232.25 Compelling support by parent. The court, in any proceeding hereunder relative to a neglected or dependent child, shall have jurisdiction, on reasonable notice to the parents of said child, to inquire into the ability of said parents to support said child and make all proper orders in reference thereto. The court may require such parent to enter into a bond, with or without surety, and in a reasonable sum, conditioned for the proper care, support, and supervision of such child. If it finds that the parent is able to support such child in any reasonable degree, it may require such parent to pay a reasonable amount of money into court at such times as it may provide, which sum shall be applied to the care of said child. Orders for the payment of money may be enforced by execution and in such case the party ordered to make payment shall not be entitled to hold any property as exempt from such execution. All orders may be enforced by process of contempt until such orders are complied with. [S13,§§254-a25,
§232.26 Action on bond. In case of the breach of a bond given as required in section 232.25, the amount thereof shall be deemed liquidated damages, which, when collected, shall, under the orders of the court, be applied to the care of said child. The county attorney shall, on the order of the court, prosecute all actions on such bonds. [S13,§§254-a20,-a23, 2708, 2709; C24, 27, 31, 35, 39, §3648; C46, 50, 54, 58, §232.26]

232.27 Mandatory commitments. If commitment of any child is not made under the foregoing provisions of this chapter, or if made thereunder and the results, in the opinion of the court, are not conducive to the welfare of the child, the court shall proceed as follows:

1. If the child is neglected or dependent and is not delinquent, it shall be committed either to The Iowa Annie Wittenmyer home or to the Iowa juvenile home; provided, however, that any child not mentally normal, or who is incorrigible or who has any vicious habits, or whose presence in the home would be inimical to the moral or physical welfare of the children therein, shall not be committed to said homes.

2. If the child is over the age of ten years and, in the opinion of the court or judge is seriously delinquent or so disposed, it shall be committed to the state training school for boys or for girls, as the case may be; but married women, prostitutes, and girls who are pregnant shall not be committed to the training school. [C73,§§1653-1659; C97,§2708; S13,§§254-a20,a23, 2708, 2709; C24, 27, 31, 35, 39, §3646; C46, 50, 54, 58,§232.27]

232.28 Interpretative clause. It is the intent of section 232.27 to so classify commitments that the merely neglected and dependent child will not be associated with the delinquent, and that delinquent children will be so segregated that the least delinquent will not suffer by association with those of greater delinquency. [C24, 27, 31, 35, 39,§3647; C46, 50, 54, 58,§232.28]

232.29 Right to transfer. The board of control, at any time, for the purpose of effecting, as nearly as practicable, the declared intent of this chapter, may transfer a person admitted to any of said state institutions to any other of said institutions. It may also transfer any mentally retarded or mentally ill person from said institutions to an institution for the mentally retarded or mentally ill to said institutions. The expense of such transfers shall be charged to the support fund of the institution from which the transfers are made. [C24, 27, 31, 35, §3650; C46, 50, 54, 58, §232.29; 59GA, ch 135,§1]

See also §218.91

232.30 Term of commitment — warrant. Commitments shall be until the child attains the age of twenty-one years, but the board of control may release or discharge the child at any time after it has attained the age of eighteen years if such action will, in the judgment of the board, be best for the child.

A warrant of commitment shall consist of a copy of the order of commitment, certified to by the clerk, and shall be in duplicate, one of which shall be delivered to the executive head of the receiving institution and shall constitute sufficient authority to hold in custody the party committed. [C73,§§1653-1659; C97,§2708; S13,§§254-a23, 2708; C24, 27, 31, 35, 39,§3649; C46, 50, 54, 58,§232.30]

232.31 Notice of discharge. When application, written or otherwise, is made to the board of control for the final discharge of any delinquent child under twenty-one years of age who has been committed by a juvenile court to any state institution, such board shall at once, by letter, give written notice of such application to the county attorney of the county from which commitment was made and such child shall not be finally discharged in less than thirty days after such notice has been given. [C24, 27, 31, 35, 39, §3650; C46, 50, 54, 58,§232.31]

232.32 Exceptions. The provisions of section 232.31 requiring notice shall not apply to any case where it is proposed simply to parole any such delinquent child; and the board of control may at any time parole such a delinquent or cause him to be removed from any state institution and placed in the custody of a reputable citizen of the state whom the board may believe to be qualified to have such custody. [C27, 31, 35,§3650-al; C39,§3650.1; C46, 50, 54, 58,§232.32]

232.33 Record of discharge. The board shall keep a full record of the discharge by it of all delinquent children which record shall among other matters show the reasons therefor and whether the discharge was on application or on the motion of the board. [C24, 27, 31, 35, 39, §3651; C46, 50, 54, 58,§232.33]

232.34 Statement to superintendent. In case of a commitment to a state institution, the judge shall forward to the superintendent a statement of the nature of the complaint, and such other particulars as he may be able to ascertain, including the date of birth of the child, its habits and environments, the number of times it has been arrested and the cause therefor, the influence of the parent or custodian on such child, and the substance of the evidence introduced on the hearing. [C73, §1657; C97,§2708; S13,§2708; C24, 27, 31, 35, 39, §3652; C46, 50, 54, 58,§232.34]

[S13,§254-a29; C24, 27, 31, 35, 39,§3653; C46, 50, 54, 58,§232.35]

232.36 Tax. The board of supervisors may annually levy a tax of not to exceed one-fourth mill for the purpose of maintaining such home, and paying the salaries and expenses of all appointees authorized by this chapter, providing however that the board of supervisors in counties having a population of more than one hundred fifty thousand may annually levy a tax of not to exceed one-half mill for the above purposes. [S13,§254-a30; C24, 27, 31, 35, 39, §3654; C46, 50, 54, 58,§232.36]

232.37 Approval of institutions. The state board of social welfare shall designate and approve the institutions to which such children may be legally committed and shall have supervision and right of visitation and inspection at all times over all such institutions. [S13,§§254-a20,-a26; C24, 27, 31, 35, 39,§3655; C46, 50, 54, 58,§232.37]

3. “County board” means the county board of social welfare provided for in section 234.9.

parental support and care by reason of death, continued absence from home, or physical or mental incapacity or unfitness of either parent, and who is living with his father, mother, grandfather, grandmother, brother, sister, stepfather, stepmother, stepbrother, stepsister, uncle or aunt, in a place of residence maintained by one or more of such relatives as his or their home.

5. "Assistance" means money payments to, or in behalf of, a needy, dependent child or children.

6. "Recipient" is the person to whom the assistance grant is made. [C39, §§3661.002, 3661.016; C46, 50, 54, 58, §239.1]

Referred to in §§239.2, 239.5

239.2 Eligibility for aid to dependent children. Assistance shall be granted under this chapter to any needy dependent child who:

1. Is living in a suitable family home maintained by one or more of the persons referred to in subsection 4 of section 239.1.

2. Has resided in the state for one year immediately preceding the application for such assistance; or was born within the state within one year immediately preceding the application, if the mother has resided in the state for one year immediately preceding the birth of said child, without regard to the residence of the person or persons with whom said child is living.

3. Is not in a public institution and because of a physical or mental condition, in need of continued care therein. [C46, 50, 54, 58, §239.2]

239.3 Application for assistance. Application for assistance under this chapter shall be made to the county board of the county in which the dependent child resides or will reside in the event assistance is granted. The application shall be in writing or reduced to writing in the manner and upon the form prescribed by the state board. Such application shall be made by an adult person with whom the dependent child resides or will reside, and shall contain such information as may be required by said application form. One application may be made for several children of the same family if they reside or will reside with the same person. [C46, 50, 54, 58, §239.3]

239.4 Investigation of application. Whenever a county board receives a notification of the dependency of a child or an application for assistance, an investigation and record of the circumstances shall promptly be made in order to ascertain the dependency of the child and the facts supporting the application.

The investigations shall include visits to the home of the child and of the person with whom the child will live during the time assistance is granted.

In cases involving physical or mental incapacity or unfitness of either parent, the county board of social welfare may require as a condition for granting assistance hereunder that such incapacity or unfitness be determined by a board of doctors which shall be selected by the county board of social welfare. [C46, 50, 54, 58, §239.4]

239.5 Granting of assistance and amount of assistance—co-operation of parent. Upon the completion of an investigation the county board shall decide whether the child is eligible for assistance under the provisions of this chapter and determine the amount of such assistance. The county board shall, within thirty days, notify the person with whom the child is living or will be living, of the decision made. The county board may require, as a condition of granting assistance, that a legal guardianship be established over any recipient, or any child or children and in such cases the assistance payments shall be made to such guardian, when appointed, but a guardian of a child or children only shall not be allowed to receive any assistance payments for any dependent child or children unless such guardian shall bear a relationship to the child or children embraced by subsection 4, section 239.1. In addition to the assistance granted as provided under this chapter, an amount not to exceed ten dollars per case per month may be allowed for guardian's fees when authorized by appropriate court order. The dependent child for whom the grant is made shall be originally charged to the county in which such child resides when application is made.

The county board shall, on the basis of actual need, fix the amount of assistance necessary for any dependent child, subject to the approval of the state department, with due regard to the necessary expenditures of the family and the conditions existing in each case, taking into consideration any other income or resources of any child claiming assistance under this chapter and any private resources found to be available to such child. Such assistance when granted shall be sufficient, when added to all other income and support available to the child, to provide such child with a reasonable subsistence compatible with decency and health; provided, however, that no family shall receive a grant hereunder in excess of one hundred seventy-five dollars per month. Assistance, when granted, shall be paid monthly to an adult person within the specified degrees of relationship and with whom the child is living, from the fund for aid to dependent children established by this chapter, upon the order of the state department.

No payment for aid to dependent children shall be made unless and until the county board of social welfare, with the advice of the county attorney shall certify that the parent receiving the aid for the children is cooperating in legal actions and other efforts to obtain support money for said children from the persons legally responsible for said support. [C46, 50, 54, 58, §239.5]

See Collins v. Board, 248 Iowa 389

239.6 Periodic reconsideration, changes, and termination of grants. Any or all assistance grants made under this chapter shall be subject
to reconsideration at any time the county board deems necessary and shall be reinvestigated and reconsidered by the county board as frequently as may be required. After any such further investigation, the county board shall make further report to the state department. Upon such report, assistance may be continued, renewed, suspended, changed in amount, or entirely withdrawn, as the findings of such reports warrant. [C46, 50, 54, 58, §239.6]

239.7 Appeal. If an application is not acted upon by the county board or the state department within a reasonable time after such application is made, if it is denied in whole or in part, or if any award of assistance is modified, suspended, or canceled under any provision of this chapter, the applicant or recipient may appeal to the state board. The state board shall, upon receipt of such appeal, give appellant reasonable notice and opportunity for a fair hearing before the state board or its duly authorized representative or representatives.

An applicant whose application for assistance has been rejected, or a recipient whose certificate for assistance has been canceled or modified, after a review hearing hereinafore provided, within thirty days after notice of such action, may appeal from the decision of the state board to the district court of the county in which the applicant or recipient resides, by serving a ten days notice of such appeal upon any member of the state board, in the manner required for the service of an original notice in any civil action. Upon the service of such notice, the state board shall furnish the applicant with a copy of the application and all supporting papers, a transcript of the testimony taken in a hearing, if any, and a copy of its decision. The district court shall act as an appellate court to review the decision of the state board to determine whether or not it has therein committed fraud or abused its discretion. The costs may be taxed to appellant where the appeal is affirmed or may be remitted. [C46, 50, 54, 58, §239.7]

239.8 Removal from county. When any child for whose benefit a grant of assistance has been made removes or is removed from the county giving assistance, it shall be the duty of the recipient to immediately notify the county board of the county giving assistance of the fact of such removal and of the city or town (or the nearest city or town) and of the county to which the child has removed. If the removal is into another county in the state, the county which has been giving assistance shall continue the assistance for a period of six months after the date of removal, but if the removal is out of the state assistance shall immediately cease. Thereafter any assistance can be granted only in the manner provided for herein as to obtaining assistance, and can be only in and from the county in which the child is then living. [C46, 50, 54, 58, §239.8]

239.9 Funeral expenses. Upon the death of any child for whose benefit assistance payments are being made or have been authorized, a reasonable funeral expense for the burial of such child may be paid by the state department, provided such expenses do not exceed one hundred seventy-five dollars, and the estate of the deceased or any life insurance or payments by any death or funeral benefit association or society paid by reason of the death of such child to the child's estate or to any person legally liable for his support, are insufficient to defray such expenses. The person to whom such funeral expenses are paid as above provided is hereby prohibited from soliciting, accepting, or contracting to receive any further compensation for services rendered or articles furnished in connection with such funeral except on written approval of the county board of the county to which the assistance is chargeable and subject to such rules and regulations as the state board shall prescribe. [C46, 50, 54, 58, §239.9; 58GA, ch 174, §1]

239.10 Records—report of recipients. All applications, investigation reports and case records shall be privileged communications and held confidential, subject to use and inspection only by persons authorized by law in connection with their official duties relating to financial audits and the administration of the provisions of this chapter.

Provided, however, that the county board of social welfare shall prepare and file in its office on or before the thirtieth day of each January, April, July and October a report showing the names and addresses of all recipients receiving assistance under this chapter, together with the amount paid to each during the preceding quarter. Each report so filed shall be securely fixed in a record book to be used only for such reports made under this chapter and chapters 241 and 249. The record book shall be and the same is hereby declared to be a public record, open to public inspection at all times during the regular office hours of the respective county boards of social welfare. Each person who desires to examine said records, other than in pursuance of official duties as hereinbefore provided, shall sign a written request to examine the same, which shall contain an agreement on the part of the signer that he will not utilize any information gained therefrom for commercial or political purposes.

It shall be unlawful for any person, body, association, firm, corporation or any other agency to solicit, disclose, receive, make use of or to authorize, knowingly permit, participate in or acquiesce in the use of any lists, names or other information obtained from the reports above provided for, for commercial or political purposes, and a violation of this provision shall constitute a misdemeanor punishable by a fine of not to exceed two thousand dollars or by imprisonment in the county jail not to exceed one year or by both such fine and imprisonment. [C46, 50, 54, 58, §239.10]
239.11 County appropriations. The county board of supervisors in each county in this state shall appropriate annually, and pay in the manner hereinafter specified from the county poor fund, such sum as shall result in the payment by such county of that portion of all assistance and benefits payable with respect to dependent children chargeable to the county under this chapter, which shall equal one-half of all such assistance and benefits chargeable to the county exclusive of such receipts and contributions to such fund other than state or county funds, as may from time to time be legally received from any source and credited to the state department and shall include in the tax levy for such county the sum or sums so appropriated for that purpose. The sums necessary as above provided shall be originally determined upon the basis of an annual budget prepared by the county board and approved by the state department. Should the sum so appropriated, however, be expended or exhausted during the year for which it was appropriated, such additional sum shall be appropriated by the board of supervisors from the county poor fund as shall be sufficient to meet the obligation of the county to pay its share as heretofore provided of all assistance and benefits with respect to dependent children chargeable to the county. The appropriation provided in this section shall not exceed statutory tax limitations now or hereafter provided, except that in counties having a population of sixty thousand, or more, the board of supervisors may levy annually an additional tax not to exceed one-fourth mill to carry out the provisions of this chapter; and in counties having a population of over thirty-five thousand and less than sixty thousand, the board of supervisors may levy annually an additional tax not to exceed one-eighth mill to carry out the provisions of this chapter.

The share of any county for assistance and benefits payable to dependent Indian children living on an Indian reservation in said county shall be paid by the state, from the fund for aid to dependent children. [C46, 50, 54, 58, §239.11]

239.12 Fund for aid to dependent children—reimbursement to state. There is hereby established in the state treasury a fund to be known as the "Fund for Aid to Dependent Children" to which shall be credited all funds appropriated by the state for the payment of administrative expenses, assistance and benefits under this chapter, all moneys received at any time for such purposes, and all funds paid by counties to the state department as provided by this chapter. All assistance and benefits under this chapter, and the administrative expenses incident thereto, except compensation and expenses paid to the county board members, shall be paid from said fund. The state department shall report to the county board quarterly the total amount of assistance and benefits paid during the preceding quarter to recipients chargeable to the county. The county board shall promptly report the same to the county board of supervisors which shall then order paid from the county poor fund a sum representing the county's share thereof determined in the manner heretofore provided, which payment shall be credited to the fund for aid to dependent children.

Any unexpended balance of the fund appropriated or allocated by the state which remains in the fund for aid to dependent children at the end of each biennium shall not revert to the general fund of the state, any law to the contrary notwithstanding. [C46, 50, 54, 58, §239.12]

239.13 Assistance not assignable. Assistance granted under this chapter shall not be transferable or assignable at law or in equity, and none of the money paid or payable under this chapter shall be subject to execution, levy, attachment, garnishment, or other legal process, or to the operation of any bankruptcy or insolvency law. [C46, 50, 54, 58, §239.14]

239.15 Grant accepted without condition. No contribution or grant shall be received or accepted if any condition is attached as to its use or administration other than that it be used for assistance to dependent children as provided in this chapter.

If any contribution or grant has been accepted, and thereafter the same is discontinued or rejected, the county tax levy for the purpose of this chapter shall not be increased more than one-half mill and the state appropriation shall not be increased more than seven hundred fifty thousand dollars in any one fiscal year by reason of such discontinuance or rejection of any such contribution or grant. [C46, 50, 54, 58, §239.15]

239.16 Merit rating for employees. The selection of all persons as employees of the state board in the administration of this chapter shall be governed by the provisions of section 234.8. [C46, 50, 54, 58, §239.16]

239.17 Recovery of assistance obtained by fraudulent act. Whosoever obtains, or attempts to obtain, or aids or abets any person to obtain, by means of a willfully false statement or representation, or by impersonation or any fraudulent device, any assistance as defined in this chapter to which the recipient is not entitled, shall be personally liable for the amount of assistance thus obtained. 4. Co-operate with the federal social security board, created under title VII of the Social Security Act, approved August 14, 1935, or any other agency of the federal government, in any reasonable manner as may be necessary to qualify for federal aid and assistance to the needy blind and in conformity with the provisions of this chapter; including the making of such reports in such form and containing such information as the federal social security board, or any other agency of the federal government, may from time to time find necessary to assure the correctness and verification of such reports.

[C39, §3684.07; C46, 50, 54, 58, §241.7]

This report, together with a copy of the report of the
ophthalmologist, shall be forwarded to the state board. The state board may make such further investigation as it may deem desirable and, upon the basis of such reports and investigation, shall determine whether the applicant is eligible for assistance under the terms of this chapter, and, if eligible, the amount of such assistance and the date on which such assistance shall begin. The state board shall notify the county board of its decision, and the county board shall promptly notify the applicant thereof. If an application is not acted upon by the county board within a reasonable time after the filing of the application, or is denied in whole or in part, or if any award of assistance is modified or canceled under any provision of this chapter, the applicant or recipient may appeal to the state board in the manner of form prescribed by the state board. The state board shall, upon receipt of such an appeal, give the applicant or recipient reasonable notice and opportunity for a fair hearing before the state board or its duly authorized representative or representatives. Following such hearing the state board shall take its final action and notify the applicant in writing.

An applicant or recipient after a review hearing hereinafore provided, within thirty days after notice of such action is given, may appeal from the decision of the state board to the district court of the county in which the applicant or recipient resides. By serving a ten days notice of such appeal upon any member of the state board, in the manner required for the service of an original notice in any civil action. Upon the service of such notice, the state board shall furnish the applicant with a copy of the application and all supporting papers, a transcript of the testimony taken in a hearing, if any, and a copy of its decision. The district court shall act as an appellate court to review the decision of the state board to determine whether or not it has therein committed fraud or abused its discretion. The costs may be taxed to appellant where the appeal is affirmed or may be remitted. [C39, §3684.11; C46, 50, 54, 58, §241.11; 50GA, ch 197, §1]

After such further investigation as the county board may deem necessary or the state board may require, the county board shall make further report to the state board and the amount of assistance may be changed or assistance may be entirely withdrawn if the state board finds that the recipient’s circumstances have altered sufficiently to warrant such action. [C39, §3684.12; C46, 50, 54, 58, §241.12]

241.13 Re-examination as to eyesight. A recipient shall submit to a re-examination as to his eyesight when required to do so by the county board or state board. He shall also furnish any information required by the county board or the state board. [C39, §3684.13; C46, 50, 54, 58, §241.13]

assistance be continued, modified, or canceled, as the circumstances may require. Any assistance paid after the recipient has come into possession of such property or income in excess of his need shall be recoverable by the state as a debt due, and upon recovery the state shall repay to the county that portion of the amount so recovered which is equal to the amount paid by the county for such assistance. The amount so paid shall be allowed as a claim against his estate in favor of the state, and subject to such rules and regulations as the state board shall prescribe. [C39, §3684.16; C46, 50, 54, 58, §241.17; 58GA, ch 174, §2]

There is hereby established in the state treasury a fund to be known as the “fund for aid to the blind” to which shall be credited all funds appropriated by the state for the payment of administrative expenses, assistance, and benefits under this chapter, all moneys received from the federal government for such purpose and all funds paid by the counties to the state board as provided by this section. All assistance and benefits under this chapter, and the administrative expenses incident thereto, so far as the same are payable by the state board, shall be paid from said fund. The state board shall report to the county board each month the total amount of assistance and benefits paid during the preceding month to recipients residing within the county, and the amount of the administrative expenses paid by the state which are incident thereto. Any assistance paid after the recipient has come into possession of such property or income in excess of his needs, shall be recoverable by the state as a debt due and, upon recovery, the state shall repay to the county that portion of the amount so recovered which is equal to the amount paid by the county for such assistance. [58GA, ch 9,§12]

### §241A.11 Funeral expense

4. That in the event the total funeral expenses exceed the department's liability of one hundred seventy-five dollars, as provided under subsections 1, 2, and 3 above, the additional expenses shall accrue only when there is an extraordinary expense or when the family or next best friend of the decedent specify the use of a steel or concrete outside burial vault. Provided that said additional expense shall not be paid by the state. However, if the county board directs that a burial lot, grave opening, or clothing be furnished for the decedent, the expense thereof shall be paid by the state in a total amount not to exceed fifty dollars, to such person or persons as the county board directs, and such expense shall be allowed in addition to the one hundred seventy-five dollars limit provided in this section, provided further, however, that in such cases no extraordinary expenses shall be permitted nor will the family or next best friend be permitted to specify the use of a steel or concrete outside burial vault. The county board of supervisors in each county of this state shall appropriate, annually and pay in the manner hereinafter specified from the county poor fund, such sum as shall result in the payment by such county of that portion of all assistance and benefits, payable with respect to disabled persons chargeable to the county under this chapter, which shall equal one-half of all such assistance and benefits chargeable to the county, exclusive of such receipts and contributions to such fund other than state or county funds as may, from time to time, be legally received from any source and credited to the state department, and shall include in the tax levy for such county, the sum or sums so appropriated, for that purpose. The sums necessary, as above provided, shall be originally determined upon the basis of an annual budget prepared by the county board. Should the sum so appropriated, however, be expended or exhausted during the year for which it was appropriated, such additional sum shall be appropriated by the board of supervisors from the county poor fund, as shall be sufficient to meet the obligations of the county to pay its share, hereafter provided, of all assistance and benefits with respect to disabled persons chargeable to the county. The appropriation provided for in this section shall not exceed the statutory tax limitations now or hereinafter provided, except that in counties having a population of sixty thousand or more, the board of supervisors may levy annually an additional tax not to exceed one-fourth mill to carry out the provisions of this chapter; and in counties having a population of over thirty-five thousand and less than sixty thousand, the board of supervisors may levy annually an additional tax not to exceed one-eighth mill to carry out the provisions of this chapter. All assistance, benefits and administration expense shall be paid from said fund by the state board. The state department shall report to the county board each month the total amount of assistance and benefits paid during the preceding month with respect to recipients chargeable to the county. The county board shall promptly report the same to the county board of supervisors which shall then order paid to the state board from the county poor fund, a sum representing the county's share thereof, determined in the manner heretofore provided, which payment shall be credited to the fund for the disabled. [58GA, ch 9, §16]

241A.15 Removal from county. When any recipient moves to another county, he shall be entitled to receive assistance which shall be chargeable to the county from which he has removed until said recipient has resided in another county for six months. [58GA, ch 9, §17]

241A.16 Records confidential. All applications, investigations and records shall be

Furthermore, absence from the state in the service of the state or the United States shall not be deemed to have interrupted such continuous residence, if domicile has been acquired outside the state.
5. Is not at the date of making claim or receiving assistance, an inmate of any prison, jail, mental hospital, or any other public reformed or correctional institution.
6. Has not deserted his wife, if a husband, or, without just cause failed to support her and his children under the age of fifteen years, for a period of six months or more during the ten years preceding the date of application; has not deserted her husband, if a wife, or without just cause failed to support such of her children as were under the age of fifteen years, during the period set out above.

249.8 Income considered. The income of the applicant shall be his income for the twelve months preceding the date on which his application is made; provided that, if the applicant shows to the state department's satisfaction a decrease of Income, the amount of such decrease may be deducted from the income of the preceding twelve months in determining the amount of assistance to be allowed. However, in calculating the income of the claimant, occasional gifts, or earnings through personal labor, not to exceed one hundred twenty dollars in the aforesaid twelve-month period may be disregarded. [C35,§5296-f11; C39,§3828.010; C46, 50, 54, 58,§249.8]

At the discretion of the state department, however, where such immediate sale, for cash, of such securities or investments necessitates an undue financial sacrifice, the applicant, when in immediate need of assistance, shall assign such securities and investments to the state to be held in trust by the state board to reimburse the old-age assistance revolving fund for the amount paid from the old-age assistance fund and the old-age assistance revolving fund in assistance or other benefits in behalf of said applicant.

No person shall be allowed assistance if the claimant has deprived himself, directly or indirectly, of any property for the purpose of qualifying for old-age assistance, or if the claimant or the husband or wife conveys or encumbers any real estate or other property owned by them or by either of them for the purpose of preventing the state from rela-

bursing itself for assistance granted or to be granted hereunder.

A sworn statement by both the vendor and vendee of the reasons and/or considerations of any transfer of real and/or personal property within the five years immediately preceding the date of application for old-age assistance may be required by the board or state department to be made in such manner and on such forms as the state board may direct; provided, however, that no sworn statement need be made for any transfer prior to January 1, 1934, unless the state department so directs. Provided, however, that no person shall be denied assistance because of the fact that the claimant has made prior arrangements for funeral expenses in an amount not to exceed five hundred dollars. [C35, §5296-113; C39, §3828.012; C46, 50, 54, 58, §249.9]

249.10 Applicants. An applicant for assistance shall deliver his claim, in writing, to the board of the county in which he resides, in the manner and form prescribed by the state board.

All statements in the application shall be sworn to or affirmed by the applicant setting forth that all facts are true in every material point. [C35, §5296-117; C39, §3828.013; C46, 50, 54, 58, §249.10]

249.11 Procedure with application. When an application is made for old-age assistance, the county board shall promptly send it to the state department. Within sixty days, the county board shall make an investigation of the applicant's claim through an investigator, and make, in addition, such direct investigation as it deems advisable. After hearing the applicant, if he so requests, if it approves the claim, the county board shall make a recommendation of the amount of assistance to be allowed; or, if it disapprove, make a recommendation that no assistance be allowed. Within ninety days from the date of the application, the county board shall send its recommendation and the reason for such recommendation to the state department with such supporting papers as the state board may require, unless for reasons beyond the county board's control which reasons shall be reported.

Upon receipt of the application and supporting papers, the state department may make such additional investigation as it deems necessary. Should the state department disagree with the county board in the latter's recommendation regarding eligibility it shall neither approve nor disapprove said application without a further review to clarify the points of disagreement between the county board and state department. In any event, the state department shall make its decision within sixty days of the receipt of the supporting papers, properly prepared and executed, and either approve and fix an amount of assistance or reject the claim of the applicant; and shall give written notice to the applicant as to the action taken.

If an application is not acted upon by the county board within ninety days after the filing of the application, or is denied in whole or in part, or if any award of assistance is modified or canceled under any provision of this chapter, the applicant or recipient may appeal to the state board in the manner and form prescribed by the state board. The state board shall, upon receipt of such an appeal, give the applicant or recipient reasonable notice and opportunity for a fair hearing before the state board or its duly authorized representative or representatives. Following such hearing the state board shall take its final action and notify the applicant in writing.

