

15G.111 Appropriations.

1. *a.* For the fiscal period beginning July 1, 2005, and ending June 30, 2015, there is appropriated each fiscal year from the grow Iowa values fund created in section 15G.108, the following amounts for the purposes designated:

(1) For the fiscal year beginning July 1, 2005, and ending June 30, 2006, to the department of economic development thirty-five million dollars for programs administered by the department of economic development.

(2) For each fiscal year of the fiscal period beginning July 1, 2006, and ending June 30, 2007, to the department of economic development thirty-three million dollars for programs administered by the department of economic development.

(3) For each fiscal year of the fiscal period beginning July 1, 2007, and ending June 30, 2009, to the department of economic development thirty million dollars for programs administered by the department of economic development.

(4) For each fiscal year of the fiscal period beginning July 1, 2009, and ending June 30, 2015, to the department of economic development thirty-two million dollars for programs administered by the department of economic development.

b. Each year that moneys are appropriated under this subsection, the department shall allocate a percentage of the moneys for each of the following types of activities:

(1) Business start-ups.

(2) Business expansion.

(3) Business modernization.

(4) Business attraction.

(5) Business retention.

(6) Marketing.

(7) Research and development.

c. The department shall require an applicant for moneys appropriated under this subsection to include in the application a statement regarding the intended return on investment. A recipient of moneys appropriated under this subsection shall annually submit a statement to the department regarding the progress achieved on the intended return on investment stated in the application. The department, in cooperation with the department of revenue, shall develop a method of identifying and tracking each new job created and the leveraging of moneys through financial assistance from moneys appropriated under this subsection. The department of economic development shall identify research and development activities funded through financial assistance from not more than ten percent of the moneys appropriated under this subsection, and, instead of determining return on investment and job creation for the identified funding, determine the potential impact on the state's economy.

d. The department may use moneys appropriated under this subsection to procure technical assistance from either the public or private sector, for information technology purposes, for a statewide labor shed study, and for rail, air, or river port transportation-related purposes. The use of moneys appropriated for rail, air, or river

port transportation-related purposes must be directly related to an economic development project and the moneys must be used to leverage other financial assistance moneys.

e. Of the moneys appropriated under this subsection, the department may use up to one and one-half percent for administrative purposes.

f. The Iowa economic development board shall approve or deny applications for financial assistance provided with moneys appropriated under this subsection. In providing such financial assistance, the board shall, whenever possible, coordinate the assistance with other programs administered by the department of economic development, including the community economic betterment program established in section 15.317 and the value-added agricultural products and processes financial assistance program established in section 15E.111.

g. It is the policy of this state to expand and stimulate the state economy by advancing, promoting, and expanding biotechnology industries in this state. To implement this policy, the Iowa economic development board shall consider providing assistance to projects that increase value-added income to individuals or organizations involved in agricultural business or biotechnology projects. Such a project need not create jobs specific to the project site; however, such a project must foster the knowledge and creativity necessary to promote the state's agricultural economy and to increase employment in urban and rural areas as a result.

2. For the fiscal period beginning July 1, 2005, and ending June 30, 2015, there is appropriated each fiscal year from the grow Iowa values fund created in section 15G.108 to the department of economic development five million dollars for financial assistance to institutions of higher learning under the control of the state board of regents for capacity building infrastructure in areas related to technology commercialization, for marketing and business development efforts in areas related to technology commercialization, entrepreneurship, and business growth, and for infrastructure projects and programs needed to assist in the implementation of activities under chapter 262B. In allocating moneys to institutions under the control of the state board of regents, the board shall require the institutions to provide a one-to-one match of additional moneys for the activities funded with moneys appropriated under this subsection. The state board of regents shall annually prepare a report for submission to the governor, the general assembly, and the legislative services agency regarding the activities, projects, and programs funded with moneys appropriated under this subsection.

