## GOVERNOR'S VETO MESSAGE

May 7, 2001

The Honorable Mary Kramer  
President of the Senate  
State Capitol Building  
L O C A L

Dear President Kramer:

I hereby transmit Senate File 410, an Act relating to the application of certain air quality requirements to indoor emission units or air contaminant sources.

I am unable to approve Senate File 410. The original intent of this bill was to clarify Iowa Code Section 455B.135 by specifying the Iowa Department of Natural Resources does not have the authority to require air quality permits for equipment that is not vented outside a building. The purpose of this proposed action was to avoid

undue burden on businesses and industries. I support this concept and worked to develop a bill that met that intent.

Unfortunately, Senate File 410 as passed by the Iowa General Assembly contains language that is ambiguous, causing confusion in the interpretation of the bill even among members of the House and Senate. The definitions of "general ventilation" and "directly vented" are unclear and subject to misinterpretation. The result of this bill, if it were enacted, would be inconsistent regulation of air emissions even from the exact same sources and less certainty about permitting requirements. In addition, it is not possible to write rules that could be implemented without clarification of the definition of those terms.

The Department of Natural Resources is involved in discussions with business and industry to develop rules based on current law that provide the business community the information it needs to achieve compliance, increase predictability in regulation requirements, and reduce the overall burden. Supporters of this bill from business and industry have suggested this goal may be achievable by means other than this bill. I expect these discussions will continue to build consensus on rules thereby avoiding the need for additional legislation. Otherwise, I am willing to work on legislation next year that specifies the requirements for air quality permits and reduces the uncertainty and additional costs incurred by Iowa's businesses and industries.

For the above reasons, I hereby respectfully disapprove Senate File 410.

Sincerely,  
THOMAS J. VILSACK  
Governor

## MESSAGE FROM THE GOVERNOR

June 14, 2001

The Honorable Brent Siegrist  
Speaker of the House  
State Capitol  
Des Moines, IA 50319

The Honorable Mary Kramer  
President of the Senate  
State Capitol  
Des Moines, IA 50319

Speaker Siegrist and President Kramer,

The one shining light in this legislative session was the full funding of our new teacher compensation/student achievement plan. This package is a truly revolutionary approach to training and compensating teachers, and ensuring that Iowa schoolchildren get the very best possible education. Nowhere else has this been done on a statewide basis. It makes us national leaders and it has important and very positive consequences for public education and workforce development in our state.

We understand that some teachers are nervous about this program. It does represent a fundamental change. We are convinced that we can make this new plan work in a way that serves teachers, students, and parents.

We are hopeful the special legislative session schedule for June 19 will consider legislative action that was left incomplete at the end of the regular session. In addition to redistricting, I urge lawmakers to maintain the operations of Iowa's rural workforce development centers, to provide the option for community colleges to raise additional revenue to meet their obligations, and to provide for additional in-state electric power generation.

Sincerely,  
THOMAS J. VILSACK  
Governor

## GOVERNOR'S ITEM VETO MESSAGES

May 30, 2001

The Honorable Chester Culver  
Secretary of State  
Capitol Building  
LOCAL

Dear Mr. Secretary:

I hereby transmit Senate File 530, an act relating to and making appropriations to the justice system, making related statutory changes, and providing an effective date.

Senate File 530 is a bill I approve with great reluctance. Much of the progress made in the area of safe communities just last year has been eliminated. This will no doubt have a negative impact on the safety of the citizens of this state. The reductions of recently authorized narcotics agents, who along with other law enforcement personnel are on the front lines in this state fighting the battle of illegal drug markets, have been eliminated. Reductions in operational funding of criminal laboratory personnel as well as general criminal operations comes at a time when the processing of criminal evidence and turnaround time is at a critical threshold. Delays and impacts will be felt through out our criminal justice system. The magnitude of the reductions in the Iowa State Patrol will impact the safe travel and timely response to those in

need while using our roads. This comes at a time when our roads are carrying the greatest volume of traffic ever!

Within the Department of Corrections budget, many efforts to reduce the demand for future prison growth, implemented during the previous legislative session have also been eliminated or greatly curtailed. The reduction of funding for new drug courts will continue the cycle of the nonviolent drug offenders. The previous legislative work of adding new Community Based Corrections client supervision personnel, whose funding was severely reduced in this bill, will not only impact the safety of citizens in this state, but these short sighted decisions, as implemented, will also over burden an all ready understaffed Community Based Corrections system. Community Based Corrections will be very hard pressed not to impact even further the growing prison population, which has in the month of May, hit the highest level of incarceration in Iowa history. These demands will test and stretch beyond the level of reasonableness our correctional institutions resources given the general fund reduction of over \$6.0 million in funding from the previous year.

Additionally, under-funding in the area of the Indigent Defense legal representation system is also a budget decision that will no-doubt need to be revisited during the next fiscal year. As quoted in the Des Moines Register editorial of 5/16/01 "The state public defenders' office, either with public defenders or private lawyers, must provide legal representation to the poor. It makes no sense to reduce the Indigent Defense Fund to \$19.8 million from the \$21.2 million. The state will have to somehow come up with additional money needed." These are shortsighted decisions; the people of Iowa expect more of their public servants. The budget I recommended included sound budgeting practices. Investment decisions for future policy outcomes that would have this state preparing for tomorrow's challenges. We must be better prepared for the future, not just react to its problems.

Senate File 530 is therefore, approved on this date with the following exceptions, which I hereby disapprove.

I am unable to approve the designated portion of Section 6, subsection 7 and the designated portion of Section 6, subsection 9. Both of these items require the Department of Corrections to re-create requested data back to 1999. The ability to manually collect the required data, given the cut backs to the correctional system is very limited and would produce a report of marginal value. I have instructed the Department of Corrections to continue to make best efforts to respond to individual cases as needed.

I am unable to approve the items designated as Sections 18, 19, and 20 in their entirety. These sections involve the reimbursement of temporarily confining a person in a county facility for violations regarding OWI, prison work release, and parole. The proposed language, which intends to require the exclusion of administrative costs, would be a good start at addressing the specific costs to be included in the daily cost reimbursement. However, the proposed language is vague and the United States marshal's service cost sheet does not provide any definition of administrative support personnel costs. This provision may even markedly increase county confinement costs. The Department of Corrections has offered both a proposed bill and alternative clarifying language for consideration that involves paying a proportional share of daily direct security supervision costs. I have directed the Department of Corrections to negotiate further an acceptable daily reimbursement rate with each county.

For the above reasons, I hereby respectfully approve Senate File 530, with the exceptions noted above.

Sincerely,  
THOMAS J. VILSACK  
Governor

May 30, 2001

The Honorable Chester Culver  
Secretary of State  
State Capitol Building  
L O C A L

Dear Mr. Secretary:

I hereby transmit Senate File 531, an act relating to and making appropriations to certain state departments, agencies, funds, and certain other entities, providing for regulatory authority, and other properly related matters.

Basic to any successful organization are core functions that allow the organization to operate smoothly and efficiently. Iowa citizens expect their taxes to be accurately calculated and refunds issued in a timely fashion, businesses expect corporate filings and liens to be processed, visitors expect the Capitol and other state facilities to be safe and properly maintained, citizens expect that they can do business with their government in a way that is convenient to them, and taxpayers expect that their tax dollars are being used legally and properly.

These are all legitimate expectations, and I am troubled that the Legislature's intentional underfunding of the core services of state government is threatening its ability to respond to its citizen customers. No successful business would cut budgets that support its core customers. That, however, will be the outcome from the unwise cuts contained in this budget bill.

There are many examples of the impact of this decision. For example, there will be fewer employees to process state income tax refunds and answer taxpayer's questions, fewer opportunities for departments to provide services on-line, less maintenance of state buildings and facilities, inability to timely maintain the statewide voter registration system increasing the risk for voter error and fraud, and slower processing of business filings potentially impacting the formation of new businesses in our State. These short-sighted cuts produce long term impacts and inefficiencies.

I am even more troubled by the lack of sound financial practice contained within this bill. The Legislature did not provide the resources necessary to carry out even the most fundamental functions, and as a result, they have passed a budget riddled with bad budget practices. These unwise choices will cost the state more money in the future — rather than making cuts, the Legislature has only set the state up for greater expense next year and following years.

For example, my budget provided \$1.8 million to clean up a federal claim against the State for overbilling of technology services that dates back to the Branstad administration. By not resolving this issue, we risk having additional penalties and

interest charged to the state by the federal government. The Legislature provided no funds to fix this problem. My budget provided \$1.7 million to ensure adequate funding for worker's compensation claims, but the Legislature provided just \$500,000 for this; it is likely that this fund will literally run out of money as a result — meaning that the State cannot play its legal obligations. Likewise, the Legislature underfunded the appropriation to the Department of General Services to pay for contracted rental space — another case where the Legislature refuses to accept reality and make the funds available to pay the State's contractual obligations.

These budget gimmicks are nothing more than a charade that passes off the tough budget decisions to somebody else. The Legislature has claimed that its deeper budget cuts were necessary to “solve” the budget problems now, but in reality, the above listed “cuts” are illusory and simply pass on the problem — in some cases with additional costs as well.

For these reasons I reluctantly approve Senate File 531 on this date with the following exception, which I hereby disapprove.

I am unable to approve Section 24, subsection 1, unnumbered paragraph 3 in its entirety.

This proposed language places the responsibility of paying county expenses in the budget of the Secretary of State without adding any additional funding. The Marshall county auditor's office chose to participate in the elections reform task force with the knowledge that the State would not be able to assume the costs of their participation. If the Legislature believed this to be a wise expenditure of funds they should have created a specific appropriation for this purpose rather than forcing the Secretary of State to direct limited funds away from other purposes such as statewide election activities.

For the above reason, I hereby respectfully approve Senate File 531 with the exception noted above.

Sincerely,  
THOMAS J. VILSACK  
Governor

May 24, 2001

The Honorable Chester Culver  
Secretary of State  
State Capitol  
LOCAL

Dear Secretary Culver:

I hereby transmit Senate File 535, an act relating to the funding of, operation of, and appropriation of moneys to the College Student Aid Commission, the Department of Cultural Affairs, the Department of Education, and the State Board of Regents.

While I will allow much of Senate File 535 to become law, I do so with many reservations. This bill as passed by the legislature does not fully meet the needs of the

citizens of Iowa. Reductions in the College Student Aid Commission budget will impact approximately 7,000 students in all three sectors of higher education by either reducing the amount of the grants they receive or in the case of the Iowa Work Study Program, eliminating all state funding which assists 4,300 working students. The impact to the cultural community will be felt in many areas but the most significant will be in the reduced availability of grants to communities throughout Iowa. Several other education programs were either eliminated or drastically reduced. Tuition at the Community Colleges will increase and programs may be reduced as a result of the significant funding reductions. The Regents institutions will experience hiring stoppages, furloughs, layoffs, and possible program elimination's which will impact the quality of education offered at our state institutions of higher education.

If I had any assurance from legislative leaders that they would seriously address these matters in the upcoming special session, I would simply return the bill and ask it be improved substantially by the House and Senate. In the absence of such assurances, I will utilize my authority to the extent possible to minimize the problems that will be created by the bill as submitted. I do not have the flexibility within the expenditure limitation I must follow, however, to rectify many of the problems that will result from the education budget decisions taken by Republican legislators, however.

I will reluctantly sign this bill with the exceptions noted below.

I am unable to approve Section 13 in its entirety. This section requires the Community Colleges to obtain authorization from the State Board of Education prior to the sale of a radio broadcast license or station. Given the structure of local board control our Community Colleges successfully operate under, I have not been persuaded it is necessary to restrict their authority in this way at this time.

I do not approve Section 14 in its entirety.

Paragraph 1 of section 14 reduces funding for the Iowa Tuition Grant. The Iowa Tuition Grant provides need-based assistance to almost 15,000 Iowa families attending independent colleges and universities. The program gives working families the opportunity to attend Iowa's fine independent colleges and universities. The proposed reduction in this program below the current year level undermines that opportunity and breaks faith with working families who depend on these annual awards, and our local independent colleges, who help distribute this needed aid to students and families all across Iowa.

Paragraph 2 of section 14 reduces funding for the State of Iowa Scholarship. The State of Iowa Scholarship program encourages Iowa's best and brightest students to remain in the state to study at Iowa colleges and universities. We need to continue to reward their past performance and encourage them to study in Iowa, and not reduce this program

Paragraph 3 of section 14 reduces funding for the Iowa Vocational-Technical Tuition Grant. The Iowa Vocational-Technical Tuition Grant program supports almost 6,000 Iowa students at community colleges who will help meet our state's need for highly skilled workers. It is important to keep faith with families who look to vocational education as a means to prosper in Iowa, rather than reduce their grants. This is especially important in light of other cuts in community college funding elsewhere in this bill.

I am unable to approve Section 16 in its entirety. This section requires the authorization of the executive council, prior to the sale of a radio broadcast license or station owned by an institution of higher learning. I believe the Board of Regents current governance system provides adequate oversight and stewardship of the Regent radio stations. The Board has a statewide plan and written operating procedures regarding its radio stations. It also receives biennial governance reports on the radio stations as well as requires a series of approvals for any changes in its radio stations. Therefore, I am unconvinced that additional approvals are warranted.

I hereby approve Senate File 535, with the exceptions noted.

Sincerely,  
THOMAS J. VILSACK  
Governor

## GOVERNOR'S VETO MESSAGES

May 31, 2001

The Honorable Chester Culver  
Secretary of State  
State Capitol  
LOCAL

Dear Secretary Culver:

I hereby transmit Senate File 516, an act establishing a small business growth initiative by adjusting the allocation to Iowa of income earned by an s corporation for purposes of the state individual income tax and including an effective and applicability date provision.

I am unable to approve Senate File 516. In the past, I have supported changes in the method of taxation of S corporation income to shareholders to make it equitable to C corporations. S corporations have been a force in Iowa's economy by creating new jobs and opportunities for people in Iowa. I supported Senate File 2449 during the 1996 session and House File 306 during the 1997 session, which extended to S- corporation shareholders the same method of apportionment of income as afforded C corporations. Senate File 516 would complete the equity issue by allowing S corporation shareholders the one-hundred percent deduction for federal income taxes paid, the same as afforded C corporations.

While I support small business growth by adjusting taxes for S corporations to make them equitable with C corporations, we simply could not afford to do it this year. It is my hope the legislature will be couple this initiative next year with my venture capital proposal that will expand economic opportunity in Iowa.

For the above reasons, I hereby respectfully disapprove Senate File 516.

Sincerely,  
THOMAS J. VILSACK  
Governor

The Honorable Chester Culver  
Secretary of State

Dear Secretary Culver:

I hereby transmit Senate File 521, an act establishing a new economy employment initiative by providing for a partial deduction under the individual income tax for the capital gain from the sale or exchange of capital stock of a corporation which was acquired by an individual on account of employment with the corporation, limiting the fiscal impact of the partial deductions, and including an effective and retroactive applicability date provision.

I am unable to approve Senate File 521. At the start of the legislative session, I identified the need to help attract venture capital for business start-ups in Iowa. My recommendations focused in the life sciences area, where I feel the best opportunities exist attracting venture capital. Unfortunately, the Legislature felt that this was not a top priority for this session. Instead, they passed Senate File 521, which provides a tax advantage to individuals in dealing with capital gains on the sale of stock in corporations. While providing this advantage to help corporations hire and retain workers, my emphasis has been and will continue to be creating the appropriate atmosphere for which these businesses can be created. Creating venture capital for the state needs to be the first step.

Also, because of the state's future financial uncertainty, approving this bill would not be responsible. It is important to remember that in fiscal year 2002, the Legislature chose to fund many on-going operating expenses with one-time revenues. Finding new revenue sources in fiscal year 2003 for these operating expenses will be difficult. Signing this bill would add to that difficulty.

For the above reasons, I hereby respectfully disapprove Senate File 521.

Sincerely,  
THOMAS J. VILSACK  
Governor

3 following:

4 "Section 1. NEW SECTION. 49B.1 MAIL BALLOT  
5 ELECTIONS.

6 A mail ballot election may be conducted in cities  
7 with a population of two hundred or less as provided  
8 in this chapter.

9 Sec. \_\_\_\_ NEW SECTION. 49B.2 DEFINITIONS.

10 As used in this chapter, unless the context  
11 otherwise requires:

12 1. "Election day" is the date established by law  
13 on which a particular election would be held if that  
14 election were being conducted by means other than a  
15 mail ballot election.

16 2. "Return verification envelope" means an  
17 envelope that contains a secrecy envelope and which is  
18 designed to allow election officials, upon examination  
19 of the outside of the envelope, to determine that the  
20 ballot is being submitted by someone who is in fact a  
21 registered voter and who has not already voted.

22 3. "Secrecy envelope" means an envelope used to  
23 contain the elector's ballot and that is designed to  
24 conceal the voter's vote and to prevent the voter's  
25 ballot from being distinguished from the ballots of  
26 other voters.

27 Sec. \_\_\_\_ NEW SECTION. 49B.3 MAIL BALLOT  
28 ELECTION PROCEDURE.

29 The state commissioner of elections shall prescribe  
30 uniform procedures and forms to be used in the conduct  
31 of mail ballot elections.

32 Sec. \_\_\_\_ NEW SECTION. 49B.4 INITIATION BY  
33 GOVERNING BODY.

34 1. The city council of a city may, by resolution,  
35 request that the county commissioner of elections  
36 conduct the regular city election or a special city  
37 election under this chapter. Only a city with two  
38 hundred or fewer registered voters at the time the  
39 resolution is adopted may make such a request. The  
40 council must file the resolution with the county  
41 commissioner not later than ninety days before the  
42 date of the election. The commissioner shall approve  
43 the request if the commissioner determines that it is  
44 economically and administratively feasible to conduct  
45 the regular city election or a special city election  
46 by mail.

47 2. After the resolution is approved, the county  
48 commissioner shall prepare a written plan for conduct  
49 of the election as provided in section 49B.5. At  
50 least seventy-one days before the date set for the

Page 2

1 election, the county commissioner shall forward a copy  
2 of the written plan to the city council concerned.

3 Sec. \_\_\_\_ NEW SECTION. 49B.5 WRITTEN PLAN FOR  
4 CONDUCT OF ELECTION -- AMENDMENTS -- APPROVAL  
5 PROCEDURE.

6 1. The county commissioner shall prepare a written  
7 plan, including a timetable, for the conduct of a mail  
8 ballot election and shall submit it to the state  
9 commissioner of elections at least seventy-one days  
10 before the date of the election.

11 2. The plan may be amended by the county  
12 commissioner any time before the sixty-fourth day  
13 before the date of the election by notifying the state  
14 commissioner of elections in writing of any changes.

15 3. Within five days after receiving the plan, and  
16 as soon as possible after receiving any amendments,  
17 the state commissioner of elections shall approve,  
18 disapprove, or recommend changes to the plan or  
19 amendments. The final plan shall be approved and  
20 available to the public at least two days before the  
21 deadline for candidates to file nomination papers in  
22 the office of the city clerk.

23 4. When the written plan has been approved, the  
24 county commissioner shall proceed to conduct the  
25 election according to the approved plan.

26 Sec. \_\_\_\_ NEW SECTION. 49B.6 PUBLICATION OF  
27 NOTICE.

28 The county commissioner shall, not more than ten  
29 days and not less than four days before the date that  
30 ballots are to be mailed, publish notice that a mail  
31 ballot election will be conducted. The notice shall  
32 be published in a newspaper of general circulation in  
33 each city for which the mail ballot election will be  
34 conducted. The notice shall include all of the  
35 following information:

36 1. The date ballots will be mailed.

37 2. The last day that a voter can request an  
38 absentee ballot.

39 3. Voter registration deadlines.

40 4. Location or locations where mail ballots can be  
41 deposited pursuant to section 49B.13.

46 a sample ballot.

47 Sec. \_\_\_\_ NEW SECTION. 49B.7 MAILING BALLOTS.

48 1. Official ballots for a mail ballot election  
49 shall be prepared and all other initial procedures for  
50 elections shall be followed as otherwise provided by

Page 3

1 law.

2 2. The county commissioner of elections shall mail  
3 an official ballot to every registered voter of the  
4 city conducting the election on a date not sooner than  
5 the twentieth day before the date of the election and  
6 not later than the tenth day before the date of the  
7 election. An exception shall be made for those  
8 ballots delivered as prescribed in section 49B.12.

9 3. All ballots shall be mailed by first class  
10 mail.

11 4. Ballots mailed by the county commissioner shall  
12 be addressed to the address of each voter appearing in  
13 the registration records of the city, and placed in an  
14 envelope which is prominently marked "Do Not Forward".

15 5. The ballot shall contain the following warning:

16 "Any person who, by use of violence, threats of  
17 violence, or any means of duress, procures the vote of  
18 a voter for or against any measure or candidate is  
19 subject, upon conviction, to imprisonment or to a  
20 fine, or both."

21 Sec. \_\_\_\_ NEW SECTION. 49B.8 REGISTRATION.

22 The county commissioner shall not mail a ballot  
23 under this chapter to any voter not registered thirty  
24 days before the date of the election. Voters  
25 registered less than thirty days before the date of  
26 the election, but before the close of registration,  
27 may apply for a ballot under section 49B.9.

28 Sec. \_\_\_\_ NEW SECTION. 49B.9 REPLACEMENT  
29 BALLOTS.

30 If the mail ballot is destroyed, spoiled, lost, or  
31 not received by the voter, the voter may obtain a  
32 replacement ballot from the county commissioner as  
33 provided in this section. A voter seeking a  
34 replacement ballot shall sign a statement, on a form  
35 prescribed by the state commissioner, that the ballot  
36 was destroyed, spoiled, lost, or not received. The  
37 voter or the voter's designee shall deliver the  
38 statement to the county commissioner before noon on  
39 the date of the election. The voter may mail the  
40 statement to the county commissioner. However, a  
41 county commissioner shall not transmit a ballot by  
42 mail under this section unless the statement is  
43 received before five p.m. on the fourth day before the  
44 date of the election. When a statement is timely  
45 received under this section, the county commissioner  
46 shall give the ballot to the voter if the voter is  
47 present in the office of the county commissioner, or  
48 promptly mail the ballot to the voter at the address  
49 contained in the statement, except when prohibited by  
50 this section. If the voter is present in the county

Page 4

1 commissioner's office, the ballot shall be voted at  
2 that time. The county commissioner shall keep a  
3 record of each replacement ballot provided under a  
4 section. If a voter, having received and voted a  
5 replacement ballot as provided under this section,  
6 later finds the lost ballot, the voter shall return  
7 the lost ballot to the county commissioner.

8 Sec. \_\_\_\_ NEW SECTION. 49B.10 VOTING AND RETURN  
9 OF BALLOT.

10 1. A registered voter, upon receipt of a mail  
11 ballot, shall mark the ballot in such a manner that no  
12 other person will know how the ballot is marked and  
13 shall place it in the secrecy envelope provided with  
14 the ballot.

15 A voter who is blind, cannot read, or because of a  
16 physical disability is unable to mark the ballot, may  
17 be assisted by any person selected by the voter.

18 2. The voter shall place the secrecy envelope  
19 containing the ballot in the return verification  
20 envelope and sign and securely seal the return  
21 verification envelope. The sealed return verification  
22 envelope shall be returned to the county commissioner  
23 by one of the following methods:

24 a. The sealed return verification envelope may be  
25 delivered by the registered voter or the voter's  
26 designee to the county commissioner's office or a  
27 place designated by the commissioner no later than the  
28 time the polls close on election day.

29 b. The sealed return verification envelope may be  
30 mailed, postage paid, to the county commissioner. In  
31 order for the ballot to be counted, the return  
32 verification envelope must be clearly postmarked by an  
33 officially authorized postal service not later than  
34 the day before the election and received by the county  
35 commissioner not later than the time established for  
36 the canvass by the board of supervisors for that  
37 election. The county commissioner shall contact the  
38 post office serving the county commissioner's office  
39 at the latest practical hour before the canvass by the  
40 board of supervisors for that election, and shall  
41 arrange for return verification envelopes received in  
42 that post office but not yet delivered to the  
43 commissioner's office to be brought to the  
44 commissioner's office before the canvass for that  
45 election by the board of supervisors.

46 Sec. \_\_\_\_ NEW SECTION. 49B.11 ABSENTEE BALLOTS.

47 1. A registered voter who will be absent from the  
48 city during the time when the ballots are mailed may  
49 do either of the following:

50 a. Vote in person in the county commissioner's

Page 5

1 office as soon as ballots are available and until noon  
2 the day before the ballots are scheduled to be mailed.  
3 b. Make a written request, signed by the voter and  
4 addressed to the county commissioner, that the ballot  
5 be mailed to an address other than that which appears  
6 on the voter's registration record. Written requests  
7 shall be accepted until noon the day before the  
8 ballots are scheduled to be mailed.

9 2. Ballots mailed to voters pursuant to this  
10 section shall be mailed the same day that all other  
11 ballots are mailed.

12 Sec. \_\_\_\_ NEW SECTION. 49B.12 BALLOTING BY  
13 CONFINED PERSONS.

14 A person who is a resident or patient in a health  
15 care facility or hospital located in the county in  
16 which the election is to be held shall not be mailed a  
17 ballot but shall have a ballot delivered in the manner  
18 prescribed by section 53.22, subsection 1.

19 Sec. \_\_\_\_ NEW SECTION. 49B.13 PERSONAL DELIVERY  
20 OF MAIL BALLOT -- BALLOT DROPOFF STATIONS.

21 A ballot dropoff station for the deposit of mail  
22 ballots may be established in the city conducting the  
23 mail ballot election at the direction of the county  
24 commissioner. A ballot dropoff station established at  
25 the direction of the commissioner shall be open from  
26 eight a.m. until five p.m. on the day of the election.

27 Sec. \_\_\_\_ NEW SECTION. 49B.14 RECEIPT OF BALLOT  
28 -- SIGNATURE VERIFICATION.

29 When a mail ballot is returned, the county  
30 commissioner, or the county commissioner's designees,  
31 shall first examine the return verification envelope  
32 to determine whether it was submitted by a registered  
33 voter who has not previously voted. A ballot shall be  
34 counted only if it is returned in the return  
35 verification envelope, the envelope is signed by the  
36 voter to whom the ballot is issued, and the signature  
37 has been verified as provided in this section.

38 The county commissioner or the county  
39 commissioner's designees shall verify the signature of  
40 each voter on the return verification envelope with  
41 the signature in the voter's registration records and  
42 may commence verification at any time before election  
43 day. If a voter to whom a replacement ballot has been  
44 issued under section 49B.9 returns more than one  
45 ballot, only the replacement ballot shall be counted.

46 If the voter's signature is verified and the ballot  
47 is otherwise valid, the county commissioner or the  
48 county commissioner's designees shall deposit the  
49 ballot unopened in an official ballot box.

50 Sec. \_\_\_\_ NEW SECTION. 49B.15 PROCEDURE FOR

4 envelope is the voter whose name appears on the  
5 registration card, the county commissioner shall not  
6 deposit the ballot in a ballot box but shall do all of  
7 the following:

8 1. Give notice to the voter as follows:

9 a. As soon as possible after receipt of a voter's  
10 ballot, give notice to the voter, either by telephone  
11 or by first class mail, if the county commissioner is  
12 unable to verify the voter's signature.

13 b. Inform the voter that the voter may appear in  
14 person at the county commissioner's office before the  
15 close of the polls on election day and verify the  
16 signature.

17 2. Permit any voter appearing pursuant to  
18 subsection 1, paragraph "b", to:

19 a. Verify the voter's signature, after proof of  
20 identification, by affirming that the signature is in  
21 fact the voter's or by completing a new registration  
22 card containing the voter's current signature.

23 b. If necessary, request and receive a replacement  
24 ballot and vote at that time.

25 3. If the discrepancy is not rectified to the  
26 county commissioner's satisfaction, present the  
27 unopened envelope and the registration card to the  
28 special precinct election board for a determination.  
29 If the election board is unable to resolve the issue  
30 to its satisfaction, the ballot shall not be counted.

31 Sec. \_\_. NEW SECTION. 49B.16 COUNTING BALLOTS.

32 Mail ballots shall be counted in the manner  
33 prescribed by section 53.23 for absentee ballots. The

38 Votes cast pursuant to this chapter may be  
39 challenged in the manner prescribed by section 53.31  
40 for absentee ballots.

41 Sec. \_\_. NEW SECTION. 49B.18 CANVASS OF VOTES.

42 The provisions of chapter 50 relating to canvass of  
43 votes apply to this chapter only to the extent they do  
44 not conflict with this chapter.

45 Sec. \_\_. NEW SECTION. 49B.19 OTHER LAWS.

46 All laws which apply to elections apply to mail  
47 ballot elections held under this chapter to the extent  
48 applicable.

49 Sec. \_\_. NEW SECTION. 49B.20 RULES.

50 The state commissioner of elections shall adopt

Page 7

1 rules pursuant to chapter 17A to govern the procedures  
2 and forms necessary to implement this chapter. The  
3 authority of the state commissioner to adopt rules  
4 under this chapter shall be liberally construed.

18 Sec. 2. NEW SECTION. 232B.2 NEWBORN INFANT  
19 CUSTODY RELEASE PROCEDURES.

20 1. A parent of a newborn infant may voluntarily  
21 release custody of the newborn infant by relinquishing  
22 physical custody of the newborn infant, without  
23 expressing an intent to again assume physical custody,  
24 at an institutional health facility or by authorizing  
25 another person to relinquish physical custody on the  
26 parent's behalf. If physical custody of the newborn  
27 infant is not relinquished directly to an individual  
28 on duty at the institutional health facility, the  
29 parent may take other actions to be reasonably sure  
30 that an individual on duty is aware that the newborn  
31 infant has been left at the institutional health  
32 facility. The actions may include but are not limited  
33 to making telephone contact with the institutional  
34 health facility or a 911 service. For the purposes of  
35 this chapter and for any judicial proceedings  
36 associated with the newborn infant, a rebuttable  
37 presumption arises that the person who relinquishes  
38 physical custody at an institutional health facility  
39 in accordance with this section is the newborn  
40 infant's parent or has relinquished physical custody  
41 with the parent's authorization.

42 2. a. Unless the parent or other person  
43 relinquishing physical custody of a newborn infant  
44 clearly expresses an intent to return to again assume  
45 physical custody of the newborn infant, an individual  
46 on duty at the facility at which physical custody of  
47 the newborn infant was relinquished pursuant to  
48 subsection 1 shall take physical custody of the  
49 newborn infant. The individual on duty may request  
50 the parent or other person to provide the name of the

Page 2

1 parent or parents and information on the medical  
2 history of the newborn infant and the newborn infant's  
3 parent or parents. However, the parent or other  
4 person is not required to provide the names or medical  
5 history information to comply with this section. The  
6 individual on duty may perform reasonable acts  
7 necessary to protect the physical health or safety of  
8 the newborn infant. The individual on duty and the  
9 institutional health facility in which the individual  
10 was on duty are immune from criminal or civil  
11 liability for any acts or omissions made in good faith  
12 to comply with this section.

13 b. If the physical custody of the newborn infant  
14 is relinquished at an institutional health facility,  
15 the state shall reimburse the institutional health  
16 facility for the institutional health facility's  
17 actual expenses in providing care to the newborn  
18 infant and in performing acts necessary to protect the  
19 physical health or safety of the newborn infant. The  
20 reimbursement shall be paid from moneys appropriated  
21 for this purpose to the department of human services.

22 c. The individual on duty or other person  
23 designated by the institutional health facility at  
24 which physical custody of the newborn infant was  
25 relinquished shall submit the certificate of birth  
26 report as required pursuant to section 144.14.

27 3. As soon as possible after the individual on  
28 duty assumes physical custody of a newborn infant  
29 released under subsection 1, the individual shall  
30 notify the department of human services and the  
31 department shall take the actions necessary to assume  
32 the care, control, and custody of the newborn infant.  
33 The department shall immediately notify the juvenile  
34 court and the county attorney of the department's  
35 action and the circumstances surrounding the action  
36 and request an ex parte order from the juvenile court  
37 ordering, in accordance with the requirements of  
38 section 232.78, the department to take custody of the  
39 newborn infant. Upon receiving the order, the  
40 department shall take custody of the newborn infant.

41 Within twenty-four hours of taking custody of the  
42 newborn infant, the department shall notify the  
43 juvenile court and the county attorney in writing of  
44 the department's action and the circumstances  
45 surrounding the action.  
46 4. a. Upon being notified in writing by the  
47 department under subsection 3, the county attorney  
48 shall file a petition alleging the newborn infant to  
49 be a child in need of assistance in accordance with  
50 section 232.87 and a petition for termination of

Page 3

1 parental rights with respect to the newborn infant in  
2 accordance with section 232.111, subsection 2,  
3 paragraph "a". A hearing on a child in need of  
4 assistance petition filed pursuant to this subsection  
5 shall be held at the earliest practicable time. A  
6 hearing on a termination of parental rights petition  
7 filed pursuant to this subsection shall be held no  
8 later than thirty days after the day the physical  
9 custody of the newborn child was relinquished in  
10 accordance with subsection 1 unless the juvenile court  
11 continues the hearing beyond the thirty days for good  
12 cause shown.

13 b. Notice of a petition filed pursuant to this  
14 subsection shall be provided in accordance with the  
15 provisions of chapter 232 and shall be served upon any  
16 putative father registered with the state registrar of  
17 vital statistics pursuant to section 144.12A. Prior  
18 to holding a termination of parental rights hearing  
19 with respect to the newborn infant, notice by  
20 publication shall be provided as described in section  
21 600A.6, subsection 5.

22 5. Reasonable efforts, as defined in section  
23 232.102, that are made in regard to the newborn infant  
24 shall be limited to the efforts made in a timely  
25 manner to finalize a permanency plan for the newborn  
26 infant.

27 6. An individual on duty at an institutional  
28 health facility who assumes custody of a newborn  
29 infant upon the release of the newborn infant under  
30 subsection 1 shall be provided notice of any hearing  
31 held concerning the newborn infant at the same time  
32 notice is provided to other parties to the hearing and  
33 the individual may provide testimony at the hearing.

34 Sec. 3. NEW SECTION. 232B.3 IMMUNITY.

35 The parent of a newborn infant who voluntarily  
36 releases custody of the newborn infant in accordance  
37 with subsection 1, is immune from criminal prosecution  
38 and civil liability for any act or omission made in  
39 connection with the newborn infant prior to the time

40 of the voluntary release. Any other person authorized  
41 by the parent to assist with such release by  
42 relinquishing physical custody of the newborn infant  
43 or to otherwise act on the parent's behalf is immune  
44 from criminal prosecution and civil liability for any  
45 reasonable acts or omissions made in good faith in  
46 assisting with the release.  
47 Sec. 4. NEW SECTION. 232B.4 RIGHTS OF PARENTS.  
48 Either parent of a newborn infant whose custody was  
49 released in accordance with section 232B.2, may  
50 intervene in the child in need of assistance or

Page 4

1 termination of parental rights proceedings held  
2 regarding the newborn infant and request that the  
3 juvenile court grant custody of the newborn infant to  
4 the parent. The requester must show by clear and  
5 convincing evidence that the requester is the parent  
6 of the newborn infant. If the court determines that  
7 the requester is the parent of the newborn infant and  
8 that granting custody of the newborn infant to the  
9 parent is in the newborn infant's best interest, the  
10 court shall issue an order granting custody of the  
11 newborn infant to the parent. In addition to such  
12 order, the court may order services for the newborn  
13 infant and the parent as are in the best interest of  
14 the newborn infant.  
15 Sec. 5. NEW SECTION. 232B.5 CONFIDENTIALITY  
16 PROTECTIONS.

20 good faith effort to voluntarily release a newborn  
21 infant in accordance with this chapter and any  
22 identifying information concerning the individual  
23 shall be kept confidential. Such record shall not be  
24 inspected or the contents disclosed except as provided

9 misdemeanor.

10 Sec. 6. NEW SECTION. 232B.6 EDUCATIONAL AND

13 with the Iowa department of public health and the  
14 department of justice, shall develop and distribute

1 Amend Senate File 342 as follows:

2 1. Page 1, by inserting before line 1, the

3 following:

4 "Sec. 100. Section 48A.5, Code 2001, is amended by

5 adding the following new subsection:

6 NEW SUBSECTION. 3A. If a person is registering

7 under the provisions of section 48A.9A, the person

8 shall be a resident of the county in which the

9 election is held for ten days immediately preceding

10 the election, subject to the provisions of subsection

11 3 and section 48A.27, subsection 2, paragraph "a",

12 subparagraph (3).

13 Sec. \_\_\_\_ Section 48A.9, subsection 1, Code 2001,

14 is amended to read as follows:

15 1. Registration closes at five p.m. eleven days

16 before each election except primary and general

17 elections. For primary and general elections,

18 registration closes at five p.m. ten days before the

19 election. An eligible elector may register during the

20 time registration is closed in the elector's precinct

21 but the registration shall not become effective until

22 registration opens again in the elector's precinct

23 unless the elector obtains an affidavit of special

24 late registration as provided in section 48A.9A.

25 Sec. \_\_\_\_ NEW SECTION. 48A.9A SPECIAL LATE

26 REGISTRATION.

27 1. Notwithstanding the voter registration

28 deadlines in section 48A.9, an eligible elector may

29 register to vote on election day if the elector

30 presents to the precinct election official

31 identification upon which the voter's photograph and

32 signature or mark appears.

33 2. The commissioner shall record the information

34 required of an eligible elector on the election

35 register for the county precinct of the eligible

36 elector or shall provide a separate listing of the

37 information required of an eligible elector to the

38 county precinct of the eligible elector who registers

39 in person at the commissioner's office or at the

40 elector's precinct polling place on election day.

41 3. If the commissioner is unable to make available

42 to a county precinct the information required of an

43 eligible elector who registers through special late

44 registration procedures, on the election register of a

45 county precinct or through the provision of a separate

46 listing of the eligible electors who register through

47 special late registration procedures, an eligible

48 elector may obtain from the commissioner of

49 registration a form of affidavit prescribed by the

50 state commissioner of elections to serve as evidence

Page 2

1 of special late registration. If the affidavit is  
2 completed by the elector and notarized by the  
3 commissioner of registration or an employee of the  
4 commissioner, the elector is deemed registered under  
5 special late registration procedures and may present  
6 the affidavit at the elector's polling place as proof  
7 that the elector is registered to vote. The election  
8 officials of the elector's precinct shall accept the  
9 elector's affidavit of special late registration and  
10 shall proceed as if the elector's name were listed in  
11 the election register.

12 The election officials shall preserve all  
13 affidavits submitted pursuant to this section and  
14 forward them to the commissioner of registration at  
15 the time the election register is returned. A  
16 registration under this section is subject to

17 verification as provided in section 48A.26.  
18 4. The commissioner may designate the precinct  
19 polling places, in addition to the commissioner's  
20 office, to provide access to special late registration  
21 procedures. If the precinct polling place is  
22 designated as a place to register to vote on election  
23 day, the commissioner or an employee of the  
24 commissioner shall process special late registrations  
25 at a table separate from the precinct election  
26 officials in order to reduce congestion at the polling  
27 place and to avoid discouraging voters from casting a  
28 ballot.

30 c, Code 2001, is amended to read as follows:

31 c. The address at which the registrant resides and  
32 claims as the registrant's residence for voting  
33 purposes. The commissioner may require proof of  
34 residency if the registrant is registering pursuant to  
35 section 48A.9A. The state commissioner of elections

40 1. Within seven working days of receipt of a voter  
41 registration form or change of information in a voter

44 address shown on the registration form. However, in  
45 the case of special late registrations, the  
46 commissioner shall send the acknowledgment within ten  
47 days of receipt of the special late registration. The  
48 acknowledgment shall be sent by nonforwardable mail.

49 4. If the acknowledgment is returned as  
50 undeliverable by the United States postal service, the

Page 3

1 commissioner shall follow the procedure described in  
2 section 48A.29, subsection 1. However, if the  
3 acknowledgment mailed for a special late registration  
4 is returned as undeliverable by the postal service,  
5 the commissioner shall cancel the registration and  
6 shall immediately notify the state commissioner of  
7 registration and the county attorney.

8 Sec. \_\_\_\_ Section 48A.26, Code 2001, is amended by  
9 adding the following new subsection:

10 NEW SUBSECTION. 1A. Within ten working days after  
11 receiving a special late registration pursuant to  
12 section 48A.9A, the commissioner shall send an  
13 acknowledgment to the registrant at the mailing  
14 address shown on the registration form. The  
15 acknowledgment shall be sent by nonforwardable mail.

16 Sec. \_\_\_\_ Section 48A.30, subsection 1, Code 2001,

## S-3271

1 Amend Senate File 355 as follows:

2 1. By striking everything after the enacting

3 clause, and inserting the following:

4 "Section 1. NEW SECTION. 232B.1 NEWBORN SAFE

5 HAVEN ACT -- DEFINITIONS.

6 1. This chapter may be cited as the "Newborn Safe  
7 Haven Act".

8 2. For the purposes of this chapter, unless the  
9 context otherwise requires:

10 a. "Institutional health facility" means a  
11 hospital as defined in section 135B.1, including a  
12 facility providing medical or health services that is  
13 open twenty-four hours per day, seven days per week  
14 and is a hospital emergency room, or a health care  
15 facility as defined in section 135C.1.

16 b. "Newborn infant" means a child who is, or who  
17 appears to be, fourteen days of age or younger.

18 Sec. 2. NEW SECTION. 232B.2 NEWBORN INFANT

19 CUSTODY RELEASE PROCEDURES.

20 1. A parent of a newborn infant who has not  
21 suffered bodily harm may voluntarily release custody  
22 of the newborn infant by relinquishing physical  
23 custody of the newborn infant, without expressing an  
24 intent to again assume physical custody, at an  
25 institutional health facility or by authorizing  
26 another person to relinquish physical custody on the  
27 parent's behalf. If physical custody of the newborn  
28 infant is not relinquished directly to an individual  
29 on duty at the institutional health facility, the  
30 parent may take other actions to be reasonably sure  
31 that an individual on duty is aware that the newborn  
32 infant has been left at the institutional health  
33 facility. The actions may include but are not limited  
34 to making telephone contact with the institutional  
35 health facility or a 911 service. For the purposes of  
36 this chapter and for any judicial proceedings  
37 associated with the newborn infant, a rebuttable  
38 presumption arises that the person who relinquishes  
39 physical custody at an institutional health facility  
40 in accordance with this section is the newborn  
41 infant's parent or has relinquished physical custody  
42 with the parent's authorization.

43 2. a. Unless the parent or other person  
44 relinquishing physical custody of a newborn infant  
45 clearly expresses an intent to return to again assume  
46 physical custody of the newborn infant, an individual  
47 on duty at the facility at which physical custody of  
48 the newborn infant was relinquished pursuant to  
49 subsection 1 shall take physical custody of the  
50 newborn infant. The individual on duty may request

Page 2

1 the parent or other person to provide the name of the  
2 parent or parents and information on the medical  
3 history of the newborn infant and the newborn infant's  
4 parent or parents. However, the parent or other  
5 person is not required to provide the names or medical  
6 history information to comply with this section. The  
7 individual on duty may perform reasonable acts  
8 necessary to protect the physical health or safety of  
9 the newborn infant. The individual on duty and the  
10 institutional health facility in which the individual  
11 was on duty are immune from criminal or civil  
12 liability for any acts or omissions made in good faith  
13 to comply with this section.

14 b. If the physical custody of the newborn infant  
15 is relinquished at an institutional health facility,  
16 the state shall reimburse the institutional health  
17 facility for the institutional health facility's  
18 actual expenses in providing care to the newborn  
19 infant and in performing acts necessary to protect the  
20 physical health or safety of the newborn infant. The  
21 reimbursement shall be paid from moneys appropriated  
22 for this purpose to the department of human services.

23 c. The individual on duty or other person  
24 designated by the institutional health facility at  
25 which physical custody of the newborn infant was  
26 relinquished shall submit the certificate of birth  
27 report as required pursuant to section 144.14.

28 3. As soon as possible after the individual on  
29 duty assumes physical custody of a newborn infant  
30 released under subsection 1, the individual shall  
31 notify the department of human services and the  
32 department shall take the actions necessary to assume  
33 the care, control, and custody of the newborn infant.  
34 The department shall immediately notify the juvenile  
35 court and the county attorney of the department's  
36 action and the circumstances surrounding the action  
37 and request an ex parte order from the juvenile court  
38 ordering, in accordance with the requirements of  
39 section 232.78, the department to take custody of the  
40 newborn infant. Upon receiving the order, the  
41 department shall take custody of the newborn infant.  
42 Within twenty-four hours of taking custody of the  
43 newborn infant, the department shall notify the  
44 juvenile court and the county attorney in writing of  
45 the department's action and the circumstances  
46 surrounding the action.

47 4. a. Upon being notified in writing by the  
48 department under subsection 3, the county attorney  
49 shall file a petition alleging the newborn infant to  
50 be a child in need of assistance in accordance with

Page 3

1 section 232.87 and a petition for termination of  
2 parental rights with respect to the newborn infant in  
3 accordance with section 232.111, subsection 2,  
4 paragraph "a". A hearing on a child in need of  
5 assistance petition filed pursuant to this subsection  
6 shall be held at the earliest practicable time. A  
7 hearing on a termination of parental rights petition  
8 filed pursuant to this subsection shall be held no  
9 later than thirty days after the day the physical  
10 custody of the newborn child was relinquished in  
11 accordance with subsection 1 unless the juvenile court  
12 continues the hearing beyond the thirty days for good  
13 cause shown.

14 b. Notice of a petition filed pursuant to this  
15 subsection shall be provided to any known parent and  
16 others in accordance with the provisions of chapter  
17 232 and shall be served upon any putative father  
18 registered with the state registrar of vital  
19 statistics pursuant to section 144.12A. In addition,  
20 prior to holding a termination of parental rights  
21 hearing with respect to the newborn infant, notice by  
22 publication shall be provided as described in section  
23 600A.6, subsection 5.

24 5. Reasonable efforts, as defined in section  
25 232.102, that are made in regard to the newborn infant  
26 shall be limited to the efforts made in a timely  
27 manner to finalize a permanency plan for the newborn  
28 infant.

29 6. An individual on duty at an institutional  
30 health facility who assumes custody of a newborn  
31 infant upon the release of the newborn infant under  
32 subsection 1 shall be provided notice of any hearing  
33 held concerning the newborn infant at the same time  
34 notice is provided to other parties to the hearing and  
35 the individual may provide testimony at the hearing.

