282.20 Tuition fees—payment. The school corporation in which such student resides shall pay from the general fund to the secretary of the corporation in which he shall be permitted to enter a tuition fee sufficient to cover the average cost per high school child (including both resident and tuition students) in average daily attendance in the tuition-receiving district in the preceding year. Such tuition rate shall include a pro rata charge for capital as well as for operating costs, as defined above, but shall not exceed the maximum tuition rate as determined by the superintendent of public instruction as provided in section 282.24.

It shall be unlawful for any school district maintaining a high school course of instruction to rebate to any pupils or their parents, directly or indirectly, any portion of the high school tuition collected or to be collected from the home district of such pupils, or to authorize or permit such pupils to receive at the expense of
the district, directly or indirectly, any special compensation, benefit, privilege, or other thing of value that is not and cannot legally be made available to all other pupils enrolled in such high school. Any superintendent or board members responsible for such unlawful act shall each be personally liable to a fine of not to exceed one hundred dollars. Action to recover such penalty or action to enjoin such unlawful act may be instituted by the board of any school district or by a taxpayer in any school district.

On or before February 15 and June 15 of each year the secretary of the creditor district shall deliver to the secretary of the debtor district an itemized statement of such tuition fees. [SS15,§2733-1a; C24, 27, 31, 35, 39,§4277; C46, §282.20; 53GA, ch 114,§31

282.21 Collection of tuition fees. If payment is not made, the board of the creditor corporation shall file with the auditor of the county of the pupil's residence a statement certified by its president specifying the amount due for tuition, and the time for which the same is claimed. The auditor shall transmit to the county treasurer an order directing him to transfer the amount of such account from the funds of the debtor corporation to the creditor corporation, and he shall pay the same accordingly. [SS15,§2733-1a; C24, 27, 31, 35, 39,§4278; C46,§282.21]

282.22 Tuition in charitable institutions. When any child is cared for in any charitable institution in this state which does not maintain a school providing secular instruction, and which institution is organized and operating under the laws of Iowa, and the domicile of the child is in another school district than that wherein the institution is situated, then such child shall be entitled to attend school in the district where such institution is located. In such case the cost of the tuition and transportation, when required by law, shall be paid by the treasurer of the state as provided in section 282.23. *282.23 in enrolled Act

282.23 Tuition when in boarding home. When any child of school age has become a public charge and is being cared for in a children's boarding home licensed by the state, and the domicile of such child at the time it became a public charge was in another school district than the one wherein such boarding home is located, then, such child shall be entitled to attend public school in the school district in which such boarding home is located, or if such district does not maintain a school offering instruction in the grade in which such child is properly classified, then such child may attend upon such instruction in any approved public school in the state that will receive it. The tuition and transportation when required of such a child, at the rates established by law, shall be paid by the treasurer of state from any funds in the state treasury not otherwise appropriated, and upon warrants drawn by the state comptroller upon the requisition of the superintendent of public instruction. If such child was in the district at the time the regular biennial school census was taken, the semiannual apportionments shall be deducted from the tuition due the district under the provisions of this section. The superintendent of public instruction is hereby empowered to require such reports as are necessary properly to carry out the provisions of this section. [C39, §4283.01; C46,§282.23; 53GA, ch 116,§17]

Referred to in §282.22

282.24 Tuition rates determined by superintendent. The superintendent of public instruction shall determine a maximum tuition rate to be charged for students, elementary or high school, residing within another school district or corporation. This maximum tuition rate shall be determined in the following manner: Classify all schools, elementary and secondary, located in school districts or corporations with populations of one thousand to fourteen thousand nine hundred ninety-nine, inclusive, according to monthly per pupil costs. In such classification the school that falls within the seventy-fifth percentile of the monthly per pupil cost shall form the basis. Using this figure the elementary and high school tuition rates for the succeeding year shall be determined so that the rate for the high school student is one and seventy-five hundredths times the rate for the elementary student.

The superintendent of public instruction shall, after July 1 but before September 1 of each year, notify every school in the state, affected by this section, what the computed maximum tuition rate shall be for the ensuing year.

Nothing in this section shall prevent the corporation or district in which the student resides from paying a tuition in excess of the maximum computed tuition rates, if the actual per pupil cost so warrants, but in no case may the receiving district or corporation demand more than the maximum rate. CHAPTER 283
DISTRIBUTION OF FEDERAL FUNDS

283.1 Definitions. The following terms shall, for the purpose of this chapter, have the following meanings:

1. “Aggregate attendance” means the sum determined by adding together the total number of school days during which each pupil in the grades in question attended a regular day school conducted by the particular public school corporation during the regular school year, excluding summer school.

2. “Average daily attendance” means the quotient arising from dividing aggregate attendance by the total number of days school was in session during the regular school year, excluding summer school. Said quotient shall be carried to such number of decimal places, fixed by the superintendent, as is reasonably necessary to secure equitable distribution.

3. “Superintendent” means the superintendent of public instruction of the state of Iowa. [C39,§4283.05; C46,§283.1]

283.2 Duty of superintendent. It shall be the duty of the superintendent to keep such records and accounts, to cause such audits to be made, and to make such applications and reports to the United States commissioner of education, or other authorized federal officer, as shall be necessary to qualify this state to receive, and to continue to receive, such federal funds as may be allotted to this state for the purpose of providing more effective programs of public education, and such other acts of congress, now or hereafter enacted, as may make federal funds available to this state for the purpose of providing more effective programs of general public education. For such purposes, the superintendent is hereby designated as the “chief educational authority” to represent this state. [C39,§4283.03; C46,§283.2]

283.3 Fund created. There is hereby created in the treasury of the state of Iowa a special fund, to which shall be credited such federal funds as are received pursuant to the acts of congress designated in section 283.2. The treasurer of state shall keep such accounts and records of the expenditure of such funds as may be prescribed by the United States commissioner of education, or other federal officer, pursuant to the law authorizing such distribution of federal funds. [C39,§4283.04; C46,§283.3]

283.4 Apportionment. The funds credited to such special fund shall be distributed each school year, in October and April, to the several public school corporations of the state in the proportion which the total number of teacher units for each such school corporation for the preceding school year bears to the total number of teacher units for the state for such school year. Such teacher units shall be determined for each public school corporation in the following manner:

1. Teacher units in grades one to eight inclusive, and kindergarten, shall be fixed as follows: (a) For each school in which only one teacher is employed, one teacher unit; and (b) if the total average daily attendance does not exceed forty in all schools in which more than one teacher is employed, two additional teacher units; or (c) if the total average daily attendance exceeds forty in all such schools, one additional teacher unit for the first fifteen and one additional teacher unit for each additional twenty-seven, or a major fraction thereof, in average daily attendance; provided that the teacher units so determined for each school corporation shall not exceed the total number of teachers employed in grades one to eight inclusive, and kindergarten.

2. Teacher units in grades nine to twelve inclusive shall be determined by allowing one and one-half teacher units for each high school unit, determined as follows: (a) If the total average daily attendance in grades nine to twelve in all schools is less than sixteen, one high school unit; or (b) if such total average daily attendance is more than fifteen and less than twenty-six, two high school units; or (c) if such total average daily attendance is more than twenty-five and less than forty-one, three high school units; or (d) if such total average daily attendance is more than forty, three high school units for the first forty and one additional high school unit for each additional twenty-two, or a major fraction thereof, in average daily attendance; provided that the high school units so determined for each school corporation shall not exceed the actual number of teachers employed in teaching grades nine to twelve inclusive.

3. Both resident and nonresident pupils shall be included in determining the number of teacher units allowed to each school corporation. [C39,§4283.03; C46,§283.4]

283.5 Requisition on fund. The treasurer shall, upon request, certify to the superintendent at any time the amount in the special fund created in section 283.3. On the first day of

283.6 Warrants drawn.
283.7 Deposit of funds.
283.8 Refund on nonresident tuition.
283.9 Rules and regulations.
283.6 Warrants drawn. The state comptroller, upon receipt of such requisition from the superintendent of public instruction, shall draw a warrant or warrants on the treasurer of state, payable to the school corporation, entitled thereto in accordance with said requisition, and shall deliver said warrant or warrants to the superintendent of public instruction, who shall make a record thereof and transmit the same to the secretary of each of said school corporations. [C39, §4283.06; C46, §283.5]

283.7 Deposit of funds. Upon receipt of any such warrant, the secretary of the school corporation shall cause it to be deposited to the credit of the general fund of the said school corporation. [C39, §4283.07; C46, §283.6]

283.8 Refund on nonresident tuition. Each public school corporation in the state which, pursuant to statutory requirements, receives tuition from another public school corporation for nonresident pupils shall, within thirty days after receiving such warrant on the treasurer of state, refund to the public school corporation paying such tuition an amount for each such nonresident pupil determined as follows:

1. The amount so received from the treasurer of state for teacher units in grades one to eight inclusive, and kindergarten, shall be divided by the total average daily attendance in such grades for the school year for which such teacher units were fixed. The result so obtained shall constitute the amount of refund for each pupil in such grades for whom tuition was received for such school year.

2. The amount so received from the treasurer of state for teacher units in grades nine to twelve inclusive shall be divided by the total average daily attendance in such grades for the school year for which such teacher units were fixed. The result so obtained shall constitute the amount of refund for each pupil in such grades for whom tuition was received for such school year.

3. Provided that if tuition was paid for any such pupil for less than the full school year the amount of refund shall bear the same proportion to the amount so determined as the period for which tuition was paid bears to the full school year. [C39, §4283.09; C46, §283.8]

283.9 Rules and regulations. The superintendent of public instruction is hereby authorized to adopt such rules and regulations, consistent with the provisions of this chapter, as are necessary and proper for the administration thereof. [C39, §4283.10; C46, §283.9]

CHAPTER 284

REIMBURSEMENT OF SCHOOL DISTRICTS FOR LOSS OF TAXES

Referred to in §274.46

284.1 Reimbursement—by whom computed. When unplatted lands within the boundaries of a school district are owned by the government of the United States, by the state, by a county, or by a municipal corporation located wholly outside said school district, and such lands have been removed from taxation for school purposes, said school district shall be reimbursed, as hereinafter provided, in an amount which shall be computed by the county board of supervisors in the county in which such lands are located, which computation shall be made on or before the first day of September in the year in which said deductions are to be made. [C31, §4283-c9; C35, §4283-c1; C39, §4283.11; C46, §284.1]

Referred to in §§284.2, 284.3

284.2 Basis of computation—limitation. The computation provided for in section 284.1 shall be made: (1) On the basis of the proportion that the assessable value of the total number of acres owned by the government of the United States, by the state, by the county, or by the municipal corporation, as the case may be, in such school district bears to the assessable value of the total number of acres in said school district. The average assessable value per acre of the lands so owned within the school district shall, for the purposes of the computation provided for in this chapter, not exceed the average assessable value per acre of the taxable lands in said district, or (2), if said land or any part thereof is being operated by a municipal corporation for veterans or public housing purposes, and said municipal corporation does not furnish school facilities for tenants' children of school age, then the municipal corporation shall be obligated to provide its proportionate share of the education and building costs of the school district in which said project is located and the compu-
ation provided for in section 284.1 shall be made on the basis of the proportion the number of pupils attending said school district from said land bears to the total number of pupils attending said school district. The use of either computation provided for in this section shall be determined on the basis of whichever is the greater. [C31, §4283-c10; C35, §4283-e2; C39, §4283.12; C46, §284.2; 53GA, ch 115, §1]

Referred to in §284.3

284.3 Certification of amount. When the county board of supervisors shall have computed the amount due a school district, as provided in sections 284.1 and 284.2, it shall forthwith certify the same to the county auditor of the proper county or to the secretary of the executive council, if the lands upon which computed belong to the government of the United States or to the state, or to the council of the proper municipal corporation, if they belong to a municipal corporation, except, that where the lands belong to a municipal corporation and the computation provided for in section 284.2, subsection 2 applies, it shall be the duty of the county board of supervisors to compute the amount due a school district, as provided in said section 284.2, subsections 1 and 2, and forthwith certify the computed amount to the council of the proper municipal corporation, and the amounts due shall be payable as follows, to wit: The municipal corporation shall pay the amount shown by the computation provided under section 284.2, subsection 1, and shall in addition pay the amount in excess thereof as computed under section 284.2, subsection 2, which certificate shall be filed with the secretary of the executive council not later than April 1 of each succeeding year. [C35, §4283-e3; C39, §4283.13; C46, §284.3; 53GA, ch 115, §2]

Referred to in §284.4

284.4 Payment to district. Upon receipt of the certificate provided for in section 284.3, it shall become the duty of the council of such municipal corporation or the county auditor of such county, as the case may be, to cause a warrant in said amount to be drawn on the general fund of such county or such municipal corporation and delivered to the secretary of said school district.

When the computed amount is based upon lands belonging to the state or to the government of the United States, as provided herein, it shall then become the duty of the secretary of the executive council of the state to certify the amount to the state comptroller, who shall draw his warrant to the secretary of said school district and the treasurer of state shall pay the same from any funds of the state not otherwise appropriated.

If the computed reimbursement to a school district on state or government owned land within the district is not sufficient to cover the tuition such district is required to pay because of children of employees of the state or federal government who reside on such land and attend a public school outside the district in which such land is located, then the county board of supervisors shall add to the computed reimbursement to such district the difference between the computed reimbursement and the tuition such district is required by law to pay because of the children of such employees, and certify the total to the secretary of the executive council for payment by the state as provided by law. [C31, §§4283-c3, c12; C35, §4283-e4; C39, §4283.14; C46, §284.4]

284.5 Secretary to file statement. It shall be the duty of the secretary of said school district when certifying the taxes to file a certified statement with the county auditor of the proper county showing the amount of such tax-free land, its description, and the branch of government by which owned.

It shall also be the duty of the secretary of such school district at the time of certifying the taxes to file with the county auditor a certified statement showing the names of employees of the state or federal government who live on state or government owned land within the district whose children attend a public school outside the home district as provided by law, by whom employed, the capacity of their employment, the names of their children for whom tuition is to be paid, the name of the outside school district in which their children attend, the total period of attendance, and the amount of tuition the district is required to pay for each of such children. [C31, §§4283-c3; C35, §4283-e5; C39, §4283.15; C46, §284.5]

284.6 Auditor to deduct reimbursement. When levying the school tax certified by the secretary of the school board against the taxable property of such school district, the county auditor shall deduct therefrom the amount computed by the county board of supervisors and levy the remainder against the taxable property of said district. [C31, §4283-c11; C35, §4283-e6; C39, §4283.16; C46, §284.6]

284.7 Commission to prepare forms. The forms necessary for carrying out the purposes of this chapter shall be prepared by the state tax commission. [C35, §4283-c7; C39, §4283.17; C46, §284.7]
285.1 When entitled to state aid. 1. The board of directors in every school district shall provide transportation or the costs thereof for all resident pupils attending public school, kindergarten through twelfth grade, who reside more than one mile from the school designated by the board for attendance, except as hereinafter provided:

a. Elementary pupils residing inside the limits of a village, town, or city under twenty thousand population wherein the designated school is located must live more than two miles from the school designated for attendance to be entitled to transportation.

b. Elementary pupils residing in a district wherein is located a city of twenty thousand or more in population must live more than two miles from the public school designated for attendance to be entitled to transportation.

c. Elementary pupils residing in a rural independent district, a rural township district, or a consolidated district not operating a central school, when the school in the district or subdistrict is in operation, must live more than two miles from the school in their own district or subdistrict to be entitled to transportation.

Boards at their discretion may provide transportation for resident elementary children attending public school who live less than the distance at which transportation is required.

d. High school pupils residing in a district containing a village, town, or city under twenty thousand population wherein a high school is located and outside the limits of the village, town, or city shall be entitled to transportation as provided in this section.

e. High school pupils residing in a district containing a city of twenty thousand population or over must live more than three miles from high school designated for attendance to be entitled to transportation thereto.

Boards at their discretion may provide transportation for all high school pupils residing inside the corporate limits of any town, village, or city, and more than two miles from designated high school.

2. Any pupil may be required to meet a school bus on the approved route a distance of not to exceed three-fourths of a mile without reimbursement.

3. In any district where transportation by school bus is impracticable or where school bus service is not available, the board may require the parents or guardian to transport their children to the school designated for attendance. The parent or guardian shall be reimbursed for such transportation service for elementary pupils by the board of resident district for the distance one way from the pupil's residence to the school designated for attendance at the rate of twenty-eight cents per mile per day irrespective of number of children transported. For high school pupils, the parent or guardian shall be reimbursed forty dollars per pupil per year. For such service, provided however no family shall receive more than eighty dollars per year for transporting the members of the family who attend high school.

4. In all districts where unsatisfactory roads or other conditions make it advisable, the board at its discretion may require the parent or guardian to transport their children up to two miles to connect with a vehicle of transportation. The parent or guardian shall be reimbursed for such transportation by the board of resident district at the rate of twenty-eight cents per mile per day, one way, per family for the distance from pupil's residence to the bus route.

5. Where transportation by school bus is impracticable or not available or other existing conditions warrant it, arrangements may be made for use of common carriers according to uniform standards established by the state superintendent of public instruction. The cost shall be the actual cost of service not to exceed forty dollars per pupil per year.

6. When the school designated for attendance of pupils is engaged in the transportation of pupils, the sending or designating school shall use these facilities and pay the pro rata cost of transportation except that a district sending pupils to another school may make other arrangements when it can be shown that such arrangements will be more efficient and economical than to use facilities of the receiving school, providing such arrangements are approved by the county board of education.

7. If a board closes either elementary or high school facilities and is approved by the county board of education to operate its own
transportation equipment, the full cost of transportation shall be paid by the board for all pupils living beyond the statutory walking distance from the school designated for attendance.

8. Transportation service may be suspended upon any day or days, due to inclemency of the weather, conditions of roads, or the existence of other conditions, by the board of the school district operating the busses, when in their judgment it is deemed advisable.

9. Distance to school or to a bus route shall in all cases be measured on the public highway only and over the most passable and safest route as determined by the county board of education, starting in the roadway opposite the private entrance to the residence of the pupil and ending in the roadway opposite the entrance to the school grounds or designated point on bus route.

10. The board in any district providing transportation for nonresident pupils shall collect the pro rata cost of transportation from the district of pupil’s residence for all properly designated pupils so transported.

11. Boards in districts operating busses may transport nonresident pupils who attend public school, kindergarten through junior college, who are not entitled to free transportation provided they collect the pro rata cost of transportation from the parents.

12. The pro rata cost of transportation shall be based upon the actual cost for all the children transported in all school busses. It shall include one-seventh of the original net cost of the bus and such other items as shall be determined and approved by the superintendent of public instruction but no part of the capital outlay cost for school busses and transportation equipment for which the school district is reimbursed from state funds or that portion of the cost of the operation of any school bus used in transporting pupils to and from extra curricular activities shall be included in determining said pro rata cost. In any district where because of unusual conditions, the cost of transportation is in excess of the actual operating cost of the bus route used to furnish transportation to nonresident pupils, the board of the local district may charge a cost equal to the cost of other schools supplying such service to that area, upon receiving approval of the state director of school transportation. Capital outlay for school busses and transportation equipment shall be excluded from the capital outlay in determining tuition costs as provided in section 279.18, and section 282.20.

13. When a local board fails to pay transportation costs due to another school for transportation service rendered, the board of the creditor corporation shall file a sworn statement with the county board of education specifying the amount due. The county board of education shall check such claim and if the claim is valid shall certify to the county auditor. The auditor shall transmit to the county treasurer an order directing him to transfer the amount of such claim from the funds of the debtor corporation to the creditor corporation and the treasurer shall pay the same accordingly.

14. The state superintendent of public instruction may review all transportation arrangements to see that they meet all legal and established uniform standard requirements.

15. Every school district required by law to provide transportation shall be reimbursed by the state for transportation costs incurred in amount and manner as provided in this chapter. However, no state reimbursement shall be made to school districts to cover costs incurred in transporting pupils from home to a bus route, or any others not entitled to free transportation, but who are transported at the expense of the home district or the parents. (S13, §§2794-b, c, d-e; SS15, §§2794-a, g; C24, 27, 31, §§4179-4181, 4184, 4186, 4233-65; C39, §§4179-4181, 4184, 4186, 4233-5; C46, §§276.26, 276.28, 276.29, 276.32, 276.34, 279.20, 285.1, 285.5; 52GA, ch 152, §8; 53GA, ch 116, §81, 4, 18.)

### 285.2 Basis of reimbursement

Reimbursement shall be for the school year preceding that in which it is made on the basis of thirty dollars per pupil per annum in a district (1) transporting an average of one hundred twenty-five pupils per day, (2) its vehicles traveling one hundred sixty miles per pupil per year, and (3) having a road condition index of 1.40. To determine the amount of reimbursement to which any district shall be entitled and shall receive, adjustments from the foregoing standard shall be made and the amount determined in the following manner, to wit:

1. Adjustments for number of pupils transported:

   a. An increase of two cents for each reduction of one in the average number of pupils transported below one hundred twenty-five, until thirty dollars and fifty cents is reached for each of one hundred pupils.

   b. An increase of four cents for each reduction of one pupil in the average number of pupils transported below one hundred, until thirty dollars and fifty cents has increased to thirty-one dollars and fifty cents for each of one hundred pupils.

   c. An increase of six cents for each reduction of one in the average number of pupils transported below seventy-five, until thirty dollars and fifty cents has increased to thirty-one dollars and fifty cents for each seventy-five pupils.

   d. An increase of six cents for each reduction of one in the average number of pupils transported below seventy-five, until thirty dollars and fifty cents has increased to thirty-three dollars for each fifty pupils, or less.

   e. A decrease of two cents for each addition of one in the average number of pupils transported above one hundred twenty-five, until thirty dollars is reached for each of one hundred seventy-five pupils.

   f. A decrease of one cent for each addition of one in the average number of pupils transported above one hundred seventy-five, until twenty-nine dollars and fifty cents is reached.
for each of two hundred twenty-five or more pupils.

2. Adjustments for mileage:
   a. An increase of the base of eighteen dollars by three cents per year for each mile of vehicular travel in excess of one hundred sixty miles per pupil per year.
   b. A decrease of the base of thirty dollars by three cents per year for each mile of vehicular travel less than one hundred sixty miles per pupil per year.

3. Adjustment for road conditions:
   An increase or decrease, as the case may be, of the base rate of thirty dollars by the percentage by which the road condition index is greater or less than 1.40.

   The road condition index for any district shall be obtained by (a) multiplying the miles of hard surfaced (including black top), gravel, and unsurfaced roads over which the school busses travel by 1.00, 1.39, and 1.55 respectively; (b) adding the amounts thus obtained, and (c) dividing by the total bus mileage.

   The three computations provided for in subsections 1, 2 and 3, immediately preceding, shall be added together and divided by three and the amount so obtained shall be the amount to be paid to the district per pupil transported, by way of reimbursement. In school districts where transportation by school bus is not practicable or available, and approved special transportation arrangements are made, the distribution formula shall be waived and the reimbursement from the state for such costs shall be twenty-three dollars per pupil per school year, except that in no event shall any district be reimbursed in any amount in excess of the actual cost per pupil per year.

   Reimbursement from the state for transportation costs incurred shall be paid to:
   a. Districts for transportation provided to its own school for all pupils entitled to free transportation.
   b. Districts for transportation provided to another school for all pupils entitled to free transportation.

The receiving district in billing the sending district shall bill only for the difference between the state reimbursement and the actual approved cost of transportation.

   The appropriation for transportation shall be used to reimburse school districts for cost incurred in the amount and manner as are provided in this chapter. In the event the balance is insufficient to reimburse the district in full for the approved claims, the amount available shall be prorated to the several districts in ratio to amount earned.    When a board closes its elementary school facilities for lack of pupils or by action of the board, it shall, if there is a school bus service available in the area, designate for attendance the school operating the busses, provided the board of such school is willing to receive them and the facilities and curricular offerings are adequate. The board of the district where the pupils reside may with the approval of the county board of education, subject to legal limitations and established uniform standards, designate another rural school and provide their own transportation if the transportation costs will be less than to use the established bus service.

2. The funds which shall be considered available to any district to meet the educational cost described in subsection 1 of this section, shall include: (a) The estimated proceeds of a standard local tax rate (exclusive of the rate for the schoolhouse fund) of seventeen mills for independent districts with high schools, ten mills for consolidated and other districts with high schools, and seven mills forelementary districts; (b) proceeds of the semiannual apportionment; (c) estimated proceeds of the moneys and credits tax; and (d) receipts in the general fund called "other revenue" and "other nonrevenue", (excluding transfers from the schoolhouse fund). 4. From this sum, subtract the receipts in the general fund, which are described in subsection 2 of section 286.4.

1. Five percent of the net proceeds of the public lands of the state, which shall be paid to the state treasurer and be apportioned by the state comptroller among the several coun-
ties, taking into consideration the amount of the permanent school fund already in possession of and constantly loaned in said county.

2. The proceeds of the sale of the five hundred thousand acres of land granted the state, under the eighth section of an act of congress passed September 4, 1841, entitled: "An act to appropriate the proceeds of all sales of public lands, and to grant pre-emption rights".

3. The proceeds of all intestate estates escheated to the state.

302.3 Temporary fund. The temporary school fund, which shall be received and appropriated annually in the same manner as the interest of the permanent fund, shall consist of:

1. All forfeitures which are authorized to be made for the benefit of the school fund.
2. The proceeds of all fines collected for violation of the penal laws, and for the nonperformance of military duty.

[R60, §§1963, 1966; C73, §§1838, 1841; C97, §2839; C24, 27, 31, 35, 39, §4471; C46, §302.3]

302.4 Division and appraisement. The board of supervisors may, at such time as it may fix, and as preliminary to a sale, authorize the trustees of any township, where the sixteenth section or land selected in lieu thereof has not been sold, to lay out the same into such tracts as in their judgment will be for the best interests of the school fund, conforming, as far as the interests of said fund will permit, to the legal subdivisions of the United States surveys, and appraise each tract at what they believe to be its true value, and certify to said board the divisions and appraisements made by them. Said division and appraisement shall be approved or disapproved by said board at its first meeting after such report, and in case it disapproves the same it may at once order another division and appraisement. If the board of supervisors approves, the county auditor shall make and keep a record of such division, appraisement, and approval; but no school lands of any kind shall be sold for less than the appraised value per acre, except as hereinafter provided; nor shall any member of the board of supervisors, county auditor, township trustee, or any person who was engaged in the division and appraisement of said land, be directly or indirectly interested in the purchase thereof; and any sale made, where such parties or any of them are so interested, shall be void. [R60, §§1970, 1971; C73, §§1845-1847; C97, §2840; C24, 27, 31, 35, 39, §4472; C46, §302.4]

When the board of supervisors shall offer for sale the sixteenth section or lands selected in lieu thereof, or any portion of the same, or any part of the five hundred-thousand-acre grant, the county auditor shall give at least forty days notice, by written or printed notices posted in five public places in the county, two of which shall be in the township in which the land to be sold is situated, and also publish a notice of said sale once each week for two weeks preceding the same in a newspaper published in the county, describing the land to be sold and the time and place of such sale. At such time and place, or at such other time and place as the sale may be adjourned to, he shall offer to the highest bidder, subject to the provisions of this chapter, and sell, either for cash or one-third cash and the balance on a credit not exceeding ten years, with interest on the same at the rate of not less than three and one-half percent per annum, to be paid at the office of the county treasurer of said county on the first day of January in each year, delinquent interest to bear the same rate as the principal. 302.6 Sale without appraisement. When the board of supervisors of any county has once offered for sale any school lands in compliance with the requirements of this chapter, and they remain unsold, and it is unable to obtain therefor the appraised value thereof, and in the opinion of said board it is for the best interests of the school fund that the same be sold for a less price, it may instruct the auditor to transmit to the secretary of state a certified copy of its proceedings in relation to the order of sale thereof and subsequent proceedings in relation thereto, including the action of the township trustees, and the price per acre at which the land had been appraised, which transcript the secretary of state shall submit to the executive council; and if it approves of a sale at a less sum it shall certify such approval to the auditor of the county from which said transcript came, which certificate shall be transcribed in the minute book of the board of supervisors, and thereupon said land may again be offered and sold to the highest bidder, after notice given as in case of sales in the first instance, without being again appraised. [C73, §1849; C97, §2842; C24, 27, 31, 35, 39, §4474; C46, §302.6]

302.7 Sale on credit — taxation — waste. When lands are sold upon a partial credit, the contract therefor shall be at once reduced to writing, signed by the proper parties, recorded
in the county where the land is situated, and immediately thereafter filed in the office of the county auditor. Any purchaser or his assigns may at any time pay the full amount for lands with accrued interest, and receive from the county auditor a certificate of purchase, which shall be at once transmitted to the secretary of state and will entitle the holder to a patent for the lands, to be issued by the secretary of state and the governor. All school lands sold in pursuance of law shall be subject to taxation from and after the execution and delivery of a contract of purchase. All sales made, where the full price is not paid, shall be subject to the law relative to the prevention or punishment of waste, and in all such cases the township trustees in each township are charged with the duty of preventing the commission of waste upon any school lands lying in their township, and, if attempted, they shall apply by petition for an injunction to stay the same, and if granted the writ shall issue without bond, and the court issuing it may make such order in the premises as shall be equitable and best calculated to prevent threatened injury, and may adjudge damages for any injury done, the costs to abide the event of the action, and the damages adjudged shall be paid to the county treasurer and become a part of the permanent school fund. 302.8 Sale of lands bid in. When lands have been sold and bid in by the state in behalf of the school fund upon a judgment in favor of such fund, the land may be sold in like manner as other school lands, and when lands have been conveyed to the counties in which they are situated for the use of the school fund, instead of to the state, such conveyance shall be valid and binding, and upon proper certificates of sales patents shall issue in like manner as in cases where the conveyances were properly made to the state. [C73,§1850; C97, §2844; C24, 27, 31, 35, 39,§4476; C46,§302.8]

The auditor of state shall audit all losses to the permanent school or university fund which shall have been occasioned by the defalcation, mismanagement, or fraud of the agents or officers controlling and managing the same, and for this purpose shall prescribe such regulations for those officers as may be necessary to ascertain such losses. [R60,§1969; C73, §1842; C97,§2847; C24, 27, 31, 35, 39,§4479; C46,§302.11]

If the county has an excess of such interest above the amount apportioned to it, the county auditor shall forthwith draw and forward to the state comptroller a warrant on the proper fund of his county for the amount of the excess. [R60,§1969; C73, §1844; C97,§2847; C24, 27, 31, 35, 39,§4482; C46,§302.14]

302.17 Liability of county. Each county shall be liable for all losses upon loans of the school fund, principal or interest, made in such county, unless the loss was not occasioned by reason of any default of its officers or by taking insufficient or imperfect securities, or from a failure to bid at an execution sale the full amount of the judgment and costs. [C73, §1860; C97, §2848; C24, 27, 31, 35, 39, §4485; C46, §302.17]

302.18 Exemption of county. All claims for exemption from liability on account of losses shall be examined into and adjusted by the state comptroller, upon proof submitted to him in writing in behalf of the county within three months after the county auditor shall be advised by the comptroller of his readiness to receive the proof. In the absence of evidence, or if that submitted is insufficient, the loss may be charged against the county and be conclusive, but if found sufficient, the comptroller shall present the facts in his report to the next general assembly. [C73, §1860; C97, §2848; C24, 27, 31, 35, 39, §4486; C46, §302.18]

302.20 Investment in federal, state, and municipal bonds. When any county has on hand permanent school funds which in the opinion of its board of supervisors cannot be safely invested in real estate mortgages as provided by law, its board of supervisors may invest such funds in bonds of the state of Iowa or any political subdivision thereof at the prevailing rate of interest, provided such bonds are a general obligation of and to be paid by a general tax levy of the state or political subdivision issuing the same, and said bonds shall be registered in the name of the county purchasing said bonds.

The board of supervisors may also invest such funds in bonds of the United States and said bonds shall likewise be registered in the name of the county purchasing the same.

The interest chargeable to the county so investing any such funds by the comptroller shall not exceed on said funds the rate of interest collected on the bonds purchased as herein provided, notwithstanding the provisions of section 302.40. [C39, §4487.1; C46, §302.20]

302.21 Terms—appraisal—fee. Each loan shall be made for at least one and not more than five years, evidenced by promissory notes bearing not less than three and one-half percent per annum, payable annually, and delinquent interest to draw the same rate, to be secured by a mortgage on unencumbered real estate situated in the county in which the loan is made, and appraised, as hereinafter provided, for at least double the sum borrowed; the appraisal to be made by three persons under oath, selected by the county auditor, who shall not in making the valuation take into consideration the buildings upon the lands; for such service each shall be allowed fifty cents, to be paid by the borrower, who shall also pay for recording the mortgage. [R60, §§1981-1983; C73, §§1861-1863; C97, §2849; S13, §2849; C24, 27, 31, 35, 39, §4488; C46, §302.21]

302.22 Application for loan. All applications to borrow from the permanent school fund shall be made to the auditor of the county in which the land is situated which it is proposed to mortgage as security, who shall cause the proper appraisal to be made, and, if satisfactory, shall examine any abstract of title which the proposed borrower may submit, or he may cause an abstract to be prepared at such proposed borrower's expense. If the title is found to be perfect, and the lands unencumbered, he shall certify this fact and submit the application and all the papers connected therewith to the board of supervisors at its next meeting, regular or called, at which meeting the loan shall be approved or disapproved. [R60, §1984; C73, §1864; C97, §2850; S15, §2850; C24, 27, 31, 35, 39, §4489; C46, §302.22]

302.23 Duty of auditor. If the application is accepted, the auditor shall complete the contract by taking a note payable to the county, and a mortgage upon the lands securing the same, and certify the same to the treasurer, who shall pay over to the borrower the amount named in the note, less a fee of two dollars to be paid to the auditor for his services. The board may reject the application for any good cause. [R60, §1984; C73, §§1864, 1876; C97, §2850; S15, §2850; C24, 27, 31, 35, 39, §4490; C46, §302.23]

302.24 Redemption of prior lien—assignments. If it shall happen that a loan is made upon real estate which is in fact encumbered other than for taxes, the board of supervisors may, when necessary for the safety of the loan, appropriate out of any school fund on hand, if such encumbrance does not exceed one-half of the real value of the lands, so much as may be needed to take up and purchase the same, and may also at any meeting, by resolution, assign without recourse, upon payment of the amount due, any school fund note and mortgage to one holding a subsequent lien upon the mortgaged real estate. [C73, §§1868, 1869; C97, §2850; S15, §2850; C24, 27, 31, 35, 39, §4491; C46, §302.24]

[R60, §1985; C73, §§1866, 1870; C97, §2851; C24, 27, 31, 35, 39, §4492; C46, §302.25]

302.26 Additional security. When a report shows that the security in a given case has for any cause depreciated so that it is no longer sufficient, or it appears that there was a prior encumbrance thereon which materially affects the value of the security, the board shall order the debtor to furnish additional security, and fix a reasonable time within which the same shall be given, and if the party so ordered fails to comply therewith for thirty days after service upon him of a copy of the order, the entire debt shall become due, and an action may be brought to enforce the collection thereof, and these provisions shall enter into and form a part of all contracts of loans, whether incorporated therein in words or not. [R60, §1986; C73, §§1866; C97, §2851; C24, 27, 31, 35, 39, §4493; C46, §302.26]

302.27 Renewal. When a loan has been made and the borrower desires to renew the same for one or more years, it may be done in the same manner as the loan was made in the first instance, but no new abstract, except a continuation of the same down to the time, nor examination of title prior to the original loan, nor new mortgage, need be given, unless the mortgage is to be given upon other lands. The time of payment, without further security, may be extended in writing, to be recorded as the original security was, and before maturity of the claim, when the board of supervisors for cause shall so order; but such extension of time shall not operate to release any security held. [R60, §§1993; C73, §§1871, 1879; C97, §2852; C24, 27, 31, 35, 39, §4494; C46, §302.27]

302.28 Statute of limitation. Lapse of time shall in no case be a bar to any action to recover any part of the school fund, nor shall it prevent the introduction of evidence in such an action, any provision in this code to the contrary notwithstanding. [C73, §§1890, 2542; C97, §2852; C24, 27, 31, 35, 39, §4495; C46, §302.28]

When a resale is made, the county auditor shall notify the state comptroller, who shall thereupon charge the county with the full amount of the resale, except that when the lands are sold for more than the unpaid portion of the principal, the excess shall be applied to reimburse the county for the costs of foreclosure and the interest paid by the county to the state by reason of default of payment of same by the makers of the notes, previous to the time when the right of redemption has expired, not to exceed three years. [C73,§1881; 1882; C97,§2855; S13,§2855; C24, 27, 31, 35, 39,§4504; C46,§302.37]

If the lands shall be sold for a less amount than the unpaid portion of the principal, the loss shall be sustained by the county, and the board of supervisors shall at once order the amount of such loss transferred from the general fund or temporary school fund of the county to the permanent school fund account. [C73,§1881; C97,§2855; S13,§2855; C24, 27, 31, 35, 39,§4505; C46,§302.38]

Each township shall be platted separately, on a scale of not less than four inches to the mile, and such auditor shall have all changes in or additions to the roads legally established immediately entered upon said plat book, with appropriate references to the files in which the papers relating to the same may be found. The board of supervisors shall select one of said appraisers. The owner or owners of the land sought to be taken shall select one of said appraisers. The two appraisers so selected shall choose the third appraiser. fund to be expended under the direction of the 
board of supervisors.

