 5 DRIVER REGISTRATION PLATES.

6 1. Upon application to the county treasurer, the
 7 owner of a motor vehicle subject to registration shall
 8 be issued restricted driver registration plates at no
 9 charge in exchange for the regular or special
 10 registration plates issued for the vehicle under
 11 section 321.34. If the application is for a new

12 registration, the restricted driver registration
13 plates shall be issued in lieu of regular registration
14 plates upon payment of the regular annual registration
15 fee for the vehicle.

16 2. Restricted driver registration plates, to be
17 designed by the department, shall be of a different
18 color than regular registration plates and bear a
19 unique series of alphanumeric characters so as to be
20 readily identified by peace officers. Application for
21 or acceptance of restricted driver registration plates
22 constitutes implied consent for a peace officer to
23 stop the vehicle bearing the restricted driver
24 registration plates at any time. A peace officer who
25 observes the operation of a motor vehicle displaying
26 restricted driver registration plates may stop the
27 vehicle for the purpose of determining whether the
28 driver is operating the vehicle lawfully under a valid
29 driver's license.

30 3. Restricted driver registration plates expire on
31 the same date as the registration plates they replace
32 and shall be validated by the county treasurer in the

4 NEW SUBSECTION. 8. a. Prior to issuing a
5 temporary restricted license under this section to a
6 person whose driver's license or nonresident operating
7 privilege has been revoked for a second or subsequent
8 time under this chapter, the department shall require
9 the surrender of the registration plates issued under
10 section 321.34 for the following motor vehicles, as

11 identified by the department, which are not already
12 legally impounded:

13 (1) Any motor vehicle registered to the person
14 whose license is revoked, individually or jointly.

15 (2) Any motor vehicle for which the person whose
16 license is revoked is listed on the certificate of
17 title as the owner or co-owner.

18 (3) Any leased motor vehicle required to be
19 registered under section 321F.8, if the person whose
20 license is revoked is listed as the lessee or
21 co-lessee.

22 b. The department shall issue restricted driver
23 registration plates as provided in section 321.34A in
24 exchange for the surrendered plates for each motor
25 vehicle listed under paragraph "a".

26 c. A registered owner of a motor vehicle issued
27 restricted driver registration plates under this
28 subsection shall not sell the motor vehicle during the
29 time it is registered with restricted driver
30 registration plates unless the registered owner
31 applies to the department for consent to transfer
32 title to the motor vehicle. If the department is
33 satisfied that the proposed sale is in good faith and
34 for valid consideration, that the registered owner
35 will be deprived of custody and control of the motor
36 vehicle, and that the sale is not for the purpose of
37 circumventing the provisions of this subsection, the
38 department may certify its consent to the county
39 treasurer. The county treasurer shall then transfer
40 the title to the new owner upon proper application and
41 issue new registration plates. If the title to the
42 motor vehicle is transferred by the cancellation of a
43 conditional sales contract, a sale upon execution, or
44 by decree or order of a court of competent
45 jurisdiction after the registration plates have been
46 ordered surrendered under this subsection, the
47 department shall order the title surrendered to the
48 new registered owner. The county treasurer shall then
49 transfer the title to the new owner and issue new
50 registration plates pursuant to section 321.34. If a

Page 3

1 person holding a temporary restricted license issued
2 under this section following a second or subsequent
3 revocation under this chapter applies for a new motor
4 vehicle registration of a type listed under paragraph
5 "a", the county treasurer shall issue restricted
6 driver registration plates for the vehicle upon
7 payment of the annual registration fee for the

8 vehicle.

9 d. When the period of revocation of the person's
 10 noncommercial driver's license under this chapter
 11 expires, the owner of a motor vehicle issued
 12 restricted driver registration plates under this
 13 subsection may apply to the county treasurer for
 14 regular or special registration plates for the
 15 vehicle, under the terms and conditions in section
 16 321.34 and subject to applicable fees. When satisfied
 17 that the period of license revocation under this
 18 chapter is expired, and upon payment of any required
 19 fees, the county treasurer shall issue regular or
 20 special registration plates for the vehicle in
 21 exchange for the restricted driver registration
 22 plates.

23 e. A person holding a temporary restricted license
 24 issued by the department under this section following
 25 a second or subsequent revocation under this chapter

4 a public improvement but does not include an
5 individual when transporting supplies, materials, or

4 Sec. 5. NEW SECTION. 91F.4 ADMINISTRATION.

5 The commissioner and the division shall administer
6 this chapter and the commissioner shall adopt rules
7 for the administration and enforcement of this chapter
8 as provided in section 91.6.

9 Sec. 6. NEW SECTION. 91F.5 DETERMINATION OF
10 PREVAILING WAGES.

11 1. The commissioner shall determine annually and
12 publish, on the first business day of July, the
13 prevailing wage rates by locality for each craft,
14 classification, or type of worker needed to perform
15 work on public improvements. The rates shall be
16 conclusive for one year from the date of publication
17 unless superseded within the one year by a later
18 publication of the commissioner, or for a longer
19 period as provided in subsection 5.

20 2. The commissioner shall announce all prevailing
21 wage rate determinations by locality and give notice
22 by posting them on the portion of the department of
23 workforce development's website related to the
24 division. A printed version of the prevailing wage
25 rates for the state shall be available to the public
26 upon request to the division.

27 3. The public body awarding any contract for a
28 public improvement, or otherwise undertaking any
29 public improvement, shall obtain from the website the
30 prevailing wage rate in the locality in which the
31 public improvement is to be performed for each craft,
32 classification, or type of worker needed to perform
33 work on the public improvement. After a public
34 improvement contract is awarded, or a public
35 improvement is otherwise undertaken, the prevailing
36 wage rate published by the commissioner and stated in
37 the public body's public improvement procurement
38 documents shall remain in effect throughout the
39 duration of the public improvement unless superseded
40 by a later determination and publication by the
41 commissioner, or unless multiyear prevailing wage
42 rates have been published by the commissioner at the

43 time the public improvement procurement documents were
44 released.

45 4. a. In determining the annual prevailing wage
46 rate for any craft, classification, or type of worker,
47 the commissioner shall ascertain and consider the
48 applicable wage rates and fringe benefits established
49 by collective bargaining agreements, the prevailing
50 wage rate determinations that may exist for federal

Page 6

1 public improvements within the locality and other data
2 obtained by the department during any prevailing wage
3 rate survey of contractors who participate in an
4 apprenticeship program approved by and registered with
5 the United States department of labor's bureau of
6 apprenticeship and training, who provide health
7 insurance and retirement benefits for their workers,
8 and who are registered with the division. Based upon
9 these considerations, the commissioner shall calculate
10 the prevailing wage rates based on the wage rate plus
11 fringe benefits most often occurring for each craft,
12 classification, or other type of worker within each
13 locality.

14 b. The minimum annual prevailing wage rate
15 determination established by the department shall not
16 be lower than the prevailing wage rate determination
17 that may exist for federal public improvements within
18 the locality.

19 c. Notwithstanding other provisions of this
20 chapter, except for the threshold criteria of section
21 91F.3, subsection 11, paragraph "c", federal
22 Davis-Bacon Act prevailing wage rates and procedures,
23 as defined in 29 C.F.R. pts. 1, 3, and 5, and
24 administered by the public body, shall apply to public
25 improvements that are publicly owned horizontal
26 transportation infrastructure, which includes but is
27 not limited to roads and streets as defined in section
28 306.3.

29 d. None of the benefits enumerated in this chapter
30 may be considered in the determination of prevailing
31 wage rates if the contractor or subcontractor is
32 required by other federal, state, or local law to
33 provide such benefits.

34 5. If the commissioner determines that the
35 prevailing wage rate for any craft, classification, or
36 type of worker is the rate established by a collective
37 bargaining agreement applicable in the locality, the
38 commissioner may adopt that rate by reference and that
39 determination shall be effective for the life of the
40 agreement or until the commissioner adopts another
41 rate.

42 6. a. At any time within fifteen days after the
43 division has published on the department of workforce
44 development's website the annual prevailing wage rates
45 for each classification, craft, or other type of
46 worker in the locality, any interested person affected
47 may object to the determination or the part of the
48 determination as the interested person may deem
49 objectionable by filing a written notice with the
50 commissioner by restricted certified mail as defined

Page 7

1 in section 618.15. When objecting to a prevailing
2 wage rate determination, the interested person shall
3 submit, as a part of the written notice, the
4 prevailing wage rate the interested person believes to
5 be the correct prevailing wage rate determination,
6 stating the specific grounds to support that position.
7 Upon receipt of the notice of objection, the
8 commissioner shall reconsider the determination and
9 shall affirm or modify the determination and reply in
10 writing by restricted certified mail to the interested
11 person within fifteen days from the date of the
12 receipt of the notice of objection. Any modification
13 to the prevailing wage rate determination shall be
14 effective on the date the modification is published by
15 the commissioner.

16 b. If the commissioner declines to modify the
17 determination, within ten days upon receiving receipt
18 of the commissioner's decision, the interested person
19 affected may submit in writing the objection to the
20 division by restricted certified mail, stating the
21 specified grounds of the objection. The department of
22 inspections and appeals shall be notified of the
23 objection and set a date for a hearing before an
24 administrative law judge on the objection, after
25 giving notice by restricted certified mail to the
26 interested person and the division at least ten days
27 before the date of the hearing of the time and place
28 of the hearing. The hearing shall be held within
29 forty-five days after the objection is filed, and
30 shall not be postponed or reset for a later date
31 except upon the consent, in writing, of the interested
32 person and the division.

33 7. The party requesting a hearing shall have the
34 burden of establishing that the annual prevailing wage
35 rate determination for that locality was not
36 determined in accordance with this chapter. If the
37 party requesting a hearing under this section objects
38 to the commissioner's failure to include a craft,
39 classification, or type of worker within the annual
40 prevailing wage rate determination in the locality,

41 the objector shall have the burden of establishing
 42 that there is no existing prevailing wage rate
 43 classification for the particular craft,
 44 classification, or type of worker in any of the
 45 localities under consideration.

46 8. The administrative law judge may in the
 47 administrative law judge's discretion hear each
 48 written objection filed separately or consolidate for
 49 hearing any one or more written objections filed with
 50 the division. At the hearing, the division shall

Page 8

1 introduce into evidence the investigation it
 2 instituted which formed the basis of its
 3 determination, and the division or any interested
 4 objectors may introduce evidence that is material to
 5 the determination. The administrative law judge shall
 6 rule upon each written objection and make a final
 7 determination, as the administrative law judge
 8 believes the evidence warrants, and promptly serve a
 9 copy of the final determination by personal service or
 10 restricted certified mail on all parties to the
 11 proceedings. The administrative law judge shall
 12 render a final determination within thirty days after
 13 the conclusion of the hearing.

14 9. If proceedings to review judicially the final
 15 determination of the administrative law judge are not
 16 instituted as provided in this section, the
 17 determination shall be final and binding. The
 18 provisions of section 17A.19 shall apply to and govern
 19 all proceedings. Appeals from all final orders and
 20 judgments entered by the court in review of the final
 21 determination of the administrative law judge may be
 22 taken by any party to the action. In all reviews or
 23 appeals under this chapter, the attorney general shall
 24 represent the division and defend its determination.

25 10. This section does not give reason or provide
 26 cause for an injunction to halt or delay any public
 27 improvement.

28 Sec. 7. NEW SECTION. 91F.6 PAYMENT OF PREVAILING
 29 WAGES REQUIRED.

30 1. Contractors and subcontractors engaged in a
 31 public improvement shall pay not less than the current
 32 prevailing wage rates in accordance with this chapter
 33 to all of their workers engaged in the public
 34 improvement. However, this chapter does not prohibit
 35 the payment of more than the prevailing wage rate to
 36 any workers engaged in a public improvement.

37 2. All contractors and subcontractors required to
 38 pay the prevailing wage rate under this chapter shall
 39 pay the wages in legal tender, without any deduction

40 for food, sleeping accommodations, transportation, use
 41 of tools or safety equipment, vehicle or equipment
 42 rental, or any other thing of any kind or description.

43 Sec. 8. NEW SECTION. 91F.7 REQUIREMENTS FOR
 44 PUBLIC IMPROVEMENTS.

45 1. The public body awarding a contract for a
 46 public improvement or otherwise undertaking a public
 47 improvement shall specify in the call for bids for the
 48 contract that this chapter applies to the public
 49 improvement.

50 2. If a public improvement requires the payment of

Page 9

1 prevailing wage rates, the public body shall require
 2 the contractor to execute a written instrument that
 3 not less than the prevailing wage rate shall be paid
 4 to all workers performing work on the public
 5 improvement. The written instrument shall also
 6 contain a provision that if it is found that any of
 7 the contractor's workers engaged in the public
 8 improvement has been paid at a wage rate less than the
 9 prevailing wage rate required by this chapter, the
 10 public body may terminate the contractor's right to
 11 proceed with the work and the contractor and its
 12 sureties shall be liable to the public body for any
 13 excess costs occasioned by the failure to pay the
 14 prevailing wage rate. The written instrument shall
 15 have attached a list of the prevailing wage rates in
 16 accordance with this chapter for all crafts,
 17 classifications, or types of workers in the locality
 18 for each worker needed to be included in the contract
 19 for the public improvement.

20 3. If a contract is let for a public improvement
 21 requiring the payment of prevailing wage rates, the
 22 public body awarding the contract shall cause to be
 23 inserted in the public improvement specifications and
 24 contract a stipulation that not less than the
 25 prevailing wage rate shall be paid to all workers
 26 performing work under the contract. The contract
 27 shall also contain a provision to the effect that if
 28 it is found that any of the contractor's workers
 29 engaged in the public improvement has been paid at a
 30 wage rate less than the prevailing wage rate required
 31 by this chapter, the public body may terminate the
 32 contractor's right to proceed with the work and the
 33 contractor and its sureties shall be liable to the
 34 public body for any excess costs occasioned by the
 35 failure to pay the prevailing wage rate. All bid
 36 specifications shall list the prevailing wage rates in
 37 accordance with this chapter for all crafts,
 38 classifications, or types of workers in the locality

39 for each worker needed to be included in the contract.
40 4. If a public improvement requires the payment of
41 prevailing wage rates, the contractor shall require
42 any subcontractors engaged by the contractor on the
43 public improvement to execute a written instrument
44 that not less than the prevailing wage rates shall be
45 paid to all workers performing work on the public
46 improvement. The written instrument shall also
47 contain a provision that if it is found that any of
48 the subcontractor's workers engaged in the public
49 improvement has been paid at a wage rate less than the
50 prevailing wage rate required by this chapter, the

Page 10

1 public body may terminate the subcontractor's right to
2 proceed with the work and the subcontractor and its
3 sureties shall be liable to the public body for any
4 excess costs occasioned by the failure to pay the
5 prevailing wage rate. The written instrument shall
6 have attached a list of the prevailing wage rates in
7 accordance with this chapter for all crafts,
8 classifications, or types of workers in the locality
9 for each worker needed to be included in the contract.

10 5. If a subcontract is let for a public
11 improvement requiring the payment of the prevailing
12 wage rate, the contractor to whom the contract is
13 awarded shall insert into the subcontract and into the
14 public improvement project specifications for each
15 subcontract a written stipulation that not less than
16 the prevailing wage rate shall be paid to all workers
17 performing work under the subcontract. A
18 subcontractor shall insert into each lower-tiered
19 subcontract a stipulation that not less than the
20 prevailing wage rate shall be paid to all workers
21 performing work under the subcontract. The
22 subcontract shall also contain a provision that if it
23 is found that any subcontractor's workers engaged in
24 the public improvement have been paid at a wage rate
25 less than the prevailing wage rate required by this
26 chapter, the public body may terminate the
27 subcontractor's right to proceed with the work and the
28 subcontractor and its sureties shall be liable to the
29 public body for any excess costs occasioned by the
30 failure to pay the prevailing wage rate. All bid
31 specifications shall list the prevailing wage rates in
32 accordance with this chapter for all crafts,
33 classifications, or types of workers in the locality
34 for each worker needed to be included in the
35 subcontract.

36 6. A contractor or subcontractor engaging in a
37 public improvement shall submit a performance bond in

38 an amount determined by the public body which bond
39 shall include a provision that will guarantee the
40 payment of the prevailing wage rates as required by
41 the contract.

42 7. Before final payment is made by or on behalf of
43 a public body of any sum or sums due on a public
44 improvement, the treasurer of the public body or other
45 officer or person charged with the custody and
46 disbursement of the funds of the public body shall
47 require the contractor and subcontractor to file a
48 written statement with the public body, in a form
49 satisfactory to the division, certifying to the
50 amounts then due and owing from the contractor and

Page 11

1 subcontractor to any and all workers for wages due on
2 account of the public improvement, setting forth the
3 names of the persons whose wages are unpaid and the
4 amount due to each respectively. The statement shall
5 be verified by the oath of the contractor or
6 subcontractor, as the case may be, that the contractor
7 or subcontractor has read the statement certified by
8 the contractor or subcontractor, knows the contents,
9 and that the statement is true in accordance with the
10 contractor's or subcontractor's own knowledge.
11 However, this chapter shall not impair the right of a
12 contractor to receive final payment from a public body
13 because of the failure of a subcontractor to comply
14 with provisions of this chapter. The treasurer of the
15 public body or other officer or person charged with
16 the custody and disbursement of the funds of the
17 public body shall withhold the amount, if any, listed
18 on the verified statement filed pursuant to this
19 section for the benefit of the worker whose wages are
20 unpaid as shown by the verified statement filed by the
21 contractor or subcontractor, and the public body shall
22 pay directly to any worker the amount shown by the
23 statement to be due to the worker for the wages.
24 Payment shall discharge the obligation of the
25 contractor or subcontractor to the person receiving
26 the payment to the extent of the amount of the
27 payment.

28 8. The public body awarding a contract for a
29 public improvement or otherwise undertaking a public
30 improvement shall notify the commissioner in writing,
31 on a form prescribed by the commissioner, if a
32 contract subject to the provisions of this chapter has
33 been awarded or a public improvement subject to the
34 provisions of this chapter has been undertaken. The
35 public body shall file the notification with the
36 commissioner within thirty days after the contract is

37 awarded or before commencement of the public
 38 improvement, and shall include a list of all
 39 first-tier subcontractors.
 40 Sec. 9. NEW SECTION. 91F.8 FEDERAL PUBLIC
 41 IMPROVEMENTS – NOT APPLICABLE.
 42 The provisions of this chapter shall not be
 43 applicable to public improvements financed entirely by
 44 federal funds which require a prevailing wage rate
 45 determination by the United States department of
 46 labor. However, unless a federal provision applies,
 47 if a public improvement is financed in part by a
 48 public body and in part by federal funds, the higher
 49 of the prevailing wage rates shall prevail for the
 50 public improvement.

Page 12

1 Sec. 10. NEW SECTION. 91F.9 RECORDS REQUIRED.
 2 1. While participating in a public improvement,
 3 the contractor and each subcontractor shall do all of
 4 the following:

 6 three years, accurate records of all workers employed
 7 by the contractor or subcontractor on the public
 8 improvement. The records shall include each worker's
 9 name, address, telephone number when available, social

 23 2. The public body in charge of the public
 24 improvement shall keep the records submitted in
 25 accordance with subsection 1, paragraph "b", for a
 26 period of not less than three years. The records
 27 shall be considered public records and be made
 28 available in accordance with chapter 22.
 29 3. The contractor and each subcontractor shall
 30 make available for inspection the records identified
 31 in subsection 1, paragraph "a", to the public body in
 32 charge of the public improvement, its officers and
 33 agents, and to the division.
 34 4. For the purpose of verifying the accuracy of
 35 the records submitted pursuant to this section, the

36 contractor and each subcontractor shall make its
 37 workers available at the site of the public
 38 improvement for interview by the public body in charge
 39 of the public improvement, its officers and agents,
 40 and the division.

41 5. Contractors and subcontractors performing work
 42 on public improvements subject to this chapter shall
 43 post the prevailing wage rates for each craft,
 44 classification, or type of workers involved in the
 45 public improvement in a prominent and easily
 46 accessible place at the site of the public improvement
 47 or at the place or places used by the contractor or
 48 subcontractor to pay workers their wages.

49 Sec. 11. NEW SECTION. 91F.10 POWERS OF
 50 COMMISSIONER.

Page 13

1 The commissioner shall do all of the following:

2 1. Inquire diligently about any complaint of a
 3 violation of this chapter, institute actions for
 4 penalties prescribed, and enforce generally the
 5 provisions of this chapter.

6 2. Sue for injunctive relief against the awarding
 7 of a contract, the undertaking of a public
 8 improvement, or the continuation of a public

 14 employment of a contractor, subcontractor, or workers
 15 employed on a public improvement in this state, for
 16 the purpose of examining and inspecting books,
 17 registers, payrolls, and other records of a contractor
 18 or subcontractor that in any way relate to or have a
 19 bearing upon the question of wages, hours, and other
 20 conditions of employment of workers covered under this
 21 chapter.

22 b. Copy the books, registers, payrolls, and other
 23 records as the commissioner or the commissioner's

 27 ascertaining whether the provisions of this chapter
 28 have been and are being complied with.

29 d. Administer oaths, take or cause to be taken
 30 depositions of witnesses, and require by subpoena the
 31 attendance and testimony of witnesses and the
 32 production of all books, registers, payrolls, and

 34 investigation or hearing.

35 5. Require from a contractor or subcontractor full

42 6. Require a contractor or subcontractor to file,
 43 within ten days of receipt of a request, any records

 47 requested records within ten days, the commissioner
 48 may direct, within fifteen days after the end of the
 49 ten-day period, that the fiscal or financial officer
 50 charged with the custody and disbursements of the

Page 14

1 funds of the public body, which contracted for
 2 construction of the public improvement or undertook
 3 the public improvement, to immediately withhold from
 4 payment to the contractor or subcontractor up to
 5 twenty-five percent of the amount to be paid to the
 6 contractor or subcontractor under the terms of the
 7 contract or written instrument under which the public
 8 improvement is being performed. The amount withheld
 9 shall be immediately released upon receipt by the
 10 public body of a notice from the commissioner

 12 this section has been satisfied.

 22 from the amount withheld from the contractor or
 23 subcontractor pursuant to subsection 6 any prevailing
 24 wage rates found to be due and payable to the workers.

25 8. Contract with a person registered as a public
 26 accountant under chapter 542 to conduct an audit of a

 44 written notice issued by the division advising a
 45 contractor or subcontractor that a second or
 46 subsequent violation has occurred within three years
 47 from the date of the notice of a first violation.

48 d. "Notice of violation" means a formal written

Page 15

1 that the contractor or subcontractor has violated this
 2 chapter.

3 e. "Violation" means a written decision by the
 4 division that a contractor or subcontractor has done
 5 one of the following:

6 (1) Failed or refused to pay the prevailing wage
 7 rate to one or more workers as required by this
 8 chapter.

9 (2) Failed to keep accurate records as required by
 10 this chapter.

11 (3) Failed to produce for the division accurate
 12 records or produced records not in compliance with
 13 this chapter.

14 (4) Refused to submit records or testimony to the
 15 division in response to a subpoena issued in
 16 accordance with this chapter.

 22 this chapter.

