507.3 Conduct of examinations.

1. Upon determining that an examination should be conducted, the commissioner or the commissioner’s designee may appoint one or more examiners to perform the examination and instruct them as to the scope of the examination. In conducting the examination, the examiner shall observe those guidelines and procedures set forth in the examiners’ handbook adopted by the national association of insurance commissioners. The commissioner may also employ other guidelines as the commissioner deems appropriate.

2. A company or person from whom information is sought and its officers, directors, and agents shall provide to the examiners appointed under this section, timely, convenient, and free access at all reasonable hours at its offices to all books, records, accounts, papers, documents, and any or all computer or other recordings relating to the property, assets, business, and affairs of the company being examined. The officers, directors, employees, and agents of the company or person shall facilitate the examination and aid in the examination so far as it is in their power to do so. The refusal of any company, by its officers, directors, employees, or agents, to submit to examinations or to comply with any reasonable written request of the examiners is grounds for suspension or revocation of, or nonrenewal of, any license or authority held by the company to engage in the business of insurance or other business subject to the commissioner’s jurisdiction. Should a company decline or refuse to submit to an examination as provided in this chapter, the commissioner shall immediately revoke its certificate of authority, and if the company is organized under the laws of this state, the commissioner shall report the commissioner’s action to the attorney general, who shall immediately apply to the district court for the appointment of a receiver to administer the final affairs of the company.

3. The commissioner or any of the commissioner’s examiners may issue subpoenas, administer oaths, and examine under oath any person as to any matter pertinent to the examination. Upon the failure or refusal of any person to obey a subpoena, the commissioner may petition a court of competent jurisdiction, and upon proper showing, the court may enter an order compelling the witness to appear and testify or produce documentary evidence. Failure to obey the court order is punishable as contempt of court.

4. When making an examination under this chapter, the commissioner may retain attorneys, appraisers, independent actuaries, independent certified public accountants, or other professionals and specialists as examiners, the reasonable
cost of which shall be borne by the company which is the subject of the examination.

5. This chapter does not limit the commissioner’s authority to terminate or suspend any examination in order to pursue other legal or regulatory action pursuant to the insurance laws of this state. Findings of fact and conclusions made pursuant to any examination are deemed to be prima facie evidence in any legal or regulatory action.

2. The commissioner may, when in the commissioner’s judgment it is advisable, appoint assistants to aid in conducting examinations. The commissioner shall employ rates of compensation consistent with current standards in the industry for certified public accountants, attorneys, and skilled insurance examiners. 1. An examiner shall not be appointed by the commissioner if the examiner, either directly or indirectly, has a conflict of interest or is affiliated with the management of or owns a pecuniary interest in any person subject to examination under this chapter. Any such order is a final administrative decision and may be appealed pursuant to chapter 17A, and shall be served upon the company by certified mail, together with a copy of the adopted examination report. Within thirty days of the issuance of the adopted report, the company shall file affidavits executed by each of its directors stating under oath that they have received a copy of the adopted report and related orders.

Within twenty days of the conclusion of any such hearing, the commissioner shall enter an order pursuant to subsection 3, paragraph “a”.
   1. The commissioner shall not appoint an examiner as an authorized representative to conduct the hearing. The hearing shall proceed expeditiously with discovery by the company limited to the examiner's work papers which tend to substantiate any assertions set forth in any written submission or rebuttal. After the twenty-day period has elapsed, the commissioner may open the final report for public inspection so long as no court of competent jurisdiction has stayed its publication.

§507.18 Reserved.
beneficiaries under insurance contracts. The general assembly hereby declares that it is a subject of concern that many residents of this state hold policies of insurance issued by persons and insurers not authorized to do insurance business in this state, thus presenting to such residents the often insuperable obstacle of asserting their legal rights under such policies in forums foreign to them under laws and rules of practice with which they are not familiar. The general assembly further declares that it is also concerned with the protection of residents of this state against acts by persons and insurers not authorized to do an insurance business in this state, by the maintenance of fair and honest insurance markets, by protecting the premium tax revenues of this state, by protecting authorized persons and insurers which are subject to regulation from unfair competition by unauthorized persons and insurers, and by protecting against the evasion of the insurance regulatory laws of this state.

In furtherance of such state interest, the general assembly herein provides methods for substituted service of process upon such persons or insurers in any proceeding, suit or action in any court and substitute service of any notice, order, pleading, or process upon such persons or insurers in any proceeding before the commissioner of insurance to enforce or effect full compliance with the insurance and tax laws of this state. In so doing, the state exercises its powers to protect residents of this state and to define what constitutes doing an insurance business in this state, and also exercises powers and privileges available to this state by virtue of Pub. L. No. 79-15, 79th Congress of the United States, Ch. 20, 1st Sess., S. 340, 59 Stat. 33, codified at 15 U.S.C. § 1011 – 1015, which declares that the business of insurance and every person engaged therein shall be subject to the laws of the several states.

507A.8 Order by commissioner to produce contracts.

3. Every person who, for thirty days after receipt of written order pursuant to subsection 1 of this section, neglects to comply with the requirements of such order or who willfully makes a disclosure that is untrue, deceptive, or misleading shall forfeit fifty dollars. However, the person shall have at least thirty days from the date that the order is issued in order to file the request. Section 17A.18A is inapplicable to a summary order issued under this subsection. If a hearing is not timely requested, the summary order becomes final by operation of law. The order shall remain effective from the date of issuance until the date the order becomes final.
by operation of law or is overturned by a presiding officer or court following a request for hearing.

A person or insurer violating a summary order issued under this subsection shall be deemed in contempt of that order. The commissioner may petition the district court to enforce the order as certified by the commissioner. The district court shall find the person in contempt of the order if the court finds after hearing that the person or insurer is not in compliance with the order. The court may assess a civil penalty against the person or insurer and may issue further orders as it deems appropriate.

5. The commissioner may refer such evidence as is available concerning violations of this chapter or of any rule adopted or order issued under this chapter, or of the failure of a person to comply with the licensing requirements of chapter 522B, to the attorney general or the proper county attorney who may, with or without such reference, institute the appropriate criminal proceedings under this chapter.

6. This chapter does not limit the power of the state to punish any person for any conduct that constitutes a crime under any other statute.

507A.11 Reciprocal enforcement of court orders.

The attorney general upon request of the commissioner of insurance may proceed in the courts of this state or any reciprocal state to enforce an order or decision in any court proceeding or in any administrative proceeding before the commissioner of insurance.

1. As used in this section, unless the context otherwise requires:
   a. "Reciprocal state" means any state or territory of the United States the laws of which contain procedures substantially similar to those specified in this section for the enforcement of decrees or orders in equity issued by courts located in other states or territories of the United States, against any insurer incorporated or authorized to do business in said state or territory.
   b. "Foreign decree" means any decree or order in equity of a court located in a reciprocal state, including a court of the United States located therein, against any insurer incorporated or authorized to do business in this state.
   c. "Qualified party" means a state regulatory agency acting in its capacity to enforce the insurance laws of its state.

2. The commissioner of insurance shall determine which states and territories qualify as reciprocal states and shall maintain at all times an up-to-date list of such states.

3. A copy of any foreign decree authenticated in accordance with the statutes of this state may be filed in the office of the clerk of any district court of this state. The clerk, upon verifying with the insurance commissioner that the decree or order qualifies as a foreign decree, shall treat the foreign decree in the same manner as a decree of a district court of this state. A foreign decree so filed has the same effect and shall be deemed as a decree of a district court of this state, and is subject to the same procedures, defenses and proceedings for reopening, vacating, or staying as a decree of a district court of this state and may be enforced or satisfied in like manner.

4. a. At the time of the filing of the foreign decree, the attorney general shall make and file with the clerk of the court an affidavit setting forth the name and last known post office address of the defendant.
   b. Promptly upon the filing of the foreign decree and the affidavit, the clerk shall mail notice of the filing of the foreign decree to the defendant at the address given and to the insurance commissioner of this state and shall make a note of the mailing in the docket. In addition, the attorney general may mail a notice of the filing of the foreign decree to the defendant and to the insurance commissioner of this state and may file proof of mailing with the clerk. Lack of mailing notice of filing by the clerk shall not affect the enforcement proceedings if proof of mailing by the attorney general has been filed.
   c. No execution or other process for enforcement of a foreign decree filed under this section shall issue until thirty days after the date the decree is filed.

5. a. If the defendant shows the district court that an appeal from the foreign decree is pending or will be taken, or that a stay of execution has been granted, the court shall stay enforcement of the foreign decree until the appeal is concluded, the time for appeal expires, or the stay of execution expires or is vacated, upon proof that the defendant has furnished the security for the satisfaction of the decree required by the state in which it was rendered.
   b. If the defendant shows the district court any ground upon which enforcement of a decree of any district court of this state would be stayed, the court shall stay enforcement of the foreign decree for an appropriate period, upon requiring the
same security for satisfaction of the decree which is required in this state.

6. Any person filing a foreign decree shall pay to the clerk of court twenty-five dollars. Fees for docketing, transcription or other enforcement proceedings shall be as provided for decrees of the district court.

   c. Making or permitting any discrimination in the sale of insurance solely on the basis of domestic abuse as defined in section 236.2.

      (2) In the case of life insurance policies issued on the industrial debit plan, making allowance to policyholders who have continuously for a specified period made premium payments directly to an office of the insurer in an amount which fairly represents the saving in collection expenses.
      (3) Readjustment of the rate of premium for a group insurance policy based on the loss or expense experienced thereunder, at the end of the first or any subsequent policy year of insurance thereunder, which may be made retroactive only for such policy year.
   c. An insured named in a policy, or an employee of the insured, shall not knowingly receive or accept, directly or indirectly, any rebate, discount, abatement, credit, or reduction of premium, or any such special favor or advantage or valuable consideration or inducement.
   d. This paragraph "c" shall not be construed to prohibit the payment of commissions or other compensation to duly licensed producers, or to prohibit any insurer from allowing or returning to its participating policyholders, members, or subscribers, dividends, savings, or unabsorbed premium deposits.    b. Failure to respond to inquiries from the commissioner pursuant to this subsection with such frequency as to indicate a general business practice shall subject the person to penalty under this chapter.
   2. a. 507B.5 Favored agent or insurer — coercion of debtors.

1. No person may do any of the following:
   a. Require, as a condition precedent to the lending of money or extension of credit, or any renewal thereof, that the person to whom such money or credit is extended or whose obligation the creditor is to acquire or finance, negotiate any policy or contract of insurance through a particular insurer or group of insurers or agent or broker or group of agents or brokers.
   b. Unreasonably disapprove the insurance policy provided by a borrower for the protection of the property securing the credit or lien.

   d. Use or disclose information resulting from a requirement that a borrower, mortgagor or purchaser furnish insurance of any kind on real property being conveyed or used as collateral security to a loan, when such information is to the advantage of the mortgagor, vendor, or lender, or is to the detriment of the borrower, mortgagor, purchaser, insurer, or the agent or broker complying with such a requirement.

2. Subsection 1, paragraph “c” of this section does not include the interest which may be charged on premium loans or premium advancements in accordance with the security instrument.

3. For purposes of subsection 1, paragraph “b”
of this section, such disapproval shall be deemed unreasonable if it is not based solely on reasonable standards uniformly applied, relating to the extent of coverage required and the financial soundness and the services of an insurer. Such standards shall not discriminate against any particular type of insurer, nor shall such standards call for the disapproval of an insurance policy because such policy contains coverage in addition to that required.

4. If a violation of this section is found, the person in violation shall be subject to the same procedures and penalties as are applicable to other provisions of this chapter.

5. For purposes of this section, “person” includes any individual, corporation, association, partnership, receiver legal entity.

Whenever the commissioner believes that any person has been engaged or is engaging in this state in any unfair method of competition or any unfair or deceptive act or practice whether or not defined in section 507B.4, 507B.4A, or 507B.5 and that a proceeding by the commissioner in respect to such method of competition or unfair or deceptive act or practice would be in the public interest, the commissioner shall issue and serve upon such person a statement of the charges in that respect and a notice of a hearing on such charges to be held at a time and place fixed in the notice, which shall not be less than ten days after the date of the service of such notice.

2.    i. Write new or renewal business.

4. An insurer subject to an order under this section shall comply with the lawful requirements of the commissioner and, if placed under supervision, shall have sixty days from the date the supervision order is served within which to comply with the requirements of the commissioner. If the insurer fails to comply, the commissioner may institute proceedings under section 507C.12 or 507C.17 to have a rehabilitator or liquidator appointed or extend the period of supervision.

5. The notice of hearing and any order issued pursuant to subsection 1 shall be served upon the insurer pursuant to chapter 17A. The notice of hearing shall state the time and place of hearing, and the conduct, condition or ground upon which the commissioner would base an order. Unless mutually agreed between the commissioner and the insurer, the hearing shall occur not less than ten days nor more than thirty days after notice is served and shall be either in Polk county or in some other place convenient to the parties to be designated by the commissioner. All hearings under subsection 1 shall be confidential unless the insurer requests a public hearing.

6. a. An insurer subject to an order under subsection 2 may request a hearing to review that order. The hearing shall be held as provided in subsection 5. The request for a hearing shall not stay the effect of the order.
   b. If the commissioner issues an order under subsection 2, the insurer may waive a commissioner’s hearing and apply for immediate judicial relief by means of any remedy afforded by law without first exhausting administrative remedies. Subsequent to a hearing, a party to the proceedings whose interests are substantially affected is entitled to judicial review of any order issued by the commissioner.

7. During the period of supervision the insurer may request the commissioner to review an action taken or proposed to be taken by the supervisor by specifying the reasons the action complained of is believed not to be in the best interest of the insurer.

8. If a person has violated a supervision order issued under this section which was in effect, the person is liable to pay a civil penalty imposed by the district court not to exceed ten thousand dollars.

9. The commissioner may apply for and any court of general jurisdiction may grant restraining orders, preliminary and permanent injunctions,
and other orders as necessary to enforce a supervision order.

84 Acts, ch 1175, §9

507C.10 Seizure order.
1. With respect to a domestic insurer the commissioner may file in the district court a petition alleging all of the following:
   a. That there exist grounds that would justify a court order for a formal delinquency proceeding against an insurer under this chapter.
   b. That the interests of policyholders, creditors, or the public will be endangered by delay.
   c. The contents of an order deemed necessary by the commissioner.

2. Upon a filing under subsection 1, the court may issue, ex parte and without a hearing, the requested order which shall direct the commissioner to take possession and control of all or a part of the property, books, accounts, documents, and other records of an insurer, and of the premises occupied by it for transaction of its business, and until further order of the court enjoin the insurer and its officers, managers, agents, and employees from disposing of the insurer’s property and from transacting of the insurer’s business, except with the written consent of the commissioner.

3. The court shall specify in the order the duration of the order. The duration shall be the time the court deems necessary for the commissioner to ascertain the condition of the insurer. Upon motion or on its own, the court may from time to time hold hearings as it deems desirable after notice as it deems appropriate, and may extend, shorten, or modify the terms of the seizure order. The court shall vacate the seizure order if the commissioner fails to commence a formal proceeding under this chapter after having had a reasonable opportunity to do so. An order of the court pursuant to a formal proceeding under this chapter shall automatically vacate the seizure order.

4. Entry of a seizure order under this section is not an anticipatory breach of a contract of the insurer.

5. An insurer subject to an ex parte order under this section may petition the court after the issuance of the order for a hearing and review of the order. The court shall hold the hearing and review not more than fifteen days after the request. A hearing under this subsection may be held privately in chambers. Upon request of the insurer the hearing shall be held privately in chambers.

6. If at any time after the issuance of an order under this section it appears to the court that a person whose interest is or will be substantially affected by the order did not appear at the hearing and has not been served, the court may order that notice be given. An order that notice be given shall not stay the effect of any order previously issued by the court.

84 Acts, ch 1175, §10

507C.11 Confidentiality of hearings.
Notwithstanding chapter 22, in all administrative proceedings pursuant to sections 507C.9 and 507C.10 all orders, records, and documents pertaining to or a part of the record of the proceedings are confidential except as is necessary to obtain compliance with a proceeding. However, the records may be released if either of the following occurs:

1. The insurer requests that the records be made public.

2. After a hearing on the issue with the parties to the proceeding, the court orders that the records be made public. Until such court order, the clerk of court shall hold all papers filed in a confidential file.

DIVISION III
FORMAL PROCEEDINGS

507C.12 Grounds for rehabilitation.
The commissioner may petition the district court for an order to rehabilitate a domestic insurer or an alien insurer domiciled in this state on any of the following grounds:

1. The insurer is in a condition that the further transaction of business would be financially hazardous to its policyholders, creditors, or the public.

2. There is reasonable cause to believe that there has been embezzlement from the insurer, wrongful sequestration or diversion of the insurer’s assets, forgery or fraud affecting the insurer, or other illegal conduct in, by, or with respect to the insurer that, if established, would endanger assets in an amount threatening the solvency of the insurer.

3. The insurer has failed to remove a person, whether an officer, manager, general agent, employee, or other person, who in fact has executive authority in the insurer, if the person has been found after notice and hearing by the commissioner to be dishonest or untrustworthy in a way affecting the insurer’s business.

4. Control of the insurer is in a person or persons found after notice and hearing to be untrustworthy. Control may be by stock ownership or by other means and may be direct or indirect.

5. A person who in fact has executive authority in the insurer, whether an officer, manager, general agent, director or trustee, employee, or other person has refused to be examined under oath by the commissioner concerning the insurer’s affairs, in this state or elsewhere, and after reasonable notice of the fact the insurer has failed promptly and effectively to terminate the employment and status of the person and all the person’s influence on management.

6. After demand by the commissioner under chapter 507 or under this chapter, the insurer has
failed to promptly make available for examination and of its property, books, accounts, documents, or other records, or those of a subsidiary or related company within the control of the insurer, or those of a person having executive authority in the insurer so far as they pertain to the insurer.

7. Without first obtaining the written consent of the commissioner, the insurer has transferred, or attempted to transfer, in a manner contrary to chapter 521 or 521A, substantially its entire property or business, or has entered into a transaction the effect of which is to merge, consolidate, or re-insure substantially its entire property or business in or with the property or business of any other person.

8. The insurer or its property has been or is the subject of an application for the appointment of a receiver, trustee, custodian, conservator or sequestrator or similar fiduciary of the insurer of its property other than as authorized under the insurance laws of this state, and the appointment has been made or is imminent, and the appointment might oust the court of this state of jurisdiction or might prejudice orderly delinquency proceedings under this chapter.

9. Within the previous three years the insurer has willfully violated its charter or articles of incorporation, its bylaws, an insurance law of this state, or a valid order of the commissioner under section 507C.9.

10. The insurer has failed to pay within sixty days after the due date an obligation to a state or any subdivision of a state or a judgment entered in a state, if the court in which the judgment was entered had jurisdiction over the subject matter. However, nonpayment shall not be a ground until sixty days after a good faith effort by the insurer to contest the obligation has been terminated whether the effort is before the commissioner or in the courts, or the insurer has systematically attempted to compromise or renegotiate previously agreed settlements with its creditors on the ground that it is financially unable to pay its obligations in full.

11. The insurer has failed to file its annual report or other financial report required within the time allowed and, after written demand by the commissioner, has failed to immediately give an adequate explanation.

12. The board of directors or the holders of a majority of the shares entitled to vote, or a majority of those individuals entitled to the control of those entities request or consent to rehabilitation under this chapter.

If the petition alleges that extraordinary circumstances exist and that there is imminent substantial risk to the insurer’s solvency if the insurer is not immediately placed into rehabilitation, the court may issue, ex parte and without a hearing, the requested order of rehabilitation. An insurer subject to an ex parte order under this section may petition the court after the issuance of the order for a hearing and review of the order. The court shall hold the hearing and review not more than fifteen days after the request. A hearing under this section may be held privately in chambers. Upon the request of the insurer, the hearing shall be held privately in chambers.

84 Acts, ch 1175, §12; 91 Acts, ch 26, §35

507C.13 Rehabilitation orders.

1. An order to rehabilitate the business of a domestic insurer or an alien insurer domiciled in this state shall appoint the commissioner as the rehabilitator. The order shall direct the rehabilitator to take possession of the assets of the insurer, and to administer them under the general supervision of the court. The filing or recording of the order with the clerk of the district court or recorder of deeds of the county in which the principal business of the insurer is conducted, or the county in which its principal office or place of business is located, is the same notice as a deed, bill of sale, or other evidence of title duly filed or recorded with that recorder of deeds. The order to rehabilitate the insurer shall vest title to all assets of the insurer in the rehabilitator.

2. An order issued under this section requires accounting to the court by the rehabilitator. Accountings shall be at intervals the court specifies in the order. Each accounting must include a report concerning the rehabilitator’s opinion as to whether a plan pursuant to section 507C.14, subsection 4, will be prepared. If the rehabilitator includes in any accounting that such a plan is likely, the accounting shall also include a proposed timetable for the preparation and implementation of the plan.

3. Entry of an order of rehabilitation is not an anticipatory breach of a contract of the insurer.

84 Acts, ch 1175, §13; 92 Acts, ch 1117, §15

507C.14 Powers and duties of the rehabilitator.

1. The commissioner as rehabilitator may appoint one or more special deputies. The special deputies shall have the powers and responsibilities of the rehabilitator granted under this section. The commissioner may employ counsel, clerks, and assistants as necessary. The compensation of the special deputy, counsel, clerks, and assistants and all expenses of taking possession of the insurer and of conducting the proceedings shall be fixed by the commissioner with the approval of the court and shall be paid out of the funds or assets of the insurer. The persons appointed under this section shall serve at the pleasure of the commissioner. If the property of the insurer does not contain sufficient cash or liquid assets to defray the costs incurred, the commissioner may advance the costs so incurred out of any appropriation for the maintenance of the division. Amounts so advanced for expenses of administration shall be repaid to the commissioner.
for the use of the division out of the first available money of the insurer.

2. The rehabilitator may take action as the rehabilitator deems necessary or appropriate to reform and revitalize the insurer. The rehabilitator shall have the powers of the directors, officers, and managers of the insurer, whose authority shall be suspended, except as the powers are redelegated by the rehabilitator. The rehabilitator shall have power to direct and manage, to hire and discharge employees subject to contract rights the employees may have, and to deal with the property and business of the insurer.

3. If it appears to the rehabilitator that there has been criminal or tortious conduct, or breach of a contractual or fiduciary obligation by any person dealing tangible to the insurer, the rehabilitator may pursue appropriate legal remedies on behalf of the insurer.

4. If the rehabilitator determines that reorganization, consolidation, conversion, reinsurance, merger, or other transformation of the insurer is appropriate, the rehabilitator shall prepare a plan to effect the changes. Upon application of the rehabilitator for approval of the plan, and after notice and hearings as the court may prescribe, the court may either approve, disapprove or modify the plan proposed. Before approving a plan, the court shall find that it is fair and equitable to all parties concerned. If the plan is approved, the rehabilitator shall carry out the plan. In the case of a life insurer, if all rights of shareholders are first relinquished, the plan proposed may include the imposition of liens upon the policies of the company. A plan for a life insurer may also propose imposition of a moratorium upon loan and cash surrender rights under policies.

5. The rehabilitator shall have the power under sections 507C.26 and 507C.27 to avoid fraudulent transfers.

§507C.15 Actions by and against rehabilitator.

1. A court in this state, before which an action or proceeding in which the insurer is a party or is obligated to defend a party is pending when a rehabilitation order against the insurer is entered, shall stay the action or proceeding for ninety days and any additional time as necessary for the rehabilitator to obtain proper representation and prepare for further proceedings. The rehabilitator shall take action respecting the pending litigation as necessary in the interests of justice and for the protection of creditors, policyholders, and the public. The rehabilitator shall immediately consider all litigation pending outside this state and shall petition the courts having jurisdiction over that litigation for stays whenever necessary to protect the estate of the insurer.

2. A statute of limitations or defense of laches shall not run in an action by or against an insurer between the filing of a petition for appointment of a rehabilitator for that insurer and the order granting or denying that petition. An action by or against the insurer that might have been commenced when the petition was filed may be commenced for at least sixty days after the order of rehabilitation is entered or the petition is denied. The rehabilitator, upon the issuance of an order for rehabilitation pursuant to section 507C.13, may institute an action or proceeding on behalf of the insurer based upon a cause of action for which the period of limitation has not expired at the time of the filing of the petition for an order to rehabilitate. The action or proceeding by the rehabilitator may be instituted within one year or a longer period if provided by applicable law, of the issuance of the order for rehabilitation.

3. A guaranty association or foreign guaranty association covering life or health insurance or annuities shall have standing to appear in a court proceeding concerning the rehabilitation of a life or health insurer if the association is or may become liable to act as a result of the rehabilitation.

§507C.16 Termination of rehabilitation.

1. Whenever the commissioner determines that further attempts to rehabilitate an insurer would substantially increase the risk of loss to creditors, policyholders, or the public, or would be futile, the commissioner may petition the district court for an order of liquidation. A petition under this subsection shall have the same effect as a petition under section 507C.17. The court shall permit the directors of the insurer to take actions as are reasonably necessary to defend against the petition and may order payment from the estate of the insurer of costs and other expenses of defense as justice may require.

2. The rehabilitator may at any time petition the district court for an order terminating rehabilitation of an insurer. The directors of the insurer may petition the court for an order terminating rehabilitation of the insurer and the court may order payment from the estate of the insurer of costs and other expenses of the petition as justice may require. If the court finds that rehabilitation has been accomplished and that grounds for rehabilitation under section 507C.12 no longer exist, it shall order that the insurer be restored to possession of its property and the control of its business. The court may also terminate the rehabilitation at any time upon its own motion.

3. If the payment of obligations pursuant to a policy issued by the insurer is suspended in substantial part for a period of six months at any time after the appointment of the rehabilitator, and the rehabilitator has not filed an application for a plan pursuant to section 507C.14, subsection 4, the re-
habilitator shall petition the court for an order of liquidation on grounds of insolvency.

Section 507C.17 Grounds for liquidation.

The commissioner may petition the district court for an order directing the commissioner to liquidate a domestic insurer or an alien insurer domiciled in this state on any of the following grounds:

1. Any ground for an order of rehabilitation specified in section 507C.12 whether or not there has been a prior order directing the rehabilitation of the insurer.
2. That the insurer is insolvent.
3. That the insurer is in a condition that the further transaction of business would be hazardous, financially or otherwise, to its policyholders, its creditors, or the public.

Section 507C.18 Liquidation orders.

1. An order to liquidate the business of a domestic insurer shall appoint the commissioner as liquidator and shall direct the liquidator to immediately take possession of the assets of the insurer and to administer them under the general supervision of the court. The liquidator is vested with the title to the property, contracts, and rights of action and the books and records of the insurer ordered liquidated, wherever located, as of the entry of the final order of liquidation. The filing or recording of the order with the clerk of the court and the recorder of deeds of the county in which its principal office or place of business is located, or, in the case of real estate with the recorder of deeds of the county where the property is located, is notice as a deed, bill of sale, or other evidence of title duly filed or recorded with the recorder of deeds.

2. Upon issuance of the order, the rights and liabilities of an insurer and of its creditors, policyholders, shareholders, members, and other persons interested in its estate shall become fixed as of the date of entry of the order of liquidation, except as provided in sections 507C.19 and 507C.37.

3. An order to liquidate the business of an alien insurer domiciled in this state must be in the same terms and have the same legal effect as an order to liquidate a domestic insurer, except that the assets and the business in the United States shall be the only assets and business included in the order.

4. At the time of petitioning for an order of liquidation, or at any time thereafter, the commissioner, after making appropriate findings of an insurer’s insolvency, may petition the court for a declaration of insolvency. After providing notice and hearing as it deems proper, the court may make the declaration.

5. An order issued under this section shall require accounting to the court by the liquidator. Accounting, at a minimum, must include all funds received or disbursed by the liquidator during the current period. An accounting shall be filed within one year of the liquidation order and at such other times as the court may require.

6. a. Within five days of July 1, 1992, or, if later, within five days after the initiation of an appeal of an order of liquidation, which order has not been stayed, the commissioner shall present for the court’s approval a plan for the continued performance of the defendant company’s policy claims obligations, including the duty to defend insureds under liability insurance policies, during the pendency of an appeal. The plan shall provide for the continued performance and payment of policy claims obligations in the normal course of events, notwithstanding the grounds alleged in support of the order of liquidation including the ground of insolvent. If the defendant company’s financial condition will not, in the judgment of the commissioner, support the full performance of all policy claims obligations during the appeal pendency period, the plan may prefer the claims of certain policyholders and claimants over creditors and interested parties as well as other policyholders and claimants, as the commissioner finds to be fair and equitable considering the relative circumstances of such policyholders and claimants. The court shall examine the plan submitted by the commissioner and if it finds the plan to be in the best interests of the parties, the court shall approve the plan. No action shall lie against the commissioner or any of the commissioner’s deputies, agents, clerks, assistants, or attorneys by any party based on preference in an appeal pendency plan approved by the court.

b. The appeal pendency plan shall not supersede or affect the obligations of any insurance guaranty association.

c. Any such plans shall provide for equitable adjustments to be made by the liquidator to any distributions of assets to guaranty associations, in the event that the liquidator pays claims from assets of the estate, which would otherwise be the obligations of any particular guaranty association but for the appeal of the order of liquidation, such that all guaranty associations equally benefit on a pro rata basis from the assets of the estate. If an order of liquidation is set aside upon an appeal, the company shall not be released from delinquency proceedings unless and until all funds advanced by a guaranty association, including reasonable administrative expenses in connection therewith relating to obligations of the company, shall be repaid in full, together with interest at the judgment rate of interest, or unless an arrangement for repayment thereof has been made with the consent of all applicable guaranty associations.

507C.19 Continuance of coverage.
1. Except for life or health insurance or annuities, policies in effect at the time of issuance of an order of liquidation shall continue in force only for the lesser of:
   a. A period of thirty days from the date of entry of the liquidation orders.
   b. The expiration of the policy coverage.
   c. The date when the insured has replaced the insurance coverage with equivalent insurance in another insurer or otherwise terminated the policy.
   d. The liquidator has effected a transfer of the policy obligation pursuant to section 507C.21, subsection 1, paragraph “h”.
2. An order or liquidation under section 507C.18 shall terminate coverages at the time specified in subsection 1 for purposes of any other statute.
3. Policies of life or health insurance or annuities shall continue in force for the period and under terms as is provided for by any applicable guaranty association or foreign guaranty association.
4. Policies of life or health insurance or annuities or any period or coverage of the policies not covered by a guaranty association or foreign guaranty association shall terminate under subsections 1 and 2.
84 Acts, ch 1175, §19

507C.20A Redomestication of foreign insurer.
The commissioner may petition the court for an ancillary receivership or for an order redomesticating a foreign insurer which is the subject of a liquidation or other delinquency order in a reciprocal state. Only the corporate charter and rights to the licenses under such charter shall be redomesticated to Iowa. All claims against the foreign insurer shall remain a part of and be administered through the reciprocal state liquidation or other delinquency proceeding. Following notice as prescribed by the court and a hearing, the court may sell the corporation as an entity, together with any of its licenses, free and clear from the claims or interests of all claimants, creditors, policyholders, and stockholders of the corporation under liquidation or other delinquency proceedings, wherever located. The sale may be made on terms and conditions the court deems appropriate. The proceeds of the sale, less court costs, attorney fees, broker’s fees, and the commissioner’s expenses in effectuating the sale, shall become part of the assets of the liquidation or other estate in the reciprocal state.
91 Acts, ch 213, §2

507C.20 Dissolution or sale of insurer.
The commissioner may petition for an order dissolving the corporate existence of a domestic insurer or the United States branch of an alien insurer domiciled in this state at the time the commissioner applies for a liquidation order. The court shall order dissolution of the corporation upon petition by the commissioner upon or after the granting of a liquidation order. If the dissolution has not previously been ordered, it shall be effected by operation of law upon the discharge of the liquidator if the insurer is under a liquidation order for some other reason. Notwithstanding the above, upon application by the commissioner and following notice as prescribed by the court and a hearing, the court may sell the corporation as an entity, together with any of its licenses to do business, despite the entry of an order of liquidation. The sale may be made on terms and conditions the court deems appropriate. However, the order approving the sale shall provide that the proceeds of the sale shall become part of the assets of the liquidation estate, to be distributed in the manner set forth in section 507C.42, and that the corporate entity and its licenses shall thereafter be free and clear from the claims or interests of all claimants, creditors, policyholders, and stockholders of the corporation under liquidation.

84 Acts, ch 1175, §20; 87 Acts, ch 168, §1; 88 Acts, ch 1112, §502

507C.21 Powers of liquidator.
1. The liquidator may:
   a. Appoint a special deputy to act for the liquidator under this chapter, and determine the special deputy’s reasonable compensation. The special deputy shall have all powers of the liquidator granted by this section. The special deputy shall serve at the pleasure of the liquidator.
   b. Hire employees and agents, legal counsel, actuaries, accountants, appraisers, consultants, and other personnel as the commissioner may deem necessary to assist in the liquidation.
   c. With the approval of the court fix the reasonable compensation of employees and agents, legal counsel, actuaries, accountants, appraisers and consultants.
   d. Pay reasonable compensation to persons appointed and debar from the funds or assets of the insurer all expenses of taking possession of, conserving, conducting, liquidating, disposing of, or otherwise dealing with the business and property of the insurer. If the property of the insurer does not contain sufficient cash or liquid assets to defray the costs incurred, the commissioner may advance the costs so incurred out of an appropriation for the maintenance of the division. Amounts so advanced for expenses of administration shall be repaid to the commissioner for the use of the division out of the first available moneys of the insurer.
   e. Hold hearings, subpoena witnesses, and
compel their attendance, administer oaths, examine a person under oath, and compel a person to subscribe to the person’s testimony after it has been correctly reduced to writing, and in connection to the proceedings require the production of books, papers, records or other documents which the liquidator deems relevant to the inquiry.

f. Collect debts and moneys due and claims belonging to the insurer, wherever located. Pursuant to this paragraph, the liquidator may:
   (1) Institute timely action in other jurisdictions to forestall garnishment and attachment proceedings against debts.
   (2) Perform acts as are necessary or expedient to collect, conserve or protect its assets or property, including the power to sell, compound, compromise or assign debts for purposes of collection upon terms and conditions as the liquidator deems best.
   (3) Pursue any creditor’s remedies available to enforce claims.
   g. Conduct public and private sales of the property of the insurer.
   h. Use assets of the estate of an insurer under a liquidation order to transfer policy obligations to a solvent assuming insurer, if the transfer can be arranged without prejudice to applicable priorities under section 507C.42.
   i. Acquire, hypothecate, encumber, lease, improve, sell, transfer, abandon, or otherwise dispose of or deal with property of the insurer at its market value or upon terms and conditions as are fair and reasonable. The liquidator shall also have power to execute, acknowledge, and deliver deeds, assignments, releases and other instruments necessary to effectuate a sale of property or other transaction in connection with the liquidation.
   j. Borrow money on the security of the insurer’s assets or without security and execute and deliver documents necessary to that transaction for the purpose of facilitating the liquidation. Money borrowed pursuant to this paragraph shall be repaid as an administrative expense and have priority over any other class 1 claims under the priority of distribution established in section 507C.42.
   k. Enter into contracts as necessary to carry out the order to liquidate and affirm or disavow contracts to which the insurer is a party.
   l. Continue to prosecute and to institute in the name of the insurer or in the liquidator’s own name any and all suits and other legal proceedings, in this state or elsewhere, and to abandon the prosecution of claims the liquidator deems unprofitable to pursue further. If the insurer is dissolved under section 507C.20, the liquidator may apply to any court in this state or elsewhere for leave to substitute the liquidator for the insurer as plaintiff.
   m. Prosecute an action on behalf of the creditors, members, policyholders or shareholders of the insurer against an officer of the insurer, or any other person.

n. Remove records and property of the insurer to the offices of the commissioner or to other place as may be convenient for the purposes of efficient and orderly execution of the liquidation. A guaranty association or foreign guaranty association shall have reasonable access to the records of the insurer as necessary to carry out the guaranty’s statutory obligations.
   o. Deposit in one or more banks in this state sums as are required for meeting current administration expenses and dividend distributions.
   p. Unless the court orders otherwise, invest funds not currently needed.
   q. File necessary documents for record in the office of a recorder of deeds or record office in this state or elsewhere where property of the insurer is located.
   r. Assert defenses available to the insurer as against third persons including statutes of limitation, statutes of fraud, and the defense of usury. A waiver of a defense by the insurer after a petition in liquidation has been filed shall not bind the liquidator. If a guaranty association or foreign guaranty association has an obligation to defend a suit, the liquidator shall defer to the obligation and may defend only in the absence of a defense by the guaranty association.
   s. Exercise and enforce the rights, remedies, and powers of a creditor, shareholder, policyholder, or member, including the power to avoid a transfer or lien that may be given by the general law and that is not included with sections 507C.26 through 507C.28.
   t. Intervene in a proceeding wherever instituted that might lead to the appointment of a receiver or trustee, and act as the receiver or trustee whenever the appointment is offered.
   u. Enter into agreements with a receiver or commissioner of insurance of any other state relating to the rehabilitation, liquidation, conservation or dissolution of an insurer doing business in both states.
   v. Exercise powers now held or hereafter conferred upon receivers by the laws of this state not inconsistent with this chapter.

507C.22 Notice to creditors and others.

1. Unless the court otherwise directs, the liquidator shall give notice of the liquidation order as soon as possible by doing all of the following:
   a. By first class mail and either by telegram or telephone to the insurance commissioner of each
§507C.22, INSURERS SUPERVISION, REHABILITATION, AND LIQUIDATION

jurisdiction in which the insurer is doing business.

b. By first class mail to a guaranty association or foreign guaranty association which is or may become obligated as a result of the liquidation.

c. By first class mail to all insurance agents of the insurer.

d. By first class mail to all persons known or reasonably expected to have claims against the insurer, including policyholders, by mailing a notice to their last known address as indicated by the records of the insurer.

e. By publication in a newspaper of general circulation in the county in which the insurer has its principal place of business and in other locations as the liquidator deems appropriate.

2. Notice to potential claimants under subsection 1 shall require claimants to file with the liquidator their claims together with proper proofs of the claim under section 507C.36 on or before a date the liquidator shall specify in the notice. The liquidator need not require persons claiming cash surrender values or other investment values in life insurance and annuities to file a claim. Claimants shall keep the liquidator informed of changes of address.

3. a. Notice to agents of the insurer and potential claimants who are policyholders under subsection 1, where applicable, shall include notice that coverage by state guaranty associations may be available for all or part of policy benefits in accordance with applicable state guaranty laws.

b. The liquidator shall promptly provide to the guaranty associations such information concerning the identities and addresses of the policyholders and their policy coverages as may be within the liquidator’s possession or control, and otherwise cooperate with guaranty associations to assist them in providing to the policyholders timely notice of the guaranty associations’ coverage of policy benefits including, as applicable, coverage of claims and continuation or termination of coverage.

4. If notice is given pursuant to this section, the distribution of assets of the insurer under this chapter shall be conclusive with respect to claimants, whether or not a claimant actually received notice.

84 Acts, ch 1175, §22; 92 Acts, ch 1117, §22

§507C.23 Duties of agents.

1. A person, who receives notice in the form prescribed in section 507C.22 that an insurer which the person represents as an agent is the subject of a liquidation order, shall within fifteen days of the notice give notice to each policyholder or other person named in a policy issued through the agent by the insurer of the liquidation order. The notice shall be sent by first class mail to the last address contained in the agent’s records if the agent has a record of the address of the policyholder or other person. A policy is issued through an agent if the agent has a property interest in the expiration of the policy, or if the agent has had in the agent’s possession a copy of the declarations of the policy at any time during the life of the policy, except where the ownership of the expiration of the policy has been transferred to another. The written notice shall include the name and address of the insurer, the name and address of the agent, identification of the policy impaired and the nature of the impairment including termination of coverage, as described in section 507C.19. Notice by a general agent satisfies the notice requirement for an agent under contract to the general agent. An agent obligated to give notice under this section shall file a report of compliance with the liquidator.

2. An agent failing to provide information as required in subsection 1 may be subject to payment of a penalty of not more than one thousand dollars and may have the agent’s license suspended. The penalty is to be imposed only after a hearing held by the commissioner.

3. The liquidator may waive the duties imposed by this section if the liquidator determines that another notice to the policyholders of the insurer under liquidation is adequate.

§507C.24 Actions by and against liquidator.

1. After the issuance of an order appointing a liquidator of a domestic insurer or of an alien insurer domiciled in this state, action at law or equity shall not be brought against the insurer or liquidator in this state or elsewhere, nor shall existing actions be maintained or further presented after issuance of the order. The courts of this state shall give full faith and credit to injunctions against the liquidator or the insurer or the continuation of existing actions against the liquidator or the insurer, when the injunctions are included in an order to liquidate an insurer issued pursuant to corresponding provisions in other states. Whenever in the liquidator’s judgment, protection of the estate of the insurer necessitates intervention in an action against the insurer that is pending outside this state, the liquidator may intervene in the action. The liquidator may defend, at the expense of the estate of the insurer, an action in which the liquidator intervenes under this section.

2. Within two years or such additional time as applicable law may permit, the liquidator may, after the issuance of an order for liquidation, institute an action or proceeding on behalf of the estate of the insurer upon any cause of action against which the period of limitation fixed by applicable law has not expired at the time of the filing of the petition upon which the order is entered. If a period of limitation is fixed by agreement for instituting a suit or proceeding upon a claim, or for filing a claim, proof of claim, proof of loss, demand, notice, or the like, or if in a proceeding, judicial or
otherwise, a period of limitation is fixed in the proceeding or pursuant to applicable law for taking an action, filing a claim or pleading, or doing an act, and if the period had not expired at the date of the filing of the petition, the liquidator may, for the benefit of the estate, take any action or do any act, required of or permitted to the insurer, within a period of one hundred eighty days subsequent to the entry of an order for liquidation, or within a further period as is shown to the satisfaction of the court not to be unfairly prejudicial to the other party.

3. A statute of limitations or defense of laches shall not run with respect to an action against an insurer between the filing of a petition for liquidation against an insurer and the denial of the petition. An action against the insurer that might have been commenced when the petition was filed may be commenced for at least sixty days after the petition is denied.

4. A guaranty association or foreign guaranty association shall have standing to appear in a court proceeding concerning the liquidation of an insurer if the association is or may become liable to act as a result of the liquidation.

507C.25 Collection and list of assets.
1. As soon as practicable after the liquidation order but not later than one hundred twenty days thereafter, the liquidator shall prepare in duplicate a list of the insurer’s assets. The list shall be amended or supplemented as the liquidator may determine. One copy shall be filed in the office of the clerk of the court and one copy shall be retained for the liquidator’s files. Amendments and supplements shall be similarly filed.

2. The liquidator shall reduce the assets to a degree of liquidity that is consistent with the effective execution of the liquidation.

3. A submission to the court for disbursement of assets in accordance with section 507C.34 fulfills the requirements of subsection 1.

507C.26 Fraudulent transfers prior to petition.
1. A transfer made and an obligation incurred by an insurer within one year prior to the filing of a successful petition for rehabilitation or liquidation under this chapter is fraudulent as to then existing and future creditors if made or incurred without fair consideration, or with actual intent to hinder, delay, or defraud either existing or future creditors. A fraudulent transfer made or an obligation incurred by an insurer ordered to be rehabilitated or liquidated under this chapter may be avoided by the receiver, except as to a person who in good faith is a purchaser, lienor, or obligee for a present fair equivalent value. A purchaser, lienor, or obligee, who in good faith has given a consideration less than fair for such transfer, lien, or obligation, may retain the property, lien or obligation as security for repayment. The court may, on due notice, order any such transfer or obligation to be preserved for the benefit of the estate, and in that event, the receiver shall succeed to and may enforce the rights of the purchaser, lienor, or obligee.

2. a. A transfer of property other than real property is made when it becomes perfected so that a subsequent lien obtainable by legal or equitable proceedings on a simple contract could not become superior to the rights of the transferee under section 507C.28, subsection 3.

b. A transfer of real property is made when it becomes perfected so that a subsequent bona fide purchaser from the insurer could not obtain rights superior to the rights of the transferee.

c. A transfer which creates an equitable lien is not perfected if there are available means by which a legal lien could be created.

d. A transfer not perfected prior to the filing of a petition for liquidation shall be deemed to be made immediately before the filing of the successful petition.

e. This subsection applies whether or not there are or were creditors who might have obtained a lien or persons who might have become bona fide purchasers.

3. A transaction of the insurer with a reinsurer is fraudulent and may be avoided by the receiver under subsection 1 if both of the following exist:

a. The transaction consists of the termination, adjustment, or settlement of a reinsurance contract in which the reinsurer is released from any part of its duty to pay the originally specified share of losses that had occurred prior to the time of the transaction, unless the reinsurer gives a present fair equivalent value for the release.

b. Part of the transaction took place within one year prior to the date of filing of the petition through which the receivership was commenced.

c. A person receiving property from an insurer or any benefit from an insurer which is a fraudulent transfer under subsection 1 is personally liable for the property or benefit and shall account to the liquidator.

507C.27 Fraudulent transfer after petition.
1. After a petition for rehabilitation or liquidation has been filed a transfer of real property of the insurer made to a person acting in good faith is valid against the receiver if made for a present fair equivalent value. If the transfer was not made for a present fair equivalent value, then the transfer is valid to the extent of the present consideration actually paid for which amount the transferee shall have a lien on the property transferred. The commencement of a proceeding in rehabilitation or liquidation is constructive notice upon the re-
section shall have the burden of proof.

b. If acting in good faith, a person indebted to the insurer or holding property of the insurer may pay the debt or deliver the property, or any part thereof, to the insurer or upon the insurer’s order as if the petition were not pending.

c. A person having actual knowledge of the pending rehabilitation or liquidation is not acting in good faith.

d. A person asserting the validity of a transfer under this section shall have the burden of proof. Except as provided in this section, a transfer by or on behalf of the insurer after the date of the petition for liquidation by any person other than the liquidator shall not be valid against the liquidator.

3. A person receiving any property from the insurer or any benefit of the insurer which is a fraudulent transfer under subsection 1 is personally liable for the property or benefit and shall account to the liquidator.

4. This chapter shall not impair the negotiability of currency or negotiable instruments.

84 Acts, ch 1175, §27; 92 Acts, ch 1117, §25

507C.28 Voidable preferences and liens.

1. a. A preference is a transfer of the property of an insurer to or for the benefit of a creditor for an antecedent debt made or suffered by the insurer within one year before the filing of a successful petition for liquidation under this chapter, the effect of which transfer may be to enable the creditor to obtain a greater percentage of this debt than another creditor of the same class would receive. If a liquidation order is entered while the insurer is already subject to a rehabilitation order, then the transfers are preferences if made or suffered within one year before the filing of the successful petition for rehabilitation, or within two years before the filing of the successful petition for liquidation, whichever time is shorter.

b. A preference may be avoided by the liquidator if any of the following exist:

(1) The insurer was insolvent at the time of the transfer.

(2) The transfer was made within four months before the filing of the petition.

(3) At the time the transfer was made, the creditor receiving it or to be benefited by the transfer or the creditor’s agent acting with reference to the transfer had reasonable cause to believe that the insurer was insolvent or was about to become insolvent.

(4) The creditor receiving the transfer was an officer, or an employee, attorney or other person who was in fact in a position of comparable influence in the insurer to an officer whether or not the person held the position of an officer, or a shareholder directly or indirectly holding more than five per centum of a class of an equity security issued by the insurer, or other person, firm, corporation, association, or aggregation of persons with whom the insurer did not deal at arm’s length.

c. Where the preference is voidable, the liquidator may recover the property. If the property has been converted, the liquidator may recover its value from a person who has received or converted the property. However, if a bona fide purchaser or lienor has given less than fair equivalent value, the purchaser or lienor shall have a lien upon the property to the extent of the consideration actually paid for which amount the transferee shall have a lien on the property transferred.

d. A transfer of the property, other than real property, of the insurer made to a person acting in good faith is valid against the receiver if made for a present fair equivalent value. If the transfer was not made for a present fair equivalent value, then the transfer is valid to the extent of the present consideration actually paid for which amount the transferee shall have a lien on the property transferred.

2. a. A transfer of property other than real property is made when it becomes perfected so that a subsequent lien obtainable by legal or equitable proceedings on a simple contract could not become superior to the rights of the transferee.

b. A transfer of real property is made when it becomes perfected so that a subsequent bona fide purchaser from the insurer could not obtain rights superior to the rights of the transferee.

c. A transfer which creates an equitable lien is not perfected if there are available means by which a legal lien could be created.

d. A transfer not perfected prior to the filing of a petition for liquidation shall be deemed to be made immediately before the filing of the successful petition.

e. This subsection applies whether or not there are or were creditors who might have obtained liens or persons who might have become bona fide purchasers.

3. a. A lien obtainable by legal or equitable proceedings upon a simple contract is one arising in the ordinary course of the proceedings upon the entry or docketing of a judgment or decree, or upon
attachment, garnishment, execution, or like process, whether before, upon, or after judgment or decree and whether before or upon levy. It does not include liens which under applicable law are given a special priority over other liens which are prior in time.

b. A lien obtainable by legal or equitable proceedings could become superior to the rights of a transferee, or a purchaser could obtain rights superior to the rights of a transferee within the meaning of subsection 2, if such consequences would follow only from the lien or purchase itself, or from the lien or purchase followed by a step wholly within the control of the respective lienholder or purchaser, with or without the aid of ministerial action by public officials. However, a lien could not become superior and a purchase could not create superior rights for the purpose of subsection 2 through an act subsequent to the obtaining of a lien or subsequent to a purchase which requires the agreement or concurrence of any third party or which requires further judicial action or ruling.

4. A transfer of property for or on account of a new and contemporaneous consideration, which is under subsection 2 made or suffered after the transfer because of delay in perfecting it, does not become a transfer for or on account of an antecedent debt if any acts required by the applicable law to be performed in order to perfect the transfer as against liens or bona fide purchasers' rights are performed within twenty-one days or any period expressly allowed by the law, whichever is less. A transfer to secure a future loan, if a loan is actually made, or a transfer which becomes security for a future loan, shall have the same effect as a transfer for or on account of a new and contemporaneous consideration.

5. If a lien voidable under subsection 1, paragraph “b” has been dissolved by the furnishing of a bond or other obligation, the surety on which has been indemnified directly or indirectly by the transfer of or the creation of a lien upon property of an insurer before the filing of a petition under this chapter which results in a liquidation order, the indemnifying transfer or lien is also voidable.

6. The property affected by a lien voidable under subsections 1 and 5 is discharged from the lien. The property and any of the indemnifying property transferred to or for the benefit of a surety shall pass to the liquidator. However, the court may on due notice order a lien to be preserved for the benefit of the estate and the court may direct that the conveyance be executed to evidence the title of the liquidator.

7. The court shall have summary jurisdiction of a proceeding by the liquidator to hear and determine the rights of parties under this section. Reasonable notice of hearing in the proceeding shall be given to all parties in interest, including the obligee of a releasing bond or other like obligation. Where an order is entered for the recovery of indemnifying property in kind or for the avoidance of an indemnifying lien, upon application of any party in interest, the court shall in the same proceeding ascertain the value of the property or lien. If the value is less than the amount for which the property is indemnity or than the amount of the lien, the transferee or lienholder may elect to retain the property or lien upon payment of its value, as ascertained by the court, to the liquidator within time as the court shall fix.

8. The liability of a surety under a releasing bond or other like obligation shall be discharged to the extent of the value of the indemnifying property recovered or the indemnifying lien nullified and avoided by the liquidator. Where the property is retained under subsection 7, the liability of the surety shall be discharged to the extent of the amount paid to the liquidator.

9. If a creditor has been preferred for property which becomes a part of the insurer's estate, and afterward in good faith gives the insurer further credit without security of any kind, the amount of the new credit remaining unpaid at the time of the petition may be set off against the preference which would otherwise be recoverable from the creditor.

10. If within four months before the filing of a successful petition for liquidation under this chapter, or at any time in contemplation of a proceeding to liquidate an insurer directly or indirectly, pays money or transfers property to an attorney for services rendered or to be rendered, the transaction may be examined by the court on its own motion or shall be examined by the court on petition of the liquidator. The payment or transfer shall be held valid only to the extent of a reasonable amount to be determined by the court. The excess may be recovered by the liquidator for the benefit of the estate. However, where the attorney is in a position of influence in the insurer or an affiliate, payment of any money or the transfer of any property to the attorney for services rendered or to be rendered shall be governed by the provision of subsection 1, paragraph “b”, subparagraph (4).

11. a. An officer, manager, employee, shareholder, member, subscriber, attorney, or any other person acting on behalf of the insurer who knowingly participates in giving any preference when the person has reasonable cause to believe the insurer is or is about to become insolvent at the time of the preference is personally liable to the liquidator for the amount of the preference. There is an inference that reasonable cause exists if the transfer was made within four months before the date of filing of this successful petition for liquidation.

b. A person receiving property from the insurer or the benefit thereof as a preference voidable under subsection 1 is personally liable for the property and shall account to the liquidator.

c. This subsection shall not prejudice any other claim by the liquidator against any person.

84 Acts, ch 1175, §28
§507C.28A Qualified financial contracts.

1. Notwithstanding any other provision of this chapter to the contrary, including any other provision of this chapter permitting the modification of contracts, or other law of a state, a person shall not be stayed or prohibited from exercising any of the following:

a. A contractual right to terminate, liquidate, or close out any netting agreement or qualified financial contract with an insurer because of any of the following:

   (1) The insolvency, financial condition, or default of the insurer at any time, provided that the right is enforceable under applicable law other than this chapter.

   (2) The commencement of a formal delinquency proceeding under this chapter.

b. Any right under a pledge, security, collateral, or guarantee agreement or any other similar security arrangement or credit support document related to a netting agreement or qualified financial contract.

c. Subject to any provision of section 507C.30, subsection 2, any right to set off or net out any termination value, payment amount, or other transfer obligation arising under or in connection with a netting agreement or qualified financial contract where the counterparty or its guarantor is organized under the laws of the United States or a state or foreign jurisdiction approved by the securities valuation office or the national association of insurance commissioners as eligible for netting.

2. Upon termination of a netting agreement, the net or settlement amount, if any, owed by a nondefaulting party to an insurer against which the netting agreement or qualified financial contract was made with actual intent to hinder, delay, or defraud the insurer, a receiver appointed for the insurer, or existing or future creditors.

3. In making any transfer of a netting agreement or qualified financial contract of an insurer subject to a proceeding under this chapter, the receiver shall do either of the following:

a. Transfer to one party, other than an insurer subject to a proceeding under this chapter, all netting agreements and qualified financial contracts between a counterparty or any affiliate of the counterparty and the insurer that is the subject of the proceeding, including all of the following:

   (1) All rights and obligations of each party under each such netting agreement and qualified financial contract.

   (2) All property, including any guarantees or credit support documents, securing any claims of the counterparty or any affiliate of the counterparty.

b. Transfer none of the netting agreements, qualified financial contracts, rights, obligations, or property referred to in paragraph "a" with respect to the counterparty and any affiliate of the counterparty.

4. If a receiver for an insurer makes a transfer of one or more netting agreements or qualified financial contracts, the receiver shall use the receiver's best efforts to notify any person who is a party to the netting agreements or qualified financial contracts of the transfer by noon of the receiver's local time on the business day following the transfer. For purposes of this subsection, "business day" means a day other than a Saturday, Sunday, or any day on which either the New York stock exchange or the federal reserve bank of New York is closed.

5. Notwithstanding any other provision of this chapter to the contrary, a receiver shall not avoid a transfer of money or other property arising under or in connection with a netting agreement or qualified financial contract, or any pledge security, collateral, or guarantee agreement or any other similar security arrangement or credit support document relating to a netting agreement or qualified financial contract, that is made before the commencement of a formal delinquency proceeding under this chapter. However, a transfer may be avoided under section 507C.28 if the transfer was made with actual intent to hinder, delay, or defraud the insurer, a receiver appointed for the insurer, or existing or future creditors.

6. In exercising any of its powers under this chapter to disaffirm or repudiate a netting agreement or qualified financial contract, the receiver must take action with respect to each netting agreement or qualified financial contract and all transactions entered into in connection therewith, in its entirety. Notwithstanding any other provision of this chapter to the contrary, any claim of a counterparty against the estate arising from the receiver’s disaffirmance or repudiation of a netting agreement or qualified financial contract that has not been previously affirmed in the liquidation or in the immediately preceding rehabilitation case shall be determined and shall be allowed or disallowed as if the claim had arisen before the date of the filing of the petition for liquidation or, if a rehabilitation proceeding is converted to a liquidation proceeding, as if the claim had arisen before the date of filing the petition for rehabilitation. The amount of the claim shall be the actual direct compensatory damages determined as of
the date of the disaffirmance or repudiation of the netting agreement or qualified financial contract. The term “actual direct compensatory damages” does not include punitive or exemplary damages, damages for lost profit or lost opportunity, or damages for pain and suffering, but does include normal and reasonable costs of cover or other reasonable measures of damages utilized in the derivative market for the contract and agreement claims.

7. The term “contractual right” as used in this section includes any right, whether or not evidenced in writing, arising under statutory or common law, a rule or bylaw of a national securities exchange, national securities clearing organization or securities clearing agency, a rule or bylaw, or a resolution of the governing body of a contract market or its clearing organization, or under law merchant.

8. This section shall not apply to persons who are affiliates of the insurer that is the subject of the proceeding.

9. All rights of a counterparty under this chapter shall apply to netting agreements and qualified financial contracts entered into on behalf of the general account or separate accounts, provided that the assets of each separate account are available only to counterparties to netting agreements and qualified financial contracts entered into on behalf of that separate account.

2005 Acts, ch 70, §5

507C.29 Claims of holders of void or voidable rights.

1. A claim of a creditor who has received or acquired a preference, lien, conveyance, transfer, assignment, or encumbrance, voidable under this chapter shall not be allowed unless the creditor surrenders the preference, lien, conveyance, transfer, assignment, or encumbrance. If the avoidance is effected by a proceeding in which a final judgment has been entered, the claim shall not be allowed unless the money is paid or the property is delivered to the liquidator within thirty days from the date of the entering of the final judgment. However, the court having jurisdiction over the liquidation may allow further time if there is an appeal or other continuation of the proceeding.

2. A claim allowable under subsection 1 by reason of a voluntary or involuntary avoidance, preference, lien, conveyance, transfer, assignment, or encumbrance may be filed as an excused late filing under section 507C.35 if filed within thirty days from the date of the avoidance or within the further time allowed by the court under subsection 1.

507C.30 Setoffs.

1. Except as provided in subsection 2 and section 507C.33 mutual debts or mutual credits between the insurer and another person in connection with an action or proceeding under this chapter shall be set off and the balance only shall be allowed or paid.

2. a. A setoff shall not be allowed in favor of a person where any of the following are found:

(1) At the date of the filing of a petition for liquidation, the obligation of the insurer to the person would not entitle the person to share as a claimant in the assets of the insurer.

(2) The obligation of the insurer to the person was purchased by or transferred to the person with a view to its being used as a setoff.

(3) The obligation of the insurer is owed to the affiliate of such person, or any other entity or association other than the person.

(4) The obligation of the person is owed to the affiliate of the insurer, or any other entity or association other than the insurer.

(5) The obligation of the person is to pay an assessment levied against the members or subscribers of the insurer, or is to pay a balance upon a subscription to the capital stock of the insurer, or is in any other way in the nature of a capital contribution.

(6) The obligation of the person is to pay earned premiums to the insurer.

b. Nothing in paragraph “a”, however, restricts the right of a person to set off premium due to or from the insurer pursuant to a reinsurance contract.

507C.31 Assessments.

1. As soon as practicable but not more than two years from the date of an order of liquidation under section 507C.18 of an insurer issuing assessable policies, the liquidator shall make a report to the court setting forth all of the following:

a. The reasonable value of the assets of the insurer.

b. The insurer’s probable total liabilities.

c. The probable aggregate amount of the assessment necessary to pay claims of creditors and expenses in full, including expenses of administration and costs of collecting the assessment.

d. A recommendation as to whether an assessment should be made and, if so, in what amount.

2. a. Upon the basis of the report provided in subsection 1 and any supplement or amendment to the report, the court may levy one or more assessments against all members of the insurer who are subject to assessment.

b. Subject to any applicable legal limits on assessability, the aggregate assessment shall be for the amount that the sum of the probable liabilities, the expenses of administration, and the estimated cost of collection of the assessment, exceeds the value of existing assets. Due regard shall be given to assessments that cannot be collected economically.
3. After levy of assessment under subsection 2, the liquidator shall issue an order directing a member who has not paid the assessment pursuant to the order to show cause why the liquidator should not pursue a judgment for the assessment.

4. The liquidator shall give notice of the order to show cause by publication and by first class mail to a member liable under the order. The notice shall be mailed to the member's last known address as it appears on the insurer's records at least twenty days before the return day of the order to show cause.

5. a. If a member does not appear and serve duly verified objections upon the liquidator on or before the return day of the order to show cause under subsection 5, the court shall order the adjudging member to be liable for the amount of the assessment plus costs. The liquidator shall have a judgment against the member for the amount entered in the order.

b. If on or before the return day, the member appears and serves duly verified objections upon the liquidator, the commissioner may hear and determine the matter or may appoint a referee to hear it and make such order as the facts warrant. If the commissioner determines that the objections do not warrant relief from assessment, the member may request the court to review the matter and vacate the order to show cause.

6. The liquidator may enforce an order or collect a judgment under subsection 5 by any lawful means.

84 Acts, ch 1175, §31

507C.32 Reinsurer's liability.

Notwithstanding a provision in the reinsurance contract or other agreement, the amount recoverable by the liquidator from reinsurers shall not be reduced as a result of delinquency proceedings. Payment made directly to an insured or other creditor shall not diminish the reinsurer's obligation to the insurer's estate except when either of the following applies:

1. The contract or other written agreement specifically provides for another payee of the reinsurance in the event of the insolvency of the ceding insurer.

2. The assuming insurer, with the consent of the direct insured, has assumed the policy obligations of the ceding insurer as direct obligations of the assuming insurer to the payees under the policies and in substitution for the obligations of the ceding insurer to the payees.

84 Acts, ch 1175, §32; 98 Acts, ch 1057, §2

507C.33 Recovery of premiums owed.

1. a. An agent, broker, premium finance company or any other person responsible for the payment of a premium is obligated to pay an unpaid premium for the full policy term due the insurer at the time of the declaration of insolvency, whether earned or unearned, as shown on the records of the insurer. The liquidator shall also have the right to recover from the person any part of an unearned premium that represents commission of the person. Credits or setoffs or both shall not be allowed to an agent, broker, or premium finance company for amounts advanced to the insurer by the agent, broker, or premium finance company on behalf of, but in the absence of a payment by, the insured.

b. Notwithstanding paragraph “a”, the agent, broker, premium finance company, or other person, is not liable for uncollected unearned premium of the insurer. A presumption exists that the premium as shown on the books of the insurer is collected and the burden is upon the agent, broker, premium finance company, or other person to demonstrate by a preponderance of the evidence that the unearned premium was not actually collected. For purposes of this paragraph, “unearned premium” means that portion of an insurance premium covering the unexpired term of the policy or the unexpired period of the policy period.

c. An insured is obligated to pay an unpaid earned premium due the insurer as shown on the records of the insurer at the time of the declaration of insolvency.

2. Upon satisfactory evidence of a violation of this section, the commissioner may pursue either one or both of the following courses of action:

a. Suspend or revoke or refuse to renew the licenses of the offending party or parties.

b. Impose a penalty of not more than one thousand dollars for each act in violation of this section by the party or parties.

3. Before the commissioner shall take any action as set forth in subsection 2, the commissioner shall give written notice to the person, company, association, or exchange accused of violating the law, stating specifically the nature of the alleged violation, and fixing a time and place, at least ten days thereafter, when a hearing on the matter shall be held. After such hearing, or upon failure of the accused to appear at the hearing, if a violation is found the commissioner shall impose those penalties under subsection 2 as deemed advisable.

4. When the commissioner shall take action in any or all of the ways set out in subsection 2, the party aggrieved may appeal from the action to court.

84 Acts, ch 1175, §33; 91 Acts, ch 213, §3

507C.34 Domiciliary liquidator's proposal to distribute assets.

1. Within one hundred twenty days of a final determination of insolvency under this chapter as assets become available, the liquidator shall make application to the court for approval of a proposal to disburse assets out of marshaled assets to a guaranty association or foreign guaranty association having obligations because of the insolvent. An application and disbursement of assets shall be made from time to time as assets become avail-
able. If the liquidator determines that there are insufficient assets to disburse, the application required by this section shall be considered satisfied by a filing by the liquidator stating the reasons for this determination.

2. The proposal shall at least include provisions for all of the following:
   a. Reserving amounts for the payment of all the following:
      1. Expenses of administration.
      2. To the extent of the value of the security held, the payment of claims of secured creditors.
      3. Claims falling within the priorities established in section 507C.42, subsection 1.
   b. Disbursement of the assets marshaled to date and subsequent disbursement of assets as they become available.
   c. Equitable allocation of disbursements to each of the guaranty associations and foreign guaranty associations entitled to disbursements.
   d. The securing by the liquidator from each of the associations entitled to disbursements of an agreement to return to the liquidator the assets, together with income earned on assets previously disburshed, as may be required to pay claims of secured creditors and claims falling within the priorities established in section 507C.42 in accordance with the priorities. A bond shall not be required of an association.
   e. A full report to be made by each association to the liquidator accounting for assets so disbursed to the association, all disbursements made from the assets, interest earned by the association on the assets and any other matter as the court may direct.
   3. The liquidator’s proposal shall provide for disbursements to the associations in amounts estimated at least equal to the claim payments made or to be made for which the associations could assert a claim against the liquidator. The proposal shall provide that if the assets available for disbursement do not equal or exceed the amount of the claim payments made or to be made by the association then disbursements shall be in the amount of available assets.
   4. With respect to an insolvent insurer writing life or health insurance or annuities, the liquidator’s proposal shall provide for disbursements of assets to a guaranty association or a foreign guaranty association covering life or health insurance or annuities or to any other entity or organization reinsuring, assuming, or guaranteeing policies or contracts of insurance under the acts creating the associations.
   5. Notice of the application shall be given to the association in and to the commissioners of insurance of each of the states. Notice is given when deposited in the United States certified mails, first class postage prepaid, at least thirty days prior to submission of the application to the court. Action on the application may be taken by the court provided the required notice has been given and that the liquidator’s proposal complies with subsection 2, paragraphs “a” and “b”.

507C.35 Filing of claims.
1. Proof of all claims shall be filed with the liquidator in the form required by section 507C.36 on or before the last day for filing specified in the notice required under section 507C.22. However, proof of claims for cash surrender values or other investment values in life insurance and annuities need not be filed unless the liquidator expressly so requires.

2. The liquidator may permit a claimant making a late filing to share in distributions, whether past or future, as if the claimant were not late, to the extent that the payment will not prejudice the orderly administration of the liquidation under any of the following circumstances:
   a. The existence of the claim was not known to the claimant and that the claimant filed the claim as promptly thereafter as reasonably possible after learning of it.
   b. A transfer to a creditor was avoided under sections 507C.26 through 507C.28, or was voluntarily surrendered under section 507C.29, and that the filing satisfies the conditions of section 507C.29.
   c. The valuation under section 507C.41 of security held by a secured creditor shows a deficiency, which is filed within thirty days after the valuation.

3. The liquidator shall permit late filing claims to share in distributions, whether past or future, as if they were not late, if the claims are claims of a guaranty association or foreign guaranty association for reimbursement of covered claims paid or expenses incurred, or both, subsequent to the last day for filing where the payments were made and expenses incurred as provided by law.

4. The liquidator may consider any claim filed late which is not covered by subsection 2, and permit it to receive distributions which are subsequently declared on any claims of the same or lower priority if the payment does not prejudice the orderly administration of the liquidation. The late-filing claimant shall receive at each distribution the same percentage of the amount allowed on the claim as is then being paid to claimants of any lower priority. This shall continue until the claim has been paid in full.

507C.36 Proof of claim.
1. Proof of claim shall consist of a statement signed by the claimant that includes all of the following that are applicable:
§507C.36, INSURERS SUPERVISION, REHABILITATION, AND LIQUIDATION

5644

§507C.36, INSURERS SUPERVISION, REHABILITATION, AND LIQUIDATION

5645

507C.37 Special claims.

1. The claim of a third party which is contingent only on the third party first obtaining a judgment against the insured shall be considered and allowed as if there were no such contingency.

2. A claim may be allowed even if contingent, if it is filed in accordance with section 507C.35. It may be allowed and the claimant may participate in all distributions declared after it is filed to the extent that it does not prejudice the orderly administration of the liquidation.

3. Claims that are due except for the passage of time shall be treated as absolute claims are treated. However, the claims may be discounted at the legal rate of interest.

4. Claims made under employment contracts by directors, principal officers, or persons in fact performing similar functions or having similar powers are limited to payment for services rendered prior to the issuance of an order of rehabilitation or liquidation under section 507C.13 or 507C.18.

84 Acts, ch 1175, §37

507C.38 Special provisions for third-party claims.

1. If a third party asserts a cause of action against an insured of an insurer in liquidation, the third party may file a claim with the liquidator.

2. Whether or not the third party files a claim, the insured may file a claim on the insured’s own behalf in the liquidation. If the insured fails to file a claim by the date for filing claims specified in the order of liquidation or within sixty days after mailing of the notice required by section 507C.22, whichever is later, the insured is an unexcused late filer.

3. The liquidator shall make recommendations to the court under section 507C.42, for the allowance of an insured’s claim under subsection 2 after consideration of the probable outcome of a pending action against the insured on which the claim is based, the probable damages recoverable in the action and the probable costs and expenses of defense. After allowance by the court, the liquidator shall withhold dividends payable on the claim, pending the outcome of litigation and negotiation with the insured. If it seems appropriate, the liquidator shall reconsider the claim on the basis of additional information and amend the recommendations to the court. The insured shall be afforded the same notice and opportunity to be heard on all changes in the recommendation as in its initial determination. The court may amend its allowance as it finds appropriate. As claims against the insured are settled or barred, the insured shall be paid from the amount withheld the same percentage dividend as was paid on other claims of like property, based on the lesser of:

a. The amount actually recovered from the insured by action or paid by agreement plus the reasonable costs and expenses of defense.

b. The amount allowed on the claims by the court. After all claims are settled or barred, any sum remaining from the amount withheld shall revert to the undistributed assets of the insurer. Delay in final payment under this subsection shall not be a reason for unreasonable delay of final distribution and discharge of the liquidator.

4. If several claims founded upon one policy are filed, whether by third parties or as claims by the insured under this section, and the aggregate allowed amount of the claims to which the same limit of liability in the policy is applicable exceeds that limit, each claim as allowed shall be reduced in the same proportion so that the total equals the policy limit. Claims by the insured shall be evaluated as in subsection 3. If any insured’s claim is subsequently reduced under subsection 3, the amount thus freed shall be apportioned ratably.
among the claims which have been reduced under
this subsection.
5. A claim may not be presented under this
section if it is or may be covered by any guaranty
association or foreign guaranty association.
§507C.40 Claims of other person.
If a creditor, whose claim against an insurer is
secured in whole or in part by the undertaking of
another person, fails to prove and file that claim,
then the other person may do so in the creditor’s
name and shall be subrogated to the rights of the
creditor, whether the claim has been filed by the
creditor or by the other person in the creditor’s
name to the extent that the other person discharg-
es the undertaking. However, in the absence of an
agreement with the creditor to the contrary, the
other person is not entitled to any distribution un-
til the amount paid to the creditor on the under-
taking plus the distributions paid on the claim
from the insurer’s estate to the creditor equal the
amount of the entire claim of the creditor. An ex-
cess received by the creditor shall be held by the
creditor in trust for the other person. As used in
this section, “other person” is not intended to apply
to a guaranty association or foreign guaranty asso-
ciation.
§507C.41 Secured creditor’s claims.
1. The value of security held by a secured cred-
itor shall be determined in one of the following
ways, as the court may direct:
a. By converting the security into money ac-
cording to the terms of the agreement pursuant to
which the security was delivered to the creditors.
b. By agreement, arbitration, compromise or
litigation between the creditor and the liquidator.
2. The determination shall be under the super-
vision and control of the court with due regard for
the recommendation of the liquidator. The
amount so determined shall be credited upon the
secured claim. A deficiency shall be treated as an
unsecured claim. If the claimant surrenders the
security to the liquidator, the entire claim shall be
allowed as if unsecured.
§507C.42 Priority of distribution.
The priority of distribution of claims from the in-
surer’s estate shall be in accordance with the order
in which each class of claims is set forth. Claims
in each class shall be paid in full or adequate funds
retained for the payment before the members of the
next class receive any payment. Subclasses shall
not be established within a class. As used in
this section, “insurer’s estate” means the general
assets of the insurer. The order of distribution of
claims is:
1. Class 1. The costs and expenses of admin-
istration, including but not limited to the following:
   a. The actual and necessary costs of preserv-
ing or recovering the assets of the insurer.
   b. Compensation for all authorized services
      rendered in the liquidation.
   c. Necessary filing fees.
   d. The fees and mileage payable to witnesses.
   e. Authorized reasonable attorney’s fees and
      other professional services rendered in the liq-
      uidation.
   f. The reasonable expenses of a guaranty asso-
ciation or foreign guaranty association in han-
dling claims.
2. Class 2. Claims under policies, including
claims of the federal or any state or local govern-
ment, for losses incurred, including third-party
claims, claims against the insurer for liability for
bodily injury or for injury to or destruction of tan-
gible property which are not under policies, claims
of a guaranty association or foreign guaranty asso-
ciation, claims under funding agreements as pro-
vided in section 508.31A, subsection 3, claims for
an insufficiency in the assets allocated to and ac-
cumulated in a separate account as provided in
section 508A.1, subsection 8, and claims for un-
earned premium. Claims under life insurance and
annuity policies, whether for death proceeds, an-
nuity proceeds, or investment values, shall be
reated as loss claims. That portion of a loss, in-
demnification for which is provided by other bene-
fits or advantages recovered by the claimant, shall
not be included in this class, other than benefits or
advantages recovered or recoverable in discharge of
familial obligations of support or by way of suc-
cession at death or as proceeds of life insurance, or
as gratuities. A payment by an employer to an em-
ployee is not a gratuity.
3. **Class 3.** Claims of the federal government except those under class 2.

4. **Class 4.** Reasonable compensation to employees for services performed to the extent that they do not exceed two months of monetary compensation and represent payment for services performed within one year before the filing of the petition for liquidation or, if the rehabilitation preceded liquidation, within one year before the filing of the petition for rehabilitation. Officers and directors are not entitled to the benefit of this priority. The priority is in lieu of other similar priority which may be authorized by law as to wages or compensation of employees.

5. **Class 5.** Claims of general creditors, including claims of ceding and assuming reinsurers in their capacity as such, and subrogation claims.

6. **Class 6.** Claims of any state or local government except those under class 2. Claims, including those of a governmental body for a penalty or forfeiture, are allowed in this class only to the extent of the pecuniary loss sustained from the act, transaction, or proceeding out of which the penalty or forfeiture arose, with reasonable and actual costs incurred. The remainder of such claims shall be postponed to the class of claims under subsection 9.

7. **Class 7.** Claims filed late or any other claims other than claims under subsections 8 and 9.

8. **Class 8.** Surplus or contribution notes, or similar obligations, and premium refunds on assessable policies. Payments to members of domestic mutual insurance companies are limited in accordance with law.

9. **Class 9.** The claims of shareholders or other owners.

### §507C.43 Liquidator's recommendations to the court.

1. The liquidator shall review claims duly filed in the liquidation and shall make further investigation as necessary. The liquidator may compound, compromise or in any other manner negotiate the amount for which claims will be recommended to the court except where the liquidator is required by law to accept claims as settled by a person or organization, including a guaranty association or foreign guaranty association. Unresolved disputes shall be determined under section 507C.39. As soon as practicable, the liquidator shall present to the court a report of the claims against the insurer with the liquidator's recommendations. The report shall include the name and address of each claimant and the amount of the claim finally recommended. If the insurer has issued annuities or life insurance policies, the liquidator shall report the persons to whom, according to the records of the insurer, amounts are owed as cash surrender values or other investment value and the amounts owed.

2. The court may approve, disapprove, or modify the report on claims by the liquidator. Reports not modified by the court within sixty days following submission by the liquidator shall be treated by the liquidator as allowed claims, subject to later modification or to rulings made by the court pursuant to section 507C.39. A claim under a policy of insurance shall not be allowed for an amount in excess of the applicable policy limits.

84 Acts, ch 1175, §43

### §507C.44 Distribution of assets.

Under the direction of the court, the liquidator shall pay distributions in a manner that will assure the proper recognition of priorities and a reasonable balance between the expeditious completion of the liquidation and the protection of unliquidated and undetermined claims, including third-party claims. Distribution of assets in kind may be made at valuations set by agreement between the liquidator and the creditor and approved by the court.

84 Acts, ch 1175, §44

### §507C.45 Unclaimed and withheld funds.

1. Unclaimed funds subject to distribution remaining in the liquidator’s hands when the liquidator is ready to apply to the court for discharge, including the amount distributable to a creditor, shareholder, member, or other person who is unknown or cannot be found, shall be deposited with the state treasurer, and shall be paid without interest, except in accordance with section 507C.42, to the person entitled or the person’s legal representative upon proof satisfactory to the state treasurer of the right to the funds. An amount on deposit not claimed within six years from the discharge of the liquidator is deemed to have been abandoned and shall become the property of the state without formal escheat proceedings and be deposited with the general fund.

2. Funds withheld under section 507C.37 and not distributed shall upon discharge of the liquidator be deposited with the state treasurer and paid in accordance with section 507C.42. Sums remaining which under section 507C.42 would revert to the undistributed assets of the insurer shall be transferred to the state treasurer and become the property of the state under subsection 1, unless the commissioner in the commissioner’s discretion petitions the court to reopen the liquidation under section 507C.47.

3. Notwithstanding any other provision of this chapter, funds as identified in subsection 1, with the approval of the court, shall be made available to the commissioner for use in the detection and prevention of future insolvencies. The commissioner shall hold these funds and shall pay without interest, except as provided in section
§507C.42, to the person entitled to the funds or the person's legal representative upon proof satisfactory to the commissioner of the person's right to the funds. The funds shall be held by the commissioner for a period of two years at which time the rights and duties to the unclaimed funds shall vest in the commissioner.

§507C.48 Disposition of records during and after termination of liquidation.

If it appears to the commissioner that the records of an insurer in process of liquidation or completely liquidated are no longer useful, the commissioner may recommend to the court and the court shall direct what records shall be retained for future reference and what shall be destroyed.

§507C.49 External audit of the receiver's books.

The court may order audits to be made of the books of the commissioner relating to a receivership established under this chapter, and a report of each audit shall be filed with the commissioner and with the court. The books, records, and other documents of the receivership shall be made available to the auditor at any time without notice. The expense of an audit shall be considered a cost of administration of the receivership.

§507C.46 Termination of proceedings.

1. When all assets justifying the expense of collection and distribution have been collected and distributed under this chapter, the liquidator shall apply to the court for discharge. The court may grant the discharge and make any other orders, including an order to transfer remaining funds that are uneconomical to distribute, as appropriate.

2. Any other person may apply to the court at any time for an order under subsection 1. If the application is denied, the applicant shall pay the costs and expenses of the liquidator in resisting the application including a reasonable attorney's fee.

§507C.47 Reopening liquidation.

At any time after the liquidation proceeding has been terminated and the liquidator discharged, the commissioner or other interested party may petition the court to reopen the proceedings for good cause including the discovery of additional assets. The court shall order the proceeding reopened if it is satisfied that there is justification for the reopening.

§507C.50 Conservation of property of foreign or alien insurers found in this state.

1. If a domiciliary liquidator has not been appointed, the commissioner may apply to the court by verified petition for an order directing the commissioner to act as conservator to conserve the property of an alien insurer not domiciled in this state or a foreign insurer on any of the following grounds:

   a. Any of the grounds in section 507C.12.
   b. That property has been sequestered by official action in the insurer's domiciliary state, or in any other state.
   c. That enough of its property has been sequestered in a foreign country to give reasonable cause to fear that the insurer is or may become insolvent.
   d. That both of the following are found:
      (1) That its certificate of authority to do business in this state has been revoked or that no certificate was ever issued.
      (2) That there are residents of this state with outstanding claims or outstanding policies.

2. When an order is sought under subsection 1, the court shall cause the insurer to be given notice and time to respond to the petition as is reasonable under the circumstances.

3. The court may issue the order in whatever terms it deems appropriate. The filing or recording of the order with the clerk of court or the recorder of deeds of the county in which its principal office or place of business is located is the same notice as a deed, bill of sale, or other evidence of title duly filed or recorded with that recorder of deeds.

4. The conservator may at any time petition the court for an order terminating conservation of an insurer. If the court finds that the conservation is no longer necessary, it shall order that the insurer be restored to possession of its property and the control of its business. The court may also make such finding and issue such order at any time upon motion of any interested party, but if the motion is denied costs shall be assessed against the party.

§507C.51 Liquidation of property of foreign or alien insurers found in this state.

1. If a domiciliary receiver has not been appointed, the commissioner may apply to the court
§507C.50, INSURERS SUPERVISION, REHABILITATION, AND LIQUIDATION

by verified petition for an order directing the commissioner to liquidate the assets found in this state of a foreign insurer or an alien insurer not domiciled in this state on any of the following grounds:

a. Any of the grounds in section 507C.12 or 507C.17.

b. Any of the grounds specified in section 507C.50, subsection 1, paragraphs "b" through "d".

2. When an order is sought under subsection 1, the court shall cause the insurer to be given notice and time to respond to the petition as is reasonable under the circumstances.

3. If it appears to the court that the best interests of creditors, policyholders, and the public require, the court may issue an order to liquidate in whatever terms it deems appropriate. The filing or recording of the order with the clerk of the court or the recorder of deeds in which the principal business of the company is located or the county in which its principal office or place of business is located, is same notice as a deed, bill of sale, or other evidence of title duly filed or recorded with that recorder of deeds.

