No person shall engage in any motor vehicle speed contest or exhibition of speed on any street or highway of this state and no person shall aid or abet any motor vehicle speed contest or speed exhibition on any street or highway of this state, except that a passenger shall not be considered as aiding and abetting. Motor vehicle speed contest or exhibition of speed are defined as one or more persons competing in speed in excess of the applicable speed limit in vehicles on the public streets or highways. Any person who violates the provisions of this section shall be guilty of drag racing and upon conviction shall be punished by a fine of not more than one hundred dollars or by imprisonment in the county jail for not more than thirty days. [61GA, ch 279,§1]

SPEED RESTRICTIONS

321.285 Speed restrictions. Any person driving a motor vehicle on a highway shall drive the same at a careful and prudent speed not greater than nor less than is reasonable and proper, having due regard to the traffic, surface and width of the highway and of any other conditions then existing, and no person shall drive any vehicle upon a highway at a speed greater than will permit him to bring it to a stop within the assured clear distance ahead, such driver having the right to assume, however, that all persons using said highway will observe the law. The following shall be the lawful speed except as hereinafter or hereinafter modified, and any speed in excess thereof shall be unlawful:

1. Twenty miles per hour in any business district.

2. Twenty-five miles per hour in any residence or school district.
3. Forty miles per hour for any motor vehicle drawing another vehicle, except as hereinafter provided.

4. Forty-five miles per hour in any suburban district. Each school district as defined in subsection 50 of section 321.1 shall be marked by distinctive signs as provided by the manual of uniform traffic control devices adopted by the state highway commission and placed on the highway at the limits of such school district.

5. Sixty miles per hour from sunset to sunrise and seventy miles per hour from sunrise to sunset.

6. Fifty-five miles per hour for any motor vehicle drawing a one- or two-wheel trailer or a tandem wheel trailer not more than twenty-eight feet in length including towing arm with a gross weight of not more than four thousand five hundred pounds and not more than eight feet in width.

7. Reasonable and proper, but not greater than sixty miles per hour at any time between sunrise and sunset, and not greater than fifty miles per hour at any time between sunset and sunrise, on secondary roads unless such roads are surfaced with concrete or asphalt or a combination of both, in which case the speed limit shall be the same as provided in subsection 5 of this section. Whenever the board of supervisors of any county shall determine upon the basis of an engineering and traffic investigation conducted by the state highway commission when so requested by said board that the speed limit on any secondary road is greater than is reasonable and proper under the conditions found to exist at any intersection or other place or upon any part of a secondary road, said board shall determine and declare a reasonable and proper speed limit thereat. Such speed limits as determined by the board of supervisors shall be effective when appropriate signs giving notice thereof are erected by the board of supervisors at such intersection or other place or part of the highway.

8. Notwithstanding any other speed restrictions, the speed limits for all vehicular traffic on fully controlled-access, divided, multilaned highways included in, and as a part of, the national system of interstate highways designated by the federal bureau of public roads and the interstate system shall be seventy-five miles per hour from sunset to sunrise and sixty-five miles per hour from sunrise to sunset. However, the highway commission or the cities and towns, with the approval of the highway commission, may establish a lower speed limit upon such highways located within the corporate limits of any city or town used as a city alternate routes, commonly referred to as "freeways". For the purposes of this subsection a fully controlled-access highway is a highway that gives preference to through traffic by providing access connections with selected public roads only and by prohibiting crossings at grade or direct private driveway connections. It is further provided that a minimum speed of forty miles per hour, road conditions permitting, shall be established on the highways referred to in this subsection.

It is further provided that any kind of vehicle, implement, or conveyance incapable of attaining and maintaining a speed of forty miles per hour shall be prohibited from using the interstate system. [§13, §§1571-m19, m20; C24, 27, 31, 35, §§5029, 5030; C39, §5023.01; C46, 50, 54, 58, 62, §321.285; 60GA, ch 200, §1, ch 201, §1, ch 202, §1; 61GA, ch 280, §1]

Referred to in §§321.209, subsection 7, 321.291, 321.292

321.286 Truck speed limits. It shall be unlawful for the driver of a freight-carrying vehicle, with a gross weight of over five thousand pounds, to drive the same at a speed exceeding the following:

1. Fifty miles per hour for any freight-carrying vehicle which is equipped with pneumatic tires.

2. Twenty miles per hour for any freight-carrying vehicle equipped with solid rubber tires, if the weight of the vehicle and load is less than six tons, and twelve miles per hour for any freight-carrying vehicle equipped with solid rubber tires, if the weight of the vehicle and load is more than six tons. [§13, §§1571-m19, m20; C24, 27, 31, 35, §§5029; C39, §5023.02; C46, 50, 54, 58, 62, §321.286]

Referred to in §§321.209, subsection 7, 321.291, 321.292

321.287 Bus speed limits. No passenger-carrying motor vehicle used as a common carrier, except school buses, shall be driven upon the highways at a greater rate of speed than sixty miles per hour at any time. No school bus shall be operated in violation of section 321.277. [C24, §5104; C27, 31, 35, §§5104-534; C39, §5023.05; C46, 50, 54, 58, 62, §321.287]

Referred to in §§321.209, subsection 7, 321.291, 321.292

321.288 Control of vehicle. The person operating a motor vehicle or motorcycle shall have the same under control and shall reduce the speed to a reasonable and proper rate:

1. When approaching and passing a person walking in the traveled portion of the public highway.

2. When approaching and passing an animal which is being led, ridden, or driven upon a public highway.

3. When approaching and traversing a crossing or intersection of public highways, or a bridge, or a sharp turn, or a curve, or a steep descent, in a public highway.

4. When approaching and passing a fusee, flares, red reflector electric lanterns, red reflectors or red flags displayed in accordance with section 321.448. [§13, §§1571-m18; C24, 27, 31, 35, §§5023; C39, §5023.04; C46, 50, 54, 58, 62, §321.288]

321.289 Speed signs—duty to install. The state highway commission shall furnish and place on primary roads or on extensions of primary roads within any city or town suitable standard signs showing the points at which the

rate of speed changes and the maximum rate of speed in the district which the vehicle is entering. On all other main highways the city or town shall furnish and erect suitable signs giving similar information to traffic on such highways. [S13, §1574-07; C21, §5030; C27, 31, 35, §5030-b2; C39, §5023.05; C46, §50, 54, 58, 62, §321.289]

321.290 Special restrictions. Whenever the state highway commission shall determine upon the basis of an engineering and traffic investigation that any speed limit hereinafter set forth is greater or less than is reasonable or safe under the conditions found to exist at any intersection or other place or upon any part of the primary road system or upon any part of a primary road extension, said commission shall determine and declare a reasonable and safe speed limit thereat which shall be effective when appropriate signs giving notice thereof are erected at such intersection or other place or part of the highway.

Whenever the city engineer or city traffic engineer in any city of fifty thousand or more population shall determine upon the basis of an engineering and traffic investigation that any speed limit hereinafter set forth is greater or less than is reasonable or safe under the conditions found to exist at any intersection or other place or upon any part of the city street system, except primary road extensions, such determination and the investigation report upon which it is based may be transmitted by resolution of the city council to the state highway commission. If upon examination of the investigation report the commission concurs in such determination it shall declare a reasonable and safe speed limit thereat which shall be effective when appropriate signs giving notice thereof are erected at such intersection or other place or part of the street. [C39, §5023.06; C46, §50, 54, 58, 62, §321.290; 60GA, ch 203, §1]

321.291 Information or notice. In every charge of violation of sections 321.285 to 321.287, inclusive, the information, also the notice to appear, shall specify the speed at which the defendant is alleged to have driven, also the speed limit applicable within the district or at the location. [C39, §5023.07; C46, §50, 54, 58, 62, §321.291]

321.292 Civil action unaffected. The foregoing provisions of sections 321.285 to 321.287, inclusive, shall not be construed to relieve the plaintiff in any civil action from the burden of proving negligence upon the part of the defendant as the proximate cause of an accident. [C39, §5023.08; C46, §50, 54, 58, 62, §321.292]

321.293 Local authorities may alter limits. Local authorities in their respective jurisdictions may in their discretion subject to the approval of the state highway commission authorize by ordinance higher speeds than those stated in section 321.285 upon through highways or upon highways or portions thereof where stop or yield signs have been erected at the entrances thereto provided signs are erected giving notice of the authorized speed, but local authorities shall not have authority to authorize by ordinance a speed in excess of fifty-five miles per hour. If local authorities fail to authorize by ordinance higher speeds than those stated in section 321.285 upon through highways or upon highways or portions thereof where stop signs have been erected at the entrances thereto, the state highway commission may recommend, upon the basis of an engineering and traffic investigation, to the local authorities that the speed limit be increased. If local authorities fail to increase the speed limit upon said recommendation of the state highway commission, said commission shall declare a reasonable and safe speed limit which shall be effective when appropriate signs are erected giving notice thereof. [C39, §5023.09; C46, §50, 54, 58, 62, §321.293]

321.294 Minimum speed regulation. No person shall drive a motor vehicle at such a slow speed as to impede or block the normal and reasonable movement of traffic except when reduced speed is necessary for safe operation or in compliance with law. Peace officers are hereby authorized to enforce this provision by directions to drivers, and in the event of apparent willful disobedience to this provision and refusal to comply with direction of an officer in accordance herewith the continued slow operation by a driver shall be a misdemeanor, and be punished as provided in section 321.482. [C31, §5021-cl; C39, §5023.10; C46, §50, 54, 58, 62, §321.294]

See also §321.382

321.295 Limitation on bridge or elevated structures. No person shall drive a vehicle on any public bridge or elevated structure at a speed which is greater than the maximum speed permitted under this chapter on the street or highway at a point where said street or highway joins said bridge or elevated structure, provided that if the maximum speed permitted on said street or highway differs from the maximum speed on any other street or highway joining said bridge or elevated structure, then the lowest of said speeds shall be the maximum speed limit on said bridge or elevated structure, subject to the following:

The state highway commission upon request from any local authority shall, or upon its own initiative, conduct an investigation of any bridge or other elevated structure constituting a part of a highway, and if it shall thereby determine and declare the maximum speed of vehicles which such structure cannot withstand, and shall cause or permit suitable signs stating such maximum speed to be erected and maintained at a distance of two hundred feet before each end of such structure.

No person shall drive a vehicle over any bridge or other elevated structure constituting
a part of a highway at a speed which is greater than the maximum speed which can be maintained with safety to such bridge or structure, when such structure is sign-posted as provided in this section.

Upon the trial of any person charged with driving a vehicle at a speed which is greater than the maximum speed which can be maintained with safety to such bridge or structure, proof of such determination of the maximum speed by said commission and the existence of said signs shall constitute conclusive evidence of the maximum speed which can be maintained with safety to such bridge or structure. [C39,§5023.11; C46, 50, 54, 58, 62,§321.295; 60GA, ch 204,§1]

321.296 Emergency vehicles — speed. The speed limitations set forth in this chapter shall not apply to authorized emergency vehicles when responding to emergency calls and the drivers thereof sound audible signal by bell, siren, or exhaust whistle. This provision shall not relieve the driver of an authorized emergency vehicle from the duty to drive with due regard for the safety of all persons using the streets, nor shall it protect the driver of any such vehicle from the consequences of his negligence. [C39,§5023.12; C46, 50, 54, 58, 62,§321.296]

DRIVING ON RIGHT SIDE OF ROADWAY—OVERTAKING AND PASSING, ETC.

321.297 Traveling on right-hand side. The operator of a motor vehicle, in cities and towns, shall at all times travel on the right-hand side of the center of the street. [S13, §1571-m18; C24, 27, 31, 35,§5019; C39,§5024.01; C46, 50, 54, 58, 62,§321.297]

321.298 Meeting and turning to right. Persons on horseback, or in vehicles, including motor vehicles, meeting each other on the public highway, shall give one-half of the traveled way thereof by turning to the right. [R60, §§908; C73,§1000; C97,§1569; S13,§1569; C24, 27, 31, 35,§5020; C39,§5024.02; C46, 50, 54, 58, 62,§321.298]

321.299 Overtaking a vehicle. The following rules shall govern the overtaking and passing of vehicles proceeding in the same direction, subject to those limitations, exceptions, and special rules hereinafter stated:

The driver of a vehicle overtaking another vehicle proceeding in the same direction shall pass to the left thereof at a safe distance and shall not again drive to the right side of the roadway until safely clear of the overtaken vehicle.

Except when overtaking and passing on the right is permitted, the driver of an overtaken vehicle shall give way to the right in favor of the overtaking vehicle on audible signal and shall not increase the speed of his vehicle until completely passed by the overtaking vehicle. [S13,§§1569, 1571-m18; C24, 27, 31, 35, §§5021, 5022; C39,§5024.03; C46, 50, 54, 58, 62, §321.299]

Passing on right, §321.302

321.300 Failure to recognize signal. Any driver of a vehicle that is overtaken by a faster moving vehicle who fails to heed the signal of the overtaking vehicle when it is given under such circumstances that he could, by the exercise of ordinary care and observation and precaution, hear such signal and who fails to yield that part of the traveled way as herein provided, shall be guilty of a misdemeanor punishable as provided in section 321.482. [C24, 27, 31, 35,§5024; C39,§5024.05; C46, 50, 54, 58, 62, §321.300]

321.301 Burden of proof. Upon proof that a signal was given as contemplated by section 321.300, the burden shall rest upon the accused to prove that he did not hear said signal. [C24, 27, 31, 35,§5024; C39,§5024.05; C46, 50, 54, 58, 62, §321.301]

321.302 Overtaking on the right. The driver of a vehicle may overtake and pass upon the right of another vehicle which is making or about to make a left turn.

The driver of a vehicle may overtake and, allowing sufficient clearance, pass another vehicle proceeding in the same direction either upon the left or upon the right on a roadway with unobstructed pavement of sufficient width for four or more lines of moving traffic when such movement can be made in safety. No person shall drive off the pavement or upon the shoulder of the roadway in overtaking or passing on the right. [C39,§5024.06; C46, 50, 54, 58, 62,§321.302]

321.303 Limitations on overtaking on the left. No vehicle shall be driven to the left side of the center of the roadway in overtaking and passing another vehicle proceeding in the same direction unless such left side is clearly visible and is free of oncoming traffic for a sufficient distance ahead to permit such overtaking and passing to be completely made without interfering with the safe operation of any vehicle approaching from the opposite direction or any vehicle overtaken. In every event the overtaking vehicle must return to the right-hand side of the roadway before coming within one hundred feet of any vehicle approaching from the opposite direction. [C39,§5024.07; C46, 50, 54, 58, 62,§321.303]

321.304 Prohibited passing. No vehicle shall, in overtaking and passing another vehicle or at any other time, be driven to the left side of the roadway under the following conditions:

1. When approaching the crest of a grade or upon a curve in the highway where the driver's view along the highway is obstructed for a distance of approximately seven hundred feet.

2. When approaching within one hundred feet of any narrow bridge, viaduct, or tunnel, when so signposted, or when approaching within one hundred feet of or traversing any intersection or railroad grade crossing.

3. When official signs are in place directing that traffic keep to the right or a distinctive center line or off-center line is marked, which

distinctive line also so directs traffic as de­
clared in the sign manual adopted by the state 
highway commission. [C35,§5024-e1; C39, 
§5024.08; C46, 50, 54, 58, 62,§321.304]

321.305 One-way roadways and rotary traffic 
islands. Upon a roadway designated and sign­
posted for one-way traffic a vehicle shall be 
driven only in the direction designated. 
A vehicle passing around a rotary traffic 
island shall be driven only to the right of such 
island. [C39,§5024.09; C46, 50, 54, 58, 62,§321.305]

321.306 Roadwayslaned for traffic. Whence­
ver any roadway has been divided into three 
or more clearly marked lanes for traffic the 
following rules in addition to all others con­
istent herewith shall apply:

A vehicle shall be driven as nearly as prac­
tical entirely within a single lane and shall 
ot be moved from such lane until the driver 
has first ascertained that such movement can 
be made with safety.

Upon a roadway which is divided into three 
lanes a vehicle shall not be driven in the cen­
ter lane except when overtaking and passing 
another vehicle where the roadway is clearly 
visible and such center lane is clear of traffic 
within a safe distance, or in preparation for a 
left turn or where such center lane is at the 
time allocated exclusively to traffic moving in 
the direction the vehicle is proceeding and is 
signposted to give notice of such allocation. 

Official signs may be erected directing slow­
moving traffic to use a designated lane or allo­
cating specified lanes to traffic moving in the 
same direction and drivers of vehicles shall 
observe the directions of every such sign. 

Vehicles moving in a lane designated for 
slow-moving traffic shall yield the right of way 
to vehicles moving in the same direction in a 
lane not so designated when such lanes merge 
to form a single lane. [C39,§5024.10; C46, 50, 
54, 58, 62,§321.306]

321.307 Following too closely. The driver of a 
vehicle shall not follow another ve­
hicle more closely than is reasonable and pru­
dent, having due regard for the speed of such 
vehicles and the traffic upon and the condition 
of the highway. [C39,§5024.11; C46, 50, 54, 58, 
62,§321.307]

321.308 Motor trucks and towed vehicles— 
distance requirements. The driver of any 
motor truck, or of a motor vehicle drawing 
another vehicle, when traveling upon a road­
way, outside of a business or residence dis­

tict shall not follow within three hundred feet 
of another motor truck, or of a motor vehicle 
drawing another vehicle. The provisions of 
this section shall not be construed to prevent 
overtaking and passing nor shall the same 
apply upon any lane specially designated for 
use by motor trucks. [C31, 35,§5067-d9; C39, 
§5024.12; C46, 50, 54, 58, 62,§321.308]

See §321.309 for convoys or caravans

321.309 Towing — convoys — drawbars. No 
person shall pull or tow by motor vehicle, for

hire, another motor vehicle over any highway 
outside the limits of any incorporated city or 
town, except in case of temporary movement 
of a disabled motor vehicle to the place where 
repairs will be made, unless such person has 
complied with the provisions of sections 321.57 
and 321.58. Provided, however, if such person 
is a nonresident of the state of Iowa and has 
complied with the laws of the state of his 
residence governing licensing and registration 
as a transporter of motor vehicles he shall 
not be required to pay the fee provided in 
section 321.58 but only to submit proof of his 
status as a bona fide manufacturer or trans­
porter as may reasonably be required by the 
department.

Every person pulling or towing by motor 
vehicle another motor vehicle in convoy or 
caravan shall maintain a distance of at least 
five hundred feet between the units of said 
convoy or caravan.

The drawbar or towing arm between a mo­
tor vehicle pulling or towing another motor 
vehicle shall be of a type approved by the 
commissioner, except in case of the temporary 
movement of a disabled vehicle in an emer­
gency situation. [C31, 35,§5067-d9; C39,§5024.13; 
C46, 50, 54, 58, 62,§321.309]

321.310 Towing four-wheeled trailers. No 
motor vehicle shall tow any four-wheeled 
trailer with a steering axle, or more than one 
trailer or semitrailer, or both in combination, 
with the exception that this section shall not 
apply to any motor truck, truck tractor or 
road tractor registered at a combined gross 
weight of ten tons or more nor to a farm trac­
tor towing a four-wheeled trailer, or to any 
farm tractor or motor vehicle towing imple­
m ents of husbandry, or a wagon box trailer 
used by a farmer in transporting produce, 

farm products or supplies hauled to and from 
market when registered under the provisions 
of section 321.123.

Any four-wheeled trailer towed by a truck 
tractor or road tractor shall be registered 
under the semitrailer provisions of section 
321.122, provided, however, that the provisions 
of this section shall not be applicable to motor 
vehicles drawing wagon box trailers used by 
a farmer in transporting produce, farm 
products or supplies hauled to and from market 
when registered under the provisions of sec­

tion 321.123. [C39,§5024.14; C46, 50, 54, 58, 62, 
§321.310]

TURNING AND STARTING AND SIGNALS ON 
STOPPING AND TURNING

321.311 Turning at intersections. The driver 
of a vehicle intending to turn at an intersec­
tion shall do so as follows:

Both the approach for a right turn and right 
turn shall be made as close as practical to the 
right-hand curb or edge of the roadway.

Approach for a left turn shall be made in 
that portion of the right half of the roadway 
nearest the center line thereof and after enter-
ing the intersection the left turn shall be made so as to depart from the intersection to the right of the center line of the roadway being entered.

Approach for a left turn from a two-way street into a one-way street shall be made in that portion of the right half of the roadway nearest the center line thereof and by passing to the right of such center line where it enters the intersection. A left turn from a one-way street into two-way street shall be made by passing to the right of the center line of the street being entered upon leaving the intersection.

Local authorities in their respective jurisdictions may cause markers, buttons, or signs to be placed within or adjacent to intersections and thereby require and direct that a different course from that specified in this section be traveled by vehicles turning at an intersection, and when markers, buttons, or signs are so placed no driver of a vehicle shall turn a vehicle at an intersection other than as directed and required by such markers, buttons, or signs. [S13, §1571-ml8; C24, 27, 31, 35, §5033; C39, §5025.01; C46, 50, 54, 58, 62, §321.311]

321.312 Turning on curve or crest of grade. No vehicle shall be turned so as to proceed in the opposite direction upon any curve, or upon the approach to, or near the crest of a grade or hill, where such vehicle cannot be seen by the driver of any other vehicle approaching from either direction within five hundred feet. [C39, §5025.02; C46, 50, 54, 58, 62, §321.312]

321.313 Starting parked vehicle. No person shall start a vehicle which is stopped, standing, or parked unless and until such movement can be made with reasonable safety. [C39, §5025.03; C46, 50, 54, 58, 62, §321.313]

321.314 When signal required. No person shall turn a vehicle from a direct course upon a highway unless and until such movement can be made with reasonable safety and then only after giving a clearly audible signal by sounding the horn if any pedestrian may be affected by such movement or after giving an appropriate signal in the manner hereinafter provided in the event any other vehicle may be affected by such movement. [S13, §1571-m18; C24, 27, 31, 35, §5032; C39, §5025.04; C46, 50, 54, 58, 62, §321.314]

321.315 Signal continuous. A signal of intention to turn right or left shall be given continuously during not less than the last one hundred feet traveled by the vehicle before turning when the speed limit is forty-five miles per hour or less and a continuous signal during not less than the last three hundred feet when the speed limit is in excess of forty-five miles per hour. [C39, §5025.05; C46, 50, 54, 58, 62, §321.315; 61GA, ch 281, §1]

321.316 Stopping. No person shall stop or suddenly decrease the speed of a vehicle without first giving an appropriate signal in the manner provided herein to the driver of any vehicle immediately to the rear when there is opportunity to give such signal. [S13, §1571-m18; C24, 27, 31, 35, §5032; C39, §5025.06; C46, 50, 54, 58, 62, §321.316]

321.317 Signals by hand and arm or signal device. 1. The signals required under the provisions of this chapter may be given either by means of the hand and arm as provided in section 321.318, or by a mechanical or electrical directional signal device or light of a type approved by the department and conforming to the provisions of this chapter relating thereto.

2. Directional signal devices shall be designed with a white, yellow or amber lamp or lamps to be displayed on the front of vehicles and with a lamp or lamps of red, yellow or amber to be displayed on the rear of vehicles. Such devices shall be capable of clearly indicating any intention to turn either to the right or to the left and shall be visible and understandable during both daylight and darkness from a distance of at least one hundred feet from the front and rear of a vehicle equipped therewith.

3. After the thirty-first day of December, 1953, it shall be unlawful for any person to sell or offer for sale or operate on the highways of the state of Iowa any vehicle subject to registration under the provisions of this chapter which has never been registered in this or any other state prior to January 1, 1954, unless such vehicle is equipped with a directional signal device of a type approved by the department and is in compliance with the provisions of subsection 2 of this section. Motorcycles, motor scooters, bicycles with motor attached and semitrailers and trailers less than forty inches in width are exempt from the provisions of this section.

4. When a vehicle is equipped with a directional signal device, such device shall at all times be maintained in good working condition. No directional signal device shall project a glaring or dazzling light. All directional signal devices shall be self-illuminated when in use while other lamps on the vehicle are lighted.

5. The provisions of this subsection shall not be construed to exempt any vehicle or combination of vehicles from compliance with the provisions of sections 321.447 and 321.448. [S13, §1571-m18; C24, 27, 31, 35, §5032; C39, §5025.07; C46, 50, 54, 58, 62, §321.317]

The foregoing rule is modified at through highways and otherwise as hereinafter stated in this chapter. [S13, §1571-m18; C24, 27, 31, 35, §5035; C39, §5026.01; C46, 50, 54, 58, 62, §321.319]

321.320 Turning left at intersection. The driver of a vehicle within an intersection intending to turn to the left shall yield the right of way to all vehicles approaching from the opposite direction which are within the intersection or so close thereto as to constitute an immediate hazard, then said driver, having so yielded and having given a signal when and as required by this chapter, may make such left turn. [S13, §1571-m18; C24, 27, 31, 35, §5035; C39, §5026.02; C46, 50, 54, 58, 62, §321.320; 61GA, ch 282, §1(1, 2, 3)]

The driver of a vehicle shall stop or yield as required by this chapter at the entrance to a through highway and shall yield the right of way to other vehicles which have entered the intersection from said through highway or which are approaching so closely on said through highway as to constitute a hazard, but said driver having so yielded may proceed cautiously and with due care enter said through highway. [C27, §§5079-b2, b3; C31, 35, §§5079-b2, b3, d2, d3; C39, §5026.03; C46, 50, 54, 58, 62, §321.321]

The driver of a vehicle shall likewise stop or yield in obedience to a stop or yield sign as required herein at an intersection where a stop or yield sign is erected at one or more entrances thereto although not a part of a through highway and shall proceed cautiously, yielding to vehicles not so obliged to stop or yield which are within the intersection or approaching so closely as to constitute a hazard, but may then proceed.

The driver of a vehicle approaching a yield sign shall in obedience to such sign slow down to a speed reasonable for the existing conditions or shall stop if necessary and shall yield the right of way to any pedestrian legally crossing the roadway on which he is driving, and to any vehicle in the intersection or approaching on another highway so closely as to constitute a hazard. Said driver having so yielded may proceed with caution. [C27, §§5079-b2, b3; C31, 35, §§5079-b2, b3, d2, d3; C39, §5026.04; C46, 50, 54, 58, 62, §321.322]

Upon the immediate approach of an authorized emergency vehicle with any lamp or device displaying a red light or flashing red light from directly in front thereof, or when the driver is giving audible signal by siren, exhaust whistle, or bell, the driver of every other vehicle shall yield the right of way and shall immediately drive to a position parallel to, and as close as possible to, the right-hand edge or curb of the highway clear of any intersection and shall stop and remain in such position until the authorized emergency vehicle has passed, except when otherwise directed by a police officer.

Upon the approach of an authorized emergency vehicle, as above stated, the motorman of every streetcar shall immediately stop such car clear of any intersection and keep it in such position until the authorized emergency vehicle has passed, except when otherwise directed by a police officer.

This section shall not operate to relieve the driver of an authorized emergency vehicle from the duty to drive with due regard for the safety of all persons using the highway. [C39, §5026.06; C46, 50, 54, 58, 62, §321.324]

321.456 Height of vehicles. No vehicle unladen or with load shall exceed a height of thirteen feet, six inches. Nothing herein contained shall be construed to require any railroad or public authorities to provide sufficient vertical clearance to permit the operation of such vehicle upon the highways of this state. [C31, 35, §§5067-d2; C39, §5035.05; C46, 50, 54, 58, 62, §321.456]

with such a bumper. [C39,§5035.07; C46, 50,
54, 58, 62,§321.458]

321.459 Dual axle requirement. No motor
vehicle, trailer, or semitrailer having axles less
than forty inches apart center to center, shall
be operated on the highways of this state,
unless the combined gross weight imposed on
the highway by all of the wheels of all axles
which are less than forty inches apart center
to center does not exceed eighteen thousand
pounds in the case of wheels equipped with
pneumatic tires or fourteen thousand pounds
in the case of wheels equipped with solid
rubber tires. [C31, 35,§5067-d3; C39,§5035.08;

unless such vehicle is so constructed or loaded
as to prevent any of its load from dropping,
slipping, leaking, or otherwise escaping there-
from, except that sand may be dropped for
the purpose of securing traction, or water or
other substance may be sprinkled on a road-
way in cleaning or maintaining such roadway.

one vehicle is towing another the drawbar or
other connection shall not exceed fifteen feet
from one vehicle to the other except the con-

poles, pipe, machinery, or similar object of
structural nature which cannot readily be dis-
membered. [C39,§5035.10; C46, 50, 54, 58, 62,

one vehicle is towing or pulling another ve-
hicle the drawbar or other connection shall be
of sufficient strength to pull all weight towed
thereby and shall be fastened to the frame of
the towing vehicle in such manner as to pre-
vent sideways, and in addition to such prin-
cipal connection there shall be a safety chain
which shall be so fastened as to be capable of
holding the towed vehicle should the principal
connection for any reason fail.

The connection between a truck tractor and
a semitrailer with a gross weight of three
thousand pounds or more shall be of a type
approved by the commissioner, and the com-
mis­sioner is hereby given authority to approve
or disapprove such types of connection sub-
mitted to him. [C39,§5035.11; C46, 50, 54, 58, 62,
§321.462]

axle may be divided into two or more parts,
provided, however, that all parts in the same
vertical transverse plane shall be considered
as one axle.

The gross weight on any one axle of a ve-
cle, or of a combination of vehicles, operated
on the highways of this state, shall not ex-
ceed eighteen thousand pounds on an axle
equipped with pneumatic tires, and shall not
exceed fourteen thousand pounds on an axle
equipped with solid rubber tires.

No vehicle or combination of vehicles shall
be operated with a total gross weight in
pounds in excess of the amount given in the
following table corresponding to the distance
in feet between the extreme axles of the said
vehicle or combination of vehicles measured
longitudinally to the nearest foot or fraction
thereof.

No fine shall be assessed if the overload does not exceed the tolerance specified in this section. If the overload does exceed the tolerance specified in this section, the amount of the fine to be assessed shall be computed on the difference between the actual weight and the maximum legal weight specified in this section without allowance of any tolerance.

Overloads on axles and tandem axles and overloads on groups of axles or on an entire vehicle or combination of vehicles shall be considered as separate violations of the provisions of this section.

The penalties herein provided shall not be construed to be in lieu of any other penalties provided for violations of other provisions of this chapter.

Any person who issues or executes, or causes to be issued or executed, any bill of lading, manifest, or shipping document of any kind which states the false weight of the cargo set forth on such bill, manifest or document, to be less than the actual weight of such cargo, shall be punished by a fine of not more than one hundred dollars or by imprisonment for not more than thirty days. [C24, 27, 31, 35, §5065; C39, §5035.12; C46, 50, 54, 58, 62, §321.463]

Referred to in §§321.452, 321.467

321.464 Investigation as to safety. The commissioner upon registering any vehicle under the laws of this state which vehicle is designed and used primarily for the transportation of property or for the transportation of ten or more persons, may require such investigation and may make such investigation or test as necessary to enable him to determine whether such vehicle may safely be operated upon the highways in compliance with all the provisions of this chapter. He shall register every such vehicle for a permissible gross weight not exceeding the limitations set forth in this chapter. Every such vehicle shall meet the following requirements:

1. It shall be equipped with brakes as required in sections 321.430 and 321.431.

2. Every motor vehicle to be operated outside of business and residence districts shall have motive power adequate to propel at a reasonable speed such vehicle and any load thereon or to be drawn thereby. [C39, §5035.13; C46, 50, 54, 58, 62, §321.464]

321.465 Weighing vehicles and removal of excess. Any peace officer having reason to believe that the weight of a vehicle and load is unlawful is authorized to require the driver to stop and submit to a weighing of the same either by means of portable or stationary
scales and may require that such vehicle be
driven to the nearest public scales.

Whenever an officer upon weighing a vehicle
and load, as above provided, determines that
the weight is unlawful, such officer may re-
quire the driver to stop the vehicle in a suit-
able place and remain standing until such
portion of the load is removed as may be
necessary to reduce the gross weight of such
vehicle to such limit as permitted under this
chapter. All material so unloaded shall be
cared for by the owner or operator of such
vehicle at the risk of such owner or operator.

Any driver of a vehicle who fails or refuses
to stop and submit the vehicle and load to a
weighing, or who fails or refuses when di-
rected by an officer upon a weighing of the
vehicle to stop the vehicle and otherwise com-
ply with the provisions of this section, shall
be guilty of a misdemeanor and punished as
provided in section 321.482.

Upon weighing a vehicle and load, as above
provided, if such load is a sealed load, the
weight officer shall issue a certificate setting
forth the weights as determined by him and
the seal number or numbers, if requested by
the operator. [C31, §4921-d1; C39, §5035.14; C46, 50, 54, 58, 62, §321.465]

321.466 Increased loading capacity—re­
registration. An increased gross weight regis-
tration may be obtained for any vehicle by pay-
ment of the difference between the annual fee
for the higher gross weight and the amount of
the fee for the gross weight at which it is
registered.

With respect to a vehicle held by a dealer
for sale or trade, an increased gross weight
registration may be obtained for any such
vehicle on or after April 10 of each year upon
change of ownership by payment of one-
twelfth of the difference between the annual
fee for the higher gross weight and the amount
of the fee for the gross weight at which it is
registered, multiplied by the number of unex-
pired months of the year.

On or after July 1 of each year, the owner
of a motor truck, truck tractor, road tractor,
semitrailer or trailer may, if his operation
thereof has not resulted in a conviction under
this section or an action then pending against
him for violation of the same, increase the
gross load of any such vehicle to a higher
gross weight classification by payment of one-
twelfth of the difference between the annual
fee for the higher gross weight and the amount
of the fee for the gross weight at which it is
registered, multiplied by the number of unex-
pired months of the year.

Upon conversion of a truck to a truck tractor
or a truck tractor to a truck, an increased
gross weight registration of the proper type
may be obtained for any such vehicle by pay-
ment of one-twelfth of the difference between
the annual fee for the higher gross weight
and the amount of the annual fee for the gross
weight at which it is registered, multiplied by
the number of unexpired months of the year
from the date of such conversion.

The registered gross weight of any vehicle
or combination of vehicles may also be in-
creased by installing and using a properly
registered auxiliary axle or axles, and the
combined registered gross weight of such
vehicle and auxiliary axle or axles shall de-
termine the total registered gross weight
thereof. No auxiliary axle may be used to
convert a single axle to a tandem axle unless
equipped with a device to equalize the load
carried by the single axle and the said auxil-
iary axle when in tandem and when in motion
or when standing, and the load transmitted to
the highway by either the single axle or the
auxiliary axle shall not exceed that permitted
for any single axle, nor shall the load trans-
mitted to the highway when in tandem and
when in motion or when standing, exceed
that permitted for any tandem axle.

It shall be unlawful for any person to oper-
ate a motor truck, trailer, truck tractor, road
tractor, semitrailer or combination thereof, or
any such vehicle equipped with a transferable
auxiliary axle or axles, on the public high-
ways with a gross weight exceeding that
for which it is registered by more than five
percent of the gross weight for which it is
registered, provided, however, that any
vehicle or vehicle combination referred to
herein, while carrying a load of raw farm
products, soil fertilizers, including ground
limestone, raw dairy products or livestock,
live poultry, eggs, may be operated with a
gross weight of twenty-five percent in excess
of the gross weight for which it is registered.

For the purposes of this section cracked or
ground soy beans, sargo, corn, wheat, rye, oats
or other grain shall be deemed to be raw farm
products, provided that such products are
being directly delivered to a farm, from the
place where the whole grain had been del-
livered from a farm, for the purpose of crack-
ning or grinding and immediate delivery to
the farm to which such cracked or ground
products are being delivered.

The truck operator shall have in his posses-
sion a receipt showing place of processing on
his return trip. [C24, 27, §4921; C31, 35, §§4921-c1,
c2; C39, §5035.15; C46, 50, 54, 58, 62, §321.466;
61GA, ch 270, §§8, 9]

321.467 Permits for excess size and weight.
The state highway commission with respect to
highways under its jurisdiction and local au-
thorities with respect to highways under their
jurisdiction may, in their discretion, upon ap-
plication in writing and good cause being
shown therefor, issue a special permit in writ-
ing authorizing the applicant to operate or
move for a distance not exceeding twenty-five
miles a vehicle or combination of vehicles of a
size or weight of vehicle or load exceeding the
maximum specified in this chapter or other-
wise not in conformity with the provisions of
this chapter upon any highway under the juris-
diction of the party granting such permit and
for the maintenance of which said party is responsible, provided, however, that the state highway commission or such local authorities may in their discretion issue a special permit for the movement of construction machinery, equipment or material, or agricultural machinery, equipment or material for a distance exceeding twenty-five miles on a vehicle or combination of vehicles, not including mobile homes or house trailers, of a size or weight of vehicle or load exceeding the maximum specified in this chapter, or otherwise not in conformity with the provisions of this chapter, upon any highway under the jurisdiction of the party granting such permit, except on any part of the completed interstate highway system. If the gross weight on any axle of any such vehicle, or combination of vehicles, does not exceed the maximum axle load as prescribed in section 321.463, and if such machinery, equipment or material is to be moved to or from construction projects, or agricultural projects in this state or is manufactured or assembled within this state. Provided further, that a mobile home manufacturer, or dealer, or a carrier authorized by the interstate commerce commission or the Iowa state commerce commission may, upon application to the state highway commission, be issued a special permit, under rules and regulations of the state highway commission, to transport a mobile home of excess size not exceeding ten feet nine inches in width on the highways within the state, except on any part of the interstate highway system. Movement of such vehicles shall be permitted only on a truck-tractor semitrailer combination, or by a one and one-half ton or larger truck or tractor having dual wheels, over specified routes, at speeds not to exceed thirty-five miles per hour or the established speed limit, whichever is lower, only during daylight hours, and only by properly licensed drivers provided there shall be no movement of such vehicles on Saturdays, Sundays or holidays enumerated in section 541.85*. Provided further that, in an emergency, or very special or unusual cases, or as a means of co-operating with national defense officials, the state highway commission may grant permits for moving oversize or overweight vehicles or objects over the highways for a distance exceeding twenty-five miles, if in the judgment of the commission, such special, unusual, emergency or defense movement is essential. Provided further that the state highway commission may issue annual permits for vehicles used exclusively for the transportation of motor vehicles, granting a tolerance of two feet in length on the load carried by such vehicles, the said two-foot load tolerance being in addition to the overall vehicle length of forty-five feet, it being a condition of such permits that the combined length of the transporting vehicles shall not exceed forty-five feet and that the combined length of the transporting vehicles and load with the two-foot load tolerance shall not exceed forty-seven feet, and that only four automobiles may be transported in any single unit which transported only four automobiles per unit prior to January 3, 1955. The state highway commission may issue annual permits to a retail farm implement dealer to transport, on his own regular delivery vehicle, farm machines from his nearest branch house or distribution point to the retailer's place of business and from the retail dealer to the customer's farm within the county of the retailer's place of business or counties adjoining the retail dealer's place of business and shall determine and fix a tolerance of width and length on the load carried. In no event, however, is the gross weight on any axle to exceed the maximum axle load as prescribed in section 321.463 hereof; provided, however, that the highway commission and local authorities with respect to highways, roads and streets under their jurisdiction may issue annual permits to any manufacturer of construction machinery or equipment manufactured or assembled in Iowa, authorizing the movement of said machinery or any such equipment to a storage area, shipping point, proving ground, experimental area, weighing station, or between manufacturing plants or any area thereof, provided, further that such machinery and equipment shall be mounted on a trailer or semi-tractor combination of vehicles, not including mobile homes or house trailers, of a size or weight of vehicle or load exceeding the maximum axle load or an unincorporated population of over seven thousand five hundred, all according to the latest available federal census.

Such permit shall require that the person or company operating such buses shall, for the use of such highways, quarterly report and pay to the state highway commission for the benefit of the primary road fund an amount equal to two and three-fourths per-
The state highway commission shall likewise have authority as hereinafter granted to local authorities to determine by resolution and to impose restrictions as to the weight of vehicles operated upon any highway under the jurisdiction of said commission and such restrictions shall be effective when signs giving notice thereof are erected upon the highway or prohibition of any highway affected by such resolution. [C24, 27, 31, §5066; C39, §5035.23; C46, 50, 54, 58, 62, §321.474]

321.475 Liability for damage. Any person driving any vehicle, object, or contrivance upon any highway or highway structure shall be liable for all damage which said highway or structure may sustain as a result of any illegal operation, driving, or moving of such vehicle, object, or contrivance, or as a result of operation, driving, or moving any vehicle, object, or contrivance weighing in excess of the maximum weight in this chapter but authorized by a special permit issued as provided in this chapter.

Whenever such driver is not the owner of such vehicle, object, or contrivance, but is so operating, driving, or moving the same with the express or implied permission of said owner, then said owner and driver shall be jointly and severally liable for any such damage. Such damage may be recovered in a civil action brought by the authorities in control of such highway or highway structure. [C39, §5035.24; C46, 50, 54, 58, 62, §321.475]

321.476 Weighing vehicles by highway commission. Authority is hereby given to the state highway commission to stop any motor vehicle or trailer on the highways for the purposes of weighing and inspection, to weigh and inspect the same and to enforce the provisions of the motor vehicle laws relating to the registration, size, weight, and load of motor vehicles and trailers.

Authority is also hereby granted to subject to weighing and inspection, vehicles which have moved from a highway onto private property under circumstances which indicate that the load of the vehicle, if any, is substantially the same as the load which the vehicle carried before moving onto the private property.
Any person who prevents or in any man­ner obstructs an officer attempting to carry out the provisions of this section is guilty of a misdemeanor and shall be punished as provided in section 321.482. [C46, 50, 54, 58, 62, §321.476]

Referred to in §§321.480, 321.481

321.477 Employees as peace officers. The state highway commission may designate by resolution certain of its employees upon each of whom there is hereby conferred the authority of a peace officer to control and direct traffic and weigh vehicles, and to make arrests for violations of the motor vehicle laws relating to the registration, size, weight, and load of motor vehicles and trailers and registration of a motor carrier’s interstate transportation service with the Iowa commerce commission. [C46, 50, 54, 58, 62, §321.477; 61GA, ch 303, §4]

Referred to in §§321.480, 321.481

321.478 Bond. Prior to entering upon the discharge of his duties as such peace officer, each of said designated employees shall furnish to the commission a surety bond to the state in the sum of five hundred dollars, conditioned upon the faithful discharge of his duties. [C46, 50, 54, 58, 62, §321.478]

Referred to in §§321.480, 321.481

321.479 Badge of authority. The highway commission shall supply each of said employees so designated with a badge of authority, bearing a serial number, which shall be conspicuously displayed by the employee while in the performance of his duties as such peace officer. [C46, 50, 54, 58, 62, §321.479]

Such certificate shall give the effective date of such motor vehicle liability policy, which date shall be the same as the effective date of the certificate, and shall designate by explicit description or by appropriate reference all motor vehicles covered thereby, unless the policy is issued to a person who is not the owner of a motor vehicle.

2. No motor vehicle shall be or continue to be registered in the name of any person required to file proof of financial responsibility unless such motor vehicle is so designated in such a certificate. [C50, 54, 55, 62,§321A.19]

b. Said insurance carrier shall agree in writing that such policies shall be deemed to conform with the laws of this state relating to the terms of motor vehicle liability policies issued herein.

2. If any insurance carrier not authorized to transact business in this state, which has qualified to furnish proof of financial responsibility, defaults in any said undertakings or agreements, the commissioner shall not thereafter accept as proof any certificate of said carrier whether theretofore filed or thereafter tendered as proof, so long as such default continues. [C50, 54, 58, 62 §321A.20]

321A.21 "Motor vehicle liability policy" defined.

