a. For any person to detach, alter, deface, or destroy in whole or in part, any label or labeling provided for in this chapter or the rules promulgated hereunder, or to add any substance to, or take any substance from a pesticide in a manner that may defeat the purpose of this chapter.

b. For any person to use for his own advantage or to reveal, other than to the secretary, or officials or employees of the state or officials or employees of the United States department of agriculture, or other federal agencies, or to the courts in response to a subpoena, or to physicians, and in emergencies to pharmacists and other qualified persons for use in the preparation of antidotes, in accordance with such directions as the secretary may prescribe, any information relative to formulae of products acquired by authority of section 206.12.

206.12 Registration.

1. Every pesticide which is distributed, sold or offered for sale within this state or delivered for transportation or transported in intrastate commerce between points within the state through any point outside this state shall be registered with the department of agriculture. All registration of products shall expire on the thirty-first day of December following date of issuance, unless such registration shall be renewed annually, in which event expiration date shall be extended for each year of renewal registration, or until otherwise terminated; provided that:

a. For the purpose of this chapter, fertilizers in mixed fertilizer-pesticide formulations shall be considered as inert ingredients.
b. Within the discretion of the secretary, or his authorized representative, a change in the labeling or formulae of a pesticide may be made within the current period of registration, without requiring a reregistration of the product, provided the name of the item is not changed.

2. The registrant shall file with the department a statement containing:
   a. The name and address of the registrant and the name and address of the person whose name will appear on the label, if other than the registrant.
   b. The name of the pesticide.
   c. An ingredient statement in which the accepted common name and percentage by weight of each active ingredient is listed as well as the percentage of inert ingredients in the pesticides.
   d. A complete copy of the labeling accompanying the pesticide and a statement of all claims made and to be made for it including directions for use.
   e. A full description of the tests made and results thereof upon which the claims are based, if requested by the secretary. In the case of renewal or reregistration, a statement may be required only with respect to information which is different from that furnished when the pesticide was registered or last reregistered.

3. The registrant, before selling or offering for sale any pesticide in this state, shall register each brand and grade of such pesticide with the secretary upon forms furnished by the secretary, and, for the purpose of defraying expenses connected with the enforcement of this chapter, the secretary shall set the registration fee annually at no more than twenty dollars for each and every brand and grade to be offered for sale in this state. The fees collected shall be deposited in the treasury to the credit of the pesticide fund to be used only for the purpose of enforcing the provisions of this chapter.

4. The secretary, whenever he deems it necessary in the administration of this chapter, may require the submission of the complete formula of any pesticide. If it appears to the secretary that the composition of the article is such as to warrant the proposed claims for it and if the article and its labeling and other material required to be submitted comply with the requirements of this chapter, he shall register the article.

5. If it does not appear to the secretary that the article is such as to warrant the proposed claims for it or if the article and its labeling and other material required to be submitted do not comply with the provisions of this chapter, he shall notify the registrant of the manner in which the article, labeling, or other material required to be submitted fail to comply with this chapter so as to afford the registrant an opportunity to make the necessary corrections.

6. Notwithstanding any other provisions of this chapter, registration is not required in the case of a pesticide shipped from one plant within this state to another plant within this state operated by the same person. [C66, 71, 73, §206.4; C75, 77, 79, §206.12]

2. Any person claiming damages from a pesticide application shall have filed with the secretary a form prescribed by the secretary a written statement claiming that he has been damaged.
   a. This report shall have been filed within sixty days after the alleged date that damages occurred. If a growing crop is alleged to have been damaged, the report must be filed prior to the time that twenty-five percent of the crop has been harvested. Such statement shall contain, but shall not be limited to the name of the person allegedly responsible for the application of said pesticide, the name of the owner or lessee of the land on which the crop is grown and for which damage is alleged to have occurred, and the date on which the alleged damage occurred.

   b. The secretary shall prepare a form to be furnished to persons to be used in such cases and such form shall contain such other requirements as the secretary may deem proper. The secretary shall, upon receipt of such statement, notify the licensee and the owner or lessee of the land or other person who may be charged with the responsibility of the damages claimed, and furnish copies of such statements as may be requested. The secretary shall inspect damages whenever possible and when he determines that the complaint has sufficient merit he shall make such information available to the person claiming damage
§206.14, PESTICIDES

and to the person who is alleged to have caused the damage.

3. The filing of such a report or failure to give notice shall not preclude recovery in an action for damages and shall not affect the limitations of actions set forth in chapter 614. Nothing herein shall prohibit an action for damages for bodily injury or death to any person.

a. The filing of such report or the failure to file such a report shall not be a violation of this chapter. However, if the person failing to file such report is the only one injured from such use or application of a pesticide by others, the secretary may, when in the public interest, refuse to hold a hearing for the denial, suspension or revocation of a license or permit issued under this chapter until such report is filed.

b. Where damage is alleged to have occurred, the claimant shall permit the secretary, the licensee and his representatives, such as bondsman or insurer, to observe within reasonable hours the lands or nontarget organism alleged to have been damaged in order that such damage may be examined. Failure of the claimant to permit such observation and examination of the damaged lands shall automatically bar the claim against the licensee.

4. The secretary shall require, by rule, that veterinarians licensed and practicing veterinary medicine in the state promptly report to the department a case of domestic livestock poisoning or suspected poisoning by agricultural chemicals. [C73, §206.13, 455B.102; C75, 77, §206.14, 455B.102; C79, §206.14, 455B.132; 68GA, ch 1148, §67]

206.15 Licensee to keep records. The secretary shall require commercial applicators and certified commercial applicators to maintain records with respect to application of pesticides. Such relevant information as the secretary may deem necessary may be specified by regulation. Such records shall be kept for a period of three years from the date of the application of the pesticide to which such records refer, and the secretary shall, upon request in writing, be furnished with a copy of such records forthwith. [C75, 77, 79, §206.15]

   (1) If it is adulterated or misbranded.
   (2) If it has not been registered under the provisions of section 206.12.
   (3) If it fails to bear on its label the information required by this chapter.
   (4) If it is a white powder pesticide and is not colored as required under this chapter.
   b. In the case of a device, if it is misbranded.

2. If the article is condemned, it shall, after entry of decree, be disposed of by destruction or sale as the court may direct and the proceeds if such article is sold, less legal costs, shall be paid to the state treasurer; provided, that the article shall not be sold contrary to the provisions of this chapter; and, provided further, that upon payment of costs and execution and delivery of a good and sufficient bond conditioned that the article shall not be disposed of unlawfully, the court may direct that said article be delivered to the owner thereof for relabeling or reprocessing as the case may be.

3. When a decree of condemnation is entered against the article, court costs and fees and storage and other proper expenses shall be awarded against the person, if any, intervening as claimant of the article.

4. When the secretary has reasonable cause to believe a pesticide or device is being distributed, stored, transported, or used in violation of any of the provisions of this chapter, or of any of the prescribed rules under this chapter, he may issue and serve a written "stop sale, use, or removal" order upon the owner or custodian of any such pesticide or device. If the owner or custodian is not available for service of the order upon him, the secretary may attach the order to the pesticide or device and notify the registrant. The pesticide or device shall not be sold, used, or removed until the provisions of this chapter have been complied with and the pesticide or device has been released in writing under conditions specified by the secretary or the violation has been otherwise disposed of as provided in this chapter by a court of competent jurisdiction. [C66, 71, 73, §206.10; C75, 77, 79, §206.16]

206.17 Reciprocal agreement. The secretary may waive all or part of the examination requirements provided for in sections 206.6 and 206.7 on a reciprocal basis with any other state which has substantially the same standards. [C75, 77, 79, §206.17]

If the antifreeze is not adulterated or misbranded, if it meets the standards of the department, and is not in
violation of this chapter, the department shall give the applicant a written permit authorizing the sale of such antifreeze in this state until the formula or labeling of the antifreeze is changed in any manner.

If the department shall at a later date find that the product to be sold, exposed for sale or held with intent to sell has been materially altered or adulterated, a change has been made in the name, brand or trade-mark under which the antifreeze is sold, or it violates the provisions of this chapter, the department shall notify the applicant and the permit shall be canceled forthwith. e. Pursuant to this compact, the determination as to the suitable place of institutionalization for a patient may be reviewed at any time and such further transfer of the patient may be made as seems likely to be in the best interest of the patient.

ARTICLE IV

a. Whenever, pursuant to the laws of the state in which a patient is physically present, it shall be determined that the patient should receive after-care or supervision, such care or supervision may be provided in a receiving state. If the medical or other appropriate clinical authorities having responsibility for the care and treatment of the patient in the sending state shall have reason to believe that after-care in another state would be in the best interest of the patient and would not jeopardize the public safety, they shall request the appropriate authorities in the receiving state to investigate the desirability of affording the patient such after-care in said receiving state, and such investigation shall be made with all reasonable speed. The request for investigation shall be accompanied by complete information concerning the patient's intended place of residence and the identity of the person in whose charge it is proposed to place the patient, the complete medical history of the patient, and such other documents as may be pertinent.

b. If the medical or other appropriate clinical authorities having responsibility for the care and treatment of the patient in the sending state and the appropriate authorities in the receiving state find that the best interest of the patient would be served thereby, and if the public safety would not be jeopardized thereby, the patient may receive after-care or supervision in the receiving state.

c. In supervising, treating, or caring for a patient on after-care pursuant to the terms of this article, a receiving state shall employ the same standards of visitation, examination, care, and treatment that it employs for similar local patients.

The court in the receiving state may, in its discretion, confirm or reappoint the person or persons previously serving as guardian in the sending state in lieu of making a supplemental or substitute appointment.

b. The term "guardian" as used in paragraph "a" of this article shall include any guardian, trustee, legal committee, conservator, or other person or agency however denominated who is charged by law with power to act for or responsibility for the person or property of a patient.

ARTICLE IX

a. No provision of this compact except article V shall apply to any person institutionalized while under sentence in a penal or correctional institution or while subject to trial on a criminal charge, or whose institutionalization is due to the commission of an offense for which, in the absence of mental illness or mental deficiency, said person would be subject to incarceration in a penal or correctional institution.

b. To every extent possible, it shall be the policy of states party to this compact that no patient shall be placed or detained in any prison, jail or lockup, but such patient shall, with all expedition, be taken to a suitable institutional facility for mental illness or mental deficiency.

ARTICLE XI

The duly constituted administrative authorities of any two or more party states may enter into supplementary agreements for the provision of any service or facility or for the maintenance of any institution on a joint or co-operative basis whenever the states concerned shall find that such agreements will improve services, facilities, or institutional care and treatment in the fields of mental illness or mental deficiency. No such supplementary agreement shall be construed so as to relieve any party state of any obli-

Referred to in article XIII (b), §218A.3

ARTICLE XII

This compact shall enter into full force and effect as to any state when enacted by it into law and such state shall thereafter be a party thereto with any and all states legally joining therein.

ARTICLE XIII

a. A state party to this compact may withdraw therefrom by enacting a statute repealing the same. Such withdrawal shall take effect one year after notice thereof has been communicated officially and in writing to the governors and compact administrators of all other party states. However, the withdrawal of any state shall not change the status of any patient who has been sent to said state or sent out of said state pursuant to the provisions of the compact.
b. Withdrawal from any agreement permitted by article VII “b” as to costs or from any supplementary agreement made pursuant to article XI shall be in accordance with the terms of such agreement.

ARTICLE XIV

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the Constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the Constitution of any state party thereto, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters. [C66, 71, 73, 75, 77, 79, §218A.1]

[C66, 71, 73, 75, 77, 79, §218A.3]

218B.2 Corrections compact. The interstate corrections compact is hereby enacted into law and entered into by this state with any other states legally joining therein in the form substantially as follows:
The party states, desiring by common action to fully utilize and improve their institutional facilities and provide adequate programs for the confinement, treatment and rehabilitation of various types of offenders, declare that it is the policy of each of the party states to provide such facilities and programs on a basis of co-operation with one another, thereby serving the best interests of such offenders and of society and effecting economies in capital expenditures and operational costs. The purpose of this compact is to provide for the mutual development and execution of such programs of co-operation for the confinement, treatment and rehabilitation of offenders with the most economical use of human and material resources.

ARTICLE II—DEFINITIONS

As used in this compact, unless the context clearly requires otherwise:
1. “State” means a state of the United States; the United States of America; a territory or possession of the United States; the District of Columbia; the commonwealth of Puerto Rico.
2. “Sending state” means a state party to this compact in which conviction or court commitment was had.
3. “Receiving state” means a state party to this compact to which an inmate is sent for confinement other than a state in which conviction or court commitment was had.
4. “Inmate” means a male or female offender who is committed, under sentence to or confined in a penal or correctional institution.
5. “Institution” means any penal or correctional facility, including but not limited to a facility for the confinement, treatment and rehabilitation of offenders, for release on probation or parole, for discharge, or for any other purpose permitted by the laws of the sending state; provided that the sending state shall continue to be obligated to such payments as may be required pursuant to the terms of any contract entered into under the terms of article III.

ARTICLE III—CONTRACTS

Each party state may make one or more contracts with any one or more of the other party states for the confinement of inmates on behalf of a sending state in institutions situated within receiving states. Any such contract shall provide for:
1. Its duration.
2. Payments to be made to the receiving state by the sending state for inmate maintenance, extraordinary medical and dental expenses, and any participation in or receipt by inmates of rehabilitative or correctional services, facilities, programs or treatment not reasonably included as part of normal maintenance.
3. Participation in programs of inmate employment, if any; the disposition or crediting of any payments received by inmates on account thereof; and the crediting of proceeds from or disposal of any products resulting therefrom.
4. Delivery and retaking of inmates.
5. Such other matters as may be necessary and appropriate to fix the obligations, responsibilities and rights of the sending and receiving states.

ARTICLE IV—PROCEDURES AND RIGHTS

Whenever the duly constituted authorities in a state party to this compact, and which has entered into a contract pursuant to article III, shall decide that confinement in, or transfer of an inmate to, an institution within the territory of another party state is necessary or desirable in order to provide adequate quarters and care or an appropriate program of rehabilitation or treatment, said officials may direct that the confinement be within an institution within the territory of said other party state, the receiving state to act in that regard solely as agent for the sending state.

The appropriate officials of any state party to this compact shall have access, at all reasonable times, to any institution in which it has a contractual right to confine inmates for the purpose of inspecting the facilities thereof and visiting such of its inmates as may be confined in the institution.

Inmates confined in an institution pursuant to the terms of this compact shall at all times be subject to the jurisdiction of the sending state and may at any time be removed therefrom for transfer to a prison or other institution within the sending state, for transfer to another institution in which the sending state may have a contractual or other right to confine inmates, for release on probation or parole, for discharge, or for any other purpose permitted by the laws of the sending state; provided that the sending state shall continue to be obligated to such payments as may be required pursuant to the terms of any contract entered into under the terms of article III.

Each receiving state shall provide regular reports to each sending state on the inmates of that sending state in institutions pursuant to this compact including a conduct record of each inmate and certify said record to the official designated by the sending state; in order that each inmate may have official review of his or her record in determining and altering the disposition of said inmate in accordance with the law which may obtain in the sending state and in order that the same may be a source of information for the sending state.

All inmates who may be confined in an institution pursuant to the provisions of this compact shall be treated in a reasonable and humane manner and shall be treated equally with such similar inmates of the receiving state as may be confined in the same institution. The fact of confinement in a receiving state shall not deprive any inmate so confined of any legal rights which said inmate would have had if confined in an appropriate institution of the sending state.

Any hearing or hearings to which an inmate confined pursuant to this compact may be entitled by the laws of the sending state may be had before the appropriate authorities of the sending state, or of the receiving state if authorized by the sending state.
The receiving state shall provide adequate facilities for such hearings as may be conducted by the appropriate officials of a sending state. In the event such hearing or hearings are had before officials of the receiving state, the governing law shall be that of the sending state and a record of the hearing or hearings as prescribed by the sending state shall be made. Said record together with any recommendations of the hearing officials shall be transmitted forthwith to the official or officials before whom the hearing would have been had if it had taken place in the sending state. In any and all proceedings had pursuant to the provisions of this subdivision, the officials of the receiving state shall act solely as agents of the sending state and no final determination shall be made in any matter except by the appropriate officials of the sending state.

Any inmate confined pursuant to this compact shall be released within the territory of the sending state unless the inmate, and the sending and receiving states, shall agree upon release in some other place. The sending state shall bear the cost of such return to its territory.

Any inmate confined pursuant to the terms of this compact shall have any and all rights to participate in and derive any benefits or incur or be relieved of any obligations or have such obligations modified or his status changed on account of any action or proceeding in which he could have participated if confined in any appropriate institution of the sending state located within such state.

The parent, guardian, trustee, or other person or persons entitled under the laws of the sending state to act for, advise, or otherwise function with respect to any inmate shall not be deprived of or restricted in his exercise of any power in respect of any inmate confined pursuant to the terms of this compact.

 ARTICLE V—ACTS NOT REVIEWABLE IN RECEIVING STATE—EXTRADITION

Any decision of the sending state in respect of any matter over which it retains jurisdiction pursuant to this compact shall be conclusive upon and not reviewable within the receiving state, but if at the time the sending state seeks to remove an inmate from an institution in the receiving state there is pending against the inmate within such state any criminal charge or if the inmate is formally accused of having committed within such state a criminal offense, the inmate shall not be returned without the consent of the receiving state until discharged from prosecution or other form of proceeding, imprisonment or detention for such offense. The duly accredited officers of the sending state shall be permitted to transport inmates pursuant to this compact through any and all states party to this compact without interference.

An inmate who escapes from an institution in which he is confined pursuant to this compact shall be deemed a fugitive from the sending state and from the state in which the institution is situated. In the case of an escape to a jurisdiction other than the sending or receiving state, the responsibility for institution of extradition or rendition proceedings shall be that of the sending state, but nothing contained herein shall be construed to prevent or affect the activities of officers and agencies of any jurisdiction directed toward the apprehension and return of an escapee.

 ARTICLE VI—FEDERAL AID

Any state party to this compact may accept federal aid for use in connection with any institution or program, the use of which is or may be affected by this compact or any contract pursuant hereto and any inmate in a receiving state pursuant to this compact may participate in any such federally aided program or activity for which the sending and receiving states have made contractual provision, provided that if such program or activity is not part of the customary correctional regimen, the express consent of the appropriate official of the sending state shall be required therefor.

 ARTICLE VII—ENTRY INTO FORCE

This compact shall enter into force and become effective and binding upon the states so acting when it has been enacted into law by any two states. Thereafter, this compact shall enter into force and become effective and binding as to any other of said states upon similar action by such state.

 ARTICLE VIII—WITHDRAWAL AND TERMINATION

This compact shall continue in force and remain binding upon a party state until it shall have enacted a statute repealing the same and providing for the sending of formal written notice of withdrawal from the compact to the appropriate officials of all other party states. An actual withdrawal shall not take effect until one year after the notice provided in said statute have been sent. Such withdrawal shall not relieve the withdrawing state from its obligations assumed hereunder prior to the effective date of withdrawal. Before the effective date of withdrawal, a withdrawing state shall remove to its territory, at its own expense, such inmates as it may have confined pursuant to the provisions of this compact.

 ARTICLE IX—OTHER ARRANGEMENTS UNAFFECTED

Nothing contained in this compact shall be construed to abrogate or impair any agreement or other arrangement which a party state may have with a nonparty state for the confinement, rehabilitation or treatment of inmates nor to repeal any other laws of a party state authorizing the making of co-operative institutional arrangements.

 ARTICLE X—CONSTRUCTION AND SEVERABILITY

The provisions of this compact shall be liberally construed and shall be severable. If any phrase, clause, sentence or provision of this compact is declared to be contrary to the Constitution of any participating state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the re-

If this compact shall be held contrary to the Constitution of any state participating therein, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters. [C75, 79, §218B.2]

The authority shall establish by rule further definitions applicable to this chapter, and clarification of the definitions in this section, as necessary to assure eligibility for funds available under federal housing laws. [C77, 79, §220.1; 68GA, ch 1062, §1]

220.2 Establishment of authority.

1. The Iowa housing finance authority is established, and constituted a public instrumentality and agency of the state exercising public and essential governmental functions, established to undertake programs which assist in attainment of adequate housing for low or moderate income families, elderly families, families which include one or more persons who are handicapped or disabled, and the Iowa home-staying program. The powers of the authority shall be vested in and exercised by a board of nine members appointed by the governor subject to confirmation by the senate. No more than five members shall belong to the same political party. As far as possible the governor shall include within the membership persons who represent community and housing development industries, housing finance industries, real estate sales industry, elderly families, minorities, lower income families, very low income families, handicapped and disabled families, average taxpayers, local government, and any other person specially interested in community housing.

2. Members of the authority shall be appointed by the governor for staggered terms of six years beginning and ending as provided in section 69.19. A person appointed to fill a vacancy shall serve only for the unexpired portion of the term. A member is eligible for reappointment. A member of the authority may be removed from office by the governor for misfeasance, malfeasance or willful neglect of duty or other just cause, after notice and hearing, unless the notice and hearing is expressly waived in writing.

3. Five members of the authority constitute a quorum and the affirmative vote of at least five members is necessary for any substantive action taken by the authority. The majority shall not include any member who has a conflict of interest and a statement by a member of a conflict of interest shall be conclusive for this purpose. A vacancy in the membership does not impair the right of a quorum to exercise all rights and perform all duties of the authority.

4. Members of the authority are entitled to receive forty dollars per diem for each day spent in performance of duties as members, and shall be reimbursed for all actual and necessary expenses incurred in the performance of duties as members.

5. Members of the authority and the executive director shall give bond as required for public officers in chapter 64.

6. Meetings of the authority shall be held at the call of the chairman or whenever two members so request.

7. Members shall elect a chairman and vice chairman annually, and other officers as they determine, but the executive director shall serve as secretary to the authority.

8. The net earnings of the authority, beyond that necessary for retirement of its notes, bonds or other obligations, or to implement the public purposes and programs herein authorized, shall not inure to the benefit of any person other than the state. Upon termination of the existence of the authority, title to all property owned by the authority, including any such net earnings of the authority, shall vest in the state. The state reserves the right at any time to alter, amend, repeal, or otherwise change the structure, organization, programs or activities of the authority, including the power to terminate the authority, except that no law shall ever be passed impairing the obligation of any contract or contracts entered into by the authority to the extent that any such law would contravene article I, section 21 of the Constitution of the state of Iowa or article I, section 10 of the Constitution of the United States. [C77, 79, §220.2; 68GA, ch 1010, §46, ch 1062, §2]

220.3 Legislative findings. The general assembly finds and declares as follows:

1. The establishment of the authority is in all respects for the benefit of the people of the state of Iowa, for the improvement of their health and welfare, and for the promotion of the economy, which are public purposes.

2. The authority will be performing an essential governmental function in the exercise of the powers and duties conferred upon it by this chapter.

3. There exists a serious shortage of safe and sanitary residential housing available to low or moderate income families.

4. This shortage is conducive to disease, crime, environmental decline and poverty and impairs the economic value of large areas, which are characterized by depreciated values, impaired investments, and re-
duced capacity to pay taxes and are a menace to the health, safety, morals and welfare of the citizens of the state.

5. These conditions result in a loss in population and further deterioration, accompanied by added costs to communities for creation of new public facilities and services elsewhere.

6. One major cause of this condition has been recurrent shortages of funds in private channels.

7. These shortages have contributed to reductions in construction of new residential units, and have made the sale and purchase of existing residential units a virtual impossibility in many parts of the state.

8. The ordinary operations of private enterprise have not in the past corrected these conditions.

9. A stable supply of adequate funds for residential financing is required to encourage new housing and the rehabilitation of existing housing in an orderly and sustained manner and to reduce the problems described in this section.

10. It is necessary to create a state housing finance authority to encourage the investment of private capital and stimulate the construction and rehabilitation of adequate housing through the use of public financing.

11. All of the purposes stated in this section are public purposes and uses for which public moneys may be borrowed, expended, advanced, loaned or granted. [C77, 79, §220.3]

Referred to in §40A 3(10), 524 905, 533 16, 534 21

220.4 Guiding principles. In the performance of its duties and implementation of its powers, and in the selection of specific programs and projects to receive its assistance, the authority shall be guided by the following principles:

1. The authority shall not become an owner of real property, except on a temporary basis where necessary in order to implement its programs, protect its investments by means of foreclosure or other means, or to facilitate transfer of real property for the use of low or moderate income families.

2. The authority shall function in cooperation with local governmental units and local or regional housing agencies, and in fulfillment of local or regional housing plans, and to that end shall provide technical assistance to local governmental units and local or regional agencies in need of that assistance.

3. A local contributing effort shall be required of each project assisted by the authority. As used in this subsection, "project" includes one or more programs authorized under the provisions of this chapter. The local contribution may be provided by local governmental units or by local or regional agencies, public or private. Unless otherwise specified in this chapter, the percentage and type of local contribution shall be determined by the authority, and may include, but should not be limited to, cash match, land contribution, tax abatement, or ancillary facilities. The authority shall encourage ingenuity and creativity in local effort.

4. The authority shall encourage units of local government and local and regional housing agencies to use federal revenue-sharing funds for programs which increase or improve the supply of adequate housing for low or moderate income families.

5. The authority shall encourage co-operative housing efforts at the local level, both with respect to the co-operation of public bodies with private enterprise and civic groups, and with respect to the formation of regional or multicity units engaged in housing.

6. Wherever practicable, the authority shall give preference to the following types of programs:

a. Those which treat housing problems in the context of the total needs of individuals and communities, recognizing that individuals may have other problems and needs closely related to their need for adequate housing, and that the development of isolated housing units without regard for neighborhood and community development tends to create undesirable consequences.

b. Those which promote home ownership by families of low or moderate income, recognizing the need for educational counseling programs in family financial management and home maintenance in order to achieve this goal.

c. Those which involve the rehabilitation and conservation of existing housing units, and the preservation of existing neighborhoods and communities.

d. Those designed to serve elderly families, families which include one or more persons who are handicapped or disabled, lower income families or very low income families.

7. The authority shall encourage the protection, restoration and rehabilitation of historic properties, and the preservation of other properties of special value for architectural or esthetic reasons. As used in this subsection, "historic properties" means landmarks, landmark sites, or districts which are significant in the history, architecture, archaeology or culture of this state, its communities, or the nation.

8. The authority shall exercise diligence and care in selection of projects to receive its assistance, and shall apply customary and acceptable business and lending standards in selection and subsequent implementation of such projects. [C77, 79, §220.4]

Referred to in §220 16, 40A 3(10), 524 905, 533 16, 534 21

220.5 General powers. The authority has all of the general powers needed to carry out its purposes and duties, and exercise its specific powers, including but not limited to the power to:

1. Issue its negotiable bonds and notes as provided in sections 220.26 to 220.30 in order to finance its programs.

2. Sue and be sued in its own name.

3. Have and alter a corporate seal.

4. Make and alter bylaws for its management consistent with the provisions of this chapter.

5. Make and execute agreements, contracts and other instruments, with any public or private entity. All political subdivisions, public housing agencies, other public agencies and state departments and agencies may enter into contracts and otherwise cooperate with the authority.

6. Acquire, hold, improve, mortgage, lease and dispose of real and personal property, including, but not limited to, the power to sell at public or private
sale, with or without public bidding, any such property, mortgage loan, or other obligation held by it.

7. Procure insurance against any loss in connection with its operations and property interests.

8. Fix and collect fees and charges for its services.

9. Subject to any agreement with bondholders or noteholders, invest or deposit moneys of the authority in any manner determined by the authority, notwithstanding the provisions of chapters 452, 453 or 454.

The executive director shall be selected primarily for administrative ability and knowledge in the field, without regard to political affiliation. 2. The executive director shall advise the authority on matters relating to housing and housing finance, carry out all directives from the authority, and hire and supervise the authority's staff pursuant to its directions and under the provisions of chapter 19A, except that principal administrative assistants with responsibilities in housing development, accounting, mortgage loan processing, and investment portfolio management shall be exempt.

Failure to meet this goal does not invalidate any bonds, notes or other obligations of the authority, but in case of noncompliance with this requirement, the authority shall make a special report to the governor and to the general assembly as to the reasons for noncompliance, and the authority shall not commit further funds for housing units which do not help meet this goal, until the goal is reached, other than to complete projects already started. The authority shall require all mortgage lenders who participate in programs financed or otherwise assisted by it to agree that they will not designate certain areas as unsuitable for the making of mortgage loans because of the prevailing income, racial, ethnic or other characteristics of the inhabitants of the area. This subsection is intended to prohibit all mortgage lenders who participate in authority programs from engaging in the practice commonly known as “redlining”.

5. The authority may require mortgage lenders who participate in programs financed or otherwise assisted by the authority to take affirmative action to make mortgage loans in areas with a higher than average concentration of lower-income families or members of racial or ethnic minorities. 220.12 Property improvement loans and mortgage loans.

1. The authority may make property improvement loans and mortgage loans, including but not limited to mortgage loans insured, guaranteed, or otherwise secured by the federal government or by private mortgage insurers, to housing sponsors to provide financing of adequate housing for low or moderate income families, elderly families, families which include one or more persons who are handicapped or disabled, and noninstitutional residential care facilities.

2. A property improvement loan or mortgage loan under this section may be made only when the authority determines that the housing sponsor is unable to obtain the necessary financing from other sources upon terms and conditions which the sponsor reasonably could be expected to fulfill.

3. The authority shall make and execute contracts with mortgage lenders for the servicing of property improvement loans and mortgage loans made under this section. The authority may pay the reasonable value of services rendered pursuant to such contracts.

4. Mortgage loans and property improvement loans shall contain terms and provisions including interest rates, and be in a form as established by rules of the authority. The authority shall require the housing sponsor to execute assurances and guarantees reasonably related to protecting the security of the mortgage loan, as the authority deems necessary.

5. In considering an application for a property improvement loan or mortgage loan under this section, the authority shall determine that the housing will be adequate and provide for the special needs of families of low or moderate income, elderly families, or families which include one or more persons who are handicapped or disabled, or will meet state standards for noninstitutional residential care facilities, and shall also give consideration to:

a. The comparative need for housing or noninstitutional residential care facilities in the area.

b. The ability of the applicant to operate, manage and maintain the proposed housing.

6. Each property improvement loan or mortgage loan shall be subject to an agreement between the authority and the housing sponsor which will subject the housing sponsor to limitations established by the authority as to rentals and other charges, builders’ and developers’ profits and fees, and dispositions of interests in the property mortgaged, including provisions to prohibit assumption of a mortgage without permission of the mortgagee.

7. As a condition of a property improvement loan or mortgage loan, the authority may, upon reasonable notice, during construction or rehabilitation of the housing and during its operation:

a. Enter upon and inspect the physical condition of the premises, examine books and records of the housing sponsor, and impose fees to cover the cost of the inspections and examinations.

b. Require alterations or repairs as necessary to protect the security of its investment and the welfare of the occupants, and to insure that the housing is in conformity with applicable federal, state and local laws.

c. Require whatever action is necessary to comply with applicable federal, state and local laws, and file and prosecute a complaint or seek injunctive relief...
for a violation of applicable federal, state or local laws.

8. A property improvement loan or mortgage loan may be prepaid to maturity after a period of years as determined by rule of the authority, if the authority determines that the prepayment will not result in a material escalation of rents or fees charged to the occupants.

9. The authority may require as a condition of a property improvement loan that the improvements to be made therewith shall include bringing the property into compliance with thermal efficiency standards established by the state building code commissioner for existing structures or into compliance with such other thermal efficiency standards as the authority may deem appropriate. [C77, 79, §220.12]

220.13 Lease-purchase agreements. In order to encourage eventual home ownership by low or moderate income families who are able to establish home ownership capability by showing regularity of payment and property maintenance, the authority may assist in the provision of housing to such families by means of down payment grants made pursuant to the lease-purchase program.

1. To the extent funds are available, the authority may provide down payment grants on behalf of low and moderate income families to nonprofit sponsors to defray all or part of the down payment on real property that is transferred by such sponsors to such families under the terms of the lease-purchase program.

2. To qualify for a down payment grant, the tenant shall have occupied the property for at least one year, have performed all routine maintenance, and have made all lease or rental payments on time and in full, during the year ending on the date of transfer.

3. Not more than thirty days prior to transfer of a property, an independent appraisal of such property shall be obtained, and the down payment shall not exceed ten percent of the lesser of the appraised value or agreed upon price.

4. Such down payment grant may be collectible in full and immediately by the authority in the following cases, when the beneficiary of the grant has lived in and occupied the property for less than five continuous years.

a. If the purchaser, at any future time, resells the property to a family that is not eligible for assistance under this section.

b. If the property is totally destroyed and insurance settlement is made. [C77, 79, §220.13]

220.14 Iowa homesteading program.

1. The Iowa homesteading program is established under the supervision of the authority to alleviate problems of slums and blighted areas, to provide for rehabilitation of deteriorating housing, and to provide the opportunity to rehabilitate and occupy such housing, to low and moderate income families, all of which are deemed to be public purposes. The authority may establish homesteading projects in any part of the state, subject to approval of the local governing body; and, in co-operation with suitable local agencies, the authority may provide financial and technical assistance to housing sponsors for the establishment and implementation of homesteading projects which meet the requirements of this chapter, and the authority may co-operate with similar local projects to provide housing.

2. Homesteading projects which meet the requirements of this chapter may be designated by the authority as Iowa homesteading projects. The conditional and absolute conveyance of fee simple title to real property, to a homesteading applicant, shall result in the inclusion of such real property in a designated Iowa homesteading project. The result of such designation shall be the cancellation of back taxes, penalties, interest and costs of the real property pursuant to sections 446.39 and 569.8, notwithstanding any other financial, technical or principal involvement in the property by the authority.

3. The authority may provide property improvement or mortgage loans to facilitate designated Iowa homesteading projects. Such loans may be for the purpose of financing acquisition, improvement or rehabilitation of housing included in a designated homesteading project. Such loans shall be made only upon property for which a conditional conveyance will be granted. The interest rates, security requirements and other terms of such loans shall be established by the authority and shall be as low as practical considering market conditions.

a. The housing sponsor of the designated homesteading project shall agree to:

(1) Approval of homesteading applicants on a first-in-time is first-in-right basis, unless probability of success with a subsequent applicant is substantially higher. In cases of two or more applicants for a single property, priority may be given to a resident of the city or county where the property is located, or to the applicant with the lowest income who is otherwise qualified.

(2) Assistance to approved applicants in seeking and obtaining counseling and financial assistance from appropriate sources during homesteading, and for a period of three years after the date of absolute conveyance.

(3) Conditional conveyance of unoccupied residential property to the applicant with or without any substantial consideration, which consideration may include the value of work performed by the applicant in rehabilitating the property during the period of the conditional conveyance.

(4) Arrangement of local supervision and administration of the designated homesteading project, including announced quarterly inspections of homesteads during rehabilitation.

(5) Revocation of the conditional conveyance, at option of the authority, upon any material breach of the agreement between the housing sponsor and the authority.

(6) Repossession of property, subject to authority approval and upon proper notice and hearing unless waived in writing by the homesteading applicant, for unreasonable failure to complete rehabilitation as agreed upon at the time of conditional conveyance.

(7) Absolute conveyance of fee simple title to the applicant, upon satisfactory completion of rehabilita-

tion and arrangement of mortgage financing from
the authority or other institutions, as appropriate.

b. An approved applicant for a designated home-
steading project shall:

(1) Agree to rehabilitate the property to meet ap-
plicable building or housing code standards within a
two-year period after conditional conveyance. How-
ever, the two-year period may be extended for just
cause.

(2) Agree to live in and occupy the homesteading
property for five continuous years from the date of
conditional conveyance. Such agreement may be
waived by mutual agreement of the authority, the
housing sponsor, and the applicant.

c. The authority may:

(1) Encourage homesteading sponsors and partici-
pating political subdivisions to co-ordinate ap-
proaches to neighborhood and area wide improve-
ment through upgrading the public services and facili-
ties through a designated Iowa homesteading
project.

(2) Recommend legislation to provide appropriate
exemptions from real property tax laws for properti-
es included in a designated homesteading project.

(3) Recommend temporary suspension or tempo-
rary or permanent modification of building and hous-
ing code requirements to the extent necessary to per-
mit safe and economical rehabilitation of housing in-
cluded in a designated homesteading project. [C77,

220.15 Housing assistance for very low income
and lower income families.

1. The authority shall participate in the housing
assistance payments program under section 8 of the
United States Housing Act of 1937, section 1401 et
seq., title 42, United States Code, as amended by sec-
tion 201 of the Housing and Community Develop-
ment Act of 1974 (Public Law 93-383). The purpose of
participation is to enable the authority to obtain, on
behalf of the state of Iowa, set-asides of contract au-
thorization reserved by the United States secretary
of housing and urban development for public housing
agencies, to enter into annual contributions contracts,
to otherwise expedite use of the program through the
use of state housing finance funds, and to encourage
new construction and substantial rehabilitation of
housing suitable for assistance under the program.
Assistance may be provided for existing housing
units made available by owners for the program, as
well as for newly constructed housing units. Maxi-
mum rents shall be established by the authority in
conformity with federal law.

2. To establish maximum eligibility for set-asides
the authority shall:

a. Develop and implement procedures which will
to the fullest possible extent compliment the alloca-
tion system of the United States department of hous-
ing and urban development.

b. Evaluate statewide and local housing needs
and develop a program to provide housing in areas of
most critical need, within its allocation of set-aside
contract authority.

c. Comply with all documentation and application
requirements of the federal law.

3. The authority shall co-operate to the fullest ex-
tent possible with local housing agencies for imple-
mentation of the housing assistance payments pro-
gram. The agency may enter into agreements with
local housing agencies, housing cooperatives, or other
public or private entities for commitment of housing
assistance upon completion of an approved proposal,
and may subsequently execute with such entities
housing assistance payments contracts.

4. Permanent financing for units to be subsidized
under the housing assistance payments program may
be provided by the authority, directly or indirectly, by
the proceeds from the sale of bonds and notes as pro-
vided in this Act, or by other moneys available to the
authority, by appropriations or otherwise.

5. The authority shall, when appropriate, take
necessary steps to co-operate with the United States
department of agriculture in implementation of sec-
tions 517 and 521 of the Housing Act of 1949, sections
1487 and 1490a, title 42, United States Code, as
amended by section 514 of the Housing and Commu-
The purpose of such programs is to extend to rural
areas the provisions of housing assistance payments
programs.

6. The authority shall, when appropriate, take
necessary steps to participate in the programs of fed-
eral assistance to state housing finance agencies for
expanding the supply of housing available to low or
moderate income families, as provided in section 802
of the Housing and Community Development Act of
1974 (Public Law 93-383).

7. The authority may participate in other pro-
grams under the Housing and Community Develop-
ment Act of 1974 (Public Law 93-383), and in other
federal programs designed to increase the supply of
adequate housing for low or moderate income fami-
lies and may recommend appropriate legislation to
the general assembly where further legislation is
needed to accomplish such participation. However,
failure of the authority to participate in the federal
programs set out in this section does not invalidate
any bonds, notes or other obligations of the authority.

Referred to in §220.36, 406A (h)(10), 524.905, 583.16, 584.21

220.16 Rent supplements.

1. The authority may establish and administer
through local public or private agencies an eighteen
month demonstration program of rent supplements
designed for very low income and lower income fami-
lies, to provide for payment of a maximum of the dif-
ference between twenty-five percent of an eligible
family's income and the fair market rental of a unit
of housing, as established by the authority. Eligibility
of a housing unit for participation in the demonstra-
tion rent supplement program is subject to approval
by the authority based on compliance with the defini-
tion of adequate housing in this chapter, and agree-
ment by the owner to comply with authority rules
pertaining to equal housing opportunity, mainte-
nance, occupancy, and other authority policies. The
authority shall, by rule, establish criteria for partici-
pation in the demonstration project, based upon the
provisions of this section and section 220.4, including but not limited to the selection of target groups, determined by geographical location or special needs, to receive the benefits of the program under the demonstration project. It shall then receive applications for participation in the demonstration project from agencies or organizations described in subsection 2, prepare a detailed plan for the total demonstration project including a statement of funding needs, and submit the plan to the general assembly with its budget request.

2. A governing body of a city or county, a public housing agency, or a private, nonprofit organization which provides or wishes to provide housing to lower income families, is eligible to apply for participation in the rent supplement program. Funds available for the rent supplement program, whether from appropriations or from other sources, shall be made available by the authority to cities, counties, public housing agencies, or private, nonprofit organizations on a one-to-one matching basis with funds supplied by the cities, counties, public housing agencies, or private, nonprofit organizations that participate. [C77, 79, §220.16]

220.17 Emergency housing fund. The authority may make grants and temporary loans at interest rates and terms as determined by the authority, for the following purposes:

1. To defray the local contribution requirement for housing sponsors who apply for rent supplement assistance as provided in section 220.16 and who, in the judgment of the authority, would not be able to provide the local contribution without undue hardship.

2. To defray temporary housing costs that result from displacement by natural or other disaster, if the disaster has been proclaimed by the governor.

3. To defray a portion of the expense required to develop and initiate housing which deals creatively with the housing problems of low or moderate income families, elderly families, and families which include one or more persons who are handicapped or disabled. [C77, 79, §220.17]

220.18 Special housing assistance.

1. The authority may make temporary loans at interest rates and terms as determined by the authority, to defray development costs for housing for low or moderate income families provided by housing sponsors. A “development cost” loan shall be repaid in full by the borrower concurrent with obtaining a construction loan, unless the authority extends the period for repayment, but the period for repayment shall not be extended beyond the date of obtaining a mortgage loan on the housing. As used in this section, “development costs” means the costs approved by the authority as appropriate expenditures which may be incurred by builders and developers prior to commitment and initial advance of the proceeds of a construction loan or a mortgage loan, including but not limited to:

a. Payments for options to purchase properties on the proposed housing site, deposits on contracts of purchase, or, with approval of the authority, payments for the purchasing of such properties.

b. Legal and organizational expenses including payment of attorney fees, project manager, clerical and other staff salaries, office rent and other incidental expenses.

c. Payment of fees for preliminary feasibility studies and advances for planning, engineering and architectural work.

d. Expenses for tenant surveys and market analysis.

e. Necessary application and other fees.

2. The authority may make or participate in the making of property improvement loans or mortgage loans for rehabilitation or preservation of existing dwellings for the use of low or moderate income families, elderly families or families which include one or more persons who are handicapped or disabled. A rehabilitation or preservation loan may be for the estimated cost of the rehabilitation work to be done, for the purpose of refinancing an existing mortgage loan, for the purpose of doing the rehabilitation work, or for the purpose of acquiring housing in which rehabilitation work is to be done. The rehabilitation or preservation loan shall not exceed, with all other existing indebtedness of the property, the estimated market value of the property as determined by the authority, after the rehabilitation or preservation is completed, and the term of a loan shall not exceed the estimated useful life of the property as determined by the authority, after rehabilitation or preservation. The proposed rehabilitation or preservation shall assure that the property will not contain any substantial violation of applicable housing codes. A rehabilitation or preservation loan under this subsection may be made only when the authority determines that the proposed mortgagor is unable to obtain the necessary financing from other sources upon terms and conditions which the proposed mortgagor reasonably could be expected to fulfill. A rehabilitation or preservation loan under this subsection may be provided only within an area of a city for which an authorized city agency submits a satisfactory affirmative neighborhood preservation program, or in other areas within or outside of cities where the authority determines that rehabilitation or preservation is economically sound and a program of neighborhood preservation is appropriate. The following criteria, along with others reasonably related to the purposes of this chapter, which may be determined by the authority, shall be considered in determining whether an affirmative neighborhood preservation program is satisfactory:

a. The degree of blight, decay or deterioration of housing or the imminent threat of blight, decay or deterioration of housing within the area.

b. The degree to which financing for repairs, remodeling or rehabilitation of housing within the area is available.

c. The proportion of residential structures within the area which are owner-occupied.

d. The degree to which the financial resources of proposed occupants of the housing, including resources available to them under this chapter or other federal, state, and local laws and programs, provide
reasonable assurances of the economic feasibility of the financing of rehabilitation or preservation.

e. The expressed commitment of the city to provide a concentrated effort to enforce the applicable housing codes within the area.

f. The expressed commitment of the city to provide capital improvements and other city services so as to stabilize, improve and restore the neighborhood.

§220.19 Housing assistance fund notes. The authority may issue housing assistance fund notes, the principal and interest of which shall be payable solely from the housing assistance fund established under section 220.18. The fund notes of each issue shall be dated, shall mature at such times not exceeding ten years from their dates, and may be made redeemable before maturity, at the option of the authority, at prices and under terms and conditions as determined by the authority. The authority shall determine the form and manner of execution of the fund notes, including any interest coupons to be attached thereto, and shall fix the denominations and the places of payment of principal and interest, which may be any financial institution within or without the state or any agent, including the lender. If any officer whose signature or a facsimile of whose signature appears on fund notes or coupons shall cease to be that officer before the delivery of the notes or coupons, the signature or facsimile shall be valid and sufficient for all purposes the same as if the officer had remained in office until delivery. The fund notes may be issued in coupon or in registered form, or both, as the authority determines, and provision may be made for the registration of coupon fund notes as to principal alone and also as to both principal and interest, and for the conversion into coupon fund notes of any fund notes registered as to both principal and interest, and for the interchange of registered and coupon fund notes. Fund notes shall bear interest at rates as determined by the authority and may be sold in a manner, either at public or private sale, and for a price as the authority determines to be best to effectuate the purposes of the housing assistance fund. The proceeds of fund notes shall be used solely for the purposes for which issued and shall be disbursed in a manner and under restrictions as provided in this section and in the resolution of the authority providing for their issuance. The authority may provide for the replacement of fund notes which become mutilated or are destroyed or lost.

§220.20 Loans to mortgage lenders.

1. The authority may make, and contract to make, loans to mortgage lenders on terms and conditions as it determines which are reasonably related to protecting the security of the authority's investment and to implementing the purposes of this chapter, and subject to this section, and all mortgage lenders are authorized to borrow from the authority in accordance with the provisions of this section and the rules of the authority.

2. The authority shall require as a condition of each loan to a mortgage lender that the mortgage lender, within a reasonable period after receipt of the loan proceeds as the authority prescribes by rule, shall have entered into written commitments to make, and, within a reasonable period thereafter as the authority prescribes by rule, shall have disbursed the loan proceeds in new mortgage loans to low or moderate income families in an aggregate principal amount equal to the amount of the loan. New mortgage loans shall have terms and conditions as the authority prescribes by rules which are reasonably related to implementing the purposes of this chapter.

3. The authority shall require the submission to it by each mortgage lender to which the authority has made a loan, of evidence satisfactory to the authority of the making of new mortgage loans to low or moderate income families as required by this section, and in that connection may, through its members, employees or agents, inspect the books and records of a mortgage lender.

4. Compliance by a mortgage lender with the terms of its agreement with the authority with respect to the making of new mortgage loans to low or moderate income families may be enforced by decree of any district court of this state. The authority may require as a condition of a loan to a national banking association or a federally chartered savings and loan association, the consent of the association to the jurisdiction of courts of this state over any such proceeding. The authority may also require, as a condition of a loan to a mortgage lender, agreement by the mortgage lender to the payment of penalties to the authority for violation by the mortgage lender of its agreement with the authority, and the penalties shall be recoverable at the suit of the authority.

5. The authority shall require that each mortgage lender receiving a loan pursuant to this section shall issue and deliver to the authority an evidence of its indebtedness to the authority which shall constitute a general obligation of the mortgage lender and shall bear a date, mature at a time, be subject to prepayment, and contain other provisions consistent with this section and reasonably related to protecting the security of the authority's investment, as the authority determines.

6. Notwithstanding any other provision of this section to the contrary, the interest rate and other terms of loans to mortgage lenders made from the proceeds of an issue of bonds or notes of the authority shall be at least sufficient to assure the payment of the bonds or notes and the interest on them as they become due.

7. The authority shall require that loans to mortgage lenders are additionally secured as to payment of both principal and interest by a pledge of and lien upon collateral security by special escrow funds or other forms of guarantee and in such amounts and forms as the authority shall by resolution determine to be necessary to assure the payment of the loans and the interest thereon as they become due. Collateral security shall consist of direct obligations of, or obligations guaranteed by, the United States or one of its agencies, obligations satisfactory to the authority which are issued by other federal agencies, direct obligations of or obligations guaranteed by a state or
a political subdivision of a state, or investment quality obligations approved by the authority.

8 The authority may require that collateral for loans be deposited with a bank, trust company or other financial institution acceptable to the authority located in this state and designated by the authority as custodian. In the absence of such a requirement, each mortgage lender shall enter into an agreement with the authority containing provisions as the authority deems necessary to adequately identify, maintain the collateral, service the collateral, and require the mortgage lender to hold the collateral as an agent for the authority and be accountable to the authority as the trustee of an express trust for the application and disposition of the collateral and the income from it. The authority may also establish additional requirements as it deems necessary with respect to the pledging, assigning, setting aside, or holding of collateral and the making of substitutions for it or additions to it and the disposition of income and receipts from it.

9 The authority may require as a condition of loans to mortgage lenders, any representations and warranties it determines are necessary to secure the loans and carry out the purposes of this section.

10 If a provision of this section is inconsistent with a provision of law of this state governing mortgage lenders, the provision of this section controls for the purposes of this section. [C77, 79, §220.20]

220.21 Purchase of mortgage loans.

1 The authority may purchase, and make advance commitments to purchase, mortgage loans from mortgage lenders at prices and upon terms and conditions as it determines subject to this section. However, the total purchase price for all mortgage loans which the authority commits to purchase from a mortgage lender at any one time shall not exceed the total of the unpaid principal balances of the mortgage loans purchased. Mortgage lenders are authorized to sell mortgage loans to the authority in accordance with the provisions of this section and the rules of the authority.

2 The authority shall require as a condition of purchase of mortgage loans from mortgage lenders that the mortgage lenders, within a reasonable period after receipt of the purchase price as the authority prescribes by rule, shall enter into written commitments to loan and, within a reasonable period thereafter as the authority prescribes by rule, shall loan an amount equal to the entire purchase price of the mortgage loans, on new mortgage loans to low or moderate income families or certify that mortgage loans purchased are mortgage loans made to low or moderate income families. New mortgage loans to be made by mortgage lenders shall have terms and conditions as the authority prescribes by rule. The authority may make a commitment to purchase mortgage loans from mortgage lenders in advance of the time such loans are made by mortgage lenders. The authority shall require as a condition of such commitment that mortgage lenders certify in writing that all mortgage loans represented by the commitment will be made to low or moderate income families, and that other authority specifications will be complied with.

3 The authority shall require the submission to it by each mortgage lender from which the authority has purchased mortgages, of evidence satisfactory to the authority of the making of new mortgage loans to low or moderate income families as required by this section and in that connection may, through its members, employees or agents, inspect the books and records of a mortgage lender.

4 Compliance by a mortgage lender with the terms of its agreement with the authority with respect to the making of new mortgage loans to low or moderate income families may be enforced by decree of any district court of this state. The authority may require as a condition of purchase of mortgage loans from any national banking association or federally chartered savings and loan association, the consent of the association to the jurisdiction of courts of this state over any such proceeding. The authority may also require as a condition of the authority's purchase of mortgage loans from a mortgage lender, agreement by the mortgage lender to the payment of penalties to the authority for violation by the mortgage lender of its agreement with the authority, and the penalties shall be recoverable at the suit of the authority.

5 The authority may require as a condition of purchase of a mortgage loan from a mortgage lender that the mortgage lender represent and warrant to the authority that:

a The unpaid principal balance of the mortgage loan and the interest rate on it have been accurately stated to the authority.

b The amount of the unpaid principal balance is justly due and owing.

c The mortgage lender has no notice of the existence of any counterclaim, offset or defense asserted by the mortgagor or his successor in interest.

d The mortgage loan is evidenced by a bond or promissory note and a mortgage which has been properly recorded with the appropriate public official.

e The mortgage constitutes a valid first lien on the real property described to the authority subject only to real property taxes not yet due, installments of assessments not yet due, and easements and restrictions of record which do not adversely affect, to a material degree, the use or value of the real property or improvements on it.

f The mortgagor is not now in default in the payment of any installment of principal or interest, escrow funds, real property taxes or otherwise in the performance of obligations under the mortgage documents and has not to the knowledge of the mortgage lender been in default in the performance of any obligation under the mortgage for a period of longer than sixty days during the life of the mortgage.

g The improvements to the mortgaged real property are covered by a valid and subsisting policy of insurance issued by a company authorized to issue such policies in this state and providing fire and extended coverage in amounts as the authority prescribes by rule.
§220.21, IOWA HOUSING FINANCE AUTHORITY

h. The mortgage loan meets the prevailing investment quality standards for mortgage loans in this state.

6. A mortgage lender is liable to the authority for damages suffered by the authority by reason of the untruth of a representation or the breach of a warranty and, in the event that a representation proves to be untrue when made or in the event of a breach of warranty, the mortgage lender shall, at the option of the authority, repurchase the mortgage loan for the original purchase price adjusted for amounts subsequently paid on it, as the authority determines.

7. The authority shall require the recording of an assignment of a mortgage loan purchased by it from a mortgage lender and shall not be required to notify the mortgagor of its purchase of the mortgage loan. The authority shall not be required to inspect or take possession of the mortgage documents if the mortgage lender from which the mortgage loan is purchased by the authority enters into a contract to service the mortgage loan and account to the authority for it.

8. If a provision of this section is inconsistent with another provision of law of this state governing mortgage lenders, the provision of this section controls for the purposes of this section. [C77, 79, §220.21]

220.26 Bonds and notes. 1. The authority may issue its negotiable bonds and notes in principal amounts as, in the opinion of the authority, are necessary to provide sufficient funds for achievement of its corporate purposes, the payment of interest on its bonds and notes, the establishment of reserves to secure its bonds and notes, and all other expenditures of the authority incidental to and necessary or convenient to carry out its purposes and powers. However, the authority may not have a total principal amount of bonds and notes outstanding at any time in excess of five hundred million dollars plus fifty million dollars for property improvement loans to finance solar and other renewable energy systems in housing as authorized by section 220.37. The bonds and notes shall be deemed to be investment securities and negotiable instruments within the meaning of and for all purposes of the uniform commercial code.

2. Bonds and notes issued by the authority are payable solely and only out of the moneys, assets, or revenues of the authority, and as provided in the
agreement with bondholders or noteholders pledging any particular moneys, assets or revenues. Bonds or notes are not an obligation of this state or any political subdivision of this state other than the authority within the meaning of any constitutional or statutory debt limitations, but are special obligations of the authority payable solely and only from the sources provided in this chapter, and the authority may not pledge the credit or taxing power of this state or any political subdivision of this state other than the authority, or make its debts payable out of any moneys except those of the authority.

3. The maximum amount of bonds and notes issued by the authority which may be outstanding at any time shall be set by statute. Bonds and notes must be authorized by a resolution of the authority. However, a resolution authorizing the issuance of bonds or notes may delegate to an officer of the authority the power to negotiate and fix the details of an issue of bonds or notes by an appropriate certificate of the authorized officer.

4. Bonds shall:

a. State the date and series of the issue, consecutively numbered, and state on their face that they are payable both as to principal and interest solely out of the assets of the authority and do not constitute an indebtedness of this state or any political subdivision of this state other than the authority within the meaning of any constitutional or statutory debt limit.

b. Be either registered, registered as to principal only, or in coupon form, issued in denominations as the authority prescribes, fully negotiable instruments under the laws of this state, signed on behalf of the authority with the manual or facsimile signature of the chairman or vice chairman, attested by the manual or facsimile signature of the secretary, have impressed or imprinted thereon the seal of the authority or a facsimile of it, and the coupons attached shall be signed with the facsimile signature of the chairman or vice chairman, be payable as to interest at rates and at times as the authority determines, be payable as to principal at times over a period not to exceed fifty years from the date of issuance, at places, and with reserved rights of prior redemption, as the authority prescribes, be sold at prices, at public or private sale, and in a manner as the authority prescribes, and the authority may pay all expenses, premiums and commissions which it deems necessary or advantageous in connection with the issuance and sale, and be issued under and subject to the terms, conditions and covenants providing for the payment of the principal, redemption premiums, if any, interest and other terms, conditions, covenants and protective provisions safeguarding payment, not inconsistent with this chapter, as are found to be necessary by the authority for the most advantageous sale, which may include, but are not limited to, covenants with the holders of the bonds as to:

(1) Pledging or creating a lien, to the extent provided by the resolution, on moneys or property of the authority or moneys held in trust or otherwise by others to secure the payment of the bonds.

(2) Providing for the custody, collection, securing, investment and payment of any moneys of or due to the authority.

(3) The setting aside of reserves or sinking funds and the regulation or disposition of them.

(4) Limitations on the purpose to which the proceeds of sale of an issue of bonds then or thereafter to be issued may be applied.

(5) Limitations on the issuance of additional bonds and on the refunding of outstanding or other bonds.

(7) The creation of special funds into which moneys of the authority may be deposited.

(8) Vesting in a trustee properties, rights, powers and duties in trust as the authority determines, which may include the rights, powers and duties of the trustee appointed for the holders of any issue of bonds pursuant to section 220.28, in which event the provisions of that section authorizing appointment of a trustee by the holders of bonds shall not apply, or limiting or abrogating the right of the holders of bonds to appoint a trustee under that section, or limiting the rights, duties and powers of the trustee.

(9) Defining the acts or omissions which constitute a default in the obligations and duties of the authority and providing for the rights and remedies of the holders of bonds in the event of a default. However, rights and remedies shall be consistent with the laws of this state and other provisions of this chapter.

