[C31, §2437-c5.]

2437.06 Witnesses. To enable the board to discharge said duty, said board, or the chairman thereof, on the order of the board, shall have power and authority to issue subpoenas and to cause the same to be served. [C31, §2437-c6.]

2437.07 Contempt. Should a witness be duly served with a subpoena and refuse to appear, or should a witness refuse to answer, the board shall report such refusal to the district court or judge thereof, of the county in which the refusal occurs, and the court, or judge thereof, shall proceed as though such refusal had occurred in a proceeding before said court or judge. [C31, §2437-c7.]

2437.08 Oaths. Any member of said board shall have power to administer an oath to witnesses before it. [C31, §2437-c8.]

2437.09 Order for sterilization. If in the judgment of a majority of said board procreation by such persons would produce a child or children having an inherited tendency to feeblemindedness, syphilis, insanity, epilepsy, criminality, or degeneracy, or who would probably become a social menace or ward of the state, and there is no probability that the condition of such person so investigated and examined will improve to such an extent as to avoid such consequences, then it shall be the duty of such board to make an order embodying its conclusions with reference to such person in said respects, and specifying such a type of sterilization as may be deemed by said board best suited to the condition of said person and most likely to produce the beneficial results in the respects specified in this section, but nothing contained in this chapter shall be construed to authorize castration nor removal of sound organs from the body. [C31, §2437-c9.]

2437.10 Findings. After fully inquiring into the condition of each of such persons, said board shall make separate written findings and conclusions for each of the persons into whose condition it has examined, including its findings, conclusions, and order thereon as herein provided, and the same shall be preserved in the records of said board and a copy thereof shall be furnished to the official who reported the case. [C31, §2437-c10.]

2437.11 Service of order. If an operation is deemed necessary by said board for such person so investigated, then a copy of the order of said board recommending such operation shall be served forthwith on said person, or, in the case of an insane or feeble-minded person, upon his legal guardian, and if such person has no legal guardian, then upon his nearest known kin, or personal friend, within the state, and if such person has no known kin or personal friend within the state, then the board shall cause application to be made to the district court of the county in which such person resides or may be found for the appointment of some suitable person to act as guardian of the person reported upon during and for the purposes of the proceedings under this chapter, to defend the interests of the said person, and the court shall, by proper order, appoint some suitable person to act as guardian for said purposes who shall be paid from any funds in the state treasury not otherwise appropriated, a fee, but not exceeding twenty-five dollars, as may be determined by the judge of said court, for his services under said appointment. Such guardian may be removed or discharged at any time by said court, or the judge thereof in vacation, and a new guardian appointed and substituted in his place. [C31, §2437-c11.]

2437.12 Purpose and objects sought. Said investigation, findings, and orders of said board shall be made with the purpose in view of securing a betterment of the physical, mental, neural or psychical condition of the person, to protect society from the acts of such person, or from the menace of procreation by such person, and not in any manner as a punitive measure. [C31, §2437-c12.]

2437.13 Consent to operation. If any person whose condition has been examined and reported upon by said board, as hereinbefore provided, shall consent in writing to have the operation specified in the order of said board performed, such operation shall thereupon be performed upon said person by or under the direction of the superintendent of the institution in which he is confined, if such person be an inmate of any of the state institutions herein mentioned, or if he is not an inmate of any of said institutions, such operation shall be performed by or under the direction of the state board of eugenics. All such operations shall
be performed with due regard for the physical condition of the person upon whom it is performed and in a safe and humane manner. [C31, 35, §2437-14.]

Referred to in §2437.14

2437.14 "Consent" defined. In case the person to be operated upon be feeble-minded or insane, the consent hereinbefore mentioned in section 2437.13 shall be construed to mean the written consent of such person's legal guardian, or if such person has no legal guardian, then the written consent of such person's nearest known kin or personal friend within the state of Iowa, or if such person be insane, or feeble-minded, and has neither legal guardian nor known kin or personal friend within the state of Iowa, then the written consent of the guardian appointed by the court for such person as provided in this chapter. [C31, 35, §2437-14.]

2437.15 Absence of consent. If any such person shall not consent, within twenty days from the served of such order upon him, to the performance of such operation, said board of eugenics, through its secretary, or other officer having charge of its records and files, within fifteen days thereafter, or such further time as the court or judge thereof may allow, shall file a transcript of its proceedings and of its said findings, conclusions, and order with reference to said person with the clerk of the district court of the county in which such person resides or may be found. [C31, 35, §2437-15.]

2437.16 Appearance. Upon the filing of such findings, conclusions, and order, the clerk of the district court shall issue a summons directed to such person and deliver the same to the sheriff, together with a copy of such order prepared and certified by him and it shall be the duty of said sheriff to forthwith serve said summons and copy of order upon said person therein named, who shall be required, within twenty days after such service upon him, to enter his appearance in writing with the clerk of the district court in such case or by appearing in person before said clerk, who shall thereupon enter the appearance of such person in such proceeding. If he be an insane or feebleminded person such appearance may be made by his guardian, if he have one; if not, then by his nearest of kin or near friend. If he be confined in an institution, facility shall be furnished him for making such appearance. [C31, 35, §2437-16.]

2437.17 Court procedure. The issue thereby raised shall be whether the findings and conclusions of said board shall be affirmed by the court, and shall be tried in the district court of such county, as a special proceeding, in the same manner as a civil action at law in which the state shall be the plaintiff and the person so summoned shall be the defendant. Each party shall have the same rights as to production of evidence and the case shall be tried in the same manner as any other civil action. In all such cases the county attorney of the county where such proceedings are tried shall appear and prosecute such action on behalf of the state. If the defendant has no attorney and he is unable to secure one, the court shall appoint an attorney from the membership of the bar of said county to conduct his defense, and appeal, if any be taken as hereinafter provided, and such attorney shall be compensated by the state, upon order of the court. Upon the request of either party to such proceeding all questions of fact shall be tried by a jury and the court in every instance shall have the testimony fully reported at the expense of the state. [C31, 35, §2437-17.]

2437.18 Judgment. If the findings and conclusions of the state board of eugenics shall be affirmed by the court, the defendant shall be immediately placed in custody by the sheriff of said county, and may be admitted to bail by the court, who shall fix the amount of such bail, and if not so admitted to bail, shall be held until the operation provided in such findings be performed. [C31, 35, §2437-18.]

2437.19 Appeal. Either party to said proceedings may take an appeal from the district court to the supreme court of this state in the same manner and within the same time and with like effect as appeals in other civil actions are taken, and such case shall be tried in the supreme court in the same manner as other appeals in actions at law. If the defendant be represented by an attorney appointed by the court, and, in the opinion of the court, is financially unable to meet his part of the expense of an appeal, the defendant's actual and necessary expense of such appeal and prosecution thereof to final decree by the supreme court shall be paid by the state upon order of said district court, same to be paid out of the general funds of the state not otherwise appropriated. [C31, 35, §2437-19.]

2437.20 Expenses. The state shall be liable under this chapter, except as hereinafter provided for, only for the actual traveling expenses of the members of the board incurred in the performance of their duties, and the actual and necessary expense incident to the investigations of said board either on original case or an appeal therefrom. [C31, 35, §2437-20.]

2437.21 Selection of physician. Nothing in this chapter shall be construed to empower or authorize the state board of eugenics or its representatives, or the state health officer, or his representatives, or the superintendent of any of the institutions mentioned, or his representatives, to interfere in any manner with the individual's right to select the physician of his choice; provided, that such physician is in the judgment of the state board of eugenics competent to perform such operation; nor to interfere with the practice of any person whose
religion treats or administers to the sick or suffering by purely spiritual means; provided that such practice, treatment or administration shall not in any way interfere with the operation of this chapter, and the carrying out of its purposes. [C31, 35, §2437-c21.]

2437.22 Fee. A physician or surgeon, who is not in the employ of the state, shall receive a reasonable compensation for an operation performed hereunder, which compensation shall be paid from any funds in the state treasury not otherwise appropriated. [C31, 35, §2437-c22.]

2603.05 State soil conservation committee.
1. There is hereby established, to serve as an agency of the state and to perform the functions conferred upon it in this chapter (together with such other functions as may be hereafter assigned to it from time to time by act of the legislature), the state soil conservation committee. The committee shall consist of a chairman and four members. The following shall serve as members of the committee: The director of the state agricultural extension service, the secretary of agriculture, or a member designated by him. Three members shall be appointed by the governor and confirmed by the senate. The three appointed members shall be bona fide farmers living on farms. The committee may invite the secretary of agriculture of the United States to appoint one person to serve with the above mentioned members, but in an advisory capacity only. The committee shall adopt a seal, which seal shall be judicially noticed, and may perform such acts, hold such public hearings, and promulgate such rules and regulations as may be necessary for the execution of its functions under this chapter.

2. The state soil conservation committee may employ an administrative officer and such other agents and employees, permanent and temporary, as it may require, and shall determine their qualifications, duties and compensation. The committee may call upon the attorney general of the state for such legal services as it may require. It shall have authority to delegate to its chairman, to one or more of its members, or to one or more agents or employees, such powers and duties as it may deem proper. Upon request of the committee, for the purpose of carrying out any of its functions, the supervising officer of any state agency, or of any state institution of learning shall, insofar as may be possible under available appropriations, and having due regard to the needs of the agency to which the request is directed, assign or detail to the committee members of the staff or personnel of such agency or institution of learning, and make such special reports, surveys, or studies as the committee may request.

3. The committee shall designate its chairman, and may, from time to time, change such designation. The director of the state agricultural extension service shall hold office so long as he shall retain the office by virtue of which he shall be serving on the committee. The members appointed by the governor shall serve for a period of six years, except that those first appointed shall serve for terms of two, four and six years respectively, one member being appointed every two years thereafter. The member representing the secretary of agriculture shall serve until there is a change in the personnel of the secretary of agriculture. A majority of the committee shall constitute a quorum, and the concurrence of a majority in any matter within their duties shall be required for its determination. The chairman and members of the committee, not otherwise in the employ of the state, shall receive ten dollars per diem as compensation for their services in the discharge of their duties as members of the committee. Such per diem shall not exceed fifty days per year. They shall also be entitled to expenses, including traveling expenses, necessarily incurred in the discharge of their duties as members of such committee. The committee shall provide for the execution of surety bonds for all employees and officers who shall be entrusted with funds or property, shall provide for the keeping of a full and accurate record of all proceedings and of all resolutions, regulations, and orders issued or adopted, and shall provide for an annual audit of the accounts of receipts and disbursements.

b. To keep the supervisors of each of the several districts organized under the provisions of this chapter informed of the activities and experience of all other districts organized hereunder, and to facilitate an interchange of advice and experience between such districts and cooperation between them.

c. To coordinate the programs of the several soil conservation districts organized hereunder so far as this may be done by advice and consultation.

d. To secure the cooperation and assistance of the United States and any of its agencies, and of
§2603.06, Ch 125.1, T. IX, SOIL CONSERVATION

agencies of this state, in the work of such districts.
e. To disseminate information throughout the state concerning the activities and program of the soil conservation districts organized hereunder, and to encourage the formation of such districts in areas where their organization is desirable. [48GA, ch 92, §4.]

2603.06 Creation of soil conservation districts.

1. Any twenty-five owners, but in no case less than twenty percent of the owners of land lying within the limits of the territory proposed to be organized into a district may file a petition with the state soil conservation committee, asking that a soil conservation district be organized to function in the territory described in the petition. Such petition shall set forth:
a. The proposed name of said district;
b. That there is need, in the interest of health, safety and public welfare, for a soil conservation district to function in the territory described in the petition;
c. A description of the territory proposed to be organized as a district, which description shall not be required to be given by metes and bounds or by legal subdivisions, but shall be deemed sufficient if generally accurate;
d. A request that the state soil conservation committee duly define the boundaries for such district.

Where more than one petition is filed covering parts of the same territory, the state soil conservation committee may consolidate all or any such petitions.

2. Within ninety days after such petition has been formally accepted by the state soil conservation committee, it shall cause due notice by publication to be given of a proposed hearing upon the question of the desirability and necessity in the interest of health, safety and public welfare, of the creation of such district, on the question of the appropriate boundaries to be assigned to each district upon the propriety of the petition and other proceedings taken under this chapter and upon all questions relative to such inquiries.

All owners of land within the limits of the territory described in the petition and of lands within any territory considered for addition to such described territory and all other interested parties shall have the right to attend such hearings and to be heard. If it shall appear on the hearing that it shall be desirable to include within the proposed district territory outside the area within which due notice of the hearing has been given, the hearing shall be adjourned and due notice of further hearing shall be given through the entire area considered for inclusion in the district, and such further hearing held. After such hearing, if the committee shall determine, upon the facts presented at such hearing and upon such other relevant facts and information as may be available, that there is need in the interest of health, safety and public welfare, for a soil conservation district to function in the territory considered at the hearing, it shall make and record such determination, and shall define the boundaries of such district. In making such determination and in defining such boundaries, the committee shall give due weight and consideration to the topography of the area considered and of the state, the character of soils therein, the distribution of erosion, the prevailing land-use practices, the desirability and necessity of including within the boundaries the particular lands under consideration and the benefits which such lands may receive from being included within such boundaries, the relation of the proposed area to existing watersheds and agricultural regions, and to other soil conservation districts already organized or proposed for organization under the provisions of this chapter, and such other physical, geographical and economic factors as are relevant, having due regard to the legislative determinations set forth in section 2603.03. If the committee shall determine after such hearing, after due consideration of the said relevant facts, that there is no need for a soil conservation district to function in the territory considered at the hearing, it shall make and record such determination and shall deny the petition.

3. After the committee has made and recorded a determination that there is need, in the interest of health, safety, and public welfare, for the organization of a district in a particular territory and has defined the boundaries thereof, it shall consider the question whether the operation of a district within such boundaries with the powers conferred upon soil conservation districts in this chapter is administratively practicable and feasible. It shall be the duty of the committee to hold a referendum within the proposed district upon the question of the creation of the district, said referendum to be held within a reasonable time after finding there is need for the organization of such district. The question shall be submitted by ballots upon which the words “For creation of a soil conservation district of the lands below described and lying in the county (ies) of...............and

..................and

“Against creation of a soil conservation district of the lands below described and lying in the county (ies) of...............and

..................and

“shall be printed, with a square before each proposition, and a direction to insert an X mark in the square before one or the other of said propositions as the voter may favor or oppose creation of such district. The ballot shall set forth the boundaries of such proposed district as determined by the committee. Only owners of land lying within the boundaries of the territory as determined by the state soil conservation committee shall be eligible to vote in such referendum.

4. The committee shall pay all expenses for the issuance of such notices and the conduct of such hearings and referenda, and shall supervise and conduct such hearings and referenda. It shall issue appropriate regulations governing the
conduct of such hearings and referenda, and providing for the registration prior to the date of the referendum of all eligible voters, or prescribing some other appropriate procedure for the determination of those eligible as voters in such referendum. No informalities in the conduct of such referendum or in any matters relating thereto shall invalidate such referendum or the result thereof if notice thereof shall have been given substantially as herein provided and said referendum shall have been fairly conducted.

5. The committee shall publish the result of such referendum and shall thereafter consider and determine whether the operation of the district within the defined boundaries is administratively practicable and feasible. If the committee shall determine that the operation of such district is not administratively practicable and feasible, it shall record such determination and shall deny the petition. If the committee shall determine that the operation of such district is administratively practicable and feasible, it shall record such determination and shall proceed with the organization of the district in the manner hereinafter provided. In making such determination the committee shall give due regard and weight to the attitudes of the owners of lands lying within the defined boundaries, and the number of landowners eligible to vote in such referendum who shall have voted, the proportion of the votes cast in such referendum in favor of the creation of the district to the total number of votes cast, the income of the landowners of the proposed district, the probable expense of carrying on erosion-control operations within such district, and such other economic and social factors as may be relevant to such determination, having due regard to the legislative determinations set forth in section 2603.03; provided, however, that the committee shall not have authority to determine that the operation of the proposed district within the defined boundaries is administratively practicable and feasible unless at least sixty-five percent of the landowners of the district vote in favor of the creation of such district.

6. If the committee shall determine that the operation of the proposed district within the defined boundaries is administratively practicable and feasible, it shall appoint two temporary supervisors to serve until such time as the three regular supervisors have been elected to act as the governing body of the district, as provided hereinafter. Such district shall be a body corporate upon the taking of the following proceedings:

The two temporary supervisors shall present to the secretary of state an application signed by them, which shall set forth (and such application need contain no detail other than the mere recitals): (1) that a petition for the creation of the district was approved by the state soil conservation committee pursuant to the provisions of this chapter, and that the state soil conservation committee has appointed them as supervisors; (2) the name and official residence of each of the supervisors, together with a certified copy of the appointments evidencing their right to office; (3) the name which is proposed for the district; and (4) the location of the proposed office of the supervisors of the district. The application shall be subscribed and sworn to by each of said supervisors before an officer authorized by the laws of this state to take and certify oaths. The application shall be accompanied by a statement by the state soil conservation committee, which shall certify that a petition was filed, notice issued, and hearing held as aforesaid; that the committee did duly determine that there is need, in the interest of health, safety, and public welfare, for a soil conservation district to function in the proposed territory and did define the boundaries thereof; that notice was given and a referendum held on the question of the creation of such district, and that the results of such referendum showed sixty-five percent of the votes cast in such referendum to be in favor of the creation of the district; that thereafter the committee did duly determine that the operation of the proposed district is administratively practicable and feasible. The said statement shall set forth the boundaries of the district as they have been defined by the committee.

The secretary of state shall examine the application and statement and, if he finds that the name proposed for the district is not identical with that of any other soil conservation district of this state or so nearly similar as to lead to confusion or uncertainty, he shall receive and file them and shall record them in an appropriate book of record in his office. If the secretary of state shall find that the name proposed for the district is identical with that of any other soil conservation district of this state, or so nearly similar as to lead to confusion and uncertainty, he shall certify such fact to the state soil conservation committee, which shall thereupon submit to the secretary of state a new name for the said district, which shall not be subject to such defects. Upon receipt of such new name, free of such defects, the secretary of state shall record the application and statement, with the name so modified, in an appropriate book of record in his office. When the application and statement have been made, filed and recorded, as herein provided, the district shall constitute a body corporate. The secretary of state shall make and issue to the said supervisors a certificate, under the seal of the state, of the due organization of the said district, and shall record such certificate with the application and statement. The boundaries of such district shall include the territory as determined by the state soil conservation committee as aforesaid, but in no event shall they include any area included within the boundaries of another soil conservation district organized under the provisions of this chapter.

7. After eighteen months shall have expired from the date of entry of a determination by the state soil conservation committee that operation of a proposed district is not administratively practicable and feasible, and denial of a petition pursuant to such determination, subsequent petitions may be filed as aforesaid, and action
taken thereon in accordance with the provisions of this chapter.

8. Petitions for including additional territory within an existing district may be filed with the state soil conservation committee, and the proceedings herein provided for in the case of petitions to organize a district shall be observed in the case of petitions for such inclusion. The committee shall prescribe the form for such petition, which shall be as nearly as may be in the form prescribed in this chapter for petitions to organize a district. Where the total number of landowners in the area proposed for inclusion shall be less than twenty-five, the petition may be filed when signed by seventy-five percent of the owners of such area, and in such case no referendum need be held. In referenda upon petitions for such inclusion, all owners of land within the proposed additional area shall be eligible to vote.

9. In any suit, action, or proceeding involving the validity or enforcement of, or relating to, any contract, proceeding, or action of the district, the district shall be deemed to have been established in accordance with the provisions of this chapter upon proof of the issuance of the aforesaid certificate by the secretary of state. A copy of such certificate duly certified by the secretary of state shall be admissible in evidence in any such suit, action or proceeding, and shall be proof of the filing and contents thereof. [48GA, ch 92, §5.]

Referred to in §2603.04

2603.07 Election of three supervisors for each district. Within thirty days after the date of issuance by the secretary of state of a certificate of organization of a soil conservation district, nominating petitions may be filed with the state soil conservation committee to nominate candidates for supervisors who shall be residents of such district. The two supervisors appointed by the state soil conservation committee shall be eligible for such nomination. The committee shall have authority to extend the time within which nominating petitions may be filed. No such nominating petition shall be accepted by the committee unless it shall be subscribed by twenty-five or more qualified electors of such district. Such qualified electors may sign more than one such nominating petition to nominate more than one candidate for supervisors. The committee shall give due notice of an election to be held for the election of three supervisors for the district. The names of all nominees on behalf of whom such nominating petitions have been filed within the time herein designated, shall be printed, arranged in the alphabetical order of the surnames, upon ballots, with a square before each name and a direction to insert an X mark in the square before the name to indicate the voter’s preference. All qualified electors of the district shall be eligible to vote in such election. The three candidates who shall receive the largest number, respectively, of the votes cast in such election, shall be the elected supervisors for such district. The committee shall pay all the expenses of such election, shall supervise the conduct thereof, shall prescribe regulations governing the conduct of such election and the determination of the eligibility of voters therein, and shall publish the results thereof. [48GA, ch 92, §6.]

Referred to in §2603.04

The supervisors shall designate a chairman and may, from time to time, change such designation. The term of office of each supervisor shall be six years, except that the supervisors first elected shall serve for terms of two, four and six years respectively. A supervisor shall hold office until his successor has been elected and has qualified. Vacancies shall be filled for the unexpired term. The selection of successors to fill an unexpired term or for a full term shall be made in the same manner in which the retiring supervisors shall respectively have been selected; or, at the discretion of the state soil conservation committee, it may appoint a successor to fill the unexpired term of a supervisor. A supervisor shall receive compensation for his services at the rate of five dollars per day and expenses necessarily incurred in the discharge of his duties, but not to exceed fifty days to any one supervisor.

The supervisors may call upon the attorney general of the state for such legal services as they may require. The supervisors may delegate to their chairman, to one or more supervisors or to one or more agents, or employees, such powers and duties as they may deem proper. The supervisors shall furnish to the state soil conservation committee, upon request, copies of such ordinances, rules, regulations, orders, contracts, forms, and other documents as they shall adopt or employ, and such other information concerning their activities as it may require in the performance of its duties under this chapter.

The supervisors shall provide for the execution of surety bonds for all employees and officers who shall be entrusted with funds or property; shall provide for the keeping of a full and accurate record of all proceedings and of all resolutions, regulations, orders, contracts, forms, and other documents as they shall adopt or employ, and such other information concerning their activities as it may require. All officers who shall be entrusted with funds or property; shall provide for the keeping of a full and accurate record of all proceedings and of all resolutions, regulations, orders, contracts, forms, and other documents as they shall adopt or employ, and such other information concerning their activities as it may require. All officers who shall be entrusted with funds or property; shall provide for the keeping of a full and accurate record of all proceedings and of all resolutions, regulations, orders, contracts, forms, and other documents as they shall adopt or employ, and such other information concerning their activities as it may require.

The supervisors may invite the legislative body of any municipality or county located near the territory comprised within the district to designate a representative to advise and consult with the supervisors of the district on all questions of program and policy which may affect the property, water supply, or other interests of such municipality or county. [48GA, ch 92, §7.]

2603.09 Powers of districts and supervisors. A soil conservation district organized under the provisions of this chapter shall have the following powers, in addition to others granted in other sections of this chapter:

1. To conduct surveys, investigations, and re-
search relating to the character of soil erosion and the preventive and control measures needed, to publish the results of such surveys, investigations, and experiments, within the district, and make available such information concerning such preventive and control measures; provided, however, that in order to avoid duplication of research activities, no district shall initiate any research program except in cooperation with the Iowa agricultural experiment station located at Ames, Iowa, and pursuant to a cooperative agreement entered into between the Iowa agricultural experiment station and such district.

2. To conduct demonstrational projects within the district on lands owned or controlled by this state or any of its agencies, with the consent and cooperation of the agency administering and having jurisdiction thereof, and on any other lands within the district upon obtaining the consent of the owner of such lands or the necessary rights or interests in such lands, in order to demonstrate by example the means, methods, and measures by which soil and soil resources may be conserved, and soil erosion in the form of soil blowing and soil washing may be prevented and controlled; provided, however, that in order to avoid duplication of agricultural extension activities, no district shall initiate any demonstrational projects, except in cooperation with the Iowa agricultural extension service whose offices are located at Ames, Iowa, and pursuant to a cooperative agreement entered into between the Iowa agricultural extension service and such district;

*According to enrolled act

4. To cooperate, or enter into agreements with, and within the limits of appropriations duly made available to it by law, to furnish financial or other aid to any agency, governmental or otherwise, or any owner of lands within the district, in the carrying on of erosion control and prevention operations within the district, subject to such conditions as the supervisors may deem necessary to advance the purposes of this chapter;

5. To obtain options upon and to acquire, by purchase, exchange, lease, gift, grant, bequest, devise or otherwise, any property, real or personal, or rights or interests therein; to maintain, administer, and improve any properties acquired, to receive income from such properties and to expend such income in carrying out the purposes and provisions of this chapter; and to sell, lease or otherwise dispose of any of its property or interests therein in furtherance of the purposes and provisions of this chapter;

6. To make available on such terms as it shall prescribe, to landowners within the district, agricultural and engineering machinery and equipment, fertilizer, lime, and such other material or equipment as will assist such landowners to carry on operations upon their lands for the conservation of soil resources and for the prevention and control of soil erosion;

7. To construct, improve, and maintain such structures as may be necessary or convenient for the performance of any of the operations authorized in this chapter;

8. To develop comprehensive plans for the conservation of soil resources and for the control and prevention of soil erosion within the district, which plans shall specify in such detail as may be possible, the acts, procedures, performances, and avoidances which are necessary or desirable for the effectuation of such plans, including the specification of engineering operations, methods of cultivation, the growing of vegetation, cropping programs, tillage practices, and changes in use of land; and to publish such plans and information and bring them to the attention of owners of lands within the district;

9. To sue and be sued in the name of the district; to have a seal, which seal shall be judicially noticed; to have perpetual succession and to own, have, and retain property, real or personal, necessary to the performance of its powers; to make, and from time to time amend and repeal, rules and regulations not inconsistent with this chapter, to carry into effect its purposes and powers;

10. To accept donations, gifts, and contributions in money, services, materials, or otherwise, from the United States or any of its agencies, or from any other body or person, and to expend such moneys, services, materials, or other contributions in carrying on its operations;

11. To make available on such terms as it shall prescribe, to landowners within the district, the land, labor, and materials necessary for the effectuation of such plans and information and bring them to the attention of owners of lands within the district;

12. No provisions with respect to the acquisition, operation, or disposition of property by other public bodies shall be applicable to a district organized hereunder unless the legislature shall specifically so state;

13. After the formation of any district under the provisions of this chapter, all participation hereunder shall be purely voluntary, any provision herein contained on the contrary notwithstanding. [48GA, ch 92, §8.]

