

523A.603 Security and notice requirements.

1. If a purchase agreement is funded with an insurance policy or an annuity, the purchaser shall receive a notice thereof from the insurance company within sixty days of making payment. The notice shall include the name and address of the insurance company, the policy number of the insurance policy that secures the agreement, the name of the insured under the insurance policy or annuity, and the amount of the accumulated death benefit. Delivery of the insurance policy or certificate or annuity shall satisfy this notice requirement.

2. If a purchase agreement is funded by a surety bond, the purchaser shall receive a notice from the surety company that evidences coverage under the bond, the name of the purchaser or beneficiary, and the amount of coverage. If the purchase agreement is paid with a single payment, the purchaser shall receive notice of the surety bond within sixty days of making the payment. If the purchase agreement is being paid with multiple, periodic payments, the purchaser shall receive notice of the surety bond within sixty days of making the last payment. Compliance with this notice requirement does not require a seller to purchase individual surety bonds for each purchaser and beneficiary. A seller may file a single bond with the commissioner.
