The inclusion of this explanation does not constitute agreement with the explanation's substance by the members of the general assembly.

9 DIVISION I — FY 2018-2019.

12 COLLEGE STUDENT AID COMMISSION. The bill includes  
13 appropriations to the college student aid commission for  
14 general administrative purposes, the loan repayment program  
15 for health care professionals, the national guard educational  
16 assistance program, the teacher shortage loan forgiveness  
17 program, the all Iowa opportunity scholarship program, the  
18 teach Iowa scholar program, the rural Iowa primary care loan  
19 repayment program, and the registered nurse and nurse educator  
20 loan forgiveness program.

21 The bill prohibits the commission from approving new loan  
22 forgiveness applications under the teacher shortage loan  
23 forgiveness program. Statute is modified to require applicants  
24 for the national guard educational assistance program to  
25 complete and submit forms required by the commission, and to  
26 provide that any other state or federal financial aid the  
27 applicant qualifies for be considered part of the applicant's  
28 financial resources.

29 The bill modifies the rural Iowa advanced registered nurse  
30 practitioner and physician assistant loan repayment program by  
31 prohibiting the commission from entering into any new program  
32 agreements on or after July 1, 2018; striking a provision to  
33 allow a person who entered into a program agreement to practice  
34 part-time; striking language relating to the postponement of  
35 program obligations; repealing the program July 1, 2023; and

1 providing for the transfer of any balance in the rural Iowa  
2 advanced registered nurse practitioner and physician assistant  
3 trust fund on June 30, 2023, to the health care loan repayment  
4 fund established for purposes of the health care loan repayment  
5 program.

6 The bill expands the current registered nurse and nurse  
7 educator program by adding advanced registered nurse  
8 practitioners and physician assistants to the program. The  
9 bill changes the name of the program, and of the program fund,  
10 to the health care loan repayment program and the health care  
11 loan repayment fund.

12 To qualify for the program, applicants who are registered  
13 nurses, advanced registered practitioners, or physician  
14 assistants must complete and return an affidavit of practice  
15 verifying that the applicant is or will be practicing full-time  
16 in a service commitment area in this state or is a nurse  
17 educator teaching full-time in this state. The affidavit must  
18 specify the service commitment area in which the applicant will  
19 practice as a condition of receiving loan repayment. Nurse  
20 educators are not required to teach in service commitment  
21 areas. An applicant who is a member of the Iowa national guard  
22 is exempt from the service commitment area requirement, but  
23 must submit an affidavit verifying the applicant is practicing  
24 in this state. The bill defines a service commitment area as  
25 a city in Iowa with a population of less than 26,000 that is  
26 located more than 20 miles from a city with a population of  
27 50,000 or more.

28 Currently, the annual amount of loan repayment for a  
29 registered nurse or nurse educator shall not exceed the  
30 resident tuition rate established for regents universities or  
31 20 percent of the registered nurse's total federally determined  
32 loan amount, including principal and interest, whichever  
33 amount is less. The bill limits the annual amount of loan  
34 repayment to a program applicant to \$6,000 or 20 percent of  
35 the recipient's total qualified student loan, whichever amount

1 is less. The bill defines qualified student loan as a loan  
2 that was made, insured, or guaranteed under Tit. IV of the  
3 federal Higher Education Act of 1965, as amended, or under  
4 Tit. VII or VIII of the federal Public Health Service Act, as  
5 amended, directly to the borrower for attendance at an approved  
6 postsecondary educational institution.

7 The commission is required to establish by rule the criteria  
8 to be used in evaluating applications, and to give highest  
9 priority to applicants who are residents of Iowa, then, if  
10 requested by the adjutant general, to applicants who are  
11 members of the Iowa national guard.

12 The bill provides that moneys appropriated to the commission  
13 for the national guard educational assistance program may be  
14 distributed to a public university that purchased an Iowa  
15 for-profit accredited private institution effective March 22,  
16 2018, whose students were eligible members of the national  
17 guard and received educational assistance under the national  
18 guard educational assistance program in the fiscal year  
19 beginning July 1, 2017, if the students continue to meet the  
20 requirements of the national guard educational assistance  
21 program.