2603.10 Cooperation between districts. The supervisors of any two or more districts organ-
ized under the provisions of this chapter may cooperate with one another in the exercise of any or all powers conferred in this chapter. [48GA, ch 92, §9.]

2603.11 State agencies to cooperate. Agencies of this state which shall have jurisdiction over, or be charged with the administration of, any state-owned lands, and of any county, or other governmental subdivision of the state, which shall have jurisdiction over, or be charged with the administration of, any county-owned or other publicly owned lands, lying within the boundaries of any district organized hereunder, may cooperate to the fullest extent with the supervisors of such districts in the effectuation of programs and operations undertaken by the supervisors under the provisions of this chapter. [48GA, ch 92, §10.]

2603.12 Discontinuance of districts. At any time after five years after the organization of a district under the provisions of this chapter, any twenty-five owners of land lying within the boundaries of such district may file a petition with the state soil conservation committee praying that the operations of the district be terminated and the existence of the district discontinued. The committee may conduct such public meetings and public hearings upon such petition as may be necessary to assist in the consideration thereof. Within sixty days after such petition has been received by the committee, it shall give due notice of the holding of a referendum, and shall supervise such referendum, and issue appropriate regulations governing the conduct thereof, the question to be submitted by ballots upon which the words "For terminating the existence of the .................... (name of the soil conservation district to be here inserted)" and "Against terminating the existence of the .................... (name of the soil conservation district to be here inserted)" shall be printed, with a square before each proposition and a direction to insert an X mark in the square before one or the other of said propositions as the voter may favor or oppose discontinuance of such district. All owners of lands lying within the boundaries of the district shall be eligible to vote in such referendum. Only such landowners shall be eligible to vote. No informalities in the conduct of such referendum or in any matters relating thereto shall invalidate said referendum or the result thereof if notice thereof shall have been given substantially as herein provided and said referendum shall have been fairly conducted.

When sixty-five percent of the landowners vote to terminate the existence of such district, the state soil conservation committee shall advise the supervisors to terminate the affairs of the district. The supervisors shall dispose of all property belonging to the district at public auction and shall pay over the proceeds of such sale to be covered into the state treasury. The supervisors shall thereupon file an application, duly verified, with the secretary of state for the discontinuance of such district, and shall transmit with such application the certificate of the state soil conservation committee setting forth the determination of the committee that the continued operation of such district is not administratively practicable and feasible. The application shall recite that the property of the district has been disposed of and the proceeds paid over as in this section provided, and shall set forth a full accounting of such properties and proceeds of the sale. The secretary of state shall issue to the supervisors a certificate of dissolution and shall record such certificate in an appropriate book of record in his office.

Upon issuance of a certificate of dissolution under the provisions of this section, all ordinances and regulations theretofore adopted and in force within such districts shall be of no further force and effect. All contracts theretofore entered into, to which the district or supervisors are parties, shall remain in force and effect for the period provided in such contracts. The state soil conservation committee shall be substituted for the district or supervisors as party to such contracts. The committee shall be entitled to all benefits and subject to all liabilities under such contracts and shall have the same right and liability to perform, to require performance, and sue and be sued thereon, and to modify or terminate such contracts by mutual consent or otherwise, as the supervisors of the district would have had. Such dissolution shall not affect the lien of any judgment entered under the provisions of section 11 of this act*, nor the pendency of any action instituted under the provisions of such section, and the committee shall succeed to all the rights and obligations of the district or supervisors as to such liens and actions.

The state soil conservation committee shall not entertain petitions for the discontinuance of any district nor conduct referenda upon such petitions nor make determinations pursuant to such petitions in accordance with the provisions of this chapter, more often than once in five years. The department shall establish rules for determining when a herd of cattle, tested and maintained under the provisions of this chapter, the laws of the United States, and the rules of the state and federal departments of agriculture, shall be considered as tuberculosis-free. When any herd meets such requirements the owner shall be entitled to a certificate from the department showing that the herd is a tuberculosis-free accredited herd. Such certificate shall be revoked whenever the herd no longer meets the necessary requirements for an accredited herd, but the herd may be reinstated as an accredited herd upon subsequent compliance with such requirements. [C24, 27, 31, 35, §2677.]

preparations of such drugs for local application
shall keep a record of the quantity, character and
potency of such solutions or other preparations
purchased or made up by him, and of the dates
when purchased or made up, without keeping a
record of the amount of such solution or other
preparation applied by him to individual pa-

Such woman inspector shall be paid four dollars for each day actually employed in the discharge of her duties and in addition her necessary traveling expenses. Such compensation and expenses shall be paid from the funds of the institution in the manner provided for the payment of current expenses. [C73, §§1435, 1441; C97, §2299; SS15, §2727-a11; C24, 27, 31, 35, §3494.]

Every inmate shall be allowed to write once a week what he pleases to said board and to any other person. The superintendent may send letters addressed to other parties to the board of control for inspection before forwarding them to the individual addressed. [C73, §1436; C97, §2300; C24, 27, 31, 35, §3495.]

The power to investigate the mental condition of an inmate is merely permissive, and does not repeal or alter any statute respecting the discharge or commitment of inmates of the state hospitals. [S13, §2727-a25; C24, 27, 31, 35, §3500.]

3501 Discharge—certificate. 3504 Clothing furnished. Upon such discharge the business manager shall furnish such person, unless otherwise supplied, with suitable clothing and a sum of money not exceeding twenty dollars, which shall be charged with the other expenses of such patient in the hospital. [R60, §1445; C73, §1424; C97, §2288; C24, 27, 31, 35, §3504; 48GA, ch 93, §9.]

3506 Certificate covering subsequent recovery. When a patient is discharged at a time when he has not fully recovered his sanity, he may at any time, under such rules as the board of control may prescribe, apply to the superintendent of the hospital where he was confined for a certificate of recovery. The superintendent, under like rules, shall examine such person or cause such examination to be made and if satisfied that such person has regained his sanity, shall issue duplicate certificates showing such recovery. [C24, 27, 31, 35, §3506.]

3507 Certificate and effect thereof. The duplicate certificates mentioned in section 3506 shall be delivered as in case of a discharge when cured, and the same record shall be made with the same effect. [C24, 27, 31, 35, §3507.]

3509 Patient accused of crime. When an inmate of any state hospital who was committed to such hospital at a time when he was formally accused of crime in any county of the state, regains his reason, the superintendent shall thereupon issue his warrant for the return of such person to the jail of the county in which such person is a resident, and the commissioners of insanity of the county of which the latter case the relatives making the request shall order the discharge or removal from the hospital, the board may apply in writing to the district court or to any judge thereof, of the county in which such hospital is situated, for an order to transfer said inmate to the department for the insane in the men's reformatory and if such order be granted such inmate shall be so transferred. The county attorney of said county shall appear in support of such application on behalf of the board. [C24, 27, 31, 35, §3512.]

3510 Return by sheriff. The sheriff shall in writing make his return of service on said warrant and deliver such warrant and return to the clerk of the district court of his county. The county attorney of said county shall appear in support of such application on behalf of the board. [C24, 27, 31, 35, §3512.]

3513 Examination by court—notice. Before granting the order authorized in section 3512 the court or judge shall investigate the allegations of the petition and before proceeding to a hearing thereon shall require notice to be served on any relative, friend, or guardian of the person in question of the filing of said application. On such hearing the court or judge shall appoint a guardian ad litem for said person, if it deems such action necessary to protect the rights of such person. [C24, 27, 31, 35, §3513.]

2. If the board of control finds that the decision of the commission of insanity is not correct, the board of control shall order said patient transferred to a state hospital for the insane.

3587 Removal of nonresidents. If at any time the board of control discovers that an insane patient in a state hospital was, at the time of commitment, a nonresident of this state, it may cause said patient to be conveyed to his place of residence if his condition permits of such transfer and other reasons do not render such transfer inadvisable. [C73, §1419; C97, §2283; S13, §§2283, 2727-a28a; C24, 27, 31, 35, §3587.]

3589 Subsequent discovery of residence. If, after a patient has been received into a state hospital for the insane as a patient whose legal settlement is supposed to be outside this state or unknown, the board of control finds that the legal settlement of said patient was, at the time of commitment, in a county of this state, said board shall charge all legal costs and expenses pertaining to the commitment and support of said patient to the county of such legal settlement, and the same shall be collected as provided by law in other cases. [S13, §§2308-a, 2727-a28b; C24, 27, 31, 35, §3589.]

3591 Recovery of costs from state. Costs and expenses attending the arrest, care, and investigation of a person who has been committed to a state hospital for the insane and who has no legal settlement in this state or whose legal settlement is unknown, including costs of commitment, if any, shall be paid out of any money in the state treasury not otherwise appropriated, on itemized vouchers executed by the auditor of the county which has paid them, and approved by the board of control. [S13, §2308-a; C24, 27, 31, 35, §3591.]

When a dispute arises between different counties or between the board of control and a county as to the legal settlement of a person committed to a state hospital for the insane, the attorney general, at the request of the board of control, shall, without the advancement of fees, cause an action to be brought in the district court of any county where such dispute exists, to determine such legal settlement. Said action may be brought at any time when it appears that said dispute cannot be amicably settled. All counties which may be the place of such legal settlement, so far as known, shall be made defendants and the allegation of such settlement may be in the alternative. Said action shall be tried as in equity. [C73, §1418; C97, §§2270, 2282; S13, §2270; C24, 27, 31, 35, §3592.]

If the court so find, judgment shall be rendered against the county of such settlement in favor of any other county for all legal costs and expenses arising out of said proceedings in insanity, and paid by said other county. If any such costs have not been paid, judgment shall be rendered against the county of settlement in favor of the parties, including the state, to whom said costs or expenses may be due. [C73, §1418; C97, §§2282; S13, §2282; C24, 27, 31, 35, §3593.]

In such case the state shall refund to any county, with interest, all legal costs and expenses arising out of said proceedings in insanity and paid by said county. [C24, 27, 31, 35, §3628.]

3629 Hearing—continuance. 1. An indictable offense, in which case the court shall proceed to hold a preliminary examination, and shall exercise the powers of other magistrates; or
2. An offense not triable on indictment, in which case the court may order any peace officer to file forthwith an information against such child and proceed to try the case before a jury of twelve.

The juvenile court shall have power to proceed with such child under the alternative or mandatory commitments provided in this chapter; but if the results, in the opinion of the court, be not conducive to the public interest and the welfare of the child, it may at any time revoke such orders of commitment and enter such judgment of conviction as the district court might have entered. [§13,§854-a17; §24, 27, 31, 35,§8636.]

“Recipient” means a person who has received assistance under this chapter;

“Assistance” means money payments to blind persons in need;

2. Is a citizen of the United States, or has made application for citizenship;
3. Has resided in the state of Iowa for at least five years during the nine years immediately preceding the date of the application for assistance under the provisions of this chapter, and has resided therein one year immediately preceding the application for assistance. In determining the amount of said assistance, the personal earnings of any blind person to the amount of thirty dollars per month shall be disregarded.

In the event federal participation shall be granted in excess of fifteen dollars per month per recipient, the state maximum may be increased to such amount as will qualify the state for full federal participation. [SS15,§2722-j; C24, 27, 31, 35,§5379; 47GA, ch 144,§4; 48GA, ch 144,§1.]

The state board shall notify the county board of its decision, and the county board shall promptly notify the applicant thereof. Such assistance shall be paid monthly to the applicant upon the order of the state board, from the fund for the aid of the blind established by this chapter.

Assistance not assignable. Assistance granted under this chapter shall not be transferable or assignable at law or in equity, and none of the money paid or payable under this chapter shall be subject to execution, levy, attachment, garnishment, or other legal process, or to the operation of any bankruptcy or insolvency law.

Application for assistance. Application for assistance under this chapter shall be filed with the county board of the county in which the applicant resides. The application shall be in writing upon the form prescribed by the state board. Such application shall contain a statement of the amount of property, both personal and real, in which the applicant has an interest and of all sources and amounts of income which he may have, either in existence or expectancy, at the time of the filing of the application, and such other information as may be required by the state board.

Whenever the county board receives an application for assistance under this chapter, an investigation and record shall be made of the circumstances of the applicant in order to ascertain the facts supporting the application and in order to obtain such other information as may be required by the rules of the state board.

Examination by ophthalmologist. No application shall be approved until the applicant has been examined by an ophthalmologist designated or approved by the state board to make such examinations. The examining ophthalmologist shall certify to the county board in writing upon forms provided by the state board the findings of the examination, which findings shall be transmitted to the state board.

Granting of assistance. Upon the completion of such investigation the county board shall make findings of fact as to the eligibility of the applicant for assistance under the provisions of this chapter and shall recommend in accordance with the rules and regulations of the state board the amount of assistance which should be granted. This report, together with a copy of the report of the ophthalmologist, shall be forwarded to the state board. The state board may make further investigation as it may deem desirable and, upon the basis of such reports and investigation, shall determine whether the applicant is eligible for assistance under the terms of this chapter, and, if eligible, the amount of such assistance and the date on which such assistance shall begin. The county board shall notify the county board of its decision, and the county board shall promptly notify the applicant thereof. Such assistance shall be paid monthly to the applicant upon the order of the state board, from the fund for the aid of the blind established by this chapter.

The state board shall, upon receipt of such an appeal, give the applicant or recipient reasonable notice and opportunity for a fair hearing before the state board or its duly authorized representatives.

Periodic reconsideration — changes in amount of assistance. All assistance grants made under this chapter shall be reconsidered by the county board as frequently as may be required by the rules of the state board. After such further investigation as the county board may deem necessary or the state board may require, the county board shall make further report to the state board and the amount of assistance may be changed or assistance may be entirely withdrawn if the state board finds that the recipient's circumstances have altered sufficiently to warrant such action.

On the basis of the finding of the ophthalmologist's examination as provided in section 3684.08, supplementary services may be provided by the state board to any applicant or recipient who is in need of treatment either to prevent blindness or to restore his eyesight, whether or not he is a blind person as defined in this chapter, if he is otherwise qualified for assistance under this chapter. The supplementary services may include necessary traveling and other expenses to receive treatment from a hospital or clinic designated by the state board. [47GA, ch 144, §15.]

3684.15 Guardianship. When in the opinion of the county board the recipient of assistance under the provisions of this chapter is for any cause unable to use the assistance judiciously, the county board shall request the district court to appoint a guardian to administer such assistance for the benefit of the recipient. [C24, 27, 31, 35, §5384; 47GA, ch 144, §16.]

3684.16 Recovery from recipient. If at any time during the continuance of assistance the recipient thereof becomes possessed of any property or income in excess of the amount stated in the application provided for in this chapter, it shall be the duty of the recipient immediately to notify the county board of the receipt or possession of such property or income and the county board shall, if in its judgment the circumstances so require, recommend to the state board the immediate suspension of assistance payments and, after investigation, shall recommend to the state board that such assistance be continued, modified, or canceled, as the circumstances may require. Any assistance paid after the recipient has come into possession of such property or income in excess of his need shall be recoverable by the state as a debt due, and upon recovery the state shall repay to the county that portion of the amount so recovered which is equal to the amount paid by the county for such assistance. [47GA, ch 144, §17.]

3684.17 Funeral expenses. On the death of any person receiving aid under the provisions of this chapter, the reasonable funeral expenses for his burial may be paid by the state board; provided, such expenses do not exceed one hundred dollars and the estate of the deceased or any life insurance or death or funeral benefit association or society payment, made by reason of the death of such person, payable to his estate or the spouse or any relative responsible under sections 3828.074, 3828.077, and 10501.6, is insufficient to defray the same. The person to whom such funeral expense is paid as above provided is hereby prohibited from soliciting, accepting or contracting to receive any further compensation for services rendered in connection with such burial except on written approval of the county board and subject to such rules and regulations as the state board shall prescribe. [47GA, ch 144, §18.]

3684.18 Reimbursement from estate. The amount so paid shall be allowed as a claim against his estate in favor of the state, and upon recovery the state shall repay to the county its proportionate share of the amount paid for such assistance and funeral expenses. An action may be brought in the name of the state to recover the same at any time within five years after the death of the person receiving aid as above provided. [47GA, ch 144, §20.]

3684.20 County appropriation. The county board of supervisors in each county in this state shall appropriate annually, and pay in the manner hereinafter specified from the county poor fund, such sum as will result in the payment by such county of one-fourth of all administrative expenses within the county incident to aid to the blind, as determined and certified by the state board, other than compensation of members of the county board and their expenses, and one-fourth of all assistance and benefits payable to blind persons resident within the county under this chapter, and shall include in the tax levy for such county the sum or sums so appropriated for that purpose. The sums necessary as above provided shall be determined upon the basis of an annual budget prepared by the county board and approved by the state board. Should the sum so appropriated, however, be expended or exhausted during the year for which it was appropriated, such additional sums shall be appropriated by the board of supervisors from the county poor fund as shall be sufficient to meet the obligation of the county to pay one-fourth of all assistance and benefits to the blind within the county and one-fourth of the administrative expenses as above provided. The tax levy provided for in this section shall not exceed statutory tax limitations now or hereafter provided. [47GA, ch 144, §21.]

such purpose and all funds paid by the counties to the state board as provided by this section. All assistance and benefits under this chapter, and the administrative expenses incident thereto, so far as the same are payable by the state board, shall be paid from said fund. The state board shall report to the county board each month the total amount of assistance and benefits paid during the preceding month to recipients residing within the county, and the amount of the administrative expenses paid by the state which are incident thereto. The county board shall promptly report the same to the county board of supervisors which shall then order paid to the state board from the county poor fund an amount equal to twenty-five percent of the total, which payment shall be credited to the fund for aid to the blind. [47GA,ch 144, §22.]

3828.009 Amount of assistance. The amount of assistance shall be fixed with due regard to the condition of the individual, household situation and community in each instance, subject to the rules, regulations and standards adopted by the state board, but in no instance shall it be an amount which, when added to the income of the applicant from all other sources, exclusive of the exemptions hereinafter provided, shall exceed a total of twenty-five dollars a month. However, a further allowance not to exceed five dollars per month may be allowed, when essential, to meet additional expenses due to the individual's mental and/or physical condition. [C35, §§5296-f10; 47GA, ch 137, §7; 48GA, ch 140, §1.]

3828.010 Income considered. The income of the applicant shall be his income for the twelve
months preceding the date on which his application is made; provided that, if the applicant shows to the division's satisfaction a decrease of income, the amount of such decrease may be deducted from the income of the preceding twelve months in determining the amount of assistance to be allowed. However, in calculating the income of the claimant, occasional gifts, or earnings through personal labor, not to exceed one hundred twenty dollars in the aforesaid twelve-month period may be disregarded. [C35,§5296-f11; 47GA, ch 137,§§8, 38; 48GA, ch 84,§11; ch 140,§9.]

3828.011 Income from property. If the applicant or spouse owns any real estate which said applicant occupies as a home, or any other real estate which does not produce a reasonable income, the value to him of such occupancy or net income, for the purpose of arriving at the amount of assistance to which said applicant is entitled, shall be computed at five percent of the assessed value of said real estate less a proper allowance for taxes, insurance, upkeep, interest on encumbrances, and a reasonable amount for amortization of said encumbrances.

The annual income of any personal property, including moneys and credits which does not produce a reasonable income, shall be computed at five percent of the actual value of such property as determined by the board and reported to the division; provided, however, that the value of household goods and/or heirlooms shall be exempted to the amount of five hundred dollars in such computation. [C35,§5296-f14; 47GA, ch 137,§81, 58.]

3828.012 Property exclusions. No person shall receive old-age assistance if the assessed value of his real property, less recorded liens, exceeds two thousand dollars, or if married and not separated from the spouse, if the net assessed value of his real property together with that of such spouse, less recorded liens, exceeds three thousand dollars.

No person shall receive old-age assistance if he has more than three hundred dollars, or if married and not separated from the spouse, if he and his spouse have more than four hundred fifty dollars in cash, on deposit in a bank, in postal savings, or if the immediate cash value, as determined by the board and subject to review by the division, of his holdings of bonds, stocks, mortgages, other securities or investments, except real estate, exceeds three hundred dollars, or if married and not separated from the spouse, if he and his spouse have more than four hundred fifty dollars. At the discretion of the division, however, where such immediate sale, for cash, of such securities or investments necessitates an undue financial sacrifice, the applicant, when in immediate need of assistance, shall assign such securities and investments to the state to be held in trust by the state board to reimburse the old-age assistance revolving fund for the amount paid from the old-age assistance fund and the old-age assistance revolving fund in assistance or other benefits in behalf of said applicant.

No person shall be allowed assistance if the claimant has deprived himself, directly or indirectly, of any property for the purpose of qualifying for old-age assistance, or if the claimant or the husband or wife conveys or encumbers any real estate or other property owned by them or by either of them for the purpose of preventing the state from reimbursing itself for assistance granted or to be granted hereunder.

A sworn statement by both the vendor and vendee of the reasons and/or considerations of any transfer of real and/or personal property within the five years immediately preceding the date of application for old-age assistance may be required by the board or division to be made in such manner and on such forms as the state board may direct; provided, however, that no sworn statement need be made for any transfer prior to January 1, 1934, unless the division so directs. [C35,§5296-f13; 47GA, ch 137,§§10, 38.]

3828.013 Applicants. An applicant for assistance shall deliver his claim, in writing, to the board of the county in which he resides, in the manner and form prescribed by the state board.

All statements in the application shall be sworn to or affirmed by the applicant setting forth that all facts are true in every material point. [C35,§5296-f17; 47GA, ch 137,§83.]

3828.014 Procedure with application. When an application is made for old-age assistance, the county board shall promptly send it to the division. Within sixty days, the county board shall make an investigation of the applicant's claim through an investigator, and make, in addition, such direct investigation as it deems advisable. After hearing the applicant, if he so requests, if it approves the claim, the county board shall make a recommendation of the amount of assistance to be allowed; or, if it disapprove, make a recommendation that no assistance be allowed. Within ninety days from the date of the application, the county board shall send its recommendation and the reason for such recommendation to the division with such supporting papers as the state board may require, unless for reasons beyond the county board's control which reasons shall be reported.

Upon receipt of the application and supporting papers, the division may make such additional investigation as it deems necessary. Should the division disagree with the county board in the latter's recommendation regarding eligibility it shall neither approve nor disapprove said application without a further review to clarify the points of disagreement between the county board and division. In any event, the division shall make its decision within sixty days of the receipt of the supporting papers, properly prepared and executed, and either approve and fix an amount of assistance or reject the claim of the applicant; and shall give written notice to the applicant as to the action taken.

Any applicant or recipient aggrieved by any order or determination of the division, or by the failure of the division or county board to so act,
may make application for a review by the state board upon a prescribed form furnished by the county board. Such application shall be sent by registered mail to the superintendent within thirty days of the notice of such rejection or order or within thirty days after the time hereinbefore prescribed for the county board or division to act. Upon receipt of such application for review, the state board shall give at least ten days notice to said applicant by registered mail of the time and place of a hearing to be held within the county of residence of the applicant. A fair hearing and full review of said claim shall then be had before said state board or such person or persons designated by the chairman, from the membership of the state board or the division. Following such hearing the state board shall take its final action and notify the applicant in writing within ninety days.

If an applicant whose application for assistance has been rejected, or a recipient whose certificate for assistance has been canceled, after a review hearing hereinabove provided, within thirty days after notice of such action is given, may appeal from the decision of the state board to the district court of the county in which the applicant or recipient resides, by serving a ten days notice of such appeal upon the superintendent or upon any member of the state board, in the manner required for the service of an original notice in any civil action. Upon the service of such notice, the state board shall furnish the applicant with a copy of the application and all supporting papers, a transcript of the testimony taken in a hearing, if any, and a copy of its decision.

The district court shall act as an appellate court to review the decision of the state board to determine whether or not it has therein committed fraud or abused its discretion. The costs may be taxed to appellant where the appeal is affirmed or may be remitted.

In any event, an applicant whose application for assistance has been rejected may not reaply for assistance until the expiration of twelve months from the date of the previous application, except for good cause shown by said applicant which good cause shall be determined by the county board. [C35, §5296-f19; 47GA, ch 137, §15; 48GA, ch 140, §22.]

Witnesses. For the purpose of any such investigation, the state board and the county board shall have the power to compel, by subpoena, the attendance and testimony of witnesses and the production of books and papers. All witnesses shall be examined on oath, and any member of the state board or of the county board may administer said oath. The costs incurred in connection with any such hearing or examination shall be paid by the state board or county board, whichever issues the subpoena; and the witnesses shall be entitled to claim a two-dollar fee and mileage expense at a rate of five cents per mile, except that responsible relatives as defined in sections 3828.074, 3828.077 and 10501.6 shall not be entitled to claim witness fees and mileage expense. [C35, §5296-f19; 47GA, ch 137, §38; 48GA, ch 140, §22.]

Assistance certificate. The division shall issue to each applicant to whom assistance is allowed a certificate for two years, stating the amount of each installment, which may be monthly or quarterly, as the division may decide; and, on written order of the division, the state comptroller shall issue his warrant, or warrant check to be forwarded by the division of old-age assistance, to such recipient in payment of each installment. The amount of assistance granted under this chapter shall be subject to review at any time by the division and the amount received by the recipient may be increased, decreased, or discontinued and in such case a written order stating the reason therefor shall be filed as a part of the record of said application and an explanation of such order increasing, decreasing or discontinuing said assistance shall be mailed to the recipient of said assistance. [C35, §§5296-f20; 47GA, ch 137, §§16, 38; 48GA, ch 141, §1.]

Fingerprint indorsement. Whenever the payee of an old-age assistance warrant is unable to indorse said warrant in writing as his name appears on the face of said warrant, the indorsement shall be made by the payee's fingerprint, which act shall be witnessed by at least two persons who shall sign as witnesses, also giving their address. [48GA, ch 140, §20.]

Renewal of certificate. A renewal certificate of assistance shall be required for each biennium, to be issued by the division in such form, in such manner and following such investigation as the state board shall direct.

The general provisions as to the eligibility of applicants for assistance shall apply to recipients whose certificates are subject to review for the issuance of renewal certificates of assistance, with the following exceptions as to residence:

Provided, that he does not establish a domicile outside this state, a person may, while receiving assistance and with the approval of the division, retain his rights under the provisions of this chapter and section, even though he takes up residence outside the state for reasons of the infirmities of age, health or economic necessity:

1. In any privately supported charitable, benevolent or fraternal institution;
2. In any privately supported hospital or sanitarium, except institutions for the feeble-minded and insane;
3. In the household of a relative or friend. [C35, §§5296-f21; 47GA, ch 137, §38.]