23 (7) Failed to insert into each subcontract or
 24 lower-tiered subcontract and into the public
 25 improvement specifications for each subcontract or

 27 instrument if no contract exists, a written
 28 stipulation that not less than the prevailing wage
 29 rate be paid as required by this chapter, and a
 30 statement that if it is found that a subcontractor's
 31 workers engaged in the public improvement have been
 32 paid at a rate of wages less than the prevailing wage

33 rate required to be paid by the contract, the public
34 body shall terminate the subcontractor's right to
35 proceed with the work.

36 (8) Failed to obtain a bond in the proper amount
37 that guarantees the payment of the prevailing wage
38 rates required in the contract.

39 (9) Failed to post the prevailing wage rates as
40 required by this chapter.

41 2. After receipt of a complaint or on the
42 division's initiative, the commissioner shall review
43 the investigative file to determine whether a
44 violation has occurred for which the contractor or
45 subcontractor must be given notice. All information
46 and observations made during an audit or investigation
47 shall be considered and shall constitute the basis for
48 the division's decision that this chapter has been
49 violated and that a notice of violation is required to
50 be issued. The notice of violation shall identify the

Page 16

1 specific violation and the amount of moneys estimated
2 due the division and in controversy based on reasons
3 contained in the investigative file.

4 3. In making a decision that a contractor or
5 subcontractor has failed to allow the commissioner
6 access to accurate records, the commissioner shall
7 rely on the information contained in the investigative
8 file, the certified payroll records filed with the
9 public body in charge of the public improvement or any
10 other information, and shall assess a separate
11 violation for each day worked by each worker on the
12 public improvement. Each decision of a separate
13 violation shall be listed in the notice of violation.

14 4. In determining that this chapter has been
15 violated and that the issuance of a notice of
16 violation is required, the commissioner shall base the
17 decision on one or any combination of the following
18 reasons:

19 a. The severity of the violations, which includes
20 the following:

21 (1) The amount of wages that are determined to be
22 underpaid pursuant to this chapter.

23 (2) The activity or conduct complained of that
24 violates the requirements of this chapter and was not
25 merely a technical, nonsubstantive error. Examples of
26 a technical error include but are not limited to a
27 mathematical error, bookkeeping error, transposition
28 of numbers, or computer or programming error.

29 b. The nature and duration of the present
30 violation and the prior history of the contractor or
31 subcontractor related to this history. The prior

32 history considered shall not exceed seven years before
33 the date of the notice of violation.

34 c. Whether the contractor or subcontractor filed
35 certified payroll records with the public body in
36 charge of the public improvement; whether the
37 contractor or subcontractor has kept payroll records
38 and accurate records for three years; and whether the
39 contractor or subcontractor produced certified payroll
40 records in accordance with section 91F.9.

41 d. Whether the contractor or subcontractor has
42 violated any other provision of this chapter.

43 5. The notices of the first, second, and
44 subsequent violations shall be sent by restricted
45 certified mail, addressed to the last known address of
46 the contractor or subcontractor involved. The notices
47 shall contain a reference to the specific provisions
48 of this chapter alleged to have been violated,
49 identify the particular public improvement involved,

2 notice, and include a contractor's or subcontractor's
3 statement of liabilities.

4 Sec. 13. NEW SECTION. 91F.12 VIOLATIONS --
5 REMEDIES.

6 1. If the commissioner determines that a public
7 body has divided a public improvement into more than
8 one contract for the purpose of avoiding compliance
9 with this chapter, the commissioner shall issue an
10 order compelling compliance. In making a
11 determination whether a public body has divided a
12 public improvement into more than one contract for the
13 purpose of avoiding compliance with this chapter, the
14 commissioner shall consider all of the following:

15 a. The physical separation of the public
16 improvement structures.

17 b. The timing of the work on the public
18 improvement phases or structures.

19 c. The continuity of public improvement
20 contractors and subcontractors working on public
21 improvement parts or phases.

22 d. The manner in which the public body and the
23 contractor and subcontractors administer and implement
24 work on the public improvement.

25 2. A worker employed by the contractor or
26 subcontractor who is paid less than the prevailing
27 wage rate in accordance with this chapter shall have a
28 private right of action for the difference between the
29 amount so paid and the prevailing wage rate in
30 accordance with this chapter, together with costs and

31 reasonable attorney fees as shall be allowed by the
32 court.

33 3. The contractor or subcontractor shall
34 additionally be liable to the department for fifty
35 percent of the underpayments and shall be additionally
36 liable to the worker for punitive damages in an amount
37 equal to five percent of the liability to the division
38 for underpayments for each month following the date of
39 payment during which underpayments remain unpaid,
40 together with costs and reasonable attorney fees as
41 shall be allowed by the court.

42 4. If a second or subsequent action to recover
43 underpayments is brought against a contractor or
44 subcontractor within a three-year period and the
45 contractor or subcontractor is found liable for
46 underpayments to a worker, the contractor or
47 subcontractor shall be liable to the division for
48 seventy-five percent of the underpayments payable as a
49 result of the second or subsequent action,
50 additionally liable for ten percent of the amount of

Page 18

1 the liability to the division for underpayments for
2 each month following the date of payment during which
3 the underpayments remain unpaid, and liable for triple
4 the difference between the amount so paid to the
5 worker and the prevailing wage rate required by this
6 chapter, together with costs and reasonable attorney
7 fees as shall be allowed by the court. The three-year
8 period begins to run from the date the contractor or
9 subcontractor is determined liable for the first
10 violation.

11 5. The commissioner and any interested party shall
12 also have a right of action on behalf of a worker who
13 has a right of action under this chapter. An action
14 brought to recover the same shall be deemed to be a
15 suit for wages, and all judgments entered in the
16 action shall have the same force and effect as other
17 judgments for wages. At the request of a worker
18 employed by a contractor or subcontractor who is paid
19 less than the prevailing wage rate required by this
20 chapter, the commissioner may take an assignment of
21 the wage claim in trust for the assigning worker and
22 may bring any legal action necessary to collect the
23 claim, and the contractor or subcontractor shall be
24 required to pay the expenses of the division incurred
25 in collecting the claim.

26 6. In circumstances where a worker may not be
27 available to receive a payment or judgment, the
28 payment due the worker shall revert to the division
29 after one year elapses from the time payment was

30 attempted to be made or judgment was rendered.
 31 7. It is a violation of this chapter for a
 32 contractor or a subcontractor to do any of the
 33 following:
 34 a. To request or demand, either before or after
 35 the worker is engaged, that a worker pay back, return,
 36 donate, contribute, or give any part or all of the
 37 worker's wages, salary, or thing of value, to any
 38 person, upon the statement, representation, or
 39 understanding that failure to comply with the request
 40 or demand will prevent the worker from procuring or
 41 retaining employment.
 42 b. To directly or indirectly pay, request, or
 43 authorize any other person to violate this chapter.
 44 This subsection does not apply to an agent or
 45 representative of a duly constituted labor
 46 organization acting in the collection of dues or
 47 assessments of the organization.
 48 8. In addition to other penalties provided under
 49 this chapter, whoever induces a worker working on a
 50 public improvement subject to this chapter to give up

Page 19

1 or forego any part of the prevailing wage rates to
 2 which the worker is entitled under this chapter by
 3 threat not to employ or by threat of dismissal from
 4 employment is guilty of a serious misdemeanor. An
 5 agreement between the worker and the contractor or
 6 subcontractor to work for less than the prevailing
 7 wage rate in accordance with this chapter shall not be
 8 a defense to criminal prosecution.
 9 9. a. A contract shall not be awarded to a
 10 contractor or subcontractor who, on two separate
 11 occasions within a three-year period, has been
 12 determined to have violated this chapter, or to any
 13 firm, corporation, partnership, or association in
 14 which the contractor or subcontractor has any interest
 15 until five years have elapsed from the date on which a
 16 final determination is rendered finding the contractor
 17 or subcontractor in violation of this chapter.
 18 b. For the purposes of this subsection, "any
 19 interest" means an interest in the entity bidding or
 20 performing work on the public improvement, whether as
 21 an owner, partner, officer, manager, employee, agent,
 22 consultant, or representative. "Any interest"
 23 includes but is not limited to all instances where the
 24 barred contractor or subcontractor receives payments,
 25 whether cash or any other form of compensation, from
 26 any entity bidding or performing work on the public
 27 improvement, or enters into a contract with the entity
 28 bidding or performing work on the public improvement

29 for services performed or to be performed under
30 contract that have been or will be assigned or sublet,
31 or for vehicles, tools, equipment, or supplies that
32 have been or will be sold, rented, or leased during
33 the period from the initiation of the barring
34 proceedings until the end of the term of the barring
35 period. "Any interest" does not include shares held
36 in a publicly traded corporation if the shares were
37 not received as compensation after the barring of an
38 entity bidding or performing work on a public
39 improvement.

40 10. If the division determines that a contractor
41 or subcontractor has violated this chapter on two
42 separate occasions within a three-year period, the
43 division shall list on the department of workforce
44 development's website and keep on record the name of
45 the contractor or subcontractor and give notice by
46 restricted certified mail of the list to any public
47 body requesting the list.

48 11. Upon a determination that a contractor or
49 subcontractor has violated this chapter on two
50 separate occasions within a three-year period, the

Page 20

1 division shall notify the violating contractor or
2 subcontractor by restricted certified mail. The
3 contractor or subcontractor has ten working days to
4 request of the division a hearing before an
5 administrative law judge on the alleged violation.
6 Failure to respond within ten working days shall
7 result in automatic and immediate barring of the
8 violator from work and placement and publication of
9 the violator's name on the department of workforce
10 development's website. If the contractor or
11 subcontractor requests a hearing within ten working
12 days by restricted certified mail, the department of
13 inspections and appeals shall set a hearing before an
14 administrative law judge on the alleged violation.
15 The hearing shall take place no later than forty-five
16 calendar days after the receipt by the division of the
17 request for a hearing. An action by an administrative
18 law judge constitutes final agency action and is
19 subject to judicial review under section 17A.19.

20 12. The attorney general shall prosecute the cases
21 identified in this section upon complaint by the
22 commissioner or by any interested person. In any
23 proceeding brought pursuant to this section, the
24 commissioner shall be represented by the attorney
25 general.

26 Sec. 14. NEW SECTION. 91F.13 APPRENTICES.

27 This chapter shall not prevent the employment of

28 apprentices upon public improvements. However, an
 29 apprentice employed on a public improvement must be
 30 registered with the United States department of
 31 labor's bureau of apprenticeship and training under an
 32 apprenticeship program registered with that bureau,
 33 paid the proper wages specified in the standards of
 34 apprenticeship, and engaged only in the trade to which
 35 the apprentice is registered. If the apprentice is
 36 employed on a public improvement in a trade to which
 37 the apprentice is not registered with the United
 38 States department of labor's bureau of apprenticeship
 39 and training, the apprentice shall be treated as any
 40 other worker under this chapter.

21 REQUIREMENTS.

22 1. A person, wherever located, shall not act as a
23 provider or broker with an owner or multiple owners
24 residing in this state, without first having obtained
25 a license from the commissioner. If there is more
26 than one owner on a single policy and the owners are
27 residents of different states, the life settlement
28 contract shall be governed by the law of the state in
29 which the owner having the largest percentage
30 ownership resides or, if the owners hold equal
31 ownership, the state of residence of one owner agreed
32 upon in writing by all owners.

33 2. An application for a provider or broker license
34 shall be made to the commissioner by the applicant on
35 a form prescribed by the commissioner, and the
36 application shall be accompanied by a fee in an amount
37 established by the commissioner, provided, however,
38 that a license or renewal fee for a provider license
39 shall be reasonable and that a license or renewal fee
40 for a broker license shall not exceed the fee
41 established for an insurance producer.

42 3. A life insurance producer who has been duly
43 licensed as a resident insurance producer with a life
44 line of authority in this state or in the life
45 insurance producer's home state for at least one year
46 and is licensed as a nonresident producer in this
47 state shall be deemed to meet the licensing
48 requirements of this section and shall be permitted to
49 operate as a broker.

50 4. Not later than thirty days from the first day

Page 10

1 of operating as a broker, the life insurance producer
2 shall notify the commissioner that the life insurance
3 producer is acting as a broker on a form prescribed by
4 the commissioner, and shall pay an applicable fee
5 established by rules adopted by the commissioner.

14 out of or in connection with the life settlement
15 transaction, unless the insurer receives compensation
16 for the placement of a life settlement contract from

18 the life settlement contract.

19 6. A person licensed as an attorney, certified
20 public accountant, or financial planner accredited by

25 behalf of the owner without having to obtain a license
26 as a broker.

27 7. The term of a provider license shall be equal
28 to that of a domestic stock life insurance company and
29 the term of a broker license shall be equal to that of
30 an insurance producer license. A license requiring
31 periodic renewal may be renewed on its anniversary
32 date upon payment of the periodic renewal fee as

37 the commissioner may require on forms prepared by the
38 commissioner. The commissioner may, at any time,
39 require such applicant to fully disclose the identity
40 of its stockholders except for a stockholder owning
41 fewer than ten percent of the shares of an applicant
42 whose shares are publicly traded; partners; officers;
43 and employees. The commissioner may, in the exercise
44 of the commissioner's sole discretion, refuse to issue
45 such a license in the name of any person if not
46 satisfied that any officer, employee, stockholder, or
47 partner of the applicant who may materially influence
48 the applicant's conduct meets the standards of this
49 chapter.

50 9. A license issued to a partnership, corporation,

Page 11

1 limited liability company, or other entity authorizes
2 a person who is a member, officer, or designated
3 employee to act as a licensee under the license, if
4 the person is named in the application or a supplement
5 to the application.

6 10. Upon the filing of an application and the
7 payment of the license fee, the commissioner shall
8 make an investigation of each applicant and may issue
9 a license if the commissioner finds that all of the
10 following apply:

11 a. If the applicant is a provider, the applicant
12 has provided a detailed plan of operation.

13 b. The applicant is competent and trustworthy and
14 intends to transact its business in good faith.

18 is applied.

19 d. If the applicant is a legal entity, is formed
20 or organized pursuant to the laws of this state or is
21 a foreign legal entity authorized to transact business
22 in this state, or provides a certificate of good

28 and investigating a possible fraudulent act and
29 procedure for resolving material inconsistencies
30 between a medical record and insurance applications.

31 (2) A description of the procedures for reporting
32 a fraudulent insurance act to the commissioner.

33 (3) A description of the plan for antifraud
34 education and training of its underwriters and other
35 personnel.

36 (4) A written description or chart outlining the
37 arrangement of the antifraud personnel who are
38 responsible for the investigation and reporting of a
39 possible fraudulent insurance act and investigating
40 any unresolved material inconsistency between a
41 medical record and the insurance application.

42 11. The commissioner shall not issue a license to
43 a nonresident applicant, unless a written designation
44 of an agent for service of process is filed and
45 maintained with the commissioner or unless the
46 applicant has filed with the commissioner the
47 applicant's written irrevocable consent that any
48 action against the applicant may be commenced against
49 the applicant by service of process on the
50 commissioner.

Page 12

2 or before the first day of March of each year an
3 annual statement containing such information as the
4 commissioner by rule may prescribe.

5 13. A provider shall not use any person to perform
6 the functions of a broker unless the person holds a
7 license as a broker as provided in this section.

8 14. A broker shall not use a person to perform the
9 functions of a provider unless such person holds a
10 license as a provider as provided in this section.

11 15. A provider or broker shall provide to the
12 commissioner new or revised information about an
13 officer, ten percent or more stockholders, a partner,
14 director, members, or a designated employee within
15 thirty days of a change.

16 16. An individual licensed as a broker shall
17 complete on a biennial basis fifteen hours of training
18 related to a life settlement or a life settlement
19 transaction, as required by the commissioner.
20 However, a life insurance producer who is operating as
21 a broker pursuant to this section shall not be subject
22 to the requirements of this subsection. A person
23 failing to meet the requirements of this subsection
24 shall be subject to the penalties imposed by the
25 commissioner.

26 Sec. 4. NEW SECTION. 508G.4 LICENSE SUSPENSION,
27 REVOCATION, OR REFUSAL TO RENEW.

28 1. The commissioner may suspend, revoke, or refuse

32 application for the license.

33 b. The licensee or any officer, partner, member,
34 or director has been guilty of a fraudulent or

45 is an element; or the licensee has pleaded guilty or
46 nolo contendere with respect to any felony or any
47 misdemeanor of which criminal fraud or moral turpitude
48 is an element, regardless of whether a judgment of
49 conviction has been entered by the court.

50 f. The provider has entered into a life settlement

Page 13

2 chapter.

9 as defined, respectively, in 17 C.F.R. § 230.501(a) or
10 17 C.F.R. § 230.144A as promulgated by the United

19 application or suspends, revokes, or refuses to renew
20 the license of any licensee under this chapter, the
21 commissioner shall conduct a contested case proceeding
22 in accordance with chapter 17A.

23 Sec. 5. NEW SECTION. 508G.5 CONTRACT
24 REQUIREMENTS.

25 1. A person shall not use any form of life
26 settlement contract in this state unless it has been
27 filed with and approved, if required, by the
28 commissioner in a manner that conforms with the filing
29 procedures and any time restrictions or deeming
30 provisions, if any, for life insurance forms,
31 policies, and contracts.

32 2. An insurer shall not, as a condition of
33 responding to a request for verification of coverage
34 or in connection with the transfer of a life insurance
35 policy pursuant to a life settlement contract, require
36 that the owner, insured provider, or broker sign any
37 form, disclosure, consent, waiver, or acknowledgment
38 that has not been expressly approved by the
39 commissioner for use in connection with life
40 settlement contracts in this state.

41 3. A person shall not use a life settlement
42 contract form or provide to an owner a disclosure
43 statement form in this state unless first filed with
44 and approved by the commissioner. The commissioner
45 shall disapprove a life settlement contract form or
46 disclosure statement form if, in the commissioner's
47 opinion, the contract or provisions contained in such
48 form fail to meet the requirements of sections 508G.8,

26 believe could be used to identify the owner or the

29 annual statement as required in this section, or
30 willfully fails to reply within thirty days to a
31 written inquiry by the commissioner in connection to

49 insured have provided prior written consent to the
50 disclosure.

Page 15

7 provided prior written consent to the disclosure.

35 confidentiality of nonpublic personal information.
- 36 Sec. 7. NEW SECTION. 508G.7 EXAMINATION.
- 37 1. The commissioner may, when the commissioner
38 deems it reasonably necessary to protect the interests
39 of the public, examine the business and affairs of any
40 licensee or applicant for a license. The commissioner
41 may order any licensee or applicant to produce any
42 records, books, files, or other information reasonably
43 necessary to ascertain whether such licensee or
44 applicant is acting or has acted in violation of the
45 law or otherwise contrary to the interests of the
46 public. The expenses incurred in conducting any
47 examination shall be paid by the licensee or
48 applicant.
- 49 2. In lieu of an examination under this section of
50 any foreign or alien licensee licensed in this state,

Page 16

1 the commissioner may, at the commissioner's
2 discretion, accept an examination report on the
3 licensee as prepared by the commissioner for the
4 licensee's state of domicile or port-of-entry state.
5 3. Notwithstanding chapter 22, the name and
6 individual identification data for each owner and
7 insured shall be considered private and confidential
8 information and shall not be disclosed by the
9 commissioner unless required by law.
10 4. The records of all consummated transactions and
11 life settlement contracts shall be maintained by the
12 provider for three years after the death of the
13 insured and shall be available to the commissioner for
14 inspection during reasonable business hours.
15 5. For the conduct of examinations, all of the
16 following shall apply:
17 a. Upon determining that an examination is
18 appropriate, the commissioner shall issue an
19 examination warrant appointing one or more examiners
20 to perform the examination and instructing them as to
21 the scope of the examination. In conducting the
22 examination, an examiner shall use methods common to
23 the examination of any life settlement licensee and
24 may use those guidelines and procedures set forth in
25 an examiners' handbook adopted by a national
26 organization as required by the commissioner.
27 b. A licensee or other person from whom
28 information is sought, its officers, directors, or
29 agents shall provide to an examiner timely,
30 convenient, and free access at all reasonable hours at
31 its office to all books, records, accounts, papers,
32 documents, assets, and computer or other recordings
33 relating to the property, assets, business, and
34 affairs of the licensee or other person being
35 examined. The officer, director, employee, or agent
36 of the licensee or other person shall facilitate the
37 examination and aid in the examination so far as it is
38 in the person's power to do so. The refusal of a
39 licensee, by an officer, director, employee, or agent,
40 to submit to examination or to comply with any
41 reasonable written request of the commissioner shall
42 be grounds for suspension or refusal of, or nonrenewal
43 of any license or authority held by the licensee to
44 engage in the business of life settlements or other
45 business subject to the commissioner's jurisdiction.
46 Any proceedings for suspension, revocation, or refusal
47 of a license or authority shall be conducted pursuant
48 to chapter 17A.
49 c. The commissioner may issue subpoenas,
50 administer oaths, and examine under oath any person as

Page 17

2 failure or refusal of a person to obey a subpoena, the
3 commissioner may petition a court of competent
4 jurisdiction, and upon proper showing, the court may
5 enter an order compelling the witness to appear and
6 testify or produce documentary evidence.

7 d. When making an examination under this chapter,
8 the commissioner may retain one or more attorneys,
9 appraisers, independent actuaries, independent
10 certified public accountants, or other professionals
11 and specialists as examiners, the reasonable cost of
12 which shall be borne by the licensee that is the
13 subject of the examination.

14 e. This chapter shall not be construed to limit
15 the commissioner's authority to terminate or suspend
16 an examination in order to pursue other legal or
17 administrative action pursuant to the insurance laws
18 of this state. Findings of fact and conclusions made
19 pursuant to any examination shall be prima facie
20 evidence in any legal or regulatory action.

21 f. This chapter shall not be construed to limit
22 the commissioner's authority to use and, if
23 appropriate, to make public any final or preliminary
24 examination report, any examiner or licensee work
25 papers or other documents, or any other information
26 discovered or developed during the course of any
27 examination in the furtherance of any legal or
28 administrative action which the commissioner may, in
29 the commissioner's sole discretion, deem appropriate.

30 6. For the examination report, all of the
31 following apply:

32 a. An examination report shall be comprised of
33 only facts appearing upon the books, from the
34 testimony of its officers or agents or other persons
35 examined concerning its affairs, and such conclusions
36 and recommendations as the examiners find reasonably
37 warranted from the facts.

38 b. Not later than sixty days following completion
39 of the examination, the examiner in charge shall file
40 with the commissioner a verified written report of
41 examination under oath. Upon receipt of the verified
42 report, the commissioner shall transmit the report to
43 the licensee examined, together with a notice that
44 shall afford the licensee examined a reasonable
45 opportunity of not more than thirty days to make a
46 written submission or rebuttal with respect to any
47 matter contained in the examination report and which
48 shall become part of the report or to request an
49 administrative hearing on any matter in dispute as
50 provided in chapter 17A.

Page 18

1 c. In the event the commissioner determines that
2 regulatory action is appropriate as a result of an
3 examination, the commissioner may initiate any
4 proceeding or action provided by law.

5 7. For the confidentiality of examination
6 information, all of the following apply:

7 a. The name and individual identification data for
8 each owner, purchaser, or insured shall be considered
9 private and confidential information and shall not be
10 disclosed by the commissioner, unless the disclosure
11 is to another regulator or is required by law.

