Direct salaries and expenses properly chargeable thereto shall be paid from said fund. For each month the commission shall render a statement to each department within the highway division for the actual cost of materials and supplies, operational and maintenance costs of equipment, and equipment depreciation used by the highway division. Such expense shall be paid by the division in the same manner as other interdepartmental billings are paid and when such expense is paid by the division, such sum shall be credited to the highway materials and equipment revolving fund. If any surplus accrues to said revolving fund in excess of one hundred thousand dollars for which there is no anticipated need or use, the governor shall order such surplus reverted to the primary road fund. When the highway division shares equipment with other divisions of the department, the director of transportation shall prorate the costs
of the equipment among the divisions using the equipment. [C71, §307.12; C75, 77, §307A.7]

308.2 Assent to federal Act. The general assembly of the state of Iowa hereby declares that the intent of this chapter is to assent to any Act of the United States Congress authorizing the development of any national parkway located wholly or partly within the state of Iowa, to the full extent that is necessary to secure any benefits under such Act, provided that the hunting of migratory waterfowl and other game and fishing shall not be prohibited or otherwise restricted by the United States government or any of its designated agencies in control of said project, and to authorize the appropriate state boards, commissions, departments and the governing bodies of counties, cities and villages and especially the state transportation commission to co-operate in the planning and development of all national parkways that may be proposed for development in Iowa, with any agency or department of the government of the United States in which is vested the necessary authority to construct or otherwise develop such national parkways. Whenever authority shall exist for the planning and development of any national parkway, of which any portion shall be located in the state of Iowa, it shall be the duty of the state transportation commission to make such investigations and studies in co-operation with the appropriate federal agency, and such state boards, commissions and departments as shall have an interest in such parkway development, to the extent that shall be desirable and necessary in order to provide that the state shall secure all advantages that may accrue through such parkway development and that the interests of the counties, cities and villages along the route shall be served. [C62, 66, 71, 73, 75, 77, §308.2]

1. "Secretary", "parkway", "scenic landscape", "sightly or safety easement", "access", "parkway road", "parkway development", "frontage" and other similar terms have the same meaning as defined in any Act of the Congress of the United States related to a national parkway.
2. "National parkway" has the same meaning as defined in Public Law 93-87, first session, Ninety-third Congress of the United States.
3. "Great river road" means a scenic and recreational highway consisting of a designated system of roads and streets along the Mississippi river in this state.
4. "A scenic and recreational highway" means a public highway designated to allow enjoyment of aesthetic and scenic views, points of historical, archeological and scientific interest, state parks and other recreational areas and includes both the right of way and conservation area.
5. “Scenic easement” means a servitude which is acquired by gift, purchase, exchange or condemnation and is designed to permit land to remain in private ownership for its normal agricultural, residential or other use and, at the same time, to restrict and control the future use of the land for the purpose of preserving, restoring or enhancing the natural and historic beauty of the land subject to the scenic easement.

6. “Right of way” means land area dedicated to public use for a highway and its maintenance, and includes land acquired in fee simple or by permanent easement for highway purposes, but does not include temporary easements or rights for supplementary highway appurtenances.

7. “Conservation area” means land in which the state transportation commission or the state conservation commission has acquired rights other than that land necessary for a right of way. [C62, 66, 71, 73, 75, 77,§308.3]

308.4 Transportation commission authority.

1. The state transportation commission shall make such investigations, surveys, studies and plans in connection with any proposed national parkway or parkway development as it shall deem necessary or desirable to determine if the proposed development is under the terms of the Act of the United States Congress applicable to such parkway or any regulations under such Act and is advantageous to the state. Such parkway development may be any portion of the proposed parkway which is proposed to be constructed as a project under such Act.

2. The state transportation commission, with the co-operation of the state conservation commission, shall also:
   a. Plan, designate and establish the exact routing of the great river road, utilizing the general guidelines established in Title 23, United States Code.
   b. Acquire all rights in land necessary for reconstruction or relocation of any portions of the great river road where such reconstruction or relocation is imperative for the safety of the traveling public, or where the condition or location of existing segments of the highway is not in keeping with the intent of the provisions of this chapter. Acquisitions of such rights in land shall be by gift, purchase, exchange, or by instituting and maintaining proceedings for condemnation. Gift, purchase, exchange, and condemnation shall include acquisition of a scenic easement. A scenic easement acquired under this chapter shall constitute easements both at law and in equity, and all legal and equitable remedies, including prohibitory and mandatory injunctions, shall be available to protect and enforce the state’s interest in such scenic easements. Any scenic easement acquired under this chapter shall be deemed to be appurtenant to the roadway to which it is adjacent or from which it is visible. The duties created by any scenic easement acquired under this chapter shall be binding upon and enforceable against the original owner of the land subject to the scenic easement and his heirs, successors, and assigns in perpetuity, unless the instrument creating the scenic easement expressly provides for a lesser duration. A court shall not declare any scenic easement acquired under this chapter to have been extinguished or to have become unenforceable by virtue of changed conditions or frustration of purpose.
   c. 3. There is appropriated from the general fund of the state to the state department of transportation the sum of one hundred thousand dollars for each fiscal year beginning July 1, 1978, and ending June 30, 1988. Said money is to be utilized for the acquisition and construction of highway-associated project components for the great river road. Each annual appropriation shall first be used to reimburse the great river road fund established in section 312.2, with remaining funds being available for a period of one fiscal year following the year of appropriation. The state department of transportation, in cooperation with the state conservation commission and the Mississippi river parkway commission, shall administer the provisions of this subsection and shall issue rules for such administration in accordance with chapter 17A. A report shall be submitted listing the expenditures for the previous year and cumulative expenditures of all funds appropriated by this section and the report shall be incorporated in the annual report required by section 17A. [C62, 66, 71, 73, 75, 77,§308.4; 67GA, ch 1019,§8]

308.5 Jurisdiction and control. Jurisdiction and control of the great river road shall be vested in the state transportation commission. [C75, 77,§308.5]

308.6 Transferring jurisdiction. The state transportation commission, with the concurrence of the state conservation commission, shall transfer jurisdiction of any adjacent conservation area to the state conservation commission upon completion of any new segment of the great river road. [C75, 77,§308.6]

308.7 Duties of the state conservation commission. The state conservation commission, with the cooperation of the state transportation commission, shall:

1. Control the conservation area acquired by the state transportation commission.
2. Protect all scenic easements.

§308.9 Establishing locations for the highway.

1. When, as a result of its investigations and studies, the state transportation commission, in cooperation with the state conservation commission, finds that there may be a need in the future for the development and construction or reconstruction of segments of the great river road and when the state transportation commission determines that in order to prevent conflicting costly economic development on areas of lands to be available for the great river road when needed for such future development, there is need to establish and to inform the public of the approximate location and widths of new or improved segments of the great river road to be needed, the state transportation commission may proceed to establish such location and the approximate widths in the manner provided in this section. The state transportation commission shall give notice and hold a public hearing on the matter in a convenient place in the area to be affected by the proposed improvement of the great river road. The state transportation commission shall consider and evaluate the testimony presented at the public hearing and it shall make a study and prepare a map showing location of the proposed new or reconstructed segment of the great river road and the approximate widths of right of way needed. There shall be shown on such map the existing roadway and the property lines and record owners of lands to be needed. The approval of such map shall be recorded by reference in the state transportation commission's minutes, and a notice of such action and a copy of the map showing the lands or interest in the lands needed in any county shall be filed in the office of the county recorder of such county.

Notice of the action and of the filing shall be published once in a newspaper of general circulation in such county, and within sixty days following the filing, notice of the filing shall be served in registered mail on the owners of record on the date of filing and on the functional classification board of the county. Using the same procedures for approval, notice and publication, and notice to the affected record owners, the state transportation commission may, from time to time, amend the map.

2. After such location is established, within the area of the great river road as shown on the map or in such proximity to it as to result in consequential damages when the rights in land for the great river road are acquired, a person shall not erect or move in any additional structure or rebuild, alter or add to any existing structure, without giving to the state transportation commission by registered mail sixty days' notice of such contemplated construction, alteration, or addition describing the same. However, this prohibition and requirement shall not apply to any normal or emergency repairs or replacements which are necessary to maintain an existing structure of a facility in approximately its previously existing functioning condition. When the rights in land for a segment of the great river road are acquired, damages shall not be allowed for any construction, alterations, or additions in violation of this subsection.

3. Without limiting any authority otherwise existing, rights in land needed for the great river road may be acquired at any time by the state, the county, or the municipality in which such segment of the great river road is located. If an owner's contiguous land is acquired to an extent which is less than the total amount shown on the map as needed, consequential damages to the land not acquired shall be allowed as found to exist. 1. No county shall expend from the secondary road fund an amount in excess of the total amount of the budget or amended budget as adopted by the board of supervisors, whether such budget is approved or disapproved by the department. In order to permit any county to adjust its secondary road income to changed needs that may occur after the budget has been approved by the department the expenditures for any individual item within the budget may exceed by not more than ten percent the amount budgeted for that item without department approval or the submission of an amended budget, provided, however, that the expenditures for one or more other individual items are less than budgeted and the total expenditures from the secondary road fund do not exceed the total secondary road budget.

2. In the event that a county secondary road budget or amended budget thereto is disapproved by the department, the county may elect either to revise such budget or amended budget so as to receive approval or the county may elect to operate with such disapproved budget or amended budget. In the event the county secondary road budget is disapproved in whole or in part, within twenty days after receipt of the department’s report, the board of supervisors shall cause to be published in the official newspapers of the county, notice of a public hearing to be held within ten days of said publication, on the department’s recommendations, and at said hearing the board of supervisors shall amend or adopt their original budget. Any sum remaining unexpended at the end of the period during which it is available for expenditure, shall be reapportioned among all the counties as provided in section 312.5 for original allocations.

For the purposes of this section, any sums of the farm-to-market road fund allotted to any county shall be presumed to have been "expended" when a contract shall have been awarded obligating said sums. If a county does not plan to utilize its allotted funds in any period up to one year, the funds may be temporarily allocated to another county, at no interest, by written agreement between the counties involved. The total of the temporarily allocated funds received by a county shall not exceed the total anticipated funds to that particular county's farm-to-market fund in the succeeding fiscal year and total reimbursement shall be completed by the end of the succeeding fiscal year. [C39, §4686.27; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §310.27]

Any such expense incurred by the department may in the first instance be advanced out of the primary road fund, said amounts later being reimbursed to said funds out of the farm-to-market road fund.

Provided, that no part of the salary or expense of the county engineer, any member of the county board of supervisors, any member of the department, the chief engineer, or any department head or district engineer of the department shall be paid out of the farm-to-market road fund. Should any county fail to so maintain any such road, the department shall give the board of supervisors notice of that fact. If within sixty days after receipt of such notice the said highway has not been placed in proper condition of maintenance the department shall proceed immediately to have such highway placed in proper condition of maintenance and charge the cost thereof against said county's allotment of the farm-to-market road fund. The amount so expended for maintenance work by the department shall be reimbursed to said county's allotment of the farm-to-market road fund, from said county's secondary road maintenance fund, before any more farm-to-market road projects in said county are approved by the department. [C39, §4686.29; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §310.29]

Such petition shall be signed by thirty-five percent of the owners of the lands within such proposed district, or by thirty-five percent of the owners of the land within such proposed district who reside within said county. [C24, 27, 31, 35, 39, §4746; C46, §311.3; C50, 54, 58, 62, 66, 71, 73, 75, 77, §311.6]
311.7 Improvement by private funds. The owner or a group of owners of not less than seventy-five percent of the lands adjacent to, or abutting upon any secondary road may, on or before October 1 of any year, petition the board of supervisors of their county for the improving by graveling or other suitable surfacing, of such road, and for the assessment of not less than fifty percent (or such greater portion as may be provided in said petition) of the cost of such improving, by graveling or other suitable surfacing, to the lands adjacent to, or abutting upon such road. When the petition has been filed, the board of supervisors shall review the project proposed by the petition and may accept or reject the proposed project. If the board of supervisors accepts the petition, the board shall include such project in the secondary road construction program of said county and establish a priority for the completion of such project.

The board of supervisors shall proceed with the construction and completion of said project in accordance with its assigned priority and under the same procedure as is prescribed generally for the improvement of secondary roads by assessment, and shall, as the law may provide, establish a special secondary road assessment district and assess against the lands included therein not less than fifty percent (or such greater portion as may be provided in said petition) of the engineer's estimated cost of the surfacing of the road or roads included in said project against all the lands adjacent to or abutting upon the said road or roads.

Provided, that should the owner or owners of all the lands included in any special secondary road assessment district under this section, subscribe and deposit with the county treasurer an amount not less than fifty percent (or such greater portion as may be provided in said petition) of the engineer's estimated cost of the surfacing of the road or roads included in said project, the board of supervisors shall not establish such special assessment district as herein provided, but shall accept the said donations in lieu of an assessment of the engineer's estimated cost of the surfacing of the road or roads included in said project.

Provided further, that the total expenditure of secondary road funds of the county in any year for or on account of special secondary road assessment district projects on local secondary roads under this section shall not exceed the total secondary road funds legally expendable for construction on local secondary roads in said county in said year, and the expenditure of secondary road funds of the county, in any township in any three-year period, for or on account of special secondary road assessment district projects on local secondary roads under this section, shall not exceed said township's pro rata share, on the area basis, of the total secondary road funds legally expendable for construction on local secondary roads in said county in said three-year period, unless there be a township or townships from which there are no petitions filed during the first two years of said three-year period.

If the engineer's estimated cost of the grading, bridges, culverts, and draining of the road proposed to be included in any special assessment district project under this section, exceeds an average of seven thousand dollars per mile, the board of supervisors of said county may appeal to the state transportation commission as to whether the county shall proceed with the construction of said project. The state transportation commission shall hold a hearing on said matter, at a time and place of which the petitioners and the county board shall be duly notified, and shall have an opportunity to appear and be heard. After such hearing the state transportation commission shall determine whether the county shall proceed with said project, which determination shall be final.

Upon the completion of such road or roads, and the satisfaction of all claims in relation thereto, any balance then remaining of the funds provided by the sponsors shall be returned to them according to their respective interests, providing all guarantees made by such sponsors have been fulfilled.

Any road or roads so improved by graveling or other suitable surfacing under the provisions of this section shall be maintained by the county from the secondary road fund. [C24, 27, 31, 35, §§4747, 4753; C46, §§311.4, 311.10; C50, 54, 58, 62, 66, 71, 73, 75, 77, §311.7]

See §309.8

311.8 County engineer's report. Upon the filing of such petition with the county auditor proposing the establishment of such secondary road assessment district, the county engineer shall file a report thereon with the county auditor, which report shall include:

1. An estimate of the cost of the surfacing proposed on the road or roads included in such proposed district.
2. A plat of said proposed district which plat shall show the road or roads proposed to be improved, the various tracts and parcels of real estate included in said proposed district, and the ownership of such lands.
3. An approximately equitable apportionment of not less than twenty-five percent of the estimated cost of said improvement among the tracts and parcels of real estate included in such proposed district.
4. A statement whether all of the secondary roads to be surfaced in said proposed secondary road assessment district project have been built to permanent grade and properly drained.
5. Any information the county engineer may deem pertinent. [C24, 27, 31, 35, §§4746, 4748; C46, §§311.3, 311.5; C50, 54, 58, 62, 66, 71, 73, 75, 77, §311.8]

311.9 Publicly owned real estate. In making said apportionment, real estate owned by the state, county or any city, shall be treated as other real estate, but no other publicly owned real estate shall be included. In apportioning benefits to real estate owned by a city, the county or the state, no consideration shall be given to the buildings thereon.

[C24, §4707; C27, 31, 35, §4753-a1; C39, §4753.91; C46, §311.11; C50, 54, 58, 62, 66, 71, 73, 75, 77, §311.9]

311.10 Estimate and apportionment—presumption. Said estimated cost shall carry the presumption, in the absence of a contrary showing, that the same correctly represents the probable cost of said project as nearly as can be determined in advance of the actual doing and completion of the work. Said appor-
tionment shall carry the presumption, in the absence of a contrary showing, that the same is fair, just, equitable, and in proportion to the benefits and not in excess thereof. [C24, §4707; C27, 31, 35, §4753-a1; C39, §4753.01; C46, §311.11; C50, 54, 58, 62, 66, 71, 73, 75, 77, §311.10]

311.11 Hearing—notice. The board of supervisors shall fix a time for hearing on the proposal for the establishment of said secondary road assessment district, and on the apportionment of not less than twenty-five percent of the estimated cost of the proposed improvement, and shall cause the county auditor to publish notice of said hearing. Said notice shall state:
1. The time and place of hearing,
2. The road or roads proposed to be improved,
3. The type of surfacing proposed,
4. The estimated cost of the proposed improvement,
5. A description of the lands lying within said proposed district,
6. The ownership of said lands as shown by the transfer books in the auditor’s office,
7. A statement of the amount apportioned to each tract or parcel of real estate as shown by the engineer’s report,
8. That at said hearing the amount apportioned to any tract or parcel of land may be increased or decreased without further notice,
9. That all objections to the establishment of said district, to the said apportionment report, or to the proceedings relating thereto must be specifically made in writing and filed with the county auditor on or before noon of the day set for such hearing, and
10. That a failure to make and file such objections will be deemed a conclusive waiver of all such objections. [C24, §§4707, 4750, 4751; C27, 31, 35, §§4750, 4751, 4753-a1; C39, §§4750, 4751, 4753.01; C46, §311.7, 311.8, 311.11; C50, 54, 58, 62, 66, 71, 73, 75, 77, §311.11]

311.12 Publication of notice. Such notice shall be published once each week for two successive weeks in some newspaper published in the county as near as practicable to said district. The last publication shall be not less than five days previous to said hearing. Proof of such publication shall be made by the publisher by affidavit filed with the county auditor. [C24, §4707; C27, 31, 35, §4753-a1; C39, §4753.01; C46, §311.11; C50, 54, 58, 62, 66, 71, 73, 75, 77, §311.12]

311.13 Errors in notice or apportionment report. Any omission or error in said apportionment report or notice with respect to any tract or parcel of real estate or the description thereof, or the name of the owner, or the amount of the assessment apportioned thereto, shall work no loss of jurisdiction on the part of the board over such proceeding. Such omission or error shall only affect the particular tract of real estate or person in question. If, before or after the board has entered its final order in the establishment of the said district or in the apportionment proceedings such omission or error is discovered, the board shall fix a time for a hearing as to such party or real estate and shall cause service of notice to be made upon them, either by publication as in this chapter provided, or by personal service in the time and manner required for service of original notices in the district court. After such hearing the board shall proceed as to such person or land as though such omission or error had not occurred. [C24, §4707; C27, 31, 35, §4753-a1; C39, §4753.01; C46, §311.11; C50, 54, 58, 62, 66, 71, 73, 75, 77, §311.13]

311.14 Appearance. The appearance of any interested party, either in writing or personally, or by authorized agent, before the board of supervisors at any stage of the pending proceedings for a secondary road assessment district shall be deemed a full appearance. Only interested parties shall have the right to appear in such proceedings. All persons so appearing shall state for whom they appear. The clerk of the board shall make definite entry accordingly in the minutes of the board. [C24, §4707; C27, 31, 35, §4753-a1; C39, §4753.01; C46, §311.11; C50, 54, 58, 62, 66, 71, 73, 75, 77, §311.14]

311.15 Hearing—adjournment—order. Hearings on the proposed establishment of said district may be adjourned from time to time without loss of jurisdiction by the board. On final hearing the board shall proceed to a determination of said matters. It may reject, approve, or modify and approve said proposal. The board may exclude lands from the district or may add lands thereto or otherwise modify the proposal. Should the proposal be approved in whole or in part, the board shall establish such district. The order of the board establishing such district shall state the roads or roads to be improved, the type of improvement, and the lands included in said district. Said order shall be final. No lands shall thereafter be added to or excluded from said district. [C24, §4707; C27, 31, 35, §4753-a2; C39, §4753.02; C46, §311.12; C50, 54, 58, 62, 66, 71, 73, 75, 77, §311.15]

311.16 Final hearing—assessment levied. On final hearing the board shall hear and determine all objections filed. The board may increase, diminish, annul, or affirm the apportionment made in said report, or any part thereof, as may appear to the board to be just and equitable.

On the final determination the board shall levy such assessments and all installments thereof upon the real estate within said district as finally established. The entire amount of said assessment shall be due and payable, and bear interest at six percent per annum commencing twenty days from the date of said levy, and shall be collected at the next succeeding March semiannual payment of ordinary taxes. [C24, §4710; C27, 31, 35, §4753-a3; C39, §4753.03; C46, §311.13; C50, 54, 58, 62, 66, 71, 73, 75, 77, §311.16]

311.17 Assessments over ten dollars—waiver. If any owner other than the state or a county or city, of any tracts of land on which the assessment is more than ten dollars, shall, within twenty days from the date of said assessment, agree in writing filed in the office of the county auditor, that in consideration of his having the right to pay his assessment in installments, he will not make any objection of illegality or irregularity as to said assessment upon his said real estate, and will pay the same with six percent interest thereon, then and in that case said assessment shall be payable in ten equal installments. The first
installment shall be payable on the date of such agreement. The other installments with interest on the whole amount unpaid shall be paid annually thereafter at the same time and in the same manner as the March semiannual payment of ordinary taxes.

An owner of land who has availed himself of said ten-year option may at any time discharge his assessment by paying the balance then due on all unpaid installments, with interest on the entire amount of the unpaid installments for thirty days in advance. [C24,§4710; C27, 31, 35,§4753-a3; C39,§4753.03; C46,§311.13; C50, 54, 58, 62, 66, 71, 73, 75, 77,§311.17]

311.18 Assessment delinquent—penalties. All such taxes shall become delinquent on the first day of March next after their maturity, shall bear the same interest, the same penalties, and be attended with the same rights and remedies for collection, as ordinary taxes. [C24,§4710; C27, 31, 35,§4753-a3; C39,§4753.03; C46,§311.13; C50, 54, 58, 62, 66, 71, 73, 75, 77,§311.18]

311.19 Assessment ten dollars or less. Assessments of ten dollars or less against any tract of land, and assessments against lands owned by the state, county or city, shall be due and payable from the date of final confirmation of the levy by the court.

In case of assessments on lands owned by the county, the same shall be paid from the county general fund. In case of assessments on lands owned by the state, the same shall be paid out of any funds in the state treasury not otherwise appropriated. In case of assessments on lands owned by a city, the same shall be paid from any available city fund. [C24,§4710; C27, 31, 35,§4753-a3; C39,§4753.03; C46,§311.13; C50, 54, 58, 62, 66, 71, 73, 75, 77,§311.19]

311.20 Variation between estimated and actual cost. Any variation between the engineer's estimated cost and the actual cost of a secondary road assessment district project shall in no way affect the validity of the assessment. It is the intent of this chapter that the assessment shall be based on the estimated cost and not on the actual cost. [C24,§4711; C27, 31, 35,§4753-a4; C39,§4753.04; C46,§311.14; C50, 54, 58, 62, 66, 71, 73, 75, 77,§311.20]

311.21 Procedures. The preparation and approval of plans and specifications, the advertising for bids, the award and approval of contract, the supervision and inspection of construction work, and the approval and payment of claims on any secondary road assessment district project, shall be conducted in the manner provided in the laws for secondary road construction work generally. [C24, 27, 31, 35, 39,§§4749, 4752; C46,§§311.6, 311.9; C50, 54, 58, 62, 66, 71, 73, 75, 77,§311.21]

311.22 Road graded and drained. Any such secondary road shall be built to permanent grade and drained in a manner approved by the county engineer before being surfaced, as provided in this chapter. [C27, 31, 35, 39,§4746; C46,§311.3; C50, 54, 58, 62, 66, 71, 73, 75, 77,§311.22]

311.23 Payment of construction costs. The total cost of any secondary road assessment district project shall in the first instance be paid out of the secondary road fund of said county. Any assessments which are paid in cash and in anticipation of which assessments no certificates have been issued, shall be transferred to the secondary road fund.

If no special assessment certificates are issued and sold on account of any particular secondary road assessment district, the special assessments on lands included in that district, and the interest on such assessments when collected, shall be transferred to the secondary road fund of said county. If certificates are issued and sold in anticipation of the special assessments levied on any such district as herein provided, the proceeds of such certificates shall be credited to the secondary road fund of said county. In that event, the special assessments in anticipation of which certificates have been issued, and the interest on such assessments shall, when collected, be used to retire such certificates. [C24, 27, 31, 35, 39,§4752; C46,§311.9; C50, 54, 58, 62, 66, 71, 73, 75, 77,§311.23]

311.24 Appeal from assessment. Any owner of land in a secondary road assessment district may appeal to the district court from the order of the board of supervisors in levying the assessment against his real estate, by filing with the county auditor within fifteen days of the date of such levy, a bond conditioned to pay all costs in case the appeal is not sustained, and a written notice of appeal where he shall, with particularity, point out the specific objection which he desires to lodge against such levy. Said appeal shall have precedence over all other business pending before the court except criminal matters. The appeal shall be heard as in equity. The court may raise or lower the assessment in question and make an equitable assessment in the judgment of the court. The clerk of the district court shall, upon the entry of the final order of the court, certify such final order to the county auditor. The board of supervisors shall at once so adjust the assessments as to comply with the final order of the court. [C24,§4713; C27, 31, 35,§4753-a5; C39,§4753.05; C46,§311.15; C50, 54, 58, 62, 66, 71, 73, 75, 77,§311.24]

311.25 Appeal docketed. When an appeal is taken, the county auditor shall at once make a transcript of the notice of appeal and appeal bond and transmit the same to the district court. The appellant shall, within twenty days after perfection of said appeal, docket said appeal and file a petition setting forth the order or decision of the board of supervisors appealed from, and his specific objections thereon. A failure to comply with either of these requirements shall be deemed a conclusive waiver of the appeal and in such case the court shall dismiss the same. Appellee need not file answer, but may do so. [C24,§4714; C27, 31, 35,§4753-a6; C39,§4753.06; C46,§311.16; C50, 54, 58, 62, 66, 71, 73, 75, 77,§311.25]

311.26 Assessments certified to county treasurer. When the board of supervisors has entered its final order as to the amounts of all special assessments on a given improvement, the county auditor shall at once certify a list of such assessments and a list of real estate upon which each assessment has been levied, with the specific designation of the district embracing such real estate, to the county treasurer, who
shall enter each assessment on the tax books and continue such entry until such assessment is paid.

Each special assessment and all installments thereof shall be a lien upon the real estate upon which it is levied from the date of such certificate by the county auditor to the same extent and in the same manner as taxes levied for state and county purposes. Changes in the amount of any special assessment by reason of any ruling of the district court on appeals shall be likewise certified and the county treasurer shall make the proper correction on his books. [C24, §4715; C27, 31, 35, §4753-a7; C39, §4753.07; C46, §311.17; C50, 54, 58, 62, 66, 71, 73, 75, 77, §311.26]

311.27 Each district separate unit. Each assessment district shall be considered a unit and all funds received by the county treasurer for or on behalf of such unit shall be carried as a distinct and separate account and under the same specific name as that used by the board in establishing such unit. [C24, §4716; C27, 31, 35, §4753-a8; C39, §4753.08; C46, §311.18; C50, 54, 58, 62, 66, 71, 73, 75, 77, §311.27]

311.28 Certificates anticipating assessments. In order to render immediately available that amount of the estimated cost of an improvement which has been specially assessed, the board may issue road certificates in the name of the county in an aggregate amount not exceeding the then unpaid amount of the special assessment levied in said district. Each issue of certificates shall be under, and in accordance with, a duly adopted resolution of the board and which shall recite (1) the name or designation of the road district on account of which the certificates are issued; (2) that a stated amount (naming the amount) has been specially assessed against the lands within said district; (3) that a stated amount of said aggregate special assessment has not yet been paid (naming the unpaid amount); (4) that it is necessary to render such unpaid amount immediately available; (5) the number of road certificates authorized and the specific amount of each certificate; (6) the specific numbering or designation of such certificates; (7) the rate of interest which each certificate shall bear from date, to wit, not to exceed six percent per annum; (8) the fact that said certificates are payable solely from the proceeds of the special assessments which have been levied on the lands within said districts; (9) that each certificate shall be payable on or before the first day of January of the first year following the maturity of the last installment of such special assessments, and that interest thereon shall be paid annually; (10) the authorization to the chairman of the board, and to the county auditor, respectively, to sign and countersign each of said certificates. [C24, §4717; C27, 31, 35, §4753-a9; C39, §4753.09; C46, §311.19; C50, 54, 58, 62, 66, 71, 73, 75, 77, §311.28]

311.29 Sale of certificates. Upon the signing of each of said certificates by the chairman of the board, said certificates shall be delivered to the county auditor, who shall countersign the same, charge the county treasurer with the amount thereof, and deliver the same to the latter officer, who shall be responsible therefor on his bond. The treasurer may apply said certificates in payment of any warrants duly authorized and issued for surfacing the roads within said district, or he may sell the same for the best attainable price and for not less than par, plus accrued interest, and credit the proceeds to the secondary road fund. Such certificates shall be retired in the order of the consecutive numbering thereof. [C24, §4717; C27, 31, 35, §4753-a9; C39, §4753.09; C46, §311.19; C50, 54, 58, 62, 66, 71, 73, 75, 77, §311.29]

311.30 Certificates registered—payment. The county treasurer shall, in connection with the road account for said district, enter the name and post-office address of all persons to whom any of said certificates are issued, with a particular designation of the certificates delivered to each person. Any subsequent holder may present his certificate to the county treasurer and cause his name and post-office address to be entered in lieu of that of such former holder. Whenever the fund for such particular district has money to pay the first retireable certificate or certificates, the county treasurer shall, by mail, as shown by his records, promptly notify the holder of such certificate of such fact and that from and after ten days after the mailing of such letter all interest on such certificates will cease. [C24, §4717; C27, 31, 35, §4753-a9; C39, §4753.09; C46, §311.19; C50, 54, 58, 62, 66, 71, 73, 75, 77, §311.30]

311.31 Previous assessments not invalidated. The passage of this chapter, the provisions hereof, and the repeal of sections hereby repealed, shall not in manner affect or invalidate any secondary road district assessments levied before this chapter became effective, or any certificate in anticipation of such assessments issued before or after this chapter becomes effective. Said assessments and taxes shall be collected and applied to the purpose for which they were levied. Certificates in anticipation of such assessments may be issued. The proceeds of such certificates shall be applied to the purpose intended, and such certificates issued before or after this chapter becomes effective shall be paid in conformance with the provisions of this chapter. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §311.31]
312.1 Fund created. There is hereby created, in the state treasury, a road use tax fund. Said road use tax fund shall embrace and include:

1. All the net proceeds of the registration of motor vehicles under chapter 321.
2. All the net proceeds of the motor vehicle fuel tax or license fees under chapter 324, except those net proceeds allocated to the primary road fund under section 324.79.
3. All revenue derived from the use tax, under chapter 423 on motor vehicles, trailers, and motor vehicle accessories and equipment, as same may be collected as provided by section 423.7.
4. Any other funds which may by law be credited to the road use tax fund. [C50, §308A.1; C54, 58, 62, 66, 71, 73, 75, 77, §312.1]

See §312.16, 423.24

Loans to counties repaid and remitted to state treasurer. Treasurer to reallocate to counties for bridge construction and repair, see 66GA, ch 1046, §14

312.2 Allocations from fund. The treasurer of the state shall, on the first day of each month, credit all road use tax funds which have been received by the treasurer, to the primary road fund, the secondary road fund of the counties, the farm-to-market road fund, and the street construction fund of cities in the following manner and amounts:
1. To the primary road fund, forty-five percent.
2. To the secondary road fund of the counties, twenty-eight percent.
3. To the farm-to-market road fund, nine percent.
4. To the street construction fund of the cities, eighteen percent.
5. The treasurer of state shall before making the above allotments credit annually to the highway grade crossing safety fund the sum of five hundred thousand dollars, credit annually from the road use tax fund the sum of five hundred thousand dollars to the highway railroad grade crossing surface repair fund, credit monthly to the primary road fund the dollars yielded from an allotment of sixty-five hundredths of one percent of all road use tax funds for the express purpose of carrying out subsection 11 of section 307A.2, section 313.4, subsection 2, and section 307A.5, and credit annually to the primary road fund the sum of five hundred thousand dollars to be used for paying expenses incurred by the state department of transportation other than expenses incurred for extensions of primary roads in cities. All unobligated funds provided by the subsection, except those funds credited to the highway grade crossing safety fund, shall at the end of each year revert to the road use tax fund. Funds in the highway grade crossing safety fund shall not revert to the road use tax fund except to the extent they exceed five hundred thousand dollars at the end of any biennium.

6. The treasurer of state shall before making the allotments provided for in this section credit monthly to the division of motor vehicle registration under the state department of transportation funds sufficient in amount to pay the costs of purchasing supplies and materials and for the cost of prison labor used in manufacturing motor vehicle registration plates, decals, emblems, and validation stickers at the prison industries.

7. The treasurer of state, before making the allotments provided in this section, shall credit annually to the primary road fund from the road use tax fund the sum of seven million one hundred thousand dollars.

8. Beginning July 1, 1981, and each subsequent year, the treasurer of state, before making any allotments to counties under the provisions of this section, shall reduce the allotment to any county for the secondary road fund by an amount by which the total funds that the county raised during the prior calendar year under the provisions of section 309.8, subsections 1, 3, and 4, are less than seventy-five percent of the maximum funds that the county could have raised in the prior calendar year under the provisions of section 309.7. Funds remaining in the secondary road fund of the counties due to a reduction of allocations to counties for failure to maintain a minimum local tax effort shall be reallocated to counties that are not reduced under the provisions of this subsection pursuant to the allocation provisions of section 312.3, subsection 1, based upon the needs and area of the county.

9. The treasurer of state, before making the allotments provided for in this section, shall credit annually to the Iowa department of soil conservation five hundred thousand dollars from the road use tax funds. The department of soil conservation, in cooperation with the department of transportation and the Iowa conservation commission shall expend such funds, for the lease or other use of land intended for the planting or maintenance of wind erosion control barriers designed to reduce wind erosion interfering with the maintenance of highways in the state or the safe operation of vehicles thereon.

10. 11. The treasurer of the state shall establish a revolving fund for use by affected jurisdictions for great river road projects. Funds shall be advanced at the request of the state department of transportation to affected jurisdictions as noninterest loans and shall be utilized for the construction of eligible great river road highway projects. Funds may be advanced from either the primary road fund or the farm-to-market road fund. The amount advanced and not reimbursed shall not exceed five million dollars at any one time from either the primary road fund or the farm-to-market road fund, nor shall the amount advanced and not reimbursed at any one time from all funds combined exceed seven million five hundred thousand dollars.

312.3 Apportionment to counties and cities.

The treasurer of state shall, on the first day of each month:

1. Apportion among the counties in the ratio that the needs of the secondary roads of each county bear to the total needs of the secondary roads of the state for the twenty-year improvement program developed by the automotive safety foundation and filed with the Iowa highway study committee created by chapter 426, Acts of the Fifty-eighth General Assembly, through the period ending June 30, 1979, and for each year beginning July 1, 1979, based upon the total needs of secondary roads of the state as shown in the latest quadrennial need study report developed by the state department of transportation, and which is on record at the department*, sixty percent of the allocation from road use tax funds which is credited to the secondary road fund of the counties, and apportion among the counties in the ratio that the area of such county bears to the total area of the state, forty percent of the allocation from road use tax funds which is credited to the secondary road fund of the counties. However, for a hold harmless period each county shall be guaranteed a base year amount. The amount in the secondary road fund of the counties in each fiscal year during the hold harmless period in excess of the sum of the base period amounts allocated to all counties shall be distributed proportionally based on the relative needs and area factors to only those counties entitled to receive more than the base year amount.

Apportion among the cities of the state, in the ratio which the population of each city, as shown by the latest available federal census, bears to the total population of all such cities in the state, the percentage of the road use tax funds which is credited to the street fund of the cities, and shall remit to the city clerk of each such city the amount so apportioned to such city. A city may have one special federal census taken each decade, and the population figure thus obtained shall be used in apportioning amounts under this subsection beginning the calendar year following the year in which the special census is certified by the secretary of state.

3. In any case where a city has been incorporated since the latest available federal census the mayor and council shall certify to the state treasurer the actual population of such incorporated city as of the date of incorporation and its apportionment of funds under this section shall be based upon such certification until the next federal census enumeration. Any community which has dissolved its corporation shall not receive any apportionment of funds under this certificate for any period after said corporation has been dissolved.

4. In any case where a city has annexed any territory since the last available federal census or special federal census, the mayor and council shall certify to the treasurer of state the actual population of such annexed territory as determined by the last certified federal census of said territory and the apportionment of funds under this section shall be based upon the population of said city as modified by the certification of the population of the annexed territory until the next federal or special federal census enumeration.

5. In any case where two or more cities have consolidated, the apportionment of funds under this section shall be based upon the population of the city resulting from said consolidation and shall be determined by combining the population of all cities involved in the consolidation as determined by the last available federal or special federal census enumeration for said consolidating city. The good faith of the state is hereby pledged to cause to be made available each year, sufficient funds to equal the total of any sums now or hereafter appropriated to the state for road purposes by the United States government for such year, and to maintain the roads constructed with said funds. [C24,§4688; C27, 31, 35,§4755-b1; C39,§4755.01; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§313.1]

313.2 “Road systems” defined—roadside parks. The roads and streets of the state are, for the purpose of this chapter, assigned to the functional classification systems established under chapter 306.

Whenever the board of supervisors of a county and the department mutually determine that a portion of a highway under the jurisdiction of either party shall be transferred to the jurisdiction of the other party, the board and department may enter into an agreement to effect such transfer. Such agreement may provide that each party may undertake or share responsibility for improving said road with the costs of such improvement to be borne entirely by either the county or the department or equitably divided between the two jurisdictions. All such improvements shall be completed and all actual costs thereof paid or reimbursed prior to the time transfer of the road is made. In carrying out such agreement, the board of supervisors may expend secondary road funds of the county and the department may expend primary road funds.

However, prior to entering into the agreement, a notice of intent to execute such agreement shall be published in a newspaper of general circulation within the county and the cost of such notice shall be jointly borne by the department and the board of supervisors. If one hundred or more residents of the county request by petition or in writing that a hearing be held in regard to such agreement within ten days after the publication of the notice, the board of supervisors and the department shall hold such a hearing not more than seven days after receiving the petition or written instrument, and based upon evidence presented at such hearing shall re-examine the merits of executing such agreement and make a decision in regard to it.

The department may, for the purpose of affording access to cities or state parks, or for the purpose of shortening the direct line of travel on important routes, or to effect connections with interstate roads at the state line, add such road or roads to the primary system.

The department, either alone or in co-operation with any county, shall have the authority to utilize any land acquired incidental to the acquisition of land for highway right of way and to also accept by gift, lands not exceeding two acres in area for roadside parks and parking areas. The department may furnish necessary maintenance. The department shall also have authority to accept by gift, equipment or other installations incidental to the use of said parks and parking areas. Said parks and parking areas shall be a part of the primary road system and the department may at its discretion sell or otherwise dispose of said lands. No rest areas or rest area buildings shall be established or constructed on an interstate highway at intervals of less than sixty miles.

Reasonable maintenance and surveillance of rest area sites and buildings located thereon shall be provided by employees of the department within the limits of appropriations provided for such purpose. [C71, 73, 75, 77, §313.15]

313.17 Contingent fund. The state treasurer is hereby directed to set aside from the primary road fund the sum of five hundred thousand dollars to be known as the primary road contingent fund. [C24, §4703; C27, 31, 35, §4755-b17; C39, §4755.17; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §313.17]

313.18 Use of contingent fund. When claims for labor, freight, or other items which must be paid promptly are presented to the said department for payment, the said department may direct that warrants in payment of said claims be drawn on said primary road contingent fund. Such warrants when so drawn and signed by the state comptroller, shall be honored by the treasurer of state for payment from said contingent fund. The primary road contingent fund shall be reimbursed for expenditures made by the state department of transportation from the fund to which the expenditure should be properly charged. [C24, §4704; C27, 31, 35, §4755-b18; C39, §4755.18; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §313.18; 67GA, ch 60, §14]

313.19 Audit of contingent claims. The claims in payment of which warrants are drawn on the primary road contingent fund, shall be audited in the usual manner prescribed by law and shall have noted thereon that warrants in payment thereof have been drawn on the said contingent fund. After the final audit of such claims, the state comptroller shall draw warrants therefor payable to the treasurer of state and forward the same to the department for record. When such warrants have been recorded in the office of the said department, they shall be forwarded to the state treasurer who shall redeem the same, charge them to the proper fund and credit the primary road contingent fund with the amount thereof. 313.20 Auditor—appointment—bond—duties. The state comptroller shall appoint the auditor of the department who shall give bond in the sum of fifty thousand dollars for the faithful performance of his duties. The premium on said bond shall be paid by the department from the primary road fund. Said auditor shall check and audit all claims against the department before such claims are approved by the department, and shall keep all records and accounts relating to the expenditures of the department. He shall, in the checking and auditing of claims against the department, and keeping the records and accounts of the department, be under the direction and supervision of the comptroller, and act as an agent of said comptroller. The department shall furnish said auditor with such help and assistants as may be necessary to properly perform the duties herein specified. The said auditor may be removed by the state comptroller. [C24, §4706; C27, 31, 35, §4755-b20; C39, §4755.20; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §313.20]

The phrase "subject to approval of the council," as it appears in this section, shall be construed as authorizing the council to consider said proposed improvements in its relationship to municipal improvements (such as sewers, water lines, sidewalks and other public improvements, and the establishment or re-establishment of street grades). The location of said primary road extensions shall be determined by the department. [C24, §4731; C27, 31, 35, §4755-b26; C39, §4755.21; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §313.21] Referred to in §384 76 See §133 36

313.22 Paving of whole street by department. Any city and the department may enter into an agreement with respect to any project for the paving of any portion of a primary road extension, and for the construction, reconstruction, and improvement of storm sewers and electrical traffic control devices reasonably incident and necessary thereto, within such city. Said agreement shall specify that the city shall pay for that portion of the cost of said project which is not payable out of primary road funds, and may authorize the department to advertise for bids,
let contracts, and supervise the construction of that portion of said project to be paid for by the city. Such agreement shall be a valid and binding obligation on the parties thereto. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §313.22]

313.23 Reimbursement by city. Payment for the work, including the city's portion thereof, may in the first instance be made out of the primary road fund. Upon completion of the project, the city shall reimburse the department for the amount so advanced out of the primary road fund, including the city's portion of the engineering and inspection costs. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §313.23]

313.24 Separated cities. The department shall designate the street or streets which shall constitute the primary road extensions in any city of the state, which city is separated from the remainder of the state by a river more than five hundred feet in width from bank to bank. The laws of this state relating to the construction, reconstruction or maintenance of the extensions of primary roads in cities, and to the purchase or condemnation of right of way therefor, and to the expenditure of primary road funds thereon, shall apply to the roads or streets designated hereunder, the same as though said community were not so separated from the rest of the state. [C39, §4755.22; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §313.24]

See §313.36.

313.28 Temporary primary road detours. When the department, for the purpose of establishing, constructing or maintaining any primary road, determines that any secondary road or portion thereof is necessary for a detour or haul road, the department, after consultation with the county board of supervisors having jurisdiction of the route, shall by order temporarily designate the secondary road or portion thereof as a temporary primary road detour or as a temporary primary road haul road, and the department shall maintain the same as a primary road until it shall revoke the temporary designation order. Prior to use of a secondary road as a primary haul road or detour, the department shall designate a representative to inspect the secondary road with the county engineer to determine and note the condition of the road.

Prior to revoking the designation, the department shall:

1. Restore the secondary road or portion thereof to as good condition as it was prior to its designation as a temporary primary road, or

2. Determine such amount as will adequately compensate the county exercising exclusive or concurrent jurisdiction over the secondary road or portion thereof for excessive traffic upon the secondary road or portion thereof during the period of its designation as a temporary primary road. The department shall certify the amount determined to the state comptroller. The comptroller shall credit the amount to the secondary road fund of the county.

3. If on examination of the route, it is determined that the road can be restored to its original condition only by reconstruction, the department shall cause plans to be drawn, award the necessary contracts for work and proceed to reconstruct and make payments for in the same manner as is prescribed for primary construction projects. [C71, 73, 75, 77, §313.28]

313.29 Detours located in city. When the temporary primary road detour or temporary primary road haul road, or any portion thereof, is located within the corporate limits of a city, then as to the portion so located, the provisions of section 313.28 as to consultation, designation, restoration and payment by the department shall apply in like manner to the benefit of the city, and credits thereunder shall be made to the general fund of the city. A city may designate the county engineer or city engineer to inspect such street so used jointly with the representative of the department. [C71, 73, 75, 77, §313.29]

313.35 Repealed by 53GA, ch 125, §7, see §314.6.

313.36 Maintenance—limitation in cities. Primary roads shall be maintained by the department and the cost thereof paid out of the primary road fund. Extensions of primary roads in cities may be maintained by the department and the cost thereof paid out of the primary road fund.

The total amount of funds expended in any one year on extensions of primary roads in cities shall not exceed thirty-five percent of the primary road fund. [C24, §4736; C27, 31, 35, §4775-b29; C39, §4755.27; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §313.36]

See also §§306.10 and 313.21.

313.37 Road equipment. The department is authorized to purchase road material or road machinery required in the improvement or maintenance of the primary roads, after receiving competitive bids, and to pay for the same out of the primary road fund, and is directed to purchase, rent or lease any machinery or other articles necessary for the use and most economical operation of the field engineering work, the testing of materials, the preparation of plans, and for all allied purposes, in order to enable the department to carry out the provisions of this chapter. MARKINGS FOR MUNICIPALITIES

313.43 Lateral or detour routes in cities. Any city located on the primary road system and in which the primary road extension as officially designated does not pass through the main part or business district of such city, may designate and mark a lateral or detour route in order to facilitate such primary road traffic as may desire to get into and out of such business district. [C31, 35, §4755-c2; C99, §4755.34; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §313.43]

313.44 Standard markings required. Such lateral or detour routes shall be marked with standard markings adopted by the department therefor, which markings shall clearly indicate that such lateral route is not the official primary road extension but is in fact a lateral or detour extending to the business district. [C31, 35, §4755-c3; C99, §4755.35; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §313.44]

INTERSTATE BRIDGES—GIFT OR PURCHASE

313.59 Gift of bridge to state—acceptance. Should the owner of any bridge, for highway traffic, over the Mississippi river or the Missouri river, on the boundary of the state of Iowa, and which bridge is a connecting link between a primary road or primary road extension in a city of this state and a corresponding road or extension thereof in an adjoining state, offer to give such bridge and approaches thereto, or any part thereof, to the state, the department is hereby authorized, in its discretion, to accept such offer in the name of the state of Iowa, and to enter into written agreements evidencing such acceptance. [C46, §313.28; C50, 54, 58, 62, 66, 71, 73, 75, 77, §313.59]

313.60 Indebtedness paid. When all outstanding indebtedness or other obligations against such bridge and approaches thereto have been paid and discharged the department shall accept transfer of title thereof to the state and is thereafter authorized to take possession of, operate and maintain such bridge and approaches, or any part thereof, free of tolls, as a part of the primary road system. [C46, §313.29; C50, 54, 58, 62, 66, 71, 73, 75, 77, §313.60]

313.61 Taxes forgiven. Any such bridge and approaches, which has been offered to the department and with respect to which the department has entered into a written agreement accepting such offer, shall after the date of such agreement, be free from state and local property and income taxes in this state. [C46, §313.30; C50, 54, 58, 62, 66, 71, 73, 75, 77, §313.61]

313.62 Department authority. The authority herein given to the department to enter into agreements for, accept, take over, operate and maintain such bridges may be exercised by the said department independently of any co-operation with other governmental agencies within this state or in adjoining states. [C46, §313.31; C50, 54, 58, 62, 66, 71, 73, 75, 77, §313.62]

313.63 Action by adjoining state. The department shall not enter into an agreement of acceptance until the adjoining state enters into an agreement to accept ownership of that portion of the bridge being within such adjoining state, and agrees to pay the cost of maintaining such portion of the bridge or its proportionate share of the total cost of maintaining the bridge. [C46, §313.32; C50, 54, 58, 62, 66, 71, 73, 75, 77, §313.63]

Such statement shall show funds on hand and indebtedness at the beginning and end of the year, receipts, disbursements, indebtedness retired during the year and any other information required by the department to show the true and complete condition of the finances with respect to such bridge and approaches thereto.

The annual budget of authorized operating and other expenditures for or on behalf of such bridge and approaches shall be approved by the department before becoming effective. Expenditures during the year shall not exceed the approved budget unless an increase in the annual budget be likewise approved by the department. [C46, §313.33; C50, 54, 58, 62, 66, 71, 73, 75, 77, §313.64]

313.65 Approval of taxing bodies. Before any bridge owned by any individual or private corporation shall be accepted by the department under the provisions of sections 313.59 to 313.64, inclusive, the said proposal and acceptance shall first be approved by the following tax levying and tax certifying bodies located in the said tax district: The board of supervisors, the city councils and the school board or boards. [C46, §313.34; C50, 54, 58, 62, 66, 71, 73, 75, 77, §313.65]

which is in receivership and is a connecting link between a primary road or primary road extension in a city of the state and a corresponding road or extension thereof in an adjoining state, providing proper approval is granted by the court having jurisdiction of such receivership.

2. The department is authorized to make payment for any such bridge and its approaches from the primary road fund provided however, that in no event shall the amount of such payment be more than one hundred thousand dollars for any one bridge and approaches thereto, and provided further that such purchase shall not be completed or payment made therefor until the adjoining state shall either have purchased or agreed to purchase ownership of the remaining one-half of said bridge and approaches, and agrees to pay the costs of repairing or maintaining such portion of the bridge and all approaches.

3. The department, after the purchase of any such bridge, is authorized to take possession thereof and maintain such portion of the bridge and its approaches thereto free of tolls as a part of the primary road system.

4. Before the purchase of any such bridge shall be completed by the department under the provisions of this section, the purchase thereof shall first be approved by the following tax levying and tax certifying bodies located in said district: The board of supervisors, the city councils, and the school board or boards. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §313.66]

Said fund shall be administered by the department and shall be used for the construction, reconstruction, improvement and maintenance of roadside safety rest areas and scenic beautification areas along the primary roads of the state including the acquisition of such property and property rights needed to accomplish said purposes. Part or all of said fund may be used to match federal allotments made available to the state of Iowa for the purposes provided in this section and to this end, the department is empowered on behalf of the state to enter into any agreements or contracts with the duly constituted federal authorities in order to secure the benefit of all present and future federal allotments. 313A.1 Definitions. The following words or terms, as used in this chapter, shall have the respective meanings as stated:

1. "Toll bridge" shall mean an interstate bridge constructed, purchased or acquired under the provisions of this chapter, upon which tolls are charged, together with all appurtenances, additions, alterations, improvements, and replacements thereof, and the approaches thereto, and all lands and interests therein used therefor, and buildings and improvements thereon.

2. "Department" shall mean the state department of transportation.

3. "Construct, constructing, construction or constructed" shall include the completion, reconstruction, remodeling, repair, or improvement of any existing toll bridge or any partially constructed inter-
state bridge, as well as the construction of any new
toll bridge.

4. "Acquisition by purchase, gift, or condemnation" as used in this chapter shall mean acquisition by
the department, whether such terms "purchase, gift,
or condemnation" are used singularly or in sequence.

5. "Federal bridge commission" shall mean any
bridge commission organized and operating pursuant
to an Act of the Congress of the United States, even
though such Act of Congress may declare the bridge
commission not to be an agency of the federal gov­
ernment. [C71, 73, 75, 77,§313A.1]

313A.2 Bridge to be controlled by department.
The department shall have full charge of the con­
struction and acquisition of all toll bridges con­
structed or acquired under the provisions of this
chapter, the operation and maintenance thereof and
the imposition and collection of tolls and charges for
the use thereof. The department shall have full
charge of the design of all toll bridges constructed
under the provisions of this chapter. The department
shall proceed with the construction of such toll
bridges and other facilities and the approaches
thereto by contract immediately upon there being
made available funds for such work and shall prose­
cute such work to completion as rapidly as practica­
ble. The department shall advertise for bids for the
construction, reconstruction, improvement, repair or
remodeling of any toll bridge by publication of a no­
tice once each week for at least two consecutive
weeks in a newspaper published and having a general
circulation throughout the state of Iowa, the first
publication to appear at least fifteen days prior to the
date set for receiving bids. The department shall have
the power to accept such offer or offers, propositions
or bids, and enter into such contract or contracts as it
shall deem to be to the best interest of the state.
[C71, 73, 75, 77,§313A.2]

313A.3 Toll bridges constructed over boundary
rivers. The department is hereby authorized to estab­
lish and construct toll bridges upon any public high­
way, together with approaches thereto, wherever it is
considered necessary or advantageous and practical
for crossing any navigable river between this state
and an adjoining state. The necessity or advantage
and practicality of any toll bridge shall be determined
by the department. To obtain information for the
consideration of the department upon the construc­
tion of any toll bridge or any other matter pertaining
thereto, any officer or employee of the state, upon
the request of the department, shall make reasonable
examination, investigation, survey, or reconnaiss­
ance to determine material facts pertaining thereto
and shall report such findings to the department. The cost
thereof shall be borne by the department or office
conducting it from funds provided for its functions.
[C71, 73, 75, 77,§313A.3]

313A.4 Investigation of feasibility. The depart­
ment is hereby authorized to enter into agreements
with any federal bridge commission or any county or
city of this state, and with an adjoining state or coun­
ty, city, or town thereof, for the purpose of imple­
menting an investigation of the feasibility of any toll
bridge project for the bridging of a navigable river
forming a portion of the boundary of this state and
such adjoining state. The department may use any
funds available for the purposes of this section. Such
agreements may provide that in the event any such
project is determined to be feasible and adopted, any
advancement of funds by any state, county or city
may be reimbursed out of any proceeds derived from
the sale of bonds or out of tolls and revenues to be de­
derived from such project. [C71, 73, 75, 77,§313A.4]

313A.5 Acquiring existing bridge—bonds. Whenever
the department deems it necessary or advanta­
geous and practical, it may acquire by gift, purchase,
or condemnation any interstate bridge which con­
nects with or may be connected with the public high­
ways and the approaches thereto, except that the
department may not condemn an existing interstate
bridge used for interstate highway traffic and com­
bined highway and railway traffic and presently
owned by a municipality, or a person, firm, or corpo­
ration engaged in interstate commerce. The depart­
ment may also acquire by gift or purchase two or
more existing interstate bridges and any partially
constructed interstate bridge, all located within ten
miles of each other, complete the partially con­
structed bridge and dismantle the bridge which it is
designed to replace. In connection with the acquisi­
tion of any such bridge, bridges, or partially con­
structed bridge, the department and any federal
bridge commission or any city, county, or other politi­
cal subdivision of the state are authorized to do all
acts and things as in this chapter are provided for the
establishing and constructing of toll bridges and op­
erating, financing, and maintaining such bridges in­
ssofar as such powers and requirements are applicable
to the acquisition of any toll bridge and its operation,
financing, and maintenance. In so doing, they shall
act in the same manner and under the same proce­
dures as provided for establishing, constructing, oper­
ating, financing, and maintaining toll bridges insofar
as such manner and procedures are applicable. With­
out limiting the generality of the above provisions,
the department is hereby authorized to cause surveys
to be made to determine the propriety of acquiring
any such bridge and the rights of way necessary
therefor, and other facilities necessary to carry out
the provisions hereof; to issue, sell, redeem bonds or
issue and exchange bonds with present holders of
outstanding bonds of bridges being acquired under
the provisions of this chapter and deposit and pay out
of the proceeds of the bonds for the financing there­
of, to impose, collect, deposit, and expend tolls there­
from; to secure and remit financial and other assis­
tance in connection with the purchase thereof; and to
carry insurance thereon. [C71, 73, 75, 77,§313A.5]

313A.6 Rules adopted—financial statements. The
department, its officials, and all state officials are
hereby authorized to perform such acts and make
such agreements consistent with the law which are
necessary and desirable in connection with the duties
and powers conferred upon them regarding the con­
struction, maintenance, and operation and insurance
of toll bridges or the safeguarding of the funds and
revenues required for such construction and the pay­
ment of the indebtedness incurred therefor. The de­
§313A.6, INTERSTATE BRIDGES

313A.6, INTERSTATE BRIDGES 1452

The department shall adopt such rules and regulations in accordance with the provisions of chapter 17A as it may deem necessary for the administration and exercise of its powers and duties granted by this chapter, and shall prepare annual financial statements regarding the operation of such toll bridges which shall be made available for inspection by the public and by the holders of revenue bonds issued by the department under the provisions of this chapter at all reasonable times. [C71, 73, 75, 77,§313A.6]

313A.7 Resolution of public interest and necessity—revenue bonds. Whenever the department deems it to be in the best interest of the primary highway system that any new toll bridge be constructed upon any public highway and across any navigable river between this state and an adjoining state, the department shall adopt a resolution declaring that the public interest and necessity require the construction of such toll bridge and authorizing the issuance of revenue bonds in an amount sufficient for the purpose of obtaining funds for such construction. The issuance of bonds as provided in this chapter for the construction, purchase, or acquisition of more than one toll bridge may, at the discretion of the department, be included in the same authority and issue or issues of bonds, and the department is hereby authorized to pledge the gross revenues derived from the operation of any such toll bridge under its control and jurisdiction to pay the principal of and interest on bonds issued to pay the cost of purchasing, acquiring, or constructing any such toll bridge financed under the provisions of this chapter. The department is hereby granted wide discretion, in connection with the financing of the cost of any toll bridge, to pledge the gross revenues of a single toll bridge for the payment of bonds and interest thereon issued to pay the cost of such bridge and to pledge the gross revenues of two or more toll bridges to pay bonds issued to pay the cost of one or more toll bridges and interest thereon as long as the several bridges included herein are not more than ten miles apart.

