The officer from whom the appeal is taken shall forthwith transmit to the board of adjustment all the papers constituting the record upon which the action appealed from was taken. [C50, 54,§358A.13]

358A.14 Stay of proceedings. An appeal stays all proceedings in furtherance of the action appealed from, unless the officer from whom the appeal is taken certifies to the board of adjustment after the notice of appeal shall have been filed with him that by reason of facts stated in the certificate a stay would, in his opinion, cause imminent peril to life or property. In such case proceedings shall not be stayed otherwise than by a restraining order which may be granted by the board of adjustment or by a court of record on application on notice to the officer from whom the appeal is taken and on due cause shown. [C50, 54,§358A.14]

358A.15 Powers of board. The board of adjustment shall have the following powers:

1. To hear and decide appeals where it is alleged there is error in any order, requirement, decision or determination made by an administrative official in the enforcement of this chapter or of any ordinance adopted pursuant thereto.

2. To hear and decide special exceptions to the terms of the ordinance upon which such board is required to pass under such ordinance.

3. To authorize upon appeal, in specific cases, such variance from the terms of the ordinance as will not be contrary to the public interest, where owing to special conditions a literal enforcement of the provisions of the ordinance will result in unnecessary hardship, and so that the spirit of the ordinance shall be observed and substantial justice done. [C50, 54,§358A.15]

358A.16 Decision. In exercising the above mentioned powers such board may, in conformity with the provisions of this chapter, reverse or affirm, wholly or partly, or may modify the order, requirement, decision, or determination appealed from and may make such order, requirement, decision, or determination as ought to be made, and to that end shall have all the powers of the officer from whom the appeal is taken. [C50, 54,§358A.16]

358A.17 Vote required. The concurring vote of three members of the board shall be necessary to reverse any order, requirement, decision, or determination of any such administrative official, or to decide in favor of the applicant on any matter upon which it is required to pass under such ordinance or to effect any variation in such ordinance. [C50, 54,§358A.17]

358A.18 Petition to court. Any person or persons, jointly or severally, aggrieved by any decision of the board of adjustment under the provisions of this chapter, or any taxpayer, or any officer, department, board or bureau of the county, may present to a court of record a petition, duly verified, setting forth that such decision is illegal, in whole or in part, specifying the grounds of the illegality. Such petition
shall be presented to the court within thirty days after the filing of the decision in the office of the board. [C50, 54, §358A.18]

358A.19 Review by court. Upon the presentation of such petition, the court may allow a writ of certiorari directed to the board of adjustment to review such decision of the board of adjustment and shall prescribe therein the time within which a return thereto must be made and served upon the realtor's attorney, which shall not be less than ten days and may be extended by the court. The allowance of the writ shall not stay proceedings upon the decision appealed from, but the court may, on application, on notice to the board and on due cause shown, grant a restraining order. [C50, 54, §358A.19]

358A.20 Record advanced. The board of adjustment shall not be required to return the original papers acted upon by it, but it shall be sufficient to return certified or sworn copies thereof or of such portions thereof as may be called for by such writ. The return shall concisely set forth such other facts as may be pertinent and material to show the grounds of the decision appealed from and shall be verified. [C50, 54, §358A.20]

358A.21 Trial to court. If upon the hearing which shall be tried de novo it shall appear to the court that testimony is necessary for the proper disposition of the matter, it may take evidence or appoint a referee to take such evidence as it may direct and report the same to the court with his findings of fact and conclusions of law, which shall constitute a part of the proceedings upon which the determination of the court shall be made. The court may reverse or affirm, wholly or partly, or may modify the decision brought up for review.

Costs shall not be allowed against the board unless it shall appear to the court that it acted with gross negligence or in bad faith or with malice in making the decision appealed from. [C50, 54, §358A.21]

358A.22 Precedence. All issues in any proceedings under the foregoing sections shall have preference over all other civil actions and proceedings. [C50, 54, §358A.22]

358A.23 Restraining order. In case any building or structure is erected, reconstructed, altered, repaired, converted, or maintained; or any building, structure, or land is used in violation of this chapter or of any ordinance or other regulation made under authority conferred thereby, the board of supervisors, in addition to other remedies, may institute any appropriate action or proceedings to prevent such unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance, or use, to restrain, correct, or abate such violation, to prevent the occupancy of said building, structure, or land, or to prevent any illegal act, conduct, business, or use in or about such premises. [C50, 54, §358A.23]

358A.24 Conflict with other regulations. Wherever the regulations made under authority of this chapter require a greater width or size of yards, courts or other open spaces, or require a lower height of building or less number of stories, or require a greater percentage of lot to be left unoccupied, or impose other higher standards than are required in any other statute or local ordinance or regulation, the provisions of the regulations made under authority of this chapter shall govern. Wherever the provisions of any other statute or local ordinance or regulation require a greater width or size of yards, courts or other open spaces, or require a lower height of building or a less number of stories, or require a greater percentage of lot to be left unoccupied, or impose other higher standards than are required by the regulations made under authority of this chapter, the provisions of such statute or local ordinance or regulation shall govern. [C50, 54, §358A.24]

358A.25 Plumbing code enforced. Subject to the provisions of sections 358A.1 and 358A.2, the board of supervisors of any county is further authorized to adopt regulations to provide that every dwelling, whether now or hereafter erected within the county but outside the corporate limits of any city or town which shall develop a private water supply or install a pressure water system or install sanitary house drains, shall comply with the recommendations of the state department of health on minimum requirements as set out in the state plumbing code* in regard to such development or installation. Any such regulation may be enforced in the same manner as any other regulation adopted under this chapter. [C50, 54, §358A.25]

*See §135.11(4)

358A.26 Penalty. In addition to any other remedy granted herein, the violation on any regulation, restriction or boundary adopted under this chapter or the occupancy or use of any structure erected, altered or maintained in violation of this chapter shall constitute a misdemeanor. Such occupancy or use shall be deemed a continuing violation and may be the subject of repeated prosecutions if so continued. Every person convicted of a misdemeanor, by reason of violations hereinabove set forth, shall be punished by a fine of not more than one hundred dollars or by imprisonment of not more than thirty days. [C50, 54, §358A.26]
CHAPTER 358B
COUNTY LIBRARIES

358B.1 Power to establish. Counties may provide for the formation and maintenance of free public libraries open to the use of all inhabitants under proper regulations, and may purchase, erect, or rent buildings or rooms suitable for this purpose and provide for the compensation of necessary employees. [C50, 54, §358B.1]

358B.2 Library districts formed. A county library district may be established composed of one county or two or more adjacent counties and may include or exclude the entirety of a city or town partly within one of the counties.

Electors residing within the proposed district in a number not less than five percent of those voting for governor within said district at the last general election may petition the board of supervisors of the county or counties for the establishment of such county library district. Said petition shall clearly designate the area to be included in the district.

The board of supervisors of each county containing area within the proposed district shall submit the proposition to the electors within their respective counties at any general or primary election provided said election occurs not less than forty days after the filing of the petition.

A county library district shall be established, if a majority of the electors, voting on the proposition and residing outside of cities and towns maintaining a free public library as provided by section 378.1 favor it.

The result of the election within cities and towns maintaining a free public library under the above-mentioned provision shall be considered separately, and no such city or town shall be included within the county library district unless a majority of its electors, voting on the proposition, favor its inclusion. In such cases the boundaries of an established district may vary from those of the proposed district.

After the establishment of a county library district other areas may be included by mutual agreement of the board of trustees of the county library district and the governing body of the area sought to be included. [C50, 54, §358B.2]

358B.3 Gifts accepted. Counties may receive, hold and dispose of all gifts, donations, devises, and bequests that may be made to them for the purpose of establishing, increasing, or improving any library. When the conditions thereof have been accepted by the county, their use for the county library may be enforced against the county board of supervisors by the library board by an action of mandamus or by other proper action. [C50, 54, §358B.3]

358B.4 Library trustees. In any county or counties in which a library district has been established a board of library trustees, consisting of five, seven, or nine electors of the library district, shall be appointed by the board or boards of supervisors of the county or counties comprising such library district. Membership on the library board shall be apportioned between the rural and city and town areas of the district in proportion to the population in each of such areas. In the event the library district is composed of two or more counties, representation on said library board shall be equitably divided between or among said counties in proportion to the population in each of such counties. [C50, 54, §358B.4]

358B.5 Terms. Of said trustees so appointed on boards to consist of nine members, three shall hold office for two years, three for four years, and three for six years; on boards to consist of seven members, two shall hold office for two years, two for four years, and three for six years; and on boards to consist of five members, one shall hold office for two years, two for four years, and two for six years, from the first day of July following their appointment in each case. At their first meeting they shall cast lots for their respective terms, whatever the size of the board, shall be for terms of six years each. Vacancies shall be filled for unexpired terms by the governing body of the taxing unit of the district represented by the retiring member. [C50, 54, §358B.5]

358B.6 Removal or absence of trustee. The board of library trustees may declare the office of a trustee vacant by his removal from the library district or his unexplained absence from six consecutive regular meetings. [C50, 54, §358B.6]
358B.7 No compensation. Members of said board shall receive no compensation for their services. [C50, 54, §358B.7]

358B.8 Powers. Said board of library trustees shall have and exercise the following powers:

1. To meet and organize by the election of one of their number as president of the board, and by the election of a secretary and such other officers as the board may deem necessary.

2. To have charge, and supervision of the public library, its appurtenances and fixtures, and rooms containing the same, directing and controlling all the affairs of such library.

3. To employ a librarian, such assistants and employees as may be necessary for the proper management of said library, and fix their compensation; but, prior to such employment, the compensation of such librarian, assistants, and employees shall be fixed for the term of employment by a majority of the members of said board voting in favor thereof.

4. To remove such librarian, assistants, or employees by a vote of two-thirds of such board for misdemeanor, incompetency, or inattention to the duties of such employment.

5. To select and make purchases of books, pamphlets, magazines, periodicals, papers, maps, journals, furniture, fixtures, stationery, and supplies for such library.

6. To authorize the use of such libraries by school corporations or by nonresidents of the area which is taxed to support such libraries and to fix charges therefor.

7. To make and adopt, amend, modify, or repeal bylaws, rules, and regulations, not inconsistent with law, for the care, use, government, and management of such library and the business of said board, fixing and enforcing penalties for the violation thereof.

8. To have exclusive control of the expenditures of all taxes levied for library purposes as provided by law, and of the expenditures of all moneys available by gift or otherwise for the erection of library buildings, and of all other moneys belonging to the library fund, including fines and rentals collected under the rules of the board of trustees. Said board shall keep a record of its proceedings.

9. To accept gifts of any property, including trust funds; to take the title to said property in the name of said library; to execute deeds and bills of sale for the conveyance of said property; and to expend the funds received by them from such gifts, for the improvement of said library. [C50, 54, §358B.8]

358B.9 Methods of service. Library service shall be accomplished by one or more of the following methods in whole or in part:

1. By the establishment of depositories of books or other educational materials to be loaned at stated times and places.

2. By the transportation of books or other educational materials by conveyances for lending the same at stated times and places.

3. By the establishment of branch libraries for lending books and other educational materials.

4. By contracting for library service with the trustees of a free public library of any city or town. [C50, 54, §358B.9]

358B.10 Library fund. All moneys received and set apart for the maintenance of such library shall be deposited in the treasury of such county to the credit of the library fund, and shall be kept by the treasurer separate and apart from all other moneys, and paid out upon the orders of the board of trustees, signed by its president and secretary.

Provided that where a free public library is maintained jointly by two or more counties, the library trustees may elect a library treasurer therefor, and it shall be the duty of the city and county treasurers to pay over to said library treasurer any and all library taxes that may be collected by them monthly.

Such library treasurer shall be required to furnish a bond conditioned as provided by section 64.2 in such amount as agreed upon by the boards of supervisors and the cost thereof shall be paid by the counties. [C50, 54, §358B.10]

358B.11 Annual report. The board of trustees shall, immediately after the close of each fiscal year, make to the board of supervisors a report containing a statement of the condition of the library, the number of books added thereto, the number circulated, the number not returned or lost, the amount of fines collected, and the amount of money expended in the maintenance thereof during such year, together with such further information as it may deem important. [C50, 54, §358B.11]

358B.12 Real estate acquired. In any county in which a free library has been established, the board of library trustees may condemn real estate in the name of the county for the location of library buildings and branch libraries, and for the purpose of enlarging the grounds thereof. [C50, 54, §358B.12]

358B.13 Maintenance expense on proportionate basis. The maintenance of a county library shall be on a proportionate population basis whereby each taxing unit as hereinafter defined shall bear its share in proportion to its population to the whole of said county library district. The board of library trustees shall on or before July 10 of each year make an estimate of the amount it deems necessary for the maintenance of the county library and shall transmit such estimate in dollars to the board or boards of supervisors and to the city and town councils within the district. The entire rural area of each county in the library district shall be considered as a separate taxing unit. Each city and town which is a part of the county library district shall be considered as a separate taxing unit. The board of
supervisors and the council of each city and town composing said county library district shall make the necessary millage levies accordingly for library maintenance purposes of not to exceed two mills. Any unexpended balance in the library maintenance fund at the end of the fiscal year shall remain in said fund and be available without reappropriation. [C50, 54, §358B.13]

358B.14 Not applicable to contract service. The provisions of this chapter pertaining to the establishment of a county library district shall not apply to any area receiving library service from any city or town library under the provisions of chapter 378, unless the petition for a county library district shall, in addition to the required signatures of electors, be signed by the governing body of the area receiving library service under contract. [C50, 54, §358B.14]

358B.15 Existing contracts assumed. Whenever a county library district is established the board of trustees thereof shall assume all the obligations of the existing contracts made by cities, towns, townships, school corporations or counties to receive library service from free public libraries. [C50, 54, §358B.15]

358B.16 Withdrawal of city or town from district. Whenever any incorporated city or town, having maintained an association library for at least ten years prior to the establishment of a county library which has become a part of the tax supported city or town library and being a part of the county library district, and having levied a tax of its own equal to or greater than that of the county library district for the same purpose, shall decide to withdraw from the county library district, it may do so by giving notice by certified mail to the board of library trustees of said county library and the county auditor prior to July 10, by the governing body of said incorporated city or town, of its withdrawal from the county library district, and thereafter said incorporated city or town, shall cease to be a part of or included in said county library district. [C54, §358B.16; 57GA, ch 267, §42]

DIVISION, BOUNDARIES, AND CHANGE OF NAMES

359.1 Division authorized. The board of supervisors shall divide the county into townships, as convenience may require, defining the boundaries thereof, and may, from time to time, make such alterations in the number and boundaries of the townships as it may deem proper. [C51, §219; R60, §441; C73, §379; C97, §551; C24, 27, 31, 35, 39, §3527; C46, 50, 54, §359.1]

359.2 School townships not disturbed. The board shall not change the lines of any civil
township so as to divide any school township or district, unless a majority of the voters of said school township or district shall petition therefor, except in cases where such boundary lines are changed to conform to congressional township lines. [C51,§219; R60,§441; C73,§§379, 1799; C97,§551; C24, 27, 31, 35, 39,§5528; C46, 50, 54,§359.2]

[C97,§552; C24, 27, 31, 35, 39,§5529; C46, 50, 54,§359.3]

379A.1 Tax—purposes. Cities having a population of over seventy-five thousand and less than one hundred twenty-five thousand may when authorized as herein provided levy each year a tax of not to exceed one-eighth of a mill* for the purpose of providing a fund for the maintenance or employment of a symphony orchestra for musical purposes; provided, however, that where there is maintained or employed in such city a symphony orchestra, not for profit under chapter 504, for educational purposes throughout the entire year, which, as a part of such educational program trains and maintains throughout the entire year subsidiary units of such orchestra whereby the youth of the city receive instruction and training in symphony music, an additional tax of not to exceed one-eighth mill* may be levied for such educational purposes without further authorization by an election. [C50, 54,§379A.1]

Said petition shall be filed with the council or commission and shall request that the following question be submitted to the voters at a general municipal election, to wit: "Shall a tax of not exceeding one-eighth mill* be levied each year for the purpose of furnishing a symphony orchestra fund?" [C50, 54,§379A.2]

379A.3 Question submitted. When such petition is filed, the council or commission, shall cause such question to be submitted to the voters at the first following municipal election. [C50, 54,§379A.3]

379A.4 Levy. Said levy shall be deemed authorized if a majority of the votes cast at said election be in favor of said proposition, and the council or commission shall then levy a tax sufficient to support or employ such orchestra not to exceed one-eighth mill on the assessed property of such city. In lieu of the levy provided herein the council may allocate a portion of the proceeds of the recreation fund not to exceed the amount which would have been raised by the levy provided herein. [C50, 54,§379A.4]

See §79A.1

379A.5 Petition to cancel levy. A like petition may at any time be presented to the council or commission asking that the following proposition be submitted, to wit: "Shall the power to levy a tax for the maintenance or employment of a symphony orchestra be canceled?" Said question shall be presented at any general municipal election as heretofore provided, and if a majority of the votes is cast in favor of said question, no further levy for said purpose shall be made. [C50, 54,§379A.5]

379A.6 Use of funds. All funds derived from said levy shall be expended as set forth in section 379A.1 hereof by the council or commission. [C50, 54,§379A.6]

Such taxes, when payable to the city or town, shall be paid over as other city or town taxes. When payable to a private corporation, they shall be paid over by the county treasurer to such corporation, upon the order of the president or a majority of the directors thereof, after said council shall have certified to the county treasurer that the conditions required, as set forth in the notice for the special election at which the tax was voted, have been complied with, and the council, or a majority of its members, shall make such certificate whenever such conditions shall have been so performed. Such taxes shall be payable in such annual installments, not less than ten, as the electors may determine. [S13,§766-a; C24, 27, 31, 35, 39,§5890; C46, 50, 54,§381.17]

Such taxes shall be used for no other purpose and such bonds, warrants, or certificates shall not be sold for less than their par or face value with accrued interest. The city council shall fix the rate of tolls or charges for passing over the bridge, and such tolls shall be large enough to pay the interest upon the bonds, warrants, or certificates issued for its purchase together with the expense of maintaining and operating it. §382.2, CITIES AND TOWNS—INTERSTATE BRIDGES

382.2 Proceedings attending purchase. The mayor and city council of such city shall have power to enter into a contract with the corporation or company owning such bridge for the purchase thereof together with its franchises at a price to be agreed upon, which price shall not be greater than the value of such bridge or the cost thereof, with the taxes so voted and paid over by the authorities of said city deducted therefrom.

Unless there is an appraisement as herein-after provided the original cost of construction shall be considered the value thereof.

No such contract shall become binding upon said city until the same has been submitted to the electors of said city and approved by them by the affirmative vote of a majority of the electors voting for or against the same; the question of the levy of such tax shall be submitted to such electors at the same election, the affirmative vote of a majority of all electors voting for or against the same being necessary to make the contract binding on said city.

If at such election the proposition to make such purchase upon the terms and at the price named in the question submitted and the proposition to vote such tax shall either of them be defeated by not receiving the affirmative vote of a majority of all electors voting for or against the same, such contract shall be considered at an end and said tax defeated. [C24, 27, 31, 35, 39,§5895; C46, 50, 54,§382.2]

382.3 Form of submission. The questions as to whether the said contracts shall become binding upon the said city, and the taxes levied or bonds issued by the city authorities, shall, when submitted to the electors of said city, be submitted in the form and manner provided by sections 381.10 to 381.14, inclusive, so far as the same are applicable thereto. [C24, 27, 31, 35, 39,§5896; C46, 50, 54,§382.3]

382.4 Appraisers—fees. In case a majority of the members of the city council of such city shall by resolution declare their wish to have the said city purchase said bridge, its approaches and franchises, and be unable to agree with the owner of such bridge upon the value thereof, such value shall be ascertained by three appraisers named by the governor of Iowa, no one of whom shall be an officer, employee, or stockholder of such owner of said bridge, or a taxpayer or voter in the city proposing to make such purchase or in the county of the state opposite and adjoining said bridge. Such appraisers shall be paid fifteen dollars per day for the time necessarily and actually employed in making such appraisement, together with their actual and necessary traveling expenses, the same to be paid by the city. [C24, 27, 31, 35, 39,§5897; C46, 50, 54,§382.4]

382.5 Tolls. If any such city shall thus become the owner of any such bridge, the city council shall have power from time to time to fix the rates of toll or charges for passing over the bridge, which tolls shall be large enough to pay for the maintenance and operating expenses, interest upon any bonds issued for its purchase, and sufficient after five years to provide a sinking fund of at least five percent of such outstanding bonds, and for their payment at maturity. [C24, 27, 31, 35, 39,§5898; C46, 50, 54,§382.5]

382.6 Management and maintenance. If any such city shall thus become the owner of any such bridge, it shall operate the same by officers or employees selected by the mayor and approved by the city council of said city, who shall have police powers and shall maintain order upon said bridge. One of such officers shall be superintendent and authorized to make proper inspection of the structure, see that the same is at all times kept in repair and safe for the traveling public, and that the navigation laws and regulations of the United States are observed.

The said city shall have power to prescribe and enforce proper regulations respecting the passing of stock in droves, and persons and vehicles over said bridge.

Such bridge shall be kept open for travel at all hours of the day or night unless some unavoidable accident shall make such travel for the time unsafe.

The rates of toll and copies of such regulations shall be kept posted at each end of such bridge. [C24, 27, 31, 35, 39,§5899; C46, 50, 54,§382.6]
383.1 Principal grant of power. Any city in this state is hereby authorized and empowered to acquire by purchase, condemnation, bargain and sale, lease, sublease, gift, or otherwise, any existing bridge, including approaches and avenues, rights of way or easements of access to approaches, necessary real and personal property incident thereto and franchises, special privileges, leases and contracts in connection with such bridges, and to so acquire any bridge and aforesaid facilities; and is also authorized and empowered to construct and contract for the construction of, and to acquire by purchase, lease, sublease, gift, or otherwise, bridges, including all of aforesaid appurtenances, facilities, and property; and is also authorized and empowered thereafter to repair, maintain, extend, renew, reconstruct, replace, or enlarge and to mortgage or lease and to use and operate any such bridges as toll or free bridges, either or both from time to time, for public use and travel of all kinds by railroads, street railways, bus lines, vehicles, and pedestrians and other uses, any or all as may be determined by the governing body of the city, and to use same for public utility purposes, and to fix the rates of toll or the charges for the use of same, and to grant nonexclusive franchises for use of same for public utility purposes upon such terms and conditions as may be prescribed by ordinance, and to exercise all such powers within the city limits and five miles outside thereof within the state of Iowa, and any adjoining state, but only across any navigable or nonnavigable stream forming the boundary between such states, after having obtained any authority which may be necessary from such states and the United States, and to exercise such powers either directly through the governing body of the city or any committee thereof or through a bridge commission created as in this chapter provided, or part any one and part any other. [C31, §5899-c1; C39,§5899.01; C46, 50, 54,§383.1]

383.2 Joint power. Any power in this chapter granted to the city may be exercised by the city independently or in co-operation with or aid of similar action by any other city or any county in Iowa, or any city or county in an adjoining state, or the state of Iowa or any adjoining state or states, or the government of the United States where such other political unit has been authorized by law to exercise the necessary powers. Such joint action may be directly by the governing body of the city or through the medium of a joint bridge commission subject to the same conditions provided in this chapter for independent action. [C31, 35,§5899-c2; C39,§5899.02; C46, 50, 54,§383.2] Referred to in §§383.24, 383.25, §383.26

383.3 Utility franchises for use of bridge. The cities specified in this chapter through the governing bodies thereof are authorized and empowered to grant franchises for the nonexclusive use of the bridges acquired under this chapter to public utilities upon such terms, conditions, and for such consideration as such cities may impose whether incident to or part of the purchase of an existing bridge and rights of utilities in connection therewith, or otherwise, and thereafter to extend the duration or to amend the terms and conditions thereof. Any such grant shall be made by the city council by ordinance and no vote of the electors of the city shall be required. In no case shall such a grant be made by any bridge commission. [C31, 35,§5899-c3; C39,§5899.03; C46, 50, 54,§383.3]

383.4 Conveyance of bridge. In the event that the state of Iowa, an adjoining state, the government of the United States, either, any, or all of them should agree to take over any

bridge acquired by the city under this chapter and thereafter maintain and operate same as a free public bridge at its or their expense, then such city is authorized to convey such bridge on such conditions to such party or parties. [C31, 35,§5899-4; C39,§5899.04; C46, 50, 54,§383.4]

383.5 Power to assign rights. Any such city may grant the exclusive right to purchase an existing bridge or to construct a new bridge and to maintain any such bridge within a distance not exceeding one mile on each side of the bridge to be so purchased or constructed, for the period necessary to reimburse cost plus not exceeding eight percent thereof for financing charges, together with interest upon said cost and charges, but in no event to exceed ten years, subject to the conditions that at the termination of which period, such bridge shall become the sole property of the public and thereafter be maintained and operated by the city as toll or free bridge as such city may determine from time to time in harmony with the other provisions of this chapter and the laws of the United States. Such grant shall be made in the manner and subject to the same conditions as may be provided by law for the granting of franchises. Any such grant or assignment shall by operation of law be subject to the following conditions; the number of officers and employees and the salaries, wages, or compensation thereof shall be reasonable; no person shall be permitted free use of the bridge or use at discriminatory tolls; tolls shall be both adequate to have payment for the bridge and reasonable to the public; financing costs shall be reasonable and the city may impose requirements and safeguards as to the conservation of funds and insurance of property; complete statements of operations and finances shall be filed with the city clerk on bond interest dates upon completion of the bridge and upon delivery of same to the city; and the city shall have power to require or itself perform audits and examine the books and call for any reports at any time. The city may enforce these obligations in any court of competent jurisdiction. In any such assignment, same shall by operation of law be subject to the conditions that the plans and specifications, the location, size, type, and method of construction, the boundaries and approaches and the estimates of cost of construction and acquisition shall be first submitted to the governing body of the city and receive its approval before any construction shall be commenced or any contract for construction or for financing construction shall be entered into. [C31, 35,§5899-c5; C39,§5899.05; C46, 50, 54,§383.5]

383.6 Existing bridge—purchase, lease, or sublease. If any such city shall desire to purchase, lease, or sublease any existing bridge, and shall have received any such authority as may be necessary from the government of the United States, the governing body thereof may determine the fair value thereof, including all interests of every nature therein, and may by written resolution tentatively offer the owners thereof jointly the price so determined, and if all such owners, within ninety days thereafter, shall file with the city clerk of such city a duly authorized and properly executed written tentative acceptance of such offer, binding themselves to accept same and assign such lease or sublease or convey good and complete title by warranty deed when and if the owners of said city shall authorize such purchase and the necessary funds shall be provided therefor, then upon the filing of such acceptance, the governing body of the city may submit to the voters thereof, at a special election called for that purpose or at any general or city election, within one hundred twenty days after the filing of such acceptance, the question whether such purchase shall be made at the price stated on the ballot and the governing body of the city be authorized to issue bonds of the kind or kinds stated in the proposition and in any such amount as may be required to provide the necessary funds, and the proposition so submitted shall be carried if the majority of the voters voting on such proposition shall vote in favor thereof, and the tentative acceptance of the owners of such bridge by the city. Title to and possession of the bridge shall pass upon payment of the consideration therefor. Such purchase may also be made subject to existing mortgages and the assumption of outstanding bonds. If repairing, reconditioning, and reconstruction shall be necessary to place any bridge so purchased or to be purchased in safe, efficient, or convenient condition, the governing body of the city may cause the estimated cost thereof to be included as a part of the cost of such bridge in submitting the proposition of purchase to the voters, or without submitting such additional cost shall, when the purchase has been authorized by the voters, be empowered to issue additional bonds to provide funds for that purpose in an amount not to exceed fifteen percent of the purchase price of the bridge. If within ninety days after this chapter shall have become effective, the governing body of any such city shall not have made any offer to purchase an existing bridge, or shall have made an offer which shall have been rejected by the owners of such bridge, then the owners thereof shall be authorized to submit to the city an offer for the sale, lease, or sublease thereof, and such offer shall within ninety days after its filing with the city clerk and approval by the corporation counsel or city attorney, be submitted by the governing body of the city to the voters of the city at a special election held within that period, or at a special election called for that purpose, provided that the owners of the bridge shall agree to pay all of the costs of such submission to the voters and shall adequately secure such payment at the time of the filing the offer with the city clerk. The form of such offer and execution thereof shall be subject to the approval of the corporation counsel or city attorney of the city.
who shall also prepare the proposition to be submitted to the electors in proper legal form. The proposition submitted to the electors shall include all necessary provisions for financing such purchase, lease, or sublease, and the governing body of the city may itself determine the method of such financing and the kind of bonds to be issued in connection therewith and provide for same in the proposition to be submitted, or the governing body of the city may submit to the electors the question as to which kind of bonds shall be issued for that purpose. Such offer of the owners of such bridge shall be binding upon them, their successors and assigns and all parties in interest unless and until same has been rejected by the electors at the election herein provided for. Any question submitted at such election shall be carried if the majority of the electors voting on such question shall vote in favor thereof. Title to the bridge and the right to the possession thereof shall vest in the city upon proper legal tender of payment in accordance with the offer so submitted and authority granted by the electors. The acceptance of such offer by the electors shall carry with it the authority hereinbefore provided in this section for the provision of funds for repairs, reconstruction, or reconstruction. At any time during the period of thirty days after the form of any such offer shall have been approved by the corporation counsel or city attorney of the city, the governing body of such city shall have the right to make a counter offer to the owners of such bridge, and if within that period such offer shall be accepted as hereinafter provided in this section then the offer made by the owners of the bridge and proceedings pursuant thereto herein provided for, shall be abandoned; but if such counter offer shall not be accepted, then the governing body of the city shall upon the filing of an offer by the owners of the bridge. During the period of ninety days after the filing of an offer by the owners of the bridge and the approval of the form thereof, the governing body of the city is authorized to hold such public hearings as it may deem advisable, and is empowered to require the disclosure of complete information by the owners of the bridge, and to require the attendance of witnesses and take testimony under oath, and to employ experts and to investigate all matters which may assist the governing body or the electors in examining the questions presented by or growing out of the offer so made. Upon approval by the corporation counsel or city attorney of the form of offer made by the owners of the bridge, such offer shall be published by the city in an official newspaper published in said city, upon three consecutive days. After the corporation counsel or city attorney and the governing body of the city shall have approved the final form in which the offer and proposition is to be submitted to the electors, the city shall cause such proposition to be published on three consecutive days in an official newspaper published in said city to be completed not less than ten days before the date of the election. At the same election at which an offer to sell an existing bridge made by the owners of such bridge shall be submitted, the governing body of the city is also authorized to submit at the expense of the owners of the bridge an alternative proposition to authorize the construction of a new bridge at an estimated cost to be stated in the proposition and the financing thereof as elsewhere provided for in this chapter for new bridges. The governing body of the city may also submit independent propositions for the construction of one or more new bridges as well as the purchase of an existing bridge at the same election and at the expense of the owners of the existing bridge. The governing body of the city may also, at the same election and at the cost of the owners of the bridge offered for sale, submit the proposition so that the construction of a new bridge shall be authorized only in the event the purchase of the existing bridge shall not be authorized by the electors or the delivery of title and possession shall be unreasonably delayed for any cause. The offer by the owners of the bridge as herein provided for may also be made in any city authorized by the act independently or jointly to such city and any other legally empowered political subdivision in this or an adjoining state, but in such event the time periods provided for in this section to govern the procedure for submission to the electors shall not so run, nor shall the obligation to submit the offer to the electors accrue unless and until the political subdivisions shall have entered into joint contract governing the conditions of purchase and subsequent control and operation in the event the offer shall be legally accepted in the manner provided by the law applicable in each such political subdivisions. That acceptance by the electors of any offer of the owners of the bridge shall by operation of law authorize the governing body of the city in its discretion to subsequently enter into contract with another properly authorized political subdivision in this or an adjoining state to share the cost and the title and control of the bridge so acquired. The owners of a bridge for which an offer is made or by whom an offer is made shall be required to disclose full information as to title and all interest therein, and in the event of the purchase of any such bridge shall be required to deliver good title by warranty deed. [C21, 35, §5899-c6; C90, §5899.06; C46, 50, 54, §383.6]
nation as herein provided and shall fix the time for consideration of the proposed resolution, at which time any person interested may appear and be heard or may file written objections to the passage of the resolution. The governing body of the city shall cause notice of the time when said resolution will be considered by it for passage to be given by two publications in some newspaper published in the city, the last of which shall be not less than two weeks nor more than four weeks prior to the day fixed for its consideration. Upon the passage of such resolution, a certified copy thereof shall be filed with the chief justice of the supreme court of the state and said chief justice shall, within ten days thereafter, fix a time for action upon said resolution and give notice to the city and the parties in possession of said bridge, by certified mail, specifying the time and place of hearing fixed by the said chief justice. When the time for hearing shall have arrived the chief justice shall proceed and appoint three competent and disinterested appraisers, at least two of whom must be residents of the state, said appraisers to act as a commission of condemnation, and shall enter an order requiring said commission hereby to attend as such commission in the possession of condemnation, at the county seat of the county in which said city is located, within ten days after their appointment. Said commissioners of condemnation shall qualify by filing with the clerk of the district court in and for the county in which they are to act, a written oath that they will, to the best of their ability, perform faithfully and impartially all the duties required of them by this chapter. Said commission, when it meets to organize pursuant to the order of the said chief justice or at any time during the proceedings may, at such time as such commission deems necessary. The time for appearance shall be sufficiently remote to serve notice upon such parties, but if the time for appearance occurs after the proceedings are begun such proceedings may be reviewed by the commission to give all parties a full opportunity to be heard. Persons not voluntarily appearing, but having any right, title, or interest in or to the property which is the subject of condemnation, or any part thereof, who are to be made parties to the proceedings shall be served with notice thereof and of the time and place of meeting of said commission in the manner and for the same length of time as for the service of original notice, either by personal service or by service by publication, the time so set, being the time at which the parties so served are required to appear, and actual personal service of the notice within or without the state shall supersede the necessity for publication. The commission of condemnation appointed hereunder shall have power to summon and swear witnesses, take evidence, order the taking of depositions, require the production of books and papers, and may appoint a shorthand reporter. The commission of condemnation shall select some suitable person to act as clerk and the records kept by such clerk shall constitute the official records of the commission. In the event of a vacancy on the commission of condemnation such vacancy shall be filled in the manner in which the original appointments were made and when necessary, by reason of such vacancy, the commission may review any evidence in its record. All acts, including final report, shall be by a majority of such commission. Such commission of condemnation authorized hereby shall determine the value of such bridge, the rights thereunder sought to be appropriated, and make its report in writing, presenting its findings, within one hundred twenty days after its organization, and which report shall be filed with the clerk of the district court of the county in which such city is located. Within ninety days after the filing of the report by said commission if the said city elects to proceed further, the governing body of the city shall introduce an ordinance providing for the submission to the electors of the city the question whether such award shall be confirmed and the property be taken and bonds of the kind or kinds determined by the governing body of the city and stated upon the ballot shall be issued in the amount of said award, such proposition to be submitted within ninety days after said ordinance becomes effective at a special election called for that purpose or at any general or city election, and shall be carried if a majority of the electors voting thereon shall vote in favor thereof. If such proposition is carried, title to the property to be appropriated shall at once vest in said city, and the right to possession shall vest and remain in the owners of the property. If the amount of said award is on deposit with the city treasurer and warrants for the disbursement thereof are available and the interested parties have been notified to that effect provided there exists no actual or legal obstacle to immediate payment. In the event of an appeal, the sum representing the award or awards involved in such appeal or appeals shall not be paid but shall be invested by the city treasurer in bonds of the United States government or in securities designated by the owner of the property taken, at their own risk, and which shall be held in trust until the final disposition of the appeal, the interest on such bonds to be in lieu of interest upon the award. The governing body of the city is authorized, without a further vote of the electors, to issue additional bonds in the amount necessary to pay interest on the award and all costs of the proceedings and any increased interest and costs upon appeal. If the proposition so submitted at the election has been carried, any or all of the persons whose property or interest has been taken may appeal from the finding of value and award within twenty days after the canvass of the election to the district court of the county in which such city is located, by
the filing of a petition for appeal with the clerk of said court and by the filing of a bond with said clerk to be approved by him, conditioned for the payment of all costs which may be incurred on any such appeal. The clerk of the district court shall immediately docket said cause and the parties shall proceed in all respects in the trial of said cause in the manner as though said action had been originally instituted in said district court. The party appealing, shall, within such time as the district court shall order, file with the clerk of said court a complete transcript of all the proceedings had before the commission of condemnation and either party may use, in the trial of said cause, any portion or all of said transcript. The costs of the proceedings before the commission of condemnation, including compensation or fees of the commissioners, shall be paid by the city. In the event of an appeal from the award on condemnation the costs shall be taxed and paid as the court may order. The district court of the county in which the proceedings are had shall have jurisdiction upon application by the commissioners to fix the amount of their compensation. Upon such appeal the court may increase or decrease the amount of the award. No such appeal shall delay the passage of the title or right of the city to possession of the property condemned. In the event the amount of such award is increased upon appeal, the amount of such increase shall be paid with interest thereon at the rate of six percent per annum from the date the city took possession of the property until paid. The governing body of the city is authorized without a further vote of the electors to issue such additional bonds as may be necessary to pay interest thereon. [C31, 35,§5899-c7; C39,§5899.07; C46, 50, 54,§383.8]

