

279.40 Sick leave.

Public school employees are granted leave of absence for medically related disability with full pay in the following minimum amounts:

1. The first year of employment 10 days.
2. The second year of employment 11 days.
3. The third year of employment 12 days.
4. The fourth year of employment 13 days.
5. The fifth year of employment 14 days.
6. The sixth and subsequent years of employment 15 days.

The above amounts shall apply only to consecutive years of employment in the same school district and unused portions shall be cumulative to at least a total of ninety days. The school board shall, in each instance, require such reasonable evidence as it may desire confirming the necessity for such leave of absence.

Nothing in this section shall be construed as limiting the right of a school board to grant more time than the days herein specified.

Cumulation of sick leave under this section shall not be affected or terminated due to the organization or dissolution of a community school district or districts which include all or the portion of the district which employed the particular public school employee for the school year previous to the organization or dissolution, if the employee is employed by one of the community school districts for the first school year following its organization or dissolution.

Any amounts due an employee under this section shall be reduced by benefits payable under sections 85.33 and 85.34, subsection 1.