In addition, if the department in its discretion determines that the construction of a toll bridge cannot be financed entirely through revenue bonds and that the construction of such toll bridge is necessary, the department may advance funds from the primary highway fund to pay for that part of the construction cost, including the cost of approaches and all incidental costs, which is not paid out of the proceeds of revenue bonds. However, said funds advanced from the primary highway fund shall be used only to pay the construction cost, including the cost of approaches and all incidental costs, with respect to that part of the bridge which is or will be located within the state of Iowa. After all revenue bonds and interest thereon issued and sold pursuant to this chapter and payable from the tolls and revenues of said bridge have been fully paid and redeemed or funds sufficient to pay said bonds and interest, including premium, if any, have been set aside and pledged for that purpose, then such amount advanced from the primary road fund shall be repaid to the primary road fund from the tolls and revenues of said bridge before said bridge is made a toll free bridge under the provisions of this chapter. [C71, 73, 75, 77,§313A.7]

313A.8 Right of way secured. Whenever the department shall authorize the construction of any toll bridge, the department is empowered to secure rights of way therefor and for approaches thereto by gift or purchase or by condemnation in the manner provided by law for the taking of private property for public purposes. [C71, 73, 75, 77,§313A.8]

313A.9 Consent to cross state property. The right of way is hereby given, dedicated, and set apart upon which to locate, construct, and maintain toll bridges or approaches thereto or other highway crossings, and transportation facilities thereof or thereto, through, over or across any of the lands which are now or may be the property of this state, including highways; and through, over, or across the streets, alleys, lanes, and roads within any city, county, or other political subdivision of the state. If any property belonging to any city, county or other political subdivision of the state is required to be taken for the construction of any such bridge or approach thereto or should any such property be injured or damaged by such construction, such compensation therefor as may be proper or necessary and as shall be agreed upon may be paid by the department to the particular county, city or other political subdivision of the state owning such property, or condemnation proceedings may be brought for the determination of such compensation. [C71, 73, 75, 77,§313A.9]

313A.10 Resolution precedent to action. Before the department shall proceed with any action to secure right of way or with the construction of any toll bridge under the provisions of this chapter, it shall first pass a resolution finding that public interest and necessity require the acquisition of right of way for and the construction of such toll bridge. Such resolution shall be conclusive evidence of the public necessity of such construction and that such property is necessary therefor. To aid the department in determining the public interest, a public hearing shall be held in the county or counties of this state in which any portion of a bridge is proposed to be located. Notice of such hearing shall be published at least once in a newspaper published and having a general circulation in the county or counties where such bridge is proposed to be located, not less than twenty days prior to the date of the hearing. When it becomes necessary for the department to condemn any real estate to be used in connection with any such bridge, or to condemn any existing bridge, such condemnation shall be carried out in a manner consistent with the provisions of chapters 471 and 472. In eminent domain proceedings to acquire property for any of the purposes of this chapter, any bridge, real property, personal property, franchises, rights, easements, or other property or privileges appurtenant thereto appropriated or dedicated to a public use or purpose by any person, firm, private, public or municipal corporation, county, city, district or any political subdivision of the state, may be condemned and taken, and the acquisition and use thereof as herein provided for the same public use or purpose to which such prop-
property has been so appropriated or dedicated, or for any other public use or purpose, shall be deemed a superior and permanent right and necessity, and a more necessary use and purpose than the public use or purpose to which such property has already been appropriated or dedicated, and any condemnation award may be paid from the proceeds of revenue bonds issued under the provisions of this chapter. [C71, 73, 75, 77,§313A.10]

313A.11 Payment from available funds. If the department determines that any toll bridge should be constructed or acquired under its authority, all costs thereof, including land, right of way, surveying, engineering, construction, legal and administrative expenses, and fees of any fiscal adviser, shall be paid out of any funds available for payment of the cost of the bridge. [C71, 73, 75, 77,§313A.11]

313A.12 Revenue bonds. The department is hereby authorized and empowered to issue revenue bonds for the acquisition, purchase or construction of any interstate bridge. Any and all bonds issued by the department for the acquisition, purchase, or construction of any interstate bridge under the authority of this chapter shall be issued in the name of the department and shall constitute obligations only of the department, shall be identified by some appropriate name, and shall contain a recital on the face thereof that the payment or redemption of said bonds and the payment of the interest thereon are secured by a direct charge and lien upon the tolls and other revenues of any nature whatever received from the operation of the particular bridge for the acquisition, purchase, or construction of which the bonds are issued and of such other bridge or bridges as may have been pledged therefor, and that neither the payment of the principal or any part thereof nor of the interest thereon or any part thereof constitutes a debt, liability, or obligation of the state of Iowa. When it is determined by the department to be in the best public interest, any bonds issued under the provisions of this chapter may be refunded and refinanced at a lower rate, the same rate or a higher rate or rates of interest and from time to time as often as the department shall find it to be advisable and necessary so to do. Bonds issued to refund other bonds theretofore issued by the department under the provisions of this chapter may either be sold in the manner hereinafter provided and the proceeds thereof applied to the payment of the bonds being refunded, or the refunding bonds may be exchanged for and in payment and discharge of the bonds being refunded. The refunding bonds may be sold or exchanged in installments at different times or an entire issue or series may be sold or exchanged at one time. Any issue or series of refunding bonds may be exchanged in part or sold in part in installments at different times or at one time. The refunding bonds may be sold at any time on, before, or after the maturity of any of the outstanding bonds to be refinanced thereby and may be issued for the purpose of refunding a like or greater principal amount of bonds, except that the principal amount of the refunding bonds may exceed the principal amount of the bonds to be refunded to the extent necessary to pay any premium due on the call of the bonds to be refunded or to fund interest in arrears or about to become due. The gross revenues of any toll bridge pledged to the payment of the bonds being refunded, together with the unpledged gross revenues of any other toll bridges located within ten miles of said bridge, may be pledged by the department to pay the principal of and interest on the refunding bonds and to create and maintain reserves therefor.

The department is empowered to receive and accept funds from the state of Iowa or the federal government or any other state upon a co-operative or other basis for the acquisition, purchase, or construction of any interstate bridge authorized under the provisions of this chapter and is empowered to enter into such agreements with the state of Iowa or any other state or the federal government as may be required for the securing of such funds.

The department is authorized and empowered to spend from annual primary road fund receipts sufficient moneys to pay the cost of operation, maintenance, insurance, collection of tolls and accounting therefor and all other charges incidental to the operation and maintenance of any toll bridge administered under the provisions of this chapter. However, said annual primary road fund receipts shall be used only to pay such costs and charges with respect to that part of the bridge which is located within the state of Iowa.

The department may also issue its revenue bonds to pay all or any part of the cost of acquiring two or more existing interstate bridges and any partially constructed interstate bridge, all located within ten miles of each other, of completing the partially constructed bridge and of dismantling the bridge which it is designed to replace, and to impose and collect tolls on all of such bridges and to pledge the revenues derived therefrom to the payment of the bonds issued to finance such project. The department may also issue its revenue bonds to pay all or any part of the cost of reconstructing, completing, improving, repairing, or remodeling any interstate bridge or partially constructed bridge, impose and collect tolls, and pledge the bridge revenues to the payment of said bonds. [C71, 73, 75, 77,§313A.12]

313A.13 Sale and exchange or retirement of bonds. The revenue bonds may be issued and sold or exchanged by the department from time to time and in such amounts as it deems necessary to provide sufficient funds for the acquisition, purchase, or construction of any such bridge and to pay interest on bonds issued for the construction of any toll bridge during the period of actual construction and for six months after completion thereof. The department is hereby authorized to adopt all necessary resolutions prescribing the form, conditions, and denominations of the bonds, the maturity dates therefor, and the interest rate or rates which the bonds shall bear. All bonds of the same issue need not bear the same interest rate. Principal and interest of the bonds shall be payable at such place or places within or without the state of Iowa as determined by the department, and the bonds may contain provisions for registration as to principal or interest, or both. Interest shall be payable at such times as determined by the department.
and the bonds shall mature at such times and in such amounts as the department prescribes. The department may provide for the retirement of the bonds at any time prior to maturity, and in such manner and upon payment of such premiums as it may determine in the resolution providing for the issuance of the bonds. All such bonds and any coupons attached thereto shall be signed by such officials of the department as the department may direct. Successive issues of such bonds within the limits of the original authorization shall have equal preference with respect to the payment of the principal thereof and the payment of interest thereon. The department may fix different maturity dates, serially or otherwise, for successive issues under any one original authorization. All bonds issued under the provisions of this chapter shall have all the qualities of negotiable instruments under the laws of the state of Iowa. All bonds issued and sold hereunder shall be sold to the highest and best bidder on the basis of sealed proposals received pursuant to a notice specifying the time and place of sale and the amount of bonds to be sold which shall be published at least once not less than seven days prior to the sale in a newspaper published in the state of Iowa and having a general circulation in said state. None of the provisions of chapter 75 shall apply to bonds issued under the provisions of this chapter but such bonds shall be sold upon terms of not less than par plus accrued interest. The department may reject any or all bids received at the public sale and may thereafter sell the bonds at private sale on such terms and conditions as it deems most advantageous to its own interests, but not at a price below that of the best bid received at the advertised sale. The department may enter into contracts and borrow money through the sale of bonds of the same character as those herein authorized, from the United States or any agency thereof, upon such conditions and terms as may be agreed to and the bonds shall be subject to all the provisions of this chapter, except that any bonds issued hereunder to the United States or any agency thereof need not first be offered at public sale. The department may also provide for the private sale of bonds issued under the provisions of this chapter to the state treasurer of Iowa upon such terms and conditions as may be agreed upon, and in such event said bonds need not first be offered at public sale. Temporary or interim bonds, certificates, or receipts, of any denomination, and with or without coupons attached, signed by such official as the department may direct, may be issued and delivered until the definitive bonds are executed and available for delivery. [C71, 73, 77, §313A.13]

313A.14 Proceeds in trust fund. The proceeds from the sale of all bonds authorized and issued under the provisions of this chapter shall be deposited by the department in a fund designated as the construction fund of the particular interstate bridge or bridges for which such bonds were issued and sold, which fund shall not be a state fund and shall at all times be kept segregated and set apart from all other funds and in trust for the purposes herein set out. Such proceeds shall be paid out or disbursed solely for the acquisition, purchase, or construction of such interstate bridge or bridges and expenses incident thereto, the acquisition of the necessary lands and easements therefor and the payment of interest on such bonds during the period of actual construction and for a period of six months thereafter, only as the need therefor shall arise and the department may agree with the purchaser of said bonds upon any conditions or limitations restricting the disbursement of such funds that may be deemed advisable, for the purpose of assuring the proper application of such funds. All moneys in such fund and not required to meet current construction costs of the interstate bridge or bridges for which such bonds were issued and sold, and all funds constituting surplus revenues which are not immediately needed for the particular object or purpose to which they must be applied or are pledged may be invested in obligations issued or guaranteed by the United States or by any person controlled by or supervised by and acting as an instrumentality of the United States pursuant to authority granted by the Congress of the United States; provided, however, that the department may provide in the proceedings authorizing the issuance of said bonds that the investment of such moneys shall be made only in particular bonds and obligations within the classifications eligible for such investment and such provisions shall thereupon be binding upon the department and all officials having anything to do with such investment. Any surplus which may exist in said construction fund shall be applied to the retirement of bonds issued for the acquisition, purchase, or construction of any such interstate bridge by purchase or call and, in the event such bonds cannot be purchased at a price satisfactory to the department and are not by their terms callable prior to maturity, such surplus shall be paid into the fund applicable to the payment of principal and interest of said bonds and shall be used for that purpose. The proceedings authorizing the issuance of bonds may provide limitations and conditions upon the time and manner of applying such surplus to the purchase and call of outstanding bonds and the terms upon which they shall be purchased or called and such limitations and conditions shall be followed and observed in the application and use of such surplus. All bonds so retired by purchase or call shall be immediately canceled. [C71, 73, 77, §313A.14]

313A.15 Toll revenue fund. All tolls or other revenues received from the operation of any toll bridge acquired, purchased, or constructed with the proceeds of bonds issued and sold hereunder shall be deposited by the department to the credit of a special trust fund to be designated as the toll revenue fund of the particular toll bridge or toll bridges producing such tolls or revenue, which fund shall be a trust fund and shall at all times be kept segregated and set apart from all other funds. [C71, 73, 77, §313A.15]

313A.16 Funds transferred to place of payment. From the money so deposited in each separate construction fund as hereinabove provided, at the direction of the department there shall be transferred to the place or places of payment named in said bonds such sums as may be required to pay the interest as it becomes due on all bonds issued and outstanding for the construction of such particular toll bridge or toll
bridges during the period of actual construction and during the period of six months immediately thereafter. The department shall thereafter transfer from each separate toll revenue fund to the place or places of payment named in the bonds for which said revenues have been pledged such sums as may be required to pay the interest on said bonds and redeem the principal thereof as such interest and principal become due. All funds so transferred for the payment of principal of or interest on bonds issued for any particular toll bridge or toll bridges shall be segregated and applied solely for the payment of said principal or interest. The proceedings authorizing the issuance of the bonds may provide for the setting up of a reserve fund or funds out of the tolls and other revenues not needed for the payment of principal and interest, as the same currently matures and for the preservation and continuance of such fund in a manner to be provided therein, and such proceedings may also require the immediate application of all surplus moneys in such toll revenue fund to the retirement of such bonds prior to maturity, by call or purchase, in such manner and upon such terms and the payment of such premiums as may be deemed advisable in the judgment of the department. The moneys remaining in each separate toll revenue fund after providing the amount required for the payment of principal of and interest on bonds as hereinabove provided, shall be held and applied as provided in the proceedings authorizing the issuance of said bonds. In the event the proceedings authorizing the issuance of said bonds do not require surplus revenues to be held or applied in any particular manner, they shall be allocated and used for such other purposes incidental to the construction, operation, and maintenance of any toll bridge as the department may determine and as permitted under sections 313A.7 and 313A.12. [C71, 73, 75, 77,§313A.16]

313A.17 Warrants for payment. Warrants for payments to be made on account of such bonds shall be drawn by the department on duly approved vouchers. Moneys required to meet the costs of purchase or construction and all expenses and costs incidental to the acquisition, purchase, or construction of any particular interstate bridge or to meet the costs of operating, maintaining, and repairing the same, shall be paid by the department from the proper fund therefor upon duly approved vouchers. All interest received or earned on money deposited in each and every fund herein provided for shall be credited to and become a part of the particular fund upon which said interest accrues. [C71, 73, 75, 77,§313A.17]

313A.18 Depositaries or paying agents. The department may provide in the proceedings authorizing the issuance of bonds or may otherwise agree with the purchasers of bonds regarding the deposit of all moneys constituting the construction fund and the toll revenue fund and provide for the deposit of such money at such times and with such depositaries or paying agents and upon the furnishing of such security as may meet with the approval of the purchasers of such bonds. [C71, 73, 75, 77,§313A.18]

313A.19 Expenses of department. Notwithstanding any provision contained in this chapter, the proceeds received from the sale of bonds and the tolls or other revenues received from the operation of any toll bridge may be used to defray any expenses incurred by the department in connection, with and incidental to the issuance and sale of bonds for the acquisition, purchase, or construction of any such toll bridge including expenses for the preparation of surveys and estimates, legal, fiscal and administrative expenses, and the making of such inspections and examinations as may be required by the purchasers of such bonds; provided, that the proceedings authorizing the issuance of such bonds may contain appropriate provisions governing the use and application of said bond proceeds and toll or other revenues for the purposes herein specified. [C71, 73, 75, 77,§313A.19]

313A.20 No diminution of duties while bonds outstanding. While any bonds issued by the department remain outstanding, the powers, duties or existence of the department or of any other official or agency of the state shall not be diminished or impaired in any manner that will affect adversely the interests and rights of the holders of such bonds. The holder of any bond may by mandamus or other appropriate proceeding require and compel the performance of any of the duties imposed upon any state department, official, or employee or imposed upon the department or its officers, agents, and employees in connection with the acquisition, purchase, construction, maintenance, operation, and insurance of any bridge and in connection with the collection, deposit, investment, application, and disbursement of all tolls and other revenues derived from the operation and use of any bridge and in connection with the deposit, investment, and disbursement of the proceeds received from the issuance of bonds; provided, that the enumeration of such rights and remedies herein shall not be deemed to exclude the exercise or prosecution of any other rights or remedies by the holders of such bonds. [C71, 73, 75, 77,§313A.20]

313A.21 Insurance or indemnity bond. When any toll bridge authorized hereunder is being built by the department it may carry or cause to be carried such an amount of insurance or indemnity bond or bonds as protection against loss or damage as it may deem proper. The department is hereby further empowered to carry such an amount of insurance to cover any accident or destruction in part or in whole to any toll bridge. All moneys collected on any indemnity bond or insurance policy as the result of any damage or injury to any such toll bridge shall be used for the purpose of repairing or rebuilding of any such toll bridge as long as there are revenue bonds against any such toll bridge. All moneys collected on any indemnity bond or insurance policy as the result of any damage or injury to any such toll bridge shall be used for the purpose of repairing or rebuilding of any such toll bridge as long as there are revenue bonds against any such structure outstanding and unredeemed. The department is also empowered to carry insurance or indemnity bonds insuring against the loss of tolls or other revenues to be derived from any such toll bridge by reason of any interruption in the use of such toll bridge from any cause whatever, and the proceeds of such insurance or indemnity bonds shall be paid into the fund into which the tolls and other revenues of the bridge thus insured are required to be paid and shall be applied to the same purposes and in the same manner as other moneys in the said fund. Such insurance or indemnity bonds may be in an amount equal
to the probable tolls and other revenues to be received from the operation of such toll bridge during any period of time that may be determined upon by the department and fixed in its discretion, and be paid for out of the toll revenue fund as may be specified in said proceedings. The department may provide in the proceedings authorizing the issuance of bonds for the carrying of insurance as authorized by this chapter and the purchase and carrying of insurance as authorized by this chapter shall thereupon be obligatory upon the department and be paid for out of the toll revenue fund as may be specified in said proceedings. [C71, 73, 75, §313A.21]

313A.22 Toll charges fixed by department. The department is hereby empowered to fix the rates of toll and other charges for all interstate bridges acquired, purchased, or constructed under the terms of this chapter. Toll charges so fixed may be changed from time to time as conditions may warrant. The department in establishing toll charges shall give due consideration to the amount required annually to pay the principal of and interest on bonds payable from the revenues thereof. The tolls and charges shall be at all times fixed at rates sufficient to pay the bonds and interest as they mature, together with the creation and maintenance of bond reserve funds and other funds as established in the proceedings authorizing the issuance of the bonds, for any particular toll bridge. The amounts required to pay the principal of and interest on bonds shall constitute a charge and lien on all such tolls and other revenues and interest thereon and sinking funds created therefrom received from the use and operation of said toll bridge, and the department is hereby authorized to pledge a sufficient amount of said tolls and revenues for the payment of bonds issued under the provisions of this chapter and interest thereon and to create and maintain a reserve therefor. Such tolls and revenues, together with the interest earned thereon, shall constitute a trust fund for the security and payment of such bonds and shall not be used or pledged for any other purpose as long as such bonds or any of them are outstanding and unpaid. [C71, 73, 75, §313A.22]

313A.23 Political subdivision may aid. Whenever a proposed interstate bridge is to be acquired, purchased or constructed, any city, county, or other political subdivision located in relation to such facility so as to benefit directly or indirectly thereby, may, either jointly or separately, at the request of the department advance or contribute money, rights of way, labor, materials, and other property toward the expense of acquiring, purchasing or constructing the bridge, and for preliminary surveys and the preparation of plans and estimates of cost therefor and other preliminary expenses. Any such city, county, or other political subdivision may, either jointly or separately, at the request of the department advance or contribute money for the purpose of guaranteeing the payment of interest or principal on the bonds issued by the department to finance the bridge. Appropriations for such purposes may be made from any funds available, including county road funds received from or credited by the state, or funds obtained by excess tax levies made pursuant to law or the issuance of general obligation bonds for this purpose. Money or property so advanced or contributed may be immediately transferred or delivered to the department to be used for the purpose for which contribution was made. The department may enter into an agreement with a city, county, or other political subdivision to repay any money or the value of a right of way, labor, materials or other property so advanced or contributed. The department may make such repayment to a city, county, or other political subdivision and reimburse the state for any expenditures made by it in connection with the bridge out of tolls and other revenues for the use of the bridge. [C71, 73, 75, §313A.23]

313A.24 Sale of excess land to political subdivisions. If the department deems that any land, including improvements thereon, is no longer required for toll bridge purposes and that it is in the public interest, it may negotiate for the sale of such land to the state or to any city, county, or other political subdivision or municipal corporation of the state. The department shall certify the agreement for the sale to the state executive council, with a description of the land and the terms of the sale and the state executive council may execute the deed and deliver it to the grantee. [C71, 73, 75, §313A.24]

313A.25 Sale to public. If the department is of the opinion that any land, including improvements thereon, is no longer required for toll bridge purposes, it may be offered for sale upon publication of a notice once each week for two consecutive weeks in a newspaper published and having a general circulation throughout the state of Iowa, specifying the time and place fixed for the receipt of bids. [C71, 73, 75, §313A.25]

313A.26 Acceptance or rejection of bids. The department may reject all such bids if the highest bid does not equal the reasonable fair market value of the real property, plus the value of the improvements thereon, computed on the basis of the reproduction value less depreciation. The department may accept the highest and best bid, and certify the agreement for the sale to the state executive council, with a description of the land and the terms of the sale and the state executive council shall execute the deed and deliver it to the grantee. [C71, 73, 75, §313A.26]

313A.27 Franchises for use of bridge. If the department deems it consistent with the use and operation of any toll bridge, the department may grant franchises to persons, firms, associations, private or municipal corporations, the United States government or any agency thereof, to use any portion of the property of any toll bridge, including approaches thereto, for the construction and maintenance of water pipes, flumes, gas pipes, telephone, telegraph and electric light and power lines and conduits, trams or railways, and any other such facilities in the manner of granting franchises on state highways. [C71, 73, 75, §313A.27]
313A.28 Deposit of proceeds. Any moneys received pursuant to the provisions of sections 313A.24 through 313A.27 shall be deposited by the department into the separate and proper trust fund established for the bridge. [C71, 73, 75, 77, §313A.28]

313A.29 Tolls imposed for improving other bridges. The department shall have the right to impose and reimpose tolls for pedestrian or vehicular traffic over any interstate bridges under its control and jurisdiction for the purpose of paying the cost of reconstructing and improving existing bridges and their approaches, purchasing existing bridges, and constructing new bridges and approaches, provided that any such existing bridge or new bridge is located within ten miles of the bridge on which tolls are so imposed or reimposed, to pay interest on and create a sinking fund for the retirement of revenue bonds issued for the account of such projects and to pay any and all costs and expenses incurred by the department in connection with and incidental to the issuance and sale of bonds and for the preparation of surveys and estimates and to establish the required interest reserves for and during the estimated construction period and for six months thereafter. [C71, 73, 75, 77, §313A.29]

313A.30 Bridges as part of primary roads. The bridges herein provided for may be incorporated into the primary road system as toll free bridges whenever the costs of the construction of the bridges and the approaches thereto and the reconstruction and improvement of existing bridges and approaches thereto, including all incidental costs, have been paid and when all revenue bonds and interest thereon issued and sold pursuant to this chapter and payable from the tolls and revenues thereof shall have been fully paid and redeemed or funds sufficient to pay said bonds and interest, including premium, if any, have been set aside and pledged for that purpose. However, tolls may again be imposed as provided in section 313A.29. [C71, 73, 75, 77, §313A.30]

313A.31 Revenue bonds. The department shall have the power and is hereby authorized by resolution to issue, sell, or pledge its revenue bonds in an amount sufficient to provide funds to pay all or any part of the costs of construction of a new bridge and approaches thereto and the reconstruction, improvement, and maintaining of an existing bridge and approaches thereto, including all costs of survey, acquisition of right of way, engineering, legal, fiscal and incidental expenses, to pay the interest due thereon during the period beginning with the date of issue of the bonds and ending at the expiration of six months after the first imposition and collection of tolls from the users of said bridges, and all costs incidental to the issuance and sale of the bonds.

Except as may be otherwise specifically provided by statute, all of the other provisions of this chapter shall govern the issuance and sale of revenue bonds issued under this section, the execution thereof, the disbursement of the proceeds of issuance thereof, the interest rate or rates thereon, their form, terms, conditions, covenants, negotiability, denominations, maturity date or dates, the creation of special funds or accounts safeguarding and providing for the payment of the principal thereof and interest thereon, and their manner of redemption and retirement.

Such bonds shall include a covenant that the payment of the principal thereof and the interest thereon are secured by a first and direct charge and lien on all of the tolls and other gross revenues received from the operation of said toll bridges and from any interest which may be earned from the deposit or investment of any such revenues.

The tolls and charges shall be at all times fixed at rates sufficient to pay the bonds and interest as they mature, together with the creation and maintenance of bond reserve funds and other funds as established in the proceedings authorizing the issuance of the bonds. [C71, 73, 75, 77, §313A.31]

313A.32 Operation and control of bridge. The department is hereby authorized to operate and to assume the full control of said toll bridges and each portion thereof whether within or without the borders of the state of Iowa, with full power to impose and collect tolls from the users of such bridges for the purpose of providing revenues at least sufficient to pay the cost and incidental expenses of construction and acquisition of said bridges and approaches in both states in which located and for the payment of the principal of and interest on its revenue bonds as authorized by this chapter. [C71, 73, 75, 77, §313A.32]

313A.33 No obligation of state. Under no circumstances shall any bonds issued under the terms of this chapter be or become or be construed to constitute a debt of or charge against the state of Iowa within the purview of any constitutional or statutory limitation or provision. No taxes, appropriations or other funds of the state of Iowa may be pledged for or used to pay such bonds or the interest thereon, but any such bonds shall be payable solely and only as to both principal and interest from the tolls and revenues derived from the operation of any toll bridge or toll bridges acquired, purchased, or constructed under this chapter, and the sole remedy for any breach or default of the terms of any such bonds or proceedings for their issuance shall be a proceeding either in law or in equity by suit, action or mandamus to enforce and compel performance of the duties required by this chapter and the terms of the resolution under which such bonds are issued. [C71, 73, 75, 77, §313A.33]

313A.34 Agreements with other states. The director of transportation may, subject to the approval of the state transportation commission, enter into such agreement or agreements with other state highway commissions and the governmental agencies or subdivisions of the state of Iowa or other states and with federal bridge commissions as they shall find necessary or convenient to carry out the purposes of this chapter, and is authorized to do any and all acts contained in such agreement or agreements that are necessary or convenient to carry out the purposes of this chapter. Such agreements may include, but shall not be restricted to, the following provisions:

1. A provision that the department shall assume and have complete responsibility for the operation of such bridges and approaches thereto, and with full power to impose and collect all toll charges from the
§313A.34, INTERSTATE BRIDGES

users of such bridges and to disburse the revenue derived therefrom for the payment of principal and interest on any revenue bonds herein provided for and to carry out the purposes of this chapter.

2. A provision that the department shall provide for the issuance, sale, exchange or pledge, and payment of revenue bonds payable solely from the revenues derived from the imposition and collection of tolls upon such toll bridges.

3. 4. A provision that all acts pertaining to the design and construction of such toll bridges may be done and performed by the department and that any and all contracts for the construction of such toll bridges shall be awarded in the name of the department.

5. A provision that the state of Iowa and adjoining state and all governmental agencies or subdivisions party to such agreement shall be reimbursed out of the proceeds of the sale of such bonds or out of tolls and revenues as herein allowed for any advances they may have made or expenses they may have incurred for any of the purposes for which said revenue bonds may be issued, after duly verified itemized statements of such advances and expenses have been submitted to and been approved by all parties to such agreement.

6. [C71, 73, 75, 77,§313A.34]

313A.35 General obligation bonds. Counties are hereby authorized to issue general obligation bonds for the purpose of contributing money to the department to help finance the construction of toll bridges across navigable rivers constituting boundaries between the county and an adjoining state. 313A.36 Purposes of powers granted. The exercise of the powers granted by this chapter will be in all respects for the benefit of the people of the state of Iowa, for the increase of their commerce and prosperity and for the improvement of their health and living conditions, and as the acquisition, construction, operation, and maintenance by the department of the projects herein defined will constitute the performance of essential governmental functions, the department shall not be required to pay any taxes or assessments upon such projects or upon any property acquired or used by the department under the provisions of this chapter or upon the income from such projects, and the bonds issued under the provisions of this chapter, their transfer and the income therefrom including any profit made on the sale thereof shall at all times be free from taxation by or within the state of Iowa. [C71, 73, 75, 77,§313A.36]

313A.37 Failure to pay toll—penalty. Any person who uses any toll bridge and fails or refuses to pay the toll provided therefor shall be guilty of a simple misdemeanor. [C71, 73, 75, 77,§313A.37; 66GA, ch 1245(4),§268]

313A.38 Independent of any other law. This chapter shall be construed as providing an alternative and independent method for the acquisition, purchase, or construction of interstate bridges, for the issuance and sale or exchange of bonds in connection therewith and for refunding bonds pertinent thereto, and for the imposition, collection, and application of the proceeds of tolls and charges for the use of interstate bridges, without reference to any other statute, and shall not be construed as an amendment of or subject to the provisions of any other law, and no publication of any notice, and no other or further proceeding in respect to the issuance or sale or exchange of bonds under this chapter shall be required except such as are prescribed by this chapter, any provisions of other statutes of the state to the contrary notwithstanding. 314.13 Definitions.

314.1 Bidders' statements of qualifications—basis for awarding contracts. The agency having charge of the receipt of bids and the award of contracts for the construction, reconstruction, improvement, repair or maintenance of any highway, may require, for any highway contract letting, that each bidder shall file with said agency a statement showing his financial standing, his equipment, and his experience in the execution of like or similar work. Said statements shall be on standard forms prepared by the department and shall be filed with said agency previous to the letting at which such bidder expects to bid. The agency may, in advance of the letting, notify the bidder as to the amount and the nature of the work for which he is deemed qualified to bid.

In the award of contracts for the construction, reconstruction, improvement, repair or maintenance of any highway, the agency having charge of the awarding of such contracts shall give due consideration not only to the prices bid but also to the mechanical or other equipment and the financial responsibility and experience in the performance of like or similar contracts. The agency may reject any or all bids, or may let by private contract or build by day labor, at a cost not in excess of the lowest bid received. Upon the completion of any contract or project on either the farm-to-market or secondary road system, the county engineer shall file with the county auditor a statement showing the total cost thereof with certificate that said work has been done in accordance with the plans and specifications. All contracts shall be in writing and shall be secured by a bond for the faithful performance thereof as provided by law.

314.2 Interest in contract prohibited. No state or county official or employee, elective or appointive shall be directly or indirectly interested in any contract for the construction, reconstruction, improvement or maintenance of any highway, bridge or culvert, or the furnishing of materials therefor. The letting of a contract in violation of the foregoing provisions shall invalidate the contract and such violation shall be a complete defense to any action to recover any consideration due or earned under the contract at the time of its termination.

314.3 Claims—approval and payment. All claims for construction, reconstruction, improvement, repair, or maintenance on any highway shall be itemized on voucher forms prepared for that purpose, certified to by the claimants and by the engineer in charge, and then forwarded to the agency in control of that highway for final audit and approval. Claims payable from the farm-to-market road fund shall be approved by both the board of supervisors and the department. Upon approval by the department of vouchers which are payable from the farm-to-market road fund, or from the primary road fund, as the case may be, such vouchers shall be forwarded to the state comptroller, who shall draw warrants therefor and said warrants shall be paid by the treasurer of the state from the farm-to-market road fund or from the primary road fund, as the case may be.

If the engineer makes such certificate or a member of the agency approves such claim when said work has not been done in accordance with the plans and specifications, and said work be not promptly made good without additional cost, he shall be liable on his bond for the amount of such claim.

314.4 Partial payments. Partial payments may be made on highway contract work during the progress thereof, but no such partial payment shall be deemed final acceptance of the work nor a waiver of any defect therein. The approval of any claim by the agency in control of the work, or highway on which the work is located, may be evidenced by the signature of the chairman of said agency, or of a majority of the members of said agency, on the individual claims or on the abstract of a number of claims with the individual claims attached to said abstract.

314.5 Extensions in certain cities. The agency in control of any secondary road or any primary road is authorized, subject to approval of the council, to eliminate danger at railroad crossings and to construct,
§314.5, GENERAL ADMINISTRATIVE PROVISIONS FOR HIGHWAYS

reconstruct, improve, repair, and maintain any road or street which is an extension of such road within any city. Provided, that this authority shall not apply to the extensions of secondary roads located in cities over twenty-five hundred population, where the houses or business houses average less than two hundred feet apart.

The phrase "subject to the approval of the council" as it appears in this section, shall be construed as authorizing the council to consider said proposed improvement only in its relationship to municipal improvements such as sewers, water lines, establishing grades, change of established street grades, sidewalks and other public improvements. The locations of such road extensions shall be determined by the agency in control of such road or road system. [C31, 35, §4644-47; C39, §§4644.45, 4686.21; C46, §§309.45, 310.21; C50, §308A.14; C54, 58, 62, 66, 71, 73, 75, 77, §314.5]

314.6 Highways along city limits. Whenever any public highway located along the corporate line of any city is an extension of a farm-to-market road, or of a primary road, it may be included in the farm-to-market road system or the primary road system, as the case may be, and may be constructed, reconstructed, improved, repaired, and maintained as a part of said road system. [C24, §4735; C27, 31, 35, §4755-b28; C39, §§4686.25, 4755.26; C46, §§310.25, 313.35; C50, §308A.15; C54, 58, 62, 66, 71, 73, 75, 77, §314.6]

314.7 Trees—ingress or egress—drainage. Officers, employees, and contractors in charge of improvement or maintenance work on any highway shall not cut down or injure any tree growing by the wayside which does not materially obstruct the highway, or tile drains, or interfere with the improvement or maintenance of the road, and which stands in front of any city lot, farmyard orchard or feed lot, or any ground reserved for any public use. Nor shall they destroy or injure reasonable ingress or egress to any property, or turn the natural drainage of the area to the injury of adjoining owners. It shall be their duty to use strict diligence in draining the surface water from the public road in its natural channel. To this end they may enter upon the adjoining lands for the purpose of removing from such natural channel obstructions that impede the flow of such water. [C24, 27, §4791; C31, 35, §4644-c46; C39, §§4644.44; C46, §309.44; C50, §308A.16; C54, 58, 62, 66, 71, 73, 75, 77, §314.7]

314.8 Government markers preserved. Whenever it may become necessary in grading the highways to make a cut which will disturb, or fill which will cover up, a government or other established corner or land monument, it shall be the duty of the engineer to establish permanent witness corners or monuments, and make a record of the same, which shall show the distance and direction the witness corner is from the corner disturbed or covered up. When said construction work is completed the engineer shall permanently re-establish said corner or monument. A failure to perform said duties shall subject the engineer to a fine of not less than ten dollars nor more than fifty dollars to be collected on his bond. [S13, §1527-s7; C24, 27, 31, 35, 39, §4656; C46, §309.62; C50, §308A.17; C54, 58, 62, 66, 71, 73, 75, 77, §314.8]

314.9 Entering private land. The agency in control of any highway or highway system or the engineer, or any other authorized person employed by said agency, may after thirty days' written notice by restricted certified mail addressed to the owner and also to the occupant, enter upon private land for the purpose of making surveys, soundings, drillings, appraisals and examinations as it deems appropriate or necessary to determine the advisability or practicability of locating and constructing a highway thereon or for the purpose of determining whether gravel or other material exists on said land of suitable quality and in sufficient quantity to warrant the purchase or condemnation of said land or part thereof. Such entry, after notice, shall not be deemed a trespass, and the agency may be aided by injunction to insure peaceful entry. The agency shall pay actual damages caused by such entry, surveys, soundings, drills, appraisals or examinations.

Any damage caused by such entry, surveys, soundings, drillings, appraisals or examinations shall be determined by agreement or in the manner provided for the award of damages in condemnation of land for highway purposes. No such soundings or drillings shall be done within twenty rods of the dwelling house or buildings on said land without written consent of owner. [C27, 31, 35, §4655-a1; C39, §4658.1; C46, §309.65; C50, §308A.18; C54, 58, 62, 66, 71, 73, 75, 77, §314.9]

314.10 State-line highways. The agency in control of any highway or bridge bordering on or crossing a state line is authorized to confer and agree with the agency or officials of such border state, or subdivision of such state, having control of such highway or bridge relative to the interstate connection, the plans for the improvement, and maintenance, the division of work and the apportionment of cost of such highway or bridge. [S13, §1570-a; SS15, §1527-s3; C24, 27, 31, 35, 39, §4663; C46, §309.72; C50, §308A.19; C54, 58, 62, 66, 71, 73, 75, 77, §314.10]

314.11 Use of bridges by utility companies. Telephone, telegraph, electric transmission and pipe lines may be permitted to use any highway bridge on or across a state line on such terms and conditions as the agency or officials jointly constructing, maintaining or operating such bridge may jointly determine. No discrimination shall be made in the use of such bridge as between such utilities. Joint use of telephone, telegraph, electric transmission or pipe lines may not be required. No grant to any public utility to use such bridge shall in any way interfere with the use of such bridge by the public for highway purposes. [S13, §424-e; C24, 27, 31, 35, 39, §4683; C46, §309.90; C50, §308A.20; C54, 58, 62, 66, 71, 73, 75, 77, §314.11]

314.12 Borrow pits—topsoil preserved. In the award of contracts for the construction, reconstruction, improvement, repair or maintenance of any highway, the agency having charge of awarding such contracts shall require that when fill dirt, soil or other materials are to be removed from borrow pits for use in the project, adequate provision shall be

1. “Person” means any individual, partnership, corporation, or association.
2. “Displaced person” means any person who moves from real property, or moves his personal property from real property, as a result of the acquisition of such real property, in whole or in part, or as the result of the written order of an acquiring agency to vacate real property, for a program or project undertaken by the department with federal highway assistance; and solely for the purposes of sections 316.4 and 316.7, as a result of the acquisition of or as the result of the written order of the department to vacate other real property, on which such person conducts a business or farm operation, for such program or project.
3. “Business” means any lawful activity, excepting a farm operation, conducted primarily:
   a. For the purchase, sale, lease and rental of personal and real property, and for the manufacture, processing, or marketing of products, commodities, or any other personal property;

   c. By a nonprofit organization; or
   d. Solely for the purposes of section 316.4, subsection 1, for assisting in the purchase, sale, resale, manufacture, processing, or marketing of products, commodities, personal property, or services by the erection and maintenance of an outdoor advertising display or displays, whether or not such display or displays are located on the premises on which any of the above activities are conducted.
4. “Farm operation” means any activity conducted solely or primarily for the production of one or more agricultural products or commodities, including timber, for sale or home use, and customarily producing such products or commodities in sufficient quantity to be capable of contributing materially to the operator’s support.
5. “Mortgage” means such classes of liens as are commonly given to secure advances on, or the unpaid purchase price of real property, under the laws of this state, together with the credit instruments, if any, secured thereby.
6. “Federal agency” means any department, agency, or instrumentality in the executive branch of the federal government, and any wholly owned federal government corporation.
7. “Department” means the state department of transportation.
8. “Highway project” means any federal-aid street or highway project requiring the purchase or condemnation of private property for public use.
9. “Departmental rules” means all rules subject to the provisions of chapter 17A. [C71, 73, 75, 77, §316.1]

316.2 Effect upon property acquisition.
1. The provisions of this chapter shall not affect the validity of any property acquisitions by purchase or condemnation.
§316.2, RELOCATION OF PERSONS DISPLACED BY HIGHWAYS

2. Nothing in this chapter shall be construed as creating in any condemnation proceedings brought under the power of eminent domain, any element of value or of damage not in existence immediately prior to the date of this chapter.

3. In order to prevent unjust enrichment or a duplication of payments to any condemnee, the courts of this state, when determining just compensation in condemnation proceedings, shall not allow any damages which duplicate any of the benefits provided under the provisions of this chapter. [C71,§316.8; C73, 75, 77,§316.2]

316.3 Declaration of policy. The purpose of this chapter is to establish a uniform policy for the fair and equitable treatment of persons displaced as a result of state and federally assisted highway programs in order that such persons shall not suffer disproportionate injuries as a result of programs designed for the benefit of the public as a whole. The general assembly declares that replacement housing for persons displaced by highway projects is a necessary and essential part of such highway projects. This chapter shall be known and may be cited as the "Highway Relocation Assistance Law." [C73, 75, 77,§316.3]

316.4 Moving and related expenses.

1. Whenever the acquisition of real property for a program or project undertaken by the department will result in the displacement of any person, the department shall make a payment to any displaced person, upon proper application as approved by such department, for:
   a. Actual reasonable expenses in moving himself, his family, business, farm operation, or other personal property;
   b. Actual direct losses of tangible personal property as a result of moving or discontinuing a business or farm operation, but not to exceed an amount equal to the reasonable expenses that would have been required to relocate such property, as determined by the department; and
   c. Actual reasonable expenses in searching for a replacement business or farm.

2. Any displaced person eligible for payments under subsection 1 who is displaced from a dwelling and who elects to accept the payments authorized by this subsection in lieu of the payments authorized by subsection 1 may receive a moving expense allowance, determined according to a schedule established by the department not to exceed three hundred dollars; and a dislocation allowance of two hundred dollars.

3. Any displaced person eligible for payments under subsection 1 who is displaced from his place of business or from his farm operation and who elects to accept the payment authorized by this subsection in lieu of the payment authorized by subsection 1, may receive a fixed payment in an amount equal to the average annual net earnings of the business or farm operation, except that such payment shall not be less than two thousand five hundred dollars nor more than ten thousand dollars. In the case of a business, no payment shall be made under this subsection unless the department is satisfied that the business cannot be relocated without a substantial loss of its existing patronage, and is not a part of a commercial enterprise having at least one other establishment not being acquired for a highway project which is engaged in the same or similar business. For purposes of this subsection, the term "average annual net earnings" means one-half of any net earnings of the business or farm operation, before federal, state, and local income taxes, during the two taxable years immediately preceding the taxable year in which such business or farm operation moves from the real property acquired for such project, or during such other period as the department determines to be more equitable for establishing such earnings, and includes any compensation paid by the business or farm operation to the owner, his spouse, or his dependents during such period. [C71,§316.3; C73, 75, 77,§316.4]

Referred to in §§316.3(2)(a), 472-42

316.5 Replacement housing for homeowner.

1. In addition to payments otherwise authorized by this chapter, the department shall make an additional payment not in excess of fifteen thousand dollars to any displaced person who is displaced from a dwelling actually owned and occupied by such displaced person for not less than one hundred eighty days prior to the initiation of negotiations for the acquisition of the property. Such additional payment shall include the following elements:
   a. The amount, if any, which when added to the acquisition cost of the dwelling acquired by the department, equals the reasonable cost of a comparable replacement dwelling which is a decent, safe, and sanitary dwelling adequate to accommodate such displaced person, reasonably accessible to public services and places of employment and available on the private market. All determinations required to carry out this paragraph shall be made in accordance with departmental rules established by the department in making these additional payments.
   b. The amount, if any, which will compensate such displaced person for any increased interest costs which such person is required to pay for financing the acquisition of any such comparable replacement dwelling. Such amount shall be paid only if the dwelling acquired by the department was encumbered by a bona fide mortgage which was a valid lien on such dwelling for not less than one hundred and eighty days prior to the initiation of negotiations for the acquisition of such dwelling. Such amount shall be equal to the excess in the aggregate interest and other debt service costs of that amount of the principal of the mortgage on the replacement dwelling which is equal to the unpaid balance of the mortgage on the acquired dwelling, over the remainder term of the mortgage on the acquired dwelling, reduced to discounted present value. The discount rate shall be the prevailing interest rate paid on savings deposits by commercial banks in the general area in which the replacement dwelling is located.
   c. Reasonable expenses incurred by such displaced person for evidence of title, recording fees, and other closing costs incident to the purchase of the replacement dwelling, but not including prepaid expenses.

2. The additional payment authorized by this section shall be made only to such a displaced person who purchases and occupies a replacement dwelling...
which is decent, safe, and sanitary not later than the end of the one-year period beginning on the date on which he receives from the department final payment of all costs of the acquired dwelling, or on the date on which he moves from the acquired dwelling, whichever is the later date. [C71, §§316.4(1), 316.5; C73, 75, 77, §316.5]

Referred to in §§316.6, 472.42

316.6 Replacement housing for tenants and certain others. In addition to amounts otherwise authorized by this chapter, the department shall make a payment to or for any displaced person displaced from any dwelling not eligible to receive a payment under section 316.5 which dwelling was actually and lawfully occupied by such displaced person for not less than ninety days prior to the initiation of negotiations for acquisition of such dwelling. Such payment shall be either:

1. The amount necessary to enable such displaced person to lease or rent for a period not to exceed four years, a decent, safe, and sanitary dwelling of standards adequate to accommodate such person in areas not generally less desirable in regard to public utilities and public and commercial facilities, and reasonably accessible to his place of employment, but not to exceed four thousand dollars, or

2. The amount necessary to enable such person to make a down payment, including incidental expenses described in section 316.5, subsection 1, paragraph “c”, on the purchase of a decent, safe, and sanitary dwelling of standards adequate to accommodate such person in areas not generally less desirable in regard to public utilities and public and commercial facilities, but not to exceed four thousand dollars, except that if such amount exceeds two thousand dollars, such person must equally match any such amount in excess of two thousand dollars, in making the down payment. [C71, §§316.4(2), 316.5; C73, 75, 77, §316.6]

Referred to in §472.42

316.7 Relocation assistance advisory services.
1. Whenever the acquisition of real property for a highway project undertaken by the department will result in the displacement of any person, the department shall provide a relocation assistance advisory program for displaced persons which shall offer the services described in subsection 2. If the department determines that any person occupying property immediately adjacent to the real property acquired is caused substantial economic injury because of the acquisition, he may offer such person relocation advisory services under such program.

2. The department shall co-operate to the maximum extent feasible with federal, state or local agencies to assure that such displaced persons receive the maximum assistance available to them.

3. Each relocation assistance advisory program required by subsection 1 shall include such measures, facilities, or services as may be necessary or appropriate in order to:
   a. Determine the need, if any, of displaced persons, for relocation assistance;
   b. Provide current and continuing information on the availability, prices, and rentals, of comparable decent, safe, and sanitary sales and rental housing, and of comparable commercial properties and locations for displaced businesses;
   c. Assist a displaced person displaced from his business or farm operation in obtaining and becoming established in a suitable replacement location;
   d. Provide other advisory services to displaced persons in order to minimize hardships to such persons in adjusting to relocation.

4. The department shall co-ordinate relocation activities with project work, and other planned or proposed governmental actions in the community or nearby areas which may affect the carrying out of relocation assistance programs. [C71, §316.2; C73, 75, 77, §316.7]

Referred to in §§316.1(2), 316.8

316.8 Housing replacement by department as last resort.
1. If a highway project cannot proceed to actual construction because comparable replacement sale or rental housing is not available, and the department determines that such housing cannot otherwise be made available, the department may take such action as is necessary or appropriate to provide such housing by use of funds authorized for such project. The department may let contracts for the construction of said housing to approve plans and specifications for the building thereof, and to supervise, inspect and approve the housing once constructed in order that the housing so constructed complies with the terms and conditions of this chapter.

2. No person shall be required to move from his dwelling on or after July 1, 1971, on account of any highway project, unless the department is satisfied that replacement housing, in accordance with section 316.7, subsection 3, paragraph “c”, is available to such person. [C73, 75, 77, §316.8]

Referred to in §§316.10, 472.42

316.9 Rules adopted. The department shall make departmental rules and regulations necessary to effect the provisions of this chapter and to assure:
1. Compliance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, Public Law 91-646.
2. The payments authorized by this chapter are fair and reasonable and as uniform as practicable.
3. A displaced person who makes proper application for a payment authorized by this chapter is paid

316.9 Amend

promptly after a move or, in hardship cases, is paid in advance.

4. Any person aggrieved by a determination as to eligibility for a payment authorized by this chapter, or the amount of a payment, may have his application reviewed by the department.

All rules shall be subject to the provisions of chapter 17A. [C71, 73, 75, 77, §316.9]

316.10 Applicable to other than federal-aid highways. The department or any political subdivision may provide all or a part of the programs and payments authorized under this chapter to persons displaced by any street or highway project which is financed in whole or in part by the state or a political subdivision, which is not a federal-aid project, and which requires the purchase or condemnation of private property for public use. To the extent that a program or payment is provided under this section, it shall be provided on a uniform basis to all persons so displaced. The department shall make departmental rules and regulations to assure reasonable standards, which need not conform to federal rules and guidelines, for programs and payments provided under this section. [C71, 73, 75, 77, §316.10]

316.11 Acquisitions by other state agencies and political subdivisions. Whenever real property is acquired by a state agency or a political subdivision of the state incident to a federal project or program, the state agency or political subdivision is hereby authorized and shall make all payments and provide all services required by this chapter in order to secure the federal funds available for such project or program. [C73, 75, 77, §316.11]

316.12 Payments not to be considered as income. No payment received under this chapter shall be considered as income for the purposes of chapter 422. [C73, 75, 77, §316.12]

316.13 Administration. In order to prevent unnecessary expenses and duplications of functions, and to promote uniform and effective administration of relocation assistance programs for displaced persons, the department may enter into contracts with any individual, firm, association, or corporation for services in connection with such programs, or may carry out its functions through any governmental agency, political subdivision, or instrumentality having an established organization for conducting relocation assistance programs. The department shall, in carrying out the relocation assistance activities described in section 316.8 whenever practicable, utilize the services of state or local housing agencies, or other agencies having experience in the administration or conduct of similar housing assistance activities. [C73, 75, 77, §316.13]

316.14 Funding. Said order shall define the roads along which said weeds are required to be cut, burned or otherwise destroyed and shall require said weeds to be cut, burned or otherwise destroyed within thirty days after the publication of said order in the official newspapers of said county. To the total of all such sums expended, they shall add an amount equal to twenty-five percent

Such tax shall be due on March 1 after such assessment, and shall be delinquent after March 30. When collected, said funds shall be paid into the fund from which said costs were originally paid.

2. Before making any such assessment, the board of supervisors shall prepare a plat or schedule showing the several lots, tracts of land or parcels of ground to be assessed which shall be in accord with the assessor’s records and the amount proposed to be assessed against each of the same for destroying or controlling weeds during the fiscal year.

3. Such board shall thereupon fix a time for the hearing on such proposed assessments, which time shall not be later than December 15 of the year, and at least twenty days prior to the time thus fixed for such hearing shall give notice thereof to all concerned that such plat or schedule is on file, and that the amounts as shown therein will be assessed against the several lots, tracts of land or parcels of ground described in said plat or schedule at the time fixed for such hearing, unless objection is made thereto. Notice of such hearing shall be given by one publication in official county newspapers in the county in which the property to be assessed is situated; or by posting a copy of such notice on the premises affected and by mailing a copy by certified mail to the last known address of the person owning or controlling said premises. At such time and place the owner of said premises or anyone liable to pay such assessment, may appear with the same rights given by law before boards of review, in reference to assessments for general taxation.

319.11 Enforcement. Boards of supervisors and county attorneys as to secondary roads, and the department and the department general counsel as to primary roads, shall enforce section 319.10 by appropriate civil or criminal proceedings or by both such proceedings. [C24, 27, 31, 35, 39, §4845; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §319.11]

No billboard, advertising sign or device, fence other than right of way boundary fence, or other obstruction except signs or devices authorized by law or approved by the highway authorities shall be placed or erected upon the right of way of any public highway, nor shall any vehicle be abandoned upon the right of way of any public highway.

Except for official traffic-control devices as defined by section 321.1, subsection 62, no person shall place, erect, or attach any red reflector, or any object or other device which shall cause a red reflectorized effect, within the boundary lines of the public highways so as to be visible to passing motorists. [C24, 27, 31, 35, 39, §4846; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §319.12]
§319.13 Right and duty to remove. If the following constitute an immediate and dangerous hazard, all billboards, advertising signs or devices, fences other than right of way boundary fences, or any temporary obstruction, including abandoned vehicles except signs or devices authorized by law or approved by the highway authorities, placed or erected upon the right of way of any public highway shall without notice or liability be removable and the costs thereof assessed against:

1. The owner of any billboard, advertising sign or device so removed.
2. The vehicle owner in the case of abandoned vehicles.
3. The abutting property in the case of fences other than right of way line fences and other temporary obstructions placed by the owner of or tenant on said property.
4. The owner or person responsible for placement of all other obstructions.

Any such obstruction not constituting an immediate and dangerous hazard shall be removed without liability after forty-eight hour notice served in the same manner in which an original notice is served, or in writing by certified mail, or in any other manner reasonably calculated to apprise the person responsible for the obstruction that the obstruction will be removed at the expense of such person after the notice is given.

Such removal and assessment of cost in the case of primary roads shall be by the department and in the case of secondary roads by the board of supervisors.

Upon removal of the obstruction, the highway authority may immediately send a statement of the cost of removal to the person responsible for the obstruction. If within ten days after sending the statement the cost is not paid, the highway authority may institute proceeding in the district court system to collect the cost of removal. [C24, 27, 31, 35, 39, §4847; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §319.13]

§319.14 Permit required. A person shall not excavate, fill or make any physical change within the right of way of a public road or highway without obtaining a permit from the highway authority having jurisdiction of such public road or highway. Any work performed under the permit shall be performed in conformity with the specifications prescribed by the highway authority. If the excavation, fill or physical change within the right of way of a public road or highway does not conform to the specifications that accompany the permit the person shall be notified to make such conforming changes. If after twenty days the changes have not been made, the public road or highway authority may make the necessary changes and immediately send a statement of the cost to the person responsible for the work done not in conformity to the specifications. If within ten days after sending the statement the cost is not paid, the highway authority may institute proceedings in the district court system to collect the cost of correction. Utility companies are exempt from the provisions of this section. [C75, 77, §319.14]

A security interest in a vehicle subject to registration under the laws of this state, except trailers whose empty weight is two thousand pounds or less, and new or used vehicles held by a dealer or manufacturer as inventory for sale, is perfected by the delivery to the county treasurer of the county where the certificate of title was issued or, in the case of a new certificate, to the county treasurer where the certificate will be issued of an application for certificate of title which lists such security interest, or an application for notation of security interest signed by the owner, or by one owner of a vehicle, owned jointly by more than one person or a certificate of title from another jurisdiction which shows such security interest, and a fee of two dollars for each security interest shown. If the owner or secured party is in possession of the certificate of title, it must also be delivered at this time in order to perfect the security interest. If a vehicle is subject to a security interest when brought into this state, the validity of the security interest and the date of perfection is determined by the Uniform Commercial Code, section 554.9103. Delivery as provided in this subsection shall be deemed to be indication of a security interest on a certificate of title for purposes of chapter 554.

2. Upon receipt of the application and the required fee, the county treasurer shall notify the holder of the certificate of title of the receipt of said application, within five days from the receipt of notice, the certificate of title to permit notation of the security interest. If the holder of the certificate of title shall fail to deliver it within the said five days, he shall be liable to anyone harmed by his failure.

3. Upon receipt of the application, the certificate of title, if any, and the required fee, the county treasurer shall note such security interest, and the date thereof, on the certificate over the signature of such officer or deputy and the seal of office. The county treasurer shall also note such security interest and the date thereof in the county records system. The county treasurer shall then mail the certificate of title to the first secured party as shown thereon.

4. When a security interest is discharged, the holder thereof shall execute a release within fifteen days after payment is received, such release to contain the certificate of title number, the date of the notation, and the name and address of the person to whom the certificate shall be delivered when such delivery is requested as hereinafter provided. The holder shall also note a cancellation of same on the face of the certificate of title over the holder's signature, and deliver the release and certificate of title to the county treasurer where title was issued. The county treasurer shall immediately note the cancellation of said security interest on the face of the certificate of title and in the county records system. The county treasurer shall on the same day deliver the certificate of title to the then first secured party or, if there is no such person, to the person as directed on the security interest release or, if there is no such person designated, to the owner. Said cancellation of the security interest shall be noted on the certificate of title by the county treasurer without charge. The holder of a security interest discharged by payment who fails to release such security interest as herein provided within fifteen days after being requested in writing to do so shall forfeit to the person making such payment the sum of twenty-five dollars. Such request shall be on the release form as prescribed by the department and shall contain a statement signed by the owner setting forth the name and address of the person to whom the title shall be delivered.

If no security interest has been filed for notation on the certificate of title, the certificate shall be mailed by the treasurer to the owner of the vehicle. For purposes of determining the commencement date of the thirty-day period provided by this subsection, it shall be presumed that the purported security interest holder received the certificate of title on the date of the creation of his purported security interest in the vehicle or the date of the issuance of the certificate of title, whichever is the latter. Any person collecting a fee from the owner of the vehicle for the purpose of perfecting a security interest in such vehicle who does not cause such security interest to be noted on the certificate of title by the county treasurer shall remit such fee to the department of revenue of this state.

7. Upon request of any person, the county treasurer shall issue his certificate showing whether there are, on the date and hour stated therein, any security interests noted on a particular vehicle's certificate of title, and the name and address of each secured party whose security interest is noted thereon. The uniform fee for a written certificate shall be two dollars if the request for the certificate is on a form conforming to standards prescribed by the secretary of state; otherwise, three dollars. b. "True mileage" is the actual mileage the motor vehicle has been driven.

2. No person shall knowingly tamper with, adjust, alter, change, set back, disconnect or fail to connect the odometer of any motor vehicle, or cause any of the foregoing to occur to an odometer of a motor vehicle, so as to reflect a lower mileage than the true mileage driven by the motor vehicle.

3. No person shall conspire with any other person to evade the intent and purpose of this section.

4. No person shall with the intent to defraud operate a motor vehicle on any street or highway knowing that the odometer of the motor vehicle is disconnected or nonfunctional.

10. A transferee of a motor vehicle reassigning the certificate of title to such motor vehicle pursuant to the provisions of section 321.48, subsection 1, shall not be guilty of a violation of this section if such transferee has in his possession an odometer statement by the transferor which is in compliance with federal law and regulations and if he has no knowledge that the statement is false and that he has no knowledge that the odometer does not reflect the true mileage of such motor vehicle.

321.89 Abandoned vehicles.
1. Definitions. As used in this section and sections 321.90 and 321.91 unless the context otherwise requires:
   a. “Police authority” means the Iowa highway safety patrol or any law enforcement agency of a county or city.
   b. “Abandoned vehicle” means any of the following:
      (1) A vehicle that has been left unattended on public property for more than forty-eight hours and lacks current registration plates or two or more wheels or other parts which renders the vehicle totally inoperable, or
      (2) A vehicle that has remained illegally on public property for more than seventy-two hours, or
      (3) A vehicle that has been unlawfully parked on private property or has been placed on private property without the consent of the owner or person in control of the property for more than twenty-four hours, or
      (4) A vehicle that has been legally impounded by order of a police authority and has not been reclaimed for a period of ten days, or
      (5) Any vehicle parked on the highway determined by a police authority to create a hazard to other vehicle traffic, or
      (6) However a vehicle shall not be considered abandoned for a period of fifteen days if its owner or operator is unable to move the vehicle and notifies the police authority responsible for the geographical location of the vehicle and requests assistance in the removal of the vehicle.
   c. “Demolisher” means any city or public agency organized for the disposal of solid waste, or any person whose business is to convert a vehicle to junk, processed scrap or scrap metal, or otherwise to wreck, or dismantle vehicles.
2. Authority to take possession of abandoned vehicles. A police authority may, and on the request of any other authority having the duties of control of highways or traffic, shall take into custody any abandoned vehicle on public property and may take it into custody any abandoned vehicle on private property. A police authority taking into custody an abandoned vehicle determined to create a traffic hazard shall report the reasons constituting the hazard in writing to the appropriate authority having duties of control of the highway. The police authority may employ its own personnel, equipment and facilities or hire other personnel, equipment and facilities for the purpose of removing, preserving, storing, or disposing abandoned vehicles.
3. Notification of owner and lienholders.
   a. A police authority which takes into custody an abandoned vehicle shall notify, within ten days, by certified mail, the last known registered owner of the vehicle and all lienholders of record, addressed to their last known address of record, that the abandoned vehicle has been taken into custody. Notice shall be deemed given when mailed. The notice shall describe the vehicle, make, model, and serial number of the vehicle, set forth the location of the facility where it is being held, inform the owner and any lienholders of their right to reclaim the vehicle within twenty-one days after the effective date of the notice upon payment of all towing, preservation, and storage charges resulting from placing the vehicle in custody. The notice shall also state that the failure of the owner or lienholders to exercise their right to reclaim the vehicle within the time provided shall be deemed a waiver by the owner and all lienholders of all right, title, claim and interest in the vehicle and that such failure to reclaim the vehicle is deemed consent to the sale of the vehicle at a public auction or disposal of the vehicle to a demolisher. If the owner and lienholders do not exercise their right to reclaim such vehicle
within the twenty-one-day reclaiming period, such owner and lienholders shall no longer have any right, title, claim, or interest in or to such vehicle. No court in any case in law or equity shall recognize any right, title, claim, or interest of any such owner and lienholders after the expiration of the twenty-one-day reclaiming period.

b. If the identity of the last registered owner cannot be determined, or if the registration contains no address for the owner, or if it is impossible to determine with reasonable certainty the identity and addresses of all lienholders, notice by one publication in one newspaper of general circulation in the area where the vehicle was abandoned shall be sufficient to meet all requirements of notice under this section. The published notice may contain multiple listings of abandoned vehicles but shall be published within the same time requirements and contain the same information as prescribed for mailed notice in subsection 3, paragraph “a” of this section.

c. The owner or any lienholders may, by written request delivered to the police authority prior to the expiration of the twenty-one-day reclaiming period, obtain an additional fourteen days within which the vehicle may be reclaimed.

