Re: Waiver request (HD-W-26-02)

Dear Mr. Mouw:

You requested a waiver of Iowa Administrative Code 21-62.25 for *Fun Filly\_SM002679* to register her colt born April 21, 2024 with Iowa Foaled Status. A pre and post-foal inspection was not completed. The colt of *Fun Filly*, foaled on April 21, 2024, requires a waiver to qualify with the Iowa Foaled Status.

As requested, you provided documents supporting the beginning of *Fun Filly's* residency requirement in 2023. You have also provided a notarized statement from your veterinarian, Dr. Beau Bosma. Dr Bosma indicated the foal was born to *Fun Filly* on April 21, 2024 in Sioux Center, IA and an exam was performed on the foal on April 21, 2024.

The criteria for reviewing a waiver request are set out in Iowa Code Section 17A.9A(2). Upon petition of a person, an agency may in its sole discretion issue a waiver or variance from the requirements of a rule if the agency finds, based on clear and convincing evidence, all of the following:

- The application of the rule would pose an undue hardship on the person for whom the waiver or variance is requested.
- The waiver or variance from the requirements of a rule in the specific case would not prejudice the substantial legal rights of any person.
- The provisions of a rule subject to a petition for a waiver or variance are not specifically mandated by statute or another provision of law.
- Substantially equal protection of public health, safety, and welfare will be afforded by a means other than that prescribed in the particular rule for which the waiver or variance is requested.

After consultation with Dr. Katie Rumsey, Assistant State Veterinarian, I find that the above criteria is met in this specific case.

Therefore, I hereby **grant the waiver** for the colt of *Fun Filly* born April 21, 2024, which gives this foal the Iowa Foaled Status.

Sincerely,

**Dr. J.J. Kaisand**