(10) Any other matters which affect the security and protection of the bonds and the rights of the holders.

5. The authority may issue its bonds for the purpose of refunding any bonds or notes of the authority then outstanding, including the payment of any redemption premiums thereon and any interest accrued or to accrue to the date of redemption of the outstanding bonds or notes. Until the proceeds of bonds issued for the purpose of refunding outstanding bonds or notes are applied to the purchase or retirement of outstanding bonds or notes or the redemption of outstanding bonds or notes, the proceeds may be placed in escrow and be invested and reinvested in accordance with the provisions of this chapter. The interest, income and profits earned or realized on an investment may also be applied to the payment of the outstanding bonds or notes to be refunded by purchase, retirement or redemption. After the terms of the escrow have been fully satisfied and carried out, any balance of proceeds and interest earned or realized on the investments may be returned to the authority for use by it in any lawful manner. All refunding bonds shall be issued and secured and subject to the provisions of this chapter in the same manner and to the same extent as other bonds issued pursuant to this chapter.

6. The authority may issue negotiable bond anticipation notes and may renew them from time to time but the maximum maturity of the notes, including renewals, shall not exceed ten years from the date of iss

Notes are payable from any available moneys of the authority not otherwise pledged, or from the proceeds of the sale of bonds of the authority in anticipation of which the notes were issued. Notes may be issued for any corporate purpose of the authority. Notes shall be issued in the same manner as bonds, and notes and the resolution authorizing them may contain any provisions, conditions or limitations, not inconsistent with the provisions of this subsection, which the bonds or a bond resolution of the authority may contain. Notes may be sold at public or private sale. In case of default on its notes or violation of any obligations of the authority to the noteholders, the noteholders shall have all the remedies provided in this chapter for bondholders. Notes shall be as fully negotiable as bonds of the authority.

7. A copy of each pledge agreement by or to the authority, including without limitation each bond resolution, indenture of trust or similar agreement, or any revisions or supplements to it shall be filed with the secretary of state and no further filing or other action under sections 554.9101 to 554.9507, article 9 of the uniform commercial code, or any other law of the state shall be required to perfect the security interest in the collateral or any additions to it or substitutions for it, and the lien and trust so created shall be binding from and after the time made against all parties having claims of any kind in tort, contract, or otherwise against the pledgor.

8. Neither the members of the authority nor any person executing its bonds, notes or other obligations shall be liable personally on the bonds, notes, or other obligations or be subject to any personal liability or accountability by reason of the issuance of the authority's bonds or notes.

9. The authority may make or participate in the making of loans to housing sponsors to provide interim construction financing for the construction or rehabilitation of adequate housing for low or moderate income persons or families, elderly persons or families, and persons or families which include one or more persons who are handicapped or disabled, and of noninstitutional residential care facilities. An interim construction loan may be made under this section if, upon the issuance of the authority's bonds or notes, to the extent provided in the resolutions or indenture of trust or similar agreement, the amount in the bond reserve fund will be less than the bond reserve fund requirement for the fund. For the purposes of this section, the term "bond reserve fund requirement" means, as of any particular date of computation, an amount of money, as provided in the resolutions of the authority authorizing the bonds with respect to which the fund is established, equal to not more than ten percent of the outstanding principal amount of bonds of the authority secured in whole or in part by the fund.

4. To assure the continued operation and solvency of the authority for the carrying out of its corporate purposes, provision is made in subsection 1 for the accumulation in each bond reserve fund of an amount equal to the bond reserve fund requirement for the fund. In order further to assure maintenance of the bond reserve funds, the chairman of the authority shall, on or before July first of each calendar year, make and deliver to the governor his certificate stating the sum, if any, required to restore each bond reserve fund to the bond reserve fund requirement for that fund. Within thirty days after the beginning of the session of the general assembly next following the delivery of the certificate, the governor may submit to both houses printed copies of a budget including the sum, if any, required to restore each bond reserve fund to the bond reserve fund requirement for that fund. Any sums appropriated by the general assembly and paid to the authority pursuant to this section shall be deposited by the authority in the applicable bond reserve fund.

5. All amounts paid over to the authority by the state pursuant to the provisions of this section shall...
constitute and be accounted for as advances by the state to the authority and, subject to the rights of the holders of any bonds or notes of the authority theretofore or thereafter issued, shall be repaid to the state without interest from all available operating revenues of the authority in excess of amounts required for the payment of bonds, notes or obligations of the authority, the bond reserve fund and operating expenses.

6. The authority shall cause to be delivered to the legislative fiscal committee within ninety days of the close of its fiscal year its annual report certified by an independent certified public accountant (who may be the accountant or a member of the firm of accountants who regularly audits the books and accounts of the authority) selected by the authority. In the event that the principal amount of any bonds or notes deposited in a bond reserve fund is withdrawn for payment of principal or interest thereby reducing the amount of that fund to less than the bond reserve fund requirement, the authority shall immediately notify the general assembly of this event and shall thereafter take steps to restore such bond reserve to the bond reserve fund requirement for that fund from any amounts available, other than principal of a bond issue, which are not pledged to the payment of other bonds or notes. [C77, 79, §220.27]

The member or employee having the interest shall not participate in action by the authority with respect to that contract or mortgage lender.

After determining the legal settlement of such person as provided by this chapter, the board of supervisors shall, on forms prescribed by the state director, apply to the superintendent of the hospital-school in the district for the admission of such person to the hospital-school. An application for admission to a special unit of any person believed to be in need of any of the services provided by the special unit under section 222.88 may be made in the same manner, upon request of the parent, guardian, or other person responsible for the handicapped person. The superintendent shall accept the application providing a pre-admission diagnostic evaluation confirms or establishes the need for admission, except that no application may be accepted if the institution does not have adequate facilities available or if the acceptance will result in an overcrowded condition.

If the hospital-school has no appropriate program for the treatment of such persons, the board of supervisors shall arrange for the placement of the persons in any public or private facility within or without the state, approved by the commissioner of the department of social services, which offers appropriate services for such persons.

Upon applying for admission of a person to a hospital-school, or a special unit, the board of supervisors shall make a full investigation into the financial circumstances of that person and those liable for his or her support under section 222.78, to determine whether or not any of them are able to pay the expenses arising out of the admission of the person to a hospital-school or special treatment unit. If the board finds that the person or those legally responsible for him or her are presently unable to pay such expenses, they shall direct that the expenses be paid by the county. The board may review its finding at any subsequent time while the person remains at the hospital-school, or is otherwise receiving care or treatment for which this chapter obligates the county to pay. If the board finds upon review that that person or those legally responsible for him or her are presently able to pay such expenses, that finding shall apply only to the charges so incurred during the period beginning on the date of the review and continuing thereafter, unless and until the board again changes its finding. If the board finds that the person or those legally responsible for him or her are able to pay the expenses, they shall direct that the charges be so paid to the extent
required by section 222.78, and the county auditor shall be responsible for the collection thereof. [C24, 27, 31, 35, 39, §3464, 3477.2; C46, 50, 54, 58, 62, §222.54, 222.13; C66, 71, 73, 75, 77, 79, §222.18]

Until such time as the patient is able to be received by the institution, or when application has been made for admission to a public or private facility as provided in section 222.13 and the application is pending, the care of said person shall be provided as arranged by the county board of supervisors. [C24, 27, 31, 35, 39, §3433; C46, 50, 54, 58, 62, §222.23; C66, 71, 73, 75, 77, 79, §222.14]

The court may, upon request of the board of supervisors, review its finding at any subsequent time while the person remains at the hospital-school, or is otherwise receiving care or treatment for which this chapter obligates the county to pay. 222.59 Superintendent may return patient.
1. The superintendent of a hospital-school or a special unit may, on application of the parent or guardian, return a patient to the parent or guardian. The superintendent in co-operation with other social agencies under the supervision of the Iowa department of social services may arrange for the patient to be placed at an appropriate health care facility licensed under chapter 135C or at some other appropriate facility, which may include a foster home or group home, either under an arrangement which involves full-time responsibility for the patient by such facility, or as part of an arrangement under which the patient is to participate in one or more educational, developmental or employment programs conducted by other responsible persons, agencies or facilities. Such return or placement may be made at any time, even though the patient was committed by a court, upon recommendation of the professional staff of the hospital-school or special unit that the patient is unlikely to benefit from further treatment, training, instruction, or care at the institution or is likely to improve his life status in an alternate facility.

2. In planning for the placement of a patient outside the hospital-school or special unit, it shall be the superintendent's responsibility to arrange for representation of the patient's interest by the patient's parent or legal guardian. If the patient has no living parent and no legal guardian other than the department or one of its officers or employees, the superintendent shall request some person who has demonstrated by prior activities an informed concern for the welfare and habilitation of the mentally retarded, and who is not an officer or employee of the department nor of any agency or facility which is a party to the arrangement for placement of the patient, to act as the patient's advocate. The superintendent may request some such person to serve as advocate for a patient who has no legal guardian if either or both of the patient's parents are living but are deemed unlikely to or have shown themselves unable to represent the patient's interest effectively due to physical or mental infirmity, residence outside the state at such a distance as to make their effective participation unfeasible, or lack of interest demonstrated by refusal to participate in planning for the patient's placement or by failure to respond within thirty days to a letter sent by restricted certified mail to the last known address of the parent or parents.

3. Each proposed placement shall be reported to the state director, who may approve, modify, alter, or rescind the action if deemed necessary. In so doing, the superintendent of the hospital-school or special unit involved shall certify in writing to the state director that there has been compliance with subsection 2 and that the patient's parent, guardian or advocate is or is not satisfied with the proposed placement, as the case may be. In the latter case, the state director shall afford the parent, guardian or advocate an opportunity to explain objections to the proposed placement and, if he decides to approve the proposed placement despite such objection, shall advise the parent, guardian or advocate of his right to appeal the decision pursuant to subsection 4.

4. If a proposed placement of a patient from a hospital-school or special unit which is not satisfactory to the patient's parent, guardian or advocate is approved by the state director; or a proposed placement which is satisfactory to the patient's parent, guardian or advocate is modified, altered or rescinded by the state director, the parent, guardian or advocate may appeal to the department of social services, within thirty days after notification to the parent, guardian or advocate of the proposed placement. The department shall give the appellant reasonable notice and opportunity for a fair hearing, conducted by the commissioner or his designee who shall act as an impartial arbiter of fact and law. In such hearing the parent, guardian or advocate shall have the opportunity to confront witnesses, to have access to hospital records, to present evidence and witnesses on their behalf and to be represented by counsel. The standard for such fair hearing shall be to provide "that

placement which inures to the best interest of the patient.’" Judicial review of actions of the department may be sought in accordance with the terms of the Iowa administrative procedure Act. The department shall furnish the petitioner with a copy of any papers filed by him in support of his position, a transcript of any testimony taken, and a copy of the department’s decision. In the district court hearings, the parent, guardian or advocate has the right to be represented by counsel. The court shall, in all cases where the interests of the patient conflict with that of parent, guardian or advocate, appoint counsel as guardian ad litem for the patient. Notwithstanding the terms of the Iowa administrative procedure Act, where a petition is filed for judicial review of a proposed placement, the proposed placement shall be stayed pending the outcome of said review proceeding.

5. Placement of a patient outside of a hospital-school or special unit under this section shall not relieve the Iowa department of social services of continuing responsibility for the welfare of the patient, except in cases of discharge under section 222.15 or 222.43. Unless such a discharge has occurred, the department shall provide for review of each placement arrangement made under this section at least once each year, or not more often than once each six months upon the written request of the patient’s parent, guardian or advocate, with a view to ascertaining whether such arrangements continue to satisfactorily meet the patient’s current needs.

6. The proposed return or placement of a patient outside a hospital-school or special unit shall be reported to the board of supervisors of the patient’s county of legal settlement. The county board may not change a placement or program arranged and approved under this section if state funds are being made available to the county which the county may by law use to pay a portion of the cost of care of the patient so placed, however the board may at any time propose an alternative placement or program to the state director. No such alternative placement or program shall be carried out without the prior written approval of the state director, which shall be granted only after evaluation in the same manner as provided by this section for initial placements from a hospital-school or special unit.

7. When a patient committed by a court is to be returned to the parent or guardian, or placed out from a hospital-school or a special unit as otherwise provided in this section, notice shall be sent to the clerk of the court which committed the patient, and to the board of supervisors of both the patient’s county of legal settlement and the county to which the patient is to be released, thirty days prior to the time the patient leaves the hospital-school or special unit. [C97, §2698; C24, 27, 31, 35, 39, §3405, 3446; C46, §221.4; C46, 50, 54, 58, 62, §222.36, 223.19; C66, 71, 73, 75, 77, 79, §222.59]

222.60 Costs paid by county or state. All necessary and legal expenses for the cost of admission or commitment or for the treatment, training, instruction, care, habilitation, support and transportation of patients in a state hospital-school for the mentally retarded, or in a special unit, or any public or private facility within or without the state, approved by the commissioner of the department of social services, shall be paid by either:

1. The county in which such person has legal settlement as defined in section 252.16.

2. The state when such person has no legal settlement or when such settlement is unknown. [C39, §3477.3, 3477.4, 3477.7; C46, 50, 54, 58, 62, §223.14, 223.15, 223.18; C66, 71, 73, 75, 77, 79, §222.60]

222.61 Legal settlement determined. When the board of supervisors of any county receives an application on behalf of any person for admission to a hospital-school or a special unit or when any court issues an order committing any person to a hospital-school or a special unit, the board of supervisors or the court shall determine and enter as a matter of record whether the legal settlement of the person is:

1. In the county in which the board of supervisors or court is located.

2. In some other county of the state.

3. In another state or in a foreign country.

4. Unknown. [C66, 71, 73, 75, 77, 79, §222.61]

222.62 Settlement in another county. Whenever the board of supervisors or the court determines that the legal settlement of the person is other than in the county in which the board or court is located, the board or court shall, as soon as determination is made, certify such finding to the superintendent of the hospital-school or the special unit where the person is a patient. The superintendent shall charge the expenses already incurred and unadjusted, and all future expenses of the patient, to the county so certified until said legal settlement shall be otherwise determined as provided by this chapter. [C66, 71, 73, 75, 77, 79, §222.62]

222.63 Finding of settlement—objection. Said finding of legal settlement shall also be certified by the board of supervisors or the court to the county auditor of the county of legal settlement. Such auditor shall lay such notification before the board of supervisors of his county whereupon it shall be conclusively presumed that the patient has a legal settlement in said county unless the county shall, within six months, in writing filed with the board of supervisors or the court giving such notice, dispute said legal settlement. [C66, 71, 73, 75, 77, 79, §222.63]

222.64 Foreign state or unknown. If the legal settlement of the person is found by the board of supervisors or the court to be in a foreign state or country or is found to be unknown, the board of supervisors or the court shall immediately notify the state director of such finding and shall furnish the state director with a copy of the evidence taken on the question of legal settlement. The care of said person shall be as arranged by the board of supervisors or by such order as the court may enter. Application for admission or order of commitment may be made pending investigation by the state director. [C66, 71, 73, 75, 77, 79, §222.64]

222.65 Investigation. The state director shall immediately investigate the legal settlement of the person and proceed as follows:
1. If the state director finds that the decision of the board of supervisors or the court as to legal settlement of the person is correct, the state director shall cause the person either to be transferred to a hospital-school or a special unit and there maintained at the expense of the state or to be transferred to the place of foreign settlement.

2. If the state director finds that the decision of the board of supervisors or the court is not correct, the state director shall order the person transferred to a state hospital-school or a special unit and there maintained at the expense of the county of legal settlement in this state. [C66, 71, 73, 75, 77, 79, §222.65]

222.66 Transfers—expenses. The transfer to a hospital-school or a special unit or to the place of legal settlement of a mentally retarded person who has no legal settlement in this state or whose legal settlement is unknown, shall be made in accordance with such directions as shall be prescribed by the state director and when practicable by employees of the state hospital-school or the special unit. The actual and necessary expenses of such transfers shall be paid on itemized vouchers sworn to by the claimants and approved by the state director from any funds in the state treasury not otherwise appropriated. [C66, 71, 73, 75, 77, 79, §222.66]

222.67 Charge on finding of settlement. Where a person has been received into a hospital-school or a special unit as a patient whose legal settlement is supposedly outside the state or is unknown and the state director finds that the legal settlement of the patient was at the time of admission or commitment in a county of this state, the state director shall charge all legal costs and expenses pertaining to the admission or commitment and support of the patient to the county of such legal settlement. The costs and expenses shall be collected as provided by law in other cases. [C66, 71, 73, 75, 77, 79, §222.67]

222.68 Costs paid in first instance. All necessary and legal expenses for the cost of admission or commitment of a person to a hospital-school or a special unit when the person’s legal settlement is found to be in another county of this state shall in the first instance be paid by the county from which the person was admitted or committed. The county of legal settlement shall reimburse the county so paying for all such expenses. Where any county fails to make such reimbursement within sixty days following submission of a properly itemized bill to the county of legal settlement, a penalty of not greater than one percent per month on and after sixty days from submission of the bill may be added to the amount due. [C24, 27, 31, 35, 39, §3451; C46, 50, 54, 58, 62, §222.41; C66, 71, 73, 75, 77, 79, §222.68]

222.70 Dispute between counties. When a dispute arises between counties or between the state director and a county as to the legal settlement of a person committed to a hospital-school or a special unit, the attorney general at the request of the state director shall without advancement of fees cause an action to be brought in the district court of any county where such dispute exists. The action shall be brought to determine such legal settlement, except that such action shall in no case be filed in a county in which the district court or a judge thereof originally made the disputed finding. Said action may be brought at any time when it appears that the dispute cannot be amicably settled. All counties which may be the county of such legal settlement, so far as known, shall be made defendants and the allegation of settlement may be in the alternative. Said action shall be tried as in equity. [C66, 71, 73, 75, 77, 79, §222.70]

222.71 Finding by court. The court shall determine whether the legal settlement of said mentally retarded person at the time of admission or commitment was in one of the defendant counties. If the court so finds, judgment shall be entered against the county of such settlement in favor of any other county for all necessary and legal expenses arising from said admission or commitment and paid by said other county. If any such costs have not been paid, judgment shall be rendered against the county of settlement in favor of the parties, including the state, to whom said costs or expenses may be due. [C66, 71, 73, 75, 77, 79, §222.71]

The superintendent of each hospital-school and special unit shall certify to the state comptroller on a schedule approved by the comptroller any amount not previously certified by the superintendent due the state for the expenses of patients in each hospital-school and special unit from the several counties responsible under section 222.60. The comptroller shall thereupon charge the amounts so certified to the proper counties. The amount certified by the superintendent to the comptroller to be charged against each county shall be the per-patient-per-day cost of the hospital-school or special unit, as the case may be, multiplied by the number of days each patient for which such county is liable to the state was carried on the rolls of the hospital-school or special unit as an inpatient, plus the amount due for the treatment of outpatients for which such county is liable to the state during the period for which expenses are being
§222.73, MENTALLY RETARDED PERSONS

The per-patient-per-day cost shall be determined by listing the number of days each inpatient was actually in the hospital-school or special unit during the period for which expenses are being certified and dividing the total of all such days into one hundred percent of the portion of the appropriations for the hospital-school or special unit expended during such period, unless otherwise specified in the biennial appropriations for support of such institutions. The amount charged for the treatment of outpatients shall be at a rate to be established by the state director on the basis of the actual cost of such treatment.

After computing the charge to the county on behalf of each patient, the hospital-school shall reduce the charge by the amount of any money which has been received for that patient's care from any source other than state appropriated funds and has not previously been credited against charges made to the patient's county of legal settlement. [SS15, §2727-a; C24, 27, 31, 35, 39, §3469; C46, 50, 54, 58, 62, §223.5; C66, 71, 73, 75, 77, 79, §222.73]

Referred to in §222.74

222.74 Duplicate to county. When certifying to the comptroller amounts to be charged against each county as provided in section 222.73, the superintendent shall send to the county auditor of each county against which he has so certified any amount, a duplicate of such certificate. The county auditor upon receipt of the duplicate certificate shall enter the same to the credit of the state in his ledger of state accounts, and shall immediately issue a notice to the county treasurer authorizing the treasurer to transfer the amount from the county mental health and institutions fund to the general state revenue. The treasurer shall file such notice as his authority for making such transfer and shall include the amount so transferred in his next remittance of state taxes to the treasurer of state, designating the fund to which the amount belongs. If the patient has no county of legal settlement, the cost shall be paid from the support fund of the hospital-school or special unit and charged on abstract in the same manner as other state inpatients until such time as the patient becomes self-supporting or qualifies for support under other existing statutes. [C66, 71, 73, 75, 77, 79, §222.77]

Such person and those legally bound for the support of the person shall be liable to the county for all sums advanced by the county to the state under the provisions of sections 222.60 and 222.77. The liability of any person, other than the patient, who is legally bound for the support of any patient under eighteen years of age in a hospital-school or a special unit shall in no instance exceed the average minimum cost of the care of a normally intelligent, nonhandicapped minor of the same age and sex as such minor patient. The state director shall establish the scale for this purpose but the scale shall not exceed the standards for personal allowances established by the state division under the aid to dependent children program. Provided further that the father or mother of such person shall not be liable for the support of such person after such person attains the age of eighteen years and that the father or mother shall incur liability only during any period when the father or mother either individually or jointly receive a net income from whatever source, commensurate with that upon which they would be liable to make an income tax payment to this state. Nothing in this section shall be construed to prevent a relative or other person from voluntarily paying the full actual cost as established by the state director for caring for such mentally retarded person. [C39, §3477.5; C46, 50, 54, 58, 62, §223.16, 223.20; C66, 71, 73, 75, 77, 79, §222.78]

Any collections and liens shall be limited in conformance to section 614.1, subsection 4. [C89, §3477.6; C46, 50, 54, 58, 62, §222.17; C66, 71, 73, 75, 77, 79, §222.82]

[C66, 71, 73, 75, 77, 79, §222.84]

Funds belonging to a patient deposited in the patients' personal deposit fund may be used for the purchase of personal incidentals, desires, and comforts for the patient.

Money paid to a hospital-school from any source other than state appropriated funds and intended to pay all or a portion of the cost of care of a patient, which cost would otherwise be paid from state or county funds or from the patient's own funds, shall not be deemed money belonging to the patient for the purposes of this section. [C71, 73, 75, 77, 79, §222.91]
§222.92 Revolving fund.  
1 There is created a revolving fund within the state treasury to be known as the “hospital-schools revolving fund” which shall be used and administered as provided in this section. The hospital-schools revolving fund shall be used for capital projects at the Glenwood and Woodward hospital-schools, which capital projects will bring the hospital-schools into compliance with federal and state standards relating to physical facilities in order to have approved mental retardation-intermediate care facilities as authorized under title XIX of the United States Social Security Act.  
2 The hospital-schools revolving fund shall be composed of moneys appropriated by the general assembly for capital expenditures at the hospital-schools and moneys which become available to the hospital-schools from the federal government pursuant to title XIX of the United States Social Security Act. 225B.1 Objective. The objective of sections 225B.2 to 225B.8 is to continue and to strengthen the mental health services now available in the state of Iowa, to make these services uniformly and conveniently available to all residents of this state, and to assure the continued high quality of these services. The purpose of sections 225B.2 to 225B.8 is to begin efforts to achieve that objective. It is the intent of 225B.2 to 225B.8 that more detailed proposals for the achievement of that objective shall be formulated and delivered to the first session of the Sixty-eighth General Assembly. [C79, §225B.1]

225B.2 Implementation.
1. A unified state mental health agency having broad responsibility both to plan, co-ordinate and review the delivery of mental health services in this state, and to directly deliver certain mental health services, shall be established effective July 1, 1980. The title, administrative structure, and specific powers and duties of the unified state mental health agency shall be as prescribed by the 1980 Session of the Sixty-eighth General Assembly.
2. If the governor determines that it would not be in the best interest of the state for subsection 1 of this section to be implemented on July 1, 1980, or if legislation prescribing the title, administrative structure, and specific powers and duties of the unified state mental health agency has not been approved prior to that date, the governor may by executive order delay the implementation of that subsection to a date not later than July 1, 1981. [C66, 71, 73, 75, 77, §225B.7; C79, §225B.2; 68GA, ch 54, §1]

225B.3 Advisory council.
1. There is established a state mental health advisory council consisting of eleven members appointed to three-year staggered terms by the governor, subject to senate confirmation. Successors to the initial appointees shall each serve a term beginning and ending as provided by section 69.19. Vacancies shall be filled by the appropriate appointing authority for the balance of the unexpired term. Members of the advisory council who are not state employees are entitled to forty dollars per diem for each day devoted to the duties of their office, and all members are entitled to reimbursement for actual and necessary expenses incurred in attending meetings of the advisory council or in otherwise discharging their duties. The governor shall make appointments to the advisory council so that, if possible, the composition of the council will comply with the pertinent requirements of Pub. L. No. 94-63.
2. The council shall:
   a. As soon as possible after July 1 of each year, organize by selection of a chairperson and a vice chairperson from among its members.
   b. Meet at least four times a year, and may meet more often, upon the call of the chairperson or the written request of any five members.
   c. Advise the responsible officials and agencies of this state on establishment and implementation of policies and programs in furtherance of the objectives stated in section 225B.1.
   d. Exercise all functions and have all responsibilities of the state mental health advisory council under United States Public Law (P.L. 94-63), unless any such function or responsibility is assigned elsewhere by, or would be contrary to, the laws of this state.
   e. Beginning upon the date on which the transfer of duties, functions and programs required by section 225B.2, subsection 1 takes effect, and continuing until otherwise provided by law, exercise any functions assigned by law to the committee on mental hygiene established by section 225B.2, Code 1977.
3. The council, with the advice and assistance of the director of the department of mental health resources and the director of the Iowa mental health authority, shall expeditiously prepare and promulgate administrative rules governing the kind and quality of services which must be offered by an alternative diagnostic facility in performing preliminary diagnostic evaluations under arrangements concluded pursuant to section 225B.7. The objective of these rules shall be to make such evaluations at least equivalent to those performed by community mental health centers in terms of both professional quality and orientation to the best interests of the person being evaluated and of the county.
4. The council shall consider, and may make recommendations regarding, the most desirable form of
permanent organization for the unified state mental health agency, referred to in section 225B.2, subsection 1. [C79,$225B.3; 68GA, ch 1010,§45]

Confirmation, §232

225B.4 Preliminary diagnostic evaluation. It is the policy of this state that, to the greatest extent feasible, a person shall be admitted to a state mental health institute as an inpatient only after a preliminary diagnostic evaluation by a community mental health center has confirmed that the admission is appropriate to that person's needs, and that no suitable alternative method of providing the services needed by that person in a less restrictive setting, or in or nearer to the person's home community, is currently available. The policy established by this section shall be implemented in the manner and to the extent prescribed by sections 225B.5, 225B.6 and 225B.7. [C79,$225B.4]

Referred to in §225B 1, 225B 5, 225B 6, 225B 7

225B.5 Resolution by board of supervisors. The board of supervisors of any county may by resolution require that the policy stated by section 225B.4 be followed with respect to admission of persons from that county to any state mental health institute. Upon adoption of such a resolution by the board of supervisors of a county which is supporting a community mental health center, directly or in affiliation with other counties, it shall be presumed to be a part of that center's responsibilities to perform the preliminary diagnostic evaluations required by that county in order to implement the policy stated by section 225B.4. However, if performance of such evaluations is not covered by the agreement entered into by the county and the center under section 230A.12, and the center's director certifies to the county board of supervisors that the center does not have the capacity to perform the needed evaluations, the board of supervisors may proceed as provided by section 225B.7. [C79,$225B.5]

Referred to in §225B 1, 225B 4, 225B 6

225B.6 Procedure after authorization. When the board of supervisors of any county has adopted a resolution as authorized by section 225B.5:

1. The chief medical officer of a state mental health institute, or that officer's physician designee, shall advise any person residing in that county who applies for voluntary admission, or any person applying for the voluntary admission of another person who resides in that county, in accordance with section 229.41 that the board of supervisors has acted to implement the policy stated by section 225B.4, and shall advise that a preliminary diagnostic evaluation of the proposed patient be sought from the appropriate community mental health center or alternative diagnostic facility, if that has not already been done. This subsection shall not apply when voluntary admission is sought in accordance with section 229.41 under circumstances which, in the opinion of the chief medical officer or that officer's physician designee, constitute a medical emergency within the meaning of section 229.2, subsection 2, paragraph "a".

2. The clerk of the district court in that county shall refer any person applying for authorization for voluntary admission, or for authorization for voluntary admission of another person, in accordance with section 229.42 to the appropriate community mental health center or alternative diagnostic facility for preliminary diagnostic evaluation unless the applicant furnishes a written statement from that center or facility that such an evaluation has been performed and indicates that the person's admission to a state mental health institute is appropriate. This subsection shall not apply when authorization for voluntary admission is sought under circumstances which, in the opinion of the mental health institute's chief medical officer or that officer's physician designee, constitute a medical emergency within the meaning of section 229.2, subsection 2, paragraph "a".

3. Judges of the district court in that county, or the judicial hospitalization referee appointed for that county, as the case may be, shall so far as possible arrange for a physician on the staff of or designated by the appropriate community mental health center or alternative diagnostic facility to perform each prehearing examination of a respondent required under section 229.8, subsection 3, paragraph "b".

4. The chief medical officer of a state mental health institute shall promptly submit to the appropriate community mental health center or alternative diagnostic facility a report of each voluntary admission of a patient under the medical emergency clauses of subsections 1 and 2. The report shall explain the nature of the emergency which necessitated the admission of the patient without a preliminary diagnostic evaluation by the center or alternative facility.

5. When the proposed admission of a person to a state mental health institute, on either a voluntary or an involuntary basis, is primarily for treatment of alcoholism or drug abuse, each reference to a community mental health center or alternative diagnostic facility in subsections 1 to 4 may be deemed a reference to a facility as defined in section 125.2, subsection 2. However, this subsection shall not be construed so as to contravene the last sentence of section 125.19, subsection 1. [C79,$225B.6]

Referred to in §225B 1, 225B 4

225B.7 Alternate diagnostic facility. If the board of supervisors of a county desires to implement the policy stated by section 225B.4, but the county is not served by a community mental health center having the capacity to perform the required preliminary diagnostic evaluations, the board may arrange for such evaluations to be performed by an alternative diagnostic facility. An alternative diagnostic facility may be the outpatient service of a state mental health institute or any other mental health facility or service able to furnish the requisite professional skills to properly perform preliminary diagnostic evaluation of a person whose admission to a state mental health institute is being sought or considered on either a voluntary or an involuntary basis. [C79,$225B.7]

Referred to in §225B 1, 225B 3, 225B 4, 225B 5

225B.8 Repeals. Chapter 225B and sections 217.10, 217.11 and 217.12, Code 1977, are repealed effective July 1, 1980. However, if the implementation of subsection 1 of section 225B.2 is delayed pursuant
to subsection 2 of that section, the division of mental health resources of the department of social services and the Iowa mental health authority shall continue to be governed by the provisions of the statutes repealed by this section as if they were in full force and effect, until subsection 1 of section 225B 2 is implemented. On that date, in the absence of any prior legislative action to the contrary, the powers and duties assigned the Iowa mental health authority by chapter 225B, Code 1977, and by any other statutes referring to that division of the department of social services, shall all be transferred to and imposed upon the unified state mental health agency established by subsection 1 of section 225B 2.

229.1 Definitions. As used in this chapter, unless the context clearly requires otherwise:

1. "Mental illness" means every type of mental disease or mental disorder, except that it does not refer to mental retardation as defined in section 222.2, subsection 5.

2. "Seriously mentally impaired" or "serious mental impairment" describes the condition of a person who is afflicted with mental illness and because of that illness lacks sufficient judgment to make responsible decisions with respect to his or her hospitalization or treatment, and who:
   a. Is likely to physically injure himself or herself or others if allowed to remain at liberty without treatment; or
   b. Is likely to inflict serious emotional injury on members of his or her family or others who lack reasonable opportunity to avoid contact with the afflicted person if the afflicted person is allowed to remain at liberty without treatment.

3. "Serious emotional injury" is an injury which does not necessarily exhibit any physical characteristics, but which can be recognized and diagnosed by a licensed physician or other qualified mental health professional and which can be causally connected with the act or omission of a person who is, or is alleged to be, mentally ill.

4. "Respondent" means any person against whom an application has been filed under section 229.6, but who has not been finally ordered committed for full-time custody, care and treatment in a hospital.

229.2 Application for voluntary admission—authority to receive voluntary patients.

1. An application for admission to a public or private hospital for observation, diagnosis, care and treatment as a voluntary patient may be made by any person who is mentally ill or has symptoms of mental illness. In the case of a minor, the parent, guardian or custodian may make application for admission of the minor as a voluntary patient. Upon receipt of an application for voluntary admission of a minor, the chief medical officer shall provide separate prescreening interviews and consultations with the parent, guardian or custodian and the minor to assess the family environment and the appropriateness of the application for admission. If the chief medical officer of the hospital to which application is made determines that the admission is appropriate but the minor objects to the admission, the parent, guardian or custodian must petition the juvenile court for approval of the admission before the minor is actually admitted. The juvenile court shall determine whether the admission is in the best interest of the minor and is consistent with his or her rights.

2. Upon receiving an application for admission as a voluntary patient, made pursuant to subsection 1:
a. The chief medical officer of a public hospital shall receive and may admit the person whose admission is sought, subject in cases other than medical emergencies to availability of suitable accommodations and to the provisions of sections 229.41 and 229.42.

Referred to in §222.55, 222.7, 222.55, 226, 227.10, 227.15, 229.19, 229.21, 229.22, 229.24, 229.26, 229.38, R H M I 3B, Form 3

229.3 Discharge of voluntary patients. Any voluntary patient who has recovered, or whose hospitalization the chief medical officer of the hospital determines is no longer advisable, shall be discharged. Any voluntary patient may be discharged if to do so would in the judgment of the chief medical officer contribute to the most effective use of the hospital in the care and treatment of that patient and of other mentally ill persons. [C77, 79, §229.3]

Referred to in §222.55, 222.7, 222.55, 229.4

229.4 Right to release on application. A voluntary patient who requests his or her release or whose release is requested, in writing, by his or her legal guardian, parent, spouse or adult next-of-kin shall be released from the hospital forthwith, except that:

1. If the patient was admitted on his or her own application and the request for release is made by some other person, release may be conditioned upon the agreement of the patient.

2. If the patient is a minor who was admitted on his or her parent, guardian or custodian pursuant to section 229.2, subsection 1, his or her release prior to becoming eighteen years of age may be conditioned upon the consent of the parent, guardian or custodian, or upon the approval of the juvenile court if the admission was approved by the juvenile court; and

3. If the chief medical officer of the hospital, not later than the end of the next secular day on which the office of the clerk of the district court for the county in which the hospital is located is open and which follows the submission of the written request for release of the patient, files with that clerk a certification that in the chief medical officer's opinion the patient is seriously mentally impaired, the release may be postponed for the period of time the court determines is necessary to permit commencement of judicial procedure for involuntary hospitalization. That period of time may not exceed five days, exclusive of days on which the clerk's office is not open unless the period of time is extended by order of a district court judge for good cause shown. Until disposition of the application for involuntary hospitalization of the patient, if one is timely filed, the chief medical officer may detain the patient in the hospital and may provide treatment which is necessary to preserve his or her life, or to appropriately control behavior by the patient which is likely to result in physical injury to himself or herself or to others if allowed to continue, but may not otherwise provide treatment to the patient without the patient's consent. [C50, 54, 58, 62, 66, 71, 73, 75, §229.41; C77, 79, §229.4; 68GA, ch 1063, §3]

229.5 Departure without notice. If a voluntary patient departs from the hospital without notice, and in the opinion of the chief medical officer the patient is seriously mentally impaired, the chief medical officer may file an application for involuntary hospitalization of the departed voluntary patient, and request that an order for immediate custody be entered by the court pursuant to section 229.11. [C77, 79, §229.5]

Referred to in §222.55

229.6 Application for order of involuntary hospitalization. Proceedings for the involuntary hospitalization of an individual may be commenced by any interested person by filing a verified application with the clerk of the district court of the county where the respondent is presently located, or which is the respondent's place of residence. The clerk, or his or her designee, shall assist the applicant in completing the application. The application shall:

1. State the applicant's belief that the respondent is seriously mentally impaired.

2. State any other pertinent facts.

3. Be accompanied by:
   a. A written statement of a licensed physician in support of the application; or
   b. One or more supporting affidavits otherwise corroborating the application; or
   c. Corroborative information obtained and reduced to writing by the clerk or his or her designee, but only when circumstances make it infeasible to comply with, or when the clerk considers it appropriate to supplement the information supplied pursuant to, either paragraph "a" or paragraph "b" of this subsection. [R60, §1480; C73, §1399; C97, §2264; C24, 27, 31, 35, 39, §3544; C46, 50, 54, 58, 62, 66, 71, 73, 75, §229.41; C77, 79, §229.6]

Upon the filing of an application for involuntary hospitalization, the clerk shall docket the case and immediately notify a district court judge who shall review the application and accompanying documentation. If the application is adequate as to form, the judge may set a time and place for a hearing on the application, if feasible, but the hearing shall not be held less than forty-eight hours after notice to the respondent unless the respondent waives such minimum prior notice requirement. The judge shall direct the clerk to send copies of the application and supporting documentation, together with a notice informing the respondent of the procedures required by this chapter, to the sheriff or his or her deputy for immediate service upon the respondent. If the respondent is taken into custody under section 229.11, service of the application, documentation and notice upon the respondent shall be made at the time he or she is taken into custody. 1. Determine whether the respondent has an attorney who is able and willing to represent him or her in the hospitalization proceeding, and if not, whether the respondent is financially able to employ an attorney and capable of meaningfully assisting in selecting one. In accordance with those determinations, the court shall if necessary allow the respondent to select, or shall assign to him or her, an attorney. If the respondent is financially unable to pay an attorney, the attorney shall be compensated in substantially the manner provided by section 815.7, except that if the county has a public defender the court may designate the public defender or an attorney on his or her staff to act as the respondent's attorney.

2. Cause copies of the application and supporting documentation to be sent to the county attorney or his or her attorney-designate for review.

3. Issue a written order which shall:
   a. If not previously done, set a time and place for a hospitalization hearing, which shall be at the earliest practicable time not less than forty-eight hours after notice to the respondent, unless the respondent waives such minimum prior notice requirement; and
   b. Order an examination of the respondent, prior to the hearing, by one or more licensed physicians who shall submit a written report on the examination to the court as required by section 229.10. If the respondent is taken into custody under section 229.11, the attorney shall also be advised of that fact. §229.10 Physicians' examination—report.

1. An examination of the respondent shall be conducted by one or more licensed physicians, as required by the court's order, within a reasonable time. If the respondent is detained pursuant to section 229.11, subsection 2, the examination shall be conducted within twenty-four hours. If the respondent is detained pursuant to section 229.11, subsection 1 or 3, the examination shall be conducted within forty-eight hours. If the respondent so desires, he or she shall be entitled to a separate examination by a licensed physician of his or her own choice. The reasonable cost of such separate examination shall, if the respondent lacks sufficient funds to pay the cost, be paid from county funds upon order of the court.

Any licensed physician conducting an examination pursuant to this section may consult with or request the participation in the examination of any qualified mental health professional, and may include with or attach to the written report of the examination any findings or observations by any qualified mental health professional who has been so consulted or has so participated in the examination.

If the respondent is not taken into custody under section 229.11, but the court is subsequently informed that the respondent has declined to be examined by the licensed physician or physicians pursuant to the court order, the court may order such limited detention of the respondent as is necessary to facilitate the examination of the respondent by the licensed physician or physicians.

2. A written report of the examination by the court-designated physician or physicians shall be filed with the clerk prior to the time set for hearing. A written report of any examination by a physician chosen by the respondent may be similarly filed. The clerk shall immediately:
   a. Cause the report or reports to be shown to the judge who issued the order; and
   b. Cause the respondent's attorney to receive a copy of the report of the court-designated physician or physicians.

3. If the report of the court-designated physician or physicians is to the effect that the individual is not seriously mentally impaired, the court may without taking further action terminate the proceeding and dismiss the application on its own motion and without notice.

4. If the report of the court-designated physician or physicians is to the effect that the respondent is seriously mentally impaired, the court shall schedule a hearing on the application as soon as possible. The hearing shall be held not more than forty-eight hours after the report is filed, excluding Saturdays, Sundays and holidays, unless an extension for good cause is requested by the respondent, or as soon thereafter as possible if the court considers that sufficient grounds exist for delaying the hearing. §229.11 Judge may order immediate custody. If the applicant requests that the respondent be taken into immediate custody and the judge, upon reviewing the application and accompanying documentation, finds probable cause to believe that the respondent is seriously mentally impaired and is likely to injure himself or herself or other persons if allowed to remain at liberty, the judge may enter a written order directing that the respondent be taken into immediate custody by the sheriff or his or her deputy and be detained until the hospitalization hearing, which shall be held no more than five days after the date of the order, except that if the fifth day after the date of the order is a Saturday, Sunday, or a holiday, the hearing may be held on the next succeeding business day. The judge may order the respondent detained for the period of time until the hearing is held, and no longer, in accordance with subsection 1 if possible, and if not then in accordance with subsection 2 or,
only if neither of these alternatives are available, in accordance with subsection 3. Detention may be:

1. In the custody of a relative, friend or other suitable person who is willing to accept responsibility for supervision of the respondent, and the respondent may be placed under such reasonable restrictions as the judge may order including, but not limited to, restrictions on or a prohibition of any expenditure, encumbrance or disposition of the respondent's funds or property; or

2. In a suitable hospital the chief medical officer of which shall be informed of the reasons why immediate custody has been ordered and may provide treatment which is necessary to preserve the respondent's life, or to appropriately control behavior by the respondent which is likely to result in physical injury to himself or herself or to others if allowed to continue, but may not otherwise provide treatment to the respondent without the respondent's consent; or

3. In a public or private facility in the community which is suitably equipped and staffed for the purpose, provided that detention in a jail or other facility intended for confinement of those accused or convicted of crime may not be ordered except in cases of actual emergency when no other secure facility is accessible and then only for a period of not more than twenty-four hours and under close supervision. 229.12 Hearing procedure.

1. At the hospitalization hearing, evidence in support of the contentsions made in the application shall be presented by the county attorney. During the hearing the applicant and the respondent shall be afforded an opportunity to testify and to present and cross-examine witnesses, and the court may receive the testimony of any other interested person. The respondent has the right to be present at the hearing. If the respondent exercises that right and has been medicated within twelve hours, or such longer period of time as the court may designate, prior to the beginning of the hearing or an adjourned session thereof, the judge shall be informed of that fact and of the probable effects of the medication upon convening of the hearing.

2. All persons not necessary for the conduct of the proceeding shall be excluded, except that the court may admit persons having a legitimate interest in the proceeding. Upon motion of the county attorney, the judge may exclude the respondent from the hearing during the testimony of any particular witness if the judge determines that that witness' testimony is likely to cause the respondent severe emotional trauma.

3. The respondent's welfare shall be paramount and the hearing shall be conducted in as informal a manner as may be consistent with orderly procedure, but consistent therewith the issue shall be tried as a civil matter. Such discovery as is permitted under the Iowa rules of civil procedure shall be available to the respondent. The court shall receive all relevant and material evidence which may be offered and need not be bound by the rules of evidence. There shall be a presumption in favor of the respondent, and the burden of evidence in support of the contentsions made in the application shall be upon the applicant. If upon completion of the hearing the court finds that the contention that the respondent is seriously mentally impaired has not been sustained by clear and convincing evidence, it shall deny the application and terminate the proceeding.

4. If the respondent is not taken into custody under section 229.11, but the court subsequently finds good cause to believe that the respondent is about to depart from the jurisdiction of the court, the court may order such limited detention of the respondent as is authorized by section 229.11 and is necessary to insure that the respondent will not depart from the jurisdiction of the court without the court's approval until the proceeding relative to the respondent has been concluded. [R60, §1480; C73, §1400; C97, §2265; C24, 27, 31, 35, 39, §3547 C46, 50, 54, 58, 62, 66, 71, 73, 75, §229.4; C77, 79, §229.12]

229.13 Hospitalization for evaluation. If upon completion of the hearing the court finds that the contention that the respondent is seriously mentally impaired has been sustained by clear and convincing evidence, it shall order the respondent placed in a hospital or other suitable facility as expeditiously as possible for a complete psychiatric evaluation and appropriate treatment. The court shall furnish to the hospital or facility at the time the respondent arrives there a written finding of fact setting forth the evidence on which the finding is based. The chief medical officer of the hospital or facility shall report to the court no more than fifteen days after the individual is admitted to the hospital or facility, making a recommendation for disposition of the matter. An extension of time may be granted for not to exceed seven days upon a showing of cause. A copy of the report shall be sent to the respondent's attorney, who may contest the need for an extension of time if one is requested. Extension of time shall be granted upon request unless the request is contested, in which case the court shall make such inquiry as it deems appropriate and may either order the respondent's release from the hospital or facility or grant extension of time for psychiatric evaluation. 229.14 Chief medical officer's report. The chief medical officer's report to the court on the psychiatric evaluation of the respondent shall be made not later than the expiration of the time specified in section 229.13. At least two copies of the report shall be filed with the clerk, who shall dispose of them in the manner prescribed by section 229.10, subsection 2. The report shall state one of the four following alternative findings:

1. That the respondent does not, as of the date of the report, require further treatment for serious
§229.14, HOSPITALIZATION OF MENTALLY ILL PERSONS

1. mentally impaired. If the report so states, the court shall order the respondent's immediate release from involuntary hospitalization and terminate the proceedings.

2. That the respondent is seriously mentally impaired and in need of full-time custody, care and treatment in a hospital, and is considered likely to benefit from treatment. If the report so states, the court may order the respondent's hospitalization for appropriate treatment.

3. That the respondent is seriously mentally impaired and in need of treatment, but does not require full-time hospitalization. If the report so states it shall include the chief medical officer's recommendation for treatment of the respondent on an outpatient or other appropriate basis, and the court may enter an order directing the respondent to submit to the recommended treatment. The order shall provide that if the respondent fails or refuses to submit to treatment as directed by the court's order, he or she shall be taken into custody and treated as a patient requiring full-time custody, care and treatment in a hospital until such time as the chief medical officer reports that the respondent does not require further treatment for serious mental impairment or has indicated he or she is willing to submit to treatment on another basis as ordered by the court.

4. The respondent is seriously mentally impaired and in need of full-time custody and care, but is unlikely to benefit from further treatment in a hospital. If the report so states, the chief medical officer shall recommend an alternative placement for the respondent and the court may order the respondent's transfer to the recommended placement. If the court or the respondent's attorney consider the placement inappropriate, an alternative placement may be arranged upon consultation with the chief medical officer and approval of the court.

5. When in the opinion of the chief medical officer the best interest of a patient would be served by a convalescent or limited leave or by transfer to a different hospital for continued full-time custody, care and treatment, the chief medical officer may authorize the leave or arrange and complete the transfer but shall promptly report the leave or transfer to the court. The patient's attorney or advocate may request a hearing on a transfer. Nothing in this section shall be construed to add to or restrict the authority otherwise provided by law for transfer of patients or residents among various state institutions administered by the department of social services.

6. Upon receipt of any report required or authorized by this section the court shall furnish a copy to the patient's attorney, or alternatively to the advocate appointed as required by section 229.19. The court shall examine the report and take the action therein which it deems appropriate. Should the court fail to receive any report required by this section or section 229.14 at the time the report is due, the court shall investigate the reason for the failure to report and take whatever action may be necessary in the matter.

§229.15 Periodic reports required.

1. Not more than thirty days after entry of an order for continued hospitalization of a patient under section 229.14, subsection 2, and thereafter at successive intervals of not more than sixty days continuing so long as involuntary hospitalization of the patient continues, the chief medical officer of the hospital shall report to the court which entered the order. The report shall be submitted in the manner required by section 229.14, subsection 2, shall state whether the patient's condition has improved, remains unchanged, or has deteriorated, and shall indicate if possible the further length of time the patient will be required to remain at the hospital. The chief medical officer may at any time report to the court a finding as stated in section 229.14, subsection 4, and the court shall act thereon as required by that section.

2. Not more than sixty days after the entry of a court order for treatment of a patient under section 229.14, subsection 3, and thereafter at successive intervals as ordered by the court but not to exceed ninety days so long as that court order remains in effect, the medical director of the facility treating the patient shall report to the court which entered the order. The report shall state whether the patient's condition has improved, remains unchanged, or has deteriorated, and shall indicate if possible the further length of time the patient will require treatment by the facility. If at any time the patient without good cause fails or refuses to submit to treatment as ordered by the court, the medical director shall at once notify the court, which shall order the patient hospitalized as provided by section 229.14, subsection 3, unless the court finds that the failure or refusal was with good cause and that the patient is willing to receive treatment as provided in the court's order, or in a revised order if the court sees fit to enter one. If the medical director at any time reports to the court that in his opinion the patient requires full-time custody, care and treatment in a hospital, the court may order the patient's involuntary hospitalization for appropriate treatment upon consultation with the chief medical officer of the hospital in which the patient is to be hospitalized.

3. When a patient has been placed in a facility ordered by a hospital pursuant to section 229.14, subsection 4, a report on the patient's condition and prognosis shall be made to the court which so placed the patient, at least once every six months. The report shall be submitted within fifteen days following the inspection, required by section 227.2, of the facility in which the patient has been placed.

4. When in the opinion of the chief medical officer a patient who is hospitalized under subsection 2, or is receiving treatment under subsection 3, or is in full-time care and custody under subsection 4 of section 229.14 no longer requires treatment or care for serious mental impairment, the chief medical officer shall tentatively discharge the patient and immediately report that fact to the court which ordered the patient's hospitalization or care and custody. The
court shall thereupon issue an order confirming the patient's discharge from the hospital or from care and custody, as the case may be, and shall terminate the proceedings pursuant to which the order was issued. Copies of the order shall be sent by certified mail to the hospital and the patient. [C77, 79, §229.16]

229.17 Status of respondent during appeal. Where a respondent appeals to the supreme court from a finding that the contention the respondent is seriously mentally impaired has been sustained, and the respondent was previously ordered taken into immediate custody under section 229.11 or has been hospitalized for psychiatric evaluation and appropriate treatment under section 229.13 before the court is informed of intent to appeal its finding, the respondent shall remain in custody as previously ordered by the court, the time limit stated in section 229.11 notwithstanding, or shall remain in the hospital subject to compliance by the hospital with sections 229.13 to 229.16, as the case may be, unless the supreme court orders otherwise. [C77, 79, §229.17]

Referred to in §§229 21, 229 26

229.18 Status of respondent if hospitalization is delayed. When the court directs that a respondent who was previously ordered taken into immediate custody under section 229.11 be placed in a hospital for psychiatric evaluation and appropriate treatment under section 229.13, and no suitable hospital can immediately admit the respondent, the respondent shall remain in custody as previously ordered by the court, the time limit stated in section 229.11 notwithstanding, until a suitable hospital can admit the respondent. The court shall take appropriate steps to expedite the admission of the respondent to a suitable hospital at the earliest feasible time. [R60 §1436; C73 §1403; C97 §2271; S13 §2271; C24, 27, 31, 35, 39, §3564; C46, 50, 54, 58, 62, 66, 71, 73, 75 §229.24; C77, 79, §229.18]

229.19 Advocate appointed. The district court in each county shall appoint an individual who has demonstrated by prior activities an informed concern for the welfare and rehabilitation of the mentally ill, and who is not an officer or employee of the department of social services nor of any agency or facility providing care or treatment to the mentally ill, to act as advocate representing the interests of all patients involuntarily hospitalized by that court, in any matter relating to the patients' hospitalization or treatment under section 229.14 or 229.15. The advocate's responsibility with respect to any patient shall begin at whatever time the attorney employed or appointed to represent that patient as respondent in hospitalization proceedings, conducted under sections 229.6 to 229.13, reports to the court that his or her services are no longer required and requests the court's approval to withdraw as counsel for that patient. However, if the patient is found to be seriously mentally impaired at the hospitalization hearing, the attorney representing the patient shall automatically be relieved of his or her responsibility in the case and an advocate shall be appointed at the conclusion of the hearing unless the attorney indicates an intent to continue his or her services and the court so directs. If the court directs the attorney to remain on the case he or she shall assume all the duties of an advocate. The clerk shall furnish the advocate with a copy of the court's order approving the withdrawal and shall inform the patient of the name of the patient's advocate. With regard to each patient whose interests the advocate is required to represent pursuant to this section, the advocate's duties shall include all of the following:

1. To review each report submitted pursuant to sections 229.14 and 229.15.
2. If the advocate is not an attorney, to advise the court at any time it appears that the services of an attorney are required to properly safeguard the patient's interests.
3. To make himself or herself readily accessible to communications from the patient and to originate communications with the patient within five days of the patient's commitment.
4. To visit the patient within fifteen days of the patient's commitment and periodically thereafter.
5. To communicate with medical personnel treating the patient and to review the patient's medical records pursuant to section 229.25.
6. To file with the court quarterly reports, and additional reports as the advocate feels necessary or as required by the court, in a form prescribed by the court. The reports shall state what actions the advocate has taken with respect to each patient and the amount of time spent.

The advocate is entitled to represent all reasonable requests of the advocate to visit the patient, to communicate with medical personnel treating the patient and to review the patient's medical records pursuant to section 229.25. An advocate shall not disseminate information from a patient's medical records to any other person unless done for official purposes in connection with the advocate's duties pursuant to this chapter or when required by law.

The court shall from time to time prescribe reasonable compensation for the services of the advocate. Such compensation shall be based upon the reports filed by the advocate with the court. The advocate's compensation shall be paid on order of the court from the county mental health and institutions fund of the county in which the court is located. [C77, 79, §229.19; 65GA, ch 1063, §7]

229.20 Respondents charged with or convicted of crime.
1. If the court orders a respondent placed in a hospital or other suitable facility for psychiatric evaluation and appropriate treatment at a time when the respondent has been convicted of a public offense, or when there is pending against the respondent an unresolved formal charge of a public offense, and the respondent's liberty has therefore been restricted in any manner, the finding of fact required by section 229.13 shall clearly so inform the chief medical officer of the hospital where the respondent is placed.
2. When a proceeding under section 229.6 and succeeding sections of this chapter arises under rule of criminal procedure 22, subsection 3, paragraph "c"
and the respondent through his or her attorney waives the hearing otherwise required by section 229.12, the court may immediately order the respondent placed in a hospital or other suitable facility for a complete psychiatric evaluation and appropriate treatment pursuant to section 229.13. In such cases, the court may in its discretion order or waive the physician’s examination otherwise required under section 229.10. 229.21 Judicial hospitalization referee.

1. The judges in each judicial district shall meet and shall determine, individually for each county in the district, whether it appears that one or more district judges will be sufficiently accessible in that county to make it feasible for them to perform at all times the duties prescribed by sections 229.7 to 229.20 and by sections 229.51 to 229.53. If the judges find that accessibility of district court judges in any county is not sufficient for this purpose, the chief judge of the district shall appoint in that county a judicial hospitalization referee. The judges in any district may at any time review their determination, previously made under this subsection with respect to any county in the district, and pursuant to that review may authorize appointment of a judicial hospitalization referee, or abolish the office, in that county.

2. The judicial hospitalization referee shall be an attorney, licensed to practice law in this state, who shall be chosen with consideration to any training, experience, interest, or combination of those factors, which are pertinent to the duties of the office. The referee shall hold office at the pleasure of and receive compensation at a rate fixed by the chief judge of the district. If the referee expects to be absent from the county for any significant length of time, the referee shall inform the chief judge who may appoint a temporary substitute judicial hospitalization referee having the qualifications set forth in this subsection.

3. When an application for involuntary hospitalization is filed with the clerk of the district court in any county for which a judicial hospitalization referee has been appointed, and no district judge is accessible in the county, the clerk shall immediately notify the referee in the manner required by section 229.7. The referee shall thereupon discharge all of the duties imposed upon judges of the district court by sections 229.7 to 229.20 in the proceeding so initiated. Upon termination of the proceeding or issuance of an order under section 229.13, the referee shall transmit either to the chief judge, or another judge of the district court designated by the chief judge, a statement of the reasons for the referee’s action and a copy of any order issued.

4. Any respondent with respect to whom the judicial hospitalization referee has found the contention that he or she is seriously mentally impaired sustained by clear and convincing evidence presented at a hearing held under section 229.12, may appeal from the referee’s finding to a judge of the district court by giving the clerk notice in writing, within seven days after the referee’s finding is made, that an appeal therefrom is taken. The appeal may be signed by the respondent or by the respondent’s next friend, guardian or attorney. When so appealed, the matter shall stand for trial de novo. Upon appeal, the court shall schedule a hospitalization hearing before a district judge at the earliest practicable time.

5. If the appellant is in custody under the jurisdiction of the district court at the time of service of the notice of appeal, he or she shall be discharged from custody unless an order that the appellant be taken into immediate custody has previously been issued under section 229.11, in which case the appellant shall be detained as provided in that section until the hospitalization hearing before the district judge. If the appellant is in the custody of a hospital at the time of service of the notice of appeal, he or she shall be discharged from custody pending disposition of the appeal unless the chief medical officer, not later than the end of the next secular day on which the office of the clerk is open and which follows service of the notice of appeal, files with the clerk a certification that in the chief medical officer’s opinion the appellant is seriously mentally ill. In that case, the appellant shall remain in custody of the hospital until the hospitalization hearing before the district court.