Referred to in §321.88, 321.90(2)

4. Auction of abandoned vehicles. If an abandoned vehicle has not been reclaimed as provided for in subsection 3, the police authority shall make a determination as to whether or not the vehicle shall be sold for use upon the highways. If it is to be sold as a vehicle for use upon the highways, it shall first be inspected as required by section 321.238 and have a valid certificate of inspection affixed. If the vehicle is not sold for use upon the highways, it shall be sold for junk, or demolished and sold as scrap or sold as provided in section 321.88* with a restricted certificate of title and not for use upon the highways. The police authority shall sell the vehicle at public auction. Notwithstanding any other provision of this section, any police authority, which has taken into possession any abandoned vehicle which lacks an engine or two or more wheels or other part which renders the vehicle totally inoperable may dispose of such vehicle to a demolisher for junk after complying with the notification procedures enumerated in subsection 3 and without public auction. The purchaser of the vehicle shall take title free and clear of all liens and claims of ownership, shall receive a sales receipt from the police authority, and shall be entitled to register the vehicle and receive a certificate of title if sold for use upon the highways or a restricted certificate of title as the case may be. However, if the vehicle is sold or disposed of to a demolisher for junk, the sales receipt by itself shall be sufficient title only for purposes of transferring the vehicle to such demolisher for demolition, wrecking, or dismantling and, when so transferred, no further titling of the vehicle shall be permitted. From the proceeds of the sale of an abandoned vehicle the police authority shall reimburse itself for the expenses of the auction, the costs of towing, preserving, and storing which resulted from placing the abandoned vehicle in custody, all notice and publication costs incurred pursuant to subsection 3, the cost of inspection, and any other costs incurred except costs of bookkeeping and other administrative costs. Any remainder from the proceeds of a sale shall be held for the owner of the vehicle or entitled lienholder for ninety days, and shall then be deposited in the reimbursement fund received by the department pursuant to section 321.145, subsection 2. The costs to police authorities of auction, towing, preserving, storage, and all notice and publication costs, inspection costs and all other costs which result from placing abandoned vehicles in custody, whenever the proceeds from a sale of such abandoned vehicles are insufficient to meet these expenses and costs, shall be paid from the reimbursement fund of the department under section 321.145, subsection 2. In the event the reimbursement fund is temporarily exhausted, payment shall be deferred until the reimbursement fund contains sufficient funds to meet the claims.

The state comptroller shall establish by rule a claims procedure to be followed by police authorities in obtaining expenses and costs from the fund. [C73, 75, 77, §321.89, 67GA, ch 48, §31] Referred to in §§18.11, 321.51(3), 321.88, 321.90, 321.91

2. Disposal to demolisher.

a. Any person, firm, corporation, or unit of government upon whose property or in whose possession is found any abandoned motor vehicle, or any person being the owner of a motor vehicle whose title certificate is faulty, lost, or destroyed and is thereby unable to transfer title to the motor vehicle, may apply to the police authority of the jurisdiction in which the motor vehicle is situated for authority to sell, give away, or otherwise dispose of the motor vehicle to a demolisher.

b. The application shall set out the name and address of the applicant, the year, make, model, and serial number of the motor vehicle, if ascertainable, together with any other identifying features, and shall contain a concise statement of the facts surrounding the abandonment, or a statement that the title of the motor vehicle is lost or destroyed, or the reasons for the defect of title in the owner. The applicant shall execute an affidavit stating that the facts alleged are true and that no material fact has been withheld.

c. If the police authority finds that the application is executed in proper form, and shows that the motor vehicle has been abandoned upon the property of the applicant, or if it shows that the motor vehicle is not abandoned but that the applicant appears to be the rightful owner, the police authority shall follow appropriate notification procedures as set forth in section 321.89, subsection 3.

d. If the abandoned motor vehicle is not reclaimed in accordance with section 321.89, subsection 3, or no lienholder objects to the disposal in the case of an owner-applicant, the police authority shall give the applicant a certificate of authority to dispose of the motor vehicle to any demolisher for demolition, wrecking, or dismantling. The demolisher shall accept such certificate in lieu of the certificate of title to the motor vehicle.

e. Notwithstanding any other provisions of this section and sections 321.89 and 321.91, any person, firm, corporation, or unit of government upon whose property or in whose possession is found any abandoned motor vehicle, or any person being the owner of a motor vehicle whose title certificate is faulty, lost, or destroyed, may dispose of such motor vehicle to a demolisher for junk without his title and without the notification procedures of section 321.89, subsection 3, if the motor vehicle lacks an engine or two or more wheels or other structural part which renders the vehicle totally inoperable.

f. The owner of an abandoned motor vehicle and all lienholders shall no longer have any right, title, claim, or interest in or to such motor vehicle; and no court in any case in law or equity shall recognize any right, title, claim, or interest of any such owner and lienholders after the disposal of each motor vehicle to a demolisher.

g. Any proceeds from the sale of an abandoned motor vehicle to a demolisher under this section, by one other than the owner of the vehicle, shall first be applied to that person’s expenses in effecting the sale, including storage, towing, and disposal charges, and any surplus shall be distributed in accordance with section 321.89, subsection 4.

3. Duties of demolishers.

a. Any demolisher who purchases or otherwise acquires an abandoned motor vehicle for junk under the provisions of this section shall junk, scrap, wreck, dismantle, or demolish such motor vehicle. However, if the vehicle is acquired under the provisions of subsection 2, paragraph “e”, the demolisher shall apply to the police authority of the jurisdiction from which the vehicle was acquired for a certificate of authority to demolish the vehicle. In making the application the demolisher shall describe the motor vehicle as required by subsection 2, paragraph “b”. The police authority shall issue the certificate of authority upon complying with subsection 2, paragraph “e”, but shall be excused from following the notification procedures as required therein. No further titling of the motor vehicle shall be permitted. After the motor vehicle has been demolished, processed, or changed so that it physically is no longer a motor vehicle, the demolisher shall surrender the auction sales receipt or certificate of authority to dispose of or demolish a motor vehicle to the department for cancellation. The department shall issue such forms and rules governing the surrender of auction sales receipts, certificates of title, and certificates of authority to dispose of or demolish motor vehicles, and the cancellation and surrender of the registrations and certificates of title for such motor vehicles as are appropriate.

b. A demolisher shall keep an accurate and complete record of all motor vehicles purchased or received by him in the course of his business. These records shall contain the name and address of the person from whom each such motor vehicle was purchased or received and the date when such purchases or receipts occurred. Such records shall be open for inspection by any police authority at any time during normal business hours. Any record required by this section shall be kept by the demolisher for at least one year after the transaction to which it applies.

REGISTRATION FEES

321.105 Annual fee required. An annual registration fee shall be paid for each vehicle operated upon the public highways of this state unless the vehicle is specifically exempted under the provisions of this chapter. If a vehicle, which has been registered for the year, is transferred during the registration year, the transferee shall reregister the vehicle as provided in section 321.46 without payment of an additional annual registration fee.

Said registration fee shall be paid to the county treasurer at the same time the application is made for the registration or reregistration of said motor vehicle or trailer. Any owner may, when applying for registration or reregistration of his motor vehicle or trailer, request that the plates be mailed to his post-office address. His request shall be accompanied by a mailing fee as determined annually by the director. Said fee shall be deposited in the county general fund.

Upon application by a financial institution, as defined in section 422.61, and approval of the application by the county treasurer, the county treasurer in any county may authorize the financial institution to receive applications for renewal of vehicle registrations and payment of the registration fees. The registration fees shall be delivered to the county treasurer at the time the county treasurer has processed the vehicle registration application. Registration fees received with vehicle registration applications shall be designated as public funds only upon receipt of such funds by the county treasurer from the financial institution.

In addition to the payment of an annual registration fee for each trailer and semitrailer to be issued an Iowa registration plate, an additional registration fee may be paid for a period of two subsequent registration years.

Where there is no delinquency and the registration is made in February or succeeding months to and including November, registration fees for vehicles designed to carry nine passengers or less shall be computed on the basis of one-twelfth of the annual registration fee as provided in this chapter multiplied by the number of unexpired months of the year. No fee shall be required for the month of December for a vehicle on which there is no delinquency.

Where there is a delinquency, registration fees for vehicles designed to carry property or more than nine passengers which are registered after January 31 shall be computed on the basis of the full annual fee, plus penalties, for such vehicle. Where there is no delinquency and the registration is made in February or succeeding months, registration fees for vehicles designed to carry property or more than nine passengers shall be computed on the basis of one-twelfth of the annual registration fees as provided in this chapter multiplied by the number of unexpired months of the year. Whenever any registration fee computed under this section contains a fractional part of a dollar, the fee shall be computed to the nearest whole dollar, except that any such fee so computed shall not be less than five dollars, which amount shall be the fee collected. The fee so computed for an original registration shall be deemed to be the annual registration fee for the remainder of the registration year. cant first file with the county treasurer an affidavit stating the date on which the vehicle first came into his possession or control in connection with his purchase or prospective purchase thereof, and the name and address of the party from whom purchased.

No reduction in the registration fee shall be allowed by the department until the applicant files satisfactory evidence to prove that there is no delinquency in registration.

If the applicant pays a penalty for any delinquent registration, the same penalty shall be assessed on the fees collected to increase the registered weight of the vehicle, if the increased weight is requested within forty-five days from the date the delinquent vehicle is registered for that year. Such license shall expire on the licensee's eighteenth birthday or upon issuance of a temporary driver's permit. For the purpose of establishing a need for the license provided for in this section, each application shall be accompanied by an affidavit from the school board or superintendent of the applicant's school which affidavit shall be upon a form provided by the department and shall state the facts deemed to justify the issuance of a license to the applicant. Neither such affidavit nor the inability to obtain the same shall be binding on the department but may be considered by the department in its determining of whether or not to grant the application. The fact that the applicant resides at a distance less than one mile from his school shall be prima-facie evidence of the nonexistence of any necessity for the issuance of such a license. A license issued hereunder is subject to suspension or revocation in like manner as any other li-

For the purpose of determining when to suspend a license under this section the director may, in accordance with the provisions of chapter 17A, promulgate a point system for the purpose of weighing traffic convictions, or offenses by their seriousness and may change such weighted scale from time to time as experience or the accident frequency in the state makes necessary or desirable.

Prior to a suspension taking effect under subsections 2, 3, 4, 5 or 7, the licensee shall have received twenty days advance notice of the effective date of the suspension. Notwithstanding the terms of the Iowa administrative procedure Act, the filing of a petition for judicial review shall operate to stay the suspension pending the determination by the district court.

If the department assesses any points against an operator or chauffeur of a motor vehicle under any point system devised by the department for the purpose of suspending operators’ or chauffeurs’ licenses, the licensee shall receive a credit of one point for each year in which the licensee had in continuous effect a valid operator’s or chauffeur’s license and during which no points were assessed against such licensee, but such credit of points shall not exceed five points at any one time. A violation of sections 321.430 or 321.431 or any municipal ordinance pertaining to motor vehicle brake requirements shall not be taken into consideration in determining suspension or the length of suspension of an operator’s or chauffeur’s license if the equipment in violation of the Code or municipal ordinance has been repaired within seventy-two hours of the warning memorandum, summons, conviction, or forfeiture of bail not vacated, and evidence of such repair has immediately been sent to the director.

Upon such hearing the director or his or her duly authorized agent may administer oaths and may issue subpoenas for the attendance of witnesses and the production of relevant books and papers and may require a re-examination of the licensee. Upon such hearing the department shall either rescind its order of suspension or for good cause may extend the suspension of such license or revoke such license. There is hereby appropriated each year from the general fund of the state to the department one hundred five thousand dollars or so much thereof as may be necessary to be used to pay the cost of notice and personal delivery of service, if necessary to meet the notice requirement of this section. The department shall promulgate rules governing the payment of the costs of personal delivery of service. The reinstatement fees collected under section 321.191 shall be deposited in the general fund of the state in a manner provided in section 321.192, as reimbursement for the costs of notice under this section.

The department shall not revoke a license under the provisions of subsection 6 of section 321.209 for more than thirty days nor less than five days as recommended by the trial court. 5. The foregoing provisions shall not relieve the driver of an authorized emergency vehicle from the duty to drive with due regard for the safety of all persons, nor shall such provisions protect the driver from the consequences of his reckless disregard for the safety of others. [C39,§5017.04, 5017.05, 5023.12; C46, 50, 54, 58, 62, 66, 71, 73, 75,§321.231, 321.232, 321.296; C77,§321.231]

The provisions of this chapter shall not apply to maintenance equipment operated by or under lease to any state or local authority while engaged in road maintenance work, including to or from such work. [C39,§5017.06; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§321.233]

321.234 Bicycles or animal-drawn vehicles. Local authorities may, however, adopt additional traffic regulations which are not in conflict with the provisions of this chapter. [C39,§5017.08; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§321.235]
POWERS OF LOCAL AUTHORITIES

321.236 Powers of local authorities. Local authorities shall have no power to enact, enforce, or maintain any ordinance, rule or regulation in any way in conflict with, contrary to or inconsistent with the provisions of this chapter, and no such ordinance, rule or regulation of said local authorities heretofore or hereafter enacted shall have any force or effect, however the provisions of this chapter shall not be deemed to prevent local authorities with respect to streets and highways under their jurisdiction and within the reasonable exercise of the police power from:

1. Regulating the standing or parking of vehicles.

Parking meter violations which are denied shall be charged and proceed before a court the same as other traffic violations. Parking violations which are admitted:

a. May be charged and collected upon a simple notice of a fine not exceeding five dollars payable to the city clerk, if authorized by ordinance. No costs or other charges shall be assessed. One hundred percent of all fines collected by a city pursuant to this paragraph shall be retained by the city.

When conditions of snow or ice exist on the traffic surface of a designated snow route, it is unlawful for the driver of a vehicle to impede or block traffic if the driving wheels of the vehicle are not equipped with snow tires, tire chains or a nonslip differential. "Snow tires" as used in this subsection means tires designed for use when there are conditions of snow or ice on the highways, and meeting the standards which shall be promulgated by rule of the director of transportation. The standards promulgated by the director shall require that snow tires be so designed to provide adequate traction to maintain reasonable movement of the motor vehicle on highways under snow conditions.

Any person charged with impeding or blocking traffic for lack of snow tires, chains or nonslip differential shall have said charge dismissed upon a showing to the court that his motor vehicle was equipped with a nonslip differential. [§13, §1571-m, §1580; C24, 27, 31, 35, §§4902, 4905, 4907; C39, §5018.01; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.236]

When a city has adopted an ordinance as authorized in section 321.236, subsection 12, or an ordinance which prohibits standing or parking of vehicles upon a street or streets during any time when snow-removal operations are in progress and before such operations have resulted in the removal or clearance of snow from such street or streets, signs as specified in the above manual, posted as hereinabove provided shall be deemed sufficient notice of the existence of such restrictions. [C39, §5018.02; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.237]

321.238 Motor vehicle inspection—test drive conditions.

1. The director may grant permits for the operation of vehicle inspection stations authorized to issue official certificates of inspection of vehicles. The commission may adopt such rules subject to the provisions of chapter 17A as shall be necessary for the efficient operation and maintenance of vehicle inspection stations.

2. Application for an authorized inspection station permit shall be made upon forms provided by the director. The biennial fee for an inspection station permit shall be five dollars. The fee shall be submitted with the application for the permit.

3. Upon determining that the inspection station of an applicant for an authorized inspection station permit is properly equipped, has competent personnel to conduct vehicle inspections, and can properly conduct such inspections, the director shall grant such permit.

4. The director shall:

a. Supervise and cause inspections to be made of each vehicle inspection station issued a permit.
§321.238, MOTOR VEHICLES AND LAW OF ROAD

b. Provide instructions and all necessary forms to authorized inspection stations for the inspection of vehicles and the issuance of official certificates of inspection. The copy of the statement of inspection to be delivered by the inspection station to the owner of the vehicle inspected shall state the name and address of the inspection station and shall contain a conspicuous notice in substance as follows: "NOTICE: You should immediately notify the inspection station of any complaint about the inspection of this vehicle. If possible, your notice should be given within fifteen days after the date of inspection or before this vehicle has been driven five hundred miles after the inspection, whichever occurs first, or, if the inspection station sold the vehicle to you, within fifteen days after the sale or before this vehicle has been driven five hundred miles after the sale, whichever occurs first. Your notice should be in writing, specifying the complaint. Notice forms are available at any inspection station. You also have the right to make a complaint about the inspection to the director, statehouse, Des Moines, Iowa."

c. Provide instruction and all necessary forms for inspection orders. The inspection order shall direct the owner or custodian of the vehicle to present the inspection order to the inspection station for endorsement that the vehicle has been inspected and passed and an official certificate of inspection has been affixed. The inspection order shall direct that the vehicle be inspected at an inspection station within fourteen days.

Forms for notice of complaint shall be provided by the department to all authorized inspection stations, who shall provide them to any person upon request. The copy of the statement of inspection to be delivered by the inspection station to the owner of the vehicle inspected shall also contain a notice, which shall be printed on the face of the statement of inspection in eight-point boldface type, which contains the words "THE SAFETY INSPECTION IS APPLICABLE ONLY TO THE ITEMS CHECKED AND DOES NOT GUARANTEE OR WARRANT THE CONDITION OF THESE ITEMS OR THE OVERALL CONDITION OF THE VEHICLE."

d. Designate employees of the transportation regulation and safety division, or its successor, of the state department of transportation to conduct spot inspections.

e. Maintain and post at the office of the department lists of all stations holding permits and of stations whose permits have been revoked.

5. No permit for an official inspection station shall be assigned or transferred or used at any location other than the location designated in the permit and each authorized inspection station shall post its permit in a conspicuous place at the designated location of the station.

6. Official certificates of inspection shall be purchased by inspection stations from the department at a cost of twenty-five cents per certificate. A permit holder shall receive a credit or a refund, to be paid from the motor vehicle inspection fund, created by this section, in the amount of twenty-five cents for each unused certificate returned to the department.

7. No person shall make, possess, issue, or knowingly use any imitation or counterfeit of an official certificate of inspection. No person shall display or cause or permit to be displayed upon any vehicle any certificate of inspection knowing the certificate to be fictitious, or issued for another vehicle, or issued without an inspection having been made. No person shall possess a blank certificate of inspection nor shall any person issue an official certificate of inspection who does not hold a valid permit for the issuance of such certificate.

8. The fee for inspection, including the issuance of the certificate of inspection, shall be uniform according to class of vehicle and shall be established by the director. The fee shall be a reasonable and just charge based upon the average cost and time necessary to perform the inspection, and shall be retained by the inspection station. No inspection station shall absorb the inspection fee, or advertise or represent in any manner that the fee or any part of the fee is directly or indirectly absorbed by the station, nor shall any inspection station charge a fee for inspection services under this section in an amount other than the fees herein provided.

9. All fees collected by the department under the provisions of this section shall be remitted monthly to the treasurer of state. The moneys remitted shall be placed by the treasurer of state in the road use tax fund.

10. In making a vehicle inspection, the inspection station shall inspect such of the following equipment as is applicable to the vehicle: Brakes, lights, turning signals, steering, sound devices, glass, mirrors, exhaust system, windshield wipers, seat belts, tires and such other safety equipment as may be prescribed for inspection under rules adopted by the director.

Upon completion of inspection of a vehicle and determination that its equipment is in adequate condition and proper adjustment to warrant issuance of a certificate of inspection, the inspection station which has made the inspection shall affix an official certificate of inspection to such vehicle in the manner specified by the director and endorse on any inspection order presented that the certificate of inspection has been issued and forward the inspection order to the department. Except as otherwise provided, the certificate shall be valid for the period commencing with the calendar month of issue and ending at midnight on the last day of the twelfth calendar month following the month of issue and shall not be valid thereafter. The certificate shall cease to be valid if the vehicle is sold at retail during the twelve-month period.

11. If an inspection discloses the necessity for repairs, the owner of the vehicle or person having custody thereof shall be so notified. Repairs and adjustments need not be made at the inspection station which has made the inspection and if the owner or person having custody of the vehicle elects not to have the repairs or adjustments made at that time a certificate of rejection shall be affixed to the vehicle. If an official certificate of inspection has been affixed to the vehicle which is valid on the date of rejection, the certificate of inspection shall no longer be valid even though the period for which it was issued has not expired and the inspection station shall remove the certificate. After correction of the stated defects, the inspection station which made the inspec-
tion shall reinspect the vehicle once without additional charge if requested so to do within thirty days after its issuance of the rejection certificate.

The owner or other person having custody of the vehicle shall have such repairs made or defects corrected as are required by the rejection certificate within thirty days from the date of the rejection certificate. A vehicle for which the repairs are not made or defects not corrected, shall not thereafter be operated on the streets or highways until a valid certificate of inspection has been obtained and affixed to the vehicle.

The owner or person having custody of the vehicle to which a certificate of rejection has been affixed, may appeal the rejection to the department. The appeal shall be in writing and shall be filed with the department within ten days of the rejection. The department shall hold a hearing on the appeal within ten days of receipt of the appeal and shall issue a decision affirming the rejection or disallowing the rejection, in whole or in part, within seven days of the hearing.

12. Every motor vehicle subject to registration under the laws of this state, except motor vehicles registered under section 321.115, and motorized bicycles, motor vehicles transferred under the provisions of sections 321.51 and 321.52 when first registered in this state, other than a registration to a dealer licensed under chapter 322, and each time when transferred for use within this state or when registration is transferred to a dealer licensed under chapter 322, shall be inspected at an authorized inspection station, unless there is affixed to the motor vehicle a valid certificate of inspection which was issued for the motor vehicle not more than sixty days prior to the date on which the vehicle was transferred and the vehicle has not been transferred during the sixty-day period, provided that during a one-year period the vehicle may be transferred between parents and their children without another inspection. A vehicle inspection is not required when the transfer of the vehicle or an interest in the vehicle is between spouses or when required pursuant to a decree for dissolution of marriage between former spouses. However, the certificate of inspection for a new motor vehicle which has not previously been sold at retail and which is not sold within sixty days after the date the inspection was performed may be revalidated by the inspection station without another inspection provided the motor vehicle has not been driven more than one hundred miles since the inspection was performed. If the motor vehicle is subject to inspection, the authorized inspection station shall issue and affix a valid certificate of inspection or certificate of rejection, as the case may be, in accordance with the results of the inspection. If an inspection is required, an applicant shall file with an application for title to the vehicle or for registration thereof under the provisions of sections 321.29, subsection 2 or 3, with the county treasurer of the county of his or her residence, a statement on a form provided by the director, signed by an authorized inspection station certifying the date that a certificate of inspection was issued for and affixed to the vehicle. If an inspection is required the county treasurer shall not issue a title to the vehicle to the applicant or register the vehicle unless such statement is filed with the application showing that the inspection of the vehicle was made not more than sixty days prior to the date of sale or transfer, or unless the vehicle was purchased out of this state by a resident of this state who resides outside of this state, but desires to maintain his or her Iowa residency and he or she executes a statement to that effect in form and content as prescribed by the director. The county treasurer shall stamp the registration card for such vehicle with the words "NOT INSPECTED." A vehicle so registered shall be inspected at an authorized inspection station within fifteen days after being brought into this state. The county treasurer shall mail the statement of inspection or statement of out-of-state residency to the department at the time of mailing copies of the registration receipt. The department may destroy any forms, certificates or statements after one year from the date they are filed unless they relate to pending appeals.

13. Any peace officer who makes an investigation of an accident may direct that any motor vehicle involved in the accident shall be inspected at an official inspection station within the time fixed by such peace officer but in all cases within a period no longer than fourteen days. If the vehicle is undergoing repairs or parts necessary to make repairs are on order, the motor vehicle need not be inspected until such repairs are completed; provided, however, the motor vehicle shall not be driven upon the highways until the repairs have been completed and the vehicle has passed inspection, except to move it to and from an inspection station. The peace officer shall include in the report required by section 321.266 the date by which the inspection must be performed.

14. The director may authorize the acceptance in this state of a certificate of inspection issued in another state having an inspection law substantially similar to the provisions of this chapter pertaining to vehicle inspection.

15. Judicial review of the actions of the commissioner may be sought in accordance with the terms of the Iowa administrative procedure Act.

16. The inspection of any vehicle and issuance of a certificate of inspection shall not be construed in any court as a warranty of the mechanical condition of the vehicle, and the failure to discover any defect in any vehicle in the course of an inspection under the provisions of this section shall not be the basis of an action for damages in any court.

17. It is a misdemeanor for any owner or operator of any vehicle required to be inspected to fail to comply with the provisions of this section.

18. If an inspection is required by this section a person shall not transfer any motor vehicle, other than transfers to a dealer licensed under chapter 322, unless there is a valid official certificate of inspection affixed to such vehicle at the time of transfer. Any person violating the provisions of this subsection shall be subject to a fine of one hundred dollars and shall be liable to the purchaser in damages for all costs involved in obtaining a valid certificate of inspection for such vehicle.
19. As used in this section, "sale" means the delivery of possession of a vehicle to a person who has purchased or contracted to purchase the vehicle. As used in this section "transfer" means sale or any manner by which the title to a vehicle is conveyed from one person or corporation to another or the delivery of possession of a vehicle with the intent to transfer ownership.

20. After an investigation and hearing conducted by a hearing officer designated by the director of transportation held in the county in which the inspection station is located, the director may, if the hearing officer finds that the inspection station is not properly equipped or it is not properly conducting inspections, issue a warning, suspend the vehicle inspection station's permit for a period not to exceed ninety days, or revoke the vehicle inspection station's permit and require the operator of the vehicle inspection station to surrender the permit issued to the operator.

21. Notice of the suspension or revocation shall be by certified mail, return receipt requested, addressed to the operator of the vehicle inspection station for which the permit was issued. The suspension or revocation shall become effective ten days from the date of the mailing of the notice unless the permit holder files a written request for a review hearing of the suspension or revocation order. The review hearing shall be de novo and shall be conducted at the seat of government by a review board composed of the following persons:

   a. A senior officer of the Iowa highway safety patrol designated by the commissioner of public safety.
   b. The state car dispatcher or his designee.
   c. An employee of the state department of transportation experienced in automotive mechanics designated by the director.

Notwithstanding any other rule or statute to the contrary, the deposition of any witness taken in manner prescribed by the rules of civil procedure, shall be admissible at any hearing conducted by the review board in lieu of the witness appearing in person. Costs of depositions shall be paid from funds appropriated to the department.

After the hearing, the review board may sustain, modify, or reverse the director's order of suspension or revocation. A suspension or revocation sustained or modified by the review board shall take effect ten days from the date of the decision. Judicial review of actions of the review board may be sought in accordance with the terms of the Iowa administrative procedure Act.

The review board shall have the power to issue subpoenas to compel the attendance of witnesses and the production of documents, papers, books, records and other evidence before it in any hearing conducted by it under this section.

If any person shall refuse to obey any such subpoena, or to give testimony, or to produce evidence as required thereby, any judge of the district court of the state in and for Polk county may, upon application and proof of such refusal, make an order awarding process of subpoena, or subpoena duces tecum, out of the said court, for the witness to appear before the review board and to give testimony, and to produce evidence as required thereby. Upon filing such order in the office of the clerk of said court, the clerk shall issue process of subpoena, as directed, under the seal of said court, requiring the person to whom it is directed to appear at the time and place therein designated.

Witnesses shall receive three dollars for each day's attendance and ten cents per mile for each mile actually traveled. Witnesses shall be compensated from funds appropriated to the department. The treasurer of state may make rules setting forth the procedure for such reimbursement.

22. In any proceedings to suspend or revoke a vehicle inspection station's permit, there shall be a presumption that the inspection of a motor vehicle was properly conducted unless a written notice specifying the complaint is given to the operator or an employee of the vehicle inspection station which inspected the vehicle within fifteen calendar days after the date of the inspection or before the vehicle has been driven five hundred miles after the inspection, whichever occurs first, or if the vehicle inspection station sold the motor vehicle, within fifteen calendar days after the date of the sale or before the vehicle has been driven five hundred miles after the sale, whichever occurs first. The written notice may be informal. This presumption may be overcome only by clear and convincing evidence.

23. No person shall knowingly deliver possession of a motor vehicle, trailer or semitrailer to a person who has purchased or contracted to purchase at retail such motor vehicle, trailer, or semitrailer which does not contain those parts or is not equipped with such lamps and brakes and other equipment in proper condition and adjustment as required by this chapter or which is equipped in any manner in violation of the chapter, except when such sale is made in accordance with the provisions of section 321.51.

24. No person shall knowingly permit a prospective purchaser to test drive a motor vehicle on the highways of this state unless the vehicle is mechanically safe for the purposes and conditions of the test drive.

25. As used in this section:
   a. "Authorized officer" means an officer of the Iowa highway safety patrol designated by the commissioner of public safety to make a spot vehicle inspection or a state employee of the transportation regulation and safety division, or its successor, of the state department of transportation designated by the commissioner to make a spot vehicle inspection.
   b. "Spot vehicle inspection" means an equipment safety inspection of a vehicle conducted by an authorized officer to determine if the vehicle should be inspected at an inspection station and shall not include inspection of the "glove compartment" or "trunk" or any other area that is not essential to the performance of an equipment safety inspection.
   c. "Inspection order" means the form established by the department to be given to the operator of a vehicle by an authorized officer following a spot vehicle inspection when the vehicle requires further inspection at an inspection station.

26. An authorized officer may stop and inspect a vehicle being operated on the highways for a spot vehicle inspection when the authorized officer observes
that the vehicle is being operated in a peculiar, erratic, or unsafe manner that would give the authorized officer reason to believe that a mechanical defect exists in the vehicle that would create a hazard to the safety of other persons. An authorized officer may also stop a vehicle and conduct a spot vehicle inspection if upon visual inspection of the vehicle, the authorized officer determines that the head lamps, rear lamps or any other equipment required by this chapter is not in adequate condition or proper adjustment and would create a hazard to the safety of other persons. The authorized officer shall indicate on any inspection order the reasons for which the vehicle is stopped in addition to any safety equipment deficiencies found to exist during the spot vehicle inspection. If after performing the spot vehicle inspection, the authorized officer determines to the best of his or her ability that operation of the vehicle does in fact create a hazard to the safety of other persons, the authorized officer may issue an inspection order to the operator and forward two copies to the department. The inspection order shall direct that the vehicle be inspected at an inspection station within fourteen days. If the authorized officer determines that the operator of the vehicle is not the owner or custodian of the vehicle, this fact shall be indicated on the inspection order. The department, upon receipt of an inspection order with an indication the operator is not the owner or custodian, shall forward one copy by certified mail to the owner or custodian with return receipt requested by a date certain as fixed by the department pursuant to rules and the fourteen-day period to obtain a vehicle inspection shall begin on the date of return receipt or return of the notice. If the vehicle is not inspected within the fourteen-day period it shall be deemed that the vehicle has not passed the inspection and the provisions of subsection 11 apply. Nothing in this subsection shall be construed to limit the applicability of sections 321.381 and 321.492. [C58, 62, 66, 71, §322.25; C73, §321.238, 322.25; C75, 77, §321.238; 67GA, ch 60, §16, 17, ch 1113, §25, 29]

321.239 Counties may restrict parking of vehicles. The county board of supervisors may adopt, amend, or repeal traffic ordinances to regulate or prohibit the standing or parking of vehicles within the right of way of any highway under its jurisdiction.

Any person violating a traffic ordinance adopted under this section shall be guilty of a misdemeanor and shall, upon conviction, be fined not to exceed twenty-five dollars, or be imprisoned not to exceed seven days in the county jail. The form and style of the information shall be in the name of the county and as against the person in violation of the traffic ordinance. [C73, 75, 77, §321.239]

321.240 to 321.246 Repealed by 64GA, ch 183, §7.

321.248 Parks and cemeteries. Local authorities may by general rule, ordinance, or regulation exclude vehicles from any cemetery or ground used for the burial of the dead, or exclude vehicles used solely or principally for commercial purposes, from any park or part of a park system where such general rule, ordinance, or regulation is applicable equally and generally to all other vehicles used for the same purpose, if, at the entrance, or at each entrance if there be more than one, to such cemetery or park from which vehicles are so excluded, there shall have been posted a sign plainly legible from the middle of the public highway on which such cemetery or park opens, plainly indicating such exclusion and prohibition. [S13, §1571-m20; C24, 27, 31, 35, §4994; C39, §5018.13; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.248]

321.249 School zones. Cities and counties shall have the power to establish school zones and provide for the stopping of all motor vehicles approaching said zones, when movable stop signs have been placed in the streets in such cities and highways in counties at the limits of the zones, this notwithstanding the provisions of any statute to the contrary. All traffic-control devices provided for school zones shall conform to specifications included in the manual of traffic-control devices adopted by the department. [C31, 35, §4997-d1; C39, §5018.14; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.249]

321.250 Discriminations. When the local authorities of other states shall, by the adoption of rules and regulations or otherwise, prohibit motor vehicles registered under the laws of this state from operating upon highways in any subdivision of such other state, the local authorities of this state may, by ordinance or otherwise, require the motor vehicles of the subdivisions of such other state while operating by their own power in this state to be registered under the laws of this state. [C24, 27, 31, 35, §4998; C39, §5018.15; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.250]

321.251 Rights of owners of real property. Amendment by 67GA, ch 1113, effective January 1, 1979

§321.257 Official traffic control signal.

1. For the purposes of this section “stop at the official traffic control signal” means stopping at the first opportunity at either the clearly marked stop line or before entering the crosswalk or before entering the intersection.

2. Official traffic control signals consisting of colored lights or colored lighted arrows shall regulate vehicle and pedestrian traffic in the following manner:

a. A “steady circular red” light means vehicular traffic shall stop. Vehicular traffic shall remain standing until a signal to proceed is shown or vehicular traffic, unless prohibited by a sign, may cautiously enter the intersection to make a right turn from the right lane of traffic or a left turn from a one-way street to a one-way street from the left lane of traffic on a one-way street onto the left most lane of traffic on a one-way street. Turns made under this paragraph shall be made in a manner that does not interfere with other vehicular or pedestrian traffic lawfully using the intersection. Pedestrian traffic facing a steady circular red light shall not enter the roadway unless the pedestrian can safely cross the roadway without interfering with any vehicular traffic.

b. A “steady circular yellow” or “steady yellow arrow” light means vehicular traffic is warned that the related green movement is being terminated and vehicular traffic shall no longer proceed into the intersection and shall stop. If the stop cannot be made in safety, a vehicle may be driven cautiously through the intersection. Pedestrian traffic is warned that there is insufficient time to cross the intersection and any pedestrian starting to cross the roadway shall yield the right of way to all vehicles.

c. A “steady circular green” light means vehicular traffic may proceed straight, turn right or turn left through the intersection unless otherwise specifically prohibited. Vehicular traffic shall yield the right of way to other vehicular and pedestrian traffic lawfully within the intersection.

d. A “steady green arrow” light shown alone or with another official traffic control signal means vehicular traffic may cautiously enter the intersection and proceed in the direction indicated by the arrow. Vehicular traffic shall yield the right of way to other vehicles and pedestrians lawfully within the intersection.

e. A “flashing circular red” light means vehicular traffic shall stop and after stopping may proceed cautiously through the intersection yielding to all vehicles not required to stop or yield which are within the intersection or approaching so closely as to constitute a hazard, but then may proceed.

f. A “flashing yellow” light means vehicular traffic shall proceed through the intersection or pass such signal with caution.

g. A “don’t walk” light is a pedestrian signal which means that pedestrian traffic facing the illuminated pedestrian signal shall not start to cross the roadway in the direction of the pedestrian signal, and pedestrian traffic in the crossing shall proceed to a safety zone.

h. A “walk” light is a pedestrian signal which means that pedestrian traffic facing the illuminated pedestrian signal may proceed to cross the roadway in the direction of the pedestrian signal and shall be given the right of way by drivers of all vehicles. [C39, §§5019.06, 5019.07; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.257, 321.258; 67GA, ch 1113, §31]
321.258 Arrangement of lights on official traffic control signals.

2. Colored lights placed on a horizontal official traffic control signal face shall be arranged from the left to the right in the following order when used: Circular red, circular yellow, left turn yellow arrow, left turn green arrow, circular green, straight through yellow arrow, straight through green arrow, right turn yellow arrow, and right turn green arrow.

A copy of the order shall be forwarded to the department.

3. Referred on conviction. After any conviction for operating a motor vehicle while under the influence of an alcoholic beverage under section 321.281, the court may refer the defendant for treatment at a facility as defined in sections 125.1 to 125.43 and designated by the division on alcoholism. The court may prescribe the length of time for treatment or it may be left to the discretion of the facility to which the defendant was referred. A person referred under this section shall be considered a state patient, and charges and costs for treatment shall be paid for in the manner provided for payment for treatment of alcoholics who have no legal residence in this state.

4. License revoked. When the court orders a person to enroll, attend and successfully complete a course for drinking drivers, the court shall also order that the revocation of the person’s driver’s license shall be for an indefinite period and until the required course is successfully completed and proof of completion has been filed with the department and
the provisions of chapter 321A have been complied with.

5. **Training course not available.** No person shall have his drivers license revoked indefinitely under this division for failure to enroll in a course where the required course is not taught within a radius of one hundred miles from his usual residence.

6. **Temporary permit.** Any person required to attend a course by the provisions of this division, who is subject to a drivers license suspension or revocation, may be issued a temporary driving permit by the department restricted to driving to and from his home, place of employment, in his employment and the location of the required course. Any person who does not receive a temporary driving permit may after the period of license suspension or revocation under section 321.281 have his drivers license reissued subject to suspension for failure to comply with the provisions of this division. This section shall not permit the issuance of a temporary driving permit or reissue of a drivers license where the provisions of chapter 321A have not been complied with.

Successful completion of a course required by this division shall not reverse a drivers license suspension or revocation or reduce the length of a suspension or revocation under section 321.281; however, the director may reduce the length of a suspension or revocation contingent upon successful completion of a course for drinking drivers.

7. **Course offered at area schools.** The course provided in this division shall be offered on a regular basis at each area school as defined in section 280A.2.

Enrollment in the courses shall not be limited to persons ordered to enroll, attend and successfully complete the course under the provisions of subsection 2, and any person convicted of operating a motor vehicle while under the influence of an alcoholic beverage who was not ordered to enroll, shall be allowed to enroll and attend a course for drinking drivers.

The course required by this division shall be taught by the area schools under the department of public instruction and approved by the department.

The department of public instruction shall establish reasonable fees to defray the expense of obtaining classroom space, instructor salaries, and class materials. No person shall be denied enrollment in a course by reason of his indigency.

8. **No discharge from employment.** No employer shall discharge a person from his employment solely for the reason of work absence to attend a course required by this division. Any employer who violates this section shall be liable for triple damages occasioned by the unlawful discharge from employment.

9. **Course available within one year.** The course required by this division shall, within the limit of available funds and instructors, be open for enrollment not later than one year after July 1, 1972.

10. **Hearing after revocation.** Upon written request the department shall afford a person having his drivers license revoked indefinitely under the provisions of this division an opportunity for a hearing before the director, within twenty days after receipt of the request and in the county where the licensee resides unless another county is mutually agreed upon. Following the hearing the revocation may be rescinded if the director determines the revocation is not authorized by this division.

11. **List of places and dates where course available.** The department of public instruction shall prepare a list of the locations of the courses taught under this division, the dates and times taught, the procedure for enrollment, and the schedule of course fees. The list shall be kept current and a copy of the list shall be sent to each court having jurisdiction over offenses provided in chapter 321.

12. **Data preserved.** The department of public instruction shall maintain enrollment, attendance, successful and nonsuccessful completion data on the persons ordered to enroll, attend and successfully complete a course for drinking drivers. This data shall be regularly forwarded to the department.

13. **Fee for temporary permit.** The fee for a temporary driving permit under subsection 6 shall be three dollars. The temporary driving permit must be in the permittee's immediate possession while operating a motor vehicle and shall be invalid when the permittee is issued a drivers license. The temporary driving permit shall be canceled upon conviction for a moving traffic violation.

14. **Penalty.** Any person violating a restriction or a temporary driving permit issued under subsection 6 shall be guilty of a simple misdemeanor. [C73, §§321B.15–321B.28; C75, 77, §§321.283; 66GA, ch 1245(4), §287]

### MOTOR VEHICLES AND LAW OF ROAD, §321.285

#### SPEED RESTRICTIONS

**321.285 Speed restrictions.** Any person driving a motor vehicle on a highway shall drive the same at a careful and prudent speed not greater than nor less than is reasonable and proper, having due regard to the traffic, surface and width of the highway and of any other conditions then existing, and no person shall drive any vehicle upon a highway at a speed greater than will permit him to bring it to a stop within the assured clear distance ahead, such driver having the right to assume, however, that all persons using said highway will observe the law.

The following shall be the lawful speed except as hereinbefore or hereinafter modified, and any speed in excess thereof shall be unlawful:

1. Twenty miles per hour in any business district.
2. Twenty-five miles per hour in any residence or school district.
3. Forty miles per hour for any motor vehicle drawing another vehicle, except as hereinafter specified.
4. Forty-five miles per hour in any suburban district. Each school district as defined in subsection 59 of section 321.1 shall be marked by distinctive signs as provided by the current manual of uniform traffic control devices adopted by the department and placed on the highway at the limits of such school district.
5. Fifty-five miles per hour from sunset to sunrise and fifty-five miles per hour from sunrise to sunset.
6. Fifty-five miles per hour for any motor vehicle drawing a one- or two-wheel trailer or a tandem wheel trailer not more than thirty-two feet in length.
including towing arm and not more than eight feet in width.

7. Reasonable and proper, but not greater than fifty-five miles per hour at any time between sunrise and sunset, and not greater than fifty miles per hour at any time between sunset and sunrise, on secondary roads unless such roads are surfaced with concrete or asphalt or a combination of both, in which case the speed limits shall be the same as provided in subsection 6 of this section. Whenever the board of supervisors of any county shall determine upon the basis of an engineering and traffic investigation conducted by the department when so requested by said board that the speed limit on any secondary road is greater than is reasonable and proper under the conditions found to exist at any intersection or other place or upon any part of a secondary road, said board shall determine and declare a reasonable and proper speed limit thereat. Such speed limits as determined by the board of supervisors shall be effective when appropriate signs giving notice thereof are erected by the board of supervisors at such intersection or other place or part of the highway.

8. Notwithstanding any other speed restrictions, the speed limits for all vehicular traffic, except vehicles subject to the provisions of section 321.286 on fully controlled-access, divided, multilaned highways including the national system of interstate highways designated by the federal highway administration and this state [23 U.S.C. 103 (d)] shall be fifty-five miles per hour. However, the department or the cities, with the approval of the department, may establish a lower speed limit upon such highways located within the corporate limits of any city used as city alternate routes, commonly referred to as “freeways.” For the purposes of this subsection a fully controlled-access highway is a highway that gives preference to through traffic by providing access connections with selected public roads only and by prohibiting crossings at grade or direct private driveway connections. It is further provided that a minimum speed of forty miles per hour, road conditions permitting, shall be established on the highways referred to in this subsection.

It is further provided that any kind of vehicle, implement, or conveyance incapable of attaining and maintaining a speed of forty miles per hour shall be prohibited from using the interstate system. [S13, §§1571-m19, -m20; C24, 27, 31, 35, §§5029; C39, §§5023.01; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §§321.285]

§321.285, MOTOR VEHICLES AND LAW OF ROAD

321.286 Truck speed limits. It shall be unlawful for the driver of a freight-carrying vehicle, with a gross weight of over five thousand pounds, to drive the same at a speed exceeding the following:

1. Fifty-five miles per hour on all fully controlled-access, divided, multilaned highways including interstate highways.
2. Fifty-five miles per hour on all primary roads.
3. Fifty miles per hour on all secondary roads.

For the purposes of this section, interstate highways are those designated by the federal bureau of public roads* and this state, and primary and secondary roads shall be those designated by the federal bureau of public roads* and this state. [S13, §§1571-m19, -m20; C24, 27, 31, 35, §§5029; C39, §§5023.02; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §§321.286]

321.287 Bus speed limits. No passenger-carrying motor vehicle used as a common carrier, except school buses, shall be driven upon the highways at a greater rate of speed than fifty-five miles per hour at any time. No school bus shall be operated in violation of section 321.377. [C24, §§5104; C27, 31, 35, §§5105-a34; C39, §§5023.03; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §§321.287]

Referred to in §§321.281, 321.292

321.288 Control of vehicle. A person operating a motor vehicle shall have the same under control at all times and shall reduce the speed to a reasonable and proper rate:

1. When approaching and passing a person walking in the traveled portion of the public highway.
2. When approaching and passing an animal which is being led, ridden, or driven upon a public highway.
3. When approaching and traversing a crossing or intersection of public highways, or a bridge, or a sharp turn, or a curve, or a steep descent, in a public highway.
4. When approaching and passing a fusee, flares, red reflector electric lanterns, red reflectors or red flags displayed in accordance with section 321.448, or an emergency vehicle displaying a revolving or flashing light.
5. When approaching and passing a slow moving vehicle displaying a reflective device as provided by section 321.383. [S13, §§1571-m18; C24, 27, 31, 35, §§5031; C39, §§5023.04; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §§321.288]

Referred to in §805.8

321.289 Speed signs—duty to install. The department shall furnish and place on primary roads or on extensions of primary roads within any city suitable standard signs showing the points at which the rate of speed changes and the maximum rate of speed in the district which the vehicle is entering. On all other main highways the city shall furnish and erect suitable signs giving similar information to traffic on such highways. [S13, §§1571-m20; C24, §§5030; C27, 31, 35, §§5030-b2; C39, §§5023.05; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §§321.289]

321.290 Special restrictions. Whenever the department shall determine upon the basis of an engineering and traffic investigation that any speed limit hereinbefore set forth is greater or less than is reasonable or safe under the conditions found to exist at any intersection or other place or upon any part of the primary road system or upon any part of a primary road extension, said department shall determine and declare a reasonable and safe speed limit thereat which shall be effective when appropriate signs giving notice thereof are erected at such intersection or other place or part of the highway.
Whenever the council in any city shall determine upon the basis of an engineering and traffic investigation that any speed limit hereinbefore set forth is greater or less than is reasonable or safe under the conditions found to exist at any intersection or other place or upon any part of the city street system, except primary road extensions, said council shall determine and adopt by ordinance such higher or lower speed limit as it deems reasonable and safe thereat. Such speed limit shall be effective when proper and appropriate signs giving notice thereof are erected at such intersections or other place or part of the street. [C39, §5023.06; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.290]

321.291 Information or notice. In every charge of violation of sections 321.285 to 321.287 the information, also the notice to appear, shall specify the speed at which the defendant is alleged to have driven, also the speed limit applicable within the district or at the location. [C39, §5023.07; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.291]

321.292 Civil action unaffected. The foregoing provisions of sections 321.285 to 321.287 shall not be construed to relieve the plaintiff in any civil action from the burden of proving negligence upon the part of the defendant as the proximate cause of an accident. [C39, §5023.08; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.292]

321.293 Local authorities may alter limits. Local authorities in their respective jurisdiction may in their discretion subject to the approval of the department authorize by ordinance higher speeds than those stated in section 321.285 upon through highways or upon highways or portions thereof where stop or yield signs have been erected at the entrances thereto provided signs are erected giving notice of the authorized speed, but local authorities shall not have authority to authorize by ordinance a speed in excess of fifty-five miles per hour. If local authorities fail to authorize by ordinance higher speeds than those stated in section 321.285 upon through highways or upon highways or portions thereof where stop signs have been erected at the entrances thereto, the department may recommend, upon the basis of an engineering and traffic investigation, to the local authorities that the speed limit be increased. If local authorities fail to increase the speed limit upon said recommendation of the department, said department shall declare a reasonable and safe speed limit which shall be effective when appropriate signs are erected giving notice thereof. [C39, §5023.09; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.293]

321.294 Minimum speed regulation. No person shall drive a motor vehicle at such a slow speed as to impede or block the normal and reasonable movement of traffic except when reduced speed is necessary for safe operation or in compliance with law. Peace officers are hereby authorized to enforce this provision by directions to drivers, and in the event of apparent willful disobedience to this provision and refusal to comply with direction of an officer in accordance herewith the continued slow operation by a driver shall be a misdemeanor, and be punished as provided in section 321.482. [C31, §5023.10; C39, §5023.11; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.294]

321.295 Limitation on bridge or elevated structures. No person shall drive a vehicle on any public bridge or elevated structure at a speed which is greater than the maximum speed permitted under this chapter on the street or highway in which said bridge or highway joins said bridge or elevated structure, provided that if the maximum speed permitted on said street or highway joining said bridge or elevated structure differs from the maximum speed on any other street or highway joining said bridge or elevated structure, then the lowest of said speeds shall be the maximum speed limit on said bridge or elevated structure, subject to the following:

The department upon request from any local authority shall, or upon its own initiative may, conduct an investigation of any bridge or other elevated structure constituting a part of a highway, and if it shall thereupon find that such structure cannot with safety to itself withstand vehicles traveling at the speed otherwise permissible under this chapter, the department shall determine and declare the maximum speed of vehicles which such structure can withstand, and shall cause or permit suitable signs stating such maximum speed to be erected and maintained at a distance of two hundred feet before each end of such structure.

No person shall drive a vehicle over any bridge or other elevated structure constituting a part of a highway at a speed which is greater than the maximum speed which can be maintained with safety to such bridge or structure, when such structure is signposted as provided in this section.

Upon the trial of any person charged with driving a vehicle at a speed which is greater than the maximum speed which can be maintained with safety to such bridge or structure, proof of such determination of the maximum speed by said department and the existence of said signs shall constitute conclusive evidence of the maximum speed which can be maintained with safety to such bridge or structure. DRIVING ON RIGHT SIDE OF ROADWAY—OVERTAKING AND PASSING

321.297 Driving on right-hand side of roadway—exceptions.

1. A vehicle shall be driven upon the right half of the roadway upon all roadways of sufficient width, except as follows:

a. When overtaking and passing another vehicle proceeding in the same direction under the rules governing such movement.

b. When an obstruction exists making it necessary to drive to the left of the center of the roadway, provided, any person so doing shall yield the right of way to all vehicles traveling in the proper direction upon the unobstructed portion of the roadway within such distance as to constitute an immediate hazard.
Upon a roadway divided into three marked lanes for traffic under the rules applicable thereon.

Any vehicle proceeding at less than the normal speed of traffic at the time and place and under the conditions then existing shall be driven in the right-hand lane then available for traffic upon all roadways, or as close as practicable to the right-hand curb or edge of the roadway, except when overtaking and passing another vehicle proceeding in the same direction or when preparing for a left turn at an intersection, an alley, private road or driveway.

A vehicle shall not be driven upon any roadway having four or more lanes for moving traffic and providing for two-way movement of traffic, to the left of the center line of the roadway, except when authorized by official traffic-control devices designating certain lanes to the left side of the center of the roadway for use by traffic not otherwise permitted to use such lanes, or except as permitted under subsection 1, paragraph "b." This subsection shall not be construed as prohibiting the crossing of the center line in making a left turn into or from an alley, private road, or driveway.

The following rules shall govern the overtaking and passing of vehicles proceeding in the same direction, subject to those limitations, exceptions, and special rules hereinafter stated:

The driver of a vehicle overtaking another vehicle proceeding in the same direction shall pass to the left side of the roadway until safely clear of the overtaken vehicle.

Except when overtaking and passing on the right is permitted, the driver of an overtaken vehicle shall give way to the right in favor of the overtaking vehicle on audible signal and shall not increase the speed of his vehicle until completely passed by the overtaking vehicle.

The driver of a vehicle that is overtaken by a faster moving vehicle who fails to heed the signal of the overtaking vehicle when it is given under such circumstances that he could, by the exercise of ordinary care and observation and precaution, hear such signal and who fails to yield that part of the traveled way as herein provided, shall be guilty of a misdemeanor punishable as provided in section 321.482.

The driver of a vehicle which is overtaking by a faster moving vehicle who fails to heed the signal of the overtaking vehicle when it is given under such circumstances that he could, by the exercise of ordinary care and observation and precaution, hear such signal and who fails to yield that part of the traveled way as herein provided, shall be guilty of a misdemeanor punishable as provided in section 321.482.

Any driver of a vehicle overtaking another vehicle or at any other time, be driven to the left side of the roadway in overtaking and passing another vehicle proceeding in the same direction unless such left lane is clearly visible and is free of oncoming traffic for a sufficient distance ahead to permit such overtaking and passing to be completely made without interfering with the safe operation of any vehicle approaching from the opposite direction or any vehicle overtaken. In every event the overtaking vehicle must return to the right-hand side of the roadway before coming within one hundred feet of any vehicle approaching from the opposite direction.

No vehicle shall be driven to the left side of the center of the roadway in overtaking and passing another vehicle proceeding in the same direction unless such left side is clearly visible and is free of oncoming traffic for a sufficient distance ahead to permit such overtaking and passing to be completely made without interfering with the safe operation of any vehicle approaching from the opposite direction or any vehicle overtaken. In every event the overtaking vehicle must return to the right-hand side of the roadway before coming within one hundred feet of any vehicle approaching from the opposite direction.

No vehicle shall be driven to the left side of the center of the roadway in overtaking and passing another vehicle proceeding in the same direction unless such left side is clearly visible and is free of oncoming traffic for a sufficient distance ahead to permit such overtaking and passing to be completely made without interfering with the safe operation of any vehicle approaching from the opposite direction or any vehicle overtaken. In every event the overtaking vehicle must return to the right-hand side of the roadway before coming within one hundred feet of any vehicle approaching from the opposite direction.

No vehicle shall, in overtaking and passing another vehicle or at any other time, be driven to the left side of the roadway under the following conditions:

1. When approaching the crest of a grade or upon a curve in the highway where the driver's view along the highway is obstructed for a distance of approximately seven hundred feet.

2. When approaching within one hundred feet of any narrow bridge, viaduct, or tunnel, when so signposted, or when approaching within one hundred feet of or traversing any intersection or railroad grade crossing.

3. Where official signs are in place directing that traffic keep to the right or a distinctive center line or off-center line is marked, which distinctive line also directs traffic as declared in the sign manual adopted by the department of transportation.

One-way roadways and rotary traffic islands. Upon a roadway designated and signedposted for one-way traffic a vehicle shall be driven only in the direction designated.
A vehicle passing around a rotary traffic island shall be driven only to the right of such island. [C39, §5024.09; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.305]

321.306 Roadways laned for traffic. Whenever any roadway has been divided into three or more clearly marked lanes for traffic the following rules in addition to all others consistent herewith shall apply:

A vehicle shall be driven as nearly as practical entirely within a single lane and shall not be moved from such lane until the driver has first ascertained that such movement can be made with safety.

Upon a roadway which is divided into three lanes a vehicle shall not be driven in the center lane except when overtaking and passing another vehicle where the roadway is clearly visible and such center lane is clear of traffic within a safe distance, or in preparation for a left turn or where such center lane is at the time allocated exclusively to traffic moving in the direction the vehicle is proceeding and is signposted to give notice of such allocation.

Official signs may be erected directing slow-moving traffic to use a designated lane or allocating specified lanes to traffic moving in the same direction and drivers of vehicles shall obey the directions of every such sign.

Vehicles moving in a lane designated for slow-moving traffic shall yield the right of way to vehicles moving in the same direction in a lane not so designated when such lanes merge to form a single lane.

A portion of a highway provided with a lane for slow-moving vehicles does not become a roadway marked for three lanes of traffic. [C39, §5024.10; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.306]

Referred to in §805 8

321.307 Following too closely. The driver of a motor vehicle shall not follow another vehicle more closely than is reasonable and prudent, having due regard for the speed of such vehicles and the traffic upon and the condition of the highway. [C39, §5024.11; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.307]

321.308 Motor trucks and towed vehicles—distance requirements. The driver of any motor truck, or of a motor vehicle drawing another vehicle, when traveling upon a roadway, outside of a business or residence district shall not follow within three hundred feet of another motor truck, or of a motor vehicle drawing another vehicle. The provisions of this section shall not be construed to prevent overtaking and passing nor shall the same apply upon any lane specially designated for use by motor trucks. [C51, 35, §5067-d9; C39, §5024.12; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.308]

321.309 Towing—convoys—drawbars. No person shall pull or tow by motor vehicle, for hire, another motor vehicle over any highway outside the limits of any incorporated city, except in case of temporary movement of a disabled motor vehicle to the place where repairs will be made, unless such person has complied with the provisions of sections 321.57 and 321.58. Provided, however, if such person is a nonresi-

dent of the state of Iowa and has complied with the laws of the state of his residence governing licensing and registration as a transporter of motor vehicles he shall not be required to pay the fee provided in section 321.58 but only to submit proof of his status as a bona fide manufacturer or transporter as may reasonably be required by the department.

Every person pulling or towing by motor vehicle another motor vehicle in convoy or caravan shall maintain a distance of at least five hundred feet between the units of said convoy or caravan.

The drawbar or towing arm between a motor vehicle pulling or towing another motor vehicle shall be of a type approved by the commissioner, except in case of the temporary movement of a disabled vehicle in an emergency situation. [C31, 35, §5067-d9; C39, §5024.13; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.309]

No motor vehicle shall tow any four-wheeled trailer with a steering axle, or more than one trailer or semitrailer, or both in combination, with the exception that this section shall not apply to any motor truck, truck tractor or road tractor registered at a combined gross weight of ten tons or more nor to a farm tractor towing a four-wheeled trailer, or to any farm tractor or motor vehicle towing implements of husbandry, or a wagon box trailer used by a farmer in transporting produce, farm products or supplies hauled to and from market.

Any four-wheeled trailer towed by a truck tractor or road tractor shall be registered under the semitrailer provisions of section 321.122, provided, however, that the provisions of this section shall not be applicable to motor vehicles drawing wagon box trailers used by a farmer in transporting produce, farm products or supplies hauled to and from market. TURHNG AND STARTING AND SIGNALS ON STOPPING AND TURNING

321.311 Turning at intersections. The driver of a vehicle intending to turn at an intersection shall do so as follows:

Both the approach for a right turn and right turn shall be made as close as practical to the right-hand curb or edge of the roadway.

Approach for a left turn shall be made in that portion of the right half of the roadway nearest the center line thereof and after entering the intersection the left turn shall be made so as to depart from the intersection to the right of the center line of the roadway being entered.

Approach for a left turn from a two-way street into a one-way street shall be made in that portion of the right half of the roadway nearest the center line thereof and by passing to the right of such center line where it enters the intersection. A left turn from a one-way street into two-way street shall be made by passing to the right of the center line of the street being entered upon leaving the intersection.
Local authorities in their respective jurisdictions may cause markers, buttons, or signs to be placed within or adjacent to intersections and thereby require and direct that a different course from that specified in this section be traveled by vehicles turning at an intersection, and when markers, buttons, or signs are so placed no driver of a vehicle shall turn a vehicle at an intersection other than as directed and required by such markers, buttons, or signs. [S13,$1571-m18; C24, 27, 31, 35,$5093; C39,$5025.01; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,$321.311] Referred to in §805.8

Been regrooved or recut below the original tread design depth, excepting special tires which have extra under tread rubber and are identified as such, or if a pneumatic tire was originally designed without grooves or tread, the safety standards there­for shall be established by the director. [C31, 35, §§5065-c1; C39, §5034.49; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.440]
Referred to in §805.8

321.441 Metal tires prohibited. No person shall operate or move on a paved highway any motor vehi­cle, trailer, or semitrailer having any metal tire or metal track in contact with the roadway. [C24, 27, 31, 35, §§4915, 4919; C39, §5034.50; C46, 50, 54, 58, 62, 66, 71, 73, 75, §321.441]
Referred to in §805.8

321.442 Projections on wheels. No tire on a vehi­cle moved on a highway shall have on its periphery any block, stud, flange, cleat, or spike or any other protuberances of any material other than rubber which projects beyond the tread of the traction sur-
face of the tire except that it shall be permissible to use:
1. Farm machinery with tires having protuberances which will not injure the highway.
2. Tire chains of reasonable proportions upon any vehicle when required for safety because of snow, ice, or other conditions tending to cause the vehicle to skid.
3. Pneumatic tires with inserted ice grips or tire studs projecting not more than one-sixteenth inch beyond the tread of the traction surface of the tire upon any vehicle from November 1 of each year to April 1 of the following year, except that a school bus and fire department emergency apparatus may use such tires at any time.

