; 38 G. A., ch. 78, § 1; 40 Ex. G. A., H. F. 92, § 4.]

the information required thereby, giving such history of the case as will be likely to aid the medical or surgical treatment or hospital care of such patient, describing the deformity or malady in detail, and stating whether or not in his opinion the same can probably be improved or cured, which report shall be filed in the office of the clerk within such time as the clerk may fix. [S. S., '15, §§ 254-b, 254-j; 38 G. A., ch. 78, §§ 1, 9; 40 Ex. G. A., H. F. 92, § 5.]

4010. Investigation and report by county attorney. When such complaint is filed, the clerk shall furnish the county attorney a copy thereof, who shall make a thorough investigation of the facts as to the legal residence of the patient, and the ability of the patient or others chargeable with his support to pay the expenses of such treatment and care, and shall file a report of such investigation in the office of the clerk, at or before the time of hearing. [S. S., '15, § 254-b; 38 G. A., ch. 78, § 1; 40 Ex. G. A., H. F. 92, § 6.]

4011. Notice of hearing—duty of county attorney. [S. S., '15, § 254-c; 38 G. A., ch. 78, § 1; 40 Ex. G. A., H. F. 92, § 7.]

4012. Hearing—order of commitment. The county attorney of the county where the hearing is held shall appear thereat. The complainant, the county attorney, and the patient,

or any person representing him, may introduce evidence and be heard. If the court finds that said patient is a legal resident of Iowa and is suffering from a malady or deformity which can probably be improved or cured by medical or surgical treatment or hospital care, and that neither the patient nor any person legally chargeable with his support is able to pay the expenses thereof, the court shall enter an order directing that said patient be sent to the hospital of the college of medicine of the state university for proper medical and surgical treatment and hospital care. [S. S., '15, § 254-c; 38 G. A., ch. 78, § 2; 40 Ex. G. A., H. F. 92, § 8.]

4013. Religious belief—denial of order. The court in its discretion may refuse to make such order in any case where the court finds the patient or his parent, parents, or guardian are members of a religious denomination whose tenets preclude dependence on the practice of medicine or surgery and desire in good faith to rely upon the practice of their religion for relief from disease or disorder. [40 Ex. G. A., H. F. 92, § 8.]

4014. Order in case of emergency. In cases of great emergency, when the court or judge is satisfied that delay would be seriously injurious to the patient, he may make such order with the consent of the patient, if adult, or of the parent or parents, guardian, or person having the legal custody of said patient, if a minor or incompetent, without examination, report, notice, or hearing. [S. S., '15, § 254-c; 38 G. A., ch. 78, § 2; 40 Ex. G. A., H. F. 92, § 9.]

4015. Certified copy of order. The clerk shall prepare a certified copy of said order, which, together with a copy of the physician's report, shall be delivered to the admitting physician of said hospital at or before the time of the reception of the patient into the hospital. [S. S., '15, § 254-j; 38 G. A., ch. 78, § 9; 40 Ex. G. A., H. F. 92, § 10.]

4016. Attendant—expenses—physician—compensation. The court or judge may appoint an attendant to accompany the patient to said hospital, who shall receive not exceeding three dollars per day for the time thus necessarily employed, and his actual, necessary traveling expenses; but if such appointee is a relative of the patient or a member of his immediate family, or receives a salary or other compensation from the public for his services, no such per diem shall be paid him. The physician appointed by the court to make the examination and report shall receive therefor five dollars for each examination and report so made, and his actual, necessary expenses incurred in making such examination. The actual, necessary expenses of transporting and caring for the patient shall be paid. [S. S., '15, § 254-h; 38 G. A., ch. 78, § 7; 40 Ex. G. A., H. F. 92, § 11.]

4017. Expenses—how paid. An itemized, verified statement of all charges provided for in the preceding section, when approved by the

judge under whose order the same were incurred, shall be filed with the superintendent of the hospital of the state university, and be charged on the regular bill for maintenance of the patient, and be audited and paid in the same manner as the bills for treatment and hospital care of the patient. [S. S., '15, § 254-h; 38 G. A., ch. 78, § 7; 40 Ex. G. A., H. F. 92, § 12.]

4018. Duty of admitting physician at hospital. The authorities in control of the medical college shall designate some physician to pass upon the admission of such patient, and it shall be his duty to receive such patient into the hospital and to provide for him, if available, a cot, bed, or room in said hospital, and to assign him to the appropriate clinic and for treatment by the proper physician, unless, in his judgment, the presence of the patient in the hospital would be dangerous to other patients, or there is no reasonable probability that he may be benefited by the proposed treatment or hospital care. If the admitting physician shall deny admission to the patient, he shall make a report in duplicate of his reasons therefor. [S. S., '15, § 254-d; 38 G. A., ch. 78, §§ 2, 3; 40 Ex. G. A., H. F. 92, § 13.]

4019. Report of physician or surgeon in charge of clinic. If the physician or surgeon in charge of said clinic, or to whom such patient has been assigned for treatment, declines to treat such patient, he shall make a report in duplicate of his examination of such patient, and state therein his reasons for declining such treatment. [S. S., '15, § 254-d; 40 Ex. G. A., H. F. 92, § 14.]

4020. Reports. One duplicate of each of the reports named in the two preceding sections shall be preserved in the records of said hospital, and the other transmitted to the clerk of the court where said order committing the patient to said hospital was entered, and by the clerk filed and preserved among the records in the cause. [S. S., '15, § 254-d; 40 Ex. G. A., H. F. 92, § 15.]

4021. Treatment of other children. The hospital authorities may in their discretion receive into the hospital for medical or surgical treatment or hospital care, patients under sixteen years of age not committed thereto under the provisions of this chapter; but the treatment or care of such patients shall not in any way interfere with the proper medical or surgical treatment or hospital care of committed patients. All of the provisions of this chapter except as to commitment of patients shall apply to such patients. The hospital authorities shall collect from the person or persons liable for the support of such patients, the cost of such care and treatment, determined as in this chapter provided, and shall deposit it to the credit of the hospital fund. [37 G. A., ch. 214, § 1; 39 G. A., ch. 90, § 1; 40 Ex. G. A., H. F. 92, § 16.]

4022. Hospital treatment. When any patient has been admitted to the hospital for treatment, the physician or surgeon in charge of the case

shall proceed with due care and diligence to perform such operation or bestow such treatment upon such patient as in his judgment shall be necessary and proper. Adequate nursing and hospital care shall be provided for said patient during such treatment. [S. S., '15, § 254-d; 38 G. A., ch. 78, § 3; 40 Ex. G. A., H. F. 92, § 17.]

4023. Treatment outside hospital—attendant. If, in the judgment of the physician or surgeon to whom the patient has been assigned for treatment, continuous residence of the patient in the hospital is unnecessary, such patient may, by the hospital authorities, be sent to his home or other appropriate place, and be required to return to the hospital when and for such length of time as may be for his benefit. The hospital authorities may, if necessary, appoint an attendant to accompany such patient and discharged patients, whose compensation shall be the same and whose expenses shall be audited and paid as provided for an attendant appointed by the court. [S. S., '15, §§ 254-h, 254-i; 38 G. A., ch. 78, §§ 7, 8; 40 Ex. G. A., H. F. 92, § 18.]

4024. Treatment authorized. No minor or incompetent person shall be treated for any malady or deformity except such as is reasonably well described in the order of court or the report of the examining physician, unless permission for such treatment is provided for in the order of court, or is granted by his parents or guardian; but the physician in charge may administer such treatment or perform such surgical operations as are usually required in cases of emergency. [S. S., '15, § 254-l; 40 Ex. G. A., H. F. 92, § 19.]

4025. Treatment gratuitous. No physician, surgeon, or nurse who shall treat or care for such patient shall charge or receive any compensation therefor except the salary or compensation fixed by the state board of education to be paid from the hospital funds. [S. S., '15, § 254-e; 38 G. A., ch. 78, § 4; 40 Ex. G. A., H. F. 92, § 20.]

4026. Record and report of expenses. The superintendent of said hospital shall keep a correct account of all medicine, care, and maintenance furnished to said patients, and shall make and file with the state board of audit an itemized, sworn statement of all expenses thereof incurred in said hospital. But he shall render separate bills showing the actual cost of all special appliances, instruments, and X-ray service used in connection with such treatment. [S. S., '15, § 254-f; 38 G. A., ch. 78, § 5; 40 Ex. G. A., H. F. 92, § 21.]

4027. Audit of accounts of hospital for basis of payment. To arrive at a proper basis for the payment of said bills for treatment, care, and maintenance, the state board of education shall cause to be made annually an audit of the accounts of the university hospital, and determine the average cost per day for the care and maintenance of each patient therein, exclusive of the salaries of the members of the faculty of said university college of medicine, and said bills shall be allowed at such average cost. All accounts shall be so adjusted and paid as to reimburse the funds of the hospital used for the purposes of this chapter. [40 Ex. G. A., H. F. 92, § 22.]

4028. Expenses—how paid. Warrants issued under the preceding section shall be promptly drawn on the treasurer of state and forwarded by the auditor to the treasurer of the state university, and the same shall be by him placed to the credit of the funds which are set aside for the support of said hospital. Said warrants shall be paid by the treasurer of state from the general funds of the state not otherwise appropriated. [S. S., '15, § 254-g; 38 G. A., ch. 78, § 6; 40 Ex. G. A., H. F. 92, § 23.]

4029. Faculty to prepare blanks—printing—distribution. The medical faculty of the state university hospital shall from time to time prepare blanks containing such questions and requiring such information as may, in its judgment, be necessary and proper to be obtained by the physician who examines such patient under order of court. Such blanks shall be printed by the state, and a sufficient supply thereof shall be furnished by the state board of printing to the clerk of each juvenile court in the state. The cost of printing said blanks shall be audited, allowed, and paid in the same manner as other bills for public printing. [S. S., '15, § 254-j; 38 G. A., ch. 78, § 9; 40 Ex. G. A., H. F. 92, § 24.]

The board of control of state institutions, and the board in control of the school for the blind, the school for the deaf, the soldiers' orphans' home, and the juvenile home, may, respectively, send any inmate of any of said institutions, or any person committed or applying for admission thereto, to the hospital of the medical college of the state university for treatment and care as provided in this chapter, without securing the order of court required in other cases. Said boards shall respectively pay the traveling expenses of any patient thus committed, and when necessary the traveling expenses of an attendant for such patient, out of funds appropriated for the use of the institution from which he is sent. [S. S., '15, § 254-k; 40 Ex. G. A., H. F. 92, § 25.]

[C., '73, § 1710; C., '97, § 2731; S., '13, § 2731.]

4087. Compensation. For their services the trustees shall each receive the sum of two dollars per day for the time actually employed in the discharge of official duties, claims for services to be presented, audited, and paid out of the county treasury, in the same manner as other accounts against the county. [C., '73, § 1712; C., '97, § 2731; S., '13, § 2731.]

[S., '13, § 2732.]

4090. Publication of apportionment. Said apportionment shall be published in the official papers of such county, to be paid for as other county printing. [S., '13, § 2732.]

4091. Right to admission. Pupils from the said school corporations to the number so designated in such apportionment shall be entitled to admission into said school, tuition free, and none others, and it shall be unlawful to accredit pupils so attending to any other school corporation than the one in which they are enumerated for school purposes. [S., '13, § 2732.]

4092. Excess of applications. Should there be more applicants for such admission from any school corporation than its proportionate number, so determined, then the board of directors of such school corporation shall designate which of said applicants shall be entitled to so attend. [S., '13, § 2732.]

4093. Deficiency in applications. If the school shall be capable of accommodating more pupils than those attending under such apportionment, others may be admitted by the board of trustees, preference at all times being given to pupils desiring such admission, who are residents of the county. [S., '13, § 2732.]

4094. Tuition. The board of trustees shall fix reasonable tuition for such pupils. If such pupils are residents of the county the school corporation from which they attend shall pay their tuition out of its general fund. The principal of such high school shall report to the said board of trustees under oath, at the close of each term, the names and number of pupils attending such school during said term, from what school corporation they attended, and the amount of tuition, if any, paid by each, the same to be included in the annual report of the secretary of the board of trustees to the board of supervisors, provided for in section 4086, the tuition so paid to be turned over to the treasurer of the board of trustees, to be used in paying the expense of said school under the direction of said board. 4129. Order—when effective. The formation or alteration of subdistricts as contemplated in the three preceding sections shall not take effect until the first Monday in March thereafter, at which time a director shall be elected for any subdistrict newly formed. [C., '73, § 1796; C., '97, § 2801; S., '13, § 2801.]

4130. New township—meeting—notice. When a new civil township is formed, the same shall constitute a school township, which shall go into effect on the first Monday in March following the completed organization of the civil township. 4131. Attaching territory to adjoining corporation. In any case where, by reason of natural obstacles, any portion of the inhabitants of any school corporation in the opinion of the county superintendent can not with reasonable facility attend school in their own corporation, he shall, by a written order, in duplicate, attach the part thus affected to an adjoining school corporation, the board of the same consenting thereto, one copy of which order shall be at once transmitted to the secretary of each corporation affected thereby, who shall record the same and make the proper designation on the plat of the corporation. [C., '73, § 1715; C., '97, § 2802; S., '13, §§ 2802, 2820-g; 40 Ex. G. A., ch. 16, § 5.]

4138. Arbitration. If the boards can not agree on such division and distribution, the

matters on which they differ shall be decided by disinterested arbitrators, one selected by each board having an interest therein, and if the number thus selected is even, then one shall be added by the county superintendent. The decision of the arbitrators shall be made in writing and filed with the secretary of the new corporation, and any party to the proceedings may appeal therefrom to the district court by serving notice thereof on such secretary within twenty days after the decision is filed. Such appeal shall be tried in equity and a decree entered determining the entire matter, including the levy, collection, and distribution of any necessary taxes. [C., '73, § 1715; C., '97, § 2802; S., '13, §§ 2802, 2820-g; 40 Ex. G. A., ch. 16, § 6.]

4139. Taxes to effect equalization. If necessary to equalize such division and distribution, the new board or boards may provide for the levy of additional taxes upon the property of any corporation or part of corporation and for the distribution of the same so as to effect such equalization. [40 Ex. G. A., ch. 16, § 6-a1.]

4140. Plats of school districts. The board of directors of each school corporation shall file in the office of the county superintendent a plat showing the boundaries of the district, and, in school townships, indicating the boundaries of the subdistricts. Any change thereafter made in the boundaries of any school district or subdistrict shall be reported to the county superintendent by the secretary of the board of the district affected thereby, and all changes shall be indicated by the county superintendent on the plats. Said superintendent shall furnish each the county auditor and the treasurer with a copy of said plat and of any changes therein when made. [40 Ex. G. A., ch. 16, § 7.]

NOTE: See § 4127.

4141. Formation of independent district. Upon the written petition of any ten voters of a city, town, or village of over one hundred residents, to the board of the school corporation in which the portion of the city or town having the largest number of voters is situated, such board shall establish the boundaries of a proposed independent district, including therein all of the city, town, or village, and also such contiguous territory as is authorized by a written petition of a majority of the resident electors of the contiguous territory proposed to be included in said district, in subdivisions not smaller than the smallest tract as made by the government survey in the same or any adjoining school corporations, as may best subserve the convenience of the people for school purposes, and shall give the same notices of a meeting as required in other cases. [R., '60, §§ 2097, 2105; C., '73, §§ 1800, 1801; C., '97, § 2794; S., '13, §§ 2820-e, 2820-f; S. S., '15, § 2794; 40 Ex. G. A., ch. 16, § 8.]

4142. Vote by ballot—separate ballot boxes. At the meeting all voters upon the territory

included within the contemplated independent district shall be allowed to vote by ballot for or against such independent organization. When it is proposed to include territory outside the city, town, or village, the voters residing upon such outside territory shall vote separately upon the proposition for the formation of such new district. If a majority of the votes so cast is against including such outside territory, then the proposed independent district shall not be formed. When such territory is included in an independent district, adequate school facilities shall be provided for the increased attendance. [R., '60, §§ 2097, 2105; C., '73, §§ 1800, 1801; C., '97, § 2794; S. S., '15, § 2794; 40 Ex. G. A., ch. 16, § 9.]

NOTE: Separate vote, see § 4191.

4143. Subdistrict organized into independent district. A subdistrict containing a village with a population of seventy-five or more may, under the provisions of the two preceding sections, organize into an independent school district. [R., '60, § 2105; C., '73, §§ 1800, 1801; C., '97, § 2794; S. S., '15, § 2794; 40 Ex. G. A., ch. 16, § 10.]

4144. New district organized—ex officio board. If a majority of the votes cast at such election is favorable to the proposition, the organization and formation of said independent district shall thereby be effected, and the board of directors, treasurer, and other officers of the school corporation then holding office in the district affected having the largest number of voters, shall become the board of directors, treasurer, and other officers of said new district, and shall continue to hold their respective offices until the terms for which they were originally elected shall expire. [S., '13, § 2820-f; 40 Ex. G. A., ch. 16, § 11.]

NOTE: For similar provision, see § 4148.

4145. Offices abolished—officers of districts outside. The terms of office of all other directors, treasurers, and officers of boards in territory lying wholly within said new district shall terminate; but in districts lying partly without the new district, the directors, officers, and treasurers shall continue to have authority over the territory lying within their districts and without the new district. [S., '13, § 2820-f; 40 Ex. G. A., ch. 16, § 12.]

4146. Contracts of employment not affected. The terms of employment of superintendents, principals, and teachers for any current school year shall not be affected by the formation of the new district. [S., '13, § 2820-f; 40 Ex. G. A., ch. 16, § 13.]

4147. Election expenses. The expense of such election shall be borne by the independent district, in case such district shall be formed, otherwise by the separate districts in proportion to the assessed valuation thereof within the proposed independent district. [S., '13, § 2820-h; 40 Ex. G. A., ch. 16, § 14.]

4148. Organization. If the proposition to establish an independent district carries, then the same board shall give the usual notice for a meeting to choose a board of directors. Two directors shall be chosen to serve until the next annual meeting, two until the second, and one until the third annual meeting thereafter. The board shall organize by the election of officers in the usual manner. [R., '60, §§ 2099, 2100, 2106; C., '73, § 1802; C., '97, § 2795.]

NOTE: Whether this section was impliedly repealed by the enactment of § 4144, quare.

4149. Taxes certified and levied. The organization of such independent district shall be effected on or before the first day of August of the year in which it is attempted, and, when completed, all taxes certified for the school township or townships of which the independent district formed a part shall be void so far as the property within the limits of the independent district is concerned, and the board of such independent district shall fix the amount of all necessary taxes for school purposes, including schoolhouse taxes, at a meeting called for such purpose at any time before the third Monday of August, which shall be certified to the board of supervisors on or before the first Monday of September, and it shall levy said tax at the same time and in the same manner that other school taxes are required to be levied. [C., '73, § 1804; C., '97, § 2796.]

4150. School township divided. At any time before the first day of August, upon the written request of one-third of the legal voters in each subdistrict of any school township, the board shall call a meeting of the voters of the subdistricts, giving at least thirty days' notice thereof by posting three notices in each subdistrict in each school township, at which meeting the voters shall vote by ballot for or against rural independent district organization. If a majority of the votes cast in each subdistrict shall be favorable to such independent organization, then each subdistrict shall become a rural independent district, and the board of the school township shall then call a meeting in each rural independent district for the choice of three directors, to serve one, two, and three years, respectively, and the organization of the said rural independent district shall be completed. [C., '97, § 2797.]

4151. Rural independent districts united. A township which has been divided into rural independent districts may be erected into a school township by a vote of the electors, to be taken upon the written request of one-third of the legal voters residing in such civil township.

Upon presentation of such written request to the township trustees, they shall call a meeting of the electors at the usual place or places of holding the township election, upon giving at least ten days' notice thereof by posting three written notices in each rural independent district in the township, and by publication in a newspaper, if one be published in such township, at which meeting the said electors

shall vote by ballot for or against a school township organization.

If a majority of the votes cast at such election be in favor of such organization, each rural independent district shall become a subdistrict of the school township, and shall organize as such on the first Monday in March following by the election of a director, notice of which shall be given as in other cases by the secretary of each of the rural independent districts, and the directors so elected shall organize as a board of directors of the school township on the first day of July following, unless that date falls on Sunday, in which case on the day following. [C., '73, §§ 1815-1820; C., '97, § 2800; S., '13, § 2800.]

NOTE: For general provision as to organization of directors, see § 4220.

4152. Subdivision of independent districts. Independent districts may subdivide for the purpose of forming two or more independent districts, or have territory detached to be annexed with other territory in the formation of an independent district or districts, the board of directors of the original independent districts to establish the boundaries of the districts thus formed, such new districts to contain not less than four government sections of land each; but in case a stream or other obstacle shall debar a number of children of school privileges, an independent district may be thus organized containing less territory; or, if such new district shall include within its territory a town or village with not less than one hundred inhabitants, it may in like manner be made up of less territory; but in neither case shall the new district contain less than two government sections of land, nor be organized except on a majority vote of the electors of each proposed district, and the proceedings for such subdivision shall in all respects be like those provided in the section relating to organizing cities and towns into independent districts, so far as applicable. [C., '97, § 2798.]

4153. Uniting independent districts. Independent districts located contiguous to each other may unite and form one and the same independent district in the manner following: At the written request of any ten legal voters residing in each of said independent districts, or, if there be not ten, then a majority of such voters, their respective boards of directors shall require their secretaries to give at least ten days' notice of the time and place for a meeting of the electors residing in each of such districts, by posting written notices in at least five public places in each of said districts, at which meeting the electors shall vote by ballot for or against a consolidated organization of said independent districts, and, if a majority of the votes cast at the election in each district shall be in favor of uniting said districts, the secretaries shall give similar notice of a meeting of the electors as provided for by law for the organization of independent districts, including cities and towns. [C., '73, § 1811; C., '97, § 2799.]

4155. Petition. A petition describing the boundaries of the territory and asking for the establishment of boundaries for a proposed school corporation, signed by one-third of the voters residing within the limits of the territory described, shall be filed with the county superintendent of the county in which the greater number of the qualified electors reside. [S. S., '15, § 2794-a; 37 G. A., ch. 432, § 1; 38 G. A., ch. 149, § 1; 39 G. A., ch. 175, § 3; 40 Ex. G. A., ch. 16, § 16.]

4156. Affidavit—presumption. Such petition shall be accompanied by an affidavit showing the number of qualified electors living in the territory described in the petition and signed by a qualified elector residing in the territory, and if parts of the territory described in the petition are situated in different counties, the affidavit shall show separately as to each county, the number of qualified electors in the part of the county included in the territory described. Objections shall be in writing in the form of an affidavit and may be made by any person residing or owning land within the territory described in the petition, or who would be injuriously affected by the formation of such new corporation, and shall be on file not later than twelve o'clock noon of the final day fixed for filing objections. [37 G. A., ch. 432, § 1; 38 G. A., ch. 149, § 1; 39 G. A., ch. 175, § 5; 40 Ex. G. A., ch. 16, § 18.]

4158. Hearing — decision — publication of order. On the final date fixed for filing objections, interested parties may present evidence and arguments, and the county superintendent shall review the matter on its merits and within five days after the conclusion of any hearing, shall rule on the objections and shall enter an order fixing such boundaries for the proposed school corporation as will in his judgment be for the best interests of all parties concerned, having due regard for the welfare of adjoining districts; or dismiss the petition. The county superintendent shall at once publish this order in the same newspaper in which the original notice was published. [37 G. A., ch. 432, § 1; 38 G. A., ch. 149, § 1; 39 G. 4159. Appeal. Within ten days after the publication of such order, any petitioner, or any person who filed objections, or any person residing upon or owning land included in or excluded from the district by any change in the boundary lines from those proposed in the petition, may appeal from the decision of the county superintendent to the county board of education by serving written notice on the county superintendent. [37 G. A., ch. 432, § 1; 38 G. A., ch. 149, § 1; 39 G. A., ch. 175, § 7; 40 Ex. G. A., ch. 16, § 20.]

4160. Filing papers — time of hearing — notice. Within five days after the time for appeal has expired, the county superintendent shall file with the county board of education all the original papers together with his decision and fix a time and place for hearing such appeal, and give notice to each appellant by registered letter. If more than one person has signed the same notice of appeal, notice to the first three persons whose names appear thereon shall be deemed notice to all. The time fixed for such hearing shall not be less than five nor more than ten days after the time for appeal expires. [37 G. A., ch. 432, § 1; 38 G. A., ch. 149, § 1; 39 G. A., ch. 175, § 7; 40 Ex. 4161. Appeal when territory in one county. If the territory described in the petition for the proposed corporation lies wholly in one county, the county board of education in the said county shall hear the said objections at the time and place fixed by the county superintendent, and within five days after submission thereof shall determine and fix such boundaries for the proposed school corporation as in its judgment will be for the best interests of all concerned, without regard to existing district lines. If such boundaries are neither those petitioned for nor those fixed by the county superintendent, the hearing shall be adjourned, and notice of such adjourned hearing shall be given as for the hearing before the county superintendent, and upon the final hearing the board of education shall fix the boundaries, or dismiss the petition, which shall be final. [37 G. A., ch. 432, § 1; 38 G. A., ch. 149, § 1; 39 G. A., ch. 175, § 8; 40 Ex. G. A., ch. 16, § 21.]

If any judge fails to appear at the proper time, his place shall be filled by the judge or judges present, or if no judge appears, any three qualified electors may organize the election board. [39 G. A., ch. 175, § 12; 40 Ex. G. A., ch. 16, § 25.]

4166. Separate vote in urban territory. When it is proposed to include in such district a school corporation containing a city, town, or village with a population of two hundred or more inhabitants, the voters residing upon the territory outside the limits of such school corporation shall vote separately upon the proposition to create such new corporation. [S. S., '15, § 2794-a; 37 G. A., ch. 432, § 1; 38 G. A., ch. 149, § 1; 39 G. A., ch. 175, § 13; 40 Ex. G. A., ch. 16, § 26.]

When it is proposed to include in such district a school corporation which contains an area of more than sixteen sections and which maintains a central school, the voters residing in the territory within the limits of said school corporation shall vote separately upon the prop-

S., '15, § 2794-a; 37 G. A., ch. 432, § 1; 38 G. A., ch. 149, § 1; 39 G. A., ch. 175, § 15; 40 Ex. G. A., ch. 16, § 28.]

4169. Canvass and return. The judges of election shall count the ballots, make return to and deposit the ballots with the county superintendent, who shall enter the return of record in his office. If the majority of the votes cast by the qualified electors are in favor of the proposition, a new school corporation shall be organized, except that in cases where separate ballot boxes are required by law, a majority of the votes cast by the qualified electors from their respective territories shall be required. [S. S., '15, § 2794-a; 37 G. A., ch. 432, § 1; 38 G. A., ch. 149, § 1; 39 G. A., ch. 175, § 6; 40 Ex. G. A., ch. 16, § 29.]

4170. Contest of election. An election to establish or dissolve a school corporation may be contested in the manner provided by law for contesting other elections, so far as practicable. [39 G. A., ch. 175, § 17; 40 Ex. G. A., ch. 16, § 30.]

4171. Election of directors. If the proposition to establish a new corporation carries, a special meeting of the electors shall be called by the county superintendent, by giving notice by one publication in the same newspaper in which the former notices were published, and he shall appoint judges, who shall serve without pay. At such election, two directors shall be elected to serve until the next annual meeting, two until the second, and one until the third annual meeting thereafter, and until such time as their successors are elected and qualified. The judges of election shall make return to the county superintendent, who shall enter the return of record in his office and notify the persons who are elected directors and shall set the date for the organization of the school board. [S. S., '15, § 2794-a; 37 G. A., ch. 432, § 1; 38 G. A., ch. 149, § 1; 39 G. A., ch. 175, § 18; 40 Ex. G. A., ch. 16, § 31.]

4172. Payment of expenses. If the district is established, it shall pay all expenses incurred by the superintendent and the board of education in connection with the proceedings, including the election of the first board of directors. If it is not established all expenses shall be apportioned among the several districts in proportion to the assessed valuation of the property therein.

If the proposed district embraces territory in more than one county such expenses shall be certified to and, if necessary, apportioned among the several districts by the joint board of education. If in only one county the certi-

fication shall be made by the county superintendent.

The respective boards to which such expenses are certified shall audit and order the same to be paid from the general fund. [37 G. A., ch. 432, § 1; 39 G. A., ch. 175, § 19; 40 Ex. G. A., ch. 16, § 32.]

4173. Minimum territory. A consolidated school corporation, maintaining an approved central school, shall not be reduced to less than sixteen government sections, unless dissolved as provided by law. No remaining portion of any school corporation from which territory is taken to form a new district shall contain an area of less than four government sections which shall be so situated as to form a suitable corporation. [S. S., '15, § 2794-a; 37 G. A., ch. 432, § 1; 38 G. A., ch. 149, § 1; 39 G. A., ch. 175, § 20; 40 Ex. G. A., ch. 16, § 33.]

4174. Organization of remaining territory. Where, after the formation of a consolidated corporation, one or more parts of the territory of a school township is left outstanding, each piece shall constitute a rural independent school corporation and be organized as such unless two or more contiguous subdistricts are left, in which event each of such remaining portions of territory shall constitute a school township. It shall be the duty of the county superintendent of the county in which the territory is situated to call an election, by giving proper notice, in each of such remaining pieces of territory, for the purpose of electing school officers in the manner provided by law for electing officers in rural independent districts or school townships, as the case may be, and fix the date for the first meeting and organization of the new school board in each district. [37 G. A., ch. 432, § 1; 38 G. A., ch. 149, § 1; 39 G. A., ch. 175, § 21; 40 Ex. G. A., ch. 16, § 34.]

4175. Taxes. After the organization of the board in newly organized school districts, all taxes previously certified to but not levied by the board of supervisors, shall be void so far as the property within the limits of the new school corporation is concerned. [S., '13, § 2820-g; S. S., '15, § 2794-a; 39 G. A., ch. 175, § 22; 40 Ex. G. A., ch. 16, § 35.]

4176. Schools pending appeal. During the pendency of an appeal or litigation concerning the organization or dissolution of any consolidated district, the respective boards of the old districts shall maintain the schools in their respective districts, if such appeal or litigation is commenced before the new board is elected and qualified. [40 Ex. G. A., ch. 16, § 36.]

4177. School buildings—tax levy—special fund. The board of each school corporation organized for the purpose of establishing a consolidated school, shall provide a suitable building for such school in that district, and may at the regular or a special meeting, call a special election to submit to the qualified elect-

ors of the district the question of voting a tax or authorizing the board to issue bonds, or both, for any or all of the following purposes:

1. To secure a site, build or equip a schoolhouse.
2. To build a superintendent's or teacher's house.
3. To repair or improve any school building or grounds, when the cost will exceed two thousand dollars.

All moneys received for such purposes shall be placed in the schoolhouse fund of said corporation and shall be used only for the purposes for which voted. [S. S., '15, § 2794-a; 39 G. A., ch. 175, § 23; 40 Ex. G. A., ch. 16, § 37.]

4178. Location of school building. In locating a school site, the board shall take into consideration the geographical position, number, and conveniences of the pupils, and may submit the question of location to the voters of the district at any regular meeting, or at a special meeting called for that purpose. [S. S., '15, § 2794-a; 39 G. A., ch. 175, § 24; 40 Ex. G. A., ch. 16, § 38.]

4179. Transportation. The board of every consolidated school corporation shall provide suitable transportation to and from school for every child of school age living within said corporation and more than a mile from such school, but the board shall not be required to cause the vehicle of transportation to leave any public highway to receive or discharge pupils, or to provide transportation for any pupil residing within the limits of any city, town, or village within which said school is situated. [S. S., '15, § 2794-a; 39 G. A., ch. 175, § 25; 40 Ex. G. A., ch. 16, § 39.]

4180. Transportation routes—suspension of service. The board shall designate the routes to be traveled by each conveyance in transporting children to and from school. The board shall have the right on account of inclemency of the weather to suspend the transportation on any route upon any day or days when in its judgment it would be a hardship on the children, or when the roads to be traveled are unfit or impassable. [S. S., '15, § 2794-a; 39 G. A., ch. 175, § 26; 40 Ex. G. A., ch. 16, § 40.]

4181. Transportation by parent—instruction in another school. The school board may require that children living an unreasonable distance from school shall be transported by the parent or guardian a distance of not more than two miles to connect with any vehicle of transportation to and from school or may contract with an adjoining school corporation for the instruction of any child living an unreasonable distance from school. It shall allow a reasonable compensation for the transportation of children to and from their homes to connect with such vehicle of transportation, or for transporting them to an adjoining district. The judges and clerk of the election shall have the same qualifications and be sworn as in the case of a general election. The board shall provide the necessary ballot box or voting machine and poll book for each precinct, and the judges shall make and certify a return to the secretary of the corporation of the votes cast for officers and upon each question submitted. Every school shall be free of tuition to all actual residents between the ages of five and twenty-one years, and to resident honorably discharged soldiers, sailors, and marines, as many months after becoming twenty-one years of age as they have spent in the military or naval service of the United States before they became twenty-one. Every person, however, who shall attend any school after graduation from a four-year course in an approved high school or its equivalent shall be charged a sufficient tuition fee to cover the cost of the instruction received by such person. In case such consent is given, the board of the district of the child's residence shall be notified thereof in writing, and shall pay to the other district the average tuition per week for the school or room thereof in which such child attends. If payment is refused or neglected, the board of the creditor corporation shall file an account thereof certified by its president with the auditor of the county of the child's residence, who shall, at the time of the making

of the next semiannual apportionment, deduct the amount from the sum apportioned to the debtor district, and cause it to be paid to the corporation entitled thereto. [C., '51, § 1143; R., '60, § 2024; C., '73, § 1793; C., '97, § 2803; 37 G. A., ch. 386, § 8.]

[S. S., '15, § 2733-1a; 37 G. A., ch. 156, § 1; 40 Ex. G. A., S. F. 101, § 36.]

Such tuition shall not exceed the average cost of tuition in such high school. The secretary shall deliver to the treasurer such tuition fees with an itemized statement on or before February fifteenth and June fifteenth of each year. [S. S., '15, § 2733-1a; 37 G. 4280. Reimbursement of district—conditions. In counties having a high school, where a child resides at home and attends a high school outside the district of his residence other than the county high school, and the school corporation where the child resides pays the tuition for such child, and at the end of the school year it is found that less pupils have attended the county high school from the district where such child resides than were entitled to attend under the county high school apportionment, then the school corporation where such child resides shall be entitled to be reimbursed from the county high school funds for the tuition so paid, not exceeding in the aggregate an amount equal to the taxes contributed by such district to said county high school funds for the tax year preceding, fair and equitable credit being given to the county high school fund for pupils actually attending said county high school during said school year from the district where said child resides. [S. S., '15, § 2733-1a; 37 G. A., ch. 156, § 1; 40 Ex. G. A., S. F., 101, § 41.]

4281. Determination by county superintendent—appeal. 4283. Tuition in charitable institutions. When any child is cared for in any charitable institution in this state which does not maintain a school providing secular instruction, and which institution is organized and operating under the laws of Iowa, and the domicile of the child is in another school district than that wherein the institution is situated, then such child shall be entitled to attend school in the district where such institution is located. In such case, the district which provides schooling for such child shall be entitled to receive tuition not exceeding the average cost

thereof in the department of the school in which schooling is given, and not exceeding eight dollars per month for tuition in schools below the high school grade, and not exceeding twelve dollars per month for tuition in high school grades. Such tuition shall be paid by the county of the domicile of such child. Any county so paying tuition shall be entitled to recover the amount paid therefor from the parent of such child. This section shall not apply to charitable institutions which are maintained at state expense. [40 Ex. G. A., S. F. 101, § 39-a1.]

The referees shall inspect the grounds proposed to be taken, fix the damage sustained, as nearly as may be, on the basis of the value of the real estate appropriated, and the damage caused by the taking thereof, and report in writing to the county superintendent their doings and findings, which report shall be filed and preserved in his office. [C., '73, § 1827; C., '97, § 2815; 37 G. A., ch. 26, § 2; 40 Ex. G. A., S. F. 109, § 8.]

4368. Appeal—costs. Within ten days after receiving notice of the award made, either party may appeal from the assessment to the district court by giving notice thereof as in the case of taking private property for works of internal improvement. If no appeal is taken the assessment shall be final. Upon appeal the school corporation shall not be liable for costs unless the owner shall be allowed a greater sum than given by the referees, but all costs of making the referees' assessment shall be paid by the school corporation. [C., '73, § 1827; C., '97, § 2815; 37 G. A., ch. 26, § 2; 40 Ex. G. A., S. F. 109, § 9.]

4370. Erection or repair of schoolhouse. Before erecting a schoolhouse, the board of directors shall consult with the county superintendent as to the most approved plan for such building and secure his approval of the plan submitted. No schoolhouse shall be erected or repaired at a cost exceeding three hundred dollars, save under an express contract reduced to writing, and upon proposals therefor, invited by advertisement for four weeks in some newspaper published in the county in which the work is to be done, and the contract shall be let to the lowest responsible bidder, bonds with sureties for the faithful performance of the contract being required, but the board may reject any and all bids and advertise for new ones. [R., '60, § 2037; C., '73, § 1723; C., '97, § 2779; 40 Ex. G. A., S. F. 109, § 11.]

4371. Uses for other than school purposes. The board of directors of any school corporation may authorize the use of any schoolhouse and its grounds within such corporation and not within the limits of a city or town for the purpose of meetings of granges, lodges, agricultural societies, and similar rural secret orders and societies, and for election purposes; such use to be for such compensation and upon such terms and conditions as may be fixed by said board for the proper protection of the schoolhouse and the property belonging therein, including that of pupils. [37 G. A., ch. 229.]

NOTE: Schoolhouses as polling places, see § 742.

4372. Compensation. Any compensation for such use shall be paid into the general fund and be expended in the upkeep and repair of such school property, and in purchasing supplies therefor. [37 G. A., ch. 386, § 11.]

4373. Use forbidden. If at any time the voters of such corporation at any annual meeting forbid such use of any such schoolhouse or grounds, the board shall not thereafter permit such use until the said action of such voters shall have been rescinded by the voters at an annual meeting, or at a special meeting called for that purpose. [37 G. A., ch. 229.]

4374. Renting schoolroom. The board may, when necessary, rent a room and employ a teacher, where there are ten children for whose accommodation there is no schoolhouse. [C., '73, § 1725; C., '97, § 2774.]

4375. Instruction in other schools. When the board is released from its obligation to maintain a school, or when children live at an

unreasonable distance from their own school, the board may contract with boards of other school townships or independent districts for the instruction of children thus deprived of school advantages, in any school therein, and the cost thereof shall be paid from the general fund. [C., '97, § 2774; 37 G. A., ch. 386, § 6.]

4376. Transportation of children. When there will be a saving of expense, and children will also thereby secure increased advantages, the board may arrange with any person outside the board for the transportation of any child to and from school in the same or in another corporation, and such expenses shall be paid from the general fund. [C., '97, § 2774; 37 G. A., ch. 386, § 6.]

4377. Fence around schoolhouse sites. Each board of directors in school districts where the school grounds adjoin cultivated or improved lands shall build and maintain a lawful fence between said grounds and cultivated or improved lands, and the owner of lands adjoining any such site shall have the right to connect the fence on his land with the fence around the school grounds, but he shall not be liable to contribute to the maintenance of such fence. [S., '13, §§ 2745-a, 2745-b; 40 Ex. G. A., S. F. 109, § 12.]

4378. Barbed wire. No fence provided for in the preceding section shall be constructed of barbed wire, nor shall any barbed wire fence be placed within ten feet of any school grounds. Any person violating the provisions of this section shall be punished by a fine not exceeding twenty-five dollars. [C., '97, § 2817; 40 Ex. G. A., S. F. 109, § 13.]

4379. Reversion of schoolhouse site. Any real estate owned by a school corporation, situated wholly outside of a city or town, and not adjacent thereto, and heretofore used as a schoolhouse site, and which, for a period of two years continuously has not been used for any school purpose, shall revert to the then owner of the tract from which the same was taken, provided that said owner of the tract last aforesaid shall, within the time herein-after prescribed, pay the value thereof to such school corporation. [C., '73, § 1828; C., '97, § 2816; S., '13, § 2816; 38 G. A., ch. 342, § 1; 39 G. A., ch. 183, § 1.]

4380. Appraisers. In case the school corporation and said owner of the tract from which such school site was taken, do not agree

as to the value of such site, the county superintendent of the county in which the greater part of such school corporation is situated, shall, on the written application of either party, appoint three disinterested voters of the county to appraise said site. [C., '97, § 2816; S., '13, § 2816; 38 G. A., ch. 342, § 1; 39 G. A., ch. 183, § 1.]

4381. Notice. The county superintendent shall give notice to both parties of the time and place of making such appraisement, which notice shall be served in the same manner and for the same time as for the commencement of action in the district court. [39 G. A., ch. 183, § 1.]

4382. Appraisement. Such appraisers shall inspect the premises and, at the time and place designated in the notice, appraise said site in writing, which appraisement, after being duly verified, shall be filed with the county superintendent. [39 G. A., ch. 183, § 1.]

4383. Public sale. If the owner of the tract from which said site was taken fails to pay the amount of such appraisement to such school corporation within twenty days after the filing of same with the county superintendent, the school corporation may sell said site to any other person at the appraised value, or may sell the same at public sale to the highest bidder. [38 G. A., ch. 342, § 1; 39 G. A., ch. 183, § 1.]

4384. Sale of improvements. If there are improvements on said site, the improvements may, at the request of either party, be appraised and sold separately. [C., '97, § 2816; S., '13, § 2816; 38 G. A., ch. 342, § 1; 39 G. A., ch. 183, § 1.]

4385. Sale of unnecessary schoolhouse sites. Schoolhouses and school sites no longer necessary for school purposes, because of being located in consolidated school districts, may be sold immediately after the organization of such consolidated school districts, in the manner above provided.

During the use of such premises, no person owning a right of reversion shall have any interest in or control over the premises.

This and the six preceding sections shall not apply to cases where schools have been temporarily closed by law on account of small attendance. [C., '73, § 1828; C., '97, § 2816; S., '13, § 2816; 38 G. A., ch. 342, § 1; 39 G. A., ch. 183, § 2.]

He shall immediately notify the county treasurer of such apportionment and of the amount due thereby to each corporation.

The county treasurer shall thereupon give notice to the president of each corporation, and shall pay out such apportionment moneys in the same manner that he is authorized to pay other school moneys to the treasurers of the several school districts. [C., '73, § 1784; C., '97, § 2810.]

4400. Payment of judgment. [R., '60, § 2095; C., '73, § 1787; C., '97, § 2811.]

4401. Judgment tax. [R., '60, § 2095; C., '73, § 1787; C., '97, § 2811.]

4403. Bond tax. The board of each school corporation shall, when estimating and certifying the amount of money required for general purposes, estimate and certify to the board of supervisors of the proper county the amount required to pay interest due or that may become due for the year beginning January first thereafter, upon lawful bonded indebtedness, and in addition thereto such amount as the board may deem necessary to apply on the principal.

The amount estimated and certified to apply on principal and interest for any one year shall not exceed seven mills on the dollar of the actual valuation of the taxable property of the school corporation. [C., '73, § 1823; C., '97, § 2813; S., '13, § 2813; 39 G. A., ch. 65.]

any indebtedness of any school corporation represented by judgments or bonds, the board of directors of such school corporation, at any time or times, may provide by resolution for the issuance of bonds of such school corporation, to be known as funding or refunding bonds. The proceeds derived from the negotiation of such funding or refunding bonds shall be applied in payment of such indebtedness; or said funding bonds or refunding bonds may be issued in exchange for the evidences of such indebtedness, par for par. [S., '13, § 2812-c; 37 G. A., ch. 262, § 1.]

4406. School bonds. The board of directors of any school corporation when authorized by the voters at the annual meeting, or at a special meeting called for that purpose, may issue the negotiable, interest-bearing school bonds of said corporation for borrowing money for any or all of the following purposes:

2. To erect, complete, or improve buildings authorized for school purposes.
3. To acquire equipment for schools, sites, and buildings. [S., '13, § 2812-d; 40 G. A., ch. 76; 40 Ex. G. A., ch. 17, § 9.]