36 Sec. 3. NEW SECTION. 232B.3 IMMUNITY.

37 Any person authorized by the parent to assist with  
38 release of custody in accordance with section 232B.2  
39 by relinquishing physical custody of the newborn  
40 infant or to otherwise act on the parent's behalf is  
41 immune from criminal prosecution for abandonment or  
42 neglect of the newborn infant under section 726.3 or  
43 726.6 and civil liability for any reasonable acts or  
44 omissions made in good faith in assisting with the  
45 release.

46 Sec. 4. NEW SECTION. 232B.4 RIGHTS OF PARENTS.

47 Either parent of a newborn infant whose custody was  
48 released in accordance with section 232B.2, may  
49 intervene in the child in need of assistance or  
50 termination of parental rights proceedings held

Page 4

1 regarding the newborn infant and request that the  
2 juvenile court grant custody of the newborn infant to  
3 the parent. The requester must show by clear and  
4 convincing evidence that the requester is the parent  
5 of the newborn infant. If the court determines that  
6 the requester is the parent of the newborn infant and  
7 that granting custody of the newborn infant to the  
8 parent is in the newborn infant's best interest, the  
9 court shall issue an order granting custody of the  
10 newborn infant to the parent. In addition to such  
11 order, the court may order services for the newborn  
12 infant and the parent as are in the best interest of  
13 the newborn infant.

14 Sec. 5. NEW SECTION. 232B.5 CONFIDENTIALITY  
15 PROTECTIONS.

16 1. In addition to any other privacy protection  
17 established in law, a record that is developed,  
18 acquired, or held in connection with an individual's  
19 good faith effort to voluntarily release a newborn  
20 infant in accordance with this chapter and any  
21 identifying information concerning the individual  
22 shall be kept confidential. Such record shall not be  
23 inspected or the contents disclosed except as provided  
24 in this section.

25 2. A record described in subsection 1 may be  
26 inspected and the contents disclosed without court  
27 order to the following:

29 including juvenile court officers.

43 individual providing preadoptive care to the newborn  
44 infant.

45 3. Pursuant to court order a record described in  
46 subsection 1 may be inspected by and the contents may  
47 be disclosed to any of the following:

- 48 a. A person conducting bona fide research for  
49 research purposes under whatever conditions the court  
50 may deem proper, provided that no personal identifying

Page 5

1 data shall be disclosed to such a person.

2 b. Persons who have a direct interest in a  
3 proceeding or in the work of the court.

4 4. Any person who knowingly discloses, receives,  
5 or makes use or permits the use of information derived  
6 directly or indirectly from such a record or discloses  
7 identifying information concerning such individual,  
8 except as provided by this section, commits a serious  
9 misdemeanor.

10 Sec. 6. NEW SECTION. 232B.6 EDUCATIONAL AND  
11 PUBLIC INFORMATION.

12 The department of human services, in consultation  
13 with the Iowa department of public health and the  
14 department of justice, shall develop and distribute  
15 the following:

16 1. An information card or other publication for  
17 distribution by an institutional health facility to a  
18 parent who releases custody of a newborn infant in  
19 accordance with this chapter. The publication shall  
20 inform the parent of a parent's rights under section  
21 232B.4, explain the request for medical history  
22 information under section 232B.2, subsection 2, and

25 NEW PARAGRAPH. bb. Issue a standby adoption

27 Sec. 4. NEW SECTION. 600.14A STANDBY ADOPTION.

28 1. As used in this section:

29 a. "Standby adoption" means an adoption in which a  
30 terminally ill parent consents to termination of  
31 parental rights and the issuance of a final adoption  
32 decree effective upon the occurrence of a future  
33 event, which is either the death of the terminally ill  
34 parent or the request of the parent for the issuance  
35 of a final adoption decree.

36 b. "Terminally ill parent" means an individual who  
37 has a medical prognosis by a licensed physician that  
38 the individual has an incurable and irreversible  
39 condition which will lead to death.

40 2. A terminally ill parent may consent to  
41 termination of parental rights and adoption of a child  
42 under a standby adoption if the other parent of the  
43 child is not living or the other parent has previously  
44 had the parent's parental rights terminated.

45 3. A person who meets the qualifications to file  
46 an adoption petition pursuant to section 600.4 may  
47 file a petition for standby adoption. A standby  
48 adoption shall comply with the requirements of  
49 sections 600.7 through 600.12. However, the court may  
50 order that the completion of placement investigations

1 and reports be expedited based on the circumstances of  
2 a particular case. The court may waive the minimum  
3 residence period requirement pursuant to section  
4 600.10 to expedite the standby adoption if necessary.

5 4. If a consent to a standby adoption is attached  
6 to an adoption petition pursuant to section 600.6, the

7 court determines that the requirements of this chapter  
 8 relative to a standby adoption are met, and the court  
 9 determines that the standby adoption is in the best  
 10 interest of the child to be adopted, the court shall  
 11 issue a standby adoption decree or a final adoption  
 12 decree. However, the terminally ill parent's parental  
 13 rights shall not be terminated and the standby  
 14 adoption shall not be finalized until the death of the  
 15 terminally ill parent or the request of the terminally  
 16 ill parent for issuance of the final adoption decree.

17 5. A standby adoption decree shall become final  
 18 upon notice of the death of the terminally ill parent  
 19 or upon the terminally ill parent's request that a  
 20 final adoption decree be issued. If the court  
 21 determines at the time of the notice or request that

24 (2) A seed labeler or seed technology provider may

41 grain crop, if the other crop is maintained on a  
42 neighboring field.

43 (ii) After harvest, the designated grain crop or

48 The closed system shall provide for maintaining the  
49 designated grain crop and for disposing of,  
50 transporting, processing, marketing, and utilizing of

14 the designated grain crop seed a minimum distance from  
15 the boundary of a neighboring field, and methods to  
16 maintain the separated area in order to ensure a  
17 minimal risk of contamination occurring from any of  
18 the following:

19 (i) The transfer of gene characteristics to

24 (ii) The transfer of designated grain crop seed to  
25 the neighboring field.

26 For property that includes a road right-of-way,  
27 railroad right-of-way, or an access easement, a  
28 field's property line shall not be the boundary line

26 services taxes that was budgeted for property tax  
27 relief for each of those funds in that fiscal year.

 38 that may be certified for a fiscal year under  
 39 subsection 3.

40 4. The department of management shall adopt rules  
 41 to administer this section and section 331.423A after

 23 property tax relief and deposited in the general fund,  
 24 all for the fiscal year beginning July 1, 1999, times  
 25 one and sixty-seven thousandths.

26 b. The amount computed under the formula in  
 27 paragraph "a" shall be adjusted by subtracting the

28 amount of the ending fund balance differential for  
29 general county services as provided in this paragraph.  
30 The ending fund balance differential for general  
31 county services is the difference between the general  
32 fund's ending balance for the fiscal year beginning  
33 July 1, 1999, and the general fund's ending balance  
34 for the fiscal year beginning July 1, 1996, divided by  
35 three.

36 2. For purposes of calculating maximum property

38 maximum property tax dollars for the fiscal year  
39 beginning July 1, 2000, for rural county services  
40 shall be calculated as provided in this subsection.

41 a. The tentative maximum amount of property tax  
42 dollars for rural county services for taxes payable in  
43 the fiscal year beginning July 1, 2000, shall be an  
44 amount equal to the sum of the following, divided by  
45 three, and adjusted by the amounts in paragraph "b":

46 (1) The sum of the amount of property taxes levied  
47 for rural county services and the amount of property  
48 tax replacement dollars received and the amount of  
49 local sales and services tax revenues received as  
50 property tax relief and deposited in the rural

1 services fund, all for the fiscal year beginning July  
2 1, 1997, times one and one hundred ten thousandths.

3 (2) The sum of the amount of property taxes levied  
4 for rural county services and the amount of property  
5 tax replacement dollars received and the amount of  
6 local sales and services tax revenues received as  
7 property tax relief and deposited in the rural

8 services fund, all for the fiscal year beginning July  
9 1, 1998, times one and eighty-nine thousandths.

10 (3) The sum of the amount of property taxes levied  
11 for rural county services and the amount of property  
12 tax replacement dollars received and the amount of  
13 local sales and services tax revenues received as  
14 property tax relief and deposited in the rural

15 services fund, all for the fiscal year beginning July  
16 1, 1999, times one and sixty-seven thousandths.

17 b. The amount computed under the formula in  
18 paragraph "a" shall be adjusted by subtracting the  
19 amount of the ending fund balance differential for  
20 rural county services as provided in this paragraph.  
21 The ending fund balance differential for rural county  
22 services is the difference between the rural services  
23 fund's ending balance for the fiscal year beginning  
24 July 1, 1999, and the rural services fund's ending  
25 balance for the fiscal year beginning July 1, 1996,  
26 divided by three.

27 3. a. The tentative maximum amount of property  
 28 tax dollars for general county services for taxes  
 29 payable in the fiscal year beginning July 1, 2001, is  
 30 an amount equal to the amount computed in subsection 1  
 31 times the annual price index plus the amount of net  
 32 new valuation taxes.

33 b. The tentative maximum amount of property tax  
 34 dollars for rural county services for taxes payable in  
 35 the fiscal year beginning July 1, 2001, is an amount  
 36 equal to the amount computed in subsection 2 times the  
 37 annual price index plus the amount of net new  
 38 valuation taxes.

39 4. Each county shall calculate its tentative  
 40 maximum property tax dollars under this section on  
 41 forms prescribed by the department of management.

42 Sec. \_\_. NEW SECTION. 331.440F ENDING FUND  
 43 BALANCE.

44 1. Budgeted ending fund balances for a fiscal year  
 45 in excess of twenty-five percent of budgeted  
 46 expenditures in either the general services fund or  
 47 rural county services fund for that fiscal year shall  
 48 be explicitly reserved or designated for a specific  
 49 purpose and specifically described in the certified  
 50 budget. The description shall include the projected

Page 7

1 date that the expenditures will be appropriated for  
 2 the specific purpose. In a protest to the county  
 3 budget under section 331.436, the county shall have  
 4 the burden of proving that the budgeted balances in  
 5 excess of twenty-five percent are reasonably likely to  
 6 be appropriated for the explicitly reserved or  
 7 designated specific purpose by the date identified in  
 8 the certified budget. The excess budgeted balance for  
 9 the specific purpose shall be considered an increase  
 10 in an item in the budget for purposes of section  
 11 24.28.

12 2. For the fiscal year beginning July 1, 2002, a  
 13 county may levy additional property taxes pursuant to  
 14 this subsection. The amount of the additional  
 15 property taxes which may be levied is equal to the  
 16 amount by which twenty-five percent of combined actual  
 17 expenditures for general county services and rural  
 18 county services in the fiscal year beginning July 1,  
 19 2000, exceeded the combined actual ending fund  
 20 balances for the general fund and the rural county  
 21 services fund in that fiscal year. The amount of the  
 22 additional property taxes shall be divided between the  
 23 general fund and the rural services fund in proportion  
 24 to the amount of actual expenditures for general  
 25 county services to total actual expenditures for

26 general and rural county services for the fiscal year  
 27 beginning July 1, 2000, and in proportion to the  
 28 amount of actual expenditures for rural county  
 29 services to total actual expenditures for general and  
 30 rural county services for the fiscal year beginning  
 31 July 1, 2000. However, the amount apportioned for  
 32 general county services and for rural county services  
 33 shall not exceed for each fund twenty-five percent of  
 34 actual expenditures for the fiscal year beginning July  
 35 1, 2000. All or a portion of the additional property  
 36 tax dollars may be levied for the purpose of  
 37 increasing cash reserves for general county services  
 38 and rural county services in the budget year. The  
 39 balance of the increase may be carried forward as  
 40 unused ending fund balance taxing authority until and  
 41 for the fiscal year beginning July 1, 2004. The  
 42 amount carried forward, when combined with unused  
 43 taxing authority shall not exceed twenty-five percent  
 44 of the maximum amount of property tax dollars  
 45 available in the current fiscal year. Additionally,  
 46 property taxes that are levied as unused taxing  
 47 authority under this subsection may be the subject of  
 48 a protest under section 331.436 and the amount will be  
 49 considered an increase in an item in the budget for  
 50 purposes of section 24.28. The amount of additional

Page 8

1 property taxes levied under this subsection shall not  
 2 be included in the computation of the maximum amount  
 3 of property tax dollars which may be certified and  
 4 levied under section 331.423.  
 5 Sec. \_\_\_\_ NEW SECTION. 331.440G AUTHORITY TO  
 6 LEVY BEYOND MAXIMUM PROPERTY TAX DOLLARS.  
 7 1. The board may certify additions to the maximum  
 8 amount of property tax dollars to be levied for a  
 9 period of time not to exceed two years if the  
 10 proposition has been submitted at a special election  
 11 and received a favorable majority of the votes cast on  
 12 the proposition.  
 13 2. The special election is subject to the  
 14 following:  
 15 a. The board must give at least thirty-two days'  
 16 notice to the county commissioner of elections that  
 17 the special election is to be held.  
 18 b. The special election shall be conducted by the  
 19 county commissioner of elections in accordance with  
 20 law.  
 21 c. The proposition to be submitted shall be  
 22 substantially in the following form:  
 23 "Vote "yes" or "no" on the following:  
 24 Shall the county of \_\_\_\_\_ levy for an additional

25 \$ \_\_\_\_\_ each year for \_\_\_ years beginning July 1,  
 26 \_\_\_\_\_, in excess of the statutory limits otherwise  
 27 applicable for the (general county services or rural  
 28 services) fund?"

29 d. The canvass shall be held beginning at one p.m.  
 30 on the second day which is not a holiday following the  
 31 special election.

32 e. Notice of the special election shall be  
 33 published at least once in a newspaper as specified in  
 34 section 331.305 prior to the date of the special  
 35 election. The notice shall appear as early as  
 36 practicable after the board has voted to seek  
 37 additional property tax dollars.

38 3. Registered voters in the county may vote on the  
 39 proposition to increase property taxes for the general  
 40 fund in excess of the statutory limit. Registered  
 41 voters residing outside the corporate limits of a city  
 42 within the county may vote on the proposition to  
 43 increase property taxes for the rural services fund in  
 44 excess of the statutory limit.

45 4. The amount of additional property tax dollars  
 46 certified under this subsection shall not be included  
 47 in the computation of the maximum amount of property  
 48 tax dollars which may be certified and levied under  
 49 section 331.423.

50 Sec. \_\_\_\_ NEW SECTION. 331.440H CEMETERY LEVY

Page 9

1 AND FUND.

2 The board may levy annually a tax not to exceed six  
 3 and three-fourths cents per thousand dollars of the  
 4 assessed value of all taxable property in the county  
 5 to repair and maintain all cemeteries under the  
 6 jurisdiction of the board including pioneer cemeteries  
 7 and to pay other expenses of the board or the cemetery  
 8 commission as provided in section 331.325. The  
 9 proceeds of the tax levy shall be credited to the  
 10 cemetery fund.

11 Sec. \_\_\_\_ Section 331.325, Code 2001, is amended  
 12 to read as follows:

13 331.325 CONTROL AND MAINTENANCE OF PIONEER  
 14 CEMETERIES -- CEMETERY COMMISSION.

15 1. As used in this section, "pioneer cemetery"  
 16 means a cemetery where there have been six or fewer  
 17 burials in the preceding fifty years.

18 2. Each county board of supervisors may adopt an  
 19 ordinance assuming jurisdiction and control of pioneer  
 20 cemeteries in the county. The board shall exercise  
 21 the powers and duties of township trustees relating to  
 22 the maintenance and repair of cemeteries in the county  
 23 as provided in sections 359.28 through 359.41 except

24 that the board shall not certify a tax levy pursuant  
25 to section 359.30 or 359.33 and except that the  
26 maintenance and repair of all cemeteries under the  
27 jurisdiction of the county including pioneer  
28 cemeteries shall be paid from the county general fund  
29 or the cemetery fund established in section 331.440H,  
30 if applicable. The maintenance and improvement  
31 program for a pioneer cemetery may include restoration  
32 and management of native prairie grasses and  
33 wildflowers.

34 3. In lieu of management of the cemeteries, the  
35 board of supervisors may create, by ordinance, a  
36 cemetery commission to assume jurisdiction and  
37 management of the pioneer cemeteries in the county.  
38 The ordinance shall delineate the number of  
39 commissioners, the appointing authority, the term of  
40 office, officers, employees, organizational matters,  
41 rules of procedure, compensation and expenses, and  
42 other matters deemed pertinent by the board. The  
43 board may delegate any power and duties relating to  
44 cemeteries which may otherwise be exercised by  
45 township trustees pursuant to sections 359.28 through  
46 359.41 to the cemetery commission except the  
47 commission shall not certify a tax levy pursuant to  
48 section 359.30 or 359.33 and except that the expenses  
49 of the cemetery commission shall be paid from the  
50 county general fund or the cemetery fund in section

Page 10

1 331.440H, if applicable.  
2 4. Notwithstanding sections 359.30 and 359.33, the  
3 costs of management, repair, and maintenance of  
4 pioneer cemeteries shall be paid from the county  
5 general fund or the cemetery fund in section 331.440H,  
6 if applicable.  
7 Sec. \_\_\_\_ Section 331.429, subsection 1, Code  
8 2001, is amended by adding the following new  
9 paragraph:  
10 **NEW PARAGRAPH.** f. Notwithstanding paragraphs "a"  
11 and "b", transfers from the general fund or rural  
12 services fund in accordance with this paragraph. If a

14 division IV, part 2A, the board may transfer  
15 additional funds from the general fund or rural  
16 services fund in excess of the amounts in paragraphs  
17 "a" and "b" if the proposition has been submitted at a  
18 special election and received a favorable majority of  
19 the votes cast on the proposition. The board shall  
20 direct the county commissioner of elections to submit  
21 the proposition at an election. The board must give  
22 at least thirty-two days' notice to the county

23 commissioner of elections that the special election is  
 24 to be held. For a transfer from the general fund,  
 25 registered voters of the county may vote on the  
 26 proposition. For a transfer from the rural services  
 27 fund, registered voters of the county residing outside  
 28 the corporate limits of a city within the county may  
 29 vote on the proposition. The proposition to be  
 30 submitted shall be substantially in the following  
 31 form:

32 "Vote "yes" or "no" on the following question:

 38 at least once in a newspaper in the manner provided in  
 39 section 331.305. Notice of the special election shall  
 40 appear as early as practicable after the board has  
 41 voted to transfer funds from the general fund or rural  
 42 services fund to the secondary road fund.

43 If a majority of the votes cast are in favor of the  
 44 proposition, the board shall certify the results of  
 45 the election to the department of management and  
 46 transfer the approved amount to the secondary road  
 47 fund in the appropriate fiscal year.

 49 rural county services fund for that fiscal year shall  
 50 be explicitly reserved or designated for a specific

Page 7

1 purpose and specifically described in the certified  
2 budget. The description shall include the projected  
3 date that the expenditures will be appropriated for  
4 the specific purpose. In a protest to the county  
5 budget under section 331.436, the county shall have  
6 the burden of proving that the budgeted balances in  
7 excess of twenty-five percent are reasonably likely to  
8 be appropriated for the explicitly reserved or  
9 designated specific purpose by the date identified in  
10 the certified budget. The excess budgeted balance for  
11 the specific purpose shall be considered an increase  
12 in an item in the budget for purposes of section  
13 24.28.

14 2. For the fiscal year beginning July 1, 2002, a  
15 county may levy additional property taxes pursuant to  
16 this subsection. The amount of the additional  
17 property taxes which may be levied is equal to the  
18 amount by which twenty-five percent of combined actual  
19 expenditures for general county services and rural  
20 county services in the fiscal year beginning July 1,  
21 2000, exceeded the combined actual ending fund  
22 balances for the general fund and the rural county  
23 services fund in that fiscal year. The amount of the  
24 additional property taxes shall be divided between the  
25 general fund and the rural services fund in proportion  
26 to the amount of actual expenditures for general  
27 county services to total actual expenditures for  
28 general and rural county services for the fiscal year  
29 beginning July 1, 2000, and in proportion to the  
30 amount of actual expenditures for rural county  
31 services to total actual expenditures for general and  
32 rural county services for the fiscal year beginning  
33 July 1, 2000. However, the amount apportioned for  
34 general county services and for rural county services  
35 shall not exceed for each fund twenty-five percent of  
36 actual expenditures for the fiscal year beginning July  
37 1, 2000. All or a portion of the additional property  
38 tax dollars may be levied for the purpose of  
39 increasing cash reserves for general county services  
40 and rural county services in the budget year. The  
41 balance of the increase may be carried forward as  
42 unused ending fund balance taxing authority until and  
43 for the fiscal year beginning July 1, 2004. The  
44 amount carried forward, when combined with unused  
45 taxing authority shall not exceed twenty-five percent  
46 of the maximum amount of property tax dollars  
47 available in the current fiscal year. Additionally,  
48 property taxes that are levied as unused taxing  
49 authority under this subsection may be the subject of  
50 a protest under section 331.436 and the amount will be

Page 8

1 considered an increase in an item in the budget for  
2 purposes of section 24.28. The amount of additional  
3 property taxes levied under this subsection shall not  
4 be included in the computation of the maximum amount  
5 of property tax dollars which may be certified and  
6 levied under section 331.423.

### 35 ESTABLISHMENT OF TRUSTS, DEPOSIT, INVESTMENT, 36 AND REPORTING REQUIREMENTS

#### 37 Sec. \_\_\_\_ NEW SECTION. 523A.201 ESTABLISHMENT OF 38 TRUST FUNDS.

39 Unless proceeding under section 523A.401, 523A.402,  
40 or 523A.403, a seller must establish a trust fund  
41 prior to advertising, selling, promoting, or offering  
42 cemetery merchandise, funeral merchandise, funeral  
43 services, or a combination thereof in this state as

44 follows:

- 45 1. The trust fund must be established at a  
46 financial institution.
- 47 2. If a seller agrees to furnish cemetery  
48 merchandise, funeral merchandise, funeral services, or  
49 a combination thereof and performance or delivery may  
50 be more than one hundred twenty days following the

Page 6

- 1 initial payment on the account, a minimum of eighty  
2 percent of all payments made under the purchase  
3 agreement shall be placed and remain in trust until  
4 the person for whose benefit the funds were paid dies.
- 5 3. If a purchase agreement for cemetery  
6 merchandise, funeral merchandise, funeral services, or  
7 a combination thereof provides that payments are to be  
8 made in installments, the seller shall deposit eighty  
9 percent of each payment in the trust fund until the  
10 full amount required to be placed in trust has been  
11 deposited. If the purchase agreement is financed with  
12 or sold to a financial institution, the purchase  
13 agreement shall be considered paid in full and the  
14 trust requirements shall be satisfied within fifteen  
15 days after the close of the month in which the seller  
16 receives funds from the financial institution.
- 17 4. A seller shall not invade the trust principal  
18 for any purpose.
- 19 5. A seller who lacks insurance coverage which  
20 protects against the loss of purchaser payments not  
21 placed in trust within the time period required by  
22 this section and section 523A.202 shall not commingle  
23 these payments with any other seller funds. A seller  
24 who lacks insurance coverage may use one or more of  
25 the following methods to dispose of these payments:
- 26 a. Deposit purchaser funds into an escrow account  
27 until the required amount has been deposited into a  
28 trust account at a financial institution.
- 29 b. Make a prior delivery or warehouse cemetery or  
30 funeral merchandise or a combination thereof as  
31 provided by this chapter.
- 32 c. Make a prior filing of a surety bond in lieu of  
33 establishing a trust fund as required by this section.
- 34 d. Make a simultaneous, same-day deposit of the  
35 purchaser's payments into the seller's bank account  
36 and the required amount into the seller's trust fund.
- 37 6. Payments otherwise subject to this section are  
38 not exempt merely because they are held in  
39 certificates of deposit.
- 40 7. Commingling of trust funds with other funds of  
41 the seller is prohibited.
- 42 8. Interest or income earned on amounts deposited

43 in trust shall remain in trust under the same terms  
44 and conditions as payments made under the purchase  
45 agreement, except that the seller may withdraw so much  
46 of the interest or income as represents the difference  
47 between the amount needed to adjust the trust funds  
48 for inflation as set by the commissioner based on the  
49 consumer price index and the interest or income earned  
50 during the preceding year not to exceed fifty percent

Page 7

1 of the total interest or income on a calendar-year  
2 basis. The early withdrawal of interest or income  
3 under this provision does not affect the purchaser's  
4 right to a credit of such interest or income in the  
5 event of a nonguaranteed price agreement,  
6 cancellation, or nonperformance by the seller.  
7 9. The commissioner may require amendments to a  
8 trust agreement not in accord with the provisions of  
9 this chapter.

10 10. If a seller voluntarily or involuntarily  
11 ceases doing business and the seller's obligation to  
12 provide merchandise or services has not been assumed  
13 by another establishment holding a current  
14 establishment permit, all trust funds, including  
15 accrued interest or income, shall be repaid to the  
16 purchaser within one hundred twenty days following the  
17 seller's cessation of business or, in the event of  
18 circumstances where a payment is not possible within  
19 one hundred twenty days, as soon as is reasonably  
20 practicable.

21 Sec. \_\_\_\_ **NEW SECTION. 523A.202 TRUST FUND**  
22 **DEPOSIT REQUIREMENTS.**

23 1. All funds held in trust pursuant to section  
24 523A.201 shall be deposited in a financial  
25 institution, within fifteen days after the close of  
26 the month a seller receives the funds. The financial  
27 institution shall hold the funds for the designated  
28 beneficiary until released.

29 2. All funds required to be deposited by the  
30 purchaser for a purpose described in section 523A.201  
31 shall be deposited consistent with one of the  
32 following methods:

33 a. The payments shall be deposited directly into  
34 an interest-bearing burial account in the purchaser's  
35 name.

36 b. The purchaser shall deposit payments directly  
37 into a separate trust account in the purchaser's name.  
38 The account may be made payable to the seller upon the  
39 death of the purchaser or the designated beneficiary,  
40 provided that, until death, the purchaser retains the  
41 exclusive power to hold, manage, pledge, and invest

42 the trust account funds and may revoke the trust and  
43 withdraw the funds, in whole or in part, at any time  
44 during the term of the agreement.

45 c. The purchaser or the seller shall deposit  
46 payments directly into a separate trust account in the  
47 name of the purchaser, as trustee, for the named  
48 beneficiary, to be held, invested, and administered as  
49 a trust account for the benefit and protection of the  
50 beneficiary. The depositor shall notify the financial

Page 8

1 institution of the existence and terms of the trust,  
2 including at a minimum, the name of each party to the  
3 agreement, the name and address of the trustee, and  
4 the name and address of the beneficiary. The account  
5 may be made payable to the seller upon the  
6 beneficiary's death.

7 d. The payments shall be deposited in the name of  
8 the trustee, as trustee, under the terms of a master  
9 trust agreement and the trustee may invest, reinvest,  
10 exchange, retain, sell, and otherwise manage the trust  
11 fund for the benefit and protection of the named  
12 beneficiary.

13 3. The commissioner may by rule authorize other  
14 methods of deposit upon a finding that such methods  
15 provide equivalent safety of the principal and  
16 interest or income and the seller lacks access to the  
17 proceeds prior to performance.

18 4. This section does not prohibit moving trust  
19 funds from one financial institution to another.

20 Sec. \_\_\_\_ NEW SECTION. 523A.203 FINANCIAL  
21 INSTITUTION TRUSTEE QUALIFICATION AND INVESTMENT  
22 REQUIREMENTS.

23 1. A financial institution may serve as a trustee  
24 if granted those powers under the laws of this state  
25 or of the United States. A financial institution  
26 acting as a trustee of trust funds under this chapter  
27 shall invest the funds in accordance with applicable  
28 law.

29 2. A financial institution acting as a trustee of  
30 trust funds under this chapter has a fiduciary duty to  
31 make reasonable investment decisions and to properly  
32 oversee and manage the funds entrusted to it. The  
33 trustee shall use the judgment and care under the  
34 circumstances then prevailing that persons of  
35 prudence, discretion, and intelligence exercise in the  
36 management of their own affairs, not in regard to  
37 speculation but in regard to the permanent disposition  
38 of their funds, considering the probable income as  
39 well as the probable safety of their capital. The  
40 commissioner may take enforcement action against a

41 financial institution in its capacity as trustee for a  
 42 breach of fiduciary duty proven under this chapter.  
 43 3. Moneys deposited under a master trust agreement  
 44 may be commingled by the financial institution for  
 45 investment purposes if each deposit includes a  
 46 detailed listing of the amount deposited in trust for  
 47 each beneficiary and maintenance of a separate  
 48 accounting of each purchaser's principal, interest,  
 49 and income.  
 50 4. Subject to a master trust agreement, the seller

Page 9

1 may appoint an independent investment adviser to  
 2 advise the financial institution about investment of  
 3 the trust funds.  
 4 5. Subject to agreement between the parties, the  
 5 financial institution may receive a reasonable fee  
 6 from the trust funds for services rendered as trustee.  
 7 The trust shall pay the trust operation costs and any  
 8 annual audit fees.  
 9 6. The seller or any officer, director, agent,  
 10 employee, or affiliate of the seller shall not serve  
 11 as trustee. A financial institution holding trust

 14 with a seller.  
 15 b. Use any funds required to be held in trust  
 16 under this chapter or chapter 566A to purchase an

 18 seller is a party.

 20 seller's business operations.

24 the seller, the trust, or a trustee.

25 4. A personal representative who wishes to make a

 2 the seller, the provider, the burial trust fund, and  
 3 any trustee shall not be liable to the director, the  
 4 estate of the deceased, any personal representative,  
 5 or any other interested person for the remaining funds  
 6 and any lien imposed by the director shall be

7 cemetery goods and services increases.

8 6. With the written consent of the purchaser, an  
9 existing prepaid purchase agreement with trust-funded  
10 benefits may be converted to a prepaid purchase

42 death or surrender of policy at the time the prepaid  
43 purchase agreement is funded, matures, or is canceled,  
44 as the case may be.

45 d. The establishment shall maintain a copy of any  
46 prepaid trust-funded purchase agreement that was  
47 converted to a prepaid insurance-funded purchase

18 derived from a new or existing annuity issued by an  
19 insurance company authorized to do business and doing  
20 business within this state.

21 2. Such funding may be in lieu of the trust  
22 requirements of this chapter when the purchaser  
23 assigns the proceeds of an existing annuity.

24 3. Such funding may be in lieu of the trust  
25 requirements of this chapter when a new annuity is

14 Sec. \_\_\_\_ NEW SECTION. 523A.403 PURCHASE  
15 AGREEMENTS FUNDED BY CERTIFICATES OF DEPOSIT.

16 1. A purchase agreement may be funded by proceeds

18 the purchaser made payable to the seller upon the  
19 purchaser's death.

- 7 verify the adequacy of the number of items held at the
- 8 storage facility.
- 9 j. Satisfy the annual reporting requirements of
- 10 section 523A.204.

29 5. A seller shall provide services necessary for

32 the seller to provide for the opening or closing of  
33 the interment or entombment space, unless the purchase  
34 agreement provides otherwise.

35 Sec. \_\_. NEW SECTION. 523A.405 BOND IN LIEU OF  
36 TRUST FUND.

37 1. In lieu of trust requirements, a seller may  
38 file with the commissioner a surety bond issued by a  
39 surety company authorized to do business and doing  
40 business within this state. The bond must be  
41 conditioned upon the seller's faithful performance of  
42 purchase agreements subject to this chapter. The  
43 surety's liability extends to each such agreement  
44 executed while the bond is in force and until  
45 performance or rescision of the purchase agreement. To  
46 the extent expressly agreed to in writing by the  
47 surety, the surety's liability extends to each such  
48 agreement subject to this chapter executed prior to  
49 the time the bond was in force and until performance  
50 or rescision of the agreement. A purchaser aggrieved

Page 22

1 by a breach of a condition of the bond covering the  
2 purchaser's agreement may maintain an action against  
3 the bond. If, at the time of the breach, the  
4 purchaser is aware of the purchaser's rights under the  
5 bond and how to file a claim against the bond, the  
6 surety shall not be liable for any breach of condition  
7 unless the surety receives notice of a claim within  
8 sixty days following discovery of the acts, omissions,  
9 or conditions constituting the breach of condition,  
10 except as otherwise provided in this section. A  
11 surety bond shall not be canceled by a surety except  
12 upon a written notice of cancellation given by the  
13 surety to the commissioner by restricted certified  
14 mail, and not prior to the expiration of sixty days  
15 after receipt of the notice by the commissioner. The  
16 surety's liability shall extend to each purchase  
17 agreement subject to this chapter executed prior to  
18 cancellation of the surety bond until the seller has  
19 complied with section 3.

20 2. If a seller becomes insolvent or otherwise  
21 ceases to engage in business prior to or within sixty  
22 days after cancellation of a bond, the seller shall be  
23 deemed to have breached the bond conditions for  
24 outstanding agreements under this chapter as of the  
25 day prior to cancellation of the bond. The  
26 commissioner shall mail written notice by restricted

27 certified mail to the purchaser under each outstanding  
28 purchase agreement of the seller that a claim against  
29 the bond must be filed with the surety company within  
30 sixty days after the mailing date of the notice. The  
31 surety shall cease to be liable for all purchase  
32 agreements except those for which claims are filed  
33 with the surety company within sixty days after the  
34 date the commissioner mails the notices.

35 3. If a surety bond is canceled by a surety under  
36 any conditions other than those specified in  
37 subsection 2, the seller shall comply with all of the  
38 following:

39 a. The seller shall comply with the trust  
40 requirements of section 523A.201 for all purchase  
41 agreements subject to this chapter executed on or  
42 after the effective date of cancellation of the surety  
43 bond. In the alternative, the seller may submit a  
44 substitute surety bond meeting the requirements of  
45 subsection 1, but the seller must comply with section  
46 523A.201 for any purchase agreements executed on or  
47 after the effective cancellation date of the earlier  
48 surety bond and prior to the effective date of the  
49 later surety bond.

50 b. Within sixty days after the effective

Page 23

1 cancellation date of the surety bond, the seller shall  
2 submit to the commissioner an undertaking by another  
3 surety company that a substitute surety bond meeting  
4 the requirements of subsection 1 is in effect and that  
5 the liability of the substitute surety bond extends to  
6 all outstanding purchase agreements of the seller that  
7 were executed but not performed or extinguished prior  
8 to the effective date of the substitute surety bond,  
9 or the seller shall submit to the commissioner a  
10 financial statement accompanied by an unqualified  
11 opinion based upon an audit performed by a certified  
12 public accountant licensed in this state certifying  
13 the total amount of outstanding liabilities of the  
14 seller on purchase agreements subject to this chapter  
15 and proof of deposit by the seller in trust under  
16 section 523A.201 of either the amount specified in  
17 section 523A.201, including interest as set by the  
18 commissioner based on the interest which would have  
19 been earned had the funds been maintained in trust,  
20 with respect to all of those outstanding purchase  
21 agreements or, where applicable, that delivery of  
22 merchandise has been made in compliance with section  
23 523A.404. The surety may require such security as is  
24 necessary to comply with this section. Upon  
25 compliance by the seller with this paragraph, the

26 surety company canceling the surety bond shall cease  
27 to be liable with respect to any outstanding purchase  
28 agreements of the seller except those purchase  
29 agreements with respect to which a breach of condition  
30 occurred prior to cancellation and for which timely  
31 claims were filed.

32 4. Section 523A.202, and, to the extent it is  
33 applicable, section 523A.206, apply to sellers whose  
34 purchase agreements are covered by a surety bond  
35 maintained under this section, and section 523A.202  
36 continues to apply to any purchase agreements of those  
37 sellers that are not covered by a surety bond  
38 maintained under this section.

39 5. Upon receiving a notice of cancellation of a  
40 surety bond, the commissioner shall notify the seller  
41 of the requirements of this chapter resulting from  
42 cancellation of the bond. The notice may be in the  
43 form of a copy of this section and sections 523A.201  
44 and 523A.202.

45 6. Upon receiving a notice of cancellation, unless  
46 the seller has complied with the requirements of this  
47 section, the attorney general shall seek an injunction  
48 to prohibit the seller from making further purchase  
49 agreements subject to this chapter. The attorney  
50 general shall commence an action to attach and levy

Page 24

1 execution upon property of the seller when the seller  
2 fails to perform a purchase agreement subject to this  
3 chapter, to the extent necessary to secure compliance  
4 with this chapter. The county attorney may bring  
5 criminal charges under subchapter 7.

6 7. The surety under this section shall not be  
7 owned, under the control of, or affiliated with the  
8 seller.

9 8. The amount of the surety bond shall equal  
10 eighty percent of the payments received pursuant to  
11 purchase agreements, or the applicable portion  
12 thereof, for cemetery merchandise, funeral  
13 merchandise, funeral services, or a combination  
14 thereof and the amount needed to adjust the amount of  
15 the surety bond for inflation as set by the  
16 commissioner based on the consumer price index. The  
17 seller shall review the amount of the surety bond no  
18 less than annually and shall increase the bond as  
19 necessary to reflect additional payments. The amount  
20 needed to adjust for inflation shall be added annually  
21 to the surety bond during the first quarter of the  
22 establishment's fiscal year.

23 9. With the consent of the purchaser, an existing  
24 prepaid purchase agreement with trust-funded benefits

25 may be converted to a prepaid purchase agreement  
 26 funded by a surety bond provided the establishment and  
 27 the surety bond comply with the following provisions:  
 28 a. The amount of the trust funds transferred to  
 29 the surety company must be at least equal to the full  
 30 sum required to be deposited as trust principal under  
 31 the trust-funded prepaid purchase agreement plus all  
 32 net earnings accumulated with respect thereto, as of  
 33 the transfer date. Commissions, allowances, surrender  
 34 charges or other forms of compensation or expense  
 35 loads, premium expense, administrative charges or  
 36 expenses, or fees shall not be deducted from the trust  
 37 funds transferred pursuant to the conversion.  
 38 b. The face amount of the surety bond issued on an  
 39 individual must be no less than the amount of  
 40 principal and interest transferred for that individual  
 41 to the surety company, and any supplemental surety  
 42 bond issued to cover the unfunded portion of the  
 43 purchase agreement must have a face amount that is at  
 44 least as great as the unfunded principal balance. The  
 45 face amount of the surety bond purchased shall not,  
 46 under the circumstances, be less than the total of all  
 47 payments made by the purchaser pursuant to the  
 48 agreement plus all net earnings accumulated with  
 49 respect thereto, as of the transfer date.  
 50 c. The establishment shall maintain a copy of any

Page 25

1 prepaid trust-funded agreement that was converted to a  
 2 prepaid purchase agreement funded by a surety bond and  
 3 retain the payment history records for each converted  
 4 purchase agreement prior to conversion until the  
 5 cemetery merchandise, funeral merchandise, and funeral  
 6 services have been delivered.

36 merchandise, funeral services, or a combination  
37 thereof when performance or delivery may be more than  
38 one hundred twenty days following initial payment on  
39 the account without a sales permit. A permit holder  
40 must be an employee or agent of a person holding an  
41 establishment permit who can deliver the cemetery  
42 merchandise, funeral merchandise, funeral services, or  
43 a combination thereof being sold. A person must have  
44 a sales permit for each establishment at which the  
45 person works. However, a person may apply for a sales  
46 permit covering multiple establishments, if the  
47 establishments have common ownership. The  
48 establishment permit holder is liable for the acts of  
49 its employees and agents performed in advertising,  
50 selling, promoting, or offering to furnish, upon the

Page 27

1 future death of a person named or implied in a  
2 purchase agreement, cemetery merchandise, funeral  
3 merchandise, funeral services, or a combination  
4 thereof.  
5 2. This chapter does not permit a person to  
6 practice mortuary science without a license. A person  
7 holding a current sales permit may advertise, sell,  
8 promote, or offer to furnish a funeral director's  
9 services as an employee or agent of a funeral  
10 establishment furnishing the funeral services under  
11 chapter 156.  
12 3. An application for a sales permit shall be  
13 filed on a form prescribed by the commissioner and be  
14 accompanied by a five dollar filing fee.  
15 4. The application shall contain:  
16 a. The name and address of the person.  
17 b. The name and address of the person's employer  
18 and each establishment on whose behalf the person will  
19 be advertising, selling, promoting, or offering to  
20 furnish cemetery merchandise, funeral merchandise,  
21 funeral services, or a combination thereof.

22 c. The name and address of the provider who will  
23 provide the cemetery merchandise, funeral merchandise,  
24 funeral services, or a combination thereof if  
25 different from the person's employer.

26 5. An initial permit expires one year from the  
27 date the application is filed. The permit may be  
28 renewed for four years by filing the form prescribed  
29 by the commissioner under subsection 3, accompanied by  
30 a twenty dollar filing fee.

31 6. A permit holder shall inform the commissioner  
32 of changes in the information required to be provided  
33 by subsection 4 within thirty days of the change.

34 7. A sales permit is not assignable or  
35 transferable. A permit holder selling all or part of  
36 a business shall cancel the permit and the purchaser  
37 shall apply for a new permit in the purchaser's name  
38 within thirty days of the sale.

39 8. The commissioner shall grant or deny a permit  
40 application within thirty days after receipt, but the  
41 commissioner's failure to act within that time period  
42 shall not be deemed approval of the application. If  
43 the commissioner does not grant the permit, the  
44 commissioner shall notify the applicant in writing of  
45 the reasons for the denial.

46 9. The commissioner may by rule create or accept a  
47 multijurisdiction sales permit. If the sales permit  
48 is issued by another jurisdiction, the rules shall  
49 require the filing of an application or notice form  
50 and payment of the applicable filing fee of five

Page 28

1 dollars for each year. The application or notice form  
2 utilized and the effective dates and terms of the  
3 permit may vary from the provisions set forth in  
4 subsections 3 and 5.

5 Sec. \_\_\_\_ NEW SECTION. 523A.503 DENIAL,  
6 SUSPENSION, REVOCATION, AND SURRENDER OF PERMITS.

7 1. The commissioner may, pursuant to chapter 17A,  
8 deny any permit application or immediately suspend or  
9 revoke any permit issued under this chapter for  
10 several reasons, including but not limited to:

11 a. Committing a fraudulent act, engaging in a  
12 fraudulent practice, or violating any provision of  
13 this chapter or, any implementing rule or order issued  
14 under this chapter.

15 b. Violating any other state or federal law  
16 applicable to the conduct of the applicant's or permit  
17 holder's business.

18 c. Insolvency or financial condition.

19 d. The permit holder, for the purpose of avoiding  
20 the trust requirement for funeral services, attributes

21 amounts paid under the purchase agreement to cemetery  
 22 merchandise or funeral merchandise that is delivered  
 23 under section 523A.404 rather than to funeral services  
 24 sold to the purchaser. The sale of funeral services  
 25 at a lower price when the sale is made in conjunction  
 26 with the sale of cemetery merchandise or funeral  
 27 merchandise to be delivered under section 523A.404  
 28 than the services are regularly and customarily sold  
 29 for when not sold in conjunction with cemetery  
 30 merchandise or funeral merchandise is evidence that  
 31 the permit holder is acting with the purpose of  
 32 avoiding the trust requirement for funeral services  
 33 under section 523A.201.

34 e. Engaging in a deceptive act or practice or  
 35 deliberately misrepresenting or omitting a material  
 36 fact regarding the sale of cemetery merchandise,  
 37 funeral merchandise, funeral services, or a  
 38 combination thereof under this chapter.

39 f. Conviction of a criminal offense involving  
 40 dishonesty or a false statement.

41 g. Inability to provide the cemetery merchandise,  
 42 funeral merchandise, funeral services, or a  
 43 combination thereof which the applicant or permit  
 44 holder purports to sell.

45 h. The applicant or permit holder sells the  
 46 business without filing a prior notice of sale with  
 47 the commissioner. The permit shall be revoked thirty  
 48 days following such sale.

49 i. Selling by a person who is not an employee or  
 50 agent of the applicant or permit holder.

Page 29

1 2. The commissioner may, for good cause shown,  
 2 suspend any permit for a period not exceeding thirty  
 3 days, pending investigation.

4 3. Except as provided in subsection 2, a permit  
 5 shall not be revoked or suspended except after notice  
 6 and hearing under chapter 17A.

7 4. Any permit holder may surrender a permit by  
 8 delivering to the commissioner written notice that the  
 9 permit holder surrenders the permit, but the surrender  
 10 shall not affect the permit holder's civil or criminal  
 11 liability for acts committed before the surrender.

12 5. Denial, revocation, suspension, or surrender of  
 13 a permit does not impair or affect the obligation of  
 14 any preexisting lawful agreement between the permit  
 15 holder and any person.

14 oral sales representation and the written purchase  
15 agreement.

16 b. The seller shall give notice in the purchase

17 agreement of the purchaser's right to rescind after

 38 in any proceeding under this chapter, any statement of  
 39 material fact which is, at the time and in the light  
 40 of the circumstances under which it is made, false or  
 41 misleading, or, in connection with such statement, to  
 42 omit to state a material fact necessary in order to  
 43 make the statements made, in the light of the  
 44 circumstances under which they are made, not  
 45 misleading.

 47 MISREPRESENTATIONS OF GOVERNMENT APPROVAL.

48 It is unlawful for a seller under this chapter to

 32 shall not exclude the funeral services necessary for  
 33 the delivery, use, or installation of the cemetery  
 34 merchandise or funeral merchandise at the time of the  
 35 funeral or burial unless the purchase agreement  
 36 expressly provides otherwise.

#### 37 SUBCHAPTER 8

#### 38 ADMINISTRATION AND ENFORCEMENT

#### 39 Sec. \_\_\_\_ NEW SECTION. 523A.801 ADMINISTRATION.

40 1. This chapter shall be administered by the  
 41 commissioner. The deputy administrator appointed  
 42 pursuant to section 502.601 shall be the principal  
 43 operations officer responsible to the commissioner for  
 44 the routine administration of this chapter and  
 45 management of the administrative staff. In the  
 46 absence of the commissioner, whether because of  
 47 vacancy in the office due to absence, physical  
 48 disability, or other cause, the deputy administrator  
 49 shall, for the time being, have and exercise the  
 50 authority conferred upon the commissioner. The

Page 35

1 commissioner may by order from time to time delegate  
 2 to the deputy administrator any or all of the  
 3 functions assigned to the commissioner in this  
 4 chapter. The deputy administrator shall employ  
 5 officers, attorneys, accountants, and other employees  
 6 as needed for administering this chapter.

7 2. It is unlawful for the commissioner or any  
 8 administrative staff to use for personal benefit any

 10 commissioner and which is not made public. This  
 11 chapter does not authorize the commissioner or any  
 12 such staff member to disclose any such information  
 13 except among themselves or to other cemetery and

14 funeral administrators, regulatory authorities, or  
15 governmental agencies, or when necessary and  
16 appropriate in a proceeding or investigation under  
17 this chapter or as required by chapter 22. This  
18 chapter neither creates nor derogates any privileges  
19 that exist at common law or otherwise when documentary  
20 or other evidence is sought under a subpoena directed  
21 to the commissioner or any administrative staff.