321.443 Exceptions. The department and local authorities in their respective jurisdictions shall review any application for a special permit and may, with good cause being shown, issue special permits authorizing the operation upon a highway of traction engines or tractors having movable tracks with transverse corrugations upon the periphery of such movable tracks or farm tractors or other farm machinery, the operation of which upon a highway would otherwise be prohibited under this chapter.

321.444 Safety glass.
1. No person shall sell any new motor vehicle nor shall any motor vehicle, manufactured since July 1, 1935, be registered, or operated unless such vehicle is equipped with safety glass wherever glass is used in doors, windows, and windshields. Replacements of glass in doors, windows, or windshields shall be of safety glass.
2. The term "safety glass" shall mean any product composed of glass, so manufactured, fabricated, or treated as substantially to prevent shattering and flying of the glass when struck or broken or such other or similar product as may be approved by the director.
3. The director shall compile and publish a list of types of glass by name approved by him as meeting the requirements of subsection 2 and the director shall not register any motor vehicle which is subject to the provisions of subsection 2 unless it is equipped with an approved type of safety glass, and he shall suspend the registration of any motor vehicle so subject to said section which he finds is not so equipped until it is made to conform to the requirements of said section.

321.445 Safety belts. Every new or used car, pick-up or school bus, 1966 model or newer, sold, offered for sale, or subject to registration in Iowa except commercial vehicles registered with the department, shall be equipped with at least two sets of safety belts or safety harnesses installed for use in the front seat of such vehicle; however, when a pickup or school bus has only an operator's seat, such vehicle need be equipped with only one safety belt or safety harness installed for use by the operator thereof. The safety belts or safety harnesses required shall not be removed unless replaced with approved safety belts or safety harnesses as long as the vehicle is subject to registration.

All safety belts and safety harnesses installed for use in any motor vehicle where such safety equipment is required shall be of a size to accommodate an adult person and shall be designed and installed for use in a manner to prevent or substantially reduce the movement of the person using the safety equipment in the event of a collision or accident.

All safety belts and safety harnesses installed for use in any motor vehicle as required under this section shall be of any approved type and shall be installed in a manner approved by the director.

The fact of use, or nonuse, of seat belts by a person shall not be admissible or material as evidence in civil actions brought for damages.

Failure to use seat belts installed in a motor vehicle shall not be a crime or a public offense.

321.446 Reserved.

321.447 Trucks to carry flares and reflective devices. A person shall not operate any motor truck or truck tractor, except a motor vehicle with a combined gross weight of four tons or less upon a highway outside of a business or residence district at any time from a half hour after sunset to a half hour before sunrise unless there shall be carried in such vehicle a sufficient number, not less than three, of flares, red reflector electric lanterns, red reflectors, reflective triangles or other signals capable of continuously producing three warning lights each visible from a distance of at least five hundred feet for a period of at least eight hours, except that a motor vehicle transporting flammables shall carry red reflectors, red reflector electric lanterns or reflective triangles in place of the other signals above mentioned, and during daylight hours every truck, except a motor vehicle with a combined gross weight of four tons or less, shall carry a sufficient number of red flags, not less than three, unless equipped with three reflective triangles.

Every such flare, lantern, signal or reflector shall be of a type approved by the director of transportation and he shall publish lists of those devices which he has approved as adequate for the purposes of this section and reflective triangles that conform to the requirements of the United States department of transportation standard number 125.

321.448 Display of flares or reflective devices. Whenever a motor truck, or a truck tractor, a trailer or a semitrailer drawn by a motor truck or a truck tractor is stopped upon or immediately adjacent to the main traveled portion of a highway outside of a business or residence district, during the times when...
lighted lamps must be displayed, then the driver or other person in charge of such vehicle shall, in addition to the requirements of section 321.395, cause a lighted fusee to be immediately placed on the road-

way at the traffic side of such vehicle; as soon therea-

fter as possible, and in any case within the burning period of the fusee, three lighted flares, or three red reflector electric lanterns or three red reflectors or three reflective triangles shall be placed on the road-

way, one at a distance of not less than one hundred feet in advance of such vehicle, one at a distance of not less than one hundred feet to the rear of such vehi-

cle, and the third upon the traffic side of such vehi-

cle; provided that if such vehicle is stopped within three hundred feet of a curve, crest of a hill, or other obstruction to view, the flare, red reflector electric lanterns, red reflectors or reflective triangles, in that direction shall be so placed as to afford ample warn-

ing to other users of the highway, but in no case less than one hundred feet from such vehicle. When such flares are taken up, during the times when lighted lamps must be displayed, a lighted fusee shall be placed at the traffic side of such vehicle.

In the event such vehicle is used in the transportation of flammable liquids or gases, whether loaded or empty, no open burning flares or fusees shall be used and red reflector electric lanterns or red reflectors or reflective triangles shall be used in lieu thereof.

During the times lighted lamps are not required, red flags or reflective triangles shall be used in place of flares or red reflector electric lanterns or red reflectors, provided that if such parking continues into the period when lighted lamps are required, flares or red reflector electric lanterns or red reflectors or reflective triangles shall be placed as above provided. Each of the red flags required under this section shall be not less than sixteen inches square. [C35,§5067-e1; C39,§5034.57; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§321.449]

§321.449 Explosives. No person shall at any time operate a motor truck or truck tractor transporting explosives as a cargo or part of a cargo upon a highway unless it carries flares or electric lanterns or reflective triangles as herein required, but such flares or electric lanterns or reflective triangles must be capable of producing a red light and shall be displayed upon the roadway when and as required in section 321.448. [C39,§5034.58; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§321.449]

Said vehicle shall be marked or placarded on each side and the rear with the word “Explosives” in letters not less than eight inches high, or there shall be displayed on the rear of such vehicle a red flag not less than twenty-four inches square marked with the word “Danger” in white letters six inches high.

Every said vehicle shall be equipped with not less than two fire extinguishers, filled and ready for im-

mediate use, and placed at a convenient point on the vehicle so used. [C39,§5034.59; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§321.440]

321.451 Emergency vehicles—certificate of designation. The director is hereby authorized to designate a privately owned ambulance, rescue or disaster vehi-

cle as an authorized emergency vehicle, and issue cer-

tificate of designation therefor, upon written request being made on forms provided by the department and showing necessity for such designation. Such certifi-

cate shall at all times be carried with the certificate of registration of the vehicle to which it refers and may be revoked by the director upon showing of abuse thereof. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§321.451]
321.455 **Projecting loads on passenger vehicles.** No passenger-type vehicle shall be operated on any highway with any load carried thereon extending beyond the line of the fenders on the left side of such vehicle nor extending more than six inches beyond the line of the fenders on the right side thereof. Passengers shall not ride on any part of any vehicle unless it is expressly designed either for passenger use or designed for carrying livestock, merchandise, or freight. [C31, 35, §5067-d1; C39, §5035.04; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.454; 467GA, ch 103, §85]

321.456 **Height of vehicles.** No vehicle unladen or with load shall exceed a height of thirteen feet, six inches. Nothing herein contained shall be construed to require any railroad or public authorities to provide sufficient vertical clearance to permit the operation of such vehicle upon the highways of this state. Any damage to highways, highway or railroad structures or underpasses caused by the height of any vehicle provided for by this section shall be borne by the operator or owner of such vehicle. [C31, 35, §5067-d2; C39, §5035.05; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.455]

Referred to in §321E.1, 805.8

321.457 **Maximum length.** The maximum length of any motor vehicle or combination of vehicles, except fire fighting apparatus and vehicles operated in the daytime when transporting poles, pipe, machinery or other objects of a structural nature which cannot be dismembered readily when required for emergency repair of public service facilities or properties, and such vehicles transporting such objects operated at nighttime by a public utility when required for emergency repair of public service facilities or properties, but in respect to such night transportation every such vehicle and the load thereon shall be equipped with a sufficient number of clearance lamps or both sides and marker lamps upon the extreme ends of any projecting load to mark clearly the dimensions of such load, at which time, a member of the state highway patrol shall be notified prior to the operation of such vehicle, shall be as follows:

1. No single truck, unladen or with load, shall have an overall length, inclusive of front and rear bumpers, in excess of forty feet.

2. No single bus, unladen or with load, shall have an overall length, inclusive of front and rear bumpers, in excess of forty feet.

3. Except as to combinations of vehicles, provisions for which are otherwise made in this chapter, no combination of truck tractor and a semitrailer hauling livestock shall have an overall length, inclusive of front and rear bumpers, in excess of sixty feet, nor shall any other combination of vehicles coupled together, unladen or with load, have an overall length, inclusive of front and rear bumpers, in excess of fifty-five feet. Combinations of vehicles consisting of a motor vehicle upon which a van box is fastened and which draws and bears a portion of the weight of a semitrailer purchased by an Iowa resident prior to April 16, 1974, may be operated on the highways of this state with a length exceeding fifty-five feet but not exceeding sixty feet, if a special overlength permit is obtained from the department for such operation. The special overlength permit shall be issued for the vehicle and such permit shall be valid until such time as the vehicle is no longer operable or until the owner of the vehicle transfers title to the vehicle to a nonresident. All such vehicles purchased after April 16, 1974, shall not be allowed to operate on the highways of this state.

4. However, a mobile home not in excess of forty-eight feet in length may be drawn by any motor vehicle, except a motor truck, provided, however, that the mobile home and its towing unit shall not be in excess of an overall length of sixty feet. For the purposes of this subsection, a light delivery truck, panel delivery truck or "pickup" shall not be construed to be a motor truck. Further providing that a portable livestock loading chute not in excess of a length of thirteen feet including its hitch or tongue may be drawn by any vehicle or combination of vehicles, provided that such vehicle or combination of vehicles drawing such loading chute is not in excess of the legal length provided for such vehicles or combinations.

5. No combination of vehicles coupled together which are used exclusively for the transportation of passenger vehicles, light delivery trucks, panel delivery trucks, pickup trucks, travel trailers, boats, farm and industrial tractors and self-propelled farm implements, nonself-propelled implements of husbandry, and self-propelled vehicles shall have an unladen length, inclusive of front and rear bumpers in excess of sixty feet, but the passenger vehicles, light delivery trucks, panel delivery trucks, pickup trucks, or boats being transported may extend up to three feet beyond the front and rear bumpers of the transporting vehicles when the overall length of the vehicle with load does not exceed sixty-five feet.

6. No combination of three vehicles coupled together one of which is a motor vehicle, unladen or with load, shall have an overall length, inclusive of front and rear bumpers in excess of sixty feet.

7. A motor vehicle or combination of vehicles may be operated upon the highways of this state, irrespective of the length and weight limitations imposed by the laws of this state, if the motor vehicle or combination of vehicles is operated within the corporate limits of a city abutting a border of this state and such operation has been approved by ordinance of the city council and if the length and weight of the motor vehicle or combination of vehicles is in conformity with the laws relating to length and weight of the abutting state on July 1, 1974. If a city council has authorized such operation upon highways within the corporate limits, the limit of travel for such motor vehicles or combination of vehicles within the state is extended to the commercial zones as described by federal regulations concerning interstate commerce, 49 code of federal regulations, paragraphs 1048.10, 1048.88, and 1048.101 as they exist on July 1, 1974.
§321.458 Loading beyond front. The load upon any vehicle operated alone, or the load upon the front vehicle of a combination of vehicles, shall not extend more than three feet beyond the front wheels of such vehicle or the front bumper of such vehicle if it is equipped with such a bumper. [C39, §5035.07; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.458]

§321.459 Dual axle requirement. No motor vehicle, trailer, or semitrailer having axles less than forty inches apart center to center, shall be operated on the highways of this state, unless the combined gross weight imposed on the highway by all of the wheels of all axles which are less than forty inches apart center to center does not exceed eighteen thousand pounds in the case of wheels equipped with pneumatic tires or fourteen thousand pounds in the case of wheels equipped with solid rubber tires. [C31, §35, §5067-d3; C39, §5035.08; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.459]

Referred to in §321E.1, 805.8

§321.460 Spilling loads on highways. A vehicle shall not be driven or moved on any highway by any person unless such vehicle is so constructed or loaded or the load securely covered as to prevent any of its load from dropping, sifting, leaking, or otherwise escaping or its load covering from dropping from the vehicle, except that sand may be dropped for the purpose of securing traction, or water or other substance may be sprinkled on a roadway in cleaning or maintaining such roadway. The provisions of this section shall not apply to vehicles loaded with hay or stover or the products listed in section 321.466, subsections 6 and 7. [C39, §5035.09; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.460; 67GA, ch 103, §52]

Referred to in §321E.1

§321.461 Trailers and towed vehicles. When one vehicle is towing another the drawbar or other connection shall not exceed fifteen feet from one vehicle to the other except the connection between any two vehicles transporting poles, pipe, machinery, or other objects of structural nature which cannot readily be dismembered. [C39, §5035.10; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.461]

Referred to in §321E.1, 805.8

§321.462 Drawbars and safety chains. When one vehicle is towing or pulling another vehicle the drawbar or other connection shall be of sufficient strength to pull all weight loaded thereby and shall be fastened to the frame of the towing vehicle in such manner as to prevent sidewise, and in addition to such principal connection there shall be a safety chain which shall be so fastened as to be capable of holding the towing vehicle should the principal connection for any reason fail.

The connection between a truck tractor and a semitrailer with a gross weight of three thousand pounds or more shall be of a type approved by the director, and the commissioner is hereby given authority to approve or disapprove such types of connection submitted to him. [C39, §5035.11; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §321.462]

Referred to in §321E.1, 805.8

§321.463 Axle—maximum gross weight. An axle may be divided into two or more parts, provided, however, that all parts in the same vertical transverse plane shall be considered as one axle.

The gross weight on any one axle of a vehicle, or of a combination of vehicles, operated on the highways of this state, shall not exceed eighteen thousand pounds on an axle equipped with pneumatic tires, and shall not exceed fourteen thousand pounds on an axle equipped with solid rubber tires.

No vehicle or combination of vehicles shall be operated with a total gross weight in pounds in excess of the amount given in the following table corresponding to the distance in feet between the extreme axles of the said vehicle or combination of vehicles measured longitudinally to the nearest foot or fraction thereof.

No group of axles of any vehicle, or any combination of vehicles, shall carry a load in pounds in excess of the value given in the following table corresponding to the distance in feet between the extreme axles of the group measured longitudinally to the nearest foot or fraction thereof:

In no event shall the maximum gross weight, including the tolerances hereinafter set forth, exceed seventy-three thousand two hundred eighty pounds.

A tolerance above the maximum legal weight of any axle or vehicle or combination of vehicles may be allowed as follows:

Three percent on any axle, including tandem axles.

Eight percent on the gross weight on any particular group of axles.

Eight percent on the total gross weight of a vehicle or combination of vehicles.

The weight on any one axle, including a tandem axle, of a vehicle which is transporting livestock may exceed the legal maximum weight given in this chapter providing that the gross weight on any particular group of axles on such vehicle does not exceed the gross weight allowable under this chapter for such group of axles.

Any person who operates any vehicle in violation of the provisions of this section, and any owner, or any other person, employing or otherwise directing the operator of any vehicle who requires or knowingly permits the operation of any vehicle in violation of the provisions of this section shall upon conviction or plea of guilty be punished in accordance with the following schedule:

No fine shall be assessed if the overload does not exceed the tolerance specified in this section. If the overload does exceed the tolerance specified in this section, the amount of the fine to be assessed shall be computed on the difference between the actual weight and the maximum legal weight specified in this section without allowance of any tolerance, by applying the appropriate rate in the preceding schedule for the total percentage of overload. The total percentage of overload shall be determined by dividing the appropriate maximum legal weight as specified in this section without allowance for any tolerance into the amount of pounds overloaded.

Overloads on axles and tandem axles and overloads on groups of axles or on an entire vehicle or combination of vehicles shall be considered as separate violations of the provisions of this section.

The penalties herein provided shall not be construed to be in lieu of any other penalties provided for violations of other provisions of this chapter.

Any person who issues or executes, causes to be issued or executed, any bill of lading, manifest, or shipping document of any kind which states the false weight of the cargo set forth on such bill, manifest or document, to be less than the actual weight of such cargo, shall be punished by a fine of not more than one hundred dollars or by imprisonment for not more than thirty days. ### 321.464 Investigation as to safety.

The director upon registering any vehicle under the laws of this state which vehicle is designed and used primarily for the transportation of property or for the transportation of ten or more persons, may require such information and make such investigation or test as necessary to enable him to determine whether such vehicle may safely be operated upon the highways in compliance with all the provisions of this chapter. He shall register every such vehicle for a permissible gross weight not exceeding the limitations set forth in this chapter. Every such vehicle shall meet the following requirements:

1. It shall be equipped with brakes as required in sections 321.430 and 321.431.

2. Every motor vehicle to be operated outside of business and residence districts shall have motive power adequate to propel at a reasonable speed such vehicle and any load thereon or to be drawn thereby. [C39.5035.2; 46.50, 54, 58, 62, 66, 71, 73, 75, 77, 821.464]

Referred to in §321E.1

Any peace officer having reason to believe that the weight of a vehicle and load is unlawful is authorized to require the driver to stop and submit to a weighing of the same either by means of portable or stationary scales and may require that such vehicle be driven to the nearest public scales.

Whenever an officer upon weighing a vehicle and load, as above provided, determines that the weight is unlawful, such officer may require the driver to stop the vehicle in a suitable place and remain standing until such portion of the load is removed as may be necessary to reduce the gross weight of such vehicle to such limit as permitted under this chapter. All material so unloaded shall be cared for by the owner or operator of such vehicle at the risk of such owner or operator.

Any driver of a vehicle who fails or refuses to stop and submit the vehicle and load to a weighing, or who fails or refuses when directed by an officer upon a weighing of the vehicle to stop the vehicle and other-

The provisions of this section, as provided in section 321.482.

Upon weighing a vehicle and load, as above provided, if such load is a sealed load, the weight officer shall issue a certificate setting forth the weights as determined by him and the seal number or numbers, if requested by the operator. [C31, 35,§4921-d; C39, §5035.14; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§321.465]

321.466 Increased loading capacity—reregistration.

1. An increased gross weight registration may be obtained for any vehicle by payment of the difference between the annual fee for the higher gross weight and the amount of the fee for the gross weight at which it is registered.

2. With respect to a vehicle held by a dealer for sale or trade, an increased gross weight registration may be obtained for any such vehicle on or after April 10 of each year upon change of ownership by payment of one-twelfth of the difference between the annual fee for the higher gross weight and the amount of the fee for the gross weight at which it is registered, multiplied by the number of unexpired months of the year.

3. On or after July 1 of each year, the owner of a motor truck, truck tractor, road tractor, semitrailer or trailer may, if his operation thereof has not resulted in a conviction under this section or an action then pending against him for violation of the same, increase the gross load of any such vehicle to a higher gross weight classification by payment of one-twelfth of the difference between the annual fee for the higher gross weight and the amount of the fee for the gross weight at which it is registered, multiplied by the number of unexpired months of the year.

7. For the purposes of this section cracked or ground soy beans, sargo, corn, wheat, rye, oats or other grain shall be deemed to be raw farm products, provided that such products are being directly delivered to a farm, from the place where the whole grain had been delivered from a farm for the purpose of cracking or grinding and immediate delivery to the farm to which such cracked or ground products are being delivered.

8. The truck operator shall have in his possession a receipt showing place of processing on his return trip.

Any person who violates the provisions of such ordinance or resolution shall, upon conviction or a plea of guilty, be subject to a fine determined by dividing the difference between the actual weight and the maximum weight established by the ordinance or resolution by one hundred, and multiplying the quotient by two dollars. Local authorities may issue special permits, during periods such restrictions are in effect, to permit limited operation of vehicles upon specified routes with loads in excess of any restrictions imposed under this section, but not in excess of load restrictions imposed by any other provision of this chapter, and such authorities shall issue such permits upon a showing that there is a need to move to market farm produce of the type subject to rapid spoilage or loss of value or to move to any farm feeds or fuel

321A.16 Installment payment of judgments—default.

1. A judgment debtor upon due notice to the judgment creditor may apply to the court in which such judgment was rendered for the privilege of paying such judgment in installments and the court, in its discretion and without prejudice to any other legal remedies which the judgment creditor may have, may so order and fix the amounts and times of payment of the installments.

2. The director shall not suspend a license, registration, or nonresident's operating privilege, and shall restore any license, registration, or nonresident's operating privilege suspended following non-payment of a judgment, when the judgment debtor gives proof of financial responsibility and obtains such an order permitting the payment of such judgment in installments, and while the payment of any said installment is not in default.

3. In the event the judgment debtor fails to pay any installment as specified by such order, then upon notice of such default, the director shall forthwith suspend the license, registration, or nonresident's operating privilege of the judgment debtor until such judgment is satisfied, as provided in this chapter. [C31, 35, §5079-c4; C39, §5021.02; C46, §321.276; C50, 54, 58, 62, 66, 71, 73, 75, 77, §321A.16]

Referred to in §§321A.13, 321A.14

321A.17 Proof required upon certain convictions.

1. Whenever the director, under any law of this state, suspends or revokes the license of any person upon receiving record of a conviction or a forfeiture of bail, the director shall also suspend the registration for all motor vehicles registered in the name of such person, except that he shall not suspend such registration, unless otherwise required by law, if such person has previously given or shall immediately give and thereafter maintain proof of financial responsibility with respect to all motor vehicles registered by such person.

2. Such license and registration shall remain suspended or revoked and shall not at any time thereafter be renewed nor shall any license be thereafter issued to such person, nor shall any motor vehicle be thereafter registered in the name of such person until permitted under the motor vehicle laws of this state and not then unless and until he shall give and thereafter maintain proof of financial responsibility.

3. If a person is not licensed, but by final order or judgment is convicted of or forfeits any bail or collateral deposited to secure an appearance for trial for any offense requiring the suspension or revocation of license, or for operating an unregistered motor vehicle upon the highways, no license shall be thereafter issued to such person and no motor vehicle shall continue to be registered or thereafter be registered in the name of such person until he shall give and thereafter maintain proof of financial responsibility.

4. Whenever the director suspends or revokes a nonresident's operating privilege by reason of a conviction or forfeiture of bail, such privilege shall remain so suspended or revoked unless such person shall have previously given or shall immediately give and thereafter maintain proof of financial responsibility.

5. An individual applying for a motor vehicle license following a period of suspension or revocation under the provisions of section 321.216 shall not be required to maintain proof of financial responsibility under the provisions of this section. [C31, 35, §§5079-c5, -c6; C39, §§5021.03, 5021.04; C46, §§321.277, 321.278; C50, 54, 58, 62, 66, 71, 73, 75, 77, §321A.17; 67GA, ch 1113, §40]
321A.18 Alternate methods of giving proof.
Proof of financial responsibility when required under this chapter may be given by filing:
1. A certificate of insurance as provided in section 321A.19 or section 321A.20; or
2. A bond as provided in section 321A.24; or
3. A certificate of deposit of money or securities as provided in section 321A.25. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §321A.18]

Referred to in §§321A.15, 321A.14

321A.19 Certificate of insurance as proof.
1. Proof of financial responsibility may be furnished by filing with the director the written certificate of any insurance carrier duly authorized to do business in this state certifying that there is in effect a motor vehicle liability policy for the benefit of the person required to furnish proof of financial responsibility. Such certificate shall give the effective date of such motor vehicle liability policy, which date shall be the same as the effective date of the certificate, and shall designate by explicit description or by appropriate reference all motor vehicles covered thereby, unless the policy is issued to a person who is not the owner of a motor vehicle.

2. No motor vehicle shall be or continue to be registered in the name of any person required to file proof of financial responsibility unless such motor vehicle is so designated in such a certificate. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §321A.19]

321A.20 Certificate furnished by nonresident as proof.
1. The nonresident owner of a motor vehicle not registered in this state may give proof of financial responsibility by filing with the director a written certificate or certificates of an insurance carrier authorized to transact business in the state in which the motor vehicle, or motor vehicles, described in such certificate is registered, or if such nonresident does not own a motor vehicle, then in the state in which the insured resides, provided such certificate otherwise conforms with the provisions of this chapter, and the director shall accept the same upon condition that said insurance carrier complies with the following provisions with respect to the policies so certified:
   a. Said insurance carrier shall execute a power of attorney authorizing the director to accept service on its behalf of notice or process in any action arising out of a motor vehicle accident in this state.
   b. Said insurance carrier shall agree in writing that such policies shall be deemed to conform with the laws of this state relating to the terms of motor vehicle liability policies issued herein.

2. If any insurance carrier not authorized to transact business in this state, which has qualified to furnish proof of financial responsibility, defaults in any said undertakings or agreements, the director shall not thereafter accept as proof any certificate of said carrier whether theretofore filed or thereafter tendered as proof, so long as such default continues. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §321A.20]

321A.21 “Motor vehicle liability policy” defined.
1. A “motor vehicle liability policy” as said term is used in this chapter shall mean an owner’s or an operator’s policy of liability insurance, certified as provided in section 321A.19 or section 321A.20 as proof of financial responsibility, and issued, except as otherwise provided in section 321A.20, by an insurance carrier duly authorized to transact business in this state, to or for the benefit of the person named therein as insured.

2. Such owner’s policy of liability insurance:
   a. Shall designate by explicit description or by appropriate reference all motor vehicles with respect to which coverage is thereby to be granted; and
   b. Shall insure the person named therein and any other person, as insured, using any such motor vehicle or motor vehicles with the express or implied permission of such named insured, against loss from the liability imposed by law for damages arising out of the ownership, maintenance, or use of such motor vehicle or motor vehicles within the United States of America or the Dominion of Canada, subject to limits exclusive of interest and costs, with respect to each such motor vehicle, as follows: Ten thousand dollars because of bodily injury to or death of one person in any one accident and, subject to said limit for one person, twenty thousand dollars because of bodily injury to or death of two or more persons in any one accident, and five thousand dollars because of injury to or destruction of property of others in any one accident.

3. Such operator’s policy of liability insurance shall insure the person named as insured therein against loss from the liability imposed upon him by law for damages arising out of the use by him of any motor vehicle not owned by him, within the same territorial limits and subject to the same limits of liability as are set forth above with respect to an owner’s policy of liability insurance.

4. Such motor vehicle liability policy shall state the name and address of the named insured, the coverage afforded by the policy, the premium charged therefor, the policy period, and the limits of liability, and shall contain an agreement or be endorsed that insurance is thereby to be granted in accordance with the coverage defined in this chapter as respects bodily injury and death or property damage, or both, and is subject to all the provisions of this chapter.

5. Such motor vehicle liability policy need not insure any liability under any workers’ compensation law nor any liability on account of bodily injury to or death of an employee of the insured while engaged in the employment, other than domestic, of the insured, or while engaged in the operation, maintenance, or repair of any such motor vehicle nor any liability for damage to property owned by, rented to, in charge of, or transported by the insured.

6. Every motor vehicle liability policy shall be subject to the following provisions which need not be contained therein:
   a. The liability of the insurance carrier with respect to the insurance required by this chapter shall become absolute whenever injury or damage covered by said motor vehicle liability policy occurs; said policy may not be canceled or annulled as to such liability by any agreement between the insurance carrier and the insured after the occurrence of the injury or
damage; no statement made by the insured or on his behalf and no violation of said policy shall defeat or void said policy.

b. The satisfaction by the insured of a judgment for such injury or damage shall not be a condition precedent to the right or duty of the insurance carrier to make payment on account of such injury or damage.

c. The insurance carrier shall have the right to settle any claim covered by the policy, and if such settlement is made in good faith, the amount thereof shall be deductible from the limits of liability specified in paragraph "b" of subsection 2 of this section.

d. The policy, the written application therefor, if any, and any rider or endorsement which does not conflict with the provisions of the chapter shall constitute the entire contract between the parties.

7. Any policy which grants the coverage required for a motor vehicle liability policy may also grant any lawful coverage in excess of or in addition to the coverage specified for a motor vehicle liability policy and such excess or additional coverage shall not be subject to the provisions of this chapter. With respect to a policy which grants such excess or additional coverage the term “motor vehicle liability policy” shall apply only to that part of the coverage which is required by this section.

8. Any motor vehicle liability policy may provide that the insured shall reimburse the insurance carrier for any payment the insurance carrier would not have been obligated to make under the terms of the policy except for the provisions of this chapter.

9. Any motor vehicle liability policy may provide for the prorating of the reimbursement thereunder with other valid and collectible insurance.

10. The requirements for a motor vehicle liability policy may be fulfilled by the policies of one or more insurance carriers which policies together meet such requirements.

11. Any binder issued pending the issuance of a motor vehicle liability policy shall be deemed to fulfill the requirements for such a policy. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §321A.21]

321A.22 Notice of cancellation or termination of certified policy. When an insurance carrier has certified a motor vehicle liability policy under section 321A.19 or section 321A.20, the insurance so certified shall not be canceled or terminated until at least ten days after a notice of cancellation or termination of the insurance so certified shall be filed in the office of the director, except that such a policy subsequently procured and certified shall, on the effective date of its certification, terminate the insurance previously certified with respect to any motor vehicle designated in both certificates. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §321A.22]

321A.23 Chapter not to affect other policies.

1. This chapter shall not be held to apply to or affect policies of automobile insurance against liability which may now or hereafter be required by any other law of this state, and such policies, if they contain an agreement or are endorsed to conform with the requirements of this chapter, may be certified as proof of financial responsibility under this chapter.

2. This chapter shall not be held to apply to or affect policies insuring solely the insured named in the policy against liability resulting from the maintenance or use by persons in the insured’s employ or on his behalf of motor vehicles not owned by the insured. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §321A.23]

321A.24 Bond as proof.

1. Proof of financial responsibility may be evidenced by the bond of a surety company duly authorized to transact business within this state, or a bond with at least two individual sureties each owning real estate within this state, and together having equities equal in value to at least twice the amount of the bond, which real estate shall be scheduled in the bond approved by a judge or clerk of a court of record, which said bond shall be conditioned for payment of the amounts specified in section 321A.1, subsection 10. Such bond shall be filed with the director and shall not be cancelable except after ten days' written notice to the director. Such bond shall constitute a lien in favor of the state upon the real estate so scheduled of any surety, which lien shall exist in favor of any holder of a final judgment against the person who has filed such bond, for damages, including damages for care and loss of services, because of bodily injury to or death of any person, or for damage because of injury to or destruction of property, including the loss of use thereof, resulting from the ownership, maintenance, use, or operation of a motor vehicle after such bond was filed, upon the filing of notice to that effect by the director in the office of the proper clerk of court of the county where such real estate shall be located. Any individual surety so scheduling real estate security shall furnish satisfactory evidence of title thereto and the nature and extent of all encumbrances thereon and the value of the surety's interest therein, in such manner as the judge or clerk of the court of record approving the bond may require. The notice filed by the director shall, in addition to any other matters by him deemed to be pertinent, contain a legal description of the real estate so scheduled, the name of the holder of the record title, the amount for which it stands as security, and the name of the person in whose behalf proof is so being made. Upon the filing of such notice the clerk of the court of such county shall retain the same as part of the records of such court and enter upon the encumbrance book the date and hour of filing, the name of the surety, the name of the record titleholder, the description of the real estate, and the further notation that a lien is charged on such real estate pursuant to the notice filed hereunder. From and after the entry of the foregoing upon the encumbrance book all persons whomsoever shall be charged with notice thereof.

2. If such a judgment, rendered against the principal on such bond shall not be satisfied within sixty days after it has become final, the judgment creditor may, for his own use and benefit and at his sole expense, bring an action or actions in the name of the state against the company or persons executing such bond, including an action or proceeding to foreclose
any lien that may exist upon the real estate of a person who has executed such bond. An action to foreclose any lien upon real estate scheduled by any surety under the provisions of this chapter shall be by equitable proceeding in the same manner as is provided for the foreclosure of real estate mortgages. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §321A.24] Referred to in §§321A.13, 321A.14, 321A.18

321A.25 Money or securities as proof.
1. Proof of financial responsibility may be evidenced by the certificate of the state treasurer that the person named therein has deposited with him twenty-five thousand dollars in cash, or securities such as may legally be purchased by a state bank or for trust funds of a market value of twenty-five thousand dollars. The state treasurer shall not accept any such deposit and issue a certificate therefor and the director shall not accept such certificate unless accompanied by evidence that there are no unsatisfied judgments of any character against the depositor in the county where the depositor resides.

2. Such deposit shall be held by the state treasurer to satisfy, in accordance with the provisions of this chapter, any execution on a judgment issued against the depositor for damages, including damages for care and loss of services, because of bodily injury to or death of any person, or for damages because of injury or destruction of property, including the loss of use thereof, resulting from the ownership, maintenance, use, or operation of a motor vehicle after such deposit was made. Money or securities so deposited shall not be subject to attachment or execution unless such attachment or execution shall arise out of a suit for damages as aforesaid. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §321A.25] Referred to in §§321A.13, 321A.14, 321A.18

321A.26 Owner may give proof for others. Whenever any person required to give proof of financial responsibility hereunder is or later becomes an operator in the employ of any owner, or is or later becomes a member of the immediate family or household of the owner, the director shall accept proof given by such owner in lieu of proof by such other person to permit such other person to operate a motor vehicle for which the owner has given proof as herein provided or has qualified as a self-insurer under section 321A.34. The director shall designate the restrictions imposed by this section on the face of such person’s license. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §321A.26] Referred to in §§321A.13, 321A.14, 321A.33

321A.27 Substitution of proof. The director shall consent to the cancellation of any bond or certificate of insurance or the director shall direct and the state treasurer shall return any money or securities to the person entitled thereto any money or securities deposited pursuant to this chapter as proof of financial responsibility, or the director shall waive the requirement of filing proof, in any of the following events:

1. At any time after three years from the date such proof was required when, during the three-year period preceding the request, the director has not received record of a conviction or a forfeiture of bail which would require or permit the suspension or revocation of the license, registration, or nonresident's operating privilege of the person by or for whom such proof was furnished;

2. In the event the death of the person on whose behalf such proof was filed or the permanent incapacity of such person to operate a motor vehicle;

3. In the event the person who has given proof surrenders his license and registration to the director;

4. Provided, however, that the director shall not consent to the cancellation of any bond or the return of any money or securities in the event any action for damages upon a liability covered by such proof is then pending or any judgment upon any such liability is then unsatisfied, or in the event the person who has filed such bond or deposited such money or securities has within one year immediately preceding such request been involved as an operator or owner in any motor vehicle accident resulting in injury or damage to the person or property of others. An affidavit of the applicant as to the nonexistence of such facts, or that he has been released from all of his liability, or has been finally adjudicated not to be liable, for such injury or damage, shall be sufficient evidence thereof in the absence of evidence to the contrary in the records of the director.

321A.28 Other proof may be required. Whenever any proof of financial responsibility filed under the provisions of this chapter no longer fulfills the purposes for which required, the director shall for the purpose of this chapter, require other proof as required by this chapter and shall suspend the license and registration or the nonresident’s operating privilege pending the filing of such other proof. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §321A.28] Referred to in §§321A.13, 321A.14

321A.29 Duration of proof—when proof may be canceled or returned.
1. The director shall upon request consent to the immediate cancellation of any bond or certificate of insurance, or the director shall direct and the state treasurer shall return to the person entitled thereto any money or securities deposited pursuant to this chapter as proof of financial responsibility, or the director shall waive the requirement of filing proof, in any of the following events:

a. At any time after three years from the date such proof was required when, during the three-year period preceding the request, the director has not received record of a conviction or a forfeiture of bail which would require or permit the suspension or revocation of the license, registration, or nonresident's operating privilege of the person by or for whom such proof was furnished; or

b. In the event the death of the person on whose behalf such proof was filed or the permanent incapacity of such person to operate a motor vehicle; or

c. In the event the person who has given proof surrenders his license and registration to the director;

3. Provided, however, that the director shall not consent to the cancellation of any bond or the return of any money or securities in the event any action for damages upon a liability covered by such proof is then pending or any judgment upon any such liability is then unsatisfied, or in the event the person who has filed such bond or deposited such money or securities has within one year immediately preceding such request been involved as an operator or owner in any motor vehicle accident resulting in injury or damage to the person or property of others. An affidavit of the applicant as to the nonexistence of such facts, or that he has been released from all of his liability, or has been finally adjudicated not to be liable, for such injury or damage, shall be sufficient evidence thereof in the absence of evidence to the contrary in the records of the director.

3. Whenever any person whose proof has been canceled or returned under paragraph “c” of subsection 1 of this section applies for a license or registration within a period of three years from the date proof was originally required, any such application shall be refused unless the applicant shall re-establish such proof for the remainder of such three-year period. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §321A.29] Referred to in §§321A.13, 321A.14

VIOLATIONS OF PROVISIONS OF CHAPTER— PENALTIES

321A.30 Transfer of registration to defeat purpose of chapter prohibited. This chapter shall not prevent the owner of a motor vehicle, the registration of which has been suspended hereunder, from effecting a bona fide sale of such motor vehicle to another person whose rights or privileges are not suspended
321A.34 Self-insurers.
1. Any person in whose name more than twenty-five motor vehicles are registered may qualify as a self-insurer by obtaining a certificate of self-insurance issued by the director as provided in subsection 2 of this section.

2. The director may, in his discretion, upon the application of such a person, issue a certificate of self-insurance when he is satisfied that such person is possessed and will continue to be possessed of ability to pay judgments obtained against such person for damages arising out of the ownership, maintenance, or use of any vehicle owned by such person.

3. Upon not less than five days' notice and a hearing pursuant to such notice, the director may upon reasonable grounds cancel a certificate of self-insurance. Failure to pay any judgment for damages arising out of the ownership, maintenance, or use of any vehicle owned by such self-insurer within thirty days after such judgment shall have become final shall constitute a reasonable ground for the cancellation of a certificate of self-insurance. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §321A.34]

321A.35 Past application of chapter. This chapter shall not apply with respect to any accident, or judgment arising therefrom, or violation of the motor vehicle laws of this state, occurring prior to October 1, 1947. Any person who has before October 1, 1947, had his operator's license suspended or has had his motor vehicle registration plates suspended or who has been refused registration or license to operate a motor vehicle upon the highways of the state of Iowa, under the provisions of sections of the Code in effect before October 1, 1947, and has not had such suspension removed, as therein provided, shall not be issued an operator's license nor be entitled to registration of a motor vehicle in this state until proof is filed with the county treasurer and the state department of transportation that the judgment against him rendered by the court has been stayed, satisfied or otherwise discharged of record. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §321A.35]

321A.36 Chapter not to prevent other process. Nothing in this chapter shall be construed as preventing the plaintiff in any action at law from relying for relief upon the other processes provided by law. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §321A.36]

321A.37 Uniformity of interpretation. This chapter shall be so interpreted and construed as to effectuate its general purpose to make uniform the laws of those states which enact it. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §321A.37]

321A.38 Title of chapter. This chapter may be cited as the "Motor Vehicle Financial and Safety Responsibility Act." [C50, 54, 58, 62, 66, 71, 73, 75, 77, §321A.38]

Constitutionality, 52GA, ch 172, §39

321A.39 Liability insurance—statement. Whenever any dealer licensed under chapter 322 sells a motor vehicle at retail and the transaction does not include the sale of liability insurance coverage which will protect the purchaser under the Iowa motor vehi-
cle financial and safety responsibility Act the purchase order or invoice evidencing the transaction shall contain a statement in the following form:

“I understand that liability insurance coverage which would protect me under the Iowa Motor Vehicle Financial and Safety Responsibility Act is NOT INCLUDED in my purchase of the herein described motor vehicle. I have received a copy of this statement.

(Purchaser’s signature)"

The seller shall print or stamp said statement on the purchase order or invoice in distinctive color ink and with clearly visible letters. Said statement shall be signed by the purchaser in the space provided therein on or before the date of delivery of the motor vehicle described in the purchase order or invoice and a copy thereof shall be given to the purchaser by the seller.

No civil liability shall arise on account of the failure of any person to comply with the provisions of this section.

Any person violating any provisions of this section shall be deemed guilty of a misdemeanor and shall be punished by a fine not exceeding fifty dollars. [C54, 58, 62, 66, 71, 73, 75, 77, §321A.39]

CHAPTER 321B
INTOXICATED DRIVERS
(Implied consent law)
Referred to in §807.27

CHEMICAL TEST
321B.1 Declaration of policy. The general assembly hereby determines and declares that the provisions of this chapter are necessary in order to control alcoholic beverages and aid the enforcement of laws prohibiting operation of a motor vehicle while under the influence of an alcoholic beverage. [C66, 71, 75, 77, §321B.1]

321B.2 Definitions. As used in this chapter the words “peace officer” mean:
1. Members of the highway patrol.
2. Police officers under civil service as provided in chapter 400.
4. Regular deputy sheriffs who have had formal police training.
5. Any other law enforcement officer who has satisfactorily completed an approved course relating to motor vehicle operators under the influence of alcoholic beverages at the Iowa law enforcement academy or a law enforcement training program approved by the department of public safety.

As used in this chapter and sections 29B.106, 321.209, 321.281, 321.494 and 690.2 the words “alcoholic beverage” include alcohol, wine, spirits, beer, or any other beverage which contains ethyl alcohol and is fit for human consumption.

As used in this chapter, unless the context otherwise requires, “director” means the director of transportation or his designee, and “department” means the state department of transportation. [C66, 71, 73, 75, 77, §321B.2]

321B.3 Implied consent to test. Any person who operates a motor vehicle in this state upon a public highway, under such circumstances as to give reasonable grounds to believe the person to have been operating a motor vehicle while under the influence of an alcoholic beverage, shall be deemed to have given consent to the withdrawal from his body of specimens of his blood, breath, saliva, or urine, and to a chemical test or tests thereof, for the purpose of determining the alcoholic content of his blood, subject to the provisions hereinafter set out. The withdrawal of such body substances, and the test or tests thereof, shall be administered at the written request of a peace officer having reasonable grounds to believe the person to have been operating a motor vehicle upon a public highway of this state while under the influence of an alcoholic beverage, and only after the peace officer has placed such person under arrest for the offense of operating a motor vehicle while under the influence of an alcoholic beverage. The peace officer shall determine which of the four substances, breath, blood, saliva, or urine, shall be tested. Refusal to submit to a chemical test of urine, saliva or breath shall be deemed a refusal to submit, and the provisions of section 321B.7 shall apply. A refusal to submit to a chemical test of blood shall not be deemed a refusal to submit, but in that case, the peace officer shall then determine which one of the other three substances shall be tested, and shall offer such test. If such peace officer fails to provide a test within two hours after such arrest, no test shall be required, and
321B.8 Hearing. Upon the written request of a person whose privilege to drive has been revoked or denied, the director shall grant the person an opportunity to be heard within twenty days after the receipt of the request, but the request must be made within thirty days of the effective date of revocation or denial. The hearing shall be before the director, in the county wherein the alleged events occurred for which the person was arrested, unless the director and the person agree that the hearing may be held in some other county. The hearing may be recorded and its scope shall cover the issues of whether a peace officer had reasonable grounds to believe the person to have been operating a motor vehicle upon a public highway of this state while under the influence of an alcoholic beverage, whether the person was placed under arrest and whether he refused to submit to the test or tests. The director shall order that the revocation or denial be either rescinded or sustained. [C66, 71, 73, 75, 77, §321B.8]

321B.9 Judicial review. Judicial review of the actions of the director may be sought in accordance with the terms of the Iowa administrative procedure Act. Notwithstanding the terms of said Act, petitions for judicial review may be filed in the district court in the county wherein the alleged events occurred for which the licensee was arrested or in the county in which the administrative hearing was held. [C66, 71, 73, 75, 77, §321B.9]

321B.10 Evidence in any action. Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person while operating a motor vehicle upon a public highway of this state while under the influence of an alcoholic beverage, evidence of the amount of alcohol in the person's blood at the time of the act alleged as shown by a chemical analysis of his blood, breath, saliva or urine is admissible. [C66, 71, 73, 75, 77, §321B.10]

321B.11 Proof of refusal admissible. If the person under arrest refuses to submit to the test or tests, proof of refusal shall be admissible in any civil or criminal action or proceeding arising out of acts alleged to have been committed while the person was operating a motor vehicle upon a public highway of this state while under the influence of an alcoholic beverage. [C66, 71, 73, 75, 77, §321B.11]

321B.12 Other evidence. The provisions of this chapter shall not be construed as limiting the introduction of any other competent evidence bearing on the question of whether the person was under the influence of an alcoholic beverage. [C66, 71, 73, 75, 77, §321B.12]
§321B.13 INTOXICATED DRIVERS

Information relayed to other states. When it has been finally determined under the procedures of this chapter that a nonresident's privilege to operate a motor vehicle in this state has been revoked or denied, the department shall give information in writing of the action taken to the official in charge of traffic control or public safety of the state of the person's residence and of any state in which he has a license. [C66, 71, 73, 75, 77, §321B.13]

Citation of Act. This chapter may be cited as the "Uniform Chemical Test for Intoxication Act." [C66, 71, 73, 75, 77, §321B.14].

CHAPTER 321C
INTERSTATE DRIVERS LICENSE COMPACTS

321C.1 Authority to compact. 321C.2 Enforcement.

321C.1 Authority to compact. The director of transportation may, subject to the approval of the state transportation commission, enter into drivers license compacts with other jurisdictions legally joining therein in substantially the following form.

The contracting states agree:

ARTICLE I—FINDINGS AND DECLARATION OF POLICY

a. The party states find that:

1. The safety of their streets and highways is materially affected by the degree of compliance with state laws and local ordinances relating to the operation of motor vehicles.

2. Violation of such a law or ordinance is evidence that the violator engages in conduct which is likely to endanger the safety of persons and property.

3. The continuance in force of a license to drive is predicated upon compliance with laws and ordinances relating to the operation of motor vehicles, in whichever jurisdiction the vehicle is operated.

b. It is the policy of each of the party states to:

1. Promote compliance with the laws, ordinances, and administrative rules and regulations relating to the operation of motor vehicles by their operators in each of the jurisdictions where such operators drive motor vehicles.

2. Make the reciprocal recognition of licenses to drive and eligibility therefor more just and equitable by considering the overall compliance with motor vehicle laws, ordinances and administrative rules and regulations as a condition precedent to the continuance or issuance of any license by reason of which the licensee is authorized or permitted to operate a motor vehicle in any of the party states.

ARTICLE II—DEFINITIONS

As used in this compact:

a. "State" means a state, territory or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

b. "Home state" means the state which has issued and has the power to suspend or revoke the use of the license or permit to operate a motor vehicle.

c. "Conviction" means a conviction of any offense related to the use or operation of a motor vehicle which is prohibited by state law, municipal ordinance or administrative rule or regulation, or a forfeiture of bail, bond or other security deposited to secure appearance by a person charged with having committed any such offense, and which conviction or forfeiture is required to be reported to the licensing authority.

ARTICLE III—REPORTS OF CONVICTION

The licensing authority of a party state shall report each conviction of a person from another party state occurring within its jurisdiction to the licensing authority of the home state of the licensee. Such report shall clearly identify the person convicted; describe the violation specifying the section of the statute, code or ordinance violated; identify the court in which action was taken; indicate whether a plea of guilty or not guilty was entered, or the conviction was a result of the forfeiture of bail, bond or other security; and shall include any special findings made in connection therewith.

Referred to in Art. IV

ARTICLE IV—EFFECT OF CONVICTION

a. The licensing authority in the home state, for the purposes of suspension, revocation or limitation of the license to operate a motor vehicle, shall give the same effect to the conduct reported, pursuant to
Article III of this compact, as it would if such conduct had occurred in the home state, in the case of convictions for:

1. Manslaughter or negligent homicide resulting from the operation of a motor vehicle;
2. Driving a motor vehicle while under the influence of intoxicating liquor or a narcotic drug, or under the influence of any other drug to a degree which renders the driver incapable of safely driving a motor vehicle;
3. Any felony in the commission of which a motor vehicle is used;
4. Failure to stop and render aid in the event of a motor vehicle accident resulting in the death or personal injury of another.

b. As to other convictions, reported pursuant to Article III, the licensing authority in the home state shall give such effect to the conduct as is provided by the laws of the home state.

c. If the laws of a party state do not provide for offenses or violations denominated or described in precisely the words employed in subdivision “a” of this article, such party state shall construe the denominations and descriptions appearing in subdivision “a” hereof as being applicable to and identifying those offenses or violations of a substantially similar nature, and the laws of such party state shall contain such provisions as may be necessary to ensure that full force and effect is given to this article.

ARTICLE V—APPLICATIONS FOR NEW LICENSES

Upon application for a license to drive, the licensing authority in a party state shall ascertain whether the applicant has ever held, or is the holder of a license to drive issued by any other party state. The licensing authority in the state where application is made shall not issue a license to drive to the applicant if:

1. The applicant has held such a license, but the same has been suspended by reason, in whole or in part, of a violation and if such suspension period has not terminated.
2. The applicant has held such a license, but the same has been revoked by reason, in whole or in part, of a violation and if such revocation has not terminated, except that after the expiration of one year from the date the license was revoked, such person may make application for a new license if permitted by law. The licensing authority may refuse to issue a license to any such applicant if, after investigation, the licensing authority determines that it will not be safe to grant to such person the privilege of driving a motor vehicle on the public highways.
3. The applicant is the holder of a license to drive issued by another party state and currently in force unless the applicant surrenders such license.

ARTICLE VI—APPLICABILITY OF OTHER LAWS

Except as expressly required by provisions of this compact, nothing contained herein shall be construed to affect the right of any party state to apply any of its other laws relating to licenses to drive to any person or circumstance, nor to invalidate or prevent any driver license agreement or other co-operative arrangement between a party state and a nonparty state.

ARTICLE VII—COMPACT ADMINISTRATOR AND INTERCHANGE OF INFORMATION

a. The head of the licensing authority of each party state shall be the administrator of this compact for his state. The administrators, acting jointly, shall have the power to formulate all necessary and proper procedures for the exchange of information under this compact.

b. The administrator of each party state shall furnish to the administrator of each other party state any information or documents reasonably necessary to facilitate the administration of this compact.

ARTICLE VIII—ENTRY INTO FORCE AND WITHDRAWAL

a. This compact shall enter into force and become effective as to any state when it has enacted the same into law.

b. Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until six months after the executive head of the withdrawing state has given notice of the withdrawal to the executive heads of all other party states. No withdrawal shall affect the validity or applicability by the licensing authorities of states remaining party to the compact of any report of conviction occurring prior to the withdrawal.

ARTICLE IX—CONSTRUCTION AND SEVERABILITY

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable. [C66, 71, 73, 75, 77, §321C.1]

321C.2 Enforcement. The agencies and officers of this state and its subdivisions and municipalities shall enforce this compact and do all things appropriate to effect its purpose and intent which may be within their respective jurisdictions. [C66, 71, 73, 75, 77, §321C.2]

CHAPTER 321D

VEHICLE EQUIPMENT COMPACTS

321D.1 Authority to compact. 321D.2 Enforcement.
§321D.1 Authority to compact. The director of transportation may, subject to the approval of the state transportation commission, enter into vehicle equipment safety compacts with other jurisdictions legally joining therein in substantially the following form.

The contracting states agree:

ARTICLE I—FINDINGS AND PURPOSES

a. The party states find that:
1. Accidents and deaths on their streets and highways present a very serious human and economic problem with a major deleterious effect on the public welfare.
2. There is a vital need for the development of greater interjurisdictional co-operation to achieve the necessary uniformity in the laws, rules, regulations and codes relating to vehicle equipment, and to accomplish this by such means as will minimize the time between the development of demonstrably and scientifically sound safety features and their incorporation into vehicles.
3. To provide means for the encouragement and utilization of research which will facilitate the achievement of the foregoing purposes, with due regard for the findings set forth in subdivision "a" of this article.

b. The purposes of this compact are to:
1. Promote uniformity in regulation of and standards for equipment.
2. Secure uniformity of law and administrative practice in vehicular regulation and related safety standards to permit incorporation of desirable equipment changes in vehicles in the interest of greater traffic safety.
3. To provide means for the encouragement and utilization of research which will facilitate the achievement of the foregoing purposes, with due regard for the findings set forth in subdivision “a” of this article.

c. It is the intent of this compact to emphasize performance requirements and not to determine the specific detail of engineering in the manufacture of vehicles or equipment except to the extent necessary for the meeting of such performance requirements.

ARTICLE II—DEFINITIONS

As used in this compact:

a. “Vehicle” means every device in, upon or by which any person or property is or may be transported or drawn upon a highway, excepting devices moved by human power or used exclusively upon stationary rails or tracks.

b. “State” means a state, territory or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

c. “Equipment” means any part of a vehicle or any accessory for use thereon which affects the safety of operation of such vehicle or the safety of the occupants.

ARTICLE III—THE COMMISSION

a. There is hereby created an agency of the party states to be known as the “Vehicle Equipment Safety Commission” hereinafter called the commission. The commission shall be composed of one commissioner from each party state who shall be appointed, serve and be subject to removal in accordance with the laws of the state which he represents. If authorized by the laws of his party state, a commissioner may provide for the discharge of his duties and the performance of his functions on the commission, either for the duration of his membership or for any lesser period of time, by an alternate. No such alternate shall be entitled to serve unless notification of his identity and appointment shall have been given to the commission in such form as the commission may require. Each commissioner, and each alternate, when serving in the place and stead of a commissioner, shall be entitled to be reimbursed by the commission for expenses actually incurred in attending commission meetings or while engaged in the business of the commission.

b. The commissioners shall be entitled to one vote each on the commission. No action of the commission shall be binding unless taken at a meeting at which a majority of the total number of votes on the commission are cast in favor thereof. Action of the commission shall be only at a meeting at which a majority of the commissioners, or their alternates, are present.

c. The commission shall have a seal.

d. The commission shall elect annually, from among its members, a chairman, a vice-chairman and a treasurer. The commission may appoint an executive director and fix his duties and compensation. Such executive director shall serve at the pleasure of the commission, and together with the treasurer shall be bonded in such amount as the commission shall determine. The executive director also shall serve as secretary. If there be no executive director, the commission shall elect a secretary in addition to the other officers provided by this subdivision.

e. Irrespective of the civil service, personnel or other merit system laws of any of the party states, the executive director with the approval of the commission, or the commission if there be no executive director, shall appoint, remove or discharge such personnel as may be necessary for the performance of the commission’s functions, and shall fix the duties and compensation of such personnel.

f. The commission may establish and maintain independently or in conjunction with any one or more of the party states, a suitable retirement system for its full-time employees. Employees of the commission shall be eligible for social security coverage in respect of old-age and survivor’s insurance provided that the commission takes such steps as may be necessary pursuant to the laws of the United States, to participate in such program of insurance as a governmental agency or unit. The commission may establish and maintain or participate in such additional programs of employee benefits as may be appropriate.

g. The commission may borrow, accept or contract for the services of personnel from any party state, the United States, or any subdivision or agency of the aforementioned governments, or from any agency of two or more of the party states or their subdivisions.

h. The commission may accept for any of its purposes and functions under this compact any and all donations, and grants of money, equipment, supplies, materials, and services, conditional or otherwise,
from any state, the United States, or any other governmental agency and may receive, utilize and dispose of the same.

Referred to in Art VI e

i. The commission may establish and maintain such facilities as may be necessary for the transacting of its business. The commission may acquire, hold, and convey real and personal property and any interest therein.

j. The commission shall adopt bylaws for the conduct of its business and shall have the power to amend and rescind these bylaws. The commission shall publish its bylaws in convenient form and shall file a copy thereof and a copy of any amendment thereto, with the appropriate agency or officer in each of the party states. The bylaws shall provide for appropriate notice to the commissioners of all commission meetings and hearings and the business to be transacted at such meetings or hearings. Such notice shall also be given to such agencies or officers of each party state as the laws of such party state may provide.

k. The commission annually shall make to the governor and legislature of each party state a report covering the activities of the commission for the preceding year, and embodying such recommendations as may have been issued by the commission. The commission may make such additional reports as it may deem desirable.

ARTICLE IV—RESEARCH AND TESTING

The commission shall have power to:

a. Collect, correlate, analyze and evaluate information resulting or derivable from research and testing activities in equipment and related fields.

b. Recommend and encourage the undertaking of research and testing in any aspect of equipment or related matters when, in its judgment, appropriate or sufficient research or testing has not been undertaken.

c. Contract for such equipment research and testing as one or more governmental agencies may agree to have contracted for by the commission, provided that such governmental agency or agencies shall make available the funds necessary for such research and testing.

d. Recommend to the party states changes in law or policy with emphasis on uniformity of laws and administrative rules, regulations or codes which would promote effective governmental action or co-ordination in the prevention of equipment-related highway accidents or the mitigation of equipment-related highway safety problems.

ARTICLE V—VEHICULAR EQUIPMENT

a. In the interest of vehicular and public safety, the commission may study the need for or desirability of the establishment of or changes in performance requirements or restrictions for any item of equipment. As a result of such study, the commission may publish a report relating to any item or items of equipment, and the issuance of such a report shall be a condition precedent to any proceedings or other action provided or authorized by this article. No less than sixty days after the publication of a report containing the results of such study, the commission upon due notice shall hold a hearing or hearings at such place or places as it may determine.

b. Following the hearing or hearings provided for in subdivision "a" of this article, and with due regard for standards recommended by appropriate professional and technical associations and agencies, the commission may issue rules, regulations or codes embodying performance requirements or restrictions for any item or items of equipment covered in the report, which in the opinion of the commission will be fair and equitable and effectuate the purposes of this compact.

c. Each party state obligates itself to give due consideration to any and all rules, regulations and codes issued by the commission and hereby declares its policy and intent to be the promotion of uniformity in the laws of the several party states relating to equipment.

d. The commission shall send prompt notice of its action in issuing any rule, regulation or code pursuant to this article to the appropriate motor vehicle agency of each party state and such notice shall contain the complete text of the rule, regulation or code.

e. If the constitution of a party state requires, or if its statutes provide, the approval of the legislature by appropriate resolution or act may be made a condition precedent to the taking effect in such party state of any rule, regulation or code. In such event, the commissioner of such party state shall submit any commission rule, regulation or code to the legislature as promptly as may be in lieu of administrative acceptance or rejection thereof by the party state.

f. Except as otherwise specifically provided in or pursuant to subdivisions "c" and "g" of this article, the appropriate motor vehicle agency of a party state shall in accordance with its constitution or procedural laws adopt the rule, regulation or code within six months of the sending of the notice, and, upon such adoption, the rule, regulation or code shall have the force and effect of law therein.

g. The appropriate motor vehicle agency of a party state may decline to adopt a rule, regulation or code issued by the commission pursuant to this article if such agency specifically finds, after public hearing on due notice, that a variation from the commission's rule, regulation or code is necessary to the public safety, and incorporates in such finding the reasons upon which it is based. Any such finding shall be subject to review by such procedure for review of administrative determinations as may be applicable pursuant to the laws of the party state. Upon request, the commission shall be furnished with a copy of the transcript of any hearings held pursuant to this subdivision.

ARTICLE VI—FINANCE

a. The commission shall submit to the executive head or designated officer or officers of each party state a budget of its estimated expenditures for such
§321D.1, VEHICLE EQUIPMENT COMPACTS

period as may be required by the laws of that party state for presentation to the legislature thereof.

b. Each of the commission's budgets of estimated expenditures shall contain specific recommendations of the amount or amounts to be appropriated by each of the party states. The total amount of appropriations under any such budget shall be apportioned among the party states as follows: One-third in equal shares; and the remainder in proportion to the number of motor vehicles registered in each party state. In determining the number of such registrations, the commission may employ such source or sources of information as in its judgment present the most equitable and accurate comparisons among the party states. Each of the commission's budgets of estimated expenditures and requests for appropriations shall indicate the source or sources used in obtaining information concerning vehicular registrations.

c. The commission shall not pledge the credit of any party state. The commission may meet any of its obligations in whole or in part with funds available to it under Article III "h" of this compact, provided that the commission takes specific action setting aside such funds prior to incurring any obligation to be met in whole or in part in such manner. Except where the commission makes use of funds available to it under Article III "h" hereof, the commission shall not incur any obligation prior to the allotment of funds by the party states adequate to meet the same.

d. The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its rules. However, all receipts and disbursements of funds handled by the commission shall be audited yearly by a qualified public accountant and the report of the audit shall be included in and become part of the annual reports of the commission.

e. The accounts of the commission shall be open at any reasonable time for inspection by duly constituted officers of the party states and by any persons authorized by the commission.

f. Nothing contained herein shall be construed to prevent commission compliance with laws relating to audit or inspection of accounts by or on behalf of any government contributing to the support of the commission.

