Re: Petition for Waiver

On January 9, 2024, the Board **granted** your request to waive rule 657 IAC 4.6(3), requiring the expiration of your pharmacist-intern registration one year following graduation. The waiver authorizes the extension of your intern registration for an additional six (6) months (expiring June 30, 2024).

The Board determined that application of the rule would impose an undue hardship by limiting your ability to apply real-world experience in your preparation for the competency exams, limiting your ability to financially support your family, and potentially causing you to lose your health insurance.

The Board determined that granting the waiver would not prejudice the legal rights of another person. The Board determined that the provisions of the rule being waived are not specifically mandated by statute or another provision of law. The Board determined that substantially equal protection of the health, safety, and welfare of the public can be assured with continued supervision by a licensed pharmacist.

The waiver is approved and will expire June 30, 2024.