383.9 Power to issue bonds. To finance any of the purposes or powers provided for in this chapter, the city council or governing body of any such city shall in the first instance determine whether any purchase, condemnation, or construction authorized by this chapter shall be financed by bonds which are general obligations of the city and which may also be supported by a lien or mortgage on the bridge itself or upon the tolls to be derived thereof, or both, or by revenue bonds as provided for in this chapter and which are charges solely against the revenue to be derived from such bridge through the collection of tolls or part one kind of bonds and part the other, but shall not have authority to purchase, condemn, or construct any bridge, nor to issue any bonds, except preliminary bonds specially authorized by this chapter, until first authorized by the majority vote of the electors voting on such proposition, which proposition shall indicate the method of acquiring the bridge and the kind or kinds of bonds, at a special election called for that purpose or at any general or city election. This grant of power to issue bonds is in addition to any other which may now have been or hereafter may be conferred upon such city, and shall be free from the restrictions now imposed on cities upon the issuance of bonds and incurring of indebtedness, and subject only to the provisions of the constitution of Iowa. At such election the proposition shall be separate as to each bridge to be acquired or constructed and the amount of bonds may be either a specific amount equal to the estimated total cost of every nature plus not to exceed twenty-five percent, or may be general and authorize the issuance of bonds in such amount as may be found necessary from time to time to complete the acquisition, construction, and equipment of the bridge and all costs incident thereto, or may be part one and part the other. For all purposes of financing, the total cost of any improvement authorized by this chapter may include every item of expense in connection with the project, and among other items shall also include the cost of acquiring every interest of every nature and of every person in any existing bridge, the cost of constructing the superstructure, roadway, and substructure of any bridge, the approaches, and avenues or rights of way of access thereto and necessary real estate in connection therewith, tollhouses and equipment thereof and of the bridge, incumbrances, easements, rights or damages incident to or consequent upon the complete project, expenses preliminary to construction, including investigation and expenses incident thereto, and prior to and during construction the proper traffic estimates, interest upon bonds, and all such other expenses as after the begin-
§383.10 Revenue bonds. Cities are hereby authorized to provide funds for the purposes of this chapter by the issuance of revenue bonds of such cities, the principal and interest of which bonds shall be payable solely from the special funds herein provided for such payment and as to which, as shall be recited therein, the city shall incur no indebtedness of any kind or nature and to support which the city shall not pledge its credit nor its taxing power nor any part thereof. Such revenue bonds shall bear interest at not more than six percent per annum, payable semiannually, and shall mature in not more than twenty years from their date or dates and may be made redeemable at the option of the city issuing the same at not more than the par value thereof plus a premium of five percent under such terms and conditions as the governing body of the city may fix prior to the issuance of such bonds. The governing body of the city shall provide the form of such bonds including coupons to be attached thereto to evidence interest payments, which bonds shall be signed by the mayor or any bank or trust company in the state of Iowa, or in the city of New York, state of New York. The governing body of the city may provide for the registration of such bonds, and the place or places of payment of principal and interest thereof, which may be at the office of the city treasurer and/or any bank or trust company in the state of Iowa, or in the city of New York, state of New York. The governing body of the city may provide for the registration of such bonds in the name of the owner as to the principal alone or as to both principal and interest. Such bonds may be sold in such manner as the governing body of the city may determine to be for the best interests of the city, taking into consideration the financial responsibility of the purchaser and the terms and conditions of the purchase and the availability of the proceeds of the bonds when required for the payment of the cost, such sale to be at not less than ninety-two cents on the dollar and accrued interest. The proceeds of such bonds shall be deposited, in the first instance, with the city treasurer and thereafter with such depositories as the bridge commission shall direct and the governing body of the city shall approve, and shall be secured in such manner and to such extent as the governing body of the city and the bridge commission shall require, and shall be used solely for the payment of the cost of the bridge or bridges and costs incident thereto as provided for in this chapter, and be drawn upon over the signatures of the chairman or vice-chairman of the bridge commission and the secretary and treasurer thereof, and under such further restrictions, if any, as the governing body of the city may provide. If the face amount of such bonds, less any discount on the sale thereof, shall exceed such cost, the surplus shall be paid into the fund hereinafter provided for payment of the principal and interest of such bonds. The governing body of the city shall have the right to purchase for investment of other funds, and the bridge commission and the governing body of the city shall have the right to purchase for retirement and cancellation any of such bonds that may be outstanding at the market price, but at not exceeding one hundred and five and accrued interest nor exceeding the price, if any, at which the same shall in the same year be redeemable, but all bonds redeemed or purchased out of funds provided by the sale of bridge bonds provided for in this chapter shall forthwith be canceled and shall not again be issued. Prior to the preparation of definitive bonds the governing body of the city may, under like restrictions, issue temporary bonds with or without coupons, exchangeable for definitive bonds upon the issuance of the latter. The governing body of the city may enter into an agreement with any competent trust company as trustee for the holders of such bonds, setting forth the duties of the city and the bridge commission in respect to the construction, maintenance, operation, and insurance of such bridge, the conservation and application of all funds, the insurance of moneys on hand or on deposit, and the rights and remedies of said trustee and the holders of such bonds, and restricting the individual right of action of bondholders as is customary in trust agreements respecting bonds of corporations. Said trust agreement may contain such provisions for protecting and enforcing the rights and remedies of the trustee and the bondholders as may be reasonable and proper, and also a provision for approval by the original bond purchasers of the appointment of consulting engineers and of the security given by the city. Said trust agreement may make the proceedings of the city to the electors thereof and authorized by the vote of the majority voting on such proposition at a special election called for that purpose or at any general or city election. At such election the proposition shall be separate as to the bonds for each bridge to be acquired or constructed and the amount of bonds may be either a specific amount equal to the estimated total cost of every nature plus not to exceed twenty-five percent, or may be general and authorize the issuance of bonds in such amount as may be found necessary from time to time to complete the acquisition, construction, and equipment of the bridge and all costs incident thereto, or may be part one and part the other. The bonds authorized by this section may, at the option of the governing body
383.11 Revenue refunding bonds. Any city which has heretofore or shall hereafter issue revenue bonds under the provisions of this chapter, is hereby authorized to provide for the issuance of revenue refunding bonds of the city for the purpose of refunding any such revenue bonds then outstanding. It shall not be necessary to submit the proposition of issuing such revenue refunding bonds to the electors of the city. In all other respects, the issuance of such revenue refunding bonds, the maturities and other details thereof, the rights of the holders thereof, and the duties of the city and of the bridge commission, if any, in respect to the same, shall be governed by the provisions of this chapter insofar as the same may be applicable, and by the following provisions:

1. No revenue refunding bonds shall be issued, unless issued to refund revenue bonds which have matured or will mature within three months, or unless the interest rate of the revenue refunding bonds shall be at least one-fourth of one percent less than the interest rate borne by the revenue bonds to be refunded, in which event the entire bond issue may be refunded.

2. No revenue refunding bonds shall be delivered, unless delivered in exchange for revenue bonds to be refunded thereby, except in the amount necessary to provide for the payment of matured or redeemable revenue bonds or revenue bonds maturing or redeemable within three months, including any redemption premium thereon, or all revenue bonds refunded for a lower interest rate as provided in subsection 1.

3. The rates of tolls to be charged for the use of the bridge acquired or constructed under the provisions of this chapter to be refunded shall be so fixed and adjusted as to provide a fund sufficient to pay the cost of maintaining, repairing, and operating such bridge, and may also provide a reserve fund reasonably sufficient to provide for the cost of the continued operation, supervision, maintenance, and repair of said bridge or bridge for a period not to exceed twenty-five years after the removal of toll charges. After the provisions of said funds have been completed, such bridge or bridges shall thereafter be maintained and operated free of toll unless or until the charging of reasonable tolls may be continued or resumed by the governing body of the city or its commission in order to finance reconstruction, extension, enlargement, replacement, or renewal of that particular bridge or in aid of the acquisition, construction, reconstruction, extension, enlargement, replacement, or renewal of any other bridge owned in whole or in part by said city. The owners of outstanding bonds issued to finance the bridge, or the authorized trustee therefor, shall have the right to compel the fixing of adequate tolls by application to any court of competent jurisdiction. In case the city is at the same time providing for the payment of more than one bridge through the collection of tolls, the tolls upon such bridges may be maintained and adjusted so that each bridge shall assist the financing of the other. [C31, 35 §5899-c12; C39 §5899.13; C46, 50, 54 §383.13]

383.12 Protection of bondholders. Neither the state of Iowa nor any political subdivision thereof shall limit or restrict the rights and powers granted in this chapter to the detriment of owners of outstanding bonds authorized hereby, nor shall such state or political subdivision authorize the construction or itself construct any competing bridge within a distance of less than one mile on either side of any bridge acquired under this chapter, unless and until all of such bonds, together with the interest thereon have been fully paid and canceled, unless other adequate provision shall have been made for the protection and guaranty thereof. [C31, 35 §5899-c11; C39 §5899.12; C46, 50, 54 §383.12]

383.13 Tolls. The rates of tolls to be charged for the use of any bridge acquired or constructed under the provisions of this chapter shall be fixed and adjusted as may be required by any law of the United States now in force or hereafter to be enacted, and shall be so fixed and adjusted as to provide a fund sufficient to pay the interest and principal of any bonds issued under this chapter, and to provide an additional fund to pay the cost of maintaining, repairing, and operating such bridge, and may also provide a reserve fund reasonably sufficient to provide for the cost of the continued operation, supervision, maintenance, and repair of said bridge or bridge for a period not to exceed twenty-five years after the removal of toll charges. After the provisions of said funds have been completed, such bridge or bridges shall thereafter be maintained and operated free of toll unless or until the charging of reasonable tolls may be continued or resumed by the governing body of the city or its commission in order to finance reconstruction, extension, enlargement, replacement, or renewal of that particular bridge or in aid of the acquisition, construction, reconstruction, extension, enlargement, replacement, or renewal of any other bridge owned in whole or in part by said city. The owners of outstanding bonds issued to finance the bridge, or the authorized trustee therefor, shall have the right to compel the fixing of adequate tolls by application to any court of competent jurisdiction. In case the city is at the same time providing for the payment of more than one bridge through the collection of tolls, the tolls upon such bridges may be maintained and adjusted so that each bridge shall assist the financing of the other. [C31, 35 §5899-c12; C39 §5899.13; C46, 50, 54 §383.13]

383.14 Bridge commission. When it has been determined by the city council or the governing body of any such city, by resolution or ordinance in the exercise of its discretion, that in the exercise of the powers conferred by this chapter, it is expedient to create a bridge commission, and until the mayor of such city, with the approval of the governing body of the city, shall appoint four persons, who with the mayor, ex officio, shall constitute a bridge commission which shall be a police body corporate and politic under the name of (insert name of city) bridge commission and shall have power to contract, to sue and be sued, and to adopt a seal and alter same at pleasure, but shall not have power to pledge the credit or taxing

power of the city. No officer or employee of
said city, except the mayor thereof, whether
holding a paid or unpaid office shall be eligible
to hold an appointment on said commission.
Such appointees shall be originally appointed
for terms of four years. Upon the expiration of
such terms, appointments shall be made in
like manner for terms of four years. Not more
than two of such appointees shall be members
of the same political party. Vacancies shall be
filled for any unexpired term in the same
manner as the original appointment. Said
commission shall elect a chairman and a vice-
chairman from its members and a secretary
and treasurer who need not be a member of
such commission. The members of the com-
mision shall receive no compensation, and
shall give such bond as may be required from
time to time by the governing body of the city.
The commission shall fix the compensation of
the secretary and treasurer in its discretion.
The commission shall have power to establish
bylaws, rules, and regulations for its own
government and to make and enter into all
contracts or agreements necessary or inciden-
tal to the performance of its duties and the
execution of its powers under this chapter.
The commission may employ engineering,
architectural, and construction experts and
inspectors and attorneys, and such other em-
ployees as may be necessary in its opinion, and
fix their compensation, all of whom shall do
such work as the commission shall direct. All
salaries and compensation shall be obligations
against and be paid from funds provided under
the authority of this chapter. The office, rec-
ords, books, and accounts of the bridge com-
mision shall always be maintained in the city
which the commission represents. Such com-
mision may be charged by the governing body
of the city with the construction of new bridges
or the operation, maintenance, repair, renewal,
reconstruction, replacement, extension, or en-
largement of existing bridges, or bridges
hereafter constructed. [C31, 35,§5899-c13; C39,
§5899.14; C46, 50, 54,§383.14]

383.15 Additional powers of commission.
The commission if and when created is hereby
authorized to prepare the necessary and proper
plans and specifications for the construction of
such bridges as may be designated by the gov-
erning body of the city, to select the location
for same, determine the size, type, and method
of construction thereof, to plan and fix their
boundaries and approaches, to make the neces-
sary estimates of the probable cost of construc-
tion and the acquisition of the land and rights
for the sites of the abutments and the ap-
proaches and avenues or easements of access
to the bridges in a manner hereinafter pro-
vided, to enter into the necessary contracts, to
build and equip the entire bridges and the
approaches and accesses or easements of access
thereof, to build the superstructure and sub-
structures and all parts thereof, to obtain and
exercise such consent or authority as may be
necessary from the government of the United
States and the approval of the secretary of war
and chief of engineers, and to cause a survey
and map to be made of all lands, structures,
rights of way, franchises, easements or other
interests in lands, including lands under water
and riparian rights owned by any person, cor-
poration, or municipality, the acquisition of
which may be deemed necessary for the con-
struction of such bridges and to cause such
map and survey to be filed in its office. The
members of the commission, or its agents and
employees, may enter upon such lands and
structures and upon lands under water not-
withstanding any interests in such lands or

For this purpose, cities in this state and specified in this chapter are authorized to become parties to a single proceeding in an adjoining state and to subject themselves to the laws of that state governing such proceedings. The said ordinances of the board shall not be considered or construed as ordinances of said municipality except as they may be adopted as ordinances of said municipality, and the provisions of the code and statutes of the state now or hereafter enacted relative to ordinances of cities and towns shall not apply to ordinances passed by said board unless express reference be made thereto in said statutes.

7. Tolls and charges—regulations. The board shall have the power to fix and regulate and from time to time to alter the tolls, fees, dockage, wharfage, cranage, sheddage, storage, and other charges for all publicly owned docks, levees, belt railway, piers, quay walls, slips, basins, wharves, and their equipment, or the use of any portion of the water front of the municipality, which charges and rates shall be collectible by the board and shall be reasonable with a view only of defraying the necessary annual expenses of the board in constructing and operating the improvements and works herein authorized; a schedule of such charges and regulations shall be enacted by the board in the form of ordinances and a certified copy thereof shall be transmitted to the clerk of the municipality in like manner as other ordi-
nances of the board before the same shall go into or be in effect, and a copy of same shall be kept posted in a conspicuous place in the office of the board.

8. Assistants — officers — ordinances. The board shall have power to employ such assistants, employees, clerks, workmen, and laborers as may be necessary in the efficient and economical performance of the work authorized by this chapter. All officers, places, and employment in the permanent service of the board shall be provided for by ordinance duly passed by the board and the same shall be transmitted to the clerk of the municipality as provided for other ordinances of the board.

9. Construction work plans—approval—public inspection—bids—exceptions—emergencies. In the construction of docks, levees, wharves, and their appurtenances, or in contracting for the construction of any work or structures, including grading and filling lands under its control as authorized by this chapter, the board shall proceed only after full and complete plans (approved by the board) and specifications for said work have been prepared and submitted, and filed with the board by its engineer for public inspection, and after public notice asking for bids for the construction of such work, based upon such plans and specifications, has been published in some newspaper of general circulation published within the municipality, or if none so published, then in the nearest newspaper published in this state, which publication shall be made at least thirty days before the time fixed for the opening of said bids and contracting for such work; and such contract may then be made with the lowest responsible bidder therefor, unless the board deems the bids excessive or unsuitable, in which event it may proceed to readvertise for bids, or the board may do the work directly, purchasing such materials and contracting for such labor as may be necessary without further notice or proposals for bids; except that it shall make no purchase of materials in amounts exceeding five hundred dollars except by public letting upon ten days notice, published as aforesaid, specifying the materials proposed to be purchased; provided, however, that said public letting shall not be required in case no satisfactory bids are received, or in case of an emergency where the delay of advertising and public letting might cause serious loss or injury to the work. The board shall, in all cases, have the right to reject any and all bids, and may either readvertise therefor, contract with others at a figure not exceeding the lowest bidder without further advertising, or do the work directly as hereinbefore provided.

10. Tax levy—dock fund. To defray the expense of exercising the powers conferred by this chapter, or any portion of such expense in excess of the income from the aforesaid rates and charges to be collected by the board, the council of the municipality shall levy a special tax upon the taxable property in the municipality, not exceeding one-half mill* on the dollar. If the issuance of such dock bonds would not cause the aggregate indebtedness of the municipality to exceed the constitutional debt limit and if the council does not deem it advisable to issue said bonds, the council shall submit the question of issuing said bonds to the voters of said municipality, and if the vote in favor of the issuance of said bonds is equal to at least sixty percent of the total vote cast for and against the proposition at the election, the council shall proceed to issue the bonds. The proceeds of said bonds, when issued, shall be paid to the municipal treasurer and credited to the dock fund.

Taxes for the payment of said bonds shall be levied in accordance with chapter 76 and said bonds shall be payable through the debt service fund in not more than twenty years and bear interest at a rate not exceeding five percent per annum, and shall be of such form as the city or town council shall by resolution provide, but no city or town shall become indebted in excess of five percent of the actual value of the taxable property within said city or town as shown by the last preceding state and county tax lists. The indebtedness incurred for the purpose herein provided shall not be considered an indebtedness incurred for general or ordinary purposes.

If revenue bonds are issued, said bonds shall be issued and paid as provided by chapter 394.

The provisions of this section shall be applicable to all municipal corporations regardless of form of government or manner of incorporation.

385.4 Payment from earnings—bonds. Nothing in this chapter contained shall be so construed as to authorize or permit any municipality to make any contract or to incur any obligation of any kind or nature except such as shall be payable solely out of the funds provided under this chapter. Cities and towns are authorized to borrow money from the federal emergency administration of public works, created by the "National Industrial Recovery Act", 40USC, §§401–414 enacted by the congress of the United States for the purpose of constructing the improvement referred to in this chapter. As evidence of such indebtedness, such city or town may issue its bonds payable solely and only from the revenues derived from such improvement. Such bonds may be issued in such amounts as may be necessary to provide sufficient funds to pay all the costs of construction and operation of such improvement, including engineering and other expenses, together with interest to a date six months subsequent to the estimated date of completion. Bonds issued under the provisions of this chapter are declared to be negotiable instruments, shall be executed by the mayor and clerk of the municipality, and shall be sealed with the corporate seal of the municipality. The principal and interest of said bonds shall be payable solely and only from the special fund herein provided for such payments, and said bonds shall not in any respect be a general obligation of such municipality, nor shall they be payable in any manner by taxation. Provided, however, that in cities or towns in which a street railway is established and operated, before the question of granting such franchise is submitted to the electorate, the proposed franchise must first be offered to the owner of the existing street railway, and if said owner shall agree in writing within thirty days from the time said proposed franchise is offered to accept said franchise and operate a bus or motor transportation line under the terms of said franchise, the question shall be submitted to the electorate of the granting of said franchise to the owner of the street railway. If the owner of said street railway fails to agree in writing within said thirty-day period to accept said franchise and operate the bus or motor transportation line therein provided for, the city or town council may then offer said franchise to another person, firm, or corporation, and may submit to the electorate the question of the granting of the franchise to said person, firm, or corporation.

No such franchise shall be granted, extended, or renewed unless a majority of the legal electors voting thereon vote in favor of the same at a general, city or town, or special election called for that purpose.

The granting of such franchise shall not preclude cities and towns from licensing jitney busses and motor vehicles carrying passengers for hire under the provisions of chapter 388.

The provisions of sections 388.2 to 388.9, inclusive, shall apply to busses and motor transportation lines operating under franchises granted pursuant to the provisions of this section. [C31, 35, §5904-c1; C39, §5904.1; C46, 50, 54, §386.2]

The council may order the question of the granting, renewal, or extension of any such franchise so submitted; or the mayor shall submit said question to such vote upon the petition of twenty-five property owners of each voting precinct in a city, or fifty property owners in any town. [C97, §776; S13, §776; C24, 27, 31, 35, 39, §5905; C46, 50, 54, §386.3]

386.6 **Mandatory income.** Such municipality is authorized and directed to charge the users of said armory at a rate which, at all times, shall be sufficient to pay the principal and interest on the bonds issued under the provisions of this chapter and the cost of operation and maintenance, and to provide an adequate depreciation fund. The agreement to purchase may direct the vendor to sell and assign the equipment to a bank or trust company duly authorized to transact business in the state of Iowa, as trustee, for the benefit and security of the equipment trust certificates and may direct the trustee to deliver the equipment to the chairman or secretary of the board of transit trustees and may authorize the trustee simultaneously therewith to execute and deliver a lease of the equipment to the municipal corporation.

Notice of such sale or disposition of such personal property of a value of more than one thousand dollars shall be given by publication once in
one newspaper published in said municipal corporation, at least ten days before such sale or disposition. The board shall establish reasonable rules and regulations governing the sale or disposition of such property. Any revenue derived from the sale of such property shall be deposited with the treasurer of the municipal corporation to the credit of the transit system. [56GA, ch 196, §8]

386B.9 Contracts. All contracts for the sale of property of the value of more than one thousand dollars or for any concession in or lease of property for a term of more than one year shall be awarded to the highest responsible bidder, after advertising for bids. All construction contracts, and contracts for supplies, materials, equipment and services, when the expense thereof will exceed one thousand dollars, shall be let to the lowest responsible bidder, after advertising for bids.

All contracts involving less than one thousand dollars shall be let by competitive bidding whenever possible, and in any event in a manner calculated to insure the best interests of the public.

In determining the responsibility of any bidder the board may take into account past record of dealing with the bidder, experience, adequacy of equipment, ability to complete performance within the time set, and other factors besides financial responsibility, but in no case shall any such contract be awarded to any other than the highest bidder (in case of sale, concession or lease) or the lowest bidder (in case of purchase or expenditure) unless authorized or approved by a vote of at least two members of the board, and unless such action is accompanied by a statement in writing setting forth the reasons for not awarding the contract to the highest or lowest bidder, as the case may be, which statement shall be kept on file in the office of the board and open to public inspection.

Contracts shall not be split into parts involving expenditure of less than one thousand dollars for the purpose of avoiding the provisions of this section, and all such split contracts shall be void. If any collusion occurs among bidders or prospective bidders in restraint of freedom of competition, by agreement to bid a fixed amount or to refrain from bidding, or otherwise, the bids of such bidders shall be void. Each bidder shall accompany his bid with a sworn statement that he has not been a party to any such agreement.

Members of the board and officers and employees thereof, and their relatives within the fourth degree by the terms of the civil law, are forbidden to be interested directly or indirectly in any contract for construction or maintenance work or for the delivery of materials, supplies or equipment.

The board shall have the right to reject all bids and to readvertise for bids.

Advertisements for bids shall be published at least twice in a newspaper having a general circulation in the municipal corporation, the last publication to be at least ten calendar days before the time for receiving bids. Such advertisements shall state the time and place for receiving and opening bids, and by reference to plans and specifications on file at the time of the first publication, or in the advertisement itself, shall describe the character of the proposed contract in sufficient detail to fully advise prospective bidders of their obligations and to insure free and open competitive bidding.

All bids in response to advertisement shall be sealed and shall be publicly opened by the board, and all bidders shall be entitled to be present in person or by representatives. Cash or a certified or satisfactory cashier's check, as a deposit of good faith, in a reasonable amount to be fixed by the board before advertising for bids, shall be required with the proposal of each bidder. Bond for faithful performance of the contract with surety or sureties satisfactory to the board and adequate insurance may be required in reasonable amounts to be fixed by the board before advertising for bids.

The contract shall be awarded as promptly as possible after the opening of bids. The bid of the successful bidder, as well as the bids of the unsuccessful bidders, shall be placed on file and be open to public inspection. All bids shall be void if any disclosure of the terms of any bid in response to an advertisement is made or permitted to be made by the board before the time fixed for opening bids. [56GA, ch 196, §9]

386B.10 Bonds. For the purpose of acquiring, purchasing, constructing, equipping, enlarging, extending, or improving a transit system, or any part thereof, the council of the municipal corporation may by resolution, from time to time, issue and dispose of negotiable interest-bearing bonds and may also from time to time issue and dispose of negotiable interest-bearing bonds to refund any bonds at maturity or pursuant to redemption provisions or at any time before maturity with the consent of the holders thereof. All such bonds shall be payable solely as to principal and interest from the revenues or income to be derived from the operation of such transit system. All such bonds shall be substantially in the form prescribed by section 397.12 and may bear such date or dates, may mature at such rate or rates not exceeding five percent per annum, payable semiannually, may be in such form, may carry such registration privileges, may be executed in such manner, may be payable at such place or places, may be made subject to redemption in such manner and upon such terms, with or without premium, as is stated on the face thereof, may be authenticated in such manner and may contain such terms and covenants, all as may be
provided in such resolution. Notwithstanding the form or tenor thereof, and in the absence of an express recital on the face thereof that it is nonnegotiable, all such bonds shall be negotiable instruments. Pending the preparation and execution of any such bonds temporary bonds may be issued with or without interest coupons as may be provided by resolution. To secure the payment of any or all of such bonds and for the purpose of setting forth the covenants and undertakings of the municipal corporation in connection with the issuance thereof and the issuance of any additional bonds payable from such revenue or income as well as the use and application of the revenue or income to be derived from the transit system, the municipal corporation may execute and deliver a trust agreement or agreements; provided, that no lien upon any physical property of the municipal corporation shall be created thereby. A remedy for any breach or default of the terms of any such trust agreement by the municipal corporation may be by mandamus proceedings in any court of competent jurisdiction to compel performance and compliance therewith, but the trust agreement may prescribe by whom or on whose behalf such action may be instituted. Under no circumstances shall any bonds or equipment trust certificates issued by any municipal corporation or any other obligation incurred by any municipal corporation under the provisions of this chapter be or become an indebtedness of the municipal corporation within the purview of any constitutional or statutory limitation or provision, and it shall be plainly stated on the face of each bond and certificate that it does not constitute such an indebtedness or obligation but is payable solely from the revenues or income as aforesaid.

After a resolution authorizing the issuance of such bonds has been adopted, the clerk of the municipal corporation shall publish notice of such adoption in at least one newspaper of general circulation in the municipal corporation at least once each week for two consecutive weeks. Such notice shall identify the resolution by the date of its adoption and shall specify the amount of bonds proposed to be issued, and if within twenty days following the date of the first publication of such notice a petition is filed with the clerk of the municipal corporation signed by qualified voters of said municipal corporation in number equal to or exceeding two percent of the total number of those voting at the last preceding regular municipal election in said municipal corporation as shown by the election registers or polls lists asking that the question of issuing such bonds be submitted to the legal voters of the municipal corporation, then the bonds authorized by such resolution shall not be issued unless and until the proposition to issue same shall have been submitted at an election held in the municipal corporation and approved by not less than sixty percent of the votes cast for and against the proposition. When any such petition is filed, it shall be referred to the council of the municipal corporation at its next meeting and thereupon the council may either repeal the bond resolution or order the election which shall be called and conducted in the manner provided by sections 408A.3 and 408A.4. Provided, however, if the bonds referred to shall exceed by ten percent the amount of the bonds set forth under the provisions of section 386B.4, it shall then be mandatory that the authorization for the issuance of the bonds be submitted to an election as provided under the terms of this section. If there be no petition filed within the time hereinbefore provided or if there be a petition filed and the proposition of issuing such bonds is approved at such election, then the council of the municipal corporation may proceed with the issuance of the bonds all as in this chapter permitted and provided.

The resolution authorizing the issuance of such bonds may contain such covenants as are determined by the council of the municipal corporation to be desirable in connection with the use and application of the bond proceeds, the operation of the transit system and the custody and application of the revenues from such operation. A remedy for any breach or default of the terms of any such bonds or proceedings authorizing their issuance shall be by mandamus in a court of competent jurisdiction to compel performance and compliance therewith. [56GA, ch 196, §10]

Any of such funds remaining thereafter may be used either to purchase, lease or otherwise acquire parking lots or other off-street parking areas for the parking of vehicles, or said remaining funds may also be used for the retirement of revenue bonds issued for the purpose of acquiring parking lots, in the event the revenue from said parking lots is insufficient to pay the cost of retiring said bonds, or for any other lawful purpose for which the street fund may be used where reasonable off-street parking privileges have been provided. [C50, 54, §390.12]

In cities and towns whenever parking lots shall have been authorized or established as provided in section 390.1 in lieu of the tax provided for in section 390.2, there may be levied a tax not exceeding one-half mill, the proceeds of which shall be credited to and known as the "parking lot fund". Such fund shall be used only to acquire or improve real estate, including the erection or improvement of buildings thereon or for any or all said purposes for the parking of vehicles, and including the payment of bonds and interest thereon issued in anticipation of the collection of such tax. Cities and towns may anticipate the collection of taxes authorized in this section and for that purpose may issue certificates or bonds with interest coupons. If bonds are issued said bonds shall be payable in not more than twenty annual installments and at interest not exceeding five percent per annum, and shall be payable at such place and be in such form as the council shall designate by resolution or ordinance. The indebtedness incurred for the purpose provided in section 390.13 and this section shall not be considered an indebtedness incurred for general or ordinary purposes. [C54, §390.14]

5. If no person having an interest in property proposed to be assessed has entered an appearance or filed an answer within the time set for hearing on said petition the court shall immediately confirm said assessment and order the clerk to certify same to the city clerk.

6. If any person having an interest in property proposed to be assessed has entered an appearance or filed an answer to said petition, the court shall hear the cause. Said cause shall be triable as in equity.

7. Upon the hearing the court shall have power to correct any irregularities or inequalities in valuations or in the schedule of assessments, and shall consider any objections because of alleged illegal procedure or fraud.

8. The court shall render a decision upon said hearing within seven days thereafter.

9. The clerk of said court shall certify to the city clerk the final action of the court within three days from the date of the final order or judgment of said court, upon said petition, showing assessments as confirmed in the schedule of assessments.

