<p>REQUEST FOR WAIVER IN THE MATTER OF:</p> <p>JOSHUA FREEMAN,</p> <p>Petitioner.</p>	<p>ORDER RE: WAIVER REQUEST</p>
--	--

The Iowa Law Enforcement Academy Council (“Council”) received a waiver request pursuant to 501 Iowa Administrative Code 16.5 from Petitioner. The Petitioner requested waiver of 501 Iowa Administrative Code rule 4.1(5)(b), which states in part:

All instructor certification will be issued for a period of three years. Once certified, an instructor is certified to instruct throughout the state. At the end of a three-year period, certification may be renewed if the instructor has maintained the training requirements for certification, has instructed in a certified training program during the three-year period, remains in good standing, and is recommended by the administrator under whose supervision the individual has instructed.

The Petitioner was pro se. The Council has authority under 501 Iowa Administrative Code Chapter 16 to initiate waiver proceedings upon application. The matter was heard on February 5, 2026. Notice that the matter was set for consideration was provided to Petitioner.

FACTS

Petitioner is certified as a law enforcement officer and an approved SFST instructor. His instructor approval expired on December 31, 2025 and he filed his request for an extension of time to renewal his approval prior to its expiration. Petitioner was scheduled to attend the instructor renewal course on December 16, 2025, but could not attend as his wife, was pregnant at the time, became ill. Petitioner was required to miss the course to care for his wife and young child. Petitioner has been a SFST instructor for 3 years.

The Petitioner seeks a waiver of 501 Iowa Administrative Code rule 4.1(5)(b) to attend the SFST instructor renewal course in order to maintain his SFST instructor approval.

CONCLUSIONS OF LAW

Pursuant to 501 Iowa Administrative Code 16.3, the Council must find by clear and convincing evidence:

1. The application of the rule would impose an undue hardship on the person for whom the waiver is requested;

2. The waiver from the requirements of the rule in the specific case would not prejudice the substantial legal rights of any person;
3. The provisions of the rule subject to the petition for a waiver are not specifically mandated by statute or another provision of law; and
4. Substantially equal protection of public health, safety, and welfare will be afforded by a means other than that prescribed in the particular rule for which the waiver is requested.

The Council must also determine the length of the waiver unless a specified time period is unrealistic. 501 Iowa Admin. Code 16.9(6).

APPLICATION OF LAW

The Council has considered all relevant information and applied all applicable law. The Council finds that the Petitioner met his burden as outlined above.

First, Petitioner had extenuating circumstances that caused his inability to attend an instructor renewal course prior to its expiration. The Council finds that the medical emergency in Petitioner's family constitutes an undue hardship.

Second, the Council does not find that granting a waiver would prejudice the substantial legal rights of any person.

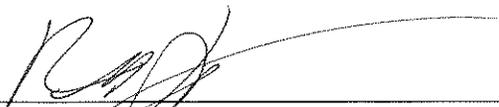

Third, the instructor renewal requirement is not mandated by statute or another non-waivable provision of law.

Finally, the Council finds the public health, safety, and welfare will be adequately protected by a means other than that prescribed by the instructor renewal rule as Petitioner will still be required to attend the renewal course and show proficiency.

ORDER

IT IS THEREFORE ORDERED the Petitioner's request for waiver of 501 Iowa Administrative Code 4.1(5)(b) is granted. Petitioner may attend a SFST renewal course so long as he does so within the next 180 days. Petitioner may not serve as an ILEA approved SFST instructor until he completes the renewal course.

Dated this 5th day of February 2026.