Assistance certificate improperly obtained. If at any time the division has reason to believe that an assistance certificate has been improperly obtained, it shall cause special inquiry to be made by the board, and may suspend payment of any installment pending the inquiry. It shall also notify the board
of such suspension and it shall also promptly notify the recipient in writing of such suspension stating in such notice the reason for such suspension and such recipient shall be entitled to a hearing, as provided by section 3828.014, to show cause why such suspension should not be made permanent. If on inquiry it appears that the certificate was improperly obtained, it shall be canceled by the division, but if it appears that the certificate was properly obtained, the suspended installments shall be payable in due course. [C35, §5296-f30; 47GA, ch 137, §§27, 38.]

3828.020 When assistance commences. The assistance, if allowed, shall commence on the date named in the certificate, which shall be the day fixed by the state board for payments to recipients in the county from which the applicant applied and within the calendar month following that on which the application is approved by the division. [C35, §5296-f22; 47GA, ch 137, §§17, 38.]

3828.021 Funeral expenses. On the death of any person to whom a certificate of old-age assistance has been issued and has not been canceled, such reasonable funeral expenses shall be paid from the old-age assistance fund to such person as the county board directs, in an amount of not to exceed one hundred dollars; provided:

1. That the total expense of such funeral does not exceed two hundred dollars.

2. That the decedent does not leave an estate which may be probated, subject to the provisions of section 3828.022, with sufficient proceeds to allow a funeral claim of at least two hundred dollars, as provided by section 11969.

3. That no payment in an amount equal to two hundred dollars is due the decedent's estate, spouse, children, father, mother, brother or sister, by reason of the liability of any life insurance or death or funeral benefit company, association, or society, to be made in the event of the death of such decedent who is a recipient of old-age assistance.

4. That in the event the total funeral expenses for a recipient of old-age assistance exceed the division’s liability of one hundred dollars, as provided under 1, 2 and 3 above, the additional expenses shall accrue only when made necessary by the transportation of the body for a distance of more than twenty miles from the place of death, when the purchase price of the burial lot exceeds twenty dollars, when it is necessary to secure a non-standard casket because of the excess size or deformity of the body of the decedent, or when the family or next best friend of the decedent specify the use of a steel or concrete, outside, burial vault.

Any funeral expenses thus paid by the division shall become a part of the claim for assistance paid the individual recipient of old-age assistance and shall be collectible under the provisions of sections 3828.022 and 3828.023. When no claim is filed, or, whenever a claim is filed and disallowed, for the payment of funeral expenses, as provided for by this chapter and section, and the person furnishing such services and merchandise, in connection with the funeral of a deceased recipient of old-age assistance, files a claim against the decedent’s estate, as provided for by chapter 507, such claim shall not be allowed in an amount exceeding two hundred dollars. [C35, §5296-f25; 47GA, ch 137, §§21, 38; 48GA, ch 142, §1.]

3828.022 Deduction from estate. On the death of a person receiving or who has received assistance under this chapter or of the survivor of a married couple, either or both of whom were so assisted, the total amount paid as assistance shall be allowed as a lien against the real estate in the estate of the decedent and as a claim of the second class against the personal estate of such decedent, in the event the estate is admitted to probate. Neither the homestead nor the proceeds therefrom of such decedent or his survivor, shall be exempt from the payment of said lien or claim, any act or statute to the contrary notwithstanding. The filing of its claim against the estate shall not constitute a waiver of the right of the state board, in behalf of the state, to maintain an action by equitable proceedings to foreclose upon its lien against a homestead left by the deceased as well as any other real estate situated within the state of Iowa, and belonging to the estate of the deceased. The proceeds of such claim shall be paid into the old-age assistance revolving fund. In case of the death of either husband or wife, either or both of whom have been receiving or have received assistance under this chapter, the estate of deceased shall not be settled or the homestead sold until the surviving spouse shall die or cease to occupy the homestead as such. Furthermore, no such claim shall be enforced against any real estate of the recipient, or the real estate of a person who has been a recipient, while it is occupied by the recipient’s surviving spouse, if the latter, at the time of marriage to the recipient, was not more than fifteen years younger than the recipient, and does not marry again. [C35, §5296-f15; 47GA, ch 137, §12; 48GA, ch 140, §24, 25.]

3828.023 Transfer of property to the state. In any event, the assistance furnished under this chapter shall be and constitute a lien on any real estate owned either by the husband or wife for assistance furnished to either of such persons. Whenever an order is made for such assistance to any person, a copy of such order shall be indexed and recorded in the manner provided for the indexing of real-estate mortgages in the office of the county recorder of the county in which the recipient lives and in which the real estate belonging to the recipient or the spouse of such recipient is situated, and such recording and indexing shall constitute notice of such lien. The county recorder shall not charge a fee for such recording and indexing.

Referred to in §§3828.011, 3828.021, 3828.022, 3828.024, 3891.
Assistance furnished under this chapter shall not constitute a lien on any real estate owned by the Indian tribes residing in this state. This is the sole exception to the provisions of this section 3828.022.

Any action to enforce an old-age assistance lien shall be by equitable proceedings.

The statute of limitations shall not begin to run against any lien or cause of action, belonging to the state under the provisions of this section or chapter, until the death of the recipient, former recipient, or the surviving spouse, if any.

The state board shall release liens, accruing under the provisions of this section and chapter, when fully paid, when compromised and settled, or when the estate, of which real estate affected by this chapter is a part, has been probated and the proceeds allowable have been applied on such liens.

If the state board deems it necessary to protect the interest of the state, it may require, as a condition to the grant of assistance, the absolute conveyance of all, or any part, of the property of an applicant for assistance to the state; upon the taking of such deed the division shall pay any delinquent taxes against said property and said deed shall reserve to the grantor and his spouse a life estate in said property and an option to the grantor and his heirs to purchase said property by repayment of the total amount paid for the benefit of the recipient. Said option insofar as the heirs are concerned shall be for two years from the date of the death of the grantor or the grantor's surviving spouse, if any, and shall include an interest charge of three and one-half percent during the period of the option to the heirs.

Such property shall be managed by the division which shall credit the net income to the account of the person or persons entitled thereto. The state board shall have power to sell, lease, or transfer such property or defend and prosecute all suits concerning it, and to pay all just claims against it, and to do all other things necessary for the protection, preservation and management of the property.

Upon the death of the recipient, or person who has received assistance, and the surviving spouse of such person, which spouse meets the requirements set out in section 3828.022, and the expiration of the option to the heirs, the property shall be disposed of and so much of the proceeds as is necessary for the repayment of the amount of assistance and other benefits paid to the grantor and/or his spouse and repayment of amount expended for the preservation of the property shall be transferred to the old-age assistance revolving fund. The balance, if any, shall be paid through the old-age assistance revolving fund to the heirs.

The sale for any general or special taxes of any property, against which a lien has been filed under the provisions of this section and section 3828.022, shall not affect said lien or its enforcement; and the state board and division shall be entitled to an assignment of the certificate of tax sale of said property upon tender to the holder or to the county auditor of the amount to which the holder of the tax certificate would be entitled in case of redemption.

The attorney general, at the request of the state board, shall take the necessary proceedings, and represent and advise the state board in respect to any matters arising under this section. [C35,§5296-f16; 47GA, ch 137,§13,38.] Referenced to in §§3828.021, 3828.024, 3891

3828.024 Executor responsible. Any transfer of any property or interest therein made by an applicant or recipient of old-age assistance to any person without adequate consideration therefor or with intent to deprive the state of its interest therein shall be void.

All administrators, executors, referees and trustees of estates subject to liens provided for by this chapter shall when such lien as provided in sections 3828.022 and 3828.023, is filed or a claim is filed in the estate or against said estate or established by other legal proceedings as provided by law, pay said lien or claim when so ordered by the court. [C35,§5296-g1; 47GA, ch 137,§14.]

3828.025 Compromise by state. The state board and division, when considering a compromise settlement of the state's interest in any property or the estate of a recipient and/or the recipient's spouse, may recognize such equitable interest as may be established by another person or legal entity. [48GA, ch 140,§16.]

3828.026 Assignment of insurance. Any person, who has been granted a certificate of old-age assistance and is receiving payments of assistance from the old-age pension fund, may petition the state board to accept an assignment of any assignable death benefits, loan value, or cash surrender value, of any life insurance policy, death or funeral benefit of any association, society or organization, requiring further payment of premiums or assessments which such person believes he is unable to pay. The state board may accept such assignment if it deems such action advisable and in the best interests of such person and the state. Upon the payment of such death benefit, the division shall first deduct the amount of the funeral expenses, incurred under the provisions of section 3828.021, the amount of the premiums or assessments paid by the division to keep the insurance or benefit in force, and the amount of assistance paid to such person, all of which shall accrue to the old-age assistance revolving fund, and pay the balance received, if any, to such person as was the beneficiary last specified upon the policy.

Any recipient of old-age assistance may assign any such insurance policy or benefit for the purpose stated in this section, and when such assignment has been received by the company, association, society, or other organization, issuing same, the state board and division shall have a vested interest therein for the purpose and to the extent as is contemplated in this section, and the contract so made between such insured person and the state board and division, shall be
§3828.027, Ch 189.1, T. XI, OLD-AGE ASSISTANCE

valid, and binding upon such insured person, company, association, society or other organization, any other statute to the contrary notwithstanding.

When proceeds are received from any insurance policy which was not assigned to the state board and which states the beneficiary to be the administrator, or legal representatives or estate of the insured, such proceeds shall be subject to the claim against said estate for any old-age assistance payments to or on behalf of such insured person or for any funeral claims paid and said claim shall be prior to the claim of the heirs thereto. [C35,§5296-g2; 47GA, ch 137,§§14a, 38; 48GA, ch 140,§§11, 23.]

3828.027 To notify board of increase of property or income. If at any time during the currency or continuance of an old-age assistance certificate of the recipient, or the wife or husband of the recipient, becomes possessed of any property or income in excess of the amount allowed by this chapter in respect of the amount of assistance granted, it shall be the duty of the recipient immediately to notify the board of the receipt and possession of any such property or income. The board shall inform the division of such change and make its recommendation for further action by the division. The division thereupon shall cancel the certificate or lower the amount of assistance for the remaining period of the certificate and notify the recipient of the reason for such change. Any excess assistance paid shall be returned to the state, and recoverable as a debt due the state. [C35,§5296-f23; 47GA, ch 137,§§19, 38; 48GA, ch 140,§3.]

3828.028 Recovery from responsible relatives. If at any time under this chapter the state board and division or county board finds that any person, municipality, association, society or corporation, as specified under subsection 7 of section 3828.008, is or was at the time any assistance was paid reasonably able to contribute to the necessary care and support of any recipient without undue hardship, during the continuance of any certificate of assistance, and such person, municipality, association, society or corporation fails or has failed or refused to do so, then, after notice to such person, municipality, association, society, or corporation, there shall exist a cause of action against such person, municipality, association, society or corporation for the recovery by the state board and division, for the state, of double such amount of assistance furnished as was or is in excess of the amount allowed by this chapter. [47GA, ch 137,§28; 48GA, ch 140,§13.]

3828.029 When child's liability begins. The state board or the court in determining the responsibility of a child for the support of a claimant or recipient, shall deem liability to begin when said child is receiving a net income from whatever source, commensurate with that upon which he would make an income tax payment to this state. In no event shall assistance be granted when the contribution made by or required of responsible relatives attains the equivalent of the maximum assistance payable under this chapter. [48GA, ch 140,§17.]

3828.030 County attorney's duties—equity action. It shall be the duty of the county attorney of each and every county, upon application of the state board of social relief, assistance and conduct the prosecution of any suit for the support of an applicant or recipient of assistance by any person or legal entity legally or contractually liable therefor, and any action brought for the violation of any of the provisions of this chapter, within the county.

In the event that a child or other responsible relative neglects or refuses to contribute to the support of a claimant or recipient, an action in equity may be commenced in the district court of the county in which a responsible relative resides and there may be joined as defendants in said action any or all other responsible relatives. The court may decree the amount of contribution, if any, to be made by each child or other responsible relative with due regard to their separate incomes, financial ability and obligations. [48GA, ch 140,§18.]

3828.031 Cancellation when county evades responsibility. The state board may cancel the certificate of any recipient who is found by the state board to be acting in agreement with the authorities of any county charged with the duty of providing for the support of the poor if it shall appear to the state board that such agreement is with the intent to shift or would have the effect of shifting the responsibility of any such county or to evade the provisions of sections 3828.032 and 3828.037. [48GA, ch 140,§27.]

3828.032 Recipient not to receive other assistance. No person receiving assistance under this chapter shall at the same time receive any other assistance from the state, or from any political subdivision thereof, except for fuel, dental, nursing, osteopathic, chiropractic, medical and surgical assistance, and hospitalization.

This section shall not be construed to exclude the spouse, minor children or other dependents of the recipient of old-age assistance, or the members of the same family or household as said recipient from receiving relief, assistance or pensions handled or paid through the state or any of its political subdivisions. In administering old-age assistance or relief, the officials of this state and its political subdivisions shall assume old-age assistance payments to be made for the sole benefit of the aged person to whom the certificate of assistance has been issued. [C35,§5296-f27; 47GA, ch 137,§23; 48GA, ch 140,§4.]

3828.033 No assistance during imprisonment. If any person receiving assistance is charged with, or convicted of, any crime or offense, and punished by imprisonment for one month or longer, the board shall direct that payments shall not be made during the period of imprisonment. [C35,§5296-f33.]

3828.034 Resident in institution. Any recipient who is a resident in any charitable, benev-
olent, or fraternal institution, not tax-supported, may expend a part of the assistance paid him under the provisions of this chapter toward defraying the actual expenses of his residence in such institution, provided, that the state board has approved and that it and its agents are permitted freely to visit and inspect such institution and, provided, the charge shall not be so much as to deprive said recipient and inmate of such cash as he needs for necessities and incidentals not furnished by said institution. [C35,§5296-f26; 47GA, ch 137,§32.]

3828.035 Incapacity of applicant or recipient. If the person applying for or receiving assistance, on the testimony of reputable witnesses, is thought to be incapable of taking care of himself or his money, the board shall complete the investigation, as provided elsewhere in this chapter, and send such application, investigation, and supporting papers to the division. When notified by the division of the conditional approval of said application or the renewal or continuance of a certificate, contingent upon the appointment of a legal guardian, the board shall direct the county attorney to petition the court for such appointment and shall forward the court record to the division as notice of the person to whom assistance payments shall be made.

The application of a person who has been adjudged an incompetent shall be honored only when made by a legally appointed guardian as provided for under the provisions of section 12614. Upon subsequent investigations all affidavits shall be affirmed by said legal guardian and the person or persons supplying the required information in behalf of said incompetent person.

All guardianship proceedings in the case of an applicant or recipient shall be carried out without fee or other expense when, in the opinion of the court, the aged person is unable to assume said expense. At the discretion of the court, such a guardian may serve without bond. [C35,§5296-f28; 47GA, ch 137,§24.]

3828.036 Unlawful to charge for cashing warrant. It shall be unlawful for any person, firm or corporation to charge a fee, service charge or exchange for the cashing of a warrant issued on the old-age assistance fund, or to discount or pay less than the face value of any warrant drawn on the old-age assistance fund when cashing the same or accepting it in the payment of the purchase price of goods or merchandise, services, rent, taxes, or indebtedness. [C35,§5296-g4; 47GA, ch 137,§26.]

3828.037 Assistance to be inalienable. All rights to old-age assistance shall be absolutely inalienable by any assignment, sale, execution or otherwise, and, in the case of bankruptcy, the assistance shall not pass to or through any trustees or other persons acting on behalf of creditors. [C35,§5296-f29.]

Referred to in §3828.037.

3828.038 Recovery of excess assistance. When it is found that any person who is receiving or has received old-age assistance has failed to notify the board, as provided in section 3828.027, that he is or was possessed of property or income in excess of the amount allowed by this chapter, then his certificate shall be canceled and the amount of assistance paid, in excess of that to which the recipient was entitled, may be recovered from him, while living, as a debt due the state; upon his death as a preferred claim against his estate. The amount so received shall be transferred to the old-age assistance revolving fund of the state. [C35, §5296-f24; 47GA, ch 137,§20.]

3828.039 Assistance fund created. There is hereby created a fund to be known as the old-age assistance fund to be administered by the state board and division, the proceeds of which shall be used to pay the expenditures incurred under this chapter. To provide money for said fund, there is hereby levied on all persons residing in this state and who are citizens of the United States and of twenty-one years of age and upwards, except inmates of state and county institutions, an annual tax of two dollars, to and including December 31, 1936. From the list certified to the county treasurer under the provisions of section 5296-f5 [code of 1955], it shall be the duty of such county treasurer to place the names of all persons subject to said tax on a tax list as specified by the auditor of state, and the said annual tax levied by the provisions of this section and chapter shall be collected in 1935, and 1936, by the county treasurer as of January 1, with a delinquency date of July 1, after which latter date a penalty of one percent for each month or fractional month of delinquency, and the county treasurer shall make remittance thereof to the treasurer of state who shall credit same to the old-age assistance fund. In any subsequent year to that in which any tax is due and payable, the county treasurer shall charge any unpaid tax and/or penalty against the property owned by the person by whom said tax is payable; or said county treasurer, when such delinquent person is not the owner of real estate, shall cause to be served a notice, which shall be served in the same manner as an original notice, upon the delinquent tax payer’s spouse or employer, if either, of the amount of the tax and penalties due and costs of collection and said spouse or employer shall pay the same, and thereupon the employer may subsequently withhold the amount thus paid in tax, penalty and cost of collection from any wages or salary then or in the future due said employee but costs of collection shall not be chargeable unless the tax and penalties are collected.

A person, firm, association or corporation, including municipal corporations and special charter cities, having in their employ continuously for a period of thirty days or more any resident of this state and who is a citizen of the United States, and to whom this chapter applies and who has not paid the tax provided for in this section, shall deduct said tax from the earnings of such employee and deliver to such employee a receipt for said collection and remit
same to the treasurer of state, together with a report showing the amount and name of the person from whom collected; and the treasurer of state shall credit said tax as other taxes provided for in this section and chapter, and report to the county treasurer of the county from which such remittance was received, giving the name of the employee and the amount of such tax collected; and when said report has been received by the county treasurer, he shall credit such person on his books with said payment. Any employer failing to collect and so report said tax shall be liable therefor. As a condition for obtaining assistance under this chapter and from this fund, satisfactory proof shall be furnished to the board or division that the applicant has paid all taxes due to said fund.

The officer of each department, division, or bureau of the state government, including state educational institutions, whose duty it is to make out a pay roll and to certify the same, shall be liable, personally and under his bond, for the failure of any state employee, under his jurisdiction, to pay the per capita tax levied under the provisions of this section. Such officer is hereby authorized to act in the same manner in withholding the tax from the salary or wages of a state employee as is granted a private employer and a municipal employer under the provisions of this section and chapter.

The penalties accruing under the provisions of this section shall accompany the tax and be credited to the old-age assistance fund.

All taxes collected under the provisions of this section and chapter shall be deposited to the credit of the old-age assistance fund, and shall be kept separate from the general fund of the state. On receipt of written order from the division, the state comptroller shall draw warrants, and/or warrant checks against the old-age assistance fund for any and all old-age assistance payments and other expenditures provided for in this chapter. [C35, §5296-f34; 47GA, ch 137, §38; 139, §1; 48GA, ch 140, §5.]

No bond of indemnity shall be required for the issuance of such duplicate warrants which shall be canceled immediately by the state comptroller. Should the original warrants subsequently be presented for payment, warrants in lieu thereof shall be issued.

[47GA, ch 137, §34.]

3828.046 Receipts and disbursements. There shall be kept on file in the state comptroller's office an itemized record of all receipts and disbursements showing the money received from each county and the assistance granted to each county. A summary of the said record shall be compiled and published at the end of the tax year. [C35, §5296-f37.]

4. Determine the need for funds in the various counties of the state basing such determination upon the amount of money needed in the various counties to provide adequate relief, and upon
the counties' financial inability to provide such relief from county funds. The state board may administer said funds belonging to the state within the various counties of the state to supplement local funds as needed.

5. Make such reports, obtain and furnish such information from time to time as may be required by the governor, by the general assembly, or by any other proper office or agency, state or federal, and make an annual report of its activities. [48GA, ch 86,§2.]

The local county board of supervisors shall ascertain all necessary details concerning those seeking relief, shall determine the minimum amount of relief required for each such person or family, and shall ascertain which of such persons are employable.

The board of supervisors may require that all employables contribute as many hours of his or her labor as that employable's requirements, as estimated by the board, will buy at the prevailing rate of compensation for that class of labor in that community.

The board of supervisors may determine on what projects of county-wide or community-wide nature such relief labor may be used. It may, however, delegate to its political subdivisions such authority as it deems advisable for administrative expediency.

3828.074 Parents and children liable. Upon the failure of such relatives so to relieve or maintain a poor person who has made application for relief, the township trustees, county social welfare board, or state division of old-age assistance may apply to the district court of the county where such poor person resides or may be, for an order to compel the same. [C51,§789; R60,§1357; C73,§1333; C97,§2217; C24, 27, 31, 35,§5502; 47GA, ch 137,§39.]

At least ten days notice in writing of the application shall be given to the parties sought to be charged, service thereof to be made as of an original notice, in which proceedings the county shall be plaintiff and the parties served defendants. No order shall be made affecting a person not served, but, as to such, notice may be given at any stage of the proceedings. The order may be for the entire or partial support of the applicant, may be for the payment of money or the taking of the applicant to a relative's house, or may assign him or her for a certain time to one and for another period to another, as may be just and right, taking into view the means of the several relatives liable, but no such assignment shall be made to one who is willing to pay the amount necessary for support. If the order be for relief in any other form than money, it shall state the extent and value thereof per week, and the time such relief shall continue; or the order may make the time of continuance indefinite, and it may be varied from time to time by a new order, as circumstances may require, upon application to the court by the trustees, the poor person, or the relative affected, ten days notice thereof being given to the party or parties concerned. [C51,§§793–795; R60,§§1361–1363; C73, §§1337–1339; C97,§2219; C24, 27, 31, 35,§5304.]

An appeal may be taken from the judgment rendered to the supreme court. Support for later periods under the same order may be, as it becomes due, applied for and obtained in the same manner. [C51,§§796–798; R60,§§1364–1366; C73,§§1340–1342; C97,§2219; C24, 27, 31, 35,§5305.]

3828.082 Abandonment—order as to property. [C51,§§799–800; R60,§§1367, 1368; C73,§§1343, 1344; C97, §2220; C24, 27, 31, 35,§5306.]

brance book, and from the date thereof shall be superior in right to any conveyance or lien created by the owner thereafter, and return shall be made of said order to the proper court, where the order of seizure, upon investigation, may be discharged or continued; if continued, the entire matter shall be subject to the control of the court, and it shall from time to time make such orders as to the disposition of the personal property seized, and the application of it or the proceeds thereof, as it may deem proper, and of the disposition of the rents and profits of the real estate. Should the party against whom the order issued thereafter resume his or her support of the person abandoned, or give bond with sureties, to be approved by the clerk, conditioned that such person shall not become chargeable to the county, the order shall be by the clerk discharged and the property remaining restored. [C51, §801–804; R60, §1369–1372; C73, §1345–1348; C97, §2220; C24, 27, 31, 35, §5307.]

[C51, §805; R60, §1373; C73, §1349; C97, §2221; C24, 27, 31, 35, §5308.]

§3828.085 Recovery by county. Any county having expended any money for the relief or support of a poor person, under the provisions of this chapter, may recover the same from any of his kindred mentioned herein, from such poor person should he become able, or from his estate; or more of the nearer relatives, and one so compelled to abandon from relatives by action brought within two years from the payment of such expenses, from such person by filing the claim as provided by law. [C51, §809; R60, §1375; C73, §1351; C97, §2223; C24, 27, 31, 35, §5310.]

2. Any person having acquired a settlement in any county of this state shall not acquire a settlement in any other county until such person shall have continuously resided in said county for a period of one year without being warned to depart as provided in this chapter.

3. Any such person who is an inmate of or is supported by any institution whether organized for pecuniary profit or not or any institution supported by charitable or public funds in any county in this state or any person who is being supported by public funds shall not acquire a settlement in said county unless such person before becoming an inmate thereof or being supported thereby has a settlement in said county.

4. A married woman has the settlement of her husband, if he has one in this state; if not, or if she lives apart from or is abandoned by him, she may acquire a settlement as if she were unmarried. Any settlement which the wife had at the time of her marriage may at her election be resumed upon the death of her husband, or if she be divorced or abandoned by him, if both settlements were in this state.

4A. Legitimate minor children take the settlement of their father, if there be one, if not, then that of the mother.

6. Illegitimate children take the settlement of their mother, or, if she has none, then that of their putative father. [C51, §808; R60, §1376; C73, §1352; C97, §2224; C24, 27, 31, 35, §5311.]

§3828.089 Settlement continues. A legal settlement once acquired shall so remain until such person has removed from this state for more than one year or has acquired a legal settlement in some other county or state. [C51, §809; R60, §1377; C73, §1353; C97, §2224; C24, 27, 31, 35, §5312.]

3828.091 Importation prohibited. If any person knowingly bring within this state or any county from another county in this state any pauper or poor person, with the intent of making him a charge on any of the townships or counties therein, he shall be fined not exceeding five hundred dollars, and be charged with his support. 3828.092 Notice to depart. Persons coming into the state, or going from one county to another, who are county charges or are likely to become such, may be prevented from acquiring a settlement by the authorities of the county, township, or city in which such persons are found warning them to depart therefrom. After such warning, such persons cannot acquire a settlement except by the requisite residence of one year without further warning. [C51, §812; R60, §1380; C97, §1355; C73, §2226; C24, 27, 31, 35, §5315.]

3828.093 Service of notice. Such warning shall be in writing, and may be served upon the order of the trustees of the township, or of the board of supervisors, by any person; and such person shall make a return of his doings thereon to the board of supervisors, which, if not made by a sworn officer, must be verified by affidavit.

In the event such person cannot be found within the county, any person attempting to make such service shall file with the board of supervisors an affidavit that diligent search has been made and that such persons cannot be found within the county and the same shall constitute sufficient service of warning as provided herein. 3828.094 Contest between counties. When relief is granted to a poor person having a settlement in another county, the auditor shall at once by mail notify the auditor of the county of his settlement of such fact, and, within fifteen days after receipt of such notice, such auditor shall inform the auditor of the county granting relief if the claim of settlement is disputed. If it is not, the poor person, if able, may be removed to the county of his settlement, or, at the request of the auditor or board of supervisors of the county of his settlement, he may be maintained where he then is at the expense of such county, and without affecting his legal settlement. [C51, §§814, 816, 817; R60, §§1382, 1384, 1385; C73, §§1357, 1359, 1360; C97, §2228; C24, 27, 31, 35, §5317.]

