230A.111 Review and evaluation.

- 1. The review and evaluation of designated centers shall be performed through a formal accreditation review process as recommended by the division and approved by the commission. The accreditation process shall include all of the following:
 - a. Specific time intervals for full accreditation reviews based upon levels of accreditation.
- b. Use of random or complaint-specific, on-site limited accreditation reviews in the interim between full accreditation reviews, as a quality review approach. The results of such reviews shall be presented to the commission.
- c. Use of center accreditation self-assessment tools to gather data regarding quality of care and outcomes, whether used during full or limited reviews or at other times.
- 2. The accreditation process shall include but is not limited to addressing all of the following:
- a. Measures to address centers that do not meet standards, including authority to revoke accreditation.
- *b*. Measures to address noncompliant centers that do not develop a corrective action plan or fail to implement steps included in a corrective action plan accepted by the division.
- c. Measures to appropriately recognize centers that successfully complete a corrective action plan.
- d. Criteria to determine when a center's accreditation should be denied, revoked, suspended, or made provisional.