4407. Form—duration—rate of interest—where registered. All of said bonds shall be substantially in the form provided for county bonds, but subject to changes that will conform them to the action of the board providing therefor; shall run not more than twenty years, and may be sooner paid if so nominated in the bond; be in denomination of not more than one thousand dollars or less than one

hundred dollars each; bear a rate of interest not exceeding five per cent per annum, payable semiannually; be signed by the president and countersigned by the secretary of the board of directors; and shall not be disposed of for less than par value, nor issued for other purposes than this chapter provides.

All of said bonds shall be registered in the office of the county auditor.

The expenses of engraving and printing of bonds may be paid out of the general fund. [S. S., '15, § 2812-e; 37 G. A., ch. 386, § 11; 39 G. A., ch. 6, § 1; 40 G. A., ch. 77, §§ 1, 2.]

4408. Redemption. Whenever the amount in the hands of the treasurer, belonging to the funds set aside to pay bonds, is sufficient to redeem one or more of the bonds which by their terms are subject to redemption, he shall give the owner of said bonds thirty days' written notice of the readiness of the district to pay and the amount it desires to pay. If not presented for payment or redemption within thirty days after the date of such notice, the interest on such bonds shall cease and the amount due thereon shall be set aside for its payment whenever it is presented. [S., '13, § 2812-f.]

4409. Record of bond buyers. All redemptions shall be made in the order of their numbers. The treasurer shall keep a record of the parties to whom the bonds are sold, together with their postoffice addresses, and notice mailed to the address as shown by such record shall be sufficient. 4469. Permanent fund. The permanent school fund, the interest of which only can be appropriated for school purposes, shall consist of:

1. Five per cent of the net proceeds of the public lands of the state, which shall be paid to the state treasurer and be apportioned by the state auditor among the several counties, taking into consideration the amount of the permanent school fund already in possession of and constantly loaned in said county.
2. The proceeds of the sale of the five hun-

dred thousand acres of land granted the state under the eighth section of an act of congress passed September 4, 1841, entitled: "An act to appropriate the proceeds of all sales of public lands, and to grant preemption rights".

3. The proceeds of all intestate estates escheated to the state.

4. The proceeds of the sales of the sixteenth section in each township, or lands selected in lieu thereof. [R., '60, §§ 1962, 1964; C., '73, §§ 1837, 1839; C., '97, § 2838.]

4470. Lands and escheats. The proceeds of all lands sold, and all sums due from escheats, shall be payable to the treasurer of the county in which the lands or escheated estates are situated or found. [R., '60, § 1965; C., '73, § 1840; C., '97, § 2838.]

4471. Temporary fund. The temporary school fund, which shall be received and appropriated annually in the same manner as the interest of the permanent fund, shall consist of:

1. All forfeitures which are authorized to be made for the benefit of the school fund.

2. The proceeds of all fines collected for violation of the penal laws, and for the non-performance of military duty.

3. The proceeds of the sale of lost goods and estrays.

These several funds shall be payable to the county treasurer of the several counties in which they arise, accounted for to the board of supervisors, and apportioned by it among the several school townships and independent districts of the county as provided by law. [R., '60, §§ 1963, 1966; C., '73, §§ 1838, 1841; C., '97, § 2839.]

4472. Division and appraisement. The board of supervisors may, at such time as it may fix, and as preliminary to a sale, authorize the trustees of any township, where the sixteenth section or land selected in lieu thereof has not been sold, to lay out the same into such tracts as in their judgment will be for the best interests of the school fund, conforming, as far as the interests of said fund will permit, to the legal subdivisions of the United States surveys, and appraise each tract at what they believe to be its true value, and certify to said board the divisions and appraisements made by them. Said division and appraisement shall be approved or disapproved by said board at its first meeting after such report, and in case it disapproves the same it may at once order another division and appraisement. If the board of supervisors approves, the county auditor shall make and keep a record of such division, appraisement, and approval; but no school lands of any kind shall be sold for less than the appraised value per acre, except as hereinafter provided; nor shall any member of the board of supervisors, county auditor, township trustee, or any person who was engaged in the division and appraisement of said land, be directly or indirectly interested in the purchase thereof; and any sale made, where such parties or any of them are so interested, shall be void. [R., '60, §§ 1970, 1971; C., '73, §§ 1845-1847; C., '97, § 2840.]

4473. Notice — sale. When the board of supervisors shall offer for sale the sixteenth section or lands selected in lieu thereof, or any portion of the same, or any part of the five hundred thousand acre grant, the county auditor shall give at least forty days' notice, by written or printed notices posted in five public places in the county, two of which shall be in

the township in which the land to be sold is situated, and also publish a notice of said sale once each week for four weeks preceding the same in a newspaper published in the county, describing the land to be sold and the time and place of such sale. At such time and place, or at such other time and place as the sale may be adjourned to, he shall offer to the highest bidder, subject to the provisions of this chapter, and sell, either for cash or one-third cash and the balance on a credit not exceeding ten years, with interest on the same at the rate of not less than six per cent per annum, to be paid at the office of the county treasurer of said county on the first day of January in each year, delinquent interest to bear the same rate as the principal. [R., '60, § 1971; C., '73, § 1846; C., '97, § 2841; S., '13, § 2841.]

4474. Sale without appraisement. When the board of supervisors of any county has once offered for sale any school lands in compliance with the requirements of this chapter, and they remain unsold, and it is unable to obtain therefor the appraised value thereof, and in the opinion of said board it is for the best interests of the school fund that the same be sold for a less price, it may instruct the auditor to transmit to the secretary of state a certified copy of its proceedings in relation to the order of sale thereof and subsequent proceedings in relation thereto, including the action of the township trustees, and the price per acre at which the land had been appraised, which transcript the secretary of state shall submit to the executive council; and if it approves of a sale at a less sum it shall certify such approval to the auditor of the county from which said transcript came, which certificate shall be transcribed in the minute book of the board of supervisors, and thereupon said land may again be offered and sold to the highest bidder, after notice given as in case of sales in the first instance, without being again appraised. [C., '73, § 1849; C., '97, § 2842.]

4475. Sale on credit—taxation—waste. When lands are sold upon a partial credit, the contract therefor shall be at once reduced to writing, signed by the proper parties, recorded in the county where the land is situated, and immediately thereafter filed in the office of the county auditor. Any purchaser or his assigns may at any time pay the full amount for lands with accrued interest, and receive from the county auditor a certificate of purchase, which shall be at once transmitted to the state land office and will entitle the holder to a patent for the lands, to be issued by the governor. All school lands sold in pursuance of law shall be subject to taxation from and after the execution and delivery of a contract of purchase. All sales made, where the full price is not paid, shall be subject to the law relative to the prevention or punishment of waste, and in all such cases the township trustees in each township are charged with the duty of preventing the commission of waste upon any

school lands lying in their township, and, if attempted, they shall apply by petition for an injunction to stay the same, and if granted the writ shall issue without bond, and the court issuing it may make such order in the premises as shall be equitable and best calculated to prevent threatened injury, and may adjudge damages for any injury done, the costs to abide the event of the action, and the damages adjudged shall be paid to the county treasurer and become a part of the permanent school fund. [R., '60, §§ 1972, 1973, 1976-1978; C., '73, §§ 1851, 1852, 1856-1858; C., '97, § 2843.]

4476. Sale of lands bid in. When lands have been sold and bid in by the state in behalf of the school fund upon a judgment in favor of such fund, the land may be sold in like manner as other school lands, and when lands have been conveyed to the counties in which they are situated for the use of the school fund, instead of to the state, such conveyance shall be valid and binding, and upon proper certificates of sales patents shall issue in like manner as in cases where the conveyances were properly made to the state. [C., '73, § 1850; C., '97, § 2844.]

4477. Cash or collateral security. When, in the judgment of the board of supervisors, any school lands are of such a character that a sale upon partial credit would be unsafe or incompatible with the interest of the school fund, and especially in the case of timbered lands, the board of supervisors may in its discretion exact the whole of the purchase money in advance; or if it sells such land upon a partial credit, as hereinbefore prescribed, it shall require good collateral security for the payment of the part upon which credit is given. [R., '60, § 1974; C., '73, § 1853; C., '97, § 2845.]

4478. Uniform interest date. In all cases where money is due to the school fund, either for loans or deferred payments of the purchase price of land sold, the interest shall be made payable on the first day of January each year, and if the debtor fails to pay the interest within six months thereafter, the entire amount of both principal and interest shall become due, and the county auditor shall make a report thereof to the county attorney, who shall immediately commence action for the collection of the amount reported to him as due, and this section is hereby declared to be a part of any contract made by virtue of this chapter, whether expressed therein or not. [R., '60, §§ 1975, 1979; C., '73, §§ 1854, 1855; C., '97, § 2846; 40 G. A., ch. 245, § 1.]

4479. School fund accounts—audit of losses. The state auditor shall keep the school fund accounts in books provided for that purpose, separate and distinct from the revenue books; he shall audit all losses to the permanent school or university fund which shall have been occasioned by the defalcation, mismanagement, or fraud of the agents or officers

controlling and managing the same, and for this purpose shall prescribe such regulations for those officers as may be necessary to ascertain such losses. [R., '60, § 1969; C., '73, § 1842; C., '97, § 2847.]

4480. Bonds to cover losses. When any sum not less than one thousand dollars shall be so audited and so become a debt of the state to the fund, as provided by the constitution, the auditor of state shall issue the bond or bonds of the state in favor of the fund, bearing six per cent interest, payable semiannually on the first day of January and July after issuance, and the amount to pay the interest as it becomes due is appropriated out of any funds in the state treasury. [C., '73, § 1843; C., '97, § 2847.]

4481. Notice of apportionment—deficiency. Immediately after making the apportionment of the interest of the permanent school fund, the auditor of state shall notify the auditor of each county of the sum to which his county is entitled, and, if a county has less thereof than it is entitled to under the apportionment, he shall authorize the treasurer of any such county to transfer enough of the state revenue to said fund to cover such deficiency, which notice shall be filed by the treasurer, and be a sufficient voucher for the amount so transferred. [R., '60, § 1969; C., '73, § 1844; C., '97, § 2847.]

4482. Apportionment—excess. If a county has an excess of such interest above the amount apportioned to it, the notice shall direct the treasurer to transfer the excess to the state revenue and charge it to the interest fund, which notice shall be by him filed, and be a sufficient voucher therefor, and such excess shall be paid into the state treasury. [R., '60, § 1969; C., '73, § 1844; C., '97, § 2847.]

4483. Management. The board of supervisors shall hold and manage the securities given to the school fund in its county, and all judgments and lands belonging to said fund. It may have any part of the school lands surveyed when necessary, and employ the county surveyor therefor, who shall be paid out of the county treasury upon proof made of the request and performance of the service. [R., '60, § 1980; C., '73, §§ 1859, 1860; C., '97, § 2848.]

4484. Actions. All actions for and in behalf of said fund may be brought in the name of the county for the use of the school fund, by the county attorney or such other attorney as the board may select. [C., '73, § 1860; C., '97, § 2848.]

4485. Liability of county. Each county shall be liable for all losses upon loans of the school fund, principal or interest, made in such county, unless the loss was not occasioned by reason of any default of its officers or by taking insufficient or imperfect securities, or from a failure to bid at an execution sale the full

amount of the judgment and costs. [C., '73, § 1860; C., '97, § 2848.]

4486. Exemption of county. All claims for exemption from liability on account of losses shall be examined into and adjusted by the state auditor, upon proof submitted to him in writing in behalf of the county within three months after the county auditor shall be advised by the state auditor of his readiness to receive the proof. In the absence of evidence, or if that submitted is insufficient, the loss may be charged against the county and be conclusive, but if found sufficient, the state auditor shall present the facts in his report to the next general assembly. [C., '73, § 1860; C., '97, § 2848.]

4487. Loans—officers may not borrow. The permanent school fund shall be loaned out by the county auditor, as it comes into the hands of the county treasurer, in sums of five thousand dollars or less to one person or company, in case it is found impracticable to keep the whole amount of funds loaned in sums of five hundred dollars or less to one person or company. In the event it can be kept loaned out in sums of five hundred dollars or less to one person or company, then no loan shall exceed five hundred dollars, nor shall a loan of said fund be made to or be carried by the county auditor, the treasurer, or a member of the board of supervisors. [R., '60, § 1981; C., '73, § 1861; C., '97, § 2849; S., '13, § 2849.]

4488. Terms — appraisalment — fee. Each loan shall be made for at least one and not more than five years, evidenced by promissory notes bearing not less than five per cent per annum, payable annually, and delinquent interest to draw the same rate, to be secured by a mortgage on unincumbered real estate situated in the county in which the loan is made, and appraised, as hereinafter provided, for at least double the sum borrowed; the appraisalment to be made by three persons under oath, selected by the county auditor, who shall not in making the valuation take into consideration the buildings upon the lands; for such service each shall be allowed fifty cents, to be paid by the borrower, who shall also pay for recording the mortgage. [R., '60, §§ 1981-1983; C., '73, §§ 1861-1863; C., '97, § 2849; S., '13, § 2849.]

4489. Application for loan. All applications to borrow from the permanent school fund shall be made to the auditor of the county in which the land is situated which it is proposed to mortgage as security, who shall cause the proper appraisalment to be made, and, if satisfactory, shall examine any abstract of title which the proposed borrower may submit, or he may cause an abstract to be prepared at such proposed borrower's expense. If the title is found to be perfect, and the lands unincumbered, he shall certify this fact and submit the application and all the papers connected therewith to the board of supervisors at its next meeting, regular or called, at which meeting the loan shall be approved or disapproved.

[R., '60, § 1984; C., '73, § 1864; C., '97, § 2850; S. S., '15, § 2850.]

4490. Duty of auditor. If the application is accepted, the auditor shall complete the contract by taking a note payable to the county, and a mortgage upon the lands securing the same, and certify the same to the treasurer, who shall pay over to the borrower the amount named in the note, less a fee of two dollars to be paid to the auditor for his services. The board may reject the application for any good cause. [R., '60, § 1984; C., '73, §§ 1864, 1875; C., '97, § 2850; S. S., '15, § 2850.]

4491. Redemption of prior lien—assignments. If it shall happen that a loan is made upon real estate which is in fact incumbered other than for taxes, the board of supervisors may, when necessary for the safety of the loan, appropriate out of any school fund on hand, if such incumbrance does not exceed one-half of the real value of the lands, so much as may be needed to take up and purchase the same, and may also at any meeting, by resolution, assign without recourse, upon payment of the amount due, any school fund note and mortgage to one holding a subsequent lien upon the mortgaged real estate. [C., '73, §§ 1868, 1869; C., '97, § 2850; S. S., '15, § 2850.]

4492. Loans reported—examination. Each loan made, when fully completed, shall be by the auditor reported to the board of supervisors, and a minute of such report shall be entered upon its records, and from time to time, and at least once a year, all loans, with the security given, shall be carefully examined and report made to the board, which examination shall be conducted by a member thereof, or some competent person selected by it. [R., '60, § 1985; C., '73, §§ 1866, 1870; C., '97, § 2851.]

4493. Additional security. When a report shows that the security in a given case has for any cause depreciated so that it is no longer sufficient, or it appears that there was a prior incumbrance thereon which materially affects the value of the security, the board shall order the debtor to furnish additional security, and fix a reasonable time within which the same shall be given, and if the party so ordered fails to comply therewith for thirty days after service upon him of a copy of the order, the entire debt shall become due, and an action may be brought to enforce the collection thereof, and these provisions shall enter into and form a part of all contracts of loans, whether incorporated therein in words or not. [R., '60, § 1985; C., '73, § 1866; C., '97, § 2851.]

4494. Renewal. When a loan has been made and the borrower desires to renew the same for one or more years, it may be done in the same manner as the loan was made in the first instance, but no new abstract, except a continuation of the same down to the time, nor examination of title prior to the original loan, nor new mortgage, need be given, unless the mortgage is to be given upon other lands. The time of

payment, without further security, may be extended in writing, to be recorded as the original security was, and before maturity of the claim, when the board of supervisors for cause shall so order; but such extension of time shall not operate to release any security held. [R., '60, § 1993; C., '73, §§ 1871, 1879; C., '97, § 2852.]

4495. Statute of limitation. Lapse of time shall in no case be a bar to any action to recover any part of the school fund, nor shall it prevent the introduction of evidence in such an action, any provision in this code to the contrary notwithstanding. [C., '73, §§ 1880, 2542; C., '97, § 2852.]

4496. Payments. All payments to the school fund upon contracts, or loans of any other nature, shall be made to the treasurer of the county upon a certificate from the auditor showing the amount due. [R., '60, § 1986; C., '73, § 1867; C., '97, § 2853.]

4497. Release of mortgage. The auditor shall, when the debt is paid, release any mortgage or issue a certificate of purchase, as the case may be, and report the same to the board of supervisors at its next meeting, which report shall be carried into the records of the board. [R., '60, § 1986; C., '73, § 1867; C., '97, § 2853.]

4498. School fund account—settlement. The auditor shall also keep in his office, in books to be provided for that purpose, an account to be known as the school fund account, in which a memorandum of all notes, mortgages, bonds, money, and assets of every kind and description which may come into his hands and those of the treasurer shall be entered, and separate accounts of principal and interest be kept; and the county treasurer shall keep a like account and record of all school funds coming into his hands. Settlements of such account shall be made with the board of supervisors at its January and June sessions, which settlements shall be recorded with the proceedings of the board. [R., '60, §§ 1990, 1991; C., '73, §§ 1876, 1877; C., '97, § 2853.]

4499. Notice of default. When outstanding contracts for the sale of school lands or notes for money of the school fund loaned, or interest thereon, are due, the auditor shall by mail at once notify the debtor to make payment thereof within three months. [C., '73, §§ 1872, 1873; C., '97, § 2854.]

4500. Suit—attorney fee. If such debtor shall neglect to comply with such notice, the auditor shall report the same to the county attorney, who shall bring an action to recover the same, and an injunction may issue for cause, without bond when so prayed, and there shall be allowed in the judgment, entered and taxed as a part of the costs in the case, a reasonable sum as compensation to plaintiff's attorney, not exceeding the amount as provided by law for attorneys' fees. [C., '73, § 1873; C., '97, § 2854.]

1. C.—37

4501. Bid at execution sale. Upon a sale of lands under an execution founded upon a school fund claim or right, the auditor shall bid such sum as the interests of the fund require, and, if struck off to the state, it shall be thereafter treated in all respects the same as other lands belonging to said fund. [C., '73, § 1874; C., '97, § 2854.]

4502. Sheriff's deed to state. When lands have been bid in by the county for the state under foreclosure of school fund mortgages and the time for redemption has expired, a sheriff's deed shall be issued to the state for the use and benefit of the permanent school fund. The county auditor shall thereupon notify the auditor of state, who shall give the county credit for the amount of principal in the original notes remaining unpaid. [C., '73, § 1881; C., '97, § 2855; S., '13, § 2855; 40 G. A., ch. 245, § 2.]

4503. Resale by state. All lands acquired by the state under foreclosure proceedings shall be resold within two years from date of foreclosure. Such lands shall be appraised, advertised, and sold in the manner provided for the appraisement, advertisement, and sale of the sixteenth section or lands selected in lieu thereof. [S., '13, § 2855; 40 G. A., ch. 245, § 2.]

4504. Proceeds on resale. When a resale is made, the county auditor shall notify the auditor of state, who shall thereupon charge the county with the full amount of the resale, except that when the lands are sold for more than the unpaid portion of the principal, the excess shall be applied to reimburse the county for the costs of foreclosure and the interest paid by the county to the state by reason of default of payment of same by the makers of the notes, previous to the time when the right of redemption has expired, not to exceed three years. [C., '73, §§ 1881, 1882; C., '97, § 2855; S., '13, § 2855; 40 G. A., ch. 245, § 3.]

4505. Excess—loss borne by county. Any excess over the amount of the unpaid portion of the principal, costs of foreclosure, and interest on the principal as above provided, shall inure to the state and be credited to the permanent school fund account. If the lands shall be sold for a less amount than the unpaid portion of the principal, the loss shall be sustained by the county, and the board of supervisors shall at once order the amount of such loss transferred from the general fund of the county to the permanent school fund account. [C., '73, § 1881; C., '97, § 2855; S., '13, § 2855; 40 G. A., ch. 245, § 4.]

4506. Report as to sales—interest. County auditors shall, on or before the first day of January of each year, report to the auditor of state the amount of all sales and resales made during the year previous, of the sixteenth section, five-hundred-thousand-acre grant, escheat estates, and lands taken under foreclosure of school fund mortgages, and the auditor of state shall charge the same to the counties with

interest from the date of such sale or resale to January first, at the rate of four and one-half per cent per annum. [C., '73, § 1881; C., '97, § 2855; S., '13, § 2855; 40 G. A., ch. 245, § 5.]

4507. Interest charged to counties. The auditor of state shall also, on the first day of January, charge to each county having permanent school funds under its control, interest thereon at the rate of four and one-half per cent per annum for the preceding year, or such part thereof as such funds shall have been in the control of the county, which shall be taken as the whole amount of interest due from such county. All interest collected above the four and one-half per cent charged by the state shall be transferred to the general county fund. [C., '73, § 1882; C., '97, § 2855; S., '13, § 2855; 40 G. A., ch. 245, § 6.]

4508. Uncollected interest. If any county fails or refuses to collect the amount of interest due the state, the deficiency shall be paid to the state from the general county fund. Any county delinquent in the payment of interest due the state shall be charged one per cent per month on the amount delinquent until paid. [C., '73, § 1882; C., '97, § 2855; S., '13, § 2855; 40 G. A., ch. 245, § 7.]

4509. Report as to rents. County auditors shall, upon the first day of January of each year, report to the auditor of state the amount of rents collected during the preceding year

on unsold school lands and lands taken under foreclosure of school fund mortgages then in the hands of the county treasurer, and the auditor of state shall include the amount so reported in his semiannual apportionment of interest. [C., '73, § 1884; C., '97, § 2855; S., '13, § 2855; 40 G. A., ch. 245, § 8.]

4510. Transfer of unloaned funds. When there are funds belonging to the permanent school fund in any county, amounting to one thousand dollars, that can not be loaned, the county auditor may certify the fact to the auditor of state, who shall order a transfer thereof to some other county or counties, where in his opinion it can be loaned. Upon such transfer being made, he shall give the county making the transfer credit for the amount, and shall charge the county or counties to which the transfer is made with the amount transferred, and shall afterwards charge interest on the actual amount in possession of each county. [C., '73, § 1883; C., '97, § 2856.]

4511. Penalty against county auditor. Any county auditor failing or neglecting to perform any of the duties which are required of him by the provisions of this chapter, shall be liable to a penalty of not less than one hundred nor more than five hundred dollars, to be recovered in an action brought in the district court by the board of supervisors, the judgment to be entered against the party and his bondsmen, and the proceeds to go to the school fund. [R., '60, § 1992; C., '73, § 1878; C., '97, § 2857.]

4562. Petition. Any person desiring the establishment, vacation, or alteration of a road shall file in the auditor's office of the proper county a petition, in substance as follows:

To the board of supervisors of county:

The undersigned asks that a road commencing at and running thence and terminating at be established, vacated, or altered (as the case may be).

[C., '73, § 922; C., '97, § 1484.]

4563. Bond. Before filing such petition, the auditor shall require the petitioner to give a

bond, with sureties to be approved by him, conditioned that all expenses growing out of the application will be paid by the obligors, in case the contemplated road is not finally established, altered, or vacated, as asked in the petition. [C., '51, § 521; R., '60, § 826; C., '73, § 923; C., '97, § 1485.]

4564. Commissioner. When the foregoing requirements have been complied with, the auditor shall appoint some suitable and disinterested elector of the county as commissioner, to examine into the expediency of the proposed establishment, alteration, or vacation, and report accordingly. [C., '51, § 523; R., '60, § 828; C., '73, § 924; C., '97, § 1486.]

4565. Substituting other road. The commissioner shall not be confined to the precise matter of the petition, but may inquire and determine whether that or any road in the vicinity, answering the same purpose and in substance the same, be required. [C., '51, § 525; R., '60, § 830; C., '73, § 925; C., '97, § 1487; 40 Ex. G. A., ch. 8, § 1.]

4566. Property exempt. No road shall be established through any cemetery. No road shall, without the owner's consent, be established through any orchard, or ornamental grounds contiguous to any dwelling house, or so as to cause the removal of any dwelling house or other substantial, permanent, and valuable building. [C., '51, § 525; R., '60, § 830; C., '73, § 925; C., '97, § 1487; S. S., '15, § 1527-r4; 40 Ex. G. A., ch. 8, § 2.]

4567. Report. In forming his judgment, he must take into account the public and private convenience, and the expense of the proposed road, and, if he thinks the public convenience requires it, shall proceed at once to lay the same out, if the circumstances are such as to enable him to do so without having the same surveyed; but if, in his judgment, such road should not be established, or the alteration or vacation made, he shall proceed no further, and in either case shall, within thirty days after the day of his appointment, file his report in the auditor's office. [C., '51, §§ 526-528, 535, 536; R., '60, §§ 831-833, 840, 841; C., '73, §§ 926-928, 934; C., '97, § 1488.]

4568. Survey made—commissioner sworn. If the precise location of the road can not otherwise be given, he must cause the line thereof to be surveyed and plainly marked out, and, if he is a person other than the county engineer, must be sworn to faithfully and impartially discharge his duty, and, after thus qualifying, he shall have authority to swear any assistants employed to faithfully and impartially perform their duties in aiding him in laying out or altering the road. [C., '51, §§ 529, 530; R., '60, §§ 834, 835; C., '73, §§ 929, 930; C., '97, § 1489.]

4569. Mileposts and stakes. Mileposts must be set up at the end of every mile, and the distance marked thereon, and stakes must be

set at each change of direction, on which shall be marked the bearings of the new course. Stakes must also be set at the crossing of fences and streams, and at intervals in the prairie not exceeding a quarter of a mile each; in the timber the course must be indicated by trees suitably blazed. [C., '51, § 531; R., '60, § 836; C., '73, § 931; C., '97, § 1490.]

4570. Bearing trees—monuments. Bearing trees must, when convenient, be established at each angle and milepost, and the position of the road relative to the corners of sections, the junction of streams, or any other natural or artificial monument or conspicuous object, must, as far as convenient, be stated in the field notes and shown on the plat. [C., '51, § 532; R., '60, § 837; C., '73, § 932; C., '97, § 1491.]

4571. Plat and field notes. A correct plat of the road or alteration, together with a copy of the field notes of the surveyor, if one has been employed, must be filed as a part of the commissioner's report. [C., '51, § 533; R., '60, § 838; C., '73, § 933; C., '97, § 1492.]

4572. Bridges. If the commissioner's report is in favor of the establishment, alteration, or vacation of the road, it shall show the number of bridges required, and the probable cost thereof. [C., '97, § 1493.]

4573. Hearing—objections—claims for damages. The auditor shall appoint a day, not less than sixty nor more than ninety days from such time, when the petition and report will be acted upon, on or before which day all objections to the establishment, alteration, or vacation of the road, and all claims for damages by reason of its establishment or alteration, must be filed in the auditor's office. [C., '51, §§ 535, 536; R., '60, §§ 840, 841; C., '73, § 934; C., '97, § 1493.]

4574. Day fixed. The time for the commissioner to commence the examination shall be fixed by the auditor, and if he fails to so commence, or so report as prescribed in the second preceding section, the auditor may fix another day, or extend the time for making such report, or may appoint another commissioner. [C., '51, § 524; R., '60, § 829; C., '73, § 935; C., '97, § 1494.]

4575. Notice served. Within twenty days after the day is fixed by the auditor as above provided, a notice shall be served on each owner of land lying in the proposed road, or abutting thereon, as shown by the transfer books in the auditor's office, who resides in the county, in the manner provided for the service of original notices. If the owner of the land as thus shown does not reside in the county, similar notice shall be served upon any person who is in the actual occupancy of such land. In any case, notice shall be published, once each week, for four weeks in some newspaper printed in the county. [C., '51, § 519; R., '60, § 824; C., '73, § 936; C., '97, § 1495; S., '13, § 1495.]

D., or such road will be established, vacated, or altered without reference thereto.

.....
County Auditor.
[C., '73, § 936; C., '97, § 1495; S., '13, § 1495.]

4577. Auditor may establish, alter, or vacate. If no objections or claims for damages are filed on or before noon of the day fixed therefor, and the auditor is satisfied the provisions of the last two preceding sections have been complied with, he shall proceed to establish, alter, or vacate such road as recommended by the commissioner, upon the payment of costs. [C., '73, § 937; C., '97, § 1496.]

4578. Failure to pay costs. If such costs are not paid within ten days, the auditor shall report his action in the premises to the board of supervisors at its next session, who may affirm the action of the auditor, or establish such road at the expense of the county. [C., '73, § 937; C., '97, § 1496.]

4579. New notice given. If the auditor is satisfied that the notice has not been given, he shall appoint another day, and cause such notice to be served or published as required in the first instance, and thereafter proceed as provided above. [C., '73, § 938; C., '97, § 1497.]

4580. Objections or claims. If objections to the establishment of the road or claims for damages are filed, the further hearing of the application shall stand continued to the next session of the board of supervisors held after the commissioners appointed to assess the damages have reported. All claims for damages and objections to the establishment, alteration, or vacation of the road must be in writing, and the statements in the application for damages shall be considered denied in all subsequent proceedings. [C., '51, § 537; R., '60, § 842; C., '73, §§ 939, 941; C., '97, § 1498.]

4581. Appraisers appointed — vacancies — qualification. Upon the expiration of the time for filing claims for damages, if any are filed, the auditor shall appoint three disinterested electors of the county as appraisers, to assess the amount of damages any claimants may sustain by reason of the establishment or alteration of such road, and shall give them notice of their appointment, and fix a day and hour

at which they shall meet at his office, or that of some justice of the peace, to qualify; and if they do not all appear at the time and place named, or within one hour thereafter, the auditor or justice, as the case may be, shall fill any vacancies by the appointment of others, and swear such appraisers to faithfully and impartially assess the damages claimed. [C., '51, §§ 538-541; R., '60, §§ 843-846; C., '73, §§ 940, 942, 943; C., '97, § 1499.]

4582. Report. Such appraisers shall proceed at once to perform their duties, and, after assessing the damages sustained by the claimants, respectively, shall report the amount sustained by each, in writing, to the auditor, within thirty days from the date of their appointment. [C., '51, § 542; R., '60, § 847; C., '73, § 940; C., '97, § 1499.]

4583. Postponement — new appointment. Should the report not be filed in time, or should any good cause for delay exist, the auditor may postpone the time for final action on the subject, and may, if necessary, appoint other appraisers. [C., '51, § 543; R., '60, § 848; C., '73, § 944; C., '97, § 1500.]

4584. Costs. Should no damages be awarded the applicants therefor, all the costs growing out of their claims shall be paid by them. [C., '51, § 545; R., '60, § 850; C., '73, § 945; C., '97, § 1500.]

4585. Final action. When the time for final action arrives, the board may hear testimony, receive petitions for and remonstrances against the establishment, vacation, or alteration, as the case may be, of such road, and may establish, vacate, or alter, or refuse to do so, as in their judgment, founded on the testimony, the public good may require. [C., '51, § 546; R., '60, § 851; C., '73, § 946; C., '97, § 1501.]

4586. Damages — conditional order. Said board may increase or diminish the damages allowed by the appraisers, and may make such establishment, vacation, or alteration conditioned upon the payment, in whole or in part, of the damages awarded, or expenses in relation thereto. [C., '51, § 546; R., '60, § 851; C., '73, § 946; C., '97, § 1501.]

4587. Unconditional order. In the latter case, a day shall be fixed for the performance of the condition, which must be before the next session of the board, and, if the same is not performed by that day, it shall at such session make some final and unconditional order in the premises. [C., '51, § 547; R., '60, § 852; C., '73, § 947; C., '97, § 1502.]

4588. Record. Any order made or action taken in the establishment, alteration, or vacation of a road shall be entered in the road record, distinguishing between those made or taken by the auditor and those by the board of supervisors. [C., '73, § 948; C., '97, § 1503.]

4589. Plat and field notes. After a road has been finally established or altered, the plat

and field notes must be recorded by the auditor. [C., '51, § 550; R., '60, § 855; C., '73, § 949; C., '97, § 1504; 40 Ex. G. A., ch. 8, § 3.]

4590. Opening and working. Township roads shall be opened and worked by the township trustees. County and primary roads shall be opened and worked by the board of supervisors. [C., '51, § 550; R., '60, § 855; C., '73, § 949; C., '97, §§ 427, 1504; 40 Ex. G. A., ch. 8, § 4.]

4591. Fences—crops. A reasonable time must be allowed to enable the owners of land to erect the necessary fences adjoining the new road; and when crops have been planted or sowed before the road is finally established, the opening thereof shall be delayed until the crop is harvested. [C., '51, §§ 551, 552; R., '60, §§ 856, 857; C., '73, § 950; C., '97, § 1505.]

4592. Minors—insane persons. The rights and interests of minors and insane persons in relation to the establishment, vacation, and alteration of roads, and all matters connected therewith, are under the control of their guardians. [C., '51, § 555; R., '60, § 860; C., '73, § 951; C., '97, § 1506.]

4593. Establishment through state lands. The state board of education or board of control of the institutions belonging to the state may vacate, alter, change, or establish public highways through the lands belonging to the state, and for the use of such institutions, as the said board of education or board of control may deem for the best interests of the state and the public, subject, however, to the approval of the board of supervisors of the county, or the city council of the city, wherein such lands are situated. [C., '73, § 954; C., '97, § 1509; S., '13, § 1509.]

4594. County line roads. The establishment, vacation, or alteration of a road, either along or across a county line, may be effected by the concurrent action of the respective boards of supervisors in the manner above prescribed. The commissioners in such cases must act in concert, and the road shall not be established, vacated, or altered in either county until it is so ordered in both. [C., '51, § 556; R., '60, § 861; C., '73, § 955; C., '97, § 1510.]

4595. General control—concurrent action. All roads, whether established by the board of control of state institutions or by the state board of education under the statute or by the county authorities, are subject to the provisions of this chapter, and those established by the joint action of boards of supervisors of two or more counties can be altered or discontinued only by the joint action of the boards of the counties in which situated. Subject to these provisions, they shall be in all other respects treated, managed, and controlled as provided in this title. The term "road" as used in this code means any public highway, unless otherwise specified. [R., '60, § 879; C., '73, § 956; C., '97, § 1511.]

4596. Consent highways. Roads may be established without the appointment of a commissioner, if the written consent of all the owners of the land to be used for that purpose be first filed in the auditor's office; and the board, if satisfied that the proposed road is of sufficient public importance to be opened and worked by the public, shall make an order establishing the same. If a survey is necessary, the board, before ordering the same, may require the parties asking such establishment to pay or secure the payment of the expenses thereof. [C., '51, §§ 553, 554; R., '60, §§ 858, 859; C., '73, §§ 957, 958; C., '97, § 1512.]

4597. Appeals from award of damages—notice. Any applicant for damages caused by the establishment or alteration of any road may appeal from the final decision of the board to the district court of the county in which the land lies, notice of which appeal must be served on the county auditor within twenty days after the decision is made. If the road has been established or altered on condition that the petitioners therefor pay the damages, such notice shall be served on the four persons first named in the petition, if there be that many residing in the county, in the manner in which an original notice may be served. [R., '60, § 873; C., '73, § 959; C., '97, § 1513.]

4598. Appeal by petitioner. An appeal may be taken by the petitioner as to amount of damages, if the establishment or alteration has been made conditional upon paying the damages, by serving notice thereof on the county auditor and applicant for damages, in the manner in which original notices are served, and within twenty days after the decision of the board, and filing a bond in the office of such auditor, with sureties to be approved by him, conditioned for the payment of all costs occasioned by such appeal, if the appellant fails to recover a more favorable judgment in the district court than was allowed him by such board. [R., '60, § 874; C., '73, § 960; C., '97, § 1514.]

4599. Transcript on appeal. When an appeal has been taken the auditor shall within ten days thereafter make out and file in the office of the clerk of said court a transcript of the papers on file in his office, and proceedings of the board of supervisors in relation to such damages. The claimant for damages shall be plaintiff and the petitioners defendants, unless the damages have been ordered paid out of the county treasury, in which case the county shall be defendant. [R., '60, § 873; C., '73, § 961; C., '97, § 1515.]

4600. Trial on appeal. The amount of damages the claimant is entitled to shall be ascertained by the court in the same manner as in actions by ordinary proceedings, and the amount ascertained shall be entered of record, but no judgment rendered therefor. The amount thus ascertained shall be certified by the clerk to the board of supervisors, who

shall thereafter proceed as if such amount had been by it allowed the claimant as damages. [C., '73, § 962; C., '97, § 1516.]

4601. Costs. If the appeal be taken by the petitioners, they shall pay the costs, unless the claimant recovers a less amount than was allowed him by the board. In all other cases the taxing of the costs shall rest in the discretion of the court. [R., '60, § 873; C., '73, § 963; C., '97, § 1517.]

4602. Lost field notes—resurvey. When, by reason of the loss or destruction of the field notes of the original survey, or of defective surveys or record, or of numerous alterations since the original survey, the location of any road can not be accurately determined, the board of the proper county may cause it to be resurveyed, platted, and recorded, as hereinafter provided. [R., '60, § 913; C., '73, § 964; C., '97, § 1518.]

4603. Plat and field notes filed—notice given. A copy of the field notes, together with the plat of any road surveyed under the provisions of the preceding section, shall be filed in the office of the county auditor, and thereupon he shall give notice in some newspaper published within the county, that at some term of the board therein named, not less than twenty days from the publication, it will, unless good cause be shown against so doing, approve of such survey and plat, and order them to be recorded as in cases of the original establishment of a public road. [R., '60, § 914; C., '73, § 965; C., '97, § 1519.]

4604. Proceedings—record. In case objection shall be made by any person claiming to be injured by the survey so made, the board shall have power to hear and determine the matter, and may, if thought advisable, order a change to be made in the survey. If, upon the final determination, the board shall find said survey is correct, it shall approve the same, and cause the field notes and plat thereof to be recorded as in case of the establishment or alteration of roads, and thereafter such records shall be received by all courts as conclusive proof of its establishment according to such survey and plat. [R., '60, § 915; C., '73, § 966; C., '97, § 1520.]

4605. Road plat book. If the same has not been heretofore done, the county auditor shall cause every road in his county, the legal existence of which is shown by the records and files in his office, to be platted in a book to be obtained and kept for that purpose and known as the "road plat book". Each township shall be platted separately, on a scale of not less than four inches to the mile, and such auditor shall have all changes in or additions to the roads legally established immediately entered upon said plat book, with appropriate references to the files in which the papers relating to the same may be found. The auditor shall, from time to time, notify the clerk of each township of all changes made

in the roads thereof, and on receipt of such notice he shall immediately make corresponding changes on the highway plat book in his office, and shall, in case such plat book is lost or is found to be substantially inaccurate, procure a new one, or cause corrections to be made, at a reasonable expense, to be paid out of the general township fund. [R., '60, § 889; C., '73, §§ 967, 968; C., '97, § 1521.]

4606. Laying out public highways—fees. The following fees shall be paid persons engaged in laying out and changing roads:

1. Commissioners, such sum as shall be fixed by the board of supervisors, not to exceed three dollars for each day, together with ten cents per mile for the distance traveled in going to and returning from the location of the road under consideration.

2. Surveyor, for each day, four dollars.

3. Chain carriers, markers, and other assistants, for each day, one dollar and fifty cents.

If the road extends into more than one county, such expenses when so adjudged shall be paid by the several counties in proportion to the length of time occupied on the road in each county. [C., '51, § 534; R., '60, §§ 839, 872, 877; C., '73, § 3824; C., '97, § 1527; 39 G. A., ch. 272.]

CHANGES IN ROADS, STREAMS, OR DRY RUNS

4607. Changes for safety, economy, and utility. Boards of supervisors on their own motion may change the course of any part of any road or stream, watercourse, or dry run, within any county in order to avoid the construction and maintenance of bridges, or to avoid grades, or railroad crossings, or to straighten any road, or to cut off dangerous corners, turns, or intersections on the highway, or to widen any road above statutory width, or for the purpose of preventing the encroachment of a stream, watercourse, or dry run, upon a public highway. [C., '97, § 427; S. S., '15, § 1527-r1; 40 Ex. G. A., ch. 8, § 5.]

4608. Costs. The cost entailed by a change in a highway as provided in the preceding section shall be paid:

1. From the primary road fund in case the change is on a primary road.

2. From the county road fund or from the county bridge fund, or from both of said funds, in case the change is on a county or township road. [C., '97, § 427; S. S., '15, §§ 1527-r1, 1527-r3; 40 Ex. G. A., ch. 8, § 6.]

4609. Report and survey. Unless the action of the board is based on the recommendations of the engineer, accompanied by a report on the proposed change, and a plat and survey of the proposed change, the board shall order an engineer to make such report and survey and return the same on or before a day fixed. In making the survey, the engineer shall have the right to enter upon any premises affected by the proposed change. [S. S., '15, § 1527-r1; 40 Ex. G. A., ch. 8, § 7.]

4610. Appraisers. If the board is unable, by agreement with the owner, to acquire the necessary right of way to effect such change, three freeholders shall be selected to appraise the damages consequent on the taking of the right of way. The board of supervisors shall select one of said appraisers. The owner or owners of the land sought to be taken shall select one of said appraisers. The two appraisers so selected shall choose the third appraiser. In case the owners do not exercise their said right or in case they are unable to agree as to an appraiser, or in case their appointee fails to appear and qualify, the said board of supervisors shall appoint two appraisers and said two appointees shall choose the third appraiser.

If the two appraisers selected shall fail within ten days to select a third, or the third appraiser so selected shall fail to serve, then the board of supervisors shall select the third appraiser. [S. S., '15, §§ 1527-r1, 1527-r2; 40 G. A., ch. 81; 40 Ex. G. A., ch. 8, § 8.]

4611. Notice. The county auditor shall cause [the following] notice to be served on the individual owner of each tract or parcel of land to be taken for such right of way, as shown by the transfer books in the office of such county auditor, and upon each person owning or holding a mortgage, or lease, upon such land as shown by the county records, and upon the actual occupant of such land if other than the owner thereof:

To whom it may concern: Notice is given that the board of supervisors of county, Iowa, propose to condemn for road purposes the following described real estate in said county: (Here describe the right of way, and the tract or tracts from which such right of way will be taken). The damages caused by said condemnation will be assessed by three appraisers. Notice is hereby given that the owner or owners of said real estate may, on or before the day of, appoint one of said appraisers and that in case such right be not exercised, or if exercised and the said appointee fails to appear and qualify, the said three appraisers will be otherwise appointed as provided by law. All parties interested are further notified that said three appraisers will, when duly appointed, proceed to appraise said damages, will report said appraisal to the said board of supervisors and that said latter board will pass thereon as provided by law, and that at all such times and places you may be present if you be so minded. You are further notified that at said hearing before the said supervisors you may file objections to the use of said land for road purposes and that all such objections not so made will be deemed waived.

NOTE: The bracketed words do not appear in the enrolled bill.

4612. Service of notice. Owners, occupants, and mortgagees of record who are residents of the county shall be personally served in the manner in which and for the time original notices in the district court are required to be served.

Owners and mortgagees of record who do not reside in the county and owners and mortgagees of record who do reside in the county when the officer returns that they can not be found in the county, shall be served by publishing the notice in one of the official newspapers of the county, once each week for two weeks, and also by mailing by registered mail a copy of such notice to such owner and mortgagee of record addressed to his last known address, and the county auditor shall furnish to the board of supervisors his affidavit that such notice has been sent, which affidavit shall be conclusive evidence of the mailing of such notice.

Personal service outside the county but within the state shall take the place of service by publication.

No service need be had on one who has exercised his right to select an appraiser. [S. S., '15, §§ 1527-r2, 1527-r3; 40 G. A., ch. 81; 40 Ex. G. A., ch. 8, § 10.]

4613. Qualification and assessment. Upon the appointment of three appraisers, the county auditor shall cause them to appear before him and to take oath that they will faithfully and impartially assess the damages claimed. Said appraisers shall forthwith proceed to the assessment of said damages and make written report thereof to the board of supervisors. [S. S., '15, § 1527-r2; 40 G. A., ch. 81; 40 Ex. G. A., ch. 8, § 11.]

4614. Hearing—adjournment. The board shall proceed to a hearing on the objections or assessment of damages of any owner, mortgagee of record, and the actual occupant of such land if any of whom it has acquired jurisdiction, or if there be owners, mortgagee of record, and the actual occupant of such land if any over whom jurisdiction has not been acquired, the board may adjourn such hearing until a date when jurisdiction will be complete as to all owners. [S. S., '15, § 1527-r3; 40 Ex. G. A., ch. 8, § 12.]