22 Sec. \_\_\_\_ NEW SECTION. 523A.802 SCOPE.

23 1. This chapter applies to any advertisement,  
24 sale, promotion, or offer made by a person to furnish,  
25 upon the future death of a person named or implied in  
26 a purchase agreement, cemetery merchandise, funeral  
27 merchandise, funeral services, or a combination  
28 thereof. Burial accounts and insurance policies are  
29 included if the account records or related documents  
30 identify the establishment that will provide the  
31 cemetery merchandise, funeral merchandise, funeral  
32 services, or a combination thereof.

33 2. This chapter applies when a purchase agreement  
34 is executed within this state or an advertisement,  
35 promotion, or offer to furnish is made or accepted  
36 within this state. An offer to furnish is made within  
37 this state, whether or not either party is then  
38 present in this state, when the offer originates from  
39 this state or is directed by the offeror to this state  
40 and received by the offeree in this state through the  
41 mail, over the telephone, by the internet, or through  
42 any other means of commerce.

43 3. If a foreign person does not have a registered  
44 agent or agents in the state of Iowa, doing business  
45 within this state shall constitute the person's  
46 appointment of the secretary of state of the state of  
47 Iowa to be its true and lawful attorney upon whom may  
48 be served all lawful process of original notice in  
49 actions or proceedings arising or growing out of any  
50 contract or tort.

Page 36

1 Sec. \_\_\_\_ NEW SECTION. 523A.803 INVESTIGATIONS  
2 AND SUBPOENAS.

3 1. The commissioner may, for the purpose of  
4 discovering violations of this chapter, implementing  
5 rules, or orders issued under this chapter:  
6 a. Make such public or private investigations  
7 within or outside of this state as the commissioner  
8 deems necessary to determine whether any person has  
9 violated or is about to violate this chapter,  
10 implementing rules, or orders issued under this  
11 chapter, or to aid in enforcement of this chapter or  
12 in the prescribing of rules and forms under this

13 chapter.

14 b. Require or permit any person to file a  
15 statement in writing, under oath or otherwise as the  
16 commissioner or attorney general determines, as to all  
17 the facts and circumstances concerning the matter to  
18 be investigated.

19 c. Notwithstanding chapter 22, keep confidential  
20 the information obtained in the course of an  
21 investigation. However, if the commissioner  
22 determines that it is necessary or appropriate in the  
23 public interest or for the protection of the public,  
24 the commissioner may share information with other  
25 administrators, regulatory authorities, or  
26 governmental agencies, or may publish information  
27 concerning a violation of this chapter, implementing  
28 rules, or orders issued under this chapter.

29 d. Investigate the establishment and examine the  
30 books, accounts, papers, correspondence, memoranda,  
31 purchase agreements, files, or other documents or  
32 records used by every applicant and permit holder  
33 under this chapter.

34 e. Administer oaths and affirmations, subpoena  
35 witnesses, compel their attendance, take evidence, and  
36 require the production of any books, accounts, papers,  
37 correspondence, memoranda, purchase agreements, files,  
38 or other documents or records which the commissioner  
39 deems relevant or material to any investigation or  
40 proceeding under this chapter and implementing rules,  
41 all of which may be enforced under chapter 17A.

42 f. Apply to the district court for an order  
43 requiring a person's appearance before the  
44 commissioner or attorney general, or a designee of  
45 either or both, in cases where the person has refused  
46 to obey a subpoena issued by the commissioner or  
47 attorney general. The person may also be required to  
48 produce documentary evidence germane to the subject of  
49 the investigation. Failure to obey a court order  
50 under this subsection constitutes contempt of court.

Page 37

1 2. The commissioner may issue and bring an action  
2 in district court to enforce subpoenas within this  
3 state at the request of an agency or administrator of  
4 another state, if the activity constituting an alleged  
5 violation for which the information is sought would be  
6 a violation of this chapter had the activity occurred  
7 in this state.

8 Sec. \_\_\_\_ NEW SECTION. 523A.804 MEDIATION.  
9 The commissioner may order an establishment to  
10 participate in mediation in any dispute regarding a  
11 purchase agreement. Mediation performed under this

12 section shall be conducted by a mediator appointed by  
13 the commissioner and shall comply with the provisions  
14 of chapter 679C.

15 Mediation of these disputes shall include  
16 attendance at a mediation session with the mediator  
17 and the parties to the dispute, listening to the  
18 mediator's explanation of the mediation process,  
19 presentation of one party's view of the dispute, and  
20 listening to the response of the other party.

21 Participation in mediation does not require that the  
22 parties reach a mediation agreement.

23 Parties to the mediation shall have the right to  
24 advice and presence of counsel at all times. The  
25 parties to the mediation shall present any mediation  
26 agreement reached through the mediation to the  
27 commissioner. If a mediation agreement is not  
28 reached, the mediator shall file a report with the  
29 commissioner. The costs of the mediation shall be  
30 approved by the commissioner and shall be borne by the  
31 insurance division's regulatory fund.

32 Sec. \_\_\_\_ NEW SECTION. 523A.805 CEASE AND DESIST  
33 ORDERS -- INJUNCTIONS.

34 If it appears to the commissioner that a person has  
35 engaged or is about to engage in an act or practice  
36 constituting a violation of this chapter, implementing  
37 rules, or orders issued under this chapter, the  
38 commissioner or the attorney general may do either or  
39 both of the following:

40 1. Issue a summary order directed at the person  
41 requiring the person to cease and desist from engaging  
42 in such act or practice. A person may request a  
43 hearing within thirty days of issuance of the summary  
44 order. If a hearing is not timely requested, the  
45 summary order shall become final by operation of law.  
46 The order shall remain effective from the date of  
47 issuance until the date the order becomes final by  
48 operation of law or is overturned by a presiding  
49 officer following a request for hearing. Section  
50 17A.18A is inapplicable to summary cease and desist

Page 38

1 orders issued under this section.  
2 2. Bring an action in the district court in any  
3 county of the state for an injunction to restrain a  
4 person subject to this chapter and any agents,  
5 employees, or associates of the person from engaging  
6 in conduct or practices deemed contrary to the public  
7 interest. In any proceeding for an injunction, the  
8 commissioner or attorney general may apply to the  
9 court for a subpoena to require the appearance of a  
10 defendant and the defendant's agents and for any

11 books, accounts, papers, correspondence, memoranda,  
 12 purchase agreements, files, or other documents or  
 13 records germane to the hearing upon the petition for  
 14 an injunction. Upon a proper showing, a permanent or  
 15 temporary injunction, restraining order, or writ of  
 16 mandamus shall be granted and a receiver may be  
 17 appointed for the defendant or the defendant's assets.  
 18 The commissioner or attorney general shall not be  
 19 required to post a bond.

20 Sec. \_\_\_\_ NEW SECTION. 523A.806 COURT ACTION FOR  
 21 FAILURE TO COOPERATE.

22 If a person fails or refuses to file any statement  
 23 or report or to produce any books, accounts, papers,  
 24 correspondence, memoranda, purchase agreements, files,  
 25 or other documents or records, or to obey any subpoena  
 26 issued by the commissioner, the commissioner may refer  
 27 the matter to the attorney general, who may apply to a  
 28 district court to enforce compliance. The court may  
 29 order any or all of the following:

- 30 1. Injunctive relief, restricting or prohibiting  
 31 the offer or sale of cemetery merchandise, funeral  
 32 merchandise, funeral services, or a combination  
 33 thereof.
- 34 2. Revocation or suspension of any permit issued  
 35 under this chapter.
- 36 3. Production of documents or records including  
 37 but not limited to books, accounts, papers,  
 38 correspondence, memoranda, purchase agreements, files,  
 39 or other documents or records.

- 40 4. Such other relief as may be required.  
 41 Such an order shall be effective until the person  
 42 files the statement or report or produces the  
 43 documents requested, or obeys the subpoena.

44 Sec. \_\_\_\_ NEW SECTION. 523A.807 PROSECUTION FOR  
 45 VIOLATIONS OF LAW.

- 46 1. A violation of this chapter or rules adopted or  
 47 orders issued under this chapter is a violation of  
 48 section 714.16, subsection 2, paragraph "a". The  
 49 remedies and penalties provided by section 714.16,  
 50 including but not limited to injunctive relief and

Page 39

- 1 penalties, apply to violations of this chapter.
- 2 2. If the commissioner believes that grounds exist  
 3 for the criminal prosecution of persons subject to  
 4 this chapter for violations of this chapter or any  
 5 other law of this state, the commissioner may forward  
 6 to the attorney general or the county attorney the  
 7 grounds for the belief, including all evidence in the  
 8 commissioner's possession, so that the attorney  
 9 general or the county attorney may proceed with the

10 matter as deemed appropriate.

11 Sec. \_\_\_\_ NEW SECTION. 523A.808 COOPERATION WITH  
12 OTHER AGENCIES.

13 1. To encourage uniform interpretation and  
14 administration of this chapter and effective  
15 regulation of the sale of cemetery merchandise,  
16 funeral merchandise, and funeral services, the  
17 commissioner may cooperate with any governmental law  
18 enforcement or regulatory agency.

19 2. This cooperation includes but is not limited  
20 to:

- 21 a. Making a joint examination or investigation.
- 22 b. Holding a joint administrative hearing.
- 23 c. Filing and prosecuting a joint civil or  
24 administrative proceeding.
- 25 d. Sharing and exchanging personnel.
- 26 e. Sharing and exchanging relevant information and  
27 documents.
- 28 f. Formulating, in accordance with chapter 17A,  
29 rules or proposed rules on matters such as statements  
30 of policy, regulatory standards, guidelines, and  
31 interpretive opinions.

32 Sec. \_\_\_\_ NEW SECTION. 523A.809 RULES, FORMS,  
33 AND ORDERS.

34 1. Under chapter 17A, the commissioner may from  
35 time to time make, amend, and rescind such rules,  
36 forms, and orders as are necessary or appropriate for  
37 the protection of purchasers and the public and to  
38 administer the provisions of this chapter, its  
39 implementing rules, and orders issued under this  
40 chapter.

41 2. A rule, form, or order shall not be made,  
42 amended, or rescinded unless the commissioner finds  
43 that the action is necessary or appropriate in the  
44 public interest or for the protection of purchasers  
45 and consistent with the purposes fairly intended by  
46 the policies and provisions of this chapter, its  
47 implementing rules, and orders issued under this  
48 chapter.

49 3. A provision of this chapter imposing any  
50 liability does not apply to any act done or omitted in

Page 40

1 good faith in conformity with any rules, form, or  
2 order of the commissioner, notwithstanding that the  
3 rule, form, or order may later be amended or rescinded  
4 or be determined by judicial or other authority to be  
5 invalid for any reason.

6 Sec. \_\_\_\_ NEW SECTION. 523A.810 DATE OF FILING  
7 AND INTERPRETIVE OPINIONS.

8 1. A document is filed when it is received by the

9 commissioner.

10 2. Requests for interpretive opinions may be  
11 granted in the commissioner's discretion.

12 Sec. \_\_\_\_ NEW SECTION. 523A.811 RECEIVERSHIPS.

13 1. The commissioner shall notify the attorney  
14 general of the potential need for establishment of a  
15 receivership if the commissioner finds that a seller  
16 subject to this chapter meets one or more of the  
17 following conditions:

18 a. Is insolvent.

19 b. Has utilized trust funds for personal or  
20 business purposes in a manner inconsistent with this  
21 chapter.

22 c. The amount of funds currently held in trust for  
23 cemetery merchandise, funeral merchandise, and funeral  
24 services is less than eighty percent of all payments  
25 made under the purchase agreements referred to in  
26 section 523A.201.

27 d. Has refused to pay any just claim or demand  
28 based on a purchase agreement referred to in section  
29 523A.201.

30 e. The commissioner finds upon investigation that  
31 a seller is unable to pay any claim or demand based on  
32 a purchase agreement which has been legally determined  
33 to be just and outstanding.

34 2. The commissioner or attorney general may apply  
35 to the district court in any county of the state for  
36 the establishment of a receivership. Upon proof of  
37 any of the grounds for a receivership described in  
38 this section, the court may grant a receivership.

39 Sec. \_\_\_\_ NEW SECTION. 523A.812 INSURANCE  
40 DIVISION'S REGULATORY FUND.

41 The insurance division may authorize the creation  
42 of a special revenue fund in the state treasury, to be  
43 known as the insurance division regulatory fund. The  
44 commissioner shall allocate annually from the fees  
45 paid pursuant to section 523A.204, two dollars for  
46 each purchase agreement reported on an establishment  
47 permit holder's annual report for deposit to the  
48 regulatory fund. The remainder of the fees collected  
49 pursuant to section 523A.204 shall be deposited into  
50 the general fund of the state. The moneys in the

Page 41

1 regulatory fund shall be retained in the fund. The  
2 moneys are appropriated and, subject to authorization  
3 by the commissioner, may be used to pay auditors,  
4 audit expenses, investigative expenses, the expenses  
5 of mediation ordered by the commissioner, consumer  
6 education expenses, the expenses of a toll-free  
7 telephone line to receive consumer complaints, and the

8 expenses of receiverships established under section  
9 523A.811. An annual allocation to the regulatory fund  
10 shall not be imposed if the current balance of the  
11 fund exceeds two hundred thousand dollars.

12 Sec. \_\_\_\_ NEW SECTION. 523A.813 LICENSE  
13 REVOCATION -- RECOMMENDATION BY COMMISSIONER TO BOARD  
14 OF MORTUARY SCIENCE EXAMINERS.

15 Upon a determination by the commissioner that  
16 grounds exist for an administrative license revocation  
17 or suspension action by the board of mortuary science  
18 examiners under chapter 156, the commissioner may  
19 forward to the board the grounds for the  
20 determination, including all evidence in the  
21 possession of the commissioner, so that the board may  
22 proceed with the matter as deemed appropriate.

23 SUBCHAPTER 9

24 LIQUIDATION PROCEDURES

25 Sec. \_\_\_\_ NEW SECTION. 523A.901 LIQUIDATION.  
26 1. GROUNDS FOR LIQUIDATION. The commissioner may  
27 petition the district court for an order directing the  
28 commissioner to liquidate an establishment on either  
29 of the following grounds:

30 a. The establishment did not deposit funds  
31 pursuant to section 523A.201 or withdrew funds in a  
32 manner inconsistent with this chapter and is  
33 insolvent.

34 b. The establishment did not deposit funds  
35 pursuant to section 523A.201 or withdrew funds in a  
36 manner inconsistent with this chapter and the  
37 condition of the establishment is such that further  
38 transaction of business would be hazardous,  
39 financially or otherwise, to purchasers or the public.

40 2. LIQUIDATION ORDER.

41 a. An order to liquidate the business of an  
42 establishment shall appoint the commissioner as  
43 liquidator and shall direct the liquidator to  
44 immediately take possession of the assets of the  
45 establishment and to administer them under the general  
46 supervision of the court. The liquidator is vested  
47 with the title to the property, contracts, and rights  
48 of action and the books and records of the  
49 establishment ordered liquidated, wherever located, as  
50 of the entry of the final order of liquidation. The

Page 42

1 filing or recording of the order with the clerk of  
2 court and the recorder of deeds of the county in which  
3 its principal office or place of business is located,  
4 or, in the case of real estate with the recorder of  
5 deeds of the county where the property is located, is  
6 notice as a deed, bill of sale, or other evidence of

7 title duly filed or recorded with the recorder of  
8 deeds.

9 b. Upon issuance of an order, the rights and  
10 liabilities of an establishment and of the  
11 establishment's creditors, purchasers, owners, and  
12 other persons interested in the establishment's estate  
13 shall become fixed as of the date of the entry of the  
14 order of liquidation, except as provided in subsection  
15 14.

16 c. At the time of petitioning for an order of  
17 liquidation, or at any time after the time of  
18 petitioning, the commissioner, after making  
19 appropriate findings of an establishment's insolvency,  
20 may petition the court for a declaration of  
21 insolvency. After providing notice and hearing as it  
22 deems proper, the court may make the declaration.

23 d. An order issued under this section shall  
24 require accounting to the court by the liquidator.  
25 Accountings, at a minimum, must include all funds  
26 received or disbursed by the liquidator during the  
27 current period. An accounting shall be filed within  
28 one year of the liquidation order and at such other  
29 times as the court may require.

30 e. Within five days after the initiation of an  
31 appeal of an order of liquidation, which order has not  
32 been stayed, the commissioner shall present for the  
33 court's approval a plan for the continued performance  
34 of the establishment's obligations during the pendency  
35 of an appeal. The plan shall provide for the  
36 continued performance of purchase agreements in the  
37 normal course of events, notwithstanding the grounds  
38 alleged in support of the order of liquidation  
39 including the ground of insolvency. If the defendant  
40 establishment's financial condition, in the judgment  
41 of the commissioner, will not support the full  
42 performance of all obligations during the appeal  
43 pendency period, the plan may prefer the claims of  
44 certain purchasers and claimants over creditors and  
45 interested parties as well as other purchasers and  
46 claimants, as the commissioner finds to be fair and  
47 equitable considering the relative circumstances of  
48 such purchasers and claimants. The court shall  
49 examine the plan submitted by the commissioner and if  
50 it finds the plan to be in the best interests of the

Page 43

1 parties, the court shall approve the plan. An action  
2 shall not lie against the commissioner or any of the  
3 commissioner's deputies, agents, clerks, assistants,  
4 or attorneys by any party based on preference in an  
5 appeal pendency plan approved by the court.

6 3. POWERS OF LIQUIDATOR.

7 a. The liquidator may do any of the following:

8 (1) Appoint a special deputy to act for the  
9 liquidator under this chapter, and determine the  
10 special deputy's reasonable compensation. The special  
11 deputy shall have all the powers of the liquidator  
12 granted by this section. The special deputy shall  
13 serve at the pleasure of the liquidator.

14 (2) Hire employees and agents, legal counsel,  
15 accountants, appraisers, consultants, and other  
16 personnel as the commissioner may deem necessary to  
17 assist in the liquidation.

18 (3) With the approval of the court, fix reasonable  
19 compensation of employees and agents, legal counsel,  
20 accountants, appraisers, and consultants.

21 (4) Pay reasonable compensation to persons  
22 appointed and defray from the funds or assets of the  
23 establishment all expenses of taking possession of,  
24 conserving, conducting, liquidating, disposing of, or  
25 otherwise dealing with the business and property of  
26 the establishment. If the property of the  
27 establishment does not contain sufficient cash or  
28 liquid assets to defray the costs incurred, the  
29 commissioner may advance the costs so incurred out of  
30 the insurance division regulatory fund. Amounts so  
31 advanced for expenses of administration shall be  
32 repaid to the insurance division regulatory fund for  
33 the use of the division out of the first available  
34 moneys of the establishment.

35 (5) Hold hearings, subpoena witnesses, and compel  
36 their attendance, administer oaths, examine a person  
37 under oath, and compel a person to subscribe to the  
38 person's testimony after it has been correctly reduced  
39 to writing, and in connection to the proceedings  
40 require the production of books, accounts, papers,  
41 correspondence, memoranda, purchase agreements, files,  
42 or other documents or records which the liquidator  
43 deems relevant to the inquiry.

44 (6) Collect debts and moneys due and claims  
45 belonging to the establishment, wherever located.  
46 Pursuant to this subparagraph, the liquidator may do  
47 any of the following:

48 (a) Institute timely action in other jurisdictions  
49 to forestall garnishment and attachment proceedings  
50 against debts.

Page 44

1 (b) Perform acts as are necessary or expedient to  
2 collect, conserve, or protect its assets or property,  
3 including the power to sell, compound, compromise, or  
4 assign debts for purposes of collection upon terms and

5 conditions as the liquidator deems best.  
6 (c) Pursue any creditor's remedies available to  
7 enforce claims.  
8 (7) Conduct public and private sales of the  
9 property of the establishment.  
10 (8) Use assets of the establishment under a  
11 liquidation order to transfer obligations of purchase  
12 agreements to a solvent establishment, if the transfer  
13 can be accomplished without prejudice to the  
14 applicable priorities under subsection 18.  
15 (9) Acquire, hypothecate, encumber, lease,  
16 improve, sell, transfer, abandon, or otherwise dispose  
17 of or deal with property of the establishment at its  
18 market value or upon terms and conditions as are fair  
19 and reasonable. The liquidator shall also have power  
20 to execute, acknowledge, and deliver deeds,  
21 assignments, releases, and other instruments necessary  
22 to effectuate a sale of property or other transaction  
23 in connection with the liquidation.  
24 (10) Borrow money on the security of the  
25 establishment's assets or without security and execute  
26 and deliver documents necessary to that transaction  
27 for the purpose of facilitating the liquidation.  
28 Money borrowed pursuant to this subparagraph shall be  
29 repaid as an administrative expense and shall have  
30 priority over any other class 1 claims under the  
31 priority of distribution established in subsection 18.  
32 (11) Enter into contracts as necessary to carry  
33 out the order to liquidate and affirm or disavow  
34 contracts to which the establishment is a party.  
35 (12) Continue to prosecute and to institute in the  
36 name of the establishment or in the liquidator's own  
37 name any and all suits and other legal proceedings, in  
38 this state or elsewhere, and to abandon the  
39 prosecution of claims the liquidator deems  
40 unprofitable to pursue further.  
41 (13) Prosecute an action on behalf of the  
42 creditors, purchasers, or owners against an officer of  
43 the establishment or any other person.  
44 (14) Remove records and property of the  
45 establishment to the offices of the commissioner or to  
46 other places as may be convenient for the purposes of  
47 efficient and orderly execution of the liquidation.  
48 (15) Deposit in one or more banks in this state  
49 sums as are required for meeting current  
50 administration expenses and distributions.

Page 45

1 (16) Unless the court orders otherwise, invest  
2 funds not currently needed.  
3 (17) File necessary documents for recording in the

4 office of the recorder of deeds or record office in  
5 this state or elsewhere where property of the  
6 establishment is located.

7 (18) Assert defenses available to the  
8 establishment against third persons including statutes  
9 of limitations, statutes of fraud, and the defense of  
10 usury. A waiver of a defense by the establishment  
11 after a petition in liquidation has been filed shall  
12 not bind the liquidator.

13 (19) Exercise and enforce the rights, remedies,  
14 and powers of a creditor, purchaser, or owner,  
15 including the power to avoid transfer or lien that may  
16 be given by the general law and that is not included  
17 within subsections 7 through 9.

18 (20) Intervene in a proceeding wherever instituted  
19 that might lead to the appointment of a receiver or  
20 trustee, and act as the receiver or trustee whenever  
21 the appointment is offered.

22 (21) Exercise powers now held or later conferred  
23 upon receivers by the laws of this state which are not  
24 inconsistent with this chapter.

25 b. This subsection does not limit the liquidator  
26 or exclude the liquidator from exercising a power not  
27 listed in paragraph "a" that may be necessary or  
28 appropriate to accomplish the purposes of this  
29 chapter.

30 4. NOTICE TO CREDITORS AND OTHERS.

31 a. Unless the court otherwise directs, the  
32 liquidator shall give notice of the liquidation order  
33 as soon as possible by doing both of the following:

34 (1) Mailing notice, by first-class mail, to all  
35 persons known or reasonably expected to have claims  
36 against the establishment, including purchasers, at  
37 their last known address as indicated by the records  
38 of the establishment.

39 (2) Publication of notice in a newspaper of  
40 general circulation in the county in which the  
41 establishment has its principal place of business and  
42 in other locations as the liquidator deems  
43 appropriate.

44 b. Notice to potential claimants under paragraph  
45 "a" shall require claimants to file with the  
46 liquidator their claims together with proper proofs of  
47 the claim under subsection 13 on or before a date the  
48 liquidator shall specify in the notice. Claimants  
49 shall keep the liquidator informed of their changes of  
50 address, if any.

Page 46

1 c. If notice is given pursuant to this subsection,  
2 the distribution of assets of the establishment under

3 this chapter shall be conclusive with respect to  
4 claimants, whether or not a claimant actually received  
5 notice.

6 5. ACTIONS BY AND AGAINST LIQUIDATOR.

7 a. After issuance of an order appointing a  
8 liquidator of an establishment, an action at law or  
9 equity shall not be brought against the establishment  
10 within this state or elsewhere, and existing actions  
11 shall not be maintained or further presented after  
12 issuance of the order. Whenever in the liquidator's  
13 judgment, protection of the estate of the  
14 establishment necessitates intervention in an action  
15 against the establishment that is pending outside this  
16 state, the liquidator may intervene in the action.  
17 The liquidator may defend, at the expense of the  
18 estate of the establishment, an action in which the  
19 liquidator intervenes under this section.

20 b. Within two years or such additional time as  
21 applicable law may permit, the liquidator, after the  
22 issuance of an order for liquidation, may institute an  
23 action or proceeding on behalf of the estate of the  
24 establishment upon any cause of action against which  
25 the period of limitation fixed by applicable law has  
26 not expired at the time of the filing of the petition  
27 upon which the order is entered. If a period of  
28 limitation is fixed by agreement for instituting a  
29 suit or proceeding upon a claim, or for filing a  
30 claim, proof of claim, proof of loss, demand, notice,  
31 or the like, or if in a proceeding, judicial or  
32 otherwise, a period of limitation is fixed in the  
33 proceeding or pursuant to applicable law for taking an  
34 action, filing a claim or pleading, or doing an act,  
35 and if the period has not expired at the date of the  
36 filing of the petition, the liquidator may, for the  
37 benefit of the estate, take any action or do any act,  
38 required of or permitted to the establishment, within  
39 a period of one hundred eighty days subsequent to the  
40 entry of an order for liquidation, or within a further  
41 period as is shown to the satisfaction of the court  
42 not to be unfairly prejudicial to the other party.

43 c. A statute of limitations or defense of laches  
44 shall not run with respect to an action against an  
45 establishment between the filing of a petition for  
46 liquidation against the establishment and the denial  
47 of the petition. An action against the establishment  
48 that might have been commenced when the petition was  
49 filed may be commenced for at least sixty days after  
50 the petition is denied.

Page 47

1 6. COLLECTION AND LIST OF ASSETS.

2 a. As soon as practicable after the liquidation  
3 order but not later than one hundred twenty days after  
4 such order, the liquidator shall prepare in duplicate  
5 a list of the establishment's assets. The list shall  
6 be amended or supplemented as the liquidator may  
7 determine. One copy shall be filed in the office of  
8 the clerk of court, and one copy shall be retained for  
9 the liquidator's files. Amendments and supplements  
10 shall be similarly filed.

11 b. The liquidator shall reduce the assets to a  
12 degree of liquidity that is consistent with the  
13 effective execution of the liquidation.

14 c. A submission of a proposal to the court for  
15 distribution of assets in accordance with subsection  
16 11 fulfills the requirements of paragraph "a".

17 7. FRAUDULENT TRANSFERS PRIOR TO PETITION.

18 a. A transfer made and an obligation incurred by  
19 an establishment within one year prior to the filing  
20 of a successful petition for liquidation under this  
21 chapter is fraudulent as to then existing and future  
22 creditors if made or incurred without fair  
23 consideration, or with actual intent to hinder, delay,  
24 or defraud either existing or future creditors. A  
25 fraudulent transfer made or an obligation incurred by  
26 an establishment ordered to be liquidated under this  
27 chapter may be avoided by the liquidator, except as to  
28 a person who in good faith is a purchaser, lienor, or  
29 obligee for a present fair equivalent value. A  
30 purchaser, lienor, or obligee, who in good faith has  
31 given a consideration less than present fair  
32 equivalent value for such transfer, lien, or  
33 obligation, may retain the property, lien, or  
34 obligation as security for repayment. The court may,  
35 on due notice, order any such transfer, lien, or  
36 obligation to be preserved for the benefit of the  
37 estate, and in that event, the receiver shall succeed  
38 to and may enforce the rights of the purchaser,  
39 lienor, or obligee.

40 b. (1) A transfer of property other than real  
41 property is made when it becomes perfected so that a  
42 subsequent lien obtainable by legal or equitable  
43 proceedings on a simple contract could not become  
44 superior to the rights of the transferee under  
45 subsection 9, paragraph "c".

46 (2) A transfer of real property is made when it  
47 becomes perfected so that a subsequent bona fide  
48 purchaser from the establishment could not obtain  
49 rights superior to the rights of the transferee.

50 (3) A transfer which creates an equitable lien is

Page 48

1 not perfected if there are available means by which a  
2 legal lien could be perfected.

3 (4) A transfer not perfected prior to the filing  
4 of a petition for liquidation is deemed to be made  
5 immediately before the filing of the successful  
6 petition.

7 (5) This subsection applies whether or not there  
8 are or were creditors who might have obtained a lien  
9 or persons who might have become bona fide purchasers.

10 8. FRAUDULENT TRANSFER AFTER PETITION.

11 a. After a petition for liquidation has been  
12 filed, a transfer of real property of the  
13 establishment made to a person acting in good faith is  
14 valid against the liquidator if made for a present  
15 fair equivalent value. If the transfer is not made  
16 for a present fair equivalent value, then the transfer  
17 is valid to the extent of the present consideration  
18 actually paid for which amount the transferee shall  
19 have a lien on the property transferred. The  
20 commencement of a proceeding in liquidation is  
21 constructive notice upon the recording of a copy of  
22 the petition for or order of liquidation with the  
23 recording or deeds in the county where any real  
24 property in question is located. The exercise by a  
25 court of the United States or a state or jurisdiction  
26 to authorize a judicial sale of real property of the  
27 establishment within a county in a state shall not be  
28 impaired by the pendency of a proceeding unless the  
29 copy is recorded in the county prior to the  
30 consummation of the judicial sale.

31 b. After a petition for liquidation has been filed  
32 and before either the liquidator takes possession of  
33 the property of the establishment or an order of  
34 liquidation is granted:

35 (1) A transfer of the property, other than real  
36 property, of the establishment made to a person acting  
37 in good faith is valid against the liquidator if made  
38 for a present fair equivalent value. If the transfer  
39 was not made for a present fair equivalent value, then  
40 the transfer is valid to the extent of the present  
41 consideration actually paid for which amount the  
42 transferee shall have a lien on the property  
43 transferred.

44 (2) If acting in good faith, a person indebted to  
45 the establishment or holding property of the  
46 establishment may pay the debt or deliver the  
47 property, or any part of the property, to the  
48 establishment or upon the establishment's order as if  
49 the petition were not pending.

50 (3) A person having actual knowledge of the

Page 49

1 pending liquidation is not acting in good faith.

2 (4) A person asserting the validity of a transfer  
3 under this subsection has the burden of proof. Except  
4 as provided in this subsection, a transfer by or on  
5 behalf of the establishment after the date of the  
6 petition for liquidation by any person other than the  
7 liquidator is not valid against the liquidator.

8 c. A person receiving any property from the  
9 establishment or any benefit of the property of the  
10 establishment which is a fraudulent transfer under  
11 paragraph "a" is personally liable for the property or  
12 benefit and shall account to the liquidator.

13 d. This chapter does not impair the negotiability  
14 of currency or negotiable instruments.

#### 15 9. VOIDABLE PREFERENCES AND LIENS.

16 a. (1) A preference is a transfer of the property  
17 of an establishment to or for the benefit of a  
18 creditor for an antecedent debt made or suffered by  
19 the establishment within one year before the filing of  
20 a successful petition for liquidation under this  
21 chapter, the effect of which transfer may be to enable  
22 the creditor to obtain a greater percentage of this  
23 debt than another creditor of the same class would  
24 receive. If a liquidation order is entered while the  
25 establishment is already subject to a receivership,  
26 then the transfers are preferences if made or suffered  
27 within one year before the filing of the successful  
28 petition for the receivership, or within two years  
29 before the filing of the successful petition for  
30 liquidation, whichever time is shorter.

31 (2) A preference may be avoided by the liquidator  
32 if any of the following exist:

33 (a) The establishment was insolvent at the time of  
34 the transfer.

35 (b) The transfer was made within four months  
36 before the filing of the petition.

37 (c) At the time the transfer was made, the  
38 creditor receiving it or to be benefited by the  
39 transfer or the creditor's agent acting with reference  
40 to the transfer had reasonable cause to believe that  
41 the establishment was insolvent or was about to become  
42 insolvent.

43 (d) The creditor receiving the transfer was an  
44 officer, or an employee, attorney, or other person who  
45 was in fact in a position of comparable influence in  
46 the establishment to an officer whether or not the  
47 person held the position of an officer, owner, or  
48 other person, firm, corporation, association, or  
49 aggregation of persons with whom the establishment did  
50 not deal at arm's length.

Page 50

1 (3) Where the preference is voidable, the  
2 liquidator may recover the property. If the property  
3 has been converted, the liquidator may recover its  
4 value from a person who has received or converted the  
5 property. However, if a bona fide purchaser or lienor  
6 has given less than the present fair equivalent value,  
7 the purchaser or lienor shall have a lien upon the  
8 property to the extent of the consideration actually  
9 given. Where a preference by way of lien or security  
10 interest is voidable, the court may on due notice  
11 order the lien or security interest to be preserved  
12 for the benefit of the estate, in which event the lien  
13 or title shall pass to the liquidator.

14 b. (1) A transfer of property other than real  
15 property is made when it becomes perfected so that a  
16 subsequent lien obtainable by legal or equitable  
17 proceedings on a simple contract could not become  
18 superior to the rights of the transferee.

19 (2) A transfer of real property is made when it  
20 becomes perfected so that a subsequent bona fide  
21 purchaser from the establishment could not obtain  
22 rights superior to the rights of the transferee.

23 (3) A transfer which creates an equitable lien is  
24 not perfected if there are available means by which a  
25 legal lien could be created.

26 (4) A transfer not perfected prior to the filing  
27 of a petition for liquidation is deemed to be made  
28 immediately before the filing of the successful  
29 petition.

30 (5) This subsection applies whether or not there  
31 are or were creditors who might have obtained liens or  
32 persons who might have become bona fide purchasers.

33 c. (1) A lien obtainable by legal or equitable  
34 proceedings upon a simple contract is one arising in  
35 the ordinary course of the proceedings upon the entry  
36 or docketing of a judgment or decree, or upon  
37 attachment, garnishment, execution, or like process,  
38 whether before, upon, or after judgment or decree and  
39 whether before or upon levy. It does not include  
40 liens which under applicable law are given a special  
41 priority over other liens which are prior in time.

42 (2) A lien obtainable by legal or equitable  
43 proceedings may become superior to the rights of a  
44 transferee, or a purchaser may obtain rights superior  
45 to the rights of a transferee within the meaning of  
46 paragraph "b", if such consequences follow only from  
47 the lien or purchase itself, or from the lien or  
48 purchase followed by a step wholly within the control  
49 of the respective lienholder or purchaser, with or  
50 without the aid of ministerial action by public

Page 51

1 officials. However, a lien could not become superior  
2 and a purchase could not create superior rights for  
3 the purpose of paragraph "b" through an act subsequent  
4 to the obtaining of a lien or subsequent to a purchase  
5 which requires the agreement or concurrence of any  
6 third party or which requires further judicial action  
7 or ruling.

8 d. A transfer of property for or on account of a  
9 new and contemporaneous consideration, which is under  
10 paragraph "b" made or suffered after the transfer  
11 because of delay in perfecting it, does not become a  
12 transfer for or on account of an antecedent debt if  
13 any acts required by the applicable law to be  
14 performed in order to perfect the transfer as against  
15 liens or a bona fide purchaser's rights are performed  
16 within twenty-one days or any period expressly allowed  
17 by the law, whichever is less. A transfer to secure a  
18 future loan, if a loan is actually made, or a transfer  
19 which becomes security for a future loan, shall have  
20 the same effect as a transfer for or on account of a  
21 new and contemporaneous consideration.

22 e. If a lien which is voidable under paragraph  
23 "a", subparagraph (2), has been dissolved by the  
24 furnishing of a bond or other obligation, the surety  
25 of which has been indemnified directly or indirectly  
26 by the transfer or the creation of a lien upon  
27 property of an establishment before the filing of a  
28 petition under this chapter which results in the  
29 liquidation order, the indemnifying transfer or lien  
30 is also voidable.

31 f. The property affected by a lien voidable under  
32 paragraphs "a" and "e" is discharged from the lien.  
33 The property and any of the indemnifying property  
34 transferred to or for the benefit of a surety shall  
35 pass to the liquidator. However, the court may on due  
36 notice order a lien to be preserved for the benefit of  
37 the estate and the court may direct that the  
38 conveyance be executed to evidence the title of the  
39 liquidator.

40 g. The court shall have summary jurisdiction of a  
41 proceeding by a liquidator to hear and determine the  
42 rights of the parties under this section. Reasonable  
43 notice of hearing in the proceeding shall be given to  
44 all parties in interest, including the obligee of a  
45 releasing bond or other like obligation. Where an  
46 order is entered for the recovery of indemnifying  
47 property in kind or for the avoidance of an  
48 indemnifying lien, upon application of any party in  
49 interest, the court shall in the same proceeding  
50 ascertain the value of the property or lien. If the

1 value is less than the amount for which the property  
2 is indemnified or less than the amount of the lien,  
3 the transferee or lienholder may elect to retain the  
4 property or lien upon payment of its value, as  
5 ascertained by the court, to the liquidator within the  
6 time as fixed by the court.

7 h. The liability of a surety under a releasing  
8 bond or other like obligation is discharged to the  
9 extent of the value of the indemnifying property  
10 recovered or the indemnifying lien nullified and  
11 avoided by the liquidator. Where the property is  
12 retained under paragraph "g", the liability of the  
13 surety is discharged to the extent of the amount paid  
14 to the liquidator.

15 i. If a creditor has been preferred for property  
16 which becomes a part of the establishment's estate,  
17 and afterward in good faith gives the establishment  
18 further credit without security of any kind, the  
19 amount of the new credit remaining unpaid at the time  
20 of the petition may be set off against the preference  
21 which would otherwise be recoverable from the  
22 creditor.

23 j. If within four months before the filing of a  
24 successful petition for liquidation under this  
25 chapter, or at any time in contemplation of a  
26 proceeding to liquidate, an establishment, directly or  
27 indirectly, pays money or transfers property to an  
28 attorney for services rendered or to be rendered, the  
29 transaction may be examined by the court on its own  
30 motion or shall be examined by the court on petition  
31 of the liquidator. The payment or transfer shall be  
32 held valid only to the extent of a reasonable amount  
33 to be determined by the court. The excess may be  
34 recovered by the liquidator for the benefit of the  
35 estate. However, where the attorney is in a position  
36 of influence in the establishment or an affiliate,  
37 payment of any money or the transfer of any property  
38 to the attorney for services rendered or to be  
39 rendered shall be governed by the provisions of  
40 paragraph "a", subparagraph (2), subparagraph  
41 subdivision (d).

42 k. (1) An officer, manager, employee,  
43 shareholder, subscriber, attorney, or other person  
44 acting on behalf of the establishment who knowingly  
45 participates in giving any preference when the person  
46 has reasonable cause to believe the establishment is  
47 or is about to become insolvent at the time of the  
48 preference is personally liable to the liquidator for  
49 the amount of the preference. There is an inference  
50 that reasonable cause exists if the transfer was made

Page 53

1 within four months before the date of filing of this  
2 successful petition for liquidation.

3 (2) A person receiving property from the  
4 establishment or the benefit of the property of the  
5 establishment as a preference voidable under paragraph  
6 "a" is personally liable for the property and shall  
7 account to the liquidator.

8 (3) This subsection shall not prejudice any other  
9 claim by the liquidator against any person.

10 10. CLAIMS OF HOLDER OF VOID OR VOIDABLE RIGHTS.

11 a. A claim of a creditor who has received or  
12 acquired a preference, lien, conveyance, transfer,  
13 assignment, or encumbrance, voidable under this  
14 chapter, shall not be allowed unless the creditor  
15 surrenders the preference, lien, conveyance, transfer,  
16 assignment, or encumbrance. If the avoidance is  
17 effected by a proceeding in which a final judgment has  
18 been entered, the claim shall not be allowed unless  
19 the money is paid or the property is delivered to the  
20 liquidator within thirty days from the date of the  
21 entering of the final judgment. However, the court  
22 having jurisdiction over the liquidation may allow  
23 further time if there is an appeal or other  
24 continuation of the proceeding.

25 b. A claim allowable under paragraph "a" by reason  
26 of a voluntary or involuntary avoidance, preference,  
27 lien, conveyance, transfer, assignment, or encumbrance  
28 may be filed as an excused late filing under  
29 subsection 12, if filed within thirty days from the  
30 date of the avoidance or within the further time  
31 allowed by the court under paragraph "a".

32 11. LIQUIDATOR'S PROPOSAL TO DISTRIBUTE ASSETS.

33 a. From time to time as assets become available,  
34 the liquidator shall make application to the court for  
35 approval of a proposal to disburse assets out of  
36 marshaled assets.

37 b. The proposal shall at least include provisions  
38 for all of the following:

39 (1) Reserving amounts for the payment of all the  
40 following:

41 (a) Expenses of administration.

42 (b) To the extent of the value of the security  
43 held, the payment of claims of secured creditors.

44 (c) Claims falling within the priorities  
45 established in subsection 18, paragraphs "a" and "b".

46 (2) Disbursement of the assets marshaled to date  
47 and subsequent disbursement of assets as they become  
48 available.

49 c. Action on the application may be taken by the  
50 court provided that the liquidator's proposal complies

Page 54

1 with paragraph "b".

2 12. FILING OF CLAIMS.

3 a. Proof of all claims shall be filed with the  
4 liquidator in the form required by subsection 13 on or  
5 before the last day for filing specified in the notice  
6 required under subsection 4.

7 b. The liquidator may permit a claimant making a  
8 late filing to share in distributions, whether past or  
9 future, as if the claimant were not late, to the  
10 extent that the payment will not prejudice the orderly  
11 administration of the liquidation under any of the  
12 following circumstances:

13 (1) The existence of the claim was not known to  
14 the claimant and the claimant filed the claim as  
15 promptly as reasonably possible after learning of it.

16 (2) A transfer to a creditor was avoided under  
17 subsections 7 through 9, or was voluntarily  
18 surrendered under subsection 10, and the filing  
19 satisfies the conditions of subsection 10.

20 (3) The valuation under subsection 17 of security  
21 held by a secured creditor shows a deficiency, which  
22 is filed within thirty days after the valuation.

23 c. The liquidator may consider any claim filed  
24 late and permit the claimant to receive distributions  
25 which are subsequently declared on any claims of the  
26 same or lower priority if the payment does not  
27 prejudice the orderly administration of the  
28 liquidation. The late-filing claimant shall receive  
29 at each distribution the same percentage of the amount  
30 allowed on the claim as is then being paid to  
31 claimants of any lower priority. This shall continue  
32 until the claim has been paid in full.

33 13. PROOF OF CLAIM.

34 a. Proof of claim shall consist of a statement  
35 signed by the claimant that includes all of the  
36 following that are applicable:

37 (1) The particulars of the claim, including the  
38 consideration given for it.

39 (2) The identity and amount of the security on the  
40 claim.

41 (3) The payments, if any, made on the debt.

42 (4) A statement that the sum claimed is justly  
43 owing and that there is no setoff, counterclaim, or  
44 defense to the claim.

45 (5) Any right of priority of payment or other  
46 specific right asserted by the claimant.

47 (6) A copy of the written instrument which is the  
48 foundation of the claim.

49 (7) The name and address of the claimant and the  
50 attorney who represents the claimant, if any.

Page 55

1 b. A claim need not be considered or allowed if it  
2 does not contain all the information identified in  
3 paragraph "a" which is applicable. The liquidator may  
4 require that a prescribed form be used and may require  
5 that other information and documents be included.

6 c. At any time the liquidator may request the  
7 claimant to present information or evidence  
8 supplementary to that required under paragraph "a",  
9 and may take testimony under oath, require production  
10 of affidavits or depositions, or otherwise obtain  
11 additional information or evidence.

12 d. A judgment or order against an establishment  
13 entered after the date of filing of a successful  
14 petition for liquidation, or a judgment or order  
15 against the establishment entered at any time by  
16 default or by collusion need not be considered as  
17 evidence of liability or of the amount of damages. A  
18 judgment or order against an establishment before the  
19 filing of the petition need not be considered as  
20 evidence of liability or of the amount of damages.

#### 21 14. SPECIAL CLAIMS.

22 a. A claim may be allowed even if contingent, if  
23 it is filed pursuant to subsection 12. The claim may  
24 be allowed and the claimant may participate in all  
25 distributions declared after it is filed to the extent  
26 that it does not prejudice the orderly administration  
27 of the liquidation.

28 b. Claims that are due except for the passage of  
29 time shall be treated as absolute claims are treated.  
30 However, the claims may be discounted at the legal  
31 rate of interest.

32 c. Claims made under employment contracts by  
33 directors, principal officers, or persons in fact  
34 performing similar functions or having similar powers  
35 are limited to payment for services rendered prior to  
36 the issuance of an order of liquidation under  
37 subsection 2.

#### 38 15. DISPUTED CLAIMS.

39 a. If a claim is denied in whole or in part by the  
40 liquidator, written notice of the determination shall  
41 be given to the claimant or the claimant's attorney by  
42 first-class mail at the address shown in the proof of  
43 claim. Within sixty days from the mailing of the  
44 notice, the claimant may file objections with the  
45 liquidator. Unless a filing is made, the claimant  
46 shall not further object to the determination.

47 b. If objections are filed with the liquidator and  
48 the liquidator does not alter the denial of the claim  
49 as a result of the objections, the liquidator shall  
50 ask the court for a hearing as soon as practicable and

Page 56

1 give notice of the hearing by first-class mail to the  
2 claimant or the claimant's attorney and to any other  
3 persons directly affected. The notice shall be given  
4 not less than ten nor more than thirty days before the  
5 date of hearing. The matter shall be heard by the  
6 court or by a court-appointed referee. The referee  
7 shall submit findings of fact along with a  
8 recommendation.

9 16. CLAIMS OF OTHER PERSON. If a creditor, whose  
10 claim against an establishment is secured in whole or  
11 in part by the undertaking of another person, fails to  
12 prove and file that claim, then the other person may  
13 do so in the creditor's name and shall be subrogated  
14 to the rights of the creditor, whether the claim has  
15 been filed by the creditor or by the other person in  
16 the creditor's name to the extent that the other  
17 person discharges the undertaking. However, in the  
18 absence of an agreement with the creditor to the  
19 contrary, the other person is not entitled to any  
20 distribution until the amount paid to the creditor on  
21 the undertaking plus the distributions paid on the  
22 claim from the establishment's estate to the creditor  
23 equal the amount of the entire claim of the creditor.  
24 An excess received by the creditor shall be held by  
25 the creditor in trust for the other person.