3828.095 Trial. If the alleged settlement is disputed, then, within thirty days after notice thereof as above provided, a copy of the notice sent and received shall be filed in the office of the clerk of the district court of the county against which claim is made, and a cause docketed without other pleadings, and tried as an ordinary action, in which the county affording the relief shall be plaintiff, and the other defendant, and the burden of proof shall be upon the county granting the relief or making the removal. [C51, §§816, 817; R60, §§1384, 1385; C73, §§1359, 1360; C97, §2228; C24, 27, 31, 35, §5318.]

3828.096 County of settlement liable. The county where the settlement is shall be liable to the county rendering relief for all reasonable charges and expenses incurred in the relief and care of a poor person, and for the charges of removal and expenses of support incurred. When relief as herein provided is furnished by any governmental agency of the county, township or city, such relief shall be deemed to have been furnished by the county in which such agency is located and the agency furnishing such relief shall certify the correctness of the costs of such relief to the board of supervisors of said county and said county shall collect from the county of such person's settlement. The amounts herein collected by said county shall be paid to the agency furnishing such relief. [C24, 27, 31, 35, §5374.]

Segregation and forcible detention. If any patient being treated for tuberculosis at the state sanatorium, or any county sanatorium or other institution where tuberculosis is cared for, shall refuse to comply with the laws of the state or rules for the government of the institutions named herein, and shall persistently, or carelessly, or maliciously violate such laws or rules so as to menace the welfare of said institution or to interfere with the administration, order, or peace of said institution, then upon complaint of the superintendent of any institution herein designated, such person may, by order of the district court, be segregated and forcibly detained in a ward or room, for such purpose, and for such period of time as may be deemed advisable by the court, to the end that such person may be properly treated, and the population of such institution may be protected and the decorum maintained. CHAPTER 189.7
MEDICAL AND SURGICAL TREATMENT OF INDIGENT PERSONS

3828.132 Complaint. Any adult resident of the state may file a complaint in the office of the clerk of any juvenile court, charging that any legal resident of Iowa residing in the county where the complaint is filed is pregnant or is suffering from some malady or deformity that can probably be improved or cured or advantageously treated by medical or surgical treatment or hospital care, and that neither such person nor persons legally chargeable with his support are able to pay therefor. [SS15, §254-b; C24, 27, 31, 35, §4005.]

3828.133 Duty of public officers and others. It shall be the duty of physicians, public health nurses, members of boards of supervisors and township trustees, overseers of the poor, sheriffs, policemen, and public school teachers, having knowledge of persons suffering from any such malady or deformity, to file or cause such complaint to be filed. [SS15, §254-b; C24, 27, 31, 35, §4006.]

3828.134 “Patient” defined. The word “patient” as used in this chapter means the person against whom the complaint is filed. [C24, 27, 31, 35, §4007.]

3828.135 Examination by physician. Upon the filing of such complaint, the clerk shall docket the same and shall appoint a competent physician and surgeon, living in the vicinity of the patient, who shall personally examine the patient with respect to said pregnancy, malady or deformity. [SS16, §254-b; C24, 27, 31, 35, §4008.]

3828.136 Report by physician. Such physician shall make a report in duplicate on blanks furnished as hereinbefore provided, answering the questions contained therein and setting forth the information required thereby, giving such history of the case as will be likely to aid the medical or surgical treatment or hospital care of such patient, describing the pregnancy, deformity or malady in detail, and stating whether or not in his opinion the same can probably be improved or cured or advantageously treated, which report shall be filed in the office of the clerk within such time as the clerk may fix. [SS15, §§254-b, -j; C24, 27, 31, 35, §4009.]

3828.137 Investigation and report. When such complaint is filed, the clerk shall furnish the county attorney and board of supervisors with a copy thereof and said board shall, by the overseer of the poor or such other agent as it may select, make a thorough investigation of facts as to the legal residence of the patient, and the ability of the patient or others chargeable with his support to pay the expense of such treatment and care; and shall file a report of such investigation in the office of the clerk, at or before the time of hearing. [SS15, §254-b; C24, 27, 31, 35, §4010.]

3828.138 Notice of hearing—duty of county attorney. When the physician’s report has been filed, the clerk shall, with the consent of the court or judge, fix a time and place for hearing of the matter by the court, and the county attorney shall cause such patient and the parent or parents, guardian, or person having the legal custody of said patient, if under legal disability, to be served with such notice of the time and place of the hearing as the judge or clerk may prescribe. [SS15, §254-c; C24, 27, 31, 35, §4011.]

3828.139 Hearing—order—emergency cases—cancellation of commitments. The county attorney, the overseer of the poor or other agent of the board of supervisors of the county where the hearing is held, shall appear thereat. The complainant, the county attorney, the overseer of the poor or other agent of the board of supervisors, and the patient, or any person representing him, or her, may introduce evidence and be heard. If the court finds that said patient is a legal resident of Iowa and is pregnant or is suffering from a malady or deformity which can probably be improved or cured or advantageously treated by medical or surgical treatment or hospital care, and that neither the patient nor any person legally chargeable with his or her support is able to pay the expenses thereof, then the clerk of court, except in obstetrical cases and cases of crippled children, shall immediately ascertain from the admitting physician at the university hospital whether such person can be received as a patient within a period of thirty days, and if the patient can be so received, the court shall then enter an order directing that said patient be sent to the
university hospital for proper medical and surgical treatment and hospital care. If the court ascertain, excepting in obstetrical cases and orthopedic cases, that a person of the age or sex of the patient, or afflicted by the complaint, disease or deformity with which such person is affected cannot be received as a patient at the said university hospital within the period of thirty days, then he shall enter an order directing the board of supervisors of the county to provide adequate treatment at county expense for said patient at home or in a hospital. Obstetrical cases and orthopedic cases may be committed to the university hospital without regard to the limiting period of thirty days hereinafter stated.

In any case of emergency the court without previous inquiry may at its discretion order the patient to be immediately taken to and accepted by the university hospital for the necessary care as provided in section 3828.142, but if such a patient cannot be immediately accepted at the university hospital as ascertained by telephone if necessary, the court may enter an order as in certain cases above set forth directing the board of supervisors to provide adequate treatment at county expense for the said patient at home or in a hospital.

On the date this act [45ExGA, ch 38] becomes effective the commitments of all persons then waiting for treatment at the university hospital are hereby canceled. Should commitments be applied for on behalf of any of those said patients within six months thereafter, they may be committed without regard to the thirty-day provision of the preceding paragraph and they shall have preference as to sixty percent of the beds of the university hospital available for the use of indigent patients. [SS15,§254-c; C24, 27, 31, 35,§4012.]

3828.140 Treatment for infant. Whenever a woman who is pregnant is committed to the hospital under the provisions of section 3828.139, the said commitment shall authorize the hospital to provide proper medical or surgical treatment and hospital care for the infant. [C31, 35,§4012-d.]

3828.141 Religious belief—denial of order. The court in its discretion may refuse to make such order in any case where the court finds the patient or his parent, parents, or guardian are members of a religious denomination whose tenets preclude dependence on the practice of medicine or surgery and desire in good faith to rely upon the practice of their religion for relief from disease or disorder. [C24, 27, 31, 35, §4013.]

3828.142 Order in case of emergency. In cases of great emergency, when the court or judge is satisfied that delay would be seriously injurious to the patient, he may make such order with the consent of the patient, if adult, or of the parent or parents, guardian, or person having the legal custody of said patient, if a minor or incompetent, without examination, report, notice, or hearing. [SS15,§254-c; C24, 27, 31, 35,§4014.]

3828.143 Certified copy of order. The clerk shall prepare a certified copy of said order, which, together with a copy of the physician's report, shall be delivered to the admitting physician of said hospital at or before the time of the reception of the patient into the hospital. [SS15,§254-j; C24, 27, 31, 35,§4015.]

3828.144 Attendant—physician—compensation. If the physician appointed to examine the patient shall certify that an attendant to accompany the patient to the said hospital is necessary, and the university hospital attendant and ambulance service is not available, then the court or judge may appoint an attendant who shall receive not exceeding two dollars per day for the time thus necessarily employed and actual necessary traveling expenses by the most feasible route to said hospital whether by ambulance, train or automobile; but if such appointee is a relative of the patient or a member of his immediate family, or receives a salary or other compensation from the public for his services, no such per diem compensation shall be paid him. The physician appointed by the court to make the examination and report shall receive therefor three dollars for each examination and report so made and his actual necessary expenses incurred in making such examination, but if said physician receives a salary or other compensation from the public for his full-time services, then no such examination fee shall be paid. The actual, necessary expenses of transporting and caring for the patient shall be paid as hereinafter provided. [SS15,§254-h; C24, 27, 31, 35,§4016.]

3828.145 Expenses—how paid. An itemized, verified statement of all charges provided for in section 3828.139 and in section 3828.144, in cases where the patient is admitted or accepted for treatment at the university hospital shall be filed with the superintendent of the university hospital, and upon his recommendation when approved by the judge under whose order the same were incurred, they shall be charged on the regular bill for the maintenance, transportation and treatment of the patient, and be audited and paid in the manner as hereinafter provided. [SS15,§254-h; C24, 27, 31, 35,§4017.]

3828.146 Duty of admitting physician at hospital. The authorities in control of the medical college shall designate some physician to pass upon the admission of such patient, and it shall be his duty to receive such patient into the hospital and to provide for him, if available, a cot, bed, or room in said hospital, and to assign him to the appropriate clinic and for treatment by the proper physician, unless, in his judgment, the presence of the patient in the hospital would be dangerous to other patients, or there is no reasonable probability that he may be benefited by the proposed treatment or hospital care.
If the admitting physician shall deny admission to the patient, he shall make a report in duplicate of his reasons therefor. [SS15,§254-d; C24, 27, 31, 35,§4018.]

Referred to in §3828.149

3828.147 County quotas. Subject to subsequent qualifications in this section, there shall be treated at the university hospital during each fiscal year a number of committed indigent patients from each county which shall bear the same relation to the total number of committed indigent patients admitted during the year as the population of such county shall bear to the total population of the state according to the last preceding official census. This standard shall apply to indigent patients, the expenses of whose commitment, transportation, care and treatment shall be borne by appropriated funds and shall not govern the admission of either obstetrical or orthopedic patients. If the number of patients admitted from any county shall exceed by more than ten percent the county quota as fixed and ascertained under the first sentence of this section, the charges and expenses of the care and treatment of such patients in excess of ten percent of the quota shall be paid from the funds of such county at actual cost; but if the number of excess patients from any county shall not exceed ten percent, all costs, expenses, and charges incurred in their behalf shall be paid from the appropriation for the support of the hospital. [C35,§4018-f.]

3828.148 Report of physician in charge of clinic. If the physician or surgeon in charge of said clinic, or to whom such patient has been assigned for treatment, declines to treat such patient, he shall make a report in duplicate of his examination of such patient, and state therein his reasons for declining such treatment. [SS15,§254-d; C24, 27, 31, 35,§4019.]

Referred to in §3828.149

3828.149 Reports. One duplicate of each of the reports named in sections 3828.146 and 3828.148 shall be preserved in the records of said hospital, and the other transmitted to the clerk of the court where said order committing the patient to said hospital is entered, and by the clerk filed and preserved among the records in the cause. [SS15,§254-d; C24, 27, 31, 35,§4020.]

3828.150 Treatment of other patients. The university hospital authorities may at their discretion receive into the hospital for medical, obstetrical or surgical treatment or hospital care, patients not committed thereto under the provisions of this chapter; but the treatment or care of such patients shall not in any way interfere with the proper medical or surgical treatment or hospital care of committed patients.

All of the provisions of this chapter except as to commitment of patients shall apply to such patients. The university hospital authorities shall collect from the person or persons liable for the support of such patients reasonable charges for hospital care and service and deposit the same with the treasurer of the university for the use and benefit of the university hospital. Earnings of the hospital whether from private patients, cost patients, or indigents shall be administered so as to increase as much as possible, the service available for indigents. [C24, 27, 31, 35,§4021.]

3828.151 Hospital treatment. When any patient has been admitted to the hospital for treatment, the physician or surgeon in charge of the case shall proceed with due care and diligence to perform such operation or bestow such treatment upon such patient as in his judgment shall be necessary and proper. Adequate nursing and hospital care shall be provided for said patient during such treatment. [SS15,§254-d; C24, 27, 31, 35,§4022.]

3828.152 Treatment outside hospital—attendant. If, in the judgment of the physician or surgeon to whom the patient has been assigned for treatment, continuous residence of the patient in the hospital is unnecessary, such patient may, by the hospital authorities, be sent to his or her home or other appropriate place, and be required to return to the hospital when and for such length of time as may be for his benefit. The hospital authorities may, if necessary, appoint an attendant to accompany such patient and discharged patients, whose compensation shall be the same and whose expenses shall be audited and paid as provided for an attendant appointed by the court. [SS15,§§254-h, -i; C24, 27, 31, 35,§4023.]

3828.153 Treatment authorized. No minor or incompetent person shall be treated for any malady or deformity except such as is reasonably well described in the order of court or the report of the examining physician, unless permission for such treatment is provided for in the order of court, or is granted by his parents or guardian; but the physician in charge may administer such treatment or perform such surgical operations as are usually required in cases of emergency. [SS15,§§254-i; C24, 27, 31, 35,§4024.]

3828.154 Treatment gratuitous—exception. No physician, surgeon, or nurse who shall treat or care for such patient shall charge or receive any compensation therefor except the salary or compensation fixed by the state board of education to be paid from the hospital funds. If the physician, surgeon or nurse is not in the regular employ of the state board of education, his or her compensation shall be paid by the county upon approval of the board of supervisors. [SS15,§§254-e; C24, 27, 31, 35,§4025.]

3828.155 Record and report of expenses. The superintendent of said hospital shall keep a correct account of all medicine, care, and maintenance furnished to said patients, and shall make and file with the state comptroller an itemized, sworn statement of all expenses thereof incurred in said hospital. But he shall render separate bills showing the actual cost of all
appliances, instruments, x-ray and other special services used in connection with such treatment, commitments, and transportation to and from the said university hospital, including the expenses of attendants and escorts.

All purchases of materials, appliances, instruments and supplies by said university hospital, in cases where more than one hundred dollars is to be expended, and where the price of the commodity or commodities to be purchased are subject to competition, shall be upon open competitive quotations, and all contracts therefor shall be subject to the provisions of chapter 62. [SS15,§254-f; C24, 27, 31, 35,§4026.]

3828.156 Audit of accounts of hospital. To arrive at a proper basis for the payment of said bills for treatment, care, and maintenance, the state board of education shall cause to be made annually an audit of the accounts of the university hospital, and determine the average cost per day for the care and maintenance of each patient therein, exclusive of the salaries of the members of the faculty of said university college of medicine, and said bills shall be allowed at such average cost. All accounts shall be so adjusted and paid as to reimburse the funds of the hospital used for the purposes of this chapter. [C24, 27, 31, 35,§4027.]

Referred to in §3828.157

3828.157 Expenses—how paid—action to reimburse county. Warrants under section 3828.156 shall be promptly drawn on the treasurer of state and forwarded by the state comptroller to the treasurer of the state university, and the same shall be by him placed to the credit of the funds which are set aside for the support of said hospital. The superintendent of the said university hospital shall certify to the auditor of state on the first day of January, April, July and October of each year, the amount as herein provided not previously certified by him due the state from the several counties having patients chargeable thereto, and the auditor of state shall thereupon charge the same to the county so owing. A duplicate certificate shall also be mailed to the auditor of each county having patients chargeable thereto.

[SS15, §2794-a; C24, 27, 31, 35, §4154.]

4155 Petition. A petition describing the boundaries of the territory and asking for the establishment of boundaries for a proposed school corporation, signed by one-third of the voters residing within the limits of the territory described, shall be filed with the county superintendent of the county in which the greater number of the qualified electors reside. [SS15, §2794-a; C24, 27, 31, 35, §4155.]

4156 Affidavit—presumption. Such petition shall be accompanied by an affidavit showing the number of qualified electors living in the territory described in the petition and signed by a qualified elector residing in the territory, and if parts of the territory described in the petition are situated in different counties, the affidavit shall show separately as to each county, the number of qualified electors in the part of the county included in the territory described. The affidavit shall be taken as true unless objections to it are filed on or before the time fixed for filing objections as provided in section 4157. [C24, 27, 31, 35, §4156.]

4157 Objections—time of filing—notice. Within ten days after the petition is filed, the county superintendent shall fix a final date for filing objections to the petition in the office of the county superintendent, and give notice for at least ten days, by one publication in a newspaper published within the territory described in the petition, or if none be published therein, in the next nearest town or city in any county in which any part of the territory described in the petition is situated. Objections shall be in writing in the form of an affidavit and may be made by any person residing or owning land within the territory described in the petition, or who may be injuriously affected by the formation of such new corporation, and shall be on file not later than twelve o'clock noon of the final day fixed for filing objections. [C24, 27, 31, 35, §4157.]

On the final date fixed for filing objections, interested parties may present evidence and arguments, and the county superintendent shall review the matter on its merits and within five days after the conclusion of any hearing, shall rule on the objections and shall enter an order fixing such boundaries for the proposed school corporation as will in his judgment be for the best interests of all parties concerned, having due regard for the welfare of adjoining districts; or dismiss the petition. The county superintendent shall at once publish this order in the same newspaper in which the original notice was published. [C24, 27, 31, 35, §4158.]

4159 Appeal. Within ten days after the publication of such order, any petitioner, or any person who filed objections, or any person residing upon or owning land included in or excluded from the district by any change in the boundary lines from those proposed in the petition, may appeal from the decision of the county superintendent to the county board of education by serving written notice on the county superintendent. [C24, 27, 31, 35, §4159.]

4160 Filing papers—time of hearing—notice. Within five days after the time for appeal has expired, the county superintendent shall file with the county board of education all the original papers together with his decision and fix a time and place for hearing such appeal, and give notice to each appellant by registered letter. If more than one person has signed the same notice of appeal, notice to the first three persons whose names appear thereon shall be
deemed notice to all. The time fixed for such
hearing shall not be less than five nor more than
ten days after the time for appeal expires. [C24,
27, 31, 35,§4160.]

4161 Appeal when territory in one county.
If the territory described in the petition for the
proposed corporation lies wholly in one county,
the county board of education in the said county
shall hear the said objections at the time and
place fixed by the county superintendent, and
within five days after submission thereof shall
determine and fix such boundaries for the pro-
posed school corporation as in its judgment
will be for the best interests of all concerned,
without regard to existing district lines. If
such boundaries are neither those petitioned
for nor those fixed by the county superinten-
dent, the hearing shall be adjourned, and notice
of such adjourned hearing shall be given as for
the hearing before the county superintendent,
and upon the final hearing the board of educa-

than one county, the county superintendent
with whom the petition is filed shall fix the time
and place and call a joint meeting of the mem-
ers of all the county boards of education of the
counties in which any territory of the proposed
school corporation lies, to act as a single board
for the hearing of the said objections, and a
majority of all the members of the county
boards of education of the different counties in
which any part of the proposed corporation lies,
shall constitute a quorum and it shall determine
and fix boundaries for the proposed corporation,
as provided in section 4161, or dismiss the
petition, which shall be final. [C24, 27, 31, 35,
§4162.]

any matter concerning the establishment or dis-
solution of such school corporation, which may
come before the county board or a joint meeting
for a hearing. [C24, 27, 31, 35,§4163.]

the boundaries of the territory to be included
in a proposed school corporation have been
determined as herein provided, the county
superintendent with whom such petition is filed
shall call a special election in such proposed
school corporation within thirty days from the
date of the final determination of such bound-

the same newspaper as previous notices con-
cerning it have been published, which publica-

fifteen days prior to the election. No notice for
an election shall be published until the time for
appeal has expired; and in the event of an
appeal, not until the same has been disposed of.

or board of education, and they shall serve
without pay. If any judge fails to appear at
the proper time, his place shall be filled by the
judge or judges present, or if no judge appears,
any three qualified electors may organize the
election board. [C24, 27, 31, 35,§4165.]

4166 Separate vote in urban territory. When
it is proposed to include in such district a
school corporation containing a city, town, or
village with a population of two hundred or more
inhabitants, the voters residing upon the terri-

tion shall vote separately upon the proposition
to create such new corporation. [SS15,$2794-a;
C24, 27, 31, 35,§4166.]

it is proposed to include in such district a
school corporation which contains an area of
more than sixteen sections and which maintains
a central school, the voters residing in the terri-

shall vote separately upon the proposition
to create such new corporation. [C24, 27, 31, 35,
§4167.]

4168 Separate ballot boxes. The judges of
election shall provide separate ballot boxes in
which shall be deposited the votes cast by the
qualified electors from their respective territo-

4169 Canvass and return. The judges of
election shall count the ballots, make return to
and deposit the ballots with the county super-
intendent, who shall enter the return of record
in his office. If the majority of the votes cast
by the qualified electors are in favor of the
proposition, a new school corporation shall be
organized, except that in cases where separate
ballot boxes are required by law, a majority of
the votes cast by the qualified electors from
their respective territories shall be required.
[SS15,$2794-a; C24, 27, 31, 35,§4169.]

4170 Contest of election. An election to
establish or dissolve a school corporation may
be contested in the manner provided by law for
contesting other elections, so far as practicable.
[C24, 27, 31, 35,§4170.]

4171 Election of directors. If the propo-

special election shall be called by the county superintendent, by giving notice by one publication in the same newspaper in which the former notices were published, and he shall appoint judges, who shall serve without pay. At such election, two directors shall be elected to serve until the next regular election, two until the second, and one until the third regular election thereafter, and until such time as their successors are elected and qualified. The judges of election shall make return to the county superintendent, who shall enter the return of record in his office and notify the persons who are elected directors and shall set the date for the organization of the school board. [SS15, §2794-a; C24, 27, 31, 35, §4171.]

4172 Payment of expenses. If the district is established it shall pay all expenses incurred by the superintendent and the board of education in connection with the proceedings, including the election of the first board of directors. If it is not established all expenses shall be apportioned among the several districts in proportion to the assessed valuation of the property therein.

If the proposed district embraces territory in more than one county such expenses shall be certified to and, if necessary, apportioned among the several districts by the joint board of education. If in only one county the certification shall be made by the county superintendent.

The respective boards to which such expenses are certified shall audit and order the same to be paid from the general fund. [C24, 27, 31, 35, §4172.]

No remaining portion of any school corporation from which territory is taken to form a new district shall contain an area of less than four government sections which shall be so situated as to form a suitable corporation. [SS15, §2794-a; C24, 27, 31, 35, §4173.]

Where, after the formation of a consolidated corporation, one or more parts of the territory of a school township is left outstanding, each piece shall constitute a rural independent school corporation and be organized as such unless two or more contiguous subdistricts are left, in which event each of such remaining portions of territory shall constitute a school township. It shall be the duty of the county superintendent of the county in which the territory is situated to call an election, by giving proper notice, in each of such remaining pieces of territory, for the purpose of electing school officers in the manner provided by law for electing officers in rural independent districts or school townships, as the case may be, and fix the date for the first meeting and organization of the new school board in each district. [C24, 27, 31, 35, §4174.]

4175 Taxes. After the organization of the board in newly organized school districts, all taxes previously certified to but not levied by the board of supervisors, shall be void so far as the property within the limits of the new school corporation is concerned. [SS15, §2794-a; C24, 27, 31, 35, §4175.]

During the pendency of an appeal or litigation concerning the organization or dissolution of any consolidated district, the respective boards of the old districts shall maintain the schools in their respective districts, if such appeal or litigation is commenced before the new board is elected and qualified. 1. To secure a site, build or equip a schoolhouse.
2. To build a superintendent's or teacher's house.
3. To repair or improve any school building or grounds, when the cost will exceed two thousand dollars.

[SS15, §2794-a; C24, 27, 31, 35, §4178.]

4179 Transportation. The board of every consolidated school corporation shall provide suitable transportation to and from school for every child of school age living within said corporation and more than a mile from such school, but the board shall not be required to cause the vehicle of transportation to leave any public highway to receive or discharge pupils, or to provide transportation for any pupil residing within the limits of any city, town, or village within which said school is situated. [SS15, §2794-a; C24, 27, 31, 35, §4179.]

4180 Transportation routes—suspension of service. The board shall designate the routes to be traveled by each conveyance in transporting children to and from school. The board shall have the right on account of inclemency of the weather to suspend the transportation of children on any route upon any day or days when in its judgment it would be a hardship on the children, or when the roads to be traveled are unfit or impassable. [SS15, §2794-a; C24, 27, 31, 35, §4180.]

4181 By parent — instruction in another school. The school board may require that children living an unreasonable distance from school shall be transported by the parent or guardian of the child from their homes to connect with such vehicle of transportation, or for transporting them to an adjoining school corporation for the instruction of any child living an unreasonable distance from school. It shall allow a reasonable compensation for the transportation of children to and from their homes to connect with such vehicle of transportation, or for transporting them to an adjoining district. In determining what an unreasonable distance would be, consideration shall be given to the number and age of the children, the condition of the roads, and the number of miles to be traveled in going to and from school. [SS15, §2794-a; C24, 27, 31, 35, §4181.]

4182 Contracts for transportation — rules. The conduct and attainment of the pupils in such course shall be marked as in other subjects and it shall form part of the requirements for promotion or graduation of every pupil in attendance, but no pupil shall be required to take such instruction whose parents or guardian shall file a written statement with the school principal or teacher that such course conflicts with his religious belief. The board of any independent school district upon the petition of the parents or guardians of twenty-five or more children of kindergarten age, may establish and maintain such a kindergarten in said district. No petition shall be effective unless the school in connection with which such kindergarten is desired is named in the petition and all persons who shall be qualified to sign such petitions shall be residents of the section or neighborhood served by that school. The board of education shall be the judge of the sufficiency of the petition. Any kindergarten teacher shall hold a certificate certifying that the holder thereof has been examined upon kindergarten principles and methods, and is qualified to teach in kindergartens. [C97, §2777; C24, 27, 31, 35, §4266.]

4267 Higher and graded schools. The board may establish graded and high schools and determine what branches shall be taught therein, but the course of study shall be subject to the approval of the superintendent of public instruction. Whenever the board in a school township establishes a high school, such high school can be discontinued only by an affirmative vote of a majority of the votes cast for and against such proposition at an election which may be called by the county superintendent of schools upon a petition for such election being presented signed by twenty-five percent of the electors in such township. Said schools of higher order shall be known as public junior colleges and may include courses of study covering one or two years of work in advance of that offered by an accredited four-year high school. The state superintendent of public instruction shall prepare and publish from time to time standards for junior colleges, provide adequate inspection for junior colleges, and recommend for accreditation such courses of study offered by junior colleges as may meet the standards determined. No public junior college shall be established in any school district having a population of less than twenty thousand.