4615. Hearing on objections. The board shall, at the final hearing, first pass on the objections to the proposed change. If objections be sustained the proceedings shall be dismissed unless the board finds that the objections may be avoided by a change of plans, and to this end an adjournment may be ordered, if necessary, in order to secure service on additional parties. [S. S., '15, § 1527-r3; 40 Ex. G. A., ch. 8, § 13.]

4616. Hearing on claims for damages. When objections to the proposed change are overruled, the board shall proceed to determine the damages to be awarded to each claimant. If the damages finally awarded are, in the opinion of the board, excessive, the proceed-

ings shall be dismissed; if not excessive, the board may, by proper order, establish such proposed change. [S. S., '15, § 1527-r3; 40 Ex. G. A., ch. 8, § 14.]

4617. Appeals. Claimants for damages may appeal to the district court from the award of damages in the manner and time for taking appeals from the orders establishing highways generally. [C., '97, § 428; S. S., '15, § 1527-r3; 40 Ex. G. A., ch. 8, § 15.]

4618. Damages on appeal—rescission of order. If the damages as finally determined on appeal be, in the opinion of the board, excessive, the board may rescind its order establishing such change. [S. S., '15, § 1527-r3; 40 Ex. G. A., ch. 8, § 16.]

4619. Record of change. The board shall cause a full and detailed record to be made in the road book of all plats and surveys and all other proceedings pertaining to changes hereinbefore authorized. [40 Ex. G. A., ch. 8, § 17.]

4620. Tender of damages. No appeal from an award of damages shall delay the prosecu-

tion of the work when the amount of the award is tendered in writing to the claimant and such tender is kept good. An order to the auditor to issue warrants to claimants for damages shall constitute a valid tender, if funds are available to promptly meet such warrants. Acceptance of the amount of such tender bars an appeal. Should possession of the condemned premises be taken pending appeal and the final award be not paid, the county shall be liable for all damages caused during such possession. [S. S., '15, § 1527-r3; 40 Ex. G. A., ch. 8, § 18.]

4621. Abandonment of highway—notice to owner affected. The foregoing provision with reference to changes in the highway shall not be construed as compelling the board to abandon any part of a highway already established, but if it be proposed to abandon any part of a highway already established, notice shall be served, as herein provided, upon the said record owners as aforesaid through which or abutting upon which said highway so proposed to be abandoned, extends. [S. S., '15, § 1527-r7.]

4. Investigate highway conditions in any county, and report all violations of duty to the attorney general.

5. Make surveys, plans, and estimates of cost, for the elimination of danger at railroad crossings on highways, and to confer with local, and railroad officials, and with the Iowa railroad commission with reference to such elimination.

4628. Duty to furnish—costs. Such signs shall be furnished by the highway commission to the several counties making application therefor at actual cost and paid for from the county's allotment of the primary road fund. [40 Ex. G. A., S. F. 119, § 6.]

4629. Time limit—exception. Upon the failure of the board of supervisors of any county to complete the marking by August 1, 1925, the commission shall proceed to erect such guide and warning signs. Where primary roads are now well marked, such uniform marking shall be deferred until the present markings need renewing. [40 Ex. G. A., S. F. 119, § 6.]

4630. Counsel. The attorney general shall act as attorney for said commission on all matters pertaining to their duties, and take such action as may be deemed advisable by him in order to correct violations of the laws relative to highway matters. [S. S., '15, §§ 1527-s, 1527-s2; 40 Ex. G. A., S. F. 119, § 7.]

which is in control of said lands, provided said board shall not pave or hard surface such roads unless authorized so to do by the executive council. The costs shall be paid only after certificate of detailed amount due shall have been filed by the said board with the state board of audit, and duly audited as provided by law. This section shall not be construed as preventing the paving or hard surfacing of any such roads under any other proceeding authorized by law. [S., '13, § 1532; 37 G. A., ch. 421, § 1; 40 G. A., ch. 246, § 3.]

4634. Improvement by city or county. When a city, town, special charter city, or county shall drain, oil, pave, or hard surface a road which extends through or abuts upon lands owned by the state, the state, through the executive council, shall pay such portion of the cost of making said improvement through or along such lands as would be legally assessable against said lands were said lands privately owned, which amount shall be determined by said council, or board. [S., '13, § 170-k; 38 G. A., ch. 400, § 1; 39 G. A., ch. 207, § 1; 40 G. A., ch. 246, § 4.]

4635. Highway levies. The board of supervisors shall, annually, at the September session of the board, levy the following taxes:

1. *County road.* A county road tax of not more than one mill on all the taxable property in the county.

One-half of the county road fund arising from the property within a municipality shall be paid over by the county treasurer to the treasurer of the municipality in the same manner as other municipal taxes and shall be expended by and under the direction of the council or commission, only on the roads and streets within such municipality, which are continuations of such roads as are main arteries of travel leading to such municipalities.

2. *County road building.* A county road building tax of not less than one mill nor more than two mills on all the taxable property in the county.

The proceeds of such levies, except such amount thereof as is paid to the municipalities, shall be kept as a county road fund and shall be used, except as otherwise provided, solely for the purchase of road tools, machinery and equipment for the drainage of roads, for filling over culverts and bridge approaches, for the elimination of dangerous railroad crossings in both county and township roads, and for work on the county system.

3. *County drainage.* A county drainage tax, if the board deems the same necessary, of not

to exceed one mill on all property in the county except on property within cities of the first class and special charter cities. The proceeds of said levy shall be kept as a county drainage fund and shall be used, first, for the drainage of highways and for paying drainage assessments levied on account of benefits to roads of the county road system, and, second, any balance shall be placed to the credit of the county road fund.

4. *County bridge.* A county bridge and culvert tax of not to exceed five mills on all the property of the county, except on property within cities controlling their own bridge levy.

In counties having a bonded indebtedness of ten thousand dollars, the board may levy not to exceed seven mills.

Said bridge fund shall be used to pay for all bridges and culverts constructed and maintained by the county and for culvert material furnished to the township trustees by the county. 1. [C., '51, § 454; R., '60, § 710; C., '73, § 796; C., '97, §§ 1303, 1530; S., '13, § 1530; S. S., '15, §§ 1303, 1527-s8; 37 G. A., ch. 6, § 1; 38 G. A., ch. 237, § 54; 40 Ex. G. A., ch. 25, § 1.] 2. [C., '97, § 1530; S., '13, § 1530; 40 Ex. G. A., ch. 25, § 1.] 3. [R., '60, § 710; C., '73, § 796; C., '97, § 1303; S. S., '15, § 1303; 38 G. A., ch. 355, § 1; 40 Ex. G. A., ch. 25, § 1.]

4636. County road system. The county road system:

1. Shall not embrace any part of a primary road.

2. Shall not embrace any highway within cities and towns except as herein provided.

3. May embrace highways which are located along the corporate limits of cities and towns and which are partly within and partly without such limits.

4. May embrace a street or highway which is within the limits of a town when such highway is a direct continuation of the county road system outside said town, provided the board of supervisors and the council can agree in writing as to the manner in which said street or highway is being improved, and provided such contract is approved by the state highway commission.

Such writing shall contain a provision that the town shall use the funds returned to them under paragraph one of the preceding section in constructing and maintaining said county road.

Nothing in this paragraph shall take from such town the general municipal control and police regulation which it now has over such street or the right to further improve such street by paving the same.

5. Shall, subject to the foregoing, embrace the highways which are now designated as county roads by the plans and records now on file in the county auditor's office of each county and in the office of the state highway commission and as the same may hereafter exist by legal modifications or additions. [S. S., '15, § 1527-s3; 40 Ex. G. A., ch. 25, § 2.]

4637. Modifications. The board of supervisors may make application to the state highway commission for a change or modification of the established county road system when such change is for the purpose of eliminating dangerous crossings or curves, or when such change would materially decrease the cost of improving or maintaining the road, and in such case the commission may authorize such change as may seem advisable. [S. S., '15, § 1527-s5; 40 Ex. G. A., ch. 25, § 3.]

4638. Additions. Whenever all the roads in the county road system have been improved according to the plans herein provided, the board of supervisors may add such roads from the township road system as have been improved by the township in accordance with the general plans and specifications furnished by the engineer and in accordance with the requirements of this chapter, and if the township roads so improved be not sufficient to use all county funds available for that purpose, the board of supervisors may select such additional county roads, but no increase shall be made in the mileage of the county road system until that system is completed, except that the board of supervisors may at any time add such roads from the township road system as will materially shorten the direct lines of travel between market towns. In all cases of additions the same proceedings shall be followed, in all regards, as provided for the original selection and improvement of county roads. [S. S., '15, § 1527-s9; 40 Ex. G. A., ch. 25, § 4.]

4639. Roads to state parks. The board of supervisors may add to the county road system from the township road system such roads as will render more accessible any body of water which may be improved, under state authority, as a public park. [37 G. A., ch. 236, § 8; 40 Ex. G. A., ch. 25, § 5.]

4640. Exclusive procedure. The procedure herein provided for the modification of, and additions to, the county road system, shall exclude all other procedure, and the decision of the board of supervisors and the state highway commission shall be final. [S., '13, § 1527-s19; 40 Ex. G. A., ch. 25, § 6.]

4641. Engineer — term — compensation — duties. The board of supervisors may, at its discretion, employ one or more county engineers, and shall fix their term of employment, which shall not exceed one year, and their compensation, which shall be paid from the county fund. Said engineers shall, in the performance of their duties, work under the directions of said board and shall give bonds for the faithful performance of their duties in a sum not less than one thousand dollars nor more than five thousand dollars. The tenure of office of any engineer may be terminated at any time by the board. Such tenure may be terminated by the highway commission for incompetency. [S. S., '15, § 1527-s3; 40 G. A., ch. 82, § 1; 40 Ex. G. A., ch. 25, § 7.]

4642. Engineers — itemized account. All county engineers and their assistants shall, for all work done or expenses made, file an itemized and verified account, before the board of supervisors, stating the time actually employed each day, the place where such work was done, the character of the work done, and also file with such account vouchers for any expense. [S. S., '15, § 1527-s21b; 40 Ex. G. A., ch. 25, § 8.]

4643. Division of roads—survey. The engineer shall, in writing, divide all county roads into sections, designating each section by some appropriate number, name, or letter and clearly designating the starting point and terminus of each such section. Such designation shall be recorded at length in a county road book. The board may cause all sections to be fully surveyed and a report made thereon before proceeding with the improvement contemplated herein, or, in order to enable the board to proceed with the most necessary and urgent work, said board may designate the order in which the different sections shall be surveyed and planned, and may order the engineer to survey and report on certain named sections before completing the survey and report on all sections. [S., '13, § 1527-s7; 40 Ex. G. A., ch. 25, § 9.]

4644. Details of survey. The engineer's survey and report shall be on the basis of the permanent improvement of said roads, both as to bridge, culvert, tile, and road work. Said survey and report shall consist of an accurate

plan and profile of said roads, showing cuts and fills and outline of grades, with careful attention to surface, lateral, and subdrainage, and shall show the location of all lines of tile and size thereof and of all bridges and culverts, their length, height, and width, and foundation soundings, and an estimate of the watershed relating to each bridge and culvert. Proper bench marks shall be established on each permanent bridge and culvert which shall be recorded on both profile and plan of road. The engineer shall designate on said plans and profiles all existing permanent bridges, culverts, and grades. [S., '13, § 1527-s7; 40 Ex. G. A., ch. 25, § 10.]

4645. Surveys and reports. The survey and report of each section, as soon as completed and approved by the board of supervisors, shall be submitted to the state highway commission, and the board of supervisors may designate to the said commission what sections, in their estimation, should be first passed upon by said state highway commission. The said commission shall pass on such reports and plans, and in so doing, shall take into consideration the thoroughness, feasibility, and practicability of such plans, and may approve or modify the same. [S. S., '15, §§ 1527-s8, 1527-s21a; 40 Ex. G. A., ch. 25, § 11.]

4646. Return of record and plans. After such survey and plan for each section is passed upon by the state highway commission, they shall be returned to the county auditor with full and explicit directions as to modifications, if any. The auditor shall record the same at length in a county road book, and the work shall be done in accordance therewith. [S. S., '15, § 1527-s8; 40 Ex. G. A., ch. 25, § 12.]

4647. Contracts exceeding one thousand dollars. All culvert and bridge construction, grading, drainage and repair work, or materials therefor, of which the engineer's estimated cost shall exceed one thousand dollars shall be advertised and let at a public letting. The board may reject all bids, in which event it may readvertise, or may let the work privately at a cost not exceeding the lowest bid received, or build by day labor, subject to the approval of the state highway commission. [S. S., '15, § 1527-s11; 40 Ex. G. A., ch. 25, § 13.]

4648. Contracts not exceeding one thousand dollars. All culverts and bridge construction, tile and tiling, and repair work or materials therefor, of which the engineer's estimated cost shall be one thousand dollars or less, may be advertised and let at a public letting, or may be let privately at a cost not to exceed the engineer's estimate, or may be built by day labor. [S. S., '15, § 1527-s11; 40 Ex. G. A., ch. 25, § 14.]

4649. Record of bids. All bids received shall be publicly opened, at the time and place specified in the advertisement, and shall be recorded in detail, in a book kept for that purpose, by the county auditor; said book shall at

all times be open to the inspection of the public. [S. S., '15, § 1527-s11; 40 Ex. G. A., ch. 25, § 15.]

4650. "Repair work" defined. Repair work shall be known as work not designated by the highway engineer, all road construction work costing not in excess of sixty dollars per mile, work of a temporary character, or of immediate necessity, and work necessary to maintain finished roads completed under this chapter. [S. S., '15, § 1527-s10; 40 Ex. G. A., ch. 25, § 16.]

4651. Bonds—conditions. The board of supervisors shall require all contractors to give a bond for the faithful performance of the contract, in a sum not less than seventy-five per cent of the contract price. The surety on any bond given to guarantee the faithful performance and execution of any work shall be deemed and held, any contract to the contrary notwithstanding, to consent without notice:

1. To any extension of time to the contractor in which to perform the contract when each particular extension does not exceed sixty days.

2. To any change in the plans, specifications, or contract when such change does not involve an increase of more than twenty per cent of the total contract price. If a change involves an increase in the total contract price in excess of twenty per cent the surety shall be released only as to such excess. [S., '13, § 1527-s18; 40 Ex. G. A., ch. 25, § 17.]

4652. Action on bond—limitation. No provision in a contract shall be valid which seeks to limit the time to less than five years in which an action may be brought upon the bond covering concrete work nor to less than one year upon the bond covering other work. [S., '13, § 1527-s18; 40 Ex. G. A., ch. 25, § 18.]

4653. Itemized and certified bills. All bills for road work, tile and tiling, culvert, and bridge construction, or for repairs designated by the engineer, shall be filed in itemized form and certified to by the engineer before being allowed or warrants drawn therefor. Before any claim shall be allowed by the board of supervisors on the county road or bridge funds, in payment for any work or construction, except for dragging, maintenance, or repairs not designated by the engineer, it must secure on the bill the certificate of the engineer employed by it, that such improvement has been made in accordance with the plans and specifications as herein provided.

If said engineer makes said certificate when said work has not been done in accordance with the plans and specifications, and said work be not promptly made good without additional cost, the full cost of making said work good may be recovered upon said engineer's bond.

A violation of this section by any member of the board shall render him liable on his bond for the amount of said claim. [S. S., '15, § 1527-s10; 40 Ex. G. A., ch. 25, § 19.]

4654. Partial payments. Partial payments may be allowed by the board on contract work on the basis of the engineer's certified estimates and the percentages specified in the standard specifications of the state highway commission. [S. S., '15, § 1527-s10; 40 Ex. G. A., ch. 25, § 20.]

4655. Advance payment of pay rolls. The board of supervisors may authorize the county auditor to draw warrants for the amount of pay rolls for labor furnished under the day labor system, when said pay rolls are certified to by the engineer in charge of the work. Said bills shall be passed on by the board at the first meeting following said payment. [S. S., '15, § 1527-s11; 40 Ex. G. A., ch. 25, § 21.]

4656. Witness corners. Whenever it may become necessary in grading the highways to make a cut which will disturb or destroy, or a fill which will cover up, a government or other established corner, it shall be the duty of the engineer to establish permanent witness corners, and make a record of the same, which shall show the distance and direction the witness corner is from the corner disturbed or covered up. When said construction work is completed the engineer shall permanently re-establish said corner. A failure to perform said duties shall subject the engineer to a fine of not less than ten dollars nor more than fifty dollars to be collected on his bond. [S., '13, § 1527-s7; 38 G. A., ch. 405, § 1; 40 Ex. G. A., ch. 25, § 22.]

4657. Gravel beds. The board of supervisors of any county may, within the limits of such county and without the limits of any city or town, purchase or condemn any lands for the purpose of obtaining gravel or other suitable material with which to improve the highways of such county, including a sufficient roadway to such land by the most reasonable route, and to pay for the same out of the primary or county road funds, or the board may purchase such material outside the limits of their county. [S., '13, § 2024-i; 39 G. A., ch. 79, §§ 1, 2; 40 Ex. G. A., ch. 25, § 23.]

4658. Procedure. The procedure for the condemnation of land in the establishment of highways shall be followed in the condemnation of land in order to obtain gravel beds and a road thereto. [40 Ex. G. A., ch. 25, § 23-a1.]

4659. Use of gravel beds. The township trustees of any township in the county, in order to improve their township roads, shall have the right to take material from any lands so acquired by the board of supervisors and the supervisors may permit private parties or municipal corporations to take materials from such acquired lands in order to improve any street or highway in the county, but it shall be a misdemeanor for any person to use or for the board of supervisors to dispose of any such material for any purpose other than for the improvement of such streets or highways. [S., '13, §§ 2024-i1, 2024-i2; 40 Ex. G. A., ch. 25, § 24.]

4660. Repair and dragging. The county board of supervisors and the engineer are charged with the duty of causing the county road system to be so repaired and dragged as to keep same in proper condition, and shall adopt such methods as are necessary to maintain continuously, in the best condition practicable, the entire mileage of said system. [S., '13, § 1527-s15; 40 Ex. G. A., ch. 25, § 25.]

4661. Intercounty highways. Boards of supervisors of adjoining counties in this state shall, subject to the approval of the state highway commission:

1. Make proper connections between roads which cross county lines and which afford continuous lines of travel.

2. Adopt plans and specifications for road, bridge, and culvert construction, reconstruction, and repairs upon highways along and across county boundary lines, and make an equitable division between said counties of the cost and work attending the execution of such plans and specifications. [38 G. A., ch. 320, § 1; 40 Ex. G. A., ch. 25, § 26.]

4662. Enforcement of duty. In case such boards fail to perform such duty, the state highway commission may, on its own motion, or in case said boards are unable to agree and one of said boards appeals to said commission, said commission shall notify the auditors of the interested counties that it will, on a day not less than ten days hence, at a named time and place within any of said counties, hold a hearing to determine all matters relating to such duty. At said hearing the commission shall fully investigate all questions pertaining to said matters, and shall, as soon as practicable, certify its decision to the different boards, which decision shall be final, and said boards shall forthwith comply with said order in the same manner as though such work was located wholly within the county. [38 G. A., ch. 320, § 1; 40 Ex. G. A., ch. 25, § 27.]

4663. Interstate highways. The state highway commission and the board of supervisors of any county bordering on a state line are authorized jointly to confer and agree with the highway authorities of such border state, on proper connections for interstate roads, and on proper plans for the construction, improvement, maintenance, and apportionment of work and cost of roads, bridges, and culverts on or across the state line. [S., '13, § 1570-a; S. S., '15, § 1527-s3; 40 Ex. G. A., ch. 25, § 28.]

4664. County bridge and culvert system. The county bridge and culvert system shall embrace all highways throughout the county, except highways entirely within cities which control their own bridge funds. [S. S., '15, § 1527-s3; 40 Ex. G. A., ch. 25, § 29.]

4665. Duty to construct. The county bridge and culvert system shall be constructed and maintained as follows:

1. Culverts which are thirty-six inches, or less, in diameter, and located within a city or town, by the council thereof.

2. Temporary culverts thirty-six inches, or less, in diameter, located on the township road system, by the township, except that the county shall furnish the material therefor, and deliver the same at a railroad station to be designated by the supervisors.

3. All bridges and all other culverts within said system, by the county. [R., '60, § 1097; C., '73, § 527; C., '97, § 757; S. S., '15, § 1527-s8; 40 Ex. G. A., ch. 25, § 30.]

4666. Bridges and culverts on city boundary line. Bridges and culverts on highways, or on parts thereof, which are located along the corporate limits of cities which control their own bridge funds and which are partly within and partly without such limits and which highways have been made a part of the county road system, shall be constructed under plans and specifications, jointly agreed on by the city council and board of supervisors, and approved by the highway commission. The city and county shall share equally in the cost. All matters in dispute between such city and county relative to such bridges and culverts shall be referred to the highway commission and its decision shall be final and binding on both the city and county. [S. S., '15, § 1527-s3; 40 Ex. G. A., ch. 25, § 31.]

4667. Width of bridges and culverts. All culverts shall have a clear width of roadway of at least twenty feet. Bridges shall have a clear width of roadway of at least sixteen feet. [C., '51, § 517; R., '60, § 822; C., '73, § 1001; C., '97, § 1572; S., '13, § 1527-s7; 40 Ex. G. A., ch. 25, § 32.]

4668. Definitions. The term "culvert" shall include all waterway structures having a total clear span of twelve feet or less, except that such term shall not include tile crossing the road, or intakes thereto, where such tile are a part of a tile line or system designed to aid subsurface drainage.

The term "bridge" shall include all waterway structures having a clear span in excess of twelve feet. [40 Ex. G. A., ch. 25, § 33.]

4669. Intracounty bridge. The board of supervisors may, without authorization from the voters, appropriate, for the substructure, superstructure, and approaches of any one bridge within the county, a sum not exceeding fifty thousand dollars. The provision requiring authorization from the voters shall not apply to bridges on the primary road system built entirely out of the primary road fund, where there are sufficient funds on hand to complete the construction of said bridge, and costing not to exceed seventy thousand dollars. [C., '73, § 303; C., '97, § 424; 38 G. A., ch. 336, § 1; 39 G. A., ch. 107, § 1; 40 Ex. G. A., ch. 25, § 34.]

4670. Intercounty and state bridge. The board of supervisors of any county may, without authorization from the voters, appropriate, for the substructure, superstructure, and approaches of any one bridge on a road between

such county and another county of this state or on a road between such county and another state, a sum not exceeding twenty-five thousand dollars. Provided, however, that when such road is a primary road and such bridge is being constructed entirely with primary road funds such appropriation from each county may be a sum not exceeding thirty-five thousand dollars. [C., '73, § 303; C., '97, § 424; 38 G. A., ch. 336, § 1; 39 G. A., ch. 107, § 1; 40 Ex. G. A., ch. 25, § 35.]

4671. Bridge specifications. Standard specifications for all bridges and culverts, railroad overhead crossings, or subways, shall be furnished without cost to the counties and railroad companies by the state highway commission, and work shall be done in accordance therewith. [S. S., '15, § 1527-s11; 40 Ex. G. A., ch. 25, § 36.]

4672. Approval of contract. Any proposed contract which shall exceed the sum of two thousand dollars for any one bridge or culvert, or repairs thereon, shall be first approved by the state highway commission before the same shall be effective as a contract. [S. S., '15, § 1527-s11; 40 Ex. G. A., ch. 25, § 37.]

4673. Record of plans. Before beginning the construction of any permanent bridge or culvert by day labor or by contract, the plans, specifications, estimate of drainage area, estimates of cost, and specific designation of the location of the bridge or culvert shall be filed in the county auditor's office by the engineer. [S. S., '15, § 1527-s11; 40 Ex. G. A., ch. 25, § 38.]

4674. Record of final cost. On completion of any bridge or culvert, a detailed statement of cost, and of any additions or alterations to the plans shall be filed by the engineer and recorded by the auditor in connection with the records of bids, all of which shall be retained in the county auditor's office as permanent records, and when said work is completed and approved, a duplicate statement of the costs thereof shall be filed with the state highway commission by the county auditor. [S. S., '15, § 1527-s11; 40 Ex. G. A., ch. 25, § 39.]

4675. Trustees to fill and grade. Upon the completion by the board of supervisors of any bridge or culvert situated upon the township road system, it shall be the duty of the township trustees to properly fill over all such culverts and uniformly grade the approaches to all such bridges, and make payment therefor from the township road fund. Should the trustees fail for a period of two weeks after notification to perform such work, the board of supervisors shall proceed to perform the same and the engineer shall report the actual cost of so doing, and such amount, not exceeding one hundred fifty dollars, for any such bridge or culvert, shall be certified by the board of supervisors to the county treasurer who shall transfer said amount to the county road fund from the first collection of road funds belong-

ing to said township. The township trustees shall, at township expense, do all necessary filling of temporary culverts installed by them on the township road system. [S. S., '15, § 1527-s8; 40 Ex. G. A., ch. 25, § 40.]

4676. Bridges over ditches. Bridges erected over drainage ditches shall when necessary be so constructed as to allow the superstructure to be removed for cleaning said ditches with as little damage to the removable and permanent parts of said bridge as possible. [S. S., '15, § 1527-s11; 40 Ex. G. A., ch. 25, § 41.]

4677. Bridges on county line roads. Bridges on county line roads may, under joint agreement between the boards of the adjoining counties, be located, constructed, and maintained wholly within one county in order to secure a proper site or in order to avoid unnecessary expense. The resulting work and expense shall be carried on and shared in such proportion as said boards may determine. [C., '97, § 426; 40 Ex. G. A., ch. 25, § 42.]

4678. Bridges over state boundary line streams. Ten per cent of the legal voters, as shown by the returns of the last general election, of any county bordering upon a stream of water which forms the boundary line of this state, may petition the board of supervisors to submit to the voters the question whether such county shall be authorized to construct and maintain a foot and wagon bridge extending from such county across such boundary line river. Said petition shall state the amount to be expended for said purpose. [S., '13, §§ 424-a, 424-b; 40 Ex. G. A., ch. 25, § 43.]

4679. Submission of question. The board shall submit such question at the first general election occurring not less than sixty days after the filing of said petition. [S., '13, § 424-b; 40 Ex. G. A., ch. 25, § 44.]

4680. Notice. Notice of the submission of such question shall be published for four consecutive weeks in at least three newspapers published and of general circulation in the county, except in counties having less than three newspapers, said notices shall be published in all of the newspapers, the last of which publications shall be at least three days and not more than ten days before the holding of such election. [S., '13, § 424-b; 40 Ex. G. A., ch. 25, § 45.]

4681. Construction and maintenance. If a majority of the voters vote in favor of such authorization, the board shall have authority to construct and maintain said bridge, and may agree with the adjoining state, or with any other municipal division thereof, as to what part of said bridge said county will construct and maintain, or as to what percentage of the cost of construction and maintenance said county shall pay, and such county shall be under no greater liability than as evidenced by such agreement. [S., '13, §§ 424-b, 424-c; 40 Ex. G. A., ch. 25, § 46.]

4682. Levy—bond. In order to build and maintain such bridge, the board may, from year to year and on all the property in the county, levy an annual tax of not to exceed one mill. The board may, in the manner provided for funding outstanding county indebtedness, issue the bonds of the county in the amount of the authorized expenditure. The maturity of such bonds may be distributed through a period of twenty years. In case bonds are so issued, the board shall maintain sufficient levies to meet the principal and interest as in other cases of bonds issued for outstanding county indebtedness. [S., '13, § 424-b; 40 Ex. G. A., ch. 25, § 47.]

4683. Use by public utilities. Street and interurban railways, telephone, telegraph, and electric transmission lines, may be permitted to use such bridge on such terms and conditions as the governing bodies jointly erecting and maintaining such bridge may jointly determine. No discrimination shall be made in the use of said bridge as between such railways, or between other utilities, provided that any such railway desiring to use existing tracks thereon shall have the right to do so and shall bear its reasonable share of the cost of the construction and maintenance of such tracks. Joint use of telephone, telegraph, and electric transmission lines may not be required. No grant to any public utility to use such bridge shall in any way interfere with the use thereof by the public. [S., '13, § 424-e; 40 Ex. G. A., ch. 25, § 48.]

4684. Maintenance. Where there is a contract for joint maintenance of the entire structure, the county's liability for such maintenance shall only extend to that part or portion which is within the boundary line of this state. [S., '13, § 424-d; 40 Ex. G. A., ch. 25, § 49.]

4685. Interest in contracts. No member of the highway commission, their deputies, or assistants, or any other person in the employ of the commission, no county supervisor, township trustee, county engineer, road superintendent, or any person in their employ or one holding an appointment under them, shall be, directly or indirectly, interested in any contract for the construction or building of any bridge or bridges, culvert or culverts, or any improvement of any road or part thereof. [S., '13, § 1527-s15; 40 Ex. G. A., ch. 25, § 50.]

4686. Donations. Boards of supervisors and township trustees may receive donations of money, labor, or materials for improvements on any of the roads, or parts thereof, which are under their jurisdiction. Such donations, when made for the improvement of any specified road, or specified part thereof, must be used for that purpose and the work shall be done under the same supervision and in the same manner as other county or township work is done. [37 G. A., ch. 338, §§ 1-4; 40 Ex. G. A., S. F. 127, § 1.]

4687. Intent of chapter. It is the intent of this chapter to divide the highways of the state and of each county into a primary and secondary system, to provide for the substantial and durable improvement of such primary roads of each county, to pay for said improvements on such primary roads from federal aid funds, motor vehicle registration fees, and from the proceeds of assessments on benefited real property, to permit each county to anticipate such funds if it chooses so to do, to divert other existing highway funds to the construction, reconstruction, improvement, and maintenance of the secondary system of roads, to

secure the benefit of all present and future acts of the government of the United States which proffer financial aid to the state in the construction and maintenance of highways, and to coordinate the system herein created with the requirements of said federal government relative to such improvements. [38 G. A., ch. 237, § 1.]

4688. Contracts authorized. The state highway commission is empowered, on behalf of the state, to enter into any arrangement or contract with, and required by, the duly constituted federal authorities, in order to secure the

full cooperation of the government of the United States, and the benefit of all present and future federal allotments in aid of highway construction, reconstruction, improvement, or maintenance. The good faith of the state is hereby pledged to cause to be made available each year, sufficient funds to equal the total of any sums now or hereafter apportioned to the state for road purposes by the United States government for such year and to maintain the roads constructed with said funds. The board of supervisors of each county is empowered to enter into any arrangement or contract with, and required by, the state highway commission, in order to fully carry into effect the provisions of this chapter. [38 G. A., ch. 237, § 2.]

4689. Road systems defined. The highways of the state are, for the purpose of this chapter, divided into two systems, to wit: the primary road system and the secondary road system.

The primary road system shall embrace those main market roads (not including roads within cities), which connect all county seat towns and cities and main market centers, and which have already been designated under section 2 of chapter 249 of the laws of the thirty-seventh general assembly, accepting the provisions of the act of congress approved July 11, 1916, known as the federal aid road act; provided that the said designation of the roads shall, for more efficient service or more economical construction of the system, and with the consent of the federal authorities, be subject to revision by the state highway commission. Any portion of said primary system so eliminated by any change shall revert to and become a part of the system from which originally taken. The state highway commission may, for the purpose of affording access to cities, towns, villages, state parks, and recreation centers within a county, add such road or roads to the primary system of said county as the board of supervisors may specifically designate and request.

The secondary road system shall embrace all roads not embraced in the primary system and not embraced within the limits of cities or towns. Roads embraced in the secondary road system shall continue to be classed as at present, county roads or township roads as the case may be. [38 G. A., ch. 237, § 3; 40 G. A., ch. 83.]

4690. Primary road fund—apportionment—use—right of way. There is hereby created a fund which shall be known as the primary road fund, which shall embrace all federal aid road funds, and all funds derived from year to year by the state under acts regulatory of motor vehicles, except such portion of said motor vehicle fund as may be necessary to maintain the federal aid engineering fund, and as may, by law, be retained in the state treasury as a maintenance fund for the state highway commission, or as a fund to cover administration of the motor vehicle department.

Said primary road fund shall be apportioned to the respective counties in the ratio that the area of the county bears to the total area of the

state, and shall be used in the establishment, construction, and maintenance of the primary road system, including the drainage, grading, surfacing, construction of bridges and culverts, the elimination or improvement of railroad crossings, the purchase of additional right of way, and the damages incident thereto, connected with the establishment, construction, and maintenance of the primary road system.

Where additional right of way for primary road system has been taken in any county and paid for out of other funds since this chapter has been in effect, the board of supervisors of such county is authorized to transfer from the primary road fund to such other fund the amount expended for such right of way.

The portion of said fund apportioned to each county as above provided is hereby pledged to the completion of said primary system and is dedicated by the state to the county to be used for the payment of costs in establishment, improvement, or maintenance thereof and for the redemption of any bonds issued therefor as in this chapter provided.

For the purpose of administration, apportionment to any county may be made up partly from federal aid road allotments.

Nothing herein contained shall be construed as precluding the board of supervisors from paying for the construction and maintenance of bridges and culverts on the primary road system from the county bridge fund. [38 G. A., ch. 237, § 4; 39 G. A., ch. 20, § 1; 39 G. A., ch. 188, § 2; 40 G. A., ch. 84, § 1.]

NOTE: For disposition of motor vehicle fees, see §§ 4741, 4999.

4691. Reimbursement to cities and towns. Where any town or city, including special charter, commission plan and manager plan cities, having a population of less than twenty-five hundred has heretofore, and since the enactment of this chapter procured at its own expense right of way for a primary road, the board of supervisors is authorized to reimburse said city or town from the primary road fund for the cost of such right of way. [40 Ex. G. A., ch. 8, § 6-a1.]

4692. Accounts—primary road fund. The state highway commission shall open an account with each county in the state in relation to the primary road fund, and shall first credit each county with any unused portion of the allotment of the federal-county-cooperative road fund, as shown by the official supplementary bulletin of the state highway commission of June, 1917, and designated as "volume five, number six", and shall each year credit each county with its allotted portion of the primary road fund, and charge it with the amount of all duly and finally approved vouchers for claims properly chargeable to said county. Said account shall also show the amount of each separate authorization of bonds or road certificates hereunder, and the amount, number, date, maturity, and interest rate of each series of bonds or certificates actually issued by the county under this chapter. The said commission shall, at all proper times, keep each county

fully informed as to the state of its account. [38 G. A., ch. 237, § 5.]

4693. Accounts by state auditor and treasurer. The account of the primary road fund kept by the state auditor and the state treasurer shall show the amount of the primary road fund with all credits thereto and disbursements therefrom, and shall deal with said fund as a single fund. [39 G. A., ch. 188, § 4.]

4694. Options authorized—election in re hard surfacing. Each county, acting through its board of supervisors, shall have three options in the expenditure of its allotments from the primary road fund:

1. It may elect to acquire additional right of way where necessary and complete the grading and construction of bridges and culverts and drainage in any part or all of the primary roads within the county before laying any hard surfacing.

2. It may hard surface in any one year, such portion of the roads in the primary system in its county as may be met by its allotted portion of the primary road fund for said year, plus any balance remaining to its credit from previous allotments, plus the special assessments on abutting and adjacent real estate as hereinafter provided; or it may proceed in any one year with draining and grading on one or more divisions of the primary system and with hard surfacing on other divisions of said system.

3. It may proceed with said hard surfacing in a more rapid manner when authorized to do so by the voters of the county as hereinafter set forth, provided no hard surfacing shall be constructed on any division of the primary roads until the drainage and grading of said division shall have been fully completed.

It is hereby made the duty of the board of supervisors to proceed in the improvement of primary roads under this chapter as fast as the primary road fund is available, until the improvement of the primary system is completed; provided that any county, after draining and grading its primary system, or any division thereof, shall have the right to surface same with gravel or oil or both if by resolution of the board of supervisors it elects so to do. Such graveling or oiling shall not be considered hard surfacing within the meaning of this chapter. Said surfacing shall be done in accordance with the plans and specifications of the highway commission applicable to such improvement and the cost of such improvement when so done may be paid from the primary road fund. Vouchers therefor must be approved by the board of supervisors and forwarded to the highway commission for final audit, approval, and payment, as provided in section 4702.

The board of supervisors shall not proceed with hard surfacing of roads until such work shall be authorized by a majority vote of the electors of such county at a general election, or a special election called for that purpose; and the board of supervisors of any county may,

on its own motion, and shall, if petitioned by the voters in any county equal to ten per cent of the number voting at the last general election, to be determined by the number of electors voting for governor thereat, submit to said voters the question whether hard surfacing shall be done on the primary road system, or any portion thereof, in said county. Said petition shall be in writing, giving the name and residence of each signer thereto, and each sheet thereof shall be verified by a resident of the county. The board of supervisors shall be governed by the result of such election, and, if a majority of said voters voting thereon shall vote therefor, the board shall proceed forthwith with the work. Such election, however, shall not interfere with or affect work under construction, or under contract, or federal aid projects already approved at the time of the holding of said election.

Notice of such election shall be given as provided in section 4720, and the notice shall give the time said election shall be held and the form of the proposition submitted, and such proposition shall be contained in the ballot. Special elections shall be held in the same manner as general elections.

The question of hard surfacing shall not be submitted to a vote in any county oftener than once in twenty-four months.

The question as to hard surfacing of roads and as to issue of bonds under this chapter may be submitted at the same election. And at the election as to the question of whether or not bonds may be issued, there may be submitted at the same election and upon the same ballot as a separate proposition the question of whether or not hard surfacing may be done. If upon such submission the proposition of hard surfacing is defeated, such vote shall thereby nullify the vote as to the issuance of bonds. [38 G. A., ch. 237, § 6; 39 G. A., ch. 20, § 2; 40 G. A., ch. 84, § 2.]

4695. Authorization canceled. Any authorization, voted by the electors, and not acted upon by the letting of contracts for hard surfacing within four years after said authorization, or if contracts have been let thereunder and four years have elapsed since the letting of the last contract, may be canceled in the following manner:

A proposition for such cancellation must be submitted by the board of supervisors upon petition of ten per cent of the voters as provided upon the submission of the original proposition for authorization, and all the proceedings as to notice and holding such election shall be the same as upon such original submission so far as practicable. [40 Ex. G. A., ch. 25, § 50-a1.]

4696. Division of primary roads. For the purpose of creating a basis for a systematic program of improvement, the board of supervisors of each county, in conjunction with the county engineer, shall, as soon as may be reasonably possible after the taking effect of this chapter, divide into divisions the roads of the primary road system within their county,

with a view to the most advantageous program of improvement, having in view the development of the primary roads in the county in such order as will best and most fairly meet the convenience of the public, viewing the county as a whole. Different portions of primary roads which diverge from a common point may be so divided into divisions that the several divisions immediately adjacent to the common point will constitute an appropriate district. Said divisions shall be suitably designated on a map filed with the state highway commission, and shall be recorded by the county auditor in the proceedings of the board, and shall be final, except that the board may, under changed or better understood conditions, modify such record in order to attain more advantageous results in cost. No division established by the board of supervisors shall embrace roads or streets within a city. [38 G. A., ch. 237, § 7.]

4697. Improvement program — assessment districts. When the board of supervisors of any county shall decide to begin the improvement of any division of said primary road system, it shall, on or before the first day of August of any year, by a resolution filed with the state highway commission, specify the division or divisions of the primary road system in said county which they desire to improve hereunder. Said resolution shall indicate the program of improvement for the ensuing year or years, and shall specify the funds available or the method proposed to finance the cost of such improvements. If the resolution filed with the state highway commission embraces the hard surfacing of any division of primary roads, the same shall be accompanied by a proposed assessment district for each division in the form of an engineer's plat. Each district shall be clearly designated by some appropriate and distinctive name and number, such, for instance, as "Correctionville road, district number one". Portions of primary roads which diverge from a common point may be included within one district. No district established by the board of supervisors shall embrace real estate within a city, but no proceedings for an improvement which embraces a road or street of a town shall be affected by the fact that subsequent to the establishment of the district, and before the completion of the improvement, such town becomes a city by change in population.

All real estate lying upon and immediately adjacent to each side of the highway, and constituting two continuous zones each three hundred twenty rods in width, measured from the center of the highway, shall be included within each district. The board of supervisors may increase the width of either of said zones by extending the outer boundary thereof for a distance of not to exceed one hundred sixty rods. If either of the zones first mentioned be increased in width, the outer boundary of such increase may follow governmental or other well defined lines; and if any part of a governmental forty-acre tract, or less, is within four hundred eighty rods of the center of the

road, then and in such case the entire forty acres or less may be included within the district. Should the center of the highway be less than four hundred eighty rods from an interstate boundary line, or river which acts as such interstate boundary, then the zone adjacent to such line or river may extend to such line or river. Should travel to or from such highway to real estate within either of said zones be wholly barred by a natural or artificial barrier, the board of supervisors may wholly exclude such real estate, or any portion thereof, from such assessment district, or may otherwise meet the difficulty by making a nominal assessment on said real estate. [38 G. A., ch. 237, § 8.]

4698. Approval of improvement project—record of lands. The said commission shall examine said project, and before approval shall have power to so modify the same as to comply with this chapter. Upon the approval of said resolution by the state highway commission, the said district or districts, as proposed by the board, shall be deemed finally established. Upon the final establishment of said district or districts as above provided, the board of supervisors shall cause to be entered and published in the minutes of its proceedings a description of all real estate embraced within each district. Such description may be by any legal description, but the failure to strictly comply with said direction as to such entry and publication shall not affect the validity of the proceeding. [38, G. A., ch. 237, § 9.]

4699. Surveys—plans—approval. When the resolution has been finally approved, the commission shall make, or cause to be made, proper surveys, and shall prepare the plans, specifications, and estimates for such improvement, or shall cause the same to be prepared by the county engineer, under its supervision, which plans, specifications, and estimates shall be finally approved by the board and the commission, and filed with the county auditor, and the work shall be done in accordance therewith, except in so far as the same may be modified by the commission to meet unforeseen or better understood conditions, and no such modification shall be deemed an invalidating matter. Such plans and specifications may provide, as a part of said hard surfaced roadway (and to be computed as a part of the cost thereof) for such shoulders of gravel or other material as may be necessary to protect the roads thereof and to facilitate travel thereover. [38 G. A., ch. 237, § 10.]

4700. Bids — contracts—limitations thereon—bonds. As soon as the approved plans and specifications are received by the board of supervisors, they shall proceed to advertise for bids for the construction of said improvement.

Each bid shall be accompanied by a sworn statement by the bidder, or by a partner or officer thereof, which shall show the name and address of each director, officer, or partner of such bidder. No contract shall be let to any state or county official, elective or appointive,

nor to any relative of such state official, nor to any partnership or corporation in which such state official or relative thereof is financially interested.

No contract shall be let to any partnership or corporation in which a county officer of the contracting county, or relative of such county officer, is financially interested. The letting of a contract in violation of the foregoing provisions shall not invalidate the contract, nor any bonds issued thereunder, but upon discovering such violation, the board of supervisors or the state highway commission may terminate the contract, and such violation in case of such termination shall be a complete defense to any action by the contractor to recover any consideration due or earned under the contract at the time of such termination.

In the award of contracts, due consideration shall be given not only to the prices bid, but to the mechanical and other equipment, and financial responsibility of the bidder and his ability and experience in the performance of like or similar contracts. The board may reject any or all bids and may readvertise for bids, or, with the written consent of the state highway commission, may let by private contract, or with such consent may proceed to the construction (except in case of paving) by day labor at a cost not to exceed the lowest bid received. In any event, all contracts entered into under the provisions of this chapter shall be approved by the state highway commission before they shall become effective.

The form and conditions of all contracts, the form and conditions of all bonds taken or required for the full performance or maintenance of all work, shall be prescribed by the state highway commission. All contracts for performing paving work or furnishing material therefor shall be in writing and shall be secured by a bond for the faithful performance thereof, which bond shall be so drawn as to fully secure the proper county from defective workmanship or material for five years after the completion of contract. [38 G. A., ch. 237, § 11.]

4701. Supervision—duty of highway commission—bonds. The state highway commission is expressly charged with the duty of controlling the supervision, inspection, and direction of the work of construction on behalf of the state and its counties, and of supervising the expenditure of all funds paid on account of such work by the counties of the state, and it shall do and perform all other matters and things necessary to the faithful completion of the improvements herein authorized.