An applicant whose application for assistance has been rejected, or a recipient whose certificate for assistance has been canceled, after a review hearing hereinafore provided, within thirty days after notice of such action is given, may appeal from the decision of the state board to the district court of the county in which the applicant or recipient resides, by serving a ten days notice of such appeal upon the state department or upon any member of the state board, in the manner required for the service of an original notice in any civil action. Upon the service of such notice, the state board shall furnish the applicant with a copy of the application and all supporting papers, a transcript of the testimony taken in the hearing, if any, and a copy of its decision. The district court shall act as an appellate court to review the decision of the state board to determine whether or not it has therein committed fraud or abused its discretion. The costs may be taxed to appellant where the appeal is affirmed or may be remitted. [C35, §5296-118; C39, §3828.014; C46, 50, 54, 58, §249.11]

249.12 Witnesses. For the purpose of any such investigation, the state board and the county board shall have the power to compel, by subpoena, the attendance and testimony of witnesses and the production of books and papers. All witnesses shall be examined on oath, and any member of the state board or county board may administer said oath. The costs incurred in connection with any such hearing or examination shall be paid by the state board or county board, whichever issues the subpoenas; and the witnesses shall be entitled to claim a two-dollar fee and mileage expense at a rate of five cents per mile, except that responsible relatives as defined in sections 252.2, 252.5 and 500.6 shall not be entitled to claim witness fees and mileage expense. [C35, §5296-119; C39, §3828.015; C46, 50, 54, 58, §249.12]

249.13 Assistance certificate. The state department shall issue to each applicant to whom assistance is allowed a certificate stating the amount of each installment, which may be monthly or quarterly, as the state department may decide; and, on written order of the state department, the state comptroller shall issue his warrant, or warrant check, to be forwarded by the state department to such recipient in payment of each installment. The
amount of assistance granted under this chapter shall be subject to review at any time by the state department and the amount received by the recipient may be increased, decreased, or discontinued. [C35, §5296-f20; C39, §828.016; C46, 50, 54, 58, §249.13]

249.14 Fingerprint indorsement. Whenever the payee of an old-age assistance warrant is unable to indorse said warrant in writing as his name appears on the face of said warrant, the indorsement shall be made by the payee's fingerprint, which act shall be witnessed by at least two persons who shall sign as witnesses, also giving their address. [C39, §828.017; C46, 50, 54, 58, §249.14]

249.15 Renewal of certificate. The general provisions as to the eligibility of applicants for assistance shall apply to recipients whose certificates are subject to review for the issuance of renewal certificates of assistance, with the following exceptions as to residence:
Provided, that he does not establish a domicile outside this state, a person may, while receiving assistance and with the approval of the state department, retain his rights under the provisions of this chapter and section, even though he takes up residence outside the state in the household of a relative or friend for reasons of the infirmities of age, health or economic necessity. [C35, §5296-f21; C39, §828.018; C46, 50, 54, 58, §249.15]

249.16 Assistance certificate improperly obtained. If at any time the state department has reason to believe that an assistance certificate has been improperly obtained, it shall cause special inquiry to be made by the board, and may suspend payment of any installment pending the inquiry. It shall also notify the board of such suspension and it shall also promptly notify the recipient in writing of such suspension stating in such notice the reason for such suspension and such recipient shall be entitled to a hearing, as provided by section 249.11, to show cause why such suspension should not be made permanent. If on inquiry it appears that the certificate was improperly obtained, it shall be canceled by the state department, but if it appears that the certificate was properly obtained, the suspended installments shall be payable in due course. [C35, §5296-f30; C39, §828.019; C46, 50, 54, 58, §249.16]

249.17 When assistance commences. The assistance, if allowed, shall commence on the date named in the certificate, which shall be the day fixed by the state board for payments to recipients in the county from which the applicant applied and within the calendar month following that on which the application is approved by the state department. [C35, §5296-f22; C39, §828.020; C46, 50, 54, 58, §249.17]

249.18 Funeral expenses. On the death of any person to whom a certificate of old-age assistance has been issued, such reasonable funeral expenses shall be paid from the old-age assistance fund to such person as the county board directs, in an amount of not to exceed one hundred seventy-five dollars; provided:
1. That the total expense of such funeral does not exceed three hundred fifty dollars.
2. That the decedent does not leave an estate which may be probated, subject to the provisions of section 249.19, with sufficient proceeds to allow a funeral claim of at least three hundred fifty dollars, as provided by section 635.55.
3. That any payment which is due the decedent's estate, spouse, children, father, mother, brother, or sister by reason of the liability of any life insurance or death or funeral benefit company, association or society to be made in the event of the death of such decedent who was a recipient of old-age assistance may be deducted from the state department's liability of one hundred seventy-five dollars.
4. That in the event the total funeral expenses exceed the department's liability of one hundred seventy-five dollars, as provided under 1, 2, and 3 above, the additional expenses shall accrue only when there is an extraordinary expense or when the family or next best friend of the decedent specify the use of a steel or concrete outside burial vault. Provided that said additional expense shall not be paid by the state. However, if the county board directs that a burial lot, grave opening, or clothing be furnished for the decedent, the expense thereof shall be paid by the state in a total amount not to exceed fifty dollars, to such person or persons as the county board directs, and such expense shall be allowed in addition to the one hundred seventy-five dollar limit provided in this section, provided further, however, that in such cases no extraordinary expense shall be permitted nor will the family or next best friend of the decedent be permitted to specify the use of a steel or concrete outside burial vault.
Any funeral expenses thus paid by the state department shall become a part of the claim and lien for assistance paid the individual recipient of old-age assistance and shall be collectible under the provisions of sections 249.19 and 249.20.
When no claim is filed, or, whenever a claim is filed and disallowed, for the payment of funeral expenses, as provided for by this chapter and section, and the person furnishing such services and merchandise, in connection with the funeral of a deceased recipient of old-age assistance, files a claim against the decedent's estate, as provided for by chapter 635, such claim shall not be allowed in an amount exceeding three hundred fifty dollars.
Where a person has been receiving old-age assistance under the provisions of this chapter and while receiving such assistance is committed or admitted to any tax supported institution for any cause and is not receiving old-age assistance at the time of his death, he shall, notwithstanding such facts, be qualified to re-

249.19 Deduction from estate. On the death of a person receiving or who has received assistance under this chapter or of the survivor of a married couple, either or both of whom were so assisted, the total amount paid as assistance, shall be allowed as a lien against the real estate in the estate of the decedent and as a claim of the second class against the personal estate of such decedent, in the event the estate is admitted to probate. Neither the homestead nor the proceeds therefrom of such decedent or his survivor, shall be exempt from the payment of said lien or claim, any act or statute to the contrary notwithstanding. The filing of its claim against the estate shall not constitute a waiver of the right of the state board, in behalf of the state, to maintain an action by equitable proceedings to foreclose upon its lien against a homestead left by the deceased as well as any other real estate situated within the state of Iowa, and belonging to the estate of the deceased. The proceeds of such claim or lien shall be paid into the old-age assistance revolving fund. In case of the death of either husband or wife, either or both of whom have been receiving or have received assistance under this chapter, the homestead shall not be sold until the surviving spouse shall die or cease to occupy the homestead as such. Furthermore, no such claim shall be enforced against any real estate of the recipient, or the real estate of a person who has been a recipient, while it is occupied by the recipient's surviving spouse, if the latter, not later than six months after the time of marriage to the recipient, was not more than fifteen years younger than the recipient, and does not marry again. Referred to in §§249.18, 249.20, 249.21, 515.102

249.20 Transfer of property to the state. In any event, the assistance furnished under this chapter shall be and constitute a lien on any real estate owned either by the husband or wife for assistance and funeral benefit furnished to either of such persons. Whenever an order is made for such assistance to any person, a copy of such order shall be indexed and recorded in the manner provided for the indexing of real-estate mortgages in the office of the county recorder of the county in which the recipient lives and in which the real estate belonging to the recipient or the spouse of such recipient is situated, and such recording and indexing shall constitute notice of such lien. The county recorder shall not charge a fee for such recording and indexing or for releasing said lien.

Assistance furnished under this chapter shall not constitute a lien on any real estate owned by the Indian tribes residing in this state. This is the sole exception to the provisions of this and section 249.19.

Any action to enforce an old-age assistance lien shall be by equitable proceedings.

The statute of limitations shall not begin to run against any lien or cause of action, belonging to the state under the provisions of this section or chapter, until the death of the recipient, former recipient, or the surviving spouse, if any.

The state board shall release liens created or existing under this chapter when the amount thereof is fully paid, or when an estate, of which real estate affected by this chapter is a part, has been probated and the proceeds allowable through such probate have been applied on such liens. The board may also, in its discretion, at any time, order the release of any lien in full, or the release of any specific parcel of land from the lien, upon such compromise, settlement, substitution of other security, or other consideration as the board shall determine to be fair and adequate under the peculiar circumstances affecting the property subject to the lien or its ownership. Such release shall be executed and acknowledged by the secretary of the state board of social welfare; and such release when recorded shall be conclusive in favor of any third person dealing with or concerning the land thus released in reliance on such record.

If the state board deems it necessary to protect the interest of the state, it may require, as a condition to the grant of assistance, the absolute conveyance or assignment of all, or any part, of the property of an applicant for assistance to the state board; upon the taking of such deed or assignment the state department shall pay any delinquent taxes against said property and said deed shall reserve to the grantor and his spouse a life estate in said property and an option to the grantor and his heirs to purchase said property by repayment of the total amount paid for the benefit of the recipient. Said option insofar as the heirs are concerned shall be for six months from the date of the death of the grantor or the grantor's surviving spouse, if any.

Title to any real estate may be taken in the name of the state board of social welfare.

Such property shall be managed by the state department which shall credit the net revenue to the account of the person or persons entitled thereto. The state board shall have power to sell, lease, assign or convey such property or defend and prosecute all suits concerning it, and to pay all just claims against it, and to do all other things necessary for the protection, preservation and management of the property.

Upon the death of the recipient, or person who has received assistance, and the surviving spouse of such person, which spouse meets the requirements set out in section 249.19, and the expiration of the option to the heirs, the property shall be disposed of at public auction after notice by publication in some newspaper in the county where located, once each week for two consecutive weeks, before the day of sale and so much of the proceeds as is necessary for the repayment of the amount of as-

assistance and other benefits paid to the grantor and/or his spouse and repayment of amount expended for the preservation of the property shall be transferred to the old-age assistance revolving fund. The balance, if any, shall be paid through the old-age assistance revolving fund to the heirs.

The state board and state department shall be entitled to an assignment of the certificate of tax sale of said property upon tender to the holder or to the county auditor of the amount to which the holder of the tax sale certificate would be entitled in case of redemption and shall be entitled to receive a tax deed.

The attorney general, at the request of the state board, shall take the necessary proceedings, and represent and advise the state board in respect to any matters arising under this section. [C35, §5296-f16; C39, §3828.023; C46, 50, 54, 58, §249.20; 58GA, ch 178, §1]

249.21 Executor responsible. Any transfer of any property or interest therein made by an applicant or recipient of old-age assistance to any person without adequate consideration therefor or with intent to deprive the state of its interest therein shall be void.

All administrators, executors, referees and trustees of estates subject to liens provided for by this chapter shall when such lien as provided in sections 249.19 and 249.20, is filed or a claim is filed in the estate or against said estate or established by other legal proceedings as provided by law, pay said lien or claim when so ordered by the court. [C35, §5296-g1; C39, §3828.024; C46, 50, 54, 58, §249.21]

249.22 Compromise by state. The state board and state department, when considering a compromise settlement of the state's interest in any property or the estate of a recipient and/or the recipient's spouse, may recognize such equitable interest as may be established by another person or legal entity. [C39, §3828.025; C46, 50, 54, 58, §249.22]

249.23 Assignment of insurance. Any person, who has been granted a certificate of old-age assistance and is receiving payments of assistance from the old-age pension fund, may petition the state board to accept an assignment of any assignable death benefits, loan value, or cash surrender value, of any life insurance policy, death or funeral benefit of any association, society or organization, requiring further payment of premiums or assessments which such person believes he is unable to pay. The state board may accept such assignment if it deems such action advisable and in the best interests of such person and the state. Upon the payment of such death benefit, the state department shall first deduct the amount of the funeral expenses, incurred under the provisions of section 249.18, the amount of the premiums or assessments paid by the state department to keep the insurance or benefit in force, and the amount of assistance paid to such person, all of which shall accrue to the old-age assistance revolving fund, and pay the balance received, if any, to such person as was the beneficiary last specified upon the policy.

Any recipient of old-age assistance may assign any such insurance policy or benefit certificate for the purpose stated in this section, and when such assignment has been received by the company, association, society, or other organization, issuing same, the state board and state department shall have a vested interest therein for the purpose and to the extent as is contemplated in this section, and the contract so made between such insured person and the state board and state department, shall be valid, and binding upon such insured person, company, association, society or other organization, any other statute to the contrary notwithstanding.

When proceeds are received from any insurance policy or benefit certificate which was not assigned to the state board and which states the beneficiary to be the administrator, or legal representatives or estate of the insured, such proceeds shall be subject to the claim against said estate for any old-age assistance payments to or on behalf of such insured person or for any funeral claims paid and said claim shall be prior to the claim of the heirs thereto. [C35, §5296-g2; C39, §3828.026; C46, 50, 54, 58, §249.23]

249.24 Board notified of increase of property or income. If at any time during the currency or continuance of an old-age assistance certificate the recipient, or the wife or husband of the recipient, becomes possessed of any property or income in excess of the amount allowed by this chapter in respect of the amount of assistance granted, it shall be the duty of the recipient immediately to notify the board of the receipt and possession of any such property or income. The board shall inform the state department of such change and make its recommendation for further action by the state department. The state department, thereupon, shall cancel the certificate or further increase payments or lower the amount of assistance for the remaining period of the certificate and notify the recipient of the reason for such change. Any excess assistance paid shall be returned to the state, and recoverable as a debt due the state. [C35, §5296-f23; C39, §3828.027; C46, 50, 54, 58, §249.24]

Referred to in §249.35

249.25 Recovery from responsible relatives. If at any time under this chapter the state board and state department or county board finds that any person, municipality, association, society or corporation, as specified under subsection 7 of section 249.6, is or was at the time any assistance was paid reasonably able to contribute to the necessary care and support of any recipient without undue hardship, during the continuance of any certificate of assistance, and such person, municipality, association, society or corporation fails or has failed
or refused to do so, then, after notice to such person, municipality, association, society, or corporation, there shall exist a cause of action against such person, municipality, association, society or corporation for the recovery by the state board and state department, for the state, of double such amount of assistance furnished as was or is in excess of the amount allowed by this chapter. [C39,§3828.028; C46, 50, 54, 58, §249.25]

249.26 When child's liability begins. The state board or the court in determining the responsibility of a child for funeral expenses or the support of a claimant or recipient, shall deem liability to begin when said child is receiving a net income from whatever source, commensurate with that upon which he would make an income tax payment to this state. [C39,§3828.029; C46, 50, 54, 58,§249.26]

In the event that a child or other responsible relative neglects or refuses to contribute to the support of a claimant or recipient, an action in equity may be commenced in the district court of the county in which a responsible relative resides and there may be joined as defendants in said action any or all other responsible relatives. The court may decree the amount of contribution, if any, to be made by each child or other responsible relative with due regard to their separate incomes, financial ability and obligations. [C39, §3828.030; C46, 50, 54, 58,§249.27]

The state board may cancel the certificate of any recipient who is found by the state board to be acting in agreement with the authorities of any county charged with the duty of providing for the support of the poor if it shall appear to the state board that such agreement is with the intent to shift or would have the effect of shifting the responsibility of any such county or to evade the provisions of sections 249.29 and 249.34. [C39,§3828.031; C46, 50, 54, 58,§249.28]

This section shall not be construed to exclude the spouse, minor children or other dependents of the recipient of old-age assist-

In administering old-age assistance or relief, the officials of this state and its political subdivisions shall assume old-age assistance payments to be made for the sole benefit of the aged person to whom the certificate of assistance has been issued. If the person applying for or receiving assistance, on the testimony of reputable witnesses, is thought to be incapable of taking care of himself or his money, the board shall complete the investigation, as provided elsewhere in this chapter, and send such application, investigation, and supporting papers to the state department. When notified by the state department of the conditional approval of said application or the renewal or continuance of a certificate, contingent upon the appointment of a legal guardian, the board shall direct the county attorney to petition the court for such appointment and shall forward the court record to the state department as notice of the person to whom assistance payments shall be made.

The application of a person who has been adjudged an incompetent shall be honored only when made by a legally appointed guardian as provided for under the provisions of section 670.2. Upon subsequent investigations all affidavits shall be affirmed by said legal guardian and the person or persons supplying the required information in behalf of said incompetent person.

All guardianship proceedings in the case of an applicant or recipient shall be carried out without fee or other expense including all court costs when, in the opinion of the court, the aged person is unable to assume said expense. At the discretion of the court, a guardian may serve without bond. [C35, §5296-f28; C39,§3828.035; C46, 50, 54, 58,§249.32]

No bond of indemnity shall be required for the issuance of such duplicate warrants which shall be canceled immediately by the state comptroller. However, the provisions of this Act shall not apply to any one applicant until after he has paid, or obligated himself to pay, the sum of fifty dollars for medical assistance during the twelve-month period prior to the date of his application.
7. Has no spouse, child, other person, agency or political subdivision of state or federal government, association, society or corporation legally or contractually responsible under the law of this state and found by the county board able to provide him with such needed medical care and services.

[59GA, ch 114,§1; ch 143,§5]

249A.8 Prior assistance. Any assistance granted under the provisions of this chapter may include any service within the definition of medical assistance for the aged rendered prior to the date of application; provided, however, that the applicant was eligible at the time said service was rendered. [59GA, ch 143,§8]

249A.9 Assistance not assignable. Assistance granted under this chapter shall not be transferable or assignable at law or in equity, and none of the money payable under this chapter shall be subject to execution, levy, attachment, garnishment or other legal process, or to the operation of any bankruptcy or insolvency law. [59GA, ch 143,§9]

249A.10 Appeal to state board. If any application is not acted upon by the county board within a reasonable time after the filing of the application, or if the application or assistance is denied in the whole or in part, modified or canceled under any provision of this chapter, the applicant or recipient, or his personal representative, may appeal to the state board in the manner or form prescribed by the state board. The state board shall, upon receipt of such appeal, give the applicant or recipient, or his personal representative, reasonable notice and opportunity for a fair hearing before the state board or its duly prescribed representative or representatives. An application for assistance for which assistance has been rejected or a recipient whose assistance has been modified or canceled in whole or in part, or his personal representative, after a review hearing hereinabove provided, within thirty days after notice of such action is given, may appeal from the decision of the state board to the district court of the county in which the applicant or recipient resides, by serving ten days notice of such appeal upon the state department of social welfare or upon any member of the state board in the manner required by the service of an original notice in any civil action. Upon the service of such notice, the state board shall furnish the appellant with a copy of the application and all supporting papers, a transcript of the testimony taken at the hearing, if any, and a copy of its decision. The district court shall act as an appellate court to review the decision of the state board to determine whether or not it has therein committed fraud or abused its discre-
tion. The costs may be taxed to the appellant or may be remitted where the appeal is affirmed. [59GA, ch 143,§10]

249A.11 Witnesses summoned. For the purpose of any such hearing, the state board or county board shall have the power to compel, by subpoena, the attendance and testimony of any witness and the production of all books and papers. All witnesses shall be examined on oath, and any member of the state board or its duly prescribed representative may administer said oath. The cost incurred in connection with any such hearing or examination shall be paid by the state board or county, whichever issues the subpoenas; and the witnesses shall be entitled to claim a two-dollar fee and mileage expense of seven cents per mile. [59GA, ch 143,§11]

249A.13 Recipient's obligations. If, while receiving assistance, the recipient becomes possessed of any resource or income in excess of the amount stated in the application provided for in this chapter, it shall be the duty of the recipient immediately to notify the county board of the receipt or possession of such resource or income. When it is found that any person has failed so to notify the board that he is or was possessed of any resource or income in excess of the amount allowed, or when it is found that, within five years prior to the date of his application, a recipient made an assignment or transfer of property for the purpose of rendering himself eligible for assistance under this chapter, any amount of assistance paid in excess of the amount to which the recipient was entitled may be recovered from him while living as a debt due the state and upon his death as a debt due the state board, or county, or used for any purpose not directly connected with the administration of medical assistance or aid to the aged. The amount so received shall be transferred to the fund for medical assistance for the aged. [59GA, ch 143,§13]

249A.14 Claim against estate. On the death of a person receiving or who has received assistance under this chapter and of the survivor of a married couple, either or both of whom were so assisted, the total amount paid as assistance shall be allowed as a claim of the second class against the estate of such decedent in the event the estate is admitted to probate. An action may be brought in the name of the state to recover the same at any time within five years after the death of the person receiving aid and after the death of the survivor of a married couple, either or both of whom have received assistance under the provisions of this chapter. [59GA, ch 143,§14]

[59GA, ch 143,§15]

249A.16 Fund established. There is hereby established in the estate treasury a fund to be known as the “Fund for Medical Assistance for the Aged” to which shall be credited all funds appropriated by the state for the payment of administrative expenses, assistance and benefits under this chapter and all moneys received from the federal government for such purposes. All assistance and benefits under this chapter and the administrative expenses incidental thereto, so far as the same are payable by the state board, shall be paid from such funds. Any unexpended balance which remains in the fund for medical assistance for the aged at the end of each biennium shall revert to the general fund of the state. [59GA, ch 143,§16]

249A.17 Exclusive of other relief. This chapter is not to be so construed as to exclude a recipient under the provisions of this chapter, his spouse, minor children, or other dependents from receiving other forms of relief, aid or assistance paid through any agency of the state or any of its political subdivisions, provided, however, that the recipient may not receive old-age assistance. [59GA, ch 143,§17]

249A.18 Confidential records. All applications, information, and records concerning any applicant or recipient of medical assistance for the aged under the provisions of this chapter shall be confidential and shall not be disclosed nor used for any purpose not directly connected with the administration of medical assistance for the aged. The violation of this provision is hereby made a misdemeanor and is punishable as such. [59GA, ch 143,§18]

2. The court of the responding state shall have the power to order the respondent to pay sums sufficient to provide necessary food, shelter, clothing, care, medical or hospital expenses, expenses of confinement, expenses of education of a child, funeral expenses and such other reasonable and proper expenses of the petitioner as justice requires, having due regard to the circumstances of the respective parties.

[C50, 54, 58, §252A.4]

252A.5 When proceeding may be maintained. A proceeding to compel support of a dependent may be maintained under this chapter in any of the following cases:

1. Where the petitioner and the respondent are residents of or domiciled or found in the same state.

2. Where the petitioner resides in one state and the respondent is a resident of or is domiciled or found in another state having substantially similar or reciprocal laws.

3. Where the respondent is not and never was a resident of or domiciled in the initiating state and the petitioner resides or is domiciled in such state and the respondent is believed to be a resident of or domiciled in another state having substantially similar or reciprocal laws.

4. Where the respondent was or is a resident of or domiciled in the initiating state and has departed or departs from such state leaving therein a dependent in need of and entitled to support under this chapter and is believed to be a resident of or domiciled in another state having substantially similar or reciprocal laws.

5. Whenever the state or a political subdivision thereof furnishes support to a dependent, it has the same right through proceedings instituted by the petitioner's representative to invoke the provisions hereof as the dependent to whom the support was furnished, for the purpose of securing reimbursement of expenditures so made and of obtaining continuing support; the petition in such case may be verified by any officer having knowledge of such expenditures and consent of the dependent shall not be required in order to institute proceedings under this chapter. [C50, 54, 58, §252A.5]

252A.6 How commenced—trial.

1. A proceeding under this chapter shall be commenced by a petitioner, or a petitioner's representative, by filing a verified petition in the court in equity in the county of the state wherein he resides or is domiciled, showing the name, age, residence and circumstances of the petitioner, alleging that he is in need of and is entitled to support from the respondent, giving his name, age, residence and circumstances, and praying that the respondent be compelled to furnish such support. The petitioner may include in or attach to the petition any information which may help in locating or identifying the respondent including, but without limitation by enumeration, a photograph of the respondent, a description of any distinguishing marks of his person, other names and aliases by which he has been or is known, the name of his employer, his finger prints, or social security number.

2. If the respondent be a resident of or domiciled in such state and the court has or can acquire jurisdiction of the person of the respondent under existing laws in effect in such state, such laws shall govern and control the procedure to be followed in such proceeding.

3. If the court of this state acting as an initiating state finds that the petition sets forth facts from which it may be determined that the respondent owes a duty of support and that a court of the responding state may obtain jurisdiction of the respondent or his property, it shall so certify and shall cause three copies
of (a) the petition (b) its certificate and (c) this chapter to be transmitted to the court in the responding state. If the name and address of such court is unknown and the responding state has an information agency comparable to that established in the initiating state it shall cause such copies to be transmitted to the state information agency or other proper official of the responding state, with a request that it forward them to the proper court, and that the court of the responding state acknowledge their receipt to the court of the initiating state.

4. When the court of this state, acting as a responding state, receives from the court of an initiating state the aforesaid copies, it shall docket the cause, notify the county attorney or other official acting as petitioner's representative, set a time and place for a hearing, and take such action as is necessary in accordance with the laws of this state to serve notice and thus obtain jurisdiction over the respondent. If a court of the state, acting as a responding state, is unable to obtain jurisdiction of the respondent or his property due to inaccuracies or inadequacies in the petition or otherwise, the court shall communicate this fact to the court in the initiating state, shall on its own initiative use all means at its disposal to trace the respondent or his property, and shall hold the case pending the receipt of more accurate information or an amended petition from the court in the initiating state.

5. It shall not be necessary for the petitioner or the petitioner's witnesses to appear personally at such hearing, but it shall be the duty of the petitioner's representative of the responding state to appear on behalf of and represent the petitioner at all stages of the proceeding.

6. If at such hearing the respondent controverts the petition and enters a verified denial of any of the material allegations thereof, the judge presiding at such hearing shall stay the proceedings and transmit to the judge of the court in the initiating state a transcript of the clerk's minutes showing the denial entered by the respondent.

7. Upon receipt by the judge of the court in the initiating state of such transcript, such court shall take such proof, including the testimony of the petitioner and the petitioner's witnesses and such other evidence as the court may deem proper, and, after due deliberation, the court shall make its recommendation, based on all of such proof and evidence, and shall transmit to the court in the responding state an exemplified transcript of such proof and evidence and of its proceedings and recommendation in connection therewith.

8. Upon the receipt of such transcript, the court in the responding state shall resume its hearing in the proceeding and shall give the respondent a reasonable opportunity to appear and reply.

9. Upon the resumption of such hearing, the respondent shall have the right to examine or cross-examine the petitioner and the petitioner's witnesses by means of depositions or written interrogatories, and the petitioner shall have the right to examine or cross-examine the respondent and the respondent's witnesses by means of depositions or written interrogatories.

10. If a respondent, duly summoned by a court in the responding state, willfully fails without good cause to appear as directed in the summons, he shall be punished in the same manner and to the same extent as is provided by law for the punishment of a defendant or witness who willfully disobeys a summons or subpoena duly issued out of such court in any other action or proceeding cognizable by said court.

11. The court in its discretion may refuse to make such order in any case where the court finds the patient or his parent, parents, or guardian are members of a religious denomination whose tenets preclude dependence on the practice of medicine or surgery and desire in good faith to rely upon the practice of their religion for relief from disease or disorder. The physician appointed by the court to make the examination and report shall receive therefor three dollars for each examination and report, and his actual necessary expenses in connection therewith shall be paid him. 255.15 Duty of admitting physician at hospital. The authorities in control of the medical college shall designate some physician to pass upon the admission of such patient, and it shall be his duty to receive such patient into the hospital and to provide for him, if available, a cot, bed, or room in said hospital, and to assign him to the appropriate clinic and for treatment by the proper physician, unless, in his judgment, the presence of the patient in the hospital would be dangerous to other patients, or there is no reasonable probability that he may be benefited by the proposed treatment or hospital care. If the admitting physician shall deny admission to the patient, he shall make a report in duplicate of his reasons therefor. [SS15,§254-i; C24, 27, 31, 35,§4018; C39,§3828.146; C46, 50, 54, 58,§255.15]

This standard shall apply to indigent patients, the expenses of whose commitment, transportation, care and treatment shall be borne by appropriated funds and shall not govern the admission of other obstetrical or orthopedic patients. If the number of patients admitted from any county shall exceed by more than ten percent the county quota as fixed and ascertained under the first sentence of this section, the charges and expenses of the care and treatment of such patients in excess of ten percent of the quota shall be paid from the funds of such county at actual cost; but if the number of excess patients from any county shall not exceed ten percent, all costs, expenses, and charges incurred in their behalf shall be paid from the appropriation for the support of the hospital. [R60, §§2023, 2037; C73, §§1724, 1727; C97, §2773; S13, §§2773; C24, 27, 31, 35, 39, §4227; C46, 50, 54, 58, §279.11]
279.12 Contracts—election of teachers. The board shall carry into effect any instruction from the regular election upon matters within the control of the voters, and shall elect all teachers and make all contracts necessary or proper for exercising the powers granted and performing the duties required by law, but the board may authorize any subdirector to employ teachers for the school in his subdistrict; but no such employment by a subdirector shall authorize a contract, the entire period of which is wholly beyond his term of office. [C73,§1723, 1757; C97,§2778; SS15,§2778; C24, 27, 31, 35, 39, §4228; C46, 50, 54, 58,§279.12]

279.13 Contracts with teachers—automatic continuation—exchange of teachers. Contracts with teachers must be in writing, and shall state the length of time the school is to be taught, the compensation per week of five days, or month of four weeks, and that the same shall be invalid if the teacher is under contract with another board of directors in the state of Iowa to teach covering the same period of time, until such contract shall have been released, and such other matters as may be agreed upon, which may include employment for a term not exceeding the ensuing school year, except as otherwise authorized, and payment by the calendar or school month, signed by the president and teacher, and shall be filed with the secretary before the teacher enters upon performance of the contract, but no such contract shall be entered into with any teacher for the ensuing year or any part thereof until after the organization of the board.

Boards of school directors shall have power to arrange for an exchange of teachers in the public schools under their jurisdiction with other public school corporations either within or without the state or the United States on such terms and conditions as are approved by the state superintendent of public instruction and when so arranged and approved the board may continue to pay the salary and wages and furnish all other things as agreed upon in the contract between said teacher and the board for a period of one year, and such teacher shall not lose any privileges of tenure, old-age and survivors' insurance, or certification as a result of such exchange. Said contract may be renewed each year as determined by the employing school board provided that the visiting exchange teacher is paid in full for the service rendered by the school authorities with whom his contract is made. Such exchange teachers must have qualifications equivalent to the regular teacher employed by the board and who is serving as the exchange teacher and must secure a special certificate covering the subjects designated for him to teach in the public schools in which the instruction is given. The state superintendent of public instruction is hereby authorized to formulate, establish, and enforce any reasonable regulation necessary to govern the exchange of teachers as provided in this paragraph, including the waiver of Iowa certification requirements for teachers who are regularly certificated or licensed in the jurisdiction from which they come.

Said contract shall remain in force and effect for the period stated in the contract and thereafter shall be automatically continued in force and effect for equivalent periods except as modified or terminated by mutual agreement of the board of directors and the teacher, until terminated as hereinafter provided. On or before April 15, of each year the teacher may file his written resignation with the secretary of the board of directors, or the board may by a majority vote of the elected membership of the board, cause said contract to be terminated by written notification of termination, by a certified letter mailed to the teacher not later than the tenth day of April, provided, however, that at least ten days prior to mailing of any notice of termination the board or its agent shall inform the teacher in writing that (1) the board is considering termination of said contract and that (2) the teacher shall have the right to a private conference with the board if the teacher files a request therefor with the president or secretary of the board within five days; and if within five days after receipt by the teacher of such written information the teacher files with the president or secretary of the board a written request for a conference, the board shall, before any notice of termination is mailed, give the teacher written notice of the time and place of such conference and shall hold a private conference between the board and teacher and his representative if the teacher appears at such time and place. In event of such termination, it shall take effect at the close of the school year in which the contract is terminated by either of said methods. The teacher shall have the right to protest the action of the board, and to a hearing thereon, by notifying the president or secretary of the board in writing of such protest within twenty days of the receipt by him of the notice to terminate, in which event the board shall hold a public hearing on such protest at the next regular meeting of the board, or at a special meeting called by the president of the board for that purpose, and shall give notice in writing to the teacher of the time of the hearing on the protest. Upon the conclusion of the hearing the board shall determine the question of continuance or discontinuance of the contract by a roll call vote entered in the minutes of the board, and the action of the board shall be final. The foregoing provisions for termination shall not affect the power of the board of directors to discharge a teacher for cause under the provisions of section 279.24. The term “teacher” as used in this section shall include all certificated school employees, including superintendents. [R00,§2055; C73,§1757; C97,§2778; SS15,§2778; C24, 27, 31, 35, 39,§4229; C46, 50, 54, 58,§279.13; 58GA, ch 194,§1]

No contract shall be entered into with any teacher to teach an elementary school when the average daily attendance of elementary pupils in such school the last preceding term therein was less than eight such pupils of school age, resident of the district or subdistrict, as the case may be, nor shall any contract be entered into with any teacher to teach an elementary school for the next ensuing term when it is apparent that the average daily attendance of elementary pupils in such school will be less than eight or the enrollment less than ten such pupils of school age, resident of the district or subdistrict, as the case may be, regardless of the average daily attendance in such school during the last preceding term, unless the parents or guardians of ten or more such elementary children subscribe to a written statement sworn to before the county superintendent or a notary public certifying that such children will enroll in and will attend such elementary school if opened and secure from the county superintendent written permission authorizing the board to contract with a teacher for such school for a stated period of time not to exceed three months.