4. If a domiciliary liquidator is appointed in a reciprocal state while a liquidation is proceeding under this section, the liquidator under this section shall act as ancillary receiver under section 507C.53. If a domiciliary liquidator is appointed in a nonreciprocal state while a liquidation is proceeding under this section, the liquidator under this section may petition the court for permission to act as ancillary receiver under section 507C.53.

5. On the same grounds as are specified in subsection 1, the commissioner may petition an appropriate federal district court to be appointed receiver to liquidate that portion of the insurer’s assets and business over which the court will exercise jurisdiction, or any lesser part that the commissioner deems desirable for the protection of the policyholders and creditors in this state.

6. When the commissioner has liquidated the assets of a foreign or alien insurer under this section, the court may order the commissioner to pay claims of residents of this state against the insurer under rules as to the liquidation of insurers under this chapter as are otherwise compatible with this section.

84 Acts, ch 1175, §52; 92 Acts, ch 1117, §32

§507C.51, INSURERS SUPERVISION, REHABILITATION, AND LIQUIDATION

507C.51 Domiciliary liquidators in other states.

1. Except as to special deposits and security on secured claims under section 507C.53, subsection 3, the domiciliary liquidator of an insurer domiciled in a reciprocal state shall be vested with the title to the assets, property, contracts, rights of action, agents’ balances, books, accounts, and other records of the insurer located in this state. The date of vesting is the date of the filing of the petition if that date is specified by the domiciliary law for the vesting of property in the domiciliary state. Otherwise, the date of vesting is the date of entry of the order directing possession to be taken. The domiciliary liquidator may immediately recover balances due from agents and obtain possession of the books, accounts, and other records of the insurer located in this state. The domiciliary liquidator may also have the right to recover all other assets of the insurer located in this state, subject to section 507C.53.

2. If a domiciliary liquidator is appointed for an insurer not domiciled in a reciprocal state, the commissioner of this state shall be vested with the title to the property, contracts and rights of action, books, accounts and other records of the insurer located in this state, at the same time that the domiciliary liquidator is vested with title in the domicile. The commissioner of this state may petition for a conservation or liquidation order under section 507C.50 or 507C.51, or for an ancillary receivership under section 507C.53, or after approval by the court may transfer title to the domiciliary liquidator, as the interests of justice and the equitable distribution of the assets require.

3. Claimants residing in this state may file claims with the domiciliary liquidator in recovering assets of the insurer located in this state or with the domiciliary liquidator, if the domiciliary law permits. The claims shall be filed on or before the last date fixed for the filing of claims in the domiciliary liquidation proceedings.

84 Acts, ch 1175, §52; 92 Acts, ch 1117, §32

§507C.52 Ancillary formal proceedings.

1. If a domiciliary liquidator has been appointed for an insurer not domiciled in this state, the commissioner may file a petition with the court requesting appointment as ancillary receiver in this state if both of the following exist:

a. If the domiciliary liquidator finds that there are sufficient assets of the insurer located in this state to justify the appointment of an ancillary receiver.

b. If the protection of creditors or policyholders in this state so requires.

2. The court may issue an order appointing an ancillary receiver in whatever terms it deems appropriate. The filing or recording of the order with the recorder of deeds in the same notice as a deed, bill of sale, or other evidence of title duly filed or recorded with that recorder of deeds.

3. When a domiciliary liquidator has been appointed in a reciprocal state, then the ancillary receiver appointed in this state may aid and assist the domiciliary liquidator in recovering assets of the insurer located in this state. As soon as practicable, the ancillary receiver shall liquidate from their respective securities those special deposit claims and secured claims which are proved and
allowed in the ancillary proceedings in this state. The ancillary receiver shall pay the necessary expenses of the proceedings and shall promptly transfer all remaining assets, books, accounts and records to the domiciliary liquidator. Subject to this section, the ancillary receiver and any deputies have the same powers and are subject to the same duties with respect to the administration of assets as a liquidator of an insurer domiciled in this state.

4. As to assets and books, accounts, and other records in their respective states, when a domiciliary liquidator has been appointed in this state, ancillary receivers appointed in reciprocal states shall have corresponding rights, duties and powers to those provided in subsection 3 for ancillary receivers appointed in this state.

§507C.58  Interstate priorities.

In the sole discretion of the commissioner, the commissioner may institute proceedings under sections 507C.9 through 507C.11 at the request of the commissioner or other appropriate insurance official of the domiciliary state of a foreign or alien insurer having property located in this state.

1. In a liquidation proceeding begun in this state against an insurer domiciled in this state, claimants residing in foreign countries or in non-reciprocal states shall file claims in this state, and claimants residing in reciprocal states shall file claims either with the ancillary receivers in their respective states or with the domiciliary liquidator. Claims shall be filed on or before the last date fixed for the filing of claims in the domiciliary liquidation proceeding.

2. Claims belonging to claimants residing in reciprocal states shall be proved either in the liquidation proceeding in this state as provided in this chapter or in ancillary proceedings in the reciprocal states, if a claim filing procedure is established in the ancillary proceeding. If notice of the claims and opportunity to appear and be heard is afforded the domiciliary liquidator of this state as provided in section 507C.56, subsection 2, with respect to ancillary proceedings, the final allowance of claims by the courts in ancillary proceedings in reciprocal states shall be conclusive as to amount and as to priority against special deposits or other security located in such ancillary states, but shall not be conclusive with respect to priorities against general assets under section 507C.42.

3. The final allowance of the claim by the courts of this state shall be accepted as conclusive as to amount and as to priority against special deposits or other security located in this state.

4. As to assets and books, accounts, and other records in their respective states, when a domiciliary liquidator has been appointed in this state, ancillary receivers appointed in reciprocal states shall have corresponding rights, duties and powers to those provided in subsection 3 for ancillary receivers appointed in this state.

507C.58 Interstate priorities.

1. In a liquidation proceeding in this state involving one or more reciprocal states, the order of distribution of the domiciliary state shall control as to claims of residents of this and reciprocal states. Claims of residents of reciprocal states shall be given equal priority of payment from general assets regardless of where the assets are located.
2. The owners of special deposit claims against an insurer for which a liquidator is appointed in this or any other state is given priority against the special deposits in accordance with the statutes governing the creation and maintenance of the deposits. If there is a deficiency in a deposit so that the claims secured by it are not fully discharged from it, the claimants may share in the general assets. However, the sharing shall be deferred until general creditors and claimants against other special deposits who have received smaller percentages from their respective special deposits have been paid percentages of their claims equal to the percentage paid from the special deposit.

3. The owner of a secured claim against an insurer for which a liquidator has been appointed in this or any other state may surrender the security and file the claim as a general creditor, or the claim may be discharged by resort to the security in accordance with section 507C.41, in which case the deficiency shall be treated as a claim against the general assets of the insurer on the same basis as claims of unsecured creditors.

§507D.1, INSURANCE ASSISTANCE

This chapter shall be known as the "Insurance Assistance Act".

§507D.2, INSURANCE ASSISTANCE

Collection and analysis of information.

The commissioner of insurance may adopt rules pursuant to chapter 17A for the collection of necessary additional information relating to the availability, obtainability, costs, profits, and losses associated with the provision of property, casualty, product, professional, or other liability insurance within the state, and relating to the feasibility and implementation of market assistance programs, mandatory risk allocation programs, risk-sharing programs, risk management programs, or any other authorized program under section 507D.3.

The commissioner shall provide for the analysis of such information gathered pursuant to this or any other section and shall make such analysis available to the general assembly on an annual basis.

The commissioner of insurance is authorized to institute programs, order the institution of programs within the private sector, or to contract with or delegate authority to the department of administrative services for the institution of programs relating to insurance assistance including, but not limited to, the following:

1. The development and implementation of a market assistance program to facilitate, arrange, or provide for the acquisition of property, casualty, product, professional, or other liability insurance coverage for all persons or entities seeking such coverage but for which the coverage is presently unavailable or unobtainable to the person or entity.

2. The development and implementation of a
mandatory risk allocation system for property, casualty, product, professional, or other liability insurance, except asbestos and environmental impairment liability, in order to assure that all persons or entities for which such insurance is essential may obtain such insurance from insurers authorized to do business within this state.

3. The development and implementation of a risk-sharing program to assist and advise persons or entities seeking property, casualty, product, professional, or other liability insurance, except asbestos and environmental impairment liability, on the most efficient manner in which to share or pool similar risks in order to obtain essential insurance coverage at the minimum cost.

4. The development and implementation of a risk management program for persons or entities to which property, casualty, product, professional, or other liability insurance is essential, such program to include at a minimum the following:
   a. Assistance in developing and maintaining loss and loss exposure data on such liability risks.
   b. Recommendations regarding risk reduction and risk elimination programs.
   c. Recommendations of those practices which will permit protection against such losses at the lowest costs, consistent with good underwriting practices and sound risk management techniques.

5. Subsections 2 and 3 shall have no application or effect after July 1, 1991.

6. An assistance program for the facilitation of insurance and financial responsibility coverage for owners and operators of underground storage tanks which store petroleum shall not be affected by the exceptions of subsections 2 and 3.

507D.4 Financing of assistance programs.
The insurance commissioner may, by rule, provide for the financing, as necessary, for any or all programs under sections 507D.2 and 507D.3 by the assessment of fees to insurers authorized to write property, casualty, product, professional, or other liability insurance within this state. The commissioner of insurance may assess fees and charges against persons or entities for costs incurred in providing assistance to the person or entity pursuant to section 507D.3. Fees collected pursuant to such rules shall be used solely for the purposes of the program for which assessed, and are not to be transmitted to the general fund or used for any other purposes.

The commissioner of insurance may employ or contract with actuarial consultants as necessary to review the request. The person conducting the review shall report to the commissioner as to the advisability of the adjustment requested.

The reasonable fees and expenses of an actuarial consultant employed or contracted by the commissioner of insurance for purposes of a rate adjustment review shall be assessed against and paid by the person requesting such rate adjustment.

86 Acts, ch 1211, §30

507D.6 Continuing studies.
The commissioner of insurance is authorized to conduct such further surveys, market reviews, data collection and analysis, studies of a mandatory risk allocation system and a risk-sharing program and such other studies as the commissioner deems necessary for the proper implementation of this chapter.

Upon a reasonable determination by the division, by its own inquiries or as a result of complaints filed with the division, that a person has engaged in, is engaging in, or may be engaging in an act or practice that violates this chapter or any other provision of the insurance code, the division may administer oaths and affirmations, serve subpoenas ordering the attendance of witnesses, and collect evidence related to such act or practice.

94 Acts, ch 1072, §2

§507E.3 Fraudulent submissions — penalties.

1. For purposes of this chapter, “statement” includes, but is not limited to, any notice, statement, proof of loss, bill of lading, receipt for payment, invoice, account, estimate of property damage, bill for services, diagnosis, prescription, hospital or physician record, X ray, test result, or other evidence of loss, injury, or expense.

1. A life insurance company organized under this chapter may issue funding agreements. The issuance of a funding agreement under this section is deemed to be doing insurance business. For purposes of this section, "funding agreement" means an agreement for an insurer to accept and accumulate funds and to make one or more payments at future dates in amounts that are not based on mortality or morbidity contingencies of the person to whom the funding agreement is issued. A funding agreement does not constitute life insurance, an annuity, or other insurance authorized by section 508.29, and does not constitute a security as defined in section 502.102.

2. a. Funding agreements may be issued to the following:

(1) A person authorized by a state or foreign country to engage in an insurance business or a subsidiary of such business.

(2) A person for the purpose of funding any of the following:

(b) Activities of an organization exempt from taxation pursuant to section 501(c) of the Internal Revenue Code, or any similar organization in any foreign country.

(c) A program of the United States government, another state government or political subdivision of such state, or of a foreign country; or any agency or instrumentality of any such government, political subdivision, or foreign country.

(d) An agreement providing for periodic payments in satisfaction of a claim.

(e) A program of an institution which has assets in excess of twenty-five million dollars.

(3) A person other than a natural person that has assets of at least twenty-five million dollars.

(4) A person other than a natural person for the purpose of providing collateral security for securities registered with the federal securities and exchange commission.

c. An amount under a funding agreement shall not be guaranteed or credited except upon reasonable assumptions as to investment income and expenses and on a basis equitable to all holders of funding agreements of a given class. Such funding agreements shall not provide for payments to the insurer based on mortality or morbidity contingencies.

d. Amounts paid to the insurer pursuant to a funding agreement, and proceeds applied under optional modes of settlement, may be allocated by the insurer to one or more separate accounts pursuant to section 508A.1.

3. A funding agreement is a class 2 claim under section 507C.42, subsection 2.

4. The commissioner may adopt rules to implement funding agreements.

§508.32 Proceeds of policy held in trust.

Any life insurance company organized under the provisions of this chapter and doing business in this state, shall have the power to hold in trust the premiums or consideration paid for, or the proceeds of any life insurance policy or annuity contract, either individual or group, issued by it, upon such terms and subject to such limitations as to revocation or control by the policyholder or beneficiary thereunder, as shall have been agreed to in writing by such company and the policyholder; provided that the trust provisions herein contemplated shall in no manner subject said corporation to any of the provisions of the laws of Iowa relating to banks or trust companies; and provided further, that the trust or trusts for premiums or considerations may be invested by such company in the manner specified in the trust instruments or agreements and held in a separate or segregated account; and provided further, that the forms of such trust agreements for beneficiaries shall be first submitted to and approved by the commissioner of insurance. The word “trust” shall include, but not be limited to settlement options and contracts issued pursuant to policies or contracts, and funds held in a separate or segregated account in connection with pension or profit-sharing plans pursuant to agreements with the policyholders.

As used in this section, life insurance policies and annuity contracts include accident and health insurance policies and contracts, and include un-
dertakings, duties, and obligations incidental to or in furtherance of any such policies or contracts. As used in this section, proceeds include additions and contributions. Funds held by an insurance company as authorized by this section may be held in a separate account established pursuant to section 508A.1, except that section 508A.1, subsection 5, shall not be applicable to such account. However, funds held by an insurance company as authorized in this section shall not be chargeable with liabilities arising out of any other business the company may conduct.

An instrument or agreement issued or used by an insurance company as authorized by this section does not constitute a security as defined in section 502.102.

508.36 Standard valuations.

This section shall be known as the “Standard Valuation Law.”

1. Reserve valuation. The commissioner shall annually value, or cause to be valued, the reserve liabilities, referred to in this section as reserves, for all outstanding life insurance policies and annuity and pure endowment contracts of every life insurance company doing business in this state, and may certify the amount of any such reserves, specifying the mortality table or tables, rate or rates of interest, and the net level premium method or other methods used in the calculation of such reserves. In calculating the reserves, the commissioner may use group methods and approximate averages for fractions of a year or otherwise. In lieu of the valuation of the reserves required in this section of any foreign or alien company, the commissioner may accept any valuation made, or caused to be made, by the insurance supervisory official of any state or other jurisdiction when such valuation complies with the minimum standard provided for in this section and if the official of such state or jurisdiction accepts as sufficient and valid for all legal purposes the certificate of valuation of the commissioner when such certificate states the valuation to have been made in a specified manner according to which the aggregate reserves would be at least as large as if they had been computed in the manner prescribed by the law of that state or jurisdiction.

2. Actuarial opinion of reserves. This subsection is effective January 1, 1996.

a. General. A life insurance company doing business in this state shall annually submit the written opinion of a qualified actuary as to whether the reserves and related actuarial items held in support of the policies and contracts specified by the commissioner by regulation are computed appropriately, are based on assumptions which satisfy contractual provisions, are consistent with prior or reported amounts, and are in compliance with applicable laws of this state. The commissioner shall define by rule the requirements and content
of this opinion and add any other items deemed to be necessary.

b. Actuarial analysis of reserves and assets supporting such reserves.

(1) Unless exempted by rule, a life insurance company shall also annually include in the opinion required by paragraph "a", an opinion of the same qualified actuary as to whether the reserves and related actuarial items held in support of policies and contracts specified by the commissioner by rule, when considered with respect to the assets held by the company associated with the reserves and related actuarial items, including, but not limited to, the investment earnings on the assets and the considerations anticipated to be received and retained under the policies and contracts, are sufficient for the company's obligations under the policies and contracts, including but not limited to the benefits under and expenses associated with the policies and contracts.

(2) The commissioner may provide by rule for a transition period for establishing any higher reserves which the qualified actuary may deem necessary in order to render the opinion required by this section.

c. Requirements for actuarial analysis. An opinion required by paragraph "b" shall be governed by the following provisions:

(1) A memorandum, in form and substance acceptable to the commissioner as specified by rule, shall be prepared to support each actuarial opinion.

(2) If the insurance company fails to provide a supporting memorandum at the request of the commissioner within a period specified by rule or the commissioner determines that the supporting memorandum provided by the insurance company fails to meet the standards prescribed by the rules or is otherwise unacceptable to the commissioner, the commissioner may engage a qualified actuary at the expense of the company to review the opinion and the basis for the opinion and prepare such supporting memorandum as is required by the commissioner.

d. Requirement for all opinions. An opinion required under this section is governed by the following provisions:

(1) The opinion shall be submitted with the annual statement reflecting the valuation of such reserve liabilities for each year ending on or after December 31, 1995.

(2) The opinion shall apply to all business in force, including individual and group health insurance plans, in form and substance acceptable to the commissioner as specified by rule.

(3) The opinion shall be based on standards adopted from time to time by the actuarial standards board and on such additional standards as the commissioner may by rule prescribe.

(4) In the case of an opinion required to be submitted by a foreign or alien company, the commissioner may accept the opinion filed by that company with the insurance supervisory official of another state if the commissioner determines that the opinion reasonably meets the requirements applicable to a company domiciled in this state.

(5) For the purposes of this section, "qualified actuary" means a member in good standing of the American academy of actuaries who meets the requirements of the commissioner as specified by rule.

(6) Except in cases of fraud or willful misconduct, a qualified actuary is not liable for damages to any person, other than to the insurance company and the commissioner, for any act, error, omission, decision, or conduct with respect to the actuary's opinion.

(7) Disciplinary action which may be taken by the commissioner against the company or the qualified actuary shall be defined in rules adopted by the commissioner.

(8) Any memorandum in support of the opinion, and any other material provided by the company to the commissioner in connection with the opinion, shall be kept confidential by the commissioner and shall not be made public and shall not be subject to subpoena, other than for the purpose of defending an action seeking damages from any person by reason of any action required by this section or by rules adopted pursuant to this section. Notwithstanding this subparagraph, the memorandum or other material may be released by the commissioner if either of the following applies:

(a) The commissioner receives the written consent of the company with which the opinion is associated.

(b) The American academy of actuaries requests that the memorandum or other material is required for the purpose of professional disciplinary proceedings and setting forth procedures satisfactory to the commissioner for preserving the confidentiality of the memorandum or other material.

Once any portion of the confidential memorandum is cited by the company in its marketing, is cited before any governmental agency other than a state insurance department, or is released by the company to the news media, all portions of the confidential memorandum are no longer confidential.

3. Computations of minimum standards. Except as otherwise provided in subsections 4, 5, and 12, the minimum standard for the valuation of all such policies and contracts issued prior to July 1, 1994, shall be that provided by the laws in effect immediately prior to such date. Except as otherwise provided in subsections 4, 5, and 12, the minimum standard for the valuation of all such policies and contracts shall be the commissioner's reserve valuation methods defined in subsections 6, 7, 10, and 11, five percent interest for group annuity and pure endowment contracts and three and one-half percent interest for all other policies and contracts, or in the case of policies and contracts, other than annuity and pure endow-
ment contracts, issued on or after July 1, 1974, four percent interest for such policies issued prior to January 1, 1980, five and one-half percent interest for single premium life insurance policies and four and one-half percent interest for all other such policies issued on and after January 1, 1980, and the following tables:

d. For group annuity and pure endowment contracts, excluding any disability and accidental death benefits in such policies, the group annuity mortality table for 1951, or a modification of the table approved by the commissioner, or at the option of the company, any of the tables or modifications of tables specified for individual annuity and pure endowment contracts.

3. For policies issued prior to January 1, 1961, the class (3) disability table (1926).

4. Computation for minimum standards for annuities. Except as provided in subsection 5, the minimum standard for the valuation of all individual annuity and pure endowment contracts issued on or after the operative date of this subsec-
tion, and for all annuities and pure endowments purchased on or after the operative date of this subsection under group annuity and pure endowment contracts, shall be the commissioner’s reserve valuation methods defined in subsections 6 and 7, and the following tables and interest rates:

a. For individual annuity and pure endowment contracts issued prior to January 1, 1980, excluding any disability and accidental death benefits in such contracts, both of the following:

After July 1, 1973, a company may file with the commissioner a written notice of its election to comply with the provisions of this subsection after a specified date before January 1, 1979, which shall be the operative date of this section for such company, provided, if a company makes no election, the effective date of this section for a company is January 1, 1979.

5. Computation of minimum standard by calendar year of issue.

(a) Applicability of this subsection. The calendar year statutory valuation interest rates, as defined in this subsection, shall be used in determining the minimum standard for the valuation of all of the following:
   (1) All life insurance policies issued in a particular calendar year, on or after the operative date of section 508.37, subsection 5, paragraph "c".
   (2) All individual annuity and pure endowment contracts issued in a particular calendar year on or after January 1, 1995.
   (3) All annuities and pure endowments purchased in a particular calendar year on or after January 1, 1995, in amounts held under guaranteed interest contracts.

(b) Calendar year statutory valuation interest rates.
   (1) The calendar year statutory valuation interest rates, referred to in this paragraph as "I", shall be determined as follows and the results rounded to the nearer one-quarter of one percent:
      (a) For life insurance,

\[ I = 0.03 + W(R1 - 0.03) + 2(R2 - 0.09), \]

where R1 is the lesser of R and 0.09, R2 is the great-
er of R and .09, R is the reference interest rate defined in paragraph “d” of this subsection, and W is the weighting factor defined in paragraph “c” of this subsection.

(c) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on an issue-year basis, except as stated in subparagraph subdivision (b), the formula for life insurance stated in subparagraph subdivision (a) applies to annuities and guaranteed interest contracts with guarantee durations in excess of ten years, and the formula for single premium immediate annuities stated in subparagraph subdivision (b) applies to annuities and guaranteed interest contracts with guarantee durations of ten years or less.

(d) For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the formula for single premium immediate annuities stated in subparagraph subdivision (b) applies.

(e) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a change-in-fund basis, the formula for single premium immediate annuities stated in subparagraph subdivision (b) applies.

(2) However, if the calendar year statutory valuation interest rate for any life insurance policies issued in any calendar year determined under subparagraph (1), subparagraph subdivision (a) without reference to this sentence differs from the corresponding actual rate for similar policies issued in the immediately preceding calendar year by less than one-half of one percent, the calendar year statutory valuation interest rate for the life insurance policies is equal to the corresponding actual rate for the immediately preceding calendar year. For purposes of applying the immediately preceding sentence, the calendar year statutory valuation interest rate for life insurance policies issued in a calendar year shall be determined for 1980, using the reference interest rate defined in 1979, and shall be determined for each subsequent calendar year regardless of the operative date of section 508.37, subsection 5, paragraph “c”.

c. Weighting factors

(1) The weighting factors referred to in paragraph “b” are given in the following tables:

(a) Weighting Factors for Life Insurance:

<table>
<thead>
<tr>
<th>Guarantee Duration (Years)</th>
<th>Weighting Factors</th>
</tr>
</thead>
<tbody>
<tr>
<td>10 or less</td>
<td>.50</td>
</tr>
<tr>
<td>More than 10,</td>
<td></td>
</tr>
<tr>
<td>but not more than 20</td>
<td>.45</td>
</tr>
<tr>
<td>More than 20</td>
<td>.35</td>
</tr>
</tbody>
</table>

For life insurance, the guarantee duration is the maximum number of years the life insurance can remain in force on a basis guaranteed in the policy or under options to convert to plans of life insurance with premium rates or nonforfeiture values or both which are guaranteed in the original policy.

(b) The weighting factors for single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement options is .80.

(c) Weighting factors for other annuities and for guaranteed interest contracts, except as stated in subparagraph subdivision (b), shall be as specified in subparagraph subdivision parts (i), (ii), and (iii) of this subparagraph subdivision, according to the rules and definitions in subparagraph subdivision parts (iv), (v), and (vi) of this subparagraph subdivision:

(i) For annuities and guaranteed interest contracts valued on an issue-year basis:

<table>
<thead>
<tr>
<th>Guarantee Duration (Years)</th>
<th>A</th>
<th>B</th>
<th>C</th>
</tr>
</thead>
<tbody>
<tr>
<td>5 or less</td>
<td>.80</td>
<td>.60</td>
<td>.50</td>
</tr>
<tr>
<td>More than 5,</td>

<tr>
<td>but not more than 10</td>

<tr>

<tr>
<td>but not more than 20</td>

<td>.50</td>
<td>.45</td>
</tr>
<tr>
<td>More than 20</td>
<td>.45</td>
<td>.35</td>
<td>.35</td>
</tr>
</tbody>
</table>

(ii) For annuities and guaranteed interest contracts valued on a change-in-fund basis, the factors shown in subparagraph subdivision part (i) of this subparagraph subdivision increased by:

<table>
<thead>
<tr>
<th>Plan Type</th>
<th>A</th>
<th>B</th>
<th>C</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>.15</td>
<td>.25</td>
<td>.05</td>
</tr>
</tbody>
</table>

(iii) For annuities and guaranteed interest contracts valued on an issue-year basis, other than those with no cash settlement options, which do not guarantee interest on considerations received more than one year after issue or purchase and for annuities and guaranteed interest contracts valued on a change-in-fund basis which do not guarantee interest rates on considerations received more than twelve months beyond the valuation date, the factors shown in subparagraph subdivision part (i) of this subparagraph subdivi-
sion or derived in subparagraph subdivision part (ii) of this subparagraph subdivision increased by:

<table>
<thead>
<tr>
<th>Plan Type</th>
<th>A</th>
<th>B</th>
<th>C</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>.05</td>
<td>.05</td>
<td>.05</td>
</tr>
</tbody>
</table>

(iv) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the guarantee duration is the number of years for which the contract guarantees interest rates in excess of the calendar year statutory valuation interest rate for life insurance policies with guaranteed durations in excess of twenty years. For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the guarantee duration is the number of years from the date of issue or date of purchase to the date annuity benefits are scheduled to commence.

(v) “Plan type”, as used in subparagraph subdivision parts (i), (ii), and (iii) of this subparagraph subdivision, is defined as follows:

“Plan Type A”: At any time, the policyholder may withdraw funds only with an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company, or may withdraw funds without that adjustment but in installments over five years or more, or may withdraw funds as in immediate life annuity; or no withdrawal is permitted.

“Plan Type B”: Before expiration of the interest rate guarantee, the policyholder may withdraw funds only with an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company, or may withdraw funds without that adjustment but in installments over five years or more; or no withdrawal is permitted. At the end of interest rate guarantee, funds may be withdrawn without adjustment in a single sum or installments over less than five years.

“Plan Type C”: The policyholder may withdraw funds before expiration of interest rate guarantee in a single sum or installments over less than five years either without adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company, or subject only to a fixed surrender charge stipulated in the contract as a percentage of the fund.

(vi) A company may elect to value guaranteed interest contracts with cash settlement options and annuities with cash settlement options on either an issue-year basis or on a change-in-fund basis. Guaranteed interest contracts with no cash settlement options and other annuities with no cash settlement options must be valued on an issue-year basis. As used in this section, an issue-year basis of valuation refers to a valuation basis under which the interest rate used to determine the minimum valuation standard for the entire duration of the annuity or guaranteed interest contract is the calendar year valuation interest rate for the year of issue or year of purchase of the annuity or guaranteed interest contract, and the change-in-fund basis of valuation refers to a valuation basis under which the interest rate used to determine the minimum valuation standard applicable to each change in the fund held under the annuity or guaranteed interest contract is the calendar year valuation interest rate for the year of the change in the fund.

d. Reference interest rate. The reference interest rate referred to in paragraph “b” is defined as follows:

(1) For all life insurance, the lesser of the average over a period of thirty-six months and the average over a period of twelve months, ending on June 30 of the calendar year next preceding the year of issue, of the monthly average of the composite yield on seasoned corporate bonds, as published by Moody’s Investors Service, Inc.

(2) For single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the average over a period of twelve months, ending on June 30 of the calendar year of issue or year of purchase, of the monthly average of the composite yield on seasoned corporate bonds, as published by Moody’s Investors Service, Inc.

(3) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on an issue-year basis, except as stated in subparagraph (2), with guarantee duration in excess of ten years, the lesser of the average over a period of thirty-six months and the average over a period of twelve months, ending on June 30 of the calendar year of issue or purchase, of the monthly average of the composite yield on seasoned corporate bonds, as published by Moody’s Investors Service, Inc.

(4) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on an issue-year basis, except as stated in subparagraph (2), with guarantee duration of ten years or less, the average over a period of twelve months, ending on June 30 of the calendar year of issue or purchase, of the monthly average of the composite yield on seasoned corporate bonds, as published by Moody’s Investors Service, Inc.

(5) For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the average over a period of twelve months, ending on June 30 of the calendar year of issue or purchase, of the monthly average of the composite yield on seasoned corporate bonds, as published by Moody’s Investors Service, Inc.

(6) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a change-in-
fund of the monthly average of the composite yield on seasoned corporate bonds, as published by Moody’s Investors Service, Inc.

e. Alternative method for determining reference interest rates. In the event that the monthly average of the composite yield on seasoned corporate bonds is no longer published by Moody’s Investors Service, Inc., or in the event that the national association of insurance commissioners determines that the monthly average of the composite yield on seasoned corporate bonds as published by Moody’s Investors Service, Inc. is no longer appropriate for the determination of the reference interest rate, an alternative method for determination of the reference interest rate, which is adopted by the national association of insurance commissioners and approved by rule adopted by the commissioner, may be substituted.

a. Except as otherwise provided in subsections 7, 10, and 12, reserves calculated according to the commissioner’s reserve valuation method, for the life insurance and endowment benefits of policies providing for a uniform amount of insurance and requiring the payment of uniform premiums, shall be the excess, if any, of the present value, at the date of issue, of future guaranteed benefits provided for by such policies, over the present value, at the date of valuation, of any future modified net premiums for such policies. The modified net premiums for such policy is the uniform percentage of the respective contract premiums for the benefits such that the present value, at the date of issue of the policy, of all modified net premiums shall be equal to the sum of the present value, at the date of valuation, of such benefits provided for by such policies, over the present value, at the date of valuation, of any future modified net premiums for such policies. The modified net premiums for such policy is the uniform percentage of the respective contract premiums for the benefits such that the present value, at the date of issue, of the benefits provided for after the first policy year, divided by the present value at the date of issue, of an annuity of one per annum payable on the first, and each subsequent, anniversary of the policy on which a premium falls due. However, the net level annual premium shall not exceed the net level annual premium on the nineteen-year premium whole life plan for insurance of the same amount at an age one year more than the age of the insured at issue of the policy.

b. However, for a life insurance policy issued on or after January 1, 1998, for which the contract premium in the first policy year exceeds that of the second year and for which no comparable additional benefit is provided in the first year for such additional premium and which provides an endowment benefit or a cash surrender value or a combination of such benefit or value in an amount greater than the additional premium, the reserve according to the commissioner’s reserve valuation method as of any policy anniversary occurring on or before the assumed ending date defined as the first policy anniversary on which the sum of any endowment benefit and any cash surrender value then available is greater than such additional premium shall be, except as otherwise provided in subsection 10, the greater of the reserve as of such policy anniversary calculated as described in paragraph “a” and the reserve as of such policy anniversary calculated as described in paragraph “a”, but with the following modifications:

   (1) The value defined in paragraph “a” being reduced by fifteen percent of the amount of such excess first year premium.

   (2) All present values of benefits and premiums being determined without reference to premiums or benefits provided for by the policy after the assumed ending date.

   (3) The policy being assumed to mature on such date as an endowment.

   (4) The cash surrender value provided on such date being considered as an endowment benefit.

In making the above comparison the mortality and interest bases stated in subsections 4 and 5 shall be used.

c. Reserves according to the commissioner’s reserve valuation method shall be calculated pursuant to a method consistent with this subsection for all of the following:

   (1) Life insurance policies providing for a varying amount of insurance or requiring the payment of varying premiums.

   (2) Group annuity and pure endowment contracts purchased under a retirement plan or plan of deferred compensation established or maintained by an employer, including a partnership or sole proprietorship, or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under section 408 of the Internal Revenue Code.

   (3) Disability and accidental death benefits in all policies and contracts.

   (4) All other benefits, except life insurance and endowment benefits in life insurance policies and benefits provided by all other annuity and pure endowment contracts.

7. Reserve valuation method — annuity and pure endowment benefits. This subsection applies to all annuity and pure endowment contracts other than group annuity and pure endowment contracts purchased under a retirement plan or plan of deferred compensation established or maintained by an employer, including a partnership or sole proprietorship, or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual re-
Reserves according to the commissioner’s annuity reserve method for benefits under annuity or pure endowment contracts, excluding any disability and accidental death benefits in such contracts, shall be the greatest of the respective excesses of the present values, at the date of valuation, of the future guaranteed benefits, including guaranteed nonforfeiture benefits, provided for by such contracts at the end of each respective contract year, over the present value, at the date of valuation, of any future valuation considerations derived from future gross considerations, required by the terms of such contract, that become payable prior to the end of such respective contract year. The future guaranteed benefits shall be determined by using the mortality table, if any, and the interest rate or rates, specified in such contracts for determining guaranteed benefits. The valuation considerations are the portions of the respective gross considerations applied under the terms of such contracts to determine nonforfeiture values.

8. Minimum reserves.
   a. A company’s aggregate reserves for all life insurance policies, excluding disability and accidental death benefits, issued on or after the operative date of section 508.37, shall not be less than the aggregate reserves calculated in accordance with the methods set forth in subsections 6, 7, 10, and 11, and the mortality table or tables and rate or rates of interest used in calculating nonforfeiture benefits for such policies.
   b. A company’s aggregate reserves for all policies, contracts, and benefits shall not be less than the aggregate reserves determined by the qualified actuary to be necessary to render the opinion required by subsection 2.

9. Optional reserve calculation. Reserves for all policies and contracts issued prior to the operative date of section 508.37, may be calculated, at the option of the company, according to any standards which produce greater aggregate reserves for all such policies and contracts than the minimum reserves required prior to July 1, 1994.

Reserves for any category of policies, contracts, or benefits, as established by the commissioner, issued on or after the operative date of section 508.37, may be calculated, at the option of the company, according to any standards which produce greater aggregate reserves for such category than those calculated according to the minimum standard as provided in this section, but the rate or rates of interest used for policies and contracts, other than annuity and pure endowment contracts, shall not be higher than the corresponding rate or rates of interest used in calculating any nonforfeiture benefits as provided in this section.

A company which at any time adopts a standard of valuation producing greater aggregate reserves than those calculated according to the minimum standard as provided in this section may adopt, with the approval of the commissioner, any lower standard of valuation, not to be lower than the minimum as provided in this section, provided, however, that, for purposes of this section, the holding of additional reserves previously determined by a qualified actuary to be necessary to render the opinion required by subsection 2 shall not be deemed to be the adoption of a higher standard of valuation.

10. Reserve calculation — valuation net premium exceeding the gross premium charge.
   a. If in any contract year the gross premium charged by a life insurance company on a policy or contract is less than the valuation net premium for the policy or contract, as calculated by the method used in calculating the reserve for such policy or contract but using the minimum valuation standards of mortality and rate of interest, the minimum reserve required for such policy or contract is the greater of either the reserve calculated according to the mortality table, rate of interest, and method actually used for such policy or contract, or the reserve calculated by the method actually used for such policy or contract but using the minimum valuation standards of mortality and rate of interest referred to in this section are those standards established in subsections 4 and 5.
   b. However, for any life insurance policy issued on or after January 1, 1998, for which the gross premium in the first policy year exceeds that of the second year and for which no comparable additional benefit is provided in the first year for such excess and which provides an endowment benefit or a cash surrender value, or a combination of such benefit and value, in an amount greater than the excess premium, the provisions of paragraph “a” apply as if the method actually used in calculating the reserve for such policy is the method established in subsection 6, excluding paragraph “b” of that subsection. The minimum reserve of the policy at each policy anniversary shall be the greater of the minimum reserve calculated pursuant to subsection 6 and the minimum reserve calculated in accordance with this subsection.

11. Reserve calculation — indeterminate premium plans. In the case of any plan of life insurance which provides for future premium determination, the amounts of such premium which are to be determined by the insurance company based on estimates of future experience, or in the case of any plan of life insurance or annuity, the minimum reserves of which cannot be determined by the methods established in subsections 6, 7, and 10, the reserves which are held under the plan must be appropriate in relation to the benefits and the
508.37 Standard nonforfeitures — life insurance.

This section shall be known as the "Standard Nonforfeiture Law for Life Insurance."

1. In the case of policies issued on or after the operative date of this section as defined in subsection 11, a policy of life insurance shall not, except as stated in subsection 10, be delivered or issued for delivery in this state unless it contains in substance the following provisions, or corresponding provisions which in the opinion of the commissioner are at least as favorable to the defaulting or surrendering policyholder as the following provisions and are essentially in compliance with subsection 9:

   a. That, in the event of default in any premium payment, the company will grant, upon proper request not later than sixty days after the due date of the premium in default, a paid-up nonforfeiture benefit on a plan stipulated in the policy, effective as of the due date of the premium in default, and of an amount as specified in this section. In lieu of the stipulated paid-up nonforfeiture benefit, the company may substitute, upon proper request not later than sixty days after the due date of the premium in default, an actuarially equivalent alternative paid-up nonforfeiture benefit which provides a greater amount or longer period of death benefits or, if applicable, a greater amount or earlier payment of endowment benefits.

   b. That, upon surrender of the policy within sixty days after the due date of any premium payment in default after premiums have been paid for at least three full years in the case of ordinary insurance or five full years in the case of industrial insurance, the company will pay, in lieu of any paid-up nonforfeiture benefit, a cash surrender value of an amount as may be specified in this section.

   c. That a specified paid-up nonforfeiture benefit shall become effective as specified in the policy unless the person entitled to make an election elects another available option not later than sixty days after the due date of the premium in default.

   d. That, if the policy has become paid up by completion of all premium payments or if it is continued under any paid-up nonforfeiture benefit which became effective on or after the third policy anniversary in the case of ordinary insurance or the fifth policy anniversary in the case of industrial insurance, the company will pay, upon surrender of the policy within thirty days after any policy anniversary, a cash surrender value of an amount as specified in this section.

   e. In the case of policies which cause on a basis guaranteed in the policy unscheduled changes in benefits or premiums, or which provide an option for changes in benefits or premiums other than a change to a new policy, a statement of the mortality table, interest rate, and method used in calculating cash surrender values and the paid-up nonforfeiture benefits available under the policy. In the case of all other policies, a statement of the mortality table and interest rate used in calculating the cash surrender values and the paid-up nonforfeiture benefits available under the policy, together with a table showing the cash surrender value, if any, and paid-up nonforfeiture benefit, if any, available under the policy on each policy anniversary, either during the first twenty policy years or during the term of the policy, whichever is shorter, the values and benefits to be calculated upon the assumption that there are no dividends or paid-up additions credited to the policy and that there is no indebtedness to the company on the policy.

   f. A statement that the cash surrender values and the paid-up nonforfeiture benefits available under the policy are not less than the minimum values and benefits required by or pursuant to the insurance law of the state in which the policy is delivered; an explanation of the manner in which the cash surrender values and the paid-up nonforfeiture benefits are altered by the existence of any paid-up additions credited to the policy or any indebtedness to the company on the policy; if a detailed statement of the method of computation of the values and benefits shown in the policy is not stated in the policy, a statement that the method of computation has been filed with the insurance supervisory official of the state in which the policy is delivered; and a statement of the method to be used in calculating the cash surrender value and paid-up nonforfeiture benefit available under the policy on any policy anniversary after the last anniversary for which such values and benefits are consecutively shown in the policy.

2. Any of the provisions or portions of provisions set forth in subsection 1 which are not applicable by reason of the plan of insurance may, to the extent inapplicable, be omitted from the policy. The company shall reserve the right to defer the payment of any cash surrender value for a period of six months after demand with surrender of the policy.

3. a. Any cash surrender value available under the policy in the event of default in a premium payment due on any policy anniversary, whether or not required by subsection 1, shall be an amount...
not less than the excess, if any, of the present value, on that anniversary, of the future guaranteed benefits which would have been provided for by the policy, including any existing paid-up additions, if there had been no default, over the sum of the then present value of the adjusted premiums as defined in subsections 5 and 6, corresponding to premiums which would have fallen due on and after that anniversary, plus the amount of any indebtedness to the company on the policy.

b. However, for a policy issued on or after the operative date of subsection 6 as defined in paragraph "k" of that subsection, which provides supplemental life insurance or annuity benefits at the option of the insured and for an identifiable additional premium by rider or supplemental policy provision, the cash surrender value referred to in paragraph "a" shall be an amount not less than the sum of the cash surrender value as defined in that paragraph for an otherwise similar policy issued at the same age without such rider or supplemental policy provision and the cash surrender value as defined in that paragraph for a policy which provides only the benefits otherwise provided by such rider or supplemental policy provision.

c. Provided further that for a family policy issued on or after the operative date of subsection 6 as defined in paragraph "k" of that subsection, which defines a primary insured and provides term insurance on the life of the spouse of the primary insured expiring before the spouse’s age seventy-one, the cash surrender value referred to in paragraph "a" shall be an amount not less than the sum of the cash surrender value as defined in paragraph "a" for an otherwise similar policy issued at the same age without term insurance on the life of the spouse and the cash surrender value as defined in paragraph "a" for a policy which provides only the benefits otherwise provided by the term insurance on the life of the spouse.

d. Any cash surrender value available within thirty days after any policy anniversary under any policy paid up by completion of all premium payments or any policy continued under any paid-up nonforfeiture benefit, whether or not required by subsection 1, shall be an amount not less than the present value, on the anniversary, of the future guaranteed benefits provided for by the policy, including any existing paid-up additions, decreased by any indebtedness to the company on the policy.

4. Any paid-up nonforfeiture benefit available under the policy in the event of default in a premium payment due on any policy anniversary shall be such that its present value as of that anniversary shall be at least equal to the cash surrender value then provided for by the policy or, if none is provided for, that cash surrender value which would have been required by this section in the absence of the condition that premiums shall have been paid for at least a specified period.

5. a. This subsection does not apply to policies issued on or after the operative date of subsection 6 as defined in paragraph "k" of that subsection. Except as provided in paragraph "a", the adjusted premiums for any policy shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the policy for each policy year, excluding any extra premiums charged because of impairments or special hazards, that the present value, at the date of issue of the policy, of all such adjusted premiums is equal to the sum of the following:

   (1) The then present value of the future guaranteed benefits provided for by the policy.

   (2) Two percent of the amount of the insurance, if the insurance is uniform in amount, or of the equivalent uniform amount, as defined in paragraph "b"; if the amount of insurance varies with duration of the policy.

   (3) Forty percent of the adjusted premium for the first policy year.

   (4) Twenty-five percent of either the adjusted premium for the first policy year or the adjusted premium for a whole life policy of the same uniform or equivalent uniform amount with uniform premiums for the whole of life issued at the same age for the same amount of insurance, whichever is less.

However, in applying the percentages specified in subparagraphs (3) and (4), no adjusted premium shall be deemed to exceed four percent of the amount of insurance or an equivalent uniform amount.

5670§508.37, LIFE INSURANCE COMPANIES
for the purposes of subparagraphs (2), (3) and (4) of paragraph "a", the amount of insurance or equivalent uniform amount of insurance used in the calculation of the adjusted premiums referred to in item (2) in this paragraph shall be equal to the excess of the corresponding amount determined for the entire policy over the amount used in the calculation of the adjusted premiums in item (1) in this paragraph.

d. (1) All adjusted premiums and present values referred to in this section shall for policies of ordinary insurance be calculated on the basis of the Commissioners 1958 Standard Ordinary Mortality Table, provided that for any category of ordinary insurance issued on female risks, adjusted premiums and present values may be calculated according to an age not more than six years younger than the actual age of the insured. The calculations for all policies of industrial insurance issued before January 1, 1968 shall be made on the basis of the 1941 Standard Industrial Mortality Table, except that a company may file with the commissioner a written notice of its election that the adjusted premiums and present values shall be calculated on the basis of the Commissioners 1961 Standard Industrial Mortality Table, after a specified date before January 1, 1968. Whether or not any election has been made, the Commissioners 1961 Standard Industrial Mortality Table shall be the basis for these calculations as to all policies of industrial insurance issued on or after January 1, 1968. All calculations shall be made on the basis of the rate of interest specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits, provided that the rate of interest shall not exceed three and one-half percent per annum, except that a rate of interest not exceeding four percent per annum may be used for policies issued on or after July 1, 1974, and prior to January 1, 1980, and a rate of interest not exceeding five and one-half percent per annum may be used for policies issued on or after January 1, 1980.

(2) However, in calculating the present value under subparagraph (1) of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed in the case of policies of ordinary insurance, may be not more than those shown in the Commissioners 1958 Extended Term Insurance Table, and in the case of policies of industrial insurance, may be not more than one hundred thirty percent of the rates of mortality according to the 1941 Standard Industrial Mortality Table, except that when the Commissioners 1961 Standard Industrial Mortality Table becomes applicable as specified in this paragraph, the rates of mortality assumed may be not more than those shown in the Commissioners 1961 Industrial Extended Term Insurance Table. In addition, for insurance issued on a substandard basis, the calculation under subparagraph (1) of adjusted premiums and present values may be based on any other table of mortality that is specified by the company and approved by the commissioner.

6. a. This subsection applies to all policies issued on or after the operative date of this subsection, as defined in paragraph "k". Except as provided in paragraph "g", the adjusted premiums for a policy shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the policy for each policy year, excluding amounts payable as extra premiums to cover impairments or special hazards and also excluding any uniform annual contract charge or policy fee specified in the policy in a statement of the method to be used in calculating the cash surrender values and paid-up nonforfeiture benefits, that the present value, at the date of issue of the policy, of all adjusted premiums is equal to the sum of the following:

(1) The then present value of the future guaranteed benefits provided for by the policy.
(2) One percent of either the amount of insurance, if the insurance is uniform in amount, or the average amount of insurance at the beginning of each of the first ten policy years.
(3) One hundred twenty-five percent of the nonforfeiture net level premium, as defined in paragraph "b". However, in applying this percentage a nonforfeiture net level premium shall not be deemed to exceed four percent of either the amount of insurance, if the insurance is uniform in amount, or the average amount of insurance at the beginning of each of the first ten policy years.

The date of issue of a policy for the purpose of this subsection is the date as of which the rated age of the insured is determined.

b. The nonforfeiture net level premium shall be equal to the present value, at the date of issue of the policy, of the guaranteed benefits provided for by the policy divided by the present value, at the date of issue of the policy, of an annuity of one per annum payable on the date of issue of the policy and on each anniversary of the policy on which a premium falls due.

c. In the case of policies which on a basis guaranteed in the policy cause unscheduled changes in benefits or premiums, or which provide an option for changes in benefits or premiums other than a change to a new policy, the adjusted premiums and present values shall initially be calculated on the assumption that future benefits and premiums do not change from those stipulated at the date of issue of the policy. At the time of a change in the benefits or premiums, the future adjusted premiums, nonforfeiture net level premiums, and present values shall be recalculated on the assumption that future benefits and premiums do not change from those stipulated by the policy immediately after the change.

d. Except as otherwise provided in paragraph "g", the recalculated future adjusted premiums for a policy shall be such uniform percentage of the re-
spective future premiums specified in the policy for each policy year, excluding amounts payable as extra premiums to cover impairments and special hazards, and also excluding any uniform annual contract charge or policy fee specified in the policy in a statement of the method to be used in calculating the cash surrender values and paid-up nonforfeiture benefits, that the present value, at the time of change to the newly defined benefits or premiums, of all future adjusted premiums is equal to the excess of the sum of the then present value of the then future guaranteed benefits provided for by the policy plus the additional expense allowance, if any, over the then cash surrender value, if any, or present value of any paid-up nonforfeiture benefit under the policy.

e. The additional expense allowance, at the time of the change to the newly defined benefits or premiums, shall be the sum of one percent of the excess, if positive, of the average amount of insurance at the beginning of each of the first ten policy years subsequent to the change over the average amount of insurance prior to the change at the beginning of each of the first ten policy years subsequent to the time of the most recent previous change, or, if there has been no previous change, the date of issue of the policy, plus one hundred twenty-five percent of the increase, if positive, in the nonforfeiture net level premium.

f. The recalculated nonforfeiture net level premium shall be equal to the result obtained by dividing (1) by (2), where (1) and (2) are as follows:

(1) The sum of the nonforfeiture net level premium applicable prior to the change times the present value of an annuity of one per annum payable on each anniversary of the policy on or subsequent to the date of the change on which a premium would have fallen due had the change not occurred, plus the present value of the increase in future guaranteed benefits provided for by the policy.

(2) The present value of an annuity of one per annum payable on each anniversary of the policy on or subsequent to the date of change on which a premium falls due.

g. Notwithstanding any contrary provision of this subsection, in the case of a policy issued on a substandard basis which provides reduced graded amounts of insurance so that, in each policy year, the policy has the same tabular mortality cost as an otherwise similar policy issued on the standard basis which provides higher uniform amounts of insurance, adjusted premiums and present values for the substandard policy may be calculated as if it were issued to provide those higher uniform amounts of insurance on the standard basis.

h. Adjusted premiums and present values referred to in this section shall for all policies of ordinary insurance be calculated on the basis of either the Commissioners 1980 Standard Ordinary Mortality Table or, at the election of the company for any one or more specified plans of life insurance, the Commissioners 1980 Standard Ordinary Mortality Table with Ten-Year Select Mortality Factors; shall for all policies of industrial insurance be calculated on the basis of the Commissioners 1961 Standard Industrial Mortality Table; and shall for all policies issued in a particular calendar year be calculated on the basis of a rate of interest not exceeding the nonforfeiture interest rate as defined in paragraph “i” for policies issued in that calendar year. However:

(1) At the option of the company, calculations for all policies issued in a particular calendar year may be made on the basis of a rate of interest not exceeding the nonforfeiture interest rate, as defined in paragraph “i”, for policies issued in the immediately preceding calendar year.

(2) Under any paid-up nonforfeiture benefit, including any paid-up dividend additions, any cash surrender value available, whether or not required by subsection 1, shall be calculated on the basis of the mortality table and rate of interest used in determining the amount of the paid-up nonforfeiture benefit and paid-up dividend additions, if any.

(3) A company may calculate the amount of any guaranteed paid-up nonforfeiture benefit including any paid-up additions under the policy on the basis of an interest rate no lower than that specified in the policy for calculating cash surrender values.

(4) In calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than those shown in the Commissioners 1980 Extended Term Insurance Table for policies of ordinary insurance and not more than the Commissioners 1961 Industrial Extended Term Insurance Table for policies of industrial insurance.

(5) For insurance issued on a substandard basis, the calculation of adjusted premiums and present values may be based on appropriate modifications of the tables referred to in this paragraph.

(6) Any ordinary mortality tables adopted after 1980 by the national association of insurance commissioners and approved by rule adopted by the commissioner for use in determining the minimum nonforfeiture standard may be substituted for the Commissioners 1980 Standard Ordinary Mortality Table with or without Ten-Year Select Mortality Factors or for the Commissioners 1980 Extended Term Insurance Table.

(7) Any industrial mortality tables adopted after 1980 by the national association of insurance commissioners and approved by rule adopted by the commissioner for use in determining the minimum nonforfeiture standard may be substituted for the Commissioners 1961 Standard Industrial Mortality Table or the Commissioners 1961 Industrial Extended Term Insurance Table.

i. The nonforfeiture interest rate per annum
for any policy issued in a particular calendar year shall be equal to one hundred twenty-five percent of the calendar year statutory valuation interest rate for the policy as defined in section 508.36, rounded to the nearest one quarter of one percent.

j. Notwithstanding any contrary provision of the insurance laws of this state, any refiling of nonforfeiture values or their methods of computation for any previously approved policy form which involves only a change in the interest rate or mortality table used to compute nonforfeiture values shall not require refiling of any other provisions of that policy form.

k. After the effective date of this subsection, a company may file with the commissioner a written notice of its election to comply with this subsection after a specified date before January 1, 1989, which shall be the operative date of this subsection for that company. If a company makes no election, the operative date of this subsection for the company is January 1, 1989.

l. In the case of any plan of life insurance which provides for future premium determinations, the amounts of which are to be determined by the insurance company based on then estimates of future experience, or in the case of any plan of life insurance which is of such a nature that minimum values cannot be determined by the methods described in subsection 1, 2, 3, 4, 5, or 6, then all of the following conditions must be met:

a. The commissioner must be satisfied that the benefits provided under the plan are substantially as favorable to policyholders and insureds as the minimum benefits otherwise required by subsection 1, 2, 3, 4, 5, or 6.

b. The commissioner must be satisfied that the benefits and the pattern of premiums of that plan are not misleading to prospective policyholders or insureds.

c. The cash surrender values and paid-up nonforfeiture benefits provided by the plan must not be less than the minimum values and benefits required for the plan computed by a method consistent with the principles of this section, as determined by rules adopted by the commissioner.

l. Any cash surrender value and any paid-up nonforfeiture benefit, available under the policy in the event of default in a premium payment due at any time other than on the policy anniversary, shall be calculated with allowance for the lapse of time and the payment of fractional premiums beyond the last preceding policy anniversary. All values referred to in subsections 3, 4, 5, and 6 may be calculated upon the assumption that any death benefit is payable at the end of the policy year of death. The net value of any paid-up additions, other than paid-up term additions, shall be not less than the amounts used to provide the additions. Notwithstanding subsection 3, additional benefits payable in the event of death or dismemberment by accident or accidental means, or in the event of total and permanent disability, or as reversionary annuity or deferred reversionary annuity benefits, or as term insurance benefits provided by a rider or supplemental policy provision to which, if issued as a separate policy, this section would not apply, or as term insurance on the life of a child or on the lives of children provided in a policy on the life of a parent of the child, if the term insurance expires before the child's age is twenty-six, is uniform in amount after the child's age is one, and has not become paid up by reason of the death of a parent of the child, or as other policy benefits additional to life insurance and endowment benefits, and the premiums for all of these additional benefits, shall be disregarded in ascertaining cash surrender values and nonforfeiture benefits required by this section, and none of these additional benefits shall be required to be included in any paid-up nonforfeiture benefits.

m. This subsection, in addition to all other applicable subsections of this section, applies to all policies issued on or after January 1, 1985. Any cash surrender value available under the policy in the event of default in a premium payment due on any policy anniversary shall be in an amount which does not differ by more than two-tenths of one percent of either the amount of insurance, if the insurance is uniform in amount, or the average amount of insurance at the beginning of each of the first ten policy years, from the sum of the greater of zero and the basic cash value specified in paragraph "b" plus the present value of any existing paid-up additions less the amount of any indebtedness to the company under the policy.

n. The basic cash value shall be equal to the present value, on the anniversary, of the future guaranteed benefits which would have been provided for by the policy, excluding any existing paid-up additions and before deduction of any indebtedness to the company, if there had been no default, less the then present value of the nonforfeiture factors, as defined in paragraph "c", corresponding to premiums which would have fallen due on and after the anniversary. However, the effects on the basic cash value of supplemental life insurance or annuity benefits or of family coverage, as described in subsection 3 or 5, whichever is applicable, shall be the same as the effects specified in subsection 3 or 5, whichever is applicable, on the cash surrender values defined in that subsection.

o. (1) The nonforfeiture factor for each policy year shall be an amount equal to a percentage of the adjusted premium for the policy year, as defined in subsection 5 or 6, whichever is applicable. Except as is required by subparagraph (2) of this paragraph, this percentage must satisfy both of the following requirements:

(a) It must be the same percentage for each policy year between the second policy anniversary and the later of the fifth policy anniversary or the first policy anniversary at which there is available under the policy a cash surrender value in an amount, before including any paid-up additions
§508.37, LIFE INSURANCE COMPANIES

and before deducting any indebtedness, of at least two-tenths of one percent of either the amount of insurance, if the insurance is uniform in amount, or the average amount of insurance at the beginning of each of the first ten policy years.

(b) It must be such that no percentage after the later of the two policy anniversaries specified in subdivision (a) of this subparagraph may apply to fewer than five consecutive policy years.

(2) A basic cash value shall not be less than the value which would be obtained if the adjusted premiums for the policy, as defined in subsection 5 or 6, whichever is applicable, were substituted for the nonforfeiture factors in the calculation of the basic cash value.

d. Adjusted premiums and present values referred to in this subsection shall for a particular policy be calculated on the same mortality and interest bases as are used in demonstrating the policy's compliance with the other subsections of this section. The cash surrender values referred to in this subsection shall include any endowment benefits provided for by the policy.

e. Any cash surrender value available other than in the event of default in a premium payment due on a policy anniversary, and the amount of any paid-up nonforfeiture benefit available under the policy in the event of default in a premium payment, shall be determined in manners consistent with the manners specified for determining the analogous minimum amounts in subsections 1, 2, 3, 4, 5, and 6. The amounts of any cash surrender values and of any paid-up nonforfeiture benefits granted in connection with additional benefits such as those described in subsection 8 shall conform with the principles of this subsection.

10. a. This section does not apply to any of the following:

(1) Reinsurance.

(2) Group insurance.

(3) Pure endowment contracts.

(4) Annuity or reversionary annuity contracts.

(5) A term policy of uniform amount which provides no guaranteed nonforfeiture or endowment benefits, or a renewal thereof of twenty years or less expiring before age seventy-one, for which uniform premiums are payable during the entire term of the policy.

(6) A term policy of decreasing amount, which provides no guaranteed nonforfeiture or endowment benefits, on which each adjusted premium, calculated as specified in subsections 5 and 6, is less than the adjusted premium so calculated, on a term policy of uniform amount, or renewal thereof, which provides no guaranteed nonforfeiture or endowment benefits, issued at the same age and for the same initial amount of insurance and for a term of twenty years or less expiring before age seventy-one, for which uniform premiums are payable during the entire term of the policy.

(7) A policy, which provides no guaranteed nonforfeiture or endowment benefits, for which no cash surrender value, if any, or present value of any paid-up nonforfeiture benefit, at the beginning of any policy year, calculated as specified in subsections 3, 4, 5, and 6, exceeds two and one-half percent of the amount of insurance at the beginning of the same policy year.

(b) It must be such that no percentage after the later of the two policy anniversaries specified in subdivision (a) of this subparagraph may apply to fewer than five consecutive policy years.

(2) A basic cash value shall not be less than the value which would be obtained if the adjusted premiums for the policy, as defined in subsection 5 or 6, whichever is applicable, were substituted for the nonforfeiture factors in the calculation of the basic cash value.

d. Adjusted premiums and present values referred to in this subsection shall for a particular policy be calculated on the same mortality and interest bases as are used in demonstrating the policy's compliance with the other subsections of this section. The cash surrender values referred to in this subsection shall include any endowment benefits provided for by the policy.

e. Any cash surrender value available other than in the event of default in a premium payment due on a policy anniversary, and the amount of any paid-up nonforfeiture benefit available under the policy in the event of default in a premium payment, shall be determined in manners consistent with the manners specified for determining the analogous minimum amounts in subsections 1, 2, 3, 4, 5, and 6. The amounts of any cash surrender values and of any paid-up nonforfeiture benefits granted in connection with additional benefits such as those described in subsection 8 shall conform with the principles of this subsection.

10. a. This section does not apply to any of the following:

(1) Reinsurance.

(2) Group insurance.

(3) Pure endowment contracts.

(4) Annuity or reversionary annuity contracts.

(5) A term policy of uniform amount which provides no guaranteed nonforfeiture or endowment benefits, or a renewal thereof of twenty years or less expiring before age seventy-one, for which uniform premiums are payable during the entire term of the policy.

(6) A term policy of decreasing amount, which provides no guaranteed nonforfeiture or endowment benefits, on which each adjusted premium, calculated as specified in subsections 5 and 6, is less than the adjusted premium so calculated, on a term policy of uniform amount, or renewal thereof, which provides no guaranteed nonforfeiture or endowment benefits, issued at the same age and for the same initial amount of insurance and for a term of twenty years or less expiring before age seventy-one, for which uniform premiums are payable during the entire term of the policy.

(7) A policy, which provides no guaranteed nonforfeiture or endowment benefits, for which no cash surrender value, if any, or present value of any paid-up nonforfeiture benefit, at the beginning of any policy year, calculated as specified in subsections 3, 4, 5, and 6, exceeds two and one-half percent of the amount of insurance at the beginning of the same policy year.

(8) A policy delivered outside this state through an agent or other representative of the company issuing the policy.

508.38 Standard nonforfeitures — deferred annuities.

This section shall be known as the “Standard Nonforfeiture Law for Individual Deferred Annuities.”

1. This section does not apply to any reinsurance, group annuity purchased under a retirement plan or plan of deferred compensation established or maintained by an employer (including a partnership or sole proprietorship) or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under section 408 of the United States Internal Revenue Code, as now or hereafter amended, premium deposit fund, variable annuity, investment annuity, immediate annuity, any deferred annuity contract after annuity payments have commenced, or reversionary annuity, nor to any contract which is delivered outside this state through an agent or other representative of the company issuing the contract.

2. In the case of contracts issued on or after the operative date of this section as defined in subsection 11, no contract of annuity, except as stated in subsection 1, shall be delivered or issued for delivery in this state unless it contains in substance the following provisions, or corresponding provisions that in the opinion of the commissioner are at least as favorable to the contract holder, upon cessation of payment of considerations under the contract:

a. That upon cessation of payment of considerations under a contract or upon the written re-
quest of the contract owner, the company shall grant a paid-up annuity benefit on a plan stipulated in the contract of such value as is specified in subsections 4, 5, 6, 7, and 9.

b. If a contract provides for a lump sum settlement at maturity, or at any other time, that upon surrender of the contract at or prior to the commencement of any annuity payments, the company shall pay in lieu of a paid-up annuity benefit a cash surrender benefit of such amount as is specified in subsections 4, 5, 7, and 9. The company may reserve the right to defer the payment of such cash surrender benefit for a period not to exceed six months after demand therefore with surrender of the contract after making written request and receiving written approval of the commissioner. The request shall address the necessity and equitability to all policyholders of the deferral.

c. A statement of the mortality table, if any, and interest rates used in calculating any minimum paid-up annuity, cash surrender or death benefits that are guaranteed under the contract, together with sufficient information to determine the amounts of such benefits.

d. A statement that any paid-up annuity, cash surrender or death benefits that may be available under the contract are not less than the minimum benefits required by any statute of the state in which the contract is delivered and an explanation of the manner in which such benefits are altered by the existence of any additional amounts credited by the company to the contract, any indebtedness to the company on the contract or any prior withdrawals from or partial surrenders of the contract.

Notwithstanding the requirements of this subsection 2, any deferred annuity contract may provide that if no considerations have been received under a contract for a period of two full years and the portion of the paid-up annuity benefit at maturity on the plan stipulated in the contract arising from considerations paid prior to such period would be less than twenty dollars monthly, the company may at its option terminate such contract by payment in cash of the then present value of such portion of the paid-up annuity benefit, calculated on the basis of the mortality table, if any, and interest rate specified in the contract for determining the paid-up annuity benefit, and by such payment shall be relieved of any further obligation under such contract.

3. The minimum values as specified in subsections 4, 5, 6, 7, and 9 of any paid-up annuity, cash surrender, or death benefits available under an annuity contract shall be based upon minimum nonforfeiture amounts as defined in this section.

a. The minimum nonforfeiture amount at any time at or prior to the commencement of any annuity payments shall be equal to an accumulation up to such time at rates of interest as indicated in paragraph “b” of the net considerations (as hereinafter defined) paid prior to such time, decreased by the sum of all of the following:

(1) Any prior withdrawals from or partial surrenders of the contract accumulated at rates of interest as indicated in paragraph “b”.

(2) An annual contract charge of fifty dollars, accumulated at rates of interest as indicated in paragraph “b”.

(3) The amount of any indebtedness to the company on the contract, including interest due and accrued.

The net considerations for a given contract year used to define the minimum nonforfeiture amount shall be an amount equal to eighty-seven and one-half percent of the gross considerations credited to the contract during the contract year.

b. The interest rate used in determining minimum nonforfeiture amounts shall be an annual rate of interest determined as the lesser of three percent per annum and all of the following, which shall be specified in the contract if the interest rate will be reset:

(1) The five-year constant maturity treasury rate reported by the federal reserve as of a date, or average over a period, rounded to the nearest one-hundredth of one percent, specified in the contract no longer than fifteen months prior to the contract issue date or redetermination date under subparagraph (4).

(2) The result of subparagraph (1) shall be reduced by one hundred twenty-five basis points.

(3) The resulting interest guarantee shall not be less than one percent.

(4) The interest rate shall apply for an initial period and may be redetermined for additional periods. The redetermination date, basis, and period, if any, shall be stated in the contract. The basis is the date or average over a specified period that produces the value of the five-year constant maturity treasury rate to be used at each redetermination date.

During the period or term that a contract provides substantive participation in an equity indexed benefit, it may increase the reduction described in subparagraph (2), by up to an additional one hundred basis points to reflect the value of the equity index benefit. The present value at the contract issue date and at each redetermination date thereafter of the additional reduction shall not exceed the market value of the benefit. The commissioner may require a demonstration that the present value of the reduction does not exceed the market value of the benefit. Lacking such a demonstration that is acceptable to the commissioner, the commissioner may disallow or limit the additional reduction.

The commissioner may adopt rules to implement the provisions of subparagraph (4), and to provide for further adjustments to the calculation.
of minimum nonforfeiture amounts for contracts that provide substantive participation in an equity index benefit and for other contracts that the commissioner determines adjustments are justified.

4. Any paid-up annuity benefit available under a contract shall be such that its present value on the date annuity payments are to commence is at least equal to the minimum nonforfeiture amount on that date. Such present value shall be computed using the mortality table, if any, and the interest rate specified in the contract for determining the minimum paid-up annuity benefits guaranteed in the contract.

5. For contracts which provide cash surrender benefits, such cash surrender benefits available prior to maturity shall not be less than the present value as of the date of surrender of that portion of the maturity value of the paid-up annuity benefit which would be provided under the contract at maturity arising from considerations paid prior to the time of cash surrender reduced by the amount appropriate to reflect any prior withdrawals from or partial surrenders of the contract, such present value being calculated on the basis of an interest rate not more than one percent higher than the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, decreased by the amount of any indebtedness to the company on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the company to the contract. In no event shall any cash surrender benefit be less than the minimum nonforfeiture amount at that time. The death benefit under such contracts shall be at least equal to the cash surrender benefit.

6. For contracts which do not provide cash surrender benefits, the present value of any paid-up annuity benefit available as a nonforfeiture option at any time prior to maturity shall not be less than the present value of that portion of the maturity value of the paid-up annuity benefit provided under the contract arising from considerations paid prior to the time the contract is surrendered in exchange for or changed to, a deferred paid-up annuity, such present value being calculated for the period prior to the maturity date on the basis of the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, and increased by any existing additional amounts credited by the company to the contract. For contracts which do not provide any death benefits prior to the commencement of any annuity payments, such present values shall be calculated on the basis of such interest rate and the mortality table specified in the contract for determining the maturity value of the paid-up annuity benefit. However, in no event shall the present value of a paid-up annuity benefit be less than the minimum nonforfeiture amount at that time.

7. For the purpose of determining the benefits calculated under subsections 5 and 6, in the case of annuity contracts under which an election may be made to have annuity payments commence at optional maturity dates, the maturity date shall be deemed to be the latest date for which election shall be permitted by the contract, but shall not be deemed to be later than the anniversary of the contract next following the annuitant’s seventieth birthday or the tenth anniversary of the contract, whichever is later.

8. Any contract which does not provide cash surrender benefits or does not provide death benefits at least equal to the minimum nonforfeiture amount prior to the commencement of any annuity payments shall include a statement in a prominent place in the contract that such benefits are not provided.

9. Any paid-up annuity, cash surrender or death benefits available at any time, other than on the contract anniversary under any contract with fixed scheduled considerations, shall be calculated with allowance for the lapse of time and the payment of any scheduled considerations beyond the beginning of the contract year in which cessation of payment of considerations under the contract occurs.

10. For any contract which provides, within the same contract by rider or supplemental contract provision, both annuity benefits and life insurance benefits that are in excess of the greater of cash surrender benefits or a return of the gross premium, the mortality table, if any, for the life insurance portion computed as if each portion were a separate contract. Notwithstanding the provisions of subsections 4, 5, 6, 7, and 9, additional benefits payable (a) in the event of total and permanent disability; (b) as reversionary annuity or deferred reversionary annuity benefits, or (c) as other policy benefits additional to life insurance, endowment, and annuity benefits, and considerations for all such additional benefits, shall be disregarded in ascertaining the minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits that may be required by this section. The inclusion of such additional benefits shall not be required in any paid-up benefits, unless such additional benefits separately would require minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits.

11. After July 1, 2003, a company may elect either to apply the provisions of this section as it existed prior to July 1, 2003, or to apply the provisions of this section as amended by 2003 Acts, ch 91, § 8 – 10, to annuity contracts on a contract form-by-form basis before July 1, 2005. In all oth-
er instances, this section shall become operative with respect to annuity contracts issued by the company two years after July 1, 2003.

508.39 Dividends.
The directors or managers of a stock company, incorporated under the laws of this state, shall make no dividends except from the earned profits arising from their business, which shall not include contributed capital or contributed surplus.

CHAPTER 508A
VARIABLE ANNUITIES AND LIFE INSURANCE

508A.1 Basic requirements.
A domestic life insurance company organized under chapter 508 may establish one or more separate accounts, and may allocate to such accounts amounts, including without limitation proceeds applied under optional modes of settlement or under dividend options, to provide for life insurance or annuities, and benefits incidental to such life insurance or annuities, payable in fixed or variable amounts or both, and may hold and accumulate funds pursuant to funding agreements, subject to the following:
1. The income, gains and losses, realized or unrealized, from assets allocated to a separate account shall be credited to or charged against the account, without regard to other income, gains or losses of the company.
2. Except as may be provided with respect to reserves for guaranteed benefits and funds referred to in subsection 3:
   a. Amounts allocated to any separate account and accumulations thereon may be invested and reinvested without regard to any requirements or limitations prescribed by the laws of this state governing the investments of such life insurance companies; and
   b. The investments in such separate account or accounts shall not be taken into account in applying the investment limitations otherwise applicable to the investments of such company.
3. Except with the approval of the commissioner of insurance and under such conditions as to investments and other matters as the commissioner may prescribe, which shall recognize the guaranteed nature of the benefits provided, reserves for benefits guaranteed as to dollar amount and duration and funds guaranteed as to principal amount or stated rate of interest shall not be maintained in a separate account.
4. Unless otherwise approved by the commissioner of insurance, assets allocated to a separate account shall be valued at their market value on the date of valuation, or if there is no readily available market, then as provided under the terms of the contract or the rules or other written agreement applicable to such separate account; however, unless otherwise approved by the commissioner of insurance, the portion, if any, of the assets of such separate account equal to the company’s reserve liability with regard to the guaranteed benefits and funds referred to in subsection 3 shall be valued in accordance with the rules otherwise applicable to the company’s assets.
5. Amounts allocated to a separate account in the exercise of the power granted by this chapter shall be owned by the company, and the company shall not be, nor hold itself out to be, a trustee with respect to such amounts. Unless it is provided to the contrary under the applicable contracts, that portion of the assets of any such separate account equal to the reserves and other contract liabilities with respect to such account shall not be chargeable with liabilities arising out of any other business the company may conduct.
6. No sale, exchange or other transfer of assets may be made by such company between any of its separate accounts or between any other investment account and one or more of its separate accounts unless, in case of a transfer into a separate account, such transfer is made solely to establish the account or to support the operation of the contracts with respect to the separate account to which the transfer is made, and unless such transfer, whether into or from a separate account, is made by a transfer of cash, or by a transfer of securities having a readily determinable market value, provided that such transfer of securities is approved by the commissioner of insurance. The commissioner of insurance may approve other transfers among such accounts if, in the commis-
...sioner's opinion, such transfers would not be inequitable.

7. To the extent such company deems it necessary to comply with any applicable federal or state laws, such company, with respect to any separate account, including without limitation any separate account which is a management investment company or a unit investment trust, may provide for persons having an interest therein appropriate voting and other rights and special procedures for the conduct of the business of such account, including without limitation special rights and procedures relating to investment policy, investment advisory services, selection of independent public accountants, and the selection of a committee, the members of which need not be otherwise affiliated with such company, to manage the business of such account.

8. If the assets of an insurer allocated to and accumulated in a separate account in connection with any policy, annuity, agreement, instrument, or contract, after the satisfaction of any liabilities with regard to the operation of the separate account, are insufficient to fully satisfy the insurer's express obligations under the policy, annuity, agreement, instrument, or contract, then claims for the unsatisfied portions of the insurer's obligations shall be class 2 claims under section 507C.42, subsection 2.

508A.2 Statement of variables.
Any contract providing benefits payable in variable amounts delivered or issued for delivery in this state shall contain a statement of the essential features of the procedures to be followed by the insurance company in determining the dollar amount of such variable benefits. Any such contract under which the benefits vary to reflect investment experience, including a group contract and any certificate in evidence of variable benefits issued thereunder, shall state that such dollar amount will so vary and shall contain on its first page a statement to the effect that the benefits thereunder are on a variable basis.

508A.3 License requirements.
No company shall deliver or issue for delivery within this state variable contracts unless it is licensed or organized to do a life insurance or annuity business in this state, and the commissioner of insurance is satisfied that its condition or method of operation in connection with the issuance of such contracts will not render its operation hazardous to the public or its policyholders in this state. In this connection, the commissioner of insurance shall consider among other things:

1. The history and financial condition of the company;
2. The character, responsibility and fitness of the officers and directors of the company; and
3. The law and regulation under which the company is authorized in the state of domicile to issue variable contracts. The state of entry of an alien company shall be deemed its place of domicile for that purpose. If the company is a subsidiary of an admitted life insurance company, or affiliated with such company through common management or ownership, it may be deemed by the commissioner of insurance to have met the provisions of this section if either it or the parent or the affiliated company meets the requirements hereof.

508A.4 Authority of commissioner.
Notwithstanding any other provision of law, the commissioner of insurance shall have sole authority to regulate the issuance and sale of variable contracts, and to issue such reasonable rules and regulations as may be appropriate to carry out the purposes and provisions of this chapter.

508A.5 Other provisions applicable.
Except for section 508.37 and section 509.2, subsection 1, and except as otherwise provided in this chapter, all pertinent provisions of chapters 508, 509, 511, and 522B shall apply to separate accounts and contracts relating thereto. Any individual variable life insurance contract, delivered or issued for delivery in this state, shall contain nonforfeiture provisions appropriate to such a contract. Any group variable life insurance contract, delivered or issued for delivery in this state, shall contain a grace provision appropriate to such a contract. The reserve liability for variable contracts shall be established in accordance with actuarial procedures that recognize the variable nature of the benefits provided and any mortality guarantees.
CHAPTER 508B
CONVERSION FROM MUTUAL COMPANY TO STOCK COMPANY
Applies to plans of conversion established after July 1, 1985; 85 Acts, ch 127, §16

508B.1 Definitions.

As used in this chapter, unless the context clearly indicates otherwise:

1. "Commissioner" means the commissioner of insurance.

2. “Mutual life insurance company” or “mutual company” means a level premium and natural premium life insurance company authorized under chapter 508 upon the mutual plan and includes a domestic company which meets the requirements of section 508.12.

3. a. “Plan of conversion” or “conversion plan” means a plan authorized by section 508B.3 and, in the case of plans authorized by section 508B.3, subsections 1 and 3, includes a procedure by which the mutual company’s participating policies and contracts in force on the effective date of the conversion plan are operated by the reorganized company as a closed block of participating business for the exclusive benefit of the policies and contracts included, for dividend purposes only; to which are allocated assets of the mutual company in an amount which together with anticipated revenue from the business is reasonably expected to be sufficient to support the business; and which includes, but is not limited to, provisions for payment of claims and reasonable expenses, and provisions for continuation of current payable dividend scales if the experience underlying the scales continues, and a procedure for appropriate adjustments in the scales if the experience changes. However, at the option of the mutual company, some or all classes of group policies and contracts shall not be placed in the closed block but shall continue to be eligible to receive dividends based on the experience of the class or classes.

b. If any amount of the policyholders’ consideration as specified in section 508B.3, subsection 3, paragraph “b”, for certain classes of policies or contracts is to be paid in the form of increased annual dividends to the policyholders in those classes, that amount is to be added to the assets allocated as provided in paragraph “a” and is to be paid to those classes.

4. "Policyholder" means a person, determined by the mutual company, who is the holder of a policy or annuity contract for the purposes of section 508B.3, subsection 1, 2, or 3.

5. “Policyholders’ membership interest” means all policyholders’ rights as members of the mutual company including, but not limited to, rights to vote and participate in any distribution of surplus whether or not incident to liquidation of the mutual company.

6. “Reorganized company” means the domestic stock company into which a mutual company has been converted, converted and merged, or converted and consolidated.

7. “Stock life insurance company” or “stock company” means a life insurance company authorized under chapter 508 upon the stock plan and includes a domestic company which meets the requirements of section 508.12.

508B.2 Mutual company becoming stock company — authorization.

A mutual life insurance company may become a stock life insurance company pursuant to a plan of conversion established and approved in the manner provided by this chapter.

A plan of conversion may provide that a mutual company may convert into a domestic stock company, convert and merge, or convert and consolidate with a domestic stock company, as provided in chapter 490 or 491, whichever is applicable. However, the mutual company is not required to...
§508B.2, CONVERSION FROM MUTUAL COMPANY TO STOCK COMPANY

comply with sections 491.102 through 491.105 or sections 490.1102 and 490.1104 relating to approval of merger or consolidation plans by boards of directors and shareholders, if at the time of approval of the plan of conversion the board of directors approves the merger or consolidation and if at the time of approval of the plan by policyholders as provided in section 508B.6, the policyholders approve the merger or consolidation. This chapter supersedes any conflicting provisions of chapters 521 and 521A. A mutual company may convert, merge, or consolidate as part of a plan of conversion in which a majority of all of the common shares of the stock company are acquired by another corporation, which may be a corporation organized for that purpose, or in which the new stock company consolidates with a stock company to form another stock company.

In lieu of selecting a plan of conversion provided for in this chapter, a mutual company may convert to a stock company pursuant to a plan approved by the commissioner. The commissioner or the mutual company may use any provisions or combination of provisions provided for in a plan in this chapter and may adopt any other provisions which are not unfair or inequitable to the policyholders of the mutual company. If a mutual company selects this procedure for conversion purposes, the mutual company shall reimburse the state for expenses incurred by the division in connection with the conversion plan except for expenses that are normal operating expenses of the division.

A plan of conversion shall be fair and equitable if it satisfies the conditions of subsection 1, 2, or 3. The commissioner may determine whether any other plan proposed by a mutual company is fair and equitable to its policyholders.

1. Subject to paragraph "b", a plan of conversion under this subsection shall provide all of the following:

a. The policyholders’ membership interest shall be exchanged, in a manner which takes into account the estimated proportionate contribution of surplus of each class of participating policies and contracts, for all of the common shares of the reorganized company or its parent company, if any, or for either a combination of the common shares of the reorganized company or its parent company, if any, and consideration equal to the proceeds of the sale of the common shares by the issuer or by a trust or other entity existing for the exclusive benefit of policyholders and established solely for the purpose of effecting the conversion, to which trust or other entity the common shares, or the options to acquire or securities convertible into the common shares, shall be issued by the issuer on the effective date of the conversion. The consideration shall be distributed to policyholders during a process of conversion specified in the plan which shall not last more than ten years after the effective date of conversion or until the death of the policyholder, whichever occurs first.

b. Unless the anticipated issuance within a shorter period is disclosed, the issuer of common shares shall not, within two years after the effective date of reorganization, issue either of the following:

(1) Any of its common shares or any securities convertible with or without consideration into the common shares or carrying any warrant to subscribe to or purchase common shares.

(2) Any warrant, right or option to subscribe to or purchase the common shares or other securities described in subparagraph (1), except for the issue of common shares to or for the benefit of policyholders pursuant to the plan of conversion and the issue of stock in anticipation of options for the purchase of common shares being granted to officers or employees of the reorganized company or its parent company, if any, pursuant to this chapter.

c. Unless the common shares have a public market when issued, the issuer shall use its best efforts to encourage and assist in the establishment of a public market for the common shares within two years of the effective date of the conversion or a longer period as disclosed in the plan of conversion. Within one year after the offering of stock other than the initial distribution, but no later than six years after the effective date of the conversion, the reorganized company shall offer to make available to policyholders who received and retained shares of stock with minimal values on conversion, a procedure to dispose of those shares of stock at market value without brokerage commissions or similar fees.

2. A plan of conversion under this subsection shall provide all of the following:

a. The mutual company’s participating business, comprised of its participating policies and contracts in force on the effective date of the conversion, shall be operated by the reorganized insurer as a closed block of participating business. However, at the option of the mutual company, group policies and group contracts may be omitted from the closed block.

b. Assets of the mutual company shall be allocated to the closed block of participating business in an amount equal to the reserves and liabilities for the mutual life insurer’s participating policies and contracts in force on the effective date of the conversion.

c. The consideration to be given in exchange for the policyholders’ membership interest consists of aggregate consideration in a form or forms selected by the mutual company having a value
equal to the amount of the statutory surplus of the mutual life insurer.

d. The consideration is allocated among the policyholders in a manner which is fair and equitable to the policyholders.

e. The reorganized company or its parent corporation shall issue and sell shares of one or more classes having a total price equal to the estimated value in the market on the initial offering date of the shares.

f. The estimated value shall take into account all of the following:

(1) The consideration to be given to policyholders pursuant to paragraph "e".

(2) The proceeds of the sale of the shares.