6. The hospitalization hearing before the district judge shall be held, and the judge’s finding shall be made and an appropriate order entered, as prescribed by sections 229.12 and 229.13. If the judge orders the appellant hospitalized for a complete psychiatric evaluation, jurisdiction of the matter shall revert to the judicial hospitalization referee. 229.22 Hospitalization—emergency procedure.

1. The procedure prescribed by this section shall not be used unless it appears that a person should be immediately detainted due to serious mental impairment, but that person cannot be immediately detained by the procedure prescribed in sections 229.6 and 229.11 because there is no means of immediate access to the district court.

2. In the circumstances described in subsection 1, any peace officer who has reasonable grounds to believe that a person is mentally ill, and because of that illness is likely to physically injure himself or herself or others if not immediately detained, may without a warrant take or cause that person to be taken to the nearest available facility as defined in section 229.11, subsections 2 and 3. A person believed mentally ill, and likely to injure himself or herself or others if not immediately detained, may be delivered to a hospital by someone other than a peace officer. Upon delivery of the person believed mentally ill to the hospital, the chief medical officer may order treatment of that person, including chemotherapy, but only to the extent necessary to preserve the person’s life or to appropriately control behavior by the person which is likely to result in physical injury to that person or others if allowed to continue. The peace officer who took the person into custody, or other party who brought the person to the hospital, shall describe the circumstances of the matter to the chief medical offi-
cer. If the chief medical officer finds that there is reason to believe that the person is seriously mentally impaired, and because of that impairment is likely to physically injure himself or herself or others if not immediately detained, the chief medical officer shall at once communicate with the nearest available magistrate as defined in section 801.4, subsection 6. The magistrate shall immediately proceed to the facility where the person is detained, except that if the chief medical officer's communication with the magistrate occurs between the hours of midnight and the next succeeding seven o'clock a.m. and the magistrate deems it appropriate under the circumstances described by the chief medical officer, the magistrate may delay going to the facility and in that case shall give the chief medical officer verbal instructions either directing that the person be released forthwith or authorizing the person's continued detention at that facility. In the latter case, the magistrate shall:

a. By the close of business on the next working day, file with the clerk a written report stating the substance of the information on the basis of which the person's continued detention was ordered; and

b. Arrive at the facility where the person is being detained not later than eight o'clock a.m. of the same day on which the chief medical officer's notification occurs.

3. Upon arrival at the hospital, the magistrate shall at once review the matter. Unless convinced upon initial inquiry that there are no grounds for further detention of the person, the magistrate shall in the manner prescribed by section 229.8, subsection 1 insure that the person has or is provided legal counsel at the earliest practicable time, and shall arrange for the counsel to be present, if practicable, before proceeding further under this section. If the magistrate finds upon review of the report prepared by the chief medical officer under subsection 2 of this section, and of such other information or evidence as the magistrate deems pertinent, that there is probable cause to believe that the person is seriously mentally impaired and because of that impairment is likely to physically injure himself or herself or others if not detained, the magistrate shall enter a written order for the person to be detained in custody and, if the facility where the person is at that time is not an appropriate hospital, transported to an appropriate hospital. The magistrate's order shall state the circumstances under which the person was taken into custody or otherwise brought to a hospital and the grounds supporting the finding of probable cause to believe that he or she is seriously mentally impaired and likely to physically injure himself or herself or others if not immediately detained. The order shall be filed with the clerk of the district court in the county where it is anticipated that an application will be filed under section 229.6, and a certified copy of the order shall be delivered to the chief medical officer of the hospital where the person is detained, at the earliest practicable time.

4. The chief medical officer of the hospital shall examine and may detain and care for the person taken into custody under the magistrate's order for a period not to exceed forty-eight hours from the time such order is dated, excluding Saturdays, Sundays and holidays, unless the order is sooner dismissed by a magistrate. The hospital may provide treatment which is necessary to preserve the person's life, or to appropriately control behavior by the person which is likely to result in physical injury to himself or herself or others if allowed to continue, but may not otherwise provide treatment to the person without his or her consent. The person shall be discharged from the hospital and released from custody not later than the expiration of that period, unless an application for his or her involuntary hospitalization is sooner filed with the clerk pursuant to section 229.6. The detention of any person by the procedure and not in excess of the period of time prescribed by this section shall not render the peace officer, physician or hospital so detaining that person liable in a criminal or civil action for false arrest or false imprisonmet if the peace officer, physician or hospital had reasonable grounds to believe the person so detained was mentally ill and likely to physically injure himself or herself or others if not immediately detainted.

5. The cost of hospitalization at a public hospital of a person detained temporarily by the procedure prescribed in this section shall be paid in the same way as if the person had been admitted to the hospital by the procedure prescribed in sections 229.6 to 229.13. [C77, 79, §229.22]

229.23 Rights and privileges of hospitalized persons. Every person who is hospitalized or detained under this chapter shall have the right to:

1. Prompt evaluation, emergency psychiatric services, and care and treatment as indicated by sound medical practice.

2. The right to refuse treatment by shock therapy or chemotherapy, unless the use of these treatment modalities is specifically consented to by the patient's next of kin or guardian. The patient's right to refuse treatment by chemotherapy shall not apply during any period of custody authorized by section 229.4, subsection 3, section 229.11 or section 229.22, but this exception shall extend only to chemotherapy treatment which is, in the chief medical officer's judgment, necessary to preserve the patient's life or to appropriately control behavior by the person which is likely to result in physical injury to that person or others if allowed to continue. The patient's right to refuse treatment by chemotherapy shall also not apply during any period of custody authorized by the court pursuant to section 229.13 or 229.14. In any other situation in which, in the chief medical officer's judgment, chemotherapy is appropriate for the patient but the patient refuses to consent thereto and there is no next of kin or guardian to give consent, the chief medical officer may request an order authorizing treatment of the patient by chemotherapy from the district court which ordered the patient's hospitalization.

3. In addition to protection of his constitutional rights, enjoyment of other legal, medical, religious, social, political, personal and working rights and privileges which he would enjoy if he were not so hospitalized or detained, so far as is possible consistent with effective treatment of that person and of the other patients of the hospital. If the patient's rights are restricted, the physician's direction to that effect

Referred to in §229.23, 229.24, R H M I 23, 29, 30, 31, Forms 24, 25, 26
shall be noted on the patient's record. The department of social services shall, in accordance with chapter 17A establish rules setting forth the specific rights and privileges to which persons so hospitalized or detained are entitled under this section, and the exceptions provided by section 17A.2, subsection 7, paragraphs "a" and "k", shall not be applicable to the rules so established. The patient or his or her next of kin or friend shall be advised of these rules and be provided a written copy upon the patient's admission to or arrival at the hospital. [C77, 79,§229.20]

229.24 Records of involuntary hospitalization proceeding to be confidential.
1. All papers and records pertaining to any involuntary hospitalization or application for involuntary hospitalization of any person under this chapter, whether part of the permanent record of the court or of a file in the department of social services, are subject to inspection only upon an order of the court for good cause shown. Nothing in this section shall prohibit a hospital from complying with the requirements of this chapter and of chapter 220 relative to financial responsibility for the cost of care and treatment provided a patient in that hospital, nor from properly billing any responsible relative or third-party payer for such care and treatment.
2. If authorized in writing by a person who has been the subject of any proceeding or report under sections 229.6 to 229.13 or section 229.22, or by the parent or guardian of that person, information regarding that person which is confidential under subsection 1 may be released to any designated person.

229.25 Medical records to be confidential—exceptions. The records maintained by a hospital or other facility relating to the examination, custody, care and treatment of any person in that hospital or facility pursuant to this chapter shall be confidential, except that the chief medical officer shall release appropriate information under any of the following circumstances:
1. The information is requested by a licensed physician, attorney or advocate who provides the chief medical officer with a written waiver signed by the person about whom the information is sought.
2. The information is sought by a court order.
3. The person who is hospitalized or that person's guardian, if the person is a minor or is not legally competent to do so, signs an informed consent to release information. Each signed consent shall designate specifically the person or agency to whom the information is to be sent, and the information may be sent only to that person or agency.

Such records may be released by the chief medical officer when requested for the purpose of research into the causes, incidence, nature and treatment of mental illness, however information shall not be provided in a way that discloses patients' names or which otherwise discloses any patient's identity. Referred to in 229.19

229.26 Exclusive procedure for involuntary hospitalization. Sections 229.6 to 229.20 shall constitute the exclusive procedure for involuntary hospitalization of persons by reason of serious mental impairment in this state, except that nothing in this chapter shall negate the provisions of sections 245.12 and 246.16 relative to transfer of mentally ill prisoners to state hospitals for the mentally ill. [C77, 79,§229.26]

229.27 Hospitalization not to equate with incompetency—procedure for finding incompetency due to mental illness.
1. Hospitalization of a person under this chapter, either voluntarily or involuntarily, does not constitute a finding of nor equate with nor raise a presumption of incompetency, nor cause the person so hospitalized to be deemed a person of unsound mind nor a person under legal disability for any purpose including but not limited to any circumstances to which sections 447.7, 472.15, 545.2, subsection 13, 545.11, subsection 7, 545.36, 567.7, 595.3, 597.6, 598.29, 614.8, 614.19, 614.22, 614.24, 614.27, 622.6, 633.244, and 675.21 are applicable.
2. The applicant may, in initiating a petition for involuntary hospitalization of a person under section 229.6 or at any subsequent time prior to conclusion of the involuntary hospitalization proceeding, also petition the court for a finding that the person is incompetent by reason of mental illness. The test of competence for the purpose of this section shall be whether the person possesses sufficient mind to understand in a reasonable manner the nature and effect of the act in which he or she is engaged; the fact that a person is mentally ill and in need of treatment for that illness but because of the illness lacks sufficient judgment to make responsible decisions with respect to his or her hospitalization or treatment does not necessarily mean that that person is incapable of transacting business on any subject.
3. A hearing limited to the question of the person's competence and conducted in substantially the manner prescribed in sections 633.552 to 633.556 shall be held when:
a. The court is petitioned or proposes upon its own motion to find incompetent by reason of mental illness a person whose involuntary hospitalization has been ordered under section 229.13 or 229.14, and who contends that he or she is not incompetent; or
b. A person previously found incompetent by reason of mental illness under subsection 2 petitions the court for a finding that he or she is no longer incompetent and, after notice to the applicant who initiated the petition for hospitalization of the person and to any other party as directed by the court, an objection is filed with the court. The court may order a hearing on its own motion before acting on a petition filed under this paragraph. A petition by a person for a finding that he or she is no longer incompetent may be filed at any time without regard to whether the person is at that time hospitalized for treatment of mental illness.
4. Upon petitioning the court for a finding that a respondent is incompetent by reason of mental illness, the applicant may also request the court to appoint a conservator for the respondent. The court may appoint a temporary conservator as provided by section 633.573, or may defer a decision on the appointment of a conservator until a report is received.
under section 229.13 if the respondent is hospitalized for evaluation pursuant to that section.

5. Nothing in this chapter shall preclude use of any other procedure authorized by law for declaring any person legally incompetent for reasons which may include mental illness, without regard to whether that person is or has been hospitalized for treatment of mental illness. 229.28 Hospitalization in certain federal facilities. When a court finds that the contention that a respondent is seriously mentally impaired has been sustained or proposes to order continued hospitalization of any person, or an alternative placement, under section 229.14, subsection 2 or 4, and the court is furnished evidence that the respondent or patient is eligible for care and treatment in a facility operated by the veterans administration or another agency of the United States government and that the facility is willing to receive the respondent or patient, the court may so order. The respondent or patient, when so hospitalized or placed in a facility operated by the veterans administration or another agency of the United States government within or outside of this state, shall be subject to the rules of the veterans administration or other agency, but shall not thereby lose any procedural rights afforded the respondent or patient by this chapter. The chief officer of the facility shall have, with respect to the person so hospitalized or placed, the same powers and duties as the chief medical officer of a hospital in this state would have in regard to submission of reports to the court, retention of custody, transfer, convalescent leave or discharge. Jurisdiction is retained in the court to maintain surveillance of the person's treatment and care, and at any time to inquire into that person's mental condition and the need for continued hospitalization or care and custody. [C27, 31, §3562-b; C39, §3562-1; C46, 50, 54, 58, 62, 66, 71, 73, 75, §229.20; C77, 79, §229.28]

229.29 Transfer to certain federal facilities. Upon receipt of a certificate stating that any person involuntarily hospitalized under this chapter is eligible for care and treatment in a facility operated by the veterans administration or another agency of the United States government which is willing to receive the person without charge to the state of Iowa or any county in the state, the chief medical officer may transfer the person to that facility. Upon so doing, the chief medical officer shall notify the court which ordered the person's hospitalization in the same manner as would be required in the case of a transfer under section 229.15, subsection 4, and the person transferred shall be entitled to the same rights as he or she would have under that subsection. No person shall be transferred under this section who is confined pursuant to conviction of a public offense or whose hospitalization was ordered upon contention of incompetence to stand trial by reason of mental illness, without prior approval of the court which ordered that person's hospitalization. [C27, 31, 35, §3562-b; C39, §3562-1; C46, 50, 54, 58, 62, 66, 71, 73, 75, §229.20; C77, 79, §229.29]

229.30 Orders of courts in other states. A judgment or order of hospitalization or commitment by a court of competent jurisdiction of another state or the District of Columbia, under which any person is hospitalized or placed in a facility operated by the veterans administration or another agency of the United States government, shall have the same force and effect with respect to that person while he or she is in this state as the judgment or order would have if the person were in the jurisdiction of the court which issued it. That court shall be deemed to have retained jurisdiction of the person so hospitalized or placed for the purpose of inquiring into that person's mental condition and the need for continued hospitalization or care and custody, as do courts in this state under section 229.28. Consent is hereby given to the application of the law of the state or district in which is situated the court which issued the judgment or order as regards authority of the chief officer of any facility, operated in this state by the veterans administration or another agency of the United States government, to retain custody, transfer, place on convalescent leave or discharge the person so hospitalized or committed. [C27, 31, 35, §3562-b; C39, §3562-1; C46, 50, 54, 58, 62, 66, 71, 73, 75, §229.20; C77, 79, §229.30]

229.31 Commission of inquiry. A sworn complaint, alleging that a named person is not seriously mentally impaired and is unjustly deprived of liberty in any hospital in the state, may be filed by any person with the clerk of the district court of the county in which such named person is so confined, or of the county in which such named person has a legal settlement, and thereupon a judge of said court shall appoint a commission of not more than three persons to inquire into the truth of said allegations. One of said commissioners shall be a physician and if additional commissioners are appointed, one of such commissioners shall be a lawyer. §229.39 Status of persons hospitalized under former law.

1. Each person admitted or committed to a hospital for treatment of mental illness on or before December 31, 1975 who remained so hospitalized, or was on convalescent leave or was receiving care in another facility on transfer from such hospitalization, on or after January 1, 1976 shall be considered to have been hospitalized under this chapter, and its provisions shall apply to each such person on and after the effective date of this section, except as otherwise provided by subsection 3.

2. Hospitalization of a person for treatment of mental illness, either voluntary or involuntary on or before December 31, 1975 does not constitute a finding nor equate with nor raise a presumption of incompetency, nor cause the person hospitalized to be deemed a person of unsound mind nor a person under legal disability for any purpose, including but not limited to the circumstances enumerated in section 229.27, subsection 1. This subsection does not invalidate any specific declaration of incompetence of a person hospitalized if the declaration was made pursuant to a separate procedure authorized by law for that purpose, and did not result automatically from the person's hospitalization.

3. Where a person was hospitalized involuntarily for treatment of mental illness on or before December 31, 1975 and remained so hospitalized, or was on convalescent leave or was receiving care in another facility on transfer from such hospitalization, on or after January 1, 1976, but was subsequently discharged prior to July 1, 1978, this section shall not be construed to require:

a. The filing after July 1, 1978 of any report relative to that person's status which would have been required to be filed prior to said date if that person had initially been hospitalized under this chapter as amended by Acts of the Sixty-sixth General Assembly, 1975 Session, chapter 139, sections 1 to 30.

b. That legal proceedings be taken under this chapter, as so amended, to clarify the status of the person so hospitalized, unless that person or the district court considers such proceedings necessary in a particular case to appropriately conclude the matter.

[C79, §229.39; 66GA, ch 1012, §20]

§229.40 Rules for proceedings.

1. The supreme court may prescribe rules of pleading, practice and procedure, and the forms of process, writs and notices, for all proceedings in any court of this state arising under this chapter. Any rules so prescribed shall be drawn for the purpose of simplifying and expediting the proceedings, so far as is consistent with the rights of the parties involved. The rules shall not abridge, enlarge nor modify the substantive rights of any party to a proceeding arising under this chapter.

2. Rules prescribed pursuant to this section shall be subject to section 684.19. [C79, §229.40]

§229.41 Voluntary admission. Persons making application pursuant to section 229.2 on their own behalf or on behalf of another person who is under eigh-
teen years of age, if the person whose admission is sought is received for observation and treatment on such application, shall be required to pay the costs of hospitalization at rates established by the state director, which costs may be collected weekly in advance and shall be payable at the business office of the hospital. Such collections shall be remitted to the state comptroller monthly to be credited to the general fund of the state. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §229.41]

229.42 Costs paid by county. If a person wishing to make application for voluntary admission to a mental hospital established by chapter 226 is unable to pay the costs of hospitalization or those responsible for such person are unable to pay such costs, application for authorization of voluntary admission must be made to any clerk of the district court before application for admission is made to the hospital. After determining the county of legal settlement the said clerk shall, on forms provided by the state director, authorize such person’s admission to a mental health hospital as a voluntary case. The clerk shall at once provide a duplicate copy of the form to the county board of supervisors. The costs of the hospitalization shall be paid by the county of legal settlement to the state comptroller and credited to the general fund of the state, providing the mental health hospital rendering the services has certified to the county auditor of the responsible county the amount chargeable thereto and has sent a duplicate statement of such charges to the state comptroller.

All the provisions of chapter 230 shall apply to such voluntary patients so far as is applicable.

The provisions of this section and of section 229.41 shall apply to all voluntary inpatients or outpatients either away from or at the institution heretofore or hereafter receiving mental health services.

Should any county fail to pay these bills within sixty days from the date of certificate from superintendent, the state comptroller shall charge the delinquent county the penalty of one percent per month on and after sixty days from date of certificate until paid. Such penalties shall be credited to the general fund of the state. [C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §229.42]

229.43 Nonresidents or no-settlement patients. The state director shall have the power to place patients of mental health institutes who have no county of legal settlement; who are nonresidents; or whose legal settlement is unknown, on convalescent leave to a private sponsor or in any health care facility licensed under chapter 135C, when in the opinion of the state director said placement is in the best interests of the patient and the state of Iowa. If the patient was involuntarily hospitalized the district court which hospitalized the patient must be informed when the patient is placed on convalescent leave, as required by section 229.15, subsection 4. [C24, 27, 31, 35, 39, §3446; C46, 50, 54, 58, 62, §222.36; C66, 71, 73, 75, 77, 79, §229.43]

SUBSTANCE ABUSERS

229.50 Definitions. As used in this division:
1. “Respondent” means a person against whom a petition has been filed under this division.
2. “Department” means the Iowa department of substance abuse established by chapter 125.
3. “Director”, “facility” and “substance abuser” have the respective meanings assigned those terms by section 125.2. [C79, §229.50]

229.51 Involuntary commitment of substance abusers—petition.
1. A person may be committed to the custody of a facility by the district court upon the petition of the person’s spouse or guardian, a relative, the certifying physician, or the administrator in charge of a facility. The petition shall allege that the respondent is a substance abuser who habitually lacks self-control as to the use of chemical substances, and shall further allege either:
   a. That the respondent has threatened, attempted or inflicted physical harm on another person, and is likely to inflict physical harm on himself or herself or on another person unless committed; or
   b. That the respondent is incapacitated by a chemical substance.

A refusal to undergo treatment does not constitute evidence of lack of judgment as to the need for treatment.

2. The petition shall be accompanied by a certificate of a licensed physician who has examined the respondent within two days before the submission of the petition, unless the respondent has refused to submit to a medical examination or was unavailable for examination, in which case the fact of refusal or unavailability shall be alleged in the petition. The certificate shall set forth the physician’s findings in support of the allegations of the petition. A physician employed by the admitting facility or the department is not eligible to be the certifying physician.

3. Upon the filing of the petition, the court shall fix a date for a hearing, which shall be no later than ten days after the date the petition was filed. If a judicial hospitalization referee has been appointed under section 229.21 for the county in which the petition is filed, the clerk of the district court shall immediately notify the referee of the filing of the petition and the referee shall thereupon discharge all of the duties imposed upon judges of the district court by this division, except the duty to hear appeals filed subsection 2 of section 229.52. A copy of the petition and the notice of hearing shall be served in the manner of an original notice on the respondent and upon a parent or legal guardian if the respondent is a minor. A copy of the petition and the notice of hearing shall be mailed or delivered in the manner provided for motions in civil cases to the petitioner, the next of kin of the respondent other than the petitioner, the administrator of the facility to which the respondent has been committed for emergency care, and any other person the court believes should receive copies. A petition shall have attached a copy of
§229.51, HOSPITALIZATION OF MENTALLY ILL PERSONS

1. At the hearing the court shall hear all relevant testimony, including, if possible, the testimony of at least one licensed physician who has examined the respondent. The respondent shall be present unless the court-believes that his or her presence is likely to be injurious to the respondent; in this event the court shall appoint a guardian ad litem to represent the respondent throughout the proceeding. The court shall examine the respondent in open court, or if advisable, shall examine the respondent out of court. If the respondent has refused to be examined by a licensed physician, he or she shall be given an opportunity to be examined by a court-appointed licensed physician. If the respondent refuses and there is sufficient evidence to believe that the allegations of the petition are true, or if the court believes that more medical evidence is necessary, the court may make a temporary order committing the respondent for a period of not more than five days for purposes of a diagnostic examination.

2. If after hearing all relevant evidence, including the results of any diagnostic examination, the court finds that the allegations of the petition have been established by clear and convincing proof, it shall make an order of commitment to a facility. It may not order commitment of a respondent unless it determines that the facility is able to provide adequate and appropriate treatment for the respondent and the treatment is likely to be beneficial. If the order is made by a judicial hospitalization referee to whom the matter has been referred pursuant to subsection 3 of section 229.51, the respondent may appeal the referee's finding to a judge of the district court by giving the clerk notice in writing, within seven days after the referee's finding is made, that an appeal therefrom is taken. The appeal may be signed by the respondent or the respondent's next friend, guardian or attorney. When so appealed, the matter shall stand for trial de novo. Upon appeal, the court shall schedule a hearing before a district judge at the earliest practicable time.

3. A respondent committed under this section shall remain in the custody of a facility for treatment for a period of thirty days unless sooner discharged. The costs of treatment of a person committed under this division shall be paid as provided in section 125.44 subject to the qualifications of this subsection. This division shall not be construed to require the department to pay the cost of any medication or procedure provided the person during that period which is not necessary or appropriate to the specific objectives of detoxification and treatment of substance abuse. At the end of the thirty-day period, the respondent shall be discharged automatically unless the administrator of the facility before expiration of the period petitions the court for an order for the respondent's recommitment upon the grounds set forth in subsection 1 of section 229.51 for a further period not to exceed ninety days.

4. A respondent recommitted under subsection 3 who has not been discharged by the facility before the end of the ninety-day period shall be discharged at the expiration of that period unless the administrator of the facility, before expiration of the period, obtains a court order on the grounds set forth in subsection 1 of section 229.51 for recommittal for a further period not to exceed ninety days.

5. Upon the filing of a petition for recommittal under subsections 3 and 4, the court shall fix a date for hearing no later than ten days after the date the petition was filed. A copy of the petition and the notice of hearing shall be served in the same manner as an original notice on the same persons as required by subsection 3 of section 229.51. A petition shall have attached a copy of the certificate specified in this section. At the hearing the court shall proceed as provided in subsection 1 of section 229.51.

6. The court shall inform the respondent of his or her right to contest the application, to be represented by counsel at every stage of any proceedings relating to his or her commitment and recommittal, and to have counsel appointed by the court or provided by the court, if the respondent wants the assistance of counsel and is unable to obtain counsel. If the court believes that the respondent needs the assistance of counsel, the court shall require, by appointment if necessary, counsel for the respondent regardless of his or her wishes. The respondent shall be informed of his or her right to be examined by a licensed physician of his or her choice. If the respondent is unable to obtain a licensed physician and requests examination by a physician, the court shall employ a licensed physician.

7. The venue for proceedings under this division is the place in which a respondent resides or is present. [C75, 77, §125.19(1, 2); C79, §229.51] Referred to in §125.35, 229.21, 229.52, 229.53

§229.52 Hearing—commitment—recommitment.

1. At the hearing the court shall hear all relevant testimony, including, if possible, the testimony of at least one licensed physician who has examined the respondent. The respondent shall be present unless the court-believes that his or her presence is likely to be injurious to the respondent; in this event the court shall appoint a guardian ad litem to represent the respondent throughout the proceeding. The court shall examine the respondent in open court, or if advisable, shall examine the respondent out of court. If the respondent has refused to be examined by a licensed physician, he or she shall be given an opportunity to be examined by a court-appointed licensed physician. If the respondent refuses and there is sufficient evidence to believe that the allegations of the petition are true, or if the court believes that more medical evidence is necessary, the court may make a temporary order committing the respondent for a period of not more than five days for purposes of a diagnostic examination.

2. If after hearing all relevant evidence, including the results of any diagnostic examination, the court finds that the allegations of the petition have been established by clear and convincing proof, it shall make an order of commitment to a facility. It may not order commitment of a respondent unless it determines that the facility is able to provide adequate and appropriate treatment for the respondent and the treatment is likely to be beneficial. If the order is made by a judicial hospitalization referee to whom the matter has been referred pursuant to subsection 3 of section 229.51, the respondent may appeal the referee's finding to a judge of the district court by giving the clerk notice in writing, within seven days after the referee's finding is made, that an appeal therefrom is taken. The appeal may be signed by the respondent or the respondent's next friend, guardian or attorney. When so appealed, the matter shall stand for trial de novo. Upon appeal, the court shall schedule a hearing before a district judge at the earliest practicable time.

3. A respondent committed under this section shall remain in the custody of a facility for treatment for a period of thirty days unless sooner discharged. The costs of treatment of a person committed under this division shall be paid as provided in section 125.44 subject to the qualifications of this subsection. This division shall not be construed to require the department to pay the cost of any medication or procedure provided the person during that period which is not necessary or appropriate to the specific objectives of detoxification and treatment of substance abuse. At the end of the thirty-day period, the respondent shall be discharged automatically unless the administrator of the facility before expiration of the period petitions the court for an order for the respondent's recommitment upon the grounds set forth in subsection 1 of section 229.51 for a further period not to exceed ninety days.

4. A respondent recommitted under subsection 3 who has not been discharged by the facility before the end of the ninety-day period shall be discharged at the expiration of that period unless the administrator of the facility, before expiration of the period, obtains a court order on the grounds set forth in subsection 1 of section 229.51 for recommittal for a further period not to exceed ninety days.

5. Upon the filing of a petition for recommittal under subsections 3 and 4, the court shall fix a date for hearing no later than ten days after the date the petition was filed. A copy of the petition and the notice of hearing shall be served in the same manner as an original notice on the same persons as required by subsection 3 of section 229.51. A petition shall have attached a copy of the certificate specified in this section. At the hearing the court shall proceed as provided in subsection 1 of section 229.51.

6. The court shall inform the respondent of his or her right to contest the application, to be represented by counsel at every stage of any proceedings relating to his or her commitment and recommittal, and to have counsel appointed by the court or provided by the court, if the respondent wants the assistance of counsel and is unable to obtain counsel. If the court believes that the respondent needs the assistance of counsel, the court shall require, by appointment if necessary, counsel for the respondent regardless of his or her wishes. The respondent shall be informed of his or her right to be examined by a licensed physician of his or her choice. If the respondent is unable to obtain a licensed physician and requests examination by a physician, the court shall employ a licensed physician.

7. The venue for proceedings under this division is the place in which a respondent resides or is present. [C75, 77, §125.19(3, 7, 10, 13); C79, §229.52; 66GA, ch 1003, §8] Referred to in §125.35, 125.44, 229.21, 229.51

§229.53 Treatment—transfer—discharge.

1. The director shall insure that a facility provides adequate and appropriate treatment of any respondent committed to the custody of that facility. The director may recommend to the appropriate district court the transfer of any respondent committed to the custody of a facility from that facility to another if transfer is medically advisable, and if notice is provided to the counselor advocate, and the spouse or next of kin of the respondent.

2. If the administrator of a private treatment facility consents to the request of a competent respondent who has been committed to a public facility or that respondent's parent, sibling, adult child, or guardian to accept the respondent for treatment, the administrator of the public treatment facility may transfer the respondent to the private treatment facility.

3. A respondent committed to the custody of a facility for treatment shall be discharged at any time before the end of the period for which he or she has been committed if either of the following conditions is met:

   a. In case of a substance abuser committed under section 229.51, subsection 1, paragraph "a," that the respondent is no longer a substance abuser or the likelihood no longer exists.
b. In case of a substance abuser committed under section 229.51, subsection 1, paragraph "b," that the incapacity no longer exists, that further treatment will not be likely to bring about significant improvement in the respondent's condition, or that treatment is no longer adequate or appropriate.

CHAPTER 230
SUPPORT OF THE MENTALLY ILL
Referred to in §125.43, 229.3, 229.42

230.1 Liability of county and state. The necessary and legal costs and expenses attending the taking into custody, care, investigation, admission, commitment, and support of a mentally ill person admitted or committed to a state hospital shall be paid:
1. By the county in which such person has a legal settlement, or
2. By the state when such person has no legal settlement in this state, or when such settlement is unknown.

The legal settlement of any person found mentally ill who is a patient of any state institution shall be that existing at the time of admission thereto. [C73, §1402; C97, §2270; S13, §2270; C24, 27, 31, 35, 39, §3581; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §230.1]

230.2 Finding of legal settlement. The district court shall, when a person is ordered placed in a hospital for psychiatric examination and appropriate treatment, or as soon thereafter as it obtains the proper information, determine and enter of record whether the legal settlement of said person is:
1. In the county from which the person was placed in the hospital;
2. In some other county of the state;
3. In some foreign state or country; or

230.3 Certification of settlement. If such legal settlement is found to be in another county of this state, the court shall, as soon as said determination is made, certify such finding to the superintendent of the hospital to which said patient is admitted or committed, and thereupon said superintendent shall charge the expenses already incurred and unadjusted, and all future expenses of such patient, to the county so certified until said settlement shall be otherwise determined as hereinafter provided. [C73, §1417; C97, §2281; C24, 27, 31, 35, 39, §3583; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §230.3]

230.4 Certification to debtor county. Said finding of legal settlement shall also be certified by the court to the county auditor of the county of such legal settlement. Such auditor shall lay such notification before the board of supervisors of his county, and it shall be conclusively presumed that such person has a legal settlement in said notified county unless said county shall within sixty days give notice in writing to the court that the county disputes the finding of legal settlement. [C73, §1402; C97, §2270; S13, §2270; C24, 27, 31, 35, 39, §3584; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §230.4]

230.5 Nonresidents. If such legal settlement is found by the court to be in some foreign state or country, or unknown, it shall immediately notify the state director of such finding and furnish the state director with a copy of the evidence taken on the ques-
230.5 SUPPORT OF THE MENTALLY ILL

230.6 Determination by director. The state director shall immediately investigate the legal settlement of said patient and proceed as follows:

1. If the state director finds that the decision of the court as to legal settlement is correct, the state director shall cause said patient either to be transferred to a state hospital for the mentally ill at the expense of the state, or to be transferred, with approval of the court as required by this Act, to the place of foreign settlement.

2. If the state director finds that the decision of the court is not correct, the state director shall order said patient to be maintained at a state hospital for the mentally ill at the expense of the state, and shall at once inform the court of such finding and request that the court's order be modified accordingly.

230.7 Transfer of nonresidents. Upon determining that a patient in a state hospital who has been involuntarily hospitalized under this Act or admitted voluntarily at public expense was not a resident of this state at the time of the involuntary hospitalization or admission, the state director may cause that patient to be conveyed to his or her place of residence. However, a transfer under this section may be made only if the patient's condition so permits and other reasons do not render the transfer inadvisable. If the patient was involuntarily hospitalized, prior approval of the transfer must be obtained from the court which ordered the patient hospitalized.

230.8 Transfers of mentally ill persons—expenses. The transfer to state hospitals or to the places of their legal settlement of mentally ill persons who have no legal settlement in this state or whose legal settlement is unknown, shall be made accordance to the directions of the state director, and when practicable by employees of state hospitals, and the actual and necessary expenses of such transfers shall be paid on itemized vouchers sworn to by the claimants and approved by the state director, from any funds in the state treasury not otherwise appropriated.

230.9 Subsequent discovery of residence. If, after a patient has been received into a state hospital for the mentally ill as a patient whose legal settlement is supposed to be outside this state or unknown, the state director finds that the legal settlement of said patient was, at the time of admission or commitment, in a county of this state, said state director shall charge all legal costs and expenses pertaining to the admission or commitment and support of said patient to the county of such legal settlement, and the same shall be collected as provided by law in other cases.

230.10 Preliminary payment of costs. All legal costs and expenses attending the taking into custody, care, investigation, and admission or commitment of a person to a state hospital for the mentally ill under a finding that such person has a legal settlement in another county of this state, shall, in the first instance, be paid by the county of admission or commitment. The county of such legal settlement shall reimburse the county so paying for all such payments, with interest.

230.11 Recovery of costs from state. Costs and expenses attending the taking into custody, care, and investigation of a person who has been admitted or committed to a state hospital, veterans administration hospital or other agency of the United States government, for the mentally ill and who has no legal settlement in this state or whose legal settlement is unknown, including cost of commitment, if any, shall be paid out of any money in the state treasury not otherwise appropriated, on itemized vouchers executed by the auditor of the county which has paid them, and approved by the state director.

230.12 Action to determine legal settlement. When a dispute arises between different counties or between the state director and a county as to the legal settlement of a person admitted or committed to a state hospital for the mentally ill, the attorney general, at the request of the state director, shall, without the advancement of fees, cause an action to be brought in the district court of any county where such dispute exists, to determine such legal settlement. Said action may be brought at any time when it appears that said dispute cannot be amicably settled. All counties which may be the place of such legal settlement, so far as known, shall be made defendants and the allegation of such settlement may be in the alternative. Said action shall be tried as in equity.

230.13 Judgment when settlement found within state. The court shall determine whether the legal settlement of said mentally ill person, at the time of the admission or commitment, was in one of the defendant counties. If the court so find, judgment shall be entered against the county of such settlement in favor of any other county for all legal costs and expenses arising out of said proceedings in mental illness, and paid by said other county. If any such costs have not been paid, judgment shall be rendered against the county of settlement in favor of the parties, including the state, to whom said costs or ex-
penses may be due. [C73,§1418; C97,§2282; S13,§2308-a; C24, 27, 31, 35, 39,§3593; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§230.15]

230.14 Order when nonresidence or unknown settlement appears. If the court finds that the legal settlement of said mentally ill person, at the time of admission or commitment, was in a foreign state or country, or was unknown, an order shall be entered that said mentally ill person shall be maintained in the hospital for the mentally ill at the expense of the state. In such case the state shall refund to any county, with interest, all legal costs and expenses arising out of said proceedings in mental illness and paid by said county. Any decision by the court shall be final. [C73,§1402; C97,§2270; C24, 27, 31, 35, 39,§3594; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§230.14]

230.15 Personal liability. Mentally ill persons and persons legally liable for their support shall remain liable for the support of such mentally ill. Persons legally liable for the support of a mentally ill person shall include the spouse of the mentally ill person, any person, firm, or corporation bound by contract for support of the mentally ill person, and, with respect to mentally ill persons under eighteen years of age only, the father and mother of the mentally ill person. The county auditor, subject to the direction of the board of supervisors, shall enforce the obligation herein created as to all sums advanced by the county. The liability to the county incurred under this section on account of any mentally ill person shall be limited to one hundred percent of the cost of care and treatment of the mentally ill person at a state mental health institute for one hundred twenty days of hospitalization, whether occurring subsequent to a single admission or accumulated as a consequence of two or more separate admissions, and thereafter to an amount not in excess of the average minimum cost of the maintenance of a physically and mentally healthy individual residing in his own home, which standard shall be established and may from time to time be revised by the department of social services. No lien imposed by section 230.25 shall exceed the amount of the liability which may be incurred under this section on account of any mentally ill person.

Nothing in this section shall be construed to prevent a relative or other person from voluntarily paying the full actual cost of the care and treatment of any mentally ill person as established by the department of social services.

Persons who as of July 1, 1972, are hospitalized in any state mental health institute, or who on that date or any later date have been so hospitalized for a total of one hundred twenty days or more, shall be considered to have incurred liability for one hundred percent of the cost of their care and treatment for one hundred twenty days, and shall thereafter be entitled to reduced liability as provided by this section. There shall be no forgiveness of any liability existing on July 1, 1972, for the cost of care and treatment of mentally ill persons, except as provided in section 230.17 and no person who has paid any such costs prior to that date shall be entitled to any refund by reason of this section. [R60,§1488; C73,§1433; C97,§2297; C24, 27, 31, 35, 39,§3595; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§230.15]

230.16 Presumption. In actions to enforce the liability imposed by section 230.15, the certificate from the superintendent to the county auditor stating the sums charged in such cases, shall be presumptively correct. [R60,§1488; C73,§1433; C97,§2297; C24, 27, 31, 35, 39,§3596; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§230.16]

230.17 Board may compromise lien. The board of supervisors is hereby empowered to compromise any and all liabilities to the county, created by this chapter, when such compromise is deemed to be for the best interests of the county. [C73,§1433; C97,§2297; C24, 27, 31, 35, 39,§3597; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§230.17]

230.18 Expense in county or private hospitals. The estates of mentally ill persons who may be treated or confined in any county hospital or home, or in any private hospital or sanatorium, and the estates of persons legally bound for their support, shall be liable to the county for the reasonable cost of such support. [R60,§1488; C73,§1433; C97,§2297; C24, 27, 31, 35, 39,§3598; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§230.18]

230.19 Nonresidents liable to state—presumption. The estates of all nonresident patients provided for and treated in state hospitals for the mentally ill in this state, and all persons legally bound for the support of such patients, shall be liable to the state for the reasonable value of the care, maintenance, and treatment of such patients while in such hospitals. The certificate of the superintendent of the state hospital in which any nonresident is or has been a patient, showing the amounts drawn from the state treasury or due therefrom as provided by law on account of such nonresident patient, shall be presumptive evidence of the reasonable value of the care, maintenance, and treatment furnished such patient. [S13,§2297-a; C24, 27, 31, 35, 39,§3599; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§230.19]

230.20 Statement of charges to counties. The superintendent of each state hospital for the mentally ill established by section 226.1, or his designee, shall on the tenth day of July, October, January and April of each year, compute the amounts which are due the state from each county for services rendered by the hospital to patients chargeable to those counties. Each hospital's charges for services rendered in a particular quarter shall be based on that hospital's expenditures during the immediately preceding quarter, and shall be computed as follows:

1. The expenditures of the hospital during the preceding calendar quarter shall be separately computed by program in accordance with generally accepted accounting procedures. In so doing, the superintendent or his designee shall not include any of the following:

a. The costs of food, lodging and other maintenance provided to persons not patients of the hospital.
b. The costs of certain direct medical services, which shall be charged directly against the patient who received the services. The direct medical services to which this paragraph is applicable shall be specifically identified in rules adopted by the department of social services in accordance with chapter 17A, and may include but need not be limited to X-ray, laboratory and dental services.

c. The cost of outpatient and state placement services, which shall be charged directly against the patient who received the services at a rate to be established by the state director on the basis of the actual cost of the services.

2. The total patient days of service provided during the preceding calendar quarter shall be identified and accumulated for each program for which expenditures are separately computed under subsection 1 of this section.

3. The total expenditure during the preceding calendar quarter computed for each program pursuant to subsection 1 shall be divided by the total patient days of service provided during the calendar quarter by that program, determined pursuant to subsection 2, to derive the average daily patient cost for each program.

4. Each county shall be charged an amount computed as follows:

a. The charges attributable to each inpatient chargeable to that county, calculated by multiplying the average daily patient cost for each program under which the patient was served by the number of days the patient was so served during the calendar quarter, and adding the cost of direct medical services received by the patient during the calendar quarter; and

b. The charges attributable to each outpatient chargeable to that county who was served by the hospital during the calendar quarter, calculated at the cost established under subsection 1, paragraph "c".

5. An individual statement shall be prepared for a patient on or before the fifteenth day of the month next succeeding the month in which that patient leaves the hospital, and a general statement shall be prepared at least quarterly for each county to which charges are made under this section. Except as otherwise required by sections 125.33 and 125.34 the general statement shall list the name of each patient chargeable to that county who was served by the hospital during the preceding month or calendar quarter and the amount due on account of each patient, and the county shall be billed for one hundred percent of the stated charge for each patient, unless otherwise specified in the current appropriation for support of the state hospitals. The statement prepared for each county shall be certified by the superintendent of the hospital to the state comptroller and a duplicate statement shall be mailed to the auditor of that county.

6. All or any reasonable portion of the charges incurred for services rendered to any patient, to the most recent date for which the charges have been computed, may be paid at any time by the patient or by any other person on the patient's behalf. Any payment so made, and any federal financial assistance received pursuant to title XVIII or XIX of the United States Social Security Act for services rendered to a patient, shall be credited against the patient's account and, if the charges so paid have previously been billed to a county, reflected in the hospital's next general statement to that county. [R60, §1487; C73, §1428; C97, §2292; S13, §2292; C24, 27, 31, 35, 39, §3600; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §230.20; 68GA, ch 55, §1, ch 1012, §21, ch 1015, §81]

230.21 Duty of county auditor and treasurer. The county auditor, upon receipt of the duplicate statement required by section 230.20, shall enter to the same to the credit of the state in his or her ledger of state accounts, shall furnish to the board of supervisors a list of the names of the persons so certified, and at once issue a notice authorizing the county treasurer to transfer the amount billed to the county by the statement from the county mental health and institutions fund to the general state revenue, which notice shall be filed by the treasurer as authority for making such transfer. The auditor shall promptly remit the amount so transferred to the treasurer of state, designating the fund to which it belongs. [R60, §1487; C73, §1428; C97, §2292; S13, §2292; C24, 27, 31, 35, 39, §3601; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §230.21]

Referred to in §230.25
Similar provisions, §144.14

230.22 Penalty. Should any county fail to pay the amount billed by a statement submitted pursuant to section 230.20 within sixty days from the date the statement is certified by the superintendent, the state comptroller shall charge the delinquent county the penalty of one percent per month on and after sixty days from the date the statement is certified until paid. Provided, however, that the penalty shall not be imposed if the county has notified the comptroller of error or questionable items in the billing, in which event, the comptroller may suspend penalty only during the period of negotiation. [C97, §2292; S13, §2292; C24, 27, 31, 35, 39, §3602; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §230.22]

230.23 Cost paid from mental health and institutions fund. All expenses required to be paid by counties for the care, admission, commitment, and transportation of mentally ill patients in state hospitals shall be paid by the board of supervisors from the county mental health and institutions fund. [C97, §2292; S13, §2292; C24, 27, 31, 35, 39, §3603; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §230.23]

230.24 Psychiatric treatment—mental health center. The county board of supervisors are authorized to expend from the county mental health and institutions fund established by section 444.12 funds for psychiatric examination and treatment of persons in need thereof, or for professional evaluation, treatment, and habilitation of mentally retarded persons, in each county which has facilities available for such treatment, and any county not having such facilities may contract through its board of supervisors with any other county, which has facilities for psychiatric examination and treatment or for professional evaluation, treatment, and habilitation of mentally retarded persons, for the use thereof. However, the
county board of supervisors shall not expend from such fund for treatment other than in a state institution an amount which would exceed eight dollars per capita for counties having less than forty thousand population. [C97, §230.8; S13, §230.8; C24, 27, 31, 35, 39, §3604; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §230.24]

230.25 Financial investigation by supervisors. 1. Upon receipt from the county auditor of the list of names furnished pursuant to section 230.21, the board of supervisors shall make an investigation to determine the ability of each person whose name appears on the list, and also the ability of any person liable under section 230.15 for the support of that person, to pay the expenses of that person's hospitalization. If the board finds that neither the hospitalized person nor any person legally liable for his or her support is able to pay those expenses, they shall direct the county auditor not to index the names of any of those persons as would otherwise be required by section 230.26. However the board may review its finding with respect to any person at any subsequent time at which another list is furnished by the auditor upon which that person's name appears. If the board finds upon review that that person or those legally liable for his or her support are presently able to pay the expenses of that person's hospitalization, that finding shall apply only to charges stated upon the certificate from which the list was drawn up and any subsequent charges similarly certified, unless and until the board again changes its finding.

2. All liens created under section 230.25, as that section appeared in the Code of 1975 and prior editions of the Code, are abolished effective January 1, 1977, except as otherwise provided by subsection 1. The board of supervisors of each county shall, as soon as practicable after July 1, 1976, review all liens resulting from the operation of said section 230.25, Code 1975, and make a determination as to the ability of the person against whom the lien exists to pay the charges represented by the lien, and if they find that the person is able to pay those charges they shall direct the county attorney of that county to take immediate action to enforce the lien. If action is commenced under this section on any lien prior to the effective date of the abolition thereof, that lien shall not be abolished but shall continue until the action is completed. The board of supervisors shall release any such lien when the charge on which the lien is based is fully paid or is compromised and settled by the board in such manner as its members deem to be in the best interest of the county, or when the estate affected by the lien has been probated and the proceeds allowable have been applied on the lien. [C39, §3604.1; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §230.25]

230.26 Auditor to keep record. The auditor of each county shall keep an accurate account of the cost of the maintenance of any patient kept in any institution as provided for in this chapter and keep an index of the names of the persons admitted or committed from such county. The name of the husband or the wife of such person designating such party as the spouse of the person admitted or committed shall also be indexed in the same manner as the names of the persons admitted or committed are indexed. The book shall be designated as an account book or index, and shall have no reference in any place to a lien. [C97, §3604.2; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §230.26]

230.27 Board and county attorney to collect. It shall be the duty of the board of supervisors to collect said claims and direct the county attorney to proceed with the collection of said claims as a part of the duties of his office. [C97, §3604.3; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §230.27]

230.28 and 230.29 Repealed by 66GA, ch 1104, §17.

230.30 Claim against estate. On the death of a person receiving or who has received assistance under the provisions of this chapter, and whom the board has previously found, under section 230.25, is able to pay there shall be allowed against the estate of such decedent a claim of the sixth class for that portion of the total amount paid for that person's care which exceeds the total amount of all claims of the first through the fifth classes, inclusive, as defined in section 633.425, which are allowed against that estate. [C97, §3604.6; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §230.30]

230.31 Departures from other states. When any mentally ill person departs without proper authority from an institution in another state and is found in this state, any peace officer in any county in which such patient is found may take and detain him without order and shall report such detention to the state director who shall provide for the return of such patient to the authorities of the state where the unauthorized leave was made. Pending such return such patient may be detained temporarily at one of the institutions of this state governed by the state director or any other director of the state department of social services. Expenses incurred under this section shall be paid in the same manner as is provided for transfers in section 230.8. [C58, 62, 66, 71, 73, 75, 77, 79, §230.31]

230.32 Support of nonresident patients on leave. The cost of support of patients without legal settlement in this state, who are placed on convalescent leave or removed from a state mental institute to any health care facility licensed under chapter 135C for rehabilitation purposes, shall be paid from the hospital support fund and shall be charged on abstract in the same manner as state inpatients, until such time as the patient becomes self-supporting or qualifies for support under existing statutes. [C66, 71, 73, 75, 77, 79, §230.32]

230.33 Reciprocal agreements. The state director is hereby authorized to enter into agreements with other states, through their duly constituted authorities, to effect the reciprocal return of mentally ill and mentally retarded persons to the contracting states, and to effect the reciprocal supervision of persons on convalescent leave.
Provided that in the case of a proposed transfer of a mentally ill or mentally retarded person from this state that no final action be taken without the approval either of the commission of hospitalization, or of the district court, of the county of admission or commitment. [C66, 71, 73, 75, 77, 79, §230.33]

230.34 "Director" defined. As used in this chapter, "director" or "state director" means the director of the division of mental health of the department of social services. [C71, 73, 75, 77, 79, §230.34]

230.35 Releasing liens. A lien obtained pursuant to an action to collect any claim arising under this chapter shall be released by the board of supervisors when the claim or claims on which the lien is based have been fully paid or compromised and settled by the board, or when the estate of which the real estate subject to the lien is a part has been probated and the proceeds allowable have been applied to the claim or claims on which the lien is based. [C79, §230.35]

CHAPTER 230A

COMMUNITY MENTAL HEALTH CENTERS

230A.1 Establishment and support of community mental health centers. A county or affiliated counties having a total or combined population of thirty-five thousand or more may by action of the board or boards of supervisors, with approval of the Iowa mental health authority, establish a community mental health center to serve the county or counties. In establishing the community mental health center, the board of supervisors of each county involved may make a single nonrecurring expenditure from the county mental health and institutions fund in an amount not exceeding two hundred fifty dollars per thousand population or major fraction thereof in the county, but no such expenditure shall be made under this section by any county which has prior to July 1, 1974, expended funds to assist in establishment of a community mental health center under section 230.24, second paragraph, Code 1973. Nothing in this section shall limit the authority of the board or boards of supervisors of any county or group of counties, which prior to July 1, 1974, established or joined in establishing a community mental health center in a manner consistent with the requirements of section 230A.3, to continue to expend money from the county mental health and institutions fund to support operation of the center, and to form agreements with the board of supervisors of any additional county for that county to join in supporting and receiving services from or through the center. [C66, 71, 73, §230A.24; C75, 77, 79, §230A.1]

230A.2 Services offered. A community mental health center established or operating as authorized by section 230A.1 may offer to residents of the county or counties it serves any or all of the following services:

1. Diagnostic and treatment services for persons suffering from mental illness, mental retardation, emotional disorders, other debilitating psychiatric conditions and alcoholism or drug addiction or dependency; provided, however, that an individual whose primary illness is diagnosed as being an alcoholic shall be referred to a facility defined in chapter 125 if such a facility exists in the county where the community mental health center is located. The services may be provided, as indicated by the needs of the person served, on:
   a. An outpatient basis, or
   b. A partial hospitalization basis, or
   c. An inpatient basis.

2. Aftercare and, where indicated, rehabilitative services for persons who have received services under subsection 1, or have been treated by a state mental health institute or other psychiatric facility, and upon request of a state mental health institute or other psychiatric facility, prehospitalization services to persons seeking, awaiting, or being considered for admission or commitment to such facility.

3. Emergency mental health services, which shall be continuously available on a twenty-four hour a day basis.

4. Collaborative and co-operative programs and services with public health and other groups for prevention of mental illness, emotional disorders and other debilitating psychiatric conditions.

5. Informational and educational services to the general public and professional groups.
6. Consultative services to schools, courts and health and welfare agencies.

7. In-service training, research and evaluation. [C75, 77, 79,§230A.2]

230A.3 Forms of organization. Each community mental health center established or continued in operation as authorized by section 230A.1 shall be organized and administered in accordance with one of the two alternative forms prescribed by this chapter. The two alternative forms are:

1. Direct establishment of the center by the county or counties supporting it and administration of the center by an elected board of trustees, pursuant to sections 230A.4 to 230A.11.

2. Establishment of the center by a nonprofit corporation providing services to the county or counties on the basis of an agreement with the board or boards of supervisors, pursuant to sections 230A.12 and 230A.13. [C75, 77, 79,§230A.3]

230A.4 Trustees—qualifications—manner of selection. When the board or boards of supervisors of a county or affiliated counties decides to directly establish a community mental health center the supervisors, acting jointly in the case of affiliated counties, shall appoint a board of community mental health center trustees to serve until the next succeeding general election. The board of trustees shall consist of at least seven members each of whom shall be a resident of the county or one of the counties served by the center. No employee of the center shall be eligible for the office of community mental health center trustee. At the first general election following establishment of the center, all members of the board of trustees shall be elected. They shall assume office on the second secular day of the following January, and shall at once divide themselves by lot into three classes of as nearly equal size as possible. The first class shall serve for terms of two years, the second class for terms of four years, and the third class for terms of six years. 230A.16 Establishment of standards. The Iowa mental health authority, with approval of the committee on mental hygiene and subject to the provisions of chapter 17A, shall formulate and adopt and may from time to time revise standards for community mental health centers and comprehensive community mental health programs, with the overall objective of ensuring that each center and each affiliate providing services under contract with a center furnishes high quality mental health services within a framework of accountability to the community it serves. The standards shall be in substantial conformity with those of the psychiatric committee of the joint committee on accreditation of hospitals and other recognized national standards for evaluation of psychiatric facilities unless in the judgment of the Iowa mental health authority, with approval of the committee on mental hygiene, there are sound reasons for departing from such standards. When formulating or revising standards under this section, the Iowa mental health authority shall designate an advisory committee representing boards of directors and professional staff of community mental health centers to assist in the formulation or revision of standards. The standards established under this section shall include requirements that each community mental health center established or operating as authorized by section 230A.1 shall:
1. Maintain and make available to the public a written statement of the services it offers to residents of the county or counties it serves, and employ or contract for services with affiliates employing specified minimum numbers of professional personnel possessing specified appropriate credentials to assure that the services offered are furnished in a manner consistent with currently accepted professional standards in the field of mental health.

2. Unless it is governed by a board of trustees elected or selected under sections 230A.5 and 230A.6, be governed by a board of directors which adequately represents interested professions, consumers of the center's services, socioeconomic, cultural and age groups, and various geographical areas in the county or counties served by the center.

3. The financial condition and transactions of each community mental health center shall be audited once each year by the auditor of state; provided, however, that in lieu of an audit by state accountants, the local governing body of a community mental health center organized under the terms of this chapter in case it elects to do so, may contract with or employ certified public accountants to conduct such audit, pursuant to the applicable terms and conditions prescribed by sections 11.18 and 11.19 and audit format prescribed by the auditor of state. The cost of the review shall be paid by the Iowa mental health authority. [C75, 77, 79.§230A.17]

230A.18 Report of review and evaluation. Upon completion of a review made pursuant to section 230A.17, the reviewing team shall submit its findings to the board of directors and chief medical or administrative officer of the center in such manner as the team members deem most appropriate. If the reviewing team concludes that the center fails to meet any of the standards established pursuant to section 230A.16, subsection 1, and that the response of the center to this finding is unsatisfactory, these conclusions shall be reported to the committee on mental hygiene which may forward the conclusions to the board of directors of the center and request an appropriate response within a reasonable period of time. If no response is received within a reasonable period of time, or if the response is unsatisfactory, the committee may as its ultimate sanction call this fact to the attention of the board of supervisors of the county or counties served by the center, and in doing so shall indicate what corrective steps have been recommended to the center's board of directors. [C75, 77, 79.§230A.18]
The judge of the juvenile court may appoint a referee in juvenile court proceedings. The referee shall be qualified for his or her duties by training which includes being a licensed attorney and by experience and shall hold office at the pleasure of the judge. The compensation of the referee shall be fixed by the judge. The judge may direct that any case or class of cases arising under chapter 232 or chapter 600A shall be heard in the first instance by the referee in the manner provided for the hearing of cases by the court.

Upon the conclusion of a hearing held as provided herein, the referee shall transmit to the judge findings of fact. Notice of the findings of fact of the referee, together with a statement concerning the right to a rehearing, shall be given to the parties to the proceeding heard by the referee, including the parents, guardian or custodian of a minor, and to any other interested person as the court may direct. This notice may be given orally at the hearing, or by certified mail or other service as directed by the court.

The parties to a proceeding heard before the referee shall be entitled to a rehearing by the judge of the juvenile court if requested within seven days after receiving notice of the findings of fact of the referee. In the interest of justice, the court may allow a rehearing at any time. If a rehearing is not requested, the court may enter any appropriate order based upon the referee's findings of fact.

In counties having a population of more than two hundred fifty thousand, the judge of the juvenile court may appoint a director of court services and shall fix his compensation. [C24, 27, 31, 35, 39,§3607; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§231.3; 68GA, ch 1022,§3]

Referred to in §602.32

[C24, 27, 31, 35, 39,§3608; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§231.4]

The judge designated as judge of the juvenile court in any county, or where there is more than one judge designated such judges acting jointly, may appoint such probation officers as may be necessary to carry out the work of the court. In counties where more than one officer is appointed one of such officers shall be designated as chief probation officer. The salaries of such officers shall be fixed by a probation officer committee of three judicial officers of the judicial district appointed by the chief judge of the district. One member of the committee shall be a district judge, district associate judge or magistrate regularly assigned to preside over the juvenile court within a county in that district.

Probation officers may be appointed to serve two or more counties. The salaries of such officers and their deputies, if any, shall be fixed by the probation officer committee of district court judges appointed by the chief judge of the judicial district and such salaries and the expenses of the probation offices shall be prorated among the counties served in such proportion as may be determined by the committee of district court judges appointed by the chief judge of the judicial district who shall in making such determination, consider the volume of work in the several counties.

Program length shall be not less than four consecutive weeks of five days each and not more than seven such weeks. The program shall be offered twice each calendar year.