When natural obstacles to transportation of pupils to another school in the same or in another corporation or other conditions make it clearly inadvisable that such elementary school be closed, the county superintendent may authorize the board in writing to contract with a teacher for such school for a stated period of time not to exceed three months.

Any contract with any teacher which is made in violation of the provisions of this section shall be null and void from its inception and no compensation shall be due or paid to any teacher who enters into a contract in violation of the provisions of this section.

When any school board persists in operating its school in violation of the provisions of this section it shall be the duty of the county attorney to bring action for injunction on request of the county superintendent. [C24, 27, 31, 35, 39, §4231; C46, 50, 54, 58, §279.15]

282.23 Tuition when in boarding home. When any child of school age has become a public charge and is being cared for in a children's boarding home licensed by the state, and the domicile of such child at the time it became a public charge was in another school district than the one wherein such boarding home is located, then, such child shall be entitled to attend public school in the school district in which such boarding home is located, or if such district does not maintain a school offering instruction in the grade in which such child is properly classified, then such child may attend upon such instruction in any approved public school in the state that will receive it. The tuition and transportation when required of such a child, at the rates established by law, shall be paid by the treasurer of state from any funds in the state treasury not otherwise appropriated, and upon warrants drawn by the state comptroller upon the requisition of the superintendent of public instruction. If such child was in the district at the time the regular biennial school census was taken, the semiannual apportionments shall be deducted from the tuition due the district under the provisions of this section. The superintendent of public instruction is hereby empowered to require such reports as are necessary properly to carry out the provisions of this section. [C39, §4283.01; C46, 50, 54, 58, §282.23]

282.24 Tuition rates determined by superintendent. The superintendent of public instruction shall determine a maximum tuition rate to be charged for students, elementary or high school, residing within another school district or corporation. This maximum tuition rate shall be determined in the following manner: Classify all schools, elementary and secondary, located in school districts or corporations with populations of one thousand to fourteen thousand nine hundred ninety-nine, inclusive, according to monthly per pupil costs. In such classification the school that falls within the eighty-fifth percentile of the monthly per pupil cost shall form the basis. Using this figure the elementary and high school tuition rates for the succeeding year shall be determined so that the rate for the high school student is one and seventy-five hundredths times the rate
for the elementary student. The junior high school rate shall be one and fifty hundredths times the elementary rate.

The superintendent of public instruction shall, after July 1 but before September 1 of each year, notify every school in the state, affected by this section, what the computed maximum tuition rate shall be for the ensuing year.

Nothing in this section shall prevent the corporation or district in which the student resides from paying a tuition in excess of the maximum computed tuition rates, if the actual per pupil cost of the preceding year so warrants, but in no case may the receiving district or corporation demand more than the maximum rate. [C50, 54, 58, §282.24]

STATE AID FOR TRANSPORTATION

285.1 When entitled to state aid. 1. The board of directors in every school district shall provide transportation or the costs thereof for all resident pupils attending public school, kindergarten through twelfth grade, who reside more than one mile from the school designated by the board for attendance, except as hereinafter provided:

a. Elementary pupils residing within the limits of a village, town, or city of less than twenty thousand population wherein the designated school is located, must live more than
two miles from the school in their district designated for attendance to be entitled to transportation.

b. Elementary pupils residing in a district wherein is located a city of twenty thousand or more in population must live more than two miles from the public school designated for attendance to be entitled to transportation.

c. Elementary pupils residing in a rural independent district, a rural township district, or a consolidated district not operating a central school, when the school in the district or subdistrict is in operation, must live more than two miles from the school in their own district or subdistrict to be entitled to transportation.

Boards at their discretion may provide transportation for resident elementary children attending public school who live less than the distance at which transportation is required.

d. High school pupils residing within the limits of a village, town, or city of less than twenty thousand population wherein the designated school is located are not entitled to transportation.

e. High school pupils residing in a district containing a city of twenty thousand population or over must live more than three miles from high school designated for attendance to be entitled to transportation thereto.

Boards at their discretion may provide transportation for all high school pupils residing inside the corporate limits of any town, village, or city, and more than two miles from designated high school.

2. Any pupil may be required to meet a school bus on the approved route a distance of not to exceed three-fourths of a mile without reimbursement.

3. In any district where transportation by school bus is impracticable or where school bus service is not available, the board may require the parents or guardian to transport their children to the school designated for attendance. The parent or guardian shall be reimbursed for such transportation service for elementary pupils by the board of resident district for the distance one way from the pupil's residence to the school designated for attendance at the rate of twenty-eight cents per mile per day irrespective of number of children transported. For high school pupils, the parent or guardian shall be reimbursed forty dollars per pupil per year for such service, provided however no family shall receive more than eighty dollars per year for transporting the members of the family who attend high school.

4. In all districts where unsatisfactory roads or other conditions make it advisable, the board at its discretion may require the parent or guardian to transport their children up to two miles to connect with a vehicle of transportation. The parent or guardian shall be reimbursed for such transportation by the board of resident district at the rate of twenty-eight cents per mile per day, one way, per family for the distance from pupil's residence to the bus route.

5. Where transportation by school bus is impracticable or not available or other existing conditions warrant it, arrangements may be made for use of common carriers according to uniform standards established by the state superintendent of public instruction. The cost shall be the actual cost of service not to exceed forty dollars per pupil per year.

6. When the school designated for attendance of pupils is engaged in the transportation of pupils, the sending or designating school shall use these facilities and pay the pro rata cost of transportation except that a district sending pupils to another school may make other arrangements when it can be shown that such arrangements will be more efficient and economical than to use facilities of the receiving school, providing such arrangements are approved by the county board of education.

7. If a board closes either elementary or high school facilities and is approved by the county board of education to operate its own transportation equipment, the full cost of transportation shall be paid by the board for all pupils living beyond the statutory walking distance from the school designated for attendance.

8. Transportation service may be suspended upon any day or days, due to inclemency of the weather, conditions of roads, or the existence of other conditions, by the board of the school district operating the busses, when in their judgment it is deemed advisable and when the school or schools are closed to all children.

9. Distance to school or to a bus route shall in all cases be measured on the public highway only and over the most passable and safest route as determined by the county board of education, starting in the roadway opposite the private entrance to the residence of the pupil and ending in the roadway opposite the entrance to the school grounds or designated point on bus route.

10. The board in any district providing transportation for nonresident pupils shall collect the pro rata cost of transportation from the district of pupil's residence for all properly designated pupils so transported.

11. Boards in districts operating busses may transport nonresident pupils who attend public school, kindergarten through junior college, who are not entitled to free transportation provided they collect the pro rata cost of transportation from the parents.

12. The pro rata cost of transportation shall be based upon the actual cost for all the children transported in all school busses. It shall include one-seventh of the original net cost of the bus and such other items as shall be determined and approved by the superintendent of public instruction but no part of the capital outlay cost for school busses and transportation equipment for which the school dis-
district is reimbursed from state funds or that portion of the cost of the operation of any school bus used in transporting pupils to and from extra curricular activities shall be included in determining said pro rata costs. In any district where because of unusual conditions, the cost of transportation is in excess of the actual operating cost of the bus route used to furnish transportation to nonresident pupils, the board of the local district may charge a cost equal to the cost of other schools supplying such service to that area, upon receiving approval of the state director of school transportation. Capital outlay for school buses and transportation equipment shall be excluded from the capital outlay in determining tuition costs as provided in section 276.18, and section 282.20.

13. When a local board fails to pay transportation costs due to another school for transportation service rendered, the board of the creditor corporation shall file a sworn statement with the county board of education specifying the amount due. The county board of education shall check such claim and if the amount is valid shall certify to the county auditor. The auditor shall transmit to the county treasurer an order directing him to transfer the amount of such claim from the funds of the debtor corporation to the creditor corporation and the treasurer shall pay the same accordingly.

14. The state superintendent of public instruction may review all transportation arrangements to see that they meet all legal and established uniform standard requirements.

15. Every school district required by law to provide transportation shall be reimbursed by the state for transportation costs incurred in amount and manner as provided in this chapter. However, no state reimbursement shall be made to school districts to cover costs incurred in transporting pupils from home to a bus route, or any others not entitled to free transportation, but who are transported at the expense of the home district or the parents. [S13,§§2794-b,c,d,e; SS15,§§2794-a,g; C24,27,31, §§4179-4181, 4184, 4186; C35,§§4179-4181, 4184, 4186, 4233-e; C39,§§4179-4181, 4184, 4186, 4233-5; C46,§§276.26, 276.28, 276.29, 276.32, 276.34, 279.20, 285.1, 285.5; C50, 54, 58,§285.1; 58GA, ch 198,$2]

285.3 Report by secretary of district. The secretary of each district entitled to transportation aid shall, on or before the first day of July of each year, report to the state department of public instruction on blanks furnished by the latter, such information as it may require for determining the amount the district shall be reimbursed for transportation of pupils. The state department may require further supporting data and information, and from the said reports, data and information it shall determine and compute the amount to which each district is entitled to reimbursement, and shall certify same for payment to the state comptroller who shall draw warrants upon such certification and cause same to be delivered to the districts so entitled. [C46, 50, 58,§285.3]

285.4 Pupils sent to another district. On or before July 8, 1949, the board in districts not maintaining high school facilities shall by record action designate the school or schools for attendance of all high school pupils from their respective districts. In making designations, the local board shall give consideration to the wishes of the majority of the patrons, the adequacy of the facilities and curricular offerings and available bus service to avoid duplication of transportation facilities to different receiving schools.

When a board closes its elementary school facilities for lack of pupils or by action of the board, it shall, if there is a school bus service available in the area, designate for attendance the school operating the busses, provided the board of such school is willing to receive them and the facilities and curricular offerings are adequate. The board of the district where the pupils reside may with the approval of the county board of education, subject to legal lim-
lations and established uniform standards, designate another rural school and provide their own transportation if the transportation costs will be less than to use the established bus service.

All designations must be submitted to the county board of education on or before July 15, for review and approval. The county board of education shall after due investigation alter or change designations to make them conform to legal requirements and established uniform standards for making designations and for locating and establishing bus routes. After designations are made, they will remain the same from year to year except that on or before July 15, of each year, the rural board or parents may petition the county board for a change of designation to another school. Appeals from the decision of the county board on designations may be made by either the parents or board to the state superintendent of public instruction as provided in section 285.12 and section 285.13. [C35, §§4274-e1, -e3, -e4, -e6; C39, §§4274.03, 4274.05, 4274.06, 4274.08; C46, §§282.10, 282.12, 282.13, 282.15, 285.4; C50, 54, 58, §§285.4]

1. Contracts for school bus service with private parties shall be in writing and be for the transportation of children who attend public school. Such contracts shall define the route, the length of time, service contracted for, the compensation, the vehicle to be used. The contract shall provide the duties of the contractor and driver of the vehicles and shall provide that every person in charge of a vehicle conveying children to and from school shall be at all times subject to any rules said board shall adopt for the protection of the children, or to govern the conduct of the persons in charge of said conveyance. Contracts may be made for a period not to exceed three years.

The contract shall provide that the contractor will sell the equipment to the board should he desire to terminate the contract, provided the board should desire to purchase said equipment, the price of the equipment to be determined by an appraisal board composed of one person appointed by the school board, one appointed by the owner of the equipment, and a third selected by these two.

2. The contractor shall operate the vehicle himself or provide a driver who must be approved by the board. The contractor and driver shall be subject to all laws and prescribed standards for school bus drivers. Failure to comply shall constitute grounds for dismissal of the driver or cancellation of the contract if the board so desires.

3. All vehicles of transportation provided by contractor shall be inspected, approved and certified before being put into operation.

4. All contracts may be terminated by either party on a ninety-day notice.

5. The state superintendent of public instruction shall prepare a uniform contract contain-

School busses which do not conform to the requirements of the department of public instruction may be issued a temporary certificate of operation provided that such school busses can be operated with safety, and provided further that no such certificate shall be issued for a period in excess of one year. All equipment can be required to be altered, or safety equipment added in order to make vehicles reasonably safe for operation. 3. Approve all bus routes outside the boundary of the district of the school operating busses.

4. When a local board fails to make designations and other necessary arrangements for transportation as required by law, the county board shall, after due notice to the local board, make necessary arrangements in conformity with law and established requirements. Notice shall be given to the local board of the arrangements as made. The arrangements shall be binding on the local board which shall pay the costs for service as arranged. 1. Provide transportation for each pupil who attends public school, and who is entitled to transportation under the laws of this state.

2. Establish, maintain and operate bus routes for the transportation of pupils so as to provide for the economical and efficient operation thereof without duplication of facilities, and to properly safeguard the health and safety of the pupils transported.

7. When a school qualifies to purchase busses, they may be purchased as follows:
   a. From such funds as may be available in the general fund.
   b. May purchase busses and enter into contract to pay for such busses over a five-year period as follows: One-fourth of the cost when bus is delivered and the balance in equal annual installments, plus simple interest due. Replacement of equipment to operate on approved routes may be purchased without county board approval. [C46, 50, 54, §285.10; 58GA, ch 96, §13]

285.11 Bus routes—basis of operation. The establishment and operation of bus routes and the contracting for transportation shall be based upon the following considerations:

1. Each bus route shall be planned and adjusted to utilize the normal seating capacity of each bus insofar as it is possible to do so.

2. Each bus route shall serve regularly only pupils whose homes are beyond the statutory walking distance to the nearest appropriate school. It is provided, however, that in areas of any county having a population of over one hundred and fifty thousand, where, in the opinion of the board, the volume of traffic is such that the pupils' safety depends upon transportation, regular transportation may be provided for pupils living less than the statutory walking distance from the designated school.

3. Each bus route shall serve only those pupils living in those areas where transportation by bus is the most economical method for providing adequate transportation facilities.

4. A route shall not be extended for the purpose of accommodating pupils whose homes are nearer another bus route.

5. Special contracts for transportation of pupils entitled to transportation shall be entered into only when it is more economical to make such special provision than to provide same by regular bus route, or when by reason of physical or mental handicap of the pupil such pupil cannot be transported with safety by bus.

6. The boards shall take advantage of all tax exemptions on fuel, equipment, and of such other economies as are available.

7. The use of school busses shall be restricted to transporting pupils to and from school and to and from extra curricular activities sponsored by the school when such extra curricular activity is under the direction of a qualified member of the faculty and a part of the regular school program. School employees of districts operating busses may be transported to and from school and approved activities to which they are required to attend as a result of their responsibilities. Provided, however, nothing in this subsection shall prohibit the use of school busses in transporting a school teacher going to and from her school when such school is on an established school bus route and such teacher makes arrangements with the district operating such school bus.

8. No bus shall leave the public highway to receive or discharge pupils.

9. Bus routes shall be established only to give service to properly designated pupils.

10. Bus routes shall be established only to give service to properly designated pupils.

286.1 Right of districts to financial aid. For the purpose of equalizing educational opportunity in the school districts throughout the state, the several school districts in the state shall be entitled to and receive financial aid from the state in the manner and amount as provided in this chapter. The aid provided for in this chapter is supplementary aid. Supplementary aid is that aid which is available to districts which qualify under the provisions of this chapter. [C46, 50, 54, 58,§286.1]

286.2 Definitions. For the purposes of this chapter an elementary pupil is a pupil of school age attending public school who has not entered the ninth grade, and a high school pupil is a pupil of school age attending public school in any of the grades ninth to twelfth inclusive. [C46, 50, 54, 58,§286.2]

286.3 Aid to qualified districts. Supplementary aid shall be paid by the state to those districts which qualify, as hereinafter provided. [C46, 50, 54, 58,§286.3]

286.4 Conditions and requirements—mandatory tax levy. Supplementary aid shall be paid under the following conditions and requirements:

1. Supplementary aid shall be paid to a district only when the funds described in subsection 2 of this section are insufficient to meet an educational cost of one hundred twenty dollars per elementary child and one hundred seventy dollars per high school child in average daily attendance, and then only to the extent of this deficiency.

2. The funds which shall be considered available to any district to meet the educational
cost described in subsection 1 of this section, shall include: (a) The estimated proceeds of a standard local tax rate (exclusive of the rate for the schoolhouse fund) of fifteen mills for all districts with high schools and ten mills for elementary districts.

3. No school district shall receive financial aid under the provisions of this chapter for reimbursement for any year in which a school tax levy for the general fund of at least fifteen mills was not made in such district. [C46, 50, 54, 58, §286.4]

286A.3 Basis of aid—standards for junior colleges. Generally school aid shall be distributed under this chapter on the basis provided in section 286A.1.

No school district shall receive financial aid under the provisions of this chapter in the event a school tax levy for the general fund of at least fifteen mills was not made in such district for the preceding year. [C50, 54, 58, §286A.1]

286A.2 Definitions. For the purposes of this chapter an elementary pupil is a pupil of school age attending public school who has not entered the ninth grade, and a high school pupil is a pupil of school age attending public school in any of the grades ninth to twelfth inclusive. [C50, 54, 58, §286A.2]
§286A.4 Determination. The general school aid funds allocated to each district shall be determined as follows:

1. Multiply seventeen cents by the combined number of nontuition elementary students in average daily attendance and average number of elementary students for which the district pays tuition to another district. Multiply this product by the actual number of days school was officially in session, not to exceed one hundred eighty days.

2. Multiply twenty cents by the combined number of nontuition high school students in average daily attendance and average number of high school students for which the district pays tuition to another district. Multiply this product by the actual number of days school was officially in session, not to exceed one hundred eighty days.

3. Multiply one dollar by the average daily enrollment of the students who are residents of the junior college district carrying twelve or more semester hours of work. Multiply one dollar and a half by the average daily enrollment of the student who is a nonresident of the district carrying twelve or more semester hours of work, except that this shall not apply to a nonresident of the state of Iowa. Multiply the sum of these products by the actual number of days school was officially in session, not to exceed one hundred eighty days.

For the purpose of this section "work" means subjects or courses for which credit is granted and which are approved by the state department of public instruction for state aid.

Multiply one dollar and thirty cents by the number of students for which the district pays tuition for such students to attend an area vocational technical high school or program which has been established and approved under the provisions of chapter 258. Multiply this product by the actual number of days that the vocational technical school was officially in session, not to exceed one hundred eighty days.

For any district which has an area vocational technical high school or program established and approved under the provisions of chapter 258, multiply one dollar and fifty cents by the number of full-time day students who have graduated from high school or who are beyond twenty-one years of age and are tuition students.

Multiply this product by the actual number of days that the school was officially in session, not to exceed one hundred eighty days. A school district, in computing the tuition to charge such a student, shall deduct the amount of general aid received for such student from the regular tuition for such student.

4. Take the sum of the amounts found in subsections 1, 2, and 3 of this section, this being the amount to which the district is entitled for general school aid under this chapter. [C50, 54, 55, §286A.5; 59GA, ch 164, §5]

§286A.6 Rules and regulations. The superintendent of public instruction, subject to the approval of the state board of public instruction, is hereby authorized to adopt such rules and regulations and definitions of terms as are necessary and proper for the administration of this chapter. The necessary expenses incurred by the department of public instruction in the administration of this chapter may be paid from the appropriation therefor. When such conditions as unnatural weather hazards, tied roads, epidemics, and the like, occur to such an extent as to penalize any district, the superintendent of public instruction can adjust the formula by taking the average of several months attendance in lieu of the months affected by such epidemics or hazards. [C50, 54, 55, §286A.6]

§286A.7 Funds. For the purpose of carrying out the provisions of this chapter for the distribution of general aid the funds of each school district, except schoolhouse funds, shall be designated as a general fund and a special courses fund.

The board shall require of each person so appointed a bond in such sum as may seem to the board to be desirable, the reasonable cost of which, if a bond of an association or corporation as surety is furnished, shall be paid by the district. The board shall adopt rules and regulations to provide that no textbook in any branch determined by the board to be taught in the schools under its charge, shall be sold or rented by such depository agent to the pupils in such schools as a textbook other than those textbooks authorized by said board for use by the pupils in such schools; to provide that no such textbook shall be sold or rented by such depository agent at a price or fee higher than that fixed by the said board; and to provide such other measures not in conflict with law as are necessary properly to govern said depository agents and safeguard the said books and moneys. SCHOOL FUNDS

302.1 Permanent fund. The permanent school fund, the interest of which only can be appropriated for school purposes, shall consist of:

1. Five percent of the net proceeds of the public lands of the state, which shall be paid to the state treasurer and be apportioned by the state comptroller among the several counties.

2. The proceeds of the sale of the five hundred thousand acres of land granted the state under the eighth section of an Act of Congress passed September 4, 1841, entitled: "An Act to appropriate the proceeds of all sales of public lands, and to grant pre-emption rights".

3. The proceeds of all intestate estates escheated to the state.

4. The proceeds of the sales of the sixteenth section in each township, or lands selected in lieu thereof. [R60, §§1962, 1964; C73, §§1837, 1839; C97, §2838; C24, 27, 31, 35, 39, §4470; C46, 50, 54, 58, §302.1]

302.2 Lands and escheats. The proceeds of all lands sold, and all sums due from escheats, shall be payable to the treasurer of the county in which the lands or escheated estates are situated or found, and the county treasurer shall pay the proceeds to the state treasurer once each month. [R60, §§1965; C73, §1840; C97, §2839; C24, 27, 31, 35, 39, §4470; C46, 50, 54, 58, §302.2]

302.3 Temporary fund. The temporary school fund, which shall be received and appropriated annually in the same manner as the interest of the permanent fund, shall consist of:

1. All forfeitures which are authorized to be made for the benefit of the school fund.

2. The proceeds of all fines collected for violation of the penal laws, and for the nonperformance of military duty.

3. The proceeds of the sale of lost goods and estrays.

These several funds shall be payable to the county treasurer of the several counties in which they arise, accounted for to the board of supervisors, and apportioned by it among the several school townships and independent districts of the county as provided by law. [R60, §§1963, 1966; C73, §§1838, 1841; C97, §2839; C24, 27, 31, 35, 39, §4471; C46, 50, 54, 58, §302.3]
§302.4 Division and appraisement. The board of supervisors may, at such time as it may fix, and as preliminary to a sale, authorize the trustees of any township, where the sixteenth section or land selected in lieu thereof has not been sold, to lay out the same into such tracts as in their judgment will be for the best interests of the school fund, conforming, as far as the interests of said fund will permit, to the legal subdivisions of the United States surveys, and appraise each tract at what they believe to be its true value, and certify to said board the divisions and appraisements made by them. Said division and appraisement shall be approved or disapproved by said board at its first meeting after such report, and in case it disapproves the same it may at once order another division and appraisement. If the board of supervisors approves, the county auditor shall make and keep a record of such division, appraisement, and approval; but no school lands of any kind shall be sold for less than the appraised value per acre, except as hereinafter provided; nor shall any member of the board of supervisors, county auditor, township trustee, or any person who was engaged in the division and appraisement of said land, be directly or indirectly interested in the purchase thereof; and any sale made, where such parties or any of them are so interested, shall be void. [R60, §§1970, 1971; C73, §§1845–1847; C97, §2840; C24, 27, 31, 35, 39, §4472; C46, 50, 54, 58, §302.4]

§302.5 Notice—sale. When the board of supervisors shall offer for sale the sixteenth section or lands selected in lieu thereof, or any portion of the same, or any part of the five-hundred-thousand-acre grant, the county auditor shall give at least forty days notice, by written or printed notices posted in five public places in the county, two of which shall be in the township in which the land to be sold is situated, and also publish a notice of said sale once each week for two weeks preceding the same in a newspaper published in the county, describing the land to be sold and the time and place of such sale. At such time and place, or at such other time and place as the sale may be adjourned to, he shall offer to the highest bidder, subject to the provisions of this chapter, and sell, either for cash or one-third cash and the balance on a credit not exceeding ten years, with interest on the same at the rate of not less than three and one-half percent per annum, to be paid at the office of the county treasurer of said county on the first day of January in each year, delinquent interest to bear the same rate as the principal. Such county treasurer shall pay to the state treasurer on the first day of February all interest collected. [R60, §1971; C73, §1846; C97, §2841; S13, §2841; C24, 27, 31, 35, 39, §4473; C46, 50, 54, 58, §302.5]

§302.6 Sale without appraisement. When the board of supervisors of any county has once offered for sale any school lands in compliance with the requirements of this chapter, and they remain unsold, and it is unable to obtain therefor the appraised value thereof, and in the opinion of said board it is for the best interests of the school fund that the same be sold for a less price, it may instruct the auditor to transmit the balance of the proceeds in relation thereto, including the action of the township trustees, and the price per acre at which the land had been appraised, which transcript the secretary of state shall submit to the executive council; and if it approves of a sale at any time, it shall certify such approval to the auditor of the county from which said transcript came, which certificate shall be transmitted in the minute book of the board of supervisors, and thereupon said land shall be at once sold to the highest bidder, after notice given as in case of sales in the first instance, without being again appraised. [C73, §1849; C97, §2844; C24, 27, 31, 35, 39, §4474; C46, 50, 54, 58, §302.6]

§302.7 Sale on credit—taxation—waste. When lands are sold upon a partial credit, the contract thereof shall be at once reduced to writing, signed by the proper parties, recorded in the county where the land is situated, and immediately thereafter filed in the office of the county auditor. Any purchaser or his assigns may at any time pay the full amount for lands with accrued interest, and receive from the county auditor a certificate of purchase, which shall be at once transmitted to the secretary of state and will entitle the holder to a patent for the lands, to be issued by the secretary of state and the governor. All school lands sold in pursuance of law shall be subject to taxation from and after the execution and delivery of a contract of purchase. All sales made, where the full price is not paid, shall be subject to the same laws with respect to taxation, as are other land sales; and, if attempted, they shall apply by petition for an injunction to stay the same, and if granted the writ shall issue without bond, and the court issuing it may make such order in the premises as shall be equitable and best calculated to prevent threatened injury, and may adjudge damages for any injury done, the costs to abide the event of the action, and the damages adjudged shall be paid to the county treasurer and the county treasurer shall forthwith pay the same to the state treasurer which shall become a part of the permanent school fund. [R60, §§1972, 1973, 1976–1978; C73, §§1851, 1852, 1856–1858; C97, §2843; C24, 27, 31, 35, 39, §4475; C46, 50, 54, 58, §302.7]

§302.8 Sale of lands bid in. When lands have been sold and bid in by the state in behalf of the school fund upon a judgment in favor of such fund, the land may be sold in like manner as other school lands, and when lands have been conveyed to the counties in which they...
are situated for the use of the school fund, instead of to the state, such conveyance shall be valid and binding, and upon proper certificates of sales patents shall issue in like manner as in cases where the conveyances were properly made to the state. [C73,§1850; C97, §2844; C24, 27, 31, 35, 39,§4476; C46, 50, 54, 58, §302.8]

302.9 Cash or collateral security. When, in the judgment of the board of supervisors, any school lands are of such a character that a sale upon partial credit, would be unsafe or incompatible with the interest of the school fund, and especially in the case of timbered lands, the board of supervisors may in its discretion exact the whole of the purchase money in advance; or if it sells such land upon a partial credit, as hereinbefore prescribed, it shall require good collateral security for the payment of the part upon which credit is given. [R60,§1974; C73,§1853; C97,§2845; C24, 27, 31, 35, 39,§4477; C46, 50, 54, 58,§302.9]

302.10 Uniform interest date. In all cases where money is due to the school fund, either for loans or deferred payments of the purchase price of land sold, the interest shall be made payable on the first day of January each year, and if the debtor fails to pay the interest within six months thereafter, the entire amount of both principal and interest shall become due, and the county auditor shall make a report thereof to the county attorney, who shall immediately commence action for the collection of the amount reported to him as due, and this section is hereby declared to be a part of any contract made by virtue of this chapter, whether expressed therein or not. [R60,§§1975, 1979; C73,§§1854, 1855; C97,§2846; C24, 27, 31, 35, 39,§4478; C46, 50, 54, 58,§302.10]

302.11 School fund accounts — audit of losses. The state comptroller shall keep the school fund accounts in books provided for that purpose, separate and distinct from the revenue books. The auditor of state shall audit all losses to the permanent school or university fund which shall have been occasioned by the defalcation, mismanagement, or fraud of the agents or officers controlling and managing the same, and for this purpose shall prescribe such regulations for those officers as may be necessary to ascertain such losses. [R60,§1969; C73,§1842; C97,§2847; C24, 27, 31, 35, 39,§4479; C46, 50, 54, 58,§302.11]

302.12 Bonds to cover losses. When any sum not less than one thousand dollars shall be so audited and so become a debt of the state to the fund, as provided by the constitution, the auditor of state shall issue the bond or bonds of the state in favor of the fund, bearing six percent interest, payable semiannually on the first day of January and July after issuance, and the amount to pay the interest as it becomes due is appropriated out of any funds in the state treasury. [C73,§1843; C97, §2847; C24, 27, 31, 35, 39,§4480; C46, 50, 54, 58, §302.12]

306A.2 Definition of a controlled-access facility. For the purposes of this chapter, a controlled-access facility is defined as a highway or street especially designed for through traffic, and over, from or to which owners or occupants of abutting land or other persons have no right or easement or only a controlled right or easement of access, light, air, or view by reason of the fact that their property abuts upon such controlled-access facility or for any other reason. Such highways or streets may be freeways open to use by all customary forms of street and highway traffic or they may be parkways from which trucks, busses, and other commercial vehicles shall be excluded. [C58,§306A.2]

306A.3 Authority to establish controlled-access facilities. Cities, towns, and highway authorities having jurisdiction and control over the highways of the state, as provided by chapter 306, acting alone or in cooperation with each other or with any federal, state, or local agency or any other state having authority to participate in the construction and maintenance of highways, are hereby authorized to plan, designate, establish, regulate, vacate, alter, improve, maintain, and provide controlled-access facilities for public use wherever such authority or authorities are of the opinion that traffic conditions, present or future, will justify such special facilities; provided, that within cities and towns such authority shall be subject to such municipal consent as may be provided by law. No person shall have any right of ingress or egress to, from, or across controlled-access facilities to or from abutting lands, except at such designated points at which access may be permitted, upon such terms and conditions as may be specified from time to time. [C58,§306A.4]

The commission shall act upon a budget and return the budget to the county within forty-five days after the budget is received by the commission. Upon disapproval of any proposed expenditure in a budget, the county may submit a revised budget to the commission for approval. The commission shall act upon such a revised budget within ten days. [C24, 27, §§4636, 4637, 4760; C31, 35, §§4644-c4, c5; C39, §§4644.04, 4644.05; C46, 50, 54, §§309.4, 309.5; C58, §309.94]

309.95 Amendments. The budget shall be binding except that should bona fide unforeseen or emergency conditions arise, the board of supervisors may amend such budget during the year for which it was adopted. Such amendments shall be submitted to the state highway commission for approval with a statement of the reasons necessitating the amendment. The state highway commission shall approve or disapprove such amendments in the same manner as original budget estimates except that the highway commission shall act upon and return such amendments within fifteen days after their receipt by the commission. The state highway commission acting upon budget amendments is directed to approve only such amendments as are actually necessitated by emergency conditions. [C58, §309.95]

309.96 Operation of budgeted program.

1. No county shall expend from the secondary road fund an amount in excess of the total amount of the budget or amended budget as adopted by the board of supervisors, whether such budget is approved or disapproved by the highway commission. In order to permit any county to adjust its secondary road income to changed needs that may occur after the budget has been approved by the highway commission the expenditures for any individual item within the budget may exceed by not more than ten percent the amount budgeted for that item without highway commission approval or the submission of an amended budget, provided, however, that the expenditures for one or more other individual items are less than budgeted and the total expenditures from the secondary road fund do not exceed the total secondary road budget.

