1. A security interest in a vehicle subject to registration under the laws of this state or a mobile home, except trailers whose empty weight is two thousand pounds or less, and except new or used vehicles held by a dealer or manufacturer as inventory for sale, is perfected by the delivery to the county treasurer of the county where the certificate of title was issued or, in the case of a new certificate, to the county treasurer where the certificate will be issued of an application for certificate of title which lists the security interest, or an application for notation of security interest signed by the owner, or by one owner of a vehicle owned jointly by more than one person, or a certificate of title from another jurisdiction which shows the security interest, and a fee of five dollars for each security interest shown. If the owner or secured party is in possession of the certificate of title, it must also be delivered at this time in order to perfect the security interest. If a vehicle is subject to a security interest when brought into this state, the validity of the security interest and the date of perfection is determined by section 554.9103. Delivery as provided in this subsection is an indication of a security interest on a certificate of title for purposes of chapter 554.

2. Upon receipt of the application and the required fee, the county treasurer shall notify the holder of the certificate of title to deliver to the county treasurer, within five days from the receipt of notice, the certificate of title to permit notation of the security interest. If the holder of the certificate of title shall fail to deliver it within the said five days, the holder shall be liable to anyone harmed by the holder's failure.

3. Upon receipt of the application, the certificate of title, if any, and the required fee, the county treasurer shall note such security interest, and the date thereof on the certificate over the signature of such officer or deputy and the seal of office. The county treasurer shall immediately note the cancellation of the security interest on the face of the certificate of title and in the county records system. The county treasurer shall on the same day deliver the certificate of title to the then first secured party or, if there is no such person, to the person as directed by the owner, in writing, on a form prescribed by the department or, if there is no person designated, then to the owner. If no security interest has been filed for notation on the certificate of title, the certificate shall be mailed by the treasurer to the owner of the vehicle. For purposes of determining the commencement date of the thirty-day period provided by this subsection, it shall be presumed that the purported security interest holder received the certificate of title on the date of the creation of the holder's purported security interest in the vehicle or the date of the issuance of the certificate of title, whichever is the latter. Any person collecting a fee from the owner of the vehicle for the purpose of perfecting a security interest in such vehicle who does not cause such security interest to be noted on the certificate of title by the county treasurer shall remit such fee to the department of revenue and finance of this state.

7. Upon request of any person, the county treasurer shall issue a certificate showing whether there are, on the date and hour stated therein, any security interests noted on a particular vehicle's certificate of title, and the name and address of each secured party whose security interest is noted thereon. The uniform fee for a written certificate shall be two dollars if the request for the certificate is on a form conforming to standards prescribed by the secretary of state; otherwise, three dollars. The department shall make a notation on the records of the out-of-state sale, and, after a reasonable period, may destroy the files to that particular vehicle. The department is not authorized to make a refund of license fees on a vehicle sold out of state unless it receives the registration card completed as provided in this section.

2. The purchaser or transferee of a motor vehicle for which a certificate of title is issued which is sold for scrap or junk shall surrender the certificate of title and registration receipt to the county treasurer of the county of residence of the transferee within fifteen days after assignment of the certificate of title. The county treasurer shall issue to such person without fee a junking certificate. A junking certificate shall authorize the holder to possess, transport or transfer by endorsement the ownership of the junked vehicle. A certificate of title shall not again be issued for the vehicle subsequent to the issuance of a junking certificate. The county treasurer shall cancel the record of the vehicle and forward the certificate of title to the department. The junking certificate shall be of a form to allow for the assignment of ownership of the vehicle. The junking certificate shall provide a space for the notation of the transferee of the component parts of the vehicle transferred by the owner of the vehicle.

3. When a vehicle for which a certificate of title is issued is junked or dismantled by the owner, the owner shall detach the registration plates and surrender the plates to the county treasurer, unless the plates are properly assigned to another vehicle. The owner shall also surrender the registration receipt and certificate of title to the county treasurer. Upon surrendering the certificate of title, the county treasurer shall issue to the person, without fee, a junking certificate, which shall authorize the holder to possess, transport or transfer ownership of the junked vehicle by endorsement of the junking certificate. The county treasurer shall hold the surrendered certificate of title, registration receipt and, if applicable, the registration plates for a period of fourteen days following the issuance of a junking certificate under this subsection. Within the fourteen-day period the person who was issued the junking certificate and to whom the vehicle was titled or assigned may surrender to the county treasurer the junking certificate, and upon the person's payment of appropriate fees and taxes and payment of any credit for registration fees received by the person for the vehicle under section 321.46, subsection 3, the county treasurer shall issue to the person a certificate of title for the vehicle. After the expiration of the fourteen-day period, a county treasurer shall not issue a certificate of title for a junked vehicle for which a junking certificate is issued. The county treasurer shall cancel the record of the vehicle and forward the certificate of title to the department.

However, upon application the department upon a showing of good cause may issue a certificate of title after the fourteen-day period for a junked vehicle for which a junking certificate has been issued. For purposes of this subsection, "good cause" means that the junking certificate was obtained by mistake or inadvertence. If a person's application to the department is denied, the person may seek judicial review as provided under sections 17A.19 and 17A.20.

This subsection applies only to vehicles with a fair market value of five hundred dollars or more, based on the value before the vehicle became wrecked or salvage. Upon payment of a fee of two dollars, the county treasurer shall issue a salvage certificate of title which shall bear the word "SALVAGE" stamped on the face of the title in bold letters and coded in a manner prescribed by the department. A salvage certificate of title may be as-

Notwithstanding any other provisions in this section a vehicle on which ownership has transferred to an insurer of the vehicle, as a result of a settlement with the owner of the vehicle arising out of damage to, or unrecovered theft of the vehicle, shall be deemed to be a wrecked or salvage vehicle and the insurer shall comply with this subsection to obtain a salvage certificate of title within fourteen days after the date of assignment of the certificate of title of the vehicle.

When a wrecked or salvage vehicle has been repaired or rebuilt, that person shall make application for a certificate of title to the county treasurer of the county of residence of the owner, and shall surrender the salvage certificate of title issued for the vehicle. A verification of the vehicle identification number of the vehicle shall be made by a peace officer of the state department of transportation, the department of public safety, county sheriff or police department of cities with a population exceeding five thousand persons or a person designated by the director of public safety or the director of transportation. The verification shall be made on forms provided by the department and signed by the peace officer or the appropriately designated person and the verification form shall be surrendered by the owner to the county treasurer at the time application is made for a certificate of title. Upon payment of the appropriate fees and surrender of the appropriate documents the county treasurer shall issue a certificate of title to the person making application.

§321.89 Abandoned vehicles.
1. Definitions. As used in this section and sections 321.90 and 321.91 unless the context otherwise requires:
   a. “Police authority” means the Iowa highway safety patrol or any law enforcement agency of a county or city.
   b. “Abandoned vehicle” means any of the following:
      (1) A vehicle that has been left unattended on public property for more than forty-eight hours and lacks current registration plates or two or more wheels or other parts which renders the vehicle totally inoperable, or
      (2) A vehicle that has remained illegally on public property for more than seventy-two hours, or
      (3) A vehicle that has been unlawfully parked on private property or has been placed on private property without the consent of the owner or person in control of the property for more than twenty-four hours, or
      (4) A vehicle that has been legally impounded by order of a police authority and has not been reclaimed for a period of ten days, or
      (5) Any vehicle parked on the highway determined by a police authority to create a hazard to other vehicle traffic.
   However a vehicle shall not be considered abandoned for a period of fifteen days if its owner or operator is unable to move the vehicle and notifies the police authority responsible for the geographical location of the vehicle and requests assistance in the removal of the vehicle.
   c. “Demolisher” means any city or public agency organized for the disposal of solid waste, or any person whose business it is to convert a vehicle to junk, processed scrap or scrap metal, or otherwise to wreck, or dismantle vehicles.
   2. Authority to take possession of abandoned vehicles. A police authority may, and on the request of any other authority having the duties of control of highways or traffic, shall take into custody any abandoned vehicle on public property and may take into custody any abandoned vehicle on private property. A police authority taking into custody an abandoned vehicle determined to create a traffic hazard shall report the reasons constituting the hazard in writing to the appropriate authority having duties of control of the highway. The police authority may employ its own personnel, equipment and facilities or hire other personnel, equipment and facilities for the purpose of removing, preserving, storing, or disposing abandoned vehicles.
   3. Notification of owner, lienholders, and other claimants.
      a. A police authority which takes into custody an abandoned vehicle shall notify, within twenty days, by certified mail, the last known registered owner of the vehicle, all lienholders of record, and any other known claimant to the vehicle or to personal property found in the vehicle, addressed to their last known addresses of record, that the abandoned vehicle has been taken into custody. Notice shall be deemed given when mailed. The notice shall describe the year, make, model, and serial number of the vehicle, describe the personal property found in the vehicle, set forth the time provided shall be deemed a waiver by the owner to exercise their right to reclaim the vehicle within the twenty-one-day reclaiming period. The notice shall also state that the failure of the owner or lienholders to exercise their right to reclaim the vehicle within the time provided shall be deemed a waiver by the owner and all lienholders of all right, title, claim and interest in the vehicle and that failure to reclaim the vehicle is deemed consent to the sale of the vehicle at a public auction or disposal of the vehicle to a demolisher. The notice shall state that any person claiming rightful possession of the vehicle or personal property who disputes the planned disposition of the vehicle or property by the police authority or of the assessment of fees and charges provided by this section may ask for an evidentiary hearing before the police authority to contest those matters. If the persons receiving the notice do not ask for a hearing or exercise their right to reclaim the vehicle within the twenty-one-day reclaiming period, the owner and lienholders shall no longer have any right, title, claim, or interest in or to the vehicle. No court in any case in law or equity shall recognize any right, title, claim, or interest of the owner and lienholders after the expiration of the twenty-one-day reclaiming period.
      b. If the identity of the last registered owner cannot be determined, or if the registration contains no address for the owner, or if it is impossible to determine with reasonable certainty the identity and ad-
§321.89 340

dresses of all lienholders, notice by one publication in
one newspaper of general circulation in the area where
the vehicle was abandoned shall be sufficient to meet
all requirements of notice under this section. The pub-
lished notice may contain multiple listings of aban-
doned vehicles but shall be published within the same
time requirements and contain the same information
as prescribed for mailed notice in subsection 3, para-
graph "a" of this section.

c The owner or any lienholders may, by written
request delivered to the police authority prior to the
expiration of the twenty-one day reclaiming period,
obtain an additional fourteen days within which the
vehicle may be reclaimed.

4 Auction of abandoned vehicles. If an abandoned
vehicle has not been reclaimed as provided for in sub-
section 3, the police authority shall make a determi-
nation as to whether or not the vehicle shall be sold for
use upon the highways. If the vehicle is not sold for use
upon the highways, it shall be sold for junk, or demol-
ished and sold as scrap. The police authority shall sell
the vehicle at public auction. Notwithstanding any
other provision of this section, any police authority,
which has taken into possession any abandoned vehi-

cle which lacks an engine or two or more wheels or
another part which renders the vehicle totally inopera-
tible may dispose of the vehicle to a demolisher for junk
after complying with the notification procedures
enumerated in subsection 3 and without public auc-
tion. The purchaser of the vehicle takes title free and
clear of all liens and claims of ownership, shall receive
a sales receipt from the police authority, and is entitled
to register the vehicle and receive a certificate of title
if sold for use upon the highways. However, if the
vehicle is sold or disposed of to a demolisher for junk,
the sales receipt by itself is sufficient title only for
purposes of transferring the vehicle to the demolisher
for demolition, wrecking, or dismantling and, when so
transferred, no further titling of the vehicle is permit-
ted. From the proceeds of the sale of an abandoned
vehicle the police authority shall reimburse itself for
the expenses of the auction, the costs of towing, pre-
serving, and storing which resulted from placing the
abandoned vehicle in custody, all notice and publica-
tion costs incurred pursuant to subsection 3, the cost
of inspection, and any other costs incurred except

costs of bookkeeping and other administrative costs.

Any remainder from the proceeds of a sale shall be
held for the owner of the vehicle or entitled lienholder
for ninety days, and shall then be deposited in the road
use tax fund. The costs to police authorities of auction,
towing, preserving, storage, and all notice and publica-
tion costs, and all other costs which result from placing
abandoned vehicles in custody, whenever the proceeds
from a sale of the abandoned vehicles are insufficient
to meet these expenses and costs, shall be paid from
the road use tax fund.

The director of revenue and finance shall establish
by rule a claims procedure to be followed by police
authorities in obtaining expenses and costs from the
fund.

321.90 Disposal of abandoned motor vehicles.

1 Garagekeepers and abandoned motor vehicles

Any motor vehicle left in a garage operated for com-
mercial purposes after the period for which the vehicle
was to remain on the premises shall, after notice by
certified mail to the last known registered owner of the
vehicle addressed to the owner's last known address of
record to reclaim the vehicle within ten days of the
date of the notice, be deemed an abandoned motor
vehicle unless reclaimed by the owner within such ten
day period or the owner notifies the garagekeeper in
writing within such period of time that such vehicle is
not an abandoned motor vehicle and shall be reported
by the garagekeeper to the police authority. If the
identity or address of the last registered owner of the
motor vehicle cannot be determined, the vehicle shall
be deemed an abandoned motor vehicle on the elev-
enth day after the period for which the vehicle was to
remain on the premises unless reclaimed by the owner
within the ten day period or the owner notifies the

garagekeeper in writing within such period of time
that such vehicle is not an abandoned motor vehicle
and shall be reported by the garagekeeper to the police
authority. All abandoned motor vehicles left in garages
may be taken into custody by a police authority upon
the request of the garagekeeper and sold in accord-
cance with the procedures set forth in section 321.89,
subsection 4, unless the motor vehicle is reclaimed. The
proceeds of the sale shall be first applied to the
garagekeeper's charges for towing and storage, and any
surplus proceeds shall be distributed in accordance
with section 321.89, subsection 4. Nothing in this sec-
tion shall be construed to impair any lien of a garage
keeper under the laws of this state, or the right of a
garagekeeper to foreclose the garagekeeper's lien, pro-
vided that a garagekeeper shall be deemed to have
abandoned the garagekeeper's artisan lien when such
vehicle is taken into custody by the police authority.
For the purposes of this section "garagekeeper" means
any operator of a parking place or establishment,
motor vehicle storage facility, or establishment for the
servicing, repair, or maintenance of motor vehicles.

2 Disposal to demolisher

- Any person, firm, corporation, or unit of govern-
ment upon whose property or in whose possession is
found any abandoned motor vehicle, or any person
being the owner of a motor vehicle whose title certifi-
cate is faulty, lost, or destroyed and is thereby unable
to transfer title to the motor vehicle, may apply to
the police authority of the jurisdiction in which the motor
vehicle is situated for authority to sell, give away, or
otherwise dispose of the motor vehicle to a demolisher.

- The application shall set out the name and ad-
dress of the applicant, the year, make, model, and ser-
ial number of the motor vehicle, if ascertainable,
together with any other identifying features, and shall
contain a concise statement of the facts surrounding
the abandonment, or a statement that the title of the
motor vehicle is lost or destroyed, and the reasons for
the defect of title in the owner. The applicant shall
execute an affidavit stating that the facts alleged are
true and that no material fact has been withheld.

- If the police authority finds that the application
is executed in proper form, and shows that the motor
vehicle has been abandoned upon the property of the
applicant, or if it shows that the motor vehicle is not
abandoned but that the applicant appears to be the
rightful owner, the police authority shall follow appro-
§321.93

Private notification procedures as set forth in section 321.89, subsection 3
d If the abandoned motor vehicle is not reclaimed in accordance with section 321.89, subsection 3, or no lienholder objects to the disposal in the case of an owner applicant, the police authority shall give the applicant a certificate of authority to dispose of the motor vehicle to any demolisher for demolition, wrecking, or dismantling. The demolisher shall accept such certificate in lieu of the certificate of title to the motor vehicle.
e Notwithstanding any other provisions of this section and sections 321.89 and 321.91, any person, firm, corporation, or unit of government upon whose property or in whose possession is found any abandoned motor vehicle, or any person being the owner of a motor vehicle whose title certificate is faulty, lost, or destroyed, may dispose of such motor vehicle to a demolisher for junk without a title and without the notification procedures of section 321.89, subsection 3, if the motor vehicle lacks an engine or two or more wheels or other structural part which renders the vehicle totally inoperable.
f The owner of an abandoned motor vehicle and all lienholders shall no longer have any right, title, claim, or interest in or to such motor vehicle, and no court in any case in law or equity shall recognize any right, title, claim, or interest of any such owner and lienholders after the disposal of such motor vehicle to a demolisher.
g Any proceeds from the sale of an abandoned motor vehicle to a demolisher under this section, by one other than the owner of the vehicle, shall first be applied to that person’s expenses in effecting the sale, including storage, towing, and disposal charges, and any surplus shall be distributed in accordance with section 321.89, subsection 4.
3 Duties of demolishers
a Any demolisher who purchases or otherwise acquires an abandoned motor vehicle for junk under the provisions of this section shall junk, scrap, wreck, dismantle, or demolish such motor vehicle. However, if the vehicle is acquired under the provisions of subsection 2, paragraph “e” the demolisher shall apply to the police authority of the jurisdiction from which the vehicle was acquired for a certificate of authority to demolish the vehicle. In making the application the demolisher shall describe the motor vehicle as required by subsection 2, paragraph “b.” The police authority shall issue the certificate of authority upon complying with subsection 2, paragraph “c” but shall be excused from following the notification procedures as required therein. No further titling of the motor vehicle shall be permitted. After the motor vehicle has been demolished, processed, or changed so that it physically is no longer a motor vehicle, the demolisher shall surrender the auction sales receipt or certificate of authority to dispose of or demolish a motor vehicle to the department for cancellation. The department shall issue such forms and rules governing the surrender of auction sales receipts, certificates of title, and certificates of authority to dispose of or demolish motor vehicles, and the cancellation and surrender of the registrations and certificates of title for such motor vehicles as are appropriate.
b A demolisher shall keep an accurate and complete record of all motor vehicles purchased or received by the demolisher in the course of the demolisher’s business. These records shall contain the name and address of the person from whom each such motor vehicle was purchased or received and the date when such purchases or receipts occurred. Such records shall be open for inspection by any police authority at any time during normal business hours. Any record required by this section shall be kept by the demolisher for at least one year after the transaction to which it applies.

Any violation of this provision is a felony punishable as provided in section 321.483.

This subsection shall not prohibit the restoration of an original vehicle identification number, component part number or other number or mark when such restoration is made by the department, nor prevent any manufacturer from placing in the ordinary course of business numbers or marks upon vehicles or component parts.

321.210 Authority to suspend — point system — temporary restricted license.

The department is hereby authorized to establish rules under the provisions of chapter 17A providing for the suspension of the license of an operator or chauffeur without preliminary hearing upon a showing by its records or other sufficient evidence that under the rules adopted by the department the licensee:
1. Has committed an offense for which mandatory revocation of license is required upon conviction.

Prior to a suspension taking effect under subsection 2, 3, 4, 5 or 7, the licensee shall have received twenty days' advance notice of the effective date of the suspension. Notwithstanding the terms of the Iowa administrative procedure Act, the filing of a petition for judicial review shall operate to stay the suspension pending the determination by the district court.

Credit points shall be subtracted from the total points assessed against the licensee in determining when to suspend a license.

If the department assesses any points against an operator or chauffeur of a motor vehicle under any point system devised by the department for the purpose of suspending operators' or chauffeurs' licenses, the department must notify the licensee by ordinary mail that such points have been assessed and the reason thereof. Such notice shall also contain a reference to all Code sections under which the person's motor vehicle license may be suspended, revoked, canceled or denied. Provided that no license shall be suspended on the basis of any point system devised by the department without notice of proposed suspension to the licensee and a reasonable opportunity for a preliminary hearing before a member of the department who shall have authority in meritorious cases to revoke the suspension.

However, a warning memorandum, summons, conviction or forfeiture of bail not vacated, for a violation of any section of the Code or any municipal ordinance pertaining to the standards to be maintained for motor vehicle equipment, except section 321.430 or 321.431 or any municipal ordinance pertaining to motor vehicle brake requirements, shall not be taken into consideration in determining suspension or the length of suspension of an operator's or chauffeur's license. The department shall not consider or assess points for a parking violation in determining a license suspension under this section and a parking violation is not a moving traffic violation. For purposes of this section, a "parking violation" means a violation of a parking ordinance by local authorities, a violation of section 601E.6, section 321.366, subsection 6, or sections 321.354 through 321.361 except section 321.354, subsection 1.

OPERATION OF MOTORCYCLES AND MOTORIZED BICYCLES

321.275 Operation of motorcycles and motorized bicycles.

1. General. The motor vehicle laws apply to the operators of motorcycles and motorized bicycles to the extent practically applicable.

2. Riders.
   a. Motorized bicycles. A person operating a motorized bicycle on the highways shall not carry any other person on the vehicle.
   b. Motorcycles. A person shall not operate or ride a motorcycle on the highways with another person on the motorcycle unless the motorcycle is designed to carry more than one person. The additional passenger may ride upon the permanent and regular seat of the motorcycle at the rear of the operator. The motorcycle shall be equipped with footrests for the passenger unless the passenger is riding in a sidecar or enclosed cab. The motorcycle operator shall not carry any person nor shall any other person ride in a position that will interfere with the operation or control of the motorcycle or the view of the operator.

3. Sitting position. A person operating a motorcycle or motorized bicycle shall ride only upon the vehicle's permanent and regular seat. Every person riding upon the vehicle shall be sitting astride the seat, facing forward with one leg on either side of the vehicle.

4. Use of traffic lanes. Persons shall not operate motorcycles or motorized bicycles more than two abreast in a single lane. Except for persons operating such vehicles two abreast, a motor vehicle shall not be operated in a manner depriving a motorcycle or motorized bicycle operator of the full use of a lane. A motorcycle or motorized bicycle shall not be operated between lanes of traffic or between adjacent lines or rows of vehicles. The operator of a motorcycle or motorized bicycle shall not overtake and pass in the same lane occupied by the vehicle being overtaken unless the vehicle being overtaken is a motorcycle or motorized bicycle.

5. Headlights on. A person shall not operate a 1977 or later model year motorcycle or any model year motorized bicycle upon the highways without displaying at least one lighted headlamp of the type described in section 321.409. However, this subsection is subject to the exceptions with respect to parked vehicles as provided in this chapter.

6. Packages. The operator of a motorcycle or motorized bicycle shall not carry any package, bundle, or other article which prevents the operator from keeping both hands on the handlebars.

7. Handlebars. A person shall not operate a motorcycle or motorized bicycle with handlebars more than fifteen inches in height above that portion of the seat occupied by the operator.

8. Parades. The provisions of this section do not apply to motorcycles or motorized bicycles when used in a parade authorized by proper permit from local authorities.

SPEED RESTRICTIONS

321.285 Speed restrictions.

Any person driving a motor vehicle on a highway shall drive the same at a careful and prudent speed not greater than nor less than is reasonable and proper, having due regard to the traffic, surface and width of the highway and of any other conditions then existing, and no person shall drive any vehicle upon a highway at a speed greater than will permit the person to bring it to a stop within the assured clear distance ahead, such driver having the right to assume, however, that all persons using said highway will observe the law.

The following shall be the lawful speed except as hereinbefore or hereinafter modified, and any speed in excess thereof shall be unlawful:

1. Twenty miles per hour in any business district.
2. Twenty-five miles per hour in any residential or school district.
3. Forty miles per hour for any motor vehicle drawing another vehicle, except as hereinafter specified.
4. Forty-five miles per hour in any suburban district. Each school district as defined in subsection 59 of section 321.1 shall be marked by distinctive signs as provided by the current manual of uniform traffic control devices adopted by the department and placed on the highway at the limits of such school district.
5. Fifty-five miles per hour from sunset to sunrise, and fifty-five miles per hour from sunrise to sunset.
6. Fifty-five miles per hour for any motor vehicle drawing a one- or two-wheel trailer or a tandem wheel trailer not more than thirty-two feet in length including towing arm and not more than eight feet in width.
7. Reasonable and proper, but not greater than fifty-five miles per hour at any time between sunrise and sunset, and not greater than fifty miles per hour at any time between sunset and sunrise, on secondary roads unless such roads are surfaced with concrete or asphalt or a combination of both, in which case the speed limits shall be the same as provided in subsection 5 of this section. Whenever the board of supervisors of any county shall determine upon the basis of an engineering and traffic investigation conducted by the department when so requested by said board that the speed limit on any secondary road is greater than is reasonable and proper under the conditions found to exist at any intersection or other place or upon any part of a secondary road, said board shall determine and declare a reasonable and proper speed limit thereof. Such speed limits as determined by the board of supervisors shall be effective when appropriate signs giving notice thereof are erected by the board of supervisors at such intersection or other place or part of the highway.
8. Notwithstanding any other speed restrictions, the speed limits for all vehicular traffic, except vehicles subject to the provisions of section 321.286 on fully controlled-access, divided, multilaned highways including the national system of interstate highways designated by the federal highway administration and this state [23 U.S.C. 103 (e) 1977] shall be fifty-five miles per hour. However, the department or the cities, with the approval of the department, may establish a lower speed limit upon such highways located within the corporate limits of any city used as city alternate routes, commonly referred to as "freeways." For the purposes of this subsection a fully controlled-access highway is a highway that gives preference to through traffic by providing access connections with selected public roads only and by prohibiting crossings at grade or direct private driveway connections. It is further provided that a minimum speed of forty miles per hour, road conditions permitting, shall be established on the highways referred to in this subsection.

It is further provided that any kind of vehicle, implement, or conveyance incapable of attaining and maintaining a speed of forty miles per hour shall be prohibited from using the interstate system.

§321.286 Truck speed limits.

It shall be unlawful for the driver of a freight-carrying vehicle, with a gross weight of over five thousand pounds, to drive the same at a speed exceeding the following:

1. Fifty-five miles per hour on all fully controlled-access, divided, multilaned highways including interstate highways.
2. Fifty-five miles per hour on all primary roads.
3. Fifty miles per hour on all secondary roads.

For the purposes of this section, interstate highways are those designated by the federal highway administration and this state, and primary and secondary roads are those designated by the federal highway administration and this state.

§321.287 Bus speed limits.

No passenger-carrying motor vehicle used as a common carrier, except school buses, shall be driven upon the highways at a greater rate of speed than fifty-five miles per hour at any time. No school bus shall be operated in violation of section 321.277.

§321.288 Control of vehicle — reduced speed.
1. A person operating a motor vehicle shall have the vehicle under control at all times.
2. A person operating a motor vehicle shall reduce the speed to a reasonable and proper rate:
   a. When approaching and passing a person walking in the traveled portion of the public highway.
   b. When approaching and passing an animal which is being led, ridden, or driven upon a public highway.
   c. When approaching and traversing a crossing or intersection of public highways, or a bridge, sharp turn, curve, or steep descent, in a public highway.
   d. When approaching and passing a fusee, flares, red reflector electric lanterns, red reflectors or red flags displayed in accordance with section 321.448, or an emergency vehicle displaying a revolving or flashing light.
   e. When approaching and passing a slow moving vehicle displaying a reflective device as provided by section 321.383.
   f. When approaching and passing through a sign posted construction or maintenance zone upon the public highway.

§321.289 Speed signs — duty to install.
The department shall furnish and place upon primary roads or on extensions of primary roads within any city suitable standard signs showing the points at which the rate of speed changes and the maximum rate of speed in the district which the vehicle is entering. On all other main highways the city shall furnish and erect suitable signs giving similar information to traffic on such highways.

§321.290 Special restrictions.
Whenever the department shall determine upon the basis of an engineering and traffic investigation that any speed limit hereinbefore set forth is greater or less than is reasonable or safe under the conditions found to exist at any intersection or other part or upon any part of the primary road system or upon any part of a primary road extension, said department shall determine and declare a reasonable and safe speed limit therefor which shall be effective when appropriate signs giving notice thereof are erected at such intersection or other place or part of the highway.

Whenever the council in any city shall determine upon the basis of an engineering and traffic investigation that any speed limit hereinbefore set forth is greater or less than is reasonable or safe under the conditions found to exist at any intersection or other place or upon any part of the city street system, except primary road extensions, said council shall determine and adopt by ordinance such higher or lower speed limit as it deems reasonable and safe therefor. Such speed limit shall be effective when proper and appropriate signs giving notice thereof are erected at such intersections or other place or part of the street.

§321.291 Information or notice.
In every charge of violation of sections 321.285 to 321.287 the information, also the notice to appear, shall specify the speed at which the defendant is alleged to have driven, also the speed limit applicable within the district or at the location.

[C39, §5023.07; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §321.291]

§321.292 Civil action unaffected.
The foregoing provisions of sections 321.285 to 321.287 shall not be construed to relieve the plaintiff in any civil action from the burden of proving negligence upon the part of the defendant as the proximate cause of an accident.

[C39, §5023.08; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §321.292]

§321.293 Local authorities may alter limits.
Local authorities in their respective jurisdiction may in their discretion subject to the approval of the department authorize by ordinance higher speeds than those stated in section 321.285 upon through highways or upon highways or portions thereof where stop or yield signs have been erected at the entrances thereto provided signs are erected giving notice of the authorized speed, but local authorities shall not have authority to authorize by ordinance a speed in excess of fifty-five miles per hour. If local authorities fail to authorize by ordinance higher speeds than those stated in section 321.285 upon through highways or upon highways or portions thereof where stop signs have been erected at the entrances thereto, the department may recommend, upon the basis of an engineering and traffic investigation, to the local authorities that the speed limit be increased. If local authorities fail to increase the speed limit upon said recommendation of the department, said department shall declare a reasonable and safe speed limit which shall be effective when appropriate signs are erected giving notice thereof.

§321.294 Minimum speed regulation.
No person shall drive a motor vehicle at such a slow speed as to impede or block the normal and reasonable movement of traffic except when reduced speed is necessary for safe operation or in compliance with law. Peace officers are hereby authorized to enforce this provision by directions to drivers, and in the event of apparent willful disobedience to this provision and refusal to comply with direction of an officer in accordance herewith the continued slow operation by a driver shall be a misdemeanor, and be punished as provided in section 321.482.

[C31, 35, §5021-c1; C39, §5023.10; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §321.294] See also §321.382

§321.295 Limitation on bridge or elevated structures.
No person shall drive a vehicle on any public bridge or elevated structure at a speed which is greater than the maximum speed permitted under this chapter on the street or highway at a point where said street or highway joins said bridge or elevated structure, provided that if the maximum speed permitted on said
street or highway differs from the maximum speed on any other street or highway joining said bridge or elevated structure, then the lowest of said speeds shall be the maximum speed limit on said bridge or elevated structure, subject to the following:

The department upon request from any local authority shall, or upon its own initiative may, conduct an investigation of any bridge or other elevated structure constituting a part of a highway, and if it shall thereupon find that such structure cannot with safety to itself withstand vehicles traveling at the speed otherwise permissible under this chapter, the department shall determine and declare the maximum speed of vehicles which such structure can withstand, and shall cause or permit suitable signs stating such maximum speed to be erected and maintained at a distance of two hundred feet before each end of such structure.

No person shall drive a vehicle over any bridge or other elevated structure constituting a part of a highway at a speed which is greater than the maximum speed which can be maintained with safety to such bridge or structure, when such structure is signposted as provided in this section.

Upon the trial of any person charged with driving a vehicle at a speed which is greater than the maximum speed which can be maintained with safety to such bridge or structure, proof of such determination of the maximum speed by said department and the existence of said signs shall constitute conclusive evidence of the maximum speed which can be maintained with safety to such bridge or structure.

DRIVING ON RIGHT SIDE OF ROADWAY — OVERTAKING AND PASSING

321.296

321.297 Driving on right-hand side of roadway — exceptions.

1. A vehicle shall be driven upon the right half of the roadway upon all roadways of sufficient width, except as follows:
   a. When overtaking and passing another vehicle proceeding in the same direction under the rules governing such movement.
   b. When an obstruction exists making it necessary to drive to the left of the center of the roadway, provided, any person so doing shall yield the right of way to all vehicles traveling in the proper direction upon the unobstructed portion of the roadway within such distance as to constitute an immediate hazard.
   c. Upon a roadway divided into three marked lanes for traffic under the rules applicable thereon.
   d. Upon a roadway restricted to one-way traffic.

2. Any vehicle proceeding at less than the normal speed of traffic at the time and place and under the conditions then existing shall be driven in the right-hand lane then available for traffic upon all roadways, or as close as practicable to the right-hand curb or edge of the roadway, except when overtaking and passing another vehicle proceeding in the same direction or when preparing for a left turn at an intersection, an alley, private road or driveway.

3. A vehicle shall not be driven upon any roadway having four or more lanes for moving traffic and providing for two-way movement of traffic, to the left of the center line of the roadway, except when authorized by official traffic-control devices designating certain lanes to the left side of the center of the roadway for use by traffic not otherwise permitted to use such lanes, or except as permitted under subsection 1, paragraph "b." This subsection shall not be construed as prohibiting the crossing of the center line in making a left turn into or from an alley, private road, or driveway.

§321.300 Failure to recognize signal.

Any driver of a vehicle that is overtaken by a faster moving vehicle who fails to heed the signal of the overtaking vehicle when it is given under such circumstances that the driver of the overtaken vehicle could, by the exercise of ordinary care and observation and precaution, hear such signal and who fails to yield that part of the traveled way as herein provided, shall be guilty of a misdemeanor punishable as provided in section 321.299.

§321.301 Burden of proof.

Upon proof that a signal was given as contemplated by section 321.300, the burden shall rest upon the accused to prove that the accused did not hear said signal.
321.302 Overtaking on the right.

The driver of a vehicle may overtake and pass upon the right of another vehicle which is making or about to make a left turn.

The driver of a vehicle may overtake and, allowing sufficient clearance, pass another vehicle proceeding in the same direction either upon the left or upon the right on a roadway with unobstructed pavement of sufficient width for four or more lines of moving traffic when such movement can be made in safety. No person shall drive off the pavement or upon the shoulder of the roadway in overtaking or passing on the right.

[C39, §5024.06; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §321.302]

321.303 Limitations on overtaking on the left.

A vehicle shall not be driven to the left side of the center of the roadway in overtaking and passing another vehicle proceeding in the same direction unless the left side is clearly visible and is free of oncoming traffic for a sufficient distance ahead to permit the overtaking and passing to be completely made without interfering with the safe operation of a vehicle approaching from the opposite direction or a vehicle overtaken. The overtaking vehicle shall return to the right-hand side of the roadway before coming within three hundred feet of a vehicle approaching from the opposite direction when traveling on a roadway having a legal speed limit in excess of thirty miles per hour, and the overtaking vehicle shall return to the right-hand side of the roadway before coming within one hundred feet of a vehicle approaching from the opposite direction when traveling on a roadway having a legal speed limit of thirty miles per hour or less.

321.304 Prohibited passing.

No vehicle shall, in overtaking and passing another vehicle or at any other time, be driven to the left side of the roadway under the following conditions:

1. When approaching the crest of a grade or upon a curve in the highway where the driver's view along the highway is obstructed for a distance of approximately seven hundred feet.

2. When approaching within one hundred feet of any narrow bridge, viaduct, or tunnel, when so signposted, or when approaching within one hundred feet of or traversing any intersection or railroad grade crossing.

3. Where official signs are in place directing that traffic keep to the right or a distinctive center line or off-center line is marked, which distinctive line also so directs traffic as declared in the sign manual adopted by the department of transportation.

[C35, §5024-e1; C39, §5024.08; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §321.304]

321.306 Roadways laned for traffic.

Whenever any roadway has been divided into three or more clearly marked lanes for traffic the following rules in addition to all others consistent herewith shall apply:

A vehicle shall be driven as nearly as practical entirely within a single lane and shall not be moved from such lane until the driver has first ascertained that such movement can be made with safety.

Upon a roadway which is divided into three lanes a vehicle shall not be driven in the center lane except when overtaking and passing another vehicle where the roadway is clearly visible and such center lane is clear of traffic within a safe distance, or in preparation for a left turn or where such center lane is at the time allocated exclusively to traffic moving in the direction the vehicle is proceeding and is signposted to give notice of such allocation.

Official signs may be erected directing slow-moving traffic to use a designated lane or allocating specified lanes to traffic moving in the same direction and drivers of vehicles shall obey the directions of every such sign.

Vehicles moving in a lane designated for slow-moving traffic shall yield the right of way to vehicles moving in the same direction in a lane not so designated when such lanes merge to form a single lane.

A portion of a highway provided with a lane for slow-moving vehicles does not become a roadway marked for three lanes of traffic.

[C39, §5024.10; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §321.306]

321.307 Following too closely.

The driver of a motor vehicle shall not follow another vehicle more closely than is reasonable and prudent, having due regard for the speed of such vehicles and the traffic upon and the condition of the highway.

Upon a roadway which is divided into three lanes a vehicle shall not be driven in the center lane except when overtaking and passing another vehicle where the roadway is clearly visible and such center lane is clear of traffic within a safe distance, or in preparation for a left turn or where such center lane is at the time allocated exclusively to traffic moving in the direction the vehicle is proceeding and is signposted to give notice of such allocation.

Official signs may be erected directing slow-moving traffic to use a designated lane or allocating specified lanes to traffic moving in the same direction and drivers of vehicles shall obey the directions of every such sign.

Vehicles moving in a lane designated for slow-moving traffic shall yield the right of way to vehicles moving in the same direction in a lane not so designated when such lanes merge to form a single lane.

A portion of a highway provided with a lane for slow-moving vehicles does not become a roadway marked for three lanes of traffic.

No person shall pull or tow by motor vehicle, for hire, another motor vehicle over any highway outside the limits of any incorporated city, except in case of temporary movement of a disabled motor vehicle to the place where repairs will be made, unless such person has complied with the provisions of sections 321.57 and 321.58. Provided, however, if such person is a nonresident of the state of Iowa and has complied with the laws of the state of that person's residence governing licensing and registration as a transporter

Every person pulling or towing by motor vehicle another motor vehicle in convoy or caravan shall maintain a distance of at least five hundred feet between the units of said convoy or caravan.

The drawbar or towing arm between a motor vehicle pulling or towing another motor vehicle shall be of a type approved by the director, except in case of the temporary movement of a disabled vehicle in an emergency situation.

Both the approach for a right turn and right turn shall be made as close as practical to the right-hand curb or edge of the roadway.

Approach for a left turn shall be made in that portion of the right half of the roadway nearest the center line thereof and after entering the intersection the left turn shall be made so as to depart from the intersection to the right of the center line of the roadway being entered.

Approach for a left turn from a two-way street into a one-way street shall be made in that portion of the right half of the roadway nearest the center line thereof and by passing to the right of such center line where it enters the intersection. A left turn from a one-way street into two-way street shall be made by passing to the right of the center line of the street being entered upon leaving the intersection.

distance in advance of the vehicle, subject to the fol-
lowing requirements and limitations
1. Whenever a driver of a vehicle approaches an oncoming vehicle within five hundred feet, the driver shall use a distribution of light, or composite beam, so aimed that the glaring rays are not projected into the eyes of the oncoming driver. The lowermost distribution of light, or composite beam, specified in section 321.409, subsection 2, shall be deemed to avoid glare at all times, regardless of road contour and loading.

2. Whenever the driver of a vehicle follows another vehicle within two hundred feet to the rear, except when engaged in the act of overtaking and passing, the driver shall use a distribution of light permissible under this chapter other than the uppermost distribution of light specified in section 321.409, subsection 1.

321.429 Revocation of certificate.

When the director has reason to believe that an approved device as being sold commercially does not comply with the requirements of this chapter, the director may, after giving thirty days' previous notice to the person holding the certificate of approval for such device in this state, conduct a hearing upon the question of compliance of such approved device. After said hearing the director shall determine whether said approved device meets the requirements of this chapter. If said device does not meet the requirements of this chapter the director shall give notice to the person holding the certificate of approval for such device in this state.

If at the expiration of ninety days after such notice the person holding the certificate of approval for such device has failed to satisfy the director that said approved device as thereafter to be sold meets the re-
requirements of this chapter, the director shall suspend or revoke the approval issued therefor until or unless such device is resubmitted to and retested by an authorized testing agency and is found to meet the requirements of this chapter, and may require that all said devices sold since the notification following the hearing be replaced with devices that do comply with the requirements of this chapter. The director may at the time of the retest purchase in the open market and submit to the testing agency one or more sets of such approved devices, and if such device upon such retest fails to meet the requirements of this chapter, the director may refuse to renew the certificate of approval of such device.

All van or van type motor vehicles shall be equipped with outside mirrors of unit magnification, each with not less than nineteen point five square inches of reflective surface, installed with stable supports on both sides of the vehicle, located so as to provide the driver a view to the rear along both sides of the vehicle, and adjustable in both the horizontal and vertical directions to view the rearward scene.

Notwithstanding this chapter or chapter 321E, a combination of vehicles coupled together which is used exclusively for the transportation of passenger vehicles, light delivery trucks, panel delivery trucks, pickups, boats, and recreational chassis, may permanently attach a convex-type mirror on either or both of the vertical supports, forward of the steering axle of the power unit, provided that the mirror shall not extend beyond the limit of any other rearview mirror on the vehicle.

No tire on a vehicle moved on a highway shall have on its peripheral any block, stud, flange, cleat, or spike or any other protruberances of any material other than rubber which projects beyond the tread of the traction surface of the tire except that it shall be permissible to use:
1. Farm machinery with tires having protruberances which will not injure the highway.
2. Tire chains of reasonable proportions upon any vehicle when required for safety because of snow, ice, or other conditions tending to cause a vehicle to skid.
3. Pneumatic tires with inserted ice grips or tire studs projecting not more than one-sixteenth inch beyond the tread of the traction surface of the tire upon any vehicle from November 1 of each year to April 1 of the following year, except that a school bus and fire department emergency apparatus may use such tires at any time.

Replacements of glass in doors, windows, or windshields shall be of safety glass.
2. The term "safety glass" shall mean any product composed of glass, so manufactured, fabricated, or treated as substantially to prevent shattering and flying of the glass when struck or broken or such other or similar product as may be approved by the director.
3. The director shall compile and publish a list of types of glass by name approved by the director as meeting the requirements of subsection 2 and the director shall not register any motor vehicle which is subject to the provisions of subsection 1 unless it is equipped with an approved type of safety glass, and the director shall suspend the registration of any motor vehicle so subject to said section which the director finds is not so equipped until it is made to conform to the requirements of said section.

1. Except for motorcycles or motorized bicycles, 1966 model year or newer motor vehicles subject to registration in Iowa shall be equipped with safety belts and safety harnesses of a type and installed in a manner approved by rules adopted by the department pursuant to chapter 17A. The department shall adopt rules regarding the types of safety belts and safety harnesses required to be installed in motor vehicles and the manner in which they are installed. The rules shall conform with federal motor vehicle safety standard numbers 209 and 210 as published in 49 C.F.R. §§571.298-571.310 and with prior federal motor vehicle safety standards for seat belt assemblies and seat belt anchorages applicable for the motor vehicle's model year. The department may adopt rules which comply with changes in the applicable federal motor vehicle safety standards with regard to the type of safety belts and safety harnesses and their manner of installation.
2. The driver and front seat occupants of a type of motor vehicle which is subject to registration in Iowa, except a motorcycle or a motorized bicycle, shall each wear a properly adjusted and fastened safety belt or safety harness any time the vehicle is in forward motion on a street or highway in this state except that a child under six years of age shall be secured as required under section 321.446.
This subsection does not apply to:
a. The driver or front seat occupants of a motor vehicle which is not required to be equipped with safety belts or safety harnesses under rules adopted by the department.
b. The driver and front seat occupants of a motor vehicle who are actively engaged in work which requires them to alight from and reenter the vehicle at frequent intervals, providing the vehicle does not exceed twenty-five miles per hour between stops.
c. The driver of a motor vehicle while performing duties as a rural letter carrier for the United States postal service. This exemption applies only between the first delivery point after leaving the post office and the last delivery point before returning to the post office.
d. Passengers on a bus.
e. A person possessing a written certification from a physician on a form provided by the department that the person is unable to wear a safety belt or safety harness due to physical or medical reasons. The certification shall specify the time period for which the exemption applies. The time period shall not exceed twelve months, at which time a new certification may be issued.
§321.448

1. Front seat occupants of an authorized emergency vehicle while they are being transported in an emergency. However, this exemption does not apply to the driver of the authorized emergency vehicle.

During the six-month period from July 1, 1986 through December 31, 1986, peace officers shall issue only warning citations for violations of this subsection, except this does not apply to drivers subject to the federal motor carrier safety regulation 49 C.F.R. §392.16.

The department, in cooperation with the department of public safety and the department of education, shall establish educational programs to foster compliance with the safety belt and safety harness usage requirements of this subsection.

2. The driver and front seat passengers may be each charged separately for improperly used or non-used equipment under subsection 2. The owner of the motor vehicle may be charged for equipment violations under subsection 1.

a. The nonuse of a safety belt or safety harness by a person is not admissible or material as evidence in a civil action brought for damages in a cause of action arising prior to July 1, 1986.

b. In a cause of action arising on or after July 1, 1986, brought to recover damages arising out of the ownership or operation of a motor vehicle, the failure to wear a safety belt or safety harness in violation of this section shall not be considered evidence of comparative fault under section 668.3, subsection 1. However, except as provided in section 321.446, subsection 6, the failure to wear a safety belt or safety harness in violation of this section may be admitted to mitigate damages, but only under the following circumstances:

1. Parties seeking to introduce evidence of the failure to wear a safety belt or safety harness in violation of this section must first introduce substantial evidence that the failure to wear a safety belt or safety harness contributed to the injury or injuries claimed by the plaintiff.

2. If the evidence supports such a finding, the trier of fact may find that the plaintiff's failure to wear a safety belt or safety harness in violation of this section contributed to the plaintiff's claimed injury or injuries, and may reduce the amount of plaintiff's recovery by an amount not to exceed five percent of the damages awarded after any reductions for comparative fault.

1. A child under three years of age who is being transported in a motor vehicle subject to registration which has a gross weight of ten thousand pounds or less as specified by the manufacturer, except a school bus or motorcycle, shall be secured during transit by a child restraint system which meets federal motor vehicle safety standards and the system shall be used in accordance with the manufacturer's instructions.

2. A child at least three years of age but under six years of age who is being transported in a motor vehicle subject to registration which has a gross weight of ten thousand pounds or less as specified by the manufacturer, except a school bus or motorcycle, shall be secured during transit by either a child restraint system that meets federal motor vehicle safety standards and is used in accordance with the manufacturer's instructions, or by a safety belt or safety harness of a type approved under section 321.445.

3. This section does not apply to peace officers acting on official duty. This section also does not apply to the transportation of children in 1965 model year or older vehicles or authorized emergency vehicles. This section does not apply to the transportation of a child who has been certified by a physician licensed under chapter 148, 150, or 150A as having a medical, physical, or mental condition which prevents or makes inadvisable securing the child in a child restraint system, safety belt or safety harness.

4. The operator who violates subsection 1 or 2 is guilty of a misdemeanor and subject only to the penalty provisions of section 805.8, subsection 2, paragraph "t".

5. A person who is first charged for a violation of subsection 1 and who has not purchased or otherwise acquired a child restraint system shall not be convicted if the person produces in court, within a reasonable time, proof that the person has purchased or otherwise acquired a child restraint system which meets federal motor vehicle safety standards.

6. Failure to use a child restraint system, safety belts, or safety harnesses as required by this section does not constitute negligence nor is the failure admissible as evidence in a civil action.

321.447 Trucks to carry flares and reflective devices.

A person shall not operate any motor truck or truck tractor, except a motor vehicle with a combined gross weight of four tons or less upon a highway outside of a business or residence district at any time from a half hour after sunset to a half hour before sunrise unless there shall be carried in such vehicle a sufficient number, not less than three, of flares, red reflector electric lanterns, red reflectors, reflective triangles or other signals capable of continuously producing three warning lights each visible from a distance of at least five hundred feet for a period of at least eight hours, except that a motor vehicle transporting flammables shall carry red reflectors, red reflector electric lanterns or reflective triangles in place of the other signals above mentioned, and during daylight hours every truck, except a motor vehicle with a combined gross weight of four tons or less, shall carry a sufficient number of red flags, not less than three, unless equipped with three reflective triangles.

Every such flare, lantern, signal or reflector shall be of a type approved by the director of transportation and the director shall publish lists of those devices which the director has approved as adequate for the purposes of this section and reflective triangles that conform to the requirements of the United States department of transportation standard number 125.

[C35, §5067-e1; C39, §5034.56; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §321.447]

321.448 Display of flares or reflective devices.

Whenever a motor truck, or a truck tractor, a trailer or a semitrailer drawn by a motor truck or a truck...
tractor is stopped upon or immediately adjacent to the main traveled portion of a highway outside of a business or residence district, during the times when lighted lamps must be displayed, then the driver or other person in charge of such vehicle shall, in addition to the requirements of section 321.395, cause a lighted fusee to be immediately placed on the roadway at the traffic side of such vehicle; as soon thereafter as possible, and in any case within the burning period of the fusee, three lighted flares, or three red reflector electric lanterns or three red reflectors or three reflective triangles shall be placed on the roadway, one at a distance of not less than one hundred feet in advance of such vehicle, one at a distance of not less than one hundred feet to the rear of such vehicle, and the third upon the traffic side of such vehicle; provided that if such vehicle is stopped within three hundred feet of a curve, crest of a hill, or other obstruction to view, the flare, red reflector electric lanterns, red reflectors or reflective triangles, in that direction shall be so placed as to afford ample warning to other users of the highway, but in no case less than one hundred feet from such vehicle when such flares are taken up, during the times when lighted lamps must be displayed, a lighted fusee shall be placed at the traffic side of such vehicle.