10. An appeal from the decree of the district court shall be perfected within thirty days from the date of said decree and the abstract shall be served and filed in the office of the clerk of the supreme court within ninety days from the date of said district court decree.
11. If the aggregate of all appeals exceeds ten percent of the total assessment as confirmed by the district court, the contract may or may not be let, in the discretion of the council, until said appeals are finally determined, but said appeals shall not delay the execution of a contract for the work, if council concludes said appeals were not taken in good faith.

12. An appeal shall not, in the discretion of the council, delay the certification of an assessment or progress of an improvement, but upon decision of the appeal the assessment appealed from shall be corrected and collected in the same manner as provided by section 391A.35.

13. Corrections of assessments or valuations made by or upon the order of the district court shall be conclusive and not subject to review. If an appeal is pending, or is adjacent to lands owned by the state, and the executive council shall pay such portion of the cost of making said improvement through or along such lands as provided hereinafter. Payment of such assessments shall be made by the executive council from any funds of the state not otherwise appropriated.

When a state park or institutional road abutting on or adjacent to state lands is improved by paving, the state shall pay one-half the total assessed cost of that portion of the improvement abutting, or adjacent to such lands, lots, parts or portions thereof, but for any other type of improvement so constructed and located the state shall pay such portion of the cost as would be assessable against such lands were they privately owned.

When any portion of the cost of a public improvement is to be paid by the state under this section, the clerk shall, at the time of publication of the notice required by section 391A.13, cause a copy of such notice to be sent to the secretary of the executive council by restricted certified mail.

Municipalities in which state buildings are located shall permit sewers for such buildings to be constructed through or under the streets of the municipality, and connections to be made to the sewer system of the municipality under the same regulations as for sewer connections to private property.

14. In the event no contract is entered into within sixty days from the date of confirmation by the district court the court shall cancel said assessment, upon application of the city attorney, if no appeal is pending.

15. The cost of all court proceedings shall be a legitimate item of expense in connection with any public improvement, and shall be included within the final assessment against any property proposed to be improved. [C54, §391A.18; 56GA, ch 197, §1]

391A.19 Bond of contractor. Each contractor for a public improvement shall give bond to the municipality, conforming to the requirements of section 573.6, with corporate sureties approved by the council, for the faithful performance of the contract. In a sum equal to the contract price, and action upon such bond may be brought in the county where the council holds its meetings. [C50, §391A.15; C54, §391A.19]

391A.20 Underground connections — waterworks trustees. In municipalities having a board of waterworks trustees and in which water connections are not installed by such trustees at public expense, the council shall notify such board, at the time of the adoption of a preliminary resolution, of any proposed street paving projects. Thereupon the board shall report to the council the number of connections from water mains in such streets to the curb lines of the proposed improvement necessary to serve private property dependent upon those particular mains for water supply, and the numbers of the lots to be served by such connections, and the names of the owners thereof. Notice shall be given to such property owners, at the same time and in the same manner as the notice provided in section 391A.13, to install the necessary connections within thirty days after hearing. For the purposes of such hearing, property owners who are notified to install water connections, but whose property is not within the proposed assessment district, may appear as interested parties. If, upon hearing, the council determines to proceed with the improvement, and any property owner fails to make connections as required, the board of waterworks trustees shall cause them to be made and certify the cost thereof to the council to be assessed against the property and collected in the same manner as provided in section 391A.4 for other underground connections. [C50, §391A.17; C54, §391A.20]

391A.21 State property and roads. Municipalities may assess the cost of a public improvement which extends through or abuts upon, or is adjacent to lands owned by the state, and the executive council shall pay such portion of the cost of making said improvement through or along such lands as provided hereinafter. Payment of such assessments shall be made by the executive council from any funds of the state not otherwise appropriated.

When a state park or institutional road abutting on or adjacent to state lands is improved by paving, the state shall pay one-half the total assessed cost of that portion of the improvement abutting, or adjacent to such lands, lots, parts or portions thereof, but for any other type of improvement so constructed and located the state shall pay such portion of the cost as would be assessable against such lands were they privately owned.

When any portion of the cost of a public improvement is to be paid by the state under this section, the clerk shall, at the time of publication of the notice required by section 391A.13, cause a copy of such notice to be sent to the secretary of the executive council by restricted certified mail.

Municipalities in which state buildings are located shall permit sewers for such buildings to be constructed through or under the streets of the municipality, and connections to be made to the sewer system of the municipality under the same regulations as for sewer connections to private property.

391A.22 Monthly payments to contractor. When the specified duration of time for the performance of a public improvement construction contract exceeds sixty days, the municipality may contract to pay not to exceed ninety percent of the engineer's estimated value of the acceptable work completed during the month to the contractor at the end of each month. Payment shall be made in warrants drawn on any fund from which payment for such work may be made and such warrants, unless paid upon presentation, shall draw interest at the rate of four percent per annum from and after the date of presentation for payment. If such fund is depleted, anticipatory warrants may be issued and if the collection of taxes or special assessments, or
income from the sale of bonds applicable to the public improvement shall be after the end of the fiscal year in which the warrants are issued, said warrants shall not constitute a violation of section 404.18. [C50,§391A.19; C54, §391A.22]

Referred to in §391A.23

391A.23 Inspection, acceptance and payment.

   a. That he has inspected the completed work.
   b. That such work has or has not been performed in compliance with the terms of the contract, and the particulars, if any, in which the work varies from said terms.
   c. The total cost of the completed work.
2. Within fifteen days after the filing of the engineer's certificate, the council shall by resolution accept or reject the work.
3. Upon accepting the work, or within ten days thereafter, the council shall ascertain the total cost thereof and by resolution determine the proportion or amount of such cost to be assessed against private property within the assessment district.
4. Upon accepting the work the council may order payment of any amounts due the contractor to be made by warrants issued in the manner provided by section 391A.22. [C50, §391A.20; C54, §391A.23]

391A.24 Final schedule — filing. Within thirty days after the council adopts a resolution fixing the amount to be assessed against private property, the engineer shall file with the clerk an assessment schedule showing:
1. A description of each lot to be assessed.
2. The valuation of each lot as fixed by the council.
3. The amount to be assessed against each lot, which amount shall include the assessment for the default fund, if any. [C50, §391A.21; C54, §391A.24]

391A.25 Final schedule—adoption and certification. Within ten days after filing by the engineer, the council shall meet, consider, and adopt or amend and adopt, by resolution, the final assessment schedule. Said resolution shall:
1. Confirm and levy the assessments.
2. State the number of installments, not exceeding fifteen, into which assessments of ten dollars or more are divided.
3. Provide for interest on all unpaid installments at five percent per annum.
4. State the time when assessments are payable.
5. Direct the clerk to certify such final schedule to the auditor of the county or counties in which the assessed property is located and publish notice thereof once each week for two consecutive weeks in the manner provided in section 618.14, the first publication of which shall be not more than fifteen days from date of filing of the final schedule.

Thereupon, the county auditor shall place on the tax list the amounts to be assessed against each lot within the assessment district as certified. [C50, §391A.22; C54, §391A.25]

391A.26 Assessment of cost. The total cost of a public improvement, except for that part for which railways are liable or which is to be otherwise paid, shall be assessed against all lots within the assessment district in accordance to the special benefits conferred upon the property thereby and not in excess of such benefits.

If any owner of property subject to special assessment shall divide the same into two or more lots and if such plan of division is accepted or approved by the council, he may discharge the lien upon any one or more of them by payment of the amount unpaid, calculated as determined by the council. [C50, §391A.23; C54, §391A.26]

Referred to in §391A.30

391A.27 Limitations on assessment costs. No special assessment against any lot, for any public improvement as defined herein, shall be in excess of the amount of such assessment as shown in the schedule confirmed by the court, or if court confirmation is not utilized then on the original plat and schedule as adopted by the council and no such assessment shall exceed twenty-five percent of the value of the lot as shown by the plat and schedule theretofore approved by the council.

Special assessments for the construction or repair of underground connections for private property for gas, water, sewers, or electricity shall be assessed to each lot for the actual cost of each connection for such lot and the twenty-five percent limitation of the preceding paragraph shall not apply. [C50, §391A.24; C54, §391A.27]

Referred to in §391A.30

391A.28 Deficiencies. If the special assessment which may be levied against any lot be insufficient to pay its proportion of the cost of the improvement, the deficiency may be paid from the fund or funds most logically related to the type of improvement.

If there be property against which no special assessment can be levied or collected, the portion of the cost of the public improvement which would have been assessed against such property shall be paid in like manner. [C50, §391A.25; C54, §391A.28]

391A.29 Assessment against railway property. The right of way of any railway company shall be subject to special assessments for all public improvements provided in this chapter and such assessments shall constitute a debt due the municipality which shall be a paramount lien upon the track of the railway
company owning or leasing such right of way within the limits of the municipality. No part of the property of any railway to which a lien for unpaid special assessments has attached shall be released from such lien until the whole assessment is paid. [C50, §391A.26; C54, §391A.29]

§391A.30 Installments — payment — delinquency.

1. **First installment.** The first installment of each assessment, or total amount thereof if it be less than twenty-five dollars, with interest on the whole assessment from date of acceptance of the work by the council, shall become due and payable on January 1 next succeeding the date of such levy unless the assessment is filed with the county auditor less than thirty days prior to such next succeeding January 1 after the date of levy.

2. **Annual installments.** The succeeding annual installments, with interest on the whole unpaid amount, shall respectively become due on January 1 annually thereafter and shall be paid at the same time and in the same manner as the March semiannual payment of ordinary taxes.

3. **Outstanding balance — payments.** All future installments of an assessment may be paid on any date by payment of the then outstanding balance plus interest to the succeeding June 1.

4. **Delinquency.** All such assessments with interest shall become delinquent after the thirty-first day of March next after their due date, and shall bear the same interest with the same penalties as ordinary taxes, and when collected the said interest and penalties shall be credited to the same fund as the said special assessment.

5. **Interest period.** Upon the payment of any assessment or installment thereof interest shall be computed and collected as aforesaid to the first day of June following the date of such payment.

6. **Lien of assessment.** All assessments shall constitute liens on the lots assessed from the date they are certified to the county auditor and such liens shall have the same preference and priorities as liens for ordinary taxes; provided, that in no case shall the owner of any lot be liable for an assessment greater than provided for in sections 391A.26 and 391A.27. [C50, §391A.27; C54, §391A.30]

§391A.31 Appeals to district court.

1. Any person or corporation, having an interest in any property subject to special assessment under any given exercise of the powers conferred upon municipalities by this chapter, shall have the right, within twenty days after the adoption of a resolution of necessity, to test the regularity of the proceedings under such exercise of power by a petition in equity filed in the district court of the county wherein such property is located. Filing such petition shall not operate as a stay of further proceedings on the improvement by the council unless there is also filed a bond in an amount and with security approved by the court.

2. Any person or corporation, having an interest in any property specially assessed under any exercise of the powers conferred upon municipalities by this chapter, shall have the right to appeal from the amount of such assessment at any stage of the special assessment procedure up to twenty days after the final publication of notice of filing of the final assessment schedule by petition to the district court of the county wherein such property is located, but such appeal shall go only to the amount of that assessment and shall in no event operate as a stay of further proceedings by the council on the improvement.

3. Nothing herein set forth shall be construed so as to deny any person or corporation having an interest in property subject to special assessment a right of appeal to the district court on the ground of fraud or to avail himself of such other remedies as are available by law. [C50, §391A.28; C54, §391A.31]

Assessments levied and certified under the provisions of this chapter and installments thereof and interest thereon shall be payable at the office of the county treasurer of the county wherein the property assessed is located, and assessments may be there paid in full and without interest within thirty days after the date of certification thereof to the county auditor. [C50, §391A.29; C54, §391A.32]

§391A.33 Special assessment bonds.

1. **Issuance.** After certification of the final assessment schedule the municipality shall, by resolution of the council, authorize and issue bonds in anticipation of the collection of unpaid special assessments, provided that the total principal amount of bonds issued for account of any public improvement shall not exceed the total amount of unpaid special assessments less the amount assessed for the default fund.

2. **Form.** All such bonds shall be negotiable and shall recite on their face that they have been issued under the provisions of this chapter and are payable as to both principal and interest from the proceeds of the special assessments levied for account of the public improvement. Such bonds shall bear interest at a rate not exceeding five percent and shall mature serially on June 1 of the years in which any of such principal is scheduled to become due and shall contain a provision that the municipality reserves the right and option of calling and redeeming any or all of the bonds on or before July 15 of each year prior to maturity upon such terms as are specified therein.

3. **Payment.** The proceeds of the special assessments and interest collected thereon shall be used and applied by the treasurer of
the municipality to the payment of the interest on the bonds and to the retirement of the principal as rapidly as such proceeds are collected.

4. Sale—proceeds. Said bonds shall be sold at public sale in the manner provided for by chapter 75, but shall not be sold for less than par value with accrued interest from date to the time of delivery. In the event that no bid is received at the public sale, the council may require the contractor for the public improvement to purchase same at par value for bonds bearing five percent interest. The proceeds shall be used and applied to the payment of the cost of the public improvement.

5. Procedure. The provisions of chapter 396 shall be applicable to bonds issued under this chapter.

6. Surplus. Any excess of proceeds from special assessment remaining after all of the bonds for account of a particular improvement have been paid with interest shall be credited to the fund from which deficiencies for such improvement were paid. [C50, §391A.39; C54, §391A.33]

391A.34 Tax sale. Property against which a special assessment has been levied for public improvements may be sold for any sum of principal or interest due and delinquent at any regular or adjourned tax sale, in the same manner, with the same forfeitures, penalties, rights of redemption, certificates, and deeds as for the nonpayment of ordinary taxes. The purchaser at such sale shall take the property charged with the lien of the remaining unpaid installments and interest. At any such sale where bonds have been issued in anticipation of such special assessments and interest, the municipality may be a purchaser and be entitled to all the rights of purchasers at tax sales. The proceeds subsequently realized from sales of any property so purchased by the municipality shall be credited to the funds of the municipality from which deficiencies on such improvement were paid, or if there were no deficiencies to the general fund. [C50, §391A.31; C54, §391A.34]

391A.35 Payment from other funds. The whole or any part of the cost of construction or repair of any public improvement may be paid under the provisions of sections 396.22 and 396.23, or they may be paid from the fund or funds of the municipality authorized to be used for the particular type of improvement and the council shall provide that the tax authorized for purposes of such fund or funds shall be annually levied to the full extent necessary to reimburse said fund or funds for the amount paid therefrom for the construction or repair of the improvement. [C50, §391A.32; C54, §391A.35]

391A.36 Relevy. When by reason of non-conformity to any law or resolution, or by reason of any omission, informality, or irregularity, any special tax or assessment levied is determined by the council to be invalid or is adjudged illegal, the council shall have power to correct the same by resolution, and may reassess and relevy the same, with the same form and effect as if done at the proper time and in the manner provided by law or by the resolution relating thereto. [C50, §391A.33; C54, §391A.36]

The provisions of this chapter shall apply to any street improvement undertaken jointly by the municipality and the highway commission under the provisions of sections 313.21 to 313.23, inclusive, and any such municipality may assess and pay its portion of the cost of such street improvement as herein provided, but any requirement of this chapter in respect to approval of detailed plans and specifications, calling for construction bids, awarding construction contracts, and acceptance of the completed improvement shall be carried out by such municipality with the state highway commission as may be provided in any agreement entered into as permitted by section 313.22. [C50, §391A.34; C54, §391A.37]

391A.38 Streets with tracks. In the making of assessments for paving streets, avenues, or public places along or upon which any track of a railway or street railway company is located, the engineer shall make an estimate of the cost of building the improvement, and he shall also make an estimate of what would be the cost of such improvement if such tracks did not there exist. The railway or street railway company shall be charged with the difference between said estimates of cost and shall make payment in the same manner as other special assessments are paid. This section applies only to track within the limits of the improvement proper and nothing herein contained shall be construed as exemprar or street railway company from any special assessment on any other property, adjacent or abutting, within the assessment district and owned by such company, nor shall this section be construed as relieving such company from any of its duties or liabilities set forth in any other sections of the law concerning repair or construction of the strip of paving between the rails and one foot outside thereof. [C54, §391A.38]

391A.39 Interpretation. [C50, §391A.35; C54, §391A.39]

391A.40 State institutions—joint sewage control. Condemnation procedure, ch 472

402.3 Vestibules—brakes—transparent shields. Every person, partnership, company, or corporation owning or operating a street railway in this state shall:

1. Transparent shield. Provide and maintain upon all motorcars, except trailers, used for the transportation of passengers, not required by law to have an inclosed vestibule, a transparent shield extending the full width of each car and so constructed that it will afford protection to the motormen and passengers on the platform from inclement weather.

2. Vestibules. From November 1 of each year to April 1 following, provide all cars used for the transportation of passengers with vestibules inclosing the front and rear platforms on all sides for the protection of employees operating such cars when, in the performance of their duties, the employees are required to remain on said vestibule the major portion of their time. CHAPTER 403
URBAN RENEWAL LAW

Applicable to all cities and towns

403.1 Title. This chapter shall be known and may be cited as the "urban renewal law." [57GA, ch 197,§1]

403.2 Declaration of policy. 1. It is hereby found and declared that there exist in municipalities of the state slum and blighted areas, as herein defined, which constitute a serious and growing menace, injurious to the public health, safety, morals and welfare of the residents of the state; that the existence of such areas contributes substantially and increasingly to the spread of disease and crime, constitutes an economic and social liability imposing onerous municipal burdens which decrease the tax base and reduce tax revenues, substantially impairs or arrests the sound growth of municipalities, retards the provision of housing accommodations, aggravates traffic problems and substantially impairs or arrests the elimination of traffic hazards and the improvement of traffic facilities; and that the prevention and elimination of slums and blighted areas is a matter of state policy and state concern in order that the state and its municipalities shall not continue to be endangered by areas which are focal centers of disease, promote juvenile delinquency and consume an excessive proportion of state revenues because of the extra services required for police, fire, accident, hospitalization and other forms of public protection, services and facilities.

2. It is further found and declared that certain slum or blighted areas, or portions thereof, may require acquisition, clearance, and disposition subject to use restrictions, as provided in this chapter, since the prevailing condition of decay may make impracticable the reclamation of the area by conservation or rehabilitation; that other areas or portions thereof may, through the means provided in this chapter, be susceptible of conservation or rehabilitation in such a manner that the conditions and evils hereinbefore enumerated may be eliminated, remedied or prevented; and that fringe areas can be conserved and rehabilitated through appropriate public action as herein authorized, and through the co-operation and voluntary action of the owners and tenants of property in such areas.

3. It is further found and declared that the powers conferred by this chapter are for public uses and purposes for which public money may be expended and for which the power of eminent domain and police power exercised; and that the necessity in the public interest for the provisions herein enacted is hereby declared as a matter of legislative determination. [57GA, ch 197,§2]

403.3 Municipal program. The local governing body of a municipality may formulate for the municipality a workable program for utilizing appropriate private and public resources to eliminate slums and prevent the
development or spread of slums and urban blight and to encourage needed urban rehabilitation. Such workable program may include, without limitation, provisions for:

1. The prevention of the spread of blight into areas of the municipality which are free from blight, through diligent enforcement of housing, zoning and occupancy controls and standards.

2. The rehabilitation or conservation of slum or blighted areas or portions thereof by replanning, by removing congestion, by providing parks, playgrounds and other public improvements, by encouraging voluntary rehabilitation and by compelling the repair and rehabilitation of deteriorated or deteriorating structures.

3. The clearance of slum and blighted areas or portions thereof.

4. The redevelopment of slum and blighted areas by approval of urban renewal plans.

Referral to in §403.14

§403.4 Resolution of necessity. No municipality shall exercise the authority herein conferred upon municipalities by this chapter until after its local governing body shall have adopted a resolution finding that:

1. One or more slum or blighted areas exist in such municipality.

2. The rehabilitation, conservation, redevelopment, or a combination thereof, of such area or areas is necessary in the interest of the public health, safety, morals or welfare of the residents of such municipality. [57GA, ch 197, §3]

Referral to in §§403.14, 403.15

§403.5 Urban renewal plan. 1. A municipality shall not approve an urban renewal project for an urban renewal area unless the governing body has, by resolution, determined such area to be a slum area or a blighted area or a combination thereof, and designated such area as appropriate for an urban renewal project. The local governing body shall not approve an urban renewal plan until a general plan for the municipality has been prepared. For this purpose and other municipal purposes, authority is hereby vested in every municipality to prepare, to adopt and to revise from time to time, a general plan for the physical development of the municipality as a whole, giving due regard to the environs and metropolitan surroundings. A municipality shall not acquire real property for an urban renewal project unless the local governing body has approved the urban renewal project in accordance with subsection 4 hereof.

2. The municipality may itself prepare or cause to be prepared an urban renewal plan; or any person or agency, public or private, may submit such a plan to a municipality. Prior to its approval of an urban renewal project, the local governing body shall submit such plan to the planning commission of the municipality, if any, for review and recommendations as to its conformity with the general plan for the development of the municipality as a whole. The planning commission shall submit its written recommendations with respect to the proposed urban renewal plan to the local governing body within thirty days after receipt of the plan for review. Upon receipt of the recommendations of the planning commission or, if no recommendations are received within said thirty days, then, without such recommendations, the local governing body may proceed with the hearing on the proposed urban renewal project prescribed by subsection 3 hereof.

3. The local governing body shall hold a public hearing on an urban renewal project after public notice thereof by publication in a newspaper having a general circulation in the area of operation of the municipality. The notice shall describe the time, date, place and purpose of the hearing, shall generally identify the urban renewal area covered by the plan, and shall outline the general scope of the urban renewal project under consideration.

4. Following such hearing, the local governing body may approve an urban renewal project if it finds that:

a. A feasible method exists for the location of families who will be displaced from the urban renewal area into decent, safe and sanitary dwelling accommodations within their means and without undue hardship to such families;

b. The urban renewal plan conforms to the general plan of the municipality as a whole; provided, that if the urban renewal area consists of an area of open land to be acquired by the municipality, such area shall not be so acquired except:

(1) If it is to be developed for residential uses, the local governing body shall determine that a shortage of housing of sound standards and design with decency, safety and sanitation exists in the municipality; that the need for housing accommodations has been or will be increased as a result of the clearance of slums in other areas, including other portions of the urban renewal area; that the conditions of blight in the area and the shortage of decent, safe and sanitary housing cause or contribute to an increase in and spread of disease and crime, and constitute a menace to the public health, safety, morals, or welfare; and that the acquisition of the area for residential uses is an integral part of and essential to the program of the municipality.

(2) If it is to be developed for nonresidential uses, the local governing body shall determine that such nonresidential uses are necessary and appropriate to facilitate the proper growth and development of the community in accordance with sound planning standards and local community objectives. The acquisition may require the exercise of governmental action, as provided in this chapter, because of defective or unusual conditions of
title, diversity of ownership, tax delinquency, improper subdivisions, outmoded street patterns, deterioration of site, economic decline, unsuitable topography or faulty lot layouts, or because of the need for the correlation of the area with other areas of a municipality by streets and modern traffic requirements, or any combination of such factors or other conditions which retard development of the area.

5. An urban renewal plan may be modified at any time: Provided, that if modified after the lease or sale by the municipality of real property in the urban renewal project area, such modification may be conditioned upon approval of the owner, lessee or successor in interest as the municipality may deem advisable, and in any event such modification shall be subject to such rights at law or in equity as a lessee or purchaser, or his successor or successors in interest, may be entitled to assert.

6. Upon the approval by a municipality of an urban renewal plan or of any modification thereof, such plan or modification shall be deemed to be in full force and effect for the respective urban renewal area, and the municipality may then cause such plan or modification to be carried out in accordance with its terms.

7. Notwithstanding any other provisions of this chapter, where the local governing body certifies that an area is in need of redevelopment or rehabilitation as a result of a flood, fire, hurricane, earthquake, storm, or other catastrophe respecting which the governor of the state has certified the need for disaster assistance under Public Law 875, Eighty-first Congress, or other federal law, the local governing body may approve an urban renewal plan and an urban renewal project with respect to such area without regard to the provisions of subsection 4 of this section and without regard to provisions of this section requiring a general plan for the municipality and a public hearing on the urban renewal project. [57GA, ch 197,§5]

Referred to in §§403.14, 403.17

403.6 Powers of municipality. Every municipality shall have all the powers necessary or convenient to carry out and effectuate the purposes and provisions of this chapter, including the following powers in addition to others herein granted:

1. To undertake and carry out urban renewal projects within its area of operation; and to make and execute contracts and other instruments necessary or convenient to the exercise of its powers under this chapter; and to disseminate slum clearance and urban renewal information.

2. To arrange or contract for the furnishing or repair by any person of services, privileges, works, streets, roads, public utilities or other facilities for or in connection with an urban renewal project; to install, construct, and reconstruct streets, utilities, parks, playgrounds, and other public improvements; and to agree to any conditions, that it may deem reasonable and appropriate, attached to federal financial assistance and imposed pursuant to federal law relating to the determination of prevailing salaries or wages or compliance with labor standards, in the undertaking or carrying out of an urban renewal project; and to include in any contract let in connection with such a project, provisions to fulfill such of said conditions as it may deem reasonable and appropriate.

3. Within its area of operation, to enter into any building or property in any urban renewal area in order to make inspections, surveys, appraisals, soundings or test borings, and to obtain an order for this purpose from a court of competent jurisdiction in the event entry is denied or resisted; to acquire by purchase, lease, option, gift, grant, bequest, devise, eminent domain or otherwise, any real property, or personal property for administrative purposes, together with any improvements thereon; to hold, improve, clear or prepare for redevelopment any such property; to mortgage, pledge, hypothecate or otherwise encumber or dispose of any real property; to insure or provide for the insurance of any real or personal property or operations of the municipality against any risks or hazards, including the power to pay premiums on any such insurance; and to enter into any contracts necessary to effectuate the purposes of this chapter: Provided, however, that no statutory provision with respect to the acquisition, clearance or disposition of property by public bodies shall restrict a municipality or other public body exercising powers hereunder in the exercise of such functions with respect to an urban renewal project, unless the legislature shall specifically so state.

4. To invest any urban renewal project funds held in reserves or sinking funds, or any such funds not required for immediate disbursement, in property or securities in which savings banks may legally invest funds subject to their control; to redeem such bonds as have been issued pursuant to section 403.9 at the redemption price established therein, or to purchase such bonds at less than redemption price, all such bonds so redeemed or purchased to be canceled.

5. To borrow money and to apply for and accept advances, loans, grants, contributions and any other form of financial assistance from the federal government, the state, county, or other public body, or from any sources, public or private, for the purposes of this chapter, and to give such security as may be required, and to enter into and carry out contracts in connection therewith. A municipality may include in any contract, for financial assistance with the federal government for an urban renewal project, such conditions imposed pursuant to federal laws as the municipality may deem reasonable and appropriate and which are not inconsistent with the purposes of the chapter.
6. Within its area of operation, to make or have made all surveys and planning necessary to the carrying out of the purposes of this chapter, and to contract with any person in making and carrying out of such planning, and to adopt or approve, modify and amend such planning. Such planning may include, without limitation:

a. A general plan for the locality as a whole;

b. Urban renewal plans;

c. Preliminary plans outlining urban renewal activities for neighborhoods to embrace two or more urban renewal areas;

d. Planning for carrying out a program of voluntary or compulsory repair and rehabilitation of buildings and improvements;

e. Planning for the enforcement of state and local laws, codes and regulations relating to the use of land and the use and occupancy of buildings and improvements and to the compulsory repair, rehabilitation, demolition, or removal of buildings and improvements;

f. Appraisals, title searches, surveys, studies, and other planning and work necessary to prepare for the undertaking of urban renewal projects. The municipality is authorized to develop, test, and report methods and techniques, and carry out demonstrations and other activities, for the prevention and the elimination of slums and urban blight and to apply for, accept and utilize grants of funds from the federal government for such purposes.

7. To plan for the relocation of persons, including families, business concerns and others, displaced by an urban renewal project, and to make relocation payments to or with respect to such persons for moving expenses and losses of property for which reimbursement or compensation is not otherwise made, including the making of such payments financed by the federal government.

8. To appropriate such funds and make such expenditures as may be necessary to carry out the purposes of this chapter, and to levy taxes and assessments for such purposes; to zone or rezone any part of the municipality or make exceptions from building regulations; and to enter into agreements, respecting action to be taken by such municipality pursuant to any of the powers granted by this chapter, with an urban renewal agency vested with urban renewal project powers under section 403.14, which agreements may extend over any period, notwithstanding any provision of rule of law to the contrary.

9. To close, vacate, plan or replan streets, roads, sidewalks, ways or other places; and to plan or replan any part of the municipality.

10. Within its area of operation, to organize, co-ordinate and direct the administration of the provisions of this chapter as they apply to such municipality in order that the objective of remediing slum and blighted areas, and preventing the causes thereof, within such municipality, may be most effectively promoted and achieved; and to establish such new offices or offices of the municipality, or to reorganize existing offices, in order to carry out such purpose most effectively.

11. To exercise all or any part of combination of powers herein granted.

12. To approve urban renewal plans.

13. To sell and convey real property in furtherance of an urban renewal project.

[57GA, ch 197,§6]

Referred to in §403.14

403.7 Condemnation of property. A municipality shall have the right to acquire by condemnation any interest in real property, including a fee simple title thereto, which it may deem necessary for or in connection with an urban renewal project under this chapter. A municipality may exercise the power of eminent domain in the manner provided in chapter 472, and acts amendatory thereof or supplementary thereto, or it may exercise the power of eminent domain in the manner now or which may be hereafter provided by any other statutory provisions for the exercise of the power of eminent domain. Property already devoted to a public use may be acquired in like manner: Provided, that no real property belonging to the state, or any political subdivision thereof, may be acquired without its consent, provided further that no real property or any right or interest therein owned by any public utility company, pipeline company, railway or transportation company vested with the right of eminent domain under the laws of this state, shall be acquired without the consent of such company, or without first securing, after due notice to such company and after hearing, a certificate authorizing condemnation of such property from the board, commission or body having the authority to grant a certificate authorizing condemnation. [57GA, ch 197,§7]

403.8 Sale or lease of property.

1. A municipality may sell, lease or otherwise transfer real property or any interest therein acquired by it, and may enter into contracts for such purposes, in an urban renewal area for residential, recreational, commercial, industrial or other uses, or for public use, subject to such covenants, conditions and restrictions, including covenants running with the land, as it may deem to be necessary or desirable to assist in preventing the development or spread of future slums or blighted areas, or to otherwise carry out the purposes of this chapter. Provided, that such sale, lease, other transfer, or retention, and any agreement relating thereto, may be made only after the approval of the urban renewal plan by the local governing body. The purchasers or lessees and their successors and assigns shall be obligated to devote such real property only to the uses specified in the urban renewal plan, and they may be obligated to comply with such other requirements as the municipality may determine to be in the public interest, including the obligation to begin within a reasonable time any
improvements on such real property required by the urban renewal plan. Such real property or interest shall be sold, leased, otherwise transferred, or retained at not less than its fair value for uses in accordance with the urban renewal plan. In determining the fair value of real property for uses in accordance with the urban renewal plan, a municipality shall take into account and give consideration to: The uses provided in such plan; the restrictions upon, and the covenants, conditions and obligations assumed by the purchaser or lessee or by the municipality retaining the property; and the objectives of such plan for the prevention of the recurrence of slum or blighted areas. The municipality in any instrument of conveyance to a private purchaser or lessee may provide that such purchaser or lessee shall be without power to sell, lease or otherwise transfer the real property, without the prior written consent of the municipality, until he has incurred the construction of any or all improvements which he has obligated himself to construct thereon. Real property acquired by a municipality which, in accordance with the provisions of the urban renewal plan, is to be transferred, shall be transferred as rapidly as feasible in the public interest, consistent with the carrying out of the provisions of the urban renewal plan. Any contract for such transfer under the urban renewal plan, or such part or parts of such contract or plan as the municipality may determine, may be recorded in the land records of the county in such manner as to afford actual or constructive notice thereof.