ARTICLE VII—CONFLICT OF INTEREST

a. The commission shall adopt rules and regulations with respect to conflict of interest for the commissioners of the party states, and their alternates, if any, and for the staff of the commission and contractors with the commission to the end that no member or employee or contractor shall have a pecuniary or other incompatible interest in the manufacture, sale or distribution of motor vehicles or vehicular equipment or in any facility or enterprise employed by the commission or on its behalf for testing, conduct of investigations or research. In addition to any penalty for violation of such rules and regulations as may be applicable under the laws of the violator's jurisdiction of residence, employment or business, any violation of a commission rule or regulation adopted pursuant to this article shall require the immediate discharge of any violating employee and the immediate vacating of membership, or relinquishing of status as a member on the commission by any commissioner or alternate. In the case of a contractor, any violation of any such rule or regulation shall make any contract of the violator with the commission subject to cancellation by the commission.

b. Nothing contained in this article shall be deemed to prevent a contractor for the commission from using any facilities subject to his control in the performance of the contract even though such facilities are not devoted solely to work of or done on behalf of the commission; nor to prevent such a contractor from receiving remuneration or profit from the use of such facilities.

ARTICLE VIII—ADVISORY AND TECHNICAL COMMITTEES

The commission may establish such advisory and technical committees as it may deem necessary, membership on which may include private citizens and public officials, and may co-operate with and use the services of any such committees and the organizations which the members represent in furthering any of its activities.

ARTICLE IX—ENTRY INTO FORCE AND WITHDRAWAL

a. This compact shall enter into force when enacted into law by any six or more states. Thereafter, this compact shall become effective as to any other state upon its enactment thereof.

b. Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until one year after the executive head of the withdrawing state has given notice in writing of the withdrawal to the executive heads of all other party states. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal. [C66, 71, 73, 75, 77, §321D.1]

321D.2 Enforcement. The agencies and officers of this state and its subdivisions and municipalities shall enforce this compact and do all things appropriate to effect its purpose and intent which may be within their respective jurisdictions. [C66, 71, 73, 75, 77, §321D.2]
321E.1 Permits by department. The department and local authorities may in their discretion and upon application and with good cause being shown therefor issue permits for the movement of construction machinery being temporarily moved on streets, roads or highways and for vehicles with indivisible loads carried thereon which exceed the maximum dimensions and weights specified in sections 321.452 to 321.466, but not to exceed the limitations imposed in sections 321E.1 to 321E.15 except as provided in sections 321E.1 to 321E.15 except as provided in sections 321E.29 and 321E.30. Permits so issued may be single-trip permits or annual permits. All permits shall be in writing and shall be carried in the cab of the vehicle for which the permit has been issued and shall be available for inspection at all times. The vehicle and load for which the permit has been issued shall be open to inspection by any peace officer or to any authorized agent of any permit granting authority. When in the judgment of the issuing local authority in cities and counties the movement of a vehicle with an indivisible load or construction machinery which exceeds the maximum dimensions and weights will be unduly hazardous to public safety or will cause undue damage to streets, avenues, boulevards, thoroughfares, highways, curbs, sidewalks, trees, or other public or private property, the permit shall be denied and the reasons therefor endorsed upon the application. Permits issued by local authorities shall designate the days when and routes upon which loads and construction machinery may be moved within the county on other than primary roads. [C31, 35, §§5067-d7, -d8; C39, §§5035.16, 5035.18, 5035.19; C46, 50, 54, 58, 62, 66, §§5021, 521E.4, 521E.3, 521E.2, 521E.1; 73, 75, 77, §§51, 55] Referred to in §§321E.2, 321E.3, 321E.16

321E.2 Primary road extensions. Annual permits and single-trip permits shall be issued by the authority responsible for the maintenance of such system of highways or streets except that the department shall have authority to issue permits on primary road extensions in cities in conjunction with movements on the rural primary road system. [C71, 73, 75, 77, §§321E.2] Referred to in §321E.1

321E.3 Escorts for movement—distance schedules. All movements of mobile homes and other vehicles the width of which, including any load, exceeds the roadway lane width of the highway or street being traversed, shall be under escort. Permits for the movement of indivisible loads and single-trip permits for construction equipment being moved temporarily on highways and streets exceeding fourteen feet in width or mobile homes of widths including appurtenances exceeding twelve feet, five inches shall be restricted to maximum trip distances in accordance with the following schedule:

§321E.4 Adjustments on pavement for variations in road width and traffic. The following adjustments to the schedule under section 321E.3 shall be made for paved surface widths and traffic volumes to arrive at the effective load width used in determining the distance which shall be allowed:

1. For each foot of surface width less than twenty-four feet, two feet shall be added to the actual load width to determine the effective load width.
2. For traffic volumes under four thousand vehicles per day the effective load width shall be determined by subtracting from the actual load width at the rate of two feet for each one thousand vehicles per day.

[C71, 73, 75, 77, §321E.4]

Referred to in §321E.1

§321E.5 Adjustments on gravel roads. The following adjustments to the schedule under section 321E.3 shall be made for gravel surface widths and traffic volumes to arrive at the effective load width used in determining the distance which shall be allowed:

1. For each foot of roadway width more than twenty-four feet, two feet shall be subtracted from the actual load width to determine the effective load width.
2. For traffic volumes under four thousand vehicles per day the effective load width shall be determined by subtracting from the actual load width at the rate of two feet for each one thousand vehicles per day.

Referred to in §321E.1

§321E.6 Variations in road width and traffic. A movement of an indivisible load or construction machinery being temporarily moved over a highway or highways having sections carrying varying volumes of traffic and having varying surface widths shall have its permissible total distance computed on the basis of the lowest volume of traffic or the greatest highway width, whichever produces the greater distance by the foregoing schedule. However, no movement over a section or sections carrying a given shorter permissible maximum shall be greater than that shorter maximum and, in computing the distance which would be traveled on a section or sections having a certain width and traffic volume, distances which would be traveled on sections carrying shorter permissible move distances shall be included. [C71, 73, 75, 77, §321E.6]

Referred to in §321E.1

§321E.7 Load limits per axle. The gross weight on any axle of any vehicle or combination of vehicles traveling under a permit issued in accordance with the provisions of this chapter shall not exceed the maximum axle load prescribed in section 321.463; except that, construction machinery being temporarily moved on streets, roads, or highways may have a gross weight of thirty-six thousand pounds on any single axle equipped with a minimum size twenty-six point five-inch by twenty-five-inch flotation pneumatic tires and a maximum gross weight of twenty thousand pounds on any single axle equipped with minimum size eighteen-inch by twenty-five-inch flotation pneumatic tires, provided that the total gross weight of the vehicle or a combination of vehicles does not exceed a maximum of one hundred twenty-six thousand pounds; and except that a manufacturer of machinery or equipment manufactured or assembled in Iowa may be granted a permit for the movement of such machinery or equipment mounted on pneumatic tires with axle loads exceeding the maximum axle load prescribed in section 321.463 for distances not to exceed twenty-five miles at a speed not greater than twenty miles per hour. 8. Such other information touching the business of the applicant as the department may require.

For the purpose of investigating the matters contained in such application the department may withhold the granting of a license for a period not exceeding thirty days. [C39,§5039.04; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §322.4]

In case the application is denied, the department shall refund the amount of such fee to the applicant.

A motor vehicle dealer may display new motor vehicles at fairs, vehicle shows and vehicle exhibitions. Motor vehicle dealers, in addition to selling vehicles at their principal place of business and car lots, may, upon receipt of a temporary permit approved by the department, display and offer new motor vehicles for sale and negotiate sales of new motor vehicles only at county fairs, as defined in chapter 174, vehicle shows and vehicle exhibitions which fairs, shows and exhibitions are approved by the department and are held in the county of the motor vehicle dealer’s principal place of business. §322.6, MOTOR VEHICLE MANUFACTURERS, DISTRIBUTORS AND DEALERS

him as such, if, after reasonable notice and a hearing, the department determines that such applicant:

1. Has made a material false statement in his application for the license; or

10. If it has been judicially determined that the licensee has intentionally violated any of the provisions of the Iowa consumer credit code, and the licensee continues to make consumer credit sales, consumer loans or consumer leases in violation of the Iowa consumer credit code.

It shall be sufficient cause for refusal or revocation of a license as a motor vehicle dealer in the case of a partnership or corporation if any member of the partnership or any officer or director of the corporation has committed any act or omission which would be cause for refusing or revoking a license to such person as an individual.

In considering whether or not a contract or agreement between a motor vehicle dealer and a manufacturer or distributor of motor vehicles has been terminated by such manufacturer or distributor without just and reasonable cause therefor, the department shall take into consideration the circumstances existing at the time of such termination, including the amount of business transacted by the motor vehicle dealer pursuant to the contract or agreement and prior to such termination; the investment necessarily made and the obligation necessarily incurred by the motor vehicle dealer in the performance of his part of such contract; the permanency of such investment; the reasons for such termination by such manufacturer or distributor and the fact that it is injurious to the public welfare for the business of a motor vehicle dealer to be disrupted by termination of such contract without just and reasonable cause.

Whenever the department determines to deny the application of any person for a license as a motor vehicle dealer and refuses to issue a license to him as such, the department shall enter a final order thereof with its findings relating thereto within thirty days from the date of the hearing thereon. The supplemental statement shall be in the form prescribed by the department and shall disclose such information as would have been required by this chapter if such changes had occurred prior to the licensee making application for a license.

If the department finds that the changes set forth in the supplemental statement do not violate the provisions of this chapter and it grants to the licensee the privilege of doing business in the manner set
forth therein, it shall upon surrender to it of the li-
cense of the motor vehicle dealer, issue to him a new
license appropriate to the dealer's original application

the state of Iowa against such person and any other
person concerned in or in any way participating in or

The buyer shall have the privilege of purchasing such insurance from an agent or broker of his own selection and of selecting an insurance company acceptable to the holder; but in such case the inclusion of the insurance premium in the retail installment contract shall be optional with the seller. If any insurance is canceled, unearned insurance premium refunds received by the holder shall be credited to the final maturing installments of the contract except to the extent applied toward payment for similar insurance protecting the interests of the buyer and the holder or either of them. [C58, 62, 66, 71, 73, 75, 77, §322.18]

[C58, 62, 66, 71, 73, 75, 77, §322.20]

322.21 and 322.22 Repealed by 6ªGA, ch 1250, §9.117.

322.23 Complaints. Any retail buyer having reason to believe that the provisions of this chapter relating to his installment contract have been violated may file with the department a written complaint setting forth the details of such alleged violation and the department, upon the receipt of such complaint, may inspect the pertinent books, records, letters and contracts of the licensee or other person relating to such specific complaint. [C58, 62, 66, 71, 73, 75, 77, §322.23]

322.24 Hearing. The director of transportation shall have the power to issue subpoenas to compel the attendance of witnesses and the production of documents, papers, books, records and other evidence before him in any matter over which he has jurisdiction, control or supervision pertaining to this chapter.

If any person shall refuse to obey any such subpoena, or to give testimony, or to produce evidence as required thereby, any judge of the district court of the state of Iowa in and for Polk county may, upon application and proof of such refusal, make an order awarding process of subpoena, or subpoena duces tecum, out of the said court, for the witness to appear before the director and to give testimony, and to produce evidence as required thereby. Upon filing such order in the office of the clerk of said court, the clerk shall issue process of subpoena, as directed, under the seal of said court, requiring the person to whom it is directed to appear at the time and place therein designated. [C58, 62, 66, 71, 73, 75, 77, §322.24]

For a factory representative or distributor branch representative, five dollars.

Every factory representative or distributor representative shall carry his license when engaged in his business, and display the same upon request. The license shall name his employer, and in case of a change of employer, the representative shall immediately mail his license to the department which shall endorse such change on the license without charge. 322.31 Denial of license. The department may deny the application of any person for a license as a manufacturer, distributor, wholesaler, factory branch, distributor branch, factory representative or distributor representative if after reasonable notice and a hearing the department determines that such applicant has violated any provision of this chapter and may revoke or suspend any such license that has been issued if the department shall determine after reasonable notice and a hearing that such licensee has violated any provision of this chapter. [C66, 71, 73, 75, 77, §322.31]

322.32 Construction of applicability to contracts. Nothing in this chapter shall be construed to impair the obligations of a contract or to prevent a licensee hereunder from requiring performance of a written contract entered into with another licensee hereunder, nor shall the requirement of such performance constitute a violation of any of the provisions of this chapter. [C66, 71, 73, 75, 77, §322.32]

322.33 Applicability of the Iowa consumer credit code.

1. The provisions of the Iowa consumer credit code shall apply to a consumer credit sale in which a licensed motor vehicle dealer participates or engages, and any violation of that code shall be a violation of this chapter.

   b. The franchisee is granted the right to offer and sell motor vehicles manufactured or distributed by the franchiser.

   c. The franchisee, as an independent business, constitutes a component of franchiser's distribution system.

   d. The operation of franchisee's business is substantially associated with the franchiser's trademark, service mark, trade name, advertising, or other commercial symbol designating the franchiser.

   e. The operation of the franchisee's business is substantially reliant on franchiser for the continued supply of motor vehicles, parts, and accessories.

Notwithstanding the terms, provisions or conditions of any agreement or franchise, no franchiser shall terminate or refuse to continue any franchise unless the franchiser has first established, in a hearing held under the provisions of this chapter, that:

1. The franchiser has good cause for termination or noncontinuance, and

2. Upon termination or noncontinuance, another franchise in the same line-make will become effective in the same community, without diminution of the motor vehicle service formerly provided, or that the community cannot be reasonably expected to support such a dealership; provided, however, a franchiser may terminate a franchise for a particular line-make if the franchiser discontinues that line-make and a franchiser may terminate a franchise if the franchisee’s license as a motor vehicle dealer is revoked pursuant to the provisions of chapter 322. [C71, 73, 75, 77, §322A.2] 322A.3 New franchise. In the event that a franchiser is permitted to terminate or not continue a franchise, and is further permitted not to enter into a franchise for the line-make in the community, no franchiser shall thereafter be entered into for the sale of motor vehicles of that line-make in the community, unless the franchiser has first established, in a hearing held under the provisions of this chapter, that there has been a change of circumstances so that the community at that time can be reasonably expected to support the dealership. [C71, 73, 75, 77, §322A.3] 322A.4 Additional franchise. No franchiser shall enter into any franchise for the purpose of establishing an additional motor vehicle dealership in any community in which the same line-make is then represented, unless the franchiser has first established in a hearing held under the provisions of this chapter that there is good cause for such additional motor vehicle dealership under such franchise, and that it is in the public interest. [C71, 73, 75, 77, §322A.4] 322A.5 Warranties. Every franchiser and franchisee shall fulfill the terms of any express or implied warranty concerning the sale of a motor vehicle to the public of the line-make which is the subject of a contract or franchise agreement between the parties. If it is determined by the district court that either the franchiser or franchisee, or both, have violated an express or implied warranty, the court shall add to any award or relief granted an additional award for reasonable attorney fees and other necessary expenses for maintaining the litigation. [C71, 73, 75, 77, §322A.5] 322A.6 Application filed with board. In the event that a franchiser seeks to terminate or not continue any franchise, or seeks to enter into a franchise establishing an additional motor vehicle dealership of the same line-make, the franchiser shall file an application with the board for permission to terminate or not continue the franchise, or for permission to enter into a franchise for additional representation of the same line-make in that community.

An applicant seeking permission to enter into a franchise for additional representation of the same line-make in a community shall deposit with the board at the time the application is filed, an amount of money to be determined by the board to secure the payment of the costs and expenses of the hearing. The applicant shall pay the costs of the hearing. [C71, 73, 75, 77, §322A.6; 67GA, ch 1114, §1] 322A.7 Board to hold hearing. Upon receiving an application, the board shall enter an order fixing a time, which shall be within ninety days of the date of such order, and place of hearing, and shall send by certified or registered mail, with return receipt requested, a copy of the order to the franchisee whose franchise the franchiser seeks to terminate or not continue. If the application requests permission to establish an additional motor vehicle dealership, a copy of the order shall be sent to all franchisees in the community who are then engaged in the business of offering to sell or selling the same line-make. Copies of orders shall be addressed to the franchisee at the place where the business is conducted. The board may also give notice of franchiser’s application to any other parties whom the board may deem interested persons, such notice to be in the form and substance and given in the manner the board deems appropriate.

Any person who can show an interest in the application may become a party to the hearing, whether or not he receives notice; provided, however, a party not receiving notice shall be limited to participation at the hearing on the question of the public interest in the termination or continuation of the franchise or in the establishment of an additional motor vehicle dealership. [C71, 73, 75, 77, §322A.7] 322A.8 Continuation. If the board finds it desirable it may upon request continue the date of hearing for a period of ninety days, and may upon application, but not ex parte, continue the date of hearing for an additional period of ninety days. [C71, 73, 75, 77, §322A.8] 322A.9 Burden of proof. Upon hearing, the franchiser shall have the burden of proof to establish that under the provisions of this chapter he should be granted permission to terminate or not continue the franchise, or to enter into a franchise establishing an additional motor vehicle dealership.

Nothing contained in this chapter shall be construed to require or authorize any investigation by the board of any matter before the board under this chapter. Upon hearing, the board shall hear the evidence introduced by the parties and shall make its decision solely upon the record so made. [C71, 73, 75, 77, §322A.9]
322A.10 Rules of evidence. The rules of civil procedure relating to discovery and inspection shall apply to hearings held under the provisions of this chapter, and the board may issue orders to give effect to such rules.

In the event issues are raised which would involve violations of any state or federal antitrust or price-fixing law, all discovery and inspection proceedings which would be available under such issues in a state or federal court action shall be available to the parties to the hearing, and the board may issue orders to give effect to such proceedings.

Evidence which would be admissible under the issues in a state or federal court action is admissible in a hearing held by the board. The board shall apportion all costs between the parties. [C71, 73, 75, §322A.10]

322A.11 Condition barring change in franchise. Notwithstanding the terms, provisions or conditions of any agreement or franchise, the following shall not constitute good cause for the termination or noncontinuation of a franchise, or for entering into a franchise for the establishment of an additional dealership in a community for the same line-make:

1. The sole fact that franchiser desires further penetration of the market.
2. The change of ownership of the franchisee’s dealership or the change of executive management of the franchisee’s dealership, unless the franchiser, having the burden of proof, proves that such change of ownership or executive management will be substantially detrimental to the distribution of franchiser’s motor vehicles in the community.
3. The fact that the franchisee refused to purchase or accept delivery of any motor vehicle or vehicles, parts, accessories or any other commodity or service not ordered by the franchisee. [C71, 73, 75, §322A.11]

Referred to in §322A 12, 322A.15

322A.12 Sale or transfer of ownership. Notwithstanding the terms, provisions or conditions of any agreement or franchise, subject to the provisions of subsection 2 of section 322A.11, in the event of the sale or transfer of ownership of the franchisee’s dealership by sale or transfer of the business or by stock transfer or in the event of change in the executive management of the franchisee’s dealership the franchiser shall give effect to such a change in the franchise unless the transfer of the franchisee’s license under chapter 322 is denied or the new owner is unable to obtain a license under said chapter, as the case may be. [C71, 73, 75, §322A.12]

322A.13 Compulsory attendance at hearings. The board may issue subpoenas, administer oaths, compel the attendance of witnesses and production of books, papers, documents, and all other evidence. The board may apply to the district court of the county wherein the hearing is being held for a court order enforcing this section. [C71, 73, 75, §322A.13]

322A.14 License to dealer denied. In the event that a franchiser enters into or attempts to enter into a franchise, whether upon termination or refusal to continue another franchise or upon the establishment of an additional motor vehicle dealership in a community where the same line-make is then represented, without first complying with the provisions of this chapter, no license under chapter 322 shall be issued to that franchisee or proposed franchisee to engage in the business of selling motor vehicles manufactured or distributed by that franchiser. [C71, 73, 75, §322A.14]

322A.15 Board’s guidelines. In determining whether good cause has been established for terminating or not continuing a franchise, the board shall take into consideration the existing circumstances, including, but not limited to:

1. Amount of business transacted by the franchisee.
2. Investment necessarily made and obligations incurred by the franchisee in the performance of his part of the franchise.
3. Permanency of the investment.
4. Whether it is injurious to the public welfare for the business of the franchisee to be disrupted.
5. Whether the franchise has adequate motor vehicle service facilities, equipment, parts and qualified service personnel to reasonably provide consumer care for the motor vehicles sold at retail by the franchisee and any other motor vehicles of the same line-make.
6. Whether the franchisee refuses to honor warranties of the franchiser to be performed by the franchisee, provided that the franchiser reimburses the franchisee and any other motor vehicles of the same line-make.
7. Except as provided in section 322A.11, failure by the franchisee to substantially comply with those requirements of the franchise which are determined by the board to be reasonable and material.
8. Except as provided in section 322A.11, bad faith by the franchisee in complying with those terms of the franchise which are determined by the board to be reasonable and material. [C71, 73, 75, §322A.15]

322A.16 Board’s additional guidelines. In determining whether good cause has been established for entering into an additional franchise for the same line-make, the board shall take into consideration the existing circumstances, including, but not limited to:

1. Amount of business transacted by other franchisees of the same line-make in that community.
2. Investment necessarily made and obligations incurred by other franchisees of the same line-make, in that community, in the performance of their part of their franchises.
3. Permanency of the investment.
4. Effect on the retail motor vehicle business as a whole in that community.
5. Whether it is injurious to the public welfare for an additional franchise to be established.

§322A.17 Judicial review. Judicial review of actions of the board may be sought in the manner provided for in section 322.10. [71, 73, 75, 77, §322A.17] Constitutionality, 68GA, ch 1190, §15

A franchiser shall not terminate or refuse to renew a distributor franchise unless the franchiser gives to the distributor thirty days' written notice of franchiser's intent to terminate or not renew. Notice shall be given by restricted certified mail, as defined in section 618.15. If a distributor, within thirty days after the date of delivery of the notice from the franchiser, applies to the commission for a hearing under this chapter, the distributor franchise shall remain in effect pending a final order by the commission. Upon hearing, if the commission finds the statements contained in the application are true, then the franchiser or distributor that intends to terminate or not renew the distributor franchise or dealer franchise shall have the burden of proof to establish that the franchiser or distributor, as the case may be, has good cause for terminating or not renewing the franchise.

DIVISION I
MOTOR FUEL TAX

Referred to in §§324.32, 324.38(4), 324.54, 324.56, 324.57, 324.65

324.1 Short title. This division, plus applicable provisions of division IV of this chapter and any amendments to either shall be known and may be cited as the “Motor Fuel Tax Law,” and as so constituted is hereinafter referred to as this division.

[324.2 “Gosohol” defined Ch 1111 §1—68GA]

324.2 Definitions. As employed in this division:
1. “Motor fuel” shall mean (a) all products commonly or commercially known or sold as gasoline (including casinghead and absorption or natural gasoline) regardless of their classifications or uses; and (b) any liquid advertised, offered for sale, sold for use as, or commonly or commercially used as a fuel for propelling motor vehicles, which when subjected to distillation of gasoline, naphtha, kerosene and similar petroleum products (American Society of Testing Materials Designation D-86), show not less than ten per centum distilled (recovered) below three hundred and forty degrees Fahrenheit (one hundred seventy-five degrees Centigrade); provided, that the term “motor fuel” shall not include special fuel as defined in section 324.33, subsection 1, and shall not include liquefied gases which would not exist as liquids at a temperature of sixty degrees Fahrenheit and a pressure of fourteen and seven-tenths pounds per square inch absolute, nor naphthas and solvents as hereinafter defined unless the liquefied gases or naphthas and solvents are used as a component in the manufacture, compounding, or blending of a liquid within (b) above, in which event the resulting product shall be deemed to be motor fuel.
2. “Distributor” shall mean and include any person who first receives motor fuel within this state (within the meaning of the word “received” as hereinafter defined), and any person now or hereafter engaged in the business of selling motor fuel to a dealer in this state for resale, and shall include any person who sells special fuel as defined in section 324.33, subsection 1, in bulk for highway use provided that a person may bring into this state not to exceed twenty gallons of motor fuel in the fuel supply tank, or any other container, directly connected to the motor of a motor vehicle without becoming a distributor.
3. “Licensee” shall mean and include any person holding an uncancelled distributor’s license issued by the department of revenue under this division or any prior motor fuel tax law.
4. “Dealer,” “agent” and “consignee” shall mean and include any person (except distributors as herein defined) now or hereafter engaged in the business of selling motor fuel in this state.
5. “Motor fuel deemed received.” a. Motor fuel received at a refinery in this state and placed in tanks thereat, and motor fuel transferred from a refinery or a marine or pipe-line terminal in this state or from points outside this state to a refinery or a marine or pipe-line terminal in this state and placed in tanks thereat, shall be deemed received, for the purposes of this division, at the time withdrawn from such refinery or terminal storage for sale or use in this state or for transportation to destinations in this state other than refineries or marine or pipe-line terminals and not before.

When withdrawn from refinery or terminal storage as aforesaid, the motor fuel shall be deemed received by the person who was the owner thereof immediately prior to withdrawal, unless (1) the motor
fuel is withdrawn for shipment or delivery to a licensee, in which case the motor fuel shall be deemed received by the licensee to whom shipped or delivered or (2) the motor fuel is withdrawn for shipment or delivery to a nonlicensee for the account of a licensee in which case the motor fuel shall be deemed received by the licensee for whose account the shipment or delivery to the nonlicensee is made.

b. Motor fuel imported into this state, other than that placed in storage at refineries or terminals as set out in paragraph “a” above, shall be deemed received at the time unloaded in this state and by the person who is the owner thereof immediately after it is unloaded in this state, except that if motor fuel so imported is used in this state directly from the transportation equipment by which imported then the motor fuel shall be deemed received at the time it is brought into this state and by the person using the motor fuel within this state; provided, however, that if motor fuel shipped or brought into this state by a licensee is sold and delivered directly to a nonlicensee in this state, then the gallonage so delivered shall be deemed received by the licensee shipping or bringing the motor fuel into this state.

c. Motor fuel produced, compounded, or blended in this state other than at a refinery, marine or pipeline terminal, shall be deemed to be received at the time and by the person who is the owner thereof when the same is so produced, compounded or blended.

d. Motor fuel acquired in this state by any person, other than as set out in paragraphs “a,” “b,” or “c” above, shall, unless the person from whom the same is acquired has paid or incurred liability with respect thereto for the tax herein imposed, or unless the same be exempt under this division, be deemed to be received by the person so acquiring the same at the time so acquired.

Except as hereinafore set forth, the word “received” shall be given its usual and customary meaning.

6. “Naphthas and solvents” shall mean and include those liquids which come within the distillation specifications for motor fuel set out under subsection 1, paragraph “b,” but which are designed and sold for exclusive use other than as a fuel for propelling motor vehicles. [C27, 31,§5093-a; C35,§5093-f; C39,§5093-f2; C46, 50, 54,§324.1; C58, 62, 66, 71, 73, 75, 77,§824.2]

Referred to in §422.110 See §5093.03, 324.57

324.3 Levy of excise tax—exemptions—credits.
For the privilege of operating motor vehicles in this state an excise tax of eight and one-half cents per gallon beginning July 1, 1978, and ten cents per gallon beginning July 1, 1979 is hereby imposed upon the user shall file with the department of revenue, prior to January 15 in each year, a report of the number of gallons of special fuel tax subject to refund and any other information required by the department necessary to process the refund.

Each state agency and political subdivision of the state which has purchased special fuel tax free as a user shall file with the department of revenue, prior to January 15 in each year, a report of the number of gallons of special fuel tax whose special fuel tax subject to refund and any other information required by the department necessary to process the refund.

The tax shall be paid in the first instance by the distributor upon the invoiced gallonage of all motor fuel received by the distributor in this state, within the meaning of the word “received” as defined in this division, less the deductions hereinafter authorized. Thereafter, except as otherwise provided, the per gallon amount of such tax shall be added to the selling price of each and every gallon of such motor fuel sold in this state and collected from the purchaser to the end that the ultimate consumer shall bear the burden of such tax; provided, however, that no tax shall be imposed or collected under this division with respect to the following:

1. Motor fuel sold for export or exported from this state to any other state, territory, or foreign country.

2. Motor fuel sold to the United States or any agency or instrumentality thereof.

3. Motor fuel sold to any post exchange or other concessionaire on any federal reservation within this state; but the tax on motor fuel so sold, to the extent permitted by federal law, shall be collected by the post exchange or concessionaire, reported and paid the department of revenue.

4. Motor fuel used in the operation of an Iowa urban transit system. Any fuel sold to an Iowa urban transit system which is used for any purpose other than as specified in section 324.57, subsection 9, shall not be exempt from the tax.
324.4 Distributor’s license. It shall be unlawful for any person to receive motor fuel within this state or to otherwise act as a distributor or to sell special fuel in bulk for highway use unless he holds an uncancelled distributor’s license issued by the department of revenue. To procure a license a distributor shall file with the department of revenue an application signed under penalty for false certificate and in such form as the department of revenue may prescribe, setting forth:

1. The name under which the distributor will transact business in the state of Iowa.

2. The location, with street number address, of the principal office or place of business of the distributor within this state.

3. The name and complete residence address of the owner or the names and addresses of the partners, if the distributor is a partnership, or the names and addresses of the principal officers, if the distributor is a corporation or association.

Concurrently with the filing of an application for a license, every distributor shall file with the department of revenue a bond of the character and in the amount provided for in this division. No license shall be issued unless application is accompanied by the bond, nor, if the applicant is a foreign corporation, unless it is at the time properly qualified under the laws of this state to do business therein.

If (a) any application for a license to transact business as a distributor in this state shall be filed by any person whose license shall have been canceled for cause at any time theretofore under the provisions of the chapter or any prior motor fuel tax law, or (b) the department of revenue shall be of the opinion that such application is not filed in good faith, or (c) the application is filed by some person as a subterfuge for the real person in interest whose license or registration theretofore have been canceled for cause under the provisions of this chapter or any prior motor fuel tax law, the department of revenue, after a hearing of which the applicant shall have been given fifteen days’ notice in writing and in which said applicant shall have the right to appear in person or by counsel and present testimony, shall have and is hereby given the right and authority to refuse to issue to the applicant a distributor’s license.

Upon the filing of the application, a filing fee of ten dollars shall be paid to the department of revenue.

The application in proper form having been accepted for filing, the filing fee paid, the bond having been accepted and approved and the other conditions and requirements of this section having been complied with, the department of revenue shall issue to the applicant a license to transact business as a distributor in this state. The license shall remain in full force and effect until canceled as provided in this chapter.

The license shall not be assignable, and shall be valid only for the distributor in whose name issued, and shall be displayed conspicuously in the principal place of business of the distributor in this state.

The department of revenue shall keep and file all applications and bonds with an alphabetical index thereof, together with a record of all licensees.

324.7 Repealed by 66GA, ch 25, §4.

324.8 Tax reports—computation and payment of tax—credits. For the purpose of determining the amount of his liability for the tax herein imposed, each distributor shall, not later than the last day of the month next following the month in which this division becomes effective and not later than the last day of each calendar month thereafter, file with the department of revenue a monthly report, signed.
under penalty for false certificate, which shall include the following:

1. A statement of the number of invoiced gallons of motor fuel received (within the meaning of the term "received" as defined in this division) by the distributor within this state during the next preceding calendar month in such detail as is prescribed by the department of revenue and as may be necessary for the proper administration of this division.

2. A statement showing the deductions authorized in this division in such detail and with such supporting evidence as is prescribed by the department of revenue and as may be for proper administration of this division.

3. Such other information as the department of revenue may require for the enforcement of this chapter.

At the time of filing each monthly report, each distributor shall pay to the department of revenue the full amount of the motor fuel tax due from the distributor for the month preceding calendar month computed as follows:

4. From the total number of invoiced gallons of motor fuel “received” by the distributor within the state during the next preceding calendar month shall be made the following deductions:

First, the gallonage of motor fuel received and thereafter sold within the exemptions provided for in section 324.3; and second, the number of gallons of motor fuel equal to three per centum of the first three hundred thousand gallons and one and one-quarter per centum of all gallonage in excess of three hundred thousand gallons of invoiced gallons of motor fuel received by the distributor within this state during the next preceding calendar month, this percentage being a flat allowance to cover evaporation, shrinkage, and losses, other than those provided for in section 324.3, and the distributor’s expenses and losses in collection, accounting for, and paying over the motor fuel tax.

5. The number of invoiced gallons remaining after the deductions hereinabove set forth shall be multiplied by the per gallon motor fuel tax rate and resulting figure shall be the amount of motor fuel tax in dollars and cents due from the distributor for the next preceding calendar month. Any outstanding credit memoranda issued by the department of revenue to the distributor may be applied against the amount due. [C27, 31,§§5093-a5, -b1; C35,§5093-f9; C39,§5093.09; C46, 50, 54,§324.13–324.15, 324.17, 324.29; C58, 62, 66, 71, 73, 75, 77,§324.8]

324.10 Required distributor and special fuel distributor and dealer records. Each motor fuel distributor and special fuel distributor shall maintain and keep for a period of three years, such records of all transactions by which he receives, uses, sells, delivers or otherwise disposes of motor fuel within this state, together with invoices, bills of lading and other pertinent records and papers as may reasonably be required by the department of revenue for the administration of this division.

If in the normal conduct of a distributor’s business his records are maintained and kept at an office outside the state of Iowa, it shall be a sufficient compliance with this section if the records are made available for audit and examination by the department of revenue at the office outside Iowa, but such audit and examination outside Iowa shall be without expense to the state.

Each dealer handling motor fuel in this state shall maintain and keep for a period of two years records of all motor fuel purchased or otherwise acquired by him, together with delivery tickets, invoices, and bills of lading, and such other pertinent records as the department of revenue shall require.

The department of revenue, after an audit and examination of the records of a distributor or dealer may authorize their disposal, the authorization to be in writing after request by the distributor or dealer. [C27, 31,§§5093-a4, -a5; C35,§5093-f5, -f8; C39,§§5093.05, 5093.08; C46, 50, 54,§324.7, 324.11; C58, 62, 66, 71, 73, 75, 77,§324.10]

324.11 Registration of carrier transportation equipment and identification of all highway transportation equipment.

1. Any person operating as a common or contract carrier and any distributor who is also engaged in transportation within this state of motor fuel or special fuel for others, shall register with the state department of transportation as additional equipment is put to use, each vehicle used to transport motor fuel or special fuel in this state, except railroad, water-vessel or pipe-line equipment. The registration shall be on forms furnished by and shall contain such information as may reasonably be required by the state department of transportation. A fee of five dollars shall be paid to the state department of transportation for original registration of each vehicle. The state department of transportation shall furnish to the registrant for each vehicle registered suitable identification which shall be permanently attached to the vehicle and shall be available for inspection at all times. When any registered vehicle’s use for the transportation of motor fuel or special fuel for others is discontinued, the registrant shall notify the state department of transportation and shall either surrender to the state department of transportation or, subject to the approval of the state department of transportation, transfer the vehicle identification issued under this section to another vehicle. On or before the first day of July of each year, each carrier as aforesaid shall file with the state department of transpor-
tation a statement showing each registered vehicle then in use for transportation of motor fuel or special fuel for others.

2. Each vehicle used by a carrier, distributor or any person in the transportation on the highways in this state of fuels for motor vehicles shall be identified by having shown thereon, in lettering at least six inches in height made with a stroke of not less than three-fourths inch in width and of a color contrasting to that of the background upon which the lettering is placed, the name and address of the person transporting the fuel. The identification shall be placed on both sides of the vehicle; provided, that, transportation equipment operated by a licensee shall be identified with his distributor’s license number in which case the trade or produce name or insignia generally used in identifying the highway transportation equipment of the licensee and well known and recognized throughout the area in which the transportation equipment is operated, may be shown in lieu of the name and address of the licensee.

3. The state department of transportation shall have the power to refuse to register a vehicle owned or used by any person, either directly or indirectly, who has had a license revoked for cause which license was issued under the provisions of this chapter or any prior motor fuel tax law.

4. A manifest of past cargoes need not be preserved by any person in the transportation on the highways in this state via the highways of this state in service other than that covered in subsection 1 of this section unless such manifest or loading and delivery invoices pertaining to the load and trip in question and shall permit the officer to inspect and measure the contents of the vehicle. If the vehicle operator fails to produce the covering evidence or if, when produced, it fails to contain the required information and if it appears that there is an attempt to evade payment of the motor fuel tax, then the officer or other person authorized to make the inquiry may take and impound the motor fuel together with the conveying vehicle until the tax on the motor fuel together with penalty, if an attempt to evade payment of the motor fuel is involved, amounting to one hundred percent of the tax have been paid. In case the tax and penalty found to be due are not paid within forty-eight hours after the taking of the property, the department of revenue may proceed to sell the vehicle and its cargo in the manner provided by law for the sale of personal property by the sheriff under execution.

5. The date and place of loading, the place to be unloaded, the person for whom it is to be delivered, the nature and kind of product, and the amount thereof and such other information as is called for in the forms prescribed or approved by the department of revenue. The manifest covering each load transported upon consummation of the delivery shall be completed showing the date and place of actual delivery and the person to whom actually delivered and shall be kept as a permanent record for a period of three years, provided, however, that the record of the manifest of past cargoes need not be carried on the conveyance but must be preserved by the carrier for the inspection of the department of revenue. A carrier subject to this subsection may with the approval of the department of revenue when distributing for a licensee substitute the loading and delivery evidence required in subsection 2 of this section.

2. Every distributor or other person while transporting motor fuel from a refinery or marine or pipeline terminal in this state or from a point outside this state via the highways of this state in service other than that covered in subsection 1 of this section shall carry in the vehicle a loading invoice showing the true name and address of the seller or consignor, the date and place of loading and the kind and quantity of motor fuel loaded, together with invoices showing the kind and quantity of each delivery therefrom, and the name and address of each purchaser or consignee.

2. Every distributor or other person while transporting motor fuel from a point outside this state to any point in this state shall, subject to penalties for false certificate, report to the department of revenue on forms prescribed by the department of revenue all deliveries of motor fuel to points within this state other than refineries or marine or pipeline terminals. If any distributor or dealer is also engaged in the transportation of motor fuel for others, he shall make the same reports as required of common and contract carriers.
The report shall cover monthly periods and shall show as to each delivery:

a. The name and address of the person to whom actually and in fact made.
b. The name and address of the originally named consignee, if delivered to any other than the originally named consignee.
c. The point of origin, the point of delivery, and the date of delivery.
d. The number and initials of each tank car and the number of gallons contained therein, if shipped by rail.
e. The name of the boat, barge, or vessel, and the number of gallons contained therein, if shipped by water.
f. The registration number of each tank car and the number of gallons contained therein, if transported by motor truck.
g. The manner, if delivered by other means, in which the delivery is made.

Such additional information relative to shipments of motor fuel as the department of revenue may require.

If any person required under this section to file transportation reports is a licensee under this division and if the information required in his transportation report is contained in any other report rendered by him under this division no separate transportation report of that information shall be required.

Every person operating storage facilities at a refinery or at a marine or pipe-line terminal in this state shall monthly make an accounting to the department of revenue of all motor fuel withdrawn from the refinery storage and all motor fuel delivered into, withdrawn from and on hand in the terminal storage.

The reports required in this section shall be for information purposes only and the department of revenue may in its discretion waive the filing of any of these reports not necessary for proper administration of this division. The reports required in this section shall be certified under penalty for false certificate and filed with the department of revenue within the time allowed for filing of distributors' reports of motor fuel received. [C27, 31, §5093-a6; C35, §5093-f25, -f26, -f27; C39, §5093.25-5093.27; C46, 50, 54, §324.46-324.48; C58, 62, 66, 71, 73, 75, 77, §324.15]

324.16 Credit to licensee—nonmotor vehicle or watercraft use—casualty losses—nontaxable products—refunds. A licensee having received motor fuel or special fuel which thereafter (1) he uses for any purpose other than as fuel for propelling motor vehicles or watercraft or (2) while owned by him is lost or destroyed through accountable leakage or through fire, accident, lightning, flood, storm, act of war or public enemy or other like cause, shall upon application to the department of revenue supported by two notarized affidavits covering circumstances of loss as proof, be entitled to a memorandum of credit which the gallonage covered in the application is no longer engaged in activity for which his license was issued, the department of revenue shall refund the appropriate amount to the applicant. [C27, 31, §5093-a8; C35, §5093-f29; C39, §5093.29; C46, 50, 54, §324.50, 324.56; C58, 62, 66, 71, 73, 75, 77, §324.16]

324.17 Refund to nonlicensee—fuel used other than in watercraft or motor vehicles. Any person other than a licensee who shall use motor fuel for the purpose of operating or propelling farm tractors, corn shellers, roller mills, truck-mounted feed grinders, stationary gas engines, aircraft, for cleaning or dyeing or for any purpose other than in watercraft or in motor vehicles operated or intended to be operated upon the public highways and having paid the motor fuel tax on the fuel either directly to the department of revenue or by having the tax added to the price of the fuel, and who has a refund permit shall, upon presentation to and approval by the department of revenue of a claim for refund be reimbursed and repaid the amount of the tax which the claimant has paid on the gallonage so used. Every claim filed subsequent to July 4, 1957, shall be subject to the following conditions:

1. The claim shall be on a form prescribed by the department of revenue and be certified by the claimant under penalty for false certificate.

2. The claim shall have attached thereto the original invoice or invoices showing the purchase of the motor fuel on which a refund is claimed.

3. No invoice shall be acceptable in support of a claim for refund unless it is a separate serially numbered invoice covering no more than one purchase of motor fuel, prepared by the seller on a form approved by the department of revenue with double faced carbon paper under the original; nor unless it is legibly written with no corrections or erasures and shows the date of sale, the name and address of the seller and of the purchaser, the kind of motor fuel, the gallonage in words and figures, the per gallon price of the motor fuel, the per gallon rate of any tax added to the product price, the total purchase price including the Iowa motor fuel tax and that the total purchase price including tax has been paid; provided, that as to refund invoices made on a billing machine the department of revenue may waive any of the requirements of this subsection.

4. The claim shall state the gallonage of motor fuel that was used or will be used by the claimant other than in watercraft or motor vehicles, the manner in which the motor fuel was used or will be used and the equipment in which it was used or will be used.

5. The claim shall also state whether or not the claimant used fuel for watercraft or motor vehicles from the same tanks or receptacles in which the claimant kept the motor fuel on which the refund is claimed.

6. No refund will be paid with respect to any motor fuel taken out of this state in fuel supply tanks of motor vehicles.

7. No refund shall be paid with respect to motor fuel purchased more than three calendar months prior to the date the claim was filed with the department of revenue.

8. No refund shall be paid with respect to motor fuel used in the performance of a contract which is
paid out of state funds unless the contract for the work contains a certificate made under penalty for false certificate that the estimate, bid or price to be paid for the work includes no amount representing motor fuel tax subject to refund.

9. If an original invoice is lost or destroyed the department of revenue may in its discretion approve a refund supported by a copy identified and certified by the seller as being a true copy of the original.

10. The right of a person to a refund under this section shall not be assignable. Claim shall be made by and the amount of the refund when determined by the department of revenue shall be paid to the person who purchased the motor fuel as shown in the supporting invoice.

11. In order to verify the validity of a claim for refund the department of revenue shall have the right to require the claimant to furnish such additional proof of validity as the department of revenue may determine and to examine the books and records of the claimant. Failure of the claimant to furnish his books and records shall constitute a waiver of all rights to refund related to the transaction in question.

12. Refund may also be made on special fuel taxes paid on fuel consumed in the operation of corn shellers, roller mills and feed grinders mounted on trucks under the same conditions as provided by law for refunds on motor vehicle fuel.

13. Refunds shall be made of motor vehicle fuel taxes paid on motor fuel placed in motor vehicles and used, other than on public highways, in the extraction and processing of natural deposits, without regard to whether such motor vehicles are registered under section 324.18. 16. In order to verify the validity of a claim for refund the department of revenue shall have the right to require the claimant to furnish such additional proof of validity as the department of revenue may determine and to examine the books and records of the claimant. Failure of the claimant to furnish his books and records shall constitute a waiver of all rights to refund related to the transaction in question.

17. Refund may also be made on special fuel taxes paid on fuel consumed in the operation of corn shellers, roller mills and feed grinders mounted on trucks under the same conditions as provided by law for refunds on motor vehicle fuel.

18. Refunds shall be made of motor vehicle fuel taxes paid on motor fuel placed in motor vehicles and used, other than on public highways, in the extraction and processing of natural deposits, without regard to whether such motor vehicles are registered under section 324.18. In order to verify the validity of a claim for refund the department of revenue shall have the right to require the claimant to furnish such additional proof of validity as the department of revenue may determine and to examine the books and records of the claimant. Failure of the claimant to furnish his books and records shall constitute a waiver of all rights to refund related to the transaction in question.

22. Refund may also be made on special fuel taxes paid on fuel consumed in the operation of corn shellers, roller mills and feed grinders mounted on trucks under the same conditions as provided by law for refunds on motor vehicle fuel.

23. Refunds shall be made of motor vehicle fuel taxes paid on motor fuel placed in motor vehicles and used, other than on public highways, in the extraction and processing of natural deposits, without regard to whether such motor vehicles are registered under section 324.18. Nothing contained herein shall prohibit or restrict the distribution of earnings to the members of any distributor or person, nor to the distribution to consumers of road maps, publicity and other advertising media carrying the name of the distributor, person, or produce. Each day the required placard remains unposted or an unauthorized placard remains posted, or each deviation from the posted price, shall be considered a separate offense. 324.36 Special fuel dealers' and special fuel users' licenses.

1. Required. It shall be unlawful for any person to act as a special fuel dealer in this state unless he holds an uncanceled special fuel dealer's license issued to him by the department of revenue. Except for special fuel which is delivered by a special fuel dealer into a fuel supply tank of any motor vehicle in this state, the use (as herein defined) of special fuel in this state by any person shall be unlawful unless he holds an uncanceled special fuel user's license issued to him by the department of revenue.

2. Application. Application for a special fuel dealer's license or a special fuel user's license shall be made to the department of revenue. A special fuel dealer's license or a special fuel user's license, whichever is applicable, shall be required for each separate place of business or location where special fuels are regularly delivered or placed into the fuel supply tank of a motor vehicle. Provided, that, if a special fuel dealer also operates one or more bulk plants from which the distribution of a special fuel is primarily by tank vehicle, he need not obtain a separate license for any of these plants not provided with fixed equipment designed for fueling vehicles.

3. Form of application. The application shall be filed upon a form prepared and furnished by the department of revenue and shall contain such information as the department of revenue deems necessary.

4. Issuance. Upon receipt of the application, the department of revenue shall issue to the applicant a license to act as a special fuel dealer or a special fuel user; provided, however, the department of revenue may refuse to issue a special fuel dealer's license or a special fuel user's license to any person: (a) who formerly held either type of license and which has been revoked for cause; or (b) who is a subterfuge for the real party in interest whose license has been revoked for cause; or (c) upon other sufficient cause being shown. Before refusal, the department of revenue shall grant the applicant a hearing and give him at least fifteen days' written notice of the time and place thereof.

5. Expiration of license. Each special fuel dealer's license and special fuel user's license shall be valid until suspended or revoked for cause or otherwise canceled.

6. Assignment forbidden. No special fuel dealer's license or special fuel user's license shall be transferable. 324.37 Special fuel dealers' and special fuel users' records. For each location where special fuel is delivered or placed into the fuel supply tank of a motor vehicle, the special fuel dealer or user making the delivery shall prepare and maintain for a period of three years such records as the department of revenue may reasonably require with respect to all these deliveries, and with respect to inventories, receipts, purchases, and sales or other dispositions of special fuel. [C27, §5098-85; C38, §§5098-f14; C39, §§5098.14; C46, 50, 54, §§324.25-324.29; C58, 62, 66, 71, 73, 75, 77, §§324.37]

1. Returns. For the purpose of determining the amount of his liability for special fuel tax each special fuel dealer and each special fuel user shall file with
§324.38, MOTOR FUEL TAX LAW

the department of revenue not later than the last day of the month next following the month in which this division becomes effective and not later than the last day of each calendar month thereafter a monthly tax return certified under penalties for false certificate. The return shall show, with reference to each location at which special fuel is delivered or placed by the dealer or user into a fuel supply tank of any motor vehicle during the next preceding calendar month, such information as the department of revenue may reasonably require for the proper administration and enforcement of this division; provided, however, that if a special fuel dealer or user is also a wholesale distributor of special fuel at a location where special fuel is delivered into the supply tank of a motor vehicle, the monthly return to the department of revenue covering the location need not include inventory control data covering bulk storage from which wholesale distribution of special fuel is made.

2. Computation. The amount of tax due shall be computed by multiplying the appropriate tax rate per gallon by the number of gallons of special fuel delivered or placed by the special fuel dealer or user into supply tanks of motor vehicles.

3. Payments. The return shall be accompanied by remittance in the amount of the tax due for the month in which the special fuel was placed in the fuel tanks of motor vehicles.

4. Reporting exemption for authorized tax-paid purchases. Any special fuel dealer or user licensed under this division may upon application in writing to the department of revenue and at the discretion of the director of revenue, be authorized, subject to regulations prescribed by the department of revenue, to purchase on a tax-paid basis from any supplier licensed as a distributor under division I of this chapter all special fuel acquired by the dealer or user for subsequent delivery into the fuel supply tanks of motor vehicles. Every supplier so licensed who sells or delivers special fuel to a tax-paid basis to special fuel dealers or users or special fuel dealers authorized as aforesaid shall make a return of these tax-paid sales to the department of revenue accompanied by payment of the special fuel tax on the tax-paid gallonage sold or delivered. The return and payment shall be made at the same time as the supplier's motor fuel tax return or special fuel tax return for the month in which the covered sales or deliveries were made.

5. Exception for fueling by licensed dealers. No return need be made by any special fuel user, not licensed as a special fuel dealer, whose entire use of special fuels in this state is limited solely to special fuels delivered into the fuel supply tank of the user's motor vehicles by special fuel dealers.

6. Presumption. For purposes of this section there shall be a prima-facie presumption that all special fuel received by a special dealer or special fuel user into storage and dispensing equipment designed to fuel motor vehicles is to be delivered by the special fuel dealer or special fuel user into the fuel supply tanks of motor vehicles. DIVISION III

MOTOR FUEL AND SPECIAL FUEL USE TAX FOR INTERSTATE MOTOR VEHICLE OPERATIONS

Referred to in §324.57, 324.58, 324.65

324.50 Short title. This division and applicable provisions of division IV of this chapter and any amendments to either shall be known and may be cited as the “Interstate Fuel Use Tax Law,” and as so constituted is hereinafter referred to as this division. [C35,§5093-f40; C39,§5093.39; C46, 50, 54,§324.66; C58, 62, 66, 71, 73, 75, 77,§324.50]

Similar provision, §§324.1, 324.31

324.51 Purpose. The purpose of this division is to provide an additional method of collecting fuel taxes from interstate motor vehicle operators commensurate with their operations on Iowa highways; and to permit the state department of transportation to suspend this collection as to transportation entering Iowa from any other state where it appears that Iowa highway fuel tax revenue and interstate highway transportation moving out of Iowa will not be unduly prejudiced thereby. [C27, 31,§§4755-b38, 5093-a1; C35,§5093-f3; C39,§5093.03; C46, 50, 54,§324.2; C58, 62, 66, 71, 73, 75, 77,§324.51; 67GA, ch 1115,§2]

324.52 Fuels imported in supply tanks of motor vehicles. No person shall bring into this state in the fuel supply tanks of a commercial motor vehicle, or any other container, regardless of whether or not the supply tanks are connected to the motor of the vehicle, any motor fuel or special fuel to be used in the operation of the vehicle in this state unless that person has paid or made arrangements in advance with the state department of transportation for payment of Iowa fuel taxes on the gallonage consumed in operating the vehicle in this state; except that this division shall not apply to a private passenger automobile.

Any person who is unable to display either of the permits provided in section 324.53 and brings into the state in the fuel supply tanks of a commercial motor vehicle more than thirty gallons of motor fuel or special fuel in violation of the provisions of the preceding paragraph is guilty of a simple misdemeanor. [C35,§5093-f19; C39,§5093.19; C46, 50, 54,§324.84, 324.37; C58, 62, 66, 71, 73, 75, 77,§324.52; 66GA, ch 1245(4),§300; 67GA, ch 107,§8, ch 1115,§3]

Referred to in §§324.50, 753.15

324.53 Permit—bond. The advance arrangements referred to in the preceding section shall include the procuring of a permanent interstate fuel permit or single trip interstate permit and may at the discretion of the state department of transportation include the posting of a suitable indemnity bond in a sum to be fixed by the state department of transportation to assure the required reporting, tax payments and the keeping of required records.

Persons choosing not to make advance arrangements with the state department of transportation by procuring a permit are not relieved of their responsi-
bility to purchase motor fuel and special fuel commensurate with their use of the state’s highway system. The state department of transportation may audit persons not holding a permit who are suspected of evading the fuel tax on commercial motor vehicles. Audits shall be conducted pursuant to section 324.55.

A permanent permit may be obtained upon application to the state department of transportation. A fee of five dollars shall be charged for each permit issued. The holder of a permanent permit shall have the privilege of bringing into this state in the fuel supply tanks of commercial motor vehicles any amount of motor fuel or special fuel to be used in the operation of the vehicles and for that privilege shall pay Iowa motor fuel or special fuel taxes as provided in section 324.54. A single trip interstate permit as provided for in this section may be obtained from the state department of transportation. A fee of twelve dollars shall be charged for each individual single trip interstate permit issued. A single trip interstate permit shall be subject to the following provisions and limitations:

1. The permit shall be issued and be valid for seventy-two consecutive hours, except in emergencies, or until the time of leaving the state, whichever first occurs.

2. The permit shall cover only one commercial motor vehicle and is not transferable.

3. Single trip interstate fuel permits may be made available from sources other than indicated in this section at the discretion of the state department of transportation.

Each vehicle operated into or through Iowa in interstate operations using motor fuel or special fuel acquired in any other state shall carry in or on the vehicle a duplicate or evidence of the permit required in this section. A fee not to exceed fifty cents shall be charged for each duplicate or other evidence of permit issued. [C35, §§5093-191, -209; C39, §§5093.19, 5093.20; C46, 50, 54, §324.38; C58, 62, 66, 71, 73, 75, 77, §324.53; 67GA, ch 107, §4, ch 1115, §4]

Referred to in §324.52

324.54 Fuel tax computation—refund—reporting and payment. Fuel tax liability under this division shall be computed on the total number of gallons of each kind of motor fuel and special fuel consumed in the operation in Iowa by commercial motor vehicles subject to this division at the same rate for each kind of fuel as would be applicable if taxed under division I or division II of this chapter. A refund against the fuel tax liability so computed shall be allowed, on excess Iowa motor fuel purchased, in the amount of fuel tax paid at the prevailing rate per gallon set out in this section if the records are made available for audit and examination by the state department of transportation at the office outside Iowa.

The holder of a permanent permit may make application to the state department of transportation for a refund, not later than thirty days after the last day of the quarter in which the overpayment of Iowa fuel tax paid on excess purchases of motor fuel or special fuel was reported as provided in section 324.8, and which application is supported by such proof as the state department of transportation may require. The state department of transportation shall refund Iowa fuel tax paid on motor fuel or special fuel purchased in excess of the amount consumed by such commercial motor vehicles in their operation on the highways of this state.

Application for a refund of fuel tax under the provisions of this division must be made for each quarter in which the excess payment was reported, and will not be allowed unless the amount of fuel tax paid on the fuel purchased in this state, in excess of that consumed for highway operation in this state in the quarter applied for, is in an amount exceeding ten dollars. An application for a refund of excess Iowa fuel tax paid under the provisions of this division which is filed for any period or in any manner other than herein set out shall not be allowed.

To determine the amount of fuel taxes due under this division and to prevent the evasion thereof, the state department of transportation shall require a quarterly report on forms prescribed by the state department of transportation. It shall be filed not later than the last day of the month following the quarter reported, and each quarter thereafter. These reports shall be required of all persons who have been issued a permit under this division and shall cover actual operation and fuel consumption in Iowa on the basis of the permit holder’s average consumption of fuel in Iowa, determined by the total miles traveled and the total fuel purchased and consumed for highway use by the permittee’s commercial motor vehicles in the permittee’s entire operation in all states to establish an overall miles per gallon ratio, which ratio shall be used to compute the gallons used for the miles traveled in Iowa. [C27, 31, §5093-b1; C35, §§5093-f18, -f25; C39, §§5093.18, 5093.25; C46, 50, 54, §324.32, 324.46; C58, 62, 66, 71, 73, 75, 77, §324.54; 67GA, ch 107, §11, ch 1115, §5]

Referred to in §324.53, 324.55

324.55 Records. Every person operating within the purview of this division shall make and keep for a period of three years such records as may reasonably be required by the state department of transportation for the administration of this division. If in the normal conduct of the business, the required records are maintained and kept at an office outside the state of Iowa, it shall be a sufficient compliance with this section if the records are made available for audit and examination by the state department of transportation at the office outside Iowa.
when made in Iowa, then all costs of audits performed outside of Iowa in such other state shall be at the expense of the person whose records are audited. Referred to in §324.53

§324.56 Not applicable to distributors. The provisions of this division shall not be required of a distributor licensed under division I of this chapter who elects to report and pay tax on motor fuel as is set out in division I and on special fuel as is set out in division II of this chapter, provided that a distributor so electing shall also report to the state department of transportation and pay Iowa fuel tax on motor fuel and special fuel purchased in another state which is used to propel a commercial motor vehicle owned or leased by the distributor on the highways of this state. Such distributor shall be allowed to enter this state with thirty gallons or more fuel in the supply tank of a commercial motor vehicle, but shall not be allowed any other provision of this division. 2. “Motor vehicle” shall mean and include all vehicles (except those operated on rails) which are propelled by internal combustion engines and are of such design as to permit their mobile use on public highways for transporting persons or property. A farm tractor while operated on a farm or for the purpose of hauling farm machinery, equipment or produce shall not be deemed to be a motor vehicle. “Motor vehicle” shall not include “mobile machinery and equipment” as hereinafter defined.