(3) Any additional value attributable to the shares as a result of a purchaser or a group of purchasers who acted in concert to obtain shares in the initial offering, attaining, through such purchase, control of the reorganized company or its parent corporation.

g. If a purchaser or a group of purchasers acting in concert is to attain such control in the initial offering, the mutual company shall not, directly or indirectly, pay for any of the costs or expenses of conversion of the mutual company, whether or not the conversion is effected.

h. The reorganized company may share in the profits of the closed block of participating business for the benefit of stockholders.

3. A plan of conversion under this subsection shall satisfy all of paragraphs "a" through "j" and may add or substitute, as applicable, the options provided in paragraphs "k" and "l".

a. The reorganized company or its parent corporation shall issue and sell shares of one or more classes having a total price equal to the estimated market value on the initial offering taking into account the value to be given to participating policyholders pursuant to paragraph "b" and the proceeds of the sale.

b. The participating policyholders’ consideration shall be based on the latest annual statement, updated to the effective date of the conversion plan, and filed prior to the effective date of the adoption by the board of directors of the plan of conversion. The policyholders’ consideration shall be equal to the sum of the total amount of assets allocated to the participating business and an amount equal to reserves and other liabilities attributable to any group participating policies and contracts not included in the closed block of participating business.

c. The consideration to be given in exchange for the policyholders’ membership interest shall consist of the participating policyholders’ consideration and nontransferable preemptive subscription rights to purchase all of the common shares of the issuer and the establishment of a liquidation account for the benefit of the policyholders in the event of a subsequent complete liquidation of the reorganized company having the terms described in paragraph "j".

d. The consideration and the preemptive subscription rights to purchase the common shares shall be allocated among the participating policyholders in a manner determined by the reorganized company which takes into account the estimated contribution of each class of participating policies and contracts to the total amount of the policyholders’ consideration.

e. The number of the common shares which any person, together with any affiliates or group of persons acting in concert, may subscribe for or purchase in the reorganization shall be limited to not more than five percent of the common shares. For this purpose, neither the members of the board of directors of the reorganized company nor of its parent corporation, if any, shall be deemed to be affiliates or a group of persons acting in concert solely by reason of their board membership.

f. Unless the common shares have a public market when issued, officers and directors of the issuer and their affiliates shall not, for at least ninety days after the date of conversion, purchase common shares of the issuer, except in negotiated transactions involving more than ten percent of the outstanding common shares.

g. Unless the common shares have a public market when issued, the issuer shall use its best efforts to encourage and assist in the establishment of a public market for the common shares.

h. The issuer shall not, for at least three years following the conversion, repurchase any of its common shares except pursuant to a pro rata tender offer to all shareholders.

i. Until the liquidation account has been reduced to zero, the issuer shall not declare or pay a cash dividend on, or repurchase any of, its common shares in an amount in excess of its cumulative earned surplus generated after the conversion determined in accordance with generally accepted accounting principles, if the effect would be to cause the amount of the statutory surplus of the reorganized company to be reduced below the then amount of the liquidation account.

j. The liquidation account referred to in paragraph "e" must be equal to the excess of the total amount of the assets of the mutual company as of the effective date of the conversion over the sum of the total amount of assets allocated to the closed block of participating business and the policyholders’ consideration and other reserves and liabilities attributed to policies and contracts not included in the amount attributable to the closed block of participating business and the policyholders’ consideration and other reserves and liabilities attributed to policies and contracts not included in the amount attributable to policies and contracts in force on that effective date. The determinations shall be based on the latest annual statement of the mutual company, updated to the effective date, and filed before the effective date of the conversion plan. The function of the liquidation account is solely to establish a priority on liquidation and its existence does not restrict the use
or application of the surplus of the reorganized company except as specified in paragraph "j". The liquidation account shall be allocated equally as of the effective date of conversion among the then participating policyholders. The amount allocated to a policy or contract shall not increase and shall be reduced to zero when the policy or contract terminates. In the event of a complete liquidation of the reorganized company, the policyholders among which the liquidation account is allocated are entitled to receive a liquidation distribution in the then amount of the liquidation account before any liquidation distribution is made with respect to shares.

k. At the option of the mutual company, the consideration to be given in exchange for the policyholders' membership interests may consist of cash, securities of the reorganized company, securities of another institution, a certificate of contribution, additional life insurance, annuity benefits, increased dividends, or other consideration or any combination of forms of consideration. The consideration, if any, given to a class or category of policyholders may differ from the consideration given to another class or category of policyholders. The certificate of contribution shall be repayable in ten years, equal to one hundred percent of the value of the policyholders' membership interest, and bear interest at the highest rate charged by the reorganized company for policy loans on the effective date of the conversion.

l. At the option of the mutual company, a plan may provide that any shares of the stock of the reorganized company or its parent corporation included in the policyholders' consideration be placed on the effective date of the conversion in a trust or other entity existing for the exclusive benefit of the participating policyholders and established solely for the purpose of effecting the reorganization. Under this option, the shares placed in trust shall be sold over a period of not more than ten years and the proceeds of the shares shall be distributed using the distribution priorities prescribed in the plan.

508B.5 Appointment of consultant.

A plan may provide for the appointment by the mutual company of a person as defined in section 4.1, subsection 20, who is qualified to act as a consultant. The appointment of the consultant shall be reviewed by the commissioner and unless the commissioner finds the consultant unqualified, the consultant shall carry out the duties required by the mutual company and this chapter.

The consultant may assist in determining the equity of the policyholders or value of the mutual company. The consultant may consider the value of the consideration to be given to the participating policyholders in exchange for their membership interests and may consider the valuations necessary to carry out the plans provided for in section 508B.3. Valuations shall be made taking into account the latest filed annual statement of the mutual company, updated to the effective date of the conversion plan, and any significant developments occurring subsequent to the date of the statement.

The findings of the consultant may be modified by the mutual company at any time so long as the results are not unfair or inequitable to policyholders.

If it can be shown by the mutual company to the commissioner that an underwriter of the shares is a qualified person, the underwriter may be appointed as the consultant.

508B.6 Approval of plan by policyholders — notice of election — effective date.

The plan of conversion shall be submitted to and shall not take effect until approved by two-thirds of the policyholders of the mutual company voting on the plan. Notice of a meeting for the purpose of voting on the conversion plan shall be provided by mail to each policyholder entitled to vote in accordance with the articles of incorporation or bylaws of the mutual company. Each policyholder entitled to vote may cast one vote unless otherwise provided in the articles of incorporation or bylaws of the mutual company. Voting shall be by ballot, in person or by proxy. A quorum shall consist of a quorum as defined in the articles of incorporation or bylaws of the mutual company. A copy of the plan of conversion, or a summary of the plan of conversion, shall accompany the notice of meeting and election. The notice of meeting may contain the
The reorganized company shall exercise all rights and powers and perform all duties conferred or imposed by law on life insurance companies writing the classes of insurance written by it, and shall retain the rights and contracts existing before conversion, subject to provisions of the plan.

508B.10 Continuation of officers.
The directors and officers of the mutual company shall serve the reorganized company until new directors and officers are elected and qualify pursuant to the articles of incorporation and bylaws of the reorganized company.

508B.11 Rules.
The commissioner shall issue rules pursuant to chapter 17A to carry out the provisions of this chapter.

508B.12 Amendments — withdrawal.
At any time before the conversion, if done pursuant to rules issued by the commissioner or as may otherwise be required by the commissioner, the board of directors of a mutual company may amend the conversion plan. An amendment to a conversion plan is subject to the prior approval of the commissioner. The board of directors of a mutual company may withdraw the plan of conversion at any time prior to the conversion.

508B.13 Prohibitions on certain offers to acquire shares.
Prior to and for a period of five years following the effective date of the conversion, and in the case of the plans of conversion specified in subsections 1 and 3 of section 508B.3, five years following the date of distribution of consideration to the policyholders in exchange for their membership interests, a person, other than the reorganized company, other than an employee benefit plan or employee benefit trust sponsored by the reorganized company, or in an employee benefit trust sponsored by an employee benefit plan, shall not directly or indirectly acquire or offer to acquire the beneficial ownership of more than five percent of any class of voting security of the reorganized company, and a person, other than the reorganized company or other than an employee benefit plan or employee benefit trust sponsored by the reorganized company, who acquires five percent or more of any class of voting security of the reorganized company prior to the conversion or as specifically provided for in the plan of conversion, shall not directly or indirectly acquire or offer to acquire the beneficial ownership of additional voting securities of the re-
organized company, unless the acquisition is approved by the commissioner as not being contrary to the interests of the policyholders of the reorganized company or its life insurance company subsidiary and by the board of directors of the reorganized company. The commissioner and the board of directors may consider the factors set forth in section 490.1108A. The provisions of section 521A.3, except subsection 4, paragraph “a”, shall be applicable to a proposed acquisition subject to this section. An approved plan of conversion may include a stock option plan. As used in this section, “beneficial ownership” means, with respect to a security, the sole or shared power to vote or direct the voting of the security or the sole power to dispose or direct the disposition of the security.

§508B.14, CONVERSION FROM MUTUAL COMPANY TO STOCK COMPANY

Limitation of actions — security for attorney fees.

The commissioner’s order approving or disapproving a plan of conversion shall be considered final agency action under chapter 17A.

An action challenging the validity of a conversion plan, or any part of a conversion plan, shall not be commenced more than thirty days following the date of approval by the commissioner, unless an application for rehearing is filed pursuant to section 17A.16, subsection 2. If an application for rehearing is filed, then such action must be filed within thirty days after that application is denied or deemed denied or, if the application is granted, within thirty days after the issuance of the commissioner’s final decision on rehearing.

The reorganized company or a defendant may petition the court in such an action to give security for the reasonable attorney fees which may be incurred by any party to the action. The amount of the security may be increased or decreased in the discretion of the court having jurisdiction if a showing is made that the security provided is or may become inadequate or excessive.

CHAPTER 508C

IOWA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

508C.1 Title.

This chapter shall be cited as the “Iowa Life and Health Insurance Guaranty Association Act”.

87 Acts, ch 223, §1

508C.2 Purpose.

1. The purpose of this chapter is to protect, subject to certain limitations, the persons specified in section 508C.3, subsection 1, against failure in the performance of contractual obligations under life and health insurance policies and annuity contracts specified in section 508C.3, subsection 2, because of the impairment or insolvency of the member insurer which issued the policies or contracts.

2. To provide this protection, an association of insurers is created to enable the guaranty of payments of benefits and of continuation of coverages as limited in this chapter. Members of the association are subject to assessment to provide funds to carry out the purpose of this chapter.

87 Acts, ch 223, §2

508C.3 Scope.

1. This chapter shall provide coverage under the policies and contracts specified in subsection
2 to all of the following:

a. Except for nonresident certificate holders under group policies or contracts, persons who are the beneficiaries, assignees, or payees of the persons covered under paragraph "b".

b. Persons who are owners of the policies or contracts specified in subsection 2, or are insureds or annuitants under the policies or contracts, and who are either of the following:
   (1) Residents of this state.
   (2) Nonresidents of this state if all of the following conditions are met:
      (a) The state in which the person resides has an association similar to the association created in this chapter.
      (b) The person is not eligible for coverage by an association described in subparagraph part (a).
      (c) The insurer which issued the policy or contract never held a license or certificate of authority in the state in which the person resides.
      (d) The insurer is domiciled in this state.

2. This chapter shall provide coverage to the persons specified in subsection 1 under direct life insurance policies, health insurance policies including long-term care insurance and disability insurance policies, annuity contracts, supplemental contracts, certificates under group policies or contracts, and unallocated annuity contracts issued by member insurers.

3. This chapter does not apply to:

   a. Any portion of a policy or contract to the extent that the rate of interest on which it is based, averaged over the period of four years prior to the date on which the association becomes obligated with respect to the policy or contract, exceeds a rate of interest determined by subtracting two percentage points from Moody's corporate bond yield average for the same four-year period or over such lesser period if the policy or contract was issued less than four years before the association became obligated; and on or after the date on which the association becomes obligated with respect to the policy or contract, exceeds the rate of interest determined by subtracting three percentage points from Moody's corporate bond yield average as most recently available.

   b. That portion or part of a policy or contract under which the risk is borne by the policyholder.

   c. A policy or contract or part of a policy or contract assumed by the impaired or insolvent insurer under a contract of reinsurance, other than reinsurance for which assumption certificates have been issued.

   d. An unallocated annuity contract issued to an employee benefit plan protected under the federal pension benefit guaranty corporation, which is not issued to or in connection with a specific employee, union, or association of natural persons, or any portion of a financial guarantee.

   e. A policy or contract issued by a company which is licensed under chapter 509A, 512A, 512B, 514, 514B, 518, 518A, or 520.

   f. Except for a policy issued pursuant to section 515.48, subsection 5, paragraph "a", a policy or contract issued by a company which is licensed under chapter 515.

   g. An insurer which was placed under an order of liquidation, rehabilitation, or conservation by a court prior to July 1, 1987, is not an impaired insurer or an insolvent insurer for the purposes of this chapter.

   h. An annuity contract issued to a government lottery.

   i. A funding agreement under section 508.31A.

   j. An obligation that does not arise under the express written terms of a covered policy.

k. A contractual agreement that establishes a member insurer's obligations to provide a book value accounting guaranty for defined contribution benefit plan participants by reference to a portfolio of assets that is owned by the benefit plan or its trustee, which in each case is not an affiliate of the member insurer.

l. A portion of a covered policy to the extent it provides for interest or other change in value to be determined by the use of an index or other external reference stated in the covered policy, but which has not been credited to the covered policy, or as to which the covered policy owner's rights are subject to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer under this chapter, whichever is earlier. If a covered policy's interest or change in value is credited less frequently than annually, then for purposes of determining the values that have been credited and are not subject to forfeiture under the covered policy, the interest or change in value determined by using the procedures defined in the covered policy will be credited as if the contractual date of crediting interest or changing values was the date of impairment or insolvency, whichever is earlier, and will not be subject to forfeiture.

Subsection 2 amended

1. A nonprofit legal entity is created to be known as the Iowa life and health insurance guaranty association. All member insurers shall be and shall remain members of the association as a condition of their authority to transact insurance business in this state. The association shall perform its functions under the plan of operation established and approved under section 508C.10 and shall exercise its powers through the board of directors established in section 508C.7. For purposes of administration and assessment, the association shall maintain all of the following accounts:
   a. A health insurance account.

The members of the board shall be selected by member insurers, subject to the approval of the commissioner. 3. At the option of the association, members of the board may be reimbursed from the assets of the association for expenses incurred by them as members of the board of directors. However, members of the board shall not otherwise be compensated by the association for their services.

§508C.8 Powers and duties of the association.
1. If a domestic, foreign, or alien insurer is an
impaired insurer, the association, subject to condi-
tions imposed by the association and approved by
the impaired insurer and the commissioner, may:

a. Guarantee, assume, reinsure, or cause to be
guaranteed, assumed, or reinsured, any or all of
the covered policies of the impaired insurer.

b. Provide moneys, pledges, notes, guaran-
tees, or other means as proper to effectuate para-
graph "a" and assure payment of the contractual
obligations of the impaired insurer pending action
under paragraph "a".

c. Loan money to the impaired insurer and
guarantee borrowings by the impaired insurer,
provided the association has concluded, based on
reasonable assumptions, that there is a likelihood
of repayment of the loan and a probability that un-
less a loan is made the association would incur
substantial liabilities under subsection 2.

1A. If a domestic, foreign, or alien insurer is an
insolvent insurer, subject to the approval of the
commissioner, the association shall:

a. Guarantee, assume, or reinsure, or cause to
be guaranteed, assumed, or reinsured the covered
policies of the insolvent insurer.

b. Assure payment of the contractual obliga-
tions of the insolvent insurer.

c. Provide moneys, pledges, notes, guarantees,
or other means as reasonably necessary to dis-
charge the duties described in this subsection.

2. a. If a domestic, foreign, or alien insurer is
an impaired insurer and the insurer is not paying
claims timely, then, subject to the approval of the
commissioner and to the preconditions specified in
this subsection, the association may do either or
both of the following:

(1) Take any of the actions specified in subsec-
tion 1, subject to the conditions in that subsection.

(2) Provide substitute benefits in lieu of the
contractual obligations of the impaired insurer
solely for health claims, periodic annuity benefits,
death benefits, supplemental benefits, and cash
withdrawals for policy or contract owners who
petition for the benefits under claims of emergen-
cy or hardship in accordance with standards pro-
posed by the association and approved by the com-
misssioner.

b. The association is subject to this subsection
only if all of the following conditions are met:

(1) The laws of the state of domicile provide
that until all payments of or on account of the im-
paired insurer’s contractual obligations by all
guaranty associations, along with all interest on
the payments and expenses have been repaid to
the guaranty associations or a plan of repayment
by the impaired insurer has been approved by the
guaranty associations all of the following apply:

(a) The delinquency proceeding shall not be
dismissed.

(b) Neither the impaired insurer nor its assets
shall be returned to the control of its shareholders
or private management.

(c) The impaired insurer shall not be permit-
ted to solicit or accept new business or have any
suspended or revoked license restored.

(2) If the impaired insurer is a domestic insur-
er it has been placed under an order of rehabilita-
tion by a court of competent jurisdiction in this
state; or, if the impaired insurer is a foreign or
alien insurer it has been prohibited from soliciting
or accepting new business in this state, its certifi-
cate of authority has been suspended or revoked in
this state, and a petition for rehabilitation or liqui-
dation has been filed in a court of competent juris-
diction in its state or nation of domicile by the com-
misssioner of that state or similar authority in an
alien nation.

3. a. In carrying out its duties under subsection
2, permanent policy liens or contract liens
may be imposed in connection with a guarantee,
assumption, or reinsurance agreement, if the
court does both of the following:

(1) Finds either that the amounts which can be
assessed under this chapter are less than the
amounts needed to assure full and prompt perfor-
mance of the insolvent insurer’s contractual obli-
gations, or that the economic or financial condi-
tions as they affect member insurers are suffi-
ciently adverse to the public interest to justify the
imposition of policy or contract liens.

(2) Approves the specific policy liens or con-
tract liens to be used.

b. Before being obligated under subsection 2,
the association may request the imposition of a
temporary moratorium, not exceeding three
years, or liens on payments of cash values, ter-
minal values, and policy loans in addition to
any contractual provisions for deferral of cash val-
ues, termination values, or policy loans. The tem-
porary moratoriums and liens may be imposed by
the court as a condition of the association’s liabili-
ty with respect to the insolvent insurer.

(3) The obligations of the association under
subsection 2 regarding a covered policy shall be re-
duced to the extent that the person entitled to the
obligations has received payment of all or any part
of the contractual benefits payable under the cov-
ered policy from any other source.

(4) The association may offer modifications to
the owners of policies or contracts or classes of poli-
cies or contracts issued by the insolvent insurer,
if the association finds that under the policies or
contracts the benefits provided, provisions per-
taining to renewal, or the premiums charged or
which may be charged are not reasonable. If the
owner of a policy or contract to be modified fails or
refuses to accept the modification as approved by
the court, the association may terminate the poli-
cy or contract as of a date not less than one hun-
dred eighty days after the modification is sent to
the owner. The association shall have no liability
under the policy or contract for any claim incurred
or continuing beyond the termination date. How-
ever, this paragraph does not apply to interest adjustments made pursuant to section 508C.3, subsection 3, paragraph "a".

4. If the association fails to act within a reasonable period of time as provided in subsection 2, the commissioner shall have the powers and duties of the association under this chapter with respect to insolvent insurers.

5. Upon request the association may give assistance and advice to the commissioner concerning the rehabilitation, payment of claims, continuance of coverage, or the performance of other contractual obligations of an impaired or insolvent insurer.

6. The association has standing to appear before any court in this state with jurisdiction over an impaired or insolvent insurer concerning which the association is or may become obligated under this chapter. Standing shall extend to all matters germane to the powers and duties of the association including, but not limited to, proposals for reinsuring or guaranteeing the covered policies of the impaired or insolvent insurer and the determination of the covered policies and contractual obligations.

7. a. A person receiving benefits under this chapter is deemed to have assigned the rights under the covered policy to the association to the extent of the benefits received under this chapter, whether the benefits are payments of contractual obligations or a continuation of coverage. The association may require an assignment to the association of the rights by a payee, policyholder or contract owner, beneficiary, insured, or annuitant as a condition precedent to the receipt of any rights or benefits conferred by this chapter upon the person. The association shall be subrogated to these rights against the assets of the insolvent insurer.

b. The subrogation rights of the association under this subsection have the same priority and any other equitable or legal remedy which would have been available to the insolvent insurer or holder of a policy or contract.

c. In addition to the rights pursuant to subsection 3, paragraphs "a" and "b", the association shall have all common law rights of subrogation and any other equitable or legal remedy which would have been available to the insolvent insurer or holder of a policy or contract.

8. a. The benefits that the association may become obligated to cover shall in no event exceed the lesser of either of the following:

(1) The contractual obligations for which the insurer is liable or would have been liable if it were not an impaired or insolvent insurer.

(2) Any of the following:

(a) With respect to one life, regardless of the number of policies or contracts:

(i) Three hundred thousand dollars in life insurance benefits including any net cash surrender and net cash withdrawal values.

(ii) Three hundred thousand dollars for health insurance benefits including any net cash surrender and net cash withdrawal values.

(iii) Two hundred fifty thousand dollars in the present value of annuity benefits, including net cash surrender and net cash withdrawal values.

(b) (i) With respect to each individual benefit plan established under section 401, 403(b), or 457 of the United States Internal Revenue Code, or each unallocated annuity contract account, excluding a plan established under section 401, 403(b), or 457 of the United States Internal Revenue Code, not more than two hundred fifty thousand dollars in the aggregate, in present value annuity benefits, including net cash surrender and net cash withdrawal values for the beneficiaries of the deceased individual.

(ii) However, the association shall not in any event be obligated to cover more than an aggregate of three hundred fifty thousand dollars in benefits with respect to any one life under subparagraph subdivision (a) and this subparagraph subdivision (b), or more than five million dollars in benefits to one owner of multiple nongroup policies of life insurance regardless of whether the policy owner is an individual, firm, corporation, or other person, and whether the persons insured are officers, managers, employees, or other persons, and regardless of the number of policies and contracts held by the owner.

(c) With respect to a plan sponsor whose plan owns, directly or in trust, one or more unallocated annuity contracts not included under subparagraph subdivision (a) and this subparagraph subdivision (b), not more than five million dollars in benefits, regardless of the number of contracts held by the plan sponsor. However, where one or more such unallocated annuity contracts are covered contracts under this chapter and are owned by a trust or other entity for the benefit of two or more plan sponsors, the association shall provide coverage if the largest interest in the trust or entity owning the contract is held by a plan sponsor whose principal place of business is in the state but in no event shall the association be obligated to cover more than five million dollars in benefits in the aggregate with respect to all such unallocated contracts.

b. The limitations on the association's obligations to cover benefits that are set forth under this subsection do not take into account the association's subrogation and assignment rights or the extent to which such benefits could be provided out of the assets of the impaired or insolvent insurer that are attributable to covered policies. The association's obligations under this chapter may be met by the use of assets attributable to covered policies or reimbursed to the association pursuant to the association's subrogation and assignment rights.

9. The association has no obligation to issue a
group conversion policy of any nature to a person or to continue a group coverage in force for more than sixty days following the date the member insurer was adjudicated to be insolvent.

10. The association may do any of the following:
   a. Enter into contracts as necessary or proper to carry out this chapter.
   b. Sue or be sued, including taking any legal actions necessary or proper for recovery of any unpaid assessments under section 508C.9.
   c. Borrow money to effect the purposes of this chapter. Any notes or other evidence of indebtedness of the association held by domestic insurers and not in default qualify as investments eligible for deposit under section 511.8, subsection 16.
   d. Employ or retain persons as necessary to handle the financial transactions of the association, and to perform other functions as necessary or proper under this chapter.
   e. Negotiate and contract with a liquidator, rehabilitator, conservator, or ancillary receiver to carry out the powers and duties of the association.
   f. Take legal action as necessary to avoid payment of improper claims.
   g. For the purposes of this chapter and to the extent approved by the commissioner, exercise the powers of a domestic life or health insurer. However, the association shall not issue insurance policies or annuity contracts other than those issued to perform the contractual obligations of the impaired or insolvent insurer.
   h. Join an organization of one or more other state associations of similar purposes to further the purposes and administer the powers and duties of the association.

508C.9 Assessments.

1. For the purpose of providing the funds necessary to carry out the powers and duties of the association, the board of directors shall assess the member insurers, separately for each account established pursuant to section 508C.6, at the time and for the amounts the board finds necessary. An assessment is due not less than thirty days after prior written notice has been sent to the member insurers and accrues interest at ten percent per annum commencing on the due date.

2. There are two classes of assessments as follows:
   a. Class A assessments shall be made for the purpose of meeting administrative costs and other general expenses and examinations conducted under section 508C.12, subsection 5, not related to a particular impaired or insolvent insurer.
   b. Class B assessments shall be made to the extent necessary to carry out the powers and duties of the association under section 508C.8 with regard to an impaired domestic insurer or an insolvent domestic, foreign, or alien insurer.

3. a. The amount of a class A assessment shall be determined by the board and to the extent that class A assessments do not exceed one hundred dollars per company in any one calendar year may be made on a per capita basis. The amount of a class B assessment shall be allocated for assessment purposes among the accounts as the liabilities and expenses of the association, either experienced or reasonably expected, are attributable to those accounts, all as determined by the association and on as equitable a basis as is reasonably practical.
   b. Class A assessments in excess of one hundred dollars per company per calendar year and class B assessments against member insurers for each account shall be in the proportion that the average of the aggregate premiums received on business in this state by each assessed member insurer on policies or contracts related to that account for the three most recent calendar years for which information is available, preceding the year in which the insurer became impaired or insolvent, is to the average of the aggregate premiums received on business in this state by all assessed member insurers on policies related to that account for the three most recent calendar years for which information is available preceding the assessment.
   c. Assessments for funds to meet the requirements of the association with respect to an impaired or insolvent insurer shall not be made until necessary to implement the purposes of this chapter. Classification of assessments under this subsection shall be made with a reasonable degree of accuracy, recognizing that exact determinations may not always be possible.

4. The association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual obligations. If an assessment against a member insurer is abated or deferred, in whole or in part, the amount by which the assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section.

5. a. The total of all assessments upon a member insurer for each account shall not in any one calendar year exceed two percent of the average of the insurer’s premiums received in this state during the three most recent calendar years for which information is available, preceding the year in which the insurer becomes impaired or insolvent, on the policies related to that account. However, if two or more assessments are authorized in one calendar year with respect to insurers that become impaired or insolvent in different calendar years, the average annual premiums for purposes...
of the aggregate assessment percentage limitation of this paragraph shall be equal, and limited, to the higher of the three-year average annual premiums for the applicable account as calculated pursuant to this section. If the maximum assessment for an account, together with the other assets of the association in the account, does not provide in any one year in the account an amount sufficient to carry out the responsibilities of the association, the necessary additional funds shall be assessed for the account in succeeding years as soon as permitted by this chapter.

b. If the maximum assessment under paragraph “a” for any account, other than the health insurance account, does not provide an amount sufficient to carry out the responsibilities of the association in any succeeding year, the board, pursuant to subsection 3, paragraph “a,” shall assess the necessary additional amount and allocate the amount for assessment among the accounts, other than the health insurance account, in the following sequence: from the life insurance account, to the annuity account, to the unallocated annuity contract account; from the life insurance account, to the annuity account, to the unallocated annuity contract account; from the unallocated annuity contract account, to the life insurance account; from the unallocated annuity contract account, to the annuity account, to the life insurance account; provided that no amount shall be allocated to an account for assessment until the maximum amount has been allocated to the preceding account.

6. By an equitable method as established in the plan of operation, the board may refund to member insurers, in proportion to the contribution of each insurer to that account, the amount by which the assets of the account, including assets accruing from net realized gains and income from investments, exceed the amount the board finds is necessary to carry out during the coming year the obligations of the association with regard to that account. A reasonable amount may be retained in any account to provide funds for the continuing expenses of the association and for future losses if refunds are impractical.

7. In determining its premium rates and policyowner dividends as to any kind of insurance within the scope of this chapter, it is proper for a member insurer to consider the amount reasonably necessary to meet its assessment obligations under this chapter.

8. The association shall issue to each insurer paying a class B assessment under this chapter, a certificate of contribution in a form prescribed by the commissioner for the amount of the assessment so paid. All outstanding certificates shall be of equal dignity and priority without reference to amounts or dates of issue. A certificate of contribution may be shown by the insurer in its financial statement as an asset in the form, for the amount and for a period of time as the commissioner may approve.

508C.10 Plan of operation.

1. a. The association shall submit to the commissioner a plan of operation and any amendments to the plan of operation necessary or suitable to assure the fair, reasonable, and equitable administration of the association. The plan of operation and any amendments to the plan are effective upon the commissioner’s written approval.

b. If the association fails to submit a suitable plan of operation within one hundred eighty days following July 1, 1987, or if at any time the association fails to submit suitable amendments to the plan, the commissioner shall, after notice and hearing, adopt rules pursuant to chapter 17A as necessary or advisable to effectuate this chapter. The rules shall continue in force until modified by the commissioner or superseded by a plan submitted by the association and approved by the commissioner.

Such a corporation, association, or organization shall be reimbursed for any payments made on behalf of the association and shall be paid for its performance of any function of the association. A delegation under this subsection shall take effect only with the approval of both the board of directors and the commissioner.    b. Upon request of the board of directors, provide the association with a statement of the premiums for each member insurer.

   c. When an impairment is declared and the amount of the impairment is determined, serve a demand upon the impaired insurer to make good the impairment within a reasonable time. Notice to the impaired insurer constitutes notice to its shareholders, if any. The failure of the insurer to promptly comply with the demand shall not exclude the association from the performance of its powers and duties under this chapter.

   d. In a liquidation or rehabilitation proceeding involving a domestic insurer, be appointed as the liquidator or rehabilitator.

2. After notice and hearing, the commissioner may suspend or revoke the certificate of authority to transact insurance in this state of a member insurer which fails to pay an assessment when due or fails to comply with the plan of operation. As an alternative, the commissioner may levy an administrative penalty on any member insurer which fails to pay an assessment when due. The administrative penalty shall not exceed five percent of the unpaid assessment per month. However, an administrative penalty shall not be less than one hundred dollars per month.

3. An action of the board of directors or the association may be appealed to the commissioner by a member insurer if the appeal is taken within thirty days of the action being appealed. 8. Notice shall be mailed to the commissioners or departments within thirty days following the earlier of when the action was taken or the date on which the action occurs. This subparagraph does not supersede section 507C.9, subsection 5.

9. Report to the board of directors when the commissioner has taken any of the actions set forth in paragraph “a” or has received a report from any other commissioner indicating that a member insurer is impaired or insolvent. Reports to the board of directors shall contain all significant details of the action taken or the report received from another commissioner.

10. Report to the board of directors when there is reasonable cause to believe from an examination, whether completed or in process, of a member company that the company may be an impaired or insolvent insurer.

11. Furnish to the board of directors the national association of insurance commissioners’ early warning tests. The board may use the information in carrying out its duties and responsibilities under this section. The report and the information contained in the report shall be kept confidential by the board of directors until such time as it is made public by the commissioner or other lawful authority.

12. The commissioner may seek the advice and recommendations of the board of directors concerning any matter affecting the commissioner’s duties and responsibilities regarding the financial condition of member companies and companies seeking admission to transact insurance business in this state.

13. The board of directors may upon majority vote make reports and recommendations to the commissioner upon any matter germane to the solvency, liquidation, rehabilitation or conservation of a member insurer or germane to the solvency of a company seeking to transact insurance business in this state. These reports and recommendations are not public records pursuant to chapter 22.

14. Upon majority vote, the board of directors shall notify the commissioner of any actions against a member insurer that are public records pursuant to any other law.

The examination may be conducted as a national association of insurance commissioners’ examination or may be conducted by persons designated by the commissioner. The cost of the examination shall be paid by the association and the examination report shall be treated as are other examination reports. The examination report shall not be released to the board of directors prior
to the reserves that should have been established for all policies of insurance written by the impaired or insolvent insurer.

4. a. Prior to the termination of a liquidation, rehabilitation, or conservation proceeding, the court may take into consideration the contributions of the respective parties, including the association, similar associations of other states, the shareholders and policyowners of the insolvent insurer, and any other party with a bona fide interest, in making an equitable distribution of the ownership rights of the insolvent insurer. When considering the contributions, consideration shall be given to the welfare of the policyholders of the continuing or successor insurer.

b. A distribution to stockholders, if any, of an impaired or insolvent insurer shall not be made until the total amount of valid claims of the association and of similar associations of other states for funds expended in carrying out its powers and duties under section 508C.8 with respect to the insurer have been fully recovered by the association and the similar associations.

c. Subject to the limitations of paragraphs "b", "c", and "d", if an order for liquidation or rehabilitation of an insurer domiciled in this state has been entered, the receiver appointed under the order may recover, on behalf of the insurer, from any affiliate that controlled it, the amount of distributions other than stock dividends paid by the insurer on its capital stock made at any time during the five years preceding the petition for liquidation or rehabilitation.

5. a. If a person liable under paragraphs "c", "d", and "e", if an order for liquidation or rehabilitation of an insurer domiciled in this state has been entered, the receiver appointed under the order may recover, on behalf of the insurer, from any affiliate that controlled it, the amount of distributions other than stock dividends paid by the insurer on its capital stock made at any time during the five years preceding the petition for liquidation or rehabilitation.

b. Distributions are not recoverable if the insurer shows that when paid the distributions were lawful and reasonable and that the insurer did not know and could not reasonably have known that the distributions might adversely affect the ability of the insurer to fulfill its contractual obligations.

c. A person who was an affiliate that controlled the insurer at the time the distributions were paid is liable up to the amount of distributions that would have been received if they had been paid immediately. If two persons are liable with respect to the same distributions, they are jointly and severally liable.

d. The maximum amount recoverable under this subsection is the amount needed in excess of all other available assets of the insolvent insurer to pay the contractual obligations of the insolvent insurer.

e. If a person liable under paragraph "c" is insolvent, all its affiliates that controlled it at the time the dividend was paid are jointly and severally liable for a resulting deficiency in the amount recovered from the insolvent affiliate.
508C.14 Examination of the association — annual report.

The association is subject to examination and regulation by the commissioner.       (2) In scheduling and determining the nature, scope, and frequency of the examinations, the commissioner shall consider such matters as the consumer complaints, results of financial statement analyses and ratios, changes in management or ownership, actuarial opinions, reports of independent certified public accountants, and other relevant criteria as determined by the commissioner.
   b. For purposes of completing an examination of a licensee under this chapter, the commissioner may examine or investigate any person, or the business of any person, insofar as the examination or investigation is, in the sole discretion of the commissioner, necessary or material to the examination of the licensee.
   c. In lieu of an examination under this chapter of any foreign or alien licensee licensed in this state, the commissioner may, at the commissioner’s discretion, accept an examination report on the licensee as prepared by the commissioner for the licensee’s state of domicile or port-of-entry state.

e. Nothing contained in this chapter shall be construed to limit the commissioner’s authority to terminate or suspend an examination in order to pursue other legal or regulatory action pursuant to the insurance laws of this state. Findings of fact and conclusions made pursuant to any examination shall be prima facie evidence in any legal or regulatory action.

f. The commissioner’s authority to use and, if appropriate, to make public any final or preliminary examination report, any examiner or licensee workpapers, or other documents, or any other information discovered or developed during the course of any examination in the furtherance of any legal or regulatory action shall be permitted consistent with section 507.14.

b. Not later than sixty days following completion of the examination, the examiner in charge shall file with the commissioner a verified written report of examination under oath. Upon receipt of the verified report, the commissioner shall transmit the report to the licensee examined, together with a notice that shall afford the licensee examined a reasonable opportunity of not more than thirty days to make a written submission or rebuttal with respect to any matters contained in the examination report.

c. In the event the commissioner determines that regulatory action is appropriate as a result of an examination, the commissioner may initiate any proceedings or actions provided by law.

e. Receipt of the proceeds of a viatical settlement may adversely affect the viator’s eligibility for Medicaid or other government benefits or entitlements, and advice should be obtained from the appropriate government agencies.

f. The viator has the right to rescind a viatical settlement contract before the earlier of thirty days after the date upon which the viatical settlement contract is executed by all parties or fifteen days after the viatical settlement proceeds have been paid to the viator, as provided in section 508E.10, subsection 3. Recision, if exercised by the viator, is effective only if both notice of the rescision is given, and the viator repays all proceeds and any premiums, loans, and loan interest paid on account of the viatical settlement within the rescision period. If the insured dies during the rescision period, the viatical settlement contract shall be deemed to have been rescinded, subject to repayment by the viator or the viator’s estate of all viatical settlement proceeds and any premiums, loans, and loan interest that have been paid by the viatical settlement provider or purchaser within sixty days of the insured’s death.

g. Funds will be sent to the viator within three business days after the viatical settlement provider has received the insurer’s or group administrator’s written acknowledgment that ownership of the policy or interest in the certificate has been transferred and the beneficiary has been designated.

h. Entering into a viatical settlement contract may cause other rights or benefits, including conversion rights and waiver of premium benefits, that may exist under the policy or certificate, to be forfeited by the viator. Assistance should be sought from a financial adviser.

i. Disclosure to a viator shall include distribution of a brochure describing the process of viatical settlements. The national association of insurance commissioners form for the brochure shall be used unless another form is developed and approved by the commissioner.

j. The disclosure document shall contain the following language:

“All medical, financial, or personal information solicited or obtained by a viatical settlement provider or viatical settlement broker about an insured, including the insured’s identity or the identity of family members, a spouse, or a significant other may be disclosed as necessary to effect the viatical settlement between the viator and the
viatical settlement provider. If you are asked to provide this information, you will be asked to consent to the disclosure. The information may be provided to someone who buys the policy or provides funds for the purchase. You may be asked to renew your permission to share information every two years."

k. Following execution of a viatical contract, the insured may be contacted for the purpose of determining the insured's health status and to confirm the insured's residential or business street address and telephone number, or as otherwise provided in this chapter. This contact shall be limited to once every three months if the insured has a life expectancy of more than one year, and no more than once per month if the insured has a life expectancy of one year or less. All such contacts shall be made only by a duly licensed viatical settlement provider or by the authorized representative of a duly licensed viatical settlement provider.

2. A viatical settlement provider shall provide the viator with at least the following disclosures no later than the date the viatical settlement contract is signed by all parties. The disclosures shall be conspicuously displayed in the viatical settlement contract or in a separate document signed by the viator and provide all of the following information:

a. The affiliation, if any, between the viatical settlement provider and the issuer of the insurance policy to be viaticated.
b. The name, business address, and telephone number of the viatical settlement provider.
c. If an insurance policy to be viaticated has been issued as a joint policy or involves family riders or any coverage of a life other than the insured under the policy to be viaticated, a notice of the viator's possible loss of coverage on the other lives under the policy and to consult with the viator's insurance producer or the insurer issuing the policy for advice on the proposed viatical settlement.
d. The dollar amount of the current death benefit payable to the viatical settlement provider under the policy or certificate. If known, the viatical settlement provider shall also disclose the availability of any additional guaranteed insurance benefits, the dollar amount of any accidental death and dismemberment benefits under the policy or certificate, and the extent to which the viator's interest in those benefits will be transferred as a result of the viatical settlement contract.
e. Whether the funds will be escrowed with an independent third party during the transfer process, and if so, provide the name, business address, and telephone number of the independent third-party escrow agent, and the fact that the viator or owner may inspect or receive copies of the relevant escrow or trust agreements or documents.

3. A viatical settlement broker shall provide the viator with at least the following disclosures no later than the date the viatical settlement contract is signed by all parties. The disclosures shall be conspicuously displayed in the viatical settlement contract or in a separate document signed by the viator and provide all of the following information:

a. The name, business address, and telephone number of the viatical settlement broker.
b. A full, complete, and accurate description of all offers, counteroffers, acceptances, and rejections relating to the proposed viatical settlement contract.
c. Any affiliations or contractual arrangements between the viatical settlement broker and any person making an offer in connection with the proposed viatical settlement contracts.
d. The amount and method of calculating the broker's compensation. As used in this paragraph, "compensation" includes anything of value paid or given to a viatical settlement broker for the placement of a policy.
e. Where any portion of the viatical settlement broker's compensation, as defined in paragraph "d", is taken from a proposed viatical settlement offer, the broker shall disclose the total amount of the viatical settlement offer and the percentage of the viatical settlement offer comprised by the viatical settlement broker's compensation.

4. If the viatical settlement provider transfers ownership or changes the beneficiary of the insurance policy, the viatical settlement provider shall communicate in writing the change in ownership or beneficiary to the insured within twenty days after the change.

5. A viatical settlement provider shall provide the viatical settlement purchaser with at least the following disclosures prior to the date the viatical settlement purchase agreement is signed by all parties. The disclosures shall be conspicuously displayed in any viatical purchase contract or in a separate document signed by the viatical settlement purchaser and viatical settlement provider or viatical settlement investment agent, and shall make the following disclosure to the viatical settlement purchaser:

a. The viatical settlement purchaser will receive no returns including dividends and interest, until the insured dies and a death claim payment is made.
b. The actual annual rate of return on a viatical settlement contract is dependent upon an accurate projection of the insured's life expectancy, and the actual date of the insured's death. An annual "guaranteed" rate of return is not determinable.
c. The viaticated life insurance contract should not be considered a liquid purchase since it is impossible to predict the exact timing of its maturity and the funds probably are not available until the death of the insured. There is no established secondary market for resale of these products by the viatical settlement purchaser.
d. The viatical settlement purchaser may lose
all benefits or may receive substantially reduced benefits if the insurer goes out of business during the term of the viatical investment.

c. The viatical settlement purchaser is responsible for payment of the insurance premium or other costs related to the policy, if required by the terms of the viatical purchase agreement. These payments may reduce the viatical settlement purchaser’s return. If a party other than the viatical settlement purchaser is responsible for the payment, the name and address of that party also shall be disclosed.

d. The viatical settlement purchaser is responsible for payment of the insurance premiums or other costs related to the policy if the insured returns to health. The viatical settlement provider shall disclose the amount of such premiums, if applicable.

e. The experience and qualifications of the person who determines the life expectancy of the insured, including in-house staff, independent physicians, and specialty firms that weigh medical and actuarial data; the information this projection is based on; and the relationship of the projection maker to the viatical settlement provider, if any.

f. A brochure describing the process of investment in viatical settlements. The national association maker to the viatical settlement provider, if any. The viatical settlement provider, if the viatical settlement purchaser is the beneficiary only and not also the owner, the special risks associated with that status, including but not limited to the risk that the beneficiary may be changed or the premium may not be paid.

g. The name and address of the person responsible for monitoring the insured's condition. The viatical settlement provider shall describe how often the monitoring of the insured's condition is done, how the date of death is determined, and how and when this information will be transmitted to the viatical settlement purchaser.

508E.9 Disclosure to insurer.

A viatical settlement broker, or viatical settlement provider, shall fully disclose to an insurer a transaction or series of transactions to which the viatical settlement broker or viatical settlement provider is a party to originate, renew, continue, or
finance a life insurance policy with the insurer for the purpose of engaging in the business of viatical settlements at any time prior to, or during the first five years after, issuance of the policy.

   (1) If the viator is the insured, a written statement from a licensed attending physician that the viator is of sound mind and under no constraint or undue influence to enter into a viatical settlement contract.
   (2) A document in which the insured consents to the release of the insured’s medical records to a licensed viatical settlement provider, viatical settlement broker, and, if the policy was issued less than two years from the date of application for a viatical settlement contract, the insurance company that issued the life insurance policy covering the life of the insured.

b. Within twenty days after a viator executes documents necessary to transfer any rights under an insurance policy or within twenty days of entering any agreement, option, promise, or any other form of understanding, expressed or implied, to viaticate the policy, the viatical settlement provider shall give written notice to the insurer that issued that insurance policy that the policy has or will become a viaticated policy. The notice shall be accompanied by the documents required by paragraph “e”.

c. The viatical provider shall deliver a copy of the medical release required under paragraph “a”, subparagraph (2), a copy of the viator’s application for the viatical settlement contract, the notice required under paragraph “b”, and a request for verification of coverage to the insurer that issued the policy that is the subject of the viatical transaction. The national association of insurance commissioners form for verification of coverage shall be used unless another form is developed and approved by the commissioner.

d. The insurer shall respond to a request for verification of coverage submitted on an approved form by a viatical settlement provider or viatical settlement broker within thirty days of the date the request is received and shall indicate whether, based on the medical evidence and documents provided, the insurer intends to pursue an investigation at this time regarding the validity of the insurance contract or possible fraud. The insurer shall accept a request for verification of coverage made on a national association of insurance commissioners form or any other form developed and approved by the commissioner. The insurer shall accept an original, facsimile, or electronic copy of such request and any accompanying authorization signed by the viator. A failure by the insurer to meet its obligations under this subsection shall be a violation of sections 508E.11 and 508E.17.

e. Prior to or at the time of execution of the viatical settlement contract, the viatical settlement provider shall obtain a witnessed document in which the viator consents to the viatical settlement contract, that the viator has a full and complete understanding of the viatical settlement contract, that the viator has a full and complete understanding of the benefits of the life insurance policy, acknowledges that the viator is entering into the viatical settlement contract freely and voluntarily, and, for persons with a terminal or chronic illness or condition, acknowledges that the insured has a terminal or chronic illness or condition and that the terminal or chronic illness or condition was diagnosed after the life insurance policy was issued.

f. If a viatical settlement broker performs any of these activities required of the viatical settlement provider, the viatical settlement provider is deemed to have fulfilled the requirements of this section.

2. All medical information solicited or obtained by any licensee shall be subject to the applicable provisions of state law relating to confidentiality of medical information, including section 505.8.

3. All viatical settlement contracts entered into in this state shall provide the viator with an absolute right to rescind the contract before the earlier of thirty days after the date upon which the viatical settlement contract is executed by all parties or fifteen days after the viatical settlement proceeds have been sent to the viator as provided in subsection 4. Recision by the viator may be conditioned upon the viator both giving notice and repaying to the viatical settlement provider within the recision period all viatical settlement proceeds, and any premiums, loans, and loan interest paid by or on behalf of the viatical settlement provider in connection with or as a consequence of the viatical settlement. If the insured dies during the recision period, the viatical settlement contract shall be deemed to have been rescinded, subject to repayment to the viatical settlement provider or purchaser of all viatical settlement proceeds, and any premiums, loans, and loan interest that have been paid by the viatical settlement provider or purchaser, which shall be paid within sixty days of the death of the insured. In the event of any recision, if the viatical settlement provider has paid commissions or other compensation to a viatical settlement broker in connection with the rescinded transaction, the viatical settlement broker shall refund all such commissions and compensation to the viatical settlement provider within five business days following receipt of written demand from the viatical settlement provider, which demand shall be accompanied by either the viator’s notice of recision if rescinded by the election of the viator, or a notice of the death of the in-
The viatical settlement provider shall instruct the viator to send the executed documents required to effect the change in ownership, assignment, or change in beneficiary to the independent escrow agent. Within three business days after the date the escrow agent receives the document, or from the date the viatical settlement provider receives the documents, if the viator erroneously provides the documents directly to the viatical settlement provider, the viatical settlement provider shall pay or transfer the viatical settlement proceeds into an escrow or trust account maintained in a state or federally chartered financial institution whose deposits are insured by the federal deposit insurance corporation. Upon payment of the viatical settlement proceeds into the escrow account, the escrow agent shall deliver the original change in ownership, assignment, or change in beneficiary forms to the viatical settlement provider or related provider trust, or other designated representative of the viatical settlement provider. Upon the escrow agent’s receipt of the acknowledgment of the properly completed transfer of ownership, assignment, or designation of beneficiary from the insurance company, the escrow agent shall pay the viatical settlement proceeds to the viator.

5. A failure to tender consideration to the viator for the viatical settlement contract voidable by the viator for lack of consideration until the time consideration is tendered to and accepted by the viator. Funds shall be deemed sent by a viatical settlement provider to a viator as of the date that the escrow agent either releases funds for wire transfer to the viator or places a check for delivery to the viator via the United States postal service or other nationally recognized delivery service.

6. A contact with the insured for the purpose of determining the health status of the insured by the viatical settlement broker or viatical settlement broker after the viatical settlement has occurred shall only be made by the viatical settlement provider or viatical settlement broker licensed pursuant to section 508E.3 or its authorized representatives and shall be limited to once every three months for insureds with a life expectancy of more than one year, and to no more than once per month for insureds with a life expectancy of one year or less. The limitations set forth in this subsection shall not apply to any contact with an insured for reasons other than determining the insured’s health status. A viatical settlement provider and a viatical settlement broker shall be responsible for the actions of their authorized representatives.

3. Upon receipt of a properly completed request for change of ownership or beneficiary of a policy, the insurer shall respond in writing within twenty days, with written acknowledgment confirming that the change has been effected or specifying the reasons why the requested change cannot be processed. (4) The viator retires from full-time employment.
(5) The viator becomes physically or mentally disabled and a physician determines that the disability prevents the viator from maintaining full-time employment.
(6) The viator has filed for bankruptcy or sought reorganization in a court of competent jurisdiction, or a court of competent jurisdiction has appointed a receiver, trustee, or liquidator to all or a substantial part of the viator’s assets.
(7) Other circumstances as established as eligible exemptions by the commissioner by rule, including but not limited to substantial adverse financial circumstances or other factors substantially affecting the viator.

2. Notwithstanding section 508E.11, a person may enter into a viatical settlement contract if at all times prior to the date that is two years after policy issuance, all of the following conditions are met with respect to the policy:
   a. Policy premiums have been funded exclusively with any of the following:
      (1) Unencumbered assets, including an interest in the life insurance policy being financed only to the extent of its net cash surrender value, provided by a person described in section 508E.2, subsection 15, paragraph “d”.
      (2) Fully recourse liability incurred by the insured or a person described in section 508E.2, subsection 15, paragraph “d”.

4. If the viatical settlement provider submits to the insurer a copy of the owner’s or insured’s or insurer’s affidavit described in this section when the provider submits a request to the insurer to effect the transfer of the policy or certificate to the viatical settlement provider, the copy shall be deemed to conclusively establish that the viatical settlement contract satisfies the requirement of this section and the insurer shall timely respond to the request.

508E.13 Prohibited practices and conflicts of interest.
1. With respect to any viatical settlement contract or insurance policy, a viatical settlement broker shall not knowingly solicit an offer from, effectuate a viatical settlement with, or make a sale to any viatical settlement provider, viatical settlement purchaser, financing entity, or related provider trust that is controlling, controlled by, or under common control with such viatical settlement broker unless such relationship is disclosed to the viator.

2. With respect to any viatical settlement contract or insurance policy, a viatical settlement provider shall not knowingly enter into a viatical settlement contract with a viator if, in connection with such viatical settlement contract, anything of value will be paid to a viatical settlement broker that is controlling, controlled by, or under common control with such viatical settlement provider or the viatical settlement purchaser, financing entity, or related provider trust that is involved in such viatical settlement contract unless such relationship is disclosed to the viator.

3. A viatical settlement provider shall not enter into a premium finance agreement with any person or agency, or any person affiliated with such person or agency, pursuant to which such person or agency shall receive any proceeds, fees, or other consideration, directly or indirectly, from the policy or owner of the policy or any other person with respect to the premium finance agreement or any viatical settlement contract or other transaction related to such policy that are in addition to the amounts required to pay the principal, interest, and service charges related to policy premiums pursuant to the premium finance agreement or subsequent sale of such agreement. Any payments, charges, fees, normal insurance commissions, or other amounts in addition to the amounts required to pay the principal, interest, and service charges related to policy premiums paid under the premium finance agreement shall be remitted to the original owner of the policy or to the original owner’s estate if the original owner is not living at the time of the determination of the overpayment.

4. A violation of subsection 1, 2, or 3 shall be deemed a fraudulent viatical settlement act.

5. A person shall not issue, solicit, market, or otherwise promote the purchase of an insurance policy for the sole purpose of or with a primary emphasis on settling the policy.

6. A person providing premium financing shall not receive any proceeds, fees, or other consideration from the policy or owner of the policy that are in addition to the amounts required to pay princi-
of viatical settlement contracts or related products or services intended for dissemination in this state, including internet advertising viewed by persons located in this state. Where disclosure requirements are established pursuant to federal regulation, this section shall be interpreted so as to minimize or eliminate conflict with federal regulation wherever possible.

2. Every viatical settlement licensee shall establish and at all times maintain a system of control over the content, form, and method of dissemination of all advertisements of its contracts, products, and services. All advertisements, regardless of by whom written, created, designed, or presented, shall be the responsibility of the viatical settlement licensees, as well as the individual who created or presented the advertisement. A system of control shall include regular, routine notification, at least once a year, to agents and others authorized by the viatical settlement licensee who disseminate advertisements of the requirements and procedures for approval prior to the use of any advertisements not furnished by the viatical settlement licensee.

3. An advertisement shall be truthful and not misleading in fact or by implication. The form and content of an advertisement of a viatical settlement contract shall be sufficiently complete and clear so as to avoid deception. It shall not have the capacity or tendency to mislead or deceive. Whether an advertisement has the capacity or tendency to mislead or deceive shall be determined by the commissioner from the overall impression that the advertisement may be reasonably expected to create upon a person of average education or intelligence within the segment of the public to which it is directed.

4. The information required to be disclosed under this section shall not be minimized, rendered obscure, or presented in an ambiguous fashion or intermingled with the text of the advertisement so as to be confusing or misleading.

a. An advertisement shall not omit material information or use words, phrases, statements, references, or illustrations if the omission or use has the capacity, tendency, or effect of misleading or deceiving viators as to the nature or extent of any benefit, loss covered, premium payable, or state or federal tax consequence. The fact that the viatical settlement contract offered is made available for inspection prior to consummation of the sale, or an offer is made to refund the payment if the viator is not satisfied or that the viatical settlement contract includes a free-look period that satisfies or exceeds legal requirements, does not remedy a misleading statement.

b. An advertisement shall not use the name or title of a life insurance company or a life insurance policy unless the advertisement has been approved by the insurer.

c. An advertisement shall not state or imply that interest charged on an accelerated death ben-
§508E.14, VIATICAL SETTLEMENT CONTRACTS

benefit or a policy loan is unfair, inequitable, or in any manner an incorrect or improper practice.
d. The words “free”, “no cost”, “without cost”, “no additional cost”, “at no extra cost”, or words of similar import shall not be used with respect to any benefit or service unless true. An advertisement may specify the charge for a benefit or a service or may state that a charge is included in the payment or use other appropriate language.
e. Testimonials, appraisals, analyses, or endorsements used in advertisements must be genuine; represent the current opinion of the author; be applicable to the viatical settlement contract product or service advertised, if any; and be accurately reproduced with sufficient completeness to avoid misleading or deceiving prospective viatars or as to the nature or scope of the testimonials, appraisal, analysis, or endorsement. In using a testimonial, appraisal, analysis, or endorsement, a licensee under this chapter makes as its own all the statements contained therein, and the statements are subject to all of the provisions of this section.

1. If the individual making a testimonial, appraisal, analysis, or endorsement has a financial interest in the party making use of the testimonial, appraisal, analysis, or endorsement, either directly or through a related entity as a stockholder, director, officer, employee, or otherwise, or receives any benefit directly or indirectly other than required union scale wages, that fact shall be prominently disclosed in the advertisement.

2. An advertisement shall not state or imply that a viatical settlement contract benefit or product or service has been approved or endorsed by a group of individuals, society, association, or other organization unless that is the fact and unless any relationship between an organization and the viatical settlement licensee is disclosed. If the entity making the endorsement or testimonial is owned, controlled, or managed by the viatical settlement licensee, or receives any payment or other consideration from the viatical settlement licensee, or receives any benefit directly or indirectly other than required union scale wages, that fact shall be prominently disclosed in the advertisement.

3. When an endorsement refers to benefits received under a viatical settlement contract, all pertinent information shall be retained by the viatical settlement licensee for a period of five years after its use.

5. An advertisement shall not contain statistical information unless it accurately reflects recent and relevant facts. The source of all statistics used in an advertisement shall be identified.

6. An advertisement shall not disparage an insurer, viatical settlement provider, viatical settlement broker, insurance producer, policy, services, or methods of marketing.

7. The name of the viatical settlement licensee shall be clearly identified in all advertisements about the viatical settlement licensee or its viatical settlement contract, products, or services, and if any specific viatical settlement contract is advertised, the viatical settlement contract shall be identified either by form number or some other appropriate description. If an application is part of the advertisement, the name of the viatical settlement provider shall be shown on the application.

8. An advertisement shall not use a trade name, group designation, name of the parent company of a viatical settlement licensee, name of a particular division of the viatical settlement licensee, service mark, slogan, symbol or other device, or reference without disclosing the name of the viatical settlement licensee, if the advertisement would have the capacity or tendency to mislead or deceive as to the true identity of the viatical settlement licensee, or to create the impression that a company other than the viatical settlement licensee would have any responsibility for the financial obligation under a viatical settlement contract.

9. An advertisement shall not use any combination of words, symbols, or physical materials that by their content, phraseology, shape, color, or other characteristics are so similar to a combination of words, symbols, or physical materials used by a government program or agency or otherwise appear to be of such a nature that they tend to mislead prospective viators into believing that the solicitation is in some manner connected with a government program or agency.

10. An advertisement may state that a viatical settlement licensee is licensed in the state where the advertisement appears, provided it does not exaggerate that fact or suggest or imply that a competing viatical settlement licensee may not be so licensed. The advertisement may ask the audience to consult the viatical settlement licensee’s internet site or contact the commissioner to find out if the state requires licensing and, if so, whether the viatical settlement provider or viatical settlement broker is licensed.

11. An advertisement shall not create the impression that the viatical settlement provider, its financial condition or status, the payment of its claims or the merits, desirability, or advisability of its viatical settlement contracts are recommended or endorsed by any government entity.

12. The name of the actual viatical settlement licensee shall be stated in each of its advertisements. An advertisement shall not use a trade name, any group designation, name of any affiliate, or controlling entity of the viatical settlement licensee, service mark, slogan, symbol, or other device in a manner that would have the capacity or tendency to mislead or deceive as to the true identity of the actual viatical settlement licensee or create the false impression that an affiliate or controlling entity would have any responsibility for the financial obligation of the viatical settlement licensee.

13. An advertisement shall not directly or indirectly create the impression that any division or agency of the state or of the United States govern-
adopted by the commissioner.

4. Immunity from liability.
   a. No civil liability shall be imposed on and no cause of action shall arise from a person who, acting reasonably and in good faith, furnishes information concerning suspected, anticipated, or completed fraudulent viatical settlement acts or suspected or completed fraudulent insurance acts, if the information is provided to or received from any of the following:
      (1) The commissioner or the commissioner’s employees, agents, or representatives.
      (2) A federal, state, or local law enforcement or regulatory official or the official’s employees, agents, or representatives.
      (3) A person involved in the prevention and detection of fraudulent viatical settlement acts or that person’s agents, employees, or representatives.
      (4) The national association of insurance commissioners; the national association of securities dealers; the North American securities administrators association; their employees, agents, or representatives; or other regulatory body overseeing life insurance, viatical settlements, securities, or investment fraud.
      (5) A life insurer that issued the life insurance policy covering the life of the insured.
   b. Paragraph “a” does not apply to a statement made in bad faith or with actual malice. In an action brought against a person for filing a report or furnishing other information concerning a fraudulent viatical settlement act, the party bringing the action shall plead specifically any allegation that paragraph “a” does not apply because the person filing the report or furnishing the information did so in bad faith or with actual malice.
   c. A person furnishing information as identified in paragraph “a” shall be entitled to an award of attorney fees and costs if the person is the prevailing party in a civil cause of action for libel, slander, or any other relevant tort arising out of an activity in carrying out the provisions of this chapter and the party bringing the action was not substantially justified in doing so. For purposes of this paragraph, a proceeding is substantially justified if it had a reasonable basis in law or fact at the time that it was initiated. However, such an award does not apply to any person furnishing information concerning the person’s own fraudulent viatical settlement act.
   d. This section does not abrogate or modify a common law or statutory privilege or immunity enjoyed by a person described in paragraph “a”.
5. Confidentiality.
   a. A document or evidence provided pursuant to subsection 4 or obtained by the commissioner in an investigation of a suspected or actual fraudulent viatical settlement act is being, will be, or has been committed may provide to the commissioner the information required by and in a manner prescribed by rules adopted by the commissioner.
   b. Any other person having knowledge or a reasonable belief that a fraudulent viatical settlement act is being, will be, or has been committed may provide to the commissioner the information required by and in a manner prescribed by rules adopted by the commissioner.
   c. Any viatical settlement contract.
   d. Any life insurance policy or life insurance company.

   b. Section 170(c) of the Internal Revenue Code.

On the date that the annuity agreement is issued, the charitable organization has a minimum value of the lesser of three hundred thousand dollars or five times the face amount of total outstanding annuities in unrestricted cash, cash equivalents, or publicly traded securities.    c. The charitable organization has been in continuous operation for at least three years or is a successor or affiliate of a charitable organization that has been in continuous operation for at least three years.
508F.2  Qualified charitable gift annuity is not insurance.
1. The issuance of a qualified charitable gift annuity does not constitute engaging in the business of insurance in this state.
2. A charitable gift annuity that meets the requirements of a qualified charitable gift annuity shall be deemed to be a qualified charitable gift annuity for purposes of this chapter, regardless of whether the charitable gift annuity was issued prior to July 1, 2001. The issuance of that charitable gift annuity shall not be construed as engaging in the business of insurance in this state.
508F.3  Annuity agreement — notice to donor.
An agreement for a qualified charitable gift annuity executed by a charitable organization and a donor shall be in writing. 508F.5  Failure to comply with requirements.
1. The failure of a charitable organization to comply with the requirements of sections 508F.3 and 508F.4 does not prevent a charitable gift annuity that otherwise meets the requirements of this chapter from constituting a qualified charitable gift annuity.
2. The commissioner shall enforce performance of the requirements of sections 508F.3 and 508F.4. The commissioner may do any of the following:
   a. Send a letter by restricted certified mail to

CHAPTER 509
GROUP INSURANCE

509.1 Form of policy.
No policy of group life, accident or health insurance shall be delivered in this state unless it conforms to one of the following descriptions:

1. A policy issued to an employer, or to the trustees of a fund established by an employer, which employer or trustee shall be deemed the policyholder, to insure employees of the employer for the benefit of persons other than the employer, subject to the following requirements:

a. The employees eligible for insurance under the policy shall be all of the employees of the employer, or all of any class or classes thereof determined by conditions pertaining to their employment. The policy may provide that the term “employees” shall include the employees of one or more subsidiary corporations, and the employees, individual proprietors, and partners of one or more affiliated corporations, proprietors or partnerships if the business of the employer and of such affiliated corporations, proprietors or partnerships is under common control through stock ownership, contract, or otherwise. The policy may provide that the term “employees” shall include the individual proprietor or partners if the employer is an individual proprietor or a partnership. The policy may provide that the term “employees” shall include retired employees. The policy may also provide that the term “employees” shall include the board of directors if the employer is a corporation.

b. The premium for the group policy shall be paid by the policyholder, either from the employer’s funds or funds contributed by the insured employees, or from both. A policy of group accident and health insurance on which part of the premium is to be derived from funds contributed by the insured employees may be placed in force only if at least seventy-five percent of the then eligible employees, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured employees must insure all eligible employees, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured employees must insure all eligible employees, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer. As used in this paragraph, “accident and health insurance” does not include disability income insurance.

c. The amounts of insurance under the policy
must be based upon some plan precluding individual selection either by the employees or by the employer or trustees.

d. Group policies may include dependents of the employee, including the spouse.

e. The policy shall not exclude from coverage an employee or an employee’s spouse or dependents on the basis of the eligibility of the employee or the employee’s spouse or dependents for medical assistance under chapter 249A.

2. A policy issued to any one of the following to be considered the policyholder:

a. An advisory, supervisory, or governing body or bodies of a regularly organized religious denomination to insure its clergy, priests, or ministers of the gospel.

b. A teachers’ association, to insure its members.

c. A lawyers’ association, to insure its members.

d. A volunteer fire company, to insure all of its members.

e. A fraternal society or association, or any subordinate lodge or branch thereof, to insure its members.

f. A common principal of any group of persons similarly engaged between whom there exists a contractual relationship, to insure the members of such group.

g. An association, the members of which are students, teachers, administrators or officials of any elementary or secondary school or of any college, to insure the members thereof. For the purpose of this paragraph the students, teachers, administrators or officials of or for any such school or college shall constitute an association.

Provided that the provisions and requirements of subsection 1 of this section shall apply to such policy and the policyholder and insured in like manner as said subsection 1 of this section applies to employers and employees, except that if a policy is issued to a volunteer fire company or an association, the members of which are students, teachers, administrators or officials of any elementary or secondary school or of any college, the requirement for twenty-five members shall not apply, and, if issued to a teachers’ association or lawyers’ association, not less than sixty-five percent of the members thereof may be insured.

3. A policy issued to a creditor, who shall be deemed the policyholder, to insure debtors of the creditor, subject to the following requirements:

a. The debtors eligible for insurance under the policy shall be all of the debtors of the creditor, or all of any class or classes thereof determined by conditions pertaining to the indebtedness or to the purchase giving rise to the indebtedness. The policy may provide that the term “debtor” shall include the debtors of one or more subsidiary corporations, and the debtors of one or more affiliated corporations, proprietors or partnerships if the business of the policyholder and of such affiliated corporations, proprietors or partnerships is under common control through stock ownership, contract, or otherwise.

b. The premium for the policy shall be paid by the policyholder, either from the creditor’s funds, or from charges collected from the insured debtors, or from both. A policy on which part or all of the premium is to be derived from the collection from the insured debtors of identifiable charges not required of uninsured debtors shall not include, in the class or classes of debtors eligible for insurance, debtors under obligations outstanding at its date of issue without evidence of individual insurability unless at least seventy-five percent of the then eligible debtors elect to pay the required charges. A policy on which no part of the premium is to be derived from the collection of such identifiable charges must insure all eligible debtors, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

c. The policy may be issued only if the group of eligible debtors is then receiving new entrants at the rate of at least one hundred persons yearly, or may reasonably be expected to receive at least one hundred new entrants during the first policy year, and only if the policy reserves to the insurer the right to require evidence of individual insurability if less than seventy-five percent of the new entrants become insured.

d. The amount of insurance on the life of a debtor shall not exceed the amount owed by the debtor to the creditor, or the face amount of a totally or partially executed loan or loan commitment creating personal liability and made in good faith for general agricultural or horticultural purposes to a debtor with seasonal income. However, in no event shall the amount of insurance exceed two hundred thousand dollars.

e. The insurance shall be payable to the policyholder. Such payment shall reduce or extinguish the unpaid indebtedness of the debtor to the extent of such payment. Provided that in the case of a debtor for agricultural or horticultural purposes of the type described in paragraph “d”, the insurance in excess of indebtedness to the creditor, if any, shall be payable to a named beneficiary, to the estate of the debtor or under the provision of a facility of payment clause.

4. A policy issued to a labor union, which shall be deemed the policyholder, to insure members of such union for the benefit of persons other than the union or any of its officials, representatives, or agents, subject to the following requirements:

a. The members eligible for insurance under the policy shall be all of the members of the union or all of any class or classes thereof determined by conditions pertaining to their employment, or to membership in the union, or both.

b. The premium for the group life policy shall be paid by the policyholder, either wholly from the union’s funds, or partly from such funds and partly from funds contributed by the insured members.
specify specifically for their insurance. No policy, except accident and health, may be issued on which the entire premium is to be derived from funds contributed by the insured members specifically for their insurance. A policy on which part of the premium is to be derived from funds contributed by the insured members specifically for their insurance may be placed in force only if at least sixty-five percent of the then eligible members, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured members specifically for their insurance must insure all eligible members, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

c. The policy must cover at least ten members at date of issue.

d. The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the members or by the union.

e. Policies may include dependents of the insured, including the spouse.

f. The policy shall not exclude from coverage a member or a member’s spouse or dependents on the basis of the eligibility of the member or the member’s spouse or dependents for medical assistance under chapter 249A.

5. A policy issued to the trustees of a fund established by two or more employers in the same industry or by two or more labor unions or by one or more employers and by one or more labor unions which trustees shall be deemed the policyholder, to insure employees of the employers or members of the unions for the benefit of persons other than the employers or the unions, subject to the following requirements:

a. The persons eligible for insurance shall be all of the employees of the employers or all of the members of the unions, or all of any class or classes thereof determined by conditions pertaining to their employment, or to membership in the unions, or both. The policy may provide that the term “employees” shall include the individual proprietor or partners if an employer is an individual proprietor or a partnership. The policy may provide that the term “employees” shall include the trustees or their employees, or both, if their duties are principally connected with such trusteeship. The policy may provide that the term “employees” shall include retired employees. The policy may also provide that the term “employees” shall include the board of directors if the employer is a corporation.

b. The premium for the policy shall be paid by the trustees wholly from funds established by the employers of the insured persons. The policy must insure all eligible persons, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer, if the funds are contributed wholly by the employer or unions.

c. The policy must cover at least one hundred persons at date of issue.

d. The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the insured persons or by the policyholder, employers, or unions.

e. Policies may include dependents of the insured, including the spouse.

f. The policy shall not exclude from coverage an employee or member or an employee’s or member’s spouse or dependents on the basis of the eligibility of the employee or member or employee’s or member’s spouse or dependents for medical assistance under chapter 249A.

6. A policy issued to any nonprofit industrial association (to be deemed the policyholder) incorporated for a period of at least ten years and organized for purposes other than obtaining insurance, subject to the following requirements:

a. If two or more members of the association, or any class or classes of members thereof determined by conditions pertaining to insurance, elect to insure their employees or any class or classes of employees determined by conditions pertaining to employment; and

b. The total number of insured employees must not be less than one thousand, and of these not less than seventy-five percent must be employees of members with at least twenty insured employees each, and further, not more than ten percent may be employees of members with less than ten insured employees each; and

c. The insurance premiums are paid by such members to the association; each member, insofar as applicable to the member’s own employees, may collect part of the premium from insured employees, and the method of apportionment of the premium payment between the member and the member’s employees may be varied as among individual members; and

d. Not less than seventy-five percent of the eligible employees of each participating member may be insured where the employees pay a part of the premium. The word “employees” as used in this subsection shall also include the individual members and employees of such association.

e. Policies may include dependents of the employees, including the spouse.

f. The policy shall not exclude from coverage an employee or an employee’s spouse or dependents on the basis of the eligibility of the employee or the employee’s spouse or dependents for medical assistance under chapter 249A. This paragraph shall also apply to corporations operating within the state who provide insurance coverage for their employees directly, and the commissioner shall have the authority to enforce the provisions of this paragraph.

7. A policy issued to the department of human services, which shall be deemed the policyholder,
to insure eligible persons for medical assistance, or for both medical assistance and additional medical assistance, as defined by chapter 249A as hereafter amended.

8. A policy of group health insurance coverage, as defined in section 513B.2, issued by a small employer carrier, as defined in section 513B.2, to a bona fide association, subject to the following requirements:
   a. The policy provides group health insurance coverage to eligible employees of members of a bona fide association that are small employers as defined in section 513B.2, and to the spouses and dependents of such employees.
   b. The policy is issued to a bona fide association. For the purposes of this subsection, a bona fide association is an association which meets all of the following requirements:
      (1) The association is a trade, industry, or professional association which is organized in good faith as a nonprofit corporation under chapter 504 for purposes other than obtaining insurance and has been in existence and actively maintained for at least five continuous years at the time the policy is issued.
      (2) The association does not condition membership in the association on the health status of employees of its members or the health status of the spouses and dependents of such employees.
      (3) Group health insurance coverage offered by the association is available to all eligible employees of its members that are small employers as defined in section 513B.2 who choose to participate in the health insurance coverage offered, and to the spouses and dependents of such employees, regardless of the health status of such employees or their spouses and dependents.
      (4) Group health insurance coverage offered by the association is available only to persons who are eligible employees of a small employer as defined in section 513B.2 that is a member of the association, or to the spouses or dependents of such employees.
   9. A policy issued to a resident of this state under a group life, accident, or health insurance policy issued to a group other than one described in subsections 6 to 10, inclusive, of this section shall have given the insurer written notice of discontinuance in advance of the date of discontinuance and in accordance with the terms of the policy, having requirements substantially similar to those in paragraph "a", has determined that the policy meets those requirements.
   c. The premium for the policy shall be paid either from the policyholder's funds, or from funds contributed by the covered person, or both.
   d. The insurer may exclude or limit the coverage on any person as to whom evidence of individual insurability is not satisfactory to the insurer.
   e. If compensation of any kind will or may be paid to the policyholder in connection with the group policy, the insurer shall provide to the prospective insured written notice that compensation will or may be paid. Notice shall be provided whether the compensation is direct or indirect, and whether the compensation is paid to or retained by the policyholder, or paid to or retained by a third party at the direction of the policyholder or any entity affiliated with the policyholder by ownership, contract, or employment. The notice shall be placed on or accompany any document designed for the enrollment of prospective insureds.

§509.2 Provisions as part of group life policy

No policy of group life insurance shall be delivered in this state unless it contains in substance the following provisions, or provisions which in the opinion of the commissioner are more favorable to the persons insured or at least as favorable to the persons insured, and more favorable to the policyholder, provided, however, that provisions of subsections 6 to 10, inclusive, of this section shall not apply to policies issued to a creditor to insure debtors of such creditor; that the standard provisions required for individual life insurance policies shall not apply to group life insurance policies; and that if the group life insurance policy is on a plan of insurance other than the term plan, it shall contain a nonforfeiture provision or provisions which in the opinion of the commissioner is or are equitable to the insured persons and to the policyholder, but nothing herein shall be construed to require that group life insurance policies contain the same nonforfeiture provisions as are required for individual life insurance policies:

1. A provision that the policyholder is entitled to a grace period of thirty-one days for the payment of any premium due except that first, during which grace period the death benefit coverage shall continue in force, unless the policyholder shall have given the insurer written notice of discontinuance in advance of the date of discontinuance and in accordance with the terms of the policy.
The policy may provide that the policyholder shall be liable to the insurer for the payment of a pro rata premium for the time the policy was in force during such grace period.

2. A provision that the validity of the policy shall not be contested, except for nonpayment of premiums, after it has been in force for two years from its date of issue; and that no statement made by any person insured under the policy relating to the person’s insurability shall be used in contesting the validity of the insurance with respect to which such statement was made after such insurance has been in force prior to the contest for a period of two years during such person’s lifetime, nor unless it is contained in a written instrument signed by the person.

3. A provision that a copy of the application, if any, of the policyholder shall be attached to the policy when issued, that all statements made by the policyholder or by the persons insured shall be deemed representations and not warranties, and that no statement made by any person insured shall be used in any contest unless a copy of the instrument containing the statement is or has been furnished to such person or to the person's beneficiary.

4. A provision setting forth the conditions, if any, under which the insurer reserves the right to require a person eligible for insurance to furnish evidence of individual insurability satisfactory to the insurer as a condition to part or all of the person’s coverage.

5. A provision specifying an equitable adjustment of premiums or benefits or of both to be made in the event the age of a person insured has been misstated, such provision to contain a clear statement of the method of adjustment to be used.

6. A provision that any sum becoming due by reason of the death of the person insured shall be payable to the beneficiary designated by the person insured, subject to the provisions of the policy in the event there is no designated beneficiary, as to all or any part of such sum, living at the death of the person insured, and subject to any right reserved by the insurer in the policy and set forth in the certificate to pay at its option a part of such sum, not exceeding five hundred dollars, to any person appearing to the insurer to be equitably entitled thereto by reason of having incurred funeral or other expenses incident to the last illness or death of the person insured.

7. A provision that the insurer will issue to the policyholder for delivery to each person insured an individual certificate setting forth a statement as to the insurance protection to which the person is entitled, to whom the insurance benefits are payable, and the rights and conditions set forth in subsections 8 to 10, inclusive, following if applicable.

8. A provision that if the insurance, or any portion of it, on a person covered under the policy ceases because of termination of employment or of membership in the class or classes eligible for coverage under the policy, such person shall be entitled to have issued to the person by the insurer, without evidence of insurability, an individual policy of life insurance without disability or other supplementary benefits, provided application for the individual policy shall be made, and the first premium paid to the insurer, within thirty-one days after such termination, and provided further that,

a. The individual policy shall, at the option of such person, be on any one of the forms, except term insurance, then customarily issued by the insurer at the age and for the amount applied for;

b. The individual policy shall be in an amount not in excess of the amount of life insurance which ceases because of such termination, provided that any amount of insurance which matures on the date of such termination, or has matured prior thereto as an endowment payable to the person insured, whether in one sum or in installments or in the form of an annuity, shall not, for the purposes of this provision, be included in the amount which is considered to cease because of such termination, and

c. The premium on the individual policy shall be at the insurer’s then customary rate applicable to the form and amount of the individual policy, to the class of risk to which such person then belongs, and to the person’s age attained on the effective date of the individual policy.

9. A provision that if the group policy terminates or is amended so as to terminate the insurance of any class of insured persons, every person insured thereunder at the date of such termination whose insurance terminates and who has been so insured for at least five years prior to such termination date shall be entitled to have issued to the person by the insurer an individual policy of life insurance, subject to the same conditions and limitations as are provided by subsection 8 above, except that the group policy may provide that the amount of such individual policy shall not exceed the smaller of the amount of the person’s life insurance protection ceasing because of the termination or amendment of the group policy, less the amount of any life insurance for which the person is or becomes eligible under any group policy issued or reinstated by the same or another insurer within thirty-one days after such termination, and two thousand dollars.

10. A provision that if a person insured under the group policy dies during the period within which the person would have been entitled to have an individual policy issued to the person in accordance with subsection 8 or 9 above and before such an individual policy shall have become effective, the amount of life insurance which the person would have been entitled to have issued to the person under such individual policy shall be payable as a claim under the group policy, whether or not application for the individual policy or the payment of the first premium therefor has been made.
§509.3 Provisions as part of accident or health policy.

All policies of group accident or health insurance or combination thereof issued in this state shall contain in substance the following provisions:

1. The policy shall have a provision that a copy of the application, if any, of the policyholder shall be attached to the policy when issued or shall be furnished to the policyholder within thirty days after the policy is issued, that all statements made by the policyholder or by the persons insured shall be deemed representations and not warranties, and that no statement made by any person insured shall be used in any contest unless a copy of the instrument containing the statement is or has been furnished to such person.

2. A provision that the company will issue to the policyholder for delivery to each person insured under such policy an individual certificate of insurance or a conversion or combination thereof issued in this state and that no statement made by any person in the practice of medicine or surgery or osteopathy and treatment were provided by a person engaged in the practice of medicine or surgery or osteopathy as licensed under chapter 151. If the diagnosis or treatment are provided within the scope of the chiropractor’s license and if the policy would pay or reimburse for the diagnosis or treatment by a person licensed under chapter 148 of the human ailment, irrespective of and disregarding variances in terminology employed by the various licensed professions in describing the human ailment or its diagnosis or its treatment. The policy shall provide that the policyholder may reject the coverage or provision if the coverage or provision for diagnosis or treatment of a human ailment by a chiropractor is rejected for all providers of diagnosis or treatment for similar human ailments licensed under chapter 148 or 151. A policy of group health insurance may limit or make optional the payment or reimbursement for lawful diagnostic or treatment service by all licensees under chapters 148 and 151 on any rational basis which is not solely related to the license under or the practices authorized by chapter 151 or is not dependent upon a method of classification, categorization, or description based directly or indirectly upon differences in terminology used by different licensees in describing human ailments or their diagnosis or treatment. This subsection applies to group policies delivered or issued for delivery after July 1, 1983, and to existing group policies on their next anniversary or renewal date, or upon expiration of the applicable collective bargaining contract, if any, whichever is later. This subsection does not apply to blanket, short-term travel, accident-only, limited or specified disease, or individual or group conversion policies, or policies designed only for issuance to persons for coverage under Title XVIII of the Social Security Act, or any other similar coverage under a state or federal government plan.

6. A provision shall be made available to policyholders under group policies covering diagnosis and treatment of human ailments for payment or reimbursement for necessary diagnosis or treatment provided by a chiropractor licensed under chapter 151, if the diagnosis or treatment is provided within the scope of the chiropractor’s license and if the policy would pay or reimburse for the diagnosis or treatment by a person licensed under chapter 148 of the human ailment, irrespective of and disregarding variances in terminology employed by the various licensed professions in describing the human ailment or its diagnosis or its treatment. The policy shall provide that the policyholder may reject the coverage or provision if the coverage or provision for diagnosis or treatment of a human ailment by a chiropractor is rejected for all providers of diagnosis or treatment for similar human ailments licensed under chapter 148 or 151. A policy of group health insurance may limit or make optional the payment or reimbursement for lawful diagnostic or treatment service by all licensees under chapters 148 and 151 on any rational basis which is not solely related to the license under or the practices authorized by chapter 151 or is not dependent upon a method of classification, categorization, or description based directly or indirectly upon differences in terminology used by different licensees in describing human ailments or their diagnosis or treatment. This subsection applies to group policies delivered or issued for delivery after July 1, 1986, and to existing group policies on their next anniversary or renewal date, or upon expiration of the applicable collective bargaining contract, if any, whichever is later. This subsection does not apply to blanket, short-term travel, accident-only, limited or specified disease, or individual or group conversion policies, or policies under Title XVIII of the Social Security Act, or any other similar coverage under a state or federal government plan.