Administration of the program shall be vested in a Training Committee comprised of five members appointed by the Supreme Court. The committee shall make an annual report to the Supreme Court by December 31 of each year. Included therein shall be relevant data regarding the curriculum, operation, standards, and the degree of participation in both the basic training program and the administrative training sessions.

3. When there is reason to believe that a child placed in shelter care pursuant to section 232.19, subsection 1, paragraph "c" would not voluntarily remain in the shelter care facility, the shelter care facility shall impose reasonable restrictions necessary to insure the child's continued custody.
4. A child placed in a shelter care facility under this section shall not be held for a period in excess of forty-eight hours without a court order authorizing such shelter care. A child placed in shelter care pursuant to section 232.19, subsection 1, paragraph "c" shall not be held in excess of seventy-two hours in any event.
5. If no satisfactory provision is made for uniting a child placed in shelter care pursuant to section 232.19, subsection 1, paragraph "c" with his or her family, a child in need of assistance complaint may be filed pursuant to section 232.81. Nothing in this subsection shall limit the right of a child to file a family in need of assistance petition under section 232.125. 1. No child shall be placed in detention unless:
   a. The child is being held under warrant for another jurisdiction;

   c. There is probable cause to believe that the child has violated conditions of release imposed under section 232.54 or 232.44, subsection 5, paragraph "b" and there is a substantial probability that the child will run away or otherwise be unavailable for subsequent court appearance;
   d. There is probable cause to believe the child has committed a delinquent act, and:
      (1) There is a substantial probability that the child will run away or otherwise be unavailable for subsequent court appearance;
      (2) There is a serious risk that the child if released may commit an act which would inflict serious bodily harm on the child or on another;
      (3) There is a serious risk that the child if released may commit serious damage to the property of others.
2. A child may be placed in detention as provided in this section only in one of the following facilities:
   a. A juvenile detention home.
   b. Any other suitable place designated by the court.
   c. A room in a facility intended or used for the detention of adults if there is probable cause to believe that the child has committed a delinquent act, and if:
§232.22, JUVENILE JUSTICE 1190

(1) The child is at least fourteen years of age; and
(2) The child has shown by his or her conduct, habits, or condition that he or she constitutes an immediate and serious danger to himself or herself or to another, or to the property of another and a facility or place enumerated in paragraph "a" or "b" of this subsection is unavailable, or the court determines that the child's conduct or condition endangers the safety of others in the facility; and
(3) The facility has an adequate staff to supervise and monitor the child's activities at all times; and
(4) The child is confined in a room entirely separated from adults.

d. A place used for the detention of children prior to an adjudicatory hearing may also be used for the detention of a child awaiting disposition to a placement under section 232.52, subsection 2, paragraph "e" while the adjudicated child is awaiting transfer to the disposition placement.

PART 3

INTAKE

232.28 Intake.

1. Any person having knowledge of the facts may file a complaint with the court or its designee alleging that a child has committed a delinquent act.

2. The court or its designee shall refer the complaint to an intake officer who shall conduct a preliminary inquiry to determine what action should be taken.

3. In the course of a preliminary inquiry, the intake officer may:

a. Interview the complainant, victim or witnesses of the alleged delinquent act.

b. Check existing records of the court, law enforcement agencies and public records of other agencies.

c. Hold conferences with the child and his or her parent or parents, guardian or custodian for the purpose of interviewing them and discussing the disposition of the complaint in accordance with the requirements set forth in subsection 8.

d. Examine any physical evidence pertinent to the complaint.

e. Interview such persons as are necessary to determine whether the filing of a petition would be in the best interests of the child and the community as provided in section 232.35, subsections 2 and 3.

4. Any additional inquiries may be made only with the consent of the child and his or her parent or parents, guardian or custodian.

5. Participation of the child and his or her parent or parents, guardian or custodian in a conference with an intake officer shall be voluntary, and they shall have the right to refuse to participate in such conference. At such conference the child shall have the right to the assistance of counsel in accordance with section 232.11 and the right to remain silent when questioned by the intake officer.

6. The intake officer, after consultation with the county attorney when necessary, shall determine whether the complaint is legally sufficient for the filing of a petition. A complaint shall be deemed legally sufficient for the filing of a petition if the facts alleged are sufficient to establish the jurisdiction of the court and probable cause to believe that the child has committed a delinquent act. If the intake officer determines that the complaint is legally sufficient to support the filing of a petition, the officer shall determine whether the interests of the child and the public will best be served by the dismissal of the complaint, the informal adjustment of the complaint, or the filing of a petition.

7. If the intake officer determines that the complaint is not legally sufficient for the filing of a petition or that further proceedings are not in the best interests of the child or the public, the intake officer shall dismiss the complaint.

8. If the intake officer determines that the complaint is legally sufficient for the filing of a petition and that an informal adjustment of the complaint is in the best interests of the child and the community, the officer may make an informal adjustment of the complaint in accordance with section 232.29.

9. If the intake officer determines that the complaint is legally sufficient for the filing of a petition and that the filing of a petition is in the best interests of the juvenile and the public, the officer shall request the county attorney to file a petition in accordance with section 232.35. [SS15,§254-a15; C24, 27, 31, 35, 39,§3621; C46, 50, 54, 58, 62,§232.5; C66, 71, 73, 75, 77,§232.3; C79,§232.28; 68GA, ch 56,§5]

232.29 Informal adjustment.

1. The informal adjustment of a complaint is a permissible disposition of a complaint at intake subject to the following conditions:

a. The child has admitted his or her involvement in a delinquent act.

b. The intake officer shall advise the child and his or her parent, guardian or custodian that they have the right to refuse an informal adjustment of the complaint and demand the filing of a petition and a formal adjudication.

c. Any informal adjustment agreement shall be entered into voluntarily and intelligently by the child with the advice of his or her attorney, or by the child with the consent of a parent, guardian, or custodian if the child is not represented by counsel.

d. The terms of such agreement shall be clearly stated in writing and signed by all parties to the agreement and a copy of this agreement shall be given to the child; the counsel for the child; the par-
ent, guardian or custodian; and the intake officer, who shall retain the copy in the case file.

e. An agreement providing for the supervision of a child by a juvenile probation officer or the provision of intake services shall not exceed six months.

f. An agreement providing for the referral of a child to a public or private agency for services shall not exceed six months.

g. The child and his or her parent, guardian or custodian shall have the right to terminate such agreement at any time and to request the filing of a petition and a formal adjudication.

h. If an informal adjustment of a complaint has been made, a petition based upon the events out of which the original complaint arose may be filed only during the period of six months from the date the informal adjustment agreement was entered into. If a petition is filed within this period the child's compliance with all proper and reasonable terms of the agreement shall be grounds for dismissal of the petition by the court.

i. The person performing the duties of intake officer shall file a report at least annually with the court listing the number of informal adjustments made during the reporting time, the conditions imposed in each case, the number of informal adjustments resulting in dismissal without the filing of a petition, and the number of informal adjustments resulting in the filing of a petition upon the original complaint.

PART 4

JUDICIAL PROCEEDINGS

232.35 Filing of petition.
1. A formal judicial proceeding to determine whether a child has committed a delinquent act shall be initiated by the filing by the county attorney of a petition alleging that a child has committed a delinquent act.

2. If the intake officer determines that a complaint is legally sufficient for the filing of a petition alleging that a child has committed a delinquent act and that the filing of a petition would be in the best interests of the child and the community, the officer shall submit a written request for the filing of a petition to the county attorney. The county attorney may grant or deny the request of the intake officer for the filing of a petition. A determination by the county attorney that a petition should not be filed shall be final.

3. If the intake officer determines that a complaint is not legally sufficient for the filing of a petition or that the filing of a petition would not be in the best interests of the child and the community, the officer shall notify the complainant of his or her determination and the reasons for such determination, and shall advise the complainant that he or she may submit the complaint to the county attorney for review. Upon receiving a request for review, the county attorney shall consider the facts presented by the complainant, consult with the intake officer and make the final determination as to whether a petition should be filed. In the absence of a request by the complainant for a review of the intake officer's determination that a petition should not be filed, the officer's determination shall be final. [SS15, §254-a15; C24, 27, 31, 35, 39, §3621; C46, 50, 54, 58, 62, §232.5; C66, 71, 73, 75, 77, §232.3; C79, §232.35]
Referred to in §232.28

232.36 Contents of petition.
1. The petition and subsequent court documents shall be entitled "In the interests of . . . . . . . . . , a child."

2. The petition shall be verified and any statements in the petition may be made upon information and belief.

3. The petition shall set forth plainly:
   a. The name, age, and residence of the child who is the subject of the petition.
   b. The names and residences of any:
      (1) Living parent of the child.
      (2) Guardian of the child.
      (3) Legal custodian of the child.
      (4) Guardian ad litem.
   c. With reasonable particularity, the time, place and manner of the delinquent act alleged and the penal law allegedly violated by such act.

4. If any of the facts required under subsection 3, paragraphs "a" and "b" are not known by the petitioner, the petition shall so state.

5. The petition shall set forth plainly the nearest known relative of the child if no parent or guardian can be found. [SS15, §254-a15; C24, 27, 31, 35, 39, §3621, 3622; C46, 50, 54, 58, 62, §232.5, 232.6; C66, 71, 73, 75, 77, §232.3; C79, §232.36]
Referred to in §232.87

232.37 Summons, notice, subpoenas and service.
1. After a petition has been filed the court shall set a time for an adjudicatory hearing and unless the parties named in subsection 2 voluntarily appear, shall issue a summons requiring the child to appear before the court at a time and place stated and requiring the person who has custody or control of the child to appear before the court and to bring the child with him or her at that time. The summons shall attach a copy of the petition and shall give notification of the right to counsel provided for in section 232.11.

2. Notice of the pendency of the case shall be served upon the known parent, guardian or legal custodian of a child if this person is not summoned to appear as provided in subsection 1. Notice shall also be served upon the child and upon the child's guardian ad litem, if any. The notice shall attach a copy of the petition and shall give notification of the right to counsel provided for in section 232.11.

3. Upon request of the child who is identified in the petition as a party to the proceeding, the child's parent, guardian or custodian, a county attorney or on the court's own motion, the court or the clerk of the court shall issue subpoenas requiring the attendance and testimony of witnesses and production of papers at any hearing under this division.

4. Service of summons or notice shall be made personally by the delivery of a copy thereof to the person being served. If the court determining that
personal service of a summons or notice is impracticable, the court may order service by certified mail addressed to the last known address or by publication or both. Service of summons or notice shall be made not less than five days before the time fixed for hearing. Service of summons, notice, subpoenas or other process, after an initial valid summons or notice, shall be made in accordance with the rules of the court governing such service in civil actions.

5. If a person personally served with a summons or subpoena fails without reasonable cause to appear or to bring the child, the person may be proceeded against for contempt of court or the court may issue an order for the arrest of such person or both the arrest of the person and the taking into custody of the child.

6. The court may issue an order for the removal of the child from the custody of his or her parent, guardian or custodian when there exists an immediate threat that the parent, guardian or custodian will flee the state with the child, or when it appears that the child's immediate removal is necessary to avoid imminent danger to the child's life or health. 232.38 Presence of parents at hearings.
1. Any hearings or proceedings under this division subsequent to the filing of a petition shall not take place without the presence of one or both of the child's parents, guardian or custodian except that a hearing or proceeding may take place without such presence if the parent, guardian or custodian fails to appear after reasonable notification, or if the court finds that a reasonably diligent effort has been made to notify the child's parent, guardian, or custodian, and the effort was unavailing.

2. In any such hearings or proceedings the court may temporarily excuse the presence of the parent, guardian or custodian when the court deems it in the best interests of the child. Counsel for the parent, guardian or custodian shall have the right to participate in a hearing or proceeding during the absence of the parent, guardian or custodian. [SS15,$254-a16; C24, 27, 31, 35, 39,$3631; C46, 50, 54, 58, 62,$232.15; C66, 71, 73, 75, 77,$232.11, 232.30; C79,$232.38]

232.39 Exclusion of public from hearings. At any time during the proceedings, the court, on the motion of any of the parties or upon the court's own motion, may exclude the child from hearings under this division if the court determines that the possibility of damage or harm to the juvenile outweighs the public's interest in having an open hearing. Upon closing the hearing to the public, the court may admit those persons who have direct interest in the case or in the work of the court. [C24, 27, 31, 35, 39,$3635; C46, 50, 54, 58, 62,$232.19; C66, 71, 73, 75, 77,$232.27; C79,$232.39]

232.40 Other issues adjudicated. When it appears during the course of any hearing or proceeding that some action or remedy other than those indicated by the application or pleading is appropriate, the court, with the consent of all necessary parties, may proceed to hear and determine the additional or other issues as though originally properly sought and pleaded. [C66, 71, 73, 75, 77,$232.12; C79,$232.40]

232.41 Reporter required. Stenographic notes or mechanical or electronic recordings shall be taken of all court hearings held pursuant to this division unless waived by the parties. The child shall not be competent to waive the reporting requirement, but waiver may be made for the child by the child's counsel or guardian ad litem. Matters which must be reported under the provisions of this section shall be reported in the same manner as required in section 624.9. [C66, 71, 73, 75, 77,$232.32; C79,$232.41; 68GA, ch 56,§6]

232.42 Continuances.
1. Continuances in juvenile delinquency proceedings may be granted by the court only for good cause shown on the record if the child is being held in detention.

2. Where the child requests a continuance of proceedings, the court, in an order granting the continuance, may suspend the time limitations imposed on the state by this division for a period of time not to exceed the length of the continuance. [S13,$254-a23; C24, 27, 31, 35, 39,$3637; C46, 50, 54, 58, 62,$232.21; C66, 71, 73, 75, 77,$232.34; C79,$232.13, 232.42; 68GA, ch 56,§7]

232.43 Answer—plea agreement—acceptance of plea admitting allegations of petition.
1. A written answer to a delinquency petition need not be filed by the child, but any matters which might be set forth in an answer or other pleading may be filed in writing or pleaded orally before the court.

2. The county attorney and the child's counsel may mutually consider a plea agreement which contemplates entry of a plea admitting the allegations of the petition in the expectation that other charges will be dismissed or not filed or that a specific disposition will be recommended by the county attorney and granted by the court. Any plea discussion shall be open to the child and the child's parent, guardian or custodian.

3. The court shall not accept a plea admitting the allegations of the petition without first addressing the child personally in court, determining that the plea is voluntary and not the result of any force or threats or promises other than promises made in connection with a plea agreement and informing the child of and determining that the child understands the following:

a. The nature of the allegations of the petition to which the plea is offered.

b. The severest possible disposition and the maximum length of such disposition which the court may order if the court accepts the plea.

c. The child has the right to deny the allegations of the petition.

d. If the child admits the allegations of the petition the child waives the right to a further adjudicatory hearing.
4. The court shall not accept a plea admitting the allegations of the petition without first addressing the county attorney and the child's counsel in court and making an inquiry into whether such a plea is the result of a plea agreement. The court shall require the disclosure of the terms of any such agreement in court. If a plea agreement has been reached which contemplates entry of the plea in the expectation that the court will order a specific disposition or dismiss other charges against the child before the court, the court shall state to the parties whether the court will concur in the proposed disposition or dismissal of charges. If the court will not concur in such disposition or dismissal, the court should advise the child personally of this fact, advise the child that the disposition of the case may be less favorable to the child than that contemplated by the plea agreement, and afford the child the opportunity to withdraw the plea. If the court defers decision as to whether the court will concur with the proposed disposition or dismissal until there has been an opportunity to consider the predisposition report, the court shall advise the child that the court is not bound by the plea agreement and afford the child the opportunity to withdraw the plea.

5. The court shall not accept a plea admitting the allegations of the petition without:
   a. Determining that there is a factual basis for the plea.
   b. Determining that the child was given effective assistance of counsel prior to tender of the plea.
   c. Inquiring of the parent or parents who are present in court whether they agree as to the course of action that their child has chosen. If either parent expresses disagreement with the plea, the court may refuse to accept that plea.

6. If the court determines that a plea is not in the child's best interest it may refuse to accept that plea regardless of the agreement of the parties. [C79,§232.43]

232.44 Detention or shelter care hearing—release from detention upon change of circumstance.

1. A hearing shall be held within forty-eight hours, excluding Saturdays, Sundays and legal holidays, of the time of the child's admission to a detention or shelter care facility. If the hearing is not held within the time specified, the child shall be released from shelter care or detention. Prior to the hearing a petition shall be filed, except where the child is already under the supervision of a juvenile court under a prior judgment.

2. The county attorney or a juvenile probation officer may apply for a hearing at any time after the petition is filed to determine whether the child who is the subject of the petition should be placed in detention or shelter care. The court may upon the application or upon its own motion order such hearing.

3. A notice stating the time, place, and purpose of the hearing shall be served personally upon the child, the child's attorney, the child's guardian ad litem if any, and the child's known parent, guardian or custodian not less than twenty-four hours before the time the hearing is scheduled to begin. If the court finds that there has been reasonably diligent effort to give notice to a parent, guardian or custodian and that the effort has been unavailing, the hearing may proceed without such notice having been served.

4. At the hearing the court shall admit only testimony and other evidence relevant to the determination of whether there is probable cause to believe the child has committed the act as alleged in the petition and to the determination of whether the placement of the child in detention or shelter care is authorized under sections 232.21 or 232.22. Any written reports or records made available to the court at the hearing shall be made available to the parties. A copy of the petition shall be given to each of the parties at or before the hearing.

5. The court shall find release to be proper under the following circumstances:
   a. If the court finds that there is not probable cause to believe that the child is a child within the jurisdiction of the court under this chapter, it shall release the child and dismiss the petition.
   b. If the court finds that detention or shelter care is not authorized under sections 232.21 or 232.22, or is authorized but not warranted in a particular case, the court shall order the child's release, and in so doing, may impose one or more of the following conditions:
      (1) Place the child in the custody of a parent, guardian or custodian under that person's supervision, or under the supervision of an organization which agrees to supervise the child.
      (2) Place restrictions on the child's travel, association, or place of residence during the period of release.
      (3) Impose any other condition deemed reasonably necessary and consistent with the grounds for detaining children specified in sections 232.21 or 232.22, including a condition requiring that the child return to custody as required.
   c. An order releasing a child on conditions specified in this section may be amended at any time to impose equally or less restrictive conditions. The order may be amended to impose additional or more restrictive conditions, or to revoke the release, if the child has failed to conform to the conditions originally imposed.

6. If the court finds that there is probable cause to believe that the child is within the jurisdiction of the court under this Act and that full-time detention or shelter care is authorized under sections 232.21 or 232.22, it may issue an order authorizing either shelter care or detention until the adjudicatory hearing is held or for a period not exceeding seven days whichever is shorter.

7. If a child held in shelter care or detention by court order has not been released after a detention hearing or has not appeared at an adjudicatory hearing before the expiration of the order of detention, an additional hearing shall automatically be scheduled for the next court day following the expiration of the order. The child, the child's counsel, the child's guardian ad litem, and the child's parent, guardian or custodian shall be notified of this hearing not less than twenty-four hours before the hearing is scheduled to take place.

8. A child held in a detention or shelter care facility under order of court after a hearing may be re-
leased upon a showing that a change of circumstances makes continued detention unnecessary.

9. A written request for the release of the child, setting forth the changed circumstances, may be filed by the child, by a responsible adult on the child's behalf, by the child's custodian, or by the juvenile probation officer.

10. Based upon the facts stated in the request for release the court may grant or deny the request without a hearing, or may order that a hearing be held at a date, time and place determined by the court. Notice of the hearing shall be given to the child and his or her custodian or counsel. Upon receiving evidence at the hearing, the court may release the child to the child's custodian or other suitable person, or may deny the request and remand the child to the detention or shelter care facility. [C79,§232.44]

Referred to in §229.9, §221.11, §222.2, §222.45

232.45 Waiver hearing and waiver of jurisdiction.

1. After the filing of a petition which alleges that a child has committed a delinquent act on the basis of an alleged commission of a public offense and before an adjudicatory hearing on the merits of the petition is held, the county attorney or the child may file a motion requesting the court to waive its jurisdiction.

2. The court shall hold a waiver hearing on all such motions.

3. A notice that states the time, place, and purpose of the waiver hearing shall be issued and served in the same manner as for adjudicatory hearings as provided in section 232.37. Summons, subpoenas and other process may be issued and served in the same manner as for adjudicatory hearings as provided in section 232.37.

4. Prior to the waiver hearing, the juvenile probation officer or other person or agency designated by the court shall conduct an investigation for the purpose of collecting information relevant to the court's decision to waive its jurisdiction over the child and shall submit a report concerning such investigation to the court. The report shall include any recommendations made concerning waiver. Prior to the hearing the court shall provide the child's counsel and the county attorney with access to the report and to all written material to be considered by the court.

5. At the waiver hearing all relevant and material evidence shall be admitted.

6. At the conclusion of the waiver hearing the court may waive its jurisdiction over the child if:

a. The child is fourteen years of age or older; and

b. The court determines, or has previously determined in a detention hearing under section 232.44, that there is probable cause to believe that the child has committed a delinquent act which would constitute a public offense; and

c. The court determines that the state has established that there are not reasonable prospects for rehabilitating the child in the event the juvenile court retains jurisdiction over the child and the child is adjudicated to have committed a delinquent act, and that waiver of the court's jurisdiction would be in the best interest of the child or the community.

7. In making the determination required by subsection 6, paragraph ‘c’, the factors which the court shall consider include but are not limited to the following:

a. The nature of the alleged delinquent act and the circumstances under which it was committed.

b. The nature and extent of the child's prior contacts with juvenile authorities, including past efforts of such authorities to treat and rehabilitate the child and the response to such efforts.

c. The programs, facilities and personnel available to the juvenile court for rehabilitation and treatment of the child, and the programs, facilities and personnel which would be available to the court that would have jurisdiction in the event the juvenile court waives its jurisdiction so that the child can be prosecuted as an adult.

8. If at the conclusion of the hearing the court waives its jurisdiction over the child, the court shall make and file written findings as to its reasons for waiving its jurisdiction.

9. If the court waives jurisdiction, statements made by the child after being taken into custody and prior to intake are admissible as evidence in chief against the child in subsequent criminal proceedings provided that the statements were made with the advice of the child's counsel or after waiver of the child's right to counsel and provided that the court finds the child had voluntarily waived the right to remain silent. Other statements made by a child are admissible as evidence in chief provided that the court finds the statements were voluntary. In making its determination, the court may consider any factors it finds relevant and shall consider the following factors:

a. Opportunity for the child to consult with a parent, guardian, custodian, lawyer or other adult.

b. The age of the child.

c. The child's level of education.

d. The child's level of intelligence.

e. Whether the child was advised of his or her constitutional rights.

f. Length of time the child was held in shelter care or detention before making the statement in question.

g. The nature of the questioning which elicited the statement.

h. Whether physical punishment such as deprivation of food or sleep was used upon the child during the shelter care, detention, or questioning.

Statements made by the child during intake or at a waiver hearing held pursuant to this section are not admissible as evidence in chief against the child in subsequent criminal proceedings over the child's objection in any event.

10. If the court waives its jurisdiction over the child so that the child may be prosecuted as an adult, the judge who made the waiver decision shall not preside at any subsequent proceedings in connection with that prosecution over the objection of the child.

11. If a child who is alleged to have delivered, manufactured, or possessed with intent to deliver or manufacture, a controlled substance except marijuana, as defined in chapter 224, is waived to district court for prosecution, the mandatory minimum sentence provided in section 224.413 shall not be imposed if a conviction is had; however, each child convicted
of such an offense shall be confined for not less than thirty days in a secure facility.

Upon application of a person charged or convicted under the authority of this subsection, the district court shall order the records in the case sealed if:

a. Five years have elapsed since the final discharge of that person; and

b. The person has not been convicted of a felony or an aggravated or serious misdemeanor, or adjudicated a delinquent for an act which if committed by an adult would be a felony, or an aggravated or serious misdemeanor since the final discharge of that person. [C79,§232.45]

232.46 Consent decree.

1. At any time after the filing of a petition and prior to entry of an order of adjudication pursuant to section 232.47, the court may suspend the proceedings on motion of the county attorney or the child's counsel, enter a consent decree, and continue the case under terms and conditions established by the court. These terms and conditions may include the supervision of the child by a juvenile probation officer or other agency or person designated by the court.

2. A consent decree shall not be entered unless the child and his or her parent, guardian or custodian is informed of the consequences of the decree by the court and the court determines that the child has voluntarily and intelligently agreed to the terms and conditions of the decree. If the county attorney object to the entry of a consent decree, the court shall proceed to determine the appropriateness of entering a consent decree after consideration of any objections or reasons for entering such a decree.

3. A consent decree shall remain in force for six months unless the child is sooner discharged by the court or by the juvenile probation officer or other agency or person supervising the child. Upon application of a juvenile probation officer or other agency or person supervising the child made prior to the expiration of the decree and after notice and hearing, or upon agreement by the parties, a consent decree may be extended for an additional six months by order of the court.

4. When a child has complied with the express terms and conditions of the consent decree for the required amount of time or until earlier dismissed as provided in subsection 3, the original petition may not be reinstated. However, failure to so comply may result in the child's being thereafter held accountable as if the consent decree had never been entered.

5. A child who is discharged or who completes a period of continuance without the reinstatement of the original petition shall not be proceeded against in any court for a delinquent act alleged in the petition. [C79,§232.46]

232.47 Adjudicatory hearing—findings—adjudication.

1. If a child denies the allegations of the petition, that child may be found to be delinquent only after an adjudicatory hearing conducted in accordance with the provisions of this section.

2. The court shall hear and adjudicate all cases involving a petition alleging a child to have committed a delinquent act.

3. The child shall have the right to adjudication by an impartial finder of fact. A judge of the juvenile court may not serve as the finder of fact over objection of the child based upon a showing of prejudice on the part of the judge. In the event that a judge is disqualified from serving as a finder of fact under this provision, a substitute judge shall serve as the finder of fact.

4. At an adjudicatory hearing the state shall have the burden of proving the allegations of the petition.

5. Only evidence which is admissible under the rules of evidence applicable to the trial of criminal cases shall be admitted at the hearing except as otherwise provided by this section.

6. Statements or other evidence derived directly or indirectly from statements which a child makes to a law enforcement officer while in custody without the presence of counsel may be admitted into evidence at an adjudicatory hearing over the child's objection only after the court determines whether the child has voluntarily waived the right to remain silent. In making its determination the court may consider any factors it finds relevant and shall consider the following factors:

a. Opportunity for the child to consult with a parent, guardian, custodian, lawyer or other adult.

b. The age of the child.

c. The child's level of education.

d. The child's level of intelligence.

e. Whether the child was advised of his or her constitutional rights.

f. Length of time the child was held in shelter care or detention before making the statement in question.

7. The following statements or other evidence shall not be admitted as evidence in chief at an adjudicatory hearing:

a. Statements or other evidence derived directly or indirectly from statements which a child makes to a juvenile intake officer without the presence of counsel subsequent to the filing of a complaint and prior to adjudication unless the child and his or her attorney consent to the admission of such statements or evidence.

b. Statements which the child makes to a juvenile probation officer or other person conducting a predisposition investigation during such an investigation.

8. At the conclusion of an adjudicatory hearing, the court shall make a finding as to whether the child has committed a delinquent act. The court shall make and file written findings as to the truth of the specific allegations of the petition and as to whether the child has engaged in delinquent conduct.

9. If the court finds that the child did not engage in delinquent conduct, the court shall enter an order dismissing the petition.
10. If the court finds that the child did engage in delinquent conduct, the court may enter an order adjudicating the child to have committed a delinquent act. The child shall be presumed to be innocent of the charges against him or her and no finding that a child has engaged in delinquent conduct may be made unless the state has proved beyond a reasonable doubt that the child engaged in such behavior.

11. If the court enters an order adjudicating the child to have committed a delinquent act, the court may issue an order authorizing either shelter care or detention until the dispositional hearing is held. [C66, 71, 73, 75, 77,§232.47; C79,§232.47; 68GA, ch 56,$8]

232.48  Predisposition investigation and report.
1. The court shall not make a disposition of the matter following the entry of an order of adjudication pursuant to section 232.47 until a predisposition report has been submitted to and considered by the court. The court may direct a juvenile probation officer or any other agency or individual to conduct a predisposition investigation and to prepare a predisposition report.

2. A predisposition investigation shall not be conducted prior to the adjudication of the child without the consent of the child and his or her counsel. No predisposition report shall be submitted to or considered by the court prior to the completion of the adjudicatory hearing.

3. A predisposition report shall not be disclosed except as provided in this section and in division VIII of this chapter. Prior to the dispositional hearing, the court shall permit the child's attorney to inspect any predisposition report to be considered by the court in making a disposition. The court may in its discretion order counsel not to disclose parts of the report to the child, or to the child's parent, guardian, guardian ad litem, or custodian if the court finds that disclosure would seriously harm the treatment or rehabilitation of the child. [C79,§232.48]

232.49  Physical and mental examinations.
1. Following the entry of an order of adjudication under section 232.47 the court may after a hearing which may be simultaneous with the adjudicatory hearing, order a physical or mental examination of the child if it finds that an examination is necessary to determine the child's physical or mental condition.

2. When possible an examination shall be conducted on an out-patient basis, but the court may, if it deems necessary, commit the child to a suitable hospital, facility or institution for the purpose of examination. Commitment for examination shall not exceed thirty days and the civil commitment provisions of chapter 229 shall not apply.

3. At any time after the filing of a delinquency petition the court may order a physical or mental examination of the child if the following circumstances apply:
   a. The court finds such examination to be in the best interest of the child; and
   b. The parent, guardian or custodian and the child's counsel agree.

An examination shall be conducted on an outpatient basis unless the court, the child's counsel and the parent, guardian or custodian agree that it is necessary the child be committed to a suitable hospital, facility or institution for the purpose of examination. Commitment for examination shall not exceed thirty days and the civil commitment provisions of chapter 229 shall not apply. [C66, 71, 73, 75, 77,§232.13; C79,§232.49]

232.50  Dispositional hearing.
1. As soon as practicable following the entry of an order of adjudication pursuant to section 232.47, the court shall hold a dispositional hearing in order to determine what disposition should be made of the matter.

2. At that hearing all relevant and material evidence shall be admitted.

3. When the dispositional hearing is concluded the court shall enter an order to make any one or more of the dispositions authorized under section 232.52. [C66, 71, 73, 75, 77,§232.51; C79,§232.50]

232.51  Disposition of mentally ill or mentally retarded child. If the evidence received at an adjudicatory or a dispositional hearing indicates that the child is mentally ill, the court may direct the juvenile probation officer or the department to initiate proceedings or to assist the child's parent or guardian to initiate civil commitment proceedings in the juvenile court. Such proceedings shall adhere to the requirements of chapter 229. If the evidence received at an adjudicatory or a dispositional hearing indicates that the child is mentally retarded, the court may direct the juvenile probation officer or the department to initiate proceedings or to assist the child's parent or guardian to initiate civil commitment proceedings in the juvenile court. Such proceedings shall adhere to the requirements of chapter 222. In the event the child is committed as a mentally ill or mentally retarded child, any order adjudicating the child to have committed a delinquent act shall be set aside and the petition shall be dismissed. [C79,§232.51]

232.52  Disposition of child found to have committed a delinquent act.
1. Pursuant to a hearing as provided in section 232.50, the court shall enter the least restrictive dispositional order appropriate in view of the seriousness of the delinquent act, the child's culpability as indicated by the circumstances of the particular case, the age of the child and the child's prior record. The order shall specify the duration and the nature of the disposition, including the type of residence or confinement ordered and the individual, agency, department or facility in whom custody is vested.

2. The dispositional orders which the court may enter subject to its continuing jurisdiction are as follows:
   a. An order prescribing a work assignment of value to the state or to the public, or prescribing restitution consisting of monetary payment or a work assignment of value to the victim. Such order may be the sole disposition or may be included as an element in other dispositional orders.
   b. An order placing the child on probation and releasing the child to his or her parent, guardian or custodian.
c. An order providing special care and treatment required for the physical, emotional or mental health of the child, and

(1) Placing the child on probation or other supervision; and

(2) If the court deems appropriate, ordering the parent, guardian, or custodian to reimburse the county for any costs incurred as provided in section 232.141, subsection 2 or to otherwise pay or provide for such care and treatment.

d. An order transferring the legal custody of the child, subject to the continuing jurisdiction of the court for purposes of section 232.54, to one of the following:

(1) An adult relative or other suitable adult and placing the child on probation.

(2) A child placing agency or other suitable private agency or facility which is licensed or otherwise authorized by law to receive and provide care for children and placing the child on probation or other supervision.

(3) The department of social services for purposes of foster care and prescribing the type of placement which will serve the best interests of the child and the means by which the placement shall be monitored by the court.

e. An order transferring the guardianship of the child, subject to the continuing jurisdiction of the court for the purposes of section 232.54, to the commissioner of the department of social services for purposes of placement in the Eldora training school, the Mitchellville training school, or other facility provided that:

(1) The child is at least twelve years of age; and

(2) The court finds such placement to be in the best interests of the child or necessary to the protection of the public.

f. An order committing the child to a mental health institute or other appropriate facility for the purpose of treatment of a mental or emotional condition after making findings pursuant to the standards set out for involuntary commitment in chapter 229.

3. When the court enters an order placing a child on probation pursuant to this section, the court may in cases of change of residency transfer jurisdiction of the child to the juvenile court of the county where the child’s residence is established. The court to which jurisdiction could attach.

The jurisdiction of the order is transferred shall have the same powers with respect to the child as if the petition had originally been filed in that court.

4. When the court enters an order transferring the legal and physical custody of a child to an agency, facility, department or institution, the court shall transmit its order, its finding, and a summary of its information concerning the child to such agency, facility, department or institution. [C73, §1653–1659; C97, §2708; S13, §254–a23, 2708; C24, 27, 31, 35, 39, §3637, 3646, 3647, 3652; C46, 50, 54, 58, 62, §232.27, 232.28, 232.34; C66, 71, 73, 75, §232.36, 232.37; C79, §232.53]

1. With respect to a dispositional order made pursuant to section 232.52, subsection 2, paragraph “a”, “b”, “c”, or “d” and upon the motion of a child, a child’s parent or guardian, a child’s guardian ad litem, a person supervising the child under a dispositional order, a county attorney, or upon its own motion, the court may terminate the order and discharge the child, modify the order, or vacate the order and substitute another order pursuant to the provisions of section 232.52. Notice shall be afforded all parties, and a hearing shall be held at the request of any party.

2. With respect to a dispositional order made pursuant to section 232.52, subsection 2, paragraphs “d”, and “e”, the court shall grant a motion of the person to whom custody of the child has been transferred for termination of the order and discharge of the child, for modification of the order by imposition of less restrictive conditions, or for vacation of the order and substitution of a less restrictive order unless there is clear and convincing evidence that there has not been a change of circumstance sufficient to grant the motion. Notice shall be afforded all parties, and a hearing shall be held at the request of any party or upon the court’s own motion.

3. With respect to a dispositional order made pursuant to section 232.52, subsection 2, paragraphs “d”, or “e” or “f”, the court shall grant a motion of a person or agency to whom custody has been transferred for modification of the order by transfer to an equally restrictive placement, unless there is clear
and convincing evidence that there has not been a change of circumstance sufficient to grant the motion. Notice shall be afforded all parties, and a hearing shall be held at the request of any party or upon the court's own motion.

4. With respect to a dispositional order made pursuant to section 232.52, subsection 2, paragraphs "d", "e" or "f", the court may, after notice and hearing, either grant or deny a motion of the child, the child's parent or guardian, or the child's guardian ad litem, to terminate the order and discharge the child, to modify the order either by imposing less restrictive conditions or by transfer to an equally or less restrictive placement, or to vacate the order and substitute a less restrictive order. A motion may be made pursuant to this paragraph no more than once every six months.

5. With respect to a dispositional order made pursuant to section 232.52, subsection 2, paragraphs "d" and "e", the court may, after notice and a hearing at which there is presented clear and convincing evidence to support such an action, either grant or deny a motion by a county attorney or by a person or agency to whom custody has been transferred, to modify an order by imposing more restrictive conditions or to vacate the order and substitute a more restrictive order.

Notice requirements of this section shall be satisfied in the same manner as for adjudicatory hearings as provided in section 232.37. At a hearing under this section all relevant and material evidence shall be admitted. [C79, §232.54; 68GA, ch 56, §10-13]

CHILD ABUSE REPORTING, INVESTIGATION AND REHABILITATION

Transferred from sections 235A.1 to 235A.11

232.67 Legislative findings—purpose and policy. Children in this state are in urgent need of protection from abuse. It is the purpose and policy of this part 2 of division III to provide the greatest possible protection to victims or potential victims of abuse through encouraging the increased reporting of suspected cases of such abuse, insuring the thorough and prompt investigation of these reports, and providing rehabilitative services, where appropriate and whenever possible to abused children and their families which will stabilize the home environment so that the family can remain intact without further danger to the child. [C66, 71, 73, 75, 77, §235A.1; C79, §232.67]

232.68 Definitions. As used in this chapter, unless the context otherwise requires:

1. "Child" means any person under the age of eighteen years.

2. "Child abuse" or "abuse" means harm or threatened harm occurring through:

3. "Department" means the state department of social services and includes the local, county and regional offices of the department.

4. "Health practitioner" includes a licensed physician and surgeon, osteopath, osteopathic physician and surgeon, dentist, optometrist, podiatrist or chiropractor; a resident or intern in any of such professions; and any registered nurse or licensed practical nurse.

1. Each report made by a mandatory reporter, as defined in section 232.69, subsection 1, shall be made both orally and in writing. Each report made by a permissive reporter, as defined in section 232.69, subsection 2, may be oral, written, or both.

2. The oral report shall be made by telephone or otherwise to the department of social services. If the person making the report has reason to believe that immediate protection for the child is advisable, that person shall also make an oral report to an appropriate law enforcement agency.

3. The written report shall be made to the department of social services within forty-eight hours after such oral report.

4. The department of social services shall:

g. The name and address of the person making the report.

6. A report made by a permissive reporter, as defined in section 232.69, subsection 2, shall be regarded as a report pursuant to this chapter whether or not the report contains all of the information required by this section and may be made to the department of social services, county attorney, or law enforcement agency. If the report is made to any agency other than the department of social services, such agency shall promptly refer the report to the department of social services. [C66, 71, 73, 75, 77, §235A.4; C79, §232.70] Referred to in §232.69
§232.71 Duties of the department upon receipt of report.

1. Whenever a report is received, the department of social services shall promptly commence an appropriate investigation. The primary purpose of this investigation shall be the protection of the child named in the report.

2. The investigation shall include:
   a. Identification of the nature, extent and cause of the injuries, if any, to the child named in the report;
   b. The identification of the person or persons responsible therefor;
   c. The name, age and condition of other children in the same home as the child named in the report;
   d. An evaluation of the home environment and relationship of the child named in the report and any other children in the same home as the parents or other persons responsible for their care;
   e. An investigation of all other pertinent matters.

3. The investigation may with the consent of the parent or guardian include a visit to the home of the child named in the report and examination of such child. 5. The department of social services, upon completion of its investigation, shall make a preliminary report of its investigation as required by subsection 2. A copy of this report shall be transmitted to juvenile court within ninety-six hours after the department of social services initially receives the abuse report unless the juvenile court grants an extension of time for good cause shown. If the preliminary report is not a complete report, a complete report shall be filed within ten working days of the receipt of the abuse report, unless the juvenile court grants an extension of time for good cause shown. The juvenile court shall notify the registry of any action it takes with respect to a suspected case of child abuse.

6. The department of social services shall transmit a copy of the report of its investigation, including actions taken or contemplated, to the registry. The department of social services shall make periodic follow-up reports thereafter in a manner prescribed by the registry so that the registry is kept up-to-date and fully informed concerning the handling of a suspected case of child abuse.

7. The department of social services shall also transmit a copy of the report of its investigation to the county attorney. The county attorney shall notify the registry of any actions or contemplated actions with respect to a suspected case of child abuse so that the registry is kept up-to-date and fully informed concerning the handling of such a case.

8. Based on the investigation conducted pursuant to this section, the department shall offer to the family of any child believed to be the victim of abuse such services as appear appropriate for either the child, the family, or both, if it is explained that the department has no legal authority to compel such family to receive such services.

9. If, upon completion of the investigation, the department of social services determines that the best interests of the child require juvenile court action, the department shall take the appropriate action to initiate such action under this chapter. The attorney shall assist the county department of social services in the preparation of the necessary papers to initiate such action and shall appear and represent the department at all juvenile court proceedings.

10. The department of social services shall assist the juvenile court or district court during all stages of court proceedings involving a suspected child abuse case in accordance with the purposes of this chapter.

11. The department of social services shall provide for or arrange for and monitor rehabilitative services for abused children and their families on a voluntary basis or under a final or intermediate order of the juvenile court.

12. In every case involving child abuse which results in a child protective judicial proceeding, whether or not the proceeding arises under this chapter, a guardian ad litem shall be appointed by the court to represent the child in such proceedings. Before a guardian ad litem is appointed pursuant to the provisions of this section, the court shall require the person responsible for the care of the child to complete under oath a detailed financial statement. If, on the basis of that financial statement, the court deems that the person responsible for the care of the child is able to bear the cost of the guardian ad litem, the court shall so order. In cases where the person responsible for the care of the child is unable to bear the cost of the guardian ad litem, the expense shall be paid out of the court expense fund. However, if the person making the report pursuant to this chapter does not know where the child's home is located, or if the child's home is not located in the service area where the health practitioner examines, attends, or treats the child, the report may be made to the state department of social services or to the local office serving the county where the person making the report resides or the county where the health practitioner examines, attends, or treats the child. These agencies shall promptly proceed as provided in section 232.71, unless the matter is transferred as provided in this section.

If the child's home is located in a county not served by the office receiving the report, the department shall promptly transfer the matter by transmitting a copy of the report of injury and any other pertinent information to the office and the county attorney
serving the other county. They shall promptly pro-
ceed as provided in section 232.71. [C66, 71, 73, 75,
77,§235A.6; C79,§232.72]

232.73 Immunity from liability. Anyone particip-

tographs or X rays pursuant to this chapter shall
have immunity from any liability, civil or criminal,
which might otherwise be incurred or imposed. Any
such participant shall have the same immunity with

proceeding resulting from such report or relating to
the subject matter of such report. [C66, 71, 73, 75,
77,§235A.7; C79,§232.73]

232.74 Evidence not privileged or excluded. Sec-
tions 622.7, 622.9 and 622.10 and any other statute or
rule of evidence which excludes or makes privileged
the testimony of a husband or wife against the other
or the testimony of a health practitioner as to confiden-
tial communications, shall not apply to evidence
regarding a child’s injuries or the cause thereof in
any judicial proceeding, civil or criminal, resulting

232.76 Publicity and educational programs. The
department, within the limits of available funds, shall
conduct a continuing publicity and educational pro-
gram for the personnel of the department, persons
required to report, and any other appropriate persons

PART 3

TEMPORARY REMOVAL OF A CHILD

232.78 Temporary removal of a child pursuant to
ex parte court order.

1. The juvenile court may enter an ex parte order
directing a peace officer to remove a child from his or
her home before or after the filing of a petition under
this chapter provided:

a. The parent, guardian, or legal custodian is ab-
sent, or though present, was asked and refused to
consent to the removal of the child and was informed
of an intent to apply for an order under this section;
and
b. It appears that the child’s immediate removal
is necessary to avoid imminent danger to the child’s
life or health; and

c. There is not enough time to file a petition and
hold a hearing under section 232.95.

2. The order shall specify the facility to which the
child is to be brought. Except for good cause shown
or unless the child is sooner returned to the place
where he or she was residing, a petition shall be filed
under this chapter within three days of the issuance of
the order.

3. The juvenile court may enter an order authoriz-
ing a physician or hospital to provide emergency
medical or surgical procedures before the filing of a
petition under this chapter provided:

a. Such procedures are necessary to safeguard the
life and health of the child; and

b. There is not enough time to file a petition
under this chapter and hold a hearing as provided
in section 232.95.

4. Any person who may file a petition under this
chapter may apply for, or the court on its own motion
may issue, an order for temporary removal under this
section. An appropriate person designated by the
court shall confer with a person seeking the removal
order, shall make every reasonable effort to inform
the parent or other person legally responsible for the
child’s care of the application, and shall make such in-
quiries as will aid the court in disposing of such appli-
cation. [C79,§232.78]

Referred to in §232.79, 232.95

232.79 Removal without court order.

1. A peace officer may remove a child from his or
her home or a physician treating a child may keep the
child in custody without a court order as required
under section 232.78 and without the consent of a
parent, guardian, or custodian provided that:

a. The child is in such circumstance or condition
that his or her continued presence in the residence or
in the care or custody of the parent, guardian, or cus-
todian presents an imminent danger to the child’s life
or health; and

b. There is not enough time to apply for an order
under section 232.78.
2. If a person authorized by this section removes or retains custody of a child, he or she shall:
   a. Bring the child immediately to a place designated by the rules of the court for this purpose, unless the person is a physician treating the child and the child is or will presently be admitted to a hospital.
   b. Make every reasonable effort to inform the parent, guardian, or custodian of the whereabouts of the child.
   c. Promptly inform the court in writing of the emergency removal and the circumstances surrounding the removal.

3. Any person, agency, or institution acting in good faith in the removal or keeping of a child pursuant to this section, and any employer of or person under the direction of such a person, agency, or institution, shall have immunity from any civil or criminal liability that might otherwise be incurred or imposed as the result of such removal or keeping.

4. When the court is informed that there has been an emergency removal or keeping of a child without a court order, the court shall direct the department of social services or the juvenile probation department to make every reasonable effort to communicate immediately with the child's parent or parents or other person legally responsible for the child's care. The court shall also authorize the department of social services or the juvenile probation department to cause a child thus removed or kept to be returned if it concludes there is not an imminent risk to the child's life and health in so doing. If the child is not returned, the department of social services or the juvenile probation department shall forthwith cause a petition to be filed within three days after the removal.

5. When there has been an emergency removal or keeping of a child without a court order, a physical examination of the child by a licensed medical practitioner shall be performed within twenty-four hours of such removal, unless the child is returned to his or her home within twenty-four hours of the removal. [C79,§232.79; 68GA, ch 56,§15]

232.80 Homemaker services. A homemaker-home health aide may be assigned to give care to a child in the child's place of residence. Whenever possible, such services shall be provided in preference to removal of the child from the home. Such care may be provided under this Act on an emergency basis for up to twenty-four hours without court order, and may be ordered by the court for a period of time extending until dismissal or disposition of the case. Expenses incurred under this section shall be paid for according to, and reimbursement from the parent, guardian or custodian may be sought under, the provisions of section 232.141. [C79,§232.80]

232.81 Complaint.
   1. Any person having knowledge of the circumstances may file a complaint with the person or agency designated by the court to perform intake duties alleging that a child is a child in need of assistance.
   2. Upon receipt of a complaint, the court may request the department of social services, juvenile probation office, or other authorized agency or individual to conduct a preliminary investigation of the complaint to determine if further action should be taken.

3. A petition alleging the child to be a child in need of assistance may be filed pursuant to section 232.87 provided the allegations of the complaint, if proven, are sufficient to establish the court's jurisdiction and the filing is in the best interests of the child.

4. A person or agency shall not maintain any records with regard to a complaint filed under division III of this chapter which is dismissed without the filing of a petition. This subsection does not apply to records maintained pursuant to chapter 233A.

232.82 to 232.86 Reserved.

PART 4

JUDICIAL PROCEEDINGS

232.87 Filing of a petition—contents of petition.
   1. A formal judicial proceeding to determine whether a child is a child in need of assistance under this Act shall be initiated by the filing of a petition alleging a child to be a child in need of assistance.
   2. A petition may be filed by the department of social services, probation officer, or county attorney.
   3. The department, probation officer, county attorney or judge may authorize the filing of a petition with the clerk of the court by any competent person having knowledge of the circumstances without the payment of a filing fee.
   4. The petition shall be submitted in the form specified in section 232.36.
   5. The petition shall contain the information specified in section 232.36 and a clear and concise summary of the facts which bring the child within the jurisdiction of the court under this division. [C79,§232.87]

232.88 Summons, notice, subpoenas and services.
   After a petition has been filed the court shall issue and serve summons, notice, subpoenas and other process in the same manner as for adjudicatory hearings in cases of juvenile delinquency as provided in section 232.37. [SS15,$254-a16; C24, 27, 31, 35, 39,$3623; C46, 50, 54, 58, 62,$223.5; C71, 73, 75, 77,$223.3; C79,$223.81; 68GA, ch 56,§16]

232.89 Right to and appointment of counsel.
   1. Upon the filing of a petition the parent, guardian or custodian identified in the petition shall have the right to counsel in connection with all subsequent hearings and proceedings. If that person desires but is financially unable to employ counsel, the court shall appoint counsel.
   2. Upon the filing of a petition, the court shall appoint counsel and a guardian ad litem for the child identified in the petition as a party to the proceedings. Counsel shall be appointed as follows:
      a. If the child is represented by counsel and the court determines there is a conflict of interest between the child and his or her parent, guardian or
custodian and that the retained counsel could not properly represent the child as a result of the conflict, the court shall appoint other counsel to represent the child, who shall be compensated pursuant to the provisions of subsection 3.

b. If the child is not represented by counsel, the court shall either order the parent, guardian or custodian to retain counsel for the child or shall appoint counsel for the child, who shall be compensated pursuant to the provisions of subsection 3.

3. The court shall determine, after giving the parent, guardian or custodian an opportunity to be heard, whether such person has the ability to pay in whole or in part for counsel appointed for the child. If the court determines that such person possesses sufficient financial ability, the court shall then consult with the department of social services, the juvenile probation office or other authorized agency or individual regarding the likelihood of impairment of the relationship between the child and his or her parent, guardian or custodian as a result of ordering the parent, guardian or custodian to pay for the child's counsel. If impairment is deemed unlikely, the court shall order that person to pay such sums as the court finds appropriate in the manner and to whom the court directs. If the person so ordered fails to comply with the order without good reason, the court shall enter judgment against him or her. If impairment is deemed likely or if the court determines that the parent, guardian or custodian cannot pay any part of the expenses of counsel appointed to represent the child, counsel shall be reimbursed pursuant to section 232.141, subsection 1, paragraph "d".

4. The same person may serve both as the child's counsel and as guardian ad litem. [C24, 27, 31, 35, 39, §232.12; C66, 71, 73, 75, 77, §232.28; C79, §232.89; 68GA, ch 56, §17–19]

232.90 Duties of county attorney. The county attorney shall represent the state in all proceedings arising from a petition filed under this division and shall present evidence in support of the petition. [C66, 71, 73, 75, 77, §232.29; C79, §232.90]

232.91 Presence of parents at hearings. Any hearings or proceedings under this division subsequent to the filing of a petition shall not take place without the presence of the child's parent, guardian or custodian in accordance with and subject to the provisions of section 232.38. A parent without custody may petition the court to be made a party to proceedings under this division. [SS15, §232.16; C24, 27, 31, 35, 39, §2361; C46, 50, 54, 58, 62, §232.15; C66, 71, 73, 75, 77, §232.11; C79, §232.91]

232.92 Exclusion of public from hearings. The court shall exclude and admit persons to hearings and proceedings under this division in accordance with and subject to the provisions of section 232.39. [C79, §232.92]

232.93 Other issues adjudicated. When it appears during the course of any hearing or proceeding that some action or remedy other than those indicated by the application or pleading appears appropriate, the court may, provided all necessary parties consent, proceed to hear and determine the other issues as though originally properly sought and pleaded. [C66, 71, 73, 75, 77, §232.12; C79, §232.93]

232.94 Reporter required. Stenographic notes or electronic or mechanical recordings shall be taken of all court hearings held pursuant to this division unless waived by the parties. The child shall not be competent to waive the reporting requirement, but waiver may be made for the child by the child's counsel or guardian ad litem. Matters which must be reported under the provisions of this section shall be reported in the same manner as required in section 624.9. [C66, 71, 73, 75, 77, §232.32; C79, §232.94; 68GA, ch 56, §20]

232.95 Hearing concerning temporary removal. 1. At any time after the petition is filed any person who may file a petition under section 232.87 may apply for, or the court on its own motion may order, a hearing to determine whether the child should be temporarily removed from home. Where the child is in the custody of a person other than the child's parent, guardian or custodian as the result of action taken pursuant to section 232.78 or 232.79, the court shall hold a hearing to determine whether the temporary removal should be continued.

2. Upon such hearing, the court may:

a. Remove the child from home and place the child in a shelter care facility or in the custody of a suitable person or agency pending a final order of disposition if the court finds that removal is necessary to avoid imminent risk to the child's life or health.

b. Release the child to his or her parent, guardian or custodian pending a final order of disposition.

c. Authorize a physician or hospital to provide medical or surgical procedures if such procedures are necessary to safeguard the child's life or health.

3. The court shall make and file written findings as to the grounds for granting or denying an application under this section. [C79, §232.95]

232.96 Adjudicatory hearing. 1. The court shall hear and adjudicate cases involving a petition alleging a child to be a child in need of assistance.

2. The state shall have the burden of proving the allegations by clear and convincing evidence.

3. Only evidence which is admissible under the rules of evidence applicable to the trial of civil cases shall be admitted, except as otherwise provided by this section.

4. A report made to the department of social services pursuant to chapter 235A shall be admissible in evidence if the person making the report does not appear as a witness at the hearing, but such a report shall not alone be sufficient to support a finding that the child is a child in need of assistance unless the attorneys for the child and the parents consent to such a finding.

5. Neither the privilege attaching to confidential communications between a physician and patient nor the prohibition upon admissibility of communications
between husband and wife shall be ground for excluding evidence at an adjudicatory hearing.

6. A report, study, record, or other writing made by the department of social services, a juvenile probation officer, a peace officer or a hospital relating to a child in a proceeding under this division shall be admissible notwithstanding any objection to hearsay statements contained therein provided it is relevant and material and provided its probative value substantially outweighs the danger of unfair prejudice to the child's parent, guardian, or custodian. The circumstances of the making of the report, study, record or other writing, including the maker's lack of personal knowledge, may be proved to affect its weight.

7. After the hearing is concluded, the court shall make and file written findings as to the truth of allegations of the petition and as to whether the child is a child in need of assistance.

8. If the court concludes facts sufficient to sustain a petition have not been established by clear and convincing evidence or if the court concludes that its aid is not required in the circumstances, the court shall dismiss the petition.

9. If the court concludes that facts sufficient to sustain the petition have been established by clear and convincing evidence and that its aid is required, the court may enter an order adjudicating the child to be a child in need of assistance.

10. If the court enters an order adjudicating the child to be a child in need of assistance, the court, if it has not previously done so, may issue an order authorizing temporary removal of the child from his or her home as set forth in section 232.95, subsection 2, paragraph "a", pending a final order of disposition. [C66, 71, 73, 75, §232.31; C79, §232.96; 68GA, ch 56, §21]

232.97 Social investigation and report.

1. The court shall not make any disposition of the petition until a social report has been submitted to and considered by the court. The court may direct the probation officer, department of social services or any other agency licensed by the state to conduct a social investigation and to prepare a social report.

2. The social investigation may be conducted and the social history may be submitted to the court prior to the adjudication of the child as a child in need of assistance with the consent of the parties.

3. The social report shall not be disclosed except as provided in this section and except as otherwise provided in this chapter. Prior to the hearing at which the disposition is determined, the court shall permit counsel for the child and counsel for the child's parent, guardian or custodian to inspect any parts of the report to the child, or to the parent, guardian or custodian if disclosure would seriously harm the treatment or rehabilitation of the child or would violate a promise of confidentiality given to a source of information. [C66, 71, 73, 75, 77, §232.14; C79, §232.97]

232.98 Physical and mental examinations.

1. A physical or mental examination of the child may be ordered only after the filing of a petition pursuant to section 232.87 and after a hearing to determine whether such an examination is necessary to determine the child's physical or mental condition.

The hearing required by this section may be held simultaneously with the adjudicatory hearing.

An examination ordered prior to the adjudication may be performed on an outpatient basis only. An examination ordered after adjudication shall be conducted on an outpatient basis whenever possible, but if necessary the court may commit the child to a suitable hospital, facility or institution for the purpose of examination for a period not to exceed thirty days. The civil commitment provisions of chapter 229 shall not apply to such commitments.

2. Following an adjudication that a child is a child in need of assistance, the court may after a hearing order the physical or mental examination of the parent, guardian or custodian if that person's ability to care for the child is at issue. [C66, 71, 73, 75, 77, §232.13; C79, §232.98]

232.99 Dispositional hearing—findings.

1. Following the entry of an order pursuant to section 232.96, the court shall, as soon as practicable, hold a dispositional hearing in order to determine what disposition should be made of the petition.

2. All relevant and material evidence shall be admitted.

3. When the dispositional hearing is concluded the court shall make the least restrictive disposition appropriate considering all the circumstances of the case. The dispositions which may be entered under this division are listed in sections 232.100 to 232.102 in order from least to most restrictive.