26 17. SECURED CREDITOR'S CLAIMS.

27 a. The value of the security held by a secured  
28 creditor shall be determined in one of the following  
29 ways, as the court may direct:

30 (1) By converting the security into money  
31 according to the terms of the agreement pursuant to  
32 which the security was delivered to the creditors.

33 (2) By agreement, arbitration, compromise, or  
34 litigation between the creditor and the liquidator.

35 b. The determination shall be under the  
36 supervision and control of the court with due regard  
37 for the recommendation of the liquidator. The amount  
38 so determined shall be credited upon the secured  
39 claim. A deficiency shall be treated as an unsecured  
40 claim. If the claimant surrenders the security to the  
41 liquidator, the entire claim shall be allowed as if  
42 unsecured.

43 18. PRIORITY OF DISTRIBUTION. The priority of  
44 distribution of claims from the establishment's estate  
45 shall be in accordance with the order in which each  
46 class of claims is set forth. Claims in each class  
47 shall be paid in full or adequate funds retained for  
48 the payment before the members of the next class  
49 receive any payment. Subclasses shall not be  
50 established within a class. The order of distribution

Page 57

1 of claims is as follows:

2 a. CLASS 1. The costs and expenses of  
3 administration, including but not limited to the  
4 following:

5 (1) Actual and necessary costs of preserving or  
6 recovering the assets of the establishment.

7 (2) Compensation for all authorized services  
8 rendered in the liquidation.

9 (3) Necessary filing fees.

10 (4) Fees and mileage payable to witnesses.

11 (5) Authorized reasonable attorney fees and other  
12 professional services rendered in the liquidation.

13 b. CLASS 2. Reasonable compensation to employees  
14 for services performed to the extent that they do not  
15 exceed two months of monetary compensation and  
16 represent payment for services performed within one  
17 year before the filing of the petition for  
18 liquidation. Officers and directors are not entitled  
19 to the benefit of this priority. The priority is in  
20 lieu of other similar priority which may be authorized  
21 by law as to wages or compensation of employees.

22 c. CLASS 3. Claims under purchase agreements.

23 d. CLASS 4. Claims of general creditors.

24 e. CLASS 5. Claims of the federal or of any state  
25 or local government. Claims, including those of a  
26 governmental body for a penalty or forfeiture, are  
27 allowed in this class only to the extent of the  
28 pecuniary loss sustained from the act, transaction, or  
29 proceeding out of which the penalty or forfeiture  
30 arose, with reasonable and actual costs incurred. The  
31 remainder of such claims shall be postponed to the  
32 class of claims under paragraph "g".

33 f. CLASS 6. Claims filed late or any other claims  
34 other than claims under paragraph "g".

35 g. CLASS 7. The claims of shareholders or other  
36 owners.

37 19. LIQUIDATOR'S RECOMMENDATIONS TO THE COURT.

38 a. The liquidator shall review claims duly filed  
39 in the liquidation and shall make further  
40 investigation as necessary. The liquidator may  
41 compound, compromise, or in any other manner negotiate  
42 the amount for which claims will be recommended to the  
43 court except where the liquidator is required by law  
44 to accept claims as settled by a person or  
45 organization. Unresolved disputes shall be determined  
46 under subsection 15. As soon as practicable, the  
47 liquidator shall present to the court a report of the  
48 claims against the establishment with the liquidator's  
49 recommendations. The report shall include the name  
50 and address of each claimant and the amount of the

Page 58

1 claim finally recommended.

2 b. The court may approve, disapprove, or modify  
3 the report on claims by the liquidator. Reports not  
4 modified by the court within sixty days following  
5 submission by the liquidator shall be treated by the  
6 liquidator as allowed claims, subject to later  
7 modification or to rulings made by the court pursuant  
8 to subsection 15. A claim under a policy of insurance  
9 shall not be allowed for an amount in excess of the  
10 applicable policy limits.

11 20. DISTRIBUTION OF ASSETS. Under the direction  
12 of the court, the liquidator shall pay distributions  
13 in a manner that will ensure the proper recognition of  
14 priorities and a reasonable balance between the  
15 expeditious completion of the liquidation and the  
16 protection of unliquidated and undetermined claims,  
17 including third-party claims. Distribution of assets  
18 in kind may be made at valuations set by agreement  
19 between the liquidator and the creditor and approved  
20 by the court.

21 21. UNCLAIMED AND WITHHELD FUNDS.

22 a. Unclaimed funds subject to distribution  
23 remaining in the liquidator's hands when the  
24 liquidator is ready to apply to the court for  
25 discharge, including the amount distributable to a  
26 creditor, owner, or other person who is unknown or  
27 cannot be found, shall be deposited with the treasurer  
28 of the state, and shall be paid without interest,  
29 except as provided in subsection 18, to the person  
30 entitled or to the person's legal representative upon  
31 proof satisfactory to the treasurer of state of the  
32 right to the funds. Any amount on deposit not claimed  
33 within six years from the discharge of the liquidator  
34 is deemed to have been abandoned and shall become the  
35 property of the state without formal escheat  
36 proceedings and be transferred to the insurance  
37 division regulatory fund.

38 b. Funds withheld under subsection 14 and not  
39 distributed shall upon discharge of the liquidator be  
40 deposited with the treasurer of state and paid  
41 pursuant to subsection 18. Sums remaining which under  
42 subsection 18 would revert to the undistributed assets  
43 of the establishment shall be transferred to the  
44 insurance division regulatory fund and become the  
45 property of the state as provided under paragraph "a",  
46 unless the commissioner in the commissioner's  
47 discretion petitions the court to reopen the  
48 liquidation pursuant to subsection 23.

49 c. Notwithstanding any other provision of this  
50 chapter, funds as identified in paragraph "a", with

Page 59

1 the approval of the court, shall be made available to  
2 the commissioner for use in the detection and  
3 prevention of future insolvencies. The commissioner  
4 shall hold these funds in the insurance division  
5 regulatory fund and shall pay without interest, except  
6 as provided in subsection 18, to the person entitled  
7 to the funds or to the person's legal representative  
8 upon proof satisfactory to the commissioner of the  
9 person's right to the funds. The funds shall be held  
10 by the commissioner for a period of two years at which  
11 time the rights and duties to the unclaimed funds  
12 shall vest in the commissioner.

13 22. TERMINATION OF PROCEEDINGS.

14 a. When all assets justifying the expense of  
15 collection and distribution have been collected and  
16 distributed under this chapter, the liquidator shall  
17 apply to the court for discharge. The court may grant  
18 the discharge and make any other orders, including an  
19 order to transfer remaining funds that are  
20 uneconomical to distribute, as appropriate.

21 b. Any other person may apply to the court at any  
22 time for an order under paragraph "a". If the  
23 application is denied, the applicant shall pay the  
24 costs and expenses of the liquidator in resisting the  
25 application, including a reasonable attorney fee.  
26 23. REOPENING LIQUIDATION. At any time after the  
27 liquidation proceeding has been terminated and the  
28 liquidator discharged, the commissioner or other  
29 interested party may petition the court to reopen the  
30 proceedings for good cause including the discovery of  
31 additional assets. The court shall order the  
32 proceeding reopened if it is satisfied that there is  
33 justification for the reopening.

34 24. DISPOSITION OF RECORDS DURING AND AFTER  
35 TERMINATION OF LIQUIDATION. If it appears to the  
36 commissioner that the records of an establishment in  
37 the process of liquidation or completely liquidated  
38 are no longer useful, the commissioner may recommend  
39 to the court and the court shall direct what records  
40 shall be retained for future reference and what  
41 records shall be destroyed.

42 25. EXTERNAL AUDIT OF LIQUIDATOR'S BOOKS. The  
43 court may order audits to be made of the books of the  
44 commissioner relating to a liquidation established  
45 under this chapter, and a report of each audit shall  
46 be filed with the commissioner and with the court.  
47 The books, records, and other documents of the  
48 liquidation shall be made available to the auditor at  
49 any time without notice. The expense of an audit  
50 shall be considered a cost of administration of the

8 child care home or facility or an employee of a child

10 responsibilities for the child care home or facility  
11 has been found in a criminal proceeding to have  
12 obtained by fraudulent means, public funding for the  
13 provision of child care by the home or facility in an  
14 amount equal to or in excess of the minimum amount  
15 necessary to constitute a fraudulent practice in the  
16 second degree under section 714.10, subsection 1, the  
17 following shall apply:

18 (1) For a first offense, for a period of one year,  
19 any child care home or facility in which the offender  
20 continues to have a controlling interest or at which

49 3. Page 1, by inserting after line 31, the  
50 following:

Page 2

1 "d. If the director determines that the  
2 ineligibility of a child care home or facility to  
3 receive public funding pursuant to paragraph "b" will  
4 cause the provision of child care services by that  
5 home or facility to be interrupted or to become no  
6 longer available, the director may file a verified  
7 application in the district court of the county in  
8 which the child care home or facility is located,  
9 requesting that an individual nominated by the  
10 director be appointed as receiver for the child care

12 services is assured.

13 (1) The court shall expeditiously hold a hearing  
14 on the application, at which the director shall  
15 present evidence in support of the application. The  
16 owner of the child care home or facility against which  
17 the application is filed may also present evidence,  
18 and both parties may subpoena witnesses. The court  
19 may appoint a receiver for the child care home or  
20 facility in advance of the hearing if the director's  
21 verified application states that an emergency exists  
22 in which closure of the child care home or facility is  
23 imminent. If the owner against whose facility the  
24 receivership application is filed informs the court at  
25 or before the time set for the hearing that the owner  
26 does not object to the application, the court shall  
27 waive the hearing and at once appoint a receiver for  
28 the child care home or facility.

29 (2) The court, on the basis of the verified  
30 application and evidence presented at the hearing, may  
31 order the child care home or facility placed under  
32 receivership, and if so ordered, the court shall  
33 direct either that the receiver assume the duties of  
34 administrator of the child care home or facility or  
35 that the receiver supervise the child care home's or  
36 facility's administrator in conducting the day-to-day  
37 business of the child care home or facility. The  
38 receiver shall be empowered to control the child care

39 home's or facility's financial resources and to apply  
40 its revenues as the receiver deems necessary to  
41 continue the operation of the child care home or  
42 facility in compliance with this chapter and the rules  
43 adopted under this chapter, but shall be accountable

45 or facility's financial resources.

46 (3) A receivership established under this

48 which established it, after a hearing upon an  
49 application for termination.

50 (4) Payment of the expenses of a receivership

12 (d) Expenses incurred in the ordinary course of  
13 business, such as employee salaries and accounts  
14 payable.

15 (5) The receiver is not personally liable for the  
16 expenses of the child care home or facility during the  
17 receivership. The receiver is an employee of the  
18 state as defined in section 669.2, subsection 4, only  
19 for the purpose of defending a claim filed against the  
20 receiver. Chapter 669 applies to all suits filed  
21 against the receiver.

22 (6) This lettered paragraph "d" does not do any of  
23 the following:

24 (a) Preclude the sale or lease of a child care  
25 home or facility while the child care home or facility  
26 is in receivership, provided these actions are not  
27 taken without approval of the receiver.

28 (b) Affect the civil or criminal liability of the  
29 owner of the child care home or facility placed in  
30 receivership, for any acts or omissions of the owner  
31 which occurred before the receiver was appointed.

10 created by the location or expansion of an eligible  
11 business under the program. Any credit in excess of  
12 the tax liability for the tax year may be credited to

15 prior approval by the department of economic  
16 development in consultation with the department of  
17 revenue and finance, an eligible business whose  
18 project primarily involves the production of value-  
19 added agricultural products may elect to refund all or  
20 a portion of an unused tax credit. For purposes of  
21 this section, an eligible business includes a  
22 cooperative described in section 521 of the Internal  
23 Revenue Code which is not required to file an Iowa

 49 1A. An eligible business whose project primarily  
 50 involves the production of value-added agricultural

1 products, that elects to receive a refund of all or a  
 2 portion of an unused tax credit, shall apply to the  
 3 department of economic development for tax credit  
 4 certificates. An eligible business whose project  
 5 primarily involves the production of value-added  
 6 agricultural products shall not claim a tax credit

 11 of this section, an eligible business includes a  
 12 cooperative described in section 521 of the Internal  
 13 Revenue Code which is not required to file an Iowa  
 14 corporate income tax return, and whose project

**S-3548**

1 Amend House File 692, as amended, passed, and  
 2 reprinted by the House as follows:  
 3 1. By striking everything after the enacting  
 4 clause and inserting the following:  
 5 "Section 1. NEW SECTION. 56.14A DISCLOSURES  
 6 RELATED TO POLITICAL TELEPHONE CALLS.  
 7 For the purposes of this section, unless the  
 8 context otherwise requires:  
 9 a. "Legitimate poll" means a telephone call  
 10 conducted by a polling firm for the purpose of a  
 11 scientific poll of respondents concerning public  
 12 opinion concerning a candidate, elected public

13 official, or ballot issue that is part of a series of  
14 like telephone calls that utilizes a scientific  
15 sampling technique to produce a random sample of  
16 interviewees.

17 b. "Political telemarketing" means the canvassing  
18 of persons under the guise of performing a poll or  
19 survey, with the purpose of encouraging support of, or  
20 opposition to, a clearly identified candidate for  
21 political office or the passage or defeat of a clearly  
22 identified ballot issue.

23 2. The general assembly finds that political  
24 telephone communication is increasingly used in  
25 political campaigns in this state in a deceptive  
26 manner, including but not limited to the use of  
27 political telemarketing, also known as push-polling,  
28 in which an anonymous telephone communication is  
29 designed to appear as a legitimate poll, but is in  
30 fact used as a vehicle to sway opinion through  
31 innuendo, by the communication of certain negative  
32 information related to a candidate or ballot issue in  
33 a manner designed to suggest that such information may  
34 be true. The general assembly declares that a  
35 compelling public interest exists to identify the  
36 source of funding of telephonic communications related  
37 to elections, in order to prevent corruption and  
38 deceit at the expense of the electorate and to  
39 preserve accountability for expenditures made in  
40 connection with political campaigns.

41 3. A candidate, or the authorized representative  
42 of a candidate or the candidate's committee, who  
43 engages either in a telephone communication for the  
44 purpose of soliciting contributions or engages in  
45 political telemarketing shall disclose all of the  
46 following by the end of the telephone call:

47 a. The identity of the individual who is calling  
48 and the entity with which the individual is  
49 affiliated, if any.

50 b. The individual or entity that paid for the

Page 2

1 telephone communication. If a committee has paid for  
2 or authorized the telephone communication, the name of  
3 the committee shall be disclosed. If any person other  
4 than the candidate or candidate's committee has paid  
5 for the telephone communication, the communication  
6 shall also state whether or not the communication has  
7 been authorized by the candidate intended to benefit  
8 from the communication.

9 c. The name, telephone number, and address of an  
10 individual whom the call recipient can contact for  
11 further information regarding the telephone

12 communication.

13 4. An individual who, on behalf of, at the  
14 direction of, or in cooperation with a political  
15 committee, state statutory political committee, or  
16 county statutory political committee engages either in  
17 a telephone communication for the purpose of  
18 soliciting contributions or engages in political  
19 telemarketing shall disclose all of the following by  
20 the end of the telephone call:

21 a. The identity of the individual who is calling  
22 and the entity with which the individual is  
23 affiliated, if any.

24 b. The individual or entity that paid for the  
25 telephone communication. If a committee has paid for  
26 or authorized the telephone communication, the name of  
27 the committee shall be disclosed. If any person other  
28 than the candidate or candidate's committee has paid  
29 for the telephone communication, the communication  
30 shall also state whether or not the communication has  
31 been authorized by the candidate intended to benefit  
32 from the communication.

33 c. The name, telephone number, and address of an  
34 individual whom the call recipient can contact for  
35 further information regarding the telephone  
36 communication.

37 5. An individual who, on behalf of, at the  
38 direction of, or in cooperation with any person other  
39 than a candidate's committee, political committee,  
40 state statutory political committee, or county  
41 statutory political committee, engages either in a  
42 telephone communication for the purpose of soliciting  
43 contributions or engages in political telemarketing  
44 shall disclose all of the following by the end of the  
45 telephone call:

46 a. The identity of the individual who is calling  
47 and the entity with which the individual is  
48 affiliated, if any.

49 b. The individual or entity that paid for the  
50 telephone communication. If a committee has paid for

Page 3

1 or authorized the telephone communication, the name of  
2 the committee shall be disclosed. If any person other  
3 than the candidate or candidate's committee has paid  
4 for the telephone communication, the communication  
5 shall also state whether or not the communication has  
6 been authorized by the candidate intended to benefit  
7 from the communication.

8 c. The name, telephone number, and address of an  
9 individual whom the call recipient can contact for  
10 further information regarding the telephone

11 communication.

12 6. Any person engaging in political telemarketing  
13 shall submit to the board at least twenty-four hours  
14 prior to commencing the initial phone call the  
15 following:

16 a. A copy of the political telemarketing script to  
17 be used by the political telemarketers during the  
18 political telemarketing telephone calls.

19 b. Information that is required to be disclosed  
20 under this section to persons receiving calls.

21 7. The board shall adopt rules pursuant to chapter  
22 17A establishing procedures to administer this  
23 section.

24 Sec. 2. NEW SECTION. 56.14B PUBLICATION OF  
25 CERTAIN FALSE STATEMENTS OF FACT CONCERNING CANDIDATE  
26 PROHIBITED.

27 1. It is the intent of the general assembly that  
28 campaigns for public office not be impeded by the  
29 publication of false statements and that members of  
30 the public have trust and confidence in the electoral  
31 process. The general assembly finds that the  
32 increasing use of false statements of fact aimed at  
33 candidates for public office impedes campaigns and  
34 diminishes the trust and confidence of the public in  
35 the electoral process. It is not the intent of the  
36 general assembly to lessen political debate that  
37 furthers the ability of the public to understand the  
38 issues and positions of candidates for public office.  
39 Rather, it is the intent of the general assembly to  
40 prohibit the use of false statements of fact that  
41 impede campaigns and diminish the public's trust and  
42 confidence in the electoral process. The general  
43 assembly declares that a compelling state interest  
44 exists in prohibiting the use of false statements of  
45 fact that impede campaigns for public office in Iowa  
46 and diminish the public's trust and confidence in the  
47 electoral process.

48 2. A person shall not, with actual malice, cause  
49 to be published a false statement of fact concerning a  
50 candidate for public office involving any of the

Page 4

1 following:

2 a. The education or training of the candidate.

3 b. The current profession or occupation of the  
4 candidate or any former profession or occupation of  
5 the candidate.

6 c. Whether the candidate committed, was indicted  
7 for committing, or was convicted of committing a crime  
8 punishable by law.

9 d. Whether the candidate was subject to discipline

10 or sanction by any body of the federal government,  
11 state government, or political subdivision of the  
12 state.

13 e. Whether the candidate has received treatment  
14 for a mental illness.

15 f. Whether another person endorses or opposes the  
16 candidate.

17 g. The record of voting of a candidate if the  
18 candidate serves or formerly served in an elected  
19 office.

20 3. Any candidate for public office who alleges  
21 that a false statement of fact concerning the  
22 candidate has been published in violation of this  
23 section may file a complaint or information to the  
24 board for possible board-initiated investigation.

25 4. If the board determines that a violation did  
26 occur, the board may impose any of the recommended  
27 actions under section 68B.32D, except the board shall  
28 not refer any complaint or supporting information of a  
29 violation of this section to the attorney general or  
30 any county attorney for prosecution.

31 5. The board shall give priority to any complaint  
32 or information for possible board-initiated  
33 investigation filed under this section over all other  
34 matters pending with the board.

35 6. As used in this section:

36 a. "Actual malice" means knowledge of the falsity  
37 of a statement or reckless disregard for whether a  
38 statement is true or false.

39 b. "Public office" means any state, county, city,  
40 school, or other office of a political subdivision of  
41 the state filled by election.

42 c. "Publish" means the act of printing, posting,  
43 broadcasting, mailing, speaking, or otherwise  
44 disseminating.

45 7. This section shall not preclude the filing of a  
46 civil action based on the same facts or event giving  
47 rise to a complaint filed with the board under this  
48 section.

49 8. Section 56.16, which applies criminal penalties  
50 for violations of chapter 56, shall not apply to

Page 5

1 violations of this section.

2 Sec. 3. NEW SECTION. 56.14C STATEMENT OF FAIR  
3 CAMPAIGN PRACTICES FOR STATE OFFICES.

4 The board shall prepare a statement of fair  
5 campaign practices to assist candidates in the proper  
6 conduct of political campaigns in accordance with this  
7 chapter. A copy of the statement shall be mailed to  
8 any incumbent state officeholder running for

9 reelection to that office and to any other individual  
 10 running for elected state office that has filed a  
 11 statement of organization for that office pursuant to  
 12 section 56.5. Any individual running for elected  
 13 office for county, city, school, or other political  
 14 subdivision may request a copy of the statement.  
 15 Candidates choosing to abide by the statement shall  
 16 sign and return the statement to the board.  
 17 Compliance with the provisions of the statement shall  
 18 be voluntary on the part of any candidate choosing to  
 19 sign and return the statement to the board. The  
 20 statement prepared by the board shall be adopted by  
 21 rule pursuant to chapter 17A.  
 22 Sec. 4. SEVERABILITY. If any section of this Act,  
 23 or any portion of any section of this Act, or the  
 24 application of the Act to any person or circumstance  
 25 is found unconstitutional, invalid, or otherwise  
 26 unenforceable by a court, the remaining sections or  
 27 portions of sections shall be given effect to the  
 28 fullest extent possible."  
 29 2. By renumbering, relettering, redesignating,  
 30 and correcting internal references as necessary.

32 district shall develop an individual teacher career  
33 development plan. The individual plan shall be based,  
34 at minimum, on the needs of the teacher, the Iowa  
35 teaching standards, and the student achievement goals  
36 of the attendance center and the school district as  
37 outlined in the comprehensive school improvement plan.  
38 The individual plan shall be reviewed by the teacher  
39 and the teacher's supervisor at the teacher's annual  
40 review, and shall be modified as necessary to reflect  
41 the individual teacher's and the school district's

41 shall provide support and evaluation training for  
42 panel members and convene panels as needed.

43 3. To assure fairness and consistency in the  
44 evaluation process, the review panels may perform  
45 random audits of the comprehensive evaluations  
46 conducted by evaluators throughout the state, and may  
47 randomly review performance-based evaluation models  
48 developed by school districts in accordance with  
49 section 284.3, subsection 2. The review of the  
50 evaluation models shall ensure that the model is at

Page 11

2 to section 256.9, subsection 51.

3 4. A teacher who does not receive a recommendation  
4 from a review panel may appeal that denial to an  
5 administrative law judge located in the department of  
6 inspections and appeals. The state shall not be  
7 liable for a teacher's attorney fees, costs, or

30 district.

31 2. An administrator licensed under chapter 272 who  
32 conducts evaluations of teachers for purposes of this  
33 chapter shall complete the evaluator training program.  
34 A practitioner licensed under chapter 272 who is not  
35 an administrator may enroll in the evaluator training  
36 program. Enrollment preference shall be given to  
37 administrators. Upon successful completion, the  
38 provider shall certify that the administrator or other  
39 practitioner is qualified to conduct evaluations for  
40 employment, make recommendations for licensure, and  
41 make recommendations that a teacher is qualified to  
42 advance from one career path level to the next career  
43 path level pursuant to this chapter. Certification is  
44 for a period of five years and may be renewed.

45 3. Effective until July 1, 2004, a school district  
46 shall pay the amount of one thousand dollars for each  
47 individual who is licensed as an administrator under  
48 chapter 272 on or after July 1, 2001, and who has been  
49 certified in accordance with this section. By October  
50 1 annually, the school district shall notify the

Page 12

1 department of education of the number of individuals  
2 who have achieved certification in accordance with  
3 this section, and shall submit any documentation  
4 requested by the department.

6 approved by the state board to provide an  
7 administrator preparation program shall incorporate  
8 the evaluator training program into the program  
9 offered by the institution.

10 5. Beginning July 1, 2002, the board of  
11 educational examiners shall require certification as a  
12 condition of issuing or renewing an administrator's  
13 license.

14 6. By July 1, 2004, the director shall develop and  
15 implement an evaluator training certification renewal  
16 program for administrators and other practitioners who  
17 need to renew a certificate issued pursuant to this  
18 section.

 25 performing teachers, to reward teachers for improving  
 26 their skills and knowledge in a manner that translates  
 27 into better student learning, and to reward the staff  
 28 of school attendance centers for improvement in  
 29 student achievement.

32 A student achievement and teacher quality program  
 33 is established to promote high student achievement.  
 34 The program shall consist of the following four major

 37 section 284.7.

38 2. If a teacher is denied advancement based upon a

 40 decision to an adjudicator under the process  
 41 established under section 279.17. However, the  
 42 decision of the adjudicator is final. If a district

1 Sec. 11. NEW SECTION. 284.9 REVIEW PANEL.

2 1. A career II teacher seeking to receive an  
 3 advanced designation shall submit a portfolio of work  
 4 evidence aligned with the Iowa teaching standards to a  
 5 review panel established in accordance with subsection

6 2. A majority of the evidence in the portfolio shall  
 7 be classroom-based. The review panel shall evaluate  
 8 the career II teacher's portfolio to determine whether  
 9 the teacher demonstrates superior teaching skills and  
 10 shall make a recommendation to the board of  
 11 educational examiners whether or not the teacher shall  
 12 receive an advanced designation. The standards for  
 13 recommendation include, but are not limited to,

14 meeting the Iowa teaching standards at an advanced  
15 level.

16 2. The department shall establish up to five  
17 regional review panels consisting of five members per  
18 panel. Each panel shall include, at minimum, a  
19 nationally board-certified teacher and a school  
20 district administrator. Panel members shall be  
21 appointed by the director and shall possess the  
22 knowledge necessary to determine the quality of the  
23 evidence submitted in an applicant's portfolio. Panel  
24 members shall serve a staggered three-year term and  
25 may be reappointed to a second term. The department  
26 shall provide support and evaluation training for  
27 panel members and convene panels as needed. Panel  
28 members shall be reimbursed for mileage expenses  
29 incurred while engaged in the performance of official  
30 duties and shall receive per diem compensation by the  
31 department.

32 3. To assure fairness and consistency in the  
33 evaluation process, the review panels may perform  
34 random audits of the comprehensive evaluations  
35 conducted by evaluators throughout the state, and may  
36 randomly review performance-based evaluation models  
37 developed by school districts in accordance with  
38 section 284.3, subsection 2. The review of the  
39 evaluation models shall ensure that the model is at  
40 least equivalent to the state model developed pursuant  
41 to section 256.9, subsection 51.

42 4. A teacher who does not receive a recommendation  
43 from a review panel may appeal that denial to an  
44 administrative law judge located in the department of  
45 inspections and appeals. The state shall not be  
46 liable for a teacher's attorney fees, costs, or  
47 damages that may result from an appeal of a review  
48 panel's decision. The state board shall adopt rules  
49 to administer this section.

Page 11

1 PROGRAM.

2 1. The department shall establish an evaluator  
3 training program to improve the skills of school  
4 district evaluators in making employment decisions,  
5 making recommendations for licensure, and moving  
6 teachers through a career path as established under  
7 this chapter. The department shall consult with  
8 persons representing teachers, national board-  
9 certified teachers, administrators, school boards,  
10 higher education institutions with approved  
11 practitioner and administrator preparation programs,  
12 and with persons from the private sector knowledgeable

13 in employment evaluation and evaluator training in  
14 order to develop standards and requirements for the  
15 program. Evaluator training programs offered pursuant  
16 to this chapter may be provided by a public or private  
17 entity. The department shall distribute a list of  
18 evaluator training program providers to each school  
19 district.

20 2. An administrator licensed under chapter 272 who  
21 conducts evaluations of teachers for purposes of this  
22 chapter shall complete the evaluator training program.  
23 A practitioner licensed under chapter 272 who is not  
24 an administrator may enroll in the evaluator training  
25 program. Enrollment preference shall be given to  
26 administrators. Upon successful completion, the  
27 provider shall certify that the administrator or other  
28 practitioner is qualified to conduct evaluations for  
29 employment, make recommendations for licensure, and  
30 make recommendations that a teacher is qualified to  
31 advance from one career path level to the next career  
32 path level pursuant to this chapter. Certification is  
33 for a period of five years and may be renewed.

34 3. Effective until July 1, 2004, a school district  
35 shall be paid, from moneys allocated pursuant to  
36 section 284.13, subsection 1, paragraph "d", the  
37 amount of one thousand dollars for each individual who  
38 is licensed as an administrator under chapter 272 on  
39 or after July 1, 2001, and who has been certified in  
40 accordance with this section. The district shall  
41 compensate the administrator who achieves  
42 certification not less than one thousand dollars. If  
43 funds are available from moneys appropriated for  
44 purposes of this subsection, practitioners other than  
45 administrators who are certified in accordance with  
46 this section are eligible to be compensated in an  
47 amount determined by the department, which shall not  
48 exceed one thousand dollars and shall be prorated  
49 based upon the amount appropriated that remains after  
50 the amount needed for distribution to the

Page 12

1 administrators pursuant to this section has been  
2 determined by the department. By October 1 annually,  
3 the school district shall notify the department of  
4 education of the number of individuals who have  
5 achieved certification in accordance with this  
6 section, and shall submit any documentation requested  
7 by the department.

8 4. By July 1, 2002, a higher education institution  
9 approved by the state board to provide an  
10 administrator preparation program shall incorporate  
11 the evaluator training program into the program

12 offered by the institution.

13 5. Beginning July 1, 2002, the board of  
14 educational examiners shall require certification as a  
15 condition of issuing or renewing an administrator's  
16 license.

17 6. By July 1, 2004, the director shall develop and  
18 implement an evaluator training certification renewal  
19 program for administrators who need to renew a  
20 certificate issued pursuant to this section.

21 Sec. 13. NEW SECTION. 284.11 PILOT PROGRAM FOR  
22 TEAM-BASED VARIABLE PAY FOR STUDENT ACHIEVEMENT.

23 1. It is the intent of the general assembly to  
24 create a statewide team-based variable pay program to  
25 reward individual attendance centers for improvement  
26 in student achievement. A pilot program is  
27 established to give Iowa school districts with one or  
28 more participating attendance centers the opportunity  
29 to explore and demonstrate successful methods to  
30 implement team-based variable pay.

31 2. A participating school district may use moneys  
32 appropriated for purposes of this chapter to provide a  
33 cash award to all of the licensed practitioners at a  
34 participating attendance center that has demonstrated  
35 improvement in student achievement as provided in this  
36 section. The school district is encouraged to extend  
37 cash awards to other staff employed at the attendance  
38 center.

39 3. The principal, with the participation of a team  
40 of licensed practitioners appointed by the principal,  
41 at each participating attendance center within a  
42 school district shall annually submit district  
43 attendance center student performance goals to the  
44 school board for approval. The attendance center  
45 goals must be aligned with the school improvement  
46 goals for the district developed in accordance with  
47 section 256.7, subsection 21. The district shall  
48 determine the designation of an attendance center for  
49 purposes of this section. The attendance center  
50 student performance goals may differ from attendance

Page 13

1 center to attendance center and may contain goals and  
2 indicators in addition to the comprehensive school  
3 improvement plan. An attendance center shall  
4 demonstrate student achievement through the use of  
5 multiple measures that are valid and reliable.

6 4. Each participating district shall create its  
7 own design for a team-based pay plan linked to the  
8 district's comprehensive school improvement plan. The  
9 plan must include attendance center student  
10 performance goals, student performance levels,

11 multiple indicators to determine progress toward  
12 attendance center goals, and a system for providing  
13 financial rewards. The team-based pay plan shall be  
14 approved by the local board.

15 5. Each district team-based pay plan shall be  
16 reviewed by the department. The department shall  
17 include a review of the locally established goals,  
18 targeted levels of improvement, assessment strategies,  
19 and financial reward system.

20 6. A district electing to initiate a team-based  
21 variable pay plan according to this section during the  
22 school year beginning July 1, 2001, shall notify the  
23 department of its election in writing no later than  
24 August 1, 2001. The department shall certify the  
25 school district plan by October 1, 2001.

26 7. A team-based performance award program fund is  
27 established in the state treasury under the control of  
28 the department. The district team-based pay plan  
29 shall specify how the funding received by the district  
30 for purposes of this section is to be awarded to  
31 eligible staff in attendance centers that meet or  
32 exceed their goals. The district shall provide all  
33 attendance centers equal access to the available  
34 funds. Moneys shall be released by the department to  
35 the district only upon certification by the school  
36 board that an attendance center has met or exceeded  
37 its goals.

38 8. Moneys received for purposes of this section  
39 shall not be used for payment of any collective  
40 bargaining agreement or arbitrator's decision  
41 negotiated or awarded under chapter 20.

42 Sec. 14. NEW SECTION. 284.12 REPORT.

43 1. The department shall annually report the  
44 statewide progress on the following:

- 45 a. Students achievement scores in mathematics and  
46 reading at the fourth and eighth grade levels on a  
47 district-by-district basis.

4 2. The report shall be made available to the  
5 chairpersons and ranking members of the senate and  
6 house committees on education, the state board, the  
7 governor, and school districts by January 1. School  
8 districts shall provide information as required by the  
9 department for the compilation of the report and for

10 accounting and auditing purposes.

11 3. Subject to an appropriation of sufficient funds  
12 by the general assembly, the department shall provide  
13 for a comprehensive independent evaluation of all  
14 components of the student achievement and teacher  
15 quality program and shall submit the results of the  
16 evaluation in the report submitted pursuant to  
17 subsection 2 on January 1, 2007.

18 4. In developing administrative rules for  
19 consideration by the state board, the department shall  
20 consult with persons representing teachers,  
21 administrators, school boards, approved practitioner  
22 preparation institutions, and other appropriate  
23 education stakeholders.

24 Sec. 15. NEW SECTION. 284.13 STATE PROGRAM  
25 ALLOCATION.

26 1. For each fiscal year in which moneys are  
27 appropriated by the general assembly for purposes of  
28 the student achievement and teacher quality program,  
29 the moneys shall be allocated as follows:

30 a. For the fiscal year beginning July 1, 2001, and  
31 ending June 30, 2002, the department shall reserve up  
32 to one million dollars of any moneys appropriated for  
33 purposes of this chapter. For each fiscal year in  
34 which moneys are appropriated by the general assembly  
35 for purposes of team-based variable pay pursuant to  
36 section 284.11, the amount of moneys allocated to  
37 school districts shall be in the proportion that the  
38 basic enrollment of a school district bears to the sum  
39 of the basic enrollments of all participating school  
40 districts for the budget year. However, the per pupil  
41 amount distributed to a school district shall not  
42 exceed one hundred dollars.

43 b. For the fiscal year beginning July 1, 2001, and  
44 ending June 30, 2002, to the department of education,

Page 15

1 hundred thousand dollars for first-year beginning  
2 teachers, and for the fiscal year beginning July 1,  
3 2002, and succeeding fiscal years, an amount up to  
4 four million seven hundred thousand dollars for first-  
5 year and second-year beginning teachers, to the  
6 department of education for distribution to school  
7 districts for purposes of the beginning teacher  
8 mentoring and induction programs. A school district

9 shall receive one thousand three hundred dollars per  
10 beginning teacher participating in the program. If  
11 the funds appropriated for the program are  
12 insufficient to pay mentors and school districts as  
13 provided in this paragraph, the department shall  
14 prorate the amount distributed to school districts  
15 based upon the amount appropriated. Moneys received  
16 by a school district pursuant to this paragraph shall  
17 be expended to provide each mentor with an award of  
18 five hundred dollars per semester, at a minimum, for  
19 participation in the school district's beginning  
20 teacher mentoring and induction program; to implement  
21 the plan; and to pay any applicable costs of the  
22 employer's share of contributions to federal social  
23 security and the Iowa public employees' retirement  
24 system or a pension and annuity retirement system  
25 established under chapter 294, for such amounts paid  
26 by the district.

27 d. For the fiscal year beginning July 1, 2001, and  
28 ending June 30, 2002, up to one million five hundred  
29 thousand dollars to the department of education for  
30 purposes of establishing the evaluator training  
31 program, including but not limited to the development  
32 of criteria models; an evaluation process; the  
33 training of providers; development of a provider  
34 approval process; training materials and costs; for  
35 payment to practitioners under section 284.10,  
36 subsection 3, and to pay any applicable costs of the  
37 employer's share of contributions to federal social  
38 security and the Iowa public employees' retirement  
39 system or a pension and annuity retirement system  
40 established under chapter 294, for such amounts paid  
41 by the district; and for subsidies to school districts  
42 for training costs.

47 program requirements of section 284.6, and the review  
48 panel requirements of section 284.9.

49 f. For the fiscal year beginning July 1, 2001, and  
50 ending June 30, 2002, the amount of moneys remaining

Page 16

1 from funds appropriated for purposes of this chapter  
2 after distribution as provided in paragraphs "a"  
3 through "e" and "g" shall be allocated to school  
4 districts in accordance with the following formula:  
5 (1) Fifty percent of the allocation shall be in  
6 the proportion that the basic enrollment of a school  
7 district bears to the sum of the basic enrollments of

8 all school districts in the state for the budget year.

9 (2) Fifty percent of the allocation shall be based  
10 upon the proportion that the number of full-time  
11 equivalent teachers employed by a school district  
12 bears to the sum of the number of full-time equivalent  
13 teachers who are employed by all school districts in  
14 the state for the base year.

15 g. From moneys available under paragraph "f", the  
16 department shall allocate to area education agencies  
17 an amount per classroom teacher employed by an area  
18 education agency that is approximately equivalent to  
19 the average per teacher amount allocated to the  
20 districts. The average per teacher amount shall be  
21 calculated by dividing the total number of classroom  
22 teachers employed by school districts and the  
23 classroom teachers employed by area education agencies  
24 into the total amount of moneys available under  
25 subsection 3.

26 2. A school district that is unable to meet the  
27 provisions of section 284.7, subsection 1, with funds  
28 allocated pursuant to subsection 1, paragraph "f", may  
29 request a waiver from the department to use funds  
30 appropriated under chapter 256D to meet the provisions  
31 of section 284.7, subsection 1, if the difference  
32 between the funds allocated to the school district  
33 pursuant to subsection 1, paragraph "f", and the  
34 amount required to comply with section 284.7,  
35 subsection 1, is not less than ten thousand dollars.  
36 The department shall consider the average class size  
37 of the school district, the school district's actual  
38 unspent balance from the preceding year, and the  
39 school district's current financial position.

40 3. If a school district does not choose to  
41 participate in the student achievement and teacher  
42 quality program during the school year beginning July  
43 1, 2001, the amount of moneys to be allocated to the  
44 school district pursuant to subsection 1, paragraph  
45 "f", shall be held for the school district by the  
46 department until June 30, 2003, or until the school  
47 district participates in the program, whichever occurs  
48 earlier. Notwithstanding section 8.33, unencumbered  
49 or unobligated funds remaining on June 30, 2002, shall  
50 not revert but shall be available for expenditure for

Page 17

1 the following fiscal year for the purposes of this  
2 chapter.

3 4. Moneys received by a school district under this  
4 chapter are miscellaneous income for purposes of  
5 chapter 257 or are considered encumbered. A school  
6 district shall maintain a separate listing within its

7 budget for payments received and expenditures made  
8 pursuant to this section.

9 Sec. 16. Section 256.9, Code 2001, is amended by  
10 adding the following new subsection:

12 knowledge and skill criteria, based upon the Iowa  
13 teaching standards, for the evaluation, the  
14 advancement, and for teacher career development  
15 purposes pursuant to chapter 284. The model criteria

1 purchase of real or personal property for use by a  
2 state agency if a constitutional majority of each  
3 house of the general assembly authorizes, and the  
4 governor approves, the treasurer of state to issue  
5 such bonds. The treasurer of state shall have all of

6 the powers necessary to issue and secure bonds for the  
7 purposes set forth in this section. The treasurer of  
8 state may issue bonds in principal amounts that are  
9 necessary to provide sufficient funds for the purposes  
10 authorized by the general assembly and the governor,  
11 the payment of interest on the bonds, the  
12 establishment of reserves to secure the bonds, the  
13 costs of issuance of the bonds, other expenditures of  
14 the treasurer of state incident to and necessary or  
15 convenient to carry out the bond issue for the  
16 authorized purchase of real or personal property. The  
17 bonds are investment securities and negotiable  
18 instruments within the meaning of and for purposes of  
19 the uniform commercial code.

20 2. Bonds issued under this section are payable  
21 solely and only out of moneys deposited in a special  
22 fund established by the general assembly and  
23 authorized by the governor and designated for the  
24 specific authorized purchase of real or personal  
25 property, and any bond reserve funds established for  
26 the specific authorized purchase, all of which may be  
27 deposited with trustees or depositories in accordance  
28 with bond or security documents and pledged by the  
29 treasurer to the payment thereof. Bonds issued under  
30 this section shall contain on their face a statement  
31 that the bonds do not constitute an indebtedness of  
32 the state. The treasurer of state shall not pledge  
33 the credit or taxing power of this state or any  
34 political subdivision of this state or make bonds  
35 issued pursuant to this section payable out of any  
36 moneys except moneys deposited in a special fund  
37 designated for the specific authorized purchase.

38 3. The proceeds of bonds issued by the treasurer  
39 of state and not required for immediate disbursement  
40 may be deposited with a trustee or depository as  
41 provided in the bond documents and invested or  
42 reinvested in any investment as directed by the  
43 department of general services and specified in the  
44 trust indenture, resolution, or other instrument  
45 pursuant to which the bonds are issued without regard  
46 to any limitation otherwise provided by law.

47 4. The bonds shall be:

48 a. In a form, issued in denominations, executed in  
49 a manner, and payable over terms and with rights of  
50 redemption, and be subject to such other terms and

Page 3

1 conditions as prescribed in the trust indenture,  
2 resolution, or other instrument authorizing their  
3 issuance.

4 b. Negotiable instruments under the laws of the

5 state and may be sold at prices, at public or private  
6 sale, and in a manner, as prescribed by the treasurer  
7 of state. Chapters 73A, 74, 74A, and 75 do not apply  
8 to the sale or issuance of the bonds.

9 c. Subject to the terms, conditions, and covenants  
10 providing for the payment of the principal, redemption  
11 premiums, if any, interest, and other terms,  
12 conditions, covenants, and protective provisions  
13 safeguarding payment, not inconsistent with this  
14 section and as determined by the trust indenture,  
15 resolution, or other instrument authorizing their  
16 issuance.

17 5. The bonds are securities in which public  
18 officers and bodies of this state; political  
19 subdivisions of this state; insurance companies and  
20 associations and other persons carrying on an  
21 insurance business; banks, trust companies, savings  
22 associations, savings and loan associations, and  
23 investment companies; administrators, guardians,  
24 executors, trustees, and other fiduciaries; and other  
25 persons authorized to invest in bonds or other  
26 obligations of the state, may properly and legally  
27 invest funds, including capital, in their control or  
28 belonging to them.

29 6. Bonds must be authorized by a trust indenture,  
30 resolution, or other instrument of the treasurer of  
31 state approved by the department of general services.  
32 However, a trust indenture, resolution, or other  
33 instrument authorizing the issuance of bonds may  
34 delegate to an employee of the department of general  
35 services the power to negotiate and fix the details of  
36 an issue of bonds.

37 7. Neither the resolution or trust agreement, or  
38 any other instrument by which a pledge is created  
39 needs to be recorded or filed under the Iowa uniform  
40 commercial code to be valid, binding, or effective.

41 8. Bonds issued under this section are declared to  
42 be issued for a general public and governmental  
43 purpose and all bonds issued under this section shall  
44 be exempt from taxation by the state of Iowa and the  
45 interest on the bonds shall be exempt from the state  
46 income tax and the state inheritance and estate tax.

47 9. The treasurer of state may issue bonds for the  
48 purpose of refunding any bonds or notes issued  
49 pursuant to this section then outstanding, including  
50 the payment of any redemption premiums thereon and any

Page 4

1 interest accrued or to accrue to the date of  
2 redemption of the outstanding bonds or notes. Until  
3 the proceeds of bonds issued for the purpose of

4 refunding outstanding bonds or notes are applied to  
5 the purchase or retirement of outstanding bonds or  
6 notes or the redemption of outstanding bonds or notes,  
7 the proceeds may be placed in escrow and be invested  
8 and reinvested in accordance with the provisions of  
9 this section. The interest, income, and profits  
10 earned or realized on an investment may also be  
11 applied to the payment of the outstanding bonds or  
12 notes to be refunded by purchase, retirement, or  
13 redemption. After the terms of the escrow have been  
14 fully satisfied and carried out, any balance of  
15 proceeds and interest earned or realized on the  
16 investments may be returned to the treasurer for  
17 deposit in the special fund designated for the  
18 specific authorized purchase. All refunding bonds  
19 shall be issued and secured and subject to the  
20 provisions of this chapter in the same manner and to  
21 the same extent as other bonds issued pursuant to this  
22 section.

23 Sec. \_\_\_\_ NEW SECTION. 12.29A MULTIPURPOSE  
24 LABORATORY FACILITY CONSTRUCTION FUND.

25 1. A multipurpose laboratory facility construction  
26 fund is created and established as a separate and  
27 distinct fund in the state treasury. The moneys are  
28 appropriated to the department of general services for  
29 purposes of construction of a multipurpose laboratory  
30 facility that will provide space for the use of the  
31 state medical examiner, for the laboratories of the  
32 department of agriculture and land stewardship and the  
33 division of criminal investigation of the department  
34 of public safety, and for the board of regents  
35 hygienic laboratory. The department may use the funds  
36 for purchasing land for construction of the facility,  
37 for planning, design, and construction of the  
38 facility, and for purchasing laboratory and  
39 telecommunications equipment for the facility.

40 2. The treasurer of state shall act as custodian  
41 of the fund and disburse moneys contained in the fund  
42 as directed by the department of general services,  
43 including automatic disbursements of funds received  
44 pursuant to the terms of bond indentures and documents  
45 and security provisions to trustees. The fund shall  
46 be administered by the department which shall make  
47 expenditures from the fund for expenses related to the  
48 purposes described in subsection 1 without further  
49 appropriation.

50 3. Revenue for the multipurpose laboratory

Page 5

1 facility construction fund shall include, but is not  
2 limited to, the following, which shall be deposited

3 with the treasurer of state or the treasurer's  
4 designee, as provided by any bond or security  
5 documents and credited to the fund:

6 a. The proceeds of bonds issued to capitalize and  
7 pay the costs of the fund and investment earnings on  
8 the proceeds.