7. A provision shall be made available to policyholders, under group policies covering vision care services or procedures, for payment of necessary medical or surgical care and treatment provided by an optometrist licensed under chapter 154 if the care and treatment are provided within the scope of the optometrist’s license and if the policy would pay for the care and treatment if the care and treatment were provided by a person engaged in the practice of medicine or surgery or osteopathic medicine and surgery as licensed under chapter 148. The policy shall provide that the policyholder may reject the coverage or provision if the coverage or provision for services which may be provided by an optometrist is rejected for all providers of similar vision care services as licensed under chapter 148 or 154. This subsection applies to group policies delivered or issued for delivery after July 1, 1983, and to existing group policies on their next anniversary or renewal date, or upon expiration of the applicable collective bargaining contract, if any, whichever is later. This subsection does not apply to blanket, short-term travel, accident-only, limited or specified disease, or individual or group conversion policies, or policies designed only for issuance to persons for coverage under Title XVIII of the Social Security Act, or any other similar coverage under a state or federal government plan.
of a registered nurse as that practice is defined in section 152.1, under terms and conditions agreed upon between the insurer and the policyholder, subject to utilization controls. This subsection shall not require payment for nursing services provided by a certified nurse practicing in a hospital, nursing facility, health care institution, physician's office, or other noninstitutional setting if the certified nurse is an employee of the hospital, nursing facility, health care institution, physician, or other health care facility or health care provider. This subsection applies to group policies delivered or issued for delivery in this state on or after July 1, 1989, and to existing group policies on their next anniversary or renewal dates, or upon expiration of the applicable collective bargaining contract, whichever is later. This subsection does not apply to blanket, short-term travel, accident-only, limited or specified disease, or individual or group conversion policies, policies rated on a community basis, or policies designed only for issuance to persons for eligible coverage under Title XVIII of the federal Social Security Act, or any other similar coverage under a state or federal government plan.

In addition to the provisions required in subsections 1 through 7, the commissioner shall require provisions through the adoption of rules implementing the federal Health Insurance Portability and accountability Act, Pub. L. No. 104-191.

509.5 Authorized companies.
1. Any level premium life insurance company, organized on the stock or mutual plan and authorized to transact business under the provisions of chapter 508 may, upon complying with the provisions of said chapter and of this chapter, issue contracts providing for group life, health, or accident insurance, or combinations thereof as defined in this chapter.

Any group policy may contain any other provisions which meet the approval of the commissioner of insurance, provided such provisions are not in conflict with the standard provisions of section 509.2 or 509.3.

509.11 Voting by policyholders.

If policyholders are entitled to vote at meetings of a domestic insurance company, each policyholder of a group policy shall be entitled to one vote.

509.12 Proceeds exempt from execution.

A policy of group insurance and the proceeds of the policy are exempt from execution and attachment to the same extent as provided in chapter 627.

509.13 Rules.

The commissioner of insurance shall issue rules establishing minimum standards for group Medicare supplement policies and minimum standards for benefits under coverages contained in group Medicare supplement policies. These rules shall be consistent with those rules established for individual Medicare supplement policies pursuant to chapter 514D. The commissioner also shall establish by rule reasonable and creditable anticipated minimum loss ratios for group Medicare supplement policies. Rules issued by the commissioner shall give issuers of group Medicare supplement policies a reasonable time to achieve compliance.

Such policies may be written in the name of the association or may be written individually for the insured members, subject to the following:
   a. A life insurance policy written in the name of the association, shall conform to the provisions of section 509.2.
   b. An individual policy on the life of a member of an association, providing for term insurance renewable only during the continuation of membership, shall also provide in the event of termination of membership the same provision for conversion as set out in subsection 8 of section 509.2.
   c. An individual life policy written on any basis other than term shall provide that the policyholder may elect to continue it in force upon the policyholder’s termination of membership in the association by giving the insurer a notice in writing of such election within thirty days thereafter and paying therefor the renewal premium, which the insurer may increase to reflect the normal individual rate for the policyholder as determined by the policyholder’s age and class at the date of issue of the policy.
   d. If an accident and sickness policy is written in the name of the association, it shall conform to the provisions of section 509.3.
   e. An individual accident and sickness policy shall be subject to the provisions of chapter 514A.

policy and the right to name a beneficiary. Subject to the terms of the policy or agreement between the insured, the group policyholder and the insurer, any such assignment, whether made before or after July 1, 1971, is valid for the purpose of vesting in the assignee, in accordance with any provisions included therein as to the time at which it is to be effective, all rights, benefits and incidents of ownership conferred upon the insured under the policy and shall entitle the insurer to deal with the assignee as the owner of such rights, benefits and incidents of ownership, provided the insurer shall not be affected by any assignment until the insurer has received written notice thereof. This section shall be construed as declaring the law as it existed prior to July 1, 1971 and not modifying it. [C73, 75, 77, 79, 81, §509.15]

509.16 Premium rates approved.
An individual policy of credit life or credit accident and health insurance or certificate under a policy of group credit life or credit accident and health insurance shall not be issued for delivery or delivered in this state unless the premium rates charged for the insurance are approved by the commissioner of insurance.

The commissioner of insurance, after notice and hearing, may adopt rules as are necessary to identify specific methods of competition or acts or practices within the business of credit life and credit accident and health insurance which are unfair or deceptive.

   b. "Minimum level of retirement benefits for eligibility under this section" means any of the following:
      (1) The eligible retired state employee has received retirement benefits under the retirement system established in chapter 97A based upon the completion of at least twenty-two years of membership service.

A penalty of fifteen dollars per day shall be assessed for failure to comply with the ninety-day filing requirement, except that the commissioner may waive the penalty upon a showing that special circumstances exist which justify the waiver. The certificate shall be signed and dated by the appropriate public official representing the governing body, and shall certify the following:
   a. That the plan meets the requirements of this chapter and the applicable provisions of the Iowa administrative code.
   b. That an actuarial opinion has been attached to the certificate which attests to the adequacy of reserves, rates, and financial condition of the plan. The actuarial opinion must include, but is not limited to, a brief commentary about the adequacy of the reserves, rates, and the financial condition of the plan, a test of the prior year claim reserve, a
brief description of how the reserves were calculated, and whether or not the plan is able to cover all reasonably anticipated expenses. 509B.1 Definitions.
509B.2 Persons included in this chapter.
509B.3 Continuation of benefits.

509B.5 Notice of termination of membership or modification of coverage.
§509B.2, CONTINUATION OF GROUP HEALTH INSURANCE

Continuation of benefits.

A group policy delivered or issued for delivery in this state which insures employees or members for accident or health insurance on an expense-incurred or service basis, other than for specific diseases or for accidental injuries only, shall provide that employees or members whose coverage under the group policy would otherwise terminate because of termination of employment or membership may continue their accident or health insurance under that group policy, for themselves and their eligible dependents, subject to all of the group policy’s terms and conditions applicable to those forms of insurance and subject to all of the following conditions:

1. Continuation shall only be available to an employee or member if the employee or member was continuously insured under the group policy, and for similar benefits under any group policy which it replaced, during the entire three months’ period immediately preceding the termination.

2. Continuation shall not be available for a person who is or could be covered by Medicare. Continuation shall not be available for a person who is or is eligible to be covered by another group insured or uninsured arrangement which provides accident or health coverage, unless the person was covered by that other group policy immediately prior to the termination.

3. Continuation may exclude dental care, vision care, or prescription drug benefits or other benefits provided under the group policy which benefits are in addition to accident or health benefits.

4. An employee or member who wishes continuation of coverage must request continuation in writing to the employer or group policyholder within the ten-day period following the later of either of the following:
   a. The date of the termination.
   b. The date the employee is given notice of the right of continuation as provided in section 509B.5 by either the employer or the group policyholder.

If proper notice is given, the employee or member is not eligible to elect continuation more than thirty-one days after the date of termination.

5. An employee or member electing continuation shall pay monthly to the employer or group policyholder, in advance, the amount of contribution required by the employer or group policyholder, but not more than the group rate otherwise due for the insurance being continued under the group policy. If proper notice is given, the election of continuation by the employee or member together with the first contribution required to establish contributions on a monthly basis in advance, shall be given to the employer or group policyholder within thirty-one days of the date the group insurance would otherwise terminate.

6. Continuation of insurance under the group policy for any person shall terminate when the person becomes eligible for Medicare or another group insured or uninsured accident or health arrangement, or earlier, when any of the following first occurs:
   a. Nine months after the date the employee’s or member’s insurance under the policy would otherwise have terminated because of termination of employment or membership.
   b. At the end of the period for which contributions were made if the employee or member fails to make timely payment of a required contribution and if proper notice is given as provided in section 509B.5, subsection 2.
   c. If the person covered is a former spouse, upon the former spouse’s remarriage.
   d. The date on which the group policy is terminated or, in the case of an employee, the date the employer terminates participation under the group policy. However, if this paragraph applies and the coverage which would cease because of the employer’s termination is replaced by similar coverage under a different group policy, all of the following apply:
      (1) The employee, member, spouse, or eligible dependent may become covered under the different group policy, for the balance of the period that the employee or member would have remained covered under the prior group policy had a termination of the group policy as specified in paragraph “d” not occurred.
      (2) The minimum level of benefits to be provided by the different group policy shall be the applicable level of benefits of the prior group policy, reduced by any benefits payable under the prior group policy.
      (3) The prior group policy shall continue to provide benefits to the extent of its accrued liabilities and extensions of benefits as if the prior group policy had not been replaced by the different group policy.

7. A notification of the continuation privilege shall be included with or in each certificate of coverage and as otherwise provided in section 509B.5 and shall contain the time limits for requesting the continued coverage.
8. The spouse of an employee or member, and any covered dependent children of the employee or member, whose coverage under the group policy would otherwise terminate because of dissolution or annulment of marriage or death of the employee or member shall have the same contribution and notice responsibilities and privileges as provided under this chapter to the employee or member upon termination of employment or membership.

509B.4 Conversion of group policies.

509B.5 Notice of termination of membership or modification of coverage.
1. Employers or group policyholders shall notify all employees or members of their continuation rights within ten days of termination of employment or membership. The notice shall be in writing and delivered in person or mailed to the person’s last known address. However, continuation rights shall not be denied because of failure to provide proper notice. After receiving proper notice the employee or member may request and shall receive continuation coverage in accordance with this chapter within ten days of the request, notwithstanding any other time limitation provided by this chapter. Notification as provided in this section supersedes section 515.125 as that section relates to accident and health insurance.

2. If an employer or group policyholder terminates or substantially modifies an agreement to provide accident or health insurance for employees or members or if accident or health insurance for employees or members is terminated for failure to pay premiums or for another reason, the employer or group policyholder shall notify the employees or members, including persons being continued under the policy’s continuation provisions, of the termination or substantial modification of their coverage. The notice shall be in writing and delivered in person to the entitled persons or mailed to their last known addresses at least ten days prior to the termination or substantial modification of the accident or health insurance coverage. The employer or group policyholder is solely liable for benefits, including extended benefits, other than extended benefits for which the insurer is liable in accordance with the provisions of the group policy, which would have been payable had the accident or health insurance remained in force or not been terminated or substantially modified during the period of time following the termination or substantial modification until the person entitled to notice is given notice by the employer or group policyholder as required by this subsection.

3. The employer or group policyholder is also solely liable for benefits, including extended benefits, which would have been payable had the accident or health insurance been in force and the employees or members been covered during the period of time the employer or group policyholder failed to implement the plan for accident or health insurance which the employer or group policyholder had agreed to provide, until the employer or group policyholder gives notice of its failure or inability to provide the agreed plan. The notice shall be in writing and delivered in person to the employees or members or mailed to their last known addresses.

4. The employer or group policyholder is also solely liable for benefits, including extended benefits, which would have been payable had the accident or health insurance been in force and the employees or members been covered by the accident or health insurance during a period of time for which the employer or group policyholder has collected contributions through payroll, withholding, or otherwise, but has failed to enroll the employees or members, unless the employer or group policyholder has given actual notice that enrollment in the plan will not become effective until a later date or until the employee’s or member’s application for enrollment has been approved.

91 Acts, ch 26, §12; 92 Acts, ch 1117, §37

510A.4 Minimum standards.
1. Applicability of section.
   a. This section applies if, in any calendar year, the aggregate amount of gross written premium on business placed with a controlled insurer by a controlling producer is equal to or greater than five percent of the admitted assets of the controlled insurer, as reported in the controlled insurer's quarterly statement filed as of September 30 of the preceding year.
   b. Notwithstanding paragraph "a", this section does not apply if both of the following apply:
      (1) The controlling producer does all of the following:
         (a) Places insurance only with the controlled insurer, or only with the controlled insurer and members of the controlled insurer's holding company system, or the controlled insurer's parent, affiliate, or subsidiary, and receives no compensation based upon the amount of premiums written in connection with such insurance.
         (b) Accepts insurance placements only from nonaffiliated subproducers and not directly from insureds.
      (2) The controlled insurer, except for insurance business written through a residual market
facility, accepts insurance business only from the controlling producer, an insurance producer controlled by the controlled insurer, or an insurance producer that is a subsidiary of the controlled insurer.

2. Required contract provisions. A controlled insurer shall not accept business from a controlling producer and a controlling producer shall not place business with a controlled insurer unless there is a written contract between the controlling producer and the controlled insurer specifying the responsibilities of each party which has been approved by the board of directors of the controlled insurer and filed with the commissioner. The contract must contain, at a minimum, the following provisions:

a. The controlled insurer may terminate the contract for cause, upon written notice to the controlling producer. The controlled insurer shall suspend the authority of the controlling producer to write business during the pendency of any dispute regarding the cause for the termination.

b. The controlling producer shall render accounts to the controlled insurer detailing all material transactions, including information necessary to support all commissions, charges, and other fees received by, or owing to, the controlling producer.

c. The controlling producer shall remit all funds due under the terms of the contract to the controlled insurer on at least a monthly basis. The due date shall be fixed so that premiums or installments of premiums collected shall be remitted no later than ninety days after the effective date of any policy placed with the controlled insurer under this contract.

d. All funds collected for the controlled insurer’s account shall be held by the controlling producer in a fiduciary capacity, in one or more appropriately identified bank accounts in banks that are members of the federal reserve system, in accordance with the provisions of the insurance law as applicable. However, funds of a controlling producer in a fiduciary capacity, in one or more appropriately identified bank accounts in banks that are members of the federal reserve system, in accordance with the provisions of the insurance law as applicable. However, funds of a controlling producer not required to be licensed in this state shall be held by the controlling producer. The controlling producer may negotiate but shall not bind reinsurance on behalf of the controlled insurer except that the controlling insurer contains underwriting guidelines if the contract with the controlling producer would exceed the limit. The controlling producer may negotiate but not bind reinsurance on behalf of the controlled insurer.

e. The controlling producer shall maintain separately identifiable records of business written for the controlled insurer.

f. The contract shall not be assigned in whole or in part by the controlling producer.

g. The controlled insurer shall provide the controlling producer with its underwriting standards, rules, and procedures manuals setting forth the rates to be charged, and the conditions for the acceptance or rejection of risks. The controlling producer shall adhere to the standards, rules, procedures, rates, and conditions. The standards, rules, procedures, rates, and conditions shall be the same as those applicable to comparable business placed with the controlled insurer by an insurance producer other than the controlling producer.

h. The rates and terms of the controlling producer’s commissions, charges, or other fees and the purposes for those charges or fees. The rates of the commissions, charges, and other fees shall be no greater than those applicable to comparable business placed with the controlled insurer by producers other than controlling producers. For purposes of this paragraph and paragraph “g” of this subsection, “comparable business” includes the same lines of insurance, same kinds of insurance, same kinds of risks, similar policy limits, and similar quality of business.

i. If the contract provides that the controlling producer, on insurance business placed with the controlled insurer, is to be compensated contingent upon the insurer’s profits on that business, then such compensation shall not be determined and paid until at least five years after the premiums on liability insurance are earned and at least one year after the premiums are earned on any other insurance. In no event shall the commissions be paid until the adequacy of the controlled insurer’s reserves on remaining claims has been independently verified pursuant to subsection 4, paragraph “a”.

j. A limit on the controlling producer’s writings in relation to the controlled insurer’s surplus and total writings. The insurer may establish a different limit for each line or subline of business. The controlling insurer shall notify the controlling producer when the applicable limit is approached and shall not accept business from the controlling producer which would exceed the limit. The controlling producer shall not place business with the controlled insurer if it has been notified by the controlling insurer that the limit has been reached.

k. The controlling producer may negotiate but shall not bind reinsurance on behalf of the controlled insurer on business the controlling producer places with the controlled insurer, except that the controlling producer may bind facultative reinsurance contracts pursuant to obligatory facultative agreements if the contract with the controlled insurer contains underwriting guidelines including, for both reinsurance assumed and ceded, a list of reinsurers with which such automatic agreements are in effect, the coverages and amounts or percentages that may be reinsured, and commission schedules.

3. Audit committee. A controlled insurer must establish an audit committee of the board of directors composed of independent directors. Prior to approval of the annual financial statement, the audit committee shall meet with management, the insurer’s independent certified public accountants, and an independent casualty actuary or other independent loss reserve specialist acceptable to the commissioner, to review the adequacy of the insurer’s loss reserves.

4. Reporting requirements.
510A.4 BUSINESS PRODUCER CONTROLLED PROPERTY AND CASUALTY INSURERS

**510A.4 Penalties.**

1. If the commissioner believes that a controlling producer or any other person subject to this chapter has not materially complied with this chapter, or any rule adopted or order issued pursuant to this chapter, after notice and opportunity to be heard, the commissioner may order the controlling producer to cease placing business with the controlled insurer. Additionally, if the commissioner finds that because of such noncompliance the controlled insurer or any policyholder of the controlled insurer has suffered any loss or damage, the commissioner may maintain a civil action or intervene in an action brought by or on behalf of the insurer or policyholder for recovery of compensatory damages for the benefit of the insurer or policyholder, or for other appropriate relief.

2. If an order for liquidation or rehabilitation of the controlled insurer has been entered pursuant to chapter 507C, and the receiver appointed under that order believes that the controlling producer or any other person has not materially complied with this chapter, or any rule adopted or order issued pursuant to this chapter, and that the insurer suffered any loss or damage as a result of the noncompliance, the receiver may maintain a civil action for recovery of damages or other appropriate sanctions for the benefit of the insurer.

4. This section shall not be construed to affect or limit the rights of policyholders, claimants, creditors, or other third parties.

However, with respect to fixed interest-bearing obligations which are issued, assumed or guaranteed by a financial company, the net earnings by the financial company available for its fixed charges for the period of five fiscal years preceding the date of acquisition of the obligations by the insurance company shall have averaged per year not less than one and one-fourth times such average annual fixed charges of the issuing, assuming or guaranteeing financial company applicable to such period, and, during at least one of the last two years of the period, its net earnings shall have been not less than one and one-fourth times its fixed charges for such year; or if, at the date of acquisition, the obligations are adequately secured and speculative elements are not predominant in their investment qualities and characteristics. Statements so adjusted or consolidated statements may be used in order to include the earnings of all predecessor, merged, consolidated, or purchased companies.

9. **Real estate bonds and mortgages.**
   a. (1) Bonds, notes, obligations, or other evidences of indebtedness secured by mortgages or deeds of trust which are a first or second lien upon otherwise unencumbered real property and appurtenances thereto within the United States of America, or any insular or territorial possession of the United States, or the Dominion of Canada, and upon leasehold estates in real property where fifty years or more of the term including renewals is unexpired, provided that at the date of acquisition the total indebtedness secured by the first or second lien shall not exceed ninety percent of the value of the property upon which it is a lien. However, a company or organization shall not acquire an indebtedness secured by a first or second lien upon a single parcel of real property, or upon a leasehold interest in a single parcel of real property, in excess of two percent of its legal reserve. However, personal property acquired under this

Legal title to the real property may be acquired subject to a contract of sale. "Real property" as used in this subsection includes a leasehold of real estate, an undivided interest in a leasehold of real estate, and an undivided interest in the fee title of real estate. a. Shall have had for the three-year period immediately preceding investment, for which the necessary data for the railroad company shall have been published, a balance of income available for fixed charges which shall have averaged per year not less than one and one-quarter times the fixed charges for the latest year of the period; and

The terms "class I railroads", "balance of income available for the payment of fixed charges", "fixed charges" and "railway operating revenues" when used in this subsection, are to be given the same meaning as in the accounting reports filed by a railroad company in accordance with the regulations for common carriers by rail of the Interstate Commerce Act, 24 Stat. 379, codified at 49 U.S.C. §§ 1–40, 1001–1100, provided that the "balance of income available for the payment of fixed charges" and "railway operating revenues remaining", as the terms are used in this subsection, shall be computed before deduction of federal income or excess profits taxes; and that in computing "fixed charges" there shall be excluded interest and amortization charges applicable to debt called for redemption or which will otherwise mature within six months from the time of investment and for the payment of which funds have been or currently are being specifically set aside.

Deposits of securities may be made in excess of the amounts required by this section. A stock company organized under the laws of this state shall not be required to make a deposit until the legal reserve, as ascertained by the commissioner, exceeds the amount deposited by it as capital. Real estate may be made a part of the deposit by furnishing evidence of ownership satisfactory to the commissioner and by conveying the real estate to the commissioner or the commissioner’s successors in office. The commissioner and the successors in office shall hold the real estate in trust for the benefit of the policyholders of the company or members of the association. Real estate mortgage loans and policy loans may be made a part of the deposit by filing a verified statement of the loans with the commissioner, which statement is subject to check at the discretion of the commissioner.

The provisions hereof not inconsistent with the deposit agreement shall apply to the deposits of such alien companies.

   a. All bonds or other evidences of debt having a fixed term and rate of interest, if amply secured and not in default as to principal or interest, may be valued as follows:
      (1) If purchased at par, at the par value.
      (2) If purchased above or below par, on the basis of the purchase price adjusted so as to bring the value to par at maturity and so as to yield in the meantime the effective rate of interest at which the purchase was made.

In applying the above rule, the purchase price shall in no case be taken at a higher figure than the actual market value at the time of purchase.

b. Certificates of sale obtained by foreclosure of liens on real estate shall be valued in an amount not greater than the unpaid principal of the defaulted indebtedness plus any amounts actually expended for taxes and acquisition costs.

c. All investments, except those for which a specific rule is provided in this subsection, shall be valued at their market value, or at their appraised value, or at prices determined by the commissioner of insurance as representing their fair market value, or at a value as determined under rules adopted by the national association of insurance commissioners.

The commissioner of insurance shall have full discretion in determining the method of calculating values according to the foregoing rules, but no company or association shall be prevented from valuing any asset at an amount less than that provided by this subsection.

Common stocks or shares issued by solvent corporations or institutions are eligible if the total investment in stocks or shares in the corporations or institutions does not exceed ten percent of legal reserve, provided not more than one-half percent of the legal reserve is invested in stocks or shares of any one corporation. However, the stocks or shares shall be listed or admitted to trading on an established foreign securities exchange or a securities exchange in the United States or shall be publicly held and traded in the "over-the-counter market" and market quotations shall be readily available, and further, the investment shall not create a conflict of interest for an officer or director of the company between the insurance company and the corporation whose stocks or shares are purchased.

   b. Common stocks or shares in a subsidiary corporation, the acquisition or purchase of which is authorized by section 508.33 are eligible if the total investment in these stocks or shares does not exceed five percent of the legal reserve. These stocks or shares are eligible even if the stocks or shares are not listed or admitted to trading on a securities exchange in the United States and are not publicly held and have not been traded in the "over-the-counter market". The stocks or shares shall be valued at their book value.

d. Common stocks or shares issued by any federal home loan bank under the Federal Home Loan Bank Act, 12 U.S.C. § 1421 et seq., and the Acts amendatory thereof, are eligible if the total investment in those stocks or shares does not exceed one-half of one percent of the legal reserve.

Such governmental obligations must be valid, legally authorized and issued, and on the date of acquisition have predominantly investment qualities and characteristics as provided by rule. Such corporate obligations must meet the qualifications established in subsection 5 for bonds and other evidences of indebtedness issued, assumed, or guaranteed by a foreign government other than Canada. Foreign investments authorized by this subsection are not eligible in excess of twenty percent of the legal reserve of the life insurance company or association. Investments in obligations of the United Kingdom are not eligible
in excess of four percent of the legal reserve. Investments in a corporation incorporated under the laws of a foreign government other than Canada are not eligible in excess of two percent of the legal reserve in the securities of any one foreign corporation.

Eligible investments in foreign obligations under this subsection are limited to the types of obligations specifically referred to in this subsection. This subsection in no way limits or restricts investments in Canadian obligations and securities specifically authorized in other subsections of this section.

This subsection shall not authorize investment in evidences of indebtedness issued, assumed, or guaranteed by a foreign government which engages in a consistent pattern of gross violations of human rights.

20. Venture capital funds. Shares or equity interests in venture capital funds which agree to invest an amount equal to at least fifty percent of the funds in small businesses having their principal offices within this state and having either more than one half of their assets within this state or more than one half of their employees employed within this state. b. Securities deposited by a domestic insurance company with a custodian bank, or redeposited by a custodian bank with a clearing corporation, or held in the federal reserve book-entry system may be used to meet the deposit requirements of subsection 16. The commissioner shall adopt rules necessary to implement this section which:

(1) Establish guidelines on which the commissioner determines whether a custodian bank qualifies as a bank in which securities owned by an insurer may be deposited for the purpose of satisfying the requirements of subsection 16.

(2) Designate those clearing corporations in which securities owned by insurers may be deposited.

(3) Set forth provisions that custodian agreements executed between custodian banks and insurers shall contain. 5. When a cash loan is made, the insurer shall notify the policyholder of the initial interest rate on the loan. With respect to premium loans, the insurer shall notify the policyholder of the initial interest rate as soon as the insurer can reasonably do so after making the loan. An insurer need not inform the policyholder of the interest rate when an additional premium loan is made unless the interest rate increases. However, policyholders with either cash or premium loans shall receive reasonable advance notice of any increase in the interest rate. Notices required under this subsection shall also contain the following information:

- The maximum interest rate on the loan if the loan is a fixed rate loan.

6. A policy shall not terminate in a policy year solely as the result of change in the interest rate during that year. The life insurer shall maintain coverage during that policy year until the time at which it would otherwise have terminated if there had been no change during that policy year.

7. Policies of insurance upon which a loan can be made shall state the following:

**511.33 Failure to attach — defenses — estoppel.**

The omission so to do shall not render the policy invalid, but if any company or association neglects to comply with the requirements of section 511.33, it shall forever be precluded from pleading, alleging, or proving such application or representations, or any part thereof, or the falsity thereof, or any part thereof, in any action upon such policy, and the plaintiff in any such action shall be required, in order to recover against such company or association, either to plead or prove such application or representation, but may do so at the plaintiff’s option.

---

**511.34 Limitation on proofs of loss.**

No stipulation or condition in any policy or contract of insurance or beneficiary certificate issued by any company or association mentioned or referred to in this chapter, limiting the time to a period of less than one year after knowledge by the beneficiary within which notice or proofs of death or the occurrence of other contingency insured against must be given, shall be valid.

       - May be increased when an increase as determined under subsection 2 would increase the charged rate by one-half percent or more per annum.
       - Shall be reduced when a reduction as determined under subsection 2 would decrease the charged rate by one-half percent or more per annum.

3. If the maximum rate of interest is determined under subsection 1, paragraph "b", the policy shall state the frequency at which the rate is to be determined for that policy.

4. The maximum rate for the policy shall be determined at established intervals at least once every twelve months, but not more frequently than once every three months. At the intervals established in the policy the rate:

   - May be increased when an increase as determined under subsection 2 would increase the charged rate by one-half percent or more per annum.
   - Shall be reduced when a reduction as determined under subsection 2 would decrease the charged rate by one-half percent or more per annum.

5. When a cash loan is made, the insurer shall notify the policyholder of the initial interest rate on the loan. With respect to premium loans, the insurer shall notify the policyholder of the initial interest rate as soon as the insurer can reasonably do so after making the loan. An insurer need not inform the policyholder of the interest rate when an additional premium loan is made unless the interest rate increases. However, policyholders with either cash or premium loans shall receive reasonable advance notice of any increase in the interest rate. Notices required under this subsection shall also contain the following information:

   - The maximum interest rate on the loan if the loan is a fixed rate loan.
   - The fact that the interest rate is adjustable if the loan is an adjustable rate loan.
   - The frequency at which the rate is to be determined for that policy or if an adjustable interest rate, the established intervals at which the rate may be adjusted.

Vacancies on the board of directors between elections may be filled in the manner prescribed by the society's laws. The board of directors may appoint the officers of the society if authorized to do so by the articles or bylaws of the society. A board of directors elected by an assembly shall have such powers authorized the board by the articles or bylaws of the society, and may or may not be a supreme governing body as described in paragraph “b”, depending upon the powers authorized by the articles or bylaws.
   b. Direct election. The supreme governing body is a board of directors composed of persons elected by the members, either directly or by their representatives in intermediate assemblies, and any other persons prescribed in the society's laws. A society may provide for election of the board by mail. Each term of a board member must not exceed four years. Vacancies on the board between elections may be filled in the manner prescribed by the society's laws. The elected board members must constitute a majority of the board members in number and have not less than the number of votes required to amend the society's laws. A person filling the unexpired term of an elected board member shall be considered to be an elected member. The board must meet at least quarterly to conduct the business of the society.
2. The officers of the society are elected by the supreme governing body or board of directors.
3. Only benefit members are eligible for election to the supreme governing body, board of directors, or any intermediate assembly.

   a. Providing benefits as specified in section 512B.16.
   b. Operating for one or more social, intellectual, educational, charitable, benevolent, moral, fraternal, patriotic, or religious purposes for the benefit of its members, which may also be extended to others.

The purposes listed in this subsection may be carried out directly by the society, or indirectly through subsidiary corporations or affiliated organizations.
2. A society may adopt laws and regulations for the government of the society, the admission of its members, and the management of its affairs. A society may amend its laws and regulations, and has other powers as necessary and incidental to carrying into effect the objects and purposes of the society.
90 Acts, ch 1148, §6

SUBCHAPTER II

512B.7 Qualifications for membership.

1. In its laws or regulations, a society shall at minimum specify all of the following:
   a. Eligibility standards for each membership class. If benefits are provided on the lives of children, the minimum age for adult membership shall be set at not less than age fifteen and not greater than age twenty-one.
   b. The process for admission to membership for each membership class.
   c. The rights and privileges of each membership class. Only benefit members shall have the right to vote on the management of the insurance affairs of the society.
2. A society may also admit social members. A social member shall have no voice or vote in the management of the insurance affairs of the society.
3. Membership rights in a society are personal to the member and are not assignable.
90 Acts, ch 1148, §7

512B.8 Location of office, meetings, communications to members, grievance procedures.

1. The principal office of a domestic society shall be located in this state. The meetings of its supreme governing body may be held anywhere the society has at least one subordinate lodge, or
in another location as determined by the supreme governing body, and all business transacted at a meeting held out of state shall be as valid in all respects as if the meeting were held in this state. The minutes of the proceedings of the supreme governing body and of the board of directors shall be in the English language.

2. a. A society may provide in its laws for an official publication in which any notice, report, or statement required by law to be given to members, including notice of election, may be published. Such required reports, notices, and statements shall be printed conspicuously in the publication. If the records of a society show that two or more members have the same mailing address, an official publication mailed to one member is deemed to be mailed to all members at the same address unless a member requests a separate copy.

b. Not later than June 1 of each year, a synopsis of the society’s annual statement providing an explanation of the facts concerning the condition of the society disclosed in the annual statement shall be printed and mailed to each benefit member of the society or, in lieu of mailing, the synopsis may be published in the society’s official publication.

3. A society may provide in its laws or regulations for grievance or complaint procedures for members.

90 Acts, ch 1148, §8

512B.9 Personal liability.

1. The officers and members of the supreme governing body or any subordinate body of a society are not personally liable for any benefits provided by a society.

2. a. A person may be indemnified and reimbursed by a society for expenses reasonably incurred by, and liabilities imposed upon, the person in connection with or arising out of a proceeding, whether civil, criminal, administrative, or investigatory, or a threat of action in which the person is or may be involved by reason of the person being a director, officer, employee, or agent of the society or of any other legal entity or position which the person served in any capacity at the request of the society.

b. However, a person shall not be so indemnified or reimbursed for either of the following:

   (1) In relation to any matter to which the person is finally adjudged to be or have been guilty of breach of a duty as a director, officer, employee, or agent of the society.

   (2) In relation to any matter which has been made the subject of a compromise settlement.

c. However, if the person acted in good faith for a purpose the person reasonably believed to be in or not opposed to the best interests of the society and, in addition, in a criminal proceeding, had no reasonable cause to believe that the conduct was unlawful, paragraph “b”, subparagraphs (1) and (2), do not apply. The determination whether the conduct of the person met the standard required in order to justify indemnification and reimbursement in relation to any matter described in paragraph “b”, subparagraph (1) or (2), may only be made by the supreme governing body by a majority vote of a quorum consisting of persons who were not parties to the proceeding or by a court of competent jurisdiction. The termination of a proceeding by judgment, order, settlement, conviction, or upon a plea of no contest, as to a person, does not in itself create a conclusive presumption that the person met or did not meet the standard of conduct required in order to justify indemnification and reimbursement. The right of indemnification and reimbursement is not exclusive of other rights to which a person may be entitled as a matter of law and shall inure to the benefit of the person’s heirs, executors, and administrators.

3. A society may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, or agent of the society, or who is or was serving at the request of the society as a director, officer, employee, or agent of any other legal entity affiliated with the society against any liability asserted against the person incurred by the person in any such capacity or arising out of the person’s status in relation to the society, whether or not the society would have the power to indemnify the person against such liability under this section.

4. A volunteer serving without compensation, a director, officer, employee, or member of a society, is not liable, and no cause of action may be brought, for damages resulting from the exercise of judgment or discretion in connection with the duties or responsibilities of that person for the society unless the act or omission alleged to be an exercise of judgment or discretion involved willful or wanton misconduct.

90 Acts, ch 1148, §9; 2008 Acts, ch 1032, §66

Subsection 2 amended

512B.10 Waiver.

The laws of the society may provide that a subordinate body, or any of its subordinate officers or members, do not have the power or authority to waive any of the provisions of the laws of the society. A waiver prohibition provision is binding on the society and every member and beneficiary of a member.

90 Acts, ch 1148, §10

SUBCHAPTER III

GOVERNANCE

512B.11 Organization.

A domestic society organized on or after the effective date of this Act shall be formed as follows:

1. Seven or more citizens of the United States, a majority of whom are citizens of this state, who
section and circulars to be issued by the society, and a description of all proposed forms of certificates, applications, copies of the society's regulations and laws, copies of said regulations and laws, and a copy of the society's constitution and bylaws. The society shall also include more liberal powers than are granted by this chapter.

2. The articles of incorporation, duly certified copies of the society's regulations and laws, copies of all other regulations and laws, copies of all proposed forms of certificates, applications, and circulars to be issued by the society, and a bond conditioned upon the return to applicants of the advance premiums if the organization is not completed within one year shall be filed with the commissioner of insurance, who may require further information as the commissioner deems necessary. The bond with sureties approved by the commissioner shall be in an amount, not less than five hundred thousand dollars nor more than one million five hundred thousand dollars, as required by the commissioner. All documents filed are to be in the English language. If the purposes of the society conform to the requirements of this chapter and all provisions of the law have been complied with, the commissioner shall certify, retain and file the articles of incorporation, and furnish the incorporators a preliminary certificate of authority authorizing the society to solicit members as provided in this chapter.

3. A preliminary certificate of authority granted under this section is not valid after one year from its date or after a further period, not exceeding one year, as may be authorized by the commissioner upon cause shown, unless the five hundred applicants required in this section have been secured and the organization has been completed as provided in this chapter. The articles of incorporation and all other proceedings become void in one year from the date of the preliminary certificate of authority, or at the expiration of the extended period, unless the society has completed its organization and received a certificate of authority to do business as provided in this chapter.

4. Upon receipt of a preliminary certificate of authority from the commissioner, the society may solicit members for the purpose of completing its organization, shall collect from each applicant the amount of not less than one regular monthly premium in accordance with its table of rates, and shall issue to each applicant a receipt for the amount so collected. A society shall not incur a liability other than for the return of advance premiums, shall not issue a certificate, nor pay, allow, offer, or promise to pay or allow, a benefit to any person until all of the following conditions are satisfied:

a. Actual bona fide applications for benefits have been secured on not less than five hundred applicants, and any necessary evidence of insurability has been furnished to and approved by the commissioner.

b. At least ten subordinate lodges have been established into which the five hundred applicants have been admitted.

c. A list of the applicants has been submitted to the commissioner, under oath of the president or secretary, or corresponding officer of the society, giving the applicants' names and addresses, the date each applicant was admitted, the name and number of the subordinate lodge of which each applicant is a member, the amount of benefits to be granted, and the premiums for the benefits.

d. It has been shown to the commissioner, by sworn statement of the treasurer, or corresponding officer of the society, that at least one thousand applicants have each paid in cash at least one regular monthly premium, which premiums in the aggregate shall amount to at least three hundred thousand dollars. Advance premiums shall be held in trust during the period of organization and if the society has not qualified for a certificate of authority within the time permitted by this section, each premium shall be returned to the respective applicant.

5. The commissioner may make an examination and require further information as the commissioner deems advisable. Upon presentation of satisfactory evidence that the society has complied with all applicable provisions of law, the commissioner shall issue to the society a certificate of authority and the society is then authorized to transact business pursuant to this chapter. A certificate of authority is prima facie evidence of the existence of the society at the date of the certificate. The commissioner shall cause a record of each certificate of authority to be made. A certified copy of the record shall be accepted in evidence with like effect as the original certificate of authority.

6. An incorporated society authorized to transact business in this state on January 1, 1991, is not required to reincorporate. A certified copy of the current articles of incorporation of an existing society shall be filed with the commissioner and the commissioner may request additional records as the commissioner deems necessary before issuing
a certificate of authority to an existing society.

90 Acts, ch 1148, §11

512B.12 Amendments to laws.
1. A domestic society may amend its laws in accordance with the provisions of its laws by action of its supreme governing body at any regular or special meeting or, if its laws so provide, by referendum. A referendum may be held in accordance with the provisions of the society's laws by the vote of the voting members of the society, by the vote of delegates or representatives of voting members, or by the vote of local lodges. A society may provide for voting by mail. An amendment submitted for adoption by referendum shall not be adopted unless, within six months from the date of submission of the referendum, a majority of the members voting have signified their consent to the amendment by one of the methods specified in this subsection.

2. An amendment to the laws of a domestic society shall not take effect unless approved by the commissioner. The commissioner shall approve an amendment if the commissioner finds that it has been duly adopted and is not inconsistent with the laws of this state or with the character, objects, and purposes of the society. An amendment shall be considered approved, unless the commissioner disapproves the amendment in writing, within thirty days after the filing of the amendment. The disapproval of the commissioner shall be in writing and mailed to the secretary or corresponding officer of the society at its principal office. If the commissioner disapproves an amendment, the reasons for disapproval shall be stated in the written notice.

3. Within ninety days from the approval of an amendment by the commissioner, the amendment, or a synopsis of it, shall be furnished to all members of the society either by mail or by publication in full in the official publication of the society. The affidavit of an officer of the society or of anyone authorized by the society to mail an amendment or synopsis of an amendment, stating facts which demonstrate compliance with this subsection, is prima facie evidence that the amendment or synopsis has been furnished to the addressees.

4. A foreign or alien society authorized to do business in this state shall file with the commissioner a duly certified copy of all amendments of its laws within ninety days after their enactment.

5. Printed copies of the laws as amended, certified by the secretary, or corresponding officer of the society, are prima facie evidence of the legal adoption of the laws and amendments.

90 Acts, ch 1148, §12

512B.13 Institutions.

A society may create, maintain, and operate, or may establish organizations to operate, not-for-profit institutions to further the purposes permitted by section 512B.6, subsection 1, paragraph "b". The institutions may furnish services free or at a reasonable charge. Any real or personal property owned, held, or leased by the society for this purpose shall be reported in every annual statement. A not-for-profit institution so established is a charitable institution with all the rights, benefits, and privileges given to charitable institutions under the Constitution and laws of the State of Iowa. The commissioner may adopt appropriate rules and reporting requirements.

90 Acts, ch 1148, §13; 2006 Acts, ch 1010, §139

512B.14 Reinsurance.
1. A domestic society may, by a reinsurance agreement, cede any individual risk or risks in whole or in part to an insurer, other than another fraternal benefit society, having the power to make such reinsurance agreements and authorized to do business in this state, or if not so authorized, one which is approved by the commissioner; but a society shall not reinsurance substantially all of its insurance in force without the written permission of the commissioner. It may take credit for the reserves on ceded risks to the extent reinsured, but credit shall not be allowed as an admitted asset or as a deduction from liability, to a ceding society for reinsurance made, ceded, renewed, or otherwise becoming effective after January 1, 1991, unless the reinsurance is payable by the assuming insurer on the basis of the liability of the ceding society under the contract or contracts reinsured without diminution because of the insolvency of the ceding society.

2. Notwithstanding the limitation in subsection 1, a society may reinsure the risks of another society in a consolidation or merger approved by the commissioner under section 512B.15.

90 Acts, ch 1148, §14

512B.15 Consolidations and mergers.
1. A domestic society may consolidate or merge with a domestic society, foreign society, or society chartered under the laws of Canada or a Canadian province or territory, by complying with this section. The society shall file with the commissioner all of the following:

a. A certified copy of the written contract containing in full the terms and conditions of the consolidation or merger.

b. A sworn statement by the president and secretary, or corresponding officers of each society, showing the financial condition of the society on a date fixed by the commissioner.

c. A certificate of each officer submitting a sworn statement pursuant to paragraph "b", duly verified, that the consolidation or merger contract has been approved by a two-thirds vote of the supreme governing body of each society, the vote having been conducted at a regular or special
meeting of each such body, or, if the society’s laws so permit, by mail.

d. Evidence that at least sixty days prior to the action of the supreme governing body of each society to approve the consolidation or merger contract, the text of the contract has been furnished to all members of each society either by mail or by publication in full in the official publication of each society.

2. If the commissioner finds that the contract is in conformity with this section, that the financial statements are correct, and that the consolidation or merger is just and equitable to the members of each society, the commissioner shall approve the contract and issue a certificate to that effect. Upon the commissioner’s approval, the contract shall be in full force and effect unless a society which is a party to the contract is incorporated under the laws of another state. In that event the consolidation or merger shall not become effective unless and until it has been approved as provided by the laws of the other state and a certificate of approval has been filed with the commissioner of this state or, if the laws of the other state contain no equivalent provision for issuing a certificate of consolidation or merger, then the consolidation or merger shall not become effective unless and until it has been approved by the commissioner of the other state and a certificate conforming with the laws of this state has been filed with the commissioner. If the contract is not approved it shall be inoperative, and the fact of submission and its contents shall not be disclosed by the commissioner. For the purposes of this subsection, “state” includes Canada and Canadian provinces and territories.

3. Upon the consolidation or merger becoming effective, all the rights, franchises, and interests of the consolidated or merged societies in and to every kind of property, real, personal, or mixed, belonging to the societies shall be vested in the successor society without any other instrument, except that conveyances of real property may be evidenced by proper deeds. The title to real property or an interest in real property, vested under the laws of this state in any of the societies consolidated or merged, shall not revert or be in any way impaired by reason of the consolidation or merger, but shall vest absolutely in the successor society.

4. The affidavit of an officer of the society or of a person authorized by the society to mail a notice or document, stating that the notice or document has been duly addressed and mailed, is prima facie evidence that the notice or document has been furnished the addressees.

90 Acts, ch 1148, §15; 91 Acts, ch 97, §56

512B.15A Conversion of fraternal benefit society into a mutual life insurance company.

A domestic fraternal benefit society may be converted and licensed as a mutual life insurance company by compliance with all the requirements of the general insurance laws for mutual life insurance companies. A plan of conversion shall be prepared in writing by the board of directors setting forth in full the terms and conditions of conversion. The affirmative vote of two-thirds of all members of the supreme governing body at a regular or special meeting is necessary for the approval of the plan of conversion. A conversion shall not take effect unless and until approved by the commissioner. The commissioner may give approval for the conversion if the commissioner finds that the proposed change is in conformity with the requirements of law and not prejudicial to the certificate holders of the society.

90 Acts, ch 1148, §16

SUBCHAPTER IV

512B.16 Benefits.

1. A society may provide any or all of the following contractual benefits in any form:
   a. Death benefits.
   b. Endowment benefits.
   c. Annuity benefits.
   d. Temporary or permanent disability benefits.
   e. Hospital, medical, or nursing benefits.
   f. Monument or tombstone benefits to the memory of deceased members.
   g. Other benefits authorized for life insurers and which are not inconsistent with this chapter.

2. A society shall specify in its regulations those persons who may be issued, or covered by, the contractual benefits in subsection 1, consistent with providing benefits to members and their dependents. A society may provide benefits on the lives of children under the minimum age for adult membership upon application of an adult person.

90 Acts, ch 1148, §17

512B.17 Beneficiaries.

1. The owner of a benefit contract may change the beneficiary or beneficiaries in accordance with the laws or regulations of the society unless the owner waives this right by specifically requesting in writing that the beneficiary designation be irrevocable. A society may, through its laws or regulations, limit the scope of beneficiary designations and shall provide that a revocable beneficiary shall not have or obtain a vested interest in the proceeds of a certificate until the certificate has become due and payable in conformity with the benefit contract.

2. A society may make provision for the payment of funeral benefits to the extent of the portion of a payment under a certificate which reasonably appears to be due to a person equitably entitled to the benefit by reason of having incurred ex-
pense occasioned by the burial of the member. However, the portion so paid shall not exceed the sum of one thousand dollars.

3. If, at the death of a person insured under a benefit contract, there is no lawful beneficiary to whom the proceeds are payable, the amount of the benefit, except to the extent that funeral benefits may be paid pursuant to subsection 2, shall be payable to the estate of the deceased insured the same as other property not exempt. However, if the owner of the certificate is other than the insured, the proceeds are payable to the owner.

90 Acts, ch 1148, §18

512B.18 Benefits not attachable.
Money or other benefit, charity, relief, or aid to be paid, provided, or rendered by a society, is not liable to attachment, garnishment, or other process, or to be seized, taken, appropriated, or applied by any legal or equitable process or operation of law to pay a debt or liability of a member or beneficiary, or any other person who may have a derivative right, either before or after payment by the society, except as provided in sections 627.11 and 627.12.

90 Acts, ch 1148, §19

512B.19 The benefit contract.
1. A society authorized to do business in this state shall issue to each owner of a benefit contract a certificate specifying the amount of benefits provided pursuant to the benefit contract. The certificate, together with any riders or endorsements attached to the certificate, the laws of the society, the application for membership, the application for insurance and declaration of insurability, if any, signed by the applicant, and all amendments, constitute the benefit contract, as of the date of issuance, between the society and the owner, and the certificate shall so state. A copy of the application for insurance and declaration of insurability, if any, shall be endorsed upon or attached to the certificate. Statements on the application are representations and not warranties. A waiver of this provision is void.

2. Additions or amendments to the laws of a society duly made or enacted subsequent to the issuance of the certificate, bind the owner and the beneficiaries, and govern and control the benefit contract in all respects the same as though the additions or amendments had been made before and were in force at the time of the application for insurance, except that an addition or amendment shall not destroy or diminish benefits which the society contracted to give the owner as of the date of issuance.

3. A person upon whose life a benefit contract is issued before the person attains the age of majority is bound by the terms of the application and certificate and by all the laws and regulations of the society to the same extent as though the person had attained the age of majority at the time of application.

4. A society shall provide in its laws that if its reserves as to all or any class of certificates become impaired, its supreme governing body or board of directors may require that there be paid by the owners to the society the amount of the owners' equitable proportion of the deficiency as ascertained by its governing body or board, and that if the payment is not made either of the following will apply:
   a. The required payment or assessment shall stand as an indebtedness against the certificate and draw interest not to exceed the rate specified for certificate loans under the certificates.
   b. In lieu of or in combination with paragraph "a", the owner may accept a proportionate reduction in benefits under the certificate.

The society may specify the manner of the election and which alternative is to be presumed if no election is made.

5. Copies of any of the documents mentioned in this section, certified by the secretary or corresponding officer of the society, shall be received in evidence of the terms and conditions of the documents.

6. A certificate shall not be delivered or issued for delivery in this state unless a copy of the form has been filed with the commissioner in the manner provided for like policies issued by life insurers in this state. A life, accident, health, or disability insurance certificate and an annuity certificate issued on or after one year from January 1, 1991, shall meet the standard contract provision requirements not inconsistent with this chapter for like policies issued by life insurers in this state, except that a society may provide for a grace period for payment of premiums of one full month in its certificates. The certificate shall also contain a provision stating the amount of premiums which are payable under the certificate and a provision reciting or setting forth the substance of any sections of the society's laws or regulations in force at the time of issuance of the certificate which, if violated, will result in the termination or reduction of benefits payable under the certificate. If the laws of the society provide for expulsion or suspension of a member, the certificate shall also contain a provision that any member expelled or suspended, except for nonpayment of a premium or within the contestable period for material misrepresentation in the application for membership or insurance, may maintain the certificate in force by continuing payment of the required premium.

7. A benefit contract issued on the life of a person below the society's minimum age for adult membership may provide for transfer of control of ownership to the insured at an age specified in the certificate. A society may require approval of an application for membership in order to effect this transfer, and may provide in all other respects for the regulation, government, and control of such certificates and the rights, obligations, and liabili-
ties incident to, or connected with, the benefit contract. Ownership rights prior to a transfer shall be specified in the certificate.

8. A society may specify the terms and conditions on which benefit contracts may be assigned.

90 Acts, ch 1148, §20

512B.20 Nonforfeiture benefits, cash surrender values, certificate loans, and other options.

1. For certificates issued before January 1, 1991, the value of every paid-up nonforfeiture benefit and the amount of any cash surrendered value, loan, or other option granted shall comply with chapter 512, Code 1989.

2. For certificates issued on or after January 1, 1991, for which reserves are computed on the commissioner’s 1980 standard mortality table, or any more recent table made applicable to life insurers, every paid-up nonforfeiture benefit and the amount of any cash surrender value, loan, or other option granted shall not be less than the corresponding amount ascertained in accordance with the laws of this state applicable to life insurers issuing policies containing like benefits based upon the same tables.

90 Acts, ch 1148, §21

3. A society may, pursuant to resolution of its supreme governing body, establish and operate one or more separate accounts and issue contracts on a variable basis, subject to the law regulating life insurers establishing equivalent accounts and issuing equivalent contracts. To the extent the society deems it necessary in order to comply with any applicable federal or state laws, regulations, or rules, the society may adopt special procedures for the conduct of the business and affairs of a separate account; may, for persons having beneficial interests in the account, provide special voting and other rights, including without limitation, special rights and procedures relating to investment policy, investment advisory services, selection of certified public accountants, and selection of a committee to manage the business and affairs of the account; and may issue contracts on a variable basis to which section 512B.19, subsections 2 and 4 shall not apply.

4. A society, with the consent of the commissioner of insurance of the state of domicile of the society and under conditions which the commissioner may impose, may establish and maintain reserves on its certificates in excess of the reserves otherwise required, but the contractual rights of a benefit member shall not be affected by the excess reserves.

90 Acts, ch 1148, §24

512B.24 Reports.
Reports shall be filed in accordance with this section.

1. A society transacting business in this state, on or before March 1 annually, unless for cause shown the time has been extended by the commissioner, shall file with the commissioner a true statement of its financial condition, transactions, and affairs for the preceding calendar year and shall pay a fee of fifty dollars. The statement may be in general form and content as approved by the national association of insurance commissioners for fraternal benefit societies and shall be supplemented by additional information as adopted by rule of the commissioner.

2. As part of the annual statement, a society shall, on or before March 1, file with the commissioner of insurance a valuation of its certificates in force on the last preceding December 31. However, the commissioner may, for cause shown, extend the time for filing the valuation for not more than two calendar months. The valuation shall be done in accordance with the standards specified in section 512B.23. The valuation and underlying data shall be certified by a qualified actuary or, at the expense of the society, verified by the actuary of the department of insurance of the state of domicile of the society.

3. A society failing to file the annual statement in the form and within the time provided by this section shall forfeit one hundred dollars for each day during which the default continues, and, upon notice by the commissioner to that effect, the society’s authority to do business in this state shall cease while the default continues.

90 Acts, ch 1148, §25; 92 Acts, ch 1162, §17

512B.25 Annual license — renewal.

A society shall submit annually on or before March 1 a completed application for renewal of its license. For each license or renewal the society shall pay the commissioner a fee of fifty dollars. A society that fails to timely file an application for renewal shall pay an administrative penalty of five hundred dollars to the treasurer of state for deposit in the general fund of the state as provided in section 505.7. A duly certified copy or duplicate of the license is prima facie evidence that the licensee is a fraternal benefit society within the meaning of this chapter.

1. The commissioner, or the commissioner’s designee, may examine a domestic, foreign, or alien society transacting or applying for admission to transact business in this state in the same manner as authorized for examination of a domestic, foreign, or alien insurer. Requirements of notice and an opportunity to respond before findings are made public as provided in the laws regulating insurers are also applicable to the examination of a society.

2. The expense of each examination and of each valuation, including compensation and actual expense of examiners, shall be paid by the society examined or whose certificates are valued, upon statements furnished by the commissioner.

90 Acts, ch 1148, §27

512B.27 Foreign or alien society — admission.

2. "Base premium rate" means, for each class of business as to a rating period, the lowest premium rate charged or which could have been charged under a rating system for that class of business, by the small employer carrier to small employers for health insurance plans with the same or similar case characteristics.

5. "Case characteristics" means demographic or other relevant characteristics of a small employer, as determined by a small employer carrier, which are considered by the insurer in the determination of premium rates for the small employer. Claim experience, health status, and duration of coverage since issue are not case characteristics for the purpose of this subchapter.
6. "Class of business" means all or a distinct grouping of small employers as shown on the records of the small employer carrier.
   a. A distinct grouping may only be established by the small employer carrier on the basis that the applicable health insurance coverages meet one or more of the following requirements:

      (3) The coverages are provided by a policy of group health insurance coverage through a bona fide association as provided in section 509.1, subsection 8, which meets the requirements for a class of business under section 513B.4. A small employer carrier may condition coverages under such a policy of group health insurance coverage on any of the following requirements:

After a distinct grouping of bona fide associations is established as a class of business, the small employer carrier shall not re-
move a bona fide association from the class based on the claims experience of that association. A small employer carrier may condition coverages under such a policy of group health insurance coverage on any of the following requirements:

(a) Minimum levels of participation by employees of each member of a bona fide association in the class that offers the coverage to its employees.

(c) A specified policy term, subject to annual premium rate adjustments as permitted by section 513B.4.

A small employer carrier may establish additional groupings under each of the subparagraphs in paragraph “a” on the basis of underwriting criteria which are expected to produce substantial variation in the health care costs.

2. This section does not affect the use by a small employer carrier of legitimate rating factors other than claim experience, health status, or duration of coverage in the determination of premium rates. Small employer carriers shall apply rating factors, including case characteristics, consistently with respect to all small employers in a class of business.

Case characteristics other than age, geographic area, family composition, and group size shall not be used by a small employer carrier without the prior approval of the commissioner.

Rating factors shall produce premiums for identical groups which differ only by amounts attributable to coverage design and do not reflect differences due to the nature of the groups assumed to select particular health benefit plans. A small employer carrier shall treat all health insurance coverages issued or renewed in the same calendar month as having the same rating period.

3. For purposes of this section, a health insurance coverage that contains a restricted network provision shall not be considered similar coverage to a health insurance coverage that does not contain such a provision, if the restriction of benefits to network providers results in substantial differences in claims costs.

4. A small employer shall not be involuntarily transferred by a small employer carrier into or out of a class of business. A small employer carrier shall not offer to transfer a small employer into or out of a class of business unless the offer is made to transfer all small employers in the class of business without regard to case characteristics, claim experience, health status, or duration since issue.

5. Notwithstanding subsection 1, the commissioner, with the concurrence of the board of the
513B.4A Exemption from premium rate restrictions.

A Taft-Hartley trust or a carrier with the written authorization of such a trust may make a written request to the commissioner for an exemption from the application of any provisions of section 513B.4 with respect to health insurance coverage provided to such a trust. The commissioner may grant an exemption if the commissioner finds that application of section 513B.4 with respect to the trust would have a substantial adverse effect on the participants and beneficiaries of such trust, and would require significant modifications to one or more collective bargaining arrangements under which the trust is established or maintained. An exemption granted under this section shall not apply to an individual if the individual participates in a trust as an associate member of an employee organization.

513B.4B Small employer incentives — suspension or modification of premium rate restrictions.

1. In order to encourage voluntary participation in wellness or disease management programs, a small employer carrier may offer premium credits or discounts to a small employer for the benefit of eligible employees of that small employer who participate in such a program. An employee shall not be penalized in any way for not participating in such a program.

2. The commissioner shall adopt, by rule or order, provisions allowing suspension or modification of premium rate restrictions to enable a small employer carrier to provide premium credits or discounts to a small employer based on measurable reductions in costs of that small employer, including but not limited to tobacco use cessation, participation in established wellness or disease management programs, and economies of acquisition or administration.

2007 Acts, ch 57, §7, 8

513B.5 Provisions on renewability of coverage.

1. Health insurance coverage subject to this chapter is renewable with respect to all eligible employees or their dependents, at the option of the small employer, except for one or more of the following reasons:
   a. The health insurance coverage sponsor fails to pay, or to make timely payment of, premiums or contributions pursuant to the terms of the health insurance coverage.
   b. The health insurance coverage sponsor performs an act or practice constituting fraud or makes an intentional misrepresentation of a material fact under the terms of the coverage.
   c. Noncompliance with the carrier's or organized delivery system's minimum participation requirements.
   d. Noncompliance with the carrier's or organized delivery system's employer contribution requirements.
   e. A decision by the carrier or organized delivery system to discontinue offering a particular type of health insurance coverage in the state's small employer market. Health insurance coverage may be discontinued by the carrier or organized delivery system in that market only if the carrier or organized delivery system does all of the following:
      (1) Provides advance notice of its decision to discontinue such plan to the commissioner or director of public health. Notice to the commissioner or director, at a minimum, shall be no less than three days prior to the notice provided for in subparagraph (2) to affected small employers, participants, and beneficiaries.
      (2) Provides notice of its decision not to renew such plan to all affected small employers, participants, and beneficiaries no less than ninety days prior to the nonrenewal of the plan.
      (3) Offers to each plan sponsor of the discontinued coverage, the option to purchase any other coverage currently offered by the carrier or organized delivery system to other employers in this state.
      (4) Acts uniformly, in opting to discontinue the coverage and in offering the option under subparagraph (3), without regard to the claims experience of the sponsors under the discontinued coverage or to a health status-related factor relating to any participants or beneficiaries covered or new participants or beneficiaries who may become eligible for the coverage.
   f. A decision by the carrier or organized delivery system to discontinue offering and to cease to renew all of its health insurance coverage delivered or issued for delivery to small employers in this state. A carrier or organized delivery system making such decision shall do all of the following:
      (1) Provide advance notice of its decision to discontinue such coverage to the commissioner or director of public health. Notice to the commis-
sioner or director, at a minimum, shall be no less than three days prior to the notice provided for in subparagraph (2) to affected small employers, participants, and beneficiaries.

(2) Provide notice of its decision not to renew such coverage to all affected small employers, participants, and beneficiaries no less than one hundred eighty days prior to the nonrenewal of the coverage.

(3) Discontinue all health insurance coverage issued or delivered for issuance to small employers in this state and cease renewal of such coverage.

g. The membership of an employer in an association, which is the basis for the coverage which is provided through such association, ceases, but only if the termination of coverage under this paragraph occurs uniformly without regard to any health status-related factor relating to any covered individual.

h. The commissioner or director of public health finds that the continuation of the coverage is not in the best interests of the policyholders or certificate holders, or would impair the carrier’s or organized delivery system’s ability to meet its contractual obligations.

i. At the time of coverage renewal, a carrier or organized delivery system may modify the health insurance coverage for a product offered under group health insurance coverage in the small group market, for coverage that is available in such market other than only through one or more bona fide associations, if such modification is consistent with the laws of this state, and is effective on a uniform basis among group health insurance coverage with that product.

2. A carrier or organized delivery system that elects not to renew health insurance coverage under subsection 1, paragraph “f”, shall not write any new business in the small employer market in this state for a period of five years after the date of notice to the commissioner or director of public health.

3. This section, with respect to a carrier or organized delivery system doing business in one established geographic service area of the state, applies only to such carrier’s or organized delivery system’s operations in that service area.

513B.7 Maintenance of records.
1. A small employer carrier or organized delivery system shall maintain at its principal place of business a complete and detailed description of its rating practices and renewal underwriting practices, including information and documentation which demonstrate that its rating methods and practices are based upon commonly accepted actuarial assumptions and are in accordance with sound actuarial principles.

2. A small employer carrier or organized delivery system shall file each March 1 with the commissioner or the director of public health an actuarial certification that the small employer carrier or organized delivery system is in compliance with this section and that the rating methods of the small employer carrier or organized delivery system are actuarially sound. A copy of the certification shall be retained by the small employer carrier or organized delivery system at its principal place of business.

3. A small employer carrier or organized delivery system shall make the information and documentation described in subsection 1 available to the commissioner or the director of public health upon request. The information is not a public record or otherwise subject to disclosure under chapter 22, and is considered proprietary and trade secret information and is not subject to disclosure by the commissioner or the director of public health to persons outside of the division or department except as agreed to by the small employer carrier or organized delivery system or as ordered by a court of competent jurisdiction.

513B.9 Reserved.

513B.9A Eligibility to enroll.
1. A carrier or organized delivery system offering group health insurance coverage shall not establish rules for eligibility, including continued eligibility, of an individual to enroll under the terms of the coverage based on any of the following health status-related factors in relation to the in-
individual, or a dependent of the individual:
   a. Health status.
   b. Medical condition, including both physical and mental conditions.
   c. Claims experience.
   d. Receipt of health care.
   e. Medical history.
   f. Genetic information.
   g. Evidence of insurability, including conditions arising out of acts of domestic violence.
   h. Disability.
2. Subsection 1 does not require group health insurance coverage to provide particular benefits other than those provided under the terms of the coverage, and does not prevent a coverage from establishing limitations or restrictions on the amount, level, extent, or nature of the benefits or coverage for similarly situated individuals enrolled in the coverage.
3. Rules for eligibility to enroll under group health insurance coverage include rules defining any applicable waiting periods for such enrollment.
4. a. A carrier or organized delivery system offering health insurance coverage shall not require an individual, as a condition of enrollment or continued enrollment under the coverage, to pay a premium or contribution which is greater than a premium or contribution for a similarly situated individual enrolled in the coverage on the basis of a health status-related factor in relation to the individual or to a dependent of an individual enrolled under the coverage.
b. Paragraph "a" shall not be construed to do either of the following:
   (1) Restrict the amount that an employer may be charged for health insurance coverage.
   (2) Prevent a carrier or organized delivery system offering group health insurance coverage from establishing premium discounts or rebates or modifying otherwise applicable copayments or deductibles in return for adherence to programs of health promotion and disease prevention.
97 Acts, ch 103, §23

513B.10 Availability of coverage.
1. a. A carrier or an organized delivery system that offers health insurance coverage in the small group market shall accept every small employer that applies for health insurance coverage and shall accept for enrollment under such coverage every eligible individual who applies for enrollment during the period in which the individual first becomes eligible to enroll under the terms of the health insurance coverage and shall not place any restriction which is inconsistent with eligibility rules established under this chapter.
b. A carrier or organized delivery system that offers health insurance coverage in the small group market through a network plan may do either of the following:
   (1) Limit employers that may apply for such coverage to those with eligible individuals who live, work, or reside in the service area for such network plan.
   (2) Deny such coverage to such employers within the service area of such plan if the carrier or organized delivery system has demonstrated to the applicable state authority both of the following:
      (a) The carrier or organized delivery system will not have the capacity to deliver services adequately to enrollees of any additional groups because of its obligations to existing group contract holders and enrollees.
      (b) The carrier or organized delivery system is applying this subparagraph uniformly to all employers without regard to the claims experience of those employers and their employees and their dependents, or any health status-related factor relating to such employees or dependents.
c. A carrier or organized delivery system, upon denying health insurance coverage in any service area pursuant to paragraph "b", subparagraph (2), shall not offer coverage in the small group market within such service area for a period of one hundred eighty days after the date such coverage is denied.
d. A carrier or organized delivery system may deny health insurance coverage in the small group market if the issuer has demonstrated to the commissioner or director of public health both of the following:
   (1) The carrier or organized delivery system does not have the financial reserves necessary to underwrite additional coverage.
   (2) The carrier or organized delivery system is applying the provisions of this paragraph uniformly to all employers in the small group market in this state consistent with state law and without regard to the claims experience of those employers and the employees and dependents of such employers, or any health status-related factor relating to such employees and their dependents.
e. A carrier or organized delivery system, upon denying health insurance coverage pursuant to paragraph "d", shall not offer coverage in connection with health insurance coverages in the small group market in this state for a period of one hundred eighty days after the date such coverage is denied or until the carrier or organized delivery system has demonstrated to the commissioner or director of public health that the carrier or organized delivery system has sufficient financial reserves to underwrite additional coverage, whichever is later. The commissioner or director may provide for the application of this paragraph on a service area-specific basis.
f. Paragraph "a" shall not be construed to preclude a carrier or organized delivery system from establishing employer contribution rules or group participation rules for the offering of health insurance coverage in the small group market.
2. A carrier or organized delivery system, subject to subsection 1, shall issue health insurance coverage to an eligible small employer that applies for the coverage and agrees to make the required premium payments and satisfy the other reasonable provisions of the health insurance coverage not inconsistent with this chapter. A carrier or organized delivery system is not required to issue health insurance coverage to a self-employed individual who is covered by, or is eligible for coverage under, health insurance coverage offered by an employer.

3. Health insurance coverage for small employers shall satisfy all of the following:
   a. A carrier or organized delivery system offering group health insurance coverage, with respect to a participant or beneficiary, may impose a preexisting condition exclusion only as follows:
      (1) The exclusion relates to a condition, whether physical or mental, regardless of the cause of the condition, for which medical advice, diagnosis, care, or treatment was recommended or received within the six-month period ending on the enrollment date. However, genetic information shall not be treated as a condition under this subparagraph in the absence of a diagnosis of the condition related to such information.
      (2) The exclusion extends for a period of not more than twelve months, or eighteen months in the case of a late enrollee, after the enrollment date.
      (3) The period of any such preexisting condition exclusion is reduced by the aggregate of the periods of creditable coverage applicable to the participant or beneficiary as of the enrollment date.
   b. A carrier or organized delivery system offering group health insurance coverage shall not impose any preexisting condition exclusion as follows:
      (1) In the case of a child who is adopted or placed for adoption before attaining eighteen years of age and who, as of the last day of the thirty-day period beginning on the date of the adoption or placement for adoption, is covered under creditable coverage. This subparagraph shall not apply to coverage before the date of such adoption or placement for adoption.
      (2) In the case of an individual who, as of the last day of the thirty-day period beginning with the date of birth, is covered under creditable coverage.
      (3) Relating to pregnancy as a preexisting condition.
   c. A carrier or organized delivery system shall waive any waiting period applicable to a preexisting condition exclusion or limitation period with respect to particular services under health insurance coverage for the period of time an individual was covered by creditable coverage, provided that the creditable coverage was continuous to a date not more than sixty-three days prior to the effective date of the new coverage. Any period that an individual is in a waiting period for any coverage under group health insurance coverage, or is in an affiliation period, shall not be taken into account in determining the period of continuous coverage. A health maintenance organization that does not use preexisting condition limitations in any of its health insurance coverage may impose an affiliation period. For purposes of this section, "affiliation period" means a period of time not to exceed sixty days for new enrollees and not to exceed ninety days for late enrollees during which no premium shall be collected and coverage issued is not effective, so long as the affiliation period is applied uniformly, without regard to any health status-related factors. This paragraph does not preclude application of a waiting period applicable to all new enrollees under the health insurance coverage, provided that any carrier or organized delivery system-imposed waiting period is no longer than sixty days and is used in lieu of a preexisting condition exclusion.
   d. Health insurance coverage may exclude coverage for late enrollees for preexisting conditions for a period not to exceed eighteen months.
   e. (1) Requirements used by a carrier or organized delivery system in determining whether to provide coverage to a small employer shall be applied uniformly among all small employers applying for coverage or receiving coverage from the carrier or organized delivery system.
      (2) In applying minimum participation requirements with respect to a small employer, a carrier or organized delivery system shall not consider employees or dependents who have other creditable coverage in determining whether the applicable percentage of participation is met.
   f. (1) If a carrier or organized delivery system offers coverage to a small employer, the carrier or organized delivery system shall offer coverage to all eligible employees of the small employer and the employees’ dependents. A carrier or organized delivery system shall not offer coverage to only certain individuals or dependents in a small employer group or to only part of the group.
      (2) Except as provided under paragraphs “a” and “d”, a carrier or organized delivery system shall not modify health insurance coverage with respect to a small employer or any eligible employee or dependent through riders, endorsements, or other means, to restrict or exclude coverage or benefits for certain diseases, medical conditions, or services otherwise covered by the health insurance coverage.
   g. A carrier or organized delivery system offering coverage through a network plan shall not be
required to offer coverage or accept applications pursuant to subsection 1 with respect to a small employer where any of the following apply:

1. The small employer does not have eligible individuals who live, work, or reside in the service area for the network plan.

2. The small employer does have eligible individuals who live, work, or reside in the service area for the network plan, but the carrier or organized delivery system, if required, has demonstrated to the commissioner or the director of public health that it will not have the capacity to deliver services adequately to enrollees of any additional groups because of its obligations to existing group contract holders and enrollees and that it is applying the requirements of this lettered paragraph uniformly to all employers without regard to the claims experience of those employers and their employees and the employees’ dependents, or any health status-related factor relating to such employees and dependents.

3. A carrier or organized delivery system, upon denying health insurance coverage in a service area pursuant to subparagraph (2), shall not offer coverage in the small employer market within such service area for a period of one hundred eighty days after the coverage is denied.

4. A carrier or organized delivery system shall not be required to offer coverage to small employers pursuant to subsection 1 for any period of time where the commissioner or director of public health determines that the acceptance of the offers by small employers in accordance with subsection 1 would place the carrier or organized delivery system in a financially impaired condition.

5. A carrier or organized delivery system shall not be required to provide coverage to small employers pursuant to subsection 1 if the carrier or organized delivery system elects not to offer new coverage to small employers in this state. However, a carrier or organized delivery system that elects not to offer new coverage to small employers under this subsection shall be allowed to maintain its existing policies in the state, subject to the requirements of section 513B.5.

6. A carrier or organized delivery system that elects not to offer new coverage to small employers pursuant to subsection 5 shall provide notice to the commissioner or director of public health and is prohibited from writing new business in the small employer market in this state for a period of five years from the date of notice to the commissioner or director.

513B.11 Notice of intent to operate as a risk-assuming carrier or reinsuring carrier.

1. A small employer carrier may apply to become a risk-assuming carrier by filing an application with the commissioner in a form and manner prescribed by the commissioner.

2. In evaluating an application made pursuant to this section, the commissioner shall consider the following factors:
   a. The carrier’s financial condition.
   b. The carrier’s history of rating and underwriting small employer groups.
   c. The carrier’s commitment to market fairly to all small employers in the state or the carrier’s established geographic service area, as applicable.
   d. The carrier’s experience with managing the risk of small employer groups.

3. The commissioner shall provide public notice of an application by a small employer carrier to be a risk-assuming carrier and shall provide at least a sixty-day period for public comment prior to making a decision on the application. If the application is not acted upon within ninety days of the receipt of the application by the commissioner, the carrier may request a hearing.

4. The commissioner may rescind the approval granted to a risk-assuming carrier under this sec-
tion if the commissioner finds any of the following:

a. The carrier’s financial condition will no longer support the assumption of risk from issuing coverage to small employers in compliance with section 513B.10 without the protection provided by the program.

b. The carrier has failed to market fairly to all small employers in the state or the carrier’s established geographic service area, as applicable.

c. The carrier has failed to provide coverage to eligible small employers as required under section 513B.10.

5. A small employer carrier electing to be a risk-assuming carrier shall not be subject to the provisions of section 513B.13.

6. During the period of time that the operation of the small employer carrier reinsurance program is suspended pursuant to section 513B.13, subsection 14, a small employer carrier is not required to make an application to become a risk-assuming carrier pursuant to this section.

513B.13 Small employer carrier reinsurance program.

1. A nonprofit corporation is established to be known as the Iowa small employer health reinsurance program.

2. A reinsuring carrier is subject to this program.

3. a. The program shall operate subject to the supervision and control of a board. Subject to the provisions of paragraph “b”, the board shall consist of nine members appointed by the commissioner, and the commissioner or the commissioner’s designee, who shall serve as an ex officio member and as chairperson of the board.

b. In appointing the members of the board, the commissioner shall include representatives of small employers and small employer carriers and such other individuals as determined to be qualified by the commissioner. At least five of the members of the board shall be representatives of carriers and shall be selected from individuals nominated by small employer carriers in this state pursuant to procedures and guidelines provided by rule of the commissioner.

c. Members shall be appointed for terms of three years. A board member’s term shall continue until the member’s successor is appointed.

d. A vacancy in the board shall be filled by the commissioner for the remainder of the term. A member of the board may be removed by the commissioner for cause.

e. During the period of time that the program is suspended pursuant to subsection 14, the size of the board may be reduced with the approval of the commissioner.

4. The board may submit a plan of operation to the commissioner. The commissioner, after notice and hearing, may approve a plan of operation if the commissioner determines that the plan is suitable to assure the fair, reasonable, and equitable administration of the program, and provides for the sharing of program gains and losses on an equitable and proportionate basis in accordance with the provisions of this section. A plan of operation is effective upon written approval of the commissioner.

5. The board may submit to the commissioner any amendments to the plan necessary or suitable to assure the fair, reasonable, and equitable administration of the program. The amendments shall be effective upon the written approval of the commissioner.

6. The plan of operation shall do all of the following:

a. Establish procedures for the handling and accounting of program assets and moneys, and for an annual fiscal reporting to the commissioner.

b. Establish procedures for selecting an administering carrier and setting forth the powers and duties of the administering carrier.

c. Establish procedures for reinsuring risks in accordance with the provisions of this section.

d. Establish procedures for collecting assessments from reinsuring carriers to fund claims and administrative expenses incurred or estimated to be incurred by the program.

e. Establish a methodology for applying the dollar thresholds contained in this section for carriers that pay or reimburse health care providers through capitation or a salary.

f. Provide for any additional matters necessary to implement and administer the program.

7. The same general powers and authority granted under the laws of this state to insurance companies and health maintenance organizations licensed to transact business in this state may be exercised by the board under the program, except the power to issue health insurance coverages directly to either groups or individuals. Additionally, the board is granted the specific authority to do all or any of the following:

a. Enter into contracts as necessary or proper to administer the provisions and purposes of this subchapter, including the authority, with the approval of the commissioner, to enter into contracts with similar programs in other states for the joint performance of common functions or with persons or other organizations for the performance of administrative functions.

b. Sue or be sued, including taking any legal action necessary or proper to recover any assessments and penalties for, on behalf of, or against the program or any reinsuring carriers.

c. Take any legal action necessary to avoid the payment of improper claims made against the program.

d. Define the health insurance coverages for which reinsurance will be provided, and issue reinsurance policies, pursuant to this subchapter.

e. Establish rules, conditions, and procedures for reinsuring risks under the program.
§513B.13, SMALL GROUP HEALTH COVERAGE

f. Establish and implement actuarial functions as appropriate for the operation of the program.

g. Assess reinsuring carriers in accordance with the provisions of subsection 11, and make advance interim assessments as may be reasonable and necessary for organizational and interim operating expenses. Any interim assessments shall be credited as offsets against any regular assessments due following the close of the calendar year.

h. Appoint appropriate legal, actuarial, and other committees as necessary to provide technical assistance in the operation of the program, policy and other contract design, and any other function within the authority of the program.

i. Borrow money to effect the purposes of the program. Any notes or other evidence of indebtedness of the program not in default are legal investments for carriers and may be carried as admitted assets.

8. A reinsuring carrier may reinsure with the program as provided in this section.

a. The program shall reinsure up to the level of coverage provided in either a basic health benefit plan or standard health benefit plan established by the board.

b. A small employer carrier may reinsure an entire employer group within sixty days of the commencement of the group's coverage under health insurance coverage.

c. A reinsuring carrier may reinsure an eligible employee or dependent within a period of sixty days following the commencement of the coverage with the small employer. A newly eligible employee or dependent of a reinsured small employer may be reinsured within sixty days of the commencement of such person's coverage.

d. (1) The program shall not reimburse a reinsuring carrier with respect to the claims of a reinsured employee or dependent until the small employer carrier has incurred an initial level of claims for such employee or dependent of five thousand dollars in a calendar year for benefits covered by the program. In addition, the reinsuring carrier is responsible for ten percent of the next fifty thousand dollars of incurred claims during a calendar year and the program shall reinsure the remainder. A reinsuring carrier's liability under this subparagraph shall not exceed a maximum limit of ten thousand dollars in any one calendar year with respect to any reinsured individual.

(2) The board annually shall adjust the initial level of claims and the maximum limit to be retained by the small employer carrier to reflect increases in costs and utilization within the standard market for health benefit plans within the state. The adjustment shall not be less than the annual change in the medical component of the "consumer price index for all urban consumers" of the United States department of labor, bureau of labor statistics, unless the board proposes and the commissioner approves a lower adjustment factor.

e. A small employer carrier may terminate reinsurance for one or more of the reinsured employees or dependents of a small employer on any plan anniversary date.

f. Premium rates charged for reinsurance by the program to a health maintenance organization that is federally qualified under 42 U.S.C. § 300c(c)(2)(A), and is thereby subject to requirements that limit the amount of risk that may be ceded to the program that are more restrictive than those specified in paragraph "d", shall be reduced to reflect that portion of the risk above the amount set forth in paragraph "d" that may not be ceded to the program, if any.

9. a. The board, as part of the plan of operation, shall establish a methodology for determining premium rates to be charged by the program for reinsuring small employers and individuals pursuant to this section. The methodology shall include a system for classification of small employers that reflects the types of case characteristics commonly used by small employer carriers in the state. The methodology shall provide for the development of base reinsurance premium rates, which shall be multiplied by the factors set forth in paragraph "b" to determine the premium rates for the program. The base reinsurance premium rates shall be established by the board, subject to the approval of the commissioner, and shall be set at levels which reasonably approximate gross premiums charged to small employers by small employer carriers for health insurance coverages with benefits similar to the standard health benefit plan.

b. Premiums for the program shall be as follows:

(1) An entire small employer group may be reinsured for a rate that is one and one-half times the base reinsurance premium rate for the group established pursuant to this subsection.

(2) An eligible employee or dependent may be reinsured for a rate that is five times the base reinsurance premium rate for the group established pursuant to this subsection.

c. The board periodically shall review the methodology established under paragraph "a", including the system of classification and any rating factors, to assure that it reasonably reflects the claims experience of the program. The board may propose changes to the methodology which shall be subject to the approval of the commissioner.

10. If health insurance coverage for a small employer is entirely or partially reinsured with the program, the premium charged to the small employer for any rating period for the coverage issued shall meet the requirements relating to premium rates set forth in section 513B.4.

11. a. Prior to March 1 of each year, the board shall determine and report to the commissioner the program net loss for the previous calendar year, including administrative expenses and in-
curred losses for the year, taking into account investment income and other appropriate gains and losses.

b. Any net loss for the year shall be recouped by assessments of reinsuring carriers.

(1) The board shall establish, as part of the plan of operation, a formula by which to make assessments against reinsuring carriers. The assessment formula shall be based on both of the following:

(a) Each reinsuring carrier’s share of the total premiums earned in the preceding calendar year from health insurance coverages delivered or issued for delivery to small employers in this state by reinsuring carriers.

(b) Each reinsuring carrier’s share of the premiums earned in the preceding calendar year from newly issued health insurance coverages delivered or issued for delivery during such calendar year to small employers in this state by reinsuring carriers.

(2) The formula established pursuant to subparagraph (1) shall not result in any reinsuring carrier having an assessment share that is less than fifty percent nor more than one hundred fifty percent of an amount which is based on the proportion of the reinsuring carrier’s total premiums earned in the preceding calendar year from health insurance coverages delivered or issued for delivery to small employers in this state by reinsuring carriers.

(3) The board, with approval of the commissioner, may change the assessment formula established pursuant to subparagraph (1) from time to time as appropriate. The board may provide for the shares of the assessment base attributable to premiums from all health insurance coverages and to premiums from newly issued health insurance coverages to vary during a transition period.

(4) Subject to the approval of the commissioner, the board shall make an adjustment to the assessment formula for reinsuring carriers that are approved health maintenance organizations which are federally qualified under 42 U.S.C. § 300 et seq., to the extent, if any, that restrictions are placed on them that are not imposed on other small employer carriers.

(5) Premiums and benefits paid by a reinsuring carrier that are less than an amount determined by the board to justify the cost of collection shall not be considered for purposes of determining assessments.

c. (1) Prior to March 1 of each year, the board shall determine and file with the commissioner an estimate of the assessments needed to fund the losses incurred by the program in the previous calendar year.

(2) If the board determines that the assessments needed to fund the losses incurred by the program in the previous calendar year will exceed the amount specified in subparagraph (3), the board shall evaluate the operation of the program and report its findings, including any recommendations for changes to the plan of operation, to the commissioner within ninety days following the end of the calendar year in which the losses were incurred. The evaluation shall include: an estimate of future assessments, the administrative costs of the program, the appropriateness of the premiums charged, and the level of insurer retention under the program and the costs of coverage for small employers. If the board fails to file the report with the commissioner within ninety days following the end of the applicable calendar year, the commissioner may evaluate the operations of the program and implement such amendments to the plan of operation the commissioner deems necessary to reduce future losses and assessments.

(3) For any calendar year, the amount specified in this subparagraph is five percent of total premiums earned in the previous year from health insurance coverages delivered or issued for delivery to small employers in this state by reinsuring carriers.