3. “Mobile machinery and equipment” shall mean and include vehicles self-propelled by an internal combustion engine but not designed or used primarily for the transportation of persons or property on public highways and only incidentally operated or moved over a highway such as corn shellers, truck-mounted feed grinders, roller mills, ditch digging apparatus, power shovels, drag lines, earth moving equipment and machinery, and road construction and maintenance machinery such as asphalt spreaders, bituminous mixers, bucket loaders, ditchers, leveling graders, finishing machines, motor graders, paving mixers, road rollers, scarifiers and earth moving scrapers. The foregoing enumeration shall not operate to exclude other vehicles which are within the general terms of this definition. “Mobile machinery and equipment” shall not however include dump trucks or self-propelled vehicles originally designed for the transportation of persons or property on public highways and to which machinery, such as truck-mounted mixers, cranes, shovels, welders, air compressors, well-boring apparatus or lime spreaders, has been attached. ### 324.64 The appropriate state agency may estimate taxable gallonage

If any person fails to make and file a report required or files an incorrect report, the appropriate state agency shall, after investigation, determine the gallonage with respect to which the person incurred liability for fuel taxes under this chapter in any month or months and fix the amount of taxes. If a compliant or report is received from any source that a licensee or other person is suspected of evading fuel taxes imposed by this chapter or has failed to report all the gallonage the reporting of which is required under this chapter, or is suspected of acting as a distributor or special fuel dealer or user without a license or of withholding payment of fuel taxes, the appropriate state agency, upon five days' notice to the person complained against of the nature of the complaint or report and of the time and place of a hearing on the complaint, may proceed to hold the hearing and determine the amount of fuel taxes, if any, due from that person. The hearing may be adjourned from time to time until the completion of the hearing. Any information available may be used in determining the amount, if any, of fuel taxes for which the person is liable. Upon determining the amount, if any, of fuel taxes due from that person, ascertained in accordance with the provisions of this chapter, except as otherwise provided, the amount of the tax due, unless it is shown that such failure was due to reasonable cause, the party shall be subject to a penalty for delinquent payment where the delinquency results from the fact that a check given in payment is not honored because of insufficient funds in the account upon which the check was drawn. Provided, further, that if it appears as a result of an investigation or from a preponderance of the evidence adduced at a hearing that there has been a deliberate attempt on the part of the licensee or other person to evade payment of fuel taxes there shall be added to the assessment against the offending person and collected a penalty of fifty percent of the tax due. When penalties are applicable for failure to file a return and failure to pay the tax due or required on the return, the penalty provision for failure to file shall be in lieu of the penalty for failure to pay the tax due or required on the return, except in the case of a deliberate attempt on the part of the licensee or other person to evade payment of fuel taxes. Any report required of licensees or persons operating under divisions I, II and III, upon which no tax may be due, shall be subject to a penalty of ten dollars if such report is not timely filed with the appropriate state agency. [C27, 31,§5003-46; C35,§5003-727; C39,§5003.27; C46, 50, 54,§324.48; C58, 62, 66,§324.62; C71, 73, 75, 77,§324.63; 66GA, ch 1115,§14]

### 324.65 Penalty for failure to promptly report or pay fuel taxes

If a licensee or other person fails to file a required report with the appropriate state agency on or before the due date, unless it is shown that such failure was due to reasonable cause there shall be added to the amount required to be shown as tax due on the return five percent of the amount of the tax if the failure is for not more than one month, with an additional five percent for each additional month or fraction of a month during which such failure continues, not exceeding twenty-five percent in the aggregate. If a licensee or other person fails to remit the tax due with the filing of the return on or before the due date or fails to pay any amount of the tax required to be shown on the return, there shall be added to the tax a penalty of five percent of the amount of the tax due, unless it is shown that such failure was due to reasonable cause. The taxpayer shall also pay interest on the tax or additional tax at the rate of three-fourths of one percent per month counting each fraction of a month as an entire month, computed from the date the return was required to be filed. The appropriate state agency shall not remit any part of a penalty for delinquent payment where the delinquency results from the fact that a check given in payment is not honored because of insufficient funds in the account upon which the check was drawn. Provided, further, that if it appears as a result of an investigation or from a preponderance of the evidence adduced at a hearing that there has been a deliberate attempt on the part of the licensee or other person to evade payment of fuel taxes there shall be added to the assessment against the offending person and collected a penalty of fifty percent of the tax due. When penalties are applicable for failure to file a return and failure to pay the tax due or required on the return, the penalty provision for failure to file shall be in lieu of the penalty for failure to pay the tax due or required on the return, except in the case of a deliberate attempt on the part of the licensee or other person to evade payment of fuel taxes. Any report required of licensees or persons operating under divisions I, II and III, upon which no tax may be due, shall be subject to a penalty of ten dollars if such report is not timely filed with the appropriate state agency. ### 324.66 Lien of fuel taxes—priority

1. The amount of fuel taxes imposed by this chapter, including interest and penalty and costs that may accrue, shall be a lien in favor of the state upon franchises, property and rights to property, whether real or personal, then belonging to or thereafter acquired by a person liable for the payment of the fuel taxes from the date the taxes are due and payable as provided in this chapter and until the amount of the lien is paid or the property sold in payment thereof. Fuel tax liens shall have priority over any lien or encumbrance whatsoever except the lien of other state taxes having priority by law, and except that a fuel tax lien shall not have priority over any bona fide mortgagee, pledgee, attaching creditor or purchaser whose right shall have attached prior to the time the department of revenue shall have filed the lien certificate in the office of the clerk of the court.

2. The certificate of the department of revenue or the state department of transportation, whichever is applicable, assessing the amount of fuel taxes and penalty due from a licensee or other person, ascertained in accordance with the provisions of this chap-
ter or from a report of the person may be filed in the office of the clerk of the district court in the county in which the place of business of the licensee or other person is located. The clerk of the district court upon receipt of the certificate shall, without requiring payment of any fee, file and index the same in manner now provided for judgments. The appropriate state agency may in like manner, file a duplicate of the certificate in any other county where it shall be indexed in a like manner. The claim of the state of Iowa as shown by the certificate or duplicate so filed shall be a lien on the real estate of the person named in the certificate as owing fuel taxes and located in the county where the certificate or duplicate is recorded, for the amount shown by the certificate to be due including penalty and interest from the date of filing to the same extent as a mortgage lien.

3. The appropriate state agency may give notice of the amount of fuel taxes and penalty due by registered mail to all persons having in their possession or under their control any credits or other personal property belonging to a licensee or other person or any person owing any debts to the licensee or other person. Thereafter the person notified shall neither transfer nor make any other disposition of credit or other personal property or debts until thirty days shall have elapsed from and after the receipt of the notice unless the notifying state agency shall consent to a previous transfer or other disposition. At the expiration of the thirty-day period, the property shall be released, unless in the meantime it shall have been attached by process of court or the holder of the property garnished. All persons so notified, must, within five days after receipt of the notice, advise the notifying state agency of any and all credits or personal property or debts in their possession or under their control belonging or owed to the licensee or other person from whom the fuel taxes are due.

4. When the property of a licensee is seized upon any mesne or final process of any court of this state or of the United States, or when the business of a licensee shall be suspended by the action of creditors or put into the hands of an assignee, receiver or trustee, or when a petition in voluntary or involuntary bankruptcy has been filed by or against a licensee, then and in all such cases, all fuel taxes collected by the licensee under the provisions of this chapter or due and owing to the state shall be considered and treated as preferred claims, and the state shall be a preferred creditor and shall be paid in full.

5. No sheriff, receiver, assignee, master or other officer shall sell the property or franchises of any licensee without first filing with the department of revenue, which shall forward notice to the state department of transportation, a statement containing the following information: Name or names of the plaintiff or party at whose instance or upon whose account the sale is made; name of the person whose property or franchise is to be sold; the time and place of sale; and the nature of the property and the location of the same. It shall be the duty of the appropriate state agency, after receiving notice, to furnish to the sheriff, receiver, trustee, assignee, master or other officer, having charge of the sale, a certified copy or copies of all assessments for fuel taxes, penalties, and interest on file in the state agency as liens against such person, and in the event there are no such liens a certificate showing that fact, which certified copy or copies of certificate shall be publicly read by such officer at and immediately before the sale of the property or franchise of such person.

6. It shall be the duty of the department of revenue or the state department of transportation to furnish to any person applying therefor a certificate showing the amount of all liens for fuel taxes, penalties, and interest that may be of record in the files of the state agency against any person under the provisions of this chapter.

7. It shall be the duty of the appropriate state agency, upon receipt of notice of the opening of the administration of an estate of any individual who was a licensee, to file a claim as a preferred creditor for all fuel taxes, penalties and interest due the state of Iowa, if any, in the court having jurisdiction over the administration of said estate. (C35, §5093-13; C39, §5093.13; C46, 50, 54, §§324.22-324.24; C58, 62, 66, §324.65; C71, 73, 75, 77, §324.66; 67GA, ch 1115, §15)

§324.67 Procedure when tax payment in default.

1. It shall be unlawful for any distributor to sell or offer for sale motor fuel or for any special fuel dealer or user to dispense or offer to dispense special fuel into a fuel supply tank of a motor vehicle, while in default of or delinquent in the payment or the whole or any part of fuel taxes imposed under this chapter, and in the event of the failure or refusal to pay the whole of or any part of the fuel taxes or interest thereon due and payable, the department of revenue or the department of transportation, or the appropriate state agency, the delinquent fuel taxes, together with penalties and interest provided for shall be recovered by and in the name of the state of Iowa and the attorney general of the state of Iowa or the county attorney of any county in which the distributor, dealer or user resides or is engaged in business is hereby authorized and directed to institute suit for taxes, penalties and interest in any court of competent jurisdiction against the distributor or special fuel dealer or user or the person's surety or sureties, if any, or both.

2. A fuel tax lien filed in the office of the clerk of the district court of any county may be foreclosed in the same manner as real estate mortgage liens are foreclosed, and the court in the proceedings shall enter judgment against the licensee or other person for the amount found by the court to be due to the state, with interest and the penalty as assessed by the appropriate state agency, and may in the same proceedings foreclose on any security held for the payment of the fuel taxes, and may in the same proceedings entertain suit on any bond filed as security for the payment of the fuel taxes.

3. In the event suit is instituted upon application made by the attorney general or other proper public official the court may issue a writ of injunction, without requiring bond, enjoining and restraining the defendant from engaging in any or all activities covered in subsection 1 of this section until any judgment and costs recovered in the suit or attached have been paid, and the court shall, upon application therefor by the attorney general or other proper public official appoint a receiver of the property and business of the delinquent defendant, for the purpose of im-
pounding the same as security for any judgment recovered. The delinquent fuel taxes, penalties and interest shall also be collectible and enforceable by a writ of attachment brought by the attorney general or other proper public officials in the name of the state of Iowa against the lands, goods, chattels, credits and other personal property of the defendant. No attachment bond shall be required, nor shall an indemnity bond be required or demanded by any officer serving the writ of attachment, and no officer shall be liable in damages on account of levying the attachment when acting under the direction of the attorney general or other proper public official. The serving officer shall also summon the persons named in the writ as garnishees, and all other persons within the county whom the attorney general or other proper public officials shall designate as having any property, effects, choses in action, or credits in their possession or power, belonging to the defendant, or who are in anywise indebted to the defendant, the same as if their names had been inserted in the writ. The persons so summoned shall be considered as garnishees, and the officer shall serve, in his return, the names of all persons so summoned, and the date of service on each. All proceedings and hearings, civil or criminal, arising under this chapter shall have precedence over all other cases in any court where the same shall be brought excepting criminal or other cases in which the public is a moving party.

4. No action or other proceeding shall be maintained to enforce collection of any amount of fuel tax, penalty, or interest over and above the amount shown to be due by reports filed by a licensee except upon an assessment by the proper state agency as authorized in this chapter or unless brought within one year after the date of the assessment. No assessment shall be made covering any period beyond three years prior to the date of assessment. §324.68 Power of department of revenue or the state department of transportation to cancel licenses. If a licensee shall at any time file a false monthly report of the data or information required by this chapter, or shall fail, refuse, or neglect to file a monthly report required by this chapter, or to pay the full amount of fuel tax as required by this chapter, then after ten days' written notice by registered mail directed to the last known address of the licensee setting a time and place at which the person may appear and show cause why the licensee’s license should not be canceled, and if the licensee fails to appear or if upon the hearing it is shown by a preponderance of the evidence that the failure to correctly report or pay was with intent to evade the tax, the appropriate state agency may cancel the license and shall notify the licensee of the cancellation by registered mail to the licensee’s last known address.

If a licensee shall at any time abuse the privileges for which the license was issued, fail to produce records reasonably requested or fail to extend reasonable cooperation to the appropriate state agency, the licensee shall be advised in writing of a hearing scheduled to determine if said license shall be canceled. The appropriate state agency upon the presentation of a preponderance of evidence shall be allowed to cancel a license for cause.

Upon receipt of written request from any licensee the appropriate state agency shall cancel the license of the licensee effective sixty days from the date of receipt of the request but no such license shall be canceled upon request unless and until the licensee shall, prior to the date of cancellation, have paid to the appropriate state agency all fuel taxes payable under this chapter, together with any and all penalties, interest and fines appertaining thereto. If, upon investigation, the appropriate state agency finds that a licensee is no longer engaged in the activities for which a license was issued and has not been so engaged for a period of six months, the state agency shall cancel the license and give sixty days' notice of the cancellation mailed to the last known address of the licensee.

326.1 Policy. It is the policy of this state to promote and encourage the fullest possible use of its highway system by authorizing the negotiation and execution of motor vehicle reciprocal or proportional registration agreements, arrangements and declarations with other jurisdictions with respect to vehicles registered in this and such other jurisdictions, thus contributing to the economic and social development and growth of this state. [C71, 73, 75, 77, §326.1]

326.2 Definitions. As used in this chapter, unless the context otherwise requires:
1. “Department” means the state department of transportation.
2. “Director” means the director of transportation or his designee.
3. “Commercial vehicle” means any vehicle which is operated in interstate commerce or combined intrastate and interstate commerce and used for the transportation of persons for hire, compensation or profit, or designed or used primarily for the transportation of property.
4. “Jurisdiction” means any county, state, territory, federal district, foreign country, or political subdivision thereof.
5. “Proportional registration” or “proration” means division and distribution of registration fees imposed on commercial vehicles between two or more jurisdictions in accordance with a formula based on miles traveled by such vehicles.
6. “Base state” with respect to commercial vehicles subject to proportional registration means the state from which the vehicle is most frequently dispatched, garaged, serviced, maintained, operated, or otherwise controlled, or also in the case of a fleet vehicle the state to which allocated for registration under statutory requirements.
7. “Fleet” means one or more commercial vehicles.
8. “Total fleet miles” means the mileage generated by any truck or truck tractor which was part of a prorate fleet during the fiscal year reporting period which proportional registration is sought. Total fleet mileage to be reported for any truck or truck tractor which was deleted from or added to the prorate fleet during the fiscal year reporting period shall be only those miles generated by such truck or truck tractor while the vehicle was part of the prorate fleet during such fiscal year reporting period. “Total fleet miles” in relation to trailers or semitrailers which are part of a prorate fleet means the mileage generated by the power units of the fleet; provided, however, that if such trailers or semitrailers were towed during the fiscal year reporting period by the power units which collectively were proportionally registered by the same fleet owner during the fiscal year reporting period as part of two or more fleets, “total fleet miles” in relation to such trailers or semitrailers means the total mileage generated by the several power fleets during the fiscal year reporting period even though some of the power units did not actually travel a portion of their total miles in contracting states where the proportional registration of such trailers or semitrailers is sought.
9. “In-state miles” means the mileage generated within this state by commercial vehicles in the fleet subject to proportional registration; except that, with respect to fleet vehicles based in Iowa, “in-state miles” shall also include all mileage traveled by such vehicles in states with whom Iowa has a proportional registration agreement but with whom the owner elects not to apportion registration fees and mileage traveled by such vehicles under reciprocity obtained by virtue of Iowa registration.
10. “Preceding year” means a period of twelve consecutive months fixed by the board, which period shall be within the sixteen months immediately preceding the commencement of the registration year for which proportional registration is sought.
11. “Trip” for purposes of section 326.23 means:
a. A one-way movement from one point originating outside this state and destined to another point outside this state.
b. A round trip movement between two points within this state.
c. A round trip movement originating in this state or destined for a point within this state.
12. “Broker” for purposes of section 326.23 means any person who, as principal or agent, sells or offers for sale any transportation, or negotiates for, or holds
§326.2, MOTOR VEHICLE REGISTRATION RECIPROCITY

326.2, MOTOR VEHICLE REGISTRATION RECIPROCITY

himself out for solicitation, advertisement, or otherwise as one who sells, provides, furnishes, contracts, or arranges for such transportation. The term "broker" shall not include motor carriers and employees or agents thereof.

14. "Compact miles" means the total miles a fleet operates in this state and in all states with whom Iowa has an apportionment registration agreement and with whom the fleet owner has or will register vehicles on an apportioned registration basis. [C71, 73, 75, 77, §326.7]

326.3 and 326.4 Repealed by 65GA, ch 1180, §197.

326.5 Authority to agree to reciprocity. The director may, subject to the approval of the transportation commission, enter into reciprocity agreements with the duly authorized representatives of any jurisdiction exempting nonresidents of this state using the highways of this state from the registration requirements of chapter 321 and payment of any fees to this state with such conditions, restrictions, and privileges or lack of same as the director deems advisable. [S13, §1571-16; C24, 27, 31, 35, §4866; C39, §3003.04; C46, 50, 54, 58, §321.56; C62, 66, §326.2; C71, 73, 75, 77, §326.5]

326.6 Proportional registration of fleets. The department may, pursuant to section 326.5, provide for proportional registration between this state and other jurisdictions of fleets of commercial vehicles owned by residents or nonresidents engaged in interstate commerce or simultaneously engaged in interstate and intrastate commerce.

1. The owners of fleets of commercial vehicles subject to proportional registration under apportionment agreements negotiated by the department shall file a sworn statement with the department which shall contain the following information and such other information as the department may require:

a. Total fleet miles for the preceding year.

b. In-state miles for the preceding year.

c. A description and identification of each vehicle which is part of the fleet for which proportional registration is sought.

2. The dollar amount of registration fees due this state for each fleet subject to proportional registration shall be computed as follows:

a. Divide total fleet miles during the preceding year into in-state miles during the preceding year to determine the percentage of total fleet mileage allocable to this state.

b. Determine the sum total amount necessary to register each and every vehicle in the fleet based on the annual registration fees prescribed in chapter 321.

c. Multiply the percentage obtained under paragraph "a" of this subsection by the sum total obtained under paragraph "b" of this subsection.

d. The product so obtained under paragraph "c" of this subsection shall be the amount payable by the owner for proportional registration of the fleet for the registration year. Payment of registration fees shall be made in accordance with law.

3. The department may negotiate apportionment agreements on either a vehicle or a dollar basis. In apportionment on a vehicle basis, a sufficient number of vehicles shall be registered to produce total fee payments not less than an amount obtained by applying the proportion of in-state fleet miles to total fleet miles to the fees which would otherwise be required for total fleet registration in this state. [C71, 73, 75, 77, §326.6]

326.7 Agreements on basis of compact miles. Notwithstanding any other law to the contrary, and as an alternative to the procedure set out in section 326.6, the department may enter into agreements providing for proportional registration between this state and other jurisdictions of fleets of commercial vehicles owned by residents or nonresidents engaged in interstate commerce or simultaneously engaged in interstate and intrastate commerce on the basis of compact miles.

The Iowa prorate percent will be computed by dividing the Iowa miles by the compact miles as defined in section 326.2. If the composite percentage paid by the Iowa resident to each of the states a party to an apportioned registration agreement with Iowa for apportioned registrations is less than one hundred percent, the department will redetermine the registration fees due the state of Iowa to bring the composite percent to one hundred percent. If the composite percent paid by the nonresident fleet operator to each of the states a party to an apportioned registration agreement with Iowa for apportioned registration fees on vehicles base plated in Iowa is less than one hundred percent, the department will redetermine the registration fees due the state of Iowa to bring the composite percent to one hundred percent on such Iowa base plated vehicles. [S13, §1571-16; C24, 27, 31, 35, §4866; C39, §5003.04; C46, 50, 54, 58, §321.56; C62, 66, §326.2; C71, 73, 75, 77, §326.7]

326.8 Estimating mileage. When in-state and total fleet or compact mileage cannot be computed for a particular fleet on the basis of actual operation during the preceding year, estimated mileage shall be accepted for the fleet's first prorate application. Estimated mileage shall be based on the proposed operation of the fleet during the entire year for which proportional registration is sought. The applicant shall substantiate the estimate by submitting details of his proposed operation including, but not limited to, type of operation, its location, routes, and frequency of operation. [C71, 73, 75, 77, §326.8]

326.9 Individual vehicles not to be proportionally registered. The registrations of individual vehicles shall not be subject to proportional registration with this state. The same fleet, consisting of the same vehicles in each state, shall be proportionally registered.
in each state with which the fleet is prorated; and every one of the vehicles shall be included in the fleet in each state. Failure to comply with these requirements shall constitute grounds for cancellation of proration privileges. [C71, 73, 75, 77, §326.9]

326.10 Minimum fee. The minimum fee for each vehicle registered with this state under an apportionment agreement shall not be less than ten dollars for each truck or truck tractor and two dollars for each trailer. If the department enters into an apportionment agreement where minimum fees are not permitted, the provisions of this section shall not apply. In addition to proportional registration fees, the department shall collect the amounts of fees due as hereinabove provided for the issuance of plates, stickers or other identification of all vehicles subject to proportional registration. [S13, §1571-ml; C24, 27, 31, 35, §4866; C39, §5003.04; C46, 50, 54, 58, §821.56; C62, 66, §326.2; C71, 73, 75, 77, §326.10]

326.11 Subsequently acquired vehicles. Vehicles acquired by a fleet owner after the commencement of the registration year and subsequently added to the fleet shall be prorated by applying the mileage percentage used in the original application for such fleet for such registration period to registration fees due under chapter 321 but in no case less than that required by section 326.10. A supplemental report shall be filed with the department not later than ten days after such addition to the fleet.

The executive secretary may issue temporary written authorization to carriers for vehicles acquired by a fleet owner and added to his prorate fleet after the beginning of the registration year. The temporary authority shall permit the operation of a commercial vehicle until permanent identification is issued, except that the temporary authority shall expire after thirty days. [C71, 73, 75, 77, §326.11]

326.12 Vehicles deleted — registration transferred. Fleet owners who delete commercial vehicles displaying Iowa base plates from the fleet after the commencement of the registration year shall be allowed to transfer registration credit to a replacement vehicle in accordance with the provisions of this section. Iowa shall allow credit for non-Iowa based deleted vehicles only if the state designated by the fleet owner as the base state of the deleted vehicle permits transfer of registration credit to the replacement vehicle. The fleet owner shall notify the department not later than ten days after such deletion and registration. Allowance of credit for deleted vehicles shall be subject to the following conditions:

1. No additional registration fee shall be assessed on a replacement vehicle upon which the registration fee would have been the same as that for the deleted vehicle. The fee for reissuance or registration credentials or for transfer of credentials shall be ten dollars.

2. No deletion shall be made nor credit allowed toward registration of a replacement vehicle unless the vehicle to be removed from service has been sold, junked, repossessed, foreclosed by mechanic’s lien, title transferred by operation of law, or cancellation or expiration of a lease arrangement. The deleted vehicle shall have been disposed of on or before the date the replacement vehicle was acquired or in the possession of the applicant.

3. If a leased vehicle is to be deleted from the fleet and unexpired registration fees applied to the replacement vehicle, the lessee shall certify to the department that any unexpired registration fees paid by the lessor to the lessee have been refunded to the lessor prior to the date of the supplemental application requesting credit for registration fees paid on the deleted vehicle. [C71, 73, 75, 77, §326.12]

326.13 Information under oath. The department shall require fleet owners to submit under oath any information deemed necessary to carry out the provisions of this chapter. Information furnished under this chapter shall be forwarded to the director of the department by each fleet owner no later than January 1 of the current registration year. [S13, §1571-ml; C24, 27, 31, 35, §4866; C39, §5003.04; C46, 50, 54, 58, §821.56; C62, 66, §326.3; C71, 73, 75, 77, §326.13; 67GA, ch 103, §60]

326.14 Plates and receipts. The department shall issue registration plates and receipts pursuant to apportionment agreements or arrangements authorized under this chapter. [C71, 73, 75, 77, §326.14]

326.15 Total composite over one hundred percent — refund. If the composite percentage apportioned by an owner on a fleet of vehicles based in Iowa to each of the states with which Iowa has an apportionment agreement is more than one hundred percent percentagewise, the fleet owner may file a claim with the department for a refund of registration fees paid in excess of one hundred percent percentagewise. The claim for such refund shall be filed on or after December 1 of the year for which refund is requested, and the fleet owner shall furnish satisfactory evidence of the alleged overpayment. The department shall prescribe and provide suitable forms requisite or deemed necessary to process such claims and insure that claims are paid to fleet owners who have complied with proportional registration requirements. The fleet owner may elect to apply any such refund to proportional registration fees payable the next registration year in lieu of any refund payable under this section. The state of Iowa shall not be liable for claims unless filed within four full years following the calendar year for which the application is made. [C71, 73, 75, 77, §326.15; 67GA, ch 1114, §4]

326.16 Delinquent fees. If the fees for such proportional registration are not paid to each contracting jurisdiction entitled thereto on the basis of the proportional registration application and supporting documents filed with the department by the fleet owner within a reasonable amount of time as determined by the department, the department shall determine fees due this state. If any additional fees due this state are not paid by the fleet owner within twenty days after the mailing to the owner of a notice by certified mail of the additional fees due, such owner's registration in this state shall be canceled. In addition, the fees due for registration in this state shall be a debt due to the state of Iowa. [S13, §1571-
326.16 MOTOR VEHICLE REGISTRATION RECIPROCITY

326.17 Iowa base plates. Resident fleet owners shall be required to list Iowa as the base state for all commercial vehicles which qualify under the term “base state” as defined in this chapter, and Iowa base plates shall be displayed on all such commercial vehicles. Nonresident fleet owners subject to proportional registration shall display Iowa base plates if the commercial vehicle qualifies as an Iowa based vehicle as defined in this chapter. [C71, 73, 75, 77, §326.17]

326.18 Fully registered for interstate movement. When a nonresident fleet owner has registered vehicles on a prorated basis, the vehicles shall be considered fully registered insofar as interstate commerce is concerned. The privileges granted to a nonresident pursuant to this chapter shall permit the operation of a vehicle which is simultaneously engaged in interstate movements and intrastate commerce, provided that the owner has intrastate authority or rights granted by the transportation regulation board. The board may also enter into reciprocity agreements pursuant to section 326.5 to permit interstate and intrastate movement of vehicles registered on a prorated basis by a nonresident fleet owner, provided the owner has intrastate authority granted by the Iowa state commerce commission and the jurisdiction in which the nonresident is base plated grants the same privilege to an Iowa base plated vehicle. Each vehicle upon which an Iowa base plate is required to be displayed under this chapter shall be considered fully registered for both interstate commerce and intrastate commerce. [S13, §1571-16; C24, 27, 31, 35, §4866; C39, §5003.04; C46, 50, 54, 58, §321.56; C62, 66, §326.2; C71, 73, 75, 77, §326.18]

326.19 Records preserved. Any owner complying with and granted proportional registration privileges shall preserve the records upon which applications are made for a period of four full years following the year for which the application was made. Upon request of the department, all fleet owners shall make all such records available to the department at the office of the director for audit as to accuracy of computation and payment. If the owner does not produce such records when so requested, the owner shall pay the costs of an audit by a duly appointed representative of the department at the home office of the owner. The department may enter into agreements with authorized agencies or other contracting states for joint audits of any such owner. [S13, §1571-16; C24, 27, 31, 35, §4866; C39, §5003.04; C46, 50, 54, 58, §321.56; C62, 66, §326.2; C71, 73, 75, 77, §326.19]

326.20 Benefits extended to leased vehicles. The department may, notwithstanding any provisions of the Code to the contrary, enter into reciprocity or proportional registration agreements which extend the benefits thereof to leased vehicles on the basis of the residence of the lessee. [S13, §1571-16; C24, 27, 31, 35, §4866; C39, §5003.04; C46, 50, 54, 58, §321.56; C62, 66, §326.2; C71, 73, 75, 77, §326.20]

326.21 Laws of other states—Iowa interests. In the absence of an agreement with another jurisdiction, the department may examine the laws and requirements of such jurisdiction and declare the extent and nature of exemptions, benefits, and privileges to be extended to vehicles or owners of vehicles properly registered or licensed in such other jurisdiction. The department shall consider the interests of the state of Iowa and the citizens thereof, the interests of the other jurisdictions and the citizens thereof, and the benefits which will accrue to the economy of the state of Iowa from the uninterrupted flow of commerce in declarations made under this section. Any owner denied such reciprocal or proportional registration privileges shall be subject to payment of full annual Iowa registration fees on any such vehicle operated on Iowa highways. In addition to denial of reciprocal or proportional registration privileges, it shall be a simple misdemeanor, unless such act is declared under Iowa law to be a felony, for any person to operate under reciprocity or proportional registration in violation of any requirements of this chapter. Any person who has such privileges canceled shall be subject to the payment of the full annual registration fee for all vehicles operated on the highways of this state for a period of at least five years thereafter. The director of revenue shall co-operate with the department in ascertaining the accuracy of all reports filed pertaining to registration fees and motor fuel taxes.

Any person whose privileges are canceled may request an administrative hearing of said action before the transportation regulation board, and during the period pending the hearing the apportioned registration privileges shall be reinstated if the fleet owner posts security with the department in an amount sufficient to pay such full annual fees if an adverse decision is rendered at the hearing. At such hearing the fleet owner shall have the burden of proof as to the accuracy of any report filed by the fleet owner with the department or the department of revenue. Judicial review of any decision reached at the administrative hearing may be sought in accordance with the terms of the Iowa administrative procedure Act. [C71, 73, 75, 77, §326.31]

327C.21 Costs—attorney's fees. When a decree shall be entered against a railroad corporation or person under sections 327C.16 to 327C.20 the court shall render judgment for costs, and attorney's fees for counsel representing the state. [C97,§2120; C24, 27, 31, 35, 39,§7899; C46, 50, 54, 58, 62, 66, 71, 73, 75,§474.30; C77,§327C.21]

327C.22 Interstate freight rates. The department shall exercise constant diligence to ascertain the rates, charges, rules, and practices of common carriers operating in this state, in relation to the transportation of freight in interstate business. When it shall ascertain from any source or have reasonable grounds to believe that the rates charged on such interstate business or the rules or practices in relation thereto discriminate unjustly against any of the citizens, industries, interests, or localities of the state, or place any of them at an unreasonable disadvantage as compared with those of other states, or are in violation of the laws of the United States regulating commerce, or in conflict with the rulings, orders, or regulations of the interstate commerce commission, the department shall take the necessary steps to prevent the continuance of such rates, rules, or practices. [S13,§2120-a; C24, 27, 31, 35, 39,§7890; C46, 50, 54, 58, 62, 66, 71, 73, 75,§474.31; C77,§327C.22]

327C.23 Application to interstate commerce commission. When any common carrier has put in force any rates, rules, or practices in relation to interstate freight business, in violation of the laws of the United States regulating commerce, or of the orders, rules, or regulations of the interstate commerce commission, or shall unjustly discriminate against any of the citizens, industries, interests, or localities of the state, the department shall present the material facts involved in such violations or discrimination to the interstate commerce commission and seek relief therefrom, and, if deemed necessary or expedient, the department shall prosecute any charge growing out of such violation or discrimination, at the expense of the state, before the interstate commerce commission. [S13,§2120-b; C24, 27, 31, 35, 39,§7891; C46, 50, 54, 58, 62, 66, 71, 73, 75,§474.32; C77,§327C.23]

327C.24 Choice of remedies. Any person claiming damages from a common carrier on account of any violation of the provisions of chapter 327D may either make complaint to the department, or may bring action on his own behalf for the recovery of such damages; but he shall not have the right to pursue both of said remedies at the same time. [C97,§2131; C24, 27, 31, 35, 39,§7892; C46, 50, 54, 58, 62, 66, 71, 73, 75,§474.33; C77,§327C.24]

327C.25 Complaints. Any person, city or county may file with the department a petition setting forth any particular in which any common carrier has violated the law to which it is subject and the amount of damages sustained by reason thereof. The department shall furnish to the carrier against which complaint is filed, a copy thereof, and a reasonable time shall be fixed by the board within which such carrier shall answer the petition or satisfy the demand therein made. If such carrier fails to satisfy the complaint within the time fixed or there appears to be reasonable grounds for investigating the matters set forth in said petition, the board shall hear and determine the questions involved and make such orders as it shall find to be proper. When the board has reason to believe that any carrier is violating any of the laws to which it is subject, it may institute an investigation and cause a hearing to be held before it in relation to such matters in all respects as fully as if a petition had been filed. [C97,§2134; C24, 27, 31, 35, 39,§7893; C46, 50, 54, 58, 62, 66, 71, 73, 75,§474.34; C77,§327C.25]

327C.26 Investigation—report. When a hearing has been held before the board after notice, it shall make a report in writing setting forth the findings of fact and its conclusions together with its recommendations or orders as to what reparation, if any, the offending carrier shall make to any party who has suffered damage. Such finding of fact shall thereafter in all legal proceedings be prima-facie evidence of every fact found. All reports of hearings and investigations made by the board shall be entered of record and a copy furnished to the carrier against which the complaint was filed, to the party complaining, and to any other person having a direct interest in the matter. A reasonable fee not to exceed the actual duplication cost may be charged for the copies. [C97,§2135; C24, 27, 31, 35, 39,§7894; C46, 50, 54, 58, 62, 66, 71, 73, 75,§474.35; C77,§327C.26]

327C.27 Orders—compliance. When the board finds as the result of any investigation or hearing that a common carrier has violated or is violating any of the provisions of law to which it is subject, or that any complainant or other person has sustained damages by reason of such violation, the board shall order such carrier to cease such violation at once and shall fix a time within which it shall pay the amount of damage which has been found due to any person as a result of such violation. [C97,§2136; C24, 27, 31, 35, 39,§7895; C46, 50, 54, 58, 62, 66, 71, 73, 75,§474.36; C77,§327C.27]

327C.28 Violation of order—petition—notice. When any person violates or fails to obey any lawful order or requirement of the department or board, the department or board shall apply by petition in the name of the state, against such person, to the district court, alleging such violation or failure to obey; the court shall hear and determine the matter set forth in the petition on reasonable notice to the person, to be fixed by the court and to be served in the same manner as original notices for the commencement of ac-
327C.29 Interested party may begin proceedings. Any person or city or county interested in the matter of enforcing any order or requirement of the department or board, may file a petition against such person, alleging the failure to comply with such order or requirement, and praying summary relief to the same extent and in the same manner as the department or board may do under section 327C.28, and the proceedings after the filing of such petition shall be the same as in section 327C.28. [C97, §2137; C24, 27, 31, 35, 39, §7897; C46, 50, 54, 58, 62, 66, 71, 73, 75, §474.38; C77, §327C.29]

327C.31 Hearing in equity—injunction. All such causes shall be in equity, the order or report of the department or board in question shall be considered prima-facie evidence. If the court shall find that the order or requirement in question is lawful and not violative of the policy of the laws of this state, it shall not be required to give an appeal bond nor to pay security for costs. [C97, §2137; C24, 27, 31, 35, 39, §7901; C46, 50, 54, 58, 62, 66, 71, 73, 75, §474.40; C77, §327C.31]

327C.33 Appeal—effect. An appeal to the supreme court shall not stay or supersede the order of the court or the execution of any writ or process thereon. When appeal is taken by the department or board, it shall not be required to give an appeal bond or security for costs. [C97, §2137; C24, 27, 31, 35, 39, §7901; C46, 50, 54, 58, 62, 66, 71, 73, 75, §474.42; C77, §327C.33]

327C.34 Suits by board. When the board has reason to believe that any person has been guilty of unjust discrimination, the board shall cause action to be commenced against such person. Such action may be brought in the district court of any county through which the railway owned or operated by such person may extend. 327D.2 Definitions. As used in this chapter unless the context otherwise requires:
1. “Railroad” means the terminal facilities necessary in the transportation of persons and property and includes bridges, railroad right of way, trackage, switches and other appurtenances necessary for the operation of a railroad, whether owned, leased or operated under some other contractual agreement.
2. “Railway” means a railroad as defined in subsection 1.
3. “Railway corporation” means all corporations, companies, or persons owning or operating any railroad or carrier in whole or in part within the state.
4. “Railroad corporation” means a railway corporation as defined in subsection 3.
5. “Switching service” means the shifting of a car between two points, both of which are within the industrial vicinity of an industry, a group of industries, a station, or a city, as such industrial vicinity may be defined by the department.
6. “Transportation” means all instrumentalities of shipment or carriage as well as services in connection with the actual transport.
7. “Rates” means fares, tariffs, tolls, charges, and all classifications, contracts, practices and rules of common carriers relating to such rates.
8. “Joint tariffs” embraces joint rates, tolls, contracts, classifications and charges.
9. “Department” means the state department of transportation.
10. “Board” means the transportation regulation board. [C97, §3212; SS15, §2125; C24, 27, 31, 35, 39, §§8037, 8082; C46, 50, 54, 58, 62, 66, 71, 73, 75, §§479.2, 497.48; C77, §327D.2]

327D.3 Duty to furnish cars and transport freight. Every railway corporation shall upon reasonable notice, and within a reasonable time, furnish suitable cars to any and all persons who may apply therefor, for the transportation of any and all kinds of freight, and receive and transport such freight with all reasonable dispatch, and provide and keep suitable facilities for the receiving and handling thereof at any depot on the line of its road. [C97, §2116; SS15, §2116; C24, 27, 31, 35, 39, §§8038; C46, 50, 54, 58, 62, 66, 71, 73, 75, §§479.3; C77, §327D.3]

327D.4 Connections. If a railroad corporation in this state refuses to connect by proper switches or tracks with the tracks of another railroad corporation or refuses to receive, transport, load, discharge, reload or return cars furnished by another connecting railroad corporation, the board shall hold a hearing on the dispute. Upon conclusion of the hearing, the board shall issue an order to resolve the dispute. The order may include the allocation of costs between the parties. [C97, §§2113, 2116; SS15, §§2113, 2116; C24, 27, 31, 35, 39, §§8039; C46, 50, 54, 58, 62, 66, 71, 73, 75, §§474.13, 479.4; C77, §327D.4]

327D.5 Burden of proof. In any action in court, or before the department, brought against a railroad corporation for the purpose of enforcing rights arising under the provisions of this and sections 327D.3 and 327D.4 the burden of proving that the provisions thereof have been complied with by such railroad corporation, shall be upon such railroad corporation. [S13, §2116; C24, 27, 31, 35, 39, §§8041; C46, 50, 54, 58, 62, 66, 71, 73, 75, §§479.6; C77, §327D.5]

327D.6 Reserved.

327D.7 Transporting persons or property for hire—limitation on liability. A contract, receipt or rule shall not exempt any person engaged in transporting for hire from the liability of a common carrier, or carrier of passengers, which would exist had no contract, receipt or rule been made except as may be provided for liability for property loss by order of the board. [C73, §2184; C97, §§1816, 1826; C24, 27, 31, 35, 39, §§8043; C46, 50, 54, 58, 62, 66, 71, 73, 75, §§478.8; C77, §327D.7]

327D.8 Preference prohibited—exception. It shall be unlawful for any common carrier to give any preference or advantage to, or entail any prejudice or disadvantage upon any particular person, company, firm, corporation, locality, or any class of business or traffic, by any rate, rule, regulation, or practice whatsoever. This provision shall not prevent any common carrier from giving preference as to time of shipping livestock, live poultry, unsecured meats, fruits, vegetables, or other perishable property. [C97, §2125; SS15, §2125; C24, 27, 31, 35, 39, §§8044; C46, 50, 54, 58, 62, 66, 71, 73, 75, §§479.9; C77, §327D.8]

327D.9 Interchange of traffic—switching and forwarding. Common carriers shall, according to their respective powers, afford all reasonable, proper, and equal facilities for the interchange of traffic between their respective lines, and for the receiving, forwarding, and switching of cars and property to and from their several lines, and to and from other lines and places connected therewith; and shall not discriminate in their accommodations, rates, and charges between such connecting lines. Any common carrier may be required to switch and transfer cars for another, for the purpose of being loaded or unloaded, upon such terms and conditions as may be ordered by the board. [C97, §2125; SS15, §2125; C24, 27, 31, 35, 39, §§8045; C46, 50, 54, 58, 62, 66, 71, 73, 75, §§479.10; C77, §327D.9]

327D.10 Unjust discrimination—exceptions. If any common carrier subject to the provisions of this chapter shall directly or indirectly, by any special rate, rebate, drawback, or other device, charge, demand, collect, or receive from any person or persons a greater or less compensation for any service rendered, or to be rendered, in the transportation of pas-
sengers or property subject to the provisions of this chapter, than it charges, demands, collects, or receives from any other person or persons for doing for him or them a like and contemporaneous service in the transportation of a like kind of traffic, such common carrier shall be guilty of unjust discrimination, which is hereby prohibited and declared to be unlawful; but this section shall not be construed as prohibiting a less rate per one hundred pounds in a carload lot than is charged, collected, or received for the same kind of freight in less than a carload lot. [C97, §2124; C24, 27, 31, 35, 39, §8046; C46, 50, 54, 58, 62, 66, 71, 73, 75, §479.11; C77, §327D.10]

Referred to in §327D.40

327D.11 Reconsignment without charge. Upon request of the consignee it shall be the duty of any common carrier of freight to reconsign, rebill, and re-ship from any place of destination within the state to any other place within the state any property in carload lots brought to said place of destination over its own or other line and treat the same in all respects as an original shipment between such places, provided the charges to first place of destination are paid or secured to the satisfaction of such corporation. [S13, §2157-r; C24, 27, 31, 35, 39, §8047; C46, 50, 54, 58, 62, 66, 71, 73, 75, §479.12; C77, §327D.11]

Referred to in §327D.40

327D.12 Charges to be reasonable. All rates and charges made for any service rendered or to be rendered in the transportation of passengers or property in this state, or for the receiving, delivering, storage, or handling of such property, shall be reasonable and just. [C97, §2123; C24, 27, 31, 35, 39, §8048; C46, 50, 54, 58, 62, 66, 71, 73, 75, §479.13; C77, §327D.12]

Referred to in §327D.40

327D.13 Long and short haul—fair rate. No common carrier, subject to the provisions of this chapter, shall charge more for the transportation of persons or property to or from any point on its railroad than a fair and just rate or charge.

No such carrier shall charge or receive any greater compensation in the aggregate for the transportation of persons or of a like kind of property for a shorter than for a longer distance, over the same line or route in the same direction within this state, the shorter being included within the longer distance, or charge any greater compensation as a through rate than the aggregate of the intermediate rates; but this shall not be construed as authorizing any such common carrier to charge or receive as great a compensation for a shorter as for a longer distance or haul; provided that upon application to the board such common carrier may, in special cases, after investigation, be authorized by the board to charge less for a longer than for a shorter distance for the transportation of persons or property; and the board may from time to time prescribe the extent to which such designated common carrier may be relieved from the operation and requirement of this section; but in exercising the authority conferred upon it in this proviso, the board shall not permit the establishment of any charge to or from the more distant point that is not reasonably compensatory for the service performed; and, if a circuitous rail line or route is, because of such circuity, granted authority to meet the charges of a more direct line or route to or from competitive points and to maintain higher charges to or from intermediate points on its line, the authority shall not include intermediate points as to which the haul of the petitioning line or route is not longer than that of the direct line or route between the competitive points. [C97, §2126; C24, 27, 31, 35, 39, §8049; C46, 50, 54, 58, 62, 66, 71, 73, 75, §479.14; C77, §327D.13]

Referred to in §327D.40

327D.14 Pooling contracts. It shall be unlawful for any common carrier subject to the provisions of this chapter to enter into any contract, agreement, or combination with any other common carrier for the pooling of freight of different and competing railroads, or divide between them the aggregate or net proceeds of the earnings of such railroads, or any portion thereof without the approval of the board when determined to be in the public interest by the board; and in case of an agreement for the pooling of freight without such approval, each day of its continuance shall be a separate offense. [C73, §§1297-1299; C97, §2127; C24, 27, 31, 35, 39, §8050; C46, 50, 54, 58, 62, 66, 71, 73, 75, §479.15; C77, §327D.14]

Referred to in §327D.40

327D.15 Continuous shipments. It shall be unlawful for any common carrier subject to the provisions of this chapter to enter into any combination, contract or agreement, expressed or implied, to prevent, by change of time schedules, carriage in different cars, or, by other means or device, the carriage of freights from being continuous from place of shipment to the place of destination in the state; and no break of bulk, stoppage, or interruption made by such common carrier shall prevent the carriage of freights from being treated as one continuous carriage from the place of shipment to the place of destination, unless such break, stoppage, or interruption was made in good faith for some necessary purpose, and without any intent to avoid or unnecessarily interrupt such continuous carriage, or to evade any of the provisions of this chapter. [C97, §2129; C24, 27, 31, 35, 39, §8051; C46, 50, 54, 58, 62, 66, 71, 73, 75, §479.16; C77, §327D.15]

Referred to in §327D.40

327D.16 Violations—treble damages. In case any common carrier subject to the provisions of this chapter shall do, cause, or permit to be done anything herein prohibited or declared to be unlawful, or shall willfully fail to do anything in this chapter required to be done, it shall be liable to the person injured thereby for three times the amount of damages sustained in consequence, together with costs of suit, and a reasonable attorney's fee to be fixed by the court, on appeal or otherwise, which shall be taxed and collected as part of the costs in the case; but in all cases demand in writing shall be made of the carrier for the money damages sustained before action is brought for a recovery under this section, and no action shall be brought until the expiration of fifteen days after such demand. [C97, §2130; C24, 27, 31, 35, 39, §8052; C46, 50, 54, 58, 62, 66, 71, 73, 75, §479.17; C77, §327D.16]

Referred to in §327D.40
327D.17 Criminal liability. Except as otherwise specially provided for in this chapter, and unless relieved from the consequences of a violation of the law as provided herein, any common carrier subject to the provisions hereof, or, when such common carrier is a corporation, any director or officer thereof, or any receiver, trustee, lessee, agent, or person acting for or employed by such corporation, who, alone or with any other corporation, company, person, or party shall willfully do or cause to be done, or shall willfully suffer or permit to be done any act, matter, or thing in this chapter prohibited or declared to be unlawful, or who shall aid or abet therein, or shall willfully omit or fail to do any act, matter, or thing in this chapter required to be done, or shall cause or willingly suffer or permit any act, matter, or thing, so directed or required by the provisions of this chapter to be done, not to be so done; or shall aid or abet any such omission or failure, or shall be guilty of any infraction of the provisions of this chapter, or shall aid or abet therein, shall be guilty of a misdemeanor, and shall, upon conviction thereof, be subject to a schedule "four" penalty. case of primary highways, the board of supervisors of
the county in which such crossing is located, in the
case of secondary roads, or the council of the city, in
the case of streets and alleys located within a city,

crossing and flasher lights or gate arm signals at the
crossing and allocation of costs thereof. The depart-

lights or gate arm signals at the crossing and an unlim-

gate arm signals at the crossing may be paid from the
grade crossing safety fund.

give the other party ten days' written notice by mail
of such date. The board shall promulgate rules, pur-

which are filed with the board prior to a written dis-

or the governmental unit or both as it bears to the
general public use and benefit and such benefits may
in the case of construction be consistent with the
standards adopted for similar purposes by the federal
highway administration under the federal aid high-
way Act of 1973 as amended to July 1, 1976. [23

327G.21 Condition after change—temporary
ways. When a railroad company changes, alters, or
repairs a highway crossing, it shall upon completion
of the work leave it free from obstructions to travel
and in good condition. If travel will be obstructed
while any alterations or repairs are being made, the
railroad company shall provide safe and convenient
temporary ways for the public to avoid or pass such
obstructions. [R60, §§1321, 1324; C73, §§1262, 1264;

When in the construction of a railway it becomes
necessary to cross another railway near the shore of
the Mississippi river, each shall be so constructed
and maintained at the point of crossing that the respec-
tive roadbeds thereof shall be above high-water mark
in such river; but where the crossing occurs within
the limits of any city, the council may establish the
crossing grade. [C75, §1290; C97, §2059; C24, 27, 31, 35,

327G.23 Grade crossings. The department shall
have jurisdiction over all crossings at grade of rail-
ways within the state. Upon the application of any
railway or upon its own motion, the said department
may require the trains of any railway to stop at any
crossing of such railway tracks at grade or said de-
partment may make such rules in relation to speed or
other methods of operation at such grade crossings as
in its judgment are necessary to protect the public
safety. [C24, 27, 31, 35, 39, §8028; C46, 50, 54, 58, 62,
66, 71, 73, 75, §478.29; C77, §327G.23]

§25.

327G.28 Compulsory establishment. Whenever in
the judgment of the department it is necessary for
the public safety, said department may require the
establishment of an interlocking system or other
safety device at any railroad crossing, junction or
drawbridge. [C24, 27, 31, 35, 39, §8035; C46, 50, 54, 58,

327G.29 Grade crossing surface repair fund.
There is established a highway railroad grade cross-
sing surface repair fund in the office of the treasurer
of state. The department may credit to this fund:
1. Moneys appropriated to the department from
the general fund of the state.
2. Moneys appropriated to the department from
the road use tax fund or the primary road fund.
3. Available federal funds.
4. Moneys acquired by the department from any
gift, grant, or contributions from any source.

Notwithstanding the provisions of section 8.33 un-
cumbered funds remaining in the highway railroad
crossing surface repair fund at the close of each
calendar year or previous ending on June 30 shall revert to
the road use tax fund. [C77, §327G.29; 67GA, ch 1108, §22]

327G.30 Adjustment of expense. If a grade cross-
sing surface of a railroad track and a highway, street,
or alley shall require repairs or maintenance, the
costs for such maintenance may be paid equally by
the owner of the track, the jurisdiction having pri-
mary authority over the highway, street, or alley, and
the highway grade crossing surface repair fund.

If the railroad corporation and the jurisdiction hav-
ing authority agree on the method of crossing main-
tenance and establish an agreement to each contrib-
te one-third of the costs, a copy of the agreement
shall be filed with the department which shall allo-
cate an amount equal to one-third of the cost for the
work if funds are available in the highway railroad
grade crossing surface repair fund. The department
shall make appropriate notification if the fund is ex-
hausted in which case agreements shall not be made
under the provisions of this section until additional
funds are available. The fund shall be administered
by the department.

Upon completion of the agreed repair work, a
statement of costs shall be filed with the department
by the railroad corporation in a form and manner pre-
scribed by the department. The department, upon ap-
proval of the statement, shall pay to the railroad cor-
poration an amount equal to one-third of the cost of the
work if funds are available in the highway railroad
crossing surface repair fund. The owner of the track and
the jurisdiction entering into the agreement shall each
pay one-third of the cost. [C77, §327G.30]

327G.31 Disagreement resolved. If a railroad cor-
poration and the jurisdiction having authority cannot
reach agreement on grade crossing surface repair and
maintenance, either party may appeal to the board if
prior to disagreement both parties have filed a state-
ment with the department to the effect that they
have entered into negotiations on grade crossing sur-
face repair and maintenance of a particular crossing.
The board shall resolve the dispute in the manner provided in section 327G.16 and section 327G.17, except for the allocation of costs. [C77,§327G.31]

327G.32 Blocking highway crossing. A railroad corporation or its employees shall not operate any train in such a manner as to prevent vehicular use of any highway, street or alley for a period of time in excess of ten minutes except:
1. When necessary to comply with signals affecting the safety of the movement of trains.
2. When necessary to avoid striking any object or person on the track.
3. When the train is disabled.
4. When necessary to comply with governmental safety regulations including, but not limited to, speed ordinances and speed regulations.

Any officer or employee of a railroad corporation violating any provision of this section shall, upon conviction be subject to the penalty provided in section 327G.14. An employee shall not be guilty of such violation if his action was necessary to comply with the direct order or instructions of a railroad corporation or its supervisors. Such guilt shall then be with the railroad corporation.

The provisions of this section notwithstanding, a political subdivision may pass a resolution or ordinance regulating the length of time a specific crossing may be blocked if the political subdivision demonstrates such a resolution or ordinance is necessary for public safety or convenience. If such a resolution or ordinance is passed the political subdivision shall within thirty days of the effective date of the resolution or ordinance notify the board and the railroad corporation using the crossing affected by the resolution or ordinance. The resolution or ordinance shall not become effective unless the board and the railroad corporation are notified within thirty days. The resolution or ordinance shall become effective thirty days after such notification unless a person files an objection to the resolution or ordinance with the board. If an objection is filed the board shall hold a hearing according to the rules established by the board. The board may disapprove the resolution or ordinance if public safety or convenience does not require such a resolution or ordinance. The resolution approved by the political subdivision shall be prima facie evidence that the resolution is adopted to preserve public safety or convenience.

The board when considering rebuttal evidence shall weigh the benefits accruing to the political subdivision as it bears to the general public use compared to the burden placed on the railroad operation. Public safety or convenience may include, but shall not be limited to, high traffic density at a specific crossing and high traffic at one or more industries or a railroad track not subject to the jurisdiction of the interstate commerce commission. A spur track shall not include a railroad line used to provide line-haul or intercity transportation. [C75,§481.9; C77,§327G.61; 67GA, ch 1116,§1]

1. The department shall promulgate rules pursuant to the provisions of chapter 17A governing the issuance by the department of certificates of registration to all airports in this state which are open for use by the public and governing the annual renewal of those certificates. These rules shall require that an airport applying for a certificate of registration or for a renewal shall comply with minimum standards of safety as promulgated by the department, adopt safe air traffic patterns, and demonstrate that such air traffic patterns are safely co-ordinated with those of all existing airports and approved airport sites in its vicinity before the certificates of registration or certificate of renewal may be issued. Certificates of registration or renewal may be issued subject to any conditions the department deems necessary to carry out the purposes of this section. The department may, after notice and opportunity for hearing as provided in chapter 17A, revoke any certificate of registration or renewal, or may refuse to issue a renewal, when it determines:

a. That there has been an abandonment of the airport as such;

b. That there has been a failure to comply with the conditions of the registration or renewal thereof;

c. That because of change of physical or legal conditions or circumstances the airport has become either unsafe or unusable for the aeronautical purposes for which the registration or renewal was issued.

2. The department shall promulgate rules pursuant to the provisions of chapter 17A governing the issuance by the department of certificates of airport site approval. These rules shall provide that any person or governmental subdivision desiring or planning to construct or establish an airport shall obtain a certificate of site approval prior to acquisition of the site or prior to the construction or establishment of the airport. The department shall charge a reasonable fee, based on the cost of a safety inspection of the site approval application, for the issuance of a certificate of site approval, and shall issue such a certificate if it finds:

a. That the site is adequate for the proposed airport;

b. That such proposed airport, if constructed or established, will conform to minimum standards of safety as promulgated by the department; and

c. That safe air traffic patterns are established for the proposed airport which are safely co-ordinated with the traffic patterns of all existing airports and approved airport sites in its vicinity.

3. A certificate of site approval shall remain in effect until a certificate of registration has been issued to an airport located on the approved site as provided in subsection 1, unless the department, after notice and opportunity for hearing, revokes the certificate of site approval upon a finding that:

a. There has been an abandonment of the site as an airport site;

b. There has been a failure within two years to develop the site as an airport, or to comply with the conditions of the approval; or

c. Because of change of physical or legal conditions or circumstances the site is no longer usable for the aeronautical purposes for which the approval was granted.

4. No certificate of site approval shall be required for the site of any existing airport.

5. In considering an application for approval of a proposed airport site or the issuance of an airport registration certificate under subsections 1 and 2, the department may, on its own motion or upon the request of an affected or interested person, hold a hearing as provided in chapter 17A. [C31, 35, §8838-e2; C39, §8338.15; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §328.19]

Referred to in §328.26, 328.35

328.20 Registration of aircraft. Every civil aircraft owned either wholly or in part by persons residing in this state, unless specifically excepted under
§328.20, AERONAUTICS

the provisions of this chapter, shall be registered annually with the department, by the owner thereof. 
[C31, 35, §8338-c2; C39, §8338.15; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §328.20]
Referred to in §328.26, 328.33

328.21 Aircraft registration fees. There shall be paid to the department at the time of such registration an annual registration fee for each such aircraft, to be computed as follows:

1. Unless otherwise provided in this section, for the first registration, a sum equal to one and one-half percent of the manufacturer's list price of the aircraft.

2. After said aircraft has been registered once the registration fee shall be seventy-five percent of the rate as fixed for the first registration; after two times fifty percent; and after three times twenty-five percent; provided, however, that no aircraft shall be registered for a registration fee of less than fifteen dollars.

3. Where there is no delinquency and the registration is made in August or succeeding months to and including May, the fee shall be computed on the basis of one-twelfth of the annual registration fee multiplied by the number of the unexpired months of the year and said amount shall be the fee collected. No fee shall be required for the month of June for a new aircraft, in good faith delivered in that month, providing said aircraft is registered at the time of purchase for the following year.

4. The registration fee for an aircraft operated in scheduled interstate airline operation, owned by an Iowa person and operated part-time within this state shall be a fee of thirty-five dollars. This application for registration shall be supported by such records as the department shall prescribe.

5. Should the department find and determine that no established manufacturer's list price exists for any such aircraft the department is hereby authorized and empowered to determine and fix the fair value of such aircraft which fair value shall be used in lieu of a manufacturers' list price in computing the registration fee for each such aircraft as otherwise provided by this section.

When the fee so computed results in a fractional part of a dollar, it shall be computed to the nearest quarter of a dollar.

6. Any aircraft thirty years old, or older, which is used exclusively for noncommercial purposes shall be registered as an antique aircraft for a registration fee of fifteen dollars. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §328.21; 67GA, ch 1117, §3]
Referred to in §328.26

328.22 Used aircraft. When an aircraft other than new is registered in Iowa the age of the aircraft in years calculated to the nearest anniversary of the date of manufacture shall be construed as the number of times previously registered, and reduction of the registration fee computed accordingly. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §328.22]
Referred to in §328.26

328.23 Credit on registration fees. There shall be credited upon the registration fee due for the registration of any aircraft pursuant to the provisions of this chapter, except aircraft used for the application of herbicides and pesticides, any tax, registration fee, or license fee levied upon or charged for said aircraft and paid to any other state, and the registration fee due and to be collected pursuant to the provisions of this chapter, shall be reduced by the amount of said tax, registration fee or license fee, upon the presentation of the official receipt therefor with the application for registration. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §328.23]

328.24 Refunds of fees. If, during the year for which an aircraft, except nonresident aircraft used for the application of herbicides and pesticides, was registered and the required fee paid therefor, such aircraft is destroyed by fire or accident or junked, and its identity as an aircraft entirely eliminated, or it is removed and continuously used beyond the boundaries of the state, then the owner in whose name it was registered at the time of such destruction, dismantling, or removal from the state shall return the certificate of registration to the commission within ten days and make affidavit of such destruction, dismantling, or removal and make claim for such refund.

The registration fee for the unexpired portion of the year shall thereupon be refunded pro rata to the nearest full calendar month. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §328.24]

328.25 Fees in lieu of taxes. The registration fees imposed by this chapter upon aircraft shall be in lieu of all taxes, general or local, except state sales or use tax, to which aircraft might otherwise be subject. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §328.25]

328.26 Application for registration. Every application for registration pursuant to sections 328.19 to 328.22 shall be made upon such forms, and shall contain such information, as the department may prescribe, and every application shall be accompanied by the full amount of the registration fee. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §328.26]

328.27 Issuance of certificates. The department shall forthwith cause to be issued, upon receipt of proper application and fee for registration, a certificate of registration which shall be numbered and recorded by the department, shall state the name and address of the person to whom it is issued, shall be entitled with the designation of the class of registrant covered thereby and shall contain such other information as the department may prescribe including, in the case of aircraft, a description thereof. Every certificate of registration or special certificate issued hereunder shall expire at midnight on the thirtieth day of June of each year. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §328.27]

328.28 Operation under special certificate. A manufacturer or dealer owning any aircraft otherwise required to be registered hereunder may operate the same for purposes of transporting, testing, demonstrating, or selling the same without registering each such aircraft, upon condition that any such aircraft display therein a special certificate issued to such owner as provided in this section and sections 328.29 to 328.33.
A transporter may operate any such aircraft solely for the purpose of delivery upon likewise displaying therein, a special certificate issued to him as provided in these sections.

The provisions of this section and sections 328.29 to 328.33 shall not apply to aircraft owned by manufacturer, transporter, or dealer, which are used for hire or principally for transportation of persons and property, aside from the transporting of the aircraft itself, or testing or demonstrating thereof. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §328.28]

328.29 Application. Any manufacturer, transporter, or dealer, may, upon payment of a fee of twenty-five dollars make application to the department upon such forms as the department may prescribe for a special certificate containing a general distinguishing number and for one or more duplicate special certificates hereunder. The applicant shall also submit such reasonable proof of his status as a bona fide manufacturer, transporter, or dealer as the department may require. 3. That the required fee has not been paid.