A "motor vehicle liability policy" as said term is used in this chapter shall mean an owner's or an operator's policy of liability insurance, certified as provided in section 321A.19 or section 321A.20 as proof of financial responsibility, and issued, except as otherwise provided in section 321A.20, by an insurance carrier duly authorized to transact business in this state, to or for the benefit of the person named therein as insured.

2. Such owner's policy of liability insurance:

a. Shall designate by explicit description or by appropriate reference all motor vehicles with respect to which coverage is thereby to be granted; and

b. Shall insure the person named therein and any other person, as insured, using any such motor vehicle or motor vehicles with the express or implied permission of such named insured, against loss from the liability imposed by law for damages arising out of the ownership, maintenance, or use of such motor vehicle or motor vehicles within the United States of America or the Dominion of Canada, subject to limits exclusive of interest and costs, with respect to each such motor vehicle, as follows: Ten thousand dollars because of bodily injury to or death of one person in any one accident and, subject to said limit for one person, twenty thousand dollars because of bodily injury to or death of two or more persons in any one accident, and five thousand dollars because of injury to or destruction of property of others in any one accident.

3. Such operator's policy of liability insurance shall insure the person named as insured therein against loss from the liability imposed upon him by law for damages arising out of the use by him of any motor vehicle not owned by him, within the same territorial limits and subject to the same limits of liability as are set forth above with respect to an owner's policy of liability insurance.

4. Such motor vehicle liability policy shall state the name and address of the named insured, the coverage afforded by the policy, the premium charged therefor, the policy period, and the limits of liability, and shall contain an agreement or be indorsed that insurance is provided thereunder in accordance with the provisions of this chapter, as respects bodily injury and death or property damage, or both, and is subject to all the provisions of this chapter.

5. Such motor vehicle liability policy need not insure any liability under any workmen's compensation law nor any liability on account of bodily injury to or death of an employee of the insured while engaged in the employment, other than domestic, of the insured, or while engaged in the operation, maintenance, or repair of any such motor vehicle or any liability for damage to property owned by, rented to, in charge of, or transported by the insured.

6. Every motor vehicle liability policy shall be subject to the following provisions which need not be contained therein:

a. The liability of the insurance carrier with respect to the insurance required by this chapter shall become absolute whenever injury or damage covered by said motor vehicle liability policy occurs; said policy may not be canceled or annulled as to such liability by any agreement between the insurance carrier and the insured after the occurrence of the injury or damage; no statement made by the insured or on his behalf and no violation of said policy shall defeat or void said policy.

b. The satisfaction by the insured of a judgment for such injury or damage shall not be a condition precedent to the right or duty of the insurance carrier to make payment on account of such injury or damage.

c. The insurance carrier shall have the right to settle any claim covered by the policy, and if such settlement is made in good faith, the amount thereof shall be deductible from the limits of liability specified in paragraph b of subsection 2 of this section.

d. The policy, the written application therefor, if any, and any rider or indorsement which does not conflict with the provisions of the
chapter shall constitute the entire contract between the parties.

7. Any policy which grants the coverage required for a motor vehicle liability policy may also grant any lawful coverage in excess of or in addition to the coverage specified for a motor vehicle liability policy and such excess or additional coverage shall not be subject to the provisions of this chapter. With respect to a policy which grants such excess or additional coverage the term “motor vehicle liability policy” shall apply only to that part of the coverage which is required by this section.

8. Any motor vehicle liability policy may provide that the insured shall reimburse the insurance carrier for any payment the insurance carrier would not have been obligated to make under the terms of the policy except for the provisions of this chapter.

9. Any motor vehicle liability policy may provide for the prorating of the insurance thereunder with other valid and collectible insurance.

10. The requirements for a motor vehicle liability policy may be fulfilled by the policies of one or more insurance carriers which policies together meet such requirements.

11. Any binder issued pending the issuance of a motor vehicle liability policy shall be deemed to fulfill the requirements for such a policy. [C50, 54, 58, §321A.21]

2. This chapter shall not be held to apply to or affect policies insuring solely the insured named in the policy against liability resulting from the maintenance or use by persons in the insureds employ or on his behalf of motor vehicles not owned by the insured. [C50, 54, 58, §321A.23]

1. Proof of financial responsibility may be evidenced by the bond of a surety company duly authorized to transact business within this state, or a bond with at least two individual sureties each owning real estate within this state, and together having equities equal in value to at least twice the amount of the bond, which real estate shall be scheduled in the bond approved by a judge or clerk of a court of record, which said bond shall be conditioned for payment of the amounts specified in subsection 10 of section 321A.1. Such bond shall be filed with the commissioner and shall not be cancelable except after ten days written notice to the commissioner. Such bond shall constitute a lien in favor of the state upon the real estate so scheduled of any surety, which lien shall exist in favor of any holder of a final judgment against the person who has filed such bond, for damages, including damages for care and loss of services, because of bodily injury to or death of any person, or for damage because of injury to or destruction of property, including the loss of use thereof, resulting from the ownership, maintenance, use or operation of a motor vehicle after such bond was filed, upon the filing of notice to that effect by the commissioner in the office of the proper clerk of court of the county where such real estate shall be located. Any individual surety so scheduling real estate security shall furnish satisfactory evidence of title thereto and the nature and extent of all encumbrances thereon and the value of the surety's interest therein, in such manner as the judge or clerk of the court of record approving the bond may require. The notice filed by the commissioner shall, in addition to any other matters by him deemed to be pertinent, contain a legal description of the real estate so scheduled, the name of the holder of the record title, the amount for which it stands as security, and the name of the person in whose behalf proof is so being made. Upon the filing of such notice the clerk of the court of such county shall retain the same as part of the records of such court and enter upon the encumbrance book the date and hour of filing, the name of the surety, the name of the record titleholder, the description of the real estate, and the further notation that a lien is charged on such real estate pursuant to the notice filed hereunder. From and after the entry of the foregoing upon the encumbrance book all persons whomsoever shall be charged with notice thereof.

2. If such a judgment, rendered against the principal on such bond shall not be satisfied within sixty days after it has become final, the judgment creditor may, for his own use and benefit and at his sole expense, bring an action or actions in the name of the state against the company or persons executing such bond, including an action or proceeding to foreclose any lien that may exist upon the real estate of a person who has executed such bond. An action to foreclose any lien upon real estate scheduled by any surety under the provisions of this chapter shall be by equitable proceeding in the same manner as is provided
§321A.25 Money or securities as proof.
1. Proof of financial responsibility may be evidenced by the certificate of the state treasurer that the person named therein has deposited with him twenty-five thousand dollars in cash, or securities such as may legally be purchased by savings banks or for trust funds of a market value of twenty-five thousand dollars. The state treasurer shall not accept any such deposit and issue a certificate therefor and the commissioner shall not accept such certificate unless accompanied by evidence that there are no unsatisfied judgments of any character against the depositor in the county where the depositor resides.
2. Such deposit shall be held by the state treasurer to satisfy, in accordance with the provisions of this chapter, any execution on a judgment issued against such person making the deposit, for damages, including damages for care and loss of services, because of bodily injury to or death of any person, or for damages because of injury to or destruction of property, including the loss of use thereof, resulting from the ownership, maintenance, use, or operation of a motor vehicle after such deposit was made. Whenever any person required to give proof of financial responsibility hereunder is or later becomes an operator in the employ of any owner, or is or later becomes a member of the immediate family or household of the owner, the commissioner shall accept proof given by such owner in lieu of proof by such other person to permit such other person to operate a motor vehicle for which the owner has given proof as herein provided or has qualified as a self-insurer under section 321A.34. The commissioner shall designate the restrictions imposed by this section on the face of such person's license. [C50, 54, 58, §321A.26]

1. The commissioner shall upon request consent to the immediate cancellation of any bond or certificate of insurance, or the commissioner shall direct and the state treasurer shall return to the person entitled thereto any money or securities deposited pursuant to this chapter as proof of financial responsibility, or the commissioner shall waive the requirement of filing proof, in any of the following events:
a. At any time after three years from the date such proof was required when, during the three-year period preceding the request, the commissioner has not received record of a conviction or a forfeiture of bail which would require or permit the suspension or revocation of the license, registration, or nonresident's operating privilege of the person by or for whom such proof was furnished; or
b. In the event the death of the person on whose behalf such proof was filed or the permanent incapacity of such person to operate a motor vehicle; or
c. In the event the person who has given proof surrenders his license and registration to the commissioner;
2. Provided, however, that the commissioner shall not consent to the cancellation of any bond or the return of any money or securities in the event any action for damages upon a liability covered by such proof is then pending or any judgment upon any such liability is then unsatisfied, or in the event the person who has filed such bond or deposited such money or securities has within one year immediately preceding such request been involved as an operator or owner in any motor vehicle accident resulting in injury or damage to the person or property of others. An affidavit of the applicant as to the nonexistence of facts, or that he has been released from all of his liability, or has been finally adjudicated not to be liable, for such injury or damage, shall be sufficient evidence thereof in the absence of evidence to the contrary in the records of the commissioner.
3. Whenever any person whose proof has been canceled or returned under paragraph c of subsection 1 of this section applies for a license or registration within a period of three years from the date proof was originally required, any such application shall be refused unless the applicant shall re-establish such proof for the remainder of such three-year period. CHAPTER 321B
CHEMICAL TEST FOR INTOXICATED DRIVERS
(Implied consent law)

321B.1 Declaration of policy. The general assembly hereby determines and declares that the provisions of this chapter are necessary in order to control alcoholic beverages and aid the enforcement of laws prohibiting operation of a motor vehicle while in an intoxicated condition. [60GA, ch 114, §37]

321B.2 Definitions. As used in this chapter the words "peace officer" mean:
1. Members of the highway patrol.
2. Police officers under civil service as provided in chapter 365.
4. Regular deputy sheriffs who have had formal police training. [60GA, ch 114, §38]

321B.3 Implied consent to test. Any person who operates a motor vehicle in this state upon a public highway, under such circumstances as to give reasonable grounds to believe the person to have been operating a motor vehicle while in an intoxicated condition, shall be deemed to have given consent to the withdrawal from his body of specimens of his blood, breath, saliva, or urine, and to a chemical test or tests thereof, for the purpose of determining the alcoholic content of his blood, subject to the provisions hereinafter set out. The withdrawal of such body substances, and the tests or tests thereof, shall be administered at the written request of a peace officer having reasonable grounds to believe the person to have been operating a motor vehicle upon a public highway of this state while in an intoxicated condition, and only after the peace officer has placed such person under arrest for the offense of operating a motor vehicle while in an intoxicated condition. If such person requests that a specimen of his blood not be withdrawn, then a specimen of his breath, saliva, or urine shall be withdrawn at the written request of such peace officer; provided, however, that if such person refuses to submit to any chemical testing, no test shall be given, and the provisions of section 321B.7 shall apply. However, if such peace officer fails to provide such test within two hours after such arrest, no test shall be required, and there shall be no revocation under the provisions of section 321B.7. [60GA, ch 114, §39]

Referred to in §321B.5
IMPLIED CONSENT LAW, §321B.10

321B.4 Taking sample for test. Only a licensed physician, or a medical technologist or registered nurse designated by a licensed physician as his representative, acting at the written request of a peace officer may withdraw such body substances for the purpose of determining the alcoholic content of the person's blood. Only new, originally factory wrapped, disposable syringes and needles, kept under strictly sanitary and sterile conditions shall be used for drawing blood. Such person may have an independent chemical test or tests administered in addition to any administered at the direction of a peace officer. The failure or inability of the person to obtain an independent chemical test or tests shall not preclude the admission in evidence of the results of the test or tests taken at the direction of the peace officer. Upon the request of the peace officer of a person under arrest for the offense of operating a motor vehicle while in an intoxicated condition, evidence of the amount of alcohol in the person's blood at the time of the act alleged as shown ten request of a peace officer may withdraw

mining the alcoholic content of the person's

registered nurse designated by a licensed phy­
censed physician, or a medical technologist or

such body substances for the purpose of deter­

sician as his representative, acting at the writ­

direction of a peace officer. The failure or

strictly sanitary and sterile conditions shall be

made available to him. [60GA, ch 114,§40]

321B.5 Dead or unconscious persons. Any person who is dead, unconscious or who is otherwise in a condition rendering him incapable of consent or refusal shall be deemed not to have withdrawn the consent provided by section 321B.3, and the test may be given; provided that a licensed physician shall certify in advance of such test that such person is dead, unconscious or otherwise in a condition rendering him incapable of consent or refusal. In such case such condition shall obviate the requirements of arrest and advice pursuant to section 321B.6. [60GA, ch 114,§41]

321B.6 Statement of officer. A peace officer shall advise any person who is requested to take any chemical test that a refusal to submit to such test will result in revocation of the person's license or privilege to operate a motor vehicle; provided, however, that this requirement shall not apply in the case of any person referred to in section 321B.5. [60GA, ch 114, §42]

321B.7 Refusal to submit. If a person under arrest refuses to submit to the chemical testing, no test shall be given, but the commissioner of public safety, upon the receipt of a sworn report of the peace officer that he had reasonable grounds to believe the arrested person to have been operating a motor vehicle upon a public highway of this state while in an intoxicated condition, that he had placed such person under arrest for the offense of operating a motor vehicle while in an intoxicated condition and that the person had refused to submit to the chemical testing, shall revoke his license or permit to drive and any nonresident operating privilege for a period of not less than one hundred twenty days nor more than one year; or if the person is a resident without a license or permit to operate a motor vehicle in this state, the commissioner shall deny to the person the issuance of a license or permit within one year from the date of the alleged violation, subject to review as hereinafter provided. The effective date of any such revocation shall be twenty days after the commissioner has mailed notice of such revocation to such person by registered or certified mail. [60GA, ch 114, §§3, ch 115,§9]

Refer to in §321B.3

321B.8 Hearing. Upon the written request of a person whose privilege to drive has been revoked or denied, the commissioner of public safety shall grant the person an opportunity to be heard within ten days after the receipt of the request, but the request must be made within thirty days after the effective date of revocation or denial. The hearing shall be before the commissioner or his authorized agent, in the county wherein the alleged events occurred for which the person was arrested, unless the commissioner or his authorized agent and the person agree that the hearing may be held in some other county. The hearing shall be recorded and its scope shall cover the issues of whether a peace officer had reasonable grounds to believe the person to have been operating a motor vehicle upon a public highway of this state while in an intoxicated condition, whether the person was placed under arrest and whether he refused to submit to the test or tests. The commissioner or his authorized agent shall order that the revocation or denial be either rescinded or sustained. [60GA, ch 114,§44, ch 115,§9]

321B.9 Appeal. If the revocation or denial is sustained the person whose license, permit to drive, or nonresident operating privilege has been revoked or denied, may file a petition within thirty days after the determination by the commissioner of public safety or his authorized agent for a hearing of the matter in the district court in the county wherein the alleged events occurred for which he was arrested or in the county in which the administrative hearing was held. It shall be the duty of the court to set the matter for hearing, and the petition shall give twenty days notice thereof to the commissioner. Within fifteen days after receipt of the notice, the commissioner shall file in the office of the clerk of the district court to which the appeal is taken a certified transcript of the testimony and all other proceedings. It shall constitute the record on which the commissioner made his determination. The court thereafter shall hear the matter de novo and shall affirm or vacate the decision of the commissioner or his authorized agent. The person or the commissioner may appeal to the supreme court in accordance with the Iowa Rules of Civil Procedure. [60GA, ch 114,§45, ch 115,§9]

321B.10 Evidence in any action. Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person while operating a motor vehicle upon a public highway of this state while in an intoxicated condition, evidence of the amount of alcohol in the person's blood at the time of the act alleged as shown
by a chemical analysis of his blood, breath, saliva or urine is admissible. [60GA, ch 114, §46]

321B.11 Proof of refusal admissible. If the person under arrest refuses to submit to the test or tests, proof of refusal shall be admissible in any civil or criminal action or proceeding arising out of acts alleged to have been committed while the person was operating a motor vehicle upon a public highway of this state while in an intoxicated condition. [60 GA, ch 114, §47]

321B.12 Other evidence. The provisions of this chapter shall not be construed as limiting the introduction of any other competent evidence bearing on the question of whether the person was in an intoxicated condition. [60 GA, ch 114, §48]

321B.13 Information relayed to other states. When it has been finally determined under the procedures of this chapter that a nonresident’s privilege to operate a motor vehicle in this state has been revoked or denied, the department of public safety shall give information in writing of the action taken to the official in charge of traffic control or public safety of the state of the person’s residence and of any state in which he has a license. [60GA, ch 114, §49]

321B.14 Citation of Act. This chapter may be cited as the “Uniform Chemical Test for Intoxication Act”. [60GA, ch 114, §50]

CHAPTER 321C
INTERSTATE DRIVERS LICENSE COMPACTS

321C.1 Authority to compact. The commissioner of public safety is hereby authorized to enter into drivers license compacts with other jurisdictions legally joining therein in substantially the following form.

The contracting states agree:

ARTICLE I—FINDINGS AND DECLARATION OF POLICY

a. The party states find that:

1. The safety of their streets and highways is materially affected by the degree of compliance with state laws and local ordinances relating to the operation of motor vehicles.

2. Violation of such a law or ordinance is evidence that the violator engages in conduct which is likely to endanger the safety of persons and property.

3. The continuance in force of a license to drive is predicated upon compliance with laws and ordinances relating to the operation of motor vehicles, in whichever jurisdiction the vehicle is operated.

b. It is the policy of each of the party states to:

1. Promote compliance with the laws, ordinances, and administrative rules and regulations relating to the operation of motor vehicles by their operators in each of the jurisdictions where such operators drive motor vehicles.

2. Make the reciprocal recognition of licenses to drive and eligibility therefor more just and equitable by considering the overall compliance with motor vehicle laws, ordinances and administrative rules and regulations as a condition precedent to the continuance or issuance of any license by reason of which the licensee is authorized or permitted to operate a motor vehicle in any of the party states.

ARTICLE II—DEFINITIONS

As used in this compact:

a. “State” means a state, territory or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

b. “Home state” means the state which has issued and has the power to suspend or revoke the use of the license or permit to operate a motor vehicle.

c. “Conviction” means a conviction of any offense related to the use or operation of a motor vehicle which is prohibited by state law, municipal ordinance or administrative rule or regulation, or a forfeiture of bail, bond or other security deposited to secure appearance by a person charged with having committed any such offense, and which conviction or forfeiture is required to be reported to the licensing authority.

ARTICLE III—REPORTS OF CONVICTION

The licensing authority of a party state shall report each conviction of a person from another party state occurring within its jurisdiction to the licensing authority of the home state of the licensee. Such report shall clearly identify the person convicted; describe the violation specifying the section of the statute, code or ordinance violated; identify the court in which action was taken; indicate whether a plea of guilty or not guilty was entered, or the conviction was a result of the forfeiture of bail, bond or other security; and shall include any special findings made in connection therewith.

Referred to in Art. IV

ARTICLE IV—EFFECT OF CONVICTION

a. The licensing authority in the home state, for the purposes of suspension, revocation or limitation of the license to operate a motor vehicle, shall give the same effect to the conduct reported, pursuant to Article III of this compact, as it would if such conduct had occurred in the home state, in the case of convictions for:
1. Manslaughter or negligent homicide resulting from the operation of a motor vehicle;
2. Driving a motor vehicle while under the influence of intoxicating liquor or a narcotic drug, or under the influence of any other drug to a degree which renders the driver incapable of safely driving a motor vehicle;
3. Any felony in the commission of which a motor vehicle is used;
4. Failure to stop and render aid in the event of a motor vehicle accident resulting in the death or personal injury of another.

b. As to other convictions, reported pursuant to Article III, the licensing authority in the home state shall give such effect to the conduct as is provided by the laws of the home state.

c. If the laws of a party state do not provide for offenses or violations denominated or described in precisely the words employed in subdivision "a" of this article, such party state shall construe the denominations and descriptions appearing in subdivision "a" hereof as being applicable to and identifying those offenses or violations of a substantially similar nature, and the laws of such party state shall contain such provisions as may be necessary to ensure that full force and effect is given to this article.

ARTICLE V—APPLICATIONS FOR NEW LICENSES

Upon application for a license to drive, the licensing authority in a party state shall ascertain whether the applicant has ever held, or is the holder of a license to drive issued by any other party state. The licensing authority in the state where application is made shall not issue a license to drive to the applicant if:

1. The applicant has held such a license, but the same has been suspended by reason, in whole or in part, of a violation and if such suspension period has not terminated.
2. The applicant has held such a license, but the same has been revoked by reason, in whole or in part, of a violation and if such revocation has not terminated, except that after the expiration of one year from the date the license was revoked, such person may make application for a new license if permitted by law. The licensing authority may refuse to issue a license to any such applicant if, after investigation, the licensing authority determines that it will not be safe to grant to such person the privilege of driving a motor vehicle on the public highways.
3. The applicant is the holder of a license to drive issued by another party state and currently in force unless the applicant surrenders such license.

ARTICLE VI—APPLICABILITY OF OTHER LAWS

Except as expressly required by provisions of this compact, nothing contained herein shall be construed to affect the right of any party state to apply any of its other laws relating to licenses to drive to any person or circumstance, nor to invalidate or prevent any driver license agreement or other co-operative arrangement between a party state and a non-party state.

ARTICLE VII—COMPACT ADMINISTRATOR AND INTERCHANGE OF INFORMATION

a. The head of the licensing authority of each party state shall be the administrator of this compact for his state. The administrators, acting jointly, shall have the power to formulate all necessary and property* procedures for the exchange of information under this compact.

**"Proper" probably intended

b. The administrator of each party state shall furnish to the administrator of each other party state any information or documents reasonably necessary to facilitate the administration of this compact.

ARTICLE VIII—ENTRY INTO FORCE AND WITHDRAWAL

a. This compact shall enter into force and become effective as to any state when it has enacted the same into law.

b. Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until six months after the executive head of the withdrawing state has given notice of the withdrawal to the executive heads of all other party states. No withdrawal shall affect the validity or applicability by the licensing authorities of states remaining party to the compact of any report of conviction occurring prior to the withdrawal.

ARTICLE IX—CONSTRUCTION AND SEVERABILITY

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable.

321C.2 Enforcement. The agencies and officers of this state and its subdivisions and municipalities shall enforce this compact and do all things appropriate to effect its purpose and intent which may be within their respective jurisdictions. [61GA, ch 295,§2]

CHAPTER 321D

ARTICLE I—FINDINGS AND PURPOSES

a. The party states find that:
1. Accidents and deaths on their streets and highways present a very serious human and economic problem with a major deleterious effect on the public welfare.
2. There is a vital need for the development of greater interjurisdictional cooperation to achieve the necessary uniformity in the laws, rules, regulations and codes relating to vehicle equipment, and to accomplish this by such means as will minimize the time between the development of demonstrably and scientifically sound safety features and their incorporation into vehicles.
3. There is a vital need for the development of desirable equipment changes in vehicles in the interest of greater traffic safety.
4. To provide means for the encouragement and utilization of research which will facilitate the achievement of the foregoing purposes, with due regard for the findings set forth in subdivision "a" of this article.
5. It is the intent of this compact to emphasize performance requirements and not to determine the specific detail of engineering in the manufacture of vehicles or equipment except to the extent necessary for the meeting of such performance requirements.

ARTICLE II—DEFINITIONS

As used in this compact:

a. "Vehicle" means every device in, upon or by which any person or property is or may be transported or drawn upon a highway, excepting devices moved by human power or used exclusively upon stationary rails or tracks.

The commission shall be composed of one commissioner from each party state who shall be appointed, serve and be subject to removal in accordance with the laws of the state which he represents, if authorized by the laws of his party state, a commissioner may provide for the discharge of his duties and the performance of his functions on the commission, either for the duration of his membership or for any lesser period of time, by an alternate. Each commissioner, and each alternate, when serving in the place and stead of a commissioner, shall be entitled to be reimbursed by the commission for expenses actually incurred in attending commission meetings or while engaged in the business of the commission.
b. The commissioners shall be entitled to one vote each on the commission. No action of the commission shall be binding unless taken at a meeting at which a majority of the total number of votes on the commission are cast in favor thereof. Action of the commission shall be only at a meeting at which a majority of the commissioners, or their alternates, are present.
c. The commission shall have a seal.
d. The commission shall elect annually, from among its members, a chairman, a vice-chairman and a treasurer. The commission may appoint an executive director and fix his duties and compensation. The executive director also shall serve as secretary. If there be no executive director, the commission shall elect a secretary in addition to the other officers provided by this subdivision.
e. Irrespective of the civil service, personnel or other merit system laws of any of the party states, the executive director with the approval of the commission, or the commission if there be no executive director, shall appoint, remove or discharge such personnel as may be necessary for the performance of the commission's functions, and shall fix the duties and compensation of such personnel.
f. The commission may establish and maintain independently or in conjunction with any one or more of the party states, a suitable retirement system for its full time employees. Employees of the commission shall be eligible for social security coverage in respect of old age and survivor's insurance provided that the commission takes such steps as may be necessary pursuant to the laws of the United States, to participate in such program of insurance as a governmental agency or unit. The commission may establish and maintain or participate in such additional programs of employee benefits as may be appropriate.
g. The commission may borrow, accept or contract for the services of personnel from any agency of the aforementioned governments, or from any agency of two or more of the party states or their subdivisions.
h. The commission may accept for any of its purposes and functions under this compact any and all donations, and grants of money, equipment, supplies, materials, and services, conditional or otherwise, from any state, the United States, or any other governmental agen-
This article. No less than sixty days after the publication of a report containing the results of such study, the commission upon due notice shall hold a hearing or hearings at such place or places as it may determine.

b. Following the hearing or hearings provided for in subdivision “c” of this article, and with due regard for standards recommended by appropriate professional and technical associations and agencies, the commission may issue rules, regulations or codes embodying performance requirements or restrictions for any item or items of equipment covered in the report, which in the opinion of the commission will be fair and equitable and effectuate the purposes of this compact.

c. Each party state obligates itself to give due consideration to any and all rules, regulations and codes issued by the commission and hereby declares its policy and intent to be the promotion of uniformity in the laws of the several party states relating to equipment.

d. The commission shall send prompt notice of its action in issuing any rule, regulation or code pursuant to this article to the appropriate motor vehicle agency of each party state and such notice shall contain the complete text of the rule, regulation or code.

e. If the constitution of a party state requires, or if its statutes provide, the approval of the legislature by appropriate resolution or act may be made a condition precedent to the taking effect in such party state of any rule, regulation or code. In such event, the commissioner of such party state shall submit any commission rule, regulation or code to the legislature as promptly as may be in lieu of administrative acceptance or rejection thereof by the party state.

f. Except as otherwise specifically provided for in subdivisions “e” and “g” of this article, the appropriate motor vehicle agency of a party state shall in accordance with its constitution or procedural laws adopt the rule, regulation or code within six months of the sending of the notice to such party state, and, upon such adoption, the rule, regulation or code shall have the force and effect of law therein.

g. The appropriate motor vehicle agency of a party state may decline to adopt a rule, regulation or code issued by the commission pursuant to this article if such agency specifically finds, after public hearing on due notice, that a variation from the commission’s rule, regulation or code is necessary to the public safety, and incorporates in such finding the reasons upon which it is based. Any such finding shall be subject to review by such procedure for review of administrative determinations as may be applicable pursuant to the laws of the party state. Upon request, the commission shall be furnished with a copy of the transcript of any hearings held pursuant to this subdivision.

ARTICLE VI—FINANCE

In addition to any penalty for violation of such rules and regulations as may be applicable under the laws of the violator's jurisdiction of residence, employment or business, any violation of a commission rule or regulation adopted pursuant to this article shall require the immediate discharge of any violating employee and the immediate vacating of membership, or relinquishing of status as a member on the commission by any commissioner or alternate. In the case of a contractor, any violation of any such rule or regulation shall make any contract of the violator with the commission subject to cancellation by the commission.

b. Nothing contained in this article shall be deemed to prevent a contractor for the commission from using any facilities subject to his control in the performance of the contract even though such facilities are not devoted solely to work of or done on behalf of the commission; nor to prevent such a contractor from receiving remuneration or profit from the use of such facilities.

ARTICLE VIII—ADVISORY AND TECHNICAL COMMITTEES

The commission may establish such advisory and technical committees as it may deem necessary, membership on which may include private citizens and public officials, and may co-operate with and use the services of any such committees and the organizations which the members represent in furthering any of its activities.

ARTICLE IX—ENTRY INTO FORCE AND WITHDRAWAL

a. This compact shall enter into force when enacted into law by any six or more states. Thereafter, this compact shall become effective as to any other state upon its enactment thereof.

b. Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until one year after the executive head of the withdrawing state has given notice in writing of the withdrawal to the executive heads of all other party states. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal. [61GA, ch 296,§1]

§321D.2 Enforcement. The agencies and officers of this state and its subdivisions and municipalities shall enforce this compact and do all things appropriate to effect its purpose and intent which may be within their respective jurisdictions. [61GA, ch 296,§2]

2. No person, other than a licensed dealer in new motor vehicles, shall engage in this state in the business of selling at retail used motor vehicles or represent or advertise that he is engaged or intends to engage in such business in this state unless and until the department has licensed such person as a used motor vehicle dealer in the state and has issued to the person a license in writing as in this chapter provided.

5. A statement of the previous history, record, and association of the applicant and if the applicant is a copartnership, of each partner thereof and if the applicant is a corporation, of each officer and director thereof, which statement shall be sufficient to establish to the department the reputation in business of the applicant.

6. A description of the general plan and method of doing business in this state, which the applicant will follow if the license applied for in such application is granted.

7. A financial statement of the applicant showing his true financial condition as of a date not more than six months prior to the date of such application.

8. Such other information touching the business of the applicant as the department may require.

For the purpose of investigating the matters contained in such application the department may withhold the granting of a license for a period not exceeding thirty days. [C39, §5039.04; C46, 50, 54, 58, 62, §322.4]

### §322.5 License fee. The license fee for a motor vehicle dealer for each calendar year or part thereof shall be the sum of twenty-six dollars for the licensee's principal place of business in each city, town, or township and an additional five dollars for each used-car lot which is in the city, town, or township where-in said place of business is located and which is not adjacent to such place, to be paid to the department at the time a license is applied for.

In case the application is denied, the department shall refund the amount of such fee to the applicant. [C39, §5039.05; C46, 50, 54, 58, 62, §322.5]

### §322.6 Denial of license. The department shall deny the application of any person for a license as a motor vehicle dealer and refuse to issue a license to him as such, if, after reasonable notice and a hearing, the department determines that such applicant:

7. Has a contract or agreement with any manufacturer or distributor of motor vehicles or is about to enter into a contract or agreement with any manufacturer or distributor of motor vehicles, who without just, reasonable, and lawful cause therefor, has terminated within ninety days from the date of application a contract or agreement with a motor vehicle dealer in any county of the state in which the applicant proposes to engage in business;

8. Does not have a place of business within the meaning of this chapter unless applicant is a person referred to in subsection 7 of section 322.3;

It shall be sufficient cause for refusal or revocation of a license as a motor vehicle dealer in the case of a partnership or corporation if any member of the partnership or any officer or director of the corporation has committed any act or omission which would be cause for refusing or revoking a license to such person as an individual.

In considering whether or not a contract or agreement between a motor vehicle dealer and a manufacturer or distributor of motor vehicles has been terminated by such manufacturer or distributor without just and reasonable cause therefor, the department shall take into consideration the circumstances existing at the time of such termination, including the amount of business transacted by the motor vehicle dealer pursuant to the contract or agreement and prior to such termination; the investment necessarily made and the obligation necessarily incurred by the motor vehicle dealer in the performance of his part of such
contract; the permanency of such investment; the reasons for such termination by such manufacturer or distributor and the fact that it is injurious to the public welfare for the business of a motor vehicle dealer to be disrupted by termination of such contract without just and reasonable cause.

Whenever the department determines to deny the application of any person for a license as a motor vehicle dealer and refuses to issue a license to him as such, the department shall enter a final order thereof with its findings relating thereto within thirty days from the date of the hearing thereon. [C39,§5039.06; C46, 50, 54, 58, 62,§322.6]

1. If the department grants the application of any person for a license as a motor vehicle dealer, it shall evidence the granting thereof by a final order and shall issue to the person a license in such form as may be prescribed by the department, which license shall include the following:
   a. The name of the person licensed.
   b. If the applicant is an individual or a copartnership—the name or style under which the licensee will engage in such business and if a copartnership, the name and address of each partner.
   c. The principal place of business of the licensee and location therein of each place wherein the licensee is licensed to carry on such business.
   d. The make or makes of new motor vehicles which the licensee is licensed to sell.

322.8 Supplemental statements. Each motor vehicle dealer licensee shall promptly file with the department from time to time during the period of the license, statements supplemental to the statements contained in his application for license whenever any change shall occur in his personnel or in his plan or method of doing business or in the location of his place or places of business, so that the statements made in the application do, after such change, properly disclose the licensee's status and method and plan of doing business. The supplemental statement shall be in the form prescribed by the department and shall disclose such information as would have been required by this chapter if such changes had occurred prior to the licensee making application for a license.

If the department finds that the changes set forth in the supplemental statement do not violate the provisions of this chapter and it grants to the licensee the privilege of doing business in the manner set forth therein, it shall upon surrender to it of the license of the motor vehicle dealer, issue to him a new license appropriate to the dealer's original application as modified by such supplemental statement. [C39,§5039.08; C46, 50, 54, 58, 62, §322.8; 61GA, ch 297,§9]

322.9 Revocation of license. The department is hereby authorized to revoke or suspend the license of any retail motor vehicle dealer if, after notice and hearing, it finds that such licensee has been guilty of any act which would have been a ground for the denial of a license under section 322.6.

The department is further authorized to revoke or suspend the license of any retail motor vehicle dealer if, after notice and hearing, it finds that such licensee has been convicted or has forfeited bail on three charges of:
1. Failing upon the sale or transfer of a vehicle to deliver to the purchaser or transferee of the vehicle sold or transferred, a manufacturer's or importer's certificate, or a certificate of title duly assigned, as provided in chapter 321.

322.10 Appeals.
1. An appeal may be taken by any person interested from any final order of the department to the district court of the county in which he resides or in which his principal place of business is located, within thirty days after he shall have received notice from the department of such order.
2. The appeal shall be taken by a written notice to the department and served as an original notice. When said notice is so served it shall, with the return thereon, be filed in the office of the clerk of said district court,
and docketed as other cases, with the appellant as plaintiff and the department as defendant. The plaintiff shall file with such clerk a bond for the use of the defendant, with sureties approved by such clerk and in an amount fixed by him, provided in no case shall the bond be less than fifty dollars, conditioned that the plaintiff shall perform the orders of the court.

3. The court shall hear the appeal in equity, determine anew all questions submitted to it on appeal from the order of the department, and render its decree thereon. An appeal to the supreme court of this state may be taken as in other equitable actions. [C39, §5039.10; C46, 50, 54, 58, 62, §322.10]

In any such action, the department may apply for and on due notice being entitling the court's subpoena, requiring forthwith the appearance of any defendant, his agent and employees and the production of documents, books, and records as may appear necessary for the hearing of such petition to testify and give evidence concerning the acts or conduct or practices or things complained of in such application for injunction. In said action an order or judgment may be entered, awarding such preliminary or final injunctions as may be proper. [C39, §5039.11; C46, 50, 54, 58, 62, §322.11]

All expenses incurred and all compensation paid by the department in the administration of this chapter shall be paid out of said fund in the same manner as other state expenses and compensation are paid. Any amount in such fund in excess of ten thousand dollars at the end of any fiscal year shall be credited to the state general fund.

In connection with the enforcement of this chapter, it is hereby made the duty of the attorney general of the state of Iowa to render all necessary assistance to the department upon its request in the enforcement thereof and to that end, the attorney general shall employ such additional legal counsel as shall be necessary to adequately and fully perform such service under the direction of the department as the demands of such department shall require and any expenses so incurred by the attorney general for additional legal counsel as aforesaid shall be chargeable against and paid out of the fund herein provided. [C39, §5039.12; C46, 50, 54, 58, 62, §322.12]

All rules and regulations shall be filed and entered by the department in its office in an indexed, permanent book or record, with the effective date thereof suitably indicated, and such book or record shall be a public document. Whenever a new rule or regulation is adopted by the department, a copy of the same shall be mailed by it to each licensee hereunder.

2. The department shall have power to prescribe the forms to be used in connection with the licensing of persons as herein provided. [C39, §5039.13; C46, 50, 54, 58, 62, §322.13; 60GA, ch 66, §29; 61GA, ch 297, §10]

Any person who shall willfully and intentionally violate the provisions of subsection 6 of section 322.3 shall be guilty of a misdemeanor and upon conviction shall be punished by a fine not to exceed five hundred dollars.

The provisions of this section shall not apply to violations under subsection 5 of section 322.3. [C39, §5039.14; C46, 50, 54, 58, 62, §322.14; 61GA, ch 297, §§11, 12]

[C39, §5039.15; C46, 50, 54, 58, 62, §322.15; 61GA, ch 138, §17]

Constitutionality. 47GA, ch 138, §17.

[C58, 62, §322.17]
322.18 Dual-interest insurance. If dual-interest insurance on the motor vehicle is purchased by the holder it shall, within thirty days after execution of the retail installment contract, send or cause to be sent to the buyer a policy or policies or certificate of insurance, written by an insurance company authorized to do business in this state, clearly setting forth the amount of the premium, the kind or kinds of insurance and the coverages. The buyer shall have the privilege of purchasing such insurance from an agent or broker of his own selection and of selecting an insurance company acceptable to the holder; but in such case the inclusion of the insurance premium in the retail installment contract shall be optional with the seller. If any insurance is canceled, unearned insurance premium refunds received by the holder shall be credited to the final maturing installments of the contract except to the extent applied toward payment for similar insurance protecting the interests of the buyer and the holder or either of them. [C58, 62,§322.18]

322.19 Finance charges. 1. Amount. Notwithstanding the provisions of any other existing law, a retail installment transaction may include a finance charge not in excess of the following rates:

2. Computation of charge. Such finance charge shall be computed in advance on the principal balance as determined under paragraph "c" of subsection 6 of section 322.3 on contracts payable in successive monthly pay-ments substantially equal in amount extending for a period of one year. On contracts providing for installment payments extending for a period less than or greater than one year, the finance charge shall be computed proportionately. Such finance charge may be computed on the basis of a full month for any fractional month period in excess of ten days. A minimum finance charge of twenty-five dollars may be charged on any contract in which the finance charge computed at the authorized rates results in a total charge of less than this amount.

3. Unequal or irregular payments. When a retail installment contract provides for unequal or irregular installment payments, the finance charge may be an amount computed in advance on the basis of the effective rates permitted in subsection 1 hereof, having due regard for the schedule of payments. [C58, 62, §322.19]

322.20 Extension of time. If the holder of a retail installment contract, at the request of the buyer, extends the scheduled due date of all or any part of any installment or installments, the holder may restate the amount of the installments and the time schedule therefor, and collect for such extension not more than one percent per month simple interest on the respective declining balances computed on the amount and for the period of such extension or renewal. [C58, 62,§322.20]

324.2 Definitions. As employed in this division:

1. “Motor fuel” shall mean (a) all products commonly or commercially known or sold as gasoline (including casinghead and absorption or natural gasoline) regardless of their classifications or uses; and (b) any liquid advertised, offered for sale, sold for use as, or commonly or commercially used as a fuel for propelling motor vehicles, which when subjected to distillation of gasoline, naphtha, kerosene and similar petroleum products (American Society of Testing Materials Designation D-86), show not less than ten per centum distilled (recovered) below three hundred forty-seven degrees Fahrenheit (one hundred seventy-five degrees Centigrade) and not less than ninety-five per centum distilled (recovered) below four hundred sixty-four degrees Fahrenheit (two hundred forty degrees Centigrade); provided, that the term “motor fuel” shall not include liquefied gases which would not exist as liquids at a temperature of sixty degrees Fahrenheit and a pressure of fourteen and seven-tenths pounds per square inch absolute, nor naphthas and solvents as hereinafter defined unless the liquefied gases or naphthas and solvents are used as a component in the manufacture, compounding, or blending of a liquid within (b) above, in which event the resulting product shall be deemed to be motor fuel.

2. “Distributor” shall mean and include any person who first receives motor fuel within this state (within the meaning of the word “received” as hereinafter defined), and any person now or hereafter engaged in the business of selling motor fuel to a dealer in this state for resale, provided that a person may bring into this state not to exceed twenty gallons of motor fuel in the fuel supply tank, or any other container, directly connected to the motor of a motor vehicle without becoming a distributor.

Motor fuel refined at a refinery in this state and placed in tanks thereat, and motor fuel transferred from a refinery or a marine or pipe-line terminal in this state or from points outside this state to a refinery or a marine or pipe-line terminal in this state and placed in tanks thereat, shall be deemed received, for the purposes of this division, at the time withdrawn from such refinery or terminal storage for sale or use in this state or for transportation to destinations in this state other than refineries or marine or pipe-line terminals and not before.

When withdrawn from refinery or terminal storage as aforesaid, the motor fuel shall be deemed received by the person who was the owner thereof immediately prior to withdrawal, unless (1) the motor fuel is withdrawn for shipment or delivery to a licensee, in which case the motor fuel shall be deemed received by the licensee to whom shipped or delivered or (2) the motor fuel is withdrawn for shipment or delivery to a nonlicensee for the account of a licensee in which case the motor fuel shall be deemed received by the licensee for whose account the shipment or delivery to the nonlicensee is made.

   c. Upon which the distributor shall be the principal obligor and the state of Iowa shall be the obligee.

   d. Conditioned upon the prompt filing of true reports and the payment by the distributor to the treasurer of any and all motor fuel excise taxes which are now or which hereafter may be levied or imposed by the state of Iowa, together with any and all penalties and interest thereon, or either, and generally upon faithful compliance with the provisions of this division.

   Referred to in §324.36, subsection 4

2. The treasurer shall contract annually with the lowest responsible bidder licensed to do business in Iowa for surety bonds to be filed by distributors. The premiums on the surety bonds contracted for by the treasurer shall be paid from the funds appropriated by section 324.76.

   Referred to in §324.36, subsection 4

3. In the event that liability upon the bond thus filed by a distributor shall be discharged or reduced, whether by judgment rendered, payment made or otherwise, or if in the opinion of the treasurer any surety on the bond theretofore given shall have become unsatisfactory or unacceptable, then the treasurer may require the distributor to file a new bond meeting the requirements in subsection 1. If the new bond is not filed within ten days after demand therefor, the treasurer shall forthwith cancel the license of the distributor. If a new bond shall be furnished by the distributor as above provided, the treasurer shall release in writing the surety under the old bond from any liability accruing after the effective date of the new bond.

   Referred to in §324.36, subsection 4

4. In the event that upon hearing, of which

the distributor shall be given five days notice in writing, the treasurer shall decide that the amount of the existing bond is insufficient to insure payment to the state of Iowa of the amount of the tax and any penalties and interest for which the distributor is or may at any time become liable, then the distributor shall forthwith, upon the written demand of the treasurer, file a new bond meeting the requirements in subsection 1 and in such amount, not to exceed in total fifty thousand dollars, as is determined by the treasurer to be necessary to secure at all times the required reports and payments. If the new bond is not filed within ten days after demand therefor, the treasurer shall forthwith cancel the license of the distributor.

