

214A.16 Notice of blended fuel decal.

If motor vehicle fuel containing a renewable fuel is sold from a motor vehicle fuel pump, the pump shall have affixed a decal identifying the name of the renewable fuel. The decal may be different based on the type of renewable fuel used. The design and location of the decal shall be prescribed by rules adopted by the department. A decal identifying a renewable fuel shall be consistent with standards adopted pursuant to section 159A.6. The department may approve an application to place a decal in a special location on a pump or container or use a decal with special lettering or colors, if the decal appears clear and conspicuous to the consumer. The application shall be made in writing pursuant to procedures adopted by the department.
