

153.38 Dental assistants scope of practice.

A registered dental assistant may perform those services of assistance to a licensed dentist as determined by the board of dentistry by rule. Such services shall be performed under supervision of a licensed dentist in a dental office, a public or private school, public health agencies, hospitals, and the armed forces, but shall not be construed to authorize a dental assistant to practice dentistry or dental hygiene. Every licensed dentist who utilizes the services of a registered dental assistant for the purpose of assistance in the practice of dentistry shall be responsible for acts delegated to the registered dental assistant. A dentist shall delegate to a registered dental assistant only those acts which are authorized to be delegated to registered dental assistants by the board of dentistry.