Referred to in §324.56, subsection 4

5. Any surety on bond furnished by distributor shall be released and discharged from any and all liability to the state of Iowa accruing on the bond after the expiration of sixty days from the date upon which such surety shall have lodged with the treasurer written request to be released and discharged; provided, however, that the request shall not operate to relieve, release or discharge the surety from any liability already accrued, or which shall accrue, before the expiration of the sixty-day period. The treasurer shall promptly on receipt of notice of the request notify the distributor who furnished the bond, and unless the distributor shall show in the bond or before expiration of the sixty-day period file with the treasurer a new bond with a surety company satisfactory to the treasurer in the amount and form hereinafter in this section provided, the treasurer shall forthwith cancel the license of said distributor.

6. In lieu of a surety bond in excess of the minimum amount the treasurer may accept a financial statement of the distributor showing ability to make any and all payments that may be due from the distributor under this division. [C31,§5093-c2; C35,§§5093-f7-f11; C39,§§5093.07, 5093.10, 5093.11; C46, 50, 54, §§324.10, 324.18, 324.19; C58, 62,§324.7; 60GA, ch 210,§1]

Referred to in §324.36, subsection 4

324.8 Tax reports — computation and payment of tax—credits. For the purpose of determining the amount of his liability for the tax herein imposed, each distributor shall, not later than the last day of the month next following the month in which this division becomes effective and not later than the last day of each calendar month thereafter, file with the treasurer a monthly report, signed under penalty for false certificate, which shall include the following:

1. A statement of the number of invoiced gallons of motor fuel received (within the meaning of the term "received" as defined in this division) by the distributor within this state during the next preceding calendar month in such detail as is prescribed by the treasurer and as may be necessary for the proper administration of this division.

2. A statement showing the deductions authorized in this division in such detail and with such supporting evidence as is prescribed by the treasurer and as may be for proper administration of this division.

3. Such other information as the treasurer may require for the enforcement of this chapter.

At the time of filing each monthly report, each distributor shall pay to the treasurer the full amount of the motor fuel tax due from the distributor for the next preceding calendar month computed as follows:

4. From the total number of invoiced gallons of motor fuel "received" by the distributor within the state during the next preceding calendar month shall be made the following deductions:

First, the gallonage of motor fuel received and thereafter sold within the exemptions provided for in section 324.3; and second, the number of gallons of motor fuel equal to three per centum of the net number of invoiced gallons of motor fuel received by the distributor within this state during the next preceding calendar month, this percentage being a flat allowance to cover evaporation, shrinkage, and losses, other than those provided for in section 324.3, and the distributor's expenses and losses in collection, accounting for, and paying over the motor fuel tax.

5. The number of invoiced gallons remaining after the deductions hereinabove set forth shall be multiplied by the per gallon motor fuel tax rate and resulting figure shall be the amount of motor fuel tax in dollars and cents due from the distributor for the next preceding calendar month. Any outstanding credit memoranda issued by the treasurer to the distributor may be applied against the amount due. [C27, 31,§§5093-a5-b1; C35,§5093-f9; C39,§5093.09; C46, 50, 54,§§324.13-324.15, 324.17, 324.29; C58, 62,§324.8]

324.9 Report from persons not licensed as distributors. Every person other than a licensed distributor, who shall purchase, bring into this state or otherwise acquire within this state motor fuel, not otherwise exempted, with respect to which such person has knowingly not paid or incurred liability to pay either to a licensee or to a dealer the motor fuel tax shall be subject with respect to the motor fuel to all the provisions of this division that apply to distributors on motor fuel received by them in this state and shall make the same reports and tax payments thereon and be subject to the same penalties for delinquent or nonreporting or delinquent or nonpayment as apply to distributors. [C31,§5093-c2; C35,§5093-f6; C39,§5093.06; C46, 50, 54,§§324.8, 324.9; C58, 62,§324.9]

324.10 Required distributor and dealer records. Each motor fuel distributor shall maintain and keep for a period of three years, such records of all transactions by which he re-
ceives, uses, sells, delivers or otherwise disposes of motor fuel within this state, together with invoices, bills of lading and other pertinent records and papers as may reasonably be required by the treasurer for the administration of this division.

If in the normal conduct of a distributor's business his records are maintained and kept at an office outside the state of Iowa, it shall be a sufficient compliance with this section if the records are made available for audit and examination by the treasurer at the office outside Iowa, but such audit and examination outside Iowa shall be without expense to the state.

Each dealer handling motor fuel in this state shall maintain and keep for a period of two years records of all motor fuel purchased or otherwise acquired by him, together with delivery tickets, invoices, and bills of lading, and such other pertinent records as the treasurer shall require.

The treasurer, after an audit and examination of the records of a distributor or dealer may authorize their disposal, the authorization to be in writing after request by the distributor or dealer. 1. Any person operating as a common or contract carrier and any distributor who is also engaged in transportation within this state of motor fuel for others, shall register with the treasurer on or before the first day of the third calendar month which begins after the effective date of this division and currently thereafter as additional equipment is put to use, each vehicle used in aforesaid transportation in this state, except railroad, water-vessel or pipe-line equipment. The registration shall be on forms furnished by the treasurer and shall contain such information as may reasonably be required by the treasurer. A fee of one dollar shall be paid to the treasurer for original registration of each vehicle. The treasurer shall furnish to the registrant for each vehicle registered suitable identification which shall be permanently attached to the vehicle and shall be available for inspection at all times. Currently as any vehicle is retired or its use for transportation of motor fuel for others is discontinued, the registrant shall notify the treasurer or at the direction of the treasurer shall either surrender to the treasurer or destroy the vehicle identification issued under this section. Annually on or before the first day of July of each year, each carrier as aforesaid shall file with the treasurer a statement showing each vehicle then in use for transportation of motor fuel for others and thereupon the treasurer shall issue to the registrant at a fee of twenty-five cents a renewal identification for each vehicle for the ensuing year.

2. Each vehicle used by a carrier, distributor or any person in the transportation on the highways in this state of fuels for motor vehicles shall be identified by having shown thereon, in lettering at least six inches in height made with a stroke of not less than three-fourths inch in width and of a color contrasting to that of the background upon which the lettering is placed, the name and address of the person transporting the fuel. The identification shall be placed on both sides of the vehicle; provided, that, transportation equipment operated by a licensee shall be identified with his distributor's license number in which case the trade or produce name or insignia generally used in identifying the highway transportation equipment of the licensee and well known and recognized throughout the area in which the transportation equipment is operated, may be shown in lieu of the name and address of the licensee.

3. The treasurer shall have the power to refuse to register a vehicle owned or used by any person, either directly or indirectly, who has had a license revoked for cause which license was issued under the provisions of this chapter or any prior motor fuel tax law. [C27, 31,§5093-b1; C35,§§5093-f19,f25; C39,§§5093.19, 5093.25; C46, 50, 54,§§324.12, 324.33, 324.36, 324.46; C58, 62,§324.11]

324.12 Loading and delivery evidence on transportation equipment.

1. There shall be carried on every vehicle, while in use in transportation service requiring that it be registered under the preceding section, a serially numbered manifest in form satisfactory to the treasurer on which shall be entered the following information as to the cargo of motor fuel being moved in the vehicle: The date and place of loading, the place to be unloaded, the nature and kind of product, and the amount thereof and such other information as is called for in the forms prescribed or approved by the treasurer. The manifest covering each load transported upon consummation of the delivery shall be completed showing the date and place of actual delivery and the person to whom actually delivered and shall be kept as a permanent record for a period of three years, provided, however, that the record of the manifest of past cargoes need not be carried on the conveyance but must be preserved by the carrier for the inspection of the treasurer or his representatives. A carrier subject to this subsection may with the approval of the treasurer when distributing for a licensee substitute the loading and delivery evidence required in subsection 2 of this section.

2. Every distributor or other person while transporting motor fuel from a refinery or marine or pipe-line terminal in this state or from a point outside this state via the highways of this state in service other than that covered in subsection 1 of this section shall carry in the vehicle a loading invoice showing the true name and address of the seller or consignor, the date and place of loading and the
kind and quantity of motor fuel loaded, together with invoices showing the kind and quantity of each delivery therefrom, and the name and address of each purchaser or consignee. [C35, §5093-f13; C39, §5093.19; C46, 50, 54, §§324.33-324.35, 324.37; C58, 62, §324.12]

324.13 Evidence produced upon request. The operator of any vehicle transporting motor fuel as covered in the preceding section shall, at the request of any sheriff, deputy sheriff or other peace officer or person authorized by law to inquire into or investigate said matters, produce and offer for inspection the manifest or loading and delivery invoices pertaining to the load and trip in question and shall permit the officer to inspect and measure the contents of the vehicle. If the vehicle operator fails to produce the covering evidence or if, when produced, it fails to contain the required information and if it appears that there is an attempt to evade payment of the motor fuel tax, then the officer or other person authorized to make the inquiry may take and impound the motor fuel together with the conveying vehicle until the tax on the motor fuel together with penalty, if an attempt to evade payment of the motor fuel is involved, amounting to one hundred percent of the tax have been paid. In case the tax and penalty found to be due are not paid within forty-eight hours after the taking of the property, the treasurer may proceed to sell the vehicle and its cargo in the manner provided by law for the sale of personal property by the sheriff under execution. [C35, §5093-f19; C39, §5093.19; C46, 50, 54, §§324.35; C58, 62, §324.13]

324.14 Penalty for operating unregistered transport. It shall be unlawful for any person to transport motor fuel in bulk upon the highways of this state in a conveyance the registration of which is required without the evidence of registration provided for and any person found guilty of the unlawful act shall be fined and/or imprisoned in the county jail not more than thirty days, and each cargo so transported shall be considered a separate offense. This penalty shall be in addition to penalties imposed under other provisions of this chapter. Persons transporting motor fuel in bulk upon the highways of this state in an amount of not to exceed four thousand gallons shall not be regarded as transporting in bulk. [C35, §5093-f20; C39, §5093.22; C46, 50, 54, §§324.38; C58, 62, §324.14]

Every railroad and common or contract motor carrier transporting motor fuel either in interstate or intrastate commerce within this state and every person transporting motor fuel by whatever manner from a point outside this state to any point in this state shall, subject to penalties for false certificate, report to the treasurer on forms prescribed by the treasurer all deliveries of motor fuel to points within this state other than refineries or marine or pipe-line terminals. If any distributor or dealer is also engaged in the transportation of motor fuel for others, he shall make the same reports as required of common and contract carriers.

The reports shall cover monthly periods and shall show as to each delivery:

a. The name and address of the person to whom actually and in fact made.

b. The name and address of the originally named consignee, if delivered to any other than the originally named consignee.

c. The point of origin, the point of delivery, and the date of delivery.

2. Every person operating storage facilities at a refinery or at a marine or pipe-line terminal in this state shall monthly make an accounting to the treasurer on forms prescribed by the treasurer of all motor fuel withdrawn from the refinery storage and all motor fuel delivered into, withdrawn from and on hand in the terminal storage.

3. The reports required in this section shall be for information purposes only and the treasurer may in his discretion waive the filing of any of these reports not necessary for proper administration of this division. The reports required in this section shall be certified under penalty for false certificate and filed with the treasurer within the time allowed for filing of distributors' reports of motor fuel received. Any report not filed within the time allowed by the treasurer will be subject to a penalty of ten dollars. [C27, 31, §§5093-a6-b1; C35, §§5093-f25-f26-f27; C39, §§5093.25-5093.27; C46, 50, 54, §§324.46-324.48; C58, 62, §324.15; 61GA, ch 272, §2]

bear a separate number and each claim for

under which it is made. The treasurer shall
keep a permanent record of all permits issued
and a cumulative record of the amount of re-
fund claimed and paid under each. A fee of
one dollar shall be collected by the treasurer
from each person to whom a refund permit is
issued. A refund permit shall continue in ef-

whose holder has moved from the county
wherein he resided at the time of application
for said permit shall be revoked by the treas-

a new permit upon application as provided in
section 324.18. [C27, 31, §§5093-a4, a6-a7-a8; C35,

324.20 Posting price and discounts. Every
distributor and other person selling motor fuel
in this state for resale to dealers in this state,
shall keep posted in a conspicuous place most
accessible to the public at their place or places
of business, including bulk plants, a placard
showing in legible words and figures the same
size, the price per gallon of each grade of motor
fuel offered for sale, the amount of state excise
tax per gallon thereon, the fed-

eral excise tax per gallon thereon, and the
total thereof. If any rebate, discount, commis-
sion, or other concession is granted by distri-

fuel for resale to dealers of such nature as will
reduce the cost or price to any purchaser or
dealer in such products, the conditions, quanti-
ty, and amount of such rebate, discount, com-
mision or other concession shall be posted as
a part of the posted price. All price placards
shall be subject to the approval of the treas-
urer. Any distributor or person failing to post
or keep posted the placard required by this
section, or who posts placards not approved
by the treasurer as provided in this section, or
who sells any motor fuel for resale at a price
which directly or indirectly, by any means or
device, deviates from the posted price set forth
on the price placard approved by the treasurer,
shall be guilty of a misdemeanor and shall be
punished by a fine of one hundred dollars or
imprisonment in the county jail for thirty
days. Nothing contained herein shall prohibit
or restrict the distribution of earnings to the
members of any distributor or person, nor to
the distribution to consumers of road maps,
publicity and other advertising media carrying
the name of the distributor, person, or pro-
duce. Each day the required placard remains
unposted or an unauthorized placard remains
posted, or each deviation from the posted price,
shall be considered a separate offense. In the
event of a second conviction for the violation
of any of the provisions of this section, the
state treasurer may revoke the license of such

324.34 Tax imposed. For the privilege of operating motor vehicles in this state, there is hereby levied and imposed an excise tax on the use (as defined herein) of special fuel in any motor vehicle. The rate of tax on special (diesel engine) fuel shall be eight cents per gallon. On all other special fuel the per gallon rate shall be the same as the motor fuel tax. The tax, with respect to all special fuel delivered by a special fuel dealer for use in this state as defined by section 324.33, shall attach at the time of the delivery and shall be collected by the dealer from the special fuel user and shall be paid over to the treasurer as hereinafter provided. The tax, with respect to special fuel acquired by a special fuel user in any manner other than by delivery by a special fuel dealer into a fuel supply tank of a motor vehicle, shall attach at the time of the use (as herein defined) of the fuel and shall be paid over to the treasurer by the user as hereinafter provided.

All deliveries by distributors of special fuel to be used for highway use must be made into storage connected to a sealed meter pump as licensed in said section.

The treasurer shall make reasonable rules and regulations governing the dispensing of special fuel at retail service stations and may require that all pumps located at said stations through which fuel oil can be dispensed, metered, inspected, tested for accuracy, sealed and licensed by the state department of agriculture, and that special fuel delivered into the fuel supply tank of any motor vehicle shall be dispensed only through these pumps.

All gallonage for nonhighway use, dispensed through metered pumps as licensed above, on which special fuel tax is not collected, must be substantiated by nonhighway exemption certificates as provided by the treasurer, signed by the purchaser, and retained by the dealer.

For the privilege of purchasing special fuel, dispensed through metered pumps as licensed above, on a basis exempt from the special fuel tax, the purchaser shall sign nonhighway exemption certificates for the gallonage claimed for nonhighway use.

The treasurer will disallow all sales said to be for nonhighway use unless proof is established by the retention of said certificate. Certificates for nonhighway use sales must be retained by the dealer for a period of three years. Exemptions under Division I, §324.3

See §324.35, for refund of federal tax

324.36 Special fuel dealers and special fuel users licenses.

1. Required. It shall be unlawful for any person to act as a special fuel dealer in this state unless he holds an uncanceled special fuel dealer's license issued to him by the treasurer. Except for special fuel which is delivered by a special fuel dealer into a fuel supply tank of any motor vehicle in this state, the use (as herein defined) of special fuel in this state by any person shall be unlawful unless he holds an uncanceled special fuel user's license issued to him by the treasurer.

2. Application. Application for a special fuel dealer's license or a special fuel user's license shall be made to the treasurer. A special fuel dealer's license or a special fuel user's license, whichever is applicable, shall be required for each separate place of business or location where special fuels are regularly delivered or placed into the fuel supply tank of a motor vehicle. Provided, that, if a special fuel dealer also operates one or more bulk plants from which the distribution of special fuel is primarily by tank vehicle, he need not obtain a separate license for any of these plants not provided with fixed equipment designed for fueling vehicles.

3. Form of application. The application shall be filed upon a form prepared and furnished by the treasurer and shall contain such information as the treasurer deems necessary.

4. Bond. No special fuel dealer's license or special fuel user's license shall be issued to any person or continued in force unless he has on file with the treasurer a surety bond in such form and amount as the treasurer may require, but not less than five hundred dollars,
§324.36, SPECIAL FUEL TAX

nor more than fifty thousand dollars, to secure his compliance with this division, and the payment of any and all taxes, interest and penalties due and to become due hereunder. The provisions of subsections 1, 2, 3 and 4 of section 324.7 with respect to distributors bonds, except the amount of bond, shall apply to bonds furnished by licensees under this division. A special fuel dealer or special fuel user who is also a licensed distributor under division 1 of this chapter may have his obligation under this section and under section 324.7 covered by one bond.

5. Issuance. Upon receipt of the application and bond in proper form, the treasurer shall issue to the applicant a license to act as a special fuel dealer or a special fuel user; provided, however, the treasurer may refuse to issue a special fuel dealer’s license or a special fuel user’s license to any person: (a) who formerly held either type of license and which has been revoked for cause; or (b) who is a subterfuge for the real party in interest whose license has been revoked for cause; or (c) upon other sufficient cause being shown. Before refusal, the treasurer shall grant the applicant a hearing and give him at least fifteen days written notice of the time and place thereof.

6. Expiration of license. Each special fuel dealer’s license and special fuel user’s license shall be valid until suspended or revoked for cause or otherwise canceled.

7. Assignment forbidden. No special fuel dealer’s license or special fuel user’s license shall be transferable. [C24,§3259; C27, 31,§5093-a5; C35,§5093-f8, f21; C39,§5093.06, 5093.21; C46, 50, 54,§324.11, 324.28, 324.39, 324.40; C58, 62,§324.36; 60GA, ch 210,§2]

324.37 Special fuel dealers and special fuel users records. For each location where special fuel is delivered or placed into the fuel supply tank of a motor vehicle, the special fuel dealer or user making the delivery shall prepare and maintain for a period of three years such records as the treasurer may reasonably require with respect to all these deliveries, and with respect to inventories, receipts, purchases, and sales or other dispositions of special fuel. [C27, 31,§5093-a8; C35,§5093-f14; C39,§5093.14; C46, 50, 54,§324.25-324.29; C58, 62,§324.37]

324.38 Monthly returns and tax payments.

1. Returns. For the purpose of determining the amount of his liability for special fuel tax each special fuel dealer and each special fuel user shall file with the treasurer not later than the last day of the month next following the month in which this division becomes effective and not later than the last day of each calendar month thereafter a monthly tax return certified under penalties for false certificate. The return shall show, with reference to each location at which special fuel is delivered or placed by the dealer or user into a fuel supply tank of any motor vehicle during the next preceding calendar month, such information as the treasurer may reasonably require for the proper administration and enforcement of this division; provided, however, that if a special fuel dealer or user is also a wholesale distributor of special fuel at a location where special fuel is delivered into the supply tank of a motor vehicle, the monthly return to the treasurer covering the location need not include inventory control data covering bulk storage from which wholesale distribution of special fuel is made.

2. Computation. The amount of tax due shall be computed by multiplying the appropriate tax rate per gallon by the number of gallons of special fuel delivered or placed by the special fuel dealer or user into supply tanks of motor vehicles.

3. Payments. The return shall be accompanied by remittance in the amount of the tax due for the month in which the special fuel was placed in the fuel tanks of motor vehicles.

4. Reporting exemption for authorized tax-paid purchases. Any special fuel dealer or user licensed under this division may upon application in writing to the treasurer be authorized, subject to regulations prescribed by the treasurer, to purchase on a tax-paid basis from any supplier licensed as a distributor under division I of this chapter all special fuel acquired by the dealer or user for subsequent delivery into the fuel supply tanks of motor vehicles. Every supplier so licensed who sells or delivers special fuel on a tax-paid basis to special fuel users or special fuel dealers authorized as aforesaid shall make a return of these tax-paid sales to the treasurer accompanied by payment of the special fuel tax on the tax-paid gallonage so sold or delivered. The return and payment shall be made at the same time as the supplier’s motor fuel tax return or special fuel tax return for the month in which the covered sales or deliveries were made.

5. Exemption for fueling by licensed dealers. No return need be made by any special fuel user, not licensed as a special fuel dealer, whose entire use of special fuels in this state is limited solely to special fuels delivered into the fuel supply tank of the user’s motor vehicles by special fuel dealers.

6. Presumption. For purposes of this section there shall be a prima-facie presumption that all special fuel received by a special dealer or special fuel user into storage and dispensing equipment designed to fuel motor vehicles is to be delivered by the special fuel dealer or special fuel user into the fuel supply tanks of motor vehicles. [C27, 31,§5093-5.1; C35,§5093-f9, f11; C39,§§5093.09, 5093.11; C46, 50, 54,§324.13-324.17, 324.20; C58, 62,§324.38; 61GA, ch 300,§1]

DIVISION III

MOTOR FUEL AND SPECIAL FUEL USE TAX FOR INTERSTATE MOTOR VEHICLE OPERATIONS

Referred to in §324.57

324.50 Short title. This division and applicable provisions of division IV of this chapter
and any amendments to either shall be known and may be cited as the "Interstate Fuel Use Tax Law," and as so constituted is hereinafter referred to as this division. [C35, §§5093-f19,-f20; C39, §§5093.19, 5093.20; C46, 50, 54, §§324.34, 324.38; C58, 62, §324.53]

324.54 Fuel tax computation, reporting and payment. Fuel tax liability under this division shall be computed on the total number of gallons of each kind of motor fuel and special fuel consumed in the operation in Iowa of motor vehicles subject to this division at the same rate for each kind of fuel as would be applicable thereto under divisions I or II of this chapter. Credit against the tax liability so computed shall be allowed in the amount of fuel taxes paid under divisions I or II of this chapter on motor fuel and special fuel used in motor vehicles the operation of which is subject to this division. Notwithstanding any provision in this chapter to the contrary, the treasurer, upon application, supported by such proof as the treasurer may reasonably require, shall issue a memorandum of credit for the amount of fuel tax paid on fuel in excess of the amount of fuel consumed by such vehicles in Iowa which may be applied against subsequent fuel tax liability under this chapter, or, if the applicant is no longer engaged in the operation of vehicles for which his permit was issued, or, has built up an excess of motor vehicle fuel tax credit with the state, the treasurer may make proper refund to the permit holder.

To determine the amount of fuel taxes due under this division and to prevent the evasion thereof, the treasurer may require reports on forms prescribed by the treasurer and fuel tax payments in the same manner and at the same time as required in this chapter for reporting and payment by distributors. These reports and tax payments may be required covering actual operation and fuel consumption in Iowa for vehicles the operation of which is subject to this division or on a basis of their average consumption of fuel in Iowa determined by taking that proportion of the total gallons consumed everywhere in these vehicles that their mileage in Iowa is to their total mileage everywhere. [C27, 31, §§5093-b1; C35, §§5093-f18,-f25; C39, §§5093.18, 5093.25; C46, 50, 54, §§324.32, 324.46; C58, 62, §324.54]
324.56 Not applicable to distributors. The provisions of this division shall not apply to distributors licensed under division I of this chapter. Distributors so licensed shall report and pay the tax on motor fuel and special fuel consumed in propelling vehicles on the public highways of this state as provided for respectively in divisions I and II. [C58, 62,§324.56] See §§324.3, 324.4, 324.32, 324.34

The treasurer shall prescribe and furnish all forms upon which reports and applications shall be made and claims for refund presented under this chapter and may prescribe forms of record to be kept by motor fuel distributors, motor fuel dealers, motor fuel carriers, special fuel dealers, special fuel users, and interstate motor vehicle operators. Whenever in this chapter the treasurer is authorized to prescribe the form of record to be kept, he may in lieu thereof approve the form of record being kept, and shall approve the form of record where it furnishes in reasonably accessible form the information which the treasurer requires, and substantially complies with the prescribed form. [C35,§§5093-f21,-f23; C39,§§5093.21, 5093.23; C46, 50, 54,§§324.42, 324.44; C58, 62,§324.59]

The reports and remittances required under this chapter shall be deemed filed within the required time if postpaid, properly addressed and postmarked on or before midnight of the day on which due and payable. If the final filing date falls on a Saturday, Sunday or legal holiday the next secular or business day shall be the final filing date.

324.61 Inspection of records. The treasurer or any deputy, employee or agent authorized by him is hereby given the authority within the time prescribed for keeping records (1) to examine, during the usual business hours of the day, the records, books, papers, receipts, invoices, storage tanks, and any other equipment of (a) any distributor, dealer, purchaser, or common, contract or other carrier, pertaining to motor fuel received, used, sold, delivered, or otherwise disposed of, or (b) of any special fuel dealer, special fuel user or person supplying special fuel to any dealer therein or user thereof and (c) of any interstate operator of motor vehicles to verify the truth and accuracy of any statement, report or return, or to ascertain whether or not the taxes imposed by this chapter have been paid;
(d) any person selling fuel oil that can be used for highway use; and (2) to examine the records, books, papers, receipts, invoices, and invoices of any distributor, special fuel dealer or special fuel user to determine financial responsibility for the payment of the taxes imposed by this chapter. If any person within the purview of this section shall refuse access to pertinent records, books, papers, receipts, invoices, storage tanks or any other equipment, then the said treasurer shall certify the names and facts to any court of competent jurisdiction, and the said court shall enter such order in the premises as the enforcement of this Act and justice shall require. [C27, 31,§5093-36; C35,§§5093-f27, f29; C39,§§5093.27, 5093.29; C46, 50, 54,§§324.48, 324.52; C58, 62,§324.61; 61GA, ch 272,§5]

324.62 Information confidential. All information obtained by the treasurer or his representatives, agents or employees from the examining of reports or records required to be filed or kept under the provisions of this chapter shall be treated as confidential and shall not be divulged except to a member or members of the general assembly or any duly appointed committee of either or both houses thereof or to a representative of the state having some responsibility in connection with the collection of the taxes imposed or in proceedings brought under the provisions of this chapter; provided, however, that the treasurer shall make available for public information on or before the last day of the month following the month in which the tax is required to be paid the names of the distributors and as to each of them the total gallons received in the state and separately, the received gallons (1) exported or sold for export, (2) sold tax-free in the state to entities that are exempt from the tax, and (3) sold tax-free in the state to entities required to report and account for the tax thereon. The treasurer shall also make available to the public information with respect to special fuel dealers and users and as to each of them the gallonage used and taxes paid. The treasurer, upon request of officials entrusted with enforcement of the motor vehicle fuel tax laws of the federal government or any other state, may forward to such officials any pertinent information which he may have relative to motor fuel and special fuel provided the officials of the other state furnish to the treasurer like information. Any person violating the provisions of this section, and disclosing the contents of any records or reports required to be kept or made under the provisions of this chapter, except as hereinafter provided, shall upon conviction be fined not less than one hundred dollars nor more than one thousand dollars or be confined in the county jail not less than thirty days nor more than six months. [C27, 31,§5093-a6; C35,§5093-f27; C39,§5093.27; C46, 50, 54,§324.48; C58, 62,§324.62]

324.63 Treasurer may estimate taxable gallonage. If any person fails to make and file a report required of him or files an incorrect report, the treasurer shall after investigation determine the gallonage with respect to which the person incurred liability for fuel taxes under this chapter in any month or months and fix the amount of taxes thereon. If the treasurer should at any time receive complaints or reports from any source that a licensee or other person is suspected of evading fuel taxes imposed by this chapter or has failed to report all the gallonage the reporting of which is required under this chapter, or is suspected of acting as a distributor or special fuel dealer or user without a license or of withholding payment of fuel taxes, the treasurer, upon five days notice to the person complained against of the nature of the complaint or report and of the time and place of a hearing thereon, may proceed to hold the hearing and determine the amount of fuel taxes, if any, due from that person. The treasurer may adjourn the hearing from time to time until the completion thereof. He may use any information available in determining the amount, if any, of fuel taxes for which the person is liable. Upon determining the amount thereof he shall add the penalties and interest provided for in section 324.65 and make an assessment for the amount of the unpaid taxes, penalties and interest, shall furnish a copy thereof to the person against whom the assessment is made and his surety and shall certify the same for collection or other appropriate action by the proper public official. The findings of the treasurer as to the amount of fuel taxes due from any person shall be presumed to be the correct amount and in any litigation which may follow, the certificate of the treasurer shall be admitted in evidence, shall constitute a prima-facie case, shall impose upon the other party the burden of showing any error in the treasurer's finding and the extent thereof or that the finding was contrary to law. [C35,§§5093-f11, f12; C39,§§5093.11, 5093.12; C46, 50, 54,§§324.19, 324.20, 324.21; C58, 62, §324.63]

324.64 Penalty for failure to promptly report or pay fuel taxes. If a licensee or other person fails to file a required report with the treasurer on or before the time fixed for the filing thereof or if a licensee or other person fails to pay to the treasurer an amount of fuel taxes when due, a penalty of ten percent of the tax unpaid and due shall be added, the unpaid tax and penalty shall immediately accrue and thereafter shall bear interest at the rate of one-half of one percent per month until paid. The treasurer shall not remit any part of a penalty for delinquent payment where the delinquency results from the fact that a check given in payment is not honored because of insufficient funds in the account upon which the check was drawn. Provided, further, that if it appears as a result of investigation by the treasurer or from a preponderance of the evidence adduced at a hearing before the treasurer that there has been
a deliberate attempt on the part of a licensee or other person to evade payment of fuel taxes there shall be added to the assessment against the offending person and collected a penalty of one hundred percent of the tax, the evasion of which was attempted, and the tax and penalty shall immediately accrue and shall thereafter bear interest at the rate of one-half of one percent per month until paid. [C27, 31, §5093-9; C35, §§5093-f9, -f11; C39, §§5093.09, 5093.11; C46, 50, 54, §§324.16, 324.19; C58, 62, §324.64]

324.65 Lien of fuel taxes—priority.

1. The amount of fuel taxes imposed by this chapter, including interest and penalty and costs that may accrue, shall be a lien in favor of the state upon franchises, property and rights to property, whether real or personal, then belonging to or thereafter acquired by a person liable for the payment of the fuel taxes from the date the taxes are due and payable as provided in this chapter and until the amount of the lien is paid or the property sold in payment thereof. Fuel tax liens shall have priority over any lien or encumbrance whatsoever except the lien of other state taxes having priority by law, and except that a fuel tax lien shall not have priority over any bona fide mortgagee, pledgee, attaching creditor or purchaser whose right shall have attached prior to the time the treasurer shall have filed his certificate in the office of the clerk of the court.

2. The certificate of the treasurer assessing the amount of fuel taxes and penalty due from a licensee or other person, ascertained in accordance with the provisions of this chapter, or from a report of the person may be filed in the office of the clerk of the district court in the county in which the place of business of the licensee or other person is located. The certificate of the district court upon receipt of the certificate shall, without requiring payment of any fee, file and index the same in manner now provided for judgments. The treasurer may in like manner, file a duplicate of the certificate in any other county where it shall be indexed in a like manner. The claim of the state of Iowa as shown by the certificate or duplicate so filed shall be a lien on the real estate of the person named therein as owing fuel taxes and located in the county where the certificate or duplicate is recorded, for the amount shown by the certificate to be due including penalty and interest from the date of filing to the same extent as a mortgage lien.

3. The treasurer may give notice of the amount of fuel taxes and penalty due as ascertained by him by registered mail to all persons having in their possession or under their control any credits or other personal property belonging to a licensee or other person or to any person owing any debts to the licensee or other person. Thereafter the person notified shall neither transfer nor make any other disposition of credit or other personal property or debts until thirty days shall have elapsed from and after the receipt of the notice unless the treasurer of state shall give his consent to a previous transfer or other disposition. At the expiration of the thirty-day period, the property shall be released, unless in the meantime it shall have been attached by process of court or the holder thereof garnished. All persons so notified, must, within five days after receipt of the notice, advise the treasurer of state of any and all credits or personal property or debts in their possession or under their control belonging or owed to the licensee or other person from whom the fuel taxes are due.

4. When the property of a licensee is seized upon any mesne or final process of any court of this state or of the United States, or when the business of a licensee shall be suspended by the action of creditors or put into the hands of any assignee, receiver or trustee, or when a petition in voluntary or involuntary bankruptcy has been filed by or against a licensee, then and in all such cases, all fuel taxes collected by the licensee under the provisions of this chapter or due and owing to the state shall be considered and treated as preferred claims, and the state shall be a preferred creditor and shall be paid in full.

5. No sheriff, receiver, assignee, master or other officer shall sell the property or franchises of any licensee without first filing with the treasurer a statement containing the following information: name or names of the plaintiff or party at whose instance or upon whose account the sale is made; name of the person whose property or franchise is to be sold; the time and place of sale; and the nature of the property and the location of the same. It shall be the duty of the treasurer, after receiving notice as aforesaid, to furnish to the sheriff, receiver, trustee, assignee, master or other officer, having charge of the sale, a certified copy or copies of all assessments for fuel taxes, penalties, and interest on file in the office of the treasurer as liens against such person, and in the event there are no such liens a certificate showing that fact, which certified copy or copies of certificate shall be publicly read by such officer at and immediately before the sale of the property or franchise of such person.

6. It shall be the duty of the treasurer to furnish to any person applying therefor a certificate showing the amount of all liens for fuel taxes, penalties, and interest that may be of record in the files of the treasurer against any person under the provisions of this chapter.

7. It shall be the duty of the treasurer, upon receipt of notice of the opening of the administration of an estate of any individual who was a licensee, to file a claim as a preferred creditor for all fuel taxes, penalties and interest due the state of Iowa, if any, in the court having jurisdiction over the administration of said
estate. [C35,§5093-fl3; C39,§5093.13; C46, 50, 54, §§324.22-324.24; C58, 62,§324.65]

Referred to in §324.63

324.66 Procedure when tax payment in default.

1. It shall be unlawful for any distributor to sell or offer for sale motor fuel or for any special fuel dealer or user to dispense or offer to dispense special fuel into a fuel supply tank of a motor vehicle, while in default of or delinquent in the payment or the whole or any part of fuel taxes imposed under this chapter, and in the event of the failure or refusal to pay the whole of any of these taxes after assessment and notice thereof by the treasurer, the delinquent fuel taxes, together with penalties and interest provided for shall be recovered by and in the name of the state of Iowa and the attorney general of the state of Iowa or the county attorney of any county in which the distributor, dealer or user resides or is engaged in business is hereby authorized and directed to institute suit therefor in any court of competent jurisdiction against the distributor or special fuel dealer or user or his surety or sureties, if any, or both.

2. A fuel tax lien filed in the office of the clerk of the district court of any county may be foreclosed in the same manner as real estate mortgage liens are foreclosed, and the court in the proceedings shall enter judgment against the licensee or other person for the amount found by the court to be due to the state, with interest and the penalty as assessed by the treasurer, and may in the same proceedings foreclose on any security which the treasurer may hold for the payment of the fuel taxes, and may in the same proceedings entertain suit on any bond filed as security for the payment of the fuel taxes.

3. CHAPTER 326
MOTOR VEHICLE REGISTRATION RECIPROCITY
Referred to in §326.3
This chapter not applicable to urban transit, §386C.3

326.1 Reciprocity board. A board, to be known as the Iowa reciprocity board, is hereby established to be located at the seat of government. The board shall have three members who shall be: A member of the state highway commission; a member of the state commerce commission; and the commissioner of public safety. Each member of the board

326.2 Authority to make agreements.
326.3 Information—fees paid to state.
326.4 Records preserved.

326.5 Identification plate or sticker.
326.6 Leased vehicles.
326.7 Trip permits issued—violations.
may appoint from the officials of his department a deputy member who shall, in the absence of such member, act as a member of the board with full powers, authority and responsibility of such members. The duties of the members of the board and their deputies shall be in addition to their regular duties; and they shall receive no additional compensation except that they be allowed their actual and necessary expenses incurred in the performance of their official duties. A full-time executive secretary shall be appointed by the board. The salary of such secretary and the necessary office personnel shall be set by the board. Adequate office space and facilities shall be provided for the said secretary. Such secretary's salary, necessary office operating expenses and, in addition, expenses incurred by the board in the administration of their official duties shall be paid out of the moneys credited to the general fund by subsection 1 of section 321.145. In addition, the board may call upon the staff, facilities, and personnel of the public safety department, the state highway commission, and the state commerce commission for assistance in performing its functions. The attorney general or any assistant attorney general designated by him shall give legal counsel and assistance to the reciprocity board. [S13,§1571-m16; C24, 27, 31, 35,§4866; C39,§5003.04; C46, 50, 54, 58,§321.56; C62.§326.1] 326.2 Authority to make agreements. The Iowa reciprocity board shall have authority to make reciprocity agreements with the duly authorized representative of any county, state, territory, federal district, foreign country, or political subdivision thereof, exempting nonresidents of this state using the highways of this state from the registration requirements of chapter 321 and payment of any fees to this state with such conditions, restrictions, and privileges or lack of them as such board may deem advisable. Such agreements may provide for the denial of reciprocal privileges to one or more particular nonresidents at any time if in the opinion of the board such nonresidents should not be granted exemption privileges provided, however, the contracting state of such nonresident consents thereto.

Notwithstanding any provisions of Iowa statutes to the contrary or inconsistent herewith, such agreements may provide with respect to resident or nonresident owners of fleets of two or more (commercial) vehicles which are engaged in interstate commerce, or simultaneously engaged in interstate and intrastate commerce, that the registrations of such fleets can be apportioned between this state and the other states a party to such agreements.

The percentage of miles such fleets operate in this state as related to the total miles such fleets operate in all states with whom Iowa has an appointment registration agreement and with whom the fleet owner has or will register vehicles on an apportioned registration basis shall be used by the Iowa reciprocity board to determine the amount of registration computed on a dollar basis. Mileage proportions for fleets not operated in this state during the preceding year will be determined by the reciprocity board upon the sworn application of the applicant on forms to be supplied by the reciprocity board which will show the operations of the preceding year in other states and the estimated operation in Iowa; or, if no operations were conducted in the preceding year, a full statement of the proposed method of operation. As used in this section, the term "preceding year" shall mean a period of twelve consecutive months fixed by the reciprocity board, which period shall be within the sixteen months immediately preceding the commencement of the registration year for which registration is sought. The apportioned registration fee computed on a dollar basis is equal to the amount obtained by applying the miles traveled in states with whom Iowa has an apportionment registration agreement and with whom the fleet owner has or will register vehicles on an apportionment registration basis to the fees which would otherwise be required for total fleet registration in this state and shall mean a percentage of the annual fee on each vehicle of an apportioned fleet. If the composite percentage paid by the Iowa resident to each of the states a party to an apportioned registration agreement with Iowa for apportioned registrations is less than one hundred percent percentagewise, the Iowa reciprocity board may redetermine the registration fees due the state of Iowa to bring the composite percent to one hundred percentagewise. If the composite percent paid by the nonresident fleet operator to each of the states a party to an apportioned registration agreement with Iowa for apportioned registration fees on vehicles base plated in Iowa is less than one hundred percent percentagewise, the Iowa reciprocity board may redetermine the registration fees due the state of Iowa to bring the composite percent to one hundred percent percentagewise on such Iowa base plated vehicles. The minimum proportional registration fee for each vehicle registered with the state of Iowa in accordance with the provisions of this section shall not be less than one dollar. In addition to the apportioned registration fees, the Iowa reciprocity board shall collect the amount of fees due as hereinafter provided for the issuance of plates, stickers, or other identification of all the vehicles registered in accordance with this section. The proportional registration provision of this section shall apply to vehicles added to a fleet during the registration year and operated in this state in interstate commerce.

When a nonresident fleet owner has registered his vehicles on an apportionment basis, his vehicles shall be considered fully registered insofar as interstate commerce is concerned. The privileges granted to a nonresident pursuant to this chapter shall permit the operation of a vehicle which is simultaneously
engaged in interstate movements and intrastate commerce provided, as to intrastate commerce, he has intrastate authority or rights granted by the Iowa state commerce commission. Each vehicle of a fleet registered by a resident of Iowa on a dollar apportionment basis shall be considered as fully registered for interstate commerce and intrastate commerce.

326.3 Information—fees paid to state. The board shall require fleet owners to submit under oath such information as the board deems necessary for the proper carrying out of the provisions of this chapter, and the board's determination of the amount of dollar registration shall be final. Information furnished under this chapter shall be forwarded to the executive secretary of the board by each fleet owner not later than the September 1 preceding each registration year.

Registrations under any apportionment agreement or arrangement shall be issued only by the department of public safety as directed by the Iowa reciprocity board.

If the fees for such apportioned registration are not paid to each contracting state, district, possession or territory of the United States or the foreign province, state, or country entitled thereto on the basis of the apportioned registration application and supporting documents filed with the Iowa reciprocity board by the fleet operator within a reasonable time as shall be determined by the board, the board shall redetermine fees due this state; and, if the additional fees due this state are not paid by the owner within twenty days after the mailing to him of a notice by certified mail of the additional fees due, the registration in this state shall be a debt due to the state of Iowa. In the event of additions to or deletions from a fleet, a supplemental report shall be filed with the board not later than thirty days after such addition or deletion. §13,§1571-ml6; C24, 27, 31, 35,§4866; C39,$5003.04; C46, 50, 54, 58,§321.56; C62, §326.2.

326.6 Leased vehicles. The board may, notwithstanding any provision of the Code to the contrary, enter into reciprocity or apportionment agreements which extend the benefits thereof to leased vehicles on the basis of the residence of the lessee. §13,§1571-ml6; C24, 27, 31, 35,§4866; C39,$5003.04; C46, 50, 54, 58, §321.56; C62,§326.5; 61GA, ch 302,$3

326.7 Trip permits issued — violations. The Iowa reciprocity board may issue a trip permit to the carrier who has registered a fleet of vehicles with this state on an apportionment basis pursuant to this chapter to permit a non-Iowa registered vehicle to operate on the highways of this state. The violations of such laws, rules, or regulations shall be ground for denial of reciprocal privileges. The registration number plates, sticker, or other identification furnished for each vehicle registered in accordance with the provisions of this section or extended reciprocity in accordance with the provisions of this section. The same fee shall be charged for issuance of duplicate plates, stickers or other identification as required. The fee charged for the original or duplicate plate, sticker or other identification shall be credited to the road use tax fund. §13,§1571-ml6; C24, 27, 31, 35,§4866; C39,$5003.04; C46, 50, 54, 58, §321.56; C62,§326.5; 61GA, ch 302,§3

326.4 Records preserved. Any owner complying with and being granted apportioned or proportional registration shall preserve the records on which the application is made for a period of four full years following the year upon which said application is based. Upon request of the board, the owner agrees to make such records available to the board at the office of the executive secretary of the board for audit as to accuracy of computation and payments; or, if the owner does not produce such records when requested to do so, the owner must pay the costs of an audit by a duly appointed representative of the board at the home office of the owner. The board may enter into agreements with authorized agencies of other contracting states for joint audits of any such owner. §13,§1571-ml6; C24, 27, 31, 35,§4866; C39,$5003.04; C46, 50, 54, 58,§321.56; C62,§326.4.