In the event such vehicle is used in the transportation of flammable liquids or gases, whether loaded or empty, no open burning flares or fusees shall be used and red reflector electric lanterns or red reflectors or reflective triangles shall be used in lieu thereof.

During the times lighted lamps are not required, red flags or reflective triangles shall be used in place of flares or red reflector electric lanterns or red reflectors, provided that if such parking continues into the period when lighted lamps are required, flares or red reflector electric lanterns or red reflectors or reflective triangles shall be placed as above provided. Each of the red flags required under this section shall be not less than sixteen inches square.

§321.449 Explosives.

No person shall at any time operate a motor truck or truck tractor transporting explosives as a cargo or part of a cargo upon a highway unless it carries flares or electric lanterns or reflective triangles as herein required, but such flares or electric lanterns or reflective triangles must be capable of producing a red light and shall be displayed upon the roadway when and as required in section 321.448.

§321.450 Vehicles transporting explosives.

Any person operating any vehicle transporting any explosive as a cargo or part of a cargo upon a highway shall at all times comply with the provisions of this section.

Said vehicle shall be marked or placarded on each side and the rear with the word "Explosives" in letters not less than eight inches high, or there shall be displayed on the rear of such vehicle a red flag not less than twenty-four inches square marked with the word "Danger" in white letters six inches high.

Every said vehicle shall be equipped with not less than two fire extinguishers, filled and ready for immediate use, and placed at a convenient point on the vehicle so used.

The director may designate a privately owned ambulance, fire, rescue or disaster vehicle as an authorized emergency vehicle, and issue a certificate of designation for it, upon written request being made on forms provided by the department and showing necessity for the designation. The certificate of designation shall at all times be carried with the certificate of registration of the vehicle to which it refers and may be revoked by the director upon a showing of abuse.

§321.452 Scope and effect.

Except for offenses punishable under the provisions of section 321.463 it is a misdemeanor, punishable as provided in section 321.482, for any person to drive or move or for the owner to cause or knowingly permit to be driven or moved on any highway any vehicle or vehicles of a size or weight exceeding the limitations stated in this chapter, and the maximum size and weight of vehicles herein specified shall be lawful throughout this state, and local authorities shall have no power or authority to alter said limitations except as express authority may be granted in this chapter.

§321.453 Exceptions.

The provisions of this chapter governing size, weight, and load do not apply to fire apparatus, to road maintenance equipment owned by or under lease to any state or local authority, or to implements of husbandry temporarily moved upon a highway, or to implements moved between the retail seller and a farm purchaser within a fifty mile radius from the retail seller's place of business, or to indivisible implements of husbandry temporarily moved between the place of manufacture and a retail seller or a farm purchaser, or implements received and moved by a retail seller of implements of husbandry in exchange for an implement purchased, except on any part of the interstate highway system, or to a vehicle operating under the terms of a special permit issued as provided in chapter 321E.
and may be operated on the public highways of the state. However, if hay, straw or stover moved on any implement of husbandry and the total width of load of the implement of husbandry exceeds eight feet in width, the implement of husbandry is not subject to the permit requirements of chapter 321E. If hay, straw or stover is moved on any other vehicle subject to registration, the moves are subject to the permit requirements for transporting loads exceeding eight feet in width as required under chapter 321E. The vehicle width limitations imposed by this subsection only apply to the public highways of the state not subject to the width limitations imposed under subsection 2.

2. The total outside width of any vehicle and load shall not exceed eight feet six inches, exclusive of safety equipment determined necessary for safe and efficient operation by the secretary of the United States department of transportation, on highways designated by the transportation commission. The department shall adopt rules to designate the highways, in compliance with the highways designated by the secretary of the United States department of transportation as a part of the national system of interstate and defense highways and any other qualifying highways. The rules adopted under this subsection are exempt from chapter 17A.

395 §321.457 Maximum length.

1. A combination of four vehicles is not allowed on the highways of this state, except for power units saddle mounted on other power units which shall be restricted to a maximum overall length of sixty-five feet.

2. The maximum length of any motor vehicle or combination of vehicles operated on the highways of this state, unless subject to the maximum length provisions of subsection 3, are as follows:

   a. A single truck, unladen or with load, shall not have an overall length, inclusive of front and rear bumpers, in excess of forty feet.

   b. A single bus, unladen or with load, shall not have an overall length, inclusive of front and rear bumpers, in excess of forty feet, except that buses constructed so as to contain a flexible part allowing articulation shall not exceed sixty-one feet.

   c. Except for combinations of vehicles, provisions for which are otherwise made in this chapter, no combination of a truck tractor and a semitrailer coupled together unladen or with load, shall have an overall length, inclusive of front and rear bumpers, in excess of sixty feet.

   d. However, a mobile home not in excess of forty-eight feet in length may be drawn by any motor vehicle, except a motor truck, provided that the mobile home and its towing unit are not in excess of an overall length of sixty feet. For the purposes of this subsection, a light delivery truck, panel delivery truck or "pickup" is not a motor truck. A portable livestock loading chute not in excess of a length of thirteen feet including its hitch or tongue may be drawn by any vehicle or combination of vehicles, provided that the vehicle or combination of vehicles drawing the loading chute is not in excess of the legal length provided for such vehicles or combinations.

   e. Combinations of vehicles coupled together which are used exclusively for the transportation of passenger vehicles, light delivery trucks, panel delivery trucks, pickup trucks, recreational vehicle chassis, and boats shall not exceed sixty-five feet in overall length. However, the load carried on a truck-semitrailer combination may extend up to two feet beyond the front bumper and up to three feet beyond the rear bumper.

   f. A combination of three vehicles coupled together one of which is a motor vehicle, unladen or with load, shall not have an overall length, inclusive of front and rear bumpers, in excess of sixty feet.

   g. A motor vehicle or combination of vehicles may be operated upon the highways of this state, irrespective of the length and weight limitations imposed by the laws of this state, if the motor vehicle or combination of vehicles is operated within the corporate limits of a city abutting a border of this state and such operations have been approved by ordinance of the city council and if the length and weight of the motor vehicle or combination of vehicles is in conformity with the laws relating to length and weight of the abutting state on July 1, 1974. If a city council has authorized such operation upon highways within the corporate limits, then the limit of travel for such motor vehicles or combination of vehicles within the state is extended to the commercial zones as described by federal regulations, paragraphs 1048.10, 1048.38, and 1048.101 as they exist on July 1, 1974.
h. A semitrailer shall not have a distance between the kingpin and the center of its rearmost axle in excess of forty feet, except a semitrailer used principally for hauling livestock, a semitrailer used exclusively for hauling self-propelled industrial and construction equipment, or a semitrailer used exclusively for the purposes described in paragraph e of this subsection. A semitrailer which is a 1980 or older model having a distance between the kingpin and center of the rearmost axle of more than forty feet may be operated on the highways of this state if a special overlength permit is obtained from the department for the vehicle. The special overlength permit shall be valid until the semitrailer is inoperable.

3. The maximum length of any motor vehicle or combination of vehicles operated on the highways of this state which are designated by the secretary of the United States department of transportation and the transportation commission as a part of the national system of interstate and defense highways and the federal-aid primary system shall be as follows:

a. A trailer or semitrailer, laden or unladen, shall not have an overall length in excess of fifty-three feet when operating in a truck tractor-semitrailer combination.

b. A trailer or semitrailer, laden or unladen, shall not have an overall length in excess of twenty-eight feet six inches when operating in a truck tractor-semitrailer-trailer combination.

c. Power units designed to carry cargo, when used in combination with a trailer or semitrailer shall not exceed sixty-five feet in overall length for the combination.

d. The department shall adopt rules to designate those highways designated by the secretary of the United States department of transportation as a part of the national system of interstate and defense highways and the federal-aid primary system. The rules adopted by the department under this paragraph are exempt from chapter 17A.

4. Fire fighting apparatus and vehicles operated during daylight hours when transporting poles, pipe, machinery, or other objects of a structural nature which cannot be readily disassembled when required for emergency repair of public service facilities or properties are not subject to the limitations on overall length of vehicles and combinations of vehicles imposed under this section. However, for operation during nighttime hours, these vehicles and the load being transported shall be equipped with a sufficient number of clearance lamps on both sides and marker lamps at the extreme ends of the projecting load to clearly mark the dimensions of the load. A member of the state highway safety patrol shall also be notified prior to the operation of the vehicle.

5. The department may adopt rules to designate highways, in addition to those designated under subsection 3, to which the overall length limitations imposed under subsection 3 for vehicles and combinations of vehicles shall be applicable. However, rules adopted under this subsection are subject to chapter 17A.

321.458 Loading beyond front.
The load upon any vehicle operated alone, or the load upon the front vehicle of a combination of vehicles, shall not extend more than three feet beyond the front wheels of such vehicle or the front bumper of such vehicle if it is equipped with such a bumper.

[C39, §5035.07; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §321.458]

321.459 Dual axle requirement.
Axles of a motor vehicle, trailer, or semitrailer which are less than forty inches apart center to center shall be considered as a single axle for the purpose of determining permissible gross weight under section 321.463.

[C31, 35, §5067-d3; C39, §5035.08; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §321.459]

321.460 Spilling loads on highways.
A vehicle shall not be driven or moved on any highway by any person unless such vehicle is so constructed or loaded or the load securely covered as to prevent any of its load from dropping, sifting, leaking, or otherwise escaping or its load covering from dropping from the vehicle, except that sand may be dropped for the purpose of securing traction, or water or other substance may be sprinkled on a roadway in cleaning or maintaining such roadway. The provisions of this section shall not apply to vehicles loaded with hay or stover or the products listed in section 321.466, subsections 5 and 6.

[C39, §5035.09; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §321.460]

321.461 Trailers and towed vehicles.
When one vehicle is towing another the drawbar or other connection shall not exceed fifteen feet from one vehicle to the other except the connection between any two vehicles transporting poles, pipe, machinery, or other objects of structural nature which cannot readily be dismembered.

[C39, §5035.10; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §321.461]

321.462 Drawbars and safety chains.
When one vehicle is towing or pulling another vehicle the drawbar or other connection shall be of sufficient strength to pull all weight towed thereby and shall be fastened to the frame of the towing vehicle in such manner as to prevent sideways, and in addition to such principal connection there shall be a safety chain which shall be so fastened as to be capable of holding the towed vehicle should the principal connection for any reason fail.

The connection between a truck tractor and a semitrailer with a gross weight of three thousand pounds or more shall be of a type approved by the director, and the commissioner is hereby given authority to approve or disapprove such types of connection submitted to the commissioner.

[C39, §5035.11; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §321.462]
321.463 Maximum gross weight.

An axle may be divided into two or more parts, except that all parts in the same vertical transverse plane shall be considered as one axle.

The gross weight on any one axle of a vehicle, or of a combination of vehicles, operated on the highways of this state, shall not exceed twenty thousand pounds on an axle equipped with pneumatic tires, and shall not exceed fourteen thousand pounds on an axle equipped with solid rubber tires. The gross weight on any tandem axle of a vehicle, or any combination of vehicles, shall not exceed thirty-four thousand pounds on an axle equipped with pneumatic tires.

A group of two or more consecutive axles of any vehicle or combination of vehicles, shall not carry a load in pounds in excess of the overall gross weight determined by application of the following formula:

\[ W = 500 \left( \frac{LN}{N+1} + 12N + 36 \right) \]

where:
- \( W \) equals the overall gross weight on any group of two or more consecutive axles to the nearest five hundred pounds.
- \( L \) equals the distance in feet, rounded to the nearest whole foot, between the extreme of any group of two or more consecutive axles.
- \( N \) equals the number of axles in the group under consideration.

The following are exceptions to application of the formula:

1. Two consecutive sets of tandem axles may carry a gross load of thirty-four thousand pounds each providing the overall distance between the first and last axles of the consecutive sets of tandem axles is thirty-six feet or more.
2. On highways not part of the interstate system, a vehicle or combination of vehicles having:

§321.464 398

Any peace officer having reason to believe that the weight of a vehicle and load is unlawful is authorized to require the driver to stop and submit to a weighing of the same either by means of portable or stationary scales and may require that such vehicle be driven to the nearest public scales.

Whenever an officer upon weighing a vehicle and load, as above provided, determines that the weight is unlawful, such officer may require the driver to stop the vehicle in a suitable place and remain standing until such portion of the load is removed as may be necessary to reduce the gross weight of such vehicle to such limit as permitted under this chapter. All material so unloaded shall be cared for by the owner or operator of such vehicle at the risk of such owner or operator.

A driver of a vehicle who fails or refuses to stop and submit the vehicle and load to a weighing, or who fails or refuses when directed by an officer upon a weighing of the vehicle to stop the vehicle and otherwise comply with this section, is guilty of a simple misdemeanor.

Upon weighing a vehicle and load, as above provided, if such load is a sealed load, the weight officer shall issue a certificate setting forth the weights as determined by the weight officer and the seal number or numbers, if requested by the operator. 321.466 Increased loading capacity — reregistration.

1. An increased gross weight registration may be obtained for any vehicle by payment of the difference between the annual fee for the higher gross weight and the amount of the fee for the gross weight at which it is registered.

2. During or after the seventh month of a current registration year, the owner of a motor truck, truck tractor, road tractor, semitrailer or trailer may, if the owner's operation has not resulted in a conviction or action pending under this section, increase the gross weight of the vehicle to a higher gross weight classification by payment of one-twelfth of the difference between the annual fee for the higher gross weight and the amount of the fee for the gross weight at which it is registered, multiplied by the number of unexpired months of the registration year.

3. Upon conversion of a truck to a truck tractor or a truck tractor to a truck, an increased gross weight registration of the proper type may be obtained for the vehicle by payment, except as provided in section 321.106, of one-twelfth of the difference between the annual fee for the higher gross weight and the amount of the annual fee for the gross weight at which the vehicle is registered, multiplied by the number of unexpired months of the registration year from the date of the conversion.

4. The registered gross weight of any vehicle or combination of vehicles may also be increased by installing and using a properly registered auxiliary axle or axles, and the combined registered gross weight of such vehicle and auxiliary axle or axles shall determine the total registered gross weight thereof. No auxiliary axle may be used to convert a single axle to a tandem axle unless equipped with a device to equalize the load carried by the single axle and the said auxiliary axle when in tandem and when in motion or when standing, and the load transmitted to the highway by either the single axle or the auxiliary axle shall not exceed that permitted for any single axle, nor shall the load transmitted to the highway when in tandem and when in motion or when standing, exceed that permitted for any tandem axle.

It shall be unlawful for any person to operate a motor truck, trailer, truck tractor, road tractor, semitrailer or combination thereof, or any such vehicle equipped with a transferable auxiliary axle or axles, on the public highways with a gross weight exceeding that for which it is registered by more than five percent of the gross weight for which it is registered, provided, however, that any vehicle or vehicle combination referred to herein, while carrying a load of raw farm products, soil fertilizers, including ground limestone, raw dairy products or livestock, live poultry, eggs, may be operated with a gross weight of twenty-five percent in excess of the gross weight for which it is registered.

6. For the purposes of this section cracked or ground soy beans, sargo, corn, wheat, rye, oats or other grain shall be deemed to be raw farm products, provided that such products are being directly delivered to a farm, from the place where the whole grain had been delivered from a farm for the purpose of cracking or grinding and immediate delivery to the farm to which such cracked or ground products are being delivered.

Annual special permits for the operation on secondary roads shall be approved by the county engineer. Annual special permits for a particular vehicle shall not be issued by the department unless prior approval is given by the county engineer of the county in which the vehicle will be operated. Annual special permits for operation on primary roads shall be approved by the state department of transportation. 321A.28 Other proof may be required.

Whenever any proof of financial responsibility filed under the provisions of this chapter no longer fulfills the purposes for which required, the director shall for the purpose of this chapter, require other proof as required by this chapter and shall suspend the license and registration or the nonresident's operating privilege pending the filing of such other proof.

[C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §321A 28]

321A.29 Duration of proof — when proof may be canceled or returned.

1. The director shall upon request consent to the immediate cancellation of any bond or certificate of insurance, or the director shall direct and the state treasurer shall return any money or securities deposited pursuant to this chapter as proof of financial responsibility, or the director shall waive the requirement of filing proof, in any of the following events:

   a. At any time after two years from the date such proof was required when, during the two-year period preceding the request, the director has not received record of a conviction or a forfeiture of bail which would require or permit the suspension or revocation of the license, registration, or nonresident's operating privilege of the person by or for whom such proof was furnished, or

   b. In the event of the death of the person on whose behalf such proof was filed or the permanent incapacity of such person to operate a motor vehicle, or

   c. In the event the person who has given proof surrenders the person's license and registration to the director.

Provided, however, that the director shall not consent to the cancellation of any bond or the return of any money or securities in the event any action for damages upon a liability covered by such proof is then pending or any judgment upon any such liability is then unsatisfied, or in the event the person who has filed such bond or deposited such money or securities has within one year immediately preceding such request been involved as an operator or owner in any motor vehicle accident resulting in injury or damage to the person or property of others. An affidavit of the applicant as to the nonexistence of such facts, or that the applicant has been released from all of the applicant's liability, or has been finally adjudicated not to be liable, for such injury or damage, shall be sufficient evidence thereof in the absence of evidence to the contrary in the records of the director.

3. Whenever any person whose proof has been canceled or returned under paragraph "c" of subsection 1 of this section applies for a license or registration within a period of two years from the date proof was originally required, any such application shall be refused unless the applicant shall re-establish such proof for the remainder of the two-year period.

321A.30 Transfer of registration to defeat purpose of chapter prohibited.

This chapter shall not prevent the owner of a motor vehicle, the registration of which has been suspended hereunder, from effecting a bona fide sale of such motor vehicle to another person whose rights or privileges are not suspended under this chapter nor prevent the registration of such motor vehicle by such transferee. This chapter shall not in any wise affect the rights of any secured party or lessor of a motor vehicle registered in the name of another as owner who becomes subject to the provisions of this chapter.

CHAPTER 321C
INTERSTATE DRIVERS LICENSE COMPACTS

321C 1 Power to enter into compact — terms

321C.1 Power to enter into compact — terms.
The director of transportation may enter into drivers license compacts with other jurisdictions in substantially the following form.
The contracting states agree

ARTICLE I — FINDINGS AND DECLARATION OF POLICY

a The party states find that
1 The safety of their streets and highways is materially affected by the degree of compliance with state laws and local ordinances relating to the operation of motor vehicles
2 Violation of such a law or ordinance is evidence that the violator engages in conduct which is likely to endanger the safety of persons and property
3 The continuance in force of a license to drive is predicated upon compliance with laws and ordinances relating to the operation of motor vehicles, in whichever jurisdiction the vehicle is operated
b It is the policy of each of the party states to
1 Promote compliance with the laws, ordinances, and administrative rules and regulations relating to the operation of motor vehicles by their operators in each of the jurisdictions where such operators drive motor vehicles
2 Make the reciprocal recognition of licenses to drive and eligibility therefore more just and equitable by considering the overall compliance with motor vehicle laws, ordinances and administrative rules and regulations as a condition precedent to the continuance or issuance of any license by reason of which the licensee is authorized or permitted to operate a motor vehicle in any of the party states

ARTICLE II — DEFINITIONS

As used in this compact

a “State” means a state, territory or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico
b “Home state” means the state which has issued and has the power to suspend or revoke the use of the license or permit to operate a motor vehicle
c “Conviction” means a conviction of any offense related to the use or operation of a motor vehicle which is prohibited by state law, municipal ordinance or administrative rule or regulation, or a forfeiture of bail, bond or other security deposited to secure appearance by a person charged with having committed any such offense, and which conviction or forfeiture is required to be reported to the licensing authority

ARTICLE III — REPORTS OF CONVICTION

The licensing authority of a party state shall report each conviction of a person from another party state occurring within its jurisdiction to the licensing authority of the home state of the licensee. Such report shall clearly identify the person convicted, describe the violation specifying the section of the statute, code or ordinance violated, identify the court in which action was taken, indicate whether a plea of guilty or not guilty was entered, or the conviction was a result of the forfeiture of bail, bond or other security, and shall include any special findings made in connection there with.

ARTICLE IV — EFFECT OF CONVICTION

a The licensing authority in the home state, for the purposes of suspension, revocation or limitation of the license to operate a motor vehicle, shall give the same effect to the conduct reported, pursuant to Arti
Article III of this compact, as it would if such conduct had occurred in the home state, in the case of convictions for:

1. Manslaughter or negligent homicide resulting from the operation of a motor vehicle,
2. Driving a motor vehicle while under the influence of intoxicating liquor or a narcotic drug, or under the influence of any other drug to a degree which renders the driver incapable of safely driving a motor vehicle,
3. Any felony in the commission of which a motor vehicle is used,
4. Failure to stop and render aid in the event of a motor vehicle accident resulting in the death or personal injury of another.

As to other convictions, reported pursuant to Article III, the licensing authority in the home state shall give such effect to the conduct as is provided by the laws of the home state.

Section 321C.2 — Enforcement.

The agencies and officers of this state and its subdivisions and municipalities shall enforce this compact and do all things appropriate to effect its purpose and intent which may be within their respective jurisdictions.

[C66, 71, 73, 75, 77, 79, 81, §321C 2]
CHAPTER 321D

VEHICLE EQUIPMENT COMPACTS

321D 1 Power to enter into compact — terms

The director of transportation may enter into vehicle equipment safety compacts with other jurisdictions in substantially the following form:

The contracting states agree

ARTICLE I — FINDINGS AND PURPOSES

a The party states find that
1 Accidents and deaths on their streets and highways present a very serious human and economic problem with a major deleterious effect on the public welfare
2 There is a vital need for the development of greater interjurisdictional cooperation to achieve the necessary uniformity in the laws, rules, regulations and codes relating to vehicle equipment, and to accomplish this by such means as will minimize the time between the development of demonstrably and scientifically sound safety features and their incorporation into vehicles
b The purposes of this compact are to
1 Promote uniformity in regulation of and standards for equipment
2 Secure uniformity of law and administrative practice in vehicular regulation and related safety standards to permit incorporation of desirable equipment changes in vehicles in the interest of greater traffic safety
3 To provide means for the encouragement and utilization of research which will facilitate the achievement of the foregoing purposes, with due regard for the findings set forth in subdivision "a" of this article
c It is the intent of this compact to emphasize performance requirements and not to determine the specific detail of engineering in the manufacture of vehicles or equipment except to the extent necessary for the meeting of such performance requirements

ARTICLE II — DEFINITIONS

As used in this compact
a "Vehicle" means every device in, upon or by which any person or property is or may be transported or drawn upon a highway, excepting devices moved by human power or used exclusively upon stationary rails or tracks
b "State" means a state, territory or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico
c "Equipment" means any part of a vehicle or any accessory for use thereon which affects the safety of operation of such vehicle or the safety of the occupants

ARTICLE III — THE COMMISSION

a There is hereby created an agency of the party states to be known as the "Vehicle Equipment Safety Commission" heretofore called the commission. The commission shall be composed of one commissioner from each party state who shall be appointed, serve and be subject to removal in accordance with the laws of the state which the commissioner represents. If authorized by the laws of the commissioner's party state, a commissioner may provide for the discharge of the commissioner's duties and the performance of the commissioner's functions on the commission either for the duration of the commissioner's membership or for any lesser period of time, by an alternate. No such alternate shall be entitled to serve unless notification of the alternate's identity and appointment shall have been given to the commission in such form as the commission may require. Each commissioner, and each alternate, when serving in the place and stead of a commissioner, shall be entitled to be reimbursed by the commission for expenses actually incurred in attending commission meetings or while engaged in the business of the commission.
b The commissioners shall be entitled to one vote each on the commission. No action of the commission shall be binding unless taken at a meeting at which a majority of the total number of votes on the commission are cast in favor thereof. Action of the commission shall be only at a meeting at which a majority of the commissioners, or their alternates, are present.
c The commission shall have a seal.
d The commission shall elect annually, from among its members, a chairperson, a vice chairperson and a treasurer. The commission may appoint an executive director and fix the executive director's duties and compensation. Such executive director shall serve at the pleasure of the commission, and together with the treasurer shall be bonded in such amount as the commission shall determine. The executive director shall serve as secretary. If there be no executive director, the commission shall elect a secretary in addition to the other officers provided by this subdivision.
e Irrespective of the civil service, personnel or other merit system laws of any of the party states, the
executive director with the approval of the commission, or the commission if there be no executive director, shall appoint, remove or discharge such personnel as may be necessary for the performance of the commission's functions, and shall fix the duties and compensation of such personnel. The commission may establish and maintain in independently or in conjunction with any one or more of the party states, a suitable retirement system for its full-time employees. Employees of the commission shall be eligible for social security coverage in respect of old age and survivor's insurance provided that the commission takes such steps as may be necessary pursuant to the laws of the United States, to participate in such program of insurance as a governmental agency or unit. The commission may establish and maintain or participate in such additional programs of employee benefits as may be appropriate.

The commission may borrow, accept or contract for the services of personnel from any party state, the United States, or any subdivision or agency of the aforementioned governments, or from any agency of two or more of the party states or their subdivisions. The commission may accept for any of its purposes and functions under this compact any and all donations, and grants of money, equipment, supplies, materials, and services, conditional or otherwise, from any state, the United States, or any other governmental agency and may receive, utilize and dispose of the same.

The commission may establish and maintain such facilities as may be necessary for the transacting of its business. The commission may acquire, hold, and convey real and personal property and any interest therein.

The commission shall adopt bylaws for the conduct of its business and shall have the power to amend and rescind these bylaws. The commission shall publish its bylaws in convenient form and shall file a copy thereof and a copy of any amendment thereto, with the appropriate agency or officer in each of the party states. The bylaws shall provide for appropriate notice to the commissioners of all commission meetings and hearings and the business to be transacted at such meetings or hearings. Such notice shall also be given to such agencies or officers of each party state as the laws of such party state may provide.

The commission annually shall make to the governor and legislature of each party state a report covering the activities of the commission for the preceding year, and embodying such recommendations as may have been issued by the commission. The commission may make such additional reports as it may deem desirable.

ARTICLE IV — RESEARCH AND TESTING

The commission shall have power to:

a Collect, correlate, analyze and evaluate information resulting or derivable from research and testing activities in equipment and related fields.

b Recommend and encourage the undertaking of research and testing in any aspect of equipment or related matters when, in its judgment, appropriate or sufficient research or testing has not been undertaken.

c Contract for such equipment research and testing as one or more governmental agencies may agree to have contracted for by the commission, provided that such governmental agency or agencies shall make available the funds necessary for such research and testing.

d Recommend to the party states changes in law or policy with emphasis on uniformity of laws and administrative rules, regulations or codes which would promote effective governmental action or coordination in the prevention of equipment related highway accidents or the mitigation of equipment-related highway safety problems.

ARTICLE V — VEHICULAR EQUIPMENT

a In the interest of vehicular and public safety, the commission may study the need for or desirability of the establishment of or changes in performance requirements or restrictions for any item of equipment. As a result of such study, the commission may publish a report relating to any item or items of equipment, and the issuance of such a report shall be a condition precedent to any proceedings or other action provided or authorized by this article. No less than sixty days after the publication of a report containing the results of such study, the commission upon due notice shall hold a hearing or hearings at such place or places as it may determine.

b Following the hearing or hearings provided for in subdivision "a" of this article, and with due regard for standards recommended by appropriate professional and technical associations and agencies, the commission may issue rules, regulations or codes embodying performance requirements or restrictions for any item or items of equipment covered in the report, which in the opinion of the commission will be fair and equitable and effectuate the purposes of this compact.

c Each party state obligates itself to give due consideration to any and all rules, regulations and codes issued by the commission and hereby declares its policy and intent to be the promotion of uniformity in the laws of the several party states relating to equipment.

d The commission shall send prompt notice of its action in issuing any rule, regulation or code pursuant to this article to the appropriate motor vehicle agency of each party state and such notice shall contain the complete text of the rule, regulation or code.

e If the constitution of a party state requires, or if its statutes provide, the approval of the legislature by appropriate resolution or act may be made a condition precedent to the taking effect in such party state of any rule, regulation or code. In such event, the commission of such party state shall submit any commission rule, regulation or code to the legislature as promptly as may be in lieu of administrative acceptance or rejection thereof by the party state.

f Except as otherwise specifically provided in or pursuant to subdivisions "e" and "g" of this article, the appropriate motor vehicle agency of a party state shall in accordance with its constitution or procedural laws adopt the rule, regulation or code within six months of the sending of the notice, and upon such adoption, the rule, regulation or code shall have the force and effect of law therein.
g. The appropriate motor vehicle agency of a party state may decline to adopt a rule, regulation or code issued by the commission pursuant to this article if such agency specifically finds, after public hearing on due notice, that a variation from the commission's rule, regulation or code is necessary to the public safety, and incorporates in such finding the reasons upon which it is based. Any such finding shall be subject to review by such procedure for review of administrative determinations as may be applicable pursuant to the laws of the party state. Upon request, the commission shall be furnished with a copy of the transcript of any hearings held pursuant to this subdivision.

ARTICLE VI — FINANCE

a. The commission shall submit to the executive head or designated officer or officers of each party state a budget of its estimated expenditures for such period as may be required by the laws of that party state for presentation to the legislature thereof.
b. Each of the commission's budgets of estimated expenditures shall contain specific recommendations of the amount or amounts to be appropriated by each of the party states. The total amount of appropriations under any such budget shall be apportioned among the party states as follows: One-third in equal shares; and the remainder in proportion to the number of motor vehicles registered in each party state. In determining the number of such registrations, the commission may employ such source or sources of information as in its judgment present the most equitable and accurate comparisons among the party states. Each of the commission's budgets of estimated expenditures and requests for appropriations shall indicate the source or sources used in obtaining information concerning vehicular registrations.
c. The commission shall not pledge the credit of any party state. The commission may meet any of its obligations in whole or in part with funds available to it under Article III "h" of this compact, provided that the commission takes specific action setting aside such funds prior to incurring any obligation to be met in whole or in part in such manner. Except where the commission makes use of funds available to it under Article III "h" hereof, the commission shall not incur any obligation prior to the allotment of funds by the party states adequate to meet the same.
d. The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its rules. However, all receipts and disbursements of funds handled by the commission shall be audited yearly by a qualified public accountant and the report of the audit shall be included in and become part of the annual reports of the commission.
e. The accounts of the commission shall be open at any reasonable time for inspection by duly constituted officers of the party states and by any persons authorized by the commission.
f. Nothing contained herein shall be construed to prevent commission compliance with laws relating to audit or inspection of accounts by or on behalf of any government contributing to the support of the commission.

ARTICLE VII — CONFLICT OF INTEREST

a. The commission shall adopt rules and regulations with respect to conflict of interest for the commissioners of the party states, and their alternates, if any, and for the staff of the commission and contractors with the commission to the end that no member or employee or contractor shall have a pecuniary or other incompatible interest in the manufacture, sale or distribution of motor vehicles or vehicular equipment or in any facility or enterprise employed by the commission or on its behalf for testing, conduct of investigations or research. In addition to any penalty for violation of such rules and regulations as may be applicable under the laws of the violator's jurisdiction of residence, employment or business, any violation of a commission rule or regulation adopted pursuant to this article shall require the immediate discharge of any violating employee and the immediate vacating of membership, or relinquishing of status as a member on the commission by any commissioner or alternate. In the case of a contractor, any violation of any such rule or regulation shall make any contract of the violator with the commission subject to cancellation by the commission.
b. Nothing contained in this article shall be deemed to prevent a contractor for the commission from using any facilities subject to the contractor's control in the performance of the contract even though such facilities are not devoted solely to work of or done on behalf of the commission; nor to prevent such a contractor from receiving remuneration or profit from the use of such facilities.

ARTICLE VIII — ADVISORY AND TECHNICAL COMMITTEES

The commission may establish such advisory and technical committees as it may deem necessary, membership on which may include private citizens and public officials, and may co-operate with and use the services of any such committees and the organizations which the members represent in furthering any of its activities.

ARTICLE IX — ENTRY INTO FORCE AND WITHDRAWAL

a. This compact shall enter into force when enacted into law by any six or more states. Thereafter, this compact shall become effective as to any other state upon its enactment thereof.
b. Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until one year after the executive head of the withdrawing state has given notice in writing of the withdrawal to the executive heads of all other party states. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal.

321D.2 Enforcement.
The agencies and officers of this state and its subdivisions and municipalities shall enforce this compact and do all things appropriate to effect its purpose and intent which may be within their respective jurisdictions.

CHAPTER 321E

MOVEMENT OF VEHICLES OF EXCESSIVE SIZE AND WEIGHT

321E.1 Permits by department and local authorities.
The department and local authorities may in their discretion and upon application and with good cause being shown issue permits for the movement of construction machinery or asphalt repavers being temporarily moved on streets, roads or highways and for vehicles with indivisible loads which exceed the maximum dimensions and weights specified in sections 321E 452 to 321E 466, but not to exceed the limitations imposed in sections 321E 1 to 321E 15 except as provided in sections 321E 29 and 321E 30. Vehicles permitted to transport indivisible loads may exceed the width and length limitations specified in sections 321E 454 and 321E 457 for the purpose of picking up an indivisible load or returning from delivery of the indivisible load. Permits issued may be single-trip permits or annual permits. Permits shall be in writing and shall be carried in the cab of the vehicle for which the permit has been issued and shall be available for inspection at all times. The vehicle and load for which the permit has been issued shall be open to inspection by a peace officer or an authorized agent of a permit granting authority. When in the judgment of the issuing local authority in cities and counties the movement of a vehicle with an indivisible load or construction machinery which exceeds the maximum dimensions and weights will be unduly hazardous to public safety or will cause undue damage to streets, avenues, boulevards, thoroughfares, highways, curbs, sidewalks, trees, or other public or private property, the permit shall be denied and the reasons for denial endorsed on the application. Permits issued by local authorities shall designate the days when and routes upon which loads and construction machinery may be moved within the county on other than primary roads.

321E.2 Permit-issuing authorities.
Annual permits and single-trip permits shall be issued by the authority responsible for the maintenance of the system of highways or streets. However, the department may issue permits on primary road extensions in cities in conjunction with movements on the rural primary road system. The department may issue an all-system permit under section 321E 8 which is valid for movements on all highways or streets under the jurisdiction of either the state or those local authorities which have indicated in writing to the department those streets or highways for which an all-system permit is not valid.

321E.7  Load limits per axle.
1  The gross weight on any axle of any vehicle or combination of vehicles traveling under a permit issued in accordance with the provisions of this chapter shall not exceed the maximum axle load prescribed in section 321E.463, except that, construction machinery being temporarily moved on streets, roads, or highways may have a gross weight of thirty-six thousand pounds on any single axle equipped with a minimum size twenty-six point five inch by twenty-five inch flotation pneumatic tires and a maximum gross weight of twenty thousand pounds on any single axle equipped with minimum size eighteen inch by twenty-five inch flotation pneumatic tires, with the department authorized to adopt rules to permit the use of tire sizes and weights within the minimum and maximum specifications provided in this section, provided that the total gross weight of the vehicle or a combination of vehicles does not exceed a maximum of one hundred twenty-six thousand pounds, and except that a manufacturer of machinery or equipment manufactured or assembled in Iowa may be granted a permit for the movement of such machinery or equipment mounted on pneumatic tires with axle loads exceeding the maximum axle load prescribed in section 321E.463 for distances not to exceed twenty-five miles at a speed not greater than twenty miles per hour. The movement of such machinery or equipment shall be over a specified route between the place of assembly or manufacture and a storage area, shipping point, proving ground, experimental area, weighing station, or another manufacturing plant.
2  Special mobile equipment, as defined in section 321E.1, subsection 17, is not subject to the requirements for distance in feet between the extremes of any group of axles or the extreme axles of the vehicle or combination of vehicles as required by this chapter when being moved upon the highways, except the interstate road system, as defined in section 306.3, subsection 3
3  Trailers registered in the state as of March 31, 1983 for the 1983 registration year used exclusively in the transportation of soil conservation equipment are not subject to the requirements for distance in feet between the extremes of any group of axles or the extreme axles of the vehicle or combination of vehicles as are required under section 321E.463, except on the interstate road system as defined in section 306.3, subsection 3.

CHAPTER 321J

OPERATING WHILE INTOXICATED

1986 Iowa Acts, ch 1220 applies to any judicial or administrative action which arises due to violation of a section of that chapter or an implementing rule, and which occurs after July 1, 1986. References in chapter 321J to actions which occurred previously under "this chapter" or "this section" include the preceding Code chapter or section which covers the same or substantially similar actions, 86 Acts, ch 1220, §51, 52, see Tables of Corresponding Sections at the end of Vol III.

86 Acts, ch 1220, §1

§321J.2 Operating while under the influence of alcohol or a drug or while having an alcohol concentration of .10 or more. (OWI)
1. A person commits the offense of operating while intoxicated if the person operates a motor vehicle in this state in either of the following conditions:
a. While under the influence of an alcoholic beverage or other drug or a combination of such substances.
b. While having an alcohol concentration as defined in section 321J.1 of .10 or more.
2. A person who violates this section commits:
a. A serious misdemeanor for the first offense and shall be imprisoned in the county jail for not less than forty-eight hours to be served as ordered by the court, less credit for any time the person was confined in a jail or detention facility following arrest, and assessed a fine of not less than five hundred dollars nor more than one thousand dollars. As an alternative to a portion or all of the fine, the court may order the person to perform not more than two hundred hours of unpaid community service. The court may accommodate the sentence to the work schedule of the defendant.
b. An aggravated misdemeanor for a second offense and shall be imprisoned in the county jail or community-based correctional facility not less than seven days, which minimum term cannot be suspended notwithstanding section 901.5, subsection 3 and section 907.3, subsection 2, and assessed a fine of not less than seven hundred fifty dollars.
c. A class "D" felony for a third offense and each subsequent offense and shall be imprisoned in the county jail or community-based correctional facility for not less than thirty days, which minimum term cannot be suspended notwithstanding section 901.5, subsection 3, and section 907.3, subsection 2, and assessed a fine of not less than seven hundred fifty dollars.
3. No conviction for, deferred judgment for, or plea of guilty to, a violation of this section which occurred more than six years prior to the date of the violation charged shall be considered in determining that the violation charged is a second, third, or subsequent offense. For the purpose of determining if a violation charged is a second, third, or subsequent offense, deferred judgments pursuant to section 907.3 for violations of this section and convictions or the equivalent of deferred judgments for violations in any other states under statutes substantially corresponding to this section shall be counted as previous offenses. The courts shall judicially notice the statutes of other states which define offenses substantially equivalent to the one defined in this section and can therefore be considered corresponding statutes. Each previous violation shall be considered a separate previous offense without regard to whether each was complete as to commission and conviction or deferral of judgment following or prior to any other previous violation.
4. A person shall not be convicted and sentenced for more than one violation of this section if the violation is shown to have been committed by either or both of the means described in subsection 1 in the same occurrence.
5. The clerk of court shall immediately certify to the department a true copy of each order entered with respect to deferral of judgment, deferral of sentence or pronouncement of judgment and sentence for a defendant under this section.
6. This section does not apply to a person operating a motor vehicle while under the influence of a drug if the substance was prescribed for the person and was taken under the prescription and in accordance with the directions of a medical practitioner as defined in section 155.3, subsection 11, if there is no evidence of the consumption of alcohol and the medical practitioner had not directed the person to refrain from operating a motor vehicle.
7. In any prosecution under this section, evidence of the results of analysis of a specimen of the defendant's blood, breath, or urine is admissible upon proof of a proper foundation. The alcohol concentration established by the results of analysis of a specimen of the defendant's blood, breath, or urine withdrawn within two hours after the defendant was driving or in physical control of a motor vehicle is presumed to be the alcohol concentration at the time of driving or being in physical control of the motor vehicle.
8. The court shall order a defendant convicted of or receiving a deferred judgment for a violation of this section to make restitution, in an amount not to exceed two thousand dollars, for damages resulting directly from the violation. An amount paid pursuant to this restitution order shall be credited toward any adverse judgment in a subsequent civil proceeding arising from the same occurrence. However, other than establishing a credit, a restitution proceeding pursuant to this section shall not be given evidentiary or preclusive effect in a subsequent civil proceeding arising from the same occurrence.
9. In any prosecution under this section, the results of a chemical test may not be used to prove a violation of paragraph "b" of subsection 1 if the alcohol concentration indicated by the chemical test minus the established margin of error inherent in the device or method used to conduct the chemical test does not equal an alcohol concentration of .10 or more.

86 Acts, ch 1220, §2

§321J.3 Court ordered substance abuse evaluation or treatment.
1. On a conviction for a violation of section 321J.2, the court may order the defendant to attend a course for drinking drivers under section 321J.22. If the defendant submitted to a chemical test on arrest for the violation of section 321J.2 and the test indicated an alcohol concentration of .20 or higher, the court shall
or nonresident operating privilege has not been revoked under section 321J.9 or 321J.12 for the occurrence from which the arrest arose, the department shall revoke the defendant's motor vehicle license or nonresident operating privilege for one hundred eighty days if the defendant has had no previous conviction under section 321J.2 or revocation under section 321J.9 or 321J.12 within the previous six years and for one year if the defendant has had one or more previous convictions or revocations under those sections within the previous six years.

2. If the court defers judgment pursuant to section 907.3 for a violation of section 321J.2, the court shall order the department to revoke the defendant's motor vehicle license or nonresident operating privilege for a period of not less than thirty days nor more than ninety days if the defendant's motor vehicle license or nonresident operating privilege has not been revoked under section 321J.9 or 321J.12 for the occurrence from which the arrest arose. The court shall immediately require the defendant to surrender to it all Iowa licenses or permits held by the defendant, which the court shall forward to the department with a copy of the order deferring judgment.

3. a. Upon a plea or verdict of guilty of a third or subsequent violation of section 321J.2, the court shall order the department to revoke the defendant's motor vehicle license or nonresident operating privilege for a period of six years. The court shall require the defendant to surrender to it all Iowa licenses or permits held by the defendant, which the court shall forward to the department with a copy of the order for revocation.

b. After two years from the date of the order for revocation, the defendant may apply to the court for restoration of the defendant's eligibility for a motor vehicle license. The application may be granted only if all of the following are shown by the defendant by a preponderance of the evidence:

1. The defendant has completed an evaluation and, if recommended by the evaluation, a program of treatment for chemical dependency and is recovering, or has substantially recovered, from that dependency or tendency to abuse alcohol or drugs.

2. The defendant has not been convicted, since the date of the revocation order, of any subsequent violations of section 321J.2 or 123.46, or any comparable city or county ordinance, and the defendant has not, since the date of the revocation order, submitted to a chemical test under this chapter that indicated an alcohol concentration as defined in section 321J.1 of 10 or more, or refused to submit to chemical testing under this chapter.

3. The defendant has abstained from the excessive consumption of alcoholic beverages and the consumption of controlled substances, except at the direction of a licensed physician or pursuant to a valid prescription.

4. The defendant's motor vehicle license is not currently subject to suspension or revocation for any other reason.

c. The court shall forward to the department a record of any application submitted under paragraph "b" and the results of the court's disposition of the application.

4. Upon a plea or verdict of guilty of a violation of

section 321J.4 which involved a personal injury, the court shall determine in open court, from consideration of the information in the file and any other evidence the parties may submit, whether a serious injury was sustained by any person other than the defendant and, if so, whether the defendant's conduct in violation of section 321J.2 caused the serious injury. If the court so determines, the court shall order the department to revoke the defendant's motor vehicle license or nonresident operating privilege for a period of one year in addition to any other period of suspension or revocation. The defendant shall surrender to the court any Iowa license or permit and the court shall forward it to the department with a copy of the order for revocation.

5 Upon a plea or verdict of guilty of a violation of section 321J.2 which involved a death, the court shall determine in open court, from consideration of the information in the file and any other evidence the parties may submit, whether a death occurred and, if so, whether the defendant's conduct in violation of section 321J.2 caused the death. If the court so determines, the court shall order the department to revoke the defendant's motor vehicle license or nonresident operating privilege for a period of six years. The defendant shall surrender to the court any Iowa license or permit and the court shall forward it to the department with a copy of the order for revocation.

6 If a license or permit to operate a motor vehicle is revoked or denied under this section or section 321J.9 or 321J.12, the period of revocation or denial shall be the period provided for such a revocation or until the defendant reaches the age of eighteen whichever period is longer.

86 Acts, ch 1220, §4

321J.5 Preliminary screening test.

When a peace officer has reasonable grounds to believe that a motor vehicle operator may be violating or has violated section 321J.2, or the operator has been involved in a motor vehicle collision resulting in injury or death, the peace officer may request the operator to provide a sample of the operator's breath for a preliminary screening test using a device approved by the commissioner of public safety for that purpose. The results of this preliminary screening test may be used for the purpose of deciding whether an arrest should be made and whether to request a chemical test authorized in this chapter, but shall not be used in any court action except to prove that a chemical test was properly requested of a person pursuant to this chapter.

86 Acts, ch 1220, §5

321J.6 Implied consent to test.

1 A person who operates a motor vehicle in this state under circumstances which give reasonable grounds to believe that the person has been operating a motor vehicle in violation of section 321J.2 is deemed to have given consent to the withdrawal of specimens of the person's blood, breath, or urine and to a chemical test or tests of the specimens for the purpose of determining the alcohol concentration or presence of drugs, subject to this section. The withdrawal of the body substances and the test or tests shall be administered at the written request of a peace officer having reasonable grounds to believe that the person was operating a motor vehicle in violation of section 321J.2, and if any of the following conditions exist:

   a A peace officer has lawfully placed the person under arrest for violation of section 321J.2.

   b The person has been involved in a motor vehicle accident or collision resulting in personal injury or death.

   c The person has refused to take a preliminary breath screening test provided by this chapter.

   d The preliminary breath screening test was administered at the request of a person pursuant to this chapter.

   e The preliminary breath screening test was administered at the request of a person pursuant to this chapter.

   f The preliminary breath screening test was administered at the request of a person pursuant to this chapter.

   g The preliminary breath screening test was administered at the request of a person pursuant to this chapter.

   h The preliminary breath screening test was administered at the request of a person pursuant to this chapter.

   i The preliminary breath screening test was administered at the request of a person pursuant to this chapter.

   j The preliminary breath screening test was administered at the request of a person pursuant to this chapter.

   k The preliminary breath screening test was administered at the request of a person pursuant to this chapter.

   l The preliminary breath screening test was administered at the request of a person pursuant to this chapter.

   m The preliminary breath screening test was administered at the request of a person pursuant to this chapter.

2 Notwithstanding subsection 1, if the peace officer has reasonable grounds to believe that the person was under the influence of a drug other than alcohol or a combination of alcohol and another drug, a urine test may be required even after a blood or breath test has been administered. Section 321J.9 applies to a refusal to submit to a chemical test of urine requested under this subsection.

86 Acts, ch 1220, §6

321J.7 Dead or unconscious persons.

A person who is dead, unconscious, or otherwise in a condition rendering the person incapable of consent or refusal is deemed not to have withdrawn the consent provided by section 321J.6, and the test may be given if a licensed physican certifies in advance of the test that the person is dead, unconscious, or otherwise in a condition rendering the person incapable of consent or refusal.

86 Acts, ch 1220, §7

321J.8 Statement of officer.

A person who has been requested to submit to a chemical test shall be advised by a peace officer of the following:

1 If the person refuses to submit to the test, the person's license or operating privilege will be revoked by the department for the applicable period under section 321J.9.

2 If the person submits to the test and the results indicate an alcohol concentration as defined in section 321J.1 of 10 or more, the person's license or operating privilege will be revoked by the department for the applicable period under section 321J.12.

This section does not apply in any case involving a person described in section 321J.7.

86 Acts, ch 1220, §8
321J.9 Refusal to submit — revocation.

If a person refuses to submit to the chemical testing, a test shall not be given, but the department, upon the receipt of the peace officer's certification, subject to penalty for perjury, that the officer had reasonable grounds to believe the person to have been operating a motor vehicle in violation of section 321J.2, that specified conditions existed for chemical testing pursuant to section 321J.6, and that the person refused to submit to the chemical testing, shall revoke the person's motor vehicle license and any nonresident operating privilege for a period of two hundred forty days if the person has no previous revocation within the previous six years under this chapter, and five hundred forty days if the person has one or more previous revocations within the previous six years under this chapter, or if the person is a resident without a license or permit to operate a motor vehicle in this state, the department shall deny to the person the issuance of a license or permit for the same period a license or permit would be revoked, subject to review as provided in this chapter. The effective date of revocation shall be twenty days after the department has mailed notice of revocation to the person by certified mail or, on behalf of the department, a peace officer offering or directing the administration of a chemical test may serve immediate notice of intention to revoke and of revocation on a person who refuses to permit chemical testing. If the peace officer serves that immediate notice, the peace officer shall take the Iowa license or permit of the driver, if any, and issue a temporary license effective for only twenty days. The peace officer shall immediately send the person's license to the department along with the officer's certificate indicating the person's refusal to submit to chemical testing.

§321J.10 Tests pursuant to warrants.