4. The court shall make and file written findings as to its reason for the disposition. [C66, 71, 73, 75, 77, §232.31; C79, §232.99]

232.100 Suspended judgment. After the dispositional hearing the court may enter an order suspending judgment and continuing the proceedings subject to terms and conditions imposed to assure the proper care and protection of the child. Such terms and conditions may include the supervision of the child and of the parent, guardian or custodian by the department of social services, juvenile probation office or other appropriate agency designated by the court. The maximum duration of any term or condition of a suspended judgment shall be twelve months unless the court finds at a hearing held during the last month of that period that exceptional circumstances require an extension of the term or condition for an additional six months. [C79, §232.100]

232.101 Retention of custody by parent.

1. After the dispositional hearing, the court may enter an order permitting the child's parent, guardian or custodian at the time of the filing of the petition to retain custody of the child subject to terms and conditions which the court prescribes to assure the proper care and protection of the child. Such terms and conditions may include supervision of the child and the parent, guardian or custodian by the department of social services, juvenile probation office or other appropriate agency which the court desig-
nates. Such terms and conditions may also include the provision or acceptance by the parent, guardian or custodian of special treatment or care which the child needs for his or her physical or mental health. If the parent, guardian or custodian fails to provide the treatment or care, the court may order the department of social services or some other appropriate state agency to provide such care or treatment.

2. The duration of any period of supervision or other terms or conditions shall be for an initial period of no more than eighteen months and the court, at the expiration of that period, upon a hearing and for good cause shown, may make not more than two successive extensions of such supervision or other terms or conditions of up to twelve months each. [S13,§254-a20, 2708; C24, 27, 31, 35, 39,§3637; C46, 50, 54, 58, 62,§232.21; C66, 71, 73, 75, 77,§232.33; C79,§232.101]

232.102 Transfer of legal custody of juvenile and placement.

1. After a dispositional hearing the court may enter an order transferring the legal custody of the child to one of the following for purposes of placement:

   a. A relative or other suitable person.
   b. A child placing agency or other suitable private agency, facility or institution which is licensed or otherwise authorized by law to receive and provide care for the child.
   c. The department of social services.
   2. After a dispositional hearing the court may enter an order transferring the guardianship of the child to a relative or modify a dispositional order except that a motion to terminate, modify or vacate and substitute a dispositional order shall be conducted in accordance with the provisions of such services. [S13,§254-a23, 2708, 2709; C24, 27, 31, 35, 39,§3637, 3646, 3647; C46, 50, 54, 58, 62,§232.21, 232.27, 232.28; C66, 71, 73, 75, 77,§232.33; C79,§232.102; 68GA, ch 56,§22]

232.103 Termination, modification, vacation and substitution of dispositional order.

1. At any time prior to expiration of a dispositional order and upon the motion of an authorized party or upon its own motion as provided in this section, the court may terminate the order and discharge the child, modify the order, or vacate the order and make a new order.

2. The following persons shall be authorized to file a motion to terminate, modify or vacate and substitute a dispositional order:

   a. The child.
   b. The child's parent, guardian or custodian, except that such motion may be filed by that person not more often than once every six months except with leave of court for good cause shown.
   c. The child's guardian ad litem.
   d. A person supervising the child pursuant to a dispositional order.
   e. An agency, facility, institution or person to whom legal custody has been transferred pursuant to a dispositional order.
   f. The county attorney.

3. A hearing shall be held on a motion to terminate or modify a dispositional order except that a hearing on a motion to terminate an order may be waived upon agreement by all parties. Reasonable notice of the hearing shall be given in the same manner as for adjudicatory hearings in cases of juvenile delinquency as provided in section 232.37. The hearing shall be conducted in accordance with the provisions of section 232.50.

4. The court may terminate an order and release the child if the court finds that the purposes of the order have been accomplished and the child is no longer in need of supervision, care or treatment.

5. The court may modify or vacate an order for good cause shown that where the request to modify or vacate is based on the child's alleged failure to comply with the conditions or terms of the order, the court may modify or vacate the order only if
§232.103, JUVENILE JUSTICE

it finds that there is clear and convincing evidence that the child violated a material and reasonable condition or term of the order.

6. If the court vacates the order it may make any other order in accordance with and subject to the provisions of sections 232.100 to 232.102. [C79, §232.108]

232.108 Reserved.

[C79, §232.109]

232.110 Venue.

1. Venue for termination proceedings under this chapter shall be in the judicial district where the child is found or the judicial district where the child resides except as otherwise provided in subsection 2.

2. If a court has made an order concerning the child pursuant to the provisions of this chapter and the order is still in force at the time the termination petition is filed, such court shall hear and adjudicate the case unless the court transfers the case.

3. The judge may transfer the case to the juvenile court of any county having venue in accordance with the provisions of section 232.62. [C79, §232.110]

2. Prior to the service of notice on the necessary parties, the juvenile court shall appoint a guardian ad litem for a child if the child does not have a guardian or guardian ad litem or if the interests of the guardian or guardian ad litem conflict with the interests of the child. The child shall not be competent to waive the reporting requirement, but waiver may be made for the child by the child’s counsel or guardian ad litem. Matters which must be reported under the provisions of this section shall be reported in the same manner as required in section 624.9. [68GA, ch 56, §25]
232.116 Grounds for termination. Except as provided in subsection 6, the court may order the termination of both the parental rights with respect to a child and the relationship between the parents and the child on any of the following grounds:

1. The parents voluntarily and intelligently consent to the termination of parental rights and the parent-child relationship and for good cause desire the termination.

2. The court finds that there is clear and convincing evidence that the child has been abandoned.

3. The court finds that:
   a. One or both parents has physically or sexually abused the child; and
   b. The court has previously adjudicated the child to be a child in need of assistance after finding the child to have been physically or sexually abused as the result of the acts or omissions of the parent or parents, or the court has previously adjudicated a child who is a member of the same family to be a child in need of assistance after such a finding; and
   c. There is clear and convincing evidence that the parents had received or were offered services to correct the situation which led to the abuse.

4. The court finds that:
   a. The child has been adjudicated a child in need of assistance pursuant to section 232.96; and
   b. The custody of the child has been transferred from his or her parents for placement pursuant to section 232.102 and such placement has lasted for a period of at least six months, but less than twelve months; and
   c. There is clear and convincing evidence that the child cannot be returned to the custody of his or her parents as provided in section 232.102; and
   d. There is clear and convincing evidence that the parents have not maintained contact with the child during the previous six months and have made no reasonable efforts to resume care of the child despite being given the opportunity to do so.

5. The court finds that:
   a. The child has been adjudicated a child in need of assistance pursuant to section 232.96; and
   b. The custody of the child has been transferred from his or her parents for placement pursuant to section 232.102 for at least twelve months; and
   c. There is clear and convincing evidence that the child cannot be returned to the custody of his or her parents as provided in section 232.102.

6. Notwithstanding the provisions of subsections 2 to 5 the court need not terminate the relationship between parents and child if the court finds:
   a. A relative has legal custody of the child; or
   b. The child is over ten years of age and objects to such termination; or
   c. There is clear and convincing evidence that such termination would be detrimental to the child at the time due to the closeness of the parent-child relationship; or
   d. It is necessary to place the child in a hospital, facility or institution for care and treatment and the continuation of the parent-child relationship is not preventing a permanent family placement for the child.

   e. That the absence of a parent is due to the parent's admission or commitment to any institution, hospital or health facility or due to active service in the state or federal armed forces. [C79,$232.114]

   Referred to in §232.111

2. If the court concludes that facts sufficient to terminate parental rights have not been established by clear and convincing evidence, the court shall dismiss the petition.

3. If the court concludes that facts sufficient to sustain the petition have been established by clear and convincing evidence, the court may order parental rights terminated. If the court terminates the parental rights of the child's natural or adoptive parents, the court shall transfer the guardianship and custody of the child to one of the following:
   a. The department of social services.
   b. A child placing agency or other suitable private agency, facility or institution which is licensed or otherwise authorized by law to receive and provide care for the child.
   c. A relative or other suitable person.

4. If after a hearing the court does not order the termination of parental rights but finds that there is clear and convincing evidence that the child is a child in need of assistance, under section 232.2, subsection 5, due to the acts or omissions of one or both of his or her parents the court may adjudicate the child to be a child in need of assistance and may enter an order in accordance with the provisions of sections 232.100, 232.101 or 232.102. 2. Any minor fourteen years of age or older who has not been adopted but who is placed in a satisfactory foster home may with the consent of the foster parents join with the guardian appointed by the court in an application to the court to remove the existing guardian and appoint the foster parents as guardians of the child.

INTERSTATE COMPACT ON JUVENILES

232.139 Interstate juvenile compacts. The state of Iowa through its courts and agencies is hereby authorized to enter into interstate compacts on juveniles in behalf of this state with any other contracting state which legally joins therein in substantially the following form.

The contracting states solemnly agree:

ARTICLE I—FINDINGS AND PURPOSES

That juveniles who are not under proper supervision and control, or who have absconded, escaped or run away, are likely to endanger their own health, morals and welfare, and the health, morals and welfare of others. The co-operation of the states party to this compact is therefore necessary to provide for the welfare and protection of juveniles and of the public with respect to:

1. Co-operative supervision of delinquent juveniles on probation or parole;
2. The return, from one state to another, of delinquent juveniles who have escaped or absconded;
3. The return, from one state to another, of non-delinquent juveniles who have run away from home; and
4. Additional measures for the protection of juveniles and of the public, which any two or more of the party states may find desirable to undertake co-operatively. In carrying out the provisions of this compact the party states shall be guided by the non-criminal, reformative and protective policies which guide their laws concerning delinquent, neglected or dependent juveniles generally. It shall be the policy of the states party to this compact to co-operate and observe their respective responsibilities for the prompt return and acceptance of juveniles and delinquent juveniles who become subject to the provisions of this compact. The provisions of this compact shall be reasonably and liberally construed to accomplish the foregoing purposes.

ARTICLE II—EXISTING RIGHTS AND REMEDIES

That all remedies and procedures provided by this compact shall be in addition to and not in substitution for other rights, remedies and procedures, and shall not be in derogation of parental rights and responsibilities.

ARTICLE III—DEFINITIONS

That, for the purposes of this compact, “delinquent juvenile” means any juvenile who has been adjudged delinquent and who, at the time the provisions of this compact are invoked, is still subject to the jurisdiction of the court that has made such adjudication or to the jurisdiction or supervision of an agency or institution pursuant to an order of such court; “probation or parole” means any kind of conditional release of juveniles authorized under the laws of the states party hereto; “court” means any court having jurisdiction over delinquent, neglected or dependent children; “state” means any state, territory or possession of the United States, the District of Columbia, and the Commonwealth of Puerto Rico; and “residence” or any variant thereof means a place at which a home or regular place of abode is maintained.

ARTICLE IV—RETURN OF RUNAWAYS

a. That the parent, guardian, person or agency entitled to legal custody of a juvenile who has not been adjudged delinquent but who has run away without the consent of such parent, guardian, person or agency may petition the appropriate court in the demanding state for the issuance of a requisition for his return. The petition shall state the name and age of the juvenile, the name of the petitioner and the basis of entitlement to the juvenile’s custody, the circumstances of his running away, his location if known at the time application is made, and such other facts as may tend to show that the juvenile who has run away is endangering his own welfare or the welfare of others and is not an emancipated minor. The petition shall be verified by affidavit, shall be executed in duplicate, and shall be accompanied by two certified copies of the document or documents on which the petitioner’s entitlement to the juvenile’s custody is based, such as birth certificates, letters of guardianship, or custody decrees. Such further affidavits and other documents as may be deemed proper may be submitted with such petition. The judge of the court to which this application is made may hold a hearing thereon to determine whether for the purposes of this compact the petitioner is entitled to the legal custody of the juvenile, whether or not it appears that the juvenile has in fact run away without consent whether or not he is an emancipated minor, and whether or not it is in the best interest of the juvenile to compel his return to the state. If the judge determines, either with or without a hearing, that the juvenile should be returned, he shall present to the appropriate court or to the executive authority of the state where the juvenile is alleged to be located a written requisition for the return of such juvenile. Such requisition shall set forth the name and age of the juvenile, the determination of the court that the juvenile has run away without the consent of a parent, guardian, person or agency entitled to his legal custody, and that it is in the best interest and for the protection of such juvenile that he be returned. In the event that a proceeding for the adjudication of the juvenile as a delinquent, neglected or dependent juvenile is pending in the court at the time when such juvenile runs away, the court may issue a requisition for the return of such juvenile upon its own motion, regardless of the consent of the parent, guardian, person or agency entitled to legal custody, reciting therein the nature and circumstances of the pending proceeding. The requisition shall in every case be executed in duplicate and shall be signed by the judge. One copy of the requisition shall be filed with the compact administrator of the demanding state, there to remain on file subject to the provisions of law governing records of such court. Upon the receipt of a requisition demanding the return of a juvenile who
has run away, the court or the executive authority to whom the requisition is addressed shall issue an order to any peace officer or other appropriate person directing him to take into custody and detain such juvenile. Such detention order must substantially recite the facts necessary to the validity of its issuance hereunder. No juvenile detained upon such order shall be delivered over to the officer whom the court demanding him shall have appointed to receive him, unless he shall first be taken forthwith before a judge of a court in the state, who shall inform him of the demand made for his return, and who may appoint counsel or guardian ad litem for him. If the judge of such court shall find that the requisition is in order, he shall deliver such juvenile over to the officer whom the court demanding him shall have appointed to receive him. The judge, however, may fix a reasonable time to be allowed for the purpose of testing the legality of the proceeding.

Upon reasonable information that a person is a juvenile who has run away from another state party to this compact without the consent of a parent, guardian, person or agency entitled to his legal custody, such juvenile may be taken into custody without a requisition and brought forthwith before a judge of the appropriate court who may appoint counsel or guardian ad litem for such juvenile and who shall determine after a hearing whether sufficient cause exists to hold the person, subject to the order of the court, for his own protection and welfare, for such a time not exceeding ninety days as will enable his return to another state party to this compact pursuant to a requisition for his return from a court of that state. If, at the time when a state seeks the return of a juvenile who has run away, there is pending in the state wherein he is found any criminal charge, or any proceeding to have him adjudicated a delinquent juvenile for an act committed in such state, or if he is suspected of having committed within such state a criminal offense or an act of juvenile delinquency, he shall not be returned without the consent of such state until discharged from prosecution or other form of proceeding, imprisonment, detention or supervision for such offense or juvenile delinquency. The duly accredited officers of any state party to this compact, upon the establishment of their authority and the identity of the juvenile being returned, shall be permitted to transport such juvenile through any and all states party to this compact, without interference. Upon his return to the state from which he ran away, the juvenile shall be subject to such further proceedings as may be appropriate under the laws of that state.

Referred to in Art VI

b. That the state to which a juvenile is returned under this Article shall be responsible for payment of the transportation costs of such return.

Referred to in Art VIII a, b

c. That “juvenile” as used in this Article means any person who is a minor under the law of the state of residence of the parent, guardian, person or agency entitled to the legal custody of such minor.

ARTICLE V—RETURN OF ESCAPees AND ABSCONDErs

Referred to in Art XIV b, d

a. That the appropriate person or authority from whose probation or parole supervision a delinquent juvenile has absconded or from whose institutional custody he has escaped shall present to the appropriate court or to the executive authority of the state where the delinquent juvenile is alleged to be located a written requisition for the return of such delinquent juvenile. Such requisition shall state the name and age of the delinquent juvenile, the particulars of his adjudication as a delinquent juvenile, the circumstances of the breach of the terms of his probation or parole or of his escape from an institution or agency vested with his legal custody or supervision, and the location of such delinquent juvenile, if known, at the time the requisition is made. The requisition shall be verified by affidavit, shall be executed in duplicate, and shall be accompanied by two certified copies of the judgment, formal adjudication, or order of commitment which subjects such delinquent juvenile to probation or parole or to the legal custody of the institution or agency concerned. Such further affidavits and other documents as may be deemed proper may be submitted with such requisition. One copy of the requisition shall be filed with the compact administrator of the demanding state, there to remain on file subject to the provisions of law governing records of the appropriate court. Upon the receipt of a requisition demanding the return of a delinquent juvenile who has absconded or escaped, the court or the executive authority to whom the requisition is addressed shall issue an order to any peace officer or other appropriate person directing him to take into custody and detain such delinquent juvenile. Such detention order must substantially recite the facts necessary to the validity of its issuance hereunder. No delinquent juvenile detained upon such order shall be delivered over to the officer whom the appropriate person or authority demanding him shall have appointed to receive him, unless he shall first be taken forthwith before a judge of an appropriate court in the state, who shall inform him of the demand made for his return and who may appoint counsel or guardian ad litem for him. If the judge of such court shall find that the requisition is in order, he shall deliver such delinquent juvenile over to the officer whom the appropriate person or authority demanding him shall have appointed to receive him. The judge, however, may fix a reasonable time to be allowed for the purpose of testing the legality of the proceeding.

Upon reasonable information that a person is a delinquent juvenile who has absconded while on probation or parole, or escaped from an institution or agency vested with his legal custody or supervision in any state party to this compact, such person may be taken into custody in any other state party to this compact without a requisition. But in such event, he must be taken forthwith before a judge of the appropriate court, who may appoint counsel or guardian ad litem for such person and who shall determine, after a hearing, whether sufficient cause exists to hold the person subject to the order of the court for such a
time, not exceeding ninety days, as will enable his detention under a detention order issued on a requisition pursuant to this Article. If, at the time when a state seeks the return of a delinquent juvenile who has either absconded while on probation or parole or escaped from an institution or agency vested with his legal custody or supervision, there is pending in the state wherein he is detained any criminal charge or any proceeding to have him adjudicated a delinquent juvenile for an act committed in such state, or if he is suspected of having committed within such state a criminal offense or an act of juvenile delinquency, he shall not be returned without the consent of the receiving state.

The duly accredited officers of any state party to this compact, upon the establishment of their authority and the identity of the delinquent juvenile being returned, shall be permitted to transport such delinquent juvenile through any and all states party to this compact, without interference. Upon his return to the state from which he escaped or absconded, the delinquent juvenile shall be subject to such further proceedings as may be appropriate under the laws of that state.

Referred to in Art. VI

b That the state to which a delinquent juvenile is returned under this Article shall be responsible for payment of the transportation costs of such return.

Referred to in Art. VIII a b

ARTICLE VI—VOLUNTARY RETURN PROCEDURE

That any delinquent juvenile who has absconded while on probation or parole, or escaped from an institution or agency vested with his legal custody or supervision in any state party to this compact, and any juvenile who has run away from any state party to this compact, who is taken into custody without a requisition in another state party to this compact under the provisions of Article IV “a” or of Article V “a”, may consent to his immediate return to the state from which he absconded, escaped or ran away. Such consent shall be given by the juvenile or delinquent juvenile and his counsel or guardian ad litem, if any, by executing or subscribing a writing, in the presence of a judge of the appropriate court, which states that the juvenile or delinquent juvenile and his counsel or guardian ad litem, if any, consent to his return to the demanding state. Before such consent shall be executed or subscribed, however, the judge, in the presence of counsel or guardian ad litem, if any, shall inform the juvenile or delinquent juvenile of his rights under this compact. When the consent has been duly executed, it shall be forwarded to and filed with the compact administrator of the state in which the court is located and the judge shall direct the officer having the juvenile or delinquent juvenile in custody to deliver him to the duly accredited officer or officers of the state demanding his return, and shall cause to be delivered to such officer or officers a copy of the consent. The court may, however, upon the request of the state to which the juvenile or delinquent juvenile is being returned, order him to return unaccompanied to such state and shall provide him with a copy of such court order, in such event a copy of the consent shall be forwarded to the compact administrator of the state to which said juvenile or delinquent juvenile is ordered to return.

ARTICLE VII

CO OPERATIVE SUPERVISION OF PROBATIONERS AND PAROLEES

Referred to in Art XIV

a That the duly constituted judicial and administrative authorities of a state party to this compact (herein called “sending state”) may permit any delinquent juvenile within such state, placed on probation or parole, to reside in any other state party to this compact (herein called “receiving state”) while on probation or parole, and the receiving state shall accept such delinquent juvenile, if the parent, guardian or person entitled to the legal custody of such delinquent juvenile is residing or undertakes to reside within the receiving state. Before granting such permission, opportunity shall be given to the receiving state to make such investigations as it deems necessary. The authorities of the sending state shall send to the authorities of the receiving state copies of pertinent court orders, social case studies and all other available information which may be of value to and assist the receiving state in supervising a probationer or parolee under this compact. A receiving state, in its discretion, may agree to accept supervision of a probationer or parolee in cases where the parent, guardian or person entitled to the legal custody of the delinquent juvenile is a resident of the receiving state, and if so accepted the sending state may transfer supervision accordingly.

b That each receiving state will assume the duties of visitation and of supervision over any such delinquent juvenile and in the exercise of those duties will be governed by the same standards of visitation and supervision that prevail for its own delinquent juveniles released on probation or parole.

c That, after consultation between the appropriate authorities of the sending state and of the receiving state as to the desirability and necessity of returning such a delinquent juvenile, the duly accredited officers of a sending state may enter a receiving state and there apprehend and retake any such delinquent juvenile on probation or parole. For that purpose, no formalities will be required, other than establishing the authority of the officer and the identity of the delinquent juvenile to be retaken and returned. The decision of the sending state to retake a delinquent juvenile on probation or parole shall be conclusive upon and not reviewable within the receiving state, but if, at the time the sending state seeks to retake a delinquent juvenile on probation or parole, there is pending against him within the receiving state any criminal charge or any proceeding to have him adjudicated a delinquent juvenile for any act committed in such state, or if he is suspected of having committed within such state a criminal offense or an act of juvenile delinquency, he shall not be returned without the consent of the receiving state un-
Until discharged from prosecution or other form of proceeding, imprisonment, detention or supervision for such offense or juvenile delinquency. The duly accredited officers of the sending state shall be permitted to transport delinquent juveniles being so returned through any and all states party to this compact, without interference.

d. That the sending state shall be responsible under this Article for paying the costs of transporting any delinquent juvenile to the receiving state or of returning any delinquent juvenile to the sending state.

Referred to in Art. VIII a, b

ARTICLE VIII—RESPONSIBILITY FOR COSTS

a. That the provisions of Articles IV “b”, V “b” and VII “d” of this compact shall not be construed to alter or affect any internal relationship among the departments, agencies and officers and in the government of a party state, or between a party state and its subdivisions, as to the payment of costs, or responsibilities therefor.

b. That nothing in this compact shall be construed to prevent any party state or subdivision thereof from asserting any right against any person, agency or other entity in regard to costs for which such party state or subdivision thereof may be responsible pursuant to Articles IV “b”, V “b” or VII “d” of this compact.

ARTICLE IX—DETENTION PRACTICES

That, to every extent possible, it shall be the policy of states party to this compact that no juvenile or delinquent juvenile shall be placed or detained in any prison, jail or lockup nor be detained or transported in association with criminal, vicious or dissolute persons.

ARTICLE X—SUPPLEMENTARY AGREEMENTS

Referred to in Art. XIV

That the duly constituted administrative authorities of a state party to this compact may enter into supplementary agreements with any other state or states party hereto for the co-operative care, treatment and rehabilitation of delinquent juveniles whenever they shall find that such agreements will improve the facilities or programs available for such care, treatment and rehabilitation. Such care, treatment and rehabilitation may be provided in an institution located within any state entering into such supplementary agreement. Such supplementary agreements shall:

1. Provide the rates to be paid for the care, treatment and custody of such delinquent juveniles, taking into consideration the character of facilities, services and subsistence furnished;

2. Provide that the delinquent juvenile shall be given a court hearing prior to his being sent to another state for care, treatment and custody;

3. Provide that the state receiving such a delinquent juvenile in one of its institutions shall act solely as agent for the state sending such delinquent juvenile;

4. Provide that the sending state shall at all times retain jurisdiction over delinquent juveniles sent to an institution in another state;

5. Provide for reasonable inspection of such institutions by the sending state;

6. Provide that the consent of the parent, guardian, person or agency entitled to the legal custody of said delinquent juvenile shall be secured prior to his being sent to another state; and

7. Make provision for such other matters and details as shall be necessary to protect the rights and equities of such delinquent juveniles and of the cooperating states.

ARTICLE XI—ACCEPTANCE OF FEDERAL AND OTHER AID

That any state party to this compact may accept any and all donations, gifts and grants of money, equipment and services from the federal or any local government, or any agency thereof and from any person, firm or corporation, for any of the purposes and functions of this compact, and may receive and utilize the same subject to the terms, conditions and regulations governing such donations, gifts and grants.

ARTICLE XII—COMPACT ADMINISTRATORS

That the governor of each state party to this compact shall designate an officer who, acting jointly with like officers of other party states, shall promulgate rules and regulations to carry out more effectively the terms and provisions of this compact.

ARTICLE XIII—EXECUTION OF COMPACT

That this compact shall become operative immediately upon its execution by any state as between it and any other state or states so executing. When executed it shall have the full force and effect of law within such state, the form of execution to be in accordance with the laws of the executing state.

ARTICLE XIV—RENUNCIATION

That this compact shall continue in force and remain binding upon each executing state until denounced by it. Renunciation of this compact shall be by the same authority which executed it, by sending six months' notice in writing of its intention to withdraw from the compact to the other states party hereto. The duties and obligations of a renouncing state under Article VII hereof shall continue as to parolees and probationers residing therein at the time of withdrawal until retaken or finally discharged. Supplementary agreements entered into under Article X hereof shall be subject to renunciation as provided by such supplementary agreements, and shall not be subject to the six months' renunciation notice of the present Article.

Out-of-State Confinement Amendment

a. Whenever the duly constituted judicial or administrative authorities in a sending state shall deter-
mine that confinement of a probationer or reconfine-ment of a parolee is necessary or desirable, said officials may direct that the confinement or reconfinement be in an appropriate institution for delinquent juveniles within the territory of the receiving state, such receiving state to act in that regard solely as agent for the sending state.

b. Escapees and absconders who would otherwise be returned pursuant to Article V of the compact may be confined or reconfined in the receiving state pursuant to this amendment. In any such case the information and allegations required to be made and furnished in a requisition pursuant to such Article shall be made and furnished, but in place of the demand pursuant to Article V, the sending state shall request confinement or reconfinement in the receiving state. Whenever applicable, detention orders as provided in Article V may be employed pursuant to this paragraph preliminary to disposition of the escapee or absconder.

c. The confinement or reconfinement of a parolee, probationer, escapee, or absconder pursuant to this amendment shall require the concurrence of the appropriate judicial or administrative authorities of the receiving state.

d. As used in this amendment: (1) "Sending state" means sending state as that term is used in Article VII of the compact or the state from which a delinquent juvenile has escaped or absconded as defined within the meaning of Article V of the compact; (2) "receiving state" means any state, other than the sending state, in which a parolee, probationer, escapee, or absconder may be found, provided that said state is a party to this amendment.

e. Every state which adopts this amendment shall designate at least one of its institutions for delinquent juveniles as a "Compact Institution" and shall confine persons therein as provided in paragraph "a" hereof unless the sending and receiving state in question shall make specific contractual arrangements to the contrary. All states party to this amendment shall have access to "Compact Institutions" at all reasonable hours for the purpose of inspecting the facilities thereof and for the purpose of visiting such of said state's delinquents as may be confined in the institution.

g. All persons who may be confined in a "Compact Institution" pursuant to the provisions of this amendment shall be treated in a reasonable and humane manner. The fact of confinement or reconfinem-ent in a receiving state shall not deprive any person so confined or reconfined of any rights which said person would have had if confined or reconfined in an appropriate institution of the sending state; nor shall any agreement to submit to confinement or reconfi-nement pursuant to the terms of this amendment be construed as a waiver of any rights which the delinquent would have had if he had been confined or reconfined in any appropriate institution of the sending state except that the hearing or hearings, if any, to which a parolee, probationer, escapee, or absconder may be entitled (prior to confinement or reconfinement) by the laws of the sending state may be had before the appropriate judicial or administrative officers of the receiving state. In this event, said judicial and administrative officers shall act as agents of the sending state after consultation with appropriate officers of the sending state.

h. Any receiving state incurring costs or other expenses under this amendment shall be reimbursed in the amount of such costs or other expenses by the sending state unless the states concerned shall specifically otherwise agree. Any two or more states party to this amendment may enter into supplementary agreements determining a different allocation of costs as among themselves.

Except where the parent-child relationship is terminated, the court may inquire into the ability of the parents to support the minor and after giving the parents a reasonable opportunity to be heard may order the parents to pay in the manner and to whom the court may direct, such sums as will cover in whole or in part the cost of care, examination, or treatment of the minor. An order entered under this section shall not obligate a parent paying child support under a custody decree, except that any part of such a monthly support payment may be used to satisfy the obligations imposed by an order entered under this section. If the parents fail to pay the sum without good reason, the parents may be proceeded against for contempt or the court may inform the county attorney who shall proceed against the parents to collect the unpaid sums or both. Any such sums ordered by the court shall be a judgment against each of the parents and a lien as provided in section 624.23.    b. Each county shall be required to pay for the first fiscal year after July 1, 1979 an amount equal to its base cost plus an amount equal to the percentage rate of change in the consumer price index as tabulated by the bureau of labor statistics for the current fiscal year times the base cost.
   c. A county's base cost for a fiscal year plus the percentage rate of change amount as computed in paragraph "b" of this subsection shall become that county's base cost for the succeeding fiscal year. The amount to be paid in the succeeding year by the county shall be computed as provided in paragraph "b".
   d. Costs incurred under provisions of this section which are not paid by the county under the provisions of paragraphs "a," "b" and "c" shall be paid by the state. 2. When a court has transferred legal custody of the child to the department of social services.
3. When the department has agreed to provide foster care services for the child on the basis of a signed placement agreement between the department and the child’s parent or guardian.

Each county shall pay from the county mental health and institutions fund as provided by section 444.12, subsection 2, the cost of foster care for a child placed by a court as provided in section 232.50 or section 232.59. However, in any fiscal year for which the general assembly appropriates state funds to pay for foster care for children placed by courts under the statute or sections of chapter 232 cited in this section, the county shall become responsible for these costs only when the funds so appropriated to the department for that fiscal year have been exhausted. The rate of payment by the county or the state, as the case may be, under this section shall be that fixed by the department of social services pursuant to section 234.38. [C75, 77, 79, §234.36]

Referred to in §234.37, 242.7

234.37 Department may establish accounts for certain children. The department of social services is authorized to establish an account in the name of any child committed to the commissioner of social services or his designee, or whose legal custody has been transferred to the department, or who is voluntarily placed in foster care pursuant to section 234.35. Any money which the child receives from the United States government or any private source shall be
placed in the child’s account, unless a guardian of the child’s property has been appointed and demands the money, in which case it shall be paid to the guardian. The account shall be maintained by the department as trustee for the child in an interest-bearing account at a reputable bank or savings and loan association, except that if the child is residing at an institution administered by the department a limited amount of the child’s funds may be maintained in a separate account, which need not be interest bearing, in the child’s name at the institution. Any money held in an account in the child’s name or in trust for the child under this section may be used, at the discretion of the department and subject to restrictions lawfully imposed by the United States government or other source from which the child receives the funds, for the purchase of personal incidentals, desires and comforts of the child. All of the money held for a child by the department under this section and not used in the child’s behalf as authorized by law shall be promptly paid to the child or his parent or legal guardian upon termination of the commitment of the child to the commissioner or his designee, or upon transfer or cessation of legal custody of the child by the department. The department of social services is authorized to make payments directly to foster parents for services provided to children pursuant to section 234.6, subsection 7, paragraph “b”, or sections 234.35 and 234.36. The rate of payment by the department for foster care shall be fixed by the department by rules adopted pursuant to chapter 17A. Payments may be made from any money legally available to the department for that purpose, including but not limited to funds appropriated by the general assembly, money available under section 234.37, and money received from the parent or legal guardian of a child to pay for that child’s foster care. [C75, 77, 79, §234.38; 68GA, ch 8, §9]

234.39 Responsibility for cost of services. It is the intent of this chapter that individuals served by the department of social services, and their respective parents or guardians, shall have primary responsibility for paying the cost of care and services provided by the department, to the extent consistent with their incomes and resources. The department shall establish a schedule of charges to be made for care and services provided, on a graduated scale related to the income and resources of the person responsible for payment, by rules adopted pursuant to chapter 17A. The schedule of charges established and adopted under this section shall not be inconsistent with the limitations on legal liability established under sections 222.78 and 230.15, and by any other statute limiting legal liability which may be imposed on any person for the cost of care and services provided by the department of social services. [C75, 77, 79, §234.39]

234.40 Corporal punishment. The department of social services shall not adopt or enforce any rule or policy prohibiting limited corporal punishment of foster children by foster parents licensed by the department. This paragraph shall not prevent promulgation of rules prohibiting malicious, willful and wanton conduct by a foster parent which causes injury or damage to a foster child, or exposes the foster child to danger of such injury or damage. [C75, §234.40]

234.41 Tort actions. A foster parent licensed by the department of social services stands in the same relationship to his or her minor foster child, for purposes of tort actions by or on behalf of the foster child against the foster parent, as a natural parent to his or her minor child who resides at home. This section does not apply to a foster parent whose malicious, willful and wanton conduct causes injury or damage to a foster child or exposes the foster child to danger caused by violation of a statute or the rules of the department of social services.    6. Desired relief, including a request for temporary or emergency orders.

   If the plaintiff files an affidavit stating that he or she does not have funds available to pay the cost of filing and service, the petition shall be filed and service shall be made without payment of costs. If a petition is filed and service is made without payment of costs, the court shall determine at the hearing if the plaintiff is indigent.    4. Upon application of a party, the court shall issue subpoenas requiring attendance and testimony of witnesses and production of papers.

Costs of counseling shall be paid in full or in part by the parties and taxed as court costs. If the court determines that the parties are unable to pay the costs, they may be paid in full or in part from the court expense fund.

An order or consent agreement under this section shall not affect title to real property.

4. Present danger of domestic abuse to the plaintiff constitutes good cause for purposes of this subsection.

2. An emergency order issued under subsection 1 shall expire seventy-two hours after issuance. When the order expires, the plaintiff may seek a temporary order from the court pursuant to section 236.4.

3. A petition filed and emergency order issued under this section and any documentation in support of the petition and order shall be immediately certified to the court. The certification shall commence a proceeding for purposes of section 236.3. [68GA, ch 147, §6]

However, the rules may require a fire-rated separation from the remaining portion of the building if the fire marshal determines that the separation is necessary for the protection of children from a specific flammable hazard.

Data on the number and places of residence of children under seven years of age shall be derived from the most recent federal decennial census unless the commissioner with approval of the council of social services directs that some other specified source of data be used.

2. Each county shall receive a share of one half of the total amount available for allocation among the counties which share is equivalent to a percentage of the total amount available determined by dividing the total number of low-income families residing in the state into the total number of low-income families residing in the county. 3. The demonstrated need of the center for additional equipment, and improvement, enlargement or relocation of the center’s physical facilities designed...
to bring the center into compliance with local health, fire and zoning laws.

The sending, bringing, or causing to be sent or brought into any receiving state of a child in violation of the terms of this compact shall constitute a violation of the laws respecting the placement of children of both the state in which the sending agency is located or from which it sends or brings the child and of the receiving state. Such violation may be punished or subjected to penalty in either jurisdiction in accordance with its laws. In addition to liability for any such punishment or penalty, any such violation shall constitute full and sufficient grounds for the suspension or revocation of any license, permit, or other legal authorization held by the sending agency which empowers or allows it to place, or care for children.

ARTICLE V—RETENTION OF JURISDICTION
Referred to in §238.34, 238.39

a. The sending agency shall retain jurisdiction over the child sufficient to determine all matters in relation to the custody, supervision, care, treatment and disposition of the child which it would have had if the child had remained in the sending agency's state, until the child is adopted, reaches majority, becomes self-supporting or is discharged with the concurrence of the appropriate authority in the receiving state. Such jurisdiction shall also include the power to effect or cause the return of the child or its transfer to another location and custody pursuant to law. The sending agency shall continue to have financial responsibility for support and maintenance of the child during the period of the placement. Nothing contained herein shall defeat a claim of jurisdiction by a receiving state sufficient to deal with an act of delinquency or crime committed therein.

Referred to in §238.36

b. When the sending agency is a public agency, it may enter into an agreement with an authorized public or private agency in the receiving state providing for the performance of one or more services in respect of such case by the latter as agent for the sending agency.

Referred to in §238.37, 238.38

c. Nothing in this compact shall be construed to prevent a private charitable agency authorized to place children in the receiving state from performing services or acting as agent in that state for a private charitable agency of the sending state; nor to prevent the agency in the receiving state from discharging financial responsibility for the support and maintenance of a child who has been placed on behalf of the sending agency without relieving the responsibility set forth in paragraph "a" hereof.

ARTICLE VI—INSTITUTIONAL CARE
OF DELINQUENT CHILDREN
Referred to in §238.39

A child adjudicated delinquent may be placed in an institution in another party jurisdiction pursuant to this compact but no such placement shall be made unless the child is given a court hearing on notice to the parent or guardian with opportunity to be heard, prior to his being sent to such other party jurisdiction for institutional care and the court finds that:

a. Equivalent facilities for the child are not available in the sending agency's jurisdiction; and

b. Institutional care in the other jurisdiction is in the best interest of the child and will not produce undue hardship.

ARTICLE VII—COMPACT ADMINISTRATOR
Referred to in §238.40

The executive head of each jurisdiction party to this compact shall designate an officer who shall be general co-ordinator of activities under this compact in his jurisdiction and who, acting jointly with like officers of other party jurisdictions, shall have power to
promulgate rules and regulations to carry out more effectively the terms and provisions of this compact.

ARTICLE VIII—LIMITATIONS

This compact shall not apply to:

a. The sending or bringing of a child into a receiving state by his parent, relative, or his guardian and leaving the child with any such relative or nonagency guardian in the receiving state.

b. Any placement, sending or bringing of a child into a receiving state pursuant to any other interstate compact to which both the state from which the child is sent or brought and the receiving state are party, or to any other agreement between said states which has the force of law.

ARTICLE IX—ENACTMENT AND WITHDRAWAL

This compact shall be open to joinder by any state, territory or possession of the United States, the District of Columbia, the commonwealth of Puerto Rico, and, with the consent of Congress, the government of Canada or any province thereof. It shall become effective with respect to any such jurisdiction when such jurisdiction has enacted the same into law. Withdrawal from this compact shall be by the enactment of a statute repealing the same, but shall not take effect until two years after the effective date of such statute and until written notice of the withdrawal has been given by the withdrawing state to the governor of each other party jurisdiction. Withdrawal of a party state shall not affect the rights, duties and obligations under this compact of any sending agency therein with respect to a placement made prior to the effective date of withdrawal.

ARTICLE X—CONSTRUCTION AND SEVERABILITY

The provisions of this compact shall be liberally construed to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state party thereto, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters. §239.2, AID TO DEPENDENT CHILDREN

239.1, subsection 3, or has been placed in a foster home or with a public nonprofit agency referred to in such subsection under a plan of care including services designated to improve the conditions of the home from which the child was removed or to otherwise make possible his being placed in the suitable home of a relative referred to in section 239.1, subsection 3, if the placement resulted from judicial proceedings initiated during a month in or for which the child:

The department of social services shall have a program under chapter 249C for the partially or totally unemployed father under this subsection.

The division may prescribe requirements in addition to or in lieu of the foregoing, for eligibility for assistance under this chapter to children whose fathers are partially or totally unemployed, which are necessary to secure financial participation of the federal government in payment of such assistance. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §239.2]

239.3 Application for assistance. Application for assistance under this chapter shall be made to the county board of the county in which the dependent child resides or will reside in the event assistance is granted. The application shall be in writing or reduced to writing in the manner and upon the form prescribed by the state director. Such application shall be made by an adult person or a person eighteen years of age or older with whom the dependent child resides or will reside, and shall contain such information as may be required by said application form. One application may be made for several children of the same family if they reside or will reside with the same person. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §239.3]

Whenever a county board receives a notification of the dependency of a child or an application for assistance, an investigation and record of the circumstances shall promptly be made in order to ascertain the dependency of the child and the facts supporting the application.

In cases involving physical or mental incapacity or unfitness of either parent, the county board of social welfare may require as a condition for granting assistance hereunder that such incapacity or unfitness be determined by a board of doctors which shall be selected by the county board of social welfare. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §239.4; 68GA, ch 1001, §70]

239.5 Granting of assistance and amount of assistance—co-operation of parent. Upon the completion of an investigation the county board shall decide whether the child is eligible for assistance under the provisions of this chapter and determine the amount of such assistance. The county board shall, within thirty days, notify the person with whom the child is living or will be living, of the decision made. The county board may require, as a condition of granting assistance, that a legal guardianship be established over any recipient, or any child or children and in such cases the assistance payments shall be made to such guardian, when appointed, but a guardian of a child or children only shall not be allowed to receive any assistance payments for any dependent child or children unless such guardian shall bear a relationship to the child or children embraced by subsection 3, section 239.1. In addition to the assistance granted as provided under this chapter, an amount not to exceed ten dollars per case per month may be allowed for guardian's fees when authorized by appropriate court order. The dependent child for whom the grant is made shall be originally charged to the county in which such child resides when application is made.
The county board, in accordance with rules and standards established by the state department of social services, shall fix the amount of assistance necessary for any dependent child. In determining the amount of assistance, the county board shall take into consideration the income and resources of any child or relative claiming assistance under this chapter. However, in fixing the amount of assistance for any child or family, the county board, in accordance with rules established by the state department of social services, may disregard a reasonable amount of the income of the child or the family, in order to encourage the family or any of its members to become self-supporting. The term "income" as used herein means income remaining after deduction of expenses reasonably attributable to the earning or securing of that income.

The county board, under the supervision of the state department of social services, shall establish services to help families and persons receiving assistance under this chapter to become self-supporting; shall participate in the work and training program established by chapter 249C; and shall co-operate with other public agencies and with private agencies to secure employment, education, and vocational training for members of such families. Assistance, when granted, shall be paid monthly to an adult person or a person eighteen years of age or older within the specified degrees of relationship and with whom the child is living, from the fund for aid to dependent children established by this chapter, upon the order of the county board, except that the county board may order the assistance payments made to another individual who is interested in or concerned with the welfare of the child or the person with whom the child is living when it has been demonstrated that the person with whom the child is living is unable to manage the assistance payments in the best interest of the child. Such protective payments shall not be made beyond one year and shall otherwise conform to the regulations established under the provisions of Title IV of the Social Security Act as amended by Public Law 90-248.

No payment for aid to dependent children shall be made unless and until the county board of social welfare, with the advice of the county attorney shall certify that the parent receiving the aid for the children is co-operating in legal actions and other efforts to obtain support money for said children from the persons legally responsible for said support. The state comptroller shall, no later than January 1, 1977 and upon receipt of a written signed request from the person entitled to receive assistance established by this chapter, order that payments be made directly to a bank, savings and loan association, or credit union of his or her choice. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §239.6] See Collins v. Board, 246 Iowa 369

239.6 Periodic reconsideration, changes, and termination of grants. Any or all assistance grants made under this chapter shall be subject to reconsideration at any time the county board deems necessary and shall be re-investigated and reconsidered by the county board as frequently as may be required. After any such further investigation, the county board shall make further report to the state director. Upon such report, assistance may be continued, renewed, suspended, changed in amount, or entirely withdrawn, as the findings of such reports warrant. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §239.6]

239.7 Appeal—judicial review. If an application is not acted upon within a reasonable time, if it is denied in whole or in part, or if any award of assistance is modified, suspended, or canceled under any provision of this chapter, the applicant or recipient may appeal to the department of social services. The department shall give the appellant reasonable notice and opportunity for a fair hearing before the commissioner or his designee. Judicial review of the result of such hearing may be sought in accordance with the terms of the Iowa administrative procedure Act. Upon receipt of the notice of the filing of a petition for judicial review, the department shall furnish the petitioner with a copy of any papers filed in support of the petitioner's position, a transcript of any testimony taken, and a copy of the department's decision. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §239.7]

239.8 Removal from county. When any child for whose benefit a grant of assistance has been made moves or is removed from the county in which he resided at the time he was granted assistance, it shall be the duty of the recipient to immediately notify the county board of the county of the fact of such removal and of the city (or the nearest city) and of the county to which the child has removed. If the removal is out of the state, assistance shall be continued as long as the child remains otherwise eligible for assistance under this chapter or until he becomes eligible for assistance from the state to which he has moved, but in no case may assistance payments from this state be continued for more than one year beyond the date of the child's removal from this state; provided, further, that during the period in which such assistance may be paid, the county board shall, by regular contact with the proper state or local welfare agency in the state to which such child has been removed, review and determine such child's eligibility for assistance other than with respect to the residence eligibility requirement.

Periodic status reports shall be requested of the recipients to assist in determining eligibility for assistance payments. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §239.8]

239.9 Funeral expenses. Upon the death of any child for whose benefit assistance payments are being made or have been authorized, a reasonable funeral expense for the burial of such child may be paid by the state division, provided such expenses do not exceed two hundred fifty dollars, and the estate of the deceased or any life insurance or payments by any death or funeral benefit association or society paid by reason of the death of such child to the child's estate or to any person legally liable for his support, are insufficient to defray such funeral expenses. The person to whom such funeral expenses are paid as above provided is hereby prohibited from soliciting, accepting, or contracting to receive any further compensation for services rendered or articles furnished in connection with such funeral except on written approval

Such amount may be recovered from the offender or his estate in an action brought or by claim filed in the name of the state, and upon recovery the state shall pay the county a portion thereof equal to the amount paid by the county with respect to such assistance and return the balance of such recovery to the fund for aid to dependent children. 247.40 Interstate probation and parole compact. Since the state of Iowa has been a signatory to the interstate probation and parole compact since 1937 by action of the governor pursuant to section 247.10,* the general assembly deems it advisable to enter the full text of the compact into the Code for easy accessibility by the general public.

The interstate probation and parole compact is hereby placed in the Code as entered into by this state with other states legally joining therein in the form substantially as follows:

THE INTERSTATE PROBATION AND PAROLE COMPACT

Entered into by and among the contracting states, signatories hereto, with the consent of the Congress of the United States of America, granted by an Act entitled "An Act granting the consent of Congress to any two or more states to enter into agreements or compacts for co-operative effort and mutual assistance in the prevention of crime and for other purposes."

The contracting states solemnly agree:

1. That it shall be competent for the duly constituted judicial and administrative authorities of a state party to this compact, to permit any person convicted of an offense within such state and placed on probation or released on parole to reside in any other state party to this compact, while on probation or parole, if:
   a. Such person is in fact a resident of or has his family residing within the receiving state and can obtain employment there.
   b. Though not a resident of the receiving state and not having his family residing there, the receiving state consents to such person being sent there. Before granting such permission, opportunity shall be granted to the receiving state to investigate the home and prospective employment of such person.

A resident of the receiving state, within the meaning of this section, is one who has been an actual inhabitant of such state continuously for more than one year prior to his coming to the sending state and has not resided within the sending state more than six continuous months immediately preceding the commission of the offense for which he has been convicted.

2. That each receiving state will assume the duties of visitation of and supervision over probationers or parolees of any sending state and in the exercise of those duties will be governed by the same standards that prevail for its own probationers and parolees.

3. That duly accredited officers of a sending state may at all times enter a receiving state and there apprehend and retake any person on probation or pa-
role. For that purpose no formalities will be required other than establishing the authority of the officer and the identity of the person to be retaken. All legal requirements to obtain extradition of fugitives from justice are hereby expressly waived on the part of states party hereto, as to such persons. The decision of the sending state to retake a person on probation or parole shall be conclusive upon and not reviewable within the receiving state. Provided, however, that if at the time when a state seeks to retake a probationer or parolee there should be pending against him within the receiving state any criminal charge, or he should be suspected of having committed within such state a criminal offense, he shall not be retaken without the consent of the receiving state until discharged from prosecution or from imprisonment for such offense.

4. That the duly accredited officers of the sending state will be permitted to transport prisoners being retaken through any and all states parties to this compact, without interference.

5. That the governor of each state may designate an officer who, acting jointly with like officers of other contracting states, if and when appointed, shall promulgate such rules and regulations as may be deemed necessary to more effectively carry out the terms of this compact.

6. That this compact shall become operative immediately upon its execution by any state as between it and any other state or states so executing. When executed it shall have the full force and effect of law within such state, the form of execution to be in accordance with the laws of the executing state.

7. That this compact shall continue in force and remain binding upon each executing state until renounced by it. The duties and obligations hereunder of a renouncing state shall continue as to parolees or probationers residing therein at the time of withdrawal until retaken or finally discharged by the sending state. Renunciation of this compact shall be by the same authority which executed it, by sending six months' notice in writing of its intention to withdraw from the compact to the other state party hereeto. 247A.2 Program. The department of social services shall establish a work release program under which inmates sentenced to an institution under the jurisdiction of the department may be granted the privilege of leaving actual confinement during necessary and reasonable hours for the purpose of working at gainful employment. Under appropriate conditions the program may also include release for the purpose of seeking employment and attendance at an educational institution. In the case of inmates who have children in their homes under the age of eighteen years, the program may include child care and housekeeping in their homes. [C71, 73, 75, 77, 79, §247A.2]

The committee shall include as a specific term or condition in the work release plan of any inmate the place where the inmate is to be housed when not on the work assignment. The committee shall not place an inmate on work release for longer than six months in any twelve-month period provided, however, that an inmate may be placed on work release for a period in excess of six months in any twelve-month period if unanimous approval is given by the committee. Inmates may be temporarily released to the supervision of a responsible person to participate in family and selected community, religious, educational, social, civic and recreational activities when it is determined that the participation will directly facilitate the release transition from institution to community. [C71, 73, 75, 77, 79, §247A.6]

The committee shall include as a specific term or condition in the work release plan of any inmate the relationship between the inmate and the state institution or the state, and it is understood that there is no employer-employee relationship between the inmate and the state institution. 2. The actual and necessary food, travel and other expenses of the inmate when released from actual confinement under the program.
3. An amount the inmate may be legally obligated to pay for the support of his dependents, the amount of which shall be paid to the dependents through the local department of social services in the county or city in which the dependents reside.

Any balance remaining after deductions and payments shall be credited to the inmate's personal account at the institution and shall be paid to him upon release. Should any inmate suffer an injury arising out of or in the course of the inmate's employment under this chapter, the inmate's recovery shall be from the insurance carrier of the employer of the project and no proceedings for compensation shall be maintained against the insurance carrier of the state institution or the state, and it is understood that there is no employer-employee relationship between the inmate and the state institution. [C71, 73, 75, 77, 79, §247A.8]

If, while receiving assistance, the recipient becomes possessed of any resource or income in excess of the amount stated in the application provided for in this chapter, it shall be the duty of the recipient immediately to notify the county board of the receipt or possession of such resource or income. When it is found that any person has failed to so notify the board that he is or was possessed of any resource or income in excess of the amount allowed, or when it is found that, within five years prior to the date of his application, a recipient made an assignment or transfer of property for the purpose of rendering himself eligible for assistance under this chapter, any amount of assistance paid in excess of the amount to which the recipient was entitled shall constitute benefits incorrectly paid. Any benefits incorrectly paid shall be recoverable from the recipient, while living, as a debt due the state and, upon his death, as a claim classified with taxes having preference under the laws of this state. [C62, 66,§249A.13; C71, 73, 75, 77, 79,§249A.5]

249A.6 Subrogation.
1. When payment is made by the department for medical care or expenses through the medical assistance program on behalf of any recipient, the department shall be subrogated, to the extent of those payments, to all monetary claims which the recipient may have against third parties as a result of the medical care or expenses received or incurred. No compromise, including but not limited to a settlement, waiver or release, of any claim to which the department is subrogated under this section shall defeat the department's right of recovery except pursuant to the written agreement of the commissioner or the commissioner's designee.

2. The department shall be given notice of monetary claims against third parties as follows:
   a. Applicants for medical assistance shall notify the department of any possible claims against third parties upon submitting the application. Recipients of medical assistance shall notify the department of any possible claims when those claims arise.
   b. Any person who provides health care services to a person receiving assistance through the medical assistance program shall notify the department whenever the person has reason to believe that third parties may be liable for payment of the costs of those health care services.
   c. Any attorney representing an applicant for or recipient of assistance on a claim to which the department is subrogated under this section shall notify the department of the claim prior to filing any claim, commencing any action or negotiating any settlement offer.

The mailing and deposit in a United States post office or public mailing box of the notice, addressed to the department at its state or district office location, is adequate legal notice of the claim.

3. The subrogation rights of the department shall be valid and binding on an insurer or other third party only upon notice by the department or unless the insurer or third party has actual notice that the recipient is receiving medical assistance from the department and only to the extent to which such insurer or third party has not made payment to the recipient or an assignee of the recipient prior to such notice. Payment of benefits by an insurer or third party pursuant to the subrogation rights hereunder shall discharge such insurer or third party from liability to the recipient or the recipient's assignee to the extent of such payment to the department.

4. In the event a recipient of assistance through the medical assistance program incurs the obligation to pay attorney fees and court costs for the purpose of enforcing a monetary claim to which the department is subrogated under this section, the amount which the department is entitled to recover under subsection 1, or any lesser amount which the department may agree to accept in compromise of its claim,
§249A.6, MEDICAL ASSISTANCE

shall be reduced by an amount which bears the same relation to the total amount of attorney fees and court costs actually paid by the recipient as the amount actually recovered by the department, exclusive of the reduction for attorney fees and court costs, bears to the total amount paid by the third party to the recipient. An attorney acting on behalf of a recipient of medical assistance for the purpose of enforcing a claim to which the department is subrogated shall not collect from the recipient any amount as attorney fees which is in excess of the amount which the attorney customarily would collect on claims not subject to this section.

5. For purposes of this section the term “third party” includes any individual, institution, corporation, or public or private agency which is or may be liable to pay part or all of the medical costs incurred as a result of injury, disease or disability by or on behalf of an applicant for or recipient of assistance under the medical assistance program. [C79, §249A.6; 68GA, ch 1068, §1]

249A.7 Penalty. A person who obtains assistance or payments for medical assistance under this chapter by misrepresentation or failure, with fraudulent intent, to bring forth all the facts required of an applicant for aid under the provisions of this chapter and a person who knowingly makes false statements concerning the applicant’s eligibility for aid under this chapter shall be guilty of a fraudulent practice. [C62, 66, §249A.15; C71, 73, 75, 77, 79, §249A.7]

249A.9 Direct payment to health care facility—no deduction for service. If the state department is making direct assistance payments to persons providing a recipient with services in a health care facility licensed under chapter 185C in amounts less than the usual and reasonable charge for such service, the state department shall permit the recipient or someone on his behalf to pay the person rendering the service the difference between the amount of assistance and the reasonable value of such service, without deducting such additional payment from the direct assistance payment to be made by the state department. [C71, 73, 75, 77, 79, §249A.9]

249A.10 Remedial eye care. The department shall establish a remedial eye care program for individuals who have been determined by an ophthalmologist, retained in accordance with rules of the department, to be in need of treatment to prevent blindness or to restore eyesight and who lack sufficient income to meet the cost of the remedial eye care. The department shall establish eligibility requirements not inconsistent with section 249A.3. [C77, 79, §249A.10]

249A.11 Payment for patient care segregated. Each hospital-school shall, upon receipt of any payment made under this chapter for the care of any patient, segregate an amount equal to that portion of the payment which is required by law to be made from nonfederal funds. The money segregated shall be deposited in the medical assistance fund of the department of social services. [C77, 79, §249A.11]

249A.12 Assistance to mentally retarded residents of county care facilities or certain other licensed facilities.

1. Assistance may be furnished under this chapter, in accordance with subsection 2 of this section, to a mentally retarded person who is otherwise eligible for such assistance, to pay all or a portion of the cost of maintaining that person as a resident of:

a. A county care facility, or portion thereof, which is licensed in accordance with the provisions of chapter 135C and is certified as an intermediate care facility for the mentally retarded in accordance with federal and state standards governing the medical assistance program.

b. Another intermediate care facility for the mentally retarded that is so licensed and certified, when the mentally retarded person eligible for assistance is residing in the facility with approval of the county board of supervisors of the county in which that person resided prior to entering the facility.

2. Assistance may be furnished under this section only in cases where the county board of supervisors or the operator of the alternative intermediate care facility for the mentally retarded has entered into an agreement with the department to provide services that are in accordance with the department’s appropriate district plan for delivery of services to mentally retarded and developmentally disabled citizens, and to upgrade and maintain the facility, or portion thereof, in accordance with the provisions of the technical plan of correction that has been approved for the facility. Assistance shall be furnished only when it is determined that adequate funding is available.