326.5 Identification plate or sticker. Any nonresident registered vehicle or nonresident registered motor vehicle shall be subject to all laws, rules and regulations governing the operation of such vehicles on the highways of this state; and the violations of such laws, rules, or regulations shall be ground for denial of reciprocal privileges. The registration number plates, sticker, or other identification assigned and furnished to any foreign registered vehicle or motor vehicle for the current registration year by another state where the same is registered shall be displayed on such vehicle or motor vehicle substantially as provided in chapter 321 for vehicles registered pursuant to the provisions hereof. In addition, the Iowa reciprocity board shall charge and collect an additional fee of one dollar for each plate, sticker, or other identification furnished for each vehicle registered in accordance with the provisions of this section or extended reciprocity in accordance with the provisions of this section. The same fee shall be charged for issuance of duplicate plates, stickers or other identification as required. The fee charged for the original or duplicate plate, sticker or other identification shall be credited to the road use tax fund. §13,§1571-ml6; C24, 27, 31, 35,§4866; C39,$5003.04; C46, 50, 54, 58, §321.56; C62,§326.5; 61GA, ch 302,§3
registered vehicle to operate on the highways of this state in interstate commerce if that leased vehicle, when operated by the lessor, would be entitled to reciprocity in this state; and the Iowa reciprocity board shall charge and collect a fee of five dollars for each permit issued. A “trip” shall mean: (1) A one way movement from one point originating outside this state and destined to another point outside this state; (2) a round trip movement between two points in Iowa; (3) a round trip movement which originates in Iowa or is destined for a point in Iowa. The term “broker” means any person not included in the term “motor carrier” and not a bona fide employee or agent for any such carrier, who or which as principal or agent sells or offers for sale any transportation, or negotiates for, or holds himself or itself out for solicitation, advertisement, or otherwise as one who sells, provides, furnishes, contracts, or arranges for such transportation.

Operation of a commercial vehicle in violation of the requirements of this chapter or in violation of the motor vehicle laws of the state of Iowa may, after due notice and hearing, be grounds for denial of apportioned registration privileges on the vehicle so operated; and anyone denied such privileges shall be subject to the payment of a full annual Iowa registration fee on such vehicle operated on the Iowa highways.

All provisions of chapter 321 insofar as the same is applicable, are hereby specifically extended to include carriers who register vehicles in this state on an apportioned registration basis or who operate interstate on the Iowa highways.

PROVIDED, however, a self-propelled vehicle used exclusively for towing of disabled vehicles shall not be subject to subsections 1 and 3 of section 327.2 or rules made under said subsections, and shall not be required to carry cargo insurance. 328.21 Aircraft registration fees. There shall be paid to the commission at the time of such registration an annual registration fee for each such aircraft, to be computed as follows:
1. For the first registration, a sum equal to one and one-half percent of the manufacturer's list price of the aircraft.
2. After said aircraft has been registered once the registration fee shall be seventy-five percent of the rate as fixed for the first registration; after two times fifty percent; and after three times twenty-five percent; provided, however, that no aircraft shall be registered for a registration fee of less than ten dollars.
3. Where there is no delinquency and the registration is made in August or succeeding months to and including May, the fee shall be computed on the basis of one-twelfth of the annual registration fee multiplied by the number of the unexpired months of the year and said amount shall be the fee collected. No fee shall be required for the month of June for a new aircraft, in good faith delivered in that month, providing said aircraft is registered at the time of purchase for the following year.
4. The registration fee for an aircraft operated in scheduled interstate airline operation, owned by an Iowa person and operated part time within this state shall be a fee of ten dollars each for the first two years of registration and thereafter a sum equal to a percentage of the aircraft registration fee hereinafter provided for in subsections 2 and 3 of this section, which percentage shall be computed by dividing the total number of hours during which said aircraft is operated within this state by the total number of hours during which said aircraft is operated in scheduled interstate airline operation. The full registration fee shall be paid at the beginning of the registration period and adjustment and refund shall be made by the commission following the close of the registration period upon application therefor by the person in whose name the aircraft was registered, said application to be supported by such records as the commission shall prescribe.
5. Should the commission find and determine that no established manufacturer's list price exists for any such aircraft the commission is hereby authorized and empowered to thereupon determine and fix the fair value of such aircraft which fair value shall be used in lieu of a manufacturers' list price in computing the registration fee for each such aircraft as otherwise provided by this section.

When the fee as so computed results in a fractional part of a dollar, it shall be computed to the nearest quarter of a dollar. [C46, 50, 54, 58, §328.21]
328.22 Used aircraft. When an aircraft other than new is registered in Iowa the age of the aircraft in years calculated to the nearest anniversary of the date of manufacture shall be construed as the number of times previously registered, and reduction of the registration fee computed accordingly. [C46, 50, 54, 58, §328.22]

328.23 Credit on registration fees. There shall be credited upon the registration fee due for the registration of any aircraft pursuant to the provisions of this chapter, any tax, registration fee, or license fee levied upon or charged for said aircraft and paid to any other state, and the registration fee due and to be collected pursuant to the provisions of this chapter, shall be reduced by the amount of said tax, registration fee or license fee, upon the presentation of the official receipt hereof with the application for registration. [C46, 50, 54, 58, §328.23]

328.24 Refunds of fees. If, during the year for which an aircraft was registered and the required fee paid therefor, such aircraft is destroyed by fire or accident or junked, and its identity as an aircraft entirely eliminated, or it is removed and continuously used beyond the boundaries of the state, then the owner in whose name it was registered at the time of such destruction, dismantling, or removal from the state shall return the certificate of registration to the commission within ten days and make affidavit of such destruction, dismantling, or removal and make claim for such refund.

The registration fee for the unexpired portion of the year shall thereupon be refunded pro rata to the nearest full calendar month. [C46, 50, 54, 58, §328.24]

328.25 Fees in lieu of taxes. The registration fees imposed by this chapter upon aircraft shall be in lieu of all taxes, general or local, except state sales or use tax, to which aircraft might otherwise be subject. [C46, 50, 54, 58, §328.25]

328.28 Operation under special certificate. A manufacturer or dealer owning any aircraft otherwise required to be registered hereunder may operate the same for purposes of transporting, testing, demonstrating, or selling the same without registering each such aircraft, upon condition that any such aircraft display therein a special certificate issued to such owner as provided in this section and sections 328.29 to 328.33, inclusive.

A transporter may operate any such aircraft solely for the purpose of delivery upon likewise displaying therein, a special certificate issued to him as provided in these sections.

The provisions of this section and sections 328.29 to 328.33, inclusive, shall not apply to aircraft owned by manufacturer, transporter, or dealer, which are used for hire or principally for transportation of persons and property, aside from the transporting of the aircraft itself, or testing or demonstrating thereof. CHAPTER 329
AIRPORT ZONING

329.1 Definitions. The following words, terms, and phrases, when used in this chapter, shall, for the purposes of this chapter, have the meaning herein given, unless otherwise specifically defined, or unless another intention clearly appears, or the context otherwise requires:

1. "Airport" means any area of land or water designed and set aside for the landing and take-off of aircraft and utilized, or to be utilized, in the interest of the public for such purposes.

2. "Airport hazard" means any structure or tree, or use of land, which obstructs the airspace required for the flight of aircraft in landing or taking off at an airport, or is otherwise hazardous to such landing or taking off of aircraft.

3. "Airport hazard area" means any area of land or water upon which an airport hazard might be established if not prevented as provided by this chapter.

4. "Municipality" means any county, city, village, or town of this state.

5. "Person" means any individual, firm, corporation, partnership, association, joint stock association, or body politic, and includes any trustee, receiver, assignee, or other similar representative thereof.

6. "Structure" means any object constructed or installed by man, including, but without limitation, buildings, towers, smokestacks, and overhead transmission lines, including the poles or other structures supporting the same.

7. "Tree" means any object of natural growth.

8. "Obstruction" means any tangible, inanimate physical object, natural or artificial, protruding above the surface of the ground.

9. "Commission" means the Iowa aeronautics commission; "state" or "this state" means the state of Iowa.

10. The singular shall include the plural, and the plural the singular. [C46, §329.1]

329.2 Airport hazards contrary to public interest. It is hereby found that an airport hazard endangers the lives and property of users of the airport and of occupants of land and other persons in its vicinity, and also, if of the obstruction type, in effect reduces the size of the area available for the landing, taking off and maneuvering of aircraft, thus tending to destroy or impair the utility of the airport and the public investment therein. Accordingly, it is hereby declared:

1. That the creation or establishment of an airport hazard is a public nuisance and an
injury to the community served by the airport in question.

2. That it is necessary in the interest of the public health, safety, and general welfare that the creation or establishment of airport hazards be prevented.

3. That this should be accomplished, to the extent legally possible, by proper exercise of the police power.

4. That the prevention of the creation or establishment of airport hazards, and the elimination, removal, alteration, mitigation, or marking and lighting of existing airport hazards are public purposes for which municipalities may raise and expend public funds, as an incident to the operation of airports, to acquire land or property interests therein. [C46, 50, 54, 58, 62, §329.2]

329.3 Zoning regulations—powers granted.
Every municipality having an airport hazard area within its territorial limits may adopt, administer, and enforce in the manner and upon the conditions prescribed by this chapter, zoning regulations for such airport hazard area, which regulations may divide such area into zones and, within such zones, specify the land uses permitted, and regulate and restrict, for the purpose of preventing airport hazards, the height to which structures and trees may be erected or permitted to grow. [C46, 50, 54, 58, 62, §329.3]

329.4 Extra-territorial airport hazard areas.
When any airport hazard area appertaining to an airport owned or controlled by a municipality is located outside the territorial limits of said municipality:

1. Ordinances or resolutions. The municipality owning or controlling the airport, and the municipality within which the airport hazard area is located, may by duly adopted ordinance or resolution, as may be appropriate, adopt, administer, and enforce airport zoning regulations applicable to the airport hazard area in question.

2. Petition to district court. If the municipality within which is located such airport hazard area has failed or refused, within sixty days after demand has been made upon it by any municipality owning or controlling the airport, to adopt reasonably adequate airport zoning regulations under section 329.3, or to join in adopting joint airport zoning regulations as authorized in subsection 1 of this section, the municipality owning or controlling the airport may, upon a resolution of necessity therefor duly adopted by its governing body, petition the district court of the county in which such airport hazard area or any part thereof is located, in the name of the municipality owning or controlling the affected airport, praying that zoning regulations be established for the airport hazard area in question.

3. Petition—contents. Such petition shall allege all essential facts showing the necessity for bringing such action, the relief sought including proposed zoning regulations, and the necessity therefor.

Section referred to in §329.6

4. Parties. The parties defendant in such action shall be the municipality in which such airport hazard area is located, and all persons having an apparent or contingent interest in the property located within such area, who may be joined in said action generally as a class.

Section referred to in §329.6

5. Procedure. The action shall be triable in equity and in accordance with general rules of civil procedure, except that such action shall have precedence over any other business of the court except criminal cases, and the court shall set said petition for hearing not less than sixty days nor more than one hundred twenty days from the date it is filed with the clerk of said court.

Section referred to in §329.6

6. Notice. The original notice in such action shall be served upon the municipality in which such airport hazard area is located, and in the same manner as original notice of any other action but not less than thirty days prior to the date set for trial; and upon all other defendants by the publication of said notice in some newspaper or newspapers of general circulation within the area described in the petition, or as near thereto as possible, which publication shall be in the same manner as provided for the publication of other original notices, provided however that the last publication thereof shall be not less than thirty days prior to the date set for trial.

Section referred to in §329.6

7. Decree and modification. Upon trial the court may enter decree establishing such zoning regulations as it shall find reasonable and necessary. The court having once taken jurisdiction of such matter shall retain continuing jurisdiction thereof for such subsequent modification as it may deem advisable, upon proper application of interested parties, and due showing made thereunder after such notice to possible adverse parties as the court shall prescribe.

Section referred to in §329.6

8. Appeal. Any person or municipality adversely affected or aggrieved by any findings of the court may appeal therefrom as in other civil actions.

Section referred to in §329.6

9. Enforcement. Following the entry of any final decree by the district court, and unless appeal has been taken therefrom, the zoning regulations established by such decree may be enforced, and violations thereof punished, as provided by section 329.14. [C46, 50, 54, 58, 62, §329.4]

Section referred to in §329.6

329.5 Prevention of airport hazards. Any municipality owning or controlling an airport may maintain actions in equity to restrain and abate as nuisances the creation or establish-
AIRPORT ZONING, §329.11

1. All airport zoning regulations adopted under this chapter shall be reasonable and none shall impose any requirement or restriction which is not necessary to effectuate the purposes of this chapter.

2. No airport zoning regulations adopted under this chapter shall require the removal, lowering, or other change or alteration of any structure or tree, or interfere with any use, not conforming to the regulations when adopted or amended, except that they may require the owner thereof to permit the municipality at its own expense to install, operate, and maintain thereon such markers and lights as may be necessary to indicate to operators of aircraft the presence of the airport hazard.

3. All such regulations shall provide that no pre-existing nonconforming structure, tree, or use, shall be replaced, rebuilt, altered, allowed to grow higher, or replanted, so as to constitute a greater airport hazard than it was when such airport zoning regulations or amendments thereto were adopted. [C46, 50, 54, 58, 62,§329.10]

329.11 Variances. Any person desiring to erect or increase the height of any structure, or to permit the growth of any tree, or otherwise use his property in violation of airport zoning regulations adopted under this chapter, may apply to the board of adjustment for a variance from the zoning regulations. Such variances shall be allowed where a literal application or enforcement of the regulations would result in practical difficulty or unnecessary hardship and the relief granted would not be contrary to the public interest, but would do substantial justice and be in accordance with the spirit of the regulations and this chapter; provided, however, that any such variance may be allowed subject to any reasonable conditions that the board of adjustment may deem necessary to effectuate the purposes of this chapter, including the reservation of the right of the municipality, at its own expense, to install, operate, and maintain thereon such markers and lights as may be necessary to indicate to operators of aircraft

329.7 Relation to comprehensive zoning regulations. Any municipality which has adopted, or hereafter adopts, zoning ordinances under the provisions of chapter 414, is hereby empowered to incorporate therein such airport hazard area zoning regulations as are provided for by this chapter, and to administer and enforce the same as herein provided. [C46, 50, 54, 58, 62,§329.7]

329.8 Conflicting regulations. In the event of any conflict between any airport zoning regulations adopted or established under this chapter and any other regulations applicable to the same area, whether the conflict be with respect to the height of structures or trees, the use of land, or any other matter, the more stringent limitation or requirement shall govern and prevail. [C46, 50, 54, 58, 62,§329.8]

329.9 Procedure for adopting zoning regulations — zoning commission. In adopting, amending, and repealing airport zoning regulations under this chapter the governing body of the municipality shall follow the procedure as provided in sections 414.4 and 414.6. Any action taken on the part of any county under this chapter shall be by resolution of the board of supervisors thereof and no such action shall be taken without a majority of the board of supervisors voting therefor and consenting thereto. The commission so appointed shall be known as the airport zoning commission. The

329.6 Zoning powers—aeronautics commission. If any municipality owning or controlling an airport adjacent to which there is an airport hazard area shall fail or refuse, within sixty days after demand made upon it by the aeronautics commission of the state, to adopt reasonably adequate airport zoning regulations under section 329.3, or to proceed as provided in section 329.4, the aeronautics commission of the state may petition the district court of the county in which such airport hazard area, or any part thereof, is located, in the name of the state, praying that zoning regulations be established for the airport hazard area in question, and the provisions of subsections 3 to 9, inclusive, of section 329.4 shall apply to such actions provided, however, that such municipality shall be joined as a party defendant in any such action.

The aeronautics commission of the state may maintain actions in equity to restrain and abate as nuisances the creation or establishment of airport hazards appertaining to any airport within the state, in violation of any airport zoning regulations adopted or established pursuant to the provisions of this chapter. [C46, 50, 54, 58, 62,§329.6]

329.10 Airport zoning requirements. 1. All airport zoning regulations adopted under this chapter shall be reasonable and none shall impose any requirement or restriction which is not necessary to effectuate the purposes of this chapter.

2. No airport zoning regulations adopted under this chapter shall require the removal, lowering, or other change or alteration of any structure or tree, or interfere with any use, not conforming to the regulations when adopted or amended, except that they may require the owner thereof to permit the municipality at its own expense to install, operate, and maintain thereon such markers and lights as may be necessary to indicate to operators of aircraft the presence of the airport hazard.

3. All such regulations shall provide that no pre-existing nonconforming structure, tree, or use, shall be replaced, rebuilt, altered, allowed to grow higher, or replanted, so as to constitute a greater airport hazard than it was when such airport zoning regulations or amendments thereto were adopted. [C46, 50, 54, 58, 62,§329.10]

See §657.2, subsection 9
329.12 Board of adjustment—creation—powers—duties. The governing body of any municipality availing or seeking to avail itself of the powers by this chapter conferred shall, by ordinance or resolution duly adopted, provide for the appointment of a board of adjustment, as provided in section 414.7. Such board of adjustment shall have the same powers and duties, and its procedure, and appeals thereto and therefrom, in all respects shall be governed by and subject to the same provisions established in sections 414.9 to 414.19, inclusive.

The concurring vote of a majority of the board shall be necessary to reverse any order, requirement, decision or determination of any administrative official or to decide in favor of the applicant on any matter upon which it is required to pass under any regulations adopted pursuant to this chapter or to effect any variance therefrom.

The board of adjustment shall consist of two members from each municipality, selected by the governing body thereof, and one additional member to act as chairman and to be selected by a majority vote of the members selected by the municipality. Members shall be removable for cause by the appointing authority upon written charges and after public hearing. Vacancies shall be filled for the unexpired term of any member whose office becomes vacant in the same manner in which said member was selected. The terms of the members of the board of adjustment shall be for five years, excepting that when the board shall first be created, one of the members appointed by each municipality shall be appointed for a term of two years and one for a term of four years. [C46, §50, 54, 58, 62, §329.12]

329.13 Administration of airport zoning regulations. All airport zoning regulations adopted under this chapter shall provide for the administration and enforcement of such regulations by an administrative agency (which may be an agency created by such regulations), or by any official, board, or other existing agency of the municipality adopting the regulations, or of one or both of the municipalities which participated therein, but in no case shall such administrative agency be or include any member of the board of adjustment. The duties of any administrative agency designated pursuant to this chapter shall not include any of the powers herein delegated to the board of adjustment. [C46, §50, 54, 58, 62, §329.13]

329.14 Enforcement and remedies. Each violation of this chapter or of any regulations, order, or rules promulgated pursuant to this chapter, shall constitute a misdemeanor, and the perpetrator thereof, upon conviction, shall be punished accordingly; and each day a violation continues to exist shall constitute a separate offense. Concurrent action by the governing bodies of the political subdivision participating shall constitute joint action. And they shall furthermore require that the plans and specifications be in substantial accord with the regulations of the U. And if so found they shall approve such plans and specifications. [C31, 35,§5903-c7; C39,§5903.07; C46, 50, 54, 58, 62,§330.9]

Such districts shall be as nearly equal in miles of road as practicable and shall embrace a territory as compact as is practicable considering the miles of road and the location of the roads in such districts. In the laying out of such districts corporation boundaries shall not necessarily be considered as district boundaries wherein the division board set up by this section feels the purpose of the section will be best served by not following such corporation boundaries. 345.12 Rescission or diversion by subsequent vote. Propositions thus adopted may be rescinded in like manner and upon like notice, by a subsequent vote taken thereon, but neither contracts made under them, nor taxes voted for carrying them into effect, can be rescinded, provided that taxes voted for carrying into effect any such proposition may be by subsequent vote of the electors allocated to another designated purpose. If upon such subsequent vote of the electors, a majority of the votes cast is adverse to the allocation proposed, then the tax fund shall revert to and become part of the county general fund. Referred to in §11.6

See §§347.14, subsection 9, 347.24

347A.1 Contracts—trustees. Any county in the state of Iowa having a population less than one hundred fifty thousand is hereby authorized and empowered to acquire, construct, equip, operate and maintain a county hospital and, for the purpose of acquiring, constructing, equipping, enlarging or improving any such county hospital and acquiring the necessary lands, rights of way and other property necessary therefor, may issue revenue bonds all as in this chapter provided. All contracts for construction work of such county hospital shall be awarded by the board of supervisors on competitive bidding following such advertisement as may be prescribed by such board. The administration and management of any county hospital acquired, constructed, equipped, enlarged or improved under this chapter shall be vested in a board of hospital trustees consisting of five members appointed by the board of supervisors from among the resident citizens of the county with reference to their fitness for such office, and not more than two of such trustees shall be residents of the same township. Such trustees shall hold office until the next succeeding election, at which time their successors shall be elected, two for a term of two years, two for a term of four years and one for a term of six years, and thereafter their successors shall be elected for regular terms of six years each. Vacancies in the board of trustees shall be filled in the same manner as original appointments to hold office until the next succeeding general election. Said trustees shall, within ten days after their appointment or election qualify by taking the usual oath of office, but no bond shall be required of them. The members of such board of hospital trustees shall receive no compensation but shall be reimbursed for all expenses incurred by them with the approval of said board in the performance of their duties. The board first appointed shall organize promptly following their appointment, and shall serve until such time as their successors are elected and qualified; thereafter during the month of November of each year the board shall reorganize by the appointment of a chairman and a secretary. The county treasurer shall be ex officio treasurer of the board of hospital trustees. The board of hospital trustees may employ, fix the compensation and remove at pleasure professional, technical and other employees, skilled or unskilled, as it may deem necessary for the operation and maintenance of the hospital, and disbursement of funds in such operation and maintenance shall be made upon order and approval of the board of hospital trustees. A county hospital may include a nurses home and nurses training school. The board of trustees shall make all rules and regulations governing its meetings and the operation of the county hospital and shall fix rates, fees and charges for the services thereby furnished so that the revenues will be at all times sufficient in the aggregate to provide for the payment of the interest on and principal of all revenue bonds that may be issued and outstanding under the provisions of this chapter, and for the payment of all operating and maintenance expenses of the hospital. (C50, 54, 58, 62, §347A.1)

347A.2 Bonds—authorization—payment. For the purpose of acquiring, constructing, equipping, enlarging or improving such hospital or any part thereof, any such county may, pursuant to resolution of the board of supervisors of such county, from time to time issue and dispose of its negotiable interest-bearing revenue bonds payable solely as to both principal and interest from the revenues to be derived from the operation of such hospital. All such bonds may bear such date or dates, may mature at such time or times not exceeding thirty years from their respective dates, may bear interest at such rate or rates not exceeding five percent per annum payable semiannually, may be in such form and payable at such place or places, and may be subject to such redemption privileges as is stated on the face thereof and as may be provided in such resolution. After a resolution authorizing such revenue bonds has been adopted the county auditor shall publish notice of such adoption in at least one newspaper of general circulation in the county at least once each week for two consecutive weeks. Such notice shall identify the resolution by the date of its adoption and shall specify the amount of bonds proposed to be issued, and if within twenty days following the date of the first publication of such notice a petition is filed with the county auditor signed by qualified voters of said county in number equal to or exceeding twenty percent of the total number of votes cast in such county for governor at the last preceding regular election whereat a governor was elected then the bonds authorized by such resolution shall not be issued unless and until the proposition to issue same shall have been submitted at an election throughout the county and approved by not less than sixty percent of the votes cast for and against the proposition. When any such petition is filed it shall be referred to the board of supervisors at its next
meeting and thereupon the board of supervisors may either repeal the bond resolution or order the election which shall be called and conducted in the manner provided by chapter 345. If there be no petition filed within the time hereinafter provided or if there be a petition filed and the proposition of issuing such bonds is approved at such election then the board of supervisors may proceed with the acquisition, construction, equipment, operation and maintenance of the county hospital and the issuance of bonds in connection therewith, all as in this chapter permitted and provided. Under no circumstances shall any revenue bonds issued under the provisions of this chapter be or become an indebtedness of the county within the purview of any constitutional or statutory limitation or provision, and it shall be plainly stated on the face of each bond that it does not constitute such an indebtedness, but is payable solely from the revenues as aforesaid. All such bonds shall be sold in such manner and upon such terms as is prescribed by the resolution authorizing the issuance thereof, provided, that no bonds shall be sold upon terms that will result in an interest cost computed to maturity of the bonds according to standard tables of bond values of more than five percent per annum. The resolution authorizing such revenue bonds may contain such covenants as are determined by the board of supervisors to be desirable in connection with the use and application of the bond proceeds, the operation of the county hospital and the custody and application of the revenues from such operation. The sole remedy for any breach or default of the terms of any such bonds or proceedings for their issuance shall be by mandamus in a court of competent jurisdiction to compel performance and compliance therewith. [C50, 54, 58, 62, §347A.2]

347A.3 Tax for maintenance and operation. If in any year, after payment of the accruing interest on and principal due of any revenue bonds issued hereunder from the revenues derived from the operation of such hospital, there be a balance of such revenues insufficient to pay the expenses of operation and maintenance of the county hospital the board of hospital trustees shall certify that fact as soon as ascertained to the board of supervisors of such county, and thereupon it shall be the duty of such board of supervisors to make the amount of such deficiency for paying the expenses of operation and maintenance of the county hospital available from other county funds or, the board of supervisors of such county shall levy a tax not to exceed four mills in any one year on all the taxable property in said county in an amount sufficient for that purpose, it being conditioned that no general county funds or the proceeds of any taxes shall ever be used or applied to the payment of the interest on or principal of any revenue bonds issued under the provisions of this chapter, but that such general county funds or proceeds of taxes may only be used and applied to pay such expenses of operation and maintenance of the county hospital as cannot be paid from available revenue derived from such operation. [C50, 54, 58, 62, §347A.3]

347A.4 Independent method. This chapter shall be construed as providing an alternative and independent method for the acquisition, construction, equipment, enlargement, improvement, operation and maintenance of a county hospital, and for the issuance and sale of revenue bonds in connection therewith, and shall not be construed as an amendment of or subject to the provisions of any other law. [C50, 54, 58, 62, §347A.4]

347A.5 Discrimination prohibited. The provisions of section 347.18 are made applicable to this chapter. [C50, 54, 58, 62, §347A.5]

347A.6 Collection of accounts. It shall be the duty of the hospital trustees either by themselves or through the superintendent or similar person to make collections of all accounts for hospital services. Such account shall be payable on presentation to the person liable thereby of an itemized statement and if not paid or secured within sixty days after such presentation the said trustees shall proceed to enforce collections by such means as are necessary and are authorized to employ any person for that purpose and, if legal proceedings are required, may employ counsel, the employment in either event to be on such arrangement for compensation as the hospital trustees deem appropriate. [C58, 62, §347A.6]

347A.7 Enlarging and improving county hospital. For the purpose of enlarging and improving any county hospital or hospitals theretofore acquired and being operated under the provisions of this chapter, any such county, upon petition and recommendation of the board of hospital trustees, and pursuant to resolution of the board of supervisors of such county, may from time to time incur indebtedness and issue and sell the negotiable interest-bearing general obligation bonds of said county, provided that the principal amount of all such bonds which may be issued and outstanding under this section shall not be in excess of two percent of the assessed value of the taxable property in such county as shown by the latest state and county tax lists. All such bonds may bear interest at such rate or rates not exceeding five percent per annum payable semi-annually, may be in such form and payable at such place or places, and may be made subject to such privileges of redemption prior to maturity and upon such terms of redemption as are stated on the face of such bonds and as may be provided in such resolution. For the purpose of paying such bonds and interest thereon, the board of supervisors of such county shall in and by the resolution authorizing the issuance thereof provide for
the levy of an annual tax sufficient for that purpose on all of the taxable property in such county, in addition to all other taxes.

After the resolution authorizing any such bonds has been adopted the county auditor shall publish notice of such adoption in at least one newspaper of general circulation in the county at least once each week for two consecutive weeks. Such notice shall identify the resolution by the date of its adoption and shall specify the amount of bonds proposed to be issued, and if, within twenty days following the date of the first publication of such notice, a petition is filed with the county auditor signed by qualified voters of said county in number equal to or exceeding twenty percent of the total number of votes cast in such county for governor at the last preceding regular election whereat a governor was elected, then the bonds authorized by such resolution shall not be issued unless and until the proposition to issue same shall have been submitted at an election throughout the county and approved by not less than sixty percent of the votes cast for and against the proposition. When any such petition is filed, it shall be referred to the board of supervisors at its next meeting and thereupon the board of supervisors may either repeal the bond resolution or order an election which shall be called and conducted substantially in the manner provided by chapter 37. If no petition is filed within the time hereinafter provided or if a petition is filed and the proposition of issuing such bonds is approved at such election, then the board of supervisors may proceed with the enlargement and improvement of such county hospital and the issuance of bonds in connection therewith, all as in this section permitted and provided.

This section shall be construed as providing an alternative and independent method for the enlargement and improvement of such county hospital; shall not be construed as limiting or superseding any other method of enlargement and improvement of such county hospital; and shall not be construed as an amendment of or subject to the provisions of any other law. [C62, §347A.7]

CHAPTER 351A
DOGS FOR SCIENTIFIC RESEARCH

351A.1 Definitions. For the purposes of this chapter, the following definitions shall apply:

1. “Institution” shall mean any school or college of medicine, veterinary medicine, pharmacy, dentistry, and osteopathy, or hospital, diagnostic or research laboratories, or other educational or scientific establishment situated in this state properly concerned with the investigation of, or instruction concerning the structure or function of living organisms, the cause, prevention, control or cure of diseases or abnormal conditions of human beings or animals.

2. “Pound” shall mean any public or private agency, person, society, or corporation having custody of dogs seized or held under the authority of the state or any municipality or any political subdivision of the state. [C62,§351A.1]

351A.2 Application to department of health. An institution may apply annually to the state department of health for authority to obtain animals from a pound. If the state department of health finds that such institution, by reason of its ethical standards, its personnel, its facilities and the use it proposes to make of dogs is a fit and proper institution to be authorized to obtain dogs from a pound, and that the public interest would be served by such authority, then the state department of health shall authorize such institution to obtain dogs from a pound. [C62,§351A.2]

351A.3 Dogs held for redemption by owner. An institution so authorized by the state department of health may request dogs from a pound. The pound shall tender to such institution all dogs in its custody seized or held by authority of the state, municipality or other political subdivision, except that no dog shall be so tendered unless it has been held for redemption by its owner or sale for a period of not less than three nor more than fifteen days and no dog lawfully licensed at the time of its seizure shall be so tendered unless its owner shall so consent in writing. No dogs, except those actually sick or injured or those lawfully licensed at the time of seizure, shall be destroyed by a pound while a request to that pound of an authorized institution is unfilled unless first tendered to such institution and refused by it. [C62,§351A.3]

351A.4 Fee. An institution obtaining dogs from a pound shall pay to the municipality or other political subdivision under whose authority each dog is held or was seized a reasonable fee not to exceed five dollars for each dog so obtained, and shall provide for the transportation of the dogs so obtained from the pound. [C62,§351A.4]

351A.5 Care and treatment. Animals used in any institution authorized by this chapter shall receive every consideration for their bodily comfort; they shall be kindly treated, properly fed and their surroundings kept in a sanitary condition. All major operative procedures may be done under local infiltration anesthesia. If the nature of the study is such that the animal may survive, acceptable techniques shall be followed throughout the operation. If the study does not require survival, the animal shall be killed in a humane manner at the conclusion of the observations. The post-operative care of experimental animals shall be such as to minimize discomfort during convalescence. All conditions shall be maintained for the animal’s comfort in accordance with the best practices followed in human medicine and surgery. [C62,§351A.5]
§351A.6 Penalty. It shall be a misdemeanor for any person or corporation to violate any provision of this chapter. Every person convicted hereunder shall be punished by imprisonment for a period not more than thirty days, or by a fine not to exceed one hundred dollars. Any pound failing or refusing to comply with the provisions of this chapter shall become immediately ineligible for any public moneys notwithstanding the provisions of any contract, and it shall be unlawful for any public body to pay any public moneys to a pound after receipt by it of a notice of such noncompliance or refusal from any institution authorized by the state department of health to obtain dogs until such time as such institution shall have withdrawn its notice or the state department of health shall have notified such public body that such notice was without foundation. [C62,§351A.6]

351A.7 Construction. This chapter shall be so construed and interpreted to effectuate its purpose of making available for scientific, educational and research purposes unclaimed, unwanted and unlicensed dogs. [C62,§351A.7]

If within five years following such transfer, the amount in the domestic animal fund proves insufficient in any one year to pay all duly allowed claims thereon, the board shall transfer from said general fund to the domestic animal fund an amount, not exceeding the amount originally transferred, sufficient to pay the unpaid part of said warrants. [S13,§458-d; C24, 27, 31, 35, 39,§5457; C46, 50, 54, 58, 62,§352.6]

The benefited water district may include part or all of any incorporated city or town, or cities and towns, together with or without surrounding territory including cemeteries and all publicly owned land. Said publicly owned property shall pay and bear its proportionate share of the cost and expense of said water system upon the same basis as privately owned property. [C39, §5526.02; C46, 50, 54, 58, 62, §357.2]

357.3 Scope of assessment. The special assessment hereinafter provided for may be used to cover the costs of installing all the necessary elements of a water system, for both production and distribution. [C24, 27, 31, 35, §5522; C39, §5526.03; C46, 50, 54, 58, 62, §357.3]

For adequate reasons the board of supervisors may defer action on such petition for not to exceed ten days after the day first set for a hearing. [C24, 27, 31, 35, §5523; C39, §5526.05; C46, 50, 54, 58, 62, §357.5]

357.6 Examination by engineer. When the board of supervisors shall have established the benefited water district, they shall appoint a competent disinterested civil engineer and instruct him to examine the proposed improvement, make preliminary designs in sufficient detail to make an accurate estimate of the cost of the proposed water system. He shall also report as to the suitability of the proposed source of water supply. [C39, §5526.06; C46, 50, 54, 58, 62, §357.6]

357.7 Water source without district. When in any proposed benefited water district, it is anticipated that the source of supply will be without the district, and not under its control, the board of supervisors shall instruct the engineer who is appointed to make the preliminary design and dummy assessment, to also obtain from the corporation or municipality which controls the proposed source of supply, a statement in writing, outlining the terms upon which water will be furnished to the district, or to the individuals within the district and on what terms in either case.

This preliminary proposal from the governing body of the source of supply shall be binding, and shall be in the nature of an option to purchase water by the district, or the individual within the same, if and when the proposed benefited water district shall have completed its construction, and is ready to use water. This proposal shall accompany and be a part of the engineer's preliminary report to the board of supervisors. [C39, §5526.07; C46, 50, 54, 58, 62, §357.7]

357.8 Plat. The said engineer shall prepare a preliminary plat showing the proper design in general outline, the size and location of the water mains, the general location of hydrants, if such are included in said petition, valves and other appurtenances, and shall show the lots and parcels of land within the proposed district as they appear on the county auditor's plat books, together with the names of the owners and the amount which it is estimated that such lot or parcel will be assessed. [C39, §5526.08; C46, 50, 54, 58, 62, §357.8]

357.10 Filing of report and plat. The engineer's report, together with the dummy plat showing the tentative design and assessment, shall be filed with the county auditor within thirty days of such engineer's appointment, unless for adequate reasons it is impossible for him to do so, in which case the board of supervisors may extend the time therefor. [C39, §5526.10; C46, 50, 54, 58, 62, §357.10]

357.11 Hearing on report. On receipt of the engineer's report, the board of supervisors shall give notice in the same manner as before, of a hearing on the engineer's tentative design and dummy plat. On the day set, or within ten days thereafter, the board of supervisors shall approve or disapprove the engineer's plan and proposed assessment. If it shall appear advisable, the board of supervisors may make changes in the design and assessment, as they appear on the dummy plat. [C39, §5526.11; C46, 50, 54, 58, 62, §357.11]

357.12 Election. When the preliminary design and assessment have been approved by the board of supervisors, a date not more than thirty days after such approval shall be set for an election within the district to determine whether or not the proposed improvement shall be constructed and to choose candidates for the offices of trustee within the district. Except that where the benefited water district is wholly within the corporate limits of a city or town, the members of the city or town
council shall be the trustees, and the provi-
sions hereinafter referring to the election and
terms of trustees are not applicable. Notice
of the election, including the time and place
of holding the same, shall be given in the same
manner as for the public hearing heretofore
provided for. The vote shall be by ballot
to which shall state clearly the proposition to be
voted upon, and any legal voter residing
within the district at the time of the election
shall be entitled to vote. Judges will be ap-
pointed to serve without pay, by the board of
supervisors from among the qualified voters
of the district who will have charge of the
election. The proposition shall be deemed to
have carried if a majority of those voting
thereon vote in favor of the same. [C24, 27,
31, 35,§5524; C39,§5526.12; C46, 50, 54, 58, 62,
§357.12]

357.13 Trustees—terms. At the election pro-
vided for in section 357.12, the names of the
trustees shall be written by the voter on blank
ballots without formal nomination and the
board of supervisors shall appoint three from
among the five receiving the highest number
of votes as trustees for the district, one to
serve for one year, one for two years, and one
for three years, which trustees and their suc-
cessors shall give bond in the amount the
board of supervisors may require, the premium
of which shall be paid by the district said
trustees represent. Vacancies may thereafter
be filled by election, or by appointment by the
board of supervisors, at the option of the re-
main ing trustees. The term of succeeding trus-
tees shall be for three years. [C24, 27, 31, 35,
§5524; C39,§5526.13; C46, 50, 54, 58, 62,§357.13]

357.14 Bids for construction. If the result
of said election be in favor of said improve-
ment, the board of supervisors shall instruct
the engineer to complete the plans and speci-
fications, ready for receiving bids for construc-
tion of the project, which he shall do within
thirty days of receiving notice to do so, unless
for adequate reason the board shall extend the
time.

When the completed plans and specifications
are on file with the county auditor, the board
of supervisors shall advertise for bids and
shall cause notice to be given by publication
once each week for two consecutive weeks in
some newspaper published in the county
wherein the improvement is to be constructed,
setting forth the location and nature of the
improvement and the date and place where
bids will be received by the board. The last
published notice to bidders shall be at least
seven days before the time set for receiving
bids. Bidders will be required to submit iden-
tified checks for five percent of the amount
of the bid. [C24, 27, 31, 35,§5524; C39,§5526.14;
C46, 50, 54, 58, 62,§357.14]

357.15 Inadequate assessment. When bids
have been received, if it is apparent that the
final assessment will need to be increased
more than ten percent over the preliminary
assessment, the board of supervisors shall, at
its option, reject bids and readvertise for bids
as provided herein, or reject bids and revise
the dummy assessment. If the dummy assess-
ment is revised, another election shall be held
within the district in the same manner and
with the same notices as the first, except that
the candidates for trustees shall not be voted
for. [C39,§5526.15; C46, 50, 54, 58, 62,§357.15]

357.16 Second election. If the majority of
the votes cast at said second election be in
favor of said improvement, the board of sup-
ervisors shall again advertise for bids in the
same manner as before. If the bids at the sec-
ond letting will not necessitate raising the
second preliminary assessment more than ten
percent, the board may let the contract to the
lowest responsible bidder. [C24, 27, 31, 35,
§5524; C39,§5526.16; C46, 50, 54, 58, 62,§357.16]

357.17 Bond of contractor. The successful
bidder, when awarded a contract, shall be re-
quired to give an approved surety bond for
one hundred percent of the contract price,
guaranteeing completion of the work in accord-
cance with the plans and specifications, and for
maintenance, including backfilling, for one
year after the final acceptance of the work.

If the contractor shall fail to complete the
work as provided in his contract, or shall aban-
don the same, or fail to proceed in a reasonable
manner toward its final completion, the board
may proceed against the contractor and bonds-
man as provided in sections 455.114 and 455.115.
[C39,§5526.17; C46, 50, 54, 58, 62,§357.17]

357.18 Acceptance of work. When in the
opinion of the engineer in charge, the construc-
tion in any benefited water district has been
completed in accordance with the plans, speci-
fications, and contract, he shall certify this fact
to the board of supervisors, and recommend
the acceptance of the work by the said board.
The board of supervisors shall proceed in
accordance with sections 455.111 and 455.112.
[C39,§5526.18; C46, 50, 54, 58, 62,§357.18]

357.19 Completing assessment. After the
final acceptance of the work by the board of
supervisors, the engineer shall complete the
final assessment, which shall be made on all
the property within the district, whether
abutting or not, for an amount approximately
ten percent greater than the total cost of the
project. The assessment shall be made accord-
ing to benefits and shall take into considera-
tion the location and value of the property
assessed. The final assessment on any lot or
parcel of land shall not exceed the final prelimi-
nary assessment by more than ten percent,
and shall in no case exceed twenty-five percent
of the assessed value of the property. The
board of supervisors may alter an assessment
to increase or decrease it within the limits out-
lined above, and must approve by resolution
the final assessment map.

Notwithstanding the provisions of this sec-
tion the final assessment may be but not in ex-
cess of one and one-half dollars per lineal foot
of abutting frontage for all unimproved property, and may be but not in excess of four dollars per lineal foot of abutting frontage for all improved property. Each parcel of improved property having a frontage of more than one hundred feet, or an improved frontage of more than one hundred feet. For the purpose of this paragraph improved property shall be considered to be any property having one habitable dwelling or one business building thereon. [C24, 27, 31, 35, §5522; C39,§5526.19; C46, 50, 54, 58, 62,§357.19]

357.20 Due date—bonds. Assessments of less than ten dollars will come due at the first tax-paying date after the approval of the final assessment, and assessments of ten dollars or more may be paid in ten annual installments with interest at six percent on the unpaid balance. The board of supervisors shall issue bonds against the completed assessment in an amount equal to the total cost of the project, so that the amount of the assessment will be approximately ten percent greater than the amount of the bonds. [C24, 27, 31, 35,§5522; C39,§5526.20; C46, 50, 54, 58, 62,§357.20]

357.21 Substance of bonds. Each of such bonds shall be numbered, and have printed upon its face that it is a benefited water district bond, stating the county and the number of the district for which it is issued, and the date of maturity; that it is in pursuance of a resolution of the board of supervisors, and that it is to be paid for only from special assessment theretofore levied and taxes levied as hereinafter provided for that purpose within the said district for which the bond is issued. The provisions of sections 455.83 and 455.86 shall govern the issuance of these bonds except that the contractor will not be paid anything on the work until its completion and final acceptance. [C39,§5526.21; C46, 50, 54, 58, 62,§357.21]

357.22 Lien of assessments—tax. When the assessment has been completed and the bonds sold and the schedule of assessment shall be turned over to the county auditor, the installments due thereon shall be collected in the same manner as ordinary taxes and shall constitute a lien on the property against which they are made. If the treasurer does not receive sufficient funds to enable him to pay the interest and retire the bonds as they become due, he shall levy a three mill annual tax on all property within the district to pay such deficiency, and the county treasurer shall apply the proceeds of such levy to the payment of the bonds and the interest on the same so long as the bonds are in arrears on either interest or principal. [C24, 27, 31, 35,§5525; C39, §5526.22; C46, 50, 54, 58, 62,§357.22]

357.23 Surplus. The board of supervisors shall be required to levy such three mill annual tax so long as the bonds are in arrears. [C39,§5526.23; C46, 50, 54, 58, 62,§357.23]

357.24 Fee of engineer. The fee for engineering services shall be fixed by the board of supervisors and he may be paid either a percentage or a per diem, from proceeds of the bond sale or by cash from the contractor, if the contractor takes bonds in settlement for his work under his contract. [C39,§5526.24; C46, 50, 54, 58, 62,§357.24]

357.25 Management by trustees. After the final acceptance of the work by the board of supervisors, the management of the utility shall automatically go to the three trustees previously appointed by the board of supervisors. The trustees shall have power to levy an annual tax not to exceed one-half mill, on the district, for the maintenance of the system. This levy shall be optional with the trustees. The trustees may purchase material and employ labor to properly maintain and operate the utility. The trustees shall be allowed necessary expenses in the discharge of their duties, but shall not receive any salary. [C24, 27, 31, 35,§5525; C39,§5526.25; C46, 50, 54, 58, 62,§357.25]

357.26 Duties of trustees. It is anticipated that this law will usually be utilized to finance a distribution system where the source of supply is without the district, and not under its control, and that individuals within the district will pay water rent to a municipality or corporation without the district. It is intended that the trustees may so operate the utility as will best serve the users, and they are expressly authorized to buy and sell water, to fix the rates to consumers and make all contracts reasonable or necessary to accomplish the purpose of this chapter and to carry on all the operations incident to maintaining and operating said utility and to the procuring and furnishing of water to the consumers therein. If the development of a source of supply is within the means of the district, the trustees may install wells, tanks, meters and any other equipment properly pertaining to operate it. [C39,§5526.26; C46, 50, 54, 58, 62,§357.26]

357.27 Public property in district. Whenever property of the state of Iowa, or any political subdivision thereof, shall be included either wholly or in part within such water district and shall own facilities which may be used as a part of such water system, the executive council, board of supervisors, city or town council, as the case may be, may permit such use of said facilities for such consideration and on such terms as may be agreed upon with the board of trustees. [C39,§5526.27; C46, 50, 54, 58, 62,§357.27]

357.28 Private mains — additional assessments. Any person or persons within any water district, who may, after the initial installation of the improvement in any such district, desire to construct additional mains, and who have been assessed on the original assessment, may with the consent of the trustees, connect such lateral mains as they desire with the original system to serve property
within the district which has been assessed, provided that the entire cost thereof shall be borne by the parties so interested.