2. In the event that a county secondary road budget or amended budget thereto is disapproved by the highway commission, the county may elect either to revise such budget or amended budget so as to receive approval or the county may elect to operate with such disapproved budget or amended budget. In the event the county secondary road budget is disapproved in whole or in part, within twenty days after receipt of the highway commission's report, the board of supervisors shall cause to be published in the official newspapers of the county, notice of a public hearing to be held within ten days of said publication, on the highway commission's recommendations, and at said hearing the board of supervisors shall amend or adopt their original budget. [C58, §§309.96; 58GA, ch 209, §9]

1. "County's allotment of road use tax fund" or "allotment of road use tax fund" shall mean that part of the road use tax fund allotted to any county by the treasurer of state from the portion of the state road use tax fund which he has credited to the secondary road construction fund of the counties.

2. "Federal aid" or "federal aid secondary road fund" shall mean funds allotted to the state of Iowa by the federal government to aid in the construction of secondary roads and which funds must be matched with funds under the control of the state highway commission.

3. Funds. There is hereby created a fund which shall be known as the farm-to-market road fund which shall be made up as follows:

1. All federal aid secondary road funds received by the state.

2. All road use tax funds by law credited to the farm-to-market road fund.

310.2 Supervisors agreement. The county board of supervisors of any county is empowered, on behalf of the county, to enter into any arrangement or agreement with or required by the duly constituted federal or state authorities in order to secure the full co-operation of the government of the United States and of the state of Iowa, and the benefit of all present and future federal or state allotments in aid of secondary road construction, reconstruction or improvement. [C39, §4686.02; C46, 50, 54, 58, §310.2]

310.3 Use of fund. Said farm-to-market road fund is hereby appropriated for and shall be used in the establishment, construction, reconstruction or improvement of the farm-to-market road system, including the drainage, grading, surfacing, resurfacing, construction of bridges and culverts, the elimination, protecting, or improvement of railroad crossings, the acquiring of additional right of way and all other expenses incurred in the construction, reconstruction or improvement of said farm-to-market road system under this chapter. 310.4 Projects approved by commission. Before approving any farm-to-market road project the state highway commission shall satisfy itself that the county engineer's office in that county is organized, equipped and financed to discharge satisfactorily the duties herein required. [C39, §4686.09; C46, 50, 54, 58, §310.3; 59GA, ch 168, §12]

310.10 System designated — additions. The farm-to-market road system shall embrace those main secondary roads (not including roads within cities and towns) which connect rural areas with each other and with the towns, cities, and primary roads, and which have heretofore been designated as farm-to-market roads under section 310.9, as amended, and section 310.10, Code 1946. Said road system may, with consent of the state highway commission, be changed and modified by the board of supervisors.

When all farm-to-market roads in any county have been built to established grade, bridged and surfaced in a manner suited to the traffic thereon, additional mileage may be added to the farm-to-market road system in said county. [C39, §4686.10; C46, 50, 54, 58, §310.10]

If the state highway commission approves a project submitted by the board of supervisors, the county engineer shall proceed to make or cause to be made, the surveys, plans and estimates for said project, and submit the same to the board of supervisors and the highway commission for approval. The construction work on said project shall be done in accordance with said approved plans, except insofar as the same may be modified to meet unforeseen or better understood conditions, and no such modification shall be deemed an invalidating matter. [C39, §4686.13; C46, 50, 54, 58, §310.13]

310.14 Bids—highway commission or county supervisors. When the approved plans and specifications for any farm-to-market road project are filed with the state highway commission, it shall, if the estimated cost exceeds one thousand dollars, proceed to advertise for bids and make recommended award of contract. Said recommended award of contract shall be submitted to the board of supervisors of the county in which said project is located for its concurrence. Upon receiving the concurrence of the county board on said recommended contract award, the state highway commission shall take final action awarding said contract. Provided, that the state highway commission shall determine and advise the county board as to any approved farm-to-market road project which is to be financed without the use of federal funds. On such project the above procedure shall be reversed. The county board shall advertise for bids, and, subject to concurrence by the state highway commission, award contract for the construction work. [C39, §4686.14; C46, 50, 54, 58, §310.14]

310.17 Repealed by 53GA, ch 125, §4, see §314.3.

310.18 Partial payments during construction. Partial payments may be made on the work during the progress thereof, but no such partial payment shall be deemed final acceptance of the work nor a waiver of any defect therein. The approval of any claims by the board of supervisors or by the state highway commission may be evidenced by the signature of the chairman of said board or commission, or a majority of the members of the board or commission, on the individual claims or on the abstract of a number of claims with the individual claims attached to said abstract. [C39, §4686.18; C46, 50, 54, 58, §310.18]

Any sum remaining unexpended at the end of the period during which it is available for expenditure, shall be reapportioned among all the counties as provided in section 312.5 for original allocations.

For the purposes of this section, any sums of the farm-to-market road fund allotted to any county shall be presumed to have been “expended” when a contract shall have been let by the state highway commission obligating said sums. [C39,§4686.27; C46, 50, 54, 58,§310.27]

310.28 Engineering and other expense. Engineering, inspection and administration expense in connection with any farm-to-market road project may be paid from said county’s allotment of the farm-to-market road fund. Any such expense incurred by the state highway commission may in the first instance be advanced out of the primary road fund, said amounts later being reimbursed to said funds out of the farm-to-market road fund.

Provided, that no part of the salary or expense of the county engineer, any member of the county board of supervisors, any member of the state highway commission, the chief engineer, or any department head or district engineer of the commission shall be paid out of the farm-to-market road fund. [C39,§4686.28; C46, 50, 54, 58,§310.28]

310.29 Maintenance by county. Any farm-to-market road constructed under the provisions of this chapter shall be maintained by the county in a manner satisfactory to the federal authorities and to the state highway commission. Should any county fail to so maintain any such road, the state highway commission shall give the board of supervisors notice of that fact. If within sixty days after receipt of such notice the said highway has not been placed in proper condition of maintenance the commission shall proceed immediately to have such highway placed in proper condition of maintenance and charge the cost thereof against said county’s allotment of the farm-to-market road fund. The amount so expended for maintenance work by the highway commission shall be reimbursed to said county’s allotment of the farm-to-market road fund, from said county’s secondary road maintenance fund, before any more farm-to-market road projects in said county are approved by the commission. [C50, 54, 58,§310.34]

310.35 Use of fund. The secondary road research fund shall be used by the state highway commission solely for the purpose of financing engineering studies and research projects which have as their objective the more efficient use of funds and materials that are available for the construction and maintenance of secondary roads, including bridges and culverts located thereon. [C50, 54, 58,§310.35]

Special assessments in the aggregate amount of not less than twenty-five percent of the total estimated cost of surfacing any road included in a secondary road assessment district project shall be apportioned and levied on the lands included in said secondary road assessment district. [C24, 27, 31, 35, 39, §4746; C46, §311.3; C50, 54, 58, §311.3]

311.4 County line road. Whenever it is desired to surface a secondary road on a county line, as a secondary road assessment district project, the board of supervisors of any county concerned may establish an assessment district in its county, and levy and collect special assessments for the payment of that portion of the estimated cost of surfacing such project assessable against lands in that county. Each county shall pay its share of the cost of such project as provided in this chapter, in the same manner as though the project were located wholly within that county. [C24, 27, 31, 35, 39, §4745; C46, §311.10; C50, 54, 58, §311.4]

Any road or street which is a continuation of a secondary road within any city or town and which the county board desires to improve by graveling, oiling, or other suitable surfacing, may by resolution of the county board and concurrence by the council of the city or town be improved as a secondary road assessment district project or part thereof as herein provided. The lands within such city or town abutting on or adjacent to such street or road may be included within such secondary road assessment district and assessed on account of such improvement upon the same basis and in the same manner as though such lands were located outside of a city or town. [C24, §4754; C27, 31, 35, §4745-1; C39, §4745.1; C46, §311.2; C50, 54, 58, §311.6]

311.6 Petition—information required. The petition for a secondary road assessment district proposing to establish such district shall intelligently describe the road or roads proposed to be improved, the nature of the proposed improvement, the percentage of the estimated cost of the surfacing of said road proposed to be assessed against the property in the said district and the lands proposed to be included in such district.

Such petition shall be signed by thirty-five percent of the owners of the lands within such proposed district, or by thirty-five percent of the owners of the land within such proposed district who reside within said county. [C24, 27, 31, 35, 39, §4746; C46, §311.3; C50, 54, 58, §311.6]

311.7 Improvement by private funds. When any owner or group of owners of not less than seventy-five percent of the lands adjacent to, or abutting upon any secondary road or roads shall, on or before October 1 of any year petition the board of supervisors of their county for the improvement by graveling or other suitable surfacing, of said road or roads, and for the assessment of not less than fifty percent (or such greater portion as may be provided in said petition) of the cost of such improving, by graveling or other suitable surfacing, to the lands adjacent to, or abutting upon said road or roads, the board of supervisors shall, in the order in which such petitions were filed with it, include and give preference to said project or projects in the secondary road construction program of said county for the ensuing year. When a proper petition is filed, it shall retain its preference in succeeding years.

The board of supervisors shall proceed during the ensuing year with the construction and completion of said project under the same procedure as is prescribed generally for the improvement of secondary roads by assessment, and shall, as the law may provide, establish a special secondary road assessment district and assess against the lands included

Provided, that should the owner or owners of all the lands included in any special secondary road assessment district under this section, subscribe and deposit with the county treasur er an amount not less than fifty percent (or such greater portion as may be provided in said petition) of the engineer's estimated cost of the surfacing of the road or roads included in said project, the board of supervisors shall not establish such special assessment district as herein provided, but shall accept the said donations in lieu of an assessment, and shall otherwise proceed to the improvement of said road or roads as herein provided.

Provided further, that the total expenditure of secondary road funds of the county in any year for or on account of special secondary road assessment district projects on local secondary roads under this section shall not exceed the total secondary road funds legally expendable for construction on local secondary roads in said county in said year, and the expenditure of secondary road funds of the county, in any township in any three-year period, for or on account of special secondary road assessment district projects on local secondary roads under this section, shall not exceed said township's pro rata share, on the area basis, of the total secondary road funds legally expendable for construction on local secondary roads in said county in said three-year period, unless there be a township or townships from which there are no petitions filed during the first two years of said three-year period.

If the engineer's estimated cost of the grading, bridges, culverts, and draining of the road proposed to be included in any special assessment district project under this section, exceeds an average of seven thousand dollars per mile, the board of supervisors of said county may appeal to the state highway commission as to whether the county shall proceed with the construction of said project.

The state highway commission shall hold a hearing on said matter, at a time and place of which the petitioners and the county board shall be duly notified, and shall have an opportunity to appear and be heard. After such hearing the state highway commission shall determine whether the county shall proceed with said project, which determination shall be final.

Upon the completion of such road or roads, and the satisfaction of all claims in relation thereto, any balance then remaining of the funds provided by the sponsors shall be returned to them according to their respective interests, providing all guarantees made by such sponsors have been fulfilled.

311.13 Errors in notice or apportionment report. Any omission or error in said apportionment report or notice with respect to any tract or parcel of real estate or the description thereof, or the name of the owner, or the amount of the assessment apportioned thereto, shall work no loss of jurisdiction on the part of the board over such proceeding. Such omission or error shall only affect the particular tract of real estate or person in question. If, before or after the board has entered its final order in the establishment of the said district or in the apportionment proceedings, such omission or error is discovered, the board shall fix a time for a hearing as to such party or real estate and shall cause service of notice to be made upon them, either by publication as in this chapter provided, or by personal service in the time and manner required for service of original notices in the district court. After such hearing the board shall proceed as to such person or land as though such omission or error had not occurred. [C24, §4707; C27, 31, 35, §4753-a1; C39, §4753.01; C46, §311.11; C50, 54, 58, §311.13]

paid annually thereafter at the same time and in the same manner as the March semiannual payment of ordinary taxes.

An owner of land who has availed himself of said ten-year option may at any time discharge his assessment by paying the balance then due on all unpaid installments, with interest on the entire amount of the unpaid installments for thirty days in advance. [C24, §4710; C27, 31, 35, §4753-a3; C39, §4753.03; C46, §311.13; C50, 54, 58, §311.17]

311.19 Assessment ten dollars or less. Assessments of ten dollars or less against any tract of land, and assessments against lands owned by the state, county, city or town, shall be due and payable from the date of levy by the board of supervisors, or in the case of any appeal, from the date of final confirmation of the levy by the court.

In case of assessments on lands owned by the county, the same shall be paid from the county general fund. In case of assessments on lands owned by the state, the same shall be paid out of any funds in the state treasury not otherwise appropriated. In case of assessments on lands owned by a city or town, the same shall be paid from the city or town street fund. 311.20 Variation between estimated and actual cost. Any variation between the engineer's estimated cost and the actual cost of a secondary road assessment district project shall in no way affect the validity of the assessment. It is the intent of this chapter that the assessment shall be based on the estimated cost and not on the actual cost. [C24, §4711; C27, 31, 35, §4753-a4; C39, §4753.04; C46, §311.14; C50, 54, 58, §311.20]

311.23 Payment of construction costs. The total cost of any secondary road assessment district project shall in the first instance be paid out of the secondary road fund of said county. Any assessments which are paid in cash and in anticipation of which assessments no certificates have been issued, shall be transferred to the secondary road fund.

If no special assessment certificates are issued and sold on account of any particular secondary road assessment district, the special assessments on lands included in that district, and the interest on such assessments when collected, shall be transferred to the secondary road fund of said county. If certificates are issued and sold in anticipation of the special assessments levied on any such district as herein provided, the proceeds of such certificates shall be credited to the secondary road fund of said county. In that event, the special assessments in anticipation of which certificates have been issued, and the interest on such assessments shall, when collected, be used to retire such certificates. [C24, 27, 31, 35, 39, §4752; C46, §311.9; C50, 54, 58, §311.23]

311.24 Appeal from assessment. Any owner of land in a secondary road assessment district may appeal to the district court from the order of the board of supervisors in levying the assessment against his real estate, by filing with the county auditor within fifteen days of the date of such levy, a bond conditioned to pay all costs in case the appeal is not sustained, and a written notice of appeal wherein he shall, with particularity, point out the specific objection which he desires to lodge against such levy. The appearance term shall be the trial term. Said appeal shall have precedence over all other business of the term except criminal matters. The appeal shall be heard as in equity. The court may raise or lower the assessment in question and make an equitable assessment in the judgment of the court. The appellant shall, on or before the first day of the first term of the court, after taking said appeal, docket said appeal and file a petition setting forth the order or decision of the board of supervisors appealed from, and his specific objections thereto. A failure to comply with either of these requirements shall be deemed a conclusive waiver of the appeal and in such case the court shall dismiss the same. Appellee need not file answer, but may do so. [C24, §4714; C27, 31, 35, §4753-a8; C39, §4753.06; C46, §311.16; C50, 54, 58, §311.25]

Each special assessment and all installments thereof shall be a lien upon the real estate upon which it is levied from the date of such certificate by the county auditor to the same extent and in the same manner as taxes levied for state and county purposes. Changes in the amount of any special assessment by reason of any ruling of the district court on appeals shall be likewise certified and the county treasurer shall make the proper correction on his books. [C24, §4715; C27, 31, 35, §4753-a7; C39, §4753.07; C46, §311.17; C50, 54, 58, §311.26]

Each issue of certificates shall be under, and in accordance with, a duly adopted resolution of the board and which shall recite (1) the name or designation of the road district on account of which the certificates are issued; (2) that a stated amount (naming the amount) has been specially assessed against the lands within said district; (3) that a stated amount of said aggregate special assessment has not yet been paid (naming the unpaid amount); (4) that it is necessary to render such unpaid amount immediately available; (5) the number of road certificates authorized and the specific amount of each certificate; (6) the specific numbering or designation of such certificates; (7) the rate of interest which each certificate shall bear from date, to wit, not to exceed six percent per annum; (8) the fact that said certificates are payable solely from the proceeds of the special assessments which have been levied on the lands within said districts; (9) that each certificate shall be payable on or before the first day of January of the first year following the maturity of the last installment of such special assessments, and that interest thereon shall be paid annually; (10) the authorization to the chairman of the board, and to the county auditor, respectively, to sign and countersign each of said certificates. Upon the signing of each of said certificates by the chairman of the board, said certificates shall be delivered to the county auditor, who shall countersign the same, charge the county treasurer with the amount thereof, and deliver the same to the latter officer, who shall be responsible therefor on his bond. The treasurer may apply said certificates in payment of any warrants duly authorized and issued for surfacing the roads within said district, or he may sell the same for the best attainable price and for not less than par, plus accrued interest, and credit the proceeds to the secondary road fund. Such certificates shall be retired in the order of the consecutive numbering thereof. [C24, §4717; C27, 31, 35, §4753-a9; C39, §4753.09; C46, §311.19; C50, 54, 58, §311.29]

Certificates registered — payment. The county treasurer shall, in connection with the road account for said district, enter the name and post-office address of all persons to whom any of said certificates are issued, with a particular designation of the certificates delivered to each person. Any subsequent holder may present his certificate to the county treasurer and cause his name and post-office address to be entered in lieu of that of such former holder. Whenever the fund for such particular district has money to pay the first retireable certificate or certificates, the county treasurer shall, by mail, as shown by his records, promptly notify the holder of such certificate of such fact and that from and after ten days after the mailing of such letter all interest on such certificates will cease. [C24, §4717; C27, 31, 35, §4753-a9; C39, §4753.09; C46, §311.19; C50, 54, 58, §311.30]

The passage of this chapter, the provisions hereof, and the repeal of sections hereby repealed, shall not in manner affect or invalidate any secondary road district assessments levied before this chapter became effective, or any certificate in anticipation of such assessments issued before or after this chapter becomes effective.

Said assessments and taxes shall be collected and applied to the purpose for which they were levied. Certificates in anticipation of such assessments may be issued. The proceeds of such certificates shall be applied to the purpose intended, and such certificates issued before or after this chapter becomes effective shall be paid in conformance with the provisions of this chapter. 313.1 Federal and state co-operation. The state highway commission is empowered on behalf of the state to enter into any arrangement or contract with and required by the duly constituted federal authorities, in order to secure the full co-operation of the government of the United States, and the benefit of all present and future federal allotments in aid of highway construction, reconstruction, improvement or maintenance. The good faith of the state is hereby pledged to cause to be made available each year, sufficient funds to equal the total of any sums now or hereafter apportioned to the state for road purposes by the United States government for such year, and to maintain the roads constructed with said funds. [C24,§4688; C27, 31, 35,§4755-b1; C39, §4755.01; C46, 50, 54, 58,§313.1]

313.2 “Road systems” defined — roadside parks. The highways of the state are, for the purposes of this chapter, divided into two systems, to wit: the primary road system and the secondary road system. The primary road system shall embrace those main roads, not including roads within cities and towns, which connect all county-seat towns, cities, and main market and industrial centers and which have already been designated as primary roads in chapter 241, Code of 1924; provided that the said designation of roads shall be, with the consent of the federal bureau of public roads, subject to revision by the state highway commission.

Any portion of said primary road system eliminated by reconstruction or relocation shall revert to and become part of the local secondary road system, provided, however, that the highway commission shall, during a period of not to exceed one year from the date a county has been so notified that the road has reverted to the secondary system, maintain said road and conduct periodic traffic checks. If, at the end of one year the traffic on the section in question exceeds four hundred vehicles per day, it shall remain in the primary system. If, at the end of one year, the traffic on said section does not exceed four hundred vehicles per day, it shall revert to and become a part of the secondary system, provided, however, that the state highway commission shall first allocate sufficient funds to place the road in good repair sufficient for the traffic thereon.

The state highway commission may, for the purpose of affording access to cities, towns or state parks, or for the purpose of shortening the direct line of travel on important routes, or to effect connections with interstate roads at the state line, add such road or roads to the primary system.

The state highway commission shall have the authority to utilize any land acquired incidental to the acquisition of land for highway right of way and to also accept by gift, lands not exceeding two acres in area for roadside parks and parking areas, provided, however, that the upkeep and maintenance of said roadside parks and parking areas shall involve only minor maintenance expense. The commission shall also have authority to accept by gift, equipment or other installations incidental to the use of said parks and parking areas. Said parks and parking areas shall be a part of the primary road system and the commission may at its discretion sell or otherwise dispose of said lands. [C24,§4689; C27, 31, 35,§4755-b2; C39, §4755.02; C46, 50, 54, 58,§313.2; 58GA, ch 212,§1]

Such estimate shall be in the same general form and detail as may be required by law in estimates submitted by other state departments.

Any unexpended balance at the end of any year in the amount so authorized for said year shall revert to the primary road fund. If the amount authorized by the general assembly for any year shall prove to be not sufficient to meet the commission's needs during said year, the executive council may on proper showing by the commission authorize such additional amount for said year as may appear to the council necessary to meet the commission's needs for the remainder of said year. Improvements shall be made and carried out in such manner as to equalize the condition of the primary roads, as nearly as possible, in all sections of the state.

The state highway commission shall not purchase right of way and construct a new system of diagonal highways radiating from any city with a population over one hundred thousand. [C27, 31, 35, §4755-b8; C39, §4755.08; C46, 50, 54, 58, §313.8]

infested with any noxious weeds on farm land, and shall designate the destruction dates to prevent seed production of all varieties of noxious weeds. Quack grass in pasture land, rough timbered land or on the highways, railway rights of way and public lands, when acting as soil binder, may be exempt from such order if approved by the supervisors. The actual cost and expense of such cutting, burning or otherwise destroying of said weeds, the cost of serving notice and special meetings or proceedings, if any, shall be paid from the county general fund and together with the additional assessment to apply toward costs of supervision and administration, be recovered by an assessment against the tract of real estate on which the weeds were growing, as provided in section 317.21. Said order shall define the roads along which said weeds are required to be cut, burned or otherwise destroyed and shall require said weeds to be cut, burned or otherwise destroyed within thirty days after the publication of said order in the official newspapers of said county. 2. That the vehicle is mechanically unfit or unsafe to be operated or moved upon the highways, providing such condition is revealed by a member of this department, or any peace officer.

3. That the treasurer has reasonable ground to believe that the vehicle is a stolen or embezzled vehicle or that the granting of registration and issuance of a certificate of title would constitute a fraud against the rightful owner.

4. That the registration of the vehicle stands suspended or revoked for any reason as provided in the motor vehicle laws of this state.

5. That the required fee has not been paid except as provided in section 321.48.

The information to be kept in such file shall be entered therein within forty-eight hours after receipt insofar as is practical. The department shall also install and maintain a file by motor number, or other identifying number of the vehicle, which shall contain a full description of the vehicle as described on the certificate of title and the name and address of the previous owner. Number plates and weight limitation emblems which are issued with registrations or registration increases are hereby declared to be integral parts of the registration of the vehicle for which issued.

In lieu of issuing new registration plates each year for a vehicle renewing registration, the department may reassign the registration plates previously issued to such vehicle and may adopt and prescribe a distinctive type of emblem indicating payment of registration fee, which emblem shall be displayed in the upper right-hand corner of the windshield of the vehicle for which it is issued or it may prescribe corner plates to be attached to said registration plates bearing the numerals indicating the year for which the original plates are validated.

Examiners appointed by the department shall have the authority of peace officers for the purpose of enforcing the laws relating to motor vehicles and the operation thereof, and when on duty shall wear a uniform and proper identifying badge or badges as prescribed by the commissioner which shall be purchased by the department and paid for from the department maintenance fund. When a department uniformed examiner is not available, the county sheriff may in his discretion accept from a person holding a valid operator's license of this state or a valid chauffeur's license of another state, application to the department for a chauffeur's license accompanied by the regular fee therefor, and is hereby authorized to issue a license to operate a motor vehicle as a chauffeur, using forms provided by the department, to expire fifteen days from issuance. The entire fee and application shall be turned over to the department examiner on or before the date of expiration of such license and if the applicant does not appear within the calendar year for examination the license fee shall be considered an earned fee, but if upon examination the application is denied, the fee shall be returned to applicant by the department. No such license shall be issued to any person who has within the same calendar year been issued a license as herein provided or to any person previously denied any license by the department. [C46, 50, 54, 58, §321.188]

321.190 Carried and exhibited. Every licensee shall have his operator's or chauffeur's license in his immediate possession at all times when operating a motor vehicle and shall display the same, upon demand of a justice of peace, a peace officer, or a field deputy or examiner of the department. However, no person charged with violating this section shall be convicted if he produces in court, within a reasonable time, an operator's or chauffeur's license theretofore issued to him and valid at the time of his arrest. [C31, 35, §4960-d29; C39, §5013.15; C46, 50, 54, 58, §321.190]

Such license fees shall be forwarded by the department to the treasurer of state who shall place same in the general fund of the state, provided that for each operator's license issued by a county sheriff for which a license fee is paid, the sheriff issuing the same shall be entitled to retain the sum of fifteen cents and for each chauffeur's license, the sum of fifty cents, which shall be credited to the county general fund. [C31, 35, §4960-d25; C39, §5013.17; C46, 50, 54, 58, §321.192]

321.193 Restricted licenses. The department upon issuing an operator's or chauffeur's license shall have authority whenever good cause appears to impose restrictions suitable to the licensee's driving ability with respect to the type of vehicle or special mechanical control devices required on a motor vehicle which the licensee may operate or such other restrictions applicable to the licensee, including licenses issued under section 321.194, as the department may determine to be appropriate to assure the safe operation of a motor vehicle by the licensee. The department may either issue a special restricted license or may set forth such restrictions upon the usual license form. The department may upon receiving satisfactory evidence of any violation of the restrictions of such license suspend or revoke the same but the licensee shall be entitled to a
hearing as upon a suspension or revocation under this chapter.

It is a misdemeanor, punishable as provided in section 321.482, for any person to operate a motor vehicle in any manner in violation of the restrictions imposed in a restricted license issued to him. [C39, §5013.18; C46, 50, 54, 58, §321.193]

Such license shall expire on the licensee's sixteenth birthday. For the purpose of establishing a need for the license provided for in this section, each application shall be accompanied by an affidavit from the school board or superintendent of the applicant's school which affidavit shall be upon a form provided by the department and shall state the facts deemed to justify the issuance of a limited license to the applicant. Neither such affidavit nor the inability to obtain the same shall be binding on the department but may be considered by the department in its determination of whether or not to grant the application. The fact that the applicant resides at a distance less than one mile from his school shall be prima-facie evidence of the nonexistence of any necessity for the issuance of such a license. A limited license issued hereunder is subject to suspension or revocation in like manner as any other license or permit issued under any law of this state and in addition thereto the department may suspend such license upon receiving satisfactory evidence that the licensee has violated the restrictions of such license or has been involved in two or more accidents chargeable to such licensee and the department shall revoke any license issued hereunder upon receiving a record of such licensee's conviction for two or more violations of any law of this state or city ordinance, other than parking regulations, regulating the operation of motor vehicles on highways and after revoking a license hereunder the department shall not grant application for any new license or permit until the expiration of one year or until the licensee attains his sixteenth birthday whichever is the longer period. [C31, 35, §4960-d27; C39, §5013.20; C46, 50, 54, 58, §321.195]

321.196 Expiration of operator's license—renewal—vision test mandatory. Each operator's license issued after July 5, 1948 shall expire two years from the licensee's birthday anniversary occurring in the year of issuance. For the purposes of this section the birthday anniversary of a person born on February 29 shall be deemed to occur on March 1. All applications for renewal of operators' licenses made after July 5, 1948 shall be made under the direct supervision of a uniformed member of the department and shall be approved by such uniformed member. The commissioner may, in his discretion, authorize the renewal of a valid license upon application without an examination provided that, a person holding such license has not more than three convictions of moving traffic violations during the previous two years and, provided that such person satisfactorily passes a vision test as prescribed by the department.