9 b. Interest attributable to investment of moneys  
10 in the fund or on account of the fund.

11 c. Moneys in the form of a devise, gift, bequest,  
12 donation, federal or other grant, reimbursement,  
13 repayment, judgment, transfer, payment, or  
14 appropriation from any source intended to be used for  
15 purposes of the fund.

16 4. Moneys in the multipurpose laboratory facility  
17 construction fund are not subject to section 8.33.  
18 Notwithstanding section 12C.7, subsection 2, interest  
19 or earnings on moneys in the fund shall be credited to  
20 the fund.

21 5. a. The treasurer of state may create and  
22 establish one or more special funds, to be known as  
23 "bond reserve funds", to secure one or more issues of  
24 bonds or notes issued pursuant to section 12.29. The  
25 treasurer of state shall pay into each bond reserve  
26 fund any moneys appropriated and made available by the  
27 state or the treasurer for the purpose of the fund,  
28 any proceeds of sale of notes or bonds to the extent  
29 provided in the resolutions authorizing their  
30 issuance, and any other moneys which may be available  
31 to the treasurer for the purpose of the fund from any  
32 other sources. All moneys held in a bond reserve  
33 fund, except as otherwise provided in this chapter,  
34 shall be used as required solely for the payment of  
35 the principal of bonds secured in whole or in part by  
36 the fund or of the sinking fund payments with respect  
37 to the bonds, the purchase or redemption of the bonds,  
38 the payment of interest on the bonds, or the payments  
39 of any redemption premium required to be paid when the  
40 bonds are redeemed prior to maturity.

41 b. Moneys in a bond reserve fund shall not be  
42 withdrawn from it at any time in an amount that will  
43 reduce the amount of the fund to less than the bond  
44 reserve fund requirement established for the fund, as  
45 provided in this subsection, except for the purpose of  
46 making, with respect to bonds secured in whole or in  
47 part by the fund, payment when due of principal,  
48 interest, redemption premiums, and the sinking fund  
49 payments with respect to the bonds for the payment of  
50 which other moneys of the treasurer are not available.

Page 6

1 Any income or interest earned by, or incremental to, a  
2 bond reserve fund due to the investment of it may be  
3 transferred by the treasurer to other funds or  
4 accounts to the extent the transfer does not reduce  
5 the amount of that bond reserve fund below the bond  
6 reserve fund requirement for it.

7 c. The treasurer of state shall not at any time  
8 issue bonds, secured in whole or in part by a bond  
9 reserve fund if, upon the issuance of the bonds, the  
10 amount in the bond reserve fund will be less than the  
11 bond reserve fund requirement for the fund, unless the  
12 treasurer at the time of issuance of the bonds  
13 deposits in the fund from the proceeds of the bonds  
14 issued or from other sources an amount which, together  
15 with the amount then in the fund will not be less than  
16 the bond reserve fund requirement for the fund. For  
17 the purposes of this subsection, the term "bond  
18 reserve fund requirement" means, as of any particular  
19 date of computation, an amount of money, as provided  
20 in the resolutions authorizing the bonds with respect  
21 to which the fund is established.

22 d. To assure the continued solvency of any bonds  
23 secured by the bond reserve fund, provision is made in  
24 paragraph "a" for the accumulation in each bond  
25 reserve fund of an amount equal to the bond reserve  
26 fund requirement for the fund. In order further to  
27 assure maintenance of the bond reserve funds, the  
28 treasurer shall, on or before January 1 of each  
29 calendar year, make and deliver to the governor the  
30 treasurer's certificate stating the sum, if any,  
31 required to restore each bond reserve fund to the bond  
32 reserve fund requirement for that fund. Within thirty  
33 days after the beginning of the session of the general  
34 assembly next following the delivery of the  
35 certificate, the governor shall submit to both houses  
36 printed copies of a budget including the sum, if any,  
37 required to restore each bond reserve fund to the bond  
38 reserve fund requirement for that fund. Any sums  
39 appropriated by the general assembly and paid to the  
40 treasurer pursuant to this subsection shall be  
41 deposited by the authority in the applicable bond  
42 reserve fund.

43 6. Enactment of this section constitutes  
44 authorization by the general assembly and approved by  
45 the governor, as required under sections 12.29 and  
46 18.12A, for the issuance of bonds by the treasurer of  
47 state under section 12.29 for the purposes described  
48 in this section up to an aggregate principal amount of  
49 sixty-two million dollars.

50 Sec. \_\_. NEW SECTION. 12.29B PLEDGES.

Page 7

1 It is the intention of the general assembly that a  
2 pledge made in respect to bonds or notes shall be  
3 valid and binding from the time the pledge is made,  
4 that the moneys or property so pledged and received  
5 after the pledge by the treasurer of state shall  
6 immediately be subject to the lien of the pledge  
7 without physical delivery or further act, and that the  
8 lien of the pledge shall be valid and binding as

 25 and representatives of the faculty, elected by the  
 26 faculty, to establish criteria based upon models  
 27 developed pursuant to section 256.9, subsection 51.  
 28 If the parties are unable to reach agreement, however,  
 29 the model criteria shall become the school district's  
 30 criteria. These criteria shall be in addition to  
 31 criteria otherwise agreed to under chapter 20.

32 Sec. 5. NEW SECTION. 284.4 PARTICIPATION.

33 1. A school district is eligible to receive moneys

9 district comprehensive school improvement plan.  
10 2. By July 1, 2003, each school district shall  
11 participate in the student achievement and teacher  
12 quality program.  
13 Sec. 6. NEW SECTION. 284.5 BEGINNING TEACHER  
14 MENTORING AND INDUCTION PROGRAM.  
15 1. A beginning teacher mentoring and induction  
16 program is created to promote excellence in teaching,  
17 enhance student achievement, build a supportive  
18 environment within school districts, increase the  
19 retention of promising beginning teachers, and promote  
20 the personal and professional well-being of classroom  
21 teachers. Prior to the completion of the 2001-2002  
22 school year, a school district shall, at a minimum,  
23 provide an approved beginning teacher mentoring and  
24 induction program for all classroom teachers who are  
25 beginning teachers.  
26 2. The state board shall adopt rules to administer  
27 this section.  
28 3. Notwithstanding subsection 1, a school district  
29 may provide a beginning teacher mentoring and

41 develop an initial beginning teacher mentoring and  
42 induction plan. The plan shall be included in the  
43 school district's comprehensive school improvement  
44 plan submitted pursuant to section 256.7, subsection  
45 21. The beginning teacher induction plan shall, at a

11 program evaluation.

12 5. Upon completion of the program, the beginning  
13 teacher shall be comprehensively evaluated to  
14 determine if the teacher meets expectations to move to  
15 the career level. The school district shall recommend  
16 a beginning teacher who has successfully completed the  
17 program for an educational license. A school district  
18 may offer a teacher a third year of participation in  
19 the program if, after conducting a comprehensive  
20 evaluation, the school district determines that the  
21 teacher is likely to successfully complete the  
22 mentoring and induction program by the end of the  
23 third year of eligibility. A teacher granted a third  
24 year of eligibility shall develop a teacher's  
25 mentoring and induction program plan in accordance  
26 with this chapter and shall undergo a comprehensive  
27 evaluation at the end of the third year. The board of  
28 educational examiners shall grant a one-year extension  
29 of the beginning teacher's provisional license upon  
30 notification by the school district that the teacher  
31 will participate in a third year of the school

3 improvement in instructional practice and the effect  
4 on student learning.  
5 2. The department shall identify models of career  
6 development practices that produce evidence of the  
7 link between teacher training and improved student  
8 learning.  
9 3. A participating school district shall  
10 incorporate a district career development plan into  
11 the district's comprehensive school improvement plan  
12 submitted to the department in accordance with section  
13 256.7, subsection 21. The district career development  
14 plan shall include a description of the means by which  
15 the school district will provide access to all  
16 teachers in the district to career development  
17 programs or offerings that meet the requirements of  
18 subsection 1. The plan shall align all career

24 4. In cooperation with the teacher's supervisor,  
25 the teacher employed by a participating school  
26 district shall develop an individual teacher career  
27 development plan. The individual plan shall be based,  
28 at minimum, on the needs of the teacher, the Iowa  
29 teaching standards, and the student achievement goals  
30 of the attendance center and the school district as  
31 outlined in the comprehensive school improvement plan.  
32 The individual plan shall be reviewed by the teacher

33 and the teacher's supervisor on a periodic basis to  
 34 reflect the individual teacher's and the school  
 35 district needs and the individual's progress in the  
 36 plan.

37 5. School districts, a consortium of school  
 38 districts, area education agencies, higher education  
 39 institutions, and other public or private entities  
 40 including professional associations may be approved by  
 41 the state board to provide teacher career development.  
 42 The career development program or offering shall, at  
 43 minimum, meet the requirements of subsection 1. The  
 44 state board shall adopt rules for the approval of  
 45 career development providers and standards for the  
 46 district career development plan.

49 To promote continuous improvement in Iowa's quality  
 50 teaching workforce and to give Iowa teachers the

Page 7

1 opportunity for career recognition that reflects the  
 2 various roles teachers play as educational leaders, an  
 3 Iowa teacher career path is established for teachers  
 4 employed by participating school districts. A  
 5 participating school district shall use funding  
 6 allocated under section 284.13, subsection 1,

38 the minimum career teacher salary. In conjunction  
39 with the development of the review panel pursuant to  
40 section 284.9, the department shall make  
41 recommendations to the general assembly by January 1,  
42 2002, regarding the appropriate district-to-district  
43 recognition for advanced teachers and methods that  
44 facilitate the transition of a teacher to the advanced

46 3. A teacher shall be promoted one level at a time

10 Sec. 9. NEW SECTION. 284.8 EVALUATION  
11 REQUIREMENTS.

12 1. In addition to evaluations agreed upon under

19 minimum, classroom observation of the teacher, the  
20 teacher's progress and implementation of the teacher's  
21 individual career development plan, and should include  
22 supporting documentation from other supervisors,  
23 teachers, parents, and students. A teacher may be  
24 comprehensively evaluated for purposes of performance  
25 review and shall be comprehensively evaluated for  
26 advancement in the career path established pursuant to  
27 section 284.7.

28 2. If a teacher is denied advancement based upon a  
29 comprehensive evaluation, the teacher may appeal the

30 decision to an adjudicator under the process  
31 established under section 279.17. However, the  
32 decision of the adjudicator is final. If a district  
33 does not recommend a teacher for continued employment  
34 or licensure based upon a comprehensive evaluation,  
35 the provisions of sections 279.14, 279.17, and 279.18  
36 shall apply. A teacher may file one cause of action  
37 objecting to the contents or procedures of a  
38 comprehensive evaluation and the objections shall not  
39 be subject to the grievance procedures negotiated in  
40 accordance with chapter 20.

41 Sec. 10. NEW SECTION. 284.9 REVIEW PANEL.

42 1. A career II teacher seeking to receive an  
43 advanced designation shall submit a portfolio of work  
44 evidence aligned with the Iowa teaching standards to a  
45 review panel established in accordance with subsection  
46 2. A majority of the evidence in the portfolio shall  
47 be classroom-based. The review panel shall evaluate  
48 the career II teacher's portfolio to determine whether  
49 the teacher demonstrates superior teaching skills and  
50 shall make a recommendation to the board of

Page 10

1 educational examiners whether or not the teacher shall  
2 receive an advanced designation. The standards for  
3 recommendation include, but are not limited to,  
4 meeting the Iowa teaching standards at an advanced  
5 level.

6 2. The department shall establish up to five  
7 regional review panels consisting of five members per  
8 panel. Each panel shall include, at minimum, a  
9 nationally board-certified teacher and a school  
10 district administrator. Panel members shall be  
11 appointed by the director and shall possess the  
12 knowledge necessary to determine the quality of the  
13 evidence submitted in an applicant's portfolio. Panel  
14 members shall serve a staggered three-year term and  
15 may be reappointed to a second term. The department  
16 shall provide support and evaluation training for  
17 panel members and convene panels as needed. Panel  
18 members shall be reimbursed for mileage expenses  
19 incurred while engaged in the performance of official  
20 duties and shall receive per diem compensation by the  
21 department.

22 3. To assure fairness and consistency in the  
23 evaluation process, the review panels may perform  
24 random audits of the comprehensive evaluations  
25 conducted by evaluators throughout the state, and may  
26 randomly review performance-based evaluation models  
27 developed by school districts in accordance with  
28 section 284.3, subsection 2. The review of the

29 evaluation models shall ensure that the model is at  
30 least equivalent to the state model developed pursuant  
31 to section 256.9, subsection 51.

32 4. A teacher who does not receive a recommendation  
33 from a review panel may appeal that denial to an  
34 administrative law judge located in the department of  
35 inspections and appeals. The state shall not be  
36 liable for a teacher's attorney fees, costs, or  
37 damages that may result from an appeal of a review  
38 panel's decision. The state board shall adopt rules  
39 to administer this section.

40 Sec. 11. NEW SECTION. 284.10 EVALUATOR TRAINING  
41 PROGRAM.

42 1. The department shall establish an evaluator  
43 training program to improve the skills of school  
44 district evaluators in making employment decisions,  
45 making recommendations for licensure, and moving  
46 teachers through a career path as established under  
47 this chapter. The department shall consult with  
48 persons representing teachers, national board-  
49 certified teachers, administrators, school boards,  
50 higher education institutions with approved

Page 11

1 practitioner and administrator preparation programs,  
2 and with persons from the private sector knowledgeable  
3 in employment evaluation and evaluator training in  
4 order to develop standards and requirements for the  
5 program. Evaluator training programs offered pursuant  
6 to this chapter may be provided by a public or private  
7 entity. The department shall distribute a list of  
8 evaluator training program providers to each school  
9 district.

10 2. An administrator licensed under chapter 272 who  
11 conducts evaluations of teachers for purposes of this  
12 chapter shall complete the evaluator training program.  
13 A practitioner licensed under chapter 272 who is not  
14 an administrator may enroll in the evaluator training  
15 program. Enrollment preference shall be given to  
16 administrators. Upon successful completion, the  
17 provider shall certify that the administrator or other  
18 practitioner is qualified to conduct evaluations for  
19 employment, make recommendations for licensure, and  
20 make recommendations that a teacher is qualified to  
21 advance from one career path level to the next career  
22 path level pursuant to this chapter. Certification is  
23 for a period of five years and may be renewed.

24 3. Effective until July 1, 2004, a school district  
25 shall be paid, from moneys allocated pursuant to  
26 section 284.13, subsection 1, paragraph "d", the  
27 amount of one thousand dollars for each individual who

28 is licensed as an administrator under chapter 272 on  
29 or after July 1, 2001, and who has been certified in  
30 accordance with this section. The district shall  
31 compensate the administrator who achieves  
32 certification not less than one thousand dollars. If  
33 funds are available from moneys appropriated for  
34 purposes of this subsection, practitioners other than  
35 administrators who are certified in accordance with  
36 this section are eligible to be compensated in an  
37 amount determined by the department, which shall not  
38 exceed one thousand dollars and shall be prorated  
39 based upon the amount appropriated that remains after  
40 the amount needed for distribution to the  
41 administrators pursuant to this section has been  
42 determined by the department. By October 1 annually,  
43 the school district shall notify the department of  
44 education of the number of individuals who have  
45 achieved certification in accordance with this  
46 section, and shall submit any documentation requested  
47 by the department.  
48 4. By July 1, 2002, a higher education institution  
49 approved by the state board to provide an  
50 administrator preparation program shall incorporate

Page 12

1 the evaluator training program into the program  
2 offered by the institution.  
3 5. Beginning July 1, 2002, the board of  
4 educational examiners shall require certification as a  
5 condition of issuing or renewing an administrator's  
6 license.  
7 6. By July 1, 2004, the director shall develop and  
8 implement an evaluator training certification renewal  
9 program for administrators who need to renew a  
10 certificate issued pursuant to this section.  
11 Sec. 12. **NEW SECTION. 284.11 PILOT PROGRAM FOR**  
12 **TEAM-BASED VARIABLE PAY FOR STUDENT ACHIEVEMENT.**  
13 1. It is the intent of the general assembly to  
14 create a statewide team-based variable pay program to  
15 reward individual attendance centers for improvement  
16 in student achievement. A pilot program is  
17 established to give Iowa school districts with one or  
18 more participating attendance centers the opportunity  
19 to explore and demonstrate successful methods to  
20 implement team-based variable pay.  
21 2. A participating school district may use moneys  
22 appropriated for purposes of this chapter to provide a  
23 cash award to all of the licensed practitioners at a  
24 participating attendance center that has demonstrated  
25 improvement in student achievement as provided in this  
26 section. The school district is encouraged to extend

27 cash awards to other staff employed at the attendance  
28 center.

29 3. The principal, with the participation of a team  
30 of licensed practitioners appointed by the principal,  
31 at each participating attendance center within a  
32 school district shall annually submit district  
33 attendance center student performance goals to the  
34 school board for approval. The attendance center  
35 goals must be aligned with the school improvement  
36 goals for the district developed in accordance with  
37 section 256.7, subsection 21. The district shall  
38 determine the designation of an attendance center for  
39 purposes of this section. The attendance center  
40 student performance goals may differ from attendance  
41 center to attendance center and may contain goals and  
42 indicators in addition to the comprehensive school  
43 improvement plan. An attendance center shall  
44 demonstrate student achievement through the use of  
45 multiple measures that are valid and reliable.

46 4. Each participating district shall create its  
47 own design for a team-based pay plan linked to the  
48 district's comprehensive school improvement plan. The  
49 plan must include attendance center student  
50 performance goals, student performance levels,

Page 13

1 multiple indicators to determine progress toward  
2 attendance center goals, and a system for providing  
3 financial rewards. The team-based pay plan shall be  
4 approved by the local board.

5 5. Each district team-based pay plan shall be  
6 reviewed by the department. The department shall  
7 include a review of the locally established goals,  
8 targeted levels of improvement, assessment strategies,  
9 and financial reward system.

10 6. A district electing to initiate a team-based  
11 variable pay plan according to this section during the  
12 school year beginning July 1, 2001, shall notify the  
13 department of its election in writing no later than  
14 August 1, 2001. The department shall certify the  
15 school district plan by October 1, 2001.

16 7. A team-based performance award program fund is  
17 established in the state treasury under the control of  
18 the department. The district team-based pay plan  
19 shall specify how the funding received by the district  
20 for purposes of this section is to be awarded to  
21 eligible staff in attendance centers that meet or  
22 exceed their goals. The district shall provide all  
23 attendance centers equal access to the available  
24 funds. Moneys shall be released by the department to  
25 the district only upon certification by the school

26 board that an attendance center has met or exceeded  
27 its goals.

28 8. Moneys received for purposes of this section  
29 shall not be used for payment of any collective  
30 bargaining agreement or arbitrator's decision  
31 negotiated or awarded under chapter 20.

32 Sec. 13. NEW SECTION. 284.12 REPORT.

33 1. The department shall annually report the  
34 statewide progress on the following:

35 a. Students achievement scores in mathematics and  
36 reading at the fourth and eighth grade levels on a  
37 district-by-district basis.

38 b. Improvement in teacher compensation.

39 c. Evaluator training program.

40 d. Team-based variable pay for student

14 Sec. 14. NEW SECTION. 284.13 STATE PROGRAM  
15 ALLOCATION.

16 1. For each fiscal year in which moneys are  
17 appropriated by the general assembly for purposes of  
18 the student achievement and teacher quality program,  
19 the moneys shall be allocated as follows:

20 a. For the fiscal year beginning July 1, 2001, and  
21 ending June 30, 2002, the department shall reserve up  
22 to one million dollars of any moneys appropriated for  
23 purposes of this chapter. For each fiscal year in  
24 which moneys are appropriated by the general assembly

25 for purposes of team-based variable pay pursuant to  
26 section 284.11, the amount of moneys allocated to  
27 school districts shall be in the proportion that the  
28 basic enrollment of a school district bears to the sum  
29 of the basic enrollments of all participating school  
30 districts for the budget year. However, the per pupil  
31 amount distributed to a school district shall not  
32 exceed one hundred dollars.

33 b. For the fiscal year beginning July 1, 2001, and

47 districts for purposes of the beginning teacher  
48 mentoring and induction programs. A school district  
49 shall receive one thousand three hundred dollars per  
50 beginning teacher participating in the program. If

Page 15

1 the funds appropriated for the program are  
2 insufficient to pay mentors and school districts as  
3 provided in this paragraph, the department shall  
4 prorate the amount distributed to school districts  
5 based upon the amount appropriated. Moneys received  
6 by a school district pursuant to this paragraph shall  
7 be expended to provide each mentor with an award of  
8 five hundred dollars per semester, at a minimum, for  
9 participation in the school district's beginning  
10 teacher mentoring and induction program; to implement  
11 the plan; and to pay any applicable costs of the  
12 employer's share of contributions to federal social  
13 security and the Iowa public employees' retirement  
14 system or a pension and annuity retirement system  
15 established under chapter 294, for such amounts paid  
16 by the district.

17 d. For the fiscal year beginning July 1, 2001, and  
18 ending June 30, 2002, up to one million five hundred  
19 thousand dollars to the department of education for  
20 purposes of establishing the evaluator training  
21 program, including but not limited to the development  
22 of criteria models; an evaluation process; the  
23 training of providers; development of a provider

24 approval process; training materials and costs; for  
25 payment to practitioners under section 284.10,  
26 subsection 3, and to pay any applicable costs of the  
27 employer's share of contributions to federal social  
28 security and the Iowa public employees' retirement  
29 system or a pension and annuity retirement system  
30 established under chapter 294, for such amounts paid  
31 by the district; and for subsidies to school districts  
32 for training costs.

33 e. For the fiscal year beginning July 1, 2001, and  
34 ending June 30, 2002, up to one million five hundred  
35 thousand dollars to the department of education for  
36 purposes of implementing the career development  
37 program requirements of section 284.6, and the review  
38 panel requirements of section 284.9.

39 f. For the fiscal year beginning July 1, 2001, and  
40 ending June 30, 2002, the amount of moneys remaining  
41 from funds appropriated for purposes of this chapter  
42 after distribution as provided in paragraphs "a"  
43 through "e" and "g" shall be allocated to school  
44 districts in accordance with the following formula:

45 (1) Fifty percent of the allocation shall be in  
46 the proportion that the basic enrollment of a school  
47 district bears to the sum of the basic enrollments of  
48 all school districts in the state for the budget year.

49 (2) Fifty percent of the allocation shall be based  
50 upon the proportion that the number of full-time

Page 16

1 equivalent teachers employed by a school district  
2 bears to the sum of the number of full-time equivalent  
3 teachers who are employed by all school districts in  
4 the state for the base year.

5 g. From moneys available under paragraph "f", the  
6 department shall allocate to area education agencies  
7 an amount per classroom teacher employed by an area  
8 education agency that is approximately equivalent to  
9 the average per teacher amount allocated to the  
10 districts. The average per teacher amount shall be  
11 calculated by dividing the total number of classroom  
12 teachers employed by school districts and the  
13 classroom teachers employed by area education agencies  
14 into the total amount of moneys available under  
15 subsection 3.

16 2. A school district that is unable to meet the  
17 provisions of section 284.7, subsection 1, with funds  
18 allocated pursuant to subsection 1, paragraph "f", may  
19 request a waiver from the department to use funds  
20 appropriated under chapter 256D to meet the provisions  
21 of section 284.7, subsection 1, if the difference  
22 between the funds allocated to the school district

23 pursuant to subsection 1, paragraph "f", and the  
 24 amount required to comply with section 284.7,  
 25 subsection 1, is not less than ten thousand dollars.  
 26 The department shall consider the average class size  
 27 of the school district, the school district's actual  
 28 unspent balance from the preceding year, and the  
 29 school district's current financial position.

30 3. If a school district does not choose to  
 31 participate in the student achievement and teacher  
 32 quality program during the school year beginning July  
 33 1, 2001, the amount of moneys to be allocated to the  
 34 school district pursuant to subsection 1, paragraph  
 35 "f", shall be held for the school district by the  
 36 department until June 30, 2003, or until the school  
 37 district participates in the program, whichever occurs  
 38 earlier. Notwithstanding section 8.33, unencumbered  
 39 or unobligated funds remaining on June 30, 2002, shall  
 40 not revert but shall be available for expenditure for  
 41 the following fiscal year for the purposes of this  
 42 chapter.

43 4. Moneys received by a school district under this  
 44 chapter are miscellaneous income for purposes of  
 45 chapter 257 or are considered encumbered. A school  
 46 district shall maintain a separate listing within its  
 47 budget for payments received and expenditures made  
 48 pursuant to this section.

49 Sec. 15. Section 256.9, Code 2001, is amended by  
 50 adding the following new subsection:

1 b. The institution providing the nontraditional  
2 practitioner preparation internship program shall  
3 enter into a written agreement with a school district,  
4 under terms and conditions as agreed upon by the  
5 contracting parties, providing that the school  
6 district will provide interns seeking a nontraditional  
7 conditional teaching license with a one-year classroom  
8 teaching experience in which the intern team teaches  
9 with a practitioner, who is licensed in accordance  
10 with chapter 272, and who shall be responsible for the  
11 management of the classroom until the intern receives  
12 a nontraditional conditional teaching license.  
13 Interns teaching in a school district under the terms  
14 of such a contract are entitled to the same protection  
15 under section 670.8, as is afforded by that section to  
16 officers and other employees of the school district,  
17 during the time they are so assigned.  
18 c. An individual must successfully complete the  
19 first course of study prior to receiving a  
20 nontraditional conditional license pursuant to section  
21 272.2, subsection 13, paragraphs "a" and "b".  
22 However, an intern shall not be issued a  
23 nontraditional conditional license to teach until the  
24 intern successfully completes the one-year classroom  
25 teaching experience, except as provided in paragraph  
26 "d".  
27 d. Except as provided in section 272.6, if the  
28 institution providing the approved internship program  
29 and the school district employing an intern submit to  
30 the board of educational examiners a recommendation  
31 for licensure of the intern, and the intern has  
32 completed at least six weeks of the classroom teaching  
33 experience, the intern shall be issued a  
34 nontraditional conditional teaching license by the  
35 board of educational examiners.  
36 e. Prior to licensure as an administrator or a  
37 provisional teacher, unless the requirement is waived

38 in accordance with this subsection for interns seeking  
39 licensure under section 272.2, subsection 13,  
40 paragraph "b", an individual shall successfully  
41 complete the second twelve-semester-hour, or the  
42 trimester or quarter equivalent, course of study in  
43 accordance with section 272.2, subsection 13. The  
44 institution providing the approved practitioner  
45 preparation internship program may waive all or part  
46 of the second course of an intern's study based upon  
47 the institution's comprehensive evaluation of the  
48 intern.

49 f. The institution that delivers the coursework to  
50 a practitioner pursuant to this subsection shall,

Page 3

1 along with the school district that employs the  
2 conditional practitioner, supervise the conditional  
3 practitioner during the practitioner's year of  
4 employment under a nontraditional conditional license,  
5 and shall, in consultation with the practitioner's  
6 evaluator at the school district of employment, submit  
7 to the board of educational examiners a comprehensive  
8 evaluation of the practitioner's performance by July 1  
9 following the practitioner's year of employment under  
10 a nontraditional conditional license. If the  
11 comprehensive evaluation establishes that the  
12 conditional practitioner's performance fails to meet  
13 the standards of the approved nontraditional  
14 practitioner preparation internship program, the  
15 individual shall not be admitted to a second course of  
16 study offered by an approved nontraditional  
17 practitioner preparation internship program.

18 g. The tuition charged by an institution for  
19 participation in an approved nontraditional  
20 practitioner preparation internship program shall not  
21 exceed the resident tuition rate for one full-time  
22 semester of study established for institutions of  
23 higher learning under the control of the state board  
24 of regents.

 39 conditional license and successfully completes the  
 40 second course of study set forth in section 256.16,  
 41 subsection 3.

42 c. A person issued a nontraditional conditional or

 49 district determines that the individual is likely to  
 50 successfully complete the mentoring and induction

13 Sec. \_\_\_\_ STATE BOARD OF REGENTS BONDING.

14 1. FINDINGS. The general assembly finds that:

15 a. Pursuant to section 262A.3, the state board of  
16 regents prepared and within seven days after the

18 State of Iowa, First Session, submitted to the  
19 Seventy-ninth General Assembly, First Session, for  
20 approval the proposed five-year building program for  
21 each institution of higher learning under the  
22 jurisdiction of the board, containing a list of the  
23 buildings and facilities which the board deems  
24 necessary to further the educational objectives of the  
25 institutions, together with an estimate of the cost of  
26 each of the buildings and facilities and an estimate  
27 of the maximum amount of revenue bonds which the board  
28 expects to issue under chapter 262A for the fiscal  
29 period beginning July 1, 2001, and ending June 30,  
30 2003.

31 b. The projects contained in the capital  
32 improvement program are deemed necessary for the  
33 proper performance of the instructional, research, and  
34 service functions of the institutions.

35 c. Section 262A.4 provides that the state board of  
36 regents, after authorization by a constitutional  
37 majority of each house of the general assembly and  
38 approval by the governor, may undertake and carry out  
39 at the institutions of higher learning under the  
40 jurisdiction of the board any project as defined in  
41 chapter 262A.

42 d. Chapter 262A authorizes the state board of  
43 regents to borrow moneys and to issue and sell  
44 negotiable revenue bonds to pay all or any part of the  
45 cost of carrying out projects at any institution  
46 payable solely from and secured by an irrevocable  
47 pledge of a sufficient portion of the student fees and  
48 charges and institutional income received by the  
49 particular institution.

50 e. To further the educational objectives of the

1 institutions, the state board of regents requests  
2 authorization to undertake and carry out certain

3 projects at this time and to finance their costs by  
4 borrowing moneys and issuing negotiable bonds under  
5 chapter 262A in a total amount provided in this Act,

7 appropriations or by federal or other funds lawfully  
8 available.

15 year building program submitted by the state board of  
16 regents beyond the portion that is financed and  
17 approved by the Seventy-ninth General Assembly, First  
18 Session, and the governor.

19 b. During the fiscal period that commences July 1,  
20 2001, and that ends June 30, 2003, the maximum amount  
21 of bonds which the state board of regents expects to  
22 issue under chapter 262A, unless additional bonding is  
23 authorized, is set forth in this Act, all or any part  
24 of which may be issued during the fiscal year ending  
25 June 30, 2002, and if all of that amount is not issued  
26 during that fiscal year, any remaining balance may be  
27 issued during the fiscal year ending June 30, 2003,  
28 and this plan of financing is approved.

30 authorized to undertake, plan, construct, equip, and  
31 otherwise carry out the following projects at the  
32 institutions of higher learning under the jurisdiction

 34 prerequisite for entering an order pursuant to this  
 35 section. However, the inclusion of such a finding  
 36 determination, supported by the record, may assist the

21 adding the following new subsection:

22 NEW SUBSECTION. 16B. ELECTRIC POWER GENERATING  
23 FACILITY EMISSIONS.

24 a. It is the intent of the general assembly that  
25 the state, through a collaborative effort involving  
26 state agencies and affected generation owners, provide  
27 for compatible statewide environmental and electric  
28 energy policies with respect to regulated emissions  
29 from rate-regulated electric power generating  
30 facilities in the state that are fueled by coal. Each  
31 rate-regulated public utility that is an owner of one  
32 or more electric power generating facilities fueled by  
33 coal and located in this state on June 1, 2001, shall  
34 develop a multiyear plan and budget for managing  
35 regulated emissions from its facilities in a cost-  
36 effective manner.

37 (1) The initial multiyear plan and budget shall be  
38 filed with the board by April 1, 2002. Updates to the  
39 plan and budget shall be filed at least every twenty-  
40 four months.

41 (2) Copies of the initial plan and budget, as well  
42 as any subsequent updates, shall be served on the  
43 environmental protection division of the department of  
44 natural resources.

45 (3) The initial multiyear plan and budget and any  
46 subsequent updates shall be considered in a contested  
47 case proceeding pursuant to chapter 17A. The  
48 environmental protection division of the department of  
49 natural resources and the consumer advocate shall  
50 participate as parties to the proceeding.

Page 2

1 (4) The department of natural resources shall  
2 state whether the plan or update meets applicable  
3 state environmental requirements for regulated  
4 emissions. If the plan does not meet these  
5 requirements, the department shall recommend  
6 amendments that outline actions necessary to bring the  
7 plan or update into compliance with the environmental  
8 requirements.

9 b. The board shall not approve a plan or update  
10 that does not meet applicable state environmental

11 requirements and ambient air quality standards for  
 12 regulated emissions from electric power generating  
 13 facilities located in the state.

14 c. The board shall review the plan or update and  
 15 the associated budget, and shall approve the plan or  
 16 update and the associated budget if the plan or update  
 17 and the associated budget are reasonably expected to  
 18 achieve cost effective compliance with applicable  
 19 state environmental requirements and federal ambient  
 20 air quality standards. In reaching its decision, the  
 21 board shall consider whether the plan or update and  
 22 the associated budget reasonably balance costs,  
 23 environmental requirements, economic development  
 24 potential, and the reliability of the electric  
 25 generation and transmission system.

26 d. The board shall issue an order approving or  
 27 rejecting a plan, update, or budget within one hundred  
 28 eighty days after the public utility's filing is  
 29 deemed complete; however, upon good cause shown, the  
 30 board may extend the time for issuing the order as  
 31 follows:

32 (1) The board may grant an extension of thirty  
 33 days.

34 (2) The board may grant more than one extension,  
 35 but each extension must rely upon a separate showing  
 36 of good cause.

37 (3) A subsequent extension must not be granted any  
 38 earlier than five days prior to the expiration of the  
 39 original one-hundred-eighty-day period, or the current  
 40 extension.

41 e. The reasonable costs incurred by a rate-  
 42 regulated public utility in preparing and filing the  
 43 plan, update, or budget and in participating in the  
 44 proceedings before the board and the reasonable costs  
 45 associated with implementing the plan, update, or  
 46 budget shall be included in its regulated retail  
 47 rates.

48 f. It is the intent of the general assembly that  
 49 the board, in an environmental plan, update, or  
 50 associated budget filed under this section by a rate-

Page 3

1 regulated public utility, may limit investments or

 31 principles are necessary for the commitment of capital  
 32 to the new facility.

33 (2) The rate-regulated public utility has in

 35 programs designed to reduce peak loads.

36 (3) The rate-regulated public utility has in  
 37 effect a board-approved energy efficiency plan as  
 38 required under section 476.6, subsection 19.

39 (4) The rate-regulated public utility has

 41 considered other sources for long-term electric supply  
 42 and that the facility or lease is reasonable when  
 43 compared to other feasible alternative sources of  
 44 supply. The rate-regulated public utility may satisfy  
 45 the requirements of this subparagraph through a

4 following:

5 "Sec. 101. Section 96.7, subsection 12, paragraphs  
6 a, c, and d, Code 2001, are amended to read as

11 equal in amount to one-tenth of one percent of federal  
12 taxable wages, as defined in section 96.19, subsection  
13 37, paragraph "b", subject to the surcharge formula to  
14 be developed by the department under this paragraph.  
15 The department shall develop a surcharge formula that  
16 provides a target revenue level of no greater than six  
17 million five hundred twenty-five thousand dollars  
18 annually. The department shall reduce the  
19 administrative contribution surcharge established for  
20 any calendar year proportionate to any federal  
21 government funding that provides an increased  
22 allocation of moneys for workforce development

24 financing reform legislation. Any administrative  
25 contribution surcharge revenue that is collected in  
26 2002 in excess of six million five hundred twenty-five

29 department establishes the administrative contribution  
30 surcharge. The department shall recompute the amount  
31 as a percentage of taxable wages, as defined in  
32 section 96.19, subsection 37, and shall add the  
33 percentage surcharge to the employer's contribution  
34 rate determined under this section. The percentage  
35 surcharge shall be capped at a maximum of seven  
36 dollars per employee. The department shall adopt  
37 rules prescribing the manner in which the surcharge  
38 will be collected. Interest shall accrue on all  
39 unpaid surcharges under this subsection at the same  
40 rate as on regular contributions and shall be  
41 collectible in the same manner. Interest accrued and  
42 collected under this paragraph and interest earned and  
43 credited to the fund under paragraph "b" shall be used  
44 by the department only for the purposes set forth in  
45 paragraph "c".

46 c. Moneys in the fund shall be used by the  
47 department only upon appropriation by the general  
48 assembly and only for personnel and nonpersonnel costs  
49 of rural and satellite departmental offices in

18 Sec. 102. RURAL AND SATELLITE DEPARTMENTAL OFFICES

20 establish performance measures for each workforce  
21 development office site based on the job seeker  
22 entered employment rate, the job seeker employment  
23 retention rate, the job seeker average wage at  
24 placement, the job seeker customer satisfaction  
25 rating, the number of employers served, and the  
26 employer customer satisfaction rating, and shall  
27 conduct an annual review of the performance measures.

28 The department, in the annual departmental offices  
29 review, shall consider the feasibility of  
30 consolidating some of the rural and satellite  
31 departmental offices to better serve the public. In  
32 addition, the department shall conduct a comprehensive  
33 analysis of the efficiency and effectiveness of the  
34 department's field office system, including the  
35 geographic distribution of the offices.

36 The department shall prepare a report of its annual  
37 departmental offices review findings that sets forth  
38 specific review findings for each office site. The  
39 report shall contain information gathered in the  
40 review as well as information concerning the success  
41 of colocation efforts at community colleges throughout  
42 the state, the services provided to employers with  
43 fifty or fewer employees, the rent or lease costs  
44 associated with each office site and the building  
45 square footage at each office site, and efforts to  
46 pursue other funding sources.

47 The department shall submit a report of its annual  
48 departmental offices review to the governor and  
49 general assembly by December 21, 2001, by December 21,  
50 2002, and by December 21, 2003.

 16 "Sec. \_\_\_. WORKFORCE ATTRITION PROGRAM AND FUND.  
 17 1. For the fiscal year beginning July 1, 2001, and  
 18 ending June 30, 2002, the department of management  
 19 shall establish a workforce attrition program. The  
 20 department shall administer the program as necessary  
 21 to achieve the goal of eliminating full-time  
 22 equivalent positions in the executive branch of state  
 23 government that approximate the number of executive  
 24 branch employees who voluntarily retire during the

25 fiscal year.

26 2. a. The department shall establish a workforce  
27 attrition fund to receive transfers of moneys from  
28 executive branch agencies and departments representing  
29 unused general fund wages and benefits, after payment  
30 for vacation or sick leave benefits, of employees who  
31 retire during the fiscal year.

32 b. Unless an exception is authorized in accordance  
33 with paragraph "c", if an employee of an executive  
34 branch department or agency voluntarily retires during  
35 the fiscal year, the department or agency shall  
36 transfer to the workforce attrition fund the remaining  
37 amount of general fund salary and benefits, after  
38 payment for vacation or sick leave benefits, that  
39 would have been expended had the retired employee  
40 remained on the payroll for the balance of the fiscal  
41 year. In lieu of reporting in accordance with section  
42 8.39, the department of management shall report  
43 monthly to the legislative fiscal committee and the  
44 legislative fiscal bureau concerning the transfers  
45 made to the workforce attrition fund.

46 c. The department or agency table of organization  
47 shall be revised to reflect the elimination of an  
48 equivalent number of positions as retire in the  
49 department or agency during the fiscal year. However,  
50 if the department determines that eliminating a full-

Page 2

1 time equivalent position would severely impact the  
2 department's or agency's mission or services, the  
3 department or agency may appeal to the department of  
4 management for an exception. If the department of  
5 management concurs with the department's or agency's  
6 determination, the exception shall be granted, the  
7 transfer to the workforce attrition fund shall not be  
8 made, and the table of organization shall not be  
9 revised.

10 3. Moneys transferred to the workforce attrition  
11 fund are not subject to further transfer under section  
12 8.39 or any other provision of law and shall not be  
13 encumbered or obligated unless appropriated. The  
14 moneys in the workforce attrition fund at the close of  
15 the fiscal year beginning July 1, 2001, shall be  
16 transferred to the general fund of the state and the  
17 program and fund shall be eliminated."

19 following:

20 "Sec. \_\_\_\_ Section 12.72, subsection 4, Code 2001,  
21 is amended by striking the subsection and inserting in  
22 lieu thereof the following:

23 4. a. The treasurer of state may create and

24 establish one or more special funds, to be known as  
25 "bond reserve funds", to secure one or more issues of  
26 bonds or notes issued pursuant to section 12.71. The  
27 treasurer of state shall pay into each bond reserve  
28 fund any moneys appropriated and made available by the  
29 state or the treasurer for the purpose of the fund,  
30 any proceeds of sale of notes or bonds to the extent  
31 provided in the resolutions authorizing their  
32 issuance, and any other moneys which may be available  
33 to the treasurer for the purpose of the fund from any  
34 other sources. All moneys held in a bond reserve  
35 fund, except as otherwise provided in this chapter,  
36 shall be used as required solely for the payment of  
37 the principal of bonds secured in whole or in part by  
38 the fund or of the sinking fund payments with respect  
39 to the bonds, the purchase or redemption of the bonds,  
40 the payment of interest on the bonds, or the payments  
41 of any redemption premium required to be paid when the  
42 bonds are redeemed prior to maturity.  
43 b. Moneys in a bond reserve fund shall not be  
44 withdrawn from it at any time in an amount that will  
45 reduce the amount of the fund to less than the bond  
46 reserve fund requirement established for the fund, as  
47 provided in this subsection, except for the purpose of  
48 making, with respect to bonds secured in whole or in  
49 part by the fund, payment when due of principal,  
50 interest, redemption premiums, and the sinking fund

Page 3

1 payments with respect to the bonds for the payment of  
2 which other moneys of the treasurer are not available.  
3 Any income or interest earned by, or incremental to, a  
4 bond reserve fund due to the investment of it may be  
5 transferred by the treasurer to other funds or  
6 accounts to the extent the transfer does not reduce  
7 the amount of that bond reserve fund below the bond  
8 reserve fund requirement for it.  
9 c. The treasurer of state shall not at any time  
10 issue bonds, secured in whole or in part by a bond  
11 reserve fund if, upon the issuance of the bonds, the  
12 amount in the bond reserve fund will be less than the  
13 bond reserve fund requirement for the fund, unless the  
14 treasurer at the time of issuance of the bonds  
15 deposits in the fund from the proceeds of the bonds  
16 issued or from other sources an amount which, together  
17 with the amount then in the fund will not be less than  
18 the bond reserve fund requirement for the fund. For  
19 the purposes of this subsection, the term "bond  
20 reserve fund requirement" means, as of any particular  
21 date of computation, an amount of money, as provided  
22 in the resolutions authorizing the bonds with respect

23 to which the fund is established.

24 d. To assure the continued solvency of any bonds  
25 secured by the bond reserve fund, provision is made in  
26 paragraph "a" for the accumulation in each bond  
27 reserve fund of an amount equal to the bond reserve  
28 fund requirement for the fund. In order further to  
29 assure maintenance of the bond reserve funds, the  
30 treasurer shall, on or before January 1 of each  
31 calendar year, make and deliver to the governor the  
32 treasurer's certificate stating the sum, if any,  
33 required to restore each bond reserve fund to the bond  
34 reserve fund requirement for that fund. Within thirty  
35 days after the beginning of the session of the general  
36 assembly next following the delivery of the  
37 certificate, the governor shall submit to both houses  
38 printed copies of a budget including the sum, if any,  
39 required to restore each bond reserve fund to the bond  
40 reserve fund requirement for that fund. Any sums

47 lieu thereof the following:

48 4. a. The treasurer of state may create and  
49 establish one or more special funds, to be known as  
50 "bond reserve funds", to secure one or more issues of

Page 4

1 bonds or notes issued pursuant to section 12.81. The  
2 treasurer of state shall pay into each bond reserve  
3 fund any moneys appropriated and made available by the  
4 state or the treasurer for the purpose of the fund,  
5 any proceeds of sale of notes or bonds to the extent  
6 provided in the resolutions authorizing their  
7 issuance, and any other moneys which may be available  
8 to the treasurer for the purpose of the fund from any  
9 other sources. All moneys held in a bond reserve  
10 fund, except as otherwise provided in this chapter,  
11 shall be used as required solely for the payment of  
12 the principal of bonds secured in whole or in part by  
13 the fund or of the sinking fund payments with respect  
14 to the bonds, the purchase or redemption of the bonds,  
15 the payment of interest on the bonds, or the payments  
16 of any redemption premium required to be paid when the  
17 bonds are redeemed prior to maturity.

18 b. Moneys in a bond reserve fund shall not be  
19 withdrawn from it at any time in an amount that will  
20 reduce the amount of the fund to less than the bond  
21 reserve fund requirement established for the fund, as

22 provided in this subsection, except for the purpose of  
23 making, with respect to bonds secured in whole or in  
24 part by the fund, payment when due of principal,  
25 interest, redemption premiums, and the sinking fund  
26 payments with respect to the bonds for the payment of  
27 which other moneys of the treasurer are not available.  
28 Any income or interest earned by, or incremental to, a  
29 bond reserve fund due to the investment of it may be  
30 transferred by the treasurer to other funds or  
31 accounts to the extent the transfer does not reduce  
32 the amount of that bond reserve fund below the bond  
33 reserve fund requirement for it.

34 c. The treasurer of state shall not at any time  
35 issue bonds, secured in whole or in part by a bond  
36 reserve fund if, upon the issuance of the bonds, the  
37 amount in the bond reserve fund will be less than the  
38 bond reserve fund requirement for the fund, unless the  
39 treasurer at the time of issuance of the bonds  
40 deposits in the fund from the proceeds of the bonds  
41 issued or from other sources an amount which, together  
42 with the amount then in the fund will not be less than  
43 the bond reserve fund requirement for the fund. For  
44 the purposes of this subsection, the term "bond  
45 reserve fund requirement" means, as of any particular  
46 date of computation, an amount of money, as provided  
47 in the resolutions authorizing the bonds with respect  
48 to which the fund is established.

49 d. To assure the continued solvency of any bonds  
50 secured by the bond reserve fund, provision is made in

Page 5

1 paragraph "a" for the accumulation in each bond  
2 reserve fund of an amount equal to the bond reserve  
3 fund requirement for the fund. In order further to  
4 assure maintenance of the bond reserve funds, the  
5 treasurer shall, on or before January 1 of each  
6 calendar year, make and deliver to the governor the  
7 treasurer's certificate stating the sum, if any,  
8 required to restore each bond reserve fund to the bond  
9 reserve fund requirement for that fund. Within thirty  
10 days after the beginning of the session of the general  
11 assembly next following the delivery of the  
12 certificate, the governor shall submit to both houses  
13 printed copies of a budget including the sum, if any,  
14 required to restore each bond reserve fund to the bond  
15 reserve fund requirement for that fund. Any sums  
16 appropriated by the general assembly and paid to the  
17 treasurer pursuant to this subsection shall be  
18 deposited by the authority in the applicable bond  
19 reserve fund."

