## 8.21 Budget transmitted.

- 1. Not later than February 1 of each legislative session, the governor shall transmit to the legislature a document to be known as a budget, setting forth the governor's financial program for the ensuing fiscal year and having the character and scope set forth in sections 8.22 through 8.29.
- 2. If the governor is required to use a lesser amount in the budget process because of a later meeting of the state revenue estimating conference under section 8.22A, subsection 3, the governor shall transmit recommendations for a budget in conformance with that requirement within fourteen days of the later meeting of the state revenue estimating conference.