4268 School age—nonresidents. Persons between five and twenty-one years of age shall be of school age. A board may establish and maintain evening schools for all residents of the corporation regardless of age and for which no tuition need be charged. Nonresident children and those sojourning temporarily in any school corporation may attend school therein upon such terms as the board may determine. 4269 Offsetting tax. Every school shall be free of tuition to all actual residents between the ages of five and twenty-one years, and to resident honorably discharged soldiers, sailors, and marines, as many months after becoming twenty-one years of age as they have spent in the military or naval service of the United States before they became twenty-one. Every person, however, who shall attend any school after graduation from a four-year course in an approved high school or its equivalent shall be charged a sufficient tuition fee to cover the cost of the instruction received by such person. [C73, §§1724, 1727; C97, §2773; §18, §2773; C24, 27, 31, 35, §4273.]

4270 Right to exclude pupil. A child residing in one corporation may attend school in another in the same or adjoining county if the two boards so agree. In case no such agreement is made, the county superintendent of the county in which the child resides and the board of such adjoining corporation may consent to such attendance, if the child resides nearer a schoolhouse in the adjoining corporation or nearer to a regularly established transportation route to a consolidated school and two miles or more from any public school in the corporation of his residence. Before granting such consent the county superintendent shall give notice to the board where the child resides and hear objections, if any. In case such consent is given, the board of the district of the child's residence shall be notified thereof in writing, and shall pay to the other district the average tuition per week for the school or room thereof in which such child attends. If payment is refused or neglected, the board of the creditor corporation shall file an account thereof certified by its president with the auditor of the county of the child's residence, who shall transmit to the county treasurer an order directing him to transfer the amount of such account from the funds of the debtor corporation to the creditor corporation, who shall pay the same accordingly. [C51, §1143; R60, §2024; C73, §1793; C97, §2803; C24, 27, 31, 35, §4274.]

4272 Re-admission of pupil. If a pupil has been expelled by the board, he may be re-admitted only by the board or in the manner prescribed by it. [R60, §2054; C73, §§1735, 1756; C97, §2782; C24, 27, 31, 35, §4272.]

4273 Tuition. Every school shall be free of tuition to all actual residents between the ages of five and twenty-one years, and to resident honorably discharged soldiers, sailors, and marines, as many months after becoming twenty-one years of age as they have spent in the military or naval service of the United States before they became twenty-one. Every person, however, who shall attend any school after graduation from a four-year course in an approved high school or its equivalent shall be charged a sufficient tuition fee to cover the cost of the instruction received by such person. [C73, §§1724, 1727; C97, §2773; §18, §2773; C24, 27, 31, 35, §4273.]

4274 Attending in another corporation—payment. When a scholar shall attend any school after graduation from a four-year course in an approved high school or its equivalent, the board of the corporation where the scholar attends shall be responsible for the tuition necessary for such attendance. A child residing in one corporation may attend school in another in the same or adjoining county if the two boards so agree. In case no such agreement is made, the county superintendent of the county in which the child resides and the board of such adjoining corporation may consent to such attendance, if the child resides nearer a schoolhouse in the adjoining corporation or nearer to a regularly established transportation route to a consolidated school and two miles or more from any public school in the corporation of his residence. Before granting such consent the county superintendent shall give notice to the board where the child resides and hear objections, if any. In case such consent is given, the board of the district of the child's residence shall be notified thereof in writing, and shall pay to the other district the average tuition per week for the school or room thereof in which such child attends. If payment is refused or neglected, the board of the creditor corporation shall file an account thereof certified by its president with the auditor of the county of the child's residence, who shall transmit to the county treasurer an order directing him to transfer the amount of such account from the funds of the debtor corporation to the creditor corporation, who shall pay the same accordingly. [C51, §1143; R60, §2024; C73, §1793; C97, §2803; C24, 27, 31, 35, §4274.]

[C31, 35, §4274-c1.1]

4274.02 Tuition. Any tuition charged by the district so attended shall be paid by the school district in which such person resides; but such tuition shall not be more than such district charges nonresident pupils residing in such state if any such tuition is charged, and if no tuition is charged for nonresident pupils of said state, then such tuition shall not exceed the sum of ten dollars per month. The person so attending high school in another state shall continue to be treated as a pupil of the district of his residence in apportionment of the current school fund and the payment of state aid. [C31, 35, §4274-c2.]

4274.03 Contract for school privileges. For the purposes of furnishing elementary school facilities to the children of school age within the district, the board of one or more such districts may enter into a contract for such facilities, jointly or individually, with the board of one or more school districts where such facilities up to and including the eighth grade are approved by the superintendent of public instruction; provided that such schools are the most conveniently located with respect to the children to be accommodated. [C35,§4274-e1.]

4274.04 Terms of contract. Such contract may cover a period not exceeding three years; it shall be in writing and shall state the monthly tuition rate, the period during which the contract is to run, and such other matters not in conflict with law as may be mutually agreed upon. [C35,§4274-e2.]

4274.05 Transportation — two-mile limit. When a board contracts for such facilities, it shall also contract for suitable transportation to such school for all children of school age from kindergarten to eighth grade, inclusive, living two miles or more from such school. When a board contracts to furnish its school facilities to the children of another district, as provided herein, it may also contract to furnish transportation to such children, provided it is reimbursed to the extent of the pro rata cost of such transportation and has adequate and suitable transportation facilities. [C35,§4274-e3.]

4274.06 Transportation generally. The board may permit pupils enrolled in the secondary grades or any other pupils that are not entitled to free transportation to avail themselves of the transportation facilities provided their parents pay the pro rata cost of such transportation. [C35,§4274-e4.]

4274.07 Cooperative transportation. The board of two or more districts contracting with the same school for elementary school facilities, as provided herein, may purchase, jointly or individually, a suitable transportation bus or busses to be used in transporting children to such school and contract for a suitable bus driver or drivers, the cost of the bus and the bus driver to be distributed among the districts authorizing the same on such equitable terms as may be mutually agreed upon, which agreement shall be in the form of a written contract. [C35, §4274-e5.]

4274.08 Distance—how measured. Distance to school shall, in all cases, be measured on the public highway only and by the most practicable route, starting on the roadway opposite the private entrance to the residence of the pupil and ending on the roadway opposite the entrance to the school grounds. [C35,§4274-e6.]

4274.09 Effect of contract. A contract entered into as provided in sections 4274.03 to 4274.08, inclusive, shall not be construed as in any way impairing the corporate identity of the contracting districts nor as affecting the legal powers of the respective boards except as specifically set out in said sections, nor as entitling any person to a right of reversion in any schoolhouse site. [C35,§4274-e7.]

4275 High school outside home district. Any person of school age who is a resident of a school corporation which does not offer a four-year high school course, and who has completed the course as approved by the department of public instruction for such corporation, shall be permitted to attend any public high school in the state approved in like manner that will receive him, or may attend any public high school of equivalent standing in an adjoining state, if said school in the adjoining state be nearer to the pupil's residence than any approved public high school in the state of Iowa, but no board shall pay tuition to a high school outside the state for pupils whose actual residence is nearer to an approved high school in Iowa when measured by the nearest traveled public road. [SS15,§2738-1a; C24, 27, 31, 35, §4275; 48GA, ch 105, §1.]

4275.1 Children from charitable institution. Children who are residents of a charitable institution organized under the laws of this state and who have completed a course of study for the eighth grade as required by section 4276 shall be permitted to enter any approved public high school in Iowa that will receive them and the tuition shall be paid by the treasurer of state from any money in his hands not otherwise ap-

He shall also present a certificate signed by the county superintendent showing proficiency in the common school branches, reading, orthography, arithmetic, physics, grammar, civics of Iowa, geography, United States history, penmanship, and music.

No such certificate or affidavit shall be required for admission to the high school in any school corporation when he has finished the common school branches in the same corporation. [SS15, §2733–1a; C24, 27, 31, 35, §4276.]

4277 Tuition fees—payment. The school corporation in which such student resides shall pay from the general fund to the secretary of the corporation in which he shall be permitted to enroll tuitions fees of not to exceed nine dollars per month during the time he so attends, not exceeding a total period of four school years. The tuition rates chargeable to the home district of such nonresident high school pupil shall not exceed the pro rata cost and shall be computed solely upon the basis of the average daily attendance of all resident and nonresident pupils enrolled in such high school, but it shall not include the cost of transportation to high school or any part thereof, unless the actual pro rata cost of such tuition is less than the maximum rate authorized by law, in which case the board of the district that is responsible for the payment of such tuition may, by resolution, authorize the payment of such portion of transportation costs as does not exceed the difference between the actual pro rata cost of high school tuition and the maximum rate authorized by law, provided the creditor district collects any balance of such transportation cost from the parents whose children are transported. Transportation costs shall, in all cases, be based upon the pro rata cost of all pupils transported to school in such district.

It shall be unlawful for any school district maintaining a high school course of instruction to provide nonresident high school pupils with transportation to high school or normal college unless the district is fully reimbursed therefor, as provided in this section, or to rebate to such pupils or their parents, directly or indirectly, any portion of the high school tuition collected or to be collected from the home district of such pupils, or to authorize or permit such pupils to receive at the expense of the district, directly or indirectly, any special compensation, benefit, privilege, or other thing of value that is not and cannot legally be made available to all other pupils enrolled in such high school. Any superintendent or board members responsible for such unlawful act shall each be personally liable to a fine of not to exceed one hundred dollars. Action to recover such penalty or action to enjoin such unlawful act may be instituted by the board of any school district or by a taxpayer in any school district.

On or before February 15 and June 15 of each year the secretary of the creditor district shall deliver to the secretary of the debtor district an itemized statement of such tuition fees. [SS15, §2733–1a; C24, 27, 31, 35, §4277.]

4278 Collection of tuition fees. If payment is not made, the board of the creditor corporation shall file with the auditor of the county of the pupil's residence a statement certified by its president specifying the amount due for tuition, and the time for which the same is claimed. The auditor shall transmit to the county treasurer an order directing him to transfer the amount of such account from the funds of the creditor corporation to the debtor corporation, and he shall pay the same accordingly. 4783 Tuition in charitable institutions. When any child is cared for in any charitable institution in this state which does not maintain a school providing secular instruction, and which institution is organized and operating under the laws of Iowa, and the domicile of the child is in another school district than that wherein the institution is situated, then such child shall be entitled to attend school in the district where such institution is located. In such cases, the district which provides schooling for such child shall be entitled to receive tuition not exceeding the average cost thereof in the department of the school in which schooling is given, and not exceeding eight dollars per month for tuition in schools below the high school grade, and not exceeding twelve dollars per month for tuition in high school grades. Such tuition shall be paid by the county of the domicile of such child. Any county so paying tuition shall be entitled to recover the amount paid therefor from the parent of such child. This section shall not apply to charitable institutions which are maintained at state expense. [C24, 27, 31, 35, §4283.]

4283.01 Tuition when in boarding home. When any child of school age has become a public charge and is being cared for in a children's boarding home licensed by the state, and the domicile of such child at the time it became a public charge was in another school district than the one wherein such boarding home is lo-
cated, then, such child shall be entitled to attend public school in the school district in which such boarding home is located, or if such district does not maintain a school offering instruction in the grade in which such child is properly classified, then such child may attend upon such instruction in any approved public school in the state that will receive it. The tuition of such a child, at the rates established by law, shall be paid by the treasurer of state from any funds in the state treasury not otherwise appropriated, and upon warrants drawn upon the comptroller upon the requisition of the superintendent of public instruction. If such child was in the district at the time the regular biennial school census was taken, the semianual apportionments shall be deducted from the tuition due the district under the provisions of this section. The superintendent of public instruction is hereby empowered to require such reports as are necessary properly to carry out the provisions of this section. [47GA, ch 123, §1.]

CHAPTER 215.1
DISTRIBUTION OF FEDERAL FUNDS

4283.02 Definitions. The following terms shall, for the purpose of this chapter, have the following meanings:

1. “Aggregate attendance” means the sum determined by adding together the total number of school days during which each pupil in the grades in question attended a regular day school conducted by the particular public school corporation during the regular school year, excluding summer school.

2. “Average daily attendance” means the quotient arising from dividing aggregate attendance by the total number of days school was in session during the regular school year, excluding summer school. Said quotient shall be carried to such number of decimal places, fixed by the superintendent, as is reasonably necessary to secure equitable distribution.

3. “Superintendent” means the superintendent of public instruction of the state of Iowa. [47GA, ch 126, §1.]

4283.03 Duty of superintendent. It shall be the duty of the superintendent to keep such records and accounts, to cause such audits to be made, and to make such applications and reports to the United States commissioner of education, or other authorized federal officer, as shall be necessary to qualify this state to receive, and to continue to receive, such federal funds as may be allotted to this state under and by virtue of an act of the seventy-fifth congress of the United States, first session, now or hereafter enacted, entitled “A bill to promote the general welfare through the appropriation of funds to assist the states and territories in providing more effective programs of public education”, and such other acts of congress, now or hereafter enacted, as may make federal funds available to this state for the purpose of providing more effective programs of general public education. For such purposes, the superintendent is hereby designated as the “chief educational authority” to represent this state. [47GA, ch 126, §2.]

4283.04 Fund created. There is hereby created in the treasury of the state of Iowa a special fund to which shall be credited such federal funds as are received pursuant to the acts of congress designated in section 4283.03. The treasurer of state shall keep such accounts and records of the expenditure of such funds as may be prescribed by the United States commissioner of education, or other federal officer, pursuant to the law authorizing such distribution of federal funds. [47GA, ch 126, §3.]

4283.05 Apportionment. The funds credited to such special fund shall be distributed each school year, in October and April, to the several public school corporations of the state in the proportion which the total number of teacher units for each such school corporation for the preceding school year bears to the total number of teacher units for the state for such school year. Such teacher units shall be determined for each public school corporation in the following manner:

1. Teacher units in grades one to eight inclusive, and kindergarten, shall be fixed as follows: (a) For each school in which only one teacher is employed, one teacher unit; and (b) if the total average daily attendance does not exceed forty in all schools in which more than one teacher is employed, two additional teacher units; or (c) if the total average daily attendance exceeds forty in all such schools, one additional teacher unit for the first fifteen and one additional teacher unit for each additional twenty-seven, or major fraction thereof, in average daily attendance; provided that the teacher units so determined for each school corporation shall not exceed the actual number of teachers employed in grades one to eight inclusive, and kindergarten.

2. Teacher units in grades nine to twelve inclusive shall be determined by allowing one and one-half teacher units for each high school unit, determined as follows: (a) If the total average daily attendance in grades nine to twelve in all

schools is less than sixteen, one high school unit; or (b) if such total average daily attendance is more than fifteen and less than twenty-six, two high school units; or (c) if such total average daily attendance is more than twenty-five and less than forty-one, three high school units; or (d) if such total average daily attendance is more than forty, three high school units for the first forty and one additional high school unit for each additional twenty-two, or major fraction thereof, in average daily attendance; provided that the high school units so determined for each school corporation shall not exceed the actual number of teachers employed in teaching grades nine to twelve inclusive.

3. Both resident and nonresident pupils shall be included in determining the number of teacher units allowed to each school corporation. [47GA, ch 126,§4.]

4283.06 Requisition on fund. The treasurer shall, upon request, certify to the superintendent at any time the amount in the special fund created in section 4283.04. On the first day of October and the first day of April of each year, or as soon thereafter as possible, the superintendent shall determine the amount due each of the several school corporations in the state under the provisions of this chapter, and shall file with the state comptroller a requisition on which shall appear the amounts due each of such school corporations. [47GA, ch 126,§5.]

4283.07 Warrants drawn. The state comptroller, upon receipt of such requisition from the superintendent of public instruction, shall draw a warrant or warrants on the treasurer of state, payable to the school corporations entitled thereto in accordance with said requisition, and shall deliver said warrant or warrants to the superintendent of public instruction, who shall make a record thereof and transmit the same to the secretary of each of said school corporations. [47GA, ch 126,§6.]

4283.08 Deposit of funds. Upon receipt of any such warrant, the secretary of the school corporation shall cause it to be deposited to the credit of the general fund of the said school corporation. [47GA, ch 126,§7.]

4283.09 Refund on nonresident tuition. Each public school corporation in the state which, pursuant to statutory requirements, receives tuition from another public school corporation for nonresident pupils shall, within thirty days after receiving such warrant on the treasurer of state, refund to the public school corporation paying such tuition an amount for each such nonresident pupil determined as follows:

1. The amount so received from the treasurer of state for teacher units in grades one to eight inclusive, and kindergarten, shall be divided by the total average daily attendance in such grades for the school year for which such teacher units were fixed. The result so obtained shall constitute the amount of refund for each pupil in such grades for whom tuition was received for such school year.

2. The amount so received from the treasurer of state for teacher units in grades nine to twelve inclusive shall be divided by the total average daily attendance in such grades for the school year for which such teacher units were fixed. The result so obtained shall constitute the amount of refund for each pupil in such grades for whom tuition was received for such school year.

3. Provided that if tuition was paid for any such pupil for less than the full school year the amount of refund shall bear the same proportion to the amount so determined as the period for which tuition was paid bears to the full school year. [47GA, ch 126,§8.]

4283.10 Rules and regulations. The superintendent of public instruction is hereby authorized to adopt such rules and regulations, consistent with the provisions of this chapter, as are necessary and proper for the administration thereof. [47GA, ch 126,§9.]

4283.11 Reimbursement—by whom computed.

4283.12 Basis of computation—limitation.

4283.13 Certification of amount.

4283.14 Payment to district.

4283.11 Reimbursement—by whom computed. When unplatted lands within the boundaries of a school district are owned by the government of the United States, by the state, by a county, or by a municipal corporation located wholly outside said school district, and such lands have been removed from taxation for school purposes, said school district shall be reimbursed, as hereinafter provided, in an amount which shall be computed by the county board of supervisors in the county in which such lands are located. [C31,§4283-c9; C35, §4283-c1.] Referred to in §§4283.12, 4283.13

4283.12 Basis of computation—limitation. The computation provided for in section 4283.11 shall be made on the basis of the proportion that the assessable value of the total number of acres owned by the government of the United States, by the state, by the county, or by the municipal corporation, as the case may be, in such school
district bears to the assessable value of the total number of acres in said school district. The average assessable value per acre of the lands so owned within the school district for the purposes of the computation provided for in this chapter, not exceed the average assessable value per acre of the taxable lands in said district. [C31, §4283-c10; C35, §4283-e2.]

schools in said cities and towns from adopting
and buying the books adopted by the county
board of education at the prices fixed by them,
if by a vote of the electors they shall so decide.
[C97, §2835; C24, 27, 31, 35, §4463.]

4464 Petition—election. Whenever a peti-
tion signed by ten percent of the qualified
voters, to be determined by the school board of
any school corporation, shall be filed with the
secretary thirty days or more before the regular
election, asking that the question of providing
free textbooks for the use of pupils in the public
schools thereof be submitted to the voters at the
next regular election, he shall cause notice of
such proposition to be given in the notice of
such election. [C97, §2836; C24, 27, 31, 35, §4464.]

4465 Loaning books. If, at such election, a
majority of the legal voters present and voting
by ballot thereon shall authorize the board of
directors of said school corporation to loan text-
books to the pupils free of charge, then the
board shall procure such books as shall be
needed, in the manner provided by law for the
purchase of textbooks, and loan them to the
pupils. [C97, §2837; C24, 27, 31, 35, §4465.]

4466 General regulations. The board shall
hold pupils responsible for any damage to, loss
of, or failure to return any such books, and
shall adopt such rules and regulations as may
be reasonable and necessary for the keeping
and preservation thereof. Any pupil shall be
allowed to purchase any textbook used in the
school at cost. No pupil already supplied with
textbooks shall be supplied with others without
charge until needed. [C97, §2837; C24, 27, 31,
35, §4466.]

4467 Discontinuance of loaning. The elec-
tors may, at any election called as provided in
section 4464, direct the board to discontinue
the loaning of textbooks to pupils. [C97, §2837;
C24, 27, 31, 35, §4467.]

4468 Officers as agents. It shall be unlaw-
ful for any school director, teacher, or member
of the county board of education to act as agent
for any school textbooks or school supplies dur-
ing such term of office or employment, and any
school director, officer, teacher, or member of the
county board of education who shall act as
agent or dealer in school textbooks or school
supplies, during the term of such office or em-
ployment, shall be deemed guilty of a misdeme-
aran, and shall, upon conviction thereof, be
fined not less than ten dollars nor more than one
hundred dollars, and pay the costs of prosecu-
tion. [C97, §2834; C24, 27, 31, 35, §4468.]
CHAPTER 232
SCHOOL FUNDS

4469 Permanent fund. The permanent school fund, the interest of which only can be appropriated for school purposes, shall consist of:
1. Five percent of the net proceeds of the public lands of the state, which shall be paid to the state treasurer and be apportioned by the state comptroller among the several counties, taking into consideration the amount of the permanent school fund already in possession of and constantly loaned in said county.
2. The proceeds of the sale of the five hundred thousand acres of land granted the state under the eighth section of an act of congress passed September 4, 1841, entitled: “An act to appropriate the proceeds of all sales of public lands, and to grant preemption rights”.
3. The proceeds of all intestate estates escheated to the state.
4. The proceeds of the sales of the sixteenth section in each township, or lands selected in lieu thereof. [R60, §§1962, 1964; C73, §§1837, 1839; C97, §2858; C24, 27, 31, 35, §4469.]

4470 Lands and escheats. The proceeds of all lands sold, and all sums due from escheats, shall be payable to the treasurer of the county in which the lands or escheated estates are situated or found. [R60, §§1965; C73, §1840; C97, §2858; C24, 27, 31, 35, §4470.]

4471 Temporary fund. The temporary school fund, which shall be received and appropriated annually in the same manner as the interest of the permanent fund, shall consist of:
1. All forfeitures which are authorized to be made for the benefit of the school fund.
2. The proceeds of all fines collected for violation of the penal laws, and for the nonperformance of military duty.
3. The proceeds of the sale of lost goods and strays.

4472 Division and appraisement. The board of supervisors may, at such time as it may fix, and as preliminary to a sale, authorize the trustees of any township, where the sixteenth section or land selected in lieu thereof has not been sold, to lay out the same into such tracts as in their judgment will be for the best interests of the school fund, conforming, as far as the interests of said fund will permit, to the legal subdivisions of the United States surveys, and appraise each tract at what they believe to be its true value, and certify to said board the divisions and appraisements made by them. Said division and appraisement shall be approved or disapproved by said board at its first meeting after such report, and in case it disapproves the same it may at once order another division and appraisement. If the board of supervisors approves, the county auditor shall make and keep a record of such division, appraisement, and approval; but no school lands of any kind shall be sold for less than the appraised value per acre, except as hereinafter provided; nor shall any member of the board of supervisors, county auditor, township trustee, or any person who was engaged in the division and appraisement of said land, be directly or indirectly interested in the purchase thereof; and any sale made, where such parties or any of them are so interested, shall be void. [R60, §§1970, 1971; C73, §§1845—1847; C97, §2840; C24, 27, 31, 35, §4472.]

4473 Notice—sale. When the board of supervisors shall offer for sale the sixteenth section
or lands selected in lieu thereof, or any portion of the same, or any part of the five-hundred-thousand-acre grant, the county auditor shall give at least forty days notice, by written or printed notices posted in five public places in the county, two of which shall be in the township in which the land to be sold is situated, and also publish a notice of said sale once each week for two weeks preceding the same in a newspaper published in the county, describing the land to be sold and the time and place of such sale. At such time and place, or at such other time and place as the sale may be adjourned to, he shall offer to the highest bidder, subject to the provisions of this chapter, and sell, either for cash or one-third cash and the balance on a credit not exceeding ten years, with interest on the same at the rate of not less than four percent per annum, to be paid at the office of the county treasurer of said county on the first day of January in each year, delinquent interest to bear the same rate as the principal. [R60,§1971; C73,§1846; C97,§2841; S13,§2841; C24, 27, 31, 35,§4473; 48GA, ch 110, §1.]

4474 Sale without appraisement. When the board of supervisors of any county has once offered for sale any school lands in compliance with the requirements of this chapter, and they remain unsold, and it is unable to obtain therefor the appraised value thereof, and in the opinion of said board it is for the best interests of the school fund that the same be sold for a less price, it may instruct the auditor to transmit to the secretary of state a certified copy of its proceedings in relation to the order of sale thereof and subsequent proceedings in relation thereto, including the action of the township trustees, and the price per acre at which the land had been appraised, which transcript the secretary of state shall submit to the executive council; and if it approves of a sale at a less sum it shall certify such approval to the auditor of the county from which said transcript came, which certificate shall be transcribed in the minute book of the board of supervisors, and thereupon said land may again be offered and sold to the highest bidder, after notice given as in case of sales in the first instance, without being again appraised. [C73,§1849; C97,§2842; C24, 27, 31, 35,§4474.]

4475 Sale on credit—taxation—waste. When lands are sold upon a partial credit, the contract therefor shall be at once reduced to writing, signed by the proper parties, recorded in the county where the land is situated, and immediately thereafter filed in the office of the county auditor. Any purchaser or his assigns may at any time pay the full amount for lands with accrued interest, and receive from the county auditor a certificate of purchase, which shall be at once transmitted to the secretary of state and will entitle the holder to a patent for the lands, to be issued by the secretary of state and the governor. All school lands sold in pursuance of law shall be subject to taxation from and after the execution and delivery of a contract of purchase. All sales made, where the full price is not paid, shall be subject to the law relative to the prevention or punishment of waste, and in all such cases the township trustees in each township are charged with the duty of preventing the commission of waste upon any school lands lying in their township, and, if attempted, they shall apply by petition for an injunction to stay the same, and if granted the writ shall issue without bond, and the court issuing it may make such order in the premises as shall be equitable and best calculated to prevent threatened injury, and may adjudge damages for any injury done, the costs to abide the event of the action, and the damages adjudged shall be paid to the county treasurer and become a part of the permanent school fund. [R60,§§1972, 1973, 1976–1978; C73,§§1851, 1852, 1856–1858; C97,§2845; C24, 27, 31, 35,§4475.]