2. A municipality may dispose of real property in an urban renewal area to private persons only under such reasonable competitive bidding procedures as it shall prescribe, or as hereinafter provided in this subsection. A municipality, by public notice by publication in a newspaper having a general circulation in the community, thirty days prior to the execution of any contract to sell, lease or otherwise transfer real property, and prior to the delivery of any instrument of conveyance with respect thereto under the provisions of this section, may invite proposals from and make available all pertinent information to any persons interested in undertaking to redevelop or rehabilitate an urban renewal area, or any part thereof. Such notice shall identify the area, or portion thereof, and shall state that proposals shall be made by those interested within thirty days after the date of publication of said notice, and that such further information as is available may be obtained at such office as shall be designated in said notice. 5. In case any of the public officials of the municipality whose signatures appear on any bonds or coupons issued under this chapter shall cease to be such officials before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if such officials had remained in office until such delivery. Such bonds and other obligations shall be authorized security for all public deposits. It is the purpose of this section to authorize any persons, political subdivisions and officers, public or private, to use any funds owned or controlled by them for the purchase of any such bonds or other obligations. The auditor shall at the same time assess the amount pro rata upon the several subdivisions of said tract, lot, or parcel so subdivided, and it shall be collected in the same manner as general taxes, and shall go to the general county fund; or said board may direct suit to be brought in the name of the county to recover from the original proprietor such cost and expense. [C73, §568; C97, §922; S13, §922; C24, 27, 31, 35, 39, §6292; C46, 50, 54, §409.30]
409.31 Platting for assessment and taxation. Whenever a congressional subdivision of land of one hundred sixty acres or less, or any lot or subdivision, is owned by two or more persons in severalty, and the description of one or more of the different parts or parcels thereof cannot, in the judgment of the county auditor, be made sufficiently certain and accurate for the purposes of assessment and taxation without noting the metes and bounds of the same, he shall cause to be made and recorded in his office and the office of the county recorder a plat of such tract or lot with its several subdivisions, including and replating in such plat such other plats or parts thereof included within the same lot or congressional subdivision of land as may seem to him to be required in accordance with the provisions of this chapter, proceeding as directed in sections 409.27 to 409.30, inclusive, and all of their provisions shall govern. No such plat of land in cities having a population of over twelve thousand by the latest federal census shall be so filed and recorded unless and until the same shall have been approved by the council of such city, and by the city plan commission as required by law in such cities where such commission exists. [C73, §569; C97, §923; S13, §923; C24, 27, 31, 35, 39, §6293; C46, 50, 54, §409.31]

Referred to in §409.36

409.32 Appeal. The owners of said land shall have the same right of appeal to the board of supervisors as is provided in sections 409.34 and 409.35 of warranty deeds wherein the deeds are under the same conditions as to notice and hearing; provided, however, that parties aggrieved shall have sixty days within which to appeal. [C24, 27, 31, 35, 39, §6294; C46, 50, 54, §409.32]

409.33 Insufficiency of description—plat ordered. Every conveyance of land in this state shall be deemed to be a warranty that the description therein contained is sufficiently definite and accurate to enable the auditor to enter the same on the plat book required to be kept; and when there is presented for entry on the transfer book any conveyance in which the description is not sufficiently definite and accurate, the auditor shall note such fact on the deed, with that of the entry for transfer, and shall notify the person presenting it that the land therein is not sufficiently described, and must be platted within thirty days thereafter. [C73, §570; C97, §924; S13, §924; C24, 27, 31, 35, 39, §6295; C46, 50, 54, §409.33]

Any person aggrieved by the opinion of the auditor may within said thirty days appeal therefrom to the board of supervisors, by giving notice thereof in writing, and thereupon no further proceeding shall be taken by the auditor. [C73, §570; C97, §924; S13, §924; C24, 27, 31, 35, 39, §6296; C46, 50, 54, §409.34]

Referred to in §409.32

409.35 Hearing. At its next session the board of supervisors shall determine said matter and direct whether the plat shall be executed and filed, and within what time. [C73, §570; C97, §924; S13, §924; C24, 27, 31, 35, 39, §6297; C46, 50, 54, §409.35]

409.36 Auditor to prepare plat. If the grantor in such conveyance shall neglect for thirty days thereafter to file for record a plat thereof, and of the appropriate congressional subdivision in which the same is found, duly executed and acknowledged as required by the auditor, or, in case of appeal, as directed by the board of supervisors, then the auditor shall proceed as is provided in this chapter, and cause such plat to be made and recorded in his office and the office of the county recorder, and thereupon the same result shall follow as provided in section 409.31. [C73, §570; C97, §924; S13, §924; C24, 27, 31, 35, 39, §6298; C46, 50, 54, §409.36]

409.37 Requirements. Such plat shall describe said tract and any other subdivisions of the smallest congressional subdivision of which the same is part, numbering them by progressive numbers, setting forth the courses and distances, the number of acres, and such other memorandum as is necessary; and descriptions of such lots or subdivisions according to the number and designation thereof on said plat shall be deemed sufficient for all purposes. [C73, §570; C97, §924; S13, §924; C24, 27, 31, 35, 39, §6299; C46, 50, 54, §409.37]

409.38 Resurvey of town plats. In all cases where the original plat of any city, town, or village, or any addition thereto, has been or may be lost or destroyed after the sale and conveyance of any subdivision, block or lot thereof by the original proprietor and before the same shall have been recorded, or the property so platted has been indefinitely located or the plat is materially defective, any three persons owning real property within the limits of such plat may have the same resurveyed and replatted, and such plat recorded as hereinafter directed. [C97, §925; C24, 27, 31, 35, 39, §6300; C46, 50, 54, §409.38]

409.39 Conditions—jurisdiction. In no case shall such plat or replat be made and recorded as hereinafter directed, without the consent in writing, indorsed thereon, of the original proprietor, if he be alive and known, nor before an order has been entered by the district court upon application of the parties desiring a replat to be made, that such replat is necessary. The court shall have jurisdiction of the matter upon proof of publication of notice of the application for at least two weeks in some newspaper of general circulation in the city or town. [C97, §925; C24, 27, 31, 35, 39, §6301; C46, 50, 54, §409.39]

409.40 How resurvey made. The county surveyor of any county in which is situated any city, town, village, or addition thereto, as contemplated in this chapter, may, and upon payment of his legal fees by any person desiring the same, cause a resurvey of such city, town, village, or addition, or any portion, and plat thereof, which plat shall conform as near...
as may be with the original lines of the parcel or tract so resurveyed, and be made in all respects in accordance with the provisions of this chapter. [C97,§926; S13,§926; C24, 27, 31, 35, 39,§6302; C46, 50, 54,§409.41]

409.41 Power of surveyor. In making a resurvey and plat, the surveyor may summon witnesses, administer oaths, and take and hear evidence touching the original plat lines and subdivisions, whether the original proprietor is dead, and any other matter which may assist in arriving at and establishing the true lines and boundaries. [C97,§926; S13,§926; C24, 27, 31, 35, 39,§6303; C46, 50, 54,§409.41]

409.42 Notice of resurvey. No resurvey shall be made except upon notice to be given by the surveyor by a publication of the contemplated resurvey once each week for two consecutive weeks in some newspaper printed in the county. [C97,§926; S13,§926; C24, 27, 31, 35, 39,§6303; C46, 50, 54,§409.42]

409.43 Plat certified and filed—effect. When the surveyor has completed the plat, he shall attach his certificate thereto, to the effect that it is a just, true, and accurate plat of said city, town, village, or addition so surveyed by him; which shall be filed for record in the office of the recorder of the proper county, and from the date of such filing it shall be treated in all courts of this state as though the same had been made by the original proprietor thereof. [C97,§927; C24, 27, 31, 35, 39,§6304; C46, 50, 54,§409.43]

409.44 Contest—decree. Any person may at any time within six months from the date of its filing for record, commence an action in equity against the persons employing the surveyor, setting up his cause of complaint and asking that such record be canceled. If it appears on the trial that the city, town, village, or addition was originally laid out and platted; that the original proprietor had sold any or all of the lots thereof; that he intended to dedicate to the public the streets, alleys, or public squares therein; that the plat thereof has never been recorded, but is lost; that the plat was indefinitely located or materially defective; that the proprietor is dead or his place of residence unknown; and that the resurvey and plat for record is a substantially accurate survey and plat of the original plat of such city, town, village, or addition, then the action shall be dismissed at the cost of the complainants; otherwise the court shall set aside said plat and cancel the same of record at the cost of the defendant. [C97,§925; C24, 27, 31, 35, 39,§6306; C46, 50, 54,§409.44]

409.45 Sale or lease without plat. Any person who shall dispose of or offer for sale or lease any lots in any town, or addition to any town or city, until the plat thereof has been acknowledged and recorded as provided in this chapter, shall forfeit and pay fifty dollars for each lot and part of lot sold or disposed of, leased, or offered for sale. [R60,§1027; C75, §572; C97,§930; C24, 27, 31, 35, 39,§6307; C46, 50, 54,§409.45]

409.46 Public squares transferred for school purposes. The people of any town located wholly within an independent school district, wherein is situated a public square or plat of ground deeded or dedicated to the town or public, may transfer or rededicate to said school district such square or plat for the purposes of a public school lot, to be used for the erection thereon of a public schoolhouse, or for playgrounds in connection with such schoolhouse. [C97,§931; C24, 27, 31, 35, 39,§6308; C46, 50, 54,§409.46]

Referred to in §409.47

409.47 Manner of transfer. When a plat or lot of the character described in section 409.46 is located in such town, and one-half of the resident voters thereof, according to the last census, shall petition the mayor and council, asking them to submit to the voters of the town, at a general or special election, the question whether or not such public plat or lot shall be transferred to such independent district and dedicated and used for school purposes, they shall submit the question to the voters of the town, in accordance with the prayer of said petition, after giving ten days notice in writing or printing thereof, in which the proposition submitted shall be clearly set forth and signed by the mayor, three of which notices shall be posted in public and conspicuous places in the town, and one published in the last two issues preceding such election of a weekly newspaper published therein, or, if there be none, then in the weekly newspaper published elsewhere in the county, having the largest circulation in said town. The notice shall also state the manner of voting, which shall be by ballot. The ballot shall contain the words: “Shall the proposition to transfer lot (or block, or square, as the case may be, describing it), for the purposes of a public schoolhouse lot, be adopted?” Such election shall be conducted as ordinary town elections are, under the supervision of the town authorities, who shall canvass the vote as provided in other cases. If it shall appear that two-thirds of the votes cast at such election are in favor thereof, then such transfer shall be complete, and the lot, block, or square may be appropriated and used for the purposes indicated by said vote, and shall be no longer held for any other purpose.

In the event that any such town shall have discontinued its organization or shall have failed to exercise its municipal powers and elect officers for a period of more than ten years, then the petition hereinafore provided for may be presented to the board of directors within such school corporation, whereupon, if signed by one-third of the resident electors thereof, it shall be the duty of said board within ten days after the filing of the same to call an election in said district for which they shall
give the same notices as required in section 277.3, at which election the proposition submitted shall be in the same form as in the instance of a submission of such proposition in the case of a town election, and such election shall be held as provided for the holding of other school elections. If it shall appear that a majority of the votes cast at such election are in favor of such proposition, then a transfer of such public square or plat of ground shall be complete and such lot, plat, block, or square may be appropriated and used for the purposes indicated by said vote and shall be no longer held for any other purpose. [C97,§932; SS15,§932; C24, 27, 31, 35, 39,§6309; C46, 50, 54, §409.47]

410.1 Pension funds. Any city or town having an organized fire department may, and all cities having an organized police department or a paid fire department shall, levy annually a tax not to exceed one-eighth mill for each such department, for the purpose of creating firemen's and policemen's pension funds.

Provided that cities having a population of more than six thousand five hundred may annually levy a tax of not more than one-half mill for each such department for such purpose. Whenever there is a sufficient balance in both of said funds to meet any proper or legitimate charges that may be made against the same, such city shall not be required to levy a tax for this purpose.

All moneys derived from each tax so levied, and all moneys received as membership fees and dues, and all moneys received from grants, donations, and devises for the benefit of each fund shall constitute separate funds, to be known and designated as a policemen's pension fund and a firemen's pension fund. Investments shall be limited to interest-bearing bonds of the United States, of the state of Iowa, of any county, township, or municipal corporation of the state of Iowa. All such securities shall be deposited with the treasurer of the boards of trustees for safekeeping. [S13, §§932-l; SS15,§932-c; C24, 27, 31, 35, 39,§6312; C46, 50, 54,§410.3]

410.4 Gifts, devises, or bequests. Each board may take by gift, grant, devise, or bequest, any money or property, real or personal, or other thing of value for the benefit of said funds. All rewards in moneys, fees, gifts, or emoluments of every kind or nature that may be paid or given to any police or fire department or to any member thereof, except when allowed to be retained or given to endow a medal or other permanent or competitive reward on account of extraordinary services rendered by said departments or any member thereof, and all fines and penalties imposed upon members, shall be paid into the said pension fund and become a part thereof. The question of disability shall be determined by the trustees upon the concurring report of at least two out of three physicians designated by the board of trustees to make a complete physical examination of the member. After any member shall become entitled to be retired, such right shall not be lost or forfeited by discharge or for any other reason except conviction for felony. [S13, §§932-e,-n; C24, 27, 31, 35, 39,§6316; C46, 50, 54, §410.8]

The board of trustees of each department shall have power, at any time, to cause any member of such department retired by reason of physical or mental disability to be brought before it and again examined by three competent physicians appointed by the board of trustees to discover whether such disability yet continues and can be improved and whether such retired member should be continued on the pension roll, and shall have power to examine witnesses for the same purpose. The question of continued disability or ability to perform regular or light duty in the police or fire department shall be determined by the concurring report of at least two of the three examining physicians. Such member shall be entitled to reasonable notice that such examination will be made, and to be present at the time of the taking of any testimony, shall have the right to examine the witnesses brought before the board and to introduce evidence in his own behalf. a. On account of each member there shall be paid annually into the pension accumulation fund by the said cities an amount equal to a certain percentage of the earnable compensation of the member to be known as the "normal contribution". The rate percent of such contribution shall be fixed on the basis of the liabilities of the retirement system as shown by actuarial valuations. Until the first valuation the normal contribution shall be 7.9 percent.

b. On the basis of regular interest and of such mortality and other tables as shall be adopted by the boards of trustees, the actuary engaged by the said boards to make each valuation required by this chapter, shall immediately after making such valuation, determine the uniform and constant percentage of the earnable compensation of the average new entrant, which, if contributed throughout his entire period of active service, would be sufficient to provide for the payment of any death benefit or pension payable on this account. The rate percent so determined shall be known as the "normal contribution rate". The normal contribution rate shall be the rate percent of the earnable compensation of all members obtained by deducting from the total liabilities of the fund the amount of the funds in hand in the credit of the fund and dividing the remainder by one percent of the present value of the prospective future compensation of all members as computed on the basis of mortality and service tables adopted by the boards of trustees and regular interest. The normal rate of contribution shall be determined by the actuary after each valuation.

c. The total amount payable in each year to the pension accumulation fund shall be not less than the rate percent known as the normal contribution rate of the total compensation earnable by all members during the year, provided, however, that the aggregate payment by the said cities shall be sufficient when combined with the amount in the fund to provide the pensions and other benefits payable out of the fund during the then current year.

d. All lump-sum death benefits on account of death in active service payable from contributions of the said cities shall be paid from the pension accumulation fund.

e. Upon the retirement or death of a member an amount equal to the pension reserve on any pension payable to him or on account of his death shall be transferred from the pension accumulation fund to the pension reserve fund.

4. Pension reserve fund. The pension reserve fund shall be the fund in which shall be held the reserves on all pensions granted to members or to their beneficiaries and from which such pensions and benefits in lieu thereof shall be paid. Should a beneficiary retired on account of disability be restored to active service and again become a member of the retirement system, his pension reserve shall be transferred from the pension reserve fund to the pension accumulation fund. Should the pension of a disability beneficiary be reduced as a result of an increase in his amount earned, the amount of the annual reduction in his pension shall be paid annually into the pension accumulation fund during the period of such reduction.

5. Expense fund. The expense fund shall be the fund to which shall be credited all money provided by the said cities to pay the administration expenses of the retirement system and from which shall be paid all the expenses necessary in connection with the administration and operation of the system. Annually the boards of trustees shall estimate the amount of money necessary to be paid into the expense fund during the ensuing year to provide for the expense of operation of the retirement system. [C35,§6326-f; C39,§6326.10; C46, 50, 54,§411.8]

Referred to in §§411.1, 411.3, 411.5, 411.7, 411.9

411.9 Military service exceptions. Any member who is absent while serving in the armed services of the United States or its allies and is discharged or separated therefrom under honorable conditions shall have any such period or periods of absence while serving in such armed services on other than a voluntary basis and one such period of absence, not in excess of four years, while serving in such armed forces on a voluntary basis included as part of his period of service in the department. Such member shall not be required to continue the contributions required of him under section 411.8 during such period of military service, provided that he shall, within six months after he has been discharged or separated under honorable conditions from such military service, return and resume his duties in the department, and provided further, that such member shall be declared physically capa-

411.10 Fund to pay contributions of absent members. The cities which have a retirement system as provided under this chapter, shall create a fund for the purpose of paying the contributions to this fund of those members who voluntarily or by induction enter the military service or who are serving in the armed forces. Such fund shall be used for the purpose of paying the contributions which are required of the members, but which under the provisions of section 411.9 are waived during periods of military service as defined by section 411.9 and six months thereafter following discharge or separation under honorable conditions. Should any member fail to return to the department within six months after his honorable discharge from the military service, the amount credited to his account in this fund by the city shall revert back to such city and such member or his representative shall not be entitled to claim any interest in the contribution so made by the city. [C46, 50, 54, §411.10; 57GA, ch 206,§2]

411.11 Contributions by the city.

1. On or before the first day of July in each year the respective boards of trustees shall certify to the superintendent of public safety the amounts which will become due and payable during the year next following to the pension accumulation fund and the expense fund. The amounts so certified shall be included by the superintendent of public safety in his annual budget estimate. The amounts so certified shall be appropriated by the said cities and transferred to the retirement system for the ensuing year. Said cities shall annually levy a tax sufficient in amount to cover such appropriations.

2. To cover the requirements of the respective retirement systems for the period prior to the date when the first regular appropriation is due as provided in subsection 1 of this section, such amounts as shall be necessary to cover the needs of the retirement system shall be paid into the pension accumulation fund and expense fund by special appropriations to the retirement system. [C35,§6326-f9; C39,§6326.11; C46, 50, 54,§411.11]

411.12 Guaranty. Regular interest charges payable, the creation and maintenance of reserves in the pension accumulation fund and the maintenance of annuity reserves and pension reserves as provided for the payment of all pensions, annuities, retirement allowances, refunds, and other benefits granted under the provisions of this chapter and all expenses in connection with the administration and operation of the retirement systems are hereby made direct liability obligations of the said cities. All income, interest, and dividends derived from deposits and investments authorized by this chapter shall be used for the payment of the said obligations of the said cities. Any amounts derived therefrom, which, when combined with regular appropriations made under the provisions of this chapter, exceed the amount required to provide for the discharge of such obligations, shall be used to reduce the regular appropriations otherwise required. [C35, §6326-f10; C39,§6326.12; C46, 50, 54,§411.12]

411.13 Exemption from tax and execution. The right of any person to a pension, annuity, or retirement allowance, to the return of contributions, the pension, annuity, or retirement allowance itself, any optional benefit or death benefit, any other right accrued or accruing to any person under the provisions of this chapter, and the moneys in the various funds created under this chapter, are hereby exempt from any tax of the state and shall not be subject to execution, garnishment, attachment, or any other process whatsoever, and shall be unassignable except as in this chapter specifically provided. [C35,§6326-f11; C39,§6326.13; C46, 50, 54,§411.13]

411.14 Protection against fraud. Any person who shall knowingly make any false statement, or shall falsify or permit to be falsified any record or records of such retirement system in any attempt to defraud such system as a result of such act, shall be guilty of a misdemeanor, and shall be punishable therefor under the laws of this state. Should any change or errors in records result in any member or beneficiary being entitled to receive had the records been correct, the respective board of trustees shall correct such error, and, as far as practicable, shall adjust the payments in such a manner that the actuarial equivalent of the benefit to which such member or beneficiary was correctly entitled, shall be paid. [C35,§6326-f12; C39, §6326.14; C46, 50, 54,§411.14]

[C46, 50, 54, §412.3]

412.4 Legal reserve insurance. The city council, board of waterworks trustees, or other board or commission, whichever is authorized by law to manage and operate any such waterworks, or other municipally owned and operated public utility, shall have the right and power to contract with any legal reserve insurance company, authorized to conduct its business in the state, for the payment by such insurance company of the pensions and annuities provided in any such pension and annuity retirement system, and may pay the premiums accruing under such contract out of the fund provided for in section 412.2. [C46, 50, 54, §412.4]

GENERAL PROVISIONS

413.1 Applicability. This chapter shall be known as the housing law and shall apply to every city which, by the last state or federal census, had a population of fifteen thousand or more, and to every city as its population shall reach fifteen thousand thereafter by any federal census. [C24, 27, 31, 35, 39, §6327; C46, 50, 54, §413.1]

38GA, ch 123, §1, editorially divided

413.2 Cities and towns—authority. In all other cities having a population of less than fifteen thousand, and in incorporated towns, the council may adopt ordinances for the regulation and control of any or all matters covered by the provisions of this chapter, insofar as same may be reasonably applicable, and fix penalties for the violation thereof; and fix rules and regulations not inconsistent with those
413.3 Definitions. Certain words in this chapter are defined for the purposes thereof as follows: Words used in the present tense include the future; words in the masculine gender include the feminine and neuter; the singular number includes the plural and the plural the singular; the word "person" includes a corporation as well as a natural person.

1. Dwelling. A "dwelling" is any house or building or portion thereof which is occupied in whole or in part as the home or residence of one or more human beings, either permanently or transiently.

2. Classes of dwellings. For the purposes of this chapter, dwellings are divided into the following classes: "Private dwellings", "two-family dwellings", and "multiple dwellings".
   a. A private dwelling is a dwelling occupied by but one family alone.
   b. A two-family dwelling is a dwelling occupied by but two families alone.
   c. A multiple dwelling is a dwelling occupied by more than two families.

3. Classes of multiple dwellings. All multiple dwellings are for the purposes of this chapter divided into classes, viz: Class A and class B.
   a. Class A. Multiple dwellings of class A are dwellings which are occupied more or less permanently for residence purposes by several families and in which the rooms are occupied in apartments, suites, or groups. This class includes tenement houses, flats, apartment houses, apartment hotels, bachelor apartments, studio apartments, kitchenette apartments, and all other dwellings similarly occupied whether specifically enumerated or not.
   b. Class B. Multiple dwellings of class B are dwellings which are occupied, as a rule transiently, as the more or less temporary abiding place of individuals who are lodged, with or without meals, and in which as a rule the rooms are occupied singly. This class includes hotels, lodging houses, boarding houses, furnished room houses, club houses, asylums, boarding schools, convicts, hospitals, jails, and all other dwellings similarly occupied whether specifically enumerated herein or not.

4. Hotel. A "hotel" is a multiple dwelling of class B in which persons are lodged for hire and in which there are more than twenty-five sleeping rooms.

5. Family occupancy. For the purposes of this chapter, a "family" is a group of persons living together, whether related to each other by birth or not, and may consist of one or more persons.

6. Mixed occupancy. In cases of mixed occupancy where a building is occupied only in part as a dwelling, the part so occupied shall be deemed a dwelling for the purposes of this chapter.

7. Yards. A "rear yard" is an open unoccupied space on the same lot with a dwelling, between the extreme rear line of the lot and the extreme rear line of the house. A yard between the front line of the house and the front line of the lot is a "front yard". A yard between the side line of the house and the side line of the lot which extends from the front line or front yard to the rear yard is a "side yard".

8. Courts. A "court" is an open unoccupied space, other than a yard, on the same lot with a dwelling. A court not extending to the street or front or rear yard is an inner court. A court extending to the street or front yard or rear yard is an outer court.

9. Corner and interior lots. A "corner lot" is a lot of which at least two adjacent sides abut upon a street. A lot other than a corner lot is an "interior lot". The word "lot" is any deeded parcel of land whether a full platted lot or not.

10. Front, rear, and depth of lot. The front of a lot is that boundary line which borders on the street. In case of a corner lot the owner may elect by statement on his plans either street boundary line as the front. The rear of a lot is the side opposite to the front. The depth of a lot is the dimension measured from the front of the lot to the extreme rear line of the lot. In case of irregular shaped lots the mean depth shall be taken.

11. Public hall. A "public hall" is a hall, corridor, or passageway not within the exclusive control of one family.

12. Stair hall. A "stair hall" is a public hall and includes the stairs, stair landings, and those portions of the building through which it is necessary to pass in going between the entrance floor and the roof.

13. Basement, cellar, attic. A "basement" is a story partly underground but having at least one-half of its height above the curb level, and also one-half of its height above the highest level of the adjoining ground. A basement shall be counted as a story.

A "cellar" is a story having more than one-half of its height below the curb level, or below the highest level of the adjoining ground. A cellar shall not be counted as a story for purposes of height measurement. If any part of a story is in that part the equivalent of a basement or cellar, the provisions of this chapter relative to basements and cellars shall apply to such part of said story.

In the case of private dwellings and two-family dwellings an "attic", or space in a sloping roof, if not occupied for living purposes, shall not be counted as a story; in the case of multiple dwellings an attic room shall be counted as a story if used for living purposes.

14. Height. The "height" of a dwelling is the perpendicular distance measured in a straight line from the curb level to the highest point of the roof beams in the case of flat roofs, and to the average of the height of the gable in the
§413.3, CITIES AND TOWNS—HOUSING LAW

15. **Curb level.** The "curb level" is the level of the established curb in front of the building measured at the center of such curb. Where no curb has been established the city engineer shall establish such curb level or its equivalent for the purposes of this chapter.

16. **Occupied spaces.** Outside stairways, fire towers, porches, platforms, balconies, boiler flues, and other projections shall be considered as part of the building and not as a part of the yards or courts or unoccupied spaces. This provision shall not apply to uninclosed outside porches not exceeding two stories in height which do not extend into the front or rear yard a greater distance than ten feet from the front or rear walls of the building, nor to any such porch which does not extend into the side yard a greater distance than twelve feet from the side wall of the building nor exceed twelve feet in its other horizontal dimension, nor to an inclosed rear porch or attached garage with or without sleeping porch above and not exceeding twelve by twenty feet, nor to cornices or eaves not exceeding eighteen inches in width.

17. **Fire-resistive constructed dwelling.** A dwelling of fire-resistive construction is one with brick, stone, or concrete walls and with brick, tile, concrete, or terra cotta floors and roof. Floor and roof supports to be of brick, concrete, or metal with all metal protected by tile, concrete, or similar fire-resistant material. But this definition shall not be construed as prohibiting the use of wooden flooring on top of the fireproof floors or the use of wooden sleepers, nor as prohibiting wooden handrails or treads of hardwood not less than one inch thick.

18. **Wooden buildings.** A "wooden building" is a building of which the exterior walls or a portion thereof are of wood. Court walls are exterior walls.

19. **Nuisance.** The word "nuisance" shall be held to embrace nuisance as known at common law or in equity jurisprudence; and whatever is dangerous to human life or detrimental to health, whatever dwelling is overcrowded with occupants or is not provided with adequate ingress or egress to or from the same, or is not sufficiently supported, ventilated, sewered, drained, cleaned, or lighted, in reference to its intended or actual use, and whatever renders the air or human food or drink unwholesome, are also severally, in contemplation of this chapter, nuisances, and all such nuisances are hereby declared illegal.

20. **Construction of certain words.** The word "shall" is always mandatory and not directory, and denotes that the dwelling shall be maintained in all respects according to the mandate as long as it continues to be a dwelling. Wherever the words "charter", "ordinances", "regulations", "superintendent of buildings", "health department", "the board of health", "health officer", "commissioner of public safety", "commissioner of public health", "department charged with the enforcement of this chapter", "corporation counsel", "mayor", "city treasury", or "fire limits" occur in this chapter they shall be construed as if followed by the words of the city in which the dwelling is situated.

Wherever the words "health department", "health officer", or "duly authorized assistant", or "board of health", "commissioner of public safety", or "commissioner of public health" are employed in this chapter, such words shall be deemed and construed to mean the official or officials in any city to whom is committed the charge of safeguarding the public health. The terms "superintendent of buildings", "building department", and "inspector of buildings" shall embrace the department and the executive head thereof specially charged with the execution of laws and ordinances relating to the construction of buildings. Wherever the words "occupied" or "used" are employed in this chapter such words shall be construed as if followed by the words "or is intended, arranged, designed, built, altered, converted to, rented, leased, let or hired out, to be occupied or used".

Wherever the words "dwelling", "two-family dwelling", "multiple dwelling", "building", "house", "premises", or "lot" are used in this chapter, they shall be construed as if followed by the words "or any part thereof". Wherever the words "health department", "building department", and "inspector of buildings" are used in this chapter they shall be construed as meaning any public supply of water through street mains; and wherever the words "public sewer" are used in this chapter they shall be construed as meaning any part of a system of sewers that is used by the public or by concerted action of several users, whether or not such part was constructed at the public expense. Wherever the word "street" is used in this chapter it shall be construed as including for the purpose hereinafter stated any public alley sixteen feet or more in width, namely, for the sole purpose of determining the required open space around and the allowable height of any building abutting thereon.

"Approved fire-resistive material" means as set forth by ordinances, or if not so determined, as approved by the superintendent of buildings. [C24, 27, 31, 35, 39 §6329; C46, 50, 54, §413.3]

413.4 Alteration—change of class. A building not a dwelling, if hereafter converted or altered to such use, shall thereupon become subject to such provisions of this chapter relative to dwellings hereafter erected as the board of health may require. A dwelling of one class if hereafter altered or converted to another class shall thereupon become subject to such
provisions of this chapter relative to such latter class as the board of health may require. [C24, 27, 31, 35, 39,§6330; C46, 50, 54, §413.4]

413.5 Unlawful alteration. No dwelling hereafter erected shall at any time be altered so as to be in violation of any provision of this chapter.

No dwelling erected prior to the passage of this chapter shall at any time be altered so as to be in violation of those provisions of this chapter applicable to such dwelling.

If any dwelling or any part thereof is occupied by more families than provided in this chapter, or is erected, altered, or occupied contrary to law, such dwelling shall be deemed an unlawful structure and the health officer may cause such dwelling to be vacated. Any such dwelling shall not again be occupied until it, or its occupation, as the case may be, has been made to conform to the law. [C24, 27, 31, 35, 39,§6331; C46, 50, 54, §413.5]

413.6 Dwelling rebuilt. If a dwelling be damaged by fire or other cause to the extent of sixty-five percent or more of its original value, exclusive of the value of the foundations, such dwelling shall not be repaired or rebuilt except in conformity with the provisions of this chapter relative to dwellings hereafter erected; provided, however, the owner shall be permitted to rebuild a building of the same size as before, subject to such reasonable provisions regarding light, ventilation, and sanitation as the board of health may prescribe. [C24, 27, 31, 35, 39,§6332; C46, 50, 54, §413.6]

413.7 Dwelling moved. If any dwelling be hereafter moved from one lot to another it shall thereupon be made to conform to all the provisions of this chapter relative to dwellings hereafter erected, unless the board of health shall in a written permit for such removal certify that such dwelling is reasonably safe and sanitary. [C24, 27, 31, 35, 39,§6333; C46, 50, 54, §413.7]

413.8 Sewer connections — water supply. The provisions of this chapter with reference to sewer connections and water supply shall be deemed to apply only where connection with a public sewer and with public water mains is or becomes reasonably accessible. All questions of the practicability of such sewer and water connections shall be decided by the health officer or such other official as the board of health may direct. [C24, 27, 31, 35, 39,§6334; C46, 50, 54, §413.8]

Referred to in §§415.81, 418.67

413.9 Minimum requirements—power of cities. The provisions of this chapter shall be held to be the minimum requirements adopted for the protection of health, welfare, and safety of the community. Nothing herein contained shall be deemed to invalidate existing ordinances or regulations of any city imposing requirements higher than the minimum requirements laid down in this chapter relative to light, ventilation, sanitation, fire prevention, egress, occupancy, maintenance, and uses for dwellings; nor be deemed to prevent any city subject to this chapter from enacting and putting in force from time to time ordinances and regulations imposing requirements higher than the minimum requirements laid down in this chapter; nor shall anything herein contained be deemed to prevent such cities from prescribing for the enforcement of such ordinances and regulations, remedies and penalties similar or additional to those prescribed herein. Every city subject to this chapter is empowered to enact such ordinances and regulations and to prescribe for their enforcement; and to enact such other ordinances pertaining to the housing of the people, not in conflict with the provisions of this chapter, as shall be deemed advisable by the city council. No ordinance, regulation, ruling, or decision of any municipal body, officer, or authority shall repeal, amend, modify, or dispense with any of the said minimum requirements laid down in this chapter, except as specifically provided herein. Such regulations shall be made with reasonable consideration, among other things, as to the character of the area of the district and the peculiar suitability of such area for particular uses, and with a view to conserving the value of buildings and encouraging the most...

Where a city plan commission already exists, it may be appointed as the zoning commission. Such commission shall, with due diligence, prepare a preliminary report and hold public hearings thereon before submitting its final report; and such council shall not hold its public hearings or take action until it has received the final report of such commission. The allowance of the writ shall not stay proceedings upon the decision appealed from, but the court may, on application, on notice to the board and on due cause shown, grant a restraining order. [C24, 27, 31, 35, 39,§6467; C46, 50, 54,§414.16]

[C31, 35, §6610-c56; C39, §6610.67; C46, 50, 54, §417.60]

[C31, 35, §6610-c59; C39, §6610.69; C46, 50, 54, §417.63]

After ten years and seven months from the date of recertification of any schedule by the county auditor to the county treasurer for the collection of any assessment, if all bonds, interest, penalties, deficits, defaulted installments, and proper charges against the proceeds of the collection of any assessment for any public improvement are fully paid, then the balance remaining in said fund shall be rebated to the property owners named in the original schedule of assessments, who have paid their assessments in full, in the proportion that any assessment bears to the whole assessment. If, at the end of the eleventh year from the first day of April following the recertification of the levy of an assessment to the county treasurer, there is still a balance remaining in said fund so collected from said assessment, after allowing for the retirement of all bonds, interest, and proper charges, then said property owners so failing to collect the same shall forfeit all right and title to the same, and said fund shall be transferred to the consolidated improvement fund. The city treasurer shall determine whether the contractor shall be paid in cash or bonds. It shall be optional with the city council to fix the rate of interest on such bonds at any rate not exceeding six percent. Bonds shall mature June 1 in the year in which installments thereof become due.

Bonds may be sold by the city treasurer at not less than par, and proceeds equal to the contract price delivered to the contractor in full payment and satisfaction of his contract. The proceeds of bonds equal to incidental costs shall be distributed as hereinafter provided. Bonds may be delivered at not less than par to the contractor in the aggregate sum of the contract price, plus incidental costs, in full payment and satisfaction of said contract price, and the said contractor shall pay to the city treasurer in cash the amount represented by incidentals. The city treasurer shall promptly reimburse the funds from which the items constituting said incidentals were originally paid. Deficits and defaulted payments in installments of any special assessment shall be payable out of the funds in the hands of the city treasurer, received from any special assessment in excess of moneys paid in fulfillment of the contract and incidentals. Deficits and defaulted payments upon installments of special assessments with interest, shall not be payable from the funds in the hands of the city treasurer until ninety days after said deficits and defaulted payments become delinquent. Said bonds shall be entitled to such tax exemption privileges as may be provided by general law of the state with respect to similar obligations of any municipality. [C31, 35, §6610-c66; C39, §6610.72; C46, 50, 54, §417.69]

422.7 “Net income”—how computed. The term “net income” means the adjusted gross income as computed for federal income tax purposes under the Internal Revenue Code of 1954, with the following adjustments:

1. Subtract interest and dividends from federal securities.

2. Add interest and dividends from foreign securities and from securities of state and other political subdivisions exempt from federal income tax under the Internal Revenue Code of 1954.