The trustees shall have power to make additional assessments on unimproved lots or parcels of land within the district when said unimproved lots or parcels are improved and ready to receive the full benefits of the district. This additional assessment shall be determined and fixed by the trustees and shall not exceed the average assessment for improved property in said districts less the original assessment on said unimproved lots or parcels. Said assessments shall be paid to the county treasurer before service pipes are laid into said improvement. The assessment shall be put in the benefited water district fund of the district of which said lots or parcels are a part and shall be used by the county treasurer for the retirement of bonds and interest. When the bonds are all retired, the trustees shall be authorized to use said fund for maintenance purposes, changing size of mains, eliminating dead ends, or extending mains for the benefit of the district. [C39, §357.28; C46, 50, 54, 58, 62, §357.28]

357.29 Subdistricts. If the cost of the desired extensions will be as much as five thousand dollars, the interested parties may petition the board of supervisors to organize a subdistrict, and in such case the board shall proceed in the same manner as for a new district, and may take in territory not originally assessed.

The board of supervisors shall have power at any time to alter the boundaries of any district prior to the time of posting or publishing notice of the election within the district. [C24, 27, 31, 35, §5522; C39, §5526.29; C46, 50, 54, 58, 62, §357.29]

357.30 Additional territory. When the district is under the control of trustees, they are empowered to deal with parties without the district who desire to be taken into the district or to obtain water from the district and determine the amount to be assessed against said district to be taken in or connected with. The trustees shall have power in such cases to make agreements for the district, and may, with the consent of the board of supervisors, alter the district boundaries to take in additional territory. No lot or parcel of land shall be put out of a district without the consent of the owner, after it has paid any assessment to the district. [C24, 27, 31, 35, §5522; C39, §5526.30; C46, 50, 54, 58, 62, §357.30]

357.31 Right of way. The board of supervisors shall have power to condemn, in the same manner as provided for the condemnation of land, right of way through private property, sufficient for the construction and maintenance of water mains. The cost of such right of way shall constitute a part of the expense of the improvement and shall be covered by the special assessment. [C39, §5526.31; C46, 50, 54, 58, 62, §357.31]

357.32 Record book. The board of supervisors shall provide a record book which shall be in the custody of the auditor, in which shall be kept a full and complete record of the proceedings relative to water districts, so arranged and indexed, as to enable any proceedings relative to any district to be readily examined. [C24, 27, 31, 35, §5524; C39, §5526.32; C46, 50, 54, 58, 62, §357.32]

357.33 Appeal procedure. Any person aggrieved, may appeal from any final action of the board of supervisors in relation to any matter involving his rights, to the district court of the county in which the district is located. The procedure in such appeals shall be governed by the provisions of sections 455.94 to 455.109, inclusive, provided that whenever in the above sections the words "drainage district" occur, the words "benefited water district" shall be substituted. [C39, §5326.33; C46, 50, 54, 58, 62, §357.33]

357.34 Conveyance of district to city or town. Where a city or town is situated wholly or partly within a benefited water district, the board of supervisors having jurisdiction of said benefited water district, at the request of the trustees of said benefited water district, may, by proper resolution, convey unto said city or town any and all rights which said board of supervisors may have in and to said benefited water district. Said conveyance, however, shall not become effective until all existing obligations against said district have been completely and fully discharged and such conveyance accepted and confirmed by a resolution of the council of said city or town, especially passed for such purpose.

Upon acceptance, the district, including the plant and distribution system, as well as all funds and credits shall become the property of said city or town and be operated and used by it to the same extent as if acquired under chapter 397. Also, the offices of the trustees as provided in this chapter shall be abolished upon acceptance by the city or town and their duties as such shall immediately cease. [C54, 58, 62, §357.34]
357A.1 Hearing on petition. The board of supervisors of any county or counties shall, on the petition of twenty-five percent of the resident property owners in any proposed benefited fire district, grant a hearing relative to the establishment of such proposed fire district. Such petition shall set out the following and any other pertinent facts:
1. The need of co-operative fire protection.
2. The approximate district to be served.
3. The approximate number of families in the district.

The board of supervisors may, at its option, require a bond of the petitioners as provided in section 455.10. [C58, 62, §357A.1]

357A.2 Extent of district. The benefited fire district may include all or portions of one township and any adjoining townships or portions thereof. [C58, 62, §357A.2]

357A.3 Notice of hearing. When the board of supervisors receives a petition for the establishment of a benefited fire district, a public hearing shall be held within twenty days of the presentation of the petition. Notice of hearing shall be given by posting bills in three public places within the district, or by publication in two successive issues of any paper of general circulation within the district. The last publication or posting shall be not less than one week before the proposed hearing. [C58, 62, §357A.3]

357A.4 Action of board. On the day fixed for such hearing, the board of supervisors shall by resolution establish the benefited fire district or disallow the petition. For adequate reasons the board of supervisors may defer action on such petition for not to exceed ten days after the day first set for a hearing. [C58, 62, §357A.4]

357A.5 Engineer. Any sanitary district may by ordinance establish just and equitable rates or charges or rentals for the utilities and services furnished by it to be paid to such district by every person, firm or corporation whose premises are served by a connection to such utilities and services directly or indirectly. Such rates, charges, or rentals,
as near as may be in the judgment of the 
board of trustees of the district, shall be equi-

consideration in the case of each such premises
the quantity of sewage produced thereby and
its concentration, strength, and pollution qual-

rates, charges, or rentals from time to time
as it may deem advisable, and by ordinance
may provide for the collection thereof. The
board is authorized to contract with any
municipality within the district, whereby such
municipality may collect or assist in collecting
any of such rates, charges, or rentals, whether
in conjunction with water rentals or other-

render such service. Such rates, charges, or
rentals, if not paid when due, shall constitute
a lien upon the property served by a connec-

same manner as other taxes.

In no case shall such rates, rentals, or
charges, or the funds accruing from the col-

against benefited properties. The provisions
of chapter 393 shall apply to sanitary districts
organized under this section insofar as they
are applicable. [C46, 50, 54, 58, §358.20]

358.21 Debt limit—borrowing—bonds—pur-

purposes, but shall not become indebted in any
manner or for any purpose to an amount in
the aggregate exceeding five percent on the
value of the taxable property within such dis-

county tax lists previous to the incurring of
such indebtedness. Indebtedness within this
constitutional limit shall not include the in-
debtedness of any other municipal corporation
located wholly or partly within the boundaries
of such sanitary district.

Subject only to this debt limitation, any
such sanitary district organized hereunder
shall have and it is hereby vested with all of
the same powers to issue bonds, including
both general obligation and revenue bonds,
which cities and towns now or may hereafter
have under the laws of this state. In the ap-

words used in any such laws referring to
municipal corporations or to cities and towns
shall be held to include sanitary districts or-

board of trustees or sanitary district; and like
construction shall be given to any other words
in such laws where required to permit the
exercise of such powers by sanitary districts.

Any and all bonds issued hereunder shall
be signed by the president of the board of
trustees and attested by the clerk, with the
seal of the district, if any, affixed, and interest
coupons attached thereto shall be attested by
the signature of the clerk.

The proceeds of any bond issue made under
the provisions of this section shall be used
only for the purpose of acquiring, locating,
laying out, establishing and constructing
storm drainage facilities, conduits, treatment
plants, pumping plants, works, ditches, channels and
outlets of such capacity and character as may
be required for the treatment, carrying off
and disposal of the sewage and industrial
wastes and other drainage incidental thereto
of such district, or to repair, change, enlarge
and add to such facilities as may be necessary
or proper to meet the requirements present
and future for the purposes aforesaid. Pro-
cceeds from such bond issue may also be used
for the payment of special assessment de-

cificacies. Said bonds shall be payable in not
more than twenty annual installments and at
interest not exceeding five percent per annum,
and shall be made payable at such place and
be of such form as the board of trustees shall
by resolution designate. Any sanitary district
issuing bonds as authorized in this section is
hereby granted authority to pledge the future
avails of a tax levy not exceeding five mills
per annum to the payment of the principal and
interest of such bonds after the same come
due, and the power to impose and certify said
levy is hereby granted to the trustees of san

of this chapter. [C16, 50, 54, 58, §358.21]

358.22 Special assessments. The board of
trustees of any sanitary district may provide
for payment of all or any portion of the costs
and expenses of constructing, reconstructing,
or extending any drains, sewers, or laterals,
and other necessary adjuncts thereto, includ-
ing pumping stations, by assessing all, or any
portion thereof, on abutting and adjacent prop-

and for this purpose said board may define ad-
jaent property as all that included within a
designated benefited district or districts to be
fixed by the board, which may be all of the
property located within the sanitary district
or any lesser portion thereof. It shall consti-
tute no objection to any special assessment
that the improvement for which the same is
levied is outside the limits of such sanitary
district, but no special assessment shall be
made upon property situated outside of such
sanitary district. Special assessments shall be
in proportion to the special benefits conferred
upon the property thereby, and not in excess
of such benefits, and the same shall not exceed
twenty-five percent of the actual value of the
property at the time of levy, and the last pre-
ceding assessment roll shall be taken as prima-
facie evidence of such value.

Such assessments may be made to extend
over a period of ten years, payable in as near-
ly equal annual installments as practicable,
and certificates or bonds may be issued in an-
358A.1 Where applicable. The provisions of this chapter shall be applicable to any county of the state at the option of the board of supervisors of any such county. [C50, 54, 58, 62,§358A.1]

Referred to in §§358A.3, 358A.25

358A.2 Farms exempt. No regulation or ordinance adopted under the provisions of this chapter shall be construed to apply to land, farm houses, farm barns, farm outbuildings or other buildings, structures, or erections which are primarily adapted, by reason of nature and area, for use for agricultural purposes, while so used; provided, however, that such regulations or ordinances which relate to any structure, building, dam, obstruction, deposit or excavation in or on the flood plains of any river or stream shall apply thereto. [C50, 54, 58, 62,§358A.2; 60GA, ch 218,§2]

Referred to in §§358A.3, 358A.25

358A.3 Powers. Subject to the provisions of sections 358A.1 and 358A.2, the board of supervisors of any county is hereby empowered to regulate and restrict the height, number of structures, and size of buildings and other structures, the percentage of lot that may be occupied, the size of yards, courts and other open spaces, the density of population, and the location and use of buildings, structures, and land for trade, industry, residence or other purposes, and to regulate, restrict and prohibit the use for residential purposes of tents, trailers and portable or potentially portable structures; provided that such powers shall be exercised only with reference to land and structures located within the county but lying outside of the corporate limits of any city or town. The board of supervisors of any county may prescribe and charge a reasonable building permit fee, and upon receipt of an application containing all required information, in due form and properly executed, showing that the proposed structure will comply with all applicable regulations of the political subdivision in which it is to be located and upon payment of the required permit fee, the board of supervisors shall, within seven days, issue a permit to the applicant. [C50, 54, 58, 62,§358A.3]

358A.4 Areas and districts. For any and all of said purposes the board of supervisors may divide the county, or any area or areas within the county, into districts of such number, shape, and area as may be deemed best suited to carry out the purposes of this chapter; and within such districts it may regulate and restrict the erection, construction, reconstruction, alteration, repair, or use of buildings, structures or land. All such regulations and restrictions shall be uniform for each class or kind of buildings throughout each district, but the regulations in one district may differ...

from those in other districts. [C50, 54, 58, 62, §358A.4]

358A.5 Objectives. Such regulations shall be made in accordance with a comprehensive plan and designed to lessen congestion in the street or highway; to secure safety from fire, flood, panic, and other dangers; to protect health and the general welfare; to provide adequate light and air; to prevent the overcrowding of land; to avoid undue concentration of population; to facilitate the adequate provision of transportation, water, sewerage, schools, parks and other public requirements.

Such regulations shall be made with reasonable consideration, among other things, as to the character of the area of the district and the peculiar suitability of such area for particular uses, and with a view to conserving the value of buildings and encouraging the most appropriate use of land throughout such county. [C50, 54, 58, 62,§358A.5; 61GA, ch 374,§4]

358A.6 Public hearings. The board of supervisors shall provide for the manner in which such regulations and restrictions and the boundaries of such districts shall be determined, established, and enforced, and from time to time amended, supplemented or changed. However, no such regulation, restriction, or boundary shall become effective until after a public hearing in relation thereto, at which parties in interest and citizens shall have an opportunity to be heard. At least fifteen days notice of the time and place of such hearing shall be published in a paper of general circulation in such county. Such notice shall state the location of the district affected by naming the township and section, and the boundaries of such district shall be expressed in terms of streets or roads wherever possible. [C50, 54, 58, 62,§358A.6; 60GA, ch 227,§1]

Referred to in §358A.7

358A.7 Changes and amendments. Such regulations, restrictions, and boundaries may, from time to time, be amended, supplemented, changed, modified, or repealed. In case, however, of a protest against such change signed by the owners of twenty percent or more either of the area included in such proposed change, or of the area immediately adjacent thereto and within five hundred feet of the boundaries thereof, such amendment shall not become effective except by the favorable vote of at least sixty percent of all of the members of the board of supervisors. The provisions of section 358A.6 relative to public hearings and official notice shall apply equally to all changes or amendments. [C50, 54, 58, 62,§358A.7]

358A.8 Commission appointed. In order to avail itself of the powers conferred by this chapter, the board of supervisors shall appoint a commission, to be known as the county zoning commission, to recommend the boundaries of the various original districts, and appropriate regulations and restrictions to be enforced therein. Such commission shall, with due diligence, prepare a preliminary report and hold public hearings thereon before submitting its final report; and the board of supervisors shall not hold its public hearings or take action until it has received the final report of such commission. After the adoption of such regulations, restrictions, and boundaries of districts, the zoning commission may, from time to time, recommend to the board of supervisors amendments, supplements, changes or modifications. [C50, 54, 58, 62,§358A.8]

358A.9 Administrative officer. The board of supervisors shall appoint an administrative officer authorized to enforce the resolutions or ordinances so adopted by the board of supervisors. Such administrative officer may be a person holding other public office in the county, or in a city or other governmental subdivision within the county, and the board of supervisors is authorized to pay to such officer out of the general fund such compensation as it shall deem fit. [C50, 54, 58, 62, §358A.9]

358A.10 Board of adjustment. The board of supervisors shall provide for the appointment of a board of adjustment, and in the regulations and restrictions adopted pursuant to the authority of this chapter shall provide that the said board of adjustment may, in appropriate cases, and subject to appropriate conditions and safeguards, make special exceptions to the terms of the ordinances or regulations in harmony with its general purpose and intent and in accordance with the general or specific rules therein contained, and provide that any property owner aggrieved by the action of the board of supervisors in the adoption of such regulations and restrictions may petition the said board of adjustment direct to modify regulations and restrictions as applied to such property owners. [C50, 54, 58, 62,§358A.10]

358A.11 Membership of board. The board of adjustment shall consist of five members each to be appointed for a term of five years, excepting that when the board shall first be created one member shall be appointed for a term of five years, one for a term of four years, one for a term of three years, one for a term of two years, and one for a term of one year. Members shall be removable for cause by the appointing authority upon written charges and after public hearing. Vacancies shall be filled for the unexpired term of any member whose term becomes vacant. [C50, 54, 58, 62,§358A.11]

358A.12 Rules and regulations. The board shall adopt rules in accordance with the provisions of any regulation or ordinance adopted pursuant to this chapter. Meetings of the board shall be held at the call of the chairman and at such other times as the board may determine. Such chairman, or in his absence, the acting chairman, may administer oaths and compel the attendance of witnesses. All meetings of the board shall be open to the public. The board shall keep minutes of its
proceedings, showing the vote of each member upon each question, or if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the board and shall be a public record. [C50, 54, 58, §358A.12]

§358A.13 Appeals to board. Appeals to the board of adjustment may be taken by any person aggrieved or by any officer, department, board or bureau of the county affected by any decision of the administrative officer. Such appeal shall be taken within a reasonable time, as provided by the rules of the board of adjustment, by filing with the officer from whom the appeal is taken and with the board of adjustment a notice of appeal specifying the grounds thereof. The officer from whom the appeal is taken shall forthwith transmit to the board of adjustment all the papers constituting the record upon which the action appealed from was taken. [C50, 54, 58, 62, §358A.13]

§358A.14 Stay of proceedings. An appeal stays all proceedings in furtherance of the action appealed from, unless the officer from whom the appeal is taken certifies that by reason of facts stated in the certificate a stay would, in his opinion, cause imminent peril to life or property. In such case proceedings shall not be stayed otherwise than by a restraining order which may be granted by the board of adjustment or by a court of record on application on notice to the officer from whom the appeal is taken and on due cause shown. [C50, 54, 58, 62, §358A.14]

§358A.15 Powers of board. The board of adjustment shall have the following powers:

1. To hear and decide appeals where it is alleged there is error in any order, requirement, decision or determination made by an administrative official in the enforcement of this chapter or of any ordinance adopted pursuant thereto.

2. To hear and decide special exceptions to the terms of the ordinance upon which such board is required to pass under such ordinance.

3. To authorize upon appeal, in specific cases, such variance from the terms of the ordinance as will not be contrary to the public interest, where owing to special conditions a literal enforcement of the provisions of the ordinance will result in unnecessary hardship, and so that the spirit of the ordinance shall be observed and substantial justice done. [C50, 54, 58, 62, §358A.15]

§358A.16 Decision. In exercising the above mentioned powers such board may, in conformity with the provisions of this chapter, reverse or affirm, wholly or partly, or modify the order, requirement, decision, or determination appealed from and may make such order, requirement, decision, or determination as ought to be made, and to that end shall have all the powers of the officer from whom the appeal is taken. [C50, 54, 58, 62, §358A.16]

§358A.17 Vote required. The concurring vote of three members of the board shall be necessary to reverse any order, requirement, decision, or determination of any such administrative official, or to decide in favor of the applicant on any matter upon which it is required to pass under any such ordinance or to effect any variation in such ordinance. [C50, 54, 58, 62, §358A.17]

§358A.18 Petition to court. Any person or persons, jointly or severally, aggrieved by any decision of the board of adjustment under the provisions of this chapter, or any taxpayer, or any officer, department, board or bureau of the county, may present to a court of record a petition, duly verified, setting forth that such decision is illegal, in whole or in part, specifying the grounds of the illegality. Such petition shall be presented to the court within thirty days after the filing of the decision in the office of the board. [C50, 54, 58, 62, §358A.18]

§358A.19 Review by court. Upon the presentation of such petition, the court may allow a writ of certiorari directed to the board of adjustment to review such decision of the board of adjustment and shall prescribe therein the time within which a return thereto must be made and served upon the realtor’s attorney, which shall not be less than ten days and may be extended by the court. The allowance of the writ shall not stay proceedings upon the decision appealed from, but the court may, on application, on notice to the board and on due cause shown, grant a restraining order. [C50, 54, 58, 62, §358A.19]

§358A.20 Record advanced. The board of adjustment shall not be required to return the original papers acted upon by it, but it shall be sufficient to return certified or sworn copies thereof or of such portions thereof as may be called for by such writ. The return shall concisely set forth such other facts as may be pertinent and material to show the grounds of the decision appealed from and shall be verified. [C50, 54, 58, 62, §358A.20]

§358A.21 Trial to court. If upon the hearing which shall be tried de novo it shall appear to the court that testimony is necessary for the proper disposition of the matter, it may take evidence or appoint a referee to take such evidence as it may direct and report the same to the court with his findings of fact and conclusions of law, which shall constitute a part of the proceedings upon which the determination of the court shall be made. The court may reverse or affirm, wholly or partly, or may modify the decision brought up for review.

Costs shall not be allowed against the board unless it shall appear to the court that it acted with gross negligence or in bad faith or with malice in making the decision appealed from. [C50, 54, 58, 62, §358A.21]
§358A.22 Precedence. All issues in any proceedings under the foregoing sections shall have preference over all other civil actions and proceedings. [C50, 54, 58, 62, §358A.22]

§358A.23 Restraining order. In case any building or structure is erected, constructed, reconstructed, altered, repaired, converted, or maintained; or any building, structure, or land is used in violation of this chapter or of any ordinance or other regulation made under authority conferred thereby, the board of supervisors, in addition to other remedies, may institute any appropriate action or proceedings to prevent such unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance, or use, to restrain, correct, or abate such violation, to prevent the occupancy of said building, structure, or land, or to prevent any illegal act, conduct, business, or use in or about such premises. [C50, 54, 58, 62, §358A.23]

§358A.24 Conflict with other regulations. Wherever the regulations made under authority of this chapter require a greater width or size of yards, courts or other open spaces, or require a lower height of building or less number of stories, or require a greater percentage of lot to be left unoccupied, or impose other higher standards than are required in any other statute or local ordinance or regulation, the provisions of the regulations made under authority of this chapter shall govern. Wherever the provisions of any other statute or local ordinance or regulation require a greater width or size of yards, courts or other open spaces, or require a lower height of building or a less number of stories, or require a greater percentage of lot to be left unoccupied, or impose other higher standards than are required by the regulations made under authority of this chapter, the provisions of such statute or local ordinance or regulation shall govern. Wherever any regulation proposed or made under authority of this chapter relates to any structure, building, dam, obstruction, deposit or excavation in or on the flood plains of any river or stream, prior approval of the Iowa natural resources council shall be required to establish, amend, supplement, change, or modify such regulation or to grant any variation or exception therefrom. [C50, 54, 58, 62, §358A.24; 61GA, ch 374, §5]

§358A.25 Plumbing code enforced. Subject to the provisions of sections 358A.1 and 358A.2, the board of supervisors of any county is further authorized to adopt regulations to provide that every dwelling, whether now or hereafter erected within the county but outside the corporate limits of any city or town which shall develop a private water supply or install a pressure water system or install sanitary house drains, shall comply with the recommendations of the state department of health on minimum requirements as set out in the state plumbing code* in regard to such development or installation. Any such regulation may be enforced in the same manner as any other regulation adopted under this chapter. [C50, 54, 58, 62, §358A.25]

*See §135.11, subsection 8 and Iowa Departmental Rules

§358A.26 Penalty. In addition to any other remedy granted herein, the violation on any regulation, restriction or boundary adopted under this chapter or the occupancy or use of any structure erected, altered or maintained in violation of this chapter shall constitute a misdemeanor. Such occupancy or use shall be deemed a continuing violation and may be the subject of repeated prosecutions if so continued. Every person convicted of a misdemeanor, by reason of violations hereinafore set forth, shall be punished by a fine of not more than one hundred dollars or by imprisonment of not more than thirty days. [C50, 54, 58, 62, §358A.26]

CHAPTER 358B
COUNTY LIBRARIES

358B.1 Power to establish. Counties may provide for the formation and maintenance of free public libraries open to the use of all inhabitants under proper regulations, and may purchase, erect, or rent buildings or rooms suitable for this purpose and provide for the compensation of necessary employees. [C50, 54, 58, 62, §358B.1]

358B.2 Library districts formed. A county library district may be established composed of one county or two or more adjacent counties and may include or exclude the entirety of a city or town partly within one of the counties. Electors residing within the proposed district in a number not less than five percent of
those voting for governor within said district at the last general election may petition the board of supervisors of the county or counties for the establishment of such county library district. Said petition shall clearly designate the area to be included in the district.

The board of supervisors of each county containing area within the proposed district shall submit the proposition to the electors within their respective counties at any general or primary election provided said election occurs not less than forty days after the filing of the petition.

A county library district shall be established, if a majority of the electors, voting on the proposition and residing outside of cities and towns maintaining a free public library as provided by section 378.1 favor it.

The result of the election within cities and towns maintaining a free public library under the above-mentioned provision shall be considered separately, and no such city or town shall be included within the county library district unless a majority of its electors, voting on the proposition, favor its inclusion. In such cases the boundaries of an established district may vary from those of the proposed district.

After the establishment of a county library district other areas may be included by mutual agreement of the board of trustees of the county library district and the governing body of the area sought to be included. [C50, 54, 58, §358B.2]

**358B.3 Gifts accepted.** Counties may receive, hold and dispose of all gifts, donations, devises, and bequests that may be made to them for the purpose of establishing, increasing, or improving any library. When the conditions thereof have been accepted by the county, their use for the county library may be enforced against the county board of supervisors by the library board by an action of mandamus or by other proper action. [C50, 54, 58, §358B.3]

**358B.4 Library trustees.** In any county or counties in which a library district has been established a board of library trustees, consisting of five, seven, or nine electors of the library district, shall be appointed by the board or boards of supervisors of the county or counties comprising such library district. Membership on the library board shall be apportioned between the rural and city and town areas of the district in proportion to the population in each of such areas. In the event the library district is composed of two or more counties, representation on said library board shall be equitably divided between or among said counties in proportion to the population in each of such counties. [C50, 54, 58, §358B.4]

**358B.5 Terms.** Of said trustees so appointed on boards to consist of nine members, three shall hold office for two years, three for four years, and three for six years; on boards to consist of seven members, two shall hold office for two years, two for four years, and three for six years; and on boards to consist of five members, one shall hold office for two years, two for four years, and two for six years, from the first day of July following their appointment in each case. At their first meeting they shall cast lots for their respective terms, reporting the result of such lot to the board of supervisors. All subsequent appointments, whatever the size of the board, shall be for terms of six years each. Vacancies shall be filled for unexpired terms by the governing body of the taxing unit of the district represented by the retiring member. [C50, 54, 58, §358B.5]

**358B.6 Removal or absence of trustee.** The board of library trustees may declare the office of a trustee vacant by his removal from the library district or his unexplained absence from six consecutive regular meetings. [C50, 54, 58, §358B.6]

**358B.7 No compensation.** Members of said board shall receive no compensation for their services. [C50, 54, 58, §358B.7]

**358B.8 Powers.** Said board of library trustees shall have and exercise the following powers:

1. To meet and organize by the election of one of their number as president of the board, and by the election of a secretary and such other officers as the board may deem necessary.

2. To have charge, and supervision of the public library, its appurtenances and fixtures, and rooms containing the same, directing and controlling all the affairs of such library.

3. To employ a librarian, such assistants and employees as may be necessary for the proper management of said library, and fix their compensation; but, prior to such employment, the compensation of such librarian, assistants, and employees shall be fixed for the term of employment by a majority of the members of said board voting in favor thereof.

4. To remove such librarian, assistants, or employees by a vote of two-thirds of such board for misdemeanor, incompetency, or inattention to the duties of such employment.

5. To select and make purchases of books, pamphlets, magazines, periodicals, papers, maps, journals, furniture, fixtures, stationery, and supplies for such library.

6. To authorize the use of such libraries by school corporations or by nonresidents of the area which is taxed to support such libraries and to fix charges therefor.

7. To make and adopt, amend, modify, or repeal bylaws, rules, and regulations, not inconsistent with law, for the care, use, government, and management of such library and the business of said board, fixing and enforcing penalties for the violation thereof.

8. To have exclusive control of the expenditures of all taxes levied for library purposes as provided by law, and of the expenditures of all moneys available by gift or otherwise
§358B.8, COUNTY LIBRARIES

for the erection of library buildings, and of all other moneys belonging to the library fund, including fines and rentals collected under the rules of the board of trustees. Said board shall keep a record of its proceedings.

9. To accept gifts of any property, including trust funds; to take the title to said property in the name of said library; to execute deeds and bills of sale for the conveyance of said property; and to expend the funds received by them from such gifts, for the improvement of said library. [C50, 54, 58, 62, §358B.8]

358B.9 Methods of service. Library service shall be accomplished by one or more of the following methods in whole or in part:

1. By the establishment of depositaries of books or other educational materials to be loaned at stated times and places.

2. By the transportation of books or other educational materials by conveyances for lending the same at stated times and places.

3. By the establishment of branch libraries for lending books and other educational materials.

4. By contracting for library service with the trustees of a free public library of any city or town. [C50, 54, 58, 62, §358B.9]

358B.10 Library fund. All moneys received and set apart for the maintenance of such library shall be deposited in the treasury of such county to the credit of the library fund, and shall be kept by the treasurer separate and apart from all other moneys, and paid out upon the orders of the board of trustees, signed by its president and secretary.

Provided that where a free public library is maintained jointly by two or more counties, the library trustees may elect a library treasurer therefor, and it shall be the duty of the city and county treasurers to pay over to said library treasurer any and all library taxes that may be collected by them monthly.

Such library treasurer shall be required to furnish a bond conditioned as provided by section 64.2 in such amount as agreed upon by the boards of supervisors and the cost thereof shall be paid by the counties. [C50, 54, 58, 62, §358B.10]

358B.11 Annual report. The board of trustees shall, immediately after the close of each fiscal year, make to the board of supervisors a report containing a statement of the condition of the library, the number of books added thereto, the number circulated, the number not returned or lost, the amount of fines collected, and the amount of money expended in the maintenance thereof during such year, together with such further information as it may deem important. [C50, 54, 58, 62, §358B.11]

358B.12 Real estate acquired. In any county in which a free library has been established, the board of library trustees may condemn real estate in the name of the county for the location of library buildings and branch libraries, and for the purpose of enlarging the grounds thereof. [C50, 54, 58, 62, §358B.12]

358B.13 Maintenance expense on proportionate basis. The maintenance of a county library shall be on a proportionate population basis whereby each taxing unit as hereinafter defined shall bear its share in proportion to its population to the whole of said county library district. The board of library trustees shall on or before July 10 of each year make an estimate of the amount it deems necessary for the maintenance of the county library and shall transmit said estimate in dollars to the board or boards of supervisors and to the city and town councils within the district. The entire rural area of each county in the library district shall be considered as a separate taxing unit. Each city and town which is a part of the county library district shall be considered as a separate taxing unit. The board of supervisors and the council of each city and town composing said county library district shall make the necessary millage levies accordingly for library maintenance purposes of not to exceed two mills. Any unexpended balance in the library maintenance fund at the end of the fiscal year shall remain in said fund and be available without reappropriation. [C50, 54, 58, 62, §358B.13]

358B.14 Not applicable to contract service. The provisions of this chapter pertaining to the establishment of a county library district shall not apply to any area receiving library service from any city or town library under the provisions of chapter 378, unless the petition for a county library district shall, in addition to the required signatures of electors, be signed by the governing body of the area receiving library service under contract. [C50, 54, 58, 62, §358B.14]

358B.15 Existing contracts assumed. Whenever a county library district is established the board of trustees thereof shall assume all the obligations of the existing contracts made by cities, towns, townships, school corporations or counties to receive library service from free public libraries. [C50, 54, 58, 62, §358B.15]

358B.16 Withdrawal of city or town from district. Whenever any incorporated city or town, having maintained an association library for at least ten years prior to the establishment of a county library which has become a part of the tax supported city or town library and being a part of the county library district, and having levied a tax of its own equal or greater than that of the county library district for the same purpose, shall decide to withdraw from the county library district, it may do so by giving notice by certified mail to the board of library trustees of said county library and the county auditor prior to July 10, by the governing body of said incorporated city or town, of its withdrawal from the county library district, and thereafter said incorporated city or town, shall cease to be a part of or included in said county library district. [C54, 58, 62, §358B.16]

The board shall not change the lines of any civil township so as to divide any school township or district, unless a majority of the voters of said school township or district shall petition therefor, except in cases where such boundary lines are changed to conform to congressional township lines. The commission shall, within ninety days after the beginning of each competitive examination for original appointment or for promotion, certify to the city council a list of the names of the ten persons who qualify with the highest standing as a result of each examination for the position they seek to fill, or such number as may have qualified if less than
ten, in the order of their standing, and all newly created offices or other vacancies in positions under civil service which shall occur before the beginning of the next examination for such positions shall be filled from said lists, or from the preferred list existing as provided for in case of diminution of employees, within thirty days. Preference for temporary service in civil service positions shall be given those on such lists.

§381.11 Notice—conditions. Such notice shall specify the time and place of holding the election, the proposed location of the bridge to be aided, the rate percent of tax to be levied, the amount which the board of supervisors is authorized to cause to be collected each year, and all the conditions in the petition.

In case of proposed aid to a private corporation, the notice shall also state its name, the amount of work required to be done on such bridge, and any other conditions which are to be performed before said tax or any part thereof shall become due and payable. Such notice may also contain terms and conditions to be performed by said corporation receiving such aid after the completion of such bridge, which terms and conditions shall be obligatory and binding upon it, its successors and assigns. [C97, §761; C24, 27, 31, 35, 39, §5884; C46, 50, 54, 58, 62, §381.11]

§381.12 Certification of tax. At such election the question of taxation shall be submitted to the electors thereof. If a majority of the votes be for taxation, the clerk of such city or town shall forthwith certify to the county auditor of the proper county the result, the rate percent of the tax voted, the year or years during which the same is to be collected, the amount to be collected each year, the terms and conditions upon which the same when collected is to be paid, and, if aid is voted to a private corporation, its name, together with a copy of the notice under which the election was held. The certificate shall be filed with the county auditor, who shall cause the same to be recorded in the office of the recorder of deeds. The expenses of the giving of the notice and holding the election shall be audited and paid out of the county treasury as other claims against the county. [C97, §762; C24, 27, 31, 35, 39, §5885; C46, 50, 54, 58, 62, §381.12]

[C97, §763; C24, 27, 31, 35, 39, §5886; C46, 50, 54, 58, 62, §381.13]

Referred to in §§381.15, 381.18, 382.3

§381.14 Collection — payment. Said taxes shall be collected in the same manner, subject to the same penalties for nonpayment after delinquent, and to the same laws after they are collected or collectible, as other taxes, in conformity with the terms and conditions of the notice of election; when collected they shall be paid by the county treasurer, on the order of the board of supervisors, specifying the special bridge fund from which each order is payable; but in no case shall said board make such order until the conditions specified in the petition and notice have been complied with. Such taxes, when payable to the city or town, shall be paid over as other city or town taxes. When payable to a private corporation, they shall be paid over by the county treasurer to such corporation, upon the order of the president or a majority of the directors thereof, after said council shall have certified to the county treasurer that the conditions required, as set forth in the notice for the special election at which the tax was voted, have been complied with, and the council, or a majority of its members, shall make such certificate whenever such conditions shall have been so performed. [C97, §764; C24, 27, 31, 35, 39, §5887; C46, 50, 54, 58, 62, §381.14]

§381.15 Forfeiture. Should any taxes levied under the provisions of sections 381.9 to 381.14 remain in the county treasury more than one year after the same shall have been collected, the right to them shall be forfeited and they shall be refunded to the taxpayers; and the board of supervisors shall cause any remaining levy to be canceled and stricken from the tax books, which cancellation shall remove all liens created thereby, and it shall make no further levies under said certificate. [C97, §765; C24, 27, 31, 35, 39, §5888; C46, 50, 54, 58, 62, §381.15]

§381.16 Contract for use of bridge. Cities situated on a river wholly in the state, or one forming its boundary line, and from which to the opposite shore a bridge has been or may be
constructed by any railroad company, corporation, or person, shall have power to contract with the railroad company, corporation, or person owning such bridge for the use of the same as a public highway; which contract may be for the joint use of such bridge, or for the sole use of such portion thereof as may be devoted or adapted to highway travel; and may assume the sole liability, or any portion thereof, for damages to persons or property by reason of their being on any portion of said bridge or approach to either end thereof, caused by the running of cars or locomotives thereon by any corporation, company, or person entitled to its use, whether the damage results from the negligence of the person engaged in running said cars or locomotives or otherwise, and to indemnify the owners of said bridge, and all others entitled to use the same, from liability for damage so caused, to the extent or proportion thereof assumed in said contract; and the city may thereafter, and during the continuance of said contract, manage and control said bridge so far as necessary to regulate the highway travel thereon, and may regulate the same as a free or toll bridge, and prescribe such rates of toll as to it from time to time shall seem proper, and make all necessary police regulations for the government of the highway travel thereon, and levy the necessary tax, not exceeding in any one year two and one-half mills on the dollar, for the purpose of carrying out the terms of such contract. [C97,§766; C24, 27, 31, 35, 39,§5890; C46, 50, 54, 58, 62,§381.17]

381.17 Tax to purchase. Any city in this state which has voted aid to any company for the construction of a highway or combination bridge across any navigable boundary river of this state, a condition of which vote, or the purpose of carrying out the terms of such bridge, and the proceeding in such case shall be the same as provided in sections 381.17, 381.18, and 381.19, except that the petition to the city council shall be signed by a majority of the resident freehold taxpayers of the territory in which the vote is to be had, and the taxes, when voted and properly certified, shall be levied only upon the property in such territory. [S13,§766-d; C24, 27, 31, 35, 39,§5892; C46, 50, 54, 58, 62,§381.20]
§382.1, CITIES AND TOWNS—INTERSTATE BRIDGES 1460
was granted to said city has expired or not, at
any time after the taxes so voted in aid of such
construction of such bridge have been paid
over to said company, may vote an additional
tax not exceeding one and one-fourth percent
upon the taxable property of said city for the
purpose of procuring funds with which to
enable such city to purchase said bridge, such
taxes to be payable in such annual install-
ments as the electors of said city may deter-
mine, such determination by the electors to be
at an election called for that purpose, and the
notice submitting such question shall state the
price to be paid for such bridge, including
its approaches. [C24, 27, 31, 35, 39,$5894; C46,
50, 54, 58, 62,$382.1]

382.2 Proceedings attending purchase. The
mayor and city council of such city shall have
power to enter into a contract with the corpo-
ation or company owning such bridge for the
purchase thereof together with its franchises
at a price to be agreed upon, which price shall
not be greater than the value of such bridge
or the cost thereof, with the taxes so voted and
paid over by the authorities of said city de-
duced therefrom.

Unless there is an appraisement as hereinafter
provided the original cost of construction
shall be considered the value thereof.

No such contract shall become binding upon
said city until the same has been submitted to the
electors of said city and approved by them
by the affirmative vote of a majority of the
electors voting for or against the same; the question of the levy of such tax shall be sub-
mitted to such electors at the same election, the affirmative vote of a majority of all electors
voting for or against the same being necessary
to make the contract binding on said city.

If at such election the proposition to make such purchase upon the terms and at the price
named in the question submitted and the proposition to vote such tax shall either of them be defeated by not receiving the affirmative
vote of a majority of all electors voting for or against the same, such contract shall be
considered at an end and said tax defeated.
[C24, 27, 31, 35, 39,$5895; C46, 50, 54, 58, 62,
§382.2]

382.3 Form of submission. The questions as to whether the said contracts shall become
binding upon the said city, and the taxes levied or bonds issued by the city authorities, shall, when submitted to the electors of said
city, be submitted in the form and manner pro-
vided by sections 381.10 to 381.14, inclusive, so
far as the same are applicable thereto. [C24,
27, 31, 35, 39,$5896; C46, 50, 54, 58, 62,$382.3]

382.4 Appraisers—fees. In case a majority
of the members of the city council of such city
shall by resolution declare their wish to have
the said city purchase said bridge, its appro-
aches and franchises, and be unable to agree with the owner of such bridge upon the
value thereof, such value shall be ascertained
by three appraisers named by the governor of Iowa, no one of whom shall be an officer, em-
ployee, or stockholder of such owner of said
bridge, or a taxpayer or voter in the city
proposing to make such purchase or in the
county of the state opposite and adjoining said
bridge. Such appraisers shall be paid fifteen
dollars per day for the time necessarily and
actually employed in making such appraise-
ment, together with their actual and necessary
traveling expenses, the same to be paid by the
city. [C24, 27, 31, 35, 39,$5897; C46, 50, 54, 58,
62,$382.4]

382.5 Tolls. If any such city shall thus
become the owner of any such bridge, the city
council shall have power from time to time to
fix the rates of toll or charges for passing over
the bridge, which tolls shall be large enough
to pay for the maintenance and operating ex-
penses, interest upon any bonds issued for its
purchase, and sufficient after five years to
provide a sinking fund of at least five percent
of such outstanding bonds, and for their pay-
ment at maturity. [C24, 27, 31, 35, 39,$5898;
C46, 50, 54, 58, 62,$382.5]

382.6 Management and maintenance. If any
such city shall thus become the owner of any
such bridge, it shall operate the same by offi-
cers or employees selected by the mayor and
approved by the city council of said city, who
shall have police powers and shall maintain
order upon said bridge. One of such officers
shall be superintendent and authorized to
make proper inspection of the structure, see
that the same is at all times kept in repair and
safe for the traveling public, and that the
navigation laws and regulations of the United
States are observed.

The said city shall have power to prescribe
and enforce proper regulations respecting the
passing of stock in droves, and persons and
vehicles over said bridge.

Such bridge shall be kept open for travel at
all hours of the day or night unless some un-
avoidable accident shall make such travel for
the time unsafe.