12 b. Except as otherwise provided in this chapter,
13 an examination report, working papers, recorded
14 information, documents or materials, and copies
15 produced by, obtained by, or disclosed to the
16 commissioner or any other person in the course of an
17 examination made under this chapter, or in the course
18 of analysis or investigation by the commissioner of
19 the financial condition or market conduct of a
20 licensee shall be confidential by law and privileged,
21 shall not be subject to chapter 22, shall not be
22 subject to subpoena, and shall not be subject to
23 discovery or admissible in evidence in any private
24 civil action. The commissioner may use the
25 examination report, working papers, recorded
26 information, documents, materials, or other
27 information in the furtherance of any administrative
28 or legal action brought as part of the commissioner's
29 official duties. The licensee being examined may have
30 access to all documents used to make the report.

31 8. For conflict of interest, all of the following
32 apply:

33 a. An examiner shall not be appointed by the
34 commissioner if the examiner, either directly or
35 indirectly, has a conflict of interest or is
36 affiliated with the management of or owns a pecuniary
37 interest in any person subject to examination under
38 this chapter. This section shall not be construed to
39 automatically preclude an examiner from being any of
40 the following:

41 (1) An owner.

42 (2) An insured in a life settlement contract or
43 life insurance policy.

44 (3) A beneficiary in a life insurance policy that
45 is proposed for a life settlement contract.

46 b. Notwithstanding the requirements of this
47 subsection, the commissioner may retain from time to
48 time, on an individual basis, one or more qualified
49 actuaries, certified public accountants, or other
50 similar individuals who are independently practicing

Page 19

1 their professions, even though these persons may from
 2 time to time be similarly employed or retained by
 3 persons subject to examination under this chapter.

4 9. For immunity from liability, all of the
 5 following shall apply:

6 a. A cause of action shall not arise and liability
 7 shall not be imposed against the commissioner
 8 commissioner's authorized representative, or any
 9 examiner appointed by the commissioner for any
 10 statements made or conduct performed in good faith
 11 while carrying out the provisions of this chapter.

12 b. A cause of action shall not arise, and
 13 liability shall not be imposed, against any person for
 14 communicating or delivering information or data to the
 15 commissioner or the commissioner's authorized
 16 representative or examiner pursuant to an examination
 17 made under this chapter, if the communication or
 18 delivery was performed in good faith and without
 19 fraudulent intent or the intent to deceive. This
 20 paragraph does not abrogate or modify in any way any
 21 common law or statutory privilege or immunity enjoyed
 22 by any person identified in paragraph "a".

23 c. (1) A person identified in paragraph "a" or
 24 "b" shall be entitled to an award of attorney fees and
 25 costs if the person is the prevailing party in a civil
 26 cause of action for libel, slander, or any other
 27 relevant tort arising out of activities in carrying
 28 out the provisions of this chapter and the party
 29 bringing the action was not substantially justified in
 30 doing so.

31 (2) For purposes of subparagraph (1), a proceeding
 32 is substantially justified if it has a reasonable
 33 basis in law or fact at the time that it was
 34 initiated.

35 10. The commissioner may investigate a suspected
 36 fraudulent life settlement act and a person engaged in
 37 the business of life settlements.

38 11. The commission by rule may establish
 39 reasonable costs for examinations imposed upon a
 40 person.

41 Sec. 8. NEW SECTION. 508G.8 ADVERTISING.

42 1. A broker or provider licensed pursuant to this
 43 chapter may conduct or participate in an advertisement
 44 within this state. Such advertisement shall comply
 45 with all statutes or rules adopted by the commissioner
 46 that are applicable to life insurers or to brokers,
 47 and providers licensed pursuant to this chapter.

48 2. An advertisement shall be accurate, truthful,
 49 and not misleading in fact or by implication.

50 3. A person shall not do any of the following:

Page 20

1 a. Directly or indirectly market, advertise,
2 solicit, or otherwise promote the purchase of a life
3 insurance policy for the sole purpose of or with an
4 emphasis on settling the life insurance policy.

5 b. Use the words "free", "no cost", or words of
6 similar import in the marketing, advertising,
7 soliciting, or otherwise promoting of the purchase of
8 a life insurance policy.

9 Sec. 9. NEW SECTION. 508G.9 DISCLOSURES TO
10 OWNERS.

11 1. A provider shall provide in writing, a separate
12 disclosure document that is signed by the owner and
13 provider, to the owner not later than the date the
14 life settlement contract is signed by all parties.

15 a. The disclosure document shall include all of
16 the following information:

17 (1) That possible alternatives to life settlement
18 contracts exist including but not limited to
19 accelerated benefits offered by the issuer of the life
20 insurance policy.

21 (2) That some or all of the proceeds of a life
22 settlement contract may be taxable and that assistance
23 should be sought from a professional tax advisor.

24 (3) That the proceeds from a life settlement
25 contract could be subject to the claims of creditors.

26 (4) That receipt of proceeds from a life
27 settlement contract may adversely affect the
28 recipient's eligibility for public assistance or other
29 government benefits or entitlements and that advice
30 should be obtained from the appropriate agencies.

31 (5) That the owner has a right to rescind a life
32 settlement contract within fifteen days of the date it
33 is executed by all parties and the owner has received
34 the disclosures required in this section. Rescission,
35 if exercised by the owner, is effective only if both
36 notice of the rescission is given, and the owner repays
37 all proceeds and any premiums, loans, and loan
38 interest paid on account of the provider within the
39 rescission period. If the insured dies during the
40 rescission period, the contract shall be deemed to have
41 been rescinded subject to repayment by the owner or
42 the owner's estate of all proceeds and any premiums,
43 loans, and loan interest to the provider.

44 (6) That proceeds will be sent to the owner within
45 three business days after the provider has received
46 the insurer or group administrator's acknowledgment
47 that ownership of the life insurance policy or
48 interest in the life insurance certificate has been
49 transferred and the beneficiary has been designated in
50 accordance with the terms of the life settlement

Page 21

1 contract.

2 (7) That entering into a life settlement contract
3 may cause other rights or benefits, including
4 conversion rights and waiver of premium benefits that
5 may exist under the life insurance policy or
6 certificate of a group life insurance policy, to be
7 forfeited by the owner and that assistance should be
8 sought from a professional financial advisor.

9 (8) (a) The amount and method of calculating the
10 compensation paid or to be paid to the broker, or any
11 other person acting for the owner in connection with
12 the transaction.

13 (b) As used in subparagraph subdivision (a),
14 compensation includes anything of value paid or given.

15 (9) The date by which the funds will be available
16 to the owner and the transmitter of the funds.

17 (10) That the commissioner requires delivery of a
18 buyer's guide or a similar consumer advisory package
19 in the form prescribed by the commissioner to owners
20 during the solicitation process.

21 (11) The following language:

22 "All medical, financial, or personal information
23 solicited or obtained by a provider or broker about an
24 insured, including the insured's identity or the
25 identity of family members, a spouse, or a significant
26 other may be disclosed as necessary to effect the life
27 settlement contract between the owner and provider.
28 If you are asked to provide this information, you will
29 be asked to consent to the disclosure. The
30 information may be provided to someone who buys the
31 policy or provides funds for the purchase. You may be
32 asked to renew your permission to share information
33 every two years."

34 (12) That the commissioner requires providers and
35 brokers to print separate signed fraud warnings on
36 their applications and on their life settlement
37 contracts as follows:

38 "Any person who knowingly presents false
39 information in an application for a life insurance
40 policy or life settlement contract is guilty of a
41 crime and may be subject to fines and confinement in
42 prison."

43 (13) That the insured may be contacted by either
44 the provider or broker or its authorized
45 representative for the purpose of determining the
46 insured's health status or to verify the insured's
47 address. This contact is limited to once every three
48 months if the insured has a life expectancy of more
49 than one year, and no more than once per month if the
50 insured has a life expectancy of one year or less.

Page 22

1 (14) The affiliation, if any, between the provider
2 and the issuer of the life insurance policy to be
3 settled.

4 (15) That a broker represents exclusively the
5 owner, and not the insurer or the provider or any
6 other person, and owes a fiduciary duty to the owner,
7 including a duty to act according to the owner's
8 instructions and in the best interest of the owner.

9 (16) The name, address, and telephone number of
10 the provider.

11 (17) The name, business address, and telephone
12 number of the independent third-party escrow agent,
13 and the fact that the owner may inspect or receive
14 copies of the relevant escrow or trust agreements or
15 documents.

16 (18) That a change of ownership could in the
17 future limit the insured's ability to purchase future
18 insurance on the insured's life because of a limit on
19 the amount of coverage insurers will issue on one
20 life.

21 b. The written disclosure as provided in paragraph
22 "a" shall be conspicuously displayed in any life
23 settlement contract furnished to the owner by a
24 provider including the disclosure of any affiliations
25 or contractual arrangements between the provider and
26 the broker.

27 2. A broker shall provide the owner and the
28 provider with at least the following disclosures not
29 later than the date the life settlement contract is
30 signed by all parties. The disclosures shall be
31 conspicuously displayed in the life settlement
32 contract or in a separate document signed by the owner
33 and provide all of the following information:

34 a. The name, business address, and telephone
35 number of the broker.

36 b. A full, complete, and accurate description of
37 all the offers, counteroffers, acceptances, and
38 rejections relating to the proposed life settlement
39 contract.

40 c. A written disclosure of any affiliation or
41 contractual arrangement between the broker and any
42 person making an offer in connection with the proposed
43 life settlement contract.

44 d. The name of each broker who receives
45 compensation and the amount of compensation received
46 by that broker, which compensation includes anything
47 of value paid or given to the broker in connection
48 with the life settlement contract.

49 e. (1) A complete reconciliation of the gross
50 offer or bid by the provider to the net amount of

Page 23

1 proceeds or value to be received by the owner.
 2 (2) For the purpose of subparagraph (1), "gross
 3 offer" or "bid" means the total amount or value
 4 offered by the provider for the purchase of one or
 5 more life insurance policies, inclusive of commissions
 6 and fees.

7 f. The failure to provide the disclosures or
 8 rights described in this section is deemed an unfair
 9 trade practice pursuant to section 508G.17.

10 Sec. 10. NEW SECTION. 508G.10 DISCLOSURE TO
 11 INSURER.

12 Without limiting the ability of an insurer from
 13 assessing the insurability of a policy applicant and
 14 determining whether or not to issue the policy, and in
 15 addition to other questions an insurer may lawfully
 16 pose to a life insurance applicant, insurers may
 17 inquire in the application for insurance whether the
 18 proposed owner intends to pay premiums with the
 19 assistance of financing from a lender that will use
 20 the policy as collateral to support the financing.

21 1. If, as described in the definition of life
 22 settlement contract in section 508G.2, the loan
 23 provides funds which can be used for a purpose other
 24 than paying for the premiums, costs, and expenses
 25 associated with obtaining and maintaining the life
 26 insurance policy and loan, the application shall be
 27 rejected as a violation of the prohibited practices in
 28 section 508G.13.

29 2. If the financing does not violate section
 30 508G.13 in the manner provided in subsection 1, the
 31 insurer may do any of the following:

32 a. Make a disclosure, including but not limited to
 33 such as the following, to the applicant and the
 34 insured, either on the application or an amendment to
 35 the application to be completed no later than the
 36 delivery of the policy:

37 "If you have entered into a loan arrangement where
 38 the life insurance policy is used as collateral, and
 39 the life insurance policy does change ownership at
 40 some point in the future in satisfaction of the loan,
 41 the following may be true:

42 A change of ownership could lead to a stranger
 43 owning an interest in the insured's life.

44 A change of ownership could in the future limit
 45 your ability to purchase future insurance on the
 46 insured's life because of a limit on the amount of
 47 coverage insurers will issue on one life.

48 Should there be a change of ownership and you wish
 49 to obtain more insurance coverage on the insured's
 50 life in the future, the insured's higher issue age, a

Page 24

1 change in health status, or other factors may reduce
2 the ability to obtain coverage or may result in
3 significantly higher premiums.

4 You should consult a professional advisor, since a
5 change in ownership in satisfaction of the loan may
6 result in tax consequences to the owner, depending on
7 the structure of the loan."

8 b. Require certifications, such as the following,
9 from the applicant or the insured:

10 "I have not entered into any agreement or
11 arrangement providing for the future sale of this life
12 insurance policy.

13 My loan arrangement for this life insurance policy
14 provides funds sufficient to pay for some or all of
15 the premiums, costs, and expenses associated with
16 obtaining and maintaining my life insurance policy,
17 but I have not entered into any agreement by which I
18 am to receive consideration in exchange for procuring
19 this life insurance policy.

20 The borrower has an insurable interest in the
21 insured."

22 Sec. 11. NEW SECTION. 508G.11 GENERAL RULES.

23 1. A provider entering into a life settlement
24 contract with an owner of a life insurance policy,
25 where the insured is terminally ill or chronically
26 ill, shall first obtain all of the following:

27 a. If the owner is the insured, a written
28 statement from a licensed attending physician that the
29 owner is of sound mind and under no constraint or
30 undue influence to enter into a life settlement
31 contract.

32 b. A document in which the insured consents to the
33 release of the owner's medical records to a provider,
34 broker, or insurance producer and, if the life
35 insurance policy was issued less than two years from
36 the date of application for a life settlement
37 contract, to the insurance company that issued the
38 policy.

39 2. An insurer shall respond to a request for
40 verification of coverage submitted by a provider,
41 broker, or life insurance producer not later than
42 thirty calendar days of the date the request is
43 received. The request for verification of coverage
44 must be made on a form approved by the commissioner.
45 The insurer shall complete and issue the verification
46 of coverage or indicate in which respects it is unable
47 to respond. In its response, the insurer shall
48 indicate whether, based on the medical evidence and
49 documents provided, the insurer intends to pursue an
50 investigation at this time regarding the validity of

Page 25

1 the life insurance policy.

2 3. Before or at the time of the execution of the
3 life settlement contract, the provider shall obtain a
4 witnessed document in which the owner consents to the
5 life settlement contract, represents that the owner
6 has a full and complete understanding of the life
7 settlement contract, that the owner has a full and
8 complete understanding of the benefits of the life
9 insurance policy, acknowledges that the owner is
10 entering into the life settlement contract freely and
11 voluntarily, and, for persons with a terminal or
12 chronic illness or condition, acknowledges that the
13 insured has a terminal or chronic illness and that the
14 terminal or chronic illness or condition was diagnosed
15 after the life insurance policy was issued.

16 4. The insurer shall not unreasonably delay
17 effecting change of ownership or beneficiary with any
18 life settlement contract lawfully entered into in this
19 state or with a resident of this state.

20 5. If a broker or life insurance producer performs
21 any activities required of the provider, the provider
22 is deemed to have fulfilled the requirements of this
23 section.

24 6. If a broker performs verification of coverage
25 activities required of the provider, the provider is
26 deemed to have fulfilled the requirements of section
27 508G.9, subsection 1.

28 7. Within twenty days after an owner executes the
29 life settlement contract, a provider shall give
30 written notice to the insurer that issued the life
31 insurance policy that the policy has become subject to
32 a life settlement contract. The notice shall be
33 accompanied by the documents required by section
34 508G.10, subsection 1, paragraph "b".

35 8. All medical information solicited or obtained
36 by any licensee shall be subject to the applicable
37 provision of state law relating to confidentiality of
38 medical information, if not otherwise provided in this
39 chapter.

40 9. A life settlement contract entered into in this
41 state shall provide that the owner may rescind the
42 contract on or before fifteen days after the date it
43 is executed by all parties. Rescission, if exercised by
44 the owner, is effective only if both notice of the
45 rescission is given, and the owner repays all proceeds
46 and any premiums, loans, and loan interest paid on
47 account of the provider within the rescission period.
48 If the insured dies during the rescission period, the
49 contract shall be deemed to have been rescinded
50 subject to repayment by the owner or the owner's

Page 26

1 estate of all proceeds and any premiums, loans, and
2 loan interest to the provider.

3 10. Within three business days after receipt from
4 the owner of documents to effect the transfer of the
5 insurance policy, the provider shall pay the proceeds
6 of the settlement to a trust or escrow account managed
7 by a trustee or escrow agent in a state or federally
8 chartered financial institution pending acknowledgment
9 of the transfer by the issuer of the policy. The
10 trustee or escrow agent shall be required to transfer
11 the proceeds due to the owner within three business
12 days of acknowledgment of the transfer from the
13 insurer.

14 11. A failure to tender life settlement contract
15 proceeds to the owner by the date disclosed to the
16 owner renders the contract voidable by the owner for
17 lack of consideration until the time the proceeds are
18 tendered to and accepted by the owner. A failure to
19 give written notice of the right of rescission shall
20 toll the right of rescission until thirty days after the
21 written notice of the right of rescission has been
22 given.

23 12. Any fee paid by a provider, party, individual,
24 or an owner to a broker in exchange for services
25 provided to the owner pertaining to a life settlement
26 contract shall be computed as a percentage of the
27 offer obtained, not the face value of the life
28 insurance policy. This section shall not be construed
29 as prohibiting a broker from reducing the broker's fee
30 below this percentage if the broker so chooses.

31 13. A broker shall disclose to the owner anything
32 of value paid or given to the broker, which relates to
33 a life settlement contract.

34 14. A person shall not at any time prior to, or at
35 the time of, the application for, or issuance of, a
36 life insurance policy, or during a two-year period
37 commencing with the date of issuance of the life
38 insurance policy, enter into a life settlement
39 contract regardless of the date the compensation is to
40 be provided and regardless of the date the assignment,
41 transfer, sale, devise, bequest, or surrender of the
42 policy is to occur. This prohibition shall not apply
43 if the owner certifies to the provider that any of the
44 following applies:

45 a. The life insurance policy was issued upon the
46 owner's exercise of conversion rights arising out of a
47 group or individual life insurance policy, provided
48 the total of the time covered under the conversion
49 policy plus the time covered under the prior life
50 insurance policy is at least twenty-four months. The

Page 27

1 time covered under a group life insurance policy must
2 be calculated without regard to a change in insurers,
3 provided the coverage has been continuous and under
4 the same group sponsorship.

5 b. The owner submits independent evidence to the
6 provider that one or more of the following conditions
7 have been met within the two-year period:

8 (1) The owner or insured is terminally ill or
9 chronically ill.

10 (2) The owner or insured disposes of the owner's
11 or insured's ownership interests in a closely held
12 corporation, pursuant to the terms of a buyout or
13 other similar agreement in effect at the time the life
14 insurance policy was initially issued.

15 (3) The owner's spouse dies.

16 (4) The owner divorces the owner's spouse.

17 (5) The owner retires from full-time employment.

18 (6) The owner becomes physically or mentally
19 disabled and a physician determines that the
20 disability prevents the owner from maintaining
21 full-time employment.

22 (7) A final order, judgment, or decree is entered
23 by a court of competent jurisdiction, on the
24 application of a creditor of the owner, adjudicating
25 the owner bankrupt or insolvent, or approving a
26 petition seeking reorganization of the owner or
27 appointing a receiver, trustee, or liquidator to all
28 or a substantial part of the owner's assets.

29 c. Copies of the independent evidence required by
30 subsection 14, paragraph "b", shall be submitted to
31 the insurer when the provider submits a request to the
32 insurer for verification of coverage. The copies
33 shall be accompanied by a letter of attestation from
34 the provider that the copies are true and correct
35 copies of the documents received by the provider.
36 This section does not prohibit an insurer from
37 exercising its right to contest the validity of any
38 life insurance policy.

39 d. If the provider submits to the insurer a copy
40 of independent evidence provided for in paragraph "b",
41 subparagraph (1), when the provider submits a request
42 to the insurer to effect the transfer of the policy to
43 the provider, the copy is deemed to establish that the
44 life settlement contract satisfies the requirements of
45 this section.

46 Sec. 12. NEW SECTION. 508G.12 AUTHORITY TO ADOPT
47 RULES – CONFLICT OF LAWS.

48 1. The commissioner may adopt rules implementing
49 this chapter and regulating the activities and
50 relationships of providers, brokers, insurers, and

Page 28

- 1 their agents, pursuant to chapter 17A.
2 2. For conflict of laws, all of the following
3 shall apply:
4 a. If there is more than one owner on a single
5 policy, and the owners are residents of different
6 states, the life settlement contract shall be governed
7 by the law of the state in which the owner having the
8 largest percentage ownership resides or, if the owners
9 hold equal ownership, the state of residence of one
10 owner agreed upon in writing by all of the owners.
11 The law of the state of the insured shall govern in
12 the event that equal owners fail to agree in writing
13 upon a state of residence for jurisdictional purposes.
14 b. A provider from this state who enters into a
15 life settlement contract with an owner who is a
16 resident of another state that has enacted statutes or
17 adopted regulations governing life settlement
18 contracts shall be governed in the effectuation of
19 that life settlement contract by the statutes and
20 regulations of the owner's state of residence. If the
21 state in which the owner is a resident has not enacted
22 statutes or regulations governing life settlement
23 contracts, the provider shall give the owner notice
24 that neither state regulates the transaction into
25 which the owner is entering. For transactions in
26 those states, however, the provider shall maintain all
27 records required as if the transactions were executed
28 in the state of residence. The forms used in those
29 states need not be approved by the commissioner.
30 c. If there is a conflict in the laws that apply
31 to an owner and a purchaser in any individual
32 transaction, the laws of the state that apply to the
33 owner shall take precedence and the provider shall
34 comply with those laws.
- 35 Sec. 13. NEW SECTION. 508G.13 PROHIBITED
36 PRACTICES.
37 1. A person shall not do any of the following:
38 a. Enter into a life settlement contract if the
39 person knows or reasonably should have known that the
40 life insurance policy was obtained by means of a
41 false, deceptive, or misleading application for such
42 life insurance policy.
43 b. Engage in any transaction, practice, or course
44 of business if such person knows or reasonably should
45 have known that the intent was to avoid the notice
46 requirements of this chapter.
47 c. Engage in any fraudulent act or practice in
48 connection with any transaction relating to any
49 settlement involving an owner who is a resident of
50 this state.

Page 29

- 1 d. Issue, solicit, market, or otherwise promote
2 the purchase of a life insurance policy for the
3 purpose of or with an emphasis on settling the life
4 insurance policy.
- 5 e. Enter into a premium finance agreement with any
6 person or agency, or any person affiliated with such
7 person or agency, pursuant to which such person or
8 agency shall receive any proceeds, fees, or other
9 consideration, directly or indirectly, from the life
10 insurance policy or owner of the life insurance policy
11 or any other person with respect to the premium
12 finance agreement or any life settlement contract or
13 other transaction related to such life insurance
14 policy that are in addition to the amounts required to
15 pay the principal, interest, and service charges
16 related to life insurance policy premiums pursuant to
17 the premium finance agreement or subsequent sale of
18 such agreement. However, any payments, charges, fees,
19 or other amounts in addition to the amounts required
20 to pay the principal, interest, and service charges
21 related to life insurance policy premiums paid under
22 the premium finance agreement shall be remitted to the

40 with such provider or the financing entity or related
41 provider trust that is involved in such life
42 settlement contract.
- 43 h. With respect to a provider, enter into a life
44 settlement contract unless the life settlement
45 promotional, advertising, and marketing materials, as
46 may be adopted by rule, have been filed with the
47 commissioner. In no event shall any marketing
48 materials expressly reference that the insurance is
49 free for any period of time. The inclusion of any
50 reference in the marketing materials that would cause

Page 30

1 an owner to reasonably believe that the insurance is
2 free for any period of time shall be considered a
3 violation of this chapter.