Each county board entering into an agreement with the department under this subsection shall agree to reimburse the department from the county poor fund or the county mental health and institutions fund, on a monthly basis, for that portion of the cost of assistance furnished under this section which is not paid from federal funds. The department shall place all such reimbursements from counties in the appropriation for medical assistance, and may use the reimbursed funds for any purpose for which the funds so appropriated by the general assembly may lawfully be used. Any county-reimbursed funds remaining unexpended shall revert to the general fund of the state in the same manner as the original appropriation. [C77, 79, §249A.12]

249A.13 Pilot program on surgery for medicaid clients. The department of social services shall implement a pilot program in community service districts ten and two requiring mandatory second opinions on elective surgery for medicaid clients. The department shall reimburse board certified surgical specialists to give their opinion on elective surgery prescribed by the client’s own physician. If there is a difference in the opinion of the two physicians, the client shall make the final determination. In cases where the client is geographically distant from the specialist, the department shall pay transportation and child care expenses incurred in obtaining the second opinion. The department shall maintain statistical information on this program in community service districts ten and two and on similar groups in community service districts eight and eleven in order to evaluate the
impact of this program on the costs of the medicaid program. [C79,$249A.13]

249A.14 County attorney to enforce. It is the intent of the general assembly that violations of law relating to aid to dependent children, medical assistance, and supplemental assistance shall be prosecuted by county attorneys. Area prosecutors of the office of the attorney general shall provide such as-
sistance in prosecution as may be required. It is the intent of the general assembly that the first priority for investigation and prosecution for which funds are provided by this Act* shall be for fraudulent claims or practices by health care vendors and providers. [C79,$249A.14]

The executive director of the commission shall, with the advice and assistance of the interagency co-ordinating committee, establish an elderly care program to implement and effectuate the provisions of sections 249B.15 to 249B.21. After formulation of rules by the executive director of the commission, in consultation with the interagency co-ordinating committee, the commission shall promulgate rules, pursuant to chapter 17A, necessary to implement the provisions of said sections. [68GA, ch 16, §5]

249B.17 Interagency co-ordinating committee created. **249B.19 Allocation of funds.** All funds appropriated to the commission from the general fund for the elderly care program shall be allocated initially to the area agencies on aging on the basis of population over sixty-five years of age, double-weighted for the low income population over sixty-five years of age. Area agencies on aging may apply for grants of funds not to exceed the amount allocated to the area by this method. Area agency on aging applications shall consist of grant requests from local, public and private organizations recommended and prioritized by the area agency to the commission based upon area wide needs assessment for elderly low income Iowans and compatibility with the comprehensive aging plan for the area. The interagency co-ordinating committee shall review the grant applications of area agencies on aging and make recommendations to the commission regarding the awarding of grants to area agencies on aging. The commission shall have final responsibility for awarding grants to the area agencies on aging. The funds allocated to area agencies on the basis of population and income and not granted by the commission to the area agencies by December 1 and the funds granted by the commission to the area agencies by December 1 which the commission determines will not be expended during the fiscal year shall be considered excess funds and shall be transferred to a reallocation pool. Area agencies on aging may apply for grants of funds from the reallocation pool. The interagency coordinating committee shall review these applications and make recommendations to the commission regarding the awarding of reallocation grants. The commission shall have final authority for awarding reallocation grants. Funds appropriated to the commission from the general fund for the elderly care program shall only be used to establish new projects, to expand existing programs or to continue existing elderly care projects. Elderly care funds shall not be used to replace funds in existing programs or to free funds for other state supported services. §249C.2 Programs of rehabilitation. It is the policy of this state that public assistance programs shall, to the maximum possible extent, be programs of rehabilitation rather than mere support. Persons and members of families receiving public assistance shall be helped to become self-supporting, and shall be required to engage in work and training to the extent provided in this chapter. This chapter shall be interpreted and administered to carry out this policy. [C71, 73, 75, 77, 79, §249C.2]

They shall make agreements and arrangements for maximum co-operation and use of all available resources in the program. [C71, 73, 75, 77, 79, §249C.3]

§249C.4 Co-operation. The program shall provide for maximum co-operation with and participation in federal programs having similar purposes, but the state work and training program shall continue whether or not federal programs and federal funds are available. [C71, 73, 75, 77, 79, §249C.4]

§249C.5 Bases for program. The program shall include, but not be limited to:

If he fails or refuses to do so, he shall not receive public assistance. His disqualification shall not disqualify other members of his family who are entitled to public assistance, but their public assistance shall not be paid to the disqualified person and shall be paid in a manner which will not permit the disqualified person to have access to the assistance funds. A person shall not be disqualified for public assistance if it is impossible to arrange suitable work or training for him. [C71, 73, 75, 77, 79, §249C.6]

249C.17 Chapter not to interfere with federal assistance. If it is finally determined that any provision of this chapter would cause the work and training program to be ineligible for federal financial assistance which the state would otherwise receive, such provision may be suspended or modified to the extent which is essential to obtain such assistance. [C71, 73, 75, 77, §249C.17]

Should the forty and one-half cents levy fail to provide adequate funds to take care of the poor, then the board of supervisors, with the approval of the state comptroller, shall levy an additional tax of not to exceed eighty-one cents per thousand dollars of assessed value, to be entered on the tax list and collected as the ordinary county tax. Before any such additional levy is made, a showing of the necessity for such additional levy shall be made to the state comptroller and no such additional levy shall be made unless it shall be approved in writing by the comptroller.

252A.3 Spouse liable for support. For the purpose of this chapter:

1. A spouse in one state is hereby declared to be liable for the support of his wife or her husband and any child or children under eighteen years of age and any other dependent residing or found in the same state or in another state having substantially similar or reciprocal laws, and, if possessed of sufficient means or able to earn such means, may be required to pay for their support a fair and reasonable sum according to his or her means, as may be determined by the court having jurisdiction of the respondent in a proceeding instituted under this chapter.
2. A parent in one state is hereby declared to be liable for the support of his or her child or children under eighteen years of age residing or found in the same state or in another state having substantially similar or reciprocal laws, whenever the father or mother of such child or children is dead, or cannot be found, or is incapable of supporting such child or children, and, if the liable parent is possessed of sufficient means or able to earn such means, he or she may be required to pay for the support of such child or children a fair and reasonable sum according to his or her means, as may be determined by the court having jurisdiction of the respondent in a proceeding instituted under this chapter.
3. The parents in one state are hereby declared to be severally liable for the support of a dependent child eighteen years of age or older residing or found in the same state or in another state having substantially similar or reciprocal laws, whenever such child is unable to maintain himself and is likely to become a public charge.
4. A child or children born of parents who, at any time prior or subsequent to the birth of such child, have entered into a civil or religious marriage ceremony, shall be deemed the legitimate child or chil-
dren of both parents, regardless of the validity of such marriage.

5. A child or children born of parents who held or held themselves out as husband and wife by virtue of a common law marriage recognized as valid by the laws of the initiating state and of the responding state shall be deemed the legitimate child or children of both parents.

6. A man or woman who was or is held out as her husband or his wife by a person by virtue of a common law marriage recognized as valid by the laws of the initiating state and of the responding state shall be deemed the legitimate spouse of such person.

7. Notwithstanding the fact that the respondent has obtained in any state or country a final decree of divorce or separation from his wife or her husband or a decree dissolving his or her marriage, the respondent shall be deemed legally liable for the support of any dependent child of such marriage.

8. Duties of support applicable under this chapter are those imposed or imposable under the laws of any state where the respondent was present during the period for which support is sought. The respondent is presumed to have been present in the responding state during the period for which support is sought until otherwise shown.

9. The natural parents of a child born out of wedlock shall be severally liable for the support of the child, but the liability of the natural father shall not be enforceable unless he has been adjudicated to be the child's father by a court of competent jurisdiction, or he has acknowledged paternity of the child in open court or by written statement.

252A.4 Jurisdiction. For the purposes of this chapter:

1. The court shall have jurisdiction regardless of the state of last residence or domicile of the petitioner and the respondent and whether or not the respondent has ever been a resident of the initiating state or the dependent person has ever been a resident of the responding state.

2. The court of the responding state shall have the power to order the respondent to pay sums sufficient to provide necessary food, shelter, clothing, care, medical or hospital expenses, expenses of confinement, expenses of education of a child, funeral expenses and other reasonable and proper expenses of the petitioner as justice requires, having due regard to the circumstances of the respective parties.

3. The courts of both the initiating state and the responding state shall have the power to order testimony to be taken in either or both of such states by deposition or written interrogatories, and to limit the nature of and the extent to which the right so to take testimony shall be exercised, provided that the respondent is given a full and fair opportunity to answer the allegations of the petitioner.

252A.5 When proceeding may be maintained. A proceeding to compel support of a dependent may be maintained under this chapter in any of the following cases:

1. Where the petitioner and the respondent are residents of or domiciled or found in the same state.

2. Where the petitioner resides in one state and the respondent is a resident of or is domiciled or found in another state having substantially similar or reciprocal laws.

3. Where the respondent is not and never was a resident of or domiciled in the initiating state and the petitioner resides or is domiciled in such state and the respondent is believed to be a resident of or domiciled in another state having substantially similar or reciprocal laws.

4. Where the respondent was or is a resident of or domiciled in the initiating state and has departed or departs from such state leaving therein a dependent in need of and entitled to support under this chapter and is believed to be a resident of or domiciled in another state having substantially similar or reciprocal laws.

5. Whenever the state or a political subdivision thereof furnishes support to a dependent, it has the same right through proceedings instituted by the petitioner's representative to invoke the provisions of this chapter, for the purpose of securing reimbursement of expenditures so made and of obtaining continuing support; the petition in such case may be verified by any official having knowledge of such expenditures and consent of the dependent shall not be required in order to institute proceedings under this chapter.

252A.6 How commenced—trial. A proceeding under this chapter shall be commenced by a petitioner, or a petitioner's representative, by filing a verified petition in the court in equity in the county of the state wherein he or she resides or is domiciled, showing the name, age, residence and circumstances of the petitioner, alleging that he or she is in need of and entitled to support from the respondent, giving the respondent's name, age, residence and circumstances, and praying that the respondent be compelled to furnish such support. The petitioner may include in or attach to the petition any information which may help in locating or identifying the respondent including, but without limitation by enumeration, a photograph of the respondent, a description of any distinguishing marks of his or her person, other names and aliases by which he or she has been or is known, the name of his or her employer, his or her fingerprints, or social security number.

2. If the respondent is a resident of or domiciled in such state and the court has or can acquire jurisdiction of the person of the respondent under existing laws in effect in such state, such laws shall govern and control the procedure to be followed in such proceeding.

3. If the court of this state acting as an initiating state finds that the petition sets forth facts from which it may be determined that the respondent owes a duty of support and that a court of the responding state may obtain jurisdiction of the respondent or his or her property, it shall so certify and shall cause three copies of (a) the petition (b) its certificate and (c) this chapter to be transmitted to the court in the responding state. If the name and address of such
court is unknown and the responding state has an information agency comparable to that established in the initiating state it shall cause such copies to be transmitted to the state information agency or other proper official of the responding state, with a request that it forward them to the proper court, and that the court of the responding state acknowledge their receipt to the court of the initiating state.

4. When the court of this state, acting as a responding state, receives from the court of an initiating state the aforesaid copies, it shall docket the cause, notify the county attorney or other official acting as petitioner's representative, set a time and place for a hearing, and take such action as is necessary in accordance with the laws of this state to serve notice and thus obtain jurisdiction over the respondent. If a court of the state, acting as a responding state, is unable to obtain jurisdiction of the respondent or his or her property due to inaccuracies or inadequacies in the petition or otherwise, the court shall communicate this fact to the court in the initiating state, shall docket the petition with all means at its disposal to trace the respondent or his or her property, and shall hold the case pending the receipt of more accurate information or an amended petition from the court in the initiating state.

However, if the court of the responding state is unable to obtain jurisdiction because the respondent resides in or is domiciled or found in another county of the responding state, the papers received from the court of the initiating state may be forwarded by the court of the responding state which received the papers to the court of the county in the responding state in which the respondent resides or is domiciled or found, and the court of the initiating state shall be notified of the transfer. The court of the county where the respondent resides or is domiciled or found shall acknowledge receipt of the papers to both the court of the initiating state and the court of the responding state which forwarded them, and shall take full jurisdiction of the proceedings with the same powers as if it had received the papers directly from the court of the initiating state.

5. It shall not be necessary for the petitioner or the petitioner's witnesses to appear personally at such hearing, but it shall be the duty of the petitioner's representative of the responding state to appear on behalf of and represent the petitioner at all stages of the proceeding.

6. If at such hearing the respondent controverts the petition and enters a verified denial of any of the material allegations thereof, the judge presiding at such hearing shall stay the proceedings and transmit to the judge of the court in the initiating state a transcript of the clerk's minutes showing the denials entered by the respondent.

7. Upon receipt by the judge of the court in the initiating state of such transcript, such court shall take such proof, including the testimony of the petitioner and the petitioner's witnesses and such other evidence as the court may deem proper, and, after due deliberation, the court shall make its recommendation, based on all of such proof and evidence, and shall transmit to the court in the responding state an exemplified transcript of such proof and evidence and of its proceedings and recommendation in connection therewith.

8. Upon the receipt of such transcript, the court in the responding state shall resume its hearing in the proceeding and shall give the respondent a reasonable opportunity to appear and reply.

9. Upon the resumption of such hearing, the respondent shall have the right to examine or cross-examine the petitioner and the petitioner's witnesses by means of depositions or written interrogatories, and the petitioner shall have the right to examine or cross-examine the respondent and the respondent's witnesses by means of depositions or written interrogatories.

10. If a respondent, duly summoned by a court in the responding state, willfully fails without good cause to appear as directed in the summons, he or she shall be punished in the same manner and to the same extent as is provided by law for the punishment of a defendant or witness who willfully disobey a summons or subpoena duly issued out of such court in any other action or proceeding cognizable by said court.

11. If, on the return day of the summons, the respondent appears at the time and place specified therein and fails to answer the petition or admits the allegations thereof, or, if, after a hearing has been duly held by the court in the responding state in accordance with the provisions of this section, such court has found and determined that the prayer of the petitioner, or any part thereof, is supported by the evidence adduced in the proceeding, and that the petitioner is in need of and entitled to support from the respondent, the court shall make and enter an order directing the respondent to furnish support to the petitioner and to pay therefor such sum as the court shall determine, having due regard to the parties' means and circumstances. An exemplified copy of such order shall be transmitted by the court to the court in the initiating state and such copy shall be filed with and made a part of the records of such court in such proceeding. The court shall place the respondent on probation on such terms and conditions as the court may deem proper or necessary to assure faithful compliance by the respondent with such order. The court shall also have power to require the respondent to furnish recognizance in the form of a cash deposit or surety bond in such amount as the court may deem proper and just to assure the payment of the amount required to be paid by the respondent for the support of the petitioner.

12. The court making such order may require the respondent to make payment at specified intervals to the clerk of the district court, or the dependent, or to any state or county agency, and to report personally to the sheriff or any other official, at such times as may be deemed necessary.

13. A respondent who shall willfully fail to comply with or violate the terms or conditions of the support order or of his or her probation shall be punished by the court in the same manner and to the same extent as is provided by law for a contempt of such court or a violation of probation ordered by such court in any other suit or proceeding cognizable by such court.
14. The court of this state when acting as a responding state shall have the following duties which may be carried out by the clerk of the court: Upon receipt of a payment made by the respondent pursuant to any order of the court or otherwise, to transmit the same forthwith to the court of the initiating state, and upon request to furnish to the court of the initiating state a certified statement of all payments made by the respondent.

15. Any order of support issued by a court of the state acting as a responding state shall not supersede any previous order of support issued in a divorce or separate maintenance action, but the amounts for a particular period paid pursuant to either order shall be credited against amounts accruing or accrued for the same period under both.

16. The court of the initiating state shall receive and accept all payments made by the respondent to the probation department or bureau of the court of the responding state and transmitted by the latter on behalf of the respondent. Upon receipt of any such payment, and under such rules as the court of the initiating state may prescribe, the court, or its probation department or bureau, as the court may direct, shall deliver such payment to the dependent person entitled thereto, take a proper receipt and acquittance therefor, and keep a permanent record thereof. [C51,§835, 836; R60,§1403, 1404; C73,§1375, 1376; C97,§2244; S13,§2244; C24, 27, 31, 35,§5342; C99,§3828.119; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§253.5]

253.6 Order for admission. No person shall be admitted into the county care facility as a resident except upon order of the board of supervisors, which shall be issued only after the person seeking admission has received a preadmission physical examination by a physician. However, if the need for admission of the person to the county care facility is immediate and no physician is readily available to perform the examination, the board may order the person’s admission pending an examination by a physician, any provisions of sections 135C.3 and 135C.4 to the contrary notwithstanding. When an admission is so ordered, the physical examination shall be completed within three days after the person’s admission to the county care facility. [C51,§837; R60,§1405; C73,§1377; C97,§2244; S13,§2244; C24, 27, 31, 35,§5343; C99,§3828.120; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§253.6]

The board shall cause the county care facility to be visited at least once a month by one of its body, who shall carefully examine the condition of the residents and the manner in which they are fed and clothed and otherwise provided for and treated, ascertain what labor they are required to perform, inspect the books and accounts of the administrator, and look into all matters pertaining to the county care facility and its residents, and report to the board. 253.10 Leasing. The board is vested with authority to contract for the care of the residents and the use and occupancy of the county care facility and farm, if any, for a period not exceeding three years. 253.12 Medication. Medication may be administered to residents of a county care facility by a properly trained person qualified under the rules of the state department of health, and may be a person other than the person preparing the dosage to be administered if individual doses of medication have been clearly labeled with the resident's name, time, and date to be administered. [C75, 77, 79, §253.12]

CHAPTER 255
MEDICAL AND SURGICAL TREATMENT OF INDIGENT PERSONS
Referred to in §136B.31, 155.37, 271.6

255.1 Complaint. Any adult resident of the state may file a complaint in the office of the clerk of any juvenile court, charging that any legal resident of Iowa residing in the county where the complaint is filed is pregnant or is suffering from some malady or deformity that can probably be improved or cured or advantageously treated by medical or surgical treatment or hospital care, and that neither such person nor persons legally chargeable with his support are able to pay therefor. [SS15, §254-b; C24, 27, 31, 35, §4005; C39, §3828.132; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §255.1]

255.2 Duty of public officers and others. It shall be the duty of physicians, public health nurses, members of boards of supervisors, general relief directors, sheriffs, policemen, and public school teachers, having knowledge of persons suffering from any such malady or deformity, to file or cause such complaint to be filed. [SS15, §254-b; C24, 27, 31, 35, §4006; C39,
§255.2, MEDICAL AND SURGICAL TREATMENT OF INDIGENT PERSONS

255.3 “Patient” defined. The word “patient” as used in this chapter means the person against whom the complaint is filed. [C24, 27, 31, 35, §4007; C39, §3828.134; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §255.3]

255.4 Examination by physician. Upon the filing of such complaint, the clerk shall number and index the same and shall appoint a competent physician and surgeon, living in the vicinity of the patient, who shall personally examine the patient with respect to said pregnancy, malady, or deformity. The clerk may, after the expiration of five years from the filing of a complaint, destroy it and all papers or records in connection therewith. [SS15, §254-b; C24, 27, 31, 35, §4008; C39, §3828.135; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §255.4]

255.5 Report by physician. Such physician shall make a report in duplicate on blanks furnished as hereinafter provided, answering the questions contained therein and setting forth the information required therefrom, giving such history of the case as will be likely to aid the medical or surgical treatment or hospital care of such patient, describing the pregnancy, deformity, or malady in detail, and stating whether or not in his opinion the same can probably be improved or cured or advantageously treated, which report shall be filed in the office of the clerk within such time as the clerk may fix. [SS15, §254-b; C24, 27, 31, 35, §4009; C39, §3828.136; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §255.5]

255.6 Investigation and report. When such complaint is filed, the clerk of juvenile court shall furnish the county attorney and board of supervisors with a copy thereof and said board shall, by the general relief director or other agent of the board of supervisors, and the patient, or others chargeable with his or her support to pay the expense of such treatment and care, and shall file a report of such investigation in the office of the clerk, at or before the time of hearing. [SS15, §254-b; C24, 27, 31, 35, §4010; C39, §3828.137; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §255.6; 68GA, ch 57, §13]

255.7 Notice of hearing—duty of county attorney. When the physician’s report has been filed, the clerk shall, with the consent of the court or judge, fix a time and place for hearing of the matter by the county attorney, the general relief director or other agent of the board of supervisors, and the patient, or any person representing him, or her, may introduce evidence and be heard. If the court finds that said patient is a legal resident of Iowa and is pregnant or is suffering from a malady or deformity which can probably be improved or cured or advantageously treated by medical or surgical treatment or hospital care, and that neither the patient nor any person legally chargeable with his or her support is able to pay the expenses thereof, then the clerk of court, except in obstetrical cases and cases of crippled children, shall immediately ascertain from the admitting physician at the university hospital whether such person can be received as a patient within a period of thirty days, and if the patient can be so received, the court, or in the event of no actual contest, the clerk of the court, shall then enter an order directing that said patient be sent to the university hospital for proper medical and surgical treatment and hospital care. If the court ascertain, excepting in obstetrical cases and orthopedic cases, that a person of the age or sex of the patient, or afflicted by the complaint, disease or deformity with which such person is affected cannot be received as a patient at the university hospital within the period of thirty days, then the court or the clerk shall enter an order directing the said supervisors of the county to provide adequate treatment at county expense for the patient at home or in a hospital. Obstetrical cases and orthopedic cases may be committed to the university hospital without regard to the limiting period of thirty days.

In any case of emergency the court or the clerk without previous inquiry may at its discretion order the patient to be immediately taken to and accepted by the university hospital for the necessary care as provided in section 255.11, but if such a patient cannot be immediately accepted at the university hospital as ascertained by telephone if necessary, the court or the clerk may enter an order as in certain cases above set forth directing the said supervisors to provide adequate treatment at county expense for the said patient at home or in a hospital. [SS15, §254-c; C24, 27, 31, 35, §4012; C39, §3828.139; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §255.9; 68GA, ch 57, §14]

255.8 Hearing—order—emergency cases—cancellation of commitments. The county attorney and the general relief director, or other agent of the board of supervisors of the county where the hearing is held, shall appear thereat. The complainant, the county attorney, the general relief director or other agent of the board of supervisors, and the patient, or any person representing him, or her, may introduce evidence and be heard. If the court finds that said patient is a legal resident of Iowa and is pregnant or is suffering from a malady or deformity which can probably be improved or cured or advantageously treated by medical or surgical treatment or hospital care, and that neither the patient nor any person legally chargeable with his or her support is able to pay the expenses thereof, then the clerk of court, except in obstetrical cases and cases of crippled children, shall immediately ascertain from the admitting physician at the university hospital whether such person can be received as a patient within a period of thirty days, and if the patient can be so received, the court, or in the event of no actual contest, the clerk of the court, shall then enter an order directing that said patient be sent to the university hospital for proper medical and surgical treatment and hospital care. If the court ascertain, excepting in obstetrical cases and orthopedic cases, that a person of the age or sex of the patient, or afflicted by the complaint, disease or deformity with which such person is affected cannot be received as a patient at the university hospital within the period of thirty days, then the court or the clerk shall enter an order directing the said supervisors of the county to provide adequate treatment at county expense for the patient at home or in a hospital. Obstetrical cases and orthopedic cases may be committed to the university hospital without regard to the limiting period of thirty days.

In any case of emergency the court or the clerk without previous inquiry may at its discretion order the patient to be immediately taken to and accepted by the university hospital for the necessary care as provided in section 255.11, but if such a patient cannot be immediately accepted at the university hospital as ascertained by telephone if necessary, the court or the clerk may enter an order as in certain cases above set forth directing the said supervisors to provide adequate treatment at county expense for the said patient at home or in a hospital. [SS15, §254-c; C24, 27, 31, 35, §4012; C39, §3828.139; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §255.9; 68GA, ch 57, §14]

255.9 Treatment for infant. Whenever a woman who is pregnant is committed to the hospital under the provisions of section 255.8, the said commitment shall authorize the hospital to provide proper medical or surgical treatment and hospital care for the infant. [C31, 35, §4012–d; C39, §3828.140; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §255.9]

255.10 Religious belief—denial of order. The court in its discretion may refuse to make such order in any case where the court finds the patient or his parent, parents, or guardian are members of a religious denomination whose tenets preclude dependence on the practice of medicine or surgery and desire in good faith to rely upon the practice of their religion for relief from disease or disorder. [C24, 27, 31, 35, §4013; C39, §3828.141; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §255.10]
255.11 Order in case of emergency. In cases of great emergency, when the court or judge is satisfied that delay would be seriously injurious to the patient, he may make such order with the consent of the patient, if adult, or of the parent or parents, guardian, or person having the legal custody of said patient, if a minor or incompetent, without examination, report, notice, or hearing. [SS15,§254-c; C24, 27, 31, 35,§4014; C39,§3828.142; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§255.11]

Referred to in §255 8

255.12 Certified copy of order. The clerk shall prepare a certified copy of said order, which, together with a copy of the physician's report, shall be delivered to the admitting physician of said hospital at or before the time of the reception of the patient into the hospital. [SS15,§254-i; C24, 27, 31, 35,§4015; C39,§3828.143; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§255.12]

255.13 Attendant—physician—compensation. If the physician appointed to examine the patient shall certify that an attendant to accompany the patient to the said hospital is necessary, and the university hospital attendant and ambulance service is not available, then the court or judge or clerk of the court may appoint an attendant who shall receive not exceeding two dollars per day for the time thus necessarily employed and actual necessary traveling expenses by the most feasible route to said hospital whether by ambulance, train or automobile; but if such appointee is a relative of the patient or a member of his immediate family, or receives a salary or other compensation from the public for his services, no per diem compensation shall be paid. The physician appointed by the court or clerk to make the examination and report shall receive therefor three dollars for each examination and report so made and his actual necessary expenses incurred in making such examination, but if said physician receives a salary or other compensation from the public for his full-time services, then no such examination fee shall be paid. The actual, necessary expenses of transporting and caring for the patient shall be paid as hereinafter provided. [SS15,§254-h; C24, 27, 31, 35,§4016; C39,§3828.144; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§255.13]

Referred to in §255 14

255.14 Expenses—how paid. An itemized, verified statement of all charges provided for in sections 255.8 and 255.13, in cases where the patient is admitted or accepted for treatment at the university hospital shall be filed with the superintendent of the university hospital, and upon his recommendation when approved by the judge or clerk of the court under whose order the same were incurred, they shall be charged on the regular bill for the maintenance, transportation and treatment of the patient, and be audited and paid in the manner as hereinafter provided. [SS15,§254-h; C24, 27, 31, 35,§4017; C39,§3828.145; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§255.14]

255.15 Duty of admitting physician at hospital. The authorities in control of the medical college shall designate some physician to pass upon the admission of such patient, and it shall be his duty to receive such patient into the hospital and to provide for him, if available, a cot, bed, or room in said hospital, and to assign him to the appropriate clinic and for treatment by the proper physician, unless, in his judgment, the presence of the patient in the hospital would be dangerous to other patients, or there is no reasonable probability that he may be benefited by the proposed treatment or hospital care. If the admitting physician shall deny admission to the patient, he shall make a report in duplicate of his reasons therefor. [SS15,§254-d; C24, 27, 31, 35,§4018; C39,§3828.146; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§255.15]

Referred to in §255 16

255.16 County quotas. Subject to subsequent qualifications in this section, there shall be treated at the university hospital during each fiscal year a number of committed indigent patients from each county which shall bear the same relation to the total number of committed indigent patients admitted during the year as the population of such county shall bear to the total population of the state according to the last preceding official census. This standard shall apply to indigent patients, the expenses of whose commitment, transportation, care and treatment shall be borne by appropriated funds and shall not govern the admission of either obstetrical or orthopedic patients. If the number of patients admitted from any county shall exceed by more than ten percent the county quota as fixed and ascertained under the first sentence of this section, the charges and expenses of the care and treatment of such patients in excess of ten percent of the quota shall be paid from the funds of such county at actual cost; but if the number of excess patients from any county shall not exceed ten percent, all costs, expenses, and charges incurred in their behalf shall be paid from the appropriation for the support of the hospital. [C35,§4018-f; C39,§3828.147; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§255.16]

255.17 Report of physician in charge of clinic. If the physician or surgeon in charge of said clinic, or to whom such patient has been assigned for treatment, declines to treat such patient, he shall make a report in duplicate of his examination of such patient, and state therein his reasons for declining such treatment. [SS15,§254-d; C24, 27, 31, 35,§4019; C39,§3828.148; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§255.17]

Referred to in §255 17

255.18 Reports. One duplicate of each of the reports named in sections 255.15 and 255.17 shall be preserved in the records of said hospital, and the other transmitted to the clerk of the court whose order committing the patient to said hospital was entered, and by the clerk filed and preserved among the records in the cause. [SS15,§254-d; C24, 27, 31, 35,§4020; C39,§3828.149; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§255.18]

255.19 Treatment of other patients—use of earnings for new facilities. The university hospital authorities may at their discretion receive into the hospital for medical, obstetrical or surgical treatment or hospital care, patients not committed thereto under
the provisions of this chapter; but the treatment or care of such patients shall not in any way interfere with the fixed medical or surgical treatment of hospital care of committed patients. The university hospital ambulances and ambulance personnel may be used for the transportation of such patients at a reasonable charge if specialized equipment is required and is not otherwise available and if such use does not interfere with the ambulance transportation of patients committed to the hospital.

All of the provisions of this chapter except as to commitment of patients shall apply to such patients. The university hospital authorities shall collect from the person or persons liable for the support of such patients reasonable charges for hospital care and service and deposit the same with the treasurer of the university for the use and benefit of the university hospital. Earnings of the hospital whether from private patients, cost patients, or indigents shall be administered so as to increase as much as possible, the service available for indigents, including the acquisition, construction, reconstruction, completion, equipment, improvement, repair, and remodeling of medical buildings and facilities and additions thereto and the payment of principal and interest on bonds issued to finance the cost thereof as authorized by the provisions of chapter 283A. The physicians and surgeons on the hospital staff who care for patients provided for in this section may charge for their medical services under such rules, regulations and plan therefor as approved by the state board of regents. [C24, 27, 31, 35, §4021; C39, §3828.150; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §255.19]

255.20 Hospital treatment. When any patient has been admitted to the hospital for treatment, the physician or surgeon in charge of the case shall proceed with due care and diligence to perform such operation or bestow such treatment upon such patient as in his judgment shall be necessary and proper. Adequate nursing and hospital care shall be provided for said patient during such treatment. [SS15, §254-d; C24, 27, 31, 35, §4022; C39, §3828.151; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §255.20]

255.21 Treatment outside hospital—attendant. If, in the judgment of the physician or surgeon to whom the patient has been assigned for treatment, continuous residence of the patient in the hospital is unnecessary, such patient may, by the hospital authorities, be sent to his home or other appropriate place, and be required to return to the hospital when and for such length of time as may be for his benefit. The hospital authorities may, if necessary, appoint an attendant to accompany such patient and discharged patients, and the compensation of such attendant shall be fixed by the state board of regents and charged by the hospital as part of the costs of transporting patients. The compensation paid to and the expenses of the attendant shall be audited and paid in the same manner as is provided by law for the compensation of an attendant appointed by the court. [SS15, §254-h, -i; C24, 27, 31, 35, §4023; C39, §3828.152; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §255.21]

255.22 Treatment authorized. No minor or incompetent person shall be treated for any malady or deformity except such as is reasonably well described in the order of court or the report of the examining physician, unless permission for such treatment is provided for in the order of court, or is granted by his parents or guardian; but the physician in charge may administer such treatment or perform such surgical operations as are usually required in cases of emergency. [SS15, §254-i; C24, 27, 31, 35, §4024; C39, §3828.153; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §255.22]

255.23 Treatment gratuitous—exception. No physician, surgeon, or nurse who shall treat or care for such patient shall charge or receive any compensation therefor except the salary or compensation fixed by the state board of regents for payment from money in the hospital funds. If the physician, surgeon, or nurse is not in the regular employ of the state board of regents, his or her compensation shall be paid by the county upon approval of the board of supervisors. [SS15, §254-c; C24, 27, 31, 35, §4025; C39, §3828.154; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §255.23]

255.24 Record and report of expenses. The superintendent of said hospital shall keep a correct account of all medical, care, and maintenance furnished to said patients, and shall make and file with the state comptroller an itemized, sworn statement of all expenses thereof incurred in said hospital. But he shall render separate bills showing the actual cost of all appliances, instruments, X-ray and other special services used in connection with such treatment, commitments, and transportation to and from the said university hospital, including the expenses of attendants and escorts.

All purchases of materials, appliances, instruments and supplies by said university hospital, in cases where more than one hundred dollars is to be expended, and where the prices of the commodity or commodities to be purchased are subject to competition, shall be upon open competitive quotations, and all contracts therefor shall be subject to the provisions of chapter 72. [SS15, §254-f; C24, 27, 31, 35, §4026; C39, §3828.155; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §255.24]

255.25 Audit of accounts of hospital. To arrive at a proper basis for the payment of said bills for treatment, care, and maintenance, the state board of regents shall cause to be made annually an audit of the accounts of the university hospital, and determine the average cost per day for the care and maintenance of each patient therein, exclusive of the salaries of the members of the faculty of said university college of medicine, and said bills shall be allowed at such average cost. All accounts shall be so adjusted and paid as to reimburse the funds of the hospital used for the purposes of this chapter. [C24, 27, 31, 35, §4027; C39, §3828.156; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §255.25]

placed to the credit of the funds which are set aside for the support of said hospital. The superintendent of the said university hospital shall certify to the auditor of state on the first day of January, April, July and October of each year, the amount as herein provided not previously certified by him due to the state from the several counties having patients chargeable thereto, and the auditor of state shall thereupon charge the same to the county so owing. A duplicate certificate shall also be mailed to the auditor of each county having patients chargeable thereto.

The county auditor, upon receipt of such certificate, shall thereupon enter the same to the credit of the state in his ledger of state accounts, and at once issue a notice to his county treasurer authorizing him to transfer the amount from the poor or county fund to the general state revenue, which notice shall be filed by the treasurer as his authority for making such transfer; and he shall include the amount so transferred in his next remittance of state taxes to the treasurer of state, to accrue to the credit of the university hospital fund.

The state auditor shall certify the total cost of commitment, transportation and caring for each indigent patient under the terms of this statute to the county auditor of such patient’s legal residence, and such certificate shall be preserved by the county auditor and shall be a debt due from the patient or the persons legally responsible for his or her care, maintenance or support; and whenever in the judgment of the board of supervisors the same or any part thereof shall be collectible, the said board may in its own name collect the same and is hereby authorized to institute suits for such purpose; and after deducting the county’s share of such cost shall cause the balance to be paid into the state treasury to reimburse the university hospital fund.

Should any county fail to pay these bills within sixty days from the date of certificate from superintendent, the state comptroller shall charge the delinquent county the penalty of one percent per month on and after sixty days from date of certificate until paid. Such penalties shall be credited to the general fund of the state. [SS15,§254-g; C24, 27, 31, 35,§4029; C39,§3828.157; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§255.26]

255.27 Faculty to prepare blanks—printing. The medical faculty of the state university hospital shall from time to time prepare blanks containing such questions and requiring such information as may, in its judgment, be necessary and proper to be obtained by the physician who examines such patient under order of court. Such blanks shall be printed by the state, and a sufficient supply thereof shall be furnished by the state board of printing to the clerk of each juvenile court in the state. The cost of printing said blanks shall be audited, allowed, and paid in the same manner as other bills for public printing. [SS15,§254-j; C24, 27, 31, 35,§4029; C39,§3828.158; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§255.27]

255.28 Transfer of patients from state institutions. The commissioner of the department of social services and the director of any of the divisions of such department, and the board in control of the Iowa braille and sight-saving school, and the Iowa school for the deaf, may, respectively, send any inmate, student or patient of any of said institutions, or any person committed or applying for admission thereto, to the hospital of the medical college of the state university for treatment and care as provided in this chapter, without securing the order of court required in other cases. Said state department of social services and board in control of the Iowa braille and sight-saving school and the Iowa school for the deaf shall respectively pay the traveling expenses of any patient thus committed, and when necessary the traveling expenses of an attendant for such patient, out of funds appropriated for the use of the institution from which he is sent. [SS15,§254-k; C24, 27, 31, 35,§4030; C39,§3828.159; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§255.28] *Board of regents, §292.7

255.29 Medical care for parolees. The director of the division of corrections of the department of social services may send former inmates of the Iowa state penitentiary and men’s or women’s reformatory, while on parole, to the hospital of the college of medicine of the state University of Iowa for treatment and care as provided in this chapter, without securing the order of the court required in other cases. Said director may pay the traveling expenses of any patient thus committed and, when necessary, the traveling expenses of an attendant for such patient, out of funds appropriated for the use of such division. [C62, 66, 71, 73, 75, 77, 79,§255.29]

255.30 Collecting and settling claims for care. Whenever a patient or person legally liable for his care at the hospital has insurance, an estate, rights of action against others, or other assets, any of which can be subjected thereto, the university hospital, by its superintendent or his assistants through the facilities of the attorney general’s office, is hereby authorized to file claims, institute or defend suits in courts, and use such other legal means as may be available to collect accounts incurred for the care of indigent or private patients, and may compromise, settle and release the same, all under such rules and procedures therefor as may be prescribed by the president of the university and the attorney general. If a county has paid any part of such patient’s care a pro rata part of the amount collected, after deduction for cost of collection, shall be remitted to said county and the balance shall go into the hospital fund. proving all public and nonpublic schools in Iowa offering instruction at any or all levels from the prekindergarten level through grade twelve. A nonpublic school which offers only a prekindergarten program may, but shall not be required to, seek and obtain approval under this chapter. A list of approved schools shall be maintained by the department of public instruction. The state board shall promulgate rules to require that a multicultural, nonsexist approach is used by school districts. The educational program shall be taught from a multicultural, nonsexist approach. The approval standards established by the state board shall delineate and be based upon the educational program described below:

1. If a school offers a prekindergarten program, the program shall be designed to help children to work and play with others, to express themselves, to learn to use and manage their bodies, and to extend their interests and understanding of the world about them. The prekindergarten program shall relate the role of the family to the child’s developing sense of self and his perception of others. Planning and carrying out prekindergarten activities designed to encourage co-operative efforts between home and school shall focus on community resources. A prekindergarten teacher employed by a school corporation or county or joint county school system, or its successor agency, and receiving a salary from state and local funds shall hold a certificate certifying that the holder is qualified to teach in prekindergarten.

2. If a school offers a kindergarten program, the program shall include experiences designed to develop healthy emotional and social habits and growth in the language arts and communication skills, as well as a capacity for the completion of individual tasks, and protection and development of physical being. A kindergarten teacher shall hold a certificate certifying that the holder is qualified to teach in kindergarten.

3. The following areas shall be taught in the grades one through six: English-language arts, including reading, handwriting, spelling, oral and written English, and literature; social studies, including geography, history of the United States and Iowa, cultures of other peoples and nations, and American citizenship, including the study of national, state and local government in the United States; mathematics; science, including environmental awareness and conservation of natural resources; health and physical education, including the effects of alcohol, tobacco, drugs and poisons on the human body; the characteristics of communicable diseases; traffic safety, including pedestrian and bicycle safety procedures; music; and art.

4. The following shall be taught in grades seven and eight as a minimum program: Science, including environmental awareness and conservation of natural resources; mathematics; social studies; cultures of other peoples and nations, and American citizenship; English-language arts which shall include reading, spelling, grammar, oral and written composition, and may include other communication subjects; health and physical education, including the effects of alcohol, tobacco, drugs and poisons on the human body, the characteristics of communicable diseases, including venereal diseases and current crucial health issues; music; and art.

5. Provision for special education services and programs shall be made for children requiring special education.

6. In grades nine through twelve, a unit of credit shall consist of a course or equivalent related components or partial units taught throughout the academic year. The minimum program for grades nine through twelve shall be:

a. Four units of science including physics and chemistry; the units of physics and chemistry may be taught in alternate years. The units of science shall include instruction in environmental awareness and conservation of natural resources.

b. Four units of the social studies. American history, American government, government and cultures of other peoples and nations, and general consumer education, family law, and economics, including comparative and consumer economics, shall be taught in the units but need not be required as full units. All students shall be required to take one unit of American history and one-half unit of the governments of Iowa and the United States, including instruction in voting statutes and procedures, voter registration requirements, the use of paper ballots and voting machines in the election process, and the method of acquiring and casting an absentee ballot.

The county auditor, upon request and at a site chosen by him, shall make available to schools within the county voting machines or sample ballots that are generally used within the county, at such times that these machines or sample ballots are not in use for their recognized purpose.

c. Four units of English-language arts.

d. Four units of a sequential program in mathematics.

e. One unit of general mathematics.

f. Two units of one foreign language; the units of foreign language may be taught in alternate years, provided there is no break in the progression of instruction from one year to the next. However, the department may waive on an annual basis the foreign language requirement upon the request of the board of directors of a school district or the authorities in charge of a nonpublic school if the board or authorities are able to prove that a certificated teacher was employed and assigned a schedule that would have allowed students to enroll in a foreign language class, the foreign language class was properly scheduled, and students were aware that a foreign language class was scheduled and no students enrolled in the class.

g. All students physically able shall be required to participate in physical education activities during each semester a student is enrolled in school except as otherwise provided in this paragraph. A minimum of one-eighth unit each semester shall be required, except that any student participating in an organized and supervised high school athletic program which requires at least as much time of participation per week as one-eighth unit may be excused from the physical education course during the time of his or her participation in the athletic program. In addition, a twelfth grade student who meets the requirements of this paragraph may be excused from the physical
education requirement by the principal of the school in which the student is enrolled if the parent or guardian of the student requests in writing that the student be excused from the physical education requirement. A student who wishes to be excused from the physical education requirement must be enrolled in a co-operative or work-study program or other educational program authorized by the school which requires the student to leave the school premises for specified periods of time during the school day. The student must seek to be excused from the physical education requirement in order to enroll in academic courses not otherwise available to the student. The principal of the school shall inform the superintendent of the school district or nonpublic school that the student has been excused. Physical education activities shall emphasize leisure time activities which will benefit the student outside the school environment and after graduation from high school.

h. Five units of occupational education subjects, which may include, but shall not be limited to, programs, services and activities which prepare students for employment in office and clerical, trade and industrial, consumer and homemaking, agriculture, distributive and health occupations.

7. A pupil shall not be required to enroll in either physical education or health courses if his parent or guardian files a written statement with the school principal that the course conflicts with his religious belief.

8. Upon request of the board of directors of any public school district or the authorities in charge of any nonpublic school, the state board of public instruction may, for a number of years to be specified by the state board, grant the district board or the authorities in charge of any nonpublic school exemption from one or more of the requirements of the educational program specified in subsection 6. The exemption may be renewed. Such exemptions shall be granted only if the state board deems that the request made is an essential part of a planned innovative curriculum project which the state board determines will adequately meet the educational needs and interests of the pupils and be broadly consistent with the intent of the educational program as defined in subsection 6.

The request for exemption shall include all of the following:

a. Rationale of the project to include supportive research evidence.

b. Objectives of the project.

c. Provisions for administration and conduct of the project, including the use of personnel, facilities, time, techniques and activities.

d. Plans for evaluation of the project by testing and observational measures of pupil progress in reaching the objectives.

e. Plans for revisions of the project based on evaluation measures.

f. Plans for periodic reports to the department of public instruction.

g. The estimated cost of the project.

9. To facilitate the implementation and economical operation of the educational program defined in subsections 4 and 6, each school offering any of grades seven through twelve, except a school which offers grades one through eight as an elementary school, shall have:

a. A qualified school media specialist who shall meet the certification and approval standards prescribed by the department of public instruction and adequate media center facilities as hereinafter defined.

(1) School media specialist. The media specialist may be employed on a part-time or full-time basis, or may devote only part time to media service activities, according to the needs of the school and the availability of media personnel, as determined by the local board. The state board shall recommend standards based upon the number of students in attendance, the nature of the academic curriculum and other appropriate factors.

(2) Organization and adequacy of collection. The media center shall be organized as a resource center of instructional material for the entire educational program. The number and kind of library and reference books, periodicals, newspapers, pamphlets, information files, audio-visual materials and other learning aids shall be adequate for the number of pupils and the needs of instruction in all courses.

b. A qualified school guidance counselor who shall meet the certification and approval standards prescribed by the department of public instruction. The guidance counselor may be employed on a part-time or full-time basis, or may devote only part time to counseling services, according to the needs of the school and the availability of guidance personnel, as determined by the local board. The state board shall recommend standards based upon the number of students in attendance and other appropriate factors. Other members of the noninstructional professional staff, including but not limited to physicians, dentists, nurses, school psychologists, speech therapists and other specialists, may also be employed or shared by one or more schools. The guidance counselor shall meet the certification and approval standards of the department of public instruction and noninstructional staff members shall meet the professional practice requirements of this state relating to their special services.

c. Arrangement for special education services.

d. Adequate instructional materials for classrooms.

10. As a basis for inclusion on the list of approved schools, the state department of public instruction shall evaluate the school educational program in the several school systems of the state for the purposes of school improvement and approval, and each public and nonpublic school system shall make such reports as the superintendent of public instruction deems necessary to show compliance with the curriculum programs and other requirements prescribed in the
Code. The state department, in consultation with the board of directors and administration of the school district, shall conduct an immediate evaluation of the educational program of each school district which the department determines has failed to comply with the curriculum programs and other requirements prescribed in the Code.

The state superintendent shall make recommendations and suggestions in writing to each school and school district which is subject to this section when the department of public instruction determines, after due investigation, that deficiencies exist in any school or school district.

The state board of public instruction shall adopt approval standards and rules to implement, interpret and make effective the provisions of this section. In adopting the same, the board shall take into account recognized educational standards. Standards and rules shall be of general application without specific regard to school population.

Such standards and rules shall be subject to the provisions of chapter 17A. In addition, such standards and rules shall be reported by the state board to the general assembly within twenty days after the commencement of a regular legislative session. No school or school district shall be removed from the approved list for failure to comply with such standards or rules, until at least one hundred twenty days have elapsed following the reporting of such standards and rules to the general assembly as provided in this section.

11. The state board of public instruction shall remove for cause, after due investigation and notice, any school or school district from the approved list which fails to comply with such approval standards and rules in the manner prescribed in this subsection.

The state board shall allow a reasonable period of time after notification of noncompliance, not to exceed the following school year, for compliance with such approval standards and rules.

During the period of time allowed for compliance, the superintendent of public instruction and the president of the state board shall confer with the affected school board and with the school boards of contiguous school districts to assist the affected school board in determining how best to offer the students of that district an approved educational program.

12. The department of public instruction shall give any school or school district which is to be removed from the approved list at least one-year notice. Such notice shall be given by registered or certified mail addressed to the superintendent of the school district or the corresponding official of a private school, and shall specify the reasons for removal. Such notice shall also be sent by ordinary mail to each member of the board of directors or governing body of the school or school district, and to the news media which serve the area where the school or school district is located; but any good faith error or failure to comply with this sentence shall not affect the validity of any action by the state board. If, during the one-year period, the school or school district remedies the reasons for removal and satisfies the state board that it will thereafter comply with the laws, approval standards and rules, the state board shall continue such school or school district on the approved list and shall give the school or school district notice of such action by registered or certified mail. At any time during said year, the board of directors or governing body of the school or school district may request a public hearing before the state board of public instruction, by mailing a written request to the state superintendent by registered or certified mail. The president of the state board shall promptly set a time and place for the public hearing, which shall be either in Des Moines or in the affected area. At least thirty days' notice of the time and place of the hearing shall be given by registered or certified mail addressed to the superintendent of the school district or the corresponding official of a private school. At least ten days before the hearing, notice of the time and place of the hearing and the reasons for removal shall also be published by the state department in a newspaper of general circulation in the area where the school or school district is located. At the hearing the school or school district may be represented by counsel and may present evidence. The state board may provide for the hearing to be recorded or reported. If requested by the school or school district at least ten days before the hearing, the state board shall provide for the hearing to be recorded or reported at the expense of such school or school district, using any reasonable method specified by such school or school district. Within ten days after the hearing, the state board shall render its written decision, signed by a majority of its members, and shall affirm, modify or vacate the action or proposed action to remove the school or school district from the approved list.

After notification of removal from the approved list, the board of directors shall seek to merge the territory of the school district with one or more contiguous school districts pursuant to the provisions of chapter 275. If on the date specified for removal from the approved list, the district, or any portion of the district, has not been merged with one or more contiguous school districts, the portion that has not been merged shall be merged with one or more contiguous school districts by the state board, and the provisions of sections 275.25 to 275.38 shall apply. Until the merger is completed, the school district shall pay tuition for its resident students to an approved school district under the provisions of section 279.18.

13. Notwithstanding the foregoing provisions of this section and as an exception to their requirements, a private high school or private combined junior-senior high school operated for the express purpose of teaching a program designed to qualify its graduates for matriculation at accredited four-year or equivalent liberal arts, scientific or technological colleges or universities shall be placed on a special approved list of college preparatory schools, which list shall signify approval of the school for such express purpose only, provided that:

(a) Such school complies with minimum standards established by provisions of the Code other than this section, and administrative rules thereunder, applicable to:

(1) Courses comprising such limited program.
(2) Health requirements for personnel.
(3) Plant facilities.
(4) Other environmental factors affecting such programs.

b. At least eighty percent of those graduating from such school within the annually most recent four calendar years, other than those graduating who are aliens, graduates entering military or alternative civilian service, or graduates deceased or incapacitated before college acceptance, have been accepted by accredited four-year or equivalent liberal arts, scientific, or technological colleges or universities.

Any school claiming to be a private college preparatory school which fails in any year to comply with the requirement of paragraph “b” of this subsection shall be placed on the special approved list of college preparatory schools probationally if such school complies with the requirements of paragraph “a” of this subsection, but such probational approval shall not continue for more than four successive years.

14. Notwithstanding the foregoing provisions of this section and as an exception to their requirements, a nonpublic grade school which is reopening shall be approved provisionally if it does not have a complete grade one through grade six program, provided that the nonpublic grade school complies with all other minimum standards established by law and administrative rules adopted pursuant to the law and that the nonpublic grade school shows progress toward reaching a grade one through grade six program.

1. The state board, when necessary to realize the purposes of this chapter, shall approve the enrollment in public schools for specified courses of students who are also enrolled in private schools, when the courses in which they seek enrollment are not available to them in their private schools, provided such students have satisfactorily completed prerequisite courses, if any, or have otherwise shown equivalent competence through testing. Courses made available to students in this manner shall be considered as complying with any standards or laws requiring the offering of such courses. The boards of directors of districts entering into such agreements may provide for sharing the costs and expenses of such courses. [C66, 71, 73, 75, 77, 79, §257.28]

2. The provisions of this section shall not deprive the respective boards of public school districts of any of their legal powers, statutory or otherwise, and in accepting such specially enrolled students, each of said boards shall preserve the terms of such special enrollment, including but not limited to scheduling of such courses and the length of class periods. The title to all real estate acquired under the provisions of this division and the improvements erected thereon shall be taken and held in the name of the state of Iowa. The board is authorized to rent the rooms in such residence halls and dormitories for the students, officers, guests and employees of said institutions at such rates, fees or rentals as will provide a reasonable return upon the investment, but which will in any event produce net rents, profits and income sufficient to insure the payment of the principal and interest on all bonds or notes issued to pay any part of the cost of any project and refunding bonds or notes issued pursuant to the provisions of this division. [C66, 71, 73, 75, 77, 79, §262.56]

262.57 Bonds or notes. To pay all or any part of the cost of carrying out any project at any institution the board is authorized to borrow money and to issue and sell negotiable bonds or notes and to refund and refinance bonds or notes heretofore issued or as may be hereafter issued for any project or for refunding purposes at a lower rate, the same rate or a higher rate or rates of interest and from time to time as often as the board shall find it to be advisable and necessary so to do. Such bonds or notes may be sold by said board at public sale in the manner prescribed by chapter 75 but if the board shall find it to be advantageous and in the public interest to do so, such bonds or notes may be sold by the board at private sale without published notice of any kind and without regard to the requirements of chapter 75 in such manner and upon such terms as may be prescribed by the resolution authorizing the same, but such bonds or notes shall in any event be sold upon terms of not less than par plus accrued interest. Bonds or notes issued to refund other bonds or notes heretofore or hereafter issued by the board for residence hall or dormi-

The refunding bonds or notes may be sold or exchanged in installments at different times or an entire issue or series may be sold or exchanged at one time. The refunding bonds or notes may be sold or exchanged at any time on, before, or after the maturity of any of the outstanding notes, bonds or other obligations to be refinanced thereby, and may be issued for the purpose of refunding a like or greater principal amount of bonds or notes, except that the principal amount of the refunding bonds or notes may exceed the principal amount of the bonds or notes to be refunded to the extent necessary to pay any premium due on the call of the bonds or notes to be refunded or to fund interest in arrears or about to become due.

All bonds or notes issued under the provision of this division shall be payable solely and only from and shall be secured by an irrevocable pledge of a sufficient portion of (1) the net rents, profits and income derived from the operation of residence halls, dormitories, dining or other incidental facilities and additions, including necessary real and personal property, acquired or improved in whole or in part with the proceeds of such bonds or notes, regardless of the manner of such acquisition or improvement, and (2) the net rents, profits and income not pledged for other purposes derived from the operation of any other residence halls or dormitories, including dining or other incidental facilities and additions, at the particular institution. In addition to the estimated cost of construction, the cost of the project shall be deemed to include interest upon the bonds or notes during construction and for six months after the estimated completion date, the compensation of a fiscal agent or adviser, and engineering, administrative and legal expenses. Such bonds or notes shall be executed by the president of the state board of regents and attested by the secretary thereof and the coupons thereto attached shall be executed with the original or facsimile signatures of said president and secretary. Any bonds or notes bearing the signatures of officers in office on the date of the signing thereof shall be valid and binding for all purposes, notwithstanding that before delivery thereof any or all such persons whose signatures appear thereon shall have ceased to be such officers. Each such bond or note shall state upon its face the name of the institution on behalf of which it is issued, that it is payable solely and only from the net rents, profits and income derived from the operation of residence halls or dormitories, including dining and other incidental facilities, at such institution as hereinbefore provided, and that it does not constitute a charge against the state of Iowa within the meaning or application of any constitutional or statutory limitation or provision. The issuance of such bonds or notes shall be recorded in the office of the treasurer of the institution on behalf of which the same are issued, and a certificate by such treasurer to this effect shall be printed on the back of each such bond or note. Such resolution shall contain such covenants as may be determined by the board as to the issuance of additional bonds or notes that may thereafter be issued payable from the net rents, profits and income of the residence halls or dormitories, the amendment or modification of the resolution authorizing the issuance of any bonds or notes, the manner, terms and conditions and the amount or percentage of assenting bonds or notes necessary to effectuate such amendment or modification, and such other covenants as may be deemed necessary or desirable. In the discretion of the board any bonds or notes issued under the terms of this division may be secured by a trust indenture by and between the board and a corporate trustee, which may be any trust company or bank having the power of a trust company within or without the boundaries of the state of Iowa, but no such trust indenture shall convey or mortgage the buildings or facilities or any part thereof. The provisions of this division and of any resolution or other proceedings authorizing the issuance of bonds or notes and providing for the establishment and maintenance of adequate rates, fees or rentals and the application of the proceeds thereof shall constitute a contract with the holders of such bonds or notes. 262A.3 Ten-year program and two-year bond proposal submitted each year. The board shall prepare and submit to the general assembly for approval or rejection a proposed ten-year building program for each institution, including an estimate of the maximum amount of bonds which the board expects to issue under the provisions of this chapter during each year of the ensuing biennium. Such program and estimate shall be submitted no later than seven days after the passage of this chapter by the general assembly and thereafter no later than seven days after the convening of each regular annual session of the general assembly. The building program shall contain a list of the buildings and facilities which the board deems necessary to further the educational objectives of the institutions. This list shall be revised annually, but no project shall be eliminated from the list when bonds have previously been issued by the board to pay the cost thereof. Each such list shall contain an estimate of the cost of each of the buildings and facilities referred to therein. The refunding bonds may be sold or exchanged in installments at different times or an entire issue or series may be sold or exchanged at one time. Any issue or series of refunding bonds may be exchanged in part or sold in parts in installments at different times or at one time. All bonds issued under the provisions of this chapter shall be payable solely and only from and shall be secured by an irrevocable pledge of a sufficient portion of the student fees and charges and institutional income received by the particular institution. Any bonds bearing the signatures of officers in office on the date of the signing thereof shall be valid and binding for all purposes, notwithstanding that before delivery thereof any or all such persons whose signatures appear thereon shall have ceased to be such officers. In the discretion of the board any bonds issued under the terms of this chapter may be secured by a trust indenture by and between the board and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the boundaries of the state of Iowa, but no such trust indenture shall convey or mortgage the buildings and facilities or any part thereof. The provisions of this chapter and of any resolution or other proceedings authorizing the issuance of bonds and providing for the establishment and maintenance of adequate student fees and charges and the application of the proceeds thereof, together with institutional income, shall constitute a contract with the holders of such bonds. Student fees and charges and institutional income received by one institution shall not be used to discharge bonds issued for or on account of another institution. A sufficient portion of the student fees and charges and institutional income received by each institution shall be held in trust by the treasurer thereof, separate and apart from all other funds, to be used solely and only for the purposes specified in this chapter and as may be required and provided for by the proceedings of the board authorizing the issuance of bonds. It shall be the duty of the treasurer of each institution to disburse funds from the proper account for the payment of the principal of and interest on the bonds in accordance with the directions and covenants of the resolution authorizing the issuance thereof. [C71, 73, 75, 77, 79, §262A.9]

262A.10 Bonds not state obligation. Under no circumstances shall any bonds issued under the terms of this chapter be or become or be construed to constitute a debt of or a charge against the state of Iowa within the purview of any constitutional or statutory limitation or provision. The commission shall be composed of four classroom teachers, three school administrators, one member of faculties representing two-year colleges or Iowa colleges or universities approved for teacher education, and one member representing the state department of public instruction. CHAPTER 272B
EDUCATION COMPACT

272B.1 Compact for education. The compact for education is hereby entered into and enacted into law with all jurisdictions legally joining therein, in the form substantially as follows:

ARTICLE I—PURPOSE AND POLICY

1. It is the purpose of this compact to:
   a. Establish and maintain close co-operation and understanding among executive, legislative, professional educational and lay leadership on a nationwide basis at the state and local levels.
   b. Provide a forum for the discussion, development, crystallization and recommendation of public policy alternatives in the field of education.
   c. Provide a clearing house of information on matters relating to educational problems and how they are being met in different places throughout the nation, so that the executive and legislative branches of state government and of local communities may have ready access to the experience and record of the entire country, and so that both lay and professional groups in the field of education may have additional avenues for the sharing of experience and the interchange of ideas in the formation of public policy in education.
   d. Facilitate the improvement of state and local educational systems so that all of them will be able to meet adequate and desirable goals in a society which requires continuous qualitative and quantitative advance in educational opportunities, methods and facilities.