The rates of toll and copies of such regula-
tions shall be kept posted at each end of such
bridge. [C24, 27, 31, 35, 39,$5899; C46, 50, 54,
58, 62,$382.6]

wise, any existing bridge, including approaches
and avenues, rights of way or easements of
access to approaches, necessary real and per-

and operate any such bridges as toll or free
bridges, either or both from time to time, for
public use and travel of all kinds by railroads,
street railways, bus lines, vehicles, and pedes-
trians and other uses, any or all as may be
determined by the governing body of the city,
and to use same for public utility purposes,
and to fix the rates of toll or the charges for
the use of same, and to grant nonexclusive
franchises for use of same as public utility
purposes upon such terms and conditions as
may be prescribed by ordinance, and to exer-
cise all such powers within the city limits and
five miles outside thereof within the state of
Iowa, and any adjoining state, but only across
any navigable or nonnavigable stream forming
the boundary between such states, after hav-
ing obtained any authority which may be nec-
essary from such states and the United States,
and to exercise such powers either directly
through the governing body of the city or any
committee thereof or through a bridge com-
misson created as in this chapter provided, or
part any one and part any other. [C31, 35,
§5899-c1; C99,$5999.01; C46, 50, 54, 58, 62,§383.1]

383.2 Joint power. Any power in this chap-
ter granted to the city may be exercised by
the city independently or in co-operation with
or aid of similar action by any other city or
any county in Iowa, or any city or county in
an adjoining state, or the state of Iowa or any
adjoining state or states, or the government of
the United States where such other political
unit has been authorized by law to exercise
the necessary powers. Such joint action may
be directly by the governing body of the city
or through the medium of a joint bridge com-
misson subject to the same conditions pro-
vided in this chapter for independent action.
[C31, 35,$5899-c2; C99,$5999.02; C46, 50, 54, 58,
62,$383.2]

383.3 Utility franchises for use of bridge.
The cities specified in this chapter through the
governing bodies thereof are authorized and
empowered to grant franchises for the non-
exclusive use of the bridges acquired under
this chapter to public utilities upon such terms,
conditions, and for such consideration as such
cities may impose whether incident to or part
of the purchase of an existing bridge and
rights of utilities in connection therewith, or
otherwise, and thereafter to extend the dura-
tion or to amend the terms and conditions
ter thereof. Any such grant shall be made by
the city council by ordinance and no vote of the
electors of the city shall be required. In no
case shall such a grant be made by any bridge
commission. [C31, 35,$5899-c3; C99,$5999.03;
C46, 50, 54, 58, 62,$383.3]

383.4 Conveyance of bridge. In the event
that the state of Iowa, an adjoining state, the
government of the United States, either, any,
or all of them should agree to take over any
bridge acquired by the city under this chapter
and thereafter maintain and operate same as a
free public bridge at its or their expense, then
such city is authorized to convey such bridge
on such conditions to such party or parties.
[C31, 35,$5899-c4; C99,$5999.04; C46, 50, 54, 58,
62,$383.4]

383.5 Power to assign rights. Any such city
may grant the exclusive right to purchase an
existing bridge or to construct a new bridge
and to maintain any such bridge within a dis-
tance not exceeding one mile on each side of
the bridge to be so purchased or constructed,
for the period necessary to reimburse cost
plus not exceeding eight percent thereof for
financing charges, together with interest upon
said cost and charges, but in no event to exceed
ten years, subject to the conditions that at the
termination of which period, such bridge shall become the sole property of the public and thereafter be maintained and operated by the city as a toll or free bridge as such city may determine from time to time in harmony with the other provisions of this chapter and the laws of the United States. Such grant shall be made in the manner and subject to the same conditions as may be provided by law for the granting of franchises. Any such grant or assignment shall by operation of law be subject to the following conditions; the number of officers and employees and the salaries, wages, or compensation thereof shall be reasonable; no person shall be permitted free use of the bridge or use at discriminatory tolls; tolls shall be both adequate to hasten payment for the bridge and reasonable to the public; financing costs shall be reasonable and the city may impose requirements and safeguards as to the conservation of funds and insurance of property; complete statements of operations and finances shall be filed with the city clerk on bond interest dates upon completion of the bridge and upon delivery of same to the city; and the city shall have power to require or itself perform audits and examine the books and call for any reports at any time. The city may enforce these obligations in any court of competent jurisdiction. In any such assignment, same shall by operation of law be subject to the conditions that the plans and specifications, the location, size, type, and method of construction, the boundaries and the estimates of cost of construction and acquisition shall be first submitted to the governing body of the city and receive its approval before any construction shall be commenced or any contract for construction or for financing construction shall be entered into. [C31, 35, §5899-c5; C39, §3899.05; C46, 50, 54, 58, 62, §383.5]

383.6 Existing bridge—purchase, lease, or sublease. If any such city shall desire to purchase, lease, or sublease any existing bridge, and shall have received any such authority as may be necessary from the government of the United States, the governing body thereof may determine the fair value thereof, including all interests of every nature therein, and may by written resolution tentatively offer the owners thereof jointly the price so determined, and if all such owners, within ninety days thereafter, shall file with the city clerk of such city a duly authorized and properly executed written tentative acceptance of such offer, binding themselves to accept same and assign such lease or sublease or convey good and complete title by warranty deed when and if the electors of said city shall authorize such purchase and the necessary funds shall be provided therefor, then upon the filing of such acceptance, the governing body of the city may submit to the electors thereof, at a special election called for that purpose or at any general or city election, within one hundred twenty days after the filing of such acceptance, the question whether such purchase shall be made at the price stated on the ballot and the governing body of the city be authorized to issue bonds of the kind or kinds stated in the proposition and in any such amount as may be required to provide the necessary funds, and the proposition so submitted shall be carried if the majority of the electors voting on such proposition shall vote in favor thereof, and the tentative acceptance of the owners of such bridge shall then become final and binding upon them and may be enforced in any court of competent jurisdiction. Title to and possession of the bridge shall pass upon payment of the consideration therefor. Such purchase may also be made subject to existing mortgages and the assumption of outstanding bonds. If repairing, reconditioning, and reconstruction shall be necessary to place any bridge so purchased or to be purchased in safe, efficient, or convenient condition, the governing body of the city may cause the estimated cost thereof to be included as a part of the cost of such bridge in submitting the proposition of purchase to the electors, or without submitting such additional cost shall, when the purchase has been authorized by the electors, be empowered to issue additional bonds to provide funds for that purpose in an amount not to exceed fifteen percent of the purchase price of the bridge. If within ninety days after this chapter shall have become effective, the governing body of any such city shall not have made any offer to purchase an existing bridge, or shall have made an offer which shall have been rejected by the owners of such bridge, then the owners thereof shall be authorized to submit to the city an offer for the sale, lease, or sublease thereof, and such offer shall within ninety days after its filing with the city clerk and approval by the corporation counsel or city attorney, be submitted by the governing body of the city to the electors of the city at a general or city election, held within that period, or at a special election called for that purpose, provided that the owners of the bridge shall agree to pay all of the costs of such submission to the electors and shall adequately secure such payment at the time of the filing the offer with the city clerk. The form of such offer and execution thereof shall be subject to the approval of the corporation counsel or city attorney, be submitted by the governing body of the city to the electors of the city at a general or city election, held within that period, or at a special election called for that purpose, provided that the owners of the bridge shall agree to pay all of the costs of such submission to the electors and shall adequately secure such payment at the time of the filing the offer with the city clerk. The form of such offer and execution thereof shall be subject to the approval of the corporation counsel or city attorney, be submitted by the governing body of the city to the electors of the city at a general or city election, held within that period, or at a special election called for that purpose, provided that the owners of the bridge shall agree to pay all of the costs of such submission to the electors and shall adequately secure such payment at the time of the filing the offer with the city clerk.
electors at the election herein provided for. Any question submitted at such election shall be carried if the majority of the electors voting on such question shall vote in favor thereof. Title to the bridge and the right to the possession thereof shall vest in the city upon proper legal tender of payment in accordance with the offer so submitted and authority granted by the electors. The acceptance of such offer by the electors shall carry with it the authority hereinbefore provided in this section for the provision of funds for repairs, reconditioning, or reconstruction. At any time during the period of thirty days after the form of any such offer shall have been approved by the corporation counsel or city attorney of the city, the governing body of such city shall have the right to make a counter offer to the owners of such bridge, and if within that period such offer shall be accepted as hereinbefore provided in this section then the offer made by the owners of the bridge and proceedings pursuant thereto herein provided for, shall be abandoned; but if such counter offer shall not be accepted, then the governing body of the city shall proceed with the submission of the offer of the owners of the bridge. During the period of ninety days after the filing of an offer by the owners of the bridge and the approval of the form thereof, the governing body of the city is authorized to hold such public hearings as it may deem advisable, and is empowered to require the disclosure of complete information by the owners of the bridge, and to require the attendance of witnesses and take testimony under oath, and to employ experts and to investigate all matters which may assist the governing body or the electors in determining the questions presented by or growing out of the offer so made. Upon approval by the corporation counsel or city attorney of the form of offer made by the owners of the bridge, such offer shall be published by the city in an official newspaper published in said city, upon three consecutive days. After the corporation counsel or city attorney and the governing body of the city shall have approved the final form in which the offer and proposition is to be submitted to the electors, the city shall cause such proposition to be published on three consecutive days in an official newspaper published in said city to be completed not less than ten days before the date of the election. At the same election at which an offer to sell an existing bridge made by the owners thereof shall be submitted, the governing body of the city is also authorized to submit at the expense of the owners of the bridge an alternative proposition to authorize the construction of a new bridge at an estimated cost to be stated in the proposition and the financing thereof as elsewhere provided for in this chapter for new bridges. The governing body of the city may also, at the same election and at the cost of the owners of the bridge offered for sale, submit the proposition so that the construction of a new bridge shall be authorized only if the city has approved the purchase of the existing bridge shall not be authorized by the electors or the delivery of title and possession shall be unreasonably delayed for any cause. The offer by the owners of the bridge as herein provided for may also be made in any city authorized by the act independently or jointly to such city and any other legally empowered political subdivision in this or an adjoining state, but in such event the time periods provided for in this section to govern the procedure for submission to the electors shall not so run, nor shall the obligation to submit the offer to the electors accrue unless and until the political subdivisions shall have entered into joint contract governing the conditions of purchase and subsequent control and operation in the event the offer shall be legally accepted in the manner provided by the law applicable in each such political subdivisions. The acceptance by the electors of any offer of the owners of the bridge shall by operation of law authorize the governing body of the city in its discretion to subsequently enter into contract with another properly authorized political subdivision in this or an adjoining state to share the cost and the title and control of the bridge so acquired. The owners of a bridge for which an offer is made or by whom an offer is made shall be required to disclose full information as to title and all interest therein, and in the event of the purchase of any such bridge shall be required to deliver good title by warranty deed. [C31, 35, §5899-c6; C39, §5899.06; C46, 50, 54, 58, 62, §383.6]

383.7 Existing bridge — condemnation. If any such city shall desire to acquire any existing bridge or lease thereof or all interest therein by the exercise of the power of eminent domain, and shall have received any such authority as may be necessary from the government of the United States, it may exercise such power in the following manner, or in such manner as Congress may require. The governing body of the city shall in a proposed resolution declare such desire and purpose and request the appointment of commissioners of condemnation as herein provided and shall fix the time for consideration of the proposed resolution, at which time any person interested may appear and be heard or may file written objections to the passage of the resolution. The governing body of the city shall cause notice of the time when said resolution will be considered by it for passage to be given by two publications in some newspaper published in the city, the last of which shall be not less than two weeks nor more than four weeks prior to the day fixed for its consideration. Upon the passage of such resolution, a certified copy thereof shall be filed with the chief justice of the supreme court of the state and said chief justice shall, within ten days there-
after, fix a time for action upon said resolution and give notice to the city and the parties in possession of said bridge, by certified mail, specifying the time and place of hearing fixed by the said chief justice. When the time for hearing shall have arrived the chief justice shall proceed and appoint three competent and disinterested appraisers, at least two of whom must be residents of the state, said appraisers to act as a commission of condemnation, and shall enter an order requiring said commissioners to attend as such commission of condemnation, at the county seat of the county in which said city is located, within ten days after their appointment. Said commissioners of condemnation shall qualify by filing with the clerk of the district court in and for the county in which they are to act, a written oath that they will, to the best of their ability, perform faithfully and impartially all the duties required of them by this chapter. Said commission, when it meets to organize pursuant to the order of the said chief justice or at any time during the proceedings, which may be adjourned from time to time for any purpose, may fix the time for the appearance of any person or persons that any party to the proceedings desires to have joined in the proceedings and whom the commission deems necessary. The time for appearance shall be sufficiently remote to serve notice upon such parties, but if the time for appearance occurs after the proceedings are begun such proceedings may be reviewed by the commission to give all parties a full opportunity to be heard. Persons not voluntarily appearing, but having any right, title, or interest in or to the property which is the subject of condemnation, or any part thereof, who are to be made parties to the proceedings shall be served with notice thereof and of the time and place of meeting of said commission in the manner and for the same length of time as for the service of original notice, either by personal service or by service by publication, the time so set, being the time at which the parties so served are required to appear, and actual personal service of the notice within or without the state shall supersede the necessity for publication. The commission of condemnation appointed hereunder shall have power to summon and swear witnesses, take evidence, order the taking of depositions, require the production of books and papers, and may appoint a shorthand reporter. The commission of condemnation shall select some suitable person to act as clerk and the records kept by such clerk shall constitute the official records of the commission. In the event of a vacancy on the commission of condemnation such vacancy shall be filled by appointment in the manner in which appointments were made and when necessary, by reason of such vacancy, the commission may review any evidence in its record. All acts, including final report, shall be by a majority of such commission. Such commission of condemnation authorized hereby shall determine the value of such bridge, the rights thereunder sought to be appropriated, and make its report in writing, presenting its findings, within one hundred twenty days after its organization, and which report shall be filed with the clerk of the district court of the county in which such city is located. Within ninety days after the filing of the report by said commission if the said city elects to proceed further, the governing body of the city shall introduce an ordinance providing for the submission to the electors of the city the question whether such award shall be confirmed and the property be taken and bonds of the kind or kinds determined by the governing body of the city and stated upon the ballot shall be issued in the amount of said award, such proposition to be submitted within ninety days after said ordinance becomes effective at a special election called for that purpose or at any general or city election, and shall be carried if a majority of the electors voting thereon shall vote in favor thereof. If such proposition is carried, title to the property to be appropriated shall at once vest in said city, and the right to possession shall vest in said city as soon as money in the amount of said award is on deposit with the city treasurer and warrants for the disbursement thereof are available and the interested parties have been notified to that effect provided there exists no actual or legal obstacle to immediate payment. In the event of an appeal, the sum representing the award or awards involved in such appeal or appeals shall not be paid until the same is invested by the city treasurer in bonds of the United States government or in securities designated by the owner of the property taken, at their own risk, and which shall be held in trust until the final disposition of the appeal, the interest on such bonds to be in lieu of interest upon the award. The governing body of the city is authorized, without a further vote of the electors, to issue additional bonds in the amount necessary to pay interest on the award and all costs of the proceedings and any increased interest and costs upon appeal. If the proposition so submitted at the election has been carried, any or all of the persons whose property or interest has been taken may appeal from the finding of value and award within twenty days after the canvass of the election to the district court of the county in which such city is located, by the filing of a petition for appeal with the clerk of said court and by the filing of a bond with said clerk to be approved by him, conditioned for the payment of all costs which may be incurred on any such appeal. The clerk of the district court shall immediately docket said cause and the parties shall proceed in all respects in the trial of said cause in the manner as the original action was inaugurated in said district court. The party appealing, shall, within such time as the district court shall order, file with the clerk of said court a complete transcript of all the proceedings had before the commission of condemnation and either party may use, in the trial of said cause, any portion or all of said
383.8 Preliminary expense — tax — bonds. Cities may levy a tax of not to exceed one-fourth mill* on the dollar on the taxable valuation of such city, to be levied, collected, and appropriated solely to finance preliminary work, including investigation, soundings, employment of engineers and architects, securing of estimates, and any other useful work, or appropriate expense in connection with the proposed acquisition, or construction or purchase of any bridge or bridges and the preliminary financing thereof, and notwithstanding any limitation now or hereafter imposed by law upon the limit of indebtedness, except constitutional limitation, may anticipate such tax and issue bonds with interest coupons maturing in not less than five years, and the provisions of chapter 408 shall be operative as to such bonds and coupons, insofar as they may be applicable and except as set forth in this section. The amount of such bonds may be included as a part of the cost of the bridge and may be repaid out of the proceeds of any bonds issued for permanent financing. [C31, 35, §5899-c5; C39, §5899.08; C46, 50, 54, 58, 62, §383.8]

383.9 Power to issue bonds. To finance any of the purposes or powers provided for in this chapter, the city council or governing body of any such city shall in the first instance determine whether any purchase, condemnation, or construction authorized by this chapter shall be financed by bonds which are general obligations of the city and which may also be supported by a lien or mortgage on the bridge itself or upon the tolls to be derived therefrom, or both, or by revenue bonds as provided for in this chapter and which are charges solely against the revenue to be derived from such bridge through the collection of tolls, or part one kind of bonds and part the other, but shall not have authority to purchase, condemn, nor construct any bridge, nor to issue any bonds, except preliminary bonds specially authorized by this chapter, until a proposition to that effect is submitted by the majority vote of the electors voting on such proposition, which proposition shall indicate the method of acquiring the bridge and the kind or kinds of bonds, at a special election called for that purpose or at any general or city election. This grant of power to issue bonds is in addition to any other which may now have been or hereafter may be conferred upon such city, and shall be free from the restrictions now imposed on cities upon the issuance of bonds and incurring of indebtedness, and subject only to the provisions of the constitution of Iowa. At such election the proposition shall be separate as to each bridge to be acquired or constructed and the amount of bonds may be either a specific amount equal to the estimated total cost of every nature plus not to exceed twenty-five percent, or may be general and authorize the issuance of bonds in such amount as may be found necessary from time to time to complete the acquisition, construction, and equipment of the bridge and all costs incident thereto, or may be part one and part the other. For all purposes of financing, the total cost of any improvement authorized by this chapter may include every item of expense in connection with the project, and among other items shall also include the cost of acquiring every interest of every nature and of every person in any existing bridge, the cost of constructing the superstructure, roadway, and substructure of any bridge, the approaches, and avenues or rights of way of access thereto and necessary real estate in connection therewith, tollhouses and equipment thereof and of the bridge, franchises, easements, rights or damages incident to or consequent upon the complete project, expenses preliminary to construction, including investigation and expenses incident thereto, and prior to and during construction the proper traffic estimates, interest upon bonds, and all such other expenses as after the beginning of operation would be properly chargeable as cost of operation, maintenance, and repairs. [C31, 35, §5899-c9; C39, §5899.09; C46, 50, 54, 58, 62, §383.9]

383.10 Revenue bonds. Cities are hereby authorized to provide funds for the purposes of this chapter by the issuance of revenue bonds of such cities, the principal and interest of which bonds shall be payable solely from the special funds herein provided for such payment and as to which, as shall be required therein, the city shall incur no indebtedness of any kind or nature and to support which the city shall not pledge its credit nor its taxing power nor any part thereof. Such revenue bonds shall bear interest at not more than six percent per annum, payable semiannually, and shall
mature in not more than twenty years from their date or dates and may be made redeemable at the option of the city issuing the same at not more than the par value thereof plus a premium of five percent under such terms and conditions as the governing body of the city may fix prior to the issuance of such bonds. The governing body of the city shall provide the form of such bonds including coupons to be attached thereto to evidence interest payments, which bonds shall be signed by the mayor and countersigned and registered by the city treasurer, under the city's seal, and which coupons shall bear the facsimile signatures of said mayor and the city clerk, and shall fix the denomination or denominations of such bonds and the place or places of payment of principal and interest thereof, which may be at the office of the city treasurer and/or any bank or trust company in the state of Iowa, or in the city of New York, state of New York. The governing body of the city may provide for the registration of such bonds in the name of the owner as to the principal alone or as to both principal and interest. Such bonds may be sold in such manner as the governing body of the city may determine to be for the best interests of the city, taking into consideration the financial responsibility of the purchaser and the terms and conditions of the purchase and the availability of the proceeds of the bonds when required for the payment of the cost, such sale to be at not less than ninety-two cents on the dollar and accrued interest. The proceeds of such bonds shall be deposited, in the first instance, with the city treasurer and thereafter with such depositories as the bridge commission shall direct and the governing body of the city shall approve, and shall be secured in such manner and to such extent as the governing body of the city and the bridge commission shall require, and shall be used solely for the payment of the cost of the bridge or bridges and costs incident thereto as provided for in this chapter, and be drawn upon over the signatures of the chairman or vice-chairman of the bridge commission and the secretary and treasurer thereof, and under such further restrictions, if any, as the governing body of the city may provide. If the face amount of such bonds, less any discount on the sale thereof, shall exceed such cost, the surplus shall be paid into the fund hereinafter provided for payment of the principal and interest of such bonds. The governing body of the city shall have the right to purchase for investment of other funds, and the bridge commission and the governing body of the city shall have the right to purchase for retirement and cancellation any of such bonds that may be outstanding at the market price, but at not exceeding one hundred and five and accrued interest nor exceeding the price, if any, at which the same shall in the same year be redeemable, but all bonds redeemed or purchased out of funds provided by the sale of bridge bonds provided for in this chapter shall forthwith be canceled and shall not again be issued. Prior to the preparation of definitive bonds the governing body of the city may, under like restrictions, issue temporary bonds with or without coupons, exchangeable for definitive bonds upon the issuance of the latter. The governing body of the city may enter into an agreement with any competent trust company as trustee for the holders of such bonds, setting forth the duties of the city and the bridge commission in respect to the construction, maintenance, operation, and insurance of any such bridge, the conservation and application of all funds, the insurance of moneys on hand or on deposit, and the rights and remedies of said trustee and the holders of such bonds, and restricting the individual right of action of bondholders as is customary in trust agreements respecting bonds of corporations. Said trust agreement may contain such provisions for protecting and enforcing the rights and remedies of the trustee and the bondholders as may be reasonable and proper, and also a provision for approval by the original bond purchasers of the appointment of consulting engineers and of the security given by the bridge contractors and by any bank or trust company in which the proceeds of bonds or bridge tolls or other moneys of the bridge commission shall be deposited, and may provide that no contract for construction shall be made without the approval of the consulting engineers. No such bonds shall be issued less and until the issuance of same shall have been submitted by the governing body of the city to the electors thereof and authorized by the vote of the majority voting on such proposition at a special election called for that purpose or at any general or city election. At such election the proposition shall be separate as to the bonds for each bridge to be acquired or constructed and the amount of bonds may be either a specific amount equal to the estimated total cost of every nature plus not to exceed twenty-five percent, or may be general and authorize the issuance of bonds in such amount as may be found necessary from time to time to complete the acquisition, construction, and equipment of the bridge and all costs incident thereto, or may be part one and part the other. The bonds authorized by this section may, at the option of the governing body of the city, be supported by mortgage and deed of trust. [C31, 35,§5899-c10; C39,§5899.10; C46, 50, 54, 58, 62,§383.10]

§383.11 Revenue refunding bonds. Any city which has heretofore or shall hereafter issue revenue bonds under the provisions of this chapter, is hereby authorized to provide for the issuance of revenue refunding bonds of the city for the purpose of refunding any such revenue bonds then outstanding. It shall not be necessary to submit the proposition of issuing such revenue refunding bonds to the electors of the city. In all other respects, the issuance of such revenue refunding bonds, the maturities and other details thereof, the rights of the holders thereof, and the duties of the
city and of the bridge commission, if any, in respect to the same, shall be governed by the provisions of this chapter insofar as the same may be applicable, and by the following provisions:

1. No revenue refunding bonds shall be issued, unless issued to refund revenue bonds which have matured or will mature within three months, or unless the interest rate of the revenue refunding bonds shall be at least one-fourth of one percent less than the interest rate borne by the revenue bonds to be refunded, in which event the entire bond issue may be refunded.

2. No revenue refunding bonds shall be delivered, unless delivered in exchange for revenue bonds to be refunded thereby, except in the amount necessary to provide for the payment of matured or redeemable revenue bonds or revenue bonds maturing or redeemable within three months, including any redemption premium thereon, or all revenue bonds refunded for a lower interest rate as provided in subsection 1.

3. The rates of tolls to be charged for the use of the bridge acquired or constructed from the proceeds of the revenue bonds to be refunded, shall be so fixed and adjusted as to provide a fund sufficient to pay the interest on and the principal of such revenue refunding bonds as the same shall become due, and to provide an additional fund to pay the cost of maintaining, repairing, and operating the bridge. And such tolls shall be continued until such revenue refunding bonds and the interest thereon shall be paid or provision made for their payment.

4. Notice of refunding of said bonds shall be given to the public for at least three consecutive weeks prior thereto in at least one local newspaper of general circulation in one of the communities or cities adjacent to and served by said bridge. [C39, §5899.11; C46, 50, 54, 58, 62, §383.11]

383.12 Protection of bondholders. Neither the state of Iowa nor any political subdivision thereof shall limit or restrict the rights and powers granted in this chapter to the detriment of owners of outstanding bonds authorized hereby, nor shall such state or political subdivision authorize the construction or itself construct any competing bridge within a distance of less than one mile on either side of any bridge acquired under this chapter unless and until all of such bonds, together with the interest thereon have been fully paid and canceled, unless other adequate provision shall have been made for the protection and guaranty thereof. [C31, 35, §5899-c11; C39, §5899.12; C46, 50, 54, 58, 62, §383.12]

383.13 Tolls. The rates of tolls to be charged for the use of any bridge acquired or constructed under the provisions of this chapter shall be fixed and adjusted as may be required by any law of the United States now in force or hereafter to be enacted, and shall be so fixed and adjusted as to provide a fund sufficient to pay the interest and principal of any bonds issued under this chapter, and to provide an additional fund to pay the cost of maintaining, repairing, and operating such bridge, and may also provide a reserve fund reasonably sufficient to provide for the cost of the continued operation, supervision, maintenance, and repair of said bridge or bridges for a period not to exceed twenty-five years after the removal of toll charges. After the provisions of said funds have been completed, such bridge or bridges shall thereafter be maintained and operated free of toll unless or until the charging of reasonable tolls may be continued or resumed by the governing body of the city or its commission in order to finance reconstruction, extension, enlargement, replacement, or renewal of that particular bridge or in aid of the acquisition, construction, reconstruction, extension, enlargement, replacement, or renewal of any other bridge owned in whole or in part by said city. The owners of outstanding bonds issued to finance the bridge, or the authorized trustee therefor, shall have the right to compel the fixing of adequate tolls by application to any court of competent jurisdiction. In case the city is at the same time providing for the payment of more than one bridge through the collection of tolls, the tolls upon such bridges may be maintained and adjusted so that each bridge shall assist the financing of the other. [C31, 35, §5899-c12; C39, §5899.13; C46, 50, 54, 58, 62, §383.13]

383.14 Bridge commission. When it has been determined by the city council or the governing body of any such city, by resolution or ordinance in the exercise of its discretion, that in the exercise of the powers conferred by this chapter, it is expedient to create a bridge commission, the mayor of such city, with the approval of the governing body of the city, shall appoint four persons, who with the mayor, ex officio, shall constitute a bridge commission which shall be a body corporate and politic under the name of (insert name of city) bridge commission and shall have power to contract, to sue and be sued, and to adopt a seal and alter same at pleasure, but shall not have power to pledge the credit or taxing power of the city. No officer or employee of said city, except the mayor thereof, whether holding a paid or unpaid office shall be eligible to hold an appointment on said commission. The terms of commissioners shall be staggered. On appointments made after July 4, 1961, two commissioners shall be appointed for a term of two years, and two commissioners shall be appointed for a term of four years. All future appointments shall be for a term of four years. Not more than two of such appointees shall be members of the same political party. Vacancies shall be filled for any unexpired term in the same manner as the original appointment. Said commission shall elect a chairman and a vice-chairman from its members and a secretary and treasurer who need not be a member of such commission. The members of the com-
mission shall receive no compensation, and shall give such bond as may be required from time to time by the governing body of the city. The commission shall fix the compensation of the secretary and treasurer in its discretion. The commission shall have power to establish bylaws, rules, and regulations for its own government and to make and enter into all contracts or agreements necessary or incidental to the performance of its duties and the execution of its powers under this chapter. The commission may employ engineering, architectural, and construction experts and inspectors and attorneys, and such other employees as may be necessary in its opinion, and fix their compensation, all of whom shall do such work as the commission shall direct. All salaries and compensation shall be obligations against and be paid from funds provided under the authority of this chapter. The office, records, books, and accounts of the bridge commission shall always be maintained in the city which the commission represents. Such commission may be charged by the governing body of the city with the construction of new bridges or the operation, maintenance, repair, renewal, reconstruction, replacement, extension, or enlargement of existing bridges, or bridges hereafter constructed. [C31, 35, §5899-c13; C39, §5899.14; C46, 50, 54, 58, 62, §383.14]

The members of the commission, or its agents and employees, may enter upon such lands and structures and upon lands under water notwithstanding any interests in such lands or structures, for the purpose of making such surveys and maps; provided, however, that the commission shall not proceed to exercise or carry out any authority or power herein given it to bind said commission beyond the extent to which money has been provided under the authority of this chapter. No contract or agreement for the acquisition, construction, reconstruction, repair, enlargement, extension, renewal, replacement, or equipment of such bridges exceeding in amount the sum of twenty-five hundred dollars shall be made without advertisement for bids, which bids shall be opened publicly and an award made to the best bidder, with power in the commission to reject any or all bids. The plans and specifications, the location, size, type and method of construction, the boundaries and approaches, and the estimates of cost of construction and acquisition, hereinafter provided for in this section, shall be first submitted to the governing body of the city and receive its approval before final adoption by the commission, which shall have no power to proceed further unless and until such approval has been had. No contract for acquisition, construction, or incidents thereto, and no liabilities in connection therewith, shall be entered into or incurred unless and until bonds to finance the project have been authorized by the electors of the city in the method provided in this chapter. The commission shall operate, manage, and control the bridges under its charge in their entirety, fix the rate of tolls, establish bylaws and rules and regulations for the use and operation of said bridges, provide for the lighting and policing thereof, and select such employees as it deems necessary and fix their compensation, and if and when authorized by the governing body of the city shall have power to renew, replace, reconstruct, extend, and enlarge bridges, but shall not have power to create liens upon or to mortgage any property unless first authorized by the governing body of the city. The governing body of the city, and in the absence of action by it, the bridge commission, shall have power to require bonds of officers and employees, to require guarantees of deposited moneys, and to insure the bridges and all property connected therewith against every manner of loss or injury. Funds under control of the commission may be invested in certificates of deposit in national banks or in bonds or other evidences of indebtedness which are general obligations of the United States, state of Iowa, or other states, or the city or the cities co-operating as in this chapter provided, but only in such manner as to be available or recaptured when needed for use for the purposes authorized in this chapter. [C31, 35, §5899-cl9; C39, §5899.20; C46, 50, 54, 58, 62, §383.20]

383.17 Acquisition of property by purchase by commission. Condemnations shall be certified to the governing body of the city for its action, and the method thereof shall be the same as that provided by statute for the condemnation for similar or appropriate municipal purposes by cities. The commission is and shall be further empowered to exercise in any adjoining state such powers of eminent domain as may be conferred upon the commission by any act of the Congress of the United States now in force or which may hereafter be enacted, or as may be authorized by the law of that state. Upon completion of such construction, the actual cost thereof, if reasonable, otherwise the reasonable cost thereof and other incidental damage, shall be promptly paid to such person by the commission. In case of disagreement as to reasonable cost, either party may appeal to the governing body of the city which after reasonable notice shall hear all parties and determine the proper amount and order same paid at once by the commission out of funds provided for in this chapter, persons aggrieved by such determination may appeal within twenty days thereafter by filing a petition in the district court in and for the county in which such city is located. Persons aggrieved by such determination may appeal within twenty days thereafter by filing a petition in the district court in and for the county in which such city is located. In case the governing body of any city designated in this chapter, having been authorized by the electors as required by this chapter, shall at any stage of the proceedings determine to co-operate with any properly authorized political subdivision in this or an adjoining state in the joint acquisition and operation of a bridge or bridges, a joint commission shall be created. Such joint commission shall be created and the members selected by the action of each political unit co-operating, in the same manner provided for the creation of a local commission, by the law applicable to each political unit, and, upon which representation may be proportioned to the respective contribution of funds by the political units co-operating for the purposes of such acquisition, provided that the total membership shall not exceed ten. The commission shall select a chairman and vice-chairman to represent each political subdivision co-operating in the enterprise, and shall maintain a single office at the place selected by the commission, but for legal purposes shall be domiciled within the jurisdiction of each political unit co-operating, and shall have power to sue and be sued. This commission shall constitute a public body corporate and politic, shall select and adopt its own name, and shall be vested with such powers and subject to such conditions as may be conferred and imposed by the government of the United States and/or such powers and conditions in the state of Iowa, as are conferred and imposed in this chapter upon a local bridge commission, and such powers and subject to such conditions in an adjoining state as may be conferred and imposed by the laws of such state. The funds derived from the sale of the bonds of all political subdivisions co-operating may be mingled and shall be administered and expended by the joint commission as one common fund. As nearly as may be, and subject to any rules and regulations which may be adopted by the commission for that purpose, the fund shall be deposited and maintained in equitable proportions within the territory of each political subdivision, and applied to the purchase or redemption of the separate bond issues in an equitable manner. All contracts, evidences of indebtedness, and payment vouchers shall be signed by the treasurer and countersigned by each vice-chairman. Title to all real and personal property and to the completed bridge and all its appurtenances and incidents shall vest in the political subdivisions co-operating as tenants in common in the same proportions as the contributions made to the joint fund. §383.24 Joint purchase. Any city specified in this chapter desiring to exercise the power as granted in section 383.2 to jointly purchase by bargain and sale any existing bridge, may do so either when the electors have authorized such joint purchase or have authorized an independent purchase of such bridge. The governing body of the city is authorized to
enter into joint contract with the other political unit as to all the conditions of the purchase and the conditions of subsequent reconditioning, operation, toll charges reauthorized by this chapter, repair, maintenance, renewal, replacement, enlargement, and extension of such bridge. Title to the bridge shall vest in the political units co-operating as tenants in common and operation shall be by the joint commission provided for in this chapter and subject to the conditions provided with reference to such commission. [C31, 35, §5899-c20; C39, §5899.24; C46, 50, 54, 58, 62, §383.24]

Referred to in §383.25

383.25 Joint condemnation. Any city specified in this chapter may acquire an existing bridge by entering into joint condemnation proceedings with other political units as authorized in section 383.2. Where the property to be condemned is situated within the jurisdiction of more than one political unit or partly in the state of Iowa and partly in an adjoining state, the political units co-operating shall first enter into contract electing in what jurisdiction and in which state a single joint proceeding to condemn the property as an entirety shall be instituted and the proceeding shall be conducted subject to the law of and in the manner provided for that jurisdiction, or such proceedings may be conducted subject to the law and in the manner provided by any act of Congress governing the power of condemnation where the property to be acquired is situated in more than one state. For this purpose, cities in this state and specified in this chapter are authorized to become parties to a single proceeding in an adjoining state and to subject themselves to the laws of that state governing such proceedings. In the event of such joint proceedings in this state the method of proceedings provided in section 383.7 shall govern but shall be modified to the extent of requiring the board of appraisers to be created by the designation of three appraisers for each political unit co-operating and by releasing the restriction as to residents within the state. The contract heretofore in this section provided for shall be similar to the contract provided for in section 383.24 and also fix the proportionate contribution to be made by each political unit co-operating, and shall also provide for the creation of a joint commission to take over the operation of the property if and in the event of its acquisition subject to the conditions provided in this chapter with reference to such joint commission. Title to the property condemned shall vest in the political units co-operating as tenants in common when, if and as the approval of the electors has been had as provided in section 383.7. [C31, 35, §5899-c24; C39, §5899.25; C46, 50, 54, 58, 62, §383.25]

383.26 Joint construction. Whenever the electors of any city specified in this chapter shall have authorized the construction of a bridge as provided in this chapter, the governing body of the city shall have power to construct such bridge independently or jointly with any state or political unit as authorized in section 383.2. Such cities are authorized to enter into any contract which may be necessary to effectuate this purpose. The title to all property acquired shall vest in the political units co-operating as tenants in common. The actual control of all construction and subsequent operation, including all property necessary to the completed bridge, and of maintenance and repair thereof, and of funds and the collection and custody of tolls shall vest in a joint bridge commission as provided in section 383.23, which commission and its control shall not be terminated until such tenancy in common shall be terminated. [C31, 35, §5899-c25; C39, §5899.26; C46, 50, 54, 58, 62, §383.26]

383.27 Power of foreign cities. Any city in an adjoining state which has been properly authorized by the law of that state and/or the United States may exercise in the state of Iowa any and all powers granted in this chapter to cities in Iowa, subject to the conditions and requirements of this chapter. [C31, 35, §5899-c26; C39, §5899.27; C46, 50, 54, 58, 62, §383.27]

383.28 Submission to the electors. Any proposition or propositions arising in connection with the exercise of any of the powers granted by this chapter, may be submitted by the governing body of the city to the electors thereof at any general or city election or at any special election called for that purpose, and any proposition shall be carried if the majority of the electors voting thereon vote in favor thereof. No bridge shall be finally or irrevocably acquired, whether by purchase or by condemnation or by construction, unless and until such action and the necessary financing shall have been approved by the majority of the electors voting on the proposition at a general or city election or at a special election called for that purpose. Two or more propositions or questions may be submitted at the same election and on the same ballot provided each is so presented that the electors may vote separately upon each proposition. A vote of the electors authorizing independent action shall by operation of law be held to also authorize joint action for the purpose so authorized, but a vote on a proposition of joint action shall not be held to authorize independent action. The governing body of the city is hereby authorized to determine what shall be included in the proposition to be stated in notices of election and upon the ballots in its full discretion except that any proposition must indicate whether the bridge shall be acquired by the purchase or by the condemnation of an existing bridge or by the construction of a new bridge and the kind of bonds to be issued to finance the same, and the amount of such bonds may be set forth in any manner authorized in this chapter. [C31, 35, §5899-c27; C39, §5899.28; C46, 50, 54, 58, 62, §383.28]

383.29 Supplementary powers granted—saving clause. The powers hereby conferred are
to be exercised without any restriction or limitation under the laws of the state except the provisions of the constitution of the state, and are supplementary and additional to powers which have been or may hereafter be conferred upon the city by law of the state. All powers granted to or provided to be conferred upon the bridge commission authorized by this chapter, are likewise granted to and conferred upon and may be exercised by the governing body of the city and the governing body of the city may delegate any or all of the powers conferred upon it by this chapter to such commissions. The sections and provisions, and parts thereof, of this chapter are separable and are not matters of mutual essential inducement, and it is the intention to confer the whole or any part of the powers herein provided for, and if any of the sections or provisions, or parts thereof, are for any reason illegal, it is the intention that the remaining sections and provisions or parts thereof shall remain in full force and effect. [C31, 35,§5899-c28; C39, §5899.29; C46, 50, 54, 58, 62,§383.29]

383.30 Additional powers. The powers conferred by this chapter are in addition to the powers elsewhere granted by law or any other chapter in respect to interstate bridges. [C31, 35,§5899-c29; C39,§5899.30; C46, 50, 54, 58, 62, §383.30]

383.31 Enlargement and reconstruction of bridges. Any city having a bridge commission, and which heretofore has or hereafter shall have acquired or constructed a bridge and issued revenue bonds to provide funds therefor, all pursuant to a vote of the electors under the provisions of this chapter, is hereby authorized to enlarge and reconstruct said bridge and approaches, including the construction of a separate but adjacent span with interconnections with the original span and, to provide funds therefor, issue negotiable revenue bonds payable solely from revenues of said existing bridge and as so enlarged and reconstructed and, in such event, it shall not be necessary to submit to the electors of the city the proposition to so enlarge or reconstruct said bridge and approaches nor the proposition of issuing such revenue bonds, but in all other respects, except as otherwise hereinafter provided, the issuance of such revenue bonds, the maturities and other details thereof, the rights of the holders thereof, and the duties of the city and of the bridge commission shall be governed by the provisions of this chapter insofar as the same may be applicable, the provisions of any other law to the contrary notwithstanding. Revenues from the bridge not otherwise pledged by the bridge commission may be used and applied toward the cost of such enlargement and reconstruction and prior to the issuance of such revenue bonds the bridge commission may negotiate with or without notice, and, with approval of the governing body of the city, may enter into an agreement or agreements with any bank, investment banker, trust company or insurance company or group thereof thereunder, through payment of commissions or commitment charges or both, the bonds are issued, sold and delivered in installments as the proceeds are required by the bridge commission to pay the cost of such enlargement and reconstruction. All such revenue bonds not so issued, sold and delivered shall be offered at public sale on such notices and advertisement as the bridge commission may prescribe. [C54, 58, 62,§383.31]

The department of public docks shall be administered by a dock board consisting of three members to be known as commissioners of public docks. Within three months, or as soon as possible after the time when this chapter shall go into effect, the council of the municipality shall appoint as members of the dock board, three commissioners of public docks, who have been residents of the municipality in which they are appointed for a period

### 384.3 Powers and duties

The board shall have power and it shall be its duty for and in behalf of the city or town, hereinafter called the municipality, for which it is organized:

1. **General plan.** To prepare or cause to be prepared a comprehensive general plan for the improvement of its harbor and water front, making provision for the needs of commerce and shipping, and for the use of river-front property or other property whether abutting the river front or not and whether located within or without or partially within and partially without the corporate limits of the municipality by others for industrial and manufacturing purposes to the extent deemed advisable in relation to the operation of established wharves and docks, and providing for the construction of such docks, basins, piers, quay walls, wharves, warehouses, tunnels, belt railway connecting with all railway lines within the municipality, and such cranes, dock apparatus, and machinery equipment as it may deem necessary for the convenient and economical accommodation and handling of watercraft of all kinds and of freight and passengers, and the free interchange of traffic between the waterway and the railways and the railways and the waterway; which plan shall be filed in the office of the board and be open to public inspection, and which may from time to time be changed, altered, or amended by the board, as the requirements of shipping and commerce and the advance of knowledge and information on the subject may suggest.

2. **Purchase and condemnation of property.** To purchase or acquire by condemnation or other lawful means, such personal property, such lands, whether abutting the river front or not and whether located within or without or partially within and partially without the corporate limits of the municipality or such rights or interest therein, including easements, as may be necessary for use in the provision, development, full utilization and in the construction of any publicly owned harbor, water front, dock, basin, pier, slip, quay wall, wharf, warehouse, or other structure, and in the construction of a belt railway and railway switches, and appurtenances and in making provision for the needs of commerce, shipping, industry, and manufacturing as provided for in such plan, it may be adopted by the board. If the board shall deem it proper and expedient that the municipality shall acquire possession of such wharf property, lands, or rights or interests therein, including easements, and no price can be agreed upon between the board and the owner or owners thereof, the board may direct the municipal corporation attorney to take legal proceedings to acquire same for the municipality in manner as is or may be provided by the general laws of the state in the case of corporations having the right of eminent domain. The title of all lands, property, and rights acquired by the board shall be taken in the name of the municipality it represents.

Procedure, ch 472

3. **Control of property.** The board shall have exclusive charge and control of the wharf property belonging to the municipality including belt railway located in whole or in part therein, all the wharves, piers, quay walls, bulkheads, and structures thereon and waters adjacent thereto, and all the slips, basins, docks, water fronts, the structures thereon, and the appurtenances, easements, uses, reversions, and rights belonging thereto, which are now owned or possessed by the municipality, or to which the municipality is or may become entitled, or which the municipality may acquire under the provisions hereof or otherwise, together with such other municipally owned lands or properties as the city council may designate by ordinance. The board shall have the exclusive charge and control of the building, rebuilding, alteration, repairing, op-
eration, and leasing of said property and every part thereof, and of the cleaning, grading, filling, paving, sewing, dredging and deepening necessary in and about the same.

Leases of such property may be made for such purposes, including industrial and manufacturing purposes, upon such terms and conditions, and for such period of time as, in the exclusive judgment of the dock board, shall be for the best interests of the city or town in the furtherance of the general plan adopted by said board.

4. Abutting property—jurisdiction and improvement. The board is hereby vested with jurisdiction and authority over that part of the streets and alleys and public grounds of the municipality which abut upon or intersect its navigable waters, lying between the harbor line and the first intersecting street measuring backward from high-water mark, to the extent only that may be necessary or requisite in carrying out the powers vested in it by this chapter; and it is hereby declared that such jurisdiction and authority shall include the right to build retaining or quay walls, docks, levees, wharves, piers, warehouses, or other constructions, including belt railway and railway switches, across and upon such streets and alleys and public grounds, and to grade, fill, and pave it to conform to the general level of the wharf, or for suitable approaches thereto; provided that such improvements shall be paid for out of funds in the hands of the board and not by assessments against abutting property, but in case the city council deems it necessary or advisable to construct street improvements or sewers on such streets and alleys, and abutting and adjacent property will receive special benefits therefrom, such improvements or sewers may be ordered constructed by said council and the cost thereof may be assessed by said council, to the extent of such benefits, and as provided in section 391, upon all lots or parcels of real estate, whether publicly or privately owned, as may be specially benefited thereby, provided that the plans and specifications of the city council for such improvements or sewers be first approved by the dock board.