1 Refusal to consent to a test under section 321J.6 does not prohibit the withdrawal of a specimen for chemical testing pursuant to a search warrant issued in the investigation of a suspected violation of section 707.5 if all of the following grounds exist:
   a A traffic accident has resulted in a death or personal injury reasonably likely to cause death
   b There are reasonable grounds to believe that one or more of the persons whose driving may have been the proximate cause of the accident was violating section 321J.2 at the time of the accident

2 Search warrants may be issued under this section in full compliance with chapter 808 or they may be issued under subsection 3

3 Notwithstanding section 808.3, the issuance of a search warrant under this section may be based upon sworn oral testimony communicated by telephone if the magistrate who is asked to issue the warrant is satisfied that the circumstances make it reasonable to dispense with a written affidavit. The following shall then apply:
   a When a caller applies for the issuance of a warrant under this section and the magistrate becomes aware of the purpose of the call, the magistrate shall place under oath the person applying for the warrant
   b The person applying for the warrant shall prepare a duplicate warrant and read the duplicate warrant, verbatim, to the magistrate who shall enter, verbatim, what is read to the magistrate on a form that will be considered the original warrant. The magistrate may direct that the warrant be modified
   c The oral application testimony shall set forth facts and information tending to establish the existence of the grounds for the warrant and shall describe with a reasonable degree of specificity the person or persons whose driving is believed to have been the proximate cause of the accident and from whom a specimen is to be withdrawn and the location where the withdrawal of the specimen or specimens is to take place
   d If a voice recording device is available, the magistrate may record by means of that device all of the call after the magistrate becomes aware of the purpose of the call. Otherwise, the magistrate shall cause a stenographic or longhand memorandum to be made of the oral testimony of the person applying for the warrant
   e If the magistrate is satisfied from the oral testimony that the grounds for the warrant exist or that there is probable cause to believe that they exist, the magistrate shall order the issuance of the warrant by directing the person applying for the warrant to sign the magistrate's name on the duplicate warrant. The magistrate shall immediately sign the original warrant and enter on its face the exact time when the issuance was ordered
   f The person who executes the warrant shall enter the time of execution on the face of the duplicate warrant
   g The magistrate shall cause any record of the call made by means of a voice recording device to be transcribed, shall certify the accuracy of the transcript, and shall file the transcript and the original record with the clerk. If a stenographic or longhand memorandum was made of the oral testimony of the person who applied for the warrant, the magistrate shall file a signed copy with the clerk.
   h The clerk of court shall maintain the original and duplicate warrants along with the record of the telephone call and any transcript or memorandum made of the call in a confidential file until a charge, if any, is filed

4 Search warrants issued under this section shall authorize and direct peace officers to secure the withdrawal of blood specimens by medical personnel under section 321J.11. Reasonable care shall be exercised to ensure the health and safety of the persons from whom specimens are withdrawn in execution of the warrants. If a person from whom a specimen is to be withdrawn objects to the withdrawal of blood, and the person is capable of giving a specimen of breath, and a direct breath testing instrument is readily available, the warrant may be executed by the withdrawal of a specimen of breath for chemical testing.

5 The act of any person knowingly resisting or obstructing the withdrawal of a specimen pursuant to a search warrant issued under this section constitutes a contempt punishable by a fine not exceeding one thousand dollars or imprisonment in a county jail not exceeding one year or by both such fine and imprisonment. Also, if the withdrawal of a specimen is so resisted or obstructed, sections 321J.9 and 321J.16 apply.

6 Nonsubstantive variances between the contents
of the original and duplicate warrants shall not cause a warrant issued under subsection 3 of this section to be considered invalid.

7. Specimens obtained pursuant to warrants issued under this section are not subject to disposition under section 808.9 or chapter 809.

8. Subsections 1 to 7 of this section do not apply where a test may be administered under section 321J.7.

9. Medical personnel who use reasonable care and accepted medical practices in withdrawing blood specimens are immune from liability for their actions in complying with requests made of them pursuant to search warrants or pursuant to section 321J.11.

86 Acts, ch 1220, §10

321J.10

321J.11 Taking sample for test.

Only a licensed physician, physician's assistant as defined in section 148C.1, subsection 6, medical technologist, or registered nurse, acting at the request of a peace officer, may withdraw a specimen of blood for the purpose of determining the alcohol concentration or the presence of drugs. However, any peace officer, using devices and methods approved by the commissioner of public safety, may take a specimen of a person's breath or urine for the purpose of determining the alcohol concentration or the presence of drugs. Only new equipment kept under strictly sanitary and sterile conditions shall be used for drawing blood.

The person may have an independent chemical test or tests administered at the person's own expense in addition to any administered at the direction of a peace officer. The failure or inability of the person to obtain an independent chemical test or tests does not preclude the admission of evidence of the results of the test or tests administered at the direction of the peace officer. Upon the request of the person who is tested, the results of the test or tests administered at the direction of the peace officer shall be made available to the person.

86 Acts, ch 1220, §11

321J.12 Test result revocation.

Upon certification, subject to penalty for perjury, by the peace officer that there existed reasonable grounds to believe that the person had been operating a motor vehicle in violation of section 321J.2, that there existed one or more of the necessary conditions for chemical testing described in section 321J.6, subsection 1, and that the person submitted to chemical testing and the test results indicated an alcohol concentration as defined in section 321J.1 of .10 or more, the department shall revoke the person's motor vehicle license or nonresident operating privilege for a period of one hundred eighty days if the person has had no revocation within the previous six years under this chapter, and one year if the person has had one or more previous revocations within the previous six years under this chapter.

The effective date of the revocation shall be twenty days after the department has mailed notice of revocation to the person by certified mail. The peace officer who requested or directed the administration of the chemical test may, on behalf of the department, serve immediate notice of revocation on a person whose test results indicated an alcohol concentration of .10 or more.

If the peace officer serves that immediate notice, the peace officer shall take the person's Iowa license or permit, if any, and issue a temporary license valid only for twenty days. The peace officer shall immediately send the person's driver's license to the department along with the officer's certificate indicating that the test results indicated an alcohol concentration of .10 or more.

The results of a chemical test may not be used as the basis for a revocation of a person's motor vehicle license or nonresident operating privilege if the alcohol concentration indicated by the chemical test minus the established margin of error inherent in the device or method used to conduct the chemical test does not equal an alcohol concentration of .10 or more.

86 Acts, ch 1220, §12

321J.13 Hearing on revocation — appeal.

1. Notice of revocation of a person's motor vehicle license or operating privilege served pursuant to section 321J.9 or 321J.12 shall include a form accompanied by a preaddressed envelope on which the person served may indicate by a checkmark if the person wishes to request a temporary restricted license only or if the person wishes a hearing to contest the revocation. The form shall clearly state on its face that the form must be completed and returned within twenty days of receipt or the person's right to a hearing to contest the revocation is foreclosed. The form shall also be accompanied by a statement of the operation of and the person's rights under this chapter.

2. The department shall grant the person an opportunity to be heard within thirty days of receipt of a request for a hearing if the request is made not later than twenty days after receipt of notice of revocation served pursuant to section 321J.9 or 321J.12. The hearing shall be before the department in the county where the alleged events occurred, unless the director and the person agree that the hearing may be held in some other county, or the hearing may be held by telephone conference at the discretion of the agency conducting the hearing. The hearing may be recorded and its scope shall be limited to the issues of whether a peace officer had reasonable grounds to believe that the person was operating a motor vehicle in violation of section 321J.2 and either of the following:

a. Whether the person refused to submit to the test or tests.

b. Whether a test was administered and the test results indicated an alcohol concentration as defined in section 321J.1 of .10 or more.

3. After the hearing the department shall order that the revocation be either rescinded or sustained. In the event that the revocation is sustained, the administrative hearing officer who conducted the hearing has authority to issue a temporary restricted license to the person whose motor vehicle license or operating privilege was revoked. Upon receipt of the decision of the department to sustain a revocation, the person contesting the revocation shall have ten days to file a request for review of the decision by the director. The director or the director's designee shall review the decision within fifteen days and shall either rescind or sustain the revocation or order a new hearing. If the director orders a new hearing, the department shall grant the person a new hearing within thirty days of the director's order.
4. A person whose motor vehicle license or operating privilege has been revoked under section 321J.9 or 321J.12 may reopen a department hearing on the revocation if the person submits a petition stating that new evidence has been discovered which provides grounds for rescission of the revocation, or if the person submits a petition stating that a criminal action on a charge of a violation of section 321J.2 filed as a result of the same circumstances which resulted in the revocation has resulted in a decision in which the court has held that the peace officer did not have reasonable grounds to believe that a violation of section 321J.2 had occurred to support a request for or to administer a chemical test or which has held the chemical test to be otherwise inadmissible or invalid. Such a decision by the court is binding on the department.

5. The department shall stay the revocation of a person's motor vehicle license or operating privilege for the period that the person is contesting the revocation under this section or section 321J.14 if it is shown to the satisfaction of the department that the new evidence is material and that there were valid reasons for failure to present it in the contested case proceeding before the department.

6. If the department fails to comply with the time limitations of this section regarding granting a hearing, review by the director or the director's designee, or granting a new hearing, and if the request for a hearing or review by the director was properly made under this section, the revocation of the motor vehicle license or operating privilege of the person who made the request for a hearing or review shall be rescinded. This subsection shall not apply in those cases in which a continuance to the hearing has been granted at the request of either the person who requested the hearing or the peace officer who requested or administered the chemical test.

86 Acts, ch 1220, §14

§321J.14  Judicial review.

Judicial review of an action of the department may be sought in accordance with the terms of the Iowa administrative procedure Act, chapter 17A. Has a contract or agreement with any manufacturer or distributor of motor vehicles or is about to enter into a contract or agreement with any manufacturer or distributor of motor vehicles, who without just, reasonable, and lawful cause therefor, has terminated within ninety days from the date of application a contract or agreement with a motor vehicle dealer in any county of the state in which the applicant proposes to engage in business;
8. Does not have a place of business within the meaning of this chapter unless applicant is a person referred to in subsection 7 of section 322.3; or

10. If it has been judicially determined that the licensee has intentionally violated any of the provisions of the Iowa consumer credit code, and the licensee continues to make consumer credit sales, consumer loans or consumer leases in violation of the Iowa consumer credit code.

It shall be sufficient cause for refusal or revocation of a license as a motor vehicle dealer in the case of a partnership or corporation if any member of the partnership or any officer or director of the corporation has committed any act or omission which would be cause for refusing or revoking a license to such person as an individual.

In considering whether or not a contract or agreement between a motor vehicle dealer and a manufacturer or distributor of motor vehicles has been terminated by such manufacturer or distributor without just and reasonable cause therefor, the department shall take into consideration the circumstances existing at the time of such termination, including the amount of business transacted by the motor vehicle dealer pursuant to the contract or agreement and prior to such termination; the investment necessarily made and the obligation necessarily incurred by the motor vehicle dealer in the performance of the dealer's part of such contract; the permanency of such investment; the reasons for such termination by such manufacturer or distributor and the fact that it is injurious to the public welfare for the business of a motor vehicle dealer to be disrupted by termination of such contract without just and reasonable cause.

Whenever the department determines to deny the application of any person for a license as a motor vehi-
icle dealer and refuses to issue a license to the person as such, the department shall enter a final order thereon, it shall upon surrender to it of the license of the motor vehicle dealer, issue to the dealer a new license appropriate to the dealer’s original application as modified by such supplemental statement.

322.9 Revocation or suspension of license.

The department may revoke or suspend the license of any retail motor vehicle dealer if, after notice and hearing, it finds that the licensee has been guilty of any act which would have been a ground for the denial of a license under section 322.6. Witnesses shall receive the same compensation provided in section 322.69 and shall be compensated from funds appropriated to the department.

The department is further authorized to revoke or suspend the license of any retail motor vehicle dealer if, after notice and hearing, it finds that such licensee has been convicted or has forfeited bail on three charges of:

1. Failing upon the sale or transfer of a vehicle to deliver to the purchaser or transferee of the vehicle sold or transferred, a manufacturer’s or importer’s certificate, or a certificate of title duly assigned, as provided in chapter 321.

322.11 Injunctions.

Whenever the department shall believe from evidence satisfactory to it that any person has or is now violating any provision of this chapter, the department may, in addition to any other remedy, bring an action in the name and on behalf of the state of Iowa against such person and any other person concerned in or in any way participating in or about to participate in practices or acts in violation of this chapter, to enjoin such person and any other person from continuing the same. In any such action, the department may apply for and on due showing be entitled to have issued the court’s subpoena, requiring forthwith the appearance of any defendant, the defendant’s agent and employees and the production of documents, books, and records which may appear necessary for the hearing of such petition to testify and give evidence concerning the acts or conduct or practices or things complained of in such application for injunction. In said action or judgment may be entered, awarding such preliminary or final injunctions as may be proper.

Any person violating any of the provisions of this chapter where a penalty is not specifically provided for shall be deemed guilty of a simple misdemeanor.  
If a retail installment contract is subject to a provision of the Iowa consumer credit code which is enforced by a criminal penalty, such penalty shall be considered to be specifically provided for a violation of this chapter. The provisions of this section shall not apply to violations under subsection 5 of section 322.3.  [C39, §5039.14; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §322.14]

1 The franchisor has good cause for termination or noncontinuance, and

2 Upon termination or noncontinuance, another franchise in the same line make will become effective in the same community, without diminution of the motor vehicle service formerly provided, or that the community cannot be reasonably expected to support such a dealership, provided, however, a franchisor may terminate a franchise for a particular line-make if the franchisor discontinues that line make and a franchisor may terminate a franchise if the franchisee's license as a motor vehicle dealer is revoked pursuant to the provisions of chapter 322.

[C71, 75, 77, 79, 81, §322A 2]

322A.3 New franchise.  
In the event that a franchisor is permitted to terminate or not continue a franchise, and is further permitted not to enter into a franchise for the line make in the community, no franchise shall thereafter be entered into for the sale of motor vehicles of that line make in the community, unless the franchisor has first established, in a hearing held under the provisions of this chapter, that there has been a change of circumstances so that the community at that time can be reasonably expected to support the dealership.

[C71, 75, 77, 79, 81, §322A 3]

322A.4 Additional franchise.  
No franchisor shall enter into any franchise for the purpose of establishing an additional motor vehicle dealership in any community in which the same line make is then represented, unless the franchisor has first established in a hearing held under the provisions of this chapter that there is good cause for such additional motor vehicle dealership under such franchise, and that it is in the public interest.

[C71, 75, 77, 79, 81, §322A 4]

322A.5 Warranties.  
Every franchisor and franchisee shall fulfill the terms of any express or implied warranty concerning the sale of a motor vehicle to the public of the line make which is the subject of a contract or franchise agreement between the parties. If it is determined by the district court that either the franchisor or franchisee, or both, have violated an express or implied warranty, the court shall add to any award or relief granted an additional award for reasonable attorney fees and other necessary expenses for maintaining the litigation.

[C71, 75, 77, 79, 81, §322A 5]

322A.6 Application filed with the department.  
If a franchisor seeks to terminate or not continue a franchise, or seeks to enter into a franchise establishing an additional motor vehicle dealership of the same line make, the franchisor shall file an application with the department for permission to terminate or not continue the franchise, or for permission to enter into a franchise for additional representation of the same line make in that community.

If the application requests permission to establish an additional motor vehicle dealership, a copy of the order shall be sent to all franchisees in the community who are then engaged in the business of offering to sell or selling the same line make. Copies of orders shall be addressed to the franchisee at the place where the business is conducted.

The department of inspections and appeals may also give notice of the franchisor's application to any other parties deemed interested persons, the notice to be in the form and substance and given in the manner the department of inspections and appeals deems appropriate.

Any person who can show an interest in the application may become a party to the hearing, whether or not that person receives notice. However, a party not receiving notice shall be limited to participation at the hearing on the question of the public interest in the
termination or continuation of the franchise or in the establishment of an additional motor vehicle dealership.

Nothing contained in this chapter shall be construed to require or authorize any investigation by the department of any matter before the department under this chapter. Upon hearing, the department of inspections and appeals shall hear the evidence introduced by the parties and shall make its decision solely upon the record so made.

The rules of civil procedure relating to discovery and inspection shall apply to hearings held under the provisions of this chapter, and the department of inspections and appeals may issue orders to give effect to such rules.

In the event issues are raised which would involve violations of any state or federal antitrust or price fixing law, all discovery and inspection proceedings which would be available under such issues in a state or federal court action shall be available to the parties to the hearing, and the department of inspections and appeals may issue orders to give effect to such proceedings.

Evidence which would be admissible under the issues in a state or federal court action is admissible in a hearing held by the department of inspections and appeals. The department of inspections and appeals shall apportion all costs between the parties.

Notwithstanding the terms, provisions or conditions of any agreement or franchise, the following shall not constitute good cause for the termination or non-continuation of a franchise, or for entering into a franchise for the establishment of an additional dealership in a community for the same line make:

1. The sole fact that franchiser desires further penetration of the market.
2. The change of ownership of the franchisee’s dealership or the change of executive management of the franchisee’s dealership, unless the franchiser, having the burden of proof, proves that such change of ownership or executive management will be substantially detrimental to the distribution of franchiser’s motor vehicles in the community.
3. The fact that the franchisee refused to purchase or accept delivery of any motor vehicle or vehicles, parts, accessories or any other commodity or service not ordered by the franchisee.

[C71, 73, 75, 77, 79, 81, §322A 11]

322A.12 Sale or transfer of ownership.
Notwithstanding the terms, provisions or conditions of any agreement or franchise, subject to the provisions of subsection 2 of section 322A 11, in the event of the sale or transfer of ownership of the franchisee’s dealership by sale or transfer of the business or by stock transfer or in the event of change in the executive management of the franchisee’s dealership the franchiser shall give effect to such a change in the franchise unless the transfer of the franchisee’s license under chapter 322 is denied or the new owner is unable to obtain a license under said chapter, as the case may be.

[C71, 73, 75, 77, 79, 81, §322A 12]

322A.13 Compulsory attendance at hearings.
The department of inspections and appeals may issue subpoenas, administer oaths, compel the attendance of witnesses and production of books, papers, documents, and all other evidence. The department of inspections and appeals may apply to the district court of the county wherein the hearing is being held for a court order enforcing this section.

[C71, 73, 75, 77, 79, 81, §322A 13, 81 Acts, ch 22, §22]

322A.14 License to dealer denied.
In the event that a franchiser enters into or attempts to enter into a franchise, whether upon termination or refusal to continue another franchise or upon the establishment of an additional motor vehicle dealership in a community where the same line make is then represented, without first complying with the provisions of this chapter, no license under chapter 322 shall be issued to that franchisee or proposed franchisee to engage in the business of selling motor vehicles manufactured or distributed by that franchiser.

[C71, 73, 75, 77, 79, 81, §322A 14]

322A.15 Guidelines.
In determining whether good cause has been established for terminating or not continuing a franchise, the department of inspections and appeals shall take into consideration the existing circumstances, including, but not limited to:

1. Amount of business transacted by the franchisee.
2. Investment necessarily made and obligations incurred by the franchisee in the performance of the franchisee’s part of the franchise.
3. Permanency of the investment.
4. Whether it is injurious to the public welfare for the business of the franchisee to be disrupted.

6. Whether the franchisee refuses to honor warranties of the franchiser to be performed by the franchisee, provided that the franchiser reimburses the franchisee for such warranty work performed by the franchisee.

7. Except as provided in section 322A.11, failure by the franchisee to substantially comply with those requirements of the franchise which are determined by the department of inspections and appeals to be reasonable and material.

8. Except as provided in section 322A.11, bad faith by the franchisee in complying with those terms of the franchise which are determined by the department of inspections and appeals to be reasonable and material.

CHAPTER 322E
NEW MOTOR VEHICLE REPAIR OR REPLACEMENT

322E.1 New motor vehicle warranties.

322E.1 New motor vehicle warranties.
1. As used in this section:
   a. "Consumer" means the original purchaser, other than for purposes of resale, of a motor vehicle for a personal, family, household, or agricultural purpose, any person to whom the motor vehicle is transferred during the duration of an express warranty applicable to the motor vehicle, and any other person entitled by the terms of the warranty to enforce the obligations of the warranty.
   b. "Motor vehicle" means a new car or pickup as defined in section 321.1.

2. If a new motor vehicle does not conform to all applicable express warranties, and the consumer reports the nonconformity to the manufacturer, its agent or its authorized dealer during the term of the express warranties or during the period of one year following the date of original delivery of the motor vehicle to a consumer, whichever period ends earlier, the manufacturer, its agent or its authorized dealer shall make repairs as are necessary to conform the vehicle to express warranties, notwithstanding the fact that repairs are made after the expiration of the term or the one-year period.

3. If the manufacturer, or its agents or authorized dealers are unable after a reasonable number of attempts to conform a motor vehicle to the applicable express warranties, the manufacturer shall replace the motor vehicle with a comparable new motor vehicle or accept return of the vehicle from the consumer and refund to the consumer the full purchase price including all collateral charges, less a reasonable allowance for the consumer's use of the vehicle. Replacement of the motor vehicle with a new motor vehicle shall only take place upon the return of the motor vehicle by the consumer accompanied by either the certificate of title free of liens, or an agreement of any lienholder to release the lien on the motor vehicle and substitute a lien on the new motor vehicle. The fact that there is a lien on the title of the motor vehicle will not be a bar to a decision by the consumer to return the motor vehicle for replacement by a comparable new motor vehicle rather than receive a refund of the purchase price, if the lienholder is or is owned by the manufacturer, is a subsidiary of the manufacturer, or is under common ownership with the manufacturer. Refunds shall be made to the consumer, and lienholder if any, as their interests may appear. A reasonable allowance for use shall be that amount directly attributable to use by the consumer prior to the first report of the nonconformity to the manufacturer, agent or dealer and during any subsequent period when the vehicle is not out of service by reason of repair. It is an affirmative defense to a claim under this section that an alleged nonconformity does not substantially impair the use and value of the motor vehicle to the consumer or that a nonconformity is the result of abuse, neglect or unauthorized modifications or alterations of a motor vehicle.

4. It shall be presumed that a reasonable number of attempts have been undertaken to conform a motor vehicle to the applicable express warranties, if the same nonconformity has been subject to repair four or more times by the manufacturer or its agents or authorized dealers within the express warranty term or during the period of one year following the date of original delivery of the motor vehicle to a consumer, whichever period ends earlier, but the nonconformity continues to exist, or if the vehicle is out of service by reason of repair for a cumulative total of thirty or more calendar days during the applicable term or period. However, the presumption shall not operate against a manufacturer unless the manufacturer has received prior direct notice of the defect from or on behalf of the consumer and has had an opportunity to correct the defect alleged. The term of an express warranty, the one-year period and the thirty-day period shall be extended by any period of time during which repair services are not available to the consumer because of a war, invasion or strike, or fire, flood or other natural disaster.

5. This section does not limit the rights or remedies which are otherwise available to a consumer under any other law.

6. If a manufacturer has established an informal
dispute settlement procedure which complies in all respects with 16 C.F.R part 703, the provisions of subsection 3 of this section concerning refunds or replacement do not apply to a consumer who has not first resorted to the dispute settlement procedure.

7 Any action brought under this section shall be commenced within six months following either the expiration of the express warranty term, or one year following the date of original delivery of the motor vehicle to a consumer, whichever is the earlier date.

8 In an action brought under this section the court may award the consumer court costs and reasonable attorney fees.

9 All new cars sold in this state shall have affixed thereto in writing at the time of delivery of the new car to the purchaser the following statement “The purchaser of this new car is protected under the warranty provisions of Iowa Code section 322E. For further information contact the Consumer Protection Division of the Iowa Attorney General’s Office.”

1 “Distributor” means a person who holds a motor fuel distributor's license or a special fuel distributor's license issued as provided in chapter 324.

2 “Franchiser” means a person who is engaged in the importation, refining or distribution of motor fuel or special fuel and who has entered into a distributor franchise or a dealer franchise.

3 “Distributor franchise” means a written agreement or contract, either written or oral, between a franchiser and a distributor when all of the following conditions are included:
   a A commercial relationship of definite duration or continuing indefinite duration is involved.
   b The distributor is granted the right to offer and sell motor fuel or special fuel that is imported, refined or distributed by the franchiser.
   c The distributor, as an independent business, constitutes a component of the franchiser's distribution system.
   d The distributor's business, or a portion of it, which is related to motor fuel or special fuel purchased from the franchiser is substantially reliant on the franchiser for the continued supply of motor fuel or special fuel.
   e The distributor's business or a portion of it, which is related to motor fuel or special fuel purchased from the franchiser is substantially associated with the franchiser's trademark, service mark, trade name, advertising or other commercial symbol designating the franchiser.

4 “Dealer” means a person, other than an employee of a distributor or franchiser, who operates, maintains or conducts a place of business from which motor fuel or special fuel is sold or offered for sale at retail to the ultimate consumer, and who holds a license, issued as provided in chapter 214, for each pump and meter operated upon the retail premises.

5 “Dealer franchise” means an agreement or contract, either written or oral, between a franchiser and a dealer or between a distributor and a dealer when all of the following conditions are included:
   a A commercial relationship of definite duration or continuing indefinite duration is involved.
   b The dealer is granted the right to offer and sell motor fuel or special fuel that is imported, refined or distributed by the franchiser or by the distributor.
   c The dealer's business is substantially reliant on the franchiser or distributor for the continued supply of motor fuel or special fuel.

6 “Motor fuel” means motor fuel as defined in chapter 324.

7 “Special fuel” means special fuel as defined in chapter 324.

8 “Retaliatory action” means action contrary to the purpose or intent of this chapter and may include

9. "Retail premises" means real estate either owned or leased by the dealer and used primarily for the sale at retail to the ultimate consumer of motor fuel or special fuel.

[C75, 77, 79, 81, §323.1]

323.2 Discontinuing distributor franchise.

Notwithstanding the terms, provisions or conditions of any distributor franchise, a franchiser shall not terminate or refuse to renew a distributor franchise except as provided in this chapter. A franchiser shall not terminate or refuse to renew a distributor franchise unless the franchiser gives to the distributor thirty days' written notice of franchiser's intent to terminate or not renew. Notice shall be given by restricted certified mail, as defined in section 618.15. If a distributor, within thirty days after the date of delivery of the notice from the franchiser, applies to the commission for a hearing under this chapter, the distributor franchise shall remain in effect pending a final order by the commission. The application filed by the distributor shall state, under oath, that the distributor's license as a motor fuel or special fuel distributor, as the case may be, has not been canceled pursuant to the provisions of chapter 324, that the distributor has not filed a petition in bankruptcy or been declared bankrupt within six months preceding the filing of the application, that the franchiser has not withdrawn entirely from the sale for resale of motor fuel and special fuel in this state, that there are no past due sums owing by the distributor to the franchiser, and that the distributor has not consented in writing to the termination or nonrenewal of the distributor franchise.

[C75, 77, 79, 81, §323.2]

323.3 Discontinuing dealer franchise.

Notwithstanding the terms, provisions, or conditions of any dealer franchise, a distributor or franchiser shall not terminate or refuse to renew a dealer franchise except as provided in this chapter. A distributor or franchiser shall not terminate or refuse to renew a dealer franchise unless the distributor or franchiser gives to the dealer thirty days' written notice of distributor's or franchiser's intent to terminate or not renew. Notice shall be given by restricted certified mail, as defined in section 618.15. If a dealer, within thirty days after the date of delivery of the notice from the distributor or franchiser, applies to the commission for a hearing under this chapter, the dealer franchise shall remain in effect pending a final order by the commission. The application filed by the dealer shall state, under oath, that the dealer's license, issued pursuant to chapter 214, for pumps and meters located on the retail premises occupied by the dealer has not been canceled, that the dealer has not filed a petition in bankruptcy or been declared bankrupt within six months preceding the filing of the application, that the franchiser or distributor has not withdrawn entirely from the sale for resale of motor fuel and special fuel in this state, that there are no past due sums owing by the dealer to the franchiser or distributor, and that the dealer has not consented in writing to the termination or nonrenewal of the dealer franchise.

[C75, 77, 79, 81, §323.3]

323.4 Continuance.

The commission may continue the date of hearing for a period of thirty days, and may upon application, but not ex parte, continue the date of hearing for an additional period of thirty days.

[C75, 77, 79, 81, §323.4]

323.5 Burden of proof.

Upon hearing, if the commission finds the statements contained in the application are true, then the franchiser or distributor that intends to terminate or not renew the distributor franchise or dealer franchise shall have the burden of proof to establish that the franchiser or distributor, as the case may be, has good cause for terminating or not renewing the franchise.

If the commission finds the statements contained in the application are not true, the application shall be denied. Nothing contained in this chapter shall be construed to require or authorize any investigation by the commission of any matter before the commission under this chapter. Upon hearing the commission shall hear the evidence introduced by the parties and shall make its decision solely upon the record made. If the commission denies the termination or nonrenewal of the franchise, it may make such further order as may be necessary to require compliance with the terms of the franchise and to prevent retaliatory action.

[C75, 77, 79, 81, §323.5]

323.6 Conditions barring change in distributor franchise.

Notwithstanding the terms, provisions or conditions of a distributor franchise, the following shall not constitute good cause for the termination or refusal to renew a distributor franchise:

1. The sole fact that the franchiser desires further penetration of the market.

2. The change of executive management of the distributor, unless the franchiser, having the burden of proof, proves that the change of executive management will be substantially detrimental to the distribution of the franchiser's motor fuels or special fuels in the area served by the distributor.

3. The sale or change of ownership of the distributor's business, unless the transfer of the distributor's license pursuant to chapter 324 is denied or the new owner is unable to obtain a license under chapter 324.

[C75, 77, 79, 81, §323.6]

323.7 Commission's guidelines.

In determining whether good cause has been established for terminating or not renewing a distributor franchise or dealer franchise, the commission shall take into consideration the existing circumstances, including, but not limited to:

1. Amount of business transacted by the distributor or dealer.

2. Investments made and obligations incurred by the distributor or dealer in performance of the franchise.

3. Permanency of the investment.
323.14 Death of franchisee

4. Whether it is injurious to the public welfare for the business of the distributor or dealer to be disrupted.
5. Ability of the distributor or dealer to timely pay financial obligations.
6. Whether the distributor or dealer has adequate equipment and qualified personnel to reasonably provide for the distribution and marketing of the motor fuel or special fuel sold to the distributor or dealer.
7. Except as provided in section 323.6, failure of the distributor to substantially comply with those requirements of the distributor franchise that are determined by the commission to be reasonable and material.
8. Failure of the dealer to substantially comply with those requirements of the dealer franchise that are determined by the commission to be reasonable and material.

[C75, 77, 79, 81, §323.7]

323.8 Compulsory attendance at hearings.

The commission may issue subpoenas, administer oaths, compel the attendance of witnesses and production of books, papers, documents and other evidence. The commission may apply to the district court of the county in which the hearing is to be held for a court order to enforce actions taken under this section.

[C75, 77, 79, 81, §323.8]

323.9 Violations.

Any person violating the provisions of this chapter is guilty of a simple misdemeanor.

[C75, 77, 79, 81, §323.9]

323.10 Intent.

The provisions of this chapter are enacted in the exercise of the police powers of this state for the purpose of protecting the health, safety and general welfare of the people of this state and because methods and practices in the marketing and distribution of motor fuel and special fuel have impaired the availability to the public of the fuel and the services supplied by distributors and dealers who have entered into a franchise agreement with their respective suppliers.

[C75, 77, 79, 81, §323.10]

323.11 Hearing.

Upon receiving an application, the commission shall order a hearing. The hearing shall be held within thirty days of receipt of the application and in accordance with the Iowa administrative procedure Act. The commission shall notify the franchiser or distributor of the time and place of the hearing. The commission may also give notice of the application to any other party the commission deems an interested person. The notice shall be in the form and substance and given in the manner determined by the commission.

Any person who can show an interest in the application may become a party to the hearing, whether or not the person receives notice; but a party not receiving notice shall be limited to participation at the hearing on the question of the public interest in the termination or continuation of the franchise.

[C75, 77, 79, 81, §323.11]

323.12 Appeal.

Appeal may be taken from the final order of the commission by either the distributor, franchiser or dealer, to the district court of the county where the distributor or dealer either resides or maintains the principal place of business, within thirty days from the time the decision is filed with the commission, by giving at least ten days' notice to the commission to be served on its chairperson or secretary in the same manner as original notices are now served, and by filing with the clerk of court a bond for costs in the sum of not less than five hundred dollars. Appeal shall be taken in accordance with the provisions of the Iowa administrative procedure Act.

[C75, 77, 79, 81, §323.12]

323.13 Waiver.

Any provision of a dealer franchise or distributor franchise which is an attempted waiver of the benefits of this chapter shall be void and unenforceable.

[C75, 77, 79, 81, §323.13]

323.14 Death of franchisee — successor — penalty.

1. It is unlawful to include in any distributor franchise or dealer franchise agreement a term which provides for the termination of the franchise by the franchiser upon the death of the franchisee if the franchiser, prior to his or her death, designates a successor-in-interest in a form prescribed by and delivered to the franchiser. For the purposes of this section, "successor-in-interest" is restricted to either a surviving spouse or adult child of the franchisee who, at the time of the franchisee's death, is able to meet reasonable qualifications then being required of distributors or dealers by the franchiser.

2. The successor-in-interest designated as provided in subsection 1 shall have twenty-one days after the death of the franchisee to give written notice of an election to assume and operate the franchise. The notification shall contain such information regarding business experience and credit worthiness as is reasonably required by the franchiser. The successor-in-interest must offer to assume and commence operation of the franchise within ten days after the franchiser approves the assumption.

3. The franchise available to the successor-in-interest pursuant to this section shall be the same as that which existed in the name of the deceased franchisee at the time of the franchisee's death.

4. A franchisee may designate a primary and one alternate successor-in-interest. The alternate, if one is designated, has no rights under this section in the event of an exercise of rights by the primary successor-in-interest. If an alternate desires to assume and operate the franchise in the event the primary successor-in-interest fails to do so, the alternate must give notice of such election and otherwise comply with subsection 2.

5. Unless otherwise specifically provided in this section, actions to be performed by the franchiser or by the successor-in-interest under this section shall be performed within a reasonable time.

6. Following the death of a franchisee, and prior to the operation of the franchise by the successor-in-interest as provided in this section, the executor or administrator of the estate of the deceased franchisee may operate the franchise.
7. If the successor-in-interest assumes the franchise, the successor-in-interest shall account to the heirs or estate of the deceased franchisee for the value of personal property of the franchisee located at or related to the franchise.

8. If the successor-in-interest does not assume the franchise, the franchiser shall account to the heirs or the estate of the deceased franchisee for the value of branded products purchased directly from the franchiser.

9. A franchisee or successor-in-interest may commence a civil action to compel compliance by a franchiser with this section, or to obtain damages caused by a failure to comply with this section, or both, within two years after the date the franchiser fails to comply with the requirements of this section.

[C81, §323A.1]

CHAPTER 323A
PURCHASING FUEL FROM ALTERNATE SOURCES

323A.1 Definitions.
For purposes of this chapter, unless the context otherwise requires:
1. "Franchise" means a contract between a refiner and a distributor, a refiner and a retailer, a distributor and another distributor, or a distributor and a retailer under which a refiner or distributor authorizes a retailer or distributor to use, in connection with the sale, consignment, or distribution of motor fuel, a trademark which is owned or controlled by the refiner or by a refiner which supplies motor fuel to the distributor which authorizes the use. "Franchise" includes any contract under which a retailer or distributor is permitted to occupy leased premises, which premises are to be used in connection with the sale, consignment, or distribution of motor fuel under a trademark which is owned or controlled by a refiner or a refiner which supplies motor fuel to the distributor and permits the occupancy of the leased premises.
2. "Franchisor" means a refiner or distributor who authorizes or permits, under a franchise, a retailer or distributor to use a trademark in connection with the sale, consignment, or distribution of motor fuel.
3. "Franchisee" means a retailer or distributor who is authorized or permitted, under a franchise, to use a trademark in connection with the sale, consignment, or distribution of motor fuel.
4. "Motor fuel" means gasoline or diesel fuel of a type distributed for use as a fuel in self-propelled vehicles designed primarily for use on public streets, roads, and highways.
[C81, §323A.1]

323A.2 Purchase from other source.
1. The orderly flow of an adequate supply of motor fuel is declared to be essential to the economy and to the welfare of the people of this state. Therefore, in the public interest and notwithstanding the terms, provisions, or conditions of any franchise, a franchisee unable to obtain motor fuel from the franchisor may purchase the fuel from another available source, subject to subsections 2 to 5 and provided the franchisee has done all of the following:
   a. At least forty-eight hours prior to entering into an agreement to purchase motor fuel from another source, the franchisee has requested delivery of motor fuel from the franchisor and the requested motor fuel has not been delivered and the franchisor has given the franchisee notice that the franchisor is unable to provide the requested motor fuel, or prior to entering into an agreement the franchisor has stated to the franchisee that the requested motor fuel will not be delivered. The request to the franchisor for delivery shall be for a type of fuel normally provided by the franchisor to the franchisee and for a quantity of fuel not exceeding the average amount sold by the franchisee in one week, based upon average weekly sales in the three months preceding the request, except that this provision shall not restrict a franchisee from purchasing gasohol from a source other than the franchisor or limit the quantity to be purchased when the franchisor does not normally supply the franchisee with gasohol.
   b. The franchisee has requested and has been denied delivery of motor fuel sold or distributed under the trademark named in the franchise from a person other than franchisor.
   c. The franchisee has requested motor fuel from the set-aside program administered by the department of natural resources under section 93.7, subsection 9, and allocation from the set-aside program has been denied and the director of the department of natural resources determines that the franchisee has demon-
strated that a special hardship exists in the community served by the franchisee relating to the public health, safety and welfare, as specified under the rules of the department of natural resources.

2 The quantity of motor fuel requested or purchased from another source including those sources listed in subsection 1, paragraphs "b" and "c" shall not exceed the quantity requested from the franchisor.

3 At the time a franchisee enters into an agreement to purchase motor fuel from a source other than the franchisor, the franchisee shall inform the franchisor by the quickest available means.

4 If the franchisee sells motor fuel supplied from a source other than the franchisor, the franchisee shall prominently post a sign disclosing this fact to the public on each motor fuel pump used for dispensing the motor fuel. The size of the sign shall not be less than eight inches by ten inches and the letters on the sign shall be at least three inches in height.

5 A franchisee who sells motor fuel supplied from a source other than the franchisor shall fully indemnify the franchisor against any claims asserted by a user on which the claimant prevails and in which the court determines that motor fuel not acquired from the franchisor was the proximate cause of the injury.

Purchases of motor fuel in accordance with this section are not good cause for termination of a franchise.

[C81, §323A.2]

323A.3 Effective date.
The provisions of this chapter shall be applicable only to franchise agreements entered into or renewed after July 1, 1980.

Except as hereinbefore set forth, the word "received" shall be given its usual and customary meaning.

6 "Naphthas and solvents" shall mean and include those liquids which come within the distillation specifications for motor fuel set out under subsection 1, paragraph "b," but which are designed and sold for exclusive use other than as a fuel for propelling motor vehicles.

7 "Gasohol" means motor fuel containing at least ten percent alcohol distilled from cereal grains.

8 "Department" means the department of revenue and finance.

§324.3 Levy of excise tax — exemptions — refunds.

For the privilege of operating motor vehicles in this state an excise tax of fifteen cents per gallon for the period beginning July 1, 1985 and ending December 31, 1985, and sixteen cents per gallon beginning January 1, 1986, is imposed upon the use of all motor fuel used for any purpose except motor fuel containing at least ten percent alcohol distilled from cereal grains grown in the United States for the period beginning July 1, 1978 and ending June 30, 1992 and except as otherwise provided in this division.

The tax shall be paid in the first instance by the distributor upon the invoiced gallonage of all motor fuel received by the distributor in this state, within the meaning of the word "received" as defined in this division, less the deductions authorized. Thereafter, except as otherwise provided, the per gallon amount of the tax shall be added to the selling price of every gallon of such motor fuel sold in this state and shall be collected from the purchaser so that the ultimate consumer bears the burden of the tax. However, the tax shall not be imposed or collected under this division with respect to the following:

1 Motor fuel sold for export or exported from this state to any other state, territory, or foreign country.

2 Motor fuel sold to the United States or any agency or instrumentality thereof.

3 Motor fuel sold to any post exchange or other concessionaire on any federal reservation within this state, but the tax on motor fuel so sold, to the extent permitted by federal law, shall be collected by the post exchange or concessionaire, reported and paid the department.

4 Motor fuel used in the operation of an Iowa urban transit system. However, fuel sold to an Iowa urban transit system which is used for a purpose other than as specified in section 324.57, subsection 9, is not exempt from the tax.

5 Motor fuel sold to a regional transit system, the state, any of its agencies, or to any political subdivision of the state, which is used for a purpose specified in section 324.57, subsection 11 or for public purposes.

Motor fuel shall be sold tax-paid to a regional transit system, the state, Iowa, any of its agencies, or to any political subdivision of the state, including motor fuel sold for the transportation of pupils of approved public and nonpublic schools by a contract carrier who contracts with the public school under section 285.5 for the transportation of public and nonpublic school pupils under chapter 285, unless the motor fuel is delivered into storage tanks and exempt under this subsection. Tax on fuel which is used for a purpose specified in section 324.57, subsection 11, or for public purposes is subject to refund, including tax paid on motor fuel sold to the transportation of school pupils of approved public and nonpublic schools by a contract carrier who contracts with the public school under section 285.5 for the transportation of public and nonpublic school pupils under chapter 285. Claims for refunds shall be filed with the department on a quarterly basis and the director shall not grant a refund of motor fuel or special fuel tax where a claim is not filed within
§324.3

one year from the date the tax was due. The claim shall contain the number of gallons purchased, the calculation of the amount of motor fuel and special fuel tax subject to refund and any other information required by the department necessary to process the refund.

For the privilege of operating motor vehicles in this state an excise tax of fourteen cents per gallon beginning July 1, 1985 and ending December 31, 1985, and fifteen cents per gallon beginning January 1, 1986 and ending June 30, 1992, is imposed upon the use of gasohol used for any purpose except as otherwise provided in this division.

324.4 Distributor's license.

It shall be unlawful for any person to receive motor fuel within this state or to otherwise act as a distributor unless the person holds an uncanceled distributor's license issued by the department. To procure a license a distributor shall file with the department an application signed under penalty for false certificate and in such form as the department may prescribe, setting forth:

1. The name under which the distributor will transact business in the state of Iowa.
2. The location, with street number address, of the principal office or place of business of the distributor within this state.
3. The name and complete residence address of the owner or the names and addresses of the partners, if the distributor is a partnership, or the names and addresses of the principal officers, if the distributor is a corporation or association.

A license shall not be issued if the applicant is a foreign corporation, unless it is at the time properly qualified under the laws of this state to do business in this state. The department may deny the issuance of a license to an applicant who is substantially delinquent in the payment of a tax due, or the interest or penalty on the tax, administered by the department. If the applicant is a partnership, a license may be denied if a partner owes any delinquent tax, penalty or interest. If the applicant is a corporation, a license may be denied if any officer having a substantial legal or equitable interest in the ownership of the corporation owes any delinquent tax, interest or penalty of the applicant corporation.

If (a) any application for a license to transact business as a distributor in this state shall be filed by any person whose license shall have been canceled for cause at any time theretofore under the provisions of the chapter or any prior motor fuel tax law, or (b) the department shall be of the opinion that such application is not filed in good faith, or (c) the application is filed by some person as a subterfuge for the real person in interest whose license or registration shall theretofore have been canceled for cause under the provisions of this chapter or any prior motor fuel tax law, the department, after a hearing of which the applicant shall have been given fifteen days’ notice in writing and in which said applicant shall have the right to appear in person or by counsel and present testimony, shall have and is hereby given the right and authority to refuse to issue to the applicant a distributor's license.

Upon the filing of the application, a filing fee of ten dollars shall be paid to the department.

The application in proper form having been accepted for filing, the filing fee paid and the other conditions and requirements of this section and division IV having been complied with, the department shall issue to the applicant a license to transact business as a distributor in this state. The license shall remain in full force and effect until canceled as provided in this chapter.

The license shall not be assignable, and shall be valid only for the distributor in whose name issued, and shall be displayed conspicuously in the principal place of business of the distributor in this state.

The department shall keep and file all applications and bonds with an alphabetical index thereof, together with a record of all licensees.

Any person other than a distributor as hereinabove defined having bulk storage in this state for rail tank car or four thousand gallon or more transport loads of motor fuel for use or for distribution in bulk by tank truck or tank car, or both, may, subject to and upon compliance with the provisions of section 324.4, also be licensed as a distributor and thereupon for all purposes of this division shall be deemed to be the distributor with respect to any motor fuel "received" by the person while the license remains in effect.

324.6 Gasohol blenders license.

Any person other than a distributor licensed under this division who blends motor fuel containing at least ten percent alcohol distilled from agricultural products shall obtain a blender's license. The license shall be obtained by following the procedure as set forth in section 324.4 and the license shall be subject to the same restrictions as contained therein. Each blender shall maintain records as required by section 324.10 as to motor fuel, alcohol and gasohol.

[C81, §324.6]

324.7 Repealed by 66GA, ch 25, §4.

324.8 Tax reports — computation and payment of tax — credits.

For the purpose of determining the amount of the distributor's liability for the tax herein imposed, each distributor shall, not later than the last day of the month next following the month in which this division becomes effective and not later than the last day of each calendar month thereafter, file with the depart-
ment a monthly report, signed under penalty for false certificate, which shall include the following:

1. A statement of the number of invoiced gallons of motor fuel received (within the meaning of the term "received" as defined in this division) by the distributor within this state during the next preceding calendar month in such detail as is prescribed by the department and as may be necessary for the proper administration of this division.

2. A statement showing the deductions authorized in this division in such detail and with such supporting evidence as is prescribed by the department and as may be for proper administration of this division.

3. Such other information as the department may require for the enforcement of this chapter.

At the time of filing each monthly report, each distributor shall pay to the department the full amount of the motor fuel tax due from the distributor for the next preceding calendar month computed as follows:

4. From the total number of invoiced gallons of motor fuel "received" by the distributor within the state during the next preceding calendar month shall be made the following deductions:

First, the gallonage of motor fuel received and thereafter sold within the exemptions provided for in section 324.3; and second, the number of gallons of motor fuel equal to two per centum of the first three hundred thousand gallons and one per centum of all gallonage in excess of three hundred thousand gallons of invoiced gallons of motor fuel received by the distributor within this state during the next preceding calendar month after deduction provided in this subsection, this percentage being a flat allowance to cover evaporation, shrinkage, and losses, and the distributor's expenses and losses in collection, accounting for, and paying over the motor fuel tax.

5. The number of invoiced gallons remaining after the deductions hereinafter set forth shall be multiplied by the per gallon motor fuel tax rate.

6. The sum of the number of invoiced gallons of gasohol which are received tax free by the distributor during the next preceding calendar month less the number of gallons of gasohol equal to two per centum of the first three hundred thousand gallons and one per centum of all gallonage in excess of three hundred thousand gallons of gasohol received or blended by the distributor within this state during the next preceding calendar month after deduction provided in this subsection, this percentage being a flat allowance to cover evaporation, shrinkage, and losses, and the distributor's expenses and losses in collection, accounting for, and paying over the tax on gasohol.

7. The sum of the tax due under subsections 5 and 6 shall be the amount of motor fuel tax in dollars and cents due from the distributor for the next preceding calendar month. Any outstanding credit memoranda issued by the department to the distributor may be applied against the amount due.

For the purpose of determining the amount of the tax liability on alcohol blended to produce gasohol, each licensed blender shall, not later than thirty-one days following the last day of each month, file with the department a monthly report, signed under penalty for false certificate, which shall include the following: The number of gallons of gasoline blended into gasohol, the number of gallons of alcohol blended into gasohol. The amount of alcohol blended shall be multiplied by the per gallon motor fuel tax rate applicable to gasohol.

324.9 Report from persons not licensed as distributors.

Every person other than a licensed distributor, who shall purchase, bring into this state or otherwise acquire within this state motor fuel, not otherwise exempted, with respect to which such person has knowingly not paid or incurred liability to pay either to a licensee or to a dealer the motor fuel tax shall be subject with respect to the motor fuel to all the provisions of this division that apply to distributors on motor fuel received by them in this state and shall make the same reports and tax payments thereon and be subject to the same penalties for delinquent or nonreporting or delinquent or nonpayment as apply to distributors.

[C31, §5093-c2; C35, §5093-f6; C39, §5093.06; C46, 50, 54, §324.8, 324.9; C58, 62, 66, 71, 73, 75, 77, 79, 81, §324.9]

324.10 Required distributor and dealer records.

Each motor fuel distributor shall maintain and keep for a period of three years, records of all transactions by which the distributor receives, uses, sells, delivers or otherwise disposes of motor fuel within this state, together with invoices, bills of lading and other pertinent records and papers as may reasonably be required by the department for the administration of this division.

If in the normal conduct of a distributor's business the distributor's records are maintained and kept at an office outside the state of Iowa, it shall be a sufficient compliance with this section if the records are made available for audit and examination by the department at the office outside Iowa, but such audit and examination outside Iowa shall be without expense to the state.

Each dealer handling motor fuel in this state shall maintain and keep for a period of two years records of all motor fuel purchased or otherwise acquired by the dealer, together with delivery tickets, invoices, and bills of lading, and such other pertinent records as the department shall require.

The department, after an audit and examination of the records of a distributor or dealer may authorize their disposal, the authorization to be in writing after request by the distributor or dealer.

324.11 Registration of carrier transportation equipment and identification of all highway transportation equipment. Repealed by 84 Acts, ch 1174, §6.

324.12 Loading and delivery evidence on transportation equipment.

1. There shall be carried on every vehicle, while in use in transportation service, a serially numbered
manifest in form satisfactory to the department on which shall be entered the following information as to the cargo of motor fuel being moved in the vehicle. The date and place of loading, the place to be unloaded, the person for whom it is to be delivered, the nature and kind of product, the amount of product, and other information called for in the forms prescribed or approved by the department. The manifest covering each load transported, upon consummation of the delivery, shall be completed showing the date and place of actual delivery and the person to whom actually delivered and shall be kept as a permanent record for a period of three years. However, the record of the manifest of past cargoes need not be carried on the conveyance but must be preserved by the carrier for the inspection of the department. A carrier subject to this subsection may with the approval of the department when distributing for a licensee substitute the loading and delivery evidence required in subsection 2.