(4) If assessments in each of two consecutive calendar years exceed by ten percent the amount specified in subparagraph (3), the commissioner may relieve carriers from any or all of the regulations of this subchapter or take such other actions as the commissioner deems equitable and necessary to spread the risk of loss and assure portability of coverages and continuity of benefits so as to reduce assessments to ten percent or less of that amount specified in subparagraph (3).

d. If assessments exceed net losses of the program, the excess shall be held in an interest-bearing account and used by the board to offset future losses or to reduce program premiums. As used in this paragraph, “future losses” includes reserves for incurred but not reported claims.

e. Each reinsuring carrier’s proportion of the assessment shall be determined annually by the board based on annual statements and other reports deemed necessary by the board and filed by the reinsuring carriers with the board.

f. The plan of operation shall provide for the imposition of an interest penalty for late payment of assessments.

g. A reinsuring carrier may seek from the commissioner a deferment from all or part of an assessment imposed by the board. The commissioner may defer all or part of the assessment of a reinsuring carrier if the commissioner determines that the payment of the assessment would place the reinsuring carrier in a financially impaired condition. If all or part of an assessment against a reinsuring carrier is deferred, the amount deferred shall be assessed against the other participating carriers in a manner consistent with the basis for assessment set forth in this subsection. The reinsuring carrier receiving such deferment
shall remain liable to the program for the amount deferred and shall be prohibited from reinsuring any individuals or groups in the program until such time as it pays such assessments.

12. The participation in the program as reinsuring carriers, the establishment of rates, forms, or procedures, or any other joint or collective action required by this subchapter shall not be the basis of any legal action, criminal or civil liability, or penalty against the program or any of its reinsuring carriers either jointly or separately.

13. The program is exempt from any and all state or local taxes.

14. The board of the Iowa small employer health reinsurance program, on an ongoing basis, shall review the program and make recommendations as to the continued cost effectiveness of the program to the commissioner, which recommendations may include proposed modifications or suspension of operation of the program. In making such a review, the board shall consider such factors as the population reinsured by the program, the premiums and assessments paid to the program, the number and percentage of carriers electing to utilize the program, health care reform measures implemented in the state, as well as other factors deemed relevant by the board. The commissioner, upon finding that the program is not cost effective, may make modifications to the program or suspend the operation of the program by rule.

513B.15 Periodic market evaluation.

The board shall study and report at least every three years to the commissioner on the effectiveness of this subchapter. The report shall analyze the effectiveness of the subchapter in promoting rate stability, product availability, and coverage affordability. The report may contain recommendations for actions to improve the overall effectiveness, efficiency, and fairness of the small group health insurance marketplace. The report shall address whether carriers and producers are fairly and actively marketing or issuing health insurance coverages to small employers in fulfillment of the purposes of this subchapter. The report may contain recommendations for market conduct or other regulatory standards or action.

513B.17 Discretion of the commissioner.

1. The commissioner may suspend all or any part of section 513B.4 as to the premium rates applicable to one or more small employers for one or more rating periods upon a filing by the small employer carrier and a finding by the commissioner that the suspension is reasonable in light of the financial condition of the carrier or that the suspension would enhance the efficiency and fairness of the marketplace for small employer health insurance.

2. The commissioner may suspend or modify the normal workweek requirement of thirty or more hours under the definition of eligible employee upon a finding by the commissioner that the suspension would enhance the availability of health insurance to employees of small employers.

3. The commissioner may adopt, by rule or order, transition provisions to facilitate the implementation and administration of this chapter.

f. For purposes of this subsection, an individual health benefit plan that contains a restricted network provision shall not be considered similar coverage to an individual health benefit plan that does not contain such a provision, provided that the differential in payments made to network providers results in substantial differences in claim costs.

2. Notwithstanding subsection 1, the commissioner, with the concurrence of the board established under chapter 514E, may by order reduce or eliminate the allowed rating bands provided under subsection 1, paragraphs "a", "b", "c", and "e", or otherwise limit or eliminate the use of experience rating.

5. A carrier shall make a reasonable disclosure at the time of the offering for sale of any individual health benefit plan of all of the following:

a. The extent to which premium rates for a specified individual are established or adjusted based upon rating characteristics.

The certification shall be in a form and manner and shall contain information as specified by the commissioner.

A copy of the certification shall be retained by the carrier at its principal place of business. Rate adjustments made in order to comply with this section are exempt from loss ratio requirements.

8. A carrier shall make the information and documentation maintained pursuant to subsection 6 available to the commissioner upon request. 513C.6 Provisions on renewability of coverage.

1. An individual health benefit plan subject to this chapter is renewable with respect to an eligible individual or dependents, at the option of the individual, except for one or more of the following reasons:

a. The individual fails to pay, or to make timely payment of, premiums or contributions pursuant to the terms of the individual health benefit plan.

b. The individual performs an act or practice constituting fraud or makes an intentional misrepresentation of a material fact under the terms of the individual health benefit plan.

c. A decision by the individual carrier or organized delivery system to discontinue offering a particular type of individual health benefit plan in the state’s individual insurance market. An individual health benefit plan may be discontinued by the carrier or organized delivery system in that market with the approval of the commissioner or the director and only if the carrier or organized delivery system does all of the following:

(1) Provides advance notice of its decision to discontinue such plan to the commissioner or director. Notice to the commissioner or director, at a minimum, shall be no less than three days prior to the notice provided for in subparagraph (2) to affected individuals.

(2) Provides notice of its decision not to renew such plan to all affected individuals no less than ninety days prior to the nonrenewal date of any discontinued individual health benefit plans.

(3) Offers to each individual of the discontinued plan the option to purchase any other health plan currently offered by the carrier or organized delivery system to individuals in this state.

d. A decision by the carrier or organized deliv-
ery system to discontinue offering and to cease to renew all of its individual health benefit plans delivered or issued for delivery to individuals in this state. A carrier or organized delivery system making such decision shall do all of the following:

1. Provide advance notice of its decision to discontinue such plan to the commissioner or director. Notice to the commissioner or director, at a minimum, shall be no less than three days prior to the notice provided for in subparagraph (2) to affected individuals.

3. The commissioner or director finds that the continuation of the coverage is not in the best interests of the individuals, or would impair the carrier's or organized delivery system's ability to meet its contractual obligations.

4. At the time of coverage renewal, a carrier or organized delivery system may modify the health insurance coverage for a policy form offered to individuals in the individual market so long as such modification is consistent with state law and effective on a uniform basis among all individuals with that policy form.

5. An individual carrier or organized delivery system that elects not to renew an individual health benefit plan under subsection 1, paragraph "d", shall not write any new business in the individual market in this state for a period of five years after the date of notice to the commissioner or director.

6. This section, with respect to a carrier or organized delivery system doing business in one established geographic service area of the state, applies only to such carrier's or organized delivery system's operations in that service area.

7. A carrier or organized delivery system offering coverage through a network plan is not required to renew or continue in force coverage or to accept applications from an individual who no longer resides or lives in, or is no longer employed in, the service area of such carrier or organized delivery system, or no longer resides or lives in, or is no longer employed in, a service area for which the carrier is authorized to do business, but only if coverage is not offered or terminated uniformly without regard to health status-related factors of a covered individual.

8. An individual who has coverage as a dependent under a basic or standard health benefit plan may, when that individual is no longer a dependent under such coverage, elect to continue coverage under the basic or standard health benefit plan if the individual so elects immediately upon termination of the coverage under which the individual was covered as a dependent.

A preexisting condition shall not be defined more restrictively than any of the following:

a. A condition that would cause an ordinarily prudent person to seek medical advice, diagnosis, care, or treatment during the twelve months immediately preceding the effective date of coverage.

b. A condition for which medical advice, diagnosis, care, or treatment was recommended or received during the twelve months immediately preceding the effective date of coverage.

c. A pregnancy existing on the effective date of coverage.

§513C.9 Standards to assure fair marketing.

1. A carrier, an organized delivery system, or an agent shall not do either of the following:
   a. Encourage or direct individuals to refrain from filing an application for coverage with the carrier or the organized delivery system because of the health status, claims experience, industry, occupation, or geographic location of the individuals.
   b. Encourage or direct individuals to seek coverage from another carrier or another organized delivery system because of the health status, claims experience, industry, occupation, or geographic location of the individuals.

2. Subsection 1, paragraph "a", shall not apply with respect to information provided by a carrier or an organized delivery system or an agent to an individual regarding the established geographic service area of the carrier or the organized delivery system, or the restricted network provision of the carrier or the organized delivery system.

3. A carrier or an organized delivery system shall not, directly or indirectly, enter into any contract, agreement, or arrangement with an agent that provides for, or results in, the compensation paid to an agent for a sale of a basic or standard health benefit plan to vary because of the health status or permitted rating characteristics of the individual or the individual’s dependents.

4. Notwithstanding subsection 3, a commission shall be paid to an agent related to the sale of a basic or standard health benefit plan under this chapter. A commission paid pursuant to this subsection shall not be considered by the board for purposes of section 513C.10, subsection 5.

5. Subsection 3 does not apply with respect to the compensation paid to an agent on the basis of percentage of premium, provided that the percentage shall not vary because of the health status or other permitted rating characteristics of the individual or the individual’s dependents.

6. Denial by a carrier or an organized delivery system of an application for coverage from an individual shall be in writing and shall state the reason or reasons for the denial.

§513C.10 Iowa individual health benefit reinsurance association.

1. The Iowa individual health benefit reinsurance association is established as a nonprofit corporation.

2. All persons that provide health benefit plans in this state including insurers providing accident and sickness insurance under chapter 509, 514, or 514A, whether on an individual or group basis; fraternal benefit societies providing hospital, medical, or nursing benefits under chapter 512B; and health maintenance organizations, organized delivery systems, other entities providing health insurance or health benefits subject to state insurance regulation, and all other insurers as designated by the board of directors of the Iowa comprehensive health insurance association with the approval of the commissioner shall be members of the association.

3. The association shall be incorporated under chapter 504, shall operate under a plan of operation established and approved pursuant to chapter 504, and shall exercise its powers through the board of directors established under chapter 514E.

4. Rates for basic and standard coverages as provided in this chapter shall be determined by each carrier or organized delivery system as the product of a basic and standard factor and the lowest rate available for issuance by that carrier or organized delivery system adjusted for rating characteristics and benefits. Basic and standard factors shall be established annually by the Iowa comprehensive health insurance association board with the approval of the commissioner. Multiple basic and standard factors for a distinct grouping of basic and standard policies may be es-
established. A basic and standard factor is limited to a minimum value defined as the ratio of the average of the lowest rate available for issuance and the maximum rate allowable by law divided by the lowest rate available for issuance. A basic and standard factor is limited to a maximum value defined as the ratio of the maximum rate allowable by law divided by the lowest rate available for issuance. The maximum rate allowable by law and the lowest rate available for issuance is determined based on the rate restrictions under this chapter. For policies written after January 1, 2002, rates for the basic and standard coverages as provided in this chapter shall be calculated using the basic and standard factors and shall be no lower than the maximum rate allowable by law. However, to maintain assessable loss assessments at or below one percent of total health insurance premiums or payments as determined in accordance with subsection 6, the Iowa comprehensive health insurance association board with the approval of the commissioner may increase the value for any basic and standard factor greater than the maximum value.

The Iowa individual health benefit reinsurance association may, with the approval of the commissioner, increase cost-sharing provisions including, but not limited to, basic and standard plan deductibles, coinsurance, or copayments.

3. Following the close of each calendar year, the association, in conjunction with the commissioner, shall require each carrier or organized delivery system to report the amount of earned premiums and the associated paid losses for all basic and standard plans issued by the carrier or organized delivery system. The reporting of these amounts must be certified by an officer of the carrier or organized delivery system.

4. The board shall develop procedures and assessment mechanisms and make assessments and distributions as required to equalize the individual carrier and organized delivery system gains or losses so that each carrier or organized delivery system receives the same ratio of paid claims to ninety percent of earned premiums as the aggregate of all basic and standard plans insured by all carriers and organized delivery systems in the state.

5. If the statewide aggregate ratio of paid claims to ninety percent of earned premiums is greater than one, the dollar difference between ninety percent of earned premiums and the paid claims shall represent an assessable loss.

6. The assessable loss plus necessary operating expenses for the association, plus any additional expenses as provided by law, shall be assessed by the association to all members in proportion to their respective shares of total health insurance premiums or payments for subscriber contracts received in Iowa during the second preceding calendar year, or with paid losses in the year, coinciding with or ending during the calendar year, or on any other equitable basis as provided in the plan of operation. In sharing losses, the association may abate or defer any part of the assessment of a member, if, in the opinion of the board, payment of the assessment would endanger the ability of the member to fulfill its contractual obligations. The association may also provide for an initial or interim assessment against the members of the association to meet the operating expenses of the association until the next calendar year is completed. For purposes of this subsection, "total health insurance premiums" and "payments for subscriber contracts" include, without limitation, premiums or other amounts paid to or received by a member for individual and group health plan care coverage provided under any chapter of the Code or Acts, and "paid losses" includes, without limitation, claims paid by a member operating on a self-funded basis for individual and group health plan care coverage provided under any chapter of the Code or Acts. For purposes of calculating and conducting the assessment, the association shall have the express authority to require members to report on an annual basis each member’s total health insurance premiums and payments for subscriber contracts and paid losses. A member is liable for its share of the assessment calculated in accordance with this section regardless of whether it participates in the individual insurance market.

7. The board shall develop procedures for distributing the assessable loss assessments to each carrier and organized delivery system in proportion to the carrier’s and organized delivery system’s respective share of premium for basic and standard plans to the statewide total premium for all basic and standard plans.

8. The board shall ensure that procedures for collecting and distributing assessments are as efficient as possible for carriers and organized delivery systems. The board may establish procedures which combine, or offset, the assessment from, and the distribution due to, a carrier or organized delivery system.

9. A carrier or an organized delivery system may petition the association board to seek remedy from writing a significantly disproportionate share of basic and standard policies in relation to total premiums written in this state for health benefit plans. Upon a finding that a carrier or organized delivery system has written a disproportionate share, the board may agree to compensate the carrier or organized delivery system either by paying to the carrier or organized delivery system an additional fee not to exceed two percent of earned premiums from basic and standard policies for that carrier or organized delivery system or by petitioning the commissioner or director, as appropriate, for remedy.

10. a. The commissioner, upon a finding that the acceptance of the offer of basic and standard coverage by individuals pursuant to this chapter
would place the carrier in a financially impaired condition, shall not require the carrier to offer coverage or accept applications for any period of time the financial impairment is deemed to exist.

b. The director, upon a finding that the acceptance of the offer of basic and standard coverage by individuals pursuant to this chapter would place the organized delivery system in a financially impaired condition, shall not require the organized delivery system to offer coverage or accept applications for any period of time the financial impairment is deemed to exist.

§513C.11 Self-funded employer-sponsored health benefit plan participation in reinsurance association.

1. A self-funded employer-sponsored health benefit plan qualified under the federal Employee Retirement Income Security Act of 1974 may voluntarily elect to participate in the Iowa individual health benefit reinsurance association established in section 513C.10 in accordance with the plan of operation and subject to such terms and conditions adopted by the board of the association established in section 514E.2 to provide portability and continuity to its covered employees and their covered spouses and dependents subject to the same terms and conditions as a participating insurer.

2. If the federal Employee Retirement Income Security Act of 1974 is amended such that the state may require the participation of a self-funded employer, the individual reinsurance requirements shall apply equally to such employers.

3. When and if the federal government imposes conditions of portability and continuity on self-funded employers qualified under the federal Employee Retirement Income Security Act of 1974 that the commissioner deems are substantially similar to those required of Iowa insurers, coverage under such qualified plans shall be deemed qualified prior coverage for purposes of chapter 513B and this chapter.

§513C.12 Commissioner's duties.
The commissioner shall adopt rules administering this chapter.

**ACCIDENT AND HEALTH INSURANCE**

514A.1 Definition of accident and sickness insurance policy.

"Policy of accident and sickness insurance" as used in this chapter includes a policy or contract covering insurance against loss resulting from sickness, or from bodily injury or death by accident, or both. For the purposes of this chapter the words "policy of accident and sickness insurance" are interchangeable without deviation of meaning with the words "policy of accident and health insurance" or the words "policy of accident or health insurance." This chapter applies to all individual policies of such accident and sickness insurance written by Iowa or non-Iowa companies or associations duly licensed under chapter 508, 515, or 520 and, societies, orders, or associations licensed under chapter 512B writing sickness and accident policies providing benefits for loss of time.

Orders, societies or associations which admit to membership only persons engaged in one or more crafts or hazardous occupations in the same or similar lines of business and the societies or auxiliaries to such orders shall not be subject to the provisions of this chapter nor shall any religious order which shall not exceed nineteen years and any other person dependent upon the policyholder; and

d. The style, arrangement and over-all appearance of the policy give no undue prominence to any portion of the text, and unless every printed portion of the text of the policy and of any endorsements or attached papers is plainly printed in light-faced type of a style in general use, the size of which shall be uniform and not less than ten point with a lower-case unspaced alphabet length not less than one hundred and twenty point (the "text" shall include all printed matter except the name and address of the insurer, name or title of the policy, the brief description if any, and captions and subcaptions); and

e. The exceptions and reductions of indemnity are set forth in the policy and, except those which are set forth in section 514A.3, are printed, at the insurer’s option, either included with the benefit provision to which they apply, or under an appropriate caption such as "exceptions", or "exceptions and reductions", provided that if an exception or reduction specifically applies only to a particular benefit of the policy, a statement of such exception to be governed by the provisions of section 514.7 and shall also be governed by section 509.3, subsection 6.
or reduction shall be included with the benefit provision to which it applies; and
f. Each such form, including riders and endorsements, shall be identified by a form number in the lower left-hand corner of the first page thereof; and
g. It contains no provision purporting to make any portion of the charter, rules, constitution, or bylaws of the insurer a part of the policy unless such portion is set forth in full in the policy, except in the case of the incorporation of, or reference to, a statement of rates or classification of risks, or short-rate table filed with the commissioner.

2. If any policy is issued by an insurer domiciled in this state for delivery to a person residing in another state, and if the official having responsibility for the administration of the insurance laws of such other state shall have advised the commissioner that any such policy is not subject to approval or disapproval by such official, the commissioner may by ruling require that such policy meet the standards set forth in subsection 1 of this section and in section 514A.3.

[C54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §514A.2]

514A.3 Accident and sickness policy provisions.

1. Required provisions. Except as provided in subsection 3 of this section each such policy delivered or issued for delivery to any person in this state shall contain the provisions specified in this subsection in the words in which the same appear in this section; provided, however, that the insurer may, at its option, substitute for one or more of such provisions corresponding provisions of different wording approved by the commissioner which are in each instance not less favorable in any respect to the insured or the beneficiary. Such provisions shall be preceded individually by the caption appearing in this subsection or, at the option of the insurer, by such appropriate individual or group captions or subcaptions as the commissioner may approve.

a. A provision as follows:

Entire contract — changes: This policy, including the endorsements and the attached papers, if any, constitutes the entire contract of insurance. No change in this policy shall be valid until approved by an executive officer of the insurer and unless such approval be endorsed hereon or attached hereto. No agent has authority to change this policy or to waive any of its provisions.

b. A provision as follows:

Time limit on certain defenses: (1) After two years from the date of issue of this policy no misstatements, except fraudulent misstatements, made by the applicant in the application for such policy shall be used to void the policy or to deny a claim for loss incurred or disability (as defined in the policy) commencing after the expiration of this two-year period.

(The foregoing policy provision shall not be so construed as to affect any legal requirement for avoidance of a policy or denial of a claim during such initial two-year period, nor to limit the application of subsection 2, paragraphs "a", "b", "c", "d" and "e", in the event of misstatement with respect to age or occupation or other insurance.)

(A policy which the insured has the right to contest in force subject to its terms by the timely payment of premium (a) until at least age fifty or, (b) in the case of a policy issued after age forty-four, for at least five years from its date of issue, may contain in lieu of the foregoing the following provision (from which the clause in parentheses may be omitted at the insurer’s option) under the caption “incontestable”:

After this policy has been in force for a period of two years during the lifetime of the insured, (excluding any period during which the insured is disabled), it shall become incontestable as to the statements contained in the application.)

(2) No claim for loss incurred or disability (as defined in the policy) commencing after two years from the date of issue of this policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

c. A provision as follows:

Grace period: A grace period of . . . . . . . (insert a number not less than “7” for weekly premium policies, “10” for monthly premium policies and “31” for all other policies) days will be granted for the payment of each premium falling due after the first premium, during which grace period the policy shall continue in force.

(A policy which contains a cancellation provision may add, at the end of the above provision, subject to the right of the insurer to cancel in accordance with the cancellation provision hereof.

A policy in which the insurer reserves the right to refuse any renewal shall have, at the beginning of the above provision,

Unless not less than five days prior to the premium due date the insurer has delivered to the insured or has mailed to the insured’s last address as shown by the records of the insurer written notice of its intention not to renew this policy beyond the period for which the premium has been accepted.)

d. A provision as follows:

Reinstatement: If any renewal premium be not paid within the time granted the insured for payment, a subsequent acceptance of premium by the insurer or by any agent duly authorized by the insurer to accept such premium, without requiring in connection therewith an application for reinstatement, shall reinstate the policy; provided, however, that if the insurer or such agent requires an application for reinstatement and issues a con-
ditional receipt for the premium tendered, the policy will be reinstated upon approval of such application by the insurer or, lacking such approval, upon the forty-fifth day following the date of such conditional receipt unless the insurer has previously notified the insured in writing of its disapproval of such application. The reinstated policy shall cover only loss resulting from such accidental injury as may be sustained after the date of reinstatement and lost due to such sickness as may begin more than ten days after such date. In all other respects the insured and insurer shall have the same rights thereunder as they had under the policy immediately before the due date of the defaulted premium, subject to any provisions endorsed hereon or attached hereto in connection with the reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period more than sixty days prior to the date of reinstatement.

(The last sentence of the above provision may be omitted from any policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums (1) until at least age fifty or, (2) in the case of a policy issued after age forty-four, for at least five years from its date of issue.)

e. A provision as follows:

Notice of claim: Written notice of claim must be given to the insurer within twenty days after the occurrence or commence ment of any loss covered by the policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the insured or the beneficiary to the insurer at . . . . . . (insert the location of such office as the insurer may designate for the purpose), or to any authorized agent of the insurer, with information sufficient to identify the insured, shall be deemed notice to the insurer.

(In a policy providing a loss-of-time benefit which may be payable for at least two years, an insurer may at its option insert the following between the first and second sentences of the above provision:

Subject to the qualifications set forth below, if the insured suffers loss of time on account of disability for which indemnity may be payable for at least two years, the insured shall, at least once in every six months after having given notice of claim, give to the insurer notice of continuance of said disability, except in the event of legal incapacity. The period of six months following any filing of proof by the insured or any payment by the insurer on account of such claim or any denial of liability in whole or in part by the insurer shall be excluded in applying this provision. Delay in the giving of such notice shall not impair the insured’s right to any indemnity which would otherwise have accrued during the period of six months preceding the date on which such notice is actually given.)

f. A provision as follows:

Claim forms: The insurer, upon receipt of a notice of claim, will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not furnished within fifteen days after the giving of such notice the claimant shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

g. A provision as follows:

Proofs of loss: Written proof of loss must be furnished to the insurer at its said office in case of claim for loss for which this policy provides any periodic payment contingent upon continuing loss within ninety days after the termination of the period for which the insurer is liable and in case of claim for any other loss within ninety days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

h. A provision as follows:

Time of payment of claims: Indemnities payable under this policy for any loss other than loss for which this policy provides any periodic payment will be paid immediately upon receipt of due written proof of such loss. Subject to due written proof of loss, all accrued indemnitities for loss for which this policy provides periodic payment will be paid . . . . . . (insert period for payment which must not be less frequently than monthly) and any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof.

i. A provision as follows:

Payment of claims: Indemnity for loss of life will be payable in accordance with the beneficiary designation and the provisions respecting such payment which may be prescribed herein and effective at the time of payment. If no such designation or provision is then effective, such indemnity shall be payable to the estate of the insured. Any other accrued indemnities unpaid at the insured’s death may, at the option of the insurer, be paid either to such beneficiary or to such estate. All other indemnities will be payable to the insured.

(The following provisions, or either of them, may be included with the foregoing provision at the option of the insurer:

If any indemnity of this policy shall be payable to the estate of the insured, or to an insured or beneficiary who is a minor or otherwise not competent to give a valid release, the insurer may pay such indemnity, up to an amount not exceeding $ . . . . . (insert an amount which shall not exceed one
thousand dollars), to any relative by blood or connection by marriage of the insured or beneficiary who is deemed by the insurer to be equitably entitled thereto. Any payment made by the insurer in good faith pursuant to this provision shall fully discharge the insurer to the extent of such payment.

Subject to any written direction of the insured in the application or otherwise all or a portion of any indemnities provided by this policy on account of hospital, nursing, medical, or surgical services may, at the insurer’s option and unless the insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the hospital or person rendering such services; but if it is not required that the service be rendered by a particular hospital or person.

j. A provision as follows:

*Physical examinations and autopsy:* The insurer at its own expense shall have the right and opportunity to examine the person of the insured when and as often as it may reasonably require during the pendency of a claim hereunder and to make an autopsy in case of death where it is not forbidden by law.

k. A provision as follows:

*Legal actions:* No action at law or in equity shall be brought to recover on this policy prior to the expiration of sixty days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

l. A provision as follows:

*Change of beneficiary:* Unless the insured makes an irrevocable designation of beneficiary, the right to change of beneficiary is reserved to the insured and the consent of the beneficiary or beneficiaries shall not be requisite to surrender or assignment of this policy or to any change of beneficiary or beneficiaries, or to any other changes in this policy.

(The first clause of this provision, relating to the irrevocable designation of beneficiary, may be omitted at the insurer’s option.)

m. A provision as follows:

*Right to return policy:* The insured has the right, within ten days after receipt of this policy, to return it to the company at its home office or branch office or to the agent through whom it was purchased, and if so returned the premium paid will be refunded and the policy will be void from the beginning and the parties shall be in the same position as if a policy had not been issued.

The foregoing provision shall be prominently printed on the first page of the policy or attached to the policy.

The provisions of this paragraph “m” shall apply to any insurance policy which is delivered or issued for delivery or renewed in this state on or after July 1, 1978.

2. Other provisions. Except as provided in subsection 3 of this section, no such policy delivered or issued for delivery to any person in this state shall contain provisions respecting the matters set forth below unless such provisions are in the words in which the same appear in this section; provided, however, that the insurer may, at its option, use in lieu of any such provision a corresponding provision of different wording approved by the commissioner which is not less favorable in any respect to the insured or the beneficiary. Any such provision contained in the policy shall be preceded individually by the appropriate caption appearing in this subsection or, at the option of the insurer, by such appropriate individual or group captions or subcaptions as the commissioner may approve.

a. A provision as follows:

*Change of occupation:* If the insured be injured or contract sickness after having changed the insured’s occupation to one classified by the insurer as more hazardous than that stated in this policy or while doing for compensation anything pertaining to an occupation so classified, the insurer will pay only such portion of the indemnities provided in this policy as the premium paid would have purchased at the rates and within the limits fixed by the insurer for such more hazardous occupation. If the insured changes the insured’s occupation to one classified by the insurer as less hazardous than that stated in this policy, the insurer, upon receipt of proof of such change of occupation, will reduce the premium rate accordingly, and will return the excess pro rata unearned premium from the date of change of occupation or from the policy anniversary date immediately preceding receipt of such proof, whichever is the more recent. In applying this provision, the classification of occupational risk and the premium rates shall be such as have been last filed by the insurer prior to the occurrence of the loss for which the insurer is liable or prior to date of proof of change in occupation with the state official having supervision of insurance in the state where the insured resided at the time this policy was issued; but if such filing was not required, then the classification of occupational risk and the premium rates shall be those last made effective by the insurer in such state prior to the occurrence of the loss or prior to the date of proof of change in occupation.

b. A provision as follows:

*Misstatement of age:* If the age of the insured has been misstated, all amounts payable under this policy shall be such as the premium paid would have purchased at the correct age.

c. A provision as follows:

*Other insurance in this insurer:* If an accident or sickness or accident and sickness policy or poli-
cies previously issued by the insurer to the insured be in force concurrently herewith, making the aggregate indemnity for ........ (insert type of coverage or coverages) in excess of $....... (insert maximum limit of indemnity or indemnities) the excess insurance shall be void and all premiums paid for such excess shall be returned to the insured or to the insured’s estate.

Or, in lieu thereof:

Insurance effective at any one time on the insured under a like policy or policies in this insurer is limited to the one such policy elected by the insured, or the insured’s beneficiary or estate, as the case may be, and the insurer will return all premiums paid for all other such policies.

d. A provision as follows:

Insurance with other insurers: If there be other valid coverage, not with this insurer, providing benefits for the same loss on a provision of service basis or on an expense incurred basis and of which this insurer has not been given written notice prior to the occurrence or commencement of loss, the only liability under any expense incurred coverage of this policy shall be for such proportion of the loss as the amount which would otherwise have been payable hereunder plus the total of the like amounts under all such other valid coverages for the same loss of which this insurer had notice bears to the total like amounts under all valid coverages for such loss, and for the return of such portion of the premiums paid as shall exceed the pro rata portion for the amount so determined. For the purpose of applying this provision when other coverage is on a provision of service basis, the “like amount” of such other coverage shall be taken as the amount which the services rendered would have cost in the absence of such coverage.

(If the foregoing policy provision is included in a policy which also contains the next preceding policy provision there shall be added to the caption of the foregoing provision the phrase “— expense incurred benefits”. The insurer may, at its option, include in this provision a definition of “other valid coverage”, approved as to form by the commissioner, which definition shall be limited in subject matter to coverage provided by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, and to any other coverage the inclusion of which may be approved by the commissioner. In the absence of such definition such term shall not include group insurance, or benefits provided by union welfare plans or by employer or employee benefit organizations. For the purpose of applying the foregoing policy provision with respect to any insured, any amount of benefit provided for such insured pursuant to any compulsory benefit statute (including any workers’ compensation or employer’s liability statute) whether provided by a governmental agency or otherwise shall in all cases be deemed to be “other valid coverage” of which the insurer has had notice. In applying the foregoing policy provision no third party liability coverage shall be included as “other valid coverage”.)

e. A provision as follows:

Relation of earnings to insurance: If the total monthly amount of loss of time benefits promised for the same loss under all valid loss of time coverage upon the insured, whether payable on a weekly or monthly basis, shall exceed the monthly earnings of the insured at the time disability commenced or the insured’s average monthly earnings for the period of two years immediately preceding a disability for which claim is made, whichever is the greater; the insurer will be liable only for such proportionate amount of such benefits under this
policy as the amount of such monthly earnings or such average monthly earnings of the insured bears to the total amount of monthly benefits for the same loss under all such coverage upon the insured at the time such disability commences and for the return of such part of the premiums paid during such two years as shall exceed the pro rata amount of the premiums for the benefits actually paid hereunder; but this shall not operate to reduce the total monthly amount of benefits payable under all such coverage upon the insured below the sum of two hundred dollars or the sum of the monthly benefits specified in such coverages, whichever is the lesser, nor shall it operate to reduce benefits other than those payable for loss of time.

The foregoing policy provision may be inserted only in a policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums (1) until at least age fifty or, (2) in the case of a policy issued after age forty-four, for at least five years from its date of issue. The insurer may, at its option, include in this provision a definition of “valid loss of time coverage”, approved as to form by the commissioner, which definition shall be limited in subject matter to coverage provided by governmental agencies or by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, or to any other coverage the inclusion of which may be approved by the commissioner or any combination of such coverages. In the absence of such definition such term shall not include any coverage provided for such insured pursuant to any compulsory benefit statute (including any workers' compensation or employer's liability statute), or benefits provided by union welfare plans or by employer or employee benefit organizations.)

5. A provision as follows:

Unpaid premium: Upon the payment of a claim under this policy, any premium then due and unpaid or covered by any note or written order may be deducted therefrom.

6. A provision as follows:

Cancellation: The insurer may cancel this policy at any time by written notice delivered to the insured, or mailed to the insured's last address as shown by the records of the insurer, stating when, not less than five days thereafter, such cancellation shall be effective; and after the policy has been continued beyond its original term the insurer may cancel this policy at any time by written notice delivered or mailed to the insured, effective upon receipt or on such later date as may be specified in such notice. In the event of cancellation, the insurer will return promptly the unearned portion of any premium paid. If the insured cancels, the earned premium shall be computed pro rata. Cancellation shall be without prejudice to any claim originating prior to the effective date of cancellation.

a. A provision as follows:

Conformity with state statutes: Any provision of this policy which, on its effective date, is in conflict with the statutes of the state in which the insured resides on such date is hereby amended to conform to the minimum requirements of such statutes.

b. A provision as follows:

Illegal occupation: The insurer shall not be liable for any loss to which a contributing cause was the insured’s commission of or attempt to commit a felony or to which a contributing cause was the insured’s being engaged in an illegal occupation.

c. A provision as follows:

Intoxicants and narcotics: The insurer shall not be liable for any loss sustained or contracted in consequence of the insured’s being intoxicated or under the influence of any narcotic unless administered on the advice of a physician. This provision shall not be used with respect to a medical expense policy. For purposes of this provision, “medical expense policy” means an accident and sickness insurance policy that provides hospital, medical, and surgical expense coverage.

3. Inapplicable or inconsistent provisions. If any provision of this section is in whole or in part inapplicable to or inconsistent with the coverage provided by a particular form of policy the insurer, with the approval of the commissioner, shall omit from such policy any inapplicable provision or part of a provision, and shall modify any inconsistent provision or part of the provision in such manner as to make the provision as contained in the policy consistent with the coverage provided by the policy.

4. Order of certain policy provisions. The provisions which are the subject of subsections 1 and 2 of this section, or any corresponding provisions which are used in lieu thereof in accordance with such subsections, shall be printed in the consecutive order of the provisions in such subsections or, at the option of the insurer, any such provision may appear as a unit in any part of the policy, with other provisions to which it may be logically related, provided the resulting policy shall not be in whole or in part unintelligible, uncertain, ambiguous, abstruse, or likely to mislead a person to whom the policy is offered, delivered or issued.

5. Third party ownership. The word “insured”, as used in this chapter, shall not be construed as preventing a person other than the insured with a proper insurable interest from making application for and owning a policy covering the insured or from being entitled under such a policy to any indemnities, benefits and rights provided therein.

6. Requirements of other jurisdictions.

a. Any policy of a foreign or alien insurer, when
delivered or issued for delivery to any person in this state, may contain any provision which is not less favorable to the insured or the beneficiary than the provisions of this chapter and which is prescribed or required by the law of the state under which the insurer is organized.

b. Any policy of a domestic insurer may, when issued for delivery in any other state or country, contain any provision permitted or required by the laws of such other state or country.

7. **Filing procedure.** The commissioner may make such reasonable rules and regulations concerning the procedure for the filing or submission of policies subject to this chapter as are necessary, proper or advisable to the administration of this chapter. This provision shall not abridge any other authority granted the commissioner by law.

ACCIDENT AND HEALTH INSURANCE, §514A.3

§514A.3A Refund of unearned premium upon death of insured.

In the event of the death of the insured of any policy covered by this chapter, the insurer, upon receipt of notice of the insured's death supported by a certified copy of a valid death certificate and a request for a pro rata refund by a party entitled to claim such a refund, shall refund the unearned premium prorated to the month of the insured's death. Refund of the premium and termination of the coverage shall be without prejudice to any claim originating prior to the date of the insured's death. The commissioner of insurance shall adopt by rule the minimum amount required for issuance of a refund.

514A.3B Additional requirements.

1. An insurer which accepts an individual for coverage under an individual policy or contract of accident and health insurance shall waive any time period applicable to a preexisting condition exclusion or limitation period requirement of the policy or contract with respect to particular services in an individual health benefit plan for the period of time the individual was previously covered by qualifying previous coverage as defined in section 513C.3 that provided benefits with respect to such services, provided that the qualifying previous coverage was continuous to a date not more than sixty-three days prior to the effective date of the new policy or contract. Any days of coverage provided to an individual pursuant to chapter 249A or 514I, or Medicare coverage provided pursuant to Title XVIII of the federal Social Security Act, do not constitute qualifying previous coverage. Such days of chapter 249A or 514I or Medicare coverage shall be counted as part of the maximum sixty-three-day grace period and shall not constitute a basis for the waiver of any preexisting condition exclusion or limitation period.

2. An insurer issuing an individual policy or contract of accident and health insurance which provides coverage for children of the insured shall permit continuation of existing coverage for an unmarried child of an insured or enrollee who so elects, at least through the policy anniversary date on or after the date the child marries, ceases to be a resident of this state, or attains the age of twenty-five years old, whichever occurs first, or so long as the unmarried child maintains full-time status as a student in an accredited institution of postsecondary education.

2. **Policy conflicting with this chapter.** A policy delivered or issued for delivery to any person in this state in violation of this chapter shall be held valid but shall be construed as provided in this chapter. When any provision in a policy subject to this chapter is in conflict with any provision of this chapter, the rights, duties and obligations of the insurer, the insured and the beneficiary shall be governed by the provisions of this chapter.

§514A.5 Application.

1. The insured shall not be bound by any statement made in an application for a policy unless a copy of such application is endorsed on the policy when issued as a part thereof or is furnished to the policyholder within thirty days after the policy is issued. If any such policy delivered or issued for delivery to any person in this state shall be reinstated or renewed, and the insured or the beneficiary or assignee of such policy shall make written request to the insurer for a copy of the application, if any, for such reinstatement or renewal, the insurer shall within fifteen days after the receipt of such request at its home office or any branch office of the insurer, deliver or mail to the person making such request, a copy of such application. If such copy shall not be so delivered or mailed, the insurer shall be precluded from introducing such application as evidence in any action or proceeding based upon or involving such policy or its reinstatement or renewal.

2. No alteration of any written application for any such policy shall be made by any person other than the applicant without the applicant’s written

consent, except that insertions may be made by the insurer, for administrative purposes only, in such manner as to indicate clearly that such insertions are not to be ascribed to the applicant.

3. The falsity of any statement in the application for any policy covered by this chapter may not bar the right to recovery thereunder unless such false statement materially affected either the acceptance of the risk or the hazard assumed by the insurer.

514A.6 Notice — waiver.
The acknowledgment by any insurer of the receipt of notice given under any policy covered by this chapter, or the furnishing of forms for filing proofs of loss, or the acceptance of such proofs, or the investigation of any claim thereunder shall not operate as a waiver of any of the rights of the insurer in defense of any claim arising under such policy.

(C54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §514A.6)

If any such policy contains a provision establishing, as an age limit or otherwise, a date after which the coverage provided by the policy will not be effective, and if such date falls within a period for which premium is accepted by the insurer or if the insurer accepts a premium after such date, the coverage provided by the policy will continue in force subject to any right of cancellation until the end of the period for which premium has been accepted. In the event the age of the insured has been misstated and if, according to the correct age of the insured, the coverage provided by the policy would not have become effective, or would have ceased prior to the acceptance of such premium or premiums, then the liability of the insurer shall be limited to the refund, upon request, of all premiums paid for the period not covered by the policy.

A policy of insurance against loss or expense from sickness or from the bodily injury or death by accident of the insured shall not be issued or delivered to any person in this state and an application, rider, or endorsement shall not be used in connection with the policy until a copy of the policy form and of the classification of risks and the premium rates, or, in the case of cooperatives or assessment companies the estimated costs pertaining to the policy, have been filed with and approved by the commissioner.

A filing is deemed to be approved unless disapproved by the commissioner within thirty days of receipt of the filing by the commissioner. Subse-

514B.1 Definitions — services required or available.
As provided in this chapter, unless the context otherwise requires:
1. “Basic health care services” means services which an enrollee might reasonably require in order to be maintained in good health, including as a minimum, emergency care, inpatient hospital and physician care, and outpatient medical services rendered within or outside of a hospital.
2. “Commissioner” means the commissioner of insurance.
3. “Enrollee” means an individual who is enrolled in a health maintenance organization.
4. “Evidence of coverage” means any certificate, agreement or contract issued to an enrollee
setting out the coverage to which the enrollee is entitled.

5. a. “Health care services” means services included in the furnishing to any individual of medical or dental care, or hospitalization, or incident to the furnishing of such care or hospitalization, as well as the furnishing to any person of all other services for the purposes of preventing, alleviating, curing, or healing human illness, injury, or physical disability.

b. The health care services available to enrollees under prepaid group plans covering vision care services or procedures shall include a provision for payment of necessary medical or surgical care and treatment provided by an optometrist licensed under chapter 154, if performed within the scope of the optometrist’s license, and the plan would pay for the care and treatment when the care and treatment were provided by a person engaged in the practice of medicine or surgery as licensed under chapter 148. The plan shall provide that the plan enrollees may reject the coverage for services which may be provided by an optometrist if the coverage is rejected for all providers of similar vision care services as licensed under chapter 148 or 154. This paragraph applies to services provided under plans made after July 1, 1986, and to existing group plans on their next anniversary or renewal date, or upon the expiration of the applicable collective bargaining contract, if any, whichever is the later. This paragraph does not apply to enrollees eligible for coverage under Title XVIII of the Social Security Act, or any other similar coverage under a state or federal government plan.

c. The health care services available to enrollees under prepaid group plans covering diagnosis and treatment of human ailments shall include a provision for payment of necessary diagnosis or treatment provided by a chiropractor licensed under chapter 151 if the diagnosis or treatment is provided within the scope of the chiropractor’s license and if the plan would pay or reimburse for the diagnosis or treatment of human ailment, irrespective of and disregarding variances in terminology employed by the various licensed professions in describing the human ailment or its diagnosis or its treatment, if it were provided by a person licensed under chapter 148. The plan shall also provide that the plan enrollees may reject the coverage for diagnosis or treatment of a human ailment by a chiropractor if the coverage is rejected for all providers of diagnosis or treatment for similar human ailments licensed under chapter 148 or 151. A prepaid group plan of health care services may limit or make optional the payment or reimbursement for lawful diagnostic or treatment service by all licensees under chapters 148 and 151 on any rational basis which is not solely related to the license under or the practices authorized by chapter 151 or is not dependent upon a method of classification, categorization, or description based upon differences in terminology used by different licensees in describing human ailments or their diagnosis or treatment. This paragraph applies to services provided under plans made after July 1, 1986, and to existing group plans on their next anniversary or renewal date, or upon the expiration of the applicable collective bargaining contract, if any, whichever is the later. This paragraph does not apply to enrollees eligible for coverage under Title XVIII of the Social Security Act, or any other similar coverage under a state or federal government plan.

d. The health care services available to enrollees under prepaid group plans covering hospital, medical, or surgical expenses, may include, at the option of the employer purchaser, a provision for payment of covered services determined to be medically necessary provided by a certified registered nurse certified by a national certifying organization, which organization shall be identified by the Iowa board of nursing pursuant to rules adopted by the board, if the services are within the practice of the profession of a registered nurse as that practice is defined in section 152.1, under terms and conditions agreed upon between the employer purchaser and the health maintenance organization, subject to utilization controls. This paragraph shall not require payment for nursing services provided by a certified registered nurse practicing in a hospital, nursing facility, health care institution, a physician’s office, or other noninstitutional setting if the certified registered nurse is an employee of the hospital, nursing facility, health care institution, physician, or other health care facility or health care provider. 3. Has a procedure established in accordance with rules adopted by the commissioner to develop, compile, evaluate, and report statistics relating to the cost of its operations, the pattern of utilization of its services, the availability and accessibility of its services, and other matters as may be reasonably required by the commissioner.

The commissioner, in administering this section and sections 514B.25 and 514B.26, may contract with qualified persons to make recommendations concerning the determinations required to be made by the commissioner. Such recommendations may be accepted in full or in part by the commissioner.

514B.4A Direct provision of health care services.

1. An application for a certificate of authority to provide health care services, directly, shall be forwarded by the commissioner to the director of public health for review, comment, and recommendation, with respect to the health care services to be provided directly, to assure that the applicant has demonstrated the willingness and potential ability to provide the health care services through adequate personnel and facilities.

2. The commissioner shall issue or deny a certificate of authority to any person filing an application pursuant to section 514B.3 within a reasonable period of time. Issuance of a certificate of authority shall be granted upon payment of the application fee prescribed in section 514B.22 if the commissioner is satisfied that the following conditions are met:

1. The persons responsible for the conduct of the affairs of the applicant are competent and trustworthy.

2. The commissioner finds that the health maintenance organization’s proposed plan of operation meets the requirements of section 514B.4.

3. The health maintenance organization provides or arranges for the provision of basic health care services on a prepaid basis, except that the health maintenance organization may impose deductible and coinsurance charges subject to approval by the commissioner. The commissioner has the authority to promulgate rules pursuant to chapter 17A establishing reasonable maximum deductible and coinsurance charges which may be imposed by health maintenance organizations.

4. The health maintenance organization is financially sound and may reasonably be expected to meet its obligations to enrollees. In making this determination, the commissioner may consider:

   a. The financial soundness of the health maintenance organization’s arrangements for health care services in relation to its schedule of charges.

   b. The adequacy of the health maintenance organization’s working capital.

   c. Any agreement made by the health maintenance organization with an insurer, a corporation authorized under chapter 514 or any other organization for insuring the payment of the cost of health care services or for providing immediate alternative coverage in the event of discontinuance of the health maintenance organization.

   d. Any agreement made with providers for the provision of health care services.
514B.6 Powers of health maintenance organizations.

The powers of a health maintenance organization include, but are not limited to, the following:

4. The contracting with any person for the performance on its behalf of certain functions such as marketing, enrollment and administration.

6. The offering, in addition to basic health care services, of health care services and indemnity benefits to enrollees or groups of enrollees.

7. The acceptance from any person of payments covering all or part of the charges made to enrollees of the health maintenance organization.

A health maintenance organization shall file notice with the commissioner before the exercise of any power granted in subsections 1 and 2. The commissioner shall disapprove the exercise of power if in the commissioner’s opinion it would substantially and adversely affect the financial soundness of the health maintenance organization and endanger its ability to meet its obligations. The commissioner may adopt rules exempting from the filing requirement of this section those activities having a minimum effect.

514B.7 Governing body.

The governing body of a health maintenance organization may include providers, other individuals, or both, but it shall establish a mechanism to allow a reasonable representation of enrollees to participate in matters of policy and operation. The commissioner shall establish guidelines to implement this section.

514B.8 Fiduciary responsibilities.

Any director, officer or partner of a health maintenance organization who receives, collects, disburses or invests funds in connection with the activities of a health maintenance organization shall be responsible for these funds in a fiduciary relationship to the enrollees.

514B.9 Evidence of coverage.

Every enrollee shall receive an evidence of coverage and any amendments. If the enrollee obtains coverage through an insurance policy or a contract issued by a corporation authorized under chapter 514, the insurer or the corporation shall issue the evidence of coverage. No evidence of coverage or amendment shall be issued or delivered to any person in this state until a copy of the form of the evidence of coverage or amendment has been filed with and approved by the commissioner.

An evidence of coverage shall contain a clear and complete statement of:

1. The health care services and the insurance or other benefits, if any, to which the enrollee is entitled in the total context of the organizational structure of the health maintenance organization.

2. Any limitations on the services or benefits to be provided, including any deductible or coinsurance charges permitted under section 514B.5, subsection 3.

3. The manner in which information is available on the method of obtaining health care services.

4. The total amount of payment for health care services and indemnity or service benefits, if any, which the enrollee is obligated to pay with respect to individual contracts, or an indication whether the plan offered through the health maintenance organization is contributory or noncontributory with respect to group contracts.

5. The health maintenance organization’s method for resolving enrollee complaints.

6. The mechanism by which enrollees shall be allowed to participate in matters of policy and operation.
A copy of the form of the evidence of coverage to be used in this state and any amendment shall be subject to the filing and approval requirements of this section unless it is subject to the jurisdiction of the commissioner under the laws governing health insurance or corporations authorized under chapter 514 in which event the filing and approval provisions of such laws apply. To the extent, however, that those provisions are less strict than those provided under this section, then the requirements of this section shall apply.

Enrollees shall be entitled to receive the most recent annual statement of the financial condition of the health maintenance organization in which they are enrolled, which statement shall include a balance sheet and summary of receipts and disbursements.

[C75, 77, 79, 81, §514B.9]

§514B.10 Charges.

§514B.11 Disapproval of filings.
If the commissioner disapproves a filing made pursuant to sections 514B.9 and 514B.10, the commissioner shall notify the filer and in the notice specify the reasons for the disapproval. A hearing shall be granted by the commissioner within a reasonable period of time from the request for the hearing, which request must be made within thirty days after receipt by the filer of the notice of disapproval. The commissioner may require the submission of whatever relevant information the commissioner deems necessary in determining whether to disapprove a filing.

[C75, 77, 79, 81, §514B.11]

§514B.12 Annual report.
1. A health maintenance organization shall annually on or before the first day of March file with the commissioner or a depository designated by the commissioner a report verified by at least two of the principal officers of the health maintenance organization and covering the preceding calendar year. The report shall be on forms prescribed by the commissioner and shall include:
   a. Financial statements of the organization including a balance sheet as of the end of the preceding calendar year and statement of profit and loss for the year then ended, certified by a certified public accountant or an independent public accountant.
   b. Any material changes in the information submitted pursuant to section 514B.3.
   c. The number of persons enrolled during the year, the number of enrollees as of the end of the year and the number of enrollments terminated during the year.
   d. Other information relating to the performance of the health maintenance organization as is necessary to enable the commissioner to carry out the commissioner's duties under this chapter.

2. The commissioner shall refuse to renew a certificate of authority of a health maintenance organization that fails to timely file the report required under subsection 1 and is in violation of this section. If the organization fails to file the required report and comply with this section within ten days of the date of the notice, the organization shall pay an additional administrative penalty of one hundred dollars for each day that the failure continues to the treasurer of state for deposit in the general fund of the state as provided in section 505.7.

3. A health maintenance organization that transacts new business in this state shall immediately cease until the organization has so complied.

4. The commissioner may give notice to a health maintenance organization that the organization has not timely filed the report required under subsection 1 and is in violation of this section. If the organization fails to timely file the report required and comply with this section within ten days of the date of the notice, the organization shall pay an additional administrative penalty of one hundred dollars for each day that the failure continues to the treasurer of state for deposit in the general fund of the state as provided in section 505.7.

[C75, 77, 79, 81, §514B.12]

§514B.13 Open enrollment.
After a health maintenance organization has been in operation twenty-four months, it shall have an annual open enrollment period of at least one month during which it accepts enrollees up to the limits of its capacity, as determined by the health maintenance organization, in the order in which they apply for enrollment. A health maintenance organization may apply to the commissioner for authorization to impose such underwriting restrictions upon enrollment as are necessary to preserve its financial stability, to prevent excessive adverse selection by prospective enrollees, or to avoid unreasonably high or unmarketable charges for enrollee coverage for health care services. The commissioner shall approve or deny the application made pursuant to this section within a reasonable period of time from the receipt of the application.

Health maintenance organizations providing services exclusively on a group contract basis may limit the open enrollment provided for in this section to all members of the group covered by the contract, including those members of the group who previously waived coverage.
514B.14 Complaint system. A health maintenance organization shall establish and maintain a complaint system which has been approved by the commissioner and which shall provide for the resolution of written complaints initiated by enrollees concerning health care services. A health maintenance organization shall submit to the commissioner an annual report in a form prescribed by the commissioner which shall include:

1. A description of the procedures of the complaint system.
2. The total number of complaints handled through the complaint system and a compilation of causes underlying the complaints filed.
3. The number, amount and disposition of malpractice claims settled during the year by the health maintenance organization and any of its providers.

The health maintenance organization shall maintain statistical information of written complaints filed with it concerning benefits over which the health maintenance organization does not have control and shall submit to the commissioner a summary report at the time and in the format that the commissioner may require. Complaints involving other persons shall be referred to those persons and a copy of the complaint sent to the commissioner.

514B.15 Investments. With the exception of investments made in accordance with section 514B.6, the investable funds of a health maintenance organization shall be invested only in securities or other investments permitted by section 511.8 for the investment of assets constituting the legal reserves of life insurance companies or such other securities or investments as the commissioner may permit. For purposes of this section, investable funds of a health maintenance organization are all moneys held in trust for the purpose of fulfilling the obligations incurred by a health maintenance organization in providing health care services to enrollees.

514B.16 Protection against insolvency. A health maintenance organization shall furnish a surety bond in an amount satisfactory to the commissioner, or deposit with the commissioner cash or securities acceptable to the commissioner in at least the same amount, as a guarantee that its obligations to enrollees will be performed. The commissioner may waive the requirement when satisfied that the assets of the organization or its contracts with other organizations are sufficient to reasonably assure the performance of its obligations.

514B.17 Cancellation of enrollees. 1. An enrollee enrolled in a prepaid individual plan shall not be canceled except for the failure to pay the charges permitted under section 514B.10 or for other reasons stated in the rules adopted by the commissioner and subject to review in accordance with chapter 17A. Except as provided in subsection 2 concerning prepaid group plans, notice of cancellation to an enrollee shall not be effective unless delivered to the enrollee by the health maintenance organization in a manner prescribed by the commissioner and at least thirty days before the effective date of cancellation and unless accompanied by a statement of reason for cancellation. At any time before cancellation of the policy for nonpayment, the enrollee may pay to the health maintenance organization the full amount due, including court costs if any, and from the date of payment by the enrollee or the collection of the judgment, coverage shall revive and be in full force and effect.
2. The effect of cancellation of a prepaid group plan providing health care services to enrollees, and the duty to provide notice and liability for benefits, is the same as provided under section 509B.5, subsection 2, for the termination of accident or health insurance for employees or members.

514B.17A Recision. 1. A health maintenance organization may rescind an enrollee’s membership in the health maintenance organization if the enrollee makes a material false statement or misrepresentation in the enrollee’s application for membership. A written notice of rescission shall be sent to the enrollee by certified mail addressed to the enrollee and sent to the enrollee’s last address known to the health maintenance organization and shall state the reason for the rescission. The enrollee may appeal the rescission to the commissioner as provided by the commissioner by rules adopted under chapter 17A.
2. An enrollee’s membership in a health maintenance organization shall not be rescinded as provided in subsection 1 more than two years after the date of the enrollee’s enrollment in the health maintenance organization.

514B.18 False representation. A health maintenance organization, unless licensed as an insurer, shall not use in its name, con-
tracts, or literature any words descriptive of an insurance, casualty, or surety business or deceptively similar to the name or description of any insurance or surety corporation doing business in this state. No health maintenance organization or any person on its behalf shall advertise or merchandize its services in a manner to misrepresent its services or capacity for service, nor shall it engage in misleading, deceptive or unfair practices with respect to advertising or merchandising. 514B.25A Insolvency protection — assessment.

1. Upon a health maintenance organization or organized delivery system authorized to do business in this state and licensed by the director of public health being declared insolvent by the district court, the commissioner may levy an assessment on each health maintenance organization or organized delivery system doing business in this state and licensed by the director of public health, as applicable, to pay claims for uncovered expenditures for enrollees. The commissioner shall not as-
sessed an amount in any one calendar year which is more than two percent of the aggregate premium written by each health maintenance organization or organized delivery system.

2. The commissioner may use funds obtained through an assessment under subsection 1 to pay claims for uncovered expenditures for enrollees of an insolvent health maintenance organization or organized delivery system and administrative costs. The commissioner, by rule, may prescribe the time, manner, and form for filing claims under this section. The commissioner may require claims to be allowed by an ancillary receiver or the domestic receiver or liquidator.

3. a. A receiver or liquidator of an insolvent health maintenance organization or organized delivery system shall allow a claim in the proceeding in an amount equal to uncovered expenditures and administrative costs paid under this section.

b. A person receiving benefits under this section for uncovered expenditures is deemed to have assigned the rights under the covered health care plan certificates to the commissioner to the extent of the benefits received. The commissioner may require an assignment of such rights by a payee, enrollee, or beneficiary, to the commissioner as a condition precedent to the receipt of such benefits. The commissioner is subrogated to these rights against the assets of the insolvent health maintenance organization or organized delivery system that are held by a receiver or liquidator of a foreign jurisdiction.

c. The assigned subrogation rights of the commissioner and allowed claims under this subsection have the same priority against the assets of the insolvent health maintenance organization or organized delivery system as those claims of persons entitled to receive benefits under this section or for similar expenses in the receivership or liquidation.

4. If funds assessed under subsection 1 are unused following the completion of the liquidation of an insolvent health maintenance organization or organized delivery system, the commissioner shall distribute the remaining amounts, if such amounts are not de minimis, to the health maintenance organizations or organized delivery systems that were assessed.

5. The aggregate coverage of uncovered expenditures under this section shall not exceed three hundred thousand dollars with respect to one individual. Continuation of coverage shall cease after the lesser of one year after the health maintenance organization or organized delivery system is terminated by insolvency or the remaining term of the contract. The commissioner may provide continuation of coverage on a reasonable basis, including, but not limited to, continuation of the health maintenance organization or organized delivery system contract or substitution of indemnity coverage in a form as determined by the commissioner.

6. The commissioner may waive an assessment of a health maintenance organization or organized delivery system if such organization or system is impaired financially or would be impaired financially as a result of such assessment. A health maintenance organization or organized delivery system that fails to pay an assessment within thirty days after notice of the assessment is subject to a civil forfeiture of not more than one thousand dollars for each day the failure continues, and suspension or revocation of its certificate of authority. An action taken by the commissioner to enforce an assessment under this section may be appealed by the health maintenance organization or organized delivery system pursuant to chapter 17A.

2000 Acts, ch 1023, §26

514B.26 Administrative procedures.

When the commissioner has cause to believe that grounds for the denial, suspension, or revocation of a certificate of authority exist, the commissioner shall notify the health maintenance organization in writing of the particular grounds for denial, suspension, or revocation and shall issue a notice of a time fixed for a hearing, which shall be held not less than ten days after the receipt by the health maintenance organization of the notice.

At the time and place fixed for a hearing, the person charged shall have an opportunity to be heard and to show cause why the order should not be made by the commissioner. Upon good cause shown, the commissioner may permit any person to intervene, appear and be heard at the hearing by counsel or in person. Nothing contained in this chapter shall require the observance at any hearing of formal rules of pleading or evidence. The provisions of section 507B.6, subsections 4 and 5, relating to the powers and duties of the commissioner in relation to the hearing and relating to the rights and obligations of persons upon whom the commissioner has served notice shall apply to this chapter.

After the hearing, or upon the failure of the health maintenance organization to appear at the hearing, the commissioner shall take action as the commissioner deems advisable and which is permitted by the commissioner under the provisions of this chapter and shall reduce the findings to writing. Copies of the written findings shall be mailed to the health maintenance organization charged with violation of this chapter.

   b. The child is not claimed as a dependent on the obligor’s federal income tax return.

2. An insurer of an obligor providing health care coverage to the child for which the obligor is legally responsible to provide support shall do all of the following:
   a. Provide information to the obligee or other legal custodian of the child as necessary for the child to obtain benefits under the coverage of the insurer.

      (3) The employer has eliminated dependent health coverage for its employees.
      (4) The obligor is no longer paying the required premium because the employer no longer owes the obligor compensation, or because the obligor’s employment has terminated and the obligor has not elected to continue coverage.

4. A group health plan shall establish reasonable procedures to determine whether a child is covered under a qualified medical child support order issued pursuant to chapter 252E. The procedures shall be in writing, provide for prompt notice of each person specified in the medical child support order as eligible to receive benefits under the group health plan upon receipt by the plan of the medical child support order, and allow an obligee or other legal custodian of the child under chapter 252E to designate a representative for receipt of copies of notices in regard to the medical child support order that are sent to the obligee or other legal custodian of the child and the department of human services’ child support recovery unit.

The issuer of the policy or contract shall not restrict coverage under the policy or contract for a dependent child adopted by, or placed for adoption with, the insured or enrollee solely on the basis of a preexisting condition of such dependent child at the time that the child would otherwise become eligible for coverage under the plan, if the adoption or placement occurs while the insured or enrollee is eligible for coverage under the policy or contract. This section applies to the following classes of third-party payment provider contracts or policies delivered, issued for delivery, continued, or renewed in this state on or after July 1, 1995:

The policy or contract shall provide that policyholders and subscribers under the policy or contract may reject the coverage for services which may be provided by a licensed physician assistant or licensed advanced registered nurse practitioner if the coverage is rejected for all providers of similar services. A policy or contract subject to this section shall not impose a practice or supervision restriction which is inconsistent with or more restrictive than the restriction already imposed by law. This section applies to services provided under a policy or contract delivered, issued for delivery, continued, or renewed in this state on or after July 1, 1996, and to an existing policy or contract, on the policy’s or contract’s anniversary or renewal date, or upon the expiration of the applicable collective bargaining contract, if any, whichever is later. This section does not apply to policyholders or subscribers eligible for coverage under Title XVIII of the federal Social Security Act or any similar coverage under a state or federal government plan. Nothing in this section shall be interpreted to require an individual or group health maintenance organization, an organized delivery system, or a preferred provider organization or arrangement to provide payment or prepayment for services provided by a licensed physician assistant or licensed advanced registered nurse practitioner.
unless the physician assistant’s supervising physician, the physician-physician assistant team, the advanced registered nurse practitioner, or the advanced registered nurse practitioner’s collaborating physician has entered into a contract or other agreement to provide services with the individual or group health maintenance organization, the organized delivery system, or the preferred provider organization or arrangement.

1. Except as otherwise provided in subsection 3, in order to provide for full and fair disclosure in the sale of individual accident and sickness insurance policies or subscriber contracts a policy or contract shall not be delivered or issued for delivery in this state unless the outline of coverage described in subsection 2 either accompanies the policy or contract or is delivered to the applicant at the time application is made and unless an acknowledgment of receipt or certificate of delivery of the outline is provided the insurer. In the event the policy or contract is issued on a basis other than that applied for, the outline of coverage properly describing the policy or contract must accompany the policy or contract when it is delivered and must clearly state that it is not the policy or contract for which application was made.

2. The commissioner shall prescribe the format and content of the outline of coverage required by subsection 1. “Format” means style, arrangement, and overall appearance, including such items as the size, color, and prominence of type and the arrangement of text and captions. 3. The commissioner shall prescribe disclosure rules for Medicare supplement coverage which are determined to be in the public interest and which are designed to adequately inform the prospective insured of the need for and extent of coverage offered as Medicare supplement coverage. For Medicare supplement coverage, the outline of coverage required by subsection 2 shall be furnished to the prospective insured with the application form.

4. The commissioner shall further prescribe by rule a standard form for and the contents of an informational brochure for persons eligible for Medicare by reason of age, which is intended to improve the buyer's ability to select the most appropriate coverage and to improve the buyer's understanding of Medicare. Except in the case of direct response insurance policies, the commissioner may require by rule that this informational brochure be provided to prospective insureds eligible for Medicare concurrently with delivery of the outline of coverage. With respect to direct response insurance policies, the commissioner may require by rule that this brochure must be provided to prospective insureds eligible for Medicare by reason of age upon request, but not later than at the time of delivery of the policy or contract.

5. The commissioner shall adopt rules prohibiting the advertising of forms titled as “nursing home” forms or inferring coverage for custodial care in a nursing facility as defined in section 135C.1 unless such forms provide coverage for custodial care in a nursing facility as defined in section 135C.1.

this section takes effect only upon the approval of
both the board of directors and the commissioner.
The commissioner shall not approve a delegation
unless the protections afforded to the insured are
substantially equivalent to or greater than those
provided under this chapter.

5. The association has the general powers and
authority enumerated by this subsection and ex-
cuted in accordance with the plan of operation
approved by the commissioner under subsection 3.
The association has the general powers and au-

tion.
d. Establish or utilize a medical review com-

k. Hire independent consultants as necessary.

l. Develop a method of advising applicants of the availability of other coverages outside the association.

m. Include in its policies a provision providing for subrogation rights by the association in a case in which the association pays expenses on behalf of an individual who is injured or suffers a disease under circumstances creating a liability upon another person to pay damages to the extent of the expenses paid by the association but only to the extent the damages exceed the policy deductible and coinsurance amounts paid by the insured. The association may waive its subrogation rights if it determines that the exercise of the rights would be impractical, uneconomical, or would work a hardship on the insured.

6. Rates for coverages issued by the association shall reflect rating characteristics used in the individual insurance market. The rates for a given classification shall not be more than one hundred fifty percent of the average premium or payment rate for the classification charged by the five largest carriers, the rates or payments charged by the carriers shall be actuarially adjusted to determine the rate or payment that would have been charged for benefits similar to those issued by the association.

The association shall certify the amount of any net loss for the preceding calendar year to the commissioner of insurance and director of revenue. In sharing losses, the association may abate or defer in any part the assessment of a member, if, in the opinion of the board, payment of the assessment would endanger the ability of the member to fulfill its contractual obligations. The association may also provide for an initial or interim assessment against members of the association if necessary to assure the financial capability of the association to meet the incurred or estimated claims expenses or operating expenses of the association until the next calendar year is completed. Net gains, if any, must be held at interest to offset future losses or allocated to reduce future premiums.

For purposes of this subsection, “total health insurance premiums” and “payments for subscriber contracts” include, without limitation, premiums or other amounts paid to or received by a member for individual and group health plan care coverage provided under any chapter of the Code or Acts, and “paid losses” includes, without limitation, claims paid by a member operating on a self-funded basis for individual and group health plan care coverage provided under any chapter of the Code or Acts. For purposes of calculating and conducting the assessment, the association shall have the express authority to require members to report on an annual basis each member’s total health insurance premiums and payments for subscriber contracts and paid losses. A member is liable for its share of the assessment calculated in accordance with this section regardless of whether it participates in the individual insurance market.

8. The association shall conduct periodic audits to assure the general accuracy of the financial data submitted to the association, and the association shall have an annual audit of its operations, made by an independent certified public accountant.

9. The association is subject to examination by the commissioner of insurance. Not later than April 30 of each year, the board of directors shall submit to the commissioner a financial report for the preceding calendar year in a form approved by the commissioner.

12. The association is exempt from payment of all fees and all taxes levied by this state or any of its political subdivisions.

13. An insurer may offset an assessment made pursuant to this chapter against its premium tax liability pursuant to chapter 452 to the extent of twenty percent of the amount of the assessment for each of the five calendar years following the

The association, in consultation with the advisory council, shall also consider and recommend whether such health care coverage options should require a copayment for services received in an amount determined by the association.

d. A statement that the outline of coverage is a summary of coverage only, not a contract of insurance, and that the policy or group master policy contains governing contractual provisions.

e. A description of the terms under which the policy or certificate may be returned and the premium refunded.

2008 Acts, ch 1175, §6

514G.106 Incontestability period.

1. An insurer may rescind a long-term care insurance policy or certificate or deny an otherwise valid long-term care insurance claim if the policy or certificate has been in force for less than six months upon a showing of misrepresentation that is material to the insurer's acceptance for coverage.
2. An insurer may rescind a long-term care insurance policy or certificate or deny an otherwise valid long-term care insurance claim if the policy or certificate has been in force for at least six months but less than two years, upon a showing of misrepresentation that is both material to the acceptance for coverage and pertains to the condition for which benefits are sought.
3. An insurer shall not contest a long-term care insurance policy or certificate that has been in force for two or more years solely upon the grounds of misrepresentation. Such a policy or certificate may be contested only upon a showing that the insured knowingly and intentionally misrepresented relevant facts relating to the insured's health.
4. A long-term care insurance policy or certificate may be field-issued if the compensation paid to the field issuer is not based on the number of policies or certificates issued. A nonforfeiture benefit may be offered in the form of a rider that is attached to the policy or certificate. If the policyholder or certificate holder declines the nonforfeiture benefit, the insurer shall provide a contingent benefit upon lapse that is available for a specified period of time following a substantial increase in premium rates.
2. When a group long-term care insurance pol-
icy or certificate is delivered or issued for delivery in this state, an offer of benefits shall be made to the group policyholder that meets the requirements of subsection 1. However, if the policy is delivered or issued for delivery to a group as described in section 514G.103, subsection 9, paragraph "d", that is not a continuing care retirement community or other similar entity, the offer of benefits shall be made to each proposed certificate holder.

3. The commissioner shall, by rule, specify the type or types of nonforfeiture benefits to be offered as part of long-term care insurance policies and certificates, the standards for such nonforfeiture benefits, and the standards for contingent benefit upon lapse including a specified period of time during which a contingent benefit upon lapse will be available and what constitutes a substantial premium rate increase that will trigger a contingent benefit upon lapse as provided in subsection 1.

If the independent review entity does not have a person who is an expert in the treatment of the medical condition under review and certified by the commissioner to conduct an independent review, the independent review entity may either decline the review request or may request from the commissioner additional time to have such an expert certified. The independent review entity shall notify the commissioner by facsimile of its choice between these options within three business days of receipt of the notice from the carrier or organized delivery system. 5. The enrollee, or the enrollee's treating health care provider, may provide to the independent review entity any information submitted under any internal appeal mechanisms provided under the carrier's or organized delivery system's evidence of coverage, and other newly discovered relevant information. The enrollee shall have ten business days from the mailing date of the notification of the person selected as the reviewer by the independent review entity to provide this information. The independent review entity may reasonably decide whether to consider any information provided by the enrollee or the enrollee's treating health care provider after the ten-day period.

The independent review entity's external review decision shall be mailed to the enrollee or the treating health care provider acting on behalf of the enrollee, the carrier or organized delivery system, and the commissioner.

8. The confidentiality of any medical records submitted shall be maintained pursuant to applicable state and federal laws. Other than the sharing of information required by this chapter and the rules adopted pursuant to this chapter, the commissioner shall keep confidential the information obtained in the external review process pursuant to section 505.8, subsection 8.

9. If an enrollee dies before the completion of the external review process, the process shall continue to completion if there is potential liability of a carrier or organized delivery system to the estate of the enrollee.

10. a. If an enrollee who has already received a service or treatment under a plan requests external review of the plan's coverage decision and changes to another plan before the external review process is completed, the carrier or organized delivery system whose coverage was in effect at the time the service or treatment was received is responsible for completing the external review process.
   b. If an enrollee who has not yet received service or treatment requests external review of a plan's coverage decision and then changes to another plan prior to receipt of the service or treatment and completion of the external review process, the external review process shall begin anew with the enrollee's current carrier or organized delivery system. In this instance, the external review process shall be conducted in an expedited manner.

The independent review entity shall take into consideration factors identified in the review record that impact the delivery of or describe the standard of care for the medical service or treatment under review. The petition for judicial review must be filed within fifteen business days after the issuance of the review decision. The petition shall name the enrollee or the enrollee's treating health care provider as the petitioner. The respondent shall be the carrier or the organized delivery system. Such maximum may be a cash premium and an additional contingent premium not less than the cash premium, or may be solely a cash premium, which premium may be made payable in installments or regular assessments. No policy shall be issued for a cash premium without an additional contingent premium unless the company has a surplus which is not less in amount than the capital stock required, at the time of the organization of such mutual insurance company, of domestic stock insurance companies writing the same kind of insurance; but said surplus shall not be less than one hundred thousand dollars.

Any such mutual company not possessed of assets at least equal to the unearned premium reserve and other liabilities shall make an assessment upon its members liable to assessment to provide for such deficiency, such assessment to be against each member in proportion to such liability as expressed in the member’s policy; provided the commissioner may by written order, relieve the company from an assessment or other proceedings to restore such assets during the time fixed in such order.

Any director, officer, or member of any such mutual company, or any other person, may advance to such company, any sum or sums of money necessary for the purpose of its business, or to enable it to comply with any of the requirements of the law, and such moneys and such interest thereon as may have been agreed upon, not exceeding the maximum statutory rate of interest, shall not be a liability or claim against the company or any of its assets, except as herein provided, and upon approval of the commissioner of insurance may be repaid, but only out of the surplus earnings of such company. §515.20 Guaranty capital. 
A mutual company organized under this chapter may establish and maintain guaranty capital of at least fifty thousand dollars made up of multiples of ten thousand dollars, divided into shares of not less than fifty dollars each, to be invested as provided for the investment of insurance capital and funds by section 515.35. Guaranty shareholders shall be members of the corporation, and provision may be made for representation of the shareholders of the guaranty capital on the board of directors of the corporation. The representation shall not exceed one-third of the membership of the board. Guaranty shareholders in a mutual company are subject to the same regulations of law relative to their right to vote as apply to its policyholders. The guaranty capital shall be applied
to the payment of the legal obligations of the corporation only when the corporation has exhausted its assets in excess of the unearned premium reserve and other liabilities. If the guaranty capital is thus impaired, the directors may restore the whole, or any part of the capital, by assessment on the corporation’s policyholders as provided for in section 515.18. By a legal vote of the policyholders of the corporation at any regular or special meeting of the policyholders of the corporation, the guaranty capital may be fully retired or may be reduced to an amount of not less than fifty thousand dollars, if the net surplus of the corporation together with the remaining guaranty capital is equal to or exceeds the amount of minimum assets required by this chapter for such companies, and if the commissioner of insurance consents to the action. Due notice of the proposed action on the part of the corporation shall be included in the notice given to policyholders and shareholders of any annual or special meeting and notice of the meeting shall also be given in accordance with the corporation’s articles of incorporation. A company with guaranty capital, which has ceased to do business, shall not distribute among its shareholders or policyholders any part of its assets, or guaranty capital, until it has fully performed, or legally canceled, all of its policy obligations. Shareholders of the guaranty capital are entitled to interest on the par value of their shares at a rate to be fixed by the board of directors and approved by the commissioner, cumulative, payable semiannually, and payable only out of the surplus earnings of the company. However, the surplus account of the company shall not be reduced by the payment of the interest below the figure maintained at the time the guaranty capital was established. In addition, the interest payment shall not be made unless the surplus assets remaining after the payment of the interest at least equal the amount required by the statutes of Iowa to permit the corporation to continue in business. In the event the dissolution and liquidation of a corporation having guaranty capital under this section, the shareholders of the capital are entitled, after the payment of all valid obligations of the company, to receive the par value of their respective shares, together with any unpaid interest on their shares, before there may be any distribution of the assets of the corporation among its policyholders. These provisions are in addition to and independent of the provisions contained in section 515.19.

515.21 Additional policy provisions.

Such mutual company may insert in any form of policy prescribed by the law of this state any additional provisions or conditions required by its plan of insurance if not inconsistent or in conflict with any law of this state.

515.35 Investments.
1. General considerations. The following considerations apply in the interpretation of this section:
   a. This section applies to the investments of insurance companies other than life insurance companies.
   b. The purpose of this section is to protect and further the interests of policyholders, claimants, creditors, and the public by providing standards for the development and administration of programs for the investment of the assets of companies organized under this chapter. These standards, and the investment programs developed by companies, shall take into account the safety of the company's principal, investment yield and growth, stability in the value of the investment, and liquidity necessary to meet the company's expected business needs, and investment diversification.
   c. Financial terms relating to insurance companies have the meanings assigned to them under statutory accounting methods. Financial terms relating to companies other than insurance companies have the meanings assigned to them under generally accepted accounting principles.
   d. Investments shall be valued in accordance with the valuation procedures established by the national association of insurance commissioners, unless the commissioner requires or finds another method of valuation reasonable under the circumstances.
   e. If an investment qualifies under more than one subsection, a company may elect to hold the investment under the subsection of its choice. This section does not prevent a company from electing to hold an investment under a subsection different from the one under which it previously held the investment.

2. Definitions. For purposes of this section:
   a. “Admitted assets”, for purposes of computing percentage limitations on particular types of investments, means the assets which are authorized to be shown as admitted assets as of the December 31 immediately preceding the date the company acquires the investment.
   b. “Capital and surplus”, for purposes of computing percentage limitations on particular types of investments, means the capital and surplus that is authorized to be shown as capital and surplus on the national association of insurance commissioners’ annual statement blank as of the De-
December 31 immediately preceding the date the company acquires the investment.

C. “Clearing corporation” means as defined in section 554.8102.

D. “Custodian bank” means a bank or trust company that is supervised and examined by state or federal authority having supervision over banks and is acting as custodian for a clearing corporation.

E. “Issuer” means as defined in section 554.8201.

F. “Member bank” means a national bank, state bank, or trust company which is a member of the United States federal reserve system.

H. “Obligations” includes bonds, notes, debentures, transportation equipment certificates, domestic repurchase agreements, and obligations for the payment of money not in default as to payments of principal and interest on the date of investment, which constitute general obligations of the issuer or payable only out of certain revenues or certain funds pledged or otherwise dedicated for payment of principal and interest on the obligations. A lease is an obligation if the lease is assigned to the insurer and is nonterminable by the lessee upon foreclosure of any lien upon the leased property, and if rental payments are sufficient to amortize the investment over the primary lease term.

3. Investments in name of company or nominee and prohibitions.

A. A company’s investments shall be held in its own name or the name of its nominee, except as follows:

(i) Investments may be held in the name of a clearing corporation or of a custodian bank or in the name of the nominee of either on the following conditions:

(a) The clearing corporation, custodian bank, or nominee must be legally authorized to hold the particular investment for the account of others.

(b) When the investment is evidenced by a certificate and held in the name of a custodian bank or the nominee of a custodian bank, a written agreement shall provide that certificates so deposited shall at all times be kept separate and apart from other deposits with the depository, so that at all times they may be identified as belonging solely to the company making the deposit.

(c) If a clearing corporation is to act as depository, the investment may be merged or held in bulk in the name of the clearing corporation or its nominee with other investments deposited with the clearing corporation by any other person, if a written agreement between the clearing corporation and the company provides that adequate evidence of the deposit is to be obtained and retained by the company or a custodian bank.

(ii) A company may loan securities held by it to a broker-dealer registered under the Securities Exchange Act of 1934, a national bank, or a state bank, foreign bank, or trust company that is a member of the United States federal reserve system, and the loaned securities shall continue to be allowable investments of the company.

(a) The loan shall be fully collateralized by cash, cash equivalents, or obligations issued or guaranteed by the United States or an agency or instrumentality of the United States. The company shall take delivery of the collateral either directly or through an authorized custodian.

(b) If the loan is collateralized by cash or cash equivalents, the cash or cash equivalent collateral may be reinvested by the company in either individual securities which are allowable investments of the company or in repurchase agreements fully collateralized by such securities if the company takes delivery of the collateral either directly or through an authorized custodian or a pooled fund comprised of individual securities which are allowable investments of the company. If such reinvestment is made in individual securities or in repurchase agreements, the individual securities or the securities which collateralize the repurchase agreements shall mature in less than two hundred seventy days. If such reinvestment is made in a pooled fund, the average maturity of the securities comprising such pooled fund must be less than two hundred seventy days. Individual securities and securities comprising the pooled fund shall be investment grade.

(c) The loan shall be evidenced by a written agreement which provides all of the following:

(i) That the loan will be fully collateralized at all times during the term of the loan, and that the collateral will be adjusted as necessary each business day during the term of the loan to maintain the required collateralization in the event of market value changes in the loaned securities or collateral.

(ii) If the loan is fully collateralized by cash or cash equivalents, the cash or cash equivalent collateral may be reinvested by the company as provided in subparagraph subdivision (b).

(iii) That the loan may be terminated by the company at any time, and that the borrower shall return the loaned stocks and obligations or equivalent stocks or obligations within five business days after termination.

(iv) That the company has the right to retain the collateral or use the collateral to purchase investments equivalent to the loaned securities if the borrower defaults under the terms of the agreement, and that the borrower remains liable for any losses and expenses incurred by the company due to default that are not covered by the collateral.

(d) Securities loaned pursuant to this sub-
paragraph (2) are not eligible for investment of the company in excess of twenty percent of admitted assets.

(3) A company may participate through a member bank in the United States federal reserve book-entry system, and the records of the member bank shall at all times show that the investments are held for the company or for specific accounts of the company.

(4) An investment may consist of an individual interest in a pool of obligations or a fractional interest in a single obligation if the certificate of participation or interest or the confirmation of participation or interest in the investment is issued in the name of the company or the name of the custodian bank or the nominee of either and if the interest as evidenced by the certificate or confirmation is, if held by a custodian bank, kept separate and apart from the investments of others so that at all times the participation may be identified as belonging solely to the company making the investment.

(5) Transfers of ownership of investments held as described in paragraph "a", subparagraph (1), subparagraph subdivision (c), and subparagraphs (3) and (4) may be evidenced by bookkeeping entry on the books of the issuer of the investment, its transfer or recording agent, or the clearing corporation without physical delivery of certificate, if any, evidencing the company's investment.

b. Except as provided in paragraph "a", subparagraph (5), if an investment is not evidenced by a certificate, adequate evidence of the company's investment shall be obtained from the issuer or its transfer or recording agent and retained by the company, a custodian bank, or clearing corporation. Adequate evidence, for purposes of this paragraph, means a written receipt or other verification issued by the depository or issuer or a custodian bank which shows that the investment is held for the company.

a. United States government obligations. Obligations issued or guaranteed by the United States or an agency or instrumentality of the United States.

b. Certain development bank obligations. Obligations issued or guaranteed by the international bank for reconstruction and development, the Asian development bank, the inter-American development bank, the export-import bank, the world bank, or any United States government-sponsored organization of which the United States is a member, if the principal and interest is payable in United States dollars. A company shall not invest more than five percent of its total admitted assets in the obligations of any one of these banks or organizations, and shall not invest more than a total of ten percent of its total admitted assets in the obligations authorized by this paragraph.

c. State obligations. Obligations issued or guaranteed by a state of the United States, or a political subdivision of a state, or an instrumentality of a state or political subdivision of a state.

g. Real estate mortgages. Mortgages and other interest-bearing securities that are first liens upon real estate located within this state or any
other state of the United States. However, a mortgage or other security does not qualify as an investment under this paragraph if at the date of acquisition the total indebtedness secured by the lien exceeds seventy-five percent of the value of the property that is subject to the lien. Improvements shall not be considered in estimating value unless the owner contracts to keep them insured during the life of the loan in one or more reliable fire insurance companies authorized to transact business in this state and for a sum at least equal to the excess of the loan above seventy-five percent of the value of the ground, exclusive of improvements, and unless this insurance is payable in case of loss to the company investing its funds as its interest may appear at the time of loss. For the purpose of this section, a lien upon real estate shall not be held or construed to be other than a first lien by reason of the fact that drainage or other improvement assessments have been levied against the real estate covered by the lien, whether or not the installment of the assessments have matured, but in determining the value of the real estate for loan purposes the amount of drainage or other assessment tax that is unpaid shall be first deducted.

h. Real estate.