The board of approval in planning said con-

each township, as soon as may be, an equitable 
mileage of improved roads, and those town-
ships which have heretofore improved their 
township roads shall not be discriminated 
against in this new improvement program.

The board of supervisors of any county may 
provide that the work of maintaining the local 
county roads of a township shall be per-

Before any county can receive any portion of the farm-to-market road fund allotted on an equalization basis, such county must have made every reasonable effort by the levy of local taxes and otherwise to provide funds for the improvement of its secondary road system. [C39, §4686.09; C46, §310.9; 52GA, ch 162, §2; 53GA, ch 127, §1]

However, the county board may request the state highway commission to acquire such right of way and in either event such right of way may be paid for out of the county’s allotment of the farm-to-market road fund.

Should the board of supervisors request the state highway commission to acquire the right of way on any farm-to-market road project, the said commission shall proceed to the acquisition of said right of way under the same laws and in the same manner as though said project were a primary road project. §311.2 Width of district. Any such secondary road assessment district shall be not more than one-half mile wide on each side of the road or roads to be improved by said district. [C24, 27, 31, 35, 39, §4746; C46, §311.3; 53GA, ch 129, §82, 4]

§311.3 Amount of assessment. Special assessments in the aggregate amount of not less than twenty-five percent of the total estimated cost of surfacing any road included in a secondary road assessment district project shall be apportioned and levied on the lands included in said secondary road assessment district. [C24, 27, 31, 35, 39, §4753; C46, §311.10; 53GA, ch 129, §82, 5]

§311.4 County line road. Whenever it is desired to surface a secondary road on a county line, as a secondary road assessment district project, the board of supervisors of any county concerned may establish an assessment district in its county, and levy and collect special assessments for the payment of that portion of the estimated cost of such project assessable against lands in that county. Each county shall pay its share of the cost of said project as provided in this chapter, in the same manner as though the project were located wholly within that county. [C24, 27, 31, 35, 39, §4746; C46, §311.3; 53GA, ch 129, §82, 6]

§311.5 Project in city or town. Any road or street which is a continuation of a secondary road within any city or town and which the county board desires to improve by graveling, oiling, or other suitable surfacing, may by resolution of the county board and concurrent resolution of the city council improve the same by a secondary road assessment district project or part thereof as herein provided. The lands within such city or town abutting on or adjacent to such street or road may be included within such secondary road assessment district and assessed on account of such improvement upon the same basis and in the same manner as though such lands were located outside of a city or town. [C24, §4754; C27, 31, 35, §4745-51; C39, §4745.1; C46, §311.2; 53GA, ch 129, §82, 7]

§311.6 Petition—information required. The petition for a secondary road assessment district proposing to establish such district shall intelligently describe the road or roads proposed to be improved, the nature of the proposed improvement, the percentage of the estimated cost of the surfacing of said road proposed to be assessed against the property in the said district and the lands proposed to be included in such district.

Such petition shall be signed by thirty-five percent of the owners of the lands within such proposed district, or by thirty-five percent of the owners of the land within such proposed district which lie outside said county. [C24, 27, 31, 35, 39, §4747; C46, §311.3; 53GA, ch 129, §82, 8]

§311.7 Improvement by private funds. When any owner or group of owners of not less than seventy-five percent of the lands adjacent to, or abutting upon any secondary road or roads shall, on or before December 1 of any year, petition the board of supervisors of the county for the improvement of said road by graveling or other suitable surfacing, the lands adjacent to, or abutting upon said road or roads, the board of supervisors shall, in the order in which such petitions were filed with it, include and give preference to said project or projects in the secondary road construction program of said county for the ensuing year.

The board of supervisors shall proceed during the ensuing year with the construction and completion of said project under the same procedure as is prescribed generally for the improvement of secondary roads by assessment, and shall, as the law may provide, establish a special secondary road assessment district and assess against the lands included therein not less than fifty percent (or such greater portion as may be provided in said petition) of the engineer's estimated cost of the surfacing of the road or roads included in said project against all the lands adjacent to or abutting upon the said road or roads.

Provided, that should the owner or owners of all the lands included in any special secondary road assessment district under this section, subscribe and deposit with the county treasurer an amount not less than fifty percent (or such greater portion as may be provided in said petition) of the engineer's estimated cost of the surfacing of the road or roads included in said project, the board of supervisors shall not establish such special assessment district as herein provided, but shall accept the said donations in lieu of an assessment, and shall otherwise proceed to the improvement of said road or roads as herein provided.

Upon the completion of such road or roads, and the satisfaction of all claims in relation thereto, any balance then remaining of the funds provided by the sponsors shall be returned to them according to their respective interests, providing all guarantees made by such sponsors have been fulfilled.

Any road or roads so improved by graveling or other suitable surfacing under the provisions of this section shall be maintained by the county from the secondary road fund. [C24, 27, 31, 35, 39, §4747; C46, §311.4; 53GA, ch 129, §82, 9]

See §809.8

§311.8 County engineer's report. Upon the filing of such petition with the county auditor
proposing the establishment of such secondary road assessment district, the county engineer shall file a report thereon with the county auditor, which report shall include:

1. An estimate of the cost of the surfacing proposed on the road or roads included in such proposed district.

2. A plat of said proposed district which plat shall show the road or roads proposed to be improved, the various tracts and parcels of real estate included in said proposed district, and the ownership of such lands.

3. An approximately equitable apportionment of not less than twenty-five percent of the estimated cost of said improvement among the tracts and parcels of real estate included in such proposed district.

4. A statement whether all of the secondary roads to be surfaced in said proposed secondary road assessment district project have been built to permanent grade and properly drained.

5. Any information the county engineer may deem pertinent. [C24, §4707; C27, 31, 35, 39, §§4746, 4748; C46, §§311.3, 311.5; 53GA, ch 129, §§2, 10]

311.9 Publicly owned real estate. In making said apportionment, real estate owned by the state, county or any city or town, shall be treated as other real estate, but no other publicly owned real estate shall be included. In apportioning benefits to real estate owned by a town, city, the county or the state, no consideration shall be given to the buildings thereon. [C24, §4707; C27, 31, 35, §§4753-a1; C39, §4753.01; C46, §§311.11; 53GA, ch 129, §§2, 11]

311.10 Estimate and apportionment—presumption. Said estimated cost shall carry the presumption, in the absence of a contrary showing, that the same correctly represents the probable cost of said project as nearly as can be determined in advance of the actual doing and completion of the work. Said apportionment shall carry the presumption, in the absence of a contrary showing, that the same is fair, just, equitable, and in proportion to the benefits and not in excess thereof. [C24, §4707; C27, 31, 35, §§4753-a1; C39, §4753.01; C46, §§311.11; 53GA, ch 129, §§2, 12]

311.11 Hearing—notice. The board of supervisors shall fix a time for hearing on the proposal for the establishment of said secondary road assessment district and on the apportionment of not less than twenty-five percent of the estimated cost of the proposed improvement, and shall cause the county auditor to publish notice of said hearing. Said notice shall state:

1. The time and place of hearing.
2. The road or roads proposed to be improved.
3. The type of surfacing proposed.
4. The estimated cost of the proposed improvement.
5. A description of the lands lying within said proposed district.
6. The ownership of said lands as shown by the transfer books in the auditor's office.
7. A statement of the amount apportioned to each tract or parcel of real estate as shown by the engineer's report.
8. That at said hearing the amount apportioned to any tract or parcel of land may be increased or decreased without further notice.
9. That all objections to the establishment of said district, to the said apportionment report, or to the proceedings relating thereto must be specifically made in writing and filed with the county auditor on or before noon of the day set for such hearing, and
10. That a failure to make and file such objections will be deemed a conclusive waiver of all such objections. [C24, §4707; C27, 31, 35, §§4750, 4751, 4753-a1; C39, §4750, 4751, 4753.01; C46, §§311.7, 311.8, 311.11; 52 GA, ch 163, §2; 53GA, ch 129, §§2, 13]

311.12 Publication of notice. Such notice shall be published once each week for two successive weeks in some newspaper published in the county as near as practicable to said district. The last publication shall be not less than five days previous to said hearing. Proof of such publication shall be made by the publisher by affidavit filed with the county auditor. [C24, §4707; C27, 31, 35, §§4753-a1; C39, §4753.01; C46, §§311.11; 53GA, ch 129, §§2, 14]

311.13 Errors in notice or apportionment report. Any omission or error in said apportionment report or notice with respect to any tract or parcel of real estate or the description thereof, or the name of the owner, or the amount of the assessment apportioned thereto, shall work no loss of jurisdiction on the part of the board over such proceeding. Such omission or error shall only affect the particular tract of real estate or person in question. If, before or after the board has entered its final order in the establishment of the said district or in the apportionment proceedings, such omission or error is discovered, the board shall fix a time for a hearing as to such party or real estate and shall cause service of notice to be made upon them, either by publication as in this chapter provided, or by personal service in the time and manner required for service of original notices in the district court. After such hearing the board shall proceed as to such person or land as though such omission or error had not occurred. [C24, §4707; C27, 31, 35, §§4753-a1; C39, §4753.01; C46, §§311.11; 53GA, ch 129, §§2, 15]

311.14 Appearance. The appearance of any interested party, either in writing or personally, or by authorized agent, before the board of supervisors at any stage of the pending proceedings for a secondary road assessment district shall be deemed a full appearance. Only interested parties shall have the right to appear in such proceedings. All persons so appearing shall state for whom they appear. The clerk of the board shall make definite entry accord-
ingly in the minutes of the board. [C24, §4707; C27, 31, 35, §4753-a1; C39, §4753.01; C46, §311.11; 53 GA, ch 129, §§2, 16]

311.15 Hearing—adjournment—order. Hearings on the proposed establishment of said district may be adjourned from time to time without loss of jurisdiction by the board. On final hearing the board shall proceed to a determination of said matters. It may reject, approve or modify and approve said proposal. The board may exclude lands from the district or may add lands thereto or otherwise modify the proposal.

Should the proposal be approved in whole or in part, the board shall establish such district. The order of the board establishing such district shall state the road or roads to be improved, the type of improvement, and the lands included in said district. Said order shall be final. No lands shall thereafter be added to or excluded from said district. [C24, §4709; C27, 31, 35, §4753-a2; C39, §4753.02; C46, §311.12; 53 GA, ch 129, §§2, 17]

311.16 Final hearing—assessment levied. On final hearing the board shall hear and determine all objections filed. The board may increase, diminish, annul, or affirm the apportionment made in said report, or any part thereof, as may appear to the board to be just and equitable.

On the final determination the board shall levy such assessments and all installments thereof upon the real estate within said district as finally established. The entire amount of said assessment shall be then due and payable, and bear interest at six percent per annum commencing twenty days from the date of said assessment, and shall be collected at the next succeeding March semiannual payment of ordinary taxes. [C24, §4710; C27, 31, 35, §4753-a3; C39, §4753.03; C46, §311.13; 53 GA, ch 129, §§2, 18]

311.17 Assessments over ten dollars—waiver. If any owner other than the state or a county, city or town, of any tracts of land on which the assessment is more than ten dollars, shall, within twenty days from the date of said assessment, agree in writing filed in the office of the county auditor, that in consideration of his having the right to pay his assessment in installments, he will not make any objection of illegality or irregularity as to said assessment upon his said real estate, and will pay the same with six percent interest thereon, then and in that case said assessment shall be payable in ten equal installments. The first installment shall be payable on the date of such agreement. The other installments with interest on the whole amount unpaid shall be paid annually thereafter at the same time and in the same manner as the March semiannual payment of ordinary taxes.

An owner of land who has availed himself of said ten-year option may at any time discharge his assessment by paying the balance due on all unpaid installments, with interest on the entire amount of the unpaid installments for thirty days in advance. [C24, §4710; C27, 31, 35, §4753-a3; C39, §4753.03; C46, §311.13; 53 GA, ch 129, §§2, 19]

311.18 Assessment delinquent—penalties. All such taxes shall become delinquent on the first day of March next after their maturity, shall bear the same interest, the same penalties, and be attended with the same rights and remedies for collection, as ordinary taxes. [C24, §4710; C27, 31, 35, §4753-a3; C39, §4753.03; C46, §311.13; 53 GA, ch 129, §§2, 20]

311.19 Assessment ten dollars or less. Assessments of ten dollars or less against any tract of land, and assessments against lands owned by the state, county, city or town, shall be due and payable from the date of levy by the board of supervisors, or in the case of any appeal, from the date of final confirmation of the levy by the court.

In case of assessments on lands owned by the county, the same shall be paid from the county general fund. In case of assessments on lands owned by the state, the same shall be paid out of any funds in the state treasury not otherwise appropriated. In case of assessments on lands owned by a city or town, the same shall be paid from the city or town general fund. [C24, §4710; C27, 31, 35, §4753-a3; C39, §4753.03; C46, §311.13; 53 GA, ch 129, §§2, 21]

311.20 Variation between estimated and actual cost. Any variation between the engineer's estimated cost and the actual cost of a secondary road assessment district project shall in no way affect the validity of the assessment. It is the intent of this chapter that the assessment shall be based on the estimated cost and not on the actual cost. [C24, §4711; C27, 31, 35, §4753-a4; C39, §4753.04; C46, §311.14; 53 GA, ch 129, §§2, 22]

311.21 Procedures. The preparation and approval of plans and specifications, the advertising for bids, the award and approval of contract, the supervision and inspection of construction work, and the approval and payment of claims on any secondary road assessment district project, shall be conducted in the manner provided in the laws for secondary road construction work generally. [C24, 27, 31, 35, 38, §§4749, 4752; C46, §§311.6, 311.9; 53 GA, ch 129, §§2, 23]

311.22 Road graded and drained. Any such secondary road shall be built to permanent grade and drained in a manner approved by the county engineer before being surfaced. As provided in this chapter. [C27, 31, 35, 38, §§4746; C46, §311.3; 53 GA, ch 129, §§2, 24]

311.23 Payment of construction costs. The total cost of any secondary road assessment district project shall in the first instance be paid out of the secondary road fund of said county. Any assessments which are paid in cash and in anticipation of which assessments no certificates have been issued, shall be transferred to the secondary road fund.
If no special assessment certificates are issued and sold on account of any particular secondary road assessment district, the special assessments on lands included in that district, and the interest on such assessments when collected, shall be transferred to the secondary road fund of said county. If certificates are issued and sold in anticipation of the special assessments levied on any such district as herein provided, the proceeds of such certificates shall be credited to the secondary road fund of said county. In that event, the special assessments in which certificates have been issued and the interest on such assessments shall, when collected, be used to retire such certificates. [C24, §4712; C46, §311.9; 53GA, ch 129, §§2, 25]

### 311.24 Appeal from assessment.

Any owner of land in a secondary road assessment district may appeal to the district court from the order of the board of supervisors in levying the assessment against his real estate, by filing with the county auditor within fifteen days of the date of such levy, a bond conditioned to pay all costs in case the appeal is not sustained, and a written notice of appeal wherein he shall, with particularity, point out the specific objection which he desires to lodge against such levy. The appearance term shall be the trial term. Said appeal shall have precedence over all other business of the term except criminal matters. The appeal shall be heard as in equity. The court may raise or lower the assessment in question and make an equitable assessment in the judgment of the court. The clerk of the district court shall, upon the entry of the final order of the court, certify such final order to the county auditor. The board of supervisors shall at once so adjust the assessments as to comply with the final order of the court. [C24, §4713; C27, §31, 35, §4753-a5; C39, §4753.05; C46, §311.15; 53GA, ch 129, §§2, 26]

### 311.25 Appeal docketed.

When an appeal is taken, the county auditor shall at once make a transcript of the notice of appeal and appeal bond and transmit the same to the district court. The appellant shall, on or before the first day of the first term of the court, after taking said appeal, docket said appeal and file a petition setting forth the order or decision of the board of supervisors appealed from, and his specific objections thereto. A failure to comply with either of these requirements shall be deemed a conclusive waiver of the appeal and in such case the court shall dismiss the same. Appellee need not file answer, but may do so. [C24, §4714; C27, §31, 35, §4753-a5; C39, §4753.06; C46, §311.16; 53GA, ch 129, §§2, 27]

### 311.26 Assessments certified to county treasurer.

When the board of supervisors has entered its final order as to the amounts of all special assessments on a given improvement, the county auditor shall at once certify a list of such assessments and a list of real estate upon which each assessment has been levied, with the specific designation of the district embracing such real estate, to the county treasurer, who shall enter each assessment on the tax books and continue such entry until such assessment is paid.

Each special assessment and all installments thereof shall be a lien upon the real estate upon which it is levied from the date of such certificate by the county auditor to the same extent and in the same manner as taxes levied for state and county purposes. Changes in the amount of any special assessment by reason of any ruling of the district court on appeals, shall be likewise certified and the county treasurer shall make the proper correction on his books. [C24, §4715; C27, §31, 35, §4753-a7; C39, §4753.07; C46, §311.17; 53GA, ch 129, §§2, 28]

### 311.27 Each district separate unit.

Each assessment district shall be considered a unit and all funds received by the county treasurer for or on behalf of such unit shall be carried as a distinct and separate account and under the same specific name as that used by the board in establishing such unit. [C24, §4716; C27, §31, 35, §4753-a8; C39, §4753.08; C46, §311.18; 53GA, ch 129, §§2, 29]

### 311.28 Certificates anticipating assessments.

In order to render immediately available that amount of the estimated cost of an improvement which has been specially assessed, the board may issue road certificates in the name of the county in an aggregate amount not exceeding the then unpaid amount of the special assessment levied in said district. Each issue of certificates shall be under, and in accordance with, a duly adopted resolution of the board and which shall recite (1) the name or designation of the road district on account of which the certificates are issued; (2) that a stated amount (naming the amount) has been specially assessed against the lands within said district; (3) that a stated amount of said aggregate special assessment has not yet been paid (naming the unpaid amount); (4) that it is necessary to render such unpaid amount immediately available; (5) the number of road certificates authorized and the specific amount of each certificate; (6) the specific numbering or designation of such certificates; (7) the rate of interest which each certificate shall bear from date, to wit, not to exceed six percent per annum; (8) the fact that said certificates are payable solely from the proceeds of the special assessments which have been levied on the lands within said districts; (9) that each certificate shall be payable on or before the first day of January of the first year following the maturity of the last installment of such special assessments, and that interest thereon shall be paid annually; (10) the authorization to the chairman of the board, and to the county auditor, respectively, to sign and countersign each of said certificates. [C24, §4717; C27, §31, 35, §4753-a9; C39, §4753.09; C46, §311.19; 53GA, ch 129, §§2, 30]

### 311.29 Sale of certificates.

Upon the signing of each of said certificates by the chairman of
the board, said certificates shall be delivered to the county auditor, who shall countersign the same, charge the county treasurer with the amount thereof, and deliver the same to the latter officer, who shall be responsible therefor on his bond. The treasurer may apply said certificates in payment of any warrants duly authorized and issued for surfacing the roads within said district, or he may sell the same for the best attainable price and for not less than par, plus accrued interest, and credit the proceeds to the secondary road fund. Such certificates shall be retired in the order of the consecutive numbering thereof. [C24,§4717; C27, 31, 35,§4753-a9; C39,§4753.09; C46,§311.19; 53GA, ch 129,§§2, 31]

### §311.30 Certificates registered — payment
The county treasurer shall, in connection with the road account for said district, enter the name and post-office address of all persons to whom any of said certificates are issued, with a particular designation of the certificates delivered to each person. Any subsequent holder may present his certificate to the county treasurer and cause his name and post-office address to be entered in lieu of that of such former holder. Whenever the fund for such particular district has money to pay the first retirable certificate or certificates, the county treasurer shall, by mail, as shown by his records, promptly notify the holder of such certificate of such fact and that from and after ten days after the mailing of such letter all interest on such certificates will cease. [C24,§4717; C27, 31, 35,§4753-a9; C39,§4753.09; C46,§311.19; 53GA, ch 129,§§2, 32]

### §311.31 Previous assessments not invalidated
The passage of this chapter, the provisions hereof, and the repeal of sections hereby repealed, shall not in manner affect or invalidate any secondary road district assessments levied before this chapter became effective, or any certificate in anticipation of such assessments issued before or after this chapter becomes effective.

Said assessments and taxes shall be collected and applied to the purpose for which they were levied. Certificates in anticipation of such assessments may be issued. The proceeds of such certificates shall be applied to the purpose intended, and such certificates issued before or after this chapter becomes effective shall be paid in conformance with the provisions of this chapter. [53GA, ch 129,§31]

FLIGHT STRIPS

315.1 Definition.
315.2 Construction and maintenance by commission.
315.3 Federal government to pay cost.

315.1 Definition. The term “flight strip” as used in this chapter is construed and defined to mean a field or area of various width and length, but usually about five hundred feet wide and about one mile long, and containing one runway for the landing and take-off of aircraft. The runway itself is usually about one hundred fifty feet wide and about one mile long. The excess width of the field or area over and above the width of the runway itself is used for parking motor vehicles, grounded planes, and for other necessary ground facilities. [C46, §315.1]

315.2 Construction and maintenance by commission. In order to facilitate the war effort, the state highway commission, upon request of the commissioner of public roads of the United States, is hereby authorized to co-operate with the public roads administration of the United States in the location, construction, and maintenance of flight strips in this state. To that end the state highway commission may make surveys, plans, specifications, and estimates, acquire right of way for, and construct and maintain such flight strips.

The state highway commission may enter into contracts in any manner approved by the commissioner of public roads for the construction and maintenance of any such flight strips, or may perform such construction and maintenance work by force account, and may comply with the rules, regulations, and instructions of the commissioner of public roads in the construction and maintenance of such flight strips. [C46, §315.2]

315.3 Federal government to pay cost. The entire cost of the right of way, surveys, preliminary engineering costs, construction, and
maintenance of such flight strips shall be paid by the federal government or some agency other than the state of Iowa. None of the cost of the right of way, construction, or maintenance of any such flight strips shall be paid by the state of Iowa. [C46, §315.3]

315.4 State to advance funds. In order to avoid delays, payment for right of way and for work on flight strips constructed or maintained by the state highway commission in cooperation with the United States public roads administration, may be advanced from the primary road fund. When payment for such right of way or work on such flight strips is received by the state of Iowa from the federal government, the funds so received shall be credited to the primary road fund. [C46, §315.4]

315.5 Condemnation of right of way and gravel pits. The state highway commission shall have authority to purchase or to institute and maintain proceedings for the condemnation of the necessary right of way for flight strips and for the condemnation of land, including a sufficient roadway to such land by the most reasonable route, for the purpose of obtaining gravel or other suitable material with which to construct, improve, or maintain such flight strips.

All the provisions of the law relating to the condemnation of land for public state purposes shall apply to the provisions hereof. [C46, §315.5]

Such entry may be made without the consent of the land owner or person in possession or control of the land but actual work of destruction shall not be commenced until five days after the service of a notice in writing on the land owner and on the person in possession or in control of the land. The notice shall state the facts as to failure of compliance with the county program of weed destruction order or orders made by the board of supervisors and shall be served in the same manner as an original notice except as hereinafter provided. The notice may be served by the weed commissioner, his deputies or any person designated in writing by the weed commissioner and filed in the office of the county auditor. Provided, however, that service on persons living temporarily or permanently outside of the county may be made by sending the written notice of noncompliance by registered mail to said person at the last known address to be ascertained, if necessary, from the last tax list in the county treasurer's office. Where any person, firm or corporation owning land within the county has filed a written instrument in the office of the county auditor designating the name and address of its agent, the notice herein provided may be served on that agent. In computing time hereunder it shall be from the date of service as evidenced on the return or if made by registered mail, from the date of mailing as evidenced by the registered mail book at the post-office where mailed. \[S13, §§1565-6-7-8-9-10-11; C24, 27, 31, 35, §§4817, 4829.04; C39, §§4829.05, 4829.06; C46, §§317.5, 317.6; 52 GA, ch 168,§3; 53GA, ch 134,§3, §1\]

The actual cost and expense of such cutting, burning or otherwise destroying of said weeds, the cost of serving notice and special meetings or proceedings, if any, shall be paid from the county general fund and, together with the additional assessment to apply toward costs of supervision and administration, be recovered by an assessment against the tract of real estate on which the weeds were growing, as provided in section 317.21. §317.18 Order for destruction on roads. The board of supervisors shall order all weeds
other than noxious weeds, on all county trunk and local county roads and between the fence lines thereof to be cut, burned or otherwise destroyed to prevent seed production thereof, either upon its own motion or upon receipt of written notice requesting such action from any residents of the township in which such roads are located, or any person regularly using said roads. Said order shall define the roads along which said weeds are required to be cut, burned or otherwise destroyed and shall require said weeds to be cut, burned or otherwise destroyed within thirty days after the publication of said order in the official newspapers of said county. If the adjoining owner fails to cut, burn or otherwise destroy said weeds as required in said order the county commissioner shall have same cut, burned or otherwise destroyed and the cost thereof shall be paid from the general county fund, and recovered later by an assessment against the adjoining property owner, or any person regularly using said county trunk and local county roads and between the fence rows of such roads thereof in time to prevent reseeding.

Out of said fund so provided for in this section the board of supervisors shall have the power to purchase or hire necessary equipment or to contract with the adjoining landowner to carry out the purposes of this section. [C46, §317.19; 53GA, ch 134, §11]

Whenever equipment or materials so purchased are used on private property within the corporate limits of cities or towns by the weed commissioner, the cost of materials used and an amount to be fixed by the board of supervisors for the use of said equipment shall be returned to this one-fourth mill fund by the county treasurer upon the collection of the special assessment tax against said property. Such equipment and its use shall be subject to the authorization and direction of the county board of supervisors. [52GA, ch 168, §8; 53GA, ch 134, §12]

317.21 Cost of such destruction. When the commissioner, or commissioners, destroy any weeds under the authority of sections 317.16 or 317.18, after failure of the landowner responsible therefor to destroy such weeds pursuant to the order of the board of supervisors, the cost of such destruction shall be assessed against the land and collected from the landowner responsible in the following manner:

1. Annually, after the weed commissioner has completed his program of destruction of weeds by reason of noncompliance by persons responsible therefor, the board of supervisors shall determine as to each tract of real estate the actual cost of labor and materials used by the commissioner in cutting, burning or otherwise destroying said weeds, the cost of serving notice and special meetings or proceedings, if any. To the total of all such sums expended, they shall add an amount equal to twenty-five percent thereof to compensate for the cost of supervision and administration and assess the resulting sum against said tract of real estate by a special tax, which shall be certified to the county auditor and county treasurer by the clerk of the board of supervisors, and shall be placed upon the tax books, and collected, together with interest and penalty after due, in the same manner as other unpaid taxes. Such tax shall be due on March 1 after such assessment, and shall be delinquent after March 31. When collected, said funds shall be paid into the fund from which said costs were originally paid.

2. Before making any such assessment, the board of supervisors shall prepare a plat or schedule showing the several lots, tracts of land or parcels of ground to be assessed which shall be in accord with the assessor's records and the amount proposed to be assessed against each of the same for destroying or controlling weeds during the calendar year.

3. Such board shall thereupon fix a time for the hearing on such proposed assessments, which time shall not be later than December 15 of the year, and at least twenty days prior to the time thus fixed for such hearing shall give notice thereof to all concerned that such plat or schedule is on file, and that the amounts as shown therein will be assessed against the several lots, tracts of land or parcels of ground described in said plat or schedule at the time fixed for such hearing, unless objection is made thereto. Notice of such hearing shall be given by one publication in official county newspapers in the county in which the property to be assessed is situated: or by posting a copy of such notice on the premises described, and by mailing a copy by registered mail to the last known address of the person owning or controlling said premises. At such time and place the owner of said premises or anyone liable to pay such assessment, may appear with the same rights given by law before boards of review, in reference to assessments for general

318.1 Hedges and windbreaks—trimming. The owners of osage orange and hedges of shrubbery other than trees along the public highway shall keep the same trimmed by cutting back within five feet of the ground at least once in every two years, and burn or remove the trimmings from off the road. With the exception of osage orange hedge fences, no trees or shrubbery, except as hereinafter provided, shall be permitted on the highway except within the limits of the highway, unless the same shall be used as a windbreak for residences, orchards or feed lot, and no windbreak shall exceed forty rods in length, such forty rods to be determined by the owner within one day when requested by the board of supervisors; and in case he neglect or refuse to designate the forty rods of windbreak he desires, the board of supervisors shall select such forty rods of hedge. [C73, §999; C97, §1570; S13, §1570; C24, 27, 31, 35, §4830; C46, §318.1]

318.4 Sale of wood—costs—balance. In case the wood left from the cutting or trimming of said hedge or trees shall, in the judgment of the board of supervisors, more than pay for the cost of advertising and selling the same, the same shall be sold at public auction after giving ten days notice thereof in the local newspaper nearest the hedge or trees destroyed, and the proceeds of the sale above the cost of trimming, cutting or destroying, selling and advertising for sale, shall be turned over to the owner of the hedge or trees. [C24, 27, 31, 35, §4832; C46, §318.1]

318.5 Exceptions. This chapter shall not apply to evergreen trees, walnut trees, oak or maple trees, or other hardwood trees which in the judgment of the board of supervisors should be let stand, nor shall it apply to trees along the highway which are a part of a grove or forest that extends more than five rods from the road line; nor to any single tree or group of trees (not exceeding ten in number) which by reason of their age or beauty the board of supervisors in its judgment believes should not be cut down. [C24, 27, 31, 35, §4833; C46, §318.5]

The state highway commission shall place and
maintain such traffic-control devices, conform-

to indicate and to carry out the provisions of

signs shall be purchased from the board of
control. [C24, 27,§4627; C31, 35,§§4627,
5079-d7; C39,§5019.02; C46,§321.253]

Analogous provision, §21,§45

§321.254 Local authorities restricted. No
local authority shall place or maintain any
traffic-control device upon any highway under
the jurisdiction of the state highway commis-
sion except by the latter's permission. [C39,
§5019.03; C46,§321.254]

§321.255 Local traffic-control devices. Local
authorities in their respective jurisdiction shall
place and maintain such traffic-control devices
upon highways under their jurisdiction as they
may deem necessary to indicate and to carry
out the provisions of this chapter or local tra-

traffic. All such traffic-control devices here-
after erected shall conform to the state manual
and specifications. [C39,§5019.04; C46,§321.255]

devices. No driver of a vehicle or motorman
of a streetcar shall disobey the instructions of
any official traffic-control device placed in
accordance with the provisions of this chapter,
unless at the time otherwise directed by a
police officer. [C39,§5019.05; C46,§321.256]

§321.257 Traffic-control signal legend. When-
ever traffic is controlled by traffic-control sig-
als exhibiting the words "Go", "Caution" or
"Stop" or exhibiting different colored lights
successively one at a time the following colors
only shall be used and said terms and lights
shall indicate as follows:

1. Green alone or "Go".
Vehicular traffic facing the signal may pro-
cceed straight through or turn right or left un-
less a sign at such place prohibits either such
turn. But vehicular traffic shall yield the right
of way to other vehicles and to pedestrians law-
fully within the intersection at the time such
signal is exhibited.

Pedestrians facing the signal may proceed
across the roadway within any marked or un-
marked crosswalk.

2. Yellow alone or "Caution" when shown
following the green or "Go" signal.
Vehicular traffic facing the signal shall stop
before entering the nearest crosswalk at the
intersection, but if such stop cannot be made
in safety a vehicle may be driven cautiously
through the intersection.

Pedestrians facing such signal are thereby
advised that there is insufficient time to cross
the roadway, and any pedestrian then starting
to cross shall yield the right of way to all
vehicles.

3. Red alone or "Stop".
Vehicular traffic facing the signal shall stop
before entering the nearest crosswalk at an
intersection or at such other point as may be
indicated by a clearly visible line and shall
remain standing until green or "Go" is shown
alone.

No pedestrian facing such signal shall enter
the roadway unless he can do so safely and
without interfering with any vehicular traffic.

1. Red with green arrow.
Vehicular traffic facing such signal may
cautiously enter the intersection only to make
the movement indicated by such arrow but
shall not interfere with other traffic or endan-
ger pedestrians lawfully within a crosswalk.

No pedestrian facing such signal shall enter
the roadway unless he can do so safely and
without interfering with any vehicular traffic.
The motorman of any streetcar shall obey
all the above signals as applicable to vehicles.
[C39,§5019.06; C46,§321.257]

§321.258 Flashing signals. Whenever flash-
ing red or yellow signals are used they shall
require obedience by vehicular traffic as fol-
lows:

1. Flashing red (Stop signal). When a red
lens is illuminated by rapid intermittent
flashes, drivers of vehicles shall stop before
entering the nearest crosswalk at an intersec-
tion or at a limit line when marked and the
right to proceed shall be subject to the rules
applicable after making a stop at a stop sign.