7 adding the following new subsection:

8 NEW SUBSECTION. 16B. ELECTRIC POWER GENERATING  
9 FACILITY EMISSIONS.

10 a. It is the intent of the general assembly that  
11 the state, through a collaborative effort involving  
12 state agencies and affected generation owners, provide  
13 for compatible statewide environmental and electric  
14 energy policies with respect to regulated emissions  
15 from rate-regulated electric power generating  
16 facilities in the state that are fueled by coal. Each  
17 rate-regulated public utility that is an owner of one  
18 or more electric power generating facilities fueled by  
19 coal and located in this state on July 1, 2001, shall  
20 develop a multiyear plan and budget for managing  
21 regulated emissions from its facilities in a cost-  
22 effective manner.

23 (1) The initial multiyear plan and budget shall be  
24 filed with the board by April 1, 2002. Updates to the  
25 plan and budget shall be filed at least every twenty-  
26 four months.

27 (2) Copies of the initial plan and budget, as well  
28 as any subsequent updates, shall be served on the  
29 environmental protection division of the department of  
30 natural resources.

31 (3) The initial multiyear plan and budget and any  
32 subsequent updates shall be considered in a contested  
33 case proceeding pursuant to chapter 17A. The  
34 environmental protection division of the department of  
35 natural resources and the consumer advocate shall  
36 participate as parties to the proceeding.

37 (4) The department of natural resources shall  
38 state whether the plan or update meets applicable  
39 state environmental requirements for regulated  
40 emissions. If the plan does not meet these  
41 requirements, the department shall recommend  
42 amendments that outline actions necessary to bring the  
43 plan or update into compliance with the environmental  
44 requirements.

45 b. The board shall not approve a plan or update  
46 that does not meet applicable state environmental  
47 requirements and federal ambient air quality standards  
48 for regulated emissions from electric power generating  
49 facilities located in the state.

50 c. The board shall review the plan or update and

Page 5

1 the associated budget, and shall approve the plan or  
2 update and the associated budget if the plan or update  
3 and the associated budget are reasonably expected to  
4 achieve cost effective compliance with applicable  
5 state environmental requirements and federal ambient  
6 air quality standards. In reaching its decision, the  
7 board shall consider whether the plan or update and  
8 the associated budget reasonably balance costs,  
9 environmental requirements, economic development  
10 potential, and the reliability of the electric  
11 generation and transmission system.

12 d. The board shall issue an order approving or  
13 rejecting a plan, update, or budget within one hundred  
14 eighty days after the public utility's filing is  
15 deemed complete; however, upon good cause shown, the  
16 board may extend the time for issuing the order as  
17 follows:

18 (1) The board may grant an extension of thirty  
19 days.

20 (2) The board may grant more than one extension,  
21 but each extension must rely upon a separate showing  
22 of good cause.

23 (3) A subsequent extension must not be granted any  
24 earlier than five days prior to the expiration of the  
25 original one-hundred-eighty-day period, or the current  
26 extension.

27 e. The reasonable costs incurred by a rate-  
28 regulated public utility in preparing and filing the  
29 plan, update, or budget and in participating in the  
30 proceedings before the board and the reasonable costs  
31 associated with implementing the plan, update, or  
32 budget shall be included in its regulated retail  
33 rates.

34 f. It is the intent of the general assembly that  
35 the board, in an environmental plan, update, or  
36 associated budget filed under this section by a rate-  
37 regulated public utility, may limit investments or  
38 expenditures that are proposed to be undertaken prior  
39 to the time that the environmental benefit to be  
40 produced by the investment or expenditure would be  
41 required by state or federal law.

42 g. The board shall report to the general assembly  
43 by January 21, 2003, on the appropriateness and  
44 desirability of requiring the municipal utilities and  
45 the rural electric cooperatives to file multiyear  
46 plans and budgets for managing regulated emissions  
47 from their electric power generating facilities fueled  
48 by coal and located in this state, similar to the  
49 process required for rate-regulated public utilities  
50 under this subsection.

Page 6

1 Sec. 11. NEW SECTION. 476.47 ALTERNATE ENERGY  
2 PURCHASE PROGRAMS.

3 1. Beginning January 1, 2004, all electric  
4 utilities, whether or not rate-regulated under this  
5 chapter, shall offer alternate energy purchase  
6 programs to all customers, based on energy produced by  
7 alternate energy production facilities in Iowa.

8 2. The board shall require electric utilities to  
9 file plans for alternate energy purchase programs  
10 offered pursuant to this section.

11 a. Rate-regulated electric utilities shall file  
12 plans for alternate energy purchase programs that  
13 allow customers to contribute voluntarily to the  
14 development of alternate energy in Iowa, and shall  
15 file tariffs as required by the board by rule.

16 b. Electric utilities that are not rate-regulated  
17 shall offer alternate energy purchase programs at  
18 rates determined by their governing authority, and  
19 shall file tariffs with the board for informational  
20 purposes only.

21 3. The electric utility shall notify consumers of  
22 its alternate energy purchase program and any proposed  
23 modifications to such program at least sixty days  
24 prior to implementation of the program or any  
25 modification.

26 4. For purposes of this section, an electric  
27 utility may base its program on energy produced by an  
28 alternate energy production facility located outside  
29 of Iowa under any of the following circumstances:

30 a. The energy is purchased by the electric utility  
31 pursuant to a contract in effect prior to July 1,  
32 2001, and continues until the expiration of the  
33 contract, including any options to renew that are  
34 exercised by the electric utility.

35 b. The electric utility has a financial interest,  
36 as of July 1, 2001, in the alternate energy production  
37 facility that is located outside of Iowa, or in an  
38 entity that has a financial interest in an alternate  
39 energy production facility located outside of Iowa.

40 c. The energy is purchased by an electric utility  
41 that is not rate-regulated and that is required to  
42 purchase all of its electric power requirements from a  
43 single supplier that is physically located outside of  
44 Iowa.

45 5. This section shall not apply to non-rate-  
46 regulated electric utilities physically located  
47 outside of Iowa that serve Iowa customers.

48 Sec. 12. Section 476.53, Code 2001, is amended by  
49 striking the section and inserting in lieu thereof the  
50 following:

Page 7

1 476.53 ELECTRIC GENERATING AND TRANSMISSION  
2 FACILITIES.

3 1. It is the intent of the general assembly to  
4 attract the development of electric power generating  
5 and transmission facilities within the state in  
6 sufficient quantity to ensure reliable electric  
7 service to Iowa consumers and provide economic  
8 benefits to the state.

9 2. The general assembly's intent with regard to  
10 the development of electric power generating and  
11 transmission facilities, as provided in subsection 1,  
12 shall be implemented in a manner that is cost-  
13 effective and compatible with the environmental  
14 policies of the state, as expressed in Title XI.

15 3. a. If a rate-regulated public utility files an  
16 application pursuant to section 476A.3 to construct in  
17 Iowa a baseload electric power generating facility  
18 with a nameplate generating capacity equal to or  
19 greater than three hundred megawatts or a combined-  
20 cycle electric power generating facility, or an  
21 alternate energy production facility as defined in  
22 section 476.42, or if a rate-regulated public utility  
23 leases or owns in Iowa, in whole or in part, a new  
24 baseload electric power generating facility with a  
25 nameplate generating capacity equal to or greater than  
26 three hundred megawatts or a combined-cycle electric  
27 power generating facility, or a new alternate energy  
28 production facility as defined in section 476.42, the  
29 board shall specify in advance, by order issued after  
30 a contested case proceeding, the ratemaking principles  
31 that will apply when the costs of the facility are  
32 included in regulated electric rates.

33 b. In determining the applicable ratemaking  
34 principles, the board shall not be limited to  
35 traditional ratemaking principles or traditional cost  
36 recovery mechanisms.

37 c. In determining the applicable ratemaking  
38 principles, the board shall make the following  
39 findings:

40 (1) The rate-regulated public utility has in  
41 effect a board-approved energy efficiency plan as  
42 required under section 476.6, subsection 19.

43 (2) The rate-regulated public utility has  
44 demonstrated to the board that the public utility has  
45 considered other sources for long-term electric supply  
46 and that the facility or lease is reasonable when  
47 compared to other feasible alternative sources of  
48 supply. The rate-regulated public utility may satisfy  
49 the requirements of this subparagraph through a  
50 competitive bidding process, under rules adopted by

Page 8

1 the board, that demonstrate the facility or lease is a  
2 reasonable alternative to meet its electric supply  
3 needs.

4 d. The applicable ratemaking principles shall be  
5 determined in a contested case proceeding, which  
6 proceeding may be combined with the proceeding for  
7 issuance of a certificate conducted pursuant to  
8 chapter 476A.

9 e. The order setting forth the applicable  
10 ratemaking principles shall be issued prior to the  
11 commencement of construction or lease of the facility.

12 f. Following issuance of the order, the rate-  
13 regulated public utility shall have the option of  
14 proceeding with construction or lease of the facility  
15 in Iowa, or withdrawing its application for a  
16 certificate under chapter 476A.

17 g. Notwithstanding any provision of this chapter  
18 to the contrary, the ratemaking principles established  
19 by the order issued pursuant to paragraph "e" shall be  
20 binding with regard to the specific electric power  
21 generating facility in any subsequent rate proceeding.

22 Sec. 13. Section 476A.4, Code 2001, is amended by  
23 adding the following new subsection:

24 NEW SUBSECTION. 5. A proceeding for the issuance  
25 of a certificate under section 476A.5 may be  
26 consolidated with a contested case proceeding for  
27 determination of applicable ratemaking principles  
28 under section 476.53.

29 Sec. 14. Section 476A.6, Code 2001, is amended to  
30 read as follows:

31 476A.6 DECISION -- CRITERIA.

32 The board shall render a decision on the  
33 application in an expeditious manner. A certificate  
34 shall be issued to the applicant if the board finds  
35 all of the following:

36 1. The services and operations resulting from the  
37 construction of the facility are ~~required by the~~  
38 ~~present or future public convenience, use and~~  
39 ~~necessity consistent with legislative intent as~~  
40 expressed in section 476.53 and the economic

45 ~~services and~~ construct, maintain, and operate the  
46 facility pursuant to the provisions of the certificate

2 reasonable utilization of air, land, and water  
3 resources, for beneficial purposes considering  
4 available technology and the economics of available  
5 alternatives.

6 ~~4. The applicant, if a public utility as defined  
7 in section 476.1, has in effect a comprehensive energy  
8 management program designed to reduce peak loads and  
9 to increase efficiency of use of energy by all classes  
10 of customers of the utility, and the facility in the  
11 application is necessary notwithstanding the existence  
12 of the comprehensive energy management program. As  
13 used in this subsection, a "comprehensive energy  
14 management program" includes at a minimum the  
15 following:~~

16 ~~a. Establishment of load management and  
17 interruptible service programs, where cost effective.~~

18 ~~b. Development of wheeling agreements and other  
19 energy sharing agreements, where cost effective with  
20 utilities that have available capacity.~~

29 investment in facilities owned by other persons.~~

30 ~~6. The applicant, if a public utility as defined  
31 in section 476.1, has considered all feasible  
32 alternatives to the proposed facility including  
33 nongeneration alternatives; has ranked those  
34 alternatives by cost; has implemented the least cost  
35 alternatives first; and the facility in the  
36 application is necessary notwithstanding the  
37 implementation of these alternatives.~~

38 Sec. 15. Section 476A.7, Code 2001, is amended by  
39 adding the following new subsection:

40 NEW SUBSECTION. 3. Pursuant to the provisions of  
41 section 476.53, a rate-regulated public utility shall  
42 have the option of withdrawing its application for  
43 issuance of a certificate at any time prior to the  
44 issuance of the certificate, or after the certificate  
45 has been issued.

### S-3716

1 Amend House File 757, as passed by the House, as  
2 follows:  
3 1. By striking everything after the enacting  
4 clause and inserting the following:  
5 "Section 1. Section 422.4, subsection 1,  
6 paragraphs b and c, Code 2001, are amended to read as  
7 follows:  
8 b. "Cumulative inflation factor" means the product  
9 of the annual inflation factor for the ~~1988~~ 2001  
10 calendar year and all annual inflation factors for  
11 subsequent calendar years as determined pursuant to  
12 this subsection. The cumulative inflation factor  
13 applies to all tax years beginning on or after January  
14 1 of the calendar year for which the latest annual  
15 inflation factor has been determined.  
16 c. The annual inflation factor for the ~~1988~~ 2001  
17 calendar year is one hundred percent.  
18 Sec. 2. Section 422.5, subsection 1, paragraphs a  
19 through i, Code 2001, are amended by striking the  
20 paragraphs and inserting in lieu thereof the  
21 following:  
22 a. On all taxable income from zero through eight  
23 thousand dollars, one and eighty-five hundredths  
24 percent.  
25 b. On all taxable income exceeding eight thousand  
26 dollars but not exceeding forty thousand dollars, five  
27 and three-tenths percent.  
28 c. On all taxable income exceeding forty thousand  
29 dollars but not exceeding sixty thousand dollars, six  
30 and thirty-five hundredths percent.  
31 d. On all taxable income exceeding sixty thousand  
32 dollars, six and six-tenths percent.  
33 Sec. 3. Section 422.5, subsection 1, paragraph j,  
34 Code 2001, is amended to read as follows:  
35 ~~j. e.~~ (1) The tax imposed upon the taxable  
36 income of a nonresident shall be computed by reducing  
37 the amount determined pursuant to paragraphs "a"  
38 through ~~"i"~~ "d" by the amounts of nonrefundable  
39 credits under this division and by multiplying this  
40 resulting amount by a fraction of which the  
41 nonresident's net income allocated to Iowa, as  
42 determined in section 422.8, subsection 2, paragraph  
43 "a", is the numerator and the nonresident's total net

44 income computed under section 422.7 is the  
45 denominator. This provision also applies to  
46 individuals who are residents of Iowa for less than  
47 the entire tax year.

48 (2) The tax imposed upon the taxable income of a  
49 resident shareholder in an S corporation which has in  
50 effect for the tax year an election under subchapter S

Page 2

1 of the Internal Revenue Code and carries on business  
2 within and without the state may be computed by  
3 reducing the amount determined pursuant to paragraphs  
4 "a" through "d" by the amounts of nonrefundable  
5 credits under this division and by multiplying this  
6 resulting amount by a fraction of which the resident's  
7 net income allocated to Iowa, as determined in section  
8 422.8, subsection 2, paragraph "b", is the numerator  
9 and the resident's total net income computed under  
10 section 422.7 is the denominator. If a resident  
11 shareholder has elected to take advantage of this  
12 subparagraph, and for the next tax year elects not to  
13 take advantage of this subparagraph, the resident  
14 shareholder shall not reelect to take advantage of  
15 this subparagraph for the three tax years immediately  
16 following the first tax year for which the shareholder  
17 elected not to take advantage of this subparagraph,  
18 unless the director consents to the reelection. This  
19 subparagraph also applies to individuals who are  
20 residents of Iowa for less than the entire tax year.  
21 This subparagraph shall not affect the amount of  
22 the taxpayer's checkoff to the Iowa election campaign  
23 fund under section 56.18, the checkoff for the fish  
24 and game fund in section 456A.16, the credits from tax  
25 provided in sections 422.10, 422.11A, and 422.12 and  
26 the allocation of these credits between spouses if the  
27 taxpayers filed separate returns or separately on  
28 combined returns.

29 Sec. 4. Section 422.5, subsection 1, paragraph k,  
30 Code 2001, is amended by relettering the paragraph as  
31 paragraph f.

32 Sec. 5. Section 422.5, subsection 1, paragraph k,  
33 unnumbered paragraph 1, Code 2001, is amended to read  
34 as follows:

35 There is imposed upon every resident and  
36 nonresident of this state, including estates and  
37 trusts, the greater of the tax determined in  
38 paragraphs "a" through "e" or the state  
39 alternative minimum tax equal to seventy-five percent  
40 of the maximum state individual income tax rate for  
41 the tax year, rounded to the nearest one-tenth of one  
42 percent, of the state alternative minimum taxable

43 income of the taxpayer as computed under this  
44 paragraph.

45 Sec. 6. Section 422.5, subsections 2, 5, and 7,  
46 Code 2001, are amended to read as follows:

47 2. However, the tax shall not be imposed on a  
48 resident or nonresident whose net income, as defined  
49 in section 422.7, is thirteen thousand five hundred  
50 dollars or less in the case of married persons filing

Page 3

1 jointly or filing separately on a combined return,  
2 unmarried heads of household, and surviving spouses or  
3 ~~nine ten~~ thousand dollars or less in the case of all  
4 other persons; but in the event that the payment of  
5 tax under this division would reduce the net income to  
6 less than thirteen thousand five hundred dollars or  
7 ~~nine ten~~ thousand dollars as applicable, then the tax  
8 shall be reduced to that amount which would result in  
9 allowing the taxpayer to retain a net income of  
10 thirteen thousand five hundred dollars or ~~nine ten~~  
11 thousand dollars as applicable. The preceding  
12 sentence does not apply to estates or trusts. For the  
13 purpose of this subsection, the entire net income,  
14 including any part of the net income not allocated to  
15 Iowa, shall be taken into account. For purposes of  
16 this subsection, net income includes all amounts of  
17 pensions or other retirement income received from any  
18 source which is not taxable under this division as a  
19 result of the government pension exclusions in section  
20 422.7, or any other state law. If the combined net  
21 income of a husband and wife exceeds thirteen thousand  
22 five hundred dollars, neither of them shall receive  
23 the benefit of this subsection, and it is immaterial  
24 whether they file a joint return or separate returns.  
25 However, if a husband and wife file separate returns  
26 and have a combined net income of thirteen thousand  
27 five hundred dollars or less, neither spouse shall  
28 receive the benefit of this paragraph, if one spouse  
29 has a net operating loss and elects to carry back or  
30 carry forward the loss as provided in section 422.9,  
31 subsection 3. A person who is claimed as a dependent  
32 by another person as defined in section 422.12 shall  
33 not receive the benefit of this subsection if the  
34 person claiming the dependent has net income exceeding  
35 thirteen thousand five hundred dollars or ~~nine ten~~  
36 thousand dollars as applicable or the person claiming  
37 the dependent and the person's spouse have combined  
38 net income exceeding thirteen thousand five hundred  
39 dollars or ~~nine ten~~ thousand dollars as applicable.  
40 In addition, if the married persons', filing  
41 jointly or filing separately on a combined return,

42 unmarried head of household's, or surviving spouse's  
43 net income exceeds thirteen thousand five hundred  
44 dollars, the regular tax imposed under this division  
45 shall be the lesser of the maximum state individual  
46 income tax rate times the portion of the net income in  
47 excess of thirteen thousand five hundred dollars or  
48 the regular tax liability computed without regard to  
49 this sentence. Taxpayers electing to file separately  
50 shall compute the alternate tax described in this

Page 4

1 paragraph using the total net income of the husband  
2 and wife. The alternate tax described in this  
3 paragraph does not apply if one spouse elects to carry  
4 back or carry forward the loss as provided in section  
5 422.9, subsection 3.

6 5. Upon determination of the latest cumulative  
7 inflation factor, the director shall multiply each  
8 dollar amount set forth in subsection 1, paragraphs  
9 "a" through "~~"c"~~ "d" of this section by this cumulative  
10 inflation factor, shall round off the resulting  
11 product to the nearest one dollar, and shall  
12 incorporate the result into the income tax forms and  
13 instructions for each tax year.

14 7. In addition to the other taxes imposed by this  
15 section, a tax is imposed on the amount of a lump sum  
16 distribution for which the taxpayer has elected under  
17 section 402(e) of the Internal Revenue Code to be  
18 separately taxed for federal income tax purposes for  
19 the tax year. The rate of tax is equal to twenty-five  
20 percent of the separate federal tax imposed on the  
21 amount of the lump sum distribution. A nonresident is  
22 liable for this tax only on that portion of the lump  
23 sum distribution allocable to Iowa. The total amount  
24 of the lump sum distribution subject to separate  
25 federal tax shall be included in net income for  
26 purposes of determining eligibility under the thirteen  
27 thousand five hundred dollar or less or ~~nine ten~~  
28 thousand dollar or less exclusion, as applicable.

29 Sec. 7. Section 422.8, subsection 2, paragraph a,  
30 Code 2001, is amended to read as follows:

31 a. Nonresident's net income allocated to Iowa is  
32 the net income, or portion of net income, which is  
33 derived from a business, trade, profession, or  
34 occupation carried on within this state or income from  
35 any property, trust, estate, or other source within  
36 Iowa. However, income derived from a business, trade,  
37 profession, or occupation carried on within this state  
38 and income from any property, trust, estate, or other  
39 source within Iowa shall not include distributions  
40 from pensions, including defined benefit or defined

41 contribution plans, annuities, individual retirement  
42 accounts, and deferred compensation plans or any  
43 earnings attributable thereto so long as the  
44 distribution is directly related to an individual's  
45 documented retirement and received while the  
46 individual is a nonresident of this state. If a  
47 business, trade, profession, or occupation is carried  
48 on partly within and partly without the state, only  
49 the portion of the net income which is fairly and  
50 equitably attributable to that part of the business,

Page 5

1 trade, profession, or occupation carried on within the  
2 state is allocated to Iowa for purposes of section  
3 422.5, subsection 1, paragraph "j" "e", and section  
4 422.13 and income from any property, trust, estate, or  
5 other source partly within and partly without the  
6 state is allocated to Iowa in the same manner, except  
7 that annuities, interest on bank deposits and  
8 interest-bearing obligations, and dividends are  
9 allocated to Iowa only to the extent to which they are  
10 derived from a business, trade, profession, or  
11 occupation carried on within the state.

12 Sec. 8. Section 422.8, subsection 4, Code 2001, is  
13 amended to read as follows:

14 4. The amount of minimum tax paid to another state  
15 or foreign country by a resident taxpayer of this  
16 state from preference items derived from sources  
17 outside of Iowa shall be allowed as a credit against  
18 the tax computed under this division except that the  
19 credit shall not exceed what the amount of state  
20 alternative minimum tax would have been on the same  
21 preference items which were taxed by the other state  
22 or foreign country. The limitation on this credit  
23 shall be computed according to the following formula:  
24 The total of preference items earned outside of Iowa  
25 and taxed by another state or foreign country shall be  
26 divided by the total of preference items of the  
27 resident taxpayer of Iowa. In computing this  
28 quotient, those items excludable under section 422.5,  
29 subsection 1, paragraph "k" "f", subparagraph (1)  
30 shall not be used in computing the preference items.  
31 This quotient multiplied times the net state  
32 alternative minimum tax as determined in section  
33 422.5, subsection 1, paragraph "k" "f" on the total of  
34 preference items as if entirely earned in Iowa shall  
35 be the maximum tax credit against the Iowa alternative  
36 minimum tax. However, the maximum tax credit will not  
37 be allowed to the extent that the minimum tax imposed  
38 by the other state or foreign country is less than the  
39 maximum tax credit computed above.

40 Sec. 9. Section 422.9, subsection 1, Code 2001, as  
 41 amended by 2001 Iowa Acts, Senate File 350, section  
 42 22, is amended to read as follows:

43 1. An optional standard deduction, after deduction  
 44 of federal income tax, equal to one thousand two  
 45 hundred thirty dollars for a married person who files  
 46 separately or a single person or equal to three  
 47 thousand thirty dollars for a husband and wife who  
 48 file a joint return, a surviving spouse, or an  
 49 unmarried head of household. The optional standard  
 50 deduction shall not exceed the amount remaining after

Page 6

1 deduction of the federal income tax. The amount of  
 2 federal income taxes deducted shall not exceed the  
 3 amount as computed under subsection 2, paragraph "b".

4 Sec. 10. Section 422.9, subsection 2, paragraph b,  
 5 Code 2001, as amended by 2001 Iowa Acts, Senate File  
 6 350, section 22, is amended by striking the paragraph  
 7 and inserting in lieu thereof the following:

8 b. Add the amount of federal income taxes paid or  
 9 accrued, as the case may be, to the extent the federal  
 10 tax payment is for a tax year beginning prior to  
 11 January 1, 2001. Subtract the amount of federal  
 12 income tax refunds received in a tax year to the  
 13 extent that the federal income tax was deducted on an  
 14 Iowa individual income tax return for a tax year  
 15 beginning prior to January 1, 2001.

16 Sec. 11. Section 422.11B, Code 2001, is amended to  
 17 read as follows:

18 422.11B MINIMUM TAX CREDIT.

19 1. There is allowed as a credit against the tax  
 20 determined in section 422.5, subsection 1, paragraphs  
 21 "a" through "j" "e" for a tax year an amount equal to  
 22 the minimum tax credit for that tax year.

23 The minimum tax credit for a tax year is the  
 24 excess, if any, of the adjusted net minimum tax  
 25 imposed for all prior tax years beginning on or after  
 26 January 1, 1987, over the amount allowable as a credit  
 27 under this section for those prior tax years.

28 2. The allowable credit under subsection 1 for a  
 29 tax year shall not exceed the excess, if any, of the  
 30 tax determined in section 422.5, subsection 1,  
 31 paragraphs "a" through "j" "e" over the state  
 32 alternative minimum tax as determined in section  
 33 422.5, subsection 1, paragraph "k" "f".

34 The net minimum tax for a tax year is the excess,  
 35 if any, of the tax determined in section 422.5,  
 36 subsection 1, paragraph "k" "f" for the tax year over  
 37 the tax determined in section 422.5, subsection 1,  
 38 paragraphs "a" through "j" "e" for the tax year.

39 The adjusted net minimum tax for a tax year is the  
 40 net minimum tax for the tax year reduced by the amount  
 41 which would be the net minimum tax if the only item of  
 42 tax preference taken into account was that described  
 43 in paragraph (6) of section 57(a) of the Internal  
 44 Revenue Code.

45 Sec. 12. Section 422.13, subsection 1, paragraph  
 46 c, Code 2001, as amended by 2001 Iowa Acts, Senate  
 47 File 140, section 7, is amended to read as follows:

48 c. However, if that part of the net income of a  
 49 nonresident which is allocated to Iowa pursuant to  
 50 section 422.8, subsection 2, is less than one thousand

Page 7

1 dollars the nonresident is not required to make and  
 2 sign a return except when the nonresident is subject  
 3 to the state alternative minimum tax imposed pursuant  
 4 to section 422.5, subsection 1, paragraph "k" "f".

5 Sec. 13. Section 422.13, subsection 1A, Code 2001,  
 6 as amended by 2001, Iowa Acts, Senate File 140,  
 7 section 7, is amended to read as follows:

8 1A. Notwithstanding any other provision in this  
 9 section, a resident of this state is not required to  
 10 make and file a return if the person's net income is  
 11 equal to or less than the appropriate dollar amount  
 12 listed in section 422.5, subsection 2, upon which tax  
 13 is not imposed. A nonresident of this state is not  
 14 required to make and file a return if the person's  
 15 total net income in section 422.5, subsection 1,  
 16 paragraph "j" "e", is equal to or less than the  
 17 appropriate dollar amount provided in section 422.5,  
 18 subsection 2, upon which tax is not imposed. For  
 19 purposes of this subsection, the amount of a lump sum  
 20 distribution subject to separate federal tax shall be  
 21 included in net income for purposes of determining if  
 22 a resident is required to file a return and the  
 23 portion of the lump sum distribution that is allocable  
 24 to Iowa is included in total net income for purposes  
 25 of determining if a nonresident is required to make  
 26 and file a return.

27 Sec. 14. Section 422.21, unnumbered paragraph 5,  
 28 Code 2001, is amended to read as follows:

29 The director shall determine for the ~~1989~~ 2002  
 30 calendar year and each subsequent calendar year the  
 31 annual and cumulative inflation factors for each  
 32 calendar year to be applied to tax years beginning on  
 33 or after January 1 of that calendar year. The  
 34 director shall compute the new dollar amounts as  
 35 specified to be adjusted in section 422.5 by the  
 36 latest cumulative inflation factor and round off the  
 37 result to the nearest one dollar. The annual and

38 cumulative inflation factors determined by the  
 39 director are not rules as defined in section 17A.2,  
 40 subsection 11. The director shall determine for the  
 41 1990 calendar year and each subsequent calendar year  
 42 the annual and cumulative standard deduction factors  
 43 to be applied to tax years beginning on or after  
 44 January 1 of that calendar year. The director shall  
 45 compute the new dollar amounts of the standard

 48 defined in chapters 28F and 476A that includes as a  
 49 member a city or municipally owned utility that builds  
 50 transmission facilities after July 1, 2001, is subject

1 to applicable transmission reliability rules or  
 2 standards adopted by the board for those facilities.  
 3 n. Filing alternate energy purchase program plans  
 4 with the board, and offering such programs to  
 5 customers, pursuant to section 476.47.  
 6 Sec. 10. Section 476.6, Code 2001, is amended by

7 adding the following new subsection:

8 NEW SUBSECTION. 16B. ELECTRIC POWER GENERATING  
9 FACILITY EMISSIONS.

10 a. It is the intent of the general assembly that  
11 the state, through a collaborative effort involving  
12 state agencies and affected generation owners, provide  
13 for compatible statewide environmental and electric  
14 energy policies with respect to regulated emissions  
15 from rate-regulated electric power generating  
16 facilities in the state that are fueled by coal. Each  
17 rate-regulated public utility that is an owner of one  
18 or more electric power generating facilities fueled by  
19 coal and located in this state on July 1, 2001, shall  
20 develop a multiyear plan and budget for managing  
21 regulated emissions from its facilities in a cost-  
22 effective manner.

23 (1) The initial multiyear plan and budget shall be  
24 filed with the board by April 1, 2002. Updates to the  
25 plan and budget shall be filed at least every twenty-  
26 four months.

27 (2) Copies of the initial plan and budget, as well  
28 as any subsequent updates, shall be served on the  
29 environmental protection division of the department of  
30 natural resources.

31 (3) The initial multiyear plan and budget and any  
32 subsequent updates shall be considered in a contested  
33 case proceeding pursuant to chapter 17A. The  
34 environmental protection division of the department of  
35 natural resources and the consumer advocate shall  
36 participate as parties to the proceeding.

37 (4) The department of natural resources shall  
38 state whether the plan or update meets applicable  
39 state environmental requirements for regulated  
40 emissions. If the plan does not meet these  
41 requirements, the department shall recommend  
42 amendments that outline actions necessary to bring the  
43 plan or update into compliance with the environmental  
44 requirements.

45 b. The board shall not approve a plan or update  
46 that does not meet applicable state environmental  
47 requirements and federal ambient air quality standards  
48 for regulated emissions from electric power generating  
49 facilities located in the state.

50 c. The board shall review the plan or update and

Page 5

1 the associated budget, and shall approve the plan or  
2 update and the associated budget if the plan or update  
3 and the associated budget are reasonably expected to  
4 achieve cost effective compliance with applicable  
5 state environmental requirements and federal ambient

6 air quality standards. In reaching its decision, the  
 7 board shall consider whether the plan or update and  
 8 the associated budget reasonably balance costs,  
 9 environmental requirements, economic development  
 10 potential, and the reliability of the electric  
 11 generation and transmission system.

12 d. The board shall issue an order approving or  
 13 rejecting a plan, update, or budget within one hundred  
 14 eighty days after the public utility's filing is  
 15 deemed complete; however, upon good cause shown, the  
 16 board may extend the time for issuing the order as  
 17 follows:

18 (1) The board may grant an extension of thirty  
 19 days.

20 (2) The board may grant more than one extension,  
 21 but each extension must rely upon a separate showing  
 22 of good cause.

23 (3) A subsequent extension must not be granted any  
 24 earlier than five days prior to the expiration of the  
 25 original one-hundred-eighty-day period, or the current  
 26 extension.

27 e. The reasonable costs incurred by a rate-  
 28 regulated public utility in preparing and filing the  
 29 plan, update, or budget and in participating in the  
 30 proceedings before the board and the reasonable costs  
 31 associated with implementing the plan, update, or  
 32 budget shall be included in its regulated retail  
 33 rates.

34 f. It is the intent of the general assembly that  
 35 the board, in an environmental plan, update, or  
 36 associated budget filed under this section by a rate-  
 37 regulated public utility, may limit investments or  
 38 expenditures that are proposed to be undertaken prior  
 39 to the time that the environmental benefit to be  
 40 produced by the investment or expenditure would be  
 41 required by state or federal law.

42 g. The board shall report to the general assembly  
 43 by January 21, 2003, on the appropriateness and  
 44 desirability of requiring the municipal utilities and  
 45 the rural electric cooperatives to file multiyear  
 46 plans and budgets for managing regulated emissions  
 47 from their electric power generating facilities fueled  
 48 by coal and located in this state, similar to the  
 49 process required for rate-regulated public utilities  
 50 under this subsection.

1 Sec. 11. NEW SECTION. 476.47 ALTERNATE ENERGY  
 2 PURCHASE PROGRAMS.

3 1. Beginning January 1, 2004, an electric utility,  
 4 whether or not rate-regulated under this chapter,

5 shall offer an alternate energy purchase program to  
6 customers, based on energy produced by alternate  
7 energy production facilities in Iowa.

8 2. The board shall require electric utilities to  
9 file plans for alternate energy purchase programs  
10 offered pursuant to this section.

11 a. Rate-regulated electric utilities shall file  
12 plans for alternate energy purchase programs that  
13 allow customers to contribute voluntarily to the  
14 development of alternate energy in Iowa, and shall  
15 file tariffs as required by the board by rule.

16 b. Electric utilities that are not rate-regulated  
17 shall offer alternate energy purchase programs at  
18 rates determined by their governing authority, and  
19 shall file tariffs with the board for informational  
20 purposes only.

21 3. The electric utility shall notify consumers of  
22 its alternate energy purchase program and any proposed  
23 modifications to such program at least sixty days  
24 prior to implementation of the program or any  
25 modification.

26 4. For purposes of this section, an electric  
27 utility may base its program on energy produced by  
28 alternate energy production facilities located outside  
29 of Iowa under any of the following circumstances:

30 a. The energy is purchased by the electric utility  
31 pursuant to a contract in effect prior to July 1,  
32 2001, and continues until the expiration of the  
33 contract, including any options to renew that are  
34 exercised by the electric utility.

35 b. The electric utility has a financial interest,  
36 as of July 1, 2001, in the alternate energy production  
37 facility that is located outside of Iowa, or in an  
38 entity that has a financial interest in an alternate  
39 energy production facility located outside of Iowa.

40 c. The energy is purchased by an electric utility  
41 that is not rate-regulated and that is required to  
42 purchase all of its electric power requirements from a  
43 single supplier that is physically located outside of  
44 Iowa.

45 5. This section shall not apply to non-rate-  
46 regulated electric utilities physically located  
47 outside of Iowa that serve Iowa customers.

48 6. Any consumer-owned utility may apply to the  
49 board for a waiver under this section, and the board,  
50 for good cause, may grant the waiver.

Page 7

1 Sec. 12. Section 476.53, Code 2001, is amended by  
2 striking the section and inserting in lieu thereof the  
3 following:

4 476.53 ELECTRIC GENERATING AND TRANSMISSION  
5 FACILITIES.

6 1. It is the intent of the general assembly to  
7 attract the development of electric power generating  
8 and transmission facilities within the state in  
9 sufficient quantity to ensure reliable electric  
10 service to Iowa consumers and provide economic  
11 benefits to the state.

12 2. The general assembly's intent with regard to  
13 the development of electric power generating and  
14 transmission facilities, as provided in subsection 1,  
15 shall be implemented in a manner that is cost-  
16 effective and compatible with the environmental  
17 policies of the state, as expressed in Title XI.

18 3. a. If a rate-regulated public utility files an  
19 application pursuant to section 476A.3 to construct in  
20 Iowa a baseload electric power generating facility  
21 with a nameplate generating capacity equal to or  
22 greater than three hundred megawatts or a combined-  
23 cycle electric power generating facility, or an  
24 alternate energy production facility as defined in  
25 section 476.42, or if a rate-regulated public utility  
26 leases or owns in Iowa, in whole or in part, a new  
27 baseload electric power generating facility with a  
28 nameplate generating capacity equal to or greater than  
29 three hundred megawatts or a combined-cycle electric  
30 power generating facility, or a new alternate energy  
31 production facility as defined in section 476.42, the  
32 board shall specify in advance, by order issued after  
33 a contested case proceeding, the ratemaking principles  
34 that will apply when the costs of the facility are  
35 included in regulated electric rates.

36 b. In determining the applicable ratemaking  
37 principles, the board shall not be limited to  
38 traditional ratemaking principles or traditional cost  
39 recovery mechanisms.

40 c. In determining the applicable ratemaking  
41 principles, the board shall make the following  
42 findings:

43 (1) The rate-regulated public utility has in  
44 effect a board-approved energy efficiency plan as  
45 required under section 476.6, subsection 19.

46 (2) The rate-regulated public utility has  
47 demonstrated to the board that the public utility has  
48 considered other sources for long-term electric supply  
49 and that the facility or lease is reasonable when  
50 compared to other feasible alternative sources of

3 competitive bidding process, under rules adopted by  
4 the board, that demonstrate the facility or lease is a  
5 reasonable alternative to meet its electric supply  
6 needs.

7 d. The applicable ratemaking principles shall be  
8 determined in a contested case proceeding, which  
9 proceeding may be combined with the proceeding for  
10 issuance of a certificate conducted pursuant to  
11 chapter 476A.

12 e. The order setting forth the applicable  
13 ratemaking principles shall be issued prior to the  
14 commencement of construction or lease of the facility.

15 f. Following issuance of the order, the rate-  
16 regulated public utility shall have the option of  
17 proceeding with construction or lease of the facility  
18 in Iowa, or withdrawing its application for a  
19 certificate under chapter 476A.

20 g. Notwithstanding any provision of this chapter  
21 to the contrary, the ratemaking principles established  
22 by the order issued pursuant to paragraph "e" shall be  
23 binding with regard to the specific electric power  
24 generating facility in any subsequent rate proceeding.

25 Sec. 13. Section 476A.4, Code 2001, is amended by  
26 adding the following new subsection:

27 NEW SUBSECTION. 5. A proceeding for the issuance  
28 of a certificate under section 476A.5 may be  
29 consolidated with a contested case proceeding for  
30 determination of applicable ratemaking principles  
31 under section 476.53.

32 Sec. 14. Section 476A.6, Code 2001, is amended to  
33 read as follows:

34 476A.6 DECISION -- CRITERIA.

35 The board shall render a decision on the  
36 application in an expeditious manner. A certificate  
37 shall be issued to the applicant if the board finds  
38 all of the following:

39 1. The services and operations resulting from the  
40 construction of the facility are ~~required by the~~  
41 ~~present or future public convenience, use and~~  
42 ~~necessity consistent with legislative intent as~~  
43 expressed in section 476.53 and the economic

48 ~~services and~~ construct, maintain, and operate the  
49 facility pursuant to the provisions of the certificate  
50 and this chapter.

1 3. The construction, maintenance, and operation of  
 2 the facility will ~~cause minimum adverse~~ be consistent  
 3 with reasonable land use, ~~and~~ environmental, ~~and~~  
 4 aesthetic impact policies and are consonant with  
 5 reasonable utilization of air, land, and water  
 6 resources, ~~for beneficial purposes~~ considering  
 7 available technology and the economics of available

9 ~~4. The applicant, if a public utility as defined~~  
 10 ~~in section 476.1, has in effect a comprehensive energy~~  
 11 ~~management program designed to reduce peak loads and~~  
 12 ~~to increase efficiency of use of energy by all classes~~  
 13 ~~of customers of the utility, and the facility in the~~  
 14 ~~application is necessary notwithstanding the existence~~  
 15 ~~of the comprehensive energy management program. As~~  
 16 ~~used in this subsection, a "comprehensive energy~~  
 17 ~~management program" includes at a minimum the~~

 34 ~~in section 476.1, has considered all feasible~~  
 35 ~~alternatives to the proposed facility including~~  
 36 ~~nongeneration alternatives; has ranked those~~  
 37 ~~alternatives by cost; has implemented the least cost~~  
 38 ~~alternatives first; and the facility in the~~  
 39 ~~application is necessary notwithstanding the~~  
 40 ~~implementation of these alternatives.~~

41 Sec. 15. Section 476A.7, Code 2001, is amended by  
 42 adding the following new subsection:

43 NEW SUBSECTION. 3. Pursuant to the provisions of  
 44 section 476.53, a rate-regulated public utility shall  
 45 have the option of withdrawing its application for  
 46 issuance of a certificate at any time prior to the  
 47 issuance of the certificate, or after the certificate  
 48 has been issued.

2 By: Committee on Ethics  
 3 (SUCCESSOR TO SSB 1010)

4 A Senate resolution relating to the Senate Code of Ethics  
 5 governing the conduct of members of the Senate in  
 6 relation to their senatorial duties during the  
 7 Seventy-ninth General Assembly.

8 BE IT RESOLVED BY THE SENATE, That the Senate Code  
 9 of Ethics for the ~~Seventy-eighth~~ Seventy-ninth General  
 10 Assembly shall be amended to read as follows:

11 SENATE CODE OF ETHICS

12 PREAMBLE. Every legislator owes a duty to uphold  
 13 the integrity and honor of the general assembly, to  
 14 encourage respect for the law and for the general  
 15 assembly and the members thereof, and to observe the  
 16 legislative code of ethics.

17 In doing so, members of the senate have a duty to  
 18 conduct themselves so as to reflect credit on the  
 19 general assembly, and to inspire the confidence,  
 20 respect, and trust of the public, and to strive to  
 21 avoid both unethical and illegal conduct and the  
 22 appearance of unethical and illegal conduct.

23 Recognizing that service in the Iowa general  
 24 assembly is a part-time endeavor and that members of  
 25 the general assembly are honorable individuals who are  
 26 active in the affairs of their localities and  
 27 elsewhere and that it is necessary that they maintain  
 28 a livelihood and source of income apart from their  
 29 legislative compensation, the following rules are  
 30 adopted pursuant to section 68B.31, to assist the

Page 2

- 1 members in the conduct of their legislative affairs.  
2 1. ECONOMIC INTEREST OF SENATOR. Taking into  
3 account that legislative service is part-time, a  
4 senator shall not accept economic or investment  
5 opportunity, under circumstances where the senator  
6 knows, or should know, that there is a reasonable  
7 possibility that the opportunity is being afforded the  
8 senator with intent to influence the senator's conduct  
9 in the performance of official duties.  
10 2. DIVESTITURE. Where a senator learns that an  
11 economic or investment opportunity previously accepted  
12 was offered with the intent of influencing the  
13 senator's conduct in the performance of official  
14 duties, the senator shall take steps to divest that  
15 senator of that investment or economic opportunity,  
16 and shall report the facts of the situation to the  
17 senate ethics committee.  
18 3. CHARGES FOR SERVICES. A senator shall not  
19 charge to or accept from a person, corporation,  
20 partnership, or association known to have a  
21 legislative interest a price, fee, compensation, or  
22 other consideration for the sale or lease of any  
23 property or the furnishing of services which is in  
24 excess of that which the senator would charge another.  
25 4. USE OF CONFIDENTIAL INFORMATION. A senator in  
26 order to further the senator's own economic or other  
27 interests, or those of any other person, shall not  
28 disclose or use confidential information acquired in  
29 the course of official duties.  
30 5. HONORARIA. A senator shall not accept an

Page 3

- 1 honorarium from a restricted donor for a speech,  
2 writing for publication, or other similar activity,  
3 except as otherwise provided in section 68B.23.  
4 6. EMPLOYMENT. A senator shall not accept  
5 employment, either directly or indirectly, from a  
6 political action committee. A senator may accept  
7 employment from a political party, but shall disclose  
8 the employment relationship in writing to the  
9 secretary of the senate within ten days after the  
10 beginning of each legislative session. If a senator  
11 accepts employment from a political party during a  
12 legislative session, the senator shall disclose the  
13 employment relationship within ten days after  
14 acceptance of the employment.  
15 For the purpose of this rule, a political action  
16 committee means a committee, but not a candidate's  
17 committee, which accepts contributions, makes

18 expenditures, or incurs indebtedness in the aggregate  
 19 of more than five hundred dollars in any one calendar  
 20 year ~~for the purpose of supporting or opposing to~~  
 21 expressly advocate the nomination, election, or defeat  
 22 of a candidate for public office or to expressly  
 23 advocate the passage or defeat of a ballot issue or  
 24 influencing legislative action, or an association,  
 25 lodge, society, cooperative, union, fraternity,  
 26 sorority, educational institution, civic organization,  
 27 labor organization, religious organization, or  
 28 professional organization which makes contributions in  
 29 the aggregate of more than five hundred dollars in any  
 30 one calendar year ~~for the purpose of supporting or~~

Page 4

1 ~~opposing to expressly advocate the nomination,~~  
 2 ~~election, or defeat of a candidate for public office~~  
 3 ~~or ballot issue or influencing legislative action.~~  
 4 7. ECONOMIC INTERESTS OF LOBBYIST. With the  
 5 exception of exercising unfettered discretion in  
 6 supporting or refusing to support proposed  
 7 legislation, a senator shall not take action intended  
 8 to affect the economic interests of a lobbyist or  
 9 citizen supporting or opposing proposed legislation.  
 10 8. APPEARANCE BEFORE GOVERNMENTAL AGENCY. A  
 11 senator may appear before a governmental agency or  
 12 board in any representation case, except that the  
 13 senator shall not act as a lobbyist. Whenever a  
 14 senator appears before a governmental agency or board,  
 15 the senator shall carefully avoid all conduct which  
 16 might in any way lead members of the general public to  
 17 conclude that the senator is using the senator's  
 18 official position to further the senator's  
 19 professional success or personal financial interest.  
 20 9. CONFLICTS OF INTERESTS. In order to permit the  
 21 general assembly to function effectively, a senator  
 22 will sometimes be required to vote on bills and  
 23 participate in committee work which will affect the  
 24 senator's employment and other monetary interests. In  
 25 making a decision relative to the senator's activity  
 26 on given bills or committee work which are subject to  
 27 the code, the following factors shall be considered:  
 28 a. Whether a substantial threat to the senator's  
 29 independence of judgment has been created by the  
 30 conflict situation.

Page 5

- 1 b. The effect of the senator's participation on
- 2 public confidence in the integrity of the legislature.
- 3 c. The need for the senator's particular

4 contribution, such as special knowledge of the subject  
5 matter, to the effective functioning of the  
6 legislature.

7 A senator with a conflict of interest may  
8 participate in floor debate if prior to debate the  
9 senator indicates the conflict of interest.

