

284A.3 Program appropriation.

1. For the fiscal year beginning July 1, 2006, and each succeeding fiscal year, there is appropriated from the general fund of the state to the department of education the sum of two hundred fifty thousand dollars for purposes of administering the beginning administrator mentoring and induction program established pursuant to this chapter.
2. A school district shall receive one thousand five hundred dollars per beginning administrator participating in the program. If the funds appropriated for the program are insufficient to pay mentors and school districts as provided in this subsection, the department shall prorate the amount distributed to school districts based upon the amount appropriated. Moneys received by a school district pursuant to this subsection shall be expended to provide each mentor with an award of five hundred dollars per semester, at a minimum, for participation in the school district's beginning administrator mentoring and induction program; to implement the plan; and to pay any applicable costs of the employer's share of contributions to federal social security and the Iowa public employees' retirement system or a pension and annuity retirement system established under chapter 294, for such amounts paid by the district.
3. Notwithstanding section 8.33, any moneys remaining unobligated or unexpended from the moneys appropriated under subsection 1 shall not revert, but shall remain available in the succeeding fiscal year for expenditure for the purposes designated. The provisions of section 8.39 shall not apply to the funds appropriated pursuant to this section.