4 i. With respect to any life insurance producer,
5 insurer, broker, or provider, make any statement or
6 representation to the applicant or policyholder in
7 connection with the sale or financing of a life
8 insurance policy to the effect that the insurance is
9 free or without cost to the policyholder for any
10 period of time unless provided in the policy.

11 2. A violation of this section shall be deemed a
12 fraudulent life settlement act.

13 Sec. 14. NEW SECTION. 508G.14 FRAUD PREVENTION
14 AND CONTROL.

33 of transmission, shall contain the following statement
34 or a substantially similar statement:

35 "Any person who knowingly presents false
36 information in an application for a life insurance
37 policy or life settlement contract is guilty of a
38 crime and may be subject to fines and confinement in
39 prison."

40 b. The lack of a statement as required in
41 paragraph "a" does not constitute a defense in any
42 prosecution for a fraudulent life settlement act.

43 3. This section applies to the mandatory reporting
44 of fraudulent life settlement acts as follows:

45 a. Any person engaged in the business of life
46 settlements having knowledge or a reasonable belief
47 that a fraudulent life settlement act is being, will

12 act, if the information is provided to or received
13 from any of the following:

14 (1) The commissioner or the commissioner's
15 employees, agents, or representatives.

16 (2) Federal, state, or local law enforcement or
17 regulatory officials or their employees, agents, or
18 representatives.

19 (3) A person involved in the prevention and
20 detection of fraudulent life settlement acts or that

24 settlements, securities, or investment fraud.

25 (5) The life insurer that issued the life
26 insurance policy covering the life of the insured.

27 (6) The licensee and any agents, employees, or
28 representatives.

31 a person for filing a report or furnishing other
32 information concerning a fraudulent life settlement
33 act, the party bringing the action shall plead
34 specifically any allegation that paragraph "a" does
35 not apply because the person filing the report or
36 furnishing the information did so with actual malice.

37 c. (1) A person identified in paragraph "a" shall
38 be entitled to an award of attorney fees and costs if
39 the person is the prevailing party in a civil cause of
40 action for libel, slander, or any other relevant tort

42 provisions of this chapter and the party bringing the
43 action was not substantially justified in doing so.

44 (2) For purposes of this paragraph "c", a

26 privilege granted in paragraph "a".
- 27 6. This chapter shall not do any of the following:

29 other law enforcement or regulatory agencies to

33 any state securities law or any rule, order, or notice

40 of this state to the commissioner or the insurance
41 division, or an insurance fraud unit, to investigate
42 and examine possible violations of law and to take
43 appropriate action against wrongdoers.
- 44 7. This subsection applies to life settlement
45 antifraud initiatives as follows:
- 46 a. A provider or broker shall have in place
47 antifraud initiatives reasonably calculated to detect,
48 prosecute, and prevent a fraudulent life settlement
49 act. At the discretion of the commissioner, the
50 commissioner may order, or a licensee may request and

1 the commissioner may grant, such modifications of the
 2 following required initiatives as necessary to ensure
 3 an effective antifraud program. The modifications may
 4 be more or less restrictive than the required
 5 initiatives so long as the modifications may
 6 reasonably be expected to accomplish the purpose of
 7 this section. The antifraud initiatives shall include
 8 all of the following:

 - 29 and investigating unresolved material inconsistencies
 - 30 between medical records and insurance applications.
- 31 b. Antifraud plans submitted to the commissioner
- 32 shall be privileged and confidential, shall not be
- 33 subject to chapter 22, and shall not be subject to
- 34 discovery or subpoena in a civil or criminal action.
- 35 Sec. 15. NEW SECTION. 508G.15 INJUNCTIONS –
- 36 CIVIL REMEDIES – CEASE AND DESIST.

- 37 1. In addition to the penalties and other
- 38 enforcement provisions of this chapter, if any person
- 39 violates this chapter or any rule implementing this
- 40 chapter, the commissioner may seek an injunction in a
- 41 court of competent jurisdiction in the county where
- 42 the person resides or has a principal place of
- 43 business and may apply for temporary and permanent
- 44 orders that the commissioner determines necessary to
- 45 restrain the person from further committing the
- 46 violation.
- 47 2. A person damaged by an act of another person in
- 48 violation of this chapter or any rule implementing or

1 violation in a court of competent jurisdiction.
2 3. The commissioner may issue a cease and desist
3 order upon a person who violates any provision of this
4 chapter, any rule adopted or order issued by the
5 commissioner, or any written agreement entered into
6 with the commissioner.
7 4. If the commissioner finds that such an action
8 presents an immediate danger to the public and
9 requires an immediate final order, the commissioner
10 may issue an emergency cease and desist order reciting
11 with particularity the facts underlying such findings.
12 The emergency cease and desist order is effective
13 immediately upon service of a copy of the order on the
14 respondent and remains effective for ninety days. If
15 the commissioner begins nonemergency cease and desist
16 proceedings under subsection 1, the emergency cease
17 and desist order remains effective, absent an order by
18 a court of competent jurisdiction pursuant to chapter
19 17A. In the event of a willful violation of this
20 chapter, the court may award statutory damages in
21 addition to actual damages in an additional amount up
22 to three times the actual damage award. The
23 provisions of this chapter shall not be waived by
24 agreement. A choice of law provision shall not be
25 utilized to prevent the application of this chapter to
26 any life settlement in which a party to the life
27 settlement is a resident of this state.
28 Sec. 16. NEW SECTION. 508G.16 PENALTIES.
29 1. It is a violation of this chapter for any

6 d. If a provider does not provide to the requester
7 all records or images encompassed by the request or
8 does not allow a patient access to all of the
9 patient's medical records encompassed by the patient's
10 request to examine the patient's records, the provider
11 shall give written notice to the requester or the
12 patient that providing the requested records or images

 26 trust, the trust must have a written agreement with
 27 the licensed provider under which the licensed
 28 provider is responsible for ensuring compliance with
 29 all statutory and regulatory requirements and under
 30 which the trust agrees to make all records and files
 31 relating to life settlement transactions available to

32 the commissioner as if those records and files were
 33 maintained directly by the licensed provider.

 24 REQUIREMENTS.

25 1. A person, wherever located, shall not act as a
 26 provider or broker with an owner or multiple owners
 27 residing in this state, without first having obtained
 28 a license from the commissioner. If there is more
 29 than one owner on a single policy and the owners are
 30 residents of different states, the life settlement

31 contract shall be governed by the law of the state in
32 which the owner having the largest percentage
33 ownership resides or, if the owners hold equal
34 ownership, the state of residence of one owner agreed
35 upon in writing by all owners.

36 2. An application for a provider or broker license
37 shall be made to the commissioner by the applicant on
38 a form prescribed by the commissioner, and the
39 application shall be accompanied by a fee in an amount
40 established by the commissioner, provided, however,
41 that a license or renewal fee for a provider license
42 shall be reasonable and that a license or renewal fee
43 for a broker license shall not exceed the fee
44 established for an insurance producer.

45 3. A life insurance producer who has been duly
46 licensed as a resident insurance producer with a life
47 line of authority in this state or in the life
48 insurance producer's home state for at least one year
49 and is licensed as a nonresident producer in this
50 state shall be deemed to meet the licensing

Page 10

1 requirements of this section and shall be permitted to
2 operate as a broker.

3 4. Not later than thirty days from the first day
4 of operating as a broker, the life insurance producer
5 shall notify the commissioner that the life insurance
6 producer is acting as a broker on a form prescribed by
7 the commissioner, and shall pay an applicable fee
8 established by rules adopted by the commissioner.
9 Notification shall include an acknowledgment by the
10 life insurance producer that the life insurance
11 producer will operate as a broker in accordance with
12 this chapter.

13 5. The insurer that issued the life insurance
14 policy that is the subject of a life settlement
15 contract shall not be responsible for any act or
16 omission of a broker, provider, or purchaser arising
17 out of or in connection with the life settlement
18 transaction, unless the insurer receives compensation
19 for the placement of a life settlement contract from
20 the broker, provider, or purchaser in connection with
21 the life settlement contract.

22 6. A person licensed as an attorney, certified
23 public accountant, or financial planner accredited by
24 a nationally recognized accreditation agency, who is
25 retained to represent the owner, whose compensation is
26 not paid directly or indirectly by the provider or

28 behalf of the owner without having to obtain a license
29 as a broker.

30 7. The term of a provider license shall be equal
 31 to that of a domestic stock life insurance company and
 32 the term of a broker license shall be equal to that of
 33 an insurance producer license. A license requiring
 34 periodic renewal may be renewed on its anniversary
 35 date upon payment of the periodic renewal fee as
 36 specified in subsection 2. A failure to pay a fee on
 37 or before the renewal date shall result in revocation
 38 of the license.

39 8. The applicant shall provide such information as
 40 the commissioner may require on forms prepared by the
 41 commissioner. The commissioner may, at any time,
 42 require such applicant to fully disclose the identity
 43 of its stockholders except for a stockholder owning
 44 fewer than ten percent of the shares of an applicant
 45 whose shares are publicly traded; partners; officers;
 46 and employees. The commissioner may, in the exercise
 47 of the commissioner's sole discretion, refuse to issue
 48 such a license in the name of any person if not
 49 satisfied that any officer, employee, stockholder, or
 50 partner of the applicant who may materially influence

Page 11

1 the applicant's conduct meets the standards of this
 2 chapter.

3 9. A license issued to a partnership, corporation,
 4 limited liability company, or other entity authorizes
 5 a person who is a member, officer, or designated
 6 employee to act as a licensee under the license, if
 7 the person is named in the application or a supplement
 8 to the application.

9 10. Upon the filing of an application and the
 10 payment of the license fee, the commissioner shall
 11 make an investigation of each applicant and may issue
 12 a license if the commissioner finds that all of the
 13 following apply:

- 14 a. If the applicant is a provider, the applicant
 15 has provided a detailed plan of operation.
- 16 b. The applicant is competent and trustworthy and
 17 intends to transact its business in good faith.
- 18 c. The applicant has a good business reputation
 19 and has had experience, training, or education so as
 20 to be qualified in the business for which the license
 21 is applied.
- 22 d. If the applicant is a legal entity, is formed
 23 or organized pursuant to the laws of this state or is
 24 a foreign legal entity authorized to transact business
 25 in this state, or provides a certificate of good
 26 standing from the state of its domicile.
- 27 e. The applicant has provided to the commissioner
 28 an antifraud plan that meets the requirements of

29 section 508G.14 and includes all of the following:
30 (1) A description of the procedures for detecting
31 and investigating a possible fraudulent act and
32 procedure for resolving material inconsistencies
33 between a medical record and insurance applications.
34 (2) A description of the procedures for reporting
35 a fraudulent insurance act to the commissioner.
36 (3) A description of the plan for antifraud
37 education and training of its underwriters and other
38 personnel.
39 (4) A written description or chart outlining the
40 arrangement of the antifraud personnel who are
41 responsible for the investigation and reporting of a
42 possible fraudulent insurance act and investigating
43 any unresolved material inconsistency between a
44 medical record and the insurance application.
45 11. The commissioner shall not issue a license to
46 a nonresident applicant, unless a written designation
47 of an agent for service of process is filed and
48 maintained with the commissioner or unless the
49 applicant has filed with the commissioner the
50 applicant's written irrevocable consent that any

Page 12

1 action against the applicant may be commenced against
2 the applicant by service of process on the
3 commissioner.
4 12. A licensee shall file with the commissioner on
5 or before the first day of March of each year an
6 annual statement containing such information as the
7 commissioner by rule may prescribe.
8 13. A provider shall not use any person to perform
9 the functions of a broker unless the person holds a
10 license as a broker as provided in this section.
11 14. A broker shall not use a person to perform the
12 functions of a provider unless such person holds a
13 license as a provider as provided in this section.
14 15. A provider or broker shall provide to the
15 commissioner new or revised information about an
16 officer, ten percent or more stockholders, a partner,
17 director, members, or a designated employee within
18 thirty days of a change.
19 16. An individual licensed as a broker shall
20 complete on a biennial basis fifteen hours of training
21 related to a life settlement or a life settlement
22 transaction, as required by the commissioner.
23 However, a life insurance producer who is operating as
24 a broker pursuant to this section shall not be subject
25 to the requirements of this subsection. A person
26 failing to meet the requirements of this subsection
27 shall be subject to the penalties imposed by the

28 commissioner.

29 Sec. 4. NEW SECTION. 508G.4 LICENSE SUSPENSION,
30 REVOCATION, OR REFUSAL TO RENEW.

31 1. The commissioner may suspend, revoke, or refuse
32 to renew the license of a licensee if the commissioner
33 finds any of the following:

34 a. There was any material misrepresentation in the
35 application for the license.

36 b. The licensee or any officer, partner, member,

44 for initial licensure.

45 e. The licensee or any officer, partner, member,

47 misdemeanor of which criminal fraud or moral turpitude
48 is an element; or the licensee has pleaded guilty or
49 nolo contendere with respect to any felony or any
50 misdemeanor of which criminal fraud or moral turpitude

Page 13

1 is an element, regardless of whether a judgment of
2 conviction has been entered by the court.

3 f. The provider has entered into a life settlement
4 contract that has not been approved pursuant to this
5 chapter.

6 g. The provider has failed to honor contractual
7 obligations set out in a life settlement contract.

9 pledged a settled policy to a person other than a
10 provider licensed in this state; a purchaser; an
11 accredited investor or qualified institutional buyer
12 as defined, respectively, in 17 C.F.R. § 230.501(a) or
13 17 C.F.R. § 230.144A as promulgated by the United
14 States securities and exchange commission under the
15 federal Securities Act of 1933, as amended, 15 U.S.C.
16 § 77a et seq.; a financing entity; a special purpose
17 entity; or a related provider trust.

18 i. The licensee or any officer, partner, member,
19 or key management personnel has violated any of the
20 provisions of this chapter.

21 2. Before the commissioner denies a license
22 application or suspends, revokes, or refuses to renew
23 the license of any licensee under this chapter, the
24 commissioner shall conduct a contested case proceeding
25 in accordance with chapter 17A.

26 Sec. 5. NEW SECTION. 508G.5 CONTRACT

27 REQUIREMENTS.

28 1. A person shall not use any form of life
 29 settlement contract in this state unless it has been
 30 filed with and approved, if required, by the
 31 commissioner in a manner that conforms with the filing
 32 procedures and any time restrictions or deeming
 33 provisions, if any, for life insurance forms,
 34 policies, and contracts.

35 2. An insurer shall not, as a condition of
 36 responding to a request for verification of coverage
 37 or in connection with the transfer of a life insurance
 38 policy pursuant to a life settlement contract, require
 39 that the owner, insured provider, or broker sign any
 40 form, disclosure, consent, waiver, or acknowledgment
 41 that has not been expressly approved by the
 42 commissioner for use in connection with life
 43 settlement contracts in this state.

44 3. A person shall not use a life settlement
 45 contract form or provide to an owner a disclosure
 46 statement form in this state unless first filed with
 47 and approved by the commissioner. The commissioner
 48 shall disapprove a life settlement contract form or
 49 disclosure statement form if, in the commissioner's
 50 opinion, the contract or provisions contained in such

Page 14

1 form fail to meet the requirements of sections 508G.8,
 2 508G.9, or 508G.11, or are unreasonable, contrary to
 3 the interests of the public, or otherwise misleading
 4 or unfair to the owner. At the commissioner's
 5 discretion, the commissioner may require the
 6 submission of advertising material.

7 Sec. 6. NEW SECTION. 508G.6 REPORTING

 16 face amount, and life settlement proceeds of life
 17 insurance policies settled during the immediately
 18 preceding calendar year, together with a breakdown of
 19 the information by policy issue year for each insurer.
 20 The annual statement shall also include the names of
 21 the insurance companies whose policies have been

 25 transactions where the insured is a resident of this

26 state and shall not include individual transaction

 28 information that there is a reasonable basis to
 29 believe could be used to identify the owner or the
 30 insured.

31 b. A provider that willfully fails to file an
 32 annual statement as required in this section, or
 33 willfully fails to reply within thirty days to a
 34 written inquiry by the commissioner in connection to
 35 the filing of the annual statement, shall, in addition
 36 to other penalties provided by this chapter, be

 47 the insured or the insured's financial or medical
 48 information to any other person unless the disclosure
 49 is any of the following:

50 a. Necessary to effect a life settlement contract

Page 15

1 between the owner and a provider and the owner and
 2 insured have provided prior written consent to the
 3 disclosure.

4 b. Necessary to effectuate the sale of life
 5 settlement contracts, or interest in a life insurance
 6 contract as an investment, provided the sale is

 10 provided prior written consent to the disclosure.

 37 all other federal and state laws relating to
 38 confidentiality of nonpublic personal information.

39 Sec. 7. NEW SECTION. 508G.7 EXAMINATION.

40 1. The commissioner may, when the commissioner
 41 deems it reasonably necessary to protect the interests
 42 of the public, examine the business and affairs of any
 43 licensee or applicant for a license. The commissioner
 44 may order any licensee or applicant to produce any
 45 records, books, files, or other information reasonably
 46 necessary to ascertain whether such licensee or
 47 applicant is acting or has acted in violation of the
 48 law or otherwise contrary to the interests of the
 49 public. The expenses incurred in conducting any
 50 examination shall be paid by the licensee or

Page 16

1 applicant.

2 2. In lieu of an examination under this section of
 3 any foreign or alien licensee licensed in this state,
 4 the commissioner may, at the commissioner's
 5 discretion, accept an examination report on the
 6 licensee as prepared by the commissioner for the
 7 licensee's state of domicile or port-of-entry state.

8 3. Notwithstanding chapter 22, the name and
 9 individual identification data for each owner and
 10 insured shall be considered private and confidential
 11 information and shall not be disclosed by the
 12 commissioner unless required by law.

13 4. The records of all consummated transactions and
 14 life settlement contracts shall be maintained by the
 15 provider for three years after the death of the
 16 insured and shall be available to the commissioner for
 17 inspection during reasonable business hours.

18 5. For the conduct of examinations, all of the
 19 following shall apply:

20 a. Upon determining that an examination is
 21 appropriate, the commissioner shall issue an
 22 examination warrant appointing one or more examiners
 23 to perform the examination and instructing them as to

24 the scope of the examination. In conducting the
25 examination, an examiner shall use methods common to
26 the examination of any life settlement licensee and
27 may use those guidelines and procedures set forth in
28 an examiners' handbook adopted by a national
29 organization as required by the commissioner.
30 b. A licensee or other person from whom
31 information is sought, its officers, directors, or
32 agents shall provide to an examiner timely,
33 convenient, and free access at all reasonable hours at
34 its office to all books, records, accounts, papers,
35 documents, assets, and computer or other recordings
36 relating to the property, assets, business, and
37 affairs of the licensee or other person being
38 examined. The officer, director, employee, or agent
39 of the licensee or other person shall facilitate the
40 examination and aid in the examination so far as it is
41 in the person's power to do so. The refusal of a
42 licensee, by an officer, director, employee, or agent,
43 to submit to examination or to comply with any
44 reasonable written request of the commissioner shall
45 be grounds for suspension or refusal of, or nonrenewal
46 of any license or authority held by the licensee to
47 engage in the business of life settlements or other
48 business subject to the commissioner's jurisdiction.
49 Any proceedings for suspension, revocation, or refusal
50 of a license or authority shall be conducted pursuant

Page 17

1 to chapter 17A.
2 c. The commissioner may issue subpoenas,
3 administer oaths, and examine under oath any person as
4 to any matter pertinent to the examination. Upon the
5 failure or refusal of a person to obey a subpoena, the
6 commissioner may petition a court of competent
7 jurisdiction, and upon proper showing, the court may
8 enter an order compelling the witness to appear and
9 testify or produce documentary evidence.
10 d. When making an examination under this chapter,
11 the commissioner may retain one or more attorneys,
12 appraisers, independent actuaries, independent
13 certified public accountants, or other professionals
14 and specialists as examiners, the reasonable cost of
15 which shall be borne by the licensee that is the
16 subject of the examination.
17 e. This chapter shall not be construed to limit
18 the commissioner's authority to terminate or suspend
19 an examination in order to pursue other legal or
20 administrative action pursuant to the insurance laws
21 of this state. Findings of fact and conclusions made
22 pursuant to any examination shall be prima facie

23 evidence in any legal or regulatory action.
24 f. This chapter shall not be construed to limit
25 the commissioner's authority to use and, if
26 appropriate, to make public any final or preliminary
27 examination report, any examiner or licensee work
28 papers or other documents, or any other information
29 discovered or developed during the course of any
30 examination in the furtherance of any legal or
31 administrative action which the commissioner may, in
32 the commissioner's sole discretion, deem appropriate.
33 6. For the examination report, all of the
34 following apply:
35 a. An examination report shall be comprised of
36 only facts appearing upon the books, from the
37 testimony of its officers or agents or other persons
38 examined concerning its affairs, and such conclusions
39 and recommendations as the examiners find reasonably
40 warranted from the facts.
41 b. Not later than sixty days following completion
42 of the examination, the examiner in charge shall file
43 with the commissioner a verified written report of
44 examination under oath. Upon receipt of the verified
45 report, the commissioner shall transmit the report to
46 the licensee examined, together with a notice that
47 shall afford the licensee examined a reasonable
48 opportunity of not more than thirty days to make a
49 written submission or rebuttal with respect to any
50 matter contained in the examination report and which

Page 18

1 shall become part of the report or to request an
2 administrative hearing on any matter in dispute as
3 provided in chapter 17A.
4 c. In the event the commissioner determines that
5 regulatory action is appropriate as a result of an
6 examination, the commissioner may initiate any
7 proceeding or action provided by law.
8 7. For the confidentiality of examination
9 information, all of the following apply:
10 a. The name and individual identification data for
11 each owner, purchaser, or insured shall be considered
12 private and confidential information and shall not be
13 disclosed by the commissioner, unless the disclosure
14 is to another regulator or is required by law.
15 b. Except as otherwise provided in this chapter,
16 an examination report, working papers, recorded
17 information, documents or materials, and copies
18 produced by, obtained by, or disclosed to the
19 commissioner or any other person in the course of an
20 examination made under this chapter, or in the course
21 of analysis or investigation by the commissioner of

22 the financial condition or market conduct of a
23 licensee shall be confidential by law and privileged,
24 shall not be subject to chapter 22, shall not be
25 subject to subpoena, and shall not be subject to
26 discovery or admissible in evidence in any private
27 civil action. The commissioner may use the
28 examination report, working papers, recorded
29 information, documents, materials, or other
30 information in the furtherance of any administrative
31 or legal action brought as part of the commissioner's
32 official duties. The licensee being examined may have
33 access to all documents used to make the report.

34 8. For conflict of interest, all of the following
35 apply:

36 a. An examiner shall not be appointed by the
37 commissioner if the examiner, either directly or
38 indirectly, has a conflict of interest or is
39 affiliated with the management of or owns a pecuniary
40 interest in any person subject to examination under
41 this chapter. This section shall not be construed to
42 automatically preclude an examiner from being any of
43 the following:

44 (1) An owner.

45 (2) An insured in a life settlement contract or
46 life insurance policy.

47 (3) A beneficiary in a life insurance policy that
48 is proposed for a life settlement contract.