2. Flashing yellow (Caution signal). When
a yellow lens is illuminated with rapid inter-
mittent flashes, drivers of vehicles may pro-
ceed through the intersection or past such signal only with caution. [C39, §5019.07; C46, §321.258]

321.259 Unauthorized signs, signals, or markings. No person shall place, maintain, or display upon or in view of any highway any unauthorized sign, signal, marking, or device which purports to be or is an imitation of or resembles an official parking sign, curb or other marking, traffic-control device or railroad sign or signal, or which attempts to direct the movement of traffic, or which hides from view or interferes with the effectiveness of any official traffic-control device or any railroad sign or signal, and no person shall place or maintain nor shall any public authority permit upon any highway any traffic sign or signal bearing thereon any commercial advertising. This shall not be deemed to prohibit the erection upon private property adjacent to highways of signs giving useful directional information of a type that cannot be mistaken for official signs.

Every such prohibited sign, signal, or marking is hereby declared to be a public nuisance and the authority having jurisdiction over the highway is hereby empowered to remove the same or cause it to be removed without notice. [C39, §5019.08; C46, §321.259]

321.260 Interference with devices, signs, or signals. No person shall without lawful authority attempt to or in fact alter, deface, injure, knock down, or remove any official traffic-control device or any railroad sign or signal or any inscription, shield, or insignia thereon, or any other part thereof. [C39, §5019.09; C46, §321.260]

321.291 Information or notice. In every charge of violation of sections 321.285 to 321.287, inclusive, the information, also the notice to appear, shall specify the speed at which the defendant is alleged to have driven, also the speed limit applicable within the district or at the location. [C39, §5023.07; C46, §321.291]

321.292 Civil action unaffected. The foregoing provisions of sections 321.285 to 321.287, inclusive, shall not be construed to relieve the plaintiff in any civil action from the burden of proving negligence upon the part of the defendant as the proximate cause of an accident. [C39, §5023.08; C46, §321.292]

321.293 Local authorities may alter limits. Local authorities in their respective jurisdiction may in their discretion authorize by ordinance higher speeds than those stated in section 321.285 upon through highways or upon highways or portions thereof where stop signs have been erected at the entrances thereto provided signs are erected giving notice of the authorized speed, but local authorities shall not have authority to authorize by ordinance a speed in excess of fifty-five miles per hour. [C39, §5023.09; C46, §321.293]

321.294 Minimum speed regulation. No person shall drive a motor vehicle at such a slow speed as to impede or block the normal and reasonable movement of traffic except when reduced speed is necessary for safe operation or in compliance with law. Peace officers are hereby authorized to enforce this provision by directions to drivers, and in the event of apparent willful disobedience to this provision and refusal to comply with direction of an officer in accordance herewith the continued slow operation by a driver shall be a misdemeanor, and be punished as provided in section 321.482. [C31, 35, §5021-c1; C46, §321.294]

321.295 Limitation on elevated structures. No person shall drive a vehicle over any bridge or other elevated structure constituting a part of a highway at a speed which is greater than the maximum speed which can be maintained with safety to such bridge or structure, when such structure is sign-posted as provided in this section.

The state highway commission upon request from any local authority shall, or upon its own initiative may, conduct an investigation of any bridge or other elevated structure constituting a part of a highway, and if it shall thereupon find that such structure cannot with safety to itself withstand vehicles traveling at the speed otherwise permissible under this chapter, the commission shall determine and declare the maximum speed which vehicles which such structure can withstand, and shall cause or permit suitable signs stating such maximum speed to be erected and maintained at a distance of two hundred feet before each end of such structure.

Upon the trial of any person charged with a violation of this section, proof of said determination of the maximum speed by said commission and the existence of said signs shall constitute conclusive evidence of the maximum speed which can be maintained with safety to such bridge or structure. [C39, §5023.11; C46, §321.295]

321.296 Emergency vehicles—speed. The speed limitations set forth in this chapter shall not apply to authorized emergency vehicles when responding to emergency calls and the drivers thereof sound audible signal by bell, siren, or exhaust whistle. This provision shall
not relieve the driver of an authorized emergency vehicle from the duty to drive with due regard for the safety of all persons using the streets, nor shall it protect the driver of any such vehicle from the consequence of his negligence. [C39, §5023.12; C46, §321.296]

DRIVING ON RIGHT SIDE OF ROADWAY—OVERTAKING AND PASSING, ETC.

321.297 Traveling on right-hand side. The operator of a motor vehicle, in cities and towns, shall at all times travel on the right-hand side of the center of the street. [S13, §1571-m18; C24, 27, 31, 35, §5019; C39, §5024.01; C46, §321.297]

321.298 Meeting and turning to right. Persons on horseback, or in vehicles, including motor vehicles, meeting each other on the public highway, shall give one-half of the traveled way thereof by turning to the right. [R60, §908; C73, §1000; C97, §1569; S13, §1569; C24, 27, 31, 35, §5020; C39, §5024.02; C46, §321.288]

321.299 Overtaking a vehicle. The following rules shall govern the overtaking and passing of vehicles proceeding in the same direction, subject to those limitations, exceptions, and special rules hereinafter stated:

The driver of a vehicle overtaking another vehicle proceeding in the same direction shall pass to the left thereof at a safe distance and shall not again drive to the right side of the roadway until safely clear of the overtaken vehicle.

Except when overtaking and passing on the right is permitted, the driver of an overtaken vehicle shall give way to the right in favor of the overtaking vehicle on audible signal and shall not increase the speed of his vehicle until completely passed by the overtaking vehicle. [S13, §§1569.1571-m18; C24, 27, 31, 35, §5021, 5022; C39, §5024.03; C46, §321.299]

321.300 Failure to recognize signal. Any driver of a vehicle that is overtaken by a faster moving vehicle who fails to heed the signal of the overtaking vehicle when it is given under such circumstances that he could, by the exercise of ordinary care and observation and precaution, hear such signal and who fails to yield that part of the traveled way as herein provided, shall be guilty of a misdemeanor punishable as provided in section 321.482. [C24, 27, 31, 35, §5023; C39, §5024.04; C46, §321.300]

321.302 Overtaking on the right. The driver of a vehicle may overtake and pass upon the right of another vehicle which is making or about to make a left turn.

The driver of a vehicle may overtake and, allowing sufficient clearance, pass another vehicle proceeding in the same direction either upon the left or upon the right on a roadway with unobstructed pavement of sufficient width for four or more lines of moving traffic when such movement can be made in safety. No person shall drive off the pavement or upon the shoulder of the roadway in overtaking or passing on the right. [C39, §5024.06; C46, §321.302]

321.303 Limitations on overtaking on the left. No vehicle shall be driven to the left side of the center of the roadway in overtaking and passing another vehicle proceeding in the same direction unless such left side is clearly visible and is free of oncoming traffic for a sufficient distance ahead to permit such overtaking and passing to be completely made without interfering with the safe operation of any vehicle approaching from the opposite direction or any vehicle overtaken. In every event the overtaking vehicle must return to the right-hand side of the roadway before coming within one hundred feet of any vehicle approaching from the opposite direction. [C39, §5024.07; C46, §321.303]

321.304 Prohibited passing. No vehicle shall, in overtaking and passing another vehicle or at any other time, be driven to the left side of the roadway under the following conditions:

1. When approaching the crest of a grade or upon a curve in the highway where the driver's view along the highway is obstructed for a distance of approximately seven hundred feet.

2. When approaching within one hundred feet of any narrow bridge, viaduct, or tunnel, when so signposted, or when approaching within one hundred feet of or traversing any intersection or railroad grade crossing.

3. Where official signs are in place directing that traffic keep to the right or a distinctive center line or off-center line is marked, which distinctive line also so directs traffic as declared in the sign manual adopted by the state highway commission. [C35, §5024-e1; C39, §5024.08; C46, §321.304; 53GA, ch 143, §1]

321.305 One-way roadways and rotary traffic islands. Upon a roadway designated and signposted for one-way traffic a vehicle shall be driven only in the direction designated.

A vehicle passing around a rotary traffic island shall be driven only to the right of such island. [C39, §5024.09; C46, §321.305]

321.306 Roadways laned for traffic. Whenever any roadway has been divided into three or more clearly marked lanes for traffic the following rules in addition to all others consistent herewith shall apply:

A vehicle shall be driven as nearly as practical entirely within a single lane and shall not be moved from such lane until the driver has first ascertained that such movement can be made with safety.

Upon a roadway which is divided into three lanes a vehicle shall not be driven in the center lane except when overtaking and passing another vehicle where the roadway is clearly visible and such center lane is clear of traffic
of a vehicle shall start a vehicle which is stopped, standing, or parked unless and until such movement can be made with reasonable safety. [C39, §5024.14; C46, §321.310]

321.311 Turning at intersections. The driver of a vehicle intending to turn at an intersection shall do so as follows:

Both the approach for a right turn and right turn shall be made as close as practical to the right-hand curb or edge of the roadway.

Approach for a left turn shall be made in that portion of the right half of the roadway nearest the center line thereof and after entering the intersection the left turn shall be made so as to depart from the intersection to the right of the center line of the roadway being entered.

Approach for a left turn from a two-way street into a one-way street shall be made in that portion of the right half of the roadway nearest the center line thereof and by passing to the right of such center line where it enters the intersection. A left turn from a one-way street into a two-way street shall be made by passing to the right of the center line of the street being entered upon leaving the intersection.

Local authorities in their respective jurisdictions may cause markers, buttons, or signs to be placed within or adjacent to intersections and thereby require and direct that a different course from that specified in this section be traveled by vehicles turning at an intersection, and when markers, buttons, or signs are so placed no driver of a vehicle shall turn a vehicle at an intersection other than as directed and required by such markers, buttons, or signs. [S13, §1571-m18; C24, 27, 31, 35, §5033; C39, §5025.01; C46, §321.311]

321.312 Turning on curve or crest of grade. No vehicle shall be turned so as to proceed in the opposite direction upon any curve, or upon the approach to, or near the crest of a grade or hill, where such vehicle cannot be seen by the driver of any other vehicle approaching from either direction within five hundred feet. [C39, §5025.02; C46, §321.312]

321.316 Stopping. No person shall stop or suddenly decrease the speed of a vehicle without first giving an appropriate signal in the manner provided herein to the driver of any vehicle immediately to the rear when there is opportunity to give such signal. [S13,§1571-m18; C24, 27, 31, 35,§5032; C39,§5025.06; C46,§321.316]

1. Left turn.—Hand and arm extended horizontally and upward.
2. Right turn.—Hand and arm extended downward. [C39,§5025.08; C46,§321.318]

RIGHT OF WAY

321.319 Approaching or entering intersections. Where two vehicles are approaching on any public street or highway so that their paths will intersect and there is danger of collision, the vehicle approaching the other from the right shall have the right of way.

The foregoing rule is modified at through highways and otherwise as hereinafter stated in this chapter. [S13,§1571-m18; C24, 27, 31, 35,§5035; C39,§5026.01; C46,§321.319]

321.320 Turning left at intersection. The driver of a vehicle within an intersection intending to turn to the left shall yield the right of way to any vehicle approaching from the opposite direction which is within the intersection or so close thereto as to constitute an immediate hazard, but said driver, having so yielded and having given a signal when and as required by this chapter, may make such left turn and the drivers of all other vehicles approaching the intersection from said opposite direction shall yield the right of way to the vehicle making the left turn. [S13,§1571-m18; C24, 27, 31, 35,§5035; C30,§5026.02; C46,§321.320]

No tire on a vehicle moved on a highway shall have on its periphery any block, stud, flange, cleat, or spike or any other protuberances of any material other than rubber which projects beyond the tread of the traction surface of the tire, except that it shall be permissible to use farm machinery with tires having protuberances which will not injure the highway, and except also that it shall be permissible to use tire chains of reasonable proportions upon any vehicle when required for safety because of snow, ice, or other conditions tending to cause a vehicle to skid. [S13,§1571-1a; C24, 27, 31, 35, §§5068, 5070; C39,§5034.51; C46,§321.442]

When such flares are taken up during the times when lighted lamps must be displayed, a lighted fusee shall be placed at the traffic side of such vehicle.

In the event such vehicle is used in the transportation of flammable liquids or gases, whether loaded or empty, no open burning flares or fusees shall be used and red reflector electric lanterns or red reflectors shall be used in lieu thereof.

During the times lighted lamps are not required, red flags shall be used in place of flares or red reflector electric lanterns or red reflectors, provided that if such parking continues into the period when lighted lamps are required, flares or red reflector electric lanterns or red reflectors shall be placed as above provided. A tolerance above the maximum legal weight of any axle or vehicle or combination of vehicles may be allowed as follows:

Three percent on any axle, including tandem axles.

Eight percent of the gross weight on any particular group of axles.

Eight percent on the total gross weight of a vehicle or combination of vehicles.

The weight on any one axle of a vehicle which is transporting livestock may exceed the legal maximum weight given in this chapter providing that the gross weight on any particular group of axles on such vehicle does not exceed the gross weight allowable under this chapter for such group of axles. [C24, 27, 31, 35, §5065; C39, §5035.12; C46, §321.463; 52GA, ch 177, §2; 53GA, ch 139, §5]

321.464 Investigation as to safety. The commissioner upon registering any vehicle under the laws of this state which vehicle is designed and used primarily for the transportation of property or for the transportation of ten or more persons, may require such information and may make such investigation or test as necessary to enable him to determine whether such vehicle may safely be operated upon the highways in compliance with all the provisions of this chapter. He shall register every such vehicle for a permissible gross weight not exceeding the limitations set forth in this chapter. Every such vehicle shall meet the following requirements:

1. It shall be equipped with brakes as required in sections 321.430 and 321.431.

2. Every motor vehicle to be operated outside of business and residence districts shall have motive power adequate to propel at a reasonable speed such vehicle and any load thereon or to be drawn thereby. [C39, §5035.13; C46, §321.464]

321.465 Weighing vehicles and removal of excess. Any peace officer having reason to believe that the weight of a vehicle and load is unlawful is authorized to require the driver to stop and submit to a weighing of the same either by means of portable or stationary scales and may require that such vehicle be driven to the nearest public scales.

Whenever an officer upon weighing a vehicle and load, as above provided, determines that the weight is unlawful, such officer may require the driver to stop the vehicle in a suitable place and remain standing until such portion of the load is removed as may be necessary to reduce the gross weight of such vehicle to such limit as permitted under this chapter. All material so unloaded shall be cared for by the owner or operator of such vehicle at the risk of such owner or operator.

Any driver of a vehicle who fails or refuses to stop and submit the vehicle and load to a weighing, or who fails or refuses when directed by an officer upon a weighing of the vehicle to stop the vehicle and otherwise comply with the provisions of this section, shall be guilty of a misdemeanor and punished as provided in section 321.482. [C31, 35, §4921-d1; C39, §5035.14; C46, §321.465]

321.466 Increased loading capacity—reregistration. An increased gross weight registration may be obtained for any vehicle by payment of one-twelfth of the difference between the annual fee for the higher gross weight and the amount of the fee for the gross weight at which it is registered.

With respect to a vehicle held by a dealer for sale or trade, an increased gross weight registration may be obtained for any such vehicle on or after April 10 of each year upon change of ownership by payment of one-twelfth of the difference between the annual fee for the higher gross weight and the amount of the fee for the gross weight at which it is registered, multiplied by the number of unexpired months of the year.

On or after July 1 of each year, the owner of a motor truck, truck tractor, road tractor, semitrailer or trailer may, if his operation thereof has not resulted in a conviction under this section or an action then pending against him for violation of the same, increase the gross load of any such vehicle to a higher gross weight classification by payment of one-twelfth of the difference between the annual fee for the higher gross weight and the amount of the fee for the gross weight at which it is registered, multiplied by the number of unexpired months of the year.

Upon conversion of a truck to a truck tractor or a truck tractor to a truck, an increased gross weight registration of the proper type may be obtained for any such vehicle by payment of one-twelfth of the difference between the annual fee for the higher gross weight and the amount of the annual fee for the gross weight at which it is registered, multiplied by the number of unexpired months of the year from the date of such conversion.

It shall be unlawful for any person to operate a motor truck, trailer, truck tractor, road tractor, semitrailer or combination thereof, on the public highways with a gross weight exceeding that for which it is registered by more than five percent of the gross weight for which it is registered, provided, however, that any vehicle or vehicle combination referred to herein, while carrying a load of raw farm products, soil fertilizers, including ground limestone, raw dairy products or livestock, live poultry, eggs, may be operated with a gross weight of twenty-five percent in excess of the gross weight for which it is registered. [C24, 27, §4921; C31, 35, §§4921-c1, -c2; C39, §5035.15; C46, §321.466]

[C39, §5035.17; C46, §321.468]

321.470 Carried in vehicle. Every such permit shall be carried in the vehicle or combination of vehicles to which it refers and shall be open to inspection by any peace officer or authorized agent of any authority granting such permit, and no person shall violate any of the terms or conditions of such special permit. [C39, §5035.19; C46, §321.470]

321.471 Local authorities may restrict. Local authorities with respect to highways under their jurisdiction may by ordinance or resolution prohibit the operation of vehicles upon any such highway or impose restrictions as to the weight of vehicles to be operated upon any such highway, for a total period of not to exceed ninety days in any one calendar year, whenever any said highway by reason of deterioration, rain, snow, or other climatic conditions will be seriously damaged or destroyed unless the use of vehicles thereon is prohibited or the permissible weights thereof reduced. [C24, 27, §4996; C31, 35, §§4686-c1, 4996; C39, §5035.20; C46, §321.471]

321.472 Signs posted. The local authority enacting any such ordinance or resolution shall erect or cause to be erected and maintained signs designating the provisions of the ordinance or resolution at each end of that portion of any highway affected thereby, and the ordinance or resolution shall not be effective unless and until such signs are erected and maintained. [C31, 35, §4686-c1; C39, §5035.21; C46, §321.472]

[C39, §5035.22; C46, §321.173]

321.474 Highway commission may restrict. The state highway commission shall likewise have authority as hereinabove granted to local authorities to determine by resolution and to impose restrictions as to the weight of vehicles operated upon any highway under the jurisdiction of said commission and such restrictions shall be effective when signs giving notice thereof are erected upon the highway or portion of any highway affected by such resolution. [C24, 27, 31, 35, §5066: C39, §5035.23; C46, §321.474]

Whenever such driver is not the owner of such vehicle, object, or contrivance, but is so operating, driving, or moving the same with the express or implied permission of said owner, then said owner and driver shall be jointly and severally liable for any such damage. Such damage may be recovered in a civil action brought by the authorities in control of such highway or highway structure. [C39, §5035.24; C46, §321.475]

Such a person shall also file the original policy of insurance or a certified copy thereof, if available, and such other
documents as the commissioner may require to show that the loss, injury, or damage for which such judgment was rendered, was covered by such policy of insurance. If the commissioner is satisfied from such papers that such insurer was authorized to issue such policy of insurance at the time and place of issuing such policy and that such insurer is liable to pay such judgment, at least to the extent and for the amounts required in this chapter, the commissioner shall not suspend such license or registration or nonresident's operating privilege, or if already suspended shall reinstate them. 2. The commissioner shall not suspend a license, registration, or nonresident's operating privilege, and shall restore any license, registration, or nonresident's operating privilege suspended following nonpayment of a judgment, when the judgment debtor gives proof of financial responsibility and obtains such an order permitting the payment of such judgment in installments, and while the payment of any said installment is not in default.

3. In the event the judgment debtor fails to pay any installment as specified by such order, then upon notice of such default, the commissioner shall forthwith suspend the license, registration, or nonresident's operating privilege of the judgment debtor until such judgment is satisfied, as provided in this chapter. 2. Such certificate shall give the effective date of such motor vehicle liability policy, which date shall be the same as the effective date of the certificate, and shall designate by explicit description or by appropriate reference all motor vehicles covered thereby, unless the policy is issued to a person who is not the owner of a motor vehicle.

2. No motor vehicle shall be or continue to be registered in the name of any person required to file proof of financial responsibility unless such motor vehicle is so designated in such a certificate. [52GA, ch 172, §19]

321A.20 Certificate furnished by nonresident as proof.

1. The nonresident owner of a motor vehicle not registered in this state may give proof of financial responsibility by filing with the commissioner a written certificate or certificates of an insurance carrier authorized to transact business in the state in which the motor vehicle, or motor vehicles, described in such certificate is registered, or if such nonresident does not own a motor vehicle, then in the state in which the insured resides, provided such certificate otherwise conforms with the provisions of this chapter, and the commissioner shall accept the same upon condition that said insurance carrier complies with the following provisions with respect to the policies so certified:

a. Said insurance carrier shall execute a power of attorney authorizing the commissioner to accept service on its behalf of notice or process in any action arising out of a motor vehicle accident in this state.

b. Said insurance carrier shall agree in writing that such policies shall be deemed to conform with the laws of this state relating to the terms of motor vehicle liability policies issued herein.

2. If any insurance carrier not authorized to transact business in this state, which has qualified to furnish proof of financial responsibility, defaults in any said undertakings or agreements, the commissioner shall not thereafter accept as proof any certificate of said carrier whether theretofore filed or thereafter tendered as proof, so long as such default continues. [52GA, ch 172, §20]

321A.21 “Motor vehicle liability policy” defined.

1. A “motor vehicle liability policy” as said term is used in this chapter shall mean an owner's or an operator's policy of liability insurance, certified as provided in section 321A.19 or section 321A.20 as proof of financial responsibility, and issued, except as otherwise provided in section 321A.20, by an insurance carrier duly authorized to transact business in this state, to or for the benefit of the person named therein as insured.

2. Such owner's policy of liability insurance:

a. Shall designate by explicit description or by appropriate reference all motor vehicles with respect to which coverage is thereby to be granted; and

b. Shall insure the person named therein and any other person, as insured, using any such motor vehicle or motor vehicles with the express or implied permission of such named insured, against loss from the liability imposed by law for damages arising out of the ownership, maintenance, or use of such motor vehicle or motor vehicles within the United States of America or the Dominion of Canada, subject to limits exclusive of interest and costs, with respect to each such motor vehicle, as follows: Five thousand dollars because of bodily injury to or death of one person in any one accident and, subject to said limit for one person, ten thousand dollars because of bodily injury to or death of two or more persons in any one accident, and one thousand dollars because of injury to or destruction of property of others in any one accident.

3. Such operator's policy of liability insurance shall insure the person named as insured therein against loss from the liability imposed upon him by law for damages arising out of the use by him of any motor vehicle not owned by him, within the same territorial limits and

5. Such motor vehicle liability policy need not insure any liability under any workmen’s compensation law nor any liability on account of bodily injury to or death of an employee of the insured while engaged in the employment, other than domestic, of the insured, or while engaged in the operation, maintenance, or repair of any such motor vehicle nor any liability for damage to property owned by, rented to, in charge of, or transported by the insured.

6. Every motor vehicle liability policy shall be subject to the following provisions which need not be contained therein:

a. The liability of the insurance carrier with respect to the insurance required by this chapter shall become absolute whenever injury or damage covered by said motor vehicle liability policy occurs; said policy may not be canceled or annulled as to such liability by any agreement between the insurance carrier and the insured after the occurrence of the injury or damage; no statement made by the insured or on his behalf and no violation of said policy shall defeat or void said policy.

b. The satisfaction by the insured of a judgment for such injury or damage shall not be a condition precedent to the right or duty of the insurance carrier to make payment on account of such injury or damage.

c. The insurance carrier shall have the right to settle any claim covered by the policy, and if such settlement is made in good faith, the amount thereof shall be deductible from the limits of liability specified in paragraph b of subsection 2 of this section.

d. The policy, the written application therefore, any, and any rider or indorsement which does not conflict with the provisions of the chapter shall constitute the entire contract between the parties.

7. Any policy which grants the coverage required for a motor vehicle liability policy may also grant any lawful coverage in excess of or in addition to the coverage specified for a motor vehicle liability policy and such excess or additional coverage shall not be subject to the provisions of this chapter. With respect to a policy which grants such excess or additional coverage the term “motor vehicle liability policy” shall apply only to that part of the coverage which is required by this section.

8. Any motor vehicle liability policy may provide that the insured shall reimburse the insurance carrier for any payment the insurance carrier would not have been obligated to make under the terms of the policy except for the provisions of this chapter.

9. Any motor vehicle liability policy may provide for the prorating of the insurance thereunder with other valid and collectible insurance.

10. The requirements for a motor vehicle liability policy may be fulfilled by the policies of one or more insurance carriers which policies together meet such requirements.

11. Any binder issued pending the issuance of a motor vehicle liability policy shall be deemed to fulfill the requirements for such a policy. [52GA, ch 172, §21]

2. This chapter shall not be held to apply to or affect policies insuring solely the insured named in the policy against liability resulting from the maintenance or use by persons in the insured’s employ or on his behalf of motor vehicles not owned by the insured. [52GA, ch 172, §23]

1. Proof of financial responsibility may be evidenced by the bond of a surety company duly authorized to transact business within this state, or a bond with at least two individual sureties each owning real estate within this state, and either having equities equal in value to at least twice the amount of the bond, which real estate shall be scheduled in the bond approved by a judge or clerk of a court of record, which said bond shall be conditioned for payment of the amounts specified in subsection 10 of section 321A.1. Such
bond shall be filed with the commissioner and shall not be cancelable except after ten days written notice to the commissioner. Such bond shall constitute a lien in favor of the state upon the real estate so scheduled of any surety, which lien shall exist in favor of any holder of a final judgment against the person who has filed such bond, for damages, including damages for care and loss of services, because of bodily injury to or death of any person, or for damage because of injury to or destruction of property, including the loss of use thereof, resulting from the ownership, maintenance, use, or operation of a motor vehicle after such bond was filed, upon the filing of notice to that effect by the commissioner to the owner, or is or later becomes a member of the immediate family or household of the owner, the commissioner shall accept proof given by such owner in lieu of proof by such other person to permit such other person to operate a motor vehicle for which the owner has given proof as herein provided or has qualified as a self-insurer under section 321A.34. The commissioner shall designate the restrictions imposed by this section on the face of such personal license. [52GA, ch 172,$26]

2. If such a judgment, rendered against the principal on such bond shall not be satisfied within sixty days after it has become final, the judgment creditor may, for his own use and benefit and at his sole expense, bring an action or actions in the name of the state against the company or persons executing such bond, including an action or proceeding to foreclose any lien that may exist upon the real estate of a person who has executed such bond. An action to foreclose any lien upon real estate scheduled by any surety under the provisions of this chapter shall be by equitable proceeding in the same manner as is provided for the foreclosure of real estate mortgages. [52GA, ch 172,$24]

321A.26 Money or securities as proof.

1. Proof of financial responsibility may be evidenced by the certificate of the state treasurer that the person named therein has deposited with him eleven thousand dollars in cash, or securities such as may legally be purchased by savings banks or for trust funds of a market value of eleven thousand dollars. The state treasurer shall not accept any such deposit and issue a certificate therefor and the commissioner shall not accept such certificate unless accompanied by evidence that there are no unsatisfied judgments of any character against the depositor in the county where the depositor resides.

2. Such a deposit shall be held by the state treasurer to satisfy, in accordance with the provisions of this chapter, any execution on a judgment issued against such person making the deposit, for damages, including damages for care and loss of services, because of bodily injury to or death of any person, or for damages because of injury to or destruction of property, including the loss of use thereof, resulting from the ownership, maintenance, use, or operation of a motor vehicle after such deposit was made. Money or securities so deposited shall not be subject to attachment or execution unless such attachment or execution shall arise out of a suit for damages as aforesaid. [52GA, ch 172,$25]

321A.27 Substitution of proof.

The commissioner shall consent to the cancellation of any bond or certificate of insurance or the commissioner shall direct and the state treasurer shall return any money or securities to the person entitled thereto upon the substitution and acceptance of other adequate proof of financial responsibility pursuant to this chapter. [52GA, ch 172,$27]

321A.28 Other proof may be required.

Whenever any proof of financial responsibility filed under the provisions of this chapter no longer fulfills the purposes for which required, the commissioner shall for the purpose of this chapter, require other proof as required by this chapter and shall suspend the license and registration or the nonresident’s operating privilege pending the filing of such other proof. [52GA, ch 172,$28]
321A.29 Duration of proof—when proof may be canceled or returned.

1. The commissioner shall upon request consent to the immediate cancellation of any bond or certificate of insurance, or the commissioner shall direct and the state treasurer shall return to the person entitled thereto any money or securities deposited pursuant to this chapter as proof of financial responsibility, or the commissioner shall waive the requirement of filing proof, in any of the following events:

   a. At any time after three years from the date such proof was required when, during the three-year period preceding the request, the commissioner has not received record of a conviction or a forfeiture of bail which would require or permit the suspension or revocation of the license, registration, or nonresident's operating privilege of the person by or for whom such proof was furnished; or

   b. In the event of the death of the person on whose behalf such proof was filed or the permanent incapacity of such person to operate a motor vehicle; or

   c. In the event the person who has given proof surrenders his license and registration to the commissioner;

2. Provided, however, that the commissioner shall not consent to the cancellation of any bond or the return of any money or securities in the event any action for damages upon a liability covered by such proof is pending or any judgment upon any such liability is then unsatisfied, or in the event the person who has filed such bond or deposited such money or securities has within one year immediately preceding such request been involved as an operator or owner in any motor vehicle accident resulting in injury or damage to the person or property of others. An affidavit of the applicant as to the nonexistence of such facts, or that he has been released from all of his liability, or has been finally adjudicated not to be liable, for such injury or damage, shall be sufficient evidence thereof in the absence of evidence to the contrary in the records of the commissioner.

3. Whenever any person whose proof has been canceled or returned under paragraph c of subsection 1 of this section applies for a license or registration within a period of three years from the date proof was originally required, any such application shall be refused unless the applicant shall re-establish such proof for the remainder of such three-year period. [52GA, ch 172,§29; 53GA, ch 115,§6]

321A.31 Surrender of license and registration.

Any person whose license or registration shall have been suspended as herein provided, or whose policy of insurance or bond, when required under this chapter, shall have been canceled or terminated, or who shall neglect to furnish other proof upon request of the commissioner shall immediately return his license and registration to the commissioner. If any person shall fail to return to the commissioner the license or registration as provided herein, the commissioner shall forthwith direct any peace officer to secure possession thereof and to return the same to the commissioner. [C31, 35,§5079-c4; C39,§5021.01; C46,§321.275; 52GA, ch 172,§§31, 35]

321A.32 Other violations—penalties.

1. Any person whose license or registration or nonresident's operating privilege has been suspended or revoked under this chapter and who, during such suspension or revocation, drives any motor vehicle upon any highway or knowingly permits any motor vehicle owned by such person to be operated by another upon any highway, except as permitted under this chapter, shall be fined not more than five hundred dollars or imprisoned not exceeding six months, or both.

2. Any person willfully failing to return license or registration as required in section 321A.31 shall be fined not more than five hundred dollars or imprisoned not to exceed thirty days, or both.

3. Any person who shall forge or, without authority, sign any notice provided for under section 321A.5 that a policy or bond is in effect, or any evidence of proof of financial responsibility, or who files or offers for filing any such notice or evidence of proof knowing or having reason to believe that it is forged or signed without authority, shall be fined not more than one thousand dollars or imprisoned not more than one year, or both.

4. Any person who shall violate any provision of this chapter for which no penalty is otherwise provided shall be fined not more than five hundred dollars or imprisoned not more than ninety days, or both. [C31, 35,§5079-c7; C39,§5021.05; C46,§321.279; 52GA, ch 172,§§31, 35]

321A.33 Exceptions. This chapter shall not apply with respect to any motor vehicle owned by the United States, this state, or any political subdivision of this state, or any municipality therein, nor to any operator, except for section
§321A.4, while on official duty operating such motor vehicle; nor, except for section 321A.4 and section 321A.26, with respect to any motor vehicle which is subject to the requirements of section 325.26, and section 327.15. [52GA, ch 172,§33; 53GA, ch 145,§4]

321A.34 Self-Insurers.
1. Any person in whose name more than twenty-five motor vehicles are registered may qualify as a self-insurer by obtaining a certificate of self-insurance issued by the commissioner as provided in subsection 2 of this section.
2. The commissioner may, in his discretion, upon the application of such a person, issue a certificate of self-insurance when he is satisfied that such person is possessed and will continue to be possessed of ability to pay judgments obtained against such person for damages arising out of the ownership, maintenance, or use of any vehicle owned by such person.
3. Upon not less than five days notice and a hearing pursuant to such notice, the commissioner may upon reasonable grounds cancel a certificate of self-insurance. Failure to pay any judgment for damages arising out of the ownership, maintenance, or use of any vehicle owned by such self-insurer within thirty days after such judgment shall have become final shall constitute a reasonable ground for the cancellation of a certificate of self-insurance. 1. No person shall engage in this state in the business of selling at retail new motor vehicles of any make or represent or advertise that he is engaged or intends to engage in such business in this state unless he is authorized by a contract in writing between himself and the manufacturer or distributor of such make of new motor vehicles to so dispose thereof in this state and unless the department has licensed the person as a motor vehicle dealer in this state in motor vehicles of such make and has issued to the person a license in writing as in this chapter provided.

2. 3. Nothing contained in subsections 1 and 2 hereof shall be construed as requiring the separate licensing of persons employed as salesmen of motor vehicles by a licensee hereunder, but the department is hereby authorized and empowered to make, publish, and promulgate such reasonable rules and regulations as it may deem necessary for the proper identification of persons so employed as salesmen by any such licensee.

4. No person, who is engaged in the business of selling at retail motor vehicles, shall enter into any contract, agreement, or understanding, express or implied, with any manufacturer or distributor of any such motor vehicles that he will sell, assign, or transfer any retail installment contracts arising from the retail installment sale of such motor vehicles or any one or more thereof only to a designated person or class of persons. 8. Such other information touching the business of the applicant as the department may require.
For the purpose of investigating the matters contained in such application the department may withhold the granting of a license for a period not exceeding thirty days. [C39, §5039.04; C46, §322.4]

322.5 License fee. The license fee for a motor vehicle dealer for each calendar year or part thereof shall be the sum of fifteen dollars, to be paid to the department at the time a license is applied for. In case the application is denied, the department shall refund the amount of such fee to the applicant. [C39, §5039.05; C46, §322.5]

322.6 Denial of license. The department shall deny the application of any person for a license as a motor vehicle dealer and refuse to issue a license to him as such, if, after reasonable notice and a hearing, the department determines that such applicant:
1. Has made a material false statement in his application for the license; or
2. Has not complied with the provisions of this chapter; or
3. Is of bad business repute; or
4. Has been guilty of a fraudulent act in connection with selling, bartering, or otherwise dealing in motor vehicles; or

7. Has a contract or agreement with any manufacturer or distributor of motor vehicles or is about to enter into a contract or agreement with any manufacturer or distributor of motor vehicles, who without just, reasonable, and lawful cause therefor, has terminated within ninety days from the date of application a contract or agreement with a motor vehicle dealer in any county of the state in which the applicant proposes to engage in business;

It shall be sufficient cause for refusal or revocation of a license as a motor vehicle dealer in the case of a partnership or corporation if any member of the partnership or any officer or director of the corporation has committed any act or omission which would be cause for refusing or revoking a license to such person as an individual.

