

CHAPTER 83
MEDICAID WAIVER SERVICES

Provision of these services must be cost-effective. Services are limited to certain targeted client groups for whom a federal waiver has been requested and approved. Services provided through the waivers are not available to other Medicaid recipients as the services are beyond the scope of the Medicaid state plan.

Disability determinations are made according to supplemental security income guidelines under Title XVI of the Social Security Act.

b. The person must be ineligible for Supplemental Security Income (SSI) if the person is 21 years of age or older, except that persons who are receiving ill and handicapped waiver services upon reaching the age of 21 may continue to be eligible regardless of SSI eligibility until they reach the age of 25.

c. Persons shall meet the eligibility requirements of the supplemental security income program except for the following:

(1) The person is under 18 years of age, unmarried and not the head of a household and is ineligible for supplemental security income because of the deeming of the parent's(s') income.

(2) The person is married and is ineligible for supplemental security income because of the deeming of the spouse's income or resources.

(3) The person is ineligible for supplemental security income due to excess income and the person's income does not exceed 300 percent of the maximum monthly payment for one person under supplemental security income.

(4) The person is under 18 years of age and is ineligible for supplemental security income because of excess resources.

d. The person must be certified as being in need of nursing facility or skilled nursing facility level of care or as being in need of care in an intermediate care facility for the mentally retarded. The service worker shall establish the interdisciplinary team for the consumer and, with the team, identify the consumer’s need for service based on the consumer’s needs and desires as well as the availability and appropriateness of services using the following criteria:

(1) This service plan shall be based, in part, on information in the completed Home- and Community-Based Services Assessment or Reassessment, Form 470-0659. Form 470-0659 is completed annually, or more frequently upon request or when there are changes in the consumer’s condition. The service worker shall have a face-to-face visit with the consumer at least annually.

(2) Service plans for persons aged 20 or under shall be developed to reflect use of all appropriate nonwaiver Medicaid services and so as not to replace or duplicate those services. The service worker shall list all nonwaiver Medicaid services in the service plan.

(3) Service plans for persons aged 20 or under that include home health or nursing services shall not be approved until a home health agency has made a request to cover the consumer’s service needs through nonwaiver Medicaid services.

(1) For consumers eligible for SSI who remain eligible for ill and handicapped waiver services until the age of 25 because they are receiving ill and handicapped waiver services upon reaching the age of 21, these amounts shall be increased by the cost of services for which the consumer would be eligible under 441—subrule 78.9(10) if still under 21 years of age.

(2) If more than \$500 is paid for home and vehicle modification services, the service worker shall encumber up to \$500 per month within the monthly dollar cap allowed for the consumer until the total amount of the modification is reached within a 12-month period.

(1) Employment. Interim medical monitoring and treatment services are to be received only during hours of employment.

(2) Academic or vocational training. Interim medical monitoring and treatment services provided while a usual caregiver participates in postsecondary education or vocational training shall be limited to 24 periods of no more than 30 days each per caregiver as documented by the service worker. Time spent in high school completion, adult basic education, GED, or English as a second language does not count toward the limit.

(4) Search for employment.

1. Care during job search shall be limited to only those hours the usual caregiver is actually looking for employment, including travel time.

2. Interim medical monitoring and treatment services may be provided under this paragraph only during the execution of one job search plan of up to 30 working days in a 12-month period, approved by the department service worker or targeted case manager pursuant to 441—subparagraph 170.2(2) “b”(5).

83.3(2) *Application and services program limit.* The number of persons who may be approved for the HCBS ill and handicapped waiver shall be subject to the number of consumers to be served as set forth in the federally approved HCBS ill and handicapped waiver. The number of consumers to be served is set forth at the time of each five-year renewal of the waiver or in amendments to the waiver approved by the Centers for Medicare and Medicaid Services (CMS). When the number of applicants exceeds the number of consumers specified in the approved waiver, the applicant's name shall be placed on a waiting list maintained by the bureau of long-term care.

a. The county department office shall contact the bureau of long-term care for all applicants for the waiver to determine if a payment slot is available.

(1) For applicants not currently receiving Medicaid, the county department office shall contact the bureau by the end of the fifth working day after receipt of a completed Form 470-2927 or 470-2927(S), Health Services Application, or within five working days after receipt of disability determination, whichever is later.

(2) For current Medicaid recipients, the county department office shall contact the bureau by the end of the fifth working day after receipt of either Form 470-0659, Home- and Community-Based Services Assessment or Reassessment, with the choice of HCBS waiver indicated by signature of the consumer or a written request signed and dated by the consumer.

(3) A payment slot shall be assigned to the applicant upon confirmation of an available slot.

(4) Once a payment slot is assigned, the county department office shall give written notice to the applicant. The department shall hold the payment slot for the applicant as long as reasonable efforts are being made to arrange services and the applicant has not been determined to be ineligible for the program. If services have not been initiated and reasonable efforts are no longer being made to arrange services, the slot shall revert for use by the next person on the waiting list, if applicable. The applicant originally assigned the slot must reapply for a new slot.

b. If no payment slot is available, the bureau of long-term care shall enter persons on a waiting list according to the following:

(1) Consumers not currently eligible for Medicaid shall be entered on the waiting list on the basis of the date a completed Form 470-2927 or 470-2927(S), Health Services Application, is date-stamped in the county department office or upon the county department office's receipt of disability determination, whichever is later.

(2) Consumers currently eligible for Medicaid shall be added to the waiting list on the basis of the date a request as specified in 83.3(2) “a”(2) is date-stamped in the county department office.

(3) In the event that more than one application is received at one time, persons shall be entered on the waiting list on the basis of the month of birth, January being month one and the lowest number.

(4) Applicants who do not fall within the available slots shall have their application rejected, and their names shall be maintained on the waiting list. They shall be contacted to reapply as slots become available based on their order on the waiting list so that the number of approved persons on the program is maintained. The bureau of long-term care shall contact the county department office when a slot becomes available.

(5) Once a payment slot is assigned, the county department office shall give written notice to the person within five working days. The department shall hold the payment slot for 30 days for the person to file a new application. If an application has not been filed within 30 days, the slot shall revert for use by the next person on the waiting list, if applicable. The person originally assigned the slot must reapply for a new slot.

(2) The application is pending because the department has not received information which is beyond the control of the client or the department.

(3) The application is pending due to the disability determination process performed through the department.

(4) The application is pending because a level of care determination has not been made although the completed assessment, Form 470-0659, Home- and Community-Based Services Assessment or Reassessment, has been submitted to the IME medical services unit.

(5) The application is pending because the assessment, Form 470-0659, or the service plan has not been completed. When a determination is not completed 90 days from the date of application due to the lack of a completed assessment, Form 470-0659, or service plan, the application shall be denied. The consumer shall have the right to appeal.

b. Decisions shall be mailed or given to the applicant on the date when income maintenance eligibility and level of care determinations and the client case plan are completed.

b. The effective date of eligibility for the ill and handicapped waiver for persons who qualify for Medicaid due to eligibility for the waiver services and to whom paragraphs "a" and "c" of this subrule do not apply is the date on which the income eligibility and level of care determinations and the case plan are completed.

The consumer will be notified of that decision through Form 470-0602, Notice of Decision. If the consumer returns home before the effective date of the notice of decision and the consumer's condition has not substantially changed, the denial may be rescinded and eligibility may continue.

For the purposes of attributing resources as provided in rule 441—75.5(249A), the date on which the waiver applicant met the level of care criteria in a medical institution as established by the peer review organization shall be used as the date of entry to the medical institution.