2 Every distributor or other person while transporting motor fuel from a refinery or marine or pipeline terminal in this state or from a point outside this state via the highways of this state in service other than that covered in subsection 1 of this section shall carry in the vehicle a loading invoice showing the true name and address of the seller or consignor, the date and place of loading and the kind and quantity of motor fuel loaded, together with invoices showing the kind and quantity of each delivery therefrom, and the name and address of each purchaser or consignee.

324.13 Evidence produced upon request.

The operator of any vehicle transporting motor fuel as covered in the preceding section shall, at the request of any sheriff, deputy sheriff or other peace officer or person authorized by law to inquire into or investigate said matters, produce and offer for inspection the manifest or loading and delivery invoices pertaining to the load and trip in question and shall permit the officer to inspect and measure the contents of the vehicle. If the vehicle operator fails to produce the covering evidence or if, when produced, it fails to contain the required information and if it appears that there is an attempt to evade payment of the motor fuel tax, then the officer or other person authorized to make the inquiry may take and impound the motor fuel together with the conveying vehicle until the tax on the motor fuel together with penalty, if an attempt to evade payment of the motor fuel tax is involved, amounting to one hundred percent of the tax have been paid. In case the tax and penalty found to be due are not paid within forty-eight hours after the taking of the property, the department may proceed to sell the vehicle and its cargo in the manner provided by law for the sale of personal property by the sheriff under execution.

324.14 Penalty for operating unregistered transport.

Repealed by 84 Acts, ch 1174, §1

1 Every railroad and common or contract motor carrier transporting motor fuel either in interstate or intrastate commerce within this state and every person transporting motor fuel by whatever manner from a point outside this state to any point in this state shall, subject to penalties for false certificate, report to the department on forms prescribed by the department all deliveries of motor fuel to points within this state other than refineries or marine or pipeline terminals. If any distributor or dealer is also engaged in the transportation of motor fuel for others, the distributor or dealer shall make the same reports as required of common and contract carriers.

The report shall cover monthly periods and shall show as to each delivery:

a The name and address of the person to whom actually and in fact made;

b The name and address of the originally named consignee, if delivered to any other than the originally named consignee;

c The point of origin, the point of delivery, and the date of delivery;

d The number and initials of each tank car and the number of gallons contained therein, if shipped by rail;

e The name of the boat, barge, or vessel, and the number of gallons contained therein, if shipped by water;

f The registration number of each tank truck and the number of gallons contained therein, if transported by motor truck;

g The manner, if delivered by other means, in which the delivery is made;

h Such additional information relative to shipments of motor fuel as the department may require.

If any person required under this section to file transportation reports is a licensee under this division and if the information required in the transportation report is contained in any other report rendered by the person under this division no separate transportation report of that information shall be required.

2 Every person operating storage facilities at a refinery or at a marine or pipeline terminal in this state shall monthly make an accounting to the department on forms prescribed by the department of all movements of motor fuel as the department may require.

3 The reports required in this section shall be for information purposes only and the department may in its discretion waive the filing of any of these reports not necessary for proper administration of this division. The reports required in this section shall be certified under penalty for false certificate and filed with the department within the time allowed for filing of distributors' reports of motor fuel received.

324.16 Credit to licensee — nonmotor vehicle or watecraft use — casualty losses — nontaxable products — refunds.

A distributor, dealer or user licensed under this
chapter who has received motor fuel or has paid the tax on motor fuel or special fuel shall be entitled to a memorandum of credit or refund, when the fuel is used for any purpose other than as fuel for propelling motor vehicles or in watercraft, or, while owned by the licensee, is lost or destroyed through accountable leakage or to fire, accident, lightning, flood, storm, act of war or public enemy or other like cause. A memorandum of credit shall be allowed against subsequent liability under this chapter upon application to the department supported by such proof as the director prescribes by rule. If the licensee is no longer engaged in activity for which the license was issued, the department shall refund the appropriate amount upon receipt of an application for refund as provided by the department. Credits and refunds shall be subject to the following conditions:

1. A credit or refund shall not be allowed with respect to any motor fuel or special fuel purchased more than three calendar months prior to the date the claim was filed with the department or three calendar months from the time the tax accrues, whichever time is longer.

2. A credit shall not be allowed which is in an amount less than ten dollars.

3. With respect to fuel which is lost or destroyed through accountable leakage or through fire, accident, lightning, flood, storm, act of war or public enemy or other like cause, the licensee shall provide the department in writing within thirty days of the loss or destruction, the following information:

   a. The amount of gallonage lost or destroyed.

   b. A notarized affidavit sworn to by the person having immediate custody of the fuel at the time of the loss or destruction setting forth in full the circumstances and amount of the loss or destruction and other such information with respect thereto as the department may require.

5. The claim shall also state whether or not the claimant used fuel in some tanks or receptacles in which the claimant kept the motor fuel on which the refund is claimed.

6. A refund will not be paid with respect to any motor fuel or special fuel taken out of state funds unless the contract for the work contains a certificate made under penalty for false certificate that the estimate, bid or price to be paid for the work includes no amount representing motor fuel or special fuel tax subject to refund.

9. If an original invoice is lost or destroyed the department may in its discretion accept a copy identified and certified by the seller as being a true copy of the original.

10. The right of a person to a refund under this section shall not be assignable. Claim shall be made by and the amount of the refund when determined by the department shall be paid to the person who purchased the motor fuel or special fuel as shown in the supporting invoice.

11. In order to verify the validity of a claim for refund the department shall have the right to require the claimant to furnish such additional proof of validity as the department may determine and to examine the books and records of the claimant. Failure of a claimant to furnish the claimant’s books and records for examination shall constitute a waiver of all rights to refund related to the transaction in question.

12. Refunds shall be made of motor vehicle fuel taxes paid on motor fuel or special fuel placed in motor
§324.17

vehicles and used, other than on public highways, in the extraction and processing of natural deposits, without regard to whether such motor vehicles are registered under section 321.18. An applicant for a refund under this subsection must maintain adequate records for a period of three years beyond the filing of the claim. The department will pay the claim upon the presentation of proof which may reasonably be required.

Each permit shall bear a separate number and each claim for refund shall bear the number of the permit under which it is made. The department shall keep a permanent record of all permits issued and a cumulative record of the amount of refund claimed and paid under each. 324.20 Posting price and discounts.

Every distributor and other person selling motor fuel in this state for resale to dealers in this state, shall keep posted in a conspicuous place most accessible to the public at their place or places of business, including bulk plants, a placard showing in legible words and figures the same height and size, the price per gallon of each grade of motor fuel offered for sale, the amount of state excise tax per gallon thereon, the federal excise tax per gallon thereon, and the total thereof. If any rebate, discount, commission, or other concession is granted by distributors or persons engaged in the sale of motor fuel for resale to dealers of such nature as will reduce the cost or price to any purchaser or dealer in such products, the conditions, quantity, and amount of such rebate, discount, commission or other concession shall be posted as a part of the posted price. All price placards shall be subject to the approval of the department. Any distributor or person failing to post or keep posted the placard required by this section, or who posts placards not approved by the department as provided in this section, or who sells any motor fuel for resale at a price which directly or indirectly, by any means or device, deviates from the posted price set forth on the price placard approved by the department, shall be guilty of a simple misdemeanor. Nothing contained herein shall prohibit or restrict the distribution of earnings to the members of any distributor or person, nor to the distribution to consumers of road maps, publicity and other advertising media carrying the name of the distributor, person, or produce. Each day the required placard remains unposted or an unauthorized placard remains posted, or each deviation from the posted price, shall be considered a separate offense. In the event of a second conviction for the violation of any of the provisions of this section, the department may revoke the license of such distributor or person so convicted.

324.21 Gasohol — credit.

Persons other than distributors licensed under this division who blend motor fuel and alcohol to produce gasohol may file for a refund for the difference between taxes paid on the motor fuel purchased to produce gasohol and the tax due on the gasohol blended. If, during any month, a person licensed as a distrib-
utor under this division uses tax paid motor fuel to blend gasohol and the refund otherwise due under this section is greater than the distributor's total tax liability for that month, the distributor will be entitled to a credit. The claim for credit shall be filed as part of the report required by section 324.8.

In order to obtain the refund established by this section, the person shall do all of the following:

1. Obtain a blender's permit as provided in section 324.18.
2. File a refund claim containing the information as required by the department and certified by the claimant under penalty for false certificate.
3. Retain invoices meeting the requirements of section 324.17, subsection 3, for the motor fuel purchased.
4. Retain invoices for the purchase of alcohol.

A refund or credit memorandum will not be issued unless the claim is filed within ninety days following the end of the month during which the gasohol was actually blended.

If a person files an incorrect refund claim, there shall be added a penalty of five percent to the amount by which the amount claimed and refunded exceeds the amount actually due. If a fraudulent refund claim is filed with intent to evade the tax, the penalty shall be fifty percent in lieu of five percent. The person shall also pay interest on the excess refunded at a rate of three fourths of one percent per month counting each fraction of a month as an entire month.

If the excess refund is repaid to the state within this state, of all fuels not taxed under division I of this chapter, by imposing an excise tax upon the receipt, delivery or placing into the fuel supply tanks of motor vehicles which are within this state and into motor vehicle special fuel holding tanks which are within this state, of all fuels not taxed under division I.

[324.32 Optional provisions of division IV of this chapter and any amendments to either shall be known, and may be cited, as the "Special Fuel Tax Law," and as so constituted is hereinafter referred to as this division.

§324.33

For the privilege of operating motor vehicles in this state, there is imposed an excise tax on the use, as defined in section 324.33, of special fuel in a motor vehicle. The tax rate on special fuel for diesel engines is sixteen and one-half cents per gallon for the period beginning July 1, 1985 and ending December 31, 1985, is seventeen and one-half cents per gallon for the period beginning January 1, 1986 and ending December 31, 1986, and is eighteen and one-half cents per gallon beginning January 1, 1987. On all other special fuel the per gallon rate is the same as the motor fuel tax.

The tax, with respect to all special fuel delivered by a special fuel dealer for use in this state as defined by section 324.33, shall attach at the time of the delivery and shall be collected by the dealer from the special fuel user and paid over to the department as provided in this chapter. The tax, with respect to special fuel acquired by a special fuel user in any manner other than by delivery by a special fuel dealer into a fuel supply tank of a motor vehicle or delivery into a motor vehicle special fuel holding tank by a special fuel dealer or distributor, attaches at the time of the use, as defined in section 324.33, of the fuel and shall be paid over to the department by the user as provided in this chapter.

All deliveries by distributors of special fuel to be used for highway use, except deliveries into a motor vehicle special fuel holding tank, must be made into storage connected to a sealed meter pump as licensed in said section. Special fuel delivered to a motor vehicle special fuel holding tank of a special fuel dealer by a distributor shall be metered upon delivery and the special fuel tax shall be collected by the distributor and paid over to the department.

The department shall make reasonable rules governing the dispensing of special fuel by distributors, special fuel dealers and licensed special fuel users. The department shall require that all pumps located at special fuel dealer locations and licensed special fuel user locations through which fuel oil or liquefied petroleum gas can be dispensed, be metered, inspected, tested for accuracy, sealed and licensed by the state department of agriculture and land stewardship, and that special fuel delivered into the fuel supply tank of any motor vehicle unless the person making the delivery receives a written statement from the recipient of the fuel which states that the recipient knows that the use of liquefied petroleum gas for highway purposes is unlawful.

Natural gas used as a special fuel the rate of tax that is equivalent to the motor fuel tax shall be three percent per hundred cubic feet adjusted to a base temperature of sixty degrees Fahrenheit and a pressure of fourteen and seventy-three hundredths pounds per square inch absolute. The tax on natural gas shall attach at the time of delivery into equipment for compressing the gas for subsequent delivery into the fuel supply tank of a motor vehicle and shall be paid over to the department by the person operating the compressing equipment through the applicable provisions for users or dealers. Natural gas used as a special fuel shall be delivered into compressing equipment through sealed meters certified for accuracy by the department of agriculture and land stewardship.

A person shall not deliver any special fuel into the fuel supply tank of a motor vehicle registered in Iowa on or after March 15, 1983 unless there is a special fuel user identification sticker affixed in a prominent place on the vehicle adjacent to the place where the special fuel is delivered into the tank or unless the motor vehicle is registered under chapter 326.

Except for deliveries to a licensed special fuel dealer or licensed special fuel user or deliveries on which the special fuel tax is paid at the time of delivery it is unlawful to deliver liquefied petroleum gas into any tank which has a valve or other outlet capable of transferring the liquefied petroleum gas into the fuel supply tank of a motor vehicle unless the person making the delivery receives a written statement from the recipient of the fuel which states that the recipient knows that the use of liquefied petroleum gas for highway purposes is unlawful.

Tax on special fuel sold to a regional transit system, the state of Iowa, any of its agencies, or any political subdivisions of the state if the fuel is used for a purpose specified in section 324.57, subsection 11 or for public purposes is subject to refund, including tax paid on special fuel sold for the transportation of school pupils of approved public and nonpublic schools by a contract carrier who contracts with the public school under section 285.5 for the transportation of public...
and nonpublic school pupils under chapter 285. Claims shall be filed in accordance with the claims for motor fuel tax refunds provided by section 324.3.

No tax is imposed under this division on special fuel used in the operation of an Iowa urban transit system, except that special fuel sold to an Iowa urban transit system which is used for any purpose other than as specified in section 324.57, subsection 9, is not exempt from the tax.

A tax shall not be imposed under this division and sections 324.34, 324.36, and 324.38 are not applicable if special fuel is sold to the state, any of its agencies, a regional transit system, or a political subdivision of the state when the special fuel is delivered into storage tanks, regardless of size, and all of the special fuel is used for public purposes or for a purpose specified in section 324.57, subsection 11.

324.36 Special fuel distributors', special fuel dealers' and special fuel users' licenses.

1. Required. It is unlawful for a person to act as a special fuel dealer in this state unless the person holds a special fuel dealer's license issued to the person by the department, except as provided in this section. A person who holds a special fuel distributor's license may dispense special fuel into a motor vehicle special fuel holding tank without obtaining a special fuel dealer's license. Except for special fuel which is delivered by a special fuel dealer into a fuel supply tank of a motor vehicle or into a motor vehicle special fuel holding tank in this state or delivered by a special fuel distributor into a motor vehicle special fuel holding tank, the use of special fuel in this state by a person is unlawful unless the person holds a special fuel user's license issued to the person by the department. It is unlawful for a person to sell special fuel in this state in bulk for highway use without first obtaining a special fuel distributor's license. The license shall be issued under the same procedure and subject to the same requirements and limitations as provided in section 324.4.

2. Application. Application for a special fuel dealer's license or a special fuel user's license shall be made to the department. A special fuel dealer's license or a special fuel user's license, whichever is applicable, shall be required for each separate place of business or location where special fuels are regularly delivered or placed into the fuel supply tank of a motor vehicle. Provided, that if a special fuel dealer also operates one or more bulk plants from which the distribution of a special fuel is primarily by tank vehicle, the special fuel dealer need not obtain a separate license for any of these plants not provided with fixed equipment designed for fueling vehicles. Upon written application and at the discretion of the director, a special fuel user whose business operations require mobile special fuel storage may obtain a single special fuel user's license to be issued to the user's permanent principal place of business.

3. Form of application. The application shall be filed upon a form prepared and furnished by the department and shall contain such information as the department deems necessary.

4. Issuance Upon receipt of the application, the department shall issue to the applicant a license to act as a special fuel dealer or a special fuel user; provided, however, the department may refuse to issue a special fuel dealer's license or a special fuel user's license to any person: (a) who formerly held either type of license and which has been revoked for cause; or (b) who is a subterfuge for the real party in interest whose license has been revoked for cause; or (c) upon other sufficient cause being shown. Before refusal, the department shall grant the applicant a hearing and give the applicant at least fifteen days' written notice of the time and place thereof.

5. Expiration of license. Each special fuel dealer's license and special fuel user's license shall be valid until suspended or revoked for cause or otherwise canceled.

6. Assignment forbidden. A special fuel dealer's license or special fuel user's license shall not be transferable.

324.37 Special fuel distributors', special fuel dealers' and special fuel users' records.

1. Special fuel distributors shall prepare and maintain with respect to the special fuel the same records as provided in section 324.10 for motor fuel distributors, subject to the same requirements.

2. For each location where special fuel is delivered or placed into the fuel supply tank of a motor vehicle, the special fuel dealer or user making the delivery shall prepare and maintain for a period of three years such records as the department may reasonably require with respect to all these deliveries, and with respect to inventories, receipts, purchases, and sales or other dispositions of special fuel.

[C27, 31, §5093-a8; C35, §5093-f14; C39, §5093.14; C46, 50, 54, §324.25–324.29; C58, 62, 66, 71, 73, 75, 77, 79, 81, §324.37]

324.38 Returns and tax payments.

1. Returns for licensed dealers and users. For the purpose of determining the amount of liability for special fuel tax each special fuel dealer and each special fuel user shall file with the department not later than the last day of the month next following the month in which this division becomes effective and not later than the last day of each calendar month thereafter a monthly tax return certified under penalties for false certificate. The return shall show, with reference to each location at which special fuel is delivered or placed by the dealer or user into a fuel supply tank of any motor vehicle during the next preceding calendar month, such information as the department may reasonably require for the proper administration and enforcement of this division. However, if a special fuel dealer or user is also a wholesale distributor of special fuel at a location where special fuel is delivered into the supply tank of a motor vehicle, the monthly return to the department covering the location need not include inventory control data covering bulk storage from which wholesale distribution of special fuel is made.
§324.38

2 Computation. The amount of tax due shall be computed by multiplying the appropriate tax rate per gallon by the number of gallons of special fuel delivered or placed by the special fuel dealer or user into supply tanks of motor vehicles.

3 Payments. The return shall be accompanied by remittance in the amount of the tax due for the month in which the special fuel was placed in the fuel tanks of motor vehicles.

4 Quarterly returns and tax payment by special fuel distributors. For the purpose of determining the amount of the tax liability for special fuel tax, each special fuel distributor licensed under this chapter shall file with the department, not later than the last day of the month next following each calendar quarter, a quarterly tax return certified under penalties for false certificate. The return shall show the total amount of special fuel sold during the quarter, the amount of special fuel sold for nonhighway use, the amount of fuel sold to licensed special fuel dealers and users, the amount of special fuel delivered into motor vehicle special fuel holding tanks, the amount of tax due, and such other pertinent information required by the department. The amount of tax due shall be computed by multiplying the appropriate tax rate per gallon by the number of gallons of special fuel delivered or placed by the special fuel distributor into the motor vehicle special fuel holding tanks. The return shall be accompanied by a remittance in the amount of the tax due for the quarter.

5 Exemption for fueling by licensed dealers or distributors. If the purchase of special fuel within this state by a person not required to be licensed under this division is purchased solely in one or more of the following manners, the person need not file a return:

a Special fuels purchased tax paid and delivered into the fuel supply tank of the user's motor vehicle by licensed special fuel dealers.

b Special fuels purchased tax paid and delivered into the user's motor vehicle special fuel holding tanks by licensed special fuel dealers.

c Special fuels purchased tax paid and delivered into the user's motor vehicle special fuel holding tanks by licensed special fuel distributors.

d Special fuel delivered by a special fuel distributor into the fuel supply tank of a motor vehicle which is stranded, provided the delivery is limited to twenty gallons and the distributor collects and remits the tax to the department.

6 Presumption. For purposes of this section there shall be a prima-facie presumption that all special fuel received by a special dealer or special fuel user into storage and dispensing equipment designed to fuel motor vehicles is to be delivered by the special fuel dealer or special fuel user into the fuel supply tanks of motor vehicles.

324.50 Short title.

This division and applicable provisions of division IV of this chapter and any amendments to either shall be known and may be cited as the "Interstate Fuel Use Tax Law," and as so constituted is hereinafter referred to as this division.

324.51 Purpose.

The purpose of this division is to provide an additional method of collecting fuel taxes from interstate motor vehicle operators commensurate with their operations on Iowa highways, and to permit the state department of transportation to suspend this collection as to transportation entering Iowa from any other state where it appears that Iowa highway fuel tax revenue and interstate highway transportation moving out of Iowa will not be unduly prejudiced thereby.

[C27, 31, §4755-b38, 5093 a1, C35, §5093-f3, C39, §5093.03; C46, 50, 54, §324 2, C58, 62, 66, 71, 73, 75, 77, 79, 81, §324 51]

324.52 Fuels imported in supply tanks of motor vehicles.

No person shall bring into this state in the fuel supply tanks of a commercial motor vehicle, or any other container, regardless of whether or not the supply tanks are connected to the motor of the vehicle, any motor fuel or special fuel to be used in the operation of the vehicle in this state unless that person has paid or made arrangements in advance with the state department of transportation for payment of Iowa fuel taxes on the gallonage consumed in operating the vehicle in this state, except that this division shall not apply to a private passenger automobile.

Any person who is unable to display either of the permits provided in section 324 53 and brings into the state in the fuel supply tanks of a commercial motor vehicle more than thirty gallons of motor fuel or special fuel in violation of the provisions of the preceding paragraph is guilty of a simple misdemeanor.

[C35, §5093 f19, C39, §5093.19; C46, 50, 54, §324 34, 324 37, C58, 62, 66, 71, 73, 75, 77, 79, 81, §324 52]

324.53 Permit.

The advance arrangements referred to in the preceding section shall include the procuring of a permanent interstate fuel permit or single trip interstate permit.

Persons choosing not to make advance arrangements with the state department of transportation by procuring a permit are not relieved of their responsibility to purchase motor fuel and special fuel commensurate with their use of the state's highway system. When there is reasonable cause to believe that there is evasion of the fuel tax on commercial motor vehicles, the state department of transportation may audit persons not holding a permit. Audits shall be conducted pursuant to section 324 55. The state department of transportation shall collect all taxes due and refund any overpayment.

A permanent permit may be obtained upon application to the state department of transportation. A fee of ten dollars shall be charged for each permit issued.
The holder of a permanent permit shall have the privilege of bringing into this state in the fuel supply tanks of commercial motor vehicles any amount of motor fuel or special fuel to be used in the operation of the vehicles and for that privilege shall pay Iowa motor fuel or special fuel taxes as provided in section 324.54. A single trip interstate permit may be obtained from the state department of transportation. A fee of twelve dollars shall be charged for each individual single trip interstate permit issued. A single trip interstate permit is subject to the following provisions and limitations:

1. The permit shall be issued and be valid for seventy-two consecutive hours, except in emergencies, or until the time of leaving the state, whichever first occurs.

2. The permit shall cover only one commercial motor vehicle and is not transferable.

3. Single trip interstate fuel permits may be made available from sources other than indicated in this section at the discretion of the state department of transportation.

Each vehicle operated into or through Iowa in interstate operations using motor fuel or special fuel acquired in any other state shall carry in or on the vehicle a duplicate or evidence of the permit required in this section. A fee not to exceed fifty cents shall be charged for each duplicate or other evidence of permit issued.

Application for a refund of fuel tax under this division shall be made to the state department of transportation for a refund, the contrary, except as provided in this section, not later than the last day of the month following the quarter reported, and each quarter thereafter. These reports shall be required of all persons who have been issued a permit under this division and shall cover actual operation and fuel consumption in Iowa on the basis of the permit holder's average consumption of fuel in Iowa, determined by the total miles traveled and the total fuel purchased and consumed for highway use by the permittee's commercial motor vehicles in the permittee's entire operation in all states to establish an overall miles per gallon ratio, which ratio shall be used to compute the gallons used for the miles traveled in Iowa.

To determine the amount of fuel taxes due under this division and to prevent the evasion thereof, the state department of transportation shall require a quarterly report on forms prescribed by the state department of transportation. It shall be filed not later than the last day of the month following the quarter reported, and each quarter thereafter. These reports shall be required of all persons who have been issued a permit under this division and shall cover actual operation and fuel consumption in Iowa on the basis of the permit holder's average consumption of fuel in Iowa, determined by the total miles traveled and the total fuel purchased and consumed for highway use by the permittee's commercial motor vehicles in the permittee's entire operation in all states to establish an overall miles per gallon ratio, which ratio shall be used to compute the gallons used for the miles traveled in Iowa.

324.54 Fuel tax computation — refund — reporting and payment.

Fuel tax liability under this division shall be computed on the total number of gallons of each kind of motor fuel and special fuel consumed in the operation in Iowa by commercial motor vehicles subject to this division at the same rate for each kind of fuel as would be applicable if taxed under division I or division II of this chapter on motor fuel and special fuel consumed in the other state. A refund against the fuel tax liability so computed shall be allowed, on excess Iowa motor fuel purchased, in the amount of fuel tax paid at the prevailing rate per gallon set out under division I or division II of this chapter on motor fuel and special fuel consumed in Iowa by commercial motor vehicles subject to this division at the same rate for each kind of fuel as would be applicable if taxed under division I or division II of this chapter on motor fuel and special fuel consumed in the other state.

Application for a refund of fuel tax under this division must be made for each quarter in which the excess payment was reported, and will not be allowed unless the amount of fuel tax paid on the fuel purchased in this state, in excess of that consumed for highway operation in this state in the quarter applied for, is in an amount exceeding ten dollars. An application for a refund of excess Iowa fuel tax paid under this division which is filed for any period or in any manner other than herein set out shall not be allowed.

To determine the amount of fuel taxes due under this division and to prevent the evasion thereof, the state department of transportation shall require a quarterly report on forms prescribed by the state department of transportation. It shall be filed not later than the last day of the month following the quarter reported, and each quarter thereafter. These reports shall be required of all persons who have been issued a permit under this division and shall cover actual operation and fuel consumption in Iowa on the basis of the permit holder's average consumption of fuel in Iowa, determined by the total miles traveled and the total fuel purchased and consumed for highway use by the permittee's commercial motor vehicles in the permittee's entire operation in all states to establish an overall miles per gallon ratio, which ratio shall be used to compute the gallons used for the miles traveled in Iowa.

324.55 Records.

Every person operating within the purview of this division shall make and keep for a period of three years such records as may reasonably be required by the state department of transportation for the administration of this division. If in the normal conduct of the business, the required records are maintained and kept at an office outside the state of Iowa, it shall be a sufficient compliance with this section if the records are made available for audit and examination by the state department of transportation at the office outside Iowa.

The state department of transportation within a period of one year from the issuance of a permanent interstate fuel permit may audit the records of the permittee for the two years preceding the issuance of the permit. The state department of transportation shall collect all taxes due had the permitted been licensed for the two years prior to the issuance of the permit and shall refund any overpayment pursuant to section 324.54. When, as a result of an audit, fuel taxes unpaid and due the state of Iowa exceed five hundred dollars, the audit shall be at the expense of the person whose records are being audited. However, if an audit of records maintained under this section is made outside the state of Iowa in a state which requires payment of the costs for similar audits performed by officials or employees of the other state when made in Iowa, then all costs of audits performed outside of Iowa in the other state shall be at the expense of the person whose records are audited.

Application for a refund of fuel tax under this division must be made for each quarter in which the excess payment was reported, and will not be allowed unless the amount of fuel tax paid on the fuel purchased in this state, in excess of that consumed for highway operation in this state in the quarter applied for, is in an amount exceeding ten dollars. An application for a refund of excess Iowa fuel tax paid under this division which is filed for any period or in any manner other than herein set out shall not be allowed.

To determine the amount of fuel taxes due under this division and to prevent the evasion thereof, the state department of transportation shall require a quarterly report on forms prescribed by the state department of transportation. It shall be filed not later than the last day of the month following the quarter reported, and each quarter thereafter. These reports shall be required of all persons who have been issued a permit under this division and shall cover actual operation and fuel consumption in Iowa on the basis of the permit holder's average consumption of fuel in Iowa, determined by the total miles traveled and the total fuel purchased and consumed for highway use by the permittee's commercial motor vehicles in the permittee's entire operation in all states to establish an overall miles per gallon ratio, which ratio shall be used to compute the gallons used for the miles traveled in Iowa.
§324.56 Interstate motor fuel tax — reciprocity agreements.

The director of transportation may enter into motor fuel tax agreements on behalf of this state with authorized representatives of other states. The director of transportation may enter into and the state department of transportation may become a member of a motor fuel tax agreement for the collection and refund of interstate motor fuel tax. The director of transportation may adopt rules pursuant to chapter 17A to implement the agreement for the collection and refund of interstate motor fuel tax.

The department may enter into an agreement for the collection and refund of interstate motor fuel tax which conflicts with sections 324.57, 324.58, 324.65, and 324.68 and the agreement shall govern carriers covered by the agreement. Copies of the agreement shall be filed with the secretary of the senate and the chief clerk of the house.

However, "mobile machinery and equipment" does not include dump trucks or self-propelled vehicles originally designed for the transportation of persons or property on public highways and to which machinery, such as truck-mounted transit mixers, cranes, shovels, welders, air compressors, well boring apparatus or lime spreaders, has been attached.

4. "Public highways" shall mean and include any way or place available to the public for purposes of vehicular travel notwithstanding temporarily closed.

8. "Carrier" means and includes any person who operates or causes to be operated any commercial motor vehicle on any public highway in this state.

9. An "Iowa urban transit system" is a system whereby motor buses are operated primarily upon the streets of cities for the transportation of passengers for an established fare and which accepts passengers who present themselves for transportation without discrimination up to the limit of the capacity of each motor bus. "Iowa urban transit system" also includes motor buses operated upon the streets of adjoining cities, whether interstate or intrastate, for the transportation of passengers without discrimination up to the limit of the capacity of the motor bus. Privately chartered bus services, motor carriers and interurban carriers subject to the jurisdiction of the state department of transportation, school bus services and taxicabs shall not be construed to be an urban transit system nor a part of any such system.

10. "Appropriate state agency" or "state agency" means the department of revenue and finance or the state department of transportation, whichever is responsible for control, maintenance or supervision of the power, requirement or duty referred to in the provision. 324.58 Commercial motor vehicles on lease.

Every commercial motor vehicle as defined in section 324.57, subsection 7, leased to a carrier shall be subject to the provisions of this division and rules and regulations enforced pursuant thereto to the same extent and in the same manner as commercial vehicles owned by such carrier.

A lessor of a commercial motor vehicle shall be deemed a carrier with respect to such vehicles leased to others by the lessor and motor fuel or special fuel consumed thereby if the lessor supplies or pays for the motor fuel or special fuel consumed by such vehicle or makes rental or other charges calculated to include the cost of such fuel.

The provisions of this section shall govern the primary liability pursuant to this section if either lessor or lessee primarily fails in whole or in part to discharge this liability. Such failing party as lessor or lessee party to the transaction shall be jointly and severally responsible and liable for the provisions of division III of this chapter and for payment of any tax unpaid and due pursuant thereto, provided that any taxes collected by this state shall not exceed the total amount or amounts of the taxes due on account of the transaction in question and such penalties and costs, if any, as may be imposed.

If any person within the purview of this section shall refuse access to pertinent records, books, papers, receipts, invoices, storage tanks or any other equipment, then the appropriate state agency shall certify the names and facts to any court of competent jurisdiction, and the said court shall enter such order in the premises as the enforcement of this chapter and justice shall require.

324.63 Information confidential.

All information obtained by the department of revenue and finance or the state department of transportation from the examining of reports or records required to be filed or kept under the provisions of this chapter shall be treated as confidential and shall not be divulged except to other state officers, a member or members of the general assembly or any duly appointed committee of either or both houses of the general assembly or to a representative of the state having some responsibility in connection with the collection of the taxes imposed or in proceedings brought under the provisions of this chapter; provided, however, that the appropriate state agency shall make available for public information on or before the last day of the month following the month in which the tax is required to be paid the names of the distributors and as to each of them the total gallons received in the state and separately, the received gallons (1) exported or sold for export, (2) sold tax-free in the state to entities
that are exempt from the tax and (3) sold tax-free in the state to entities required to report and account for the tax. The department of revenue and finance shall also make available to the public information with respect to special fuel dealers and users and as to each of them the gallonage used and taxes paid. The department of revenue and finance or the state department of transportation, upon request of officials entrusted with enforcement of the motor vehicle fuel tax laws of the federal government or any other state, may forward to such officials any pertinent information which the appropriate state agency may have relative to motor fuel and special fuel provided the officials of the other state furnish like information.

Any person violating the provisions of this section, and disclosing the contents of any records or reports required to be kept or made under the provisions of this chapter, except as otherwise provided, shall be guilty of a simple misdemeanor.

324.64 Failure to file return — incorrect return. If a return filed by this chapter is not filed, or if a return when filed is incorrect or insufficient and the file fails to file a corrected or sufficient return within twenty days after the same is required by notice from the appropriate state agency, the appropriate state agency shall determine the amount of tax due. The determination shall be made from all information that the appropriate state agency may be able to obtain and, if necessary, the agency may estimate the tax on the basis of external indices. The appropriate state agency shall give notice of the determination to the person liable for the tax. The determination shall finally and irrevocably fix the tax unless the person against whom it is assessed shall, within thirty days after the giving of notice of such determination, apply to the director of the appropriate state agency for a hearing or unless the director reduces the assessment. At the hearing, evidence may be offered to support the determination or to prove that it is incorrect. After the hearing, the director shall give notice of the decision to the person liable for the tax. The findings of the appropriate state agency as to the amount of fuel taxes, penalties and interest due from any person shall be presumed to be the correct amount and in any litigation which may follow, the certificate of the agency shall be admitted in evidence, shall constitute a prima facie case and shall impose upon the other party the burden of showing any error in the findings and the extent thereof or that the finding was contrary to law.

The director may, on his or her own motion at any time, abate any portion of tax, interest or penalties which are determined to be excessive in amount or erroneously or illegally assessed.

[C35, §5093.f1; C39, §5093.11, 5093.12; C46, 50, 54, §324.19, 324.20, 324.21; C58, 62, 66, §324.63; C71, 73, 75, 77, 79, 81, §324.64; 81 Acts, ch 131, §2]

324.65 Failure to promptly pay fuel taxes — refunds — interest and penalties — successor liability. If a licensee or other person fails to remit at least ninety percent of any tax required to be shown on the return, there shall be added to the tax a penalty of seven and one-half percent of the amount of the tax due, except as provided in section 421.27. The penalty imposed under this section is not subject to waiver. The taxpayer shall also pay interest on the tax or additional tax at the rate in effect under section 421.7 counting each fraction of a month as an entire month, computed from the date the return was required to be filed. If the amount of the tax as determined by the appropriate state agency is less than the amount paid, the excess shall be refunded with interest, the interest to begin to accrue on the first day of the third calendar month following the date of payment or the date the return was due to be filed or was filed, whichever is the latest, at the rate in effect under section 421.7 counting each fraction of a month as an entire month under the rules prescribed by the appropriate state agency. In lieu of a refund allowed under this section, the licensee may request that the department allow the refund to be held as a credit for the licensee.

The appropriate state agency shall not remit any part of a penalty for delinquent payment where the delinquency results from the fact that a check given in payment is not honored because of insufficient funds in the account upon which the check was drawn. However, if it appears as a result of an investigation or from a consideration of the record of the administrative appeal that there has been a deliberate attempt on the part of a licensee or other person to evade payment of fuel taxes there shall be added to the assessment against the offending person and collected a penalty of seventy-five percent of the tax due. Any report required of licensees or persons operating under divisions I, II and III, upon which no tax may be due, is subject to a penalty of ten dollars and the report is not timely filed with the appropriate state agency.

If a licensee or other person sells the licensee’s or other person’s business or stock of goods or quits the business, the licensee or other person shall prepare a final return and pay all tax due within the time required by law. The immediate successor to the licensee or other person, if any, shall withhold sufficient of the purchase price, in money or more worth, to pay the amount of any delinquent tax, interest or penalty due and unpaid. If the immediate successor of the business or stock of goods intentionally fails to withhold any amount due from the purchase price as provided in this paragraph, the immediate successor is personally liable for the payment of the taxes, interest and penalty accrued and unpaid on account of the operation of the business by the immediate former licensee or other person, except when the purchase is made in good faith as provided in section 421.28. However, a person foreclosing on a valid security interest or retaking possession of premises under a valid lease is not an "immediate successor" for purposes of this paragraph. The department may waive the liability of the immediate successor under this paragraph if the immediate successor exercised good faith in establishing the amount of the previous liability.

324.66 Statutes applicable to motor vehicle fuel tax.

The appropriate state agency shall administer the taxes imposed by this chapter in the same manner as and subject to section 422.25, subsection 4 and section 422.52, subsection 3. Notwithstanding section 422.52, subsection 3, all special fuel licensees are required to file a bond with the director in an amount as established by the director.

All the provisions of section 422.26 shall apply in respect to the taxes, penalties, interest, and costs imposed by this chapter excepting that as applied to any tax imposed by this chapter, the lien therein provided shall be prior and paramount over all subsequent liens upon any personal property within this state, or right to such personal property, belonging to the taxpayer without the necessity of recording as therein provided. The requirements for recording shall, as applied to the tax imposed by this chapter, apply only to the liens upon real property. When requested to do so by any person from whom a taxpayer is seeking credit, or with whom the taxpayer is negotiating the sale of any personal property, or by any other person having a legitimate interest in such information, the director shall, upon being satisfied that such a situation exists, inform such person as to the amount of unpaid taxes due by such taxpayer under the provisions of this chapter. The giving of such information under such circumstances shall not be deemed a violation of section 324.63 as applied to this chapter.

324.67 Limitation on collection proceedings.

An action or other proceeding shall not be maintained to enforce collection of any amount of fuel tax, penalty, or interest over and above the amount shown to be due by reports filed by a licensee except upon an assessment by the department of revenue and finance as authorized in this chapter. No assessment shall be made covering any period beyond three years prior to the date of assessment.

324.68 Power of department of revenue and finance or the state department of transportation to cancel licenses.

If a licensee files a false report of the data or information required by this chapter, or fails, refuses, or neglects to file a report required by this chapter, or to pay the full amount of fuel tax as required by this chapter, or is substantially delinquent in paying a tax due, owing, and administered by the department of revenue and finance, and interest and penalty if appropriate, or if the person is a corporation and if any officer having a substantial legal or equitable interest in the ownership of the corporation owes any delinquent tax of the licensee corporation, or interest or penalty on the tax, administered by the department, then after ten days' written notice by mail directed to the last known address of the licensee setting a time and place at which the licensee may appear and show cause why the license should not be canceled, and if the licensee fails to appear or if upon the hearing it is shown by a preponderance of the evidence that the failure to correctly report or pay was with intent to evade the tax, the appropriate state agency may cancel the license and shall notify the licensee of the cancellation by mail to the licensee's last known address.

The director of the appropriate state agency may reissue a license which has been canceled for cause. As a condition of reissuance of a license, in addition to requirements for issuing a new license, the director may require a waiting period not to exceed ninety days before a license can be reissued or a new license issued. The director shall adopt rules specifying those instances for which a waiting period will be required.

Upon receipt of written request from any licensee the appropriate state agency shall cancel the license of the licensee effective on the date of receipt of the request. If, upon investigation, the appropriate state agency finds that a licensee is no longer engaged in the activities for which a license was issued and has not been so engaged for a period of six months, the state agency shall cancel the license and give thirty days' notice of the cancellation mailed to the last known address of the licensee.

324.69 Hearings before department of revenue or the state department of transportation.

Hearings before a state agency authorized under the provisions of this chapter may be held at a site in the state as the state agency may direct. The state agency shall have the power to issue subpoenas including subpoenas duces tecum and to require the attendance of witnesses and the production of books, records and papers. In the event any person shall refuse to obey subpoena, or after appearing refuses to testify, the state agency shall certify the name of the person to the district court of the county where the hearing is being held and the court shall proceed with the witness in the same manner as if the refusal had occurred in open court.

324.70 Discontinuance of licensed activity — liability for taxes and penalties.

If a licensee ceases to engage in the state in activities for which the person's license was issued or discontinues, sells, or transfers the business in which the person has carried on that activity the licensee shall notify the department of revenue and finance, which shall forward notice to the state department of transportation, in writing at least ten days prior to the time the cessation, discontinuance, sale or transfer takes effect. The notice shall give the date of proposed cessation or discontinuance, and, in the event of a proposed sale or transfer of the business, the date and the name and address of the purchaser or transferee. All fuel taxes, penalties and interest under this chapter not yet due
§324.70
and payable shall, together with any and all interest accruing or penalties imposed under this chapter shall become due and payable concurrently with the cessation, discontinuances, sale or transfer, and it shall be the duty of the licensee to make a report and pay all the fuel taxes, interest, and penalties within ten days.

Except as provided in section 324.54, any person other than a licensed distributor, licensed special fuel dealer or licensed special fuel user who has paid or has had charged to the person's account with a distributor, dealer or special fuel dealer fuel taxes imposed under this chapter with respect to motor fuel or special fuel in excess of one hundred gallons, which is subsequently lost or destroyed, while the person is the owner, through leakage, fire, explosion, lightning, flood, storm, or other casualty, except evaporation, shrinkage, or unknown causes, the person shall be entitled to a refund of the tax so paid or charged. To qualify for the refund, the person shall notify the department of revenue and finance in writing of the loss or destruction and the gallonage lost or destroyed within ten days from the date of discovery of the loss or destruction. Within sixty days after filing the notice, the person shall file with the department of revenue and finance an affidavit sworn to by the person having immediate custody of the motor fuel or special fuel at the time of the loss or destruction setting forth in full the circumstances and amount of the loss or destruction and such other information as the department of revenue and finance may require. Any refund payable under this section may be applied by the department against any tax liability outstanding on the books of the department against the claimant, or within three years of the overpayment, the appropriate state agency shall credit the amount against any penalty, interest or taxes due, or to become due, or shall refund the amount to the person.

Every person collecting fuel tax money as part of the selling price of motor fuel or special fuel, shall hold the tax money in trust for the state of Iowa unless the fuel tax on the fuel has been previously paid to the state of Iowa. Any person receiving fuel tax money in trust and failing to remit it to the department of revenue and finance on or before time required shall be guilty of theft.  
[C27, 31, §5093-a5; C35, §5093-f9-f13; C39, §5093.09-5093.13; C46, 50, 54, §324.16-324.22; C58, 62, 66, §324.72; C71, 73, 75, 77, 79, 81, §324.73]

5. For any person to act as a motor fuel distributor, special fuel dealer or special fuel user without the required license.  
6. For any person to use motor fuel or special fuel with respect to which the person knowingly has not paid or had charged to the person's account with a distributor or dealer, or with respect to which does not within the time required in this chapter report and pay the applicable fuel tax.  
7. For any special fuel dealer to dispense special fuel into the fuel supply tank of any motor vehicle without collecting the fuel tax.
8. For special fuel dealers or special fuel distributors to deliver special fuel on a tax paid basis into a tank with a capacity greater than one thousand fifty gallons.

9. Any delivery by a distributor of special fuel to a dealer or user for the purpose of evading the state tax on special fuels, into facilities other than those licensed above knowing that said fuel will be used as special fuel for highway use shall constitute a violation of this section. Authority is given to the department of revenue and finance to enforce the provisions of this chapter except division III. Employees of the department of revenue and finance designated as enforcement employees have the power of peace officers in the performance of such duties.

Authority to enforce division III is given to the state department of transportation. 324.77 Moneys deposited in treasury — refunds — administration.

All fees, taxes, interest and penalties imposed under this chapter must be paid to the department of revenue and finance or the state department of transportation, whichever is responsible for the collection. The appropriate state agency shall transmit each payment daily to the treasurer of state. Such payments shall be deposited by the treasurer of state in a fund, hereby created, within the state treasury which shall be known as the “motor fuel tax fund,” the net proceeds of which fund, after deductions by lawful transfers and refunds, shall be known as the “motor vehicle fuel tax fund”. The department of revenue and finance and the state department of transportation shall certify monthly to the director of revenue and finance amounts of refunds of tax approved during each month, and the director of revenue and finance shall draw warrants in such amounts on the motor fuel tax fund and transmit them. There is hereby appropriated out of the money received under the provisions of this chapter and deposited in the motor fuel tax fund sufficient funds to pay such refunds as may be authorized in this chapter.

The general assembly may appropriate from the motor fuel tax fund such amounts as it determines are necessary for administrative expenses. Allocations and transfers of fees, taxes, interest and penalties imposed under this chapter, pursuant to any provision of the Code, shall be made from the motor fuel tax fund.

324.78 Other remedies available.

The special remedies provided under the provisions of this chapter to enable the state to collect motor vehicle fuel excise tax shall not be construed as depriving the state of any other remedy it might have either at law or in equity independent of this chapter. The state shall have the right to maintain an action at law for the collection of said taxes required to be paid herein and in connection therewith shall be entitled to a writ of attachment without bond.

The net proceeds of the excise tax on the diesel special fuel and the excise tax on motor fuel and other special fuel, and penalties collected under the provisions of this chapter, shall be credited to the road use tax fund.

A separate fund is hereby created and designated as the "marine fuel tax fund". All moneys derived from the excise tax on the sale of motor fuel used in watercraft shall be deposited in the marine fuel tax fund. Moneys in such fund shall be subject to appropriation by the general assembly to the state conservation commission for use in its recreational boating program, which may include but shall not be limited to:

1. Dredging and renovation of natural lakes of this state.
2. Acquisition, development and maintenance of access to public boating waters.
3. Development and maintenance of boating facilities and navigation aids.
4. Administration, operation and maintenance of the recreation boating division of the conservation commission.
5. Acquisition, development and maintenance of recreation facilities associated with recreation boating.

§324.80 Microfilm or photographic copies — originals destroyed.
The appropriate state agency shall have the power and authority to record, copy or reproduce by any photographic, photostatic, microfilm, microcard, miniature photographic or other process which accurately reproduces or forms a durable medium for so reproducing the original of any forms or records pertaining to motor fuel tax or special fuel tax, or any paper or document with respect to refund of such tax, and when such forms and records shall have been so reproduced, the state agency shall have the power to destroy the originals and such reproductions shall be competent evidence in any court in accordance with the provision of section 622.30.

§324.81 Agreement for refund of federal tax.
The department of revenue and finance is hereby authorized to enter into and empowered to carry out the provisions of agreements with any duly authorized agent or department of the United States government for joint or co-operative action by the state and the United States government in the making of refunds of the federal tax on gasoline. Such agreements may provide that the department of revenue and finance may receive applications for and make refunds of the federal tax on gasoline as an agent of the United States. Such agreements shall provide that the United States shall provide the department of revenue and finance with sufficient funds in advance to pay all costs to the state in the performance of such agreements and in the making of such refunds. In the event such an agreement is concluded, the director of revenue and finance is hereby designated, appointed and empowered, through the motor vehicle fuel tax division of the department, to, as an agent of the United States government, accept applications for refunds of the federal tax on gasoline and to make such refunds from such moneys provided to the director in advance by the federal government.

2. All moneys that may be paid in advance by the United States to the state to pay the cost to the state of performing such agreements and the cost of making such refunds are hereby appropriated to the department of revenue and finance for such purposes. Neither the state nor the department of revenue and finance shall be liable in any manner for the actions of the department of revenue and finance or employees of the department in the receipt, administration, and expenditure of such federal funds including the making of refunds.

See exemptions, §324 362, 3.
motor fuel, gasohol, or special fuel under this chapter shall be subject to an inventory tax based upon the gallonage in storage as of the close of the business day next preceding the effective date of the increased excise tax rate of motor fuel, gasohol, or special fuel which will be subject to the increased excise tax rate.

2 Persons subject to the tax imposed under this section shall take an inventory to determine the gallonage in storage for purposes of determining the tax and shall report that gallonage on forms provided by the department of revenue and finance and pay the tax due within thirty days of the prescribed inventory date. The department of revenue and finance shall adopt rules pursuant to chapter 17A as are necessary to carry out the provisions of this section.

3 The amount of the inventory tax is equal to the inventory tax rate times the gallonage in storage as determined under subsection 1. The inventory tax rate is equal to the difference of the increased excise tax rate less the previous excise tax rate.

[C81, §324A.3]

324.86 Method of determining gallonage.

The exclusive method of determining gallonage of any purchases or sales of motor fuel and special fuel as defined in this chapter and distillate fuels shall be on a gross volume basis. A temperature adjusted or other method shall not be used, except as it applies to liquefied petroleum gas and the sale or exchange of petroleum products between petroleum refiners. All invoices, bills of lading, or other records of sale or purchase and all reports or records required to be made, kept, and maintained by a distributor or dealer shall be made, kept, and maintained on the gross volume basis. For purposes of this section, "distillate fuels" means any fuel oil, gas oil, topped crude oil, or other petroleum oils derived by refining or processing crude oil or unfinished oils which have a boiling range at atmospheric pressure which falls completely or in part between five hundred fifty and twelve hundred degrees Fahrenheit.

[C81, §324.86]
may require that fuel dispensed in this state shall only be through meters which have been approved for accuracy by the Iowa railway finance authority and sealed by the authority. The authority may contract the responsibility for approving and sealing meters to the department of agriculture and land stewardship. Fuel dispensed through sealed meters shall be presumed taxable unless the railroad company proves otherwise.

[81 Acts 2d Ex, ch 3, §24; 82 Acts, ch 1260, §60]

324A.4 Railroad company license.
A railroad company responsible for paying the tax imposed by this chapter shall obtain a license from the department. To obtain a license a railroad company shall file an application with the department which shall include the following information:
1. The name of the railroad company.
2. The location of its principal office within the state, if any.
3. A list of each location where fuel will be dispensed on a regular basis.
4. Other information the director of revenue and finance requires.