Nothing in this subsection is intended to limit or qualify the powers and duties of the board as established and set out elsewhere in this section.

5. Control consistent with navigation laws—collect tolls. The board is also vested with exclusive government and control of the harbor and water front consistent with the laws of the United States governing navigation, and of all wharf property, belt railway, wharves, piers, quay walls, bulkheads, docks, structures, and equipment thereon, and all the slips, basins, waters adjacent thereto, and submerged lands and appurtenances belonging to the municipality, and may make reasonable rules and regulations governing the traffic thereon and the use thereof, with the right to collect reasonable dockage, wharfage, sheddage, storage, cranage fees, and tolls thereon, as hereinafter provided.

Obedience to such rules and regulations may be enforced in the name of the city or town, by a fine not exceeding one hundred dollars, or by imprisonment not exceeding thirty days, provided the council of such city or town shall first adopt the same, in ordinance form, as ordinances of the municipality.

6. Rules and regulations—specifications—ordinances—publication. The board shall have power to make general rules and regulations for the carrying out of the plans prepared and adopted by it for the building, rebuilding, repairing, alteration, maintenance, and operation of all structures, erections, or artificial constructions upon or adjacent to the water front of the municipality, whether the same shall be done by the board or by others; and except as provided by the general rules of the board, no new structures or repairs upon or along said water front shall be undertaken, except upon application to the board and under permit by it and in accordance with the general plans of the board and in pursuance of specifications submitted to the board and approved by it upon such application. The general rules and regulations of the board, whenever adopted by it, shall be embodied in the form of ordinances and certified copies thereof shall, forthwith upon their passage, be transmitted to the clerk of the municipality who shall cause the same to be transcribed at length in a book kept for that purpose and the same shall be included in any compilation or publication of the ordinances of the municipality. Upon filing any such certified copy of any such ordinances, the said clerk shall forthwith cause the same to be published once in some newspaper of general circulation published in the municipality, or if none is there published, then in the next nearest newspaper published in this state, and the said ordinance shall be in force and effect from and after the date of said publication. Provided, however, that if the said ordinances are included in any book or pamphlet of ordinances published by said municipality, no other publication shall be required, and they shall be in force and effect from the date said book or pamphlet is published. The said ordinances of the board shall not be considered or construed as ordinances of said municipality except as they may be adopted as ordinances of said municipality, and the provisions of the Code and statutes of the state now or hereafter enacted relative to ordinances of cities and towns shall not apply to ordinances passed by said board unless express reference be made thereto in said statutes.

7. Tolls and charges—regulations. The board shall have the power to fix and regulate and from time to time to alter the tolls, fees, dockage, wharfage, cranage, sheddage, storage, and other charges for all publicly owned docks, levees, belt railway, piers, quay walls, slips, basins, wharves, and their equipment, or the use of any portion of the water front of the
municipality, which charges and rates shall be collectible by the board and shall be reasonable with a view only of defraying the necessary annual expenses of the board in constructing and operating the improvements and works herein authorized; a schedule of such charges and regulations shall be enacted by the board in the form of ordinances and a certified copy thereof shall be transmitted to the clerk of the municipality in like manner as other ordinances of the board before the same shall go into or be in effect, and a copy of same shall be kept posted in a conspicuous place in the office of the board.

8. Assistants — officers — ordinances. The board shall have power to employ such assistants, employees, clerks, workmen, and laborers as may be necessary in the efficient and economical performance of the work authorized by this chapter. All officers, places, and employments in the permanent service of the board shall be provided for by ordinance duly passed by the board and the same shall be transmitted to the clerk of the municipality as provided for other ordinances of the board.

9. Construction work plans — approval — public inspection — bids — exceptions — emergencies. In the construction of docks, levees, wharves, and their appurtenances, or in contracting for the construction of any work or structures, including grading and filling lands under its control as authorized by this chapter, the board shall proceed only after full and complete plans (approved by the board) and specifications for said work have been prepared and submitted and filed with the board by its engineer for public inspection, and after public notice asking for bids for the construction of such work, based upon such plans and specifications, has been published in some newspaper of general circulation published within the municipality, or if none so published, then in the nearest newspaper published in this state, which publication shall be made at least thirty days before the time fixed for the opening of said bids and contracting for such work; and such contract may then be made with the lowest responsible bidder therefor, unless the board deems the bids excessive or unsuitable, in which event it may proceed to readvertise for bids, or the board may do the work directly, purchasing such materials and contracting for such labor as may be necessary without further notice or proposals for bids; except that it shall make no purchase of materials in amounts exceeding five hundred dollars except by public letting upon ten days notice, published as aforesaid, specifying the materials proposed to be purchased; provided, however, that said public letting shall not be required in case no satisfactory bids are received, or in case of an emergency where the delay of advertising and public letting might cause serious loss or injury to the work. The board shall, in all cases, have the right to reject any and all bids, and may either readvertise therefor, contract with others at a figure not exceeding the lowest bidder without further advertising, or do the work directly as hereinbefore provided.

10. Tax levy — dock fund. To defray the expense of exercising the powers conferred by this chapter, or any portion of such expense in excess of the income from the aforesaid rates and charges to be collected by the board, the council of the municipality shall levy a special tax upon the taxable property in the municipality, not exceeding one-half mill* on the dollar. The board shall annually make to the council a report of the receipts and disbursements made by or on account of said board, and shall file with the council an estimate of the amounts necessary to be raised by taxation to defray the expenses of the board. The council shall at the time of levying annual taxes levy a sufficient tax not exceeding said one-half mill* to meet the said estimate and which shall be collected as other taxes and paid over to the treasurer of the municipality and by him credited to the fund to be known as the dock fund.

*Alternate levy, see §404.10, subsection 11

11. Bonds — limitation. Whenever said dock board deems it necessary or advisable to issue bonds for the purpose of constructing any of the works or improvements herein authorized, including grading and filling of lands under its control, or purchasing property for said purpose, the said board shall petition the council of the municipality to issue either dock bonds, as herein authorized, or revenue bonds as provided by section 394.6 stating the purpose for which said bonds are requested and thereupon the council shall issue the said bonds.

If the issuance of such dock bonds would not cause the aggregate indebtedness of the municipality to exceed the constitutional debt limit and if the council deems it advisable to issue said bonds, the council shall submit the question of issuing said bonds to the voters of said municipality, and if the vote in favor of the issuance of said bonds is equal to at least sixty percent of the total vote cast for and against the proposition at the election, the council shall proceed to issue the bonds. The proceeds of said bonds, when issued, shall be paid to the municipal treasurer and credited to the dock fund.

Taxes for the payment of said bonds shall be levied in accordance with chapter 76 and said bonds shall be payable through the debt service fund in not more than twenty years and bear interest at a rate not exceeding five percent per annum, and shall be of such form as the city or town council shall by resolution provide, but no city or town shall become indebted in excess of five percent of the actual value of the taxable property within said city or town as shown by the last preceding state and county tax lists. The indebtedness incurred for the purpose herein provided shall not be considered an indebtedness incurred for general or ordinary purposes.

If revenue bonds are issued, said bonds shall
be issued and paid as provided by chapter 394. The provisions of this section shall be applicable to all municipal corporations regardless of form of government or manner of incorporation.

Limitation on indebtedness, §§407.1, 407.2; see also alternate levy, §404.10(11)

Vote required to authorize bonds, §75.1

12. Funds, how disbursed—books audited. All funds collected by the dock board, or by the municipality for dock purposes from the proceeds of taxes, bonds, or otherwise, shall be deposited with the treasurer of the municipality and disbursed by him only upon warrants or orders duly signed by the president and countersigned by the secretary of the dock board and which shall state distinctly the consideration for which same are drawn, and a permanent record shall be kept by the board of all warrants or orders so drawn, showing the date, amount, consideration, and to whom payable. When paid the same shall be canceled and kept on file by the treasurer of the municipality. The books of the board shall from time to time be audited by the municipal auditor under the direction of the mayor, in such manner and at such times as he may direct or prescribe, and all of said books and records of the board shall at all times be open to public inspection.

13. Additional tax. In cities having a population of less than thirty thousand the council shall have power to levy an additional annual special tax upon the taxable property in the municipality, of not to exceed one-half mill* on the dollar, to defray the expense of exercising the powers conferred by this chapter, or any portion of such expense in excess of the income from the rates and charges to be collected by the dock board.

Referred to in §404.10, subsection 11

14. In cities and towns the powers vested in the dock board by this section shall be subject to such limitations and exceptions as the city council may, by ordinance, establish. [S13, §741-w2; C24, 27, 31, 35, 39, §5902; C46, 50, 54, 58, 62, §384.3; 60GA, ch 243, §§1-3]

384.4 Regulations applicable — control by state officers. All state regulations for the control and operation of railroads, common carriers, and public utilities shall apply to and have full force and effect in regard to all powers, duties, and actions of the department of public docks and the same shall be subject to and under the control of the Iowa state commerce commission or the public utility commission now or hereafter established by law. [S13, §741-w4; C24, 27, 31, 35, 39, §5903; C46, 50, 54, 58, 62, §384.4]

CHAPTER 385

ARMORIES

Applicable to all cities and towns

385.1 Power granted. As an emergency measure to be financed only through the federal emergency administration of public works, cities and towns shall have power to purchase, establish, construct, maintain, and operate armories, for which fees are charged, and pay for the same solely and only out of the earnings thereof. [C35, §5903-f2; C39, §5903.12; C46, 50, 54, 58, 62, §385.1]

385.2 Applicable statutes. Chapter 23 of the Code, except sections 23.12 to 23.16, inclusive, shall be applicable to contracts for the improvement herein provided for. [C35, §5903-f2; C39, §5903.12; C46, 50, 54, 58, 62, §385.2]

385.3 Fees. Such municipalities may by ordinance provide for fees to be charged for the use of the armory and may pay the cost of purchasing, establishing, constructing, maintaining, and operating the same out of the earnings thereof. [C35, §5903-f3; C39, §5903.14; C46, 50, 54, 58, 62, §385.3]

385.4 Payment from earnings—bonds. Nothing in this chapter contained shall be so construed as to authorize or permit any municipality to make any contract or to incur any obligation of any kind or nature except such as shall be payable solely out of the funds provided under this chapter. Cities and towns are authorized to borrow money from the federal emergency administration of public works, created by the "National Industrial Recovery Act", [40USC, §§401-414] enacted by the Congress of the United States for the purpose of constructing the improvement referred to in this chapter. As evidence of such indebtedness, such city or town may issue its bonds payable solely and only from the revenues derived from such improvement. Such bonds may be issued in such amounts as may be necessary to provide sufficient funds to pay all the costs of construction and operation of such improvement, including engineering and other expenses, together with interest to a date six months subsequent to the estimated date of completion. Bonds issued under the provisions of this chapter are declared to be negotiable instruments, shall be executed by the mayor and clerk of the municipality, and shall be sealed with the corporate seal of the munici-
CHAPTER 386
ELECTRIC UTILITIES AND MOTORBUS LINES
Applicable to all cities and towns

386.1 Regulations. Cities and towns shall have the power to authorize and regulate telegraph, district telegraph, telephone, street railway, and other electric wires, and the poles and other supports thereof, by general and uniform regulation, and to provide the manner in which, and places where, the same shall be placed upon, along, or under the streets, roads, avenues, alleys, and public places of such city or town, and may divide the city into districts for that purpose. [C97, §775; C24, 27, 31, 35, 39, §5904; C46, 50, 54, 58, 62, §386.1]

386.2 Motorbus lines. Cities and towns may grant franchises to operate and maintain on and over their streets bus and motor transportation lines to carry passengers for hire on a plan similar to street railways. Such franchises may be granted to individuals or private corporations and shall not be exclusive, nor shall they extend for a longer period than ten years. Provided, however, that in cities or towns in which a street railway is established and operated, before the question of granting such franchise is submitted to the electorate, the proposed franchise must first be offered to the owner of the existing street railway, and if said owner shall agree in writing within thirty days from the time said proposed franchise is offered to accept said franchise and operate a bus or motor transportation line under the terms of said franchise, the question shall be submitted to the electorate of the granting of said franchise to the owner of the street railway. If the owner of said street railway fails to agree in writing within said thirty-day period to accept said franchise and operate the bus or motor transportation line therein provided for, the city or town council may then offer said franchise to another person, firm, or corporation, and may submit to the electorate the question of the granting of the franchise to said person, firm, or corporation.

No such franchise shall be granted, extended, or renewed unless a majority of the legal electors voting thereon vote in favor of the same at a general, city or town, or special election called for that purpose.

The granting of such franchise shall not preclude cities and towns from licensing jitney buses and motor vehicles carrying passengers for hire under the provisions of chapter 388.

The provisions of sections 388.2 to 388.9, inclusive, shall apply to buses and motor transportation lines operating under franchises granted pursuant to the provisions of this section. [C31, 35, §5904-cl; C39, §5904.1; C46, 50, 54, 58, 62, §386.2]

386.3 Franchise—election. No franchise shall be granted, renewed, or extended by any city or town for the use of its streets, highways, avenues, alleys, or public places, for any of the purposes named in sections 386.1 and 386.2 unless a majority of the legal electors voting thereon vote in favor of the same at a general, city or town, or special election. [C58, §386B.6]

386B.7 Board powers. Except as hereinafter otherwise provided, such board shall have possession, management, charge and superintendence of the transit system and shall have the power to make and enforce rules and regulations for the control, supervision, maintenance and operation of the transit system, and to buy, to sell and exchange any property, vehicles, equipment or rights for the benefit and efficient operation of said system. Such board shall also have the power to purchase equipment and may execute agreements, and equipment trust certificates in the form customarily used in such cases appropriate to effect such purchases and may dispose of such equipment trust certificates. All money required to be paid by the municipal corporation under the provisions of such agreements, and equipment trust certificates shall be paid solely from the revenue or income to be derived from the operation of the transit system and from grants and loans provided in this chapter. Payment of such new equipment as may reasonably be made for advertising in buses or any other facilities under the control of the board, so that the revenues of the system will be at all times sufficient in the aggregate to provide for the payment of the interest on and principal of all bonds and equipment trust certificates that may be issued and outstanding under the provisions of this chapter and for the payment of other expenses of the transit system, and for the creation of a reserve fund for the purchase of such new equipment as may reasonably be necessary for the operation of said transit system. Chapter 365 shall be applicable to all employees under the jurisdiction of the board of transit trustees, and its provisions shall govern their employment. The board may from time to time fix and establish routes and schedules and change the same whenever it is deemed advisable and shall have the power and it shall be its duty to fix, maintain, regulate and collect rates, fares or charges for the transportation of passengers and any incidental services and the rates or charges to be made for advertising in buses or any other facilities under the control of the board, so that the revenues of the system will be at all times sufficient in the aggregate to provide for the payment of the interest on and principal of all bonds and equipment trust certificates that may be issued and outstanding under the provisions of this chapter and for the payment of the operation, maintenance, depreciation and other expenses of the transit system, and for the creation of a reserve fund for the purchase of such new equipment as may reasonably be necessary for the operation of said transit system. All funds derived from taxation or otherwise for transit system purposes shall be deposited with the treasurer of the municipal corporation to the credit of said transit system and shall be withdrawn or paid out only by check or draft upon the bank signed by the chairman of the board and countersigned by the secretary thereof.

The board shall have the power to sell or

resolution of the board of transit trustees and shall contain such covenants, conditions and provisions as may be deemed necessary or appropriate to insure the payment of the equipment trust certificates solely from the revenue or income to be derived from the transit system.

The covenants, conditions and provisions of the agreements, and equipment trust certificates shall not conflict with any of the provisions of any trust agreement securing the payment of bonds of the municipal corporation issued under the terms of this chapter.

An executed copy of each such agreement and lease shall be filed in the office of the recorder of the county in which such municipal corporation is situated, and such recorder shall be entitled to a fee as provided in section 335.14 for each such copy filed with him, which filing shall constitute notice to any subsequent judgment creditors or any subsequent purchaser. Each vehicle so purchased and leased shall have the name of the owner and lessor plainly marked upon both sides thereof, followed by the words "Owner and Lessor." [C58, §386B.7]

Notice of such sale or disposition of such personal property of a value of more than one thousand dollars shall be given by publication once in one newspaper published in said municipal corporation, at least ten days before such sale or disposition. The board shall establish reasonable rules and regulations governing the sale or disposition of such property. Any revenue derived from the sale of such property shall be deposited with the treasurer of the municipal corporation to the credit of the transit system. [C58, 62, §386B.8]

Referred to in §386B.12

386B.9 Contracts. All contracts for the sale of property of the value of more than one thousand dollars or for any concession in or lease of property for a term of more than one year shall be awarded to the highest responsible bidder, after advertising for bids. All construction contracts, and contracts for supplies, materials, equipment and services, when the expense thereof will exceed one thousand dollars, shall be let by competitive bidding. All contracts involving less than one thousand dollars shall be let by competitive bidding whenever possible, and in any event in a manner calculated to insure the best interests of the public.

In determining the responsibility of any bidder the board may take into account past record of dealing with the bidder, experience, adequacy of equipment, ability to complete performance within the time set, and other factors besides financial responsibility, but in no case shall any such contract be awarded to any other than the highest bidder (in case of sale, concession or lease) or the lowest bidder (in case of purchase or expenditure) unless authorized or approved by a vote of at least two members of the board, and unless such action is accompanied by a statement in writing setting forth the reasons for not awarding the contract to the highest or lowest bidder, as the case may be, which statement shall be kept on file in the office of the board and open to public inspection.

Contracts shall not be split into parts involving expenditure of less than one thousand dollars for the purpose of avoiding the provisions of this section, and all such split contracts shall be void. If any collusion occurs among bidders or prospective bidders in restraint of freedom of competition, by agreement to bid a fixed amount or to refrain from bidding, or otherwise, the bids of such bidders shall be void. Each bidder shall accompany his bid with a sworn statement that he has not been a party to any such agreement.

Members of the board and officers and employees thereof, and their relatives within the fourth degree by the terms of the civil law, are forbidden to be interested directly or indirectly in any contract for construction or maintenance work or for the delivery of materials, supplies or equipment.

The board shall have the right to reject all bids and to readvertise for bids.

Advertisements for bids shall be published at least twice in a newspaper having a general circulation in the municipal corporation, the last publication to be at least ten calendar days before the time for receiving bids. Such advertisements shall state the time and place for receiving and opening bids, and by reference to plans and specifications on file at the time of the first publication, or in the advertisement itself, shall describe the character of the proposed contract in sufficient detail to fully advise prospective bidders of their obligations and to insure free and open competitive bidding.

All bids in response to advertisement shall be sealed and shall be publicly opened by the board, and all bidders shall be entitled to be present in person or by representatives. Cash or a certified or satisfactory cashier's check, as a deposit of good faith, in a reasonable amount to be fixed by the board before advertising for bids, shall be required with the proposal of each bidder. Bond for faithful performance of the contract with surety or sureties satisfactory to the board and adequate insurance may be required in reasonable amounts to be fixed by the board before advertising for bids.

The contract shall be awarded as promptly as possible after the opening of bids. The bid of the successful bidder, as well as the bids of the unsuccessful bidders, shall be placed on file and be open to public inspection. All bids shall be void if any disclosure of the terms of any bid in response to an advertisement is made or permitted to be made by the board before the time fixed for opening bids. [C58, 62, §386B.9]

386B.10 Bonds. For the purpose of acquiring, purchasing, constructing, equipping, enlarging, extending, or improving a transit system, or any part thereof, the council of the municipal corporation may by resolution, from time to time, issue and dispose of the negotiable interest-bearing bonds and may also from time to time issue and dispose of negotiable interest-bearing bonds to refund any bonds at maturity or pursuant to redemption provisions or at any time before maturity with the consent of the holders thereof. All such bonds shall be payable solely as to both principal and interest from the revenues or income to be derived from the operation of such transit system. All such bonds shall be substantially in the form prescribed by section 397.12 and may bear such date or dates, may mature at such time or times not exceeding thirty years from their respective dates, may bear interest at such rate or rates not exceeding five percent per annum, payable semianually, may be in such form, may carry such registration privileges, may be executed in such manner,
may be payable at such place or places, may be made subject to redemption in such manner and upon such terms, with or without premium, as is stated on the face thereof, may be authenticated in such manner and may contain such terms and covenants, all as may be provided in such resolution. Notwithstanding the form or tenor thereof, and in the absence of an express recital on the face thereof that it is nonnegotiable, all such bonds shall be negotiable instruments. Pending the preparation and execution of any such bonds temporary bonds may be issued with or without interest coupons as may be provided by resolution. To secure the payment of any or all of such bonds and for the purpose of setting forth the covenants and undertakings of the municipal corporation in connection with the issuance thereof and the issuance of any additional bonds payable from such revenue or income as well as the use and application of the revenue or income to be derived from the transit system, the municipal corporation may execute and deliver a trust agreement or agreements; provided, that no lien upon any physical property of the municipal corporation shall be created thereby. A remedy for any breach or defect of the terms of any such trust agreement by the municipal corporation may be by mandamus proceedings in any court of competent jurisdiction to compel performance and compliance therewith, but the trust agreement may prescribe by whom or on whose behalf such action may be instituted. Under no circumstances shall any bonds or equipment trust certificates issued by any municipal corporation or any other obligation incurred by any municipal corporation under the provisions of this chapter be or become an indebtedness of the municipal corporation within the purview of any constitutional or statutory limitation or provision, and it shall be plainly stated on the face of each bond and certificate that it does not constitute such an indebtedness or obligation but is payable solely from the revenues or income as aforesaid.

After a resolution authorizing the issuance of such bonds has been adopted, the clerk of the municipal corporation shall publish notice of such adoption in at least one newspaper of general circulation in the municipal corporation at least once each week for two consecutive weeks. Such notice shall identify the resolution by the date of its adoption and shall specify the amount of bonds proposed to be issued, and if within twenty days following the date of the first publication of such notice a petition is filed with the clerk of the municipal corporation signed by qualified voters of said municipal corporation in number equal to or exceeding two percent of the total number of those voting at the last preceding regular municipal election in said municipal corporation as shown by the election registers or polls lists asking that the question of issuing such bonds be submitted to the legal voters of the municipal corporation, then the bonds authorized by such resolution shall not be issued unless and until the proposition to issue same shall have been submitted at an election held in the municipal corporation and approved by not less than sixty percent of the votes cast for and against the proposition. When any such petition is filed, it shall be referred to the council of the municipal corporation at its next meeting and thereupon the council may either repeal the bond resolution or order the election which shall be called and conducted in the manner provided by sections 408A.3 and 408A.4. Provided, however, if the bonds referred to shall exceed by ten percent the amount of the bonds set forth under the provisions of section 386B.4, it shall then be mandatory that the authorization for the issuance of the bonds be submitted to an election as provided under the terms of this section. If there be no petition filed within the time hereinafter provided or if there be a petition filed and the proposition of issuing such bonds is approved at such election, then the council of the municipal corporation may proceed with the issuance of the bonds all as in this chapter permitted and provided.

The resolution authorizing the issuance of such bonds may contain such covenants as are determined by the council of the municipal corporation to be desirable in connection with the use and application of the bond proceeds, the operation of the transit system and the custody and application of the revenues from such operation. A remedy for any breach or default of the terms of any such bonds or proceedings authorizing their issuance shall be by mandamus in a court of competent jurisdiction to compel performance and compliance therewith. [C58, 62,§386B.10]

386B.11 Sale of bonds. Any bonds as may be authorized and issued under the provisions of this chapter shall be sold at public sale following publication of notice for two or more successive weeks in at least one newspaper published in the county, such notice to specify the time and place of sale of said bonds, the amount to be offered for sale and any other information which may be deemed pertinent; provided, however, that if no satisfactory bid is received pursuant to such notice, the council of such municipal corporation may reject all bids received and thereafter readvertise such bonds for public sale; provided, further, that the proceedings authorizing the issuance of said bonds may provide for the delivery of such bonds to the person, firm, or corporation selling to the municipal corporation such transit system, plant, equipment, vehicles, property, rights in property, land, easements or rights of way, in exchange for such transportation facilities, and the terms of such exchange, but in no event shall any payment be made for good will or going concern value of insolvent transportation facilities so exchanged and in such case the bonds shall be offered at public sale in the manner hereinafter provided and if the best bid received at such sale is not better than the terms specified for the exchange
of the bonds for such facilities, then such bid or bids shall be rejected and the bonds shall be issued in exchange for such facilities. No bonds shall be sold or exchanged upon terms of less than par plus accrued interest nor upon terms that will result in an interest cost computed to the maturity of the bonds according to standard tables of bond values of more than five percent per annum. [C58, 62, §386B.11]

386B.12 Deficit — transfer from enterprises fund. If in any year it appears to the board that after providing for the payment of the accruing interest on and principal due of any bonds or certificates issued hereunder from the revenues derived from the operation of such transit system, there will be a balance of such revenues in such year insufficient to pay the expenses of operation and maintenance of the transit system and the creation of the reserve fund as provided in section 386B.8, the board of transit trustees shall certify the fact of such anticipated deficit as soon as ascertained to the council of the municipal corporation and thereupon it shall be the duty of such council to make the amount of such deficiency for paying the expenses of operation and maintenance and the creation of said reserve fund available from the municipal enterprises fund in an amount not exceeding a sum that may be equivalent to a two mill levy, it being conditioned that no general municipal funds or the proceeds of any taxes shall ever be used or applied to the payment of the interest on or principal of any bonds issued under the provisions of this chapter, but that such general municipal funds or proceeds of taxes may only be used and applied to pay such expenses of operation and maintenance and for the creation of the reserve fund as provided in section 386B.8 as cannot be paid from available revenue derived from such operation. [C58, 62, §386B.12]

386B.13 Grants and loans. The board of transit trustees shall have power to apply for and accept grants and loans from the federal government or any agency or instrumentality thereof to be used for any of the purposes of the transit system and to enter into any agreement with the federal government in relation to such grants or loans; provided such agreement does not conflict with any of the provisions of any trust agreement securing the payment of bonds or certificates issued under the provisions of this chapter. [C58, 62, §386B.13]

386B.14 Insurance. The board of transit trustees shall have the power to procure and enter into contracts for any type of insurance and indemnity against loss or damage to property from any cause, including loss of use and occupancy, against death or injury of any person, against employers' liability, against any act of any employee, official, or member of the board or transit system in the performance of the duties of his office or employment, or any other insurable risk. [C58, 62, §386B.14]

386B.15 Employees transferred. If a municipal corporation acquires a transit system then being operated by a person, firm or corporation, all of the employees in the operating and maintenance divisions of the system and all other employees except executive and administrative officers shall be transferred to and appointed as employees of said municipal transit system, subject to the rights and benefits of this chapter and of chapters 97B, 97C and 365 and these employees shall be given seniority credits in accordance with the records of the said previous owner, and if there is existing at the time said municipal corporation acquires the transit system a bargaining agreement covering the employees of the privately-owned system, said municipal corporation shall observe the terms of said bargaining agreement until said contract has expired. [C58, 62, §386B.15]

386B.16 Limitation of actions. No civil action shall be commenced in any court against the board of transit trustees or the municipal corporation by any person for any injury to his person or property unless it is commenced within two years from the date that the injury or damage was received or the cause of action accrued. [C58, 62, §386B.16]

386B.17 Annual report. The board of transit trustees shall immediately after the close of each municipal fiscal year file with the clerk or recorder of the municipal corporation a detailed and audited written report of all money received and disbursed by said board during said fiscal year, and shall publish a summary thereof in a newspaper having a general circulation within said city or town. [C58, 62, §386B.17]

Constitutionality, 56GA, ch 196, §18

386B.18 Election to sell system. The council of any municipal corporation owning and operating a transit system under this chapter may order the proposition of disposing or selling the system submitted to a regular municipal election or may call a special election for the purpose of voting on such proposition, or the council shall order such proposition submitted at an election upon the petition of twenty-five property owners of each voting precinct in said municipal corporation. Provided, however, that before such proposition shall be submitted to such election that all bonds and other obligations of the transit system shall have been paid or suitable provision for payment of same has been made with the bond holders or other creditors.

The form of the question submitted to the electors shall be as follows: "Shall the city or town of . . . . sell and dispose of its transit system for . . . . dollars and abolish its board of transit trustees?"

Notice of such election shall be given as provided for in section 386B.5. [C58, 62, §386B.18]

They may, thereafter by resolution, award the contract to the lowest bidder, or they may reject all received proposals and may order the clerk to again publish notice to bidders in the manner hereinbefore provided. A city or town, in its notice to bidders, may request aggregate bids for all projects included in any resolution of necessity, notwithstanding variations in the sizes of the improvements and notwithstanding that some parts of the improvement are assessable and some nonassessable, and may award the contract to the bidder submitting the lowest aggregate bid.

The check of the successful bidder shall be retained by the municipality until the approved contract form has been completed and executed and a bond filed by the bidder and approved by the council as provided in section 391A.19. If the successful bidder fails to sign the contract and furnish the required bond within ten days after the award of the contract to him, the check may be cashed and the amount thereof retained by the municipality as agreed liquidated damages. The checks of unsuccessful bidders shall be promptly returned to such bidders by the clerk and a receipt therefor obtained and placed on file in his office. [C50,§391A.14; C54, 58, 62,§391A.17; 60GA, ch 244,§4]

391A.18 Optional court confirmation procedure. After the receipt and consideration of bids as provided in section 391A.17 but before awarding the contract the council may elect to proceed as follows:

1. The council shall direct the city attorney to file, in the district court of the county in which the property proposed to be assessed is located, a petition praying that the acts done by said council relative to the proposed public improvement be confirmed by decree.

2. There shall be attached to said petition:
   a. A copy of the resolution of necessity as adopted by the council.
   b. A copy of the proposed schedule of assessments as adopted by the council under sections 391A.11 and 391A.14, which schedule shows the maximum amount that the council proposes to assess against any lot.
   c. Detailed plans and specifications as prepared by the engineer.
   d. A copy of the proposed contract as prepared by the city attorney.

3. Notice of the filing of such petition shall be given in the same form and manner as is provided for service of original notice by publication by the rules of civil procedure, except as follows:
   a. No affidavit of inability to effect personal service within the state of Iowa as a condition precedent to the service of original notice shall be required.
   b. The original notice shall name as defendants those property owners, shown by the records of the county auditor as of the date of the filing of the petition, as having an interest in the real property to be assessed as a part of this said public improvement, and said original notice shall state that a plat and schedule in form and content as specified in sections 391A.8 and 391A.10 is on file in the office of the clerk of the district court where action is pending. Publication of plat and schedule as part of original notice shall not be required nor shall reference in the original notice to specific descriptions of affected real property or the amount of proposed assessment thereon be necessary.

See R.C.P. 56

4. Any such petition shall have precedence over any other business of the court, except in criminal cases, and said court shall set the
said petition for hearing within thirty days from the date of final publication of notice.

5. If no person having an interest in property proposed to be assessed has entered an appearance or filed an answer within the time set for hearing on said petition the court shall immediately confirm said assessment and order the clerk to certify same to the city clerk.

6. If any person having an interest in property proposed to be assessed has entered an appearance or filed an answer to said petition, the court shall hear the cause. Said cause shall be triable as in equity.

7. Upon the hearing the court shall have power to correct any irregularities or inequalities in valuations or in the schedule of assessments, and shall consider any objections because of alleged illegal procedure or fraud.

8. The court shall render a decision upon said hearing within seven days thereafter.

9. The clerk of said court shall certify to the city clerk the final action of the court within three days from the date of the final order or judgment of said court, upon said petition, showing assessments as confirmed in the schedule of assessments.

10. An appeal from the decree of the district court shall be perfected within thirty days from the date of said decree and the abstract shall be served and filed in the office of the clerk of the supreme court within ninety days from the date of said district court decree.

11. If the aggregate of all appeals exceeds ten percent of the total assessment as confirmed by the district court, the contract may or may not be let, in the discretion of the council, until said appeals are finally determined, but said appeals shall not delay the execution of a contract for the work, if council concludes said appeals were not taken in good faith.

12. An appeal shall not, in the discretion of the council, delay the certification of an assessment or progress of an improvement, but upon decision of the appeal the assessment appealed from shall be corrected and collected in the same manner as provided by section 391A.36.

13. Corrections of assessments or valuations made by or upon the order of the district court shall be conclusive and not subject to review on appeal, or otherwise, except as provided in subsections 10 to 12 of this section. When court confirmation is obtained as herein provided there shall be no right of appeal under the provisions of section 391A.31.

14. In the event no contract is entered into within sixty days from the date of confirmation by the district court the court shall cancel said assessment, upon application of the city attorney, if no appeal is pending.

15. The cost of all court proceedings shall be a legitimate item of expense in connection with any public improvement, and shall be included within the final assessment against any property proposed to be improved. [C54, 58, 62, §391A.18]

391A.19 Bond of contractor. Each contractor for a public improvement shall give bond to the municipality, conforming to the requirements of section 573.6, with corporate sureties approved by the council, for the faithful performance of the contract, in a sum equal to the contract price, and action upon such bond may be brought in the county where the council holds its meetings. [C50, §391A.15; C54, 58, 62, §391A.19]

Referred to in §391A.17

391A.20 Underground connections — waterworks trustees. In municipalities having a board of waterworks trustees and in which water connections are not installed by such trustees at public expense, the council shall notify such board, at the time of the adoption of a preliminary resolution, of any proposed street paving projects. Thereupon the board shall report to the council the number of connections from water mains in such streets to the curb lines of the proposed improvement necessary to serve private property dependent upon those particular mains for water supply, and the numbers of the lots to be served by such connections, and the names of the owners thereof. Notice shall be given to such property owners, at the same time and in the same manner as the notice provided in section 391A.13, to install the necessary connections within thirty days after hearing. For the purposes of such hearing, property owners who are notified to install water connections, but whose property is not within the proposed assessment district, may appear as interested parties. If, upon hearing, the council determines to proceed with the improvement, and any property owner fails to make connections as required, the board of waterworks trustees shall cause them to be made and certify the cost thereof to the council to be assessed against the property and collected in the same manner as provided in section 391A.4 for other underground connections. [C50, §391A.17; C54, 58, 62, §391A.20]

391A.21 State property and roads. Municipalities may assess the cost of a public improvement which extends through or abuts upon, or is adjacent to lands owned by the state, and the executive council shall pay such portion of the cost of making said improvement through or along such lands as provided hereinafter. Payment of such assessments shall be made by the executive council from any funds of the state not otherwise appropriated.

When a state park or institutional road abutting on or adjacent to state lands is improved by paving, the state shall pay one-half the total assessed cost of that portion of the improvement abutting, or adjacent to such lands, lots, parts or portions thereof, but for any other type of improvement so constructed and located the state shall pay such portion of the cost as would be assessable against such lands were they privately owned.

When any portion of the cost of a public
improvement is to be paid by the state under this section, the clerk shall, at the time of publica-
tions of the notice required by section 391A.13, cause a copy of such notice to be sent to the secretary of the executive council by restricted certified mail. Municipalities in which state buildings are located shall permit sewers for such buildings to be constructed through or under the streets of the municipality, and connections to be made to the sewer system of the municipality under the same regulations as for sewer connections to private property. [C50,§391A.18; C54, 58, 62,§391A.21]

391A.22 Monthly payments to contractor. When the specified duration of time for the performance of a public improvement construction contract exceeds sixty days, the municipality may contract to pay not to exceed ninety percent of the engineer's estimated value of the acceptable work completed during the month to the contractor at the end of each month. Payment shall be made in warrants drawn on any fund from which payment for such work may be made and such warrants, unless paid upon presentation, shall draw interest at the rate of four percent per annum from and after the date of presentation for payment. If such fund is depleted, anticipatory warrants shall not constitute a violation of section 404.19. [C50,§391A.19; C54, 58, 62,§391A.22] Referred to in §391A.23, subsection 4

391A.23 Inspection, acceptance and payment.
1. The engineer for the municipality shall inspect all work done under this chapter, and within fifteen days of the final completion of the public improvement he shall file a certificate with the clerk stating:
   a. That he has inspected the completed work.
   b. That such work has or has not been performed in compliance with the terms of the contract, and the particulars, if any, in which the work varies from said terms.
   c. The total cost of the completed work.
2. Within fifteen days after the filing of the engineer's certificate, the council shall by resolution accept or reject the work.
3. Upon accepting the work, or within ten days thereafter, the council shall ascertain the total cost thereof and by resolution determine the proportion or amount of such cost to be assessed against private property within the assessment district.
4. Upon accepting the work the council may order payment of any amounts due the contractor to be made by warrants issued in the manner provided by section 391A.22. [C50,§391A.20; C54, 58, 62,§391A.23]

391A.24 Final schedule — filing. Within thirty days after the council adopts a resolution fixing the amount to be assessed against private property, the engineer shall file with the clerk an assessment schedule showing:
1. A description of each lot to be assessed.
2. The valuation of each lot as fixed by the council.
3. The amount to be assessed against each lot, which amount shall include the assessment for the default fund, if any. [C50,§391A.21; C54, 58, 62,§391A.24]

391A.25 Final schedule — adoption and certification. Within ten days after filing by the engineer, the council shall meet, consider, and adopt or amend and adopt, by resolution, the final assessment schedule. Said resolution shall:
1. Confirm and levy the assessments.
2. State the number of installments, not exceeding fifteen, into which assessments of ten dollars or more are divided.
3. Provide for interest on all unpaid installments at five percent per annum.
4. State the time when assessments are payable.
5. Direct the clerk to certify such final schedule to the auditor of the county or counties in which the assessed property is located and publish notice thereof once each week for two consecutive weeks in the manner provided in section 618.14, the first publication of which shall be not more than fifteen days from date of filing of the final schedule. The clerk shall also send by certified mail to each property owner, whose property is subject to assessment for said improvement, as shown by the records in the office of the county auditor, a copy of said notice, said mailing to be made on or before the first publication of said notice. Failure to receive such mailed notice shall not constitute a defense to the special assessment. Thereupon, the county auditor shall place on the tax list the amounts to be assessed against each lot within the assessment district as certified. [C50,§391A.22; C54, 58, 62,§391A.25; 60GA, ch 245,§4]

391A.26 Assessment of cost. The total cost of a public improvement, except for that part for which railways are liable or which is to be otherwise paid, shall be assessed against all lots within the assessment district in accordance to the special benefits conferred upon the property thereby and not in excess of such benefits.
If any owner of property subject to special assessment shall divide the same into two or more lots and if such plan of division is accepted or approved by the council, he may discharge the lien upon any one or more of them by payment of the amount unpaid, calculated as determined by the council. [C50,§391A.23; C54, 58, 62,§391A.26] Referred to in §391A.30, subsection 6

391A.27 Limitations on assessment costs. No special assessment against any lot, for any
public improvement as defined herein, shall be in excess of the amount of such assessment as shown in the schedule confirmed by the court, or if court confirmation is not utilized, shall be in excess of the value of the lot as shown by the plat and schedule theretofore approved by the council.

Special assessments for the construction or repair of underground connections for private property for gas, water, sewers, or electricity shall be assessed to each lot for the actual cost of each connection for such lot and the twenty-five percent limitation of the preceding paragraph shall not apply. [C50, §391A.24; C54, 58, 62, §391A.27]

Referred to in §391A.30, subsection 6

391A.28 Deficiencies. If the special assessment which may be levied against any lot be insufficient to pay its proportion of the cost of the improvement, the deficiency may be paid from the fund or funds most logically related to the type of improvement.

If there be property against which no special assessment can be levied or collected, the portion of the cost of the public improvement which would have been assessed against such property shall be paid in like manner. [C50, §391A.25; C54, 58, 62, §391A.28]

391A.29 Assessment against railway property. The right of way of any railway company shall be subject to special assessments for all public improvements provided in this chapter and such assessments shall constitute a debt due the municipality which shall be a paramount lien upon the track of the railway company owning or leasing such right of way within the limits of the municipality. No part of the property of any railway to which a lien for unpaid special assessments has attached shall be released from such lien until the whole assessment is paid. [C50, §391A.26; C54, 58, 62, §391A.29]

391A.30 Installments — payment — delinquency.

1. First installment. The first installment of each assessment, or total amount thereof if it be less than twenty-five dollars, with interest on the whole assessment from date of acceptance of the work by the council, shall become due and payable on January 1 next succeeding the date of such levy unless the assessment is filed with the county auditor less than thirty days prior to such next succeeding January 1 after the date of levy.

2. Annual installments. The succeeding annual installments, with interest on the whole unpaid amount, shall respectively become due on January 1 annually thereafter and shall be paid at the same time and in the same manner as the March semiannual payment of ordinary taxes.

3. Outstanding balance—payments. All future installments of an assessment may be paid on any date by payment of the then outstanding balance plus interest to the succeeding June 1.

4. Delinquency. All such assessments with interest shall become delinquent after the thirty-first day of March next after their due date, and shall bear the same interest with the same penalties as ordinary taxes, and when collected the said interest and penalties shall be credited to the same fund as the said special assessment.

5. Interest period. Upon the payment of any assessment or installment thereof interest shall be computed and collected as aforesaid to the first day of June following the date of such payment.

6. Lien of assessment. All assessments shall constitute liens on the lots assessed from the date they are certified to the county auditor and such liens shall have the same preference and priorities as liens for ordinary taxes; provided, that in no case shall the owner of any lot be liable for an assessment greater than provided for in sections 391A.26 and 391A.27. [C50, §391A.27; C54, 58, 62, §391A.30]

391A.31 Appeals to district court.

1. Any person or corporation, having an interest in any property subject to special assessment under any given exercise of the powers conferred upon municipalities by this chapter, shall have the right, within twenty days after the adoption of a resolution of necessity, to test the regularity of the proceedings under such exercise of power by a petition in equity filed in the district court of the county wherein such property is located. Filing such petition shall not operate as a stay of further proceedings on the improvement by the council unless there is also filed a bond in an amount and with security approved by the court.

2. Any person or corporation, having an interest in any property specially assessed under any exercise of the powers conferred upon municipalities by this chapter, shall have the right to appeal from the amount of such assessment at any stage of the special assessment procedure up to twenty days after the final publication of notice of filing of the final assessment schedule by petition to the district court of the county wherein such property is located, but such appeal shall go only to the amount of that assessment and shall in no event operate as a stay of further proceedings by the council on the improvement.

3. Nothing herein set forth shall be construed so as to deny any person or corporation having an interest in property subject to special assessment a right of appeal to the district court on the ground of fraud or to avail himself of such other remedies as are available by law. [C50, §391A.28; C54, 58, 62, §391A.31]

Referred to in §391A.18, subsection 13

After certification of the final assessment schedule the municipality shall, by resolution of the council, authorize and issue bonds in anticipation of the collection of unpaid special assessments, provided that the total principal amount of bonds issued for account of any public improvement shall not exceed the total amount of unpaid special assessments less the amount assessed for the default fund.

2. Form. All such bonds shall be negotiable and shall recite on their face that they have been issued under the provisions of this chapter and are payable as to both principal and interest from the proceeds of the special assessments levied for account of the public improvement. Such bonds shall bear interest at a rate not exceeding five percent and shall mature serially on June 1 of the years in which any of such principal is scheduled to become due and shall contain a provision that the municipality reserves the right and option of calling and redeeming any or all of the bonds on or before July 15 of each year prior to maturity upon such terms as are specified therein.