All real estate specified in subdivisions (a), (b), and (c) of this subparagraph shall be sold and disposed of within three years after the company acquires title to it, or within three years after the real estate ceases to be necessary for the accommodation of the company’s business, and the company shall not hold any of those properties for a longer period unless the company elects to hold the property under another paragraph of this section, or unless the company procures a certificate from the commissioner of insurance that its interest will suffer materially by the forced sale of those properties and that the time for the sale is extended to the time the commissioner directs in the certificate.

(2) A company may acquire, hold, and convey real estate as required for the convenient accommodation and transaction of its business.

(3) A company may acquire real estate or an interest in real estate as an investment for the production of income, and may hold, improve, or otherwise develop, subdivide, lease, sell, and convey real estate so acquired directly or as a joint venture or through a limited or general partnership in which the company is a partner.

(4) A company may also acquire and hold real estate if the purpose of the acquisition is to enhance the sale value of real estate previously acquired and held by the company under this paragraph, and if the company expects the real estate so acquired to qualify under subparagraph (2) or (3) of this paragraph within three years after acquisition.

(5) A company may, after securing the written approval of the commissioner, acquire and hold real estate for the purpose of providing necessary living quarters for its employees. However, the company shall dispose of the real estate within three years after it has ceased to be necessary for that purpose unless the commissioner agrees to extend the holding period upon application by the company.

(6) A company shall not invest more than twenty-five percent of its total admitted assets in real estate. The cost of a parcel of real estate held for both the accommodation of business and for the production of income shall be allocated between the two uses annually. A company shall not invest more than ten percent of its total admitted assets in real estate held under subparagraph (3) of this paragraph.

(3) A company may invest in the obligations of a foreign government other than Canada or of a corporation incorporated under the laws of a foreign government other than Canada. Any such governmental obligation must be valid, legally au-

Any such corporate obligation must on the date of acquisition have investment qualities and characteristics, and must not have speculative elements which are predominant, as provided by rule. (1) The pledged investment shall be legally assigned or delivered to the company.

(2) The pledged investment shall have a market value of at least one hundred percent of the amount of the unpaid balance of the obligations.

(3) The company shall reserve the right to declare the obligation immediately due and payable if at any time after purchase the security depreciates to the point where the investment would not qualify under subparagraph (2) of this paragraph. However, additional qualifying security may be pledged to allow the investment to remain qualified.

l. Options transactions.

(1) A domestic fire and casualty company may only engage in the following transactions in options on an exchange and only when in accordance with the rules of the exchange on which the transactions take place:

(a) The sale of exchange-traded covered options.

1. Definitions. As used in this section unless the context otherwise requires:

a. “Adverse action” means a denial of issuance, cancellation, or refusal to renew, an increase in any charge for, or a reduction or other unfavorable change in the terms of coverage or amount of any personal insurance existing or applied for, or in connection with the underwriting of personal insurance.
b. “Affiliate” means any company that controls, is controlled by, or is under common control with another company.
c. “Applicant” means an individual who has applied to be covered by a personal insurance policy with an insurer.
d. “Consumer” means an insured whose credit information is used or whose insurance score is calculated in the underwriting or rating of a personal insurance policy or an applicant for such a personal insurance policy.
e. “Consumer reporting agency” means any person that, for monetary fees, dues, or on a cooperative nonprofit basis, regularly engages in whole or in part in the practice of assembling or evaluating consumer credit information or other information concerning consumers for the purpose of furnishing consumer credit reports to third parties.

f. “Credit information” means any information related to credit that is contained in or derived from a credit report, or provided in an application for personal insurance. Information that is not related to credit shall not be considered “credit information” regardless of whether the information is contained in or derived from a credit report or an application for credit or is used to calculate an insurance score.

g. “Credit report” means any written, oral, or other communication of information by a consumer reporting agency that relates to a consumer’s creditworthiness, credit standing, credit capacity, and that is used or expected to be used or is collected, in whole or in part, for the purpose of serving as a factor in determining personal insurance premiums, eligibility for personal insurance coverage, or tier placement.

h. “Insurance score” means a number or rating that is derived from an algorithm, computer application, model, or other process that is based in whole or in part on credit information for the purposes of predicting the future insurance loss exposure of a consumer.

i. “Insured” means an individual who is covered by a personal insurance policy.

j. “Personal insurance” means personal insurance and not commercial insurance and is limited to private passenger automobile, homeowners, farm owners, personal farm liability, motorcycle, mobile home owners, noncommercial dwelling fire, boat, personal watercraft, snowmobile, and recreational vehicle insurance policies, that are individually underwritten for personal, family, farm, or household use. No other type of insurance is included as personal insurance for the purposes of this section.

2. Use of credit information. An insurer authorized to do business in Iowa that uses credit information to underwrite or rate risks for a policy of personal insurance shall not do any of the following:

a. Use an insurance score that is calculated using income, gender, address, zip code, ethnic group, religion, marital status, race, or nationality of a consumer as a factor.

b. Deny issuance, cancel, or refuse to renew a policy of personal insurance solely on the basis of credit information, without consideration of any other applicable underwriting factors independent of credit information that are not otherwise prohibited under paragraph “a”.

c. Base a consumer’s renewal rates for personal insurance solely on the basis of credit information, without consideration of any other applicable underwriting factors independent of credit information that are not otherwise prohibited under paragraph “a”.

d. Take adverse action against a consumer solely because the consumer does not have a credit card account, without consideration of any other applicable underwriting factors independent of credit information that are not otherwise prohibited under paragraph “a”.

e. Consider an absence of credit information or an inability to calculate an insurance score in underwriting or rating personal insurance unless the insurer does one of the following:

1. Treats the consumer as if the consumer has neutral credit information, as defined by the insurer.

2. Excludes the use of credit information as an underwriting factor and only uses other underwriting criteria.

f. Take adverse action against a consumer based on credit information, unless the insurer obtains and uses a credit report issued or an insurance score calculated within ninety days before the date a personal insurance policy is first written or a renewal is issued.

g. Use credit information unless not later than every thirty-six months following the last time that the insurer obtained current credit information for the insured, the insurer recalculates the insurance score or obtains an updated credit report for the insured. Regardless of the requirements of this paragraph:

1. At annual renewal, upon the request of the consumer or the consumer’s agent, the insurer shall re-underwrite and re-rate the personal insurance policy based upon a current credit report or insurance score. An insurer is not required to recalculate an insurance score or obtain a current credit report more than once in a twelve-month period.

2. The insurer shall have the discretion to obtain current credit information for a consumer more frequently than every thirty-six months, if consistent with the insurer’s underwriting guidelines.

3. Notwithstanding subparagraph (1), an insurer is not required to obtain current credit information for a consumer if any of the following applies:

a. The insurer is treating the consumer as otherwise approved by the commissioner of insurance.

b. The consumer is in the most favorably priced tier of the insurer, within a group of affiliated insurers. However, the insurer shall have the discretion to obtain current credit information, if consistent with the insurer’s underwriting guidelines.

c. Credit information was not used for under-
writing or rating the insured when the personal insurance policy was initially written. However, the insurer shall have the discretion to use current credit information for underwriting or rating the insured upon renewal of the policy, if consistent with the insurer's underwriting guidelines.

(d) The insurer reevaluates the insured beginning no later than thirty-six months after the personal insurance policy was initially written and thereafter, based on other underwriting or rating factors, excluding credit information.

h. Use any of the following as a negative factor in any insurance scoring methodology or in reviewing credit information for the purpose of underwriting or rating a personal insurance policy:

(1) Credit inquiries not initiated by the consumer or inquiries requested by the consumer for the consumer's own credit information.

(2) Inquiries relating to insurance coverage, if so identified on a consumer's credit report.

(3) Collection accounts with a medical industry code, if so identified on a consumer's credit report.

(4) Multiple lender inquiries, if coded by a consumer reporting agency on the consumer's credit report as being from the home mortgage industry and made within thirty days of one another, unless only one inquiry is considered.

(5) Multiple lender inquiries, if coded by a consumer reporting agency on the consumer's credit report as being from the automobile lending industry and made within thirty days of one another, unless only one inquiry is considered.

3. Dispute resolution and error correction. If it is determined through the dispute resolution process set forth under the federal Fair Credit Reporting Act, 15 U.S.C. § 1681i(a)(5), that the credit information of a current insured is incorrect or incomplete and the insurer receives notice of such determination from either the consumer reporting agency or from the insured, the insurer shall re-underwrite and re-rate the insured within thirty days of receiving the notice. After re-underwriting or re-rating the insured, the insurer shall make any adjustments necessary, consistent with the insurer's underwriting and rating guidelines. If an insurer determines that an insured has overpaid the premium on a personal insurance policy, the insurer shall refund the amount of the overpayment to the insured, calculated for either the last twelve months of coverage or the actual policy period, whichever is shorter.

4. Initial notification.

a. If an insurer writing personal insurance uses credit information in underwriting or rating a consumer, the insurer or the insurer's agent shall disclose, either on the insurance application or at the time that the insurance application is taken, that the insurer may obtain credit information of the consumer in connection with the application. Such disclosure to a consumer shall either be written or provided in the same medium as the application for insurance. An insurer is not required to provide the disclosure statement required under this subsection to a consumer in connection with the renewal of a personal insurance policy if the consumer has previously been provided with such a disclosure statement.

b. An insurer that uses the following statement of disclosure shall be deemed to be in compliance with this subsection:

“In connection with this application for insurance, we may review your credit report or obtain or use a credit-based insurance score based on the information contained in that credit report. We may use a third party in connection with the development of your insurance score.”

5. Notification of adverse action. If an insurer takes adverse action against a consumer based on credit information, the insurer shall do all of the following:

a. Provide notification to the consumer that adverse action has been taken, in accordance with the requirements of the federal Fair Credit Reporting Act, 15 U.S.C. § 1681m(a).

b. Provide notification to the consumer explaining the reasons for the adverse action taken. Such notice shall give reasons for the adverse action taken in language that is sufficiently clear and specific so that a person can identify the basis for the insurer's decision to take adverse action. Such notification shall include a description of up to four factors that were the primary influences for the adverse action taken. The use of generalized terms such as “poor credit history”, “poor credit rating”, or “poor insurance score” does not meet the explanation requirements of this paragraph. Standardized credit explanations that are provided by consumer reporting agencies or other third-party vendors are deemed to comply with this paragraph.

6. Information filed with the commissioner of insurance.

a. An insurer that uses insurance scores to underwrite and rate risks for personal insurance shall file the insurer's scoring models or other scoring processes with the commissioner of insurance. A third party may file scoring models on behalf of an insurer. Information filed with the commissioner that includes insurance scoring models may include information including loss experience that justifies the insurer's use of credit information.

b. Information filed with the commissioner of insurance pursuant to this subsection shall be considered a confidential record and be recognized and protected as a trade secret pursuant to section 22.7, subsection 3.

7. Indemnification. An insurer shall indemnify, defend, and hold harmless agents or produc-
ers of the insurer from and against all liability, fees, and costs, arising out of or relating to the actions, errors, or omissions of an agent or producer who obtains or uses credit information or insurance scores on behalf of an insurer, provided that the agent or producer follows the instructions or procedures established by the insurer and complies with any applicable law or regulation. This subsection shall not be construed to provide a consumer or other insured with a cause of action that does not exist in the absence of this subsection.

8. Consumer reporting agency — sale of credit information.
   a. A consumer reporting agency shall not provide or sell data or lists that include any information that was submitted, in whole or in part, in conjunction with an insurance inquiry about a consumer’s credit information or a request for a credit report or insurance score. Such information includes, but is not limited to, the expiration dates of an insurance policy or any other information that can be used to identify the expiration date of a consumer’s insurance policy or the terms and conditions of the consumer’s insurance coverage.
   b. This subsection does not apply to the provision of information, including data or lists, by a consumer reporting agency to the agent or producer from whom the information was received, to the insurer on whose behalf the agent or producer acted, or to the insurer’s affiliates or holding companies.
   c. This subsection shall not be construed to restrict an insurer from obtaining a claims history report or a motor vehicle report of a consumer.

9. Severability. If any subsection, paragraph, sentence, clause, phrase, or any other part of this section is declared invalid due to an interpretation of or a future change in the federal Fair Credit Reporting Act, the remaining subsections, paragraphs, sentences, clauses, phrases, or parts thereof shall be in no manner affected thereby but shall remain in full force and effect.

10. Applicability date. This section applies to personal insurance contracts or policies delivered, issued for delivery, continued, or renewed in this state on or after October 1, 2004.

§515.103, INSURANCE OTHER THAN LIFE

§515.104 Coinsurance or contribution clause.

Contracts of insurance against loss or damage by fire or other perils may contain a coinsurance or contribution clause or clause having similar effect, provided the form setting up the terms of the same has been approved by the commissioner of insurance.

§515.105 Agency relationship.

Any officer, insurance producer, or representative of an insurance company doing business in this state who may solicit insurance, procure applications, issue policies, adjust losses, or transact the business generally of such companies, shall be held to be the agent of such insurance company with authority to transact all business within the scope of the agency relationship, anything in the application, policy, contract, bylaws, or articles of incorporation of such company to the contrary notwithstanding.

§515.106 Limitation on termination of independent producers.

An insurance company organized under this chapter or authorized to do business in this state shall not terminate a contract of an insurance producer who is an independent contractor but who is not an exclusive insurance producer as defined in section 522B.1 without at least one hundred eighty days’ notice, except for loss of license, fraud, nonpayment of company premiums that are due and not in dispute by the producer, or the withdrawal of operations in the state by the insurance company. This section does not apply to insurance producers or a business entity whose contract with an insurer authorized to do business in this state contains a written provision expressly reserving to the insurer all right, title, and interest to the ownership or the use of insurance business written by such an insurance producer or business entity.

§515.108 Insurance in unauthorized companies.

No action shall be maintained in any court in the state upon any policy or contract of fire insurance issued upon any property situated in the state by any company, association, partnership, individual, or individuals that have not been authorized by
the commissioner of insurance to transact such insurance business, unless it shall be shown that the insurer or insured, within six months after the issuing of such policy or contract of insurance, has paid into the state treasury two percent of the gross premium paid or agreed to be paid for such policy or contract of insurance.

Former §515.108 transferred to §515.110; 2007 Acts, ch 152, §27

515.109 Fire insurance contract — standard policy provisions — permissible variations.

1. The printed form of a policy of fire insurance as set forth in subsection 6 shall be known and designated as the “standard policy” to be used in the state of Iowa.

2. Standard policy, additions, riders, and clauses. It shall be unlawful for any insurance company to issue any policy of fire insurance upon any property in this state except upon automobiles, airplanes, seaplanes, dirigibles, or other aircraft, farm crops until stored, marine and inland marine risks other or different from the standard form of fire insurance policy herein set forth.

There shall be printed at the head of said policy the name of the insurer or insurers issuing the policy; the location of the home office thereof; a statement whether said insurer or insurers are stock or mutual corporations or are reciprocal insurers; and subject to the approval of the commissioner of insurance, there may be added thereto such device or devices as the insurer or insurers issuing said policy shall desire. Provided, however, that any company organized under special charter provisions may so indicate upon its policy, and may add a statement of the plan under which it operates in this state.

The standard policy provided for herein need not be used for effecting reinsurance between insurers.

If the policy is issued by a mutual, cooperative, or reciprocal insurer having special regulations with respect to the payment by the policyholder of assessments, such regulations shall be printed upon the policy; and any such insurer may print upon the policy such regulations as may be required by its home state or appropriate to its form of organization.

3. Binders or other contracts for temporary insurance may be made and shall be deemed to include all the terms of such standard policy and all such applicable endorsements as may be designated in such contract of temporary insurance; except that the cancellation clause of such standard policy, and the clause thereof specifying the hour of the day at which the insurance shall commence, may be superseded by the express terms of such contract of temporary insurance.

4. Two or more insurers authorized to do in this state the business of fire insurance, may, with the approval of the commissioner of insurance, issue a combination standard form of policy which shall contain the following:

a. A provision substantially to the effect that the insurers executing such policy shall be severally liable for the full amount of any loss or damage, according to the terms of the policy, or for specified percentages or amounts thereof, aggregating the full amount of such insurance under such policy.

b. A provision substantially to the effect that service of process, or of any notice or proof of loss required by such policy, upon any of the insurers executing such policy, shall be deemed to be service upon all such insurers.

5. Appropriate forms of other contracts or endorsements, insuring against one or more of the perils incident to the ownership, use or occupancy of said property, other than fire and lightning, which the insurer is empowered to assume, may be used in connection with the standard policy. Such forms of other contracts or endorsements attached or printed thereon may contain provisions and stipulations inconsistent with the standard policy if applicable only to such other perils. The pages of the standard policy may be renumbered and rearranged to provide space for the listing of rates and premiums for coverages insured thereunder or under endorsements attached or printed thereon, and such other data as may be included for duplication on daily reports for office records. An insurer may issue a policy, either on an unspecified basis as to coverage or for an indivisible premium, which contains coverage against the peril of fire and substantial coverage against other perils, if such policy includes provisions with respect to the peril of fire which are the substantial equivalent of the minimum provisions of such standard policy; provided further the policy is complete as to all its terms of coverage without reference to any other document and is approved in accordance with section 515.102, subsections 1 and 2.

6. The form of the standard policy (with permission to substitute for the word “company” a more accurate descriptive term for the type of insurer) shall be as follows:

SECOND PAGE OF STANDARD FIRE POLICY

Concealment — fraud. This entire policy shall be void if, whether before or after a loss, an insured has willfully concealed or misrepresented any material fact or circumstance concerning this insurance or the subject thereof, or the interest of an insured therein, or in case of any fraud or false swearing by an insured relating thereto.

Uninsurable and excepted property. This policy shall not cover accounts, bills, currency, deeds, evidences of debt, money or securities; nor, unless specifically named hereon in writing, bullion or manuscripts.

Perils not included. This company shall not be liable for loss by fire or other perils insured against in this policy caused, directly or indirectly, by: (a) Enemy attack by armed forces, including action taken by military, naval or air forces in resisting an actual or an immediately impending enemy attack; (b) invasion; (c) insurrection; (d) rebellion; (e) revolution; (f) civil war; (g) usurped power; (h) order of any civil authority except acts of destruction at the time of and for the purpose of preventing the spread of fire, provided that such fire did not originate from any of the perils excluded by this policy; (i) neglect of an insured to use all reasonable means to save and preserve the property at and after a loss, or when the property is endangered by fire in neighboring premises; (j) nor shall this company be liable for loss by theft.

Other insurance. Other insurance may be prohibited or the amount of insurance may be limited by endorsement attached hereto.

Conditions suspending or restricting insurance. Unless otherwise provided in writing added hereupon to this policy there shall not be liable for loss occurring under any of the following circumstances:

a. While the hazard is created or increased by any means within the control or knowledge of an insured.

b. While a described building, whether intended for occupancy by owner or tenant, is vacant or unoccupied beyond a period of sixty consecutive days.

c. As a result of explosion or riot, unless fire ensue, and in that event for loss by fire only.

Other perils or subjects. Any other peril to be insured against or subject of insurance to be covered in this policy shall be by endorsement in writing hereon or added hereto.

Added provisions. The extent of the application of insurance under this policy and of the contribution to be made by this company in case of loss, and any other provision or agreement not inconsistent with the provisions of this policy, may be provided for in writing added hereto, but no provision may be waived except such as by the terms of this policy is subject to change.

Waiver provisions. No permission affecting this insurance shall exist, or waiver of any provision be valid, unless granted herein or expressed in writing added hereto. No provision, stipulation or forfeiture shall be held to be waived by any requirement or proceeding on the part of this company relating to appraisal or to any examination provided for herein.

Cancellation of policy. This policy shall be canceled at any time at the request of the insured, in which case this company shall, upon demand and surrender of this policy, refund the excess of paid premium above the customary short rates for the
expired time. This policy may be canceled at any time by this company by giving to the insured a five days’ written notice of cancellation with or without tender of the excess of paid premium above the pro rata premium for the expired time, which excess, if not tendered, shall be refunded on demand. Notice of cancellation shall state that said excess premium (if not tendered) will be refunded on demand.

**Mortgagee interests and obligations.** If loss hereunder is made payable, in whole or in part, to a designated mortgagee not named herein as the insured, such interest in this policy may be canceled by giving to such mortgagee a ten days’ written notice of cancellation.

If the insured fails to render proof of loss such mortgagee, upon notice, shall render proof of loss in the form herein specified within sixty days thereafter and shall be subject to the provisions hereof relating to appraisal and time of payment and of bringing suit. If this company shall claim that no liability existed as to the mortgagee or owner, it shall, to the extent of payment of loss to the mortgagee, be subrogated to all the mortgagee’s rights of recovery, but without impairing mortgagee’s right to sue; or it may pay off the mortgage debt and require an assignment thereof and of the mortgage. Other provisions relating to the interests and obligations of such mortgagee may be added hereto by agreement in writing.

**Pro rata liability.** This company shall not be liable for a greater proportion of any loss than the amount hereby insured shall bear to the whole insurance covering the property against the peril involved, whether collectible or not.

**Requirements in case loss occurs.** The insured shall give immediate written notice to this company of any loss, protect the property from further damage, forthwith separate the damaged and undamaged personal property, put it in the best possible order, furnish a complete inventory of the destroyed, damaged and undamaged property, showing in detail quantities, costs, actual cash value and amounts of loss claimed; and within sixty days after the loss, unless such time is extended in writing by this company, the insured shall render to this company a proof of loss, signed and sworn to by the insured, stating the knowledge and belief of the insured as to the following: The time and origin of the loss, the interest of the insured and of all others in the property, the actual cash value of each item thereof and the amount of loss thereto, all encumbrances thereon, all other contracts of insurance, whether valid or not, covering any of said property, any changes in the title, use, occupation, location, possession or exposures of said property since the issuing of this policy, by whom and for what purpose any building herein described and the several parts thereof were occupied at the time of loss and whether or not it then stood on leased ground, and shall furnish a copy of all the descriptions and schedules in all policies and, if required, verified plans and specifications of any building, fixtures or machinery destroyed or damaged. The insured, as often as may be reasonably required, shall exhibit to any person designated by this company all that remains of any property herein described, and submit to examinations under oath by any person named by this company, and subscribe the same; and, as often as may be reasonably required, shall produce for examination all books of account, bills, invoices and other vouchers, or certified copies thereof if originals be lost, at such reasonable time and place as may be designated by this company or its representative, and shall permit extracts and copies thereof to be made.

**Appraisal.** In case the insured and this company shall fail to agree as to the actual cash value or the amount of loss, then, on the written demand of either, each shall select a competent and disinterested appraiser and notify the other of the appraiser selected within twenty days of such demand. The appraisers shall first select a competent and disinterested umpire; and failing for fifteen days to agree upon such umpire, then, on request of the insured or this company, such umpire shall be selected by a judge of a court of record in the state in which the property covered is located. The appraisers shall then appraise the loss, stating separately actual cash value and loss to each item; and, failing to agree, shall submit their differences, only, to the umpire. An award in writing, so itemized, of any two when filed with this company shall determine the amount of actual cash value and loss. Each appraiser shall be paid by the party selecting the appraiser and the expenses of appraisal and umpire shall be paid by the parties equally.

**Company’s options.** It shall be optional with this company to take all, or any part, of the property at the agreed or appraised value, and also to repair, rebuild or replace the property destroyed or damaged with other of like kind and quality within a reasonable time, on giving notice of its intention so to do within thirty days after the receipt of the proof of loss herein required.

**Abandonment.** There can be no abandonment to this company of any property.

**When loss payable.** The amount of loss for which this company may be liable shall be payable sixty days after proof of loss, as herein provided, is received by this company and ascertainment of the loss is made either by agreement between the insured and this company expressed in writing or by the filing with this company of an award as herein provided.

**Suit.** No suit or action on this policy for the recovery of any claim shall be sustainable in any court of law or equity unless all the requirements of this policy shall have been complied with, and unless commenced within twelve months next after inception of the loss.

**Subrogation.** This company may require from the insured an assignment of all right of recovery

**515.110** More favorable conditions. Nothing contained in section 515.109 shall be so construed as to prohibit any insurance company not required by the statutes of Iowa to issue a standard form of policy, from embodying, with the approval of the commissioner of insurance, in any insurance contract issued by it, provisions or conditions which are more favorable to the insured than those authorized in said statutes.

1. Every fire insurance company and association authorized to transact business in this state shall conduct its business in the name under which it is incorporated, and the policies issued by it shall be headed or entitled only by such name. There shall not appear on the face of the policy or on its filing back anything that would indicate that it is the obligation of any other than the company responsible for the payment of losses under the policy, though it is permissible to stamp or print on the bottom of the filing back the name or names of the department or general agency issuing the same, and the group of companies with which the company is financially affiliated.

SURPLUS LINES INSURANCE

515.120 Business with nonadmitted insurers.
This chapter does not prevent a licensed resident or nonresident producer of this state, qualified to write excess and surplus lines insurance, from procuring insurance in certain nonadmitted insurers if such insurance is restricted to the type and kind of insurance authorized by this chapter, excluding insurance authorized under section 515.48, subsection 5, paragraph “a”, and the producer makes oath to the commissioner of insurance in the form prescribed by the commissioner that the producer has made diligent effort to place the insurance in authorized insurers and has either exhausted the capacity of all authorized insurers or has been unable to obtain the desired insurance in insurers licensed to transact business in this state. The procuring of a contract of insurance in a nonadmitted insurer makes the insurer liable for, and the producer shall pay, the taxes on the premiums as if the insurer were duly authorized to transact business in the state. A sworn report of all business transacted by producers of this state in nonadmitted insurers shall be made to the commissioner of insurance on or before March 1 of each year for the preceding calendar year, on the form required by the commissioner of insurance. The report shall be accompanied by a remittance to cover the taxes on the premiums. A producer who makes the oath, pays the taxes on the premiums, and files the report has not written such contracts of insurance unlawfully, and is not personally liable for the contracts.

2. The commissioner shall refuse to renew the license of a producer who fails to comply with the provisions of section 515.120 and this section and the producer's right to transact new business in this state shall immediately cease until the producer has so complied.
3. The commissioner may give notice to a producer that the producer has not timely filed the report required under section 515.120 and is in violation of this section. If the producer fails to file the required report within ten days of the date of the notice, the producer shall pay an additional administrative penalty of one hundred dollars for each day that the failure continues to the treasurer of state for deposit in the general fund of the state as provided in section 505.7.

Unless otherwise provided in section 515.127 or 515.128, at any time after the maturity of a premium, assessment, or installment provided for in the policy, or a note or contract for the payment thereof, or after the suspension, forfeiture, or cancellation of a policy or contract of insurance, the insured may pay to the company the customary short rates and costs of action, if one has been commenced or judgment rendered thereon, and may, if the insured so elects, have the policy and all contracts or obligations connected with the policy, whether in judgment or otherwise, canceled, and all such policy and contracts shall be void; and in case of suspension, forfeiture, or cancellation of a policy or contract of insurance, the insured is not liable for a greater amount than the short rates earned at the date of the suspension, forfeiture, or cancellation and the costs of action provided for in this section. If the policy is canceled by the insurance company, the insurer may retain only the pro rata premium, and if the initial cash premium, or any part of the premium, has not been paid, the policy may be canceled by the insurance company by giving notice to the insured as provided in section 515.125 and ten days' notice to the mortgagor, or other person to whom the policy is made payable, if any, without tendering any part of the premium, anything to the contrary in the policy notwithstanding.

A notice of cancellation shall include except by notice to the insured as provided in this section. A notice of cancellation is not effective unless mailed or delivered to the named insured and any loss payee at least forty-five days prior to the expiration date of the policy. If the insurer fails to meet the notice requirements of this section, the insured has the option of continuing the policy for the remainder of the notice period plus an additional thirty days at the premium rate of the existing policy or contract. A post office department certificate of mailing to the named insured at the address shown in the policy or contract is proof of receipt of the mailing.

2. A notice of nonrenewal is not effective unless mailed or delivered by the insurer to the named insured and any loss payee at least forty-five days prior to the expiration date of the policy. The insurer has offered to renew or if the insured fails to pay a premium due or if the insurer failed to pay a premium due or any advance premium required by the insurer for renewal. A notice of nonrenewal is not required if the insured is transferred from an insurer to an affiliate for future coverage as a result of a merger, acquisition, or company restructuring and if the transfer results in the same or broader coverage.

3. This section applies to all forms of commercial property and casualty insurance written pursuant to this chapter. It does not apply if the insurer has offered to renew if or if the insured fails to pay a premium due or any advance premium required by the insurer for renewal. A notice of nonrenewal is not required if the insured is transferred from an insurer to an affiliate for future coverage as a result of a merger, acquisition, or company restructuring and if the transfer results in the same or broader coverage.

4. A commercial line policy or contract of insurance, except a policy or contract for crop hail or multiperil crop insurance, shall not be canceled except by notice to the insured as provided in this subsection. A notice of cancellation shall include the reason for cancellation of the policy or contract. 3. An umbrella or excess insurance policy which has been renewed or which has been in effect for sixty or more days shall not be canceled by the insurer, except as provided in section 515.127, subsections 2 and 3, unless notice has been mailed or delivered to the insured as required by this section or unless at least one of the following conditions occurs:
   a. A material change in the limits, scope of coverage, or exclusions in one or more of the underlying policies.
   b. Cancellation or nonrenewal of one or more of the underlying policies where the policies are not replaced without lapse.
   c. A reduction in the financial rating or grade of one or more of the insurers insuring one or more of the underlying policies based on an evaluation by a recognized financial rating organization.

4. A notice of cancellation is not effective unless mailed by certified mail or delivered to the named insured and any loss payee at least ten days prior to the effective date of cancellation. A notice of cancellation shall include the reason for cancellation of the umbrella or excess insurance policy. A post office department certificate of mailing to the named insured at the address shown in the umbrella or excess policy is proof of receipt of the mailing; however, such a certificate of mailing is not required if cancellation is for nonpayment of premium.

5. An insurer shall not fail to renew an umbrella or excess insurance policy except by notice to the insured as provided in this section; however, an insurer may condition renewal of an umbrella or excess insurance policy upon requirements relating to the underlying policy or policies. If the requirements are not satisfied as of the expiration date of the umbrella or excess insurance policy, or thirty days after mailing or delivery of the notice, whichever is later, the conditional renewal notice shall be deemed to be an effective notice of nonrenewal. This subsection does not apply if the insurer has offered to renew or if the insured fails to pay a premium due or any advance premium required by the insurer for renewal.

6. A notice of nonrenewal is not effective unless mailed by certified mail or delivered to the named insured and any loss payee at least forty-five days prior to the expiration date of the umbrella or excess insurance policy. If the insurer fails to meet the notice requirements of this subsection the insured has the option of continuing the policy for the remainder of the notice period plus an additional thirty days at the premium rate of the existing umbrella or excess policy.

7. Sections 515.127 and 515.128 are not applicable to umbrella or excess insurance policies except as provided in subsection 3.

The commissioner of insurance shall prepare and promulgate tables of the short rates provided for in section 515.132, for the various kinds and classes of insurance governed by the provisions of this chapter, which, when promulgated, shall be for the guidance of all companies covered in this chapter and shall be the rate to be given in any notice therein required. No company shall discriminate unfairly between like assureds in the rate or rates so provided.

515.131 Policy restored. At any time before cancellation of the policy for nonpayment of any premium, assessment, or installment provided for therein, or in any note or contract for the payment thereof, or after action commenced or judgment rendered thereon, the insured may pay to the insurer the full amount due, including court costs if any, and from the date of such payment, or the collection of the judgment, the policy shall revive and be in full force and effect, provided such payment is made during the term of the policy and before a loss occurs.

515.132 Right of insured to cancel. No provision, stipulation, or agreement to the contrary in or independent of the policy or contract of insurance shall avoid or defeat the right of any insured to pay short rates and costs of action, if any, and have the policy and all contracts connected therewith, including judgments rendered thereon, canceled.
515.133 Copy of application — duty to provide.
All insurance companies or associations shall, upon the issue or renewal of any policy, provide to the insured, a true copy of any application or representation of the insured which, by the terms of such policy, is made a part of the policy, or of the contract of insurance, or referred to in the contract of insurance, or which may in any manner affect the validity of such policy.

515.139 Demolition reserve on fire and casualty claims on property.
1. An insurer shall reserve ten thousand dollars or ten percent, whichever amount is greater, of the payment for damages to the property excluding personal property on which the insurer has issued a fire and casualty insurance policy as demolition cost reserve if the following are applicable:
   a. The property is located within the corporate limits of a city.
   b. The damage to the property renders it uninhabitable or unfit for the purpose for which it was intended, without repair.
   c. Proof of loss has been submitted by the policyholder for a sum in excess of seventy-five percent of the face value of the policy covering the building or other insured structure.
2. An insurer which has received a proof of loss in excess of seventy-five percent of the face value of the policy covering a building or other insured structure, shall notify the city council of the city within which the property is located. The notice shall be made by certified mail within five working days after receipt of the proof of loss.
3. The city shall release all interest in the demolition cost reserve within one hundred eighty days after receiving notice of the existence of the demolition cost reserve unless the city has instituted legal proceedings for the demolition of the building or other insured structure, and has notified the insurer in writing of the institution of the legal proceedings. Failure of the city to notify the insurer of the legal proceedings terminates the city’s claim to any proceeds from the reserve.

4. A reserve for demolition costs is no longer required if either of the following is true:
   a. The insurer has received notice from both the insured and the city council that the insured has completed repairs to the property or has completed demolition of the property in compliance with all applicable statutes and local ordinances.
   b. The city has failed to notify the insurer as provided under subsection 3.

5. If the city has instituted legal proceedings, undertaken emergency action, or is required to demolish the damaged property at city expense, the city shall present to the insurer costs incurred, including but not limited to legal costs, engineering costs, and demolition costs related directly to the enforcement of any local ordinance, and the insurer shall compensate the city for the incurred costs up to the amount in the demolition cost reserve. Any amount left from the demolition cost reserve after the cost of demolition of the property is paid to the city shall be paid to the insured if the insured is entitled to the remaining proceeds under the policy.

6. The insurer is not liable for any amount in excess of the limits of liability set out by the policy.

7. Insurers complying with this section or attempting in good faith to comply with this section shall be immune from civil and criminal liability.

It shall be unlawful for two or more insurance companies doing business in this state, or for the officers, agents, or employees of such companies, to make or enter into any combination or agreement relating to the rates to be charged for insurance, the amount of commissions to be allowed agents for procuring the same, or the manner of transacting the insurance business within this state, but any number of insurance companies may appoint the same person or persons, who shall be residents of the state of Iowa, as their common agent or agents for the purpose of filing, in the manner prescribed by the insurance commissioner of Iowa, the forms of policies and of all permits and riders used generally throughout the state, as required by the laws of this state to be examined and approved by the said commissioner.

2. Upon three days' notice, if the commissioner has reason to believe that there is imminent substantial risk to an insurer's solvency, order the insurer to appear before the commissioner and show cause why its license or authority to do business within the state should not be suspended. At the hearing to show cause, the commissioner may summarily suspend the license or authority of the insurer to do business within the state.
3. Summarily order an insurer to cease and desist from a violation, anticipated violation, or suspected violation of chapter 507B, 510, or 513A, if a hearing is provided pursuant to chapter 17A within thirty days of the summary cease and desist order.

The purpose of this chapter is to promote the public welfare by regulating insurance rates to the end that they shall not be excessive, inadequate or unfairly discriminatory, and to authorize and regulate co-operative action among insurers in rate making and in other matters within the scope of this chapter. Nothing in this chapter is intended (1) to prohibit or discourage reasonable competition, or (2) to prohibit, or encourage except to the extent necessary to accomplish the aforementioned purpose, uniformity in insurance rates, rating systems, rating plans or practices. 515A.2 Definitions — scope of chapter.
1. As used in this chapter:
   b. “Insurer” means an insurer which issues a policy of workers’ compensation liability insurance.
   c. “Policy” means a policy of workers’ compensation liability insurance.
   d. “Rate” means a rate for workers’ compensation liability insurance.

[C50, 54, 58, 62, §515A.2, 515B.2; C66, 71, 73, 75, 77, 79, 81, §515A.2]
§515A.4 Rate filings.

1. a. Every insurer shall file with the commissioner every manual, minimum, class rate, rating schedule or rating plan and every other rating rule, and every modification of any of the foregoing which it proposes to use. Every such filing shall state the proposed effective date thereof, and shall indicate the character and extent of the coverage contemplated.

b. When a filing is not accompanied by the information upon which the insurer supports such filing, and the commissioner does not have sufficient information to determine whether such filing meets the requirements of this chapter, the commissioner shall require such insurer to furnish the information upon which it supports such filing and in such event the waiting period shall commence as of the date such information is furnished. Until the required information is furnished, the filing shall not be deemed complete or available for use by the insurer.

c. The information furnished in support of a filing may include the experience or judgment of the insurer or rating organization making the filing, its interpretation of any statistical data it relies upon, the experience of other insurers or rating organizations, or any other relevant factors. When a filing is deemed complete, the filing and any supporting information shall be open to public inspection.

2. An insurer may satisfy its obligation to make such filings by becoming a member of, or a subscriber to, a licensed rating organization which makes such filings, and by authorizing the commissioner to accept such filings on its behalf, provided that nothing contained in this chapter shall be construed as requiring any insurer to become a member of or a subscriber to any rating organization.

3. The commissioner shall review filings as soon as reasonably possible after they have been made in order to determine whether they meet the requirements of this chapter.

4. Each complete filing shall be on file for a waiting period of thirty days before it becomes effective, which period may be extended by the commissioner for an additional period not to exceed fifteen days if the commissioner gives written notice within the waiting period to the insurer or rating organization which made the filing that the commissioner needs additional time for the consideration of the filing. Upon written application by the insurer or rating organization, the commissioner may authorize a filing which the commissioner has reviewed to become effective before the expiration of the waiting period or any extension of the period. A filing shall be deemed to meet the requirements of this chapter unless disapproved by the commissioner before the expiration of the waiting period or an extension of the waiting period.

5. Under such rules and regulations as the commissioner shall adopt the commissioner may, by written order, suspend or modify the requirement of filing as to any kind of insurance, subdivision or combination thereof, or as to classes of risks, the rates for which cannot practically be filed before they are used. Such order, rules and regulations shall be made known to insurers and rating organizations affected thereby. The commissioner may make such examination as the commissioner may deem advisable to ascertain whether any rates affected by such order meet the standards set forth in paragraph "b" of subsection 1 of section 515A.3.

6. Upon the written application of the insured, stating the insured's reasons therefor, filed with and approved by the commissioner a rate in excess of that provided by a filing otherwise applicable may be used on any specific risk.

7. No insurer shall make or issue a contract or policy except in accordance with the filings which are in effect for the insurer as provided in this chapter or in accordance with subsection 5 or 6.

8. If a hearing is requested pursuant to section 515A.6, subsection 7, a filing shall not take effect until thirty days after formal approval is given by the commissioner.

§515A.5 Disapproval of filings.

1. If within the waiting period or any extension thereof as provided in subsection 4 of section 515A.4, the commissioner finds that a filing does not meet the requirements of this chapter, the commissioner shall send to the insurer or rating organization which made such filing, written notice in a printed or electronic format of disapproval of such filing specifying therein in what respects the commissioner finds such filing fails to meet the requirements of this chapter and stating that such filing shall not become effective.

2. At any time subsequent to the applicable review period provided for in subsection 1, the commissioner may hold a hearing to determine whether a filing meets the requirements of this chapter. The commissioner shall provide notice of a hearing not less than ten days prior to the hearing to every insurer and rating organization which made the filing, specifying the matters to be considered at the hearing. If the commissioner finds that a filing does not meet the requirements of this chapter, the commissioner shall issue an order specifying in what respects the commissioner finds that the filing fails to meet the requirements of this chapter, and stating when, within a reasonable period thereafter, the filing shall be deemed no longer effective. Copies of the order shall be sent to every
insurer and rating organization which made the filing. The order shall not affect any contract or policy made or issued prior to the expiration of the period set forth in the order.

3. a. Any person or organization aggrieved with respect to any filing which is in effect may make written application to the commissioner for a hearing thereon, provided, however, that the insurer or rating organization that made or uses the filing shall not be authorized to proceed under this subsection. Such application shall specify the grounds to be relied upon by the applicant and such application must show that the person or organization making such application has a specific economic interest affected by the filing. If the commissioner finds that the application is made in good faith, that the applicant has a specific economic interest, that the applicant would be so aggrieved if the applicant's grounds are established, and that such grounds otherwise justify holding such a hearing, the commissioner shall within thirty days after receipt of such application hold a hearing, upon not less than ten days' written notice to the applicant and to every insurer and rating organization which made the filing. No rating or advisory organization shall have any status under this chapter to make application for a hearing on any filing made by an insurer with the commissioner.

b. If, after such hearing, the commissioner finds that the filing does not meet the requirements of this chapter, the commissioner shall issue an order specifying in what respects the commissioner finds that such filing fails to meet the requirements of this chapter, and stating when, within a reasonable period thereafter, such filing shall be deemed no longer effective. Copies of the order shall be sent to the applicant and to every insurer and rating organization which made the filing. No rating or advisory organization shall have any status under this chapter to make application for a hearing on any filing made by an insurer with the commissioner.

c. Licenses issued pursuant to this section shall remain in effect for three years unless sooner suspended or revoked by the commissioner. The fee for the license shall be one hundred dollars.

d. Licenses issued pursuant to this section may be suspended or revoked by the commissioner, after hearing upon notice, in the event the rating organization ceases to meet the requirements of this subsection.

e. Every rating organization shall notify the commissioner promptly of every change in any of the following:
   (1) Its constitution, its articles of agreement or association or its certificate of incorporation, and of its bylaws, rules and regulations governing the conduct of its business.
   (2) Its list of members and subscribers.
   (3) The name and address of a resident of this state upon whom notices or orders of the commissioner or process affecting such rating organization may be served.
   (4) A statement of its qualifications as a rating organization.

§515A.6 Rating organizations.
1. a. A corporation, an unincorporated association, a partnership, or an individual, whether located within or outside this state, may make application to the commissioner for a license as a rating organization for such kinds of insurance, or subdivision or class of risk or a part or combination thereof as are specified in its application and shall file with the application all of the following:
   (1) A copy of its constitution, its articles of agreement or association or its certificate of incorporation, and of its bylaws, rules and regulations governing the conduct of its business.
   (2) A list of its members and subscribers.
   (3) The name and address of a resident of this state upon whom notices or orders of the commissioner or process affecting such rating organization may be served.
   (4) A statement of its qualifications as a rating organization.

b. If the commissioner finds that the applicant is competent, trustworthy, and otherwise qualified to act as a rating organization and that its constitution, articles of agreement or association or certificate of incorporation, and its bylaws, rules and regulations governing the conduct of its business conform to the requirements of law, the commissioner shall issue a license specifying the kinds of insurance, or subdivisions or classes of risks or parts or combinations thereof for which the applicant is authorized to act as a rating organization. Every such application shall be granted or denied in whole or in part by the commissioner within sixty days of the date of its filing with the commissioner.

c. Licenses issued pursuant to this section shall remain in effect for three years unless sooner suspended or revoked by the commissioner. The fee for the license shall be one hundred dollars.

d. Licenses issued pursuant to this section may be suspended or revoked by the commissioner, after hearing upon notice, in the event the rating organization ceases to meet the requirements of this subsection.

e. Every rating organization shall notify the commissioner promptly of every change in any of the following:
   (1) Its constitution, its articles of agreement or association or its certificate of incorporation, and of its bylaws, rules and regulations governing the conduct of its business.
   (2) Its list of members and subscribers.
   (3) The name and address of the resident of this state designated by it upon whom notices or orders of the commissioner or process affecting such rating organization may be served.

2. Subject to rules and regulations which have been approved by the commissioner as reasonable, each rating organization shall permit any insurer, not a member, to be a subscriber to its rating services for any kind of insurance, subdivision, or class of risk or a part or combination thereof for which it is authorized to act as a rating organization. Notice of proposed changes in such rules and regulations shall be given to subscribers. Each rating organization shall furnish its rating services without discrimination to its members and subscribers. The reasonableness of any rule or regulation in its application to subscribers, or the refusal of any rating organization to admit an insur-
er as a subscriber, shall, at the request of any subscriber or any such insurer, be reviewed by the commissioner at a hearing held upon at least ten days' written notice to such rating organization and to such subscriber or insurer. If the commissioner finds that such rule or regulation is unreasonable in its application to subscribers, the commissioner shall order that such rule or regulation shall not be applicable to subscribers. If the rating organization fails to grant or reject an insurer's application for subscribership within thirty days after it was made, the insurer may request a review by the commissioner as if the application had been rejected. If the commissioner finds that the insurer has been refused admittance to the rating organization as a subscriber without justification, the commissioner shall order the rating organization to admit the insurer as a subscriber. If the commissioner finds that the action of the rating organization was justified the commissioner shall make an order affirming its action.

3. No rating organization shall adopt any rule the effect of which would be to prohibit or regulate the payment of dividends, savings or unabsorbed premium deposits allowed or returned by insurers to their policyholders, members or subscribers.

4. Cooperation among rating organizations or among rating organizations and insurers in rate making or in other matters within the scope of this chapter is hereby authorized, provided the filings resulting from such cooperation are subject to all the provisions of this chapter which are applicable to filings generally. The commissioner may review such cooperative activities and practices and if, after a hearing, the commissioner finds that any such activity or practices is unfair or unreasonable or otherwise inconsistent with the provisions of this chapter, the commissioner may issue a written order specifying in what respects such activity or practice is unfair or unreasonable or otherwise inconsistent with the provisions of this chapter, and requiring the discontinuance of such activity or practice.

5. Any rating organization may provide for the examination of policies, daily reports, binders, renewal certificates, endorsements or other evidences of insurance, or the cancellation thereof, and may make reasonable rules governing their submission. Such rules shall contain a provision that in the event any insurer does not within sixty days furnish satisfactory evidence to the rating organization of the correction of any error or omission previously called to its attention by the rating organization, it shall be the duty of the rating organization to notify the commissioner thereof. All information so submitted for examination shall be confidential.

6. Any rating organization may subscribe for or purchase actuarial, technical or other services, and such services shall be available to all members and subscribers without discrimination.

7. Notwithstanding any other provision of the Code, the commissioner of insurance shall provide for a hearing in a proceeding involving a workers' compensation insurance rate filing by a licensed rating organization in accordance with the provisions of this subsection and rules promulgated by the commissioner of insurance pursuant to chapter 17A. Except as otherwise provided herein, the provisions of this subsection shall not be subject to the requirements of chapter 17A. The procedures for such hearing shall be as follows:

a. The commissioner shall provide notice of the filing of the proposed rates at least thirty days before the effective date of the proposed rates by publishing a notice on the internet website of the insurance division of the department of commerce.

b. A public hearing shall be held on the proposed rates by the commissioner of insurance if within fifteen days of the date of publication a workers' compensation policyholder or an established organization with one or more workers' compensation policyholders among its members files a written demand with the commissioner of insurance for a hearing on the proposed rates.

c. The commissioner of insurance shall hold the hearing within twenty days after receipt of the written demand for a hearing and shall give not less than ten days written notice of the time and place of the hearing to the person or association filing the demand, to the rating organization, and to any other person requesting such notice.

d. At any such hearing, the rating organization shall bear the burden of proof to support the proposed rates by a preponderance of the evidence. The person or association requesting the hearing, and any other person admitted as a party to the proceeding, shall be given the opportunity to respond and introduce evidence and arguments on all the issues involved.

e. Within fifteen days after the start of the hearing, the commissioner of insurance will approve or disapprove the proposed rates and specify the reasons therefor. The commissioner of insurance may suspend or postpone the effective date of the proposed rates pending the hearing and written decision thereon.

f. Judicial review of the decision of the commissioner of insurance on such rates may be sought in accordance with the provisions of chapter 17A.

g. Absent a request for a hearing as provided in paragraph "b", the commissioner shall issue an order approving or disapproving the proposed rates.

h. The waiting period for a workers' compensation insurance rate filing shall commence no earlier than the date that notice of the insurance rate filing is published.

515A.7 Uniform rating plans and deviations.

1. a. Every insurer shall adhere to the filings made on its behalf by a rating organization except that any such insurer may file a deviation from the class rates, schedules, rating plans, or rules, or a combination thereof for approval by the commissioner. The deviation filed shall specify the basis for the modification and a copy shall also be sent simultaneously to such rating organization. In considering the deviation filed, the commissioner shall give consideration to the available statistics and the principles for rate making as provided in section 515A.3. The commissioner shall approve the deviation filed for such insurer if the commissioner finds it to be justified and it shall thereupon become effective. The commissioner shall disapprove the deviation filed if the commissioner finds that the deviation does not meet the requirements of this chapter.

b. A deviation may be filed for approval by the commissioner as follows:

(1) An insurer may file for approval by the commissioner of a uniform percentage rate deviation to be applied to the class rates of the rating organization’s filing subject to limitations as set forth by the commissioner by rule. A rate deviation from the approved class rates of a rating organization shall not cause the rate charged a policyholder to exceed the approved assigned risk rates.

(2) A rating organization or insurer may file retrospective plans in policies which generate at least one hundred thousand dollars in annual countrywide premiums on workers’ compensation liability insurance.

(3) An insurer may offer large deductible programs on policies which generate at least one hundred thousand dollars in annual countrywide premiums on workers’ compensation liability insurance. The minimum large deductible which may be offered is twenty-five thousand dollars, which may be applied to indemnity and medical losses.

(4) An insurer may offer small deductible programs with deductibles in a range of up to ten thousand dollars and which apply only to medical losses. Losses shall be reported on a net basis in accordance with the statistical plan filed by a rating organization.

(5) An insurer may adopt a scheduled or rating plan providing for credits or debits in an amount not exceeding the maximum modification allowed as set forth by the commissioner by rule. This amount shall be in addition to the permitted deviations set forth in subparagraphs (1) through (4).

(6) The commissioner may authorize other types of deviations by rule when there is no approved rate, schedule, rating plan, or rule applicable to the deviation filed, on file with the insurance division for a rating organization.

2. The commissioner may adopt rules pursuant to chapter 17A to limit deviations and maximum schedule or rating plan modifications.

3. All dividends shall be paid based upon loss sensitivity. Dividends are deemed a return of profit to insureds. Accordingly, dividends shall not be guaranteed by an insurer without regard to profits. Dividends may be offered in conjunction with deviated rates or with scheduled rates or in combination therewith. For the purposes of this subsection, “loss sensitivity” means the profitability of the policyholder individually or as a member of a homogenous group.

515A.8 Appeal by member or subscriber.

1. Any member or subscriber to a rating organization may appeal to the commissioner from the action or decision of such rating organization in approving or rejecting any proposed change in or addition to the filings of such rating organization and the commissioner shall, after a hearing held upon not less than ten days’ written notice to the appellant, and to such rating organization, issue an order approving the action or decision of such rating organization or directing it to give further consideration to such proposal, or, if such appeal is from the action or decision of the rating organization in rejecting a proposed addition to its filings, the commissioner may, in the event the commissioner finds that such action or decision was unreasonable, issue an order directing the rating organization to make an addition to its filings, on behalf of its members and subscribers, in a manner consistent with the findings, within a reasonable time after the issuance of such order.

2. If such appeal is based upon the failure of the rating organization to make a filing on behalf of such member or subscriber, which is based on a system of expense provisions which differs, in accordance with the right granted in paragraph “c” of subsection 1 of section 515A.3, from the system of expense provisions included in a filing made by the rating organization, the commissioner shall, if the commissioner grants the appeal, order the rating organization to make the requested filing for use by the appellant. In deciding such appeal the commissioner shall apply the standards set forth in section 515A.3.
§515A.9 Information to be furnished insureds — hearings and appeals of insureds.

Every rating organization and every insurer which makes its own rate shall, within a reasonable time after receiving written request therefor and upon payment of such reasonable charge as it may make, furnish to any insured affected by a rate made by it, or to the authorized representative of such insured, all pertinent information as to such rate. Every rating organization and every insurer which makes its own rates shall provide within this state reasonable means whereby any person aggrieved by the application of its rating system may be heard, in person or by the person's authorized representative, on the person's written request to review the manner in which such rating system has been applied in connection with the insurance afforded the person. Such review of the manner in which a rating system has been applied is not a contested case under chapter 17A. If the rating organization or insurer fails to grant or reject such request within thirty days after it is made, the applicant may proceed in the same manner as if the application had been rejected. Any party affected by the action of such rating organization or insurer on such request may, within thirty days after written notice of such action, appeal to the commissioner, who, after a hearing held upon not less than ten days' written notice to the applicant and to such rating organization or insurer, may affirm or reverse such action. Such appeal to the commissioner of the manner in which a rating system has been applied is not a contested case under chapter 17A. A copy of its constitution, its articles of organization, and of its bylaws, rules and regulations governing its activities.

§515A.10 Advisory organizations.

1. Every group, association or other organization of insurers, whether located within or outside of this state, which assists insurers which make their own filings or rating organizations in rate making, by the collection and furnishing of loss or expense statistics, or by the submission of recommendations, but which does not make filings under this chapter, shall be known as an advisory organization.

2. Every advisory organization shall file with the commissioner all of the following:
   a. A copy of its constitution, its articles of agreement or association or its certificate of incorporation and of its bylaws, rules and regulations governing its activities.
   b. A list of its members.
   c. The name and address of a resident of this state whom notices or orders of the commissioner or process issued at the commissioner's direction may be served.
   d. An agreement that the commissioner may examine such advisory organization in accordance with the provisions of section 515A.12.

3. If, after a hearing, the commissioner finds that the furnishing of such information or assistance involves any act or practice which is unfair or unreasonable or otherwise inconsistent with the provisions of this chapter, the commissioner may issue a written order specifying in what respects such act or practice is unfair or unreasonable or otherwise inconsistent with the provisions of this chapter, and requiring the discontinuance of such act or practice.

4. No insurer which makes its own filings nor any rating organization shall support its filings by statistics or adopt rate making recommendations, furnished to it by an advisory organization which has not complied with this section or with an order of the commissioner involving such statistics or recommendations issued under subsection 3 of this section. If the commissioner finds such insurer or rating organization to be in violation of this subsection the commissioner may issue an order requiring the discontinuance of such violation.

§515A.11 Joint underwriting or joint reinsurance.

1. Every group, association or other organization of insurers which engages in joint underwriting or joint reinsurance, shall be subject to regulation with respect thereto as herein provided, subject, however, with respect to joint underwriting, to all other provisions of this chapter and, with respect to joint reinsurance, to sections 515A.12 and 515A.19.

2. If, after a hearing, the commissioner finds that any activity or practice of any such group, association or other organization is unfair or unreasonable or otherwise inconsistent with the provisions of this chapter, the commissioner may issue a written order specifying in what respects such activity or practice is unfair or unreasonable or otherwise inconsistent with the provisions of this chapter, and requiring the discontinuance of such activity or practice.

§515A.12 Examinations.

The commissioner shall, at least once in five years, make or cause to be made an examination of each rating organization licensed in this state as provided in section 515A.6 and the commissioner may, as often as the commissioner may deem it expedient, make or cause to be made an examination of each advisory organization referred to in section 515A.10 and of each group, association or other organization referred to in section 515A.11. The rea-
sonable costs of any such examination shall be paid by the rating organization, advisory organization or group, association or other organization examined upon presentation to it of a detailed account of such costs. The officers, manager, agents and employees of such rating organization, advisory organization, or group, association or other organization may be examined at any time under oath and shall exhibit all books, records, accounts, documents, or agreements governing its method of operation. In lieu of any such examination the commissioner may accept the report of an examination made by the insurance supervisory official of another state, pursuant to the laws of such state.

[C50, 54, 58, 62, §515A.12, 515B.12; C66, 71, 73, 75, 77, 79, 81, §515A.12]

515A.13 Rate administration.
1. The commissioner shall promulgate reasonable rules and statistical plans, reasonably adapted to each of the rating systems on file with the commissioner, which may be modified from time to time and which shall be used thereafter by each insurer in the recording and reporting of its loss and countrywide expense experience, in order that the experience of all insurers may be made available at least annually in such form and detail as may be necessary to aid the commissioner in determining whether rating systems comply with the standards set forth in section 515A.3. Such rules and plans may also provide for the recording and reporting of expense experience items which are specially applicable to this state and are not susceptible of determination by a prorating of countywide expense experience. In promulgating such rules and plans, the commissioner shall give due consideration to the rating systems on file and, in order that such rules and plans may be as uniform as is practicable among the several states, to the rules and to the form of the plans used for such rating systems in other states. No insurer shall be required to record or report its loss experience on a classification basis that is inconsistent with the rating system filed by it. The commissioner may designate one or more rating organizations or other agencies to assist in gathering such experience and making compilations thereof, and such compilations shall be made available, subject to reasonable rules promulgated by the commissioner, to insurers and rating organizations.
2. Reasonable rules and plans may be promulgated by the commissioner for the interchange of data necessary for the application of rating plans.
3. In order to further uniform administration of rate regulatory laws, the commissioner and every insurer and rating organization may exchange information and experience data with insurance supervisory officials, insurers, and rating organizations in other states and may consult with them with respect to rate making and the application of rating systems.
4. The commissioner may make reasonable rules necessary to effect the purposes of this chapter.
5. A person other than the commissioner or the commissioner’s designee shall not release to another person, other than to the servicing insurer of the policy or to the commissioner or the commissioner’s designee, experience, payroll, loss data, expiration date of a policy, or classification information without the prior written approval of the policyholder. A violation of this section shall be considered an unfair trade practice pursuant to chapter 507B.

No person or organization shall willfully withhold information from, or knowingly give false or misleading information to, the commissioner, any statistical agency designated by the commissioner, any rating organization, or any insurer, which will affect the rates or premiums chargeable under this chapter. A violation of this section shall subject the one guilty of such violation to the penalties provided in section 515A.17.

For purposes of this section, “insurer” includes, in addition to insurers defined pursuant to section 515A.2, a self-insurance association formed on or after July 1, 1995, pursuant to section 87.4 except for an association comprised of cities or counties, or both, or an association comprised of community colleges as defined in section 260C.2, which have entered into an agreement pursuant to chapter 28E for the purpose of establishing a self-insured program for the payment of workers’ compensation benefits.

§515A.15A Deductible policies in workers' compensation.

The commissioner may enter an order under section 515A.18 to assure availability within this state of a policy under this chapter which provides as part of the policy, or as an endorsement to the policy, an option for a deductible related to benefits payable under a policy issued pursuant to this chapter. The order may make provisions for changes in experience ratings, premium surcharges, or any other modification, as a result of issuance of a policy, or of an endorsement to the policy, pursuant to the order. Under an order entered pursuant to this section, the commissioner shall provide that if the policyholder selects a deductible option, the insured employer is liable for all of the amount of the deductible for benefits paid for each compensable claim of an employee under the policy.

§515A.17 Penalties.

1. The commissioner may, if the commissioner finds that any person or organization has violated any provision of this chapter, impose a penalty of not more than one thousand dollars for each such violation, but if the commissioner finds such violation to be willful the commissioner may impose a penalty of not more than five thousand dollars for each such violation. Such penalties may be in addition to any other penalty provided by law.

2. The commissioner may suspend the license of any rating organization or insurer which fails to comply with an order of the commissioner within the time limited by such order, or any extension thereof which the commissioner may grant. The commissioner shall not suspend the license of any rating organization or insurer for failure to comply with an order until the time prescribed for an appeal therefrom has expired or if an appeal has been taken, until such order has been affirmed. The commissioner may determine when a suspension of license shall become effective and it shall remain in effect for the period fixed by the commissioner, unless the commissioner modifies or rescinds such suspension, or until the order upon which such suspension is based is modified, rescinded, or reversed.

3. A penalty shall not be imposed and a license shall not be suspended or revoked except upon a written order of the commissioner, stating the commissioner's findings, made after a hearing held upon not less than ten days' written notice to such person or organization specifying the alleged violation.

The commissioner shall hear such party or parties within twenty days after receipt of such request and shall give not less than ten days' written notice of the time and place of the hearing. Within fifteen days after such hearing the commissioner shall affirm, reverse or modify the previous action, specifying the commissioner's reasons therefor. Pending such hearing and decision thereon the commissioner may suspend or postpone the effective date of the commissioner's previous action.

515B.2 Definitions.
As used in this chapter unless the context otherwise requires:
1. "Association" means the Iowa insurance guaranty association created pursuant to section 515B.3.
2. "Claimant" means an insured making a first party claim or any person instituting a liability claim against the insured of an insolvent insurer. "Claimant" does not include a person who is an affiliate of an insolvent insurer.
3. "Commissioner" means the commissioner of insurance of this state.
4. a. "Covered claim" means an unpaid claim, including one for unearned premiums, which arises out of and is within the coverage and is subject to the applicable limits of an insurance policy to which this chapter applies issued by an insurer, if such insurer becomes an insolvent insurer after July 1, 1970, and one of the following conditions exists:
   (1) The claimant or insured is a resident of this state at the time of the insured event. Other than an individual, the residence of the claimant or insured is the state in which its principal place of business is located.
§515B.2, INSURANCE GUARANTY ASSOCIATION

(2) The claim is a first party claim by an insured for damage to property permanently located in this state.

b. “Covered claim” does not include any amount as follows:

(1) That is due any reinsurer, insurer, insurance pool, or underwriting association, or other group assuming insurance risks, as subrogation, contribution, or indemnity recoveries, or otherwise.

(2) That constitutes the portion of a claim that is within an insured's deductible or self-insured retention.

(3) That is a claim for an unearned premium calculated on a retrospective basis, experience-rated plan, or premium subject to adjustment after termination of the policy.

(4) That is due an attorney, adjuster, or witness as fees for services rendered to the insolvent insurer.

(5) That is a fine, penalty, interest, or punitive or exemplary damages.

(6) That constitutes a claim under a policy issued by an insolvent insurer with a deductible or self-insured retention of two hundred thousand dollars or more. However, such a claim shall be considered a covered claim, if as of the deadline set for the filing of claims against the insolvent insurer of its liquidator, the insured is a debtor under 11 U.S.C. § 701 et seq.

(7) That would otherwise be a covered claim, but is an obligation to or on behalf of a person who has a net worth greater than that allowed by the guarantee fund law of the state of residence of the claimant, and which state has denied coverage to that claimant on that basis.

(8) That is an obligation owed to or on behalf of an affiliate of, as defined in section 521A.1, an insolvent insurer.

Notwithstanding the subparagraphs of this lettered paragraph, a person is not prevented from presenting a noncovered claim to the insolvent insurer or its liquidator, but the noncovered claim shall not be asserted against any other person, including the person to whom benefits were paid or the insured of the insolvent insurer, except to the extent that the claim is outside the coverage of the policy issued by the insolvent insurer.

5. “Insurer” means an insurer licensed to transact insurance business in this state under either chapter 515 or chapter 520, either at the time the policy was issued or when the insured event occurred. It does not include county or state mutual insurance associations licensed under chapter 518 or chapter 518A, or fraternal benefit societies, orders, or associations licensed under chapter 512B, or corporations operating nonprofit service plans under chapter 514, or life insurance companies or life, accident, or health associations licensed under chapter 508, or those professions under chapter 519.

6. “Insolvent insurer” means an insurer against which a final order of liquidation with a finding of insolvency has been entered on or after July 1, 1980, by a court of competent jurisdiction of this state or of the state of the insurer’s domicile.

7. “Net direct written premiums” means direct gross premiums written in this state on insurance policies to which this chapter applies, less return premiums and dividends paid or credited to policyholders on such direct business. Such term does not include premiums on contracts between insurers or reinsurers.

8. “Person” means any individual, corporation, partnership, association, or voluntary organization.

§515B.3 Creation of the association.

There is created a nonprofit unincorporated legal entity to be known as the Iowa insurance guaranty association. All insurers as defined in section 515B.2, subsection 5 shall be and remain members of the association as a condition of their authority to transact insurance in this state. The association shall perform its functions under a plan of operation established and approved pursuant to section 515B.6 and shall exercise its powers through a board of directors established under section 515B.4. Except as otherwise provided in such plan of operation, annual or special meetings of members of the association may be held on call as directed by the association's board of directors or by the commissioner of insurance, upon not less than ten days' written notice by ordinary mail to each member at the member’s principal office as shown by the records in the commissioner’s office, specifying the time and place, and in the case of a special meeting, the purpose of the meeting. Vacancies on the board shall be filled for the remaining period of the term by majority vote of the remaining directors, subject to the approval of the commissioner.

In approving selections to the board the commissioner shall consider among other things whether all member insurers are fairly represented.

Members of the board may be reimbursed from
the assets of the association for expenses incurred by them as members of the board of directors.

515B.5 Duties and powers of the association.

1. The association shall:
   a. Be obligated to pay covered claims existing prior to the final order of liquidation and arising within thirty days after the final order of liquidation, or before the policy expiration date if less than thirty days after the final order of liquidation, or before the insured replaces the policy or causes its cancellation, if the insured does so within thirty days of the final order of liquidation. Such obligation shall be satisfied by paying to the claimant an amount as follows:
      (1) The full amount of a covered claim for benefits under a workers’ compensation insurance coverage.
      (2) An amount in excess of one hundred dollars but not exceeding ten thousand dollars per policy for a covered claim for the return of unearned premium.
      (3) An amount not exceeding the lesser of the policy limits or three hundred thousand dollars per claim for all covered claims for all damages arising out of any one or series of accidents, occurrences, or incidents, regardless of the number of persons making claims or the number of applicable policies.
   b. Be obligated to pay covered claims subject to a limitation as established by the rights, duties, and obligations under the policy of the insolvent insurer. However, the association is not obligated to pay a claimant an amount in excess of the obligation under the policy of the insolvent insurer, regardless of whether such claim is based on contract or tort.
   c. Assess member insurers amounts necessary to pay the obligations of the association under paragraph “a” of this subsection subsequent to an insolvency, the expenses of handling covered claims subsequent to an insolvency, the cost of examinations under section 515B.10, and other expenses authorized by this chapter. The assessment of each member insurer shall be in the proportion that the net direct written premiums of the member insurer for the preceding calendar year bear to the net direct written premiums of all member insurers for the preceding calendar year. Each member insurer shall be notified of the assessment not later than thirty days before it is due. No member insurer may be assessed in any year an amount greater than two percent of that member insurer’s net direct written premiums for the preceding calendar year. If the maximum assessment, together with the other assets of the association, does not provide in any one year an amount sufficient to make all necessary payments, the funds available shall be prorated and the unpaid portion shall be paid as soon as funds become available. The association may exempt or defer, in whole or in part, the assessment of any member insurer if the assessment would cause the member insurer’s financial statement to reflect amounts of capital or surplus less than the minimum amounts required for a certificate of authority by any jurisdiction in which the member insurer is authorized to transact insurance. Each member insurer serving as a servicing facility pursuant to this section may set off against any assessment, authorized payments made on covered claims and expenses incurred in the payment of such claims by the member insurer. In addition, the association shall have the authority to levy an administrative assessment of not more than fifty dollars per year per member insurer on a non pro rata basis, which assessment shall be credited against any future insolvency assessment. Such assessment shall be used to pay authorized expenses not directly attributable to any particular insolvency or insolvent insurer. All overdue and unpaid assessments shall draw interest at the rate of seven percent per annum.
   d. Investigate claims brought against the association and adjust, compromise, settle, and pay covered claims to the extent of the association’s obligations on covered claims and deny all other claims. The association may review settlements, releases, and judgments to which the insolvent insurer or its insureds were parties to determine the extent to which settlements, releases, and judgments may properly be contested, and, to that end, any uncontested or default judgment against the insolvent insurer or its insured shall not be binding on the association. The association shall have the right to appoint or substitute legal counsel retained to defend insureds on covered claims.
   e. Notify such persons as the commissioner directs under section 515B.7, subsection 2, paragraph “a”.
   f. Process claims through its employees or through one or more member insurers or other persons designated as servicing facilities. Designation of a servicing facility is subject to the approval of the commissioner, but such designation may be declined by a member insurer.
   g. Reimburse each servicing facility for obligations of the association paid by the facility and for expenses incurred by the facility while handling claims on behalf of the association, and pay the other expenses of the association authorized by this chapter.

2. The association may:
§515B.5, INSURANCE GUARANTY ASSOCIATION

a. Appear in, defend, and appeal any action on a claim brought against the association.

b. Employ or retain persons necessary to handle claims and perform other duties of the association.

c. Borrow funds necessary to effect the purposes of this chapter in accord with the plan of operation.

d. Sue or be sued.

e. Negotiate and become a party to contracts necessary to carry out the purpose of this chapter.

f. Perform such other acts necessary or proper to effectuate the purposes of this chapter.

g. The board of directors, in its discretion, may from time to time refund excess amounts to member insurers that are not needed for current or projected liabilities of a particular insolvency. The amount of each refund is equal to the net direct written premiums of the member insurer for the preceding calendar year divided by the net direct written premiums of all member insurers for the preceding calendar year, multiplied by the total amount to be refunded to all members. Any assessments or refunds of any member insurer in amounts not to exceed twenty-five dollars may, at the discretion of the board of directors, be waived.

h. Request that all future payments of workers’ compensation weekly benefits, medical expenses, or other payments under chapter 85, 85A, 85B, 86, or 87 be commuted to a present lump sum and upon the payment of which, either to the claimant or to a licensed insurer for purchase of an annuity or other periodic payment plan for the benefit of the claimant, the employer and the association shall be discharged from all further liability for the workers’ compensation claim. Notwithstanding the provisions of section 85.45, any future payment of medical expenses, weekly compensation benefits, or other payment by the association under this chapter pursuant to chapter 85, 85A, 85B, 86, or 87, is deemed an undue expense, hardship, or inconvenience upon the employer for purposes of a full commutation pursuant to section 85.45, subsection 1, paragraph “b”, and the workers’ compensation commissioner shall fix the lump sum of the probable future medical expenses and weekly compensation benefits capitalized at their present value upon the basis of interest at the rate provided in section 535.3 for court judgments and decrees.

Section 2, paragraph h amended

515B.6 Plan of operation.

1. The association shall submit a plan of operation to the commissioner, together with any amendments necessary or suitable to assure the fair, reasonable, and equitable administration of the association. The plan of operation and any amendments shall become effective upon approval in writing by the commissioner.

If the association fails to submit a suitable plan of operation within ninety days following the effective date of this chapter or if at any time thereafter the association fails to submit suitable amendments to the plan, the commissioner shall, after notice and opportunity for hearing, adopt and promulgate reasonable rules necessary or advisable to effectuate the provisions of this chapter.

Such rules shall continue in force until modified by the commissioner or superseded by a plan submitted by the association and approved by the commissioner.

2. All member insurers shall comply with the plan of operation.

3. The plan of operation shall:

a. Establish the procedures for performance of all the duties and powers of the association under section 515B.5.

b. Establish procedures for managing assets of the association.

c. Establish the amount and method of reimbursing members of the board of directors under section 515B.4.

d. Establish procedures by which claims may be filed with the association and establish acceptable forms of proof of covered claims. Notice of claims to the receiver or liquidator of the insolvent insurer shall be deemed notice to the association or its agent and a list of such claims shall be periodically submitted to the association or similar organization in another state by the receiver or liquidator.

e. Establish regular places and times for meetings of the board of directors.

f. Establish procedures for keeping records of all financial transactions of the association, its agents, and the board of directors.

g. Provide that any member insurer aggrieved by any final action or decision of the association may appeal to the commissioner within thirty days after the action or decision.

h. Establish procedures for submission to the commissioner of selections for the board of directors.

i. Contain additional provisions necessary or proper for the execution of the duties and powers of the association.

4. The plan of operation may provide that any or all duties and powers of the association, except those under section 515B.5, subsection 1, paragraph “c”, and subsection 2, paragraph “c”, are delegated to a person which performs or will perform functions similar to those of this association in two or more states. Such person shall be reimbursed as a servicing facility and shall be paid for performance of any other functions of the association. A delegation under this subsection shall take effect.
only with the approval of both the board of directors and the commissioner, and may be made only to a person which extends protection not substantially less favorable and effective than that provided by this chapter.

[C71, 73, 75, 77, 79, 81, §515B.6]

**515B.7 Duties and powers of the commissioner.**

1. The commissioner shall:
   a. Notify the association of the existence of an insolvent insurer not later than three days after the commissioner receives notice of the determination of the insolvency.
   b. Upon request of the board of directors, provide the association with a statement of the net direct written premiums of each member insurer.

2. The commissioner may:
   a. Require that the association notify the insured of the insolvent insurer and any other interested parties of the determination of insolvency and of their rights under this chapter. Such notification shall be by mail at their last known address, but if sufficient information for notification by mail is not available, notice by publication in a newspaper of general circulation is sufficient.
   b. Suspend or revoke, after notice and opportunity for hearing, the certificate of authority to transact insurance in this state of any member insurer which fails to pay an assessment when due or fails to comply with the plan of operation. As an alternative, the commissioner may levy a fine on any member insurer which fails to pay an assessment when due. Such fine shall not exceed five percent of the unpaid assessment per month, except that no fine shall be less than one hundred dollars per month.
   c. Revoke the designation of any servicing facility if the commissioner finds claims are being processed unsatisfactorily.

3. Judicial review of actions of the commissioner may be sought in accordance with the terms of the Iowa administrative procedure Act, chapter 17A.

[C71, 73, 75, 77, 79, 81, §515B.7]
2003 Acts, ch 44, §114

**515B.8 Effect of paid claims.**

1. Any person recovering under this chapter shall be deemed to have assigned the person's rights under the policy to the association to the extent of the person's recovery from the association. Every insured or claimant seeking the protection of this chapter shall cooperate with the association to the same extent as such person would have been required to cooperate with the insolvent insurer. The association shall have no cause of action against the insured of the insolvent insurer for any sums it has paid out except causes of action the insolvent insurer would have had if the sums had been paid by the insolvent insurer.

2. The association and any similar entity in another state shall be recognized as claimants in the liquidation of an insolvent insurer for any amounts paid by them on covered claim obligations as determined under this chapter or under similar law in another state, and shall receive dividends and any other distributions at the priority set forth under the applicable liquidation law. The receiver, liquidator, or statutory successor of an insolvent insurer shall be bound by determinations of covered claim eligibility under this chapter and by settlements of covered claims made by the association or a similar organization in another state. The court having jurisdiction shall grant such claims priority equal to that which the claimant would have been entitled in the absence of this chapter against the assets of the insolvent insurer. The expenses of the association or similar organization in handling claims shall be accorded the same priority as the liquidator's expenses.

3. The association shall periodically file with the receiver or liquidator of the insolvent insurer statements of the covered claims paid by the association and estimates of anticipated claims on the association, which statements shall preserve the rights of the association against the assets of the insolvent insurer.

[C71, 73, 75, 77, 79, 81, §515B.8]
97 Acts, ch 186, §17; 2003 Acts, ch 91, §41

**515B.9 Nonduplication of recovery.**

1. Any person having a claim under an insurance policy, and the claim under such other policy alleges the same damages or arises from the same facts, injury, or loss that gives rise to a covered claim against the association, shall be required to first exhaust all coverage provided by that policy, whether such coverage is on a primary, excess, or pro rata basis and any obligation of the association shall not be considered other insurance. Any amount payable on a covered claim shall be reduced by the full applicable limits of such other insurance policy and the association shall receive full credit for such limits or where there are no applicable limits, the claim shall be reduced by the total recovery.

a. A policy providing liability coverage to a person who may be jointly and severally liable with, or a joint tortfeasor with, the person covered under the policy of the insolvent insurer shall be first exhausted before any claim is made against the association and the association shall receive credit for the same as provided above.

b. For purposes of this section, an insurance policy means a policy issued by an insurance company, whether or not a member insurer, which policy insures any of the types of risks insured by an insurance company authorized to write insurance under chapter 515, 516A, or 520, or comparable statutes of another state, except those types of risks set forth in chapters 508 and 514.
§515B.10 Prevention of insolventcies.  
1. a. To aid in the detection and prevention of insurer insolventcies the board of directors, upon majority vote, may do either of the following:
   (1) Make recommendations to the commissioner for the detection and prevention of insurer insolventcies.
   (2) Respond to a request by the commissioner to discuss and make recommendations regarding the status of member insurers whose financial condition may be hazardous to policyholders or the public.

b. At the conclusion of a domestic insurer insolvency, the board of directors may prepare a report based on the information available to the association on the history and causes of the insolvency. The report may be submitted to the commissioner.

2. Recommendations and reports made pursuant to subsection 1, paragraph “a”, subparagraph (2), are not public records under chapter 22.

§515B.11 Examination of the association.  
The association is subject to examination and regulation by the commissioner. The board of directors shall submit, not later than March 30 of each year, a financial report for the preceding calendar year in a form approved by the commissioner.

§515B.12 Tax exemption.  
The association is exempt from payment of all fees and all taxes levied by this state or any of its subdivisions, except taxes levied on property.

§515B.13 Recognition of assessments in rates.  
The rates and premiums charged for insurance policies to which this chapter applies shall include amounts sufficient to recoup a sum equal to the amounts paid to the association by the member insurer less any amounts returned to the member insurer by the association, and such rates shall not be deemed excessive as a result of containing such recoupment allowances.

§515B.14 Immunity.  
There is no liability, and no cause of action of any nature shall arise against any member insurer, the association, its agents or employees, the board of directors, the commissioner, or the commissioner’s representatives, for any reasonable action taken by them in the performance of their duties and powers under this chapter.

§515B.15 Stay of proceedings.  
All proceedings to which the insolvent insurer is a party or in which it is obligated to defend a party shall be stayed from the date of the insolvency to and including the date set as the deadline for the filing of claims against the insolvent insurer or its receiver. However, upon application, the court having jurisdiction of the receivership, may lengthen or shorten the period, either as to all claims or as to any particular claim. The association may, at the option of the association, waive such stay as to specific cases involving covered claims.

As to any covered claims based on the default of an insurer who is or who becomes insolvent, or based on the failure of an insurer to defend an insured, the association, on its own behalf or on behalf of the insured, is entitled to set the default aside and defend such claim on its merits.

§515B.16 Actions against the association.  
Any action against the association shall be brought against the association in the association’s own name. The Polk county district court shall have exclusive jurisdiction and venue of such actions. Service of the original notice in actions against the association may be made on any officer of the association or upon the commissioner of insurance on behalf of the association. The commissioner shall promptly transmit any notice so served upon the commissioner to the association. Any action against the association shall be commenced within three years after the date of the order of liquidation.
515B.17 Timely filing of claims.
Notwithstanding any other provision of this chapter, a covered claim shall not include any claim filed with the association after twenty-four months from the date of the order of liquidation or after the final date set by the court for the filing of claims against the insolvent insurer or its receiver, whichever occurs first.

515B.18 Prohibited advertising.
A person shall not advertise or publish, in connection with the sale of an insurance policy, that claims under the insurance policy are subject to this chapter or will be paid by the Iowa insurance guaranty association.

CHAPTER 515C
MORTGAGE GUARANTY INSURANCE

515C.1 Definition.
“Mortgage guaranty insurance” means insurance against financial loss by reason of nonpayment of principal, interest and other sums agreed to be paid under the terms of any note or bond or other evidence of indebtedness secured by a mortgage, deed of trust, or other instrument constituting a lien or charge on real estate or on an owner-occupied manufactured or mobile home.

515C.2 Eligibility for insurance.
Eligibility for mortgage guaranty insurers shall be as follows:
1. An insurer, in order to qualify for writing mortgage guaranty insurance, must have the same surplus to policyholders as that required of a multiple line company by section 515.49, subsection 8.
2. An insurer transacting any class of insurance other than mortgage guaranty insurance is not eligible for the issuance of a certificate of authority to transact mortgage guaranty insurance in this state, nor the renewal thereof.
3. A foreign or alien insurer writing mortgage guaranty insurance shall not be eligible for the issuance of a certificate of authority in Iowa unless it has demonstrated a satisfactory operating experience in its state of domicile.

515C.3 Bases for computations.
The unearned premium reserve shall be computed pursuant to rules adopted by the commissioner of insurance.

515C.4 Contingency reserve.
For the protection of the people of this state and for the purpose of protecting against the effect of adverse economic cycles, the company shall establish a contingency reserve. The company shall annually contribute fifty percent of the earned premiums to this reserve. The earned premiums so reserved may be released annually after the period of time required by the commissioner, provided that said time shall not be less than one hundred twenty months. However, subject to the approval of the commissioner, this reserve may be available only for loss payments, when the loss ratio (in-
curred losses to premiums earned) exceeds twenty percent. This amount so used shall reduce the next subsequent annual release to surplus from the established contingency reserve.

[C66, 71, 73, 75, 77, 79, 81, §515C.4]

### §515C.5 Limit of outstanding liability.

A mortgage guaranty insurer shall not at any time have outstanding a total liability, net of reinsurance, in excess of twenty-five times its capital, unassigned funds and contingency reserve. It shall not insure loans secured by properties in a single housing tract or a contiguous tract (not separated by more than one-half mile) in excess of ten percent of its capital, unassigned funds and contingency reserve. Coverage may be provided only if the properties in such tract are residential buildings, buildings designed for occupancy by not more than four families, or owner-occupied mobile homes.

[C66, 71, 73, 75, 77, 79, 81, §515C.5]

### §515C.6 Determination of loss reserves.

The case basis method shall be used to determine the loss reserves, which shall include a reserve for claims reported and unpaid and a reserve for claims incurred but not reported.

[C66, 71, 73, 75, 77, 79, 81, §515C.6]

### §515C.7 Rate-making provisions.

Mortgage guaranty insurance shall be subject to the provisions of chapter 515F, for the purposes of rate making.

### §515C.8 Policy forms approved.

All policy forms and endorsements shall be filed with and be subject to the approval of the commissioner of insurance. With respect to owner-occupied single family dwellings and owner-occupied mobile homes, the mortgage insurance policy shall provide that the borrower shall not be liable to the insurance company for any deficiency arising from a foreclosure sale.

[C66, 71, 73, 75, 77, 79, 81, §515C.8]

### §515C.9 Restrictions on advertising.

No bank, savings and loan association, insurance company or other lending institution, any of whose authorized real estate securities are insured by mortgage guaranty insurance companies may state in any brochure, pamphlet, report or any form of advertising that the real estate loans of the bank, savings and loan association, insurance company or other lending institution are “insured loans” unless the brochure, pamphlet, report or advertising also clearly states that the loans are insured by private insurers and the names of the private insurers are given and shall not make any such statement at all unless such insurance is by an insurer authorized to write this coverage in this state.