[81 Acts 2d Ex, ch 3, §25]

324A.5 Railroad company reports, tax computation and tax payment.
For the purpose of determining a railroad company’s tax liability, each railroad company required to obtain a license under this chapter shall file with the department a monthly report. The report shall be filed by the end of the month following the month of use. The report shall include the following information:
1. The total gallons of fuel dispensed in Iowa.
2. The total gallons of fuel dispensed in Iowa and placed in railway vehicles used solely within the state during the reporting period.
3. The total gallons of fuel dispensed in Iowa for nontaxable purposes.
4. The total gallons of fuel dispensed in Iowa and placed in railway vehicles used within and without the state.
5. The total gallons of fuel dispensed outside Iowa and placed into railway vehicles traveling within and without the state.
6. Other information the director of revenue and finance requires.

The report shall be accompanied by a payment equal to the tax due. The taxable gallons of fuel shall be computed by adding the number of gallons of fuel dispensed in Iowa and placed into railway vehicles traveling solely within the state during the reporting period and the result of multiplying the total gallons of fuel used in railway vehicles traveling within and without Iowa by a fraction the numerator of which is miles traveled in Iowa by railway vehicles traveling within and without Iowa, and the denominator of which is the total miles traveled by the same railway vehicles. The tax shall be computed by multiplying the taxable gallons times the per gallon tax rate.

7. If a railroad company believes that the method of computing the tax by the prescribed mileage formula has operated or will so operate as to subject to taxation a greater portion of fuel than is reasonably attributable to use for the propulsion of a railway vehicle in this state, it shall be entitled to file with the department a statement of objections and of such alternative method of determining fuel use in this state as it believes to be proper under the circumstances. If the department concludes that the mileage formula, in fact, does not reasonably attribute fuel use to the state, it shall redetermine the tax per gallons of fuel by such methods as seems best calculated to assign to the state the portion of fuel reasonably used in this state.

[81 Acts 2d Ex, ch 3, §26]

324A.6 Annual payment of certain tax liabilities.
Notwithstanding the requirement for monthly payment of the excise tax in sections 324A.3 and 324A.5, if it is reasonably expected, as determined by rules prescribed by the director, that a railroad company’s annual tax liability will not exceed one thousand two hundred dollars for a calendar year, the railroad company may request and the director may grant permission, in lieu of the requirement for monthly payment of tax, that the tax shall be payable on a calendar year basis. The tax is due and payable no later than January 31 following each calendar year in which the railroad company carried on business.

[82 Acts, ch 1260, §61]

324A.7 Records retained.
Records reasonably required by the department shall be retained by the railroad company for three years.

[81 Acts 2d Ex, ch 3, §27]

324A.8 Statutes applicable.
The department shall administer the taxes imposed by this chapter in the same manner as and subject to division IV of chapter 324.

[81 Acts 2d Ex, ch 3, §28]

324A.9 Deposit of revenues.
The net proceeds of the excise tax imposed on the use of fuel in railway vehicles and any penalties collected under this chapter shall be credited to the special railroad facility fund established in section 307B.23.

325.6 Certificate of convenience and necessity and regular route passenger certificate — exemptions.
1. It is unlawful for a motor carrier of property to transport property for compensation over a regular route or between fixed termini from any point or place in the state to another place in the state irrespective of the route or highways traversed, including the crossing of any state line of the state, and irrespective of the ticket or bill of lading issued and used for the transportation, without first having obtained from the department a certificate declaring that public convenience and necessity require the operation.
2. Except as provided in subsection 3, it is unlawful for a charter carrier to transport passengers by motor buses for compensation from any point or place in the state to another place in the state irrespective of the route or highway traversed, without first having obtained from the department a certificate declaring that public convenience and necessity require the operation.
3. It is unlawful for a regular route motor carrier of passengers to transport passengers for compensation upon the highways of this state in intrastate commerce without first having obtained from the department a regular route passenger certificate. The department shall issue a regular route passenger certificate without hearing, if the department finds that the applicant is fit, willing and able.

In determining whether a regular route motor carrier of passengers is fit, willing and able, the department shall only consider the applicant's safety record, and the applicant's ability to comply with section 325.26.

A regular route passenger certificate authorizing the transportation of passengers includes the authority to transport newspapers, baggage of passengers, express packages or mail in the same motor vehicle with passengers.

A regular route motor carrier of passengers holding a regular route passenger certificate may at any time commence scheduled service over any regular route from any point or place in the state to another place in the state irrespective of the route or highway traversed and may at any time discontinue any part of its regular route service.

A regular route motor carrier of passengers granted
a certificate prior to July 1, 1986, which authorized motor carrier of passenger operations may continue to provide motor carrier of passenger service with all the rights and privileges granted by a regular route passenger certificate issued under this section.

A regular route motor carrier of passengers shall not operate as a charter carrier in this state unless it possesses a certificate of convenience and necessity to engage in the business of a charter carrier. However, a regular route motor carrier of passengers granted a certificate prior to July 1, 1986, which authorized charter operations may continue to provide charter service with all the rights and privileges granted by a charter certificate.

An Iowa urban transit system as defined in section 324.57, subsection 9, may operate within the metropolitan area which it serves and between another city which is located not more than ten miles from its service area without obtaining a regular route passenger certificate if the other city is not served by another carrier operating under a regular route passenger certificate.

4. The department may allow the provision of temporary service by a motor carrier of property for which there is an immediate and urgent need to a point or points requested by the application for a permanent certificate of public convenience and necessity upon investigation and a finding that the point or points do not have carrier service capable of meeting the need. The grant of temporary authority shall not become effective until the applicant has complied with sections 325.26, 325.28 and 325.35 and the rules of the department. Unless the temporary authority is suspended or revoked for good cause, it shall be valid for the time specified by the department but not more than an aggregate of one hundred eighty days.

The grant of temporary authority creates no presumption that the corresponding application for a permanent certificate will be granted.

5. A motor carrier providing primarily passenger service for elderly, handicapped and other transportation disadvantaged persons is exempt from the certification requirements of this section if it satisfies each of the following requirements:
   a. The motor carrier is not a corporation organized for profit under the laws of Iowa or any other state or the motor carrier is a governmental organization.
   b. The motor carrier received operating funds from federal, state or local government sources.
   c. The motor carrier does not duplicate a transportation service provided by a motor carrier issued a regular route passenger certificate.

6. A person operating a motor vehicle in a car pool or van pool is exempt from this chapter.

7. Except for a person operating a car pool or van pool, each motor carrier exempt from requirement for a certificate under this section shall obtain a nontransferable permit from the department. Such carriers shall comply with all safety, insurance and other rules of the department pertaining to a publicly funded transit system.

§325.7 When certificate to be issued to motor carrier of property or charter carrier — hearing — notice.

A certificate shall not be issued to a motor carrier of property or a charter carrier, until the department, after a public hearing, makes a finding that the service proposed to be rendered will promote the public convenience and necessity. If the finding is made, the department shall issue a certificate.

The department may issue a certificate to a motor carrier of property or a charter carrier, without holding a public hearing, if the service proposed will promote the public convenience and necessity and the service would not be provided if the expense of a public hearing was placed upon the applicant.

If a certificate is to be issued to a motor carrier of property or a charter carrier without a public hearing, the department shall publish notice of its action, at its own expense, in the manner provided in section 325.13. Written objections to the issuance of a certificate without holding a hearing may be filed within ten days of the last publication of notice. If no objections are filed within ten days of the last publication of notice, the department may issue the certificate in the manner provided in section 325.18.

§325.8 Financial ability of applicant.

A certificate of convenience and necessity or a regular route passenger certificate shall not be issued until the applicant has made a satisfactory showing as to the applicant’s financial ability to carry out the terms and conditions imposed.

§325.9 Conditions.

When a certificate is granted to a motor carrier of property or a charter carrier, the department may attach to the exercise of the rights conferred by the certificate such terms and conditions as in its judgment the public convenience and necessity require.

§325.10 Amendment or revocation.

For just cause, the department may at any time alter, amend, or revoke any certificate issued.

§325.11 Rules of procedure.

The department shall adopt rules governing the procedure to be followed in the filing of applications and in the conduct of hearings.
§325.12 Application for certificate.

All applications shall be in writing and, in addition to the other information required, shall contain the following:

1. The name of the individual, firm, or corporation making the application.
2. The principal office or place of business of applicant.
3. A complete description of the route over which the applicant proposes to operate.
4. A schedule setting forth in detail the service which the applicant proposes to furnish.
5. A complete description of the equipment which the applicant proposes to use in furnishing the service.
6. A financial statement from which the department can determine whether or not the applicant is able to engage in the undertaking proposed in the application.
7. An applicant for a regular route passenger certificate, in lieu of the information required by subsections 3 and 4, shall indicate that statewide regular route passenger authority is being sought.

[C24, §5097; C27, 31, 35, §5105-a12; C39, §5100.12; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §325.12] 86 Acts, ch 1161, §11

§325.13 Protests against applications.

1. Upon the filing of the application, the department shall publish a notice to the citizens of each county in which the proposed service will be rendered. The notice shall be published once in a newspaper of general circulation in each county.
2. Any person, firm, corporation, city, or county whose rights or interests may be affected may file written objections with the department.
3. A protest against the granting of the application shall state specifically the grounds upon which it is made and contain a concise statement of the interest of the person filing a protest in the proceeding.
4. A protest shall be filed with the department not later than thirty days from the date of the publication of notice.
5. Upon receipt of any protests complying with subsection 3, the department shall set the matter for hearing not less than ten days following the expiration of the time in which protests may be made and shall give notice to all persons who have filed protests of the time and place of the hearing.
6. This section does not apply to regular route motor carriers of passengers.

§325.14 to 325.16 Repealed by 66GA, ch 1174, §15.

§325.17 Testimony receivable.

The department shall consider the application and any objections filed thereto and may hear testimony to aid it in determining the propriety of granting the application.

§325.18 Granting application — restrictions.

It may grant the application in whole or in part upon terms and restrictions and with modifications as to schedule and route as seem to it just and proper. However, there shall be no condition or restriction as to schedules or routes imposed on a regular route passenger certificate, and all regular route passenger certificates shall grant statewide regular route passenger authority. The actual operation shall not begin without a written statement of approval from the department to the effect that the applicant has complied with the safety provisions.

[C24, §5097; C27, 31, 35, §5105-a18; C39, §5100.18; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §325.18] 86 Acts, ch 1161, §13

§325.19 Expense of hearing.

The applicant shall pay all the costs and expenses of the hearing and necessary preliminary investigation in connection therewith before the application shall be granted. The department shall establish appropriate fees which shall be paid to the department at the time the application is filed.

325.26 Liability insurance, bond, financial responsibility, or proof of solvency and ability to pay.

No certificate shall be issued until and after the applicant shall have filed with the authority an insurance policy, policies, surety bond, or certificate of insurance, in form to be approved by the authority, issued by some company, association, reciprocal or interinsurance exchange or other insurer authorized to do business in this state. The minimum limits of liability of any policies or surety bond shall, for each motor vehicle thereby covered, be as follows:

1. Passenger motor carriers.
   a. To cover the assured's legal liability as a motor carrier operating a motor vehicle with a seating capacity of fifteen persons or less for bodily injury or death resulting therefrom as a result of any one accident or other cause, twenty-five thousand dollars for any recovery by one person and subject to the limit for one person, one hundred fifty thousand dollars for more than one person.
   b. To cover the assured's legal liability as a motor carrier operating a motor vehicle with a seating capacity of fifteen persons or less for damage to or destruction of any property other than that of or in charge of the assured, as a result of any one accident or other cause, ten thousand dollars.
   c. To cover the assured's legal liability as a motor carrier operating a motor vehicle with a seating capacity of sixteen or more persons shall have the minimum levels of financial responsibility established under 49 U.S.C. §10927(a)(1).
   d. Unless the department determines, after an investigation and hearing, and adopts rules based on that determination, that lesser levels of financial responsibility will protect the public interest, a regular route motor carrier of passengers and a charter carrier operating a motor vehicle with a seating capacity of sixteen or more persons shall have the minimum levels of financial responsibility established under 49 U.S.C. §10927(a)(1).
   e. A common carrier of passengers coming under this chapter, furnishing satisfactory proofs as to the carrier's solvency and financial ability to cover the assured's legal liability as provided for in this chapter and make payments to persons entitled thereto as a result of that legal liability, or depositing with the department surety satisfactory to it as guarantee for such payments, is relieved of the provisions of this section requiring liability insurance, surety bond or certificate of insurance; but shall, from time to time, furnish additional proof of solvency and financial ability to pay as required by the department.

2. Freight motor carriers.
   a. To cover the assured's legal liability as a motor carrier for bodily injury or death resulting therefrom, as a result of any one accident or other cause one hundred thousand dollars for any recovery by one person and subject to the limit for one person three hundred thousand dollars for more than one person. However, the minimum limits of liability for motor carriers of hazardous materials subject to federal minimum limits of liability are those specified in 49 C.F.R. sec. 387.3 and sec. 387.9 as published in the federal register on June 11, 1981.
   b. To cover the assured's legal liability as a motor carrier for damage to or destruction of any property other than that of or in charge of the assured, as a result of any one accident or other cause ten thousand dollars. However, the minimum limits of liability for motor carriers of hazardous materials subject to federal minimum limits of liability are those specified in 49 C.F.R. sec. 387.3 and sec. 387.9 as published in the federal register on June 11, 1981.
   c. To cover the assured's legal liability as a motor carrier for loss of or damage to property in the possession or custody of the assured while for the purpose of or being transported, except property of the assured as a result of any one accident or other cause one thousand dollars. Such insurance policy, policies, surety bond, or certificate of insurance shall bind the obligors thereunder to make compensation for injuries to persons, excluding injury to or death of the applicant's employees while engaged in the course of their employment, and loss of or damage to property resulting from the operation of such motor carrier and for which such motor carrier would be legally liable. Such insurance policy, policies, surety bond, or certificate of insurance shall also provide that any person, firm, association or corporation having a right of action against such motor carrier for injuries to persons or loss of or damage to property, when service cannot be obtained on the motor carrier within this state, may bring action for recovery directly upon such insurance policy, policies, surety bond, or certificate of insurance and against such insurance company, association, reciprocal or interinsurance exchange or other insurer or bonding company. No other or additional policies, bonds, or certificates shall be required of any motor carrier by any city or other agency of the state.

326.2 Definitions. As used in this chapter, unless the context otherwise requires:
1. “Department” means the department of transportation.
2. “Director” means the director of transportation or the director’s designee.
3. “Commercial vehicle” means any vehicle which is operated in interstate commerce or combined intrastate and interstate commerce and used for the transportation of persons for hire, compensation or profit, or designed or used primarily for the transportation of property.
4. “Jurisdiction” means any county, state, territory, federal district, foreign country, or political subdivision thereof.
5. “Proportional registration” or “proration” means division and distribution of registration fees imposed on commercial vehicles between two or more jurisdictions in accordance with a formula based on miles traveled by such vehicles.
6. “Base state” with respect to commercial vehicles subject to proportional registration means the state from which the vehicle is most frequently dispatched, garaged, serviced, maintained, operated, or otherwise
controlled, or also in the case of a fleet vehicle the state to which allocated for registration under statutory requirements.

7. "Fleet" means one or more commercial vehicles.

8. "Total fleet miles" means the mileage generated by any truck or truck tractor which was part of a prorate fleet during the fiscal year period of September 1 through August 31 preceding the year for which proportional registration is sought. Total fleet mileage to be reported for any truck or truck tractor which was deleted from or added to the prorate fleet during the fiscal year reporting period shall be only those miles generated by such truck or truck tractor while the vehicle was part of the prorate fleet during such fiscal year reporting period. “Total fleet miles” in relation to trailers or semitrailers which are part of a prorate fleet means the mileage generated by the power units of the fleet; provided, however, that if such trailers or semitrailers were towed during the fiscal year reporting period by the power units which collectively were proportionally registered by the same fleet owner during the fiscal year reporting period as part of two or more fleets, “total fleet miles” in relation to such trailers or semitrailers means the total mileage generated by the several power fleets during the fiscal year reporting period even though some of the power units did not actually travel a portion of their total miles in contracting states where the proportional registration of such trailers or semitrailers is sought.

9. "In-state miles" means the mileage generated within this state by commercial vehicles in the fleet subject to proportional registration; except that, with respect to fleet vehicles based in Iowa, "in-state miles" shall also include all mileage traveled by such vehicles in states with whom Iowa has a proportional registration agreement but with whom the owner elects not to apportion registration fees and mileage traveled by such vehicles under reciprocity obtained by virtue of Iowa registration.

10. "Preceding year" means a period of twelve consecutive months fixed by the department, which period shall be within the sixteen months immediately preceding the commencement of the registration year for which proportional registration is sought.

11. "Trip" for purposes of section 326.23 means:

a. A one-way movement from one point originating outside this state and destined to another point outside this state.

b. A round trip movement between two points within this state.

c. A round trip movement originating in this state or destined for a point within this state.

12. "Broker" for purposes of section 326.23 means any person who, as principal or agent, sells or offers for sale any transportation, or negotiates for, or claims for transportation, a description and identification of each vehicle which is part of the fleet for which proportional registration is sought.

The department may, pursuant to section 326.5, provide for proportional registration between this state and other jurisdictions of fleets of commercial vehicles owned by residents or nonresidents engaged in interstate commerce or simultaneously engaged in interstate and intrastate commerce.

1. The owners of fleets of commercial vehicles subject to proportional registration under apportionment agreements negotiated by the department shall file a sworn statement with the department which shall contain the following information and such other information as the department may require:

a. Total fleet miles for the preceding year.

b. In-state miles for the preceding year.

c. A description and identification of each vehicle

2. The dollar amount of registration fees due this state for each fleet subject to proportional registration shall be computed as follows:

a. Divide total fleet miles during the preceding year into in-state miles during the preceding year to determine the percentage of total fleet mileage allocable to this state.

b. Determine the sum total amount necessary to register each and every vehicle in the fleet based on the annual registration fees prescribed in chapter 321.

c. Multiply the percentage obtained under paragraph "a" of this subsection by the sum total obtained under paragraph "b" of this subsection.

d. The product so obtained under paragraph "c" of this subsection shall be the amount payable by the owner for proportional registration of the fleet for the registration year. Payment of registration fees shall be made in accordance with law.

3. The department may negotiate apportionment agreements on either a vehicle or a dollar basis. In apportionment on a vehicle basis, a sufficient number of vehicles shall be registered to produce total fee payments not less than an amount obtained by applying the proportion of in-state fleet miles to total fleet miles to the fees which would otherwise be required for total fleet registration in this state.

326.5 Reciprocity agreements.

The director may enter into reciprocity agreements with the authorized representatives of any jurisdiction, exempting nonresidents of this state using the highways of this state from the registration requirements of chapter 321 and payment of fees to this state, with conditions, restrictions, and privileges the director deems advisable.

326.6 Proportional registration of fleets.

The department may, pursuant to section 326.5, provide for proportional registration between this state and other jurisdictions of fleets of commercial vehicles owned by residents or nonresidents engaged in interstate commerce or simultaneously engaged in interstate and intrastate commerce.

1. The owners of fleets of commercial vehicles subject to proportional registration under apportionment agreements negotiated by the department shall file a sworn statement with the department which shall contain the following information and such other information as the department may require:

a. Total fleet miles for the preceding year.

b. In-state miles for the preceding year.

c. A description and identification of each vehicle

2. The dollar amount of registration fees due this state for each fleet subject to proportional registration shall be computed as follows:

a. Divide total fleet miles during the preceding year into in-state miles during the preceding year to determine the percentage of total fleet mileage allocable to this state.

b. Determine the sum total amount necessary to register each and every vehicle in the fleet based on the annual registration fees prescribed in chapter 321.

c. Multiply the percentage obtained under paragraph "a" of this subsection by the sum total obtained under paragraph "b" of this subsection.

d. The product so obtained under paragraph "c" of this subsection shall be the amount payable by the owner for proportional registration of the fleet for the registration year. Payment of registration fees shall be made in accordance with law.

3. The department may negotiate apportionment agreements on either a vehicle or a dollar basis. In apportionment on a vehicle basis, a sufficient number of vehicles shall be registered to produce total fee payments not less than an amount obtained by applying the proportion of in-state fleet miles to total fleet miles to the fees which would otherwise be required for total fleet registration in this state.

[C71, 73, 75, 77, 79, 81, §326.6]
326.7 Agreements on basis of compact miles.
Notwithstanding any other law to the contrary, and as an alternative to the procedure set out in section 326.6, the department may enter into agreements providing for proportional registration between this state and other jurisdictions of fleets of commercial vehicles owned by residents or nonresidents engaged in interstate commerce or simultaneously engaged in interstate and intrastate commerce on the basis of compact miles.

The Iowa prorate percent will be computed by dividing the Iowa miles by the compact miles as defined in section 326.2. If the composite percentage paid by the Iowa resident to each of the states a party to an apportioned registration agreement with Iowa for apportioned registrations is less than one hundred percent, the department will redetermine the registration fees due the state of Iowa to bring the composite percent to one hundred percent. If the composite percent paid by the nonresident fleet operator to each of the states a party to an apportioned registration agreement with Iowa for apportioned registration fees on vehicles base plated in Iowa is less than one hundred percent, the department will redetermine the registration fees due the state of Iowa to bring the composite percent to one hundred percent on such Iowa base plated vehicles.

326.8 Estimating mileage.
When in-state and total fleet or compact mileage cannot be computed for a particular fleet on the basis of actual operation during the preceding year, estimated mileage shall be accepted for the fleet's first prorate application. Estimated mileage shall be based on the proposed operation of the fleet during the entire year for which proportional registration is sought. The applicant shall substantiate the estimate by submitting details of the applicant's proposed operation including, but not limited to, type of operation, its location, routes, and frequency of operation.
[C71, 73, 75, 77, 79, 81, §326.8]

326.9 Individual vehicles not to be proportionally registered.
The registrations of individual vehicles shall not be subject to proportional registration with this state. The same fleet, consisting of the same vehicles in each state, shall be proportionally registered in each state with which the fleet is prorated; and every one of the vehicles shall be included in the fleet in each state. Failure to comply with these requirements shall constitute grounds for cancellation of proration privileges.
[C71, 73, 75, 77, 79, 81, §326.9]

326.10 Minimum fee.
The minimum fee for each vehicle registered with this state under an apportionment agreement shall not be less than ten dollars for each truck or truck tractor and two dollars for each trailer. If the department enters into an apportionment agreement where minimum fees are not permitted, the provisions of this section shall not apply. In addition to proportional registration fees, the department shall collect the amounts of fees due as hereinafter provided for the issuance of plates, stickers or other identification of all vehicles subject to proportional registration.

The department shall accept payment of fees under this chapter by personal or corporate check. The fee shall be deemed to have been paid upon receipt of the check. However, the department shall not issue plates, stickers or other identification of vehicles subject to proportional registration until sufficient time has elapsed to ensure that payment of the check has cleared the bank upon which it is drawn.
85 Acts, ch 61, §1

326.11 Subsequently acquired vehicles.
Vehicles acquired by a fleet owner after the commencement of the registration year and subsequently added to the fleet shall be prorated by applying the mileage percentage used in the original application for such fleet for such registration period to registration fees due under chapter 321 but in no case less than that required by section 326.10. A supplemental report shall be filed with the department not later than ten days after such addition to the fleet.
The director may issue temporary written authorization to carriers for vehicles acquired by a fleet owner and added to the fleet owner's prorate fleet after the beginning of the registration year. The temporary authority shall permit the operation of a commercial vehicle until permanent identification is issued, except that the temporary authority shall expire after forty-five days.
[C71, 73, 75, 77, 79, 81, §326.11; 81 Acts, ch 115, §1]

326.12 Vehicles deleted — registration transferred.
Fleet owners who delete commercial vehicles displaying Iowa base plates from the fleet after the commencement of the registration year shall be allowed to transfer registration credit to a replacement vehicle in accordance with the provisions of this section. Iowa shall allow credit for non-Iowa based deleted vehicles only if the state designated by the fleet owner as the base state of the deleted vehicle permits transfer of registration credit to the replacement vehicle. The fleet owner shall notify the department not later than ten days after such deletion and replacement. Allowance of credit for deleted vehicles shall be subject to the following conditions:
1. No additional registration fee shall be assessed on a replacement vehicle upon which the registration fee would have been the same as that for the deleted vehicle. The fee for reissuance or registration credentials or for transfer of credentials shall be seven dollars.
2. No deletion shall be made nor credit allowed toward registration of a replacement vehicle unless the vehicle to be removed from service has been sold, junked, repossessed, foreclosed by mechanic's lien, title transferred by operation of law, or cancellation or expiration of a lease arrangement. The deleted vehicle shall have been disposed of on or before the date the replacement vehicle was acquired or in the possession of the applicant.
3. If a leased vehicle is to be deleted from the fleet and unexpired registration fees applied to the replacement vehicle, the lessee shall certify to the department that any unexpired registration fees paid by the lessor to the lessee have been refunded to the lessor prior to the date of the supplemental application requesting credit for registration fees paid on the deleted vehicle. [C71, 73, 75, 77, 79, 81, §326.12]

326.13 Information under oath.

The department shall issue registration plates and receipts pursuant to apportionment agreements or arrangements authorized under this chapter. [C71, 73, 75, 77, 79, 81, §326.14]

326.15 Refunds of registration fees.

The refund of registration fees paid for motor vehicles under this chapter is allowed, except that no refund shall be allowed and paid if the unused portion of the fee is less than ten dollars per vehicle. Refunds shall be made as follows:

1. If the motor vehicle is destroyed by fire or accident, or junked and its identity as a motor vehicle is entirely eliminated, the owner in whose name the motor vehicle was registered at the time of destruction or dismantling shall return the plates to the department and make a claim for refund. A refund is not allowed unless a junking certificate has been issued, as provided in section 321.52.

2. If the motor vehicle is removed from the apportioned fleet, the owner in whose name the motor vehicle was registered shall return the plates to the department and make a claim for refund. A refund shall not be allowed without documentation of the subsequent registration of the motor vehicle.

3. If the motor vehicle is stolen, the owner shall give notice of the theft to the department within five days. If the motor vehicle is not recovered by the owner before December 1 of the year for which the registration fee was paid, the owner shall make a statement of theft and make a claim for refund.

4. If the composite percentage apportioned by an owner on a fleet of vehicles based in Iowa to each of the jurisdictions with which Iowa has an apportionment agreement is more than one hundred percent, the fleet owner may file a claim with the department for a refund of registration fees paid in excess of one hundred percent, except when percentages are computed over one hundred percent as specified in section 326.8. The claim for refund shall be filed on or after December 1 of the year for which refund is requested, and the fleet owner shall furnish satisfactory evidence of the alleged overpayment. The department shall prescribe and provide suitable forms requisite or deemed necessary to process claims and ensure that claims are paid to fleet owners who have complied with proportional registration requirements. A fleet owner may elect to apply a refund to proportional registration fees payable the next registration year in lieu of receiving a refund payable under this section. The state of Iowa is not liable for claims unless filed within four full years following the calendar year for which the application is made.

5. If as a result of an audit the motor vehicle registration fees are found to have been paid in error, a claim for refund shall be filed with satisfactory evidence of the error.

A refund for trailers and semitrailers issued multiyear registration plates shall be paid by the department under the previously stated conditions. Refunds of proportional registration fees are allowed only if the state which issued the base plate for the vehicle allows a similar refund to Iowa carriers. If the motor vehicle for which refund is sought is leased by the owner to an apportioned registrant, the claim shall be filed in the names of both the lessee and the lessor and the refund payment made payable to both the lessee and the lessor.

Refunds of proportional registration fees shall be paid on the basis of unexpired complete calendar months remaining from the date the claim is filed with the department. Refunds for trailers and semitrailers issued a multiyear registration plate shall be paid on the basis of unexpired complete registration years remaining from the date the claim is filed. [C71, 73, 75, 77, 79, 81, §326.15] 83 Acts, ch 161, §1

326.16 Delinquent fees.

If the fees for such proportional registration are not paid to each contracting jurisdiction entitled thereto on the basis of the proportional registration application and supporting documents filed with the department by the fleet owner within a reasonable amount of time as determined by the department, the department shall redetermine fees due this state. If any additional fees due this state are not paid by the fleet owner within twenty days after the mailing to the owner of a notice by certified mail of the additional fees due, such owner's registration in this state shall be canceled. In addition, the fees due for registration in this state shall be a debt due to the state of Iowa. [S13, §1571-m16; C24, 27, 31, 35, §4866; C39, §5003.04; C46, 50, 54, 58, §321.56; C62, 66, §326.3; C71, 73, 75, 77, 79, 81, §326.16]

326.17 Iowa base plates.

Resident fleet owners shall be required to list Iowa as the base state for all commercial vehicles which qualify under the term “base state” as defined in this chapter, and Iowa base plates shall be displayed on all such commercial vehicles. Nonresident fleet owners subject to proportional registration shall display Iowa base plates if the commercial vehicle qualifies as an Iowa based vehicle as defined in this chapter. [C71, 73, 75, 77, 79, 81, §326.17]

326.18 Nonresident fleet owner privileges.

When a nonresident fleet owner has registered vehicles on a prorated basis, the vehicles are fully registered insofar as interstate commerce is concerned. The
privileges granted to a nonresident pursuant to this chapter permit the operation of a vehicle which is simultaneously engaged in interstate movements and intrastate commerce, provided that the owner has intrastate authority or rights granted by the department. The director may also enter into reciprocity agreements pursuant to section 326.5 to permit interstate and intrastate movement of vehicles registered on a prorated basis by a nonresident fleet owner, provided the owner has intrastate authority granted by the department and the jurisdiction in which the nonresident is base plated grants the same privilege to an Iowa base plated vehicle. Each vehicle upon which an Iowa base plate is required to be displayed under this chapter is fully registered for both interstate commerce and intrastate commerce.

326.19 Records preserved.

Any owner complying with and granted proportional registration privileges shall preserve the records upon which applications are made for a period of four full years following the year for which the application was made. Upon request of the department, all fleet owners shall make all such records available to the department at the office of the director for audit as to accuracy of computation and payment. If the owner does not produce such records when so requested, the owner shall pay the costs of an audit by a duly appointed representative of the department at the home office of the owner. The department may enter into agreements with authorized agencies or other contracting states for joint audits of any such owner.

326.20 Benefits extended to leased vehicles.

The department may, notwithstanding any provisions of the Code to the contrary, enter into reciprocity or proportional registration agreements which extend the benefits thereof to leased vehicles on the basis of the residence of the lessee.

326.21 Laws of other states — Iowa interests.

In the absence of an agreement with another jurisdiction, the department may examine the laws and requirements of such jurisdiction and declare the extent and nature of exemptions, benefits, and privileges to be extended to vehicles or owners of vehicles properly registered or licensed in such other jurisdiction. The department shall consider the interests of the state of Iowa and the citizens thereof, the interests of the other jurisdictions and the citizens thereof, and the benefits which will accrue to the economy of the state of Iowa from the uninterrupted flow of commerce in declarations made under this section. Each declaration shall specify that the extent of exemptions, benefits, and privileges is subject to revision without notice upon adoption by the general assembly of legislation in conflict with the terms of any such declaration.

326.22 Operational laws of Iowa applicable.

A nonresident registered vehicle is subject to all laws and rules governing the operation of such vehicle on the highways of this state. The registration number plates, stickers, or other identification assigned and furnished to any vehicle for the current registration year by the state in which the vehicle is registered shall be displayed on the vehicle substantially as provided in chapter 321 for vehicles registered pursuant to the provisions of this chapter. In addition, a fee set by the department to cover actual cost shall be charged for each plate, sticker, or other identification furnished for each vehicle registered in accordance with the provisions of this section or extended reciprocity in accordance with the provisions of this section. A charge shall not be made for the initial registration receipt or cab card issued for each vehicle registered pursuant to an appointment registration agreement. A fee set by the department to cover actual costs shall be charged for issuance of duplicate plates, stickers or other identification required, duplicate registration receipts, and duplicate cab cards.

326.23 Trip permits.

1. The owner of a commercial vehicle which is properly registered and licensed in some other jurisdiction and is to be operated occasionally on highways in this state, may in lieu of payment of the annual registration fee for such vehicle obtain a trip permit authorizing operation of the vehicle on the highways of this state in interstate commerce for a period of time not to exceed seventy-two hours. The fee for the trip permit shall be ten dollars.

2. The department may enter into agreements with owners and operators of truck stops to permit the owners and operators of truck stops to issue trip permits subject to any conditions imposed by the department. In addition to the trip permit fee, the owner or operator of a truck stop may charge an issuance fee of not more than one dollar. For the purposes of this section, "truck stop" means any place of business which sells fuel normally used by trucks and which is open twenty-four hours per day.

326.24 Repealed by 66GA, ch 173, §12.

326.25 Applications — investigations.

The department shall examine and determine the genuineness, regularity, and legality of every application lawfully made pursuant to this chapter, and may in all cases make investigations as may be deemed necessary or require additional information. The department shall reject any such application if not satisfied of the genuineness, regularity, or legality thereof of the truth of any statement contained therein, or for any other reason, when authorized by law. The department is hereby authorized to take possession of any indicia of proportional registration or reciprocity upon expiration, revocation, cancellation, or suspension thereof, or which is fictitious, or which has been unlawfully or erroneously issued.
§326.25  The department may suspend or revoke the registration indicia of a vehicle registered on a prorated basis in any one of the following events:

1. When the department is satisfied that such registration indicia was issued upon fraudulent application. Bona fide errors shall be corrected within fifteen days after notification by the department.

2. When the department determines that the required fee has not been paid and same is not paid upon reasonable notice and demand.

3. When the registration indicia is knowingly displayed on a vehicle which is not in the prorate fleet of the registrant.

§326.26  Forms.
The department shall prescribe and provide suitable forms of application, registration receipts, and all other forms requisite or deemed necessary to carry out the provisions of this chapter.

§326.27  Violations to negate agreements.
Operation of a commercial vehicle or vehicles in violation of the requirements of this chapter, the motor vehicle registration laws of this state, or the terms of any agreement negotiated by the department pursuant to this chapter may, after due notice and hearing, be grounds for denial of reciprocal or proportional registration privileges on the vehicle or vehicles of an owner so operated. Any owner denied such reciprocal or proportional registration privileges shall be subject to payment of full annual Iowa registration fees on any such vehicle operated on Iowa highways. In addition to denial of reciprocal or proportional registration privileges, it shall be a simple misdemeanor, unless such act is declared under Iowa law to be a felony, for any person to operate under reciprocity or proportional registration in violation of any requirements of this chapter.

§326.28  Copies of records — fee.
A fee shall be charged for copies of such records as may be provided from the office of the department or the director. Such fee shall be one dollar for the first page and fifty cents for each additional page of copy received at any one time.

§326.29  Fees to road use tax fund.
Fees collected by the department pursuant to this chapter shall be remitted to the treasurer of state for deposit in the road use tax fund except that fees collected for other states shall be placed in a special fund known as the "reciprocity fund." The department, at least monthly, shall order the disbursement of such fees collected to the appropriate states. Interest earned on the "reciprocity fund" shall be retained by the state and shall be credited to the road use tax fund.

§326.30  Motor vehicle law applicable.
All provisions of chapter 321 insofar as applicable, are hereby specifically extended to include owners who register vehicles in this state on a proportional registration basis or who operate interstate on Iowa highways under reciprocity.

§326.31  Filing incorrect information — effect.
Whenever the director has reason to believe that a fleet owner has filed incorrect information with the department or the department of revenue and finance, for the purpose of reducing the fleet owner's obligation for registration fees or fuel taxes, the director may cancel the apportioned registration privileges on all of the vehicles owned by such person. Any person who has such privileges canceled shall be subject to the payment of the full annual registration fee for all vehicles operated on the highways of this state for a period of at least five years thereafter. The director of revenue and finance shall co-operate with the department in ascertaining the accuracy of all reports filed pertaining to registration fees and motor fuel taxes.

Any person whose privileges are canceled may request an administrative hearing of said action before the department of inspections and appeals, and during the period pending the hearing the apportioned registration privileges shall be reinstated if the fleet owner posts security with the department of transportation in an amount sufficient to pay such full annual fees if an adverse decision is rendered at the hearing. At such hearing the fleet owner shall have the burden of proof as to the accuracy of any report filed by the fleet owner with the department of transportation or the department of revenue and finance. Judicial review of any decision reached at the administrative hearing may be sought in accordance with the terms of the Iowa administrative procedure Act.

§326.32  Additional fees or restrictions by other states — effect.
If the laws of any other state or country impose any taxes, fees, charges, penalties, obligations, prohibitions, or limitations of any kind upon the vehicles of residents of Iowa, in addition to those imposed upon the vehicles of residents of such other state or country by the state of Iowa, the department may impose and collect fees and charges in the same amount and impose the same obligations, prohibitions, or limitations upon the owner or operator of a vehicle registered in such other state or country.

§326.33  Rules adopted.
The department shall promulgate rules pursuant to chapter 17A as necessary to carry out the provisions of this chapter.

326.39 to 326.44 Reserved.

The department shall adopt rules pursuant to chapter 17A to process registration of vehicles titled in other states.

326.46 Temporary registration.
The department may issue temporary registration for unregistered vehicles subject to registration under this chapter upon application by the owner and payment of a fee of ten dollars for each vehicle. The registration shall be valid for fifteen days and for one trip between specified points of origin and destination with intermediate points authorized by the department. Property or passengers shall not be transported while the vehicle is subject to temporary registration.

327A.1 Definitions.
The following words and phrases, when used in this chapter, will for the purpose of this chapter, have the following meanings respectively ascribed to them

1 "Liquid transport carrier" shall mean any person engaged in the transportation, for compensation, of liquid products in bulk upon any highway in this state
2. "Person" shall mean any individual, association, partnership, firm or corporation.

3. "Vehicle" shall mean any self-propelled vehicle, any trailer, semitrailer, or other device used in connection therewith not operated upon fixed rails or tracks, equipped with one or more cargo tanks, or between fixed termini or over a regular route and used for the transportation of liquid products in bulk.

4. "Transportation for compensation" shall, in addition to all public transportation, also include transportation primarily for others by a person, not a distributor licensed under chapter 324, even though as an incident thereto the person buys the liquids at the point where the transportation originates and sells it at a delivered price at destination and, except as otherwise provided, shall include transportation for others by a distributor licensed under chapter 324 or liquid products not owned by the distributor.

5. "Department" means the state department of transportation.

327A.2 Certificate required.

Except as otherwise provided, before an intrastate transport carrier may transport liquid products in bulk for compensation, the carrier shall obtain from the department a certificate declaring that public convenience and necessity require such operation.

The department may allow the provision of temporary service for which there is an immediate and urgent need to a point or points requested by the application for a certificate of public convenience and necessity upon the department's finding that the point or points do not have liquid bulk carrier service capable of meeting the need or that a carrier is not currently serving that point or those points. Upon meeting the requirements of this chapter and the rules of the department, the temporary authority, unless suspended or revoked for good cause, is valid for such time as the department specifies but not exceeding one hundred twenty days. Granting temporary authority does not create a presumption that the corresponding application will subsequently be granted.

327A.3 Applicable sections of law.

The provisions of sections 325.7 to 325.21 insofar as applicable are hereby extended to include liquid transport carriers in relation to hearing on an application for the aforesaid certificate of convenience and necessity.

327A.4 Disposal of certificate.

Whenever any person shall file with the department an application for authority to sell, transfer, lease or assign a certificate of convenience and necessity issued under the provisions of this chapter, the department shall fix a date for hearing thereon and cause a notice addressed to the citizens of each county through or in which the proposed service will be rendered to be published in some newspaper of general circulation in each such county, once each week for two consecutive weeks, and shall notify each liquid transport carrier holding a certificate, issued by the department, to transport over, in, or through the area described in the application, by mailing notice of the hearing to each such carrier at least ten days before the date fixed for hearing, and the provisions of chapter 325, inclusive of this chapter shall, insofar as applicable be applicable to the said hearing.

327A.5 Insurance required.

No certificate shall be issued until and after an applicant shall have filed with the department an insurance policy, policies, surety bond or certificate of insurance, in form to be approved by the department, issued by some company, association, reciprocal or interinsurance exchange or other insurer authorized to do business in this state.

The minimum limit of liability of any policy or surety bond shall, for each vehicle thereby covered, be as follows:

1. To cover the assured's legal liability as a liquid transport carrier for bodily injury or death resulting therefrom as a result of any one accident or other cause, one hundred thousand dollars for any recovery by one person, and subject to the limit for one person, three hundred thousand dollars, for more than one person. However, the minimum limits of liability for liquid transport carriers of hazardous materials subject to federal minimum limits of liability are those specified in 49 C.F.R. sec. 387.3 and sec. 387.9 as published in the federal register on June 11, 1981.

3. To cover the assured's legal liability as a liquid transport carrier for loss of or damage to property in the possession or custody of the assured while for the purpose of or being transported, except property of the assured as a result of any one accident or other cause ten thousand dollars. Such insurance policy, policies, surety bond, or certificate of insurance shall bind the obligors thereunder to make compensation for injuries to persons, excluding injury to or death of the applicant's employees while engaged in the course of their employment and loss to or damage to property resulting from the operation of such liquid transport carrier and for which such liquid transport carrier would be legally liable. Such insurance policy, policies, surety bond, or certificate of insurance shall also provide that any person, firm, association or corporation having a right of action against such liquid transport carrier for injuries to persons or loss of or damage to property, when service cannot be obtained on the liquid transport carrier within this state, may bring action for recovery directly upon such insurance policy, policies, surety bond, or certificate of insurance and against
such insurance company, association, reciprocal or interinsurance exchange or other insurer or bonding company. However, the provisions of this chapter regarding the supervision of carriers do not apply to regular route motor carriers of passengers or charter carriers, as defined under section 325.1.

327C.17 When order effective — violation. If any railroad fails, neglects, or refuses to comply with any rule or order made by the department within the time specified, it shall, for each day of such failure, be subject to a schedule “two” penalty. [S13, §2119; C24, 27, 31, 35, 39, §7885; C46, 50, 54, 58, 62, 66, 71, 73, 75, §474.26; C77, 79, 81, §327C.17; 81 Acts, ch 22, §22] See §327C.5

327C.20 Remitting penalty. If a common carrier fails in a judicial review proceeding to secure a vacation of the order objected to, it may apply to the court in which the review proceeding is finally adjudicated for an order remitting the penalty which has accrued during the review proceeding. Upon a satisfactory showing that the petition for judicial review was filed in good faith and not for the purpose of delay, and that there were reasonable grounds to believe that the order was unreasonable or unjust or that the power of the department to make the same was doubtful, such court may remit the penalty that has accrued during the review proceeding. [S13, §2119; C24, 27, 31, 35, 39, §7888; C46, 50, 54, 58, 62, 66, 71, 73, 75, §474.29; C77, 79, 81, §327C.20; 81 Acts, ch 22, §22]

[S13, §2120-a; C24, 27, 31, 35, 39, §7890; C46, 50, 54, 58, 62, 66, 71, 73, 75, §474.31; C77, 79, 81, §327C.22]

327C.23 Application to interstate commerce commission. When any common carrier has put in force any rates, rules, or practices in relation to interstate freight business, in violation of the laws of the United States regulating commerce, or of the orders, rules, or regulations of the interstate commerce commission, or shall unjustly discriminate against any of the citizens, industries, interests, or localities of the state, the department shall present the material facts involved in such violations or discrimination to the interstate commerce commission and seek relief therefrom, and, if deemed necessary or expedient, the department shall prosecute any charge growing out of such violation or

327G.30 Adjustment of expense.

If a grade crossing surface of a railroad track and a highway, street, or alley shall require repairs or maintenance, the costs for the maintenance may be paid as provided in section 312.2, subsection 5.

The department shall make appropriate notification if the fund is exhausted in which case agreements shall not be made under this section until additional funds are available. The fund shall be administered by the department.

Upon completion of the agreed repair work, a statement of costs shall be filed with the department by the railroad corporation in a form and manner prescribed by the department. The department, upon approval of the statement, shall pay to the railroad corporation an amount of the cost of the work from the highway railroad grade crossing surface repair fund as provided in section 312.2, subsection 5. The owner of the track and the jurisdiction entering into the agreement shall each pay the cost as provided in section 312.2, subsection 5.

327G.31 Disagreement resolved.

If a railroad corporation and the jurisdiction having authority cannot reach agreement on grade crossing surface repair and maintenance, either party may appeal to the department of inspections and appeals if prior to disagreement both parties have filed a statement with the state department of transportation to the effect that they have entered into negotiations on grade crossing surface repair and maintenance of a particular crossing. The department of inspections and appeals shall resolve the dispute in the manner provided in section 327G.16 and section 327G.17, except for the allocation of costs.

Such guilt shall then be with the railroad corporation.

This section notwithstanding, a political subdivision may pass a resolution or ordinance regulating the length of time a specific crossing may be blocked if the political subdivision demonstrates that a resolution or ordinance is necessary for public safety or convenience. If a resolution or ordinance is passed the political subdivision shall within thirty days of the effective date of the resolution or ordinance notify the department and the railroad corporation using the crossing affected by the resolution or ordinance. The resolution or ordinance shall not become effective unless the department and the railroad corporation are notified.
within thirty days. The resolution or ordinance shall become effective thirty days after notification unless a person files an objection to the resolution or ordinance with the department. If an objection is filed the department of inspections and appeals shall hold a hearing. The department of inspections and appeals may disapprove the resolution or ordinance if public safety or convenience does not require a resolution or ordinance. The resolution or ordinance approved by the political subdivision is prima-facie evidence that the resolution or ordinance is adopted to preserve public safety or convenience.

The department of inspections and appeals when considering rebuttal evidence shall weigh the benefits accruing to the political subdivision as it bears to the general public use compared to the burden placed on the railroad operation. Public safety or convenience may include, but shall not be limited to, high traffic density at a specific crossing of a main artery or interference with the flow of authorized emergency vehicles.

Political subdivisions shall notify the authority within sixty days of July 1, 1976, of each existing resolution or ordinance which does not conform with the provisions of this section. Political subdivisions not notifying the authority of an existing resolution or ordinance during the calendar year beginning January 1, 1976 shall have an additional sixty days after July 1, 1977 to notify the authority. Failure to do so shall render the resolution or ordinance void.

Such ordinances or resolutions may remain in effect until the department of inspections and appeals has acted upon each ordinance or resolution under the procedures specified in this section.

REVERSION TO OWNERS
UPON ABANDONMENT

§327G.76 Time of reversion.

Railroad property rights which are extinguished upon cessation of service by the railroad divest when the railway finance authority or the railroad, having obtained authority to abandon the rail line, removes the track materials to the right-of-way. If the railway finance authority does not acquire the line and the railway company does not remove the track materials, the property rights which are extinguished upon cessation of service by the railroad divest one year after the railway obtains the final authorization necessary from the proper authority to remove the track materials.

If there are different owners on either side, each owner will take to the center of the right-of-way. Section 614.24 which requires the filing of a verified claim does not apply to rights granted under this subsection.

2. An adjoining property owner may perfect title under subsection 1 by filing an affidavit of ownership with the county recorder. The affidavit shall include the name of the adjoining property owner, a description of the property, the present name of the railroad, the jurisdiction, docket number, and date of order authorizing the railroad to terminate service, and the approximate date the track materials on the right-of-way were removed. A copy of the affidavit must be mailed by the landowner by certified mail to the railroad. The landowner shall pay taxes on the right-of-way from the date the affidavit is filed.

3. Utility facilities located on abandoned railroad
right-of-way shall remain on the right-of-way subject to payment by the utility of the fair market value of an easement for the facilities. The utility shall, within sixty days from the time the property is transferred from the railroad, extend a written offer to the landowner to purchase the easement at fair market value. The landowner shall accept or reject the utility’s offer within sixty days from the time of receipt. If a disagreement arises between the parties concerning the price or other terms of the transaction, either party may make written application to a compensation commission as established pursuant to chapter 472 to resolve the disagreement. This application shall be made within sixty days from the time the landowner’s response is served upon the utility. The compensation commission shall hear the controversy and make a final determination of the fair market value of the easement and the other terms of the transaction which were in dispute within ninety days after the application is filed. If a disagreement arises between the parties concerning the price or other terms of the sale transaction, either or both parties may make written application to the department to resolve the disagreement. The application shall be made within sixty days from the time an initial written response is served upon the railroad corporation, trustee, or successor in interest by the person wishing to purchase the property. The department shall notify the department of inspections and appeals which shall hear the controversy and make a final determination of the fair market value of the property and the other terms of the transaction which were in dispute, within ninety days after the application is filed. An agreement which does not require the repayment of railroad assistance funds used for rehabilitation projects shall require the railroad corporation to establish and maintain a separate corporation account to which an amount equal to all or part of the costs paid from the railroad assistance fund shall be credited from revenue derived from all railroad cars and traffic using the main line, branch line, switching yard or siding defined in the agreement. However, one-half of the funds credited to the railroad assistance fund shall be expended as nonreimbursable grants for rehabilitation programs. The agreement shall stipulate the terms and conditions governing the use of credits to the corporation account as well as a penalty for the use of the account in a manner other than as provided in the agreement.

With the department's approval, a city may appropriate money from its general fund to the railroad assistance fund. 1 The department shall promulgate rules pursuant to the provisions of chapter 17A governing the issuance by the department of certificates of registration to all airports in this state which are open for use by the public and governing the annual renewal of those certificates. These rules shall require that an airport applying for a certificate of registration or for a renewal shall comply with minimum standards of safety as promulgated by the department, adopt safe air traffic patterns, and demonstrate that such air traffic patterns are safely co-ordinated with those of all existing airports and approved airport sites in its vicinity before the certificates of registration or certificate of renewal may be issued. Certificates of registration or renewal may be issued subject to any conditions the department deems necessary to carry out the purposes of this section. The department may, after notice and opportunity for hearing as provided in chapter 17A, revoke any certificate of registration or renewal, or may refuse to issue a renewal, when it determines

c That because of change of physical or legal conditions or circumstances the airport has become either unsafe or unusable for the aeronautical purposes for which the registration or renewal was issued.