3. Payment. The proceeds of the special assessments and interest collected thereon shall be used and applied by the treasurer of the municipality to the payment of the interest on the bonds and to the retirement of the principal as rapidly as such proceeds are collected.

4. Sale—proceeds. Said bonds shall be sold at public sale in the manner provided for by chapter 75, but shall not be sold for less than par value with accrued interest from date to date at time of delivery. In the event that no bid is received at the public sale, the council may require the contractor for the public improvement to purchase same at par value for bonds bearing five percent interest. The proceeds shall be used and applied to the payment of the cost of the public improvement.

5. Procedure. The provisions of chapter 396 shall be applicable to bonds issued under this chapter.

6. Surplus. Any excess of proceeds from special assessment remaining after all of the bonds for account of a particular improvement have been paid with interest shall be credited to the fund from which deficiencies for such improvement were paid. [C50,§391A.30; C54, 58, 62,§391A.33]

391A.34 Tax sale. Property against which a special assessment has been levied for public improvements may be sold for any sum of principal or interest due and delinquent at any regular or adjourned tax sale, in the same manner, with the same forfeitures, penalties, right of redemption, certificates, and deeds as for the nonpayment of ordinary taxes. The purchaser at such sale shall take the property charged with the lien of the remaining unpaid installments and interest. At any such sale where bonds have been issued in anticipation of such special assessments and interest, the municipality may be a purchaser and be entitled to all the rights of purchasers at tax sales. The proceeds subsequently realized from sales of any property so purchased by the municipality shall be credited to the funds of the municipality from which deficiencies on such improvement were paid, or if there were no deficiencies to the general fund. [C50, §391A.31; C54, 58, 62,§391A.34]

391A.35 Payment from other funds. The whole or any part of the cost of construction or repair of any public improvement may be paid under the provisions of sections 396.22 and 396.23, or may be paid from the fund or funds of the municipality authorized to be used for the particular type of improvement and the council shall provide that the tax authorized for purposes of such fund or funds shall be annually levied to the full extent necessary to reimburse said fund or funds for the amount paid therefrom for the construction or repair of the improvement. [C50, §391A.32; C54, 58, 62,§391A.35]

391A.36 Relevy. When by reason of non-conformity to any law or resolution, or by reason of any omission, informality, or irregularity, any special tax or assessment levied is determined by the council to be invalid or is adjudged illegal, the council shall have power to correct the same by resolution, and may reassess and relevy the same, with the same force and effect as if done at the proper time and in the manner provided by law or by the resolution relating thereto. [C50,§391A.33; C54, 58, 62,§391A.36] Referred to in §391A.18(12)

391A.38 Streets with tracks. In the making of assessments for paving streets, avenues, or public places along or upon which any track of a railway or street railway company is located, the engineer shall make an estimate
of the cost of building the improvement, and he shall also make an estimate of what would be the cost of such improvement if such tracks did not there exist. The railway or street railway company shall be charged with the difference between said estimates of cost and shall make payment in the same manner as other special assessments are paid. This section applies only to track within the limits of the improvement proper and nothing herein contained shall be construed as exempting such railway or street railway company from any special assessment on any other property, adjacent or abutting, within the assessment district and owned by such company, nor shall this section be construed as relieving any company from any of its duties or liabilities set forth in any other sections of the law concerning repair or construction of the strip of paving between the rails and one foot outside thereof. [C54, 58, 62,§391A.38]

Payments to the United States in furtherance of said agreement may be made to the United States in whole or in part in advance of the letting of contracts by the United States for such improvements to secure the United States in the letting of said contracts subject to the provision that any such payment be made on condition that any excess of such payment over and above the actual cost as so apportioned shall be refunded to the city or town. Funds for such payments to the United States may be provided by contracting indebtedness and issuing bonds to the extent and in the manner authorized by section 395.25. Whenever in any municipal corporation proceedings have been or shall be begun for the purpose of providing flood protection under the provisions of this chapter, the council shall have power to divide the work into parts, sections, or districts, and determine what property would be benefited by the work or improvement in each part, section, or district; to omit parts of said work or any part, section, or district; and to contract for any part, section, or district separately and proceed therewith the same as if the entire work or improvement was contracted for, done, or made. Whenever the tax provided for in section 395.22 has not been levied beginning on the date fixed in the resolution of necessity and in the proposition submitted to a vote of the electors, and a part of the period in which such levy is authorized to

Such cities and towns may issue bonds payable solely and only from the revenues derived from such improvements. 399.21 Rates for city. In fixing the rate to be paid by the city for water for public uses the board shall take into consideration the quantity used and fix the rate accordingly, but in no event shall such rate exceed an annual rental or rate of three hundred fifty dollars for each mile of main pipe laid and in operation, including hydrant connections, and not including more than one line of pipe on the same street, and not including any pipe less than six inches in diameter laid since August 17, 1896. 1. Interest on the entire outstanding indebtedness of said waterworks, including that portion that is a general obligation against the city.

2. The cost of all operating expenses, including insurance against legal liability and payment of judgment resulting from such liability.

3. A sufficient sum by way of a depreciation fund to cover such repairs and replacement as may properly be charged against such fund.

A sufficient annual provision for a sinking fund to fully pay at maturity all bonds and certificates which by their terms are payable out of the special tax provided for in this chapter, or out of the earnings of the property purchased under the powers herein granted and to pay special assessments for street improvements lawfully assessed against the waterworks property or any part thereof, and to pay for necessary extensions, improvements and additional lands in cases where bonds have not been issued therefor.

5. A surplus in addition to the requirements set out in the last four preceding subsections to be used as a working capital of not to exceed one hundred twenty-five thousand dollars; provided, however, that the board may absorb all surplus in excess of fifty thousand dollars by reducing water rates and the surplus in excess of one hundred twenty-five thousand dollars must so absorb all such surplus in excess of one hundred twenty-five thousand dollars. [C24, 27, 31, 35, 39, §6180; C46, 50, 54, 58, 62, §399.22]

In the payment of the securities authorized to be issued by this section the city and holders thereof shall be restricted to the property mortgaged and the net revenues thereof, and such contract or bonds and all other bonds or certificates issued under this chapter shall not bear a higher rate of interest than five percent per annum, payable semiannually. [C24, 27, 31, 35, 39, §6183; C46, 50, 54, 58, 62, §399.25]

It shall be unlawful for the board or any person or corporation to give or receive free water service, or to give or receive water service at a more favorable rate than that accorded to the general public except as herein provided. Any person or persons violating, either directly or indirectly, the provisions of this section shall
upon conviction be punished by a fine of not less than three hundred dollars or sixty days in jail for each and every offense. [C24, 27, 31, 35, 39, §6184; C46, 50, 54, 58, 62, §399.26]

399.27 Extension of mains. The board of waterworks trustees shall establish such rules regarding the extension of mains as in its belief will inure to the greatest benefit of the city, and shall avoid granting special favors in the extension of mains by requiring property owners when necessary to make certain guarantees or to pay certain sums to cover the cost of unprofitable extensions. [C24, 27, 31, 35, 39, §6185; C46, 50, 54, 58, 62, §399.27]

[C24, 27, 31, 35, 39, §6189; C46, 50, 54, 58, 62, §399.31]

399.32 Construction of chapter. Nothing herein shall be held to repeal sections 397.27 and 397.28. Said sections, however, so far as the rate making power is concerned, shall not apply to the operation of waterworks constructed or purchased under the provisions of this chapter. In all other respects this chapter shall be construed as granting additional power and providing an alternative means of acquiring a municipal waterworks without limiting the power already existing in cities having a population of fifty thousand inhabitants or over. Except as hereinafter otherwise provided, the provisions of this chapter, including section 399.14 but not excluding any other section hereof, shall apply only to cities which have heretofore acquired or which may hereafter acquire a municipal waterworks under authority contained in this chapter and which have heretofore financed or which may hereafter finance the cost of acquiring, extending or improving such municipal waterworks in whole or in part through the issuance of public service bonds or public service certificates as permitted and provided for in section 399.7 or 399.10 hereof.

All proceedings including all resolutions and ordinances heretofore undertaken by or passed by the city council of any city which acquired its municipal waterworks prior to January 1, 1910, for the creation of a board of waterworks trustees under the provisions of section 399.14 hereof or for the subsequent abolishment and discontinuance of such board, are hereby validated and confirmed. From November 1 of each year to April 1 following, provide all cars used for the transportation of passengers with vestibules inclosing the front and rear platforms on all sides for the protection of employees operating such cars when, in the performance of their duties, the employees are required to remain on said vestibule the major portion of their time. 403.1 Title. This chapter shall be known and may be cited as the "urban renewal law." [C58, 62, §403.1]

403.2 Declaration of policy.
1. It is hereby found and declared that there exist in municipalities of the state slum and blighted areas, as herein defined, which constitute a serious and growing menace, injurious to the public health, safety, morals and welfare of the residents of the state; that the existence of such areas contributes substantially and increasingly to the spread of disease and crime, constitutes an economic and social liability imposing onerous financial burdens which depress the tax base and reduce tax revenues, substantially impairs or arrests the sound growth of municipalities, retards the provision of housing accommodations, aggravates traffic problems and substantially impairs or arrests the elimination of traffic hazards and the improvement of traffic facilities; and that the prevention and elimination of slums and blighted areas is a matter of state policy and state concern in order that the state and its municipalities shall not continue to be endangered by areas which are focal centers of disease, promote juvenile delinquency and consume an excessive proportion of state revenues because of the extra services required for police, fire, accident, hospitalization and other forms of public protection, services and facilities.

2. It is further found and declared that certain slum or blighted areas, or portions thereof, may require acquisition, clearance, and disposition subject to use restrictions, as provided in this chapter, since the prevailing condition of decay may make impracticable the reclamation of the area by conservation or rehabilitation; that other areas or portions thereof may, through the means provided in this chapter, be susceptible of conservation or rehabilitation in such a manner that the conditions and evils hereinbefore enumerated may be eliminated, remedied or prevented; and that fringe areas can be conserved and rehabilitated through appropriate public action as herein authorized, and through the co-operation and voluntary action of the owners and tenants of property in such areas.

3. It is further found and declared that the powers conferred by this chapter are for public uses and purposes for which public money may be expended and for which the power of eminent domain and police power exercised; and that the necessity in the public interest for the provisions herein enacted is hereby declared as a matter of legislative determination. [C58, 62, §403.2]

403.3 Municipal program. The local governing body of a municipality may formulate for the municipality a workable program for utilizing appropriate private and public resources to eliminate slums and prevent the development or spread of slums and urban blight and to encourage needed urban rehabilitation. Such workable program may include, without limitation, provisions for:

1. The prevention of the spread of blight into areas of the municipality which are free from blight, through diligent enforcement of housing, zoning and occupancy controls and standards.

2. The rehabilitation or conservation of slum or blighted areas or portions thereof by re-planning, by removing congestion, by providing parks, playgrounds and other public improvements, by encouraging voluntary rehabilitation and by compelling the repair and rehabilitation of deteriorated or deteriorating structures.

3. The clearance of slum and blighted areas or portions thereof.

4. The redevelopment of slum and blighted areas by approval of urban renewal plans. [C58, 62, §403.3]

Referred to in §403.14, subsection 2(d)

403.4 Resolution of necessity. No municipality shall exercise the authority herein conferred upon municipalities by this chapter until after its local governing body shall have adopted a resolution finding that:

1. One or more slum or blighted areas exist in such municipality.

2. The rehabilitation, conservation, redevelopment, or a combination thereof, of such area or areas is necessary in the interest of the public health, safety, morals or welfare of the residents of such municipality. [C58, 62, §403.4]

Referred to in §§403.14, subsection 2(e), 408.15, subsection 1

403.5 Urban renewal plan.
1. A municipality shall not approve an urban
urban renewal project for an urban renewal area unless the governing body has, by resolution, determined such area to be a slum area or a blighted area or a combination thereof, and designated such area as appropriate for an urban renewal project. The local governing body shall not approve an urban renewal plan until a general plan for the municipality has been prepared. For this purpose and other municipal purposes, authority is hereby vested in every municipality to prepare, to adopt and to revise from time to time, a general plan for the physical development of the municipality as a whole, giving due regard to the environs and metropolitan surroundings. A municipality shall not acquire real property for an urban renewal project unless the local governing body has approved the urban renewal project in accordance with subsection 4 hereof.

2. The municipality may itself prepare or cause to be prepared an urban renewal plan; or any person or agency, public or private, may submit such a plan to a municipality. Prior to its approval of an urban renewal project, the local governing body shall submit such plan to the planning commission of the municipality, if any, for review and recommendations as to its conformity with the general plan for the development of the municipality as a whole. The planning commission shall submit its written recommendations with respect to the proposed urban renewal plan to the local governing body within thirty days after receipt of the plan for review. Upon receipt of the recommendations of the planning commission or, if no recommendations are received within said thirty days, then, without such recommendations, the local governing body may proceed with the hearing on the proposed urban renewal project prescribed by subsection 3 hereof.

3. The local governing body shall hold a public hearing on an urban renewal project after public notice thereof by publication in a newspaper having a general circulation in the area of operation of the municipality. The notice shall describe the time, date, place and purpose of the hearing, shall generally identify the urban renewal area covered by the plan, and shall outline the general scope of the urban renewal project under consideration.

4. Following such hearing, the local governing body may approve an urban renewal project if it finds that:

a. A feasible method exists for the location of families who will be displaced from the urban renewal area into decent, safe and sanitary dwelling accommodations within their means and without undue hardship to such families;

b. The urban renewal plan conforms to the general plan of the municipality as a whole; provided, that if the urban renewal area consists of an area of open land to be acquired by the municipality, such area shall not be so acquired except:

1. If it is to be developed for residential uses, the local governing body shall determine that a shortage of housing of sound standards and design with decency, safety and sanitation exists in the municipality; that the need for housing accommodations has been or will be increased as a result of the clearance of slums in other areas, including other portions of the urban renewal area; that the conditions of blight in the area and the shortage of decent, safe and sanitary housing cause or contribute to an increase in and spread of disease and crime, and constitute a menace to the public health, safety, morals, or welfare; and that the acquisition of the area for residential uses is an integral part of and essential to the program of the municipality.

2. If it is to be developed for nonresidential uses, the local governing body shall determine that such nonresidential uses are necessary and appropriate to facilitate the proper growth and development of the community in accordance with sound planning standards and local community objectives. The acquisition may require the exercise of governmental action, as provided in this chapter, because of defective or unusual conditions of title, diversity of ownership, tax delinquency, improper subdivisions, outmoded street patterns, deterioration of site, economic disuse, unsuitable topography or faulty lot layouts, or because of the need for the correlation of the area with other areas of a municipality by streets and modern traffic requirements, or any combination of such factors or other conditions which retard development of the area.

Referred to in §§403.14, subsection 2(e), 403.17, subsection 9

5. An urban renewal plan may be modified at any time: Provided, that if modified after the lease or sale by the municipality of real property in the urban renewal project area, such modification may be conditioned upon such approval of the owner, lessee or successor in interest as the municipality may deem advisable, and in any event such modification shall be subject to such rights at law or in equity as a lessee or purchaser, or his successor or successors in interest, may be entitled to assert.

6. Upon the approval by a municipality of an urban renewal plan or of any modification thereof, such plan or modification shall be deemed to be in full force and effect for the respective urban renewal area, and the municipality may then cause such plan or modification to be carried out in accordance with its terms.

7. Notwithstanding any other provisions of this chapter, where the local governing body certifies that an area is in need of redevelopment or rehabilitation as a result of a flood, fire, hurricane, earthquake, storm, or other catastrophe respecting which the governor of the state has certified the need for disaster assistance under Public Law 675, Eighty-first Congress, [64 Stat. L. 1109; 42 U.S.C. §§1855-
403.6 Powers of municipality. Every municipality shall have all the powers necessary or convenient to carry out and effectuate the purposes and provisions of this chapter, including the following powers in addition to others herein granted:

2. To arrange or contract for the furnishing or repair by any person of services, privileges, works, streets, roads, public utilities or other facilities for or in connection with an urban renewal project; to install, construct, and re-construct streets, utilities, parks, playgrounds, and other public improvements; and to agree to any conditions, that it may deem reasonable and appropriate.

3. Within its area of operation, to enter into any building or property in any urban renewal area in order to make inspections, surveys, appraisals, soundings or test borings, and to obtain an order for this purpose from a court of competent jurisdiction in the event entry is denied or resisted; to acquire by purchase, lease, option, gift, grant, bequest, devise, eminent domain or otherwise, any real property, or personal property for administrative purposes, together with any improvements thereon; to hold, improve, clear or prepare for redevelopment any such property; to mortgage, pledge, hypothecate or otherwise encumber or dispose of any real property; to insure or provide for the insurance of any real or personal property or operations of the municipality against any risks or hazards, including the power to pay premiums on any such insurance; and to enter into any contracts necessary to effectuate the purposes of this chapter: Provided, however, that no statutory provision with respect to the acquisition, clearance or disposition of property by public bodies shall restrict a municipality or other public body exercising powers hereunder in the exercise of such functions with respect to an urban renewal project, unless the legislature shall specifically so state.

4. To invest any urban renewal project funds held in reserves or sinking funds, or any such funds not required for immediate disbursement, in property or securities in which savings banks may legally invest funds subject to their control; to redeem such bonds as have been issued pursuant to section 403.9 at the redemption price established therein, or to purchase such bonds at less than redemption price, all such bonds so redeemed or purchased to be canceled.

5. To borrow money and to apply for and accept advances, loans, grants, contributions and any other form of financial assistance from the federal government, the state, county, or other public body, or from any sources, public or private, for the purposes of this chapter, and to give such security as may be required, and to enter into and carry out contracts in connection therewith. A municipality may include in any contract, for financial assistance with the federal government for any urban renewal project, such conditions imposed pursuant to federal laws as the municipality may deem reasonable and appropriate and which are not inconsistent with the purposes of the chapter.

6. Within its area of operation, to make or have made all surveys and planning necessary to the carrying out of the purposes of this chapter, and to contract with any person in making and carrying out such planning, and to adopt or approve, modify and amend such planning. Such planning may include, without limitation:

a. A general plan for the locality as a whole;

b. Urban renewal plans;

c. Preliminary plans outlining urban renewal activities for neighborhoods to embrace two or more urban renewal areas;

d. Planning for carrying out a program of voluntary or compulsory repair and rehabilitation of buildings and improvements;

e. Planning for the enforcement of state and local laws, codes and regulations relating to the use of land and the use and occupancy of buildings and improvements and to the compulsory repair, rehabilitation, demolition, or removal of buildings and improvements;

f. Appraisals, title searches, surveys, studies, and other planning and work necessary to prepare for the undertaking of urban renewal projects. The municipality is authorized to develop, test, and report methods and techniques, and carry out demonstrations and other activities, for the prevention and the elimination of slums and urban blight and to apply for, accept and utilize grants of funds from the federal government for such purposes.

7. To plan for the relocation of persons, including families, business concerns and others,
displaced by an urban renewal project, and to make relocation payments to or with respect to such persons for moving expenses and losses of property for which reimbursement or compensation is not otherwise made, including the making of such payments financed by the federal government.

8. To appropriate such funds and make such expenditures as may be necessary to carry out the purposes of this chapter, and to levy taxes and assessments for such purposes; to zone or rezone any part of the municipality or make exceptions from building regulations; and to enter into agreements, respecting action to be taken by such municipality pursuant to any of the powers granted by this chapter, with an urban renewal agency vested with urban renewal project powers under section 403.14, which agreements may extend over any period, notwithstanding any provision of rule of law to the contrary.

Referred to in §403.14, subsection 2(g)

9. To close, vacate, plan or replan streets, roads, sidewalks, ways or other places; and to plan or replan any part of the municipality.

10. Within its area of operation, to organize, co-ordinate and direct the administration of the provisions of this chapter as they apply to such municipality in order that the objective of remedying slum and blighted areas, and preventing the causes thereof, within such municipality, may be most effectively promoted and achieved; and to establish such new office or offices of the municipality, or to reorganize existing offices, in order to carry out such purpose most effectively.

11. To exercise all or any part of combination of powers herein granted.

12. To approve urban renewal plans.

13. To sell and convey real property in furtherance of an urban renewal project.

14. To supplement the rent required to be paid by any family residing in the municipality forced to relocate by reason of any governmental activity, provided it is necessary to do so in order to house such family in decent, safe and sanitary housing and provided further that such family does not have sufficient means, as determined by the municipality, to pay the required rent for such housing. Any such rent supplement for any such family shall not continue for more than five years.

15. To acquire by purchase, gift or condemnation real property within its area of operation for the relocation of railroad passenger and freight depots, tracks, and yard and other railroad facilities and to sell or exchange and convey such real property to railroads. [C58, 62, §403.6; 61GA, ch 332, §1, ch 333, §1]

Referred to in §403.14, subsection 2(g)

403.7 Condemnation of property. A municipality may have the right to acquire by condemnation any interest in real property, including a fee simple title thereto, which it may deem necessary for or in connection with an urban renewal project under this chapter. A municipality may exercise the power of eminent domain in the manner provided in chapter 472, and acts amendatory thereof or supplementary thereto, or it may exercise the power of eminent domain or which may be hereafter provided by any other statutory provisions for the exercise of the power of eminent domain. Property already devoted to a public use may be acquired in like manner: Provided, that no real property belonging to the state, or any political sub-division thereof, may be acquired without its consent, provided further that no real property or any right or interest therein owned by any public utility company, pipe-line company, railway or transportation company vested with the right of eminent domain under the laws of this state, shall be acquired without the consent of such company, or without first securing, after due notice to such company and after hearing, a certificate authorizing condemnation of such property from the board, commission or body having the authority to grant a certificate authorizing condemnation. [C58, 62, §403.7]

403.8 Sale or lease of property.

1. A municipality may sell, lease or otherwise transfer real property or any interest therein acquired by it, and may enter into contracts for such purposes, in an urban renewal area for residential, recreational, commercial, industrial or other uses, or for public use, subject to such covenants, conditions and restrictions, including covenants running with the land, as it may deem to be necessary or desirable to assist in preventing the development or spread of future slums or blighted areas, or to otherwise carry out the purposes of this chapter. Provided, that such sale, lease, other transfer, or retention, and any agreement relating thereto, may be made only after the approval of the urban renewal plan by the local governing body. The purchasers or lessees and their successors and assigns shall be obligated to devote such real property only to the uses specified in the urban renewal plan, and they may be obligated to comply with such other requirements as the municipality may determine to be in the public interest, including the obligation to begin within a reasonable time any improvements on such real property required by the urban renewal plan. Such real property or interest shall be sold, leased, otherwise transferred, or retained at not less than its fair value for uses in accordance with the urban renewal plan. In determining the fair value of real property for uses in accordance with the urban renewal plan, a municipality shall take into account all the considerations incident to: The uses provided in such plan; the restrictions upon, and the covenants, conditions and obligations assumed by the purchaser or lessee or by the municipality retaining the property; and the objectives of such plan for the prevention of the recurrence of slum or blighted areas. The municipality in any instrument of conveyance to a private purchaser
or lessee may provide that such purchaser or lessee shall be without power to sell, lease or otherwise transfer the real property, without the prior written consent of the municipality, until he has completed the construction of any or all improvements which he has obligated himself to construct thereon. Real property acquired by a municipality which, in accordance with the provisions of the urban renewal plan, is to be transferred, shall be transferred as rapidly as feasible in the public interest, consistent with the carrying out of the provisions of the urban renewal plan. Any contract for such transfer under the urban renewal plan, or such part or parts of such contract or plan as the municipality may determine, may be recorded in the land records of the county in such manner as to afford actual or constructive notice thereof.

2. A municipality may dispose of real property in an urban renewal area to private persons only under such reasonable competitive bidding procedures as it shall prescribe, or as hereinafter provided in this subsection. A municipality, by public notice by publication in a newspaper having a general circulation in the community, thirty days prior to the execution of any contract to sell, lease or otherwise transfer real property, and prior to the delivery of any instrument of conveyance with respect thereto under the provisions of this section, may invite proposals from and make available all pertinent information to any persons interested in undertaking to redevelop or rehabilitate an urban renewal area, or any part thereof. Such notice shall identify the area, or portion thereof, and shall state that proposals shall be made by those interested within thirty days after the date of publication of said notice, and that such further information as is available may be obtained at such office as shall be designated in said notice. The municipality shall consider all such redevelopment or rehabilitation proposals, and the financial and legal ability of the persons making such proposals to carry them out, and the municipality may negotiate with any persons for proposals concerning the purchase, lease or other transfer of any real property acquired by the municipality in the urban renewal area. The municipality may accept such proposal as it deems to be in the public interest and in furtherance of the purposes of this chapter: Provided, that a notification of intention to accept such proposal shall be filed with the governing body not less than thirty days prior to any such acceptance. Thereafter, the municipality may execute such contract in accordance with the provisions of subsection 1 of this section and may deliver deeds, leases and other instruments and may take all steps necessary to effectuate such contract.

3. A municipality may temporarily operate and maintain real property acquired in an urban renewal area pending the disposition of the property as authorized in this chapter, without regard to the provisions of subsection 1 above, for such uses and purposes as may be deemed desirable, even though not in conformity with the urban renewal plan. [C58, 62, §403.8]

See ch 403A

403.9 Issuance of bonds.

1. A municipality shall have power to issue bonds from time to time in its discretion to finance the undertaking of any urban renewal project under this chapter, including, without limiting the generality thereof, the payment of principal and interest upon any advances for surveys and planning; and the municipality shall also have power to issue refunding bonds for the payment or retirement of such bonds previously issued by it. Such bonds shall be made payable, as to both principal and interest, solely from the income, proceeds, revenues, and funds of the municipality derived from or held in connection with its undertaking and carrying out of urban renewal projects under this chapter: Provided, however, that payment of such bonds, both as to principal and interest, may be further secured by a pledge of any loan, grant, or contribution from the federal government or other source, in aid of any urban renewal projects of the municipality under this chapter, and by a mortgage of any such urban renewal projects, or any part thereof, title to which is in the municipality.

2. Bonds issued under this section shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction, and shall not be subject to the provisions of any other law or charter relating to the authorization, issuance or sale of bonds. Bonds issued under the provisions of this chapter are declared to be issued for an essential public and governmental purpose and, together with interest thereon and income therefrom, shall be exempted from all taxes.

3. Bonds issued under this section shall be authorized by resolution or ordinance of the local governing body and may be issued in one or more series and shall bear such date or dates, be payable upon demand or mature at such time or times, bear interest at such rate or rates not exceeding six per centum per annum, be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium of payment, at such place or places, and be subject to such terms of redemption, with or without premium, be secured in such manner, and have such other characteristics, as may be provided by such resolution or trust indenture or mortgage issued pursuant thereto.

4. Such bonds may be sold at not less than par at public sales held after notice published prior to such sale in a newspaper having a general circulation in the area of operation and in such other medium of publication as the municipality may determine, or may be
exchanged for other bonds on the basis of par; Provided, that such bonds may be sold to the federal government at private sale at not less than par, and, in the event less than all of the authorized principal amount of such bonds is sold to the federal government, the balance may be sold at private sale at not less than par at an interest cost to the municipality of not to exceed the interest cost to the municipality of the portion of the bonds sold to the federal government.

5. In case any of the public officials of the municipality whose signatures appear on any bonds or coupons issued under this chapter shall cease to be such officials before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if such officials had remained in office until such delivery. Any provision of any law to the contrary notwithstanding, any bonds issued pursuant to this chapter shall be fully negotiable.

6. In any suit, action or proceeding involving the validity or enforceability of any bond issued under this chapter or the security therefor, any such bond reciting in substance that it has been issued by the municipality in connection with an urban renewal project, as herein defined, shall be conclusively deemed to have been issued for such purpose and such project shall be conclusively deemed to have been planned, located and carried out in accordance with the provisions of this chapter. [CS8, 62, §403.9]

Referred to in §§403.6, subsection 4, 403.12, subsection 5

§403.10 Bonds as legal investment. All banks, trust companies, bankers, savings banks and institutions, building and loan associations, savings and loan associations, investment companies and other persons carrying on a banking or investment business; all insurance companies, insurance associations, and other persons carrying on an insurance business; and all executors, administrators, curators, trustees, and other fiduciaries, may legally invest any sinking funds, moneys, or other funds belonging to them or within their control in any bonds or other obligations issued by a municipality pursuant to this chapter, or those issued by any urban renewal agency vested with urban renewal project powers under section 403.14: Provided, that such bonds and other obligations shall be secured by an agreement between the issuer and the federal government, in which the issuer agrees to borrow from the federal government and the federal government agrees to lend to the issuer, prior to the maturity of such bonds or other obligations, moneys in an amount which, together with any other moneys irrevocably committed to the payment of interest on such bonds or other obligations, will suffice to pay the principal of such bonds or other obligations with interest thereon, which moneys under the terms of said agreement are required to be used for the purpose of paying the principal of and the interest on such bonds or other obligations at their maturity. Such bonds and other obligations shall be authorized security for all public deposits. It is the purpose of this section to authorize any persons, political subdivisions and officers, public or private, to use any funds owned or controlled by them for the purchase of any such bonds or other obligations. Nothing contained in this section with regard to legal investments shall be construed as relieving any person of any duty of exercising reasonable care in selecting securities. [CS8, 62, §403.10]

403.11 Exemptions from legal process.

1. All property of a municipality, including funds, owned or held by it for the purposes of this chapter shall be exempt from levy and sale by virtue of an execution; and no execution or other judicial process shall issue against the same; nor shall judgment against a municipality be a charge or lien upon such property: Provided, however, that the provisions of this section shall not apply to or limit the right of obligees to pursue any remedies for the enforcement of any pledge or lien given pursuant to this chapter by a municipality on its rents, fees, grants or revenues from urban renewal projects.

2. The property of a municipality, acquired or held for the purposes of this chapter, is declared to be public property used for essential public and governmental purposes, and such property shall be exempt from all taxes of the municipality, the county, the state, or any political subdivision thereof: Provided, that such tax exemption shall terminate when the municipality sells, leases or otherwise disposes of such property in an urban renewal area to a purchaser or lessee which is not a public body entitled to tax exemption with respect to such property. [CS8, 62, §403.11]

403.12 Powers of municipality.

If at any time title to or possession of any urban renewal project is held by any public body or governmental agency, including any agency or instrumentality of the United States, other than the municipality, which is authorized by law to engage in the undertaking, carrying out, or administration of urban renewal projects, the provisions of the agreements referred to in this section shall inure to the benefit of and may be enforced by such public body or governmental agency. As used in this subsection, the term “municipality” shall also include an urban renewal agency vested with all of the urban renewal project powers pursuant to the provisions of section 403.14.

3. Any sale, conveyance, lease or agreement provided for in this section may be made by a public body without appraisal, public notice, advertisement or public bidding.

4. For the purpose of aiding in the planning, undertaking or carrying out of an urban renewal project of an urban renewal agency, a municipality may, in addition to its other powers and upon such terms, with or without consideration, as it may determine, do and perform any or all of the actions or things which, by the provisions of subsection 1 of this section, a public body is authorized to do or perform, including the furnishing of financial and other assistance.

5. For the purposes of this section, or for the purpose of aiding in the planning, undertaking or carrying out of an urban renewal project of a municipality, such municipality may, in addition to any authority to issue bonds pursuant to section 403.9, issue and sell its general obligation bonds. Any bonds issued by a municipality pursuant to this section shall be issued in the manner and within the limitations prescribed by the laws of this state for the issuance and authorization of bonds by such municipality for public purposes generally. [C58, 62 §403.12]

403.14 Urban renewal agency powers.

1. A municipality may itself exercise its urban renewal project powers, as herein defined, or may, if the local governing body by resolution determines such action to be in the public interest, elect to have such powers exercised by the urban renewal agency, if one exists or is subsequently established in the community. In the event the local governing body makes such determination, the urban renewal agency shall be vested with all of the urban renewal project powers in the same manner as though all such powers were conferred on such agency instead of the municipality. If the local governing body does not elect to make such determination, the municipality in its discretion may exercise its urban renewal project powers through a board or commissioner, or through such officers of the municipality as the local governing body may by resolution determine.

2. As used in this section, the term “urban renewal project powers” shall include the rights, powers, functions and duties of a municipality under this chapter, including the following:

1. There is hereby created in each municipality a public body corporate and politic to be known as the “urban renewal agency” of the municipality. Provided, that such agency shall not transact any business or exercise its powers hereunder until or unless the local governing body has made the finding prescribed in section 403.4, and has elected to have the urban renewal project powers exercised by an urban renewal agency as provided in section 403.14.

2. If the urban renewal agency is authorized to transact business and exercise powers here-

An agency authorized to transact business and exercise powers under this chapter shall file, with the local governing body, or on before March 31 of each year, a report of its activities for the preceding calendar year, which report shall include a complete financial statement setting forth its assets, liabilities, income and operating expenses as of the end of such calendar year. At the time of filing the report, the agency shall publish in a newspaper of general circulation in the community a notice to the effect that such report has been filed with the municipality, and that the report is available for inspection during business hours in the office of the city clerk and in the office of the agency.

6. For inefficiency, or neglect of duty, or misconduct in office, a commissioner may be removed only after a hearing, and after he shall have been given a copy of the charges at least ten days prior to such hearing, and after he shall have had an opportunity to be heard in person or by counsel. In addition to the powers conferred upon a municipality by other provisions of this chapter, a municipality is empowered to borrow money or accept contributions, grants or other financial assistance from the federal government for or in aid of any housing project within its area of operation, to take over, lease or manage any project or undertaking constructed or owned by the federal government, and to these ends, to comply with such conditions and enter into such contracts, covenants, mortgages, trust indentures, leases or agreements as may be necessary, convenient or desirable. It is the purpose and intent of this chapter to authorize every municipality to do any and all things necessary or desirable to secure the financial aid or co-operation of the federal government in the undertaking, construction, maintenance or operation of any housing project by such municipality. To accomplish this purpose a municipality, notwithstanding the provisions of any other law, may include in any contract for financial assistance with the federal government any provisions, which the federal government may require as conditions to its financial aid of a housing project, not inconsistent with the purposes of this chapter. [C62, §403A.4]

403A.5 Exercise of municipal housing powers—low-rent housing agency. Any municipality may create, in such municipality, a public body corporate and politic to be known as the “Low-Rent Housing Agency” of such municipality except that such agency shall not transact any business or exercise its powers hereunder until or unless the local governing body has elected to exercise its municipal housing powers through such an agency as prescribed in this section; and, except further, that any such agency shall not undertake any low-rent housing project until such project has been approved by a referendum as provided in section 403A.25.

Nothing herein shall prevent such an agency, if one is established by the local governing body, from making investigations, studies, reports and recommendations with respect to the necessity for, the location and the size of any proposed low-rent housing project prior to the referendum on same as provided in section 403A.25.

If the low-rent housing agency is authorized to transact business and exercise powers hereunder, the mayor, by and with the advice and
consent of the local governing body, shall ap­point a board of commissioners of the low-rent housing agency which board shall consist of five commissioners. The term of office for three of said commissioners originally appointed shall be two years and the term of office for two of said commissioners originally appointed shall be one year. Thereafter the term of office for each commissioner shall be two years.

A commissioner shall receive no compensa­tion for his services, but he shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his duties. Each commissioner shall hold office until his successor has been appointed and has qual­ified. A certificate of the appointment or re­appointment of any commissioner shall be filed with the clerk of the municipality, and such certificate shall be conclusive evidence of the due and proper appointment of such commissioner.

The powers of a low-rent housing agency shall be exercised by the commissioners thereof. A majority of the commissioners shall con­stitute a quorum for the purpose of conducting business and exercising the powers of the agency, and for all other purposes. Action may be taken by the agency upon a vote of a majority of the commissioners present, unless in any case the bylaws shall require a larger number. Any persons may be appointed as commissioners if they reside within the area of operation of the agency, which area shall be conterminous with the area of operation of the municipality, and if they are otherwise eligible for such appointments under this chapter.

The mayor shall designate a chairman and vice-chairman from among the commissioners. An agency may employ an executive director, technical experts and such other agents and employees, permanent and temporary, as it may require, and the agency may determine their qualifications, duties and compensation. For such legal service as it may require, an agency may employ or retain its own counsel and legal staff. An agency authorized to transact business and exercise powers under this chapter shall file, with the local governing body, on or before March 31 of each year, a report of its activities for the preceding cal­endar year, which report shall include a com­plete financial statement setting forth its assets, liabilities, income and operating expense as of the end of such calendar year. At the time of filing the report, the agency shall publish in a newspaper of general circulation in the community a notice to the effect that such report has been filed with the municipality, and that the report is available for in­spe ction during business hours in the office of the city clerk and in the office of the agency.

For inefficiency, or neglect of duty, or mis­conduct in office, a commissioner may be re­moved by a majority vote of the governing body of the municipality only after a hearing before said body, and after he shall have been given a copy of the charges at least ten days prior to such hearing, and after he shall have had an opportunity to be heard in person or by counsel.

A municipality may itself exercise the pow­ers in connection with municipal housing as defined in this chapter, or may, if the local governing body by resolution determines such action to be in the public interest, elect to have such powers exercised by the low-rent hous­ing agency, if one exists or is subsequently established in the community. In the event the local governing body makes such determina­tion, the low-rent housing agency shall be vested with all of the low-rent housing project powers in the same manner as though all such powers were conferred on such agency instead of the municipality. If the local governing body does not elect to make such determina­tion, the municipality in its discretion may exercise its low-rent housing project powers through a board or commissioner, or through such officers of the municipality as the local governing body may by resolution determine. [61GA, ch 334,§2]

Referred to in §§403A.2, subsection 17, 403A.22

403A.6 Operation of housing not for profit.

It is hereby declared to be the policy of this state that each municipality shall manage and operate its housing projects in an efficient manner so as to enable it to fix the rentals or payments for dwelling accommodations at low rates consistent with its providing decent, safe and sanitary dwelling accommodations for persons of low income, and that no municipality shall construct or operate any housing project for profit, or as a source of revenue to the municipality. To this end the municipality shall fix the rentals or payments for dwellings in its projects at no higher rates than it shall find to be necessary in order to produce reve­nues which (together with all other available moneys, revenues, income and receipts in con­nection with or for such projects from whatever sources derived, including federal financial assistance) will be sufficient (1) to pay, as the same become due, the principal and interest on the bonds issued pursuant to this chapter; (2) to create and maintain such reserves as may be required to assure the payment of principal and interest as it be­comes due on such bonds; (3) to meet the cost of, and to provide for, maintaining and operat­ing the projects (including necessary reserves therefor and the cost of any insurance, and of administrative expenses); and (4) to make such payments in lieu of taxes and, after pay­ment in full of all obligations for which federal annual contributions are pledged, to make such repayments of federal and local contributions as it determines are consistent with the main­t enance of the low-rent character of projects. Rentals or payments for dwellings shall be established and the projects administered, in­so-far as possible, so as to assure that any federal financial assistance required shall be strictly limited to amounts and periods neces­sary to maintain the low-rent character of the projects. [C62,§403A.6]
§403A.7 Housing rentals and tenant admissions. A municipality shall (1) rent or lease the dwelling accommodations in a housing project only to persons or families of low income or to persons engaged in national defense activities or for victims of a major disaster, a municipality may undertake the development and administration of housing projects for the federal government, and dwellings in any housing project under the jurisdiction of the municipality may be made available to persons engaged in national defense activities or to victims of a major disaster, as the case may be. A municipality is authorized to contract with the federal government or the state or a state public body for advance payment or reimbursement for the furnishing of housing to victims of a major disaster, including the furnishing of the housing free of charge to needy disaster victims during any period covered by a determination of acute need by the municipality as herein provided. [C62,§403A.8]

403A.8 Dwelling for disaster victims and defense workers. Notwithstanding the provisions of this or any other chapter relating to rentals of, preferences or eligibility for admission to, or occupancy of dwellings in housing projects, during the period when a municipality determines that there is an acute need in its area of operation for housing to assure the availability of dwellings for persons engaged in national defense activities or for victims of a major disaster, a municipality may undertake the development and administration of housing projects for the federal government, and dwellings in any housing project under the jurisdiction of the municipality may be made available to persons engaged in national defense activities or to victims of a major disaster, as the case may be. A municipality is authorized to contract with the federal government or the state or a state public body for advance payment or reimbursement for the furnishing of housing to victims of a major disaster, including the furnishing of the housing free of charge to needy disaster victims during any period covered by a determination of acute need by the municipality as herein provided. [C62,§403A.8]

403A.9 Co-operation between municipalities. Any two or more municipalities may join or cooperate with one another in the exercise of any or all of the powers conferred hereby for the purpose of financing, planning, undertaking, constructing or operating a housing project or projects. [C62,§403A.9]

403A.10 Tax exemption and payments in lieu of taxes. The property acquired or held pursuant to this chapter is declared to be public property used exclusively for essential city, or municipal public and governmental purposes and such property is hereby declared to be exempt from all taxes and special assessments of the state or of any state public body. In lieu of taxes on such property a municipality may agree to make payments to the state or a state public body (including itself) as it finds consistent with the maintenance of the low-rent character of housing projects and the achievement of the purposes of this chapter. [C62,§403A.10]

403A.11 Planning, zoning and building laws. All housing projects of a municipality shall be subject to the planning, zoning, sanitary and building laws, ordinances and regulations applicable to the locality in which the project is situated. [C62,§403A.11]

403A.12 Bonds. A municipality shall have power to issue bonds from time to time in its discretion, for any of the purposes of this chapter. A municipality shall also have power to issue refunding bonds for the purpose of paying or retiring bonds previously issued by it. A municipality may issue such types of bonds as it may determine, including (without limiting the generality of the foregoing) bonds on which the principal and interest are payable (1) exclusively from the income and revenues of the project financed with the proceeds of such bonds, or (2) exclusively from the income and revenues of certain designated housing projects whether or not they are financed in whole or in part with the proceeds of such bonds. Any such bonds may be additionally secured by a pledge of any loan, grant or contribution or parts thereof from the federal government or other source, or a pledge of any income or revenues connected with a housing project or a mortgage of any housing project or projects.

Neither the governing body of a municipality nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof hereunder. The bonds and other obligations issued under the provisions of this chapter (and such bonds and obligations shall so state on their face) shall be payable solely from the sources provided in this section and shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction. Bonds issued pursuant to this chapter are declared to be issued for an essential public and governmental purpose and to be public instrumentalities and, together with interest thereon and income therefrom, shall be exempt from taxes. The tax exemption provisions of this chapter shall be considered part of the security for the repayment of bonds and shall constitute, by virtue of this chapter and without the necessity of the same being restated in said bonds, a contract between the bondholders and each and every one thereof, including all transferees of said bonds from time to time on the one hand and the respective municipalities issuing said bonds and the state on the other. [C62,§403A.12]
403A.13 Form and sale of bonds. Bonds of a municipality shall be authorized by its resolution and may be issued in one or more series and shall bear such date or dates, mature at such time or times, bear interest at such rate or rates, not exceeding six per centum per annum, be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium of payment, at such place or places, and be subject to such terms of redemption (with or without premium) as such resolution, its trust indenture or mortgage may provide.

The bonds may be sold at public or private sale at not less than par.

If the officers of the municipality whose signatures appear on any bonds or coupons shall cease to be such officers before the delivery of the bonds, their signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if the officers had remained in office until such delivery. Any provision of any law to the contrary notwithstanding, any bonds issued pursuant to this chapter shall be fully negotiable.