3. Where the adjusted gross income includes capital gains or losses, or gains or losses from property other than capital assets, and such gains or losses have been determined by using a basis established prior to January 1, 1934, an adjustment may be made, under rules and regulations prescribed by the state tax commission, to reflect the difference resulting from the use of a basis of cost or January 1, 1934, fair market value, less depreciation allowed or allowable, whichever is higher. Provided that the basis shall be fair market value as of January 1, 1955, less depreciation allowed or allowable, in the case of property acquired prior to that date if use of a prior basis is declared to be invalid. [C35,§6943-f7; C39, §6943.039; C46, 50, 54,§422.7; 56GA, ch 208,§6] Referred to in §422.4

422.8 Allocation of income earned in Iowa and other states. Under rules and regulations prescribed by the state tax commission, net income of individuals shall be allocated as follows:

1. In the case of resident taxpayers, net income from the operation of a business in a state other than Iowa shall be allocated to such other state if a state income tax has been or will be paid on said net income to said other state and if said other state allows a similar allocation of net income from the operation of a business outside said other state. Net income from the operation of a business, as used in this section, shall not include salaries, commissions, fees or other remuneration for personal or professional services.

2. In the case of nonresident taxpayers, if any net income is received from a business, trade, profession, or occupation carried on partly within and partly without the state of Iowa, only such portion of said net income as is fairly and equitably attributable to that part of the business, trade, profession, or occupation carried on within the state of Iowa shall be allocated to Iowa; income from any property, trust, estate or other source within Iowa shall be allocated to Iowa, except that annuities, interest on bank deposits and interest-bearing obligations, and dividends shall be allocated to Iowa only to the extent to which the same are derived from a business, trade, profession, or occupation carried on within the state of Iowa.

Taxable income of estates and trusts shall be allocated in the same manner. [C35,§6943-f8; C39,§6943.040; C46, 50, 54,§422.8; 56GA, ch 208, §7] Referred to in §§422.4, 422.9

422.9 Deductions from net income. In computing taxable income of individuals, there shall be deducted from net income the larger of the following amounts:

1. An optional standard deduction of five percent of the net income after deduction of federal income tax, not to exceed two hundred fifty dollars.

2. The total of contributions, interest, taxes, medical expense, child-care expense, losses and miscellaneous expenses deductible for federal income tax purposes under the Internal Revenue Code of 1954, with the following adjustments:

a. Subtract the deduction for Iowa income taxes.

b. Add the amount of federal income taxes paid or accrued as the case may be, during the tax year, adjusted by any federal income tax refunds. Provided, however, that where married persons, who have filed a joint federal income tax return, file separately, such total shall be divided between them according to the portion thereof paid or accrued, as the case may be, by each; and provided further that where a taxpayer has used an optional standard deduction on his federal return, he shall use the optional standard deduction provided for above.

3. Where married persons file separately, both must use the optional standard deduction if either elects to use it.

4. A taxpayer affected by section 422.8 shall, if the optional standard deduction is not used, be permitted to deduct only such portion of the total referred to in subsection 2 above as is fairly and equitably allocable to Iowa.
under the rules and regulations prescribed by the state tax commission. [C35,$6943-f9; C39,$6943.041; C46, 50, 54,§422.9; 56GA, ch 208,§8]

422.10 and 422.11 Repealed by 56GA, ch 208,§9.

422.12 Deductions from computed tax. There shall be deducted from the tax after the same shall have been computed as set forth in this division, a personal exemption as follows:

1. For a single individual, fifteen dollars.
2. For husband and wife or head of household, thirty dollars.
3. For each dependent, an additional seven dollars fifty cents. As used in this section, the term "dependent" shall have the same meaning as provided by the Internal Revenue Code of 1954.

For the purpose of this section the determination of whether an individual is married shall be made as of the close of his tax year unless his spouse dies during his tax year, in which case such determination shall be made as of the date of such death. An individual legally separated from his spouse under a decree of divorce or of separate maintenance shall not be considered as married. [C35,§6943-f12; C39,$6943.044; C46, 50, 54,§422.12; 56GA, ch 208,§10]

422.13 Return by individual.

1. Every individual having a net income for the tax year from sources taxable under this division, of fifteen hundred dollars or over, if single, or if married and not living with husband or wife; or having a net income for the tax year of two thousand three hundred fifty dollars or over, if married and living with husband or wife, shall make and sign a return.
2. If husband and wife living together have an aggregate net income of two thousand dollars or over, each shall make such a return, unless the income of each is included in a single joint return.
3. If the taxpayer is unable to make his own return, the return shall be made by a duly authorized agent or by a guardian or other person charged with the care of the person or property of such taxpayer.
4. A nonresident taxpayer shall file a copy of his federal income tax return for the current tax year with the return required by this section. [C35,$6943-f13; C39,$6943.045; C46, 50, 54,§422.13; 56GA, ch 208,§§11, 12]

422.14 Return by fiduciary.

1. Every fiduciary subject to taxation under the provisions of this division, as provided in section 422.6, shall make and sign a return for the individual, estate or trust for whom or for which he acts, if the taxable income thereof amounts to six hundred dollars or more. A nonresident fiduciary shall file a copy of the federal income tax return for the current tax year with the return required by this section.
2. Under such regulations as the commission may prescribe, a return may be made by one of two or more joint fiduciaries.
3. Fiduciaries required to make returns under this division shall be subject to all the provisions of this division which apply to individuals. [C35,$6943-f14; C39,$6943.046; C46, 50, 54,§422.14; 56GA, ch 208,§§13, 14]

422.15 Information at source.

1. Every person or corporation being a resident of or having a place of business in this state, in whatever capacity acting, including lessees or mortgagors of real or personal property, fiduciaries, employers and all officers and employees of the state or of any political subdivision of the state, having the control, receipt, custody, disposal or payment of interest (other than interest coupons payable to bearer), rent, salaries, wages, premiums, annuities, compensations, remunerations, emolvements or other fixed or determinable annual or periodic gains, profits and income, amounting to one thousand dollars or over, paid or payable during any year to any individual, whether a resident of this state or not, shall make complete return thereof to the commission, under such regulations and in such form and manner and to such extent as may be prescribed by it.
2. Every partnership including limited partnerships organized under provisions of chapter 545, having a place of business in the state, shall make a return, stating specifically the net income and capital gains (or losses) reported on the federal partnership return, the names and addresses of the partners, and their respective shares in said amounts.
3. Every fiduciary shall make a return for the individual, estate, or trust for whom or for which he acts, and shall set forth in such return the taxable income, the names and addresses of the beneficiaries, and the amounts distributed or distributable to each as reported on the federal fiduciary income tax return. Such return may be made by one or two or more joint fiduciaries. [C35,$6943-f15; C39,$6943.047; C46, 50, 54,§422.15; 56GA, ch 208,§§15, 16]

422.16 Withholding agents and nonresidents.

1. Excepting as provided herein and in section 422.17, every withholding agent shall deduct and withhold in each calendar year five percent of all gross income, in excess of fifteen hundred dollars, which such withholding agent pays, including the five percent so withheld, to any nonresident during such calendar year, provided, however, that on incomes derived entirely from salaries not exceeding four thousand dollars, the amount withheld shall be two percent. In case the nonresident files with the state commission a verified statement, in such form and containing such information as the commission shall prescribe, showing that any income described therein is derived from a source upon which the net income will be less than twenty percent of the gross income, the
commission, if satisfied that such statement is correct, shall give to such nonresident a certificate directing the withholding agent to withhold only one percent of the described income. Upon receipt of such certificate, the withholding agent shall withhold only one percent of the income described in such certificate in excess of seventy-five hundred dollars; and no part of the first seventy-five hundred dollars shall be withheld.

2. Withholding agents shall make returns upon the basis of each calendar year on such forms and at such times throughout the year as the commission shall from time to time prescribe, and shall include therein such information as the commission shall require. The commission shall fix such times for the making of returns and the payment of the amounts withheld as in its judgment are necessary to insure payment of such amounts. Such returns may, in the discretion of the commission, be consolidated with the returns required by section 422.15; and in the discretion of the commission, a withholding agent may be required to make a separate withholding agent's return for every nonresident a portion of whose income is required to be withheld under subsection 1 hereof.

3. At the time of making such returns, the withholding agent shall pay to the commission the entire amount required to be withheld under subsection 1 hereof. Such amounts shall be paid to the commission in the form of remittances payable to the treasurer of state and which shall be transmitted to the state treasurer to be deposited in the state treasury to the credit of a special nonresident income tax fund, which is hereby created for such a purpose. That portion of such fund applicable to the payment of taxes pursuant to subsection 5 hereof shall from time to time be transferred to the state treasurer, upon order of the commission, to the credit of the special tax fund created by section 422.62. Any amounts in such nonresident income tax fund required by subsection 5 hereof to be paid to a nonresident shall be so paid by the state treasurer by means of a warrant drawn by the comptroller at the direction of an authorized employee of the state commission upon such fund to the order of such nonresident, without requiring the nonresident to file a claim for refund.

4. Each nonresident shall make his returns and pay his taxes upon the basis of the calendar year, unless permission is obtained from the commission to report on a different taxable year in cases when he carries on a business of such a nature as to make it impractical to report on the basis of the calendar year. That amount withheld from and paid for each nonresident by the withholding agent for any calendar year shall be credited pursuant to subsection 5 hereof upon the tax due from such nonresident for the same calendar year. In case a taxable year other than the calendar year is authorized the amount so withheld and paid for the calendar year shall be so credited upon the income tax due for the nonresident's first taxable year ending after the end of such calendar year.

5. In addition to all other income subject to the tax herein imposed, each nonresident shall report in his return all income a portion of which is required to be withheld pursuant to this section, including the portion so withheld. Any amount of the income withheld and paid to the commission by any and all withholding agents shall be credited against the total amount of income tax required to be paid by such nonresident for such year as is provided in subsection 4 hereof. If the amount so withheld and paid to the commission is in excess of the amount of income tax due by such nonresident for such year, the excess shall be paid to the nonresident taxpayer. If the nonresident taxpayer fails to file a return within the time required by law, the commission may consider as the net income of such nonresident the entire gross income of such nonresident, as shown by the returns of all withholding agents, and may assess the tax accordingly pursuant to subsection 2 of section 422.25.

6. All of the provisions of sections 422.21, 422.22, 422.23, and 422.25 to 422.31, inclusive, shall apply to returns and payments by withholding agents and to determination and collection of amounts required to be withheld by withholding agents, and to penalties therefor, as well as to the "taxes" to which such sections expressly relate. [C39, §6943.048; C46, 50, 54, §422.16]

422.17 Bonds and securities.

1. Any nonresident whose income is subject to the provisions of section 422.16 may file with the commission a bond issued by a surety company authorized to transact business in this state and approved by the insurance commissioner as to solvency and responsibility, in the amount hereinafter provided, conditionally upon the payment of any tax, interest, and/or penalties which may become due for a named taxable year from such nonresident under the provisions of this division. Such bond shall be made payable to the state of Iowa, and shall be for a term expiring four years after the termination of the taxable year for which it is given. In any action on said bond a certificate signed by the chairman of the commission certifying that a certain amount of taxes, interest, and/or penalties are due and owing by the principal for the taxable year fixed in the bond shall be prima-facie evidence that such amount is due, and the burden of proof shall be upon the principal and/or surety to prove that such amount is not due. The attorney general shall, upon direction of the commission, bring and prosecute actions on said bond in the name of the state of Iowa. The venue for all such actions shall be in Polk county, Iowa.
2. In lieu of such bond, the nonresident may deposit with the commission securities approved by the commission, in the amount hereinafter provided, under a deposit agreement in such form as the commission may prescribe, which agreement shall make such securities collateral security for the payment of any tax, interest and/or penalties which may become due from such nonresident under the provisions of this division and shall authorize the sale of such securities by the commission at public or private sale without notice to the depositor thereof, if it becomes necessary to do so in order to recover any tax and/or penalties due.

3. The amount of such bond or the value of such securities shall not be less than the total amount which would be required by subsection 1 of section 422.16 to be withheld from the income for which certificates are sought pursuant to subsection 4 hereof.

4. Any nonresident who has so filed with the commission such bond or securities may, upon making application in such form and containing such information as the commission shall prescribe, obtain a certificate from the commission directed to a named withholding agent authorizing such withholding agent during a specified period to pay to such nonresident without withholding any percentage thereof, any sums which may be due such nonresident not in excess of the amount fixed in such certificate. The commission shall not issue any such certificate unless the amount of the bond and/or the value of the securities deposited with the commission is not less than the total amount which would be required by subsection 1 of section 422.16 to be withheld from the aggregate income fixed in such certificate and all certificates theretofore issued. 422.18 Credit for tax payable in state of residence. Whenever a nonresident taxable under the provisions of this division has become liable to pay an income tax to the state where he resides upon his net income for the taxable year derived from sources within this state and subject to taxation under this division, the commission shall credit the amount of income tax payable by him under this division with such proportion of the tax so payable by him to the state wherein he resides (before deducting any credit therefor from the income tax payable to this state) as his income subject to taxation under this division bears to his entire income upon which the tax so payable to such other state was imposed; provided that such credit shall be allowed only if the laws of said state (1) grant a substantially similar credit to residents of this state subject to income tax under such laws or (2) impose a tax upon the personal income of its residents derived from sources in this state and exempt from taxation the personal incomes of residents of this state. No credit shall be allowed against the amount of the tax on any income taxable under this division which is exempt from taxation under the laws of such other state. 422.19 Scope of nonresidents tax. The tax herein imposed upon certain income of nonresidents shall apply to all such income actually received by such nonresident on or after January 1, 1937, regardless of when such income was earned. If the nonresident is reporting on the accrual basis it shall apply to all such income which first became available to the nonresident so that he might demand payment thereof on or after January 1, 1937, regardless of when such income was earned. The duty to withhold herein imposed upon withholding agents shall apply only to amounts paid after June 30, 1937, but all amounts paid between January 1, 1937, and the expiration of thirty days from the effective date of this act shall be included in calculating the fifteen hundred dollars or the greater amount fixed by law, as the case may be, which must be paid before the duty to withhold arises. 422.21 Form and time of return. Returns shall be in such form as the commission may, from time to time, prescribe, and shall be filed with the commission on or before the last day of the fourth month after the expiration of the tax year. In case of sickness, absence, or other disability, or whenever, in its judgment, good cause exists, the commission may allow further time for filing returns. The commission shall cause to be prepared blank forms for said returns and shall cause them to be distributed throughout the state and to be furnished upon application, but failure to receive or secure the form shall not relieve the taxpayer of the obligations of making any return herein required. The state tax commission may as far as consistent with the provisions of the Code so draft income tax forms as to conform to the income tax forms of the internal revenue department of the United States government.

The state tax commission is hereby authorized and directed to make available to persons required to make personal income tax returns under the provisions of this chapter, and when such income is derived mainly from salaries and wages or from the operation of a business or profession, a form which shall take into consideration the normal deductions and credits allowable to any such taxpayer, and which will permit the computation of the tax payable without requiring the listing of specific deductions and credits. In arriving at schedules for payment of taxation under such forms the state tax commission shall as nearly as possible base such schedules upon a total of deductions and credits which will result in substantially the same payment as would have been made by such taxpayer were he to specifi-
cally list his allowable deductions and credits. In lieu of such return any taxpayer may elect to list permissible deductions and credits as provided by law. It is the intent and purpose of this provision to simplify the procedure of collection of personal income tax, and the commission shall have the power in any case when it deems it necessary or advisable to require any taxpayer, who has made a return in accordance with the schedule herein provided for, to make an additional return in which all deductions and credits are specifically listed. The commission may revise the schedules adopted in connection with such simplified form whenever such revision is necessitated by changes in federal income tax laws, or to maintain the collection of substantially the same amounts from taxpayers as would be received were the specific listing of deductions and credits required. 422.22 Supplementary returns. If the commission shall be of the opinion that any taxpayer required under this division to file a return has failed to file such a return or to include in a return filed, either intentionally or through error, items of taxable income, it may require from such taxpayer a return or supplementary return in such form as it shall prescribe, of all the items of income which the taxpayer received during the year for which the return is made, whether or not taxable under the provisions of this division. If from a supplementary return, or otherwise, the commission finds that any items of income, taxable under this division, have been omitted from the original return, it may require the items so omitted to be added to the original return. Such supplementary return and the correction of the original return shall not relieve the taxpayer from any of the penalties to which he may be liable under any provisions of this division, whether or not the commission required a return or a supplementary return under this section. 422.23 Return by administrator. The return by an individual, who, while living, was subject to income tax in the state during the tax year, and who has died before making the return, shall be made in his name and behalf by the administrator or executor of the estate and the tax shall be levied upon and collected from his estate. In the making of said return, the executor or administrator shall use the same method of computation, either cash or accrual, as was last used by the deceased taxpayer.

The judge of the district court in which the estate of the decedent is probated may, upon application being filed by the executor or administrator setting forth the income received by said estate, fix a time and place for hearing upon said application and prescribe the notice to be given to the state tax commission and may upon hearing determine whether or not the said estate is subject to income tax and, if the facts warrant such a finding, enter an order relieving said executor or administrator from making an income tax report and order that the said estate is not subject to the payment of income tax. Such order shall not become final until thirty days after the same has been filed with the clerk of the district court and a copy of the order entered by the judge shall be immediately mailed to the state tax commission by said executor or administrator by registered mail and a return filed showing the mailing of the same. 422.24 Installment payments—interest.

1. The tax may be paid in two installments, each consisting of one-half of the total amount of the tax. The first installment shall be remitted with the return and the second installment shall be paid on or before six months after the date fixed for filing the return; provided, however, that in case the total amount of the tax shall be ten dollars or less, then, and in that case, the whole amount of the tax shall be paid at the time of filing the return.

2. When, at the request of the taxpayer, the time for filing the return is extended, interest at the rate of six percent per annum on one-half of the total tax, from the time when the return was originally required to be filed to the time of payment, shall be added and paid. 422.25 Computation of tax, interest, and penalties.

1. As soon as practicable and in any event within three years after the return is filed the commission shall examine it and determine the correct amount of tax, and the amount so determined by the commission shall be the tax; provided that if the taxpayer omits from the income such an amount as will, under the Internal Revenue Code of 1954, extend the statute of limitations for assessment of federal tax to six years under said Code, the period for examination and determination shall be six years; and provided further that the period for examination and determination shall be unlimited in the case of a false or fraudulent return with intent to evade tax or in the case of failure to file a return. Notwithstanding the periods of limitation for examination and determination heretofore specified, the commission shall have six months from the date of final disposition of any controversy between the taxpayer and the internal revenue service with respect to the particular tax year to make its examination and determination. The burden of proof of additional tax owing under the six-year period, or unlimited period, shall be on the tax commission. If the tax found due shall be greater than the amount theretofore paid, the excess, together with interest and penalty as hereinafter provided shall be paid by the taxpayer within ten days after the
commission shall have given notice thereof to the taxpayer by certified mail. See 56GA, ch 210, §2 for barred claims.

2. In addition to the tax or additional tax as determined by the commission under the provisions of subsection 1 of this section, the taxpayer shall pay interest on such tax or additional tax so determined at the rate of six percent per annum, computed from the date the return was required by law to be filed. In case of failure to file a return, or to pay the tax required to be paid with the filing of the return, on the date prescribed therefor (determined with regard to any extension of time for filing), unless it is shown that such failure was due to reasonable cause and not due to willful neglect, there shall be added to the amount required to be shown as tax on such return five percent of the amount of such tax if the failure is for not more than one month, with an additional five percent for each additional month or fraction thereof during which such failure continues, not exceeding twenty-five percent in the aggregate. In case of willful failure to file a return with intent to evade tax, in lieu of the five percent monthly penalty above provided, there shall be added to the amount required to be shown as tax on such return fifty percent of the amount of such tax, and in case of willful filing of a false return with intent to evade tax, there shall be added to the amount required to be shown as tax on such return fifty percent of the amount of such tax.

3. If the amount of the tax as determined by the commission shall be less than the amount theretofore paid, the excess shall be refunded with interest after sixty days from the date of payment at six percent per annum under the provisions of such regulations as may be prescribed by the commission.

4. All payments received must be credited first, to the penalty and interest accrued, and then to the tax due.

5. Any person required to supply any information, to pay any tax, or to make, render, or sign any return or supplemental return, who willfully makes any false or fraudulent return, or fails to pay such tax, supply such information, or make, render, or sign such return, with intent to defeat or evade the assessment required by law to be made, shall upon conviction for such offense be punished by imprisonment in the county jail for a term not exceeding one year or in the state penitentiary for a term not exceeding five years, or by a fine not exceeding five thousand dollars, or both.

6. The certificate of the commission to the effect that a tax has not been paid, that a return has not been filed, or that information has not been supplied, as required under the provisions of this division shall be prima-facie evidence thereof except as otherwise provided in this section.

7. The periods of limitation provided by this section may be extended by the taxpayer by signing a waiver agreement to be provided by the state tax commission. Such agreement shall stipulate the period of extension and the year or years to which such extension applies. It shall further provide that a claim for refund may be filed by the taxpayer at any time during the period of extension. In consideration of such agreement, interest due in excess of thirty-six months on either a tax deficiency or tax refund shall be waived. [C35, §6943-f21; C39, §6943-307; C46, 50, 54, §422.25; 56GA, ch 210, §§1, 2; ch 211, §§1-4; 57GA, ch 211, §§1-6; ch 267, §46] Referred to in §422.16, 422.19, 422.26

422.26 Lien of tax—collection—action authorized. Whenever any taxpayer liable to pay a tax and/or penalty imposed refuses or neglects to pay the same, the amount, including any interest, penalty, or addition to such tax, together with the costs that may accrue in addition thereto, shall be a lien in favor of the state upon all property and rights to property, whether real or personal, belonging to said taxpayer.

The lien aforesaid shall attach at the time the tax becomes due and payable and shall continue until the liability for such amount is satisfied.

In order to preserve the aforesaid lien against subsequent mortgagees, purchasers or judgment creditors, for value and without notice of the lien, on any property situated in a county, the commission shall file with the recorder of the county, in which said property is located, a notice of said lien.

The county recorder of each county shall prepare and keep in his office a book to be known as "index of income tax liens", so ruled as to show in appropriate columns the following data, under the names of taxpayers, arranged alphabetically:

1. The name of the taxpayer.
2. The name "State of Iowa" as claimant.
3. Time notice of lien was received.
4. Date of notice.
5. Amount of lien then due.
6. When satisfied.

The recorder shall indorse on each notice of lien the day, hour, and minute when received and preserve the same, and shall forthwith index said notice in said index book and shall forthwith record said lien in the manner provided for recording real estate mortgages, and the said lien shall be effective from the time of the indexing thereof.

The commission shall pay a recording fee as provided in section 350.14, for the recording of such lien, or for the satisfaction thereof. Upon the payment of a tax as to which the commission has filed notice with a county recorder, the commission shall forthwith file with said recorder a satisfaction of said tax and the recorder shall enter said satisfaction
on the notice on file in his office and indicate said fact on the index aforesaid.

The commission shall, substantially as provided in sections 445.6 and 445.7, proceed to collect all taxes and/or penalties as soon as practicable after the same become delinquent, except that no property of the taxpayer shall be exempt from the payment of said tax.

The attorney general shall, upon the request of the commission, bring an action at law or in equity, as the facts may justify, without bond, to enforce payment of any taxes and/or penalties, and in such action he shall have the assistance of the county attorney of the county in which the action is pending.

It is expressly provided that the foregoing remedies of the state shall be cumulative and that no action taken by the commission or attorney general shall be construed to be an election on the part of the state or any of its officers to pursue any remedy hereunder to the exclusion of any other remedy provided by law. 422.27 Final report of fiduciary—conditions.

1. No final account of a fiduciary shall be allowed by any court unless such account shows, and the judge of said court finds, that all taxes imposed by the provisions of this division upon said fiduciary, which have become payable, have been paid, and that all taxes which may become due are secured by bond, deposit or otherwise. The certificate of the commission and the receipt for the amount of the tax therein certified shall be conclusive as to the payment of the tax to the extent of said certificate.

2. For the purpose of facilitating the settlement and distribution of estates held by fiduciaries, the commission may, on behalf of the state, agree upon the amount of taxes at any time due or to become due from such fiduciaries under the provisions of this division, and payment in accordance with such agreement shall be full satisfaction of the taxes to which the agreement relates. 422.28 Revision of tax. A taxpayer may appeal to the commission for revision of the tax, interest, and/or penalties assessed against him at any time within ninety days from the date of the notice of the assessment of such tax, additional tax, interest, and/or penalties. The commission shall grant a hearing thereon and if, upon such hearing, it shall determine that the tax, interest, and/or penalties are excessive or incorrect, it shall revise the same according to the law and the facts and adjust the computation of the tax, interest, and/or penalties accordingly. The commission shall notify the taxpayer by registered mail of its findings and shall refund to the taxpayer the amount, if any, paid in excess of the tax, interest, and/or penalties found by it to be due with interest thereon from the date of payment by the taxpayer at six percent per annum. 1. An appeal may be taken by the taxpayer to the district court of the county in which he resides, or in which his principal place of business is located, or in the case of a nonresident not maintaining a place of business in this state either in any county in which the income involved was earned or derived or in Polk county, within sixty days after he shall have received notice from the commission of its determination as provided for in section 422.28.

2. The appeal shall be taken by a written notice to the chairman of the commission and served as an original notice. When said notice is so served it shall, with the return thereon, be filed in the office of the clerk of said district court, and docketed as other cases, with the taxpayer as plaintiff and the commission as defendant. The plaintiff shall file with such clerk a bond for the use of the defendant, with sureties approved by such clerk, in penalty at least double the amount of tax appealed from, and in no case shall the bond be less than fifty dollars, conditioned that the plaintiff shall perform the orders of the court.

3. The court shall hear the appeal in equity and determine anew all questions submitted to it on appeal from the determination of the commission. The court shall render its decree thereon and a certified copy of said decree shall be filed by the clerk of said court with the commission who shall then correct the assessment in accordance with said decree. An appeal may be taken by the taxpayer or the commission to the supreme court of this state in the same manner that appeals are taken in suits in equity, irrespective of the amount involved. 422.30 Jeopardy assessments. If the commission believes that the assessment or collection of taxes will be jeopardized by delay, the commission may immediately make an assessment of the estimated amount of tax due, together with all interest, additional amounts, or penalties, as provided by law, and demand payment thereof from the taxpayer. If such payment is not made, a distress warrant may be issued or a lien filed against such taxpayer immediately.

The commission shall be permitted to accept a bond from the taxpayer to satisfy collection until the amount of tax legally due shall be determined. Such bond to be in an amount deemed necessary, but not more than double

DIVISION III. BUSINESS TAX ON CORPORATIONS

422.32 Definitions. For the purpose of this division and unless otherwise required by the context:

1. The word “corporation” includes joint stock companies, and associations organized for pecuniary profit, except limited partnerships organized under chapter 545.

2. The words “domestic corporation” mean any corporation organized under the laws of this state.

3. The words “foreign corporation” mean any corporation other than a domestic corporation.

The words, terms, and phrases defined in subsections 1, and 3 to 10, section 422.4, division II, when used in this division, shall have the meanings ascribed to them in said section except where the context clearly indicates a different meaning. [C35, §6943-f28; C39, §6943.064; C46, 50, 54, §422.32; 57GA, ch 208, §2]

422.33 Corporate tax imposed. A tax is hereby imposed upon each corporation organized under the laws of this state, and upon every foreign corporation doing business in this state, annually in an amount equivalent to two percent of the net income received by such corporation during the income year.

1. If the trade or business of the corporation is carried on entirely within the state, the tax shall be imposed on the entire net income, but if such trade or business is carried on partly within and partly without the state, the tax shall be imposed only on the portion of the net income reasonably attributable to the trade or business within the state, said net income attributable to the state to be determined as follows:

a. Interest, dividends, rents, and royalties (less related expenses) received in connection with business in the state, shall be allocated to the state, and where received in connection with business outside the state, shall be allocated outside of the state.

b. Net income of the above class having been separately allocated and deducted as above provided, the remainder of the net income of the taxpayer shall be allocated and apportioned as follows:

Where income is derived from business other than the manufacture or sale of tangible personal property, such income shall be specifically allocated or equitably apportioned within and without the state under rules and regulations of the commission.

Where income is derived from the manufacture or sale of tangible personal property, the part thereof attributable to business within the state shall be in that proportion which the gross sales made within the state bear to the total gross sales.

The gross sales of the corporation within the state shall be taken to be the gross sales from goods sold and delivered within the state, excluding deliveries for transportation out of the state.

For the purpose of this section, the word “sale” shall include exchange, and the word “manufacture” shall include the extraction and recovery of natural resources and all processes of manufacturing. The words “tangible personal property” shall be taken to mean corporeal personal property, such as machinery, tools, implements, goods, wares, and merchandise, and shall not be taken to mean money deposits in banks, shares of stock, bonds, notes, credits, or evidence of an interest in property and evidences of debt.

2. If any taxpayer believes that the method of allocation and apportionment hereinbefore prescribed, as administered by the commission and applied to his business, has operated or will so operate as to subject him to taxation on a greater portion of his net income than is reasonably attributable to business or sources within the state, he shall be entitled to file with the commission a statement of his objections and of such alternative method of allocation and apportionment as he believes to be proper under the circumstances with such detail and proof and within such time as the commission may reasonably prescribe; and if the commission shall conclude that the method of allocation and apportionment theretofore employed is in fact inapplicable and inequitable, it shall redetermine the taxable income by such other method of allocation and apportionment as seems best calculated to assign to the state for taxation the portion of the income reasonably attributable to business and sources within the state, not exceeding, however, the amount which would be arrived at by application of the statutory rules for apportionment. [C35, §6943-f29; C39, §6943.065; C46, 50, 54, §422.33; 50GA, ch 208, §18]

Referred to in §§422.35, 422.37

422.34 Exempted corporations and organizations. The following organizations and corporations shall be exempt from taxation under this division:

1. All state, national, private, co-operative and savings banks, credit unions, title insurance and trust companies, building and loan associations, corporations operating under the provisions of chapter 501, insurance companies
and/or Insurance associations, reciprocal or inter-insurance exchanges, fraternal beneficiary associations, now or hereafter organized or incorporated by or under the laws of this state or lawfully operating in the state.

2. Cemetery corporations, organizations and associations and corporations organized for religious, charitable, scientific, or educational purposes, or for the prevention of cruelty to children or animals, no part of the net earnings of which inures to the benefit of any private stockholder or individual.

3. Business leagues, chambers of commerce, labor unions and auxiliary organizations, or boards of trade not organized for profit, and no part of the net earnings of which inures to the benefit of any private stockholder or individual.

4. Civic leagues or organizations not organized for profit, but operated exclusively for the promotion of social welfare.

5. Clubs, organizations, or associations organized and operated exclusively for pleasure, recreation, and other nonprofitable purposes, no part of the net earnings of which inures to the benefit of any private stockholder or member.

6. Farmers associations and fruit growers associations, or like organizations organized and operated as sales agents for the purpose of marketing the products of members and turning back to them the proceeds of sales, less the necessary selling expense, on the basis of the quantity of produce furnished by them. [C35, §6943-f30; C39, §6943.066; C46, 50, 54-§422.34]

422.35 Net income of corporation — how computed. The term "net income" means the taxable income less the net operating loss deduction, both as computed for federal income tax purposes under the Internal Revenue Code of 1954, with the following adjustments:

1. Subtract interest and dividends from federal securities.

2. Add interest and dividends from foreign securities and from securities of state and other political subdivisions exempt from federal income tax under the Internal Revenue Code of 1954.

3. Where the net income includes capital gains or losses, or gains or losses from property other than capital assets, and such gains or losses have been determined by using a basis established prior to January 1, 1934, an adjustment may be made, under rules and regulations prescribed by the state tax commission, to reflect the difference resulting from the use of a basis of cost or January 1, 1934, fair market value, less depreciation allowed or allowable, whichever is higher. Provided that the basis shall be fair market value as of January 1, 1935, less depreciation allowed or allowable, in the case of property acquired prior to that date if use of a prior basis is declared to be invalid.

4. Subtract federal income taxes paid or accrued, as the case may be, during the tax year, adjusted by any federal income tax refunds; and add the Iowa income tax deducted in computing said taxable income.

Provided, however, that a corporation affected by the allocation provisions of section 422.33 shall be permitted to deduct only such portion of the deductions for net operating loss and federal income taxes as is fairly and equitably allocable to Iowa, under rules and regulations prescribed by the state tax commission. [C35, §6943-f31; C39, §6943.067; C46, 50, 54-§422.35; 56GA, ch 208, §19; 57GA, ch 210, §2]

422.36 Returns.

1. Every corporation shall make a return and the same shall be signed by the president, vice-president, or other principal officer and by the treasurer or assistant treasurer. Before a corporation shall be dissolved and its assets distributed it shall make a return for any settlement of the tax for any income earned in the income year up to its final date of dissolution.