In considering whether or not a contract or agreement between a motor vehicle dealer and a manufacturer or distributor of motor vehicles has been terminated by such manufacturer or distributor without just and reasonable cause therefor, the department shall take into consideration the circumstances existing at the time of such termination, including the amount of business transacted by the motor vehicle dealer pursuant to the contract or agreement and prior to such termination; the investment necessarily made and the obligation necessarily incurred by the motor vehicle dealer in the performance of his part of such contract; the permanency of such investment; the reasons for such termination by such manufacturer or distributor and the fact that it is injurious to the public welfare for the business of a motor vehicle dealer to be disrupted by termination of such contract without just and reasonable cause.

Whenever the department determines to deny the application of any person for a license as a motor vehicle dealer and refuses to issue a license to him as such, the department shall enter a final order thereof with its findings relating thereto within thirty days from the date of the hearing thereon. [C39, §5039.06; C46, §322.6]

from time to time during the period of the license, statements supplemental to the statements contained in his application for license whenever any change shall occur in his personnel or in his plan or method of doing business or in the location of his place or places of business, so that the statements made in the application do, after such change, properly disclose the licensee's status and method and plan of doing business. The supplemental statement shall be in the form prescribed by the department and shall disclose such information as would have been required by this chapter if such changes had occurred prior to the licensee making application for a license.

If the department finds that the changes set forth in the supplemental statement do not violate the provisions of this chapter and it grants to the licensee the privilege of doing business in the manner set forth therein, it shall upon surrender to it of the license of the motor vehicle dealer, issue to him a new license appropriate to the dealer's original application as modified by such supplemental statement.

MOTOR VEHICLE DEALERS, Ch 322, §322.12

322.9 Revocation of license. The department is hereby authorized to revoke or suspend the license of any licensee if, after notice and hearing, it finds that such licensee has been guilty of any act which would have been a ground for the denial of a license under section 322.6.

The department is further authorized to revoke or suspend the license of any licensee if, after notice and hearing, it finds that such licensee has been convicted or has forfeited bail on three charges of:

1. Failing to give the required notice to the county treasurer, upon the form on the reverse side of the certificate of registration, of any transfer of ownership of any registered motor vehicle sold or transferred by such licensee; and/or

2. Failing to join in a notice of transfer to the county treasurer with the former owner of a registered vehicle which such licensee has purchased or otherwise acquired the ownership of; and/or

3. Failing to make application to the county treasurer for the transfer of, and for a new certificate of registration for, any registered motor vehicle, which such licensee has purchased or otherwise acquired the ownership of; provided, however, that the provisions of this subsection shall not apply with respect to any such violations, convictions or forfeitures of bail occurring prior to July 4, 1949. When said notice is so served it shall, with the return thereon, be filed in the office of the clerk of said district court, and docketed as other cases, with the appellant as plaintiff and the department as defendant. In any such action, the department may apply for and on due showing be entitled to have issued the court's subpoena, requiring forthwith the appearance of any defendant, his agent and employees and the production of documents, books, and records as may appear necessary for the hearing of such petition to testify and give evidence concerning the acts or conduct or practices or things complained of in such application for injunction. In said action an order or judgment may be entered, awarding such preliminary or final injunctions as may be proper. [C39,§5039.11; C46,§322.11]

324.2 Tax imposed. A license fee of four cents per gallon or fraction of a gallon is hereby imposed on the sale or use of all motor fuel sold or used in this state for any purpose whatsoever, and on all fuel oil used or sold for the purpose of propelling motor vehicles on the highways of the state, and on all fuel oil used in any maintenance and construction work which is paid for from public funds, except that no license fee shall be imposed on motor vehicle fuel sold and exported from the state of Iowa or on motor vehicle fuel refined at a refinery in this state and stored thereat, or on motor vehicle fuel imported into the state by boat, barge or pipe line and stored at a marine or pipe-line terminal so long as the same remains in storage at such refinery, marine or pipe-line terminal or on motor vehicle fuel sold to the United States or any of its instrumentalities or agencies, unless permitted by the constitution and laws of the United States, provided however that no license fee shall be imposed on the motor vehicle fuel brought into this state in the ordinary fuel tanks attached to and forming a part of a motor vehicle operating upon the highways where such amount does not exceed twenty gallons in the ordinary automobile and fifty gallons in buses and trucks, and any person bringing into this state in any motor vehicle more motor vehicle fuel than here provided shall be guilty of a misdemeanor and shall be punished by a fine of not less than twenty dollars and not more than one hundred dollars or imprisonment in the county jail for not less than ten nor more than thirty days and each such entry shall be considered a separate offense. Said license fee shall be paid to the state of Iowa but once on any particular gallonage of motor vehicle fuel. Any person selling, using or otherwise disposing of motor vehicle fuel within the state shall be liable for the license fees herein provided for, unless the same shall have been previously paid. Said license fee shall be advanced, remitted, collected and paid by the persons and at the time and in the manner hereinafter provided. The said license fees when paid shall be disposed of in the manner hereinafter provided. (C27, 31, §§755-1236, 5093-a1; C35, §5093-f3; C39, §5093.03; C46, §324.2; 52GA, ch 178, §2)

Said tax shall be paid to the state by the distributor, or other person who imports or first receives said motor vehicle fuel in this state, or who manufactures, compounds, or blends motor vehicle fuel in this state, at the times and in the manner provided in this chapter; provided, however, that when motor vehicle fuel is received by a licensed distributor from a refinery, marine or pipe-line terminal in this state, only the licensed distributor receiving same therefrom shall be liable for the tax thereon, and that any person ordering the delivery of motor vehicle fuel from a refinery, marine or pipe-line terminal in this state to a person in the state who is not a licensed distributor shall be liable for the tax. The interstate character of the transportation of motor vehicle fuel coming from without the state by pipe line, boat, or barge shall not be deemed to have been terminated by the mere
storage thereof at a marine or pipe-line terminal in this state. Any person not a licensed distributor who exports motor vehicle fuel from a refinery, marine or pipe-line terminal in this state to another state shall secure from the treasurer an exporter's license and shall report each exportation to the treasurer by United States mail within forty-eight hours after such exportation and provide further that the operator of such refinery, marine or pipe-line terminal shall be required to keep, subject to inspection at any time by the state treasurer, such records, and to render to the state treasurer monthly such reports as the state treasurer may require to insure proper enforcement of the provisions of this chapter. If any rebate, discount, commission, or other concession is granted by distributors or persons engaged in the sale of motor vehicle fuel or fuel oil of such nature as will reduce the cost or price to any purchaser or consumer of such products, the conditions, quantity, and amount of such rebate, discount, commission, or other concession shall be kept as a part of the posted price. Provided, however, at all places making wholesale sales only and upon motor vehicle transports, the words and figures shall be of such size as to be plainly legible to the public and as approved by the treasurer. All price placards shall be subject to the approval of the treasurer. Any distributor or person failing to post or keep posted the placard required by this section, or who posts placards not approved by the treasurer as provided in this section, or who sells any motor vehicle fuel or fuel oil at a price which directly or indirectly, by any means or device, deviates from the posted price set forth on the price placard approved by the treasurer, shall be guilty of a misdemeanor and shall be punished by a fine of one hundred dollars or imprisonment in the county jail for thirty days. Nothing contained herein shall prohibit or restrict the distribution of earnings to the members of any distributor or person, nor to the distribution to consumers of road maps, publicity and other advertising media carrying the name of the distributor, person, or produce. Each day the required placard remains unposted or an unauthorized placard remains posted, or each deviation from the posted price, shall be considered a separate offense. In the event of a third conviction for the violation of any of the provisions of this section, the state treasurer may revoke the license of such distributor or person so convicted. [C27, §31,§5093-a3; C35, §5093-f4; C39,§5093.04; C46,§324.4] 50GA, ch 165,§6, editorially divided

A fee of one dollar shall be collected by the treasurer from each person to whom a distributor's license is issued. [C35,§5093-f5; C39, §5093.05; C46,§324.5] 50GA, ch 165,§6, editorially divided

Every holder of such a license shall keep a record of receipts and sales of liquefied gas on forms prescribed or approved by the treasurer, and prescribe said records for a period of three years, which records shall be open to the inspection of the treasurer or his agents or employees. [C27, 31,§5093-a4; C35,§5093-f5; C39,§5093.05; C46,§324.7]

Said application shall also contain such other information as the treasurer shall demand or the forms prepared by him require. [C31,§5093-c2; C35,§5093-f6; C39,§5093.06; C46,§324.9]

§324.10 Security required of distributor before license issued. Each applicant for a distributor's or liquefied gas distributor's license, except agencies of the state and municipal corporations in the state or other governmental subdivisions of the state shall, before the license is issued to him, file with the treasurer of state a bond payable to the state in the sum of one thousand dollars and such additional sum or satisfactory property statement as the treasurer of state shall determine, which bond or property statement is to be approved by the treasurer of state. [C31,§5093-c2; C35,§5093-f7; C39,§5093.07; C46,§324.10]

§324.11 Records required to be kept by distributor. Each distributor must keep a true and accurate record on such form as the treasurer of state may approve or prescribe of each consignment of motor vehicle fuel received by him showing the person from whom received, the method of transportation employed in delivering the same to the distributor, and the identification of the tank car, and of the truck if delivered by truck, the character of the product and the disposition made thereof. Such distributor must also preserve all invoices, bills of lading, and other pertinent papers in connection with the purchase and receipt of motor vehicle fuel and all sales tickets, invoices, and other pertinent papers in connection with the sale of motor vehicle fuel, and to keep such records of purchases and sales as the treasurer of state shall prescribe. Said distributor must likewise keep a record of his receipts and sales of motor vehicle fuel on such form as the treasurer of state may approve or prescribe and must make and transmit to the treasurer of state an inventory of all petroleum products on hand upon call of the treasurer of state, and each distributor must upon demand of the treasurer of state furnish a statement under oath reflecting the contents of any records to be kept under the provisions of this chapter. The records required by this section must be preserved by the distributor for a period of three years after the making thereof and all such records must be available at all times for the inspection of the treasurer of state or his representatives.

The provisions of this section shall apply to and govern each liquefied gas distributor. In addition each liquefied gas distributor shall keep a record of all sales of liquefied gas for all purposes and showing all sales of liquefied gas for use in automobiles, trucks, airplanes, motorboats, tractors, and/or other mechanical contrivances which are propelled by their own power, the said record to show the date of sale, and the name and address of person to whom sold. §324.12 Registration of vehicles using liquefied gas. Every liquefied motor fuel user shall annually before January 1 register with the treasurer on forms prescribed by him every automobile, truck, airplane, motorboat, tractor, or other mechanical contrivance owned by him and equipped to use liquefied gas for the purpose of propelling same. Upon registration of same the treasurer shall issue a serially numbered certificate which shall be carried on the windshield, or if there is no windshield, in a prominent place in the compartment occupied by the operator. A failure to so register shall constitute a misdemeanor.
punishable by fine of not more than one hundred dollars, or imprisonment in the county jail for not more than thirty days. [C46,§324.12]

324.13 Monthly reports of distributors. On or before the twentieth day of each calendar month, each distributor of motor vehicle fuel shall file in the office of the treasurer of state at Des Moines a report, duly verified under oath, on forms prescribed and furnished by said treasurer, showing:

1. The total number of gallons of motor vehicle fuel received by him from outside the state during the preceding calendar month, the person from whom received, the date of receipt, unloading point, tank car identification and invoiced gallonage of each tank car or other receptacle in which motor vehicle fuel is imported into the state. If said motor vehicle fuel was imported by truck, said report shall show the name of person from whom received, date of receipt, the unloading point, the invoiced gallonage of each truck load, the name of the manufacturer of the truck, the name of the owner, the name of the person in charge of the truck when delivery was made, and motor vehicle transport license number of the truck, and number of the manifest covering each shipment, or load, and (a) the total number of gallons thereof imported by boat, barge, or pipe line and stored at a marine or pipe-line terminal and (b) the total number of gallons thereof taken from such marine or pipe-line terminal storage during the preceding calendar month for sale or use in this state or for transportation or shipment to points within this state.

2. The total number of gallons of motor vehicle fuel produced, refined, manufactured, blended, or compounded, and the date thereof, and the place where such processing occurred and the materials used therein and the source from which obtained, and (a) the total number of gallons thereof refined at a refinery in this state and stored at such refinery and (b) the total number of gallons thereof taken from such refinery storage for sale or use in this state or for transportation or shipment to points within this state.

3. The total number of gallons of motor vehicle fuel received by him from points within the state during the preceding calendar month, the name of the person from whom received, the date of receipt, unloading point, tank car identification, and invoiced gallonage of each tank car or other receptacle in which received. And if received by truck, said report shall show the name of person from whom received, the date of receipt, unloading point, invoiced gallonage of each truck load, the name of the manufacturer of the truck, the name of the owner, the name of the person in charge of the truck when delivery was made, and motor vehicle transport license number of the truck. Said report shall also show whether the price paid for such motor vehicle fuel included the license fee payable under the provisions of this chapter. All such information as to gallonage received from points within the state shall be only for the use and guidance of the treasurer, if the license fee has been previously paid on such gallonage and such gallonage shall not be included in the gallonage on which the license fees are payable by said distributor unless the license fees thereon have not been previously paid to the state.

Said report shall also be accompanied by the certificates of purchase covering fuel oil sold for resale, and the distributor shall pay the tax on such amount as was used or sold for use in motor vehicles.

A distributor handling fuel oil may, if he desires, make his report as to fuel oil on an inventory basis, by giving the treasurer thirty days notice of an intention to so report. In that event he may deduct the fuel oil on hand at the end of each month to determine the gallonage on which the tax is to be computed. In such case, he must show on his monthly report the gallonage on hand at the commencement of each month, and so make his report on forms prescribed by the treasurer as to show the amount of fuel oil sold or used during the month, and the amount thereof covered by purchase certificates and sales for nontaxable use and pay the tax on any balance.

A distributor may with the approval of the treasurer, in connection with his fuel oil report, merely list the certificates of purchase held by him covering fuel oil used or sold by him during the preceding calendar month, and such certificates so listed may be retained by the distributor subject to be inspected by the treasurer or his representative.

7. Said report shall contain such other information as the treasurer may demand or may be called for by the forms prepared by him. [C27, 31,§§5093-a5, b1; C35,§5093-f; C39,§5093-0; C46,§324.13]

At the same time he shall remit to the treasurer the amount of the license fee on motor vehicle fuel produced or received by said distributor for sale or use within the state during the preceding calendar month on which a license fee is payable under the provisions of this chapter; provided, however, that in computing said amount a deduction of three percent of the invoiced gallonage received from outside the state or produced, manufactured, compounded, or blended within the state, and which remained within the state may be made for evaporation and loss. 324.15 Refund of fee on destroyed fuel. If while enroute to its destination from storage or refinery without the state or from barge or pipe-line terminal within the state, any motor fuel is lost or destroyed by accident the treasurer upon proper application and satisfactory proof of such destruction or loss satisfactory to the treasurer, the said treasurer is authorized to certify to the amount of license fees so paid thereon to the comptroller of state as a refund. The comptroller of state shall issue his warrant drawn on the motor fuel distributor at said time, the excess shall be repaid to said distributor. [C27, 31, §5093-a5; C35, §5093-f9; C39, §§5093.09; C46, §324.15; 52GA, ch 178, §3]

324.17 Applicability to liquefied gas distributors. The provisions of sections 324.13 to 324.16, inclusive, shall apply to liquefied gas distributors, except as hereinafter provided. Liquefied gas distributors shall also report under oath on forms prescribed and furnished by the treasurer, the total number of gallons of liquefied gas imported from outside the state, and also the total number of gallons of liquefied gas produced, refined, manufactured, blended, or compounded within the state, and the date thereof, and the place where such processing occurred, and the materials used therein, and the date of sale, name and address of the person to whom sold, and the quantity in gallons of all liquefied gas sold or used by the liquefied gas distributor, for use in automobiles, trucks, airplanes, motorboats, tractors, and/or other mechanical contrivances which are propelled by their own power, during the preceding calendar month. At the same time each liquefied gas distributor shall remit to the treasurer the amount of the license fees on the liquefied gas sold, or used by him for use in automobiles, trucks, airplanes, motorboats, tractors, and/or other mechanical contrivances propelled by their own power, and on the liquefied gas sold by him to liquefied gas dealers. [C27, 31, §5093-a5; C35, §5093-f9; C39, §§5093.09; C46, §324.17]

324.18 Cancellation of distributor's license. The treasurer may revoke any distributor's license issued under the provisions of this chapter, where it appears to the satisfaction of the treasurer, that the distributor holding such license has failed to accurately or correctly make the reports, or keep the records required by this chapter, or has refused to give to the treasurer or his representatives free access to his books and records, or has failed to pay the license fees shown to be due by his reports, or determined to be due by the treasurer in accordance with the provisions of this chapter, provided, however, that if said distributor disputes the correctness of the treasurer's finding as to the amount of tax due, he may pay the amount demanded by the treasurer, under protest and avoid a cancellation of his license on that account until the matter has been determined by the court. And should the court determine in the manner provided by this chapter that the amount thus paid is in excess of the amount actually owing by said distributor at said time, the excess shall be repaid to said distributor.

Before the treasurer shall cancel any distributor's license he shall advise the distributor of the charges against him, and shall give the distributor an opportunity to be heard and to be represented by counsel and to show cause why the license should not be canceled. Such notice of the charges and opportunity to show cause may be furnished to the distributor by registered mail, addressed to him at his place of business and must be mailed or served at least five days before the day fixed by the treasurer for the hearing. [C27, 31, §5093-a5; C35, §5093-f10; C39, §§5093.10; C46, §324.18]
324.19 Treasurer may assess amount of license fees due. If the treasurer of state should at any time receive complaints or reports from any source that any licensed distributor is suspected of evading the payment of the license fees provided by this chapter or is failing to report all of the motor vehicle fuel received by him and sold, used or otherwise disposed of by him in this state, or should receive complaints or reports from any source that some person is suspected of acting as a distributor without a license and without the payment of the license fees imposed by this chapter upon distributors, the treasurer of state may, upon five days notice to such distributor or other person of the time and place of hearing and the nature thereof, proceed to hold a hearing and to determine the amount of license fee, if any, due from such licensed distributor or other person on motor vehicle fuel not reported to the treasurer as provided by this chapter, and said treasurer may adjourn said hearing from time to time until completion thereof. Said treasurer of state may use any information available to him to determine what amount, if any, of license fees are owing by said distributor or other persons. And he shall immediately assess the license fees in the amount found due together with a penalty of one hundred percent of such amount. [C35, §5093-f11; C39, §5093.11; C46, §324.19]

324.20 Burden on distributor to show error. The findings of the said treasurer as to the amount of license fees due, if any, shall be presumed to be the correct amount; and in any litigation which may follow over the amount of said license fees due, the certificate of the treasurer assessing the motor vehicle fuel license fees and penalty shall be admitted in evidence and shall constitute a prima-facie case, and the burden shall be upon the distributor or other person to show the error in the treasurer's finding and the extent of such error. In any litigation involving the amount of motor vehicle fuel license fees due the state, it shall be presumed that the distributor or other person receiving motor vehicle fuel from outside of this state, sold or used or otherwise disposed of the same within this state, unless such distributor or other person can show a different disposition of the product and it will be presumed that all petroleum products capable of being blended with other petroleum products to produce motor vehicle fuel were so blended unless the contrary appears by clear and satisfactory evidence.

The treasurer of state may remit in whole or in part the penalty herein provided for, if convinced that there was no intent to evade the payment of the motor vehicle fuel license fees. And said penalty in all events shall be considered as cumulative and shall not relieve the person against whom it is assessed from the penal provisions of this chapter. [C35, §5093-f11; C39, §5093.11; C46, §324.20]

324.21 Hearings before treasurer. Hearings before the treasurer authorized under the provisions of this chapter may be held at the seat of government in Des Moines or elsewhere in the state as the treasurer may direct. Any power granted to the treasurer in this chapter may also be exercised by his deputy, and the treasurer is hereby authorized to appoint special deputies for the purpose of conducting said hearings. The treasurer or his deputy shall have the power to issue subpoenas, including subpoenas duces tecum and to require the attendance of witnesses and the production of books, records and papers. In the event any person shall refuse to obey such subpoena, or after appearing refuses to testify, the treasurer shall certify the name of such person or persons to the district court of the county where said hearing is being held or any judge thereof, and the court or any judge thereof shall proceed with said witness in the same manner as if said refusal had occurred in a proceeding in open court. The commission, any member thereof, the director of aeronautics, or any officer or employee of the commission designated by it, when acting for, and with the authority of the commission, shall have the power to hold investigations, inquiries, and hearings concerning matters covered by the provisions of this chapter and orders, rules, and regulations of the commission. In any such inquiry, investigation, or hearing, the person acting for the commission shall have power to administer oaths and affirmations, certify to all official acts, issue subpoenas, and compel the attendance and testimony of witnesses, and the production of papers, books, and documents.

9. Reports of investigations—limitations on use. The reports of investigations or hearings, or any part thereof, shall not be admitted in evidence or used for any purpose in any civil suit, growing out of any matter referred to in said investigation, hearing, or report thereof, except in case of criminal or other proceedings instituted in behalf of the commission or this state under the provisions of this chapter and other laws of this state relating to aeronautics.

10. Authority to contract. It may enter into any contracts necessary to the execution of the powers granted it by this chapter.

11. No exclusive rights granted. It shall grant no exclusive right for the use of any airway, airport, landing area, or other air navigation facility under its jurisdiction. [C35, §§8338-f5,-f6,-f8,-f9,-f10,-f13; C39, §§8338.05, 8338.06, 8338.08, 8338.09, 8338.10, 8338.13; C46, §328.12]

328.13 Co-operation with federal government. The commission is authorized to co-operate with the government of the United States, and any agency or department thereof, in the acquisition, construction, improvement, maintenance and operation of airports and other air navigation facilities in this state, and to comply with the provisions of the laws of the United States and any regulations made thereunder for the expenditures of federal moneys upon such airports and other navigation facilities; provided, however, that no matching of federal funds by state funds may be made unless such federal moneys have been accepted by the general assembly. [C46, §328.13]

328.14 Authority to receive federal moneys for state and municipalities. It is authorized to accept, receive, and receipt for federal moneys and other moneys, either public or private, for and in behalf of this state, or any municipality thereof, for the acquisition, construction, improvement, maintenance, and operation of airports and other air navigation facilities, whether such work is to be done by the state or by such municipalities, or jointly, aided by grants of aid from the United States, upon such terms and conditions as are or may be prescribed by the laws of the United States and any rules or regulations made thereunder, and it is authorized to act as agent of any municipality of this state, upon the request of such municipality, in accepting, receiving, and receipting for such moneys in its behalf for airports or other air navigation facility purposes, and in contracting for the acquisition, construction, improvement, maintenance, or operation of airports or other air navigation facilities, financed either in whole or in part by federal moneys, and the governing body of any such municipality is authorized to designate the commission as its agent for such purposes and to enter into an agreement with it prescribing the terms and conditions of such agency in accordance with federal laws, rules, and regulations and with this chapter. Such moneys as are paid over by the United States government shall be retained by the state, or paid over to said municipalities, under such terms and conditions as may be imposed by the United States government in making such grants. [C46, §328.14]

328.15 Contracts—law governing. All contracts for the acquisition, construction, improvement, maintenance, and operation of airports, or other air navigation facilities made by the commission, either as the agent of this state or of any municipality or made by any such municipality itself, shall be made pursuant to the laws of this state governing the making of like contracts; provided, however,
that where such undertaking is financed wholly or partially with federal moneys, the commission, as such agent, or the municipality acting for itself, may let contracts in the manner prescribed by the federal authorities, acting under the laws of the United States, and any rules or regulations made thereunder, notwithstanding any other state law to the contrary.  [C46,§328.15]

328.16 Disposition of federal funds. All moneys accepted for disbursement by the commission pursuant to section 328.14 shall be deposited in the state treasury, and, unless otherwise prescribed by the authority from which the money is received, kept in separate funds, designated according to the purposes for which the moneys were made available, and held by the state in trust for such purposes. All such moneys are hereby appropriated for the purposes for which the same were made available, to be expended in accordance with federal laws and regulations and with this chapter. The commission is authorized, whether acting for this state or as the agent of any of its municipalities, or when requested by the United States government or any agency or department thereof, to disburse such moneys for the designated purposes, but this shall not preclude any other authorized method of disbursement.  [C46,§328.16]

328.17 Director of aeronautics. A director of aeronautics shall be appointed by the commission, to serve for an indefinite term at the pleasure of the commission. He shall hold, at the time of his appointment and for the duration of his tenure, valid federal airmen certificate in the grade of private pilot or higher, and shall have had at least two years practical experience in aeronautics. He shall devote his entire time to the duties of his office as required and prescribed by this chapter and shall not be actively engaged or employed in any other business, vocation, or employment nor shall he have any pecuniary interest of any kind in any civil aeronautics enterprise. He shall receive such compensation as the commission may determine, subject to the approval of the executive council, and shall be reimbursed for all expenses actually and necessarily incurred by him in the discharge of his official duties.  [C46,§328.17]

328.18 Powers and duties of director. The director shall be the executive officer of the commission, but shall not be a member thereof. [C46,§328.18]

328.19 Registration. Every airman, aeronautics instructor, landing area, and air school, shall register annually with the aeronautics commission.

There shall be paid to the commission, at the time of such registrations, the following annual registration fees:
1. Airmen and aeronautics instructors, one dollar.
2. Air school, twenty dollars for the first registration and ten dollars for each annual renewal thereof.

The commission shall collect no fee for the registration of landing areas.  [C31, 35,§8338-c2; C39,§838.15; C46,§328.19] Referred to in §§328.26, 328.35

328.20 Registration of aircraft. Every civil aircraft owned either wholly or in part by persons residing in this state, unless specifically excepted under the provisions of this chapter, shall be registered annually with the commission, by the owner thereof.  [C31, 35,§8335-c2; C39,§838.15; C46,§328.20; 53GA, ch 148,§1] Referred to in §§328.26, 328.35

328.21 Aircraft registration fees. There shall be paid to the commission at the time of such registration an annual registration fee for each such aircraft, to be computed as follows:
1. For the first registration, a sum equal to one and one-half percent of the manufacturer's list price of the aircraft.
2. After said aircraft has been registered once the registration fee shall be seventy-five percent of the rate as fixed for the first registration; after two times fifty percent; and after three times twenty-five percent; provided, however, that no aircraft shall be registered for a registration fee of less than ten dollars.
3. Where there is no delinquency and the registration is made in August or succeeding months to and including May, the fee shall be computed on the basis of one-twelfth of the annual registration fee multiplied by the number of the unexpired months of the year and said amount shall be the fee collected. No fee shall be required for the registration of a new aircraft, in good faith delivered in that month, provided said aircraft is registered at the time of purchase for the following year.
4. The registration fee for an aircraft operated in scheduled interstate airline operation, owned by an Iowa person and operated part time within this state shall be a fee of ten dollars each for the first two years of registration and thereafter a sum equal to a percentage of the aircraft registration fee hereinafter provided for in subsections 2 and 3 of this section, which percentage shall be computed by dividing the total number of hours during which said aircraft is operated within this state by the total number of hours during which said aircraft is operated in scheduled interstate airline operation. The full registration fee shall be paid at the beginning of the registration period and adjustment and refund shall be made by the commission following the close of the registration period upon...
application therefor by the person in whose name the aircraft was registered, said application to be supported by such records as the commission shall prescribe.

5. Should the commission find and determine that no established manufacturer’s list price exists for any such aircraft the commission is hereby authorized and empowered to thereupon determine and fix the fair value of such aircraft which fair value shall be used in lieu of a manufacturer’s list price in computing the registration fee for each such aircraft as otherwise provided by this section.

When the fee as so computed results in a fractional part of a dollar, it shall be computed to the nearest quarter of a dollar. [C46,§328.21; 52GA, ch 180,§§1-3; 53GA, ch 148,§§2, 3]

328.22 Used aircraft. When an aircraft other than new is registered in Iowa the age of the aircraft in years calculated to the nearest anniversary of the date of manufacture shall be construed as the number of times previously registered, and reduction of the registration fee computed accordingly. [C46,§328.22]

328.23 Credit on registration fees. There shall be credited upon the registration fee due for the registration of any aircraft pursuant to the provisions of this chapter, any tax, registration fee, or license fee levied upon or charged for said aircraft and paid to any other state, and the registration fee due and to be collected pursuant to the provisions of this chapter, shall be reduced by the amount of said tax, registration fee or license fee, upon the presentation of the official receipt therefor with the application for registration. [C46,§328.23]

328.24 Refunds of fees. If, during the year for which an aircraft was registered and the required fee paid therefor, such aircraft is destroyed by fire or accident or junked, and its identity as an aircraft entirely eliminated, or it is removed and continuously used beyond the boundaries of the state, then the owner in whose name it was registered at the time of such destruction, dismantling, or removal from the state shall return the certificate of registration to the commission within ten days and make affidavit of such destruction, dismantling, or removal and make claim for such refund.

The registration fee for the unexpired portion of the year shall thereupon be refunded pro rata to the nearest full calendar month. [C46,§328.24]

328.25 Fees in lieu of taxes. The registration fees imposed by this chapter upon aircraft shall be in lieu of all taxes, general or local, except state sales or use tax, to which aircraft might otherwise be subject. [C46,§328.25; 52GA, ch 228,§3; 53GA, ch 148,§4]

328.26 Application for registration. Every application for registration pursuant to sections 328.19 to 328.22, inclusive, shall be made upon such forms, and shall contain such information, as the commission may prescribe, and every application shall be accompanied by the full amount of the registration fee. [C46,§328.26]

328.27 Issuance of certificates. The commission shall forthwith cause to be issued, upon receipt of proper application and fee for registration, a certificate of registration which shall be numbered and recorded by the commission, shall state the name and address of the person to whom it is issued, shall be entitled with the designation of the class of registrant covered thereby and shall contain such other information as the commission may prescribe including, in the case of aircraft, a description thereof. Every certificate of registration or special certificate issued hereunder shall expire at midnight on the thirtieth day of June of each year. [C46,§328.27]

328.28 Operation under special certificate. A manufacturer or dealer owning any aircraft otherwise required to be registered hereunder may operate the same for purposes of transporting, testing, demonstrating, or selling the same without registering each such aircraft, upon condition that any such aircraft display therein a special certificate issued to such owner as provided in this section and sections 328.29 to 328.33, inclusive.

A transporter may operate any such aircraft solely for the purpose of delivery upon likewise displaying therein, a special certificate issued to him as provided in these sections.

The provisions of this section and sections 328.29 to 328.33, inclusive, shall not apply to aircraft owned by manufacturer, transporter, or dealer, which are used for hire or principally for transportation of persons and property, aside from the transporting of the aircraft itself, or testing or demonstrating thereof. [C46,§328.28]

328.29 Application. Any manufacturer, transporter, or dealer, may, upon payment of a fee of twenty-five dollars make application to the commission upon such forms as the commission may prescribe for a special certificate containing a general distinguishing number and for one or more duplicate special certificates hereunder. The applicant shall also submit such reasonable proof of his status as a bona fide manufacturer, transporter, or dealer as the commission may require. Dealers in new aircraft shall furnish satisfactory evidence of a valid franchise with manufacturer or distributor of such aircraft authorizing such dealership. [C46,§328.29]

328.30 Issuance of special certificates. The commission upon granting any such application shall issue to the applicant a special certificate containing the applicant’s name and address, and the general distinguishing number assigned to the applicant, and such other infor-

The fee for each additional such duplicate special certificate shall be three dollars. [C46,§328.31]

328.32 Expiration of special certificate. Every special certificate issued hereunder shall expire at midnight on the thirtieth day of June of each year, and a new special certificate for the ensuing year may be obtained by the person to whom any such expired special certificate was issued, upon application to the commission, and payment of the fee provided by law. 328.33 Records required. Every manufacturer, transporter, or dealer shall keep a written record of the aircraft upon which such special certificates are used, which records shall be open to inspection of any police officer, or any officer or employee of the commission. [C46,§328.33]
Referred to in §328.28

328.34 Grounds for refusing, revoking or suspending certificates. The commission may refuse to issue, or may revoke or suspend a certificate of registration or special certificate for any one, or any combination, of the following reasons:
1. That the application contains any false or fraudulent material statement, or that the applicant has failed to furnish required information or reasonable additional information requested, or that the applicant is not entitled to registration of the aircraft under this chapter.
2. That the commission has reasonable ground to believe that the aircraft is a stolen or embezzled aircraft, or that granting of registration would constitute a fraud against the rightful owner.
3. That the required fee has not been paid.
4. That the commission has reasonable ground to believe that fraudulent use, against the state or any municipality or citizen thereof, is being made of such certificate of registration or special certificate.
5. 6. That the aircraft registered, or for which application for registration is made, is not certified or licensed for operation by the government of the United States or any authorized agency thereof, pursuant to the laws of the United States or any rules or regulations promulgated thereunder. [C46,§328.34]

328.35 Exceptions to registration requirements. The provisions of sections 328.19 and 328.20 hereof shall not apply to:

CHAPTER 329
AIRPORT ZONING

Applicable to special charter cities, §420.75
Validity of previous actions, 52GA, ch 182, §5

329.1 Definitions. The following words, terms, and phrases, when used in this chapter, shall, for the purposes of this chapter, have the meaning herein given, unless otherwise specifically defined, or unless another intention clearly appears, or the context otherwise requires:

1. “Airport” means any area of land or water designed and set aside for the landing and take-off of aircraft and utilized, or to be utilized, in the interest of the public for such purposes.

2. “Airport hazard” means any structure or tree, or use of land, which obstructs the airspace required for the flight of aircraft in landing or taking-off at an airport, or is otherwise hazardous to such landing or taking-off of aircraft.

3. “Airport hazard area” means any area of land or water upon which an airport hazard might be established if not prevented as provided by this chapter.

4. “Municipality” means any county, city, village, or town of this state.

5. “Person” means any individual, firm, partnership, corporation, company, association, joint stock association, or body politic, and includes any trustee, receiver, assignee, or other similar representative thereof.

6. “Structure” means any object constructed or installed by man, including, but
without limitation, buildings, towers, smokestacks, and overhead transmission lines, including the poles or other structures supporting the same.

8. “Obstruction” means any tangible, inanimate physical object, natural or artificial, protruding above the surface of the ground.

9. “Commission” means the Iowa aeronautics commission; “state” or “this state” means the state of Iowa.