49 b. Notwithstanding the requirements of this
50 subsection, the commissioner may retain from time to

Page 19

1 time, on an individual basis, one or more qualified
2 actuaries, certified public accountants, or other
3 similar individuals who are independently practicing
4 their professions, even though these persons may from
5 time to time be similarly employed or retained by
6 persons subject to examination under this chapter.

7 9. For immunity from liability, all of the
8 following shall apply:

9 a. A cause of action shall not arise and liability
10 shall not be imposed against the commissioner, the
11 commissioner's authorized representative, or any
12 examiner appointed by the commissioner for any
13 statements made or conduct performed in good faith
14 while carrying out the provisions of this chapter.

15 b. A cause of action shall not arise, and
16 liability shall not be imposed, against any person for
17 communicating or delivering information or data to the
18 commissioner or the commissioner's authorized
19 representative or examiner pursuant to an examination
20 made under this chapter, if the communication or

21 delivery was performed in good faith and without
 22 fraudulent intent or the intent to deceive. This
 23 paragraph does not abrogate or modify in any way any
 24 common law or statutory privilege or immunity enjoyed
 25 by any person identified in paragraph "a".

26 c. (1) A person identified in paragraph "a" or
 27 "b" shall be entitled to an award of attorney fees and
 28 costs if the person is the prevailing party in a civil
 29 cause of action for libel, slander, or any other
 30 relevant tort arising out of activities in carrying
 31 out the provisions of this chapter and the party
 32 bringing the action was not substantially justified in
 33 doing so.

34 (2) For purposes of subparagraph (1), a proceeding
 35 is substantially justified if it has a reasonable
 36 basis in law or fact at the time that it was
 37 initiated.

38 10. The commissioner may investigate a suspected
 39 fraudulent life settlement act and a person engaged in
 40 the business of life settlements.

41 11. The commission by rule may establish
 42 reasonable costs for examinations imposed upon a
 43 person.

44 Sec. 8. NEW SECTION. 508G.8 ADVERTISING.

45 1. A broker or provider licensed pursuant to this
 46 chapter may conduct or participate in an advertisement
 47 within this state. Such advertisement shall comply
 48 with all statutes or rules adopted by the commissioner
 49 that are applicable to life insurers or to brokers,
 50 and providers licensed pursuant to this chapter.

Page 20

1 2. An advertisement shall be accurate, truthful,
 2 and not misleading in fact or by implication.

3 3. A person shall not do any of the following:

4 a. Directly or indirectly market, advertise,
 5 solicit, or otherwise promote the purchase of a life
 6 insurance policy for the sole purpose of or with an
 7 emphasis on settling the life insurance policy.

8 b. Use the words "free", "no cost", or words of
 9 similar import in the marketing, advertising,
 10 soliciting, or otherwise promoting of the purchase of
 11 a life insurance policy.

12 Sec. 9. NEW SECTION. 508G.9 DISCLOSURES TO
 13 OWNERS.

14 1. A provider shall provide in writing, a separate
 15 disclosure document that is signed by the owner and
 16 provider, to the owner not later than the date the
 17 life settlement contract is signed by all parties.

18 a. The disclosure document shall include all of
 19 the following information:

20 (1) That possible alternatives to life settlement
 21 contracts exist including but not limited to
 22 accelerated benefits offered by the issuer of the life
 23 insurance policy.
 24 (2) That some or all of the proceeds of a life
 25 settlement contract may be taxable and that assistance
 26 should be sought from a professional tax advisor.
 27 (3) That the proceeds from a life settlement
 28 contract could be subject to the claims of creditors.
 29 (4) That receipt of proceeds from a life
 30 settlement contract may adversely affect the
 31 recipient's eligibility for public assistance or other
 32 government benefits or entitlements and that advice
 33 should be obtained from the appropriate agencies.
 34 (5) That the owner has a right to rescind a life
 35 settlement contract within fifteen days of the date it
 36 is executed by all parties and the owner has received
 37 the disclosures required in this section. Rescission,
 38 if exercised by the owner, is effective only if both
 39 notice of the rescission is given, and the owner repays
 40 all proceeds and any premiums, loans, and loan
 41 interest paid on account of the provider within the
 42 rescission period. If the insured dies during the
 43 rescission period, the contract shall be deemed to have
 44 been rescinded subject to repayment by the owner or
 45 the owner's estate of all proceeds and any premiums,
 46 loans, and loan interest to the provider.
 47 (6) That proceeds will be sent to the owner within
 48 three business days after the provider has received
 49 the insurer or group administrator's acknowledgment
 50 that ownership of the life insurance policy or

Page 21

1 interest in the life insurance certificate has been
 2 transferred and the beneficiary has been designated in
 3 accordance with the terms of the life settlement
 4 contract.
 5 (7) That entering into a life settlement contract
 6 may cause other rights or benefits, including
 7 conversion rights and waiver of premium benefits that
 8 may exist under the life insurance policy or
 9 certificate of a group life insurance policy, to be
 10 forfeited by the owner and that assistance should be
 11 sought from a professional financial advisor.
 12 (8) (a) The amount and method of calculating the
 13 compensation paid or to be paid to the broker, or any
 14 other person acting for the owner in connection with
 15 the transaction.
 16 (b) As used in subparagraph subdivision (a),
 17 compensation includes anything of value paid or given.
 18 (9) The date by which the funds will be available

19 to the owner and the transmitter of the funds.

20 (10) That the commissioner requires delivery of a
21 buyer's guide or a similar consumer advisory package
22 in the form prescribed by the commissioner to owners
23 during the solicitation process.

24 (11) The following language:

25 "All medical, financial, or personal information
26 solicited or obtained by a provider or broker about an
27 insured, including the insured's identity or the
28 identity of family members, a spouse, or a significant
29 other may be disclosed as necessary to effect the life
30 settlement contract between the owner and provider.
31 If you are asked to provide this information, you will
32 be asked to consent to the disclosure. The
33 information may be provided to someone who buys the
34 policy or provides funds for the purchase. You may be
35 asked to renew your permission to share information
36 every two years."

37 (12) That the commissioner requires providers and
38 brokers to print separate signed fraud warnings on
39 their applications and on their life settlement
40 contracts as follows:

41 "Any person who knowingly presents false
42 information in an application for a life insurance
43 policy or life settlement contract is guilty of a
44 crime and may be subject to fines and confinement in
45 prison."

46 (13) That the insured may be contacted by either
47 the provider or broker or its authorized
48 representative for the purpose of determining the
49 insured's health status or to verify the insured's
50 address. This contact is limited to once every three

Page 22

1 months if the insured has a life expectancy of more
2 than one year, and no more than once per month if the
3 insured has a life expectancy of one year or less.

4 (14) The affiliation, if any, between the provider
5 and the issuer of the life insurance policy to be
6 settled.

7 (15) That a broker represents exclusively the
8 owner, and not the insurer or the provider or any
9 other person, and owes a fiduciary duty to the owner,
10 including a duty to act according to the owner's
11 instructions and in the best interest of the owner.

12 (16) The name, address, and telephone number of
13 the provider.

14 (17) The name, business address, and telephone
15 number of the independent third-party escrow agent,
16 and the fact that the owner may inspect or receive
17 copies of the relevant escrow or trust agreements or

18 documents.

19 (18) That a change of ownership could in the
20 future limit the insured's ability to purchase future
21 insurance on the insured's life because of a limit on
22 the amount of coverage insurers will issue on one
23 life.

24 b. The written disclosure as provided in paragraph
25 "a" shall be conspicuously displayed in any life
26 settlement contract furnished to the owner by a
27 provider including the disclosure of any affiliations
28 or contractual arrangements between the provider and
29 the broker.

30 2. A broker shall provide the owner and the
31 provider with at least the following disclosures not
32 later than the date the life settlement contract is
33 signed by all parties. The disclosures shall be
34 conspicuously displayed in the life settlement
35 contract or in a separate document signed by the owner
36 and provide all of the following information:

37 a. The name, business address, and telephone
38 number of the broker.

39 b. A full, complete, and accurate description of
40 all the offers, counteroffers, acceptances, and
41 rejections relating to the proposed life settlement
42 contract.

43 c. A written disclosure of any affiliation or
44 contractual arrangement between the broker and any
45 person making an offer in connection with the proposed
46 life settlement contract.

47 d. The name of each broker who receives
48 compensation and the amount of compensation received
49 by that broker, which compensation includes anything
50 of value paid or given to the broker in connection

Page 23

1 with the life settlement contract.

2 e. (1) A complete reconciliation of the gross
3 offer or bid by the provider to the net amount of
4 proceeds or value to be received by the owner.

5 (2) For the purpose of subparagraph (1), "gross
6 offer" or "bid" means the total amount or value
7 offered by the provider for the purchase of one or
8 more life insurance policies, inclusive of commissions
9 and fees.

10 f. The failure to provide the disclosures or
11 rights described in this section is deemed an unfair
12 trade practice pursuant to section 508G.17.

13 Sec. 10. NEW SECTION. 508G.10 DISCLOSURE TO
14 INSURER.

15 Without limiting the ability of an insurer from
16 assessing the insurability of a policy applicant and

17 determining whether or not to issue the policy, and in
 18 addition to other questions an insurer may lawfully
 19 pose to a life insurance applicant, insurers may
 20 inquire in the application for insurance whether the
 21 proposed owner intends to pay premiums with the
 22 assistance of financing from a lender that will use
 23 the policy as collateral to support the financing.

24 1. If, as described in the definition of life
 25 settlement contract in section 508G.2, the loan
 26 provides funds which can be used for a purpose other
 27 than paying for the premiums, costs, and expenses
 28 associated with obtaining and maintaining the life
 29 insurance policy and loan, the application shall be
 30 rejected as a violation of the prohibited practices in
 31 section 508G.13.

32 2. If the financing does not violate section
 33 508G.13 in the manner provided in subsection 1, the
 34 insurer may do any of the following:

35 a. Make a disclosure, including but not limited to
 36 such as the following, to the applicant and the
 37 insured, either on the application or an amendment to
 38 the application to be completed no later than the
 39 delivery of the policy:

40 "If you have entered into a loan arrangement where
 41 the life insurance policy is used as collateral, and
 42 the life insurance policy does change ownership at
 43 some point in the future in satisfaction of the loan,
 44 the following may be true:

45 A change of ownership could lead to a stranger
 46 owning an interest in the insured's life.

47 A change of ownership could in the future limit
 48 your ability to purchase future insurance on the
 49 insured's life because of a limit on the amount of
 50 coverage insurers will issue on one life.

Page 24

1 Should there be a change of ownership and you wish
 2 to obtain more insurance coverage on the insured's
 3 life in the future, the insured's higher issue age, a
 4 change in health status, or other factors may reduce
 5 the ability to obtain coverage or may result in
 6 significantly higher premiums.

7 You should consult a professional advisor, since a
 8 change in ownership in satisfaction of the loan may
 9 result in tax consequences to the owner, depending on
 10 the structure of the loan."

11 b. Require certifications, such as the following,
 12 from the applicant or the insured:

13 "I have not entered into any agreement or
 14 arrangement providing for the future sale of this life
 15 insurance policy.

16 My loan arrangement for this life insurance policy
 17 provides funds sufficient to pay for some or all of
 18 the premiums, costs, and expenses associated with
 19 obtaining and maintaining my life insurance policy,
 20 but I have not entered into any agreement by which I
 21 am to receive consideration in exchange for procuring
 22 this life insurance policy.

23 The borrower has an insurable interest in the
 24 insured."

25 Sec. 11. NEW SECTION. 508G.11 GENERAL RULES.

26 1. A provider entering into a life settlement
 27 contract with an owner of a life insurance policy,
 28 where the insured is terminally ill or chronically
 29 ill, shall first obtain all of the following:

30 a. If the owner is the insured, a written
 31 statement from a licensed attending physician that the
 32 owner is of sound mind and under no constraint or
 33 undue influence to enter into a life settlement
 34 contract.

35 b. A document in which the insured consents to the
 36 release of the owner's medical records to a provider,
 37 broker, or insurance producer and, if the life
 38 insurance policy was issued less than two years from
 39 the date of application for a life settlement
 40 contract, to the insurance company that issued the
 41 policy.

42 2. An insurer shall respond to a request for
 43 verification of coverage submitted by a provider,
 44 broker, or life insurance producer not later than
 45 thirty calendar days of the date the request is
 46 received. The request for verification of coverage
 47 must be made on a form approved by the commissioner.
 48 The insurer shall complete and issue the verification
 49 of coverage or indicate in which respects it is unable
 50 to respond. In its response, the insurer shall

Page 25

1 indicate whether, based on the medical evidence and
 2 documents provided, the insurer intends to pursue an
 3 investigation at this time regarding the validity of
 4 the life insurance policy.

5 3. Before or at the time of the execution of the
 6 life settlement contract, the provider shall obtain a
 7 witnessed document in which the owner consents to the
 8 life settlement contract, represents that the owner
 9 has a full and complete understanding of the life
 10 settlement contract, that the owner has a full and
 11 complete understanding of the benefits of the life
 12 insurance policy, acknowledges that the owner is
 13 entering into the life settlement contract freely and
 14 voluntarily, and, for persons with a terminal or

15 chronic illness or condition, acknowledges that the
16 insured has a terminal or chronic illness and that the
17 terminal or chronic illness or condition was diagnosed
18 after the life insurance policy was issued.

19 4. The insurer shall not unreasonably delay
20 effecting change of ownership or beneficiary with any
21 life settlement contract lawfully entered into in this
22 state or with a resident of this state.

23 5. If a broker or life insurance producer performs
24 any activities required of the provider, the provider
25 is deemed to have fulfilled the requirements of this
26 section.

27 6. If a broker performs verification of coverage
28 activities required of the provider, the provider is
29 deemed to have fulfilled the requirements of section
30 508G.9, subsection 1.

31 7. Within twenty days after an owner executes the
32 life settlement contract, a provider shall give
33 written notice to the insurer that issued the life
34 insurance policy that the policy has become subject to
35 a life settlement contract. The notice shall be
36 accompanied by the documents required by section
37 508G.10, subsection 1, paragraph "b".

38 8. All medical information solicited or obtained
39 by any licensee shall be subject to the applicable
40 provision of state law relating to confidentiality of
41 medical information, if not otherwise provided in this
42 chapter.

43 9. A life settlement contract entered into in this
44 state shall provide that the owner may rescind the
45 contract on or before fifteen days after the date it
46 is executed by all parties. Rescission, if exercised by
47 the owner, is effective only if both notice of the
48 rescission is given, and the owner repays all proceeds
49 and any premiums, loans, and loan interest paid on
50 account of the provider within the rescission period.

Page 26

1 If the insured dies during the rescission period, the
2 contract shall be deemed to have been rescinded
3 subject to repayment by the owner or the owner's
4 estate of all proceeds and any premiums, loans, and
5 loan interest to the provider.

6 10. Within three business days after receipt from
7 the owner of documents to effect the transfer of the
8 insurance policy, the provider shall pay the proceeds
9 of the settlement to a trust or escrow account managed
10 by a trustee or escrow agent in a state or federally
11 chartered financial institution pending acknowledgment
12 of the transfer by the issuer of the policy. The
13 trustee or escrow agent shall be required to transfer

14 the proceeds due to the owner within three business
15 days of acknowledgment of the transfer from the
16 insurer.

17 11. A failure to tender life settlement contract
18 proceeds to the owner by the date disclosed to the
19 owner renders the contract voidable by the owner for
20 lack of consideration until the time the proceeds are
21 tendered to and accepted by the owner. A failure to
22 give written notice of the right of rescission shall
23 toll the right of rescission until thirty days after the
24 written notice of the right of rescission has been
25 given.

26 12. Any fee paid by a provider, party, individual,
27 or an owner to a broker in exchange for services
28 provided to the owner pertaining to a life settlement
29 contract shall be computed as a percentage of the
30 offer obtained, not the face value of the life
31 insurance policy. This section shall not be construed
32 as prohibiting a broker from reducing the broker's fee
33 below this percentage if the broker so chooses.

34 13. A broker shall disclose to the owner anything
35 of value paid or given to the broker, which relates to
36 a life settlement contract.

37 14. A person shall not at any time prior to, or at
38 the time of, the application for, or issuance of, a
39 life insurance policy, or during a two-year period
40 commencing with the date of issuance of the life
41 insurance policy, enter into a life settlement
42 contract regardless of the date the compensation is to
43 be provided and regardless of the date the assignment,
44 transfer, sale, devise, bequest, or surrender of the
45 policy is to occur. This prohibition shall not apply
46 if the owner certifies to the provider that any of the
47 following applies:

48 a. The life insurance policy was issued upon the
49 owner's exercise of conversion rights arising out of a
50 group or individual life insurance policy, provided

Page 27

1 the total of the time covered under the conversion
2 policy plus the time covered under the prior life
3 insurance policy is at least twenty-four months. The
4 time covered under a group life insurance policy must
5 be calculated without regard to a change in insurers,
6 provided the coverage has been continuous and under
7 the same group sponsorship.

8 b. The owner submits independent evidence to the
9 provider that one or more of the following conditions
10 have been met within the two-year period:

11 (1) The owner or insured is terminally ill or
12 chronically ill.

13 (2) The owner or insured disposes of the owner's
 14 or insured's ownership interests in a closely held
 15 corporation, pursuant to the terms of a buyout or
 16 other similar agreement in effect at the time the life
 17 insurance policy was initially issued.

18 (3) The owner's spouse dies.

19 (4) The owner divorces the owner's spouse.

20 (5) The owner retires from full-time employment.

21 (6) The owner becomes physically or mentally
 22 disabled and a physician determines that the
 23 disability prevents the owner from maintaining
 24 full-time employment.

25 (7) A final order, judgment, or decree is entered
 26 by a court of competent jurisdiction, on the
 27 application of a creditor of the owner, adjudicating
 28 the owner bankrupt or insolvent, or approving a
 29 petition seeking reorganization of the owner or
 30 appointing a receiver, trustee, or liquidator to all
 31 or a substantial part of the owner's assets.

32 c. Copies of the independent evidence required by
 33 subsection 14, paragraph "b", shall be submitted to
 34 the insurer when the provider submits a request to the
 35 insurer for verification of coverage. The copies
 36 shall be accompanied by a letter of attestation from
 37 the provider that the copies are true and correct
 38 copies of the documents received by the provider.
 39 This section does not prohibit an insurer from
 40 exercising its right to contest the validity of any
 41 life insurance policy.

42 d. If the provider submits to the insurer a copy
 43 of independent evidence provided for in paragraph "b",
 44 subparagraph (1), when the provider submits a request
 45 to the insurer to effect the transfer of the policy to
 46 the provider, the copy is deemed to establish that the
 47 life settlement contract satisfies the requirements of
 48 this section.

49 Sec. 12. NEW SECTION. 508G.12 AUTHORITY TO ADOPT
 50 RULES – CONFLICT OF LAWS.

Page 28

1 1. The commissioner may adopt rules implementing
 2 this chapter and regulating the activities and
 3 relationships of providers, brokers, insurers, and
 4 their agents, pursuant to chapter 17A.

5 2. For conflict of laws, all of the following
 6 shall apply:

7 a. If there is more than one owner on a single
 8 policy, and the owners are residents of different
 9 states, the life settlement contract shall be governed
 10 by the law of the state in which the owner having the
 11 largest percentage ownership resides or, if the owners

12 hold equal ownership, the state of residence of one
 13 owner agreed upon in writing by all of the owners.
 14 The law of the state of the insured shall govern in
 15 the event that equal owners fail to agree in writing
 16 upon a state of residence for jurisdictional purposes.

17 b. A provider from this state who enters into a
 18 life settlement contract with an owner who is a
 19 resident of another state that has enacted statutes or
 20 adopted regulations governing life settlement
 21 contracts shall be governed in the effectuation of
 22 that life settlement contract by the statutes and
 23 regulations of the owner's state of residence. If the
 24 state in which the owner is a resident has not enacted
 25 statutes or regulations governing life settlement
 26 contracts, the provider shall give the owner notice
 27 that neither state regulates the transaction into
 28 which the owner is entering. For transactions in
 29 those states, however, the provider shall maintain all
 30 records required as if the transactions were executed
 31 in the state of residence. The forms used in those
 32 states need not be approved by the commissioner.

33 c. If there is a conflict in the laws that apply
 34 to an owner and a purchaser in any individual
 35 transaction, the laws of the state that apply to the
 36 owner shall take precedence and the provider shall
 37 comply with those laws.

38 Sec. 13. NEW SECTION. 508G.13 PROHIBITED
 39 PRACTICES.

- 40 1. A person shall not do any of the following:
- 41 a. Enter into a life settlement contract if the
 - 42 person knows or reasonably should have known that the
 - 43 life insurance policy was obtained by means of a
 - 44 false, deceptive, or misleading application for such
 - 45 life insurance policy.
 - 46 b. Engage in any transaction, practice, or course
 - 47 of business if such person knows or reasonably should
 - 48 have known that the intent was to avoid the notice
 - 49 requirements of this chapter.
 - 50 c. Engage in any fraudulent act or practice in

Page 29

1 connection with any transaction relating to any
 2 settlement involving an owner who is a resident of
 3 this state.

4 d. Issue, solicit, market, or otherwise promote
 5 the purchase of a life insurance policy for the
 6 purpose of or with an emphasis on settling the life
 7 insurance policy.

8 e. Enter into a premium finance agreement with any
 9 person or agency, or any person affiliated with such
 10 person or agency, pursuant to which such person or

11 agency shall receive any proceeds, fees, or other
 12 consideration, directly or indirectly, from the life
 13 insurance policy or owner of the life insurance policy
 14 or any other person with respect to the premium
 15 finance agreement or any life settlement contract or
 16 other transaction related to such life insurance
 17 policy that are in addition to the amounts required to
 18 pay the principal, interest, and service charges
 19 related to life insurance policy premiums pursuant to
 20 the premium finance agreement or subsequent sale of
 21 such agreement. However, any payments, charges, fees,
 22 or other amounts in addition to the amounts required
 23 to pay the principal, interest, and service charges
 24 related to life insurance policy premiums paid under
 25 the premium finance agreement shall be remitted to the
 26 original owner of the life insurance policy or to the
 27 original owner's estate if the original owner is not
 28 living at the time of the determination of the
 29 overpayment.

30 f. With respect to any life settlement contract or
 31 life insurance policy and a broker, knowingly solicit
 32 an offer from, effectuate a life settlement contract
 33 with, or make a sale to any provider, financing
 34 entity, or related provider trust that is controlling,
 35 controlled by, or under common control with such
 36 broker.

37 g. With respect to any life settlement contract or
 38 life insurance policy and a provider, knowingly enter
 39 into a life settlement contract with an owner, if, in
 40 connection with such life settlement contract,
 41 anything of value will be paid to a broker that is
 42 controlling, controlled by, or under common control
 43 with such provider or the financing entity or related
 44 provider trust that is involved in such life
 45 settlement contract.

46 h. With respect to a provider, enter into a life
 47 settlement contract unless the life settlement
 48 promotional, advertising, and marketing materials, as
 49 may be adopted by rule, have been filed with the
 50 commissioner. In no event shall any marketing

Page 30

1 materials expressly reference that the insurance is
 2 free for any period of time. The inclusion of any
 3 reference in the marketing materials that would cause
 4 an owner to reasonably believe that the insurance is
 5 free for any period of time shall be considered a
 6 violation of this chapter.

