EDITOR'S NOTES

GENERAL INDEX. This index is intended to describe general subject matters and law concepts and to identify their locations within the 2013 Iowa Code. In comparison to the Skeleton Index printed at the end of each volume of the 2013 Iowa Code, the General Index is more comprehensive and detailed in the listing of subject matters and concepts, their locations within the Iowa Code, and cross-references.

DETAILED INDEX — ALTERNATIVE SEARCH. The Detailed Index, as previously maintained and printed in Tables and Index volumes prior to 2013, is no longer being published. As an alternative, the Legislative Services Agency is developing sophisticated and detailed electronic search and retrieval programming which will serve more users and be as or more efficient in identifying relevant content in the Iowa Code.

IOWA LEGISLATURE DOCUMENT RESEARCH. The Iowa Legislature Document Research search engine at <https://research.legis.iowa.gov> is capable of searching the entire Iowa General Assembly's website or selected publications, such as the 2013 Iowa Code. This research tool allows users to search content by keywords and to refine search criteria by index terms and document types. Users can also retrieve any chapter or section of the Iowa Code by citation, as well as related chapters and rules of the Iowa Administrative Code. There is no charge for access and use of this online research tool.

IOWA LAW CD-ROM. The Iowa Law on CD-ROM includes, in single, searchable files, an electronic version of the Iowa Constitution; Iowa statutes; administrative, court, and legislative rules; and miscellaneous legislative information. This desktop legal research product contains a search and retrieval tool which allows users the ability to search content by word or word combinations, plus wildcards and word stems. Users can also retrieve any chapter or section of the Iowa Code or chapter or rule of the Iowa Administrative Code by citation. This product is included with the purchase of 2013 Iowa Code hardbound volumes, and it is also available for purchase as a separate item.

SKELETON INDEX. The reader may also wish to consult the Skeleton Index printed at the end of each volume of the 2013 Iowa Code.

COMMENTS. The editorial staff of the General Index welcomes comments and suggestions for improvements. Suggestions should be submitted to Roger Karns, Tables and Indexing Unit Supervisor, at the Legislative Services Agency, at the address below, at (515)242-6459, or at Roger.Karns@legis.iowa.gov.