10. The singular shall include the plural, and the plural the singular. [C46,§329.1; 52GA, ch 182,§6]

329.2 Airport hazards contrary to public interest. It is hereby found that an airport hazard endangers the lives and property of users of the airport and of occupants of land and other persons in its vicinity, and also, if of the obstruction type, in effect reduces the size of the area available for the landing, taking-off and maneuvering of aircraft, thus tending to destroy or impair the utility of the airport and the public investment therein. Accordingly, it is hereby declared:

1. That the creation or establishment of an airport hazard is a public nuisance and an injury to the community served by the airport in question;

2. That it is necessary in the interest of the public health, safety, and general welfare that the creation or establishment of airport hazards be prevented; and

3. That this should be accomplished, to the extent legally possible, by proper exercise of the police power.

4. That the prevention of the creation or establishment of airport hazards, and the elimination, removal, alteration, mitigation, or marking and lighting of existing airport hazards are public purposes for which municipalities may raise and expend public funds, as an incident to the operation of airports, to acquire land or property interests therein. [C46,§329.2] See §657.2, subsection 9.

329.3 Zoning regulations—powers granted. Every municipality having an airport hazard area within its territorial limits may adopt, administer, and enforce in the manner and upon the conditions prescribed by this chapter, zoning regulations for such airport hazard area, which regulations may divide such area into zones and, within such zones, specify the land uses permitted, and regulate and restrict, for the purpose of preventing airport hazards, the height to which structures and trees may be erected or permitted to grow. [C46,§329.3] Referred to in §§329.4, 329.6

329.4 Extra-territorial airport hazard areas. When any airport hazard area appertaining to an airport owned or controlled by a municipality is located outside the territorial limits of said municipality:

1. Ordinances or resolutions. The municipality owning or controlling the airport, and the municipality within which the airport hazard area is located, may by duly adopted ordinance or resolution, as may be appropriate, adopt, administer, and enforce airport zoning regulations applicable to the airport hazard area in question. Referred to in §329.6

2. Petition to district court. If the municipality within which is located such airport hazard area has failed or refused, within sixty days after demand has been made upon it by any municipality owning or controlling the airport, to adopt reasonably adequate airport zoning regulations under section 329.3, or to join in adopting joint airport zoning regulations as authorized in subsection 1 of this section, the municipality owning or controlling the airport may, upon a resolution of necessity therefor duly adopted by its governing body, petition the district court of the county in which such airport hazard area or any part thereof is located, in the name of the municipality owning or controlling the airport, praying that zoning regulations be established for the airport hazard area in question.

3. Petition—contents. Such petition shall allege all essential facts showing the necessity for bringing such action, the relief sought including proposed zoning regulations, and the necessity therefor.

4. Parties. The parties defendant in such action shall be the municipality in which such airport hazard area is located, and all persons having an apparent or contingent interest in the property located within such area, who may be joined in said action generally as a class.

5. Procedure. The action shall be triable in equity and in accordance with general rules of civil procedure, except that such action shall have precedence over any other business of the court except criminal cases, and the court shall set said petition for hearing not less than thirty days nor more than one hundred twenty days from the date it is filed with the clerk of said court.

6. Notice. The original notice in such action shall be served upon the municipality in which such airport hazard area is located, and in the same manner as original notice of any other action but not less than thirty days prior to the date set for trial; and upon all other defendants by the publication of said notice in some newspaper or newspapers of general circulation within the area described in the petition, or as near thereto as possible, which publication shall be in the same manner as provided for the publication of other original notices, provided however that the last publication thereof shall be not less than thirty days prior to the date set for trial.

§329.5 Prevention of airport hazards. Any municipality owning or controlling an airport may maintain actions in equity to restrain and abate as nuisances the creation or establishment of airport hazards appertaining to said airport, in violation of any zoning regulations adopted or established pursuant to the provisions of this chapter for any area whether within or without the territorial limits of said municipality. [C46,§329.5]

See §607.2, subsection 9.

329.6 Zoning powers—aeronautics commission. If any municipality owning or controlling an airport adjacent to which there is an airport hazard area shall fail or refuse, within sixty days after demand made upon it by the aeronautics commission of the state, to adopt reasonably adequate airport zoning regulations under section 329.3, or to proceed as provided in section 329.4, the aeronautics commission of the state may petition the district court of the county in which such airport hazard area, or any part thereof, is located, in the name of the state, praying that zoning regulations be established for the airport hazard area in question, and the provisions of subsections 3 to 9, inclusive, of section 329.4 shall apply to such actions provided, however, that such municipality shall be joined as a party defendant in any such action.

The aeronautics commission of the state may maintain actions in equity to restrain and abate as nuisances the creation or establishment of airport hazards appertaining to any airport within the state, in violation of any zoning regulations adopted or established pursuant to the provisions of this chapter. [C46,§329.6; 52GA, ch 182,§2]

329.7 Relation to comprehensive zoning regulations. Any municipality which has adopted, or hereafter adopts, zoning ordinances under the provisions of chapter 414, is hereby empowered to incorporate therein such airport hazard area zoning regulations as are provided for by this chapter, and to administer and enforce the same as herein provided. [C46,§329.7]

329.8 Conflicting regulations. In the event of any conflict between any airport zoning regulations adopted or established under this chapter and any other regulations applicable to the same area, whether the conflict be with respect to the height of structures or trees, the use of land, or any other matter, the more stringent limitation or requirement shall govern and prevail. [C46,§329.8]

329.9 Procedure for adopting zoning regulations—zoning commission. In adopting, amending, and repealing airport zoning regulations under this chapter the governing body of the municipality shall follow the procedure as provided in sections 414.4 and 414.6. Any action taken on the part of any county under this chapter shall be by resolution of the board of supervisors thereof and no such action shall be taken without a majority of the board of supervisors voting therefor and consenting thereto. The commission so appointed shall be known as the airport zoning commission. The airport zoning commission shall consist of two members from each municipality selected by the governing body thereof and one additional member to act as chairman and to be selected by a majority vote of the members selected by the municipality. The terms of the members of the airport zoning commission shall be for six years excepting that when the board shall first be created, one of the members appointed by each municipality shall be appointed for a term of two years and one for a term of four years. Members may be removed for cause by the appointing authority upon written charges after public hearing. Vacancies shall be filled for the unexpired term of any member whose office becomes vacant in the same manner in which said member was selected. [C46,§329.9; 52GA, ch 182,§3]

329.10 Airport zoning requirements.

1. All airport zoning regulations adopted under this chapter shall be reasonable and none shall impose any requirement or restriction which is not necessary to effectuate the purposes of this chapter.

2. No airport zoning regulations adopted under this chapter shall require the removal, lowering, or other change or alteration of any structure or tree, or interfere with any use, not conforming to the regulations when adopted or amended, except that they may require the owner thereof to permit the municipality at its own expense to install, operate, and maintain thereon such markers and lights as may be necessary to indicate to operators of aircraft the presence of the airport hazard.

3. All such regulations shall provide that no pre-existing nonconforming structure, tree, or use, shall be replaced, rebuilt, altered, allowed to grow higher, or replanted, so as to constitute a greater airport hazard than it was when such airport zoning regulations or amendments thereto were adopted. [C46,§329.10]
329.11 Variances. Any person desiring to erect or increase the height of any structure, or to permit the growth of any tree, or otherwise use his property in violation of airport zoning regulations adopted under this chapter, may apply to the board of adjustment for a variance from the zoning regulations. Such variances shall be allowed where a literal application or enforcement of the regulations would result in practical difficulty or unnecessary hardship and the relief granted would not be contrary to the public interest, but would do substantial justice and be in accordance with the spirit of the regulations and this chapter; provided, however, that any such variance may be allowed subject to any reasonable conditions that the board of adjustment may deem necessary to effectuate the purposes of this chapter, including the reservation of the right of the municipality, at its own expense, to install, operate, and maintain thereon such markers and lights as may be necessary to indicate to operators of aircraft the presence of the airport hazard. [C46,§329.11]

329.12 Board of adjustment — creation—powers—duties. The governing body of any municipality availing or seeking to avail itself of the powers by this chapter conferred shall, by ordinance or resolution duly adopted, provide for the appointment of a board of adjustment, as provided in section 414.7. Such board of adjustment shall have the same powers and duties, and its procedure, and appeals thereto and therefrom, in all respects shall be governed by and subject to the same provisions established in sections 414.9 to 414.19, inclusive. The concurring vote of a majority of the board shall be necessary to reverse any order, requirement, decision or determination of any administrative official or to decide in favor of the applicant on any matter upon which it is required to pass under any regulations adopted pursuant to this chapter or to effect any variance therefrom. The board of adjustment shall consist of two members from each municipality, selected by the governing body thereof, and one additional member to act as chairman and to be selected by a majority vote of the members selected by the municipality. Members shall be removable for cause by the appointing authority upon written charges and after public hearing. Vacancies shall be filled for the unexpired term of any member whose office becomes vacant in the same manner in which said member was selected. The terms of the members of the board of adjustment shall be for five years, excepting that when the board shall first be created, one of the members appointed by each municipality shall be appointed for a term of two years and one for a term of four years. [C46,§329.12; 52GA, ch 182,§4] Actions begun before July 4, 1947, see 52GA, ch 182,§5

329.13 Administration of airport zoning regulations. All airport zoning regulations adopted under this chapter shall provide for the administration and enforcement of such regulations by an administrative agency (which may be an agency created by such regulations), or by any official, board, or other existing agency of the municipality adopting the regulations, or of one or both of the municipalities which participated therein, but in no case shall such administrative agency be or include any member of the board of adjustment. The duties of any administrative agency designated pursuant to this chapter shall not include any of the powers herein delegated to the board of adjustment. [C46,§329.13]

329.14 Enforcement and remedies. Each violation of this chapter or of any regulations, order, or rules promulgated pursuant to this chapter, shall constitute a misdemeanor, and the perpetrator thereof, upon conviction, shall be punished accordingly; and each day a violation continues to exist shall constitute a separate offense. [C46,§329.14] Referred to in §329.4

329.15 Short title. This chapter shall be known and may be cited as the “Airport Zoning Act.” [C46,§329.15] Constitutionality, 51GA, ch 149,§15 Omnibus repeal, 51GA, ch 149,§16

Any Iowa political subdivision, villages, towns, cities, townships, and counties may, by duly adopted ordinance or resolution as may be appropriate, enter into agreements providing for collaboration with any other one or more such political subdivisions, within or without the state of Iowa, in exercising jointly any of the powers granted by this chapter, to the same extent as such powers can be exercised by any such political subdivision individually. Concurrent action by the governing bodies of the political subdivision participating shall constitute joint action. Such agreements may provide for the creation and establishment of a joint airport commission which, when so created or established, shall function in accordance with the provisions of sections 330.17 to 330.24, inclusive. [C31, 35, §5903-c5; C39, §5903.03; C46, §330.4]

330.12 **Charges.** Any such city or town may from time to time fix, establish, and collect a schedule of charges for the use of such property or any part thereof, which charges shall be used in connection with the maintenance and operation of such airport. When the public needs will not be injured thereby, any such city or town may lease all or any portion of such property, for a period of years not exceeding twenty or sell any equipment no longer required. Bonds issued under the provisions of this section are declared to be negotiable instruments. The principal and interest of said bonds shall be payable solely and only from the special fund herein provided for such payments, and said bonds shall not in any respect be a general obligation of such political subdivision, nor shall they be payable in any manner by taxation. All details pertaining to the issuance of such bonds and the terms and conditions thereof shall be determined by ordinance or resolution duly adopted by the governing body of such political subdivision, which may pledge the property purchased or constructed, and the net earnings thereof, to the payment of said bonds and the interest thereon, and provide that the net earnings thereof shall be set apart as a sinking fund for that purpose. Such political subdivision is authorized and directed to charge the users of such improvements at rates which at all time, shall be sufficient to pay the principal and interest on the bonds issued under the provisions of this chapter, and the cost of operation and maintenance, and to provide an adequate depreciation fund. result of the vote to be entered at large in the
minute book, and the proposition shall take
effect and be in force thereafter. Notice of
such adoption shall be published for the same

Any county in the state of Iowa having a population less than one hundred fifty thousand is hereby authorized and empowered to acquire, construct, equip, operate and maintain a county hospital and, for the purpose of acquiring, constructing, equipping, enlarging or improving any such county hospital and acquiring the necessary lands, rights of way and other property necessary therefor, may issue revenue bonds all as in this chapter provided. All contracts for construction work of such county hospital shall be awarded by the board of supervisors on competitive bidding following such advertisement as may be prescribed by such board. The administration and management of any county hospital acquired, constructed, equipped, enlarged or improved under this chapter shall be vested in a board of hospital trustees consisting of five members appointed by the board of supervisors from among the resident citizens of the county with reference to their fitness for* such office, and not more than two of such trustees shall be residents of the same township. Such trustees shall hold office until the next succeeding general election. Said trustees shall, within ten days after their appointment or election qualify by taking the usual oath of office, but no bond shall be required of them. The members of such board of hospital trustees shall receive no compensation but shall be reimbursed for all expenses incurred by them with the approval of said board in the performance of their duties. The board first appointed shall organize promptly following their appointment, and shall serve until such time as their successors are elected and qualified; thereafter during the month of November of each year the board shall reorganize by the appointment of a chairman and a secretary. The county treasurer shall be ex officio treasurer of the board of hospital trustees. The board of hospital trustees may employ, fix the compensation and remove at pleasure professional, technical and other employees, skilled or unskilled, as it may deem necessary for the operation and maintenance of the hospital, and disbursement of funds in such operation and maintenance shall be made upon order and approval of the board of hospital trustees. A county hospital may include a nurses home and nurses training school. The board of trustees shall make all rules and regulations governing its meetings and the operation of the county hospital and shall fix rates, fees and charges for the services thereby furnished so that the revenues will be at all times sufficient.

in the aggregate to provide for the payment of the interest on and principal of all bonds that may be issued and outstanding under the provisions of this chapter, and for the payment of all operating and maintenance expenses of the hospital. [52GA, ch 192, §1]

**347A.2 Bonds—authorization—payment.** For the purpose of acquiring, constructing, equipping, enlarging or improving such hospital or any part thereof, any such county may, pursuant to resolution of the board of supervisors of such county, from time to time issue and dispose of its negotiable interest-bearing revenue bonds payable solely as to both principal and interest from the revenues to be derived from the operation of such hospital. All such bonds may bear such date or dates, may mature at such time or times not exceeding thirty years from their respective dates, may bear interest at such rate or rates not exceeding five percent per annum payable semiannually, may be in such form and payable at such place or places, and may be subject to such redemption privileges as is stated on the face thereof and as may be provided in such resolution. After a resolution authorizing such revenue bonds has been adopted the county auditor shall publish notice of such adoption in at least one newspaper of general circulation in the county at least once each week for two consecutive weeks. Such notice shall identify the resolution by the date of its adoption and shall specify the amount of bonds proposed to be issued, and if within twenty days following the date of the first publication of such notice a petition is filed with the county auditor signed by qualified voters of said county in number equal to or exceeding twenty percent of the total number of votes cast in such county for governor at the last preceding regular election whereat a governor was elected then the bonds authorized by such resolution shall not be issued unless and until the proposition to issue same shall have been submitted at an election throughout the county and approved by not less than sixty percent of the votes cast for and against the proposition. When any such petition is filed it shall be referred to the board of supervisors at its next meeting and thereupon the board of supervisors may either repeal the bond resolution or order the election which shall be called and conducted in the manner provided by chapter 345. If there be no petition filed within the time hereinbefore provided or if there be a petition filed and the proposition of issuing such bonds is approved at such election then the board of supervisors may proceed with the acquisition, construction, equipment, operation and maintenance of the county hospital and the issuance of bonds in connection therewith, all as in this chapter permitted and provided. Under no circumstances shall any bonds issued under the provisions of this chapter be or become an indebtedness of the county within the purview of any constitutional or statutory limitation or provision, and it shall be plainly stated on the face of each bond that it does not constitute such an indebtedness, but is payable solely from the revenues as aforesaid. All such bonds shall be sold in such manner and upon such terms as is prescribed by the resolution authorizing the issuance thereof, provided, that no bonds shall be sold upon terms that will result in an interest cost computed to maturity of the bonds according to standard tables of bond values of more than five percent per annum. The resolution authorizing such revenue bonds may contain such covenants as are determined by the board of supervisors to be desirable in connection with the use and application of the bond proceeds, the operation of the county hospital and the custody and application of the revenues from such operation. The sole remedy for any breaches of any such bonds or proceedings for their issuance shall be by mandamus in a court of competent jurisdiction to compel performance and compliance therewith. [52GA, ch 192, §2]

**347A.3 Tax for maintenance and operation.** If in any year, after payment of the accruing interest on and principal due of any revenue bonds issued hereunder from the revenues derived from the operation of such hospital, there be a balance of such revenues insufficient to pay the expenses of operation and maintenance of the county hospital the board of hospital trustees shall certify that fact as soon as ascertained to the board of supervisors of such county, and thereupon it shall be the duty of such board of supervisors to make the amount of such deficiency for paying the expenses of operation and maintenance of the county hospital available from other county funds or the board of supervisors of such county shall levy a tax not to exceed four mills in any one year on all the taxable property in said county in an amount sufficient for that purpose, it being conditioned that no general county funds or the proceeds of any taxes shall ever be used or applied to the payment of the interest on or principal of any bonds issued under the provisions of this chapter, but that such general county funds or proceeds of taxes may only be used and applied to pay such expenses of operation and maintenance of the county hospital as cannot be paid from available revenue derived from such operation. [52GA, ch 192, §3]

**347A.4 Independent method.** This chapter shall be construed as providing an alternative and independent method for the acquisition, construction, equipment, enlargement, improvement, operation and maintenance of a county hospital, and for the issuance and sale of revenue bonds in connection therewith, and shall not be construed as an amendment of or subject to the provisions of any other law. [52GA, ch 192, §4]

**347A.5 Discrimination prohibited.** The provisions of section 347.18 are made applicable to this chapter. [52GA, ch 192, §5]

2. For the detention of persons who may be committed to secure their attendance as witnesses on the trial of a criminal cause.

3. For the confinement of persons under sentence, upon conviction for any offense, and of all other persons committed for any cause authorized by law.

The provisions of this section extend to persons detained or committed by authority of the courts of the United States as well as of this state. [C51, §3103; R60, §5122; C73, §4723; C97, §5637; C24, 27, 31, 35, 39, §5497; C46, §356.1]

356.3 Minors separately confined. Any sheriff, city marshal, or chief of police, having in his care or custody any prisoner under the age of eighteen years, shall keep such prisoner separate and apart, and prevent communication by such prisoner with prisoners above that age, while such prisoners are not under the personal supervision of such officer, if suitable buildings or jails are provided for that purpose, unless such prisoner is likely to or does exercise an immoral influence over other minors with whom he may be imprisoned. Any officer having charge of prisoners who without just cause or excuse neglects or refuses to perform the duties imposed on him by this section may be suspended or removed from office therefor. [C97, §5638; C24, 27, 31, 35, 39, §5499; C46, §356.3]

356.4 Females. All jails shall be equipped with a separate apartment for females, who shall be detained only in such apartment, and males and females shall not at the same time be allowed in the same apartment. [C97, §5639; C24, 27, 31, 35, 39, §5500; C46, §356.4]

When any prisoner is discharged, such calendar must show the day and hour when and the authority by which it took place, and if a person escapes, it must state particularly the time and manner thereof. [C51,§3105; R60,§5124; C73,§4725; C97,§5641; C46,§356.6]

356.7 Calendar returned. At the opening of each term of the district court within his county, the sheriff must return a copy of such calendar to the judge thereof. If a sheriff neglects or refuses so to do, he shall be punished by fine not exceeding one hundred dollars. [C51,§3106; R60,§5125; C73,§4726; C97,§5642; C46,§356.7]

356.8 Removal. When a jail or any building contiguous or near thereto is on fire, and there is reason to apprehend that the prisoners therein may be injured thereby, the sheriff or keeper must remove such prisoners to some safe and convenient place, and there confine them so long as it may be necessary to avoid such danger. [C51,§3109; R60,§5128; C73,§4728; C97,§5644; C46,§356.8]

The officer having charge of any prisoner may use such means as are necessary to prevent his escape, and if the prisoner attempts to escape or if, being convicted, he refuses to labor, the officer having him in charge may, to secure his person or cause him to labor, deal with him as with other disorderly or refractory prisoners. Such punishment shall be inflicted within the jail or jail enclosure, and the time of such solitary confinement shall not be considered as any part of the time for which the prisoner is sentenced. [C73, §4740; C97, §5656; C24, 27, 31, 35, 39, §5517; C46, §356.21]

357.3 Scope of assessment. The special assessment hereinafter provided for may be used to cover the costs of installing all the necessary elements of a water system, for both production and distribution. [C24, 27, 31, 35, §5522; C39, §5526.03; C46, §357.3]

357.4 Public hearing. When the board of supervisors receives a petition for the establishment of a benefited water district, a public hearing shall be held within twenty days of the presentation of the petition. Notice of such hearing shall be given by posting bills in three public places within the district, or by publication in two successive issues of any paper of general circulation within the district. The last publication or posting shall be not less than one week before the proposed hearing. [C24, 27, 31, 35, §5523; C39, §5526.04; C46, §357.4]

357.5 Decision at hearing. On the day fixed for such hearing, the board of supervisors shall by resolution establish the benefited water district or disallow the petition. For adequate reasons the board of supervisors may defer action on such petition for not to exceed ten days after the day first set for a hearing. [C24, 27, 31, 35, §5523; C39, §5526.05; C46, §357.5]

357.6 Examination by engineer. When the board of supervisors shall have established the benefited water district, they shall appoint a competent disinterested civil engineer and instruct him to examine the proposed improvement. Make preliminary designs in sufficient detail to make an accurate estimate of the cost of the proposed water system. He shall also report as to the suitability of the proposed source of water supply. [C39, §5526.06; C46, §357.6]

357.7 Water source without district. When in any proposed benefited water district, it is anticipated that the source of supply will be without the district, and not under its control, the board of supervisors shall instruct the engineer who is appointed to make the preliminary design and dummy assessment, to also obtain from the corporation or municipality which controls the proposed source of supply, a statement in writing, outlining the terms upon which water will be furnished to the district, or to the individuals within the district and on what terms in either case.

This preliminary proposal from the governing body of the source of supply shall be binding, and shall be in the nature of an option to purchase water by the district, or the individual within the same, if and when the proposed benefited water district shall have completed its construction, and is ready to use water. This proposal shall accompany and be a part of the engineer's preliminary report to the board of supervisors. [C39, §5526.07; C46, §357.7]

357.8 Plat. The said engineer shall prepare a preliminary plat showing the proper design in general outline, the size and location of the water mains, the general location of hydrants, if such are included in said petition, valves and other appurtenances, and shall show the lots and parcels of land within the proposed district as they appear on the county auditor's plat books, together with the names of the owners and the amount which it is estimated that such lot or parcel will be assessed. [C39, §5526.08; C46, §357.8]

357.9 Compensation of engineer. The compensation of such engineer on the preliminary investigation shall be determined by the board of supervisors and may be by percentage or per diem. [C39, §5526.09; C46, §357.9]

357.10 Filing of report and plat. The engineer's report, together with the dummy plat showing the tentative design and assessment, shall be filed with the county auditor within thirty days of such engineer's appointment, unless for adequate reasons it is impossible for him to do so, in which case the board of supervisors may extend the time therefor. [C39, §5526.10; C46, §357.10]

357.11 Hearing on report. On receipt of the engineer's report, the board of supervisors shall give notice in the same manner as before, of a hearing on the engineer's tentative design and dummy plat. On the day set, or within ten days thereafter, the board of supervisors shall approve or disapprove the engineer's plan and proposed assessment. If it shall appear advisable, the board of supervisors may make changes in the design and assessment, as they appear on the dummy plat. [C39, §5526.11; C46, §357.11]

357.12 Election. When the preliminary design and assessment have been approved by the board of supervisors, a date not more than thirty days after such approval shall be set for an election within the district to determine whether or not the proposed improvement shall be constructed and to choose candidates for the offices of trustee within the district. Notice of the election, including the time and place of holding the same, shall be given in the same manner as for the public hearing heretofore provided for. The vote shall be by ballot which shall state clearly the proposition to be voted upon, and any legal voter residing within the district at the time of the election shall be entitled to vote. Judges will be appointed to serve without pay, by the board of supervisors from among the qualified voters of the district who will have charge of the election. The proposition shall be deemed to have carried if a majority of those voting
thereon vote in favor of the same. [C24, 27, 31, 35, §5524; C39, §5526.12; C46, §357.12]

Referred to in §357.13

357.13 Trustees — terms. At the election provided for in section 357.12, the names of the trustees shall be written by the voter on blank ballots without formal nomination and the board of supervisors shall appoint three from among the five receiving the highest number of votes as trustees for the district, one to serve for one year, one for two years, and one for three years, which trustees and their successors shall give bond in the amount the board of supervisors may require, the premium of which shall be paid by the district said trustees represent. Vacancies may thereafter be filled by election, or by appointment by the board of supervisors, at the option of the remaining trustees. The term of succeeding trustees shall be for three years. [C24, 27, 31, 35, §5524; C39, §5526.13; C46, §357.13]

357.14 Bids for construction. If the result of said election be in favor of said improvement, the board of supervisors shall instruct the engineer to complete the plans and specifications, ready for receiving bids for construction of the project, which he shall do within thirty days of receiving notice to do so, unless for adequate reason the board shall extend the time.

When the completed plans and specifications are on file with the county auditor, the board of supervisors shall advertise for bids and shall cause notice to be given by publication once each week for two consecutive weeks in some newspaper published in the county wherein the improvement is to be constructed, setting forth the location and nature of the improvement and the date and place where bids will be received by the board. The last published notice to bidders shall be at least seven days before the time set for receiving bids. Bidders will be required to submit certified checks for five percent of the amount of the bid. [C24, 27, 31, 35, §5524; C39, §5526.14; C46, §357.14]

357.15 Inadequate assessment. When bids have been received, if it is apparent that the final assessment will need to be increased more than ten percent over the preliminary assessment, the board of supervisors shall, at its option, reject bids and readvertise for bids as provided herein, or reject bids and revise the dummy assessment. If the dummy assessment is revised, another election shall be held within the district in the same manner and with the same notices as the first, except that the candidates for trustees shall not be voted for. [C39, §5526.15; C46, §357.15]

357.16 Second election. If the majority of the votes cast at said second election be in favor of said improvement, the board of supervisors shall again advertise for bids in the same manner as before. If the bids at the second letting will not necessitate raising the second preliminary assessment more than ten percent, the board may let the contract to the lowest responsible bidder. [C24, 27, 31, 35, §5524; C39, §5526.16; C46, §357.16]

357.17 Bond of contractor. The successful bidder, when awarded a contract, shall be required to give an approved surety bond for one hundred percent of the contract price, guaranteeing completion of the work in accordance with the plans and specifications, and for maintenance, including backfilling, for one year after the final acceptance of the work.

If the contractor shall fail to complete the work as provided in his contract, or shall abandon the same, or fail to proceed in a reasonable manner toward its final completion, the board may proceed against the contractor and bondsman as provided in sections 455.114 and 455.115. [C39, §5526.17; C46, §357.17]

357.18 Acceptance of work. When in the opinion of the engineer in charge, the construction in any benefited water district has been completed in accordance with the plans, specifications, and contract, he shall certify this fact to the board of supervisors, and recommend the acceptance of the work by the said board. The board of supervisors shall proceed in accordance with sections 455.111 and 455.112. [C39, §5526.18; C46, §357.18]

357.19 Completing assessment. After the final acceptance of the work by the board of supervisors, the engineer shall complete the final assessment, which shall be made on all the property within the district, whether abutting or not, for an amount approximately ten percent greater than the total cost of the project. The assessment shall be made according to benefits and shall take into consideration the location and value of the property assessed. The final assessment on any lot or parcel of land shall not exceed the final preliminary assessment by more than ten percent, and shall in no case exceed twenty-five percent of the assessed value of the property. The board of supervisors may alter an assessment to increase or decrease it within the limits outlined above, and must approve by resolution the final assessment as made.

Notwithstanding the provisions of this section the final assessment may be but not in excess of one and one-half dollars per lineal foot of abutting frontage for all unimproved property, and may be but not in excess of four dollars per lineal foot of abutting frontage for all improved property. Each parcel of improved property having a frontage of more than one hundred feet per unit of improvement shall be assessed as unimproved property on the frontage in excess of one hundred feet. For the purpose of this paragraph improved property shall be considered to be any property having one habitable dwelling or one business building thereon. [C24, 27, 31, 35, §5522; C39, §5526.19; C46, §357.19; 53GA, ch 153, §1]

357.20 Due date — bonds. Assessments of less than ten dollars will come due at the first
tax-paying date after the approval of the final assessment, and assessments of ten dollars or more may be paid in ten annual installments with interest at six percent on the unpaid balance. The board of supervisors shall issue bonds against the completed assessment in an amount equal to the total cost of the project, so that the amount of the assessment will be approximately ten percent greater than the amount of the bonds. [C24, 27, 31, 35,§5522; C39,§5526.20; C46,§357.20]

357.21 Substance of bonds. Each of such bonds shall be numbered, and have printed upon its face that it is a benefited water district bond, stating the county and the number of the district for which it is issued, and the date of maturity; that it is in pursuance of a resolution of the board of supervisors, and that it is to be paid for only from special assessment thereafter levied and taxes levied as hereinafter provided for that purpose within the said district for which the bond is issued. The provisions of sections 455.83 and 455.86 shall govern the issuance of these bonds except that the contractor will not be paid anything on the work until its completion and final acceptance. [C39,§5526.21; C46,§357.21]

357.22 Lien of assessments—tax. When the assessment has been completed and the bonds sold and the schedule of assessment shall be turned over to the county auditor, the installments due thereon shall be collected in the same manner as ordinary taxes and shall constitute a lien on the property against which they are made. If the treasurer does not receive sufficient funds to enable him to pay the interest and retire the bonds as they become due, he shall levy a three mill annual tax on all property within the district to pay such deficiency, and the county treasurer shall apply the proceeds of such levy to the payment of the bonds and the interest on the same so long as the bonds are in arrears on either interest or principal. [C24, 27, 31, 35,§5525; C39,§5526.22; C46,§357.22]

357.23 Surplus. The board of supervisors shall be required to levy such three mill annual tax so long as the bonds are in arrears. [C39,§5526.23; C46,§357.23]

357.24 Fee of engineer. The fee for engineering services shall be fixed by the board of supervisors and he may be paid either a percentage or a per diem, from proceeds of the bond sale or by cash from the contractor, if the contractor takes bonds in settlement for his work under his contract. [C39,§5526.24; C46,§357.24]

357.25 Management by trustees. After the final acceptance of the work by the board of supervisors, the management of the utility shall automatically go to the three trustees previously appointed by the board of supervisors. The trustees shall have power to levy an annual tax not to exceed one-half mill, on the district, for the maintenance of the system. This levy shall be optional with the trustees. The trustees may purchase material and employ labor to properly maintain and operate the utility. The trustees shall be allowed necessary expenses in the discharge of their duties, but shall not receive any salary. [C24, 27, 31, 35,§5526; C39,§5526.25; C46,§357.25]

357.26 Duties of trustees. It is anticipated that this law will usually be utilized to finance a distribution system where the source of supply is without the district, and not under its control, and that individuals within the district will pay water rent to a municipality or corporation without the district. It is intended that the trustees may so operate the utility as will best serve the users, and they are expressly authorized to buy for such use of said utility, to fix the rates to consumers and make all contracts reasonable or necessary to accomplish the purpose of this chapter and to carry on all the operations incident to maintaining and operating said utility and to the procuring and furnishing of water for the consumers therein. If the development of a source of supply is within the means of the district, the trustees may install wells, tanks, meters and any other equipment properly pertaining to operate it. [C39,§5526.26; C46,§357.26]

357.27 Public property in district. Whenever property of the state of Iowa, or any political subdivision thereof, shall be included either wholly or in part within such water district and shall own facilities which may be used as a part of such water system, the executive council, board of supervisors, city or town council, as the case may be, may permit such use of said facilities for such consideration and on such terms as may be agreed upon with the board of trustees. [C39,§5526.27; C46,§357.27]

357.28 Private mains — additional assessments. Any person or persons within any water district, who may, after the initial installation of the improvement in any part of the district, desire to construct additional mains, and who have been assessed on the original assessment, may with the consent of the trustees, connect such lateral mains as they desire with the original system to serve property within the district which has been assessed, provided that the entire cost thereof shall be borne by the parties so interested.

The trustees shall have power to make additional assessments on unimproved lots or parcels of land within the district when said unimproved lots or parcels are improved and ready to receive the full benefits of the district. This additional assessment shall be determined and fixed by the trustees and shall not exceed the average assessment for improved property in said districts less the original assessment on said unimproved lots or parcels. Said assessments shall be paid to the county treasurer before service pipes are laid into said improvement. The assessment shall be put in the
benefited water district fund of the district of which said lots or parcels are a part and shall be used by the county treasurer for the retirement of bonds and interest. When the bonds are all retired, the trustees shall be authorized to use said fund for maintenance purposes, changing size of mains, eliminating dead ends, or extending mains for the benefit of the district. [C39, §5526.28; C46, §357.28]

357.29 Subdistricts. If the cost of the desired extensions will be as much as five thousand dollars, the interested parties may petition the board of supervisors to organize a subdistrict, and in such case the board shall proceed in the same manner as for a new district, and may take in territory not originally assessed.