7 i. With respect to any life insurance producer,
 8 insurer, broker, or provider, make any statement or
 9 representation to the applicant or policyholder in

10 connection with the sale or financing of a life
 11 insurance policy to the effect that the insurance is
 12 free or without cost to the policyholder for any
 13 period of time unless provided in the policy.

14 2. A violation of this section shall be deemed a
 15 fraudulent life settlement act.

16 Sec. 14. NEW SECTION. 508G.14 FRAUD PREVENTION
 17 AND CONTROL.

18 1. This subsection applies to a fraudulent life
 19 settlement act, interference, and convicted felons as
 20 follows:

21 a. A person shall not commit a fraudulent life
 22 settlement act.

23 b. A person shall not knowingly and intentionally
 24 interfere with the enforcement of the provisions of
 25 this chapter or an investigation of suspected or
 26 actual violations of this chapter.

27 c. A person in the business of life settlements
 28 shall not knowingly or intentionally permit any person
 29 convicted of a felony involving dishonesty or breach
 30 of trust to participate in the business of life
 31 settlements.

32 2. This subsection applies to required fraud
 33 warnings as follows:

34 a. A life settlement contract and an application
 35 for a life settlement contract, regardless of the form
 36 of transmission, shall contain the following statement
 37 or a substantially similar statement:

38 "Any person who knowingly presents false
 39 information in an application for a life insurance
 40 policy or life settlement contract is guilty of a
 41 crime and may be subject to fines and confinement in
 42 prison."

43 b. The lack of a statement as required in
 44 paragraph "a" does not constitute a defense in any
 45 prosecution for a fraudulent life settlement act.

46 3. This section applies to the mandatory reporting
 47 of fraudulent life settlement acts as follows:

48 a. Any person engaged in the business of life
 49 settlements having knowledge or a reasonable belief
 50 that a fraudulent life settlement act is being, will

Page 31

1 be, or has been committed shall provide to the
 2 commissioner the information required by, and in a
 3 manner prescribed by, the commissioner.

4 b. Any other person having knowledge or a
 5 reasonable belief that a fraudulent life settlement
 6 act is being, will be, or has been committed may
 7 provide to the commissioner the information required

2 1. By striking everything after the enacting
 3 clause and inserting the following:

4 "Section 1. Section 96.3, subsection 5, Code 2007,
 5 is amended to read as follows:

6 5. a. DURATION OF BENEFITS. The maximum total
 7 amount of benefits payable to an eligible individual
 8 during a benefit year shall not exceed the total of
 9 the wage credits accrued to the individual's account
 10 during the individual's base period, or twenty-six
 11 times the individual's weekly benefit amount,
 12 whichever is the lesser. The director shall maintain
 13 a separate account for each individual who earns wages
 14 in insured work. The director shall compute wage
 15 credits for each individual by crediting the
 16 individual's account with one-third of the wages for

17 insured work paid to the individual during the
18 individual's base period. However, the director shall
19 recompute wage credits for an individual who is laid
20 off due to the individual's employer going out of
21 business at the factory, establishment, or other
22 premises at which the individual was last employed, by
23 crediting the individual's account with one-half,
24 instead of one-third, of the wages for insured work
25 paid to the individual during the individual's base
26 period. Benefits paid to an eligible individual shall
27 be charged against the base period wage credits in the
28 individual's account which have not been previously
29 charged, in the inverse chronological order as the
30 wages on which the wage credits are based were paid.
31 However if the state "off indicator" is in effect and
32 if the individual is laid off due to the individual's
33 employer going out of business at the factory,
34 establishment, or other premises at which the
35 individual was last employed, the maximum benefits
36 payable shall be extended to thirty-nine times the
37 individual's weekly benefit amount, but not to exceed
38 the total of the wage credits accrued to the
39 individual's account.

40 b. TRAINING EXTENSION BENEFITS. An individual who
41 is in training with the approval of the director at
42 the time regular benefits are exhausted may be
43 eligible for training extension benefits. The
44 training extension benefit amount shall be twenty-six
45 times the individual's weekly benefit amount, and the
46 weekly benefit amount shall be equal to the
47 individual's weekly benefit amount for the claim in
48 which benefits were exhausted while in training. An
49 individual who is receiving training extension
50 benefits shall not be denied benefits due to

Page 2

1 application of section 96.4, subsection 3, or section
2 96.5, subsection 3. However, an employer's account
3 shall not be charged with benefits so paid. Relief of
4 charges under this paragraph applies to both
5 contributory and reimbursable employers,
6 notwithstanding section 96.8, subsection 5. In order
7 for the individual to be eligible for training
8 extension benefits all of the following criteria must
9 be met:

10 (1) Training extension benefits end upon
11 completion of the training even though a portion of
12 the training extension benefit amount may remain, but
13 the benefits shall not extend beyond the end of the
14 benefit year.

15 (2) The individual must be enrolled, participating

16 in the training, and making satisfactory progress to
 17 complete the training.

18 (3) The individual is considered to be in training
 19 during regularly scheduled vacation or recess periods
 20 of three weeks or less but not during a summer
 21 vacation period or school break which is longer than
 22 three weeks. If the individual immediately returns to
 23 training after the summer vacation or break period of
 24 longer than three weeks, the individual may reopen the
 25 training extension claim. Otherwise, the individual
 26 must be continuously in training in order to be
 27 eligible for training extension benefits.

28 Sec. 2. Section 96.5, subsection 1, Code
 29 Supplement 2007, is amended by adding the following
 30 new paragraph:

31 NEW PARAGRAPH. b. The individual left employment
 32 due to domestic abuse, as defined in section 236.2, or
 33 stalking, as described in section 708.11, perpetrated
 34 against the individual, and the individual reasonably
 35 believed such act was necessary to protect the safety
 36 of the individual or the individual's family.
 37 Benefits related to wage credits earned with the
 38 employer that the individual has left shall be charged
 39 to the unemployment compensation fund. This paragraph
 40 applies to both contributory and reimbursable
 41 employers, notwithstanding section 96.8, subsection 5.
 42 All evidence of domestic abuse or stalking experienced
 43 by an individual, including the individual's statement
 44 and any corroborating evidence, shall not be disclosed
 45 by the department, except to the parties in a
 46 contested benefit case proceeding and to the
 47 employment appeal board or courts in an appeal or
 48 unless consent for disclosure is granted in writing by
 49 the individual. Evidence of domestic abuse or

 3 agency or professional, medical professional, mental
 4 health professional, or domestic violence shelter or
 5 professional.

6 (2) Witness statements regarding an incident that
 7 causes the individual to believe the individual's life
 8 or safety or the life or safety of a member of the
 9 individual's family is in danger.

10 Sec. 3. Section 96.7, subsection 2, paragraph a,
 11 subparagraph (2), Code 2007, is amended by adding the
 12 following new unnumbered paragraph after unnumbered
 13 paragraph 5:

14 NEW UNNUMBERED PARAGRAPH. The account of an

15 employer shall not be charged with benefits paid to an
 16 individual who is laid off if the benefits are paid as
 17 the result of the return to work of a permanent
 18 employee who is one of the following:

19 (a) A member of the national guard or organized

 21 ordered to temporary duty, as defined in section

 24 section 29A.43.

25 (b) A member of the civil air patrol performing
 26 duty pursuant to section 29A.3A, who has completed the
 27 duty as evidenced in accordance with section 29A.43.

28 Sec. 4. FUTURE APPROPRIATION OF FEDERAL FUNDS.

29 Any funds received by this state from the federal
 30 government pursuant to section 903 of the federal
 31 Social Security Act as a result of the enactment of
 32 this Act shall be appropriated by the general assembly
 33 to the department of workforce development to be used
 34 for the payment of unemployment insurance benefits or
 35 for the administration of the Iowa employment security
 36 law, chapter 96, and public employment offices.

37 Sec. 5. EFFECTIVE AND APPLICABILITY DATES. The

39 WITH THE BOARD.

40 1. The board shall adopt rules with the force of

50 diligence.

Page 6

1 2. All board proceedings in response to the filing
2 of a complaint shall be conducted as expeditiously as
3 possible.

4 3. The board shall not charge a complainant any
5 fee in relation to the filing of a complaint, the

10 COMPLAINT.

11 Upon receipt of a complaint alleging a violation of
12 chapter 21 or 22, the board shall do either of the
13 following:

14 1. Determine that, on its face, the complaint is
15 within the board's jurisdiction, appears legally
16 sufficient, and could have merit. In such a case the
17 board shall accept the complaint, and shall notify the
18 parties of that fact in writing.

19 2. Determine that, on its face, the complaint is
20 outside its jurisdiction, is legally insufficient, is
21 frivolous, is without merit, involves harmless error,
22 or relates to a specific incident that has previously
23 been finally disposed of on its merits by the board or
24 a court. In such a case the board shall decline to
25 accept the complaint. If the board refuses to accept
26 a complaint, the board shall provide the complainant
27 with a written order explaining its reasons for the
28 action.

29 Sec. 12. NEW SECTION. 23.9 INFORMAL ASSISTANCE
30 – MEDIATION AND SETTLEMENT.

31 1. After accepting a complaint, the board shall
32 promptly work with the parties through its employees
33 to reach an informal, expeditious resolution of the

36 board's designee shall offer the parties an
37 opportunity to resolve the dispute through mediation
38 and settlement.

39 2. The mediation and settlement process shall
40 enable the complainant to attempt to resolve the

42 and selected by the board, in its discretion, from
43 either its own staff or an outside source.

44 3. Mediation shall be conducted as an informal,
45 nonadversarial process and in a manner calculated to
46 help the parties reach a mutually acceptable and
47 voluntary settlement agreement. The mediator shall
48 assist the parties in identifying issues and shall
49 foster joint problem solving and the exploration of
50 settlement alternatives.

Page 7

1 Sec. 13. NEW SECTION. 23.10 ENFORCEMENT.

2 1. If any party declines mediation or settlement
3 or if mediation or settlement fails to resolve the
4 matter to the satisfaction of all parties, the board
5 shall initiate a formal investigation concerning the
6 facts and circumstances set forth in the complaint.
7 The board shall, after an appropriate investigation,
8 make a determination as to whether the complaint is
9 within the board's jurisdiction and whether there is
10 probable cause to believe that the facts and
11 circumstances alleged in the complaint constitute a
12 violation of chapter 21 or 22.

13 2. If the board finds the complaint is outside the
14 board's jurisdiction or there is no probable cause to
15 believe there has been a violation of chapter 21 or
16 22, the board shall issue a written order explaining
17 the reasons for the board's conclusions and dismissing
18 the complaint, and shall transmit a copy to the
19 complainant and to the party against whom the
20 complaint was filed.

21 3. a. If the board finds the complaint is within
22 the board's jurisdiction and there is probable cause
23 to believe there has been a violation of chapter 21 or
24 22, the board shall issue a written order to that
25 effect and shall commence a contested case proceeding
26 under chapter 17A against the respondent. An attorney
27 selected by the director of the board shall prosecute
28 the respondent in the contested case proceeding. At
29 the termination of the contested case proceeding the
30 board shall, by a majority vote of its members, render
31 a final decision as to the merits of the complaint.
32 If the board finds that the complaint has merit, the
33 board may issue any appropriate order to ensure
34 enforcement of chapter 21 or 22 including but not
35 limited to an order requiring specified action or
36 prohibiting specified action and any appropriate order
37 to remedy any failure of the respondent to observe any
38 provision of those chapters.

39 b. If the board determines, by a majority vote of
40 its members, that the respondent has violated chapter
41 21 or 22, the board may also do any or all of the
42 following:

43 (1) Require the respondent to pay damages as
44 provided for in section 21.6 or 22.10, whichever is
45 applicable, to the extent that provision would make
46 such damages payable if the complainant had sought to
47 enforce a violation in court instead of through the
48 board.

49 (2) Void any action taken in violation of chapter
50 21 if a court would be authorized to do so in similar

1 circumstances pursuant to section 21.6.
2 c. The board shall not have the authority to
3 remove a person from public office for a violation of
4 chapter 21 or 22. The board may file an action under
5 chapter 21 or 22 to remove a person from office for
6 violations that would subject a person to removal
7 under those chapters.

8 d. A final board order resulting from such
9 proceedings may be enforced by the board in court and
10 is subject to judicial review pursuant to section
11 17A.19.

12 Sec. 14. NEW SECTION. 23.11 DEFENSES IN A
13 CONTESTED CASE PROCEEDING.

14 A respondent may defend against a proceeding before
15 the board charging a violation of chapter 21 or 22 on
16 the ground that if such a violation occurred it was
17 only harmless error or that clear and convincing
18 evidence demonstrated that grounds existed to justify
19 a court to issue an injunction against disclosure
20 pursuant to section 22.8.

21 Sec. 15. NEW SECTION. 23.12 JURISDICTION.

22 The board shall not have jurisdiction over the
23 judicial or legislative branches of state government
24 or any entity, officer, or employee of those branches,
25 or over the governor or the office of the governor.

26 Sec. 16. IOWA PUBLIC INFORMATION BOARD –
27 TRANSITION PROVISIONS.

28 1. The initial members of the Iowa public
29 information board established pursuant to this Act
30 shall be appointed by September 1, 2008.

31 2. Notwithstanding any provision of this Act to
32 the contrary, the director of the board and employees
33 of the board shall not be hired prior to July 1, 2009.

34 3. Prior to July 1, 2009, the board shall submit a
35 report to the governor and the general assembly. The
36 report shall include a job description for the
37 executive director of the board, goals for board
38 operations, and performance measures to measure
39 achievement of the board's goals.

40 Sec. 17. APPROPRIATION – IOWA PUBLIC INFORMATION

42 the state to the department of management for the
43 fiscal year beginning July 1, 2008, and ending June

 6 To these ends, the general assembly will continue to

20 Sec. 2. Section 249A.6, Code 2007, is amended to
21 read as follows:

22 249A.6 ASSIGNMENT – LIEN.

23 1. a. As a condition of eligibility for medical
24 assistance, a recipient who has the legal capacity to
25 execute an assignment shall do all of the following:

26 (1) Assign to the department any rights to payment
27 of medical care and services from any third party.

28 (2) Cooperate with the department in obtaining
29 payments described in subparagraph (1).

30 (3) Cooperate with the department in identifying
31 and providing information to assist the department in
32 pursuing any third party who may be liable to pay for
33 medical care and services available under the medical
34 assistance program.

35 b. Any amount collected by the department through
36 an assignment shall be retained by the department as
37 reimbursement for medical assistance payments.

38 c. An assignment under this subsection is in
39 addition to an assignment of medical support payments
40 under any other law, including section 252E.11.

41 2. When payment is made by the department for
42 medical care or expenses through the medical
43 assistance program on behalf of a recipient, the
44 department shall have a lien, to the extent of those
45 payments, upon all monetary claims which the recipient
46 may have against third parties. A lien under this
47 section is not effective unless the department files a
48 notice of lien with the clerk of the district court in
49 the county where the recipient resides and with the
50 recipient's attorney when the recipient's eligibility

Page 2

1 for medical assistance is established. The notice of
2 lien shall be filed before the third party has
3 concluded a final settlement with the recipient, the
4 recipient's attorney, or other representative. The
5 third party shall obtain a written determination from
6 the department concerning the amount of the lien
7 before a settlement is deemed final for purposes of
8 this section. A compromise, including but not limited
9 to a settlement, waiver or release, of a claim under
10 this section does not defeat the department's lien
11 except pursuant to the written agreement of the
12 director or the director's designee. A settlement,
13 award, or judgment structured in any manner not to
14 include medical expenses or an action brought by a
15 recipient or on behalf of a recipient which fails to
16 state a claim for recovery of medical expenses does
17 not defeat the department's lien if there is any
18 recovery on the recipient's claim.

19 ~~2.~~ 3. The department shall be given notice of
 20 monetary claims against third parties as follows:
 21 a. Applicants for medical assistance shall notify
 22 the department of any possible claims against third
 23 parties upon submitting the application. Recipients
 24 of medical assistance shall notify the department of
 25 any possible claims when those claims arise.
 26 b. A person who provides health care services to a
 27 person receiving assistance through the medical
 28 assistance program shall notify the department
 29 whenever the person has reason to believe that third
 30 parties may be liable for payment of the costs of
 31 those health care services.
 32 c. An attorney representing an applicant for or
 33 recipient of assistance on a claim upon which the
 34 department has a lien under this section shall notify
 35 the department of the claim of which the attorney has
 36 actual knowledge, prior to filing a claim, commencing
 37 an action, or negotiating a settlement offer. Actual
 38 knowledge under this section shall include the notice
 39 to the attorney pursuant to subsection ~~1.~~ 2.
 40 The mailing and deposit in a United States post
 41 office or public mailing box of the notice, addressed
 42 to the department at its state or district office
 43 location, is adequate legal notice of the claim.
 44 ~~3.~~ 4. The department's lien is valid and binding
 45 on an attorney, insurer, or other third party only
 46 upon notice by the department or unless the attorney,
 47 insurer, or third party has actual notice that the
 48 recipient is receiving medical assistance from the
 49 department and only to the extent to which the
 50 attorney, insurer, or third party has not made payment

Page 3

1 to the recipient or an assignee of the recipient prior
 2 to the notice. Payment of benefits by an insurer or
 3 third party pursuant to the rights of the lienholder
 4 in this section discharges the attorney, insurer, or
 5 third party from liability to the recipient or the
 6 recipient's assignee to the extent of the payment to
 7 the department.
 8 ~~4.~~ 5. If a recipient of assistance through the
 9 medical assistance program incurs the obligation to
 10 pay attorney fees and court costs for the purpose of
 11 enforcing a monetary claim upon which the department
 12 has a lien under this section, upon the receipt of the
 13 judgment or settlement of the total claim, of which
 14 the lien for medical assistance payments is a part,
 15 the court costs and reasonable attorney fees shall
 16 first be deducted from this total judgment or
 17 settlement. One-third of the remaining balance shall

18 then be deducted and paid to the recipient. From the
 19 remaining balance, the lien of the department shall be
 20 paid. Any amount remaining shall be paid to the
 21 recipient. An attorney acting on behalf of a
 22 recipient of medical assistance for the purpose of
 23 enforcing a claim upon which the department has a lien
 24 shall not collect from the recipient any amount as
 25 attorney fees which is in excess of the amount which
 26 the attorney customarily would collect on claims not
 27 subject to this section.

28 ~~5. 6.~~ For purposes of this section the term "third
 29 party" includes an attorney, individual, institution,
 30 corporation, or public or private agency which is or
 31 may be liable to pay part or all of the medical costs
 32 incurred as a result of injury, disease, or disability
 33 by or on behalf of an applicant for or recipient of
 34 assistance under the medical assistance program.

35 ~~6. 7.~~ The department may enforce its lien by a
 36 civil action against any liable third party.

37 Sec. 3. NEW SECTION. 249A.36 HEALTH CARE
 38 INFORMATION SHARING.

39 1. An entity shall provide on a monthly basis to
 40 the department, in a format determined by the
 41 department or as agreed upon by the department and the
 42 entity, information necessary to enable the department
 43 or entity to determine whether a health care coverage
 44 recipient of the entity is also a recipient of medical
 45 assistance. If the department determines that a
 46 health care coverage recipient of an entity is also a
 47 recipient of medical assistance, the department shall
 48 request any additional information or payment from the
 49 entity as described in subsection 2.

50 2. If the department determines that a health care

Page 4

1 coverage recipient of the entity is also a medical
 2 assistance recipient, the entity shall do all of the
 3 following, as applicable, by no later than one hundred
 4 eighty days after the department's request made
 5 pursuant to subsection 1:

6 a. Pay the department for, or assign to the
 7 department any right of recovery owed to the entity
 8 for, a covered health claim for which medical
 9 assistance payment has been made.

10 b. Pay the claim submitted by the health care
 11 coverage recipient in lieu of a medical assistance
 12 payment of the claim.

13 c. Respond to any inquiry by the department
 14 concerning a claim for payment for any health care
 15 item or service that is submitted no later than three
 16 years after the date the health care item or service

17 was provided.

18 3. An entity shall not deny a payment to the
 19 department for any claim submitted by the department
 20 on any procedural basis, including the date of
 21 submission of the claim, the type or format of the
 22 claim form, or a failure to present proper
 23 documentation at the time the health care item or
 24 service that is the basis of the claim was provided,
 25 if both of the following apply:

26 a. The claim is submitted to the entity within
 27 three years of the date that the health care item or
 28 service that is the subject of the claim was provided.

29 b. Any action by the state to enforce its rights
 30 under this section is commenced within six years of
 31 the date that the claim was submitted by the state.

32 4. If the department determines that a health care
 33 coverage recipient of an entity is also a medical
 34 assistance recipient, both of the following provisions
 35 shall apply:

36 a. The department may use information received
 37 under subsection 1 to update the medical assistance
 38 database maintained by the department.

39 b. The department shall share with that entity
 40 only such information necessary for claims
 41 adjudication activities or to recover erroneous
 42 medical assistance payments made.

43 5. The department may adopt rules pursuant to
 44 chapter 17A as necessary to implement this section.
 45 Rules governing the exchange of information under this
 46 section shall be consistent with all laws,
 47 regulations, and rules relating to the confidentiality
 48 or privacy of personal information or medical records,
 49 including but not limited to the federal Health
 50 Insurance Portability and Accountability Act of 1996,

25 coverage to children who meet the hawk-i program's
26 eligibility criteria but whose income is at or below
27 three hundred percent of the federal poverty level,
28 beginning July 1, 2009.