The commissioner shall be authorized to sign not to exceed ten percent of the total number of Iowa highway safety patrolmen authorized by law for the purposes of carrying out the provisions of this section. [C31, 35, §§4960-d15,-d30; C39, §5013.21; C46, 50, 54, 58, §321.196]

The department in its discretion may waive the examination of any such applicant previously licensed as a chauffeur under this chapter, provided that such person satisfactorily passes a vision test as prescribed by the department. All applications for the renewal of a chauffeur's license made after January 1, 1950, shall be made under the direct supervision of a uniformed member of the department and shall be approved by such uniformed member. [C31, 35, §4960-d31; C39, §5013.22; C46, 50, 54, 58, §321.197]

321.198 Military service exception. The effective date of a valid operator's license and of a valid chauffeur's license to the extent that it permits the operation of a motor vehicle as an operator, issued under the laws of this state,
held by any person at the time of entering
the military service of the United States or
of the state of Iowa subsequent to September
10, 1940, notwithstanding the expiration of
such license according to its terms, is hereby
extended without fee until six months follow-

military service, provided such discharge is
honorable and such person is not suffering
from such physical disabilities as to impair his
competency as an operator and provided fur-

any peace officer furnish satisfactory evidence
of his military service. However, no person
entitled to the benefits of this section, charged
with operating a motor vehicle without an
operator's license, shall be convicted if he pro-

service. [C46, 50, 54, 58, §321.198]

has been suspended or revoked by the depart-

sons for such action. [C31, 35, §4960-d18; C39,
§5013.23; C46, 50, 54, 58, §321.199]

321.200 Conviction and accident file. The
department shall also file all accident reports
and abstracts of court records of convictions
received by it under the laws of this state and
in connection therewith maintain convenient
records or make suitable notations in order
that an individual record of each licensee
showing the convictions of such licensee and
the traffic accidents in which he has been in-

upon any application for renewal of license
and at other suitable times. [C30, §3013.24; C46,

require the surrender to it of all operator's

any city traffic ordinances, other than parking
regulations, regulating the operation of motor
vehicles on highways, shall forward to the
department a record of the conviction of any
person in said court for a violation of any said
laws, and may recommend the suspension of
the operator's or chauffeur's license of the
person so convicted, and the department shall
thereupon consider and act upon such recom-

1. Has committed an offense for which mandatory revocation of license is required upon conviction.

3. Is an habitual violator of the traffic laws.
4. Is incompetent to drive a motor vehicle.
5. Has permitted an unlawful or fraudulent use of such license.
6. Has committed an offense in another state which if committed in this state would be grounds for suspension or revocation.
7. Has committed a serious violation of the motor vehicle laws of this state.

For the purpose of determining when to suspend a license under this section the commissioner may, in accordance with the provisions of chapter 17A, promulgate a point system for the purpose of weighing traffic convictions, or offenses by their seriousness and may change such weighted scale from time to time as experience or the accident frequency in the state makes necessary or desirable.

Prior to a suspension taking effect under subsections 2, 3, 4, 5, or 7, the licensee shall have received twenty days advance notice of the effective date of the suspension, and an appeal under the provisions of section 321.215 shall operate to stay the suspension pending the determination by the district court. From and after July 4, 1959, if the department of public safety assesses any points against an operator or chauffeur of a motor vehicle under any point system devised by the department for the purpose of suspending operators' or chauffeurs' licenses, the licensee shall receive a credit of one point for each year in which the licensee had in continuous effect a valid operator's or chauffeur's license and during which no points were assessed against such licensee, but such credit of points shall not exceed five points at any one time. Credit points shall be subtracted from the total points assessed against the licensee in determining when to suspend a license.

From and after July 4, 1959, if the department of public safety assesses any points against an operator or chauffeur of a motor vehicle under any point system devised by the department for the purpose of suspending operators' or chauffeurs' licenses, the department must notify the licensee by ordinary mail that such points have been assessed and the reason therefor. Provided that no license shall be suspended on the basis of any point system devised by the department without notice of proposed suspension to the licensee and a reasonable opportunity for a preliminary hearing before a member of the department who shall have authority in meritorious cases to revoke the suspension.

However, a warning memorandum, summons, conviction or forfeiture of bail, not vacated, for a violation of any section of the Code pertaining to the standards to be maintained for motor vehicle equipment, shall not be taken into consideration in determining suspension or the length of suspension of an operator's or chauffeur's license if the equipment in violation of the Code has been repaired within seventy-two hours of such warning memorandum, summons, conviction, or forfeiture of bail not vacated, and evidence of such repair has immediately been sent to the commissioner.

The safety commissioner may, on application, issue a temporary restricted license to any person convicted whose regular employment is the operation of a motor vehicle or who cannot perform his regular occupation without the use of a motor vehicle, but such person shall not operate a vehicle for pleasure while holding such restricted license. How-
ever, this paragraph shall not apply to any person whose license is revoked under the provisions of section 321.209. [C31, 35,§4960-d35; C39,§5014.10; C46, 50, 54, 58,§321.210; 58GA, ch 222,§1-4]

Upon such hearing the commissioner or his duly authorized agent may administer oaths and may issue subpoenas for the attendance of witnesses and the production of relevant books and papers and may require a re-examination of the licensee. The department shall not suspend a license for a period of more than one year, except that a license suspended because of incompetency to drive a motor vehicle shall be suspended until the department receives satisfactory evidence that the former holder thereof is competent to operate a motor vehicle and a refusal to reinstate shall constitute a denial of license within the provisions of section 321.215; upon revoking a license the department shall not in any event grant application for a new license until the expiration of one year after such revocation.

The department shall not suspend a license under the provisions of subsections 6 and 7 of section 321.209 for more than thirty days nor less than five days as recommended by the trial court. [C31, 35,§§4960-d40, -d45; C39,§5014.12; C46, 50, 54, 58,§321.212]

[C31, 35,§4960-d38; C39,§5014.14; C46, 50, 54, 58,§321.214]

321.215 Appeal. Any person denied a license or whose license has been canceled, suspended, or revoked by the department except where such cancellation or revocation is mandatory under the provisions of this chapter shall have the right to file a petition within thirty days thereafter for a hearing in the matter in a court of record in the county wherein such person shall reside and such court is hereby vested with jurisdiction and it shall be its duty to set the matter for hearing upon thirty days written notice to the commissioner, and thereupon the court shall hear and determine the matter as an original proceeding upon a transcript of all the proceedings before the commissioner, and upon additional evidence and other pleadings as the court may require. The decision of the court shall be final. [C31, 35,§§4960-d43, -d44; C39,§5014.15; C46, 50, 54, 58,§321.215]

1. Green alone or “Go”.
   Vehicular traffic facing the signal may proceed straight through or turn right or left unless a sign at such place prohibits either such turn. But vehicular traffic shall yield the right of way to other vehicles and to pedestrians lawfully within the intersection at the time such signal is exhibited.

   Pedestrians facing the signal may proceed across the roadway within any marked or unmarked crosswalk.

2. Yellow alone or “Caution” when shown following the green or “Go” signal.
   Vehicular traffic facing the signal shall stop before entering the nearest crosswalk at the intersection, but if such stop cannot be made in safety a vehicle may be driven cautiously through the intersection.

   Pedestrians facing such signal are thereby advised that there is insufficient time to cross the roadway, and any pedestrian then starting to cross shall yield the right of way to all vehicles.

3. Red alone or “Stop”.
   Vehicular traffic facing the signal shall stop before entering the nearest crosswalk at an intersection or at such other point as may be indicated by a clearly visible line and shall remain standing until green or “Go” is shown alone.

   No pedestrian facing such signal shall enter the roadway unless he can do so safely and without interfering with any vehicular traffic.

4. Red with green arrow.
   Vehicular traffic facing such signal may cautiously enter the intersection only to make the movement indicated by such arrow but shall not interfere with other traffic or endanger pedestrians lawfully within a crosswalk.

No pedestrian facing such signal shall enter the roadway unless he can do so safely and without interfering with any vehicular traffic.

The motorman of any streetcar shall obey all the above signals as applicable to vehicles. [C39, §5019.06; C46, 50, 54, 58, §321.257]

321.258 Flashing signals. Whenever flashing red or yellow signals are used they shall require obedience by vehicular traffic as follows:

1. Flashing red (Stop signal). When a red lens is illuminated by rapid intermittent flashes, drivers of vehicles shall stop before entering the nearest crosswalk at an intersection or at a limit line when marked and the right to proceed shall be subject to the rules applicable after making a stop at a stop sign.

2. Flashing yellow (Caution signal). When a yellow lens is illuminated with rapid intermittent flashes, drivers of vehicles may proceed through the intersection or past such signal only with caution. [C39, §5019.07; C46, 50, 54, 58, §321.258]

This shall not be deemed to prohibit the erection upon private property adjacent to highways of signs giving useful directional information of a type that cannot be mistaken for official signs.

Every such prohibited sign, signal, or marking is hereby declared to be a public nuisance and the authority having jurisdiction over the highway is hereby empowered to remove the same or cause it to be removed without notice. [C39,§5019.08; C46, 50, 54, 58,§321.259]

SPEED RESTRICTIONS

321.285 Speed restrictions. Any person driving a motor vehicle on a highway shall drive the same at a careful and prudent speed not greater than nor less than 40 miles per hour from sunset to sunrise and 70 miles per hour from sunrise to sunset, and not greater than nor less than is reasonable and proper, having due regard to the traffic, surface and width of the highway and of any other conditions then existing, and no person shall drive any vehicle upon a highway at a speed greater than will permit him to bring it to a stop within the assured clear distance ahead, such driver having the right to assume, however, that all persons using said highway will observe the law.

The following shall be the lawful speed except as hereinbefore or hereinafter modified, and any speed in excess thereof shall be unlawful:

1. Twenty miles per hour in any business district.

2. Twenty-five miles per hour in any residential or school district.

3. Forty miles per hour for any motor vehicle drawing another vehicle, except as hereinafter specified.

4. Forty-five miles per hour in any suburban district. Each school district as defined in subsection 59 of section 321.1 shall be marked by distinctive signs as provided by the current manual of uniform traffic control devices adopted by the state highway commission and placed on the highway at the limits of such school district.

5. Sixty miles per hour from sunset to sunrise and seventy miles per hour from sunrise to sunset.

6. Fifty-five miles per hour for any motor vehicle drawing a one- or two-wheel trailer or a tandem wheel trailer not more than twenty-four feet in length including towing arm with a gross weight of not more than three thousand pounds and not more than eight feet in height and not more than eight feet in width.

7. Reasonable and proper, but not greater than sixty miles per hour at any time between sunrise and sunset, and not greater than fifty miles per hour at any time between sunset and sunrise, on secondary roads. Whenever the
board of supervisors of any county shall determine upon the basis of an engineering and traffic investigation conducted by the state highway commission when so requested by said board that the speed limit on any secondary road is greater than is reasonable and proper under the conditions found to exist at any intersection or other place or upon any part of a secondary road, said board shall determine and declare a reasonable and proper speed limit thereat. The speed limits provided and as determined in this subsection shall be effective when appropriate signs giving notice thereof are erected by the board of supervisors at such intersection or other place or part of the highway.

8. Notwithstanding any other speed restrictions, the speed limits for all vehicular traffic on fully-controlled-access, divided, multilaned highways included in, and as a part of, the national system of interstate highways designated by the federal bureau of public roads and this state (23 U.S.C. 103 (d)) shall be seventy-five miles per hour from sunrise to sunset and sixty-five miles per hour from sunset to sunrise. For the purposes of this subsection a fully controlled-access highway is a highway that gives preference to through traffic by providing access connections with selected public roads only and by prohibiting crossings at grade or direct private driveway connections. It is further provided that a minimum speed of forty miles per hour, road conditions permitting, shall be established on the highways referred to in this subsection. [S13, §§321.209, 321.211, 321.212, 321.213]

321.286 Truck speed limits. It shall be unlawful for the driver of a freight-carrying vehicle, with a gross weight of over five thousand pounds, to drive the same at a speed exceeding the following:

1. Fifty miles per hour for any freight-carrying vehicle which is equipped with pneumatic tires.
2. Twenty miles per hour for any freight-carrying vehicle equipped with solid rubber tires, if the weight of the vehicle and load is less than six tons, and twelve miles per hour for any freight-carrying vehicle equipped with solid rubber tires, if the weight of the vehicle and load is more than six tons. [S13, §§321.209, 321.211, 321.212, 321.213]

321.287 Bus speed limits. No passenger-carrying motor vehicle used as a common carrier, except school buses, shall be driven upon the highways at a greater rate of speed than sixty miles per hour at any time. No school bus shall be operated in violation of section 321.377. [C24, §§5104; C27, 31, 35, §§5105-5134; C39, §§5023.03; C46, 50, 54, 58, §§321.287, 55GA, ch 229, §1]

321.288 Control of vehicle. The person operating a motor vehicle or motorcycle shall have the same under control and shall reduce the speed to a reasonable and proper rate:

1. When approaching and passing a person walking in the traveled portion of the public highway.
2. When approaching and passing an animal which is being led, ridden, or driven upon a public highway.
3. When approaching and traversing a crossing or intersection of public highways, or a bridge, or a sharp turn, or a curve, or a steep descent, in a public highway.
4. When approaching and passing a fusee, flares, red reflector electric lanterns, red reflectors or red flags displayed in accordance with section 321.448. [S13, §§1571-m18; C24, 27, 31, 35, §§5031; C39, §§5023.04; C46, 50, 54, 58, §§321.288]

321.289 Speed signs—duty to install. The state highway commission shall furnish and place on primary roads or on extensions of primary roads within any city or town suitable standard signs showing the points at which the rate of speed changes and the maximum rate of speed in the district which the vehicle is entering. On all other main highways the city or town shall furnish and erect suitable signs giving similar information to traffic on such highways. [S13, §§1571-m20; C24, §§5030; C27, 31, 35, §§5030-b2; C39, §§5023.05; C46, 50, 54, 58, §§321.289]

321.290 Special restrictions. Whenever the state highway commission shall determine upon the basis of an engineering and traffic investigation that any speed limit hereinafter set forth is greater or less than is reasonable or safe under the conditions found to exist at any intersection or other place or upon any part of the primary road system or upon any part of a primary road extension, said commission shall determine and declare a reasonable and safe speed limit thereat which shall be effective when appropriate signs giving notice thereof are erected at such intersection or other place or part of the highway. [C39, §§5023.06; C46, 50, 54, 58, §§321.290; 55GA, ch 174, §1]

321.291 Information or notice. In every charge of violation of sections 321.285 to 321.287, inclusive, the information, also the notice to appear, shall specify the speed at which the defendant is alleged to have driven, also the speed limit applicable within the district or at the location. [C39, §§5023.07; C46, 50, 54, 58, §§321.291]

321.292 Civil action unaffected. The foregoing provisions of sections 321.285 to 321.287, inclusive, shall not be construed to relieve the plaintiff in any civil action from the burden of proving negligence upon the part of the defendant as the proximate cause of an accident. [C39, §§5023.08; C46, 50, 54, 58, §§321.292]

321.293 Local authorities may alter limits. Local authorities in their respective jurisdic-
tion may in their discretion subject to the approval of the state highway commission authorize by ordinance higher speeds than those stated in section 321.285 upon through highways or upon highways or portions thereof where stop or yield signs have been erected at the entrances thereto provided signs are erected giving notice of the authorized speed, but local authorities shall not have authority to authorize by ordinance a speed in excess of fifty-five miles per hour. If local authorities fail to authorize by ordinance higher speeds than those stated in section 321.285 upon through highways or upon highways or portions thereof where stop signs have been erected at the entrances thereto, the state highway commission may recommend, upon the basis of an engineering and traffic investigation, to the local authorities that the speed limit be increased. If local authorities fail to increase the speed limit upon said recommendation of the state highway commission, said commission shall declare a reasonable and safe speed limit which shall be effective when appropriate signs are erected giving notice thereof. [C39, §5023.08; C46, 50, 54, 58, §321.293; 59GA, ch 261, §5; 59GA, ch 174, §2]

321.294 Minimum speed regulation. No person shall drive a motor vehicle at such a slow speed as to impede or block the normal and reasonable movement of traffic except when reduced speed is necessary for safe operation or in compliance with law. Peace officers are hereby authorized to enforce this provision by directions to drivers, and in the event of apparent willful disobedience to this provision and refusal to comply with direction of an officer in accordance herewith the continued slow operation by a driver shall be a misdemeanor, and be punished as provided in section 321.482. [C31, 35, §5021-c1; C39, §5023.10; C46, 50, 54, 58, §321.294]

See also §321.382

321.295 Limitation on elevated structures. No person shall drive a vehicle over any bridge or other elevated structure constituting a part of a highway at a speed which is greater than the maximum speed which can be maintained with safety to such bridge or structure, when such structure is sign-posted as provided in this section.

The state highway commission upon request from any local authority shall, or upon its own initiative may, conduct an investigation of any bridge or other elevated structure constituting a part of a highway. and if it shall thereupon find that such structure cannot with safety to itself withstand vehicles traveling at the speed otherwise permissible under this chapter, the commission shall determine and declare the maximum speed of vehicles which such structure can withstand, and shall cause or permit suitable signs stating such maximum speed to be erected and maintained at a distance of two hundred feet before each end of such structure.

Upon the trial of any person charged with a violation of this section, proof of said determination of the maximum speed by said commission and the existence of said signs shall constitute conclusive evidence of the maximum speed which can be maintained with safety to such bridge or structure. [C39, §5023.11; C46, 50, 54, 58, §321.295]

321.296 Emergency vehicles — speed. The speed limitations set forth in this chapter shall not apply to authorized emergency vehicles when responding to emergency calls and the drivers thereof sound audible signal by bell, siren, or exhaust whistle. This provision shall not relieve the driver of an authorized emergency vehicle from the duty to drive with due regard for the safety of all persons using the streets, nor shall it protect the driver of any such vehicle from the consequence of his negligence. [C39, §5023.12; C46, 50, 54, 58, §321.296]

DRIVING ON RIGHT SIDE OF ROADWAY—OVERTAKING AND PASSING, ETC.

321.297 Traveling on right-hand side. The operator of a motor vehicle, in cities and towns, shall at all times travel on the right-hand side of the center of the street. [S13, §1571-ml8; C24, 27, 31, 35, §5019; C39, §5024.01; C46, 50, 54, 58, §321.297]

321.298 Meeting and turning to right. Persons on horseback, or in vehicles, including motor vehicles, meeting each other on the public highway, shall give one-half of the traveled way thereof by turning to the right. [R60, §908; C73, §1000; C97, §1569; S13, §1569; C24, 27, 31, 35, §5020; C39, §5024.02; C46, 50, 54, 58, §321.298]

321.299 Overtaking a vehicle. The following rules shall govern the overtaking and passing of vehicles proceeding in the same direction, subject to those limitations, exceptions, and special rules hereinafter stated:

The driver of a vehicle overtaking another vehicle proceeding in the same direction shall pass to the left thereof at a safe distance and shall not again drive to the right side of the roadway until safely clear of the overtaken vehicle.

Except when overtaking and passing on the right is permitted, the driver of an overtaken vehicle shall give way to the right in favor of the overtaking vehicle on audible signal and shall not increase the speed of his vehicle until completely passed by the overtaking vehicle. [S13, §§1569, 1571-ml8; C24, 27, 31, 35, §§5021, 5022; C39, §5024.03; C46, 50, 54, 58, §321.299]

Passing on right, §321.302

321.300 Failure to recognize signal. Any driver of a vehicle that is overtaken by a faster moving vehicle who fails to heed the signal of the overtaking vehicle when it is given under such circumstances that he could, by the exercise of ordinary care and observation and precaution, hear such signal and who fails to yield that part of the traveled way as herein provided, shall be guilty of a misdemeanor punishable as provided in section
321.301 Burden of proof. Upon proof that a signal was given as contemplated by section 321.300, the burden shall rest upon the accused to prove that he did not hear said signal.

321.302 Overtaking on the right. The driver of a vehicle may overtake and pass upon the right of another vehicle which is making or about to make a left turn.

The driver of a vehicle may overtake and, allowing sufficient clearance, pass another vehicle proceeding in the same direction either upon the left or upon the right on a roadway with unobstructed pavement of sufficient width for four or more lines of moving traffic when such movement can be made in safety.

No person shall drive off the pavement or upon the shoulder of the roadway in overtaking or passing on the right. [C39, §5024; C46, 50, 54, 58, §321.302]

321.303 Limitations on overtaking on the left. No vehicle shall be driven to the left side of the center of the roadway in overtaking and passing another vehicle proceeding in the same direction unless such left side is clearly visible and is free of oncoming traffic for a sufficient distance ahead to permit such overtaking and passing to be completely made without interfering with the safe operation of any vehicle approaching from the opposite direction or any vehicle overtaken. In every event the overtaking vehicle must return to the right-hand side of the roadway before coming within one hundred feet of any vehicle approaching from the opposite direction. [C39, §5024.07; C46, 50, 54, 58, §321.303]

321.304 Prohibited passing. No vehicle shall, in overtaking and passing another vehicle or at any other time, be driven to the left side of the roadway under the following conditions:

1. When approaching the crest of a grade or upon a curve in the highway where the driver's view along the highway is obstructed for a distance of approximately seven hundred feet.

2. When approaching within one hundred feet of any narrow bridge, viaduct, or tunnel, when so signposted, or when approaching within one hundred feet of or traversing any intersection or railroad grade crossing.

3. Where official signs are in place directing that traffic keep to the right or a distinctive center line or off-center line is marked, which distinctive line also so directs traffic as declared in the sign manual adopted by the state highway commission. [C35, §5024-e1; C39, §5024.08; C46, 50, 54, 58, §321.304]

321.305 One-way roadways and rotary traffic islands. Upon a roadway designated and signposted for one-way traffic a vehicle shall be driven only in the direction designated.

A vehicle passing around a rotary traffic island shall be driven only to the right of such island. [C39, §5024.09; C46, 50, 54, 58, §321.305]

321.306 Roadways laned for traffic. Whenever any roadway has been divided into three or more clearly marked lanes for traffic the following rules in addition to all others consistent herewith shall apply:

A vehicle shall be driven as nearly as practical entirely within a single lane and shall not be moved from such lane until the driver has first ascertained that such movement can be made with safety.

Upon a roadway which is divided into three lanes a vehicle shall not be driven in the center lane except when overtaking and passing another vehicle where the roadway is clearly visible and such center lane is clear of traffic within a safe distance, or in preparation for a left turn or where such center lane is at the time allocated exclusively to traffic moving in the direction the vehicle is proceeding and is signposted to give notice of such allocation.

Official signs may be erected directing slow-moving traffic to use a designated lane or allocating specified lanes to traffic moving in the same direction and drivers of vehicles shall obey the directions of every such sign.

Vehicles moving in a lane designated for slow-moving traffic shall yield the right of way to vehicles moving in the same direction in a lane not so designated when such lanes merge to form a single lane. [C39, §5024.0; C46, 50, 54, 58, §321.306; 59GA, ch 175, §1]

321.307 Following too closely. The driver of a motor vehicle shall not follow another vehicle more closely than is reasonable and prudent, having due regard for the speed of such vehicles and the traffic upon and the condition of the highway. [C39, §5024.1; C46, 50, 54, 58, §321.307]

321.308 Motor trucks and towed vehicles—distance requirements. The driver of any motor truck, or of a motor vehicle drawing another vehicle, when traveling upon a roadway, outside of a business or residence district shall not follow within three hundred feet of another motor truck, or of a motor vehicle drawing another vehicle. The provisions of this section shall not be construed to prevent overtaking and passing nor shall the same apply upon any lane specially designated for use by motor trucks. [C51, 35, §5067-d9; C39, §5024.12; C46, 50, 54, 58, §321.308]

See §321.309 for convoys or caravans.

321.309 Towing—convoys—drawbars. No person shall pull or tow by motor vehicle, for hire, another motor vehicle over any highway outside the limits of any incorporated city or town, except in case of temporary movement of a disabled motor vehicle to the place where repairs will be made, unless such person has complied with the provisions of sections 321.57 and 321.58. Provided, however, if such person is a nonresident of the state of Iowa and has complied with the laws of the state of his
residence governing licensing and registration as a transporter of motor vehicles he shall not be required to pay the fee provided in section 321.58 but only to submit proof of his status as a bona fide manufacturer or transporter as may reasonably be required by the department.

Every person pulling or towing by motor vehicle another motor vehicle in convey or caravan shall maintain a distance of at least five hundred feet between the units of said convey or caravan.

The drawbar or towing arm between a motor vehicle pulling or towing another motor vehicle shall be of a type approved by the commissioner, except in case of the temporary movement of a disabled vehicle in an emergency situation. [C31, 35, §5067-d9; C39, §3024.13; C46, 50, 54, 58, §321.309]

321.310 Towing four-wheeled trailers. No motor vehicle shall tow any four-wheeled trailer with a steering axle, or more than one trailer or semitrailer, or both in combination, with the exception that this section shall not apply to any motor truck, truck tractor or road tractor registered at a combined gross weight of ten tons or more nor to a farm tractor towing a four-wheeled trailer, or to any farm tractor or motor vehicle towing implements of husbandry, or a wagon box trailer used by a farmer in transporting produce, farm products or supplies hauled to and from market when registered under the provisions of section 321.123.

Any four-wheeled trailer towed by a truck tractor or road tractor shall be registered under the semitrailer provisions of section 321.122, provided, however, that the provisions of this section shall not be applicable to motor vehicles drawing wagon box trailers used by a farmer in transporting produce, farm products or supplies hauled to and from market when registered under the provisions of section 321.123. [C39, §3024.14; C46, 50, 54, 58, §321.310; 58GA, ch 230, §1; 50GA, ch 176, §1, 3]

Both the approach for a right turn and right turn shall be made as close as practical to the right-hand curb or edge of the roadway.

Approach for a left turn shall be made in that portion of the right half of the roadway nearest the center line thereof and after entering the intersection the left turn shall be made so as to depart from the intersection to the right of the center line of the roadway being entered.

Approach for a left turn from a two-way street into a one-way street shall be made in that portion of the right half of the roadway nearest the center line thereof and by passing to the right of such center line where it enters the intersection. A left turn from a one-way street into a two-way street shall be made by passing to the right of the center line of the street being entered upon leaving the intersection.

Local authorities in their respective jurisdictions may cause markers, buttons, or signs to be placed within or adjacent to intersections and thereby require and direct that a different course from that specified in this section be traveled by vehicles turning at an intersection, and when markers, buttons, or signs are so placed no driver of a vehicle shall turn a vehicle at an intersection other than as directed and required by such markers, buttons, or signs. [S13, §1571-m18; C24, 27, 31, 35, §5033; C39, §5025.01; C46, 50, 54, 58, §321.311]

321.312 Turning on curve or crest of grade. No vehicle shall be turned so as to proceed in the opposite direction upon any curve, or upon the approach to, or near the crest of a grade or hill, where such vehicle cannot be seen by the driver of any other vehicle approaching from either direction within five hundred feet. [C39, §5025.02; C46, 50, 54, 58, §321.312]

321.313 Starting parked vehicle. No person shall start a vehicle which is stopped, standing, or parked unless and until such movement can be made with reasonable safety. [C39, §3025.03; C46, 50, 54, 58, §321.313]

No person shall turn a vehicle from a direct course upon a highway unless and until such movement can be made with reasonable safety and then only after giving a clearly audible signal by sounding the horn if any pedestrian may be affected by such movement or after giving an appropriate signal in the manner hereinafter provided in the event any other vehicle may be affected by such movement. [S13, §1571-m18; C24, 27, 31, 35, §5032; C39, §5025.04; C46, 50, 54, 58, §321.314]

321.315 Signal continuous. A signal of intention to turn right or left shall be given continuously during not less than the last one hundred feet traveled by the vehicle before turning. [C39, §5025.06; C46, 50, 54, 58, §321.315]

321.316 Stopping. No person shall stop or suddenly decrease the speed of a vehicle without first giving an appropriate signal in the manner provided herein to the driver of any vehicle immediately to the rear when there is opportunity to give such signal. Whenever a driver of a vehicle approaches an oncoming vehicle within five hundred feet, such driver shall use a distribution of light, or composite beam, so aimed that the glaring rays are not projected into the eyes of the oncoming driver. The lowermost distribution of light, or composite beam, specified in subsection 2 of section 321.409 shall be deemed to avoid glare at all times, regardless of road contour and loading.

Whenever the driver of a vehicle follows another vehicle within two hundred feet to the rear, except when engaged in the act of overtaking and passing, such driver shall use a distribution of light permissible under this chapter other than the uppermost distribution of light specified in subsection 1 of section 321.409. [C39,§§5034.22-5034.25; C46, 50, 54, §§321.414-321.416; C58,§321.415]

After said hearing the commissioner shall determine whether said approved device meets the requirements of this chapter. If said device does not meet the requirements of this chapter he shall give notice to the person holding the certificate of approval for such device in this state.

If at the expiration of ninety days after such notice the person holding the certificate of approval for such device has failed to satisfy the commissioner that said approved device as thereafter to be sold meets the requirements of this chapter, the commissioner shall suspend or revoke the approval issued therefor until or unless such device is resubmitted to and retested by an authorized testing agency and is found to meet the requirements of this chapter, and may require that all said devices sold since the notification following the hearing be replaced with devices that do comply with the requirements of this chapter. 3. Every trailer or semitrailer of a gross weight of three thousand pounds or more, and every trailer coach intended for use for human habitation, shall be equipped with brakes adequate to control the movement of and to stop and hold such vehicle, and so designed as to be applied by the driver of the towing motor vehicle from its cab, or with self-acting
brakes, and said brakes shall, after January 1, 1939, be so designed and connected that in case of an accidental breakaway of the towed vehicle the brakes shall be automatically applied. Every semitrailer of a gross weight of three thousand pounds or more shall be equipped with a separate, auxiliary means of applying the brakes on the semitrailer from the cab of the towing vehicle.

