Re: Waiver request (HD-W-26-05)

Dear Mr. Yoder:

On April 8, 2026 you requested a waiver of Iowa Administrative Code 21-62.25 for *Ooohh Ginger_SM002864* to register her colt born March 25, 2024 with Iowa Foaled Status. A post-foal inspection was not completed. The colt of *Ooohh Ginger*, foaled on March 25, 2024, requires a waiver to qualify with the Iowa Foaled Status.

As requested, you provided a notarized statement from your veterinarian, Dr. Cole Burrack. Dr Burrack indicated the foal was born to *Ooohh Ginger* on March 25, 2024 in Delhi, IA and an exam was performed on the foal on March 26, 2024.

The criteria for reviewing a waiver request are set out in Iowa Code Section 17A.9A(2). Upon petition of a person, an agency may in its sole discretion issue a waiver or variance from the requirements of a rule if the agency finds, based on clear and convincing evidence, all the following:

- The application of the rule would pose an undue hardship on the person for whom the waiver or variance is requested.
- The waiver or variance from the requirements of a rule in the specific case would not prejudice the substantial legal rights of any person.
- The provisions of a rule subject to a petition for a waiver or variance are not specifically mandated by statute or another provision of law.
- Substantially equal protection of public health, safety, and welfare will be afforded by a means other than that prescribed in the particular rule for which the waiver or variance is requested.

After consultation with Dr. Katie Rumsey, Assistant State Veterinarian, I find that the above criteria is met in this specific case.

Therefore, I hereby **grant the waiver** for the colt of *Ooohh Ginger* born March 25, 2024, which gives this foal the Iowa Foaled Status.

Sincerely,

Dr. J.J. Kaisand