2 The department shall promulgate rules pursuant to the provisions of chapter 17A governing the issuance by the department of certificates of airport site approval. These rules shall provide that any person or governmental subdivision desiring or planning to construct or establish an airport shall obtain a certificate of site approval prior to acquisition of the site or prior to the construction or establishment of the airport. The department shall charge a reasonable fee, based on the cost of a safety inspection of the site approval application, for the issuance of a certificate of site approval, and shall issue such a certificate if it finds

b That such proposed airport, if constructed or established, will conform to minimum standards of safety as promulgated by the department, and

c That safe air traffic patterns are established for the proposed airport which are safely co-ordinated with the traffic patterns of all existing airports and approved airport sites in its vicinity.

3 A certificate of site approval shall remain in effect until a certificate of registration has been issued to an airport located on the approved site as provided in subsection 1, unless the department, after notice and opportunity for hearing, revokes the certificate of site approval upon a finding that

a There has been an abandonment of the site as an airport site,

b There has been a failure within two years to develop the site as an airport, or to comply with the conditions of the approval, or

c Because of change of physical or legal conditions or circumstances the site is no longer usable for the aeronautical purposes for which the approval was granted.

3 Where there is no delinquency and the registration is made in August or succeeding months to and

No fee shall be required for the month of June for a new aircraft, in good faith delivered in that month, providing said aircraft is registered at the time of purchase for the following year.

4. The registration fee for an aircraft operated in scheduled interstate airline operation, owned by an Iowa person and operated part-time within this state shall be a fee of thirty-five dollars. The application for registration shall be supported by such records as the department shall prescribe.

5. Should the department find and determine that no established manufacturer's list price exists for any such aircraft the department is hereby authorized and empowered to determine and fix the fair value of such aircraft which fair value shall be used in lieu of a manufacturers' list price in computing the registration fee for each such aircraft as otherwise provided by this section.

When the fee as so computed results in a fractional part of a dollar, it shall be computed to the nearest quarter of a dollar.

2. "Airport hazard" means any structure or tree or use of land which would exceed the federal obstruction standards as contained in 14 code of federal regulations sections 77.21, 77.23 and 77.25 as revised March 4, 1972, and which obstruct the air space required for the flight of aircraft and landing or take off at an airport or is otherwise hazardous to such landing or taking off of aircraft

3. "Airport hazard area" means any area of land or water upon which an airport hazard might be established if not prevented as provided by this chapter

329.2 Airport hazards contrary to public interest.

It is hereby found that an airport hazard endangers the lives and property of users of the airport and of occupants of land and other persons in its vicinity, and also, if of the obstruction type, in effect reduces the size of the area available for the landing, taking off and maneuvering of aircraft, thus tending to destroy or impair the utility of the airport and the public investment therein. Accordingly, it is hereby declared

1. That the creation or establishment of an airport hazard is a public nuisance and an injury to the community served by the airport in question

2. That it is necessary in the interest of the public health, safety, and general welfare that the creation or establishment of airport hazards be prevented

3. That this should be accomplished, to the extent legally possible, by proper exercise of the police power

4. That the prevention of the creation or establishment of airport hazards, and the elimination, removal, alteration, mitigation, or marking and lighting of existing airport hazards are public purposes for which municipalities may raise and expend public funds, as an incident to the operation of airports, to acquire land or property interests therein

329.3 Zoning regulations — powers granted.

Every municipality having an airport hazard area within its territorial limits may adopt, administer, and enforce in the manner and upon the conditions prescribed by this chapter, zoning regulations for such airport hazard area, which regulations may divide such area into zones and, within such zones, specify the land uses permitted, and regulate and restrict, for the purpose of preventing airport hazards, the height to which structures and trees may be erected or permitted to grow

329.4 Extra-territorial airport hazard areas.

When any airport hazard area appertaining to an airport owned or controlled by a municipality is located outside the territorial limits of said municipality
§329.9

1 **Ordinances** The municipality owning or controlling the airport, and the municipality within which the airport hazard area is located, may by duly adopted ordinance adopt, administer, and enforce airport zoning regulations applicable to the airport hazard area

2 **Petition to district court** If the municipality within which is located such airport hazard area has failed or refused, within sixty days after demand has been made upon it by any municipality owning or controlling the airport, to adopt reasonably adequate airport zoning regulations under section 329 3, or to join in adopting joint airport zoning regulations as authorized in subsection 1 of this section, the municipality owning or controlling the airport may, upon a resolution of necessity therefor duly adopted by its governing body, petition the district court of the county in which such airport hazard area or any part thereof is located, in the name of the municipality owning or controlling the affected airport, praying that zoning regulations be established for the airport hazard area in question

3 **Petition — contents** Such petition shall allege all essential facts showing the necessity for bringing such action, the relief sought including proposed zoning regulations, and the necessity therefor

4 **Parties** The parties defendant in such action shall be the municipality in which such airport hazard area is located, and all persons having an apparent or contingent interest in the property located within such area, who may be joined in said action generally as a class

5 **Procedure** The action shall be triable in equity and in accordance with general rules of civil procedure, except that such action shall have precedence over any other business of the court except criminal cases, and the court shall set said petition for hearing not less than sixty days nor more than one hundred twenty days from the date it is filed with the clerk of said court

6 **Notice** The original notice in such action shall be served upon the municipality in which such airport hazard area is located, and in the same manner as original notice of any other action but not less than thirty days prior to the date set for trial, and upon all other defendants by the publication of said notice in some newspaper or newspapers of general circulation within the area described in the petition, or as near thereto as possible, which publication shall be in the same manner as provided for the publication of other original notices, provided, however, that the last publication thereof shall be not less than thirty days prior to the date set for trial

7 **Decree and modification** Upon trial the court may enter decree establishing such zoning regulations as it shall find reasonable and necessary. The court having once taken jurisdiction of such matter shall retain continuing jurisdiction thereof for such subsequent modification as it may deem advisable, upon proper application of interested parties, and due showing made thereunder after such notice to possible adverse parties as the court shall prescribe

8 **Appeal** Any person or municipality adversely affected or aggrieved by any findings of the court may appeal therefrom as in other civil actions

9 **Enforcement** Following the entry of any final decree by the district court, and unless appeal has been taken therefrom, the zoning regulations established by such decree may be enforced, and violations thereof punished, as provided by section 329 14

[C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, S81, §329 4, 81 Acts, ch 117, §1050]

329.5 **Prevention of airport hazards.** Any municipality owning or controlling an airport may maintain actions in equity to restrain and abate as nuisances the creation or establishment of airport hazards appertaining to said airport, in violation of any zoning regulations adopted or established pursuant to the provisions of this chapter for any area whether within or without the territorial limits of said municipality

329.6 **Zoning powers.** If any municipality owning or controlling an airport adjacent to which there is an airport hazard area shall fail or refuse, within sixty days after demand made upon it by the department, to adopt reasonably adequate airport zoning regulations under section 329 3, or to proceed as provided in section 329 4, the department may petition the district court of the county in which such airport hazard area, or any part thereof, is located, in the name of the state, praying that zoning regulations be established for the airport hazard area in question, and the provisions of section 329 4, subsections 3 to 9, shall apply to such actions provided, however, that such municipality shall be joined as a party defendant in any such action

The department may maintain actions in equity to restrain and abate as nuisances the creation or establishment of airport hazards appertaining to any airport within the state, in violation of any zoning regulations adopted or established pursuant to the provisions of this chapter

3. All such regulations shall provide that no pre-existing nonconforming structure, tree, or use, shall be replaced, rebuilt, altered, allowed to grow higher, or replanted, so as to constitute a greater airport hazard than it was when such airport zoning regulations or amendments thereto were adopted.

Any person desiring to erect or increase the height of any structure, or to permit the growth of any tree, or otherwise use the person's property in violation of airport zoning regulations adopted under this chapter, may apply to the board of adjustment for a variance from the zoning regulations. Such variances shall be allowed where a literal application or enforcement of the regulations would result in practical difficulty or unnecessary hardship and the relief granted would not be contrary to the public interest, but would do substantial justice and be in accordance with the spirit of the regulations and this chapter; provided, however, that any such variance may be allowed subject to any reasonable conditions that the board of adjustment may deem necessary to effectuate the purposes of this chapter, including the reservation of the right of the municipality, at its own expense, to install, operate, and maintain thereon such markers and lights as may be necessary to indicate to operators of aircraft the presence of the airport hazard.

§331.302 County legislation.

1. The board shall exercise a power or perform a duty only by the passage of a motion, a resolution, an amendment, or an ordinance.

2. A county shall not provide a penalty in excess of a one hundred dollar fine or in excess of thirty days imprisonment for the violation of an ordinance. The criminal penalty surcharge required by section 911.2 shall be added to a county fine and is not a part of the county's penalty.

3. The subject matter of an ordinance or amendment shall be generally described in its title.

4. An amendment to an ordinance or to a code of ordinances shall specifically repeal the ordinance or code, or the section or subsection to be amended, and shall set forth in full the ordinance, code, section or subsection as amended.

5. A proposed ordinance or amendment shall be considered and voted on for passage at two meetings of the board prior to the meeting at which it is to be finally passed, unless this requirement is suspended by a recorded vote of not less than a majority of the supervisors.

6. Passage of an ordinance, amendment, or resolution requires an affirmative vote of not less than a majority of the supervisors. Each supervisor's vote on an ordinance, amendment, or resolution shall be recorded.

7. A resolution becomes effective upon passage and an ordinance or amendment becomes a law when published, unless a subsequent effective date is provided within the measure.

8. The auditor shall promptly record each measure, publish all ordinances and amendments as provided in section 331.305, authenticate all measures except motions with signature and certification as to time and manner of publication, if any, and maintain for public use copies of all effective ordinances and codes. The auditor's certification is presumptive evidence of the facts stated therein.

9. At least once every five years, the board shall compile a code of ordinances containing all of the county ordinances in effect.

If a proposed code of ordinances contains only existing ordinances edited and compiled without change in substance, the board may adopt the code by ordinance. If a proposed code of ordinances contains a proposed new ordinance or amendment, the board shall hold a public hearing on the proposed code before adoption. The auditor shall publish notice of the hearing as provided in section 331.305. Copies of the proposed code of ordinances shall be available at the auditor's office and the notice shall so state. Within thirty days after the hearing, the board may adopt the proposed code of ordinances which becomes law upon publication of the ordinance adopting it. If the board substantially amends the proposed code of ordinances after a hearing, notice and hearing shall be repeated.
Ordinances and amendments which become effective after adoption of a code of ordinances may be compiled as a supplement to the code, and upon adoption of the supplement by resolution, become part of the code of ordinances.

An adopted code of ordinances is presumptive evidence of the passage, publication, and content of the ordinances therein as of the date of the auditor's certification of the ordinance adopting the code or supplement.

10. The compensation paid to a newspaper for a publication required by this section shall not exceed three-fourths of the fee provided in section 618.11.

11. The board may adopt the provisions of a statewide or nationally recognized standard code or portions of any such code by an ordinance which identifies the code by subject matter, source, and date, and incorporates the provisions either by reference or by setting them forth in full. The code or portion shall be adopted only after notice and hearing in the manner provided in subsection 9.

12. Immediately after the effective date of a measure establishing a zoning district, building lines, or fire limits, the auditor shall certify the measure and a plat showing the district, lines, or limits, to the recorder. The recorder shall record the measure and plat in the miscellaneous record or other book provided for special records, and shall index the record.

13. A measure voted upon is not invalid because a supervisor has a conflict of interest, unless the vote of the supervisor was decisive to passage of the measure. If a majority or unanimous vote of the board is required by statute, the majority or vote shall be computed on the basis of the number of supervisors not disqualified by reason of conflict of interest. However, a majority of all supervisors is required for a quorum.

For the purposes of this subsection, the statement of a supervisor that the supervisor declines to vote by reason of conflict of interest is conclusive and shall be entered of record.

14. A valid measure adopted by a county prior to July 1, 1981 remains valid unless the measure is inconsistent with a state law.

15. A county shall not provide a civil penalty in excess of one hundred dollars for the violation of an ordinance which is classified as a county infraction or if the infraction is a repeat offense, a civil penalty not to exceed two hundred dollars for each repeat offense. A county infraction is not punishable by imprisonment.

16. If a county proposes to exercise any of the following powers, it shall do so in accordance with the following:

1. The power to act jointly with other political subdivisions or public or private agencies shall be exercised in accordance with chapter 28E or 473A or other applicable state law.

331.302 Ordinances and amendments.

Ordinances and amendments which become effective after adoption of a code of ordinances may be compiled as a supplement to the code, and upon adoption of the supplement by resolution, become part of the code of ordinances.

An adopted code of ordinances is presumptive evidence of the passage, publication, and content of the ordinances therein as of the date of the auditor's certification of the ordinance adopting the code or supplement. The code or portion shall be adopted only after notice and hearing in the manner provided in subsection 9.

10. The compensation paid to a newspaper for a publication required by this section shall not exceed three-fourths of the fee provided in section 618.11.

11. The board may adopt the provisions of a statewide or nationally recognized standard code or portions of any such code by an ordinance which identifies the code by subject matter, source, and date, and incorporates the provisions either by reference or by setting them forth in full. The code or portion shall be adopted only after notice and hearing in the manner provided in subsection 9.

12. Immediately after the effective date of a measure establishing a zoning district, building lines, or fire limits, the auditor shall certify the measure and a plat showing the district, lines, or limits, to the recorder. The recorder shall record the measure and plat in the miscellaneous record or other book provided for special records, and shall index the record.

13. A measure voted upon is not invalid because a supervisor has a conflict of interest, unless the vote of the supervisor was decisive to passage of the measure. If a majority or unanimous vote of the board is required by statute, the majority or vote shall be computed on the basis of the number of supervisors not disqualified by reason of conflict of interest. However, a majority of all supervisors is required for a quorum.

For the purposes of this subsection, the statement of a supervisor that the supervisor declines to vote by reason of conflict of interest is conclusive and shall be entered of record.

14. A valid measure adopted by a county prior to July 1, 1981 remains valid unless the measure is inconsistent with a state law.

15. A county shall not provide a civil penalty in excess of one hundred dollars for the violation of an ordinance which is classified as a county infraction or if the infraction is a repeat offense, a civil penalty not to exceed two hundred dollars for each repeat offense. A county infraction is not punishable by imprisonment.

16. If a county proposes to exercise any of the following powers, it shall do so in accordance with the following:

1. The power to act jointly with other political subdivisions or public or private agencies shall be exercised in accordance with chapter 28E or 473A or other applicable state law.
2 The power to authorize games of skill or chance at amusement concessions shall be exercised in accordance with section 99B 4
3 The power to adopt, administer and enforce the state building code shall be exercised in accordance with chapter 108A. The power to adopt by ordinance, administer, and enforce a county building code, is subject to the following restrictions:
   a A county building code shall not apply within the incorporated area of a city except at the option of the city, and shall not apply within a city's two-mile limit referred to in section 414 23, to the extent that the city has adopted a building code within the two-mile limit.
   b A county building code shall not apply to farm houses or other farm buildings which are primarily adapted for use for agricultural purposes, while so used or under construction for that use.
4 A county shall not license elevator inspectors or regulate elevator facilities except as provided in section 89A 15.

7 The board may file a petition with the city development board as provided in section 368 11.
8 The power to take private property for public use shall only be exercised by counties for public purposes which are necessary and reasonable in furtherance to the powers and duties conferred upon counties, and in accordance with chapters 471 and 472. Sections 306 19 and 306 28 to 306 37 are also applicable to condemnation of right of way for secondary roads.
9 The board, upon application, may grant permits for the display of fireworks as provided in section 727 2.
10 A county shall not adopt or enforce any ordinance imposing any registration or licensing system or registration or license fees for owner-occupied mobile homes including the lots or lands upon which they are located. A county shall not adopt or enforce any ordinance imposing any registration or licensing system, or registration or license fees, or safety or sanitary standards for rental mobile homes unless similar registration or licensing system, or registration or license fees, or safety or sanitary standards are required for other rental properties intended for human habitation. This subsection does not preclude the investigation and abatement of a nuisance or the enforcement of a tiedown system, or the enforcement of any regulations of the state or local board of health if those regulations apply to other rental properties or to owner-occupied housing intended for human habitation.

§331.305 Publication of notices.
Unless otherwise provided by state law, if notice of an election, hearing, or other official action is required by this chapter, the board shall publish the notice at least once, not less than four nor more than twenty days before the date of the election, hearing, or other action, in one or more newspapers which meet the requirements of section 618 14. Notice of an election shall also comply with section 49 53.

§331.306 Petitions of eligible electors.
If a petition of the voters is authorized by this chapter, the petition is valid if signed by eligible electors of the county equal in number to at least ten percent of the votes cast in the county for the office of president of the United States or governor at the preceding general election, unless otherwise provided by state law.

§331.307 County infractions.
1 A county infraction is a civil offense punishable by a civil penalty of not more than one hundred dollars for each violation or if the infraction is a repeat offense a civil penalty not to exceed two hundred dollars for each repeat offense.
2 A county by ordinance may provide that a violation of an ordinance is a county infraction.
3 A county shall not provide that a violation of an ordinance is a county infraction if the violation is a felony or misdemeanor by state law.
4 An officer authorized by a county to enforce a county code or regulation may issue a civil citation to a person who commits a county infraction. The citation may be served by personal service or by certified mail return receipt requested. A copy of the citation shall be retained by the issuing officer, and one copy shall be sent to the clerk of the district court. The citation shall serve as notification that a civil offense has been committed and shall contain the following information:
   a The name and address of the violator.
   b The nature of the violation at test to by the officer issuing the citation.
   c The location and time of the violation.
   d The amount of civil penalty to be assessed or the alternate relief sought, or both.
   e The manner, location, and time in which the penalty may be paid.
   f The time and place of court appearance.
   g The penalty for failure to appear in court.
5 In proceedings before the court for a county infraction:
   a The county has the burden of proof that the county infraction occurred and that the violator com
mitted the infraction. The proof shall be by clear, satisfactory, and convincing evidence.

b. The court shall ensure that the violator has received a copy of the charges and that the violator understands the charges. The violator may question all witnesses who appear for the county and produce evidence or witnesses on the violator's behalf.

c. The violator may be represented by counsel of the violator's own selection and at the violator's own expense.

d. The violator may enter a plea admitting or denying the infraction.

e. The verdict of the court for a county infraction shall be "guilty" of the county infraction or "not guilty" of the county infraction.

6. Notwithstanding section 602 8106, subsection 3, penalties or forfeitures collected by the court for county infractions shall be remitted to the county in the same manner as fines and forfeitures are remitted to cities for criminal violations under section 602 8106. If the person named in the citation is served as provided in this section and fails without good cause to appear in response to the civil citation, judgment shall be entered against the person cited.

7. A person found guilty of a county infraction is liable for the court costs and fees. If a person is found not guilty of a county infraction or the action is dismissed, the county is liable for the court costs and court fees. Where the action is disposed of without payment, or provision for assessment, of court costs, the clerk shall at once enter judgment for costs against the county.

8. Seeking a civil penalty as authorized in this section does not preclude a county from seeking alternative relief from the court in the same action.

9. When a violator has been found guilty of a county infraction, the court may impose a civil penalty or may grant appropriate relief to abate or halt the violation, or both, and the court may direct that payment of the civil penalty be suspended or deferred under conditions established by the court. If a violator willfully fails to pay the civil penalty or violates the terms of any other order imposed by the court, the failure is contempt.

10. A violator who has been found guilty of a county infraction may file a motion for a new trial or a motion for a reversal of a judgment as provided by law or rule of civil procedure.

11. This section does not preclude a peace officer of a county from issuing a criminal citation for a violation of a county code or regulation if criminal penalties are also provided for the violation. Each day that a violation occurs or is permitted by the violator to exist, constitutes a separate offense.

12. The issuance of a civil citation for a county infraction or the ensuing court proceedings do not provide an action for false arrest, false imprisonment, or prosecution.

2 Not less than twenty days before the date that a budget must be certified under section 24.17 and not less than ten days before the date set for the hearing under subsection 3 of this section, the board shall file the budget with the auditor. The auditor shall make available a sufficient number of copies of the budget to meet the requests of taxpayers and organizations and have them available for distribution at the courthouse or other places designated by the board.
3 The board shall set a time and place for a public hearing on the budget before the final certification date and shall publish notice of the hearing not less than ten nor more than twenty days prior to the hearing in one or more newspapers which meet the requirements of section 618.14. A summary of the proposed budget, in the form prescribed by the director of the department of management, shall be included in the notice. Proof of publication shall be filed with and preserved by the auditor. A levy is not valid unless and until the notice is published and filed.
4 At the hearing, a resident or taxpayer of the county may present to the board objections to or arguments in favor of any part of the budget.
5 After the hearing, the board shall adopt by resolution a budget and certificate of taxes for the next fiscal year and shall direct the auditor to properly certify and file the budget and certificate of taxes as adopted. The board shall not adopt a tax in excess of the estimate published, except a tax which is approved by a vote of the people, and a greater tax than that adopted shall not be levied or collected. A county budget and certificate of taxes adopted for the following fiscal year becomes effective on the first day of that year.
6 The board shall appropriate, by resolution, the amounts deemed necessary for each of the different county officers and departments during the ensuing fiscal year. Increases or decreases in these appropriations do not require a budget amendment, but may be provided by resolution at a regular meeting of the board, as long as each class of proposed expenditures contained in the budget summary published under subsection 3 of this section is not increased. However, decreases in appropriations for a county officer or department of more than ten percent or five thousand dollars, whichever is greater, shall not be effective unless the board sets a time and place for a public hearing on the proposed decrease and publishes notice of the hearing not less than ten nor more than twenty days prior to the hearing in one or more newspapers which meet the requirements of section 618.14.

331.435 Budget amendment.
The board may amend the adopted county budget, subject to sections 331.423 through 331.426 and other applicable state law, to permit increases in any class of proposed expenditures contained in the budget summary published under section 331.434, subsection 3.
3 The board shall prepare and adopt a budget amendment in the same manner as the original budget, as provided in section 331.434, and the amendment is...
subject to protest as provided in section 331.436, except that the director of the department of management may by rule provide that amendments of certain types or up to certain amounts may be made without public hearing and without being subject to protest. A county budget for the ensuing fiscal year shall be amended by May 31 to allow time for a protest hearing to be held and a decision rendered before June 30. An amendment of a budget after May 31 which is properly appealed but without adequate time for hearing and decision before June 30 is void.

331.437 Expenditures exceeding appropriations.

It is unlawful for a county official, the expenditures of whose office come under this part, to authorize the expenditure of a sum for the official's department larger than the amount which has been appropriated for that department by the board. A county official in charge of a department or office who violates this law is guilty of a simple misdemeanor. The penalty in this section is in addition to the liability imposed in section 331.476.

1. A county which proposes to carry out any general county purpose within or without its boundaries, and to contract indebtedness and issue general obligation bonds to provide funds to pay all or any part of the costs of a project, shall do so in accordance with this part. 

2. Before the board may institute proceedings for the issuance of bonds for a general county purpose, it shall call a county special election to vote upon the question of issuing the bonds. At the election the proposition shall be submitted in the following form: “Shall the county of ……………………. state of Iowa, be authorized to …………………… (state purpose of project) at a total cost not exceeding $………… and issue its general obligation bonds in an amount not exceeding $…………for that purpose?” 

3. Notice of the election shall be given by publication as specified in section 331.305. At the election the ballot used for the submission of the proposition shall be in substantially the form for submitting special questions at general elections.
§331.446 Form and execution — negotiability.

1 As provided by resolution of the board, general obligation bonds may
   a Bear dates
   b Bear interest at rates not exceeding any limitations imposed by chapter 74A
   c Mature in one or more installments
   d Be in either coupon or registered form
   e Carry registration and conversion privileges
   f Be payable as to principal and interest at times and places
   g Be subject to terms of redemption prior to maturity with or without premium

§331.445 Categories for general obligation bonds.

The board may issue general obligation bonds pursuant to a resolution adopted at a regular or special meeting by a majority of the total number of supervisors. Each subparagraph of section 331.441, subsection 2, paragraphs "b" and "c," describes a separate category. Separate categories of essential county purposes and of general county purposes may be incorporated in a single notice of intention to institute proceedings for the issuance of bonds, or separate categories may be incorporated in separate notices, and after an opportunity has been provided for filing objections, or after a favorable election has been held, if required, the board may include in a single resolution and sell as a single issue of bonds, any number or combination of essential county purposes or general county purposes. If an essential county purpose is combined with a general county purpose in a single notice of intention to institute proceedings to issue bonds, then the entire issue is subject to the election requirement in section 331.442.

§331.444 Sale of bonds.

1 The board may sell general obligation bonds at public or private sale in the manner prescribed by chapter 75
2 General obligation funding or refunding bonds issued for the purposes specified in section 331.441, subsection 2, paragraph "b" subparagraph (7), may be exchanged for the evidences of the legal indebtedness being funded or refunded, or the funding or refunding bonds may be sold in the manner prescribed by chapter 75 and the proceeds applied to the payment of the indebtedness. Funding or refunding bonds may bear interest at the same rate as, or at a higher or lower rate or rates of interest than the indebtedness being funded or refunded.

§331.443 Essential county purpose bonds.

1 A county which proposes to carry out an essential county purpose within or without its boundaries, and to contract indebtedness and issue general obligation bonds to provide funds to pay all or any part of the cost of a project shall do so in accordance with this part
2 Before the board may institute proceedings for the issuance of bonds for an essential county purpose, a notice of the proposed action, including a statement of the amount and purposes of the bonds, and the time and place of the meeting at which the board proposes to take action for the issuance of the bonds, shall be published as provided in section 331.305. At the meeting, the board shall receive oral or written objections from any resident or property owner of the county. After all objections have been received and considered, the board, at that meeting or a date to which it is adjourned, may take additional action for the issuance of the bonds or abandon the proposal to issue the bonds. Any resident or property owner of the county may appeal the decision of the board to take additional action to the district court of the county, within fifteen days after the additional action is taken, but the additional action of the board is final and conclusive unless the court finds that the board exceeded its authority. The provisions of this subsection with respect to notice, hearing, and appeal, are in lieu of any other law.

2 General obligation bonds shall be executed by the chairperson of the board and the auditor. If coupons are attached to the bonds, they shall be executed with the original or facsimile signature of the auditor. A general obligation bond is valid and binding if it bears the signatures of the officers in office on the date of the execution of the bonds, notwithstanding that any or all persons whose signatures appear have ceased to be such officers prior to the delivery of the bonds.

3 General obligation bonds issued pursuant to this part are negotiable instruments

331.447 Taxes to pay bonds.

1 Taxes for the payment of general obligation bonds shall be levied in accordance with chapter 76, and the bonds are payable from the levy of unlimited ad valorem taxes on all the taxable property within the county through its debt service fund required by section 331.430 except that

a The amount estimated and certified to apply on principal and interest for any one year shall not exceed the maximum rate of tax, if any, provided by this division for the purpose for which the bonds were issued. If general obligation bonds are issued for different categories, as provided in section 331.445, the maximum rate of levies, if any, for each purpose shall apply separately to that portion of the bond issue for that category and the resolution authorizing the bond issue shall clearly set forth the annual debt service requirements with respect to each purpose in sufficient detail to indicate compliance with the rate of tax levy, if any.

b The amount estimated and certified to apply on principal and interest for any one year may only exceed the statutory rate of tax limit, if any, by the amount that the qualified electors of the county have approved at a special election, which may be held at the same time as the general election and may be included in the proposition authorizing the issuance of bonds, if an election on the proposition is necessary, or may be submitted as a separate proposition at the same election or at a different election. Notice of the election shall be given as specified in section 331.305. If the proposition includes issuing bonds and increasing the levy limit, it shall be in substantially the following form:

"Shall the county of , state of Iowa, be authorized to levy annually a tax not exceeding dollars and cents per thousand dollars of the assessed value of the taxable property within the county to pay principal of and interest on the bonds?"

If the proposition includes only increasing the levy limit it shall be in substantially the following form:

"Shall the county of , state of Iowa, be authorized to levy annually a tax not exceeding dollars and cents per thousand dollars of the assessed value of the taxable property within the county to pay principal of and interest on the bonds?"

2 A statutory or voted tax levy limitation does not limit the source of payment of bonds and interest, but only restricts the amount of bonds which may be issued.

3 For the sole purpose of computing the amount of bonds which may be issued as the result of the application of a statutory or voted tax levy limitation, all interest on the bonds in excess of that accruing in the first twelve months may be excluded from the first annual levy of taxes, so that the need for including more than one year's interest on the first annual levy of taxes to pay the bonds and interest does not operate to further restrict the amount of bonds which may be issued, and in certifying the annual levies, the first annual levy of taxes shall be sufficient to pay all principal and interest on the bonds becoming due prior to the next succeeding annual levy and the full amount of the annual levy shall be entered for collection as provided in chapter 76.

83 Acts, ch 123, §140, 209

331.448 Statute of limitation — powers — conflicts.

1 An action shall not be brought which questions the legality of general obligation bonds or the power of the county to issue the bonds or the effectiveness of any proceedings relating to the authorization and issuance of the bonds from and after sixty days from the time the bonds are ordered issued by the county.

2 The enumeration in this part of specified powers and functions is not a limitation of the powers of counties, but this part and the procedures prescribed for exercising the powers and functions enumerated in this part control in the event of a conflict with any other law.

331.449 Prior projects preserved.

Projects and proceedings for the issuance of general obligation bonds commenced before July 1, 1981, may be consummated and completed as required or permitted by any statute amended or repealed by this Act as though the repeal or amendment had not occurred, and the rights, duties, and interests following from such projects and proceedings remain valid and enforceable. Projects commenced prior to July 1, 1981, may be financed by the issuance of general obligation bonds under any such amended or repealed law or by the issuance of general obligation bonds under this part. For the purposes of this section, commencement of a project includes but is not limited to action taken by the board or an authorized officer to fix a date for a hearing in connection with any part of the project, and commencement of proceedings for the issuance of general obligation bonds includes but is not limited to action taken by the board to fix a date for either a hearing or a sale in connection with any part of the

Revenues earmarked for payment of the obligations shall be handled by the board in the same manner as they were handled for the county enterprise involved. A county enterprise shall not be abandoned and a combined county enterprise shall not be dissolved so long as there are obligations outstanding which by their terms are payable from the revenues of the county enterprise or combined county enterprise unless funds sufficient to pay the principal of and all interest and premium, if any, on the outstanding obligations at and prior to maturity have been set aside and pledged for that purpose.

[S81, §331.462; 81 Acts, ch 117, §461]

331.463 Procedure for financing.

1. The board may carry out projects, borrow money, and issue revenue bonds and pledge orders to pay all or part of the cost of projects, the revenue bonds and pledge orders to be payable solely out of the net revenues of the county enterprise or combined county enterprise involved in the project. The cost of a project includes the construction contracts, interest upon the revenue bonds and pledge orders during the period or estimated period of construction and for twelve months thereafter, or for twelve months after the acquisition date, reserve funds as the board deems advisable in connection with the project and the issuance of revenue bonds and pledge orders, and the costs of engineering, architectural, technical and legal services, preliminary reports, surveys, property valuations, estimates, plans, specifications, notices, acquisition of real and personal property, consequential damages or costs, easements, rights of way, supervision, inspection, testing, publications, printing and sale of bonds and provisions for contingencies. The board may sell revenue bonds or pledge orders at public or private sale in the manner prescribed by chapter 75 and may deliver revenue bonds and pledge orders to the contractors, sellers, and other persons furnishing materials and services constituting a part of the cost of the project in payment therefor.

The board may deliver its revenue bonds to the federal government or any agency thereof which has loaned the county money for sanitary or solid waste projects, water projects, or other projects, for which the government has a loan program.

2. The board may issue revenue bonds to refund revenue bonds, pledge orders, and other obligations which are by their terms payable from the net revenues of the same county enterprise or combined county enterprise, or from a county enterprise comprising a part of the combined county enterprise, at lower, the same, or higher rates of interest. A county may sell refunding revenue bonds at public or private sale in the manner prescribed by chapter 75 and apply the proceeds to the payment of the obligations being refunded, and may exchange refunding revenue bonds in payment and discharge of the obligations being refunded. The principal amount of refunding revenue bonds may exceed the principal amount of the obligations being refunded to the extent necessary to pay any premium due on the call of the obligations being refunded and to fund interest accrued and to accrue on the obligations being refunded.

3. The board may contract to pay not to exceed ninety-five percent of the engineer's estimated value of the acceptable work completed during the month to the contractor at the end of each month for work, material, or services. Payment may be made in warrants drawn on any fund from which payment for the work may be made. If such funds are depleted, anticipatory warrants may be issued bearing a rate of interest not exceeding that permitted by chapter 74A even if a collection of taxes or special assessments or income from the sale of bonds which have been authorized and are applicable to the public improvement takes place after the fiscal year in which the warrants are issued. If the board arranges for the private sale of anticipatory warrants, they may be sold and the proceeds used to pay the contractor. The warrants may also be used to pay other persons furnishing services constituting a part of the cost of the public improvement.

331.464 Revenue bonds.

1. The board may issue revenue bonds pursuant to a resolution adopted at a regular or special meeting by a majority of the total number of members of the board.

2. Before the board institutes proceedings for the issuance of revenue bonds, it shall fix a time and place of meeting at which it proposes to take action, and give notice by publication in the manner directed in section 331.305. The notice must include a statement of the time and place of the meeting, the maximum amount of the proposed revenue bonds, the purpose for which the revenue bonds will be issued, and the county enterprise or combined county enterprise whose net revenues will be used to pay the revenue bonds and interest thereon. At the meeting the board shall receive oral or written objections from any resident or property owner of the county. After all objections have been received and considered, the board, at the meeting or a date to which it is adjourned, may take additional action for the issuance of the bonds or abandon the proposal to issue bonds. Any resident or property owner of the county may appeal a decision of the board to take additional action to the district court of the county within fifteen days after the additional action is taken, but the additional action of the board is final and conclusive unless the court finds that the board exceeded its authority. The provisions of this subsection with respect to notice, hearing, and appeal are in lieu of those contained in any other law.

3. Revenue bonds may bear dates, bear interest at rates not exceeding those permitted by chapter 74A, mature in one or more installments, be in either coupon or registered form, carry registration and conversion privileges, be payable as to principal and interest at times and places, be subject to terms of redemption prior to maturity with or without premium, and be in
one or more denominations, all as provided by the resolution of the board authorizing their issuance. The resolution may also prescribe additional provisions, terms, conditions, and covenants which the board deems advisable, consistent with this part, including provisions for creating and maintaining reserve funds, the issuance of additional revenue bonds ranking on a parity with such revenue bonds and additional revenue bonds junior and subordinate to such revenue bonds, and that such revenue bonds shall rank on a parity with or be junior and subordinate to any revenue bonds which may be then outstanding. Revenue bonds are a contract between the county and holders and the resolution is a part of the contract.

4 Revenue bonds shall be executed by the chairperson of the board and the auditor. If coupons are attached to the revenue bonds, they shall be executed with the original or facsimile signature of the auditor. A revenue bond is valid and binding for all purposes if it bears the signatures of the officers in office on the date of the execution of the bonds notwithstanding that any or all persons whose signatures appear have ceased to be such officers prior to the delivery of the bonds. The issuance of revenue bonds shall be recorded in the office of the treasurer, and a certificate of the recording by the treasurer shall be printed on the back of each revenue bond.

5 Revenue bonds, pledge orders and warrants issued under this part are negotiable instruments.

6 The board may issue pledge orders pursuant to a resolution adopted by a majority of the total number of supervisors, at a regular or special meeting, ordering their issuance and delivery in payment for all or part of the cost of a project. Pledge orders may bear interest at rates not exceeding those permitted by chapter 74A.

7 The physical properties of a county enterprise or combined county enterprise shall not be pledged or mortgaged to secure the payment of revenue bonds or pledge orders or the interest thereon.

Rates shall be established by ordinance. Rates or charges for the services of a county enterprise defined in section 331.461, subsection 1, paragraph "b" if not paid as provided by ordinance, constitute a lien upon the premises served and may be certified to the auditor and collected in the same manner as taxes.

2 The board may

a By ordinance establish, impose, adjust and provide for the collection of charges for connection to a county enterprise or combined county enterprise.

b Contract for the use of or services provided by a county enterprise or combined county enterprise with persons whose type or quantity of use or service is unusual.

c Lease for a period not to exceed fifteen years all or part of a county enterprise or combined county enterprise, if the lease will not reduce the net revenues to be produced by the county enterprise or combined county enterprise.

d Contract for a period not to exceed forty years with other governmental bodies for the use of or the services provided by the county enterprise or combined county enterprise on a wholesale basis.

e Contract for a period not to exceed forty years with persons including but not limited to other governmental bodies for the purchase or sale of water.

331.467 Pledge — payment — remedy.
1 The pledge of any net revenues of a county enterprise or combined county enterprise is valid and effective as to all persons including but not limited to other governmental bodies when it becomes valid and effective between the county and the holders of the revenue bonds or pledge orders.

2 Revenue bonds and pledge orders are payable both as to principal and interest solely out of the portion of the net revenues of the county enterprise or combined county enterprise pledged to their payment and are not a debt of or charge against the county within the meaning of any constitutional or statutory debt limitation provision.

3 The sole remedy for a breach or default of a term of a revenue bond or pledge order is a proceeding in law or in equity by suit, action, or mandamus to enforce and compel performance of the duties required by this part and of the terms of the resolution authorizing the issuance of the revenue bonds or pledge orders, or to obtain the appointment of a receiver to take possession of and operate the county enterprise or combined county enterprise, and to perform the duties required by this part and the terms of the resolution authorizing the issuance of the revenue bonds or pledge orders.

[S81, §331.467, 81 Acts, ch 117, §466]

2 This part does not prohibit or prevent the board from using funds derived from the issuance of general obligation bonds, the levy of special assessments and the issuance of special assessment bonds, and any other source which may be properly used for such purpose, to pay a part of the cost of a project.
3 The county shall pay for the use of or the services provided by the county enterprise or combined county enterprise as any other customer, except that the county may pay for use or service at a reduced rate or receive free use or service so long as the county complies with the provisions, terms, conditions and covenants of all resolutions pursuant to which revenue bonds or pledge orders are issued and outstanding.

[S81, §331 468, 81 Acts, ch 117, §467]

2 The enumeration in this part of specified powers and functions is not a limitation of the powers of counties, but this part and the procedures prescribed for exercising the powers and functions enumerated in this part control in the event of a conflict with any other law.

[S81, §331 469, 81 Acts, ch 117, §468]

346.27 "Authority" for control of joint property.

1 Any joint building acquired, owned, erected, constructed, controlled, or occupied in accordance with the authorization contained in this section is declared to be acquired, owned, erected, constructed, controlled, or occupied for a public purpose and as a matter of public need.

2 Any county may join with its county seat to incorporate an "Authority" for the purpose of acquiring, constructing, demolishing, improving, enlarging, equipping, furnishing, repairing, maintaining, and operating a public building, and to acquire and prepare the necessary site, including demolition of any structures, for the joint use of the county and city or any school district which is within or is a part of the county or city.

3 The incorporation of an authority shall be accomplished by the adoption of articles of incorporation by the governing body of each incorporating unit. For adoption, the affirmative vote of a majority of the members of each governing body is required. The articles of incorporation shall be executed for and on behalf of each incorporating unit by the following officers:
   a) For the county, by the chairperson of the board of supervisors;
   b) For the city, by its mayor and city clerk.

4 The articles of incorporation shall set forth the name of the authority, the name of the incorporating units, the purpose for which the authority is created, the number, terms, and manner of selection of its officers including its governing body which shall be known as the "commission", the powers and duties of the authority and of its officers, the date upon which the authority becomes effective, the name of the newspaper in which the articles of incorporation shall be published, and any other matters.

7 Amendments may be made to the articles of incorporation if adopted by the governing body of each incorporating unit, provided that no amendment shall impair the obligation of any bond or other contract. Each amendment shall be adopted, executed, recorded, and published in the same manner as specified for the original articles of incorporation.

An affirmative vote of a majority of the votes cast on the proposition is required to authorize the issuance and sale of revenue bonds. A notice of the election shall be published once each week for at least two weeks in some newspaper published in the county. The notice shall name the time when the question shall be submitted, and a copy of the question to be submitted shall be posted at each polling place during the day of election. The board of commissioners may provide for the registration of bonds in the name of the owner as to the principal alone or as to both principal and interest upon terms and conditions the board determines. All bonds issued by an authority shall be sold at a price so that the interest cost to the commission of the proceeds of the bonds shall not exceed that permitted by chapter 74A, payable semiannually, computed to maturity, and shall be sold in the manner and at the time the board of commissioners determines.

Moneys in the accounts shall be applied in the manner provided by the resolution, the trust agreement, or other contract with the bondholders.

20. No such bonds shall constitute a debt of the authority or of any public body within the meaning of any statutory or constitutional limitation as to debt.

From and after the issuance of bonds the board of commissioners shall establish and fix rates, rentals, fees, and charges for the use of any and all buildings or space owned and operated by the authority, sufficient at all times to pay maintenance and operation costs and to pay the accruing interest and retire the bonds at maturity and to make all payments to all accounts created by any bond resolution and to comply with all covenants of any bond resolution.

This tax shall not be included within and shall be in addition to any statutory limitation of rate or amount for that incorporating unit. The fund realized from the tax levy shall be set aside for the payment of the annual rent and shall not be disbursed for any other purpose until the annual rental has been paid in full.

24. All property owned by any authority shall be exempt from taxation by the state or any taxing unit of the state. However, any interest derived from bonds issued by the authority shall be subject to taxation.

25. When all bonds issued by an authority have been retired, the authority may convey the title to the property owned by the authority to the incorporating units in accordance with the provisions therefor contained in the articles of incorporation, or, if none, in accordance with any agreement adopted by the respective governing bodies of the incorporating units, and the authority. The proposition of whether a conveyance shall be made shall be submitted to the legal voters of the city and county, utilizing the election procedures provided for bond issues, and an affirmative vote equal to at least a majority of the total votes cast on the proposition shall be required to authorize the conveyance. 347A.1 Revenue bonds — trustees — administration.
A county having a population less than one hundred fifty thousand may issue revenue bonds for a county hospital as provided in section 331.461, subsection 1, paragraph "e". The administration and management of the hospital shall be vested in a board of hospital trustees consisting of five members appointed by the board of supervisors from among the resident citizens of the county with reference to their fitness for office, and not more than two of the trustees shall be residents of the same township.

The trustees shall hold office until the next succeeding election, at which time their successors shall be elected, two for a term of two years, two for a term of four years and one for a term of six years, and thereafter their successors shall be elected for regular terms of six years each. Vacancies in the board of trustees may be filled in the same manner as original appointments, to hold office until the vacancies are filled pursuant to section 69.12. The trustees, within ten days after their appointment or election, shall qualify by taking the usual oath of office, but no bond shall be required of them. The trustees shall receive no compensation but shall be reimbursed for all expenses incurred by them with the approval of the board of trustees in the performance of their duties. The board first appointed shall organize promptly following its appointment, and shall serve until successors are elected and qualified; thereafter no later than December 1 of each year the board shall reorganize by the appointment of a chairperson, secretary, and treasurer. The secretary and treasurer shall each file with the chairperson of the board a surety bond in the amount the board of trustees requires, with sureties to be approved by the board of trustees, for the use and benefit of the county hospital. The reasonable cost of the bonds shall be paid from the operating funds of the hospital. The secretary shall report to the county auditor and the county treasurer the names of the chairperson, secretary, and treasurer of the board as soon as practicable after the appointment of each.

The treasurer of the county hospital shall receive and disburse all funds. The treasurer of the county hospital shall keep an accurate account of all receipts and disbursements and shall register all orders drawn and reported by the secretary, showing the number, date, to whom drawn, the fund upon which drawn, the purpose, and amount. The secretary of the board of trustees shall file with the board on or before the tenth day of each month, a complete statement of all receipts and disbursements from all funds during the preceding month, and also

Before the fifteenth day of each month, the county treasurer shall give notice to the chairperson of the board of trustees of the amount of revenue collected for each fund of the hospital to the first day of that month and the county treasurer shall pay the taxes to the treasurer of the hospital as provided in section 331.552, subsection 29.

The board of hospital trustees may employ, fix the compensation of, and remove at pleasure professional, technical, and other employees as it deems necessary for the operation and maintenance of the hospital, and disbursement of funds for operation and maintenance shall be made upon order and approval of the board of hospital trustees. A county hospital may include a nurses home and nurses training school. The board of trustees shall make all rules and regulations governing its meetings and the operation of the county hospital and shall fix charges for the services furnished so that the revenues will be at all times sufficient in the aggregate to provide for the payment of the interest on and principal of all revenue bonds issued and outstanding for the hospital, and for the payment of all operating and maintenance expenses of the hospital.

However, general county funds or the proceeds of taxes shall not be used or applied to the payment of the interest on or principal of revenue bonds issued under chapter 331, division IV, part 4, but general county funds or proceeds of taxes may only be used and applied to pay expenses of operation and maintenance of the hospital which cannot be paid from available revenue derived from its operation.

§351A.2 Application to department of public health.
An institution may apply annually to the Iowa department of public health for authority to obtain animals from a pound. If the department shall find that such institution, by reason of its ethical standards, its personnel, its facilities and the use it proposes to make of dogs is a fit and proper institution to be authorized to obtain dogs from a pound, and that the public interest would be served by such authority, then the department shall authorize such institution to obtain dogs from a pound.

All major operative procedures may be done under local infiltration anesthesia. If the nature of the study is such that the animal may survive, acceptable techniques shall be followed throughout the operation. If the study does not require survival, the animal shall be killed in a humane manner at the conclusion of the observations. The post-operative care of experimental animals shall be such as to minimize discomfort during convalescence. All conditions shall be maintained for the animal’s comfort in accordance with the best practices followed in human medicine and surgery.

When land is resurveyed or subdivided, the surveyor shall record the plat no later than thirty days after completion of the resurvey or subdivision. The cost of recordation shall be paid to the county recorder by the surveyor upon presentation of the plat for recordation. The surveyor may charge the person requesting the resurvey or subdivision the costs of recordation. The facilities may be in lieu of or in addition to the county jail. The board shall establish rules and regulations for the operation of each facility. A person detained or confined to such a facility shall be required to do all cleaning, upkeep, maintenance, minor repairs, and anything else necessary to properly maintain, operate, and preserve the facility. The sheriff shall not have charge or custody of a person detained or confined in such facility or transferred thereto. 1. The need of a public water supply.

2. The approximate district to be served.

3. The approximate number of families in the district.

4. The proposed source of supply.

5. The type of service desired, whether domestic only or for fire protection and other uses.

The board of supervisors may, at its option, require a bond of the petitioners as provided in section 455.10.
A benefited water district located wholly within the corporate limits of a city is not subject to the provisions of this chapter.

§357.2 Territory included.

The benefited water district may include part or all of any incorporated city or cities, together with or without surrounding territory including cemeteries and all publicly owned land. Said publicly owned property shall pay and bear its proportionate share of the cost and expense of said water system upon the same basis as privately owned property.

[C39, §§5526.02; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §357.3]

§357.3 Scope of assessment.

The special assessment hereinafter provided for may be used to cover the costs of installing all the necessary elements of a water system, for both production and distribution.

[C24, 27, 31, 35, §5522; C39, §5526.03; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §357.4]

§357.4 Public hearing.

When the board of supervisors receives a petition for the establishment of a benefited water district, a public hearing shall be held within twenty days of the presentation of the petition. Notice of such hearing shall be given by posting bills in three public places within the district, or by publication in two successive issues of any paper of general circulation within the district. The last publication or posting shall be not less than one week before the proposed hearing.

§357.5 Decision at hearing.

On the day fixed for such hearing, the board of supervisors shall by resolution establish the benefited water district or disallow the petition. For adequate reasons the board of supervisors may defer action on such petition for not to exceed ten days after the day first set for a hearing.

[C24, 27, 31, 35, §5523; C39, §5526.05; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §357.6]

§357.6 Examination by engineer.

When the board of supervisors shall have established the benefited water district, they shall appoint a competent disinterested civil engineer and instruct the engineer to examine the proposed improvement, make preliminary designs in sufficient detail to make an accurate estimate of the cost of the proposed water system. The civil engineer shall also report as to the suitability of the proposed source of water supply.

[C39, §§5526.06; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §357.7]

§357.7 Water source without district.

When in any proposed benefited water district, it is anticipated that the source of supply will be without the district, and not under its control, the board of supervisors shall instruct the engineer who is appointed to make the preliminary design and dummy assess-

ment, to also obtain from the corporation or municipality which controls the proposed source of supply, a statement in writing, outlining the terms upon which water will be furnished to the district, or to the individuals within the district and on what terms in either case.

This preliminary proposal from the governing body of the source of supply shall be binding, and shall be in the nature of an option to purchase water by the district, or the individual within the same, if and when the proposed benefited water district shall have completed its construction, and is ready to use water. This proposal shall accompany and be a part of the engineer's preliminary report to the board of supervisors.

[C39, §§5526.07; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §357.7]

The said engineer shall prepare a preliminary plat showing the proper design in general outline, the size and location of the water mains, the general location of hydrants, if such are included in said petition, valves and other appurtenances, and shall show the lots and parcels of land within the proposed district as they appear on the county auditor's plat books, together with the names of the owners and the amount which it is estimated that such lot or parcel will be assessed.

[C39, §§5526.08; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §357.8]

§357.10 Filing of report and plat.