44 established in section 514E.6, develop a comprehensive
45 plan to cover all children without health care
46 coverage that utilizes and modifies existing public

 8 insurance reforms that assure the availability of
 9 private health insurance coverage for Iowans by
 10 addressing issues involving guaranteed availability
 11 and issuance to applicants, preexisting condition

Page 26

- 1 1. The purposes of a medical home are the
2 following:
 - 3 a. To reduce disparities in health care access,
4 delivery, and health care outcomes.
 - 5 b. To improve quality of health care and lower
6 health care costs, thereby creating savings to allow
7 more Iowans to have health care coverage and to
8 provide for the sustainability of the health care
9 system.
 - 10 c. To provide a tangible method to document if
11 each Iowan has access to health care.
- 12 2. A medical home has all of the following
13 characteristics:
 - 14 a. A personal provider. Each patient has an
15 ongoing relationship with a personal provider trained
16 to provide first contact and continuous and
17 comprehensive care.
 - 18 b. A provider-directed medical practice. The
19 personal provider leads a team of individuals at the
20 practice level who collectively take responsibility
21 for the ongoing health care of patients.
 - 22 c. Whole person orientation. The personal
23 provider is responsible for providing for all of a
24 patient's health care needs or taking responsibility
25 for appropriately arranging health care by other
26 qualified health care professionals. This
27 responsibility includes health care at all stages of
28 life including provision of acute care, chronic care,
29 preventive services, and end-of-life care.
 - 30 d. Coordination and integration of care. Care is
31 coordinated and integrated across all elements of the
32 complex health care system and the patient's
33 community. Care is facilitated by registries,
34 information technology, health information exchanges,
35 and other means to assure that patients receive the
36 indicated care when and where they need and want the
37 care in a culturally and linguistically appropriate
38 manner.
 - 39 e. Quality and safety. The following are quality
40 and safety components of the medical home:
 - 41 (1) Provider-directed medical practices advocate
42 for their patients to support the attainment of
43 optimal, patient-centered outcomes that are defined by
44 a care planning process driven by a compassionate,
45 robust partnership between providers, the patient, and
46 the patient's family.
 - 47 (2) Evidence-based medicine and clinical
48 decision-support tools guide decision making.
 - 49 (3) Providers in the medical practice accept
50 accountability for continuous quality improvement

Page 27

- 1 through voluntary engagement in performance
2 measurement and improvement.
- 3 (4) Patients actively participate in decision
4 making and feedback is sought to ensure that the
5 patients' expectations are being met.
- 6 (5) Information technology is utilized
7 appropriately to support optimal patient care,
8 performance measurement, patient education, and
9 enhanced communication.
- 10 (6) Practices participate in a voluntary
11 recognition process conducted by an appropriate
12 nongovernmental entity to demonstrate that the
13 practice has the capabilities to provide
14 patient-centered services consistent with the medical
15 home model.
- 16 (7) Patients and families participate in quality
17 improvement activities at the practice level.
- 18 f. Enhanced access to health care. Enhanced
19 access to health care is available through systems
20 such as open scheduling, expanded hours, and new
21 options for communication between the patient, the
22 patient's personal provider, and practice staff.
- 23 g. Payment. The payment system appropriately
24 recognizes the added value provided to patients who
25 have a patient-centered medical home. The payment
26 structure framework of the medical home provides all
27 of the following:
- 28 (1) Reflects the value of provider and nonprovider
29 staff and patient-centered care management work that
30 is in addition to the face-to-face visit.
- 31 (2) Pays for services associated with coordination
32 of health care both within a given practice and
33 between consultants, ancillary providers, and
34 community resources.
- 35 (3) Supports adoption and use of health
36 information technology for quality improvement.
- 37 (4) Supports provision of enhanced communication
38 access such as secure electronic mail and telephone
39 consultation.
- 40 (5) Recognizes the value of provider work
41 associated with remote monitoring of clinical data
42 using technology.
- 43 (6) Allows for separate fee-for-service payments
44 for face-to-face visits. Payments for health care
45 management services that are in addition to the
46 face-to-face visit do not result in a reduction in the
47 payments for face-to-face visits.
- 48 (7) Recognizes case mix differences in the patient
49 population being treated within the practice.
- 50 (8) Allows providers to share in savings from

Page 28

1 reduced hospitalizations associated with
2 provider-guided health care management in the office
3 setting.

4 (9) Allows for additional payments for achieving
5 measurable and continuous quality improvements.

10 children and adults by linking the children and adults
11 with a medical home, identifying health improvement
12 goals for children and adults, and linking
13 reimbursement strategies to increasing healthy
14 outcomes for children and adults. The plan shall
15 provide that the medical home system shall do all of
16 the following:

14 training, parental guidance, and oral health
15 promotions for children.

16 10. The department shall integrate the
17 recommendations and policies developed by the
18 prevention and chronic care management advisory
19 council into the medical home system.

20 11. Implementation phases.

21 a. Initial implementation shall require
22 participation in the medical home system of children
23 who are recipients of full benefits under the medical
24 assistance program. The department shall work with

40 participating, the success of the
41 empowerment-of-patients approach, and any results of
42 health outcomes of the patients participating.

43 (14) A means of collaborating with the health
44 professional licensing boards pursuant to chapter 147

46 education provided to licensees, as appropriate, and
47 recommendations regarding education resources and

30 2. The strategic plan shall include statewide
31 health planning policies and goals related to the
32 availability of health care facilities and services,
33 the quality of care, and the cost of care. The
34 policies and goals shall be based on the following

37 responsive to changing health and social needs and
38 conditions, is essential to the health, safety, and
39 welfare of Iowans. The process shall be reviewed and
40 updated as necessary to ensure that the strategic plan
41 addresses all of the following:

42 (1) Promoting and maintaining the health of all

12 component of the health care delivery infrastructure
13 and as an essential service provided by the health

16 the state must be involved in the health planning
17 process, outcomes of which shall be clearly
18 articulated and available for public review and use.

19 c. That the supply of a health care service has a
20 substantial impact on utilization of the service,
21 independent of the effectiveness, medical necessity,
22 or appropriateness of the particular health care
23 service for a particular individual.

24 d. That given that health care resources are not
25 unlimited, the impact of any new health care service
26 or facility on overall health expenditures in this
27 state must be considered.

28 e. That excess capacity of health care services
29 and facilities places an increased economic burden on
30 the public.

31 f. That the likelihood that a requested new health
32 care facility, service, or equipment will improve
33 health care quality and outcomes must be considered.

34 g. That development and ongoing maintenance of
35 current and accurate health care information and
36 statistics related to cost and quality of health care
37 and projections of the need for health care facilities
38 and services are necessary to developing an effective
39 health care planning strategy.

40 h. That the certificate of need program as a
41 component of the health care planning regulatory
42 process must balance considerations of access to
43 quality care at a reasonable cost for all Iowans,
44 optimal use of existing health care resources,
45 fostering of expenditure control, and elimination of
46 unnecessary duplication of health care facilities and
47 services, while supporting improved health care
48 outcomes.

49 i. That strategic health care planning must be
50 concerned with the stability of the health care

Page 45

1 system, encompassing health care financing, quality,
2 and the availability of information and services for
3 all residents.

4 3. The health care delivery infrastructure and
5 health care workforce resources strategic plan
6 developed by the department shall include all of the
7 following:

8 a. A health care system assessment and objectives
9 component that does all of the following:

10 (1) Describes state and regional population
11 demographics, health status indicators, and trends in
12 health status and health care needs.

13 (2) Identifies key policy objectives for the state
14 health care system related to access to care, health
15 care outcomes, quality, and cost-effectiveness.

16 b. A health care facilities and services plan that
17 assesses the demand for health care facilities and
18 services to inform state health care planning efforts
19 and direct certificate of need determinations, for
20 those facilities and services subject to certificate
21 of need. The plan shall include all of the following:

22 (1) An inventory of each geographic region's
23 existing health care facilities and services.

24 (2) Projections of the need for each category of
25 health care facility and service, including those
26 subject to certificate of need.

28 expanded health care facilities and services to
29 promote the use of quality, evidence-based,
30 cost-effective health care delivery options, including
31 any recommendations for criteria, standards, and
32 methods relevant to the certificate of need review
33 process.

34 (4) An assessment of the availability of health
35 care providers, public health resources,
36 transportation infrastructure, and other
37 considerations necessary to support the needed health
38 care facilities and services in each region.

39 c. A health care data resources plan that
40 identifies data elements necessary to properly conduct
41 planning activities and to review certificate of need
42 applications, including data related to inpatient and
43 outpatient utilization and outcomes information, and
44 financial and utilization information related to
45 charity care, quality, and cost. The plan shall
46 provide all of the following:

47 (1) An inventory of existing data resources, both
48 public and private, that store and disclose
49 information relevant to the health care planning
50 process, including information necessary to conduct

Page 46

1 certificate of need activities. The plan shall
2 identify any deficiencies in the inventory of existing
3 data resources and the data necessary to conduct
4 comprehensive health care planning activities. The
5 plan may recommend that the department be authorized
6 to access existing data sources and conduct
7 appropriate analyses of such data or that other
8 agencies expand their data collection activities as
9 statutory authority permits. The plan may identify
10 any computing infrastructure deficiencies that impede
11 the proper storage, transmission, and analysis of
12 health care planning data.

13 (2) Recommendations for increasing the
14 availability of data related to health care planning
15 to provide greater community involvement in the health
16 care planning process and consistency in data used for
17 certificate of need applications and determinations.
18 The plan shall also integrate the requirements for
19 annual reports by hospitals and health care facilities
20 pursuant to section 135.75, the provisions relating to

25 to section 135.83.

26 d. An assessment of emerging trends in health care
27 delivery and technology as they relate to access to
28 health care facilities and services, quality of care,
29 and costs of care. The assessment shall recommend any
30 changes to the scope of health care facilities and
31 services covered by the certificate of need program
32 that may be warranted by these emerging trends. In
33 addition, the assessment may recommend any changes to
34 criteria used by the department to review certificate
35 of need applications, as necessary.

36 e. A rural health care resources plan to assess
37 the availability of health resources in rural areas of
38 the state, assess the unmet needs of these
39 communities, and evaluate how federal and state
40 reimbursement policies can be modified, if necessary,
41 to more efficiently and effectively meet the health
42 care needs of rural communities. The plan shall
43 consider the unique health care needs of rural
44 communities, the adequacy of the rural health care
45 workforce, and transportation needs for accessing

8 Sec. 71. DIRECT CARE WORKER COMPENSATION ADVISORY
9 COMMITTEE – REVIEWS.

10 1. a. The general assembly recognizes that direct
11 care workers play a vital role and make a valuable
12 contribution in providing care to Iowans with a
13 variety of needs in both institutional and home and
14 community-based settings. Recruiting and retaining
15 qualified, highly competent direct care workers is a
16 challenge across all employment settings. High rates
17 of employee vacancies and staff turnover threaten the
18 ability of providers to achieve the core mission of
19 providing safe and high quality support to Iowans.

20 b. It is the intent of the general assembly to
21 address the long-term care workforce shortage and
22 turnover rates in order to improve the quality of
23 health care delivered in the long-term care continuum
24 by reviewing wages and other compensation paid to
25 direct care workers in the state.

26 c. It is the intent of the general assembly that
27 the initial review of and recommendations for
28 improving wages and other compensation paid to direct
29 care workers focus on nonlicensed direct care workers
30 in the nursing facility setting. However, following
31 the initial review of wages and other compensation
32 paid to direct care workers in the nursing facility
33 setting, the department of human services shall
34 convene subsequent advisory committees with
35 appropriate representatives of public and private
36 organizations and consumers to review the wages and
37 other compensation paid to and turnover rates of the
38 entire spectrum of direct care workers in the various
39 settings in which they are employed as a means of
40 demonstrating the general assembly's commitment to
41 ensuring a stable and quality direct care workforce in
42 this state.

43 2. The department of human services shall convene
44 an initial direct care worker compensation advisory
45 committee to develop recommendations for consideration
46 by the general assembly during the 2009 legislative
47 session regarding wages and other compensation paid to
48 direct care workers in nursing facilities. The
49 committee shall consist of the following members,
50 selected by their respective organizations:

- 16 3. The advisory committee shall also include two
- 17 members of the senate and two members of the house of
- 18 representatives, with not more than one member from
- 19 each chamber being from the same political party. The
- 20 legislative members shall serve in an ex officio,
- 21 nonvoting capacity. The two senators shall be
- 22 appointed respectively by the majority leader of the
- 23 senate and the minority leader of the senate, and the
- 24 two representatives shall be appointed respectively by
- 25 the speaker of the house of representatives and the
- 26 minority leader of the house of representatives.
- 27 4. Public members of the committee shall receive
- 28 actual expenses incurred while serving in their
- 29 official capacity and may also be eligible to receive
- 30 compensation as provided in section 7E.6. Legislative
- 31 members of the committee are eligible for per diem and
- 32 reimbursement of actual expenses as provided in
- 33 section 2.10.
- 34 5. The department of human services shall provide
- 35 administrative support to the committee and the
- 36 director of human services or the director's designee
- 37 shall serve as chairperson of the committee.

 4 shall submit a report of its findings and
 5 recommendations regarding improvement in direct care
 6 worker wages and other compensation in the nursing
 7 facility setting to the governor and the general
 8 assembly no later than December 12, 2008.

9 9. For the purposes of the initial review, "direct
 10 care worker" means nonlicensed nursing facility staff
 11 who provide hands-on care including but not limited to
 12 certified nurse aides and medication aides.

13 **Sec. 72. DIRECT CARE WORKER IN NURSING FACILITIES**

14 **– TURNOVER REPORT.** The department of human services
 15 shall modify the nursing facility cost reports
 16 utilized for the medical assistance program to capture
 17 data by the distinct categories of nonlicensed direct
 18 care workers and other employee categories for the
 19 purposes of documenting the turnover rates of direct
 20 care workers and other employees of nursing
 21 facilities. The department shall submit a report on
 22 an annual basis to the governor and the general
 23 assembly which provides an analysis of direct care
 24 worker and other nursing facility employee turnover by
 25 individual nursing facility, a comparison of the
 26 turnover rate in each individual nursing facility with

1 Amend House File 2675 as follows:
 2 1. By striking everything after the enacting
 3 clause and inserting the following:
 4 "Section 1. Section 96.3, subsection 5, Code 2007,
 5 is amended to read as follows:
 6 5. a. DURATION OF BENEFITS. The maximum total
 7 amount of benefits payable to an eligible individual
 8 during a benefit year shall not exceed the total of
 9 the wage credits accrued to the individual's account
 10 during the individual's base period, or twenty-six
 11 times the individual's weekly benefit amount,
 12 whichever is the lesser. The director shall maintain
 13 a separate account for each individual who earns wages
 14 in insured work. The director shall compute wage
 15 credits for each individual by crediting the
 16 individual's account with one-third of the wages for
 17 insured work paid to the individual during the

18 individual's base period. However, the director shall
 19 recompute wage credits for an individual who is laid
 20 off due to the individual's employer going out of
 21 business at the factory, establishment, or other
 22 premises at which the individual was last employed, by
 23 crediting the individual's account with one-half,
 24 instead of one-third, of the wages for insured work
 25 paid to the individual during the individual's base
 26 period. Benefits paid to an eligible individual shall
 27 be charged against the base period wage credits in the
 28 individual's account which have not been previously
 29 charged, in the inverse chronological order as the
 30 wages on which the wage credits are based were paid.
 31 However if the state "off indicator" is in effect and
 32 if the individual is laid off due to the individual's
 33 employer going out of business at the factory,
 34 establishment, or other premises at which the
 35 individual was last employed, the maximum benefits
 36 payable shall be extended to thirty-nine times the
 37 individual's weekly benefit amount, but not to exceed
 38 the total of the wage credits accrued to the
 39 individual's account.

40 b. TRAINING EXTENSION BENEFITS. An individual who
 41 is in training with the approval of the director at
 42 the time regular benefits are exhausted may be
 43 eligible for training extension benefits. The
 44 training extension benefit amount shall be twenty-six
 45 times the individual's weekly benefit amount, and the
 46 weekly benefit amount shall be equal to the
 47 individual's weekly benefit amount for the claim in
 48 which benefits were exhausted while in training. An
 49 individual who is receiving training extension
 50 benefits shall not be denied benefits due to

Page 2

1 application of section 96.4, subsection 3, or section
 2 96.5, subsection 3. However, an employer's account
 3 shall not be charged with benefits so paid. Relief of
 4 charges under this paragraph applies to both
 5 contributory and reimbursable employers,
 6 notwithstanding section 96.8, subsection 5. In order
 7 for the individual to be eligible for training
 8 extension benefits all of the following criteria must
 9 be met:

10 (1) Training extension benefits end upon
 11 completion of the training even though a portion of
 12 the training extension benefit amount may remain, but
 13 the benefits shall not extend beyond the end of the
 14 benefit year.

15 (2) The individual must be enrolled, participating
 16 in the training, and making satisfactory progress to

17 complete the training.

18 (3) The individual is considered to be in training
 19 during regularly scheduled vacation or recess periods
 20 of three weeks or less but not during a summer
 21 vacation period or school break which is longer than
 22 three weeks. If the individual immediately returns to
 23 training after the summer vacation or break period of
 24 longer than three weeks, the individual may reopen the
 25 training extension claim. Otherwise, the individual
 26 must be continuously in training in order to be
 27 eligible for training extension benefits.

28 Sec. 2. Section 96.4, subsection 4, Code 2007, is
 29 amended to read as follows:

30 4. a. The individual has been paid wages for
 31 insured work during the individual's base period in an
 32 amount at least one and one-quarter times the wages
 33 paid to the individual during that quarter of the
 34 individual's base period in which the individual's
 35 wages were highest; provided that the individual has
 36 been paid wages for insured work totaling at least
 37 three and five-tenths percent of the statewide average
 38 annual wage for insured work, computed for the
 39 preceding calendar year if the individual's benefit
 40 year begins on or after the first full week in July
 41 and computed for the second preceding calendar year if
 42 the individual's benefit year begins before the first
 43 full week in July, in that calendar quarter in the
 44 individual's base period in which the individual's
 45 wages were highest, and the individual has been paid
 46 wages for insured work totaling at least one-half of
 47 the amount of wages required under this ~~subsection~~
 48 ~~paragraph~~ in the calendar quarter of the base period
 49 in which the individual's wages were highest, in a
 50 calendar quarter in the individual's base period other

Page 3

1 than the calendar quarter in which the individual's
 2 wages were highest. The calendar quarter wage
 3 requirements shall be rounded to the nearest multiple
 4 of ten dollars.

5 b. For an individual who does not have sufficient
 6 wages in the base period, as defined in section 96.19,
 7 to otherwise qualify for benefits pursuant to this
 8 subsection, the individual's base period shall be the
 9 last four completed calendar quarters immediately
 10 preceding the first day of the individual's benefit
 11 year if such period qualifies the individual for
 12 benefits under this subsection.

13 (1) Wages that fall within the alternative base
 14 period established under this paragraph "b" are not
 15 available for qualifying benefits in any subsequent

16 benefit year.

17 (2) Employers shall be charged in the manner
 18 provided in this chapter for benefits paid based upon
 19 quarters used in the alternative base period.

20 (3) The alternative base period in this paragraph
 21 "b" shall apply to any new claim filed one hundred
 22 twenty days or more after enactment of federal law
 23 providing for distribution of funding relating to
 24 section 903 of the federal Social Security Act and
 25 contingent in whole or in part upon state law
 26 containing an alternative base period provision.

27 c. If the individual has drawn benefits in any
 28 benefit year, the individual must during or subsequent
 29 to that year, work in and be paid wages for insured
 30 work totaling at least two hundred fifty dollars, as a
 31 condition to receive benefits in the next benefit
 32 year.

33 Sec. 3. Section 96.5, subsection 1, Code
 34 Supplement 2007, is amended by adding the following
 35 new paragraph:

36 NEW PARAGRAPH. b. (1) The individual left
 37 employment to accompany a spouse due to a change in
 38 location of the spouse's employment to a place from
 39 which it is impractical for the individual to commute.
 40 Benefits based upon wage credits earned with the
 41 employer that the individual has left shall be charged
 42 to the unemployment compensation fund for both
 43 contributory and reimbursable employers,
 44 notwithstanding section 96.8, subsection 5.

45 (2) This paragraph "b" shall apply to any new
 46 claim filed one hundred twenty days or more after the
 47 enactment of federal law providing for distribution of
 48 funding relating to section 903 of the federal Social
 49 Security Act.

50 Sec. 4. Section 96.5, subsection 1, paragraph c,

Page 4

1 Code Supplement 2007, is amended to read as follows:

2 c. ~~The individual left employment for the~~
 3 ~~necessary and sole purpose of taking care of a member~~
 4 ~~of the individual's immediate family who was then~~
 5 ~~injured or ill, and if after said member of the family~~
 6 ~~sufficiently recovered, the individual immediately~~
 7 ~~returned to and offered the individual's services to~~
 8 ~~the individual's employer, provided, however, that~~
 9 ~~during such period the individual did not accept any~~

 2 reprinted by the Senate, as follows:
 3 1. By striking everything after the enacting
 4 clause and inserting the following:
 5 "Section 1. Section 96.3, subsection 5, Code 2007,
 6 is amended to read as follows:

 8 amount of benefits payable to an eligible individual
 9 during a benefit year shall not exceed the total of
 10 the wage credits accrued to the individual's account
 11 during the individual's base period, or twenty-six
 12 times the individual's weekly benefit amount,
 13 whichever is the lesser. The director shall maintain
 14 a separate account for each individual who earns wages
 15 in insured work. The director shall compute wage
 16 credits for each individual by crediting the
 17 individual's account with one-third of the wages for
 18 insured work paid to the individual during the
 19 individual's base period. However, the director shall
 20 recompute wage credits for an individual who is laid
 21 off due to the individual's employer going out of
 22 business at the factory, establishment, or other
 23 premises at which the individual was last employed, by
 24 crediting the individual's account with one-half,
 25 instead of one-third, of the wages for insured work
 26 paid to the individual during the individual's base
 27 period. Benefits paid to an eligible individual shall

28 be charged against the base period wage credits in the
 29 individual's account which have not been previously
 30 charged, in the inverse chronological order as the
 31 wages on which the wage credits are based were paid.
 32 However if the state "off indicator" is in effect and
 33 if the individual is laid off due to the individual's
 34 employer going out of business at the factory,
 35 establishment, or other premises at which the
 36 individual was last employed, the maximum benefits
 37 payable shall be extended to thirty-nine times the
 38 individual's weekly benefit amount, but not to exceed
 39 the total of the wage credits accrued to the
 40 individual's account.

 9 extension benefits all of the following criteria must
 10 be met:

 12 completion of the training even though a portion of
 13 the training extension benefit amount may remain, but

 15 benefit year.
 16 (2) The individual must be enrolled, participating

 23 three weeks. If the individual immediately returns to
 24 training after the summer vacation or break period of
 25 longer than three weeks, the individual may reopen the
 26 training extension claim. Otherwise, the individual

27 must be continuously in training in order to be
 28 eligible for training extension benefits.
 29 Sec. 2. Section 96.5, subsection 1, Code

34 Sec.____. NEW SECTION. 257.37A AREA EDUCATION
35 AGENCY SALARY SUPPLEMENT FUNDING.

36 1. AREA EDUCATION AGENCY TEACHER SALARY SUPPLEMENT
37 COST PER PUPIL AND DISTRICT COST.

38 a. For the budget year beginning July 1, 2009, the
39 department of management shall add together the
40 teacher compensation allocation made to each area
41 education agency for the fiscal year beginning July 1,
42 2008, pursuant to section 284.13, subsection 1,
43 paragraph "i", and the phase II allocation made to
44 each area education agency for the fiscal year
45 beginning July 1, 2008, pursuant to section 294A.9,
46 and divide that sum by the special education support
47 services weighted enrollment in the fiscal year
48 beginning July 1, 2009, to determine the area
49 education agency teacher salary supplement cost per
50 pupil. For the budget year beginning July 1, 2010,

Page 22

1 and succeeding budget years, the area education agency
2 teacher salary supplement district cost per pupil for
3 each area education agency for a budget year is the
4 area education agency teacher salary supplement

5 district cost per pupil for the base year plus the
 6 area education agency teacher salary supplement state
 7 allowable growth amount for the budget year.
 8 b. For the budget year beginning July 1, 2010, and
 9 succeeding budget years, if the department of
 10 management determines that the unadjusted area
 11 education agency teacher salary supplement district
 12 cost of an area education agency for a budget year is
 13 less than one hundred percent of the unadjusted area
 14 education agency teacher salary supplement district
 15 cost for the base year for the area education agency,
 16 the area education agency shall receive a budget
 17 adjustment for that budget year equal to the
 18 difference.

19 c. (1) The unadjusted area education agency
 20 teacher salary supplement district cost is the area
 21 education agency teacher salary supplement district
 22 cost per pupil for each area education agency for a
 23 budget year multiplied by the special education
 24 support services weighted enrollment for that area
 25 education agency.