10 10. GIFTS. Except as otherwise provided in  
11 section 68B.22, a senator, or that person's immediate  
12 family member, shall not, directly or indirectly,  
13 accept or receive any gift or series of gifts from a  
14 restricted donor.

15 11. DISCLOSURE REQUIRED. Each senator shall file  
16 with the secretary of the senate within ten days after  
17 the adoption of the code of ethics by the senate, and  
18 within ten days after the convening of the second  
19 session of the general assembly, a statement under  
20 section 68B.35 on forms provided by the secretary of  
21 the senate setting forth the following information:

22 The nature of each business in which the senator is  
23 engaged and the nature of the business of each company  
24 in which the senator has a financial interest. A  
25 senator shall not be required to file a report or be  
26 assumed to have a financial interest if the annual  
27 income derived from the investment in stocks, bonds,  
28 bills, notes, mortgages, or other securities offered  
29 for sale through recognized financial brokers is less  
30 than one thousand dollars.

Page 6

1 Disclosures required under this rule shall be as of  
2 the date filed unless provided to the contrary, and  
3 shall be amended to include interests and changes  
4 encompassed by this rule that occur while the general  
5 assembly is in session. All filings under this rule  
6 shall be open to public inspection in the office of  
7 the secretary of the senate at all reasonable times.

8 The secretary of the senate shall inform the ethics  
9 committee of the statements which are filed and shall  
10 report to the ethics committee the names of any  
11 senators who appear not to have filed complete  
12 statements. The chairperson of the ethics committee  
13 shall request in writing that a senator who has failed  
14 to complete the report or appears to have filed an  
15 incomplete report do so within five days, and, upon  
16 the failure of the senator to comply, the ethics  
17 committee shall require the senator to appear before  
18 the committee.

19 12. STATUTORY VIOLATIONS. Members of the general  
20 assembly are urged to familiarize themselves with  
21 chapters 68B, 721, and 722.

22 13. CHARGE ACCOUNTS. Senators shall not charge

23 any amount or item to any charge account to be paid  
24 for by any lobbyist or any client the lobbyist  
25 represents.  
26 14. TRAVEL EXPENSES. A senator shall not charge  
27 to the state of Iowa amounts for travel and expenses  
28 unless the senator actually has incurred those mileage  
29 and expense costs. Senators shall not file the  
30 vouchers for weekly mileage reimbursement required by

Page 7

1 section 2.10, subsection 1, unless the travel was  
2 actually incurred at commensurate expense to the  
3 senator.  
4 15. COMPLAINTS. Complaints or charges against any  
5 senator or any lobbyist shall be in writing, made  
6 under oath, and filed with the secretary of the senate  
7 or the chairperson of the ethics committee. If filed  
8 with the secretary of the senate, the secretary shall  
9 immediately advise the chairperson of the ethics  
10 committee of the receipt of the complaint.  
11 Complaint forms shall be available from the  
12 secretary of the senate, or the chairperson of the  
13 ethics committee, but a complaint shall not be  
14 rejected for failure to use an approved form if the  
15 complaint substantially complies with senate  
16 requirements.  
17 A complainant may submit exhibits and affidavits  
18 attached to the complaint.  
19 16. FILING OF COMPLAINTS.  
20 a. Persons entitled. Complaints may be filed by  
21 any person believing that a senator or lobbyist has  
22 violated the senate ethics code, the senate rules  
23 governing lobbyists, or chapter 68B of the Iowa Code.  
24 A violation of the criminal law may be considered to  
25 be a violation of this code of ethics if the violation  
26 constitutes a serious misdemeanor or greater, or a  
27 repetitive and flagrant violation of the law.  
28 b. Committee complaint. The ethics committee may,  
29 upon its own motion, initiate a complaint,  
30 investigation, or disciplinary action.

Page 8

1 c. Timeliness of filing. A complaint will be  
2 considered to be timely filed if it is filed within  
3 three years of the occurrence of the alleged violation  
4 of the ethics code.  
5 17. PERMANENT RECORD. The secretary of the senate  
6 shall maintain a permanent record of all complaints  
7 filed, evidence received by the committee, and any  
8 transcripts or other recordings made of committee

9 proceedings, including a separate card file containing  
10 the date filed, name and address of the complainant,  
11 name and address of the respondent, a brief statement  
12 of the charges made, and ultimate disposition of the  
13 complaint. The secretary shall keep each such  
14 complaint confidential until public disclosure is made  
15 by the ethics committee.

16 18. PREHEARING PROCEDURE.

17 a. Defective complaint. Upon receipt of a  
18 complaint, the chairperson and ranking member of the  
19 ethics committee shall determine whether the complaint  
20 substantially complies with the requirements of this  
21 code of ethics and section 68B.31, subsection 6. If  
22 the complaint does not substantially comply with the  
23 requirements for formal sufficiency under the code of  
24 ethics, the complaint may be returned to the  
25 complainant with a statement that the complaint is not  
26 in compliance with the code and a copy of the code.  
27 If the complainant fails to amend the complaint to  
28 comply with the code within a reasonable time, the  
29 chair and ranking member may dismiss the complaint  
30 with prejudice for failure to prosecute.

Page 9

1 b. Service of complaint on respondent. Upon  
2 receipt of any complaint substantially complying with  
3 the requirements of this code of ethics, the  
4 chairperson of the ethics committee shall cause a copy  
5 of the complaint and any supporting information to be  
6 delivered promptly to the respondent, requesting a  
7 written response to be filed within ten days. The  
8 response may do any of the following:

- 9 (1) Admit or deny the allegation or allegations.
- 10 (2) Object that the allegation fails to allege a  
11 violation of chapter 68B or the code of ethics.
- 12 (3) Object to the jurisdiction of the committee.
- 13 (4) Request a more specific statement of the  
14 allegation or allegations.

15 c. Objection to member. In addition to the items  
16 which may be included in a response pursuant to  
17 paragraph "b", the response may also include an  
18 objection to the participation of any member of the  
19 committee in the consideration of the allegation or  
20 allegations on the grounds that the member cannot  
21 render an impartial and unbiased decision.

22 d. Extension of time. At the request of the  
23 respondent and upon a showing of good cause, the  
24 committee, or the chairperson and ranking member, may  
25 extend the time for response, not to exceed ten  
26 additional days.

27 e. Confidentiality. If a complaint is not

28 otherwise made public, the members of the committee  
29 shall treat the complaint and all supporting  
30 information as confidential until the written response

Page 10

1 is received from the respondent.  
2 f. Communications with ethics committee. After a  
3 complaint has been filed or an investigation has been  
4 initiated, a party to the complaint or investigation  
5 shall not communicate, or cause another to  
6 communicate, as to the merits of the complaint or  
7 investigation with a member of the committee, except  
8 under the following circumstances:  
9 (1) During the course of any meetings or other  
10 official proceedings of the committee regarding the  
11 complaint or investigation.  
12 (2) In writing, if a copy of the writing is  
13 delivered to the adverse party or the designated  
14 representative for the adverse party.  
15 (3) Orally, if adequate prior notice of the  
16 communication is given to the adverse party or the  
17 designated representative for the adverse party.  
18 (4) As otherwise authorized by statute, the senate  
19 code of ethics, the senate rules governing lobbyists,  
20 or vote of the committee.  
21 g. Scheduling hearing. Upon receipt of the  
22 response, the committee shall schedule a public  
23 meeting to review the complaint and available  
24 information, and shall:  
25 (1) Notify the complainant that no further action  
26 will be taken, unless further substantiating  
27 information is produced, or  
28 (2) Dismiss the complaint for failure to meet the  
29 statutory and code of ethics requirements for valid  
30 complaints, or

Page 11

1 (3) Request that the chief justice of the supreme  
2 court appoint an independent special counsel to  
3 conduct an investigation of the complaint and  
4 supporting information, to make a determination of  
5 probable cause, and to report the findings to the  
6 committee, which shall be received within a reasonable  
7 time.  
8 h. Public hearing. If independent special counsel  
9 is appointed, upon receipt of the report of  
10 independent special counsel's findings, the committee  
11 shall schedule a public meeting to review the report  
12 and shall do either of the following:  
13 (1) Cause the complaint to be scheduled for a

14 public hearing.

15 (2) Dismiss the complaint based upon a  
16 determination by independent special counsel and the  
17 committee that insufficient evidence exists to support  
18 a finding of probable cause.

19 19. HEARING PROCEDURE.

20 a. Notice of hearing. If the committee causes a  
21 complaint to be scheduled for a public hearing, notice  
22 of the hearing date and time shall be given to the  
23 complainant and respondent in writing, and of the  
24 respondent's right to appear in person, be represented  
25 by legal counsel, present statements and evidence, and  
26 examine and cross-examine witnesses. The committee  
27 shall not be bound by formal rules of evidence, but  
28 shall receive relevant evidence, subject to  
29 limitations on repetitiveness. Any evidence taken  
30 shall be under oath.

Page 12

1 b. Subpoena power. The committee may require, by  
2 subpoena or otherwise, the attendance and testimony of  
3 witnesses and the production of such books, records,  
4 correspondence, memoranda, papers, documents, and any  
5 other things it deems necessary to the conduct of the  
6 inquiry.

7 c. Ex post facto. An investigation shall not be  
8 undertaken by the committee of a violation of a law,  
9 rule, or standard of conduct that is not in effect at  
10 the time of violation.

11 d. Disqualification of member. Members of the  
12 committee may disqualify themselves from participating  
13 in any investigation of the conduct of another person  
14 upon submission of a written statement that the member  
15 cannot render an impartial and unbiased decision in a  
16 case. A member may also be disqualified by a  
17 unanimous vote of the remaining eligible members of  
18 the committee.

19 A member of the committee is ineligible to  
20 participate in committee meetings, as a member of the  
21 committee, in any proceeding relating to the member's  
22 own official conduct.

23 If a member of the committee is disqualified or  
24 ineligible to act, the majority or minority leader who  
25 appointed the member shall appoint a replacement  
26 member to serve as a member of the committee during  
27 the period of disqualification or ineligibility.

28 e. Hearing. At the hearing, the chairperson shall  
29 open the hearing by stating the charges, the purpose  
30 of the hearing, and its scope. The burden of proof

Page 13

1 rests upon the complainant to establish the facts as  
2 alleged, by clear and convincing evidence. However,  
3 questioning of witnesses shall be conducted by the  
4 members of the committee, by independent special  
5 counsel, or by a senator. The chairperson shall also  
6 permit questioning by legal counsel representing the  
7 complainant or respondent.

8 The chairperson or other member of the committee  
9 presiding at a hearing shall rule upon procedural  
10 questions or any question of admissibility of evidence  
11 presented to the committee. Rulings may be reversed  
12 by a majority vote of the committee members present.

13 The committee may continue the hearing to a future  
14 date if necessary for appropriate reasons or purposes.

15 f. Committee action. Upon receipt of all relevant  
16 evidence and arguments, the committee shall consider  
17 the same and recommend to the senate:

18 (1) That the complaint be dismissed, or

19 (2) That the senator or lobbyist be censured or  
20 reprimanded, and recommend the appropriate form of  
21 censure or reprimand, or

22 (3) Any other appropriate sanction, including  
23 suspension or expulsion from membership in the senate,  
24 or suspension of lobbying privileges.

25 g. Disposition resolution. By appropriate  
26 resolution, the senate may amend, adopt, or reject the  
27 report of the ethics committee, including the  
28 committee's recommendations regarding disciplinary  
29 action.

30 20. COMMITTEE AUTHORIZED TO MEET. The senate

Page 14

1 ethics committee is authorized to meet at the  
2 discretion of the chairperson to conduct hearings and  
3 other business that properly may come before it. If  
4 the committee submits a report seeking senate action  
5 against a senator or lobbyist after the second regular  
6 session of a general assembly has adjourned sine die,  
7 the report shall be submitted to and considered by the  
8 subsequent general assembly. However, the report may  
9 be submitted to and considered during any special  
10 session which may take place after the second regular  
11 session of a general assembly has adjourned sine die,  
12 but before the convening of the next general assembly.

13 20A. ADVISORY OPINIONS.

14 a. Requests for formal opinions. A request for a  
15 formal advisory opinion may be filed by any person who  
16 is subject to the authority of the ethics committee.

17 The ethics committee may also issue a formal advisory

18 opinion on its own motion, without having previously  
 19 received a formal request for an opinion, on any issue  
 20 that is within the jurisdiction of the committee.  
 21 Requests shall be filed with either the secretary of  
 22 the senate or the chairperson of the ethics committee.  
 23 b. Form and contents of requests. A request for a  
 24 formal advisory opinion shall be in writing and may  
 25 pertain to any subject matter that is related to the  
 26 application of the senate code of ethics, the senate  
 27 rules governing lobbyists, or chapter 68B of the Code  
 28 to any person who is subject to the authority of the  
 29 ethics committee. Requests shall contain one or more  
 30 specific questions and shall relate either to future

Page 15

1 conduct or be stated in the hypothetical. A request  
 2 for an advisory opinion shall not specifically name  
 3 any individual or contain any other specific  
 4 identifying information, unless the request relates to  
 5 the requester's own conduct. However, any request may  
 6 contain information which identifies the kind of  
 7 individual who may be affected by the subject matter  
 8 of the request. Examples of this latter kind of  
 9 identifying information may include references to  
 10 conduct of a category of individuals, such as but not  
 11 limited to conduct of legislators, legislative staff,  
 12 or lobbyists.  
 13 c. Confidentiality of formal requests and  
 14 opinions. Requests for formal opinions are not  
 15 confidential and any deliberations of the committee  
 16 regarding a request for a formal opinion shall be  
 17 public. Opinions issued in response to requests for  
 18 formal opinions are not confidential, shall be in  
 19 writing, and shall be placed on file in the office of  
 20 the secretary of the senate. Persons requesting  
 21 formal opinions shall personally receive a copy of the  
 22 written formal opinion that is issued in response to  
 23 the request.  
 24 20B. CALCULATION OF TIME -- DAYS. For purposes of  
 25 these rules, unless the context otherwise requires,  
 26 the word "day" or "days" shall mean a calendar day  
 27 except that if the day is the last day of a specific  
 28 time period and falls upon a Saturday, Sunday, or  
 29 legal holiday, the time prescribed shall be extended  
 30 so as to include the whole of the next day in which

Page 16

 18 permanent rules may be adopted, by a constitutional  
 19 majority of the senators. After adoption of permanent  
 20 rules of the senate during any general assembly, the  
 21 rules may be amended or repealed by a constitutional  
 22 majority of the senators voting on a simple  
 23 resolution.

 6 All bills and resolutions introduced in the first  
 7 regular session of a general assembly which are not  
 8 withdrawn, lost, or indefinitely postponed shall carry  
 9 over into the second regular session and to any  
 10 extraordinary session of the same general assembly.  
 11 Appointments received from the governor for senate  
 12 confirmation during any session of a general assembly  
 13 shall be acted upon prior to adjournment of that  
 14 session as provided by section 2.32 of the Code.  
 15 Except as provided by this rule, upon the adjournment  
 16 of the first regular session and any extraordinary  
 17 session, each bill or resolution shall be  
 18 automatically referred back to the committee to which  
 19 it was originally assigned. The secretary of the  
 20 senate shall publish in the Journal a list of the  
 21 bills returned to committee under this rule. Within  
 22 seven days after the first committee meeting after the  
 23 convening of the second regular session, committees  
 24 shall either authorize the chair to refer such bills  
 25 and resolutions to a subcommittee for consideration,  
 26 indefinitely postpone further consideration of such  
 27 bills, or report them out to the floor and place them  
 28 on the calendar. If the subcommittee is different  
 29 than that appointed during the first session, the  
 30 committee chair shall report to the senate the bill or

Page 3

1 resolution number and the names of the subcommittee  
 2 members.  
 3 Bills and resolutions which have been voted upon on  
 4 final passage by either house in any session shall

6 Means Calendar". The secretary shall list the bills

23 time by the majority leader, provided they are  
24 eligible under Rule 8.

25 A bill reported out of committee which is  
26 subsequently referred to the ways and means or

28 committee, shall be returned to the regular calendar  
29 and retain its original place thereon.

30 8. The senate calendar shall include a listing of

Page 6

1 the governor's appointees to state boards,  
2 commissions, and other offices requiring senate  
3 confirmation. This listing shall be known as the

19 majority leader the assistant majority leaders, may

22 as the "Proposed Noncontroversial Calendar". Bills or  
23 resolutions included on this listing may be debated at  
24 any time upon being called up for debate by the  
25 majority leader. Any bill or resolution which  
26 appeared on the previous day's Senate calendar may be

27 placed by any senator on the proposed noncontroversial  
28 calendar, which shall be published. Any bill or  
29 resolution on the proposed noncontroversial calendar  
30 shall be stricken from the list if any senator files a

Page 7

1 written objection with the secretary of the senate on  
2 the first or second legislative day after it appears  
3 on the proposed noncontroversial calendar. Any bill  
4 stricken from the proposed noncontroversial calendar  
5 shall be returned to its former place on the Senate  
6 calendar. The secretary shall prepare the  
7 noncontroversial calendar which shall consist of all  
8 bills or resolutions on the proposed noncontroversial  
9 calendar to which no objection was received.

12 calendar, such assigned action shall occur on the next  
13 succeeding legislative day.

14 12. On any bill called up for debate from any  
15 calendar, debate may continue from day to day until it  
16 is adopted, fails, or is postponed or deferred. If  
17 further debate is postponed or deferred without a time  
18 to continue being set, except for bills on the debate  
19 calendar, the bill shall be listed as unfinished  
20 business. Bills which are returned to the committee  
21 of first referral or to a different committee after  
22 being considered by the senate and classified as  
23 unfinished business shall be returned to the  
24 unfinished business calendar by that committee when  
25 the bill is reported out of committee. The unfinished  
26 business date on the calendar shall be the date on  
27 which the bill was returned to committee. Bills on  
28 the debate calendar upon which further debate is  
29 postponed or deferred without a time to continue being  
30 set shall return to the regular calendar.

#### 1 Rule 7

#### 2 Steering Committee

3 The senate may authorize the appointment of a  
4 steering committee. The majority leader shall appoint  
5 the majority party members to the steering committee.  
6 The minority leader shall appoint the minority party  
7 members to the steering committee. The function of  
8 the steering committee shall be to create its own  
9 calendar from the bills and resolutions on the regular  
10 calendar. Bills and resolutions on the steering  
11 committee calendar shall have priority over bills and  
12 resolutions on all other calendars, except the

13 appropriations calendar.

14

Rule 8

15

When Eligible for Consideration

16

17

20

legislative day after it is first printed in the

21

senate calendar as provided by Rule 59.

22

2. A house or individually sponsored bill or

23

resolution reported out by a committee shall be

24

eligible on the legislative day after it is first

25

Page 9

1

bill or resolution sponsored by the appropriations

2

committee, shall be eligible on the third legislative

3

day it is printed in the senate calendar.

4

5. A bill that has been reported out to the senate

5

calendar, referred to a different committee and

6

reported out by that committee is eligible for

7

consideration by the senate on the day it would have

8

been eligible under subsection 2, 3, or 4, whichever

9

is applicable, as if the bill had been printed in the

10

calendar after having been reported out by the first

11

committee.

12

6. Any bill or resolution placed on the steering

13

committee calendar is eligible for consideration on

14

the day of its placement on that calendar.

15

When a bill or resolution on the calendar is not

yet eligible, the date when it will become eligible

17

shall be printed in the calendar.

18

Rule 9

19

Debate and Decorum

20

Before addressing the senate, the senator shall

21

request recognition by depressing the "speak" device

22

and, when recognized, rise and respectfully address

23

the chair.

24

The senator shall confine all remarks to the

25

question under debate and shall avoid discussing

26

personalities or implication of improper motives. No

27

questions except by the senator recognized shall be

28

entertained after a senator is recognized to give

29

final remarks.

30

Rule 10

Page 10

1 Point of Personal Privilege

2 A point of personal privilege shall only be  
3 recognized when there is no motion pending or other  
4 business being considered by the senate. Senators  
5 speaking on a point of personal privilege shall be  
6 limited to ten minutes.

7 Rule 11

8 Introduction and Presentation of Guests

9 Only former members of the senate and former and  
10 present members of Congress shall be presented to the  
11 senate, except that the president of the senate may  
12 present a visitor whose presence is of special  
13 significance to the senate. The presence of school  
14 groups accompanied by school officials shall be  
15 announced by the president of the senate and shall be  
16 recorded in the journal upon written request of a  
17 member of the senate.

18

Rule 12

19 Form and Withdrawal of Motions, Amendments and Signatures

20 Motions need not be in writing unless required by  
21 the president or by the senate. No motion requires a  
22 second. Any amendment, motion (including a motion to  
23 reconsider), or resolution may be withdrawn by the  
24 mover if it has not been amended by the senate and if  
25 no amendment is pending. All amendments to bills,  
26 resolutions, and reports shall be in writing and filed  
27 before being acted upon by the senate.

28 No amendment, resolution, bill, or conference  
29 committee report shall be considered by the senate  
30 without a copy of the amendment, resolution, bill, or

Page 11

1 conference committee report being on the desks of the  
2 entire membership of the senate prior to  
3 consideration.

4 All amendments, reports, petitions or other  
5 documents requiring a signature shall have the name  
6 typed under the place for the signature. Once a  
7 signature is affixed and the document containing the  
8 signature filed with the recording clerk in the well,  
9 that signature shall not be removed.

10 When an amendment to a main amendment is filed that  
11 would negate the effect of the main amendment and  
12 thereby leave the bill unchanged, the presiding  
13 officer shall have the authority to declare the  
14 amendment to the main amendment out of order, subject  
15 to an appeal to the full senate.

16 When a house amendment to a senate file is before  
17 the senate, an amendment to the house amendment shall

18 be considered an amendment in the first degree.  
 19 Regardless of its origin, an amendment in the third  
 20 degree shall be ruled out of order.  
 21 When a ruling on germaneness is issued by the  
 22 presiding officer, it shall be accompanied by an  
 23 explanation of the ruling.

#### 24 Rule 13

25 Order and Precedence of Motions and Amendments  
 26 When a question is under debate, no motion shall be  
 27 received but to adjourn, to recess, questions of  
 28 privilege, to lay on the table, for the previous  
 29 question, to postpone to a day certain, to refer, to  
 30 amend, to postpone indefinitely, to defer, or

Page 12

1 incidental motions. A substitute is not in order  
 2 unless it is in the form of a motion to substitute.  
 3 Such motions shall have precedence in the order in  
 4 which they are named. No motion to postpone to a day  
 5 certain, to refer, or postpone indefinitely, being  
 6 decided, shall be again allowed on the same day with  
 7 regard to the same question. A motion to strike out  
 8 the enacting clause of a bill shall have precedence  
 9 over all amendments and, if carried, shall be  
 10 considered equivalent to the rejection of the bill.  
 11 A motion to strike everything after the enacting  
 12 clause has precedence over a committee amendment and  
 13 all other amendments except one to strike the enacting  
 14 clause. A committee amendment has precedence over all  
 15 other amendments except as provided in this rule.  
 16 A motion to rerefer a bill to committee may specify  
 17 when the committee shall report the bill to the  
 18 senate. If the motion is adopted in such form, the  
 19 committee must report the bill by the date and time  
 20 specified with or without recommendation or the bill  
 21 shall automatically be returned to the calendar. When  
 22 the bill is returned to the calendar, it shall occupy  
 23 the same position it occupied at the time the bill was  
 24 rereferred to the committee. If the committee to  
 25 which the bill is rereferred submits an amendment in  
 26 its report, that committee amendment shall take  
 27 precedence over other amendments except if that  
 28 committee amendment is in conflict with amendments  
 29 previously adopted, the committee amendment shall not  
 30 be considered until consideration of motions to

Page 13

1 reconsider the previously adopted amendments result in  
 2 removing the conflict. A committee may not file an  
 3 amendment to a bill unless the bill is in the

4 committee's possession.

5 Rule 14

6 MOTIONS BEFORE THE SENATE

7 Motions before the senate shall be displayed on the  
8 electronic voting system display boards.

9 Rule 15

10 Nondebatable Motions

11 The following motions are not debatable:

12 Adjourn

13 Recess

14 Call of the Senate

15 Lay on Table or Take from Table

16 Previous Question

17 Reconsider vote by which bill was placed on last reading.

18 A Motion to Reconsider and Lay the Motion to Reconsider  
19 on the Table (Double-barreled Motion).

20 Rule 16

21 Division of the Question

22 Any senator may call for a division of a question,  
23 which shall be divided if it includes propositions so  
24 distinct that if one is taken away, a substantive  
25 proposition shall remain in a technically proper form  
26 for the decision of the senate. A motion to strike  
27 out and insert is indivisible; but a motion to strike  
28 out, if lost, shall not preclude amendments to the  
29 matter attempted to be stricken or a motion to strike  
30 out and insert.

Page 14

1 Rule 17

2 The Previous Question

3 The previous question shall be in this form:

4 "Shall debate be closed on the pending question?" A  
5 motion for the previous question may be adopted by a  
6 majority of the senators present and voting. Its  
7 effect shall be to put an end to debate and bring the  
8 senate to a direct vote upon the pending question.  
9 However, any senator who has not previously spoken on  
10 the pending question and who, after the main question  
11 is taken up and before the motion for the previous  
12 question has been made, requested recognition by  
13 depressing the "speak" device may speak no longer than  
14 five minutes on the pending question. If action on  
15 the pending question continues into another  
16 legislative day or is deferred, the previous question  
17 shall apply and the requests to be recognized shall be  
18 honored.

19 When the motion applies to an amendment, the  
20 senator proposing the amendment shall have five  
21 minutes to close debate on the amendment.

22 The senator handling the measure under

23 consideration shall have ten minutes to close debate  
 24 on the main question.

25 Rule 18

26 Call of the Senate

27 Ten senators may file in writing a call of the  
 28 senate on any single item of legislative business. A  
 29 call of the senate requires the presence of every  
 30 senator and is in order at any time prior to the vote

Page 15

1 being announced by the president. The sergeant-at-  
 2 arms shall return promptly all absent senators.  
 3 Debate on the item may continue while absent senators  
 4 are returning, but no vote on the item is in order on  
 5 it until all have returned. Adoption of a motion to  
 6 recess or adjourn to a specific time will not lift the  
 7 call. The call may be lifted, or a senator may be  
 8 excused from the call without lifting the call, by a  
 9 vote of a constitutional majority of the senators.  
 10 Those senators excused prior to the filing of the call  
 11 are excused from the call.

12 Rule 19

13 Committee of the Whole

14 The senate may resolve itself into a committee of  
 15 the whole senate when it wishes to permit more free  
 16 and informal discussion. Persons other than senators  
 17 may appear and present information.  
 18 Any senator may move "that the senate now resolve  
 19 itself into a committee of the whole to consider" a  
 20 stated subject.  
 21 The president of the senate shall be chair of the  
 22 committee of the whole unless otherwise ordered by the  
 23 senate.  
 24 The procedure in committee of the whole is subject  
 25 to the rules of the senate. The previous question and  
 26 the motion to reconsider shall be in order.  
 27 The committee of the whole cannot take any final  
 28 action and its power is limited to recommendation to  
 29 the senate. The proceedings of the committee of the  
 30 whole, including any roll call vote, shall be printed

Page 16

1 in the journal.  
 2 Any senator may at any time, except while voting or  
 3 while a senator has the floor, move that "the  
 4 committee rise" which is equivalent to a motion to  
 5 adjourn.  
 6 After adoption of the motion to rise, the chair may  
 7 report to the senate in the same manner as other  
 8 committee reports are given.

## 9 Rule 20

10 Last Reading and Passage of Bills  
 11 When a motion to place a bill on its last reading  
 12 is lost, the same motion shall be in order at any  
 13 later time. After the last reading of a bill, no  
 14 amendment shall be received. The vote on final  
 15 passage shall be taken immediately without debate.

## 16 Rule 21

17 Engrossment of Bills  
 18 An engrossment is a proofreading and verification  
 19 in order to be certain that a bill before the senate  
 20 is identical with the original bill as introduced with  
 21 all amendments which have been adopted correctly  
 22 inserted.

23 In an engrossed bill, all obvious typographical,  
 24 spelling or other clerical errors are corrected and  
 25 section or paragraph numbers and internal references  
 26 are changed as required to conform the original bill  
 27 to any amendments which have been adopted. All such  
 28 corrections or changes shall be reported in the  
 29 journal by the secretary of the senate. The engrossed  
 30 bill shall be placed in the bill file with the

Page 17

1 original bill and amendments.

## 2 Rule 22

## 3 Manner of Voting

4 On voice vote, the question shall be distinctly put  
 5 in this form: "Those in favor of (the question) say  
 6 "aye"." "Those opposed to (the question) say "no"."  
 7 A non-record or record roll call vote may be  
 8 requested by any senator or ordered by the president  
 9 any time before the results are announced. A non-  
 10 record roll call shall be requested by asking for a  
 11 "division". A record roll call shall be requested by  
 12 asking for a "~~roll call~~" "record". Upon request for a  
 13 non-record or record roll call vote, the president  
 14 shall announce that such a non-record or record roll  
 15 call vote has been requested and shall state the  
 16 question to be put to the senate. The president then  
 17 shall direct the secretary of the senate to receive  
 18 the votes.  
 19 Senators present may cast their votes, either by  
 20 operating the voting mechanism located at their  
 21 assigned desk or by signaling the president if they  
 22 are unable to vote at their assigned desk. The  
 23 president shall enter the votes of senators signaling  
 24 their votes.  
 25 After sufficient time has elapsed for all senators  
 26 present to record their votes, the president shall  
 27 direct the secretary of the senate to close the voting

28 system. The president shall still enter the senators'  
29 votes at any time prior to directing the secretary of  
30 the senate to lock the voting system. The president

Page 18

1 shall then immediately announce the vote.

2 During a non-record or record roll call vote, both  
3 individual votes and vote totals shall be indicated  
4 openly on the display boards. On non-record roll  
5 calls, only vote totals shall be printed in the  
6 journal.

7 In the event the electronic voting system is not in  
8 operating order, the president shall direct the  
9 secretary of the senate to take the non-record or  
10 record roll call by calling the names of the senators  
11 in alphabetical order.

#### 12 Rule 23

##### 13 Duty of Voting

14 Every senator present when a question is put shall  
15 vote "aye", "no" or "present" unless previously  
16 excused by the senate. Upon demand being made by any  
17 senator, the secretary of the senate shall call in  
18 alphabetical order the names of the senators not  
19 voting or voting "present". Those senators called  
20 shall vote "aye" or "no" unless the senator states a  
21 personal interest in the question or concludes that he  
22 or she should not vote under the senate code of  
23 ethics.

#### 24 Rule 24

##### 25 Reconsideration

26 When a main motion has been decided by the senate,  
27 any senator having voted on the prevailing side may  
28 move to reconsider the vote on the same or next  
29 legislative day. Motions to reconsider the vote on a  
30 bill or resolution shall be in writing and filed with

Page 19

1 the secretary of the senate.

2 Notwithstanding any time limitations applicable to  
3 motions to reconsider main motions, a motion to  
4 reconsider the vote on an amendment may be made at any  
5 time before final disposition of the motion to be  
6 amended. Such motion shall be in writing and filed  
7 with the secretary of the senate. A motion to  
8 reconsider an amendment to a main motion shall be  
9 taken up for consideration only prior to the  
10 disposition of the main motion or upon reconsideration  
11 of the main motion.

12 A constitutional majority by a record roll call is  
13 necessary to reconsider a bill or joint resolution.

14 During three legislative days from the date the motion  
15 to reconsider a bill or resolution is filed, only the  
16 mover may call it up. Thereafter, any senator may  
17 call up the motion. If a date for adjournment has  
18 been set by resolution of the senate, any senator may  
19 call up a motion to reconsider at any time within  
20 three days prior to the date set for adjournment.  
21 If the motion to reconsider a bill or resolution  
22 prevails, motions to reconsider amendments thereto  
23 shall be in order and shall be disposed of without  
24 delay.  
25 A motion that any action taken by the senate be  
26 reconsidered and the motion to reconsider be laid upon  
27 the table shall be a single and indivisible motion,  
28 known as the double-barreled motion, which, if  
29 carried, shall have the effect of preventing  
30 reconsideration unless a motion to take from the table

Page 20

1 prevails. A constitutional majority is necessary for  
2 the double-barreled motion to prevail on a bill or  
3 joint resolution. The double-barreled motion can only  
4 be made from the floor after the vote is announced and  
5 the member who moved the final reading shall have  
6 priority in making it.  
7 A motion to reconsider and lay on the table shall  
8 have priority over a motion to reconsider if they are  
9 both filed on the same legislative day.  
10 In the event that a motion to reconsider is pending  
11 at the end of the first session or any extraordinary  
12 session of any general assembly, or the general  
13 assembly adjourns sine die, and the motion has not  
14 been voted upon by the senate, it shall be determined  
15 to have failed.

#### Rule 25

##### Suspension of Rules and Taking from Table

18 No standing rule or rules incorporated by reference  
19 under Rule 3 or order of the senate shall be rescinded  
20 or suspended, nor shall any matter, tabled upon  
21 motion, be taken up, except by an affirmative vote of  
22 a constitutional majority of the senate.

#### INTRODUCTION AND FORM OF BILLS

#### Rule 26

##### Time and Method of Introducing Bills and Amendments

26 All bills to be introduced in the senate shall be  
27 typed in proper form by the legislative service bureau  
28 and shall be filed with the recording clerk.

29 All amendments shall be typed in proper form and  
30 filed with the recording clerk not later than 4:30

Page 21

1 p.m., or adjournment, whichever is later, in order to  
2 be listed in the following day's clip sheet.

3 An "impact amendment" is an amendment which  
4 reasonably could have an annual effect of at least one  
5 hundred thousand dollars or a combined total effect  
6 within five years after enactment of five hundred  
7 thousand dollars or more on the aggregate revenues,  
8 expenditures or fiscal liability of the state or its  
9 subdivisions.

10 An impact amendment to a bill which has been on the  
11 special order calendar for at least three full  
12 legislative days prior to its consideration shall not  
13 be taken up by the senate unless:

- 14 1) a fiscal note is attached, and the amendment is  
15 filed at least one legislative day prior to the date  
16 set for consideration of the bill; or
- 17 2) the amendment is an appropriation or other  
18 measure where the total effect is stated in dollar  
19 amounts.

#### 20 Rule 27

##### 21 Limit on Introduction of Bills

22 No bill or joint resolution, except bills and joint  
23 resolutions cosponsored by the majority and minority  
24 floor leaders, shall be introduced in the senate after  
25 4:30 p.m. on Friday of the sixth week of the first  
26 regular session of a general assembly unless a written  
27 request for drafting the bill has been filed with the  
28 legislative service bureau before that time. After  
29 adjournment of the first regular session, bills may be  
30 prefiled at any time before the convening of the

Page 22

1 second regular session. No bill shall be introduced  
2 after 4:30 p.m. on Friday of the second week of the  
3 second regular session of a general assembly unless a  
4 written request for drafting the bill has been filed  
5 with the legislative service bureau before that time.  
6 However, standing committees may introduce bills and  
7 joint resolutions at any time. A bill which relates  
8 to departmental rules sponsored by the administrative  
9 rules review committee and approved by a majority of  
10 the members of the committee in each house may be  
11 introduced at any time and must be referred to a  
12 standing committee which must take action on the bill  
13 within three weeks. Senate and concurrent resolutions  
14 may be introduced at any time.

15 No bill, joint resolution, concurrent resolution or  
16 senate resolution shall be introduced at any  
17 extraordinary session unless sponsored by a standing

18 committee, the majority and minority floor leaders, or  
19 the committee of the whole.

20 Rule 28

21 Introduction, Reading and Form of Bills and Resolutions

22 Every senate bill and resolution shall be  
23 introduced by one or more senators or by any standing  
24 committee of the senate and shall at once be given its  
25 first reading.

26 If the senate is in session when a bill or  
27 resolution is introduced, the first reading shall  
28 consist of reading its file number, the title and  
29 sponsor of the bill. If the senate is not in session  
30 but a journal is published for the day, the first

Page 23

1 reading shall consist of a journal entry of the bill's  
2 file number, title, sponsor and the notation "Read  
3 first time under Rule 28."

4 Any bill or resolution approved for introduction by  
5 a standing committee during an interim period between  
6 sessions of one General Assembly shall be introduced  
7 without further action by the committee at the next  
8 succeeding regular session of the same General  
9 Assembly and placed immediately upon the regular  
10 calendar.

11 Every bill and resolution referred to committee  
12 shall have received two readings before its passage.

13 The subject of every bill shall be expressed in its  
14 title.

15 Rule 29

16 Explanations

17 No bill, except appropriation committee bills and  
18 simple or concurrent resolutions, shall be introduced  
19 unless a concise and accurate explanation is attached.  
20 The chief sponsor or a committee to which the bill has  
21 been referred may add a revised explanation at any  
22 time before the last reading, and it shall be included  
23 in the daily clip sheet.

24 Rule 30

25 Resolutions

26 A "senate resolution" is a resolution acted upon  
27 only by the senate which expresses sentiment or is  
28 used for the appointment of special committees within  
29 the senate. A senate resolution requires the  
30 affirmative vote of a majority of the senators present

Page 24

1 and voting. A senate resolution shall be filed with  
2 the secretary of the senate. A senate resolution  
3 shall be printed in the bound journal after its

4 adoption and in the daily journal upon written request  
 5 to the secretary of the senate by the sponsor of the  
 6 resolution.

7 Rule 31

8 Nullification Resolutions

9 A nullification resolution may be introduced by a  
 10 standing committee, the administrative rules review  
 11 committee, or any member of the senate. A  
 12 nullification resolution introduced by the  
 13 administrative rules review committee or a member of  
 14 the senate shall be referred to the same standing  
 15 committee it would be referred to if it was a bill.

16 Any nullification resolution may be referred to the  
 17 administrative rules review committee by a majority  
 18 vote of the standing committee which introduced it or  
 19 to which it was referred. The administrative rules  
 20 review committee may seek an agreement with the  
 21 affected administrative agency wherein the agency  
 22 agrees to voluntarily rescind or modify a rule or  
 23 rules relating to the subject matter of the  
 24 nullification resolution. An agreement to voluntarily  
 25 rescind or modify an administrative agency rule shall  
 26 be in writing and signed by the chief administrative  
 27 officer of the administrative agency and a majority of  
 28 the administrative rules review committee members of  
 29 each house and shall be placed on file in the offices  
 30 of the chief clerk of the house, the secretary of the

Page 25

1 senate and the secretary of state. If an agreement is  
 2 not reached, or the nullification resolution is not  
 3 approved by a majority of the administrative rules  
 4 review committee members of each house, within two  
 5 weeks of the date the resolution is referred to the  
 6 administrative rules review committee, the resolution  
 7 shall be placed on the calendar. If the nullification  
 8 resolution is approved by the administrative rules  
 9 review committee it shall be placed on the calendar.  
 10 A nullification resolution is subject to a motion to  
 11 withdraw the nullification resolution as provided in  
 12 rule 42.

13 A nullification resolution is debatable, but cannot  
 14 be amended on the floor of the senate.

15 Rule 32

16 Resolutions, Applicable Rules

17 All rules applicable to bills shall apply to  
 18 resolutions, except as otherwise provided in the  
 19 rules.

20 Rule 33

21 Study Bills

22 1. A study bill is any matter which a senator

23 wishes to have considered by a standing committee or  
 24 appropriations subcommittee for introduction as a  
 25 committee bill or resolution. The term "study bill"  
 26 includes "proposed bills" provided for in Rule 37 and  
 27 departmental requests prefiled in the manner specified  
 28 in section 2.16 of the Code.

29 2. A study bill shall bear the name of the member  
 30 who wishes to have the bill considered. A study bill

Page 26

1 proposed by a state agency shall bear the name of the  
 2 agency. A committee chair may submit a study bill in  
 3 the name of that committee.

4 3. Upon first receiving a study bill from a  
 5 senator, a committee chairperson shall submit three  
 6 copies to the secretary of the senate. Study bills  
 7 received in the secretary of the senate's office  
 8 before 3:00 p.m. shall be filed, numbered, and  
 9 reported in the journal for that day. Study bills  
 10 received in the secretary of the senate's office after  
 11 3:00 p.m. shall be filed, numbered, and reported in  
 12 the journal for the subsequent day. The secretary  
 13 shall number such bills in consecutive order. The  
 14 secretary shall maintain a record of all study bills  
 15 and their assigned number. Committee records shall  
 16 refer to study bills by the number assigned by the  
 17 secretary.

18 4. The secretary shall file a report in the  
 19 journal of each study bill received. The report shall  
 20 show the study bill number, its title or subject  
 21 matter and the committee which is considering it. If  
 22 a study bill is referred to a subcommittee, then the  
 23 committee chairperson shall report in the journal the  
 24 names of the subcommittee members to which it is  
 25 assigned.

26 5. If a committee bill or resolution is introduced  
 27 which was not previously the subject of a study bill  
 28 in the sponsoring committee, the majority leader may  
 29 re-refer the bill back to the committee.

30 6. A study bill not prepared by the legislative

Page 27

1 service bureau may be submitted to a standing  
 2 committee, but shall not be considered by the full  
 3 committee unless reviewed and typed in proper form by  
 4 the legislative service bureau.

1 president of the senate shall serve as vice-chair of  
 2 the rules and administration committee, and as chair  
 3 of the subcommittee on administrative services.

4 Rule 37

 2 2. report the bill with any appropriations  
 3 committee-approved amendments incorporated;  
 4 3. draft a new bill for sponsorship by the  
 5 appropriations committee and report it; or  
 6 4. re-refer it together with the appropriations  
 7 committee's objections to the appropriations  
 8 subcommittee from which it was originally referred or  
 9 which originated the draft bill.  
 10 The appropriations committee and subcommittees may  
 11 meet jointly with the appropriations committee of the  
 12 house of representatives.

13

Rule 38

14                   First Reading and Commitment  
 15    Upon the first reading of an individual bill or  
 16 resolution, or a house committee bill or resolution,  
 17 the president shall refer the bill or resolution to an  
 18 appropriate standing committee unless otherwise  
 19 ordered by the senate. If the bill or resolution is a  
 20 senate committee bill or resolution, the president  
 21 shall place it on the calendar after its first  
 22 reading. If the subject of the bill or resolution is  
 23 not germane to the title of the committee presenting  
 24 it, the president of the senate may refer it to a  
 25 committee deemed appropriate.  
 26 All bills carrying an appropriation for any purpose  
 27 or involving the expenditure of state funds shall be  
 28 referred to the committee on appropriations.  
 29 All bills pertaining to the levy, assessment or

1 committee on ways and means.  
 2 Any bill which provides for a new state board,  
 3 commission, agency or department or makes separate or  
 4 autonomous an existing state board, commission, agency  
 5 or department, shall be referred to the committee on  
 6 state government. This rule shall also apply when  
 7 such a provision is added to a bill or resolution by  
 8 amendment adopted by the senate. If the bill or  
 9 resolution is so referred after being sponsored or  
 10 reported out by another committee, and if the  
 11 committee on state government does not report out the  
 12 bill or resolution within ten legislative days after  
 13 referral, the bill or resolution shall automatically  
 14 be restored to the calendar with the same priority it  
 15 had immediately before referral.

#### 16                   Rule 39

#### 17                   Rules for Standing Committees

 25 and resolution to a subcommittee within seven days  
 26 after the bill or resolution has been referred to the  
 27 committee. The chair may appoint subcommittees for  
 28 study of bills and resolutions without calling a  
 29 meeting of the committee, but the subcommittee must be  
 30 announced at the next meeting of the committee. No

Page 32

1 bill or resolution shall be reported out of a  
2 committee until the next meeting after the  
3 subcommittee is announced, except that the chair of  
4 the appropriations committee may make the announcement  
5 of the assignment to a subcommittee by placing a  
6 notice in the journal. Any bill so assigned by the  
7 appropriations committee chair shall be eligible for  
8 consideration by the committee upon report of the  
9 subcommittee but not sooner than three legislative  
10 days following the publication of the announcement in  
11 the journal.

12 When a bill or resolution has been assigned to a  
13 subcommittee, the chair shall report to the senate the  
14 bill or resolution number and the names of the  
15 subcommittee members and such reports shall be  
16 reported in the journal. Subcommittee assignments  
17 shall be reported to the journal daily. Reports filed  
18 before 3:00 p.m. shall be printed in the journal for  
19 that day; reports filed after 3:00 p.m. shall be  
20 printed in the journal for the subsequent day.

21 Where standing subcommittees of any committee have  
22 been named, the names of the members and the title of  
23 the subcommittee shall be published once and  
24 thereafter publication of assignments may be made by  
25 indicating the title of the subcommittee.

26 3. No bill or resolution shall be considered by a  
27 committee until it has been referred to a subcommittee  
28 and the subcommittee has made its report unless  
29 otherwise ordered by a majority of the members.

30 4. The rules adopted by a committee, including

Page 33

1 subsections 2, 3, 9, 10, 11, and 12 of this rule, may  
2 be suspended by an affirmative vote of a majority of  
3 the members of the committee.

4 5. The affirmative vote of a majority of the  
5 members of a committee is needed to sponsor a  
6 committee bill or resolution or to report a bill or  
7 resolution out for passage.

8 6. The vote on all bills and resolutions shall be  
9 by roll call unless a short-form vote is unanimously  
10 agreed to by the committee. A record shall be kept by  
11 the secretary.

12 7. No committee, except a conference committee or  
13 the steering committee, is authorized to meet when the  
14 senate is in session.

15 8. A subcommittee shall not report a bill to the  
16 committee unless the bill has been typed into proper  
17 form by the legislative service bureau.

18 9. A bill or resolution shall not be voted upon  
19 the same day a public hearing called under subsection  
20 10 is held on that bill or resolution.

21 10. Public hearings may be called at the  
22 discretion of the chair. The chair shall call a  
23 public hearing upon the written request of one-half  
24 the membership of the committee. The chair shall set  
25 the time and place of the public hearing.

26 11. A subcommittee chair must notify the committee  
27 chair not later than one legislative day prior to  
28 bringing the bill or resolution before the committee.  
29 The committee cannot vote on a bill or resolution for  
30 at least one full day following the receipt of the

Page 34

1 subcommittee report by the chairperson.

2 12. A motion proposing action on a bill or  
3 resolution that has been defeated by a committee shall  
4 not be voted upon again at the same meeting of the  
5 committee.

6 13. Committee meetings shall be open.