The board of supervisors shall have power at any time to alter the boundaries of any district prior to the time of posting or publishing notice of the election within the district. [C24, 27, 31, 35, §5522; C39, §5526.29; C46, §357.29]

357.30 Additional territory. When the district is under the control of trustees, they are empowered to deal with parties without the district who desire to be taken into the district or to obtain water from the district and determine the amount to be assessed against said district to be taken in or connected with. The trustees shall have power in such cases to make agreements for the district, and may, with the consent of the board of supervisors, alter the district boundaries to take in additional territory. No lot or parcel of land shall be put out of a district without the consent of the owner, after it has paid any assessment to the district. [C24, 27, 31, 35, §5522; C39, §5526.30; C46, §357.30]

357.31 Right of way. The board of supervisors shall have power to condemn, in the same manner as provided for the condemnation of land, right of way through private property, sufficient for the construction and maintenance of water mains. The cost of such right of way shall constitute a part of the expense of the improvement and shall be covered by the special assessment. [C39, §5526.31; C46, §357.31]

357.32 Record book. The board of supervisors shall provide a record book which shall be in the custody of the auditor. In which shall be kept a full and complete record of the proceedings relative to water districts, so arranged and indexed, as to enable any proceedings relative to any district to be readily examined. [C24, 27, 31, 35, §5524; C39, §5526.32; C46, §357.32]

357.33 Appeal procedure. Any person aggrieved, may appeal from any final action of the board of supervisors in relation to any matter involving his rights, to the district court of the county in which the district is located. The procedure in such appeals shall be governed by the provisions of sections 155.94 to 455.109, inclusive, provided that whenever in the above sections the words "drainage district" occur, the words "benefited water district" shall be substituted. [C39, §5526.33; C46, §357.33]

[C46, §358.1; 52GA, ch 105, §81; 2; 59GA, ch 154, §11]

358.2 Petition. Any twenty-five or more qualified voters resident within the limits of any proposed sanitary district may file a petition in the office of the county auditor of the county in which the proposed sanitary district, or the major portion thereof, is located, requesting that there be submitted to the qual-

1. An intelligible description of the boundaries of the territory to be embraced in such district.

[C46, §358.2]

It shall be the duty of the board of supervisors to whom said petition is addressed, at its next regular, special, or adjourned meeting, to set the time and place when it will meet for a hearing upon said petition, and it shall direct the county auditor in whose office said petition is filed to cause notice to be given to all persons whom it may concern, without naming them, of the pendency and prayer of said petition and published notice until the time and place when it will meet for a hearing provided for in section 358.4 and shall continue the same in session, with adjournments from day to day, if necessary, until completed, without being required to give any further notice thereof. Proof of the residence and qualification of the petitioners as qualified voters shall be made by affidavit or otherwise as the board may direct. The boundaries of any proposed district shall not be changed to incorporate therein any property not included in the original petition and published notice until the owner or owners of said property shall be given notice thereof as on the original hearing. All persons in such proposed district shall have an opportunity to be heard touching the location and boundaries of the proposed district and to make suggestions regarding the same, and said board of supervisors, after hearing the statements, evidence and suggestions made and offered at the hearing, shall enter an order fixing and determining the limits and boundaries of such proposed district and directing that an election be held for the purpose of submitting to the qualified voters resident within the boundaries of the proposed district the question of organization and establishment of the proposed sanitary district as determined by said board of supervisors. The order shall fix a date for the election not more than sixty days after the date of the order, establish voting precincts within the proposed district and define their boundaries and specify the polling places therein as in the board's judgment will best serve the convenience of the voters, and shall appoint from residents of the proposed district three judges and two clerks of election for each voting precinct established. [C46, §358.5]

In its order for such election the board of supervisors shall direct the county auditor with whom said petition is filed to cause notice of such election to be given by posting at least five copies of such notice in public places in such proposed district at least twenty days before the date of election and by publication of such notice once each week for three consecutive weeks in some newspaper of general circulation published in such proposed district, or, if no such paper is published within the proposed district, then in such a newspaper published in the county in which the major part of such proposed district is located, the last publication to be at least twenty days prior to the date of election. The board of supervisors shall cause a statement of the result of such election to be spread upon the records of the county auditor. If a majority of the votes cast upon the question of incorporation of the proposed sanitary district shall be in favor of the proposed sanitary district, such proposed sanitary district shall thenceforth be deemed an organized sanitary district under this chapter and established as conducive to the public health, comfort, convenience, and welfare. [C46,§358.7]

358.8 Expenses and costs of election. All expenses incurred in carrying out the foregoing sections of this chapter, together with the costs of the election therein provided for, as determined by the board of supervisors, shall be paid by the county whose board is vested with jurisdiction of the proceedings. [C46,§355.8]

358.9 Election of trustees—term of office. Within thirty days after the organization of a sanitary district under this chapter, the board of supervisors which had jurisdiction of the proceedings for its establishment, together with the board of supervisors of any other county, if any, in which any part of said district is located, shall order an election to be held in the district on a date not more than sixty days after the date of the order for the purpose of electing a board of trustees, consisting of three members, for the government, control and management of the affairs and business of such sanitary district. Said board, or boards, shall cause notice of said election to be posted and published, and shall perform all other acts with reference to such election, and conduct the same, in like manner, as nearly as may be, as provided in this chapter for the election on the question of establishing such district. At all elections for trustees subsequent to the election of the first board the names of all candidates for trustees of such sanitary district shall be printed on the same ballot with candidates for other offices to be filled at such election. In case a regular election precinct includes territory lying partly within and partly without the sanitary district, it shall be the duty of the officers charged with the printing and furnishing of ballots to furnish to the election judges of such precinct two sets of official ballots, one set including the names of candidates for trustees of such sanitary district, and one set without such names. All provisions of the primary and general election laws of Iowa
shall govern the nomination and election of trustees hereunder, so far as applicable, and except as modified hereby.

Vacancies in the office of trustee of a sanitary district shall be filled by the remaining members of the board for the period extending to the second secular day of January following the next biennial election, when a trustee shall be elected to fill such vacancy for the unexpired term. [C46,§358.9]

The trustees elected in pursuance of the foregoing provisions of this chapter shall constitute a board of trustees for the district by which they are elected, which board of trustees is hereby declared to be the corporate authority of such sanitary district, and shall exercise all the powers and manage and control all the affairs and property of such district. A majority of the board of trustees shall constitute a quorum, but a smaller number may adjourn from day to day. Said board of trustees shall have the right to elect a president, a clerk, and a treasurer from their own number and, from without their own number, such employees as the board may deem necessary, who shall hold their employment during the pleasure of the board, and shall prescribe the duties and fix the compensation of all employees of said sanitary district and the amount of bond to be filed by the treasurer of the district and by any employee for whom they may require bond, provided, however, that the compensation of members of the board of trustees is hereby fixed at not to exceed five dollars per day for each day the board is actually in session and five dollars per day when not in session but employed on committee service, and five cents for every mile traveled in going to and from sessions of the board and in going to and from the place of performing committee service; provided further, that members of said board shall not receive compensation for more than sixty days of session and committee service each year.

Said board of trustees shall have full power to pass all necessary ordinances, resolutions, rules and regulations for the proper management and conduct of the business of said board of trustees and of said corporation and for carrying into effect the objects for which such sanitary district is formed. All ordinances, resolutions, orders, rules and regulations adopted by the board shall take effect five days from and after their adoption and publication. The publication thereof shall be by one publication in a newspaper published in the district or by posting copies thereof in five public places within the district. [C46,§358.13]

358.14 Proof of ordinances. All ordinances, resolutions, orders, rules and regulations, and the date when same became effective, may be proven by the certificate of the clerk, under the seal of the corporation, if one has been adopted, and when printed in book or pamphlet form and purporting to be published by the board of trustees such book or pamphlet shall be received as evidence of the passage and legal publication or posting thereof as of the dates mentioned therein, in all courts and places, without further proof. [C46,§358.14]

358.15 Personal interest in contracts. No trustee of such district shall be directly or indirectly interested in any contract, work, or business of the district, or in the sale of any article the expense, price, or consideration of which is paid by such district; nor in the purchase of any real estate or other property belonging to the district, or which shall be sold for taxes or assessments, or by virtue of legal process at the suit of said district; provided, that nothing herein shall be construed as prohibiting the selection of any person as trustee because of his ownership of real estate in the district or because he is a taxpayer in the district. [C46,§358.15]

358.16 Power to provide for sewage disposal. The board of trustees of any sanitary district organized under this chapter shall have power to provide for the disposal of the sewage thereof, including the sewage and drainage of any city, town, or village within the boundaries of such district; to acquire, lay out, locate, establish, construct, maintain, and operate one or more drains, conduits, treatment plants, disposal plants, pumping plants, works, ditches, channels, and outlets of such capacity and character as may be required for the treatment, carrying off, and disposal of the sewage and industrial wastes and other liquid waste incident thereto of such district; to lay out, establish, construct, maintain, and operate all such adjuncts, additions, auxiliary improvements, and works as may be necessary or proper for accomplishment of the purposes intended, and to procure supplies of water for operating, diluting, and flushing purposes; to maintain, repair, change, enlarge, and add to such facili-
ties, improvements, and works as may be necessary or proper to meet the future requirements for the purposes aforesaid; and, when necessary for such purposes, any such facilities, improvements, and works and the maintenance and operation thereof may extend beyond the limits of such district, and the rights and powers of said board of trustees in respect thereto shall be the same as if located within said district, provided, no taxes shall be levied upon any property outside of such district; and provided further, that the district shall be liable for all damages sustained beyond its limits in consequence of any work or improvement authorized hereunder.

Nothing contained herein shall be construed to authorize or empower such board of trustees to operate a system of waterworks for the purpose of furnishing water to the inhabitants of the district, or to construct, maintain, or operate local municipal sewerage facilities, or to deprive municipalities within the district of their powers to construct and operate sewers for local purposes within their limits. [C46, §358.16]

### §358.17 Power to acquire and dispose of property

Any sanitary district organized under this chapter may acquire by purchase, condemnation, or otherwise, any and all real and personal property, rights of way and privileges, either within or without its corporate limits, required for its corporate purposes. Condemnation proceedings shall be conducted in the same manner, as near as may be, as provided for condemnation by counties under the laws of Iowa. Said sanitary districts shall have power to sell, convey, or otherwise dispose of any of the properties belonging to them when no longer required for their purposes. [C46, §358.17]

### §358.18 Taxes—power to levy—tax sales

The board of trustees of any sanitary district organized under this chapter shall have the power to levy annually for corporate purposes a tax upon property within the territorial limits of such sanitary district not exceeding two mills on the dollar of the adjusted taxable valuation of the property within such district for the preceding calendar year.

All taxes thus levied by the board shall be certified by the clerk on or before the first day of September to the county auditor of each county wherein any of the property included within the territorial limits of said sanitary district is located, and shall be made for the purpose of furnishing water to the inhabitants of the district, or to construct, maintain, or operate local municipal sewerage facilities, or to deprive municipalities within the district of their powers to construct and operate sewers for local purposes within their limits.

Sales for delinquent taxes owing to such sanitary district shall be made at the same time and in the same manner as such sales are made for other taxes, and all provisions of the law of this state relating to the sale of property for delinquent taxes shall be applicable, so far as may be, to such sales. [C46, §358.18]

The clerk of each sanitary district shall keep a record of all the proceedings and actions of the trustees. The treasurer shall receive, collect, and disburse all moneys belonging to the district, and no claim shall be paid or disbursement made until it has been duly audited by the board of trustees. ### §358.20 Rentals and charges

Any sanitary district may by ordinance establish just and equitable rates or charges or rentals for the utilities and services furnished by it to be paid to such district by every person, firm or corporation whose premises are served by a connection to such utilities and services directly or indirectly. Such rates, charges, or rentals, as near as may be in the judgment of the board of trustees of the district, shall be equitable and in proportion to the services rendered and the cost thereof, and taking into consideration in the case of each such premises the quantity of sewage produced thereby and its concentration, strength, and pollution qualities. The board of trustees may change such rates, charges, or rentals from time to time as it may deem advisable, and by ordinance may provide for the collection thereof. The board is authorized to contract with any municipality within the district, whereby such municipality may collect or assist in collecting any of such rates, charges, or rentals, whether in conjunction with water rentals or otherwise, and any such municipality is hereby empowered to undertake such collection and render such service. Such rates, charges, or rentals, if not paid when due, shall constitute a lien upon the property served by a connection as aforesaid and shall be collected in the same manner as other taxes.

In no case shall such rates, rentals, or charges, or the funds accruing from the collection thereof, be used to meet that part of the cost of any construction within the district which has been financed by special assessment against benefited properties. [C46, §358.20]

### §358.21 Debt limit—borrowing—bonds

Any sanitary district organized hereunder may borrow money for its corporate purposes, but shall not become indebted in any manner or for any purpose to an amount in the aggregate exceeding five percent on the value of the taxable property within such district, to be ascertained by the last state and county tax lists previous to the incurring of such indebtedness. Indebtedness within this constitutional limit shall not include the indebtedness of any other municipal corporation located wholly or partly within the boundaries of such sanitary district.

Subject only to this debt limitation, any such sanitary district organized hereunder shall
have and it is hereby vested with all of the same powers to issue bonds, including both general obligation and revenue bonds, which municipal corporations, including cities of the first class and special charter cities and cities having the commission form of government, now or may hereafter have under the laws of this state. The board of trustees of any sanitary district may provide for payment of all or any portion of the costs and expenses of constructing, reconstructing, or extending any drains, sewers, or laterals, and other necessary adjuncts thereto, including pumping stations, by assessing all, or any portion thereof, on abutting and adjacent property according to the benefits derived thereby, and for this purpose said board may define adjacent property as all that included within a designated benefited district or districts to be fixed by the board, which may be all of the property located within the sanitary district or any lesser portion thereof. It shall constitute no objection to any special assessment that the improvement for which the same is levied is outside the limits of such sanitary district, but no special assessment shall be made upon property situated outside of such sanitary district. Special assessments shall be in proportion to the special benefits conferred upon the property thereby, and not in excess of such benefits, and the same shall not exceed twenty-five percent of the actual value of the property at the time of levy, and the last preceding assessment roll shall be taken as prima facie evidence of such value.

Such assessments may be made to extend over a period of ten years, payable in as nearly equal annual installments as practicable, and certificates or bonds may be issued in anticipation thereof. Proceedings for improvements to be made and paid for, in whole or in part, by special assessments, as herein authorized shall be initiated by resolution of necessity, and said resolution and the plat, schedule, hearings, notices, objections, orders, assessments, levies, contracts, bonds, certification of assessments, liens, payment, tax sales, and appeals, and the issuance and sale of certificates, and bonds, shall correspond, as near as may be, to the provisions therefor contained in chapters 391 and 396, and all provisions of said chapters shall govern such proceedings, to the extent applicable, except as modified hereby. Any person aggrieved by any proceeding had by the board of supervisors or by the board of trustees as herein provided in relation to any matter involving his rights not included under the provisions of section 358.22 may appeal to the district court of the county in which the proceedings were had. Such appeals shall be governed in all respects as is provided by pertinent sections under chapter 455. [C46,§358.23]

CHAPTER 358A
COUNTY ZONING COMMISSION

358A.1 Where applicable. The provisions of this chapter shall apply only to counties which now have, or may hereafter have, a population of not less than sixty thousand inhabitants as determined by the last preceding official federal census, and then only at the
option of the board of supervisors of any such county. [52GA, ch 184, §1]

358A.2 Farms exempt. No regulation or ordinance adopted under the provisions of this chapter shall be construed to apply to land, farm houses, farm barns, farm outbuildings or other buildings, structures, or erections which are adapted, by reason of nature and area, for use for agricultural purposes as a primary means of livelihood, while so used. [52GA, ch 184, §2]

358A.3 Powers. Subject to the provisions of sections 358A.1 and 358A.2, the board of supervisors of any county is hereby empowered to regulate and restrict the height, number of structures, and size of buildings and other structures, the percentage of lot that may be occupied, the size of yards, courts and other open spaces, the density of population, and the location and use of buildings, structures, and land for trade, industry, residence or other purposes, and to regulate, restrict and prohibit the use for residential purposes of tents, trailers and portable or potentially portable structures; provided that such powers shall be exercised only with reference to land and structures located within the county but lying outside of the corporate limits of any city or town, provided further that no restriction of industrial or commercial enterprise, buildings or structures in unincorporated areas shall become effective until approved by a majority, in number and amount of assessment, of the resident real property taxpayers owning real property in the area or district in which such restriction is to be imposed, either (1) at an election held for that purpose, or (2) by their signing an appropriate document indicating their approval. [52GA, ch 184, §3]

358A.4 Areas and districts. For any and all of said purposes the board of supervisors may divide the county, or any area or areas within the county, into districts of such number, shape, and area as may be deemed best suited to carry out the purposes of this chapter; and within such districts it may regulate and restrict the erection, construction, reconstruction, alteration, repair, or use of buildings, structures or land. All such regulations and restrictions shall be uniform for each class or kind of buildings throughout each district, but the regulations in one district may differ from those in other districts. [52GA, ch 184, §4]

358A.5 Objectives. Such regulations shall be made in accordance with a comprehensive plan and designed to lessen congestion in the street or highway; to secure safety from fire, panic, and other dangers; to protect health and the general welfare; to provide adequate light and air; to prevent the overcrowding of land; to avoid undue concentration of population; to facilitate the adequate provision of transportation, water, sewerage, schools, parks and other public requirements.

Such regulations shall be made with reasonable consideration, among other things, as to the character of the area of the district and the peculiar suitability of such area for particular uses, and with a view to conserving the value of buildings and encouraging the most appropriate use of land throughout such county. [52GA, ch 184, §5]

358A.6 Public hearings. The board of supervisors shall provide for the manner in which such regulations and restrictions and the boundaries of such districts shall be determined, established, and enforced, and from time to time amended, supplemented or changed. However, no such regulation, restriction, or boundary shall become effective until after a public hearing in relation thereto, at which parties in interest and citizens shall have an opportunity to be heard. At least fifteen days notice of the time and place of such hearing shall be published in a paper of general circulation in such county. [52GA, ch 184, §6]

358A.7 Changes and amendments. Such regulations, restrictions, and boundaries may, from time to time, be amended, supplemented, changed, modified, or repealed. In case, however, of a protest against such change signed by the owners of twenty percent or more either of the area included in such proposed change, or of the area immediately adjacent thereto and within five hundred feet of the boundaries thereof, such amendment shall not become effective except by the favorable vote of at least sixty percent of all of the members of the board of supervisors. The provisions of section 358A.6 relative to public hearings and official notice shall apply equally to all changes or amendments. [52GA, ch 184, §7]

358A.8 Commission appointed. In order to avail itself of the powers conferred by this chapter, the board of supervisors shall appoint a commission, to be known as the county zoning commission, to recommend the boundaries of the various original districts, and appropriate regulations and restrictions to be enforced therein. Such commission shall, with due diligence, prepare a preliminary report and hold public hearings thereon before submitting its final report; and the board of supervisors shall not hold its public hearings or take action until it has received the final report of such commission. After the adoption of such regulations, restrictions, and boundaries of districts, the zoning commission may, from time to time, recommend to the board of supervisors amendments, supplements, changes or modifications. [52GA, ch 184, §8]

358A.9 Administrative officer. The board of supervisors shall appoint an administrative officer authorized to enforce the resolutions or ordinances so adopted by the board of supervisors. Such administrative officer may be a person holding other public office in the county, or in a city or other governmental subdivision.

358A.10 Board of adjustment. The board of supervisors shall provide for the appointment of a board of adjustment, and in the regulations and restrictions adopted pursuant to the authority of this chapter shall provide that the said board of adjustment may, in appropriate cases, and subject to appropriate conditions and safeguards, make special exceptions to the terms of the ordinances or regulations in harmony with its general purpose and intent and in accordance with the general or specific rules therein contained, and provide that any property owner aggrieved by the action of the board of supervisors in the adoption of such regulations and restrictions may petition the said board of adjustment direct to modify regulations and restrictions as applied to such property owners. [52GA, ch 184, §10]

358A.11 Membership of board. The board of adjustment shall consist of five members each to be appointed for a term of five years, excepting that when the board shall first be created one member shall be appointed for a term of five years, one for a term of four years, one for a term of three years, one for a term of two years, and one for a term of one year. 358A.12 Rules and regulations. The board shall adopt rules in accordance with the provisions of any regulation or ordinance adopted pursuant to this chapter. Meetings of the board shall be held at the call of the chairman and at such other times as the board may determine. Such chairman, or in his absence, the acting chairman, may administer oaths and compel the attendance of witnesses. All meetings of the board shall be open to the public. The board shall keep minutes of its proceedings, showing the vote of each member upon each question, or if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the board and shall be a public record. [52GA, ch 184, §12]

358A.13 Appeals to board. Appeals to the board of adjustment may be taken by any person aggrieved or by any officer, department, board or bureau of the county affected by any decision of the administrative officer. Such appeal shall be taken within a reasonable time, as provided by the rules of the board of adjustment, by filing with the officer from whom the appeal is taken and with the board of adjustment a notice of appeal specifying the grounds thereof. The officer from whom the appeal is taken shall forthwith transmit to the board of adjustment all the papers constituting the record upon which the action appealed from was taken. [52GA, ch 184, §13]

358A.14 Stay of proceedings. An appeal stays all proceedings in furtherance of the action appealed from, unless the officer from whom the appeal is taken certifies to the board of adjustment after the notice of appeal shall have been filed with him that by reason of facts stated in the certificate a stay would, in his opinion, cause imminent peril to life or property. In such case proceedings shall not be stayed otherwise than by a restraining order which may be granted by the board of adjustment or by a court of record on application on notice to the officer from whom the appeal is taken and on due cause shown. [52GA, ch 184, §14]

358A.15 Powers of board. The board of adjustment shall have the following powers:

1. To hear and decide appeals where it is alleged there is error in any order, requirement, decision or determination made by an administrative official in the enforcement of this chapter or of any ordinance adopted pursuant thereto.

2. To hear and decide special exceptions to the terms of the ordinance upon which such board is required to pass under such ordinance.

3. To authorize upon appeal, in specific cases, such variance from the terms of the ordinance as will not be contrary to the public interest, where owing to special conditions a literal enforcement of the provisions of the ordinance will result in unnecessary hardship, and so that the spirit of the ordinance shall be observed and substantial justice done. [52GA, ch 184, §15]

358A.16 Decision. In exercising the above mentioned powers such board may, in conformity with the provisions of this chapter, reverse or affirm, wholly or partly, or may modify the order, requirement, decision, or determination appealed from and may make such order, requirement, decision, or determination as ought to be made, and to that end shall have all the powers of the officer from whom the appeal is taken. [52GA, ch 184, §16]

358A.17 Vote required. The concurring vote of three members of the board shall be necessary to reverse any order, requirement, decision, or determination of any such administrative official, or to decide in favor of the applicant on any matter upon which it is required to pass under any such ordinance or to effect any variation in such ordinance. [52GA, ch 184, §17]

358A.18 Petition to court. Any person or persons, jointly or severally, aggrieved by any decision of the board of adjustment under the provisions of this chapter, or any taxpayer, or any officer, department, board or bureau of the county, may present to a court of record
a petition, duly verified, setting forth that such decision is illegal, in whole or in part, specifying the grounds of the illegality. Such petition shall be presented to the court within thirty days after the filing of the decision in the office of the board. [52GA, ch 184, §18]

358A.19 Review by court. Upon the presentation of such petition, the court may allow a writ of certiorari directed to the board of adjustment to review such decision of the board of adjustment and shall prescribe therein the time within which a return thereto must be made and served upon the relator's attorney, which shall not be less than ten days and may be extended by the court. The allowance of the writ shall not stay proceedings upon the decision appealed from, but the court may, on application, on notice to the board and on due cause shown, grant a restraining order. [52GA, ch 184, §19]

358A.20 Record advanced. The board of adjustment shall not be required to return the original papers acted upon by it, but it shall be sufficient to return certified or sworn copies thereof or of such portions thereof as may be called for by such writ. The return shall concisely set forth such other facts as may be pertinent and material to show the grounds of the decision appealed from and shall be verified. [52GA, ch 184, §20]

358A.21 Trial to court. If upon the hearing which shall be tried de novo it shall appear to the court that testimony is necessary for the proper disposition of the matter, it may take evidence or appoint a referee to take such evidence as it may direct and report the same to the court with his findings of fact and conclusions of law, which shall constitute a part of the proceedings upon which the determination of the court shall be made. The court may reverse or affirm, wholly or partly, or may modify the decision brought up for review.

Costs shall not be allowed against the board unless it shall appear to the court that it acted with gross negligence or in bad faith or with malice in making the decision appealed from. [52GA, ch 184, §21]

358A.22 Precedence. All issues in any proceedings under the foregoing sections shall have preference over all other civil actions and proceedings. [52GA, ch 184, §22]

358A.23 Restraining order. In case any building or structure is erected, constructed, reconstructed, altered, repaired, converted, or maintained; or any building, structure, or land is used in violation of this chapter or of any ordinance or other regulation made under authority conferred thereby, the board of supervisors, in addition to other remedies, may institute any appropriate action or proceedings to prevent such unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance, or use, to restrain, correct, or abate such violation, to prevent the occupancy of said building, structure, or land, or to prevent any illegal act, conduct, business, or use in or about such premises. [52GA, ch 184, §23]

358A.24 Conflict with other regulations. Wherever the regulations made under authority of this chapter require a greater width or size of yards, courts or other open spaces, or require a lower height of building or a less number of stories, or require a greater percentage of lot to be left unoccupied, or impose other higher standards than are required in any other statute or local ordinance or regulation, the provisions of the regulations made under authority of this chapter shall govern. Wherever the provisions of any other statute or local ordinance or regulation require a greater width or size of yards, courts or other open spaces, or require a lower height of building or a less number of stories, or require a greater percentage of lot to be left unoccupied, or impose other higher standards than are required by the regulations made under authority of this chapter, the provisions of such statute or local ordinance or regulation shall govern. [52GA, ch 184, §24]

358A.25 Plumbing code enforced. Subject to the provisions of sections 358A.1 and 358A.2, the board of supervisors of any county is further authorized to adopt regulations to provide that every dwelling, whether now or hereafter erected within the county but outside the corporate limits of any city or town which shall develop a private water supply or install a pressure water system or install sanitary house drains, shall comply with the recommendations of the state department of health on minimum requirements as set out in the state plumbing code* in regard to such development or installation. Any such regulation may be enforced in the same manner as any other regulation adopted under this chapter. [52GA, ch 184, §25]

*See §136.11 (8)

358A.26 Penalty. In addition to any other remedy granted herein, the violation on any regulation, restriction or boundary adopted under this chapter or the occupancy or use of any structure erected, altered or maintained in violation of this chapter shall constitute a misdemeanor. Such occupancy or use shall be deemed a continuing violation and may be the subject of repeated prosecutions if so continued. Every person convicted of a misdemeanor, by reason of violations hereinafter set forth, shall be punished by a fine of not more than one hundred dollars or by imprisonment of not more than thirty days. [52GA, ch 184, §26]
CHAPTER 358B
COUNTY LIBRARIES

358B.1 Power to establish. Counties may provide for the formation and maintenance of free public libraries open to the use of all inhabitants under proper regulations, and may purchase, erect, or rent buildings or rooms suitable for this purpose and provide for the compensation of necessary employees. [52GA, ch 193, §1]

358B.2 Library districts formed. A county library district may be established composed of one county or two or more adjacent counties and may include or exclude the entirety of a city or town partly within one of the counties.

Electors residing within the proposed district in a number not less than five percent of those voting for governor within said district at the last general election may petition the board of supervisors of the county or counties for the establishment of such county library district. Said petition shall clearly designate the area to be included in the district.

The board of supervisors of each county containing area within the proposed district shall submit the proposition to the electors within their respective counties at any general or primary election provided said election occurs not less than forty days after the filing of the petition.

A county library district shall be established, if a majority of the electors, voting on the proposition and residing outside of cities and towns maintaining a free public library as provided by section 378.1 favor it.

The result of the election within cities and towns maintaining a free public library under the above-mentioned provision shall be considered separately, and no such city or town shall be included within the county library district unless a majority of its electors, voting on the proposition, favor its inclusion. In such cases the boundaries of an established district may vary from those of the proposed district.

After the establishment of a county library district other areas may be included by mutual agreement of the board of trustees of the county library district and the governing body of the area sought to be included. [52GA, ch 193, §2; 53GA, ch 163, §3]

358B.3 Gifts accepted. Counties may receive, hold and dispose of all gifts, donations, devises, and bequests that may be made to them for the purpose of establishing, increasing, or improving any library. When the conditions thereof have been accepted by the county, their use for the county library may be enforced against the county board of supervisors by the library board by an action of mandamus or by other proper action. [52GA, ch 193, §3]

358B.4 Library trustees. In any county or counties in which a library district has been established a board of library trustees, consisting of five, seven, or nine electors of the library district, shall be appointed by the board or boards of supervisors of the county or counties comprising such library district. Membership on the library board shall be apportioned between the rural and city and town areas of the district in proportion to the population in each of such areas. In the event the library district is composed of two or more counties, representation on said library board shall be equitably divided between or among said counties in proportion to the population in each of such counties. [52GA, ch 193, §4]

358B.5 Terms. Of said trustees so appointed on boards to consist of nine members, three shall hold office for two years, three for four years, and three for six years; on boards to consist of seven members, two shall hold office for two years, two for four years, and three for six years; and on boards to consist of five members, one shall hold office for two years, two for four years, and two for six years, from the first day of July following their appointment in each case. At their first meeting they shall cast lots for their respective terms, reporting the result of such lot to the board of supervisors. All subsequent appointments, whatever the size of the board, shall be for terms of six years each. Vacancies shall be filled for unexpired terms by the governing body of the taxing unit of the district represented by the retiring member. [52GA, ch 193, §5]

358B.6 Removal or absence of trustee. The board of library trustees may declare the office of a trustee vacant by his removal from the library district or his unexplained absence from six consecutive regular meetings. [52GA, ch 193, §6]

358B.7 No compensation. Members of said board shall receive no compensation for their services. [52GA, ch 193, §7]
358B.8 Powers. Said board of library trustees shall have and exercise the following powers:

1. To meet and organize by the election of one of their number as president of the board, and by the election of a secretary and such other officers as the board may deem necessary.

2. To have charge, and supervision of the public library, its appurtenances and fixtures, and rooms containing the same, directing and controlling all the affairs of such library.

3. To employ a librarian, such assistants and employees as may be necessary for the proper management of said library, and fix their compensation; but, prior to such employment, the compensation of such librarian, assistants, and employees shall be fixed for the term of employment by a majority of the members of said board voting in favor thereof.

4. To remove such librarian, assistants, or employees by a vote of two-thirds of such board for misdemeanor, incompetency, or inattention to the duties of such employment.

5. To select and make purchases of books, pamphlets, magazines, periodicals, papers, maps, journals, furniture, fixtures, stationery, and supplies for such library.

6. To authorize the use of such libraries by school corporations or by nonresidents of the area which is taxed to support such libraries and to fix charges therefor.

7. To make and adopt, amend, modify, or repeal bylaws, rules, and regulations, not inconsistent with law, for the care, use, government, and management of such library and the business of said board, fixing and enforcing penalties for the violation thereof.

8. To have exclusive control of the expenditures of all taxes levied for library purposes as provided by law, and of the expenditures of all moneys available by gift or otherwise for the erection of library buildings, and of all other moneys belonging to the library fund, including fines and rentals collected under the rules of the board of trustees. Said board shall keep a record of its proceedings.

9. To accept gifts of any property, including trust funds; to take the title to said property in the name of said library; to execute deeds and bills of sale for the conveyance of said property; and to expend the funds received by them from such gifts, for the improvement of said library. [52GA, ch 193,§8]

358B.9 Methods of service. Library service shall be accomplished by one or more of the following methods in whole or in part:

1. By the establishment of depositories of books or other educational materials to be loaned at stated times and places.

2. By the transportation of books or other educational materials by conveyances for lending the same at stated times and places.

3. By the establishment of branch libraries for lending books and other educational materials.

4. By contracting for library service with the trustees of a free public library of any city or town. [52GA, ch 193,§9; 53GA, ch 163,§§4, 5]

358B.10 Library fund. All moneys received and set apart for the maintenance of such library shall be deposited in the treasury of such county to the credit of the library fund, and shall be kept by the treasurer separate and apart from all other moneys, and paid out upon the orders of the board of trustees, signed by its president and secretary.

Provided that where a free public library is maintained jointly by two or more counties, the library trustees may elect a library treasurer therefor, and it shall be the duty of the city and county treasurers to pay over to said library treasurer any and all library taxes that may be collected by them monthly.

Such library treasurer shall be required to furnish a bond conditioned as provided by section 64.2 in such amount as agreed upon by the boards of supervisors and the cost thereof shall be paid by the counties. [52GA, ch 193, §10; 53GA, ch 163,§6]

358B.11 Annual report. The board of trustees shall, immediately after the close of each fiscal year, make to the board of supervisors a report containing a statement of the condition of the library, the number of books added thereto, the number circulated, the number not returned or lost, the amount of fines collected, and the amount of money expended in the maintenance thereof during such year, together with such further information as it may deem important. [52GA, ch 193,§11]

358B.12 Real estate acquired. In any county in which a free library has been established, the board of library trustees may condemn real estate in the name of the county for the location of the library, its appurtenances, and branch libraries, and for the purpose of enlarging the grounds thereof. [52GA, ch 193,§12]

358B.13 Maintenance expense on proportionate basis. The maintenance of a county library shall be on a proportionate population basis whereby each taxing unit as hereinafter defined shall bear its share in proportion to its population to the whole of said county library district. The board of library trustees shall on or before July 10 of each year make an estimate of the amount it deems necessary for the maintenance of the county library and shall transmit said estimate in dollars to the board or boards of supervisors and to the city and town councils within the district. The entire rural area of each county in the library district shall be considered as a separate taxing unit. Each city and town which is a part of the county library district shall be considered as a separate taxing unit. The board of supervisors and the council of each city and town composing said county library district shall make the necessary millage levies accordingly for library maintenance purposes of not to exceed two mills. Any unexpended balance in
the library maintenance fund at the end of the fiscal year shall remain in said fund and be available without reappropriation. [52GA, ch 193,§13; 53GA, ch 163,§7]

359.14 Not applicable to contract service. The provisions of this chapter pertaining to the establishment of a county library district shall not apply to any area receiving library service from any city or town library under the provisions of chapter 378, unless the petition for a county library district shall, in addition to the required signatures of electors, be signed by the governing body of the area receiving library service under contract. [52GA, ch 193, §15; 53GA, ch 163,§9]

359.15 Existing contracts assumed. Whenever a county library district is established the board of trustees thereof shall assume all the obligations of the existing contracts made by cities, towns, townships, school corporations or counties to receive library service from free public libraries. [53GA, ch 163, §10]

CHAPTER 382

INTERSTATE BRIDGES

§382.1 Purchase of bridges. Any city in this state, including cities under the commission plan, where a tax upon the property of said city has been voted and paid to aid any company in the construction of a highway or combination bridge across any navigable river forming part of the boundary of this state, whether it was a condition of the vote or acceptance of such tax that said city had a right to buy said bridge from the company so aided, its successors or assigns, or not, or whether the time within which by the terms of the vote by which such option to purchase was granted to said city has expired or not, at any time after the taxes so voted in aid of such construction of such bridge have been paid over to said company, may vote an additional tax not exceeding one and one-fourth percent upon the taxable property of said city for the purpose of procuring funds with which to enable such city to purchase said bridge, such taxes to be payable in such annual installments as the electors of said city may determine, such determination by the electors to be at an election called for that purpose, and the petition submitting such question shall state the price to be paid for such bridge, including its approaches. [C24, 27, 31, 35, 39, §5894; C46, §382.1]

§382.2 Proceedings attending purchase. The mayor and city council of such city shall have power to enter into a contract with the corporation or company owning such bridge for the purchase thereof together with its franchises at a price to be agreed upon, which price shall not be greater than the value of such bridge or the cost thereof, with the taxes so voted and paid over by the authorities of said city deducted therefrom.

Unless there is an appraisement as hereinafter provided the original cost of construction shall be considered the value thereof.

No such contract shall become binding upon said city until the same has been submitted to the electors of said city and approved by them by the affirmative vote of a majority of the electors voting for or against the same; the question of the levy of such tax shall be submitted to such electors at the same election, the affirmative vote of a majority of all electors voting for or against the same being necessary to make the contract binding on said city.