22 The bill limits the standing appropriation for the Iowa  
23 tuition grant for students attending nonprofit accredited  
24 private institutions. The bill also reduces the standing  
25 limited appropriation for Iowa tuition grants for students  
26 attending for-profit accredited private institutions but  
27 provides that of the moneys appropriated, not more than \$80,000  
28 shall be used for qualified students attending barber and  
29 cosmetology arts and sciences schools licensed in Iowa.

30 DEPARTMENT OF EDUCATION. The bill appropriates moneys to  
31 the department of education for purposes of the department's  
32 general administration, career and technical education  
33 administration, division of vocational rehabilitation services  
34 including independent living programs, the entrepreneurs with

11 attendance center performance/general internet site and data  
12 system support, the online state job posting system, successful  
13 progression for early readers, an early warning system for  
14 literacy, the Iowa reading research center, the computer  
15 science professional development incentive fund, distribution  
16 to the midwestern higher education compact to pay Iowa's member  
17 state annual obligation, area education agencies, and community  
18 colleges.

19     The bill amends language enacted by 2018 Iowa Acts, SF 475,  
20 which adds a requirement that school districts and accredited  
21 nonpublic schools offer and teach a half unit of coursework in  
22 personal finance literacy, and which students must complete  
23 as a condition of graduation. The bill modifies new Code  
24 language enacted in 2018 Iowa Acts, SF 475, by providing that  
25 a half unit of personal finance literacy may count as a half  
26 unit of social studies for meeting the education standards  
27 requirements for high school social studies coursework and  
28 providing that units of coursework that meet the requirements  
29 of any combination of specified coursework required under the  
30 high school education standards and incorporate the personal  
31 finance literacy curriculum shall be deemed to satisfy the  
32 offer and teach requirements and providing that a student  
33 who completes such a unit shall be deemed to have met the  
34 graduation requirement. Under SF 475, the language takes

9 DIVISION I — FY 2018-2019.

12 COLLEGE STUDENT AID COMMISSION. The bill includes  
13 appropriations to the college student aid commission for  
14 general administrative purposes, the loan repayment program  
15 for health care professionals, the national guard educational  
16 assistance program, the teacher shortage loan forgiveness  
17 program, the all Iowa opportunity scholarship program, the  
18 teach Iowa scholar program, the rural Iowa primary care loan  
19 repayment program, and the registered nurse and nurse educator  
20 loan forgiveness program.

21 The bill prohibits the commission from approving new loan  
22 forgiveness applications under the teacher shortage loan  
23 forgiveness program. Statute is modified to require applicants  
24 for the national guard educational assistance program to  
25 complete and submit forms required by the commission, and to  
26 provide that any other state or federal financial aid the  
27 applicant qualifies for be considered part of the applicant's  
28 financial resources.

29 The bill modifies the rural Iowa advanced registered nurse  
30 practitioner and physician assistant loan repayment program by  
31 prohibiting the commission from entering into any new program  
32 agreements on or after July 1, 2018; striking a provision to  
33 allow a person who entered into a program agreement to practice  
34 part-time; striking language relating to the postponement of  
35 program obligations; repealing the program July 1, 2023; and

1 providing for the transfer of any balance in the rural Iowa  
2 advanced registered nurse practitioner and physician assistant  
3 trust fund on June 30, 2023, to the health care loan repayment  
4 fund established for purposes of the health care loan repayment  
5 program.

6 The bill expands the current registered nurse and nurse  
7 educator program by adding advanced registered nurse  
8 practitioners and physician assistants to the program. The  
9 bill changes the name of the program, and of the program fund,  
10 to the health care loan repayment program and the health care  
11 loan repayment fund.