The commissioner is hereby authorized to designate a privately owned ambulance, rescue or disaster vehicle as an authorized emergency vehicle, and issue certificate of designation therefor, upon written request being made on forms provided by the department and showing necessity for such designation. Such certificate shall at all times be carried with the certificate of registration of the vehicle to which it refers and may be revoked by the commissioner upon showing of abuse thereof. [C46, 50, 54, 58,§321.451]

SIZE, WEIGHT, AND LOAD

[C39,§5035.01; C46, 50, 54, 58,§321.452]

321.453 Exceptions. The provisions of this chapter governing size, weight, and load shall not apply to fire apparatus, road machinery, or to implements of husbandry temporarily moved upon a highway, or to implements moved between the dealer and farm purchaser within a twenty-five-mile radius of his place of business where the transaction was made except on any part of the Interstate highway system, or to a vehicle operating under the terms of a special permit issued as provided in sections 321.467 to 321.470, inclusive. [C39,§5035.02; C46, 50, 54, 58,§321.453; 58GA, ch 235, §1; ch 236,§1]

321.456 Height of vehicles. No vehicle unladen or with load shall exceed a height of thirteen feet, six inches. Nothing herein contained shall be construed to require any railroad or public authorities to provide sufficient vertical clearance to permit the operation of such vehicle upon the highways of this state. Any damage to highways, highway or railroad structures or underpasses caused by the height of any vehicle provided for by this section shall be borne by the operator or owner of such vehicle. [C31, 35,$§5067-1$; C39,$§5035.05$; C46, 50, 54, 58,$§321.456$; 58GA, ch 237,$§§1$, 2]

321.457 Maximum length. The maximum length of any motor vehicle or combination of vehicles, except fire fighting apparatus and vehicles operated in the daytime when transporting poles, pipe, machinery or other objects of a structural nature which cannot be dismembered readily when required for emergency repair of public service facilities or properties, and such vehicles transporting such objects operated at nighttime by a public utility when required for emergency repair of public service facilities or properties, but in respect to such night transportation every such vehicle and the load thereon shall be equipped with a sufficient number of clearance lamps on both sides and marker lamps upon the extreme ends of any projecting load to mark clearly the dimensions of such load, at which time, a member of the state highway patrol shall be notified prior to the operation of such vehicle, shall be as follows:

1. No single truck, unladen or with load, shall have an overall length, inclusive of front and rear bumpers, in excess of thirty-five feet.

3. No combination of truck tractor and semitrailer, nor any other combination of vehicles coupled together, unladen or with load, shall have an overall length, inclusive of front and rear bumpers, in excess of fifty feet.

4. However, a mobile home not in excess of forty-eight feet in length may be drawn by any motor vehicle, except a motor truck, provided, however, that the mobile home and its towing unit shall not be in excess of an overall length of sixty feet. For the purposes of this subsection, a light delivery truck, panel delivery truck or "pickup" shall not be construed to be a motor truck. Further providing that a portable live stock loading chute not in excess of a length of thirteen feet including its hitch or tongue may be drawn by any vehicle or combination of vehicles, provided that such vehicle or combination of vehicles drawing such loading chute is not in excess of the legal length provided for such vehicles or combinations. [C31, 35,$§5067-1$; C39,$§5035.06$; C46, 50, 54, 58,$§321.457$]

321.458 Loading beyond front. 321.460 Spilling loads on highways. No vehicle shall be driven or moved on any highway unless such vehicle is so constructed or loaded as to prevent any of its load from dropping, sifting, leaking, or otherwise escaping therefrom, except that sand may be dropped for the purpose of securing traction, or water or other substance may be sprinkled on a roadway in cleaning or maintaining such roadway. [C39,$§5035.09$; C46, 50, 54, 58,$§321.460$]

321.461 Trailers and towed vehicles. When one vehicle is towing another the drawbar or other connection shall not exceed fifteen feet from one vehicle to the other except the connection between any two vehicles transporting poles, pipe, machinery, or other objects of structural nature which cannot readily be dismembered. vertical transverse plane shall be considered as one axle.

The gross weight on any one axle of a
vehicle, or of a combination of vehicles, operated
on the highways of this state, shall not ex­
ceed eighteen thousand pounds on an axle
equipped with pneumatic tires, and shall not
exceed fourteen thousand pounds on an axle
equipped with solid rubber tires.

No vehicle or combination of vehicles shall
be operated with a total gross weight in pounds
in excess of the amount given in the following
table corresponding to the distance in feet
between the extreme axles of the said vehicle
or combination of vehicles measured longi­
tudinally to the nearest foot or fraction there­
of.

No group of axles of any vehicle, or any
combination of vehicles, shall carry a load in
pounds in excess of the value given in the fol­

In no event shall the maximum gross weight,
including the tolerances hereinafter set forth,
exceed seventy-three thousand two hundred
eighty pounds.

A tolerance above the maximum legal weight
of any axle or vehicle or combination of ve­
hicles may be allowed as follows:

Three percent on any axle, including tandem
axles.

Eight percent of the gross weight on any
particular group of axles.

Eight percent on the total gross weight of a
vehicle or combination of vehicles.

The weight on any one axle of a vehicle
which is transporting livestock may exceed
the legal maximum weight given in this chap­
ter providing that the gross weight on any
particular group of axles on such vehicle does
not exceed the gross weight allowable under
this chapter for such group of axles.

Any person who operates any vehicle in
violation of the provisions of this section, and
any owner, or any other person, employing or
otherwise directing the operator of any vehicle
who requires or knowingly permits the opera­
tion of any vehicle in violation of the provi­
sions of this section shall upon conviction or
a plea of guilty be punished in accordance with

No fine shall be assessed if the overload does
not exceed the tolerance specified in this sec­
tion. If the overload does exceed the tolerance
specified in this section, the amount of the fine
to be assessed shall be computed on the differ­
ence between the actual weight and the maxi­
mum legal weight specified in this section
without allowance of any tolerance.

Overloads on axles and tandem axles and
overloads on groups of axles or on an entire
vehicle or combination of vehicles shall be considered as separate violations of the provisions of this section.

The penalties herein provided shall not be construed to be in lieu of any other penalties provided for violations of other provisions of this chapter.

Any person who issues or executes, or causes to be issued or executed, any bill of lading, manifest, or shipping document of any kind which states the false weight of the cargo set forth on such bill, manifest or document, to be less than the actual weight of such cargo, shall be punished by a fine of not more than one hundred dollars or by imprisonment for not more than thirty days. [C24, 27, 31, 35, §5065; C39, §5035.12; C46, 50, 54, 58, §321.463; 58GA, ch 238, §1]

321.464 Investigation as to safety. The commissioner upon registering any vehicle under the laws of this state which vehicle is designed and used primarily for the transportation of property or for the transportation of ten or more persons, may require such information and may make such investigation or test as necessary to enable him to determine whether such vehicle may safely be operated upon the highways in compliance with all the provisions of this chapter. He shall register every such vehicle for a permissible gross weight not exceeding the limitations set forth in this chapter. Every such vehicle shall meet the following requirements:

1. It shall be equipped with brakes as required in sections 321.430 and 321.431.

2. Every motor vehicle to be operated outside of business and residence districts shall have motive power adequate to propel at a reasonable speed such vehicle and any load thereon or to be drawn thereby. [C31, 35, §4921-dl; C39, §5035.14; C46, 50, 54, 58, §321.465]

321.465 Weighing vehicles and removal of excess. Any peace officer having reason to believe that the weight of a vehicle and load is unlawful is authorized to require the driver to stop and submit to a weighing of the same either by means of portable or stationary scales and may require that such vehicle be driven to the nearest public scales.

Whenever an officer upon weighing a vehicle and load, as above provided, determines that the weight is unlawful, such officer may require the driver to stop the vehicle in a suitable place and remain standing until such portion of the load is removed as may be necessary to reduce the gross weight of such vehicle to such limit as permitted under this chapter. All material so unloaded shall be cared for by the owner or operator of such vehicle at the risk of such owner or operator.

Any driver of a vehicle who fails or refuses to stop and submit the vehicle and load to a weighing or who fails or refuses when directed by an officer upon a weighing of the vehicle to stop the vehicle and otherwise comply with the provisions of this section, shall be guilty of a misdemeanor and punished as provided in section 321.482.

Upon weighing a vehicle and load, as above provided, if such load is a sealed load, the weight operator shall issue a certificate setting forth the weights as determined by him and the seal number or numbers, if requested by the operator. [C31, 35, §4921-dl; C39, §5035.14; C46, 50, 54, 58, §321.465]

321.466 Increased loading capacity—reregistration. An increased gross weight registration may be obtained for any vehicle by payment of the difference between the annual fee for the higher gross weight and the amount of the fee for the gross weight at which it is registered.

With respect to a vehicle held by a dealer for sale or trade, an increased gross weight registration may be obtained for any such vehicle on or after April 10 of each year upon change of ownership by payment of one-twelfth of the difference between the annual fee for the higher gross weight and the amount of the fee for the gross weight at which it is registered, multiplied by the number of unexpired months of the year.

On or after July 1 of each year, the owner of a motor truck, truck tractor, road tractor, semitrailer or trailer may, if his operation thereof has not resulted in a conviction under this section or an action then pending against him for violation of the same, increase the gross load of any such vehicle to a higher gross weight classification by payment of one-twelfth of the difference between the annual fee for the higher gross weight and the amount of the fee for the gross weight at which it is registered, multiplied by the number of unexpired months of the year.

Upon conversion of a truck to a truck tractor or a truck tractor to a truck, an increased gross weight registration of the proper type may be obtained for any such vehicle by payment of one-twelfth of the difference between the annual fee for the higher gross weight and the amount of the annual fee for the gross weight at which it is registered, multiplied by the number of unexpired months of the year from the date of such conversion.

It shall be unlawful for any person to operate a motor truck, trailer, truck tractor, road tractor, semitrailer or combination thereof, on the public highways with a gross weight exceeding that for which it is registered by more than five percent of the gross weight for which it is registered, provided, however, that any vehicle or vehicle combination referred to herein, while carrying a load of raw farm products, soil fertilizers, including ground limestone, raw dairy products or livestock, live poultry, eggs, may be operated with a gross weight of twenty-five percent in excess of the gross weight for which it is registered.

For the purposes of this section cracked or ground soy beans, sargo, corn, wheat, rye, oats or other grain shall be deemed to be raw farm
products, provided that such products are being directly delivered to a farm, from the place where the whole grain had been delivered from a farm for the purpose of cracking or grinding and immediate delivery to the farm to which such cracked or ground products are being delivered.

The truck operator shall have in his possession a receipt showing place of processing on his return trip. [C24, 27,§4921; C31, 35,§§4921-c1, -c2; C39,§5033.15; C46, 50, 54, 58,§321.466; 58GA, ch 239,§1]

321.467 Permits for excess size and weight. The state highway commission with respect to highways under its jurisdiction and local authorities with respect to highways under their jurisdiction may, in their discretion, upon application in writing and good cause being shown therefor, issue a special permit in writing authorizing the applicant to operate or move for a distance not exceeding twenty-five miles a vehicle or combination of vehicles of a size or weight of vehicle or load exceeding the maximum specified in this chapter or otherwise not in conformity with the provisions of this chapter upon any highway under the jurisdiction of the party granting such permit and for the maintenance of which said party is responsible, provided, however, that the state highway commission or such local authorities may in their discretion issue a special permit for the movement of construction machinery, equipment or material, or agricultural machinery, equipment or material for a distance exceeding twenty-five miles on a vehicle or combination of vehicles, not including mobile homes or house trailers, of a size or weight of vehicle or load exceeding the maximum specified in this chapter or otherwise not in conformity with the provisions of this chapter, upon any highway under the jurisdiction of the party granting such permit, except on any part of the completed interstate highway system, if the gross weight on any axle of any such vehicle, or combination of vehicles, does not exceed the maximum axle load as prescribed in section 321.463, and if such machinery, equipment or material is to be moved to or from construction projects, or agricultural projects in this state or is manufactured or assembled within this state. Provided further, that a mobile home manufacturer, dealer, or a carrier authorized by the interstate commerce commission or the Iowa state commerce commission may, upon application to the state highway commission, be issued a special permit, under rules and regulations of the state highway commission, to transport a mobile home of excess size not exceeding ten feet nine inches in width on the highways within the state, except on any part of the interstate highway system. Movement of such vehicles shall be permitted only on a truck-tractor semitrailer combination, or by a one and one-half ton or larger truck or tractor having dual wheels, over specified routes, at speeds not to exceed thirty-five miles per hour or the established speed limit, whichever is lower, only during daylight hours, and only by properly registered vehicles and licensed drivers, provided there shall be no movement of such vehicles on Saturdays, Sundays or holidays enumerated in section 541.85. Provided further that, in an emergency, or very special or unusual cases, or as a means of cooperating with national defense officials, the state highway commission may grant permits for moving oversize or overweight vehicles or objects over the highways for a distance exceeding twenty-five miles, if in the judgment of the commission, such special, unusual, emergency or defense movement is essential. Provided further that the state highway commission may issue annual permits for vehicles used exclusively for the transportation of motor vehicles, granting a tolerance of two feet in length on the load carried by such vehicles, the said two-foot load tolerance being in addition to the overall vehicle length of forty-five feet, it being a condition of such permits that the combined length of the transporting vehicles shall not exceed forty-five feet and that the combined length of the transporting vehicles and load with the two-foot load tolerance shall not exceed forty-seven feet, and that only four automobiles may be transported in any single unit which transported only four automobiles per unit prior to January 3, 1955. The state highway commission may issue annual permits to a retail farm implement dealer to transport, on his own regular delivery vehicle, farm machines from his nearest branch house or distribution point to the retailer's place of business and from the retailer to the customer's farm within the county of the retailer's place of business or counties adjoining the retailer's place of business and shall determine and fix a tolerance of width and length on the load carried. In no event, however, is the gross weight on any axle to exceed the maximum axle load as prescribed in section 321.463 hereof; provided, however, that the highway commission and local authorities with respect to highways, roads and streets under their jurisdiction may issue annual permits to any manufacturer of construction machinery or equipment manufactured or assembled in Iowa, authorizing the movement of said machinery or any such equipment to a storage area, shipping point, proving ground, experimental area, weighing station, or between manufacturing plants or any area thereof, provided, further that the highway commission and local authorities with respect to highways, roads and streets under their jurisdiction may issue annual permits to any manufacturer of construction machinery or equipment manufactured or assembled in Iowa, authorizing the movement of said machinery or any such equipment to a storage area, shipping point, proving ground, experimental area, weighing station, or between manufacturing plants or any area thereof, provided, further that such machinery and equipment shall be mounted for the movement on pneumatic tires and said movement shall be for a distance not to exceed a radius of fifteen miles from the place of assembly or manufacture and shall be at a speed not greater than twenty miles per hour over the route approved by the highway commission and local authorities with respect to highways, roads and streets under their jurisdiction and that during such movement red warning flags shall be displayed and the permit authorizing such movement affixed
thereto; and provided further, that such con­struction equipment or machinery shall not be transported between the hours of sunset and sunrise or on Saturday, Sunday or holi­days; and provided further that no such per­mit shall be granted for use on any part of the interstate highway system.

The state highway commission as to pri­mary roads, and the county board of super­visors as to secondary roads may, in their discretion, grant permits for the operation of electric trolley busses, or trackless trolley busses, on such roads in any township adja­cent to any city of over one hundred fifty thousand population, and which township has an unincorporated population of over seven thousand five hundred, all according to the latest available federal census.

Such permit shall require that the person or company operating such busses shall, for the use of such highways, quarterly report and pay to the state highway commission for the benefit of the primary road fund, and to the county board of supervisors for the benefit of the secondary road fund of said county, an amount equal to two and three-fourths per­cent of the total gross revenue derived from the operation of such trackless trolley busses on such roads in such township, divided ac­cording to the mileage of roads so used. [C31, 35,§§4686-cl; C39,§5035.16; C46, 50, 54, 58, §321.467; 58GA, ch 240,§1; ch 241,§1]

Referred to in §321.453

321.468 Application. The application for any such permit shall specifically describe the ve­hicle or vehicles and load to be operated or moved and the particular highways for which permit to operate is requested, and whether such permit is requested for a single trip or for continuous operation. [C39,§5035.17; C46, 50, 54, 58,§321.468]

321.469 Issuance. The state highway com­mission or local authority is authorized to is­sue or withhold such permit at its discretion; or, if such permit is issued, to limit the number of trips, or to establish seasonal or other time limitations within which the vehicles described may be operated on the highways indicated, or otherwise to limit or prescribe conditions of operation of such vehicle or vehicles, when necessary to assure against undue damage to the road foundations, surfaces, or structures, and may require such undertaking or other security as may be deemed necessary to com­pense for any injury to any roadway or road structure. [C39,§5035.18; C46, 50, 54, 58,§321.469]

321.470 Carried in vehicle. Every such per­mit shall be carried in the vehicle or combina­tion of vehicles to which it refers and shall be open to inspection by any peace officer or au­thorized agent of any authority granting such permit, and no person shall violate any of the terms or conditions of such special permit. [C39,§5033.19; C46, 50, 54, 58,§321.470]

Referred to in §321.453

321.471 Local authorities may restrict. Lo­cal authorities with respect to highways under their jurisdiction may by ordinance or resolu­tion prohibit the operation of vehicles upon any such highway or impose restrictions as to the weight of vehicles to be operated upon any such highway, for a total period of not to exceed ninety days in any one calendar year, whenever any said highway by reason of deter­ioration, rain, snow, or other climatic con­ditions will be seriously damaged or destroyed unless the use of vehicles thereon is prohibited or the permissible weights thereof reduced. [C24, 27,§4996; C31, 35,§§4686-c1, 4996; C39, §5035.20; C46, 50, 54, 58,§321.471]

Such certificate shall give the effective date of such motor vehicle liability policy, which date shall be the same as the effective date of the certificate, and shall designate by explicit description or by appropriate reference all motor vehicles covered thereby, unless the policy is issued to a person who is not the owner of a motor vehicle.

2. No motor vehicle shall be or continue to be registered in the name of any person required to file proof of financial responsibility unless such motor vehicle is so designated in such a certificate. [C50, 54, 58, §321A.19]

§321A.20 Certificate furnished by nonresident as proof.

1. The nonresident owner of a motor vehicle not registered in this state may give proof of financial responsibility by filing with the commissioner a written certificate or certificates of an insurance carrier authorized to transact business in the state in which the motor vehicle, or motor vehicles, described in such certificate is registered, or if such nonresident does not own a motor vehicle, then in the state in which the insured resides, provided such certificate otherwise conforms with the provisions of this chapter, and the commissioner shall accept the same upon condition that said insurance carrier complies with the following provisions with respect to the policies so certified:

a. Said insurance carrier shall execute a power of attorney authorizing the commissioner to accept service on its behalf of notice of any accident or of any default in any said undertakings or agreements.

b. Said insurance carrier shall agree in writing that such policies shall be deemed to conform with the laws of this state relating to the terms of motor vehicle liability policies issued herein.

2. If any insurance carrier not authorized to transact business in this state, which has qualified to furnish proof of financial responsibility, defaults in any said undertakings or agreements, the commissioner shall not thereupon accept as proof any certificate of said carrier whether theretofore filed or thereafter tendered as proof, so long as such default continues. [C50, 54, 58, §321A.20]

§321A.21 “Motor vehicle liability policy” defined.

1. A “motor vehicle liability policy” as said term is used in this chapter shall mean an owner’s or an operator’s policy of liability insurance, certified as provided in section 321A.19 or section 321A.20 as proof of financial responsibility, and issued, except as otherwise provided in section 321A.20, by an insurance carrier duly authorized to transact business in this state, to or for the benefit of the person named therein as insured.

2. Such owner’s policy of liability insurance:

a. Shall designate by explicit description or by appropriate reference all motor vehicles with respect to which coverage is thereby to be granted; and

b. Shall insure the person named therein and any other person, as insured, using any such motor vehicle or motor vehicles with the express or implied permission of such named insured, against loss from the liability imposed by law for damages arising out of the ownership, maintenance, or use of such motor vehicle or motor vehicles within the United States of America or the Dominion of Canada, subject to limits exclusive of interest and costs, with respect to each such motor vehicle, as follows: Ten thousand dollars because of bodily injury to or death of one person in any one accident and, subject to said limit for one person, twenty thousand dollars because of bodily injury to or death of two or more persons in any one accident, and five thousand dollars because of injury to or destruction of property of others in any one accident.

3. Such operator’s policy of liability insurance shall insure the person named as insured therein against loss from the liability imposed upon him by law for damages arising out of the use by him of any motor vehicle not owned by him, within the same territorial limits and subject to the same limits of liability as are set forth above with respect to an owner’s policy of liability insurance.

4. Such motor vehicle liability policy shall state the name and address of the named insured, the coverage afforded by the policy, the premium charged therefor, the policy period, and the limits of liability, and shall contain an agreement that such insurance is provided thereunder in accordance with the coverage defined in this chapter as respects bodily injury and death or property damage, or both, and is subject to all the provisions of this chapter.

5. Such motor vehicle liability policy need not insure any liability under any workmen’s compensation law nor any liability on account of bodily injury to or death of an employee of the insured while engaged in the employment, other than domestic, of the insured, or while engaged in the operation, maintenance, or repair of any such motor vehicle nor any liability for damage to property owned by, rented to, in charge of, or transported by the insured.

6. Every motor vehicle liability policy shall be subject to the following provisions which need not be contained therein:

a. The liability of the insurance carrier with respect to the insurance required by this chap-
the insurance previously certified with respect to any motor vehicle designated in both certificates. [C50, 54, 58, §321A.22]

1. This chapter shall not be held to apply to or affect policies of automobile insurance against liability which may now or hereafter be required by any other law of this state, and such policies, if they contain an agreement or are endorsed to conform with the requirements of this chapter, may be certified as proof of financial responsibility under this chapter.

2. This chapter shall not be held to apply to or affect policies insuring solely the insured named in the policy against liability resulting from the maintenance or use by persons in the insured’s employ or on his behalf of motor vehicles not owned by the insured. [C50, 54, 58, §321A.23]

321A.24 Bond as proof.

1. Proof of financial responsibility may be evidenced by the bond of a surety company duly authorized to transact business within this state, or a bond with at least two individual sureties each owning real estate within this state, and together having equities equal in value to at least twice the amount of the bond, which real estate shall be scheduled in the bond approved by a judge or clerk of a court of record, which said bond shall be conditioned for payment of the amounts specified in subsection 10 of section 321A.1. Such bond shall be filed with the commissioner and shall not be cancelable except after ten days written notice to the commissioner. Such bond shall constitute a lien in favor of the state upon the real estate so scheduled of any surety, which lien shall exist in favor of any holder of a final judgment against the person who has filed such bond, for damages, including damages for care and loss of services, because of bodily injury to or death of any person, or for damage because of injury to or destruction of property, including the loss of use thereof, resulting from the ownership, maintenance, use, or operation of a motor vehicle after such bond was filed, upon the filing of notice to that effect by the commissioner in the office of the proper clerk of court of the county where such real estate shall be located. Any individual surety so scheduling real estate security shall furnish satisfactory evidence of title thereto and the nature and extent of all encumbrances thereon and the value of the surety’s interest therein, in such manner as the judge or clerk of the court of record approving the bond may require. The notice filed by the commissioner shall, in addition to any other matters by him deemed to be pertinent, contain a legal description of the real estate so scheduled, the name of the holder of the record title, the amount for which it stands as security, and the name of the person in whose behalf proof is so being
made. Upon the filing of such notice the clerk of the court of such county shall retain the same as part of the records of such court and enter upon the encumbrance book the date and hour of filing, the name of the surety, the name of the record titleholder, the description of the real estate, and the further notation that a lien is charged on such real estate pursuant to the notice filed hereunder. From and after the entry of the foregoing upon the encumbrance book all persons whomsoever shall be charged with notice thereof.

2. If such a judgment, rendered against the principal on such bond shall not be satisfied within sixty days after it has become final, the judgment creditor may, for his own use and benefit and at his sole expense, bring an action or actions in the name of the state against the company or persons executing such bond, including an action or proceeding to foreclose any lien that may exist upon the real estate of a person who has executed such bond. An action to foreclose any lien upon real estate scheduled by any surety under the provisions of this chapter shall be by equitable proceeding in the same manner as is provided for the foreclosure of real estate mortgages. The state treasurer shall not accept any such deposit and issue a certificate therefor and the commissioner shall not accept such certificate unless accompanied by evidence that there are no unsatisfied judgments of any character against the depositor in the county where the depositor resides.

2. Such deposit shall be held by the state treasurer to satisfy, in accordance with the provisions of this chapter, any execution on a judgment issued against such person making the deposit, for damages, including damages for care and loss of services, because of bodily injury to or death of any person, or for damages because of injury to or destruction of property, including the loss of use thereof, resulting from the ownership, maintenance, use, or operation of a motor vehicle after such deposit was made. Money or securities so deposited shall not be subject to attachment or execution unless such attachment or execution shall arise out of a suit for damages as aforesaid. [C50, 54, 58, §321A.25]

Referred to in §§321A.13, 321A.14, 321A.18

321A.26 Owner may give proof for others. Whenever any person required to give proof of financial responsibility hereunder is or later becomes a member of the immediate family or household of the owner, the commissioner shall accept proof given by such owner in lieu of proof by such other person to permit such other person to operate a motor vehicle for which the owner has given proof as herein provided or has qualified as a self-insurer under section 321A.34. The commissioner shall designate the restrictions imposed by this section on the face of such person's license. [C50, 54, 58, §321A.26]

Referred to in §§321A.13, 321A.14, 321A.33

321A.27 Substitution of proof. [C50, 54, 58, §321A.27]

Referred to in §§321A.18, 321A.14

321A.28 Other proof may be required. [C50, 54, 58, §321A.28]

1. The commissioner shall upon request consent to the immediate cancellation of any bond or certificate of insurance, or the commissioner shall direct and the state treasurer shall return to the person entitled thereto any money or securities deposited pursuant to this chapter as proof of financial responsibility, or the commissioner shall waive the requirement of filing proof, in any of the following events:

a. At any time after three years from the date such proof was required when, during the three-year period preceding the request, the commissioner has not received record of a conviction or a forfeiture of bail which would require or permit the suspension or revocation of the license, registration, or nonresident's operating privilege of the person by or for whom such proof was furnished; or

b. In the event of the death of the person on whose behalf such proof was filed or the permanent incapacity of such person to operate a motor vehicle; or

c. In the event the person who has given proof surrenders his license and registration to the commissioner;

2. Provided, however, that the commissioner shall not consent to the cancellation of any bond or the return of any money or securities in the event any action for damages upon a liability covered by such proof is then pending or any judgment upon any such liability is then unsatisfied, or in the event the person...
who has filed such bond or deposited such money or securities has within one year immediately preceding such request been involved in an accident resulting in injury or damage to the person or property of others. An affidavit of the applicant as to the nonexistence of such facts, or that he has been released from all of his liability, or has been finally adjudicated not to be liable, for such injury or damage, shall be sufficient evidence thereof in the absence of evidence to the contrary in the records of the commissioner.

3. Whenever any person whose proof has been canceled or returned under paragraph c of subsection 1 of this section applies for a license or registration within a period of three years from the date proof was originally required, any such application shall be refused unless the applicant shall re-establish such proof for the remainder of such three-year period. 322.3 Prohibited acts.

1. No person shall engage in this state in the business of selling at retail new motor vehicles of any make or represent or advertise that he is engaged or intends to engage in such business in this state unless he is authorized by a contract in writing between himself and the manufacturer or distributor of such make of new motor vehicles to so dispose thereof in this state and unless the department has licensed the person as a motor vehicle dealer in this state in motor vehicles of such make and has issued to the person a license in writing as in this chapter provided.

2. No person, other than a licensed dealer in new motor vehicles, shall engage in this state in the business of selling at retail used motor vehicles or represent or advertise that he is engaged or intends to engage in such business in this state unless and until the department has licensed such person as a used motor vehicle dealer in the state and has is-
sued to the person a license in writing as in
this chapter provided.

3. Nothing contained in subsections 1 and 2
hereof shall be construed as requiring the
separate licensing of persons employed as
salesmen of motor vehicles by a licensee here-
under, but the department is hereby author-
ized and empowered to make, publish, and pro-
mulgate such reasonable rules and regulations
as it may deem necessary for the proper identi-
fication of persons so employed as salesmen by
any such licensee.

4. No person, who is engaged in the business
of selling at retail motor vehicles, shall enter
into any contract, agreement, or understand-
ing, express or implied, with any manufac-
turer or distributor of any such motor ve-
Hicles that he will sell, assign, or transfer any
retail installment contracts arising from the
retail installment sale of such motor vehicles
or any one or more thereof only to a design-
nated person or class of persons. Any such
condition, agreement, or understanding be-
tween any manufacturer or distributor and
a motor vehicle dealer in this state is hereby
declared to be against the public policy of this
state and to be unlawful and void.

5. No manufacturer or distributor of motor
vehicles or any agent of such manufacturer or
distributor, shall terminate or threaten to ter-
minate, or fail to renew any contract, agree-
ment, or understanding for the sale of new
motor vehicles to any motor vehicle dealer in
this state without just, reasonable and lawful
cause therefor or because such motor vehicle
dealer failed to sell, assign, or transfer any
retail installment contract arising from the
retail sale of such motor vehicles or any one
or more of them to a person or a class of
persons designated by such manufacturer or
distributor. Provided, however, that the provi-
sions of this subsection relating to "failure to
renew" shall not apply to any contract, agree-
ment, or understanding, which is for a term
of five or more years.

6. No person, who is engaged in the business
of selling at retail motor vehicles, shall make
and enter into a retail installment contract
unless such contract meets the following re-
quirements:

a. Every retail installment contract shall be
in writing, shall be signed by both the buyer
and the seller and shall be completed as to all
essential provisions prior to the signing of the
contract by the buyer except that, if delivery
of the motor vehicle is not made at the time
of the execution of the contract, the identifying
numbers or marks of the motor vehicle or
similar information and the due date of the
first installment may be inserted in the con-
tract after its execution.

b. The printed portion of the contract, other
than instructions for completion, shall be in at
least eight point type. The contract shall con-
tain, directly above the buyer’s signature, and
in a size equal to at least ten point bold type:

1. The following notice: “Notice to the
Buyer: Do not sign this contract before you
read it or if it contains any blank spaces. You
are entitled to an exact copy of the contract
you sign.”

2. An acknowledgment by the buyer of de-
elivery of a copy of the contract.

c. The retail installment contract shall con-
tain the following items:

(1) The cash sale price of the motor vehicle
which is the subject matter of the retail in-
stallment transaction;

(2) The amount of the buyer’s down pay-
ment, whether made in money or goods, or
partly in money and partly in goods;

(3) The difference between items one and
two;

(4) The amount, if any, separately included
for insurance and other benefits specifying
the types of coverage and benefits;

(5) Official fees as defined in subsection 13
of section 322.2;

(6) Principal balance, which is the sum of
item three, item four and item five;

(7) The amount of the finance charge;

(8) The balance, which is the sum of items
six and seven, owed by the buyer to the seller
and the number of installments required and the
amount and date of each payment neces-
Sary finally to pay such balance; provided,
however, the amount and date of each pay-
ment need not be separately listed if the pay-
ments are specified in terms of a series of
payments of specified amounts, payable at
specified intervals of time from an initial date.