#### 7 Rule 40

#### 8 Voting in Committee

9 All committee meetings shall be open at all times.

10 Voting by secret ballot is prohibited. Roll call  
11 votes shall be taken in each committee when final  
12 action on any bill or resolution is voted, unless a  
13 short-form vote is unanimously agreed to by the  
14 committee. A roll call vote also shall be taken in  
15 each committee at the request of a member upon any  
16 amendment or motion. All results shall be entered in  
17 the minutes which shall be public records. Records of  
18 these votes shall be made available by the chair or  
19 the committee secretary at any time. This rule also  
20 applies to the steering committee and appropriations  
21 subcommittees.

22 The committee shall not authorize the introduction  
23 of a committee bill or resolution until the members  
24 have received final copies of the bill or resolution  
25 with amendments or changes incorporated, and typed  
26 into proper form by the legislative service bureau.  
27 The committee may, by unanimous consent, dispense with  
28 this requirement when only nonsubstantive amendments  
29 or changes are necessary to correct the bill or  
30 resolution, or when a study bill or individually

Page 35

1 sponsored bill is voted out as a committee bill with  
2 no change in the text of the bill or the title.

3 The legislative service bureau shall file a report

4 with the committee members detailing the amendments or  
 5 changes and this report shall become a part of the  
 6 committee report.

7 Rule 41

8 Announcement of Committee Meetings

9 It shall be in order for the chair of any committee  
 10 to announce to the senate the time and place of  
 11 committee meetings. The announcement shall include a  
 12 proposed agenda for the meeting. The sergeant-at-arms  
 13 shall post at the rear of the chamber the daily  
 14 schedule of committee meetings.

15 Rule 42

16 Withdrawal of Bills and Resolutions from Committee

17 The secretary of the senate shall note on each bill  
 18 and resolution the date of its reference to committee.  
 19 No bill or resolution shall be withdrawn from any  
 20 committee within fifteen legislative days after the  
 21 bill or resolution has been referred to the committee  
 22 and thereafter only upon written petition for the  
 23 withdrawal of such bill or resolution signed by a  
 24 constitutional majority of the senators, except as  
 25 provided in Rule 38. Only senators may circulate such  
 26 a petition.

 30 meetings. Such reports shall contain the following

  - 3 b. Those senators who were present and absent at  
 4 the time the meeting convened, as well as the time any  
 5 senator, who was not present at the time the meeting  
 6 convened, arrives for the meeting;
  - 7 c. The vote on any bill or resolution reported out  
 8 of the committee for floor action;
  - 9 d. The title of the bill;

27 senate rule 6, and by the committee on rules and  
28 administration. No appointee shall be listed as  
29 eligible on the confirmation calendar until the  
30 secretary has received the appointee's completed

Page 44

1 senate questionnaire.  
2 As soon as possible after the convening of a  
3 session, and again within one week following March 15,  
4 the secretary of the senate shall publish in the  
5 senate journal the names of all nominees submitted for  
6 confirmation. The secretary of the senate shall  
7 maintain a file of all appointments received from the  
8 governor for confirmation. The file shall contain a  
9 description of the duties and the compensation for  
10 each nominee. The file shall show the date an  
11 appointment was received from the governor, the date  
12 the appointment was published in the journal, whether  
13 the nominee has been introduced, whether a committee  
14 report has been filed, when the senate questionnaire  
15 was sent to the appointee, and shall include a copy of  
16 the appointee's completed senate questionnaire, upon  
17 receipt.

18 INVESTIGATING COMMITTEES. All appointments  
 19 received from the governor shall be referred to the  
 20 rules and administration committee by the secretary of  
 21 the senate on the same day they are published in the  
 22 senate journal. The rules and administration  
 23 committee shall establish an en bloc confirmation  
 24 calendar which must be filed with the secretary of the  
 25 senate. Within three (3) legislative days after  
 26 receiving an appointment, the committee shall either  
 27 place a nominee on the en bloc confirmation calendar  
 28 or assign the nominee to an appropriate standing  
 29 committee for further investigation, publishing notice  
 30 of such assignment in the senate journal for the next

Page 45

1 legislative day. If the rules and administration  
 2 committee fails to take action on a nominee within the  
 3 three days, the nominee shall automatically be placed  
 4 on the en bloc confirmation calendar.  
 5 Within the three (3) legislative days after an  
 6 appointment has been referred to the rules and  
 7 administration committee, any ten senators may require  
 8 that the nominee be assigned to an appropriate  
 9 standing committee by filing a written, signed request  
 10 therefor with the chairperson of the rules and  
 11 administration committee. The committee chair shall  
 12 refer the appointment to a subcommittee within one (1)  
 13 legislative day after a standing committee receives an  
 14 appointment for further investigation, publishing  
 15 notice of such assignment in the senate journal for  
 16 the next legislative day. Within ten (10) legislative  
 17 days after a standing committee receives an  
 18 appointment for further investigation the subcommittee  
 19 shall file its report with the standing committee.  
 20 Within fourteen (14) legislative days after a  
 21 standing committee receives an appointment for further  
 22 investigation, the committee shall conduct an  
 23 investigation of the nominee and file its report  
 24 thereon with the secretary of the senate, who shall  
 25 then place the nominee on the en bloc calendar or  
 26 individual confirmation calendar as directed by the  
 27 committee. The failure of a committee to file its  
 28 report within the prescribed time means that the  
 29 nominee is to be automatically placed, without  
 30 recommendation, upon the individual confirmation

Page 46

1 calendar.  
 2 Any individual nominated to head a department or  
 3 agency of state government, whose appointment is

4 subject to senate confirmation, must be introduced to  
5 the full senate prior to a vote on confirmation of the  
6 nominee. Additionally, any five (5) senators may  
7 request that any nominee be introduced to the senate  
8 by filing a written request with the secretary of the  
9 senate within ten (10) legislative days of the  
10 nominee's name appearing in the journal. Any  
11 individual nominated to a position requiring senate  
12 confirmation may request to be introduced to the full  
13 senate by notifying the secretary of the senate at  
14 least one (1) legislative day in advance of their  
15 appearance. If an individual is nominated both to  
16 fill a vacancy for an unexpired term and is also  
17 nominated for reappointment to that position during  
18 the same session, a single introduction is sufficient  
19 for eligibility for confirmation to both terms.

20 HEARINGS. Any member of a committee investigating  
21 an appointment may, within five (5) legislative days  
22 after the committee receives the appointment, obtain  
23 a hearing with the nominee by filing a written request  
24 with the secretary of the senate who shall forward it  
25 to the chair of the standing committee and the chair  
26 of the subcommittee. Notice of the hearing shall be  
27 published in the journal at least two (2) legislative  
28 days prior to the hearing. At the hearing, which  
29 shall be before the subcommittee, the nominee may be  
30 questioned as to his or her qualifications to fulfill

Page 47

1 the office to which nominated and further questioned  
2 as to his or her viewpoints on issues facing the  
3 office to which nominated. Any senator may at the  
4 discretion of the chair of the subcommittee be  
5 permitted to submit oral questions. The public may, at  
6 the discretion of the investigating committee, be  
7 permitted to submit oral or written statements as to  
8 the qualifications of the nominee.

9 Also, within five (5) legislative days after the  
10 subcommittee receives an appointment for  
11 investigation, any senator may submit written  
12 questions to be answered by the nominee prior to  
13 consideration of the nominee's confirmation by the  
14 senate.

15 INFORMATIONAL MEETINGS. After a nominee has been  
16 placed on the calendar and prior to the vote on  
17 confirmation, any senator may request an informational  
18 meeting on the nomination which shall be held before  
19 the subcommittee.

20 VOTING ON CONFIRMATIONS. Upon the motion of the  
21 majority leader or his or her designee, the nominees  
22 on the en bloc confirmation calendar shall be

23 confirmed en bloc by the affirmative vote of two-  
 24 thirds of the members elected to the senate. The  
 25 journal shall reflect a single roll call accompanied  
 26 by a statement of the names of those individuals  
 27 subject to the en bloc confirmation vote.  
 28 Prior to an en bloc vote, any senator may request,  
 29 either in writing or from the floor, an individual  
 30 vote on any nominee on the en bloc confirmation

Page 48

1 calendar. The senate shall vote separately on the  
 2 nominee.  
 3 Nominees on the individual confirmation calendar  
 4 shall be confirmed by a two-thirds vote; however, the  
 5 senate shall take a separate roll call on each  
 6 nominee, unless by unanimous consent, it determines to  
 7 take one vote on all nominees under consideration. In  
 8 any case, the journal shall reflect a single roll call  
 9 vote for each nominee.  
 10 If an individual is nominated both to fill a  
 11 vacancy for an unexpired term and is also nominated  
 12 for reappointment to that position, and such  
 13 appointment and reappointment appear on the senate  
 14 calendar as eligible at the same time, a single vote  
 15 is sufficient for confirmation to both terms.

 7 after consultation with the respective minority floor  
 8 leaders. For the purposes of this rule, a joint

9 resolution is considered as a bill. To be considered  
 10 an appropriations or ways and means bill for the

 12 the ways and means committee must either be the  
 13 sponsor of the bill or the committee of first referral  
 14 in the senate.

 2 and the ~~12th~~ 13th week of the second session, the  
 3 senate shall consider only bills passed by both  
 4 houses, bills exempt from subsection 2 and unfinished  
 5 business.

 8 subject to a deadline under this rule may be called up  
 9 at any time before or after the day of the deadline by  
 10 the person filing the motion or after the deadline by  
 11 the majority floor leader, notwithstanding any other  
 12 rule to the contrary.

13 BE IT FURTHER RESOLVED, That should a system of

 12 Andreasen.  
 13 WHEREAS, Nancy Coover Andreasen, M.D., Ph.D., the  
 14 Andrew Woods Chair of Psychiatry, University of Iowa  
 15 College of Medicine, Editor of the American Journal of  
 16 Psychiatry, and author of hundreds of articles and

 21 mental health services in the field of psychiatry; and  
 22 WHEREAS, in her over 30 years of study and research  
 23 in the field of psychiatry, Dr. Andreasen has been a  
 24 leader and a visionary in her profession by, in  
 25 addition to her vast number of other accomplishments,  
 26 developing a tool to evaluate psychiatric  
 27 abnormalities and to rank their severity, which  
 28 evolved into a tool to rate symptoms of schizophrenia  
 29 becoming a "citation classic," cited more than the  
 30 works of Sigmund and Anna Freud combined; utilizing

Page 2

1 neuroimaging to pinpoint and measure the biological  
 2 basis of human behavior in mental illness,  
 3 particularly schizophrenia; and being the first to  
 4 demonstrate a relationship between manic-depressive  
 5 illness and creativity; and  
 6 WHEREAS, while Dr. Andreasen has been recognized by

 12 understandable to the public has provided relief and  
 13 hope to persons with mental illness and their  
 14 families; and  
 15 WHEREAS, Dr. Andreasen once analogized the need for  
 16 a vision of the future in scientific research to

 19 and  
 20 WHEREAS, Dr. Andreasen has received numerous  
 21 honors, including most recently the President's  
 22 National Medal of Science on December 1, 2000, which

24 and engineers and to only three Iowans since its  
 25 inception in 1959; and  
 26 WHEREAS, the inscription on the President's  
 27 National Medal of Science awarded to Dr. Andreasen  
 28 reads, "For her pivotal contributions to the social  
 29 and behavioral sciences, through the integrative study  
 30 of mind, brain, and behavior, by joining behavioral

Page 3

1 science with the technologies of neuroscience and  
 2 neuroimaging in order to understand mental processes  
 3 such as memory and creativity, and mental illnesses  
 4 such as schizophrenia"; and  
 5 WHEREAS, Dr. Andreasen's humility in the midst of  
 6 all the acclaim is best typified by her own words in  
 7 acknowledging her most recent award: "I am a firm  
 8 believer that the importance of one's work is the  
 9 process of doing it, not in getting awards. When I  
 10 die, I don't care what prizes I won. I care about  
 11 what contributions I can make through my work"; NOW  
 12 THEREFORE,  
 13 BE IT RESOLVED BY THE SENATE, That the Senate  
 14 recognizes Dr. Andreasen not only as an award-winning,  
 15 internationally acknowledged psychiatrist, educator,  
 16 researcher, and author, but as an Iowa treasure who  
 17 through her genuine compassion and dedication has  
 18 improved the lives of and has provided hope and  
 19 understanding to persons with mental illness and their  
 20 families.

2 WHEREAS, the state of Iowa needs to work toward  
3 providing women with equal access to quality health  
4 care, by providing women with state-of-the-art medical

6 treatment programs; by increasing the number of women  
7 covered by comprehensive health care insurance; by  
8 encouraging unimpeded access to women's specialty  
9 health providers; and by providing improved

10 communications between health care providers and women  
11 patients; and

12 WHEREAS, Iowa can support women's health issues by  
 13 continuing to expand state screening programs targeted  
 14 at lower-income women to include a full range of known  
 15 risk factors; increasing government private research  
 16 on women's health issues; expanding medical and  
 17 nursing school curricula in the areas of women's  
 18 health and educating care providers about gender  
 19 biology; supporting public education campaigns to  
 20 increase women's awareness about their unique health  
 21 risks and how to obtain the best care available; and  
 22 conducting public health campaigns via state and local  
 23 departments of public health with private-sector  
 24 partners to focus on key women's preventive health  
 25 issues; and  
 26 WHEREAS, in a recent survey of voters, almost 80  
 27 percent of women and 60 percent of men favored a  
 28 women's health care platform that supports relevant  
 29 health care, research, and education for women; and  
 30 WHEREAS, nine out of 10 men and women agree that

 9 BE IT FURTHER RESOLVED, That the Senate commends  
 10 the organization, Women in Government, for its  
 11 leadership and enterprise in bringing to the forefront  
 12 the urgent need, and proposing meaningful steps that  
 13 can be taken, to attain access for women to quality  
 14 health care and medical technologies, and to educate

 7 of the United States Navy during the period from 1775  
 8 to 1998; and  
 9 WHEREAS, during the span of 223 years, the seagoing  
 10 marines participated in every naval campaign and  
 11 battle to safeguard the freedom and liberty that all  
 12 Iowans expect and enjoy today; and  
 13 WHEREAS, seagoing marines from every state have  
 14 been stationed on the famous battleship USS Iowa and

16 gallant ships of the United States Navy that have

 18 WHEREAS, seagoing marines from all over the nation

**SENATE RESOLUTION 50:** filed from the floor; adopted by the Senate on May 3, 2001.

1 SENATE RESOLUTION 50  
 2 By: Committee on State Government  
 3 A Senate resolution advising legislative service bureau of the  
 4 reasons for the Senate's rejection of Senate File 540.  
 5 WHEREAS, Joint Rule 24.1 requires that if either  
 6 house rejects a redistricting plan submitted by the  
 7 legislative service bureau that house shall convey the  
 8 reasons for such rejection to the legislative service  
 9 bureau by resolution; NOW THEREFORE,  
 10 BE IT RESOLVED BY THE SENATE, That the Senate  
 11 requests that the next plan drafted by the legislative  
 12 service bureau improve the population deviations to  
 13 more nearly represent the ideal of "one person, one  
 14 vote"; and  
 15 BE IT FURTHER RESOLVED, That Iowa Code section  
 16 42.4(4) entitled "Redistricting Standards" states, "It  
 17 is preferable that districts be compact in form, but  
 18 the standards established by subsections 1, 2 and 3  
 19 take precedence over compactness where a conflict  
 20 arises between compactness and these standards." Iowa  
 21 Code section 42.4(1),(2), and (3) state the preferred  
 22 standards are population equalities, contiguous  
 23 territories, and district boundaries coinciding with  
 24 political subdivisions. Additionally, courts have  
 25 consistently held that lower population deviations  
 26 from the ideal population should take precedence over  
 27 compactness of the districts as defined in the Iowa

28 Code. Therefore, the next plan should more closely  
 29 follow those guidelines; and  
 30 BE IT FURTHER RESOLVED, That the Senate requests a

Page 2

1 plan that at a minimum matches, or improves upon, the  
 2 population deviation in our current Congressional and  
 3 legislative districts; and,  
 4 BE IT FURTHER RESOLVED, That in addition, the  
 5 Senate requests the legislative service bureau in the  
 6 next plan, strive to develop Congressional and  
 7 legislative districts that reflect urban and rural  
 8 interests in our state to the extent consistent with  
 9 the Iowa Code. Plan #1 regionalized Iowa at the  
 10 Congressional level. The districts that are included  
 11 in Plan #2 should better reflect the convenient,  
 12 contiguous territory of our state.

1 Code Editor's Correction Bills

2 A bill recommended by the Code editor which is  
 3 passed out of committee to the floor for debate by a  
 4 committee of the house or senate within the first four  
 5 weeks of convening of a legislative session and which  
 6 contains Code corrections of a nonsubstantive nature  
 7 shall not be amended on the floor of either house  
 8 except pursuant to corrective or nonsubstantive  
 9 amendments filed by the judiciary committee of the  
 10 senate or the house. Such committee amendments,  
 11 whether filed at the time of initial committee passage  
 12 of the bill to the floor for debate or after  
 13 rereferral to the committee, shall not be incorporated  
 14 into the bill in the originating house but shall be  
 15 filed separately. Amendments filed from the floor to  
 16 strike sections of the bill or the committee  
 17 amendments shall be in order. Following amendment and  
 18 passage by the second house, only amendments filed  
 19 from the floor which strike sections of the amendment  
 20 of the second house shall be in order.

21 A bill recommended by the Code editor which is  
 22 passed out of committee to the floor for debate by a  
 23 committee of the house or senate within the first four  
 24 weeks of convening of a legislative session and which  
 25 contains Code corrections beyond those of a  
 26 nonsubstantive nature shall not be amended on the  
 27 floor of either house except pursuant to amendments  
 28 filed by the judiciary committee of the senate or the  
 29 house. Such committee amendments, whether filed at  
 30 the time of initial committee passage of the bill to

Page 6

1 the floor for debate or after rereferral to the  
2 committee, shall not be incorporated into the bill in  
3 the originating house but shall be filed separately.  
4 Such a bill shall be limited to corrections which:  
5 Adjust language to reflect current practices, insert  
6 earlier omissions, delete redundancies and  
7 inaccuracies, delete temporary language, resolve  
8 inconsistencies and conflicts, update ongoing  
9 provisions, and remove ambiguities. Amendments filed  
10 from the floor to strike sections of the bill or the  
11 committee amendments shall be in order. Following  
12 amendment and passage by the second house, only  
13 amendments filed from the floor which strike sections  
14 of the amendment of the second house shall be in  
15 order.

#### 16 Rule 12

##### 17 Amendments by Other House

18 1. When a bill which originated in one house is  
19 amended in the other house, the house originating the  
20 bill may amend the amendment, concur in full in the  
21 amendment, or refuse to concur in full in the  
22 amendment. Precedence of motions shall be in that  
23 order. The amendment of the other house shall not be  
24 ruled out of order based on a question of germaneness.  
25 a. If the house originating the bill concurs in  
26 the amendment, the bill shall then be immediately  
27 placed upon its final passage.  
28 b. If the house originating the bill refuses to  
29 concur in the amendment, the bill shall be returned to  
30 the amending house which shall either:

Page 7

1 (1) Recede, after which the bill shall be read for  
2 the last time and immediately placed upon its final  
3 passage; or  
4 (2) Insist, which will send the bill to a  
5 conference committee.  
6 c. If the house originating the bill amends the  
7 amendment, that house shall concur in the amendment as  
8 amended and the bill shall be immediately placed on  
9 final passage, and shall be returned to the other  
10 house. The other house cannot further amend the bill.  
11 (1) If the amending house which gave second  
12 consideration to the bill concurs in the amendment to  
13 the amendment, the bill shall then be immediately  
14 placed upon its final passage.  
15 (2) If the amending house refuses to concur in the  
16 amendment to the amendment, the bill shall be returned  
17 to the house originating the bill which shall either:

18 (a) Recede, after which the bill shall be read for  
 19 the last time as amended and immediately placed upon  
 20 its final passage; or

21 (b) Insist, which will send the bill to a  
 22 conference committee.

23 2. A motion to recede has precedence over a motion  
 24 to insist. Failure to recede means to insist; and  
 25 failure to insist means to recede.

26 3. A motion to lay on the table or to indefinitely  
 27 postpone shall be out of order with respect to motions  
 28 to recede from or insist upon and to amendments to  
 29 bills which have passed both houses.

30 4. A motion to concur, refuse to concur, recede,

Page 8

1 insist, or adopt a conference committee report is in  
 2 order even though the subject matter has previously  
 3 been acted upon.

#### 4 Rule 13

##### 5 Conference Committee

6 1. Within one legislative day after either house  
 7 insists upon an amendment to a bill, the presiding  
 8 officer of the house, after consultation with the  
 9 majority leader, shall appoint three majority party  
 10 members and, after consultation with the minority  
 11 leader, shall appoint two minority party members to a  
 12 conference committee. The majority leader of the  
 13 senate, after consultation with the president, shall  
 14 appoint three majority party members and, after  
 15 consultation with and approval by the minority leader,  
 16 shall appoint two minority party members to a  
 17 conference committee. The papers shall remain with  
 18 the house that originated the bill.

19 2. The conference committee shall meet before the  
 20 end of the next legislative day after their  
 21 appointment, shall select a chair and shall discuss  
 22 the controversy.

23 3. The authority of the first conference committee  
 24 shall cover only issues related to provisions of the  
 25 bill and amendments to the bill which were adopted by  
 26 either the senate or the house of representatives and  
 27 on which the senate and house of representatives  
 28 differed. If a conference committee report is not  
 29 acted upon because such action would violate this  
 30 subsection of this rule, the inaction on the report

Page 9

1 shall constitute refusal to adopt the conference  
 2 committee report and shall have the same effect as if  
 3 the conference committee had disagreed.

4 4. An agreement on recommendations must be  
5 approved by at least three members from each house.  
6 The committee shall submit two originals of the report  
7 signed by at least three members of each house with  
8 one signed original and three copies to be submitted  
9 to each house. The report shall first be acted upon  
10 in the house originating the bill. Such action,  
11 including all papers, shall be immediately referred by  
12 the secretary of the senate or the chief clerk of the  
13 house of representatives to the other house.  
14 5. The report of agreement is debatable, but  
15 cannot be amended. If the report contains recommended  
16 amendments to the bill, adoption of the report shall  
17 automatically adopt all amendments contained therein.  
18 After the report is adopted, there shall be no more  
19 debate, and the bill shall immediately be placed upon  
20 its final passage.  
21 6. Refusal of either house to adopt the conference  
22 committee report has the same effect as if the  
23 committee had disagreed.  
24 7. If the conference committee fails to reach  
25 agreement, a report of such failure signed by at least  
26 three members of each house shall be given promptly to  
27 each house. The bill shall be returned to the house  
28 that originated the bill, the members of the committee  
29 shall be immediately discharged, and a new conference  
30 committee appointed in the same manner as the first

Page 10

1 conference committee.  
2 8. The authority of a second or subsequent  
3 conference committee shall cover free conference  
4 during which the committee has authority to propose  
5 amendments to any portion of a bill provided the  
6 amendment is within the subject matter content of the  
7 bill as passed by the house of origin or as amended by  
8 the second house.

#### Rule 14

10 Enrollment and Authentication of Bills  
11 A bill or resolution which has passed both houses  
12 shall be enrolled in the house of origin under the  
13 direction of either the secretary or the chief clerk  
14 and its house of origin shall be certified by the  
15 endorsement of the secretary of the senate or the  
16 chief clerk of the house.  
17 After enrollment, each bill shall be signed by the  
18 president of the senate and by the speaker of the  
19 house.

#### Rule 15

21 Concerning other Enrollments  
22 All resolutions and other matters which are to be

23 presented to the governor for approval shall be  
 24 enrolled, signed, and presented in the same manner as  
 25 bills.  
 26 All resolutions and other matters which are not to  
 27 be presented to the governor or the secretary of state  
 28 shall be enrolled, signed, and retained permanently by  
 29 the secretary of the senate or chief clerk of the  
 30 house.

Page 11

1 Rule 16

2 Transmission of Bills to the Governor

3 After a bill has been signed in each house, it  
 4 shall be presented by the house of origin to the  
 5 governor by either the secretary of the senate or the  
 6 chief clerk of the house. The secretary or the chief  
 7 clerk shall report the date of the presentation, which  
 8 shall be entered upon the journal of the house of  
 9 origin.

10 Rule 17

11 Fiscal Notes

12 A fiscal note shall be attached to any bill or  
 13 joint resolution which reasonably could have an annual  
 14 effect of at least one hundred thousand dollars or a  
 15 combined total effect within five years after  
 16 enactment of five hundred thousand dollars or more on  
 17 the aggregate revenues, expenditures, or fiscal  
 18 liability of the state or its subdivisions. This rule  
 19 does not apply to appropriation and ways and means  
 20 measures where the total effect is stated in dollar  
 21 amounts.

22 Each fiscal note shall state in dollars the  
 23 estimated effect of the bill on the revenues,  
 24 expenditures, and fiscal liability of the state or its  
 25 subdivisions during the first five years after  
 26 enactment. The information shall specifically note  
 27 the fiscal impact for the first two years following  
 28 enactment and the anticipated impact for the  
 29 succeeding three years. The fiscal note shall specify  
 30 the source of the information. Sources of funds for

Page 12

1 expenditures under the bill shall be stated, including  
 2 federal funds. If the fiscal director cannot make an  
 3 accurate estimate, the director shall state the best  
 4 available estimate or shall state that no dollar  
 5 estimate can be made and state concisely the reason.  
 6 The preliminary determination of whether the bill  
 7 appears to require a fiscal note shall be made by the  
 8 legislative service bureau which shall send a copy of

9 the request to the legislative fiscal bureau unless  
10 the requestor specifies the request is to be  
11 confidential. Upon completion of the bill draft, the  
12 legislative service bureau shall immediately send a  
13 copy to the legislative fiscal director for review.

14 When a committee reports a bill to the floor, the  
15 committee shall state in the report whether a fiscal  
16 note is or is not required.

17 The legislative fiscal director shall review all  
18 bills placed on the senate or house calendars to  
19 determine whether the bills are subject to this rule.

20 Additionally, a legislator may request the  
21 preparation of a fiscal note by the legislative fiscal  
22 bureau for any bill or joint resolution introduced  
23 which reasonably could be subject to this rule.

24 The legislative fiscal director shall cause to be  
25 prepared and shall approve a fiscal note within a  
26 reasonable time after receiving a request or  
27 determining that a bill is subject to this rule. All  
28 fiscal notes approved by the legislative fiscal bureau  
29 director shall be transmitted immediately to the  
30 secretary of the senate or the chief clerk of the

Page 13

1 house, after notifying the sponsor of the bill that a  
2 fiscal note has been prepared, for publication in the  
3 daily clip sheet. The secretary of the senate or  
4 chief clerk of the house shall attach the fiscal note  
5 to the bill as soon as it is available.

6 The legislative fiscal director may request the  
7 cooperation of any state department or agency in  
8 preparing a fiscal note.

9 A revised fiscal note may be requested by a  
10 legislator if the fiscal effect of the bill has been  
11 changed by adoption of an amendment. However, a  
12 request for a revised fiscal note shall not delay  
13 action on a bill unless so ordered by the presiding  
14 officer of the house in which the bill is under  
15 consideration.

16 If a date for adjournment has been set, then a  
17 constitutional majority of the house in which the bill  
18 is under consideration may waive the fiscal note  
19 requirement during the three days prior to the date  
20 set for adjournment.

#### 21 Rule 18

#### 22 Legislative Interns

23 Legislators may arrange student internships during  
24 the legislative session with Iowa college, university,  
25 or law school students, for which the students may  
26 receive college credit at the discretion of their  
27 schools. Each legislator is allowed only one intern

28 at a time per legislative session, and all interns  
 29 must be registered with the offices of the secretary  
 30 of the senate and the chief clerk of the house.

Page 14

1 The purpose of the legislative intern program shall  
 2 be: to provide useful staff services to legislators  
 3 not otherwise provided by the general assembly; to  
 4 give interested college, graduate, and law school  
 5 students practical experience in the legislative  
 6 process as well as providing a meaningful educational  
 7 experience; and to enrich the curriculum of  
 8 participating colleges and universities.

9 The secretary of the senate and the chief clerk of  
 10 the house or their designees shall have the following  
 11 responsibilities as regards the legislative intern  
 12 program:

13 1. Identify a supervising faculty member at each  
 14 participating institution who shall be responsible for  
 15 authorizing students to participate in the intern  
 16 program.

17 2. Provide legislators with a list of  
 18 participating institutions and the names of  
 19 supervising professors to contact if interested in  
 20 arranging for an intern.

21 3. Provide interns with name badges which will  
 22 allow them access to the floor of either house when  
 23 required to be present by the legislators for whom  
 24 they work.

25 4. Provide orientation materials to interns prior  
 26 to the convening of each session.

#### 27 Rule 19

#### 28 Administrative Rules Review Committee Bills 29 and Rule Referrals

30 A bill which relates to departmental rules and

Page 15

1 which is approved by the administrative rules review  
 2 committee by a majority of the committee's members of  
 3 each house is eligible for introduction in either  
 4 house at any time and must be referred to a standing  
 5 committee, which must take action on the bill within  
 6 three weeks of referral, except bills referred to  
 7 appropriations and ways and means committees.

8 If, on or after July 1, 1999, the administrative  
 9 rules review committee delays the effective date of a  
 10 rule until the adjournment of the next regular session  
 11 of the general assembly and the speaker of the house  
 12 or the president of the senate refers the rule to a  
 13 standing committee, the standing committee shall

14 review the rule within twenty-one days of the referral  
 15 and shall take formal committee action by sponsoring a  
 16 joint resolution to disapprove the rule, by proposing  
 17 legislation relating to the rule, or by refusing to  
 18 propose a joint resolution or legislation concerning  
 19 the rule. The standing committee shall inform the  
 20 administrative rules review committee of the committee  
 21 action taken concerning the rule.

#### 22 Rule 20

23 Time of Committee Passage and Consideration of Bills

24 1. This rule does not apply to concurrent or  
 25 simple resolutions, joint resolutions nullifying  
 26 administrative rules, senate confirmations, bills  
 27 embodying redistricting plans prepared by the  
 28 legislative service bureau pursuant to chapter 42, or  
 29 bills passed by both houses in different forms.  
 30 Subsection 2 of this rule does not apply to

Page 16

1 appropriations bills, ways and means bills, legalizing  
 2 acts, administrative rules review committee bills,  
 3 bills sponsored by standing committees in response to  
 4 a referral from the president of the senate or the  
 5 speaker of the house of representatives relating to an  
 6 administrative rule whose effective date has been  
 7 delayed until the adjournment of the next regular  
 8 session of the general assembly by the administrative  
 9 rules review committee, bills cosponsored by majority  
 10 and minority floor leaders of one house, bills in  
 11 conference committee, and companion bills sponsored by  
 12 the majority floor leaders of both houses after  
 13 consultation with the respective minority floor  
 14 leaders. For the purposes of this rule, a joint  
 15 resolution is considered as a bill. To be considered  
 16 an appropriations or ways and means bill for the  
 17 purposes of this rule, the appropriations committee or  
 18 the ways and means committee must either be the  
 19 sponsor of the bill or the committee of first referral  
 20 in the originating house.

21 2. To be placed on the calendar in the house of  
 22 origin, a bill must be first reported out of ~~the a~~  
 23 standing committee of first referral by Friday of the  
 24 9<sup>th</sup> 10<sup>th</sup> week of the first session and the 7<sup>th</sup> 8<sup>th</sup>  
 25 week of the second session. To be placed on the  
 26 calendar in the other house, a bill must be first  
 27 reported out of ~~the a~~ standing committee of first  
 28 referral by Friday of the ~~12<sup>th</sup>~~ 13<sup>th</sup> week of the first  
 29 session and the ~~10<sup>th</sup>~~ 11<sup>th</sup> week of the second session.  
 30 3. During the ~~10<sup>th</sup>~~ 11<sup>th</sup> week of the first session

Page 17

1 and the ~~8th~~ 9th week of the second session, each house  
 2 shall consider only bills originating in that house  
 3 and unfinished business. During the ~~13th~~ 14th week of  
 4 the first session and the ~~11th~~ 12th week of the second  
 5 session, each house shall consider only bills  
 6 originating in the other house and unfinished  
 7 business. Beginning with the ~~14th~~ 15th week of the  
 8 first session and the ~~12th~~ 13th week of the second  
 9 session, each house shall consider only bills passed  
 10 by both houses, bills exempt from subsection 2, and  
 11 unfinished business.

12 4. A motion to reconsider filed and not disposed  
 13 of on an action taken on a bill or resolution which is  
 14 subject to a deadline under this rule may be called up  
 15 at any time before or after the day of the deadline by  
 16 the person filing the motion or after the deadline by  
 17 the majority floor leader, notwithstanding any other  
 18 rule to the contrary.

#### 19 Rule 21

#### 20 Resolutions

21 1. A "concurrent resolution" is a resolution to be  
 22 adopted by both houses of the general assembly which  
 23 expresses the sentiment of the general assembly or  
 24 deals with temporary legislative matters. It may  
 25 authorize the expenditure, for any legislative  
 26 purpose, of funds appropriated to the general  
 27 assembly. A concurrent resolution is not limited to,  
 28 but may provide for a joint convention of the general  
 29 assembly, adjournment or recess of the general  
 30 assembly, or requests to a state agency or to the

Page 18

1 general assembly or a committee. A concurrent  
 2 resolution requires the affirmative vote of a majority  
 3 of the senators or representatives present and voting  
 4 unless otherwise specified by statute. A concurrent  
 5 resolution does not require the governor's approval  
 6 unless otherwise specified by statute. A concurrent  
 7 resolution shall be filed with the secretary of the  
 8 senate or the chief clerk of the house. A concurrent  
 9 resolution shall be printed in the bound journal after  
 10 its adoption.

11 2. A "joint resolution" is a resolution which  
 12 requires for approval the affirmative vote of a  
 13 constitutional majority of each house of the general  
 14 assembly. A joint resolution which appropriates funds  
 15 or enacts temporary laws must contain the clause "Be  
 16 It Enacted by the General Assembly of the State of  
 17 Iowa:", is equivalent to a bill, and must be

18 transmitted to the governor for his approval. A joint  
 19 resolution which proposes amendments to the  
 20 Constitution of the State of Iowa, ratifies amendments

 27 clause "Be It Resolved by the General Assembly of the  
 28 State of Iowa:" and shall not be transmitted to the  
 29 governor. A joint resolution shall not amend a  
 30 statute in the Code of Iowa.

 4 which nullifies all of an administrative rule, or a  
 5 severable item of an administrative rule adopted  
 6 pursuant to chapter 17A of the Code. A nullification  
 7 resolution shall not amend an administrative rule by  
 8 adding language or by inserting new language in lieu  
 9 of existing language.  
 10 A nullification resolution is debatable, but cannot  
 11 be amended on the floor of the house or senate. The  
 12 effective date of a nullification resolution shall be  
 13 stated in the resolution. Any motions filed to  
 14 reconsider adoption of a nullification resolution must  
 15 be disposed of within one legislative day of the  
 16 filing.

17 Rule 23

 20 list known as the "Veto Calendar." The veto calendar

 23 accordance with Article III, section 16 of the  
 24 Constitution of the State of Iowa.  
 25 b. Appropriations items returned to that house by  
 26 the governor in accordance with Article III, section  
 27 16 of the Constitution of the State of Iowa.  
 28 c. Bills and appropriations items received from  
 29 the other house after that house has voted to override  
 30 a veto of them by the governor.

Page 20

1 2. Vetoes bills and appropriations items shall  
 2 automatically be placed on the veto calendar upon  
 3 receipt. Vetoes bills and appropriations items shall

- 4 not be referred to committee.
- 5 3. Upon first publication in the veto calendar,  
6 the senate majority leader or the house majority  
7 leader may call up a vetoed bill or appropriations  
8 item at any time.
- 9 4. The affirmative vote of two-thirds of the  
10 members of the body by record roll call is required on  
11 a motion to override an executive veto or item veto.
- 12 5. A motion to override an executive veto or item  
13 veto is debatable. A vetoed bill or appropriation  
14 item cannot be amended in this case.
- 15 6. The vote by which a motion to override an  
16 executive veto or item veto passes or fails to pass  
17 either house is not subject to reconsideration under  
18 senate rule 24 or house rule 73.
- 19 7. The secretary of the senate or the chief clerk  
20 of the house shall immediately notify the other house  
21 of the adoption or rejection of a motion to override

6 convey the reasons for the rejection of the plan to  
7 the legislative service bureau by resolution.
- 8 2. If, pursuant to chapter 42, the legislative  
9 service bureau submits a third redistricting plan as  
10 provided by law, the senate and the house of  
11 representatives, when considering a bill embodying  
12 plan III, shall be allowed to accept for filing as  
13 amendments only such amendments which constitute the  
14 total text of a congressional plan without striking a

## RESOLUTIONS ADOPTED

Senate resolutions and concurrent resolution adopted and not previously printed during the Seventy-ninth General Assembly, 2001 Extraordinary Session.

**SENATE RESOLUTION 52:** filed from the floor; adopted by the Senate on June 19, 2001.

1                               SENATE RESOLUTION 52  
2    By: Committee on Rules and Administration  
3    A Senate resolution urging the Iowa congressional delegation  
4    to support and work to implement the renewal of the  
5    trade promotion authority of the President of the  
6    United States.  
7    WHEREAS, since 1974, Presidents of the United  
8    States used trade promotion authority, formerly known  
9    as fast track authority, to negotiate trade agreements  
10   that reduced barriers to American exports in foreign  
11   markets; and  
12   WHEREAS, the President of the United States has  
13   been without trade promotion authority since 1994; and  
14   WHEREAS, it is increasingly difficult for the  
15   United States to actively participate in the  
16   international trade arena; and  
17   WHEREAS, of the current 130 multilateral trade  
18   agreements in the world, most of which were signed  
19   since 1990, the United States is party to only two,  
20   the European Union is party to 27, and Mexico is party  
21   to 28; and  
22   WHEREAS, under trade promotion authority, trade  
23   agreements are submitted to Congress for approval or  
24   disapproval under rules barring committee or floor  
25   amendments; and  
26   WHEREAS, trade promotion authority does not give  
27   the President of the United States a blank check to  
28   negotiate trade agreements, nor does it undermine the  
29   constitutional prerogatives of Congress; and  
30   WHEREAS, if the President of the United States

Page 2

1   cannot wield trade promotion authority, no country  
2   will initiate serious trade negotiations with the  
3   United States; and  
4   WHEREAS, trade promotion authority guarantees that  
5   trade accords negotiated in good faith with the  
6   President of the United States will not be changed  
7   later by Congress; and  
8   WHEREAS, the free trade agreements achieved under  
9   trade promotion authority have provided tangible

10 benefits for the American economy; and  
 11 WHEREAS, trade is vitally important to Iowa's  
 12 agricultural economy and Iowa family farmers as Iowa  
 13 sold \$3.2 billion of agricultural products to export  
 14 markets in 1999, about 30 percent of the total value  
 15 of Iowa's agricultural production; NOW THEREFORE,  
 16 BE IT RESOLVED BY THE SENATE, That the Iowa  
 17 congressional delegation is urged to support and work  
 18 to implement renewal of the trade promotion authority  
 19 of the President of the United States; and  
 20 BE IT FURTHER RESOLVED, That official copies of  
 21 this Resolution be sent to the members of the Iowa

**During the**

**Seventy-Ninth General Assembly**

**2001 Second Extraordinary Session**

**S-3718**

1 Amend Senate File 549 as follows:

2 1. Page 10, by inserting after line 23, the

3 following:

4 "Sec. 100. DEFINITION -- MILITARY SERVICE. For  
5 the purposes of sections 100 through 106, "military  
6 service" means full-time active state service, as  
7 defined in section 29A.1, or full-time state active  
8 duty, as defined in section 29A.1, for a period of at  
9 least ninety consecutive days.

10 Sec. 101. EVICTION OR DISTRESS DURING MILITARY  
11 SERVICE -- STAY -- PENALTY FOR NONCOMPLIANCE --  
12 ALLOTMENT OF PAY FOR PAYMENT.

13 1. No eviction or distress shall be made during  
14 the period of military service in respect of any  
15 premises for which the agreed rent does not exceed one  
16 thousand two hundred dollars per month, occupied  
17 chiefly for dwelling purposes by the spouse, child, or  
18 other dependent of a person in military service,  
19 except upon leave of court granted upon application or  
20 granted in an action or proceeding affecting the right  
21 of possession.

22 2. On any such application as provided in  
23 subsection 1, or in any such action as provided in  
24 subsection 1, the court may, in its discretion, on its  
25 own motion, and shall, on application, unless in the  
26 opinion of the court the ability of the tenant to pay  
27 the agreed rent is not materially affected by reason  
28 of such military service, stay the proceedings for not  
29 longer than three months. Where such stay is granted  
30 or other order is made by the court, the owner of the  
31 premises shall be entitled, upon application, to  
32 relief in respect of such premises similar to that  
33 granted persons in military service in sections 102  
34 and 103 of this Act to such extent and for such period  
35 as may appear to the court to be just.

36 Sec. 102. INSTALLMENT CONTRACTS FOR PURCHASE OF  
37 PROPERTY.

38 1. No person who has received, or whose assignor  
39 has received, under a contract for the purchase of  
40 real or personal property, or of lease or bailment  
41 with a view to purchase of such property, a deposit or  
42 installment of the purchase price, or a deposit or  
43 installment under the contract, lease, or bailment,  
44 from a person or from the assignor of a person who,  
45 after the date of payment of such deposit or  
46 installment, has entered military service, shall  
47 exercise any right or option under such contract to  
48 rescind or terminate the contract or resume possession  
49 of the property for nonpayment of any installment due  
50 or for any other breach of its terms occurring prior

Page 2

1 to or during the period of such military service,  
2 except by action in a court of competent jurisdiction.

3 2. Upon the hearing of such action as provided in  
4 subsection 1, the court may order the repayment of  
5 prior installments or deposits or any part, as a  
6 condition of terminating the contract and resuming  
7 possession of the property, or may, in its discretion,  
8 on its own motion, and shall, on application to it by  
9 such person in military service or some person on the  
10 person's behalf, order a stay of proceedings as the  
11 court deems just, unless in the opinion of the court,  
12 the ability of the defendant to comply with the terms  
13 of the contract is not materially affected by reason  
14 of such service; or it may make such other disposition  
15 of the case as may be equitable to conserve the  
16 interests of all parties.

17 Sec. 103. MORTGAGES, TRUST DEEDS, OR OTHER  
18 SECURITY.

19 1. The provisions of this section shall apply only  
20 to obligations secured by mortgage, trust deed, or  
21 other security in the nature of a mortgage upon real  
22 or personal property owned by a person in military  
23 service at the commencement of the period of the  
24 military service and still so owned by the person  
25 which obligations originated prior to the person's  
26 period of military service.

27 2. In any proceeding commenced in any court during  
28 the period of military service to enforce such  
29 obligation as provided in subsection 1 arising out of  
30 nonpayment of any sum due or out of any other breach  
31 of the terms of the mortgage, trust deed, or other  
32 security occurring prior to or during the period of  
33 such service the court may, after hearing, in its  
34 discretion, on its own motion, and shall, on  
35 application to it by such person in military service  
36 or some person on the defendant's behalf, unless in  
37 the opinion of the court the ability of the defendant  
38 to comply with the terms of the obligation is not  
39 materially affected by reason of the defendant's  
40 military service, do any of the following:

41 a. Stay the proceedings for such period as the  
42 court deems just.

43 b. Make such other disposition of the case as may  
44 be equitable to conserve the interests of all parties.

45 3. No sale, foreclosure, or seizure of property  
46 for nonpayment of any sum due under any such  
47 obligation as provided in subsection 1, or for any  
48 other breach of the terms thereof, whether under a  
49 power of sale, under a judgment entered upon warrant  
50 of attorney to confess judgment contained therein, or

Page 3

1 otherwise, shall be valid if made during the period of  
2 military service or within three months thereafter,  
3 except pursuant to an agreement between the parties,  
4 unless upon an order previously granted by the court  
5 and a return thereto made and approved by the court.

6 Sec. 104. TERMINATION OF LEASES BY LESSEES.

7 1. The provisions of this section shall apply to  
8 any lease covering premises occupied for dwelling,  
9 professional, business, agricultural, or similar  
10 purposes in any case in which such lease was executed  
11 by or on the behalf of a person who, after the  
12 execution of such lease, entered military service.

13 2. Any such lease as provided in subsection 1 may  
14 be terminated by notice in writing delivered to the  
15 lessor or to the lessor's agent by the lessee at any  
16 time following the date of the beginning of the period  
17 of military service. Delivery of such notice may be  
18 accomplished by placing it in an envelope properly  
19 stamped and duly addressed to the lessor or to the  
20 lessor's agent and depositing the notice in the United  
21 States mail. Termination of any such lease providing  
22 for monthly payment of rent shall not be effective  
23 until thirty days after the first date on which the  
24 next rental payment is due and payable subsequent to  
25 the date when such notice is delivered or mailed. In  
26 the case of all other leases, termination shall be  
27 effected on the last day of the month following the  
28 month in which such notice is delivered or mailed and  
29 in such case any unpaid rental for a period preceding  
30 termination shall be proratably computed and any  
31 rental paid in advance for a period succeeding  
32 termination shall be refunded by the lessor. Upon  
33 application by the lessor to the appropriate court  
34 prior to the termination period provided for in the  
35 notice, any relief granted in this subsection shall be  
36 subject to such modifications or restrictions as in  
37 the opinion of the court justice and equity may in the  
38 circumstances require.

39 Sec. 105. MAXIMUM RATE OF INTEREST. No obligation  
40 or liability bearing interest at a rate in excess of  
41 six percent per year incurred by a person in military  
42 service before that person's entry into that service  
43 shall, during any part of the period of military  
44 service, bear interest at a rate in excess of six  
45 percent per year unless, in the opinion of the court,  
46 upon application thereto by the obligee, the ability  
47 of such person in military service to pay interest  
48 upon such obligation or liability at a rate in excess  
49 of six percent per year is not materially affected by  
50 reason of such service, in which case the court may

Page 4

1 make such order as in its opinion may be just. As  
2 used in this section the term "interest" includes  
3 service charges, renewal charges, fees, or any other  
4 charges, except bona fide insurance, in respect of  
5 such obligation or liability.  
6 Sec. 106. PROVISIONS APPLY NOTWITHSTANDING  
7 CONTRARY CODE PROVISIONS. Sections 100 through 105 of  
8 this Act apply notwithstanding any contrary provision  
9 of state law, which may include but is not limited to  
10 Titles XIII, XIV, and XV.  
11 Sec. 107. Sections 100 through 106 of this Act are  
12 repealed on January 31, 2002."  
13 2. Page 10, line 27, by inserting after the word  
14 "date" the following: ", except that sections 100  
15 through 106 of this Act shall not be applied