2. When any corporation, liable to taxation under this division, conducts its business in such a manner as either directly or indirectly to benefit the members or stockholders thereof or any person interested in such business by selling its products or the goods or commodities in which it deals at less than the fair price which might be obtained therefor, or where a corporation, a substantial portion of whose capital stock is owned either directly or indirectly by another corporation, acquires and disposes of the products, goods or commodities of the corporation so owning a substantial portion of its stock in such a manner as to create a loss or improper net income for either of said corporations, or where a corporation, owning directly or indirectly a substantial portion of the stock of another corporation, acquires and disposes of the products, goods, or commodities, of the corporation of which it so owns a substantial portion of the stock, in such a manner as to create a loss or improper net income for either of said corporations, the commission may determine the amount of taxable income of either or any of such corporations for the calendar or fiscal year, having due regard to the reasonable profits which, but for such arrangement or understanding, might or could have been obtained, by the corporation or corporations liable to taxation under this division, from dealing in such products, goods, or commodities.

3. Where the state commission has reason to believe that any person or corporation so conducts his trade or business as either directly or indirectly to distort his true net income and the net income properly attributable to the state, whether by the arbitrary shifting of income, through price fixing, charges for services, or otherwise, whereby the net income is arbitrarily assigned to Iowa, or an individual in a group of taxpayers carrying on business under a substantially common control, it may require such facts as it deems necessary for the proper computation of the entire net in-
come and the net income properly attributable to the state, and shall determine the same, and in the determination thereof the commission shall have regard to the fair profits which would normally arise from the conduct of the trade or business.

4. Foreign corporations shall file a copy of their federal income tax return for the current tax year with the return required by this section. [C35, §6943-f32; C39, §6943.068; C46, 50, 54, §422.36; 56GA, ch 208, §20]

Referred to in §422.31

422.37 Consolidated returns.

1. Any corporation capable of exercising directly or indirectly substantially the entire control of the business of another corporation doing business in the United States either by ownership or control of substantially the entire capital stock of such other corporation, or otherwise, may, under regulations to be prescribed by the commission, be permitted, and upon demand of the commission shall be required, to make a consolidated return, showing the consolidated net income of all of such corporations, and such other information as the commission may require.

The commission shall compute, determine, and assess the tax upon the combined net income shown by such consolidated return and as apportioned and allocated according to section 422.33; provided that the term "taxable income" as used in this chapter shall not include income represented by dividends received by any one of such corporations from another when the income of the dividend paying corporation is reported to and subject to taxation under this chapter by the state.

2. The commission may require the filing of a consolidated return where substantially the entire control of two or more such corporations liable to taxation under this division is exercised by the same interests, or under such other circumstances as the effective administration of this chapter may require. Any corporation liable to report under this division and owned or controlled, either directly or indirectly, by another corporation, may be required to make a consolidated report showing the combined net income, such assets of the corporation as are required for the purpose of this division, and such other information as the commission may require.

3. In case it shall appear to the commission that any arrangement exists in such a manner as improperly to reflect the business done, the segregable assets or the entire net income earned from business done in the state, the commission is authorized and empowered, in such manner and under such rules and regulations as it may determine, equitably to adjust the tax.

4. When any corporation required to make a return under this division conducts the business, whether under arrangement or otherwise, in such manner as either directly or indirectly to benefit the members or stockholders of the corporation, or any of them, or any person or persons directly or indirectly interested in such business, by selling its products, or the goods or commodities in which it deals, at less than a fair price which might be obtained therefrom, or where such a corporation, a substantial portion of whose capital stock is owned either directly or indirectly by another corporation, acquires or disposes of the products of the corporation so owning the substantial portion of its capital stock in such manner as to create a loss or improper net income, the commission may require such facts as it deems necessary for the proper computation provided by this division, and may for the purpose of the division determine the amount which shall be deemed to be the entire net income of the business of such corporation for the calendar or fiscal year, and in determining such entire net income the commission shall have regard to the fair profits which, but for any agreement, arrangement, or understanding, might be or could have been obtained from dealing in such products, goods, or commodities. [C35, §6943-f33; C39, §6943.069; C46, 50, 54, §422.37]

422.38 Statutes governing corporations. All the provisions of sections 422.15 to 422.22, inclusive, of division II, so far as the same are applicable, shall apply to corporations taxable under this division. [C35, §6943-f34; C39, §6943.070; C46, 50, 54, §422.38]

422.39 Statutes applicable to corporation tax. All the provisions of sections 422.24 to 422.27, inclusive, of division II, respecting payment and collection, shall apply in respect to the tax due and payable by a corporation taxable under this division. [C35, §6943-f35; C39, §6943.071; C46, 50, 54, §422.39]

422.40 Cancellation of authority—penalty—offenses.

1. If a corporation required by the provisions of this division to file any report or return or to pay any tax or fee, either as a corporation organized under the laws of this state, or as a foreign corporation doing business in this state for profit, or owning and using a part or all of its capital or plant in this state, fails or neglects to make any such report or return or to pay any such tax or fee for ninety days after the time prescribed in this division for making such report or return, or for paying such tax or fee, the commission may in its discretion certify such fact to the secretary of state. The secretary of state shall thereupon cancel the articles of incorporation of any such corporation which is organized under the laws of this state by appropriate entry upon the margin of the record therefor, or cancel the certificate of authority of any such foreign corporation to do business in this state by proper entry. Thereupon all the powers, privileges, and franchises conferred upon such corporation by such articles of incorporation or by such certificate of authority shall cease and determine. The secretary of state
shall immediately notify by registered mail such domestic or foreign corporation of the action taken by him.

2. Any person or persons who shall exercise or attempt to exercise any powers, privileges, or franchises under articles of incorporation or certificate of authority after the same are canceled, as provided in any section of this division, shall pay a penalty of not less than one hundred dollars nor more than one thousand dollars, to be recovered by an action to be brought by the commission.

3. Any corporation whose articles of incorporation or certificate of authority to do business in this state have been canceled by the secretary of state, as provided in subsection 1, or similar provisions of prior revenue acts, upon the filing, within ten years after such cancellation, with the secretary of state, of a certificate from the commission that it has complied with all the requirements of this division and paid all state taxes, fees, or penalties due from it, and upon the payment to the secretary of state of an additional penalty of fifty dollars, shall be entitled again to exercise its rights, privileges, and franchises in this state; and the secretary of state shall cancel the entry made by him under the provisions of subsection 1 or similar provisions of prior revenue acts, and shall issue his certificate entitling such corporation to exercise its rights, privileges, and franchises.

4. Any person, or any officer or employee of any corporation, or member or employee of any partnership, who, with intent to evade any requirement of this division or any lawful requirement of the commission thereunder, shall fail to pay any tax or to make, sign, or verify any return or to supply any information required by or under the provisions of this division, shall be guilty of a misdemeanor* and punished accordingly. Any person, corporation, or any officer or employee of a corporation, or member or employee of any partnership, who, with intent to evade any of the requirements of this division, or any lawful requirements of the commission thereunder, shall make, render, sign, or verify any false or fraudulent return or statement, or shall supply any false or fraudulent information, or who shall aid, abet, direct, cause, or who shall procure anyone so to do, shall be liable to a penalty of not more than five thousand dollars, to be recovered by the attorney general, in the name of the state, by action in any court of competent jurisdiction, and shall also upon conviction be punished by imprisonment in the penitentiary for a term not exceeding one year, or by a fine of not less than five hundred dollars nor more than five thousand dollars, or both. Such penalty shall be in addition to all other penalties in this division provided. [C35, §6943-f37; C39, §6943.072; C46, 50, 54, §422.41; 57GA, ch 211, §7]

Referred to in §423.1

422.43 Tax imposed. There is hereby imposed, beginning the first day of April, 1937, a tax of two percent upon the gross receipts from all sales of tangible personal property, consisting of goods, wares, or merchandise, except as otherwise provided in this division, sold at retail in the state to consumers or users; a like rate of tax upon the gross receipts from the sales, furnishing or service of gas, electricity, water, heat, and communication service, including the gross receipts from such sales by any municipal corporation furnishing gas, electricity, water, heat, and communication service to the public in its proprietary capacity, except as otherwise provided in this division, when sold at retail in the state to consumers or users; and a like rate of tax upon the gross receipts from all sales of tickets or admissions to places of amusement and athletic events, except as otherwise provided in this division.

There is hereby imposed beginning with the first day of July, 1947, a tax of two percent upon the gross receipts derived from the operation of all forms of amusement devices and commercial amusement enterprises operated or conducted within the state of Iowa, such tax to be collected from the operator in the same manner as is provided for the collection of taxes upon the gross receipts of tickets or admission as provided in this section.

The tax thus imposed shall cover all receipts from the operation of musical devices, vending machines, shooting galleries, billiard and pool tables, bowling alleys, pinball machines, slot-operated devices selling merchandise not subject to the general sales taxes and on all receipts from devices or systems where prizes are in any manner awarded to patrons and upon the receipts from fees charged for participation in any game or other form of amusement, and generally upon the gross receipts from any source of amusement operated for profit not specified herein, and upon the gross receipts from which no tax is collected for tickets or admission, but no tax shall be imposed upon any activity exempt from sales tax under the provision of subsection 4 of section 422.45. 422.45 Exemptions. There are hereby specifically exempted from the provisions of this division and from the computation of the amount of tax imposed by it, the following:

1. The gross receipts from sales of tangible personal property which this state is prohibited from taxing under the constitution or laws of the United States or under the constitution of this state.

2. The gross receipts from the sales, furnishing or service of transportation service.

3. The gross receipts from sales of tickets or admissions to state, county, district and local fairs, and the gross receipts from educational, religious, or charitable activities, where the entire net proceeds therefrom are expended for educational, religious, or charitable purposes.

4. That part of the gross receipts from sales of tangible personal property accepted as part consideration in the sale in Iowa of other property which is not in excess of the original trade-in valuation, provided the seller keeps an accurate record of the identity of such tangible personal property so as to show the name and address of the persons from whom acquired and to whom sold and the exact trade-in and sale price. A retailer who collects sales tax on the selling price of traded-in tangible personal property in excess of the tax due from the purchaser shall be deemed to have thereby waived the right to claim the exemption provided for in this subsection and the tax so collected shall be due to the state of Iowa and remitted to the state tax commission, as provided by this chapter, and be credited to the state road tax fund.

5. The gross receipts of all sales of goods, wares or merchandise used for public purposes to any tax certifying or tax levying body of the state of Iowa or governmental subdivision thereof which are subject to use tax under the provisions of chapter 423.

6. Any tax certifying or tax levying body of the state of Iowa or governmental subdivision thereof may make application to the state tax commission for the refund of any sales or use tax upon the gross receipts of all sales of goods, wares or merchandise to any contractor, used in the fulfillment of any written contract with the state of Iowa or any political subdivision thereof, which property becomes an integral part of the project under contract and at the completion thereof becomes public property, except goods, wares or merchandise used in the performance of any contract in connection with the operation of any municipal utility engaged in selling gas, electricity, or heat to the general public.

a. Such contractor shall state under oath, on forms provided by the state tax commission, the amount of such sales of goods, wares or merchandise used in the performance of such contract, and upon which sales or use tax has been paid, and shall file such forms with the governmental unit which has made any written contract for performance by said contractor. Such forms shall be filed by the contractor with the governmental unit before final settlement is made.

b. Such governmental unit shall, not more than sixty days after the final settlement has been made, make application to the state tax commission for any refund of the amount of such sales or use tax which shall have been paid upon any goods, wares or merchandise, such application to be made in the manner and upon forms to be provided by the state tax commission, and the state tax commission shall forthwith audit such claim and, if approved, request the comptroller to issue his warrant to such governmental unit in the amount of such sales or use tax which has been paid to the state of Iowa under such contract.

This provision shall not apply to the sale of airplanes or to the sale at retail of beer and cigarettes. Taxes paid on gross receipts represented by accounts found to be worthless and actually charged off for income tax purposes

b. On these forms the relief agency shall separately list the persons making the sales to it or to its order, together with the dates of the sales, and the total amount so expended by the relief agency.

c. The relief agency must prove to the satisfaction of the commission that the person making the sales has included the amount thereof in the computation of the gross receipts of such person and that such person has paid the tax levied by this division, based upon such computation of gross receipts.

3. If the commission is satisfied that the foregoing conditions and requirements have been complied with, it shall refund the amount claimed by the relief agency. [C35, §6943-f42; C39, §6943.078; C46, 50, 54, §422.47]

Agreements between competing retailers, or the adoption of appropriate rules and regulations by organizations or associations of retailers to provide uniform methods for adding such tax or the average equivalent thereof, and which do not involve price-fixing agreements otherwise unlawful, are expressly authorized and shall be held not in violation of chapter 553, or other antitrust laws of this state. It shall be the duty of the commission to cooperate with such retailers, organizations, or associations in formulating such agreements, rules, and regulations. The commission shall have the power to adopt and promulgate rules and regulations for adding such tax, or the average equivalent thereof, by providing different methods applying uniformly to retailers within the same general classification for the purpose of enabling such retailers to add and collect, as far as practicable, the amount of such tax. [C35, §6943-f43; C39, §6943.079; C46, 50, 54, §422.48]

If such extension is granted to any such retailer, the time in which he is required to make payment as provided in section 422.52 shall be extended for the same period.

2. The commission, if it deems it necessary or advisable in order to insure the payment of the tax imposed by this division, may require returns and payment of the tax to be made for other than quarterly periods, the provisions of section 422.52 or elsewhere to the contrary notwithstanding.
3. Returns shall be signed by the retailer or his duly authorized agent, and must be duly certified by him to be correct. [C35, §6943-f46; C39, §6943.082; C46, 50, 54, §422.51; 66GA, ch 214, §§1, 2]

2. Every retailer, at the time of making the return required hereunder, shall compute and pay to the commission the tax due for the preceding period.
3. The commission may, when in its judgment it is necessary and advisable to do so in order to secure the collection of the tax levied under this division, require any person subject to such tax to file with it a bond, issued by a surety company authorized to transact business in this state and approved by the insurance commissioner as to solvency and responsibility, in such amount as the commission may fix, to secure the payment of any tax and/or penalties due or which may become due from such person. In lieu of such bond, securities approved by the commission, in such amount as it may prescribe, may be deposited with it, which securities shall be kept in the custody of the commission and may be sold by it at public or private sale, without notice to the depositor thereof, if it becomes necessary so to do in order to recover any tax and/or penalties due. 1. Sixty days after the effective date* of this division, it shall be unlawful for any person to engage in or transact business as a retailer within this state, unless a permit or permits shall have been issued to him as hereinafter prescribed, except as otherwise provided in subsection 7 of this section. Every person desiring to engage in or conduct business as a retailer within this state shall file with the commission an application for a permit or permits. Every application for such a permit shall be made upon a form prescribed by the commission and shall set forth the name under which the applicant transacts or intends to transact business, the location of his place or places of business, and such other information as the commission may require. The application shall be signed by the owner if a natural person; in the case of an association or partnership, by a member or partner thereof; in the case of a corporation, by an executive officer thereof or some person specifically authorized by the corporation to sign the application, to which shall be attached the written evidence of his authority.
2. At the time of making such application, the applicant shall pay to the commission a permit fee of fifty cents for each permit, and the applicant must have a permit for each place of business.
3. Upon the payment of the permit fee or fees herein required, the commission shall grant and issue to each applicant a permit for each place of business within the state. A permit is not assignable and shall be valid only for the person in whose name it is issued and for the transaction of business at the place designated therein. It shall at all times be conspicuously displayed at the place for which issued.
4. Permits issued under the provisions of this division shall be valid and effective without further payment of fees until revoked by the commission.
5. Whenever the holder of a permit fails to comply with any of the provisions of this division or any orders, rules or regulations of the commission prescribed and adopted under this division, the commission upon hearing after giving ten days notice of the time and place of the hearing to show cause why his permit should not be revoked, may revoke the permit. The commission shall also have the power to restore licenses after such revocation.
6. The commission shall charge a fee of one dollar for the issuance of a permit to a retailer whose permit has been previously revoked.
7. Persons not regularly engaged in selling at retail and not having a permanent place of business, but who are temporarily engaged in selling from trucks, portable roadside stands, concessionaires at state, county, district or local fairs, carnivals and the like, shall report and remit the tax on a nonpermit basis, under such rules as the commission shall provide for the efficient collection of the sales tax on such sales. [C35, §6943-f48; C39, §6943.084; C46, 50, 54, §422.53]

422.54 Failure to file return—incorrect return.
1. If a return required by this division is not filed, or if a return when filed is incorrect or insufficient and the maker fails to file a corrected or sufficient return within twenty days after the same is required by notice from the commission, such commission shall determine the amount of tax due from such information as it may be able to obtain and, if necessary, may estimate the tax on the basis of
external indices, such as number of employees of the person concerned, rentals paid by him, his stock on hand, and/or other factors. The commission shall give notice of such determination to the person liable for the tax. Such determination shall finally and irrevocably fix the tax unless the person against whom it is assessed shall, within thirty days after the giving of notice of such determination, apply to the commission for a hearing or unless the commission of its own motion shall reduce the same. At such hearing evidence may be offered to support such determination or to prove that it is incorrect. After such hearing the commission shall give notice of its decision to the person liable for the tax. [C35,§6943-f49; C39,§6943.085; C46, 50, 54,§422.54]

When said notice is so served it shall, with the return thereof, be filed in the office of the clerk of said district court, and docketed as other cases, with the taxpayer as plaintiff and the commission as defendant. The plaintiff shall file with such clerk a bond for the use of the defendant, with sureties approved by such clerk, in penalty at least double the amount of tax appealed from, and in no case shall the bond be less than fifty dollars, conditioned that the plaintiff shall perform the orders of the court.
3. The court shall hear the appeal in equity and determine anew all questions submitted to it on appeal from the determination of the commission. In such appeal, the burden of proof shall be upon the taxpayer. The court shall render its decree thereon and a certified copy of said decree shall be filed by the clerk of said court with the commission who shall then correct the assessment in accordance with said decree. An appeal may be taken by the taxpayer or the commission to the supreme court of this state in the same manner that appeals are taken in suits in equity, irrespective of the amount involved. No original certificate of registration for any new motor vehicle or new trailer shall be issued until said tax has been so paid. The county treasurer shall require every applicant for an original certificate of registration for any new motor vehicle or new trailer to supply such information as he or the commission may deem necessary as to the time of purchase, the purchase price, and other information relative to the purchase of said motor vehicle or trailer. On or before the tenth day of each month the county treasurer shall remit to the commission the amount of the taxes so collected during the preceding month, together with an itemized statement on forms furnished by the commission showing the name of each taxpayer, the make and purchase price of each motor vehicle or trailer, the amount of tax paid in each case, and such other information as the commission shall require. 423.10 Foreign retailers. The commission may, in its discretion, upon application authorize the collection of the tax herein imposed by any retailer not maintaining a place of business within this state, who, to the satisfaction of the commission furnishes adequate security to insure collection and payment of the tax. Such retailer shall be issued, without charge, a permit to collect such tax in such manner, and subject to such regulations and agreements as the commission shall prescribe. When so authorized, it shall be the duty of such retailer to collect the tax upon all tangible personal property sold to his knowledge for use within this state, in the same manner and subject to the same requirements as a retailer maintaining a place of business within this state. The commission shall have the power to adopt and promulgate rules and regulations for adding such tax, or the average equivalent thereof, by providing different methods applying uniformly to retailers within the same general classification for the purpose of enabling such retailers to add and collect, as far as practicable, the amount of such tax. At such time, each such retailer shall file with the commission a return for the preceding quarterly period in such form as may be prescribed by the commission showing the sales price of any or all tangible personal property sold by the retailer during such preceding quarterly period, the use of which is subject to the tax imposed by this chapter, and such other information as the commission may deem necessary for the proper administration of this chapter. The return shall be accompanied by a remittance of the amount of such tax, for the period covered by the return, provided that where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended over a period longer than sixty days from the date of the sale thereof, the retailer may collect and remit each quarterly period that portion of the tax equal to two percent of that portion of the purchase price actually received during such quarterly period. The commission, if it deems it necessary in order to insure payment to the state of the amount of such tax, may in any or all cases require returns and payments of such amount to be made for other than quarterly periods. The commission may, upon request and a proper showing of the necessity therefor, grant an extension of time not to exceed thirty days for making any return and payment. Returns shall be signed by the retailer or his duly authorized agent, and must be certified by him to be correct. [C39,§6943.113; C46, 50, 54,§423.13; 56GA, ch 214,§4]

In lieu of such bond, securities approved by the commission, in such amount as it may prescribe, may be deposited with it, which securities shall be kept in the custody of the commission and may be sold by it at public or private sale, without notice to the depositor thereof, if it becomes necessary to do so in order to recover any tax and/or penalties due. Upon any such sale, the surplus, if any, above the amounts due under this chapter shall be returned to the person who deposited the securities. [C39,§6943.115; C46, 50, 54,§423.15]

able, may remit all or any part of such penalty. Such penalty shall be paid to the commission and disposed of in the same manner as other receipts under this chapter. Unpaid penalties may be enforced in the same manner as the tax imposed by this chapter. The certificate of the commission to the effect that a tax and/or amount required to be paid by this chapter has not been paid, that a return has not been filed, or that information has not been supplied pursuant to the provisions of this chapter, shall be prima-facie evidence thereof. The secretary of state shall, upon receipt of such certified copy, revoke the permit authorizing said corporation to do business in this state, and shall issue a new permit only when such corporation shall have obtained from the commission an order finding that such corporation has complied with its obligations under this chapter. No order authorized in this section shall be made until the retailer is given an opportunity to be heard and to show cause why such order should not be made, and he shall be given ten days notice of the time, place, and purpose of such hearing. The commission shall have the power in its discretion to issue a new permit pursuant to section 422.53 after such revocation. [C39, §6943.122; C46, 50, 54, §423.22]

§424.1, CHAIN STORE TAX

424.1 Title. This chapter shall be known as the "Chain Store Tax Act of 1935". [C35, §6943-41; C39, §6943.126; C46, 50, 54, §424.1]

424.2 Definitions. The following words, terms, and phrases, when used in this chapter, shall have the meanings ascribed to them in this section except where the context clearly indicates a different meaning.

1. The word "commission" means the state tax commission.

2. "Person" includes any individual, firm, copartnership, joint adventure, association, corporation, estate, trust, business trust, receiver, or any other group or combination acting as a unit, and the plural as well as the singular thereof, and all firms however organized and whatever be the plan of operation.

3. "Sale" means any transfer, exchange, or barter, conditional or otherwise, in any manner or by any means whatsoever, for a consideration.

4. "Retail sale" or "sale at retail" means the sale to a consumer or to any person for any purpose, other than for resale, of tangible personal property including goods, wares, and merchandise.

5. "Business" includes any merchandising activity engaged in by any person or caused to be engaged in by him with the object of gain, profit, or advantage, either direct or indirect.

6. "Store" means any store or stores, or any mercantile or other establishment in which tangible goods, wares, or merchandise of any kind are sold or kept for sale at retail.

7. "Conducting a business by a system of chain stores" when used in this chapter shall be construed to mean and include every person, as defined in this chapter, in the business of owning, operating, or maintaining, directly or indirectly, under the same general management, supervision, control, or ownership in this state, and/or in this state and any other state, two or more stores, where goods, wares, articles, commodities, or merchandise of any kind whatsoever are sold or offered for sale at retail and where the person operating such store or stores receives the retail profit from the commodities sold therein. Two or more stores shall, for the purpose of this chapter, be treated as being under a single or common ownership, control, supervision, or management, if directly or indirectly owned or controlled by a single person or any group of persons, or by a common interest in such stores, or if any part of the gross revenues, net revenues, or profits from such store shall, directly or indirectly, be required to be immediately or ultimately made available for the beneficial uses, or shall directly or indirectly inure to the immediate or ultimate benefit, of any single person or group of persons having a common interest therein. Not more than one of said stores need be located in this state, if one or more of said stores of said person is located in any other state. The fact that two or more retail stores are ostensibly owned and operated by different persons, shall not defeat the application of this chapter where such stores are under the same general management, supervision, or ownership. Lease and agency, and lease and ownership agreements or contracts, or operation under a common name shall, unless shown to the contrary, be deemed to constitute operation under the same general management, supervision, or ownership. Provided, however, that leased or licensed departments, located in a store under a contract obligating such departments to pay to the store a fixed rental or a percentage of the gross receipts, shall not be deemed to be owned, operated, supervised, or managed by the store in which such departments are located.

8. "Gross receipts" when used in this chapter shall be construed to mean and include the total amount of all sales at retail valued in money, whether received in money or otherwise, provided, however, that discounts for any purpose allowed or taken on sales shall not be included, nor shall the sale price of property returned by customers when the full sale price thereof is refunded either by cash or in credit be included. Provided, however, that on sales at retail valued in money when such sales are made under a conditional sales contract, or under other forms of sale wherein
the payment of the principal sum thereunder be extended over a period longer than sixty days, that only such portion of the sale amount thereof shall be accounted for, for the purpose of the imposition of the tax in this chapter as has actually been received in cash by the retailer during the taxable year as herein defined. Gross receipts as interpreted under this section shall not include any federal or state sales tax or any special taxes now or hereafter imposed by the state or federal government which special tax or taxes are added to or included in the retail selling price of any merchandise sold under this chapter. Gross receipts shall not include the consideration received by the vendor from the purchaser residing without this state unless the purchaser is present within this state at the time of such sale or purchase.

9. "Taxable year" means the year commencing on July 1 and ending on June 30 of each calendar year. [C35,§6943-g2; C39,§6943.127; C46, 50, 54,§424.2]

4. Liquor stores, established and operated by the state liquor control commission.

5. Hotels or rooming houses, including dining rooms or cafes operated in connection therewith and by the same management. [C35,§9943-g3; C39,§9943.128; C46, 50, 54,§424.3]

There is hereby imposed upon every person within the state of Iowa engaged in conducting a business by a system of chain stores from any of which stores are sold or otherwise disposed of at retail, tangible personal property such as goods, wares, and merchandise an annual occupation tax for each taxable year during which year or any part thereof, such person is so engaged, as follows to wit:

1. A specific amount on each person engaged in conducting a business by a system of chain stores to be determined as follows:

The tax imposed by subsection 1 hereof shall be due and payable on July 1, 1933 and on July 1 of each succeeding year thereafter; the tax imposed hereby as far as measured by subsection 1 hereof, shall be computed on the basis of the number of stores operated by any person under a system of chain stores in this state as of July 1 of each taxable year. [C35,§9943-g4; C39,§9943.129; C46, 50, 54,§424.4]

424.5 Failure to file return—incorrect return. If a return required by this chapter is not filed, or if a return when filed is incorrect or insufficient and the maker fails to file a corrected or sufficient return within twenty days after the same is required by notice from the commission, such commission shall determine the amount of tax due from such information as it may be able to obtain and, if necessary, may estimate the tax on the basis of external indices, such as number of employees of the person concerned, rentals paid by him, his stock on hand, and/or other factors. The commission shall give notice of such determination to the person liable for the tax. Such determination shall finally and irrevocably fix the tax unless the person against whom it is assessed shall, within thirty days after the giving of notice of such determination, apply to the commission for a hearing or unless the commission of its own motion shall reduce the same. At such hearing evidence
may be offered to support such determination or to prove that it is correct. After such hearing the commission shall give notice of its decision to the person liable for the tax. [C35, §6943-g6; C39, §6943.130; C46, 50, 54, §424.5]

§424.7 Lien of tax—collection—action authorized.

Whenever any taxpayer liable to pay a tax and/or penalty imposed refuses or neglects to pay the same, the amount, including any interest, penalty, or addition to such tax, together with the court costs that may accrue in the collection thereof, shall be a lien in favor of the state of Iowa upon all property and rights to property, whether real or personal, belonging to said taxpayer.

The lien aforesaid shall attach at the time the tax becomes due and payable and shall continue until the liability for such amount is satisfied.

In order to preserve the aforesaid lien against subsequent mortgagees, purchasers, or judgment creditors, for value and without notice of the lien, on any property situated in a county, the commission shall file with the recorder of the county, in which said property is located, a notice of said lien.

The county recorder of each county shall prepare and keep in his office a book to be known as “index of chain store tax liens” so ruled as to show in appropriate columns the following data, under the names of taxpayers, arranged alphabetically:

1. The name of the taxpayer.
2. The name “State of Iowa” as claimant.
3. Time notice of lien was received.
4. Date of notice.
5. Amount of lien when due.
6. When satisfied.

The recorder shall indorse on each notice of lien the day, hour, and minute when received and preserve the same, and shall forthwith index said notice in said index book and shall forthwith record said lien in the manner provided for recording real estate mortgages, and the said lien shall be effective from the time of the indexing thereof.

The commission shall pay a recording fee as provided in section 335.14 for the recording of such lien, or for the satisfaction thereof.

Upon the payment of a tax as to which the commission has filed notice with a county recorder, the commission shall forthwith file with said recorder a satisfaction of said tax and the recorder shall enter said satisfaction on the notice on file in his office and indicate said fact on the index aforesaid.

Upon any tax herein provided for becoming delinquent the commission may notify the county treasurer of any county in which the person owing the tax owns real or personal property of the amount of such delinquent tax with interest and penalties. Upon receiving such notification the treasurer shall spread the amount of such tax with interest and penalties upon the records in his office against the person owing the same and shall proceed to collect such amount in the manner provided for the collection of delinquent taxes under chapters 445, 446, 447, 448.

The amount realized by the method provided in this paragraph shall not discharge the lien of such tax unless the full amount owing is received. Any amount received by the treasurer shall be remitted by him to the commission.

The attorney general, shall, upon the request of the commission, bring an action at law or in equity, as the facts may justify, without bond, to enforce payment of any taxes and/or penalties, and in such action he shall have the assistance of the county attorney of the county in which the action is pending.

It is expressly provided that the foregoing remedies of the state shall be cumulative and that no action taken by the commission or attorney general shall be construed to be an election on the part of the state or any of its officers to pursue any remedy hereunder to the exclusion of any other remedy provided by law. [C35, §6943-g8; C39, §6943.132; C46, 50, 54, §424.7]

Any period of time which is determined according to the provisions of this chapter by the giving of notice shall commence to run from the date of registration and posting of such notice. [C35, §6943-g9; C39, §6943.135; C46, 50, 54, §424.8; 57GA, ch 267, §48]

Such penalty shall be paid to the commission and disposed of in the same manner as other receipts under this chapter. Unpaid penalties may be enforced in the same manner as the tax imposed.

2. Any person required to make, render, sign, or verify a return or supplementary return, who makes any false or fraudulent return with the intent to defeat or evade the assessment required by law to be made, shall be guilty of a felony and shall, for each such offense, be fined not less than five hundred dollars, nor more than five thousand dollars, or be imprisoned not exceeding one year, or be subject to both fine and imprisonment, in the discretion of the court.

425.5 Correcting listing.
425.6 Waiver by neglect.

425.1 Ratio and manner of distribution.
1. There is hereby appropriated annually from the general fund of the state to the state tax commission to be credited to the homestead credit fund, which fund is hereby created, an amount sufficient to carry out the provisions of this chapter.

The state tax commission shall requisition the state comptroller to issue his warrants on the homestead credit fund payable to the county treasurers of the several counties of the state under the provisions of this chapter.

2. The homestead credit fund shall be apportioned each year as hereinafter provided so as to give a credit against the tax on each eligible homestead in the state, as defined herein; the amount of such credit to be in the same proportion that the assessed valuation of each eligible homestead in the state in an amount not to exceed twenty-five hundred dollars bears to the total assessed valuation of all eligible homesteads in the state in an amount not to exceed twenty-five hundred dollars for each homestead.

3. The revenue distributable from the homestead credit fund, as provided for in subsection 1 hereof, shall be allocated every six months to the several counties of the state in the same proportion that the assessed valuation of all eligible homesteads in each county in an amount not to exceed twenty-five hundred dollars for each homestead, bears to the total assessed valuation of all eligible homesteads in the state in an amount not to exceed twenty-five hundred dollars for each homestead. On March 25, 1938, and every six months thereafter the commission shall certify and remit to the county treasurer of each county in the state the total amount of money which has been apportioned or is then apportionable to that county.

4. On October 1, 1937, and annually thereafter, the commission shall estimate the millage credit not to exceed twenty-five mills to be given to each dollar of eligible homestead valuation based upon the estimated revenue that may be distributable from the homestead credit fund for the ensuing year, and shall certify to the county auditor of each county such millage credit and the amount in dollars thereof. Each county auditor shall then enter such credit against the tax levied on each eligible homestead in each county and payable during the ensuing year, designating on the tax lists such credit as being from the homestead credit fund, and credit shall then be given to the several taxing districts in which such eligible homesteads are located in an amount equal to the credits allowed on the taxes of such homesteads. The amount of said credits shall be apportioned by each county treasurer to the several taxing districts as provided by law, in the same manner as though the amount of the credit had been paid by the owners of said homesteads; provided, however, that the several taxing districts shall not be permitted to draw the funds so credited until after the semiannual allocations have been received by the county treasurer, as provided in this chapter. Each county treasurer shall show on each tax receipt the amount of credit received from the homestead credit fund. [C35, §§6943-03-064; C39, §§6943.100, 6943.142; C46, §§422.09, 425.1; C50, 54, §425.1]

425.2 Qualifying for credit. Any person who desires to avail himself of the benefits provided hereunder shall each year on or before July 1 deliver to the assessor, on blank forms to be furnished by the assessor, a verified statement and designation of homestead as claimed by him, and the assessor shall return said statement and designation on July 2 of each year to the county auditor with his recommendation for allowance or disallowance indorsed thereon. In case the owner of the homestead is in active service in the military, naval, or air forces or nurse corps of this state or of the United States, such statement and designation may be delivered or filed by any member of the owner’s family. The county old-age assistance investigator shall make application for the benefits of this chapter as the agent for and on behalf of persons receiving assistance under chapter 249. [C39, §6943.143; C46, 50, 54, §425.2]
425.3 Verification by board. The county board of supervisors in each county shall forthwith examine all such claims, delivered to the assessors as herein provided, and shall either allow or disallow said claims, and in the event of disallowance notice thereof shall be sent by certified mail to claimant at his last known address. [C39, §6943.144; C46, 50, 54, §425.3; 57 GA, ch 267, §49]

425.4 Certification to treasurer. All claims which have been allowed by the board of supervisors shall be certified on or before August 1, in each year, by the county auditor to the county treasurer, which certificates shall list the name of each owner, legal description of the claimed homestead, and the assessed valuation of said homestead in an amount not to exceed twenty-five hundred dollars for each homestead. The county treasurer shall forthwith certify to the state tax commission the total assessed valuation of all homesteads so certified in an amount not to exceed twenty-five hundred dollars for each homestead. [C39, §6943.145; C46, 50, 54, §425.4]

425.5 Correcting listing. If the assessor who last listed and valued a claimed eligible homestead did not, in the description and valuation thereof, comply with the provisions of section 428.7, he shall, if still in office, on the written request of such claimant and without expense to the claimant or to the county, correct his listing and valuations of such claimed homestead and contiguous real property originally listed and valued by him, and file such corrected listing and valuations with the county auditor, who forthwith shall certify the same to the county treasurer, and said county treasurer shall so correct his tax books; provided, that if the assessor who last listed and valued such property is not still in office, in the assessor in office shall, on such written request and at the expense of the county, so correct such listing and valuations of said homestead and said contiguous real property. [C39, §6943.146; C46, 50, 54, §425.5]

425.6 Waiver by neglect. If any person fails to make claim for the credits provided for under this chapter as herein required, he shall be deemed to have waived the homestead credit for the year in which he failed to make claim. [C39, §6943.147; C46, 50, 54, §425.6]

425.7 Appeals permitted. 1. Any person whose claim is denied under the provisions of this chapter may appeal from the action of the board of supervisors to the district court of the county in which said claimed homestead is situated by giving written notice of such appeal to the county auditor of said county within twenty days from the date of mailing of notice of such action by the board of supervisors.