The engineer's report, together with the dummy plat showing the tentative design and assessment, shall be filed with the county auditor within thirty days of such engineer's appointment, unless for adequate reasons it is impossible for the engineer to do so, in which case the board of supervisors may extend the time therefor.

[C39, §§5526.10; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §357.10]

§357.11 Hearing on report.

On receipt of the engineer's report, the board of supervisors shall give notice in the same manner as before, of a hearing on the engineer's tentative design and dummy plat. On the day set, or within ten days thereafter, the board of supervisors shall approve or disapprove the engineer's plan and proposed assessment. If it shall appear advisable, the board of supervisors may make changes in the design and assessment, as they appear on the dummy plat.

§357.12 Election.

When the preliminary design and assessment have been approved by the board of supervisors, a date not more than thirty days after such approval shall be set for an election within the district to determine whether or not the proposed improvement shall be con-
structured and to choose candidates for the offices of trustee within the district. Notice of the election, including the time and place of holding the same, shall be given in the same manner as for the public hearing heretofore provided for. The vote shall be by ballot which shall state clearly the proposition to be voted upon, and any qualified elector residing within the district at the time of the election shall be entitled to vote. It shall not be mandatory for the county commissioner of elections to conduct elections held pursuant to this chapter, but they shall be conducted in accordance with the provisions of chapter 49 where not in conflict with this chapter. Judges will be appointed to serve without pay, by the board of supervisors from among the qualified electors of the district who will have charge of the election. The proposition shall be deemed to have carried if a majority of those voting thereon vote in favor of the same.

357.13 Trustees — terms.

At the election provided for in section 357.12, the names of the trustees shall be written by the voter on blank ballots without formal nomination and the board of supervisors shall appoint three from among the five receiving the highest number of votes as trustees for the district, one to serve for one year, one for two years, and one for three years, which trustees and their successors shall give bond in the amount the board of supervisors may require, the premium of which shall be paid by the district said trustees represent. Vacancies may thereafter be filled by election, or by appointment by the board of supervisors, at the option of the remaining trustees. The term of succeeding trustees shall be for three years.

[C24, 27, 31, 35, §5524; C39, §5526.13; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §357.13]

357.14 Bids for construction.

If the result of said election be in favor of said improvement, the board of supervisors shall instruct the engineer to complete the plans and specifications, ready for receiving bids for construction of the project, which the engineer shall do within thirty days of receiving notice to do so, unless for adequate reason the board shall extend the time.

When the completed plans and specifications are on file with the county auditor, the board of supervisors shall advertise for bids and shall publish a notice once each week for two consecutive weeks in some newspaper published in the county in which the improvement is to be constructed, setting forth the location and nature of the improvement and the date and place where bids will be received by the board. The last published notice to bidders shall be at least seven days before the time set for receiving bids. Bidders shall be required to submit certified checks or credit union certified share drafts for five percent of the amount of the bid.

357.15 Inadequate assessment.

When bids have been received, if it is apparent that the final assessment will need to be increased more than ten percent over the preliminary assessment, the board of supervisors shall, at its option, reject bids and readvertise for bids as provided herein, or reject bids and revise the dummy assessment. If the dummy assessment is revised, another election shall be held within the district in the same manner and with the same notices as the first, except that the candidates for trustees shall not be voted for.

[C39, §5526.15; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §357.15]

357.16 Second election.

If the majority of the votes cast at said second election be in favor of said improvement, the board of supervisors shall again advertise for bids in the same manner as before. If the bids at the second letting will not necessitate raising the second preliminary assessment more than ten percent, the board may let the contract to the lowest responsible bidder.

[C24, 27, 31, 35, §5524; C39, §5526.16; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §357.16]

357.17 Bond of contractor.

The successful bidder, when awarded a contract, shall be required to give an approved surety bond for one hundred percent of the contract price, guaranteeing completion of the work in accordance with the plans and specifications, and for maintenance, including backfilling, for one year after the final acceptance of the work.

If the contractor shall fail to complete the work as provided in the contract, or shall abandon the same, or fail to proceed in a reasonable manner toward its final completion, the board may proceed against the contractor and surety as provided in sections 455.114 and 455.115.

[C39, §5526.17; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §357.17]

357.18 Acceptance of work.

When in the opinion of the engineer in charge, the construction in any benefited water district has been completed in accordance with the plans, specifications, and contract, the engineer shall certify this fact to the board of supervisors, and recommend the acceptance of the work by the said board. The board of supervisors shall proceed in accordance with sections 455.111 and 455.112.

[C39, §5526.18; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §357.18]

357.19 Completing assessment.

After the final acceptance of the work by the board of supervisors, the engineer shall complete the final assessment, which shall be made on all the property within the district, whether abutting or not, for an amount approximately ten percent greater than the total cost of the project. The assessment shall not exceed benefits conferred and shall take into consideration the location and value of the property assessed. Where a pipe in excess of six inches in diameter is used, the assessment against the abutting property shall be limited to the cost of a six-inch pipe, and the difference between the cost of the pipe used and a six-inch pipe shall be paid by a uniform assessment.
§357.19
against all benefited property within the water district. The final assessment on any lot or parcel of land shall not exceed the final preliminary assessment by more than ten percent, and shall in no case exceed twenty-five percent of the actual value of the property. The board of supervisors may alter an assessment to increase or decrease it within the limits outlined above, and must approve by resolution the final assessment as made.
[C24, 27, 31, 35, §5522; C39, §5526.19; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §357.19]

357.20 Due date — bonds.
Assessments of less than ten dollars will come due at the first taxing date after the approval of the final assessment, and assessments of ten dollars or more may be paid in ten annual installments with interest on the unpaid balance at a rate not exceeding that permitted by chapter 74A. The board of supervisors shall issue bonds against the completed assessment in an amount equal to the total cost of the project, so that the amount of the assessment will be approximately ten percent greater than the amount of the bonds.
[C24, 27, 31, 35, §5522; C39, §5526.20; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §357.20]

357.21 Substance of bonds.
Each of such bonds shall be numbered, and have printed upon its face that it is a benefited water district bond, stating the county and the number of the district for which it is issued, and the date of maturity; that it is in pursuance of a resolution of the board of supervisors, and that it is to be paid for only from special assessment theretofore levied and taxes levied as hereinafter provided for that purpose within the said district for which the bond is issued. The provisions of sections 455.83 and 455.86 shall govern the issuance of these bonds except that the contractor will not be paid anything on the work until its completion and final acceptance.
[C39, §5526.21; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §357.21]

357.22 Lien of assessments — tax.
When the assessment has been completed and the bonds sold and the schedule of assessment shall be turned over to the county auditor, the installments due thereon shall be collected in the same manner as ordinary taxes and shall constitute a lien on the property against which they are made. If the treasurer does not receive sufficient funds to enable the treasurer to pay the interest and retire the bonds as they become due, the county auditor shall levy an annual tax of eighty-one cents per thousand dollars of assessed value of taxable property so long as the bonds are in arrears.
[C39, §5526.23; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §357.23]

357.24 Fee of engineer.
The fee for engineering services shall be fixed by the board of supervisors and the engineer may be paid either a percentage or a per diem, from proceeds of the bond sale or by cash from the contractor, if the contractor takes bonds in settlement for the contractor's work under the contract.
[C39, §5526.24; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §357.24]

357.25 Management by trustees.
After the final acceptance of the work by the board of supervisors, the management of the utility shall automatically go to the three trustees previously appointed by the board of supervisors. The trustees of a benefited water district located in a county with a population of two hundred fifty thousand or less shall have power to levy an annual tax not to exceed thirteen and one-half cents per thousand dollars of assessed value of all taxable property in the district, for the maintenance of the system. However, the trustees of a benefited water district located in a county with a population of more than two hundred fifty thousand may levy an annual tax on the taxable value of all taxable property in the district in an amount as may be necessary for the maintenance of the system, with the approval of the board of supervisors. This levy shall be optional with the trustees. The trustees may purchase material and employ labor to properly maintain and operate the utility. The trustees shall be allowed necessary expenses in the discharge of their duties, but shall not receive any salary.

357.26 Duties of trustees.
It is anticipated that this law will usually be utilized to finance a distribution system where the source of supply is without the district, and not under its control, and that individuals within the district will pay water rent to a municipality or corporation without the district. It is intended that the trustees may so operate the utility as will best serve the users, and that they are expressly authorized to buy and sell water, to fix the rates to consumers and make all contracts reasonable or necessary to accomplish the purpose of this chapter and to carry on all the operations incident to maintaining and operating said utility and to the procuring and furnishing of water to the consumers therein. If the development of a source of supply is within the means of the district, the trustees may install wells, tanks, meters and any other equipment properly pertaining to operate it.
[C39, §5526.26; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §357.26]

357.27 Public property in district.
Whenever property of the state of Iowa, or any political subdivision thereof, shall be included either wholly or in part within such water district and shall own
facilities which may be used as a part of such water system, the executive council, board of supervisors or city council, as the case may be, may permit such use of said facilities for such consideration and on such terms as may be agreed upon with the board of trustees.

[C39, §5526.27; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §357.27]

357.28 Private mains — additional assessments.

Any person or persons within any water district, who may, after the initial installation of the improvement in any such district, desire to construct additional mains, and who have been assessed on the original assessment, may with the consent of the trustees, connect such lateral mains as they desire with the original system to serve property within the district which has been assessed, provided that the entire cost thereof shall be borne by the parties so interested.

The trustees shall have power to make additional assessments on unimproved lots or parcels of land within the district when said unimproved lots or parcels are improved and ready to receive the full benefits of the district. This additional assessment shall be determined and fixed by the trustees and shall not exceed the average assessment for improved property in said districts less the original assessment on said unimproved lots or parcels. Said assessments shall be paid to the county treasurer before service pipes are laid into said improvement. The assessment shall be put in the benefited water district fund of the district of which said lots or parcels are a part and shall be used by the county treasurer for the retirement of bonds and interest. When the bonds are all retired, the trustees shall be authorized to use said fund for maintenance purposes, changing size of mains, eliminating dead ends, or extending mains for the benefit of the district.

[C39, §5526.28; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §357.28]

357.29 Subdistricts.

If the cost of the desired extensions will be as much as five thousand dollars, the interested parties may petition the board of supervisors to organize a subdistrict, and in such case the board shall proceed in the same manner as for a new district, and may take in territory not originally assessed.

The board of supervisors shall have power at any time to alter the boundaries of any district prior to the time of posting or publishing notice of the election within the district.

[C24, 27, 31, 35, §5522; C39, §5526.29; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §357.29]

357.30 Additional territory.

When the district is under the control of trustees, they are empowered to deal with parties without the district who desire to be taken into the district or to obtain water from the district and determine the amount to be assessed against said district to be taken in or connected with. 357.34 Conveyance of district to city.

Where a city is situated wholly or partly within a benefited water district or the source of supply for such benefited water district is a municipal water system, the board of supervisors having jurisdiction of said benefited water district, at the request of the trustees of said benefited water district, may, by proper resolution, convey unto said city any and all rights which said board of supervisors may have in and to said benefited water district. Said conveyance, however, shall not become effective until all existing obligations against said district have been completely and fully discharged and such conveyance accepted and confirmed by a resolution of the council of said city or of the board of waterworks trustees of said city if there be one, specially passed for such purpose.

Upon acceptance, the district, including the plant and distribution system, as well as all funds and credits shall become the property of said city and be operated and used by it to the same extent as if acquired under such provisions of law under which said city is then operating its waterworks. Also, the offices of the trustees as provided in this chapter shall be abolished upon acceptance by the city and their duties as such shall immediately cease.

If the board finds the residents and property owners in the proposed district would be benefited, it may establish the single district by resolution. In the case of districts with outstanding warrants in excess of the anticipated revenues and cash balance within the district fund, an assessment shall be drawn up by the auditor for an amount approximately fifty-five percent of the total indebtedness of the district and the board of supervisors must approve by resolution the final assessment as made and cause bonds to be issued at approximately ten percent greater than the total indebtedness of the district in accordance with sections 357.20 and 357.21 except that the bonds shall be paid, approximately equally, from user charges and the assessment. In the case of districts with bonded indebtedness, a subarea of the new single district with a boundary identical to each indebted district shall be designated and taxed in accordance with sections 357.22 and 357.23. When all bonds have been retired, the subarea shall cease to exist. In the case of districts with a surplus cash balance, all funds and credits shall become the property of the single district and used by it to the same extent as if acquired under the provisions of section 357.26. Upon establishment of the single district by the board of supervisors, a resolution shall be passed either appointing three trustees or designating the board of supervisors as the trustees for the single district. The operation of the single district constitutes a county enterprise under section 331.461, subsection 1.

If the supervisors find that required notice of the hearing has been given and that such district is reasonably necessary for the public health, convenience, fire protection, and comfort of the residents, they shall make an order establishing the district as a body politic, describing its boundary, and designating it by name or number. The order shall be published in the same newspaper which published the notice of hearing. Notice of the election, including the time and place of holding the same, shall be given in the same manner as for the original public hearing as provided herein. The vote shall be by ballot which shall state clearly the proposition to be voted upon, and any qualified elector residing within the district at the time of the election shall be entitled to vote. It shall not be mandatory for the county commissioners of elections to conduct elections held pursuant to this chapter, but they shall be conducted in accordance with the provisions of chapter 49 where not in conflict with this chapter. Judges shall be appointed to serve without pay by the board of supervisors from among the qualified electors of the district who will have charge of the election. Upon receipt of such petition the board shall submit the request to a competent disinterested civil engineer to investigate the feasibility of adding such additional territory and to make a report to the board. If the board agrees that said property should be added to the district, the tax levy for the next year shall be applied to said property and on the first day of the said next year said property shall be considered a part of the district. If the benefited street lighting district lies in more than one county the joint action of the boards of supervisors shall be required to add additional territory.

2. The board shall then determine the assessed value of all property in said district. This shall be divided into the value determined in subsection 1 of this section.
3. The board shall determine the assessed value of the property of each landowner joining the established district.
4. The result obtained in subsection 2 shall be multiplied by the result obtained in subsection 3. The result shall be the initial fee to be charged each landowner.

§358.1 Incorporation.

Whenever any area of contiguous territory is so situated that the construction, maintenance and operation of a trunk sewer system and of a plant or plants for the treatment of sewage and the maintenance of one or more outlets for the drainage thereof, after having been so treated by and through such plant or plants, will be conducive to the public health, comfort, convenience or welfare, such area may be incorporated as a sanitary district in the manner set forth in this chapter.

[C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §358.1]

§358.2 Petition — deposit.

Any twenty-five or more eligible electors resident within the limits of any proposed sanitary district may file a petition in the office of the county auditor of the county in which the proposed sanitary district, or the major portion thereof, is located, requesting that there be submitted to the qualified electors of such proposed district the question whether the territory within the boundaries of such proposed district shall be organized as a sanitary district under this chapter. Such petition shall be addressed to the board of supervisors of the county wherein it is filed and shall set forth:

1. An intelligible description of the boundaries of the territory to be embraced in such district.
2. The name of such proposed sanitary district.
3. That the public health, comfort, convenience or welfare will be promoted by the establishment of such sanitary district.
4. The signatures of the petitioners.

No territory shall be included within more than one sanitary district organized under this chapter, and if any proposed sanitary district shall fail to receive a majority of votes cast at any election thereon as hereinafter provided, no petition shall be filed for establishment of such a sanitary district within one year from the date of such previous election.

There shall be filed with the petition a bond with sureties approved by the auditor, or a certified check, credit union certified share draft or cash in an amount sufficient for the payment of all costs and expenses incurred in the proceedings if the district is not finally established.

No preliminary expense shall be incurred before the establishment of the proposed sanitary district by the board in excess of the amount of bond filed by the petitioners. In case it is necessary to incur any expense in addition to the amount of the bond, the board of supervisors shall require the filing of an additional security until the additional bond is filed in sufficient amount to cover the expense.

[C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §358.2]

§358.3 Jurisdiction — decisions — records.

The board of supervisors of the county in which the proposed sanitary district, or the major portion thereof, is located shall have jurisdiction of the proceedings on said petition as herein provided, and the decision of a majority of the members of said board shall be necessary for adoption. All orders of the board made hereunder shall be spread at length upon the records of the proceedings of the board of supervisors, but need not be published under section 349.16.

[C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §358.3]

§358.4 Date and notice of hearing.

1. The board of supervisors to which the petition is addressed, at its next meeting, shall set the time and place for a hearing on the petition. The board shall direct the county auditor in whose office the petition is filed to cause notice to be given to all persons whom it may concern, without naming them, of the pendency and content of the petition, by publication of a notice once each week for two consecutive weeks in a newspaper of general circulation published in the county in which the proposed district is located, the last of which publications shall not be less than twenty days prior to the date set for the hearing of the petition. Proof of giving the notice shall be made by affidavit of the publisher and the proof shall be on file with the county auditor at the time the hearing begins. The notice of hearing shall be directed to all persons it may concern, and shall state:

a. That a petition has been filed with the county auditor of the county, naming it, for establishment of a proposed sanitary district, and the name of the proposed district.

b. An intelligible description of the boundaries of the territory to be embraced in the district.

c. The date, hour, and the place where the petition will come on for hearing before the board of supervisors of the named county.

d. That the board of supervisors will fix and determine the boundaries of the proposed district as described in the petition or otherwise, and for that purpose may alter and amend the petition. At the hearing all interested persons shall have an opportunity to be heard on the location and boundaries of the proposed district and to make suggestions regarding the location and boundaries.

2. For a district which does not include land within a city, copy of the notice shall also be sent by mail to each owner, without naming them, of each tract of land or lot within the proposed district as shown by the transfer books of the auditor's office. The mailings shall be to the last known mailing address unless there is on file an affidavit of the auditor or of a person designated by the board to make the necessary investigation, stating that a mailing address is not known and that diligent inquiry has been made to ascertain it. The copy of notice shall be mailed no less than twenty...
days before the day set for hearing and proof of service shall be by affidavit of the auditor. The proofs of service required by this subsection shall be on file at the time the hearing begins.

3. In lieu of the mailing to the last known address a person owning land affected by a proposed district may file with the county auditor an instrument in writing designating the address for the mailing. This designation when filed is effective for five years and applies to all proceedings under this chapter. The person making the designation may change the address in the same manner as the original designation is made.

4. In lieu of publication, personal service of the notice may be made upon an owner of land in the proposed district in the manner and for the time required for service of original notices in the district court. Proof of the service shall be on file with the auditor on the date of the hearing.

[C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §358.4] 84 Acts, ch 1051, §1

358.5 Hearing of petition and order. The board of supervisors to whom the petition is addressed shall preside at the hearing provided for in section 358.4 and shall continue the hearing in session, with adjournments from day to day, if necessary, until completed, without being required to give any further notice of the hearing. Proof of the residences and qualifications of the petitioners as eligible electors shall be made by affidavit or otherwise as the board may direct. The board may consider the boundaries of a proposed sanitary district, whether they shall be as described in the petition or otherwise, and for that purpose may alter and amend the petition and limit or change the boundaries of the proposed district as stated in the petition. The board shall adjust the boundaries of a proposed district as needed to exclude land that has no reasonable likelihood of benefit from inclusion in the proposed district. The boundaries of a proposed district shall not be changed to incorporate property not included in the original petition and published notice until the owner of the property is given notice of inclusion as on the original hearing. All persons in the proposed district shall have an opportunity to be heard regarding the location and boundaries of the proposed district and to make suggestions regarding the location and boundaries, and the board of supervisors, after hearing the statements, evidence and suggestions made and offered at the hearing, shall enter an order fixing and determining the limits and boundaries of the proposed district and directing that an election be held for the purpose of submitting to the qualified electors owning land within the boundaries of the proposed district the question of organization and establishment of the proposed sanitary district as determined by said board of supervisors. The order shall fix a date for the election not more than sixty days after the date of the order.

However, a majority of the landowners, owning in the aggregate more than seventy percent of the total land in the proposed district, may file a written remonstrance against the proposed district at or before the time fixed for the hearing on the proposed district with the county auditor. If the remonstrance is filed, the board of supervisors shall discontinue all further proceedings on the proposed district and charge the costs incurred to date relating to the establishment of the proposed district.

[C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §358.5] 84 Acts, ch 1051, §2

358.6 Notice of election. In its order for such election the board of supervisors shall direct the county auditor with whom said petition is filed to cause notice of such election to be given by posting at least five copies of such notice in public places in such proposed district at least twenty days before the date of election and by publication of such notice once each week for three consecutive weeks in some newspaper of general circulation published in such proposed district, or, if no such paper is published within the proposed district, then in such a newspaper published in the county in which the major part of such proposed district is located, the last publication to be at least twenty days prior to the date of election. Such notice shall state the time and place of holding the election and the hours when the polls will open and close, the purpose of the election, with the name of such proposed sanitary district and a description of the boundaries thereof, and shall set forth briefly the limits of each voting precinct and the location of the polling places therein. Proof of posting and publication shall be made in the manner provided in section 358.4 and filed with the county auditor.

[C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §358.6]

| For Sanitary District | Against Sanitary District |

The board of supervisors shall cause a statement of the result of such election to be spread upon the records of the county auditor. If a majority of the votes cast upon the question of incorporation of the proposed sanitary district shall be in favor of the proposed sanitary district, such proposed sanitary district shall thenceforth be deemed an organized sanitary district under this chapter and established as conducive to the public health, comfort, convenience, and welfare.

[C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §358.7]

358.8 Expenses and costs of election. All expenses incurred in carrying out the foregoing sections of this chapter, together with the costs of the election therein provided for, as determined by the board of supervisors, shall be paid by those who will be benefited by the proposed sanitary district. If the district is not established, the expenses and costs shall be collected upon the bond or bonds of the petitioners.

[C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §358.8]

358.9 Selection of trustees — term of office — additional members. At the election provided for in section 358.7, the names of candidates for trustee of the district shall be
written by the voters on blank ballots without formal nomination, and the board of supervisors which had jurisdiction of the proceedings for establishment of the sanitary district, together with the board of supervisors of any other county in which any part of the district is located, shall appoint three trustees from among the five persons receiving the greatest number of votes as trustees of the district. One of the trustees shall be designated to serve a term expiring on the first day of January which is not a Sunday or legal holiday following the next general election, one to serve a term expiring on the first day of January which is not a Sunday or legal holiday two years later, and one to serve a term expiring on the first day of January which is not a Sunday or legal holiday four years later. Thereafter, each term shall be for a term of years established by the board of supervisors, not less than three years or more than six years. Successors to the initial trustees may be chosen by appointment by the same board or boards of supervisors which made the initial appointments or by election, at the option of the remaining trustees. If election is chosen, a successor shall be elected at the general election preceding the expiration of the term to be filled.

Vacancies in the office of trustee of a sanitary district shall be filled by the remaining members of the board for the period until a successor is chosen in the manner prescribed by this section or by section 69 12, whichever is applicable.

However, for districts formed after July 1, 1984, successors to the initial trustees shall be elected at the next general election or at an annual meeting of the board of trustees called for that purpose. Upon petition of a majority of the landowners owning more than fifty percent of the total land in the district, the board of trustees shall call an annual meeting of the residents of the district to elect successors to trustees of the board. Vacancies shall be filled by the remaining trustees in the same manner as city council members as provided in section 372 13, subsection 2.

In cases where the state of Iowa owns at least four hundred acres of land contiguous to lakes within the district, the natural resource commission shall appoint two members of the board of trustees in addition to the three members provided in this section. The additional two members shall be United States citizens, not less than eighteen years of age, and property owners within the district. The two additional appointive members shall have equal vote and authority with other members of trustees and shall hold office at the pleasure of the natural resource commission.

358.10 Trustee's bond.
Each trustee shall, before entering upon the duties of office, execute a bond payable to the district, with security to be approved by the board of supervisors which had jurisdiction of the petition for establishment of the district, in such form and amount as said board of supervisors may determine, which bond shall be filed with the county auditor of said county.

358.11 Sanitary district to be a body corporate.
Each sanitary district organized under this chapter shall be a body corporate and politic, with the name and style under which it was organized, and by such name and style may sue and be sued, contract and be contracted with, acquire and hold real and personal property necessary for corporate purposes, adopt a corporate seal and alter the same at pleasure, and exercise all the powers conferred in this chapter.

All courts of this state shall take judicial notice of the existence of sanitary districts organized hereunder.

358.12 Board of trustees — powers.
The trustees elected as provided in section 358 9 constitute a board of trustees for the district by which they are elected. The board of trustees is the corporate authority of the sanitary district and shall manage and control the affairs and property of the district. A majority of the board of trustees shall constitute a quorum, but a smaller number may adjourn from day to day. The board of trustees shall elect a president, a clerk, and a treasurer from its membership and may employ employees as necessary, who shall hold their employment during the pleasure of the board. The board shall prescribe the duties and fix the compensation of all employees of the sanitary district and the amount of bond to be filed by the treasurer of the district and by any employee for whom the board may require bond. The members of the board of trustees shall receive a per diem of forty dollars for attendance at a meeting of the board or while otherwise engaged in official duties, but the total per diem for each member shall not exceed two thousand four hundred dollars for a fiscal year. However, the board of trustees, by resolution, may establish for its members a lower rate of pay than is fixed by this section. The members of the board shall also be reimbursed for travel and other necessary expenses incurred in performing their official duties. Travel expenses are reimbursable at the rate specified in section 79 9.

The board of trustees may adopt the necessary ordinances, resolutions, rules and regulations for the proper management and conduct of the business of the board of trustees and the corporation and for carrying out the purposes for which the sanitary district is formed.

358.13 Ordinances — publication or posting — time of taking effect.
All ordinances, resolutions, orders, rules and regulations adopted by the board shall take effect five days from and after their adoption and publication. The publication thereof shall be by one publication in a newspaper published in the district or by posting copies thereof in five public places within the district.

358.14 Proof of ordinances. (Ch 197, §1—87 Acts)

be published by the board of trustees such book or pamphlet shall be received as evidence of the passage and legal publication or posting thereof as of the dates mentioned therein, in all courts and places, without further proof.

358.15 Personal interest in contracts.
No trustee of such district shall be directly or indirectly interested in any contract, work, or business of the district, or in the sale of any article the expense, price, or consideration of which is paid by such district; nor in the purchase of any real estate or other property belonging to the district, or which shall be sold for taxes or assessments, or by virtue of legal process at the suit of said district; provided, that nothing herein shall be construed as prohibiting the selection of any person as trustee because of the person’s ownership of real estate in the district or because the person is a taxpayer in the district.

The board of trustees of any sanitary district organized under this chapter shall have power to provide for the disposal of the sewage thereof, including the sewage and drainage of any city or village within the boundaries of such district; to acquire, lay out, locate, establish, construct, maintain, and operate one or more drains, conduits, treatment plants, disposal plants, pumping plants, works, ditches, channels, and outlets of such capacity and character as may be required for the treatment, carrying off, and disposal of the sewage and industrial wastes and other drainage incidental thereto of such district; to lay out, establish, construct, maintain, and operate all such adjuncts, additions, auxiliary improvements, and works as may be necessary or proper for accomplishment of the purposes intended, and to procure supplies of water for operating, diluting, and flushing purposes; to maintain, repair, change, enlarge, and add to such facilities, improvements, and works as may be necessary or proper to meet the future requirements for the purposes aforesaid; and, when necessary for such purposes, any such facilities, improvements, and works and the maintenance and operation thereof may extend beyond the limits of such district, and the rights and powers of said board of trustees in respect thereto shall be the same as if located within said district, provided, no taxes shall be levied upon any property outside of such district; and provided further, that the district shall be liable for all damages sustained beyond its limits in consequence of any work or improvement authorized hereunder.

The board of trustees, however, may upon such petition of property owners representing at least twenty-five percent of the valuation of property not included within the district as constituted which seeks benefit from the operation of such sanitary district, include such property and the area involved within the limits of such sanitary district, and such added areas shall be subject to the same taxation as other portions of the district.

Nothing contained herein shall be construed to authorize or empower such board of trustees to operate a system of waterworks for the purpose of furnishing water to the inhabitants of the district, or to construct, maintain, or operate local municipal sewerage facilities, or to deprive municipalities within the district of their powers to construct and operate sewers for local purposes within their limits.

The board of trustees of such sanitary district may, however, upon petition of the council or governing body of any incorporated city within the sanitary district, contract with such city to undertake the operation of local municipal sewage facilities as part of the functioning of the sanitary district and make an agreement with such municipality for the levying of additional sewer or sewage disposal taxes, which taxes shall be levied by the municipality as now provided by law.

[C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §358.16]

358.17 Power to acquire and dispose of property.
Any sanitary district organized under this chapter may acquire by purchase, condemnation, or otherwise, any and all real and personal property, rights of way and privileges, either within or without its corporate limits, required for its corporate purposes. Condemnation proceedings shall be conducted in the same manner, as near as may be, as provided for condemnation by counties under the laws of Iowa. Said sanitary districts shall have power to sell, convey, or otherwise dispose of any of the properties belonging to them when no longer required for their purposes.

[C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §358.17]

358.18 Taxes — power to levy — tax sales.
The board of trustees of any sanitary district organized under this chapter shall have the power by ordinance to levy annually for the purpose of paying the administrative costs of such district, or for the payment of deficiencies in special assessments, or for both, a tax upon property within the territorial limits of such sanitary district not exceeding fifty-four cents per thousand dollars of the adjusted taxable valuation of the property within such district for the preceding fiscal year.

All taxes thus levied by the board shall be certified by the clerk on or before March 1 to the county auditor of each county wherein any of the property included within the territorial limits of said sanitary district is located, and shall by said auditor or auditors be placed upon the tax list for the current fiscal year; and the county treasurer, or treasurers, of more than one county, shall collect all taxes so levied in the same manner as other taxes, and when delinquent they shall draw the same interest and penalties. All taxes so levied and collected shall be paid over by the officer collecting the same to the treasurer of the sanitary district.

358.20 Rentals and charges.

Any sanitary district may by ordinance establish just and equitable rates or charges or rentals for the utilities and services furnished by it to be paid to such district by every person, firm or corporation whose premises are served by a connection to such utilities and services directly or indirectly. Such rates, charges, or rentals, as near as may be in the judgment of the board of trustees of the district, shall be equitable and in proportion to the services rendered and the cost thereof, and taking into consideration in the case of each such premises the quantity of sewage produced thereby and its concentration, strength, and pollution qualities. The board of trustees may change such rates, charges, or rentals from time to time as it may deem advisable, and by ordinance may provide for the collection thereof. The board is authorized to contract with any municipality within the district, whereby such municipality may collect or assist in collecting any of such rates, charges, or rentals, whether in conjunction with water rentals or otherwise, and any such municipality is hereby empowered to undertake such collection and render such service. Such rates, charges, or rentals, if not paid when due, shall constitute a lien upon the property served by a connection as aforesaid and shall be collected in the same manner as other taxes.

In no case shall such rates, rentals, or charges, or the funds accruing from the collection thereof, be used to meet that part of the cost of any construction within the district which has been financed by special assessment against benefited properties.

Sewer rentals, charges, or rates may supplant or replace, in whole or in part, any monetary levy of taxes which may be, or have been, authorized by the board of trustees for any of the following purposes:

1. To meet interest and principal payments on bonds legally authorized for the financing of sanitary utilities in any manner.
2. To pay costs of the construction, maintenance, or repair of such sanitary facilities or utilities, including payments to be made under any contract between municipalities for either the joint use of sewerage or sewage facilities, or for the use by one municipality of all or a part of the sewerage or sewer system of another municipality.

When a sewer rental ordinance has been passed and put into effect, prior ordinances or resolutions providing for monetary levy of taxes against real and personal property for such purposes, or the portion thereof replaced, may be repealed.

358.21 Debt limit — borrowing — bonds — purposes.

Any sanitary district organized hereunder may borrow money for its corporate purposes, but shall not become indebted in any manner or for any purpose to an amount in the aggregate exceeding five percent on the value of the taxable property within such district, to be ascertained by the last state and county tax lists previous to the incurring of such indebtedness. Indebtedness within this constitutional limit shall not include the indebtedness of any other municipal corporation located wholly or partly within the boundaries of such sanitary district.

Subject only to this debt limitation, any such sanitary district organized hereunder shall have and it is hereby vested with all of the same powers to issue bonds, including both general obligation and revenue bonds, which cities now or may hereafter have under the laws of this state. In the application of such laws to this chapter, the words used in any such laws referring to municipal corporations or to cities shall be held to include sanitary districts organized under this chapter, the words "council" or "city council" shall be held to include the board of trustees of a sanitary district; the words "mayor" and "clerk" shall be held to include the president and clerk of any such board of trustees or sanitary district; and like construction shall be given to any other words in such laws where required to permit the exercise of such powers by sanitary districts.

Any and all bonds issued hereunder shall be signed by the president of the board of trustees and attested by the clerk, with the seal of the district, if any, affixed, and interest coupons attached thereto shall be attested by the signature of the clerk.

The proceeds of any bond issue made under the provisions of this section shall be used only for the purpose of acquiring, locating, laying out, establishing and construction of drainage facilities, conduits, treatment plants, pumping plants, works, ditches, channels and outlets of such capacity and character as may be required for the treatment, carrying off and disposal of the sewage and industrial wastes and other drainage incidental thereto of such district, or to repair, change, enlarge and add to such facilities as may be necessary or proper to meet the requirements present and future for the purposes aforesaid. Proceeds from such bond issue may also be used for the payment of special assessment deficiencies. Said bonds shall be payable in not more than forty annual installments and with interest at a rate not exceeding that permitted by chapter 74A, and shall be made payable at such place and be of such form as the board of trustees shall by resolution designate. Any sanitary district issuing bonds as authorized in this section is hereby granted authority to pledge the future avails of a tax levy to the payment of the principal and interest of such bonds after the same come due, and the power to impose and certify said levy is hereby granted to the trustees of sanitary districts organized under the provisions of this chapter.
[C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81,$358.21]

358.22 Special assessments.

The board of trustees of any sanitary district may provide for payment of all or any portion of the costs and expenses of constructing, reconstructing, or extending any drains, sewers, or laterals, and other necessary adjuncts thereto, including pumping stations, by assessing all, or any portion thereof, on abutting and adjacent property according to the benefits derived thereby, and for this purpose said board may define adjacent property as all that included within a designated benefited district or districts to be fixed by the board, which may be all of the property located...
within the sanitary district or any lesser portion there­
of. It shall constitute no objection to any special
assessment that the improvement for which the same
is levied is outside the limits of such sanitary district,
but no special assessment shall be made upon property
situated outside of such sanitary district. Special as­
sessments shall be in proportion to the special benefits
conferred upon the property thereby, and not in excess
of such benefits, and the same shall not exceed twenty­
five percent of the actual value of the property at the
time of levy, and the last preceding assessment roll
shall be taken as prima-facie evidence of such value.

Such assessments may be made to extend over a
period of ten years, payable in as nearly equal annual
installments as practicable, and certificates or bonds
may be issued in anticipation thereof. Proceedings for
improvements to be made and paid for, in whole or in
part, by special assessments, as herein authorized shall
be initiated by resolution of necessity, and said resolu­
tion and the plat, schedule, hearings, notices, objec­
tions, orders, assessments, levies, contracts, bonds,
certification of assessments, liens, payment, tax sales,
and appeals, and the issuance and sale of certificates,
and bonds, shall correspond, as near as may be, to the
provisions therefor relating to special assessment
bonds of a city, which provisions shall govern such
proceedings, to the extent applicable, except as modi­
ﬁed hereby. A majority vote of the board of trustees
shall be requisite and sufficient for any action required
by the board under the provisions of this section.

county in which the proceedings were had. Such ap­

358.24 Contracts outside of district.

A sanitary district may enter into contracts with
persons or ﬁrms outside its limits for the processing
of sewage but the rate for processing shall not be less
than that charged the inhabitants of the district.

A district entering into a contract may lay sewer
lines in highways outside the district upon ﬁrst ob­tain­
ing the permission of the state department of trans­
portation in the case of primary roads and the board
of supervisors in case of secondary roads, on written
application designating the particular highway and
part thereof, the use of which is desired.

A sanitary district adjoining a border of the state
and owning and operating a sewage disposal plant,
may contract with the governing body of any legal
entity in an adjacent area in another state, to process
the sewage from the area. The contract shall be subject
to approval of the Iowa department of public health.

1. The notice shall be published in a newspaper of general circulation published in the district and, if no newspaper is published within the district, in a newspaper published in the county in which the major part of the district is located. At the board's meeting, or subsequent meetings as necessary, if the petition is found to comply with the requirements of this section and the board of trustees consents by majority vote, the board of supervisors may provide for payment as requested or modify the method of payment of costs and expenses.

4. If the board decides that dissolution is warranted for the best interest of the public, it shall publish a notice in a newspaper of general circulation published in the district or, if no newspaper is published in the district, in a newspaper published in the county in which the major part of the district is located and give notice by mail to all known claimants or creditors of the district that it will receive and adjudicate claims against the district for four months from the date the notice is published and shall levy an annual tax as necessary against all property in the district for the number of years required to pay all claims allowed. However, the annual tax levied under this subsection shall not exceed four dollars per thousand dollars of assessed valuation of the taxable property within the district at the time of dissolution. The levy shall be made in the same manner as provided in section 76.2. After the board makes a specific finding that all indebtedness, costs, and expenses have been paid or levies approved for their payment, the board shall dissolve the district by resolution entered upon its records. The dissolution order shall be noted by the auditor on the county records, showing the date when the dissolution became effective.

5. The records of a dissolved district including, but not limited to, copies of all engineering files and work undertaken by engineers of a dissolved district, shall be deposited with the county auditor of the county designated by the board. Any remaining balances shall be deposited in the general fund of the county designated by the board. All other assets of the dissolved district shall become, by dissolution, assets of the county.

6. An action shall not be commenced to contest action of the board of supervisors under this section in adjudicating claims, providing for the levy of a tax, or dissolving the district unless it is brought within thirty days of the entry of the dissolution order on the county record.

However,
the ordinances may apply to any structure, building, dam, obstruction, deposit or excavation in or on the flood plains of any river or stream.

358A.5 Objectives.

The regulations shall be made in accordance with a comprehensive plan and designed to preserve the availability of agricultural land; to consider the protection of soil from wind and water erosion; to encourage efficient urban development patterns; to lessen congestion in the street or highway; to secure safety from fire, flood, panic, and other dangers; to protect health and the general welfare; to provide adequate light and air; to prevent the overcrowding of land; to avoid undue concentration of population; to promote the conservation of energy resources; to promote reasonable access to solar energy; and to facilitate the adequate provision of transportation, water, sewerage, schools, parks and other public requirements. However, provisions of this section relating to the objectives of energy conservation and access to solar energy shall not be construed as voiding any zoning regulation existing on July 1, 1981, or to require zoning in a county that did not have zoning prior to July 1, 1981.

Such regulations shall be made with reasonable consideration, among other things, as to the character of the area of the district and the peculiar suitability of such area for particular uses, and with a view to conserving the value of buildings and encouraging the most appropriate use of land throughout such county.

[C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §358A.5; 81 Acts, ch 125, §1; 82 Acts, ch 1245, §17]

1982 amendments do not invalidate existing ordinances or require adoption of zoning ordinance, see 82 Acts, ch 1245, §20

358A.6 Public hearings.

The board of supervisors shall provide for the manner in which such regulations and restrictions and the boundaries of such districts shall be determined, established, and enforced, and from time to time amended, supplemented, or changed. However, no such regulation, restriction, or boundary shall become effective until after a public hearing in relation thereto, at which parties in interest and citizens shall have an opportunity to be heard. At least fifteen days' notice of the time and place of such hearing shall be published in a paper of general circulation in such county. Such notice shall state the location of the district affected by naming the township and section, and the boundaries of such district shall be expressed in terms of streets or roads wherever possible.

[C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §358A.6]

358A.7 Changes — protest.

The regulations, restrictions, and boundaries may be amended, supplemented, changed, modified, or repealed. Notwithstanding section 358A.4, as a part of an ordinance changing land from one zoning district to another zoning district or an ordinance approving a site development plan, a board of supervisors may impose conditions on a property owner which are in addition to existing regulations if the additional conditions have been agreed to in writing by the property owner before the public hearing required under this section or any adjournment of the hearing. The conditions must be reasonable and imposed to satisfy public needs which are directly caused by the requested change. In case, however, of a protest against the change signed by the owners of twenty percent or more either of the area included in the proposed change, or of the area immediately adjacent to the proposed change and within five hundred feet of the boundaries of the proposed change, the amendment shall not become effective except by the favorable vote of at least sixty percent of all of the members of the board of supervisors. The provisions of section 358A.6 relative to public hearings and official notice shall apply equally to all changes or amendments.

Such commission shall, with due diligence, prepare a preliminary report and hold public hearings thereon before submitting its final report; and the board of supervisors shall not hold its public hearings or take action until it has received the final report of such commission. After the adoption of such regulations, restrictions, and boundaries of districts, the zoning commission may, from time to time, recommend to the board of supervisors amendments, supplements, changes or modifications. The zoning commission, with the approval of the board of supervisors, may contract with professional
consultants, regional planning commissions, the Iowa department of economic development, or the federal government, for local planning assistance.

358A.11 Membership of board.
The board of adjustment shall consist of five members, a majority of whom shall reside within the county but outside the corporate limits of any city, each to be appointed for a term of five years, excepting that when the board shall first be created one member shall be appointed for a term of five years, one for a term of four years, one for a term of three years, one for a term of two years, and one for a term of one year. Members shall be removable for cause by the appointing authority upon written charges and after public hearing. 358A.13 Appeals to board.
Appeals to the board of adjustment may be taken by any person aggrieved or by any officer, department, board or bureau of the county affected by any decision of the administrative officer. Such appeal shall be taken within a reasonable time, as provided by the rules of the board of adjustment, by filing with the officer from whom the appeal is taken and with the board of adjustment a notice of appeal specifying the grounds thereof. The officer from whom the appeal is taken shall forthwith transmit to the board of adjustment all the papers constituting the record upon which the action appealed from was taken.

358A.14 Stay of proceedings.
An appeal stays all proceedings in furtherance of the action appealed from, unless the officer from whom the appeal is taken certifies to the board of adjustment after the notice of appeal shall have been filed with the officer that by reason of facts stated in the certificate a stay would, in the officer's opinion, cause imminent peril to life or property. In such case proceedings shall not be stayed otherwise than by a restraining order which may be granted by the board of adjustment or by a court of record on application on notice to the officer from whom the appeal is taken and on due cause shown.

2. To hear and decide special exceptions to the terms of the ordinance upon which such board is required to pass under such ordinance.
3. To authorize upon appeal, in specific cases, such variance from the terms of the ordinance as will not be contrary to the public interest, where owing to special conditions a literal enforcement of the provisions of the ordinance will result in unnecessary hardship, and so that the spirit of the ordinance shall be observed and substantial justice done.
[C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §358A.15]

Such petition shall be presented to the court within thirty days after the filing of the decision in the office of the board
[C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §358A 18]

358A.19 Review by court.
Upon the presentation of such petition, the court may allow a writ of certiorari directed to the board of adjustment to review such decision of the board of adjustment and shall prescribe therein the time within which a return thereto must be made and served upon the relator's attorney, which shall not be less than ten days and may be extended by the court. The allowance of the writ shall not stay proceedings upon the decision appealed from, but the court may, on application, on notice to the board and on due cause shown, grant a restraining order
[C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §358A 19]

358A.20 Record advanced.
The board of adjustment shall not be required to return the original papers acted upon by it, but it shall be sufficient to return certified or sworn copies thereof or of such portions hereof as may be called for by such writ. The return shall concisely set forth such other facts as may be pertinent and material to show the grounds of the decision appealed from and shall be verified

If upon the hearing which shall be tried de novo it shall appear to the court that testimony is necessary for the proper disposition of the matter, it may take evidence or appoint a referee to take such evidence as it may direct and report the same to the court with the referee's findings of fact and conclusions of law, which shall constitute a part of the proceedings upon which the determination of the court shall be made. The court may reverse or affirm, wholly or partly, or may modify the decision brought up for review.

Costs shall not be allowed against the board unless it shall appear to the court that it acted with gross negligence or in bad faith or with malice in making the decision appealed from
[C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §358A 21]

358A.23 Restraining order.
In case any building or structure is erected, constructed, reconstructed, altered, repaired, converted, or maintained, or any building, structure, or land is used in violation of this chapter or of any ordinance or other regulation made under authority conferred thereby, the board of supervisors, in addition to other remedies, may institute any appropriate action or proceedings to prevent such unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance, or use, to restrain, correct, or abate such violation, to prevent the occupancy of said building, structure, or land, or to prevent any illegal act, conduct, business, or use in or about such premises
[C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §358A 23]

358A.24 Conflict with other regulations.
If the regulations made under this chapter require a greater width or size of yards, courts or other open spaces, or require a lower height of building or less number of stories, or require a greater percentage of lot to be left unoccupied, or impose other higher standards than are required in any other statute or local ordinance or regulation, the regulations made under this chapter govern. If any other statute or local ordinance or regulation requires a greater width or size of yards, courts or other open spaces, or requires a lower height of building or a less number of stories, or a greater percentage of lot to be left unoccupied, or imposes other higher standards than are required by the regulations made under this chapter, the other statute or local ordinance or regulation governs. If a regulation proposed or made under this chapter relates to any structure, building, dam, obstruction, deposit or excavation in or on the flood plains of any river or stream, prior approval of the department of water, air, and waste management is required to establish, amend, supplement, change, or modify the regulation or to grant any variation or exception from the regulation
[C50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §358A 24, 82 Acts, ch 1199, §67, 96]

358A.25 Zoning for family homes.
1 It is the intent of this section to assist in improving the quality of life of developmentally disabled persons by integrating them into the mainstream of society by making available to them community residential opportunities in the residential areas of this state. In order to implement this intent, this section shall be liberally construed

2 a "Developmental disability" or "developmentally disabled" means a disability of a person which has continued or can be expected to continue indefinitely and which is one of the following

(1) Attributable to mental retardation, cerebral palsy, epilepsy, or autism

(2) Attributable to any other condition found to be closely related to mental retardation because the condition results in impairment of general intellectual functioning or adaptive behavior similar to that of mentally retarded persons or requires treatment and services similar to those required for the persons

(3) Attributable to dyslexia resulting from a disability described in either subparagraph (1) or (2)

(4) Attributable to a mental or nervous disorder

b "Family home" means a community based resi
dential home which is licensed as a residential care facility under chapter 135C or as a child foster care facility under chapter 237 to provide room and board, personal care, habilitation services, and supervision in a family environment exclusively for not more than eight developmentally disabled persons and any necessary support personnel. However, family home does not mean an individual foster family home licensed under chapter 237.

(c) "Permitted use" means a use by right which is authorized in all residential zoning districts.

d. "Residential" means regularly used by its occupants as a permanent place of abode, which is made one's home as opposed to one's place of business and which has housekeeping and cooking facilities for its occupants only.

3. Notwithstanding the optional provision in section 358A.1 and any other provision of this chapter to the contrary, a county, county board of supervisors, or a county zoning commission shall consider a family home a residential use of property for the purposes of zoning and shall treat a family home as a permitted use in all residential zones or districts, including all single-family residential zones or districts, of the county. A county, county board of supervisors, or a county zoning commission shall not require that a family home, its owner, or operator obtain a conditional use permit, special use permit, special exception, or variance. However, a new family home shall not be located within one-fourth of a mile from another family home. Section 135C.23, subsection 2 shall apply to all residents of a family home.

4. A restriction, reservation, condition, exception, or covenant in a subdivision plan, deed, or other instrument of or pertaining to the transfer, sale, lease, or use of property in a county which permits residential use of property but prohibits the use of property as a family home for developmentally disabled persons, to the extent of the prohibition, is void as against the public policy of this state and shall not be given legal or equitable effect.

83 Acts, ch 11, §1

358A.27 Agricultural land preservation ordinance.

If a county adopts an agricultural land preservation ordinance under this chapter which subjects farmland to the same use restrictions provided in section 176B.6 for agricultural areas, sections 176B.10 to 176B.12 and section 472.3, subsection 6, shall apply to farms and farm operations which are subject to the agricultural land preservation ordinance.

[82 Acts, ch 1245, §15, 20]
Section does not invalidate existing ordinances or require adoption of zoning ordinance, see 82 Acts, ch 1245, §20

358A.28 and 358A.29 Reserved.

358A.30 Manufactured home.

A county shall not adopt or enforce zoning regulations or other ordinances which disallow the plans and specifications of a proposed residential structure solely because the proposed structure is a manufactured home. However, a zoning ordinance or regulation shall require that a manufactured home be located and installed according to the same standards, including but not limited to, a foundation system, set-back, and minimum square footage which would apply to a site-built, single family dwelling on the same lot. As used in this section, "manufactured home" means a factory-built structure, which is manufactured or constructed under the authority of 42 U.S.C. sec. 5403 and is to be used as a place for human habitation, but which is not constructed or equipped with a permanent hitch or other device allowing it to be moved other than for the purpose of moving to a permanent site, and which does not have permanently attached to its body or frame any wheels or axles. A mobile home as defined in section 135D.1 is not a manufactured home, unless it has been converted to real property as provided in section 135D.26, and shall be taxed as a site-built dwelling. This section shall not be construed as abrogating a recorded restrictive covenant.

Eligible electors residing within the proposed district in a number not less than five percent of those voting for president of the United States or governor, as the case may be, within said district at the last general election may petition the board of supervisors of the county or counties for the establishment of such county library district. The result of the election within cities maintaining a free public library shall be considered separately, and no city shall be included within the county library district unless a majority of its electors, voting on the proposition, favor its inclusion. In such cases the boundaries of an established district may vary from those of the proposed district.

3. To employ a librarian, such assistants and employees as may be necessary for the proper management of said library, and fix their compensation; but, prior to such employment, the compensation of such librarian, assistants, and employees shall be fixed for the term of employment by a majority of the members of said board voting in favor thereof.