All engineers or inspectors having responsible charge of any improvement shall give bonds for the faithful performance of their duties and for like accounting of all property intrusted to their custody. All bonds given by such engineers or inspectors in the employ of the state highway commission shall be deemed to embrace any and all improvements of which they may be in charge. [38 G. A., ch. 237, § 12.]

4702. Claims and form thereof—method of payment. Claims for draining and grading, graveling or oiling, shall be paid wholly from the county's allotment of the primary road fund. Claims for hard surfacing, in case the county is proceeding without bond issue, shall be paid to the extent of eighty-seven and one-half per cent of the total cost of such hard surfacing from the county's said allotment, and the balance shall be paid with special assessment or road certificates, or with the proceeds thereof. Claims for hard surfacing, in case the county is improving with the proceeds of a bond issue, shall be paid, first, from the county's said allotment then available, or from any balance of said allotment remaining after the retirement of bonds and from the proceeds of special assessments; and, second, out of such bond fund of the county.

All claims shall be itemized upon voucher forms prepared by the state highway commission, sworn to by the claimants, certified to by the engineers in charge, filed with and audited by the board of supervisors, and then forwarded to the state highway commission for final audit and approval. Upon the final approval of vouchers which are payable from the county's allotment of the primary road fund, such vouchers shall be forwarded to the auditor of state, who shall draw warrant therefor, and said warrant shall be paid by the treasurer of state from the primary road fund.

Duly approved voucher claims, payable at the office of the county treasurer, shall be forwarded by the state highway commission to the county auditor, who shall issue warrant therefor, and the county treasurer shall pay the same with special assessment or road certificates, or from the proceeds thereof, or from the bond fund, as the case may be. Partial payments may be made on work during the progress thereof, but no such partial payment shall be deemed final acceptance of the work nor a waiver of any defect therein. [38 G. A., ch. 237, § 13; 40 G. A., ch. 85, § 1.]

4703. Primary road contingent fund. The state treasurer is hereby directed to set aside from the primary road fund the sum of one hundred fifty thousand dollars to be known as the primary road contingent fund. [39 G. A., ch. 220, § 1.]

4704. Claims payable from contingent fund. When claims for labor, freight, or other items which must be paid promptly and which are payable from the primary road fund or from the state highway commission maintenance fund, are presented to the said commission for payment, the said commission may direct that warrants in payment of said claims be drawn on said primary road contingent fund. Such warrants, when so drawn and signed by the auditor of the state highway commission, shall be honored by the state treasurer for payment from the said contingent fund. [39 G. A., ch. 220, § 2.]

4705. Procedure in making payment—reimbursement. The claims in payment of which

warrants are drawn on the primary road contingent fund, shall be audited in the usual manner prescribed by law and shall have noted thereon that warrants in payment thereof have been drawn on the said contingent fund. After the final audit of such claims the state auditor shall draw warrants therefor in the regular manner and forward the same to the state highway commission for record. When such warrants have been recorded in the office of the said commission they shall be forwarded to the state treasurer who shall cancel the same, charge them to the proper fund and credit the primary road contingent fund with the amount thereof. [39 G. A., ch. 220, § 3.]

4706. Bond by auditor of highway commission. The auditor of the state highway commission shall give bond to the state in the sum of ten thousand dollars conditioned for the faithful performance of his duties relative to said fund. Said bond after approval by the state highway commission shall be deposited in the office of the secretary of state. [39 G. A., ch. 220, § 4.]

4707. Board of apportionment—report—notice and hearing—fees of appraisers. A board of apportionment of three resident freeholders of the county shall be appointed by the board of supervisors to apportion all special benefits to real estate within each district, but the same board of apportionment may act for more than one district. No person shall serve on such board if he lives or owns real estate within the district for which he is to act.

Whenever the total expense of such improvement within said district has been approximately determined, said board of apportionment shall, with all reasonable dispatch, personally inspect and classify in some uniform manner, and under some intelligent description, and in a graduated scale of benefits, all real estate within said districts. Said classification, when finally established, shall remain as a basis for all future assessments to cover deficiencies, if any, unless the board of supervisors, for good cause, shall authorize a revision thereof.

Said board of apportionment shall, among other relevant and material matters, if any, give due consideration to the fair market value per acre of each of the different tracts of real estate, to their relative location and productivity, and to their relative proximity and accessibility to the said improvement.

They shall, in writing, and to the different described tracts of real estate within said district, make an approximately equitable apportionment of twelve and one-half per cent of the total expense of said improvement.

In making said apportionment, real estate owned by the state or any county shall be treated as other real estate, but no other publicly-owned real estate shall be included, and in apportioning benefits to real estate owned by the county or state no consideration shall be given to the buildings thereon.

Said apportionment report shall specify each tract of real estate by some intelligent description, the amount apportioned thereto, and the

ownership thereof, as the same appears on the transfer books in the auditor's office, and shall be filed with the county auditor. Said apportionment shall carry the presumption, in the absence of a contrary showing, that the same is fair, just, equitable, and in proportion to benefits and not in excess thereof.

Upon receipt of said apportionment, the county auditor shall fix a day for hearing before the board of supervisors, and cause notice to be served by publication as hereinafter provided upon each person whose name appears in said apportionment report, or in any recommendation accompanying the same, as owner, and also upon the person or persons in actual occupancy of any such real estate, which notice shall state the amount of special assessments apportioned to each tract, the day set for hearing before the board of supervisors, that at said hearing any apportionment may be increased without further notice, that (if such be the case) the board of apportionment has recommended that specified additional tracts of real estate should be included within said district, and that specified sums should be apportioned thereto to defray the cost of said improvement, and that all objections to said report, or any part thereof, by reason of any irregularity in prior proceedings, or by reason of any irregularity, illegality, or inequality in making such apportionment, must be specifically made in writing and filed with the county auditor on or before noon of the day set for such hearing, and that a failure to so make and file such objections will be deemed a conclusive waiver of all such objections.

The county auditor shall cause such notice to be served by having the same published in at least one of the official newspapers of the county once each week for two consecutive weeks, the last of which publications shall be not less than five days prior to the day set for said hearing. Proof of such service shall be made by affidavit of the publisher and be filed with the county auditor.

Omission to serve any party with notice herein provided shall work no loss of jurisdiction on the part of the board over such proceeding, and such omission shall only affect the persons upon whom service has not been had, and if, before or after the board has entered its final order in apportionment proceedings, it be discovered that service of said notice has not been had on any necessary person as herein provided, the board shall fix a time for hearing as to such omitted parties and shall cause such service to be then made upon them, either by publication as in this section provided or by personal service in the time and manner required for service of original notices in the district court, and after such hearing shall proceed as to such person as though such service had been originally complete.

The appearance of any interested party, either in writing or personally, or by authorized agent, either before the board of supervisors or before the state highway commission at any stage of a pending proceeding for the hard surfacing of the highways of a district, shall

be deemed a full appearance. Only interested parties shall have the right to appear before the board of supervisors in proceedings provided for in this chapter, and all persons so appearing shall be required to state for whom they appear, and the clerk of the board shall make definite entry accordingly in the minutes of the board.

The state highway commission shall prescribe standard forms for apportionment reports and notice of hearings thereon.

Each member of the board of apportionment shall be paid in full for all services, at the rate of six dollars per day of actual service, and ten cents per mile for each mile necessarily traveled in the performance of his duties, and bills therefor, duly sworn to and itemized, shall be returned to the board of supervisors with the report of the apportioners. [38 G. A., ch. 237, § 14; 40 G. A., ch. 85, § 2; 40 G. A., ch. 86.]

4708. Refund. In all cases where assessments of twenty-five per cent for hard surfacing have heretofore been levied against adjoining property under the provisions of this chapter and amendments thereto, and such assessments have either been paid or certificates issued to cover deferred installments, all of the same over and above twelve and one-half per cent shall be refunded to such parties out of the motor vehicle portion of the primary fund allotment to the counties in which such levies were made or out of the funds arising from the sale of primary road bonds or other bonds voted by such counties. The board of supervisors may determine whether such refund shall be made in one sum or in annual installments not exceeding ten, and in no case shall interest be allowed on the amounts so refunded.

In case of sale of such adjoining lands prior to making such refund and such assessments have not been paid in full, the same shall be paid to the parties interested in proportion to the amount paid or assumed by them respectively or as may be agreed between such parties at the time such refund is made. [40 G. A., ch. 85, § 6.]

4709. Report in re omitted lands. Should the board of apportionment be satisfied from its investigation, that certain tracts of real estate have been omitted from said district, and that such omitted tracts ought to bear an equitable portion of the expense of such improvement, and are, as to any part thereof, within four hundred eighty rods of said improvement, and not embraced within any other primary road district, they shall proceed in the following manner, to wit:

First, they shall make and return their apportionment report to the board of supervisors, on the presumption that no real estate will be ultimately assessed, except the real estate which is embraced within the district as then constituted and established.

Second, they shall accompany their apportionment report with a definite list of the heretofore mentioned tracts of real estate, which

ought, in their judgment, to be within said district, but which have been omitted therefrom, and shall definitely state the amount which, in their judgment, each such omitted and described tract ought to equitably bear toward the cost of the improvement. The board of supervisors on the final hearing of said apportionment report, shall pass on said recommendation, and may wholly reject or wholly approve the same, or may reject in part and approve in part, or may approve wholly or in part, with modification. If the recommendation be approved and adopted in any part, the board shall enter an order changing the boundaries of the district accordingly, and notify the state highway commission of said change, and shall adjust the final apportionment in accordance therewith. [38 G. A., ch. 237, § 15.]

4710. Hearing on report—levy of assessments—payment. The final hearing on said apportionment report may be adjourned from time to time without loss of jurisdiction on the part of the board. On such final hearing the board shall hear and determine all objections filed, and may increase, diminish, annul, or affirm the apportionment made in said report, or any part thereof, as may appear to the board to be just and equitable.

On the final determination, the board shall levy such apportionment and all installments thereof upon the real estate within said district, as finally established, and said assessment and all installments thereof shall be then due and payable, and bear interest at six per cent per annum commencing twenty days from the date of said levy; provided that if any owner, other than the state or county, of any of said tracts of land shall, within twenty days from the date of said assessment agree, in writing filed in the office of the county auditor, that in consideration of his having the right to pay his assessment in installments, he will not make any objection of illegality or irregularity as to said assessment upon his said real estate, and will pay the same with six per cent interest thereon, then and in that case, said assessment shall be payable as follows: In ten equal installments, the first of which shall mature and be payable on the date of such agreement, and the other installments, with interest on the whole amount unpaid, annually thereafter, at the same time and in the same manner as the March semiannual payment of ordinary taxes.

Where no such agreement is executed, then the whole of such special assessment so levied shall mature at one time and be due and payable with interest, and shall be collected at the next succeeding March semiannual payment of ordinary taxes.

All such taxes shall become delinquent on the first day of March next after their maturity, shall bear the same interest, the same penalties, and be attended with the same rights and remedies for collection, as ordinary taxes.

An owner of land who has availed himself of said ten-year option may at any time discharge his assessment by paying the balance then due on all unpaid installments, with inter-

est on the entire amount for thirty days in advance.

Assessments against lands owned by the state or county shall be due and payable from the date of levy by the board of supervisors, or in the case of any appeal, from the date of final confirmation of the levy by the court.

In case of assessment on lands owned by the county, the same shall be paid from the county general fund. In case of assessments on lands owned by the state, the same shall be represented by a voucher, duly audited as heretofore provided, and the state auditor shall draw warrant therefor and make the same payable out of any funds in the state treasury not otherwise appropriated. [38 G. A., ch. 237, § 16; 39 G. A., ch. 50.]

4711. Reassessments to meet deficit. In case an assessment as originally made should later be found to be insufficient to pay one-eighth of the total cost of the improvement, an additional assessment may be made in the same relative ratio as the original assessment to meet the deficiency. In case an assessment appears to be invalid or, in the judgment of the board, seriously defective, the board of supervisors may proceed to the making of a new assessment as though no assessment had ever been made. [38 G. A., ch. 237, § 17; 40 G. A., ch. 85, § 3.]

4712. Limitations on assessments—deficits. Special benefit assessments shall be levied for an amount which, in the aggregate, shall equal twelve and one-half per cent of the total cost of hard surfacing, and sums expended for drainage, grading, bridging, and culverting shall not be computed as part of said cost, except that the cost of such draining and grading as is purely incidental to the construction of said hard surfacing may be included in the cost thereof.

No real estate, under any circumstances, though embraced within more than one road assessment district, shall be specially assessed for the original cost of hard surfacing in an amount exceeding, in the aggregate, two per cent of the fair market value thereof. Any deficiency in the said twelve and one-half per cent of the total cost, occurring by reason of said two per cent limitation, shall be paid from the county's allotment of the primary road fund. [38 G. A., ch. 237, § 18; 40 G. A., ch. 85, § 4.]

4713. Appeals—power of court—duty of clerk. Any owner of land may appeal to the district court from the order of the board of supervisors in levying the assessment against his real estate, by filing with the county auditor within fifteen days from the date of such levy, a bond conditioned to pay all costs in case the appeal is not sustained, and a written notice of appeal wherein he shall, with particularity, point out the specific objection which he desires to lodge against such levy. The appearance term shall be the trial term, and said appeal shall have precedence over all other business of the term except criminal matters.

The appeal shall be heard as in equity, and the court may raise or lower the assessment in question and make an equitable assessment in the judgment of the court. The clerk of the district court shall, upon the entry of the final order of the court, certify such final order to the county auditor, and the board of supervisors shall at once so adjust the assessments as to comply with such final order. [38 G. A., ch. 237, § 19.]

4714. Appeal—procedure. When an appeal is taken, the county auditor shall at once make a transcript of the notice of appeal and appeal bond, and transmit the same to the clerk of the district court. The appellant shall, on or before the first day of the first term of the court, after taking said appeal, docket said appeal and file a petition setting forth the order or decision of the board of supervisors appealed from and his specific objections thereto. A failure to comply with either of these requirements shall be deemed a conclusive waiver of the appeal, and in such case, the court shall dismiss the same. Appellee need not file answer, but may do so. [38 G. A., ch. 237, § 20.]

4715. Certifying assessments and levy—lien. When the board of supervisors has entered its final order as to the amounts of all special assessments on a given improvement, the county auditor shall at once certify a list of such assessments and a list of the real estate upon which each assessment has been levied, with the specific designation of the district embracing such real estate, to the county treasurer, who shall enter each assessment upon the tax books and continue such entry until such assessment is paid.

Each special assessment and all installments thereof shall be a lien upon the real estate upon which it is levied from the date of such certification by the county auditor, to the same extent and in the same manner as taxes levied for state and county purposes. Changes in the amount of any special assessment by reason of any ruling of the district court on appeals, shall be likewise certified and the county treasurer shall make the proper corrections on his books. [38 G. A., ch. 237, § 21.]

4716. Account for each district. Each assessment district shall be considered a unit and all funds received by the county treasurer for and on behalf of the hard surfacing of such unit shall be carried as a distinct and separate account and under the same specific name as that used by the board in establishing such unit. [38 G. A., ch. 237, § 22.]

4717. Road certificates—requirements—payment—termination of interest. In order to render immediately available that amount of the cost of an improvement which has been specially assessed, the board may issue road certificates in the name of the county in an aggregate amount not exceeding the then unpaid amount of the special assessment levied

in said district. Each issue of certificates shall be under, and in accordance with, a duly adopted resolution of the board which shall be entered at large in the minutes of the proceedings of the board, and which shall recite: (1), the name or designation of the road district on account of which the certificates are issued; (2), that a stated amount (naming the amount) has been specially assessed against the lands within said district; (3), that a stated amount of said aggregate special assessment has not yet been paid (naming said unpaid amount); (4), that it is necessary to render said unpaid amount immediately available; (5), the number of road certificates authorized and the specific amount of each certificate; (6), the specific numbering or designation of each certificate; (7), the rate of interest which each certificate shall bear from date, to wit, not to exceed six per cent per annum; (8), the fact that said certificates are payable solely from the proceeds of the special assessments which have been levied on the lands within said district; (9), that each certificate shall be payable on or before the first day of January of the first year following the maturity of the last installment of said special assessments, and that interest thereon shall be paid annually; (10), the authorization to the chairman of the board, and to the county auditor respectively, to sign and countersign each of said certificates.

Upon the signing of each of said certificates by the chairman of the board, said certificates shall be delivered to the county auditor, who shall countersign the same, charge the county treasurer with the amount thereof, and deliver the same to such latter officer, who shall be responsible therefor on his bond. The treasurer may apply said certificates in payment of any warrants duly authorized and issued for hard surfacing the roads within said district, or he may sell the same for the best attainable price and for not less than par, plus accrued interest, and apply the proceeds in payment of such authorized warrants. Said certificates shall be retired in the order of the consecutive numbering thereof.

The county treasurer shall, on or in connection with the road account for said district, clearly enter the name and postoffice address of all persons to whom any of said certificates are issued, with a particular designation of the certificates delivered to each person. Any subsequent holder may present his certificates to the county treasurer and cause his name and postoffice address to be entered in lieu of that of such former holder. Whenever the fund for such particular district has money sufficient to pay the first retirable certificate or certificates, the county treasurer shall, by mail, as shown by his records, promptly notify the holder of such certificate of such fact, and from and after the mailing of such letter all interest on such certificate shall cease. [38 G. A., ch. 237, § 23.]

4718. Anticipating allotments to meet excess warrants. In the event that the warrants drawn on any county's account shall be in ex-

cess thereof, the said county shall issue certificates as provided in the next section, in an amount equal to the amount which it is proposed to anticipate said account, and in no case exceeding said county's allotment for the current and next succeeding year. Such certificates shall be deposited with the state treasurer. When the allotment of which such certificates are anticipatory becomes available to said county, the state highway commission shall charge said county's account with the amount of the interest on said certificates and shall apportion said amount among the counties in the same way as other primary road funds. At the same time the commission shall notify the state treasurer of the amount of funds becoming available to said county. The treasurer shall thereupon forward an equal amount of said certificates to the county treasurer who shall cancel the same. The good faith of the state is hereby pledged as a guarantee to all counties as against any loss by reason of such anticipations. [39 G. A., ch. 188, § 3.]

4719. Anticipation of annual allotments—procedure. The board of supervisors of any county which is proceeding with the drainage, grading, and hard surfacing of its roads without the aid of a bond issue, may, by the issuance of road certificates, anticipate the annual allotment of the primary road fund for said county, for the current and succeeding year.

Such certificates shall be authorized by a duly adopted resolution which shall specify, (1) the allotment or allotments which are to be anticipated, (2) the amount of certificates authorized, which amount for any such anticipated year shall not exceed a sum equal to ninety per cent of the county's allotment for the year preceding that in which the authorization is made, (3) the denominations of each certificate, (4) the rate of interest which each certificate shall bear, which shall not exceed six per cent per annum, payable annually, and (5) the authorization of the chairman of the board of supervisors and of the county auditor, respectively, to sign and countersign such certificates.

Each certificate shall recite the allotment of which it is anticipatory, and shall be payable on or before the last day of the year for which such allotment has been anticipated, and shall recite that it is payable solely from the future proceeds of the county's allotment of the primary road fund.

The record of such certificate by the county auditor, the receipt, record, handling, and disbursement of the same by the county treasurer, and the latter's responsibility therefor, shall be the same as provided herein for road certificates issued for special assessments on benefited property.

Such anticipated allotments shall stand pledged for the payment of such certificates and shall be used for no other purpose. As soon as said anticipated allotment is available to the county, the state highway commission shall notify the county treasurer of such fact, and the county treasurer shall at once forward

to the said commission the canceled vouchers which were paid from the proceeds of the certificates issued in anticipation of such allotment, and thereupon the said commission shall forward to the state auditor, in favor of the county treasurer, a voucher for the amount of said canceled claims with interest thereon sufficient to balance the interest on an equal amount of certificates to the first day of the next succeeding month. The auditor of state shall issue his warrant for said amount and the treasurer of state shall pay the same out of the primary road fund. The county treasurer immediately upon receipt of said funds, shall notify the holders of said certificates that said certificates will be met on presentation, and from and after the mailing of said notice, interest on said certificates shall cease. Said funds so received shall be used solely for the purpose of retiring said certificates. If, for any reason, the amount realized from an anticipated allotment be insufficient to meet the legally issued certificates, the deficiency shall be met from the county's first accruing allotment thereafter. [38 G. A., ch. 237, § 24.]

4720. Election in re bonds—notice—form of proposition—canvass—procedure to test legality. If any county desires to hasten the drainage and grading or the hard surfacing of the primary roads of its county at a more rapid rate than would be accomplished by merely employing each year its allotted portion of the primary road fund for said year, it may proceed as follows: The board may submit, or, upon petition of a number of the qualified voters of the county equal to twenty per cent of the total vote cast in said county at the last preceding general election, presented to the board in writing so to do, must submit to the voters of the county at a general election, or at a special election called by the board for such purpose, the question of issuing bonds for the purpose of raising funds to meet the cost of such work, and to provide for the retirement of such bonds and interest thereon.

Notice of such election shall be given by publication once each week for two successive weeks in all the official newspapers of the county, stating the time when such election will be held, and substantially the proposition that will be submitted; the last publication to be at least five days prior to the day such election is to be held.

Special elections shall be conducted in the same manner as general elections are conducted. Said question shall be set forth on the ballots substantially as follows: "Shall the board of supervisors be authorized to issue bonds from year to year, in the aggregate amount not exceeding dollars, for the purpose of providing the funds for hard surfacing the primary roads of the county, and to levy a tax on all the property in the county from year to year not exceeding mills in any one year, for the payment of the principal and interest of said bonds, provided, however, that the annual allotments to the county of the primary road fund shall be used to retire said bonds as they mature, and only such portion

of said tax shall be levied from year to year as may be necessary (1) to pay the interest annually, and (2) to meet any deficiency, if any, between the amount of the principal of the bonds and the said allotments from the primary road fund, together with assessments on benefited property provided by law." Immediately to the right of said proposition shall appear two squares of appropriate size, one above the other. Immediately after the first square shall appear the word "yes". Immediately after the other square shall appear the word "no". The voter shall indicate his vote by a cross in the appropriate square.

The returns of said elections shall be canvassed by the board, and its findings shall be entered at large in the minutes of its proceedings. No proceedings to test or review the legality or correctness of said election shall be maintainable unless instituted within thirty days after the findings of the board have been entered upon the record. The fact of each authorization of bonds by a county shall be at once certified by the county auditor to the state highway commission, with such data relative thereto as the commission may demand. [38 G. A., ch. 237, § 25.]

4721. Bonds—form—denomination—interest—payment. If a majority of the votes be in favor of such issue of bonds and tax levy, the board shall from time to time, as necessary to meet the construction cost and expenses incidental thereto, not provided for by funds immediately available from the primary road fund, or from proceeds of special benefit assessments heretofore provided for, issue serial bonds in denominations of five hundred dollars or one thousand dollars each, and at a rate of interest, payable annually, not exceeding five per cent per annum. Bonds and annual interest thereon shall mature on the first day of May. Each bond shall provide that the same shall be payable at the option of the county, on any interest payment date on or after five years from the date of the bond. No bonds shall be sold for less than par value, plus accrued interest. No bonds shall be issued with maturity date postponed more than fifteen years. [38 G. A., ch. 237, § 26.]

4722. Bond levy. If a majority of the voters be in favor of such bond issue and tax levy, the board of supervisors shall, each year thereafter during the life of the bonds, levy on all the property of the county such part of such authorized tax as will clearly meet (1) the matured or maturing interest for the ensuing year on all such outstanding bonds, and (2) any amount of maturing principal of bonds, provided, however, that only so much of said tax shall be levied in any year for principal of said bonds, if any, as can not be met (a) by the county's allotment of the primary road fund available for such ensuing year, and (b) by the proceeds of special assessments on benefited property. [38 G. A., ch. 237, § 27.]

4723. Bonds—issuance—sale—retirement—terminating interest—exemption from taxa-

tion. All bonds issued under the provisions of this chapter shall be issued in serial form. Each issue shall be authorized by a duly adopted resolution of the board, which resolution shall be entered at large in the minutes of the board. Such resolution shall clearly specify the number of bonds authorized, the amount of each bond, the number or designation of each bond, the rate of interest which each bond shall bear from date, which interest shall not exceed five per cent per annum, payable annually, the date of maturity of each bond, and the authorization to the chairman of the board to sign, and to the county auditor to countersign, the same. When signed and countersigned, the county auditor shall charge the county treasurer with the amount of same and deliver the same to the county treasurer, who shall be responsible therefor on his bond.

The county treasurer shall, when so directed by the board, apply any part or all of said bonds in payment of any warrants duly authorized and issued for the particular purpose for which such bonds are issued, provided the same are applied, for at least par of such bonds plus all accrued interest, or the county treasurer shall, when so directed by the board, advertise and sell any part or all of said bonds for the best attainable price, and for not less than par, plus all accrued interest, and apply the proceeds wholly for a like purpose. Said advertisement shall be inserted once a week for at least two weeks in one official county paper in the county, and for a like period in at least one newspaper of general circulation throughout the state, and may include one or more periodicals devoted to the interest of investors.

Bonds of each series shall be retired in the order of the issuance of each series. The county treasurer shall, in disposing of said bonds, keep an accurate record of the name and postoffice address of all persons to whom any of said bonds are issued, with a particular designation and description of the bonds delivered to each person. Any subsequent holder of any of such bonds may present the same to the county treasurer and cause his name and postoffice address to be entered in lieu of such former holder. Whenever the fund from which such bonds are payable is sufficient to pay the legally retirable series of any issue of bonds, the county treasurer shall, by mail, as shown by his records, promptly notify the record holder thereof of such fact, and from and after the expiration of twenty days from the mailing of such notice, all interest on such bonds shall cease. If bonds are presented and paid prior to the expiration of such time, interest shall be computed only to the time of such presentation and payment. Bonds, and road certificates (whether issued in anticipation of special assessments or in anticipation of annual allotments of the primary road fund), shall not be taxed. [38 G. A., ch. 237, § 28.]

4724. Nature of bonds — refunding. The bonds authorized by the preceding section are general obligations of the county. Should the funds on hand not be sufficient to retire said

bonds on the date of maturity thereof, the board of supervisors shall refund the same through the issuance of county funding bonds, as provided in sections 5275 to 5277, inclusive, 5287, and 5288. [39 G. A., ch. 215, § 1.]

4725. Authorization and issuance of bonds. The county auditor shall certify to the state highway commission a correct copy of each resolution which authorizes the issuance of bonds or road certificates which are anticipatory either of special assessments or annual allotments, and from time to time a like certificate as to the actual issuance of bonds or road certificates, under such resolution, together with such data relative thereto as the commission may demand. [38 G. A., ch. 237, § 29.]

4726. Retirement of immature bonds. Whenever available funds created under this chapter are not needed for pending or contemplated improvements, the board of supervisors may, with the consent of any holder of immatured bonds, retire the same by purchase at a price not exceeding par and accrued interest. [38 G. A., ch. 237, § 30.]

4727. Validation of tentative contracts—election. If any county desires to proceed with the hard surfacing of the primary roads of said county at a more rapid rate than would be accomplished by merely employing its allotted portion of the primary road fund as it becomes available from year to year, it may in lieu of the procedure provided in section 4720 proceed as follows: The board of supervisors may enter into one or more tentative contracts for the hard surfacing of any designated number of divisions of one or more of such roads of its county. Such tentative contract or contracts shall be entered into in the same manner and under the same formality and procedure heretofore prescribed for the execution of contracts. Such tentative contracts shall not be effective as contracts until validated by the voters of the county as herein provided, and shall so recite.

Upon the execution of such tentative contract or contracts, the board of supervisors may submit to the voters of the county, at a general election or at a special election called by the board for such purpose, the question of validating said contract or contracts and of issuing bonds and of levying a tax to meet the cost of such work. Special elections shall be conducted in the same manner as general elections are conducted.

Notice of such election shall be given by publication once each week for two successive weeks in all the official newspapers of the county, stating the time when such election will be held, and substantially the proposition that will be submitted; the last publication to be at least five days prior to the day such election is to be held.

If any such contract is to be submitted for validation, the said questions shall be set forth on the ballots substantially as follows: "Shall the following contract be validated, to wit: the contract entered into by the board of super-

visors on the day of and approved by the state highway commission on the day of between county and (specifying the name of the contractor) for the hard surfacing of road with material, and shall the board of supervisors be authorized to issue bonds of this county in an amount not exceeding dollars for the purpose of providing the funds with which to pay for such hard surfacing, and shall the board of supervisors be authorized to levy a tax from year to year on all the property in the county in an amount not exceeding mills in any one year for the payment of the principal and interest of said bonds, provided, however, that the annual allotments to the county of the primary road fund shall be used to retire the bonds as they mature, and only such portion of said tax shall be levied, if any, as is necessary to pay the interest annually and to meet any deficiency between the maturing principal of such bonds and the allotments aforesaid?"

Immediately to the right of said proposition shall appear two squares, one above the other. Immediately after the first square shall appear the word "yes". Immediately after the other square shall appear the word "no". The voter shall indicate his vote by a cross in the appropriate square. If more than one contract is to be submitted at said election, for validation and for authorization to issue bonds and to make tax levy, the proposition pertaining to each contract shall be separately stated on the same ballot and each proposition shall be complete in itself, but the voting thereon shall be collectively and not separately. [38 G. A., ch. 237, § 31.]

4728. Procedure to test legality. The returns of such election shall be canvassed by the board of supervisors, and its findings shall be entered at large in the minutes of the proceedings. If more than one contract has been submitted, and if a majority of the votes be against the validation of such tentative contracts then all the said contracts submitted at said election shall be of no further force and effect. If the majority of the votes be in favor of such tentative contract or contracts, then the same shall be deemed a contract in fact. Actions to test the legality of such election or of any proceedings relating thereto, shall be instituted within thirty days after the findings of the board as to such election have been entered of record, and not afterwards. [38 G. A., ch. 237, § 32.]

4729. Bonds in re validated contracts. If said contract or contracts be validated, the board of supervisors shall from time to time, and as necessary to meet the construction cost and expense incidental thereto, issue serial bonds in such denominations and amounts as will, in its judgment, afford the most advantageous sale, and at a rate of interest, payable annually, not exceeding five per cent per annum, provided that said bonds shall only be issued

for such part of such costs and expenses which can not be met by the funds immediately available from the primary road fund and from the proceeds of special assessments herein provided for. No bonds shall be sold for less than par value plus all accrued interest thereon. No bonds shall be issued with maturity date postponed more than fifteen years. [38 G. A., ch. 237, § 33.]

4730. Bond levy in re validated contracts. If said contract or contracts be validated, the board of supervisors shall each year thereafter, and during the life of the bonds, levy such tax within the limits authorized at said election, on all the property in the county as will fully meet, first, all matured or maturing interest for the ensuing year on all outstanding bonds, and second, any amount of matured or maturing principal of bonds for the ensuing year, if any, which can not be paid from the county's estimated allotment of the primary road fund for such year and from proceeds of special assessments, and any balance remaining in said fund as proceeds of said levy when all bonds and interest thereon shall have been paid, shall be transferred to the county road cash fund of such county. [38 G. A., ch. 237, § 34.]

4731. Condemnation and improvement within cities and towns. The board of supervisors is hereby given plenary jurisdiction subject to the approval of the council to purchase or condemn right of way therefor and grade, drain, gravel, or hard surface any road or street which is a continuation of the primary road system of the county and which is:

1. Within any town, or
2. Within any city, including cities acting under special charter, having a population of less than twenty-five hundred, or
3. Within that part of any city, including cities acting under special charter, where the houses or business houses average not less than two hundred feet apart.

The primary road fund shall not be charged with the cost of hard surfacing within the cities and towns specified above in excess of the cost of hard surfacing which is eighteen feet in width.

After the completion of such improvement the same shall be maintained by the city or town and such city or town shall rest under the same obligation of care as to such improvements as is now provided by law for roads and streets generally.

Any such city or town through its council and each county of the state through its board of supervisors are hereby authorized to enter into written agreements subject to the approval of the state highway commission to determine the location of such improvements within such cities or towns. In case of disagreement the matter shall be referred to the state highway commission, whose decision shall be final. The board of supervisors shall not drain, grade, gravel, or hard surface any highway within the limits of cities other than those specified herein. [38 G. A., ch. 237, § 35; 40 Ex. G. A., ch. 8, § 19.]

4732. Right of way. In the improvement of extensions of the primary road system within cities or towns hereunder, the board of supervisors shall have power to purchase or condemn the necessary right of way therefor, and such condemnation proceedings shall be under the same laws as now apply to the condemnation of right of way for roads outside of cities and towns on primary roads. [40 G. A., ch. 87, § 2.]

4733. Initiating improvement in city or town. Any town, through its council, may, by resolution, make application to the board of supervisors of its county for the grading, draining, graveling, or hard surfacing of any road or street in said town or along its limits, which is a continuation of the primary road system of the county, by filing the resolution making application therefor with the county auditor. The board of supervisors shall examine said application and shall within thirty days after the filing thereof with the county auditor take action thereon. The board may approve said application in whole or in part or may wholly reject the same, whereupon the resolution, together with a record of the board's action thereon, shall be forwarded to the state highway commission for final review. The state highway commission shall examine said resolution and the action of the board thereon, and shall within thirty days make final determination thereof. It may approve the application in whole or in part or may wholly reject the same. The town council and the board of supervisors shall be immediately notified of the action taken. The provisions of section 4694 relative to voting on the question of hard surfacing the primary roads shall not apply to improvements made hereunder. Provided that in counties which have not authorized the hard surfacing of the primary roads, and in which the said primary roads have not all been built to finished grade and drained, the state highway commission shall give preference to such grading and draining projects, and not to exceed twenty per cent of the annual allotment of the primary road funds may be spent on projects within towns hereunder. [40 G. A., ch. 88, § 1.]

4734. Improvements of county line road—procedure. Boards of supervisors of adjoining counties may jointly agree on a district for the hard surfacing of roads in the following cases:

1. When a primary road substantially parallels a county boundary line and is not more than one mile from such boundary line.
2. When a primary road approaches a county boundary line at such an angle that the hard surfacing hereunder of such road will reasonably necessitate a district with a substantial part thereof in different counties.
3. When a primary road constitutes a common boundary line between different counties.

In case of common boundary line roads, said boards may also jointly agree as to which county, through its board of supervisors, shall

construct said improvement. Such agreements shall be subject to the approval of the state highway commission. If such agreements are entered into and so approved, the county in which the paralleling or angling road is situated shall construct the said improvement as herein provided. If such agreements are entered into relative to a common boundary line road, said improvement shall be constructed by the county agreed on. Should said boards be unable to agree on the district for the improvement of a paralleling or angling road, or should the boards be unable to agree on the district for the improvement of a common boundary line road and also as to which board shall construct the improvement, either board may apply to the state highway commission for a decision in the matter. The said commission shall, by proper order, fix the limits of the district. It shall also determine which county shall construct the hard surfacing on the common boundary line road. Said order shall be final. Such order shall be certified to each board, and the board of the county to which construction has been assigned shall enter such order at large in the minutes of its proceedings, and proceed with the construction of such hard surfacing in the same manner as though the district and the real estate therein were wholly within their county, except that the board of apportionment shall file its report with the board of supervisors of all counties in which any of such real estate is located.

The county auditor of the county constructing the hard surfacing shall fix a time for a hearing on said report, and shall cause notice thereof to be given as in cases where the district and the real estate therein are wholly within one county, except that said notice shall be published in one of the official newspapers of each of the counties in which any of the real estate is situated.

All subsequent proceedings including objections, final confirmation, and appeals shall proceed in the same manner as though the real estate therein were wholly within the constructing county, except that the county auditor of the county constructing the improvement shall, after the final apportionment has been determined and levied, certify a list of the real estate lying in the nonconstructing county or counties and the amount levied thereon, to the county auditor and treasurer of such nonconstructing county. Such assessment and levy, when so certified, shall have the same force and effect as though the same had been duly and legally made by the board of supervisors of such nonconstructing county, and the board of supervisors, auditor, and treasurer of such nonconstructing county shall henceforth proceed with the collection of said levy on such real estate in their county as though such levy had arisen out of an improvement proceeding wholly within their county, and when the amount of such levy has been collected, either by cash payments by the property owner, or by the sale of certificates, said county treasurer shall hold the same as a reim-

bursement to said county on its allotments from the primary road fund.

As soon as the final apportionment and levy have been made, the board of supervisors of the constructing county shall, through its county auditor, certify to the state highway commission the total amount of the levies on the real estate in the nonconstructing county, and the state highway commission shall credit the constructing county and charge the non-constructing county with the amount of such certificate.

If the improvement is for hard surfacing a county boundary line road, that portion of the total cost thereof not specially assessable, to wit, eighty-seven and one-half per cent, shall be taken equally from each county's apportionment of the primary road fund. If the improvement is for hard surfacing a paralleling or angling road, said eighty-seven and one-half per cent of the total cost shall be taken wholly from the apportionment of the county wherein the paralleling or angling road is located. Any differences, not herein specifically provided for, arising between different counties, relative to the improvement of common boundary line roads, shall be referred to the state highway commission, and its decision shall be final. [38 G. A., ch. 237, § 36; 40 G. A., ch. 85, § 5.]

4735. Improvements of city boundary line road—procedure. Whenever any public highway that is a part of the primary road system is located along the corporate line of any city of the first class, cities under special charter, cities under the city manager plan, and cities of the second class, it may be improved by hard surfacing by the board of supervisors as part of the primary system under this chapter. In such case, one-half the cost of such hard surfacing along said corporate line shall be paid by such city, and the board of supervisors of the county and the city council of such city are hereby authorized to agree in writing for the payment by the city of one-half the cost of such improvement, and in case they can not agree upon the amount to be paid by the city, and date when payment is to be made, the matter shall be referred to the state highway commission, whose decision shall be final. Said city may pay said amount from its general fund, or it may proceed under the provisions of chapter 308 relating to the establishment of districts for the improvement or repair, by paving or graveling, of such streets within the corporation as in the judgment of the council constitute main traveled highways into and out of cities, for the assessment and collection of such cost, or it may pay in the first instance from such general fund and reimburse said fund thereafter from proceeds realized from such assessment proceeding. The city in such case, for prompt realization of funds, shall have the right to issue road certificates in anticipation of taxes and assessments to be realized from such assessment proceeding. [38 G. A., ch. 237, § 37; 39 G. A., ch. 145, § 1.]

4736. Maintenance of primary roads—procedure in case of default. Primary roads outside of towns shall be maintained by the board of supervisors under the patrol system provided by chapter 243, and when so maintained under the said patrol system to the satisfaction of the state highway commission, the county's allotment of the primary road fund may be drawn on for such maintenance.

Primary roads, after the hard surfacing of the same, shall be maintained under said patrol system wholly out of the county's allotment of the primary road fund. If any county fails to maintain any of its hard surfaced roads to the satisfaction of the state highway commission, said commission shall have power to assume charge of such maintenance and pay therefor out of said county's allotment of the primary road fund. The amount of maintenance vouchers, when the work has been done by the said commission, shall be charged to the county's allotment account, and warrants for the amount of such vouchers shall be issued by the auditor of state on presentation of such vouchers, and paid by the treasurer of state as in other cases.

In case any town fails to maintain, to the satisfaction of the state highway commission, any hard surfacing constructed hereunder in said town, the said commission shall have power to assume charge of such maintenance and pay for the same from the primary fund belonging to said county, and, in such case, the cost thereof shall be certified by said commission to the county treasurer, who shall reimburse the primary fund of the county by deducting the amount from the next succeeding apportionment of tax funds belonging to the general fund of said town. [38 G. A., ch. 237, § 38; 39 G. A., ch. 56, § 2.]

4737. Maintenance of system—payment of obligations—secondary roads. After the primary road system, as now constituted, or as it may hereafter be constituted in any county, by authorized modification, is fully improved by grading, draining, and graveling or other surfacing approved by the highway commission, the state highway commission shall each year appropriate from said county's allotment of the primary road fund a sufficient amount:

1. To pay the cost of maintaining the primary road system of said county during said year.

2. To pay the interest and maturing principal of certificates, if any, issued by said county in anticipation of said county's allotments of the primary road fund.

3. To pay the interest and maturing principal of primary road bonds, if any, issued in anticipation of said county's allotment of the primary road fund.

All funds remaining in said county's allotment of the primary road fund, after the above amounts have been set aside, are hereby made available for the grading, draining, or graveling of secondary roads in said county which connect with or form laterals or feeders to the primary roads of said county.

The procedure by the county board in the initiation of secondary road projects as herein specified, the approval of said projects by the state highway commission, the letting and approval of contracts for the construction work, and the payment of claims therefor, shall be the same as provided in this chapter for projects on the primary road system. The surveys and plans for such secondary road projects shall be made by the county engineer, and shall be approved by the state highway commission before the contracts are let. The county engineer shall supervise the construction work. The state highway commission may make general inspection of such construction work, and may refuse to approve claims for any such work which is found to not conform to the plans and specifications.

Nothing herein contained shall be so construed as to preclude the county board from using any or all of such excess primary road funds in any year on the primary road system.

In the resolution providing for the submission to the voters of the question of a bond issue for development of the primary system as provided in section 4720, the board may also outline or indicate any lateral roads, part of the secondary system, which it ultimately contemplates improving after the primary system has been finished, but such action shall not be deemed a material matter in any way affecting the validity of such bond issue for such primary roads, nor shall such action interfere in any way with the earlier improvement of such lateral roads under statutes relating to the improvement of roads in the secondary system. [38 G. A., ch. 237, § 39; 40 G. A., ch. 89, §§ 1-4.]

4738. Machinery and material for counties—equipment authorized. The state highway commission, with the consent of the board of supervisors of any county, is authorized to purchase for and on behalf of any such county, road material or road machinery, after receiving competitive bids, and to pay for the same out of such county's allotment of the primary fund, and is directed to purchase, rent, or lease any machinery or other articles necessary for the use and most economical operation of field engineering work, the testing of materials, the preparation of plans, and for allied purposes, in order to enable the commission to carry out the provisions of this chapter, and to pay for the same out of the state highway commission maintenance fund. [38 G. A., ch. 237, § 40; 40 Ex. G. A., ch. 4, § 106.]

4739. Federal donations. Should the government of the United States provide for free distribution among the states of machinery or other equipment, suitable for use in road improvement, the state highway commission is empowered to receive and receipt for such machinery and equipment, and to take such action as will secure to the state the benefit of any such tenders by the federal authorities. Said commission is further authorized, in the event of such distribution to the states by the federal authorities, to make such apportionment of said machinery or other equipment among the coun-

ties of the state as in its judgment will best facilitate work in progress or contemplated by any county or counties, but the title and right of possession of such property so received from the federal government shall at all times rest in the state highway commission for the use and benefit of the state. [38 G. A., ch. 237, § 40; 40 Ex. G. A., ch. 4, § 107.]

4740. Penalty for violations. Any member of the board of supervisors, or other county officer, who authorizes or issues, or permits to be issued, any certificate or bond in violation of the requirements herein specified, or who diverts any authorized certificate or bond, or the proceeds derived therefrom, or any part thereof, to any other purpose than the purpose herein specified, shall be deemed guilty of embezzlement and punished accordingly. [38 G. A., ch. 237, § 41.]

4741. Federal aid engineering fund. The federal aid engineering fund, created by chapter 249, laws of the thirty-seventh general assembly shall be continued, and the treasurer of state is hereby directed annually to transfer to such fund from the funds derived from year to year under the act regulatory of motor vehicles, an amount equal to the estimated cost of plans and specifications for the current year, as certified by the state highway commission. Said fund shall be used for engineering work in connection with federal aid road projects and paid out only on properly itemized vouchers approved by the state highway commission and audited by the state board of audit. [38 G. A., ch. 237, § 42.]

NOTE: For other provisions as to disposition of motor vehicle fees, see §§ 4690, 4999.

4742. Limitation on indebtedness. The amount of bonds issued under this chapter by any county shall not, when added to all other indebtedness of the county, exceed in the aggregate three per cent on the actual value of the taxable property within such county to be ascertained by the last state and county tax list previous to the incurring of such indebtedness, any other statute to the contrary notwithstanding. [38 G. A., ch. 237, § 43.]

4743. Donations. The board of supervisors is empowered to accept on behalf of the county donations of property in aid of highway construction, and from and after such acceptance the title to such property shall vest in the county for the sole purpose for which donated, and the obligation on the part of the officials charged with the possession and disbursement thereof to properly account therefor shall be the same as attends any other property of the county. [38 G. A., ch. 237, § 44.]