The above items need not be stated in the
sequence or order set forth, and additional
items may be included to explain the calcu-
lations involved in determining the stated
time price to be paid by the buyer.

d. The amount, if any, included for insur-
ance, which may be purchased by the holder
of the retail installment contract, shall not
exceed the applicable premiums chargeable in
accordance with the rates filed with the com-
missoner of insurance.

e. The retail installment contract shall pro-
vide that any buyer may pay in full at any
time before maturity the debt of such contract
and in so paying such debt shall receive for
such anticipation of payments a refund credit
in an amount which shall represent at least as
great a proportion of the finance charge after
first deducting from such finance charge an
acquisition cost of twenty-five dollars, as the
sum of the periodic time balances after the
month in which prepayment is made, bears to
the sum of all the periodic time balances under
the schedule of payments in the original con-
tract; provided, however, that if the amount
of the credit is less than one dollar no refund
need be made.

7. Nothing contained herein shall be con-
strued to require that a place of business as
defined in this chapter shall be maintained by
a person selling motor vehicles at retail solely for the purpose of disposing of motor vehicles acquired or repossessed by such person in exercise of powers or rights granted by lien or title-retention instruments or contracts given as security for loans or purchase money obligations.

8. No manufacturer or distributor of motor vehicles or agent of such manufacturer or distributor shall coerce or attempt to coerce any motor vehicle dealer to accept delivery of any motor vehicle or vehicles, parts, or accessories thereof, or any other commodity or commodities which shall not have been ordered by such dealer.

9. No person licensed under this chapter shall, either directly or through an agent, salesman or employee, engage in this state, or represent or advertise that he is engaged or intends to engage in this state, in the business of buying or selling at retail new or used motor vehicles on the first day of the week, commonly known and designated as Sunday.

322.4 Application for license. Each person before engaging in this state in the business of selling at retail motor vehicles or representing or advertising that he is engaged or intends to engage in such business in this state shall file in the office of the department an application for license as a motor vehicle dealer in the state in such form as the department may prescribe, duly verified by oath, which application shall include the following:

1. The name of the applicant and his principal place of business wherever situated.
   a. If the applicant is an individual—the name or style under which he intends to engage in such business.
   b. If the applicant is a copartnership—the name or style under which such copartnership intends to engage in such business and the name and post-office address of each partner.
   c. If the applicant is a corporation—the state of incorporation and the name and post-office address of each officer and director thereof.

2. The make or makes of new motor vehicles, if any, which the applicant will offer for sale to retail in this state.

3. The location of each place of business within this state to be used by the applicant for the conduct of his business.

4. If the applicant is a party to any contract or agreement or understanding with any manufacturer or distributor of motor vehicles or is about to become a party to such a contract, agreement, or understanding, the applicant shall state the name of each such manufacturer and distributor and the make or makes of new motor vehicles, if any, which are the subject matter of each such contract.

5. A statement of the previous history, record, and association of the applicant and if the applicant is a copartnership, of each partner thereof and if the applicant is a corporation, of each officer and director thereof, which statement shall be sufficient to establish to the department the reputation in business of the applicant.

6. A description of the general plan and method of doing business in this state, which the applicant will follow if the license applied for in such application is granted.

7. A financial statement of the applicant showing his true financial condition as of a date not more than six months prior to the date of such application.

8. Such other information touching the business of the applicant as the department may require.

For the purpose of investigating the matters contained in such application the department may withhold the granting of a license for a period not exceeding thirty days. [C39, §5039.04; C46, 50, 54, 58, §322.4]

322.5 License fee. The license fee for a motor vehicle dealer for each calendar year or part thereof shall be the sum of twenty-six dollars for the licensee's principal place of business in each city, town, or township and an additional five dollars for each used-car lot which is in the city, town, or township where in said place of business is located and which is not adjacent to such place, to be paid to the department at the time a license is applied for. In case the application is denied, the department shall refund the amount of such fee to the applicant. [C39, §5039.05; C46, 50, 54, 58, §322.5; 58GA, ch 244, §1; ch 245, §1]

322.6 Denial of license. The department shall deny the application of any person for a license as a motor vehicle dealer and refuse to issue a license to him as such, if, after reasonable notice and a hearing, the department determines that such applicant:

1. Has made a material false statement in his application for the license; or

2. Has not complied with the provisions of this chapter or any rules or regulations promulgated by the department thereunder except as otherwise provided; or

3. Is of bad business repute; or

4. Has been guilty of a fraudulent act in connection with selling, bartering, or otherwise dealing in motor vehicles; or

5. Is about to engage in any practice in connection with the sale, barter, or otherwise dealing in motor vehicles, which is fraudulent or in violation of the law; or

6. Has entered into contract or agreement or is about to enter into a contract or agreement with any manufacturer or distributor of motor vehicles which is contrary to any provision of this chapter; or

7. Has a contract or agreement with any manufacturer or distributor of motor vehicles or is about to enter into a contract or agree-
ment with any manufacturer or distributor of motor vehicles, who without just, reasonable, and lawful cause therefor, has terminated within ninety days from the date of application a contract or agreement with a motor vehicle dealer in any county of the state in which the applicant proposes to engage in business;

8. Does not have a place of business within the meaning of this chapter unless applicant is a person referred to in subsection 7 of section 322.3;

9. Has violated any of the provisions of sections 321.77, 321.78, 321.80, 321.81, 321.92, 321.97, 321.98, 321.99, 321.100, 539.4 and 713.24.

It shall be sufficient cause for refusal or revocation of a license as a motor vehicle dealer in the case of a partnership or corporation if any member of the partnership or any officer or director of the corporation has committed any act or omission which would be cause for refusing or revoking a license to such person as an individual.

In considering whether or not a contract or agreement between a motor vehicle dealer and a manufacturer or distributor of motor vehicles has been terminated by such manufacturer or distributor without just and reasonable cause therefor, the department shall take into consideration the circumstances existing at the time of such termination, including the amount of business transacted by the motor vehicle dealer pursuant to the contract or agreement and prior to such termination; the investment necessarily made and the obligation necessarily incurred by the motor vehicle dealer in the performance of his part of such contract; the permanency of such investment; the reasons for such termination by such manufacturer or distributor and the fact that it is injurious to the public welfare for the business of a motor vehicle dealer to be disrupted by termination of such contract without just and reasonable cause.

Whenever the department determines to deny the application of any person for a license as a motor vehicle dealer and refuses to issue a license to him as such, the department shall enter a final order thereof with its findings relating thereto within thirty days from the date of the hearing thereon. [C39, §5039.06; C46, 50, 54, 58, §322.6]

Referred to in §322.9

322.7 License of motor vehicle dealer.

1. If the department grants the application of any person for a license as a motor vehicle dealer, it shall evidence the granting thereof by a final order and shall issue to the person a license in such form as may be prescribed by the department, which license shall include the following:

a. The name of the person licensed.
b. If the applicant is an individual or a copartnership—the name or style under which the licensee will engage in such business and if a copartnership, the name and address of each partner.
c. The principal place of business of the licensee and location therein of each place wherein the licensee is licensed to carry on such business.
d. The make or makes of new motor vehicles which the licensee is licensed to sell.

2. The instrument evidencing the license or a certified copy thereof provided by the department shall be kept posted conspicuously in the principal office of the licensee and in each place of business maintained and operated by the applicant pursuant to the license in this state.

3. The license of a motor vehicle dealer shall expire and terminate, unless sooner revoked or suspended, at the end of the calendar year in which it is granted.

4. The license provided for in this chapter shall be renewed annually in the same manner and on payment of the same fee as in the case of the original license. Such renewal shall take effect on the first day of January of each year. [C39, §5039.07; C46, 50, 54, 58, §322.7]

322.8 Supplemental statements. Each licensee shall promptly file with the department from time to time during the period of the license, statements supplemental to the statements contained in his application for license whenever any change shall occur in his personnel or in his plan or method of doing business or in the location of his place or places of business, so that the statements made in the application do, after such change, properly disclose the licensee's status and method and plan of doing business. The supplemental statement shall be in the form prescribed by the department and shall disclose such information as would have been required by this chapter if such changes had occurred prior to the licensee making application for a license.

If the department finds that the changes set forth in the supplemental statement do not violate the provisions of this chapter and that it grants to the licensee the privilege of doing business in the manner set forth therein, it shall upon surrender to it of the license of the motor vehicle dealer, issue to him a new license appropriate to the dealer's original application as modified by such supplemental statement. [C39, §5039.08; C46, 50, 54, 58, §322.8]

322.9 Revocation of license. The department is hereby authorized to revoke or suspend the license of any licensee if, after notice and hearing, it finds that such licensee has been guilty of any act which would have been a ground for the denial of a license under section 322.6.

The department is further authorized to revoke or suspend the license of any licensee if, after notice and hearing, it finds that such licensee has been convicted or has forfeited bail on three charges of:

1. Failing upon the sale or transfer of a vehicle to deliver to the purchaser or transferee of the vehicle sold or transferred, a manufac-
turer's or importer's certificate, or a certificate of title duly assigned, as provided in chapter 321.

2. Failing upon the purchasing or otherwise acquiring of a vehicle to obtain a manufacturer's or importer's certificate, or a certificate of title duly assigned, as provided in chapter 321.

3. Failing upon the purchasing or otherwise acquiring of a vehicle to obtain a new certificate of title to such vehicle when and where required in chapter 321.

[C39, §5039.09; C46, §322.9; C50, 54, §322.9, 322.16; C58, §322.9]

### 322.10 Appeals

1. An appeal may be taken by any person interested from any final order of the department, to the district court of the county in which he resides or in which his principal place of business is located, within thirty days after he shall have received notice from the department of such order.

2. The appeal shall be taken by a written notice to the department and served as an original notice. When said notice is so served it shall, with the return thereon, be filed in the office of the clerk of said district court, and docketed as other cases, with the appellant as plaintiff and the department as defendant. The plaintiff shall file with such clerk a bond for the use of the defendant, with sureties approved by such clerk and in an amount fixed by him, provided in no case shall the bond be less than fifty dollars, conditioned that the plaintiff shall perform the orders of the court.

3. The court shall hear the appeal in equity, determine anew all questions submitted to it on appeal from the order of the department, and render its decree thereon. An appeal to the supreme court of this state may be taken as in other equitable actions. [C39, §5039.10; C46, 50, 54, 58, §322.10]

In any such action, the department may apply for and on due showing be entitled to have issued the court's subpoena, requiring forthwith the appearance of any defendant, his agent and employees and the production of documents, books, and records as may appear necessary for the hearing of such petition to testify and give evidence concerning the acts or conduct or practices or things complained of in such application for injunction. In said action an order or judgment may be entered, awarding such preliminary or final injunctions as may be proper. [C39, §5039.11; C46, 50, 54, 58, §322.11]

Any amount in such fund in excess of ten thousand dollars at the end of any fiscal year shall be credited to the state general fund.

In connection with the enforcement of this chapter, it is hereby made the duty of the attorney general of the state of Iowa to render all necessary assistance to the department upon its request in the enforcement thereof and to that end, the attorney general shall employ such additional legal counsel as shall be necessary to adequately and fully perform such service under the direction of the department as the demands of such department shall require and any expenses so incurred by the attorney general for additional legal counsel as aforesaid shall be chargeable against and paid out of the fund herein provided. [C39, §5039.12; C46, 50, 54, 58, §322.12]

All rules and regulations shall be filed and entered by the department in its office in an indexed, permanent book or record, with the effective date thereof suitably indicated, and such book or record shall be a public document. Whenever a new rule or regulation is adopted by the department, a copy of the same shall be mailed by it to each licensee hereunder, and published in an Iowa newspaper having a general circulation in this state.

322.17 Copy of contract to buyer. A copy of every retail installment contract shall be furnished to the buyer at the time of the execution of the contract. An acknowledgment by the buyer contained in the body of the retail installment contract of the delivery of a copy thereof shall be conclusive proof of delivery in any action or proceeding by or against any assignee of a retail installment contract. [C58,§322.17]

322.18 Dual-interest insurance. If dual-interest insurance on the motor vehicle is purchased by the holder it shall, within thirty days after execution of the retail installment contract, send or cause to be sent to the buyer a policy or policies or certificate of insurance, written by an insurance company authorized to do business in this state, clearly setting forth the amount of the premium, the kind or kinds of insurance and the coverages. The buyer shall have the privilege of purchasing such insurance from an agent or broker of his own selection and of selecting an insurance company acceptable to the holder; but in such case the inclusion of the insurance premium in the retail installment contract shall be optional with the seller. [C35,§5093-f40; C39,§5093.39; C46, 50, 54,§324.66; C58,§324.1]
Similar provisions, §§324.31, 324.50

324.2 Definitions. As employed in this division:
1. “Motor fuel” shall mean (a) all products commonly or commercially known or sold as gasoline (including casinghead and absorption or natural gasoline) regardless of their classifications or uses; and (b) any liquid advertised, offered for sale, sold for use as, or commonly or commercially used as a fuel for propelling motor vehicles, which when subjected to distillation of gasoline, naphtha, kerosene and similar petroleum products (American Society of Testing Materials Designation D-86), show not less than ten per centum distilled (recovered) below three hundred forty-seven degrees Fahrenheit (one hundred seventy-five degrees Centigrade); provided, that the term “motor fuel” shall not include liquefied gases which would not exist as liquids at a temperature of sixty degrees Fahrenheit and a pressure of fourteen and seven-tenths pounds per square inch absolute, nor naphthas and solvents as hereinafter defined unless the liquefied gases or naphthas and solvents are used as a component in the manufacture, compounding, or blending of a liquid within (b) above, in which event the resulting product shall be deemed to be motor fuel.
2. “Distributor” shall mean and include any person who first receives motor fuel within this state (within the meaning of the word “received” as hereinafter defined), and any person now or hereafter engaged in the business of selling motor fuel to a dealer in this state for resale, provided that a person may bring into this state not to exceed twenty gallons of motor fuel in the fuel supply tank, or any other container, directly connected to the motor of a motor vehicle without becoming a distributor.
3. “Licensee” shall mean and include any person holding an uncanceled distributor’s license issued by the treasurer under this division or any prior motor fuel tax law.
4. “Dealer” shall mean and include any person (except distributors as herein defined) now or hereafter engaged in the business of selling motor fuel in this state.
5. “Motor fuel deemed received.” a. Motor fuel refined at a refinery in this state and placed in tanks thereat, and motor fuel transferred from a refinery or a marine or pipe-line terminal in this state or from points outside this state to a refinery or a marine or pipe-line terminal in this state and placed in tanks thereat, shall be deemed received, for the purposes of this division, at the time withdrawn from such refinery or terminal storage for sale or use in this state or for transportation to destinations in this state other than refineries or marine or pipe-line terminals and not before.
When withdrawn from refinery or terminal storage as aforesaid, the motor fuel shall be deemed received by the person who was the owner thereof immediately prior to withdrawal, unless (1) the motor fuel is withdrawn for shipment or delivery to a licensee, in which case the motor fuel shall be deemed received by the licensee to whom shipped or delivered or (2) the motor fuel is withdrawn for shipment or delivery to a nonlicensee for the account of a licensee in which case the motor fuel shall be deemed received by the licensee...
for whose account the shipment or delivery to the nonlicensee is made.

b. Motor fuel imported into this state, other than that placed in storage at refineries or terminals as set out in paragraph (a) above, shall be deemed received at the time it is unloaded in this state and by the person who is the owner thereof immediately after it is unloaded in this state, except that if motor fuel so imported is used in this state directly from the transportation equipment by which imported then the motor fuel shall be deemed received at the time it is brought into this state and by the person using the motor fuel within this state; provided, however, that if motor fuel shipped or brought into this state by a licensee is sold and delivered directly to a nonlicensee in this state, then the gallonage so delivered shall be deemed received by the person shipping or bringing the motor fuel into this state.

c. Motor fuel produced, compounded, or blended in this state other than that at a refinery, marine or pipe-line terminal, shall be deemed to be received at the time and by the person who is the owner thereof when the same is so produced, compounded or blended.

d. Motor fuel acquired in this state by any person, other than as set out in paragraphs (a), (b), or (c) above, shall, unless the person from whom the same is acquired has paid or incurred liability with respect thereto for the tax herein imposed, or unless the same be exempt under this division, be deemed to be received by the person so acquiring the same at the time so acquired.

Except as hereinafter set forth, the word "received" shall be given its usual and customary meaning.

2. The treasurer shall contract annually with the lowest responsible bidder licensed to do business in Iowa for surety bonds to be filed by distributors. The premiums on the surety bonds contracted for by the treasurer shall be paid from the funds appropriated by section 324.76.

3. In the event that liability upon the bond thus filed by a distributor shall be discharged or reduced, whether by judgment rendered, payment made or otherwise, or if in the opinion of the treasurer any surety on the bond theretofore given shall have become unsatisfactory or unacceptable, then the treasurer may require the distributor to file a new bond meeting the requirements in subsection 1. If the new bond is not filed within ten days after demand therefor, the treasurer shall forthwith cancel the license of the distributor. If a new bond shall be furnished by the distributor as above provided, the treasurer shall release in writing the surety under the old bond from any liability accruing after the effective date of the new bond.

4. In the event that upon hearing, of which the distributor shall be given five days notice in writing, the treasurer shall decide that the amount of the existing bond is insufficient to insure payment to the state of Iowa of the amount of the tax and any penalties and interest for which the distributor is or may at any time become liable, then the distributor shall forthwith, upon the written demand of the treasurer, file a new bond meeting the requirements in subsection 1 and in such amount, not to exceed a total of fifty thousand dollars, as is determined by the treasurer to be necessary to secure at all times the required reports and payments. If the new bond is not filed within ten days after demand therefor, the treasurer shall forthwith cancel the license of the distributor.

5. Any surety on bond furnished by distributor shall be released and discharged from any and all liability to the state of Iowa accruing on the bond after the expiration of sixty days from the date upon which such surety shall have lodged with the treasurer written request to be released and discharged; provided, however, that the request shall not operate to relieve, release or discharge the surety from any liability already accrued, or which shall accrue, before the expiration of the sixty-day period. The treasurer shall promptly on receipt of notice of the request notify the distributor who furnished the bond, and unless the distributor shall on or before expiration of the sixty-day period file with the treasurer a new bond with a surety company satisfactory to the treasurer in the amount and form here-

Annually on or before the first day of July of each year, each carrier as aforesaid shall file with the treasurer a statement showing each vehicle then in use for transportation of motor fuel for others and thereupon the treasurer shall issue to the registrant at a fee of twenty-five cents a renewal identification for each vehicle for the ensuing year.

Each vehicle used by a carrier, distributor or any person in the transportation on the highways in this state of fuels for motor vehicles shall be identified by having shown thereon, in lettering at least six inches in height made with a stroke of not less than three-fourths inch in width and of a color contrasting to that of the background upon which the lettering is placed, the name and address of the person transporting the fuel. The identification shall be placed on both sides of the vehicle; provided, that, transportation equipment operated, may be shown in lieu of the name and address of the licensee. Generally used in identifying the highway transportation equipment of the licensee and well known and recognized throughout the area in which the transportation equipment is operated, may be shown in lieu of the name and address of the licensee.

The manifesting each load transported upon consummation of the delivery shall be completed showing the date and place of actual delivery and the person to whom actually delivered and shall be kept as a permanent record for a period of three years, provided, however, that the record of the manifest of past cargoes need not be carried on the conveyance but must be preserved by the carrier for the inspection of the treasurer or his representatives. A carrier subject to this subsection may with the approval of the treasurer when distributing for a licensee substitute the loading and delivery evidence required in subsection 2 of this section.

2. Every distributor or other person while transporting motor fuel from a refinery or marine or pipe-line terminal in this state or from a point outside this state via the highways of this state in service other than that covered in subsection 1 of this section shall carry in the vehicle a loading invoice showing the true name and address of the seller or consignor, the date and place of loading and the kind and quantity of motor fuel loaded together with invoices showing the kind and quantity of each delivery therefrom, and the name and address of each purchaser or consignee. The operator of any vehicle transporting motor fuel as covered in the preceding section shall, at the request of any sheriff, deputy sheriff or other peace officer or person authorized by law to inquire into or investigate said matters, produce and offer for inspection the manifest or loading and delivery invoices pertaining to the load and trip in question and shall permit the officer to inspect and measure the contents of the vehicle. If the vehicle operator fails to produce the covering evidence or if, when produced, it fails to contain the required information and if it appears that there is an attempt to evade payment of the motor fuel tax, then the officer or other person authorized to make the inquiry may take and impound the motor fuel together with the conveying vehicle until the tax on the motor fuel together with penalty, if an attempt to evade payment of the motor fuel is involved, amounting to one hundred percent of the tax have been paid. In case the tax and penalty found to be due are not paid within forty-eight hours after the taking of the property, the treasurer may proceed to sell the vehicle on its cargo in the manner provided by law for the sale of personal property by the sheriff under execution. 2. Every person operating storage facilities at a refinery or at a marine or pipe-line terminal in this state shall monthly make an accounting to the treasurer on forms prescribed by the treasurer of all motor fuel withdrawn from the refinery storage and all motor fuel delivered into, withdrawn from and on hand in the terminal storage.

1. Required. It shall be unlawful for any person to act as a special fuel dealer in this state unless he holds an uncanceled special fuel dealer's license issued to him by the treasurer. Except for special fuel which is delivered by a special fuel dealer into a fuel supply tank of any motor vehicle in this state, the use (as herein defined) of special fuel in this state by any person shall be unlawful unless he holds an uncanceled special fuel user's license issued to him by the treasurer.

2. Application. Application for a special fuel dealer's license or a special fuel user's license shall be made to the treasurer. A special fuel dealer's license or a special fuel user's license, whichever is applicable, shall be required for each separate place of business or location where special fuels are regularly delivered or placed into the fuel supply tank of a motor vehicle. Provided, that, if a special fuel dealer also operates one or more bulk plants from which the distribution of special fuel is primarily by tank vehicle, he need not obtain a separate license for any of these plants not provided with fixed equipment designed for fueling vehicles.

3. Form of application. The application shall be filed upon a form prepared and furnished by the treasurer and shall contain such information as the treasurer deems necessary.

4. Bond. No special fuel dealer's license or special fuel user's license shall be issued to any person or continued in force unless he has on file with the treasurer a surety bond in such form and amount as the treasurer may require, but not less than five hundred dollars, or more than five thousand dollars, to secure his compliance with this division, and the payment of any and all taxes, interest and penalties due and to become due hereunder. The provisions of subsections 1, 2, 3 and 4 of section 324.7 with respect to distributors' bonds, except the amount of bond, shall apply to bonds furnished by licensees under this division.

5. Issuance. Upon receipt of the application and bond in proper form, the treasurer shall issue to the applicant a license to act as a special fuel dealer or a special fuel user; provided, however, the treasurer may refuse to issue a special fuel dealer's license or a special fuel user's license to any person: (a) who formerly held either type of license and which has been revoked for cause; or (b) who is a subterfuge for the real party in interest whose license has been revoked for cause; or (c) upon other sufficient cause being shown. Before refusal, the treasurer shall grant the applicant a hearing and give him at least fifteen days' written notice of the time and place thereof.

[C27, 31,§5093-a8; C35,§5093-f14; C39,§5093.14; C46, 50, 54, §§324.25-324.29; C58,§324.37]

1. Returns. For the purpose of determining the amount of his liability for special fuel tax each special fuel dealer and each special fuel user shall file with the treasurer not later than the last day of the month next following the month in which this division becomes effective and not later than the last day of each calendar month thereafter a monthly tax return certified under penalties for false certificate.

The return shall show, with reference to each location at which special fuel is delivered or placed by the dealer or user into a fuel supply tank of any motor vehicle during the next preceding calendar month, such information as the treasurer may reasonably require for the proper administration and enforcement of this division; provided, however, that if a special fuel dealer or user is also a wholesale distributor of special fuel at a location where special fuel is delivered into the supply tank of a motor vehicle, the monthly return to the treasurer covering the location need not include inventory control data covering bulk storage from which wholesale distribution of special fuel is made.

2. Computation. The amount of tax due shall be computed by multiplying the appropriate
tax rate per gallon by the number of gallons of special fuel delivered or placed by the special fuel dealer or user into supply tanks of motor vehicles.

3. Payments. The return shall be accompanied by remittance in the amount of the tax due for the month in which the special fuel was placed in the fuel tanks of motor vehicles.

4. Reporting exemption for authorized tax-paid purchases. Any special fuel dealer or user licensed under this division may upon application in writing to the treasurer be authorized, subject to regulations prescribed by the treasurer, to purchase on a tax-paid basis from any supplier licensed as a distributor under division I of this chapter all special fuel acquired by the dealer or user for subsequent delivery into the fuel supply tanks of motor vehicles. Every supplier so licensed who sells or delivers special fuel on a tax-paid basis to special fuel users or special fuel dealers authorized as aforesaid shall make a return of these tax-paid sales to the treasurer accompanied by payment of the special fuel tax on the tax-paid gallonage so sold or delivered. The return and payment shall be made at the same time as the supplier's motor fuel tax return or special fuel tax return for the month in which the covered sales or deliveries were made. A special fuel dealer or user shall be exempt from making any return or tax payment to the treasurer on special fuel which, under authority from the treasurer, he acquires on a tax-paid basis from a supplier licensed as aforesaid.

5. Exemption for fueling by licensed dealers. No return need be made by any special fuel user, not licensed as a special fuel dealer, whose entire use of special fuels in this state is limited solely to special fuels delivered into the fuel supply tank of the user's motor vehicles by special fuel dealers.

6. Presumption. For purposes of this section there shall be a prima-facie presumption that all special fuel received by a special dealer or special fuel user into storage and dispensing equipment designed to fuel motor vehicles is to be delivered by the special fuel dealer or special fuel user into the fuel supply tanks of motor vehicles. Similar provision, §§324.1, 324.51

324.51 Purpose. The purpose of this division is to provide an additional method of collecting fuel taxes from interstate motor vehicle operators commensurate with their operations on Iowa highways; and to permit the treasurer to suspend this collection as to transportation entering Iowa from any other state where it appears that Iowa highway fuel tax revenue and interstate highway transportation moving out of Iowa will not be sufficiently prejudiced thereby. [C27, 31,§§4755-b38, 5093-a1; C35, §§5093-f3; C39, §§5093.03; C46, 50, 54,§324.2; C58,§324.51]

324.52 Fuels imported in supply tanks of motor vehicles. No person shall bring into this state in the fuel supply tanks of a motor vehicle more than twenty gallons of motor fuel or special fuel in violation of the provisions of the preceding paragraph. [C35, §§5093-f19; C39, §§5093.19; C46, 50, 54, §§324.34, 324.37; C58,§324.52]

324.53 Permit—bond. The advance arrangements referred to in the preceding section shall include the procuring of a permit and may in the discretion of the treasurer include the posting of a suitable Indemnity bond in a sum to be fixed by the treasurer to assure the required reporting, tax payments and the keeping of required records.

Permit may be obtained upon application to the treasurer. The treasurer shall charge a fee of one dollar for each permit issued. The holder of a permit under this division shall have the privilege of bringing into this state in the fuel supply tanks of motor vehicles any amount of motor fuel or special fuel to be used in the operation of the vehicles and for that privilege shall pay Iowa motor fuel or special fuel taxes as provided in section 324.54.

Each vehicle operated into or through Iowa in interstate operations using motor fuel or special fuel acquired in any other state shall carry in or on each vehicle a duplicate or evidence of the permit required in this section. A fee not to exceed twenty-five cents shall be charged by the treasurer for each duplicate or other evidence of permit issued by him. [C35, §§5093-f19,f20; C39, §§5093.19, 5093.20; C46, 50, 54, §§324.34, 324.38; C58,§324.53]

324.54 Fuel tax computation, reporting and payment. Fuel tax liability under this division shall be computed on the total number of

gallons of each kind of motor fuel and special fuel consumed in the operation in Iowa of motor vehicles subject to this division at the same rate for each kind of fuel as would be applicable thereto if taxed under divisions I or II of this chapter. Credit against the tax liability so computed shall be allowed in the amount of fuel taxes paid under divisions I or II of this chapter on motor fuel and special fuel used in motor vehicles the operation of which is subject to this division. Notwithstanding any provision in this chapter to the contrary, the treasurer, upon application, supported by such proof as the treasurer may reasonably require, shall issue a memorandum of credit for the amount of fuel tax paid on fuel in excess of the amount of fuel consumed by such vehicles in Iowa which may be applied against subsequent fuel tax liability under this chapter, or, if the applicant is no longer engaged in the operation of vehicles for which his permit was issued, or, has built up an excess of motor vehicle fuel tax credit with the state, the treasurer may make proper refund to the permit holder.

To determine the amount of fuel taxes due under this division and to prevent the evasion thereof, the treasurer may require reports on forms prescribed by the treasurer and fuel tax payments in the same manner and at the same time as required in this chapter for reporting and payment by distributors. These reports and tax payments may be required covering actual operation and fuel consumption in Iowa for vehicles the operation of which is subject to this division or on a basis of their average consumption of fuel in Iowa determined by taking that proportion of the total gallons consumed everywhere in these vehicles that their mileage in Iowa is to their total mileage everywhere. [C27, 31, §5093-b1; C35, §§5093-11, 5093-25; C39, §§5093.18, 5093.25; C46, 50, 54, §§324.32, 324.46; C58, §324.54; 50GA, ch 180, §1]

Referred to in §324.55

324.55 Records. Every person operating within the purview of this division shall make and keep for a period of three years such records as may reasonably be required by the treasurer for the administration of this division. If in the normal conduct of the business, the required records are maintained and kept at an office outside the state of Iowa, it shall be a sufficient compliance with this section if the records are made available for audit and examination by the treasurer at the office outside Iowa, but such audit and examination shall be without expense to the state of Iowa. [C27, 31, §5093-a8; C35, §§5093-f4, §21; C39, §§5093.14, 5093.21; C46, 50, 54, §§324.27, 324.28, 324.40, 324.41; C58, §324.55]

324.56 Not applicable to distributors. The provisions of this division shall not apply to distributors licensed under division I of this chapter. Distributors so licensed shall report and pay the tax on motor fuel and special fuel consumed in propelling vehicles on the public highways of this state as provided for respectively in divisions I and II. [C58, §324.56]

See §§324.3, 324.4, 324.32, 324.34

Fuel tax liens shall have priority over any lien or encumbrance whatsoever except the lien of other state taxes having priority by law, and except that a fuel tax lien shall not have priority over any bona fide mortgagee, pledgee, attaching creditor or purchaser whose right shall have attached prior to the time the treasurer shall have filed his certificate in the office of the clerk of the court.