4. To remove such librarian, assistants, or employees by a vote of two-thirds of such board for misdemeanor, incompetency, or inattention to the duties of such employment.

5. To select and make purchases of books, pamphlets, magazines, periodicals, papers, maps, journals, furniture, fixtures, stationery, and supplies for such library.

6. To authorize the use of such libraries by school corporations or by nonresidents of the area which is taxed to support such libraries and to fix charges therefor.

7. To make and adopt, amend, modify, or repeal bylaws, rules, and regulations, not inconsistent with law, for the care, use, government, and management of such library and the business of said board, fixing and enforcing penalties for the violation thereof.

All moneys received and set apart for the maintenance of the library shall be deposited in the treasury of the county and paid out upon warrants drawn by the county auditor upon requisition of the board of trustees, signed by its president and secretary.

Provided that where a free public library is maintained jointly by two or more counties, the library trustees may elect a library treasurer therefor, and it shall be the duty of the city and county treasurers to pay over to said library treasurer any and all library taxes that may be collected by them monthly.

Such library treasurer shall be required to furnish a bond conditioned as provided by section 64.2 in such amount as agreed upon by the boards of supervisors and the cost thereof shall be paid by the counties.

The board of library trustees shall make an estimate of the amount necessary for the maintenance of the county library, the sources of direct library revenue, and the amount to be contributed from taxes or other revenues by the participating city or county and hold a hearing on the estimate after notice of the hearing is published as provided in section 331.305. On or before January 10 of each year, the board of library trustees shall transmit the estimate in dollars to the board of supervisors and to the cities participating in the district. The unincorporated area of each county in the county library district shall be considered as a separate supporting unit. Each board of supervisors shall review the estimate and appropriate for library purposes its share in the county rural services fund budget. Each city council shall review the estimate for the city and appropriate for library purposes its share in the city general fund budget. Each participating city or county shall contribute its share from taxation or from other sources available for library purposes on an equitable basis. With approval of a city council, the county treasurer may withhold a reasonable portion of the taxes collected for a city to meet the city's contribution for library purposes and deliver a receipt to the city clerk for the amount withheld.

Whenever a county library district is established the board of trustees thereof shall assume all the obligations of the existing contracts made by cities, townships, school corporations or counties to receive library service from free public libraries.

§358B.16 Withdrawal from district — termination.

A city may withdraw from the county library district upon a majority vote in favor of withdrawal by the electorate of the city in an election held on a motion by the city council. The election shall be held simultaneously with a general or city election. Notice of a favorable vote to withdraw shall be sent by certified mail to the board of library trustees of the county library and the county auditor prior to January 10, and the withdrawal shall be effective on July 1.

A county may withdraw from the district after a majority of the voters of the unincorporated area of the county voting on the issue favor the withdrawal. The board of supervisors shall call for the election which shall be held at the next general election.
A city or county election shall not be called until a hearing has been held on the proposal to submit a proposition of withdrawal to an election. A hearing may be held only after public notice published as provided in section 362.3 in the case of a city or section 331.305 in the case of a county. POWERS AND DUTIES OF CITIES

Requirement to allow certain employees to continue insurance, §509A 13

364.1 Scope.
A city may, except as expressly limited by the Constitution, and if not inconsistent with the laws of the general assembly, exercise any power and perform any function it deems appropriate to protect and preserve the rights, privileges, and property of the city or of its residents, and to preserve and improve the peace, safety, health, welfare, comfort, and convenience of its residents. This grant of home rule powers does not include the power to enact private or civil law governing civil relationships, except as incident to an exercise of an independent city power.

364.2 Vesting of power — franchises.
1. A power of a city is vested in the city council except as otherwise provided by a state law.
2. The enumeration of a specific power of a city does not limit or restrict the general grant of home rule power conferred by the Constitution. A city may exercise its general powers subject only to limitations expressly imposed by a state or city law.
3. An exercise of a city power is not inconsistent with a state law unless it is irreconcilable with the state law.
4. a A city may grant to any person a franchise to erect, maintain, and operate plants and systems for electric light and power, heating, telephone, telegraph, cable television, district telegraph and alarm, motor bus, trolley bus, street railway or other public transit, waterworks, or gasworks, within the city for a term of not more than twenty-five years. The franchise may be
5 A city shall not adopt or enforce any ordinance imposing any registration or licensing system or registration or license fees for owner-occupied mobile homes including the lots or lands upon which they are located. A city shall not adopt or enforce any ordinance imposing any registration or licensing system, or registration or license fees, or safety or sanitary standards for rental mobile homes unless similar registration or licensing system, or registration or license fees, or safety or sanitary standards are required for other rental properties intended for human habitation. This subsection does not preclude the investigation and abatement of a nuisance or the enforcement of a tiedown system, or the enforcement of any regulations of the state or local board of health if those regulations apply to other rental properties or to owner-occupied housing intended for human habitation.

6 A city shall not provide a civil penalty in excess of one hundred dollars for the violation of an ordinance which is classified as a municipal infraction or if the infraction is a repeat offense, a civil penalty not to exceed two hundred dollars for each repeat offense. A municipal infraction is not punishable by imprisonment.

364.3 Limitation of powers.

The following are limitations upon the powers of a city:

1 A city council shall exercise a power only by the passage of a motion, a resolution, an amendment, or an ordinance.

2 A city shall not provide a penalty in excess of a one hundred dollar fine or in excess of thirty days imprisonment for the violation of an ordinance. An amount equal to ten percent of all fines collected by cities shall be deposited in the court revenue distribution account established in section 602 8108. However, one hundred percent of all fines collected by a city pursuant to section 321 236, subsection 1, shall be retained by the city. The criminal penalty surcharge required by section 911 2 shall be added to a city fine and is not a part of the city's penalty.

3 A city may not set standards and requirements which are lower or less stringent than those imposed by state law, but may set standards and requirements which are higher or more stringent than those imposed by state law, unless a state law provides otherwise.

4 A city may not levy a tax unless specifically authorized by a state law.

5 A city shall not adopt or enforce any ordinance imposing any registration or licensing system or registration or license fees for owner-occupied mobile homes including the lots or lands upon which they are located. A city shall not adopt or enforce any ordinance imposing any registration or licensing system, or registration or license fees, or safety or sanitary standards for rental mobile homes unless similar registration or licensing system, or registration or license fees, or safety or sanitary standards are required for other rental properties intended for human habitation. This subsection does not preclude the investigation and abatement of a nuisance or the enforcement of a tiedown system, or the enforcement of any regulations of the state or local board of health if those regulations apply to other rental properties or to owner-occupied housing intended for human habitation.

6 A city shall not provide a civil penalty in excess of one hundred dollars for the violation of an ordinance which is classified as a municipal infraction or if the infraction is a repeat offense, a civil penalty not to exceed two hundred dollars for each repeat offense. A municipal infraction is not punishable by imprisonment.

364.4 Property and services outside of city — insurance.

A city may:

1 Acquire, hold, and dispose of property outside the city in the same manner as within.

2 By contract, extend services to persons outside the city.

3 Enact and enforce ordinances relating to city property and city-extended services outside the city.

4 Enter into leases or lease purchase contracts for real and personal property in accordance with the following terms and procedures:

a A city shall lease or lease-purchase real or personal property only for a term which does not exceed the economic life of the property, as determined by the council.

b A lease or lease-purchase contract entered into by a city may contain provisions similar to those sometimes found in leases between private parties, including the obligation of the lessee to pay any of the costs of operation or ownership of the leased property, and the right to purchase the leased property.

c A provision of a lease or lease-purchase contract which stipulates that a portion of the rent payments be applied as interest is subject to chapter 74A. Other laws relating to interest rates do not apply.

d The governing body must follow substantially the same authorization procedure required for the issuance of general obligation bonds issued for the same purpose to authorize a lease or a lease-purchase agreement made payable from the debt service fund, or to authorize any lease or lease-purchase contract which would result in the total of annual lease and lease-
purchase payments of the city due from the general fund of the city in any future year for lease or lease-purchase contracts in force on the date of the authorization, excluding payments to exercise purchase options or to pay the expenses of operation or ownership of the property, to exceed ten percent of the last certified general fund budget amount. In all other cases, the authorization procedures of section 384.25 shall apply. Chapter 75 shall not be applicable. A city utility is a separate entity under the provisions of this section whether it is governed by the council or another governing body.

e. A lease or lease-purchase contract to which a city is a party or in which a city has a participatory interest, is an obligation of a political subdivision of this state for the purposes of chapters 502 and 682, and is a lawful investment for banks, trust companies, building and loan associations, savings and loan associations, investment companies, insurance companies, insurance associations, executors, guardians, trustees and any other fiduciaries responsible for the investment of funds.

f. Property that is lease-purchased by a city is exempt from section 427.1, subsection 2.

g. A contract for construction by a private party of property to be leased or lease-purchased by a city is not a contract for a public improvement under section 384.95, subsection 1, except for purposes of section 384.102. However, if a lease-purchase contract is funded in advance by means of the lessor depositing moneys to be administered by a city, with the city's obligation to make rent payments commencing with its receipt of moneys, a contract for construction of the property in question awarded by the city is a public improvement and is subject to division VI of chapter 384.

5. Enter into insurance agreements obligating the city to make payments beyond its current budget year to procure or provide for a policy of insurance, a self-insurance program, or a local government risk pool to protect the city against tort liability, loss of property, or any other risk associated with the operation of the city. Such a self-insurance program or local government risk pool is not insurance and is not subject to regulation under chapters 505 through 523C. However, those self-insurance plans regulated pursuant to section 509A.14 shall remain subject to the requirements of section 509A.14 and rules adopted pursuant to that section.

Any person violating or being an accessory to a violation of this section is guilty of a simple misdemeanor.

A city may enter into an agreement with the federal government acting through any of its authorized agencies, and may carry out provisions of the agreement as necessary to meet federal requirements to obtain the funds or co-operation of the federal government or its agencies for the planning, construction, rehabilitation, or extension of a public improvement.

364.6 Procedure.

A city shall substantially comply with a procedure established by a state law for exercising a city power. If a procedure is not established by state law, a city may determine its own procedure for exercising the power.

[C66, 71, 73, §368.2; C75, 77, 79, 81, §364.6]

364.7 Disposal of property.

A city may not dispose of an interest in real property by sale, lease for a term of more than three years, or gift, except in accordance with the following procedure:

1. The council shall set forth its proposal in a resolution and shall publish notice as provided in section 362.3, of the resolution and of a date, time and place of a public hearing on the proposal.

2. After the public hearing, the council may make a final determination on the proposal by resolution.

3. A city may not dispose of real property by gift except to a governmental body for a public purpose. However, a city may dispose of real property for use in an Iowa homesteading program under section 220.14 for a nominal consideration, including but not limited to property in an urban renewal area.

364.8 Overpasses or underpasses.

A city may by ordinance require a railway company operating railway tracks on or across a city street to construct or reconstruct, and maintain, an overpass or underpass to permit the street to pass over or under the tracks, and may establish specifications for the construction or reconstruction of such an overpass or underpass, subject to the following:

1. The requirement may not be enforced until the Iowa state department of transportation approves the specifications for a construction or reconstruction, after examination and a determination that the overpass or underpass is necessary for public safety and convenience.

2. The council shall hold a hearing on the matter and shall give not less than twenty days' notice of the hearing to the railway companies involved, served in the same manner as an original notice.

3. A city may not require overpasses or underpasses of the same railway company to be constructed clo-
§364.8  ser than on every fourth parallel street, nor require a company to construct or contribute to the construc-

tion of more than one overpass or underpass each year, nor require the construction of approaches longer than a
total of eight hundred feet for a single overpass or underpass.

4 A city which requires construction or recon-

struction of an overpass or underpass shall provide for appraisal and assessment of resulting damage to pri-

cate property, and shall pay the damages assessed, all as provided in chapter 472

5 A city shall pay one half of all required mainte-
nance costs, and may allocate costs between railway

companies whose tracks are to be crossed by an over-

pass or underpass.

6 A city may enforce a requirement made as pro-

vided in this section by an action in mandamus, to be

conducted and enforced as provided in section 327C 16

for actions brought by the state department of trans-

portation. If the city prevails in the mandamus action,
in addition to other remedies it may cause the required

construction, reconstruction, or maintenance work to be
done, and have judgment for the cost of the work
against the companies.

§364.9 Flood control — railway tracks.

A city may require a railway company to provide

necessary structures, temporary and permanent, to
carry its tracks during and after construction of a di-

verted channel for flood control purposes, subject to the following:

1 The city shall give notice to the railway com-
pa ny, served in the same manner as an original notice,
stating:

a The nature of the flood control project

b The place where the diverted channel will cross the company's right of way

c The specifications for construction of the di-

verted channel across the company's right of way

d Details of the city's requirement for the compa-
y to provide the necessary structures where the diverted channel crosses the right of way, including a
designated period of time for construction, and a re-

quirement that the construction be in a manner which
does not interfere with the construction of the diverted channel or the free flow of water

2 If the company does not comply with the re-

quirement, the city may provide the necessary struc-
tures, and the railway is liable for the cost of the construc-
tion, in addition to its liability for assessment for

special benefits as other property is assessed. The cost of the construction may be collected by the city

from the company by court action.

§364.11 Street construction by railways.

All railway companies shall construct and repair all street improvements between the rails of their tracks,
and one foot outside, at their own expense, unless by

ordinance the railway is required to improve other portions of the street, and in that case the railway shall con-

struct and repair the improvement of that part of the street specified by the ordinance, and the improve-

ment or repair must be of the material and character ordered by the city, and must be done at the time the

remainder of the improvement is constructed or re-

paired.

When an improvement is made, the company shall lay rail as required by the council, and shall then keep

up to grade that part of the improvement they are

required to construct or maintain.

If a railway fails or refuses to comply with the order of the council to construct or repair an improvement,

the work may be done by the city and the expense shall

then be assessed upon the property of the railway company, for collection in the same manner as a property
tax. A tax assessed under this section shall also be a
debt due from the railway, and may be collected in an

action at law in the same manner as other debts.

§364.12 Responsibility for public places.

1 As used in this section, "property owner" means the contract purchaser if there is one of record, other-

wise the record holder of legal title.

2 A city shall keep all public grounds, streets, side-
walks, alleys, bridges, culverts, overpasses, underpasses, grade crossing separations and app-

roaches, public ways, squares, and commons open, in

repair, and free from nuisance, with the following ex-

ceptions:

a Public ways and grounds may be temporarily
closed by resolution. Following notice as provided in

section 362 3, public ways and grounds may be vacated

by ordinance.

b The abutting property owner is responsible for the

removal of the natural accumulations of snow and

ice from the sidewalks within a reasonable amount of
time and may be liable for damages caused by the

failure of the abutting property owner to use reason-

able care in the removal of the snow or ice. If damages

are to be awarded under this section against the abut-

ting property owner, the claimant has the burden of

proving the amount of the damages. To authorize re-

covery of more than a nominal amount, facts must

exist and be shown by the evidence which afford a

reasonable basis for measuring the amount of the

claimant's actual damages, and the amount of actual
damages shall not be determined by speculation, con-

jecture, or surmise. All legal or equitable defenses are

available to the abutting property owner in an action

brought pursuant to this paragraph. The city's general
duty under this subsection does not include a duty to

remove natural accumulations of snow or ice from the

sidewalks. However, when the city is the abutting

property owner it has the specific duty of the abutting

property owner set forth in this paragraph.

c The abutting property owner may be required by

ordinance to maintain all property outside the lot and

property lines and inside the curb lines upon the public

streets, except that the property owner shall not be

required to remove diseased trees or dead wood on the

publicly owned property or right of way.
d. A city may serve notice on the abutting property owner, by certified mail to the property owner as shown by the records of the county auditor, requiring the abutting property owner to repair, replace, or reconstruct sidewalks.

e. If the abutting property owner does not perform an action required under this subsection within a reasonable time, a city may perform the required action and assess the costs against the abutting property for collection in the same manner as a property tax. This power does not relieve the abutting property owner of liability imposed under paragraph "b".

f. A city has no duty under this subsection with respect to property that is required by law to be maintained by a railway company.

3. A city may:

a. Require the abatement of a nuisance, public or private, in any reasonable manner.

b. Require the removal of diseased trees or dead wood, except as stated in subsection 2, paragraph "c" of this section.

c. Require the removal, repair, or dismantling of a dangerous building or structure.

d. Require the numbering of buildings.

e. Require connection to public drainage systems from abutting property when necessary for public health or safety.

f. Require connection to public sewer systems from abutting property, and require installation of sanitary toilet facilities and removal of other toilet facilities on such property.

g. Require the cutting or destruction of weeds or other growth which constitutes a health, safety, or fire hazard.

h. If the property owner does not perform an action required under this subsection within a reasonable time after notice, a city may perform the required action and assess the costs for property collection in the same manner as a property tax. Notice may be in the form of an ordinance or by certified mail to the property owner as shown by the records of the county auditor, and shall state the time within which action is required. However, in an emergency a city may perform any action which may be required under this section without prior notice, and assess the costs as provided in this subsection, after notice to the property owner and hearing.

A special assessment levied pursuant to section 364.11 or 364.12, including all interest and penalties is a lien against the benefited property from the date of filing the schedule of assessments until the assessment is paid. Special assessments have equal precedence with ordinary taxes and are not divested by judicial sale.

364.13B Special assessments — procedures for levy.

The procedures for making and levying a special assessment pursuant to this chapter and for an appeal of the assessment are the same procedures as provided in sections 384.59 through 384.67 and sections 384.72 through 384.75.

83 Acts, ch 90, §20

364.14 Personal injuries.

When action is brought against a city for personal injuries alleged to have been caused by its negligence, the city may notify in writing any person by whose negligence it claims the injury was caused. The notice shall state the pendency of the action, the name of the plaintiff, the name and location of the court where the action is pending, a brief statement of the alleged facts from which the cause arose, that the city believes that the person notified is liable to it for any judgment rendered against the city, and asking the person to appear and defend. A judgment obtained in the suit is conclusive in any action by the city against any person so notified, as to the existence of the defect or other cause of the injury or damage, as to the liability of the city to the plaintiff in the first named action, and as to the amount of the damage or injury. A city may maintain an action against the person notified to recover the amount of the judgment together with all the expenses incurred by the city in the suit.

If a city has established the grade of a street or alley, and any person has made improvements on lots abutting the street or alley according to the established grade, and afterward the grade is altered in a manner to damage, injure, or diminish the value of the improved property, the city shall pay to the owner of the property the amount of such damage or injury.

If a city has opened a street or alley, and any person has made improvements on lots abutting the street or alley or uses such street or alley for ingress or egress, and afterward the street or alley is vacated causing damage or injury or loss of access, or diminishing the value of the improved property, the city shall pay to the owner of the property the amount of such damage or injury.

The public school corporation shall notify the city at least thirty days before the termination of the lease.

### §364.22 Municipal infractions.

1. A municipal infraction is a civil offense punishable by a civil penalty of not more than one hundred dollars for each violation or if the infraction is a repeat offense, a civil penalty not to exceed two hundred dollars for each repeat offense.

2. A city by ordinance may provide that a violation of an ordinance is a municipal infraction.

3. A city shall not provide that a violation of an ordinance is a municipal infraction if the violation is a felony or misdemeanor by state law.

4. An officer authorized by a city to enforce a city code or regulation may issue a civil citation to a person who commits a municipal infraction. The citation may be served by personal service or by certified mail return receipt requested. A copy of the citation shall be retained by the issuing officer, and one copy shall be sent to the clerk of the district court. The citation shall serve as notification that a civil offense has been committed and shall contain the following information:
   a. The name and address of the violator.
   b. The name or description of the infraction attested to by the officer issuing the citation.
   c. The location and time of the infraction.
   d. The amount of civil penalty to be assessed or the alternate relief sought, or both.
   e. The manner, location, and time in which the penalty may be paid.
   f. The time and place of court appearance.
   g. The penalty for failure to appear in court.

5. In proceedings before the court for a municipal infraction:
   a. The city has the burden of proof that the municipal infraction occurred and that the violator committed the infraction. The proof shall be by clear, satisfactory, and convincing evidence.
   b. The court shall ensure that the violator has received a copy of the charges and that the violator understands the charges. The violator may question all witnesses who appear for the city and produce evidence or witnesses on the violator's behalf.
   c. The violator may be represented by counsel of the violator's own selection and at the violator's own expense.
   d. The violator may enter a plea admitting or denying the infraction.
   e. The verdict of the court for a municipal infraction shall be "guilty" of the municipal infraction or "not guilty" of the municipal infraction.

6. All penalties or forfeitures collected by the court for municipal infractions shall be remitted to the city in the same manner as fines and forfeitures are remitted for criminal violations under section 602.8106. If the person named in the citation is served as provided in this section and fails without good cause to appear in response to the civil citation, judgment shall be entered against the person cited.

7. A person found guilty of a municipal infraction is liable for the court costs and fees. If a person is found not guilty of a municipal infraction or the action is dismissed, the city is liable for the court costs and court fees. Where the action is disposed of without payment, or provision for assessment, of court costs, the clerk shall at once enter judgment for costs against the city.

8. Seeking a civil penalty as authorized in this section does not preclude a city from seeking alternative relief from the court in the same action.

9. When a violator has been found guilty of a municipal infraction, the court may impose a civil penalty or may grant appropriate relief to abate or halt the violation, or both, and the court may direct that payment of the civil penalty be suspended or deferred under conditions established by the court. If a violator willfully fails to pay the civil penalty or violates the terms of any other order imposed by the court, the failure is contempt.

10. A violator who has been found guilty of a municipal infraction may file a motion for a new trial or a motion for a reversal of a judgment as provided by law or rule of civil procedure.

11. This section does not preclude a peace officer of a city from issuing a criminal citation for a violation of a city code or regulation if criminal penalties are also provided for the violation. Each day that a violation occurs or is permitted to exist by the violator, constitutes a separate offense.

12. The issuance of a civil citation for a municipal infraction or the ensuing court proceedings do not provide an action for false arrest, false imprisonment, or prosecution.

Each local representative is entitled to receive from the state his or her actual and necessary expenses spent in performance of committee duties. Two board members and one local representative, or if the number of local representatives exceeds one, two board members and at least one-half of the appointed local representatives, are required for a quorum of the committee. A local representative must be a qualified elector of the territory or city which the representative represents, and must be selected as follows:

1. An incorporation unless it finds that the city to be incorporated will be able to provide customary municipal services within a reasonable time.
2. A discontinuance or severance if the city to be discontinued or the territory to be severed will be surrounded by one or more cities unless a petition for annexation of the same area is also filed and approved.
3. A discontinuance or severance unless it finds that the county or another city will be able to provide necessary municipal services to the residents.
4. An annexation unless the territory is adjoining the city to which it will be annexed, and the committee finds that the city will be able to provide to the territory substantial municipal services and benefits not previously enjoyed by such territory, and that the motive for annexation is not solely to increase revenues to the city.
5. A consolidation unless the cities are contiguous.
6. An incorporation of territory, any part of which is within an urbanized area of a city, unless a petition for annexation of substantially the same territory to such city has been dismissed, disapproved, or voted

1. Eligible electors of the city, equal in number to at least twenty-five percent of the persons who voted at the last regular city election, may petition the mayor to adopt a different form of city government.

2. Within one week after receiving a valid petition, the mayor shall proclaim a special city election to be held within sixty days to determine whether the city shall change to a different form of government. The mayor shall notify the county commissioner of elections to publish notice of the election and conduct the election pursuant to the provisions of chapters 39 to 53. The county commissioner of elections shall certify the results of the election to the mayor.

3. If a majority of the persons voting at the special election approves the proposed form, it is adopted.

   b. The change of form does not alter any right or liability of the city in effect at the time of the special election at which the form was adopted.

c. All departments and agencies shall continue to operate until replaced.

d. All measures in effect remain effective until amended or repealed, unless they are irreconcilable with the adopted form.

e. Upon the effective date of the adopted form, the city shall adopt by ordinance a new charter embodying the adopted form, and shall file a copy of its charter with the secretary of state, and maintain copies available for public inspection.

While a city is thus operating with an even number of council members, the mayor may vote to break a tie vote on motions not involving ordinances, resolutions or appointments made by the council alone, and in a special charter city operating with ten council members

However, within thirty days of publication of the ordinance, if a petition valid under the provisions of section 362.4 is filed with the council, the council must submit the ordinance amendment to the voters at a special city election, and the amendment does not become effective until approved by a majority of those voting.

[C75, 77, 79, 81, §372.12]

DIVISION II
CITY OFFICERS

372.13 The council.
1. A majority of all council members is a quorum.
2. A vacancy in an elective city office during a term of office shall be filled, at the council's option, by one of the following procedures:
   a. By appointment by the remaining members of the council, except that if the remaining members do not constitute a quorum of the full membership, paragraph "b" shall be followed. The appointment shall be for the period until the next pending election as defined in section 69.12, and shall be made within forty days after the vacancy occurs. If the council chooses to proceed under this paragraph, it shall publish notice in the manner prescribed by section 362.3, stating that the council intends to fill the vacancy by appointment but that the electors of the city or ward, as the case may be, have the right to file a petition requiring that the vacancy be filled by a special election. The council may publish notice in advance if an elected official submits a resignation to take effect at a future date. The council may make an appointment to fill the vacancy after the notice is published or after the vacancy occurs, whichever is later. However, if within fourteen days after publication of the notice or within fourteen days after the appointment is made, whichever is later, there is filed with the city clerk a petition requesting a special election to fill the vacancy and which is signed by eligible electors who are, or would be if registered, entitled to vote to fill the office in question, equal in number to two percent of those who voted for candidates for the office at the last preceding regular election at which the office was on the ballot, but not less than ten persons, an appointment to fill the vacancy is temporary and the council shall call a special election to fill the vacancy permanently, under paragraph "b".
   b. By a special election held to fill the office for the remaining balance of the unexpired term. If the council opts for a special election or a valid petition is filed under paragraph "a", the special election may be held concurrently with any pending election as provided by section 69.12 if by so doing the vacancy will be filled not more than ninety days after it occurs. Otherwise, a special election to fill the office shall be called at the earliest practicable date. If there are concurrent vacancies on the council and the remaining council members do not constitute a quorum of the full membership, a special election shall be called at the earliest practicable date. A special election held under this subsection is subject to sections 376.4 through 376.11, but the date for actions in relation to the special election shall be calculated with regard to the date for which the special election is called.
3. The council shall appoint a city clerk to maintain city records and perform other duties prescribed by state or city law.
4. Except as otherwise provided by state or city law, the council may appoint city officers and employees, and prescribe their powers, duties, compensation, and terms. The appointment of a city manager must be made on the basis of that individual's qualifications and not on the basis of political affiliation.
5. The council shall determine its own rules and maintain records of its proceedings. City records and documents, or accurate reproductions, shall be kept for at least five years, except that ordinances, resolutions, council proceedings, and records and documents relating to real property transactions or bond issues shall be maintained permanently.
6. Within fifteen days following a regular or special meeting of the council, the clerk shall cause the minutes of the proceedings of the council, including the total expenditure from each city fund, to be published in a newspaper of general circulation in the city. The publication shall include a list of all claims allowed and
a summary of all receipts and shall show the gross amount of the claim. Matters discussed in closed session pursuant to section 21.3 shall not be published until entered on the public minutes. However, in cities having more than one hundred fifty thousand population the council shall each month print in pamphlet form a detailed itemized statement of all receipts and disbursements of the city, and a summary of its proceedings during the preceding month, and furnish copies to the city library, the daily newspapers of the city, and to persons who apply at the office of the city clerk, and the pamphlet shall constitute publication as required. Failure by the clerk to make publication is a simple misdemeanor. The provisions of this subsection are applicable in cities in which a newspaper is published, or in cities of two hundred population or over, but in all other cities, posting the statement in three public places in the city which have been permanently designated by ordinance is sufficient compliance with this subsection.

7. By ordinance, the council may divide the city into wards based upon population, change the boundaries of wards, eliminate wards or create new wards.

By ordinance, the council shall prescribe the compensation of the mayor, council members, and other elected city officers, but a change in the compensation of the mayor shall not become effective during the term in which the change is adopted, and the council shall not adopt such an ordinance changing the compensation of the mayor or council members during the months of November and December immediately following a regular city election. A change in the compensation of council members shall become effective for all council members at the beginning of the term of the council members elected at the election next following the change in compensation. Except as provided in section 362.5, an elected city officer shall not receive any other compensation for any other city office or city employment during that officer's term of office, but may be reimbursed for actual expenses incurred. However, if the mayor pro tem performs the mayor's duties and upon the compensation of the office has been increased.

3. The mayor pro tem is vice president of the council. When the mayor is absent or unable to act, the mayor pro tem shall perform the mayor's duties, except that the mayor pro tem may not appoint, employ, or discharge officers or employees without the approval of the council. Official actions of the mayor pro tem when the mayor is absent or unable to act are legal and binding to the same extent as if done by the mayor. The mayor pro tem retains all of the powers of a council member.

§372.13 The mayor.

1. The mayor is the chief executive officer of the city and presiding officer of the council. Except for the supervisory duties which have been delegated by law to a city manager, the mayor shall supervise all city officers and departments.

2. The mayor may take command of the police and govern the city by proclamation, upon making a determination that a time of emergency or public danger exists. Within the city limits, the mayor has all the powers conferred upon the sheriff to suppress disorders.

3. The mayor pro tem is vice president of the council. When the mayor is absent or unable to act, the mayor pro tem shall perform the mayor's duties, except that the mayor pro tem may not appoint, employ, or discharge officers or employees without the approval of the council. §372.14 The mayor.
372.15 Removal of appointees.

The order shall give the reasons, be filed in the office of the city clerk, and a copy shall be sent by certified mail to the person removed who, upon request filed with the clerk within thirty days of the date of mailing the copy, shall be granted a public hearing before the council on all issues connected with the removal. The hearing shall be held within thirty days of the date the request is filed, unless the person removed requests a later date. [C77, 79, 81, §372.15]

CHAPTER 376
CITY ELECTIONS

376.1 City election held.
A city shall hold a regular city election on the first Tuesday after the first Monday in November of each odd-numbered year. A city shall hold regular, special, primary, or runoff city elections as provided by state law.

The mayor or council shall give notice of any special election to the county commissioner of elections. The county commissioner of elections shall publish notice of any city election and conduct the election pursuant to the provisions of chapter 39 to 53, except as otherwise specifically provided in chapters 362 to 392. The results of any election shall be canvassed by the county board of supervisors and certified by the county commissioner of elections to the mayor and the council of the city for which the election is held.

[R60, §1130; C73, §501; C97, §642, 936; S13, §646, 1056-a20, -a21; SS15, §1056-b5, -b6; C24, 27, 31, 35, 39, §5627, 6488, 6494, 6507, 6514, 6643, 6644, 6737; C46, 50, §363.5, 416.12, 416.18, 416.31, 416.38, 419.29, 419.30; C54, 58, 62, 66, 71, 73, §363.8, 363.20, 363.24, 363.26; C75, 77, 79, 81, §376.1]

376.2 Terms.
Terms of city officers begin and end at noon on the first day in January which is not a Sunday or legal holiday, following a regular city election.

Except as otherwise provided by state law or the city charter, terms for elective offices are two years. However, the term of an elective office may be changed to two or four years by petition and election. Upon receipt of a valid petition as defined in section 362.4, requesting that the term of an elective office be changed, the council shall submit the question at a special election to be held within sixty days. If a majority of the persons voting at the special election approves the changed term, it becomes effective at the beginning of the term following the next regular city election. If a majority does not approve the changed term, the council shall submit the question at a special city election to be held within sixty days. If a majority of the persons voting at the special city election approves the changed term, it becomes effective at the beginning of the term following the next regular city election.

At the first regular city election after the terms of council members are changed to four years, terms shall be staggered as follows:

1. If an even number of council members are elected at large, the half of the elected council members who receive the highest number of votes are elected for four-year terms. The remainder are elected for two-year terms.

2. If an odd number of council members are elected at large, the majority of the elected council members who receive the highest number of votes are elected for four-year terms. The remainder are elected for two-year terms.

3. In case of a tie the mayor and clerk shall determine by lot which council members are elected for four-year terms.

4. If the council members are elected from wards, the council members elected from the odd-numbered wards are elected for four-year terms and the council members elected from the even-numbered wards are elected for two-year terms.

After July 1, 1986, a petition submitted under this section to change the term of council members from two to four years shall specify if the terms are to be staggered or run concurrently. If the petition provides for concurrent terms and the changed term is approved by the voters, unnumbered paragraph 3 of this section shall not apply and the terms shall be concurrent. If valid petitions for staggered and concurrent terms are submitted, the first filed shall govern.

376.3 Nominations.
Candidates for elective city offices must be nominated as provided in sections 376.4 to 376.9 unless by ordinance a city chooses the provisions of chapters 44 or 45. However, a city acting under a special charter in 1973 and having a population of over fifty thousand shall continue to hold partisan elections as provided in sections 43.112 to 43.118 and 420.126 to 420.137 unless the city by election as provided in section 43.112 chooses to conduct city elections under this chapter or chapter 44 or 45. The choice of one of these options by such a special charter city does not otherwise affect the validity of the city’s charter. However, special charter cities which choose to exercise the option to conduct nonpartisan city elections may choose in the
same manner the original decision was made, to resume holding city elections on a partisan basis.

376.4 Candidacy.

An eligible elector of a city may become a candidate for an elective city office by filing with the city clerk a valid petition requesting that the elector’s name be placed on the ballot for that office. The petition must be filed not more than seventy-two days nor less than forty-seven days before the date of the election, and must be signed by eligible electors equal in number to at least two percent of those who voted to fill the same office at the last regular city election, but not less than ten persons. Nomination petitions shall be filed not later than five o’clock p.m. on the last day for filing.

The petitioners for an individual seeking election from a ward must be residents of the ward at the time of signing the petition. An individual is not eligible for election from a ward unless the individual is a resident of the ward at the time the individual files the petition and at the time of election.

The petition must include the signature of the petitioners, a statement of their place of residence, and the date on which they signed the petition.

The petition must include the affidavit of at least one eligible elector other than the petitioners, stating the affiant’s knowledge, information, and belief as to the residence of the petitioners. The candidate for whom the petition is filed may sign the affidavit only if the candidate personally circulated the petition. If the affiant also signed the nomination petition, that signature shall not be counted toward the total required by this section.

The petition must include the affidavit of the individual for whom it is filed, stating the individual’s name, the individual’s residence, that the individual is a candidate and eligible for the office, and that if elected the individual will qualify for the office.

The city clerk shall accept the petition for filing if on its face it appears to have the requisite number of signatures and if it is timely filed.

The city clerk shall deliver all nomination petitions to the county commissioner of elections not later than five o’clock p.m. on the day following the last day on which nomination petitions can be filed. Any person on whose behalf nomination petitions have been filed under this section may withdraw as a candidate by filing a signed statement to that effect as prescribed in section 44.9.

376.5 Publication of ballot.

Notice containing a copy of the ballot for each regular, special, primary, or runoff city election must be published by the county commissioner of elections as provided in section 362.3, except that notice of a regular, primary, or runoff election may be published not less than four days before the date of the election. The published ballot must contain the names of all candidates, and may not contain any party designations. The published ballot must contain any question to be submitted to the voters.

[S13, §1056-a21; SS15, §1056-b4; C24, 27, 31, 35, 39, §6499, 6500, 6501, 6503, 6640; C46, 50, §416.23-416.25, 416.27, 419.26; C58, 62, 66, 71, 73, §363.19; C75, 77, 79, 81, §376.5]

376.6 When primary must be held.

An individual for whom a valid petition is filed becomes a candidate in the regular city election for the office for which the individual has filed, except that a primary election must be held for offices for which the number of individuals for whom valid petitions are filed is more than twice the number of positions to be filled. However:

1. The council may by ordinance choose to have a runoff election, as provided in section 376.9, in lieu of a primary election.

2. If the council has by ordinance chosen to have nominations made in the manner provided by chapter 44 or 45, neither a primary election nor a runoff election is required.

[S13, §1056-a21; SS15, §1056-b4; C24, 27, 31, 35, 39, §6492, 6510, 6638; C46, 50, §416.16, 416.34, 419.24; C54, 58, 62, 66, 71, 73, §363.16, 363.18; C75, 77, 79, 81, §376.6]

376.7 Date of primary.

If a primary election is necessary, it shall be held on the Tuesday four weeks before the date of the regular city election. The county board of supervisors shall publicly canvass the tally lists of the vote cast in the primary election, following the procedures prescribed in section 50.24, at a meeting to be held beginning at one o’clock in the afternoon on the second day following the primary election.

The names of those candidates who receive the highest number of votes for each office on the primary election ballot, to the extent of twice the number of unfilled positions, must be placed on the ballot for the regular city election as candidates for that office.

[S13, §1056-a21; SS15, §1056-b5; C24, 27, 31, 35, 39, §6493, 6507, 6643; C46, 50, §416.17, 416.31, 419.29; C54, 58, 62, 66, 71, 73, §363.17, 363.24; C75, 77, 79, 81, §376.7]

86 Acts, ch 1224, §36

376.8 Persons elected in city elections.

1. In a regular city election following a city primary, the candidates receiving the greatest number of votes cast for each office on the ballot are elected, to the extent necessary to fill the positions open.

2. In a regular city election held for a city where the council has chosen a runoff election in lieu of a primary, candidates are elected as provided by subsection 1, except that no candidate is elected who fails to receive a majority of the votes cast for the office in question. In the case of at-large elections to a multimember body, a majority is one vote more than half the quotient found by dividing the total number of votes cast for all candidates for that body by the number of positions to be filled.

3. In a regular city election held for a city where the council has chosen to have nominations made in
§376.8 710

the manner provided by chapter 44 or 45, the candidates who receive the greatest number of votes for each office on the ballot are elected, to the extent necessary to fill the positions open.

[S13, §1056-a21; SS15, §1056-b4; C24, 27, 31, 35, 39, §6492, 6638; C46, 50, §416.16, 419.24; C54, 58, 62, 66, 71, 73, §363.16; C75, 77, 79, 81, §376.8]

376.9 Runoff election.
A runoff election may be held only for positions unfilled because of failure of a sufficient number of candidates to receive a majority vote in the regular city election. When a council has chosen a runoff election in lieu of a primary, the county board of supervisors shall publicly canvass the tally lists of the vote cast in the regular city election, following the procedures prescribed in section 50.24, at a meeting to be held beginning at one o'clock in the afternoon on the second day following the regular city election. Candidates who do not receive a majority of the votes cast for an office, but who receive the highest number of votes cast for that office in the regular city election, to the extent of twice the number of unfilled positions, are candidates in the runoff election.
Runoff elections shall be held four weeks after the date of the regular city election and shall be conducted in the same manner as regular city elections.
Candidates in the runoff election who receive the highest number of votes cast for each office on the ballot are elected to the extent necessary to fill the positions open.

376.10 Contest.
A nomination or election to a city office may be contested in the manner provided in chapter 62 for contesting elections to county offices, except that a statement of intent to contest must be filed with the city clerk within ten days after the nomination or election. The mayor is presiding officer of the court for the trial of a nomination or election contest, except that if the mayor's nomination or election is contested, the council shall elect one of its members other than the mayor to serve as presiding officer.

376.11 Candidates nominated by write-in vote.
Any person nominated by a write-in vote in a city primary election, or in a regular city election in a city where the council has chosen a runoff election in lieu of a primary, shall execute an affidavit in substantially the form required by section 45.3 and file it with the county commissioner of elections or the city clerk not later than five o'clock p.m. of the day after the canvass of the primary or regular city election, as the case may be. If the person so nominated fails to complete and file the affidavit at the time required, the county commissioner of elections shall disregard the write-in votes cast for that person and proceed in accordance with the requirements of this chapter on the basis of the canvass of all other votes cast at the primary or regular city election.

An amendment to an ordinance or to a code of ordinances must specifically repeal the ordinance or code, or the section or subsection to be amended, and must set forth in full the ordinance, code, section or subsection as amended
[R60, §1122, C73, §489, C97, §681, C24, 27, 31, 35,
§380.3 Two considerations before final passage — how waived.

A proposed ordinance or amendment must be considered and voted on for passage at two council meetings prior to the meeting at which it is to be finally passed, unless this requirement is suspended by a recorded vote of not less than three-fourths of the council members.

However, if a summary of the proposed ordinance or amendment is published as provided in section 362.3, prior to its first consideration, and copies are available at the time of publication at the office of the city clerk, the ordinance or amendment must be considered and voted on for passage at one meeting prior to the meeting at which it is to be finally passed, unless this requirement is suspended by a recorded vote of not less than three-fourths of the council members.

[R60, §1122; C73, §489; C97, §682; C24, 27, 31, 35, 39, §5716; C46, 50, 54, 58, 62, 66, 71, 73, §366.3; C75, 77, 79, 81, §380.3]

§380.4 Majority requirement — tie vote.

Passage of an ordinance, amendment, or resolution requires an affirmative vote of not less than a majority of the council members, except when the mayor may vote to break a tie vote in a city with an even number of council members, as provided in section 372.4. A motion to spend public funds in excess of ten thousand dollars on any one project, or a motion to accept public improvements and facilities upon their completion, also requires an affirmative vote of not less than a majority of the council members. Each council member's vote on an ordinance, amendment, or resolution must be recorded.

§380.5 Mayor.

The mayor may sign, veto, or take no action on an ordinance, amendment, or resolution passed by the council. However, the mayor may not veto a measure if the mayor was entitled to vote on the measure at the time of passage.

§380.6 Effective date.

Measures passed by the council, other than motions, become effective in one of the following ways:

1. If the mayor signs the measure, a resolution becomes effective immediately upon signing and an ordinance or amendment becomes a law when published, unless a subsequent effective date is provided within the measure.

2. If the mayor vetoes the measure, the mayor shall explain the reasons for the veto in a message to the council at the time of the veto. Within thirty days after the mayor's veto, the council may pass the measure again by a vote of not less than two-thirds of the council members. If the mayor vetoes a measure and the council repasses the measure after the mayor's veto, a resolution becomes effective immediately upon repassage, and an ordinance or amendment becomes a law when published, unless a subsequent effective date is provided within the measure.

3. If the mayor takes no action on the measure, a resolution becomes effective fourteen days after the date of passage and an ordinance or amendment becomes a law when published, but not sooner than fourteen days after the date of passage, unless a subsequent effective date is provided within the measure.

2. Publish all ordinances and amendments in the manner provided in section 362.3.

3. Authenticate all measures except motions with the clerk's signature and certification as to time and manner of publication, if any. The clerk's certification is presumptive evidence of the facts stated therein.

4. Maintain for public use copies of all effective ordinances and codes.

§380.8 Code of ordinances published.

At least once every five years, a city shall compile a code of ordinances containing all of the city ordinances in effect, except grade ordinances, bond ordinances, zoning ordinances, and ordinances vacating streets and alleys.

If a proposed code of ordinances contains only existing ordinances edited and compiled without change in substance, the council may adopt the code by ordinance.

If a proposed code of ordinances contains a proposed new ordinance or amendment, the council shall hold a public hearing on the proposed code before adoption. The clerk shall publish notice of the hearing as provided in section 362.3. Copies of the proposed code of ordinances must be available at the city clerk's office and the notice must so state. Within thirty days after the hearing, the council may adopt the proposed code of ordinances which becomes law upon publication of the ordinance adopting it. If the council substantially amends the proposed code of ordinances after a hearing, notice and hearing must be repeated.

Ordinances and amendments which become effective after adoption of a code of ordinances may be compiled as supplements to the code, and upon adoption of the supplement by resolution, become part of the code of ordinances.

An adopted code of ordinances is presumptive evidence of the passage, publication, and content of the ordinances therein as of the date of the clerk's certifi-
cation of the ordinance adopting the code or supplement.

380.10 Adoption by reference.

A city may adopt the provisions of any statewide or nationally recognized standard code or portions of any such code by an ordinance which identifies the code by subject matter, source and date, and incorporates the provisions by reference without setting them forth in full. Such code or portion must be adopted only after notice and hearing in the manner provided in section 380.8.

The reimbursable training expenses include mileage, food, lodging, tuition, replacement of an officer while the officer is in training if the replacement officer is a temporary employee hired for that purpose only or is on overtime status, and salary costs of the officer while in training. The law enforcement training eligible for reimbursement is the minimum law enforcement officer training required under chapter 80B and, if funding is available, approved advanced law enforcement training. The committee shall adopt rules prescribing application forms, expense documentation, and procedures necessary to administer the reimbursement program.

a. The amount of reimbursement shall be determined as follows:

1. If a law enforcement officer resigns less than one year following completion of approved training, one hundred percent.

2. If a law enforcement officer resigns one year or more but less than two years after completion of approved training, seventy-five percent.

3. If a law enforcement officer resigns two years or more but less than three years after completion of the approved training, fifty percent.

4. If a law enforcement officer resigns three years or more but not more than four years after completion of the approved training, twenty-five percent.

b. A law enforcement training reimbursement fund is created in the state treasury. The proceeds of the fund shall be used by the committee to reimburse cities or counties for eligible law enforcement training expenses incurred as provided in this subsection. If the proceeds of the fund are insufficient to reimburse the total amount of all claims made during a fiscal year, the reimbursements shall be prorated. Any unencumbered or unobligated money remaining in the fund on June 30 of each fiscal year shall revert to the general fund of the state.

384.16 City budget.
Annually, a city shall prepare and adopt a budget, and shall certify taxes as follows:

1. A budget must be prepared for at least the following fiscal year. When required by rules of the committee, a tentative budget must be prepared for one or two ensuing years. A proposed budget must show estimates of the following:

   a. Expenditures for each program.

   b. Income from sources other than property taxation.

   c. Amount to be raised by property taxation, and the property tax rate expressed in dollars per one thousand dollars assessed valuation.

   A budget must show comparisons between the estimated expenditures in each program in the following year and the actual expenditures in each program during the two preceding years. Wherever practicable, as provided in rules of the committee, a budget must show comparisons between the levels of service provided by each program as estimated for the following year, and actual levels of service provided by each program during the two preceding years.

2. Not less than twenty days before the date that a budget must be certified to the county auditor and not less than ten days before the date set for the hearing, the clerk shall make available a sufficient number of copies of the detailed budget to meet the requests of taxpayers and organizations, and have them available for distribution at the offices of the mayor and

clerk and at the city library, if any, or have a copy posted at one of the three places designated by ordinance for posting notices if there is no library.

3. The council shall set a time and place for public hearing on the budget before the final certification date and shall publish notice before the hearing as provided in section 362.3. A summary of the proposed budget shall be included in the notice. Proof of publication must be filed with the county auditor.

4. At the hearing, any resident or taxpayer of the city may present to the council objections to any part of the budget for the following fiscal year or arguments in favor of any part of the budget.

5. After the hearing, the council shall adopt by resolution a budget for at least the next fiscal year, and the clerk shall certify the necessary tax levy for the next fiscal year to the county auditor and the county board of supervisors. The tax levy certified may be less than but not more than the amount estimated in the proposed budget submitted at the final hearing, unless an additional tax levy is approved at a city election. Two copies each of the detailed budget as adopted and of the tax certificate must be transmitted to the county auditor, who shall complete the certificates and transmit a copy of each to the department of management.

384.17 Levy by county.

At the time required by law, the county board of supervisors shall levy the taxes necessary for each city fund for the following fiscal year. The levy must be as shown in the adopted city budget and as certified by the clerk, subject to any changes made after a protest hearing, and any additional tax rates approved at a city election. A city levy is not valid until proof of publication or posting of notice of a budget hearing is filed with the county auditor.

384.18 Budget amendment.

A city budget as finally adopted for the following fiscal year becomes effective July 1 and constitutes the city appropriation for each program and purpose specified therein until amended as provided in this section. A city budget for the current fiscal year may be amended for any of the following purposes:

1. To permit the appropriation and expenditure of unexpended, unencumbered cash balances on hand at the end of the preceding fiscal year which had not been anticipated in the budget.

2. To permit the appropriation and expenditure of amounts anticipated to be available from sources other than property taxation, and which had not been anticipated in the budget.

3. To permit transfers from the debt service fund, the capital improvements reserve fund, the emergency fund, or other funds established by state law, to any other city fund, unless specifically prohibited by state law.

4. To permit transfers between programs within the general fund.

A budget amendment must be prepared and adopted in the same manner as the original budget, as provided in section 384.16, and is subject to protest as provided in section 384.19, except that the committee may by rule provide that amendments of certain types or up to certain amounts may be made without public hearing and without being subject to protest. A city budget shall be amended by May 31 of the current fiscal year to allow time for a protest hearing to be held and a decision rendered before June 30. The amendment of a budget after May 31, which is properly appealed but without adequate time for hearing and decision before June 30 is void.

384.19 Written protest.

Within a period of ten days after the final date that a budget or amended budget may be certified to the county auditor, persons affected by the budget may file a written protest with the county auditor, specifying their objections to the budget or any part of it. A protest must be signed by qualified electors equal in number to one-fourth of one percent of the votes cast for governor in the last preceding general election in the city, but the number shall not be less than ten persons and the number need not be more than one hundred persons.

Upon the filing of any such protest, the county auditor shall immediately prepare a true and complete copy of the written protest, together with the budget to which the objections are made, and shall transmit the same forthwith to the state appeal board, and shall also send a copy of the protest to the council.

The state appeal board shall proceed to consider the protest in accordance with the same provisions that protests to budgets of municipalities are considered under chapter 24. The state appeal board shall certify its decision with respect to the protest to the county auditor and to the parties to the appeal as provided by rule, and the decision shall be final.

The county auditor shall make up the records in accordance with the decision and the levying board shall make its levy in accordance with the decision. Upon receipt of the decision the council shall correct its records accordingly, if necessary.