The state board of regents may allocate any moneys appropriated under this subsection and received from the department for financial assistance to a single biosciences development organization determined by the department to possess expertise in promoting the area of bioscience entrepreneurship. The organization must be composed of representatives of both the public and the private sector and shall be composed of subunits or subcommittees in the areas of existing identified biosciences platforms, education and workforce development, commercialization, communication, policy and governance, and finance. Such financial assistance shall be used for purposes of activities related to biosciences and bioeconomy development under chapter 262B, and to accredited private universities in this state.

By September 30, 2007, the legislative services agency shall submit a written report to the fiscal committee of the legislative council and the standing committees on economic growth in the senate and the house of representatives regarding a review of expenditures by the state board of regents from appropriations under this subsection and 2006 Iowa Acts, ch. 1179, section 14.

3. For the fiscal period beginning July 1, 2005, and ending June 30, 2015, there is appropriated each fiscal year from the grow Iowa values fund created in section 15G.108 to the department of economic development one million dollars for purposes of providing financial assistance for projects in targeted state parks, state banner parks, and destination parks. The department of natural resources shall submit a plan to the department of economic development for the expenditure of moneys appropriated under this subsection. The plan shall focus on improving state parks, state banner parks, and destination parks for economic

development purposes. Based on the report submitted, the department of economic development shall provide financial assistance to the department of natural resources for support of state parks, state banner parks, and destination parks. For purposes of this subsection, "*state banner park*" means a park with multiple uses and which focuses on the economic development benefits of a community or area of the state.

4. For the fiscal period beginning July 1, 2005, and ending June 30, 2015, there is appropriated each fiscal year from the grow Iowa values fund created in section 15G.108 to the office of the treasurer of state one million dollars for deposit in the Iowa cultural trust fund created in section 303A.4.

5. For the fiscal period beginning July 1, 2005, and ending June 30, 2015, there is appropriated each fiscal year from the grow Iowa values fund created in section 15G.108 to the department of economic development seven million dollars for deposit into the workforce training and economic development funds of the community colleges created pursuant to section 260C.18A.

6. *a.* For the fiscal period beginning July 1, 2005, and ending June 30, 2015, there is appropriated each fiscal year from the grow Iowa values fund created in section 15G.108 to the department of economic development one million dollars for providing economic development region financial assistance under section 15E.232, subsections 3, 5, 6, 7, and 8, and under section 15E.233.

b. Of the moneys appropriated in this subsection, the department shall transfer three hundred fifty thousand dollars each fiscal year for the fiscal period beginning July 1, 2005, and ending June 30, 2015, to Iowa state university of science and technology, for purposes of providing financial assistance to establish small business development centers in areas of the state previously served by a small business development center, to develop business succession plans, and to maintain existing small business development centers. Of the three hundred fifty thousand dollars transferred each fiscal year pursuant to this paragraph, not more than one hundred thousand dollars shall be used for business succession activities. Financial assistance for a small business development center shall not exceed fifty thousand dollars per fiscal year and shall not be awarded unless the city or county where the center is located or scheduled to be located demonstrates the ability to obtain local matching moneys on a dollar-for-dollar basis for at least twenty-five percent of the cost of the center.

c. Of the moneys appropriated under this subsection, the department may use up to fifty thousand dollars each fiscal year during the fiscal period beginning July 1, 2005, and ending June 30, 2015, for purposes of providing training, materials, and assistance to Iowa business resource centers.

7. *a.* For the fiscal period beginning July 1, 2006, and ending June 30, 2009, there is appropriated for each fiscal year from the grow Iowa values fund created in section 15G.108 two million dollars for deposit in the renewable fuel infrastructure fund as provided in section 15G.205.

b. This subsection is repealed on July 1, 2009.

8. For the fiscal period beginning July 1, 2007, and ending June 30, 2015, there is appropriated for each fiscal year from the grow Iowa values fund created in section 15G.108 to the department of economic development three million dollars for the purpose of providing the commercialization services described in section 15.411, subsections 2 and 3.

9. Notwithstanding section 8.33, moneys that remain unexpended at the end of a fiscal year shall not revert to any fund but shall remain available for expenditure for the designated purposes during the succeeding fiscal year.