4476 Sale of lands bid in. When lands have been sold and bid in by the state in behalf of the school fund upon a judgment in favor of such fund, the land may be sold in like manner as other school lands, and when lands have been conveyed to the counties in which they are situated for the use of the school fund, instead of to the state, such conveyance shall be valid and binding, and upon proper certificates of sales patents shall issue in like manner as in cases where the conveyances were properly made to the state. [C73,§1850; C97,§2844; C24, 27, 31, 35,§4476.]

4477 Cash or collateral security. When, in the judgment of the board of supervisors, any school lands are of such a character that a sale upon partial credit would be unsafe or incompatible with the interest of the school fund, and especially in the case of timbered lands, the board of supervisors may in its discretion exact the whole of the purchase money in advance; or if it sells such land upon a partial credit, as aforesaid, it shall require good collateral security for the payment of the part upon which credit is given. [R60,§1974; C73, §1853; C97,§2845; C24, 27, 31, 35,§4477.]

4478 Uniform interest date. In all cases where money is due to the school fund, either for loans or deferred payments of the purchase price of land sold, the interest shall be made payable on the first day of January each year, and if the debtor fails to pay the interest within six months thereafter, the entire amount of both principal and interest shall become due, and the county auditor shall make a report thereof to the county attorney, who shall immediately commence action for the collection of the amount reported to him as due, and this section is hereby declared to be a part of any contract made by virtue of this chapter, whether expressed therein or not. [R60,§§1975, 1979; C73,§§1854, 1855; C97,§2846; C24, 27, 31, 35,§4478.]

4479 School fund accounts—audit of losses. The state comptroller shall keep the school fund accounts in books provided for that purpose, separate and distinct from the revenue books. The auditor of state shall audit all losses to
the permanent school or university fund which shall have been occasioned by the defalcation, mismanagement, or fraud of the agents or officers controlling and managing the same, and for this purpose shall prescribe such regulations for those officers as may be necessary to ascertain such losses. [R60, §1969; C73, §1842; C97, §2847; C24, 27, 31, 35, §4479.]

4480 Bonds to cover losses. When any sum not less than one thousand dollars shall be so audited and so become a debt of the state to the fund, as provided by the constitution, the auditor of state shall issue the bond or bonds of the state in favor of the fund, bearing six percent interest, payable semiannually on the first day of January and July after issuance, and the amount to pay the interest as it becomes due is appropriated out of any funds in the state treasury. [C73, §1845; C97, §2847; C24, 27, 31, 35, §4480.]

Constitution, Art. VII, §3

4481 Notice of apportionment—deficiency. Immediately after making the apportionment of the interest of the permanent school fund, the state comptroller shall notify the auditor of each county of the sum to which his county is entitled, and, if a county has less thereof than it is entitled to under the apportionment, the comptroller shall forward to the county auditor a warrant for the amount of the deficiency. [R60, §1969; C73, §1844; C97, §2847; C24, 27, 31, 35, §4481.]

4482 Apportionment—excess. If the county has an excess of such interest above the amount apportioned to it, the county auditor shall forthwith draw and forward to the state comptroller a warrant on the proper fund of his county for the amount of the excess. [R60, §1969; C73, §1844; C97, §2847; C24, 27, 31, 35, §4482.]

4483 Management. The board of supervisors shall hold and manage the securities given to the school fund in its county, and all judgments and lands belonging to said fund. It may have any part of the school lands surveyed when necessary, and employ a competent surveyor therefor, who shall be paid out of the county treasury upon proof made of the request and performance of the service. [R60, §1980; C73, §§1859, 1860; C97, §2848; C24, 27, 31, 35, §4483.]

4484 Actions. All actions for and in behalf of said fund may be brought in the name of the county for the use of the school fund, by the county attorney or such other attorney as the board may select. [C73, §1860; C97, §2848; C24, 27, 31, 35, §4484.]

4485 Liability of county. Each county shall be liable for all losses upon loans of the school fund, principal or interest, made in such county, unless the loss was not occasioned by reason of any default of its officers or by taking insufficient or imperfect securities, or from a failure to bid at an execution sale the full amount of the judgment and costs. [C73, §1860; C97, §2848; C24, 27, 31, 35, §4485.]

4486 Exemption of county. All claims for exemption from liability on account of losses shall be examined into and adjusted by the state comptroller, upon proof submitted to him in writing in behalf of the county within three months after the county auditor shall be advised by the comptroller of his readiness to receive the proof. In the absence of evidence, or if that submitted is insufficient, the loss may be charged against the county and be conclusive, but if found sufficient, the comptroller shall present the facts in his report to the next general assembly. [C73, §1860; C97, §2848; C24, 27, 31, 35, §4486.]

4487 Loans—officers may not borrow. The permanent school fund shall be loaned out by the county auditor, as it comes into the hands of the county treasurer, in sums of five thousand dollars or less to one person or company, in case it is found impracticable to keep the whole amount of funds loaned in sums of five hundred dollars or less to one person or company. In the event it can be kept loaned out in sums of five hundred dollars or less to one person or company, then no loan shall exceed five hundred dollars, nor shall a loan of said fund be made to or be carried by the county auditor, the treasurer, or a member of the board of supervisors. [R60, §1981; C73, §1861; C97, §2849; S13, §2849; C24, 27, 31, 35, §4487.]

4487.1 Investment in state and municipal bonds. When any county has on hand permanent school funds which in the opinion of its board of supervisors cannot be safely invested in real estate mortgages as provided by law, its board of supervisors may invest such funds in bonds of the state of Iowa or any political subdivision thereof at the prevailing rate of interest, provided such bonds are a general obligation of and to be paid by a general tax levy of the state or political subdivision issuing the same, and said bonds shall be registered in the name of the county purchasing said bonds.

The interest chargeable to the county shall be borrowed; the appraisement to be made by three persons under oath, selected by the county auditor, who shall not in making the valuation take into consideration the buildings upon the...
lands; for such service each shall be allowed fifty cents, to be paid by the borrower, who shall also pay for recording the mortgage. [R60, §1981-1983; C73, §§1861-1863; C97, §2849; S13, §2849; C24, 27, 31, 35, §4488; 47GA, ch 125, §1.]

4489 Application for loan. All applications to borrow from the permanent school fund shall be made to the auditor of the county in which the land is situated which it is proposed to mortgage as security, who shall cause the proper appraiser to be made, and, if satisfactory, shall examine any abstract of title which the proposed borrower may submit, or he may cause an abstract to be prepared at such proposed borrower's expense. If the title is found to be perfect, and the lands unincumbered, he shall certify this fact and submit the application and all the papers connected therewith to the board of supervisors at its next meeting, regular or called, at which meeting the loan shall be approved or disapproved. [R60, §1984; C73, §1864; C97, §2850; SS15, §2850; C24, 27, 31, 35, §4489.]

4490 Duty of auditor. If the application is accepted, the auditor shall complete the contract by taking a note payable to the county, and a mortgage upon the lands securing the same, and certify the same to the treasurer, who shall pay over to the borrower the amount named in the note, less a fee of two dollars to be paid to the auditor for his services. The board may reject the application for any good cause. [R60, §1984; C73, §§1864, 1875; C97, §2850; SS15, §2850; C24, 27, 31, 35, §4490.]

4491 Redemption of prior lien—assignments. If it shall happen that a loan is made upon real estate which is in fact incumbered other than for taxes, the board of supervisors may, when necessary for the safety of the loan, appropriate out of any school fund on hand, if such incumbrance does not exceed one-half of the real value of the lands, so much as may be needed to take up and purchase the same, and may also at any meeting, by resolution, assign without recourse, upon payment of the amount due, any school fund note and mortgage to one holding a subsequent lien upon the mortgaged real estate. [C73, §§1865, 1869; C97, §2850; SS15, §2850; C24, 27, 31, 35, §4491.]

4492 Loans reported—examination. Each loan made, when fully completed, shall be by the auditor reported to the board of supervisors, and a minute of such report shall be entered upon its records, and from time to time, and at least once a year, all loans, with the security given, shall be carefully examined and report made to the board, which examination shall be conducted by a member thereof, or some competent person selected by it. [R60, §1985; C73, §§1866, 1870; C97, §2851; C24, 27, 31, 35, §4492.]

493 Additional security. When a report shows that the security in a given case has for any cause depreciated so that it is no longer sufficient, or it appears that there was a prior incumbrance thereon which materially affects the value of the security, the board shall order the debtor to furnish additional security, and fix a reasonable time within which the same shall be given, and if the party so ordered fails to comply therewith for thirty days after service upon him of a copy of the order, the entire debt shall become due, and an action may be brought to enforce the collection thereof, and these provisions shall enter into and form a part of all contracts of loans, whether incorporated therein in words or not. [R60, §1985; C73, §1866; C97, §2851; C24, 27, 31, 35, §4493.]

4494 Renewal. When a loan has been made and the borrower desires to renew the same for one or more years, it may be done in the same manner as the loan was made in the first instance, but no new abstract, except a continuation of the same down to the time, nor examination of title prior to the original loan, nor new mortgage, need be given, unless the mortgage is to be given upon other lands. The time of payment, without further security, may be extended in writing, to be recorded as the original security was, and before maturity of the claim, when the board of supervisors for cause shall so order; but such extension of time shall not operate to release any security held. [R60, §1993; C73, §§1871, 1879; C97, §2852; C24, 27, 31, 35, §4494.]

4495 Statute of limitation. Lapse of time shall in no case be a bar to any action to recover any part of the school fund, nor shall it prevent the introduction of evidence in such an action, any provision in this code to the contrary notwithstanding. [C73, §§1890, 2642; C97, §2852; C24, 27, 31, 35, §4495.]

4496 Payments. All payments to the school fund upon contracts, or loans of any other nature, shall be made to the treasurer of the county upon a certificate from the auditor showing the amount due. [R60, §1986; C73, §1867; C97, §2853; C24, 27, 31, 35, §4496.]

4497 Release of mortgage. The auditor shall, when the debt is paid, release any mortgage or issue a certificate of purchase, as the case may be, and report the same to the board of supervisors at its next meeting, which report shall be carried into the records of the board. [R60, §1986; C73, §1867; C97, §2853; C24, 27, 31, 35, §4497.]

4498 School fund account—settlement. The auditor shall also keep in his office, in books to be provided for that purpose, an account to be known as the school fund account, in which a memorandum of all notes, mortgages, bonds, money, and assets of every kind and description which may come into his hands and those of the treasurer shall be entered, and separate accounts of principal and interest be kept; and the county treasurer shall keep a like account and record of all school funds coming into his hands. Settlements of such account shall be made with
§4499, Ch 232, T. XII, SCHOOL FUNDS

the board of supervisors at its January and June sessions, which settlements shall be recorded with the proceedings of the board. [R60,§§1990, 1991; C73,§§1876, 1877; C97,§2853; C24, 27, 31, 35,§4498.]

4499 Notice of default. When outstanding contracts for the sale of school lands or notes for money of the school fund loaned, or interest thereon, are due, the auditor shall by mail at once notify the debtor to make payment thereof within three months. [C73,§§1872, 1873; C97, §2854; C24, 27, 31, 35,§4499.]

4500 Suit—attorney fee. If such debtor shall neglect to comply with such notice, the auditor shall report the same to the county attorney, who shall bring an action to recover the same, and an injunction may issue for cause, without bond when so prayed, and there shall be allowed in the judgment, entered and taxed as a part of the costs in the case, a reasonable sum as compensation to plaintiff's attorney, not exceeding the amount as provided by law for attorneys' fees. [C73,§1873; C97,§2854; C24, 27, 31, 35,§4500.]

4501 Bid at execution sale. Upon a sale of lands under an execution founded upon a school fund claim or right, the auditor shall bid such sum as the interests of the fund require, and, if struck off to the state, it shall be thereafter treated in all respects the same as other lands belonging to said fund. [C73,§1874; C97, §2854; C24, 27, 31, 35,§4501.]

4502 Sheriff's deed to state. When lands have been bid in by the county for the state under foreclosure of school fund mortgages and the time for redemption has expired, a sheriff's deed shall be issued to the state for the use and benefit of the permanent school fund. The county auditor shall file the said deed for record in the office of the county recorder who shall record the same without fee and return the same when recorded to the county auditor who shall then forward the same to the secretary of state. The secretary of state shall record the said deed in his records and then file the same with the state comptroller. [C73,§1881; C97, §2855; S13,§2855; C24, 27, 31, 35,§4502.]

4503 Resale by state. All lands now acquired under permanent school fund foreclosure proceedings shall be resold within ten years from January 1, 1939, and lands acquired after such date shall be resold within six years from date of foreclosure. Such land shall be appraised, advertised, and sold in the manner provided for the appraisement, advertisement, sale and conveyance of the sixteenth section or lands selected in lieu thereof. [S13,§2855; C24, 27, 31, 35,§4503; 48GA, ch 4472.]

4504 Proceeds on resale. When a resale is made, the county auditor shall notify the state comptroller, who shall thereupon charge the county with the full amount of the resale, except that when the lands are sold for more than the unpaid portion of the principal, the excess shall be applied to reimburse the county for the costs of foreclosure and the interest paid by the county to the state by reason of default of payment of same by the makers of the notes, previous to the time when the right of redemption has expired, not to exceed the amount as provided by law for attorneys' fees. [C73,§1882; C97,§2855; S13,§2855; C24, 27, 31, 35,§4504.]

4505 Excess—loss borne by county. Any excess over the amount of the unpaid portion of the principal, costs of foreclosure, and interest on the principal as above provided, shall inure to the county and be credited to the general county fund. If the lands shall be sold for a less amount than the unpaid portion of the principal, the loss shall be sustained by the county, and the board of supervisors shall at once order the amount of such loss transferred from the general fund or temporary school fund of the county to the permanent school fund account. [C73,§1881; C97,§2855; S13,§2855; C24, 27, 31, 35,§4505; 48GA, ch 112,§2.]

4506 Report as to sales—interest. County auditors shall, on or before the first day of January of each year, report to the state comptroller the amount of all sales and resales made during the year previous, of the sixteenth section, five-hundred-thousand-acre grant, escheat estates, and lands taken under foreclosure of school fund mortgages, and the comptroller shall charge the same to the counties with interest from the date of such sale or resale to January 1, at the rate of three and one-half percent per annum. [C73,§1881; C97,§2855; S13,§2855; C24, 27, 31, 35,§4506; 47GA, ch 125,§2.]

4507 Interest charged to counties. The state comptroller shall also, on the first day of January, charge to each county having permanent school funds under its control, interest thereon at the rate of three and one-half percent per annum for the preceding year, or such part thereof as such funds shall have been in the control of the county, which shall be taken as the whole amount of interest due from such county. All interest collected above the three and one-half percent charged by the state shall be transferred to the general county fund. [C73,§1882; C97,§2855; S13,§2855; C24, 27, 31, 35,§4507; 47GA, ch 125,§§83, 4.]

4508 Uncollected interest. If any county fails or refuses to collect the amount of interest due the state, the deficiency shall be paid to the state from the general county fund. Any county delinquent in the payment of interest due the state shall be charged one percent per month on the amount delinquent until paid. [C73,§1882; C97,§2855; S13,§2855; C24, 27, 31, 35,§4508.]

4509 Report as to rents. County auditors shall, upon the first day of January of each year, report to the state comptroller the amount of rents collected during the preceding year on
unsold school lands and lands taken under foreclosure of school fund mortgages then in the hands of the county treasurer, and the comptroller shall include the amount so reported in his semiannual apportionment of interest. [C73, §1884; C97, §2855; S13, §2855; C24, 27, 31, 35, §4509.]

4510 Transfer of unloaned funds. If the damages finally awarded are, in the opinion of the board, excessive, the proceedings shall be dismissed; if not excessive, the board may, by proper order, establish such proposed change. [SS15, §1527-r3; C24, 27, 31, 35, §4616.]

4617 Appeals. Claimants for damages may appeal to the district court from the award of damages in the manner and time for taking appeals from the orders establishing highways generally. [C97, §428; SS15, §1527-r3; C24, 27, 31, 35, §4617.]

4618 Damages on appeal — rescission of order. If the damages as finally determined on appeal be, in the opinion of the board, excessive, the board may rescind its order establishing such change. [SS15, §1527-r3; C24, 27, 31, 35, §4618.]

4619 Record of change. The board shall cause a full and detailed record to be made in the road book of all plats and surveys and all other proceedings pertaining to changes hereinafter authorized. [C24, 27, 31, 35, §4619.]

4620 Tender of damages. No appeal from an award of damages shall delay the prosecution of the work when the amount of the award is tendered in writing to the claimant and such tender is kept good. An order to the auditor to issue warrants to claimants for damages shall constitute a valid tender, if funds are available to promptly meet such warrants. Acceptance of the amount of such tender bars an appeal. Should possession of the condemned premises be taken pending appeal and the final award be not paid, the county shall be liable for all damages caused during such possession. [SS15, §1527-r3; C24, 27, 31, 35, §4620.]

4621 Abandonment of highway—notice to owner affected. The foregoing provision with reference to changes in the highway shall not be construed as compelling the board to abandon any part of a highway already established, but if it be proposed to abandon any part of a highway already established, notice shall be served, as herein provided, upon the said record owners as aforesaid through which or abutting upon which said highway so proposed to be abandoned, extends. [SS15, §1527-r7; C24, 27, 31, 35, §4621.]

The work of said closing may be assigned by said board to one or more members of said board or to the county engineer. Said closing shall be effected by the erection of some effective and substantial barrier at all places at which public vehicular travel has theretofore had authorized access to said vacated or abandoned road. [C35, §4621-f1.]

4621.2 Violation. If any member of said board or the county engineer negligently fails to perform the duty herein imposed upon him, he shall be guilty of a misdemeanor and upon conviction, shall be fined not to exceed the sum of twenty-five dollars. [C35, §4621-f2.]

4621.3 Liability. When a road has been adequately and effectively closed as heretofore provided, neither the members of the board nor the county engineer shall thereafter be under any liability to maintain said closing. [C35, §4621-f3.]

4621.4 Removal of barrier. Any person who shall remove any barrier which has been erected hereunder in order to close a vacated or abandoned road, shall be guilty of a misdemeanor and in addition shall be liable for all damages proximately resulting from such removal. [C35, §4621-f4.]

4621.5 Expense. The expense attending the closing of a vacated or abandoned road shall be deemed a road construction or maintenance and paid accordingly. [C35, §4621-f5.]

In computing the said expense, mileage at the rate of five cents per mile for distance actually traveled may be included. [C24, 27, §4642; C31, 35, §4644-c22.]

4644.21 Supervision of construction and maintenance work. [C31, 35, §4644-c23.]

CONSTRUCTION PROGRAM

4644.22 Construction program or project. Before proceeding with any construction work on the secondary road system for any year or years, the board of supervisors shall, subject to the approval of the state highway commission, adopt a comprehensive program or project based upon the construction funds estimated to be available for such year or years, not exceeding three years. [C31, 35, §4644-c24.]

4644.23 Scope of program. In the selection of the local county roads as a part of said program or project, the board shall instruct the county auditor to notify the board of trustees of each township not later than January 1, to prepare a tentative plan of improvement for roads in their township, setting out in that plan the road or roads which, in their estimation, should be improved first, and shall also name those which should be thereafter improved and file such plan with the county auditor not later than February 1 of each year.

After such plans have been filed by the several boards of trustees, the board of supervisors shall, together with the county engineer, proceed to plan a program of construction of both county trunk and local county roads, always observing the plans filed by the boards of trustees. [C31, 35, §4644-c25.]

[C31, 35, §4644-c27.]

Farm-to-market roads, ch 240.1

4644.26 Provisional selection of roads. The board after due consultation with the county engineer, shall first select in a provisional way the roads which they then consider advisable to embrace in said program, and direct said engineer to make a reconnaissance survey and estimate of all said roads, or of such part thereof as, in view of the public necessity and convenience, present the most urgent need and necessity for early construction. [C24, 27, §4643; C31, 35, §4644-c28.]

4644.27 Report of engineer. omitted from the provisional program or project, or that certain definitely described roads or parts thereof be added thereto, and in such case he shall clearly enter on his report the reasons therefor. [C31, 35,§4644-c30.]

4644.29 Map required. A map of the county showing the location of the proposed program or project shall accompany the report of the engineer. [C24, 27,§4644; C31, 35,§4644-c31.]

The township representatives shall receive the same per diem and mileage for attendance at said meeting as received by the members of the board of supervisors and shall be paid from the construction fund. [C31, 35,§4644-c33.]

4644.32 Board's action final. At this meeting this board of approval shall proceed to the final adoption of the program as it pertains to the local county roads to be paid for from the thirty-five percent of the secondary road construction fund which is dedicated to local county roads.

The proposed program or project may be approved without change or may be amended and approved but the action of this board shall be final except as it applies to the sixty-five percent of the secondary road construction fund to be expended under the direction of the board of supervisors.

The board of approval in planning said construction program shall distribute the improvements in such manner as will give to each township, as soon as may be, an equitable mileage of improved roads, and those townships which have heretofore improved their township roads shall not be discriminated against in this new improvement program.

The board of supervisors of any county may provide that the work of maintaining the local county roads of a township shall be performed by the township trustees, subject to the supervision of the county highway engineer. In such case the township trustees shall retain their road equipment, and the board of supervisors shall set aside in the county treasury a sum from the secondary road maintenance fund, which shall be said township's proportionate share of the maintenance funds for said county devoted to local county roads. In determining the amount thus set aside for use in any township the board shall use as a basis the relative mileage of local county roads in the township as compared to the entire mileage of local county roads in the county. In the award of contracts, due consideration shall be given not only to the prices bid, but also to the financial standing of the contractor, his equipment, and his experience in the performance of like or similar contracts as shown by such statements. [C31, 35,§4644-c41.]

4644.40 Advertisement and letting. All contracts for road or bridge construction work and materials therefor of which the engineer's estimate exceeds fifteen hundred dollars, except surfacing materials obtained from local pits or quarries, shall be advertised and let at a public letting. Before any claim shall be allowed by the board of supervisors on the construction or maintenance funds, in payment for any work or construction, except for dragging, maintenance, or repairs not designated by the engineer, it must secure on the bill the certificate of the engineer employed by it, that such improvement has been made in accordance with the plans and specifications as herein provided.

If said engineer makes said certificate when said work has not been done in accordance with the plans and specifications, and said work be not promptly made good without additional cost, the full cost of making said work good may be recovered upon said engineer's bond.

A violation of this section by any member of the board shall render him liable on his bond for the amount of said claim. [SS15, §1527-s10; C24, 27, 31, 35, §4653.]

At said hearing the commission shall fully investigate all questions pertaining to said matters, and shall, as soon as practicable, certify its decision to the different boards, which decision shall be final, and said boards shall forthwith comply with said order in the same manner as though such work was located wholly within the county. [C24, 27, 31, 35,§4662.]

Said allotment to each county shall be in the ratio that the area of the county bears to the total area of the state. Each county's allotment of the farm-to-market road fund shall be used, as in this chapter provided, for the construction, reconstruction and improvement of the farm-to-market roads of that county. [48GA, ch 117,§4.]

Before any project shall be approved by the state highway commission for farm-to-market road construction in any county under this chapter, the commission shall satisfy itself that said county is financially able and suitably equipped and organized to properly maintain said road, and that the county engineer's office in said county is suitably organized, equipped and financed to discharge to the satisfaction of the commission, the duties herein required; and said county, through its board of supervisors, shall recommend a system of secondary roads (not exceeding ten percent of the total highway mileage of the county) on which projects constructed under this chapter shall be located. Provided, that if in any county more than ten percent of the highway mileage has already been built to finished grade, bridged and surfaced with gravel or other suitable surfacing, then the board may recommend a secondary road mileage which includes any or all the secondary roads of said county which have been built to finished grade, bridged and surfaced with gravel or other suitable surfacing, plus an additional mileage which is not more than ten percent of the highway mileage of the county. [48GA, ch 117,§§.]

4686.10 System designated—additions. The state highway commission shall have authority to approve in whole or in part or to modify the system of secondary roads recommended by the board of supervisors of any county. In considering said system the commission shall take into account the relative amount of the present traffic on the various secondary roads of the county, and the probable future traffic on such roads. The system of roads as finally designated shall be known as the farm-to-market road system. Said road system may, subject to the consent of the board of supervisors, be changed or modified by the state highway commission from time to time to meet unforeseen or better understood conditions. Whenever it may appear that all the roads included in said farm-to-market road system in any county have been built to proper grade, drained, bridged and surfaced in a manner suited to the traffic on said roads, additional roads may be added to said system in the manner herein provided for the original designation of said road system. [48GA, ch 117, §10.]

4686.11 Nonparticipating county—funds reserved. Any county having complied with the provisions of this chapter and desiring to avail itself of the benefits thereof, may, by its board of supervisors, submit to the state highway commission project statements for the construction, reconstruction or improvement of farm-to-market roads, in said county. [48GA, ch 117,§11.]

4686.12 Approval in advance. The state highway commission may approve projects submitted by the board of supervisors prior to the approval of the farm-to-market road system herein provided for, if it may reasonably anticipate that the roads on which such projects are located, will become a part of such system. [48GA, ch 117,§12.]

4686.13 Surveys, plans and estimates. If the state highway commission approves a project submitted by the board of supervisors, the county engineer shall proceed to make or cause to be made, the surveys, plans and estimates for said project, and submit the same to the board of supervisors and the highway commission for approval. Said recommended award of contract shall be submitted to the board of supervisors of the county in which said project is located for its concurrence. Upon receiving the concurrence of the county board on said recommended contract award, the state highway commission shall take final action awarding said contract. No contract shall be let to any state official, elective or appointive nor a member of the state highway commission, nor to any partnership or corporation in which a member of the state highway commission, or any other state officer or employee, is financially interested. The letting of a contract in violation of the foregoing provisions shall invalidate the contract, and such violation shall be a complete defense to any action to recover any consideration due or earned thereunder after the time of its termination. [48GA, ch 117,§14.]

Similar provisions, §§180, 275 3S28.101, 3922, 4685, 4755.10, 5361, 5673, 5828, 6134, 6710, 13324, 13327

Upon approval by the state highway commission, of vouchers which are payable from the farm-to-market road fund, such vouchers shall be forwarded to the state comptroller, who shall draw warrants therefor, and said warrants shall be paid by the treasurer of state from the farm-to-market road fund. [48GA, ch 117, §17.]

4686.18 Partial payments during construction. Partial payments may be made on the work during the progress thereof, but no such partial payment shall be deemed final acceptance of the work nor a waiver of any defect therein. The approval of any claims by the board of supervisors or by the state highway commission may be evidenced by the signature of the chairman of said board or commission, or a majority of the members of the board or commission, on the individual claims or on the abstract of a number of claims with the individual claims attached to said abstract. [48GA, ch 117, §18.]

