

455B.220 Certificate without examination.

1. A certificate in appropriate classification shall be issued without examination to any operator who, prior to January 1, 1973, held a valid certificate attained by examination and issued by the commissioner of public health.

2. A certificate of proper classification shall be issued without examination to any operator who, prior to January 1, 1973, held a valid certificate to operate a particular treatment plant or water distribution system. The certificate so issued shall be valid only for that particular treatment plant or system and shall remain in effect indefinitely unless revoked as provided in section 455B.219.

3. A certificate of proper classification may be issued without examination to operators of a water distribution system in which water is conveyed from a supply point to the premises of consumers without treatment which in some way alters the physical, chemical, or bacteriological quality of the water and which serves a population of not more than two hundred fifty persons. Renewals of those certificates issued shall be governed by the provisions of this part 2 of division III and rules promulgated pursuant to this part. Notwithstanding chapter 272C, continuing education requirements shall not be imposed as a condition of certificate renewal for certificates issued under this subsection.