4744. State highway maintenance fund. There is hereby created a fund for the maintenance of the state highway commission consisting of two and one-half per cent of all moneys paid into the state treasury under the act regulatory of licenses on motor vehicles. Said fund shall be used for no other purpose

than as a maintenance fund for said state highway commission, and shall be drawn out only on warrants drawn by the auditor of state on itemized vouchers approved by the state highway commission. The expenditures of said commission shall be audited by the executive council, and a full and complete report of all said expenditures shall be published in the annual report under the act creating the state highway commission. At the end of each biennial period, the unexpended funds remaining in the highway maintenance fund for said biennial period shall be placed to the credit of the primary road fund. [38 G. A., ch. 237, § 45.]

4745. Secondary road system defined. The secondary road system shall embrace the following classes of roads: (1) County roads which now exist of record, or which may hereafter exist of record by additions from the township roads, exclusive of all roads of the primary road system, and (2) township roads, which shall embrace all other roads not included within cities and towns. The county road cash fund, under the jurisdiction of the board of supervisors, and the township road funds, under the jurisdiction of the township trustees, are hereby wholly dedicated and pledged after July 1, 1920, to the county and township roads respectively as provided by law. [38 G. A., ch. 237, § 46.]

4746. Assessment districts—survey and report—notice—hearing. In order to provide for the graveling, oiling, or other suitable surfacing of roads of the secondary system, the board of supervisors shall have power, on petition therefor, to establish road assessment districts, but such districts need not necessarily follow the zone limits provided herein for the improvement of primary roads. Said petition shall intelligently describe the lands within said proposed district, and the road or roads therein which the petitioners desire improved, and the general nature of the improvement proposed on each of said roads. Improvements may be proposed in the alternative. Said petitions shall be signed by twenty per cent of the owners of the lands within the proposed district who are residents of the county.

Said petition shall be filed with the county auditor, whereupon the board of supervisors shall cause the county engineer to personally examine all the roads within such proposed district and to determine the relation of such roads to the lands within such proposed district, and the relation of such roads to any of the roads of the primary road system, and the necessity, if any, for further grading or draining of such roads.

The engineer shall embody his finding in a report to said board. He may recommend the establishment of the district as requested, or with such modifications as, in his judgment, are advisable, including a recommendation as to an increase or decrease of the size of the district as proposed by the petitioners. The en-

gineer's report shall include a plat showing, in accordance with his recommendations, the highways to be improved and benefited.

Upon the filing of said report by the engineer, the board of supervisors shall fix a time for hearing thereon, and shall cause the county auditor to serve notice by publication, as hereinafter provided, of the pendency of said petition on all owners of said land lying within said proposed district, as recommended by the engineer.

Said notice shall contain the time and place of hearing on said petition, an intelligent description of all of the lands lying within said district, and the ownership thereof, as shown by the transfer books in the auditor's office, and shall be published for two consecutive weeks in some newspaper published in the English language within the proposed district, if there be such newspaper, and if there be no such newspaper within such district, then the said notice shall be so published in some such newspaper in the county as near as practicable to said district. Proof of such publication shall be made by the publisher by affidavit duly filed with the county auditor.

Hearings on said petition may be adjourned from time to time without loss of jurisdiction on the part of the board. On the final hearing, the board shall proceed to a determination of said matter. It may reject the proposal or it may approve the same and establish the district as petitioned for. It may modify the petition either by excluding lands therefrom or by adding lands thereto, or otherwise modify the same, or the board may withhold final order in such matter until such roads, or any designated part thereof, are drained or graded to their satisfaction. No lack of definiteness, either in the petition or in the engineer's report, shall be deemed a jurisdictional defect, and the final order of the board of supervisors establishing the district shall be final. In establishing a district, the board of supervisors shall determine and enter of record the general nature of the improvement to be constructed on the different roads within the district, or may determine such improvements in the alternative and may determine on one class of improvement for some roads and a different class for other roads. [38 G. A., ch. 237, § 47.]

4747. Highway commission furnished copy of plat. Upon the establishment of a district on said secondary road system, the board of supervisors shall file with the state highway commission a copy of the order establishing the district and a copy of the engineer's plat. [38 G. A., ch. 237, § 48.]

4748. Plans—bids. Upon the establishment of a district in such secondary road system, the county engineer shall prepare the plans for the improvements contemplated by the order of the board establishing the district, which plans shall be accompanied by the standard specifications of the state highway commission for the class of improvements contemplated. Upon the filing of said plans and

specifications, and upon receiving the agreement of the township or townships to pay their portion of the improvement of township roads, if any, the board shall, in accordance with their order relative to the class or classes of improvements, proceed to advertise for bids, and shall proceed as provided in section 4700 provided that contracts involving less than five thousand dollars need not be approved by the state highway commission. [38 G. A., ch. 237, § 49.]

4749. Inspection of work. It shall be the specific duty of the board of supervisors to see that all contracts on said secondary roads are faithfully executed. The county engineer shall maintain competent inspection of the work during the progress thereof, and in the certification of bills and the issuance of warrants the engineer and the county auditor shall rest under the same responsibility as now attends such acts relative to road work, and tile, tiling, culvert, and bridge construction. [38 G. A., ch. 237, § 50.]

4750. Payment for county road improvements. The total cost of improving a county road in said secondary system within said district, by oiling, graveling, or other suitable surfacing, shall be apportioned and paid in the proportion of seventy-five per cent from the county road fund and twenty-five per cent from assessments on benefited lands, or may, by agreement between the board of supervisors and all of the trustees of the township in which the road is located when the petition requests such method of payment, be paid as provided in the next succeeding section. [38 G. A., ch. 237, § 51; 40 Ex. G. A., ch. 25, § 50-a2.]

4751. Payment for township secondary roads—maintenance. The total cost of so improving a township road within said district shall be apportioned and paid in the proportion of twenty-five per cent from the county road fund, fifty per cent from the township road funds of the township or townships embracing said township road (according to their relative mileage), and twenty-five per cent from the special assessments on benefited lands.

A county road, after it is so improved, shall be maintained by the board of supervisors from the county road fund. A township road, after it is so improved, shall be maintained by the township trustees from township funds, unless the improvement is of so substantial and permanent a nature as that the board of supervisors shall by resolution add such road to the county road system, to be maintained as such. [38 G. A., ch. 237, § 51; 40 Ex. G. A., ch. 25, § 50-a3.]

4752. Advancing costs and reimbursement of funds. The total cost of such improvements on said secondary roads shall in the first instance be paid from the county road fund, or jointly from such fund and from the proceeds of all special assessments and road certificates issued against special assessments on lands

within the district, or by direct application of such certificates to such cost.

In case of the improvement of a county road, the said county road fund shall be reimbursed for amounts advanced in excess of its legal contribution, from the proceeds of all assessments on benefited property, and from the proceeds of all road certificates which represent such special assessments.

In case of the improvement of a township road, said fund shall be reimbursed to the extent of twenty-five per cent of the total cost of the improvements from said special assessments and road certificates, and fifty per cent from the township road fund, or the township drag fund, or from the township drainage fund, or from any or all of said funds. The trustees are authorized to transfer to the county from any or all of such township funds the amount sufficient to effect such reimbursement.

Should the trustees neglect to make such transfers, the county treasurer, on order from the board, shall withhold from such township sufficient of its tax funds as will effect such reimbursement, and transfer such amount to the county road fund, or the board of supervisors may levy such direct tax against the property within said delinquent township as will effect such reimbursement.

If the district as finally established, embraces and contemplates the improvement of a township road, the board of supervisors shall proceed no farther as to such township road until the township which embraces such road shall agree in writing, signed by a majority of its trustees, to pay its portion, as herein required, of the total cost of said improvement. Said written agreement shall be deemed the financial obligation of the township and not of the trustees individually. If such township road is on a township line, such agreement shall be executed by both townships, and one-half of that portion of the cost payable from township funds shall be borne by each township. [38 G. A., ch. 237, § 52.]

4753. Special assessments. Special assessments shall be levied upon the lands within districts embracing secondary roads, in the aggregate amounts hereinbefore provided, and such amount shall be apportioned and levied within said district in the manner heretofore provided in case of improvements within primary road districts, it being the intent of this section that the appointment of apportioners, the apportioning of benefits, the notice thereof and hearing thereon, and all procedure in connection therewith which leads to and culminates in the final collection and payment of such benefits, including the issuance of road certificates, shall be governed by the provisions of this chapter applicable thereto, except that no additional lands shall be included within the district after same is established by the board of supervisors. [38 G. A., ch. 237, § 53.]

4754. Streets as extension of secondary roads. Whenever in any city or town having a population of thirty-five hundred or less there is a road or street which is a continuation or

an extension of a secondary road adjacent to lands used for agricultural or horticultural purposes as described in section 6210, which the board of supervisors is desirous of improving by hard surfacing or graveling under the law governing the improvement of secondary roads, the council of such city or town and the county board of supervisors are hereby authorized to include by resolution within such secondary road project such portion of such road in said city or town as may be located as provided herein, and to assess such lands within the zone of benefit assessments upon the same basis and in the same manner as provided by law relating to the levy of benefit assessments

upon the secondary road system outside the limits of cities and towns. [40 G. A., ch. 90.]

NOTE: Above section made applicable to certain special charter cities by § 6754.

4755. State treasurer to credit primary fund with interest. Said report shall remain on file with the county auditor, and, omitting certifications and verifications of township officers, a synopsis thereof showing the names of all persons to whom money has been paid and the amount paid to each shall be published in connection with the proceedings of the January session of the board of supervisors. If the majority of the votes cast be in favor of such change, the trustees shall make the necessary levy for such work and shall on or before May first following certify same to the board of supervisors and shall also report to said board the balance of any moneys remaining in any funds set apart for such purposes.

The board of supervisors shall on or before the first day of June proceed with the work on such roads of the township system as the trustees shall describe and such work shall be of the same standard as that done on any of the county roads.

The cost of all such work shall not exceed the amount provided by the tax levy and the balance remaining in such road funds. 4833. Exceptions. This chapter shall not apply to evergreen trees, walnut trees, oak or maple trees, or other hardwood trees which in the judgment of the board of supervisors should be let stand, nor shall it apply to trees along the highway which are a part of a grove or forest that extends more than five rods from the road line; nor to any single tree or group of trees (not exceeding ten in number) which by reason of their age or beauty the board of supervisors in its judgment believes should not be cut down. 5094. Definitions.

1. The term "motor vehicle" when used in this chapter means any automobile, automobile truck, motor bus, or any other self-propelled vehicle not operated or driven upon fixed rails or track.

2. The term "motor carrier" when used in this chapter means any person, firm, or corporation, lessee, trustee or receiver, operating any motor vehicles with or without trailers attached, upon any public highway for the transportation of passengers or property for compensation, between fixed termini or over a regular route even though there may be periodic or irregular departures from said termini or route, or for delivering oils, goods, or merchandise other than farm products except such motor carriers operating solely within the limits of a municipality.

The provisions of this section shall not be so construed as to apply to resident retail merchants who deliver goods and merchandise, other than oils, or oil products, in quantities of five gallons or less, in pursuance of bona fide sales to residents outside the limits of cities and towns and special charter cities, or to any vehicle used in collecting dairy products from the producer.

Nothing in this chapter shall be construed as affecting the operation of school busses, which are used in conveying school children to or from consolidated or other schools.

3. The term "highway" when used in this chapter means every public street, road, highway or thoroughfare of any kind in this state used by the public, whether actually dedicated to the public or accepted by the proper authorities or otherwise.

4. The terms "board" or "commission" when used in this chapter mean the board of railroad commissioners. [40 G. A., ch. 97, § 1; 40 Ex. G. A., ch. 2, § 1.]

5095. Rules and regulations. The board of railroad commissioners is hereby vested with the power to prescribe rules and regulations for the operation of motor vehicles as defined herein for the protection and safety of the public. [40 G. A., ch. 97, § 2.]

5096. Rates. All charges made by any motor carrier for any service rendered or to be

rendered in the transportation of passengers or property, or in connection therewith, shall be just, reasonable, and nondiscriminating, and every unjust, unreasonable, or discriminating charge for such service or any part thereof is prohibited and declared unlawful. [40 G. A., ch. 97, § 3.]

5097. Certificates of authority. It is hereby declared unlawful for any motor carrier to operate or furnish service within this state without first having obtained from the board of railroad commissioners a certificate authorizing such operation. Before such certificate shall be issued, the board of railroad commissioners shall after a public hearing make a finding that the service proposed to be rendered will promote the public convenience. If such finding be made, it shall be its duty to issue such certificate; but a certificate shall be granted when it appears to the satisfaction of the board of railroad commissioners that such person, firm, or corporation was actually operating in good faith, over the route for which such certificate shall be sought, on April 14, 1923. If such finding be not made, it shall refuse such certificate.

When the certificate is granted, it may attach to the exercise of the rights therein conferred such terms and conditions as in its judgment the public safety, convenience, and necessity may require. For just cause, the board may at any time modify, amend, or revoke any certificate issued.

The board shall adopt rules governing the procedure to be followed in the filing of applications and in the conduct of hearings upon such applications and in the granting of such certificates.

All applications shall be in writing and in addition to the other information required, shall contain the following:

1. The complete route over which the applicant desires to operate.

2. The proposed schedule or schedules setting forth in detail the service which the applicant proposes to render.

3. A complete and detailed description of the property proposed to be devoted to the public service.

Notice of the filing of the application and the date and place of the hearing thereupon

shall be published in some newspaper of general circulation in each of the counties in which the service is proposed to be rendered once each week for two consecutive weeks prior to said hearing. The hearing shall be held in one of the counties, in which the service is proposed to be rendered, to be selected by the applicant. [40 G. A., ch. 97, § 4.]

5098. Appeal. Appeal may be taken from an adverse decision of such board of railroad commissioners by the parties making such application, to the district court of any county in Iowa in which any portion of the route over which they are authorized to operate is located, within thirty days from the time such decision was rendered by giving at least ten days' notice to such board of railroad commissioners to be served on the chairman or secretary of such board in the same manner as original notices are now served and by filing a bond for costs in the sum of not less than one hundred dollars with the clerk of said court.

Upon such appeal being taken the secretary of such board shall make and certify a transcript of all papers, records, and proceedings in connection with such application and hearing and file the same with the clerk of said court on or before the first day of the next term thereof following the taking of such appeal.

The appeal shall be tried in equity and submitted upon the transcript of the evidence and the record made before the commission, and the district court shall either affirm, modify, or reverse the order of the commission.

An appeal may be taken from the judgment of the district court to the supreme court, as from other judgments. [40 G. A., ch. 97, § 5.]

5099. Assignability of certificate. No certificate of authorization issued under the provisions of this chapter shall be sold, transferred, leased, or assigned nor shall any contract or agreement with reference to or affecting any such certificate be made except with the written approval of the board. Nor shall any person, natural or artificial, be permitted to take over any such certificate unless he or it shall assume all the obligations imposed upon an original applicant. [40 G. A., ch. 97, § 6.]

5100. Maximum load. No motor carrier shall be permitted to operate a vehicle over the public highways of this state, equipped with solid rubber tires which, together with its maximum load, weighs more than fourteen thousand pounds or one equipped with pneumatic tires which, together with its maximum load, weighs over eighteen thousand pounds. [40 G. A., ch. 97, § 7; 40 Ex. G. A., ch. 2, § 2.]

5101. Power of cities and towns—scope of act. Cities and towns shall have power, by ordinance, to adopt general rules of operation and to designate the streets or routes over which motor carriers shall travel, provided, however, that the exercise of the power granted in this section shall be reasonable and fair.

Nothing in this chapter shall be construed as conferring on the board of railroad com-

missioners the right to regulate any motor vehicle used in the business of transporting live stock or other farm product from the place of production to market.

Nothing in this chapter shall be construed as repealing sections 5926 to 5937, inclusive, and 6769.

Motor vehicles operating, or proposing to operate, between cities and towns, the corporate limits of which are not to exceed one mile apart, shall be considered as coming within the purview of the acts described in this section. [40 G. A., ch. 97, § 8.]

NOTE: Above section made applicable to special charter cities by § 6755.

5102. Taxes. In addition to the regular license fees or taxes imposed on motor vehicles in this state, every motor carrier shall pay the following taxes for the maintenance and the upkeep of the public highways:

Motor vehicles having pneumatic tires, one-eighth cent per ton mile of travel over and along the public highways.

Motor vehicles having hard rubber or solid tires, one-fourth cent per ton mile of travel over and along the public highways.

In figuring the ton miles of passenger travel, the maximum seating capacity of each passenger-carrying motor vehicle unit (trailers to be included) at one hundred fifty pounds per passenger seat, plus the weight of the vehicle, multiplied by the number of miles operated, the sum thus obtained to be divided by two thousand, shall determine the ton miles of passenger travel each month. In no event, however, shall the number of miles operated be considered as less than the number required to be operated by the carrier to maintain its filed schedules.

In figuring the ton miles of freight travel, the maximum freight-carrying capacity of each freight-carrying truck or vehicle unit (trailers to be included) plus the weight of the vehicle, multiplied by the number of miles operated, the entire sum thus obtained to be divided by two thousand, shall determine the ton miles of freight travel per month.

The motor carrier shall keep a daily record upon a form prescribed by the commission of all schedules maintained, motor vehicle and trailer units used and motor vehicle and trailer units laid up for repairs, during the current month, and on or before the tenth day of the month following shall certify under oath to the commission upon such forms as may be prescribed by the commission, a summary of the daily record which shall show the grand total ton miles of travel, both passenger and freight, made by the motor carrier during the preceding month.

The daily record of each month's business shall thereupon be filed and preserved for a period of at least five years and thereafter until permission for their destruction shall have been obtained from the commission. Such daily record of each month's business shall be examined at least once each year by the commission or an authorized representative, and

compared with the sworn summaries on file with the commission.

Any wilful falsification of the sworn monthly summaries, in addition to other penalties imposed by the statute, shall result in immediate revocation of the motor carrier's certificate.

Errors in monthly summaries as compared to the daily records shall be adjusted to the figures of the daily records from time to time as discovered and certified to the county treasurers by the commission in the same manner as the regular monthly certification as hereinafter required.

Regularly each month, on or before the last day of the month, the commission shall certify to the various county treasurers in the counties through or in which any motor carrier is operating, the total amount of the special tax due from each motor carrier for operation over the public highways for the preceding month.

This tax shall be computed by multiplying the total number of ton miles operated by each motor carrier as shown by their sworn monthly summary to the commission by the rate or rates of taxation as in this chapter specified.

Thereupon the county treasurer shall enter the amount of the tax so certified upon the tax books of the county and serve a notice upon the motor carrier of the amount of tax due, which shall be payable not later than the fifteenth day of the month after the date of its certification from the commission.

All taxes in this manner assessed shall become a first lien upon the property of the motor carrier used in said business, until paid. In addition to the remedy upon the bond for collection of the tax, the property of the motor carrier may be advertised and sold for the nonpayment of any such taxes in the same manner and at the same time and under the same general rules and conditions as apply to all other property in the state. Upon failure of any motor carrier to pay any tax when due, the county treasurer shall notify the commission at once, and the commission may in its discretion revoke the carrier's certificate.

The money received by the county treasurer from this source shall be allocated to the various city and county road districts in the proportion that the number of miles of public highway used by the taxed motor carrier in any one district bears to the total number of miles used within the county. Such funds shall be used by each governmental agency receiving the same for the maintenance and repair of the highways and streets over which the carrier operates. [40 G. A., ch. 97, § 9.]

5103. Bonds. No certificate of authorization shall be issued by the commission to any motor carrier until and after such motor carrier shall have filed with the commission of this state a liability insurance bond, in a form to be approved by the commission, in some company authorized to do business in this state, in such a penal sum as the commission may deem necessary to adequately protect the interests of the public with due regard to the number of persons and amount of property in-

involved, which liability insurance shall bind the obligors thereunder to make compensation for injuries to persons and loss of or damage to property resulting from the operation of such motor carrier, and for which they would be legally liable.

Said commission shall also require a satisfactory bond in such penal sum and conditioned on the payment of all fees, taxes or charges which may be due the state or any governmental unit in the state under any permit of operation and for the faithful carrying out of any permit granted by said commission. No other or additional bonds than as herein described shall be required of any motor carrier by any city or town or other agency of the state. [40 G. A., ch. 97, § 10.]

5104. Safety rules. The commission in the exercise of the authority by this chapter vested in it to supervise and regulate all motor carriers shall promulgate such safety rules and regulations as it may deem necessary to govern and control the operation of motor carriers over and along the public highways of this state, and to enforce the same by such penalties and forfeitures as it may prescribe, including the revocation of the permit granted under the provisions of this chapter. Any such safety rules promulgated in addition to any others deemed necessary by the commission shall include the following:

1. Every motor carrier unit and all parts thereof shall be maintained in a safe and sanitary condition at all times, and shall be at all times subject to the inspection of the commission and its duly authorized representatives.

2. Every driver employed by a motor carrier shall be at least twenty-one years of age, of good moral character, shall be fully competent to operate the motor vehicle under his charge, and shall hold a regular chauffeur's license from the state motor vehicle department.

3. On passenger-carrying motor carrier units passengers will not be allowed to ride on the running boards, fenders, or any other part of the outside of the vehicle.

4. On freight-carrying motor carrier units no part of the load shall be allowed to project more than six inches beyond the running board of said motor vehicle, or measure more than eight feet wide over all.

5. No passenger-carrying motor carrier unit shall be driven over and along the public highways of this state at a greater rate of speed than twenty-five miles per hour.

6. No freight-carrying motor carrier unit shall be driven over and along the public highways of this state at a greater rate of speed than twenty miles per hour.

7. Accidents arising from or in connection with the operation of motor carriers shall be reported to the commission in such detail and in such manner as the commission may require.

8. The commission shall require and every motor carrier shall have attached to each unit or vehicle such distinctive markings or tags

as shall be adopted by the commission. [40 G. A., ch. 97, § 11.]

5105. Violations. Every owner, officer, agent, or employee of any motor carrier, and every other person who violates or fails to comply with, or who procures, aids, or abets in the violation of any provision of this chapter, or who fails to obey, observe, or comply with any order, decision, rule or regulation, direction, demand or requirement, or any part or provision thereof, of the commission, or who

procures, aids, or abets any corporation or person in his failure to obey, observe, or comply with any such order, decision, rule, direction, demand, or regulation or any part or provision thereof, shall forfeit the certificate as provided herein and shall be guilty of a misdemeanor and upon conviction shall be punished by a fine not exceeding one thousand dollars or by imprisonment in the county jail not exceeding one year, or by both such fine and imprisonment. [40 G. A., ch. 97, § 13; 40 Ex. G. A., ch. 2, § 3.]

[R., '60, § 303; C., '73, §§ 294, 299; C., '97, § 410; S. S., '15, § 410; 40 Ex. G. A., S. F. 129, § 1.]

5107. Number increased by vote. When petitioned to do so by one-fourth of the qualified electors of said county, the board of supervisors shall submit to the qualified electors of the county, at any regular election, one of the following propositions as may be requested in said petition, or the board may, on its own motion, by resolution, submit either of said propositions:

1. Shall the proposition to increase the number of supervisors to five be adopted?
2. Shall the proposition to increase the number of supervisors to seven be adopted?

If the majority of the votes cast shall be for the proposition so submitted, then at the next general election the requisite additional supervisors shall be elected, and one-half of the additional supervisors shall hold office for three years and one-half for two years.

The length of term for which any person is a candidate and the time when the term begins shall be indicated on the ballot. [R., '60, § 303; C., '73, §§ 294, 299; C., '97, § 410; S. S., '15, § 410; 40 Ex. G. A., S. F. 129, § 2.]

5108. Number reduced by vote. In any county where the number of supervisors has

been increased to five or seven, the board of supervisors, on the petition of one-fourth of the qualified electors of the county, shall submit to the qualified voters of the county, at any regular election, one of the following propositions, as the same may be requested in such petition:

1. Shall the proposition to reduce the number of supervisors to five be adopted?
2. Shall the proposition to reduce the number of supervisors to three be adopted?

If a majority of the votes cast shall be for the decrease, then the number of supervisors shall be reduced to the number indicated by such vote. [C., '73, § 299; C., '97, § 410; S. S., '15, § 410; 40 Ex. G. A., S. F. 129, § 3.]

5109. When reduction takes effect. If the proposition to reduce the number of members of the board carries, the board shall consist of the same number of members as at the time the proposition to reduce was submitted, until the second secular day in January following the next general election, at which time the terms of all members of the board shall expire. [C., '73, § 299; C., '97, § 410; S. S., '15, § 410; 40 Ex. G. A., S. F. 129, § 4.]

5110. Election of new members. At the next general election following the one at which the proposition to reduce the number of members of the board was carried there shall be elected the number of members required by such proposition.

Where such proposition reduces the board to five members, two persons shall be elected as members of the board for two years, two for three years, and one for four years.

In counties where the proposition reduces the board to three members, one person shall be elected as member of the board for two years, one for three years, and one for four years.

The length of term for which any person is a candidate and the time when the term begins shall be indicated on the ballot. [S. S., '15, § 410; 40 Ex. G. A., S. F. 129, § 5.]

5111. Supervisor districts. The board of supervisors may, at its regular meeting in January in any even-numbered year, divide its county by townships into a number of supervisor districts corresponding to the number of supervisors in such county; or, at such regular meeting, it may abolish such supervisor districts, and provide for electing supervisors for the county at large. [C., '97, § 416; S., '13, § 416.]

5112. How formed. Such districts shall be as nearly equal in population as possible, and shall each embrace townships as nearly contiguous as practicable, each of which said districts shall be entitled to one member of such board, to be elected by the electors of said district. [C., '97, § 417.]

5113. One member for each district. In case such division or any subsequent division shall be found to leave any district or districts without a member of such board of supervisors, then, at the next ensuing general election, a supervisor shall be elected by and from such district having no member of such board; and if there be two such districts or more, then the new member or members of said board shall be elected by and from the district or districts having the greater population according to the last state census, and so on, until each of said districts shall have one member of such board. [C., '97, § 418.]

5114. Redistricting—term of office. Any county may be redistricted, as provided by the three preceding sections, once in every two years, and not oftener, and nothing herein contained shall be so construed as to have the effect of lengthening or diminishing the term of office of any member of such board. [C., '97, § 419.]

5115. Absence from county—vacancy. The absence of any supervisor from the county for six months in succession shall be treated as a resignation of his office, and the board shall, at its next meeting thereafter, by resolution regularly adopted and spread upon its records, declare his seat vacant. [C., '73, § 298; C., '97, § 414.]

5116. Organization. The board of supervisors, at its first meeting in each year, shall organize by choosing one of its members as chairman, who shall preside at all of its meetings during the year. [R., '60, § 308; C., '73, § 300; C., '97, § 415.]

5117. Quorum. A majority of the board of supervisors shall constitute a quorum to transact business, but should a division take place

on any question when only two members of the board are in attendance, the question shall be continued until there is a full board. [R., '60, § 308; C., '73, § 297; C., '97, § 413.]

5118. Meetings. The members of the board of supervisors shall meet at the county seat of their respective counties on the second secular day in January and on the first Monday in April and the second Monday in June, September, and November in each year, and shall hold such special meetings as are provided by law, but in the event a quorum of said board fails to appear on a day set for a regular or an adjourned meeting the auditor of said county shall adjourn said meeting from day to day until a quorum is present. [R., '60, § 307; C., '73, § 296; C., '97, § 412; S., '13, § 412; 38 G. A., ch. 26, § 1; 39 G. A., ch. 239.]

5119. Special sessions. Special sessions of the board of supervisors shall be held only when requested by the chairman or a majority of the board, which request shall be in writing addressed to the county auditor, shall fix the date of meeting and shall specify the objects thereof, which may include the doing of any act not required by law to be done at a regular meeting. [R., '60, § 309; C., '73, § 301; C., '97, § 420; 40 Ex. G. A., S. F. 129, § 6.]

5120. Notice. The auditor shall immediately give notice in writing or by telephone to each of the supervisors personally, or by leaving notice thereof at his residence, at least six days before the date set for such meeting, stating the time and place where the meeting will be held and the objects thereof as stated in the written request. No business shall be transacted at such session, except that stated in the request and notice. [R., '60, § 309; C., '73, § 301; C., '97, § 420; 40 Ex. G. A., S. F. 129, § 7.]

5121. Acts requiring majority. No tax shall be levied, no contract for the erection of any public buildings entered into, no settlement with the county officers made, no real estate purchased or sold, no new site designated for any county buildings, no change made in the boundaries of townships, and no money appropriated to aid in the construction of highways and bridges, without a majority of the whole board of supervisors voting therefor and consenting thereto. [R., '60, § 313; C., '73, § 305; C., '97, § 440.]

5122. Books to be kept. The board is authorized and required to keep the following books:

4. *Warrant book.* A book to be known as the "warrant book", in which shall be entered, in the order of its issuance, the number, date, amount, name of drawee of each warrant drawn on the treasury, and the number of warrants, as directed in relation to the minute book.

5. *Claim register.* A book to be known as a "claim register", in which shall be entered a minute of all claims filed for allowance of money from the county treasury. [R., '60, § 318; C., '73, § 308; C., '97, § 442; 38 G. A., ch. 317, §§ 1, 2.]

5123. **Claims generally.** Claims filed shall be numbered consecutively in the order of filing, and shall be entered on the claim register alphabetically, so as to show the date of filing, the number of the claim and its general nature, the name of the claimant and the action of the board thereon, stating, if allowed, the fund upon which allowance is made. A record of the allowance of claims at each session of the board shall be entered on the minute book by reference to the numbers of the claims as entered on the claim register. [38 G. A., ch. 317, §§ 1, 2.]

5124. **Unliquidated claims.** All unliquidated claims against counties and all claims for fees or compensation, except salaries fixed by statute, shall, before being audited or paid, be so itemized as to clearly show the basis of any such claim and whether for property sold or furnished the county, or for services rendered it, or upon some other account, and shall be duly verified by the affidavit of the claimant, filed with the county auditor for presentation to the board of supervisors; and no action shall be brought against any county upon any such claim until the same has been so filed and payment thereof refused or neglected. [C., '73, §§ 2610, 3843; C., '97, §§ 1300, 3528; 40 Ex. G. A., S. F. 129, § 8.]

5125. **Compensation of supervisors.** The members of the board of supervisors shall each

receive five dollars per day for each day actually in session, and five dollars per day exclusive of mileage when not in session but employed on committee service, and ten cents for every mile traveled in going to and from the regular, special, and adjourned sessions thereof, and in going to and from the place of performing committee service.

When the board is in continuous session, mileage for only one trip in going to and from the session shall be allowed. [R., '60, § 317; C., '73, § 3791; C., '97, § 469; S., '13, § 469; 38 G. A., ch. 104, § 1; 40 Ex. G. A., S. F. 129, § 9.]

5126. **Maximum session pay.** Except as provided in the next section, members of such board shall not receive compensation for a greater number of days of session service each year than specified in the following schedule.

5127. **Drainage session pay.** The time spent by the board of supervisors as a ditch or drainage board and in considering drainage matters as a single board, or jointly with one or more other boards, shall not be counted in computing the number of days which any board has been in session, but the members of the board shall be entitled to compensation at the same rate for the time spent in ditch and drainage matters, except the drainage of highways, in addition to the compensation allowed as hereinbefore set forth, but in no case shall said board be allowed more than fifty days' additional time in any year for time spent in drainage matters.

If on the same day, the board considers matters involving two or more drainage districts, their per diem shall be equitably apportioned by them among such districts.

If on the same day the board acts both as a county board and also for the purpose of considering drainage matters, the board shall be paid for one day only, and from the general fund or drainage fund as the board may order. [S., '13, § 469; 40 Ex. G. A., S. F. 129, § 11.]

On or before the first day of January in each year the sheriff of each county having any condemnation funds in his possession shall make a detailed report under oath of all funds in his possession received from condemnation proceedings of any kind that have been finally adjudicated, reciting therein the names of the parties to whom said funds belong, when received, and describing the property condemned, which report shall be filed with the county treasurer, and the sum so shown due from such sheriff paid over to the county treasurer, who shall make a detailed receipt therefor. [40 G. A., ch. 103, § 1.]

5194. Unadjudicated condemnation funds. Every sheriff having any condemnation funds in his possession in cases not finally adjudicated, shall make a further report of funds received by him in such cases, in detail as called for in the preceding section, and file the same with the county auditor for examination and checking by the board of supervisors, and where any sheriff's term is expiring he shall pay such condemnation funds in cases not finally adjudicated to his successor in office, taking his receipt therefor. [40 G. A., ch. 103, § 2.]

Such county treasurer and his sureties shall be liable for such funds the same as for other funds received in his official capacity. [40 G. A., ch. 103, § 4.]

5197. Liability of sheriff. Nothing contained in the four preceding sections shall be construed as relieving such sheriffs or the sureties on their bonds from liability for such funds so received by them until such payment has been made to the county treasurer or successor in office as herein provided. The said jurors upon their oaths do say (here state when, how, by what person, means, weapon, or accident he came to his death, and whether feloniously).

In testimony whereof, the said jurors have hereunto set their hands, the day and year aforesaid (which shall be attested by the coroner). [C., '51, § 193; R., '60, § 403; C., '73, § 359; C., '97, § 521; 40 G. A., ch. 249, § 4.]

[C., '51, § 197; R., '60, § 407; C., '73, § 363; C., '97, § 525.]

5215. Disposition of body—expenses. The coroner, except as otherwise provided by law, shall cause the body of the deceased person which he is called to view to be delivered to his friends, if any there be, but if not, he shall cause him to be decently buried, and the expense to be paid from any property found with the body, or, if there be none, from the county treasury, by certifying an account of the expenses; which, being presented to the board of supervisors, shall be allowed by them, in a reasonable amount and paid as other claims on the county. [C., '51, § 200; R., '60, § 410; C., '73, § 366; C., '97, § 527; 40 G. A., ch. 249, § 7.]

5216. Disposition of property. Any property or money found with or upon the person of deceased, if there be no person authorized

to receive the same, shall forthwith be turned over by the coroner to the clerk of the district court, to be held until disposed of according to law. A failure to comply with this section shall be a misdemeanor. [C., '97, §§ 532, 533.]

5217. Acting coroner. When there is no coroner, or in case of his absence or inability to act, any justice of the peace or municipal judge of the same county is authorized to perform the duties of coroner in relation to dead bodies. [C., '51, § 201; R., '60, § 411; C., '73, § 367; C., '97, § 528; 40 G. A., ch. 249, § 8; 40 Ex. G. A., S. F. 279, § 1.]

5218. Physician employed—fees. In the inquisition by a coroner or by an acting coroner, when he or the jury deem it requisite, he may summon one or more physicians or surgeons to make a scientific examination, who, instead of witness fees, shall receive a reasonable compensation to be allowed by the board of supervisors. If the coroner is also a physician he may make such scientific examination. [C., '51, § 202; R., '60, § 412; C., '73, § 368; C., '97, § 529; 38 G. A., ch. 122, § 1; 40 Ex. G. A., S. F. 279, § 2.]

5219. Compensation of witnesses and jurors. - 5262. Exceptions.
- 5263. Questions submitted to voters.
- 5264. Depreciated warrants—tax.
- 5265. Manner of submitting questions.
- 5266. Voting of tax—when required.
- 5267. Rate of tax.

- 5268. Bonds—maturity.
- 5269. Tax for successive years.
- 5270. Result published.
- 5271. Rescission by subsequent vote.
- 5272. Board must submit questions.
- 5273. Regularity presumed.
- 5274. Surplus of tax.

5261. Expenditures—when vote necessary. The board of supervisors shall not order the erection of a courthouse, jail, or county home when the probable cost will exceed ten thousand dollars, or any other building, except as otherwise provided, when the probable cost will exceed five thousand dollars, nor the purchase of real estate for county purposes exceeding ten thousand dollars in value, until a proposition therefor shall have been first submitted to the legal voters of the county, and voted for by a majority of all persons voting for and against such proposition at a general or special election, notice of the same being given as in other special elections. [R., '60, § 312; C., '73, § 303; C., '97, § 423; S. S., '15, § 423; 37 G. A., ch. 332, § 1; 38 G. A., ch. 71, § 1; 38 G. A., ch. 73, § 1; 40 Ex. G. A., H. F. 138, § 1.]

NOTE: Submission of question of county home, see § 5338.

5262. Exceptions. Where a courthouse has been destroyed by fire and not less than one hundred thousand dollars has been donated to the county for the purpose of erecting a courthouse, the board of supervisors may, without authorization from the voters, use the amount so donated for the construction of the courthouse and in addition thereto may appropriate from the general fund for such purpose a sum not exceeding one-half of the amount donated, provided there is in the general fund, unappropriated for other purposes, an amount sufficient to pay such appropriation. [40 G. A., ch. 107; 40 Ex. G. A., H. F. 138, § 1-a.]

5263. Questions submitted to voters. The board of supervisors may submit to the people of the county at any regular election, or at any special election called for that purpose, the question whether money may be borrowed to aid in the erection and equipment of any public buildings, or the procuring of a site or grounds for such public buildings, or for both such site and buildings, and either or both of said propositions and other local or police regulations may be submitted at the same general or special election. [C., '51, § 114; R., '60, § 250; C., '73, § 309; C., '97, § 443; 37 G. A., ch. 304, § 1; 40 Ex. G. A., H. F. 138, § 2.]

5264. Depreciated warrants — tax. When the warrants of a county are at a depreciated value, it may, in like manner, submit the question whether a tax of a higher rate than that provided by law shall be levied. [C., '51, § 114; R., '60, § 250; C., '73, § 309; C., '97, § 443; 40 Ex. G. A., H. F. 138, § 3.]

5265. Manner of submitting questions. The mode of submitting questions to the people shall be the following: The whole question, including the sum desired to be raised, or the amount of tax desired to be levied, or the rate per annum, and the whole regulation, including the time of its taking effect or having operation, if it be of a nature to be set forth, and the penalty for its violation if there be one, shall be embraced in a notice of the election and shall be published once each week for at least four weeks in some newspaper published in the county. Such notice shall name the time when such question will be voted upon, and the form in which the question shall be submitted, and a copy of the question to be submitted shall be posted at each polling place during the day of election. [C., '51, § 115; R., '60, § 251; C., '73, § 310; C., '97, § 446; S., '13, § 446; 40 Ex. G. A., H. F. 138, § 4.]

5266. Voting of tax—when required. When any question submitted involves the borrowing or the expenditure of money, the same must be accompanied by a provision to levy a tax for the payment thereof, in addition to other taxes, as directed in the following section, and no vote adopting the question proposed will be of effect unless it adopt the tax also. [C., '51, § 116; R., '60, § 252; C., '73, § 311; C., '97, § 447; 40 Ex. G. A., H. F. 138, § 5.]

5267. Rate of tax. The rate of such tax shall in no case be more than one per cent on the county valuation in any one year. When the object is to borrow money for the erection and equipment of public buildings, or for the procuring of sites or grounds therefor, or for both, the rate shall be such as to pay the debt in a period not exceeding ten years; but in counties having a population of twenty-five thousand or over, or in any county where one hundred thousand dollars or more has been or

is proposed to be expended, the rate of levy shall be such as to pay the debt in not exceeding twenty-five years. [C., '51, § 117; R., '60, § 253; C., '73, § 312; C., '97, § 448; S. S., '15, § 448; 37 G. A., ch. 304, § 2; 40 Ex. G. A., H. F. 138, § 6.]

5268. Bonds—maturity. In issuing bonds for such indebtedness, when voted, the board of supervisors may cause portions of said bonds to become due at different definite periods. But none of such bonds so issued shall be due and payable in less than five or more than twenty-five years from date. When the object is to construct, or to aid in constructing, any highway or bridge, the annual rate shall not be less than one mill on the dollar of the assessed valuation; and any of the above taxes becoming delinquent shall draw the same interest as ordinary taxes. [C., '51, § 117; R., '60, § 253; C., '73, § 312; C., '97, § 448; S. S., '15, § 448; 40 Ex. G. A., H. F. 138, § 7.]

5269. Tax for successive years. When it is apparent that the levy of one year will not pay the entire amount, the proposition and the vote must be to continue the levy at the same rate from year to year until the amount is paid. [C., '51, § 118; R., '60, § 254; C., '73, § 313; C., '97, § 449; 40 Ex. G. A., H. F. 138, § 8.]

5270. Result published. The board of supervisors, on finding from a canvass of the returns that a majority of the votes were cast in favor of the proposition, shall cause the result of the vote to be entered at large in the minute book, and the proposition shall take effect and be in force thereafter. Notice of such adoption shall be published for the same time and

in the same manner as above provided for publishing the notice of election. [C., '51, § 119; R., '60, § 255; C., '73, § 314; C., '97, § 450; 40 Ex. G. A., H. F. 138, § 9.]

5271. Rescission by subsequent vote. Propositions thus adopted may be rescinded in like manner and upon like notice, by a subsequent vote taken thereon, but neither contracts made under them, nor taxes voted for carrying them into effect, can be rescinded. [C., '51, § 120; R., '60, § 256; C., '73, § 315; C., '97, § 451; 40 Ex. G. A., H. F. 138, § 10.]

5272. Board must submit questions. The board shall submit the question of the adoption or rescission of such a measure when petitioned by one-fourth of the legal voters of the county, or by such different number as may be prescribed by law in any special case. [C., '51, § 121; R., '60, § 257; C., '73, § 316; C., '97, § 452; 40 Ex. G. A., H. F. 138, § 11.]

5273. Regularity presumed. The record of the adoption or rescission of any such measure shall be presumptive evidence that all the proceedings necessary to give the vote validity have been regularly conducted. [C., '51, § 122; R., '60, § 258; C., '73, § 317; C., '97, § 453; 40 Ex. G. A., H. F. 138, § 12.]

5274. Surplus of tax. In case the amount produced by the rate of tax proposed and levied exceeds the amount required for the specific object, it shall not for that reason be held invalid, but the excess shall go into the general county fund. [C., '51, § 123; R., '60, § 259; C., '73, § 318; C., '97, § 454; 40 Ex. G. A., H. F. 138, § 13.]

5276. Refunding bridge bonds. Indebtedness incurred by any county in making and repairing bridges may be refunded whenever such outstanding indebtedness equals or exceeds the sum of five thousand dollars, and the tax to pay such bonds and interest shall be levied as hereinafter provided, except that no part of said tax shall be levied on property within any city which is authorized by law to levy its own bridge tax. 5278. Provisions applicable. In making sale of such county bonds the county treasurer shall comply with and be governed by all the provisions of chapter 63. [40 Ex. G. A., S. F. 139, § 4.]

5279. Bonds—negotiation of—duties of treasurer. When bonds issued under this chapter shall be executed, numbered consecutively, and sealed, they shall be delivered to the county treasurer and his receipt taken therefor, and he shall stand charged on his official bond with all bonds delivered to him and the proceeds thereof, and he shall sell the same, or exchange them, on the best available terms, for any legal indebtedness of the county outstanding on the first day of January, April, June, or September next preceding the resolution of the board au-

thorizing their issue, but in neither case for a less sum than the face value of the bonds and all interest accrued on them at the date of such sale or exchange. [C., '73, § 290; C., '97, § 404; S., '13, § 404; 40 Ex. G. A., S. F. 139, § 5.]

5280. Proceeds—how applied. If any portion of said bonds are sold for money, the proceeds thereof shall be applied exclusively for the payment of liabilities existing against the county at and before the date above named. When they are exchanged for warrants and other legal evidences of county indebtedness, the treasurer shall at once proceed to cancel such evidences of indebtedness by indorsing on the face thereof the amount for which they were received, the word "canceled" and date of cancellation. [C., '73, § 290; C., '97, § 404; S., '13, § 404; 40 Ex. G. A., S. F. 139, § 6.]

5281. Record of bonds sold and transferred. He shall also keep a record of bonds sold or exchanged by him by number, date of sale, amount, date of maturity, and the name and postoffice address of purchasers, and, if exchanged, what evidences of indebtedness were received therefor, which record shall be open at all times for inspection by the public. Whenever the holder of any bond shall sell or transfer it, the purchaser shall notify the treasurer of such purchase, giving at the same time the number of the bond transferred and his postoffice address, and every such transfer shall be noted on the records. [C., '73, § 290; C., '97, § 404; S., '13, § 404; 40 Ex. G. A., S. F. 139, § 7.]