26 (2) The total area education agency teacher salary
 27 supplement district cost is the sum of the unadjusted
 28 area education agency teacher salary supplement
 29 district cost plus the budget adjustment for that
 30 budget year.

31 d. The use of the funds calculated under this
 32 subsection shall comply with requirements of chapters
 33 284 and 294A and shall be distributed to teachers
 34 pursuant to section 284.7.

35 **2. AREA EDUCATION AGENCY PROFESSIONAL DEVELOPMENT**
 36 **SUPPLEMENT COST PER PUPIL AND DISTRICT COST.**

37 a. For the budget year beginning July 1, 2009, the
 38 department of management shall divide the area
 39 education agency professional development supplement
 40 made to each area education agency for the fiscal year
 41 beginning July 1, 2008, pursuant to section 284.13, by
 42 the special education support services weighted
 43 enrollment in the fiscal year beginning July 1, 2009,
 44 to determine the professional development supplement
 45 cost per pupil. For the budget year beginning July 1,
 46 2010, and succeeding budget years, the area education
 47 agency professional development supplement district
 48 cost per pupil for each area education agency for a
 49 budget year is the area education agency professional
 50 development supplement district cost per pupil for the

Page 23

1 base year plus the area education agency professional
 2 development supplement state allowable growth amount
 3 for the budget year.

4 b. For the budget year beginning July 1, 2010, and
 5 succeeding budget years, if the department of
 6 management determines that the unadjusted area
 7 education agency professional development supplement
 8 district cost of an area education agency for a budget
 9 year is less than one hundred percent of the
 10 unadjusted area education agency professional
 11 development supplement district cost for the base year
 12 for the area education agency, the area education
 13 agency shall receive a budget adjustment for that
 14 budget year equal to the difference.

15 c. (1) The unadjusted area education agency
 16 professional development supplement district cost is
 17 the area education agency professional development
 18 supplement district cost per pupil for each area
 19 education agency for a budget year multiplied by the
 20 special education support services weighted enrollment
 21 for that area education agency.

22 (2) The total area education agency professional
 23 development supplement district cost is the sum of the
 24 unadjusted area education agency professional
 25 development supplement district cost plus the budget
 26 adjustment for that budget year.

27 d. The use of the funds calculated under this
 28 subsection shall comply with requirements of chapter
 29 284.

RESOLUTIONS ADOPTED

Resolutions adopted during the Eighty-second General Assembly,
2008 Session, not otherwise printed in the House Journal.

HCR 5 filed February 28, 2008; adopted April 14, 2008.

1 House Concurrent Resolution 105
2 By Huser, Struyk, Tjepkes, Cohoon, Dandekar,
3 Quirk, Paulsen, Bell, Windschitl, Mertz, Lykam,
4 Gaskill, Reasoner, Bukta, Swaim, Whitaker, May,
5 Roberts, Huseman, Worthan, Rasmussen, Arnold,
6 and D. Olson
7 A concurrent resolution designating May 2008 as
8 Motorcycle Safety Awareness Month.
9 *Whereas*, motorcycle riding is a popular form of recreation
10 and transportation for thousands of people across Iowa and the
11 nation; and
12 *Whereas*, motorcycle riding can be an enjoyable activity
13 when safety is of paramount consideration and all laws and
14 regulations are observed; and
15 *Whereas*, the safe operation of a motorcycle requires the
16 use of special skills developed through a combination of
17 training and experience, the use of good judgment, and a
18 thorough knowledge of traffic laws and licensing requirements;
19 and
20 *Whereas*, the Motorcycle Safety Awareness Campaign is
21 intended to reduce the number of accidents, injuries, and
22 fatalities associated with motorcycling by encouraging
23 motorcycle operators to participate in rider education
24 programs, wear proper apparel, not drink and ride, and operate
25 their vehicles defensively according to the rules of the road;
26 and
27 *Whereas*, motorcycle organizations, clubs, dealerships, and
28 groups and highway safety officials in our state should join
29 Iowa motorcyclists in actively promoting safe motorcycle
30 operation, increased rider training, improved licensing
31 efforts, and motorist awareness of motorcycles; and
32 *Whereas*, the Motorcycle Safety Awareness Campaign
33 encourages operators of other motor vehicles to be cautious
34 and observe these smaller vehicles, especially during the
35 seasonal return of motorcycles to Iowa's streets and highways;

Page 2

1 and
2 *Whereas*, a motorcycle is a vehicle with all of the
3 privileges of any vehicle on the roadway, so a motorcyclist
4 should be allowed the use of a full lane of travel; and
5 *Whereas*, other motorists need to take a second look for

6 motorcycles on the highway, at intersections, and when a
 7 motorcyclist may be changing lanes or making a left turn; and
 8 *Whereas*, other motorists should clearly signal their
 9 intentions, not follow motorcycles too closely, and allow
 10 enough room for motorcyclists to take evasive action by
 11 allowing plenty of space; and
 12 *Whereas*, obstructions that other motorists might ignore,
 13 such as debris and potholes, can be deadly for a motorcyclist,
 14 so other motorists should learn to predict when a motorcyclist
 15 might take evasive action; *Now Therefore*,
 16 *Be It Resolved By The House Of Representatives, The Senate*
 17 *Concurring*, That the General Assembly designates the month of
 18 May 2008 as Motorcycle Safety Awareness Month and encourages
 19 all Iowa motorists to strive to improve motorcycle safety in
 20 this state.

HR 104 filed February 7, 2008; House adopted March 4, 2008.

1 House Resolution 104
 2 By Winckler and L. Miller
 3 A resolution designating March 2008 as Iowa Women's
 4 History Month.
 5 *Whereas*, Iowa women of every race, class, and
 6 ethnic background have made historic contributions to
 7 the growth and strength of our state and nation in
 8 countless recorded and unrecorded ways, including
 9 through the struggle for women's rights; and
 10 *Whereas*, Iowa women have played and continue to
 11 play a critical economic, cultural, and social role by
 12 constituting a significant portion of the labor force
 13 working inside and outside the home despite being
 14 underpaid; and
 15 *Whereas*, Iowa women were particularly important in
 16 the establishment of early charitable, philanthropic,
 17 and cultural institutions in our state and nation; and
 18 *whereas*, Iowa women and men ratified the amendment
 19 to the Iowa Constitution, declaring that "All men and
 20 women are, by nature, free and equal, and have certain
 21 inalienable rights"; and
 22 *Whereas*, Iowa women have been leaders in the
 23 abolitionist movement, the emancipation movement, the
 24 industrial labor movement, the civil rights movement,
 25 the peace movement, and the women's suffrage movement,
 26 which created a more fair and just society for all
 27 people; and
 28 *Whereas*, despite these contributions, and those of
 29 women throughout the world, the role of women has been
 30 consistently overlooked and undervalued, in the

1 literature, teaching, and study of history; *Now*
 2 *Therefore,*
 3 *Be it resolved by the House of Representatives*
 4 That the House of Representatives designates the month
 5 of March 2008 as Iowa Women's History Month and
 6 invites the citizens of Iowa to continue to uncover,
 7 recognize, and honor the roles women have played
 8 throughout history.

 9 to encourage local volunteer conservation districts;
 10 and
 11 *Whereas,* the Dickinson County Soil and Water
 12 Conservation District was formed on February 4, 1944;
 13 and
 14 *Whereas,* the Dickinson County district contains

 17 *Whereas,* always mindful of its obligation to

 27 Gar, Minnewashta, and Lower Gar Lakes; and
 28 *Whereas,* by 2002, the Dickinson County district
 29 began working with urban conservation issues, such as
 30 construction site erosion, storm water runoff, and

Page 2

1 other urban soil and water issues; and
 2 *Whereas,* as part of that urban focus the Dickinson
 3 County district conducted a series of seminars to
 4 educate people on low-impact development, smart
 5 growth, construction site erosion, and other urban
 6 conservation issues, which seminars were then followed
 7 by five demonstration projects; and
 8 *Whereas,* on February 12, 2008, the Dickinson County

9 Soil and Water Conservation District was awarded the
 10 National Association of Conservation Districts 2007
 11 Excellence Award for Urban Conservation, an award
 12 given to only one district out of 3,000 nationwide;
 13 *Now Therefore,*
 14 *Be it resolved by the House of Representatives,*
 15 That the House of Representatives honors the Dickinson
 16 County Soil and Water Conservation District for 64
 17 years of dedicated stewardship and congratulates the
 18 district for receiving the National Association of
 19 Conservation Districts 2007 Excellence Award.

18 time of change when competition in the world is
19 demanding that Iowans do more to better prepare their
20 children to compete in today's high-tech global
21 economy; and

22 *Whereas*, America's schools are not keeping pace
23 with the demands of today's world, often failing to
24 prepare students for college and for careers; and

25 *Whereas*, our nation's prosperity is increasingly

 19 strong K-12 schools; *Now Therefore*,
 20 *Be It Resolved By The House Of Representatives*,

24 consumer protection; and
25 *Whereas*, AARP has helped to foster proactive
26 policies that enable our citizens to achieve the
27 quality of life and peace of mind they deserve; and
28 *Whereas*, AARP shares Iowa's belief that diversity
29 in age, economic status, attitudes, ability, and
30 lifestyles is a source of profound state and national

Page 2

1 strength; and
2 *Whereas*, AARP works to develop strong communities
3 that are characterized by affordable and appropriate
4 housing, ease of mobility, and features and services
5 that support the lives and lifestyles of people of all
6 ages; and
7 *Whereas*, AARP has successfully built important
8 alliances statewide among businesses, communities, and
9 Iowa residents of all generations; and
10 *Whereas*, AARP continues to advocate for an economic
11 environment throughout our state that supports and
12 promotes the loyalty, reliability, flexibility, and
13 potential of mature workers; and
14 *Whereas*, AARP recognizes that ensuring the
15 protection, safety, integrity, involvement, security,
16 health, lifestyle, and well-being of citizens 50 years

17 of age and older is not a destination but a continuing
18 journey; *Now Therefore*,
19 *Be It Resolved By The House Of Representatives*,
20 That the House of Representatives hereby congratulates
21 AARP for 50 years of service to our state and our
22 nation, and for championing the future of every

1 House Resolution 119
2 By Wise, Petersen, and Oldson
3 A resolution expressing opposition to federal legislation
4 that would threaten the power of the states to oversee,
5 regulate, and investigate the business of insurance
6 and to protect consumers.
7 *Whereas*, regulation, oversight, and consumer
8 protection have traditionally and historically been
9 powers reserved to state governments under the federal
10 McCarran-Ferguson Act of 1945; and
11 *Whereas*, state legislatures are more responsive to
12 the needs of their constituents and the need for
13 insurance products and regulation to meet their
14 state's unique market demands; and
15 *Whereas*, many states, including Iowa, have recently
16 enacted and amended state insurance laws to modernize
17 market regulation and provide insurers with greater
18 ability to respond to changes in market conditions;
19 and
20 *Whereas*, state legislatures, the National
21 Conference of Insurance Legislators (NCOIL), the
22 National Association of Insurance Commissioners
23 (NAIC), and the National Conference of State
24 Legislatures (NCSL) continue to address uniformity
25 issues between state insurance laws by adoption of
26 model laws that address market conduct, product
27 approval, agent and company licensing, and rate
28 deregulation; and
29 *Whereas*, initiatives are being contemplated by
30 certain members of the United States Congress that

Page 2

1 have the potential to destroy the state system of
2 insurance regulation and create an unwieldy and
3 inaccessible federal bureaucracy, all without consumer
4 or constituent demand; and
5 *Whereas*, such initiatives include S. 40/H.R. 3200,
6 titled as the National Insurance Act of 2007, which
7 proposed federal charter legislation would bifurcate
8 insurance regulation and result in a quagmire of

9 federal and state directives that would promote
10 ambiguity and confusion; and
11 *Whereas*, adoption of S. 40/H.R. 3200 would allow
12 companies to opt out of state insurance regulatory
13 oversight and evade important state consumer
14 protections; and
15 *Whereas*, the mechanism that would be established
16 under S. 40/H.R. 3200 does not, and cannot by its very
17 nature, respond as state regulation does, to each
18 state's individual and unique insurance markets and
19 constituent concerns; and
20 *Whereas*, S. 40/H.R. 3200 has the potential to
21 compromise state guaranty fund coverage, and employers
22 could be forced to absorb losses otherwise covered by
23 these safety nets for businesses affected by
24 insolvencies; and
25 *Whereas*, S. 40/H.R. 3200 does not fully guarantee
26 state premium tax revenues in the long term and has
27 the potential to draw premium tax revenue from the
28 states; *Now Therefore*,
29 *Be It Resolved By The House Of Representatives*,
30 That the House of Representatives joins the National

Page 3

1 Conference of State Legislatures in expressing its
2 strong opposition to S. 40/H.R. 3200 and any other
3 federal legislation that threatens the power of state
4 legislatures, governors, insurance commissioners, and
5 attorney generals to oversee, regulate, and
6 investigate the business of insurance and to protect
7 consumers; and
8 *Be It Further Resolved*, That a copy of this
9 resolution be printed and forwarded to the members of
10 the Iowa Congressional delegation in the United States
11 House and Senate, and also to members of the United
12 States Senate Committee on Banking, Housing, and Urban
13 Affairs, and the United States House of
14 Representatives Committee on Financial Services.

3 A resolution recognizing the Uncommon Public Service
4 Award.
5 *Whereas*, Herbert Hoover was both a visionary and
6 dedicated public servant and through his tireless
7 efforts millions of lives were saved in the years
8 after World War I; and
9 *Whereas*, to honor that spirit of public service the

10 Herbert Hoover Presidential Library Association has
11 created the Uncommon Public Service Award; and
12 *Whereas*, the association will annually present the
13 Uncommon Public Service Award to Iowa legislators who
14 exemplify Hoover's humanitarian efforts and have gone
15 above and beyond the call of duty to demonstrate
16 uncommon service and commitment to the people of Iowa;
17 and
18 *Whereas*, recipients of the award will become
19 honorary members of the Herbert Hoover Presidential
20 Library Association for one year and a plaque for each
21 recipient will be hung on the "Wall of Uncommon
22 Iowans" which will be on permanent display in the
23 Herbert Hoover Presidential Library Museum; *Now*
24 *Therefore*,
25 *Be It Resolved By The House Of Representatives*,
26 That the House of Representatives recognizes the
27 Herbert Hoover Presidential Library Association and
28 thanks its members for the creation of the Uncommon
29 Public Service Award.

3 A resolution recognizing the Grant Wood Art Festival.
4 *Whereas*, Grant DeVolson Wood was born on February
5 13, 1891, on his parents' farm four miles east of
6 Anamosa, Iowa, where he spent the first 10 years of
7 his life; and
8 *Whereas*, Grant Wood was an exceptional artist from
9 a very young age; at the age of 14 he took third prize
10 in a national contest for a crayon drawing of oak
11 leaves and said that winning that prize was his
12 inspiration to become an artist; and
13 *Whereas*, from that beginning, Grant Wood blossomed
14 into one of the great artists of the twentieth
15 century; and
16 *Whereas*, taking inspiration from the work of German
17 and Flemish painters, in 1930 Mr. Wood created the
18 painting that defines his art and assured his success,
19 "American Gothic"; and
20 *Whereas*, today we continue to honor this remarkable
21 man, his unique talent, and the artist colony he
22 founded in Stone City, with the annual Grant Wood Art
23 Festival; and
24 *Whereas*, the 36th Annual Grant Wood Art Festival
25 will be held Sunday, June 8, 2008, in Anamosa, Iowa,
26 featuring day-long events and the work of many local
27 and regional artists; *Now Therefore*,
28 *Be it Resolved by the House of Representatives*,

29 That the House of Representatives recognizes the
30 upcoming 36th annual Grant Wood Art Festival and urges

22 A resolution honoring the remarkable achievements of
23 Iowa's own Shawn Johnson.
24 *Whereas*, the life and career of Iowa high school
25 student Shawn Johnson is a testament to the value of
26 hard work and a dedication to excellence; and
27 *Whereas*, Ms. Johnson began a career in gymnastics
28 at the age of three and through more than a decade of
29 perseverance and hard work is now an elite
30 international gymnast at the age of 16, already being

3 *Whereas*, under the guidance of coaches Liang Qiao
4 and Liwen Zhuang, Ms. Johnson first appeared on the
5 national scene in 2005, placing third in the junior
6 division at the 2005 U.S. Classic and in 2006 was the

8 *Whereas*, in 2007, Ms. Johnson's fiery combination

10 winning the all-around at the 2007 Tyson American Cup,
11 winning four gold medals and one silver medal at the

26 That on behalf of all Iowans, the House of

3 A resolution recognizing the visit of five distinguished
4 women leaders from Nigeria.
5 *Whereas*, Iowa has long been a leader in promoting
6 the goals of international education and
7 cross-cultural learning, and is home to several
8 organizations that actively pursue such opportunities
9 to share knowledge and understanding; and
10 *Whereas*, Iowa also has a rich history of pioneering
11 women leaders and was active in the national women's
12 suffrage movement and other movements to bring about
13 social change; and
14 *Whereas*, five women leaders from Nigeria have
15 traveled to Iowa as part of a two-year project of the
16 United States Department of State called Women in
17 Northern Nigeria that organizes cultural exchanges in
18 an attempt to answer the question posed by First Lady
19 Laura Bush in 2006, "How do we nurture the development
20 of the next generation of women leaders in Africa and
21 worldwide?"; and
22 *Whereas*, in 2007, four women political leaders from
23 Iowa traveled to Nigeria, a democracy since 1999, to
24 learn about the issues facing Nigerian women as they
25 struggle for equality in education, the economy,
26 politics, health care delivery, and the social life of

27 that country; and
28 *Whereas*, Iowans have much to learn about the
29 complexity of the global society of which we are a
30 part and have much to teach about good governance and

Page 2

1 the involvement of women in education and civic life;
2 *Now Therefore*,
3 *Be it Resolved by the House of Representatives*,
4 That the House of Representatives welcomes the
5 Nigerian women to Iowa and expects that Iowa and
6 Nigeria will both benefit from the Women in Northern
7 Nigeria cultural exchange in terms of shared
8 experiences and ideas between the two nations and that
9 their visit can serve as a catalyst for the
10 advancement of women who aspire to leadership
11 positions in government, business, and other sectors

9 A resolution celebrating the 100th birthday of the
10 United States Army Reserve, honoring the commitment,
11 dedication, and service to America, and wishing for
12 its continued support to our soldiers.
13 *Whereas*, in 1908, the nation's leaders, knowing
14 that the most up-to-date medical experience resided in
15 the civilian sector, created the first reservoir of
16 trained officers in a reserve status known as the
17 Medical Reserve Corps; and
18 *Whereas*, today, over 67 percent of the Army's
19 medical assets lie within the Army Reserve; and
20 *Whereas*, in 1916, Congress passed the National
21 Defense Act, creating the Officers' Reserve Corps, the
22 Enlisted Reserve Corps, and the Reserve Officers'
23 Training Corps, later named the Organized Reserve
24 Corps (ORC), all of which are forerunners of the
25 current Army Reserve; and
26 *Whereas*, in World War I, 89,500 reserve officers
27 were mobilized and during World War II, 200,000
28 members of the ORC participated, with reserve officers
29 providing 29 percent of the Army's officers; and

30 *Whereas*, in 1952, legislation renamed the ORC as

Page 2

1 the Army Reserve and then divided it into three
2 reserves, a Ready Reserve, a Standby Reserve, and a
3 Retired Reserve, and also provided reserve units with
4 24 initial training days and up to 17 days of annual
5 training; and

6 *Whereas*, the Army Reserve has been an integral part
7 of numerous conflicts with more than 70 Army Reserve
8 units deployed to the Korean Peninsula, more than
9 84,000 soldiers providing combat support and combat
10 service support during Operation Desert Shield/Storm,
11 and others providing support in Somalia, Haiti,
12 Bosnia, Kosovo, Operation Enduring Freedom, Operation
13 Noble Eagle, and Operation Iraqi Freedom; and

14 *Whereas*, the role of the Army Reserve has changed
15 over time, moving from a Strategic Reserve to an
16 Operational Force, providing resources and training to
17 first-responder organizations across the nation,
18 training soldiers, implementing national objectives,
19 keeping the Army mobile, and enabling the Army to do
20 more with fewer resources; and

21 *Whereas*, the Army Reserve makes up 20 percent of
22 the Army's organized units, but provides one-half of
23 the Army's combat support and one-fourth of its
24 mobilization base expansion capabilities; *Now*
25 *Therefore*,

26 *Be it Resolved by the House of Representatives*,
27 That the members of the House of Representatives, by
28 this resolution, celebrate the 100th birthday of the

23 *Whereas*, Iowa State University was a pioneer in all
24 three parts of the land-grant mission, namely:
25 1. Access to all, regardless of race, gender, or
26 social class: Iowa State University was the first
27 land-grant institution to be coeducational from its
28 opening, with 16 women in its first class; future
29 suffragist Carrie Chapman Catt was an 1880 graduate;
30 and George Washington Carver was the first

Page 2

2 in 1894 and a master's degree in 1896, and was also
3 the institution's first African-American faculty
4 member;
5 2. Practical research: Iowa State University
6 established the nation's first engineering experiment
7 station and domestic economy experimental kitchen, and

9 3. Outreach: Among the earliest land-grant
10 institution outreach activities were the Farmers
11 Institutes in the winter of 1869-1870 by Iowa State
12 University President Adonijah Welch, and the nation's

7 from 1934 to 1955; and
8 *Whereas*, Iowa State University has had a technology
9 transfer office since 1935, longer than all but one
10 other university in the nation, and is today

12 technology to work, being cited as a "model of
13 economic development" and "licensing powerhouse" in a
14 2007 study commissioned by the National Science
15 Foundation; and
16 *Whereas*, Iowa State University is today
17 spearheading new advances in science and technology,
18 including new materials, information sciences, green
19 architecture, biological research, and the development

12 *Whereas*, the level of mutual investment between
13 Taiwan and the United States is substantial; and
14 *Whereas*, streamlined foreign investment procedures
15 developed under a free trade agreement between Taiwan
16 and the United States would create new business
17 opportunities and new jobs; and
18 *Whereas*, a free trade agreement between Taiwan and
19 the United States would encourage greater innovations
20 and manufacturing efficiencies by stimulating joint
21 technological development, practical applications, and
22 new cooperative ventures; and

24 International Trade Commission supports the
25 negotiation of a free trade agreement between Taiwan

5 *Whereas*, Taiwan's absence from the World Health
6 Organization system has become a missing link in the
7 global framework of providing health and medical care;
8 and

9 *Whereas*, the granting of observer status to Taiwan
10 would not constitute a challenge to representation by
11 the People's Republic of China in the World Health
12 Organization and would demonstrate that the
13 organization is inclusive with regard to Taiwan's 23
14 million inhabitants; and

15 *Whereas*, as a democratically elected government,
16 the government of Taiwan has a duty and responsibility
17 to ensure that the people of Taiwan are represented in

7 *Whereas*, the Republic of China on Taiwan has
8 established a democratic, multiparty political system,
9 its diplomacy aimed at national unification
10 demonstrates its progressive spirit as a government
11 and a people, and its inclusion in the United Nations
12 would only further the universality of this essential
13 global forum; and
14 *Whereas*, already having provided many developing
15 nations with financial assistance, as well as overseas
16 aid, training, and disaster relief, Taiwan has amply
