Re: Request to retake MPJE-Iowa edition

On March 5, 2024, the Board **granted** your request, pursuant to 657 IAC 2.7(3), to retake the MPJE-Iowa edition a fourth time.

The Board determined that application of the rule would impose an undue hardship by prohibiting you from continuing to demonstrate your understanding of Iowa laws and rules.

The Board determined that granting the waiver would not prejudice the legal rights of another person. The Board determined that the provisions of the rule being waived are not specifically mandated by statute or another provision of law. The Board determined that substantially equal protection of the health, safety, and welfare of the public can be assured with your continued practice under the supervision of a licensed pharmacist.

The waiver is approved.