5282. Treasurer to report bonds sold. The treasurer shall also report under oath to the board, at each regular session, a statement of all bonds sold or exchanged by him since the preceding report, and the date of such sale or exchange; and, when exchanged, a list or description of the county indebtedness exchanged therefor, and the amount of accrued interest received by him on such sale or exchange, which latter sum shall be charged to him as money received on bond fund, and so entered by him on his books; but such bonds shall not be exchanged for any indebtedness of the county except by the approval of the board of supervisors of said county. [C., '73, § 290; C., '97, § 404; S., '13, § 404; 40 Ex. G. A., S. F. 139, § 8.]

5283. Unconstitutional issue. Any member of a board of supervisors who shall vote to order an issue of bonds under the provisions of this chapter in excess of the constitutional limit, shall be held personally liable for the excess of such issue. [C., '97, § 405; 40 Ex. G. A., S. F. 139, § 9.]

5284. Tax for bonded indebtedness. The board of supervisors shall not in any one year levy a tax of more than three mills on the dollar for the payment of bonded indebtedness or judgments rendered therefor, except as provided in this chapter, unless the vote authorizing the issuance of the bonds provided for a

higher rate. [C., '73, § 840; C., '97, § 1384; 40 Ex. G. A., S. F. 139, § 10.]

5285. Levy to pay interest and principal. The board of supervisors shall cause to be assessed and levied each year upon the taxable property in the county, in addition to the levy authorized for other purposes, a sufficient sum to pay the interest on outstanding bonds issued in conformity with the provisions of this chapter, accruing before the next annual levy, and such proportion of the principal that, at the end of eight years, the sum raised from such levies shall equal at least fifteen per cent of the amount of bonds issued; at the end of ten years, at least thirty per cent of the amount; and at or before the date of maturity of the bonds, shall be equal to the whole amount of the principal and interest. [C., '73, § 291; C., '97, § 406; 40 Ex. G. A., S. F. 139, § 11.]

5286. Bond fund—separate account. The money arising from such levies shall be known as the bond fund, and shall be used for the payment of bonds and interest coupons, and for no other purpose whatever; and the treasurer shall open and keep in his books a separate account thereof, which shall at all times show the exact condition of said bond fund. [C., '73, § 291; C., '97, § 406; 40 Ex. G. A., S. F. 139, § 12.]

5287. Redemption—notice—interest. When the amount in the hands of the treasurer belonging to the bond fund, after setting aside the sum required to pay interest maturing before the next levy, is sufficient to redeem one or more bonds, which by their terms are subject to redemption, he shall notify the owner of such bond or bonds, in the manner hereinbefore prescribed, that he is prepared to pay the same, with all the interest accrued thereon. If not presented for payment or redemption within thirty days after the date of such notice, the interest on such bond or bonds shall cease, and the amount due thereon shall be set aside for its payment whenever presented. All redemptions shall be made in the order of their numbers. [C., '73, § 292; C., '97, § 407; S., '13, § 407; 40 Ex. G. A., S. F. 139, § 13.]

5288. Balance to particular fund. If after the payment of all bonds and interest as hereinbefore provided, there remains any money in said bond fund, the board of supervisors may by resolution transfer said funds to the particular fund or funds on account of which the indebtedness arose for which said bonds were issued. [S., '13, § 407; 40 Ex. G. A., S. F. 139, § 14.]

5289. Balance to general fund. The board of supervisors may, by resolution, transfer to the general fund any excess remaining from the proceeds of a county bond issue voted by the people, after the full completion of the purposes thereof. [40 G. A., ch. 109, § 1.]

5290. Registry with state auditor. If the board of supervisors of any county which has

issued bonds under the provisions of this chapter shall fail to make the levy necessary to pay such bonds or interest coupons at maturity, and the same shall have been presented to the county treasurer and the payment thereof refused, the owner may file the bond, together with all unpaid coupons, with the auditor of state, taking his receipt therefor, and the same shall be registered in the auditor's office. [C., '73, § 293; C., '97, § 408; 40 Ex. G. A., S. F. 139, § 15.]

5291. State tax levied—payment. The executive council shall at its next session as a board of equalization, and at each annual equalization thereafter, add to the state tax to be levied in said county a sufficient rate to realize the amount of principal or interest past due and to become due prior to the next levy upon any such registered bonds, and the same shall be levied and collected as a part of the state tax, and paid into the state treasury, and passed to the credit of such county as bond tax, and shall be paid by warrant, as the payments mature, to the holder of such registered obligations, as shown by the register in the office of the state auditor, until the same shall be fully satisfied and discharged; any balance then remaining being passed to the general account and credit of said county; but nothing in this chapter shall be construed to limit or postpone the right of any holder of any such bonds to resort to any other remedy which such holder might otherwise have. [C., '73, § 293; C., '97, § 408; 40 Ex. G. A., S. F. 139, § 16.]

5292. Additional tax to pay interest. In any county wherein county bonds are issued in pursuance of a vote of the people to obtain money for the erection of any public building and wherein the annual tax named in the proposition so submitted for the purpose of paying the annual interest accruing upon such bonds is insufficient to pay the same as it matures, the board of supervisors is authorized to levy for said purpose, a tax, not exceeding one mill on the dollar, until said bonds are paid; but this provision shall not prevent the levy of a greater tax than above mentioned, if any such proposition authorized such higher levy. [C., '97, § 409; 40 Ex. G. A., S. F. 139, § 17.]

5293. Statutes applicable. The provisions of this chapter shall not be so construed as to limit in any way the application of the provisions of sections 5258 and 5259. [40 Ex. G. A., S. F. 139, § 18.]

5294. County not to become stockholder. No county shall, in its corporate capacity, or by its supervisors or officers, directly or indirectly, subscribe for stock, or become interested as a partner, shareholder, or otherwise, in any banking institution, plank road, turnpike, railway, or work of internal improvement; nor shall it issue any bonds, bills of credit, scrip, or other evidence of indebtedness, for any such purposes; and all such

evidences of indebtedness for said purposes are hereby declared void, and no assignment of the same shall give them validity; but this section shall not be so construed as to prevent counties from lawfully erecting their necessary public buildings and bridges, laying off highways, streets, alleys, and public grounds, or other local works in which such counties may be interested. [R., '60, §§ 1345, 1346; C., '73, §§ 553, 554; C., '97, § 594; 40 Ex. G. A., S. F. 139, § 19.]

5295. Actions on bonds—estoppel. In all actions now pending, or hereafter brought, in any court in this state, on any bond or coupon issued, or purporting to be issued, by any county for the purposes prohibited in this chapter, a former recovery against such corporation on any one or more or any part of such bonds or coupons shall not bar or estop such corporation

from setting up any defense it has made, or could have made, to such bonds or coupons, in the action in which such former recovery was had, but the county may allege and prove any matter of defense in such action to the same extent, and with the same effect, as though no former action had been brought, or former recovery had. [C., '73, § 555; C., '97, § 595; 40 Ex. G. A., S. F. 139, § 20.]

5296. Violations. Any officer of any county, or any deputy or employee of such officer, who violates any of the provisions of the two preceding sections, shall be guilty of a misdemeanor, and fined not less than one hundred dollars, nor more than five hundred dollars, for each offense. [R., '60, § 2128; C., '73, § 558; C., '97, § 598; 40 Ex. G. A., S. F. 139, § 21.]

5297. "Poor person" defined. The words "poor" and "poor person" as used in this chapter shall be construed to mean those who have no property, exempt or otherwise, and are unable, because of physical or mental disabilities, to earn a living by labor; but this section shall not be construed to forbid aid to needy persons who have some means, when the board shall be of opinion that the same will be conducive to their welfare and the best interests of the public. [C., '97, § 2252.]

5298. Parents and children liable. The father, mother, and children of any poor person, who is unable to maintain himself or herself by labor, shall jointly or severally relieve or maintain such person in such manner as, upon application to the township trustees of the township where such person has a residence or may be, they may direct. [C., '51, § 787; R., '60, § 1355; C., '73, § 1330; C., '97, § 2216.]

5299. Putative father. The word "father" in this chapter includes the putative father of an illegitimate child, and the question of parentage may be tried in any proceeding to recover for or compel the support of such a child, and like proceedings may be prosecuted against the mother independently of or jointly with the alleged father. [C., '51, § 788; R., '60, § 1356; C., '73, § 1332; C., '97, § 2250.]

5300. Who deemed trustee. The word "trustees" in this chapter shall be construed to include and mean any person or officer of any county or city charged with the oversight of the poor. [C., '51, § 789; R., '60, § 1357; C., '73, § 1333; C., '97, § 2251.]

5301. Remote relatives. In the absence or inability of nearer relatives, the same liability shall extend to grandparents, if of ability without personal labor, and to the male grandchildren who are of ability by personal labor or

otherwise. [C., '51, § 787; R., '60, § 1355; C., '73, § 1331; C., '97, § 2217.]

5302. Enforcement of liability. Upon the failure of such relatives so to relieve or maintain a poor person who has made application for relief, the township trustees may apply to the district court of the county where such poor person resides or may be, for an order to compel the same. [C., '51, § 789; R., '60, § 1357; C., '73, § 1333; C., '97, § 2218.]

5303. Notice—hearing. At least ten days' notice in writing of the application shall be given to the parties sought to be charged, service thereof to be made as of an original notice, in which proceedings the county shall be plaintiff and the parties served defendants. No order shall be made affecting a person not served, but, as to such, notice may be given at any stage of the proceedings. The court may proceed in a summary manner to hear all the allegations and proofs of the parties, and order any one or more of the relatives who shall be able, to relieve or maintain him or her, charging them as far as practicable in the order above named, and for that purpose may bring in new parties when necessary. [C., '51, §§ 790-792; R., '60, §§ 1358-1360; C., '73, §§ 1334-1336; C., '97, § 2219; 40 Ex. G. A., H. F. 140, § 1.]

5304. Scope of order. The order may be for the entire or partial support of the applicant, may be for the payment of money or the taking of the applicant to a relative's house, or may assign him or her for a certain time to one and for another period to another, as may be just and right, taking into view the means of the several relatives liable, but no such assignment shall be made to one who is willing to pay the amount necessary for support. If the order be for relief in any other form than money, it shall state the extent and value thereof per week, and the time such relief shall continue; or the order may make the time of continuance indefinite, and it may be varied from time to time by a new order, as circumstances may require, upon application to the court by the trustees, the poor person, or the relative affected, ten days' notice thereof being given to the party or parties concerned. [C., '51, §§ 793-795; R., '60, §§ 1361-1363; C., '73, §§ 1337-1339; C., '97, § 2219; 40 Ex. G. A., H. F. 140, § 2.]

5305. Judgment—appeal. When money is ordered to be paid, it shall be paid to such person as the court may direct. If support be not rendered as ordered, the court upon such fact being shown by the affidavit of one or more of the proper trustees, may render judgment and order execution for the amount due, rating any support ordered in kind at the valuation previously made. An appeal may be taken from the judgment rendered to the supreme court. Support for later periods under the same order may be, as it becomes due, applied for and obtained in the same manner. [C., '51, §§ 796-798; R., '60, §§ 1364-1366; C., '73, §§

1340-1342; C., '97, § 2219; 40 Ex. G. A., H. F. 140, § 3.]

5306. Abandonment—order as to property. When father or mother abandons any child, husband his wife, or wife her husband, leaving them a public charge or likely to become such, the trustees of the township, upon application to them may make complaint to the district court or judge thereof in the county in which such abandoned person resides, or in which any property of such father, mother, husband, or wife is situated, for an order to seize such property, and, upon proof of the necessary facts, the court or judge shall issue an order, directed to the sheriff of the county, to take and hold possession of said property, subject to the further orders of the court, which order shall be executed by taking possession of chattel property wherever found, and shall entitle the officer serving the same to collect and hold the rents accruing upon real property. [C., '51, §§ 799, 800; R., '60, §§ 1367, 1368; C., '73, §§ 1343, 1344; C., '97, § 2220; 40 Ex. G. A., H. F. 140, § 4.]

5307. Preservation and release of lien. Statement of the issuance of the order and a description of any real estate sought to be affected thereby, shall be entered in the incumbrance book, and from the date thereof shall be superior in right to any conveyance or lien created by the owner thereafter, and return shall be made of said order to the proper court, where the order of seizure, upon investigation, may be discharged or continued; if continued, the entire matter shall be subject to the control of the court, and it shall from time to time make such orders as to the disposition of the personal property seized, and the application of it or the proceeds thereof, as it may deem proper, and of the disposition of the rents and profits of the real estate. Should the party against whom the order issued thereafter resume his or her support of the person abandoned, or give bond with sureties, to be approved by the clerk, conditioned that such person shall not become chargeable to the county, the order shall be by the clerk discharged and the property remaining restored. [C., '51, §§ 801-804; R., '60, §§ 1369-1372; C., '73, §§ 1345-1348; C., '97, § 2220; 40 Ex. G. A., H. F. 140, § 5.]

5308. Trial by jury. In all cases the party sought to be charged with the support of another may demand a jury trial upon the question of his obligation and ability to render such support, the alleged abandonment, and the liability of the person abandoned to become a public charge; such trial to be had upon demand, which may be made at the time of the hearing of the application for the order, or at such other time as may be directed by the court, upon notice to the defendant. [C., '51, § 805; R., '60, § 1373; C., '73, § 1349; C., '97, § 2221.]

5309. Recovery by county. Any county having expended any money for the relief or

support of a poor person, under the provisions of this chapter, may recover the same from any of his kindred mentioned herein, from such poor person should he become able, or from his estate; from relatives by action brought within two years from the payment of such expenses, from such poor person by action brought within two years after becoming able, and from such person's estate by filing the claim as provided by law. [C., '51, § 806; R., '60, § 1374; C., '73, § 1350; C., '97, § 2222.]

5310. Recovery by relative. A more distant relation, who may have been compelled to aid a poor person, may recover from any one or more of the nearer relatives, and one so compelled to aid may recover contribution from others in the same degree, and a recovery may be had against the poor person or his estate, if, after such aid or support has been given, the person aided or supported becomes able to repay the same; but proceedings to recover therefor must be brought within two years from the time a cause of action accrues. [C., '51, § 807; R., '60, § 1375; C., '73, § 1351; C., '97, § 2223.]

5311. Settlement—how acquired. A legal settlement in this state may be acquired as follows:

1. Any adult person residing in this state one year without being warned to depart as provided in this chapter acquires a settlement in the county of his residence.
2. A married woman has the settlement of her husband, if he has one in this state; if not, or if she lives apart from, or is abandoned by him, she may acquire a settlement as if she were unmarried. Any settlement which the wife had at the time of the marriage may at her election be resumed upon the death of her husband, or if she be divorced or abandoned by him, if both settlements were in this state.
3. Legitimate minor children take the settlement of the father, if there be one, if not, then that of the mother.
4. Illegitimate minor children take the settlement of their mother, or, if she has none, then that of their putative father.
5. A minor without a settlement in this state, by residing one year in any county of the state, acquires a settlement therein. [C., '51, § 808; R., '60, § 1376; C., '73, § 1352; C., '97, § 2224; 40 Ex. G. A., H. F. 140, § 6.]

5312. Settlement continues. A legal settlement once acquired continues until lost by acquiring a new one. [C., '51, § 809; R., '60, § 1377; C., '73, § 1353; C., '97, § 2224; 40 Ex. G. A., H. F. 140, § 7.]

5313. Foreign paupers. A person coming from another state, and not having become a citizen of nor having a settlement in the state, applying for relief, may be sent to the state whence he came, at the expense of the county, under an order of the district court or judge; otherwise he is to be temporarily relieved in

the county where he applies. [C., '51, § 811; R., '60, § 1379; C., '73, § 1354; C., '97, § 2225.]

5314. Importation prohibited. If any person knowingly bring within this state any pauper or poor person, with the intent of making him a charge on any of the townships or counties therein, he shall be fined not exceeding five hundred dollars, and be charged with his support. [C., '51, § 2736; R., '60, § 4379; C., '73, § 4045; C., '97, § 5009.]

5315. Notice to depart. Persons coming into the state, or going from one county to another, who are county charges or are likely to become such, may be prevented from acquiring a settlement by the authorities of the county, township, or city in which such persons are found warning them to depart therefrom. After such warning, such persons can not acquire a settlement except by the requisite residence of one year without further warning. [C., '51, § 812; R., '60, § 1380; C., '73, § 1355; C., '97, § 2226.]

5316. Service of notice. Such warning shall be in writing, and may be served upon the order of the trustees of the township, or of the board of supervisors, by any person; and such person shall make a return of his doings thereon to the board of supervisors, which, if not made by a sworn officer, must be verified by affidavit. [C., '51, § 813; R., '60, § 1381; C., '73, § 1356; C., '97, § 2227.]

5317. Contest between counties. When relief is granted to a poor person having a settlement in another county, the auditor shall at once by mail notify the auditor of the county of his settlement of such fact, and, within fifteen days after receipt of such notice, such auditor shall inform the auditor of the county granting relief if the claim of settlement is disputed. If it is not, the poor person, if able, may be removed to the county of his settlement, or, at the request of the auditor or board of supervisors of the county of his settlement, he may be maintained where he then is at the expense of such county, and without affecting his legal settlement. [C., '51, §§ 814, 816, 817; R., '60, §§ 1382, 1384, 1385; C., '73, §§ 1357, 1359, 1360; C., '97, § 2228; 40 Ex. G. A., H. F. 140, § 8.]

5318. Trial. If the alleged settlement is disputed, then, within thirty days after notice thereof as above provided, a copy of the notices sent and received shall be filed in the office of the clerk of the district court of the county against which claim is made, and a cause docketed without other pleadings, and tried as an ordinary action, in which the county affording the relief shall be plaintiff, and the other defendant, and the burden of proof shall be upon the county granting the relief or making the removal. [C., '51, §§ 816, 817; R., '60, §§ 1384, 1385; C., '73, §§ 1359, 1360; C., '97, § 2228; 40 Ex. G. A., H. F. 140, § 9.]

5319. County of settlement liable. The county where the settlement is shall be liable to the county rendering relief for all reasonable charges and expenses incurred in the relief and care of a poor person, and for the charges of removal and expenses of support incurred after notice is given. [C., '51, § 815; R., '60, § 1383; C., '73, § 1358; C., '97, § 2229.]

5320. Relief by trustees. The township trustees of each township, subject to general rules that may be adopted by the board of supervisors, shall provide for the relief of such poor persons in their respective townships as should not, in their judgment, be sent to the county home. [C., '73, § 1361; C., '97, § 2230; S., '13, § 2230; 40 Ex. G. A., H. F. 140, § 10.]

5321. Overseer of poor. Where a city is embraced, in whole or in part, within the limits of any township, the board of supervisors may appoint an overseer of the poor, who shall have within said city, or part thereof, all the powers and duties conferred by this chapter on the township trustees. [C., '73, § 1361; C., '97, § 2230; S., '13, § 2230; 40 Ex. G. A., H. F. 140, § 10.]

5322. Form of relief—condition. The relief may be either in the form of food, rent or clothing, fuel and lights, medical attendance, or in money, and shall not exceed two dollars per week for each person for whom relief is thus furnished, exclusive of medical attendance. They may require any able-bodied person to labor faithfully on the streets or highways at the prevailing local rate per hour in payment for and as a condition of granting relief; said labor shall be performed under the direction of the officers having charge of working streets and highways. [C., '73, § 1361; C., '97, § 2230; S., '13, § 2230; 37 G. A., ch. 253, § 1; 40 Ex. G. A., H. F. 140, § 11.]

5323. Medical services. When medical services are rendered by order of the trustees or overseers of the poor, no more shall be charged or paid therefor than is usually charged for like services in the neighborhood where such services are rendered. [C., '73, § 1361; C., '97, § 2230; S., '13, § 2230; 40 Ex. G. A., H. F. 140, § 12.]

5324. Interest prohibited. No supervisor, trustee, or employee of the county, shall be directly or indirectly interested in any supplies furnished the poor. [C., '97, § 2230; S., '13, § 2230; 40 Ex. G. A., H. F. 140, § 12.]

5325. Special privileges to soldiers and others. No person who has served in the army or navy of the United States, or their widows or families, requiring public relief shall be sent to the county home when they can and prefer to be relieved to the extent above provided, and other persons and families may, at the discretion of the board, also be so relieved. [C., '73, § 1362; C., '97, § 2231; S., '13, § 2231.]

5326. County expense. All moneys expended as contemplated in the six preceding sec-

tions shall be paid out of the county treasury, after the proper account rendered thereof shall have been approved by the boards of the respective counties, and in all cases the necessary appropriations therefor shall be made by the respective counties. But the board may limit the amount thus to be furnished. [C., '73, § 1363; C., '97, § 2232.]

5327. Township trustees—duty. The trustees in each township, in counties where there is no county home, have the oversight and care of all poor persons in their township, and shall see that they receive proper care until provided for by the board of supervisors. [C., '51, § 819; R., '60, § 1387; C., '73, § 1364; C., '97, § 2233; S., '13, § 2233.]

5328. Application for relief. The poor must make application for relief to the trustees of the township where they may be, and, if the trustees are satisfied that the applicant is in such a state of want as requires relief at the public expense, they may afford such relief, subject to the approval of the board of supervisors, as the necessities of the person require, and shall report the case forthwith to the board of supervisors, who may continue or deny relief, as they find cause. [C., '51, § 820; R., '60, § 1388; C., '73, § 1365; C., '97, § 2234; S., '13, § 2234; 40 Ex. G. A., H. F. 140, § 13.]

5329. Allowance by board. The board of supervisors may examine into all claims, including claims for medical attendance, allowed by the township trustees for the support of the poor, and if they find the amount allowed by said trustees to be unreasonable, exorbitant, or for any goods or services other than for the necessaries of life, they may reject or diminish the claim as in their judgment would be right and just. This section shall apply to all counties in the state, whether there are county homes established in the same or not. This and the preceding section shall apply to acts of overseers of poor in cities as well as to township trustees. [C., '51, § 820; R., '60, § 1388; C., '73, § 1365; C., '97, § 2234; S., '13, § 2234; 40 Ex. G. A., H. F. 140, § 14.]

5330. Payment of claims. All claims and bills for the care and support of the poor shall be certified to be correct by the proper trustees and presented to the board of supervisors, and, if they are satisfied that they are reasonable and proper, they shall be paid out of the county treasury. [C., '51, § 821; R., '60, § 1389; C., '73, § 1366; C., '97, § 2235.]

5331. Interest in contract. In no case shall a trustee, or either of the trustees, nor overseer of the poor, draw an order upon himself, or upon either of the board, for supplies for the poor, except such trustees or overseer has a contract to furnish such supplies. [C., '73, § 1366; C., '97, § 2235.]

5332. Annual allowance. If a poor person of mature years and sound mind is likely to become a charge, the board may pay him such

an annual allowance as will not exceed the cost of maintenance in the ordinary way. [C., '51, § 822; R., '60, § 1390; C., '73, § 1367; C., '97, § 2236.]

5333. Appeal to supervisors. If any poor person, on application to the trustees, be refused the required relief, he may apply to the board of supervisors, who, upon examination into the matter, may direct the trustees to afford relief, or it may direct specific relief. [C., '51, § 823; R., '60, § 1391; C., '73, § 1368; C., '97, § 2237.]

5334. Contracts for support. The board of supervisors may make contracts with the lowest responsible bidder for furnishing any or all supplies, medical or dental attendance or services required for the poor, for a term not exceeding one year, or it may enter into a contract with the lowest responsible bidder, through proposals opened and examined at a regular session of the board, for the support of any or all the poor of the county for one year at a time, and may make all requisite orders to that effect, and shall require all such contractors to give bonds in such sum as it believes sufficient to secure the faithful performance of the same. [C., '51, § 825; R., '60, § 1393; C., '73, § 1369; C., '97, § 2238; 38 G. A., ch. 225, § 1.]

5335. Supervision. When a contract is made for the support of any or all the poor, the

board shall, from time to time, appoint some person to examine and report upon the manner the poor are kept and treated, which shall be done without notice to the person contracting for their support, and if upon due notice and inquiry the board find that the poor are not reasonably and properly supported and cared for, it may, at a regular or special session, set aside the contract, making proper allowances for the time it has been in force. [C., '51, § 826; R., '60, § 1394; C., '73, § 1370; C., '97, § 2239.]

5336. Employment. Any such contractor may employ a poor person in any work for which he is physically able, subject to the control of the board of supervisors, who may place said contractor under the supervision of the township trustees. [C., '51, § 827; R., '60, § 1395; C., '73, § 1371; C., '97, § 2240.]

5337. Poor tax. The expense of supporting the poor shall be paid out of the county treasury in the same manner as other disbursements for county purposes; and in case the ordinary revenue of the county proves insufficient for the support of the poor, the board may levy a poor tax, not exceeding three mills on the dollar, to be entered on the tax list and collected as the ordinary county tax. [C., '51, § 844; R., '60, § 1412; C., '73, § 1381; C., '97, § 2247; S., '13, § 2247; 40 G. A., ch. 110.]

5340. Annual published report. The board of supervisors shall, during the month of January of each year, publish in the official papers of the county as part of its proceedings, a financial statement of the receipts of the county home, or county farm, itemizing the same and stating the source thereof, which report shall also set forth the total expenditures thereof and the value of the property on hand on January first of the year for which the report is made and a comparison with the inventory of the previous year. In either case, the board of supervisors of such respective counties shall audit the account and pay the same from the funds provided for in this chapter in such manner as other claims are audited and paid. are divided into two divisions for district court purposes, each division shall be regarded as a county. [C., '73, § 307; C., '97, § 441; S. S., '15, § 441; 40 Ex. G. A., S. F. 145, § 2.]

5399. Number. The number of such newspapers to be selected shall be as follows:

1. In counties having a population of less than fifteen thousand, two such newspapers, or one, if there be but one published therein.
2. In all other counties, three such newspapers, not more than two of which shall be

published in the same city or town. [C., '73, § 307; C., '97, § 441; S. S., '15, § 441; 40 Ex. G. A., S. F. 145, § 3.]

If more applications are filed than there are newspapers to be selected, a contest shall exist. [40 Ex. G. A., S. F. 145, § 4.]

5401. Contest—verified statements. 5402. Determination of contest—evidence. The county auditor shall, on the direction of the board while it is in session, open said envelopes. The board may receive other evidence of circulation. In counties in which two newspapers are to be selected, the two newspapers showing the largest number of bona fide yearly subscribers living within the county shall be selected as such official newspapers. In counties in which three newspapers are to be selected, the three showing the largest number of such subscribers shall be selected except when such three newspapers are all published in the same city or town, in which case the two newspapers in such city or town having the largest lists of such subscribers and the newspaper having the next largest list of such subscribers and published outside such city or town, shall be selected as such official newspapers. [C., '97, § 441; S. S., '15, § 441; 40 Ex. G. A., S. F. 145, § 6.]

5403. Tie lists. When newspapers are, by equality of circulation, equally entitled to such selection, the board shall, in the presence of the contestants, determine the question by lot. [40 Ex. G. A., S. F. 145, § 7.]

5404. Fraudulent lists. No newspaper shall be selected as an official newspaper when it is made to appear that the verified list deposited by the applicant contains the names of persons who are not bona fide subscribers within the county and that such names were knowingly and wilfully entered on such list by the applicant, or at his instance, with intent to deceive the board. [S. S., '15, § 441; 40 Ex. G. A., S. F. 145, § 8.]

5405. New date fixed if all rejected. If all certified statements are rejected under the provisions of the preceding section, the board shall fix a new date for the selection of official newspapers and nothing herein shall be construed to prevent the applicants so rejected from filing new certified statements. [S. S., '15, § 441; 40 Ex. G. A., S. F. 145, § 9.]

5406. Appeal. Any applicant may, within twenty days after the selection of official newspapers, appeal to the district court from the decision of the board of supervisors as to the selection of any or all newspapers so selected by filing in the office of the county auditor a bond for costs, in a sum and with sureties to be approved by said auditor, and by serving upon each applicant, whose selection he desires to contest, and the county auditor, a notice of appeal. If in any county the publishers of two or more newspapers, at least one of which by reason of its location and circulation is entitled to be selected as a county official newspaper, have entered into an agreement to publish the official proceedings or have united in a request to have their publication selected for such purposes, and such agreement or request has been filed with the board of supervisors prior to the naming of the official newspapers, the board of supervisors shall designate each of them a county official newspaper, but the combined compensation of the newspapers so requesting or agreeing, added to that of the other official newspaper or newspapers, if any, shall not exceed the combined compensation allowed by law to two official newspapers in counties having a population below fifteen thousand or to three official newspapers in counties having a population of fifteen thousand or more. [S. S., '15, § 441; 38 G. A., ch. 82, § 1; 40 Ex. G. A., S. F. 145, § 14.]

2. The schedule of bills allowed by said board.

3. The reports of the county treasurer, including a schedule of the receipts and expenditures of the county.

2. It shall strike from both the petition and the remonstrance the names of all persons shown not to have been legal voters of the county at the time of signing.

5472. Removal of records postponed. If the proposition to relocate be carried, the board of supervisors may permit the county records to remain at the old county seat, and the district court may continue to hold its sessions thereat until such time as a new courthouse is built and equipped at the new county seat. [40 G. A., ch. 254, § 15.]

In all counties having a population of more than one hundred twenty-five thousand in which there is located a permanent federal or state institution within a distance of ten miles from the corporate limits of the county seat, and where upon the main traveled thoroughfare leading from said county seat to said institution there is located a water main, the board of supervisors of such counties shall have the power to establish benefited water districts to embrace all or such portions of the territory abutting said thoroughfares and within six hundred feet on either side thereof, as in the judgment of said board will receive special benefit from water service, to change the boundaries of such districts from time to time as may become in the judgment of such board of supervisors just and equitable, and to assess so much of the cost of such water service, including hydrants, against all lots or tracts of land contained in the benefited district as shall equal and be in proportion to the special benefits conferred by said service and not in excess thereof.

In no case shall such assessment exceed twenty-five per cent of the actual value of said lots or tracts at the time of levy thereof, except where the water service has been petitioned for, and in such case the assessment may be levied against the lots or tracts of land of the district without such twenty-five per cent limitation. On the day fixed for such hearing the board shall, by resolution, determine the necessity for such water service, establish the boundaries of the benefited district, and designate the property to be assessed therein for such water service. September session following levy a sufficient tax upon the property within said benefited district as will produce said sum for the ensuing year, which tax shall be collected in the same manner as other taxes are collected and paid over by the treasurer of said county to the person or corporation, municipal or private, furnishing the water service. Such taxes shall be known as water service fund and used only for the purposes authorized by this chapter, and for no other purpose whatever. [40 G. A., ch. 112, § 5.]

Whenever a local county historical association shall be formed in any county having a free public library, the trustees of such library are hereby authorized to unite with such historical association and to set apart the necessary room and to care for such articles as may come into the possession of said association; said trustees are also authorized to purchase necessary receptacles and materials for the preservation and protection of such articles as are in their judgment of a historical and educational nature and pay for the same out of the library fund. [S., '13, § 729-e.]

5865. Fund—treasurer. All moneys received and set apart for the maintenance of such library shall be deposited in the treasury of such city or town to the credit of the library fund, and shall be kept by the treasurer separate and apart from all other moneys, and paid out upon the orders of the board of trustees, signed by its president and secretary.

Provided that in any city or incorporated town where a free public library is maintained jointly by the city or town and an institution of learning, for the support and maintenance of which both the city and the institution of learning contribute, the library trustees may elect a library treasurer therefor, and it shall be the duty of the city treasurer to pay over to said library treasurer any and all library taxes that may be collected by him monthly. [C., '97, § 730; S., '13, § 730.]

5866. Report. The board of trustees shall each year make to the council a report for the year ending December thirty-first, containing a statement of the condition of the library, the number of books added thereto, the number circulated, the number not returned or lost,

the amount of fines collected, and the amount of money expended in the maintenance thereof during such year, together with such further information as it may deem important. [C., '97, § 731.]

5874. Construction and repair. Cities shall have the care, supervision, and control of all public bridges and culverts within their corporate limits; shall cause the same to be kept open and free from nuisance, and shall construct and keep in repair all public culverts within the limits of said corporations.

They may aid in the construction of county bridges within the limits of the city, or of any bridge contiguous thereto on a highway leading to the city, or of any bridge across any unnavigable river which divides the county in which the city is located from another state by appropriating a sum not exceeding ten dollars per linear foot therefor. [R., '60, § 1097; C., '73, § 527; C., '97, § 757; 40 Ex. G. A., S. F. 167, § 1.]

5875. -Cities controlling bridge fund. Cities of the second class having a population of five thousand or over, which are traversed by a stream two hundred feet or more in width from shore line to shore line, and cities of the first class, shall have full control of the city bridge fund levied and collected therein, and shall use the same for the construction and repair of bridges, culverts, and approaches thereto, and payment of bridge bonds, and interest thereon, issued by such city, and shall be liable for the defective construction thereof and for failure to maintain the same in safe condition. [C., '97, § 758; S. S., '15, § 758; 40 Ex. G. A., S. F. 167, § 2.]

5876. Levy authorized. When the whole or any part of the cost of the building or reconstruction of any bridge by such city shall be ordered paid from the city bridge fund, it may, after the completion of the work, by resolution levy at one time the whole or any part of the cost of such improvement upon all the taxable property within the city and determine the whole percentage of tax necessary to pay the same and the percentage to be paid each year, not exceeding two-thirds of the maximum annual limit of the tax such city may levy for a bridge fund; and the number of years, not

exceeding twenty-five, given for the maturity of each installment thereof. [S. S., '15, § 758-a; 40 Ex. G. A., S. F. 167, § 3.]

5877. Limitation—certification of levy. No part of such costs shall be levied against the property owned by the city, county, state, or the United States. Certificates of such levy shall be filed with the auditor of the county or counties in which the city is located, setting forth the amount or percentage and maturity of said tax or each installment thereof, upon the assessed valuation of all the property in said city, certified as correct by the city clerk or auditor, and thereupon said tax shall be placed upon the tax lists of the proper county or counties. [S. S., '15, § 758-a; 40 Ex. G. A., S. F. 167, § 4.]

5878. Certificates or bonds. Any such city may anticipate the collection of taxes authorized to be levied for a city bridge fund and for that purpose may issue bridge certificates or bonds with interest coupons, and the provisions of chapter 320 shall be operative as to such certificates, bonds, and coupons in so far as they may be applicable. [S., '13, § 758-b.]

5879. How paid. Said certificates, bonds, and interest thereon shall be secured by said assessments and levies and shall be payable only out of the funds derived from such levies and pledged to the payment of the same, and no certificates or bonds shall be issued in excess of taxes authorized and levied to secure the payment of the same. It shall be the duty of such city to collect such funds, with interest thereon, and to hold the same separate and apart in trust for the payment of said certificates, bonds, and interest and to apply the proceeds of said funds pledged for that purpose to the payment of said certificates, bonds, and interest. [S., '13, § 758-c.]

5880. Bonds for construction. Cities of the first class, and also cities of the second class having a population of five thousand or over

and which are traversed by a stream two hundred feet or more in width from shore line to shore line, are hereby authorized to contract indebtedness and to issue bonds for the purpose of constructing bridges. Such bonds shall be payable in not exceeding twenty annual installments and bear interest at not exceeding five per cent per annum, and shall be made payable at such place and be of such form as the city council shall by ordinance designate. But no city shall become indebted in excess of five per cent of the actual value of the taxable property of said city as shown by the last preceding assessment roll. [S. S., '15, § 758-d.]

5881. Additional power. The preceding section shall be construed as granting additional power without limiting the power already existing in cities of the first class, and also cities of the second class having a population of five thousand or over and which are traversed by a stream two hundred feet or more in width from shore line to shore line. [S. S., '15, § 758-e.]

5882. Aiding county bridge. Cities and towns may vote to aid in the construction of any county bridge, when the estimated cost of the same is not less than ten thousand dollars, to the extent of one-half the estimated cost thereof as fixed by the board of supervisors.

A city having a population of five thousand or more may vote a tax, not to exceed two per cent of the assessed value of the taxable property in such city, to construct, or aid any company which is or may be incorporated under the laws of this state in the construction of, a highway or combination bridge across any navigable boundary river of this state, commencing or terminating in such city, suitable for use as highway, or for both highway and railway and street railway purposes. [C., '97, § 759.]

5883. Question submitted. Whenever a petition shall be presented to the council, signed by a majority of the resident freehold taxpayers thereof, asking that the question of constructing or aiding in the construction of a bridge as provided in the preceding section be submitted to the qualified electors, it shall be its duty to immediately give notice of a special election, by publication in some newspaper published therein, and also by posting copies of such notice in five public places therein, at least ten days before such election. [C., '97, § 760.]

5884. Notice—conditions. Such notice shall specify the time and place of holding the election, the proposed location of the bridge to be aided, the rate per cent of tax to be levied, the amount which the board of supervisors is authorized to cause to be collected each year, and all the conditions in the petition.

In case of proposed aid to a private corporation, the notice shall also state its name, the amount of work required to be done on such bridge, and any other conditions which are to be performed before said tax or any part there-

of shall become due and payable. Such notice may also contain terms and conditions to be performed by said corporation receiving such aid after the completion of such bridge, which terms and conditions shall be obligatory and binding upon it, its successors and assigns. [C., '97, § 761.]

5885. Certification of tax. At such election the question of taxation shall be submitted to the electors thereof. If a majority of the votes be for taxation, the clerk of such city or town shall forthwith certify to the county auditor of the proper county the result, the rate per cent of the tax voted, the year or years during which the same is to be collected, the amount to be collected each year, the terms and conditions upon which the same when collected is to be paid, and, if aid is voted to a private corporation, its name, together with a copy of the notice under which the election was held. The certificate shall be filed with the county auditor, who shall cause the same to be recorded in the office of the recorder of deeds. The expenses of the giving of the notice and holding the election shall be audited and paid out of the county treasury as other claims against the county. [C., '97, § 762.]

5886. Tax levied. After such certificate shall have been filed and recorded, the board of supervisors shall, at the time of levying the ordinary taxes, levy each year on the taxable property of such city or town the taxes voted as shown by said certificate. [C., '97, § 763.]

5887. Collection—payment. Said taxes shall be collected in the same manner, subject to the same penalties for nonpayment after delinquent, and to the same laws after they are collected or collectible, as other taxes, in conformity with the terms and conditions of the notice of election; when collected they shall be paid by the county treasurer, on the order of the board of supervisors, specifying the special bridge fund from which each order is payable; but in no case shall said board make such order until the conditions specified in the petition and notice have been complied with. Such taxes, when payable to the city or town, shall be paid over as other city or town taxes. When payable to a private corporation, they shall be paid over by the county treasurer to such corporation, upon the order of the president or a majority of the directors thereof, after said council shall have certified to the county treasurer that the conditions required, as set forth in the notice for the special election at which the tax was voted, have been complied with, and the council, or a majority of its members, shall make such certificate whenever such conditions shall have been so performed. [C., '97, § 764.]

5888. Forfeiture. Should any taxes levied under the provisions of the foregoing sections remain in the county treasury more than one year after the same shall have been collected, the right to them shall be forfeited and they shall be refunded to the taxpayers; and the

board of supervisors shall cause any remaining levy to be canceled and stricken from the tax books, which cancellation shall remove all liens created thereby, and it shall make no further levies under said certificate. [C., '97, § 765.]

5889. Contract for use of bridge. Cities situated on a river wholly in the state, or one forming its boundary line, and from which to the opposite shore a bridge has been or may be constructed by any railroad company, corporation, or person, shall have power to contract with the railroad company, corporation, or person owning such bridge for the use of the same as a public highway; which contract may be for the joint use of such bridge, or for the sole use of such portion thereof as may be devoted or adapted to highway travel; and may assume the sole liability, or any portion thereof, for damages to persons or property by reason of their being on any portion of said bridge or approach to either end thereof, caused by the running of cars or locomotives thereon by any corporation, company, or person entitled to its use, whether the damage results from the negligence of the person engaged in running said cars or locomotives or otherwise, and to indemnify the owners of said bridge, and all others entitled to use the same, from liability for damage so caused, to the extent or proportion thereof assumed in the said contract; and the city may thereafter, and during the continuance of said contract, manage and control said bridge so far as necessary to regulate the highway travel thereon, and may regulate the same as a free or toll bridge, and prescribe such rates of toll as to it from time to time shall seem proper, and make all necessary police regulations for the government of the highway travel thereon, and levy the necessary tax, not exceeding in any one year ten mills on the dollar, for the purpose of carrying out the terms of such contract. [C., '97, § 766.]

5890. Tax to purchase. Any city in this state which has voted aid to any company for the construction of a highway or combination bridge across any navigable boundary river of this state, a condition of which vote, or the granting or acceptance of such aid, was that the city should have the right to purchase such bridge from the company so aided, its successors or assigns, may, at any time after

such taxes voted in aid are collected, vote an additional tax of not exceeding five per cent of the assessed value of the taxable property of such city for the purpose of securing the funds necessary to enable it to make such purchase. Such taxes shall be payable in such annual installments, not less than ten, as the electors may determine. [S., '13, § 766-a.]

5891. Question submitted. The question of whether or not such additional taxes shall be voted shall be submitted to the electors of such city before the city elects to make such purchase, and the submission thereof shall be governed in all respects by sections 5883 to 5887, inclusive, so far as the same are applicable. [S., '13, § 766-b.]

5892. Bonds or warrants—tolls. After such taxes are voted the city may issue its bonds, warrants, or other certificates drawing such interest not exceeding five per cent per annum as the city council may determine, payable from such taxes as they are collected, and from no other source, and pledging them for their payment. Such taxes shall be used for no other purpose and such bonds, warrants, or certificates shall not be sold for less than their par or face value with accrued interest. The city council shall fix the rate of tolls or charges for passing over the bridge, and such tolls shall be large enough to pay the interest upon the bonds, warrants, or certificates issued for its purchase together with the expense of maintaining and operating it. [S., '13, § 766-c; 40 G. A., ch. 108, § 4.]

5893. Tax in cities after annexation. In any case where aid has been extended and bridges erected in two separate cities, and subsequent thereto one of such cities has been annexed to the other, the electors residing in the territory which comprised either of the separate cities before annexation, may vote taxes upon the property in such territory for the purchase of such bridge, and the proceedings in such case shall be the same as provided in the three preceding sections, except that the petition to the city council shall be signed by a majority of the resident freehold taxpayers of the territory in which the vote is to be had, and the taxes, when voted and properly certified, shall be levied only upon the property in such territory. [S., '13, § 766-d.]

CHAPTER 302

INTERSTATE BRIDGES

NOTE: This chapter made applicable to special charter cities by § 6766.

5894. Purchase of bridges.
5895. Proceedings attending purchase.
5896. Form of submission.

5897. Appraisers—fees.
5898. Tolls.
5899. Management and maintenance.

5894. Purchase of bridges. Any city in this state, including cities under the commission plan, where a tax upon the property of said city has been voted and paid to aid any company in the construction of a highway or combination bridge across any navigable river forming part of the boundary of this state, whether it was a condition of the vote or acceptance of such tax that said city had a right to buy said bridge from the company so aided, its successors or assigns, or not, or whether the time within which by the terms of the vote by which such option to purchase was granted to said city has expired or not, at any time after the taxes so voted in aid of such construction of such bridge have been paid over to said company, may vote an additional tax not exceeding five per cent upon the taxable property of said city for the purpose of procuring funds with which to enable such city to purchase said bridge, such taxes to be payable in such annual installments as the electors of said city may determine, such determination by the electors to be at an election called for that purpose, and the notice submitting such question shall state the price to be paid for such bridge, including its approaches. [37 G. A., ch. 140, § 1.]

5895. Proceedings attending purchase. The mayor and city council of such city shall have power to enter into a contract with the corporation or company owning such bridge for the purchase thereof together with its franchises at a price to be agreed upon, which price shall not be greater than the value of such bridge or the cost thereof, with the taxes so voted and paid over by the authorities of said city deducted therefrom.

Unless there is an appraisal as hereinafter provided the original cost of construction shall be considered the value thereof.

No such contract shall become binding upon said city until the same has been submitted to the electors of said city and approved by them by the affirmative vote of a majority of the electors voting for or against the same; the question of the levy of such tax shall be submitted to such electors at the same election, the affirmative vote of a majority of all electors voting for or against the same being necessary to make the contract binding on said city.

