

25.7 Claims refused — effect.

When any claim against the state has been presented to the general assembly through the state appeal board, and the general assembly has failed or refused to make an appropriation therefor, such failure or refusal to appropriate shall constitute an adjudication against said claim, which shall bar any further proceedings before the general assembly for the payment of same.

[C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §25.7]
