

633.68 Powers of successor fiduciary.

When a successor fiduciary is appointed, the successor shall have all the rights, powers, titles and duties of the predecessor, except that the successor shall not exercise powers given in the instrument creating the powers that by its express terms are personal to the fiduciary therein designated.

[C66, 71, 73, 75, 77, 79, 81, §633.68]