If at such election the proposition to make such purchase upon the terms and at the price named in the question submitted and the proposition to vote such tax shall either of them be defeated by not receiving the affirmative vote of a majority of all electors voting for or against the same, such contract shall be considered at an end and said tax defeated. [37 G. A., ch. 140, § 2.]

5896. Form of submission. The questions as to whether the said contracts shall become binding upon the said city, and the taxes levied or bonds issued by the city authorities, shall, when submitted to the electors of said city, be submitted in the form and manner provided by sections 5883 to 5887, inclusive, so far as the same are applicable thereto. [37 G. A., ch. 140, § 3.]

5897. Appraisers—fees. In case a majority of the members of the city council of such city shall by resolution declare their wish to have the said city purchase said bridge, its approaches and franchises, and be unable to agree with the owner of such bridge upon the value thereof, such value shall be ascertained by three appraisers named by the governor of Iowa, no one of whom shall be an officer, employee, or stockholder or such owner of said bridge, or a taxpayer or voter in the city proposing to make such purchase or in the county of the state opposite and adjoining said bridge. Such appraisers shall be paid fifteen dollars per day for the time necessarily and actually employed in making such appraisal, together with their actual and necessary traveling expenses, the same to be paid by the city. [37 G. A., ch. 140, § 4.]

5898. Tolls. If any such city shall thus become the owner of any such bridge, the city council shall have power from time to time to fix the rates of toll or charges for passing over the bridge, which tolls shall be large enough to pay for the maintenance and operating expenses, interest upon any bonds issued for its purchase, and sufficient after five years to provide a sinking fund of at least five per cent of such outstanding bonds, and for their payment at maturity. [37 G. A. ch. 140, § 5.]

5899. Management and maintenance. If any such city shall thus become the owner of any

such bridge, it shall operate the same by officers or employees selected by the mayor and approved by the city council of said city, who shall have police powers and shall maintain order upon said bridge. One of such officers shall be superintendent and authorized to make proper inspection of the structure, see that the same is at all times kept in repair and safe for the traveling public, and that the navigation laws and regulations of the United States are observed.

The said city shall have power to prescribe and enforce proper regulations respecting the passing of stock in droves, and persons and vehicles over said bridge.

Such bridge shall be kept open for travel at all hours of the day or night unless some unavoidable accident shall make such travel for the time unsafe.

The rates of toll and copies of such regulation shall be kept posted at each end of such bridge. [37 G. A., ch. 140, § 6.]

CHAPTER 303

DOCKS

Note: This chapter made applicable to special charter cities by § 6767.

5902. Powers and duties.

5903. Regulations applicable—control by state officers.

5900. Department of public docks—election. The city council or board of commissioners in any incorporated town or city, including cities under commission plan situated on any natural or artificial navigable waterway within or bordering upon the state of Iowa, may, when in their judgment deemed expedient, create a department known as the department of public docks, providing that before said commission may go into operation, the question shall be submitted to the qualified electors of said city or town at a regular election or a special election called for that purpose; and provided further, that a majority of those voting at said election shall vote in favor of the creation of such department of public docks. [S., '13, § 741-w.]

5901. Commissioners—appointment—qualifications—terms—organization—removal—vacancies. The department of public docks shall be administered by a dock board consisting of three members to be known as commissioners of public docks. Within three months, or as soon as possible after the time when this chapter shall go into effect, the mayor of the municipality shall appoint, with the approval of the council, as members of the dock board, three commissioners of public docks, who have been residents of the municipality in which they are appointed for a period of not less than five years, and who shall not at the time of their appointment or during their term of office be interested in or be employed by any common carrier, and said board shall act without compensation. Said commissioners when first appointed shall hold office for a term of one, two, and three years respectively, and shall determine by lot among themselves which commissioners shall hold the said respective terms. Thereafter, one commissioner with the said qualifications shall be appointed annually by the mayor and the term of office of such commissioner shall be three years. The mem-

bers of the board shall qualify by taking oath for the faithful performance of their duties. Within ten days after their appointment the commissioners shall meet and organize the dock board by the election from among their number of a president and a secretary of said board, and shall from time to time adopt rules and regulations for the government of their department and to govern their proceedings, which shall be adopted by resolution recorded in a book kept by the board and known as the book of rules and regulations, and said rules and regulations shall be in force after publication in some newspaper published and circulated in the municipality. The dock board shall maintain an office and keep a record of all of its proceedings and acts, and books of account showing all of its financial transactions, which records and books of accounts shall at all times be open to public inspection. If any commissioner shall at any time during his said incumbency cease to have the qualifications required by this section for his appointment, or shall wilfully violate any of his duties under the law, such commissioner shall be removed by the mayor after written charges have been preferred against him and a due hearing of such charges has been had by the mayor upon reasonable notice to such commissioner. Vacancies occurring in the board through resignation or otherwise shall be filled by the mayor for the unexpired term. [S., '13, § 741-w1.]

5902. Powers and duties. The board shall have power and it shall be its duty for and in behalf of the city or town, hereinafter called the municipality, for which it is organized:

1. *General plan.* To prepare or cause to be prepared a comprehensive general plan for the improvement of its harbor and water front, making provision for the needs of commerce and shipping, and providing for the construction of such docks, basins, piers, quay walls, wharves,

warehouses, tunnels, belt railway connecting with all railway lines within the municipality, and such cranes, dock apparatus, and machinery equipment as it may deem necessary for the convenient and economical accommodation and handling of water craft of all kinds and of freight and passengers, and the free interchange of traffic between the waterway and the railways and the railways and the waterway; which plan shall be filed in the office of the board and be open to public inspection, and which may from time to time be changed, altered, or amended by the board, as the requirements of shipping and commerce and the advance of knowledge and information on the subject may suggest.

2. *Purchase and condemnation of property.* To purchase or acquire by condemnation or other lawful means, such personal property, lands, or rights or interest therein, including easements, as may be necessary for use in the provision and in the construction of any publicly owned harbor, dock, basin, pier, slip, quay wall, wharf, warehouse, or other structure, and in the construction of a belt railway and railway switches, and appurtenances as provided for in such plan as may be adopted by the board. If the board shall deem it proper and expedient that the municipality shall acquire possession of such wharf property, lands, or rights or interests therein, including easements, and no price can be agreed upon between the board and the owner or owners thereof, the board may direct the municipal corporation attorney to take legal proceedings to acquire same for the municipality in manner as is or may be provided by the general laws of the state in the case of corporations having the right of eminent domain. The title of all lands, property, and rights acquired by the board shall be taken in the name of the municipality it represents.

3. *Control of property.* The board shall have exclusive charge and control of the wharf property belonging to the municipality including belt railway located in whole or in part therein, all the wharves, piers, quay walls, bulkheads, and structures thereon and waters adjacent thereto, and all the slips, basins, docks, water fronts, the structures thereon, and the appurtenances, easements, uses, reversions, and rights belonging thereto, which are now owned or possessed by the municipality, or to which the municipality is or may become entitled, or which the municipality may acquire under the provisions hereof or otherwise. The board shall have the exclusive charge and control of the building, rebuilding, alteration, repairing, operation, and leasing of said property and every part thereof, and of the cleaning, grading, paving, sewerage, dredging, and deepening necessary in and about the same.

4. *Abutting property—jurisdiction and improvement.* The board is hereby vested with jurisdiction and authority over that part of the streets and alleys and public grounds of the municipality which abut upon or intersect its navigable waters, lying between the harbor line and the first intersecting street measuring backward from high-water mark, to the extent

only that may be necessary or requisite in carrying out the powers vested in it by this chapter; and it is hereby declared that such jurisdiction and authority shall include the right to build retaining or quay walls, docks, levees, wharves, piers, warehouses, or other constructions, including belt railway and railway switches, across and upon such streets and alleys and public grounds, and to grade, fill, and pave the same to conform to the general level of the wharf, or for suitable approaches thereto; provided that such improvements shall be paid for out of funds in the hands of the board and not by assessments against abutting property.

5. *Control consistent with navigation laws—collect tolls.* The board is also vested with exclusive government and control of the harbor and water front consistent with the laws of the United States governing navigation, and of all wharf property, belt railway, wharves, piers, quay walls, bulkheads, docks, structures, and equipment thereon, and all the slips, basins, waters adjacent thereto, and submerged lands and appurtenances belonging to the municipality, and may make reasonable rules and regulations governing the traffic thereon and the use thereof, with the right to collect reasonable dockage, wharfage, sheddage, storage, craning fees, and tolls thereon, as hereinafter provided.

6. *Rules and regulations—specifications—ordinances—publication.* The board shall have power to make general rules and regulations for the carrying out of the plans prepared and adopted by it for the building, rebuilding, repairing, alteration, maintenance, and operation of all structures, erections, or artificial constructions upon or adjacent to the water front of the municipality, whether the same shall be done by the board or by others; and except as provided by the general rules of the board, no new structures or repairs upon or along said water front shall be undertaken, except upon application to the board and under permit by it and in accordance with the general plans of the board and in pursuance of specifications submitted to the board and approved by it upon such application. The general rules and regulations of the board, whenever adopted by it, shall be embodied in the form of ordinances and certified copies thereof shall, forthwith upon their passage, be transmitted to the clerk of the municipality who shall cause the same to be transcribed at length in a book kept for that purpose and the same shall be included in any compilation or publication of the ordinances of the municipality. Upon filing any such certified copy of any such ordinances, the said clerk shall forthwith cause the same to be published once in some newspaper of general circulation published in the municipality, or if none is there published, then in the next nearest newspaper published in this state, and the said ordinance shall be in force and effect from and after the date of said publication. Provided, however, that if the said ordinances are included in any book or pamphlet of ordinances

published by said municipality, no other publication shall be required, and they shall be in force and effect from the date said book or pamphlet is published. The said ordinances of the board shall not be considered or construed as ordinances of said municipality except as they may be adopted as ordinances of said municipality, and the provisions of the code and statutes of the state now or hereafter enacted relative to ordinances of cities and towns shall not apply to ordinances passed by said board unless express reference be made thereto in said statutes.

7. *Tolls and charges—regulations.* The board shall have the power to fix and regulate and from time to time to alter the tolls, fees, dockage, wharfage, crantage, sheddage, storage, and other charges for all public-owned docks, levees, belt railway, piers, quay walls, slips, basins, wharves, and their equipment, or the use of any portion of the water front of the municipality, which charges and rates shall be collectible by the board and shall be reasonable with a view only of defraying the necessary annual expenses of the board in constructing and operating the improvements and works herein authorized; a schedule of such charges and regulations shall be enacted by the board in the form of ordinances and a certified copy thereof shall be transmitted to the clerk of the municipality in like manner as other ordinances of the board before the same shall go into or be in effect, and a copy of same shall be kept posted in a conspicuous place in the office of the board.

9. *Construction work plans—approval—public inspection—bids—exceptions — emergencies.* In the construction of docks, levees, wharves, and their appurtenances, or in contracting for the construction of any work or structures authorized by this chapter, the board shall proceed only after full and complete plans (approved by the board) and specifications for said work have been prepared and submitted and filed with the board by its engineer for public inspection, and after public notice asking for bids for the construction of such work, based upon such plans and specifications, has been published in some newspaper of general circulation published within the municipality, or if none so published, then in the nearest newspaper published in this state, which publication shall be made at least thirty days before the time fixed for the opening of said bids and contracting for such work; and such contract may then be made with the lowest responsible bidder therefor, unless the board deems the bids ex-

The provisions of section 6238 shall not apply to said indebtedness evidenced by such bonds. The board shall annually make to the council a report of the receipts and disbursements made by or on account of said board, and shall file with the council an estimate of the amounts necessary to be raised by taxation to defray the expenses of the board. The council shall at the time of levying annual taxes levy a sufficient tax not exceeding said two mills to meet the said estimate and which shall be collected as other taxes and paid over to the treasurer of the municipality and by him credited to the fund to be known as the dock fund.

landings, or market places of all additions to any city or town shall be done in the same manner, and conform to existing streets, avenues, highways, and alleys thereof. [C., '97, § 783.]

5953. Change. When any city or town shall have established the grade of any street or alley, and any person shall have made improvements on the same, or lots abutting thereon, according to the established grade thereof, and such grade shall thereafter be altered in such a manner as to damage, injure, or diminish the value of such property so improved, said city or town shall pay to the owner of such property the amount of such damage or injury. [C., '73, § 469; C., '97, § 785.]

5954. Appraisers. The amount of such damage or injury shall be determined and assessed by three disinterested freeholders, one of whom shall be selected by the mayor, one by the owner of the property, and one by the two so appointed; or, in case of their disagreement, by the council. If the owner fails to select an appraiser within ten days from the time of receiving notice to select same, then the council shall select all such appraisers. [C., '73, § 469; C., '97, § 786.]

5955. Notice. The appraisers shall take an oath to faithfully and impartially discharge their duties. They shall give ten days' notice in writing to the owner of the property affected of the time and place of their meeting to view the premises and make their assessment, if such owner resides in the county; which notice shall be served in the same manner as original notices in the district court. If the owner resides outside of the county, or his residence is unknown, notice shall be given by publication once a week for three weeks in some newspaper published in the city or town where the property is located. [C., '73, § 469; C., '97, § 787.]

5956. Assessment. The appraisers shall view the premises, and, in their discretion, receive evidence, and may adjourn from day to day. When the appraisal is completed, the appraisers shall sign and return the same to the council, which shall be done within thirty days from the date of their selection. [C., '73, § 469; C., '97, § 788.]

5957. Confirmation or annulment. The council may, in its discretion, confirm or annul the appraisal, and, if annulled, all proceedings shall be void and of no effect; but, if confirmed, an order of confirmation shall be entered by the clerk in the record of the proceedings of the council. [C., '73, § 469; C., '97, § 789.]

5958. Limitation. No alteration of grade shall be made until the damages assessed shall have been paid or tendered to the owner of the property so injured or damaged. [C., '73, § 469; C., '97, § 789.]

5959. Appeal. Any person interested may appeal from the order of confirmation to the

district court of the county in which such property is located, by giving written notice thereof to the mayor, within twenty days after the order of confirmation is entered. [C., '73, § 469; C., '97, § 790.]

5960. Trial. On the trial of the appeal, all questions involved in the proceedings, including the amount of damages, shall be open to investigation, and the burden of proof shall, in all cases, be upon the city or town to show that the proceedings are in accord with the provisions of this chapter. [C., '73, § 469; C., '97, § 790.]

5961. Costs. The cost of such proceedings, incurred prior to the order of confirmation or annulment of the appraisal, shall in all cases be paid by the city or town. If the person appealing recovers more damages than were awarded by the appraisers, he shall recover the costs of the appeal; if he recovers the same or less than the award, the costs of the appeal shall be taxed to him. [C., '73, § 469; C., '97, § 790.]

Unless the owners of a majority of the linear feet of the property fronting on said improvements petition the council therefor, the same shall not be made unless three-fourths of all the members of the council shall by vote order the making thereof. [C., '73, § 466; C., '97, § 779; S., '13, § 779; 40 Ex. G. A., H. F. 168, § 6.]

5963. Objections. All objections to the cost of construction of permanent sidewalks, as provided by the code, against the lots or parcels of land in front of which the same are constructed, and all objections to the prior proceedings, on account of errors, irregularities, or inequalities, must be made in writing and filed with the city clerk prior to the date fixed for said assessment; and all objections not so made shall be deemed waived, except where fraud is shown. [S., '13, § 791-a.]

5964. Payment under waiver. If the owner of any lot or parcel of land against which an assessment for permanent sidewalks is made shall, at the time of making said special assessment, promise and agree in writing, indorsed on a certificate, or in a separate agreement, that in consideration of having the right to pay his assessment in installments, he will not make any objection of illegality or irregularity

as to the assessment or levy of such tax upon and against his property, and will pay said assessment, with interest thereon at such rate, not exceeding six per cent per annum, as shall by ordinance or resolution of the council be prescribed, such tax, so levied against the lot or parcel of land of such owner, shall be payable in seven equal installments, the first of which shall mature and be payable on the date of said assessment and the others, with interest on the whole amount unpaid, annually thereafter, at the same time and in the same manner as the March semiannual payment of ordinary taxes. All such taxes, with interest, shall become delinquent on the first day of March next after their maturity and shall bear same rate of interest, with same penalties as ordinary taxes. [S., '13, § 791-b.]

5966. Certificates of levy—lien. A certificate of levy of such special assessment, fixing the number of installments and the time when payable, certified as correct by the city clerk, shall be filed with the auditor of the county, or each of the counties, in which the city is situated and thereupon said special assessment, as shown therein, shall be placed on the tax list of the proper county and said taxes and special assessment, with all interest and penalties thereon, shall become and remain a lien upon such lot or parcel of land until the same is paid; and said lien shall have precedence over all other liens, except ordinary taxes. [S., '13, § 791-c.]

5967. Certificates—effect. Such certificate shall be the same as certificates of the levy of special assessments for street improvements, and shall create the same rights and liabilities and the same procedure shall apply thereto. [S., '13, §§ 791-d-791-g; 40 Ex. G. A., H. F. 168, § 7.]

[C., '73, § 468; C., '97, § 777; S., '13, § 777; 38 G. A., ch. 150, § 1; 40 Ex. G. A., H. F. 168, § 8.]

5969. Repair. Cities and towns shall have power to repair sidewalks without notice to the property owner, and assess the expense

thereof on the property in front of which such repairs are made, and the same shall be certified and collected as other taxes. [C., '73, § 467; C., '97, § 780.]

5975. Street improvements. Cities shall have power:

1. To improve any street by grading, parking, curbing, paving, oiling, graveling, macadamizing, or guttering the same or any part thereof, or by constructing electric light fixtures along same, and to repair such improvements.
2. To establish districts, the boundaries of which may be changed as may be just and equitable, for the improvement or repair, by paving or graveling, of such streets within the

corporation as in the judgment of the council constitute main traveled ways into and out of such cities. 1. [R., '60, § 1097; C., '73, §§ 466, 527; C., '97, §§ 779, 792; S., '13, §§ 779, 792, 792-f; 37 G. A., ch. 172, § 1; 39 G. A., ch. 284, § 1; 40 Ex. G. A., S. F. 169, § 1.] 2. [S. S., '15, §§ 840-h, 840-i; 39 G. A., ch. 138, §§ 1, 2; 40 Ex. G. A., S. F. 169, § 1.]

5976. Grading required. The construction of permanent parking, curbing, paving, graveling, macadamizing, or guttering shall not be done until the bed therefor shall have been graded, so that such improvement, when fully completed, will bring the street up to the established grade. [C., '97, § 792; S., '13, § 792; S. S., '15, § 840-q; 40 Ex. G. A., S. F. 169, § 2.]

5977. Grading cost assessable. Only so much of the cost of the removal of the earth and other material as lies between the subgrade and the established grade shall be assessed to private property. [C., '97, § 792; S., '13, § 792; 40 Ex. G. A., S. F. 169, § 2.]

5978. Preparing for oiling—cost. The cost of preparing a street to receive oil shall be paid by the city, except that portion between the rails of any railway or street railway, and one foot outside thereof. [37 G. A., ch. 172, § 1; 40 Ex. G. A., S. F. 169, § 2.]

5979. Use of old material. Upon repaving, they may use the old material for such repair and dispose of the waste material and salvage from the old pavement as the council may by resolution direct. The value of the salvage so used or the proceeds derived from the sale thereof shall be equitably applied upon the cost of the new improvement. [S., '13, §§ 792, 792-f; 38 G. A., ch. 25, § 1; 40 Ex. G. A., S. F. 169, § 3.]

5980. Sale of salvage. No salvage may be sold until the owner of property assessed for the original construction of the paving shall have been given ten days' notice in writing requiring him to elect whether he desires such salvage, which notice shall be personally served on the owner or his agent, or, if neither be found, by posting in a conspicuous place on the property. The election, if made, shall be in writing and filed with the clerk. No owner electing to take salvage shall be entitled to a pro rata distribution derived from the proceeds of sale of salvage. [40 Ex. G. A., S. F., 169, § 3.]

5981. Gas, water, and other connections. They shall have power to require the connections from gas, water, and steam-heating pipes, sewers, and underground electric construction, to the curb line of adjacent property, to be made before the permanent improvement of the street and, if such improvements have already been made, to regulate the making of such connections, fix the charges therefor, and make all needful rules in relation thereto, and the use thereof. If the

owners of property on such streets fail to make such connections in the manner and within the time fixed by the council, it may cause the same to be made, and assess the cost thereof against the property for which they are made. [C., '97, §§ 779, 809; S., '13, §§ 779, 792-f; 40 Ex. G. A., S. F. 169, § 4.]

5982. Connections under waterworks trustees. When any city having a board of waterworks trustees has ordered any street permanently improved by paving, graveling, or macadamizing, the council shall at once notify the board of the passage of the resolution of necessity. The board shall report to the council the lots and names of the owners and the requirements in respect to connections from any water mains or pipes to the curb line of the abutting and adjacent property. Thereupon the council shall pass a resolution requiring the respective owners of the said abutting or adjacent property to make said connections in the manner required by the rules of the board, and fixing a time therefor. Notice thereof shall be given by two publications in some newspaper published in such city, the first of which shall be at least twenty days prior to the time fixed in said resolution. [C., '97, § 809; S., '13, §§ 779, 792-f; 38 G. A., ch. 92, § 1; 40 Ex. G. A., S. F. 169, § 5.]

5983. Installation—cost. If the owner fail to put in the said water connections before the time fixed or within such additional time, not exceeding thirty days, as may be granted by the council, the board of waterworks trustees shall put in said connections and certify the actual cost thereof to the council. The council shall assess the same to the respective lots in the manner in which other special assessments are made. [C., '97, § 809; S., '13, §§ 779, 792-f; 38 G. A., ch. 92, § 1; 40 Ex. G. A., S. F. 169, § 6.]

5984. Sewers. Cities shall have the power to construct and repair sewers and catch basins in any street within their limits. Any city may by ordinance be divided into such sewer districts as the council may determine, numbering them consecutively, or the entire city may be included in one district. [C., '73, § 465; C., '97, §§ 791, 794; S., '13, § 840-a; 38 G. A., ch. 59, § 1; 40 Ex. G. A., S. F. 169, § 7.]

5985. Outlets and purifying plants. They may construct outlets and purifying plants in connection with or as additions to sanitary sewers, and such outlets and plants may be considered as a part of the sewer system, and the cost thereof may be assessed against property benefited thereby. [S. S., '15, § 840-g; 37 G. A., ch. 222, §§ 1, 2; 40 Ex. G. A., S. F. 169, § 8.]

5986. Main sewer assessments. In addition to other powers, cities having a population of less than forty-seven thousand shall have power to assess the whole or any part of the cost of the construction of any main sewer or system of main sewers to the respective lots as adjacent property which are included within

a district to be fixed by the council, which may include all territory within the drainage area of such main sewer or main sewer system. [S., '13, § 840-d; 40 Ex. G. A., S. F. 169, § 9.]

5987. "Adjacent property" and "main sewer". All such lots which may be furnished with sewer connections or drained by such main sewer or sewer system, shall be considered as adjacent property.

A main sewer shall be held to mean any sewer that is commonly referred to by any one of the following terms: "intercepting sewer, out-fall sewer, or trunk sewer." [S., '13, §§ 840-c, 840-d; 40 Ex. G. A., S. F. 169, § 9.]

5988. State building. Any city in which any state building may be situated shall permit the officers in charge thereof and the persons constructing or improving the same, to construct sewers therefor through or under any of its streets, or to connect the same with its sewer system under the same regulations that are provided for private property owners. [C., '97, § 794; 40 Ex. G. A., S. F. 169, § 10.]

5989. Condemnation. Cities shall have power to condemn, in the manner provided for the condemnation of land for their needs, right of way through private property to and along ravines and natural watercourses sufficient for the construction and maintenance of sewers. The cost of such right of way shall constitute a part of the expense of sewers and be assessed accordingly. [C., '97, §§ 791, 795; S., '13, § 840-a; 38 G. A., ch. 59, § 1; 40 Ex. G. A., S. F. 169, § 11.]

5990. Cross sewers. They shall have power to provide the terms and conditions on which cross and lateral sewers may be connected with main sewers. In cases where sewers have been paid for in whole or in part by special assessment, they may pay to the parties to whom the benefits have been assessed an equitable proportion of the money collected for the purpose of connecting such cross or lateral sewers. [C., '97, §§ 791, 796; S., '13, § 840-a; 40 Ex. G. A., S. F. 169, § 12.]

5991. Resolution of necessity—contents. When the council shall deem it necessary to construct, reconstruct, or resurface any street improvement or to construct or reconstruct any sewer, it shall, in a proposed resolution, declare such necessity, stating the kinds of material proposed to be used and method of construction, whether private property will be assessed, and, in case of sewers, the kinds and size, and what adjacent property is proposed to be assessed therefor, and in both cases designate the location and terminal points thereof. That the plat and schedule are on file in the office of the clerk shall be stated in the resolution. [C., '73, §§ 465, 466; C., '97, §§ 791, 810; S. S., '15, §§ 810, 840-j; 39 G. A., ch. 138, § 3; 40 Ex. G. A., S. F. 169, § 13.]

5992. Additional contents. The council may, in addition to the requirements of the preceding

section, incorporate in the resolution of necessity notice of its intention to issue bonds, as provided in section 6109, and may also provide that unless property owners at the time of the final consideration of said resolution have on file with the clerk objections to the amount of the proposed assessment, they shall be deemed to have waived all objections thereto. [40 Ex. G. A., S. F. 169, § 13-a1.]

5993. Plat and schedule. Before the resolution of necessity is introduced, the council shall prepare and file with the clerk a plat and schedule showing:

1. The boundaries of the district, if any.
2. The streets to be improved.
3. The width of such improvement.
4. Each lot proposed to be assessed.
5. An estimate of the cost of the proposed improvement, stating the same for each different type of construction and kind of material to be used.

6. In each case the amount thereof which is estimated to be assessed against each lot. [S. S., '15, § 840-k; 40 Ex. G. A., S. F. 169, § 14.]

5994. Cost of schedule. The cost of making the plat and schedule shall be paid from the improvement fund. [40 Ex. G. A., S. F. 169, § 14.]

5995. Time of hearing—objections permitted. The council shall fix the time for the consideration of the proposed resolution of necessity, at which time the owners of property subject to assessment for the proposed improvement or sewer may appear and make objection to the boundaries of the proposed district, to the cost of improvement, to the amount proposed to be assessed against any lot, and to the passage of the proposed resolution. [C., '97, § 810; S. S., '15, §§ 810, 840-m; 39 G. A., ch. 138, § 5; 40 Ex. G. A., S. F. 169, § 13.]

5996. Remonstrance—vote required—amendment. No resolution providing for the improvement of streets by paving shall be passed except by unanimous vote of the entire council, if, at the time set for its consideration, a remonstrance shall have been filed with the council signed by sixty per cent of the property owners and by the owners of seventy-five per cent of the property subject to assessment. At the hearing the resolution may be amended and passed, or passed as proposed. [R., '73, § 466; C., '97, § 810; S. S., '15, §§ 810, 840-m; 40 Ex. G. A., S. F. 169, § 13.]

5997. Notice. It shall cause notice of the time when said resolution will be considered by it for passage to be given by two publications in some newspaper published in the city, the last of which shall be not less than two nor more than four weeks prior to the day fixed for its consideration; but if there be no such newspaper, such notice shall be given by posting copies thereof in three public places within the limits of the city. [C., '97, § 810; S., '13, § 840-a; S. S., '15, §§ 810, 840-l; 38 G. A., ch. 384, § 1; 40 Ex. G. A., S. F. 169, § 15.]

5998. Improvement ordered. After the passage of the resolution of necessity, the council by another resolution may order the construction, reconstruction, or resurfacing of the improvement or the construction or reconstruction of the sewer. [C., '97, §§ 794, 811; S. S., '15, § 840-n; 39 G. A., ch. 138, § 6; 40 Ex. G. A., S. F. 169, § 16.]

5999. Record—vote required. The record shall show whether the improvement or sewer was petitioned for or made on motion of the council. If the improvement or sewer is made on the motion of the council, such resolution shall require for passage the vote of three-fourths of all the members of the council, or, in cities under the commission form of government having but three members of the council, the vote of two members; but if petitioned for by a majority of the resident owners of property to be assessed for the construction thereof, the resolution may be passed by a majority vote of the council. [C., '97, §§ 793, 794, 811; S., '13, §§ 792-b, 793; 40 Ex. G. A., S. F. 169, § 16.]

All contracts for the construction or repair of street improvements (except graveling, oiling, or repairs other than reconstruction or resurfacing) or sewers, shall contain a provision obligating the contractor and his bondsmen from the time of acceptance by the city to keep in good repair such street improvement for not less than four years or such sewer for not less than two years. After a contract has been made by any city for the construction or repair of any street improvement or sewer, the clerk shall certify as correct and file with the auditor of each county in which said city is situated, a copy of the resolution directing the construction or repair of said improvement or sewer, and a copy of the plat and schedule referred to in the resolution of necessity and on file in his office. In all counties where taxes are collected in two or more places, they shall be filed in the office of the auditor in the place where said special taxes are collected, and be preserved by him as a part of the records of his office. The auditor shall keep a book properly ruled for the purpose and enter thereon opposite each lot number the amount of the estimated assessment against the same. [C., '97, § 816; S., '13, § 816; 40 Ex. G. A., S. F. 169, § 22.]

6008. Lien generally. Thereupon all special taxes for the cost thereof, or any part of said cost, which are to be assessed and levied against real property, or any railway or street railway, together with all interest and penalties on all of said assessments, shall become and remain a lien on such property from the date of the filing of said papers with the county auditor until paid, and such liens shall have precedence over all other liens except ordinary taxes, and shall

not be divested by any judicial sale. [C., '97, § 816; S., '13, §§ 792-f, 816; 40 Ex. G. A., S. F. 169, § 23.]

6009. Lien on rights of way. Any such assessment against a railway or street railway shall be a first and paramount lien upon the track thereof within the limits of the city. [C., '97, § 816; S., '13, §§ 792-f, 816; 40 Ex. G. A., S. F. 169, § 23.]

In the case of sewers, such cost may be paid from the sewer fund or district sewer fund, or the general fund, as provided in the fourth succeeding section. In case of street improvements, such cost may be paid from the improvement fund. [C., '97, § 817; S., '13, § 792-f; 37 G. A., ch. 172, § 1; 40 Ex. G. A., S. F. 169, § 24.]

The cost of construction, reconstruction, or resurfacing of any street improvement, except as provided in the preceding section, and except for that part for which railways or street railways are liable, shall be assessed as a special tax against all lots according to area, so as to include one-half of the privately owned property between the street improved and the next street, whether such privately owned property abut upon said street or not. In no case except where the district method of assessment is used, shall property situated more than three hundred feet from the street so improved be so assessed. Such assessment for improvements upon an alley shall be confined to privately owned property within the block or blocks improved, and if not platted into blocks, to property not more than one hundred fifty feet from the improved alley. 6014. Cost of paved roadway. Not more than one-half of the cost of the construction of a roadway within an assessment district may be paid by the city, and the part of the cost not so paid shall be assessed against the lots embraced in the paving district established therefor. Said methods of assessment may be combined. [C., '97, § 819; S., '13, §§ 840-a, 840-d; 38 G. A., ch. 59, § 1; 40 Ex. G. A., S. F. 169, § 28.]

6017. Deficiencies—nonassessable property. If the special assessment which may be levied against any lot shall be insufficient to pay its proportion of the cost of constructing or repairing a street improvement or sewer, the deficiency, if for a street improvement, may be paid out of the general fund or the improvement fund, and if for a sewer, may be paid out of the general fund or the sewer fund. If there be property against which no special assessment can be levied, the proportion of the cost of the improvement or sewer which might otherwise be assessed against such property shall be paid in like manner. [S., '13, § 792-b; 40 Ex. G. A., S. F. 169, § 46.]

6018. Assessment. When the construction or repair of any street improvement or sewer, or such part thereof as under the contract is to be paid for when done, shall have been completed, the council shall within thirty days thereafter accept or reject the work, and after acceptance of the work shall, within thirty

days, ascertain the cost thereof, including the cost of the estimates, notices, inspection, and preparing the assessment and plat, and shall also ascertain what the proportion of such cost shall be, by law or the resolution of the council under which such improvement was made or sewer constructed, assessable upon private property, and shall within said time assess such portions upon and against such private property. [C., '97, § 820; S., '13, §§ 779, 820, 840-a; S. S., '15, § 840-r; 40 Ex. G. A., S. F. 169, § 30.]

6020. Exemption. The council may exempt the homestead of any honorably discharged soldier or sailor of the Mexican war or the war of the rebellion or his unmarried widow from any charge or claim on account of such special assessment, if such person is not the owner of sufficient nonexempt property to pay the special assessment. If such exemption is made, the special assessment shall be paid from the general fund. [37 G. A., ch. 94, § 1; 40 Ex. G. A., S. F. 169, § 32.]

6021. Assessment—rate. When any city council levies any special assessment for any public improvement against any lot, such special assessment shall be in proportion to the special benefits conferred upon the property thereby and not in excess of such benefits. Such assessment shall not exceed twenty-five per cent of the actual value of the lot at the time of levy, and the last preceding assessment roll shall be taken as prima facie evidence of such value. [S., '13, §§ 792-a, 792-f; S. S., '15, §§ 840-a, 840-j, 840-r; 40 Ex. G. A., S. F. 169, § 33.]

6023. Plat and schedule. In assessing that part of the cost of the construction or repair of any street improvement or sewer, or completed part thereof, which is assessable against private property, the council shall cause to be prepared a plat of the streets or the parts thereof on which the same shall have been constructed or repaired, showing the separate lots, or specified portion thereof, subject to assessment for such improvement, the names of the owners thereof so far as practicable, and the amount to be assessed against each lot, and against any railway or street railway, and shall file said plat and schedule in the office of the clerk, which shall be subject to public inspection. [C., '97, § 821; S., '13, § 792-f; S. S., '15, § 840-r; 40 Ex. G. A., S. F. 169, § 34.]

Upon the completion of the oiling of a street, the officer designated by the council to have charge thereof shall, within thirty days, file with the clerk a statement of the amount due, if the work was done by contract; or if done by the municipality, an itemized, verified statement of expenditures for materials and labor used in making such improvement. [37 G. A., ch. 172, § 2; 40 Ex. G. A., S. F. 169, § 35.]

The city engineer, or other person employed by the council to discharge the duties of such office, shall, under its direction, make or assist in making all estimates for street improvements and sewers, furnish the necessary grades and lines, see that the work conforms thereto and is in accordance with the resolution of the council, and make or assist in making each required assessment, plat, and schedule. [C., '97, § 822; S., '13, §§ 792-f, 840-a; 40 Ex. G. A., S. F. 169, § 36.]

Said notice shall state that said plat and schedule or report are on file in the office of the clerk, and that within twenty days after the first publication all objections thereto, or to the prior proceedings, on account of errors, irregularities, or inequalities, must be made in writing and filed with the clerk. [C., '97, § 823; S., '13, § 823; S. S., '15, § 840-r; 37 G. A., ch. 172, § 3; 38 G. A., ch. 386, § 1; 40 Ex. G. A., S. F. 169, § 37.]

When any common carrier or railway, not including street railways, owning any land or property affected by any proposed assessment for public improvement in any city or county, shall have filed in the office of the clerk of said city, or with the auditor of said county, as the case may be, wherein such improvement is proposed, an instrument in writing giving a complete description of such land and designating the name and postoffice address of its agent in said state upon whom service of notice may be made, the clerk of said city, or the county auditor of said county, shall, not less than ten days prior to the date set for the levying of assessments covering such improvement, mail a notice thereof in a registered letter addressed to such person or agent so designated. Failure to give such notice shall not delay or invalidate the proceedings or assessment. [39 G. A., ch. 196, § 1; 40 Ex. G. A., S. F. 169, § 38.]

6028. Hearing and decision. The council having heard such objections and made the necessary corrections, shall then make the special assessments as shown in said plat and schedule, as corrected and approved. [C., '97, § 823; S., '13, § 823; 37 G. A., ch. 172, § 4; 40 Ex. G. A., S. F. 169, § 37.]

6029. Objections waived. All objections to errors, irregularities, or inequalities in the making of said special assessments, or in any of the prior proceedings or notices, not made before the council at the time and in the manner provided in section 6026, shall be waived except where fraud is shown. [C., '97, § 824; S. S., '15, § 840-r; 37 G. A., ch. 172, § 5; 40 Ex. G. A., S. F. 169, § 39.]

Unless the owner of any lot or railway or street railway, the assessment against which is embraced in any bond or certificate provided for by law, shall, within thirty days from the date of such assessment, file written objections to the legality or regularity of the assessment or levy of such tax upon and against his property, such owner shall be deemed to have waived objection on these grounds and shall have the right to pay said assessment, with interest thereon not exceeding six per cent per annum, in ten equal annual installments. In no case shall the owner of any lot be liable for more than the value of the property included in such assessment. The cost of oiling the streets may not be paid in installments. Any or all installments not yet paid together with accrued interest thereon may be paid on the due date of any installment.

All such taxes with interest shall become delinquent on the first day of March next after

their maturity, and shall bear the same interest with the same penalties as ordinary taxes.

Upon the payment of any installment, there shall be computed and collected interest on the whole assessment remaining unpaid up to the first day of April following. [C., '97, §§ 825, 827; S., '13, §§ 825, 840-a; S. S., '15, § 840-r; 40 Ex. G. A., S. F. 169, § 42.]

A certificate of levy of such special assessment, stating the number of installments, the rate of interest, and time when payable, certified as correct by the clerk, shall be filed with the auditor of the county, or of each of the counties, in which such city is located, and thereupon said special assessment as shown therein shall be placed on the tax list of the proper county. [C., '97, § 826; S. S., '15, § 840-r; 37 G. A., ch. 172, § 4; 40 Ex. G. A., S. F. 169, § 43.]

6035. Right of payment. The owner of any property against which a street improvement or sewer assessment has been levied, shall have the right to pay the same, or the unpaid installments thereof, with all interest, as the case may be, up to the time of said payment, with any penalties and the cost of any proceedings for the sale of the property for such special assessment or installments. [C., '97, § 828; S. S., '15, § 840-r; 40 Ex. G. A., S. F. 169, § 44.]

NOTE: Right to pay after appeal or objection, see § 6066.

6036. Division of property. If any owner of property subject to special assessment shall divide the same into two or more lots, he may discharge the lien upon any one or more of them by payment of the amount unpaid, calculated by the ratio of square feet in area of such lot or lots to the area of the whole lot. [C., '97, § 828; S. S., '15, § 840-r; 40 Ex. G. A., S. F. 169, § 44.]

6037. Tax sale. Property against which a special assessment has been levied for street improvements or sewers may be sold for any sum of principal or interest due and delinquent at any regular or adjourned tax sale, in the same manner, with the same forfeitures, penalties, and right of redemption, and certificates and deeds on such sales shall be made in the same manner and with like effect, as in case of sales for the nonpayment of ordinary taxes. [C., '97, § 829; S. S., '15, § 840-r; 40 Ex. G. A., S. F. 169, § 45.]

6041. Assignment of certificate. Any holder of any special assessment certificate against a lot, or any holder of a bond payable in whole or in part out of a special assessment against a lot, which has been sold for taxes, either general or special, shall be entitled to an assignment of any certificate of tax sale of said property for any general taxes or special taxes thereon, upon tender to the holder or to the county auditor of the amount required to redeem therefrom. [C., '97, § 816; S., '13, §§ 792-f, 816; 40 Ex. G. A., S. F. 169, § 23.]

[C., '97, § 830; 40 Ex. G. A., S. F. 169, § 47.]

6043. Roadway district fund. When part of the cost of constructing or repairing a roadway within an assessment district is to be paid by the city, it may levy an annual tax for such purpose upon all the taxable property in such city, except moneys and credits, but the aggregate of all such levies shall not exceed ten mills; except that in cities having a population of fifty thousand or more, such levies shall not exceed fifteen mills in the aggregate. [S. S., '15, § 840-o; 37 G. A., ch. 376, § 1; 39 G. A., ch. 138, § 7; 40 Ex. G. A., S. F. 169, § 48.]

6044. Payment from primary road fund. If, in any city, extensions of primary roads are being improved or to be improved, under the provisions of subsection 2 of section 5975, any or all of that portion of the improvement not specially assessable on the property within the assessment district and which would under the law have to be met by a tax on the city as a whole, may be paid from the primary road fund allotted to the county in which such city is located. [39 G. A., ch. 230, § 1; 40 Ex. G. A., S. F. 169, § 49.]

6045. Application for payment. Before proceeding with such improvement for which it is proposed to make part payment from the primary road fund, the city council shall by resolution make application to the board of supervisors therefor. This resolution shall specifically state:

1. The location of the improvement proposed, giving the starting point and terminus thereof.

2. The approximate length thereof.

3. The width or widths of paving proposed.

4. An estimate of the cost of the proposed improvement.

5. An estimate of the amount that can be specially assessed against the property within the proposed district.

6. A statement of the amount to be borne by the city.

7. A statement of the amount proposed to be paid from the primary road fund.

The resolution shall be accompanied by a plat on which are indicated the road or street to be improved, the primary road connecting therewith, the location of other streets or roads in the vicinity, and the approximate boundaries of the assessment district which it is proposed to establish. [39 G. A., ch. 230, § 2; 40 G. A., ch. 127, § 1; 40 Ex. G. A., S. F. 169, § 50.]

6046. Decision by supervisors. The board of supervisors shall examine said application and shall, within thirty days after the filing thereof with the county auditor, take action thereon. The board may approve said application in whole or in part or may wholly reject the same, whereupon the resolution, together with a record of the board's action thereon, shall be forwarded to the state highway commission for final review. It may approve the application in whole or in part or may wholly reject the same. If the application be approved in any part, the commission shall make an appropriation in aid of said improvement from the primary road fund allotted said county.

The city council and the board of supervisors shall be immediately notified of the action taken. [39 G. A., ch. 230, § 3; 40 Ex. G. A., S. F. 169, § 51.]

6048. Approval of plans—estimates—payment. The plans and specifications for the improvement shall receive the approval of the state highway commission before the contract is let, or before it becomes effective. When the work or any substantial portion thereof is completed to the satisfaction of the state highway commission, payment of the pro rata share thereof, payable out of the primary road fund, may be made. The estimates payable from the said fund shall be prepared, approved, and paid in the usual manner for primary road bills generally, except that said bills shall be approved by the city council instead of the board of supervisors. [39 G. A., ch. 230, § 4; 40 Ex. G. A., S. F. 169, § 52.]

6049. Election not required—limitation. The provisions of section 4694 relative to voting on the question of hard surfacing the primary roads shall not apply to improvements made under the five preceding sections; but in counties which have not authorized the hard surfacing of the primary roads, and in which the said primary roads have not all been built to finished grade and drained, the state highway commission shall give preference to such grading and draining projects, and not to exceed twenty per cent of the annual allotment of the primary road funds may be spent under the provisions of the five preceding sections. [39 G. A., ch. 230, § 5; 40 Ex. G. A., S. F. 169, § 53.]

6050. Sewer fund. When the whole or any part of the cost of constructing or repairing any sewer shall be ordered paid from the sewer fund of any sewer district or from the sewer fund or from the main sewer fund, the council may, after the completion of the work, by resolution levy at one time the whole or any part of such cost upon all the taxable real property within such sewer district or within the city, as the case may be, and determine the whole percentage of tax necessary to pay the same, and the percentage to be paid each year, not exceeding the maximum annual limit of said taxes, and the number of years, not exceeding ten, given for the maturity of each installment thereof. [C., '97, § 831; S., '13, §§ 840-a, 840-d; 40 Ex. G. A., S. F. 169, § 54.]

6051. Certification to county auditor. Certificates of such levies shall be filed with the auditor of the county or counties in which the city is located, setting forth the amount or percentage and maturity of the tax, or each installment thereof, designating by reasonable description the real property upon which the tax is to be levied, certified as correct by the clerk, and thereupon the tax shall be placed upon the tax list of the proper county or counties. [C., '97, §§ 830, 831; S. S., '15, § 840-r; 40 Ex. G. A., S. F. 169, § 55.]

6052. Improvements by railways. All railway and street railway companies shall be required to construct and repair all street improvements between the rails of their tracks, and one foot outside thereof, at their own expense, unless by ordinance of the city, or by virtue of the provisions or conditions of any ordinance of the city under which said railway or street railway may have been constructed or may be maintained, it may be required to improve other portions of said street, and in that case said railway or street railway shall construct and repair the improvement of that part of the street specified by such ordinance; and such improvement, or repair thereof, shall be of the material and character ordered by said city, and shall be done at the time the remainder of said improvement is constructed or repaired. [C., '97, § 834; S. S., '15, § 840-r; 37 G. A., ch. 172, § 1; 40 Ex. G. A., S. F. 169, § 56.]