4. That the department has reasonable ground to believe that fraudulent use, against the state or any municipality or citizen thereof, is being made of such certificate of registration or special certificate.

6. That the aircraft registered, or for which application for registration is made, is not certified or licensed for operation by the government of the United States or any authorized agency thereof, pursuant to the laws of the United States or any rules or regulations promulgated thereunder. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §328.34]

CHAPTER 329
AIRPORT ZONING
Referred to in §307.25, 476A.5

329.1 Definitions. The following words, terms, and phrases, when used in this chapter, shall, for the purposes of this chapter, have the meaning herein given, unless otherwise specifically defined, or unless another intention clearly appears, or the context otherwise requires:

1. "Airport" means any area of land or water designed and set aside for the landing and take-off of aircraft and utilized, or to be utilized, in the interest of the public for such purposes.

2. "Airport hazard" means any structure or tree or use of land which would exceed the federal obstruction standards as contained in 14 code of federal regulations sections 77.21, 77.23 and 77.25 as revised March 4, 1972, and which obstruct the air space required for the flight of aircraft and landing or take-off at an airport or is otherwise hazardous to such landing or taking off of aircraft.

3. "Airport hazard area" means any area of land or water upon which an airport hazard might be established if not prevented as provided by this chapter.

4. "Municipality" means any county or city of this state.

5. "Person" means any individual, firm, co-partnership, corporation, company, association, joint stock association, or body politic, and includes any trustee, receiver, assignee, or other similar representative thereof.

6. "Structure" means any object constructed or installed by man, including, but without limitation, buildings, towers, smokestacks, and overhead transmission lines, including the poles or other structures supporting the same.

7. "Tree" means any object of natural growth.

8. "Obstruction" means any tangible, inanimate physical object, natural or artificial, protruding above the surface of the ground.

9. "Department" means the state department of transportation.

10. The singular shall include the plural, and the plural the singular. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §329.1]

329.2 Airport hazards contrary to public interest. It is hereby found that an airport hazard endangers the lives and property of users of the airport and of occupants of land and other persons in its vicinity, and also, if of the obstruction type, in effect reduces the size of the area available for the landing, taking off and maneuvering of aircraft, thus tending to destroy or impair the utility of the airport and the public investment therein. Accordingly, it is hereby declared:

1. That the creation or establishment of an airport hazard is a public nuisance and an injury to the community served by the airport in question.

2. That it is necessary in the interest of the public health, safety, and general welfare that the creation or establishment of airport hazards be prevented.

3. That this should be accomplished, to the extent legally possible, by proper exercise of the police power.

4. That the prevention of the creation or establishment of airport hazards, and the elimination, removal, alteration, mitigation, or marking and lighting of existing airport hazards are public purposes for which municipalities may raise and expend public funds, as an incident to the operation of airports, to acquire land or property interests therein. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §329.2]

See §657.2(9)

329.3 Zoning regulations—powers granted. Every municipality having an airport hazard area within its territorial limits may adopt, administer, and enforce in the manner and upon the conditions prescribed by this chapter, zoning regulations for such airport hazard area, which regulations may divide such area into zones and, within such zones, specify the land uses permitted, and regulate and restrict, for the purpose of preventing airport hazards, the height to which structures and trees may be erected or permitted to grow. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §329.3]

Referred to in §§329.4(2), 329.6

329.4 Extra-territorial airport hazard areas. When any airport hazard area appertaining to an airport owned or controlled by a municipality is located outside the territorial limits of said municipality:

1. "Ordinances or resolutions. The municipality owning or controlling the airport, and the municipality within which the airport hazard area is located, may by duly adopted ordinance or resolution, as may be appropriate, adopt, administer, and enforce airport zoning regulations applicable to the airport hazard area in question.
2. Petition to district court. If the municipality within which is located such airport hazard area has failed or refused, within sixty days after demand has been made upon it by any municipality owning or controlling the airport, to adopt reasonably adequate airport zoning regulations under section 329.3, or to join in adopting joint airport zoning regulations as authorized in subsection 1 of this section, the municipality owning or controlling the airport may, upon a resolution of necessity therefor duly adopted by its governing body, petition the district court of the county in which such airport hazard area or any part thereof is located, in the name of the municipality owning or controlling the affected airport, praying that zoning regulations be established for the airport hazard area in question.

3. Petition—contents. Such petition shall allege all essential facts showing the necessity for bringing such action, the relief sought including proposed zoning regulations, and the necessity therefor.

4. Parties. The parties defendant in such action shall be the municipality in which such airport hazard area is located, and all persons having an apparent or contingent interest in the property located within such area, who may be joined in said action generally as a class.

5. Procedure. The action shall be triable in equity and in accordance with general rules of civil procedure, except that such action shall have precedence over any other business of the court except criminal cases, and the court shall set said petition for hearing not less than sixty days nor more than one hundred twenty days from the date it is filed with the clerk of said court.

6. Notice. The original notice in such action shall be served upon the municipality in which such airport hazard area is located, and in the same manner as original notice for any other action but not less than thirty days prior to the date set for trial; and upon all other defendants by the publication of said notice in some newspaper or newspapers of general circulation within the area described in the petition, or as near thereto as possible, which publication shall be in the same manner as provided for the publication of other original notices, provided, however, that the last publication thereof shall be not less than thirty days prior to the date set for trial.

7. Decree and modification. Upon trial the court may enter decree establishing such zoning regulations as it shall find reasonable and necessary. The court having once taken jurisdiction of such matter shall retain continuing jurisdiction thereof for such subsequent modification as it may deem advisable, upon proper application of interested parties, and due showing made thereunder after such notice to possible adverse parties as the court shall prescribe.

8. Appeal. Any person or municipality adversely affected or aggrieved by any findings of the court may appeal therefrom as in other civil actions.

9. Enforcement. Following the entry of any final decree by the district court, and unless appeal has been taken therefrom, the zoning regulations established by such decree may be enforced, and violations thereof punished, as provided by section 329.14. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§329.4]

329.5 Prevention of airport hazards. Any municipality owning or controlling an airport may maintain actions in equity to restrain and abate as nuisances the creation or establishment of airport hazards appertaining to said airport, in violation of any zoning regulations adopted or established pursuant to the provisions of this chapter for any area whether within or without the territorial limits of said municipality. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§329.5] See §657 20(1)

329.6 Zoning powers. If any municipality owning or controlling an airport adjacent to which there is an airport hazard area shall fail or refuse, within sixty days after demand made upon it by the department, to adopt reasonably adequate airport zoning regulations under section 329.3, or to proceed as provided in section 329.4, the department may petition the district court of the county in which such airport hazard area, or any part thereof, is located, in the name of the state, praying that zoning regulations be established for the airport hazard area in question, and the provisions of section 329.4, subsections 3 to 9, shall apply to such actions provided, however, that such municipality shall be joined as a party defendant in any such action.

The department may maintain actions in equity to restrain and abate as nuisances the creation or establishment of airport hazards appertaining to any airport within the state, in violation of any zoning regulations adopted or established pursuant to the provisions of this chapter. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§329.6]

329.7 Relation to comprehensive zoning regulations. Any municipality which has adopted, or hereafter adopts, zoning ordinances under the provisions of chapter 414, is hereby empowered to incorporate therein such airport hazard area zoning regulations as are provided for by this chapter, and to administer and enforce the same as herein provided. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§329.7]

329.8 Conflicting regulations. In the event of any conflict between any airport zoning regulations adopted or established under this chapter and any other regulations applicable to the same area, whether the conflict be with respect to the height of structures or trees, the use of land, or any other matter, the more stringent limitation or requirement shall govern and prevail. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§329.8]
§329.9 Procedure for adopting zoning regulations—zoning commission. In adopting, amending, and repealing airport zoning regulations under this chapter the governing body of the municipality shall follow the procedure as provided in sections 414.4 and 414.6. Any action taken on the part of any county under this chapter shall be by resolution of the board of supervisors thereof and no such action shall be taken without a majority of the board of supervisors voting therefor and consenting thereto. The commission so appointed shall be known as the airport zoning commission. The airport zoning commission shall consist of two members from each municipality selected by the governing body thereof and one additional member to act as chairman and to be selected by a majority vote of the members selected by the municipality. The terms of the members of the airport zoning commission shall be for six years excepting that when the board shall first be created, one of the members appointed by each municipality shall be appointed for a term of two years and one for a term of four years. Members may be removed for cause by the appointing authority upon written charges after public hearing. Vacancies shall be filled for the unexpired term of any member whose office becomes vacant in the same manner in which said member was selected. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §329.9]

§329.10 Airport zoning requirements.

1. All airport zoning regulations adopted under this chapter shall be reasonable and none shall impose any requirement or restriction which is not necessary to effectuate the purposes of this chapter.

2. No airport zoning regulations adopted under this chapter shall require the removal, lowering, or other change or alteration of any structure or tree, or interfere with any use, not conforming to the regulations when adopted or amended, except that they may require the owner thereof to permit the municipality at its own expense to install, operate, and maintain thereon such markers and lights as may be necessary to indicate to operators of aircraft the presence of the airport hazard.

3. All such regulations shall provide that no pre-existing nonconforming structure, tree, or use, shall be replaced, rebuilt, altered, allowed to grow higher, or replanted, so as to constitute a greater airport hazard than it was when such airport zoning regulations or amendments thereto were adopted. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §329.10]

§329.11 Variances. Any person desiring to erect or increase the height of any structure, or to permit the growth of any tree, or otherwise use his property in violation of airport zoning regulations adopted under this chapter, may apply to the board of adjustment for a variance from the zoning regulations. Such variances shall be allowed where a literal application or enforcement of the regulations would result in practical difficulty or unnecessary hardship and the relief granted would not be contrary to the public interest, but would do substantial justice and be in accordance with the spirit of the regulations and this chapter; provided, however, that any such variance may be allowed subject to any reasonable conditions that the board of adjustment may deem necessary to effectuate the purposes of this chapter, including the reservation of the right of the municipality, at its own expense, to install, operate, and maintain thereon such markers and lights as may be necessary to indicate to operators of aircraft the presence of the airport hazard. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §329.11]

§329.12 Board of adjustment—creation—powers—duties. The governing body of any municipality availing or seeking to avail itself of the powers by this chapter conferred shall, by ordinance or resolution duly adopted, provide for the appointment of a board of adjustment, as provided in section 414.7. Such board of adjustment shall have the same powers and duties, and its procedure, and appeals thereto and therefrom, in all respects shall be governed by and subject to the same provision established in sections 414.9 to 414.19.

The concurring vote of a majority of the board shall be necessary to reverse any order, requirement, decision or determination of any administrative official or to decide in favor of the applicant on any matter upon which it is required to pass under any regulations adopted pursuant to this chapter or to effect any variance therefrom.

The board of adjustment shall consist of two members from each municipality, selected by the governing body thereof, and one additional member to act as chairman and to be selected by a majority vote of the members selected by the municipality. Members shall be removable for cause by the appointing authority upon written charges and after public hearing. Vacancies shall be filled for the unexpired term of any member whose office becomes vacant in the same manner in which said member was selected. The terms of the members of the board of adjustment shall be for five years, excepting that when the board shall first be created, one of the members appointed by each municipality shall be appointed for a term of two years and one for a term of four years. To borrow money, make and issue negotiable bonds, certificates, refunding bonds, and other obligations (herein called “bonds”) and notes of an authority and to secure the payment of such bonds or any part thereof by a pledge of any or all of an authority’s revenues, rates, fees, rentals, or other charges, and any other funds which it has a right to, or may hereafter have the right to pledge for such purposes (hereafter sometimes referred to as “revenues”), and to mortgage its property as security for the payment of such bonds; and in general, to provide for the security of said bonds and the rights and remedies of the holders thereof. Such bonds may be issued to finance either one or more or a combination of aviation facilities and the revenues of any one or more aviation facilities may, subject to any prior rights of bondholders, be pledged for any one or more or a combination of aviation facilities. Any revenues from existing aviation facilities theretofore constructed or acquired pursuant to this chapter or existing laws, or existing aviation facilities constructed or acquired by an authority from any source may be pledged for any one or more or a combination of aviation facilities financed under this chapter, regardless of whether or not such existing aviation facilities are then being improved or financed by the proceeds of the bonds to be issued to finance the one or more or the combination of aviation facilities for which such revenues of such existing aviation facilities are to be pledged.

[C71, 73, 75, 77, §330A.8]

Such amendatory or repealing resolution shall take effect upon its passage.

3. Any such resolution or resolutions authorizing any bonds hereunder may contain provisions which shall be part of the contract with the holders of such bonds, as to:

Such deeds of trust, mortgag-

§331.25 Plan “one” terms of office. If plan “one” is selected pursuant to section 331.8 or 331.9, the county board shall be elected as provided in this section.

1. In the primary and general elections, the number of supervisors, or candidates for such offices, which constitutes the county board in such county, shall be elected by the qualified electors of the county at large and no district residence requirements shall be imposed upon the candidates for such office.

2. In counties with three supervisors, one person shall be elected as a member of the board for two years and two persons shall be elected as members of the board for four years.

In counties with five supervisors, two persons shall be elected as members of the board for two years and three persons shall be elected as members of the board for four years.

In no case shall a board be composed of more than five members.

The determination as to whether a term of office shall be for two or four years shall be decided by lot prior to the primary election, and the results of such determination indicated on the ballot in such primary and general elections. [C71, 73, 75, 77, §331.25]

§331.26 Plan “two” terms of office. If plan “two” is selected pursuant to section 331.8 or 331.9, the county board shall be elected as provided in this section.

1. The board of supervisors shall, before November 1, 1969, and before November 1 of the nonelection year following each federal decennial census thereafter, if necessary, divide the county into a number of supervisor districts corresponding to the number of supervisors in such county. However, if such plan is selected pursuant to section 331.9, the board shall so divide the county before March 15 of the election year. The board shall make a good-faith effort to achieve precise mathematical equality in the population of such districts as indicated by the most recent federal decennial census.

Such supervisor districts may be drawn on the basis of existing natural or artificial divisions and boundaries of the county; township and voting precinct lines may be crossed; but in no event shall the existence of convenient district boundaries justify the designation of supervisor districts which are not of as nearly precise mathematical equality in population as is practicable.

2. Members of the county board shall be required to reside one to each supervisor district but shall be elected by the electors of the county at large. Election ballots shall be prepared to specify the district which each candidate seeks to represent and each elector may cast a vote for one candidate from each district for which a supervisor is to be chosen in the general election.

3. The county board may redesignate supervisor districts once in every two years, and no sooner. In the event that the board redesignates, it must be completed and available to the public by November 1 of the year prior to the election to be applicable in that election year. The provisions of this subsection shall not be construed as having the effect of lengthening or diminishing the term of office of any member of such board as a result of such redesignation, nor shall districts be redesignated except in compliance with this section. No supervisor district shall be designated by the county board pursuant to subsection 1 of this section which, while complying with the requirement that it be of as nearly precise mathematical equality in population as practicable to the other supervisor districts of the county, discriminates by design for or against any political party, board member, candidate for board membership, racial or ethnic minority or any other group of persons.

4. At the primary and general elections the number of supervisors, or candidates for such offices, which constitute the county board in such county shall be elected as provided in this section. Terms of members shall be as provided in section 331.25, subsection 2. [C71, 73, 75, 77, §331.26]

CIVIL SERVICE FOR DEPUTY COUNTY SHERIFFS

341A.1 Definitions. As used in this chapter, unless the context otherwise requires:

1. “Commission” means the civil service commission or a combined county civil service commission created pursuant to the provisions of this chapter.

2. “Commissioner” means a member of the commission defined in subsection 1.

3. “County” means a single county or several counties combined for the purposes enumerated in section 341A.3. [C75, 77, §341A.1]
341A.2 Civil service commission. Subject to the alternate plan enumerated in section 341A.3, there is created in each county a civil service commission composed of three members. One member shall be appointed by the county board of supervisors, one member shall be appointed by the presiding district court judge of each county, and one member shall be appointed by the county attorney of each county. Commission members shall be appointed within sixty days after August 15, 1973. Appointees to the commission shall be residents of the county for at least two years immediately preceding appointment, and shall be electors. Terms of office shall be six years, however, the initial members of the commission shall be appointed as follows:

The member appointed by the board of supervisors shall serve for a period of two years, the member appointed by the county attorney shall serve for a period of four years, and the member appointed by the district court judge shall serve for a period of six years.

Any member of the commission may be removed by the appointing authority for incompetence, dereliction of duty, malfeasance in office, or for other good cause, however, no member of the commission shall be removed until apprised in writing of the nature of the charges against him and a hearing on such charges has been held before the board of supervisors. In the event a vacancy occurs in the commission for any reason other than expiration of the term, an appointment to fill the vacancy for the unexpired term shall be made in the same manner as the original appointment.

A majority vote of the membership of the commission shall be sufficient to transact the business of the commission. Not more than two commissioners shall be members of the same political party. Commissioners shall hold no elective or other appointive public office during their terms of appointment to the commission. Referred to in §341A.3

341A.3 Combined civil service system. Any combination of counties in this state may, by resolution of the boards of supervisors in each county, establish a combined civil service system to serve such counties. The specific terms of the agreement regarding the operation of the combined civil service system, including the appointment of qualified commissioners, and any other matters pertinent to the operation of such system shall be contained in the resolutions adopted by the respective boards of supervisors of the participating counties. Counties participating in a combined civil service system need not be contiguous.

Appointment of commissioners in combined counties shall be by joint meeting of the boards of supervisors, district court judges, and county attorneys, respectively. Each group meeting jointly shall appoint one commissioner whose term shall be six years, except that initial terms shall be as provided in section 341A.2. [C75, 77,§341A.3]

Referred to in §§341A.1, 341A.2

341A.4 Statutory authority. If a county or combination of counties has a civil service commission, this commission shall serve as the commission established by this chapter and shall have all the powers and duties provided by this chapter.

If more than one civil service commission exists, the one from the county with the largest population shall serve as the commission under this chapter. [C75, 77,§341A.4]

341A.5 Organization. The commission shall hold an organizational meeting immediately after its establishment and shall elect one of its members as chairman. The commission shall hold regular meetings at least once every three months, and may hold such additional meetings as may be required in the fulfillment of its responsibilities. All commission meetings shall be public meetings.

The commission shall appoint a personnel director who shall act as its secretary and such other personnel as may be necessary. The personnel director shall keep and preserve all records of the commission, including reports submitted to it and examinations held under its direction, advise the commission in all matters pertaining to the civil service system, and perform such other duties as the commission may prescribe. The commission may add the personnel director's duties to a presently employed county employee. [C75, 77,§341A.5]

341A.6 Powers and duties. The commission shall have the following powers and duties:

1. To adopt, and amend as necessary, rules pursuant to the provisions of this chapter, which shall specify the manner in which examinations are to be held and appointments, promotions, transfers, reinstatements, demotions, suspensions, and discharges are to be made. The rules may make such other provisions regarding personnel administration and practices as are necessary or desirable in carrying out the purposes of this chapter. The commission rules, and their amendments, shall be printed and made available without cost to the public.

2. To administer practical tests designed to determine the ability of persons examined to perform the duties of the position for which they are seeking appointment. Such tests shall be designed and prepared by the director of the Iowa law enforcement academy, shall be administered by each commission in a uniform manner prescribed by the director, and shall be consistent with standards established pursuant to chapter 80B governing standards for employment of Iowa law enforcement officers. Notice of such tests shall be posted in the office of the sheriff and the office of the board of supervisors not less than thirty days prior to giving such tests.

3. To conduct and prepare annual investigations and reports concerning the effectiveness of, and compliance with, the provisions of this chapter and the rules adopted by the commission, and pursuant thereto, to inspect all departments, offices, and positions of employment affected by this chapter. In making such investigations a commissioner or the personnel director may administer oaths, issue subpoenas and require the attendance of witnesses and the production of books, documents, and accounts pertaining to such

4. To conduct informal hearings concerning matters contemplated by this chapter. The validity of any such hearing shall not be affected by the manner in which it is conducted, however, a majority of the commissioners shall affirm all orders, rules, and decisions made pursuant to such hearings.

5. To hear and determine appeals or complaints respecting the allocation of positions of employment, rejection of those persons certified to the sheriff for appointment, and such other matters as may be referred to the commission.

6. To arrange, compile, and administer competitive tests to determine the relative qualifications of persons seeking employment in any class of position and as a result thereof establish eligible lists for the various classes of positions, and provide that persons discharged because of curtailment of expenditures, reduction in force, and for like causes, head the list in the order of their seniority, to the end that they shall be the first to be reemployed. Notice of competitive tests to be given shall be published at least two weeks prior to holding the tests in a newspaper of general circulation in the county or counties in which a vacancy exists.

7. To certify to the county sheriff when a vacant position is to be filled, on written request, a list of the names of the persons passing the examination.

8. To keep such records as may be necessary for the proper administration of this chapter.

9. To classify deputy sheriffs and subdivide them into groups according to rank and grade which shall be based upon the duties and responsibilities of the deputy sheriffs.

10. To purchase all necessary supplies, enter into contracts, and do all things necessary to carry out the provisions of this chapter.

11. To keep records of the service of each employee in the classified service. These records shall contain facts and statements on all matters relating to the character and quality of the work done and the attitude of the individual to his work. All such service records and employee records shall be subject only to the inspection of the commission. [C75, 77,§341A.6]

341A.7 Classifications. The classified civil service positions covered by this chapter shall include persons actually serving as deputy sheriffs who are salaried pursuant to section 340.8, but do not include a chief deputy sheriff, two second deputy sheriffs in counties with a population of more than one hundred thousand, and four second deputy sheriffs in counties with a population of more than two hundred thousand. A deputy sheriff serving with permanent rank under this chapter may be designated chief deputy sheriff or second deputy sheriff and retain such rank during the period of his service as chief deputy sheriff or second deputy sheriff and shall, upon termination of his duties as chief deputy sheriff or second deputy sheriff, revert to his permanent rank. [C75, 77,§341A.7]

341A.8 Bases of appointments and promotions. All appointments to and promotions to classified civil service positions in the office of county sheriff shall be made solely on merit, efficiency, and fitness, which shall be ascertained by open competitive examinations and impartial investigations, and no person in the classified civil service shall be reinstated in or transferred, suspended, or discharged from any such place, position, or employment contrary to the provisions of this chapter.

Whenever possible, vacancies shall be filled by promotion. Promotion shall be made from among deputy sheriffs qualified by competitive examination, training and experience to fill the vacancies and whose length of service entitles them to consideration. The commission shall for the purpose of certifying to the sheriff the list of deputy sheriffs eligible for promotion, rate the qualified deputy sheriffs on the basis of their service record, experience in the work, seniority, and military service ratings. Seniority shall be controlling only when other factors are equal. The names of not more than the ten highest on the list of ratings shall be certified. The certified eligible list for promotion shall hold preference for promotion until the beginning of a new examination, but in no case shall such preference continue longer than two years following the date of certification, after which said list shall be canceled and no promotion to such grade shall be made until a new list has been certified eligible for promotion. The sheriff shall appoint one of the ten certified persons. [C75, 77,§341A.8]

All persons holding a position on August 15, 1973, which is deemed classified by section 341A.7 are eligible for a permanent appointment under civil service to the offices or positions currently held if they qualify for appointment pursuant to section 341A.8, and every such person shall be inducted permanently into civil service in the office or position of employment which he then holds. The commission shall designate a permanent rank for those persons as chief deputy on August 15, 1973, and such persons shall be inducted permanently into civil service in that rank. [C75, 77,§341A.9]

341A.10 Citizenship. An applicant for any position under civil service shall be a citizen of the United States who can read and write the English language, and shall meet the minimum requirements of the Iowa law enforcement academy for a law enforcement officer. [C75, 77,§341A.10]

1. Incompetency, inefficiency, or inattention to or dereliction of duty.
2. Dishonesty, intemperance, immoral conduct, insubordination, discourteous treatment of the public or a fellow employee, or any other act of omission or commission tending to injure the public, or any other willful failure to properly conduct himself, or any willful violation of the provisions of this chapter or the rules to be adopted hereunder.

The commission shall, within two weeks from the filing of such appeal, hold a hearing thereon, and fully hear and determine the matter, and either affirm, modify, or revoke such order. The appellant shall be entitled to appeal personally, produce evidence, and to have counsel. The finding and decision of the commission shall be certified to the sheriff, and shall be enforced and followed by him, but under no condition shall the employee who has appealed to the commission be permanently removed, suspended, or reduced in rank until such finding and decision of the commission is certified to the sheriff pursuant to the rules of civil procedure.

If the order of removal, suspension, or demotion is concurred in by a majority of the commission, the accused may appeal therefrom to the district court of the county where he resides. Such appeal shall be taken by serving upon the commission within thirty days after the entry of its order, a written notice of appeal, stating the grounds thereof, and demanding that a certified transcript of the record and of all papers on file in the office of the commission affecting or relating to its order, be filed by the commission with the court. The commission shall, within ten days after the filing of the notice make, certify, and file such transcript with the court. The court shall proceed to hear and determine the appeal in a summary manner. Such hearing shall be confined to the determination of whether the order of removal, suspension, or demotion made by the commission was made in good faith and for cause, and no appeal shall be taken except upon such grounds. The decision of the district court may be appealed to the supreme court. [C75, 77, §341A.12]

On or before July 31 of every year, the board of supervisors shall appropriate, by resolution, such amounts as are deemed necessary for each of the different county officers and departments during the ensuing fiscal year, and shall specify from which of the different county funds created by law the appropriated sums shall be derived. The appropriations to each separate county office or department shall be itemized in the same manner that the accounts are itemized on the records of the county auditor. [C31, 35, §5260-c2; C39, §5260.02; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §344.2]

The total amount appropriated from any county fund shall not exceed the anticipated receipts of that fund. [C31, 35, §5260-c4; C39, §5260.04; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §344.4]

No such supplementary appropriation shall be made to any such county office or offices unless it shall be shown that a specific need theretofore exists. Such supplementary appropriation shall clearly state the amount collected into such augmented county fund in excess of the amount estimated in the general resolution of appropriation. [C31, 35, §5260-c6; C39, §5260.06; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §344.6]

[C31, 35, §5260-c9; C39, §5260.09; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §344.9]

345.1 Expenditures—when vote necessary. The board of supervisors shall not order the erection of, or the building of an addition or extension to, or the remodeling or reconstruction or relocation and replacement of a courthouse, jail, county hospital,* county care facility or any other county building or facility, except as otherwise provided, when the probable cost will exceed ten thousand dollars, nor the purchase of real estate for county purposes exceeding ten thousand dollars in value, until a proposition therefor shall have been first submitted to the qualified electors of the county, and voted for by a majority of all persons voting for and against such proposition at a general or special election, notice of the same being given as in other special elections. However, such proposition need not be submitted to the voters if any such erection, construction, remodeling, reconstruction, relocation and replacement, or purchase of real estate may be accomplished from funds on hand or from federal revenue-sharing funds or federal matching funds and without the levy of additional taxes and if the probable cost of the entire project will not exceed two hundred thousand dollars in a county having a population of twenty-five thousand or less, two hundred fifty thousand dollars in counties having a population of more than twenty-five thousand but not more than fifty thousand, three hundred thousand dollars in counties having a population of more than fifty thousand but not more than one hundred thousand, four hundred thousand dollars in counties having a population of more than one hundred thousand but not more than two hundred thousand, and five hundred thousand dollars in counties having a population of more than two hundred thousand. If a county project should be determined to cost in excess of the dollar limitation for the population category of such county, the proposition must be submitted to the qualified electors of the county without regard to the source from which such funds may be derived. However a proposition need not be submitted to the qualified electors to expend federal revenue-sharing funds for a mental health or mental retardation project, or when specific projects using federal funds other than federal revenue-sharing funds, not requiring any matching funds are approved for a county, or when a relocation and replacement is made necessary by the acquisition of county property for a federal or state project, and the cost of the relocation does not exceed the amount of the award of damages by the state or federal government, or to expend federal revenue sharing funds for courthouse remodeling when the courthouse is located in a county having a population of more than two hundred thousand, or a combination of federal revenue sharing funds and federal funds other than federal revenue sharing funds requiring less than fifteen percent county matching funds are used for the project. When the expenditures authorized in this section exceed fifty thousand dollars and the proposition need not be submitted to the voters, the board of supervisors shall hold a public hearing on the proposition. Notice of the hearing shall be published at least two weeks prior to the hearing, in the newspaper published in the county having the largest circulation in the county. In determining whether the expenditure should be made, the board of supervisors shall give full consideration to the testimony given during the hearing. [R60,§312; C73,§303; C97,§423; SS15,§423; C24, 27, 31, 35, 39, §5261; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§345.1; 67GA, ch 111,§1, ch 1124,§1]

345.2 Exceptions. Where a courthouse has been destroyed by fire and not less than one hundred thousand dollars has been donated to the county for the purpose of erecting a courthouse, the board of supervisors may, without authorization from the voters, use the amount so donated for the construction of the courthouse and in addition thereto may appropriate from the general fund for such purpose a sum not exceeding one-half of the amount donated, provided there is in the general fund, unappropriated for other purposes, an amount sufficient to pay such appropriation. [C24, 27, 31, 35, 39,§5262; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§345.2]

345.3 Improvements authorized. The board of supervisors in any county having a population of forty thousand or over, with a county seat having a population of more than five thousand, may also make necessary additions to such courthouse, jail, or county care facility where the funds are available in the general fund, unappropriated for other purposes, without additional tax levy and without submitting the proposition to the voters of such county, provided the cost thereof does not exceed twenty-five thousand dollars.
345.4 Questions submitted to voters. The board of supervisors may submit to the people of the county at any regular election, or at any special election called for that purpose, the question whether money may be borrowed to aid in the erection and equipment of or the building of additions or extensions to, the remodeling or the reconstruction of any public buildings, or the procuring of a site or grounds for such public buildings, or for both such site and buildings, and either or both of said propositions and other local or police regulations may be submitted at the same general or special election. 345.6 Manner of submitting questions. The mode of submitting questions to the people shall be the following: The whole question, including the sum desired to be raised, or the amount of tax desired to be levied, or the rate per annum, and the whole regulation, including the time of its taking effect or having operation, if it be of a nature to be set forth, and the penalty for its violation if there be one, shall be embraced in a notice of the election. The notice shall, to the extent consistent with this section, be drawn up in accordance with and shall be published as required by section 49.53. A copy of the question to be submitted shall be posted at each polling place during the day of election. 345.7 Voting of tax—when required. When any question submitted involves the borrowing or the expenditure of money, the same must be accompanied by a provision to levy a tax for the payment thereof, in addition to other taxes, as directed in section 345.8, and no vote adopting the question proposed will be of effect unless it adopt the tax also. When the object is to borrow money for the erection and equipment of public buildings, or for the procuring of sites or grounds therefor, or for both, the rate shall be such as to pay the debt in a period not exceeding twenty-five years. Such bonds shall be consecutively numbered and issued and paid in the order of such numbering. The interest and principal of such bonds shall be paid as rapidly as funds for such payment are collected. When the object is to construct, or to aid in constructing, any highway or bridge, the annual rate shall not be less than six and three-fourths cents per thousand dollars of the assessed valuation; and any of the above taxes becoming delinquent shall draw the same interest as ordinary taxes. [C51, §117; R60, §253; C73, §312; C97, §448; SS15, §448; C24, 27, 31, 35, 39, §5268; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §345.9]

345.12 Rescission or diversion by subsequent vote. Propositions thus adopted may be rescinded in like manner and upon like notice, by a subsequent vote taken thereon, but neither contracts made under them, nor taxes voted for carrying them into effect, can be rescinded, provided that taxes voted for carrying into effect any such proposition may be by subsequent vote of the electors allocated to another designated purpose. If upon such subsequent vote of the electors, a majority of the votes cast is adverse to the allocation proposed, then the tax fund shall revert to and become part of the county general fund. If the board of supervisors of any county which has issued bonds under the provisions of this chapter shall fail to make the levy necessary to pay such bonds or interest coupons at maturity, and the same shall have been presented to the county treasurer and the payment thereof refused, the owner may file the bond, together with all unpaid coupons, with the department of revenue, taking its receipt therefor, and the same shall be registered in the office of the director of revenue. of the same shall give them validity; but this section shall not be so construed as to prevent counties from lawfully erecting their necessary public buildings and bridges, laying off highways, streets, alleys, and public grounds, or other local works in which such counties may be interested. The limitation referred to in section 455B.81 shall not limit the source of payment of bonds and interest but shall only restrict the amount of bonds which may be issued. The money arising from such levies shall be known as the sanitary disposal bond fund and shall be used for the payment of such bonds and interest thereon only; and the treasurer shall open and keep in his books a separate account thereof, which shall show the exact condition of such fund. The contract shall set forth the amount of money to be contributed by the county and by the city toward the acquisition of a site and its improvement or the proportion of their respective contributions and the purpose for which the building is to be used. The contract may provide for the amount of money to be contributed annually by the county and by the city for the upkeep, maintenance, and operation of the property and the building, or it may provide for the respective proportions of expense which the county and the city shall pay, and may provide for an adjustment at stated periods of the amounts or proportions to be paid. The contract may specify the part of property and building to be used and occupied by the county and by the city. Contracts shall be made on behalf of the county only when approved by resolution of the board of supervisors, and when made shall be binding upon the county and city during the period specified in the contract unless modified or abrogated by mutual consent.

Notice of the election setting forth the proposition as it is to be voted upon shall be given by publication once each week for at least three consecutive weeks in a newspaper having general circulation in the county, and if the election is unfavorable the proposition may be submitted at a subsequent election. Bonds issued by a city must be issued in accordance with the provisions of law relating to general corporate purpose bonds of a city.

3. County bonds may bear interest at a rate not exceeding seven percent per annum payable semiannually and the principal shall be scheduled to mature in not more than twenty years from the date of the bonds. When a county has issued bonds it shall annually levy on all taxable property in the county, a tax sufficient to pay the interest and principal of the bonds as they become due, and each county may levy taxes sufficient to pay its portion of the cost of operating, maintaining, and keeping insured the building acquired or constructed under this section.

4. Contracts for the construction of any building which involve the expenditure of five thousand dollars or more shall be entered into pursuant to advertisement for bids in a manner approved and authorized by both the board of supervisors of the county and the council of the city. A county may apply for and accept federal aid in the construction of a building under this section, subject to conditions and stipulations imposed in connection with the federal aid and as approved by the board of supervisors.

5. This division is a complete and independent law for providing joint county and city buildings. [C50, §§368.57–368.60; C54, 58, 62, 66, 71, 73, §§368.19–368.22; C75, 77, §346.26]

Any county may join with its county seat to incorporate an "Authority" for the purpose of acquiring, constructing, demolishing, improving, enlarging, equipping, furnishing, repairing, maintaining, and operating a public building, and to acquire and prepare the necessary site, including demolition of any structures, for the joint use of the county and city or any school district which is within or is a part of the county or city.

3. The incorporation of an authority shall be accomplished by the adoption of articles of incorporation by the governing body of each incorporating unit. No commissioner shall receive any compensation in connection with his services as commissioner. Each commissioner, however, shall be entitled to reimbursement for any necessary expenditures in connection with the performance of his duties.

6. The articles of incorporation shall be recorded in the office of the county recorder and filed with the secretary of state, and shall be published once in a newspaper designated in the articles of incorporation and having a general circulation within the county, and upon such recording and publication, the authority shall be deemed to come into existence.

7. Amendments may be made to the articles of incorporation if adopted by the governing body of each incorporating unit; provided that no amendment shall impair the obligation of any bond or other contract. Each amendment shall be adopted, executed, recorded and published in the same manner as specified for the original articles of incorporation.

8. Any incorporating unit may make donations of property, real or personal, including gratuitous lease, to the authority as deemed proper and appropriate in aiding the authority to effectuate its purposes.

9. The authority shall be a body corporate with power to sue and be sued in any court of this state, have a seal and alter the same at its pleasure, and make and execute contracts, leases, deeds, and other instruments necessary or convenient to the exercise
of its powers. In addition, it shall have and exercise the following public and essential governmental powers and functions and all other powers incidental or necessary to carry out and effectuate its express powers:

16. Bonds shall be executed in the name of the commission by the chairman of the board of commissioners or by another officer of the commission as the board, by resolution, may direct, and be attested by the secretary, or by another officer of the commission as the board, by resolution, may direct, and shall be sealed with the commission's corporate seal. The board of commissioners, in a resolution, may provide for other accounts as necessary for the sale of the bonds. Monies in the accounts shall be applied in the manner provided by the resolution, the trust agreement, or other contract with the bondholders.

20. No such bonds shall constitute a debt of the authority or of any public body within the meaning of any statutory or constitutional limitation as to debt.

21. From and after the issuance of bonds the board of commissioners shall establish and fix rates, rentals, fees, and charges for the use of any and all buildings or space owned and operated by the authority, sufficient at all times to pay maintenance and operation costs and to pay the accruing interest and retire the bonds at maturity and to make all payments to all accounts created by any bond resolution and to comply with all covenants of any bond resolution.

22. When an incorporating unit enters into a lease with the authority, the governing body of the incorporating unit shall provide by ordinance or resolution for the levy and collection of a direct annual tax sufficient to pay the annual rent payable under the lease as and when it becomes due and payable. This tax shall not be included within and shall be in addition to any statutory limitation of rate or amount for that incorporating unit. The fund realized from the tax levy shall be set aside for the payment of the annual rent and shall not be disbursed for any other purpose until the annual rental has been paid in full.

23. All leases, contracts, deeds of conveyance, bonds, or other instruments in writing on behalf of the authority, shall be executed in the name of the authority by the chairman and secretary of the authority, or by other officers as the board of commissioners, by resolution, directs, and the seal of the authority shall be affixed.

The proposition of whether a conveyance shall be made shall be submitted to the legal voters of the city and county, utilizing the election procedures provided for bond issues, and an affirmative vote equal to at least a majority of the total votes cast on the proposition shall be required to authorize the conveyance. If the proposition does not carry, the authority shall continue to operate, maintain, and manage the building under a lease arrangement with the incorporating units. The board of supervisors of any county in which no county hospital has been established may in its discretion enter into a contract not to exceed one year with any hospital situated in the county for the care of indigent persons, or others who may be the responsibility of said board of supervisors.

347.23 City hospital changed to county hospital. Any hospital organized and existing as a city hospital may become a county hospital organized and managed as provided for in this chapter, upon a proposition for such purpose being submitted to and approved by a majority of the electors of both the city in which such hospital is located, and of the county under whose management it is proposed that such hospital be placed, at any general or special election called for such purpose. The proposition shall be placed upon the ballot by the board of supervisors when requested by a petition therefor signed by qualified electors of the county equal in number to five percent of the votes cast for president of the United States or governor, as the case may be, at the last general election. The proposition may be submitted at the next general election or at a special election called therefor. Upon the approval of the proposition the hospital, its assets and liabilities, will become the property of the county and this chapter will govern its future management. The question shall be submitted in substantially the following form: "Shall the municipal hospital of , Iowa, be transferred to and become the property of, and be managed by the county of , Iowa?"

For the purpose of computing whether or not said proposition is carried, the votes of the residents of the city in which said hospital is located shall be counted both for the purpose of ascertaining whether or not
the proposition is carried within the city and also for the purpose of ascertaining whether or not the proposition is carried within the county. [C62, 66, 71, 73, §§347.23, 380.12; C75, 77, §§347.24]

347.24 Law applicable to other hospitals. Hospitals organized under chapter 37 or chapter 347A may be operated as provided for in this chapter in any way not clearly inconsistent with the specific provisions of their chapters. [C62, 66, 71, 73, 75, 77, §§347.24]

347.25 Election of trustees. The election of hospital trustees whose offices are established by this chapter or chapter 145A or 347A shall take place at the general election on ballots which shall not reflect a nominee's political affiliation. Nomination shall be made by petition in accordance with chapter 45. The petition form shall be furnished by the county commissioner of elections, signed by eligible electors of the county equal in number to one percent of the vote cast for president of the United States or governor, as the case may be, by both political parties in the last previous general election, and shall be filed with the county commissioner of elections at least thirty-five days prior to the date of said general election. A plurality shall be sufficient to elect hospital trustees, it being the intent that there be no primary election.

If any of the provisions of this section shall be in conflict with any of the laws of this state, then the provisions of this section shall prevail. [C62, 66, 71, 73, 75, 77, §§347.25]

Referred to in §§39.21, 145A.11

347.26 Health care facility in existing hospital. In any county where there is a county hospital in existence, a health care facility as defined in section 135C.1 may be established to be operated in conjunction therewith, and all of the provisions of this chapter and all of the proceedings authorized thereby relating to hospital buildings and additions thereto, shall apply to erecting, equipping and procuring sites for such facilities and additions thereto, as well as for improvements, maintenance and replacements of such facilities. [C62, 66, 71, 73, 75, 77, §§347.26]

347.27 Revenue bonds authorized. Any county having theretofore established a county public hospital being operated under the provisions of this chapter may equip, enlarge, and improve the county public hospital and acquire the necessary lands, rights of way, and other property. For the purpose of equipping, enlarging, and improving any such county public hospital, including the acquisition of the necessary lands, rights of way, and other property, any county may, pursuant to resolution of the board of supervisors of the county and after it has been determined by the board of hospital trustees to be advisable, from time to time issue and dispose of its negotiable interest-bearing revenue bonds, payable solely as to both principal and interest from the revenues derived from the operation of the county public hospital. All such bonds may bear such date or dates, may mature at such time or times not exceeding thirty years from their respective dates, may bear interest at such rate or rates not exceeding seven percent per annum payable semiannually, may be in such form and payable at such place or places, and may be subject to such redemption privileges as are stated on the face thereof and as may be provided in the resolution.

After a resolution authorizing the revenue bonds has been adopted, the county auditor shall publish notice of the adoption in at least one newspaper of general circulation in the county at least once each week for two consecutive weeks. The notice shall identify the resolution by the date of its adoption and shall specify the amount of bonds proposed to be issued. If within thirty days following the date of the first publication of the notice a petition is filed with the county auditor signed by qualified voters of the county in a number equal to or exceeding twenty percent of the total number of votes cast in the county for governor at the last preceding regular election at which a governor was elected, then the bonds authorized by the resolution shall not be issued until the proposition to issue the bonds is submitted at an election throughout the county and approved by not less than sixty percent of the votes cast for and against the proposition. When any petition is filed, it shall be referred to the board of supervisors at its next meeting. The board of supervisors may either repeal the bond resolution or order the election which shall be called and conducted in the manner provided by chapter 345. If no petition is filed within the time provided or if a petition is filed and the proposition of issuing the bonds is approved at the election, then the board of supervisors may proceed with the equipment, enlargement and improvement of the county public hospital and the acquisition of the necessary lands, rights of way, and other property and the issuance of revenue bonds, as provided in this section.

Under no circumstances shall any revenue bonds issued under the provisions of this section be or become an indebtedness of the county within the purview of any constitutional or statutory limitation or provision. It shall be plainly stated on the face of each bond that it does not constitute such an indebtedness, but is payable solely from revenues derived from the operation of the county hospital. All the bonds shall be sold in a manner and upon terms prescribed by the resolution authorizing the issuance of the bonds, however no bonds shall be sold upon terms that will result in an interest cost computed to maturity of the bonds according to standard tables of bond values of more than seven percent per annum. The resolution authorizing the revenue bonds may contain any covenants determined by the board of supervisors to be desirable in connection with the use and application of the bond proceeds, the operation of the county public hospital, and the custody and application of the revenues from this operation. The sole remedy for any breach or default of the terms of any bonds or proceedings for their issuance shall be by mandamus in a court of competent jurisdiction to compel performance and compliance therewith.

The board of hospital trustees shall fix rates, fees, and charges for the services furnished by the county public hospital so that the revenues of the county public hospital will be at all times sufficient to provide for the payment of the interest on and principal of all revenue bonds issued and outstanding under the provisions of this section, and for the payment of all operating and maintenance expenses of the county.

All contracts for construction work to be paid for in whole or in part through the issuance of revenue bonds under the provisions of this section shall be awarded by the board of supervisors on competitive bidding following such advertisement as may be prescribed by such board.

This section is an alternative and independent method for the equipment, enlargement, and improvement of a county public hospital, and for the issuance and sale of revenue bonds and shall not be construed as limiting or superseding any other method of equipping, enlarging, or improving a county public hospital. §347A.7 Enlarging and improving county hospital. For the purpose of enlarging and improving any county hospital or hospitals theretofore acquired and being operated under the provisions of this chapter, any such county, upon petition and recommendation of the board of hospital trustees, and pursuant to resolution of the board of supervisors of such county, may from time to time incur indebtedness and issue and sell the negotiable interest-bearing general obligation bonds of said county, provided that the principal amount of all such bonds which may be issued and outstanding under this section shall not be in excess of two percent of the assessed value of the taxable property in such county as shown by the latest state and county tax lists. All such bonds may bear such date or dates, may mature at such time or times not exceeding twenty years from their respective dates, may bear interest at such rate or rates not exceeding seven percent per annum payable semiannually, may be in such form and payable at such place or places, and may be made subject to such privileges of redemption prior to maturity and upon such terms of redemption as are stated on the face of such bonds and as may be provided in such resolution.

For the purpose of paying such bonds and interest thereon, the board of supervisors of such county shall in and by the resolution authorizing the issuance thereof provide for the levy of an annual tax sufficient for that purpose on all of the taxable property in such county, in addition to all other taxes.

After the resolution authorizing any such bonds has been adopted the county auditor shall publish notice of such adoption in at least one newspaper of general circulation in the county at least once each week for two consecutive weeks. Such notice shall identify the resolution by the date of its adoption and shall specify the amount of bonds proposed to be issued, and if, within twenty days following the date of the first publication of such notice, a petition is filed with the county auditor signed by qualified voters of said county in number equal to or exceeding twenty percent of the total number of votes cast in such county for governor at the last preceding regular election whereat a governor was elected, then the bonds authorized by such resolution shall not be issued unless and until the proposition to issue same shall have been submitted at an election throughout the county and approved by not less than sixty percent of the votes cast for and against the proposition. When any such petition is filed, it shall be referred to the board of supervisors at its next meeting and thereupon the board of supervisors may either repeal the bond resolution or order an election which shall be called and conducted substantially in the manner provided by chapter 37. If no petition is filed within the time hereinbefore provided or if a petition is filed and the proposition of issuing such bonds is approved...
at such election, then the board of supervisors may proceed with the enlargement and improvement of such county hospital and the issuance of bonds in connection therewith, all as in this section permitted and provided.

This section shall be construed as providing an alternative and independent method for the enlargement and improvement of such county hospital; shall not be construed as limiting or superseding any other method of enlargement and improvement of such county hospital; and shall not be construed as an amendment of or subject to the provisions of any other law. [C62, 66, 71, 73, 75, 77,§347A.7]

In counties in which three newspapers are to be selected, the three showing the largest number of such subscribers shall be selected except when such three newspapers are all published in the same city, in which case the two newspapers in such city having the largest lists of such subscribers and the newspaper having the next largest list of such subscribers and published outside such city, shall be selected as such official newspapers. 1. “Institution” shall mean any school or college of medicine, veterinary medicine, pharmacy, dentistry, and osteopathy, or hospital, diagnostic or research laboratories, or other educational or scientific establishment situated in this state properly concerned with the investigation of, or instruction concerning the structure or function of living organisms, the cause, prevention, control or cure of diseases or abnormal conditions of human beings or animals.

§351A.2 Application to department of health. An institution may apply annually to the state department of health for authority to obtain animals from a pound. If the state department of health shall find that such institution, by reason of its ethical standards, its personnel, its facilities and the use it proposes to make of dogs is a fit and proper institution to be authorized to obtain dogs from a pound, and that the public interest would be served by such authority, then the state department of health shall authorize such institution to obtain dogs from a pound. [C62, 66, 71, 73, 75, §351A.2]

§351A.3 Dogs held for redemption by owner. An institution so authorized by the state department of health may request dogs from a pound. The pound shall tender to such institution all dogs in its custody seized or held by authority of the state, municipality or other political subdivision, except that no dog shall be so tendered unless it has been held for redemption by its owner or sale for a period of not less than three nor more than fifteen days and no dog lawfully licensed at the time of its seizure shall be so tendered unless its owner shall so consent in writing. No dogs, except those actually sick or injured or those lawfully licensed at the time of seizure, shall be destroyed by a pound while a request to that pound of an authorized institution is unfulfilled unless first tendered to such institution and refused by it. §351A.4 Fee. An institution obtaining dogs from a pound shall pay to the municipality or other political subdivision under whose authority each dog is held or was seized a reasonable fee not to exceed five dollars for each dog so obtained, and shall provide for the transportation of the dogs so obtained from the pound. [C62, 66, 71, 73, 75, 77, §351A.4]

All major operative procedures may be done under local infiltration anesthesia. If the nature of the study is such that the animal may survive, acceptable techniques shall be followed throughout the operation. If the study does not require survival, the animal shall be killed in a humane manner at the conclusion of the observations. The post-operative care of experimental animals shall be such as to minimize discomfort during convalescence. All conditions shall be maintained for the animal's comfort in accordance with the best practices followed in human medicine and surgery. [C62, 66, 71, 73, 75, 77, §351A.5]

§351A.6 Penalty. It shall be a simple misdemeanor for any person or corporation to violate any provision of this chapter. Any pound failing or refusing to comply with the provisions of this chapter shall become immediately ineligible for any public moneys notwithstanding the provisions of any contract, and it shall be unlawful for any public body to pay any public moneys to a pound after receipt by it of a notice of such noncompliance or refusal from any institution authorized by the state department of health to obtain dogs until such time as such institution shall have withdrawn its notice or the state department of health shall have notified such public body that such notice was without foundation. [C66, 71, 73, 75, 77, §351A.6, 66GA, ch 1245(4), §325]

356A.2 Contract. If the board of supervisors contracts with a public or private nonprofit agency or corporation for the establishment and maintenance of such a facility, the contract shall state the charge per person per day to be paid by the county; that each such facility shall insure the performance of the duties of the keeper as defined in section 356.5; the activities and service to be provided those detained or confined; the extent of security to be provided in the best interests of the community; the maximum number of persons that can be detained or committed at any one time; the number of employees to be provided by the contracting private nonprofit agency or corporation for the maintenance, supervision, control, and security of persons detained or confined therein; and any other matters deemed necessary by the supervisors. All such contracts shall be for a period not to exceed two years. The board of supervisors shall deliver a copy of the contract to each municipal court judge in the county and to each district court judge of the district which includes that county. [C73, 75, 77, §356A.2] Referred to in §§356A.3, 356A.4, 356A.5, 356A.6

356A.3 Alternative confinement of prisoners. Any district judge may sentence and commit a person to a facility established and maintained pursuant to section 356A.1 or 356A.2 instead of the county jail. A district judge may order the transfer of a person sentenced and committed to the county jail to such a facility upon his or her own motion, the motion of the sentenced and committed person, or the motion of the sheriff. The original order of commitment or the order of transfer to the facility shall set forth the terms and conditions of the detention or commitment; that the detained or committed person shall abide by the terms and conditions of this chapter and the rules of the facility to which committed or transferred. The order shall be read to the detained, committed or transferred person in open court. The committing court or a district judge may order any person who has been detained, committed, or transferred to such a facility to be transferred to the county jail if, upon hearing, the court determines such person has been refractory or disorderly, has willfully destroyed or injured any property in the facility, or has violated any of the terms and conditions of the order of detention, commitment, or transfer or the provisions of this chapter or the rules of the facility wherein the person was detained or committed. Any violations of the order of detention, commitment, or transfer shall further be punished as contempt of court pursuant to chapter 665. The provisions of section 719.4 shall be applicable to any person detained, committed, or transferred to a facility established and maintained pursuant to this chapter. The county or city to which the cause originally belonged shall be liable for the expense of the original detention, commitment, or transfer and the subsequent expenses of maintaining such person in the facility. The county’s expense shall be levied and paid out of the court expense fund pursuant to section 444.10. [C73, 75, 77, §356A.3; 66GA, ch 1245(4), §329; 67GA, ch 147, §102]

356A.4 Work release. A person detained, committed, or transferred to a facility established and maintained pursuant to sections 356A.1 or 356A.2, may further be released from such facility during necessary and reasonable hours, by court order, for the purposes stated in section 356.26. Such release and any wages earned shall be governed by the provisions of sections 356.27 to 356.35 except that during such time the released person shall not be in the legal custody of the sheriff; any wages earned shall be collected, managed, and dispensed by the person in charge of the facility and not the sheriff; and any wages earned shall first be applied to the reasonable cost of housing such person in the facility. [C73, 75, 77, §356A.4] See also ch 247A

356A.5 Calendar kept. Any person sentenced, detained, committed, or transferred to a facility established and maintained pursuant to section 356A.1 or 356A.2 shall be discharged therefrom upon completion of their original term of detention or commitment. The person in charge of such facility shall keep a calendar as required in section 356.6 and return a copy of the calendar as required by section 356.7. [C73, 75, 77, §356A.5]

356A.6 Transfer. A judge of the municipal or district court may originally commit a person to the county jail to serve any part of the sentence pronounced and thereafter be transferred to a facility established and maintained pursuant to section 356A.1 or 356A.2. [C73, 75, 77, §356A.6]

356A.7 Contract with another county. A county board of supervisors may further contract with another county or a city maintaining a jail meeting the requirements of sections 356.37 to 356.41 for detention and commitment of persons pursuant to section 356.1. Any person detained or confined therein shall be in charge of and in the custody of the governmental unit maintaining the jail. The cost of detention and confinement shall be levied and paid by the city or from the court expense fund of the county to which the cause originally belonged pursuant to section 444.10. [C73, 75, 77, §356A.7]
CHAPTER 357
BENEFITED WATER DISTRICTS

357.1 Petition. The board of supervisors of any county shall, on the petition of twenty-five percent of the resident property owners in any proposed benefited water district, grant a hearing relative to the establishment of such proposed water district; such petition shall set out the following and any other pertinent facts:

1. The need of a public water supply.
2. The approximate district to be served.
3. The approximate number of families in the district.
4. The proposed source of supply.
5. The type of service desired, whether domestic only or for fire protection and other uses.

The board of supervisors may, at its option, require a bond of the petitioners as provided in section 455.10.

A benefited water district located wholly within the corporate limits of a city is not subject to the provisions of this chapter. [C24, 27, 31, 35, §5523; C39, §5526.02; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §357.1]

357.2 Territory included. The benefited water district may include part or all of any incorporated city or cities, together with or without surrounding territory including cemeteries and all publicly owned land. Said publicly owned property shall pay and bear its proportionate share of the cost and expense of said water system upon the same basis as privately owned property. [C39, §5526.02; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §357.2]

357.3 Scope of assessment. The special assessment hereinafter provided for may be used to cover the costs of installing all the necessary elements of a water system, for both production and distribution. [C24, 27, 31, 35, §5522; C39, §5526.03; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §357.3]

357.4 Public hearing. When the board of supervisors receives a petition for the establishment of a benefited water district, a public hearing shall be held within twenty days of the presentation of the petition. Notice of such hearing shall be given by posting bills in three public places within the district, or by publication in two successive issues of any paper of general circulation within the district. The last publication or posting shall be not less than one week before the proposed hearing. [C24, 27, 31, 35, §5523; C39, §5526.04; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §357.4]

357.5 Decision at hearing. On the day fixed for such hearing, the board of supervisors shall by resolution establish the benefited water district or disallow the petition. For adequate reasons the board of supervisors may defer action on such petition for not to exceed ten days after the day first set for a hearing. [C24, 27, 31, 35, §5523; C39, §5526.05; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §357.5]

357.6 Examination by engineer. When the board of supervisors shall have established the benefited water district, they shall appoint a competent disinterested civil engineer and instruct him to examine the proposed improvement, make preliminary designs and a dummy assessment, to also obtain from the corporation or municipality which controls the proposed source of supply, a statement in writing, outlining the terms upon which water will be furnished to the district, or to the individu-
als within the district and on what terms in either case.

This preliminary proposal from the governing body of the source of supply shall be binding, and shall be in the nature of an option to purchase water by the district, or the individual within the same, if and when the proposed benefited water district shall have completed its construction, and is ready to use water. This proposal shall accompany and be a part of the engineer's preliminary report to the board of supervisors. [C39,§5526.07; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§357.7]

357.8 Plat. The said engineer shall prepare a preliminary plat showing the proper design in general outline, the size and location of the water mains, the general location of hydrants, if such are included in said petition, valves and other appurtenances, and shall show the lots and parcels of land within the proposed district as they appear on the county auditor’s plat books, together with the names of the owners and the amount which it is estimated that such lot or parcel will be assessed. [C39,§5526.08; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§357.8]

357.9 Compensation of engineer. The compensation of such engineer on the preliminary investigation shall be determined by the board of supervisors and may be by percentage or per diem. [C39,§5526.09; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§357.9]

357.10 Filing of report and plat. The engineer's report, together with the dummy plat showing the tentative design and assessment, shall be filed with the county auditor within thirty days of such engineer’s appointment, unless for adequate reasons it is impossible for him to do so, in which case the board of supervisors may extend the time therefor. [C39,§5526.10; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§357.10]

357.11 Hearing on report. On receipt of the engineer's report, the board of supervisors shall give notice in the same manner as before, of a hearing on the engineer's tentative design and dummy plat. On the day set, or within ten days thereafter, the board of supervisors shall approve or disapprove the engineer's plan and proposed assessment. If it shall appear advisable, the board of supervisors may make changes in the design and assessment, as they appear on the dummy plat. [C39,§5526.11; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§357.11]

357.12 Election. When the preliminary design and assessment have been approved by the board of supervisors, a date not more than thirty days after such approval shall be set for an election within the district to determine whether or not the proposed improvement shall be constructed and to choose candidates for the offices of trustee within the district. Notice of the election, including the time and place of holding the same, shall be given in the same manner as for the public hearing heretofore provided for. The vote shall be by ballot which shall state clearly the proposition to be voted upon, and any qualified elector residing within the district at the time of the election shall be entitled to vote. It shall not be mandatory for the county commissioner of elections to conduct elections held pursuant to this chapter, but they shall be conducted in accordance with the provisions of chapter 49 where not in conflict with this chapter. Judges will be appointed to serve without pay by the board of supervisors from among the qualified electors of the district who will have charge of the election. The proposition shall be deemed to have carried if a majority of those voting thereon vote in favor of the same. [C24, 27, 31, 35,§5524; C39,§5526.12; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§357.12] Referred to in §357.13

357.13 Trustees—terms. At the election provided for in section 357.12, the names of the trustees shall be written by the voter on blank ballots without formal nomination and the board of supervisors shall appoint three from among the five receiving the highest number of votes as trustees for the district, one to serve for one year, one for two years, and one for three years, which trustees and their successors shall serve in the amount of the board of supervisors may require, the premium of which shall be paid by the district said trustees represent. Vacancies may thereafter be filled by election, or by appointment by the board of supervisors, at the option of the remaining trustees. The term of succeeding trustees shall be for three years. [C24, 27, 31, 35,§5524; C39,§5526.13; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§357.13]

357.14 Bids for construction. If the result of said election be in favor of said improvement, the board of supervisors shall instruct the engineer to complete the plans and specifications, ready for receiving bids for construction of the project, which he shall do within thirty days of receiving notice to do so, unless for adequate reason the board shall extend the time.