If at such election the proposition to make such purchase upon the terms and at the price named in the question submitted and the proposition to vote such tax shall either of them be defeated by not receiving the affirmative vote of a majority of all electors voting for or against the same, such contract shall be considered at an end and said tax defeated. [C24, 27, 31, 35, 39, §5895; C46, §382.2]

§382.3 Form of submission. The questions as to whether the said contracts shall become binding upon the said city, and the taxes levied or bonds issued by the city authorities, shall, when submitted to the electors of said city, be submitted in the form and manner provided by sections 381.10 to 381.14, inclusive, so far as the same are applicable thereto. [C24, 27, 31, 35, 39, §5896; C46, §382.3]

§382.4 Appraisers—fees. In case a majority of the members of the city council of such city shall by resolution declare their wish to have
the said city purchase said bridge, its approaches and franchises, and be unable to agree with the owner of such bridge upon the value thereof, such value shall be ascertained by three appraisers named by the governor of Iowa, no one of whom shall be an officer, employee, or stockholder of such owner of said bridge, or a taxpayer or voter in the city proposing to make such purchase or in the county of the state opposite and adjoining said bridge. Such appraisers shall be paid fifteen dollars per day for the time necessarily and actually employed in making such appraise ment, together with their actual and necessary traveling expenses, the same to be paid by the city. [C24, 27, 31, 35, 39, §5897; C46, §382.41]

382.5 Tolls. If any such city shall thus become the owner of any such bridge, the city council shall have power from time to time to fix the rates of toll or charges for passing over the bridge, which tolls shall be large enough to pay for the maintenance and operating expenses, interest upon any bonds issued for its purchase, and sufficient after five years to provide a sinking fund of at least five percent of such outstanding bonds, and for their pay ment at maturity. [C24, 27, 31, 35, 39, §5898; C46, §382.5]

382.6 Management and maintenance. If any such city shall thus become the owner of any such bridge, it shall operate the same by officers or employees selected by the mayor and approved by the city council of said city, who shall have police powers and shall maintain order upon said bridge. One of such officers shall be superintendent and authorized to make proper inspection of the structure, see that the same is at all times kept in repair and safe for the traveling public, and that the navigation laws and regulations of the United States are observed.

The said city shall have power to prescribe and enforce proper regulations respecting the passing of stock in droves, and persons and vehicles over said bridge.

Such bridge shall be kept open for travel at all hours of the day or night unless some unavoidable accident shall make such travel for the time unsafe.

The rates of toll and copies of such regulations shall be kept posted at each end of such bridge. [C24, 27, 31, 35, 39, §5899; C46, §382.6]

§383.3 Utility franchises for use of bridge. The cities specified in this chapter through the governing bodies thereof are authorized and empowered to grant franchises for the non-exclusive use of the bridges acquired under this chapter to public utilities upon such terms, conditions, and for such consideration as such cities may impose whether incident to or part of the purchase of an existing bridge and rights of utilities in connection therewith, or otherwise, and thereafter to extend the duration or to amend the terms and conditions thereof. Any such grant shall be made by the city council by ordinance and no vote of the electors of the city shall be required. In no case shall such a grant be made by any bridge commission. [C31, 35,§5899-c2; C39,§5899.02; C46,§383.2]

§383.4 Conveyance of bridge. In the event that the state of Iowa, an adjoining state, the government of the United States, either, any, or all of them should agree to take over any bridge acquired by the city under this chapter and thereafter maintain and operate same as a free public bridge at its or their expense, then such city is authorized to convey such bridge on such conditions to such party or parties. [C31, 35,§5899-c4; C39,§5899.04; C46,§383.4]

§383.5 Power to assign rights. Any such city may grant the exclusive right to purchase an existing bridge or to construct a new bridge and to maintain any such bridge within a distance not exceeding one mile on each side of the bridge to be so purchased or constructed, for the period necessary to reimburse cost plus not exceeding eight percent thereof for financing charges, together with interest upon said cost and charges, but in no event to exceed ten years, subject to the conditions that at the termination of which period, such bridge shall become the sole property of the public and thereafter be maintained and operated by the city as a toll or free bridge as such city may determine from time to time in harmony with the other provisions of this chapter and the laws of the United States. Such grant shall be made in the manner and subject to the same conditions as may be provided by law for the granting of franchises. Any such grant or assignment shall be operation of law subject to the following conditions; the number of officers and employees and the salaries, wages, or compensation thereof shall be reasonable; no person shall be permitted free use of the bridge or use at discriminatory tolls; tolls shall be both adequate to hasten payment for the bridge and reasonable to the public; financing costs shall be reasonable and the city may impose requirements and safeguards as to the conservation of funds and insurance of property; complete statements of operations and finances shall be filed with the city clerk on bond interest dates upon completion of the bridge and upon delivery of same to the city; and the city shall have power to require or itself perform audits and examine the books and call for any reports at any time. The city may enforce these obligations in any court of competent jurisdiction. In any such assignment, same shall by operation of law be subject to the conditions that the plans and specifications, the location, size, type, and method of construction, the boundaries and approaches and the estimates of cost of construction and acquisition shall be first submitted to the governing body of the city and receive its approval before any construction shall be commenced or any contract for construction or for financing construction shall be entered into. [C31, 35,§5899-c5; C39,§5899.05; C46,§383.5]

§383.6 Existing bridge—purchase, lease, or sublease. If any such city shall desire to purchase, lease, or sublease any existing bridge, and shall have received any such authority as may be necessary from the government of the United States, the governing body thereof may determine the fair value thereof, including all interests of every nature therein, and may by written resolution tentatively offer the owners thereof jointly the price determined and if all such owners, within ninety days thereafter, shall file with the city clerk of such city a duly authorized and properly executed written tentative acceptance of such offer, binding themselves to accept same and assign such lease or sublease or convey good and complete title by warranty deed when and if the electors of said city shall authorize such purchase and the necessary funds shall be provided therefor, then upon the filing of such acceptance, the governing body of the city may submit to the
electors thereof, at a special election called for that purpose or at any general or city election, within one hundred twenty days after the filing of such acceptance, the question whether such purchase shall be made at the price stated on the ballot and the governing body of the city be authorized to issue bonds of the kind or kinds stated in the proposition and in any such amount as may be required to provide the necessary funds, and the proposition so submitted shall be carried if the majority of the electors voting on such proposition shall vote in favor thereof, and the tentative acceptance of the owners of such bridge shall then become final and binding upon them and may be enforced in any court of competent jurisdiction. Title to and possession of the bridge shall pass upon payment of the consideration therefor. Such purchase may also be made subject to existing mortgages and the assumption of outstanding bonds. If repairing, reconditioning, and reconstruction shall be necessary to place any bridge so purchased or to be purchased in safe, efficient, or convenient condition, the governing body of the city may cause the estimated cost thereof to be included as a part of the cost of such bridge in submitting the proposition of purchase to the electors, or without submitting such additional cost shall, when the purchase has been authorized by the electors, be empowered to issue additional bonds to provide funds for that purpose in an amount not to exceed fifteen percent of the purchase price of the bridge. If within ninety days after this chapter shall have become effective, the governing body of any such city shall not have made any offer to purchase an existing bridge, or shall have made an offer which shall have been rejected by the owners of such bridge, then the owners thereof shall be authorized to submit to the city an offer for the sale, lease, or sublease thereof, and such offer shall within ninety days after its filing with the city clerk and approval by the corporation counsel or city attorney, be submitted by the governing body of the city to the electors of the city at a general or city election, held within that period, or at a special election called for that purpose, provided that the owners of the bridge shall agree to pay all of the costs of such submission to the electors and shall adequately secure such payment at the time of the filing the offer with the city clerk. The form of such offer and execution thereof shall be subject to the approval of the corporation counsel or city attorney of the city who shall also prepare the proposition to be submitted to the electors in proper legal form. The proposition submitted to the electors shall include all necessary provisions for financing such purchase, lease, or sublease, and the governing body of the city may itself determine the method of such financing and the kind of bonds to be issued in connection therewith and provide for same in the proposition to be submitted, or the governing body of the city may submit to the electors the question as to which kind of bonds shall be issued for that purpose. Such offer of the owners of such bridge shall be binding upon them, their successors and assigns and all parties in interest unless and until same has been rejected by the electors at the election herein provided for. Any question submitted at such election shall be carried if the majority of the electors voting on such question shall vote in favor thereof. Title to the bridge and the right to the possession thereof shall vest in the city upon proper legal tender of payment in accordance with the offer so submitted and authority granted by the electors. The acceptance of such offer by the electors shall carry with it the authority hereinbefore provided in this section for the provision of funds for repairs, reconditioning, or reconstruction. At any time during the period of thirty days after the form of any such offer shall have been approved by the corporation counsel or city attorney of the city, the governing body of such city shall have the right to make a counter offer to the owners of such bridge, and if within that period such offer shall be accepted as hereafter provided in this section, the offer made by the owners of the bridge and proceedings pursuant thereto herein provided for, shall be abandoned; but if such counter offer shall not be accepted, then the governing body of the city shall proceed with the submission of the offer of the owners of the bridge. During the period of ninety days after the filing of an offer by the owners of the bridge and the approval of the form thereof, the governing body of the city is authorized to hold such public hearings as it may deem advisable, and is empowered to require the disclosure of complete information by the owners of the bridge, and to require the attendance of witnesses and take testimony under oath, and to employ experts and to investigate all matters which may assist the governing body or the electors in determining the questions presented by or growing out of the offer so made. Upon approval by the corporation counsel or city attorney of the form of offer made by the owners of the bridge, such offer shall be published by the city in an official newspaper published in said city, upon three consecutive days. After the corporation counsel or city attorney and the governing body of the city shall have approved the final form in which the offer and proposition is to be submitted to the electors, the city shall cause such proposition to be published on three consecutive days in an official newspaper published in said city to be completed not less than ten days before the date of the election. At the same election at which an offer to sell an existing bridge made by the owners thereof shall be submitted, the governing body of the city is also authorized to submit at the expense of the owners of the bridge an alternative proposition to authorize the construction of a new bridge at an estimated cost to be included in the proposition and the financing thereof as elsewhere provided for in this chapter for new bridges. The governing body of the city may also submit independent propositions for
the construction of one or more new bridges as well as the purchase of an existing bridge at the same election and at the expense of the owners of the existing bridge. The governing body of the city may also, at the same election and at the cost of the owners of the bridge offered for sale, submit the proposition so that the construction of a new bridge shall be authorized only in the event the purchase of the existing bridge shall not be authorized by the electors or the exercise of the power of eminent domain and shall have received any such authority as may be necessary from the government of the United States, it may exercise such power in the following manner, or in such manner as congress may require. The governing body of the city shall cause notice of the taking of depositions, require the production of books and papers, and may appoint a shorthand reporter. The commission of condemnation shall select some suitable person to act as clerk and the records kept by such clerk shall constitute the official records of the commission. In the event of a vacancy on the commission of condemnation such vacancy shall be filled in the manner in which the original appointments were made and when necessary, by reason of such vacancy, the commission may review any evidence in its record. All acts,
including final report, shall be by a majority of such commission. Such commission of condemnation authorized hereby shall determine the value of such bridge, the rights thereunder sought to be appropriated, and make its report in writing, presenting its findings, within one hundred twenty days after its organization, and which report shall be filed with the clerk of the district court of the county in which such city is located. Within ninety days after the filing of the report by said commission if the said city elects to proceed further, the governing body of the city shall introduce an ordinance providing for the submission to the electors of the city the question whether such award shall be confirmed and the property be taken and bonds of the kind or kinds determined by the governing body of the city and stated upon the ballot shall be issued in the amount of said award, such proposition to be submitted within ninety days after said ordinance becomes effective at a special election called for that purpose or at any general or city election, and shall be carried if a majority of the electors voting thereon shall vote in favor thereof. If such proposition is carried, title to the property to be appropriated shall at once vest in said city, and the right to possession shall vest in said city as soon as money in the amount of said award is on deposit with the city treasurer and warrants for the disbursement thereof are available and the interested parties have been notified to that effect provided there exists no actual or legal obstacle to immediate payment. In the event of an appeal, the sum representing the award or awards involved in such appeal or appeals shall not be paid but shall be invested by the city treasurer in bonds of the United States government or in securities designated by the owner of the property taken, at their own risk, and which shall be held in trust until the final disposition of the appeal, the interest on such bonds to be in lieu of interest upon the award. If such proposition so submitted at the election has been carried, any or all of the persons whose property or interest has been taken may appeal from the finding of value and award within twenty days after the canvass of the election to the district court of the county in which such city is located, by the filing of a petition for appeal with the clerk of said court and by the filing of a bond with said clerk to be approved by him, conditioned for the payment of all costs of the proceedings and any increased interest and costs upon appeal. If the proposition so submitted at the election has been carried, any or all of the persons whose property or interest has been taken may appeal from the finding of value and award within twenty days after the canvass of the election to the district court of the county in which such city is located, by the filing of a petition for appeal with the clerk of said court and by the filing of a bond with said clerk to be approved by him, conditioned for the payment of all costs of the proceedings and any increased interest and costs upon appeal. If the clerk of the district court shall immediately notify said cause and the parties shall proceed in all respects in the trial of said cause in the manner as though said action had been originally instituted in said district court. The party appealing, shall, within such time as the district court shall order, file with the clerk of said court a complete transcript of all the proceedings had before the commission of condemnation and either party may use, in the trial of said cause, any portion or all of said transcript. The costs of the proceedings before the commission of condemnation, including compensation or fees of the commissioners, shall be paid by the city. In the event of an appeal from the award on condemnation the costs shall be taxed and paid as the court may order. The district court of the county in which the proceedings are had shall have jurisdiction upon application by the commissioners to fix the amount of their compensation. Upon such appeal the court may increase or decrease the amount of the award. No such appeal shall delay the passage of the title or right of the city to possession of the property condemned. In the event the amount of such award is increased upon appeal, the amount of such increase shall be paid with interest thereon at the rate of six percent per annum from the date the city took possession of the property until paid. The governing body of the city is authorized without a further vote of the electors to issue such additional bonds as may be necessary to pay interest on the awards, costs on appeal, and any amount by which the award may be increased upon appeal. 383.8 Preliminary expense — tax — bonds. Cities may levy a tax of not to exceed one-fourth mill on the dollar on the taxable valuation of such city, to be levied, collected, and appropriated solely to finance preliminary work, including investigation, soundings, employment of engineers and architects, securing of estimates, and any other useful work, or appropriate expense in connection with the proposed acquisition, or construction or purchase of any bridge or bridges and the preliminary financing thereof, and notwithstanding any limitation now or hereafter imposed by law upon the limit of indebtedness or the constitutional limitation, may anticipate such tax and issue bonds with interest coupons maturing in not less than five years, and the provisions of chapter 408 shall be operative as to such bonds and coupons, insofar as they may be applicable and except as set forth in this section. The amount of such bonds may be included as a part of the cost of the bridge and may be repaid out of the proceeds of any bonds issued for permanent financing. [C31, 35,§5899-c8; C39,§5899.08; C46,§383.8]

383.9 Power to issue bonds. To finance any of the purposes or powers provided for in this chapter, the city council or governing body of any such city shall in the first instance determine whether any purchase, condemnation, or construction authorized by this chapter shall be financed by bonds which are general obligations of the city and which may also be supported by a lien or mortgage on the bridge itself or upon the tolls to be derived there-
§383.9, Ch 383, CITIES AND TOWNS—INTERSTATE BRIDGES

383.10 Revenue bonds. Cities, including cities under the commission plan, are hereby authorized to provide funds for the purposes of this chapter by the issuance of revenue bonds of such cities, the principal and interest of which bonds shall be payable solely from the special funds herein provided for such payment and as to which, as shall be recited therein, the city shall incur no indebtedness of any kind or nature and to support which the city shall not pledge its credit nor its taxing power nor any part thereof. Such revenue bonds shall bear interest at not more than six percent per annum, payable semiannually, and shall mature in not more than twenty years from their date or dates and may be made redeemable at the option of the city issuing the same at not more than the par value thereof plus a premium of five percent under such terms and conditions as the governing body of the city may fix prior to the issuance of such bonds. The governing body of the city shall provide the form of such bonds including coupons to be attached thereto to evidence interest payments, which bonds shall be signed by the mayor and countersigned and registered by the city treasurer, under the city’s seal, and which coupons shall bear the facsimile signatures of said mayor and the city clerk, and shall fix the denomination or denominations of such bonds and the place or places of payment of principal and interest thereof, which may be at the office of the city treasurer and/or any bank or trust company in the state of Iowa, or in the city of New York, state of New York. The governing body of the city may provide for the registration of such bonds in the name of the owner as to the principal alone or as to both principal and interest. Such bonds may be sold in such manner as the governing body of the city may determine to be for the best interests of the city, taking into consideration the financial responsibility of the purchaser and the terms and conditions of the purchase and the availability of the proceeds of the bonds when required for the payment of the cost, such sale to be at not less than ninety-two cents on the dollar and accrued interest. The proceeds of such bonds shall be deposited, in the first instance, with the city treasurer and thereafter with such depositories as the bridge commission shall direct and the governing body of the city shall approve, and shall be secured in such manner and to such extent as the governing body of the city and the bridge commission shall require, and shall be used solely for the payment of the cost of the bridge or bridges and costs incident thereto as provided for in this chapter, and under such further restrictions, if any, as the governing body of the city may provide. If the face amount of such bonds, less any discount on the sale thereof, shall exceed such cost, the surplus shall be paid into the fund hereinafter provided for payment of the principal and interest of such bonds. The governing body of the city shall have the right to purchase for retirement and cancellation any of such bonds that may be outstanding at the market price, but at not exceeding one hundred and five and accrued interest nor exceeding the price, if any, at which the same shall in the same year be redeemable, but all bonds redeemed or purchased out of funds provided...
by the sale of bridge bonds provided for in this chapter shall forthwith be canceled and shall not again be issued. Prior to the preparation of definitive bonds the governing body of the city may, under like restrictions, issue temporary bonds with or without coupons, exchangeable for definitive bonds upon the issuance of the latter. The governing body of the city may enter into an agreement with any competent trust company as trustee for the holders of such bonds, setting forth the duties of the city and the bridge commission in respect to the construction, maintenance, operation, and insurance of any such bridge, the conservation and application of all funds, the insurance of moneys on hand or on deposit, and the rights and remedies of said trustee and the holders of such bonds, and restricting the individual right of action of bondholders as is customary in trust agreements respecting bonds of corporations. Said trust agreement may contain such provisions for protecting and enforcing the rights and remedies of the trustee and the bondholders as may be reasonable and proper, and also a provision for approval by the original bond purchasers of the appointment of consulting engineers and of the security given by the bridge contractors and by any bank or trust company in which the proceeds of bonds or bridge tolls or other moneys of the bridge commission shall be deposited, and may provide that no contract for construction shall be made without the approval of the consulting engineers. No such bonds shall be issued unless and until the issuance of same shall have been submitted by the governing body of the city to the electors thereof and authorized by the vote of the majority voting on such proposition at a special election called for that purpose or at any general or city election. At such election the proposition shall be separate as to the bonds for each bridge to be acquired or constructed and the amount of bonds may be either a specific amount equal to the estimated total cost of every nature plus not to exceed twenty-five percent, or may be general and authorize the issuance of bonds in such amount as may be found necessary from time to time to complete the acquisition, construction, and equipment of the bridge and all costs incident thereto, or may be part one and part the other. The bonds authorized by this section may, at the option of the governing body of the city, be supported by mortgage and deed of trust. [C31, 35.§5899-c10; C39,§5899.10; C46,§383.10]

§383.11 Revenue refunding bonds. Any city which has heretofore or shall hereafter issue revenue bonds under the provisions of this chapter, is hereby authorized to provide for the issuance of revenue refunding bonds of the city for the purpose of refunding any such revenue bonds then outstanding. It shall not be necessary to submit the proposition of issuing such revenue refunding bonds to the electors of the city. In all other respects, the issuance of such revenue refunding bonds, the maturities and other details thereof, the rights of the holders thereof, and the duties of the city and of the bridge commission, if any, in respect to the same, shall be governed by the provisions of this chapter insofar as the same may be applicable, and by the following provisions:

1. No revenue refunding bonds shall be issued, unless issued to refund revenue bonds which have matured or will mature within three months, or unless the interest rate of the revenue refunding bonds shall be at least one-fourth of one percent less than the interest rate borne by the revenue bonds to be refunded, in which event the entire bond issue may be refunded.

2. No revenue refunding bonds shall be delivered, unless delivered in exchange for revenue bonds to be refunded thereby, except in the amount necessary to provide for the payment of matured or redeemable revenue bonds or revenue bonds maturing or redeemable within three months, including any redemption premium thereon, or all revenue bonds refunded for a lower interest rate as provided in subsection 1.

3. The rates of tolls to be charged for the use of the bridge acquired or constructed from the proceeds of the revenue bonds to be refunded, shall be so fixed and adjusted as to provide a fund sufficient to pay the interest on and the principal of such revenue refunding bonds as the same shall become due, and to provide an additional fund to pay the cost of maintaining, repairing, and operating the bridge. And such tolls shall be continued until such revenue refunding bonds and the interest thereon shall be paid or provision made for their payment.

4. Notice of refunding of said bonds shall be given to the public for at least three consecutive weeks prior thereto in at least one local newspaper of general circulation in one of the communities or cities adjacent to and served by said bridge. [C39,§5899.11; C46,§383.11]

§383.12 Protection of bondholders. Neither the state of Iowa nor any political subdivision thereof shall limit or restrict the rights and powers granted in this chapter to the detriment of owners of outstanding bonds authorized hereby, nor shall such state or political subdivision authorize the construction or itself construct any competing bridge within a distance of less than one mile on either side of any bridge acquired under this chapter unless and until all of such bonds, together with the interest thereon have been fully paid and canceled, unless other adequate provision shall have been made for the protection and guaranty thereof. [C31, 35.§5899-c11; C39,§5899.12; C46,§383.12]

§383.13 Tolls. The rates of tolls to be charged for the use of any bridge acquired or constructed under the provisions of this chapter shall be fixed and adjusted as may be required
by any law of the United States now in force or hereafter to be enacted, and shall be so fixed and adjusted as to provide a fund sufficient to pay the interest and principal of any bonds issued under this chapter, and to provide an additional fund to pay the cost of maintaining, repairing, and operating such bridge, and may also provide a reserve fund reasonably sufficient to provide for the cost of the continued operation, supervision, maintenance, and repair of said bridge or bridges for a period not to exceed twenty-five years after the removal of toll charges. After the provisions of said funds have been completed, such bridge or bridges shall thereafter be maintained and operated free of toll unless or until the charging of reasonable tolls may be continued or resumed by the governing body of the city or its commission in order to finance reconstruction, extension, enlargement, replacement, or renewal of that particular bridge or in aid of the acquisition, construction, reconstruction, extension, enlargement, replacement, or renewal of any other bridge owned in whole or in part by said city. The owners of outstanding bonds issued to finance the bridge, or the authorized trustee therefor, shall have the right to compel the fixing of adequate tolls by application to any court of competent jurisdiction. In case the city is at the same time providing for the payment of more than one bridge through the collection of tolls, the tolls under such bridges may be adjusted so that each bridge shall assist the financing of the other.

§383.14 Bridge commission. When it has been determined by the city council or the governing body of any such city, by resolution or ordinance in the exercise of its discretion, that in the exercise of the powers conferred by this chapter, it is expedient to create a bridge commission, the mayor of such city, with the approval of the governing body of the city, shall appoint four persons, who with the mayor, ex officio, shall constitute a bridge commission which shall be a police body corporate and politic under the name of (insert name of city) bridge commission and shall have power to contract, to sue and be sued, and to adopt a seal and alter same at pleasure, but shall not have power to pledge the credit or taxing power of the city. No officer or employee of said city, except the mayor thereof, whether holding a paid or unpaid office shall be eligible to hold an appointment on said commission. Such appointees shall be originally appointed for terms of four years. Upon the expiration of such terms, appointments shall be made in like manner for terms of four years. Not more than two of such appointees shall be members of the same political party. Vacancies shall be filled for any unexpired term in the same manner as the original appointment. Said commission shall elect a chairman and a vice-chairman from its members and a secretary and treasurer who need not be a member of such commission. The members of the commission shall receive no compensation, and shall give such bond as may be required from time to time by the governing body of the city. The commission shall fix the compensation of the secretary and treasurer in its discretion. The commission shall have power to establish bylaws, rules, and regulations for its own government and to make and enter into all contracts or agreements necessary or incidental to the performance of its duties and the execution of its powers under this chapter. The commission may employ engineering, architectural, and construction experts, and inspectors and attorneys, and such other employees as may be necessary in its opinion, and fix their compensation, all of whom shall do such work as the commission shall direct. All salaries and compensation shall be obligations against and be paid from funds provided under the authority of this chapter. The office, records, books, and accounts of the bridge commission shall always be maintained in the city which the commission represents. Such commission may be charged by the governing body of the city with the construction of new bridges or the operation, maintenance, repair, renewal, reconstruction, replacement, extension, or enlargement of existing bridges, or bridges hereafter constructed.

§383.15 Additional powers of commission. The commission if and when created is hereby authorized to prepare the necessary and proper plans and specifications for the construction of such bridges as may be designated by the governing body of the city, to select the location for same, determine the size, type, and method of construction thereof, to plan and fix their boundaries and approaches, to make the necessary estimates of the probable cost of construction and the acquisition of the land and rights for the sites of the abutments and the approaches and easements of access to the bridges in a manner hereinafter provided, to enter into the necessary contracts, to build and equip the entire bridges and the approaches and accesses or easements of access thereto, to build the superstructure and substructures and all parts thereof, to obtain and exercise such consent or authority as may be necessary from the government of the United States and the approval of the secretary of war and chief of engineers, and to cause a survey and map to be made of all lands, structures, rights of way, franchises, easements or other interests in lands, including lands under water and riparian rights owned by any person, corporation, or municipality, the acquisition of which may be deemed necessary. The laws, rules, and regulations for the construction of such bridges and to cause such map and survey to be filed in its office. The members of the commission, or its agents and employees, may enter upon such lands and structures and upon lands under water notwithstanding any interests in such lands or structures, for the purpose of making such surveys and maps; provided, however, that the
commission shall not proceed to exercise or carry out any authority or power herein given to bind said commission beyond the extent to which money has been provided under the authority of this chapter. No contract or agreement for the acquisition, construction, reconstruction, repair, enlargement, extension, renewal, replacement, or equipment of such bridges exceeding in amount the sum of twenty-five hundred dollars shall be made without advertisement for bids, which bids shall be opened publicly and an award made to the best bidder, with power in the commission to reject any or all bids. The plans and specifications, the location, size, type and method of construction, the boundaries and approaches, and the estimates of cost of construction and acquisition, hereinebefore provided for in this section, shall be first submitted to the governing body of the city and receive its approval before final adoption by the commission, which shall have no power to proceed further unless and until such approval has been had. No contract for acquisition, construction, or incidents thereto, and no liabilities in connection therewith shall be entered into or incurred unless and until bonds to finance the project have been authorized by the electors of the city in the method provided in this chapter. The commission shall operate, manage, and control the bridges under its charge in their entirety, fix the rate of tolls, establish bylaws and rules and regulations for the use and operation of said bridges, provide for the lighting and policing thereof, and select such employees as it deems necessary, and fix their compensation, and if and when authorized by the governing body of the city shall have power to renew, replace, reconstruct, extend, and enlarge bridges, but shall not have power to create liens upon or to mortgage any property unless first authorized by the governing body of the city. [C31, 35, §5899-c14; C39, §5899.15; C46, §383.15]

383.16 Record, reports, auditing, removal of members—general provisions. The bridge commission shall keep an accounting record of all its acts, the property entrusted to it, the cost of the bridge or bridges and incidents thereto, the expenditures for maintaining, repairing, and operating same and the daily tolls collected, which records shall be public records and property of the city. A semiannual statement shall be published on each bond interest date in the official newspaper of the city. The governing body of the city after reasonable notice and hearing may at any time upon the completion of the work of the commission and at such other times as may be directed by the governing body of the city, the cost thereof to be charged against the funds provided for in this chapter. The governing body of the city, and in the absence of action by it, the bridge commission, shall have power to require bonds of officers and employees, to require guarantees of deposited moneys, and to insure the bridges and all property connected therewith against every manner of loss or injury. Funds under control of the commission may be invested in certificates of deposit in national banks or in bonds or other evidences of indebtedness which are general obligations of the United States, state of Iowa, or other states, or the city or the cities operating as in this chapter provided, but only in such manner as to be immediately available or recaptured when needed for use for the purposes authorized in this chapter. [C31, 35, §5899-c15; C39, §5899.16; C46, §383.16]

383.17 Acquisition of property by purchase by commission. The commission is hereby authorized to purchase in the state of Iowa and in any adjoining state when authorized by such state, if such authority be necessary, or the government of the United States, solely from funds provided under the authority of this chapter, such lands, structures, rights of way, franchises, easements or other interests in lands, including lands under water and riparian rights of any person, railroad or other or public or private corporation, necessary or convenient for the acquisition, construction, extension, or enlargement of said bridges and approaches thereto upon such terms, prices, or consideration as may be considered by it to be reasonable, and can be agreed upon between it and the owner or owners, title thereto to be taken in the name of and to vest in the city. [C31, 35, §5899-c16; C39, §5899.17; C46, §383.17]

383.18 Condemnation of property by commission. Whenever it shall be necessary to condemn property in the state of Iowa for the purpose of constructing, extending, or enlarging any portion of said bridges or the approaches thereto, or securing avenues of access or rights of way leading to said approaches, the commission may condemn any interests, franchises, easements, rights or privileges, land or improvements which may, in its opinion, be necessary for the purpose of constructing said bridges or the approaches thereto, or necessary for rights of way or avenues of access leading to said approaches. Condemnations shall be accomplished to the extent of the funds provided under the rule of this chapter and at such times and by the method thereof as shall be the same as that provided by statute for the condemnation for similar or appropriate municipal purposes by cities. The commission is and shall be further empowered to exercise in any adjoining state such powers of eminent domain as may be conferred upon the commission by any act of the congress of the United States now in force or which may hereafter be enacted, or as may be authorized by the law of that state. No payments of award in any

383.22 Dissolution of commission. Any local bridge commission provided for in this chapter may be dissolved by the governing body of the city at any time after the acquisition, construction, and equipment of the complete bridge or bridges within its care have been completed and all the costs thereof have been paid from the funds provided by the bond issues provided for in this chapter, and thereupon the governing body of the city shall assume the further duties in connection with such bridge, including the operation, maintenance, and repair thereof, the administration of funds, the collection of tolls, and all other necessary or proper acts, or at any time thereafter may create a new bridge commission to effect any of the purposes or objects authorized by this chapter. In case the governing body of any city designated in this chapter, having been authorized by the electors as required by this chapter, shall at any stage of the proceedings determine to co-operate with any properly authorized political subdivision in this or an adjoining state in the joint acquisition and operation of a bridge or bridges, a joint commission shall be created. Such joint commission shall be created and the members selected by the action of each political unit co-operating, in the same manner provided for the creation of a local commission, by the law applicable to each political unit, and, upon which representation may be proportioned to the respective contribution of funds by the political units co-operating for the purposes of such acquisition, provided that the total membership shall not exceed ten. The commission shall select a chairman and vice-chairman to represent each political subdivision co-operating in the enterprise, and shall maintain a single office at the place selected by the commission, but for legal purposes shall be domiciled within the jurisdiction of each political unit co-operating, and shall have power to sue and be sued. This commission shall constitute a public body corporate and politic, shall select and adopt its own name, and shall be vested with such powers and subject to such conditions as may be conferred and imposed by the government of the United States and/or such powers and conditions in the state of Iowa, as are conferred and imposed in this chapter upon a local bridge commission, and such powers and subject to such conditions in an adjoining state as may be conferred and imposed by the laws of such state. The plans and specifications, the location, size, type, and the method of construction, the boundaries and approaches, and the estimates of
costs of construction, acquisition of property, and financing, shall be first submitted to the governing bodies of the political units co-operating and receive their approval by resolution before final adoption by the commission, which shall not enter into contracts and shall have no power to proceed further unless and until such approval has been had. If such joint commission is created after any work has been done, any funds provided or any liabilities incurred by the governing body of the city, or by a local commission, such joint commission shall take over, succeed to, assume, and be liable therefor. The cities specified in this chapter are authorized and empowered to authorize or require said joint commission to conduct and to complete the sale of bonds provided for in this chapter at the same time and to the same purchaser, under the best conditions obtainable, together with the bonds of the political subdivision with which it is co-operating, so that the benefits of a joint offering and sale may be obtained. The funds derived from the sale of all political unit bonds co-operating may be mingled and shall be administered and expended by the joint commission as one common fund. As near as may be, and subject to any rules and regulations which may be adopted by the commission for that purpose, the fund shall be deposited and maintained in equitable proportions within the territory of each political subdivision, and applied to the purchase or redemption of the separate bond issues in an equitable manner. All contracts, evidences of indebtedness, and payment vouchers shall be signed by the treasurer and countersigned by each vice-chairman. Title to all real and personal property and to the completed bridge and all its appurtenances and incidents shall vest in the political subdivisions co-operating as tenants in common in the same proportions as the contributions made to the joint fund. In the event of the inability of the governing bodies of the political subdivisions co-operating or their joint commission to agree, the specific controversy may be submitted to arbitration in such manner as may be agreed upon. [C31, 35.§5899-22; C39, §5899.23; C46,§383.23]

383.24 Joint purchase. Any city specified in this chapter desiring to exercise the power as granted in section 383.2 to jointly purchase or by bargain and sale any existing bridge, may do so either when the electors have authorized such joint purchase or have authorized an independent purchase of such bridge. The governing body of the city is authorized to enter into joint contract with the other political unit as to all the conditions of the purchase and the conditions of subsequent reconditioning, operation, toll charges authorized by this chapter, repair, maintenance, renewal, replacement, enlargement, and extension of such bridge. Title to the bridge shall vest in the political units co-operating as tenants in common and operation shall be by the joint commission provided for in this chapter and subject to the conditions provided with reference to such commission. [C31, 35,§5899-c23; C39, §5899.24; C46,§383.24]

Referred to in §383.25

383.25 Joint condemnation. Any city specified in this chapter may acquire an existing bridge by entering into joint condemnation proceedings with other political units as authorized in section 383.2. Where the property to be condemned is situated within the jurisdiction of more than one political unit or partly in the state of Iowa and partly in an adjoining state, the political units co-operating shall first enter into contract electing in what jurisdiction and in which state a single joint proceeding to condemn the property as an entirety shall be instituted and the proceeding shall be conducted subject to the law of and in the manner provided for that jurisdiction, or such proceedings may be conducted subject to the law and in the manner provided by any act of congress governing the power of condemnation where the property to be acquired is situated in more than one state. For this purpose, cities in this state and specified in this chapter are authorized to become parties to a single proceeding in an adjoining state and to subject themselves to the laws of that state governing such proceedings. In the event of such joint proceedings in this state the method of proceedings provided in section 383.7 shall govern but shall be modified to the extent of requiring the board of appraisers to be created by the designation of three appraisers for each political unit co-operating and by releasing the restriction as to residents within the state. The contract heretofore in this section provided for shall be similar to the contract provided for in section 383.24 and also fix the proportionate contribution to be made by each political unit co-operating, and shall also provide for the creation of a joint commission to take over the operation of the property if and in the event of its acquisition subject to the conditions provided in this chapter with reference to such joint commission. Title to the property condemned shall vest in the political units co-operating as tenants in common when, if and as the approval of the electors has been had as provided in section 383.7. [C31, 35,§5899-c24; C39, §5899.25; C46,§383.25]

Referred to in §383.26

383.26 Joint construction. Whenever the electors of any city specified in this chapter shall have authorized the construction of a bridge as provided in this chapter, the governing body of the city shall have power to construct such bridge independently or jointly with any state or political unit as authorized in section 383.2. Such cities are authorized to enter into any contract which may be necessary to effectuate this purpose. The title to all property acquired shall vest in the political units co-operating as tenants in common. The actual control of all construction and subsequent operation, including all property necessary to the completed bridge, and of maintenance and repair thereof, and of funds and the
collection and custody of tolls shall vest in a joint bridge commission as provided in section 383.23, which commission and its control shall not be terminated until such tenancy in common shall be terminated. [C31, 35, §5899-c25; C39, §5899.26; C46, §383.26]

383.27 Power of foreign cities. Any city in an adjoining state which has been properly authorized by the law of that state and/or the United States may exercise in the state of Iowa any and all powers granted in this chapter to cities in Iowa, subject to the conditions and requirements of this chapter. [C31, 35, §5899-c26; C39, §5899.27; C46, §383.27]

383.28 Submission to the electors. Any proposition or propositions arising in connection with the exercise of any of the powers granted by this chapter, may be submitted by the governing body of the city to the electors thereof at any general or city election or at any special election called for that purpose, and any proposition shall be carried if the majority of the electors voting thereon vote in favor thereof. No bridge shall be finally or irrevocably acquired, whether by purchase or by condemnation or by construction, unless and until such action and the necessary financing shall have been approved by the majority of the electors voting on the proposition at a general or city election or at a special election called for that purpose. Two or more propositions or questions may be submitted at the same election and on the same ballot provided each is so presented that the electors may vote separately upon each proposition. A vote of the electors authorizing independent action shall be by operation of law be held to also authorize joint action for the purpose so authorized, but a vote on a proposition of joint action shall not be held to authorize independent action. The governing body of the city is hereby authorized to determine what shall be included in the proposition to be stated in notices of election and upon the ballots in its full discretion except that any proposition must indicate whether the bridge shall be acquired by the purchase or by the condemnation of an existing bridge or by the construction of a new bridge and the kind of bonds to be issued to finance the same, and the amount of such bonds may be set forth in any manner authorized in this chapter. [C31, 35, §5899-c27; C39, §5899.28; C46, §383.28]

383.29 Supplementary powers granted—saving clause. The powers hereby conferred are to be exercised without any restriction or limitation under the laws of the state except the provisions of the constitution of the state, and are supplementary and additional to powers which have been or may hereafter be conferred upon the city by law of the state. All powers granted to or provided to be conferred upon the bridge commission authorized by this chapter, are likewise granted to and conferred upon and may be exercised by the governing body of the city and the governing body of the city may delegate any or all of the powers conferred upon it by this chapter to such commissions. The sections and provisions, and parts thereof, of this chapter are separable and are not matters of mutual essential inducement, and it is the intention to confer the whole or any part of the powers herein provided for, and if any of the sections or provisions, or parts thereof, are for any reason illegal, it is the intention that the remaining sections and provisions or parts thereof shall remain in full force and effect. [C31, 35, §5899-c28; C39, §5899.29; C46, §383.29]

383.30 Additional powers. The powers conferred by this chapter are in addition to the powers elsewhere granted by law or any other chapter in respect to interstate bridges. [C31, 35, §5899-c29; C39, §5899.30; C46, §383.30]

384.2 Commissioners—appointment—qualifications—terms—organization—removal—vacancies. The department of public docks shall be administered by a dock board consisting of three members to be known as commissioners of public docks. Within three months,

Thereafter, one commissioner with the said qualifications shall be appointed annually by the council and the term of office of such commissioner shall be three years. The members of the board shall qualify by taking oath for the faithful performance of their duties. Within ten days after their appointment the commissioners shall meet and organize the dock board by the election from among their number of a president and a secretary of said board, and shall from time to time adopt rules and regulations for the government of their department and to govern their proceedings, which shall be adopted by resolution recorded in a book kept by the board and known as the book of rules and regulations, and said rules and regulations shall be in force after publication in some newspaper published and circulated in the municipality. If any commissioner shall at any time during his said incumbency cease to have the qualifications required by this section for his appointment, or shall willfully violate any of his duties under the law, such commissioner shall be removed by the council after written charges have been preferred against him and a due hearing of such charges has been had by the council upon reasonable notice to such commissioner. Vacancies occurring in the board through resignation or otherwise shall be filled by the council for the unexpired term.