The county engineer is charged with the duty of supervision, inspection and direction of the work of construction of farm-to-market road projects under this chapter. In such capacity, the county engineer shall be under the supervision of the commission. The highway commission shall make general inspection of the work during the progress thereof and may refuse to approve claims for any work which does not conform to the plans and specifications. [48GA, ch 117, §19.]

Any county may, in any year, by resolution of its board of supervisors, make available for improvement or construction of farm-to-market roads within the county an amount of not to exceed twenty-five percent of its allotment of motor fuel license fees. Upon certification of such a resolution, the state treasurer shall place in the county's allotment of the farm-to-market road fund the amount authorized by such resolution. [48GA, ch 117, §20.]

4686.21 Extensions in cities and towns. A farm-to-market road project under this chapter may, subject to the approval of the council, include the purchase or condemnation of right-of-way therefor, and grading, draining, bridging, elimination of danger at railroad crossings, the graveling or hard surfacing of any road or street which is a continuation of the farm-to-market road system and which is (1) within any town, or (2) within any city, including cities under special charter having a population of less than twenty-five hundred, or (3) within that part of any city including cities acting under special charter, where the houses or business houses average not less than two hundred feet apart.

The phrase "subject to the approval of the council" as it appears in this section shall be construed as authorizing the council to consider said proposed improvement only in its relationship to municipal improvements such as sewers, water lines, establishing grades, change of established street grades, sidewalks and other public improvements. The locations of such farm-to-market road extensions shall be determined by the board of supervisors. [48GA, ch 117, §21.]

4686.22 Right-of-way—how acquired. Right-of-way for farm-to-market road projects under this chapter may be acquired by the county. However, the county board may request the state highway commission to acquire such right-of-way and in such event such right-of-way shall be paid for out of the county's allotment of the farm-to-market road fund. [48GA, ch 117, §22.]

4686.23 Eminent domain applicable. In the maintenance, relocation, establishment or improvement of farm-to-market roads, including extension of secondary roads within cities and towns, the state highway commission shall have authority to purchase or to institute and maintain proceedings for the condemnation of the necessary right-of-way therefor and for the condemnation of land, including a sufficient roadway to such land by the most reasonable route for the purpose of obtaining gravel or other suitable material with which to improve such roads. All the provisions of the law relating to the condemnation of land for public state purposes, shall apply to the provisions hereof.

The provisions of chapter 237 shall not apply to the establishment, vacation, alteration or improvement of secondary roads under this section.

No such roads shall be established through any cemetery or burying ground without the consent of all the parties affected by the same. [48GA, ch 117, §23.]

Eminent domain, chs 365, 366.

4686.24 Project completed—plat filed. Upon the completion of a farm-to-market road project under this chapter, the county engineer shall file with the auditor and with the recorder of the county a complete right-of-way map of said proj-
§4686.25 Roads bordering on cities and towns. Whenever any public highway located along the corporate line of any town or any city, including cities under special charter, is an extension of the farm-to-market road system, it may be included in said farm-to-market road system and may be improved as a part of the said road system under this chapter. [48GA, ch 117, §25.]

4686.26 Deficiencies and excesses in funds. Should the completed cost of any farm-to-market road project under this chapter be less than the estimate on which the county's contribution to said project was based, the state treasurer shall, on certificate of such excess cost by the state highway commission, credit one-half of excess amount to the farm-to-market road fund from the said county's allotment of the motor vehicle fuel license fees.

Should the completed cost of any farm-to-market road project under this chapter be less than the estimate on which the county's contribution to said project was based, the state treasurer shall, on certificate of such excess cost by the state highway commission, credit one-half of excess amount to the farm-to-market road fund from the said county's allotment of the motor vehicle fuel license fees.

4686.27 Period of allocation — reversion. The farm-to-market road fund allotted to any county as provided in this chapter shall remain available for expenditure in said county for one year after the close of the calendar year during which said sums respectively were allocated. Any sum remaining unexpended at the end of the period during which it is available for expenditure, shall be reapportioned among all the counties as provided in section 4686.05 for original allocations.

For the purposes of this section, any sums of the farm-to-market road fund allotted to any county shall be presumed to have been "expended" when a contract shall have been let by the state highway commission obligating said sums. [48GA, ch 117, §27.]

4686.28 Engineering and other expense. Engineering, inspection and administration expense in connection with any farm-to-market road project may be paid from said county's allotment of the farm-to-market road fund. Any such expense incurred by the state highway commission may in the first instance be advanced out of the commission's support fund or out of the primary road fund, said amounts later being reimbursed to said funds out of the farm-to-market road fund.

Provided, that no part of the salary or expense of the county engineer, any member of the county board of supervisors, any member of the state highway commission, the chief engineer, or any department head or district engineer of the commission shall be paid out of the farm-to-market road fund. [48GA, ch 117, §28.]
CHAPTER 241
FINANCING PRIMARY AND SECONDARY ROADS

4745 "Secondary road system" defined. The secondary road system shall embrace the following classes of roads: (1) County roads which now exist of record, or which may hereafter exist of record by additions from the township roads, exclusive of all roads of the primary road system, and (2) township roads, which shall embrace all other roads not included within cities and towns. The county road cash fund, under the jurisdiction of the board of supervisors, and the township road funds, under the jurisdiction of the township trustees, are hereby wholly dedicated and pledged to the county and township roads respectively as provided by law. * [C24, 27, 31, 35, §4745.]

4745.1 Streets as extensions of secondary roads. Whenever in any city or town having a population of thirty-five hundred or less there is a road or street which is a continuation or an extension of a secondary road adjacent to lands used for agricultural or horticultural purposes as described in section 6210, which the board of supervisors is desirous of improving by hard surfacing or graveling under the law governing the improvement of secondary roads, the council of such city or town and the county board of supervisors are hereby authorized to include by resolution within such secondary road project such portion of such road in said city or town as may be located as provided herein, and to assess such lands within the zone of benefit assessments upon the same basis and in the same manner as provided by law relating to the levy of benefit assessments upon the secondary road system outside the limits of cities and towns. [C24, §4754; C27, 31, 35, §4745-a1.]

Applicable to certain special charter cities, §6754

4746 Assessment districts—survey and report—notice—hearing. In order to provide for the graveling, oiling, or other suitable surfacing of roads of the secondary system, the board of supervisors shall have power, on petition therefor, to establish road assessment districts. Said petition shall intelligently describe the lands within said proposed district, and the road or roads wherein which the petitioners desire improved, and the general nature of the improvement proposed on each of said roads. Improvements may be proposed in the alternative. Said petitions shall be signed by thirty-five percent of the owners of the lands within the proposed district who are residents of the county or where none of the landowners within the proposed district are residents of the county, by the owners of the lands within the proposed district are residents of the county, by thirty-five percent of such nonresident owners.

Said petition shall be filed with the county auditor, whereupon the board of supervisors shall cause the county engineer to personally examine all the roads within such proposed district and to determine the relation of such roads to the lands within such proposed district, and the relation of such roads to any of the roads of the primary road system, and the necessity, if any, for further grading or draining of such roads.

The engineer shall embody his finding in a report to said board. He may recommend the establishment of the district as requested, or with such modifications as, in his judgment, are advisable, including a recommendation as to an increase or decrease of the size of the district as proposed by the petitioners. The engineer’s report shall include a plat showing, in accordance with his recommendations, the highways to be improved and benefited.

Upon the filing of said report by the engineer, the board of supervisors shall fix a time for hearing thereon, and shall cause the county auditor to serve notice by publication, as hereinafter provided, of the pendency of said petition on all owners of said land lying within said proposed district, as recommended by the engineer.

Said notice shall contain the time and place of hearing on said petition, an intelligent de-
scription of all of the lands lying within said district, and the ownership thereof, as shown by the transfer books in the auditor's office, and shall be published for two consecutive weeks in some newspaper published in the English language within the proposed district, if there be such newspaper, and if there be no such newspaper within such district, then the said notice shall be so published in some such newspaper in the county as near as practicable to said district, and such publication shall be made by the publisher by affidavit duly filed with the county auditor.

Hearings on said petition may be adjourned from time to time without loss of jurisdiction on the part of the board. On the final hearing, the board shall proceed to a determination of said matter. It may reject the proposal or it may approve the same and establish the district as petitioned for. It may modify the petition, either by excluding lands therefrom or by adding lands thereto, or otherwise modify the same, or the board may withhold final order in such matter until such roads, or any designated part thereof, are drained or graded to their satisfaction. No lack of definiteness, either in the petition or in the engineer's report, shall be deemed a jurisdictional defect, and the final order of the board of supervisors establishing the district shall be final. In establishing a district, the board of supervisors shall determine the general nature of the improvement to be constructed on the different roads within the district, or may determine such improvements in the alternative and may determine on one class of improvement for some roads and a different class for other roads.

Whenever it is desired to improve any such road, which road is on the county line between two or more counties, an improvement district may be established in the same manner as hereinafore provided, by the joint action of the boards of supervisors of the counties concerned. Whenever any such a joint project is entered into, the engineers of each county shall work together upon such project and shall file their joint report with their respective boards. Thereafter the procedure shall be followed as hereinafore provided and each county shall proceed with the establishment of an assessment district in its county for the payment of the cost of improving the joint highway, and each county shall proceed to pay its share of said cost in the same manner as though the entire project were located in that county. [C24, 27, 31, 35, §4746; 47GA, ch 130, §1.]

4747 Commission furnished copy of plat. Upon the establishment of a district on said secondary road system, the board of supervisors shall file with the state highway commission a copy of the order establishing the district and a copy of the engineer's plat. [C24, 27, 31, 35, §4747.]

4748 Plans—bids. Upon the establishment of a district in such secondary road system, the county engineer shall prepare the plans for the improvements contemplated by the order of the board establishing the district, which plans shall be accompanied by the standard specifications of the state highway commission for the class of improvements contemplated. Upon the filing of said plans and specifications, and upon receiving the agreement of the township or townships to pay their portion of the improvement of township roads, if any, the board shall, in accordance with their order relative to the class or classes of improvements, proceed to advertise for bids, and shall proceed as provided in section 4700 provided that contracts involving less than five thousand dollars need not be approved by the state highway commission.

Where petitions for the improvement of township roads shall be signed by a majority of the owners of the lands within the proposed district who are residents of the county, and who represent at least fifty percent of the lands within the proposed district, the board of supervisors may proceed as hereinbefore provided without receiving the agreement of the trustees of said township or townships. [C24, 27, 31, 35, §4748.]

Section 4700 repealed by 42GA, ch 101.

4749 Inspection of work. It shall be the specific duty of the board of supervisors to see that all contracts on said secondary roads are faithfully executed. The county engineer shall maintain competent inspection of the work during the progress thereof, and in the certification of bills and the issuance of warrants the engineer and the county auditor shall rest under the same responsibility as now attends such acts relative to road work, and tile, tiling, culvert, and bridge construction. [C24, 27, 31, 35, §4749.]

See §4663.

4750 Payment for county road improvements. The total cost of improving a county road in said secondary system within said district, by oiling, graveling, or other suitable surfacing, shall be apportioned and paid in the proportion of seventy-five percent from the county road fund and twenty-five percent from assessments on benefited lands, or may, by agreement between the board of supervisors and all of the trustees of the township in which the road is located when the petition requests such method of payment, be paid as provided in the next succeeding section. [C24, 27, 31, 35, §4750.]

4751 Payment for township secondary roads—maintenance. The total cost of so improving a township road within said district shall be apportioned and paid in the proportion of twenty-five percent from the county road fund, fifty percent from the township road funds of the township or townships embracing said township road (according to their relative mileage), and twenty-five percent from the special assessments on benefited lands.

A county road, after it is so improved, shall be maintained by the board of supervisors from the county road fund. A township road, after it is so improved, shall be maintained by the township trustees from township funds, unless the improvement is of so substantial and perma-
4752 Advancing costs and reimbursement of funds. The total cost of such improvements on said secondary roads shall in the first instance be paid from the county road fund, or jointly from such fund and from the proceeds of all special assessments and road certificates issued against special assessments on lands within the district, or by direct application of such certificates to such cost.

In case of the improvement of a county road, the said county road fund shall be reimbursed for amounts advanced in excess of its legal contribution, from the proceeds of all assessments on benefited property, and from the proceeds of all road certificates which represent such special assessments.

In case of the improvement of a township road, said fund shall be reimbursed to the extent of twenty-five percent of the total cost of the improvements from said special assessments and road certificates, and fifty percent from the township road fund, or the township drag fund, or from the township drainage fund, or from any or all of said funds. The trustees are authorized to transfer to the county from any or all of such township funds the amount sufficient to effect such reimbursement.

Should the trustees neglect to make such transfers, the county treasurer, on order from the board, shall withhold from such township sufficient of its tax funds as will effect such reimbursement, and transfer such amount to the county road fund, or the board of supervisors may levy such direct tax against the property within said delinquent township as will effect such reimbursement.

If the district as finally established, embraces and contemplates the improvement of a township road, the board of supervisors shall proceed no further as to such township road until the township which embraces such road agree in writing, signed by a majority of its trustees, to pay its portion, as herein required, of the total cost of said improvement. Said written agreement shall be deemed the financial obligation of the township and not of the trustees individually. If such township road is on a township line, such agreement shall be executed by both townships, and one-half of that portion of the cost payable from township funds shall be borne by each township. [C24, 27, 31, 35, §4752.]

4753 Special assessments. Special assessments shall be levied upon the lands within districts embracing secondary roads, in the aggregate amounts hereinafter provided, and such amount shall be apportioned and levied within said district in the manner hereafter provided in case of improvements within primary road districts, it being the intent of this section that the appointment of apportioners, the apportioning of benefits, the notice thereof and hearing thereon, and all procedure in connection therewith which leads to and culminates in the final collection and payment of such benefits, including the issuance of road certificates, shall be governed by the provisions of this chapter applicable thereto, except that no additional lands shall be included within the district after same is established by the board of supervisors. [C24, 27, 31, 35, §4753.]

4753.01 Board of apportionment—report—notice and hearing—fees of appraisers. A board of apportionment of three resident freeholders of the county shall be appointed by the board of supervisors to apportion all special benefits to real estate within each district, but the same board of apportionment may act for more than one district. No person shall serve on such board if he lives or owns real estate within the district for which he is to act.

Whenever the total expense of such improvement within said district has been approximately determined, said board of apportionment shall, with all reasonable dispatch, personally inspect and classify in some uniform manner, and under some intelligent description, and in a graduated scale of benefits, all real estate within said districts. Said classification, when finally established, shall remain as a basis for all future assessments to cover deficiencies, if any, unless the board of supervisors, for good cause, shall authorize a revision thereof.

Said board of apportionment shall, among other relevant and material matters, if any, give due consideration to the fair market value per acre of each of the different tracts of real estate, to their relative location and productivity, and to their relative proximity and accessibility to the said improvement.

They shall, in writing, and to the different described tracts of real estate within said district, make an approximately equitable apportionment of twelve and one-half percent of the total expense of said improvement.

In making said apportionment, real estate owned by the state or any county shall be treated as other real estate, but no other publicly owned real estate shall be included, and in apportioning benefits to real estate owned by the county or state, no consideration shall be given to the buildings thereon.

Said apportionment report shall specify each tract of real estate by some intelligent description, the amount apportioned thereto, and the ownership thereof, as the same appears on the transfer books in the auditor's office, and shall be filed with the county auditor. Said apportionment shall carry the presumption, in the absence of a contrary showing, that the same is fair, just, equitable, and in proportion to benefits and not in excess thereof.

Upon receipt of said apportionment, the county auditor shall fix a day for hearing before the board of supervisors, and cause notice to be served by publication as hereinafter provided upon each person whose name appears in said apportionment report, or in any recommendation accompanying the same, as owner, and also upon the person or persons in actual occupancy of any
§4753.02, Ch 241, T. XIII, FINANCING PRIMARY AND SECONDARY ROADS 770

such real estate, which notice shall state the amount of special assessments apportioned to each tract, the day set for hearing before the board of supervisors, that at said hearing any apportionment may be increased without further notice, that (if such be the case) the board of apportionment has recommended that specified additional tracts of real estate should be included within said district, and that specified sums should be apportioned thereto to defray the cost of said improvement, and that all objections to said report, or any part thereof, by reason of any irregularity in prior proceedings, or by reason of any irregularity, illegality, or inequality in making such apportionment, must be specifically made in writing and filed with the county auditor on or before noon of the day set for such hearing, and that a failure to so make and file such objections will be deemed a conclusive waiver of all such objections.

The county auditor shall cause such notice to be served by having the same published in a newspaper of the county having a general circulation in the district affected by the improvement once each week for two consecutive weeks, the last of which publications shall be not less than five days prior to the day set for said hearing. Proof of such service shall be made by affidavit of the publisher and be filed with the county auditor.

Omission to serve any party with notice herein provided shall work no loss of jurisdiction on the part of the board over such proceeding, and such omission shall only affect the persons upon whom service has not been had, and if, before or after the board has entered its final order in apportionment proceedings, it be discovered that service of said notice has not been had on any necessary person as herein provided, the board shall fix a time for hearing as to such omitted parties and shall cause such service to be then made upon them, either by publication as in this section provided or by personal service in the time and manner required for service of original notices in the district court, and after such hearing shall proceed as to such person as though such service had been originally complete.

The appearance of any interested party, either in writing or personally, or by authorized agent, either before the board of supervisors or before the state highway commission at any stage of a pending proceeding for the hard surfacing of the highways of a district, shall be deemed a full appearance. Only interested parties shall have the right to appear before the board of supervisors in proceedings provided for in this chapter, and all persons so appearing shall be required to state for whom they appear, and the clerks of the board shall make definite entry accordingly in the minutes of the board.

The state highway commission shall prescribe standard forms for apportionment reports and notice of hearings thereon.

Each member of the board of apportionment shall be paid in full for all services, at the rate of six dollars per day of actual service, and ten cents per mile for each mile necessarily traveled in the performance of his duties, and bills therefor, duly sworn to and itemized, shall be returned to the board of supervisors with the report of the apportioners. [C24,§4707; C27, 31, 35,§4753-a1.]

See note under §4753.02

4753.02 Report in re omitted lands. Should the board of apportionment be satisfied from its investigation, that certain tracts of real estate have been omitted from said district, and that such omitted tracts ought to bear an equitable portion of the expense of such improvement, and are, as to any part thereof, within four hundred eighty rods of said improvement, and not embraced within any other primary road district, they shall proceed in the following manner, to wit:

First, they shall make and return their apportionment report to the board of supervisors, on the presumption that no real estate will be ultimately assessed, except the real estate which is embraced within the district as then constituted and established.

Second, they shall accompany their apportionment report with a definite list of the herefore mentioned tracts of real estate, which ought, in their judgment, to be within said district, but which have been omitted therefrom, and shall definitely state the amount which, in their judgment, each such omitted and described tract ought to equitably bear toward the cost of the improvement. The board of supervisors on the final hearing of said apportionment report, shall pass on said recommendation, and may wholly reject or wholly approve the same, or may reject in part and approve in part, or may approve wholly or in part, with modification. If the recommendation be approved and adopted in any part, the board shall enter an order changing the boundaries of the district accordingly, and notify the state highway commission of said change, and shall adjust the final apportionment in accordance therewith. [C24, §4709; C27, 31, 35,§4753-a2.]

Above section not specifically repealed, but its applicability to secondary roads may be questionable in view of the exception in the last clause of §4753.

4753.03 Hearing — levy of assessments — payment. The final hearing on said apportionment report may be adjourned from time to time without loss of jurisdiction on the part of the board. On such final hearing the board shall hear and determine all objections filed, and may increase, diminish, annul, or affirm the apportionment made in said report, or any part thereof, as may appear to the board to be just and equitable.

On the final determination, the board shall levy such apportionment and all installments thereof upon the real estate within said district, as finally established, and said assessment and all installments thereof shall be due and payable, and bear interest at six percent per annum commencing twenty days from the date of said levy; provided that if any owner, other than the state or county, of any of said tracts of land shall, within twenty days from the date of said assessment agree, in writing filed in the
office of the county auditor, that in consideration of his having the right to pay his assessment in installments, he will not make any objection of illegality or irregularity as to said assessment upon his said real estate, and will pay the same with six percent interest thereon, then and in that case, said assessment shall be payable as follows: In ten equal installments, the first of which shall mature and be payable on the date of such agreement, and the other installments, with interest on the whole amount unpaid, annually thereafter, at the same time and in the same manner as the March semiannual payment of ordinary taxes.

Where no such agreement is executed, then the whole of such special assessment so levied shall mature at one time and be due and payable with interest, and shall be collected at the next succeeding March semiannual payment of ordinary taxes.

All such taxes shall become delinquent on the first day of March next after their maturity, shall bear the same interest, the same penalties, and be attended with the same rights and remedies for collection, as ordinary taxes.

An owner of land who has availed himself of said ten-year option may at any time discharge his assessment by paying the balance then due on all unpaid installments, with interest on the entire amount for thirty days in advance.

Assessments against lands owned by the state or county shall be due and payable from the date of levy by the board of supervisors, or in the case of any appeal, from the date of final confirmation of the levy by the court.

In case of assessment on lands owned by the county, the same shall be paid from the county general fund. In case of assessments on lands owned by the state, the same shall be represented by a voucher, duly audited as heretofore provided, and the state comptroller shall draw warrants therefor and make the same payable out of any funds received by the county treasurer for state purposes.

Each special assessment and all installments thereof shall be a lien upon the real estate owned by the owner of the property against which the assessment has been levied, and in the same manner as taxes levied for state and county purposes. Changes in the amount of any special assessment by reason of any ruling of the district court on appeals, shall be likewise certified and the county treasurer shall make the proper corrections on his books.

In case an assessment as originally made should later be found to be insufficient to pay one-eighth of the total cost of the improvement, an additional assessment may be made in the same manner as taxes levied for state and county purposes. Changes in the amount of any special assessment by reason of any ruling of the district court on appeals, shall be likewise certified and the county treasurer shall make the proper corrections on his books.

Appeals—power of court—duty of clerk. Any owner of land may appeal to the district court from the order of the board of supervisors in levying the assessment against his real estate, by filing with the county auditor within fifteen days from the date of such levy, a bond conditioned to pay all costs in case the appeal is not sustained, and a written notice of appeal wherein he shall, with particularity, point out the specific objection which he desires to lodge against such levy. The appearance term shall be the trial term, and said appeal shall have precedence over all other business of the court except criminal matters. The appeal shall be heard as in equity, and the court may raise or lower the assessment in question and make an equitable assessment in the judgment of the court. The clerk of the district court shall, upon the entry of the final order of the court, certify such final order to the county auditor, and the board of supervisors shall at once so adjust the assessments as to comply with such final order. [C24, §4713; C27, 31, 35, §4753-a5.]

Presumption of approval of bond, §12769.1

4753.06 Appeal—procedure. When an appeal is taken, the county auditor shall at once make a transcript of the notice of appeal and appeal bond, and transmit the same to the clerk of the district court. The appellant shall, on or before the first day of the first term of the court, after taking said appeal, docket said appeal and file a petition setting forth the order or decision of the board of supervisors appealed from and his specific objections thereto. A failure to comply with either of these requirements shall be deemed a conclusive waiver of the appeal, and in such case, the court shall dismiss the same. Appellee need not file answer, but may do so. [C24, §4714; C27, 31, 35, §4753-a6.]

4753.07 Certifying assessments and levy—lien. When the board of supervisors has entered its final order as to the amounts of all special assessments on a given improvement, the county auditor shall at once certify a list of such assessments and a list of the real estate upon which each assessment has been levied, with the specific designation of the district embracing such real estate, to the county treasurer, who shall enter each assessment upon the tax books and continue such entry until such assessment is paid.

Each special assessment and all installments thereof shall be a lien upon the real estate upon which it is levied from the date of such certification by the county auditor, to the same extent and in the same manner as taxes levied for state and county purposes. Changes in the amount of any special assessment by reason of any ruling of the district court on appeals, shall be likewise certified and the county treasurer shall make the proper corrections on his books. [C24, §4715; C27, 31, 35, §4753-a7.]

4753.08 Account for each district. Each assessment district shall be considered a unit and all funds received by the county treasurer for and on behalf of the hard surfacing of such unit shall be carried as a distinct and separate account and under the same specific name as that used by the board in establishing such unit. [C24, §4716; C27, 31, 35, §4753-a8.]

4753.09 Road certificates—requirements—payment—termination of interest. In order to render immediately available that amount of the cost of an improvement which has been specially assessed, the board may issue road certificates in the name of the county in an aggregate amount not exceeding the then unpaid amount.
of the special assessment levied in said district. Each issue of certificates shall be under, and in accordance with, a duly adopted resolution of the board which shall be entered at large in the minutes of the proceedings of the board, and which shall recite: (1) the name or designation of the road district on account of which the certificates are issued; (2) that a stated amount (naming the amount) has been specially assessed against the lands within said district; (3) that a stated amount of said aggregate special assessment has not yet been paid (naming said unpaid amount); (4) that it is necessary to render said unpaid amount immediately available; (5) the number of road certificates authorized and the specific amount of each certificate; (6) the specific numbering or designation of each certificate; (7) the rate of interest which each certificate shall bear from date, to wit, not to exceed six percent per annum; (8) the fact that said certificates are payable solely from the proceeds of the special assessments which have been levied on the lands within said district; (9) that each certificate shall be payable on or before the first day of January of the first year following the maturity of the last installment of said special assessments, and that interest thereon shall be paid annually; (10) the authorization to the chairman of the board, and to the county auditor, respectively, to sign and countersign each of said certificates.

Upon the signing of each of said certificates by the chairman of the board, said certificates shall be delivered to the county auditor, who shall countersign the same, charge the county treasurer with the amount thereof, and deliver the same to such latter officer, who shall be responsible therefor on his bond. The treasurer may apply said certificates in payment of any warrants duly authorized and issued for hard surfacing the roads within said district, and may sell the same for the best attainable price and for not less than par, plus accrued interest, and apply the proceeds in payment of such authorized warrants. Said certificates shall be retired in the order of the consecutive numbering thereof.

The county treasurer shall, on or in connection with the road account for said district, clearly enter the name and post-office address of all persons to whom any of said certificates are issued, with a particular designation of the certificates delivered to each person. Any subsequent holder may present his certificates to the county treasurer and cause his name and post-office address to be entered in lieu of that of such former holder. Whenever the fund for such particular district has money sufficient to pay the first retireable certificate or certificates, the county treasurer shall, by mail, as shown by his records, promptly notify the holder of such certificate of such fact, and from and after the mailing of such letter all interest on such certificate shall cease. [C24, §4717; C27, 31, 35, §4753-a9.]