When the completed plans and specifications are on file with the county auditor, the board of supervisors shall advertise for bids and shall cause notice to be given by publication once each week for two consecutive weeks in some newspaper published in the county wherein the improvement is to be constructed, setting forth the location and nature of the improvement and the date and place where bids will be received by the board. The last published notice to bidders shall be at least seven days before the time set for receiving bids. Bidders will be required to submit certified checks for five percent of the amount of the bid. [C24, 27, 31, 35,§5524; C39,§5526.14; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§357.14]

357.15 Inadequate assessment. When bids have been received, if it is apparent that the final assessment will need to be increased more than ten percent over the preliminary assessment, the board of supervisors shall, at its option, reject bids and readvertise for bids as provided herein, or reject bids and revise the dummy assessment. If the dummy assessment is revised, another election shall be held within the district in the same manner and with the same notices as the first, except that the candidates for trustees shall not be voted for. [C39,§5526.15; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§357.15]

357.16 Second election. If the majority of the votes cast at said second election be in favor of said improvement, the board of supervisors shall again advertise for bids in the same manner as before. If the
bids at the second letting will not necessitate raising the second preliminary assessment more than ten percent, the board may let the contract to the lowest responsible bidder. [C24, 27, 31, 35,§5524; C39, §5526.16; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§357.16]

357.17 Bond of contractor. The successful bidder, when awarded a contract, shall be required to give an approved surety bond for one hundred percent of the contract price, guaranteeing completion of the work in accordance with the plans and specifications, and for maintenance, including backfilling, for one year after the final acceptance of the work.

If the contractor shall fail to complete the work as provided in his contract, or shall abandon the same, or fail to proceed in a reasonable manner toward its final completion, the board may proceed against the contractor and bondsman as provided in sections 455.114 and 455.115. [C39,§5526.17; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§357.17]

357.18 Acceptance of work. When in the opinion of the engineer in charge, the construction in any benefited water district has been completed in accordance with the plans, specifications, and contract, he shall certify this fact to the board of supervisors, and recommend the acceptance of the work by the said board. The board of supervisors shall proceed in accordance with sections 455.111 and 455.112. [C39, §5526.18; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§357.18]

357.19 Completing assessment. After the final acceptance of the work by the board of supervisors, the engineer shall complete the final assessment, which shall be made on all the property within the district, whether abutting or not, for an amount approximately ten percent greater than the total cost of the project. The assessment shall not exceed benefits conferred and shall take into consideration the location and value of the property assessed. Where a pipe in excess of six inches in diameter is used, the assessment against the abutting property shall be limited to the cost of a six-inch pipe, and the difference between the cost of the pipe used and a six-inch pipe shall be paid by a uniform assessment against all benefited property within the water district. The final assessment on any lot or parcel of land shall not exceed the final preliminary assessment by more than ten percent, and shall in no case exceed twenty-five percent of the actual value of the property. The board of supervisors may alter an assessment to increase or decrease it within the limits outlined above, and must approve by resolution the final assessment as made. [C24, 27, 31, 35,§5522; C39,§5526.19; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§357.19]

357.20 Due date—bonds. Assessments of less than ten dollars will come due at the first tax-paying date after the approval of the final assessment, and assessments of ten dollars or more may be paid in ten annual installments with interest at six percent on the unpaid balance. The board of supervisors shall issue bonds against the completed assessment in an amount equal to the total cost of the project, so that the amount of the assessment will be approximately ten percent greater than the amount of the bonds. [C24, 27, 31, 35,§5522; C39,§5526.20; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§357.20]

357.21 Substance of bonds. Each of such bonds shall be numbered, and have printed upon its face that it is a benefited water district bond, stating the county and the number of the district for which it is issued, and the date of maturity; that it is in pursuance of a resolution of the board of supervisors, and that it is to be paid for only from special assessment theretofore levied and taxes levied as hereinafter provided for that purpose within the said district for which the bond is issued. The provisions of sections 455.83 and 455.86 shall govern the issuance of these bonds except that the contractor will not be paid anything on the work until its completion and final acceptance. [C39,§5526.21; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§357.21]

357.22 Lien of assessments—tax. When the assessment has been completed and the bonds sold and the schedule of assessment shall be turned over to the county auditor, the installments due thereon shall be collected in the same manner as ordinary taxes and shall constitute a lien on the property against which they are made. If the treasurer does not receive sufficient funds to enable him to pay the interest and retire the bonds as they become due, he shall levy an annual tax of eighty-one cents per thousand dollars of assessed value of all taxable property within the district to pay such deficiency, and the county treasurer shall apply the proceeds of such levy to the payment of the bonds and the interest on the same so long as the bonds are in arrears on either interest or principal. [C24, 27, 31, 35,§5525; C39,§5526.22; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§357.22]

357.23 Surplus. The board of supervisors shall be required to levy the annual tax of eighty-one cents per thousand dollars of assessed value of taxable property so long as the bonds are in arrears. [C39, §5526.23; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§357.23]

357.24 Fee of engineer. The fee for engineering services shall be fixed by the board of supervisors and he may be paid either a percentage or a per diem, from proceeds of the bond sale or by cash from the contractor, if the contractor takes bonds in settlement for his work under his contract. [C39, §5526.24; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§357.24]

357.25 Management by trustees. After the final acceptance of the work by the board of supervisors, the management of the utility shall automatically go to the three trustees previously appointed by the board of supervisors. The trustees shall have power to levy an annual tax not to exceed thirteen and one-half cents per thousand dollars of assessed value of all taxable property in the district, for the maintenance of the system. This levy shall be optional with the trustees. The trustees may purchase material and employ labor to properly maintain and operate the utility. The trustees shall be allowed necessary expenses in the discharge of their duties, but shall not receive any salary. [C24, 27, 31, 35,§5526; C39,§5526.25; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77,§357.25]
357.26 Duties of trustees. It is anticipated that this law will usually be utilized to finance a distribution system where the source of supply is without the district, and not under its control, and that individuals within the district will pay water rent to a municipality or corporation without the district. It is intended that the trustees may so operate the utility as will best serve the users, and they are expressly authorized to buy and sell water, to fix the rates to consumers and make all contracts reasonable or necessary to accomplish the purpose of this chapter and to carry on all the operations incident to maintaining and operating said utility and to the procuring and furnishing of water to the consumers therein. If the development of a source of supply is within the means of the district, the trustees may install wells, tanks, meters and any other equipment properly pertaining to operate it. [C39, §5526.26; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §357.26]

357.27 Public property in district. Whenever property of the state of Iowa, or any political subdivision thereof, shall be included either wholly or in part within such water district and shall own facilities which may be used as a part of such water system, the executive council, board of supervisors or city council, as the case may be, may permit such use of said facilities for such consideration and on such terms as may be agreed upon with the board of trustees. [C39, §5526.27; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §357.27]

357.28 Private mains—additional assessments. Any person or persons within any water district, who may, after the initial installation of the improvement in any such district, desire to construct additional mains, and who have been assessed on the original assessment, may with the consent of the trustees, connect such lateral mains as they desire with the original system to serve property within the district which has been assessed, provided that the entire cost thereof shall be borne by the parties so interested. The trustees shall have power to make additional assessments on unimproved lots or parcels of land within the district when said unimproved lots or parcels are improved and ready to receive the full benefits of the district. This additional assessment shall be determined and fixed by the trustees and shall not exceed the average assessment for improved property in said districts less the original assessment on said unimproved lots or parcels. Said assessments shall be paid to the county treasurer before service pipes are laid into said improvement. The assessment shall be put in the benefited water district fund of the district of which said lots or parcels are a part and shall be used by the county treasurer for the retirement of bonds and interest. When the bonds are all retired, the trustees shall be authorized to use said fund for maintenance purposes, changing size of mains, eliminating dead ends, or extending mains for the benefit of the district. [C39, §5526.28; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §357.28]

357.29 Subdistricts. If the cost of the desired extensions will be as much as five thousand dollars, the interested parties may petition the board of supervisors to organize a subdistrict, and in such case the board shall proceed in the same manner as for a new district, and may take in territory not originally assessed.

The board of supervisors shall have power at any time to alter the boundaries of any district prior to the time of posting or publishing notice of the election within the district. [C24, 27, 31, 35, §5522; C39, §5526.29; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §357.29]

357.30 Additional territory. When the district is under the control of trustees, they are empowered to deal with parties without the district who desire to be taken into the district or to obtain water from the district and determine the amount to be assessed against said district to be taken in or connected with. The trustees shall have power in such cases to make agreements for the district, and may, with the consent of the board of supervisors, alter the district boundaries to take in additional territory. No lot or parcel of land shall be put out of a district without the consent of the owner, after it has paid any assessment to the district. [C24, 27, 31, 35, §5522; C39, §5526.30; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §357.30]

357.31 Right of way. The board of supervisors shall have power to condemn, in the same manner as provided for the condemnation of land, right of way through private property, sufficient for the construction and maintenance of water mains. The cost of such right of way shall constitute a part of the expense of the improvement and shall be covered by the special assessment. [C39, §5526.31; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §357.31]

357.32 Record book. The board of supervisors shall provide a record book which shall be in the custody of the auditor, in which shall be kept a full and complete record of the proceedings relative to water districts, so arranged and indexed, as to enable any proceedings relative to any district to be readily examined. [C24, 27, 31, 35, §5524; C39, §5526.32; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §357.32]

357.33 Appeal procedure. Any person aggrieved, may appeal from any final action of the board of supervisors in relation to any matter involving his rights, to the district court of the county in which the district is located. The procedure in such appeals shall be governed by the provisions of sections 455.94 to 455.109 provided that whenever in the above sections the words "drainage district" occur, the words "benefited water district" shall be substituted. [C39, §5526.33; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §357.33]

357.34 Conveyance of district to city. Where a city is situated wholly or partly within a benefited water district or the source of supply for such benefited water district is a municipal water system, the board of supervisors having jurisdiction of said benefited water district, at the request of the trustees of said benefited water district, may, by proper resolution, convey unto said city any and all rights which said board of supervisors may have in and to said benefited water district. Said conveyance, however, shall not become effective until all existing obligations against said district have been completely and fully discharged and such conveyance accepted and con-
firmed by a resolution of the council of said city or of the board of waterworks trustees of said city if there be one, specially passed for such purpose.

Upon acceptance, the district, including the plant and distribution system, as well as all funds and credits shall become the property of said city and be operated and used by it to the same extent as if acquired under such provisions of law under which said city is then operating its waterworks. Also, the offices of the trustees as provided in this chapter shall be abolished upon acceptance by the city and their duties as such shall immediately cease. [C54, 58, 62, 66, 71, 75, 77, §357.34]

357A.2 Petition—bond. A petition may at any time be filed with the auditor requesting the supervisors to incorporate and organize a district encompassing an area, not then included in any other district, in any county or any two or more adjacent counties for the purpose of providing an adequate supply of water for domestic purposes to residents of the area who are not served by the water mains of any city water system and who cannot feasibly obtain adequate supplies of water from wells on their own premises.

There shall be filed with the petition a bond, certified check or cash in an amount and with sureties approved by the auditor, sufficient for the payment of all costs and expenses incurred in the proceedings if the district is not finally established.

The petition shall be signed by the owners of at least fifty percent of all land lying within the outside perimeter of the area designated for inclusion in the proposed district, and shall state:

1. The location of the area so designated, describing such area by section, or fraction thereof, and by township and range.
2. The reasons a district is needed. [C71, 73, 75, 77, §357A.2]

357A.3 Hearing after filing with auditor. When a petition for incorporation and organization of a district is filed with the auditor, he shall so inform the supervisors who shall fix a time for a hearing thereon, not less than fifteen nor more than thirty days after the filing of the petition. The auditor shall prepare a notice as hereinafter required, which shall at least seven days before the date fixed for the hearing on the petition:

1. Be published in a newspaper of general circulation in the area to be incorporated.
2. Be transmitted, together with a copy of the original petition, to the council. [C71, 73, 75, 77, §357A.3]

357A.4 Publication of notice. The notice prepared by the auditor pursuant to section 357A.3 shall set forth:
1. The location of the land designated by the petitioners for incorporation in the proposed district, as described by the original petition.

2. The time and place fixed by the supervisors for the hearing on the petition.

3. That all owners or occupants of land within the boundaries described may appear and be heard.

4. That the proposed district, if incorporated, shall have no power or authority to levy any taxes whatsoever. [C71, 73, 75, 77, §357A.4]

357A.5 Who may be heard. At the hearing on the petition, any owner or occupant of land within the boundaries of the area described in the petition may appear, in person or by his designated representative, and any representative of the council may also appear, in favor of or in opposition to the incorporation and organization of the proposed district. Such appearances may also be filed in writing prior to the time set for the hearing. [C71, 73, 75, 77, §357A.5]

357A.6 Findings by board. After the hearing, the supervisors may strike off any part of the territory that testimony shows will not be benefited by the creation of the district. If the supervisors do not find that the district is reasonably necessary, they shall dismiss the petition.

If the supervisors find that required notice of the hearing has been given and that such district is reasonably necessary for the public health, convenience, fire protection, and comfort of the residents, they shall make an order establishing the district as a body politic, describing its boundary, and designating it by name or number. The order shall be published in the same newspaper which published the notice of hearing. The supervisors shall prepare and preserve a complete record of the hearing on the petition and their findings and action thereon. [C71, 73, 75, 77, §357A.6]

357A.7 Meeting of members. As a part of the order incorporating the district, the supervisors shall fix the time and place at which the members shall meet to select from their number a board of directors. Selection of the initial board shall be not later than thirty days after the hearing. The number of directors on the board, not to exceed nine, shall be determined by a majority vote of those members present. Any member elected a director who fails to become a participating member, within thirty days after entry in the minutes of the board of a declaration of availability of benefit units for subscription, shall forfeit his office. [C71, 73, 75, 77, §357A.7]

Referred to in §357A.20

357A.8 Bylaws submitted at special meeting. Within thirty days after election of the original board, proposed bylaws shall be submitted for adoption at a special meeting of members of the district, written notice of which shall be mailed to each member. Members present at the special meeting may adopt or amend any of the proposed bylaws, and may propose and adopt alternative or additional bylaws. The bylaws may subsequently be amended at any annual or special meeting of the participating members of the district. However, the bylaws of each district shall provide:

1. For an annual meeting of participating members between January 1 and March 1 of each year following the year of incorporation of the district, and for the mailing of written notice of the time and place of each annual meeting to each participating member and publication of such notice in a newspaper of general circulation in the district not less than ten nor more than thirty days prior to each meeting.

2. That each participating member of the district shall be entitled to a single vote at all annual and special meetings of the district, regardless of the number of benefit units to which he has subscribed. [C71, 73, 75, 77, §357A.8]

Referred to in §357A.20

357A.9 Members divided into classes. The initial board of each district shall divide its members by lot into three classes of as nearly equal size as possible. The terms of the directors in the first, second, and third classes shall expire on the dates of the annual meetings in the first, second, and third years, respectively, following the year in which the district is incorporated, or as soon thereafter as their respective successors are elected and have qualified. At the annual meeting in each year after the year in which the district is incorporated, a director shall be elected to succeed each director whose term of office expires on that date, and each director so elected shall hold office for a term of three years and until his successor is elected and has qualified. Vacancies shall be filled by appointment by the remaining directors, for the unexpired term. [C71, 73, 75, 77, §357A.9]

Referred to in §357A.20

357A.10 Board meetings. The board shall meet annually on the same day as, and immediately following, the annual meeting of participating members, and may meet at such other times as it may determine, or upon the call of the chairman or any two directors. At the first meeting of the initial board following its election, and at each succeeding annual board meeting, the board shall elect a chairman, vice-chairman, secretary, and treasurer for the ensuing year. [C71, 73, 75, 77, §357A.10]

Referred to in §357A.20

357A.11 Board's powers and duties. The board shall be the governing body of the district, and shall:

1. Adopt rules, regulations, and rate schedules in conformity with the provisions of this Act and the by-laws of the district as necessary for the conduct of the business of the district.

2. Maintain at its office a record of the district's proceedings, rules and regulations, and any decisions and orders made pursuant to the provisions of this chapter, and furnish copies thereof to the supervisors or the council upon request.

3. Employ, appoint, or retain attorneys, engineers, other professional and technical employees, and such other personnel as necessary, and require and approve bonds of district employees.

4. Prior to each annual meeting of participating members:

budget, and make a report thereon at the annual meeting.

b. Have an audit made of the district’s records and accounts, and make copies of the audit report available to all participating members attending the annual meeting and to any other participating member who so requests.

5. Have authority to acquire by gift, lease, purchase, or grant any property, real or personal, in fee or a lesser interest needed to achieve the purposes for which the district was incorporated, to acquire easements for water lines and reservoirs by condemnation proceedings, and to sell and convey property owned, but no longer needed, by the district. Condemnation proceedings shall not apply to existing wells, ponds or reservoirs.

6. Have authority to construct, operate, maintain, repair, and when necessary to enlarge or extend, such ponds, reservoirs, pipe lines, wells, check dams, pumping installations, or other facilities for the storage, transportation, or utilization of water, and such appurtenant structures and equipment, as may be necessary or convenient to carry out the purposes for which the district was incorporated. A district may purchase its water supply from any source.

7. Have power to borrow from, co-operate with and enter into such agreements as deemed necessary with any agency of the federal government, and to accept financial or other aid from any agency of the federal government. To evidence any indebtedness the obligations may be one or more bonds or notes and the obligations may be sold at private sale.

8. Have power to finance up to ninety-five percent of the cost of the construction or purchase of any project necessary to carry out the purposes for which the district is incorporated, provided the balance of the cost of construction or purchase is acquired by subscription, donation, gift, or otherwise than through the medium of loans, or to refinance up to ninety-five percent of the original cost of any such project, and to evidence such financing by issuance of revenue bonds or notes which shall mature in a period not to exceed forty years from date of issuance, shall bear interest or combined interest and insurance charges, at a rate not to exceed six percent per annum, shall be payable only from revenue derived from sale of water by the district, and shall never become or be construed to be a debt against the state of Iowa or any of its political subdivisions other than the district issuing the bonds. A statutory mortgage lien shall exist upon the water system and appurtenances and extensions so acquired in favor of the holders of the bonds and notes. [C71, 73, 75, 77,§357A.11]

357A.12 Plans and specifications. As soon as reasonably possible after incorporation of a district, the board shall file with the supervisors and the council copies of the plans and specifications for, and estimates of the cost of, any improvements authorized by this chapter which the board proposes to construct or acquire. The board shall determine a reasonable fee which each member shall pay for the privilege of utilizing the district’s facilities which shall be known as a benefit unit. Benefit units may be classified. The board, by publication in a newspaper of general circulation in the district, shall generally describe the planned improvements, the area to be served and the fee members will be required to pay for each service connected to the water system. [C71, 73, 75, 77,§357A.12]

357A.13 Selling water. If the capacity of the district’s facilities permits, the district may sell water by contract to any city, other district, or other person, public or private, not within the boundaries of a district. [C71, 73, 75, 77,§357A.13]

357A.14 Petition to attach to district.

1. Owners of land outside any district which can economically be served by the facilities of the district may petition to be attached to the district. The petition therefor shall be filed with the auditor, and the auditor and supervisors shall proceed thereon, in substantially the same manner as is provided by this chapter for filing of a petition for incorporation and organization of a district.

2. All or any part of an incorporated city may be included in the boundaries of any existing water district or water district being newly organized, provided the governing body of such city by resolution or ordinance gives, or has given, its consent.

3. Boards of any two or more districts may by concurrent action and by approval of the supervisors merge their districts into one. In case of merger the members of the boards of the merged districts may serve out the terms for which they were elected. The resulting district shall take over all the assets and legal liabilities of the water districts joining in the merger. Obligations of any district secured by the revenue of the systems operated by the district shall continue to be retired, or a sinking fund for such purpose created from revenue from the system operated over the same area by the resulting district in accordance with the laws under which the obligations were issued, until all obligations of the old district have been retired. [C71, 73, 75, 77,§357A.14]

357A.15 Taxing prohibited. No district shall have any power to levy any taxes. Neither the facilities constructed or otherwise acquired by any district, including but not limited to ponds, reservoirs, pipe lines, wells, check dams, and pumping installations, the revenues obtained by the district from the sale of water, nor the revenue bonds or interest therefrom issued by any district shall be taxable in any manner by the state of Iowa or any of its political subdivisions. [C71, 73, 75, 77,§357A.15]

357A.16 Detaching land from district. If it becomes apparent that certain lands included within a district cannot economically or adequately be served by the facilities of the district, the owners of such lands may file with the auditor a petition to the supervisors requesting that those lands be detached from the district. The petition shall:

1. Describe by section, or fraction thereof, and by township and range, the lands which it is proposed to detach from the district.

2. State that such lands cannot economically or adequately be served by the facilities of the district, and that it is not feasible for the district to enlarge or
extend its facilities so as to economically and adequately serve such lands.
3. Be signed by the owners of all the lands which it is desired to detach from the district. [C71, 73, 75, 77, §357A.16]

357A.17 Inactive district dissolved. A petition may be filed with the auditor requesting the supervisors to dissolve an inactive district. The petition shall:
1. State that the district owns no property of any kind exclusive of records, maps, plans, and files, and that all of its debts and obligations have been fully paid.
2. State that the board has not held a meeting for more than one year prior to the date of filing of the petition, that the district is not functioning, and will probably continue to be inoperative.
3. Be signed by three-fourths of the members of the district. [C71, 73, 75, 77, §357A.17]

357A.18 Hearing. Upon the filing with the auditor of a petition under either section 357A.16 or section 357A.17, the auditor shall so inform the supervisors who shall fix a time for consideration of the petition. The supervisors may, but shall not be required to, hold a hearing thereon. After consideration of the petition, and after the hearing if one is held, the supervisors shall ascertain whether:
1. The petition meets all of the requirements prescribed by this Act for such petition.
2. It appears from all information available to the supervisors that each allegation included in the petition is factual.

If the supervisors' finding on each of the foregoing points is positive, it shall declare the lands described in the petition detached from the district, or declare the district dissolved, as the case may be. The supervisors shall notify the secretary of the district of its action, and the secretary shall amend the records of the district to show that the land described in the petition has been detached from the district, or shall within thirty days deliver to the auditor all records, maps, plans, and files of the district dissolved, as the case may be. [C71, 73, 75, 77, §357A.18]

357A.19 Not exempt from other requirements. Nothing in this chapter shall be construed to exempt any district from the requirements of any other statute, whether enacted prior to or subsequent to July 1, 1970, under which the district is required to obtain the permission or approval of, or to notify, the council, the Iowa commerce commission, or any other agency of this state or of any of its political subdivisions prior to proceeding with construction, acquisition, operation, enlargement, extension, or alteration of any works or facilities which the district is authorized to undertake pursuant to this chapter. [C71, 73, 75, 77, §357A.19]

357A.20 Alternate operation by nonprofit corporation. A nonprofit corporation incorporated under the laws of the state of Iowa for the specific purpose of operating a rural water system may petition the supervisors for incorporation of a district, in the manner provided by section 357A.2. The signatures of the corporation's officers on the petition shall suffice in lieu of signatures of owners of fifty percent of the land in the proposed district, provided the corporation presents evidence satisfactory to the supervisors that a sufficient number of members of the proposed district will subscribe to benefit units to make its operation feasible. The procedure for hearing and determination of disposition of the petition shall be as provided by this chapter. In any district incorporated upon the petition of a nonprofit corporation, the officers and board of directors of the corporation shall be the officers and board of the district. The applicable laws of the state and the articles of incorporation and bylaws of the corporation shall control the initial size and initial term of office of such officers and board, in lieu of sections 357A.7, 357A.9, and 357A.10. At the first annual meeting of the participating members and board of directors, the district shall bring its operation and structure in compliance with sections 357A.7 to 357A.10. [C71, 73, 75, 77, §357A.20]
supervisors. Notice of the election shall be given by publication in two successive issues of a newspaper having general circulation within the district. The notice shall contain the date, time and location of the election. The final publication of the notice of election shall not be less than one week before the date of election. It is not mandatory for the commissioner of elections to conduct the elections held under this chapter, but the elections shall be conducted in accordance with the provisions of chapter 49 when such provisions are not in conflict with this chapter. The precinct election officials shall be appointed by the board of supervisors from among the qualified electors of the district and shall serve without pay. Any vacancy on the board shall be filled by election or by appointment of the board of supervisors for the unexpired term. [C58, 62, 66, §§357A.9, 357A.10; C71, 73, 75, §§357B.9, 357B.10; C77, §357B.2]

357B.3 Powers of the board of trustees. The board of trustees may purchase, own, rent, or maintain fire apparatus or equipment within the state or outside the territorial jurisdiction and boundary limits of this state and provide housing for such apparatus or equipment. The board of trustees may contract with any public or private agency under chapter 28E for the purpose of providing fire protection under this chapter. The board of trustees may levy an annual tax not exceeding forty and one-half cents per thousand dollars of assessed value for the purpose of exercising the powers granted in this section. The board of trustees may purchase material and employ persons to provide for the maintenance and operation of the benefited fire district. The trustees shall be allowed reimbursement for any necessary expenses incurred in the performance of their duties, but they shall not receive any other compensation for their services. [C58, 62, 66, §§357A.11; C71, 73, 75, §§357B.11; C77, §357B.3]

357B.4 Anticipation of tax. The board of trustees of a benefited fire district may anticipate the collection of taxes authorized under section 357B.3 and, for the purpose of providing fire protection, may issue bonds payable in not more than ten equal installments at an interest rate not exceeding seven percent per annum. The bonds shall be in such form and payable at such place as specified by resolution of the board of trustees. The provisions of sections 23.12 to 23.16 and chapter 384 shall apply to such bonds to the extent applicable. [C58, 62, 66, §§357A.12; C71, 73, 75, §§357B.12; C77, §§357B.4; 66GA, ch 48, §34]

357B.5 Dissolution of district. Upon petition of a number of registered voters residing in a district at least equal to thirty-five percent of the property taxpayers in such district, the board of supervisors may dissolve a benefited fire district and dispose of any remaining property, the proceeds of which shall first be applied against any outstanding obligation of the district. Any remaining balance shall be applied as a tax credit for the property owners of the district. The board of supervisors shall continue to levy an annual tax after the dissolution of a district not to exceed forty and one-half cents per thousand dollars of assessed value of the taxable property of the district until all outstanding obligations of the district are paid. [C58, 62, 66, §§357A.14; C71, 73, 75, §§357B.14; C77, §357B.5]

357B.6 Use of federal revenue sharing funds. The board of supervisors may appropriate federal revenue sharing funds to aid in providing fire protection services and equipment jointly with any other public agency of this state to residents of such county. The board of supervisors may use federal revenue sharing funds for providing other services and equipment for use of the residents of the county. The use of federal revenue sharing funds shall be consistent with federal law and rules promulgated pursuant to such law. [C77, §§357B.6]

357B.7 to 357B.17 Repealed by 66GA, ch 194, §12.
establishment of such proposed street lighting district. Such a petition shall include a statement containing the following:

1. The need for street lighting service.
2. The district to be served.
3. The approximate number of families in the district.
4. The proposed utility to provide the street lighting service.

The board of supervisors may require a bond of the petitioners conditioned for the payment of all costs and expenses incurred in the proceedings in case the street lighting district is not established. [C71, 73, 75, 77, §357C.1]

357C.2 Limitation on area. A benefited street lighting district may include all or portions of the unincorporated areas of one township and any unincorporated areas of adjoining townships or portions thereof. However, such district shall contain only such area wherein the benefits derived from such street lighting shall be ratably spread between those people and families to be served. [C71, 73, 75, 77, §357C.2]

357C.3 Time of hearing. Such public hearing shall be held within thirty days of the presentation of the petition. Notice of hearing shall be given by publication in two successive issues of any paper of general circulation within the district. The last publication shall be not less than one week before the proposed hearing. [C71, 73, 75, 77, §357C.3]

357C.4 Action by board. After the hearing, the board of supervisors by resolution establish the benefited street lighting district or disallow the petition. The board of supervisors may defer action on such petition for not to exceed ten days after the day first set for a hearing. [C71, 73, 75, 77, §357C.4]

357C.5 Engineer. When the board of supervisors shall have established a benefited street lighting district, they shall appoint a competent disinterested civil engineer, who shall prepare a preliminary plat showing:

1. The proper design in general outline of the district.
2. The lots and parcels of land within the proposed district as they appear on the county auditor's plat books with the names of the owners.
3. The assessed valuation of said lots and parcels.

The compensation of such engineer on the preliminary investigation shall be determined by the board of supervisors. The engineer shall file his report with the county auditor within thirty days of his appointment. The board of supervisors may extend such time upon good cause shown. [C71, 73, 75, 77, §357C.5]

357C.6 Hearing on engineer's report. After the engineer's report is filed, the board of supervisors shall give notice in the same manner as for the original hearing, of a public hearing to be held concerning the engineer's preliminary plat. On the day set for such hearing, or within ten days thereafter, the board of supervisors shall approve or disapprove the preliminary plat. The board of supervisors may make changes in the boundaries as they appear on the engineer's report. [C71, 73, 75, 77, §357C.6]

357C.7 Election on proposed levy. When a preliminary plat has been approved by the board of supervisors, an election shall be held within the district within sixty days to approve or disapprove the levy of a tax of not more than fifty-four cents per thousand dollars of assessed value on all the taxable property within the district, and to choose candidates for the offices of trustees of the district. Notice of the election, including the time and place of holding the same, shall be given in the same manner as for the original public hearing as provided herein. The vote shall be by ballot which shall state clearly the proposition to be voted upon, and any qualified elector residing within the district at the time of the election shall be entitled to vote. It shall not be mandatory for the county commissioner of elections to conduct elections held pursuant to this chapter, but they shall be conducted in accordance with the provisions of chapter 49 where not in conflict with this chapter. Judges shall be appointed to serve without pay by the board of supervisors from among the qualified electors of the district who will have charge of the election. The proposition shall be deemed to have carried if sixty percent of those voting thereon vote in favor of same. [C71, 73, 75, 77, §357C.7]

357C.8 Trustees. At such election, the names of candidates for trustee shall be written in by the voters on blank ballots without formal nomination, and the board of supervisors shall appoint three from among the five receiving the highest number of votes as trustees for the district; one to serve for one year, one for two years, and one for three years. The trustees and their successors shall give bond in the amount the board of supervisors may require, the premium of which shall be paid by the district said trustees represent. Vacancies may thereafter be filled by election, or by appointment by the board of supervisors. The term of succeeding trustees shall be for three years. [C71, 73, 75, 77, §357C.8]

357C.9 Trustees' powers. The trustees may purchase street lighting service and facilities and may levy an annual tax not to exceed fifty-four cents per thousand dollars of assessed value for the purpose of exercising the powers granted in this chapter. This levy shall be optional with the trustees, but no levy shall be made unless first approved by the voters as provided herein. The trustees may purchase material, employ labor, and may perform all other acts necessary to properly maintain and operate the benefited street lighting district. The trustees shall be allowed necessary expenses in the discharge of the duties, but shall not receive any salary. [C71, 73, 75, 77, §357C.9]

357C.10 Bonds in anticipation of revenue. Benefited street lighting districts may anticipate the collection of taxes by the levy herein provided, and to carry out the purposes of this chapter may issue bonds payable in not more than ten equal installments, with the rate of interest thereon to not exceed seven percent per annum. No indebtedness shall be incurred under this Act until authorized by an election. Such election shall be held and notice given in the same manner as the election provided herein for the authorization of a tax levy, and the same sixty percent vote shall be necessary to authorize indebted-
ness. Both propositions may be submitted to the voters in the same election. [C71, 73, 75, 77, §357C.10]

357C.11 Dissolution of district. Upon petition of thirty-five percent of the resident eligible electors, the board of supervisors may dissolve a benefited street lighting district and dispose of any remaining property, proceeds of which shall first be applied against outstanding obligations and any balance shall be applied to tax credit of property owners of the district. The board of supervisors shall continue to levy tax after dissolution of a district, of not to exceed fifty-four cents per thousand dollars of assessed value on all the taxable property of the district, until all outstanding obligations of the district are paid. [C71, 73, 75, 77, §357C.11]

357C.12 Adding property to district. The owner of any property in an unincorporated area immediately contiguous to the boundaries of any established benefited street lighting district may petition the board of supervisors to be included in the district. Upon receipt of such petition the board shall submit the request to a competent disinterested civil engineer to investigate the feasibility of adding such additional territory and to make a report to the board. If the board agrees that said property should be added to the district, the tax levy for the next year shall be applied to said property and on the first day of the said next year said property shall be considered a part of the district. If the benefited street lighting district lies in more than one county the joint action of the boards of supervisors shall be required to add additional territory. [C71, 73, 75, 77, §357C.12]

357C.13 Determination of fee. The owner of any property joining an established benefited street lighting district shall pay to the board of trustees of the district an initial fee to be computed as follows:
1. The board of trustees shall first determine fair market value of all property and improvements owned by the benefited street lighting district, less any indebtedness.
2. The board shall then determine the assessed value of all property in said district. This shall be divided into the value determined in subsection 1 of this section.
3. The board shall determine the assessed value of the property of each landowner joining the established district.
4. The result obtained in subsection 2 shall be multiplied by the result obtained in subsection 3. The result shall be the initial fee to be charged each landowner.
The initial fees paid to the district trustees shall be used to help defray the cost and maintenance of the district's street lighting service. [C71, 73, 75, 77, §357C.13]

No preliminary expense shall be incurred before the establishment of the proposed sanitary district by the board in excess of the amount of bond filed by the petitioners. In case it is necessary to incur any expense in addition to the amount of the bond, the board of supervisors shall require the filing of an additional security until the additional bond is filed in sufficient amount to cover the expense. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §358.2]

[C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, $358.15]

358.16 Power to provide for sewage disposal. The board of trustees, however, may upon such petition of property owners representing at least twenty-five percent of the valuation of property not included within the district as constituted which seeks benefit from the operation of such sanitary district, include such property and the area involved within the limits of such sanitary district, and such added areas shall be subject to the same taxation as other portions of the district.

Nothing contained herein shall be construed to authorize or empower such board of trustees to operate a system of waterworks for the purpose of furnishing water to the inhabitants of the district, or to construct, maintain, or operate local municipal sewerage facilities, or to deprive municipalities within the district of their powers to construct and operate sewers for local purposes within their limits.

The board of trustees of such sanitary district may, however, upon petition of the council or governing body of any incorporated city within the sanitary district, contract with such city to undertake the operation of local municipal sewage facilities as part of the functioning of the sanitary district and make an agreement with such municipality for the levy of additional sewer or sewage disposal taxes, which taxes shall be levied by the municipality as now provided by law. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, $358.16]

All taxes thus levied by the board shall be certified by the clerk on or before March 1 to the county auditor of each county wherein any of the property included within the territorial limits of said sanitary district is located, and shall by said auditor or auditors be placed upon the tax list for the current fiscal year; and the county treasurer, or treasurers, of more than one county, shall collect all taxes so levied in the same manner as other taxes, and when delinquent they shall draw the same interest and penalties. Any sanitary district may by ordinance establish just and equitable rates or charges or rentals for the utilities and services furnished by it to be paid to such district by every person, firm or corporation whose premises are served by a connection to such utilities and services directly or indirectly. Such rates, charges, or rentals, as near as may be in the judgment of the board of trustees of the district, shall be equitable and in proportion to the services rendered and the cost thereof, and taking into consideration in the case of each such premises the quantity of sewage produced thereby and its concentration, strength, and pollution qualities. The board of trustees may change such rates, charges, or rentals from time to time as it may deem advisable, and by ordinance may provide for the collection thereof. The board is authorized to contract with any municipality within the district, whereby such municipality may collect or assist in collecting any of such rates, charges, or rentals, whether in conjunction with water rentals or otherwise, and any such municipality is hereby empowered to undertake such collection and render such service. Such rates, charges, or rentals, if not paid when due, shall constitute a lien upon the property served by a connection as aforesaid and shall be collected in the same manner as other taxes.

In no case shall such rates, rentals, or charges, or the funds accruing from the collection thereof, be used to meet that part of the cost of any construction within the district which has been financed by special assessment against benefited properties.

Sewer rentals, charges, or rates may supplant or replace, in whole or in part, any monetary levy of taxes which may be, or have been, authorized by the board of trustees for any of the following purposes:

1. To meet interest and principal payments on bonds legally authorized for the financing of sanitary utilities in any manner.

2. To pay costs of the construction, maintenance, or repair of such sanitary facilities or utilities, including payments to be made under any contract between municipalities for either the joint use of sewerage or sewage facilities, or for the use by one municipality of all or a part of the sewerage or sewer system of another municipality.

When a sewer rental ordinance has been passed and put into effect, prior ordinances or resolutions providing for monetary levy of taxes against real and personal property for such purposes, or the portion thereof replaced, may be repealed. Any and all bonds issued hereunder shall be signed by the president of the board of trustees and attested by the clerk, with the seal of the district, if any, affixed, and interest coupons attached thereto shall be attested by the signature of the clerk.

The proceeds of any bond issue made under the provisions of this section shall be used only for the purpose of acquiring, locating, laying out, establishing and construction of drainage facilities, conduits, treatment plants, pumping plants, works, ditches, channels and outlets of such capacity and character as may be required for the treatment, carrying off and disposal of the sewage and industrial wastes and other drainage incidental thereto of such district, or to repair, change, enlarge and add to such facilities as may be necessary or proper to meet the requirements present and future for the purposes aforesaid. Proceeds from such bond issue may also be used for the payment of special assessment deficiencies. Said bonds shall be payable in not more than forty annual installments and at interest not exceeding seven percent per annum, and shall be made payable at such place and be of such form as the board of trustees shall by resolution designate. Any sanitary district issuing bonds as authorized in this section is hereby granted authority to pledge the future avail of a tax levy not exceeding one dollar and thirty-five cents per thousand dollars of assessed value of taxable property per annum to the payment of the principal and interest of such bonds after the same come due, and the power to impose and certify said levy is hereby granted to the trustees of sanitary districts organized under the provisions of this chapter. CHAPTER 358A
COUNTY ZONING COMMISSION

358A.1 Where applicable. The provisions of this chapter shall be applicable to any county of the state at the option of the board of supervisors of any such county. [C50, 54, 58, 62, 66, 71, 73, 75, 77,§358A.1]
Referred to in §§455B.79, 476A.5

358A.2 Farms exempt. No regulation or ordinance adopted under the provisions of this chapter shall be construed to apply to land, farm houses, farm barns, farm outbuildings or other buildings, structures, or erections which are primarily adapted, by reason of nature and area, for use for agricultural purposes, while so used; provided, however, that such regulations or ordinances which relate to any structure, building, dam, obstruction, deposit or excavation in or on the flood plains of any river or stream shall apply thereto. [C50, 54, 58, 62, 66, 71, 73, 75, 77,§358A.2]
Referred to in §§358A.3, 358A.25, 414.23

358A.3 Powers. Subject to the provisions of sections 358A.1 and 358A.2, the board of supervisors of any county is hereby empowered to regulate and restrict the height, number of structures, and size of buildings and other structures, the percentage of lot that may be occupied, the size of yards, courts and other open spaces, the density of population, and the location and use of buildings, structures, and land for trade, industry, residence or other purposes, and to regulate, restrict and prohibit the use for residential purposes of tents, trailers and portable or potentially portable structures; provided that such powers shall be exercised only with reference to land and structures located within the county but lying outside of the corporate limits of any city. The board of supervisors of any county may prescribe and charge a reasonable building permit fee, and upon receipt of an application containing all required information, in due form and properly executed, showing that the proposed structure will comply with all applicable regulations of the political subdivision in which it is to be located and upon payment of the required permit fee, the board of supervisors shall, within seven days, issue a permit to the applicant. [C50, 54, 58, 62, 66, 71, 73, 75, 77,§358A.3]

358A.4 Areas and districts. For any and all of said purposes the board of supervisors may divide the county, or any area or areas within the county, into districts of such number, shape, and area as may be deemed best suited to carry out the purposes of this chapter; and within such districts it may regulate and restrict the erection, construction, reconstruction, alteration, repair, or use of buildings, structures or land. All such regulations and restrictions shall be uniform for each class or kind of buildings throughout each district, but the regulations in one district may differ from those in other districts. [C50, 54, 58, 62, 66, 71, 73, 75, 77,§358A.4]

358A.5 Objectives. Such regulations shall be made in accordance with a comprehensive plan and designed to lessen congestion in the street or highway; to secure safety from fire, flood, panic, and other dangers; to protect health and the general welfare; to provide adequate light and air; to prevent the overconcentration of land; to avoid undue concentration of population; to facilitate the adequate provision of transportation, water, sewerage, schools, parks and other public requirements.

Such regulations shall be made with reasonable consideration, among other things, as to the character of the area of the district and the peculiar suitability of such area for particular uses, and with a view to conserving the value of buildings and encouraging the most appropriate use of land throughout such county. [C50, 54, 58, 62, 66, 71, 73, 75, 77,§358A.5]

358A.6 Public hearings. The board of supervisors shall provide for the manner in which such regulations and restrictions and the boundaries of such districts shall be determined, established, and enforced, and from time to time amended, supplemented or
changed. However, no such regulation, restriction, or boundary shall become effective until after a public hearing in relation thereto, at which parties in interest and citizens shall have an opportunity to be heard. At least fifteen days’ notice of the time and place of such hearing shall be published in a paper of general circulation in such county. Such notice shall state the location of the district affected by naming the township and section, and the boundaries of such district shall be expressed in terms of streets or roads wherever possible. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §358A.6]

Referred to in §358A.7

§358A.7 Changes and amendments. Such regulations, restrictions, and boundaries may, from time to time, be amended, supplemented, changed, modified, or repealed. In case, however, of a protest against such change signed by the owners of twenty percent or more either of the area included in such proposed change, or of the area immediately adjacent thereto and within five hundred feet of the boundaries thereof, such amendment shall not become effective except by the favorable vote of at least sixty percent of all of the members of the board of supervisors. The provisions of section 358A.6 relative to public hearings and official notice shall apply equally to all changes or amendments. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §358A.7]

§358A.8 Commission appointed. In order to avail itself of the powers conferred by this chapter, the board of supervisors shall appoint a commission, a majority of whose members shall reside within the county but outside the corporate limits of any city, to be known as the county zoning commission, to recommend the boundaries of the various original districts, and appropriate regulations and restrictions to be enforced therein. Such commission shall, with due diligence, prepare a preliminary report and hold public hearings thereon before submitting its final report; and the board of supervisors shall not hold its public hearings or take action until it has received the final report of such commission. After the adoption of such regulations, restrictions, and boundaries of districts, the zoning commission may, from time to time, recommend to the board of supervisors amendments, supplements, changes or modifications. The zoning commission, with the approval of the board of supervisors, may contract with professional consultants, regional planning commissions, the Iowa development commission, or the federal government, for local planning assistance. [C50, 54, 58, §358A.8; C62, 66, 71, 73, §358A.8; C75, 77, §358A.8]

§358A.9 Administrative officer. The board of supervisors shall appoint an administrative officer authorized to enforce the resolutions or ordinances so adopted by the board of supervisors. Such administrative officer may be a person holding other public office in the county, or in a city or other governmental subdivision within the county, and the board of supervisors is authorized to pay to such officer out of the general fund such compensation as it shall deem fit. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §358A.9]

§358A.10 Board of adjustment. The board of supervisors shall provide for the appointment of a board of adjustment, and in the regulations and restrictions adopted pursuant to the authority of this chapter shall provide that the said board of adjustment may, in appropriate cases, and subject to appropriate conditions and safeguards, make special exceptions to the terms of the ordinances or regulations in harmony with its general purpose and intent and in accordance with the general or specific rules therein contained, and provide that any property owner aggrieved by the action of the board of supervisors in the adoption of such regulations and restrictions may petition the said board of adjustment direct to modify regulations and restrictions as applied to such property owners. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §358A.10]

§358A.11 Membership of board. The board of adjustment shall consist of five members, a majority of whom shall reside within the county but outside the corporate limits of any city, each to be appointed for a term of five years, excepting that when the board shall first be created one member shall be appointed for a term of five years, one for a term of four years, one for a term of three years, one for a term of two years, and one for a term of one year. Members shall be removable for cause by the appointing authority upon written charges and after public hearing. Vacancies shall be filled for cause by the appointing authority upon written charges and after public hearing. Vacancies shall be filled for the unexpired term of any member whose term becomes vacant. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §358A.11]

§358A.12 Rules. The board shall adopt rules in accordance with the provisions of any regulation or ordinance adopted pursuant to this chapter. Meetings of the board shall be held at the call of the chairman and at such other times as the board may determine. Such chairman, or in his absence, the acting chairman, may administer oaths and compel the attendance of witnesses. All meetings of the board shall be open to the public. The board shall keep minutes of its proceedings, showing the vote of each member upon each question, or if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the board and shall be a public record. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §358A.12]

§358A.13 Appeals to board. Appeals to the board of adjustment may be taken by any person aggrieved or by any officer, department, board or bureau of the county affected by any decision of the administrative officer. Such appeal shall be taken within a reasonable time, as provided by the rules of the board of adjustment, by filing with the officer from whom the appeal is taken and with the board of adjustment a notice of appeal specifying the grounds thereof. The officer from whom the appeal is taken shall forthwith transmit to the board of adjustment all the papers constituting the record upon which the action appealed from was taken. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §358A.13]

§358A.14 Stay of proceedings. An appeal stays all proceedings in furtherance of the action appealed
from, unless the officer from whom the appeal is taken certifies to the board of adjustment after the notice of appeal shall have been filed with him that by reason of facts stated in the certificate a stay would, in his opinion, cause imminent peril to life or property. In such case proceedings shall not be stayed otherwise than by a restraining order which may be granted by the board of adjustment or by a court of record on application on notice to the officer from whom the appeal is taken and on due cause shown. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §358A.14]

358A.15 Powers of board. The board of adjustment shall have the following powers:
1. To hear and decide appeals where it is alleged there is error in any order, requirement, decision or determination made by an administrative official in the enforcement of this chapter or of any ordinance adopted pursuant thereto.
2. To hear and decide special exceptions to the terms of the ordinance upon which such board is required to pass under such ordinance.
3. To authorize upon appeal, in specific cases, such variance from the terms of the ordinance as will not be contrary to the public interest, where owing to special conditions a literal enforcement of the provisions of the ordinance will result in unnessary hardship, and so that the spirit of the ordinance shall be observed and substantial justice done. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §358A.15]

358A.16 Decision. In exercising the above mentioned powers such board may, in conformity with the provisions of this chapter, reverse or affirm, wholly or partly, or may modify the order, requirement, decision, or determination appealed from and may make such order, requirement, decision, or determination as ought to be made, and to that end shall have all the powers of the officer from whom the appeal is taken. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §358A.16]

358A.17 Vote required. The concurring vote of three members of the board shall be necessary to reverse any order, requirement, decision, or determination appealed from and to decide in favor of the applicant on any matter upon which it is required to pass under any such ordinance or to effect any variation in such ordinance. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §358A.17]

358A.18 Petition to court. Any person or persons, jointly or severally, aggrieved by any decision of the board of adjustment under the provisions of this chapter, or any taxpayer, or any officer, department, board or bureau of the county, may present to a court of record a petition, duly verified, setting forth that such decision is illegal, in whole or in part, specifying the grounds of the illegality. Such petition shall be presented to the court within thirty days after the filing of the decision in the office of the board. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §358A.18]

358A.19 Review by court. Upon the presentation of such petition, the court may allow a writ of certiorari directed to the board of adjustment to review such decision of the board of adjustment and shall prescribe therein the time within which a return thereto must be made and served upon the relator's attorney, which shall not be less than ten days and may be extended by the court. The allowance of the writ shall not stay proceedings upon the decision appealed from, but the court may, on application, on notice to the board and on due cause shown, grant a restraining order. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §358A.19]

358A.20 Record advanced. The board of adjustment shall not be required to return the original papers acted upon by it, but it shall be sufficient to return certified or sworn copies thereof or of such portions thereof as may be called for by such writ. The return shall concisely set forth such other facts as may be pertinent and material to show the grounds of the decision appealed from and shall be verified. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §358A.20]

358A.21 Trial to court. If upon the hearing which shall be tried de novo it shall appear to the court that testimony is necessary for the proper disposition of the matter, it may take evidence or appoint a referee to take such evidence as it may direct and report the same to the court with his findings of fact and conclusions of law, which shall constitute a part of the proceedings upon which the determination of the court shall be made. The court may reverse or affirm, wholly or partly, or may modify the decision brought up for review.

Costs shall not be allowed against the board unless it shall appear to the court that it acted with gross negligence or in bad faith or with malice in making the decision appealed from. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §358A.21]

358A.22 Precedence. All issues in any proceedings under the foregoing sections shall have preference over all other civil actions and proceedings. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §358A.22]

358A.23 Restraining order. In case any building or structure is erected, constructed, reconstructed, altered, repaired, converted, or maintained; or any building, structure, or land is used in violation of this chapter or of any ordinance or other regulation made under authority conferred thereby, the board of supervisors, in addition to other remedies, may institute any appropriate action or proceedings to prevent such unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance, or use, to restrain, correct, or abate such violation, to prevent the occupancy of said building, structure, or land, or to prevent any illegal act, conduct, business, or use in or about such premises. [C50, 54, 58, 62, 66, 71, 73, 75, 77, §358A.23]

358A.24 Conflict with other regulations. Whenever the regulations made under authority of this chapter require a greater width or size of yards, courts or other open spaces, or require a lower height of building or less number of stories, or require a greater percentage of lot to be left unoccupied, or impose other higher standards than are required in any other statute or local ordinance or regulation, the provisions of the regulations made under authority of this chapter shall govern. Wherever the provisions of any other statute or local ordinance or regulation re-
quire a greater width or size of yards, courts or other 
open spaces, or require a lower height of building or a 
less number of stories, or require a greater percent­
age of lot to be left unoccupied, or impose other 
higher standards than are required by the regulations 
made under authority of this chapter, the provisions 
of such statute or local ordinance or regulation shall 
govern. Wherever any regulation proposed or made 
under authority of this chapter relates to any struc­
ture, building, dam, obstruction, deposit or excav­
ation in or on the flood plains of any river or stream, 
prior approval of the Iowa natural resources council 
shall be required to establish, amend, supplement, 
change, or modify such regulation or to grant any 
variation or exception therefrom. [C50, 54, 58, 62, 66, 
71, 73, 75, 77,§358A.24]

358A.25 Plumbing code enforced. Subject to the 
provisions of sections 358A.1 and 358A.2, the board of 
 supervisors of any county is further authorized to 
adopt regulations to provide that every dwelling, 
whether now or hereafter erected within the county 
but outside the corporate limits of any city which 
shall develop a private water supply or install a pres­
sure water system or install sanitary house drains, 
shall comply with the recommendations of the state 
department of health on minimum requirements as 
set out in the state plumbing code* in regard to such 
development or installation. Any such regulation may 
be enforced in the same manner as any other regula­
tion adopted under this chapter. [C50, 54, 58, 62, 66, 
71, 73, 75, 77,§358A.25]

*See §135.11(78) and I.A.C. Health Dept., 470, Title III

358A.26 Penalty. In addition to any other remedy 
granted herein, the violation on any regulation, re­
striction or boundary adopted under this chapter or 
the occupancy or use of any structure erected, altered 
or maintained in violation of this chapter shall consti­
tute a simple misdemeanor. Such occupancy or use 
shall be deemed a continuing violation and may be 
the subject of repeated prosecutions if so continued. 
[C50, 54, 58, 62, 66, 71, 73, 75, 77,§358A.26; 66GA, ch 
1245(4),§330]

CHAPTER 358B
COUNTY LIBRARIES

358B.1 Power to establish. Counties may provide 
for the formation and maintenance of free public li­
braries open to the use of all inhabitants under 
proper regulations, and may purchase, erect, or rent 
buildings or rooms suitable for this purpose and pro­
vide for the compensation of necessary employees. 
[C50, 54, 58, 62, 66, 71, 73, 75, 77,§358B.1]

358B.2 Library districts formed. A county library 
district may be established composed of one county or 
two or more adjacent counties and may include or ex­
clude the entirety of a city partly within one of the 
counties.

Eligible electors residing within the proposed dis­
trict in a number not less than five percent of those 
voting for president of the United States or govern­
ment, as the case may be, within said district at the last 
general election may petition the board of supervisors 
of the county or counties for the establishment of 
such county library district. Said petition shall clearly 
designate the area to be included in the district.

The board of supervisors of each county containing 
area within the proposed district shall submit the 
proposition to the qualified electors within their re­
spective counties at any general or primary election 
provided said election occurs not less than forty days 
after the filing of the petition.

A county library district shall be established, if a 
majority of the electors voting on the proposition and 
residing outside of cities maintaining a free public li­
brary favor it.

The result of the election within cities maintaining 
a free public library shall be considered separately, 
and no city shall be included within the county library 
district unless a majority of its electors, voting on the 
proposition, favor its inclusion. In such cases the 
boundaries of an established district may vary from 
those of the proposed district.

After the establishment of a county library district 
other areas may be included by mutual agreement of 
the board of trustees of the county library district 
and the governing body of the area sought to be in­
cluded. [C50, 54, 58, 62, 66, 71, 73, 75, 77,§358B.2]

358B.3 Gifts accepted. Counties may receive, hold 
and dispose of all gifts, donations, devises, and be­
quests that may be made to them for the purpose of 
establishing, increasing, or improving any library. 
When the conditions thereof have been accepted by 
the county, their use for the county library may be 
ensured against the county board of supervisors by
the library board by an action of mandamus or by other proper action. [C50, 54, 58, 62, 66, 71, 73, 75, 77,§358B.5]

358B.4 Library trustees. In any county or counties in which a library district has been established a board of library trustees, consisting of five, seven, or nine electors of the library district, shall be appointed by the board or boards of supervisors of the county or counties comprising such library district. Membership on the library board shall be apportioned between the rural and city areas of the district in proportion to the population in each of such areas. In the event the library district is composed of two or more counties, representation on said library board shall be equitably divided between or among said counties in proportion to the population in each of such counties. [C50, 54, 58, 62, 66, 71, 73, 75, 77,§358B.6]

358B.5 Terms. Of said trustees so appointed on boards to consist of nine members, three shall hold office for two years, three for four years, and three for six years; on boards to consist of seven members, two shall hold office for two years, two for four years, and three for six years; and on boards to consist of five members, one shall hold office for two years, two for four years, and two for six years, from the first day of July following their appointment in each case. At their first meeting they shall cast lots for their respective terms, reporting the result of such lot to the board of supervisors. All subsequent appointments, whatever the size of the board, shall be for terms of six years each. Vacancies shall be filled for unexpired terms by the governing body of the taxing unit of the district represented by the retiring member. [C50, 54, 58, 62, 66, 71, 73, 75, 77,§358B.7]

358B.6 Removal or absence of trustee. The board of library trustees may declare the office of a trustee vacant by his removal from the library district or his unexplained absence from six consecutive regular meetings. [C50, 54, 58, 62, 66, 71, 73, 75, 77,§358B.8]

358B.7 No compensation. Members of said board shall receive no compensation for their services. [C50, 54, 58, 62, 66, 71, 73, 75, 77,§358B.9]

358B.8 Powers. Said board of library trustees shall have and exercise the following powers:

1. To meet and organize by the election of one of their number as president of the board, and by the election of a secretary and such other officers as the board may deem necessary.

2. To have charge, and supervision of the public library, its appurtenances and fixtures, and rooms containing the same, directing and controlling all the affairs of such library.

3. To employ a librarian, such assistants and employees as may be necessary for the proper management of said library, and fix their compensation; but, prior to such employment, the compensation of such librarian, assistants, and employees shall be fixed for the term of employment by a majority of the members of said board voting in favor thereof.

4. To remove such librarian, assistants, or employees by a vote of two-thirds of such board for misdemeanor, incompetency, or inattention to the duties of such employment.

5. To select and make purchases of books, pamphlets, magazines, periodicals, papers, maps, journals, furniture, fixtures, stationery, and supplies for such library.

6. To authorize the use of such libraries by school corporations or by nonresidents of the area which is taxed to support such libraries and to fix charges therefor.

7. To make and adopt, amend, modify, or repeal bylaws, rules, and regulations, not inconsistent with law, for the care, use, government, and management of such library and the business of said board, fixing and enforcing penalties for the violation thereof.

8. To have exclusive control of the expenditures of all taxes levied for library purposes as provided by law, and of the expenditures of all moneys available by gift or otherwise for the erection of library buildings, and of all other moneys belonging to the library fund, including fines and rentals collected under the rules of the board of trustees. Said board shall keep a record of its proceedings.

9. To accept gifts of any property, including trust funds; to take the title to said property in the name of said library; to execute deeds and bills of sale for the conveyance of said property; and to expend the funds received by them from such gifts, for the improvement of said library. [C50, 54, 58, 62, 66, 71, 73, 75, 77,§358B.10]

358B.9 Methods of service. Library service shall be accomplished by one or more of the following methods in whole or in part:

1. By the establishment of depositories of books or other educational materials to be loaned at stated times and places.

2. By the transportation of books and other educational materials by conveyances for lending the same at stated times and places.

3. By the establishment of branch libraries for lending books and other educational materials.

4. By contracting for library service with a free public library of any city. [C50, 54, 58, 62, 66, 71, 73, 75, 77,§358B.11]

358B.10 Library fund. All moneys received and set apart for the maintenance of such library shall be deposited in the treasury of such county to the credit of the library fund, and shall be kept by the treasurer separate and apart from all other moneys, and paid out upon the orders of the board of trustees, signed by its president and secretary.

Provided that where a free public library is maintained jointly by two or more counties, the library trustees may elect a library treasurer therefor, and it shall be the duty of the city and county treasurers to pay over to said library treasurer any and all library taxes that may be collected by them monthly.

Such library treasurer shall be required to furnish a bond conditioned as provided by section 64.2 in such amount as agreed upon by the boards of supervisors and the cost thereof shall be paid by the counties. [C50, 54, 58, 62, 66, 71, 73, 75, 77,§358B.12]

358B.11 Annual report. The board of trustees shall, immediately after the close of each fiscal year, make to the board of supervisors a report containing a statement of the condition of the library, the num-
ber of books added thereto, the number circulated, the number not returned or lost, the amount of fines collected, and the amount of money expended in the maintenance thereof during such year, together with such further information as it may deem important. [C50, 54, 58, 62, 66, 71, 73, 75, 77,§358B.11]

**358B.12 Real estate acquired.** In any county in which a free library has been established, the board of library trustees may purchase real estate in the name of the county for the location of library buildings and branch libraries, and for the purpose of enlarging the grounds thereof. [C50, 54, 58, 62, 66, 71, 73, 75, 77,§358B.12]

**358B.13 Maintenance expense on proportionate basis.** The maintenance of a county library shall be on a proportionate population basis whereby each taxing unit as hereinafter defined shall bear its share in proportion to its population to the whole of said county library district. The board of library trustees shall on or before January 10 of each year make an estimate of the amount it deems necessary for the maintenance of the county library and shall transmit said estimate to the board or boards of supervisors and to the city councils within the district. The entire rural area of each county in the library district shall be considered as a separate taxing unit. Each city which is a part of the county library district shall be considered as a separate taxing unit. The board of supervisors and the council of each city composing said county library district shall make the necessary levies accordingly for library maintenance purposes, but the county levy may not exceed fifty-four cents per thousand dollars of assessed value. Any unexpended balance in the library maintenance fund at the end of the fiscal year shall remain in said fund and be available without reappraisal. [C50, 54, 58, 62, 66, 71, 73, 75, 77,§358B.13]

Referred to in §24.37

**358B.14 Not applicable to contract service.** The provisions of this chapter pertaining to the establishment of a county library district shall not apply to any area receiving library service from any city library, unless the petition for a county library district, in addition to the required signatures of electors, is signed by the governing body of the area receiving library service under contract. [C50, 54, 58, 62, 66, 71, 73, 75, 77,§358B.14]

**358B.15 Existing contracts assumed.** Whenever a county library district is established the board of trustees thereof shall assume all the obligations of the existing contracts made by cities, townships, school corporations or counties to receive library service from free public libraries. [C50, 54, 58, 62, 66, 71, 73, 75, 77,§358B.15]

**358B.16 Withdrawal of city from district.** A city may withdraw from the county library district upon a majority vote in favor of withdrawal by the electorate of the city in an election held on a motion by the city council. The election shall be held simultaneously with a general or city election. Notice of a favorable vote to withdraw shall be sent by certified mail to the board of library trustees of the county library and the county auditor prior to January 10, and the withdrawal shall be effective on July 1.