2. It is the policy of this compact to encourage and promote local and state initiative in the development, maintenance, improvement and administration of educational systems and institutions in a manner which will accord with the needs and advantages of diversity among localities and states.

3. The party states recognize that each of them has an interest in the quality and quantity of education furnished in each of the other states, as well as in the excellence of its own educational systems and institutions, because of the highly mobile character of individuals within the nation, and because the products and services contributing to the health, welfare and economic advancement of each state are supplied in significant part by persons educated in other states.

ARTICLE II—STATE DEFINED

As used in this compact, "state" means a state, territory or possession of the United States, the District of Columbia, or the commonwealth of Puerto Rico.
ARTICLE III—THE COMMISSION

1. The education commission of the states, hereinafter called "the commission", is hereby established. The commission shall consist of seven members representing each party state. One of such members shall be the governor; two shall be members of the state legislature selected by its respective houses and serving in such manner as the legislature may determine; and four shall be appointed by and serve at the pleasure of the governor, unless the laws of the state otherwise provide. If the laws of a state prevent legislators from serving on the commission, six members shall be appointed and serve at the pleasure of the governor, unless the laws of the state otherwise provide. In addition to any other principles or requirements which a state may establish for the appointment and service of its members of the commission, the guiding principle for the composition of the membership on the commission from each party state shall be that the members representing such state shall, by virtue of their training, experience, knowledge or affiliations be in a position collectively to reflect broadly the interests of the state government, higher education, the state education system, local education, lay and professional, public and nonpublic educational leadership. Of those appointees, one shall be the head of a state agency or institution, designated by the governor, having responsibility for one or more programs of public education. In addition to the members of the commission representing the party states, there may be not to exceed ten nonvoting commissioners selected by the steering committee for terms of one year. Such commissioners shall represent leading national organizations or professional educators or persons concerned with educational administration.

2. The members of the commission shall be entitled to one vote each on the commission. No action of the commission shall be binding unless taken at a meeting at which a majority of the total number of votes on the commission are cast in favor thereof. Action of the commission shall be only at a meeting at which a majority of the commissioners are present. The commission shall meet at least once a year. In its bylaws, and subject to such directions and limitations as may be contained therein, the commission may delegate the exercise of any of its powers to the steering committee or the executive director, except for the power to approve budgets or requests for appropriations, the power to make policy recommendations pursuant to article IV and adoption of the annual report pursuant to article III, paragraph 10.

3. The commission shall have a seal.

4. The commission shall elect annually, from among its members, a chairman, who shall be a governor, a vice chairman and a treasurer. The commission shall provide for the appointment of an executive director. Such executive director shall serve at the pleasure of the commission, and together with the treasurer and such other personnel as the commission may deem appropriate shall be bonded in such amount as the commission shall determine. The executive director shall be secretary.

5. Irrespective of the civil service, personnel or other merit system laws of any of the party states, the executive director subject to the approval of the steering committee shall appoint, remove or discharge such personnel as may be necessary for the performance of the functions of the commission, and shall fix the duties and compensation of such personnel. The commission in its bylaws shall provide for the personnel policies and programs of the commission.

6. The commission may borrow, accept or contract for the services of personnel from any party jurisdiction, the United States, or any subdivision or agency of the aforementioned governments, or from any agency of two or more of the party jurisdictions or their subdivisions.

7. The commission may accept for any of its purposes and functions under this compact any and all donations, and grants of money, equipment, supplies, materials and services, conditional or otherwise, from any state, the United States, or any other governmental agency, or from any person, firm, association, foundation, or corporation, and may receive, utilize and dispose of the same. Any donation or grant accepted by the commission pursuant to this paragraph or services borrowed pursuant to paragraph 6 of this article shall be reported in the annual report of the commission. Such report shall include the nature, amount and conditions, if any, of the donation, grant, or services borrowed, and the identity of the donor or lender.

8. The commission may establish and maintain such facilities as may be necessary for the transacting of its business. The commission may acquire, hold, and convey real and personal property and any interest therein.

9. The commission shall adopt bylaws for the conduct of its business and shall have the power to amend and rescind these bylaws. The commission shall publish its bylaws in convenient form and shall file a copy thereof and a copy of any amendment thereto, with the appropriate agency or officer in each of the party states.

10. The commission annually shall make to the governor and legislature of each party state a report covering the activities of the commission for the preceding year. The commission may make such additional reports as it may deem desirable.

ARTICLE IV—POWERS

In addition to authority conferred on the commission by other provisions of the compact, the commission shall have authority to:

1. Collect, correlate, analyze and interpret information and data concerning educational needs and resources.

2. Encourage and foster research in all aspects of education, but with special reference to the desirable scope of instruction, organization, administration, and instructional methods and standards employed or suitable for employment in public educational systems.

3. Develop proposals for adequate financing of education as a whole and at each of its many levels.
4. Conduct or participate in research of the types referred to in this article in any instance where the commission finds that such research is necessary for the advancement of the purposes and policies of this compact, utilizing fully the resources of national associations, regional compact organizations for higher education, and other agencies and institutions, both public and private.

5. Formulate suggested policies and plans for the improvement of public education as a whole, or for any segment thereof, and make recommendations with respect thereto available to the appropriate governmental units, agencies and public officials.

6. Do such other things as may be necessary or incidental to the administration of any of its authority or functions pursuant to this compact.

ARTICLE V—
CO-OPERATION WITH FEDERAL GOVERNMENT

1. If the laws of the United States specifically so provide, or if administrative provision is made therefor within the federal government, the United States may be represented on the commission by not to exceed ten representatives. Any such representative or representatives of the United States shall be appointed and serve in such manner as may be provided by or pursuant to federal law, and may be drawn from any one or more branches of the federal government, but no such representative shall have a vote on the commission.

2. The commission may provide information and make recommendations to any executive or legislative agency or officer of the federal government concerning the common educational policies of the states, and may advise with any such agencies or officers concerning any matter of mutual interest.

ARTICLE VI—COMMITTEES

1. To assist in the expeditious conduct of its business when the full commission is not meeting, the commission shall elect a steering committee of thirty-two members which, subject to the provisions of this compact and consistent with the policies of the commission, shall be constituted and function as provided in the bylaws of the commission. One-fourth of the voting membership of the steering committee shall consist of governors, one-fourth shall consist of legislators, and the remainder shall consist of other members of the commission. A federal representative on the commission may serve with the steering committee, but without vote. The voting members of the steering committee shall serve for terms of two years, except that members elected to the first steering committee of the commission shall be elected as follows:

Sixteen for one year and sixteen for two years. The chairman, vice chairman, and treasurer of the commission shall be members of the steering committee and, anything in this paragraph to the contrary notwithstanding, shall serve during their continuance in these offices. Vacancies in the steering committee shall not affect its authority to act, but the commission at its next regular ensuing meeting following the occurrence of any vacancy shall fill it for the unexpired term. No person shall serve more than two terms as a member of the steering committee; provided that service for a partial term of one year or less shall not be counted toward the two-term limitation.

2. The commission may establish advisory and technical committees composed of state, local, and federal officials, and private persons to advise it with respect to any one or more of its functions. Any advisory or technical committee may, on request of the states concerned, be established to consider any matter of special concern to two or more of the party states.

3. The commission may establish such additional committees as its bylaws may provide.

ARTICLE VII—FINANCE

1. The commission shall advise the governor or designated officer or officers of each party state of its budget and estimated expenditures for such period as may be required by the laws of that party state. Each of the commission's budgets of estimated expenditures shall contain specific recommendations of the amount or amounts to be appropriated by each of the party states.

2. The total amount of appropriation requests under any budget shall be apportioned among the party states. In making such apportionment, the commission shall devise and employ a formula which takes equitable account of the populations and per capita income levels of the party states.

3. The commission shall not pledge the credit of any party states. The commission may meet any of its obligations in whole or in part with funds available to it pursuant to article III, paragraph 7, of this compact, provided that the commission takes specific action setting aside such funds prior to incurring an obligation to be met in whole or in part in such manner. Except where the commission makes use of funds available to it pursuant to article III, paragraph 7 thereof, the commission shall not incur any obligation prior to the allotment of funds by the party states adequate to meet the same.

4. The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established by its bylaws. However, all receipts and disbursements of funds handled by the commission shall be audited yearly by a qualified public accountant, and the report of the audit shall be included in and become part of the annual reports of the commission.

5. The accounts of the commission shall be open at any reasonable time for inspection by duly constituted officers of the party states and by any persons authorized by the commission.

6. Nothing contained herein shall be construed to prevent commission compliance with laws relating to audit or inspection of accounts by or on behalf of any government contributing to the support of the commission.
ARTICLE VIII—ELIGIBLE PARTIES
ENTRY INTO AND WITHDRAWAL

1. This compact shall have as eligible parties all states, territories, and possessions of the United States, the District of Columbia, and the commonwealth of Puerto Rico. In respect of any such jurisdiction not having a governor, the term "governor", as used in this compact, shall mean the closest equivalent official of such jurisdiction.

2. Any state or other eligible jurisdiction may enter into this compact and it shall become binding on it when it has adopted the same: Provided that in order to enter into initial effect, adoption by at least ten eligible party jurisdictions shall be required.

3. Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until one year after the governor of the withdrawing state has given notice in writing of the withdrawal to the governors of all other party states. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal.

ARTICLE IX—CONSTRUCTION AND SEVERABILITY

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any state or of the United States, or the application thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the state affected as to all severable matters. [C75, 77, 79,§272B.1]

The members shall serve four-year terms and for the initial appointments, half of the membership shall be appointed to two-year terms and half shall be appointed to four-year terms. In the case of controversy over the planning of joint districts, the matter shall be submitted to the state board* of public instruction. Judicial review of its decision may be sought in accordance with the terms of the Iowa administrative procedure Act. Notwithstanding the terms of said Act, petitions for judicial review must be filed within thirty days after the decision of the state board* of public instruction. Joint districts shall mean districts that lie in two or more adjacent area education agencies.

For purposes of this chapter the planning of joint districts is defined to include all of the following acts:

Preparation of a written joint plan in which contiguous territory in two or more area education agencies is considered as a part of a potential school district in the area education district in which such plan is filed with the state department of public instruction by the area education agency board.

2. Adoption of such plan at a joint session of the several area education agency boards in whose areas such territory is situated. Votes of each member of an area education agency board shall be weighted so that the total number of votes eligible to be cast by members of each board shall be equal.

For purposes of subsection 1 hereof, joint planning shall be evidenced by filing the following items with the state department of public instruction:

The provisions of sections 275.1 to 275.5, relating to studies, hearings and adoption of plans shall constitute a mandatory prerequisite to the effectuation of any proposal for district boundary change. It shall be the mandatory duty of the area education agency board to dismiss the petition if the above provisions are not complied with fully. [C46, 50, §275.11; C54, 58, 62, 66, 71, 73, 75, 77, 79, §275.9]

275.11 Proposals involving two or more districts. Subject to the approval of the area education agency board contiguous territory located in two or more school districts may be united into a single district in the manner provided in sections 275.12 to 275.22 hereof. [SS15, §2794-a; C24, 27, 31, 35, 39, §4166; C46, 50, §276.13; C54, 58, 62, 66, 71, 73, 75, 77, 79, §275.11]

A petition describing the boundaries, or accurately describing the area included therein by legal descriptions, of the proposed district, which boundaries or area described shall conform to plans developed or the petition shall request change of the plan, shall be filed with the area education agency administrator of the area education agency in which the greatest number of electors reside. Such petition shall be signed by voters in each existing school district affected or portion thereof equal in number to at least twenty percent of the number of eligible voters or four hundred voters, whichever is the smaller number. School districts affected or portion thereof shall be defined to mean that area to be included in the plan of the proposed new school district.

2. Such petition shall also state the number of directors which may be either five or seven and the method of election of the school directors of the proposed district. The method of election of the directors shall be one of the following optional plans:

a. Election at large from the entire district by the electors of the entire district.

b. Division of the entire school district into designated geographical subdivisions on the basis of population, to be known as director districts, each of which director districts shall be represented on the school board by one director who shall be a resident of such director district but who shall be elected by the vote
of the electors of the entire school district. The school district shall be divided into the same number of di-
rector districts as the number of school directors the dis-
trict is authorized by law. The boundaries of such di-
rector districts and the area and population in-
cluded within each district shall be such as justice, eq-
uity, and the interests of the people may require.

Changes in the boundaries of director districts shall not be made during a period commencing sixty days prior to the date of the annual school election. Insofar as may be practicable, the boundaries of such districts shall follow established political or natural geographical divisions.

c. Election of not more than one-half of the total number of school directors at large from the entire district and the remaining directors from and as resi-
dents of designated single-member director districts into which the entire school district shall be divided on the basis of population. In such case, all directors shall be elected by the electors of the entire school district. Changes in the boundaries of director dis-

tries shall not be made during a period commencing sixty days prior to the date of the annual school elec-
tion.

d. Division of the entire school district into design-
nated geographical subdistricts on the basis of popu-
lation, to be known as director districts, each of which director districts shall be represented on the school board by one director who shall be a resident of such director district and who shall be elected by the vot-
ers of said director district. Place of voting in such di-
rector districts shall be designated by the commis-

sioner of elections. Changes in the boundaries of di-

rector districts shall not be made during a period commencing sixty days prior to the date of the an-

nual school election.

e. In districts having seven directors, election of three directors at large by the electors of the entire district, one at each annual school election, and elec-
tion of the remaining directors as residents of and by the electors of individual geographic subdistricts est-

established on the basis of population and identified as director districts. Boundaries of the subdistricts shall follow precinct boundaries, insofar as practicable, and shall not be changed less than sixty days prior to the annual school election.

3. If the petition proposes the division of the school district into director districts, the boundaries of such proposed director districts shall be described in the petition.

4. The area education agency board in reviewing such petition as provided in sections 275.15 and 275.16 shall review the proposed method of election of school directors and shall have the duty and authority to change or amend such plan in any manner, including the changing of boundaries of director districts if proposed, or to specify a different method of electing school directors on the basis of area, school popula-
tion, or assessed valuation as may be required by law, justice, equity, and the interest of the people. In such action the area education agency board shall follow the same procedure as is required by sections 275.15 and 275.16 for other action on the petition by the area education agency board.

5. The petition may also include a provision that the schoolhouse tax provided in section 278.1, subsection 7, will be voted upon at the election conducted under section 275.18. The agency administrator shall at once publish this order in the same newspaper in which the original notice was published. Within twenty days after the publication thereof the decision rendered by the area education agency board may be appealed to the district court in the county involved by any school district affected. At such hearing the joint board shall reconsider their action and if a tie vote shall again be cast it shall be deemed an order granting the petition and changing the plans of any and all of the agency boards affected by the petition and fixing the boundaries for the proposed school corporation. The agency administrator shall at once publish the decision in the same newspaper in which the original notice was published.

1. Direct a change of textbooks regularly adopted.

2. Direct the sale, lease, or other disposition of any schoolhouse or site or other property belonging to the corporation, and the application to be made of the proceeds thereof, provided, however, that nothing herein shall be construed to prevent the sale, lease, exchange, gift or grant and acceptance of any interest in real or other property by the board of directors without an election to the extent authorized in section 297.22.

3. Determine upon additional branches that shall be taught.

4. Instruct the board that school buildings may or may not be used for meetings of public interest.

5. Direct the transfer of any surplus in the schoolhouse fund to the general fund.

6. Authorize the board to obtain, at the expense of the corporation, roads for proper access to its schoolhouses.

7. Vote a schoolhouse tax, not exceeding sixty-seven and one-half cents per thousand dollars of assessed value in any one year, for the purchase of grounds, for construction of schoolhouses or buildings, for the payment of debts contracted for the erection or construction of schoolhouses or buildings, not including interest on bonds, for procuring or acquisition of libraries, for opening roads to school-
houses or buildings, for the purchase of buildings or equipment for buildings or schoolhouses, for the purpose of repairing, remodeling, reconstructing, improving or expanding the schoolhouses or buildings for the school district, for the purpose of landscaping, paving, or improving the schoolhouse or building grounds, or for the rental of facilities pursuant to chapter 28E. Interest earned from investments of these funds may be used for the purposes voted. The power to levy a schoolhouse tax, when voted, shall continue for the period of time authorized by the voters and shall not be affected by any change in the boundaries of the school district, except as otherwise provided in this section. If each school district involved in a school reorganization under chapter 275 has voted the schoolhouse tax and if the voters have not voted upon the proposition to levy the schoolhouse tax in the reorganized district, the schoolhouse tax is in effect for the reorganized district for the least amount and the shortest time for which it is in effect in any of the districts. Authorized levies for the period of time presently approved shall not be affected as a result of a failure of a proposition proposed to expand the purposes for which the funds may be expended. As used in this subsection, "repair" means to restore the existing structure or thing to its original condition, as near as may be, after decay, waste, injury, or partial destruction, but does not include maintenance or customary repainting; and "reconstruction" means to rebuild or to restore again as an entity the thing which was lost or destroyed.

8. Authorize a change to either five or seven directors. The proposition for the change shall specify the number of directors to be elected, and which of the methods of election authorized by section 275.12, subsection 2 is to be used if the change is approved by the voters.

9. Authorize the establishment or abandonment of director districts or a change of boundaries of director districts. If a proposition submitted to the voters under this subsection or subsection 8 of this section is rejected, it may not be resubmitted to the voters of the district in substantially the same form within the next three years; if it is approved, no other proposal may be submitted to the voters of the district under this subsection or subsection 8 of this section within the next six years.

10. Change the name of the school district, without affecting its corporate existence, rights, or obligations, and subject to the requirements of section 274.6.

The board may, with approval of sixty percent of the voters, voting in a regular or special election in the school district, make extended time contracts not to exceed twenty years in duration for rental of buildings to supplement existing schoolhouse facilities; and where it is deemed advisable for buildings to be constructed or placed on real estate owned by the school district, such contracts may include lease-purchase option agreements, such amounts to be paid out of the schoolhouse fund.

Before entering into a rental or lease-purchase option contract, authorized by the electors, the board shall first adopt plans and specifications for a building or buildings which it considers suitable for the intended use and also adopt a form of rental or lease-purchase option contract. The board shall then invite bids thereon, by advertisement published once each week for two consecutive weeks, in a newspaper published in the county in which the building or buildings are to be located, and the rental or lease-purchase option contract shall be awarded to the lowest responsible bidder, but the board may reject any and all bids and advertise for new bids.

The voters at the regular or special election shall have power to vote a schoolhouse tax not exceeding one dollar and thirty-five cents per thousand dollars of assessed value in any one year providing for lease-purchase option of school buildings. [C51, §1115; R60, §2028, 2033; C73, §1717, 1807; C97, §2749; C24, 27, 31, 35, 39, §4217; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §278.1; 68GA, ch 61, §4, ch 1080, §3]

The board may, and upon the written request of twenty-five eligible electors of any district having a population of five thousand or less, or of fifty eligible electors of any other district, shall direct the county commissioner of elections to provide in the notice of the regular election for submitting any proposition authorized by law to the voters. However, in the case of a proposition authorized by section 278.1, subsection 8 or 9, the requirements of section 275.36 shall govern with respect to the number of signatures required on a petition for submission of the proposition. When the board has directed the commissioner to submit to the voters a proposition authorized by section 278.1, subsection 8 or 9, it shall not thereafter direct him or her to submit at the same election any other proposition under either of these subsections. [R60, §2028; C97, §2749; C24, 27, 31, 35, 39, §4218; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §278.2; 68GA, ch 61, §5]

278.3 Power given electors not to limit directors' power. The power vested in the electors by section 278.1 shall not affect or limit the power granted to the board of directors of a school district in section 297.7, subsection 2, and the authority granted in said subsection shall be construed as independent of the power vested in the electors by section 278.1. The county commissioner of elections shall publish the notices required by law for such special elections, which election shall be held not sooner than thirty days nor later than forty days after the tenth day following the occurrence of the vacancy. In any case where the secretary fails for more than three days to call such election, the administrator shall call it.

Any appointment by the board to fill any vacancy in an elective office on or after the day notice has been given for a special election to fill such vacancy as provided herein shall be null and void.

The board shall include in its rules provisions regulating the loading and unloading of pupils from a school bus stopped on the highway during a period of reduced highway visibility caused by fog, snow or other weather conditions.

Employees of a school corporation maintaining a high school who have the custody of funds belonging to the corporation or funds derived from extracurricular activities and other sources in the conduct of their duties, shall be required to furnish suitable bond indemnifying the corporation or any activity group connected with the school against loss, and employees who have the custody of property belonging to the corporation or any activity group connected with the school may be required to furnish such bond. surance plans, nonprofit group hospital service plans, nonprofit group medical service plans and group life insurance plans adopted by the board for the benefit of employees of the school district, but the board may authorize any subdirector to employ teachers for the school in his subdistrict; but no such employment by a subdirector shall authorize a contract, the entire period of which is wholly beyond his term of office.

The board may approve a policy for educational leave for certificated school employees and for reimbursement for tuition paid by certificated school employees for courses approved by the board. For the purpose of this section "educational leave" means a leave granted to an employee for the purpose of study including study in areas outside of a teacher's area of specialization, travel, or other reasons deemed by the board to be of value to the school system.

§279.13 Contracts with teachers—automatic continuation.

1. Contracts with teachers, which for the purpose of this section means all certificated employees of a school district and nurses employed by the board, excluding superintendents, assistant superintendents, principals, and assistant principals, shall be in writing and shall state the number of contract days, the annual compensation to be paid, and any other matters as may be mutually agreed upon. The contract may include employment for a term not exceeding the ensuing school year, except as otherwise authorized.

The contract is invalid if the teacher is under contract with another board of directors to teach during the same time period until a release from the other contract is achieved. The contract shall be signed by the president of the board when tendered, and after it is signed by the teacher, the contract shall be filed with the secretary of the board before the teacher enters into performance under the contract.

2. The contract shall remain in force and effect for the period stated in the contract and shall be automatically continued for equivalent periods except as modified or terminated by mutual agreement of the board of directors and the teacher or as terminated in accordance with the provisions specified in this chapter. A contract shall not be offered by the employing board to a teacher under its jurisdiction prior to March 15 of any year. A teacher who has not accepted a contract for the ensuing school year tendered by the employing board may resign effective at the end of the current school year by filing a written resignation with the secretary of the board. The resignation must be filed not later than the last day of the current school year or the date specified by the employing board for return of the contract, whichever date occurs first. However, a teacher shall not be required to return a contract to the board or to resign less than twenty-one days after the contract has been offered.

3. If the provisions of a contract executed or automatically renewed under this section conflict with a collective bargaining agreement negotiated under chapter 20 and effective when the contract is executed or renewed, the provisions of the collective bargaining agreement shall prevail. [R60, §2055; C73, §1757; C97, §2778; SS15, §2778; C24, 27, 31, 35, 39, §4229; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §279.13; 68GA, ch 2, §46]

Referred to in §279.16

279.15 Notice of termination—request for hearing.

1. The superintendent or the superintendent's designee shall notify the teacher not later than March 15 that the superintendent will recommend in writing to the board at a regular or special meeting of the board held not later than March 31 that the teacher's continuing contract be terminated effective at the end of the current school year.

2. Notification of recommendation of termination of a teacher's contract shall be in writing and shall be personally delivered to the teacher, or mailed by certified mail. The notification shall be complete when received by the teacher. The notification and the recommendation to terminate shall contain a short and plain statement of the reasons, which shall be for just cause, why the recommendation is being made. The notification shall be given at or before the time the recommendation is given to the board.

As a part of the termination proceedings, the teacher's complete personnel file of employment by that board shall be available to the teacher, which file shall contain a record of all periodic evaluations between the teacher and appropriate supervisors.

Within five days of the receipt of the written notice that the superintendent is recommending termination of the contract, the teacher may request, in writing to the secretary of the board, a private hearing with the board. The private hearing shall not be subject to chapter 28A and shall be held no sooner than ten days and no later than twenty days following the receipt of the request unless the parties otherwise agree. The secretary of the board shall notify the teacher in writing of the date, time, and location of the private hearing, and at least five days before the hearing shall also furnish to the teacher any documentation which may be presented to the board at the private hearing and a list of persons who may address the board in support of the superintendent's recommendation at the private hearing. At least three days before the hearing, the teacher shall provide any documentation he or she expects to present at the private hearing, along with the names of any persons who may address the board on behalf of the teacher. This exchange of information shall be at the time specified unless otherwise agreed. [R60, §2055; C73, §1757; C97, §2778; SS15, §2778; C24, 27, 31, 35, 39, §4229; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §279.15]

Referred to in §279.13, 279.16, 279.20, 279.27
279.16 Private hearing—decision—record. The participants at the private hearing shall be at least a majority of the members of the board, their legal representatives, if any, the superintendent, the superintendent's designated representatives, if any, the teacher's immediate supervisor, the teacher, the teacher's representatives, if any, and the witnesses for the parties. The evidence at the private hearing shall be limited to the specific reasons stated in the superintendent's notice of recommendation of termination. No participant in the hearing shall be liable for any damages to any person if any statement at the hearing is determined to be erroneous as long as the statement was made in good faith. The superintendent shall present evidence and argument on all issues involved and the teacher may cross-examine, respond and present evidence and argument in his or her behalf relevant to all issues involved. Evidence may be by stipulation of the parties and informal settlement may be made by stipulation, consent, or default or by any other method agreed upon by the parties in writing. The board shall employ a certified shorthand reporter to keep a record of the private hearing. The proceedings or any part thereof shall be transcribed at the request of either party with the expense of transcription charged to the requesting party.

The presiding officer of the board may administer oaths in the same manner and with like effect and under the same penalties as in the case of magistrates exercising criminal or civil jurisdiction. The board shall cause subpoenas to be issued for such witnesses and the production of such books and papers as either the board or the teacher may designate. The subpoenas shall be signed by the presiding officer of the board.

In case a witness is duly subpoenaed and refuses to attend, or in case a witness appears and refuses to testify or to produce required books or papers, the board shall, in writing, report such refusal to the district court of the county in which the administrative office of the school district is located, and the court shall proceed with the person or witness as though the refusal had occurred in a proceeding legally pending before the court.

The board shall not be bound by common law or statutory rules of evidence or by technical or formal rules of procedure, but it shall hold the hearing in such manner as is best suited to ascertain and conserve the substantial rights of the parties. Process and procedure under sections 279.13 to 279.19 shall be as summary as reasonably may be.

At the conclusion of the private hearing, the superintendent and the teacher may file written briefs and arguments with the board within three days or such other time as may be agreed upon.

If the teacher fails to timely request a private hearing or does not appear at the private hearing, the board may proceed and make a determination upon the superintendent's recommendation, which determination in that case shall be not later than April 10, or not later than five days after the scheduled date for the private hearing, whichever is applicable. The board shall convene in open session and by roll call vote determine the termination or continuance of the teacher's contract.

Within five days after the private hearing, the board shall, in executive session, meet to make a final decision upon the recommendation and the evidence as herein provided. The board shall also consider any written brief and arguments submitted by the superintendent and the teacher.

The record for a private hearing shall include:
1. All pleadings, motions and intermediate rulings.
2. All evidence received or considered and all other submissions.
3. A statement of all matters officially noticed.
4. All questions and offers of proof, objections and rulings thereon.
5. All findings and exceptions.
6. Any decision, opinion, or conclusion by the board.
7. Findings of fact shall be based solely on the evidence in the record and on matters officially noticed in the record.

The decision of the board shall be in writing and shall include findings of fact and conclusions of law, separately stated. Findings of fact, if set forth in statutory language, shall be accompanied by a concise and explicit statement of the underlying facts and supporting the findings. Each conclusion of law shall be supported by cited authority or by reasoned opinion.

When the board has reached a decision, opinion, or conclusion, it shall convene in open meeting and by roll call vote determine the continuance or discontinuance of the teacher's contract. The record of the private conference and findings of fact and exceptions shall be exempt from the provisions of chapter 68A. The secretary of the board shall immediately mail notice of the board's action to the teacher. [C77, 79, §279.16] Referred to in §275.33, 279.19, 279.37

279.17 Appeal by teacher to adjudicator. If the teacher is no longer a probationary teacher, the teacher may, within ten days, appeal the determination of the board to an adjudicator by filing a notice of appeal with the secretary of the board. The notice of appeal shall contain a concise statement of the action which is the subject of the appeal, the particular board action appealed from, the grounds on which relief is sought and the relief sought.

Within five days from receipt by the secretary of the notice of appeal, the board or the board's legal representative, if any, and the teacher or the teacher's representative, if any, may select an adjudicator who resides within the boundaries of the merged area in which the school district is located. If an adjudicator cannot be mutually agreed upon within the five-day period, the secretary shall notify the chairperson of the public employment relations board by transmitting the notice of appeal, and the chairperson of the public employment relations board shall within five days provide a list of five adjudicators to the parties. Within three days from receipt of the list of adjudicators, the parties shall select an adjudicator by alternately removing a name from the list until only one name remains. The person whose name re-
§279.17, DIRECTORS—POWERS AND DUTIES

mains shall be the adjudicator. The parties shall determine by lot which party shall remove the first name from the list submitted by the chairperson of the public employment relations board. The secretary of the board shall inform the chairperson of the public employee relations board of the name of the adjudicator selected.

If the teacher does not timely request an appeal to an adjudicator the decision, opinion, or conclusion of the board shall become final and binding.

Within thirty days after filing the notice of appeal, or within further time allowed by the adjudicator, the board shall transmit to the adjudicator the original or a certified copy of the entire record of the private hearing which may be the subject of the petition. By stipulation of the parties to review the proceedings, the record of the case may be shortened. The adjudicator may require or permit subsequent corrections or additions to the shortened record.

The record certified and filed by the board shall be the record upon which the appeal shall be heard and no additional evidence shall be heard by the adjudicator. In such appeal to the adjudicator, especially when considering the credibility of witnesses, the adjudicator shall give weight to the fact findings of the board; but shall not be bound by them.

Before the date set for hearing a petition for review of board action, which shall be within ten days after receipt of the record unless otherwise agreed or unless the adjudicator orders additional evidence be taken before the board, application may be made to the adjudicator for leave to present evidence in addition to that found in the record of the case. If it is shown to the adjudicator that the additional evidence is material and that there were good reasons for failure to present it in the private hearing before the board, the adjudicator may order that the additional evidence be taken before the board upon conditions determined by the adjudicator. The board may modify its findings and decision in the case by reason of the additional evidence and shall file that evidence and any modifications, new findings, or decisions, with the adjudicator and mail copies of the new findings or decisions to the teacher.

The adjudicator may affirm board action or remand to the board for further proceedings. The adjudicator shall transmit to the reviewing court the original or a certified copy of the entire record which may be the subject of the petition. By stipulation of all parties to the review proceedings, the record of such a case may be shortened. A party unreasonably refusing to stipulate to limit the record may be taxed by the court for the additional cost. The court may require or permit subsequent corrections or additions to the shortened record.

In proceedings for judicial review of the adjudicator's decision, the court shall not hear any further evidence but shall hear the case upon the certified record. In such judicial review, especially when considering the credibility of witnesses, the court shall give weight to the fact findings of the board; but shall not be bound by them. The court may affirm the adjudicator's decision or remand to the adjudicator or the board for further proceedings upon conditions determined by the court. The court shall reverse, modify, or grant any other appropriate relief from the board decision or the adjudicator's decision equitable or legal and including declaratory relief if substantial rights of the petitioner have been prejudiced because the action is:

1. In violation of constitutional or statutory provisions; or
2. In excess of the statutory authority of the board or the adjudicator; or
3. In violation of a board rule or policy or contract; or
4. Made upon unlawful procedure; or
5. Affected by other error of law; or
6. Unsupported by a preponderance of the competent evidence in the record made before the board when that record is viewed as a whole; or
7. Unreasonable, arbitrary or capricious or characterized by an abuse of discretion or a clearly unwarranted exercise of discretion.

The adjudicator shall, within fifteen days after the hearing, make a decision and shall give a copy of the decision to the teacher and the secretary of the board. The decision of the adjudicator shall become the final and binding decision of the board unless either party within ten days notifies the secretary of the board that the decision is rejected. The board may reject the decision by majority vote, by roll call, in open meeting and entered into the minutes of the meeting. The board shall immediately notify the teacher of its decision by certified mail. The teacher may reject the adjudicator's decision by notifying the board's secretary in writing within ten days of the filing of such decision.

All costs of the adjudicator shall be shared equally by the teacher and the board. [C77, 79, §279.17]

Referred to in §275.53, 279.16, 279.27

279.18 Appeal by either party to court. If either party rejects the adjudicator's decision, the rejecting party shall, within thirty days of the initial filing of such decision, appeal to the district court of the county in which the administrative office of the school district is located. The notice of appeal shall be immediately mailed by certified mail to the other party. The adjudicator shall transmit to the reviewing court the original or a certified copy of the entire record which may be the subject of the petition. By stipulation of all parties to the review proceedings, the record of such a case may be shortened. A party unreasonably refusing to stipulate to limit the record may be taxed by the court for the additional cost. The court may require or permit subsequent corrections or additions to the shortened record.

In proceedings for judicial review of the adjudicator's decision, the court shall not hear any further evidence but shall hear the case upon the certified record. In such judicial review, especially when considering the credibility of witnesses, the court shall give weight to the fact findings of the board; but shall not be bound by them. The court may affirm the adjudicator's decision or remand to the adjudicator or the board for further proceedings upon conditions determined by the court. The court shall reverse, modify, or grant any other appropriate relief from the board decision or the adjudicator's decision equitable or legal and including declaratory relief if substantial rights of the petitioner have been prejudiced because the action is:

1. In violation of constitutional or statutory provisions; or
2. In excess of the statutory authority of the board or the adjudicator; or
3. In violation of a board rule or policy or contract; or
4. Made upon unlawful procedure; or
5. Affected by other error of law; or
6. Unsupported by a preponderance of the competent evidence in the record made before the board and the adjudicator when that record is viewed as a whole; or
7. Unreasonable, arbitrary or capricious or characterized by an abuse of discretion or a clearly unwarranted exercise of discretion.

An aggrieved or adversely affected party to the judicial review proceeding may obtain a review of any final judgment of the district court by appeal to the supreme court. The appeal shall be taken as in other civil cases, although the appeal may be taken regardless of the amount involved. [C77, 79, §279.18]

Referred to in §275.53, 275.53, 279.16, 279.27
279.19 Probationary period. The first two consecutive years of employment of a teacher in the same school district are a probationary period. However, a board of directors may waive the probationary period for any teacher who previously has served a probationary period in another school district and the board may extend the probationary period for an additional year with the consent of the teacher.

In the case of the termination of a probationary teacher’s contract, the provisions of sections 279.15 and 279.16 shall apply.

The board’s decision shall be final and binding unless the termination was based upon an alleged violation of a constitutionally guaranteed right of the teacher or an alleged violation of public employee rights of the teacher under section 20.10. [C77, 79, §279.19]

Referred to in §279.56, 279.16, 279.27

The principal, under the supervision of the superintendent of the school district and pursuant to rules and policies of the board of directors of the school district, shall be responsible for administration and operation of the attendance center to which he is assigned.

The principal shall, pursuant to the policies adopted by the board of directors of the school district, be responsible for the planning, management, operation, and evaluation of the educational program offered at the attendance center to which the principal is assigned and shall submit recommendations to the superintendent regarding the appointment, assignment, promotion, transfer and dismissal of all personnel assigned to the attendance center. The principal shall perform such other duties as may be assigned by the superintendent. [C77, 79, §279.21]

A contract shall not be required to be signed by the administrator and returned to the board in less than twenty-one days after being tendered.

An administrator’s contract shall be governed by the provisions of this section and sections 279.24 and 279.25 and not by section 279.13. For purposes of this section and 279.24 and 279.25, the term “administrator” includes school superintendents, assistant superintendents, educational directors, principals, assistant principals, and other certified school supervisors as defined under the provisions of section 20.4. [C77, 79, §279.23]

Referred to in §273.3, 279.21

279.24 Contract with administrators—automatic continuation or termination. An administrator’s contract shall remain in force and effect for the period stated in the contract. The contract shall be automatically continued in force and effect for one year beyond the end of its term, except as modified or terminated by mutual agreement of the board of directors and the administrator, or until terminated as hereinafter provided.

An administrator may file his or her written resignation with the secretary of the board on or before May 1 of each year or the date specified by the board for return of the contract, whichever date occurs first.

Administrators employed in a school district for less than two consecutive years are probationary administrators. However, a board may waive the probationary period for any administrator who has previously served a probationary period in another school district and the board may extend the probationary period for an additional year with the consent of the administrator. If a board determines that it should terminate a probationary administrator’s contract, the board shall notify the administrator not later than March 31 that the contract will not be renewed beyond the current year. The notice shall be in writing by letter, personally delivered, or mailed by certified mail. The notification shall be complete when received by the administrator. Within ten days after receiving the notice, the administrator may request a private conference with the board to discuss the reasons for termination. The board’s decision to terminate a probationary administrator’s contract shall be final unless the termination was based upon an al-
leged violation of a constitutionally guaranteed right of the administrator.

The board may, by majority vote of the membership of the board, cause the contract of an administrator to be terminated. If the board determines that it should consider the termination of a nonprobationary administrator's contract, the following procedure shall apply:

On or before March 31, the administrator shall be notified in writing by a letter personally delivered or mailed by certified mail that the board has voted to consider termination of the contract. The notification shall be complete when received by the administrator.

The notice shall state the specific reasons to be used by the board for considering termination which for all administrators except superintendents shall be for just cause.

Within five days after receipt of the written notice that the board has voted to consider termination of the contract, the administrator may request in writing to the secretary of the board that the notification be forwarded to the professional teaching practices commission along with a request that the professional teaching practices commission submit a list of five qualified hearing officers to the parties. Within three days from receipt of the list the parties shall select a hearing officer by alternately removing a name from the list until only one name remains. The person whose name remains shall be the hearing officer. The parties shall determine by lot which party shall remove the first name from the list. The hearing shall be held no sooner than ten days and not later than thirty days following the administrator's request unless the parties otherwise agree. If the administrator does not request a hearing, the board, not later than April 15, may determine the continuance or discontinuance of the contract. Board action shall be by majority roll call vote entered on the minutes of the meeting. Notice of board action shall be personally delivered or mailed to the administrator.

The hearing officer selected shall notify the secretary of the board and the administrator in writing concerning the date, time, and location of the hearing. The board may be represented by a legal representative, if any, and the administrator shall appear and may be represented by counsel or by representative, if any. A transcript or recording shall be made of the proceedings at the hearing. No school board member or administrator shall be liable for any damage to any administrator or board member if any statement made at the hearing is determined to be erroneous as long as the statement was made in good faith.

The hearing officer shall, within ten days following the date of the hearing, make a proposed decision as to whether or not the administrator should be dismissed, and shall give a copy of the proposed decision to the administrator and the school board. Findings of fact shall be prepared by the hearing officer. The proposed decision of the hearing officer shall become the final decision of the board unless within ten days after the filing of the decision the administrator files a written notice of appeal with the board, or the board on its own motion determines to review the decision.

If the administrator appeals to the board, or if the board determines on its own motion to review the proposed decision of the hearing officer, a private hearing shall be held before the board within five days after the petition for review, or motion for review, has been made or at such other time as the parties may agree. The private hearing shall not be subject to the provisions of chapter 28A. The board may hear the case de novo upon the record as submitted before the hearing officer. In cases where there is an appeal from a proposed decision or where a proposed decision is reviewed on motion of the board, an opportunity shall be afforded to each party to file exceptions, present briefs and present oral arguments to the board which is to render the final decision. The secretary of the board shall give the administrator written notice of the time, place, and date of the hearing. The board shall meet within five days after the hearing to determine the question of continuance or discontinuance of the contract. The board shall make findings of fact which shall be based solely on the evidence in the record and on matters officially noticed in the record.

The decision of the board shall be in writing and shall include findings of fact and conclusions of law, separately stated. Findings of fact, if set forth in statutory language, shall be accompanied by a concise and explicit statement of the underlying facts and supporting the findings. Each conclusion of law shall be supported by cited authority or by reasoned opinion.

When the board has reached a decision, opinion, or conclusion, it shall convene in open meeting and by roll call vote determine the continuance or discontinuance of the administrator's contract. The record of the private conference and findings of fact and exceptions shall be exempt from the provisions of chapter 68A. The secretary of the board shall immediately personally deliver or mail notice of the board's action to the administrator.

The administrator may within thirty days after notification by the board of discontinuance of the contract appeal to the district court of the county in which the administrative office of the school district is located.

The court may affirm the board action. The court shall reverse, modify, or grant any other appropriate relief from the board action, equitable or legal, and including declaratory relief, if substantial rights of the administrator have been prejudiced because the board action is:

1. In violation of constitutional or statutory provisions.
2. In excess of the statutory authority of the board.
3. Made upon unlawful procedure.
4. Affected by other error of law.
5. Is unsupported by substantial evidence in the record made before the board when that record is reviewed as a whole.

The board of directors of a public school district shall not allow discrimination in any educational program on the basis of race, color, creed, sex, marital status or place of national origin.

The board of directors of each local public school district and the authorities in charge of each nonpublic school shall provide the safety devices required herein. Such devices may be paid for from the general fund, but the board may require students and teachers to pay for the safety devices and shall make them available to students and teachers at no more than the actual cost to the district or school.

280A.7 Investigation of plan. Upon receipt of any plan submitted, the state board shall cause the plan to be examined, conduct further investigation of and hearings on the plan if deemed necessary, and evaluate the plan in relation to all vocational schools, community colleges, and junior colleges existing, proposed, or needed throughout the state. 2. Within seventy calendar days after approval of the plan by the state board hold a meeting to accept or reject the merger plan. In the event no decision has been made by a county board of education within seventy days, the county board shall be deemed to have approved the merger plan. The secretaries of the respective boards shall immediately notify the state board of the action taken at the meetings. [C66, 71, 73, 75, 77, 79, §280A.10]

280A.11 Procedure of state board. Upon receiving notice that all planning boards have given final approval to the proposal to form a merged area, the state board shall:

1. Officially designate all territory included in the plan approved by the county school systems as a merged area.

2. Direct the county commissioner of elections of the county in which the physical plant facilities of the area vocational school or area community college are to be located to call and conduct a special election to choose the members of the initial governing board of the merged area. If physical plant facilities are to be located in more than one county, the county commissioner of elections of the county in which the school or college administrative offices are to be located shall be responsible for calling and conducting the special election. [C66, 71, 73, 75, 77, 79, §280A.11]

280A.12 Governing board. The governing board of a merged area shall be a board of directors composed of one member elected from each director district in the area by the electors of the respective district. Members of the board shall be residents of the district from which elected. Successors shall be chosen at the annual school elections for members whose terms expire on the first Monday in October following such elections. Terms of members of the board of directors shall be three years. Vacancies on the board which occur more than ninety days prior to the next regular school election may be filled at the next regular meeting of the board by appointment by the remaining members of the board. A member so chosen shall be a resident of the district in which the vacancy occurred and shall serve until a member shall be elected pursuant to section 69.12 to fill the vacancy for the balance of the unexpired term. A vacancy shall be defined as in section 277.29. Commencing with the regular school election in 1981, the governing board of a merged area shall consist of not less than five nor more than nine members. [C66, 71, 73, 75, 77, 79, §280A.12; 68GA, ch 1075, §4]

280A.13 Directors of merged area. The board of directors shall thereafter organize on the first Monday in October of each year. Organization of the board shall be effected by the election of a president and such other officers from the board membership as board members so determine. The board of directors shall appoint a secretary and a treasurer who shall each give bond as prescribed in section 291.2 and who shall each receive such salary as shall be determined by the board. The secretary and treasurer shall perform such duties as are prescribed in chapter 291 and such additional duties as the board of directors may deem necessary. The frequency of meetings other than organizational meetings shall be as determined by the board of directors but the president or a majority of the members may call a special meeting at any time. [C66, 71, 73, 75, 77, 79, §280A.13]

280A.14 Expenses prorated. All expenses incurred in electing the initial board of a merged area shall be prorated among the several county school systems included in the area, in the proportion that the value of taxable property in each county school system, or any portion thereof which is part of the merged area, bears to the total value of taxable property in the area. The county commissioner of elections responsible for conducting the election shall certify to each county board of education the amount which each board owes. [C66, 71, 73, 75, 77, 79, §280A.14]

1. Regular elections held annually by the merged area for the election of members of the board of directors as required by section 280A.12, for the renewal of the twenty and one-fourth cents per thousand dollars of assessed valuation levy authorized in section 280A.22, or for any other matter authorized by law and designated for election by the board of directors of the merged area, shall be held on the date of the school election as fixed by section 277.1. The election notice shall be made a part of the local school election notice published as provided in section 49.53 in each local school district where voting is to occur in the merged area election and the election shall be conducted by the county commissioner of elections pursuant to chapters 39 to 53 and section 277.20.

2. Each candidate for member of the board of directors of a merged area shall be nominated by a petition signed by not less than fifty eligible electors of the director district from which the member is to be elected. The petition shall state the number of the director district from which the candidate seeks election, and the candidate's name and status as an eligible elector of the director district. Signers of the petition, in addition to signing their names, shall show their residence, including street and number if any, the school district in which they reside, and the date they signed the petition. Each nomination paper shall have appended to it an affidavit of an eligible elector other than the candidate in substantially the form provided in section 43.17, except as to party affilia-
tion. The petition shall include the affidavit of the candidate being nominated, stating the candidate’s name and residence, and that he or she is a candidate, is eligible for the office sought, and if elected will qualify for the office.

3. Nomination papers in behalf of candidates for member of the board of directors of a merged area shall be filed with the secretary of the board not earlier than sixty-five days nor later than five o’clock p.m. on the fortieth day prior to the election at which members of the board are to be elected. The secretary shall deliver all nomination papers so filed, together with the text of any public measure being submitted to the board of directors to the electorate, to the county commissioner of elections who is responsible under section 47.2 for conducting elections held for a merged area, not later than five o’clock p.m. on the last day on which nomination petitions can be filed. That commissioner shall certify the names of candidates, and the text and summary of any public measure being submitted to the electorate, to all county commissioners of elections in the merged area by the thirty-fifth day prior to the election.

4. The votes cast in the election shall be canvassed and abstracts of the votes cast shall be certified as required by section 277.20. In each county whose commissioner of elections is responsible under section 47.2 for conducting elections held for a merged area, the county board of supervisors shall convene at ten o’clock a.m. on the last Monday in September, canvass the abstracts of votes cast and declare the results of the voting. The commissioner shall at once issue certificates of election to each person declared elected, and shall certify to the merged area board in substantially the manner prescribed by section 50.27 the result of the voting on any public question submitted to the voters of the merged area. Members elected to the board of directors of a merged area shall qualify by taking the oath of office prescribed in section 277.28. [C66, 71, 73, 75, 77, 79, §280A.15]

280A.16 Status of merged area. A merged area formed under the provisions of this chapter shall be a body politic as a school corporation for the purpose of exercising powers granted under this chapter, and as such may sue and be sued, hold property, and exercise all the powers granted by law and such other powers as are incident to public corporations of like character and are not inconsistent with the laws of the state. [C66, 71, 73, 75, 77, 79, §280A.16]

280A.17 Preparation of budget. The board of directors of each merged area shall prepare an annual budget designating the proposed expenditures for operation of the area vocational school or area community college. The board shall further designate the amounts which are to be raised by local taxation and the amounts which are to be raised by other sources of revenue for such operation. The budget of each merged area shall be submitted to the state board no later than May 1 preceding the next fiscal year for approval. The state board shall review the proposed budget and shall, prior to June 1, either grant its approval or return the budget without approval with the comments of the state board attached thereto. Any unapproved budget shall be resubmitted to the state board for final approval. Upon approval of the budget by the state board, the board of directors shall certify the amount to the respective county auditors and the boards of supervisors annually shall levy a tax of twenty and one-fourth cents per thousand dollars of assessed value on taxable property in a merged area for the operation of an area vocational school or area community college. Taxes collected pursuant to such levy shall be paid by the respective county treasurers to the treasurer of the merged area in the same manner that other school taxes are paid to local school districts.

It is the policy of this state that the property tax for the operation of area schools shall not in any event exceed twenty and one-fourth cents per thousand dollars of assessed value, and that the present and future costs of such operation in excess of the funds raised by such levy shall be the responsibility of the state and shall not be paid from property tax. [C66, 71, 73, 75, 77, 79, §280A.17]

280A.18 Other funds received. In addition to revenue derived by tax levy, a board of directors of a merged area shall be authorized to receive and expend:

1. Federal funds made available and administered by the state board, for such purposes as may be provided by federal laws, rules, and regulations.

2. Other federal funds for such purposes as may be provided by federal law, subject to the approval of the state board.

3. Tuition in accordance with section 280A.23, subsection 2.

4. State aid to be paid in accordance with the statutes which provide such aid.

5. State funds for sites and facilities made available and administered by the state board.

6. Donations and gifts which may be accepted by the governing board and expended in accordance with the terms of the gift without compliance with the local budget law.

7. Student fees collected from students for activities, laboratory breakage, instructional materials, and other objects and purposes for which student fees other than tuition are customarily charged by colleges and universities, as provided in a schedule of fees adopted by the area board of directors. The expenditure of funds collected from students for activities shall be determined by the student government unit with administrative and board approval. Any increases in student fees for activities shall be determined by the student government unit with administrative and board approval. [C66, 71, 73, 75, 77, 79, §280A.18; 68GA, ch 1012, §35]

280A.19 Acquisition of sites and buildings. Boards of directors of merged areas may acquire sites and erect and equip buildings for use by area voca-
tional schools or area community colleges and may contract indebtedness and issue bonds to raise funds for such purposes. [C66, 71, 73, 75, 77, 79, §280A.19]

Referred to in §280A.20, 280A.21, 280A.34

**§280A.20 Payment of bonds.** Taxes for the payment of bonds issued under section 280A.19 shall be levied in accordance with chapter 76. The bonds shall be payable from a fund created from the proceeds of such taxes in not more than twenty years and bear interest at a rate not exceeding seven percent per annum, and shall be of such form as the board issuing the bonds shall by resolution provide. Any indebtedness incurred shall not be considered an indebtedness incurred for general and ordinary purposes. [C66, 71, 73, 75, 77, 79, §280A.20]

See §75.11

**§280A.21 Election to incur indebtedness.** No indebtedness shall be incurred under section 280A.19 until authorized by an election. A proposition to incur indebtedness and issue bonds for area vocational school or area community college purposes shall be deemed carried in a merged area if approved by a sixty percent majority of all voters voting on the proposition in the area. [C66, 71, 73, 75, 77, 79, §280A.21]

**§280A.22 Additional tax.** In addition to the tax authorized under section 280A.17, the voters in any merged area may at the annual school election vote a tax not exceeding twenty and one-fourth cents per thousand dollars of assessed value in any one year for a period not to exceed ten years for the purchase of grounds, construction of buildings, payment of debts contracted for the construction of buildings, purchase of buildings and equipment for buildings, and the acquisition of libraries, and for the purpose of maintaining, remodeling, improving, or expanding the area vocational school or area community college of the merged area which tax shall be collected by the county treasurers and remitted to the treasurer of the merged area as other taxes are collected and remitted, and the proceeds of said tax shall be deposited in a separate and distinct fund to be known as the voted tax fund, to be paid out upon warrants drawn by the president and secretary of the board of directors to pay the costs incurred in providing the school facilities for which the tax was voted.

In order to make immediately available to the merged area the proceeds of the voted tax hereinafter authorized to be levied, the board of directors of any such merged area is hereby authorized, without the necessity for any further election, to borrow money and enter into loan agreements in anticipation of the collection of such tax, and such board shall, by resolution, provide for the levy of an annual tax, within the limits of the special voted tax hereinafter authorized, sufficient to pay the amount of any such loan and the interest thereon to maturity as the same becomes due. A certified copy of this resolution shall be filed with the county auditors of the counties in which such merged area is located, and the filing thereof shall make it a duty of such auditors to enter annually this levy for collection until funds are realized to repay the loan and interest thereon in full.

Said loan must mature within the number of years for which the tax has been voted and shall bear interest at a rate or rates not exceeding that permitted by chapter 74A. Any loan agreement entered into pursuant to authority herein contained shall be in such form as the board of directors shall by resolution provide and the loan shall be payable as to both principal and interest from the proceeds of the annual levy of the voted tax hereinafter authorized, or so much thereof as will be sufficient to pay the loan and interest thereon. In furtherance of the foregoing the board of directors of such merged area may, with or without notice, negotiate and enter into a loan agreement or agreements with any bank, investment banker, trust company, insurance company or group thereof, whereunder the borrowing of the necessary funds may be assured and consummated. The proceeds of such loan shall be deposited in a special fund, to be kept separate and apart from all other funds of the merged area, and shall be paid out upon warrants drawn by the president and secretary of the board of directors to pay the cost of acquiring the school facilities for which the tax was voted.

Nothing herein contained shall be construed to limit the authority of the board of directors to levy the full amount of the voted tax, but if and to whatever extent said tax is levied in any year in excess of the amount of principal and interest falling due in such year under any loan agreement, the first available proceeds thereof, to an amount sufficient to meet maturing installments of principal and interest under the loan agreement, shall be paid into the sinking fund for such loan before any of such taxes are otherwise made available to the merged area for other school purposes, and the amount required to be annually set aside to pay the principal of and interest on the money borrowed under such loan agreement shall constitute a first charge upon all of the proceeds of such annual special voted tax, which tax shall be pledged to pay said loan and the interest thereon.

This law shall be construed as supplemental and in addition to existing statutory authority and as providing an independent method of financing the cost of acquiring school facilities for which a tax has been voted under this section and for the borrowing of money and execution of loan agreements in connection therewith and shall not be construed as subject to the provisions of any other law. The fact that a merged area may have previously borrowed money and entered into loan agreements under authority herein contained shall not prevent such merged area from borrowing additional money and entering into further loan agreements provided that the aggregate of the amount payable under all of such loan agreements does not exceed the proceeds of the voted tax. All acts and proceedings heretofore taken by the board of directors or by any official of any merged area for the exercise of any of the powers granted by this section are hereby legalized and validated in all respects. [C66, 71, 73, 75, 77, 79, §280A.22; 68GA, ch 1025, §24]

Tax limitations not applicable to levies beyond 1975 up to 1¼ mills, see 65GA, ch 1096, §56, 61
280A.23 Authority of area directors. The board of directors of each area vocational school or area community college shall:

1. Determine the curriculum to be offered in such school or college subject to approval of the state board. If an existing private educational or vocational institution within the merged area has facilities and curriculum of adequate size and quality which would duplicate the functions of the area school, the board of directors shall discuss with the institution the possibility of entering into contracts to have the existing institution offer facilities and curriculum to students of the merged area. The board of directors shall consider any proposals submitted by the private institution for providing such facilities and curriculum. The board of directors may enter into such contracts. In approving curriculum, the state board shall ascertain that all courses and programs submitted for approval are needed and that the curriculum being offered by an area school does not duplicate programs provided by existing public or private facilities in the area. In determining whether duplication would actually exist, the state board shall consider the needs of the area and consider whether the proposed programs are competitive as to size, quality, tuition, purposes, and area coverage with existing public and private educational or vocational institutions within the merged area.

2. Have authority to determine tuition rates for instruction. Tuition for residents of Iowa shall not exceed the lowest tuition rate per semester, or the equivalent, charged by an institution of higher education under the state board of regents for a full-time resident student. However, if a local school district pays tuition for a resident pupil of high school age, the limitation on tuition for residents of Iowa shall not apply, the amount of tuition shall be determined by the board of directors of the area school with the consent of the local school board, and the pupil shall not be included in the full-time equivalent enrollment of the area school for the purpose of computing general aid to the area school. Tuition for nonresidents of Iowa shall be not less than one hundred fifty percent and not more than two hundred percent of the tuition established for residents of Iowa. Tuition for resident or nonresident students may be set at a higher figure with the approval of the state board. A lower tuition for nonresidents may be permitted under a reciprocal tuition agreement between a merged area and an educational institution in another state, if the agreement is approved by the state board.

3. Have the powers and duties with respect to such schools and colleges, not otherwise provided in this chapter, which are prescribed for boards of directors of local school districts by chapter 279 except that the board of directors is not required to prohibit the use of tobacco and the use or possession of alcoholic liquor or beer by any student under the provisions of section 279.9.

4. Have the power to enter into contracts and take other necessary action to insure a sufficient curriculum and efficient operation and management of the school or college and maintain and protect the physical plant, equipment, and other property of the school or college.

5. Establish policy and make rules, not inconsistent with law and administrative rules, regulations, and policies of the state board, for its own government and that of the administrative, teaching, and other personnel, and the students of the school or college, and aid in the enforcement of such laws, rules, and regulations.

6. Have authority to sell a student-constructed building and the property on which the student-constructed building is located or any article resulting from any vocational program or course offered at an area vocational school or area community college by any procedure which may be adopted by the board. Governmental agencies and governmental subdivisions of the state within the merged areas shall be given preference in the purchase of such articles. All revenue received from the sale of any article shall be credited to the funds of the board of the merged area.