12 To qualify for the program, applicants who are registered  
13 nurses, advanced registered practitioners, or physician  
14 assistants must complete and return an affidavit of practice  
15 verifying that the applicant is or will be practicing full-time  
16 in a service commitment area in this state or is a nurse  
17 educator teaching full-time in this state. The affidavit must  
18 specify the service commitment area in which the applicant will  
19 practice as a condition of receiving loan repayment. Nurse  
20 educators are not required to teach in service commitment  
21 areas. An applicant who is a member of the Iowa national guard  
22 is exempt from the service commitment area requirement, but  
23 must submit an affidavit verifying the applicant is practicing  
24 in this state. The bill defines a service commitment area as  
25 a city in Iowa with a population of less than 26,000 that is  
26 located more than 20 miles from a city with a population of  
27 50,000 or more.

28 Currently, the annual amount of loan repayment for a  
29 registered nurse or nurse educator shall not exceed the  
30 resident tuition rate established for regents universities or  
31 20 percent of the registered nurse's total federally determined  
32 loan amount, including principal and interest, whichever  
33 amount is less. The bill limits the annual amount of loan  
34 repayment to a program applicant to \$6,000 or 20 percent of  
35 the recipient's total qualified student loan, whichever amount

1 is less. The bill defines qualified student loan as a loan  
2 that was made, insured, or guaranteed under Tit. IV of the  
3 federal Higher Education Act of 1965, as amended, or under  
4 Tit. VII or VIII of the federal Public Health Service Act, as  
5 amended, directly to the borrower for attendance at an approved  
6 postsecondary educational institution.

7 The commission is required to establish by rule the criteria  
8 to be used in evaluating applications, and to give highest  
9 priority to applicants who are residents of Iowa, then, if  
10 requested by the adjutant general, to applicants who are  
11 members of the Iowa national guard.

12 The bill provides that moneys appropriated to the commission  
13 for the national guard educational assistance program may be  
14 distributed to a public university that purchased an Iowa  
15 for-profit accredited private institution effective March 22,  
16 2018, whose students were eligible members of the national  
17 guard and received educational assistance under the national  
18 guard educational assistance program in the fiscal year  
19 beginning July 1, 2017, if the students continue to meet the  
20 requirements of the national guard educational assistance  
21 program.

22 The bill limits the standing appropriation for the Iowa  
23 tuition grant for students attending nonprofit accredited  
24 private institutions. The bill also reduces the standing  
25 limited appropriation for Iowa tuition grants for students  
26 attending for-profit accredited private institutions but  
27 provides that of the moneys appropriated, not more than \$80,000  
28 shall be used for qualified students attending barber and  
29 cosmetology arts and sciences schools licensed in Iowa.

30 DEPARTMENT OF EDUCATION. The bill appropriates moneys to  
31 the department of education for purposes of the department's  
32 general administration, career and technical education  
33 administration, division of vocational rehabilitation services  
34 including independent living programs, the entrepreneurs with

15 science professional development incentive fund, distribution  
16 to the midwestern higher education compact to pay Iowa's member  
17 state annual obligation, area education agencies, and community  
18 colleges.

19     The bill amends language enacted by 2018 Iowa Acts, SF 475,  
20 which adds a requirement that school districts and accredited  
21 nonpublic schools offer and teach a half unit of coursework in  
22 personal finance literacy, and which students must complete  
23 as a condition of graduation. The bill modifies new Code  
24 language enacted in 2018 Iowa Acts, SF 475, by providing that  
25 a half unit of personal finance literacy may count as a half  
26 unit of social studies for meeting the education standards  
27 requirements for high school social studies coursework and  
28 providing that units of coursework that meet the requirements  
29 of any combination of specified coursework required under the  
30 high school education standards and incorporate the personal  
31 finance literacy curriculum shall be deemed to satisfy the  
32 offer and teach requirements and providing that a student  
33 who completes such a unit shall be deemed to have met the  
34 graduation requirement. Under SF 475, the language takes