6053. Maintenance by railways. When an improvement is made, said companies shall lay,

in the best approved manner, such rail as the council may require. They shall keep the part of the improvement they are liable to construct or maintain up to grade. [C., '97, § 834; S. S., '15, § 840-r; 40 Ex. G. A., S. F. 169, § 57.]

6054. Construction and assessment by city. If the owner of said railway or street railway shall fail or refuse to comply with the order of the council to construct or repair an improvement, such work may be done by the city, and the expense thereof shall be assessed upon the real estate and personal property of said railway or street railway company within said city, and against such railway or street railway company, in the manner hereinbefore provided for the assessment of such cost against private property and the owners thereof. [C., '97, § 834; S. S., '15, § 840-r; 40 Ex. G. A., S. F. 169, § 58.]

6055. Enforcing railway assessment. Any special assessment made under this chapter against any railway or street railway shall be a debt due personally from such railway. Such special assessments and each installment thereof, and certificates issued therefor when due, may be collected by action at law, in the name of the city against such railway or street railway, or the lien thereof enforced against the property of such railway or street railway, on or against which the same has been levied, by action in equity, at the election of the plaintiff; and in any action at law where pleadings are required, it shall be sufficient to declare generally for work and labor done, or materials furnished, on the particular street, the levy of the tax and nonpayment of the same; and in any action in equity, it shall be sufficient to aver the same matters, together with a description of the property, or parts thereof, against which such lien is sought to be enforced. [R., '60, § 1068; C., '73, § 478; C., '97, § 840; S., '13, § 791-i; 40 Ex. G. A., S. F. 169, § 59.]

6056. Action by city. Such action may be maintained by the city for the use of any person entitled thereto or any part thereof, upon filing a bond conditioned to pay all costs adjudged against the plaintiff and protect it from all liability therefrom or damages growing out of the same; the amount of the bond to be fixed by the court, or a judge thereof in vacation, and the sureties thereon to be approved by the clerk of said court. [R., '60, § 1068; C., '73, § 478; C., '97, § 840; S., '13, § 791-i; 40 Ex. G. A., S. F. 169, § 60.]

6057. Reimbursement of property owner. Before any street railway company shall lay its track upon any street that has been paved, and which at the time is not being repaved, it shall pay into the city treasury the value of all paving between its tracks, and one foot outside thereof, which value shall be determined by the city council, but in no case shall exceed the original cost of the paving, and the money thus paid shall be refunded to the owners of the property assessed for said improvement in proportion to the amounts origi-

nally assessed against such property. [C., '97, § 835; S., '13, § 835; S. S., '15, § 840-r; 40 Ex. G. A., S. F. 169, § 61.]

6058. Appeal on valuation. The company or any person affected by or interested in such determination of the value of such pavement may appeal therefrom to the district court within thirty days thereafter, in the manner by which appeals are taken from the levy of special assessments. [S., '13, § 835; S. S., '15, § 840-r; 40 Ex. G. A., S. F. 169, § 61.]

6059. Relevy. When by reason of nonconformity to any law or resolution, or by reason of any omission, informality, or irregularity, any special tax or assessment levied is invalid or is adjudged illegal, the council shall have power to correct the same by resolution, and may reassess and relevy the same, with the same force and effect as if done at the proper time and in the manner provided by law or by the resolution relating thereto. [C., '97, § 836; S., '13, § 840-a; S. S., '15, §§ 836, 840-r; 40 Ex. G. A., S. F. 169, § 62.]

6060. Reassessment in certain cases. Whenever any such special tax or assessment, upon property not by law exempt therefrom, shall be adjudged void for any jurisdictional defect, or other reason, and the city adjudged liable to pay the same, the council shall as to such property have power, by resolution, to cause to be prepared a schedule and proposed reassessment in proportion to and not in excess of benefits, and to cause notice thereof to be given, and to hear objections thereto and make necessary corrections, and thereupon the council shall reassess and relevy such special tax or special assessment as so corrected with the same force and effect as if jurisdiction had been acquired in the first instance and all subsequent proceedings had been regularly and legally had. [S. S., '15, §§ 836, 840-r; 40 Ex. G. A., S. F. 169, § 63.]

6061. Correction of assessments. When, in making any special assessment, any property is assessed too little or too much, the same may be corrected and a reassessment and relevy made in conformity therewith; and any tax collected in excess of the proper amount shall be refunded to the person paying the same. Such corrected assessments shall be a lien on the lots the same as the original, and shall be certified by the clerk to the county auditor in the same manner, and shall, so far as practicable, be collected in the same installments, draw interest at the same rate, and be enforced in the same manner as the original assessment. [C., '97, § 837; S. S., '15, § 840-r; 40 Ex. G. A., S. F. 169, § 64.]

6062. "Time" or "order" — interpretation. Any provision of law, resolution, or ordinance specifying a time when or the order in which acts shall be done in a proceeding which may result in a special assessment, shall be taken to be subject to the qualifications of the three preceding sections. [C., '97, § 838; S. S., '15, § 840-r; 40 Ex. G. A., S. F. 169, § 65.]

6063. Appeal on assessment. Any person affected by the levy of any special assessment for street improvements or sewers may appeal therefrom to the district court. The person appealing shall be designated as plaintiff and the city or town as defendant. [C., '97, § 839; S., '13, §§ 792-c, 792-f, 840-a; S. S., '15, § 840-r; 37 G. A., ch. 172, § 6; 38 G. A., ch. 59, § 1; 40 G. A., ch. 125, § 1; 40 Ex. G. A., S. F. 169, § 66.]

6064. Perfecting appeal. Said appeal must be perfected:

1. By serving upon the mayor or clerk, in the manner in which original notices in ordinary actions are served, within fifteen days from the date of said levy, a written notice of appeal, signed by the plaintiff or by his agent or attorney, directed to the defendant, and designating with reasonable certainty the assessment appealed from and the property of plaintiff affected thereby, and

2. By filing within said fifteen days in the office of the clerk of the district court, an appeal bond, approved by the clerk of said court, in an amount equal to five per cent of plaintiff's assessment appealed from and in no event less than two hundred fifty dollars, conditioned for the payment of all costs which may be adjudged against plaintiff, and

3. By filing in the office of the clerk of the said court on or before noon of the second day of the first term of said court convening after the serving of said notice, a petition which shall briefly state the grounds of complaint against said assessment. [C., '97, § 839; 37 G. A., ch. 172, § 6; 40 G. A., ch. 125, § 1; 40 Ex. G. A., S. F. 169, § 67.]

6065. Trial, judgment, and costs. Upon appeal, all questions touching the validity of said assessment or the amount thereof, and not waived, shall be heard and determined in equity. The court may make such assessment as should have been made, or may direct the making of such assessment by the council. Costs shall be taxed as in other actions. [C., '97, § 839; 37 G. A., ch. 172, § 6; 40 G. A., ch. 125, § 1; 40 Ex. G. A., S. F. 169, § 68.]

6066. Payment after appeal or objection. When any special assessment has been reduced on appeal, the property owner may, within twenty days after final determination of the appeal, pay an amount equal to the installments which would have matured under the revised assessment had objections not been filed, together with interest on the entire revised assessment from the date of the original levy and shall be entitled to pay the remaining installments as provided in section 6032.

In case objections are filed but no appeal is taken, if such objection be withdrawn within thirty days from the date of the assessment or if said objection be overruled by the council at a hearing as in this chapter provided for, the property owner may pay the special assessment in the same manner as in this section provided in case of successful appeal. [40 Ex. G. A., S. F. 169, § 69.]

[38 G. A., ch. 315, § 1.]

6068. Joint board created. Whenever such city or town located as above indicated desires joint action in the improvement, maintenance, and repair of any such thoroughfare, the council of such city or town shall fix the time and place for a joint meeting of the board of supervisors and the councils of any city or town through which any such thoroughfare runs, and give ten days' written notice of such meeting. [38 G. A., ch. 315, § 2.]

6069. Resolution of necessity. On the day fixed for such joint meeting the several bodies above referred to shall organize themselves into a joint board with the mayor of the city initiating the proceedings presiding, and shall then by resolution determine the necessity for the grading, paving, and curbing of such thoroughfare, the character and extent thereof, the method of construction, the one or more kinds and size thereof, the property to be assessed therefor, the location and terminal points thereof, and the percentage of the total cost thereof to be borne by the county, and by said city and town, or each of them if there be more than one. [38 G. A., ch. 315, § 2.]

6070. Notice—objections. Said joint board shall cause twenty days' notice of the time when said resolution will be considered by such joint board for passage to be given by four publications in each of said cities and towns in some newspaper of general circulation published therein, the last of which shall be not less than two nor more than four weeks prior

to the time fixed for its consideration, at which time the owners of the property subject to assessment for the same may appear and make objection to the contemplated improvement and the passage of said proposed resolution, at which hearing the same may be amended and passed, or passed as proposed. [38 G. A., ch. 315, § 2.]

6071. Substituted service. If within the limits of either of such corporations no such newspaper is published, then such notice may be given by posting copies thereof in three public places within the limits of the corporation in which no such newspaper is published, two of which places shall be the postoffice and the mayor's office of such city or town. [38 G. A., ch. 315, § 2.]

6072. Duty of separate boards. After the adoption of the resolution of necessity herein provided for by the joint board, then the board of supervisors and the council of each of said cities and towns shall proceed to carry out the terms thereof by initiating and prosecuting to a completion the necessary proceedings in each of said corporations, except that the proposals for bids and the making of the contract for the improvement shall be left with the city or town initiating the proceedings. [38 G. A., ch. 315, § 2.]

6073. Benefited districts—assessments. Such counties, cities, and towns shall have power to establish benefited districts to embrace all or such portions of said counties, cities, and towns as in the judgment of the board of supervisors and the city council thereof will receive special benefits from the grading, paving, and curbing of such thoroughfare, to change the boundaries of same from time to time as may become in the judgment of such board of supervisors and city council just and equitable, and to assess so much of the cost of such grading, paving, and curbing against all lots or tracts of land contained in the benefited district within which such improvements are made as shall equal and be in proportion to the special benefits conferred by said improvement and not in excess thereof. In no case shall such assess-

ment exceed twenty-five per cent of the actual value of said lots or tracts at the time of levy thereof. [38 G. A., ch. 315, § 3.]

6074. Construction—record. Whenever the resolution of necessity herein above provided for has been adopted and the provisions of the preceding sections of this chapter complied with, the council initiating the proceedings hereunder may by ordinance or resolution order the construction of said grading, paving, and curbing upon a ye and nay vote entered of record, which record shall also show whether such improvement was petitioned for or made on the motion of the council, and whether the improvement was the result of the joint action of the counties, cities, and towns interested. [38 G. A., ch. 315, § 4.]

6075. Levy. Such counties, cities, or towns, as the case may be, shall have power, after the completion of any improvement contemplated in this chapter, to levy upon all taxable property, excepting moneys and credits, in said counties, cities, and towns, an annual tax for the purpose of paying that portion of the cost of such improvement not borne by the special assessments levied against the lots or tracts of land embraced in the improvement district established therefor, but such levy shall not exceed one mill for any one year. [38 G. A., ch. 315, § 5.]

6076. Limitations. In no event shall such counties, cities, or towns, as the case may be, be authorized and empowered to pay more than fifty per cent of the total cost of any improvement contemplated in this chapter out of the fund raised by the levy provided for in the

preceding section, nor out of any other county, city, or town fund. [38 G. A., ch. 315, § 6.]

6077. Anticipation of levy. Any such county, city, or town may anticipate the collection of taxes authorized to be levied by the second preceding section, and for that purpose may issue paving certificates or bonds with interest coupons, and the provisions of chapters 308 and 320 shall be operative as to such certificates, bonds, and coupons in so far as they may be applicable. [38 G. A., ch. 315, § 6.]

6078. Levy pledged. Said certificates, bonds, and interest thereon shall be secured by said levy and shall be payable only out of the funds derived therefrom and pledged to the payment of the same, and no certificates or bonds shall be issued in excess of taxes authorized and levied to secure the payment of the same. It shall be the duty of such counties, cities, and towns to collect such funds with interest thereon and to hold the same separate and apart in trust for the payment of said certificates, bonds, and interest, and to apply the proceeds of said funds pledged for that purpose to the payment of said certificates, bonds, and interest. [38 G. A., ch. 315, § 7.]

All bids may be rejected and new bids invited. [S., '13, § 849-d; 38 G. A., ch. 285, § 6.]

6086. Deposit with bid. All bids must be accompanied, in a separate envelope, with a certified check payable to the order of the city treasurer, in the sum named in the notice for bids, as security that the bidder will, if his bid is accepted, enter into a contract for the doing of the work, and will give bond as required by this chapter. [38 G. A., ch. 285, § 11.]

6092. Objections waived. All objections to errors, irregularities, or inequalities in the making of said special assessments, or in any of the prior proceedings or notices not made before the council at the time and in the manner herein provided, shall be waived. [38 G. A., ch. 285, § 11.]

[38 G. A., ch. 285, § 12.]

6094. Duty to construct. 6095. Construction by city. If such company shall fail, neglect, or refuse to comply with the notice within the time fixed, the temporary structure may be provided, and the bridge, or bridges, may be built, under the supervision of the engineer in charge of the channel improvement, and such railroad or street railway company, shall be liable for the cost of the construction of such structures, in addition to its liability for assessment for special benefits as other property is assessed, and the cost of such structures may be collected by the city from the company in any court having jurisdiction. [38 G. A., ch. 285, § 12.]

6096. Condemnation. Such cities may purchase or condemn, and appropriate, such private property, including railroad right of way and property, as may be necessary to carry into effect the provisions of this chapter, and the costs of such property shall be included in the cost of the improvement. [S., '13, § 849-g; 38 G. A., ch. 285, § 13.]

6097. Streets extended. A street or alley intersecting the stream or old channel may be projected across it so as to make a continuous street or alley, and the expense of filling all such streets or alleys shall be included in and

paid as a part of the costs of such improvements. [S., '13, § 849-f; 38 G. A., ch. 285, § 14.]

6098. Filling abandoned channel. 6149. Powers of trustees. The board of trustees shall have all the power and authority in the management and control of the utilities mentioned in the question submitted to the voters at such election as is conferred upon waterworks trustees appointed as provided in chapter 313. [38 G. A., ch. 85, § 4; 40 Ex. G. A., H. F. 172, § 14.]

6150. Water for military reservations. All individuals or private corporations to which any city in this state has granted authority to erect and maintain waterworks with all the necessary reservoirs, mains, filters, pipes, and other appurtenances in such city shall, whenever the United States has, or may hereafter establish a military reservation within a distance of five miles from either of the boundaries of such city, be authorized to use said waterworks plant in said city and the mains now or hereafter laid in the highways of said city for the purpose of furnishing water to such military reservation, such authority to continue so long as under franchises now held or hereafter granted such individuals or corporations shall be authorized to maintain and operate such waterworks plant in such city. 6152. Tax—sinking fund. Cities of the first class, and cities of the second class having a population of over ten thousand, shall have power to levy, in addition to the regular water tax authorized by law, a tax of two mills upon the dollar upon all the property within the corporate limits of said cities, excepting lots greater than ten acres in area used for horticultural or agricultural purposes, for the purpose of creating a sinking fund to be used as provided in this chapter for the purchase or erection of waterworks in such cities, or for the payment of any indebtedness incurred by such cities for waterworks now owned by the same. The proceeds of such two-mill levy shall be deposited in one or more solvent banks or trust companies of the city making such levy, at a rate of interest not less than three per cent per annum, compounded semiannually, and payable, principal and interest, on demand, after sixty days' notice in writing. The city treasurer depositing the proceeds of such tax shall exact from the bank or trust company wherein such money is deposited a satisfactory bond, payable to the city, to be approved by the treasurer and mayor of such city, and to be filed in the office of the city treasurer. [C., '97, § 742; S., '13, § 742; 39 G. A., ch. 49, § 1.]

6153. Use of fund. Any city in which a sinking fund has been accumulated as provided in the preceding section, in which waterworks have not been purchased under this chapter, may apply such sinking fund and all accumulations thereof upon the payment of the cost of waterworks purchased or erected under the provisions of the preceding chapter. [S., '13, § 742-a1; 40 Ex. G. A., S. F. 173, § 1.]

6154. Authority granted. Cities of the first class, and cities of the second class having a population of over ten thousand, are hereby authorized to purchase or erect waterworks, under the provisions of this chapter, for the purpose of supplying said cities and the inhabitants thereof with water, and are authorized to continue the levy of the two-mill tax herein provided for until the purchase price,

principal and interest, or the cost incurred in the erection of said works, or the indebtedness heretofore incurred for and on account of such works, is fully paid and discharged. [C., '97, § 744; S., '13, § 744; 39 G. A., ch. 49, § 3.]

6155. Contracts—bonds—purchase of waterworks. Cities levying such sinking fund tax are hereby authorized to let a contract or contracts for the purchase or erection of waterworks, and, upon the approval and adoption of such contract or contracts as hereinafter provided, to apply such sinking fund upon the cost thereof, and cities so purchasing or constructing and those now owning such waterworks are authorized to pledge the proceeds of the continuing two-mill levy provided for in this chapter, and the regular water levy, and the net revenues derived from the operation of the waterworks, and shall have the right to mortgage or bond such works, to secure the payment of the purchase price or the cost of constructing such waterworks, or the cost of making necessary extensions and improvements of such waterworks; and such cities shall have the right to execute additional mortgage or mortgages or bonds upon such works for the purposes above set forth. Provided that said additional mortgage or mortgages or bonds shall bear not more than six per cent interest per annum; but no part of the general fund of such city shall be applied upon such contracts, bonds, or mortgages. In the payment thereof, the city and holders of said contracts, bonds, or mortgages shall be restricted to the proceeds of the said taxes and the net revenues of the said waterworks, as hereinbefore provided; and such contract, contracts, or bonds shall not bear a higher rate of interest than five per cent per annum, payable semiannually. Cities of the first class, and cities of the second class having a population of over ten thousand, which have adopted or may adopt an ordinance availing themselves of the privileges conferred herein, shall in addition thereto have and possess the following powers:

1. In addition to mortgage on the water plant to secure the bonds hereinbefore authorized,

the said city may, in addition to the security of said mortgage and as a part thereof, grant a franchise to maintain and operate said plant on foreclosure sale under said mortgage, said franchise to become effective only on the passing of title under the said foreclosure sale and to continue for a period of not exceeding twenty-five years thereafter; providing that the granting of such franchise shall be approved by a majority of the electors of said city voting at an election thereon, which election shall be held as provided in the following section.

2. They shall have power to issue the general bonds of the city creating an indebtedness of said city to an amount which, with its other existing indebtedness, shall not exceed five per cent of the actual value of the taxable property of said city as shown by the last preceding assessment, the said bonds or proceeds of sale thereof to be used in the purchase or construction of a water plant, as herein provided; provided, however, that such bonds can be issued by order of the city council of said city only after a contract for the purchase or construction of a water plant and providing for the issuance of such bonds has been approved by the majority of the electors of said city voting at an election thereon to be held in accordance with the provisions of the following section. Neither the said bonds nor the proceeds thereof shall be diverted to another purpose than as herein provided. Said cities may purchase or contract a water plant and pay for the same partly out of the water bonds and partly out of the general bonds herein provided, or wholly out of either class of bonds or proceeds thereof, as such city may determine. The general bonds of the city herein provided shall bear interest at not exceeding five per cent per annum, payable semiannually, and shall be payable not more than twenty years after date and be in the general form of bonds provided by section 5277, with such changes as may be necessary to conform the same to this statute and the ordinances or contract of the city under which they are issued. [C., '97, § 745; S., '13, § 745; 39 G. A., ch. 49, § 4.]

6156. Election—powers of council—preliminary work. Said contract or contracts shall not be binding upon said city until the same shall have been approved by the city council at a regular meeting, or a special meeting called for such purpose, and shall have been adopted by a majority of the electors of said city voting at a city or special election, which shall have been duly called after thirty days' notice by said city. The proposition to be submitted at said election, and the form of ballot, shall be: "Shall the contract or contracts approved by the city council in relation to the waterworks be adopted?" The proposition shall be printed and placed on the ballots, and the voter shall designate his choice, and the election shall be conducted, in the manner provided in the title on elections. When a majority of the electors of said city at any election shall have declared in favor of the purchase or erection of any

waterworks, or shall have authorized the incurring of indebtedness or issuance of bonds for waterworks, the city council may provide by contract or otherwise without submission of same to the electors, for surveys, examinations, appraisements, estimates, plans, specifications, advertisements for bids, and all other necessary work preliminary to the making of such contract or contracts for purchase or erection of waterworks, and pay for the same and the expense of said election out of said sinking fund. [C., '97, § 746; S., '13, § 746.]

6157. Trustees — appointment — bond — removal. The waterworks owned by such cities shall be managed and operated by a board of waterworks trustees, which shall be composed of three resident electors, appointed for the term of six years by the mayor of said city. Upon the approval of the contract for the purchase or erection of waterworks by cities as herein provided, the mayor thereof shall, within ten days, appoint such board, the first appointees thereto to hold office, one for two years, one for four years, and one for six years. All vacancies occurring on said board shall be filled in the same manner that original appointments are made. Each trustee shall receive a compensation of not to exceed three hundred dollars per year, and shall execute and furnish to the city an official bond in the sum of five thousand dollars to be approved by the mayor and filed with the city clerk. [C., '97, § 747; S., '13, §§ 747-a, 747-b; 39 G. A., ch. 49, § 5; 40 Ex. G. A., S. F. 173, § 2.]

6158. Powers—waterworks fund—how disbursed. The said board of trustees shall have the power to carry into execution the contract or contracts for the purchase or erection of such waterworks, and to employ a superintendent and such other employees as may be necessary and proper for the operation of such works, for the collection of water rentals, and for the conduct of the business incident to the operation thereof. The said board of trustees shall require of the superintendent, and of the other employees as they may deem proper, good and sufficient bonds, the amount thereof to be fixed and approved by said board, for the faithful performance of their duty, such bonds to run in the name of the city and to be filed with the city treasurer and kept in his office. All money collected by the board of waterworks trustees shall be deposited at least weekly by them, with the city treasurer; and all money so deposited and all tax money received by the city treasurer from any source, levied and collected for and on account of the waterworks, shall be kept by the city treasurer as a separate and distinct fund. The city treasurer shall be liable on his official bond for such funds the same as for other funds received by him as such treasurer. Such moneys shall be paid out by the city treasurer only on the written order of the board of waterworks trustees, who shall have full and absolute control of the application and disbursement thereof for the purposes prescribed by law, in-

cluding the payment of all indebtedness arising in the construction of such works, and the maintenance, operation, and extension thereof. [C., '97, § 748; S., '13, § 748.]

6159. Fixing rates. The board of trustees shall from time to time fix the water rentals or rates to be charged for the furnishing of water, and such rates, with the proceeds of the five-mill water levy and the sinking fund levy of two mills, shall be sufficient for the maintenance and operation of such works and the proper and necessary extension thereof, for all repairs, and for the payment of the purchase price or cost, principal and interest, incurred in the purchase or erection of such works, as the same falls due, according to the

tenor of the mortgage and bonds given to secure the payment of such purchase price or cost. The board shall make quarterly statements giving full and complete reports of the receipts and disbursements of the board. Said reports shall be filed in the office of the city clerk on the second Monday in January, April, July, and October, for the quarters preceding the first day of said months. The reports shall be audited by the board of public works, or by the city council if there be no such board. [C., '97, § 749; 40 Ex. G. A., S. F. 173, § 3.]

6160. Additional powers. The powers conferred by this chapter are in addition to the powers elsewhere granted in this code in respect to waterworks. [C., '97, § 750.]

[38 G. A., ch. 288, § 1.]

6162. Purchase—condemnation. In the exercise of any of the powers herein granted, any such city may acquire and hold any or all necessary property of the character specified in the preceding section, including existing franchises or contracts, either by purchase or condemnation proceedings. If by condemnation proceedings, the value of the property shall be determined by a court of condemnation as provided in chapter 312. [38 G. A., ch. 288, § 2; 40 Ex. G. A., H. F. 174, § 1.]

6163. Power to bond. For the purpose of acquiring such waterworks either by purchase, condemnation, or construction, and from time to time making permanent extensions thereof, additions to and betterments of the same and of the power plants and equipment, including the acquisition of additional real estate, any such city may borrow money and may issue its negotiable bonds therefor. [38 G. A., ch. 288, § 3.]

6164. Power to tax. It shall have the power to levy upon all the taxable property within the corporate limits of said city for said purposes in addition to all other taxes now provided by law a special tax not exceeding in

any one year five mills on the dollar, for a period of years not exceeding fifty. [38 G. A., ch. 288, § 3.]

6165. Power to incur debt. Such cities may for the purpose of purchasing, erecting, maintaining, and operating waterworks incur an indebtedness not exceeding in the aggregate added to all other indebtedness five per cent of the actual value of the taxable property within such city, the amount of such taxable property to be ascertained by the last state and county tax lists previous to the incurring of such indebtedness. [38 G. A., ch. 288, § 3.]

6166. Anticipation of tax. Any such city desiring to own, construct, erect, acquire, purchase, establish, and maintain such waterworks may issue bonds in anticipation of the special tax authorized in section 6164. Such bonds shall be known as public service bonds, and said bonds and interest thereon shall be secured by said assessment and levy and (unless otherwise paid out of the surplus income derived from the operation of the waterworks) shall be payable only out of the proceeds thereof pledged to the payment of the same, and shall be issued and sold in accordance with the provisions of chapter 320, except as herein otherwise provided. [38 G. A., ch. 288, § 4.]

6167. Terms of bonds. In issuing such bonds, the city council may cause portions of the same to become due at different definite periods, but none of such bonds so issued shall be payable more than fifty years from their date.

Said bonds shall be issued in sums of not less than one hundred dollars nor more than one thousand dollars, each running not more than fifty years, and bearing interest not exceeding five per cent per annum, payable semi-annually. [38 G. A., ch. 288, § 4; 39 G. A., ch. 82, § 1; 40 G. A., ch. 108, § 6.]

6168. Trust fund. [38 G. A., ch. 288, § 4.]

waterworks trustees for the issuance of such certificates. [38 G. A., ch. 288, § 5.]

6171. Liability of city. Such certificates shall in no case become an obligation of the city or be payable out of any general fund, but shall be payable solely out of a sinking fund representing a specific portion of the income derived from the waterworks on account of which they were issued. [38 G. A., ch. 288, § 5.]

6172. Sinking fund. Every such city shall have the additional power to provide, by ordinance, for a sinking fund to be derived from the earnings of any waterworks acquired by it pursuant to the terms of any ordinance, contract, or other regulation. [38 G. A., ch. 288, § 6.]

6173. Trustees—election—number—term. Whenever any such city becomes the owner of waterworks, the council shall, unless a board of trustees exists, forthwith elect, from nominations made by the mayor, trustees for such waterworks. The board of trustees shall consist of five resident voters, who shall hold office, one until the first Monday in April of the second year after his appointment, two until the first Monday in April of the fourth year after appointment, and two until the first Monday in April of the sixth year after appointment. Subsequent appointments shall be for a term of six years. Vacancies shall be filled as original appointments are made. If the waterworks are leased or sold, the term of office of each member of the board shall be held to have expired. [38 G. A., ch. 288, § 7; 40 Ex. G. A., H. F. 174, § 2.]

6174. Chairman—eligibility to office. The chairman of the board shall be selected by a majority vote of the members thereof, for such term as the board may determine. [38 G. A., ch. 288, § 7; 40 Ex. G. A., H. F. 174, § 3.]

6175. Bond. A bond in the sum of five thousand dollars shall be required of each member of the board before entering upon the duties of his office, conditioned as provided by law, with sureties to be approved by the council. When so approved, said bond shall be filed in the office of the city clerk. [38 G. A., ch. 288, § 8; 40 Ex. G. A., H. F. 174, § 4.]

6176. Power and duties. The board of waterworks trustees shall have supervision over and be responsible for all details of administration and operation of said waterworks, the board to determine all questions of engineering, mechanical, and operating details, extensions of mains, except as otherwise specifically provided, and other improvements and betterments of said waterworks; and report to the council at such stated periods as the

council may determine, all information necessary for its guidance in the issuance of bonds and the performance of such other duties as may be required of it under this chapter as amended, it being the intent and purpose of this section to give such board of waterworks trustees complete management and control of said waterworks, together with all land and property now or heretofore held and used in connection therewith, with the right to make all necessary contracts pertaining to the operation, maintenance, extensions, and improvements of the same, as well as the right to sue and be sued. [38 G. A., ch. 288, § 9; 40 G. A., ch. 130, § 1.]

6177. Rules—records—accounts—financial statement—examination. The board shall immediately after its organization make and prescribe all the necessary rules for the government of the waterworks, and prescribe the form of records and the kind of accounts to be made and kept in the operation of such waterworks. It shall institute and require the keeping of a uniform and perfected system of accounts and requisitions showing the purchase, storing, and use of materials for operation, construction, and other purposes. Said accounts shall be kept distinct and separate from other city accounts, and in such manner as to show the true and complete financial results of the operation of said waterworks. The board shall at least once a year cause to be prepared and printed for public distribution a full and complete financial report. The account of such waterworks shall be examined at least once a year by an expert accountant selected by the city council. [38 G. A., ch. 288, § 10; 39 G. A., ch. 82, § 3.]

6178. Rates. The board of waterworks trustees, in all such cities owning and operating a waterworks under this chapter, shall determine the rates to be charged for water. [38 G. A., ch. 288, § 11; 40 G. A., ch. 130, § 2.]

6179. Rates for city. In fixing the rate to be paid by the city for water for public uses the board shall take into consideration the quantity used and fix the rate accordingly, but in no event shall such rate exceed an annual rental or rate of three hundred fifty dollars for each mile of main pipe laid and in operation, including hydrant connections, and not including more than one line of pipe on the same street, and not including any pipe less than six inches in diameter laid since August 17, 1896. [40 G. A., ch. 130, § 2.]

6180. Rates generally. Rates to private consumers and to the city shall be so fixed as to produce an amount which with other revenues collectible shall be sufficient to cover:

1. Interest on the entire outstanding indebtedness of said waterworks, including that portion that is a general obligation against the city.

2. The cost of all operating expenses, including insurance against legal liability and payment of judgment resulting from such liability.

3. A sufficient sum by way of a depreciation fund to cover such repairs and replacement as may properly be charged against such fund.

4. A sufficient annual provision for a sinking fund to fully pay at maturity all bonds and certificates which by their terms are payable out of the special tax provided for in this chapter, or out of the earnings of the property purchased under the powers herein granted.

5. A surplus in addition to the requirements set out in the last four preceding paragraphs to be used as a working capital of not to exceed one hundred twenty-five thousand dollars; provided, however, that the board may absorb all surplus in excess of fifty thousand dollars by reducing water rates to consumers and must so absorb all such surplus in excess of one hundred twenty-five thousand dollars. [38 G. A., ch. 288, § 11; 40 G. A., ch. 130, § 2.]

6181. Tax authorized. If necessary to procure funds, the city is hereby authorized to levy a sufficient tax as provided in paragraph 17 of section 6211 and section 6212 to provide funds to pay for the water used by such city for public uses. [40 G. A., ch. 130, § 2.]

6182. Payment by city. The sums payable by the city for water furnished as herein provided shall hereafter be paid by the city in May of each year for the last six months of the preceding year, and in November of each year for the first six months of that current year. [38 G. A., ch. 288, § 11; 40 G. A., ch. 130, § 2.]

6183. Mortgage—restriction—interest. In addition to all the powers hereinbefore granted, such cities shall have the right to mortgage or bond such waterworks and pledge the net revenues thereof to secure the payment of the purchase price, and the extension and improvement thereof, but no part of the general fund of such cities shall be applied upon such contracts, bonds, or mortgages. In the payment of the securities authorized to be issued by this section the city and holders thereof shall be restricted to the property mortgaged and the net revenues thereof, and such contract or bonds and all other bonds or certificates issued under this chapter shall not bear a higher rate of interest than five per cent per annum, payable semiannually. [38 G. A., ch. 288, § 12; 39 G. A., ch. 82, § 2; 40 G. A., ch. 108, § 7.]

6184. Free or discriminatory rates. It shall be unlawful for the board or any person or corporation to give or receive free water service, or to give or receive water service at a more favorable rate than that accorded to the general public except as herein provided. Any person or persons violating, either directly or indirectly, the provisions of this section shall upon conviction be punished by a fine of not less than three hundred dollars or sixty days in jail for each and every offense. [38 G. A., ch. 288, § 13; 40 G. A., ch. 130, § 3.]

6185. Extension of mains. The board of waterworks trustees shall establish such rules regarding the extension of mains as in its be-

lief will inure to the greatest benefit of the city, and shall avoid granting special favors in the extension of mains by requiring property owners when necessary to make certain guarantees or to pay certain sums to cover the cost of unprofitable extensions. [38 G. A., ch. 288, § 14.]

6186. Notice to install mains. It shall be the duty of the city council, immediately after the passage of any ordinance or resolution ordering any street improvement or sewer upon any street or streets in which a water main should be laid or extended prior to such improvement as indicated by a majority vote of the council, to give notice in writing to the board of waterworks trustees of such action, and to forward to said board a copy of such resolution or ordinance ordering the said improvement. [40 G. A., ch. 130, § 4.]

6187. Duty to install. On receipt of said notice, the board shall proceed without unnecessary delay to cause mains to be laid or extended in those streets affected by the resolution or ordinance. [40 G. A., ch. 130, § 4.]

6188. Lease—limitation. The power to lease the waterworks or any part thereof shall be exercised by the city council only upon approval of the board of waterworks trustees. [38 G. A., ch. 288, § 14.]

6189. Political activity forbidden. Any member of said board of waterworks trustees or any employee of such city who is employed in any of the departments of said waterworks who, by solicitation or otherwise, shall exert his influence, directly or indirectly, to influence other officers or employees of such city to adopt his political views or to favor any particular person or candidate for office, or who shall in any manner contribute money, time, labor, or other valuable thing to any person for election purposes, and any member of the city council who shall, by solicitation or otherwise, exert his influence directly or indirectly to influence said board or any member thereof in the hiring or discharging of any employee or employees of said waterworks, shall be guilty of a misdemeanor and upon conviction shall be punished by a fine not exceeding one thousand dollars, or by imprisonment in the county jail not exceeding six months. [38 G. A., ch. 288, § 15.]

6190. Construction of chapter. Nothing herein shall be held to repeal sections 6142 and 6143. Said sections, however, so far as the rate making power is concerned, shall not apply to the operation of waterworks constructed or purchased under the provisions of this chapter. In all other respects this chapter shall be construed as granting additional power without limiting the power already existing in cities of the first class with a population of one hundred thousand or over. [38 G. A., ch. 288, § 18.]

CHAPTER 315

6192. Condition precedent.

6191. General powers. Cities and towns shall have the power to authorize or forbid the construction of street railways within their limits, and may define the motive power by which the cars thereon shall be propelled; and to authorize or forbid the location and laying down of tracks for railways and street railways on all streets, alleys, and public places. [R., '60, § 1064; C., '73, § 464; C., '97, § 767.]

6192. Condition precedent. No railway track can thus be located and laid down until after the injury to property abutting upon the street, alley, or public place upon which such railway track is proposed to be located and laid down has been ascertained and compensated for in the manner provided with reference to taking private property for works of internal improvement. 6214. Park tax. Cities having a population of eighty-five thousand or more shall have power to levy annually, in addition to all other taxes for park purposes, not exceeding one-half mill, which shall be used only to purchase real estate for park, art, or memorial purposes. [38 G. A., ch. 168, § 1; 40 Ex. G. A., S. F. 177, § 8.]

NOTE: Above section made applicable to special charter cities by § 6857.

6215. Transfer of funds. Cities having a population of eight thousand eight hundred or less, and towns, may make either temporary or permanent transfers from the grading fund, improvement fund, sewer fund, the waterworks fund, gas or electric plant fund, water fund, gas or electric light or power fund, to any of said funds by resolution concurred in by a unanimous vote of the council, if approved by a judge of the district court in the county wherein such city or town is located at a hearing had on a day to be fixed by said judge. [37 G. A., ch. 126, § 1; 40 Ex. G. A., S. F. 177, § 9.]

6216. Notice of hearing—limitation. Not less than five days before the date of said hearing, notice thereof shall be given by publication in one or more newspapers published in the city or town of general circulation therein. The notice shall be addressed generally to the taxpayers of the city or town, and shall recite the substance of the resolution adopted by the council, and set forth specifically the funds from and to which the transfer is to be made, the amount of money involved, and the time when objections to the proposed transfer may be filed. Proof of publication shall be made as for the publication of original notices, and the order of the judge shall be indorsed on the original resolution and entered in the record book of the municipality as a part of the resolution. In no case shall the transfer of funds be made where as a result of the transfer, more money is placed in any one fund than would have been placed in such fund by the levy of the maximum millage provided therefor. [37 G. A., ch. 126, § 1; 40 Ex. G. A., S. F. 177, § 10.]

6217. Consolidated tax levy. In lieu of any or all of the separate annual levies for the general fund, the grading fund, the improvement fund, the city or town sewer fund, the water fund, and the gas or electric light or power fund, cities and towns may levy one tax which shall not in the aggregate exceed the total amount of taxes which such municipality might have levied therefor. The city

or town making such consolidated levy shall, prior to the first day of April thereafter, appropriate the estimated revenue from such consolidated levy, in such ratio as the council may determine, for any purpose for which such funds might have been used, but no part thereof shall be used for any other purpose. [38 G. A., ch. 112, § 1; 40 Ex. G. A., S. F. 177, § 11.]

6218. Budget-publication-objections. Whenever the power granted in the preceding section is exercised by any city or town, it shall be the duty of the council prior to the first day of April each year to make up and prepare an annual budget on the basis of estimates of the expenses of the several departments of such city or town. Such estimates shall show not only the purpose for which the consolidated levy authorized in the preceding section is to be used, but in addition thereto the purpose for which all other levies authorized to be made by said city or town are to be used, so that said budget when so made up will show all of the proposed expenditures for the ensuing year. Such budget of proposed expenditures shall be published in one or more newspapers of general circulation published in such city or town, but where no newspaper is published in such town then by posting in three public places, the publication to be at least two weeks before said budget is finally adopted by the council, and the time when such budget will be considered by the council for final adoption shall be stated in said publication. On the day thus fixed for considering said budget, full opportunity shall be given for hearing any objections or protests which any taxpayer of the city or town may desire to make to any item or items in such budget or to any omissions therefrom. [38 G. A., ch. 112, § 2.]

6219. How construed. Nothing in the two preceding sections shall be construed to affect or repeal any of the existing statutes authorizing tax levies in cities and towns. [38 G. A., ch. 112, § 3.]

6220. Levy for park purposes. The board of supervisors shall, at the time of levying county taxes, levy on all property within the city the tax certified to them by the park commissioners for said city. If such commissioners fail to certify a tax or a sufficient tax for the purpose of paying the interest on bonds issued by the commissioners for park purposes that may be due or will mature within the fiscal year next ensuing, the board of supervisors shall levy such tax as shall be necessary to pay such interest; and if such commissioners each year for fifteen years before the maturity of bonds issued by them, as provided in chapter 311, fail to certify a tax equal to one-fifteenth of the principal of such bonds over and above the amount necessary for the interest on the same, the board shall annually levy such tax as may be equal to one-fifteenth of the principal thereof, which tax

shall be set aside by the commissioners in the same manner and for the same purpose as directed in chapter 311. [C., '97, § 895.]

6221. Bridge tax. The board of supervisors of the county in which a city or town is situated shall levy a special tax on the assessable property in such city or town to aid in the construction of highway or combination bridges, when such tax shall have been voted by the city or town. [C., '97, § 896.]

6222. Surplus of tax. When a tax has been levied by any city or town to pay off a judgment against such municipality, or by any city or town or by the executive council to pay the principal and interest, or either of them, of funding or refunding bonds issued by such municipality, such tax shall not be held invalid if the rate of tax levied raises a sum in excess of the amount sought for such specific object, but the excess shall go into the general city or town funds. Money so raised is especially appropriated for such purposes, and constitutes a distinct fund in the hands of the treasurer until the obligation assumed is discharged. [C., '51, §§ 123, 124; R., '60, §§ 259, 260; C., '73, §§ 318, 319; C., '97, § 897.]

6223. Anticipation of revenue. Loans may be negotiated or warrants issued by any municipal corporation in anticipation of its revenues for the fiscal year in which such loans are negotiated or warrants issued, but the aggregate amount of such loans and warrants shall not exceed the estimated revenue of such corporations for the fund or purpose for which the taxes are to be collected for such fiscal year. [R., '60, § 1129; C., '73, § 500; C., '97, § 898.]

6224. Aiding outside highway. When a petition shall be presented to the council of any city or town, signed by one-third of the resident taxpayers thereof, asking that the question of aiding in the construction or repair of any highway leading thereto be submitted to the voters thereof, the council shall immediately give notice of a special election by posting a notice in five public places in said city or town at least ten days before said election, which shall give the time and place of holding the election, the particular highway proposed to be aided, and the proportion of the highway tax then levied and not expended, or next thereafter to be levied, to be appropriated. [C., '73, § 488; C., '97, § 899.]

NOTE: Above section and two following sections made applicable to special charter cities by § 6772.

6225. Question submitted. At this election a proposition for an appropriation of a portion of the highway tax to aid in the construction or repair of the particular highway, and the proportion of such tax proposed to be so appropriated, shall be submitted to the voters of such city or town, and the clerk shall cause the proposition to be printed and placed upon the ballots and the election shall

be conducted in the same manner as provided with respect to like or similar propositions in the title on elections. [C., '73, § 488; C., '97, § 899.]

6226. Limit on aid. If a majority of the votes polled be for adoption of the proposition, then the council may aid in the construction or repair of said highway to the extent of said appropriation, which shall not exceed fifty per cent of such tax, in the same manner as they otherwise would were said highway within the corporate limits of said city or town. No part of such tax shall be used or expended more than five miles from the limits of such city or town, and not more than twenty-five per cent thereof more than two miles from such limits. [C., '73, § 488; C., '97, § 899.]

6227. Certification of taxes and assessments—collections. [R., '60, §§ 1123, 1126; C., '73, §§ 495, 498; C., '97, § 902; S., '13, § 902; 40 Ex. G. A., S. F. 177, § 12.]

6228. Tax sales. Sales for such assessments and taxes when delinquent shall be made at the same time and in the same manner as such sales are made for other taxes, and should there be other delinquent taxes or assessments due from the same person, and collectible by the county treasurer, the sale shall be for all such delinquent assessments and taxes, and all the

provisions of law relating to the sale of property for delinquent taxes shall be applicable so far as may be to such sales. [R., '60, §§ 1123, 1126; C., '73, §§ 495, 498; C., '97, § 902; S., '13, § 902; 40 Ex. G. A., S. F. 177, § 13.]

6229. Taxes paid over. Before the third Monday of each month, the county treasurer shall give written notice to the mayor of each municipality in the county of the amount collected for each fund up to the first day of that month, including the amounts collected to pay bonds issued to pay the costs of public improvements for which special assessments have been levied and certified, and the mayor of each municipality shall draw an order therefor in favor of the city treasurer, countersigned by the clerk or auditor of the municipality, upon the county treasurer, who shall pay such taxes to the treasurers of the several municipalities only on such order. [R., '60, §§ 1123, 1126; C., '73, §§ 495, 498; C., '97, § 902; S., '13, § 902; 39 G. A., ch. 18, § 1; 40 Ex. G. A., S. F. 177, § 14.]

6230. Diversion of funds. Any councilman or officer of a city or town who shall participate in, advise, consent, or allow any tax or assessment levied by such city or town or by other lawful authority for city or town purposes to be diverted to any other purpose than the one for which it was levied and assessed, or who shall in any way become a party to such diversion, shall be guilty of embezzlement. [C., '97, §§ 743, 833, 894, 904; S., '13, §§ 716-a, 741-q; S. S., '15, §§ 879-u, 894; 37 G. A., ch. 51, § 7; 37 G. A., ch. 126, § 2; 37 G. A., ch. 131, § 1; 38 G. A., ch. 288, § 16; 40 Ex. G. A., S.