[C66, 71, 73, 75, 77, 79, 81, §515C.9]

### §515C.10 Law applicable.

All companies writing insurance as authorized by this chapter shall, in addition to the provisions herein, comply with and be subject to all of the provisions of chapter 515 not inconsistent herewith.

### §515C.11 Mortgages secured by first lien on real estate.

A mortgage guaranty insurer in addition to coverage provided under section 515C.5 may insure mortgages secured by first lien upon improved real estate which is used for commercial purposes, except for those types of commercial properties specifically excluded by the commissioner of insurance.

[C71, 73, 75, 77, 79, 81, §515C.11]
515D.1 Title.
This chapter shall be known as the “Iowa Automobile Insurance Cancellation Control Act”.
[C71, 73, 75, 77, 79, 81, §515D.1]

515D.2 Definitions.
As used in this chapter, unless otherwise required by the context:
1. “Policy” means an automobile insurance policy providing bodily injury liability, property damage liability, medical payments, uninsured motorist coverage, physical damage coverage, or any combination thereof, delivered or issued for delivery in this state, insuring a single individual or one or more related individuals resident in the same household, as named insured, and insuring vehicles of the following types only:
a. Motor vehicles of the private passenger or station wagon type which are not used as public conveyances nor rented to others.
b. Any other four-wheel motor vehicles with a load capacity of one thousand five hundred pounds or less which are not used in the business or profession of the insured.
2. “Renewal” or “to renew” means the issuance and delivery by an insurer of a policy replacing at the end of the previous policy term a policy previously issued and delivered by the same insurer, or the issuance and delivery of a certificate or notice extending the coverage of the policy beyond its original term. Any renewal policy, other than a replacement policy for an unfinished term, with a term of six months or less shall be considered written, for the purposes of this chapter, for a term of six months.

Any policy written for a term longer than one year or with no fixed expiration date shall be considered written for successive policy terms of one year.
3. “Nonpayment of premium” means failure of the named insured to discharge when due any of the named insured’s obligations in connection with the payment of premiums on the policy, or any installment of a premium, whether the premium is payable directly to the insurer or its agent or indirectly under any premium finance plan or extension of credit.
[C71, 73, 75, 77, 79, 81, §515D.2]

515D.3 When not applicable.
This chapter shall not apply to any policy:

2. Covering garage, automobile sales agency, repair shop, service station, or public parking place operation hazards.
3. Insuring more than four automobiles.
4. Issued principally to cover personal or premises liability of an insured even though such insurance may also provide some incidental coverage for liability arising out of the ownership, maintenance, or use of a motor vehicle on the premises of such insured or on the ways immediately adjoining the premises.
[C71, 73, 75, 77, 79, 81, §515D.3]

515D.4 Notice of cancellation — reasons.
1. A policy shall not be canceled except by notice to the insured as provided in this chapter. Notice of cancellation of a policy is not effective unless it is based on one or more of the following reasons:
a. Nonpayment of premium.
b. Nonpayment of dues to an association or organization other than an insurance association or organization, where payment of dues is a prerequisite to obtaining or continuing insurance in force and the dues payment requirement was in effect prior to January 1, 1969.
c. Fraud or material misrepresentation affecting the policy or the presentation of a claim.
d. Violation of terms or conditions of the policy.
e. Any reason permitted in subsection 2 for exclusion of a person from the policy.
2. A person shall not be excluded from the policy unless the exclusion is based on one or more of the following reasons, or is agreed upon by both the named insured and the insurer:
a. The named insured or any operator who either resides in the same household or customarily operates an automobile insured under the policy has that person’s driver’s license suspended or revoked during the policy term or, if the policy is a renewal, during its term or the one hundred eighty days immediately preceding its effective date.
b. The named insured or any operator who either resides in the same household or customarily operates an automobile insured under the policy has during the term of the policy engaged in a competitive speed contest while operating an automobile insured under the policy.
c. The named insured or any operator who either resides in the same household or customarily operates an automobile insured under the policy, during the thirty-six months immediately preceding the notice of cancellation or nonrenewal, has been convicted of or forfeited bail for any of the following:
(1) Criminal negligence resulting in death, homicide, or assault and arising out of the operation of a motor vehicle.
(2) Operating a motor vehicle while intoxicated or while under the influence of a drug.
(3) A violation of section 321.261.
3. This section shall not apply to any policy or coverage which has been in effect less than sixty days at the time notice of cancellation is mailed or delivered by the insurer unless it is a renewal policy. This section shall not apply to the nonrenewal of a policy.
4. During the policy period, a modification of automobile physical damage coverage, other than
§515D.4, AUTOMOBILE INSURANCE CANCELLATION CONTROL

coverage for loss caused by collision, where provision is made for the application of a deductible amount not exceeding one hundred dollars, shall not be deemed a cancellation of the coverage or of the policy.

§515D.5 Delivery of notice.

1. Notwithstanding the provisions of sections 515.125 through 515.127, a notice of cancellation of a policy shall not be effective unless mailed or delivered by the insurer to the named insured at least thirty days prior to the effective date of cancellation, or, where the cancellation is for nonpayment of premium notwithstanding the provisions of sections 515.125 and 515.127, at least ten days prior to the date of cancellation. A post office department certificate of mailing to the named insured at the address shown in the policy shall be proof of receipt of such mailing. Unless the reason accompanies the notice of cancellation, the notice shall state that upon written request of the named insured, mailed or delivered to the insurer not less than fifteen days prior to the date of cancellation, the insurer will state the reason for cancellation together with notification of the right to a hearing before the commissioner within fifteen days as provided in this chapter.

When the reason does not accompany the notice of cancellation, the insurer shall, upon receipt of a timely request by the named insured, state in writing the reason for nonrenewal, along with notification of the right to a hearing before the commissioner pursuant to section 515D.10 within fifteen days of receipt of delivery of a statement of reason as provided in this section.

§515D.6 Prohibited reasons.

No insurer shall refuse to renew a policy solely because of age, residence, sex, race, color, creed, or occupation of an insured.

No insurer shall require a physical examination of a policyholder as a condition for renewal solely on the basis of age or other arbitrary reason. In the event that an insurer requires a physical examination of a policyholder, the burden of proof in establishing reasonable and sufficient grounds for such requirement shall rest with the insurer and the expenses incident to such examination shall be borne by the insurer.

§515D.7 Notice of intent.

1. Notwithstanding the provisions of sections 515.125 through 515.128, an insurer shall not fail to renew a policy except by notice to the insured as provided in this chapter. A notice of intention not to renew shall not be effective unless mailed or delivered by the insurer to the named insured at least thirty days prior to the expiration date of the policy. A post office department certificate of mailing to the named insured at the address shown in the policy shall be proof of receipt of such mailing. Unless the reason accompanies the notice of intention not to renew, the insurer shall, upon receipt of a timely request by the named insured, state in writing the reason for nonrenewal, together with notification of the right to a hearing before the commissioner within fifteen days as provided herein. A statement of reason shall be mailed or delivered to the named insured within ten days after receipt of a request.

3. This section shall not apply:

a. If the insurer has manifested its willingness to renew.

b. If the insured fails to pay any premium due or any advance premium required by the insurer for renewal.

c. If the insured is transferred from an insurer to an affiliate for future coverage as a result of a merger, acquisition, or company restructuring and if the transfer results in the same or broader coverage.

§515D.8 Duplicate coverage.

If an insured obtains a second policy which provides equal or more extensive coverage for any vehicle designated in both policies, the first policy’s coverage of such vehicle may be terminated by failure to renew as of the effective time and date of the second policy, whether or not the first policy insurer complies with all provisions of section 515D.7.

§515D.9 Renewal not a waiver or estoppel.

Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of renewal.
515D.10 Hearing before commissioner.
Any named insured who has received a statement of reason for cancellation, or of reason for an insurer’s intent not to renew a policy, may, within fifteen days of the receipt or delivery of a statement of reason, request a hearing before the commissioner of insurance. The purpose of this hearing shall be limited to establishing the existence of the proof or evidence used by the insurer in its reason for cancellation or intent not to renew. The burden of proof of the reason for cancellation or intent not to renew shall be upon the insurer. Other than the sharing of information required by this chapter and the rules adopted pursuant to the provisions of this chapter, the commissioner shall keep confidential the information obtained from the insured or in the hearing process, pursuant to section 505.8, subsection 8. The commissioner of insurance shall adopt rules for carrying out the provisions of this section.

2003 Acts, ch 91, §45

515D.11 Insured told of alternate coverage.
When automobile bodily injury and property damage liability coverage is canceled or not renewed, other than for nonpayment of premium, the insurer shall notify the named insured of the insured’s possible eligibility for automobile liability insurance through the Iowa automobile insurance plan. Such notice shall accompany the notice of cancellation or intent not to renew.

h. Its name includes the phrase “risk retention group”.

12. “State” means a state of the United States or the District of Columbia.

515E.3 Risk retention groups organized in this state.
To be organized as a risk retention group in this state, the group must be organized and licensed as a liability insurance company authorized by the insurance laws of this state. Except as provided elsewhere in this chapter, a risk retention group organized in this state must comply with all of the laws, rules, and requirements applicable to liability insurers organized in this state. Additionally, a risk retention group organized in this state must comply with section 515E.4. These requirements do not exempt risk retention groups from a duty imposed by any other law or rule of the state. Before it may offer insurance in any state, each risk retention group shall also submit for approval to the commissioner of insurance of this state a plan of operation or a feasibility study, and revisions of the plan or study, within ten days of any change. The name under which a risk retention group may be chartered and licensed shall be a brief description of its membership followed by the phrase “risk retention group” and, unless its membership consists solely of insurers, shall not include the terms “insurance”, “mutual”, “reciprocal”, or any similar term. All risk retention groups chartered in this state shall file with the division and the national association of insurance commissioners an annual statement blank prepared in accordance with instructions prescribed by the commissioner. All financial information reflected in the annual statement shall be kept and prepared in accordance with accounting practices and procedures prescribed by the commissioner. The commissioner may adopt by reference the annual statement handbook and the accounting practices and procedures manual of the national association of insurance commissioners.

A risk retention group organized in this state shall file in the office of the commissioner a power of attorney and an agreement in writing that service of process in any action or proceeding against the society may be served on the commissioner and shall be of the same legal force and validity as if served upon the society, and that the authority shall continue in force so long as any liability remains outstanding in this state. Copies of the power of attorney, certified by the commissioner, shall be deemed sufficient evidence of the appointment and shall be admitted in evidence with the same force and effect as the original.

515E.3A Foreign risk retention group may become domestic.
1. A risk retention group that is organized under the laws of any other state for the purpose of writing insurance, as authorized by this chapter, may redomesticate to this state by doing all of the following:

   a. Complying with section 490.902.
Risk retention groups not organized in this state.

Risk retention groups chartered in other states and seeking to do business as a risk retention group in this state must observe and abide by the laws of this state as provided in this section.

However, a risk retention group failing to qualify under the definitional requirement of the federal Act, will not benefit from this exemption from state law. The commissioner, therefore, may apply any of the laws that otherwise may be preempted by the federal Act because the nonexempt group will not qualify for the preemption.

1. Notice of operations and designation of commissioner as agent. Before offering insurance in this state, a risk retention group shall submit to the commissioner all of the following:

a. A statement identifying the state or states in which the risk retention group is chartered and licensed as a liability insurance company, date of chartering, its principal place of business, and other information, including information on its membership, as the commissioner of this state requires to verify that the risk retention group is qualified under section 515E.2, subsection 11.

b. A copy of its plan of operations or a feasibility study and revisions of the plan or study submitted to its state of domicile. However, the provision relating to the submission of a plan of operation or a feasibility study does not apply with respect to a line or classification of liability insurance which was defined in the Product Liability Risk Retention Act of 1981 before October 27, 1986, and was offered before that date by a risk retention group which had been organized and operating for not less than three years before that date.

c. A statement of registration which designates the commissioner as its agent for the purpose of receiving service of legal documents or process for which a filing fee set by the commissioner shall be paid.

d. The risk retention group shall submit a copy of any revision to its plan of operation or feasibility study required by section 515E.3 at the same time that such revision is submitted to the commissioner of its chartering state.

2. Financial condition. A risk retention group doing business in this state shall submit to the commissioner all of the following:

a. A copy of the group’s financial statement submitted to its state of domicile, which shall be certified by an independent public accountant and contain a statement of opinion on loss and loss adjustment expense reserves made by a member of the American academy of actuaries or a qualified loss reserve specialist under criteria established by the national association of insurance commissioners.

b. A copy of each examination of the risk retention group as certified by the commissioner or public official conducting the examination.

c. Upon request by the commissioner, a copy of any audit performed with respect to the risk retention group.

d. Information required to verify its continuing qualification as a risk retention group under section 515E.2, subsection 11.

3. Taxation.
a. Premiums paid for coverages within this state to risk retention groups are subject to taxation as provided in section 432.5.
b. To the extent agents or brokers are used, they shall report and pay the taxes for the premiums for risks which they have placed with or on behalf of a risk retention group not chartered in this state.
c. To the extent agents or brokers are not used or fail to pay the tax, each risk retention group shall pay the tax for risks insured within the state. Each risk retention group shall report all premiums paid to it for risks insured within the state.

4. Compliance with unfair claims settlement practices law. A risk retention group, its agents, and representatives, shall comply with the unfair claims settlement practices law in section 507B.4, subsection 9.

5. Deceptive, false, or fraudulent practices. A risk retention group shall comply with sections 507B.3 and 507B.4 regarding deceptive, false, or fraudulent acts or practices. However, if the commissioner seeks an injunction regarding such conduct, the injunction must be obtained from a court of competent jurisdiction.

6. Examination regarding financial condition. A risk retention group shall submit to an examination by the commissioner to determine its financial condition if the commissioner of the jurisdiction in which the group is chartered has not initiated an examination or does not initiate an examination within sixty days after a request by the commissioner of this state. Any such examination shall be coordinated to avoid unjustified repetition and conducted in an expeditious manner and in accordance with the national association of insurance commissioners’ examiner handbook.

7. Notice to purchasers. Every application form for insurance from a risk retention agency and every policy issued by a risk retention group shall contain in ten point type on the front page and the declaration page, the following notice:

NOTICE

This policy is issued by your risk retention group. Your risk retention group may not be subject to all of the insurance laws and regulations of your state. State insurance insolvency guaranty funds are not available for your risk retention group.

8. Prohibited acts regarding solicitation or sale. The following acts by a risk retention group are prohibited:
a. The solicitation or sale of insurance by a risk retention group to a person who is not eligible for membership in the group.
b. The solicitation or sale of insurance by, or operation of, a risk retention group that is in a hazardous financial condition or is financially impaired.

9. Prohibition against ownership by an insurance company. A risk retention group shall not be allowed to do business in this state if an insurance company is directly or indirectly a member or owner of the risk retention group, other than in the case of a risk retention group all of whose members are insurance companies.

10. Prohibited coverage. A risk retention group shall not offer insurance policy coverage prohibited by law or declared unlawful by the highest court of this state.

11. Delinquency proceedings. A risk retention group not chartered in this state and doing business in this state shall comply with a lawful order issued in a voluntary dissolution proceeding or in a delinquency proceeding commenced by a state insurance commissioner if there has been a finding of financial impairment after an examination under subsection 6.

515E.5 Compulsory associations.
A risk retention group shall not join or contribute financially to an insurance insolvency guaranty fund, or similar mechanism, in this state, nor shall a risk retention group, or its insureds, receive any benefit from an insurance insolvency guaranty fund, or similar mechanism, in this state, for claims arising out of the operations of the risk retention group.

515E.7 Purchasing groups exemptions.
A purchasing group which meets the criteria established under the federal Act is exempt from any law of this state relating to the creation of groups for the purchase of insurance, the prohibition of group purchasing, or any law that would discriminate against a purchasing group or its members. An insurer is exempt from any law of this state which prohibits providing, or offering to provide, to a purchasing group or its members advantages based on their loss and expense experience not afforded to other persons with respect to rates, policy forms, coverages, or other matters. A purchasing group is subject to all other applicable laws.

515E.8 Purchasing groups — requirements.
1. A purchasing group which intends to do business in this state shall, prior to doing business, furnish notice to the commissioner which notice shall include all of the following:
a. The state in which the group is domiciled and all states in which the group does or intends to do business.

3. The purchasing group shall register with and designate the commissioner as its agent solely for the purpose of receiving service of legal documents or process, for which a filing fee determined by the commissioner shall be paid, except that the requirements do not apply in the case of a purchasing group to which all of the following apply:

CHAPTER 515F
CASUALTY INSURANCE

DIVISION I
REGULATION OF RATES

515F.1 Purpose of chapter.
1. The purpose of this chapter is to promote the public welfare by regulating insurance rates so they are not excessive, inadequate, or unfairly discriminatory, and to authorize and regulate limited cooperative action among insurers in ratemaking-related activities and in other matters within the scope of this chapter. This chapter is not intended to:
   a. Prohibit or discourage reasonable competition.
   b. Prohibit or encourage, except to the extent necessary to accomplish its purpose, uniformity in rating systems, rating plans, or practices.
2. This chapter shall be liberally interpreted to carry into effect the provisions of this section.
90 Acts, ch 1234, §45

515F.2 Definitions.
1. “Advisory organization” means an entity, including its affiliates or subsidiaries, which either has two or more member insurers or is controlled either directly or indirectly by two or more insurers, and which assists insurers in ratemaking-related activities such as enumerated in sections 515F.10 and 515F.11. Two or more insurers having a common ownership or operating in this state under common management or control constitute a single insurer for purposes of this definition.
2. “Commercial risk” means any kind of risk which is not a personal risk.
3. “Developed losses” means losses (including loss adjustment expenses) adjusted, using standard actuarial techniques, to eliminate the effect of differences between current payment or reserve estimates and those needed to provide actual ultimate loss (including loss adjustment expenses) payments.
4. “Expenses” means that portion of a rate attributable to acquisition, field supervision, collection expenses, general expenses, taxes, licenses, and fees.
5. “Joint underwriting” means a voluntary arrangement established on an ad hoc basis to provide insurance coverage for a commercial risk pursuant to which two or more insurers jointly con-
tract with the insured at a price and under policy terms agreed upon between the insurers.

6. “Loss trending” means a procedure for projecting developed losses to the average date of loss for the period during which the policies are to be effective.

7. “Personal risk” means insurance covering homeowners, tenants, private passenger nonfleet automobiles, and mobile homes, and other property and casualty insurance for personal, family, or household needs.

8. “Pool” means a voluntary arrangement, established on an ongoing basis, pursuant to which two or more insurers participate in the sharing of risks on a predetermined basis. The pool may operate through an association, syndicate, or other pooling agreement.

9. “Prospective loss costs” means that portion of a rate that does not include provisions for expenses (other than loss adjustment expenses) or profit, and is based on historical aggregate losses and loss adjustment expenses adjusted through development to their ultimate value and projected through trending to a future point in time.

10. “Rate” means the cost of insurance per exposure unit whether expressed as a single number or as a prospective loss cost with an adjustment to account for the treatment of expenses, profit, and individual insurer variation in loss experience, prior to any application of individual risk variations based on loss or expense considerations, and does not include minimum premium.

11. “Residual market mechanism” means an arrangement, either voluntary or mandated by law, involving participation by insurers in the equitable apportionment among them of insurance which may be offered to applicants who are unable to obtain insurance through ordinary methods.

12. “Supplementary rating information” includes a manual or plan of rates, classification, rating schedule, minimum premium, policy fee, rating rule, underwriting rule, statistical plan, and any other similar information needed to determine the applicable rate in effect or to be in effect.

13. “Supporting information” means the experience and judgment of the filer and the experience or data of other insurers or advisory organizations relied upon by the filer, the interpretation of any other data relied upon by the filer, descriptions of methods used in making the rates, and any other information required by the commissioner to be filed.

§515F.3 Scope of chapter.
This chapter applies to all forms of casualty insurance, including fidelity, surety, and guaranty bonds, including but not limited to all forms of fire and inland marine insurance, and to any combination of any of the foregoing, on risks or operations located in this state.

Except as otherwise provided in specific divisions of this chapter, this chapter does not apply to:

1. Reinsurance, other than statutorily authorized joint reinsurance mechanisms to the extent stated in section 515F.13.
2. Accident and health insurance.
3. Insurance of vessels or craft, their cargoes, marine builders’ risks, marine protection and indemnity, or other risks commonly insured under marine, excluding inland marine insurance, as determined by the commissioner.
4. Workers’ compensation insurance.
5. Surplus lines insurance.
6. Insurance written by a county or state mutual insurance association as provided in chapter 518 or 518A.

§515F.4 Rate standards.
Rates shall be made in accordance with the following:

1. Rates shall not be excessive, inadequate, or unfairly discriminatory.
2. Due consideration may be given to past and prospective loss experience within and outside this state; to the conflagration and catastrophe hazards; to a reasonable margin for profit and contingencies; to dividends, savings, or unabsorbed premium deposits allowed or returned by insurers to their policyholders, members, or subscribers; to past and prospective expenses both within and outside this state; and to all other relevant factors within and outside this state; and in the case of fire insurance rates, consideration shall be given to the experience of the fire insurance business during a period of not less than the most recent five-year period for which experience data is available.
3. Risks may be grouped by classifications for the establishment of rates and minimum premiums. Classification rates may be modified to produce rates for individual risks in accordance with rating plans which establish standards for measuring variations in hazards or expense provisions, or both. Standards may measure any differences among risks that can be demonstrated to have a probable effect upon losses or expenses. A risk classification, however, shall not be based upon race, creed, national origin, or the religion of the insured.
4. The expense provisions included in the rates to be used by an insurer shall reflect to the extent possible the operating methods of the insurer and its anticipated expenses.
5. The rates may contain a provision for contingencies and an allowance permitting a reasonable profit. In determining the reasonableness of
the profit, consideration shall be given to investment income attributable to unearned premium and loss reserves.

90 Acts, ch 1234, §48; 2006 Acts, ch 1117, §73

515F.4A Reasonableness of benefits in relation to premium charged.

Benefits provided by credit personal property insurance shall be reasonable in relation to the premium charged. This requirement is satisfied if the premium rate charged develops or may reasonably be expected to develop a loss ratio of not less than fifty percent or such lower loss ratio as designated by the commissioner to afford a reasonable allowance for actual and expected loss experience including a reasonable catastrophe provision, general and administrative expenses, reasonable acquisition expenses, reasonable creditor compensation, investment income, premium taxes, licenses, fees, assessments, and reasonable insurer profit.

2001 Acts, ch 69, §34, 39

515F.5 Rate filings.

1. An insurer shall file with the commissioner, except as to inland marine risks which are not written according to manual rates or rating plans, every manual, minimum premium, class rate, rating schedule, rating plan, and every other rating rule, and every modification of any of the foregoing which it proposes to use. A filing shall state its proposed effective date, and shall indicate the character and extent of the coverage contemplated.

An insurer shall file or incorporate by reference to material which has been approved by the commissioner, at the same time as the filing of the rate, all supplementary rating and supporting information to be used in support of or in conjunction with a rate. The information furnished in support of a filing may include or consist of a reference to any of the following:

a. The experience or judgment of the insurer or rating information filed by the advisory organization on behalf of the insurer as permitted by section 515F.11.

b. An interpretation of any statistical data the insurer relies upon.

c. The experience of other insurers or rating advisory organizations.

d. Any other relevant factors. A filing and any supporting information shall be open to public inspection after the filing becomes effective.

When a filing is not accompanied by the information upon which the insurer supports the filing, the commissioner may require the insurer to furnish the supporting information and the waiting period commences on the date the information is furnished. Until the required information is furnished, the filing shall not be deemed complete or filed or available for use by the insurer. If the requested information is not furnished within a reasonable time period, the filing may be returned to the insurer as not filed and not available for use.

After reviewing an insurer’s filing, the commissioner may require that the insurer’s rates be based upon the insurer’s own loss and expense information. If an insurer’s loss or allocated loss adjustment expense information is not actuarially credible, as determined by the commissioner, the insurer may supplement its experience with information filed with the commissioner by an advisory organization.

Insurers using the services of an advisory organization shall, at the request of the commissioner, provide with a rate filing, a description of the rationale for that use, including its own information and method of using the advisory organization’s information.

2. The commissioner shall review filings as soon as reasonably possible after they have been made in order to determine whether they meet the requirements of this chapter.

3. Subject to the exception in subsection 4, a filing shall be on file for a waiting period of thirty days before it becomes effective, which period may be extended by the commissioner for an additional period not to exceed fifteen days if written notice is given within the waiting period to the insurer or advisory organization which made the filing that additional time is needed for the consideration of the filing. Upon written application by the insurer, the commissioner may authorize a filing which has been reviewed to become effective before the expiration of the waiting period or an extension of the waiting period. A filing is deemed to meet the requirements of this chapter unless disapproved by the commissioner within the waiting period or an extension of the waiting period.

4. Under rules adopted under chapter 17A, the commissioner may, by written order, suspend or modify the requirement of filing as to any kind of insurance, or subdivision or combination of insurance, or as to classes of risks, which are unnecessary to achieve the purposes of this chapter and the rates for which cannot practically be filed before they are used. The commissioner may make an examination as the commissioner deems advisable to ascertain whether rates affected by the order meet the standards set forth in section 515F.4.

5. Upon the written application of the insured stating the insured’s reasons, filed with and approved by the commissioner, a rate in excess of that provided by a filing otherwise applicable may be used on a specific risk.

6. An insurer shall not make or issue a contract or policy except in accordance with the filings which have been approved and are in effect for the insurer as provided in this chapter. This subsection does not apply to contracts or policies for inland marine risks as to which filings are not required.
§515F.5A Collateral insurance and forced placement.
1. The commissioner shall review all collateral insurance forms and rates to assure that the rates are not excessive in comparison to the benefits provided to consumers.
2. The commissioner may adopt by rule procedures and restrictions to protect consumers from abusive practices in forced placement or collateral insurance. Rules may include, but are not limited to, the following:
   a. Notice requirements, to assure that consumers have an opportunity to exercise reasonable choice in the placement, of a collateral insurance policy.
   b. A prohibition or limitation on the receipt of a sales commission or other fee by the person making a forced placement, or the person's employer.
3. For purposes of this section, unless the context otherwise requires:
   a. "Collateral insurance" means an insurance policy solely or primarily intended to provide security for a loan or to insure collateral for a loan.
   b. "Forced placement" means the purchase of an insurance policy by a third person when the law or a contract obligates another person to pay the insurance premium.
92 Acts, ch 1162, §13

§515F.6 Disapproval of filings.
1. If, within the waiting period or any extension of it as provided in section 515F.5, subsection 3, the commissioner finds that a filing does not meet the requirements of this chapter, written notice of disapproval shall be sent to the insurer or advisory organization which made the filing, specifying in what respects the filing fails to meet the requirements of this chapter and stating that the filing shall not become effective. If a filing is disapproved by the commissioner, the insurer or advisory organization may request a hearing on the disapproval within thirty days. The insurer bears the burden of proving compliance with the standards established by this chapter.
2. If, at any time after a rate has been approved, the commissioner finds that the rate no longer meets the requirements of this chapter, the commissioner may order the discontinuance of use of the rate. The order of discontinuance may be issued only after a hearing with at least ten days' prior notice for all insurers affected by the order. The order must be in writing and state the grounds for the order. The order shall state when, within a reasonable period after the order is issued, the order of discontinuance shall be effective. The order shall not affect a contract or policy made or issued prior to the expiration of the period set forth in the order.
3. An insured which is aggrieved with respect to a filing which is in effect may make written application to the commissioner for a hearing on that filing. The application shall specify the grounds to be relied upon by the applicant. If the commissioner finds that the application is made in good faith, that the applicant would be so aggrieved if the applicant's grounds are established, and that the grounds otherwise justify holding a hearing, a hearing shall be held within thirty days after receipt of the application, upon not less than ten days' written notice to the applicant and to every insurer and advisory organization which made that filing.
   If, after hearing, the commissioner finds that the filing does not meet the requirements of this chapter, the commissioner shall issue an order specifying in what respects the filing fails to meet the requirements of this chapter, and stating when, within a reasonable period after the order is issued, the filing shall no longer be in effect. Copies of the order shall be sent to the applicant and to every insurer and advisory organization which made that filing. The order shall not affect a contract or policy made or issued prior to the expiration of the period set forth in the order.

§515F.7 Information to be furnished insureds — hearings and appeals of insureds.

An insurer shall provide within this state reasonable means for the insured aggrieved by the application of its rating system to be heard, in person or by the insured's authorized representative, on written request to review the manner in which the rating system has been applied in connection with the insurance afforded the insured. If the insurer fails to grant or reject a request for hearing and review within thirty days after it is made, the applicant may proceed in the same manner as if the application had been rejected. The insured affected by the action of the insurer on a request may, within thirty days after written notice of the action, appeal to the commissioner, who, after a hearing held upon not less than ten days' written notice to the appellant and to the insurer, may affirm or reverse the action.

§515F.8 Licensing advisory organizations.

2. Availability of services. An advisory organization shall not refuse to supply any services for which it is licensed in this state to an insurer authorized to do business in this state and offering to pay the fair and usual compensation for the services.

3. Licensing. An advisory organization applying for a license shall include with its application all of the following:

   a. Application. A copy of its constitution, charter, articles of organization, agreement, association, or incorporation, and a copy of its bylaws, plan of operation, and any other rules or regulations governing the conduct of its business.
   
   b. Change of circumstances. An advisory organization which has applied for a license shall notify the commissioner of every material change in the facts or in the documents on which its application was based. An amendment to a document filed under this section shall be filed at least thirty days before it becomes effective.
   
   c. Granting of license. If the commissioner finds that the applicant and the natural persons through whom it acts are competent, trustworthy, and technically qualified to provide the services proposed, and that all requirements of the law are met, the commissioner shall issue a license specifying the authorized activity of the applicant. The commissioner shall not issue a license if the proposed activity would tend to create a monopoly or to substantially lessen the competition in any market.
   
   d. Duration. A license issued under this section shall remain in effect for one year unless the license is suspended or revoked. The commissioner may, at any time after hearing, revoke or suspend the license of an advisory organization which does not comply with the requirements and standards of this chapter.

The fact that two or more insurers, whether or not members or subscribers of an advisory organization, use consistently or intermittently, the same rates, rating plans, rating schedules, rating rules, policy or bond forms, rate classifications, rate territories, underwriting rules, surveys or inspections or similar materials is not sufficient in itself to support a finding that an agreement exists.

   b. Two or more insurers having a common ownership or operating in this state under common management or control may act in concert between or among themselves with respect to any matters pertaining to those activities authorized in this chapter as if they constituted a single insurer.

3. An insurer or advisory organization shall not make an arrangement with any other insurer, advisory organization, or other person which has the purpose or effect of restraining trade unreasonably or of substantially lessening competition in the business of insurance.

   c. A pool shall file with the commissioner a copy of its constitution; its articles of incorporation, agreement, or association; its bylaws, rules, and regulations governing its activities; its members; the name and address of a resident of this state upon whom notices or orders of the commissioner or process may be served; and any changes in amendments or changes in the foregoing.

The commissioner may adopt reasonable rules and statistical plans, which shall then be used by each insurer in the recording and reporting of its loss and expense experience, in order that the experience of all insurers may be made available at least annually in the form and detail necessary to aid the commissioner in determining whether rating systems comply with the standards set forth in section 515F.4. The civil penalties may be in addition to any other penalty provided by law.

For purposes of this section, an insurer using a rate for which the insurer has failed to file the rate, supplementary rate information, underwriting rules or guides, or supporting information as required by this chapter, has committed a separate violation for each day the failure continues.

The commissioner may suspend or revoke the license of an advisory organization or insurer which fails to comply with an order of the commissioner within the time limit set by the order, or an extension of the order.

The commissioner may determine when a suspension of license becomes effective and it shall remain in effect for the period fixed by the commissioner, unless the commissioner modifies or rescinds the suspension, or until the order upon which the suspension is based is modified, rescinded, or reversed.

A penalty shall not be imposed and a license shall not be suspended or revoked except upon a written order of the commissioner stating the commissioner’s findings, made after hearing.

DIVISION II
RATE FILINGS IN COMPETITIVE MARKETS

515F.20 Definitions.

As used in sections 515F.21 through 515F.25 unless the context otherwise requires:

1. “Competitive market” means a market for which an order is in effect pursuant to section
515F.22 that a reasonable degree of competition does exist.
2. “Market” means the interaction between buyers and sellers consisting of a product market component and a geographic market component. A product market component consists of identical or readily substitutable products including, but not limited to, consideration of coverage, policy terms, rate classifications, and underwriting. A geographic component is a geographical area in which buyers have a reasonable degree of access to the insurance product through sales outlets or other marketing mechanisms.
3. “Noncompetitive market” means a market which has not been found to be competitive pursuant to section 515F.22.

515F.21 Scope of application.
Section 515F.20 and sections 515F.22 through 515F.25 apply to all forms of casualty insurance except joint underwriting and joint reinsurance, assigned risks, and those excluded by section 515F.3.

515F.22 Competitive market.
1. A noncompetitive market is presumed to exist unless the commissioner determines after a hearing that a reasonable degree of competition exists in the market and the commissioner issues an order to that effect. Such an order shall not become effective until sixty days after the date of the order and shall expire not later than one year thereafter unless the commissioner renews the order. Any affected insurer or insured may petition for a hearing on the renewal of an order relating to competitive status.
2. In determining whether a reasonable degree of competition exists, the commissioner shall consider relevant factors of workable competition pertaining to the market structure, market performance, and market conduct, and the practical opportunities available to consumers in the market to obtain pricing and other consumer information and to compare and obtain insurance from competing insurers. Such factors may include, but are not limited to, the following:
   a. The size and number of insurers actually engaged in the market.
   b. The profitability for insurers generally in the market segment and whether that profitability is unreasonably high.
   c. The price variance on premiums offered in the market.
   d. The availability of consumer information concerning the product and sales outlets or other sales mechanisms.
   e. The efforts of insurers to provide consumer information.
   f. Consumer complaints regarding the market generally.
3. In a competitive market, every insurer shall file with the commissioner all rates and supplementary rate information which are used in this state. The rates and supplementary rate information shall be filed not later than fifteen days after the effective date of the rates.
4. In a competitive market, if the commissioner finds that an insurer’s rates require closer supervision because of the insurer’s financial condition or unfairly discriminatory rating practices, the insurer shall file with the commissioner at least thirty days prior to the effective date of the rates all the rates and supplementary rate information and supporting information as prescribed by the commissioner. Upon application by the insurer, the commissioner may authorize an earlier effective date.

515F.23 Noncompetitive market.
Unless the commissioner has determined a market to be competitive, the provisions of sections 515F.1 through 515F.19 apply.

515F.24 Filing of rates in a competitive market.
1. Subject to the inland marine exception specified in section 515F.5, subsection 1, a competitive filing shall become effective when filed and shall be deemed to meet the requirements of section 515F.4 as long as the filing remains in effect unless it is disapproved upon review by the commissioner.
2. In a competitive market, every insurer shall file with the commissioner all rates and supplementary rate information which are used in this state. The rates and supplementary rate information shall be filed not later than fifteen days after the effective date of the rates.
3. In a competitive market, if the commissioner finds that an insurer’s rates require closer supervision because of the insurer’s financial condition or unfairly discriminatory rating practices, the insurer shall file with the commissioner at least thirty days prior to the effective date of the rates all the rates and supplementary rate information and supporting information as prescribed by the commissioner. Upon application by the insurer, the commissioner may authorize an earlier effective date.

515F.25 Disapproval of a rate filing in a competitive market.
1. If the commissioner believes that an insurer’s rate filing in a competitive market violates the requirements of sections 515F.4 and 515F.5, the commissioner may require the insurer to file supporting information. If after reviewing the supporting information the commissioner continues to believe that the filing violates sections 515F.4 and 515F.5, the commissioner shall notify the in-
surer of the insurer's right to petition for a hearing on any subsequent order relating to the filing.

2. The commissioner may disapprove prefiled rates that have not become effective. However, the commissioner shall notify the insurer whose rates have been disapproved of the insurer's right to petition for a hearing on the disapproval within thirty days after the disapproval.

3. If the commissioner disapproves a filing in a competitive market, the commissioner shall issue an order specifying the reasons the filing fails to meet the requirements of sections 515F.4 and 515F.5. For rates in effect at the time of disapproval, the commissioner shall inform the insurer within a reasonable period of time the date when further use of the rates for policies or contracts of insurance is prohibited. The order shall be issued within thirty days of disapproval, or within thirty days of a hearing on the disapproval if a hearing is held. The order may include a provision for premium adjustment for the period after the effective date of the order for policies or contracts in effect on the date of the order.

4. Whenever an insurer has filed no legally effective rates as a result of the commissioner's disapproval of a filing, the commissioner shall request of the insurer work with the insurer to develop interim rates for the insurer that are sufficient to protect the interest of all parties and the commissioner may order that a specified portion of the premium be placed in an escrow account approved by the commissioner. When new rates become legally effective, the commissioner shall order the escrowed funds or any overcharge in the interim rates to be distributed appropriately. The commissioner may waive distribution if the commissioner determines that the amount involved would not warrant such action.

515G.15 Duties of secretary of state.
515G.1 Definitions.
As used in this chapter, unless the context clearly requires otherwise:
1. “Affiliate” of a mutual insurer means a person who controls, is controlled by, or is under common control with, the mutual insurer being converted.
2. “Control” has the meaning assigned to it in section 521A.1, subsection 3.
3. “Eligible policyholder” means a policyholder who had a policy in force with a mutual insurer at any time during the three-year period immediately preceding the date of the adoption of a plan of conversion by the mutual insurer’s board of directors, including the date of adoption of the plan of conversion, and who, therefore, is eligible to receive an equitable share of the remaining statutory surplus of the mutual insurer, after provision for the base value for voting policyholders, as a result of the conversion.
4. “Holder of a surplus note agreement” means the holder of a guaranty fund or contribution certificate issued pursuant to section 515.20 or its equivalent which has been approved by the commissioner of insurance.
5. “Mutual insurer” means a domestic mutual property and casualty insurance company organized and licensed under chapter 515.
6. “Voting policyholder” means a policyholder who had a policy in force as provided in section 515G.4.

515G.2 Mutual insurer becoming stock company — authorization.
1. A mutual insurer may become a stock insurance company pursuant to a plan of conversion established and approved in the manner provided by this chapter. The plan of conversion shall be adopted by the board of directors of the insurer to become effective on a future stated date.
2. A plan of conversion may provide that a mutual insurance company may convert into a domestic stock insurance company, convert and merge, or convert and consolidate with a domestic stock insurance company, as provided in chapter 490 or chapter 491, whichever is applicable. However, a mutual insurance company is not required to comply with sections 490.1102 and 490.1104 or sections 491.102 through 491.105 relating to approval of merger or consolidation plans by boards of directors and shareholders.
3. If conversion from a mutual insurer to a stock company is to be undertaken by a transaction which would be governed by chapter 521 or 521A, but the plan of conversion adopted by the board of directors of the insurer includes approval of an acquisition of control, merger, consolidation, or reinsurance, then chapter 521 or 521A shall not be applicable to the transaction. However, in that case, the commissioner may require any information from the person or persons acquiring control of the insurer as could be required under chapter 521 or 521A, and may disapprove the transaction on any basis on which it could be disapproved under chapter 521 or 521A.

515G.3 Plan of conversion.
A plan of conversion shall include all of the following:
1. The proposed articles of incorporation and bylaws of the mutual insurer as a stock company.
2. The manner of treating a holder of a surplus note agreement, if any. The holder of a surplus note agreement, if otherwise qualified, may, at its option, exchange the agreement for an equitable share of the securities or other consideration, or both, of the corporation into which the insurer is to be converted.
3. The manner and basis of exchanging the rights of each voting policyholder and each eligible policyholder of the mutual insurer to be converted to a stock company pursuant to this chapter. Such exchange may include a base value for each voting policyholder in recognition of the voting policyholder’s voting rights as a mutual policyholder as well as consideration to be provided to each eligible policyholder in exchange for the eligible policyholder’s rights as a mutual policyholder of the mutual insurer to be converted. After determining the base value to be provided to each voting policyholder in recognition of the voting rights of the voting policyholder, the equitable share of each eligible policyholder in the remaining statutory surplus of the mutual insurer, plus any adjustments for nonadmitted assets or additional value permitted by the commissioner, to be provided to each eligible policyholder shall be determined by the ratio which the net earned premiums the eligible policyholder has properly and timely paid to the mutual insurer on insurance policies in effect during the three-year period immediately preceding the adoption of the plan of conversion, including the date of the adoption of the plan of conversion, bears to the total net earned premiums received by the mutual insurer from all eligible policyholders during that three-year period. The base value to be provided to each voting policyholder in recognition of voting rights and the equitable share of each eligible policyholder may be exchanged, without additional payment, for securities or other consideration, or both, of the stock corporation or an affiliate into which the mutual insurer is to be converted. If the base value for each voting policyholder or the equitable share of each eligible policyholder entitles the policyholder to the purchase of a fractional share of stock, the policyholder has the option to receive the value of the fractional share in cash or purchase a full share by paying the balance in cash. missioner, need not be offered the value of the fractional share or the option to purchase a full share. The plan shall also provide for the disposition of any unclaimed shares.

4. The number of voting common shares proposed to be authorized for the stock corporation, their par value, and the price at which they shall be offered.

A plan of conversion for an insurer organized on the mutual plan under chapter 491, shall also provide for conversion to a stock company as follows: the insurer organized on the mutual plan under chapter 491 shall amend its articles pursuant to chapter 491 as necessary to become a stock company, and shall immediately convert to a chapter 490 corporation as provided in section 490.1701 upon becoming a stock company.

§515G.4 Policyholders — voting rights.

The policyholders who are entitled to notice of and to vote upon approval of a plan of conversion and entitled to notice of a public hearing are the policyholders whose policies are in force on the date of the adoption of the plan by the board of directors.

90 Acts, ch 1083, §4

§515G.5 Appointment of consultant.

A plan may provide for the appointment by the mutual insurer of a person as defined in section 4.1, subsection 20, who is qualified to act as a consultant. The appointment of the consultant shall be reviewed by the commissioner and unless the commissioner finds the consultant unqualified, the consultant shall carry out the duties required by the mutual insurer and this chapter.

The consultant may assist in determining the equity or value of the policyholders and the mutual insurer. The consultant may consider the value of the consideration to be given to the participating policyholders in exchange for their membership interests or into which the membership interest is to be converted and may consider any valuations necessary to carry out the plans provided for in section 515G.3. Valuations shall be made taking into account the latest filed annual statement of the mutual insurer and any significant developments occurring subsequent to the date of the statement.

The findings of the consultant may be modified by the mutual insurer at any time so long as the results are not unfair or inequitable to policyholders.

If it can be shown by the mutual insurer to the commissioner that an underwriter of the shares is a qualified person, the underwriter may be appointed as the consultant.

90 Acts, ch 1083, §5

§515G.6 Approval of plan by policyholders — notice of election — effective date.

After the plan has been approved by the commissioner as provided in section 515G.7, the plan of conversion shall be submitted to and shall not take effect until approved by two-thirds of the policyholders of the mutual insurer voting on the plan or such greater vote, if any, as is required by the articles of incorporation or bylaws of the mutual insurer. Notice of a meeting for the purpose of voting on the conversion plan shall be provided by mail to each policyholder entitled to vote in accordance with notice provisions in the articles of incorporation or bylaws of the mutual insurer. Each policyholder entitled to vote may cast one vote unless otherwise provided in the articles of incorporation or bylaws of the mutual insurer. Voting shall be by ballot, in person, or by proxy. A quorum consists of a quorum as defined in the articles of incorporation or bylaws of the mutual insurer. A copy of the plan of conversion, or a summary of the plan of conversion, shall accompany the notice of meeting and election. An approved plan of conversion shall take effect on the date specified in the plan.

90 Acts, ch 1083, §6

§515G.7 Review of plan by commissioner — hearing authorized — approval.

The commissioner of insurance shall review the plan. The commissioner shall approve the plan if the commissioner finds the plan complies with all provisions of law, the plan is fair and equitable to the mutual insurer and its policyholders, and that the reorganized company will have the amount of capital and surplus deemed by the commissioner to be reasonably necessary for its future solvency. The commissioner may order a hearing on the fairness and equity of the terms of the plan after giving written notice of the hearing to the mutual insurer, and its policyholders, all of whom have the right to appear at the hearing.

90 Acts, ch 1083, §7; 2000 Acts, ch 1023, §33

§515G.8 Payment of fees, salaries, and costs.

A director, officer, agent, or employee of the mutual insurer shall not receive a fee, commission, or other valuable consideration, other than regular salary and compensation, for aiding, promoting, or assisting in the conversion except as set forth in the plan approved by the commissioner. However, this section does not prohibit the payment of reasonable fees and compensation to a consultant, attorneys at law, accountants, actuaries, or other persons specifically employed for services performed in the practice of their professions while completing the plan of conversion, even if these persons are directors of the mutual insurer.

90 Acts, ch 1083, §8
§515G.9 Act of conversion — continuation of company.
When the commissioner and the policyholders approve the conversion plan as provided in this chapter, the commissioner shall issue a new certificate of authority to the successor stock company effective on the date specified in the plan. The successor stock company is a continuation of the mutual insurer and the conversion does not annul or modify any of the mutual insurer's existing suits, contracts, or liabilities except as provided in the approved conversion plan. All rights, franchises, and interests of the mutual insurer in and to property, assets, and other interests shall be transferred to and shall vest in the successor stock company and the successor stock company shall assume all obligations and liabilities of the mutual insurer.

The successor stock company shall exercise all rights and powers and perform all duties conferred or imposed by law on insurance companies writing the classes of insurance written by it, and shall retain the rights and contracts existing before conversion, subject to provisions of the plan.
90 Acts, ch 1083, §9

§515G.10 Continuation of officers.

90 Acts, ch 1083, §11

§515G.12 Amendments — withdrawal.
At any time before approval of the plan of conversion and pursuant to rules issued by the commissioner, the board of directors of a mutual insurer may amend the conversion plan. The board of directors of a mutual insurer may withdraw the plan of conversion at any time prior to the approval of the plan of conversion by either the commissioner or the policyholders.
90 Acts, ch 1083, §12

Prior to and for a period of five years following the effective date of the conversion, and five years following the date of distribution of consideration to the policyholders in exchange for their membership interests, an officer or director, including family members and their spouses, of the mutual insurer or the successor stock company, shall not directly or indirectly offer to acquire or acquire control of the successor stock company unless the acquisition is made pursuant to a stock option or other plan approved by the commissioner, made pursuant to the plan of conversion, or made after the initial public offering from a broker or dealer of registered securities with the securities and exchange commission at the quoted price on the date of purchase, or made in connection with the defense against an acquisition of control of the reorganized company pursuant to any proposal not approved by the board of directors. As used in this section, "family member" includes a brother, sister, spouse, parent, grandparent, ancestor, or descendant of the officer or director.
90 Acts, ch 1083, §13

§515G.14 Limitation of actions — security for attorney fees.
An action challenging the validity of a conversion plan, or any part of a conversion plan, shall not be commenced more than thirty days following the date of approval by the commissioner, unless an application for rehearing is filed pursuant to section 17A.16, subsection 2. If an application for rehearing is filed, then such action must be filed within thirty days after that application is denied or deemed denied or, if the application is granted, within thirty days after the issuance of the commissioner’s final decision on rehearing.

The successor stock company or any defendant may require the plaintiff in such an action to give security for the reasonable attorney fees which may be incurred by any party to the action. The amount of the security may be increased or decreased in the discretion of the court having jurisdiction if a showing is made that the security provided is or may become inadequate or excessive.

2. Actuarial opinion summary. a. Every property and casualty insurance company domiciled in this state that is required to submit a statement of actuarial opinion shall annually submit an actuarial opinion summary, prepared and signed by the company’s appointed actuary. b. If an insurance company fails to provide a supporting actuarial report and work papers as requested by the commissioner or the commissioner determines that the actuarial report or work papers provided are unacceptable, the commissioner may engage a qualified actuary at the company’s expense to review the statement of actuarial opinion and the basis for the opinion and to prepare a supporting actuarial report or work papers.

4. An appointed actuary shall not be liable for damages to any person, except the company and the insurance commissioner, for any act, error, omission, decision, or misconduct of the appointed actuary in conducting the actuary’s duties pursuant to this section except in cases of fraud or willful misconduct on the part of the appointed actuary.

CHAPTER 516
LIABILITY POLICIES — UNSATISFIED JUDGMENTS

516.1 Inurement of policy.
All policies insuring the legal liability of the insured, issued in this state by any company, association or reciprocal exchange shall, notwithstanding any other provision of the statutes, contain a provision providing that, in event an execution against the insured is returned unsatisfied in an action by a person who is injured or whose property is damaged, the judgment creditor shall have a right of action against the insurer to the same extent that such insured could have enforced the insured’s claim against such insurer had such insured paid such judgment.

516.2 Settlement.
No settlement between said insurer and insured, after loss, shall bar said action unless consented to by said judgment plaintiff.

516.3 Limitation on action.
Said action may be brought against said insurer within one hundred eighty days from the entry of judgment in case no appeal is taken, and, in case of appeal, within one hundred eighty days after the judgment is affirmed on appeal, anything in the policy or statutes to the contrary notwithstanding.

CHAPTER 516A
UNINSURED, UNDERINSURED, OR HIT-AND-RUN MOTORISTS

516A.1 Coverage included in every liability policy — rejection by insured.

516A.2 Construction — minimum coverage — stacking.

516A.3 Definition.

516A.4 Insurer making payment — reimbursement.

516A.5 Tolling of statute.

516A.1 Coverage included in every liability policy — rejection by insured.
No automobile liability or motor vehicle liability insurance policy insuring against liability for bodily injury or death arising out of the ownership, maintenance, or use of a motor vehicle shall be delivered or issued for delivery in this state with respect to any motor vehicle registered or principally garaged in this state, unless coverage is provided in such policy or supplemental thereto, for the protection of persons insured under such policy who are legally entitled to recover damages from the owner or operator of an uninsured motor vehicle or a hit-and-run motor vehicle or an underinsured motor vehicle because of bodily injury, sickness, or disease, including death resulting therefrom, caused by accident and arising out of the ownership, maintenance, or use of such uninsured or underinsured motor vehicle, or arising out of physical contact of such hit-and-run motor vehicle with the person insured or with a motor vehicle which the person insured is occupying at the time of the accident. Both the uninsured motor vehicle or hit-and-run motor vehicle coverage, and the underinsured motor vehicle coverage shall include limits for bodily injury or death at least equal to those stated in section 321A.1, subsection 11. The form and provisions of such coverage shall be examined and approved by the commissioner of insurance.

However, the named insured may reject all of such coverage, or reject the uninsured motor vehicle (hit-and-run motor vehicle) coverage, or reject the underinsured motor vehicle coverage, by writ-
§516A.1, UNINSURED, UNDERINSURED, OR HIT-AND-RUN MOTORISTS

516A.1 Uninsured, underinsured, or hit-and-run motorists.

1. Except with respect to a policy containing both underinsured motor vehicle and uninsured or hit-and-run motor vehicle coverage, nothing contained in this chapter shall be construed as requiring forms of coverage provided pursuant hereto, whether alone or in combination with similar coverage afforded under other automobile liability or motor vehicle liability policies, to afford limits in excess of those that would be afforded had the insured thereunder been involved in an accident with a motorist who was insured under a policy of liability insurance with the minimum limits for bodily injury or death prescribed in subsection 11 of section 321A.1. Such forms of coverage may include terms, exclusions, limitations, conditions, and offsets which are designed to avoid duplication of insurance or other benefits.

2. Pursuant to chapter 17A, the commissioner of insurance shall, by January 1, 1992, adopt rules to assure the availability, within the state, of motor vehicle insurance policies, riders, endorsements, or other similar forms of coverage, the terms of which shall provide for the stacking of uninsured and underinsured coverages with any similar coverage which may be available to an insured.

3. It is the intent of the general assembly that when more than one motor vehicle insurance policy is purchased by or on behalf of an insured and which provides uninsured, underinsured, or hit-and-run motor vehicle coverage to an insured in an accident, the injured insured is entitled to recover up to an amount equal to the highest single limit for uninsured, underinsured, or hit-and-run motor vehicle coverage under any one of the above described motor vehicle insurance policies insuring the injured person which amount shall be paid by the insurers according to any priority of coverage provisions contained in the policies insuring the injured person.

516A.2 Construction — minimum coverage — stacking.

1. Except with respect to a policy containing both underinsured motor vehicle and uninsured or hit-and-run motor vehicle coverage, nothing contained in this chapter shall be construed as requiring forms of coverage provided pursuant hereto, whether alone or in combination with similar coverage afforded under other automobile liability or motor vehicle liability policies, to afford limits in excess of those that would be afforded had the insured thereunder been involved in an accident with a motorist who was insured under a policy of liability insurance with the minimum limits for bodily injury or death prescribed in subsection 11 of section 321A.1. Such forms of coverage may include terms, exclusions, limitations, conditions, and offsets which are designed to avoid duplication of insurance or other benefits.

To the extent that Hernandez v. Farmers Insurance Company, 460 N.W.2d 842 (Iowa 1990), provided for interpolicy stacking of uninsured or underinsured coverages in contravention of specific contract or policy language, the general assembly declares such decision abrogated and declares that the enforcement of the antistacking provisions contained in a motor vehicle insurance policy does not frustrate the protection given to an insured under section 516A.1.

2. Pursuant to chapter 17A, the commissioner of insurance shall, by January 1, 1992, adopt rules to assure the availability, within the state, of motor vehicle insurance policies, riders, endorsements, or other similar forms of coverage, the terms of which shall provide for the stacking of uninsured and underinsured coverages with any similar coverage which may be available to an insured.

3. It is the intent of the general assembly that when more than one motor vehicle insurance policy is purchased by or on behalf of an insured and which provides uninsured, underinsured, or hit-and-run motor vehicle coverage to an insured in an accident, the injured insured is entitled to recover up to an amount equal to the highest single limit for uninsured, underinsured, or hit-and-run motor vehicle coverage under any one of the above described motor vehicle insurance policies insuring the injured person which amount shall be paid by the insurers according to any priority of coverage provisions contained in the policies insuring the injured person.

516A.3 Definition.

For the purpose of this chapter, the term "uninsured motor vehicle" shall, subject to the terms and conditions of the coverage herein required, be deemed to include an insured motor vehicle with respect to which insolvency proceedings have been instituted against the liability insurer thereof by the insurance regulatory official of this or any other state or territory of the United States or of the District of Columbia.

An insurer’s insolvency protection is applicable only to accidents occurring during a policy period in which its insured's uninsured motorist coverage is in effect and only if the liability insurer of the tort-feasor is insolvent at the time of such an accident or becomes insolvent after the accident.

516A.4 Insurer making payment — reimbursement.

In the event of payment to any person under the coverage required by this chapter and subject to the terms and conditions of such coverage, the insurer making such payment shall, to the extent thereof, be entitled to the proceeds of any settlement or judgment resulting from the exercise of any rights of recovery of such person against any person or organization legally responsible for the bodily injury for which such payment is made, including the proceeds recoverable from the assets of the insolvent insurer. The person to whom said payment is made under the insolvency protection required by this chapter shall to the extent thereof, be deemed to have waived any right to proceed to enforce such a judgment against the assets of the judgment debtor who was insured by the insolvent insurer whose insolvency resulted in said payment being made, other than assets recovered or recoverable by such judgment debtor from such insolvent insurer.

516A.5 Tolling of statute.

Commencement of an action by an insured under a provision included in an automobile liability or motor vehicle liability insurance policy pursuant to section 516A.1 tolls the statute of limitations for purposes of the insurer’s subrogated cause of action against a party, as defined in section 668.2. Section 668.8 is also applicable to an action commenced as described in this section.
CHAPTER 516B
AUTOMOBILE LIABILITY POLICIES

516B.1 Definitions.
As used in this chapter, unless otherwise required by the context:
1. “Automobile liability policy” means an insurance policy issued by an insurance carrier authorized to do business in this state to or for the benefit of the person named in the policy as insured against loss from liability imposed by law for damages arising out of ownership, maintenance, or use of an insured automobile.
2. “Commissioner” means the commissioner of insurance.
86 Acts, ch 1218, §1

516B.2 Reduction in premiums to reflect reductions in losses.
The commissioner shall require that insurance companies transacting business in this state reduce the automobile liability insurance premiums charged insureds in this state for liability insurance renewed or issued on or after July 1, 1987. The reduction in insurance premiums, on a statewide basis, shall be at whatever amount the commissioner of insurance deems appropriate as reflecting the reduction in annual losses incurred by the insurance companies with the enactment of 1986 Iowa Acts, chapter 1009. The commissioner of insurance may annually make adjustments to the reduction in insurance premiums as the commissioner deems appropriate considering the latest statistics available to the commissioner.
In making the determination on the amount of reduction of automobile liability insurance premiums which takes effect July 1, 1987, the commissioner may employ or contract with actuarial consultants as necessary in making the determination. The reasonable fees and expenses of an actuarial consultant employed or contracted by the commissioner for the purpose of determining the amount of the July 1, 1987 reduction shall be assessed against and paid by the affected insurance companies.
86 Acts, ch 1218, §2

516B.3 Minor traffic violations not considered in establishing rates.
1. The commissioner shall require that insurance companies transacting business in this state not consider speeding violations occurring on or after July 1, 1986, but before May 12, 1987, which are for speeding violations for ten miles per hour or less over the legal speed limit in speed zones that have a legal speed limit greater than thirty-five miles per hour or speeding violations occurring on or after May 12, 1987, which are for speeding violations for ten miles per hour or less over the legal speed limit in speed zones that have a legal speed limit equal to or greater than thirty-five miles per hour but not greater than fifty-five miles per hour for the purpose of establishing rates for motor vehicle insurance charged by the insurer and shall require that insurance companies not cancel or refuse to renew any such policy for such violations. In any twelve-month period, this section applies only to the first two such violations which occur.
2. If the rate for motor vehicle insurance is based on an operating record of a period longer than twelve months in length, the twelve-month periods under subsection 1 shall not overlap.

CHAPTER 516D
RENTAL OF MOTOR VEHICLES

516D.1 Title.
This chapter shall be known and may be cited as the “Iowa Car Rental and Collision Damage Waiver Act”.
91 Acts, ch 204, §1

516D.2 Scope.
This chapter applies to advertising and business practices relating to vehicle rental agreements entered into in this state.
91 Acts, ch 204, §2

516D.3 Definitions.
As used in this chapter, unless the context requires otherwise:
1. “Authorized driver” means any of the following:
   a. A customer to whom a vehicle is rented.
   b. A person expressly listed by a rental company on a rental agreement as an authorized driver.
   c. A customer’s spouse, if the spouse is a licensed driver and satisfies the rental company’s minimum age requirement.
   d. A customer’s employer or coworker, if the employer or coworker is engaged in a business activity with the customer to whom the vehicle is rented, is a licensed driver, and satisfies the rental company’s minimum age requirement.
2. “Collision damage waiver” means a contract or contractual provision, whether separate from or a part of a rental agreement, whereby the rental company agrees, for a charge, to waive claims against an authorized driver for all, or any portion of, damages to the rental vehicle, loss due to theft of the rental vehicle, or damages resulting from the loss of use of the rental vehicle.
3. “Customer” means a person entering into a rental agreement and obtaining the use of a rental vehicle from a rental company under the terms of the rental agreement.
4. “Estimated time for repair” means a good faith estimate of the reasonable number of hours of labor, or fraction of an hour, needed to repair a damaged vehicle or damaged vehicle parts.
5. “Estimated time for replacement” means the number of hours of labor, or fraction of an hour, needed to replace damaged vehicle parts as set forth in collision damage estimating guides generally used in the vehicle repair business and commonly known as crash books.
6. “Mandatory charge” means any charge, fee differential, or surcharge that all or a majority of customers must pay in order to obtain or operate a rental vehicle except as follows:
   a. “Mandatory charge” does not include an airport-imposed fee if the existence and amount of the fee are clearly and conspicuously disclosed immediately adjacent to any advertised rental price. The customer must be informed of the amount of the fee when the reservation is made. When an advertisement encompasses more than one rental location, the fee may be expressed as the maximum fee or range of fees.
   b. “Mandatory charge” does not include taxes imposed directly upon the rental transaction by an authorized taxing authority.
   c. “Mandatory charge” does not include mileage fees as long as the existence of any mileage limitation and cost per mile for excess mileage is clearly and conspicuously disclosed immediately adjacent to the advertised price.
7. “Material restriction” means a restriction, limitation, or other requirement which significantly affects the price of, normal anticipated use of, or a customer’s financial responsibility for, a rental vehicle. Restrictions against any or all of the following activities in connection with the acquisition or use of a rental vehicle are not material restrictions:
   a. Obtaining a rental vehicle by use of false or misleading information.
   b. Operating a rental vehicle while intoxicated or under the influence of any drug.
   c. Using a rental vehicle to transport persons or property for hire.
   d. Using a rental vehicle to engage in a race, training activity, contest, or use for an illegal purpose.
   e. Using a rental vehicle to push or tow a vehicle or other object.
   f. Operating a rental vehicle in an abusive or reckless manner.
   g. Operating a rental vehicle other than on regularly maintained hard surface roadways, including private driveways and parking lots. For
purposes of this chapter, “hard surface roadways” includes, but is not limited to, all regularly maintained gravel-covered surfaces.

h. Operating a rental vehicle outside the continental United States unless specifically authorized by the rental agreement.

§516D.4 Collision damage and loss.

1. A rental company shall not hold, or attempt to hold, an authorized driver liable for physical damage to a rental vehicle, loss due to theft of a rental vehicle, or damages resulting from the loss of use of a rental vehicle, unless the rental company offers the customer a collision damage waiver under the terms and conditions described in subsection 2 of this section, or unless one or more of the following applies:

a. The damage or loss is caused intentionally by an authorized driver or is a result of the authorized driver’s willful, abusive, reckless, or wanton misconduct.

b. The damage or loss arises out of the authorized driver’s operation of the rental vehicle while intoxicated or under the influence of a drug.

c. The damage or loss is caused while the authorized driver is engaged in a race, training activity, contest, or use of the rental vehicle for an illegal purpose.

d. The rental agreement is based on false or misleading information supplied by the customer or an authorized driver.

e. The damage or loss is caused by operating the rental vehicle other than on regularly maintained hard surface roadways, including private driveways and parking lots.

f. The damage or loss arises out of the use of the rental vehicle to transport persons or property for hire or to push or tow anything.

g. The damage or loss occurs while the rental vehicle is operated by a driver other than an authorized driver.

h. The damage or loss arises out of the use of the rental vehicle outside the continental United States unless such use is specifically authorized by the rental agreement.

i. The damage or loss is attributable to theft which occurs with the prior knowledge or knowing participation of an authorized driver, or which is attributable to the authorized driver leaving the rental vehicle unattended with the keys in the rental vehicle.

This section does not alter the liability of a customer or authorized driver for bodily injury or the death of another and for property damage other than to the rental vehicle in accordance with the rental agreement. This section does not prohibit a rental company from accepting or negotiating master contracts with companies or government entities in advance of need whereby the companies or government entities specifically agree to assume liability in exchange for rate concessions.

This section does not prohibit a rental company from entering into agreements with insurance companies to provide replacement vehicles to insurance company customers whereby the insurance company agrees to assume the risk of loss.

If the rental vehicle is not repaired, damages shall not exceed the fair market value of the vehicle, as determined in the customary market for that vehicle, less salvage or actual sale value, plus additional license and tax fees incurred because of the sale, plus administrative fees. A claim shall not be made for loss of use if the rental vehicle is not repaired.

2. A rental company may offer a collision damage waiver under the following terms and conditions:

a. All restrictions, conditions, and exclusions must be printed in the rental agreement, or on a separate sheet or document, in ten point type, or larger; or written in pen and ink or typewritten in or on the face of the rental agreement in a blank space provided for such restrictions, conditions, and exclusions. The rental agreement may provide that the collision damage waiver may be voided under the conditions set forth in subsection 1, paragraphs “a” through “i”.

b. The rental agreement, separate sheet, or document must clearly and conspicuously state both the daily and estimated total charge for the collision damage waiver.

c. The rental agreement, separate sheet, or document given to the customer prior to entering into the rental agreement must display in ten point type, or larger, the following notice:

NOTICE: THIS CONTRACT OFFERS, FOR AN ADDITIONAL CHARGE, A COLLISION DAMAGE WAIVER TO COVER ALL OR PART OF YOUR RESPONSIBILITY FOR DAMAGE TO THE RENTAL VEHICLE. BEFORE DECIDING WHETHER TO PURCHASE THE COLLISION DAMAGE WAIVER, YOU MAY WISH TO DETERMINE WHETHER YOUR OWN AUTOMOBILE INSURANCE AF-
FORDS YOU COVERAGE FOR DAMAGE TO THE RENTAL VEHICLE AND THE AMOUNT OF THE DEDUCTIBLE UNDER YOUR OWN INSURANCE COVERAGE. THE PURCHASE OF THIS COLLISION DAMAGE WAIVER IS NOT MANDATORY AND MAY BE DECLINED.

The customer must separately acknowledge that the customer received the above notice, that the customer desires to purchase the collision damage waiver, and the terms of the collision damage waiver to which the customer agrees.

d. The car rental company shall not pay commissions to a rental counter agent or representative for selling collision damage waivers and is prohibited from considering volume of sales of collision damage waivers in an employee evaluation or determination of promotion.

However, notwithstanding whether a rental company offers a collision damage waiver under the provisions of this subsection, the rental company shall not hold an authorized driver liable for damage or loss due to theft except where subsection 1, paragraph "i" applies.

91 Acts, ch 204, §4

516D.5 Recovery for damage or loss.
A claim against an authorized driver resulting from damage to a rental vehicle, loss due to theft of a rental vehicle, or damages resulting from the loss of use of a rental vehicle, must be reasonably and rationally related to the actual loss incurred. A rental company shall mitigate damages where possible and shall not assert or collect any claim for physical damage which exceeds the actual cost of the repair, including all discounts or price reductions. Administrative fees shall be limited to the reasonable administrative costs associated with processing the damage claim. A claim made for loss of use shall not exceed the daily rental rate stated in the customer’s contract, excluding optional charges, multiplied by the total of the estimated time for replacement and the estimated time for repair, divided by eight.

91 Acts, ch 204, §5

516D.6 Disclosures.
1. All material restrictions on an advertised rate or on the use of the rental vehicle must be clearly and conspicuously disclosed in any price advertisement.

2. A rental company shall only advertise, quote, and charge a rental rate that includes all mandatory charges. A rental company shall not impose any mandatory charges in addition to the advertised or quoted rental rate.

91 Acts, ch 204, §6

516D.7 Prohibitions.
Unfair or deceptive acts or practices in the advertisement or rental of vehicles are prohibited.

Unfair or deceptive acts or practices include, but are not limited to, the following:

1. A representation connected with the advertisement or rental of a vehicle that the purchase of a collision damage waiver is mandatory.

2. Failure to provide disclosures as required by this chapter.

3. Failure to disclose in a manner likely to be noticed and comprehended in an advertisement, as defined in section 714.16, subsection 1, paragraph "a", the availability of a collision damage waiver, and the cost of the waiver.

4. Misrepresentation of a customer's need for a collision damage waiver, personal accident insurance, or personal effects insurance.

5. Misrepresentation of the characteristics or availability of a reserved rental vehicle in order to rent a customer a more expensive vehicle than the one reserved.

If no claim has been made under the service contract prior to its return, the service contract is void and the full purchase price of the service contract shall be refunded to the service contract holder. A ten percent penalty shall be added each month to a refund that is not paid to a service contract holder within thirty days of the return of the service contract to the service company. The applicable time period for cancellation of a service contract shall apply only to the original service contract holder that purchased the service contract.

2000 Acts, ch 1023, §37

§518.14 Investments.

1. General considerations. The following considerations apply in the interpretation of this section:
   a. This section applies to the investments of county mutual insurance associations.
   b. The purpose of this section is to protect and further the interests of policyholders, claimants, creditors, and the public by providing standards for the development and administration of programs for the investment of the assets of associations organized under this chapter. These standards, and the investment programs developed by associations, shall take into account the safety of the association's principal, investment yield and growth, stability in the value of the investment, and liquidity necessary to meet the association's expected business needs, and investment diversification.

   All investments made pursuant to this section shall have investment qualities and characteristics such that the speculative elements of the investments are not predominant.
   c. Financial terms relating to county mutual insurance associations have the meanings assigned to them under statutory accounting methods. Financial terms relating to companies or associations other than county mutual insurance associations have the meanings assigned to them under generally accepted accounting principles.
   d. Investments shall be valued in accordance with the valuation procedures established by the national association of insurance commissioners, unless the commissioner requires or finds another method of valuation reasonable under the circumstances.
   e. If an investment qualifies under more than one subsection, an association may elect to hold the investment under the subsection of its choice.

   This section does not prevent an association from electing to hold an investment under a subsection different from the one under which it previously held the investment.

2. Definitions. For purposes of this section:
   a. “Admitted assets”, for purposes of computing percentage limitations on particular types of investments, means the assets which are authorized to be shown on the commissioner's annual statement blank as admitted assets as of the December 31 immediately preceding the date the association acquires the investment.
   b. “Clearing corporation” means as defined in section 554.8102.
   c. “Custodian bank” means as defined in section 515.35.
   d. “Issuer” means as defined in section 554.8201.
   e. “Member bank” means a national bank, state bank, or trust company which is a member of the United States federal reserve system.
   g. “Obligations” includes bonds, notes, debentures, transportation equipment certificates, domestic repurchase agreements, and obligations.
for the payment of money not in default as to payments of principal and interest on the date of investment, which constitute general obligations of the issuer or payable only out of certain revenues or certain funds pledged or otherwise dedicated for payment of principal and interest on the obligations. A lease is an obligation if the lease is assigned to the insurer and is nonterminable by the lessee upon foreclosure of any lien upon the leased property, and if rental payments are sufficient to amortize the investment over the primary lease term.

h. “Surplus”, for purposes of computing percentage limitations on particular types of investments, means the surplus that is authorized to be shown on the commissioner’s annual statement blank as surplus as of the December 31 immediately preceding the date the association acquires the investment.

3. Investments in name of association or nominee and prohibitions.

a. An association’s investments shall be held in its own name or the name of its nominee, except as follows:

(1) Investments may be held in the name of a clearing corporation or of a custodian bank or in the name of the nominee of either on the following conditions:

(a) The clearing corporation, custodian bank, or nominee must be legally authorized to hold the particular investment for the account of others.

(b) When the investment is evidenced by a certificate and held in the name of a custodian bank or the nominee of a custodian bank, a written agreement shall provide that certificates so deposited shall at all times be kept separate and apart from other deposits with the depository, so that at all times they may be identified as belonging solely to the association making the deposit.

(c) If a clearing corporation is to act as depository, the investment may be merged or held in bulk in the name of the clearing corporation or its nominee with other investments deposited with the clearing corporation by any other person, if a written agreement between the clearing corporation and the association provides that adequate evidence of the deposit is to be obtained and retained by the association or a custodian bank.

(2) An association may loan stocks or obligations held by it under this chapter to a broker-dealer registered under the federal Securities Exchange Act of 1934 or to a member bank. The loan must be evidenced by a written agreement which provides all of the following:

(a) That the loan will be fully collateralized by cash or obligations issued or guaranteed by the United States or an agency or an instrumentality of the United States, and that the collateral will be adjusted as necessary each business day during the term of the loan to maintain the required collateralization in the event of market value changes in the loaned securities or collateral.

(b) That the loan may be terminated by the association at any time, and that the borrower will return the loaned stocks or obligations within five business days after termination.

(c) That the association has the right to retain the collateral or use the collateral to purchase investments equivalent to the loaned securities if the borrower defaults under the terms of the agreement, and that the borrower remains liable for any losses and expenses incurred by the association due to default that are not covered by the collateral.

(3) An association may participate through a member bank in the United States federal reserve book entry system, and the records of the member bank shall at all times show that the investments are held for the association or for specific accounts of the association.

(4) An investment may consist of an individual interest in a pool of obligations or a fractional interest in a single obligation if the certificate of participation or interest or the confirmation of participation or interest in the investment is issued in the name of the association, the name of the custodian bank, or the nominee of either, and, if the interest as evidenced by the certificate or confirmation is, if held by a custodian bank, kept separate and apart from the investments of others so that at all times the participation may be identified as belonging solely to the association making the investment.

(5) Transfers ownership of investments held as described in paragraph “a”, subparagraph (1), subparagraph subdivision (c), and subparagraphs (3) and (4), may be evidenced by bookkeeping entry on the books of the issuer of the investment, its transfer or recording agent, or the clearing corporation without physical delivery of a certificate evidencing the association’s investment.

b. Except as provided in paragraph “a”, subparagraph (5), if an investment is not evidenced by a certificate, adequate evidence of the association’s investment shall be obtained from the issuer or its transfer or recording agent and retained by the association, a custodian bank, or clearing corporation. Adequate evidence, for purposes of this paragraph, means a written receipt or other verification issued by the depository or issuer or a custodian bank which shows that the investment is held for the association.

4. Investments. Except as otherwise permitted by this section, an association organized under this chapter shall only invest in the following:

a. United States government obligations. Bonds or other evidences of indebtedness issued, assumed, or guaranteed by the United States of America, or by any agency or instrumentality of the United States of America, including investments in an open-end management investment company registered with the federal securities and exchange commission under the Federal Investment Company Act of 1940, 15 U.S.C. § 80(a)

Investments shall be made only in investment grade bonds.

2. An association shall not invest more than ten percent of its surplus in the stocks of any one corporation.

g. Home office real estate. Funds may be invested in a home office building, at the direction of the board of directors and with the prior approval of the commissioner of insurance. After January 1, 1966, every association doing business under this chapter shall be required to pay to the director of the department of revenue, or a depository designated by the director, as taxes an amount equal to the following:

1. The applicable percent of the gross amount of premiums received during the preceding calendar year, after deducting the amount returned upon the canceled policies, certificates, and rejected applications; and after deducting premiums paid for windstorm or hail reinsurance on properties specifically reinsured. However, the reinsurer of such windstorm or hail risks shall pay the applicable percent of the gross amount of reinsurance premiums received upon such risks after deducting the amounts returned upon canceled policies, certificates, and rejected applications. For purposes of this section, “applicable percent” means the same as specified in section 432.1, subsection 4.

2. Except as provided in subsection 3, the premium tax shall be paid on or before March 1 of the year following the calendar year for which the tax is due. The commissioner of insurance may suspend the certificate of authority of a county mutual insurance association that fails to pay its premium tax on or before the due date.

3. a. Each county mutual insurance association transacting business in this state whose Iowa premium tax liability for the preceding calendar year was one thousand dollars or more shall remit on or before June 1, on a prepayment basis, an amount equal to one-half of the premium tax liability for the preceding calendar year.

b. In addition to the prepayment amount in paragraph "a", each association shall remit on or before August 15, on a prepayment basis, an additional amount equal to the following percent of the premium tax liability for the preceding calendar year as follows:

   1. For prepayment in the 2003 and 2004 calendar years, eleven percent.
   2. For prepayment in the 2005 calendar year, twenty-six percent.
   3. For prepayment in the 2006 and subsequent calendar years, fifty percent.

c. The sums prepaid by a county mutual insurance association under this subsection shall be allowed as credits against its premium tax liability for the calendar year during which the payments are made. If a prepayment made under this subsection exceeds the annual premium tax liability, the excess shall be allowed as a credit against subsequent prepayment or tax liabilities. The commissioner of insurance may suspend the certificate of authority of an association that fails to make a prepayment on or before the due date.

§518A.12 Investments.
1. General considerations. The following considerations apply in the interpretation of this section:

   a. This section applies to the investments of state mutual insurance associations.

   b. The purpose of this section is to protect and further the interests of policyholders, claimants, creditors, and the public by providing standards for the development and administration of programs for the investment of the assets of associations organized under this chapter. These standards, and the investment programs developed by companies, shall take into account the safety of the association's principal, investment yield and growth, stability in the value of the investment, and liquidity necessary to meet the association's expected business needs, and investment diversification.

   All investments made pursuant to this section shall have investment qualities and characteristics such that the speculative elements of the investments are not predominant.

   c. Financial terms relating to state mutual insurance associations have the meanings assigned to them under statutory accounting methods. Financial terms relating to companies other than state mutual insurance associations have the meanings assigned to them under generally accepted accounting principles.

   d. Investments shall be valued in accordance with the valuation procedures established by the national association of insurance commissioners, unless the commissioner requires or finds another method of valuation reasonable under the circumstances.

   e. An investment qualifies under more than one subsection, an association may elect to hold the investment under the subsection of its choice. This section does not prevent an association from electing to hold an investment under a subsection different from the one under which it previously held the investment.

2. Definitions. For purposes of this section:

   a. "Admitted assets", for purposes of computing percentage limitations on particular types of investments, means the assets which are autho-
rized to be shown on the national association of insurance commissioner's annual statement blank as admitted assets as of the December 31 immediately preceding the date the association acquires the investment.

b. “Clearing corporation” means as defined in section 554.8102.

c. “Custodian bank” means as defined in section 515.35.

d. “Issuer” means as defined in section 554.8201.

e. “Member bank” means a national bank, state bank, or trust company which is a member of the United States federal reserve system.

g. “Obligations” includes bonds, notes, debentures, transportation equipment certificates, domestic repurchase agreements, and obligations for the payment of money not in default as to payments of principal and interest on the date of investment, which constitute general obligations of the issuer or payable only out of certain revenues or certain funds pledged or otherwise dedicated for payment of principal and interest on the obligations. A lease is an obligation if the lease is assigned to the insurer and is nonterminable by the lessee upon foreclosure of any lien upon the leased property, and if rental payments are sufficient to amortize the investment over the primary lease term.

h. “Surplus”, for purposes of computing percentage limitations on particular types of investments, means the surplus that is authorized to be shown on the commissioner’s annual statement blank as surplus as of the December 31 immediately preceding the date the association acquires the investment.

3. Investments in name of association or nominee and prohibitions.

a. An association’s investments shall be held in its own name or the name of its nominee, except as follows:

(1) Investments may be held in the name of a clearing corporation or of a custodian bank or in the name of the nominee of either on the following conditions:

(a) The clearing corporation, custodian bank, or nominee must be legally authorized to hold the particular investment for the account of others.

(b) When the investment is evidenced by a certificate and held in the name of a custodian bank or the nominee of a custodian bank, a written agreement shall provide that certificates so deposited shall at all times be kept separate and apart from other deposits with the depository, so that at all times they may be identified as belonging solely to the association making the deposit.

(c) If a clearing corporation is to act as depository, the investment may be merged or held in bulk in the name of the clearing corporation or its nominee with other investments deposited with the clearing corporation by any other person, if a written agreement between the clearing corporation and the association provides that adequate evidence of the deposit is to be obtained and retained by the association or a custodian bank.

(2) An association may loan stocks or obligations held by it under this chapter to a broker-dealer registered under the federal Securities Exchange Act of 1934 or to a member bank. The loan must be evidenced by a written agreement which provides all of the following:

(a) That the loan will be fully collateralized by cash or obligations issued or guaranteed by the United States or an agency or an instrumentality of the United States, and that the collateral will be adjusted as necessary each business day during the term of the loan to maintain the required collateralization in the event of market value changes in the loaned securities or collateral.

(b) That the loan may be terminated by the association at any time, and that the borrower will return the loaned stocks or obligations within five business days after termination.

(c) That the association has the right to retain the collateral or use the collateral to purchase investments equivalent to the loaned securities if the borrower defaults under the terms of the agreement, and that the borrower remains liable for any losses and expenses incurred by the association due to default that are not covered by the collateral.

(3) An association may participate through a member bank in the United States federal reserve book entry system, and the records of the member bank shall at all times show that the investments are held for the association or for specific accounts of the association.

(4) An investment may consist of an individual interest in a pool of obligations or a fractional interest in a single obligation if the certificate of participation or interest or the confirmation of participation or interest in the investment is issued in the name of the association, the name of the custodian bank, or the nominee of either, and, if the interest as evidenced by the certificate or confirmation is, if held by a custodian bank, kept separate and apart from the investments of others so that at all times the participation may be identified as belonging solely to the association making the investment.

(5) Transfers of ownership of investments held as described in paragraph “a”, subparagraph (1), subparagraph subdivision (c), and subparagraphs (3) and (4), may be evidenced by bookkeeping entry on the books of the issuer of the investment, its transfer or recording agent, or the clearing corporation without physical delivery of a certificate evidencing the association’s investment.

b. Except as provided in paragraph “a”, subparagraph (5), if an investment is not evidenced by
§518A.12, STATE MUTUAL INSURANCE ASSOCIATIONS

a certificate, adequate evidence of the association’s investment shall be obtained from the issuer or its transfer or recording agent and retained by the association, a custodian bank, or clearing corporation. Adequate evidence, for purposes of this paragraph, means a written receipt or other verification issued by the depository or issuer or a custodian bank which shows that the investment is held for the association.

4. Investments. Except as otherwise permitted by this section, an association organized under this chapter shall only invest in the following:

a. United States government obligations. Bonds or other evidences of indebtedness issued, assumed, or guaranteed by the United States of America, or by any agency or instrumentality of the United States of America, including investments in an open-end management investment company registered with the federal securities and exchange commission under the federal Investment Company Act of 1940, 15 U.S.C. § 80(a) and operated in accordance with 17 C.F.R. § 270.2a-7, the portfolio of which is limited to the United States obligations described in this paragraph, and which are included in the national association of insurance commissioners’ securities valuation office’s United States direct obligation – full faith and credit list.

b. Certain development bank obligations. Obligations issued or guaranteed by the international bank for reconstruction and development, the Asian development bank, the inter-American development bank, the export-import bank, the world bank, or any United States government-sponsored organization of which the United States is a member, if the principal and interest is payable in United States dollars. An association shall not invest more than five percent of its total admitted assets in the obligations of any one of those provinces or political subdivisions.

c. State obligations. Obligations issued or guaranteed by a state, a political subdivision of a state, or an instrumentality of a state.

d. Canadian government obligations. Obligations issued or guaranteed by Canada, by an agency or province of Canada, by a political subdivision of such province, or by an instrumentality of any of those provinces or political subdivisions.

e. Corporate and business trust obligations. Obligations issued, assumed, or guaranteed by a corporation or business trust organized under the laws of the United States or a state, or the laws of Canada or a province of Canada, provided that an association shall not invest more than five percent of its admitted assets in the obligations of any one corporation or business trust. Investments shall be made only in investment grade bonds.

f. Stocks. Common stocks, common stock equivalents, mutual fund shares, securities convertible into common stocks or common stock equivalents, or preferred stocks issued or guaranteed by a corporation incorporated under the laws of the United States or a state, or the laws of Canada or a province of Canada. Aggregate investments in nondividend paying stocks shall not exceed five percent of surplus.