7. With the consent of the inventor, and in the discretion of the board, secure letters patent or copyright on inventions of students, instructors, and officials of any vocational school or community college of the merged area, or take assignment of such letters patent or copyright and make all necessary expenditures in regard thereto. Letters patent or copyright on inventions when so secured shall be the property of the board of the merged area and the royalties and earnings thereon shall be credited to the funds of the board.

8. Set the salary of the area superintendent. In setting the salary, the board shall consider the salaries of administrators of educational institutions in the merged area and the enrollment of the area school.

9. At the request of an employee through contractual agreement the board may arrange for the purchase of group or individual annuity contracts for any of its respective employees from any company the employee may choose that is authorized to do business in this state and through an Iowa-licensed insurance agent that the employee may select, for retirement or other purposes and may make payroll deductions in accordance with such arrangements for the purpose of paying the entire premium due and to become due under such contract. The deductions shall be made in the manner which will qualify the annuity premiums for the benefits afforded under section 403b of the Internal Revenue Code of 1954 and amendments* thereto. The employee's rights under such annuity contract shall be nonforfeitable except for the failure to pay premiums. Whenever an existing tax-sheltered annuity contract is to be replaced by a new contract the agent or representative of the company shall submit a letter of intent to the company being replaced, to the insurance commissioner of the state of Iowa, and to his own company at least thirty days prior to any action by registered mail. This letter of intent shall contain the policy number and description of the contract being replaced and a description of the replacement contract.

10. Make necessary rules to provide for the policing, control, and regulation of traffic and parking of vehicles and bicycles on the property of the area school. The rules may provide for the use of institutional roads, driveways, and grounds; registration of
vehicles and bicycles; the designation of parking areas; the erection and maintenance of signs designating prohibitions or restrictions; the installation and maintenance of parking control devices except parking meters; and assessment, enforcement, and collection of reasonable penalties for the violation of the rules.

The rules made under this subsection may also be enforced by the impoundment of vehicles and bicycles parked in violation of the rules, and a reasonable fee may be charged for the cost of impoundment and storage prior to the release of the vehicle or bicycle to the owner. Each area school shall establish procedures for the determination of controversies in connection with the imposition of penalties. 280A.24 Area community college. The board of directors of a merged area initially organized for the establishment of, and which is operating, an area vocational school may with the approval of the state board expand the curriculum of the school to qualify as an area community college. The state board shall upon approval officially classify the school as an area community college.

The standard academic work load for an instructor in arts and science courses shall be fifteen credit hours per school term, and the maximum academic work load for any instructor shall be sixteen credit hours per school term, for classes taught during the normal school day. In addition thereto, any faculty member may teach a course or courses at times other than usual day-course hours, or on days other than the regular school week, involving total class instruction time equivalent to not more than a three-credit-hour course. The total work load for such instructors shall not exceed the equivalent of eighteen credit hours per school term. [C66, 71, 73, 75, 77, 79, §280A.24]

280A.25 Power of state board. The state board shall:

1. Have authority to designate any vocational school or community college as an “area vocational education school” within the meaning of, and for the purpose of administering, the Act of Congress designated the “Vocational Education Act of 1963”. No vocational school or community college shall be so designated by the board for the expenditure of funds under section 35c, subsection “a”, paragraph 5, Title 20, U.S.C., which has not been designated and classified as an area vocational school or area community college by the state board.

2. Change boundaries of director districts in any merged area when the commission fails to change boundaries as required by law.

3. Change boundaries of merged areas to take into account mergers of local school districts and changes in boundaries of local school districts, when necessary to maintain the policy of this chapter that no local school district shall be a part of more than one merged area. The state board may also make other changes in boundaries of merged areas with the approval of the board of directors of each merged area affected by the change. At any time when the boundaries of a merged area are so changed, the state board may authorize the board of directors of the merged area to levy additional taxes upon the property within the merged area, or any part thereof, and distribute the same so that all parts of the merged area are paying their share toward the support of the school or college.

4. Administer, allocate, and disburse any federal or state funds made available to pay any portion of the cost of acquiring sites for and constructing, acquiring, or remodeling facilities for area vocational schools or area community colleges, and establish priorities for the use of such funds.

5. Administer, allocate, and disburse any federal or state funds available to pay any portion of the operating costs of area vocational schools or area community colleges.

6. Approve, in such manner as it may prescribe, sites and buildings to be acquired, erected, or remodeled for use by area vocational schools or area community colleges.

7. Have authority to adopt such administrative rules as it deems necessary to carry out the provisions of this chapter.

8. Have the power to enter into contracts with local school boards within the area that have and maintain a technical or vocational high school and with private schools or colleges in the co-operative or merged areas to provide courses or programs of study in addition to or as a part of the curriculum made available in the community college or area vocational schools.

9. Make arrangements with boards of merged areas and local school districts to permit students attending high school to participate in vocational-technical programs and obtain credit for such participation for application toward the completion of a high school diploma. The granting of such credit shall be subject to the approval of the state board.

11. Review programs and make recommendations, and approve or disapprove requests of merged area schools to expand their programs. [C66, 71, 73, 75, 77, 79, §280A.25]

280A.26 Former community or junior colleges. Any local school district which operated a community or junior college for any period between September 1, 1964, and July 4, 1965, may continue to operate such college. Existing public community or junior colleges may be converted into area vocational schools or area community colleges in the manner provided in this chapter. In addition, an existing public community or
junior college may be converted into an area vocational school or area community college by agreement between the board of directors of the local school district operating the community or junior college and the board of directors of the merged area. Such agreement shall be effective only if approved by the state board of public instruction. Such agreement shall provide for reasonable compensation to such local school district.

Where the board of any local school district operating a community or junior college and the board of directors of the merged areas are not in agreement on the reasonable value of any public community or junior college which is to be converted, the matters of disagreement shall be decided by three disinterested arbitrators; one selected by the local board, one by the board of the merged area, and one by the two arbitrators so selected. The decision of the arbitrators shall be made in writing and a copy of the decision shall be filed with the secretary of the board of the merged area and the secretary of the local board. Any party to the proceedings may appeal therefrom to the district court by serving notice thereof within twenty days after the decision is filed. Such appeal shall be tried in equity and a decree entered determining the entire matter. The decree so entered shall be final. [C66, 71, 73, 75, 77, 79,§280A.26]

280A.27 Area schools branch in department. There shall be an area schools branch within the state department of public instruction. The branch shall exercise the powers and perform the duties conferred by law upon the department with respect to area vocational schools and area and public community and junior colleges. [C66, 71, 73, 75, 77, 79,§280A.27]

280A.28 Boundaries of director districts. Boundary lines of director districts in the merged areas shall be redrawn after each census to compensate for changes in population if such population changes have taken place. A commission for the purpose of redrawing the boundary lines of the director districts of a merged area shall be composed of members of the boards of directors of each of the school districts located in the merged area, shall be called by the chairperson of the board of the merged area as soon as possible after census information is available. The chairperson of the board of the merged area shall preside over the commission but shall not have a vote on the commission. In votes of the commission, the vote of the board of the least populous school district in the merged area shall have a weight of one unit and the vote of the boards of each of the other school districts in the merged area shall have a weight which bears the same proportion to one unit as the population of the school district bears to the population of the least populous school district in the merged area.

Where feasible, boundary lines of director districts shall coincide with the boundary lines of school districts and the boundary lines of election precincts established pursuant to sections 49.3 to 49.6.

Director districts shall be of approximately equal population within each merged area. [C66, 71, 73, 75, 77,§280A.28(2); C79,§280A.28]

280A.29 Director districts. Changes in the boundary lines of director districts of merged areas and area education agencies shall not lengthen or diminish the term of office of a director of an area education agency board or a merged area board. Changes in boundary lines of director districts shall be transmitted to the boards of directors of merged areas and area education agencies within ten days following action of the boundary commission. The boards shall use the revised director district boundary lines at the next following regular school election or regular director district convention. [C79,§280A.29, 280A.30; 68GA, ch 1075,§5]

280A.30 Repealed by 66GA, ch 1075, §6; see §280A.29.

280A.31 Auxiliary enterprises. The board of directors may expend profits from auxiliary enterprises of area schools for services and equipment which includes but is not limited to tutoring services, scholarships, grants, furniture, fixtures and equipment for noninstructional student use, and support of intramural and intercollegiate athletics.

For the purpose of this section:
1. "Auxiliary enterprises" means self-supporting services provided at the area school for which fees or charges are paid, and includes but is not limited to food services, college stores, student unions, institutionally operated vending services, recreational activities, faculty clubs, laundries, parking facilities, and intercollegiate athletics.

2. "Profits from auxiliary enterprises" means the difference between the total fees or charges collected for auxiliary enterprises and the expenditures by the area school for the auxiliary enterprises. [68GA, ch 1085,§1]

280A.33 Joint action with board of regents.
1. Approval standards, except as hereinafter provided, for area and public community and junior colleges shall be initiated by the area schools branch of the department and submitted to the state board of public instruction and the state board of regents, through the state superintendent of public instruction, for joint consideration and adoption.

2. Approval standards for area vocational schools and for vocational programs and courses offered by area community colleges shall be initiated by the area schools branch and submitted to the state board of public instruction through the state superintendent of public instruction, for consideration and adoption. No such proposed approval standard shall be adopted by the state board until the standard has been submitted to the advisory committee created by chapter 258 and its recommendations thereon obtained.

3. For purposes of this section, "approval standards" shall include standards for administration, qualifications and assignment of personnel, curriculum, facilities and sites, requirements for awarding of diplomas and other evidence of educational achievement, guidance and counseling, instruction, instructional materials, maintenance, and library.

4. Approval standards shall be subject to the provisions of chapter 17A. In addition, approval standards shall be reported by the state board to the general assembly within twenty days after the com-
mencement of a regular legislative session. No area community college or area vocational school shall be removed from the approved list for failure to comply with the approval standards until at least one hundred twenty days have elapsed following the reporting of such standards to the general assembly as provided in this section.

5. The department of public instruction shall supervise and evaluate the educational program in the several area community colleges and area vocational schools of the state for the purpose of the improvement and approval of such institutions.

6. The superintendent of public instruction shall make recommendations and suggestions in writing to each area community college and area vocational school if the department of public instruction determines, after due investigation, that deficiencies exist.

7. The state board shall maintain a list of approved area community colleges and area vocational schools, and it shall remove from the approved list for cause, after due investigation and notice, any area community college or area vocational school which fails to comply with the approval standards. An area community college or area vocational school which is removed from the approved list pursuant to this section shall be ineligible to receive state financial aid during the period of such removal. The state board shall allow a reasonable period of time, which shall be at least one year, for compliance with approval standards if an area community college or area vocational school which is removed from the approved list pursuant to this section shall be made a good faith effort and substantial progress toward full compliance or if failure to comply is due to factors beyond the control of the board of directors of the merged area operating the institution. In allowing time for compliance, the board shall follow consistent policies, taking into account the circumstances of each case. The reasonable period of time for compliance may be, but need not be, given prior to the one-year notice requirement that is provided in this section.

8. The department of public instruction shall give any area community college or area vocational school which is to be removed from the approved list at least one year's notice. The notice shall be given by registered or certified mail addressed to the superintendent of the area community college or area vocational school and shall specify the reasons for removal. The notice shall also be sent by ordinary mail to each member of the board of directors of the area community college or area vocational school and to the news media which serve the merged area where the school is located; but any good faith error or failure to comply with this sentence shall not affect the validity of any action by the state board. If, during the year, the area community college or area vocational school remedies the reasons for removal and satisfies the state board that it will thereafter comply with the laws and approval standards the state board shall continue the area community college or area vocational school on the approved list and shall transmit to the area community college or area vocational school notice of the action by registered or certified mail.

9. At any time during the year after notice is given, the board of directors of the area community college or area vocational school may request a public hearing before the state board of public instruction, by mailing a written request to the superintendent of public instruction by registered or certified mail. The president of the state board shall promptly set a time and place for the public hearing, which shall be either in Des Moines or in the affected merged area. At least thirty days' notice of the time and place of the hearing shall be given by registered or certified mail addressed to the superintendent of the area community college or area vocational school. At least ten days before the hearing, notice of the time and place of the hearing and the reasons for removal shall also be published by the state department in a newspaper of general circulation in the merged area where the area community college or area vocational school is located.

10. At the hearing the area community college or area vocational school may be represented by counsel and may present evidence. The state board may provide for the hearing to be recorded or reported. If requested by the area community college or area vocational school at least ten days before the hearing, the state board shall provide for the hearing to be recorded or reported at the expense of the area community college or area vocational school, using any reasonable method specified by the area community college or area vocational school. Within ten days after the hearing, the state board shall render its written decision, signed by a majority of its members, and shall affirm, modify or vacate the action or proposed action to remove the area community college or area vocational school from the approved list. [C66, 71, 78, §257.25, 280A.33, 280A.35; C75, 77, 79, §280A.33]

280A.35 Limitation on land. A merged area may not purchase land which will increase the aggregate of land owned by such area, excluding land which has been or may be acquired by donation or gift, by more than three hundred twenty acres. Such limitation shall not apply to merged areas owning more than three hundred twenty acres, excluding land acquired by donation or gift, prior to January 1, 1969.

With the approval of the state board, the board of directors of any merged area at any time may sell any land in excess of one hundred sixty acres owned by the merged area, and no election shall be necessary in connection with such sale notwithstanding any other provisions of law. The proceeds of the sale may be used for any of the purposes stated in section 280A.22. This paragraph is in addition to any authority under other provisions of law. [C71, 73, 75, 77, 79, §280A.35]

Such agreements may include the leasing of existing buildings on public or private property, buildings to be constructed upon real estate owned by the area school, or buildings to be placed upon real estate owned by the area school.

Before entering into a lease agreement with a purchase option for a building to be constructed, or placed, upon real estate owned by the area school, the board shall first adopt plans and specifications for the proposed building which it considers suitable for the intended use, and the board shall also adopt the proposed terms of the lease agreement and purchase option. Upon obtaining the approval of the state board, the board shall invite bids thereon, by advertisement published once each week for two consecutive weeks in the county where the building is to be located. Such lease agreement shall be awarded to the lowest responsible bidder, or the board may reject all bids and readvertise for new bids. [C71, 73, 75, 77, 79, §280A.38]

280A.39 Combining merged areas—election. Any merged area may combine with any adjacent merged area after a favorable vote by the electors of each of the areas involved. If the boards of directors of two or more merged areas agree to a combination, the question shall be submitted to the electors of each area at a special election to be held on the same day in each area. The special election shall not be held within thirty days of any general election. Prior to the special election, the board of each merged area shall notify the county commissioner of elections of the county in which the greatest proportion of the merged area's taxable base is located who shall publish notice of the election according to section 49.53. The two respective county commissioners of elections shall conduct the election pursuant to the provisions of chapters 39 to 53. The votes cast in the election shall be canvassed by the county board of supervisors and the county commissioners of elections who conducted the election shall certify the results to the board of directors of each merged area.

If the vote is favorable in each merged area, the boards of each area shall proceed to transfer the assets, liabilities, and facilities of the areas to the combined merged area, and shall serve as the acting board of the combined merged area until a new board of directors is elected. The acting board shall submit to the state board a plan for redistricting the combined merged area, and upon receiving approval from the state board, shall provide for the election of a director from each new district at the next regular school election. The directors elected from each new district shall determine their terms by lot as provided in section 280A.12. Election of directors for the combined merged area shall follow the procedures established for election of directors of a merged area. A combined merged area shall be subject to all provisions of law and regulations governing merged areas. [C71, 73, 75, 77, 79, §280A.39]

§281.1 Division of education created. There is created within the state department of public instruction a division of special education for the promotion, direction, and supervision of education for children requiring special education in the schools under the supervision and control of the department. The state superintendent, subject to the approval of the state board of public instruction, is authorized to organize the division and to employ the necessary qualified personnel to carry out the provisions of this chapter [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §2811]  

281.2 Definitions.  
1 “Children requiring special education” means persons under twenty-one years of age, including children under five years of age, who are handicapped in obtaining an education because of physical, mental, emotional, communication or learning disabilities or who are chronically disruptive, as defined by the rules of the department of public instruction  
2 “Special education” means classroom, home, hospital, institutional, or other instruction designed to meet the needs of children requiring special education as defined in subsection 1, transportation and corrective and supporting services required to assist children requiring special education, as defined in subsection 1, in taking advantage of, or responding to, educational programs and opportunities, as defined by rules of the state board of public instruction  

It is the policy of this state to provide and to require school districts to make provision, as an integral part of public education, for special education opportunities sufficient to meet the needs and maximize the capabilities of children requiring special education. This chapter is not to be construed as encouraging separate facilities or segregated programs designed to meet the needs of children requiring special education when such children can benefit from all or part of the education program as offered by the local school district. To the maximum extent possible, children requiring special education shall attend regular classes and shall be educated with children who do not require special education. Whenever possible, hindrances to learning and to the normal functioning of children requiring special education within the regular school environment shall be overcome by the provision of special aids and services rather than by separate programs for those in need of special education. Separate schooling or other removal of children requiring special education from the regular educational environment, shall occur only when, and to the extent that the nature or severity of the educational handicap is such that education in regular classes, even with the use of supplementary aids and services, cannot be accomplished satisfactorily. For those children who cannot adapt to the regular educational or home living conditions, and who are attending facilities under chapters 263, 269 and 270, upon the request of the board of directors of an area education agency, the department of social services shall provide residential or detention facilities and the area education agency shall provide special education programs and services. The area education agencies shall co-operate with the board of regents to provide the services required by this Act*  

Special aids and services shall be provided to children requiring special education who are less than five years of age if the aids and services will reasonably permit the child to enter the educational process or school environment when the child attains school age.  

Every child requiring special education shall, if reasonably possible, receive a level of education commensurate with the level provided each child who does not require special education. The cost of providing such an education shall be paid as provided in section 273.9, this chapter and chapter 442. It shall be the primary responsibility of each school district to provide special education to children who reside in that district if the children requiring special education are properly identified, the educational program or service has been approved, the teacher or instructor has been certified, the number of children requiring special education needing that educational program or service is sufficient to make offering the program or service feasible, and the program or service cannot more economically and equitably be obtained from the area education agency, another school district, another group of school districts, a qualified private agency, or in co-operation with one or more other districts.  

Any funds received by the school district of the child’s residence for the child’s education, derived from funds received through chapter 442, this chapter and section 273.9 shall be paid by the school district of the child’s residence to the appropriate education agency, private agency, or other school district providing special education for the child pursuant to contractual arrangements as provided in section 273.3, subsections 5 and 7 [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §2812]  

*66GA ch 1172

281.4 Powers of board of directors. The board of directors of any school district or area education agency, with the approval of the state board of public instruction, may provide special education programs and services as defined in this chapter. If services are provided by the area education agency, with the approval of the state board of public instruction, the board of directors of the area education agency with the co-operation of the local school districts within its jurisdiction may:

1. Establish and operate special education programs and classes for the education of children requiring special education.

2. Acquire, maintain, and construct facilities in which to provide education, corrective services, and supportive services for children requiring special education.

3. Make arrangements with participating school districts for the provision of special education, corrective, and supportive services to the children requiring special education residing in the school districts.

4. Employ special education teachers and personnel required to furnish corrective or supportive services to children requiring special education services.

The board of directors of the local district or the area education agency shall employ qualified teachers certified by the authority provided by law as teachers for children requiring such special education. The maximum number of pupils per teacher shall be determined by the board of directors of the local district or the area education agency board in accordance with the rules and regulations of the state board of public instruction.

The board of directors of the local district or the area education agency may establish and operate one or more special education centers to provide diagnostic, therapeutic, corrective, and other services, on a more comprehensive, expert, economic and efficient basis than can be reasonably provided by a single school district. Such services, if offered by the area education agency board, may be provided in the regular schools using personnel and equipment of the area education agency or, whenever it is impractical or inefficient to provide them on the premises of a regular school, the area education agency may provide services in its own facilities. To the maximum extent feasible, such centers shall be established at and in conjunction with, or in close proximity to one or more elementary and secondary schools. Local districts or the area education agencies may accept diagnostic and evaluation studies conducted by other individuals, hospitals, or centers, if determined to be competent. Children requiring special education services may be identified in any way that the department of public instruction, as approved by the state board of public instruction, determines to be reliable. Centers established pursuant to this section may contain classrooms and other educational facilities and equipment to supplement instruction and other services to handicapped children in the regular schools, and to provide separate instruction to children whose degree or type of educational handicap makes it impractical.
or inappropriate for them to participate in classes with normal children. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §281.4]

281.5 Secretary's report. The state department of public health shall from time to time as requested furnish to the state division of special education information obtained from birth certificates relative to the name, address, and disability of any case of congenital deformity or physical defect. The state crippled children's service shall from time to time as required furnish to the state division of special education the name, address, and disability of all children of their register. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §281.5]

281.6 Parent's or guardian's duties. When the school district or area education agency has provided special education services and programs as provided herein for any child requiring special education, either by admission to a special class or by supportive services, it shall be the duty of the parent or guardian to enroll said child for instruction in such special classes or supportive services as may be established, except in the event a doctor's certificate is filed with the secretary of the school district showing that it is inadvisable for medical reasons for the child requiring special education to receive the special education provided; all the provisions and conditions of chapter 299 and amendments thereto shall be applicable to this section, and any violations shall be punishable as provided in said chapter.

A child, or his parent or guardian, or the school district in which the child resides, may obtain a review of any action or omission of state or local authorities pursuant to the procedures established in chapter 290 on the ground that the child has been or is about to be:

1. Denied entry or continuance in a program of special education appropriate to his condition and needs.
2. Placed in a special education program which is inappropriate to his condition and needs.
3. Denied educational services because no suitable program of education or related services is maintained.
4. Provided with special education which is insufficient in quantity to satisfy the requirements of law.
5. Assigned to a program of special education when he is not handicapped. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §281.6]

281.7 Examinations of children. In order to render proper instruction to each child requiring special education, the school districts shall certify children requiring special education for special instruction in accordance with the requirements set up by the division of special education and shall provide examinations for children preliminary to making certification. The examinations necessary for the certification of children requiring special education shall be prescribed by the state division of special education. Final decision in case of disagreement or appeal shall be the responsibility of the state board of public instruction, which may secure the advice of competent medical and educational authorities including the state department of health, the university hospitals, the state department of social welfare, the superintendent of the state school for the deaf, the superintendent of the Iowa braille and sight-saving school, and the superintendent of the state tuberculosis sanatorium. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §281.7]

281.8 Exceptions to attendance. It shall not be incumbent upon the school districts to keep a child requiring special education in regular instruction when the child cannot sufficiently profit from the work of the regular classroom, nor to keep such child requiring special education in the special class or instruction for children requiring special education when it is determined by the director of special education of an area education agency that the child can no longer benefit from the instruction or needs more specialized instruction available in special schools. However, the school district shall count the child requiring special education in the enrollment as provided in sections 273.9, 281.9 and 442.4 and shall insure that appropriate educational provisions are made for the child requiring special education within the limits of funds available under the provisions of this chapter and chapters 273 and 442.

In the case of any person who, by reason of congenital factors, accident or prolonged illness, has not been able to finish the special education by his or her twenty-first birthday, the period of special education may be continued for not exceeding three years thereafter.

No provision of this chapter shall be construed to require or compel any person who is a member of a well-recognized church or religious denomination and whose religious convictions, in accordance with the tenets or principles of his or her church or religious denomination, are opposed to medical or surgical treatment for disease to take or follow a course of physical therapy, or submit to medical treatment, nor shall any parent or guardian who is a member of such church or religious denomination and who has such religious convictions be required to enroll a child in any course or instruction which utilizes medical or surgical treatment for disease. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §281.8]

281.9 Weighting plan. 1. In order to provide funds for the excess costs of instruction of children requiring special education, above the costs of instruction of pupils in a regular curriculum, a special education weighting plan for determining enrollment in each school district is adopted as follows:

a. Pupils in a regular curriculum are assigned a weighting of one.

b. Children requiring special education who require special adaptations while assigned to a regular classroom for basic instructional purposes and handicapped pupils placed in a special education class who receive part of their instruction in regular classrooms are assigned a weighting of one and eight-tenths for the school year commencing July 1, 1975.

c. Children requiring special education who require full-time, self-contained special education placement with little integration into a regular classroom are assigned a weighting of two and two-tenths for the school year commencing July 1, 1975.
d. Children requiring special education who are severely handicapped or who have multiple handicaps, or who are chronically disruptive, are assigned to a weighting of four and four-tenths for the school year commencing July 1, 1975.

e. Shared-time and part-time pupils of school age who require special education shall be placed in the proper category and counted in the proportion that the time for which they are enrolled or receive instruction for the school year bears to the time that full-time pupils, carrying a normal course schedule, in the same school district, for the same school year are enrolled and receive instruction.

2. The weighting for each category of child multiplied by the number of children in each category in the enrollment of a school district, as identified and certified by the director of special education for the area, determines the weighted enrollment to be used in that district for purposes of computations required under the state school foundation plan in chapter 442.

3. The weight that a child is assigned under this section shall be dependent upon the required educational modifications necessary to meet the special education needs of the child. Enrollment for the purpose of this section, and all payments to be made pursuant thereto, includes all children for whom a special education program or course is to be provided pursuant to sections 273.1 to 273.9 and this chapter, whether or not the children are actually enrolled upon the records of a school district.

4. On December 1, 1975, and no later than December 1 every two years thereafter, for the school year commencing the following July 1, the superintendent of public instruction shall report to the school budget review committee the average costs of providing instruction for children requiring special education in the categories of the weighting plan established under this section, and the state board of public instruction shall make recommendations to the school budget review committee for needed alterations to make the weighting plan suitable for subsequent school years. The school budget review committee shall establish the weighting plan for each school year after the school year commencing July 1, 1975, and shall report the plan to the superintendent of public instruction. The school budget review committee shall not alter the weighting assigned to pupils in a regular curriculum, but it may increase or decrease the weighting assigned to each category of children requiring special education by not more than two-tenths of the weighting assigned to pupils in a regular curriculum. The state board of public instruction shall promulgate rules under chapter 17A, to implement the weighting plan for each year and to assist in identification and proper indexing of each child in the state who requires special education.

5. The division of special education shall audit the reports required in section 273.5 to determine that all children in the area who have been identified as requiring special education have received the appropriate special education instructional and support services, and to verify the proper identification of pupils in the area who will require special education instructional services during the school year in which the report is filed. The division shall certify to the state controller the correct total enrollment of each school district in the state, determined by applying the appropriate pupil weighting index to each child requiring special education, as certified by the directors of special education in each area.

6. The division may conduct an evaluation of the special education instructional program or special education support services being provided by an area education agency, school district, or private agency, pursuant to sections 273.1 to 273.9 and this chapter, to determine if the program or service is adequate and proper to meet the needs of the child; if the child is benefiting from the program or service; if the costs are in proportion to the educational benefits being received; and if there are any improvements that can be made in the program or service. A written report of the evaluation shall be sent to the area education agency, school district, or private agency evaluated and to the president of the senate and speaker of the house of representatives of the general assembly.

7. Commencing with the school year beginning July 1, 1976, costs of special education instructional programs include the costs of purchase of transportation equipment to meet the special needs of children requiring special education and for each school year subsequent to the school year beginning July 1, 1977 the inclusion of such costs shall be subject to the approval of the state board of public instruction. Unencumbered funds generated for special education instructional programs for the school year beginning July 1, 1975 and for the school year beginning July 1, 1976 shall not be expended for such purposes unless approved by the department based upon applications received by the department prior to January 1, 1978 and approved prior to April 1, 1978.

Commencing with the school year beginning July 1, 1976, a school district may expend an amount not to exceed two-sevenths of an amount equal to the district cost of a school district for the costs of regular classroom instruction of a child certified under the special education weighting plan in subsection 1, paragraph "b", as a handicapped pupil who is enrolled in a special class, but who receives part of his or her instruction in a regular classroom. Unencumbered funds generated for special education instructional programs for the school year beginning July 1, 1975 and for the school year beginning July 1, 1976 shall not be expended for such purpose.

Commencing with the school year beginning July 1, 1975, funds generated for special education instructional programs under this chapter and chapter 442 shall not be expended for modifications of school buildings to make them accessible to children requiring special education. Unencumbered funds generated for special education instructional programs for the school years beginning July 1, 1975 and July 1, 1976, shall not be expended for such purpose unless approved by the department of public instruction based upon applications received by the department prior to January 1, 1978 and approved prior to April 1, 1978.
§282.10 Repealed by 65GA, ch 1172, §133.

281.11 Program plans. Program plans submitted to the department of public instruction pursuant to section 273.5 for approval by the state board of public instruction shall establish all of the following:
1. That there are sufficient children requiring special education within the area.
2. That the service or program will be provided by the most appropriate educational agency.
3. That the educational agency providing the service or program has employed qualified special educational personnel.
4. That the instruction is a natural and normal progression of a planned course of instruction.
5. That all revenue raised for support of special education instruction and services is expended for actual delivery of special education instruction or services.
6. Other factors as the state board may require.

The board of education may, in a hardship case, exempt a student from payment of the above fees. Every person, however, who shall attend any school after graduation from a four-year course in an approved high school or its equivalent shall be charged a sufficient tuition fee to cover the cost of the instruction received by such person.

This section shall not apply to tuition authorized by chapter 280A. [C73,§1724, 1727; C97,§2773; S13,§2773; C24, 27, 31, 35, 39,§4273; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79,§282.6]

282.8 Attending school outside state. The board of directors of school districts located near the state boundaries may designate a school or schools of equivalent standing across the state line for attendance of both elementary and high school pupils when the public school in the adjoining state is nearer than any appropriate public school in his district of residence or in Iowa, as provided in section 282.17. Arrangements shall be subject to reciprocal agreements made between the state superintendent of public instruction of the respective states subject to statutory limitations as to tuition and transportation. A person attending school in another state shall continue to be treated as a pupil of the district of his residence in the apportionment of the current school fund and the payment of state aid. school in the state of Iowa, but no board shall pay tuition to a high school outside the state for pupils whose actual residence is nearer to an approved high school in Iowa when measured by the nearest traveled public road. [SS15, §2733-1a; C24, 27, 31, 35, 39, §4275; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §282.17]

The superintendent of public instruction is hereby empowered to require such reports, from such institution and from the high school such pupils attend, as are necessary properly to carry out the provisions of this section. [C39, §4275.1; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §282.18]

282.20 Tuition fees—payment. The school corporation in which the student resides shall pay from the general fund to the secretary of the corporation in which he is permitted to enroll, the maximum tuition fee as prescribed in section 282.22.

It shall be unlawful for any school district to rebate to any pupils or their parents, directly or indirectly, any portion of the tuition collected or to be collected or to authorize or permit such pupils to receive at the expense of the district, directly or indirectly, any special compensation, benefit, privilege, or other thing of value that is not and cannot legally be made available to all other pupils enrolled in its schools. Any superintendent or board members responsible for such unlawful act shall each be personally liable to a fine of not to exceed one hundred dollars. Action to recover such penalty or action to enjoin such unlawful act may be instituted by the board of any school district or by a taxpayer in any school district.

On or before February 15 and June 15 of each year the secretary of the creditor district shall deliver to the secretary of the debtor district an itemized statement of such tuition fees. [SS15, §2733-1a; C24, 27, 31, 35, 39, §4277; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §282.20]

If payment is not made, the board of the creditor corporation shall file with the auditor of the county of the pupil's residence a statement certified by its president specifying the amount due for tuition, and the time for which the same is claimed. The auditor shall transmit to the county treasurer an order directing him to transfer the amount of such account from the funds of the debtor corporation to the creditor corporation, and he shall pay the same accordingly. [SS15, §2733-1a; C24, 27, 31, 35, 39, §4278; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §282.21]

Referred to in §275.26

282.22 Tuition in charitable institutions. When any child is cared for in any charitable institution in this state which does not maintain a school providing secular instruction, and which institution is organized and operating under the laws of Iowa, and the domicile of the child is in another school district than that wherein the institution is situated, then such child shall be entitled to attend a school in the district where such institution is located. In such case the cost of the tuition and transportation, when required by law, shall be paid by the treasurer of the state as provided in section 282.22. [C24, 27, 31, 35, 39, §4283; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §282.22]

282.23 Tuition when in boarding home. When any child of school age who does not require special education has become a public charge and is being cared for in a children's boarding home licensed by the state, and the residence of such child at the time it became a public charge was in another school district than the one in which the boarding home is located, then the child shall be entitled to attend public school in the school district in which the boarding home is located, or if such district does not maintain a school offering instruction in the grade in which the child is properly classified, then the child may attend upon such instruction in any approved public school in the state that will receive it. The tuition and transportation when required of such a child, at the rates established by law, shall be paid by the treasurer of state from any funds in the state treasury not otherwise appropriated, and upon warrants drawn by the state comptroller upon the requisition of the superintendent of public instruction. If such child was in the district at the time the regular biennial school census was taken, the semiannual apportionments shall be deducted from the tuition due the district under the provisions of this section. The superintendent of public instruction is hereby empowered to require such reports as are necessary properly to carry out the provisions of this section. [C39, §4283.01; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, §282.23]

Referred to in §282.22

282.24 Tuition fees established. There is established a maximum tuition fee to be charged for students, elementary or high school, residing within another school district or corporation. That fee is the district cost per pupil of the receiving district as computed in section 442.9, subsection 1, paragraph "a".

Any school corporation which owns facilities used as attendance centers for students shall maintain an itemized statement of the appraised value of all buildings owned by the school corporation. Beginning July 1, 1976, the appraisal shall be updated at least one time every five years.

The superintendent of public instruction shall, after July 1 but before September 1 of each year, notify every school in the state, affected by this section, what the computed maximum tuition rate shall be for the ensuing year.
Nothing in this section shall prevent the corporation or district in which the student resides from paying a tuition in excess of the maximum computed tuition rates, if the actual per pupil cost of the preceding year so warrants, but in no case may the receiving district or corporation demand more than the maximum rate. [C35, §4233-e; C39, §4233.3; C46, §279.18; C50, 54, 58, 62, 66, 71, 73, 75, §279.18, 282.24; C77, 79, §282.24; 68GA, ch 1087, §1] Referred to in §282.1, 282.20

282.25 Children in state institutions. When any child is cared for in any state supported institution in this state which does not maintain a school and the residence of the child is in another school district than that wherein the institution is situated, then such child shall be entitled to attend school in the district where such institution is located, provided, however, the board of the district has the authority to determine if such child can be benefited from such attendance. In such case, except if the child requires special education, the cost of tuition and transportation, at the rates established by law, shall be paid by the treasurer of the state from any funds in the state treasury not otherwise appropriated and upon warrants drawn by the state comptroller upon requisition of the superintendent of public instruction. [C66, 71, 73, 75, 77, 79, §282.25]

282.26 High school students attending advanced courses. The board of any junior college school district may, by mutual agreement with any college or university, permit any specially qualified high school student to attend advanced courses of academic instruction therein.

The state board of regents and the department of public instruction may by rule permit such students to attend any institution of higher learning under their jurisdiction. Credit earned in any such course at a junior college, college or university may be applied toward credit for high school graduation. No public school funds shall be expended for payment of tuition or other costs for such attendance at any college or university, unless such payment is expressly permitted or required by law.

The foregoing provisions shall also apply to junior colleges, colleges and universities in adjacent states when such institutions are located nearer to the homes or schools of the school district than the closest senior college, college or university within the state. [C66, 71, 73, 75, 77, 79, §282.26]

282.27 Payment for certain children. When a child requiring special education is living in a state-supported institution, charitable institution, or licensed boarding home as defined in this chapter which does not maintain a school and the residence of the child is in another school district other than the school district in which the state-supported institution, charitable institution, or licensed boarding home is located, the child is eligible for special education programs and services provided for children requiring special education who are residents of the school district in which the institution or boarding home is located. The special education instructional costs shall be computed by means of weighted enrollment for that child under the provisions of chapters 273, 281, and 442 as if that child were a resident of the school district in which the institution or boarding home is located but the child shall be included in the enrollment count in the district of residence in the manner provided in sections 281.9 and 442.4. The costs as computed shall be paid by the district of residence. No child requiring special education shall be denied special education programs and services because of a dispute over determination of residence of that child. If there is a dispute over the residence of the child, the state board of public instruction shall determine the residence of the child. However, if the special education instructional costs incurred on behalf of the child exceed the amount which would be allowed if the child were provided the programs and services in the district of residence, the treasurer of the school district of residence shall make payment at the maximum amount allowed in that district for a child requiring special education who is similarly handicapped. If the child requiring special education is not counted in the weighted enrollment of any district under section 281.9, and payment is not made by any district, the district in which the institution or boarding home is located may certify the special education instructional costs to the superintendent of public instruction not later than September 1 of each year for the preceding fiscal year. The state board of public instruction shall review the costs and submit a requisition to the state comptroller. The amount due shall be paid by the treasurer of state to the district in which the institution or licensed boarding home is located from any funds in the general fund of the state not otherwise appropriated upon warrants drawn and signed by the state comptroller. For the purposes of this section, the term "district of residence of the child" means the residence of the parent or legal guardian, or the location of the district court if the district court is the legal guardian, of the child. CHAPTER 284
INTERSTATE AGREEMENT ON QUALIFICATION OF EDUCATIONAL PERSONNEL

284.1 Interstate agreement. The interstate agreement on qualification of educational personnel is hereby enacted into law and entered into with all jurisdictions legally joining therein, in the form substantially as follows:

ARTICLE I—PURPOSE, FINDINGS, AND POLICY

1. The states party to this agreement, desiring by common action to improve their respective school systems by utilizing the teacher or other professional educational person wherever educated, declare that it is the policy of each of them, on the basis of cooperation with one another, to take advantage of the preparation and experience of such persons wherever gained, thereby serving the best interest of society, of education, and of the teaching profession. It is the purpose of this agreement to provide for the development and execution of such programs of co-operation as will facilitate the movement of teachers and other professional educational personnel among the states party to it, and to authorize specific interstate educational personnel contracts to achieve that end.

2. The party states find that included in the large movement of population among all sections of the nation are many qualified educational personnel who move for family and other personal reasons but who are hindered in using their professional skill and experience in their new locations. Variations from state to state in requirements for qualifying educational personnel discourage such personnel from taking the steps necessary to qualify in other states. As a consequence, a significant number of professionally prepared and experienced educators is lost to our school systems. Facilitating the employment of qualified educational personnel, without reference to their states of origin, can increase the available educational resources. Participation in this agreement can increase the availability of educational manpower.

ARTICLE II—DEFINITIONS

As used in this agreement and contracts made pursuant to it, unless the context clearly requires otherwise:

1. "Educational personnel" means persons who must meet requirements pursuant to state law as a condition of employment in educational programs.

2. "Designated state official" means the education official of a state selected by that state to negotiate and enter into, on behalf of his state, contracts pursuant to this agreement.

3. "Accept", or any variant thereof, means to recognize and give effect to one or more determinations of another state relating to the qualifications of educational personnel in lieu of making or requiring a like determination that would otherwise be required by or pursuant to the laws of a receiving state.
§284.1, INTERSTATE AGREEMENT ON QUALIFICATION OF EDUCATIONAL PERSONNEL

4. "State" means a state, territory, or possession of the United States; the District of Columbia; or the Commonwealth of Puerto Rico.

5. "Originating state" means a state (and the subdivision thereof, if any) whose determination that certain educational personnel are qualified to be employed for specific duties in schools is acceptable in accordance with the terms of a contract made pursuant to article III of this agreement.

6. "Receiving state" means a state (and the subdivisions thereof) which accepts educational personnel in accordance with the terms of a contract made pursuant to article III of this agreement.

ARTICLE III—INTERSTATE EDUCATIONAL PERSONNEL CONTRACTS

1. The designated state official of a party state may make one or more contracts on behalf of his state with one or more other party states providing for the acceptance of educational personnel. Any such contract for the period of its duration shall be applicable to and binding on the states whose designated state officials enter into it, and the subdivisions of those states, with the same force and effect as if incorporated in this agreement. A designated state official may enter into a contract pursuant to this article only with states in which he finds that there are programs of education, certification standards or other acceptable qualifications that assure preparation or qualification of educational personnel on a basis sufficiently comparable, even though not identical to that prevailing in his own state.

2. Any such contract shall provide for:
   a. Its duration.
   b. The criteria to be applied by an originating state in qualifying educational personnel for acceptance by a receiving state.
   c. Such waivers, substitutions, and conditional acceptances as shall aid the practical effectuation of the contract without sacrifice of basic educational standards.
   d. Any other necessary matters.

3. No contract made pursuant to this agreement shall be for a term longer than five years but any such contract may be renewed for like or lesser periods.

4. Any contract dealing with acceptance of educational personnel on the basis of their having completed an educational program shall specify the earliest date or dates on which originating state approval of the program or programs involved can have occurred. No contract made pursuant to this agreement shall require acceptance by a receiving state of any persons qualified because of successful completion of a program prior to January 1, 1954.

5. The certification or other acceptance of a person who has been accepted pursuant to the terms of a contract shall not be revoked or otherwise impaired because the contract has expired or been terminated. However, any certificate or other qualifying document may be revoked or suspended on any ground which would be sufficient for revocation or suspension of a certificate or other qualifying document initially granted or approved in the receiving state.

6. A contract committee composed of the designated state officials of the contracting states or their representatives shall keep the contract under continuous review, study means of improving its administration, and report no less frequently than once a year to the heads of the appropriate education agencies of the contracting states.

ARTICLE IV—APPROVED AND ACCEPTED PROGRAMS

1. Nothing in this agreement shall be construed to repeal or otherwise modify any law or regulation of a party state relating to the approval of programs of educational preparation having effect solely on the qualification of educational personnel within that state.

2. To the extent that contracts made pursuant to this agreement deal with the educational requirements for the proper qualification of educational personnel, acceptance of a program of educational preparation shall be in accordance with such procedures and requirements as may be provided in applicable contract.

ARTICLE V—INTERSTATE CO-OPERATION

The party states agree that:

1. They will, so far as practicable, prefer the making of multilateral contracts pursuant to article III of this agreement.

2. They will facilitate and strengthen cooperation in interstate certification and other elements of educational personnel qualification and for this purpose shall co-operate with agencies, organizations, and associations interested in certification and other elements of educational personnel qualification.

ARTICLE VI—AGREEMENT EVALUATION

The designated state officials of any party states may meet from time to time as a group to evaluate programs under the agreement, and to formulate recommendations for changes.

ARTICLE VII—OTHER ARRANGEMENTS

Nothing in this agreement shall be construed to prevent or inhibit other arrangements or practices of any party state or states to facilitate the interchange of educational personnel.

ARTICLE VIII—EFFECT AND WITHDRAWAL

1. This agreement shall become effective when enacted into law by two states. Thereafter it shall become effective as to any state upon its enactment of this agreement.

2. Any party state may withdraw from this agreement by enacting a statute repealing the same, but no such withdrawal shall take effect until one year after the governor of the withdrawing state has given notice in writing of the withdrawal to the governors of all other party states.

3. No withdrawal shall relieve the withdrawing state of any obligation imposed upon it by a contract
to which it is a party. The duration of contracts and the methods and conditions of withdrawal therefrom shall be those specified in their terms.

ARTICLE IX—CONSTRUCTION AND SEVERABILITY

This agreement shall be liberally construed so as to effectuate the purposes thereof. The provisions of this agreement shall be severable and if any phrase, clause, sentence, or provision of this agreement is declared to be contrary to the constitution of any state or of the United States, or the application thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this agreement and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this agreement shall be held contrary to the constitution of any state participating therein, the agreement shall remain in full force and effect as to the state affected as to all severable matters. \[C75, 77, 79,§284.1\]

284.2 Designated state official. The designated state official for this state, within the meaning of article II, paragraph 2, of the interstate agreement on qualification of educational personnel as set forth in section 284.1, shall be the superintendent of public instruction. He shall enter into contracts pursuant to article III of the agreement only with the approval of the specific text thereof by the state board of public instruction. [C75, 77, 79,§284.2]

284.3 Contracts on file. True copies of all contracts made on behalf of this state pursuant to the interstate agreement on qualification of educational personnel shall be kept on file in the department of public instruction and in the office of the secretary of state. The department of public instruction shall publish all such contracts in convenient form. [C75, 77, 79,§284.3]

CHAPTER 285
STATE AID FOR TRANSPORTATION

285.1 When entitled to state aid.
1. The board of directors in every school district shall provide transportation, either directly or by reimbursement for transportation, for all resident pupils attending public school, kindergarten through twelfth grade, except that:
   a. Elementary pupils shall be entitled to transportation only if they live more than two miles from the school designated for attendance.
   b. High school pupils shall be entitled to transportation only if they live more than three miles from the school designated for attendance.

For the purposes of this subsection, high school means a school which commences with either grade nine or grade ten, as determined by the board of directors of the school district or by the governing authority of the nonpublic school in the case of nonpublic schools.

Boards in their discretion may provide transportation for some or all resident pupils attending public school or pupils who are not entitled to transportation. Boards in their discretion may collect from the parent or guardian of the pupil not more than the pro rata cost for such optional transportation, determined as provided in subsection 12.

To the extent that this section as amended requires transportation which was not required before August 15, 1973, the board of directors shall not be required to provide such transportation before July 1, 1978.

2. Any pupil may be required to meet a school bus on the approved route a distance of not to exceed three-fourths of a mile without reimbursement.

3. In a district where transportation by school bus is impracticable or where school bus service is not available, the board may require parents or guardians to furnish transportation for their children to the schools designated for attendance. The parent or guardian shall be reimbursed for such transportation service for public and nonpublic school pupils by the board of the resident district in an amount equal to eighty dollars plus the following percent of the difference between eighty dollars and the previous school year's statewide average per pupil transportation cost, as determined by the department of public instruction:
   a. For the school year commencing July 1, 1980, twenty-five percent.
§285.1, STATE AID FOR TRANSPORTATION

b. For the school year commencing July 1, 1981, fifty percent.
c. For the school year commencing July 1, 1982 and each school year thereafter, seventy-five percent.

However, a parent or guardian shall not receive reimbursement for furnishing transportation for more than two family members who attend high school.

4. In all districts where unsatisfactory roads or other conditions make it advisable, the board at its discretion may require the parents or guardians of public and nonpublic school pupils to furnish transportation for their children up to two miles to connect with vehicles of transportation. The parents or guardians shall be reimbursed for such transportation by the boards of the resident districts at the rate of twenty-eight cents per mile per day, one way, per family for the distance from the pupil's residence to the bus route.

5. Where transportation by school bus is impracticable or not available or other existing conditions warrant it, arrangements may be made for use of common carriers according to uniform standards established by the superintendent of public instruction and at a cost based upon the actual cost of service and approved by the board.

6. When the school designated for attendance of pupils is engaged in the transportation of pupils, the sending or designating school shall use these facilities and pay the pro rata cost of transportation except that a district sending pupils to another school may make other arrangements when it can be shown that such arrangements will be more efficient and economical than to use facilities of the receiving school, providing such arrangements are approved by the board of the area education agency.

7. If a local board closes either elementary or high school facilities and is approved by the board of the area education agency to operate its own transportation equipment, the full cost of transportation shall be paid by the board for all pupils living beyond the statutory walking distance from the school designated for attendance.

8. Transportation service may be suspended upon any day or days, due to inclemency of the weather, conditions of roads, or the existence of other conditions, by the board of the school district operating the buses, when in their judgment it is deemed advisable and when the school or schools are closed to all children.

9. Distance to school or to a bus route shall in all cases be measured on the public highway only and over the most passable and safest route as determined by the area education agency board, starting in the roadway opposite the private entrance to the residence of the pupil and ending in the roadway opposite the entrance to the school grounds or designated point on bus route.

10. The board in any district providing transportation for nonresident pupils shall collect the pro rata cost of transportation from the district of pupil's residence for all properly designated pupils so transported.

11. Boards in districts operating buses may transport nonresident pupils who attend public school, kindergarten through junior college, who are not entitled to free transportation provided they collect the pro rata cost of transportation from the parents.

12. The pro rata cost of transportation shall be based upon the actual cost for all the children transported in all school buses. It shall include one-seventh of the original net cost of the bus and such other items as shall be determined and approved by the superintendent of public instruction but no part of the capital outlay cost for school buses and transportation equipment for which the school district is reimbursed from state funds or that portion of the cost of the operation of any school bus used in transporting pupils to and from extra-curricular activities shall be included in determining said pro rata cost. In any district where because of unusual conditions, the cost of transportation is in excess of the actual operating cost of the bus route used to furnish transportation to nonresident pupils, the board of the local district may charge a cost equal to the cost of other schools supplying such service to that area, upon receiving approval of the state director of school transportation.

13. When a local board fails to pay transportation costs due to another school for transportation service rendered, the board of the creditor corporation shall file a sworn statement with the area education agency board specifying the amount due. The agency board shall check such claim and if the claim is valid shall certify to the county auditor. The auditor shall transmit to the county treasurer an order directing him to transfer the amount of such claim from the funds of the debtor corporation to the creditor corporation and the treasurer shall pay the same accordingly.

14. Resident pupils attending a nonpublic school located either within or without the school district of the pupil's residence shall be entitled to transportation on the same basis as provided for resident public school pupils under this section. The public school district providing transportation to a nonpublic school pupil shall determine the days on which bus service is provided, which shall be based upon the days for which bus service is provided to public school pupils, and the public school district shall maintain schedules and routes. In the case of nonpublic school pupils the term "school designated for attendance" means the nonpublic school which is designated for attendance by the parents of the nonpublic school pupil.

15. If the nonpublic school designated for attendance is located within the public school district in which the pupil is a resident, the pupil shall be transported to the nonpublic school designated for attendance as provided in this section.

16. a. If the nonpublic school designated for attendance of a pupil is located outside the boundary line of the school district of the pupil's residence, the pupil may be transported by the district of residence to a public school or other location within the district of the pupil's residence. A public school district in which a nonpublic school is located may establish school bus collection locations within its district from which nonresident nonpublic school pupils may be transported to and from a nonpublic school located in the district. If a pupil receives such transportation,
the district of the pupil's residence shall be relieved of any requirement to provide transportation.

b. As an alternative to paragraph "a" of this subsection, subject to section 285.9, subsection 3, where practicable, and at the option of the public school district in which a nonpublic school pupil resides, the school district may transport a nonpublic school pupil to a nonpublic school located outside the boundary lines of the public school district if the nonpublic school is located in a school district contiguous to the school district which is transporting the nonpublic school pupils, or may contract with the contiguous public school district in which a nonpublic school is located for the contiguous school district to transport the nonpublic school pupils to the nonpublic school of attendance within the boundary lines of the contiguous school district.

c. If the nonpublic school designated for attendance of a pupil is located outside the boundary line of the school district of the pupil's residence and the district of residence meets the requirements of subsections 14 to 16 of this section by using subsection 17, paragraph "c", of this section and the district in which the nonpublic school is located is contiguous to the district of the pupil's residence and is willing to provide transportation under subsection 17, paragraph "a" or "b", of this section, the district in which the nonpublic school is located may provide transportation services, subject to section 285.9, subsection 3, and may make the claim for reimbursement under section 285.2. The district in which the nonpublic school is located shall notify the district of the pupil's residence that it is making the claim for reimbursement, and the district of the pupil's residence shall be relieved of the requirement for providing transportation and shall not make a claim for reimbursement for those nonpublic school pupils for which a claim is filed by the district in which the nonpublic school is located.

17. The public school district may meet the requirements of subsections 14 to 16 by any of the following:

a. Transportation in a school bus operated by a public school district.

b. Contracting with private parties as provided in section 285.5. However, contracts shall not provide payment in excess of the average per pupil transportation costs of the school district for that year.

c. Utilizing the transportation reimbursement provision of subsection 3.

d. Contracting with a contiguous public school district to transport resident nonpublic school pupils the entire distance from the nonpublic pupil's residence to the nonpublic school located in the contiguous public school district or from the boundary line of the public school district to the nonpublic school.

18. The state superintendent of public instruction may review all transportation arrangements to see that they meet all legal and established uniform standard requirements.

19. Transportation authorized by this chapter is exempt from all laws of this state regulating common carriers.

20. Transportation for which the pro rata cost or other charge is collected shall not be provided outside the state of Iowa except in accordance with rules adopted by the state department of public instruction in accordance with chapter 17A. The rules shall take into account any applicable federal requirements.

21. Boards in districts operating buses may in their discretion transport senior citizens, children, handicapped and other persons and groups, who are not otherwise entitled to free transportation, and shall collect the pro rata cost of transportation. Transportation under this subsection shall not be provided when the school bus is being used to transport pupils to or from school unless the board determines that such transportation is desireable and will not interfere with or delay the transportation of pupils.

§285.2 Payment of claims for nonpublic school pupil transportation. Boards of directors of school districts shall be required to provide transportation services to nonpublic school pupils as provided in section 285.1 when the general assembly appropriates funds to the department of public instruction for the payment of claims for transportation costs submitted by the school district.

There is appropriated from the general fund of the state to the department of public instruction funds sufficient to pay the approved claims of public school districts for transportation services to nonpublic school pupils as provided in this section.

The costs of providing transportation to nonpublic school pupils as provided in section 285.1 shall not be included in the computation of district cost under chapter 442, but shall be shown in the budget as an expense from miscellaneous income. Any transportation reimbursements received by a local school district for transporting nonpublic school pupils shall not affect district cost limitations of chapter 442. The reimbursements provided in this section are miscellaneous income as defined in section 442.5.

Claims for reimbursement shall be made to the department of public instruction by the public school district providing transportation or transportation reimbursement during a school year on a form prescribed by the department, and the claim shall state the services provided and the actual costs incurred. A claim shall not exceed the average transportation costs of the district per pupil transported. Claims shall be accompanied by an affidavit of an officer of the public school district affirming the accuracy of the claim. By February 1 and by July 15 of each year the department shall certify to the state comptroller the amounts of approved claims to be paid, and the state comptroller shall draw warrants payable to the department for transporting nonpublic school pupils as provided in section 285.1.

Claims for reimbursement shall be made to the state department of public instruction by the public school district providing transportation or transportation reimbursement during a school year on a form prescribed by the department, and the claim shall state the services provided and the actual costs incurred. A claim shall not exceed the average transportation costs of the district per pupil transported. Claims shall be accompanied by an affidavit of an officer of the public school district affirming the accuracy of the claim. By February 1 and by July 15 of each year the department shall certify to the state comptroller the amounts of approved claims to be paid, and the state comptroller shall draw warrants payable to the school districts which have established claims. Claims shall be allowed where practicable, and at the option of the public school district of the pupil's residence, subject to approval by the area education agency of the pupil's residence, under the provisions of section 285.9, subsection 3, the public school district of the pupil's residence may transport any pupil to a school.
§285.2, STATE AID FOR TRANSPORTATION

located in a contiguous public school district outside the boundary lines of the public school district of the pupil’s residence. The public school district of the pupil’s residence may contract with the contiguous public school district or with a private contractor under the provisions of section 285.5 to transport the pupils to the school of attendance within the boundary lines of the contiguous public school district. The public school district in which the pupil resides may contract with the contiguous public school district or with a private contractor under the provisions of section 285.5 to transport the pupil from the pupil’s residence or from designated school bus collection locations to the school located within the boundary lines of the contiguous public school district, subject to the approval of the area education agency of the pupil’s residence. 285.4 Pupils sent to another district. When a board closes its elementary school facilities for lack of pupils or by action of the board, it shall, if there is a school bus service available in the area, designate for attendance the school operating the buses, provided the board of such school is willing to receive them and the facilities and curricular offerings are adequate. The board of the district where the pupils reside may with the approval of the area education agency board, subject to legal limitations and established uniform standards, designate another rural school and provide their own transportation if the transportation costs will be less than to use the established bus service.

All designations must be submitted to the area education agency board on or before July 15, for review and approval. The agency board shall after due investigation alter or change designations to make them conform to legal requirements and established uniform standards for making designations and for locating and establishing bus routes. After designations are made, they will remain the same from year to year except that on or before July 15 of each year, the rural board or parents may petition the agency board for a change of designation to another school. Appeals from the decision of the agency board on designations may be made by either the parents or board to the state superintendent of public instruction as provided in section 285.12 and section 285.13. [C35, §4274-1, -3, -6; C39, §4274.03, 4274.05, 4274.06, 4274.08; C46, §285.10, 282.12, 282.13, 282.15, 285.4; C50, 54, 58, 62, 66, 71, 73, 75, 77, §285.4]

285.5 Contracts for transportation.

1. Contracts for school bus service with private parties shall be in writing and be for the transportation of children who attend public school and children who attend nonpublic school. Such contracts shall define the route, the length of time, service contracted for, the compensation, the vehicle to be used. The contract shall prescribe the duties of the contractor and driver of the vehicles and shall provide that every person in charge of a vehicle conveying children to and from school shall be at all times subject to any rules said board shall adopt for the protection of the children, or to govern the conduct of the persons in charge of said conveyance. Contracts may be made for a period not to exceed three years.

The contract shall provide that the contractor will sell the equipment to the board should he desire to terminate the contract, provided the board should desire to purchase said equipment, the price of the equipment to be determined by an appraisal board composed of one person appointed by the school board, one appointed by the owner of the equipment, and a third selected by these two.

2. The contractor shall operate the vehicle himself or provide a driver who must be approved by the board. The contractor and driver shall be subject to all laws and prescribed standards for school bus drivers. Failure to comply shall constitute grounds for dismissal of the driver or cancellation of the contract if the board so desires.

3. All vehicles of transportation provided by contractor shall be inspected, approved and certified before being put into operation.

4. All contracts may be terminated by either party on a ninety-day notice.

5. The state superintendent of public instruction shall prepare a uniform contract containing provisions not in conflict with this chapter which shall be used by all schools in contracting for transportation service.