2. In the event any claim under this chapter is allowed, any owner of an eligible homestead may appeal from the action of the board of supervisors to the district court of the county in which said claimed homestead is situated, by giving written notice of such appeal to the county auditor of said county and such notice to the owner of said claimed homestead as a judge of the district court shall direct.

3. Should the state tax commission determine, upon investigation, that any claim for homestead credit has been allowed by any board of supervisors which is not justifiable under the law and not substantiated by proper facts, the commission may, at any time within one year after the receipt by the state tax commission of the certification of such credit by any county treasurer, set aside such allowance. Notice of such disallowance shall be given to the county auditor of the county in which such claim has been improperly granted and a written notice of such disallowance shall also be addressed to the claimant at his last known address. Such claimant, or the board of supervisors, may appeal from the action of the state tax commission in the same manner, and in the same time, as provided by subsection 1. Where such appeal is taken by the claimant or by the board of supervisors, the appellant shall within ten days after the filing of such appeal, notify the chairman of the state tax commission by restricted certified mail of the filing of said appeal. In any case where a claim is the subject of the action of the state tax commission and no appeal is taken from such disallowance, any amounts of credits allowed and paid from the homestead credit fund shall become a lien upon the property on which said credit was originally granted, if still in the hands of the claimant, and not in the hands of a bona fide purchaser, and any amount so erroneously paid shall be collected by the county treasurer in the same manner as other taxes and such collections shall be returned to the state tax commission and credited to the homestead credit fund. The state tax commission shall also have the authority to institute legal proceedings against a homestead credit claimant for the collection of all payments made on such disallowed credits.

Said appeals shall be tried by equitable proceedings. [C39, §6943.148; C46, 50, 54, §425.7; 57 GA, ch 267, §50]

425.8 Forms—rules. The commission shall prescribe the form for the making of verified statement and designation of homestead, and the form for the supporting affidavits required herein, and such other forms as may be necessary for the proper administration of this chapter. As soon as practicable after the effective date of this chapter, and from time to time thereafter as necessary the commission shall forward to the county auditors of the several counties in the state such prescribed sample forms, and the county auditors shall furnish blank forms prepared in accordance therewith with the assessment rolls, books, and supplies delivered to the assessors.

The commission shall have the power and authority to prescribe rules and regulations, not inconsistent with the provisions of this.
chapter, necessary to carry out and effectuate its purposes. [C39, §6943.149; C46, 50, 54, §425.8]

425.9 Credits in excess of tax—appeals—refunds. If the amount of credit apportioned to any homestead under the provisions of this chapter in any year shall exceed the total tax, exclusive of any special assessments levied against said homestead, then such excess shall be remitted by the county treasurer to the state tax commission to be redeposited in the homestead credit fund and be reallocated the following year by the commission as provided hereunder.

In the event any claim for credit made hereunder has been denied by the board of supervisors, and such action is subsequently reversed on appeal, the same millage credit shall be allowed on the assessed valuation, not to exceed twenty-five hundred dollars in amount, of the homestead involved in said appeal, as was allowed on other homestead valuations for the year or years in question, and the state tax commission, the county auditor, and the county treasurer are hereby authorized and directed to make such millage credit and to change their books and records accordingly.

In the event the appealing taxpayer has paid one or both of the installments of the tax payable in the year or years in question on such homestead valuation, remittance shall be made to such taxpayer of the amount of such credit.

The amount of such credit shall be allocated and paid from the surplus redeposited in the homestead credit fund provided for in the first paragraph of this section. [C39, §6943.150; C46, 50, 54, §425.9]

425.10 Reversal of allowed claim. In the event any claim is allowed, and subsequently reversed on appeal, any credit made thereunder shall be void, and the amount of such credit shall be charged against the property in question, and the state tax commission, the county auditor, and the county treasurer are authorized and directed to correct their books and records accordingly. The amount of such erroneous credit, when collected, shall be returned by the county treasurer to the homestead credit fund to be reallocated the following year as provided herein. [C39, §6943.151; C46, 50, 54, §425.10]

426.9 Pro rata disbursement. If the appropriation herein is insufficient to pay the credits in full, then in that event they shall be paid on a pro rata basis. [C46, 50, 54, §426.9]

426.10 Rules and regulations prescribed. The state comptroller shall have the power and authority to prescribe forms, rules, and regulations, not inconsistent with the provisions of this chapter, necessary to carry out and effectuate its purposes. [C54, §426.10]
be payable upon such property in the taxing district to which such property is located. [C50, 54,§426A.2; 56GA, ch 216,$1]

426A.3 Computation by auditor. On or before August 1 of each year the county auditor shall certify to the county treasurer all claims for military service tax exemptions which have been allowed by the board of supervisors. Such certificate shall list the name of each owner and the legal description of the property upon which military service tax exemption has been granted, or the nature of the property upon which such military service tax exemption has been allowed on property other than real estate. The county treasurer shall forthwith certify to the state tax commission the amount of taxes which would be levied upon each property not in excess of twenty-five mills on each dollar of assessed valuation, at the regular property tax rate imposed on other real and personal property in the taxing district where such military service tax exemption has been granted, were such property subject to normal property taxation. [C50, 54, §426A.3]

426A.4 Certification by tax commission. Sums distributable from the military service tax credit fund shall be allocated every six months to the several counties of the state. On March 25, 1955, September 25, 1955, and every six months thereafter, the state tax commission shall certify to the comptroller the total credits claimed by each county. On or before March 25, 1955, and every six months thereafter, upon receipt of the certification from the state tax commission, the comptroller shall draw warrants to the treasurer of each county payable from the military service tax credit fund in the amount claimed; provided that if the amount of money in said fund is insufficient to pay the credits claimed in full, then in that event they shall be paid on a pro rata basis. [C50,§§426A.2, 426A.4; 56GA, ch 216, §2]

426A.5 Proportionate shares to districts. The amount of credits received under this chapter shall then be apportioned by each county treasurer to the several taxing districts. Each taxing district shall receive its proportionate share of the military service tax credit allowed on each and every tax exemption allowed in such taxing district, in the proportion that the levy made by such taxing district upon general property bears to the total levy upon all property subject to general property taxation by all taxing districts imposing a general property tax in such taxing district. [C50,§§426A.2, 426A.4; 56GA, ch 216, §3]

426A.6 Setting aside allowance. Should the state tax commission determine, upon investigation, that any claim for military service tax exemption has been allowed by any board of supervisors which is not justifiable under the law and not substantiated by proper facts, the commission may, at any time within one year after the receipt by the state tax commission of the certification of such exemption by any county treasurer, set aside such allowance. Notice of such disallowance shall be given to the county auditor of the county in which such claim has been improperly granted and a written notice of such disallowance shall also be addressed to the claimant at his last known address. Such claimant, or the board of supervisors, may appeal from the action of the state tax commission in the same manner, and in the same time, as provided for appeals from disallowance by the board of supervisors. When such appeal is taken by claimant or by the board of supervisors, the appellant shall, within ten days after the filing of such appeal, notify the chairman of the state tax commission, by restricted certified mail of the filing of said appeal. In any case, where a claim is so disallowed by the state tax commission and no appeal is taken therefrom, any amounts of credits allowed and paid from the military service tax credit fund shall become a lien upon the property on which said credit was originally granted, if still in the hands of the claimant, and not in the hands of a bona fide purchaser, and any amount so erroneously paid shall be collected by the county treasurer in the same manner as other taxes and such collections shall be returned to the state tax commission and credited to the military service tax credit fund. The state tax commission shall also have the authority to institute legal proceedings against a military service tax exemption claimant for the collection of all payments made on such disallowed exemptions. Said appeals shall be tried by equitable proceedings. [C50, 54,§426A.6; 57GA, ch 267,$51]

426A.7 Forms—rules. The state tax commission shall prescribe the form for the making of a verified statement and designation of property eligible for military service tax exemption, and the form for the supporting affidavits required herein, and such other forms as may be necessary for the proper administration of this chapter. As soon as practicable after the effective date of this chapter, and from time to time thereafter as necessary, the commission shall forward to the county auditors of the several counties of the state, such prescribed sample forms. The commission shall have the power and authority to prescribe rules and regulations, not inconsistent with the provisions of this chapter, necessary to carry out and effectuate its purposes. [C50, 54, §426A.7]

426A.8 Excess remitted—appeals. If the amount of credit apportioned to any property eligible to military service tax exemption under the provisions of this chapter in any year shall exceed the total tax, exclusive of any special assessments levied against such property eligible for military service tax exemption, then such excess shall be remitted by the county treasurer to the state tax commission...
§426A.8, MILITARY SERVICE TAX CREDIT

to be redeposited in the military service tax credit fund and reallocated the following year by the commission as provided hereunder.

In the event any claim for exemption made hereunder has been denied by the board of supervisors, and such action is subsequently reversed on appeal, the same millage credit shall be allowed on the assessed valuation, not to exceed the amount of the military service tax exemption involved in said appeal, as was allowed on other military service tax exemption valuations for the year or years in question, and the state tax commission, the county auditor, and the county treasurer are hereby authorized and directed to make such millage credit and to change their books and records accordingly.

In the event the appealing taxpayer has paid one or both of the installments of the tax payable in the year or years in question on such military service tax exemption valuation, remittance shall be made to the county treasurer in the amount of such credit.

The amount of such credit shall be allocated and paid from the surplus redeposited in the military tax credit fund provided for in the first paragraph of this section. [C50, 54, §426A.8]

426A.9 Erroneous credits. In the event any claim is allowed, and subsequently reversed on appeal, any credit made thereunder shall be void, and the amount of such credit shall be charged against the property in question, and the state tax commission, the county auditor and the county treasurer are authorized and directed to correct their books and records accordingly. The amount of such erroneous credit, when collected, shall be returned by the county treasurer to the military service tax credit fund to be reallocated the following year as provided herein. [C50, 54, §426A.9]

426A.10 Balance in reserve. Any balance not required for the payment of military service tax credits in any one year from the funds appropriated shall remain in the military service tax credit fund as a reserve to be applied upon payment of future claims. [C50, 54, §426A.10]

In assessing said railway and its equipment, said state commission shall take into consideration the gross earnings per mile for the year ending January 1, preceding, and any and all other matters necessary to enable said state commission to make a just and equitable assessment of said railway property. If a part of any railway is without this state, then, in estimating the value of its rolling stock and movable property, it shall take into consideration the proportion which the business of that part of the railway lying within the state bears to the business of the railway without this state.

For the purpose of assessment of its property which is subject to property taxation,
every corporation, company or person operating a public passenger transit system in cities having a population of one hundred twenty-five thousand or over, consisting of streetcars or trackless-trolley passenger busses propelled by electric power obtained from overhead trolley wires and/or self-propelled motor driven passenger busses operated between fixed terminals shall be subject to assessment in the same manner as a railway. Such valuation shall be in the same ratio as that of the property of individuals, and shall be added to the assessed valuation of the corporation, fixed under the preceding sections. 436.7 Actual value—how ascertained. The state tax commission shall first ascertain the actual value of the entire property owned by said company, from said statements or otherwise, for that purpose taking the aggregate market value of all shares of capital stock, in case said shares have a market value, and, in case they have none, taking the actual value thereof or of the capital of said company, in whatever manner the same is divided, in case no shares of capital stock have been issued; provided, however, that in case the whole or any portion of the property of said company shall be encumbered by a mortgage or mortgages, such state commission shall ascertain the actual value of such property by adding to the market value or the aggregate shares of stock or to the value of the capital, in case
there shall be no such shares, the aggregate amount of the market or cash value of such mortgage or mortgages, and the result shall be deemed and treated as the actual value of the property of such company. The state tax commission shall, for the purpose of ascertaining the actual value of the property within the state, next ascertain from such statements or otherwise the actual value of the property, both real and personal, owned by the company, and which is used exclusively outside the general business of the company, and also the actual value of that part of its property, if any, without the state which cannot lawfully be considered in determining the mileage value of its routes; and the aggregate of such values shall be deducted from the entire actual value of the property as above ascertained. The state tax commission shall next ascertain and deduct the actual value of the sea or ocean routes of any such company, and in ascertaining the same may take into consideration the earnings, both gross and net, per mile, of such sea or ocean routes, as compared with the earnings, gross and net, of the land routes of such company, or may ascertain their value in any other practicable manner, and may require that the reports heretofore provided for shall show such earnings. Thereupon the state tax commission shall ascertain the actual value of the property of such company within the state, and for that purpose may take into consideration the proportional value of the company’s property without and within the state, and shall take as a basis of valuation of the company’s property in this state the proportion of the whole aggregate value of the property of said company, as above ascertained, after making the deductions above provided for which the length of the routes within the state bears to the whole length of the routes of such company other than sea or ocean routes, and such amount so ascertained shall be considered and taken to be the entire actual value of the property of such company within the state. From the entire actual value of the property within the state so ascertained, there shall be deducted by the said state commission the actual value of all the real estate, buildings, machinery, appliances, and personal property not used exclusively in the conduct of the business within the state that are subject to local taxation within the counties, townships, and other assessment districts as herebefore described in the sixth subsection of section 436.3. [S13, §1346-d; C24, 27, 31, 35, 39, §7083; C46, 50, 54, §436.7]

436.8 Actual value per mile—taxable value. The state tax commission shall thereafter ascertain the value per mile of the property within the state, by dividing the total value as above ascertained, after deducting the specific properties locally assessed within the state, by the number of miles within the state, and the result shall be deemed and held to be the actual value per mile of the property of such company within the state. The assessed or taxable value shall be determined by taking that percentage of the actual value so ascertained, as is provided by section 441.13, and such valuation and assessment shall be in the same ratio as that of the property of individuals. [S13, §1346-e; C24, 27, 31, 35, 39, §7084; C46, 50, 54, §436.8]

See §441.13

436.9 Assessment in each county—how certified. Said state tax commission shall thereupon, for the purpose of determining what amount shall be assessed by it to said company in each county of the state through, across, into, or over which the route of said company extends, multiply the value per mile, as above ascertained, by the number of miles in each of said counties, as reported in said statements, or as otherwise ascertained, and the result thereof, with the mileage and the rate of assessment per mile, shall be by said state commission certified to the auditors respectively of the several counties through, into, over, and across which the routes of said company extend. [S13, §1346-f; C24, 27, 31, 35, 39, §7085; C46, 50, 54, §436.9]

436.10 Entry of certificate. At the first meeting of the board of supervisors held after such certificate is received by the county auditor, it shall cause the same to be entered in its minute book, and make and enter therein an order stating the length of the routes and the assessed value of each in each city, town, township, or other taxing district in its county, through or into which said routes extend, which shall constitute the taxable value of said property for taxing purposes, and the taxes on said property, when collected by the county auditor, shall be disposed of as other taxes. 436.11 Levy of tax—rates. The county auditor shall immediately thereafter transmit a copy of said order to the councils of cities, or towns, and to the trustees of each township in the county, and shall also add to the value so apportioned the assessed value of the real estate, buildings, machinery, fixtures, appliances, and personal property not used exclusively in the conduct of the business within the state that are subject to local taxation within the counties, townships, or other assessment districts as herebefore described in the sixth subsection of section 436.3. [S13, §1346-d; C24, 27, 31, 35, 39, §7083; C46, 50, 54, §436.7]

Referred to in §420.207

The state tax commission shall then ascertain the value per mile of such transmission line or lines owned or operated by each company specified in section 437.2, by dividing the total value as above ascertained by the number of miles of line of such company within the state located outside of cities and towns, and the result shall be deemed and held to be the actual value per mile of said transmission line or lines of each of said companies within the state located outside of cities and towns. [SS15,§1346-m; C24, 27, 31, 35, 39,§7094; C46, 50, 54,§437.6]

The county auditor shall transmit a copy of said order to the trustees of each township and to the proper taxing boards in lesser taxing districts into which the line or lines of said company extend in the county. 441.1 Office created. In every county in the state of Iowa the office of county assessor is hereby created. [C50, 54 § 441.1]

441.2 Reappointment — examination. Not less than ninety days before the expiration of the regular term of any county assessor, the county auditor is hereby authorized to call a meeting of a conference as provided by the provisions of section 442.1 for the purpose of determining whether or not the conference board desires to reappoint the incumbent county assessor for a new term of four years or whether or not a new examination shall be held to provide eligibles for appointment as county assessor. The conference board shall have the power to reappoint the incumbent assessor without re-examination if it sees fit to do so, and procedure for such appointment shall be similar to that provided for the appointment by the conference of members of the board of review. If such conference decides upon a reappointment of the incumbent assessor, notice of such reappointment shall be certified to the state tax commission. [C50, 54 § 441.2]

441.3 Vacancy in assessor's office. In case of any vacancy in the office of the county assessor the county auditor shall act as temporary county assessor until such time as a new county assessor is selected. If any vacancy occurs among the full time deputies the assessor shall call for an examination for deputy assessors. Unless a reappointment has been certified to the state tax commission as provided in section 441.2, whenever a vacancy shall occur in the office of the county assessor or not later than sixty days before the expiration of the term of any county assessor, the state tax commission shall cause to be held an examination for county assessors in the county seat of said county. Notice of such examination shall be posted in a prominent position in the court house of such county seat and notice of such examination shall be published once in at least three newspapers of general circulation in each county. In the event there are less than three newspapers of general circulation in the county, publication made in available newspapers shall be deemed sufficient. Persons desirous of taking such examination shall notify the state tax commission in writing at least twenty days before the date fixed by the tax commission for such examination. The examination shall be open to all persons residents of the county for at least one year, who desire to present themselves and who have notified the commission as above provided and who are qualified voters and residents of the county. The examination shall be conducted under rules and regulations prescribed by the state tax commission. It shall cover the general field of laws pertaining to the assessment of property taxation in Iowa; laws pertaining to tax exemption; the principles of valuation of real estate; laws pertaining to the assessment of personal property and the duties and powers in general of assessors. There shall be taken into consideration in the grading of candidates the executive ability, physical condition, experience and general reputation of the candidate.

The state tax commission shall certify as rapidly as possible to the appointive conference of the county concerned, the names of eligibles for appointment as county assessor. This list of names shall include all persons who have passed examinations at a grade of not less than seventy percent. The same provision as to examination and certification shall apply when the appointment is to be made of any full time deputy assessor by the county assessor, and the same examination may be taken by candidates either for the office of assessor or the position of full time deputy assessor.

In the event that no person taking an examination is found to be qualified by the state tax commission, a new examination shall be...
§441.3, COUNTY ASSESSOR

called in the same manner as the original examination and in the event that no applicant is found eligible in the second examination, the conference as provided by the provisions of section 442.1 shall appoint the county assessor or full time deputy assessor as the case may be, but such appointee shall have been a resident of such county for the year preceding the date of such appointment.

Certification shall be made to the county auditor of the county for which the examination has been held, of the eligibility or ineligibility of the persons who have taken the examination. Upon receipt of such certification the county auditor shall call a conference as provided by the provisions of section 442.1 which conference shall select from the eligible list the county assessor or full time deputy assessor as the case may be. The term of any county assessor thus selected shall be for four years from the expiration of the term of his predecessor, except that in the case of any vacancy, not due to termination of a four-year term, the appointment shall be effective only for the balance of the term of the assessor who is succeeded in office, provided that when the unexpired term is less than one year, the successor shall serve for the unexpired term plus four years. Full time deputy assessors shall serve at the pleasure of the county conference. In the selection of an assessor or full time deputy assessor by the conference, the same procedure shall apply as to that for selection of members of the county boards of review. [C50, 54,§441.3]

441.4 Duties of deputy. A deputy assessor, or if more than one, the first deputy, in the absence or disability of the assessor, shall perform all the duties of or pertaining to the office of the assessor. [C50, 54,§441.4]

The county assessor shall prepare a proposed budget for the county assessor's office, and submit same to the county conference board which shall approve, disapprove, or adjust said budget. The county conference shall certify the tax levy required for operation of the office as provided by chapter 24 and the conference as created by the provisions of section 442.1 is hereby declared the certifying board as defined by section 24.2. Any tax for the maintenance of the office of the county assessor and other assessment procedure, shall be levied only upon taxing districts of the county which are assessed by the county assessor, and such tax levy shall not exceed one and one-half mills where the valuation upon which the tax is levied does not exceed twenty-five million dollars; one and one-quarter mills in counties where the valuation upon which the tax is levied exceeds twenty-five million dollars and does not exceed thirty million dollars; one mill in counties where the valuation upon which the tax is levied exceeds thirty million dollars and does not exceed forty million dollars; three-fourths mill in counties where the valuation upon which the tax is levied exceeds forty million dollars; provided, however, that in counties containing a city assessing district and the valuation of the taxing districts of the county which are assessed by the county assessor exceed forty million dollars a levy of not to exceed one mill may be made, except that in any county now or hereafter having a population of more than one hundred ninety thousand whose board of supervisors has contracted or may contract for the employment of expert appraisers to assist the county assessor in determining the value of property for taxation, the board of supervisors may levy a special tax against all the taxable property in the county and appropriate and expend the same for the purpose of paying the cost of such services, or return the same to funds from which transfers were made for such purpose. [C50, 54,§441.5; 57GA, ch 215,§1]

441.6 Bond and salary. The county assessor shall be required to furnish such bond for performance of his duties as the board of supervisors may require, and the county shall pay for such bond.

The county conference as established by the provisions of section 442.1 shall fix the salary of the county assessor which shall not be more than that of the salary of the county auditor in each county, provided, however, that with the approval of the board of supervisors the county conference may fix such salary in excess of the salary of the county auditor. CHAPTER 444
TAX LEVIES

CERTIFICATION OF TAXES

444.1 Basis for amount of tax. In all taxing districts in the state, including townships, school districts, cities, towns, and counties, when by law then existing the people are authorized to determine by vote, or officers are authorized to estimate or determine, a rate of taxation required for any public purpose, such rate shall in all cases be estimated and based upon the adjusted taxable valuation of such taxing district for the preceding calendar year. [C24, 27, 31, 35, 39, §7162; C46, 50, 54, §444.1]

Referred to in §§444.8

444.2 Amounts certified in dollars. [C24, 27, 31, 35, 39, §7163; C46, 50, 54, §444.2]

Provided that the county auditor shall, in computing the tax rate for any taxing district, deduct from the total budget requirements certified by any such district all of the tax to be derived from the moneys and credits and other moneyed capital taxed at a flat rate as provided in section 429.2 and shall then apply such rate to the adjusted taxable value of the property in the district, necessary to raise the amount required after the deductions herein provided have been made. [C24, 27, 31, 35, 39, §7166; C46, 50, 54, §444.4]

[C24, 27, 31, 35, 39, §7167; C46, 50, 54, §444.5]

The state comptroller shall prescribe and furnish the county auditors forms and instructions to aid them in determining the legality and authorized amount of tax levies. In the case of an excessive levy, it shall be the duty of the county auditor to reduce it to the maximum amount authorized by law, and in any event not in excess of the amount certified; and in case of an illegal levy the county auditor shall not enter or carry any tax on the tax lists for such levy. [C24, 27, 31, 35, 39, §7169; C46, 50, 54, §444.7]

446.36 Certified copies of records as evidence. 450.82 Conflicting claims for fees. In the event of uncertainty or of conflicting claims as to fees due county attorneys or clerks under this chapter, the state tax commission is empowered to determine the amount of fees, to whom payable, and when the same are due and, as far as possible, such determination shall be in accord with fixed rules made by the state tax commission. [S13, §1481-a33; C24, 27, 31, 35, 39, §7386; C46, 50, 54, §450.82]

450.83 Inspection of records by court—newly discovered estates—notice—hearing. On the first day of each regular term, the court shall require the clerk to present for its inspection the inheritance tax and lien book hereinbefore provided for, together with all reports of administrators, executors, and trustees which have been filed pursuant to this chapter since the last preceding term. If, from information obtained from the records or reports, or from any other source, the court has reason to believe that there is property within its jurisdiction liable to the payment of an inheritance tax, against which proceedings for collection are not already pending, it shall enter an order of record directing the clerk to notify the state tax commission of such fact, and the clerk shall enter said estate on the inheritance tax book. Should any estate, or the name of any grantee or grantees be placed upon the book at the suggestion of the clerk or by order of court, in which the papers already on file in the clerk’s office do not disclose that an inheritance tax is due or payable, the clerk shall forthwith give to all parties in interest such notice as the court or judge may prescribe, requiring them to appear on a day to be fixed by the said court or judge, and show cause why the property should not be appraised and subjected to said tax. At any such hearing any person may be required to appear and answer as to his knowledge of any such estate or property, and it shall be the duty of the clerk to notify the state tax commission of the time and place of such hearing. If upon any such hearing the court is satisfied that any property of the decedent, or any property devised, granted, or donated by him is subject to the tax, the same proceeding shall be had as in other cases, so far as applicable. [S13, §1481-a34; C24, 27, 31, 35, 39, §7387; C46, 50, 54, §450.83]

450.84 Costs charged against estate—exceptions. In all cases where an estate or interest therein so passes as to be liable to taxation under this chapter, all costs of the proceedings had for the assessment of such tax shall be chargeable to such estate as other costs in probate proceedings and, to discharge the lien, all costs as well as the taxes must be paid. In all other cases the costs are to be paid as ordered by the court. When a decision adverse to the state has been rendered, with an order that the state pay the costs, it shall be the duty of the clerk of the court in which such action was pending to certify the amount of such costs to the state tax commission, which shall, if said costs be correctly certified and the case has been finally terminated and the tax if any due has been paid, present the claim to the state comptroller to audit and, said claim being allowed by said comptroller, the comptroller is directed to issue a warrant on the treasurer of state in payment of such costs. [S13, §1481-a35; C24, 27, 31, 35, 39, §7388; C46, 50, 54, §450.84] Referred to in §450.85

450.85 Appropriation. There is hereby appropriated out of any funds in the state treasury not otherwise appropriated a sum sufficient to carry out the provisions of section 450.84. [C27, 31, 35, §7389-a1; C39, §7389.1; C46, 50, 54, §450.85]

450.86 Securities and assets held by bank, etc. No safe deposit company, trust company, bank, or other institution, person or persons holding securities or assets of the decedent shall deliver or transfer the same to the executor, administrator, or personal representative of the decedent unless the tax for which such securities or assets are liable under this chapter shall be first paid, or the payment thereof is secured by bond as herein provided. It shall be lawful for and the duty of the state tax commission personally, or by any person by it duly authorized, to examine such securities or assets at the time of any proposed delivery or transfer. Failure to serve ten days notice of such proposed transfer upon the state tax commission or to allow such examination on the delivery of such securities or assets to such executor, administrator, or legal representative shall render such safe deposit company, trust company, bank, or other institution, person or persons liable for the value of such securities or assets as provided in this chapter. [S13, §1481-a36; C24, 27, 31, 35, 39, §7389; C46, 50, 54, §450.86]

450.87 Transfer of corporation stock. If a foreign executor, administrator, or trustee shall assign or transfer any corporate stock or obligations in this state standing in the name of a decedent, or in trust for a decedent, liable to such tax, the tax shall be paid to the state tax commission on or before the transfer thereof; otherwise the corporation permitting its stock to be so transferred shall be liable to pay such tax, interest, and costs, and it is the duty of the state tax commission to enforce the payment thereof. [S13, §1481-a37; C24, 27, 31, 35, 39, §7390; C46, 50, 54, §450.87]

1531 INHERITANCE TAX, §450.88

1538 Corporations to report transfers. Every Iowa corporation organized for pecuniary profit shall, on July 1 of each year, by its proper officers under oath, make a full and correct report to the state tax commission of all transfers of its stocks made during the preceding year by any person who appears on the books of such corporation as the owner of such stock,
when such transfer is made to take effect at or after the death of the owner or transferor, and all transfers which are made by an administrator, executor, trustee, referee, or any person other than the owner or person in whose name the stock appeared of record on the books of such corporation, prior to the transfer thereof. Such report shall show the name of the owner of such stocks and his place of residence, the name of the person at whose request the stock was transferred, his place of residence and the authority by virtue of which he acted in making such transfer, the name of the person to whom the transfer was made, and the residence of such person, together with such other information as the officers reporting may have relating to estates of persons deceased who may have been owners of stock in such corporation. If it appears that any such stock so transferred is subject to tax under the provisions of this chapter, and the tax has not been paid, the state tax commission shall notify the corporation in writing of its liability for the payment thereof, and shall bring suit against such corporation as in other cases herein provided unless payment of the tax is made within sixty days from the date of such notice. [S13, §1481-a38; C24, 27, 31, 35, 39, §7391; C46, 50, 54, §450.88]

450.89 Foreign estates—deduction of debts. Whenever any property belongs to a foreign estate, which estate in whole or in part passes to persons not exempt herein from such tax, the said tax shall be assessed upon the market value of said property remaining after the payment of such debts and expenses as are chargeable to the property under the laws of this state. In the event that the executor, administrator, or trustee of such foreign estate files with the clerk of the court having ancillary jurisdiction, and with the state tax commission, duly certified statements exhibiting the true market value of the entire estate of the decedent owner, and the indebtedness for which the said estate has been adjudged liable, which statements shall be duly attested by the judge of the court having original jurisdiction, the beneficiaries of said estate shall then be entitled to have deducted such proportion of the said indebtedness of the decedent from the value of the property as the value of the property within this state bears to the value of the entire estate. [S13, §1481-a39; C24, 27, 31, 35, 39, §7392; C46, 50, 54, §450.89]

Referred to in §450.90

450.90 Property in this state belonging to foreign estate. Whenever any property, real or personal, within this state belongs to a foreign estate and said foreign estate passes in part exempt from the tax imposed by this chapter and in part subject to said tax and there is no specific devise of the property within this state to exempt persons or if it is within the authority or discretion of the foreign executor, administrator, or trustee administering the estate to dispose of the property not specifically devised to exempt persons in the payment of
depts owing by the decedent at the time of his death, or in the satisfaction of legacies, devises, or trusts given to direct or collateral legatees or devisees or in payment of the distributive shares of any direct and collateral heirs, then the property within the jurisdiction of this state belonging to such foreign estate shall be subject to the tax imposed by this chapter, and the tax due thereon shall be assessed as provided in section 450.89 relating to the deduction of the proportionate share of indebtedness; provided, however, that if the value of the property so situated exceeds the total amount of the estate passing to other persons than those exempt hereby from the tax imposed by this chapter, such excess shall not be subject to said tax. [S13, §1481-a40; C24, 27, 31, 35, 39, §7393; C46, 50, 54, §450.90]

450.91 Foreign estates — reciprocity — personal property. The tax imposed by this chapter in respect to personal property of nonresidents (other than tangible personal property having an actual situs in this state) shall not be payable (1) if the decedent at the time of his death was a resident of a state or territory of the United States which at the time of his death did not impose a transfer tax or death tax of any character in respect to personal property of residents of that state or territory, or (2) if the laws of the state or territory of residence of the decedent at the time of his death contained a reciprocal provision under which nonresidents were exempted from transfer taxes or death taxes of every character in respect of personal property (other than tangible personal property having an actual situs therein) provided the state or territory of residence of such nonresidents allowed a similar exemption to residents of the state or territory of residence of such decedent.

In no case shall the provisions of this section apply to the intangible personal property of nonresident decedents unless such intangible personal property shall have been subjected to a tax or submitted for purposes of taxation in the state of the decedent's residence.

This section shall apply only to estates of decedents dying subsequent to the effective date* of this section.