(1) Stocks purchased under this lettered paragraph shall not exceed fifty percent of surplus. With the approval of the commissioner, an association may invest any amount in common stocks, preferred stocks, or other securities of one or more subsidiaries provided that after such investments the association’s surplus as regards policyholders will be reasonable in relation to the association’s outstanding liabilities and adequate to its financial needs.

(2) An association shall not invest more than ten percent of its surplus in the stocks of any one corporation.

g. Home office real estate. Funds may be invested in a home office building, at the direction of the board of directors and with the prior approval of the commissioner of insurance. An association shall not invest more than twenty-five percent of its total admitted assets in such real estate. With the prior approval of the commissioner, an association may exceed the real estate investment limitation to effectuate a merger with, or the acquisition of, another association.

1. An association doing business under this chapter, on or before March 1 of each year, shall prepare under oath and file with the commissioner of insurance an accurate and complete statement of the condition of the association as of the last day of the preceding calendar year. The statement shall conform to the annual statement blank prepared pursuant to instructions prescribed by the commissioner. All financial information reflected in the annual report shall be kept and prepared pursuant to accounting practices and procedures prescribed by the commissioner. shall be tabulated and published by the commissioner of insurance in the annual report of insurance.

An association that fails to timely file the statement required under subsection 1 is in violation of this section and shall pay an administrative penalty of five hundred dollars for each violation to the treasurer of state for deposit in the general fund of the state as provided in section 505.7.

3. The commissioner may give notice to an association that has not timely filed the statement required under subsection 1 and is in violation of this section. If the association fails to file the required statement and comply with this section within ten days of the date of the notice, the association shall pay an additional administrative penalty of one hundred dollars for each day that each failure continues to the treasurer of state for deposit in the general fund of the state as provided in section 505.7.

If the commissioner of insurance is then satisfied that the association has failed to comply with any provisions of this law, or is exceeding its powers, or is not carrying out its contracts in good faith; or is transacting business fraudulently or soliciting insurance in territories where it is not legally admitted to do business, or is in such condition as to render the further transaction of business by it hazardous to the public or its policyholders, the business under the commissioner’s supervision and with the consent of the association may be reinsured in some mutual association, or the commissioner may present the facts relating thereto to the attorney general and if the circumstances warrant the attorney general may commence an action in quo warranto in a court of competent jurisdiction.

§518A.29 Cancellation or nonrenewal by association — notice.
1. Cancellation by insured. A policy shall be canceled at any time at the request of the insured upon the return of the policy to the home office of the association and the payment of all premium charges against such policy.
2. Cancellation by association.
   a. Except as provided in paragraph “b”, notice of cancellation is not effective unless mailed or delivered by the association to the named insured at least thirty days before the effective date of cancellation.
   b. Notice of cancellation resulting from non-payment of a premium or installment provided for in the policy, or provided for in a note or contract for the payment of such premium or installment, is not effective unless mailed or delivered by the association to the named insured at least ten days prior to the date of cancellation.
   c. If a notice of cancellation under paragraph “a” or “b” fails to include the reason for such cancellation, the association, upon receipt of a timely request by the named insured, shall provide in writing the reason for the nonrenewal.
3. Nonrenewal by association. A notice of intention not to renew is not effective unless mailed or delivered by the insurer to the named insured at least thirty days prior to the expiration date of the policy. If the reason does not accompany the notice of nonrenewal, the association, upon receipt of a timely request by the named insured, shall provide in writing the reason for the nonrenewal.
4. Notice. Service of notice under subsection 2 or 3 may be delivered in person or mailed to the insured at the insured’s post office address as given in or upon the policy, or to such other address as the insured shall have given to the association in writing. §518A.35 Annual tax.
1. A state mutual insurance association doing business under this chapter shall on or before the first day of March, each year, pay to the director of revenue, or a depository designated by the director, a sum equivalent to the applicable percent of the gross receipts from premiums and fees for business done within the state, including all insurance upon property situated in the state without including or deducting any amounts received or paid for reinsurance. However, a company reinsuring windstorm or hail risks written by county mutual insurance associations is required to pay the applicable percent tax on the gross amount of reinsurance premiums written upon such risks, but after deducting the amount returned upon canceled policies and rejected applications covering property situated within the state, and dividends returned to policyholders on property situated within the state. For purposes of this section, “applicable percent” means the same as specified in section 432.1, subsection 4.
2. Except as provided in subsection 3, the premium tax shall be paid on or before March 1 of the year following the calendar year for which the tax is due. The commissioner of insurance may suspend the certificate of authority of a state mutual insurance association that fails to pay its premium tax on or before the due date.
3. a. Each state mutual insurance association transacting business in this state whose Iowa premium tax liability for the preceding calendar year
was one thousand dollars or more shall remit on or before June 1, on a prepayment basis, an amount equal to one-half of the premium tax liability for the preceding calendar year.

b. In addition to the prepayment amount in paragraph "a", each association shall remit on or before August 15, on a prepayment basis, an additional amount equal to the following percent of the premium tax liability for the preceding calendar year as follows:

1. For prepayment in the 2003 and 2004 calendar years, eleven percent.
2. For prepayment in the 2005 calendar year, twenty-six percent.
3. For prepayment in the 2006 and subsequent calendar years, fifty percent.

C. The sums prepaid by a state mutual insurance association under this subsection shall be allowed as credits against its premium tax liability for the calendar year during which the payments are made. If a prepayment made under this subsection exceeds the annual premium tax liability, the excess shall be allowed as a credit against subsequent prepayment or tax liabilities. The commissioner of insurance may suspend the certificate of authority of an association that fails to make a prepayment on or before the due date.

518A.39 “Debt” defined.

In ascertaining such corporate indebtedness, a debt shall be deemed to exist, on account of its liabilities on the policy certificates or contracts of insurance issued by it equal to the amount of surplus or other funds accumulated by such corporation for the purpose of fulfilling its policy contracts of insurance and which can be used for no other purpose.

518A.40 Annual fees — renewals — penalties.

1. Such associations shall pay the same fees for annual reports and annual certificates of authority as are required to be paid by domestic companies organized and doing business under chapter 515, which certificates shall expire May 1 of the year following the date of issue.
2. A certificate of authority of an association formed under this chapter shall be renewed annually so long as the organization transacts its business in accordance with all legal requirements. Such an association shall submit annually, on or before March 1, a completed application for renewal of its certificate of authority.
3. The commissioner shall refuse to renew the certificate of authority of a state mutual insurance association that fails to comply with the provisions of this chapter and the association’s right to transact new business in this state shall immediately cease until the association has so complied.
4. An association that fails to timely file the application for renewal required under subsection 2 is in violation of this section and shall pay an administrative penalty of five hundred dollars to the treasurer of state for deposit in the general fund of the state as provided in section 505.7.

518A.42 Limitation on termination of independent insurance producers.

A state mutual insurance association authorized to do business in this state shall not terminate a contract of an insurance producer who is an independent contractor but who is not an exclusive insurance producer as defined in section 522B.1 without at least one hundred eighty days' notice, except for loss of license, fraud, nonpayment of association premiums that are due and not in dispute by the producer, or the withdrawal of operations in the state by the association.

518A.44 Reinsurance.
A state mutual insurance association may re-insure a part or all of its coverages written pursuant to this chapter with an association operating under this chapter, or with any other association or company licensed in this state and authorized to write the kinds of insurance enumerated in section 518A.1.
Reinsurance sufficient to protect the financial stability of the state mutual insurance association is required. In general, reinsurance coverage obtained by an association shall not expose the association to losses from coverages written pursuant to this chapter of more than fifteen percent from surplus in any calendar year. The commissioner of insurance may require additional reinsurance if necessary to protect the policyholders of the association.

518A.45 through 518A.50 Reserved.

95 Acts, ch 185, §38; 2000 Acts, ch 1023, §51

518A.54 Disapproval of filings.
If the commissioner finds that a filing does not meet the requirements of this chapter, written notice of disapproval shall be sent to the state mutual insurance association specifying in what respect the filing fails to meet the requirements of this chapter and stating that the filing is not effective. If a filing is disapproved by the commissioner, the association may request a hearing on the disapproval within thirty days. The association bears the burden of proving compliance with the standards established by this chapter.
If, at any time after a form has been approved, the commissioner finds that the form no longer meets the requirements of this chapter, the commissioner may order the discontinuance of the use of the form. The order of discontinuance shall be in writing and may be issued only after a hearing with at least ten days' prior notice to all state mutual insurance associations affected by the order. The order shall state the grounds upon which the order is based and when the order of discontinuance is effective.

An insurer shall be a member of the association as a condition of the insurer’s authority to transact insurance business in this state. The association shall perform its functions under a plan of operation established and approved pursuant to section 518C.7 and shall exercise its powers through a board of directors established under section 518C.5. Except as otherwise provided in such plan of operation, an annual or special meeting of members of the association may be held on call as directed by the association’s board of directors or by the commissioner of insurance. Written notice shall be given not less than ten days prior to the meeting by ordinary mail to each member at the member’s principal office as shown by the records in the commissioner’s office. The board of directors of the association shall consist of the officers and directors of the mutual insurance association of Iowa or its successor association. An officer and director of the mutual insurance association of Iowa shall serve in the same capacity on the association board as the officer or director serves the mutual insurance association of Iowa or its successor association.

2000 Acts, ch 1035, §5

518C.6 Duties and powers of the association.

1. The association is subject to all of the following:

a. (1) The association is obligated to pay a covered claim as follows:

   (a) A covered claim existing prior to the final order of liquidation and arising within thirty days after the final order of liquidation.
   
   (b) A covered claim existing before the policy expiration date if the expiration date is less than thirty days after the final order of liquidation.
   
   (c) A covered claim existing before the insured replaces the policy or causes its cancellation, if the insured replaces or cancels the policy within thirty days of the final order of liquidation.

   (2) An obligation under subparagraph (1) is satisfied by paying to the claimant an amount as follows:

   (a) An amount not exceeding ten thousand dollars per policy for a covered claim for the return of unearned premium.
   
   (b) An amount not exceeding the lesser of the policy limits or three hundred thousand dollars per claim for all covered claims for all damages arising out of any one or a series of accidents, occurrences, or incidents, regardless of the number of persons making claims or the number of applicable policies.

   b. The association is obligated to pay covered claims subject to a limitation as established by the rights, duties, and obligations under the policy issued by the insolvent insurer.

   c. The association shall assess member insurers amounts necessary to pay the obligations of the association under paragraphs “a” and “b” subsequent to an insolvency, the expenses of handling covered claims subsequent to an insolvency, the cost of examinations under section 518C.12, and other expenses as authorized by this chapter. The assessment of each member insurer shall be in the proportion that the net direct written premiums of the member insurer for the preceding calendar year bear to the net direct written premiums of all member insurers for the preceding calendar year.

2. Each member insurer shall be notified of the assessment not less than thirty days before it is due. A member insurer shall not be assessed in any year an amount greater than two percent of that member insurer’s net direct written premiums for the preceding calendar year. If the maximum assessment, together with the other assets of the association, do not provide in any one year an amount sufficient to make all necessary payments, the funds available shall be prorated and the unpaid portion shall be paid as soon as funds become available. The association may exempt or defer, in whole or in part, the assessment of any member insurer if the assessment would cause the member insurer’s financial statement to reflect amounts of surplus less than the minimum amounts required for a certificate of authority to transact insurance business. A member insurer serving as a servicing facility pursuant to this section may set off against any assessment authorized payments made on covered claims and expenses incurred in the payment of such claims by the member insurer. All overdue and unpaid assessments shall draw interest at the rate of seven percent per annum.

The association may pursue and retain for its own account salvage and subrogation recoverable on paid covered claim obligations. An obligation of the association to defend an insured shall cease upon the association’s payment of an amount equal to the lesser of the association’s covered claim obligation or the applicable policy limits.

d. The association shall investigate claims
filed with the association and adjust, compromise, settle, defend, and pay covered claims to the extent of the association’s obligation and deny all other claims.

e. The association shall notify such persons as the commissioner directs under section 518C.8, subsection 2, paragraph “a”.

f. The association shall process claims through its employees or through one or more member insurers or other persons designated as servicing facilities. Designation of a servicing facility is subject to the approval of the commissioner, but such designation may be declined by a member insurer.

g. The association shall reimburse each servicing facility for obligations of the association paid by the facility and for expenses incurred by the facility while handling claims on behalf of the association, and pay the other expenses of the association authorized by this chapter.

2. The association may do any of the following:

a. Appear in, defend, and appeal an action on a claim brought against the association.

b. Employ or retain persons necessary to handle claims and perform other duties of the association.

c. Borrow funds necessary to effect the purposes of this chapter in accord with the plan of operation.

d. Sue or be sued.

e. Negotiate and become a party to contracts necessary to carry out the purposes of this chapter.

f. Perform such other acts necessary or proper to effectuate the purposes of this chapter.

3. The board of directors, in its discretion, may from time to time refund excess amounts to member insurers that are not needed for current or projected liabilities of a particular insolvent. The amount of each refund is equal to the net direct written premiums of the member insurer for the preceding calendar year divided by the net written premiums of all member insurers for the preceding calendar year, multiplied by the total amount to be refunded to all members. At the discretion of the board of directors, an assessment or refund of any member insurer in an amount not to exceed twenty-five dollars may be waived.

2000 Acts, ch 1035, §6

518C.7 Plan of operation.

1. The association shall submit a plan of operation to the commissioner, together with any amendments necessary or suitable to ensure the fair, reasonable, and equitable administration of the association. The plan of operation and any amendment become effective upon written approval by the commissioner.

If the association fails to submit a suitable plan of operation within ninety days following July 1, 2000, or if at any time after submission of a suitable plan the association fails to submit suitable amendments to the plan, the commissioner, after notice and opportunity for hearing, shall adopt rules necessary or advisable to effectuate the provisions of this chapter. Such rules shall continue in force until modified by the commissioner or superseded by a plan submitted by the association and approved by the commissioner.

2. A member insurer shall comply with the association’s plan of operation.

3. The plan of operation shall provide for all of the following:

b. Procedures for managing the assets of the association.

c. Procedures by which claims may be filed with the association and acceptable forms of proof of covered claims. Notice of claims to the receiver or liquidator of the insolvent insurer constitutes notice to the association or its agent, and a list of such claims shall be periodically submitted to the association or similar organization in another state by the receiver or liquidator.

d. The place and time for meetings of the board of directors, as necessary.

e. Procedures for keeping records of all financial transactions of the association, its agents, and the board of directors.

f. That any member insurer aggrieved by a final action or decision of the association may appeal the action or decision to the commissioner within thirty days after the action or decision.

g. Additional provisions necessary or proper for the performance of the duties and execution of the powers of the association.

4. The plan of operation may delegate any or all duties and powers of the association, except those under section 518C.6, subsection 1, paragraph “c”, and subsection 2, paragraph “c”, to a person with the approval of both the board of directors and the commissioner. Such delegation shall only be made to a person extending protection which is not substantially less favorable and effective than that provided by this chapter. Such person shall be reimbursed as a servicing facility and shall be paid for the performance of any other functions of the association.

2000 Acts, ch 1035, §7

518C.8 Duties and powers of the commissioner.

1. The commissioner shall do both of the following:

a. Notify the association of the existence of an insolvent insurer not later than three days after the commissioner receives notice of the determination of the insolvency.

b. Upon request of the board of directors, provide the association with a statement of the net di-
rect written premiums of each member insurer.
2. The commissioner may do any of the following:
   a. Require that the association notify the insureds of the insolvent insurer and any other interested parties of the determination of insolvent and of their rights under this chapter. The notification shall be by regular mail at their last known address, but, if sufficient information for notification by mail is not available, notice by publication in a newspaper of general circulation is sufficient.
   b. Suspend or revoke, after notice and opportunity for hearing, the certificate of authority to transact insurance business in this state of any member insurer which fails to pay an assessment when due or fails to comply with the plan of operation. As an alternative, the commissioner may levy a penalty on any member insurer which fails to pay an assessment when due. Such penalty shall not exceed five percent of the unpaid assessment per month, except that a penalty shall not be less than one hundred dollars per month.
   c. Revoke the designation of any servicing facility if the commissioner finds claims are being processed unsatisfactorily.
3. Judicial review of an action of the commissioner may be sought pursuant to chapter 17A.

518C.9 Effect of paid claims.
1. A person recovering under a claim made pursuant to this chapter is deemed to have assigned the person’s rights under the policy to the association to the extent of the person’s recovery from the association. A claimant seeking the protection of this chapter shall cooperate with the association to the same extent as such claimant would have been required to cooperate with the insolvent insurer. The association has no cause of action against a claimant for any sums the association has paid out.
2. The association or a similar entity in another state shall be recognized as a claimant in the liquidation of an insolvent insurer for any amounts paid by the association or similar entity on covered claim obligations as determined under this chapter or under similar law in another state. The association or similar entity shall receive dividends and any other distributions at the priority set forth under the applicable liquidation law. The receiver, liquidator, or statutory successor of an insolvent insurer is bound by determinations of covered claim eligibility under this chapter and by settlements of covered claims made by the association or a similar organization in another state. The court having jurisdiction shall grant such claims priority equal to that which the claimant would have been entitled in the absence of this chapter against the assets of the insolvent insurer.
3. The expenses of the association or similar organization in handling claims shall be accorded the same priority as the liquidator’s expenses.
4. The association shall periodically file with the receiver, liquidator, or statutory successor of the insolvent insurer statements of the covered claims paid by the association and estimates of anticipated claims on the association, which statements shall preserve the rights of the association against the assets of the insolvent insurer.

518C.10 Nonduplication of recovery.
1. A person having a claim under another policy, which claim arises out of the same facts which give rise to a covered claim, is first required to exhaust the person’s rights under the other policy. An amount recovered or recoverable by a person under another insurance policy shall be credited against the liability of the association under section 518C.6, subsection 1, paragraph “a”. For purposes of this section, “another insurance policy” means a policy issued by an insurance company, whether a member insurer or not, which policy insures against any of the types of risks insured by an insurance company authorized to transact insurance business under chapter 518 or 518A, or comparable statutes of another state, except those types of risks set forth in chapters 508 and 514.
2. A person having a claim which may be recovered under more than one insurance guaranty association or an equivalent entity shall seek recovery first from the association of the place of residence of the insured. However, if the claim is a first-party claim for damage to property with a permanent location, recovery shall be first sought from the association or equivalent entity of the state in which the property is permanently located. An amount recovered from any other guaranty association or equivalent entity shall be subtracted from the maximum liability of the Iowa county and state mutual insurance guaranty association under section 518C.6, subsection 1, paragraph “a”.

However, upon application, the court having jurisdiction of the receivership may lengthen or shorten the period, either as to all claims or as to any particular claim. The association may waive such stay as to specific cases involving covered claims.
The association, on its own behalf or on behalf of the insured, with respect to a covered claim based on the default of an insurer who is or who becomes insolvent, or based on the failure of an insurer to defend an insured, is entitled to set the default aside and defend such claim on its merits.

CHAPTER 519A
MEDICAL MALPRACTICE INSURANCE

519A.1 Intent.
The general assembly finds that a critical situation exists because of the high cost and impending unavailability of medical malpractice insurance. The purposes of sections 519A.2 to 519A.13 are to assure that the public is adequately protected against losses arising out of medical malpractice by providing licensed health care providers with medical malpractice insurance through the requirement that certain liability insurance carriers write medical malpractice insurance for a period of two years upon a finding of an emergency by the commissioner of insurance that either such insurance is not available through normal channels or that it is not available on a reasonable basis because of lack of competition for such insurance, or otherwise; to establish an association to equitably spread the risks for such insurance; and to provide for recoupment of losses resulting from the operation of the association through a stabilization reserve fund contributed to by insureds, a surcharge on future liability insurance policies, or a favorable premium tax treatment.

interim solution to the impending unavailability of medical malpractice insurance. It is not anticipated that this chapter will resolve the underlying causes of the unavailability and high cost which extend beyond the insurance mechanism. It is anticipated that future legislation will be required to deal on a more permanent basis with the underlying causes of the current situation.

[C77, 79, 81, §519A.1]

519A.2 Definitions.
As used in this chapter, unless the context otherwise requires:

1. “Association” means the joint underwriting association established pursuant to this section and sections 519A.3 to 519A.13.
2. “Commissioner” means the commissioner of insurance or a designee.
3. “Licensed health care provider” means a physician and surgeon, osteopathic physician and surgeon, dentist, podiatric physician, optometrist, pharmacist, chiropractor, or nurse licensed pursuant to chapter 135C, and a nursing facility licensed pursuant to chapter 135C.
4. “Medical malpractice insurance” means insurance coverage against the legal liability of the insured and against loss, damage, or expense incident to a claim arising out of the death or injury of any person as the result of negligence or malpractice in rendering professional service by any licensed health care provider.
5. “Net direct premiums” means gross direct premiums written on liability insurance as reported in the annual statements filed by the insurers with the commissioner, including the liability component of multiple peril package policies as computed by the commissioner, less return premiums for the unused or unabsorbed portions of premium deposits.

[C77, 79, 81, §519A.2]

519A.3 Temporary joint underwriting association.

1. A temporary joint underwriting association is created, consisting of all insurers authorized to write and engaged in writing on a direct basis within this state liability insurance, including insurers covering such peril in multiple peril policies. Every such insurer shall be a member of the association and shall remain a member as a condition of its authority to continue to write liability insurance in this state.
2. The purpose of the association shall be to provide, for a period not exceeding two years, a market for medical malpractice insurance on a self-supporting basis without subsidy from its members.

3. The association shall not commence underwriting operations for health care providers until the commissioner, after notice and opportunity for hearing, has determined that medical malpractice insurance is not available at a reasonable cost for a specific type of licensed health care provider in the voluntary market. Upon such determination the association shall be authorized to issue policies of medical malpractice insurance for such specific type of health care provider but need not be the exclusive agency through which such insurance may be written on a primary basis in this state.

If the commissioner determines at any time that medical malpractice insurance can be made available in the voluntary market at a reasonable price for any specific type of licensed health care provider, the association shall thereby cease underwriting medical malpractice insurance for that type of licensed health care provider.

4. The association shall, subject to the terms and conditions of sections 519A.2 to 519A.13, have and exercise the following powers on behalf of its members:
   a. To issue, or to cause to be issued, policies of insurance to applicants, including incidental coverages and subject to limits as specified in the plan of operation but not to exceed one million dollars for each claimant under one policy and three million dollars for all claimants under one policy in any one year.
   b. To underwrite such insurance and to adjust and pay losses with respect thereto, or to appoint service companies to perform those functions.
   c. To assume reinsurance from its members.
   d. To cede reinsurance.

[C77, 79, 81, §519A.3]  
519A.4 Plan of operation.

1. The association shall submit a plan of operation to the commissioner, together with any amendments necessary or suitable to assure the fair, reasonable, and equitable administration of the association consistent with sections 519A.2 to 519A.13. The plan of operation and any amendments thereto shall become effective only after promulgation of the plan or amendment by the commissioner as a rule pursuant to section 17A.4: Provided that the initial plan may in the discretion of the commissioner become effective immediately upon filing with the secretary of state pursuant to section 17A.5, subsection 2, paragraph “b”, subparagraph (1).

If the association fails to submit a suitable plan of operation within twenty-five days following the effective date of this chapter or if at any time thereafter the association fails to submit suitable amendments to the plan, the commissioner shall adopt rules necessary to effectuate sections 519A.2 to 519A.13. Such rules shall continue in force until modified by the commissioner or superseded by a plan submitted by the association and
approved by the commissioner.

2. The plan of operation shall provide for economic, fair and nondiscriminatory administration, and for the prompt and efficient provision of medical malpractice insurance. The plan shall contain other provisions including, but not limited to, preliminary assessment of all members for initial expenses necessary to commence operations, establishment of necessary facilities, management of the association, assessment of members to defray losses and expenses, commission arrangements, reasonable and objective underwriting standards, acceptance and cession of reinsurance, appointment of servicing carriers or other servicing arrangements and procedures for determining amounts of insurance to be provided by the association.

3. All member insurers shall comply with the plan of operation.  
[C77, 79, 81, §519A.4]

519A.5 Policy forms and rates.

1. The rates, rating plans, rating classifications, and policy forms and endorsements applicable to insurance written by the association and the statistical and experience data relating thereto shall be subject to sections 519A.2 to 519A.13 and to the provisions of the general insurance code which are not inconsistent with the purposes and provisions of this chapter.

2. All policies issued by the association shall provide for a continuous period of coverage beginning with their respective effective dates. All policies shall terminate at 12:01 a.m. two years from the date of finding of an emergency by the commissioner, or earlier in accordance with sections 519A.2 through 519A.13; or because of failure of the policyholder to pay any premium or stabilization reserve fund charge or portion of either when due. All policies shall be issued subject to the group retrospective rating plan and the stabilization reserve fund authorized by this chapter. No policy form shall be used by the association unless it has been filed with and approved by the commissioner.

3. The commissioner shall specify whether policy forms and the rate structure shall be on a "claims-made" or "occurrence" basis and coverage shall be provided by the association only on the basis specified by the commissioner. The commissioner shall specify the "claims-made" basis only if the contract makes provision for residual "occurrence" coverage upon the retirement, death, disability or removal from this state of the insured. Provision may be made for a premium charge allocable to any such residual "occurrence" coverage and such premium charges for such residual coverage shall be segregated and separately maintained for such purpose which may include the reinsurance of all or a part of that portion of the risk.

4. The rates, rating plans, rating rules, and rating classifications applicable to the insurance written by the association shall be on an actuarially sound basis, giving due consideration to the group retrospective rating plan and the stabilization reserve fund, and shall be calculated to be self-supporting.

5. All policies issued by the association shall be subject to a nonprofit group retrospective rating plan to be approved by the commissioner under which the final premium for all policyholders of the association, as a group, will be equal to the administrative expenses, loss and loss adjustment expenses and taxes, plus a reasonable allowance for contingencies and servicing. Policyholders shall be given full credit for all investment income, net of expenses and a reasonable management fee, on policyholder supplied funds. The standard premium, before retrospective adjustment, for each policy issued by the association shall be established for portions of the policy period coinciding with the association's fiscal year on the basis of the association's rates, rating plans, rating rules, and rating classifications then in effect. The maximum final premium for all policyholders of the association, as a group, shall be limited as provided in section 519A.6, subsection 5. Since the business of the association is subject to the nonprofit group retrospective rating plan required by this subsection, there shall be a presumption that the rates filed and premiums imposed by the association are not unreasonable or excessive.

6. The association shall certify to the commissioner the estimated amount of any deficit remaining after the stabilization reserve fund has been exhausted in payment of the maximum final premium for all policyholders of the association. Within sixty days after that certification the commissioner shall authorize the members of the association to commence recoupment of their respective shares of the deficit by deducting their share of the deficit from past or future premium taxes due the state of Iowa. The association shall amend the amount of its certification of deficit to the commissioner as the values of its incurred losses become finalized and the members of the association shall amend their recoupment procedure accordingly.

7. In the event that sufficient funds are not available for the sound financial operation of the association, all members shall contribute to the financial requirements of the association in the manner provided for in section 519A.8. Any contribution shall be reimbursed to the members by recoupment as provided in subsection 6.  
[C77, 79, 81, §519A.5]
2002 Acts, ch 1111, §33

519A.6 Stabilization reserve fund.

1. There is created a stabilization reserve fund. The fund shall be administered by three directors, one of whom shall be the commissioner.
The remaining two directors shall be appointed by the commissioner. One shall be a representative of the association and the other a representative of its policyholders.

2. The directors shall act by majority vote with two directors constituting a quorum for the transaction of any business or the exercise of any power of the fund. The directors shall serve without salary, but each director other than the commissioner shall be reimbursed for actual and necessary expenses incurred in the performance of official duties as a director. The directors shall not be subject to any personal liability with respect to the administration of the fund for acts or decisions made in good faith pursuant to the provisions of this chapter.

3. Each policyholder shall pay to the association a stabilization reserve fund charge determined by the directors which shall not exceed the amount of one annual premium due for insurance through the association. Such charge shall be separately stated in the policy. The association shall cancel the policy of any policyholder who fails to pay the stabilization reserve fund charge.

4. The association shall promptly pay to the fund all stabilization reserve fund charges which it collects from its policyholders and any retrospective premium refunds payable under any group retrospective rating plan approved by the commissioner under the provisions of this chapter.

5. All moneys received by the fund shall be held in trust by a corporate trustee selected by the directors. The corporate trustee may invest the moneys held in trust, subject to the approval of the directors. All investment income shall be credited to the fund, and all expenses of administration of the fund shall be charged against the fund. The moneys held in trust shall be used solely for the purpose of discharging when due any retrospective premium charges payable by policyholders of the association under the group retrospective rating plan approved by the commissioner. Payment of retrospective premium charges shall be made by the directors upon certification to them by the commissioner under the provisions of this chapter.

Any moneys remaining in the fund after all such retrospective premium charges have been paid shall be returned to policyholders pursuant to procedures authorized by the directors.

[519A.7 Procedures.]

1. Upon a finding by the commissioner, after notice and opportunity for hearing, that medical malpractice insurance is not available at a reasonable cost for a specific type of licensed health care provider in the voluntary market and upon notification of that finding to the association, any licensed health care provider of the type specified in the commissioner’s finding shall be entitled to apply to the association for medical malpractice insurance coverage. The application may be made on behalf of a licensed health care provider by an authorized agent.

2. If the association determines that the applicant meets the underwriting standards of the association as prescribed in the plan of operation, then the association, upon receipt of the premium or such portion thereof as is prescribed in the plan of operation, shall cause to be issued a policy of medical malpractice insurance.

[519A.8 Participation.]

All members of the association shall participate in its writings, expenses, servicing allowance, management fees and losses in the proportion that the net direct premiums of each member, excluding that portion of premiums attributable to the operation of the association, written during the preceding calendar year bears to the aggregate net direct premiums written in this state by all members of the association. Each member’s proportion shall be determined annually on the basis of the annual statements and other reports filed by the insurer with the commissioner.

[519A.9 Governing board.]

1. The association shall be governed by a board of eleven directors of whom three shall be appointed annually by the commissioner to represent the licensed health care providers. Eight members shall be elected annually, except as provided in subsection 2, by the members of the association. Vacancies on the board shall be filled for the remaining period of the term by majority vote of the remaining directors subject to approval of the commissioner.

2. The commissioner shall designate a time and place for a meeting of the members of the association at which the eight elected members serving on the board shall be elected. The commissioner shall appoint the appointive members of the board on or before the date of the meeting.

The commissioner may, prior to the first meeting of the members of the association, appoint an interim governing board of the association consisting of eight member insurers and three representatives of the licensed health care providers. The eight member insurers of that interim governing board shall serve until their successors are elected by the members of the association. In appointing members of the association to the interim govern-

1. Any applicant or any person insured pursuant to section 519A.7, or a legal representative, or any affected insurer, may appeal to the commissioner within thirty days after any ruling, action or decision by or on behalf of the association, with respect to those items the plan of operation defines as appealable matters.

2. All orders of the commissioner made pursuant to sections 519A.2 to 519A.13 shall be subject to judicial review as provided in the Iowa administrative procedure Act, chapter 17A.

519A.11 Annual statements.

The association shall file in the office of the commissioner on or before the first day of March each year, a statement as prescribed by the commissioner. The statement shall contain matters and information required by the commissioner including, but not limited to, information with respect to its transactions, condition, operations and affairs during the preceding year, and shall be in a form approved by the commissioner. The commissioner may, at any time, require the association to furnish additional information with respect to matters considered to be material to the scope, operation and experience of the association.

519A.12 Examinations.

The commissioner shall make an examination of the association at least annually. The expenses of each examination shall be paid by the association.

519A.13 Privileged communications.

There shall be no liability on the part of, and no cause of action of any nature shall arise against the association, the commissioner, or any other person or organization, for any statements made in good faith by any of them in any report or communication concerning risks insured or to be insured by the association, or during any proceedings within the scope of sections 519A.2 to 519A.12 and this section.

For the purpose of this chapter, unless the context otherwise requires:

1. “Affiliate of”, or a person affiliated with, a specific person, shall mean a person who directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, the person specified.

2. The term “commissioner” shall mean the insurance commissioner, the commissioner’s deputies, or the insurance division, as appropriate.

3. “Control”, including controlling, controlled by, and under common control with, shall mean the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise, unless the power is solely the result of an official position with or a corporate office held by the person. Control shall be presumed to exist if any person, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing, ten percent or more of the voting securities of any other person. This presumption may be rebutted by showing that control does not exist in fact.

4. “Domestic insurer” means an insurer organized or created under the laws of this state except an insurer excluded under subsection 6.

5. “Insurance holding company system” shall consist of two or more affiliated persons, one or more of which is an insurer.

8. A “securityholder” of a specified person is one who owns any security of such person, includ-

d. Invest, reinvest, and trade in financial instruments as defined in section 511.8, subsection 22, for its own account, that of its parent, any subsidiary of its parent, or any affiliate or subsidiary.

4. Exemption from investment restrictions. Investments in common stock, preferred stock, debt obligations or other securities of subsidiaries made pursuant to subsection 3 of this section hereof shall not be subject to any of the otherwise applicable restrictions or prohibitions contained in the Code applicable to such investments of insurers.

5. Qualification of investment — when determined. Whether any investment pursuant to subsection 3 meets the applicable requirements of the subsection is to be determined before the investment is made by calculating the applicable investment limitations as though the investment had already been made, taking into account the then outstanding principal balance on all previous investments in debt obligations, and the value of all previous investments in equity securities as of the day they were made, net of any return of capital invested, excluding dividends.

6. Cessation of control. If an insurer ceases to control a subsidiary, it shall dispose of any investment therein made pursuant to this section within three years from the time of the cessation of control or within such further time as the commissioner may prescribe, unless at any time after such investment shall have been made, such investment shall have met the requirements for investment under any other section of the Code, and the insurer has notified the commissioner thereof.

For purposes of this section a domestic insurer shall include any other person controlling a domestic insurer unless the other person is either directly or through its affiliates primarily engaged in business other than the business of insurance. However, for purposes of this section “person” does not include a securities broker holding, in the usual and customary broker’s function, less than twenty percent of the voting securities of an insurance company or of a person which controls an insurance company.

2. Content of statement. The statement to be filed with the commissioner hereunder shall be made under oath or affirmation and shall contain the following information:

Section 521A.4 Registration of insurers.

1. Registration. An insurer which is authorized to do business in this state and which is a member of an insurance holding company system shall register with the commissioner, except a foreign insurer subject to registration requirements and standards which are substantially similar to those contained in this section and section 521A.5, subsection 4 in each state in which that insurer is subject to registration and annually thereafter by March 31 of each year for the previous calendar year unless the commissioner for good cause shown extends the time for registration, and then within the extended time. Not less than seven days’ notice of the public hearing shall be given by the person filing the statement to the insurer and to such other persons as may be designated by the commissioner. The commissioner shall make a determination within thirty days after the conclusion of the hearing. At the hearing, the person filing the statement, the insurer, any person to whom notice of hearing was sent, and any other person whose interests may be affected shall have the right to present evidence, examine and cross-examine witnesses, and offer oral and written arguments and in connection therewith shall be entitled to conduct discovery proceedings in the same manner as is presently allowed in the district court of this state. All discovery proceedings shall be concluded not later than three days prior to the commencement of the public hearing.

c. The commissioner may retain any attorneys, actuaries, accountants, and other experts not otherwise a part of the commissioner’s staff as may be reasonably necessary to assist the commissioner in reviewing the proposed merger or acquisition of control, the reasonable cost of which shall be paid by the acquiring party.

b. It is otherwise not comprehended within the purposes of this section.

6. Violations. The following shall be violations of this section:

a. The failure to file any statement, amendment, or other material required to be filed pursuant to subsection 1 or 2 of this section.

1. Registration. An insurer which is authorized to do business in this state and which is a member of an insurance holding company system shall register with the commissioner, except a foreign insurer subject to registration requirements and standards which are substantially similar to those contained in this section and section 521A.5, subsection 1, paragraph “a”, and are adopted by statute or regulation in the jurisdiction of its domicile. The insurer shall also file a copy of the summary of its registration statement as required by subsection 4 in each state in which that insurer is authorized to do business if requested to do so by the commissioner of that state. An insurer which is subject to registration under this section shall register within fifteen days after it becomes subject to registration and annually thereafter by March 31 of each year for the previous calendar year unless the commissioner for good cause shown extends the time for registration, and then within the extended time. The commissioner may require any authorized insurer which is a member of a holding company system which is not subject to registration under this section to furnish a copy of the registration statement or other information filed by the insurance company with the insurance regulatory authority of the company’s domiciliary jurisdiction.

2. Information and form required. Every insurer subject to registration shall file a registration statement on a form prescribed by the commissioner, which may be a form provided by the national association of insurance commissioners, which shall contain current information about:

(1) Loans, other investments, or purchases, sales, or exchanges of securities of the affiliates by the insurer or of the insurer by its affiliates.

(2) Purchases, sales, or exchanges of assets.

(3) Transactions not in the ordinary course of business.

(4) Guarantees or undertakings for the benefit of an affiliate which result in an actual contingent exposure of the insurer’s assets to liability, other than insurance contracts entered into in the ordinary course of the insurer’s business.

(5) All management and service contracts and all cost-sharing arrangements, other than cost allocation arrangements based upon generally accepted accounting principles.

(6) Reinsurance agreements.

(7) Dividends and other distributions to shareholders.

(8) Consolidated tax allocation agreements.

d. A pledge of the insurer’s stock, including stock of a subsidiary or controlling affiliate, for a loan made to a member of the insurance holding company system.

e. Other matters concerning transactions between registered insurers and any affiliates as may be included from time to time in any registration forms adopted or approved by the commissioner.

3. Materiality. Information need not be disclosed on the registration statement filed pursuant to subsection 2 if the information is not material for the purposes of this section. Unless the commissioner by rule or order provides otherwise, sales, purchases, exchanges, loans or extensions of credit, or investments or guarantees involving one-half of one percent or less of an insurer’s admitted assets as of the next preceding December 31 are not material for purposes of this section.

4. Reporting of dividends to shareholders. Subject to section 521A.5, subsection 3, a registered insurer shall report to the commissioner all dividends and other distributions to shareholders within fifteen days following the declaration of the dividends or distributions.

5. Summary of registration statement. All registration statements shall contain a summary outlining all items in the current registration statement representing changes from the next preceding registration statement.

6. Information of insurers. Any person within an insurance holding company system subject to registration is required to provide complete and accurate information to an insurer if the information is reasonably necessary to enable the insurer to comply with this chapter.

7. Termination of registration. The commissioner shall terminate the registration of any insurer which demonstrates that it no longer is a member of an insurance holding company system.

8. Consolidated filing. The commissioner may require or allow two or more affiliated insurers subject to registration hereunder to file a consolidated registration statement or consolidated reports amending their consolidated registration statement or their individual registration statements.

9. Alternative registration. The commissioner may allow an insurer which is authorized to do business in this state and which is part of an insurance holding company system to register on behalf of any affiliated insurer which is required to register under subsection 1 of this section and to file all information and material required to be filed under this section.

10. Exemptions. The provisions of this section shall not apply to any insurer, information or transaction if and to the extent that the commissioner by rule, regulation, or order shall exempt the same from the provisions of this section.

11. Disclaimer. Any person may file with the commissioner a disclaimer of affiliation with any authorized insurer or such a disclaimer may be filed by such insurer or any member of an insurance holding company system. After a disclaimer has been filed, the insurer shall be relieved of any duty to register or report under this section which may arise out of the insurer’s relationship with such person unless and until the commissioner disallows such a disclaimer. The commissioner shall disallow such a disclaimer only after furnishing all parties in interest with notice and opportunity to be heard and after making specific findings of fact to support such disallowance.

521A.5 Standards.

1. Transactions within a holding company system affecting domestic insurers.

a. Material transactions by registered insurers with their affiliates are subject to the following standards:

(1) The terms shall be fair and reasonable.

(2) Charges or fees for services performed shall be reasonable.

(3) Expenses incurred and payment received shall be allocated to the insurer in conformity with customary and consistently applied insurance accounting practices.
The books, accounts, and records of each party shall be so maintained as to clearly and accurately disclose the precise nature and details of the transactions.

After any material transaction with an affiliate and after any dividends or distributions to shareholder affiliates, the insurer’s surplus as regards policyholders shall be reasonable in relation to the insurer’s outstanding liabilities and adequate to its financial needs.

A domestic insurer and a person in its holding company system shall not enter into any of the following transactions between each other involving amounts equal to or exceeding three percent of a nonlife insurer’s admitted assets or twenty-five percent of the surplus as regards policyholders with respect to nonlife insurers, and equal to or exceeding three percent of the insurer’s admitted assets with respect to life insurers, each as of the next preceding December 31, unless the domestic insurer notifies the commissioner in writing of its intention to enter into the transaction at least thirty days prior to entering into the transaction or within a shorter time permitted by the commissioner and the commissioner has not disapproved of the transaction within the time period:

1. Sales.
2. Purchases.
3. Exchanges.
4. Loans or extensions of credit.
5. Guarantees.
6. Investments.
7. Loans or extensions of credit to a person who is not an affiliate, if the domestic insurer makes the loans or extensions of credit with the agreement or understanding that the proceeds of the transactions, in whole or in substantial part, are to be used to make loans or extensions of credit to, to purchase assets of, or to make investments in, an affiliate of the domestic insurer making the loans or extensions of credit.

A domestic insurer and a person in its holding company system shall not enter into any of the following transactions between each other involving at least one-half of one percent of the insurer’s surplus as of the next preceding December 31.

Any material transactions specified by either paragraph (7) Loans or extensions of credit to a person who is not an affiliate, if the domestic insurer makes the loans or extensions of credit with the agreement or understanding that the proceeds of the transactions, in whole or in substantial part, are to be used to make loans or extensions of credit to, to purchase assets of, or to make investments in, an affiliate of the domestic insurer making the loans or extensions of credit.

The books, accounts, and records of each party shall be so maintained as to clearly and accurately disclose the precise nature and details of the transactions.

(2) All management agreements, service contracts, and all other cost-sharing arrangements involving at least one-half of one percent of the insurer’s surplus as of the next preceding December 31.

(3) Any material transactions specified by rule which the commissioner determines may adversely affect the interests of the domestic insurer’s policyholders.

This subsection does not authorize or permit any transactions which in the case of an insurer would be otherwise contrary to law.

A domestic insurer shall not enter into transactions which are part of a plan or series of like transactions with a person or persons within the holding company system if the purpose of those separate transactions is to avoid the statutory threshold amount and thus avoid the review that would occur otherwise. If the commissioner determines that such separate transactions were entered into over a twelve-month period for that purpose, the commissioner may exercise the authority under section 521A.10.

The commissioner, in reviewing transactions pursuant to paragraphs “b” and “c”, shall consider whether the transactions comply with the standards set forth in paragraph “a”.

A domestic insurer shall notify the commissioner within thirty days of an investment of the insurer in a corporation if the total investment in the corporation by the insurance holding company system exceeds ten percent of the corporation’s voting securities.

2. Adequacy of surplus. For purposes of this chapter in determining whether an insurer’s surplus as regards policyholders is reasonable in relation to the insurer’s outstanding liabilities and adequate to its financial needs, the following factors, among others, shall be considered:

a. The size of the insurer as measured by its assets, capital and surplus, reserves, premium writings, insurance in force and other appropriate criteria.

b. The extent to which the insurer’s business is diversified among the several lines of insurance.

c. The number and size of risks insured in each line of business.

d. The extent of the geographical dispersion of the insurer’s insured risks.

e. The nature and extent of the insurer’s reinsurance program.

f. The quality, diversification, and liquidity of the insurer’s investment portfolio.

g. The recent past and projected future trend in the size of the insurer’s surplus as regards policyholders.

h. The surplus as regards policyholders maintained by other comparable insurers.

i. The adequacy of the insurer’s reserves.
The quality and liquidity of investments in subsidiaries made pursuant to section 521A.2. The commissioner may treat any such investment as a disallowed asset for purposes of determining the adequacy of surplus as regards policyholders whenever in the commissioner’s judgment such investment so warrants.

The quality of the company’s earnings and the extent to which the reported earnings include extraordinary items.

3. Dividends and other distributions.
   a. A domestic insurer may declare and pay dividends to its shareholders only from earned surplus.

   For the purposes of this paragraph, “earned surplus” means surplus as regards policyholders less paid-in and contributed surplus, and may include a fair revaluation of assets by the board of directors that is reasonable under the circumstances. Assets revalued by the board of directors cannot be included in earned surplus until thirty days after the commissioner has received notice of the revaluation and has approved the revaluation. The commissioner shall approve or disapprove the revaluation within thirty days after receiving notice of the revaluation unless for good cause the commissioner extends the approval period for an additional thirty days.

   b. A domestic insurer shall not pay any extraordinary dividend or make any other extraordinary distribution to its shareholders until thirty days after the commissioner has received notice of the declaration of the dividend or distribution and has not disapproved such payment within the period, or until the time the commissioner has approved the payment within the thirty-day period.

   For purposes of this paragraph, an “extraordinary dividend or distribution” includes any dividend or distribution of cash or other property, whose fair market value together with that of other dividends or distributions made within the preceding twelve months exceeds the greater of the following:

   (1) Ten percent of insurer’s surplus as regards policyholders as of the thirty-first day of December next preceding.

   (2) The net gain from operations of the insurer, if the insurer is a life insurer, or the net income, if the insurer is not a life insurer, for the twelve-month period ending the thirty-first day of December next preceding.

   An extraordinary dividend or distribution does not include pro rata distributions of any class of the insurer’s own securities.

   c. A domestic insurer subject to registration under section 521A.4 shall report to the commissioner all dividends to shareholders within five business days following the declaration of the dividends and not less than fourteen days prior to the payment of the dividends. This report shall also include a schedule setting forth all dividends or other distributions made within the previous twelve months.

   d. Notwithstanding any other provision of law, a domestic insurer may declare an extraordinary dividend or distribution which is conditional upon the commissioner’s approval of the dividend or distribution. Such declaration does not confer any rights upon shareholders until the commissioner has approved the payment of the dividend or distribution or the commissioner has not disapproved the payment within the thirty-day period as provided in paragraph "b".

521A.6 Examination.

1. Power of commissioner. Subject to the limitation contained in this section and in addition to the powers which the commissioner has under chapter 507 relating to the examination of insurers, the commissioner may also order an insurer registered under section 521A.4 to produce records, books, or other information papers in the possession of the insurer or its affiliates as reasonably necessary to ascertain the financial condition of the insurer or to determine compliance with this chapter. If the insurer fails to comply with the order, the commissioner may examine the affiliates to obtain the information.

2. Use of consultants. The commissioner may retain at the registered insurer’s expense such attorneys, actuaries, accountants and other experts not otherwise a part of the commissioner’s staff as shall be reasonably necessary to assist in the conduct of the examination under subsection 1 of this section. Any persons so retained shall be under the direction and control of the commissioner and shall act in a purely advisory capacity.

3. Expenses. Each registered insurer producing for examination records, books and papers pursuant to subsection 1 of this section shall be liable for and shall pay the expense of such examination in accordance with section 507.7.

affiliates who would be affected thereby, notice and opportunity to be heard, determines that the interests of policyholders, shareholders or the public will be served by the publication thereof, in which event the commissioner may publish all or any part thereof in such manner as the commissioner may deem appropriate.

§521A.9 Injunctions — prohibitions against voting securities — sequestration of voting securities.

1. Injunctions. Whenever it appears to the commissioner that any insurer or any director, officer, employee or agent thereof has committed or is about to commit a violation of this chapter or any rule, regulation, or order issued by the commissioner hereunder, the commissioner may apply to the district court of the county in which the principal office of the insurer is located or if such insurer has no such office in this state then to the district court of Polk county or the district court for the county in which the insurer has its principal place of business, or unless the district court has so ordered. If the commissioner seize or sequester any voting securities.

In any case where a person has acquired or is proposing to acquire any voting securities in violation of this chapter or any rule, regulation or order issued by the commissioner hereunder, the district court of Polk county or the district court for the county in which the insurer has its principal place of business may, on such notice as the court deems appropriate, upon the application of the insurer or the commissioner seize or sequester any voting securities of the insurer owned directly or indirectly by such person, and issue such orders with respect thereto as may be appropriate to effectuate the provisions of this chapter. Notwithstanding any other provisions of law, for the purposes of this chapter the situs of the ownership of the securities of domestic insurers shall be deemed to be in this state.

§521A.10 Sanctions and penalties.

1. If the commissioner finds after notice and hearing that a person subject to registration under section 521A.4 failed without just cause to file a registration statement as required in this chapter, the person shall be required to pay a penalty of one thousand dollars for each day’s delay. The penalty shall be recovered by the commissioner and paid into the state general fund. The maximum penalty under this section is ten thousand dollars. The commissioner may reduce the penalty if the person demonstrates that the imposition of the penalty would constitute a financial hardship to the person.

2. a. A director or officer of an insurance holding company system who does any of the following is subject to the civil penalty imposed under paragraph “b”:

(1) Knowingly participates in or assents to transactions or investments which have not been properly reported or submitted pursuant to section 521A.4 or section 521A.5, subsection 1, paragraph “b”.

(2) Knowingly permits any of the officers or agents of an insurer to engage in transactions or make investments which have not been properly reported or submitted pursuant to section 521A.4 or section 521A.5, subsection 1, paragraph “b”.

(3) Knowingly violates any other provision of this chapter.

b. An officer or director of an insurance holding company system who commits any of the acts or omissions listed in paragraph “a” shall pay, in
§521A.10, INSURANCE HOLDING COMPANY SYSTEMS

In determining the amount of the civil penalty, the commissioner shall take into account the appropriateness of the penalty with respect to the gravity of the violation, the history of previous violations, and such other matters as justice may require.

3. If it appears to the commissioner that an insurer subject to this chapter has engaged in a transaction or entered into a contract which is subject to section 521A.5 and which would not have been approved had approval been requested, the commissioner may order the insurer to immediately cease and desist any further activity under that transaction or contract. After notice and hearing, the commissioner may also order the insurer to void any contracts and restore the status quo if the commissioner finds that action is in the best interest of the policyholders, creditors, or the public.

4. If it appears to the commissioner that an insurer or a director, officer, agent, or employee of an insurer has committed a willful violation of this chapter, the commissioner may institute criminal proceedings against the insurer or the responsible director, officer, agent, or employee in the district court for the county in which the principal office of the insurer is located, or if the insurer has no office in this state, then in the district court for Polk County. An insurer or individual who willfully violates this chapter is guilty of a class “D” felony.

5. A director or officer, or employee of an insurance holding company system who willfully and knowingly subscribes to or makes or causes to be made any false statements, false reports, or false filings with the intent to deceive the commissioner in the performance of the commissioner’s duties under this chapter is guilty of a class “D” felony. Any fines imposed shall be paid by the director, officer, or employee in the person’s individual capacity.

§521A.11 Receivership.

Whenever it appears to the commissioner that any person has committed a violation of this chapter which so impairs the financial condition of a domestic insurer as to threaten insolvency or make the further transaction of business by it hazardous to its policyholders, creditors, shareholders or the public, then the commissioner may proceed as provided in section 505.9 to take possession of the property of such domestic insurer and to conduct the business thereof.

§521A.11A Recovery.

1. Subject to subsections 2 through 4, if an order for liquidation, conservation, or rehabilitation of a domestic insurer has been entered, the receiver appointed under the order may recover on behalf of the insurer either of the following if made within one year preceding the filing of the petition for liquidation, conservation, or rehabilitation:

   a. From a parent corporation, holding company, affiliate, or other person who otherwise controlled the insurer, the amount of distributions, other than distributions of shares of the same class of stock, paid by the insurer on its capital stock.

   b. Any payment in the form of a bonus, termination settlement, or extraordinary lump sum salary adjustment made by the insurer or a subsidiary of the insurer to a director, officer, agent, or employee.

2. A distribution is not recoverable if the parent holding company, affiliate, or other person shows that when the distribution was paid it was lawful and reasonable, and that the insurer did not know and could not reasonably have known that the distribution might adversely affect the ability of the insurer to fulfill its contractual obligations.

3. A parent corporation, holding company, affiliate, or other person who otherwise controlled the insurer or affiliate at the time the distributions were paid is liable only up to the amount of distributions or payments under subsection 1 that the person received. A person who otherwise controlled the insurer at the time the distributions were declared is liable only up to the amount of distributions the person would have received if the person had been paid immediately. If two or more persons are liable with respect to the same distributions, each shall be separately liable for their distributive share.

4. The maximum amount recoverable under this section shall be the amount needed in excess of all other available assets of the impaired or insolvent insurer to pay the contractual obligations of the impaired or insolvent insurer and to reimburse any guaranty funds.

5. To the extent that a person liable under subsection 3 is insolvent or otherwise fails to pay claims due from the person pursuant to this section, the person’s parent corporation, holding company, affiliate, or other person who otherwise controlled it at the time the distribution was paid, is separately liable for its share of any resulting deficiency in the amount recovered from the parent corporation, holding company, affiliate, or other person who otherwise controlled it.

§521A.12, INSURANCE HOLDING COMPANY SYSTEMS

Whenever it appears to the commissioner that any person has committed a violation of this chapter which makes the continued operation of an insurer contrary to the interest of policyholders or

521A.14 Mutual insurance holding companies.

1. a. A domestic mutual insurance company, upon approval of the commissioner, may reorganize by forming an insurance holding company based upon a mutual plan and continuing the corporate existence of the reorganizing insurance company as a stock insurance company. The commissioner, after a public hearing as provided in section 521A.3, subsection 4, paragraph “b”, if satisfied that the interests of the policyholders are properly protected and that the plan of reorganization is fair and equitable to the policyholders, may approve the proposed plan of reorganization and may require as a condition of approval such modifications of the proposed plan of reorganization as the commissioner finds necessary for the protection of the policyholders’ interests. The commissioner may retain consultants as provided in section 521A.3, subsection 4, paragraph “c”. A reorganization pursuant to this section is subject to section 521A.3, subsections 1, 2, and 3. The commissioner shall retain jurisdiction over a mutual insurance holding company organized pursuant to this section to assure that policyholder interests are protected.

b. All of the initial shares of the capital stock of the reorganized insurance company shall be issued to the mutual insurance holding company. The membership interests of the policyholders of the reorganized insurance company shall become membership interests in the mutual insurance holding company. Policyholders of the reorganized insurance company shall be members of the mutual insurance holding company organized pursuant to this section to assure that policyholder interests are protected.

c. All of the initial shares of the capital stock of the reorganized insurance company shall be issued to the mutual insurance holding company. The membership interests of the policyholders of the reorganized insurance company shall become membership interests in the mutual insurance holding company. Policyholders of the reorganized insurance company shall be members of the mutual insurance holding company organized pursuant to this section to assure that policyholder interests are protected.

2. a. A domestic mutual insurance company, upon the approval of the commissioner, may reorganize by merging its policyholders’ membership interests into a mutual insurance holding company formed pursuant to subsection 1 and continuing the corporate existence of the reorganizing insurance company as a stock insurance company subsidiary of the mutual insurance holding company. The commissioner, after a public hearing as provided in section 521A.3, subsection 4, paragraph “b”, if satisfied that the interests of the policyholders are properly protected and that the merger is fair and equitable to the policyholders, may approve the proposed merger and may require as a condition of approval such modifications of the proposed merger as the commissioner finds necessary for the protection of the policyholders’ interests. The commissioner may retain consultants as provided in section 521A.3, subsection 4, paragraph “c”. A merger pursuant to this section is subject to section 521A.3, subsections 1, 2, and 3. The commissioner shall retain jurisdiction over the mutual insurance holding company organized pursuant to this section to assure that policyholder interests are protected.

b. All of the initial shares of the capital stock of the reorganized insurance company shall be issued to the mutual insurance holding company. Policyholders of the reorganized insurance company shall be members of the mutual insurance holding company organized pursuant to this section to assure that policyholder interests are protected.

c. A foreign mutual insurance company, or a foreign health service corporation, which if a domestic corporation would be organized under chapter 514, may reorganize upon the approval of the commissioner and in compliance with the requirements of any law or regulation which is applicable to the foreign mutual insurance company or foreign health service corporation by merging its policyholders’ or subscribers’ membership interests into a mutual insurance holding company formed pursuant to subsection 1 and continuing the corporate existence of the reorganizing foreign mutual insurance company or reorganizing foreign health service corporation as a foreign stock insurance company subsidiary of the mutual insurance holding company. The commissioner, after a public hearing as provided in section 521A.3, subsection 4, paragraph “b”, may approve the pro-
posed merger. The commissioner may retain consultants as provided in section 521A.3, subsection 4, paragraph "c". A merger pursuant to this paragraph is subject to section 521A.3, subsections 1, 2, and 3. The reorganizing foreign mutual insurance company or reorganizing foreign health service corporation may remain a foreign company or foreign corporation after the merger, and may be admitted to do business in this state. A foreign mutual insurance company or foreign mutual health service corporation which is a party to the merger may at the same time redomesticate in this state by complying with the applicable requirements of this state and its state of domicile. The provisions of paragraph "b" shall apply to a merger authorized under this paragraph, except that a reference to policyholders in that paragraph is also deemed to include subscribers in the case of a health service corporation.

3. A mutual insurance holding company resulting from the reorganization of a domestic mutual insurance company organized under chapter 491 shall be incorporated pursuant to chapter 491. This requirement shall supersede any conflicting provisions of section 491.1. The articles of incorporation and any amendments to such articles of the mutual insurance holding company shall be subject to approval of the commissioner and the attorney general in the same manner as those of an insurance company.

4. A mutual insurance holding company is deemed to be an insurer subject to chapter 507C and shall automatically be a party to any proceeding under chapter 507C involving an insurance company which as a result of a reorganization pursuant to subsection 1 or 2 is a subsidiary of the mutual insurance holding company. In any proceeding under chapter 507C involving the reorganized insurance company, the assets of the mutual insurance holding company are deemed to be assets of the estate of the reorganized insurance company for purposes of satisfying the claims of the reorganized insurance company's policyholders. A mutual insurance holding company shall not dissolve or liquidate without the approval of the commissioner or as ordered by the district court pursuant to chapter 507C.

7. The majority of the voting shares of the capital stock of the reorganized insurance company, which is required by this section to be at all times owned by a mutual insurance holding company, shall not be conveyed, transferred, assigned, pledged, subjected to a security interest or lien, encumbered, or otherwise hypothecated or alienated by the mutual insurance holding company or intermediate holding company. Any conveyance, transfer, assignment, pledge, security interest, lien, encumbrance, or hypothecation or alienation of, in or on the majority of the voting shares of the reorganized insurance company which is required by this section to be at all times owned by a mutual insurance holding company, is in violation of this section and shall be void in inverse chronological order of the date of such conveyance, transfer, assignment, pledge, security interest, lien, encumbrance, or hypothecation or alienation, as to the shares necessary to constitute a majority of such voting shares. The majority of the voting shares of the capital stock of the reorganized insurance company which is required by this section to be at all times owned by a mutual insurance holding company shall not be subject to execution and levy as provided in chapter 626. The shares of the capital stock of the surviving or new company resulting from a merger or consolidation of two or more reorganized insurance companies or two or more intermediate holding companies which were subsidiaries of the same mutual insurance holding company are subject to the same requirements, restrictions, and limitations as provided in this section to which the shares of the merging or consolidating reorganized insurance companies or intermediate holding companies were subject by this section prior to the merger or consolidation.

As used in this section, “majority of the voting shares of the capital stock of the reorganized insurance company” means shares of the capital stock of the reorganized insurance company which carry the right to cast a majority of the votes entitled to be cast by all of the outstanding shares of the capital stock of the reorganized insurance company for the election of directors and on all other matters submitted to a vote of the shareholders of the reorganized insurance company. The ownership of a majority of the voting shares of the capital stock of the reorganized insurance company which are required by this section to be at all times owned by a parent mutual insurance holding company includes indirect ownership through one or more intermediate holding companies in a corporate structure approved by the commissioner. However, indirect ownership through one or more intermediate holding companies shall not result in the mutual insurance holding company owning less than the equivalent of a majority of the voting shares of the capital stock of the reorganized in-

§521B.2. CREDIT FOR REINSURANCE

4. a. Credit is allowed if the reinsurance is ceded to an assuming insurer which maintains a trust fund in a qualified United States financial institution, as defined in section 521B.4, subsection 2, for the payment of the valid claims of its United States policyholders and ceding insurers, their assigns, and successors in interest. The assuming insurer shall report annually to the commissioner information substantially the same as that required to be reported on the national association of insurance commissioners’ annual statement form by licensed insurers to enable the commissioner to determine the sufficiency of the trust fund. In the case of a single assuming insurer, the trust shall consist of a trusted account representing the liabilities of the assuming insurer attributable to business written in the United States and, in addition, the assuming insurer shall maintain a trusted surplus of not less than twenty million dollars. In the case of a group including individual unincorporated and incorporated underwriters, the trust shall consist of a trusted account representing the liabilities of the group attributable to business written in the United States and, in addition, the group shall maintain a trusted surplus of which one hundred million dollars shall be held jointly for the benefit of United States ceding insurers of any member of the group. The incorporated members of the group shall not engage in any business other than underwriting as a member of the group and shall be subject to the same level of solvency regulation and control by the group’s domiciliary regulator as are the unincorporated members. The group shall make available to the commissioner an annual certification of the solvency of each underwriter by the group’s domiciliary regulator and its independent public accountants.

b. In the case of a group of incorporated insurers under common administration which complies with the filing requirements contained in paragraph “a”, which is under the supervision of the department of trade and industry of the United Kingdom, which submits to the authority of this state to examine its books and records and bears the expense of the examination, and which has aggregate policyholders’ surplus of at least ten billion dollars, the trust shall be in an amount equal to the several liabilities of the group attributable to business written in the United States. The group shall also maintain a joint trusted surplus of which one hundred million dollars shall be held jointly for the benefit of United States ceding insurers of any member of the group, and each member of the group shall make available to the commissioner an annual certification of the member’s solvency by the member’s domiciliary regulator and its independent public accountant.

c. Such trust shall be established in a form approved by the commissioner. The trust instrument shall provide that contested claims are valid and enforceable upon the final order of any court of competent jurisdiction in the United States. The trust vests legal title to its assets in the trustees of the trust for its United States policyholders and ceding insurers, their assigns, and successors in interest. The trust and the assuming insurer are subject to examination as determined by the commissioner. The trust described in this paragraph must remain in effect for as long as the assuming insurer has outstanding obligations due under the reinsurance agreements subject to the trust.

d. No later than February 28 of each year the trustees of the trust shall report to the commissioner in writing setting forth the balance of the trust and listing the trust’s investments at the end of the preceding calendar year and shall certify the date of termination of the trust, if so planned, or certify that the trust shall not expire prior to the following December 31.

5. Credit is allowed if the reinsurance is ceded to an assuming insurer not meeting the requirements of subsection 1, 2, 3, or 4, but only with respect to the insurance of risks located in a jurisdiction where such reinsurance is required by applicable law or regulation of that jurisdiction. For purposes of this subsection, jurisdiction refers to a jurisdiction other than the United States, and any state, district, or territory of the United States. This subsection allows credit to ceding insurers which are mandated by such a jurisdiction to cede reinsurance to state owned or controlled insurance or reinsurance companies or to participate in pools, guaranty funds, or joint underwriting associations.

6. a. If the assuming insurer is not licensed or accredited to transact insurance or reinsurance in this state, the credit permitted by subsection 3 or 4 is not allowed unless the assuming insurer agrees in the reinsurance agreements to both of the following:

(1) That in the event of the failure of the assuming insurer to perform its obligations under the terms of the reinsurance agreement, the assuming insurer, at the request of the ceding insurer, shall submit to the jurisdiction of any court of competent jurisdiction in any state of the United States, shall comply with all requirements necessary to give such court jurisdiction, and shall abide by the final decision of such court or of any appellate court in the event of an appeal.

(2) That the commissioner or an attorney designated in the agreement is the true and lawful attorney of the assuming insurer upon whom may be served any lawful process in any action, suit, or proceeding instituted by or on behalf of the ceding company.

b. This subsection is not intended to conflict with or override the obligation of the parties to a reinsurance agreement to arbitrate their dis-

A reduction from liability for the reinsurance ceded by a domestic insurer to an assuming insurer not meeting the requirements of section 521B.2 is allowed in an amount not exceeding the liabilities carried by the ceding insurer and the reduction shall be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the ceding insurer, under a reinsurance contract with the assuming insurer as security for the payment of obligations under the reinsurance contract, if such security is held in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer, or in the case of a trust, held in a qualified United States financial institution, as defined in section 521B.4, subsection 2. This security may be held in the form of any of the following:

1. Cash.
2. Securities listed by the securities valuation office of the national association of insurance commissioners and qualifying as admitted assets.
3. Clean, irrevocable, unconditional letters of credit, issued or confirmed by a qualified United States financial institution, as defined in section 521B.4, subsection 2, no later than December 31 of the year for which filing is being made, and in the possession of the ceding insurer on or before the filing date of its annual statement.

Letters of credit meeting applicable standards of issuer acceptability as of the dates of their issuance or confirmation shall, notwithstanding the subsequent failure of the issuing or confirming institution or subsequent failure to meet applicable standards of issuer acceptability, continue to be acceptable as security until their expiration, extension, renewal, modification, or amendment, whichever first occurs.

4. Any other form of security acceptable to the commissioner.

Notwithstanding this subsection, the commissioner or the national association of insurance commissioners may provide the report to the insurance regulatory agencies of other states.
94 Acts, ch 1176, §17

521D.3 Report of acquisition and disposition of assets — information required — scope.

An insurer is deemed to have ceded substantially all of its direct and assumed business to a pool if the insurer has less than one million dollars total direct plus assumed written premiums during a calendar year that are not subject to a pooling arrangement, and the net income of the business not subject to the pooling arrangement represents less than five percent of the insurer’s capital and surplus.
94 Acts, ch 1176, §18

1. A nonrenewal, cancellation, or revision of a ceded reinsurance agreement need not be reported pursuant to section 521D.2 if the nonrenewal, cancellation, or revision is not material. 2. Notwithstanding subsection 1, a filing is not required if the insurer’s ceded written premium represents, on an annualized basis, less than ten percent of direct plus assumed written premium, or the total reserve credit taken for business ceded represents, on an annualized basis, less than ten percent of the statutory reserve requirement prior to any cession.

3. A report required to be filed pursuant to this chapter is to be filed regardless of who has initiated the nonrenewal, cancellation, or revision of the ceded reinsurance agreement whenever one or more of the following conditions exist:

a. The entire cession has been canceled, nonrenewed, or revised and ceded indemnity and loss adjustment expense reserves, after any nonrenewal, cancellation, or revision, represent less than fifty percent of the comparable reserves that would have been ceded had the nonrenewal, cancellation, or revision not occurred.

b. An authorized or accredited reinsurer has been replaced on an existing cession by an unauthorized reinsurer.

c. Collateral requirements previously established for unauthorized reinsurers have been reduced.

Subject to the materiality criteria, for purposes of paragraphs “b” and “c”, a report shall be filed if the result of the revision affects more than ten percent of the cession.

4. A report of a material nonrenewal, cancellation, or revision of a ceded reinsurance agreement required to be filed shall include all of the following:

An insurer is deemed to have ceded substantially one hundred percent of its direct and assumed business to a pool if the insurer has less than one million dollars of total direct plus assumed written premiums during a calendar year that are not subject to the pooling agreement or arrangement and the net income of the business not subject to the pooling agreement or arrangement represents less than five percent of the insurer’s capital and surplus. If a group of insurers reports on a consolidated basis, the report shall identify the individual insurers that are members of the group.

However, notification by the commissioner pursuant to this paragraph does not constitute a company-action-level event if the insurer has challenged the determination of the commissioner pursuant to section 521E.7.

The risk-based capital plan or revised risk-based capital plan shall be submitted within forty-five days after the occurrence of the regulatory-action-level event, except as follows:

a. If the insurer challenges an adjusted risk-based capital report pursuant to section 521E.7, and in the judgment of the commissioner the challenge is not frivolous, within forty-five days after the notification to the insurer that the commissioner, after a hearing pursuant to section 521E.7, has rejected the insurer’s challenge.

b. If the insurer challenges a revised risk-based capital plan pursuant to section 521E.7, and in the judgment of the commissioner the challenge is not frivolous, within forty-five days after the notification to the insurer that the commissioner, after a hearing pursuant to section 521E.7, has rejected the insurer’s challenge.

4. The commissioner may retain actuaries, investment experts, and other consultants as deemed necessary by the commissioner to review the insurer’s risk-based capital plan or revised risk-based capital plan; examine or analyze the assets, liabilities, and operations of the insurer; and assist in the formulation of the corrective order with respect to the insurer. e. Failure of the insurer to respond to the corrective order in a manner satisfactory to the commissioner after the insurer has challenged the corrective order pursuant to section 521E.7, and the commissioner, after a hearing pursuant to section 521E.7, has rejected the challenge or modified the corrective order.

2. In the event of an authorized-control-level event the commissioner shall do either of the following:

a. Take action as required pursuant to section 521E.4 in the same manner as if a regulatory-action-level event has occurred.

b. Take action as necessary to cause the insurer to be placed under supervision or other regulatory control under chapter 507C, if the commissioner deems such action to be in the best interests of the policyholders and creditors of the insurer and of the public. If the commissioner takes action pursuant to this paragraph, the authorized-control-level event is deemed sufficient grounds for the commissioner to take action pursuant to chapter 507C, and the commissioner has the rights, powers, and duties with respect to the insurer as set forth in chapter 507C. If the commissioner takes action under this paragraph pursuant to an adjusted risk-based capital report, the insurer is entitled to the protections afforded to insurers under the provisions of chapter 17A relating to summary proceedings.

deemed sufficient grounds for the commissioner to take action pursuant to chapter 507C, and the commissioner shall have the rights, powers, and duties with respect to the insurer as set forth in chapter 507C. If the commissioner takes action pursuant to an adjusted risk-based capital report, the insurer is entitled to the protections of chapter 17A pertaining to summary proceedings. Notwithstanding the provisions of this paragraph, the commissioner may forego any action pursuant to this paragraph for up to ninety days after the mandatory-control-level event if the commissioner finds a reasonable expectation exists that the mandatory-control-level event may be eliminated within the ninety-day period.

In either event, the mandatory-control-level event is deemed sufficient grounds for the commissioner to take action under chapter 507C and the commissioner shall have the rights, powers, and duties with respect to the insurer as set forth in chapter 507C. If the commissioner takes action pursuant to an adjusted risk-based capital report, the insurer is entitled to the protections of chapter 17A pertaining to summary proceedings. §521G.4, PROTECTED CELL COMPANIES

521G.4 Establishment of protected cells.
1. A protected cell company may establish one or more protected cells with the prior written approval of the commissioner of a plan of operation or amendments to such plan submitted by the protected cell company with respect to each protected cell related to an insurance securitization. The plan shall include, but not be limited to, the specific business objectives and investment guidelines of the protected cell company. Upon the written approval of the commissioner of the plan of operation, the protected cell company, consistent with the approved plan of operation, may attribute to the protected cell insurance obligations with respect to its insurance business and obligations relating to the insurance securitization and assets to fund the obligations. A protected cell shall have its own distinct name or designation, which shall include the words "protected cell". The protected cell company shall transfer all assets attributable to a protected cell to one or more separately established and identified protected cell accounts bearing the name or designation of that protected cell. Protected cell assets shall be held in the protected cell accounts for the purpose of satisfying the obligations of that protected cell.

2. Attribution of assets and liabilities between a protected cell and the general account shall be pursuant to the plan of operation. Other attribution of assets or liabilities shall not be made by a protected cell company between the protected cell company's general account and its protected cells. The attribution of assets and liabilities between the general account and a protected cell, or from investors in the form of principal on a debt instrument issued by a protected cell company in connection with a protected cell company insurance securitization transaction, shall be in cash or in readily marketable securities with established market values.

3. The creation of a protected cell does not create, with respect to that protected cell, a legal person separate from the protected cell company. An amount attributed to a protected cell under this chapter, including assets transferred to a protected cell account, is owned by the protected cell company and the protected cell company shall not be, or hold itself out to be, a trustee with respect to those protected cell assets of that protected cell account. Notwithstanding this subsection, a protected cell company may permit a security interest to attach to protected cell assets or a protected cell account which is in favor of a creditor of the protected cell company and otherwise allowed under applicable law.

4. This chapter shall not be construed to prohibit the protected cell company from contracting with or arranging for an investment advisor, commodity trading advisor, or other third party to manage the protected cell assets of a protected cell, provided that all remuneration, expenses, and other compensation of the third-party advisor or manager are payable from the protected cell assets of that protected cell and not from the protected cell assets of other protected cells or the assets of the protected cell company's general account.

5. a. A protected cell company shall establish administrative and accounting procedures necessary to properly identify the protected cells of the protected cell company and the protected cell assets and protected cell liabilities attributable to the protected cells. The board of directors of a protected cell company shall do both of the following:
   (1) Keep protected cell assets and protected cell liabilities separate and separately identifiable from the assets and liabilities of the protected cell company's general account.
   (2) Keep protected cell assets and protected cell liabilities attributable to one protected cell...
protected cell. and other insurance liabilities attributed to that cell assets a value at least equal to the reserves a protected cell, shall attribute to the protected remedy. dy of tracing shall not be construed as an exclusive remedy.

6. A protected cell company, when establishing a protected cell, shall attribute to the protected cell assets a value at least equal to the reserves and other insurance liabilities attributed to that protected cell.

2000 Acts, ch 1046, §5

521G.6 Use and operation of protected cells.

1. The protected cell assets of a protected cell shall not be charged with liabilities arising out of any other business the protected cell company may conduct. A contract or other documentation reflecting protected cell liabilities shall clearly indicate that only the protected cell assets of a protected cell are available for the satisfaction of the protected cell liabilities attributed to that same protected cell.

2. The income, gains, and losses, realized or unrealized, from protected cell assets and protected cell liabilities shall be credited to or charged against the protected cell without regard to other income, gains, or losses of the protected cell company, including income, gains, or losses of another protected cell. An amount attributed to a protected cell and accumulations on the attributed amount may be invested and reinvested without regard to the requirements and limitations of section 511.8 or 515.35, and the investments in a protected cell shall not be taken into account in applying the investment limitations otherwise applicable to the investments of the protected cell company.

3. Assets and liabilities attributed to a protected cell shall be valued at their fair value on the date of valuation.

4. a. A protected cell company, with respect to its protected cells, shall engage in fully funded indemnity triggered insurance securitization to support in full the protected cell exposures attributable to that protected cell. A protected cell company insurance securitization that is nonindemnity triggered qualifies as an insurance securitization under this chapter only after the commissioner adopts rules providing for all of the following:

(1) The methods of funding of the portion of the risk that is not indemnity based.

(2) Accounting requirements.

(3) Disclosure requirements.

(5) Assessment of risks associated with such securitizations.

b. A protected cell company insurance securitization that is not fully funded, whether indemnity triggered or nonindemnity triggered, is prohibited. Protected cell assets may be used to pay interest or other consideration on an outstanding debt or other obligation attributable to that protected cell. This subsection shall not be construed or interpreted to prevent a protected cell company from entering into a swap agreement or other transaction for the account of the protected cell that has the effect of guaranteeing interest or other consideration.

5. In a protected cell company insurance securitization, a contract or other documentation affecting the transaction shall contain provisions identifying the protected cell to which the transaction is attributed. In addition, the contract or other documentation shall clearly disclose that the assets of the protected cell, and only those assets, are available to pay the obligations of that protected cell. Notwithstanding this subsection, the failure to include such language in a contract or other documentation shall not be used as the sole basis by a creditor, reinsurer, or other claimant to circumvent this chapter.

6. A protected cell company shall only attribute to a protected cell account the insurance obligations relating to the protected cell company's general account. A protected cell shall not issue an insurance or reinsurance contract directly to a policyholder or reinsured, and shall not have an obligation to a policyholder or reinsured of the protected cell company's general account.

7. At the cessation of business of a protected cell pursuant to the plan approved by the commissioner, the protected cell company shall close the protected cell account.

521G.7 Creditors and other claimants of protected cell companies.

1. a. Protected cell assets shall only be available to a creditor of the protected cell company that is a creditor with respect to that protected cell. Such a creditor shall have recourse to the protected cell assets attributable to that protected cell, to the exclusion of other creditors of the protected cell company that are not creditors with respect to that protected cell. Such other creditors shall have no recourse to the protected cell assets attributable to that protected cell. A creditor with respect to a protected cell does not have recourse against the protected cell assets of other protected cells or the assets of the protected cell company's general account.

2. An obligation of a protected cell company to a person which arises from a transaction, or is oth-

otherwise imposed, with respect to a protected cell, is subject to both of the following:

a. The obligation to a person shall extend only to the protected cell assets attributable to that protected cell, and with respect to that obligation, such person is entitled to recourse only against the protected cell assets attributable to that protected cell.

b. The obligation to a person shall not extend to the protected cell assets of another protected cell or the assets of the protected cell company’s general account, and with respect to that obligation, such person is not entitled to recourse against the protected cell assets of any other protected cell or the assets of the protected cell company’s general account.

3. An obligation of a protected cell company that relates solely to the general account shall extend only to the assets of the protected cell company’s general account, and the creditor, with respect to that obligation, is entitled to recourse against only the assets of the protected cell company’s general account.

4. A protected cell is not subject to any requirements relating to a guaranty fund or guaranty association, and shall not be assessed by or otherwise be required to contribute to any guaranty fund or guaranty association in this state with respect to the activities, assets, or obligations of a protected cell. This section does not affect the activities or obligations of a protected cell company’s general account.

5. The establishment of one or more protected cells, by itself, does not constitute any of the following:

a. A fraudulent conveyance.

b. An intent by the protected cell company to defraud creditors.

c. The transaction of business by the protected cell company for a fraudulent purpose.

2000 Acts, ch 1046, §7

§521G.8 Supervision, rehabilitation, or liquidation of a protected cell company.

Upon an order of supervision, rehabilitation, or liquidation of a protected cell company, a receiver shall manage a protected cell company’s assets and liabilities, including protected cell assets and protected cell liabilities, as provided in this chapter.

An amount recoverable by a receiver under a protected cell company insurance securitization shall not be reduced or diminished as a result of the entry of an order of supervision, rehabilitation, or liquidation with respect to the protected cell company, notwithstanding contrary provisions in a contract or other document governing the protected cell company insurance securitization.

2000 Acts, ch 1046, §8

§521G.9 Securitization transactions not insurance.

A protected cell company insurance securitization is not an insurance or reinsurance contract. An investor in a protected cell company insurance securitization, by sole means of this investment, is not deemed to be transacting an insurance business in this state. An underwriter or selling agent, or a partner, director, officer, member, manager, employee, or agent of such underwriter or selling agent, participating in a protected cell company insurance securitization, is not deemed to be conducting an insurance or reinsurance agency, brokerage, intermediary, advisory, or consulting business as a result of such participation.

1. Notwithstanding the provisions of chapter 522B, the commissioner may issue a limited license to a rental company that has complied with the requirements of this chapter. The limited license shall authorize the limited licensee to offer or sell insurance with the rental of vehicles.
2. As a prerequisite for issuance of a limited license under this section, a written application for a limited license, which is signed by an officer of the applicant, shall be filed with the commissioner. The application shall be in a form and contain information prescribed by the commissioner. The application shall include a list of all rental locations where the rental company intends to conduct business. An updated list shall be provided to the commissioner within thirty business days from any date on which the list is amended.
3. If a provision of this section is violated by a limited licensee, the commissioner may, after notice and a hearing, revoke or suspend a limited license issued under this section, or impose any other penalties, including suspending permission for the transaction of insurance offers or sales at specific rental locations where violations of this section have occurred, as the commissioner deems to be necessary or convenient to carry out the purposes of this section.

6. Any limited license issued under this section shall authorize a counter employee of the limited licensee to act individually on behalf, and under the supervision, of the limited licensee with respect to the offer and sale of coverage specified in this section.

7. A rental company counter employee must successfully pass an examination covering the insurance products offered for sale by the rental company in connection with and incidental to the rental of vehicles by the rental company. The examination shall be approved and administered by the insurance division or a vendor approved by the insurance division pursuant to section 522A.6. The counter employee shall file an application with the commissioner for an individual license.

Any application shall be deemed approved unless the commissioner notifies the rental company of the denial or rejection of the application within thirty days of receiving the application. An application shall not include requirements greater in scope than defined in this section.

8. A limited licensee under this section shall not be required to treat moneys collected from renters purchasing insurance when renting vehicles as moneys received in a fiduciary capacity, provided that the charges for coverage are itemized and are ancillary to a rental agreement.    i. Any other line of insurance permitted under state law or by rule.

3. An insurance producer license remains in effect unless revoked or suspended as long as all required fees are paid and continuing education requirements for resident individual insurance producers are met by any applicable due date. Resident individual insurance producers are required to complete continuing education requirements in order to be eligible for license renewal unless exempted from such requirements under this chapter or by rule.

4. An individual insurance producer who allows the producer's license to lapse, within twelve months from the due date of the renewal fee, may have the same license reinstated without the necessity of passing a written examination upon the payment of a reinstatement fee as specified by rule of the commissioner. Such reinstatement fee shall be in addition to the required renewal fee.

5. A licensed insurance producer who is unable to comply with license renewal procedures due to military service or some other extenuating circumstance may request a waiver of those procedures.