384.3 Powers and duties. The board shall have power and it shall be its duty for and in behalf of the city or town, hereinafter called the municipality, for which it is organized:

1. General plan. To prepare or cause to be prepared a comprehensive general plan for the improvement of its harbor and water front, making provision for the needs of commerce and shipping, and for the use of river-front property by others for industrial and manufacturing purposes to the extent deemed advisable in relation to the operation of established wharves and docks, and providing for the construction of such docks, basins, piers, quay walls, wharves, warehouses, tunnels, belt rail-

way connecting with all railway lines within the municipality, and such cranes, dock apparatus, and machinery equipment as it may deem necessary for the convenient and economical accommodation and handling of watercraft of all kinds and of freight and passengers, and the free interchange of traffic between the waterway and the railways and the railways and the waterway; which plan shall be filed in the office of the board and be open to public inspection, and which may from time to time be changed, altered, or amended by the board, as the requirements of shipping and commerce and the advance of knowledge and information on the subject may suggest.

2. Purchase and condemnation of property. To purchase or acquire by condemnation or other lawful means, such personal property, lands, or rights or interest therein, including easements, as may be necessary for use in the provision and in the construction of any publicly owned harbor, water front, dock, basin, pier, slip, quay wall, wharf, warehouse, or other structure, and in the construction of a belt railway and railway switches, and appurtenances as provided for in such plan as may be adopted by the board. If the board shall deem it proper and expedient that the municipality shall acquire possession of such wharf property, lands, or rights or interests therein, including easements, and no price can be agreed upon between the board and the owner or owners thereof, the board may direct the municipal corporation attorney to take legal proceedings to acquire same for the municipality in manner as is or may be provided by the general laws of the state in the case of corporations having the right of eminent domain. The title of all lands, property, and rights acquired by the board shall be taken in the name of the municipality it represents.

Procedure, ch 472

3. Control of property. The board shall have exclusive charge and control of the wharf property belonging to the municipality including belt railway located in whole or in part therein, all the wharves, piers, quay walls, bulkheads, and structures thereon and waters adjacent thereto, and all the slips, basins, docks, water fronts, the structures thereon, and the appurtenances, easements, uses, reversions, and rights belonging thereto, which are now owned or possessed by the municipality, or to which the municipality is or may become entitled, or on which the municipality may acquire under the provisions hereof or otherwise. The board shall have the exclusive charge and control of the building, rebuilding, alteration, repairing, operation, and leasing of said property and every part thereof, and of the cleaning, grading, filling, paving, sewering, dredging, and deepening necessary in and about the same.

Leases of such property may be made for such purposes, including industrial and manufacturing purposes, upon such terms and conditions, and for such period of time as, in the exclusive judgment of the dock board, shall
§384.3, Ch 384, CITIES AND TOWNS—DOCKS
be for the best interests of the city or town in
the furtherance of the general plan adopted
by said board, but this section shall in no way
apply to cities organized and operating under
the commission form of government, having a
population of sixty thousand, or more, and the
provisions, restrictions and limitations of sec-
tions 419.66 and 420.113 shall not apply to such
leases.

4. Abutting property—jurisdiction and im-
provement. The board is hereby vested with
jurisdiction and authority over that part of the
streets and alleys and public grounds of the
municipality which abut upon or intersect its
navigable waters, lying between the harbor
line and the first intersecting street measur-
ing backward from high-water mark, to the
extent only that may be necessary or requisite
in carrying out the powers vested in it by this
chapter; and it is hereby declared that such
jurisdiction and authority shall include the
right to build retaining or quay walls, docks,
levees, wharves, piers, warehouses, or other
constructions, including belt railway and rail-
way switches, across and upon such streets
and alleys and public grounds, and to grade,
fill, and pave the same to conform to the gen-
eral level of the wharf, or for suitable ap-
proaches thereto; provided that such improve-
ments shall be paid for out of funds in the
hands of the board and not by assessments
against abutting property, but in case the city
council deems it necessary or advisable to
construe street improvements or sewers on
such streets and alleys, and abutting and ad-
jacent property will receive special benefits
therefrom, such improvements or sewers may
be ordered constructed by said council and
the cost thereof may be assessed by said coun-
cil, to the extent of such benefits, and as pro-
vided in chapter 301, upon and against all lots
or parcels of real estate, whether publicly or
privately owned, as may be specially benefited
thereby, provided that the plans and specifi-
cations of the city council for such improve-
ments or sewers be first approved by the dock board.

5. Control consistent with navigation laws—collect tolls. The board is also vested with
exclusive government and control of the harbor
and water front consistent with the laws of the
United States governing navigation, and of all
wharf property, belt railway, wharves, piers,
quay walls, bulkheads, docks, structures, and
equipment thereon, and all the slips, basins,
waters adjacent thereto, and submerged lands
and appurtenances belonging to the municipal-
ity, and may make reasonable rules and regula-
tions governing the traffic thereon and the use
thereof, with the right to collect reasonable
dockage, wharfage, sheddage, storage, cranage
fees, and wharfage, as hereinafter provided.

Obedience to such rules and regulations may
be enforced in the name of the city or town,
by a fine not exceeding one hundred dollars, or
by imprisonment not exceeding thirty days,
provided the council of such city or town shall
first adopt the same, in ordinance form, as
ordinances of the municipality.

6. Rules and regulations—specifications—or-
dinances—publication. The board shall have
power to make general rules and regulations
for the carrying out of the plans prepared and
adopted by it for the building, rebuilding, re-
pairing, alteration, maintenance, and operation
of all structures, erections, or artificial con-
structions upon or adjacent to the water front
of the municipality, whether the same shall be
done by the board or by others; and except as
provided by the general rules of the board, no
new structures or repairs upon or along said
water front shall be undertaken, except upon
application to the board and under permit by
it and in accordance with the general plans
of the board and in pursuance of specifications
submitted to the board and approved by it
upon such application. The general rules and
regulations of the board, whenever adopted by
it, shall be embodied in the form of ordinances
and certified copies thereof shall, forthwith
upon their passage, be transmitted to the clerk
of the municipality who shall cause the same
to be transcribed at length in a book kept for
that purpose and the same shall be included
in any compilation or publication of the ordi-
nances of the municipality. Upon filing any
such certified copy of any such ordinances, the
said clerk shall forthwith cause the same to be
published once in some newspaper of general
circulation published in the municipality, or if
none is there published, then in the next near-
est newspaper published in this state, and the
said ordinance shall be in force and effect from
and after the date of said publication. Pro-
vided, however, that if the said ordinances are
included in any book or pamphlet of ordinances
published by said municipality, no other pub-
lication shall be required, and they shall be
in force and effect from the date said book or
pamphlet is published. The said ordinances of
the board shall not be considered or construed
as ordinances of said municipality except as
they may be adopted as ordinances of said
municipality, and the provisions of the code
and statutes of the state now or hereafter
enacted relative to ordinances of cities and
towns shall not apply to ordinances passed by
said board unless express reference be made
thereto in said statutes.

7. Tolls and charges—regulations. The board
shall have the power to fix and regulate and
from time to time to alter the tolls, fees, dock-
age, wharfage, cranage, sheddage, storage, and
other charges for all publicly owned docks,
levees, belt railway, piers, quay walls, slips,
basins, wharves, and their equipment, or the
use of any portion of the water front of the
municipality, which charges and rates shall be
collectible by the board and shall be reason-
able with a view only of defraying the neces-
ary annual expenses of the board in construct-
ing and operating the improvements and works
herein authorized; a schedule of such charges
and regulations shall be enacted by the board
in the form of ordinances and a certified copy
thereof shall be transmitted to the clerk of the
municipality in like manner as other ordi-
nances of the board before the same shall go into or be in effect, and a copy of same shall be kept posted in a conspicuous place in the office of the board.

8. Assistants—officers—ordinances. The board shall have power to employ such assistants, employees, clerks, workmen, and laborers as may be necessary in the efficient and economical performance of the work authorized by this chapter. All officers, places, and employments in the permanent service of the board shall be provided for by ordinance duly passed by the board and the same shall be transmitted to the clerk of the municipality as provided for other ordinances of the board.

9. Construction work plans—approval—public inspection—bids—exceptions—emergencies. In the construction of docks, levees, wharves, and their appurtenances, or in contracting for the construction of any work or structures, including grading and filling lands under control or as authorized by this chapter, the board shall proceed only after full and complete plans (approved by the board) and specifications for said work have been prepared and submitted and filed with the board by its engineer for public inspection, and after public notice asking for bids for the construction of such work, based upon such plans and specifications, has been published in some newspaper of general circulation published within the municipality, or if none so published, then in the nearest newspaper published in this state, which publication shall be made at least thirty days before the time fixed for the opening of said bids and contracting for such work; and such contract may then be made with the lowest responsible bidder therefor, unless the board deems the bids excessive or unsuitable, in which event it may proceed to readvertise for bids, or the board may do the work directly, purchasing such materials and contracting for such labor as may be necessary without further notice or proposals for bids: except that it shall make no purchase of materials in amounts exceeding five hundred dollars except by public letting upon ten days notice, published as aforesaid, specifying the materials proposed to be purchased; provided, however, that said public letting shall not be required in case no satisfactory bids are received, or in case of an emergency where the delay of advertising and public letting might cause serious loss or injury to the work. The board shall, in all cases, have the right to reject any and all bids, and may either readvertise therefor, contract with others at a figure not exceeding the lowest bidder without further advertising, or do the work directly as hereinbefore provided.

10. Tax levy—dock fund. To defray the expense of exercising the powers conferred by this chapter or any portion of such expense in excess of the income from the aforesaid rates and charges to be collected by the board, the council of the municipality shall levy a special tax upon the taxable property in the municipality, not exceeding one-half mill on the dollar. The board shall annually make to the council a report of the receipts and disbursements made by or on account of said board, and shall file with the council an estimate of the amounts necessary to be raised by taxation to defray the expenses of the board. The council shall at the time of levying annual taxes levy a sufficient tax not exceeding said one-half mill to meet the said estimate and which shall be collected as other taxes and paid over to the treasurer of the municipality and by him credited to the fund to be known as the dock fund.

11. Bonds—limitation. Whenever said dock board shall deem it necessary or advisable to issue bonds for the purpose of constructing any of the works or improvements herein authorized, including grading and filling of lands under its control, or purchasing property for said purpose, the said board shall petition the council of the municipality to issue either dock bonds, as herein authorized, or revenue bonds as provided by section 394.6 stating the purpose for which said bonds are requested and thereupon the council shall issue the said bonds. If dock bonds are issued the council shall annually thereafter levy a special tax upon the taxable property in the municipality to pay the same, if the municipality is not thereby indebted in excess of the limit imposed by statute; or if the council does not deem it advisable to issue said bonds, if the same would not be in excess of said limitation, the council shall submit the question of issuing said bonds to the voters of said municipality, and if a majority of said voters voting at a special election or general election vote in favor thereof, said bonds shall be issued. The proceeds of said bonds when issued shall be paid to the municipal treasurer and credited to the dock fund. If the municipality is already indebted beyond the said limitation the council may, if it deems it advisable, levy a special tax not exceeding one-half* mill on the dollar per annum for the purpose of paying bonds and which may be levied for a period not exceeding ten years or the term of the bonds; and in anticipation of the collection of the said tax, bonds may be issued for the said purpose designated in said petition, and which bonds shall be payable only out of the proceeds of said special tax already levied at the time of their issuance, and the municipality shall not be indebted on said bonds or any further obligated than to collect and apply the proceeds of said tax to the liquidation of said bonds.

If revenue bonds are issued, such bonds shall be issued and paid as provided by chapter 394, the provisions of which shall be applicable to this chapter.

*Limitation on indebtedness, §§407.1, 407.2

Vote required to authorize bonds, §75.1

12. Funds how disbursed—books audited. All funds collected by the dock board, or by the municipality for dock purposes from the proceeds of taxes, bonds, or otherwise, shall be deposited with the treasurer of the municipality and disbursed by him only upon war-
rants or orders duly signed by the president and countersigned by the secretary of the dock board and which shall state distinctly the consideration for which same are drawn, and a permanent record shall be kept by the board of all warrants or orders so drawn, showing the date, amount, consideration, and to whom payable. When paid the same shall be canceled and kept on file by the treasurer of the municipality. The books of the board shall from time to time be audited by the municipal auditor under the direction of the mayor, in such manner and at such times as he may direct or prescribe, and all of said books and records of the board shall at all times be open to public inspection.

13. Additional tax. In cities having a population of less than thirty thousand the council shall have power to levy an additional annual special tax upon the taxable property in the municipality, of not to exceed one-half mill on the dollar, to defray the expense of exercising the powers conferred by this chapter, or any portion of such expense in excess of the income from the rates and charges to be collected by the dock board. 385.4 Payment from earnings—bonds. Nothing in this chapter contained shall be so construed as to authorize or permit any municipality to make any contract or to incur any obligation of any kind or nature except such as shall be payable solely out of the funds provided under this chapter. Cities and towns are authorized to borrow money from the federal emergency administration of public works, created by the “National Industrial Recovery Act”, [40USC,§§401-114] enacted by the congress of the United States for the purpose of constructing the improvement referred to in this chapter. As evidence of such indebtedness, such city or town may issue its bonds payable solely and only from the revenues derived from such improvement. Such bonds may be issued in such amounts as may be necessary to provide sufficient funds to pay all of the costs of construction and operation of such improvement, including engineering and other expenses, together with interest to a date six months subsequent to the estimated date of completion. Bonds issued under the provisions of this chapter are declared to be negotiable instruments, shall be executed by the mayor and clerk of the municipality, and shall be sealed with the corporate seal of the municipality. The principal and interest of said bonds shall be payable solely and only from the special fund herein provided for such payments, and said bonds shall not in any respect be a general obligation of such municipality, nor shall they be payable in any manner by taxation. [§35,§5903-f5; C39, §5903.16; C46,§385.5]
385.6 Mandatory income. Such municipality is authorized and directed to charge the users of said armory at a rate which, at all times, shall be sufficient to pay the principal and interest on the bonds issued under the provisions of this chapter and the cost of operation and maintenance, and to provide an adequate depreciation fund. [C35,§5903-f6; C39,§5903.17; C46,§386.6]

If the owner of said street railway fails to agree in writing within said thirty-day period to accept said franchise and operate a bus or motor transportation line therein provided for, the city or town council may then offer said franchise to another person, firm, or corporation, and may submit to the electorate the question of the granting of the franchise to said person, firm, or corporation.

No such franchise shall be granted, extended, or renewed unless a majority of the legal electors voting thereon vote in favor of the same at a general, city or town, or special election. The council may order the question of the granting, renewal, or extension of any such franchise so submitted; or the mayor shall submit said question to such vote upon the petition of twenty-five property owners of any voting precinct in a city, or fifty property owners in any town. The preliminary plans and specifications need only be in sufficient detail to advise any person interested of the general nature, character and type of the improvement. [53GA, ch 168,§9]

391A.11 Hearing. The council shall meet at the time and place specified in the published or posted notice and shall cause to be read all written objections or indorsements theretofore filed and may hear any oral objections and indorsements from the owners of property or other persons having an interest in the matter. The council may at such scheduled meeting or at a subsequent meeting and after hearing and considering objections and indorsements, adopt the resolution of necessity as proposed or may amend the same and adopt the resolution as amended. Any amendment to the proposed resolution of necessity which extends the boundaries of the
district to include lots not shown on the proposed plat and schedule shall not be effective as to such extension until a notice of hearing of objections for the revised district has been published or posted as provided in this chapter and a hearing held by the council as provided in such notice or until signed waiver of such notice and hearing from the owners of all property affected or included by such amendment shall have been filed with the clerk. [53 GA, ch 168, §11]

Referred to in §391A.28

391A.12 Adoption of the detailed plans and specifications. After the adoption of a resolution of necessity, the council may, by resolution, order and direct detailed plans, specifications, notice to bidders and form of contract for the proposed work to be prepared by the engineer and filed with the clerk. Upon the approval by the council of such plans, specifications, notice to bidders and form of contract, the council may, by resolution, order the work included in the resolution of necessity as adopted and direct publication of the notice for construction bids. [53GA, ch 168, §12]

391A.13 Notice for bids. A notice of a public letting for the construction or repair of a public improvement shall be given by two publications in a newspaper published within the municipality, the first of which shall be not less than twelve days before the date set for receiving bids, which notice shall state the time and place for filing proposals, the time and place when such proposals will be opened and considered by the council, as nearly as practicable the nature and extent of the work, the kinds of materials to be used, when the work shall be begun and the date of completion thereof, the terms and method of payment and a statement that each bidder shall accompany his bid with a cashier's or certified check on an Iowa bank in an amount at least equal to ten percent of the engineer's estimated total cost of the improvement as security that the bidder will enter into the contract for the work bid upon and will furnish a corporate surety bond acceptable to the council for the faithful performance of the contract.

If there be no newspaper published in the municipality such notice for bids shall be given by two publications in a newspaper of general circulation within the municipality.

The notice for bids may provide that bids will be received for furnishing all labor and material required to complete all parts of the proposed work under one contract, or for parts thereof in separate and specified sections. [53 GA, ch 168, §13]

391A.14 Award of contract or rejection of bids. The council, after opening and recording the proposals as received may, by resolution, award the contract to the bidder determined to be the lowest bidder, or may reject any or all bids and order readvertisement for bids for the work on any specified section or sections thereof in the manner as hereinbefore provided.

The check of the successful bidder shall be retained by the municipality until the prescribed contract has been entered into and bond filed and the contract and bond approved by the council. If the successful bidder fails to sign the contract and furnish bond within ten days after the award of contract to him, the check may be cashed and the funds therefrom retained by the municipality as agreed liquidated damages. The check of the unsuccessful bidders shall be returned to such bidders by the clerk and a receipt therefor obtained and placed on file in his office. [53GA, ch 168, §14]

391A.15 Bond of contractor. Each contractor for a public improvement shall give bond to the municipality with corporate sureties to be approved by the council, for the faithful performance of the contract, in a sum equal to the contract price and suit on such bond may be brought in the county in which the council may hold its sessions. [53GA, ch 168, §15]

391A.16 Underground connections required. The council shall have power to require the connections from gas, water, and steam heating pipes, sewers, and underground electric construction, to the curb line of abutting property, to be made before the permanent improvement of the street and, if such improvements have already been made, to regulate the making of such connections, fix the charges therefor, and make all needful rules in relation thereto, and the use thereof. If the owners of property on such streets fail to make such connections in the manner and within the time fixed by the council, it may cause the same to be made, and assess the cost thereof against the property for which they are made. The council shall direct the clerk to certify the actual cost of the connection to each lot, to the county auditor who shall place the amount so certified on the tax list to be collected as other taxes against such lot. [53GA, ch 168, §16]

391A.17 Water connections—board of waterworks trustees. Before any municipality having a board of waterworks trustees orders any street permanently improved by paving, graveling, or macadamizing, the council shall notify the board of the proposed resolution of necessity. The board shall report to the council the lots and names of the owners and the requirements in respect to connections from any water mains or pipes to the curb line of the abutting property and thereupon the council may pass a resolution requiring the respective owners of the said abutting property to make said connections in the manner required by the rules of the board, and fixing a time therefor. Notice thereof shall be given by one publication in some newspaper of general circulation in such municipality of the time and place of hearing objections to or indorsements of the proposed improvement, which shall be at least ten days prior to the time fixed in said
resolution. If there is no such newspaper published within the municipality, such notice shall be given by posting copies thereof in at least two public places within its corporate limits. If the owner fails to put in the said water connections before the time fixed or within such additional time, not exceeding thirty days, as may be granted by the council, the board of waterworks trustees shall put in said connections and certify the actual cost thereof to the council. The council shall direct the clerk to certify the actual cost of the connection to each lot, to the county auditor who shall place the amount so certified on the tax list to be collected as other taxes against such lot. [53GA, ch 168, §17]

391A.18 State park and institutional roads. Municipalities may assess the cost of a public improvement which extends through or abuts upon lands owned by the state and the state, through the executive council, shall pay such portion of the cost of making said improvement through or along such lands as provided hereinafter. Payment of such assessments shall be made by the executive council from any funds of the state not otherwise appropriated.

When a state park or institutional road abutting on state lands is improved by paving or the construction of curb and gutter and permanent surfacing the state shall pay one-half the total assessed cost of that portion of the improvement abutting on such lands, lots, parts or portions thereof when a public improvement other than paving or curb and gutter and permanent surfacing is constructed on a state or park or institutional road abutting on state lands, the council may assess the cost of making said improvement along such lands as would be legally assessable against said lands were said lands otherwise privately owned which amount shall be determined by the city council.

Any municipality in which any state building may be situated shall permit the officers in charge of such building and the persons constructing or improving the same to construct sewers therefor through or under any of its streets, or to connect the same with its sewer system under the same regulations that are provided for sewer connections to private property. [53GA, ch 168, §18]

391A.19 Monthly payments to contractor. When the specified duration of time for the performance of a construction contract for a public improvement exceeds sixty days, the municipality may contract to pay the contractor monthly estimates based on ninety percent of the engineer's estimated value of the acceptable work completed on such contract in warrants drawn on any fund from which such work may be paid. Such warrants shall draw four percent interest per annum from and after the date of presentation for payment. If such fund is depleted, anticipatory warrants may be issued and if the collection of taxes or special assessments, or income from the sale of bonds applicable to the public improvement shall be after the end of the fiscal year in which the warrants are issued, said warrants shall be held to be not in violation of section 104.17. [53GA, ch 168, §19]

391A.20 Inspection and acceptance of work. All work included in the construction or repair of a public improvement under this chapter shall be subject to inspection by and approval of an engineer for the municipality, and within ten days after the final completion and acceptance of the work by the engineer, he shall file with the clerk a certificate stating that such work has been completed in accordance with the construction contract and the total cost of such completed construction or repair work. The council shall at its next regular meeting and within ten days from the date of filing of such engineer's certificate, by resolution, accept or reject the work and after acceptance of the work shall, at the same meetings or within ten days thereafter, ascertain the total cost thereof and shall by resolution determine the proportion or amount of such cost to be assessed against private property within the assessment district. Upon final completion and acceptance of the work by the council any amounts due the contractor shall be paid by the delivery to him of warrants issued in a like manner. [53GA, ch 168, §20]

391A.21 Filing of assessment schedule. After the adoption of the resolution by the council fixing the amount to be assessed against private property, the engineer shall, within thirty days thereafter, file with the clerk an assessment schedule showing the name of the owner and a description of each lot to be assessed, together with the value thereof to be assessed before fixed by the council and the amount to be assessed against each such lot. [53GA, ch 168, §21]

391A.22 Adoption and certification of assessment schedule. Within ten days from the date of filing of the assessment schedule by the engineer the clerk shall cause a notice to be published in some newspaper of general circulation within the municipality stating that the assessment schedule is on file in the office of the city clerk and that the council will consider same on a date to be contained in said notice, which said date shall be not less than twenty nor more than thirty days from the date of the filing of the assessment schedule, which said notice will set the place of hearing and which said notice shall be published two times prior to the hearing. If any such newspaper within the municipality, such notice shall be given by posting copies thereof in at least two public places within its corporate limits, the council shall consider same and adopt it as prepared or make any changes therein found necessary and adopt it in revised form. Such resolution as finally adopted shall confirm and levy the assessments, shall state the number
of annual installments, not exceeding fifteen, into which the assessments of ten dollars or more are to be divided, the rate of interest and the time when such assessments are payable, and shall direct the clerk to certify such schedule as finally adopted to the auditor of the county, or of each of the counties in which the property assessed is located; and thereupon the county auditor shall place such assessments on the tax list of the county with the amounts to be assessed against each lot within such assessment schedule as certified. [53GA, ch 168, §22]

391A.23 Assessment of cost. The cost of construction or repair of a public improvement, except for that part of which railways are liable or which is to be otherwise paid, shall be assessed against all lots within the assessment district in accordance to the special benefits conferred upon the property thereby and not in excess of such benefits. [53GA, ch 168, §23]

391A.24 Limitations on assessment costs. No special assessment against any lot, for any public improvement as defined herein, shall be in excess of the estimated amount of such assessment as shown on the preliminary plat and schedule as adopted by the council and no such assessment shall exceed twenty-five percent of the value of the lot as shown by the plat and schedule theretofore approved by the council.

391A.25 Deficiencies. If the special assessment which may be levied against any lot shall be insufficient to pay its proportion of the cost of the improvement, the deficiency, if for a street improvement, may be paid out of the general fund, the improvement fund, or the street construction fund of the municipality, and if for a sewer, may be paid out of its general fund, its improvement fund or its sewer fund. If there be property against which no special assessment can be levied or collected, the portion of the cost of the improvement which might otherwise be assessed against such property shall be paid in like manner. [53GA, ch 168, §25]

391A.26 Assessments against railway companies. Railway companies operating within the limits of streets in municipalities shall provide a suitable foundation for their track between the rails and one foot outside of each rail, and may be assessed for the construction or repair of paving between the rails of their track or tracks, and for one foot outside of each rail thereof in the amount that the cost of such pavement exceeds the area cost of the remainder of the pavement on such street.

All construction and maintenance of the pavement between the rails and one foot outside of the rails of the railway company and any construction or repairs made necessary by the operation of the railway company shall be made by such company and if not so made the municipality shall have the power to do such construction work or make such repairs as may be necessary and assess the cost thereof to such railway company in the manner provided herein for the assessment of costs thereof against abutting property.

The right of way of any railway company shall be subject to special assessments for all public improvements specified in this chapter as is other private property, and such assessment shall constitute a debt due personally from the railway company owning or leasing such right of way. Any such assessment against a railway company shall be a paramount lien upon the track thereof within the corporate limits of the municipality. No part of the lien of any railway shall be released from the lien for any part of any unpaid assessment until the whole assessment shall have been paid. [53GA, ch 168, §26]

391A.27 Installments, payment, delinquency. The first installment of each assessment, or total amount thereof, if it be less than ten dollars, with interest on the whole assessment from date of acceptance of the work by the council, shall become due and be payable on January 1 next succeeding the date of levy unless the assessment is filed with the county auditor less than sixty days prior to such next succeeding January 1 in which event the due date shall be the second succeeding January 1 after the date of levy. The succeeding annual installments, with interest on the whole amount unpaid shall respectively become due on January 1 annually thereafter at the same time and in the same manner as the March semianual payment of ordinary taxes.

A future installment of an assessment may be paid on the due date of an installment upon terms of the principal amount thereof plus interest thereon to the succeeding June 1 and plus the amount of premiums, if any, required to be paid on such succeeding June 1 for redemption of bonds prior to maturity that may have been issued for account of such improvement.

All such assessment with interest shall become delinquent after the thirty-first day of March next after their due date, and shall bear the same interest with the same penalties as ordinary taxes, and when collected the said interest and penalties shall be credited to the same fund as the said special assessment.

Upon the payment of any assessment or installment thereof interest shall be computed and collected as aforesaid up to the first day of June following the date of such payment. All assessments shall constitute liens on the lots assessed from the date they are certified to the county auditor and such liens shall have
the same preferences and priorities as liens for ordinary taxes; provided, that in no case shall the owner of any lot be liable for an assessment greater than provided for in section 391A.24. [53GA, ch 168,§27]

391A.28 Limitation on litigation and right of appeal. Any person, firm or corporation interested in any property included in any district under the provisions of this chapter shall have the right within twenty days from the date of adoption of a resolution of necessity, or the spread of such assessments as is described and set forth in section 391A.22, as hereinbefore required, by petition filed in the district court of the county in which such property is located, to question any action or proceedings preliminary to or in connection therewith including any action taken on written objections filed at the hearing provided for in section 391A.11 and section 391A.22 and failure to file such petition within such twenty days shall constitute a waiver to thereafter assert such right or litigate such question. Filing such petition shall not operate as a stay of further action or proceedings by the council unless there is also filed a bond in an amount equal to five percent of plaintiff's assessment appealed from and in no event less than two hundred fifty dollars, conditioned for the payment of all costs which may be adjudged against plaintiff and with surety approved by the court. Such petition shall be received, filed, and action had thereon in the district court as for other ordinary actions. Nothing herein set forth shall be construed to deny the property owner a right of appeal to the district court on the grounds of fraud or to deny him the right to avail himself of such other legal remedy including certiorari as set out in chapter 662. [53GA, ch 168,§28]

391A.29 Payments of assessments. Assessments levied and certified under the provisions of this chapter and installments thereof and interest thereon shall be payable at the office of the county treasurer of the county wherein the property assessed is located, and assessments may be there paid in full and without interest within thirty days after the date of certification thereof to the county auditor. [53GA, ch 168,§29]

391A.30 Special assessment bonds. At any time and from time to time after the contract or contracts for the construction or repair of a public improvement have been executed the municipality may by resolution of the council authorize and issue bonds of the municipality in anticipation of the collection of special assessments, provided, that the aggregate principal amount of such bonds issued prior to the certification of the assessment roll to the county auditor, as hereinbefore provided, shall not exceed seventy percent of the total amount of such assessments as shown by the preliminary plat and schedule, and provided also, that the total principal amount of bonds issued for account of any public improvement shall not exceed the total amount of special assessments. All such bonds shall be negotiable and shall recite on their face that they have been issued under the provisions of this chapter and are payable as to both principal and interest solely from the proceeds of the special assessments levied for account of the public improvement. Such bonds shall bear interest at a rate not exceeding five percent and shall mature serially on June 1 of the years in which any of such principal is scheduled to become due and shall contain a provision that the municipality reserves the right and option of calling and redeeming any or all of the bonds on June 1 of each year prior to maturity upon such terms as are specified therein. The proceeds of the special assessments and interest collected thereon shall be used and applied by the treasurer of the municipality to the payment of the interest on the bonds and to the retirement of the principal as rapidly as such proceeds are collected. Said bonds shall be sold for not less than par and the proceeds, exclusive of accrued interest, shall be used and applied to the payment of the cost of the public improvement. After all of the bonds for account of a particular improvement have been paid and retired any excess of proceeds of special assessments may be rebated to the owners of the property assessed in proportion to the assessments against the respective lots or may be transferred to the fund of the municipality from which deficiencies on such improvement were paid or if there are no deficiencies to the general fund of the city. [53GA, ch 168,§30]

391A.31 Tax sale. The city treasurer depositing the proceeds of such tax shall exact from the bank or trust company wherein such money is deposited a satisfactory bond, payable to the city, to be approved by the treasurer and mayor of such city, and to be filed in the office of the city treasurer.