For the purpose of this section the District of Columbia and possessions of the United States shall be considered territories of the United States. [C31, 35, §7393-cl; C39, §7393.1; C46, 50, 54, §450.91]

*Effective date July 4, 1929

450.92 Compromise settlement. Whenever an estate charged or sought to be charged with the inheritance tax is of such a nature, or is so disposed, that the liability of the estate is doubtful, or the value thereof cannot with reasonable certainty be ascertained under the provisions of law, the state tax commission may, with the written approval of the attorney general, which approval shall set forth the reasons therefor, compromise with the bene-
ficiaries or representatives of such estates, and compound the tax thereon; but said settlement agreed upon shall discharge the lien against the property of the estate. [S13,§1481-a41; C24, 27, 31, 35, 39,§7394; C46, 50, 54,§450.92]

450.93 Unknown heirs. Whenever the heirs or persons entitled to any estate or any interest therein are unknown or their place of residence cannot with reasonable certainty be ascertained, a tax of five percent shall be paid to the state tax commission upon all such estates or interests, as provided herein in other cases; provided, however, that if it be afterwards determined that any estate or interest passes to aliens, there shall be paid within sixty days after such determination and before delivery of such estate or property, an amount equal to the difference between five percent, the amount paid, and the amount which such person should pay under the provisions of this chapter. [S13,§1481-a42; C24, 27, 31, 35, 39,§7395; C46, 50, 54,§450.93]

Alien beneficiaries, §450.11

450.94 Refund of tax improperly paid. When, within five years after the payment of the tax, a court of competent jurisdiction may determine that property upon which an inheritance tax has been paid is not subject to or liable for the payment of such tax, or that the amount of tax paid was excessive, so much of the tax paid shall be returned or refunded to the executor or administrator of such estate, or to those entitled thereto. When a certified copy of the record of such court showing the fact of nonliability of such property to the payment of such tax has been filed with the state tax commission it shall be appraised at their full, undiminished value when the persons entitled thereto shall come into the beneficial enjoyment or possession thereof, without diminution for or on account of any valuation theretofore made of the particular estates for purposes of taxation, upon which said estates in expectancy may have been limited. When an estate, devise, or legacy can be divested by the act or omission of the legatee or devisee, it shall be taxed as if there were no possibility of such divesting. When a devise, bequest, or transfer is one in part contingent, and in part vested so that the beneficiary will come into possession and enjoyment of a portion of his inheritance on or before the happening of the event upon which the possible defeating contingency is based, a tax shall be imposed and collected upon such bequest or transfer as upon a vested interest, at the highest rate possible under the terms of this chapter if no such contingency existed; provided that in the event such contingency reduces the value of the estate or interest so taxed, and the amount of tax so paid is in excess of the tax for which such bequest or transfer is liable upon the removal of such contingency, such excess shall be refunded as is provided in sections 450.94 and 450.95 in other cases. 455.1 Jurisdiction to establish. The board of supervisors of any county shall have jurisdiction, power, and authority at any regular, special, or adjourned session, to establish a drainage district or districts, and to locate and establish levees, and cause to be constructed as hereinafter provided any levee, ditch, drain, or watercourse, or settling basins in connection therewith, or to straighten, widen, deepen, or change any natural watercourse, in such county, whenever the same will be of public utility or conducive to the public health, convenience, or welfare. [C73, §1207; C97, §1939; S13, §1989-a1; C24, 27, 31, 35, 39, §7421; C46, 50, 54, §455.1]

455.2 Presumption. The drainage of surface waters from agricultural lands or the protection of such lands from overflow shall be presumed to be a public benefit and conducive to the public health, convenience, and welfare. [S13, §1989-a1; C24, 27, 31, 35, 39, §7422; C46, 50, 54, §455.2]

455.3 “Levee” defined—bank protection. For the purpose of this chapter and with reference to improvements along or adjacent to the Missouri river the word “levee” shall be construed to include, in addition to its ordinary and accepted meaning, embankments, revetments, retarders, or any other approved system of construction which may be deemed necessary to adequately protect the banks of any river or stream, within or adjacent to any county, from wash, cutting, or erosion. [C24, 27, 31, 35, 39, §7423; C46, 50, 54, §455.3]

455.4 Definition of terms. Within the meaning of this chapter and chapter 457, the term “board” shall embrace the board of supervisors, the joint boards of supervisors in case of intercounty levee or drainage districts, and the board of trustees in case of a district under trustee management.

The term “commissioners” shall mean the men appointed and qualified to classify lands, fix percentages of benefits, apportion and assess costs and expenses in any levee or drainage district, unless otherwise specifically indicated by law.

The term “appraisers” shall mean the men appointed and qualified to ascertain the value of all land taken and the amount of damage arising from the construction of levee or drainage improvements.

The term, or terms, “engineer” or “civil engineer” shall mean a civil engineer as designated by chapter 114 or a registered professional drainage engineer or a registered professional drainage surveyor. [C24, 27, 31, 35, 39, §7424; C46, 50, 54, §455.4]

Omnibus repeal, §5GA, ch 243, §3
Referred to in §395.12

455.5 General rule for location. The levees, ditches, or drains herein provided for shall, so far as practicable, be surveyed and located along the general course of the natural streams and watercourses or in the general course of natural drainage of the lands of said district; but where it will be more economical or practicable such ditch or drain need not follow the course of such natural streams, watercourses, or course of natural drainage, but may straighten, shorten, or change the course of any natural stream, watercourse, or general course of drainage. [S13, §1989-a2; C24, 27, 31, 35, 39, §7425; C46, 50, 54, §455.5]

455.6 Location across railroad. When any such ditch or drain crosses any railroad right of way, it shall when practicable be located at the place of the natural waterway across such right of way, unless said railroad company shall have provided another place in the construction of the roadbed for the flow of the water; and if located at the place provided by the railroad company, such company shall be estopped from afterwards objecting to any such location on the ground that it is not at the place of the natural waterway. [S13, §1989-a2; C24, 27, 31, 35, 39, §7426; C46, 50, 54, §455.6]

455.7 Number of petitioners required. Two or more owners of lands named in the petition described in section 455.9, may file in the office of the county auditor a petition for the establishment of a levee or drainage district, including a district which involves only the straightening of a creek or river. If the district described in the petition is a subdistrict, one or more owners of land affected by the proposed improvement may petition for such district. [S13, §§1989-a2, §2; C24, 27, 31, 35, 39, §§7427, 7428; C46, §§455.7, 455.8; C50, 54, §455.7]

455.8 Request by nonpetitioners. In the event two or more landowners included in the proposed district other than the petitioners request a classification prior to the establishment of said district, they shall file in writing their request and execute a bond as required in sections 455.10 and 455.11 to cover the expense of such classification if the district is not established. Such written request and the bond shall be filed before the board establishes a district. [57GA, ch 218, §2]

455.9 Petition. The petition shall set forth:
1. An intelligible description, by congressional subdivision or otherwise, of the lands suggested for inclusion in the district.
2. That said lands are subject to overflow or are too wet for cultivation or subject to erosion or flood danger.
3. That the public benefit, utility, health, convenience, or welfare will be promoted by the suggested improvements.
4. The suggested starting point, route, terminus and lateral branches of the proposed improvements.
5. In the event the petitioners request a classification before the establishment of the district, the petition shall include a request that the district be classified as provided in sections 455.45 to 455.51, inclusive, after the board has approved the report of the engineer
as a tentative plan but before the district is finally established. [S13, §§1989-a2; C24, 27, 31, 35, 39, §7429; C46, 50, 54, §455.9; 57GA, ch 218, §1]

Referred to in §455.7

455.10 Bond. There shall be filed with the petition a bond in an amount fixed and with sureties approved by the auditor, conditioned for the payment of all costs and expenses incurred in the proceedings in case the district is not finally established. [S13, §1989-a2; C24, 27, 31, 35, 39, §7430; C46, 50, 54, §455.10]

Referred to in §§357.1, 357A.1, 455.8

455.11 Additional bond. No preliminary expense shall be incurred before the establishment of such proposed improvement district by the board in excess of the amount of bond filed by the petitioners. In case it is necessary to incur any expense in addition to the amount of such bond, the board of supervisors shall require the filing of an additional bond by the petitioners and shall not proceed with the preliminary survey or authorize any additional expense until the additional bond is filed in a sufficient amount to cover such expense. [C24, 27, 31, 35, 39, §7431; C46, 50, 54, §455.11]

Referred to in §455.8

455.12 Engineer—bond. The board shall at its first session thereafter, regular, special, or adjourned, examine the petition and if it be found sufficient in form and substance, shall appoint a disinterested and competent civil engineer who shall give bond to the county for the use of the petitioners, in amount and with sureties to be approved by the auditor, and conditioned for the faithful and competent performance of his duties. [S13, §1989-a2; C24, 27, 31, 35, 39, §7432; C46, 50, 54, §455.12]

455.13 Compensation. Any engineer employed under the provisions of this chapter shall receive such compensation per diem as shall be fixed and determined by the board of supervisors. [S13, §1989-a41; C24, 27, 31, 35, 39, §7433; C46, 50, 54, §455.13]

455.15 Assistants. Assistants may be employed by the engineer only with the approval of the board, which shall fix their compensation. [S13, §1989-a42; C24, 27, 31, 35, 39, §7435; C46, 50, 54, §455.15]

455.31 Assessment — report — adjournment — other appraisers. The appraisers appointed to assess damages shall view the premises and determine and fix the amount of damages to which each claimant is entitled, and shall place a separate valuation upon the acreage of each owner taken for right of way for open ditches or for settling basins, as shown by plat of engineers, and shall, at least five days before the date fixed by the board to hear and determine the same, file with the county auditor reports in writing, showing the amount of damage sustained by each claimant. Should the report not be filed in time, or should any good cause for delay exist, the board may postpone the time of final action on the subject, and, if necessary, the auditor may appoint other appraisers. [S13, §1989-a6; C24, 27, 31, 35, 39, §7451; C46, 50, 54, §455.32]

[S13, §1989-a6; C24, 27, 31, 35, 39, §7451; C46, 50, 54, §455.32]

455.33 Dismissal or establishment. The board shall at said meeting, or at an adjourned session thereof, consider the costs of construction of said improvement as shown by the reports of the engineer and the amount of damages and compensation awarded to all claimants, and if, in its opinion, such costs of construction and amount of damages awarded create a greater burden than should be borne by the lands benefited by the improvement, it shall then dismiss the petition and assess the costs and expenses to the petitioners and their bondsmen, but if it finds that such cost and expense is not a greater burden than should be justly borne by the lands benefited by the improvement, it shall finally locate and establish said district and improvement. [S13, §1989-a6; C24, 27, 31, 35, 39, §7452; C46, 50, 54, §455.33]

The board shall examine such petition at its next meeting after the filing thereof, and if found to comply with the above requirements, shall dissolve and vacate said district by resolution entered upon its records, to become effective upon the payment of all the costs and expenses incurred in relation to said district. In case of such vacation and dissolution and upon payment of all costs as herein provided, the auditor shall note the same on the drainage record, showing the date when such dissolution became effective. the kind of work to be done, numbering the same consecutively from outlets to the beginning, and prescribing the time within which the improvement shall be completed. A settling basin, if provided for, may be embraced in a section by itself. [S13,§1989-a7; C24, 27, 31, 35, 39,§7457; C46, 50, 54,§455.38]

Commissioners shall be a competent civil engineer and two of them shall be resident freeholders of the county in which the district is located, but not living within, nor interested in any lands included in, said district, nor related to any party whose land is affected thereby. The commissioners shall take and subscribe an oath of their qualifications and to perform the duties of classification of said lands, fix the percentages of benefits and apportion and assess the costs and expenses of constructing the said improvement according to law and their best judgment, skill, and ability. If said commissioners or any of them fail or neglect to act or perform the duties in the time and as required of them by law, the board shall appoint others with like qualifications to take their places and perform said duties. 455.46 Duties—time for performance—scale of benefits. At the time of appointing said commissioners, the board shall fix the time within which said assessment, classification, and apportionment shall be made, which may be extended for good cause shown. Within twenty days after their appointment, they shall begin to inspect and classify all the lands within said district, or any change, extension, enlargement, or relocation thereof in tracts of forty acres or less according to the legal or recognized subdivisions. In a graduated scale of benefits to be numbered according to the benefit to be received by each of such tracts from such improvement, and pursue said work continuously until completed and, when completed, shall make a full, accurate, and detailed report thereof and file the same with the auditor. The lands receiving the greatest benefit shall be marked on a scale of one hundred, and those benefited in a lesser degree with such percentage of one hundred as the benefits received bear in proportion thereto. They shall also make an equitable apportionment of the costs, expenses, fees, and damages computed on the basis of the percentages fixed. In estimating the benefits as to the lands not traversed by said improvement, they shall not consider what benefits such land shall receive after some other improvements shall have been constructed, but only the benefits which will be received by reason of the construction of the improvement in question as it affords an outlet to the drainage of such lands, or brings an outlet nearer to said lands or relieves the same from overflow and relieves and protects the same from damage by erosion. [S13, §1989-a13; SS15, §1989-a12; C24, 27, 31, 35, 39, §7467; C46, 50, 54, §455.47]

1. The percentage of benefits and amount accruing to each forty-acre tract or less on account of the construction of the main ditch, drain, or watercourse including pumping plant, if any.

2. The percentage of benefits and amount accruing to each forty-acre tract or less on account of the construction of such lateral improvement. [S13, §1989-a23; SS15, §1989-a12; C24, 27, 31, 35, 39, §7468; C46, 50, 54, §455.48]

Such assessment when finally fixed by the board shall constitute a debt due from the railroad company to the district, and unless paid it may be collected by ordinary proceedings for the district in the name of the county in any court having jurisdiction. All other proceedings in relation to railroads, except as otherwise provided, shall be the same as provided for individual property owners within the levee or drainage district. [S13, §1989-a18; C24, 27, 31, 35, 39, §7469; C46, 50, 54, §455.49]

Such assessments against primary highways shall be paid by the state highway commission from the primary road fund on due certification of the amount by the county treasurer to said commission, and against all secondary roads, from the secondary road construction fund or from the secondary road maintenance fund, or from both of said funds.
When any state-owned lands under the jurisdiction of the state conservation commission are situated within a levee or drainage district, the commissioners to assess benefits shall ascertain and return in their report the amount of benefits and the apportionment of costs and expenses to such lands and the board of supervisors shall assess the same against such lands.

Such assessments against lands used by the fish and game division of the state conservation commission shall be paid by the state conservation commission from the state fish and game protection fund on due certification of the amount by the county treasurer to said commission, and against lands used by the division of lands and waters from the state conservation funds. 2. The amount of benefits to highway and railroad property and the percentage of benefits to each of said other tracts and the apportionment and amount of assessment of cost and expense against each:

455.53 Hearing and determination. At the time fixed or at an adjourned hearing, the board shall hear and determine all objections filed to said report and shall fully consider the said report, and may affirm, increase, or diminish the percentage of benefits or the apportionment of costs and expenses made in said report against any body or tract of land in said district as may appear to the board to be just and equitable. [SS15, §1989-al2; C24, 27, 31, 35, 39, §7473; C46, 50, 54, §455.53]

Referred to in §455.19

455.54 Evidence — conclusive presumption. At such hearing, the board may hear evidence both for and against the approval of said report or any portion thereof, but it shall not be competent to show that any of the lands in said district assessed for benefits or against which an apportionment of costs and expenses has been made will not be benefited by such improvement in some degree. Any interested party may be heard in argument by himself or counsel. [SS15, §1989-al2; C24, 27, 31, 35, 39, §7474; C46, 50, 54, §455.54]

Referred to in §§455.9, 455.19, 455.72

455.55 Notice of increased assessment. The board shall cause notice to be served upon the owner of any tract of land or easement against which it is proposed to increase the assessment, requiring him to appear at a fixed date and show cause why such assessment should not be so increased. Such notice shall be served for the time and in the manner prescribed in section 455.21 or section 455.22, as the case may be, except that personal service in the same manner as an original notice may be made in lieu of the other methods. [SS15, §1989-al2; C24, 27, 31, 35, 39, §7475; C46, 50, 54, §455.55]

Referred to in §§455.9, 455.19

455.56 Classification as basis for future assessments. A classification of land for drainage, erosion or flood control purposes, when finally adopted, shall remain the basis of all future assessments for the purpose of said district unless revised by the board in the manner provided for reclassification, except that where land included in said classification has been destroyed, in whole or in part, by the erosion of a river, or where additional right of way has been subsequently taken for drainage purposes, said land which has been so eroded and carried away by the action of a river or which has been taken for additional right of way, may be removed by said board from said district as classified, without any reclassification, and no assessment shall thereafter be made on the land so removed. Any deficiency in assessment existing as the result of said action of the board shall be spread by it over the balance of lands remaining in said district in the same ratio as was fixed in the classification of the lands, payable at the next taxpaying period.

Except districts established by mutual agreement in accordance with section 455.152 in the
event any forty-acre tract or less, or any lot, tract, or parcel, as set forth in the existing classification or reclassification of any drainage district now or hereafter established, is divided into two or more tracts, whether such division is by sale or condemnation or platted as a subdivision, the classification of the original tract shall be apportioned to the resulting parcels, regardless of use, except for land taken for additional drainage right of way. The classification of the original tract may be apportioned between the resulting parcels by agreement between the parties to such division. The parties shall join with the county auditor a written agreement setting forth the original description and the description of the tracts as subdivided and the percentage of the original classification apportioned to each. This agreement shall bear the signature of all the parties to such subdivision. The auditor shall enter this agreement in the drainage record and amend the current classification of the district in accordance with such agreement.

In the event the parties to such subdivision cannot agree as to the apportionment of the percentage classification, the board of supervisors shall appoint a commission having the qualifications of commissioners, in accordance with section 455.45. The commissioners shall inspect the lands involved and apportion the existing classification of the original tract equitably and fairly to each of the several tracts as subdivided and shall make a full, accurate and detailed report thereof and file the same with the county auditor within the time set by the board. The report of the commissioners shall set forth the names of the owners thereof, the description of each of the tracts and the percentage of the original classification that each such tract shall bear (1) for main ditches and settling basins, (2) for laterals, (3) for levees and pumping station. Thereafter all the proceedings in relation thereto as to notice of hearing and fixing of percentage benefits shall be as in this chapter provided in relation to original classification and assessments, and at such hearing, the board may affirm, increase or diminish the percentage of benefits so as to make them just and equitable, and cause the record of the existing classification, percentage of benefits or assessments, or both, to be modified accordingly. No tract of land included within the boundary of any drainage district shall be exempt from drainage assessments or reassessments, except as herein provided. [SS15,§1989-a12; C24, 27, 31, 35, 39,§7476; C46, 50, 54,§455.57]

455.57 Levy—interest. When the board has finally determined the matter of assessments of benefits and apportionment, it shall levy such assessments as fixed by it upon the lands within such district, and all assessments shall be levied at that time as a tax and shall bear interest at four percent per annum from that date, payable annually, except as hereinafter provided as to cash payments thereof within a specified time. [SS15,§1989-a12; C24, 27, 31, 35, 39,§7477; C46, 50, 54,§455.57]

455.58 Lien of tax. Such taxes shall be a lien upon all premises against which they are assessed as fully as taxes levied for state and county purposes. [S13,§1989-a45; C24, 27, 31, 35, 39,§7478; C46, 50, 54,§455.58]

455.59 Levy for deficiency. If the first assessment made by the board for the original cost or for repairs of any improvement is insufficient, the board shall make an additional assessment and levy in the same ratio as the first for either purpose, payable at the next taxpaying period after such indebtedness is incurred subject, however, to the provisions of section 455.64. [S13,§1989-a26; C24, 27, 31, 35, 39,§7479; C46, 50, 54,§455.59]

455.60 Record of drainage taxes. All drainage or levee tax assessments shall be entered in the drainage record of the district to which they apply, and also upon the tax records of each county. [C24, 27, 31, 35, 39,§7480; C46, 50, 54,§455.60]

455.61 Funds—disbursement—interest. Such taxes when collected shall be kept in a separate fund known as the drainage or levee fund of the district to which such funds belong, and shall be paid out only for purposes properly connected with and growing out of the drainage or levee improvement of such district, and on order of the board. Interest collected by the treasurer on drainage or levee districts funds shall be credited to the drainage or levee district to which such funds belong. [S13,§1989-a13; C24, 27, 31, 35, 39,§7481; C46, 50, 54,§455.61]

455.62 Assessments—maturity and collection. All drainage or levee tax assessments shall become due and payable at the same time as other taxes, and shall be collected in the same manner with the same penalties for delinquency and the same manner of enforcing collection by tax sales. [S13,§1989-a26; C24, 27, 31, 35, 39,§7482; C46, 50, 54,§455.62]

455.63 Payment before bonds or certificates issued. All assessments for benefits, as corrected and approved by the board, shall be levied at one time against the property benefited, and when levied and certified by the board, shall be payable at the office of the county treasurer. Each person or corporation shall have the right, within twenty days after the levy of assessments, to pay his or its assessment in full without interest, and before any improvement certificate or drainage bond is issued therefor, and any certificate at any time after issue, with accrued interest. [S13,§1989-a26; C24, 27, 31, 35, 39,§7483; C46, 50, 54,§455.63]
455.64 Installment payments—waiver. If the owner of any premises against which a levy exceeding twenty dollars has been made and certified shall, within thirty days from the date of such levy, agree in writing endorsed upon any improvement certificate referred to in section 455.77, or in a separate agreement, that in consideration of having a right to pay his assessment in installments, he will not make any objection as to the legality of his assessment for benefit, or the levy of the taxes against his property, then such owner shall have the following options:

1. To pay one-third of the amount of such assessment at the time of filing such agreement; one-third within twenty days after the engineer in charge shall certify to the auditor that the improvement is one-half completed; and the remaining one-third within twenty days after the improvement has been completed and accepted by the board. All such installments shall be without interest if paid at said times, otherwise said assessments shall bear interest from the date of the levy at the rate of four percent per annum, payable annually, and be collected as other taxes on real estate, with like penalty for delinquency.

2. To pay such assessments in not less than ten nor more than twenty equal installments, the number to be fixed by the board and interest at the rate fixed by the board, not exceeding four percent per annum. One such installment shall be payable at the March semiannual taxing date in each year; provided, however, that the county treasurer shall, at the March semiannual taxing date, require only the payment of a sufficient portion of the assessments to meet the interest and the amount maturing on bonds or certificates prior to the regular time for the payment of the second installment of taxes and the balance shall be collected with such second installment and without penalty.

The provisions of this section and of sections 455.65 to 455.66, inclusive, may within the discretion of the board, also be made applicable to repairs and improvements made under the provisions of section 455.135. [S13, §§1989-a, 24; SS15, §§1989-a, 24; C24, 27, 31, 35, 39, §7487; C46, 50, 54, §455.66]

Refer to in §§455.64, 455.136

455.65 Installment payments after appeal. When an owner takes an appeal from the assessment against any of his land, the option to pay in installments whatever assessment is finally established against such land in said appeal shall continue, if within twenty days after the final determination of said appeal he shall file in the office of the auditor his written election to pay in installments, and within said period pay such installments as would have matured prior to that time if no appeal had been taken, together with all accrued interest on said assessment to the last preceding interest-paying date. [C24, 27, 31, 35, 39, §7487; C46, 50, 54, §455.65]

Refer to in §§455.64, 455.136

455.66 Notice of half and full completion. Within two days after the engineer has filed a certificate that the work is half completed and within two days after the board of supervisors has accepted the completed improvement as in this chapter provided, the county auditor shall notify the owner of each lot or parcel of land who has signed an agreement of waiver as provided in section 455.64, of such fact. Such notice shall be given by certified mail sent to such owners, respectively, at the addresses filed with the auditor at the time of making such agreement of waiver. [C24, 27, 31, 35, 39, §7487; C46, 50, 54, §455.66; 57GA, ch 267, §61]

Refer to in §§455.64, 455.136

455.67 Lien of deferred installments. No deferred installment of the amount assessed as between vendor and vendee, mortgagee and mortgagor shall become a lien upon the property against which it is assessed and levied until the thirty-first day of December of the year next preceding that in which it is due and payable. [SS15, §§1989-a, 24; C24, 27, 31, 35, 39, §7488; C46, 50, 54, §455.67]

Refer to in §§455.64, 455.136

455.68 Surplus funds—application of. When one-half or more of all assessments for a drainage or levee district have been paid and it is ascertained that there will be a surplus in the district fund after all assessments have been paid, the board may refund to the owner of each tract of land, not more than fifty percent of his proportionate part of such surplus. When all construction work has been completed and all cost paid, and all assessments have been paid in full, the board may refund to the owner of each tract of land, his proportionate part of any surplus funds except such portion of the surplus as the board considers should be retained for a sinking fund to pay future maintenance and repair costs. [C24, 27, 31, §7489; C35, §§7488-61, 7489; C39, §§7488-1, 7489; C46, §§455.68, 455.69, 50, 54, §455.68]

Refer to in §§455.64, 455.136

455.69 Change of conditions—modification of plan. If, after the improvement has been finally located and before construction thereof has been completed, there has been a change of conditions of such nature that the plan of improvement as adopted should be modified or amended, the board may direct the engineer appointed under section 455.36 or another engineer, to make a report showing such changes or modifications of the plan of improvement as may be necessary to meet the change of conditions. Upon the filing of such report, the board shall have jurisdiction to adopt said modified or amended plan of improvement or may further modify or amend and adopt the same by following the procedure provided in sections 455.201, 455.205 to 455.209, inclusive, so far as same are applicable, except that awards for damages shall not be canceled where there has been no change made in the improvement which would increase or decrease the damages awarded. [C54, §455.69]
§455.70 Subdrainage district. After the establishment of a drainage district, any person, company, or corporation owning land within such district which has been assessed for benefits, but which is separated from the main ditch, drain, or watercourse for which it has been so assessed, by the land of others, who desires a ditch or drain constructed from his land across the land of such others in order to connect with the main ditch, drain, or watercourse, and shall be unable to agree with such intervening owners on the terms and conditions on which he may enter upon their lands and cause to be constructed such connecting drain or ditch, may file a petition for the establishment of a subdistrict and thereafter the proceedings shall be the same as provided for the establishment of an original district. [S13, §1989-a23; C24, 27, 31, 35, 39, §7490; C46, 50, 54, §455.70]

§455.71 Presumption—jurisdiction. Such connecting ditch or drain which he shall cause to be constructed shall be presumed conducive to the public health, welfare, convenience, and utility the same as if it had been so constructed as a part of the original improvement of said district. When such subdistrict has been established and constructed it shall become and be a part of the improvement of such drainage district as a whole and be under the control and supervision of the board to the same extent and in every way as if it had been a part of the original improvement of such district. [S13, §1989-a23; C24, 27, 31, 35, 39, §7491; C46, 50, 54, §455.71]

§455.72 Reclassification. When, after a drainage or levee district has been established, except districts established by mutual agreement in accordance with section 455.152, and the improvements thereof constructed and put in operation, there has been a material change as to lands occupied by highway or railroad right of way or in the character of the lands benefited by the improvement, or when a repair, improvement, or extension has become necessary, the board may consider whether the existing assessments are equitable as a basis for payment of the expense of maintaining the district and of making the repair, improvement or extension. If they find the same to be inequitable in any particular, they shall by resolution express such finding, appoint three commissioners possessing the qualifications prescribed in section 455.45 and order a reclassification as follows:

1. If they find the assessments to be generally inequitable they shall order a reclassification of all property subject to assessment, such as lands, highways, and railroads in said district.

2. If the inequity ascertained by the board is limited to the proportion paid by highways or railroads, a general reclassification of all lands shall not be necessary but the commissioners may evaluate and determine the fair proportion to be paid by such highways or railroads or both as provided in sections 455.49 and 455.50.

3. Any benefits of a character for which levee or drainage districts may be established and which are attributable to or enhanced by the improvement or by the repair, improvement, or extension thereof, shall be a proper subject of consideration in a reclassification notwithstanding the district may have been originally established for a limited purpose.

Such reclassification when finally adopted shall remain the basis for all future assessments unless revised as provided in this chapter. [C24, 27, 31, 35, 39, §7492; C46, 50, 54, §455.72; 57GA, ch 223, §1]

Commissioners, appointment and oath, §455.45

§455.73 Bids required. In case the board shall finally determine that any such changes shall be made involving an expenditure of five thousand dollars or more, said work shall be let by bids in the same manner as is provided for the original construction of such improvements. [C24, 27, 31, 35, 39, §7493; C46, 50, 54, §455.73]

See §§455.40, 455.41

§455.74 Procedure governing reclassification. The proceedings for such reclassification shall in all particulars be governed by the same rules as for original classification. The commissioners shall fix the percentage of actual benefits and make an equitable apportionment of the costs and expenses of such repairs, improvements or extensions and file a report thereof with the auditor in the same form and manner as for original classification. Thereafter, all the proceedings in relation thereto as to notice, hearing, and fixing of percentage of benefits and amount of assessments shall be as in this chapter provided in relation to original classification and assessments, and at such hearing the board may affirm, increase, or diminish the percentage and assessment of benefits and apportionment of costs and expenses so as to make them just and equitable, and cause the record of the original classification, percentage of benefits, and assessments to be modified accordingly. [C24, 27, 31, 35, 39, §7494; C46, 50, 54, §455.74]

See §§455.45, 455.61

§455.75 Drainage warrants received for assessments. Warrants drawn upon the construction or maintenance funds of any district for which an assessment has been or must be levied, shall be transferable by indorsement, and may be acquired by any taxpayer of such district and applied at their accrued face value upon the assessment levied to create the fund against which the warrant was drawn; when the amount of the warrant exceeds the amount of the assessment, the treasurer shall cancel the said warrant, and give the holder thereof a certificate for the amount of such excess, which certificate shall be filed with the auditor, who shall issue a warrant for the amount of such excess, and charge the treasurer there-
with. Such certificate is transferable by indorsement, and will entitle the holder to the new warrant, made payable to his order, and bearing the original number, preceded by the words, "Issued as unpaid balance due on warrant number .........." [S13,§1989-a13; C24, 27, 31, 35, 39,§7495; C46, 50, 54,§455.75]

455.76 Bonds received for assessments. Bonds issued for the cost of construction, maintenance or repair of any drainage or levee district, or for the refunding of any obligation of such district, may be acquired by any taxpayer or group of taxpayers of such district, and applied at their face value in the order of their priority, if any priority exists between bonds of the same issue, upon the payment of the delinquent and/or future assessments levied against the property of such taxpayers to pay off the bonds so acquired; the interest coupons attached to such bonds, may likewise be applied at their face value to the payment of assessments for interest accounts, delinquent or future. [C35,§7495-e1; C39,§7495.1; C46, 50, 54,§455.76]

See §74.1 et seq.

455.77 Improvement certificates. The board may provide by resolution for the issuance of improvement certificates payable to bearer or to the contractors, naming them, who have constructed the said improvement or completed any part thereof, in payment or part payment of such work. [S13,§1989-a26; C24, 27, 31, 35, 39,§7499; C46, 50, 54,§455.77]

Referred to in §§455.64, 455.81

455.78 Form, negotiability, and effect. Each of such certificates shall state the amount of one or more drainage assessments or part thereof made against the property, designating it and the owner thereof liable for the payment of such assessments. Said certificates shall be negotiable and transfer to the bearer all right and interest in and to the tax in every such assessment or part thereof described in such certificates, and shall authorize such bearer to collect and receive every assessment embraced in said certificate by or through any of the methods provided by law for their collection as the same mature. [S13,§1989-a26; C24, 27, 31, 35, 39,§7500; C46, 50, 54,§455.78]

Referred to in §455.81

455.79 Interest—place of payment. Such certificates shall bear interest not to exceed four percent per annum, payable annually, and shall be paid by the taxpayer to the county treasurer, who shall receipt for the same and cause the amount to be credited on the certificates issued therefor. [S13,§1989-a26; C24, 27, 31, 35, 39,§7501; C46, 50, 54,§455.79]

455.80 Sale at par—right to pay. Any person shall have the right to pay the amount of his assessment represented by any outstanding improvement certificate, with the interest thereon to the date of such payment, at any time. No improvement certificate shall be issued or negotiated for the use of the drainage district for less than par value with accrued interest up to the delivery or transfer thereof. Every such certificate, when paid, shall be delivered to the treasurer and by him surrendered to the party to whose assessment it relates. [S13,§§1989-a26-a27; C24, 27, 31, 35, 39, §7502; C46, 50, 54,§455.80]

Referred to in §455.81

455.81 Drainage bonds. When a drainage district has been established or the making of any subsequent repair or improvement determined upon, if the board of supervisors shall find that the cost of such improvement will create assessments against the land included therein greater than should be levied in a single year upon the lands benefited by such improvement, then, instead of issuing improvement certificates, as provided in sections 455.77 to 455.80, inclusive, the board may fix the amount that shall be levied and collected each year until such cost and expenses are paid, and may issue drainage bonds of the county covering all assessments exclusive of assessments of twenty dollars and less.

Before such bonds shall be issued, the governing body of the district shall cause an action for declaratory judgment to be brought in the district court of the county in which the bonds are to be issued, asking that their legality be confirmed. The court shall fix a date for hearing thereon and notice thereof shall be given to the owners of each lot or tract of land within the district, which shall be affected by an assessment to pay the proposed bonds, as shown by the transfer books in the auditor’s office; also to the holders of liens of record upon said lands; and to all persons to whom it may concern without naming them specifically. Such notice shall be given by publication and by mailing for the same time in advance of hearing and in the same manner prescribed in section 455.21. After the entry of the declaratory judgment adjudicating the validity of such bonds, the judgment of the district court shall be endorsed on the bonds before their issuance. [C97,§1953; S13,§1989-a27; C24, 27, 31, 35, 39,§7503; C46, 50, 54,§455.81; 57GA, ch 219,§3]

455.82 Form. Each of such bonds shall be numbered and have printed upon its face that it is a “Drainage Bond”, stating the county and number of the district for which it is issued, the date thereof, that it is in pursuance of a resolution of the board of supervisors, that it is to be paid only from taxes for levee and drainage improvement purposes levied and collected on the lands assessed for benefits within the district for which the bond is issued. [S13,§1989-a27; C24, 27, 31, 35, 39,§7504; C46, 50, 54,§455.82]

§455.84, LEVEE AND DRAINAGE DISTRICTS

the payment of which they are issued, nor for a longer period of maturity than twenty years, and bear a rate of interest not to exceed five percent per annum, payable semiannually, on June 1 and December 1 of each year. [C97, §1953; S13, §1989-a27; C24, 27, 31, 35, 39, §7506; C46, 50, 54, §455.85]