2. The certificate of the treasurer assessing the amount of fuel taxes and penalty due from a licensee or other person, ascertained in accordance with the provisions of this chapter or from a report of the person may be filed in the office of the clerk of the district court in the county in which the place of business of the licensee or other person is located. The treasurer may in like manner, file a duplicate of the certificate in any other county where it shall be indexed in a like manner. 3. The treasurer may give notice of the amount of fuel taxes and penalty due as ascertained by him by registered mail to all persons having in their possession or under their control any credits or other personal property belonging to a licensee or other person or to any person owing any debts to the licensee or other person. Thereafter the person notified shall neither transfer nor make any other disposition of credit or other personal property or debts until thirty days shall have elapsed from and after the receipt of the notice unless the treasurer of state shall give his consent to a previous transfer or other disposition. At the expiration of the thirty-day period, the property shall be released, unless in the meantime it shall have been attached by process of court or the holder thereof garnished. 4. When the property of a licensee is seized upon any mesne or final process of any court of this state or of the United States, or when the business of a licensee shall be suspended by the action of creditors or put into the hands of any assignee, receiver or trustee, or when a petition in voluntary or involuntary bankruptcy has been filed by or against a licensee, then and in all such cases, all fuel taxes collected by the licensee under the provisions of this chapter or due and owing to the state shall be considered and treated as preferred claims, and the state shall be a preferred creditor and shall be paid in full.

5. No sheriff, receiver, assignee, master or other officer shall sell the property or franchises of any licensee without first filing with the treasurer a statement containing the following information: name or names of the plaintiff or party at whose instance or upon whose account the sale is made; name of the person whose property or franchise is to be sold; the time and place of sale; and the nature of the property and the location of the same. It shall be the duty of the treasurer, after receiving notice as aforesaid, to furnish to the sheriff, receiver, trustee, assignee, master or other officer, having charge of the sale, a certified copy or copies of all assessments for fuel taxes, penalties, and interest on file in the office of the treasurer as liens against such person, and in the event there are no such liens a certificate showing that fact, which certified copy or copies of certificate shall be publicly read by such officer at and immediately before the sale of the property or franchise of such person.

6. It shall be the duty of the treasurer to furnish to any person applying therefor a certificate showing the amount of all liens for fuel taxes, penalties, and interest that may be of record in the files of the treasurer against any person under the provisions of this chapter.

7. It shall be the duty of the treasurer, upon receipt of notice of the opening of the administration of an estate of any individual who was a licensee, to file a claim as a preferred creditor for all fuel taxes, penalties and interest due the state of Iowa, if any, in the court having jurisdiction over the administration of said estate. 2. A fuel tax lien filed in the office of the clerk of the district court of any county may be foreclosed in the same manner as real estate mortgage liens are foreclosed, and the court in the proceedings shall enter judgment against the licensee or other person for the amount found by the court to be due to the state, with interest and the penalty as assessed by the treasurer, and may in the same proceedings foreclose on any security which the treasurer may hold for the payment of the fuel taxes, and may in the same proceedings entertain suit on any bond filed as security for the payment of the fuel taxes.

3. In the event suit is instituted upon application made by the attorney general or other proper public official, the court may issue a writ of injunction, without requiring bond, enjoining and restraining the defendant from engaging in any or all activities covered in subsection 1 of this section until any judgment and costs recovered in the suit or attached have been paid, and the court shall, upon application therefor by the attorney general or other proper public official appoint a receiver of the property and business of the delinquent defendant, for the purpose of impounding the same as security for any judgment recovered. The delinquent fuel taxes, penalties and interest shall also be collectible and enforceable by a writ of attachment brought by the attorney general or other proper public officials in the name of the state of Iowa against the lands, goods, chattels, credits and other personal property of the defendant. No attachment bond shall be required, nor shall an indemnity bond be required or demanded by any officer serving the writ of attachment, and no officer shall be liable in damages on account of levying the attachment when acting under the direction of the attorney general or other proper public official. Upon receipt of written request from any licensee the treasurer shall cancel the license of the licensee effective sixty days from the date of receipt of the request but no such license shall be canceled upon request unless and until the licensee shall, prior to the date of cancellation, have paid to the treasurer all fuel taxes payable under this chapter, together with any and all penalties, interest and fines appertaining thereto. If, upon investigation, the treasurer shall find that a licensee is no longer engaged in the activities for which a license was issued to him and has not been so engaged for a period of six months, the treasurer shall cancel the license and give sixty days’ notice of the cancellation mailed to the last known address of the licensee. It shall be a misdemeanor, punishable by a fine of not to exceed one hundred dollars or by imprisonment in the county jail not to exceed thirty days, for any motor carrier to operate any motor vehicle for which the annual fee has not been paid and the commission may revoke the certificate of convenience and necessity of any such violator. [C58, §325.35; 58GA, ch 249, §§1, 3; 59GA, ch 183, §§3–5]

325.36 Use of fees. All moneys received under the provisions of this chapter, or so much thereof as may be necessary, shall be used for the administration and enforcement of the provisions of this chapter and the regulation of certificated motor carriers, and shall be paid to the commission by warrant drawn from time to time by the state comptroller upon the treasurer of state. Unexpended balances on June 30 of each year shall be credited to the general fund of the state by December 31 following. [C58, §325.36]

CHAPTER 326

MOTOR VEHICLE REGISTRATION RECIPROCITY

326.1 Reciprocity board. A board, to be known as the Iowa reciprocity board, is hereby established to be located at the seat of government. The board shall have three members who shall be: A member of the state highway commission; a member of the state commerce commission; and the commissioner of public safety. Each member of the board may appoint from the officials of his department a deputy member who shall, in the absence of such member, act as a member of the board with full powers, authority and responsibility of such members. The duties of the members of the board and their deputies shall be in addition to their regular duties; and they shall receive no additional compensation except that they be allowed their actual necessary expenses incurred in the performance of their official duties. A full-time executive secretary shall be appointed by the board. The salary of such secretary and the necessary office personnel shall be set by the board.
Adequate office space and facilities shall be provided for the said secretary. Such secretary's salary, necessary office operating expenses and, in addition, expenses incurred by the board in the administration of their official duties shall be paid out of the moneys credited to the general fund by subsection 1 of section 321.145. In addition, the board may call upon the staff, facilities, and personnel of the public safety department, the state highway commission, and the state commerce commission for assistance in performing its functions. The attorney general or any assistant attorney general designated by him shall give legal counsel and assistance to the reciprocity board. [S13, §1571-m16; C24, 27, 31, 35, §4866; C39, §5003.04; C46, 50, 54, 58, §321.56; 58 GA, ch 250, §§1, 8]

326.2 Authority to make agreements. The Iowa reciprocity board shall have authority to make reciprocity agreements with the duly authorized representative of any county, state, territorial, local district, foreign country, or political subdivision thereof, exempting nonresidents of this state using the highways of this state from the registration requirements of chapter 321 and payment of any fees to this state with such conditions, restrictions, and privileges or lack of them as such board may deem advisable. Such agreements may provide for the denial of reciprocal privileges to one or more particular nonresidents at any time if in the opinion of the board such nonresidents should not be granted exemption privileges provided, however, the contracting state of such nonresident consents thereto.

Notwithstanding any provisions of Iowa statutes to the contrary or inconsistent herewith, such agreements may provide with respect to resident or nonresident owners of fleets of two or more (commercial) vehicles which are engaged in interstate commerce, or simultaneously engaged in interstate and intrastate commerce, that the registrations of such fleets can be apportioned between this state and other states in which such fleets operate.

The percentage of miles such fleets operate in this state as related to the total miles such fleets operate in all states, shall be used by the reciprocity board to determine the amount of registration computed on a dollar basis. Mileage proportions for fleets not operated in this state during the preceding year will be determined by the reciprocity board upon the sworn application of the applicant on forms to be supplied by the reciprocity board which will show the operations of the preceding year in other states and the estimated operation in Iowa; or, if no operations were conducted the previous year, a full statement of the proposed method of operation. As used in this section, the term "preceding year" shall mean a period of twelve consecutive months fixed by the reciprocity board, which period shall be within the sixteen months immediately preceding the commencement of the registration year for which registration is sought. The apportioned registration fee computed on a dollar basis is equal to the amount obtained by applying the proportion of in-state fleet miles to total fleet miles to the fees which would otherwise be required for total fleet registration in this state and shall mean a percentage of the annual fee on each vehicle of an apportioned fleet, plus the amount of the fees due as hereinafter provided for the issuance of plates, stickers, or other identification for all the vehicles registered in accordance with this chapter. The proportional registration provision of this chapter shall apply to vehicles added to a fleet during the registration year and operated in this state in interstate commerce.

When a nonresident fleet owner has registered his vehicles on an apportionment basis, his vehicles shall be considered fully registered insofar as interstate commerce is concerned. The privileges granted to a nonresident pursuant to this chapter shall permit the operation of a vehicle which is simultaneously engaged in interstate movements and intrastate commerce provided, as to intrastate commerce, he has intrastate authority or rights granted by the Iowa state commerce commission. Each vehicle of a fleet registered by a resident of Iowa on a dollar apportionment basis shall be considered as fully registered for interstate commerce and intrastate commerce.

Notwithstanding anything herebefore stated, the reciprocity board shall have authority to negotiate apportionment agreements on either a vehicle or a dollar basis. In apportionment on a vehicle basis, a sufficient number of vehicles shall be registered to produce total fee payments not less than an amount obtained by applying the proportion of in-state fleet miles to total fleet miles to the fees which would otherwise be required for total fleet registration in this state. [S13, §1571-m16; C24, 27, 31, 35, §4866; C39, §5003.04; C46, 50, 54, 58, §321.56; 58 GA, ch 250, §§2, 8]

326.3 Information—fees paid to state. The board shall require fleet owners to submit under oath such information as the board deems necessary for the proper carrying out of the provisions of this chapter, and the board's determination of the amount of dollar registration or vehicle registration apportionment shall be final. Information furnished under this chapter shall be forwarded to the executive secretary of the board by each fleet owner not later than the September 1 preceding each registration year.

Registrations under any apportionment agreement or arrangement shall be issued only by the department of public safety.

If the fees for such apportioned registration are not paid to each contracting state, district, possession or territory of the United States or the foreign province, state, or country entitled thereto within a reasonable time as shall be determined by the board, the board shall redetermine fees due this state; and, if the
additional fees due this state are not paid by the owner within twenty days after the mailing to him of a notice by certified mail of the additional fees due, the registration in this state shall be canceled; and, in addition, the additional fees due for registration in this state shall be a debt due to the state of Iowa. In the event of additions to or deletions from a fleet, a supplemental report shall be filed with the board not later than thirty days after such addition or deletion. [S13, §1571-m16; C24, 27, 31, 35, §4866; C39, §5003.04; C46, 50, 54, 58, §321.56; 58GA, ch 250, §§3, 8]

326.4 Records preserved. Any owner complying with and being granted apportioned or proportional registration shall preserve the records on which the application is made for a period of four full years following the year upon which said application is based. Upon request of the board, the owner agrees to make such records available to the board at the office of the executive secretary of the board for audit as to accuracy of computation and payments; or, if the owner does not produce such records when requested to do so, the owner must pay the costs of an audit by a duly appointed representative of the board at the home office of the owner. The board may enter into agreements with authorized agencies of other contracting states for joint audits of any such owner. [S13, §1571-m16; C24, 27, 31, 35, §4866; C39, §5003.04; C46, 50, 54, 58, §321.56; 58GA, ch 250, §§4, 8]

326.5 Identification plate or sticker. Any nonresident registered vehicle or nonresident registered motor vehicle shall be subject to all laws, rules and regulations governing the operation of such vehicles on the highways of this state; and the violations of such laws, rules, or regulations shall be ground for denial of reciprocal privileges. The registration number plates, sticker, or other identification assigned and furnished to any foreign registered vehicle or motor vehicle for the current registration year by another state where the same is registered shall be displayed on such vehicle or motor vehicle substantially as provided in chapter 321 for vehicles registered pursuant to the provisions hereof. In addition, the department of public safety shall charge and collect an additional fee of one dollar for each plate, sticker, or other identification furnished for each vehicle registered in accordance with the provisions of this chapter. The same fee shall be charged for issuance of duplicate plates, stickers or other identification as required. The fee charged for the original or duplicate plate, sticker or other identification shall be credited to the road use tax fund. [S13, §1571-m16; C24, 27, 31, 35, §4866; C39, §5003.04; C46, 50, 54, 58, §321.56; 58GA, ch 250, §§5, 8]

326.6 Leased vehicles. The board may, notwithstanding any provision of the Code to the contrary, enter into reciprocity or apportionment agreements which extend the benefits thereof to leased vehicles on the basis of the residence of the lessee. [S13, §1571-m16; C24, 27, 31, 35, §4866; C39, §5003.04; C46, 50, 54, 58, §321.56; 58GA, ch 250, §§6, 8]

The term “individual written contract” shall mean an agreement in writing between a contract carrier and a shipper, effective for a duration of at least three months, imposing mutual obligations to tender freight and perform transportation, and specifying the charges. The presence of goods originating from more than five shippers on one vehicle at any one time shall be prima-facie evidence that the carrier is a motor carrier and not a contract carrier.

Provided, however, a self-propelled vehicle used exclusively for towing of disabled vehicles shall not be subject to subsections 1 and 3 of section 327.2 or rules made under said subsections, and shall not be required to carry cargo insurance. [C31, 35,§5105-c1; C39,§5105.01; C46, 50, 54, 58,§327.1; 59GA, ch 181,§1]

1. Fix or approve the rates, charges, classifications, and rules and regulations pertaining thereto, of each truck operator, after complaint has been filed in accordance with rules established by the commission.

2. Regulate and supervise the service of each truck operator, provided that only the department of public safety shall prescribe and enforce safety regulations which it is hereby empowered to do.

4. Supervise and regulate truck operators in all other matters affecting the relationship between such truck operators and the traveling and shipping public. [C31, 35,§5105-c2; C39, §5105.02; C46, 50, 54, 58,§327.2; 59GA, ch 182,§1]

Providing, however, that any person, firm, or corporation whose truck operator or contract carrier permit has been revoked for a willful violation shall be required to pay a fee of one hundred dollars in addition to the other fees required by this section before such person, firm or corporation shall be granted a new permit. And providing, further, that any person, firm or corporation whose permit has been revoked shall not operate as a truck operator or contract carrier until such person, firm, or corporation shall have applied for and received a new permit from the commission. 327.9 Fee. No motor truck engaged in the transportation of property under a truck operator or contract carrier permit issued under the provisions of this chapter shall be operated on the highways of this state unless there shall have been paid to the commission for the administration of this chapter an annual fee in the amount of five dollars; provided, however, that the fee herein provided shall not be imposed on any tractor or truck-tractor; provided, however, that the fee herein provided for each semitrailer shall be in the amount of six dollars.

For the purposes of this section the terms "tractor or truck-tractor" shall mean every self-propelled vehicle designed and used primarily for drawing other vehicles and not so constructed as to carry a load other than a part of the weight of the vehicle and load so drawn.

3. Where there is no delinquency and the registration is made in August or succeeding months in the state including May, the fee shall be computed on the basis of one-twelfth of the annual registration fee multiplied by the number of the unexpired months of the year and said amount shall be the fee collected. When the fee as so computed results in a fractional part of a dollar, it shall be computed to the nearest quarter of a dollar. [C46, 50, 54, 58, §328.21] Referred to in §§328.26, 328.35

328.22 Used aircraft. When an aircraft other than new is registered in Iowa the age of the aircraft in years calculated to the nearest anniversary of the date of manufacture shall be construed as the number of times previously registered, and reduction of the registration fee computed accordingly. [C46, 50, 54, 58, §328.22] Referred to in §328.28

328.23 Credit on registration fees. [C46, 50, 54, 58, §328.23]

328.24 Refunds of fees. If, during the year for which an aircraft was registered and the required fee paid therefor, such aircraft is destroyed by fire or accident or junked, and its identity as an aircraft entirely eliminated, or it is removed and continuously used beyond the boundaries of the state, then the owner in whose name it was registered at the time of such destruction, dismantling, or removal from the state shall return the certificate of registration to the commission within ten days and make affidavit of such destruction, dismantling, or removal and make claim for such refund. The registration fee for the unexpired portion of the year shall thereupon be refunded pro rata to the nearest full calendar month. [C46, 50, 54, 58, §328.24]

328.25 Fees in lieu of taxes. The registration fees imposed by this chapter upon aircraft shall be in lieu of all taxes, general or local, except state sales or use tax, to which aircraft might otherwise be subject. [C46, 50, 54, 58, §328.25]

328.26 Application for registration. Every application for registration pursuant to sections 328.19 to 328.22, inclusive, shall be made upon such forms, and shall contain such information, as the commission may prescribe, and every application shall be accompanied by the full amount of the registration fee. [C46, 50, 54, 58, §328.26]

The applicant shall also submit such reasonable proof of his status as a bona fide manufacturer, transporter, or dealer as the commission may require. Dealers in new aircraft shall furnish satisfactory evidence of a valid franchise with manufacturer or distributor of such aircraft authorizing such dealership. [C46, 50, 54, 58, §328.29]

328.30 Issuance of special certificates. The commission upon granting any such application shall issue to the applicant a special certificate containing the applicant's name and address, and the general distinguishing number assigned to the applicant, and such other information as the commission may prescribe. 328.34 Grounds for refusing, revoking or suspending certificates. The commission may refuse to issue, or may revoke or suspend a certificate of registration or special certificate for any one, or any combination, of the following reasons:

1. That the application contains any false or fraudulent material statement, or that the applicant has failed to furnish required information or reasonable additional information requested, or that the applicant is not entitled to registration of the aircraft under this chapter.

2. That the commission has reasonable ground to believe that the aircraft is a stolen or embezzled aircraft, or that granting of registration would constitute a fraud against the rightful owner.

3. That the required fee has not been paid.

4. That the commission has reasonable ground to believe that fraudulent use, against the state or any municipality or citizen thereof, is being made of such certificate of registration or special certificate.

5. 6. That the aircraft registered, or for which application for registration is made, is not certified or licensed for operation by the government of the United States or any au-

CHAPTER 329
AIRPORT ZONING

329.1 Definitions. The following words, terms, and phrases, when used in this chapter, shall, for the purposes of this chapter, have the meaning herein given, unless otherwise specifically defined, or unless another intention clearly appears, or the context otherwise requires:

1. "Airport" means any area of land or water designed and set aside for the landing and take-off of aircraft and utilized, or to be utilized, in the interest of the public for such purposes.

2. "Airport hazard" means any structure or tree, or use of land, which obstructs the airspace required for the flight of aircraft in landing or taking off at an airport, or is otherwise hazardous to such landing or taking off of aircraft.

3. "Airport hazard area" means any area of land or water upon which an airport hazard might be established if not prevented as provided by this chapter.

4. "Municipality" means any county, city, village, or town of this state.

5. "Person" means any individual, firm, copartnership, corporation, company, association, joint stock association, or body politic, and includes any trustee, receiver, assignee, or other similar representative thereof.

6. "Structure" means any object constructed or installed by man, including, but without limitation, buildings, towers, smokestacks, and overhead transmission lines, including the poles or other structures supporting the same.

7. "Tree" means any object of natural growth.

8. "Obstruction" means any tangible, inanimate physical object, natural or artificial, protruding above the surface of the ground.

9. "Commission" means the Iowa aeronautics commission; "state" or "this state" means the state of Iowa.

10. The singular shall include the plural, and the plural the singular. [C46, 50, 54, 58, §329.1]

329.2 Airport hazards contrary to public interest. It is hereby found that an airport hazard endangers the lives and property of users of the airport and of occupants of land and other persons in its vicinity, and also, if of the obstruction type, in effect reduces the size of the area available for the landing, taking off and maneuvering of aircraft, thus tending to destroy or impair the utility of the airport and the public investment therein. Accordingly, it is hereby declared:

1. That the creation or establishment of an airport hazard is a public nuisance and an injury to the community served by the airport in question.

2. That it is necessary in the interest of the public health, safety, and general welfare that the creation or establishment of airport hazards be prevented.

3. That this should be accomplished, to the extent legally possible, by proper exercise of the police power.

4. That the prevention of the creation or establishment of airport hazards, and the elimination, removal, alteration, mitigation, or marking and lighting of existing airport hazards are public purposes for which municipalities may raise and expend public funds, as an incident to the operation of airports, to acquire land or property interests therein. [C46, 50, 54, 58, §329.2]

See §657.2, subsection 9

329.3 Zoning regulations—powers granted. Every municipality having an airport hazard area within its territorial limits may adopt, administer, and enforce in the manner and upon the conditions prescribed by this chapter, zoning regulations for such airport hazard area, which regulations may divide such area into zones and, within such zones, specify the land uses permitted, and regulate and restrict, for the purpose of preventing airport hazards, the height to which structures and trees may be erected or permitted to grow. [C46, 50, 54, 58, §329.3]

Referred to in §§329.4, 329.6

329.4 Extra-territorial airport hazard areas. When any airport hazard area appertaining to an airport owned or controlled by a municipality is located outside the territorial limits of said municipality:

1. Ordinances or resolutions. The municipality owning or controlling the airport, and the municipality within which the airport hazard area is located, may by duly adopted
ordinance or resolution, as may be appropriate, adopt, administer, and enforce airport zoning regulations applicable to the airport hazard area in question. 

Referred to in §329.6 

2. Petition to district court. If the municipality with which is located such airport hazard area has failed or refused, within sixty days after demand has been made upon it by any municipality owning or controlling the airport, to adopt reasonably adequate airport zoning regulations under section 329.3, or to join in adopting joint airport zoning regulations as authorized in subsection 1 of this section, the municipality owning or controlling the airport may, upon a resolution of necessity therefor duly adopted by its governing body, petition the district court of the county in which such airport hazard area or any part thereof is located, in the name of the municipality owning or controlling the affected airport, praying that zoning regulations be established for the airport hazard area in question. 

3. Petition—contents. Such petition shall allege all essential facts showing the necessity for bringing such action, the relief sought including proposed zoning regulations, and the necessity therefor. 

4. Parties. The parties defendant in such action shall be the municipality in which such airport hazard area is located, and all persons having an apparent or contingent interest in the property located within such area, who may be joined in said action generally as a class. 

5. Procedure. The action shall be triable in equity and in accordance with general rules of civil procedure, except that such action shall have precedence over any other business of the court except criminal cases, and the court shall set said petition for hearing not less than sixty days nor more than one hundred twenty days from the date it is filed with the clerk of said court. 

6. Notice. The original notice in such action shall be served upon the municipality in which such airport hazard area is located, and in the same manner as original notice of any other action but not less than thirty days prior to the date set for trial; and upon all other defendants by the publication of said notice in some newspaper or newspapers of general circulation within the area described in the petition, or as near thereto as possible, which publication shall be in the same manner as provided for the publication of other original notices, provided however that the last publication thereof shall be not less than thirty days prior to the date set for trial. 

7. Decree and modification. Upon trial the court may enter decree establishing such zoning regulations as it shall find reasonable and necessary. The court having once taken jurisdiction of such matter shall retain continuing jurisdiction thereof for such subsequent modification as it may deem advisable, upon proper application of interested parties, and due showing made thereunder after such notice to possible adverse parties as the court shall prescribe. 

8. Appeal. Any person or municipality adversely affected or aggrieved by any findings of the court may appeal therefrom as in other civil actions. 

9. Enforcement. Following the entry of any final decree by the district court, and unless appeal has been taken therefrom, the zoning regulations established by such decree may be enforced, and violations thereof punished, as provided by section 329.14. [C46, 50, 54, 58, §329.4] 

Referred to in §329.6 

329.5 Prevention of airport hazards. Any municipality owning or controlling an airport may maintain actions in equity to restrain and abate as nuisances the creation or establishment of airport hazards appertaining to said airport, in violation of any zoning regulations adopted or established pursuant to the provisions of this chapter for any area whether within or without the territorial limits of said municipality. [C46, 50, 54, 58, §329.5] 

See §657.2, subsection 9 

329.6 Zoning powers—aeronautics commission. If any municipality owning or controlling an airport adjacent to which there is an airport hazard area shall fail or refuse, within sixty days after demand made upon it by the aeronautics commission of the state, to adopt reasonably adequate airport zoning regulations under section 329.3, or to proceed as provided in section 329.4, the aeronautics commission of the state may petition the district court of the county in which such airport hazard area, or any part thereof, is located, in the name of the state, praying that zoning regulations be established for the airport hazard area in question, and the provisions of subsections 3 to 9, inclusive, of section 329.4 shall apply to such actions provided, however, that such municipality shall be joined as a party defendant in any such action. 

The aeronautics commission of the state may maintain actions in equity to restrain and abate as nuisances the creation or establishment of airport hazards appertaining to any airport within the state, in violation of any zoning regulations adopted or established pursuant to the provisions of this chapter. [C46, 50, 54, 58, §329.6] 

329.7 Relation to comprehensive zoning regulations. Any municipality which has adopted, or hereafter adopts, zoning ordinances under the provisions of chapter 414, is hereby empowered to incorporate therein such airport hazard area zoning regulations as are provided for by this chapter, and to administer and enforce the same as herein provided. [C46, 50, 54, 58, §329.7] 

329.8 Conflicting regulations. In the event of any conflict between any airport zoning
§329.9, AIRPORT ZONING

regulations adopted or established under this chapter and any other regulations applicable to the same area, whether the conflict be with respect to the height of structures or trees, the use of land, or any other matter, the more stringent limitation or requirement shall govern and prevail. [C46, 50, 54, 58, §329.8]

329.9 Procedure for adopting zoning regulations — zoning commission. In adopting, amending, and repealing airport zoning regulations under this chapter the governing body of the municipality shall follow the procedure as provided in sections 414.4 and 414.6. Any action taken on the part of any county under this chapter shall be by resolution of the board of supervisors thereof and no such action shall be taken without a majority of the board of supervisors voting therefor and consenting thereto. The commission so appointed shall be known as the airport zoning commission. The airport zoning commission shall consist of two members from each municipality selected by the governing body thereof and one additional member to act as chairman and to be selected by a majority vote of the members selected by the municipality. The terms of the members of the airport zoning commission shall be for six years excepting that when the board shall first be created, one of the members appointed by each municipality shall be appointed for a term of two years and one for a term of four years. Members may be removed for cause by the appointing authority upon written charges after public hearing. Vacancies shall be filled for the unexpired term of any member whose office becomes vacant in the same manner in which said member was selected. [C46, 50, 54, 58, §329.9]

329.10 Airport zoning requirements.
1. All airport zoning regulations adopted under this chapter shall be reasonable and none shall impose any requirement or restriction which is not necessary to effectuate the purposes of this chapter.
2. No airport zoning regulations adopted under this chapter shall require the removal, lowering, or other change or alteration of any structure or tree, or interfere with any use, not conforming to the regulations when adopted or amended, except that they may require the owner thereof to permit the municipality at its own expense to install, operate, and maintain thereon such markers and lights as may be necessary to indicate to operators of aircraft the presence of the airport hazard. [C46, 50, 54, 58, §329.12]

329.11 Variances. Any person desiring to erect or increase the height of any structure, or to permit the growth of any tree, or otherwise use his property in violation of airport zoning regulations adopted under this chapter, may apply to the board of adjustment for a variance from the zoning regulations. Such variances shall be allowed where a literal application or enforcement of the regulations would result in practical difficulty or unnecessary hardship and the relief granted would not be contrary to the public interest, but would do substantial justice and be in accordance with the spirit of the regulations and this chapter; provided, however, that any such variance may be allowed subject to any reasonable conditions that the board of adjustment may deem necessary to effectuate the purposes of this chapter, including the reservation of the right of the municipality, at its own expense, to install, operate, and maintain thereon such markers and lights as may be necessary to indicate to operators of aircraft the presence of the airport hazard. [C46, 50, 54, 58, §329.11]

329.12 Board of adjustment — creation — powers — duties. The governing body of any municipality availing or seeking to avail itself of the powers of this chapter conferred shall, by ordinance or resolution duly adopted, provide for the appointment of a board of adjustment, as provided in section 414.7. Such board of adjustment shall have the same powers and duties, and its procedure, and appeals thereto and therefrom, in all respects shall be governed by and subject to the same provisions established in sections 414.9 to 414.19, inclusive.

The concurring vote of a majority of the board shall be necessary to reverse any order, requirement, decision or determination of any administrative official or to decide in favor of the applicant on any matter upon which it is required to pass under any regulations adopted pursuant to this chapter or to effect any variance therefrom.

The board of adjustment shall consist of two members from each municipality, selected by the governing body thereof, and one additional member to act as chairman and to be selected by a majority vote of the members selected by the municipality. Members shall be removable for cause by the appointing authority upon written charges after public hearing. Vacancies shall be filled for the unexpired term of any member whose office becomes vacant in the same manner in which said member was selected. The terms of the members of the board of adjustment shall be for five years, excepting that when the board shall first be created, one of the members appointed by each municipality shall be appointed for a term of two years and one for a term of four years. [C46, 50, 54, 58, §329.12]

329.13 Administration of airport zoning regulations. All airport zoning regulations adopted under this chapter shall provide for the administration and enforcement of such regulations by an administrative agency (which
may be an agency created by such regulations), or by any official, board, or other existing agency of the municipality adopting the regulations, or of one or both of the municipalities which participated therein, but in no case shall such administrative agency be or include any member of the board of adjustment. The duties of any administrative agency designated pursuant to this chapter shall not include any of the powers herein delegated to the board of adjustment. [C46, 50, 54, 58, §329.13]

329.14 Enforcement and remedies. Each violation of this chapter or of any regulations, order, or rules promulgated pursuant to this chapter, shall constitute a misdemeanor, and the perpetrator thereof, upon conviction, shall be punished accordingly; and each day a violation continues to exist shall constitute a separate offense. [C46, 50, 54, 58, §329.14]

329.15 Short title. This chapter shall be known and may be cited as the "Airport Zoning Act." [C46, 50, 54, 58, §329.15]

Concurrent action by the governing bodies of the political subdivision participating shall constitute joint action. Such agreements may provide for the creation and establishment of a joint airport commission which, when so created or established, shall function in accordance with the provisions of sections 330.17 to 330.24, inclusive, as provided by said agreements. [C46, 50, 54, 58, §330.4]