4753.10 Election in re bonds—notice—form of proposition—canvass—procedure to test legality. If any county desires to hasten the drainage and grading or the hard surfacing of the primary roads of its county at a more rapid rate than would be accomplished by merely employing each year its allotted portion of the primary road fund for its said year, it may proceed as follows: The board may submit, or, upon petition of a number of the qualified voters of the county equal to twenty percent of the total vote cast in said county at the last preceding general election, presented to the board in writing so to do, must submit to the voters of the county at a general election, or at a special election called by the board for such purpose, the question of issuing bonds for the purpose of raising funds to meet the cost of such work, and to provide for the retirement of such bonds and interest thereon.

Notice of such election shall be given by publication once each week for two successive weeks in all the official newspapers of the county, stating the time when such election will be held, and substantially the proposition that will be submitted; the last publication to be at least five days prior to the day such election is to be held.

Special elections shall be conducted in the same manner as general elections are conducted. Said question shall be set forth on the ballots substantially as follows: "Shall the board of supervisors be authorized to issue bonds from year to year, in the aggregate amount not exceeding . . . . . . . . dollars, for the purpose of providing the funds for hard surfacing the primary roads of the county, and to levy a tax on all the property in the county from year to year not exceeding . . . . . . . . mills in any one year, for the payment of the principal and interest of said bonds, provided, however, that the annual allotments to the county of the primary road fund shall be used to retire said bonds as they mature, and only such portion of said tax shall be levied from year to year as may be necessary (1) to pay the interest annually, and (2) to meet any deficiency, if any, between the amount of the principal of the bonds and the said allotments from the primary road fund, together with assessments on benefited property provided by law." Immediately to the right of said proposition shall appear two squares of appropriate size, one above the other. Immediately after the first square shall appear the word "yes." Immediately after the other square shall appear the word "no." The voter shall indicate his vote by a cross in the appropriate square.

The returns of said elections shall be canvassed by the board, and its findings shall be entered at large in the minutes of its proceedings. No proceedings to test or review the legality or correctness of said election shall be maintainable unless instituted within thirty days after the findings of the board have been entered upon the record. The fact of each authorization of bonds by a county shall be at once certified by the county auditor to the state highway commission, with such data relative thereto as the commission may demand. [C24, §4720; C27, 31, 35, §4753-a10.]
4753.11 Bonds — form — denomination — interest — payment. If a majority of the votes be in favor of such issue of bonds and tax levy, the board shall from time to time, as necessary to meet the construction cost and expenses incidental thereto, not provided for by funds immediately available from the primary road fund, or from proceeds of special benefit assessments herefore provided for, issue serial bonds in denominations of five hundred dollars or one thousand dollars each, and at a rate of interest, payable annually, not exceeding five percent per annum. Bonds and annual interest thereon shall mature on the first day of May. Each bond shall provide that the same shall be payable at the option of the county, on any interest payment date on or after five years from the date of the bond. No bonds shall be sold for less than par value, plus accrued interest. No bonds shall be issued with maturity date postponed more than fifteen years. [C24, §4721; C27, 31, 35, §4753-a11.]

Vote required to authorize bonds, §1111.18

4753.12 Bond levy. If a majority of the voters be in favor of such bond issue and tax levy, the board of supervisors shall, each year thereafter during the life of the bond, levy on all the property of the county such part of such authorized tax as will clearly meet (1) the matured or maturing interest for the ensuing year on all such outstanding bonds, and (2) any amount of maturing principal of bonds, provided, however, that only so much of said tax shall be levied in any year for principal of said bonds, if any, as cannot be met (a) by the county's allotment of the primary road fund available for such ensuing year, and (b) by the proceeds of special assessments on benefited property. [C24, §4722; C27, 31, 35, §4753-a12.]

4753.13 Bonds — issuance — sale — retirement — terminating interest — exemption from taxation. All bonds issued under the provisions of this chapter shall be issued in serial form. Each issue shall be authorized by a duly adopted resolution of the board, which resolution shall be entered at large in the minutes of the board. Such resolution shall clearly specify the number of bonds authorized, the amount of each bond, the number or designation of each bond, the rate of interest which each bond shall bear from date, which interest shall not exceed five percent per annum, payable annually, the date of maturity of each bond, and the authorization to the chairman of the board to sign, and to the county auditor to countersign, the same. When signed and countersigned, the county auditor shall charge the county treasurer with the amount of same and deliver the same to the county treasurer, who shall be responsible therefor on his bond.

The county treasurer shall, when so directed by the board, apply any part or all of said bonds in payment of any warrants duly authorized and issued for the particular purpose for which such bonds are issued, provided the same are applied, for at least par of such bonds plus all accrued interest, or the county treasurer shall, when so directed by the board, advertise and sell any part or all of said bonds for the best attainable price, and for not less than par, plus all accrued interest, and apply the proceeds wholly for a like purpose. Said advertisement shall be inserted once a week for at least two weeks in one official county paper in the county, and for a like period in at least one newspaper of general circulation throughout the state, and may include one or more periodicals devoted to the interest of investors.

Bonds of each series shall be retired in the order of the issuance of each series. The county treasurer shall, in disposing of said bonds, keep an accurate record of the name and post-office address of all persons to whom any of said bonds are issued, with a particular designation and description of the bonds delivered to each person. Any subsequent holder of any of such bonds may present the same to the county treasurer and cause his name and post-office address to be entered in lieu of such former holder. Whenever the fund from which such bonds are payable is sufficient to pay the legally retireable series of any issue of bonds, the county treasurer shall, by mail, as shown by his records, promptly notify the record holder thereof of such fact, and from and after the expiration of twenty days from the mailing of such notice, all interest on such bonds shall cease. If bonds are presented and paid prior to the expiration of such time, interest shall be computed only to the time of such presentation and payment.

Bonds, and road certificates (whether issued in anticipation of special assessments or in anticipation of annual allotments of the primary road fund), shall not be taxed. [C24, §4723; C27, 31, 35, §4753-a13.]

Referred to in §4753.14

4753.14 Nature of bonds — refunding. The bonds authorized by section 4753.13 are general obligations of the county.

The board of supervisors may refund at any time at a less rate of interest primary road bonds upon which payment has become optional or unmatured primary road bonds with the consent of the owner. Should the funds on hand not be sufficient to retire said bonds on the date of maturity thereof, the board of supervisors shall refund the same through the issuance of county funding bonds, as provided in sections 5275 to 5277, inclusive, 5287, and 5288.

Any refunding bonds and the interest accruing thereon shall be payable from the same funds from which the original bonds and the interest thereon were payable. [C24, §4724; C27, 31, 35, §4753-a14.]

4753.15 Authorization and issuance of bonds. The county auditor shall certify to the state highway commission a correct copy of each resolution which authorizes the issuance of bonds or road certificates which are anticipatory either of special assessments or annual allotments, and from time to time a like certificate as to the actual issuance of bonds or road certificates, under such resolution, together with
such data relative thereto as the commission may demand. [C24,§4725; C27, 31, 35,§4753-a15.]

4753.16 Retirement of immature bonds. Whenever available funds created under this chapter are not needed for pending or contemplated improvements, the board of supervisors may, with the consent of any holder of immatured bonds, retire the same by purchase at a price not exceeding par and accrued interest. [C24,§4726; C27, 31, 35,§4753-a16.]

4753.17 Limitation on indebtedness. The amount of bonds issued under this chapter by any county to pay for primary road construction, or bonds issued to refund county primary road bonds, shall not, when added to all other indebtedness of the county, exceed in the aggregate four and one-half percent on the actual value of the taxable property within such county to be ascertained by the last state and county tax list previous to the incurring of such indebtedness, any other statute to the contrary notwithstanding.

The amount of bonds issued for secondary road construction when added to all other indebtedness of the county shall not exceed in the aggregate three percent on the actual value of the taxable property within such county to be ascertained as above specified. [C24,§4742; C27, 31, 35,§4753-a17.]

4753.18 Penalty for violations. Any member of the board of supervisors, or other county officer, who authorizes or issues, or permits to be issued, any certificate or bond in violation of the requirements herein specified, or who diverts any authorized certificate or bond, or the proceeds derived therefrom, or any part thereof, to any other purpose than the purpose herein specified, shall be deemed guilty of embezzlement and punished accordingly. [C24,§4740; C27, 31, 35,§4753-a18.]

4755.01 Federal and state cooperation. The state highway commission is empowered on behalf of the state to enter into any arrangement or contract with and required by the duly constituted federal authorities, in order to secure the full cooperation of the government of the United States, and the benefit of all present and future federal allotments in aid of highway construction, reconstruction, improvement or maintenance. The good faith of the state is hereby pledged to cause to be made available each year, sufficient funds to equal the total of any sums now or hereafter appropriated to the state for road purposes by the United States government for such year, and to maintain the roads constructed with said funds. [C24, §4689; C27, 31, 35, §4755-b2.]

4755.02 “Road systems” defined. The highways of the state are, for the purposes of this chapter divided into two systems, to wit: the primary road system and the secondary road system. The primary road system shall embrace those main market roads (not including roads within cities and towns) which connect all county seat towns and cities and main market centers, and which have already been designated as primary roads under chapter 241, code of 1924; provided, that the said designation of roads shall be, with the consent of the federal authorities, subject to revision by the state highway commission. Any portion of said primary system so eliminated by any changes shall revert to and become a part of the system from which originally taken. The state highway commission may, for the purpose of affording access to towns, cities or state parks, or for the purpose of shortening the direct line of travel on important routes or to effect connections with interstate routes, accept the state line or part thereof as a primary road, but no other increase shall be made in the mileage of the primary roads until the present primary road mileage has been completed as this chapter provides. [C24, §4689; C27, 31, 35, §4755-b2.]

4755.03 Primary road fund. There is hereby created a fund which shall be known as the primary road fund, which shall embrace all federal aid road funds, all funds derived from year to year by the state under acts regulatory of motor vehicles (except such portion of such motor vehicle fees as may by law be set aside for the state highway commission support fund, the motor vehicle department support fund, the refund account, and the reimbursement of county treasurers for collecting the motor fees) all gasoline tax funds devoted to the primary road system, and all other funds that may by law be appropriated for the use of the primary road fund. [C24, §4690; C27, 31, 35, §4755-b3.]

4755.04 Disbursement of fund. Said primary road fund is hereby appropriated for and shall be used in the establishment, construction and maintenance of the primary road system, including the drainage, grading, surfacing, construction of bridges and culverts, the elimination or improvement of railroad crossings, the acquiring of additional right-of-way, the payment of interest and redemption of any bonds issued in anticipation of said primary road fund, and all other expense incurred in the construction and maintenance of said primary road system, the costs of issuance and redemption of any bonds issued in anticipation of said primary road fund, the maintenance and housing of the state highway commission, and the refund of special assessments for paving. [C24, §4690; C27, 31, 35, §4755-b4; 48 GA, ch 183, §7.]

Referred to in §4755.05

4755.05 Biennial appropriation — budget. After June 30, 1939, expenditures by the state highway commission under section 4755.04 for the support of the commission and for engineering, inspection and administration of highway work and maintenance of the primary road system shall be only on authorization by the general assembly.

The highway commission shall biennially on or before September 1 of even-numbered years submit to the comptroller for transmission to the general assembly a detailed estimate of the amount required by the highway commission during the succeeding biennium for the support of the commission and for engineering, inspection, and administration of highway work and maintenance of the primary road system. Such estimate shall be in the same general form and detail as may be required by law in estimates submitted by other state departments.

Any unexpended balance at the end of any year in the amount so authorized for said year shall revert to the primary road fund. If the amount authorized by the general assembly for any year shall prove to be not sufficient to meet the commission's needs during said year, the executive council may on proper showing by the commission authorize such additional amount for said year as may appear to the council necessary to meet the commission's needs for the remainder of said year. [48 GA, ch 118, §1.]

See biennial appropriation act

4755.06 Accounts and records required. The state highway commission shall keep accounts in relation to the primary road fund and each primary road bond fund, crediting each fund with all amounts by law creditable thereto and charging each with the amount of all duly and finally approved vouchers for claims properly chargeable thereto. Said highway commission's accounts shall also show the amount of each separate authorization of primary road bonds, and the amount, number, date, maturity, and interest rate of each series of bonds actually issued. [C24, §4692; C27, 31, 35, §4755-b6.]
§4755.07 Monthly certification of funds. The account of the primary road fund kept by the state comptroller and the state treasurer shall show the amount of the primary road fund with all credits thereto and disbursements therefrom. The treasurer of state shall each month certify to the state highway commission the gross amount of motor registration fees collected during the preceding month, the amounts of said registration fees as accredited by law provided to funds other than the primary road fund, and the amount of said registration fees accredited to the primary road fund. Said treasurer shall also each month certify to the said commission as to such amounts as are received (a) from the federal government, (b) from the gasoline tax, or (c) from other sources, and credited to the primary road fund. [C24, §4699; C27, 31, 35, §4755-b7; 47GA, ch 134, §530.]

§4755.08 Improvement of primary system. The state highway commission shall proceed with the improvement of the primary road system as rapidly as the funds become available therefor, until the entire mileage of the primary road system is graded, drained, bridged, and surfaced with gravel, pavement, or other surfacing approved by the commission as adequate for carrying the traffic thereon. It shall incur no indebtedness on account of such work, except as herein specifically provided, but shall let the necessary contracts and supervise the expenditure of funds derived from primary road bonds and other sources. No road shall be surfaced until it has been brought to finished grade and drained. In proceeding with the improvement of primary roads hereunder, the highway commission shall give preference to grading and bridging projects. Such work shall be completed at the earliest practical date, and not more than thirty percent of the primary road fund available for construction work in any year may be expended for paving until the entire mileage of the primary road system has been graded, drained and bridged and that the state highway commission is hereby prohibited from purchasing right-of-way, grading, bridging or surfacing a new system of diagonal highways radiating from any city within this state with a population of over one hundred thousand. Improvement shall be made and carried on in such manner as to equalize the work in all sections of the state, as nearly as possible, giving special attention to bringing the sections of the state, where improvements have been retarded, to an equality and on the same basis with the more advanced sections. [C27, 31, 35, §4755-b8.]

§4755.09 Surveys, plans, and specifications. Before proceeding with the improvement of any primary road, the commission shall cause suitable surveys, plans and specifications for said proposed work to be prepared and filed in its office, and the work shall be done in accordance therewith, except insofar as the same may be modified to meet unforeseen or better understood conditions, and no such modification shall be deemed an invalidating matter. [C24, §4699; C27, 31, 35, §4755-b9.]

§4755.10 Bids — contracts prohibited. As soon as the approved plans and specifications for any primary road construction project are filed with the state highway commission, it shall, if the estimated cost exceeds one thousand dollars, proceed to advertise for bids for the construction of said improvement. No contract shall be let to any state official, elective or appointive, nor to any relative within the third degree, of a member of the state highway commission, nor to any partnership or corporation in which a member of the highway commission is financially interested. The letting of a contract in violation of the foregoing provisions shall invalidate the contract, and such violation in case of such termination, shall be a complete defense to any action to recover any consideration due or earned under the contract at the time of such termination. [C24, §4700; C27, 31, 35, §4755-b10.]

Similar provisions, §§110, 275, 3828.101, 3922, 4685, 4686.14, 5361, 5679, 5828, 6384, 6710, 13324, 13327

§4755.11 Award of contracts—bond. In the award of contracts, due consideration shall be given not only to prices bid but also to the mechanical and other equipment and the financial responsibility of the bidder, and his ability and experience in the performance of like or similar contracts. The commission may reject any or all bids and may re-advertise for bids, or may let by private contract, at a cost not to exceed the lowest bid received, or if the estimated cost of the work proposed does not exceed the sum of five thousand dollars may proceed to the construction of the same by day labor. Consideration shall be given to the maintenance of completed roads, to the end that investment therein shall be protected and preserved. The funds so set aside for maintenance shall be used only for such purpose, and any taxpayer of the county may enforce the provisions of this section by appropriate action at law or in equity in any court of competent jurisdiction. In any county where either under the provisions of chapter 242, code, 1924, or 1927, county road bonds have been authorized by a vote of the people, the board of supervisors is hereby authorized to issue and sell the same to the extent and in the amount authorized but not issued, said bonds to be issued and sold subject to the maximum debt limitation of three percent of the actual value of taxable property within such county when added to all other indebtedness of the county except primary road bond indebtedness, and to the total maximum limitation of indebtedness for both primary and county road bond purposes of four and one-half percent when added to all other indebtedness of the county. [C31, 35, §4773-d1.]

4773.2 Payment authorized. Principal and interest of said bonds may be paid from that part of the secondary road construction fund not pledged to local county roads, and the board of supervisors shall levy and collect from year to year a sufficient amount of taxes which, together with the amount the board has appropriated from the unpledged portion of said construction fund, shall be sufficient to pay said bonds and interest thereon as the same mature. [C31, 35, §4773-d2.]

4773.3 Unissued bonds in certain counties. Any county which, prior to January 1, 1926, and any county which according to the 1930 federal census had a population in excess of forty thousand and which since January 1, 1929, by an election authorized the issuance of primary road bonds for the purpose of improving the primary roads of said county and has an unissued portion of such bonds, is hereby authorized to issue such portion of such bonds, with the consent of the highway commission, for the purpose of improving any road in such county designated as a primary road at the time of such issuance. [48GA, ch 116, §1.]

Referred to in §4773.5

4773.5 Exception as to unissued bonds. Nothing in this section or section 4773.4 shall be so construed as to prevent or affect the issuance and sale of county primary road bonds voted by any county previous to the time when this and section 4773.4 become effective*, nor to protect or affect the voting of an initial county primary road bond issue in any county which has not previously authorized such a bond issue, nor in any way change, alter, limit, or modify any provision of any law of this state relating to the payment of county primary road bonds or the interest on such bonds. [48GA, ch 116, §2.]

3. He shall aid the supervisors in the interpretation of the weed law, and make suggestions to promote extermination of noxious weeds. [S13,§§1565-c,-d,-f; C24, 27, 31, 35,§4817; 47GA, ch 131.]

Each owner and each person in the possession or control of any lands shall cut, burn or otherwise destroy, in whatever manner may be prescribed by the board of supervisors, all noxious weeds thereon as defined in this chapter at such times in each year and in such manner as shall prevent said weeds from blooming or coming to maturity, and shall keep said lands free from
such growth of any other weeds, as shall render the streets or highways adjacent said land unsafe for public travel. [SS15,§§1565-c-d; C24, 27, 31, 35,§§4819; 47GA, ch 131.]

4829.11 Weeds on roads or highways. The board of supervisors shall destroy primary noxious weeds growing in county, trunk, and local county roads, and the highway commission shall destroy primary noxious weeds growing on primary roads. Nothing herein shall prevent the landowner from harvesting, in proper season, the grass grown on the road along his land. [S13,§§1565-c-d; SS15,§1565-a; C24, 27, 31, 35,§§4817, 4819; 47GA, ch 131.]

4829.12 Weeds on railroad or public lands. All noxious weeds on railroad lands, public lands and within incorporated cities and towns shall be treated in such manner, approved by the board of supervisors, as shall prevent seed production and either destroy or prevent the spread of primary noxious weeds to adjoining lands. Gravel pits infested with primary noxious weeds shall not be used as sources of gravel for public highways without previous treatment approved by board of supervisors. [S13,§§1565-c-d-f; SS15,§1565-a; C24, 27, 31, 35,§§4817, 4819; 47GA, ch 131.]

4829.13 Program of control. The board of supervisors of each county shall each year, upon recommendation of the county weed commissioner, or township commissioners, by resolution prescribe* and order a program of weed destruction to be followed by landowners or tenants or both, which in five years may be expected to destroy and immediately keep under control any areas infested with any primary noxious weeds on farm land, and shall designate the cutting dates to prevent seed production of all other varieties of noxious weeds. Quack grass in pasture land, rough timbered land or on the highways, railway rights-of-way and public lands, when acting as soil binder, may be exempt from such order if approved by the supervisors. [S13,§§1565-c-d-f; SS15,§1565-a; C24, 27, 31, 35,§§4817, 4819; 47GA, ch 131.]

4829.14 Notice of program. Notice of any order made pursuant to section 4829.13 shall be given by one publication in the official newspapers of the county and shall be directed to all property owners. In cases where the cost appears likely to exceed twenty-five dollars, notice to property owners shall be by registered letters. Provided, however, that where any railroad company has filed a written instrument in the county auditor's office, designating the name and address of its agent, the county auditor shall send, by registered mail, a copy of said notice to such agent.

Said notice shall state:
1. The time for destruction.
2. The manner of destruction, if other than cutting above the surface of the ground.
3. That unless said order is complied with the weed commissioner shall cause said weeds to be destroyed and the cost thereof to be taxed to the owner of the property. [S13,§§1565-c-d; C24, 27, 31, 35,§4822; 47GA, ch 131.]

4829.15 Loss or damage to crops. The loss or damage to crops or property incurred by reason of such destruction shall be borne by the titleholder of said real estate, unless said real estate shall be sold under contract whereby possession has been delivered to the purchaser, in which event such purchaser shall bear such loss or damage, excepting where a contract has been entered into providing a different adjustment for such loss or damage. [S13,§§1565-c-d; C24, 27, 31, 35,§4822; 47GA, ch 131.]

4829.16 Failure to comply. In case of a substantial failure to comply with such order, the weed commissioner, or commissioners, shall forthwith cause such weeds to be destroyed, and the expense of such destruction and the costs of any special meetings, if any, shall be paid from the county general fund, and recovered later by an assessment against the property owner, as provided in section 4829.19. [S13,§§1565-c-d; C24, 27, 31, 35,§4823; 47GA, ch 131.]

4829.17 Additional noxious weeds. The board of supervisors shall order the weed commissioner, or commissioners, to destroy or cause to be destroyed any new weeds declared to be noxious by the secretary of agriculture, the cost of which shall be borne by the county. [47GA, ch 131.]

4829.18 Order for destruction on roads. The board of supervisors shall order all weeds other than primary noxious weeds, on all county trunk and local county roads and between the fence lines thereof to be mowed to prevent seed production thereof, either upon its own motion or upon receipt of written notice requesting such action from any resident of the township in which such roads are located, or any person regularly using said roads. Said order shall define the roads along which said weeds are required to be cut and shall require said weeds to be cut within thirty days after the publication of said order in the official newspapers of said county. If the adjoining owner fails to cut said weeds as required in said order the county or township commissioner shall have same cut and the cost thereof shall be paid from the general county fund, and recovered later by an assessment against the adjoining property owners as provided in section 4829.19. [47GA, ch 131.]

4829.19 Cost of such destruction. When the commissioner, or commissioners, destroy any weeds under the authority of sections 4829.16 or 4829.17, after failure of the landowner responsible therefor to destroy such weeds pursuant to the order of the board of supervisors, the cost of such destruction shall be assessed against and collected from the landowner responsible in the following manner:
1. On or before December 31 of the year, the board of supervisors shall assess all of said

costs for the calendar year, including a reasonable part of the compensation of the commissioner in charge, against the said land and the owner thereof by a special tax, which shall be certified to the county auditor and county treasurer by the clerk of the board of supervisors, and shall be placed upon the tax books, and collected, together with interest and penalty after due, in the same manner as other unpaid taxes. Such tax shall be due on March 1 after such assessment, and shall be delinquent after March 31. When collected, said funds shall be paid into the fund from which said costs were originally paid.

2. Before making any such assessment, the board of supervisors shall prepare a plat or schedule showing the several lots, tracts of land or parcels of ground to be assessed and the amount proposed to be assessed against each of the same for destroying or controlling weeds during the calendar year.

3. Such board shall thereupon fix a time for the hearing on such proposed assessments, and at least twenty days prior to the time thus fixed for such hearing shall give notice thereof to all concerned that such plat or schedule is on file, and that the amounts as shown therein will be assessed against the several lots, tracts of land or parcels of ground described in said plat or schedule at the time fixed for such hearing, unless objection is made thereto. Notice of such hearing shall be given by one publication in official county newspapers in the county in which the property to be assessed is situated; or by posting a copy of such notice on the premises affected and by mailing a copy by registered mail to the last known address of the person owning or controlling said premises. At such time and place the owner of said premises or anyone liable to pay such assessment, may appear with the same rights given by law before boards of review, in reference to assessments for general taxation. 4829.20 Duty of highway maintenance men. It shall be the duty of all officers directly responsible for the care of public highways to make complaint to the weed commissioners or board of supervisors, whenever it shall appear that the provisions of this chapter may not be complied with in time to prevent the blooming and maturity of noxious weeds or the unlawful growth of weeds, whether in the streets or highways for which they are responsible or upon lands adjacent to the same. [S13, §§1565-c-e; C24, 27, 31, 35, §§4826; 47GA, ch 131.]

4829.21 Duty of county attorney. It shall be the duty of the county attorney upon complaint of any citizen that any officer charged with the enforcement of the provisions of this chapter has neglected or failed to perform his duty, to enforce the performance of such duty. [C24, 27, 31, 35, §§4828; 47GA, ch 131.]

4830 Hedges and windbreaks—trimming. The owners of osage orange and hedges of shrubbery other than trees along the public highway shall keep the same trimmed by cutting back within five feet of the ground at least once in every two years, and burn or remove the trimmings from off the road. With the exception of osage orange hedge fences, no trees or shrubbery, except as hereinafter provided, shall be permitted on the line or within the limits of the highway, unless the same shall be used as a windbreak for residences, orchards or feed lot, and no windbreak shall exceed forty rods in length, such forty rods to be determined by the owner within one day when requested by the board of supervisors; and in case he neglect or refuse to designate the forty rods of windbreak he desires, the board of supervisors shall select such forty rods of hedge. The board of supervisors shall cause notice in writing to be served upon any owner of any hedge or trees described above, to destroy or trim the same, and upon complaint of any resident of the county the board of supervisors must serve such notice and destroy said trees or trim said hedge; and if the owner of the hedge or trees shall fail to destroy or cut back and trim them as herein required, within sixty days after receiving notice so to do, the board of supervisors shall cause the destruction or trimming of such hedge or trees to be done, as herein provided, and the cost thereof shall be certified by the said board to the county auditor and the same shall be assessed as taxes
against the land upon which the said hedge or trees were destroyed or trimmed, which tax shall be collected by the county treasurer in the manner other taxes are collected. [C73, §999; C97, §1570; S13, §1570; C24, 27, 31, 35, §4831.]

[C24, 27, 31, 35, §4832.]

### Exceptions

This chapter shall not apply to evergreen trees, walnut trees, oak or maple trees, or other hardwood trees which in the judgment of the board of supervisors should be let stand, nor shall it apply to trees along the highway which are a part of a grove or forest that extends more than five rods from the road line; nor to any single tree or group of trees (not exceeding ten in number) which by reason of their age or beauty the board of supervisors in its judgment believes should not be cut down.
